This day, in accordance with the Constitution of the State of North Carolina and G.S. 120-11.1, which fixes the date for the meeting of the General Assembly of North Carolina, the Members of the House of Representatives assemble in the House Chamber of the State Legislative Building in the City of Raleigh at 12:00 Noon and are called to order by the Honorable Thad Eure, Secretary of State.

Prayer is offered by Dr. Albert G. Edwards, Pastor of First Presbyterian Church, Raleigh, North Carolina, as follows:

"Sovereign God, Creator, Redeemer, Sustainer of all mankind, we thank Thee that Thou art abundantly good to all who call upon Thee, and that Thou art ever more ready to give than we are to ask.

"We thank Thee for the men and women of this House who have been returned by their constituents for another term. Whether they have been returned by merit, or whether because they are the best of the worst, it matters not; they are here and in their hands are immense responsibilities. May the PRESTIGE and PREFERENCE that accompany seniority and the POWER that comes from EXPERIENCE be possessions and advantages that are unselfishly and impartially utilized.

"We pray for those who are new to the House. Keep them from cynicism and despair when they realize that all they seek is not attainable. Help them to recognize that not of all endeavors will it be possible to say, 'Well done, good and faithful servant.' But may they so labor that it may be said 'WELL TRIED, GOOD AND FAITHFUL SERVANT.' In Thy Holy Name, Amen."

The roll is called and all of the Members-elect except Ms. Margaret P. Keesee and Mr. Martin L. Nesbitt answer when their names are called. Ms. Keesee and Mr. Nesbitt are granted a leave of absence for today.

The one hundred eighteen Members-elect who are present, appear with proper certificates of election, take and subscribe to the following oath of office, which is administered by the Honorable Earl Vaughn, Chief Judge of the North Carolina Court of Appeals.

OATH FOR MEMBERS OF THE HOUSE OF REPRESENTATIVES

"I do solemnly swear or affirm that I will support the Constitution and laws of the United States; and,
"I do solemnly and sincerely swear or affirm that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; and that I will endeavor to support, maintain, and defend the Constitution of said State, not inconsistent with the Constitution of the United States, to the best of my knowledge and ability; and,

"I do solemnly swear or affirm that I will faithfully discharge my duties as a Member of the 1983 House of Representatives of the General Assembly of the State of North Carolina, to the best of my skill and ability, so help me, God."

One hundred eighteen Members having answered the roll call, the Secretary of State declares a quorum is present.

The Secretary of State announces that the first order of business is the election of a Speaker and declares that nominations are in order.

**ELECTION OF OFFICERS**

Representative Charles Beall places in nomination the name of Representative Liston B. Ramsey, of Madison County, as Speaker of the 1983 House of Representatives.

"Mr. Secretary of State, distinguished visitors and guests, ladies and gentlemen of the House:

"It is with the greatest of pleasure and a feeling of honor that I nominate for Speaker of the House for 1983-85 my esteemed colleague from the 52nd District, the Honorable Liston Bryan Ramsey.

"In doing so, I am reminded of one of the most profound statements of all time: 'Many are called, but few are chosen.'

"These seven words in the Book of St. Matthew speak a parable that has remained one of the most abiding truths down through the ages.

"Many are those who are adept at managing, directing or supervising — and these are entirely praiseworthy qualities much to be desired in an individual. But there are relatively few who emerge as true leaders — persons who, in order to rally people to action, have only to say: 'Let's go. Follow me.'

"It is a quality difficult to define.

"The Marine Corps calls it 'command presence.' But, whatever the name, it is a power that few have and the mark of every true leader.

"Christ had it.

"Moses had it.

"Alexander the Great had it.

"Mahatma Ghandi had it.

"Franklin D. Roosevelt had it.

"George S. Patton had it.

"Vince Lombardi had it.

"Liston Bryan Ramsey has it. He is a true leader, not a custodian.
“He has the uncommon ability to spur people to action with a few well-chosen words or personal example, or both. This he has done for the last two years as Speaker of this House, and this he can be counted on to continue to do for the next two years.

“The true leader ‘knows where he is coming from.’ That’s Liston Ramsey. He does his homework. As former Prime Minister Disraeli of Great Britain said: ‘The most successful man is the one who has the best information.’

“The true leader has vision. That’s Liston Ramsey. He has a great pride in the past, but an enormous determination to push ahead and work out today’s problems in order to assure a better tomorrow.

“The true leader has a keen understanding of human relationships. That’s Liston Ramsey. He has few equals as a listener, a mediator, a person who can unite diverse groups and weld them together to produce constructive action.

“The true leader is decisive. That’s Liston Ramsey. He never uses time as a reason for not doing something. He sets tough but fair standards and demands performance of the highest calibre.

“The true leader does not waver with the breeze. That’s Liston Ramsey. He adopts a philosophy and sticks to it like bark to a tree. He believes as Thomas Jefferson did: ‘In matters of principle, stand like a rock.’

“The true leader has a feeling for people. That’s Liston Ramsey. A wide streak of populism runs through him. He is a compassionate, friendly, caring individual. Yet, he does not let emotionalism cloud his vision.

“Liston Ramsey symbolizes the motto of the State of North Carolina: ‘To Be Rather Than to Seem.’

“With him, what you see is what you get. He is not one to travel under false colors.

“He reflects the strong and sturdy and progressive character of the people of North Carolina, all of the people of North Carolina, not just those in the West, where he was born, reared and resides.

“He has a viewpoint that stretches far beyond sectionalism. Whether a person comes from the East, the Piedmont or the West... small town or urban center... it makes no difference to him. He has a handle on it all.

“Liston Ramsey is often referred to as ‘a legislator’s legislator.’ It is an exceedingly apt description. As a member of this House for two decades, he has dedicated his life and talents to making the Legislative Branch of the government of North Carolina strong and vibrant, effective and meaningful.

“So great is his affection for this body that he has refused to let personal ambition or the desire for popular favor lessen his uncompromising devotion to the legislative institution.

“Today, as was the case two years ago, Liston Ramsey is exactly the right man at exactly the right time to lead the House of Representatives into what promises to be a very difficult and challenging session. No member of this body commands greater respect or is characterized by greater innate qualities of leadership, ability, integrity and conviction.

“It is my high privilege to nominate for Speaker of the 1983 House my friend and your friend, a gentleman in the classic sense of the word and a model of decent and effective public service, the Honorable Liston B. Ramsey of the 52nd House District of North Carolina.”
The nomination is seconded by Representative Jo Graham Foster.

"When our hearts are so full, how inadequate are our words that tumble out. In spite of my inadequacy, I am pleased to rise and second the nomination of Liston Ramsey as Speaker of this House.

"No matter how many times we have experienced it, the beginning of each new session is an exciting event. A memory that will linger long in our heart's treasury.

"We have never been so starved as we are today for capable, concerned, and creditable leaders. It is the desperate need of the hour. What a reassuring feeling to know that Liston Ramsey fills the bill with the following credentials:

"Size Up Situations.

"As the clock ticks, tensions tighten and suspicion surrounds us like a seeping stain as we watch people extending empty hands to what they perceive to be an empty world — Liston will be searching for solutions.

"Liston will be sensitive to our desires, disappointments, hurts, and our bruises. He will not break a bruised reed, or snuff out a smoldering wick, but he will work long and hard with us. Liston's hands will pull us forward. He is the star that will give us light. He will mold a shape, or tug and pull until he's satisfied that we are all right.

"Liston is a man of action — when the hungry call and the helpless cry some of us stumble over how and why — not Liston, he will look for answers.

"Liston is endowed with academic excellence. He is never so busy with small worries that he misses larger answers. He realizes that no problem is so small that inattention won't worsen and none so great that cannot be solved by determination and persistence.

"Liston is a believer — never disturbed because others do not yet see the facts which he sees.

"Liston will encourage us when we are discouraged and will cheer us up when we are down.

'Little bird with a broken wing
You may not fly but you can sing.'

"Liston will be the captain of the ship. He will never allow any of us to write his epitaph while he is holding all the pieces of the puzzle in his own hands.

"He will daily remind us that we are rich, not according to what we have, but according to what we are.

"Liston's wisdom will save us from false choices and unnecessary blunders when we push and putter, worry and shove — looking for molehills to make mountains of.

"Lenore Fisher wrote, 'Only the winds and wild birds know where to plant the seeds that grow.' Evidently, she did not know our Speaker. As he plants the seeds, may we cultivate, water, and tend them well so together we may reap a rich, ripe, rewarding harvest for every citizen in the State of North Carolina."

The nomination is also seconded by Representative John Gillam.

"Mr. Secretary, Members of the North Carolina House of Representatives, honored guests, ladies and gentlemen:
"Liston Ramsey has learned that leaders discover sooner than others how our destiny is fashioned by what all of us do. Our destiny is molded by the deeds and desires of each citizen, just as one tiny drop of water after another ultimately makes a big river. He has learned, too, that no government is perfect. That one of the chief virtues of a democracy is that its defects are always visible and under democratic processes they can be pointed out and corrected.

"Liston Ramsey's loyalty to service has made him trust people and in so doing they likewise trust him. His belief in people encourages them to prove themselves great. Loyalty requires that each citizen take the trouble to learn about, to discuss and to think through the crucial issues of our times. Liston Ramsey's loyalty to service has given him the wisdom to learn about, the wisdom to discuss, the wisdom to think through the crucial issues before all North Carolinians.

"Liston Ramsey's courage with honor has made him realize that if a thing is worth having it's worth fighting for. Courage has always been regarded as one of the major human virtues. He has realized this and has throughout his political career honorably served all North Carolinians with confidence and courage.

"Liston Ramsey's ability to accept criticism with dignity has made us understand that those who do well welcome criticism and those who do not resent it. He has used the criticisms and the mistakes of his past as the foundation on which to build the future of North Carolina. Liston Ramsey realizes that the gathering of knowledge is the supreme achievement of people. He realizes, too, that it is the province of knowledge to speak and it is the privilege of wisdom to listen; consequently, his political creativity has and is helping write the history of our State.

"He realizes that no great thing is created suddenly, any more than an ear of corn or an apple. If you tell Liston that you desire an apple, his answer would be that there must be time. He would say let it first blossom, then bear fruit, then ripen.

"His loyalty to service . . .

"His courage with honor . . .

"His acceptance of criticism with dignity . . .

"His understanding of knowledge . . .

"His wisdom of creativity . . .

"These are, Mr. Secretary, some of the reasons why it is a personal pleasure and an honor to second the nomination of Representative Liston B. Ramsey of Madison as Speaker of the House of Representatives of the great State of North Carolina."

The nomination is also seconded by Representative Kenneth Spaulding.

"Mr. Secretary; Members of the North Carolina House of Representatives, families, friends and guests.

"I stand before you to second the nomination of a man who exemplifies the true spirit of democracy and fairness.

"Liston B. Ramsey is a fair and just mountain man from the western part of this State who has established and maintained the respect and regard of legislators from the East, the Piedmont and obviously the West."
"His leadership in the North Carolina House of Representatives during the 1981 and 82 Sessions made it possible for there to be free and open discussion on issues of great importance to this legislative body and to the citizens of our great state.

"Through his fairness to each and every legislator in respecting their views and positions, and his allowing each and every legislator an opportunity to present their views and positions to the members of this Body, without any question, Liston B. Ramsey as our previous Speaker of the House, made it possible for the views of all of North Carolina's Citizens to be heard, debated and acted upon.

"The North Carolina General Assembly should be a microcosm of the entire State of North Carolina and a reflection of its citizens and their diverse but united aspirations. Through the leadership of our previous Speaker, Liston B. Ramsey, the North Carolina House of Representatives worked hard and strenuously to see that our House of Representatives was truly a House of 'Representatives' with there being representation of all people and all districts in a good, fair and reflective manner.

"Under the previous leadership of Liston B. Ramsey, the North Carolina House of Representatives gained the reputation of Independence of Thought, and Reasonableness and Fairness in our Action.

"That Reputation is the quintessence of our Leader, Listen B. Ramsey, — Independence of Thought; and Reasonableness and Fairness in his Action.

"Mr. Secretary, and Members of this most august body, I wish to and I do second the nomination of the Honorable Liston B. Ramsey as our next Speaker of the North Carolina House of Representatives."

The nomination is also seconded by Representative Al Adams.

"Mr. Secretary, distinguished members of the Judiciary, members of the House of Representatives and distinguished visitors and families of members.

"We are here on an occasion of celebration and ceremony and I thought it might be appropriate, after two years of the leadership of our Speaker, to see what was said on this occasion two years before. I found that Representative Messer sounded a common theme, that 'Liston Ramsey would be a Speaker for all members of the House.' Representative Foster said that 'Liston thinks that life is a just employer and gives just what you ask, but once you accept the responsibility then you must assume the task, and he will expect us to take seriously our responsibility.' Representative Bundy cited the Speaker's approachability by members of the General Assembly. Representative Church stated that he would be willing to give a helping hand to all members of the House and to all newcomers. Representative Rabon cited that with our next Speaker, we'll see a House of Representatives with equal opportunity for all of its members, and I stated that 'he wants each of us to participate to the fullest in the course and direction of the welfare of the people of this State.'

"And the common thread is that Liston Ramsey has faith in you as representatives of the people of North Carolina just as he has faith in the people of North Carolina who sent you here.

"And on this occasion I cannot help but be reminded, on this day of celebration and ceremony, of the words of another great American, Adlai Stevenson: (to paraphrase) when the tumult and the shouting die, and the bands are gone and the lights are dimmed, there is the stark reality of responsibility in an hour of our history of almost terrifying difficulties. What better man than Liston Ramsey to talk sense to the people of North Carolina.
We should thank God that we have a person so uniquely and superbly qualified to lead us through these days of tough decisions.

"Mr. Secretary, I am, without reservation, delighted and honored to second the nomination of Liston Ramsey of Madison as Speaker of the 1983 House of Representatives."

The nomination is also seconded by Representative N. J. Crawford.

"Ladies and Gentlemen of the House:

"There is a phrase in the Bible, I believe you will find it in I Corinthians, and it goes something like this:

"'For if the trumpet gives an uncertain sound, who shall prepare us for the battle?' 1983, my friends, will be a year of many battles in this General Assembly; battles for ideas and ideals, battles for education and ecology, battles for construction and conservation, battles for highways and health, battles for principals and priorities — battles that will deeply affect the lives and future of those we are charged and privileged to serve, and there is no one better qualified to prepare us for these battles than that magnificent man from the County of Madison.

"For Liston Ramsey speaks not with uncertain and cacophonous sounds. He speaks with clarity and precision, with poignancy and persuasiveness, with passion and power. He speaks with that breadth of experience and that depth of perception which has been the foundation and the fruit of his distinguished career spanning two decades in this General Assembly.

"For Liston Ramsey’s life is a litany of concern for people and for genuine human need wherever it exists. Those of us who have been privileged to serve with him in this House can testify that he is a daily and persistent practitioner of the art and science of government.

"Liston has taught us in his own inimitable way that politics is not a spectator sport; that it is the singularly serious vocation of action and participation and that the deliberations of this Body, and others like it across the land, are the heart and core, the strength and vitality, the purpose and the meaning of the Democratic process and indeed the hope and the glory of this State and of this Republic.

"It is with a commingling of pleasure and pride that I second the nomination of this man of candor, creativity and compassion; this man we have come to know and respect and love . . . the great Speaker of the North Carolina House — the Honorable Liston Ramsey."

There being no further nominations, the Secretary of State declares the nominations closed and requests that the roll of the House be called. The following members vote for Representative Ramsey: Representatives Adams, Allran, Anderson, Auman, Ballance, Barbee, Barker, Barnes, Beall, Beam, Beard, Berry, Black, Blue, Bowen, Brannan, Brawley, Brennan, Brown, Brubaker, Bumgardner, Bundy, Burnley, Chapin, Childress, Church, Clark, Coble, Cochrane, Colton, Cook, J. W. Crawford, N. J. Crawford, Creecy, DeVane, Diamont, Easterling, Economos, Edwards, Enloe, Bob Etheridge, Bruce Ethridge, Evans, Fenner, Fletcher, Foster, Fulcher, Fussell, Gentry, Gillam, Gist, Greenwood, Grimsley, Hackney, Hasty, Hauser, Hayden, Helms, Hightower, Holmes, Holt, Hudson, C. Hughes, J. Hughes, Hunt, Hunter, Huskins, James, Jarrell, Jeralds, Jordan, Kennedy, Lacey, Lambeth, Lancaster, Lee, Ligon, Lilley, Locks, Lutz, McAlister, McDowell, Matthews, Mauney, Mavretic, Miller, Murphy, Musselwhite, Nash,

Mr. Ramsey having received all the votes is declared Speaker of the 1983 House of Representatives.

The Speaker, escorted to the Chair by Representatives Ed Warren, Dan Blue, Harry Payne, Margaret Tennille, Jim Black, and Bob Hunter takes and subscribes to the following oath of office administered by the Honorable Lacy Thornburg, Judge of the 30th Judicial District.

“Mr. Ramsey, do solemnly swear that I will support the Constitution and laws of the United States; and,

“I do solemnly and sincerely swear that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; and that I will endeavor to support, maintain, and defend the Constitution of said State, not inconsistent with the Constitution of the United States; to the best of my knowledge and ability; and,

“I do solemnly swear that I will well and truly execute the duties of the office of Speaker of the 1983 House of Representatives of the General Assembly of the State of North Carolina to the best of my skill and ability, according to laws; so help me, God.”

The Speaker, Mr. Ramsey, approaches the dais and makes the following remarks:

“Mr. Ramsey, do solemnly swear that I will support the Constitution and laws of the United States; and,

“I do solemnly and sincerely swear that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; and that I will endeavor to support, maintain, and defend the Constitution of said State, not inconsistent with the Constitution of the United States; to the best of my knowledge and ability; and,

“I do solemnly swear that I will well and truly execute the duties of the office of Speaker of the 1983 House of Representatives of the General Assembly of the State of North Carolina to the best of my skill and ability, according to laws; so help me, God.”

The Speaker, Mr. Ramsey, approaches the dais and makes the following remarks:

“Mr. Secretary of State, Justices of the Supreme Court, Judges of the Court of Appeals, Members of the Council of State, fellow Members of the House, my family and friends, ladies and gentlemen.

“Thank you for your renewed expression of trust. I shall honor it in everything I undertake to do as Speaker of this House.

“When you first elected me as your Presiding Officer two years ago, I never dreamed that a greater honor could ever come my way.

“I was mistaken.

“To be elected Speaker initially is, indeed, a tremendous honor. But to find two years later that you continue to merit the confidence of your colleagues is, in my judgment, an even greater honor.

“I thank you with all my heart and promise to perform the duties of the office to the best of my ability in keeping with the solemn oath I have just taken.

“I hope all of us came here today fully realizing the magnitude of the job that lies ahead for us. Ladies and gentlemen of the House, today we begin what could be one of the most difficult legislative sessions in the recent history of North Carolina.

“Our problem arises from the fact that the economy of this country is mired in recession.

“More businesses are going bankrupt and more people are out of work than at any time in the past 40 years.

“Almost one-third of the nation’s industrial capacity is idle. According to a recent report, there are more people working at McDonald’s than at U. S. Steel.
"It is a situation that is undermining the revenue structures of state governments. Here in North Carolina, our revenue growth has been stunted to the point where we will begin this session with a shortfall in excess of one hundred million dollars. We must make that up as well as fund a 1983-85 budget that will be ample to the expanding service needs of the people of our State.

"And we must do this while maintaining a balanced budget and a reasonable level of taxation.

"The economy hangs like a cloud over these halls. How it performs will affect every decision we make in the months ahead.

"In my judgment, it is a situation that calls for us to be careful but not fearful.

"There is no reason to fear the future, but there is every reason to face it with concern.

"We cannot promise that we will find all of the answers to all of the problems. But we can promise — and we do promise — that we will not try to duck the hard choices which circumstances require us to make.

"Furthermore, I am convinced that we will be equal to the challenge.

"We will fund all essential programs at adequate levels.

"We will educate our children.

"We will assure the public health and safety.

"We will protect our natural resources and our agriculture.

"And we will assist the disadvantaged and the helpless.

"We cannot let our economic problems hold back these efforts.

"Of course, government cannot feed everyone, clothe everyone, house everyone, or shield everyone from every economic ill wind that blows. On the other hand, people still expect something from government.

"Government has a responsibility to those people who have urgent and unmet needs not of their own making. For every ‘welfare cheater’ out there, there are hundreds of people who desperately want to be able to support themselves, but can’t.

"All of us are aware that there is sentiment in this country that government has grown beyond reasonable bounds, and that it has grown for its own sake and not in the interest of the citizens who pay for it.

"I respect this sentiment but I do not believe it is incompatible with providing basic human services. In any and all matters, we must legislate and appropriate with caution and in keeping with the principles of fiscal soundness.

"I sincerely hope that this General Assembly will not contribute to what I believe to be a very dangerous trend in government — and, that is, the excessive regulation of private business and industry.

"Over the past several years, the private sector has been practically covered-up with rules and regulations. Many of them are so costly to implement that they stifle initiative and free enterprise. Others have little more than a nuisance value.

"The federal government is chiefly to blame, but it could happen here. If we sit idly by, bureaucratic regulators at the state level will attempt to track the federal government and
impose unnecessary rules on private business. Our duty is to see that this doesn't happen.

“Government should look upon business as a partner, not as someone who ought to suffer under excessive regulation, nit-picking and tinkering. Common sense and the 'rule of reason' ought to apply.

“The budget which this session will ultimately adopt will be a lean budget, not necessarily because we have no choice, but because we believe that government should not ask of others what it is unwilling to do itself.

“The people of North Carolina deserve a government that is dedicated to restraint in spending, committed to honesty, and conducted in an atmosphere of harmony among the three branches — the Legislative, the Executive and the Judicial.

“We pledge to the Executive and the Judiciary our full cooperation and we solicit the same in return.

“Exactly a year ago, on January 12, 1982, the State Supreme Court handed down a decision bearing on the separation of powers between the Legislative and Executive branches of our government.

“That decision cited a constitutional prohibition against legislators serving on boards and commissions having administrative or policy-making authority. As a result, legislators have vacated numerous boards and commissions, and a special Joint Committee on Separation of Powers has been at work for the last four months.

“In all probability, the Joint Committee will propose significant legislation to further define the constitutional limits of power between the Legislative and Executive branches.

“I feel, and I am sure the majority of you feel, that the Legislative branch should not encroach upon the powers of the other branches, and they, in turn, should not encroach upon us.

“I strongly suggest to you that, as legislators, you not relinquish any power that rightfully belongs to the Legislative branch of government. By the same token, I sincerely hope that you will not attempt to usurp powers that rightfully belong to the Executive branch.

“Bear in mind always that you are the duly-elected representatives of the people. The word 'Representative' in front of your name is crucial — the people have entrusted you to represent their interests. And representation carries with it an obligation to exercise for the benefit of the people all of the powers and duties vested in you by the Constitution of this State.

“It is human nature for governmental department heads to try to obtain as much authority for themselves and their departments as they possibly can. It is our job to see that they do not overstep the bounds of reason.

“I do not want the Legislative branch of government relegated to simply coming to Raleigh and levying additional taxes. There is more to the Legislative branch than that. And the people who send us here expect more than that from us.

“The complex nature of this session will require that each Member of this body work diligently for the next several months. The quality of a product need not be judged by the length of time it takes to produce it, but our constituents would welcome as short a session as possible. It is in their interests that we have a minimum of start-up time and that we accomplish our task as promptly as we can.
"Our problems are large, but our opportunities are even greater.

"In the final analysis, we have only to make our government and our State as good as its people ... with the same spirit of cooperation and good manners that they have ... with the same self-reliance and common sense that they have ... with the same generosity and lack of prejudice that they exhibit.

"I have no doubt that the majority of our people will be willing to accept the hard decisions we will have to make in the weeks and months to come.

"This is our agenda. I look forward to it with great anticipation.

"I express to each Member of this House my personal gratitude for the opportunity to continue in service to you, and I Pledge my unfailing devotion to the interest of North Carolina and Her people.

"Thank you very much."

"Sam Bundy was also an exceptionally fine public servant. Over the years, I have known very few members of this General Assembly who were more dedicated to the well-being of the people of their District and their State.

"His death is a loss not only to the citizens of Pitt and Greene Counties, whom he represented since 1971, but to the citizens of North Carolina as a whole.

"He was serving by my appointment as a member of the Advisory Budget Commission. His accumulated wisdom, experience and common sense made him one of the most valuable members of that all-important body.

"Representative Bundy was a gentleman and a scholar.

"We shall miss him.

"We extend to his wife Bettie and other members of the family our heart-felt sympathy.

"Funeral arrangements are yet to be completed but will be announced to you as soon as available.

SEVENTH DAY

House of Representatives
Thursday, January 20, 1983

The House meets pursuant to adjournment and is called to order by the Speaker.

The following remarks and a prayer are offered by Representative Womble:

"Sam D. Bundy was a family man, educator, civic leader, T. V. personality, and churchman.

"George Bernard Shaw said, 'They die when they are 30 but are not buried until they are 70.' We can all choose to vegetate and barely exist for years. Not true with Sam Bundy!

"Proverbs 10:5 is a word Sam Bundy obviously took to heart, 'He that gathereth in summer is a wise son: but he that sleepeth in harvest is a son that causeth shame.' As a member of the Pitt County farm community, Sam Bundy knew what those words meant.

"Representative Bundy was wise enough to gather the fruits in the summer of life and never to be lazy or apathetic in the fall. Sam Bundy stands before the Master as one who had toiled and carries his credentials with honor.

"It has been said by many that he could, in the most tense of moments, bring laughter and a new mood to this Assembly; so I am sure that today the Lord has placed him in charge of all the debates of the Adams' and Coble's in heaven.

"The N. C. General Assembly is the weaker and heaven is the stronger at the passing of Sam D. Bundy!"

Representative Hunt, for the Committee on Rules and Operation of the House, reports the Journal of January 19 has been examined and found correct. Upon his motion, the Journal is approved as written.

Sec. 3. G. S. 8-35.1 is rewritten to read as follows:

"§ 8-35.1. Division of Motor Vehicles' record admissible as prima facie evidence of convictions of offenses involving impaired driving. — Notwithstanding the provisions of G. S. 15A-924(d), a properly certified copy under G. S. 8-35 or G. S. 20-26(b) of the license records of a defendant kept by the Division of Motor Vehicles under G. S. 20-26(a) is admissible as prima facie evidence of any prior conviction of a defendant for an offense involving impaired driving as defined in G. S. 20-4.01(24a)."

— PRETRIAL RELEASE OF IMPAIRED DRIVERS.

Sec. 4. Chapter 15A of the General Statutes is amended by adding a new G. S. 15A-534.2 to read as follows:

"§ 15A-534.2. Detention of impaired drivers. — (a) A judicial official conducting an initial appearance for an offense involving impaired driving, as defined in G. S. 20-4.01(24a), must follow the procedure in G. S. 15A-511 except as modified by this section. This section may not be interpreted to impede a defendant's right to communicate with counsel and friends.

(b) If at the time of the initial appearance the judicial official finds by clear and convincing evidence that the impairment of the defendant's physical or mental faculties presents a danger, if he is released, of physical injury to himself or others or damage to property, the judicial official must order that the defendant be held in custody and inform the defendant that he will be held in custody until one of the requirements of subsection (c) is met; provided, however, that the judicial official must at this time determine the appropriate conditions of pretrial release in accordance with G. S. 15A-534.

(c) A defendant subject to detention under this section has the right to pretrial release under G. S. 15A-534 when the judicial official determines either that:

1. The defendant's physical and mental faculties are no longer impaired to the extent that he presents a danger of physical injury to himself or others or of damage to property if he is released; or

2. A sober, responsible adult is willing and able to assume responsibility for the defendant until his physical and mental faculties are no longer impaired. If the defendant is released to the custody of another, the judicial official may impose any other condition of pretrial release authorized by G. S. 15A-534, including a requirement that the defendant execute a secured appearance bond.

The defendant may be denied pretrial release under this section for a period no longer than 24 hours, and after such detention may be released only upon meeting the conditions of pretrial release set in accordance with G. S. 15A-534. If the defendant is detained for 24 hours, a judicial official must immediately determine the appropriate conditions of pretrial release in accordance with G. S. 15A-534.

(d) In making his determination whether a defendant detained under this section remains impaired, the judicial official may request that the defendant submit to periodic tests to determine his alcohol concentration. Instruments acceptable for making preliminary breath tests under G. S. 20-16.3 may be used for this purpose as well as instruments for making evidentiary chemical analyses. Unless there is evidence that the defendant is still impaired from a combination of alcohol and some other impairing substance or condition, a judicial official must determine that a defendant with an alcohol
concentration less than 0.05 is no longer impaired. The results of any periodic test to
determine alcohol concentration may not be introduced in evidence:

(1) Against the defendant by the State in any criminal, civil, or administrative
proceeding arising out of an offense involving impaired driving; or

(2) For any purpose in any proceeding if the test was not performed by a method
approved by the Commission for Health Services under G. S. 20-139.1 and by a
person licensed to administer the test by the Department of Human Resources.
The fact that a defendant refused to comply with a judicial official’s request that he submit
to a chemical analysis may not be admitted into evidence in any criminal action, adminis-
trative proceeding, or a civil action to review a decision reached by an administrative
agency in which the defendant is a party.”

— CROSS-REFERENCE TO PROSECUTOR DISCLOSURE REQUIREMENTS.
Sec. 5. G. S. 15A-931(a) is amended by deleting the first word of the subsection and
inserting in its place the words and punctuation “Except as provided in G. S. 20-138.4,
the”.

— IMMUNITY FOR COMMUNITY SERVICE WORK.
Sec. 5.1. G. S. 15A-1342 is amended by adding a new subsection (j) to read as follows:
“(j) Immunity for Injury to Defendant Performing Community Service. A person is
not liable for damages for any injury or loss sustained by defendant performing communi-
ty or repair service unless the injury is caused by the person’s gross negligence or
intentional wrongdoing. As used in this subsection, ‘person’ includes any governmental
unit or agency, nonprofit corporation, or other nonprofit agency that is supervising the
defendant or for whom the defendant is performing community service work, as well as
any person employed by the agency or corporation while acting in the scope and course of
his employment. This subsection does not affect the immunity from civil liability in tort
available to local governmental units or agencies. Notice of the provisions of this subsec-
tion must be furnished to the defendant at the time he is served with a copy of the
probation judgment or deferred prosecution order.”

— CROSS-REFERENCE TO CONTROLLED DRINKING PROGRAMS.
Sec. 6. G. S. 18B-103(9) is rewritten to read as follows:
“(9) The possession and use of alcohol acquired for controlled-drinking programs
as authorized under G. S. 20-139.1(g).”

— NO BEER DRINKING BY DRIVER.
Sec. 7. G. S. 18B-401 is amended in subsection (a) by deleting the caption and the
first sentence of that subsection and inserting in their place the following caption and
sentences:
“(a) Opened Containers. It shall be unlawful for a person to transport fortified wine or
spirits in the passenger area of a motor vehicle in other than the manufacturer’s
unopened original container. It shall be unlawful for a person who is driving a motor
vehicle on a highway or public vehicular area to consume in the passenger area of that
vehicle any malt beverage or unfortified wine.”
G. S. 18B-401 is further amended in subsection (c) by deleting from that subsection the
word “Definition” in the caption and inserting in its place the word “Definitions”, and by
inserting immediately after the caption the following sentences: “The definitions in
Chapter 20 of the General Statutes apply in interpreting this section. If the seal on a
container of alcoholic beverages has been broken, it is opened within the meaning of this
section.”

— MOTOR VEHICLE LAW DEFINITIONS.
Sec. 8. G. S. 20-4.01 is amended by rewriting subdivision 32 of that section and by
adding new subdivisions (0.1), (0.2), (3a), (3b), (14a), (24a), (33a) and (48a) to read as follows:

“(0.1) Alcohol. Ethyl alcohol.
“(0.2) Alcohol Concentration. The concentration of alcohol in a person, expressed either as:

   b. Grams of alcohol per 210 liters of breath.

“(32) Public Vehicular Area. Any area within the State of North Carolina that is generally open to and used by the public, including by way of illustration and not limitation any drive, driveway, road, roadway, street, alley, or parking lot upon the grounds and premises of:
   a. Any public or private hospital, college, university, school, orphanage, church, or any of the institutions, parks or other facilities maintained and supported by the State of North Carolina or any of its subdivisions; or
   b. Any service station, drive-in theater, supermarket, store, restaurant, or office building, or any other business, residential, or municipal establishment providing parking space for customers, patrons, or the public; or
   c. Any property owned by the United States and subject to the jurisdiction of the State of North Carolina. (The inclusion of property owned by the United States in this definition shall not limit assimilation of North Carolina law when applicable under the provisions of Title 18, United States Code, Section 13.)
The term ‘public vehicular area’ shall also include any beach area used by the public for vehicular traffic as well as any road opened to vehicular traffic within or leading to a subdivision for use by subdivision residents, their guests, and members of the public, whether or not the subdivision roads have been offered for dedication to the public. The term ‘public vehicular area’ shall not be construed to mean any private property not generally open to and used by the public.

“(48a) Under the Influence of an Impairing Substance. The state of a person having his physical or mental faculties, or both, appreciably impaired by an impairing substance.”
— IMPAIRED INSTRUCTION.

Sec. 9. G. S. 20-12.1 is rewritten to read as follows:

“§ 20-12.1. Impaired instruction. — (a) It is unlawful for any person to accompany another person driving a motor vehicle, in accordance with G. S. 20-11, or instruct another person driving a motor vehicle, in accordance with G. S. 20-7(l-1) and (m) or G. S. 20-12:

(1) While the person accompanying or instructing is under the influence of an impairing substance; or

(2) After having consumed sufficient alcohol that he has, at any relevant time after the driving, an alcohol concentration of 0.10 or more.

(b) An offense under this section is an implied-consent offense under G. S. 20-16.2.”

— REVOCATION FOR IMPAIRED INSTRUCTION OR MILITARY REVOCATION.

Sec. 10. G. S. 20-16(a) is amended by deleting the period at the end of subdivision (8) and replacing it with “;” and by adding the following two subdivisions:

“(8a) Has been convicted of impaired instruction under G. S. 20-12.1;

“(8b) Has violated on a military installation a regulation of that installation prohibiting conduct substantially equivalent to conduct that constitutes impaired driving under G. S. 20-138.1 and, as a result of that violation, has had his privilege to drive on that installation revoked or suspended after an administrative hearing authorized by the commanding officer of the installation and that commanding officer has general court martial jurisdiction;”

— IMPLIED CONSENT; REVOCATION FOR REFUSAL.

Sec. 11. G. S. 20-16.2 is rewritten to read as follows:

“§ 20-16.2. Impaired consent to chemical analysis; mandatory revocation of license in event of refusal; right of driver to request analysis. — (a) Basis for Charging Officer To Require Chemical Analysis; Notification of Rights. Any person who drives a vehicle on a highway or public vehicular area thereby gives consent to a chemical analysis if he is charged with an implied-consent offense. The charging officer must designate the type of chemical analysis to be administered, and it may be administered when he has reasonable grounds to believe that the person charged has committed the implied-consent offense. Except as provided in subsection (b), the person charged must be taken before a chemical analyst authorized to administer a test of a person's breath, who must inform the person orally and also give him a notice in writing that:

(1) He has a right to refuse to be tested.

(2) Refusal to take any required test or tests will result in an immediate revocation of his driving privilege for at least 10 days and an additional 12-month revocation by the Division of Motor Vehicles.

(3) The test results, or the fact of his refusal, will be admissible in evidence at trial on the offense charged.

(4) If any test reveals an alcohol concentration of 0.10 or more, his driving privilege will be revoked immediately for at least 10 days.

(5) He may have a qualified person of his own choosing administer a chemical test or tests in addition to any test administered at the direction of the charging officer.

(6) He has the right to call an attorney and select a witness to view for him the testing procedures, but the testing may not be delayed for these purposes longer than 30 minutes from the time he is notified of his rights.

(a1) Meaning of Terms. Under this section, an ‘implied-consent offense’ is an offense involving impaired driving or an alcohol-related offense made subject to the procedures of this section. A person is ‘charged’ with an offense if he is arrested for it or if criminal process for the offense has been issued. A ‘charging officer’ is a law enforcement officer who arrests the person charged, lodges the charge, or assists the officer who arrested the
person or lodged the charge by assuming custody of the person to make the request required by subsection (c) and, if necessary, to present the person to a judicial official for an initial appearance.

(b) Unconscious Person May be Tested. If a charging officer has reasonable grounds to believe that a person has committed an implied-consent offense, and the person is unconscious or otherwise in a condition that makes him incapable of refusal, the charging officer may direct the taking of a blood sample by a person qualified under G. S. 20-139.1 or may direct the administration of any other chemical analysis that may be effectively performed. In this instance the notification of rights set out in subsection (a) and the request required by subsection (c) are not necessary.

(c) Request to Submit to Chemical Analysis; Procedure upon Refusal. The charging officer, in the presence of the chemical analyst who has notified the person of his rights under subsection (a), must request the person charged to submit to the type of chemical analysis designated. If the person charged willfully refuses to submit to that chemical analysis, none may be given under the provisions of this section, but the refusal does not preclude testing under other applicable procedures of law. Then the charging officer and the chemical analyst must without unnecessary delay go before an official authorized to administer oaths and execute an affidavit stating that the person charged, after being advised of his rights under subsection (a), willfully refused to submit to a chemical analysis at the request of the charging officer. The charging officer must immediately mail the affidavit to the Division. If the person's refusal to submit to a chemical analysis occurs in a case involving death or critical injury to another person, the charging officer must include that fact in the affidavit mailed to the Division.

(d) Consequences of Refusal; Right to Hearing Before Division; Issues. Upon receipt of a properly executed affidavit required by subsection (c), the Division must expeditiously notify the person charged that his license to drive is revoked for 12 months, effective on the tenth calendar day after the mailing of the revocation order unless, before the effective date of the order, the person requests in writing a hearing before the Division. If the person properly requests a hearing, he retains his license, unless it is revoked under some other provision of law, until the hearing is held, the person withdraws his request, or he fails to appear at a scheduled hearing. The person may request the hearing officer to subpoena the charging officer, the chemical analyst, or both to appear at the hearing if he makes the request in writing at least three days before the hearing. The person may subpoena any other witness he deems necessary, and the provisions of G. S. 1A-1, Rule 45, apply to the issuance and service of all subpoenas issued under the authority of this section. The hearing must be conducted in the county where the charge was brought, under the provisions for hearings held under G. S. 20-16(d), except that the hearing is limited to consideration of whether:

1. The person was charged with an implied-consent offense;
2. The charging officer had reasonable grounds to believe that the person had committed an implied-consent offense;
3. The implied-consent offense charged involved death or critical injury to another person, if this allegation is in the affidavit;
4. The person was notified of his rights as required by subsection (a); and
5. The person willfully refused to submit to a chemical analysis upon the request of the charging officer.

If the Division finds that the conditions specified in this subsection are met, it must order the revocation sustained. If the Division finds that any of the conditions is not met, it must rescind the revocation. If the revocation is sustained, the person must surrender his license immediately upon notification by the Division.

(d1) Consequences of Refusal in Case Involving Death or Critical Injury. If the refusal occurred in a case involving death or critical injury to another person, no limited driving
privilege may be issued. The 12-month revocation begins only after all other periods of revocation have terminated unless the person's license is revoked pursuant to G. S. 20-28, 20-28.1, 20-19(d), or 20-19(e). If the revocation is based on those sections, the revocation under this subsection begins at the time and in the manner specified in subsection (d) for revocations under this section. However, the person's eligibility for a hearing to determine if the revocation under those sections should be rescinded is postponed for one year from the date he would otherwise have been eligible for such a hearing. If the person's driver's license is again revoked while the 12-month revocation under this subsection is in effect, that revocation, whether imposed by a court or by the Division, may only take effect after the period of revocation under this subsection has terminated.

(e) Right to Hearing in Superior Court. If the revocation is sustained after the hearing, the person whose license has been revoked has the right to file a petition in the superior court for a hearing de novo upon the issues listed in subsection (d), in the same manner and under the same conditions as provided in G. S. 20-25 except that the de novo hearing is conducted in the judicial district where the charge was made.

(e1) Limited Driving Privilege after Six Months in Certain Instances. A person whose driver's license has been revoked under this section may apply for and a judge authorized to do so by this subsection may issue a limited driving privilege if:

1. At the time of the refusal, the applicant held a valid driver's license;
2. At the time of the refusal, he had not within the preceding 10 years been convicted of an offense involving impaired driving;
3. At the time of the refusal, he had not in the preceding 10 years willfully refused to submit to a chemical analysis under this section;
4. The implied-consent offense charged did not involve death or critical injury to another person;
5. The underlying charge for which the defendant was requested to submit to a chemical analysis has been finally disposed of:
   a. Other than by conviction; or
   b. By a conviction of impaired driving under G. S. 20-138.1, at a punishment level authorizing issuance of a limited driving privilege under G. S. 20-179.3(b), and he has complied with at least one of the mandatory conditions of probation listed for the punishment level under which he was sentenced;
6. Subsequent to the refusal he has had no unresolved pending charges for or additional convictions of an offense involving impaired driving; and
7. His license has been revoked for at least six months for the refusal.

Except as modified in this subsection, the provisions of G. S. 20-179.3 relating to the procedure for application and conduct of the hearing and the restrictions required or authorized to be included in the limited driving privilege apply to applications under this subsection. If the case was finally disposed of in the district court, the hearing must be conducted in the district in which the refusal occurred by a district court judge. If the case was finally disposed of in the superior court, the hearing must be conducted in the district in which the refusal occurred by a superior court judge. A limited driving privilege issued under this section authorizes a person to drive if his license is revoked solely under this section or solely under this section and G. S. 20-17(2). If the person's license is revoked for any other reason, the limited driving privilege is invalid.

(f) Notice to Other States as to Nonresidents. When it has been finally determined under the procedures of this section that a nonresident's privilege to drive a motor vehicle in this State has been revoked, the Division must give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he has a license.

(g) Repealed.

(h) Repealed.
(i) Right to Chemical Analysis Before Arrest or Charge. A person stopped or questioned by a law enforcement officer who is investigating whether the person may have committed an implied-consent offense may request the administration of a chemical analysis before any arrest or other charge is made for the offense. Upon this request, the officer must afford the person the opportunity to have a chemical analysis, if available, upon the procedures applicable had the person been charged. The request constitutes the person's consent to be transported by the law enforcement officer to the place where the chemical analysis is to be administered. Before the chemical analysis is made, the person must sign a form, to be supplied by the Division, confirming his request. The results of the chemical analysis are admissible in evidence in any proceeding in which they are relevant."

— PRELIMINARY ROADSIDE TESTING.

Sec. 12. G. S. 20-16.3 is rewritten to read as follows:

"§ 20-16.3. Alcohol screening tests required of certain drivers; approval of test devices and manner of use by Commission for Health Services; use of test results or refusal. — (a) When Alcohol Screening Test May Be Required; Not an Arrest. A law enforcement officer may require the driver of a vehicle to submit to an alcohol screening test within a relevant time after the driving if the officer has:

(1) Reasonable grounds to believe that the driver has consumed alcohol and has:
   a. Committed a moving traffic violation; or
   b. Been involved in an accident or collision; or

(2) An articulable and reasonable suspicion that the driver has committed an implied-consent offense under G. S. 20-16.2, and the driver has been lawfully stopped for a driver’s license check or otherwise lawfully stopped or lawfully encountered by the officer in the course of the performance of the officer's duties.

Requiring a driver to submit to an alcohol screening test in accordance with this section does not in itself constitute an arrest.

(b) Approval of Screening Devices and Manner of Use. The Commission for Health Services is directed to examine and approve devices suitable for use by law enforcement officers in making on-the-scene tests of drivers for alcohol concentration. For each alcohol screening device or class of devices approved, the Commission must adopt regulations governing the manner of use of the device. For any alcohol screening device that tests the breath of a driver, the Commission is directed to specify in its regulations the shortest feasible minimum waiting period that does not produce an unacceptably high number of false positive test results.

(c) Tests Must Be Made with Approved Devices and in Approved Manner. No screening test for alcohol concentration is a valid one under this section unless the device used is one approved by the Commission for Health Services and the screening test is conducted in accordance with the applicable regulations of the Commission as to the manner of its use.

(d) Use of Screening Test Results or Refusal by Officer. The results of an alcohol screening test or a driver's refusal to submit may be used by a law enforcement officer, a court, or an administrative agency in determining if there are reasonable grounds for believing that the driver has committed an implied-consent offense under G. S. 20-16.2. Negative or low results on the alcohol screening test may be used in factually appropriate cases by the officer, a court, or an administrative agency in determining whether a person's alleged impairment is caused by an impairing substance other than alcohol. Except as provided in this subsection, the results of an alcohol screening test may not be admitted in evidence in any court or administrative proceeding."
— REVOCATION FOR FAILURE TO COMPLETE DUI SCHOOL.
Sec. 13. Chapter 20 of the General Statutes is amended by adding a new G. S. 20-16.4 to read as follows:

"§ 20-16.4. Revocation for failure to complete Alcohol and Drug Education Traffic School. — (a) Division Must Revoke upon Notice of Willful Failure. Upon receipt of notice from an Alcohol and Drug Education Traffic School that a person assigned to the school as a court-imposed condition of probation has willfully failed to complete the program of instruction at the school successfully, the Division must revoke the person’s driver’s license for 12 months. A limited driving privilege does not authorize a person to drive while his license is revoked pursuant to the provisions of this section.

(b) Right of Notification and Hearing. Upon receipt of a properly executed notice of failure from the school, the Division must expeditiously notify the person that his license is revoked for 12 months, effective on the tenth calendar day after the mailing of the revocation order unless, before the effective date of the order, the person requests in writing a hearing before the Division. If the person properly requests a hearing, he retains his license, unless it is revoked under some other provision of law, until the hearing is held, the person withdraws the request, or he fails to appear at a scheduled hearing. The person may request the hearing officer to subpoena the appropriate school personnel to appear in person at the hearing if he makes the request in writing at least three days before the hearing. The person may subpoena any other witness he deems necessary, and the provisions of G. S. 1A-1, Rule 45, apply to the issuance and service of all subpoenas issued under the authority of this section.

(c) Hearing Procedures; Issues. The hearing must be conducted in the county where the school is located, under the provisions for hearings held under G. S. 20-16(d), except that the hearing is limited to consideration of whether:

(1) The person was validly assigned to the school by a court;
(2) The person failed to complete the course of instruction successfully; and
(3) The failure was willful.

If the Division finds that the conditions specified in this subsection are met, it must order the revocation sustained. If the Division finds that any of the conditions is not met, it must rescind the revocation. If the revocation is sustained, the person must surrender his license immediately upon notification by the Division. The person may file a petition in superior court for a de novo review of the issues listed in this section, in the same manner and under the same conditions as provided in G. S. 20-25, except that the hearing must be held in the judicial district in which the school is located.

(d) When Failure Not Willful. A failure to complete the course of instruction successfully is not willful if it is based solely on a failure:

(1) To pay the prescribed fee and the person was unable to pay after making reasonable efforts to secure funds to pay it; or
(2) To attend classes and the person was unable to attend because of reasons over which he had no control other than alcoholism or drug abuse."

— TEN-DAY, IMMEDIATE PRETRIAL REVOCATION.
Sec. 14. Chapter 20 of the General Statutes is amended by adding a new section, G. S. 20-16.5, to read as follows:

"§ 20-16.5. Immediate civil license revocation for certain persons charged with implied-consent offenses. — (a) Definitions. As used in this section the following words and phrases have the following meanings:

(1) Charging officer. As described in G. S. 20-16.2(a1).
(2) Clerk. As defined in G. S. 15A-101(2).
(3) Judicial Official. As defined in G. S. 15A-101(5).
(4) Revocation Report. A sworn statement by a charging officer and a chemical analyst containing facts indicating that the conditions of subsection (b) have
been met. When one chemical analyst analyzes a person's blood and another chemical analyst informs a person of his rights and responsibilities under G. S. 20-16.2, the report must include the statements of both analysts.

(5) Surrender of a Driver's License. The act of turning over to a court or a law enforcement officer the person's most recent, valid driver's license or learner's permit issued by the Division or by a similar agency in another jurisdiction, or a limited driving privilege issued by a North Carolina court.

(b) Revocations for Persons Who Refuse Chemical Analyses or Have Alcohol Concentrations of 0.10 or More. A person's driver's license is subject to revocation under this section if:

(1) A law enforcement officer has reasonable grounds to believe that the person has committed an offense subject to the implied-consent provisions of G. S. 20-16.2;
(2) The person is charged with that offense as provided in G. S. 20-16.2(a);
(3) The charging officer and the chemical analyst comply with the procedures of G. S. 20-16.2 and G. S. 20-139.1 in requiring the person's submission to or procuring a chemical analysis; and
(4) The person:
   a. Willfully refuses to submit to the chemical analysis; or
   b. Has an alcohol concentration of 0.10 or more within a relevant time after the driving.

(c) Duty of Charging Officers and Chemical Analysts to Report to Judicial Officials. If a person's driver's license is subject to revocation under this section, the charging officer and the chemical analyst must execute a revocation report. If the person has refused to submit to a chemical analysis, a copy of the report to be submitted to the Division under G. S. 20-16.2(c) may be substituted for the revocation report if it contains the information required by this section. It is the specific duty of the charging officer to make sure that the report is expeditiously filed with a judicial official as required by this section.

(d) Which Judicial Official Must Receive Report. The judicial official with whom the revocation report must be filed is:

(1) The judicial official conducting the initial appearance on the underlying criminal charge if:
   a. No revocation report has previously been filed; and
   b. At the time of the initial appearance the results of the chemical analysis, if administered, or the reports indicating a refusal, are available.
(2) A judicial official conducting any other proceeding relating to the underlying criminal charge at which the person is present, if no report has previously been filed.
(3) The clerk of superior court in the county in which the underlying criminal charge has been brought if subdivisions (1) and (2) are not applicable at the time the charging officer must file the report.

(e) Procedure if Report Filed with Judicial Official When Person Is Present. If a properly executed revocation report concerning a person is filed with a judicial official when the person is present before that official, the judicial official must, after completing any other proceedings involving the person, determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he must enter an order revoking the person's driver's license for the period required in this subsection. The judicial official must order the person to surrender his license and if necessary may order a law enforcement officer to seize the license. The judicial official must give the person a copy of the revocation order. In addition to setting it out in the order the judicial official must personally inform the person of his right to a hearing as specified in subsection (g), and that his license remains revoked pending the hearing. Unless the person is not currently licensed, the revocation under this
subsection begins at the time the revocation order is issued and continues until the person's license has been surrendered for 10 days and the person has paid the applicable costs. If the person is not currently licensed, the revocation continues until 10 days from the date the revocation order is issued and the person has paid the applicable costs.

(f) Procedure if Report Filed with Clerk of Court When Person Not Present. When a clerk receives a properly executed report under subdivision (d) (3) and the person named in the revocation report is not present before the clerk, the clerk must determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he must mail to the person a revocation order by first class mail. The order must direct that the person on or before the effective date of the order either surrender his license to the clerk or appear before the clerk and demonstrate that he is not currently licensed, and the order must inform the person of the time and effective date of the revocation and of its duration, of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. Revocation orders mailed under this subsection become effective on the fourth day after the order is deposited in the United States mail. If within five working days of the effective date of the order, the person does not surrender his license to the clerk or appear before the clerk to demonstrate that he is not currently licensed, the clerk must immediately issue a pick-up order. The pick-up order under this subsection may be issued by the clerk to any law enforcement officer to pick up the person’s driver’s license in accordance with G. S. 20-29 as if the pick-up order had been issued by the Division. A revocation under this subsection begins at the date specified in the order and continues until the person’s license has been revoked for the period specified in this subsection and the person has paid the applicable costs. The period of revocation under this subsection is:

1. Ten days from the time the person surrenders his license to the court, if the surrender occurs within five working days of the effective date of the order; or
2. Ten days after the person appears before the clerk and demonstrates that he is not currently licensed to drive, if the appearance occurs within five working days of the effective date of the revocation order; or
3. Thirty days from the time:
   a. The person’s driver’s license is picked up by a law enforcement officer following service of a pick-up order; or
   b. The person demonstrates to a law enforcement officer who has a pick-up order for his license that he is not currently licensed; or
   c. The person’s driver’s license is surrendered to the court if the surrender occurs more than five working days after the effective date of the revocation order; or
   d. The person appears before the clerk to demonstrate that he is not currently licensed, if he appears more than five working days after the effective date of the revocation order.

When a pick-up order is issued, it must inform the person of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. An officer serving a pick-up order under this subsection must return the order to the court indicating the date it was served or that he was unable to serve the order. If the license was surrendered, the officer serving the order must deposit it with the clerk within three days of the surrender.

(g) Hearing Before Magistrate or Judge if Person Contests Validity of Revocation. A person whose license is revoked under this section may request in writing a hearing to contest the validity of the revocation. The request may be made at the time of the person’s initial appearance, or at any later time to the clerk or a magistrate designated by the clerk, and may specifically request that the hearing be conducted by a district court judge. The Administrative Office of the Courts must develop a hearing request form for any person
requesting a hearing. Unless a district court judge is requested, the hearing must be conducted within the county by a magistrate assigned by the chief district judge to conduct such hearings. If the person requests that a district court judge hold the hearing, the hearing must be conducted within the judicial district by a district court judge assigned to conduct such hearings. The revocation remains in effect pending the hearing, but the hearing must be held within three working days following the request if the hearing is before a magistrate or within five working days if the hearing is before a district court judge. The request for the hearing must specify the grounds upon which the validity of the revocation is challenged. A witness may submit his evidence by affidavit unless he is subpoenaed to appear. Any person who appears and testifies is subject to questioning by the judicial official conducting the hearing, and the judicial official may adjourn the hearing to seek additional evidence if he is not satisfied with the accuracy or completeness of evidence. The person contesting the validity of the revocation may, but is not required to, testify in his own behalf. Unless contested by the person requesting the hearing, the judicial official may accept as true any matter stated in the revocation report. If any relevant condition under subsection (b) is contested, the judicial official must find by the greater weight of the evidence that the condition was met in order to sustain the revocation. At the conclusion of the hearing the judicial official must enter an order sustaining or rescinding the revocation. The judicial official's findings are without prejudice to the person contesting the revocation and to any other potential party as to any other proceedings, civil or criminal, that may involve facts bearing upon the conditions in subsection (b) considered by the judicial official. The decision of the judicial official is final and may not be appealed in the General Court of Justice. If the hearing is not held and completed within three working days of the written request for a hearing before a magistrate or within five working days of the written request for a hearing before a district court judge, the judicial official must enter an order rescinding the revocation, unless the person contesting the revocation contributed to the delay in completing the hearing.

(h) Return of License. After the applicable period of revocation under this section, or if the magistrate or judge orders the revocation rescinded, the person whose license was revoked may apply to the clerk for return of his surrendered license. Unless the clerk finds that the person is not eligible to use the surrendered license, he must return it if:

1. The applicable period of revocation has passed and the person has tendered payment for the costs under subsection (j); or
2. The magistrate or judge has ordered the revocation rescinded.

If the license has expired, he may return it to the person with a caution that it is no longer valid. Otherwise, if the person is not eligible to use the license and the license was issued by the Division or in another state, the clerk must mail it to the Division. If the person has surrendered his copy of a limited driving privilege and he is no longer eligible to use it, the clerk must make a record that he has withheld the limited driving privilege and forward that record to the clerk in the county in which the limited driving privilege was issued for filing in the case file.

(i) Effect of Revocations. A revocation under this section revokes a person's privilege to drive in North Carolina whatever the source of his authorization to drive. Revocations under this section are independent of and run concurrently with any other revocations. No court imposing a period of revocation following conviction of an offense involving impaired driving may give credit for any period of revocation imposed under this section. A person is not eligible for a limited driving privilege under any statute while his license is revoked under this section.

(j) Costs. Unless the magistrate or judge orders the revocation rescinded, a person whose license is revoked under this section must pay a fee of twenty-five dollars ($25.00) as costs for the action before his license may be returned under subsection (h). The costs collected under this section go to the State.
(k) Report to Division. Except as provided below, the clerk must mail a report to the Division within 10 working days of the return of a license under this section or of the termination of a revocation of the driving privilege of a person not currently licensed. The report must identify the person whose license has been revoked and specify the dates on which his license was revoked. No report need be made to the Division, however, if there was a surrender of the driver’s license issued by the Division, a ten-day minimum revocation was imposed, and the license was properly returned to the person under subsection (h) within five working days after the ten-day period had elapsed.

(l) Restoration Fee for Unlicensed Persons. If a person whose license is revoked under this section has no valid license, he must pay the restoration fee required by G. S. 20-7 before he may apply for a license from the Division.

(m) Modification of Revocation Order. Any judicial official presiding over a proceeding under this section may issue a modified order if he determines that an inappropriate order has been issued.

(n) Exception for Revoked Licenses. Notwithstanding any other provision of this section, if the judicial official required to issue a revocation order under this section determines that the person whose license is subject to revocation under subsection (b):

1. Has a currently revoked driver’s license;
2. Has no limited driving privilege; and
3. Will not become eligible for restoration of his license or for a limited driving privilege during the period of revocation required by this section,

the judicial official need not issue a revocation order under this section. In this event the judicial official must file in the records of the civil proceeding a copy of any documentary evidence and set out in writing all other evidence on which he relies in making his determination.

(o) Designation of Proceedings. Proceedings under this section are civil actions, and must be identified by the caption ‘In the Matter of _____’ and filed as directed by the Administrative Office of the Courts.”

— REVOCATION FOR IMPAIRED DRIVING CONVICTION.

Sec. 15. G. S. 20-17(2) is rewritten to read as follows:
“(2) Impaired driving under G. S. 20-138.1.”

— DMV PROCEDURE AFTER COURT-ORDERED REVOCATIONS.

Sec. 16. Chapter 20 of the General Statutes is amended to add a new G. S. 20-17.2 to read as follows:

“§ 20-17.2. Court-ordered revocations for offenses involving impaired driving; procedure for notice. — When a person convicted of an offense involving impaired driving is ordered by a court not to operate a motor vehicle for a specified period of time as a condition of probation, the Division, upon receiving a copy of the judgement, must revoke the person’s driver’s license for the period and dates specified in the order of the court. The entry of the probationary judgment by the court is notice to the person that his license is revoked, and the Division need not notify the person of his revocation. In judgment forms for use in impaired driving cases under G. S. 20-138.1 the Administrative Office of the Courts must provide for inclusion of a notice provision, when applicable, of the terms of this section.”

— LENGTHS OF REVOCATIONS FOR IMPAIRED DRIVING.

Sec. 17. G. S. 20-19 is amended by repealing subsection (h), adding a new subsection (i), and rewriting subsections (cl), (d), and (e) to read as follows:

“(c1) When a license is revoked under subdivision (2) of G. S. 20-17, and the period of revocation is not determined by subsection (d) or (e) of this section, the period of revocation is one year.
(d) When a person's license is revoked under subdivision (2) of G. S. 20-17 and the person has another conviction of an offense involving impaired driving, occurring within the three years immediately preceding the date of the offense for which his license is being revoked, the period of revocation is four years, and this period may be reduced only as provided in this section. The Division may conditionally restore the person's license after it has been revoked for at least two years under this subsection if he provides the Division with satisfactory proof that:

(1) He has not in the period of revocation been convicted in North Carolina or any other state or federal jurisdiction of a motor vehicle offense, an alcoholic beverage control law offense, a drug law offense, or any other criminal offense involving the possession or consumption of alcohol or drugs; and

(2) He is not currently an excessive user of alcohol or drugs.

If the Division restores the person's license, it may place reasonable conditions or restrictions on the person for the duration of the original revocation period.

(e) When a person's license is revoked under subdivision (2) of G. S. 20-17 and the person has two or more previous convictions of an offense involving impaired driving, and the most recent conviction occurred within the five years immediately preceding the date of the offense for which his license is being revoked, the revocation is permanent. The Division may, however, conditionally restore the person's license after it has been revoked for at least three years under this subsection if he provides the Division with satisfactory proof that:

(1) In the three years immediately preceding the person's application for a restored license, he has not been convicted in North Carolina or in any other state or federal court of a motor vehicle offense, an alcohol beverage control law offense, a drug law offense, or any criminal offense involving the consumption of alcohol or drugs; and

(2) He is not currently an excessive user of alcohol or drugs.

If the Division restores the person's license, it may place reasonable conditions or restrictions on the person for any period up to three years from the date of restoration.

(i) When a person's license is revoked under subdivision (1) or (9) of G. S. 20-17 and the offense is one involving impaired driving, the revocation is permanent. The Division may, however, conditionally restore the person's license after it has been revoked for at least three years in accordance with the procedure in subsection (e) of this section."

— REVOCATION FOR FEDERAL COURT CONVICTIONS.

Sec. 18. G. S. 20-23.2 is rewritten to read as follows:

“§ 20-23.2. Suspension of license for conviction of offense involving impaired driving in federal court. — Upon receipt of notice of conviction in any court of the federal government of an offense involving impaired driving, the Division is authorized to revoke the driving privilege of the person convicted in the same manner as if the conviction has occurred in a court of this State."

— CONVICTION DEFINED.

Sec. 19. G. S. 20-24, as it appears in the 1981 Cumulative Supplement to the 1978 Replacement Volume 1C of the General Statutes, is amended in subdivision (c) (1) by inserting “with a magistrate's order or” between “served” and “with” on line 7 of the subsection, and is further amended by adding a new subsection to read as follows:

“(e) When a court sends a report of a conviction of manslaughter to the Division, it must indicate on that report whether the manslaughter conviction is one involving impaired driving;"

— CERTIFIED RECORDS BY P.I.N.

Sec. 20. G. S. 20-26(b) is amended by deleting the second sentence and inserting in its place the following sentences: “A certified copy of a driver's records kept pursuant to subsection (a) may be sent by the Police Information Network. In addition to the uses
authorized by G. S. 8-35.1, a copy certified under the authority of this section is admissible as prima facie evidence of the status of the person’s license.”

— FORFEITURE OF VEHICLE.

Section 21. Chapter 20 of the General Statutes is amended by adding a new G. S. 20-28.2 to read:

“§ 20-28.2. Forfeiture of motor vehicle for impaired driving after impaired driving license revocation. — (a) Meaning of ‘Impaired Driving License Revocation’. The revocation of a person’s driver’s license is an impaired driving license revocation if the revocation is pursuant to:

(1) G. S. 20-13.2, 20-16(a)(8b), 20-16.2, 20-16.4, 20-16.5, 20-17(2), or 20-17.2; or
(2) G. S. 20-16(7), 20-17(1), or 20-17(9), if the offense involves impaired driving.

(b) When Motor Vehicle Becomes Property Subject to Forfeiture. If at a sentencing hearing conducted pursuant to G. S. 20-179 the judge determines that the grossly aggravating factor described in G. S. 20-179(c)(2) applies, the motor vehicle that was driven by the defendant at the time he committed the offense of impaired driving becomes property subject to forfeiture.

(c) Duty of Prosecutor To Notify Possible Innocent Parties. In any case in which a prosecutor determines that a motor vehicle driven by a defendant may be subject to forfeiture under this section, the prosecutor must determine the identity of the vehicle owner as shown on the certificate of title for the vehicle and he must also determine if there are any security interests noted on the vehicle’s certificate of title. The State must notify the holder of each security interest that the vehicle may be subject to forfeiture and that he may intervene to protect his interest. If the defendant is not the owner, a similar notice must be served on the owner. The notice may be served by any means reasonably likely to provide actual notice, and must be served at least fourteen days before the forfeiture hearing.

(d) Duty of Judge. The judge at sentencing must hold a hearing to determine if the vehicle should be forfeited. At the hearing the judge may order the forfeiture if he finds that:

(1) The vehicle is subject to forfeiture;
(2) The vehicle is not primarily used by a member of the defendant’s family or household for a business purpose or for driving to and from work or school;
(3) All potential innocent parties have been notified as required in subsection (c); and
(4) No party has shown that he is an innocent party as described in subsection (f).

If the owner or the holder of a security interest has not been notified, the judge may continue the hearing to allow the State to serve the notice or he may decline to order forfeiture. In any case in which a judge does not order the forfeiture of a vehicle subject to forfeiture, he must enter into the record detailed, written reasons for his decision.

(e) Sale of Forfeited Vehicle Required. If the judge orders forfeiture of the vehicle pursuant to this section, he must order the sale of the vehicle. Proceeds of the sale must be paid to the school fund of the county in which the property was seized.

(f) Innocent Party May Intervene. At any time before the forfeiture is ordered, the property owner or holder of a security interest, other than the defendant, may apply to protect his interest in the motor vehicle. The application may be made to a judge who has jurisdiction to try the impaired driving offense with which the motor vehicle is associated. The judge must order the vehicle returned to the owner if he finds that either the owner or the holder of a security interest is an innocent party. An owner or holder of a security interest is an innocent party if he:

(1) Did not know and had no reason to know that the defendant’s driver’s license was revoked; or
(2) Knew that the defendant’s driver’s license was revoked, but the defendant drove the vehicle without his consent.
If an innocent party applies after the forfeited motor vehicle has been sold and the judge
finds no laches in the innocent party’s delay, the judge may order a payment to the
innocent party from the net proceeds of the sale equal to his equity or security interest in
the vehicle."

— IMPAIRED DRIVING CHECKS.
Sec. 22. Chapter 20 of the General Statutes is amended by adding a new G. S. 20-16.3A
to read as follows:

“§ 20-16.3A. Impaired driving checks. — A law enforcement agency may make im-
paired driving checks of drivers of vehicles on highways and public vehicular areas if the
agency:

(1) Develops a systematic plan in advance that takes into account the likelihood of
detecting impaired drivers, traffic conditions, number of vehicles to be stopped, and the convenience of the motoring public.

(2) Designates in advance the pattern both for stopping vehicles and for requesting
drivers that are stopped to submit to alcohol screening tests. The plan may include contingency provisions for altering either pattern if actual traffic conditions are different from those anticipated, but no individual officer may be given discretion as to which vehicle is stopped or, of the vehicles stopped, which
driver is requested to submit to an alcohol screening test.

(3) Marks the area in which checks are conducted to advise the public that an
authorized impaired driving check is being made.

This section does not prevent an officer from using the authority of G. S. 20-16.3 to request
a screening test if, in the course of dealing with a driver under the authority of this section,
he develops grounds for requesting such a test under G. S. 20-16.3. Alcohol screening
tests and the results from them are subject to the provisions of subsections (b), (c), and (d)
of G. S. 20-16.3. This section does not limit the authority of a law enforcement officer or
agency to conduct a license check independently or in conjunction with the impaired
driving check, to administer psychophysical tests to screen for impairment, or to utilize
roadblocks or other types of vehicle checks or checkpoints that are consistent with the
laws of this State and the Constitution of North Carolina and of the United States.”

— REPEAL OF PRESENT OFFENSES.
Sec. 23. G. S. 20-138, 20-139, 20-140(c), and 20-140(e) are repealed.

— IMPAIRED DRIVING OFFENSE DEFINED.
Sec. 24. Chapter 20 of the General Statutes is amended by noting that G. S. 20-138.2 is
reserved for future codification purposes and by adding a new G. S. 20-138.1 to read as
follows:

“§ 20-138.1. Impaired driving. — (a) Offense. A person commits the offense of im-
paired driving if he drives any vehicle upon any highway, any street, or any public
vehicular area within this State:

(1) While under the influence of an impairing substance; or

(2) After having consumed sufficient alcohol that he has, at any relevant time after
the driving, an alcohol concentration of 0.10 or more.

(b) Defense Precluded. The fact that a person charged with violating this section is or
has been legally entitled to use alcohol or a drug is not a defense to a charge under this
section.

(c) Pleading. In any prosecution for impaired driving, the pleading is sufficient if it
states the time and place of the alleged offense in the usual form and charges that the
defendant drove a vehicle on a highway or public vehicular area while subject to an
impairing substance.

(d) Sentencing Hearing and Punishment. Impaired driving as defined in this section is
a misdemeanor. Upon conviction of a defendant of impaired driving, the presiding judge must hold a sentencing hearing and impose punishment in accordance with G. S. 20-179."

— PROSECUTOR DISCLOSURE REQUIREMENTS.

Sec. 25. Chapter 20 of the General Statutes is amended by adding a new section, G. S. 20-138.4, to read as follows:

"§ 20-138.4. Requirement that prosecutor explain reduction or dismissal of charge involving impaired driving. — Any prosecutor must enter detailed facts in the record of any case involving impaired driving explaining the reasons for his action if he:

1. Enters a voluntary dismissal; or
2. Accepts a plea of guilty or no contest to a lesser included offense; or
3. Substitutes another charge, by statement of charges or otherwise, if the substitute charge carries a lesser mandatory minimum punishment or is not an offense involving impaired driving; or
4. Otherwise takes a discretionary action that effectively dismisses or reduces the original charge in the case involving impaired driving.

General explanations such as 'interests of justice' or 'insufficient evidence' are not sufficiently detailed to meet the requirements of this section.”

— CHEMICAL TESTING PROCEDURES.

Sec. 26. G. S. 20-139.1 is rewritten to read as follows:

"§ 20-139.1. Procedures governing chemical analyses; admissibility; evidentiary provisions; controlled-drinking programs. — (a) Chemical Analysis Admissible. In any implied-consent offense under G. S. 20-16.2, a person's alcohol concentration as shown by a chemical analysis is admissible in evidence. This section does not limit the introduction of other competent evidence as to a defendant’s alcohol concentration, including other chemical tests.

(b) Approval of Valid Test Methods; Licensing Chemical Analysts. A chemical analysis, to be valid, must be performed in accordance with the provisions of this section. The chemical analysis must be performed according to methods approved by the Commission for Health Services by an individual possessing a current permit issued by the Department of Human Resources for that type of chemical analysis. The Commission for Health Services is authorized to adopt regulations approving satisfactory methods or techniques for performing chemical analyses, and the Department of Human Resources is authorized to ascertain the qualifications and competence of individuals to conduct particular chemical analyses. The Department may issue permits to conduct chemical analyses to individuals it finds qualified subject to periodic renewal, termination, and revocation of the permit in the Department's discretion.

(b1) Arresting or Charging Officer May Not Perform Chemical Analysis. A chemical analysis is not valid in any case in which it is performed by an arresting officer or by a charging officer under the terms of G. S. 20-16.2.

(b2) Breath Analysis Results Inadmissible if Preventive Maintenance Not Performed. Notwithstanding the provisions of subsection (b), the results of a chemical analysis of a person’s breath performed in accordance with this section are not admissible in evidence if:

1. The defendant objects to the introduction into evidence of the results of the chemical analysis of his breath; and
2. The defendant demonstrates that, with respect to the instrument used to analyse his breath, preventive maintenance procedures required by the regulations of the Commission for Health Services had not been performed within the time limits prescribed by those regulations.

(b3) Sequential Breath Tests Required. By January 1, 1985, the regulations of the Commission for Health Services governing the administration of chemical analyses of the
breath must require the testing of at least duplicate sequential breath samples. Those regulations must provide:

(1) A specification as to the minimum observation period before collection of the first breath sample and the time requirements as to collection of second and subsequent samples.

(2) That the test results may only be used to prove a person's particular alcohol concentration if:
   a. The pair of readings employed are from consecutively administered tests; and
   b. The readings do not differ from each other by an alcohol concentration greater than 0.02.

(3) That when a pair of analyses meets the requirements of subdivision (2), only the lower of the two readings may be used by the State as proof of a person's alcohol concentration in any court or administrative proceeding.

A person's willful refusal to give the sequential breath samples necessary to constitute a valid chemical analysis is a willful refusal under G. S. 20-16.2(c).

(c) Withdrawal of Blood for Chemical Analysis. When a blood test is specified as the type of chemical analysis by the charging officer, only a physician, registered nurse, or other qualified person may withdraw the blood sample. If the person withdrawing the blood requests written confirmation of the charging officer's request for the withdrawal of blood, the officer must furnish it before blood is withdrawn. When blood is withdrawn pursuant to a charging officer's request, neither the person withdrawing the blood nor any hospital, laboratory, or other institution, person, firm, or corporation employing him, or contracting for the service of withdrawing blood, may be held criminally or civilly liable by reason of withdrawing that blood, except that there is no immunity from liability for negligent acts or omissions.

(d) Right to Additional Test. A person who submits to a chemical analysis may have a qualified person of his own choosing administer an additional chemical test or tests, or have a qualified person withdraw a blood sample for later chemical testing by a qualified person of his own choosing. Any law enforcement officer having in his charge any person who has submitted to a chemical analysis must assist the person in contacting someone to administer the additional testing or to withdraw blood, and must allow access to the person for the purpose. The failure or inability of the person who submitted to a chemical analysis to obtain any additional test or to withdraw blood does not preclude the admission of evidence relating to the chemical analysis.

(e) Recording Results of Chemical Analysis of Breath. The chemical analyst who administers a test of a person's breath must record the following information after making any chemical analysis:
   (1) The alcohol concentration or concentrations revealed by the chemical analysis.
   (2) The time of the collection of the breath sample or samples used in the chemical analysis.

A copy of the record of this information must be furnished to the person submitting to the chemical analysis, or to his attorney, before any trial or proceeding in which the results of the chemical analysis may be used.

(e1) Use of Chemical Analyst's Affidavit in District Court. An affidavit by a chemical analyst sworn to and properly executed before an official authorized to administer oaths is admissible in evidence without further authentication in any hearing or trial in the District Court Division of the General Court of Justice with respect to the following matters:
   (1) The alcohol concentration or concentrations of a person given a chemical analysis and who is involved in the hearing or trial.
   (2) The time of the collection of the blood or breath sample or samples for the chemical analysis.
(3) The type of chemical analysis administered and the procedures followed.

(4) The type and status of any permit issued by the Department of Human Resources that he held on the date he performed the chemical analysis in question.

(5) If the chemical analysis is performed on a breath-testing instrument for which regulations adopted pursuant to subsection (b) require preventive maintenance, the date the most recent preventive maintenance procedures were performed on the breath-testing instrument used, as shown on the maintenance records for that instrument.

The Department of Human Resources must develop a form for use by chemical analysts in making this affidavit. If any person who submitted to a chemical analysis desires that a chemical analyst personally testify in the hearing or trial in the District Court Division, he may subpoena the chemical analyst and examine him as if he were an adverse witness.

(f) Evidence of Refusal Admissible. If any person charged with an implied-consent offense refuses to submit to a chemical analysis, evidence of that refusal is admissible in any criminal action against him for an implied-consent offense under G. S. 20-16.2.

(g) Controlled-Drinking Programs. The Department of Human Resources is empowered to make regulations concerning the ingestion of controlled amounts of alcohol by individuals submitting to chemical testing as a part of scientific, experimental, educational, or demonstration programs. These regulations must prescribe procedures consistent with controlling federal law governing the acquisition, transportation, possession, storage, administration, and disposition of alcohol intended for use in the programs. Any person in charge of a controlled-drinking program who acquires alcohol under these regulations must keep records accounting for the disposition of all alcohol acquired, and the records must be made available for inspection upon the request of any federal, State, or local law enforcement officer having jurisdiction over the laws relating to control of alcohol. A controlled-drinking program must exclusively use lawfully purchased alcoholic beverages in places in which they may be lawfully possessed, provided, need not comply with the record-keeping requirements of the regulations authorized by this subsection. All acts pursuant to the regulations reasonably done in furtherance of bona fide objectives of a controlled-drinking program authorized by the regulations are lawful notwithstanding the provisions of any other general or local statute, regulation, or ordinance controlling alcohol.”

— FELONY AND MISDEMEANOR DEATH BY VEHICLE.

Sec. 27. G. S. 20-141.4 is rewritten to read as follows:

"§ 20-141.4. Felony and misdemeanor death by vehicle. — (a). (Repealed.)

(a1) Felony Death by Vehicle. A person commits the offense of felony death by vehicle if he unintentionally causes the death of another person while engaged in the offense of impaired driving under G. S. 20-138.1 and commission of that offense is the proximate cause of the death.

(a2) Misdemeanor Death by Vehicle. A person commits the offense of misdemeanor death by vehicle if he unintentionally causes the death of another person while engaged in the violation of any State law or local ordinance applying to the operation or use of a vehicle or to the regulation of traffic, other than impaired driving under G. S. 20-138.1, and commission of that violation is the proximate cause of the death.

(b) Punishments. Felony death by vehicle is a Class I felony. Misdemeanor death by vehicle is a misdemeanor punishable by a fine of not more than five hundred dollars ($500.00), imprisonment for not more than two years, or both, in the discretion of the court.

(c) No Double Prosecutions. No person who has been placed in jeopardy upon a charge of death by vehicle may be prosecuted for the offense of manslaughter arising out of the same death; and no person who has been placed in jeopardy upon a charge of manslaughter may be prosecuted for death by vehicle arising out of the same death."
— IMPAIRED DRIVING APPLICABLE TO ROAD CONSTRUCTION VEHICLES.
Sec. 28. The numbered subdivisions of G. S. 20-168(b) are rewritten to read as follows:
“(1) G. S. 20-138. Impaired driving.
(2) (Repealed.)
(3) G. S. 20-139.1. Procedures governing chemical analyses; admissibility; evidentiary provisions; controlled-drinking programs.
(4) G. S. 20-140. Reckless driving.
(5) (Repealed.)
(6) G. S. 20-141. Speed restrictions.
(7) G. S. 20-141.3. Unlawful racing on streets and highways.
(8) G. S. 20-141.4. Felony and misdemeanor death by vehicle.”

— SENTENCING PROCEDURES AND PUNISHMENT FOR IMPAIRED DRIVING OFFENSES.
Sec. 29. G. S. 20-179 and G. S. 20-179.1 are rewritten to read as follows:
“§ 20-179. Sentencing hearing after conviction for impaired driving; determination of grossly aggravating and aggravating and mitigating factors; punishments. — (a) Sentencing Hearing Required. After a conviction for impaired driving under G. S. 20-138.1, the judge must hold a sentencing hearing to determine whether there are aggravating or mitigating factors that affect the sentence to be imposed. Before the hearing the prosecutor must make all feasible efforts to secure the defendant’s full record of traffic convictions, and must present to the judge that record for consideration in the hearing. Upon request of the defendant, the prosecutor must furnish the defendant or his attorney a copy of the defendant’s record of traffic convictions at a reasonable time prior to the introduction of the record into evidence. In addition, the prosecutor must present all other appropriate grossly aggravating and aggravating factors of which he is aware, and the defendant or his attorney may present all appropriate mitigating factors. In every instance in which a valid chemical analysis is made of the defendant, the prosecutor must present evidence of the resulting alcohol concentration.
(b) (Repealed.)
(c) Determining Existence of Grossly Aggravating Factors. At the sentencing hearing, based upon the evidence presented at trial and in the hearing, the judge must first determine whether there are any grossly aggravating factors in the case. If the defendant has been convicted of two or more prior offenses involving impaired driving, if the convictions occurred within seven years of the date of the offense for which he is being sentenced, the judge must impose the Level One punishment under subsection (g). The judge must also impose the Level One punishment if he determines that two or more of the following grossly aggravating factors apply:
(1) A single conviction for an offense involving impaired driving, if the conviction occurred within seven years of the date of the offense for which the defendant is being sentenced.
(2) Driving by the defendant while his driver’s license was revoked under G. S. 20-28, and the revocation was an impaired driving revocation under G. S. 20-28.2(a).
(3) Serious injury to another person caused by the defendant’s impaired driving. If the judge determines that only one of the above grossly aggravating factors applies, he must impose the Level Two punishment under subsection (h). In imposing a Level One or Two punishment, the judge may consider the aggravating and mitigating factors in subsections (d) and (e) in determining the appropriate sentence. If there are no grossly aggravating factors in the case, the judge must weigh all aggravating and mitigating factors and impose punishment as required by subsection (f).
(d) Aggravating Factors To Be Weighed. The judge must determine before sentencing under subsection (f) whether any of the aggravating factors listed below apply to the
defendant. The judge must weigh the seriousness of each aggravating factor in the light of the particular circumstances of the case. The factors are:

(1) Gross impairment of the defendant's faculties while driving or an alcohol concentration of 0.20 or more within a relevant time after the driving.
(2) Especially reckless or dangerous driving.
(3) Negligent driving that led to an accident causing property damage in excess of five hundred dollars ($500.00) or personal injury.
(4) Driving by the defendant while his driver's license was revoked.
(5) Two or more prior convictions of a motor vehicle offense not involving impaired driving for which at least three points are assigned under G. S. 20-16; or for which the convicted person's license is subject to revocation, if the convictions occurred within five years of the date of the offense for which the defendant is being sentenced, or one or more prior convictions of an offense involving impaired driving that occurred more than seven years before the date of the offense for which the defendant is being sentenced.
(6) Conviction under G. S. 20-141(j) of speeding by the defendant while fleeing or attempting to elude apprehension, if the offense occurred during the same act or transaction as the impaired driving offense.
(7) Conviction under G. S. 20-141 of speeding by the defendant by at least 30 miles per hour over the legal limit, if the offense occurred during the same act or transaction as the impaired driving offense.
(8) Passing a stopped school bus in violation of G. S. 20-217.
(9) Any other factor that aggravates the seriousness of the offense.

(e) Mitigating Factors To Be Weighed. The judge must also determine before sentencing under subsection (f) whether any of the mitigating factors listed below apply to the defendant. The judge must weigh the degree of mitigation of each factor in light of the particular circumstances of the case. The factors are:

(1) Slight impairment of the defendant's faculties resulting solely from alcohol, and an alcohol concentration that did not exceed 0.11 at any relevant time after the driving.
(2) Slight impairment of the defendant's faculties, resulting solely from alcohol, with no chemical analysis having been available to the defendant.
(3) Driving at the time of the offense that was safe and lawful except for the impairment of the defendant's faculties.
(4) A safe driving record, with the defendant's having no conviction for any serious traffic violation within five years of the date of the offense for which the defendant is being sentenced.
(5) Impairment of the defendant's faculties caused primarily by a lawfully prescribed drug for an existing medical condition, and the amount of the drug taken was within the prescribed dosage.
(6) The defendant's voluntary submission to a mental health facility for assessment after he was charged with impaired driving, and, if recommended by the facility, his voluntary participation in the recommended treatment.
(7) Any other factor that mitigates the seriousness of the offense.

(f) Weighing the Aggravating and Mitigating Factors. If the judge in the sentencing hearing determines that there are no grossly aggravating factors, he must weigh all aggravating and mitigating factors listed in subsections (d) and (e). If the judge determines that:

(1) The aggravating factors substantially outweigh any mitigating factors, he must note in the judgment the factors found and his finding that the defendant is subject to the Level Three punishment and impose a punishment within the limits defined in subsection (i).
(2) There are no aggravating and mitigating factors, or that aggravating factors are substantially counterbalanced by mitigating factors, he must note in the judgment any factors found and his finding that the defendant is subject to the Level Four punishment and impose a punishment within the limits defined in subsection (j).

(3) The mitigating factors substantially outweigh any aggravating factors, he must note in the judgment the factors found and his finding that the defendant is subject to the Level Five punishment and impose a punishment within the limits defined in subsection (k).

It is not a mitigating factor that the driver of the vehicle was suffering from alcoholism, drug addiction, diminished capacity, or mental disease or defect. Evidence of these matters may be received in the sentencing hearing, however, for use by the judge in formulating terms and conditions of sentence after determining which punishment level must be imposed.

(g) Level One Punishment. A defendant subject to Level One punishment may be fined up to two thousand dollars ($2,000) and must be sentenced to a term of imprisonment of not less than 14 days and not more than 24 months. The term of imprisonment may be suspended only if a condition of special probation is imposed to require the defendant to serve a term of imprisonment of at least 14 days. If the defendant is placed on probation, the judge must, if required by subsections (l) or (m), impose the conditions relating to treatment and education described in those subsections. The judge may impose any other lawful condition of probation. If the judge does not place on probation a defendant who is otherwise subject to the mandatory assessment and treatment provisions of subsection (m), he must include in the record of the case his reasons for not doing so.

(h) Level Two Punishment. A defendant subject to Level Two punishment may be fined up to one thousand dollars ($1,000) and must be sentenced to a term of imprisonment of not less than seven days and not more than 12 months. The term of imprisonment may be suspended only if a condition of special probation is imposed to require the defendant to serve a term of imprisonment of at least seven days. If the defendant is placed on probation, the judge must, if required by subsections (l) or (m), impose the conditions relating to treatment and education described in those subsections. The judge may impose any other lawful condition of probation. If the judge does not place on probation a defendant who is otherwise subject to the mandatory assessment and treatment provisions of subsection (m), he must include in the record of the case his reasons for not doing so.

(i) Level Three Punishment. A defendant subject to Level Three punishment may be fined up to five hundred dollars ($500.00) and must be sentenced to a term of imprisonment of not less than 72 hours and not more than six months. The term of imprisonment must be suspended, on the condition that the defendant:

(1) Be imprisoned for a term of at least 72 hours as a condition of special probation; or

(2) Perform community service for a term of at least 72 hours; or

(3) Not operate a motor vehicle for a term of at least 90 days; or

(4) Any combination of these conditions.

The judge in his discretion may impose any other lawful condition of probation and, if required by subsections (l) or (m), must impose the conditions relating to treatment and education described in those subsections. This subsection does not affect the right of a defendant to elect to serve the suspended sentence of imprisonment as provided in G. S. 15A-1341(c).

(j) Level Four Punishment. A defendant subject to Level Four punishment may be fined up to two hundred fifty dollars ($250.00) and must be sentenced to a term of imprisonment of not less than 48 hours and not more than 120 days. The term of imprisonment must be suspended, on the condition that the defendant:
(1) Be imprisoned for a term of 48 hours as a condition of special probation; or
(2) Perform community service for a term of 48 hours; or
(3) Not operate a motor vehicle for a term of 60 days; or
(4) Any combination of these conditions.

The judge in his discretion may impose any other lawful condition of probation and, if required by subsection (l) or (m), must impose the conditions relating to treatment and education described in those subsections. This subsection does not affect the right of a defendant to elect to serve the suspended sentence of imprisonment as provided in G. S. 15A-1341(c).

(k) Level Five Punishment. A defendant subject to Level Five punishment may be fined up to one hundred dollars ($100.00) and must be sentenced to a term of imprisonment of not less than 24 hours and not more than 60 days. The term of imprisonment must be suspended, on the condition that the defendant:
(1) Be imprisoned for a term of 24 hours as a condition of special probation; or
(2) Perform community service for a term of 24 hours; or
(3) Not operate a motor vehicle for a term of 30 days; or
(4) Any combination of these conditions.

The judge may in his discretion impose any other lawful condition of probation and, if required by subsections (l) or (m), must impose the conditions relating to treatment and education described in those subsections. This subsection does not affect the right of a defendant to elect to serve the suspended sentence of imprisonment as provided in G S. 15A-1341(c).

(l) Education Required in Certain Cases. If a defendant being sentenced under this section is placed on probation, he must be required as a condition of that probation to complete the course of instruction successfully at an Alcohol and Drug Education Traffic School established pursuant to G. S. 20-179.2 within 90 days of the date of conviction unless:
(1) He has previously been assigned to an Alcohol and Drug Education Traffic School and has successfully completed the course of instruction; or
(2) The judge finds that the defendant will not benefit from the course of instruction because of specific, extenuating circumstances.

(m) Assessment and Treatment Required in Certain Cases. If a defendant being sentenced under this section is placed on probation, he must be required as a condition of that probation to obtain a substance abuse assessment if:
(1) He had an alcohol concentration of 0.20 or more as indicated by a chemical analysis taken when he was charged; or
(2) He has a prior conviction for an offense involving impaired driving within the five years preceding the date of the offense for which he is being sentenced and, when he was charged with the current offense, he either:
   a. Had an alcohol concentration of 0.10 or more; or
   b. Willfully refused to submit to a chemical analysis.

The judge must require the defendant to obtain the assessment from an area mental health agency, its designated agent, or a private facility licensed by the State for the treatment of alcoholism and substance abuse. In addition, he must require the defendant to participate in a treatment program if recommended by the assessing agency, and he must require the defendant to execute a Release of Information authorizing the treatment agency to report his progress to the court or the Division of Adult Probation and Parole. The judge may order the defendant to participate in an appropriate treatment program at the time he is ordered to obtain an assessment, or he may order him to reappear in court when the assessment is completed to determine if a condition of probation requiring participation in treatment should be imposed. The judge must require the defendant to pay twenty-five dollars ($25.00) for the services of the assessment facility and the
treatment fees that may be charged by the treatment facility. If the defendant is treated by an area mental health facility, G. S. 122-35.47 applies. Any determinations with regard to the defendant's ability to pay the assessment fee must be made by the judge. In those cases in which no substance abuse handicap is identified, that finding must be forwarded in writing to the court. When treatment is required, the treatment agency's progress reports must be filed with the court or the Division of Adult Probation and Parole at intervals of no greater than six months until the termination of probation or the treatment agency determines and reports that no further treatment is appropriate.

(n) Time Limits for Performance of Community Service. If the judgment requires the defendant to perform a specified number of hours of community service as provided in subsections (i), (j), or (k), the community service must be completed:

1. Within 90 days, if the amount of community service required is 72 hours or more; or
2. Within 60 days, if the amount of community service required is 48 hours; or
3. Within 30 days, if the amount of community service required is 24 hours.

The court may extend these time limits upon motion of the defendant if it finds that the defendant has made a good faith effort to comply with the time limits specified in this subsection. Failure to complete the community service requirement within the applicable time limits is a violation of the defendant's probation and, in addition, is a ground for revocation of any limited driving privilege held by the defendant for the impaired driving offense.

(o) Evidentiary Standards; Proof of Prior Convictions. In the sentencing hearing, the State must prove any grossly aggravating or aggravating factor by the greater weight of the evidence, and the defendant must prove any mitigating factor by the greater weight of the evidence. Evidence adduced by either party at trial may be utilized in the sentencing hearing. Except as modified by this section, the procedure in G. S. 15A-1334(b) governs. The judge may accept any evidence as to the presence or absence of previous convictions that he finds reliable but he must give prima facie effect to convictions recorded by the Division or any other agency of the State of North Carolina. A copy of such conviction records transmitted by the police information network in general accordance with the procedure authorized by G. S. 20-26(b) is admissible in evidence without further authentication. If the judge decides to impose an active sentence of imprisonment that would not have been imposed but for a prior conviction of an offense, the judge must consider the defendant an opportunity to introduce evidence that the prior conviction had been obtained in a case in which he was indigent, had no counsel, and had not waived his right to counsel. If the defendant proves by the preponderance of the evidence all three above facts concerning the prior case, that conviction may not be used as the basis for imposing an active sentence of imprisonment.

(p) Limit on Ameliorations of Punishment. With respect to the period of any minimum active term of imprisonment or minimum or specific term of imprisonment as a condition of special probation under this section:

1. The judge may not give credit to the defendant for the first 24 hours of the time spent in incarceration pending trial.
2. No good time or gain time may be credited to reduce the minimum or specified term of imprisonment.
3. The defendant may not be released on parole.

(q) Meaning of 'Conviction'. For the purposes of this Article, 'conviction' includes a guilty verdict, guilty plea, plea of no contest, or anything that would be treated as a conviction under G. S. 20-24(c).

§ 20-179.1. Presentence investigation of persons convicted of offense involving impaired driving. — When a person has been convicted of an offense involving impaired driving, the trial judge may request a presentence investigation to determine whether the
person convicted would benefit from treatment for habitual use of alcohol or drugs. If the person convicted objects, no presentence investigation may be ordered, but the judge retains his power to order suitable treatment as a condition of probation, and must do so when required by statute."

— ALCOHOL AND DRUG EDUCATION TRAFFIC SCHOOLS.

Sec. 30. G. S. 20-179.2 is amended by repealing subsection (b) and by designating the present subdivisions (a)(1), (a)(2), (a)(3), and (a)(4) as subsections (c), (d), (e), and (f), respectively. That section is further amended by deleting the fourth sentence of the present subdivision (a)(1) (redesignated as subsection (c)) and inserting in its place the following sentence:

"The fee must be paid in full within two weeks from the date school attendance is ordered as a condition of probation, unless the court, upon a showing of hardship by the person, allows the person additional time to pay the fee."

— LIMITED DRIVING PRIVILEGE.

Sec. 31. Chapter 20 of the General Statutes is amended by adding a new G. S. 20-179.3 to read as follows:

"§ 20-179.3. Limited driving privilege. — (a) Definition of Limited Driving Privilege. A limited driving privilege is a judgment issued in the discretion of a court for good cause shown authorizing a person with a revoked driver's license to drive for essential purposes related to any of the following:

1. His employment.
2. The maintenance of his household.
3. His education.
4. His court-ordered treatment or assessment.
5. Community service ordered as a condition of the person's probation.

(b) Eligibility. A person convicted of the offense of impaired driving under G. S. 20-138.1 is eligible for a limited driving privilege if:

1. At the time of the offense he held a valid driver's license;
2. At the time of the offense he had not within the preceding 10 years been convicted of an offense involving impaired driving;
3. Punishment Level Three, Four, or Five was imposed for the offense of impaired driving; and
4. Subsequent to the offense he has not been convicted of, or had an unresolved charge lodged against him for, an offense involving impaired driving.

A person whose North Carolina driver's license is revoked because of a conviction in another jurisdiction substantially equivalent to impaired driving under G. S. 20-138.1 is eligible for a limited driving privilege if he would be eligible for it had the conviction occurred in North Carolina. Eligibility for a limited driving privilege following a revocation under G. S. 20-16.2(d) is governed by G. S. 20-16.2(e1).

(c) Privilege Not Effective Until After Compliance With Court-Ordered Revocation. A person convicted of an impaired driving offense may apply for a limited driving privilege at the time the judgment is entered. If the judgment does not require the person to complete a period of nonoperation pursuant to G. S. 20-179, the privilege may be issued at the time the judgment is issued. If the judgment requires the person to complete a period of nonoperation pursuant to G. S. 20-179, the limited driving privilege may not be effective until the person successfully completes that period of nonoperation. A person whose license is revoked because of a conviction in another jurisdiction substantially equivalent to impaired driving under G. S. 20-138.1 may apply for a limited driving privilege only after having completed at least 60 days of a court-imposed term of nonoperation of a motor vehicle, if the court in the other jurisdiction imposed such a term of nonoperation.
(d) Application for and Scheduling of Subsequent Hearing. The application for a limited driving privilege made subsequent to sentencing must be filed with the clerk in duplicate, and no hearing scheduled may be held until a reasonable time after the clerk files a copy of the application with the district attorney's office. The hearing must be scheduled before:

1. The presiding judge at the applicant's trial if that judge is assigned to a court in the judicial district in which the conviction for impaired driving was imposed.
2. The senior regular resident superior court judge of the district in which the conviction for impaired driving was imposed, if the presiding judge is not available within the district and the conviction was imposed in superior court.
3. The chief district court judge of the district in which the conviction for impaired driving was imposed, if the presiding judge is not available within the district and the conviction was imposed in district court.

If the applicant was convicted of an offense in another jurisdiction, the hearing must be scheduled before the chief district court judge of the district in which he resides. G. S. 20-16.2(e1) governs the judge before whom a hearing is scheduled if the revocation was under G. S. 20-16.2(d). The hearing may be scheduled in any county within the judicial district.

(e) Limited Basis for and Effect of Privilege. A limited driving privilege issued under this section authorizes a person to drive if his license is revoked solely under G. S. 20-17(2) or as a result of a conviction in another jurisdiction substantially equivalent to impaired driving under G. S. 20-138.1; if the person's license is revoked under any other statute, the limited driving privilege is invalid.

(f) Overall Restriction on Use of Privilege. In addition to specific restrictions that must be imposed under subsection (g), a limited driving privilege must restrict the applicant to essential driving related to the purposes listed in subsection (a). Driving related to emergency medical care is authorized at any time, but any other driving is unlawful unless it is for a purpose listed in subsection (a) and is within the times and at a place authorized under the subsection (g).

(g) Specific Restrictions on Driving Required to Be Stated. Under this section, 'standard working hours' are 6:00 a.m. to 8:00 p.m. on Monday through Friday. If the applicant is not required to drive for essential work-related purposes except during standard working hours, the judge in the limited driving privilege:

1. Must prohibit driving during nonstandard working hours except for essential driving related to emergency medical care and specified essential driving for the applicant's education or court-ordered assessment, treatment, or community service; and
2. May state other information and restrictions applicable to work-related driving during standard working hours.

The judge in the limited driving privilege may not allow the applicant to drive for maintenance of his household except during standard working hours, and the judge may impose any additional restrictions on such driving. If the applicant is required to drive for essential work-related purposes during nonstandard working hours, he must present documentation of that fact to the court before the judge may authorize him to drive during nonstandard working hours. If this authorization is granted, the limited driving privilege must contain the exact times and routes in which the holder will be driving to work or as a condition of employment, and restrict driving to those times and routes. The judge may also impose other restrictions, including a specification as to the vehicle to be driven. The judge must give the name and location of the place of work and may include any other information as to residence and essential driving needs that may assist law enforcement officers inspecting the limited driving privilege. If the applicant seeks permission to drive to and from court-ordered assessments, treatment, or community service or an educational program, including an Alcohol and Drug Education Traffic School, the judge must find
that the applicant has no reasonable alternative to his driving. If the judge makes such a finding, he may authorize driving for that purpose, but if the driving will occur during nonstandard working hours, the judge must state the same information and restrictions applicable to work-related driving during those hours.

(h) Other Mandatory and Permissive Conditions or Restrictions. In all limited driving privileges the judge must also include a restriction that the applicant not consume alcohol while driving or drive at any time while he has remaining in his body any alcohol or in his blood a controlled substance previously consumed, unless the controlled substance was lawfully obtained and taken in therapeutically appropriate amounts. The judge may impose any other reasonable restrictions or conditions necessary to achieve the purpose of this section.

(i) Modification or Revocation of Privilege. A judge who issues a limited driving privilege is authorized to modify or revoke the limited driving privilege upon a showing that the circumstances have changed sufficiently to justify modification or revocation. If the judge who issued the limited driving privilege is not available, a judge authorized to issue a limited driving privilege under subsection (d) may modify or revoke a limited driving privilege in accordance with this subsection. The judge must indicate in the order of modification or revocation the reasons for the order, or he must make specific findings indicating the reason for the order and those findings must be entered in the record of the case.

(j) Effect of Violation of Restriction. A holder of a limited driving privilege who violates any of its restrictions commits the offense of driving while his license is revoked under G. S. 20-28(a) and is subject to punishment and license revocation as provided in that section. If a law enforcement officer has reasonable grounds to believe that the holder of a limited driving privilege has consumed alcohol while driving or has driven while he has remaining in his body any alcohol previously consumed, the suspected offense of driving while license is revoked is an alcohol-related offense subject to the implied-consent provisions of G. S. 20-16.2. If a holder of a limited driving privilege is charged with violating a restriction contained in his limited driving privilege, and a judicial official determines that there is probable cause for the charge, the limited driving privilege is suspended pending the resolution of the case, and the judicial official must require the holder to surrender the limited driving privilege. The judicial official must also notify the holder that he is not entitled to drive until his case is resolved.

(k) Copy of Limited Driving Privilege to Division; Action Taken if Privilege Invalid. The clerk of court must send a copy of any limited driving privilege issued in the county to the Division. A limited driving privilege that is not authorized by this section, G. S. 20-16.2(e1), or G. S. 20-16.1, or that does not contain the limitations required by law, is invalid. If the limited driving privilege is invalid on its face, the Division must immediately notify the court and the holder of the privilege that it considers the privilege void and that the Division records will not indicate that the holder has a limited driving privilege.”

PART II. PROTECTION OF YOUTHFUL DRIVERS.

— RAISING BEER PURCHASE AGE.

Sec. 32. G. S. 18B-300(a), 18B-302(a)(1), 18B-900(a)(1), and 18B-900(d) are amended by deleting the number “18” wherever it appears in those subsections and inserting in its place the number “19”.

— GROUNDS FOR REVOKING PROVISIONAL LICENSE.

Sec. 33. Chapter 20 of the General Statutes is amended to add a new G. S. 20-13.2 to read as follows:

“§ 20-13.2. Grounds for revoking provisional license. — (a) The Division must revoke the license of a person convicted of violating the provisions of G. S. 20-138.3 upon receipt of a record of the licensee’s conviction.
(b) If a person is convicted of an offense involving impaired driving and the offense occurs while he is a provisional licensee, his license must be revoked under this section in addition to any other revocation required or authorized by law.

(c) If a person willfully refuses to submit to a chemical analysis pursuant to G. S. 20-16.2 while he is a provisional licensee, his license must be revoked under this section, in addition to any other revocation required or authorized by law. A revocation order entered under authority of this subsection becomes effective at the same time as a revocation order issued under G. S. 20-16.2 for the same willful refusal.

(d) A revocation under this section continues until the provisional licensee reaches 18 years of age or 45 days have elapsed, whichever occurs last. Revocations under this section run concurrently with any other revocations, but a limited driving privilege issued pursuant to law does not authorize a provisional licensee to drive if his license is revoked under this section.”

— DRIVING BY PROVISIONAL LICENSEE AFTER DRINKING.
Sec. 34. Chapter 20 of the General Statutes is amended by adding a new section, G. S. 20-138.3, to read as follows:

“§ 20-138.3. Driving by provisional licensee after consuming alcohol or drugs. — (a) Offense. It is unlawful for a provisional licensee to drive a motor vehicle on a highway or public vehicular area while consuming alcohol or at any time while he has remaining in his body any alcohol or in his blood a controlled substance previously consumed, but a provisional licensee does not violate this section if he drives with a controlled substance in his blood which was lawfully obtained and taken in therapeutically appropriate amounts.

(b) Subject to Implied-Consent Law. An offense under this section is an alcohol-related offense subject to the implied-consent provisions of G. S. 20-16.2.

(c) Punishment; Effect When Impaired Driving Offense Also Charged. The offense in this section is punishable under G. S. 20-176(b). It is not, in any circumstances, a lesser included offense of impaired driving under G. S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving arising out of the same transaction, the aggregate punishment imposed by the court may not exceed the maximum applicable to the offense involving impaired driving, and any minimum punishment applicable must be imposed.”

— FRAUDULENT USE OF ID; AIDER AND ABETTOR PUNISHMENT.
Sec. 35. G. S. 18B-302 is amended by rewriting subsections (b), (c), (e), and (f), and adding subsection (g) to read as follows:

“(b) Purchase or Possession. It shall be unlawful for:

(1) A person less than 19 years old to purchase, to attempt to purchase, or to possess malt beverages or unfortified wine; or

(2) A person less than 21 years old to purchase, to attempt to purchase, or to possess fortified wine, spirituous liquor, or mixed beverages.

(c) Aider and Abettor.

(1) By underage person. Any person who is under the lawful age to purchase and who aids or abets another in violation of subsection (a) or (b) of this section shall be guilty of a misdemeanor punishable by a fine up to five hundred dollars ($500.00) or imprisonment for not more than six months, or both, in the discretion of the court.

(2) By person over lawful age. Any person who is over the lawful age to purchase and who aids or abets another in violation of subsection (a) or (b) of this section shall be guilty of a misdemeanor punishable by a fine of up to two thousand dollars ($2,000) or imprisonment for not more than two years, or both, in the discretion of the court.

(e) Fraudulent Use of Identification. It shall be unlawful for any person to obtain or
attempt to obtain alcoholic beverages in violation of subsection (b) of this section by using or attempting to use:

(1) A fraudulent or altered driver’s license; or
(2) A fraudulent or altered identification document other than a driver’s license; or
(3) A driver’s license issued to another person; or
(4) An identification document other than a driver’s license issued to another person.

(f) Allowing Use of Identification. It shall be unlawful for any person to permit the use of his driver’s license or any other identification document of any kind by any person who violates or attempts to violate subsection (b) of this section.

(g) Conviction Report Sent to Division of Motor Vehicles. The court shall file a conviction report with the Division of Motor Vehicles indicating the name of the person convicted and any other information requested by the Division if the person is convicted of:

(1) A violation of subsection (e) or (f) of this section; or
(2) A violation of subdivision (c)(1) of this section; or
(3) A violation of subsection (b) of this section, if the violation occurred while the person was purchasing or attempting to purchase an alcoholic beverage.

Upon receipt of a conviction report, the Division shall revoke the person’s license as required by G. S. 20-17.3.”

— REVOCATION FOR UNDERAGE PURCHASERS OF ALCOHOL.
Sec. 36. General Statutes Chapter 20 is amended by adding a new section to read:

“§ 20-17.3. Revocation for underage purchasers of alcohol. — The Division shall revoke for one year the driver’s license of any person who has been convicted of violating any of the following:

(1) G. S. 18B-302(c)(1), (e), or (f); or
(2) G. S. 18B-302(b), if the violation occurred while the person was purchasing or attempting to purchase an alcoholic beverage.

If the person’s license is currently suspended or revoked, then the revocation under this section shall begin at the termination of that revocation.”

PART III. DRAM SHOP OWNER LIABILITY.

— DRAM SHOP OWNER LIABILITY; BURDEN OF PROOF.
Sec. 37. Chapter 18B of the General Statutes is amended by adding a new Article 1A to read:

“Article 1A.

“Compensation for Injury Caused by Sales to Underage Persons.

“§ 18B-120. Definitions. — As used in this Article:

(1) ‘Aggrieved Party’ means a person who sustains an injury as a consequence of the actions of the underage person, but does not include the underage person or a person who aided or abetted in the sale or furnishing to the underage person.

(2) ‘Injury’ includes, but is not limited to, personal injury, property loss, loss of means of support, or death. Damages for death shall be determined under the provisions of G. S. 28A-18-2(b). Nothing in G. S. 28A-18-2(a) or subdivision (1) of this section shall be interpreted to preclude recovery under this Article for loss of support or death on account of injury to or death of the underage person or a person who aided or abetted in the sale or furnishing to the underage person.

(3) ‘Underage person’ means a person who is less than the age legally required for purchase of the alcoholic beverage in question.

(4) ‘Vehicle’ shall have the same meaning as prescribed by G. S. 20-4.01(49).

“§ 18B-121. Claim for relief created for sale to underage person. — An aggrieved
party has a claim for relief for damages against a permittee or local Alcoholic Beverage Control Board if:

(1) The permittee or his agent or employee or the local board or its agent or employee negligently sold or furnished an alcoholic beverage to an underage person; and

(2) The consumption of the alcoholic beverage that was sold or furnished to an underage person caused or contributed to, in whole or in part, an underage driver's being subject to an impairing substance within the meaning of G. S. 20-138.1 at the time of the injury; and

(3) The injury that resulted was proximately caused by the underage driver's negligent operation of a vehicle while so impaired.

§ 18B-122. Burden of proof and admissibility of evidence. — The plaintiff shall have the burden of proving that the sale or furnishing of the alcoholic beverage to the underage person, as defined, was, under the circumstances, negligent. Proof of the sale or furnishing of the alcoholic beverage to an underage person, as defined, without request for identification shall be admissible as evidence of negligence. Proof of good practices (including but not limited to, instruction of employees as to laws regarding the sale of alcoholic beverages, training of employees, enforcement techniques, admonishment to patrons concerning laws regarding the purchase or furnishing of alcoholic beverages, or detention of a person's identification documents in accordance with G. S. 18B-129 and inquiry about the age or degree of intoxication of the person), evidence that an underage person misrepresented his age, or that the sale or furnishing was made under duress is admissible as evidence that the permittee was not negligent.

§ 18B-123. Limitation on damages. — The total amount of damages that may be awarded to all aggrieved parties pursuant to any claims for relief under this Article is limited to no more than five hundred thousand dollars ($500,000) per occurrence. When all claims arising out of an occurrence exceed five hundred thousand dollars ($500,000), each claim shall abate in the proportion it bears to the total of all claims.

§ 18B-124. Joint and several liability. — The liability of the negligent driver or owner of the vehicle that caused the injury and the permittee or ABC Board which sold or furnished the alcoholic beverage shall be joint and several, with right of contribution but not indemnification.

§ 18B-125. Exceptions. — This Article does not create a claim for relief against the following:

(1) One who holds only a brown bagging permit, a special occasions permit, or a limited special occasions permit;

(2) One who holds only a special one-time permit under G. S. 18B-1002;

(3) One who holds only permits listed in G. S. 18B-1100;

(4) One who holds any combination of the permits listed in this section.

§ 18B-126. Statute of limitations. — The statute of limitations is as provided in G. S. 1-54.

§ 18B-127. Duty of clerk of superior court. — When execution on a judgment on a cause of action under G. S. 18B-121 is returned unsatisfied, in whole or in part, the clerk of superior court to whom such return is made shall transmit to the Commission certified copies of the judgment, the execution and return and any other proceedings upon the judgment.

§ 18B-128. Common law rights not abridged. — The creation of any claim for relief by this Article may not be interpreted to abrogate or abridge any claims for relief under the common law, but this Article does not authorize double recovery for the same injury.

§ 18B-129. No liability for refusal to sell or for holding documents. — (a) No permittee or his agent or employee may be held liable for damages resulting from the refusal to sell or furnish an alcoholic beverage to a person who fails to show proper identification as described in G. S. 18B-302(d), or who appears to be an underage person.
(b) No permittee or his agent or employee may be held civilly liable if the permittee or his agent or employee holds a customer's identification documents for a reasonable length of time in a good faith attempt to determine whether the customer is of legal age to purchase an alcoholic beverage, provided that the permittee or his agent or employee informs the customer of the reason for his actions.

— STATUTE OF LIMITATIONS.
Sec. 38. G. S. 1-54 is amended by adding a new subdivision (7) to read:
“(7) For recovery of damages under Article 1A of General Statutes Chapter 18B.”

— ABC PERMITTEE'S REQUIREMENTS.
Sec. 39. G. S. 18B-900(a) is amended by adding a new subdivision (7) to read as follows:
“(7) Not have, whether as an individual or as an officer, director, shareholder or manager of a corporate permittee, an unsatisfied outstanding final judgment that was entered against him in an action under Article 1A of this Chapter.”

— REVOCATION OF PERMIT FOR NONPAYMENT OF JUDGMENT.
Sec. 40. G. S. 18B-1003 is amended by adding thereto a new subsection (d) to read as follows:
“(d) Financial Responsibility. A permittee shall pay all judgments rendered against him under the provisions of Article 1A of this Chapter. When the Commission is informed, under the provisions of G. S. 18B-127 that there is an outstanding unsatisfied judgment against a permittee, the Commission shall suspend all of the permittee’s permits. Notice and hearing are not required for a suspension under this subsection, and the suspension shall become effective immediately upon the Commission’s receipt of the report. The suspension shall remain in effect until the permittee demonstrates that he has satisfied the judgment by payment in full. Nothing in this section relieves the permittee of the obligation to pay any applicable fees as a precondition of the reinstatement of his permit.”

— LOCAL BOARD NOT COUNTY OR CITY AGENCY.
Sec. 41. G. S. 18B-101(8) is amended by adding thereto the following:
“A local board is an independent local political subdivision of the State. Nothing in this Chapter shall be construed as constituting a local board the agency of a city or county or of the Commission.”

— NO LEGISLATIVE INTENT AS TO CIVIL LIABILITY FOR SALES TO INTOXICATED PERSONS.
Sec. 41.1. The original inclusion and ultimate deletion in the course of passing this act of statutory liability for certain persons who sell or furnish alcoholic beverages to intoxicated persons does not reflect any legislative intent one way or the other with respect to the issue of civil liability for negligence by persons who sell or furnish those beverages to such persons.

PART IV. EFFECTIVE DATE AND TRANSITIONAL PROVISIONS.
— SAVING CLAUSE FOR PROSECUTIONS AND REVOCATIONS.
Sec. 42. Prosecutions for offenses occurring before the effective date of this act and administrative actions affecting drivers' licenses based on these offenses are not abated or affected by the repeal or amendment in this act of statutes creating or punishing the offense or authorizing administrative action concerning a driver's license, and the statutes that would be applicable but for the amendments and repealers in this act remain applicable to those prosecutions and administrative actions.

— APPLICABILITY OF DRAM SHOP PROVISIONS.
Sec. 43. Sections 37, 38, 39 and 40 of this act apply only to acts and omissions occurring on or after the effective date of this act.
— CAPTIONS NOT LIMIT TEXT/ONLY FOR REFERENCE.
   Sec. 44. The series of captions used in this act (the descriptive phrases in all capital letters identified by parts numbered with Roman numerals or preceded by hyphens) are inserted for convenience and reference only; and in no way define, limit, or prescribe the scope or application of the text of this act.

— SEVERABILITY.
   Sec. 45. If any provision of this act or its application to any person or circumstances is held invalid by any court of competent jurisdiction, the invalidity will not affect other provisions or applications that can be given effect without the invalid provision or application; and to this end the provisions of this act are severable.

— RESERVE FUND FOR IMPLEMENTATION.
   Sec. 45.1. The funds collected pursuant to Section 14 of this act shall be paid into a Reserve Fund. Funds from this Reserve Fund may be transferred by the Director of the Budget, with the advice of the Joint Legislative Commission on Governmental Operations, for the sole purpose of implementing the Safe Roads Act of 1983, including reimbursement to counties for increased jail expenses incurred as a result of this act. Any funds from the Reserve Fund not used to implement the Safe Roads Act of 1983 shall revert to the General Fund.

— EFFECTIVE DATE.
   Sec. 46. Except as provided in Sections 42 and 43, this act shall become effective October 1, 1983.

Corporations required to apportion income to North Carolina shall first add to federal taxable income the amount of all percentage depletion in excess of cost depletion that was subtracted from the corporation's gross income in computing its federal income taxes and shall then subtract from the taxable income apportioned to North Carolina the amount by which the percentage depletion allowance allowed by Sections 613 and 613A of the Code for solid minerals or rare earths extracted from the soil or waters of this State exceeds the cost depletion allowance for these items.”

Sec. 84. G. S. 105-147(12) is rewritten to read:

“(12) Except as provided in this subdivision, an allowance for depreciation and obsolescence of property and an allowance for depletion of mines, oil and gas wells, other natural deposits, and timber to the extent allowed under the Code. When the basis of property differs for State and federal purposes, this difference shall be taken into consideration in determining the depreciation, obsolescence, or depletion allowed under this subdivision.
A taxpayer may deduct as depletion only the amount allowed as a cost depletion allowance for mines, oil and gas wells, and other natural deposits under the Code instead of the amount allowed as a percentage depletion allowance for these items under the Code. This paragraph does not apply to depletion deductions for clay, gravel, phosphate rock, lime, shells, stone, sand, feldspar, gemstones, mica, talc, lithium compounds, tungsten, coal, peat, olivine, pyrophyllite, and other solid minerals or rare earths extracted from the soil or waters of this State.”

Sec. 85. G. S. 105-141(b) (28) is repealed.

“§ 105-163.26. Declarations of estimated income tax required. — (a) Declaration Required. Every corporation subject to taxation under Article 4 shall submit a declaration of estimated tax to the Secretary. This declaration is due at the time established in G. S. 105-163.27, and payment of the estimated tax is due at the time and in the manner prescribed in that section.

(b) Content. In the declaration of estimated tax, the corporation shall state its estimated total net income from all sources for the taxable year, the proportion of its total net income allocable to this State, its estimated tax, and any other information required by the Secretary.

(c) Amendments to Declaration. Under rules prescribed by the Secretary, a corporation may amend a declaration of estimated tax.
§ 105-163.27. Time for submitting declaration; time and method for paying estimated tax. — (a) Due Dates of Declarations. Declarations of estimated tax are due at the same time as the corporation's first installment payment. Installment payments are due as follows:

(1) If, before the 1st day of the 4th month of the taxable year, the corporation's estimated tax equals or exceeds five thousand dollars ($5,000), the corporation shall pay the estimated tax in four equal installments on or before the 15th day of the 4th, 6th, 9th, and 12th months of the taxable year.

(2) If, after the last day of the 3rd month and before the 1st day of the 6th month of the taxable year, the corporation's estimated tax equals or exceeds five thousand dollars ($5,000), the corporation shall pay the estimated tax in three equal installments on or before the 15th day of the 6th, 9th and 12th months of the taxable year.

(b) Payment of Estimated Tax When Declaration Amended. When a corporation submits an amended declaration after making one or more installment payments on its estimated tax, the amount of each remaining installment shall be the amount that would have been payable if the estimate in the amended declaration was the original estimate, increased and decreased as appropriate by the amount computed by dividing:

(1) The absolute value of the difference between:
   a. The amount paid and
   b. The amount that would have been paid if the estimate in the amended declaration was the original estimate by

(2) The number of remaining installments.

(c) Short Taxable Year. Payment of estimated tax for taxable years of less than 12 months shall be made in accordance with rules promulgated by the Secretary.

§ 105-163.28. Penalty for underpayment. — (a) Except as provided in subsection (d), if the amount of estimated tax paid by a corporation during the taxable year is less than the amount of tax imposed upon the corporation under Article 4 for the taxable year, the corporation shall be assessed an additional tax as a penalty in an amount determined by multiplying the amount of the underpayment as determined under subsection (b), for the period of the underpayment as determined under subsection (c), by the percentage established as the rate of interest on assessments under G. S. 105-241.1(i) that is in effect for the period of the underpayment.

(b) The amount of the underpayment shall be the difference between:

(1) the amount of the installment the corporation would have been required to pay if the corporation's estimated tax equalled eighty percent (80%) of the tax imposed under Article 4 for the taxable year, assuming the same schedule of installments, or
eighty percent (80%) of the tax imposed for the taxable year if the corporation made no installment payments; and

(2) the amount, if any, of the corresponding installment timely paid by the corporation.

(c) The period of the underpayment shall run from the date the installment was required to be paid to the earlier of:

(1) the 15th day of the 3rd month following the close of the taxable year, or

(2) with respect to any portion of the underpayment, the date on which the portion is paid. An installment payment of estimated tax shall be considered a payment of any previous underpayment only to the extent the payment exceeds the amount of the installment determined under subdivision (1) of subsection (b) for that installment date.

(d) The penalty for underpayment shall not be imposed if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of the installments equals or exceeds the amount that would have been required to be paid on or before that date if the estimated tax was equal to the least of:

(1) the tax shown on the return of the corporation for the preceding taxable year, if the corporation filed a return for the preceding taxable year and the preceding year was a taxable year of 12 months;

(2) an amount equal to the tax computed at the rates applicable to the taxable year but otherwise on the basis of the facts shown on the return of the corporation for, and the law applicable to, the preceding taxable year; or

(3) an amount equal to eighty percent (80%) of the tax for the taxable year computed by placing on an annualized basis the taxable income:

a. for the first three months of the taxable year, in the case of the installment required to be paid in the 4th month;

b. for the first three months or for the first five months of the taxable year, in the case of the installment required to be paid in the 6th month;

c. for the first six months or for the first eight months of the taxable year, in the case of the installment required to be paid in the 9th month; and

d. for the first nine months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year.

(4) For purposes of this subdivision, the taxable income shall be placed on an annualized basis by multiplying by 12 the taxable income referred to in the preceding sentence, and dividing the resulting amount by the number of months in the taxable year (3, 5, 6, 8, 9, or 11 as the case may be) referred to in that sentence.

§ 105-163.29. Filing of declarations and other returns. — The declarations, amended declarations, or any information returns required under the provisions of this Article from any corporation shall be signed by its president, vice-president, treasurer, assistant treasurer, secretary, or assistant secretary. If a receiver, trustee in bankruptcy, or assignee, by order of a court of competent jurisdiction or by operation of law or otherwise, has possession of or holds title to all or substantially all of the property or business of a corporation, whether or not the property or business is being operated, the receiver, trustee, or assignee shall make and sign the declarations, amended declarations, or any information returns for the corporation in the same manner and form as required of the corporation.
§ 105-163.30. Overpayment refunded. — Any overpayment of estimated tax shall be credited to the taxpayer and applied to the tax imposed upon the taxpayer by Article 4. The Secretary shall not refund any overpayment before the corporation files its annual return. If, upon examining the annual return, the Secretary finds that the estimated tax paid by the corporation exceeds the amount of tax imposed upon the corporation under Article 4, the Secretary shall refund the amount of the overpayment in accordance with the provisions of Article 9.

§ 105-163.31. Willful failure to pay estimated tax. — Any person required by this Article to pay any estimated tax who willfully fails to pay the estimated tax at the time or times required by law or rules shall, in addition to other penalties provided by law, be guilty of a misdemeanor and, upon conviction thereof, shall be punishable by a fine not to exceed five hundred dollars ($500.00) or by imprisonment not to exceed six months, or both.”

Part VI. Sales and Use Taxes; Salvage Vehicle Changes.

Sec. 87. The first sentence of G. S. 105-164.3(15) is amended by inserting between the words “lease,” and “or” the phrase “license to use or consume,”.

Sec. 88. G. S. 105-164.3(20) is amended by adding the following at the end of the subdivision:

“The term includes all ‘canned’ or prewritten computer programs, either in the form of written procedures or in the form of storage media on which or in which the program is recorded, held, or existing for general or repeated sale, lease, or license to use or consume. The term does not include the design, development, writing, translation, fabrication, lease, license to use or consume, or transfer for a consideration of title or possession of a custom computer program, other than a basic operational program, either in the form of written procedures or in the form of storage media on which or in which the program is recorded, or any required documentation or manuals designed to facilitate the use of the custom computer program.

As used in this subdivision:

a. ‘Basic operational program’ or ‘control program’ means a computer program that is fundamental and necessary to the functioning of a computer. A basic operational program is that part of an operating system, including supervisors, monitors, executives, and control or master programs, which consists of the control program elements of that system. A control or master program, as opposed to a processing program, controls the operation of a computer by managing the allocation of all system resources, including the central processing unit, main storage, input/output devices, and processing programs. A processing program is used to develop and implement the specific applications the computer is to perform.

b. ‘Computer program’ means the complete plan for the solution of a problem, such as the complete sequence of automatic data-processing equipment instructions necessary to solve a problem, and includes both systems and application programs and subdivisions, such as assemblers, compliers, routines, generators, and utility programs.

c. ‘Custom computer program’ means a computer program prepared to the special order of the customer. Custom computer programs include one of the following elements:

1. Preparation or selection of the programs for the customer’s use requires an analysis of the customer’s requirements by the vendor; or

30
2. The program requires adaptation by the vendor to be used in a particular make and model of computer utilizing a specified output device.

d. 'Storage media' means punched cards, tapes, disks, diskettes, or drums."

Sec. 89. G. S. 105-164.4(1) is amended as follows:

(1) by deleting the phrase "one hundred twenty dollars ($120.00)" in the first paragraph of that subdivision and inserting in lieu thereof the phrase "three hundred dollars ($300.00);" and

(2) by deleting the third paragraph of that subdivision and inserting the following paragraphs in lieu thereof:

"Notwithstanding G. S. 105-164.3(16), the sales price of a motor vehicle is the gross sales price of the motor vehicle less any allowance given for a motor vehicle taken in trade as part of the consideration for the purchased motor vehicle.

The tax levied under this section applies to all retail sales of motor vehicles, regardless whether the seller is engaged in business as a retailer of motor vehicles and regardless whether a tax has previously been paid under this Article with respect to the vehicle. Purchasers of motor vehicles from sellers who are not retailers are liable for payment of the tax. These purchasers shall pay the tax to the Commissioner of Motor Vehicles when applying for a certificate of title, registration, or registration plate for the vehicle. The sales price of a motor vehicle purchased from a seller who is not a retailer is considered to be either the standard value for the year, make, and model of that vehicle as established in schedules of value adopted by the Secretary or the amount paid by the purchaser for that vehicle, whichever is greater, provided the seller does not take a motor vehicle in trade as part of the purchase price. If the seller takes a motor vehicle in trade as part of the purchase price, the sales price of the motor vehicle sold is considered to be the difference in the standard value of the sold vehicle and the traded-in vehicle or the net amount paid by the purchaser, whichever is greater.

Every retail dealer of motor vehicles who sells a motor vehicle shall, when applying for a transfer of title for that vehicle, certify to the Commissioner of Motor Vehicles that he has collected the sales tax due on the sale of that vehicle and will remit the tax to the Secretary, and shall report the following information to the Commissioner:

(1) his name;

(2) the name of the purchaser; and

(3) the make and serial number of the vehicle sold.

The Commissioner of Motor Vehicles shall prepare forms to be used by retailers to make the certification and report required by this subsection. A retail dealer of motor vehicles who transfers a motor vehicle to another person by means other than a retail sale shall state on the certification form that no tax is due on the transfer of the motor vehicle because the transfer is not a retail sale.

No certificate of title, registration, or registration plate, shall be issued for any motor vehicle transferred pursuant to a retail sale unless the tax levied under this section is paid when application is made for transfer of title or the retailer who sold the vehicle makes the required certification and report when applying for transfer of title. The Commissioner of Motor Vehicles shall remit taxes collected by him under this subsection to the Secretary.

Persons who lease or rent motor vehicles shall collect and remit the tax imposed by this
Article on the separate retail sale of a motor vehicle in addition to the tax imposed on the proceeds from the lease or rental of the motor vehicle.”

Sec. 90. G. S. 105-164.6(3a) is amended as follows:

(1) by rewriting the first two sentences of that subdivision to read:

“Every person, firm, or corporation that purchases or acquires a motor vehicle shall pay a tax at the rate of two percent (2%) of the sales or purchase price of the vehicle, as determined in accordance with G. S. 105-164.4(1), not to exceed three hundred dollars ($300.00) per vehicle. This tax shall be paid to the Commissioner of Motor Vehicles when applying for a certificate of title or registration plate for the vehicle. A purchaser who furnishes to the Commissioner of Motor Vehicles a certificate from a retailer of motor vehicles engaged in business in this State stating that the purchaser has paid the tax levied on the vehicle by this Article to the retailer is relieved of liability for the tax.”;

(2) by adding a new sentence at the end of the first paragraph to read: “The Commissioner of Motor Vehicles shall remit use taxes collected by him under this subdivision to the Secretary.”; and

(3) by deleting the second paragraph of the subdivision and inserting the following paragraphs in lieu thereof:

“The tax levied under this section applies to all owners of motor vehicles, regardless whether the owner purchased or acquired the vehicle from a retailer of motor vehicles and regardless whether a tax has previously been paid under this Article with respect to the vehicle. The sales price of a motor vehicle acquired from a person who is not a retailer shall be determined in accordance with G. S. 105-164.4(1).

Persons who lease or rent motor vehicles shall collect and remit the tax imposed by this Article on the separate retail sale of a motor vehicle in addition to the tax imposed on the proceeds from the lease or rental of the motor vehicle.”

Sec. 91. G. S. 105-164.13(16) is amended by inserting after the word “articles” the first time and the last time it appears in that subdivision the phrase “other than motor vehicles”.

Sec. 92. G. S. 105-164.13(32) is amended by adding a new sentence at the end thereof to read:

“For sales made by a seller who is not a retailer, this exemption applies if the purchaser furnishes the Secretary an affidavit containing the information otherwise required from a retailer within 45 days of the date of the sale.”

Sec. 93. G. S. 105-164.4(3) is rewritten to read:

“(3) Operators of hotels, motels, tourist homes, tourist camps, and similar type businesses and persons who rent private residences and cottages to transients are considered retailers under this Article. There is levied upon every such retailer a tax of three percent (3%) of the gross receipts derived from the rental of any room or rooms, lodgings, or accommodations furnished to transients for a consideration. This tax does not apply to any private residence or cottage that is rented for less than 15 days in a calendar year or to any room, lodging, or accommodation supplied to the same person for a period of 90 or more continuous days.

As used in this subdivision, the term ‘persons who rent to transients’ means (i) owners of private residences and cottages who rent to transients and (ii) rental agents, including ‘real estate brokers’ as defined in G. S. 98A-2, who rent private residences and cottages to
transients on behalf of the owners. If a rental agent is liable for the tax imposed by this subdivision, the owner is not liable."

Sec. 94. G. S. 20-109.1 is amended as follows:

(1) by adding a new sentence at the end of subsection (d) to read:

"In addition to these criminal penalties, any person who violates this section is subject to a civil penalty of up to one hundred dollars ($100.00), to be imposed in the discretion of the Commissioner."; and

(2) by adding a new subsection to read:

"(e) The Commissioner shall charge a fee of ten dollars ($10.00) for issuing a title or forms as required by this section."

Sec. 95. G. S. 105-164.44A is rewritten to read:

"§ 105-164.44A. Tax on motor vehicle items transferred to Highway Fund. — Sales and use taxes collected on motor vehicle items and accessories shall be transferred from the General Fund to the Highway Fund as follows:

On a quarterly basis during the fiscal year ending June 30, 1984, the State Treasurer shall transfer from the General Fund to the Highway Fund the amount of twenty-five million eight hundred thousand dollars ($25,800,000), which represents fifteen percent (15%) of the estimated 1983-84 fiscal year sales and use tax collections from motor vehicles, motor vehicle parts, supplies, and accessories, and other transportation items. The quarterly transfers required by this section shall be made during September, December, March, and June of the fiscal year."

Part VII. Certificate-of-Need Fees.

Sec. 96. G. S. 131-177 is amended as follows:

(1) by changing the period at the end of subdivision (9) to a semicolon and adding the word "and"; and

(2) by adding a new subdivision to read:

"(10) Establish and collect fees for submitting applications for certificates-of-need, which fees shall be based on the total cost of the project for which the applicant is applying. This fee may not exceed fifteen thousand dollars ($15,000) and may not be less than four hundred dollars ($400.00)."

Sec. 97. G. s. 131-180 is amended by adding a new subsection to read:

"(c) All fees established by the Department for submitting an application for a certificate-of-need are due when the application is submitted. These fees are not refundable, regardless whether a certificate-of-need is issued."

Part VIII. Video Game Privilege License Tax.

Sec. 98. G. S. 105-66(b) is rewritten to read:

"The tax imposed under this section does not apply to machines and other devices licensed under G. S. 105-64, 105-65, or 105-66.1."

Sec. 99. Article 2 of Chapter 105 is amended by adding a new section to read:

"§ 105-66.1 Electronic video games. — (a) Every person, firm, or corporation engaged
in the business of owning or operating machines that play electronic video games when a coin or other thing of value is deposited in the machine shall obtain from the Secretary of Revenue a statewide license for each machine owned or operated and shall pay a tax of fifteen dollars ($15.00) for each license. An application for a license shall include the serial number of the machine operated. The licensee shall attach the license to the machine in a conspicuous place. No person may allow an unlicensed video game machine in a place of business occupied by that person. Licenses issued under this section are not transferable from one machine to another. The Secretary may seize any machine not licensed in accordance with this section and may hold the machine until it is duly licensed. All machines licensed under this section shall have a counter that records the number of games played or the amount of money deposited in the machine, or both.

(b) As used in this section, a person, firm, or corporation is 'engaged in the business of owning an electronic video game machine' if he owns the machine and locates it in his own place of business; and a person, firm, or corporation is 'engaged in the business of operating an electronic video game machine' if he locates, exhibits, displays, or permits to be exhibited or displayed an electronic video game machine in a place of business other than his own.

(c) Counties, cities, and towns may levy a tax, not to exceed five dollars ($5.00) per machine, on the business taxed under this section."

Sec. 103. G. S. 18B-805(b) (3) is amended by deleting the phrase “ten percent (10%)” and substituting the phrase “six and two-thirds percent (6⅔%)”.

Sec. 104. G. S. 18B-805(c) (1) is amended by inserting between the citation “18B-804(b) (5)” and the comma the phrase “and the bottle charge provided for in G. S. 18B-804(b) (6a)”.

CONFERENCE REPORT

July 12, 1983

TO: THE PRESIDENT OF THE SENATE AND
THE SPEAKER OF THE HOUSE OF REPRESENTATIVES

We, your conferees, appointed to resolve the differences arising between the Senate and the House of Representatives on the House Committee Substitute for H. B. 56 (Second Edition), A BILL TO BE ENTITLED AN ACT TO AMEND THE SAFE DRIVER INSURANCE PLAN PROVISIONS BY INCREASING THE PROPERTY DAMAGE THRESHOLD FOR CHARGEABLE ACCIDENTS AND ELIMINATING
SURCHARGES FOR CERTAIN SPEEDING TRAFFIC VIOLATIONS, wish to report as follows: The Conference Committee recommends that the differences between the Senate and House of Representatives regarding the House Committee Substitute for House Bill 56 (Second Edition) be resolved by the adoption of the text attached to this CONFERENCE REPORT.

Section 1. Article 3 of Chapter 58 of the General Statutes is amended by adding a new section to read:

§ 58-30.5. Major and minor chargeable accidents and certain speeding traffic violations under the Safe Driver Insurance Plan.—(a) The subclassification plan promulgated pursuant to G. S. 58-30.4 shall provide for separate surcharges for major chargeable accidents and minor chargeable accidents. ‘Major chargeable accident’ means a chargeable accident that results in (a) bodily injury or death or (b) damage in excess of five hundred dollars ($500.00) to any combination of (i) property not owned by the applicant or by any current resident operator and (ii) his motor vehicle. ‘Minor chargeable accident’ means a chargeable accident that results in damage of five hundred dollars ($500.00) or less to any combination of (i) property not owned by the applicant or by any current resident operator and (ii) his motor vehicle.

(b) The subclassification plan shall provide that with respect to a conviction for a ‘violation of speeding 10 miles per hour or less over the speed limit’ there shall be no premium surcharge nor any assessment of points unless there is a driving record consisting of a conviction or convictions for a moving traffic violation or violations during the three years immediately preceding the date of application or the preparation of the renewal.

(c) The North Carolina Rate Bureau shall promulgate a revised subclassification plan to reflect the provisions of this section. Such plan shall be subject to the filing, hearing, disapproval, review, and appeal procedures before the Commissioner and the courts as provided for rates and classification plans in G. S. 58-124.20, 58-124.21, and 58-124.22. The Bureau shall make a filing no later than September 1, 1983, and such plan so promulgated shall become effective January 1, 1984. Such plan shall apply only to chargeable accidents and violations of speeding 10 miles per hour or less over the speed limit that occur on or after January 1, 1984. With respect to any chargeable accidents or violations of speeding 10 miles per hour or less over the speed limit occurring prior to January 1, 1984, the surcharge and period for which such surcharge is applied and collected shall be determined by the subclassification plan in effect at the time such chargeable accident or violation of speeding 10 miles per hour or less over the speed limit occurs.

(d) For the purposes of subsections (b) and (c) of this section, a ‘violation of speeding 10 miles per hour or less over the speed limit’ does not include the offense of speeding in a school zone in excess of the posted school zone speed limit.

(e) Any adjustments in rates for nonfleet passenger motor vehicle insurance to offset any reduction in premium level due to the implementation of the provisions of this section shall be made through adjustments to the base rates for the affected coverages. Such adjustments shall be filed by the Bureau with the Commissioner in accordance with the standards and procedures of Articles 12B and 25A of this Chapter. In no event shall such adjustments be deemed to be changes in the total combined general rate level within the meaning of G. S. 58-124.26.”

Sec. 2. The catch line of G. S. 58-30.4 is amended by changing the period to a semicolon and by adding the following: “Safe Driver Insurance Plan.”
Sec. 3. G. S. 58-30.4 is amended by rewriting the sentence that begins on line 17 with the word "The" to read: "The subclassification plan to be effective January 1, 1984, shall provide that in a policy insuring more than one motor vehicle, driving record premium surcharges for chargeable accidents and moving traffic violations shall be distributed equally among the motor vehicles so insured."

Sec. 4. This act is effective upon ratification.

"Part I. Local Sales and Use Taxes.

"Sec. 1. Subchapter VIII of Chapter 105 of the General Statutes is amended by adding two new Articles to read:

`Article 40.

'Supplemental Local Government Sales and Use Taxes.

§105-480. Short title. — This Article shall be known as the Supplemental Local Government Sales and use Tax Act.

§105-481. Purpose and intent. — It is the purpose of this Article to afford the counties and cities of this State an opportunity to obtain an added source of revenue with which to meet their growing financial needs, and to reduce their reliance on other revenues, such as the property tax, by providing all counties of the State that are subject to this Article with authority to levy one-half percent (1/2%) sales and use taxes.

§105-482. Limitations. This Article applies only to counties that levy one percent (1%) sales and use taxes under Article 39 of this Chapter or under Chapter 1096 of the 1967 Session Laws and do not levy one-half percent (1/2%) local sales and use taxes under Article 41 of this Chapter.

§105-483. Levy and collection of additional taxes. — Any county subject to this Article may levy one-half percent (1/2%) local sales and use taxes in addition to any other State and local sales and use taxes levied pursuant to law. Except as provided in this Article, the adoption, levy, collection, distribution, administration, and repeal of these additional taxes shall be in accordance with Article 39 of this Chapter. In applying the provisions of Article 39 of this Chapter to this Article, references to "this Article" mean Article 40 of Chapter 105. All taxes levied pursuant to this Article shall be collected by the Secretary and may not be collected by a taxing county. The exemption for building materials in G. S. 105-468.1 does not apply to taxes levied under this Article.

"§105-484. Form of ballot. — (a) The form of the question to be presented on a ballot for a special election concerning the additional taxes authorized by this Article shall be: "FOR additional one-half percent (1/2%) local sales and use taxes" or "AGAINST additional one-half percent (1/2%) local sales and use taxes."

(b) The form of the question to be presented on a ballot for a special election concerning the repeal of any additional taxes levied pursuant to this Article shall be: "FOR repeal of the additional one-half percent (1/2%) local sales and use taxes" or "AGAINST repeal of the additional one-half percent (1/2%) local sales and use taxes."

§105-485. Retail collection bracket. — The following bracket applies to collections by retailers in a county that levies additional sales and use taxes under this Article:

(1) No amount on sales of less than 10¢;
(2) 1¢ on sales of 10¢ to 25¢;
(3) 2¢ on sales of 26¢ to 51¢;
(4) 3¢ on sales of 52¢ to 75¢;
(5) 4¢ on sales of 76¢ to 95¢;
(6) 5¢ on sales of 96¢ to $1.22; and
(7) Sales of over $1.22 — straight four and one-half percent (4-1/2%) with major fractions governing.

§105-486. Distribution and use of additional taxes. — The Secretary shall, on a quarterly basis, distribute the net proceeds of the additional one-half percent (1/2%) sales and use taxes levied under this Article to the taxing counties on a per capita basis according to the most recent annual population estimates certified to the Secretary by the State Budget Officer. The amount distributed to a taxing county shall then be divided among the county and its municipalities in accordance with the method by which the one
percent (1%) sales and use taxes levied in that county pursuant to Article 39 of this Chapter or Chapter 1096 of the 1967 Session Laws are distributed. If any taxes levied under this Article by a county have not been collected in that county for a full quarter because of the levy or repeal of the taxes, the Secretary shall distribute a pro rata share to that county for that quarter based on the number of months the taxes were collected in that county during the quarter.

§ 105-487. Use of additional tax revenue by counties and municipalities. — (a) Except as provided in subsection (c), forty percent (40%) of the revenue received by a county from additional one-half percent (1/2%) sales and use taxes levied under this Article during the first five fiscal years in which the additional taxes are in effect in the county and thirty percent (30%) of the revenue received by a county from these taxes in the second five fiscal years in which the taxes are in effect in the county may be used by the county only for public school capital outlay purposes or to retire any indebtedness incurred by the county for these purposes.

(b) Except as provided in subsection (c), forty percent (40%) of the revenue received by a municipality from additional one-half percent (1/2%) sales and use taxes levied under this Article during the first five fiscal years in which the additional taxes are in effect in the municipality and thirty percent (30%) of the revenue received by a municipality from these taxes in the second five fiscal years in which the taxes are in effect in the municipality may be used by the municipality only for water and sewage capital outlay purposes or to retire any indebtedness incurred by the municipality for these purposes.

(c) The Local Government Commission may, upon petition by a county or municipality, authorize a county or municipality to use part or all its tax revenue, otherwise required by subsection (a) or (b) to be used for public schools or water and sewage capital needs for any lawful purpose. The petition shall be in the form prescribed by the Local Government Commission and shall demonstrate that the county or municipality can provide for its public school or water and sewage capital needs without restricting the use of part or all of the designated amount of the additional one-half percent (1/2%) sales and use tax revenue for these purposes.

In making its decision, the Local Government Commission may consider information from sources other than the petition. The Commission shall issue a written decision on each petition stating the findings of the Commission concerning the public school or water and sewage capital needs of the petitioning county or municipality and the percentage of revenue otherwise restricted by subsection (a) or (b) that may be used by the petitioning county or municipality for any lawful purpose.

Decisions of the Commission allowing counties or municipalities to use a percentage of their tax revenue that would otherwise be restricted under subsection (a) or (b) for any lawful purpose are final and shall continue in effect until the restrictions imposed by those subsections expire. A county or municipality whose petition is denied, in whole or in part, by the Commission may subsequently submit a new petition to the Commission.

(d) For purposes of determining the number of fiscal years in which one-half percent (1/2%) sales and use taxes levied under this Article have been in effect in a county or municipality, these taxes are considered to be in effect only from the effective date of the levy of these taxes and are considered to be in effect for a full fiscal year during the first year in which these taxes were in effect, regardless of the number of months in that year in which the taxes were actually in effect.

(e) A county or municipality may expend part or all of the revenue restricted for public school or water and sewage capital needs pursuant to subsections (a) and (b) in the fiscal year in which the revenue is received, or the county or municipality may place part or all of this revenue in a capital reserve fund and shall specifically identify this revenue in accordance with Chapter 159 of the General Statutes.
'Article 41.

'Alternative Local Government Sales and Use Taxes.

§105-488. Short title. — This Article shall be known as the "Alternative Local Government Sales and Use Act."

§105-489. Limitations. — This Article applies only to counties that do not levy one percent (1%) sales and use taxes under Article 39 of this Chapter or under Chapter 1096 of the 1967 Session Laws.

§105-490. Levy and collection of taxes. — Any county subject to this Article may levy one-half percent (1/2%) local sales and use taxes pursuant to the procedures established in G. S. 105-465 and G. S. 105-466 for the levy of one percent (1%) sales and use taxes authorized by Article 39 of this Chapter. Except as provided in this Article, the provisions of Article 39 of this Chapter apply to any one-half percent (1/2%) local sales and use taxes levied under this Article. In applying the provisions of Article 39 of this Chapter to this Article, references to "this Article" mean Article 41 of Chapter 105. All taxes levied pursuant to this Article shall be collected by the Secretary and may not be collected by a taxing county. The exemption for building materials in G. S. 105-468.1 does not apply to taxes levied under this Article.

§105-491. Form of ballot. — (a) The form of the question to be presented on a ballot for a special election concerning the taxes authorized by this Article shall be: "FOR one-half percent (1/2%) local sales and use taxes" or "AGAINST one-half percent (1/2%) local sales and use taxes."

(b) The form of the question to be presented on a ballot for a special election concerning the repeal of any taxes levied pursuant to this Article shall be: "FOR repeal of the one-half percent (1/2%) local sales and use taxes" or "AGAINST repeal of the one-half percent (1/2%) local sales and use taxes."

§105-492. Retail collection bracket. — The following bracket applies to collections by retailers in a county that levies sales and use taxes under this article:

(1) No amount on sales of less than 10¢;
(2) 1¢ on sales of 10¢ to 30¢;
(3) 2¢ on sales of 31¢ to 65¢;
(4) 3¢ on sales of 66¢ to 95¢;
(5) 4¢ on sales of 96¢ to $1.28; and
(6) Sales of over $1.28 — straight three and one-half percent (3-1/2%) with major fractions governing.

§105-493. Distribution and use of taxes. — The Secretary shall, on a quarterly basis, distribute the net proceeds of any one-half percent (1/2%) sales and use taxes levied under this Article in accordance with G. S. 105-486. For purposes of the distribution under G. S. 105-486, a county that levies one-half percent (1/2%) sales and use taxes under this Article is considered a taxing county under that section. To make the distribution required by G. S. 105-486 and this section, the Secretary shall add the net proceeds of local sales and use taxes levied under Article 40 of this Chapter and under this Article, and shall then distribute this amount to the taxing counties on a per capita basis as provided in G. S. 105-486. The amount distributed to a county that levies one-half percent (1/2%) sales and use taxes under this Article shall be divided among the county and its municipalities on either a per capita or an ad valorem tax basis, as designated by the board of county commissioners in a resolution adopted pursuant to G. S. 105-472. If any taxes levied under this Article by a county have not been collected in that county for a full quarter because of the levy or repeal of the taxes, the Secretary shall distribute a pro rata share to that county for that quarter based on the number of months the taxes were collected in that county during the quarter.

§105-494. Use of additional tax revenue by counties and municipalities. — Sales and use tax revenue received by a county or municipality from one-half percent (1/2%)
sales and use taxes levied under this Article are subject to the restrictions imposed by G. S. 105-487 on revenue received by counties and municipalities from one-half percent (1/2%) sales and use taxes levied under that Article.'

"Sec. 2. G. S. 159-6 is amended by adding a new subsection to read:

'(e) In addition to any other fees authorized by this section, the Commission may charge and collect fees for services rendered and expenses incurred in reviewing and processing petitions of counties or cities concerning use of local sales and use tax revenue in accordance with G. S. 105-487(c.), '"

(3) on page 3, lines 12 and 18, by changing the numbers "9" and "10" to the numbers "3" and "4" respectively;

(4) on page 3, line 17, through page 8, line 2, by rewriting those lines to read:

"Part 2. Bingo and Raffles.

§ 14-309.5. Bingo and raffles. — It is lawful for an exempt organization to conduct raffles and bingo games in accordance with the provisions of this Part. Any licensed exempt organization who conducts a raffle or bingo game in violation of any provision of this Part shall be guilty of a misdemeanor under G. S. 14-292 and shall be punished in
accordance with G. S. 14-3. Upon conviction such person shall not conduct a raffle or bingo game for a period of one year. It is lawful to participate in a raffle or bingo game conducted pursuant to this Part. It shall be a Class II felony for any person: (i) to operate a raffle or bingo game without a license; (ii) to operate a raffle or bingo game while license is revoked or suspended; (iii) to willfully misuse or misapply any monies received in connection with any bingo game or raffle; or (iv) to contract with or provide consulting services to any licensee. It shall not constitute a violation of any State law to advertise a raffle or bingo game conducted in accordance with this Part.

§ 14-309.6 Definitions. — For purposes of this Part, the term:

(1) ‘Exempt organization’ means an organization that has been in continuous existence in the county of operation of the raffle or bingo game for at least one year and that is exempt from taxation under Section 501(c)(3), 501(c)(4), 501(c)(8), 501(c)(10), 501(c)(19), or 501(d) of the Internal Revenue Code and is exempt under similar provisions of the General Statutes as a bona fide nonprofit charitable, civic, religious, fraternal, patriotic or veterans’ organization or as a nonprofit volunteer fire department or as a nonprofit volunteer rescue squad or a bona fide homeowners’ or property owners’ association. (If the organization has local branches or chapters, the term ‘exempt organization’ means the local branch or chapter operating the raffle or bingo game);

(2) ‘Bingo game’ means a specific game of chance played with individual cards having numbered squares ranging from one to 75, in which prizes are awarded on the basis of designated numbers on such cards conforming to a predetermined pattern of numbers (but shall not include ‘instant bingo’ which is a game of chance played by the selection of one or more prepackaged cards, with winners determined by the appearance of a pre-selected designation on the card);

(3) ‘Raffle’ means a lottery in which the prize is won by random drawing of the name or number of one or more persons purchasing chances, and which is held in accordance with the provisions of G. S. 14-309.8 and G. S. 14-309.9;

(4) ‘Local law enforcement agency’ means for any raffle or bingo game conducted outside the corporate limits of a municipality or inside the corporate limits of a municipality having no municipal police force:

(6) ‘Beach bingo games’ means bingo games which have prizes of ten dollars ($10.00) or less or merchandise that is not redeemable for cash and that has a value of ten dollars ($10.00) or less; and

(7) ‘Licensed exempt organization’ means an exempt organization which possesses a currently valid license.

§ 14-309.7 Licensing procedures. — (a) Any exempt organization desiring to obtain a license to operate bingo games or raffles shall make application to the Department of Revenue on forms prescribed by the Department. Such license shall expire one year after the granting of the license. This license may be renewed from year to year. A copy of the application and license shall be furnished to the local law enforcement agency in the county or municipality in which the licensee intends to operate before bingo is conducted by the licensee.

(b) Each application and renewal application shall contain the following information:
   (1) The name and address of the applicant and if the applicant is a corporation, association or other similar legal entity, the name and home address of each of the officers of the organization as well as the name and address of the directors, or other persons similarly situated, of the organization.
   (2) The name and home address of each of the members of the special committee.
(3) A copy of the application for recognition of exemptions and a determination letter from the Internal Revenue Service and the Department of Revenue that indicates that the organization is an exempt organization and stating the section under which that exemption is granted; except that if the organization is a State or local branch, lodge, post, or chapter of a national organization, a copy of the determination letter of the national organization satisfies this requirement.

(4) The location at which the applicant will conduct the bingo games or raffles. If the premises are leased, a copy of the lease or rental agreement.

(c) In order for an exempt organization to have a member familiar with the operation of bingo present on the premises at all times when bingo is being played and for this member to be responsible for the receiving, reporting and depositing of all revenues received, the exempt organization may pay one member for conducting a bingo game. Such pay shall be on an hourly basis only for the time bingo is actually being played and shall not exceed one and one-half times the existing minimum wage in North Carolina. The member paid under this provision shall be a member in good standing of the exempt organization for at least one year and shall not be the lessor or an employee or agent of the lessor. No other person may be compensated for conducting a raffle or bingo game. An exempt organization shall not contract with any person for the purpose of conducting a raffle or bingo game. Except as provided in subsection (e) of this section, an exempt organization may hold a bingo game only in or on property owned (either legally or equitably) by the organization or leased by the organization for a period of not less than one year and actually occupied and used by that organization on a regular basis for purposes other than bingo for at least six months before the game; and all equipment used by the exempt organization in conducting the bingo game must be owned by the organization. Unless the exempt organization leases the property in accordance with this subsection, an exempt organization may conduct a bingo game only in or on property that is exempt from property taxes levied under Subchapter II of Chapter 105 of the General Statutes, or that is classified and not subject to any property taxes levied under Subchapter II of Chapter 105 of the General Statutes. It shall be unlawful for any person to operate beach bingo games at a location which is being used by any licensed exempt organization for the purpose of conducting bingo games.

(d) Conduct of a bingo game or raffle under this Part on such property shall not operate to defeat an exemption or classification under Subchapter II of Chapter 105 of the General Statutes.

(e) An exempt organization desiring to conduct an annual or semi-annual bingo game may apply to the Department of Revenue for a single occasion permit. The Department of Revenue may require such information as is reasonable and necessary to determine that the bingo game is conducted in accordance with the provisions of this Part but may not require more information than previously specified in this section for application of a regular license. The application shall be made to the Department on prescribed forms at least 30 days prior to the scheduled date of the bingo game. In lieu of the reporting requirements of G. S. 14-309.11(b) the exempt organization shall file with the licensing agency and local law enforcement a report on prescribed forms no later than 30 days following the conduct of the bingo game for which the permit was obtained. Such report may require such information as is reasonable and necessary to determine that the bingo game was conducted in accordance with the provisions of this Part but may not require more information than specified in G. S. 14-309.11(b). Any licensed exempt organization may donate or loan its equipment or use of its premises to an exempt organization which has secured a single occasion permit provided such arrangement is disclosed in the single occasion permit application and is approved by the Department of Revenue. Except as stated above, all provisions of this Part shall apply to any exempt organization operating a bingo game under this provision.

"§ 14-309.8. Limit on sessions. — The number of sessions of bingo conducted or
sponsored by an exempt organization shall be limited to two sessions per week and such sessions must not exceed a period of five hours each per session. No two sessions of bingo shall be held within a 48-hour period of time. No more than two sessions of bingo shall be operated or conducted in any one building, hall or structure during any one calendar week. Raffles shall be limited to one per month per organization per county. This section shall not apply to bingo games or raffles conducted at a fair or other exhibition conducted pursuant to Article 45 of Chapter 106 of the General Statutes.

§ 14-309.9. Bingo and raffle prizes. — (a) The maximum prize in cash or merchandise that may be offered or paid for any one game of bingo is five hundred dollars ($500.00). The maximum aggregate amount of prizes, in cash and/or merchandise, that may be offered or paid at any one session of bingo is one thousand five hundred dollars ($1,500). Provided, however, that if an exempt organization holds only one session of bingo during a calendar week, the maximum aggregate amount of prizes, in cash and/or merchandise, that may be offered or paid at any one session is two thousand five hundred dollars ($2,500).

(b) A raffle conducted pursuant to this Part shall be lawful only if the amount of a prize paid in cash is five hundred dollars ($500.00) or less, or if merchandise used as a prize, not redeemable in cash, has a market value of twenty thousand dollars ($20,000) or less.

c) This section shall not apply to bingo games or raffles conducted at a fair or other exhibition conducted pursuant to Article 45 of Chapter 106 of the General Statutes.

§ 14-309.10. Operation of raffles and bingo. — The operation of raffles or bingo games shall be the direct responsibility of, and controlled by, a special committee selected by the governing body of the exempt organization in the manner provided by the rules of the exempt organization.

§ 14-309.11. Accounting and use of proceeds. — (a) All funds received in connection with a raffle or bingo game shall be placed in a separate bank account. No funds may be disbursed from this account except the exempt organization may expend proceeds for prizes, advertising, utilities, and the purchase of supplies and equipment used in conducting the raffle and in playing bingo, taxes and license fees related to raffles and bingo and the payment of compensation as authorized by G. S. 14-309.7(c) and for the purposes set forth below for the remaining proceeds. Such payments shall be made by consecutively numbered checks. Any proceeds available in the account after payment of the above expenses shall inure to the exempt organization to be used for religious, charitable, civic, scientific, testing, public safety, literary, or educational purposes or for purchasing, constructing, maintaining, operating or using equipment or land or a building or improvements thereto owned by and for the exempt organization and used for civic purposes or made available by the exempt organization for use by the general public from time to time, or to foster amateur sports competition, or for the prevention of cruelty to children or animals, provided that no proceeds shall be used or expended for social functions for the members of the exempt organization.

(b) An audit of the account required by subsection (a) of this section shall be prepared annually for the period of January 1 through December 31 or otherwise as directed by the Department of Revenue and shall be filed with the Department of Revenue and the local law enforcement agency at a time directed by the Department of Revenue. The audit shall be prepared on a form approved by the Department of Revenue and shall include the following information:

1. The number of raffles or bingo games conducted or sponsored by the exempt organization;
2. The location and date at which each raffle or bingo game was conducted and the prize awarded;
3. The gross receipts of each raffle or bingo game;
4. The cost or amount of any prize given at each raffle or bingo game:
(5) The amount paid in prizes at each session;
(6) The net return to the exempt organization; and
(7) The disbursements from the separate account and the purpose of those disbursements, including the date of each transaction and the name and address of each payee.

(c) Any person who shall willfully furnish, supply, or otherwise give false information in any audit or statement filed pursuant to this section shall be guilty of a misdemeanor.

(d) All books, papers, records and documents relevant to determining whether an organization has acted or is acting in compliance with this section shall be open to inspection by the law enforcement agency or its designee, or the district attorney or his designee, or the Department of Revenue at reasonable times and during reasonable hours.

"§ 14-309.12. Violation is gambling. — A raffle or bingo game conducted otherwise than in accordance with the provisions of this Part is ‘gambling’ within the meaning of G. S. 19-1 et seq., and proceedings against such raffle or bingo game may be instituted as provided for in Chapter 19 of the General Statutes.

"§ 14-309.13. Public sessions. — Any exempt organization operating a bingo game or raffle which is open to persons other than members of the exempt organization, their spouses, and their children shall make such bingo game or raffle open to the general public.

"§ 14-309.14. Beach bingo. — Nothing in this Article shall apply to ‘beach bingo’ games nor shall it apply to any raffle held in conjunction with a convention or other meeting open only to members of the exempt organization, their spouses, and their children. G. S. 18B-308 shall apply to such games.”

Sec 4. G. S. 18B-308 is amended by deleting “G. S. 14-292.1”, and inserting in lieu thereof “Part 2 of Article 37 of Chapter 14 of the General Statutes”.

Sec. 4.1. G. S. 105-66 is amended by adding a new subsection to read:

“(d) Any person obtaining a license under G. S. 14-309.7 is not required to obtain a State license under this section for the same activity, but is subject to subsection (c) of this section as if a State license was required.”

Sec. 5. G. S. 18B-1000(5) is amended by adding a new sentence between the first and second sentences of that subdivision to read:

“This provision does not, however, prohibit such an establishment from being open to the general public for raffles and bingo games as required by G. S. 14-309.11(a) and G. S. 14-309.13.”

Sec. 5.1. Should the Supreme Court of North Carolina or a federal court having jurisdiction over North Carolina find and determine in any manner, whether on the merits or by denial of petition for discretionary review, that the General Assembly may not constitutionally allow “exempt organizations” as defined herein to conduct bingo or raffles, while denying that privilege to all other persons, then this act and G. S. 14-292.1 are repealed in their entirety, and no person may conduct bingo or raffles under any circumstances not permitted by the gambling laws of North Carolina.

Sec. 6. Prosecutions for offenses occurring before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions.

Sec. 7. This act shall become effective October 1, 1983.

To this end, the conferees recommend that the Senate and the House of Representatives adopt the foregoing report.

CONFERENCE REPORT
July 22, 1983

TO: THE PRESIDENT OF THE SENATE AND
THE SPEAKER OF THE HOUSE OF REPRESENTATIVES

We, your conferees, appointed to resolve the differences arising between the Senate and the House of Representatives on Senate Committee Substitute #2, Adopted on July 14, 1983, to House Bill 810, A BILL TO BE ENTITLED AN ACT TO ESTABLISH THE GOVERNOR'S ADMINISTRATIVE RULES REVIEW COMMISSION, wish to report as follows: The Conference Committee recommends that the differences between the Senate and the House of Representatives regarding the Senate Committee Substitute #2 adopted July 14, 1983 for House Bill 810 be resolved by the adoption of the text attached to this CONFERENCE REPORT.

Section 1. Article 1 of Chapter 143B of the General Statutes is amended by designating the existing sections as Part 1 and adding a new Part 2 to read:

"§ 143B-29.1. Governor's Administrative Rules Review Commission established. — The Governor's Administrative Rules Review Commission is hereby created in the Office of the Governor. The Commission shall consist of ten members, four to be appointed by the Governor and six by the General Assembly, three upon the recommendation of the President of the Senate, and three upon the recommendation of the Speaker of the House of Representatives. Appointments by the General Assembly shall be made in accordance with G. S. 120-121 and vacancies in those appointments shall be filled in accordance with G. S. 120-122. All appointees shall serve two-year terms. Any appointee to fill a vacancy on the Commission created by the resignation, dismissal, death, or disability of any member shall be for the balance of the unexpired term. The Chairman shall be appointed by the Governor.

The Commission shall meet at such times and places as the Chairman shall designate but in any event shall meet at least once a month.

Members of the Commission who are not officers or employees of the State shall receive compensation and reimbursement for travel and subsistence expenses at the rates specified in G. S. 138-5. Members of the Commission who are officers or employees of the State shall receive reimbursement for travel and subsistence at the rate set out in G. S. 138-6.

A quorum of the Commission shall consist of the Chairman and four other Commission members, or a majority of the Commission, whichever is fewer.

"§ 143B-29.2. Review of rules. — (a) Rules adopted by an agency to be effective on or after January 1, 1984; shall be filed in the office of the Governor prior to the filing made with the Attorney General pursuant to G. S. 150A-59.1

(b) After a rule is filed with the Governor, he shall submit it to the Commission which shall determine whether the rule:

(1) is within the statutory authority of the agency;
(2) is clear and unambiguous;
(3) is necessary.

The commission shall review a rule submitted to it by the Governor not later than the last day of the first calendar month following the filing of the rule with the Governor. The Commission, by a majority vote of the members present and voting, may extend the time...
for review of a rule by 60 days to obtain additional information on a rule. The Commission shall file notice of the extension of time for review of a rule with the agency and the Attorney General. Upon that filing, the effectiveness of the rule is delayed for a 60-day period.

(c) If the Commission finds that an agency did not act within its statutory authority in promulgating a rule or a part of a rule, or that a rule is not clear and unambiguous, or that a rule is unnecessary, the Commission shall object and delay the effectiveness of said rule or part of a rule. The Commission shall transmit to the agency, the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Attorney General a written report of the objection and delay of the rule or its part and the reasons for the delay. The delay of the effectiveness of the rule or its part is effective when the Attorney General receives the written report transmitted by the Commission. A rule or its part that is delayed is not 'effective', as defined by G. S. 150A-2(2a).

(d) Within 30 days after receipt of the Commission's written report, an agency shall either amend or repeal the rule to cure the defects cited as reasons for the Commission's objection or return the rule unamended to the Commission.

(e) While the effectiveness of a rule or its part is delayed, the agency which has promulgated it may not adopt another rule which has substantially identical provisions to those for which the Commission delayed the effectiveness of the original rule or part of a rule.

(f) The filing of an amendment to a rule places the entire rule before the Commission for its review.

(g) If an agency does not amend or repeal a delayed rule to cure the defects cited as reasons for the Commission's objection and delay, the Commission shall veto the rule. The Commission shall transmit to the agency, the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Attorney General the written report of the veto of the rule. A rule that is vetoed is not 'effective', as defined by G. S. 150A-2(2a).

"§ 143B-29.3. Temporary rules. — Rules adopted in accordance with the procedures in G. S. 150A-13 shall be reviewed by the Commission and are subject to objection as provided in G. S. 143B-29.2. The Commission shall review the reasons given for the adoption of a temporary rule and may veto the rule due to the agency's failure to make the finding required by G. S. 150A-13.

"§ 143B-29.4. Hearings. — (a) Notwithstanding the time limitation on review of rules contained in G. S. 143B-29.2, the chairman of the Commission may at any time call a public hearing before the Commission on any rule or part of a rule upon the recommendation of the Commission or upon motion of any member of the Commission. Within 60 days after the public hearing, the Commission may find that the agency did not act within its statutory authority in promulgating the rule, or that the rule is not clear and unambiguous or that the rule is unnecessary, and object to the rule in accordance with G. S. 143B-29.2.

(b) At least 15 days before the hearing, notice of the hearing shall be given to the rule-making agency and to such other persons that desire to be heard, that the Chairman of the Commission considers to be persons that may be affected by the rule or that may request copies of the notice.

"§ 143B-29.5. Failure to object and delay; inadmissibility into evidence. — (a) The failure of the Commission to object to and delay the effectiveness of a rule or its part shall not be deemed to be approval of the statutory authority of the rule or its part by the Commission.

(b) Evidence of the Commission's failure to object to and delay the effectiveness of the rule or its part shall be inadmissible in all civil or criminal trials or other proceedings before courts, administrative agencies or other tribunals."

Sec. 2. Article 6C of Chapter 120 of the General Statutes is repealed.
Sec. 3. G. S. 150A-12(b) is amended by deleting “Director of Research of the Legislative Services Commission”.

Sec. 4. G. S. 150A-13(a) and (b) are amended by deleting “and the Legislative Research Commission’s Administrative Rules Review Committee”.

Sec. 5. G. S. 150A-59(c) is amended by adding a new sentence at the end to read: “The effectiveness of rules adopted prior to December 31, 1983, shall not be affected by the imposition of the filing requirement with the Governor under G. S. 150A-60(5).”

Sec. 6. G. S. 150A-60(4) is amended by inserting a period after “Attorney General” and by deleting the remaining language of that section.

Sec. 7. The first sentence of G. S. 150A-12(b) is rewritten to read:

“The agency shall transmit copies of the notice to the Attorney General, the Governor, and all persons who have requested the agency in writing for advance notice of proposed action which may affect them.”

Sec. 8. The second sentences of G. S. 150A-13(a) and (b) are amended by inserting after “Attorney General” and before “with the” the following: “and the Governor”.

Sec. 9. G. S. 150A-60(4) is rewritten to read as follows:

“(4) Be in the physical form specified by the Attorney General; and
(5) Bear a notation by the Governor that the rule has been filed in accordance with Part 2 of Article 1 of Chapter 143B. This subsection does not apply to rules adopted by the Industrial Commission, the Utilities Commission, or the Department of Transportation relating to traffic sign ordinances, and road and bridge weight limits.”

Sec. 10. G. S. 150A-63.1 is amended by inserting “and Governor’s Administrative Rules Review Commission” between “Committee” and “reports” in the catchline and is further amended by inserting “or the Governor’s Administrative Rules Review Commission” between “Committee’s” and “objection” in the first sentence.

Sec. 11. G. S. 143B-14(b) is amended by adding a new sentence at the end of the subsection to read: “Provided, however, that the provisions of this subsection shall not apply to the review of rules by the Governor’s Administrative Rules Review Commission.”

Sec. 12. On November 1, 1983, the Legislative Services Officer shall transfer from the funds appropriated to the Legislative Research Commission’s Administrative Rules Review Committee to the Office of the Governor for the work of the Governor’s Administrative Rules Review Commission all unencumbered funds.

Sec. 13. The second sentence of G. S. 150A-1(a) is amended by inserting after “Chapter:” and before “the Employment Security Commission” the following: “The Governor’s Administrative Rules Review Commission,”.

Sec. 14. This act shall become effective November 1, 1983, except for Sections 2, 3, 4, and 6 which shall become effective August 1, 1983.

To this end, the conferees recommend that the Senate and House of Representatives adopt the foregoing report.

APPENDIX

REGULAR SESSION
This is the fourth State of the State address I have had the honor of delivering to this General Assembly. To all of you in the chamber, and to all the people of North Carolina, I thank you humbly and sincerely for granting me this opportunity to serve you. My family and I give thanks for all that this state has given us. Truly, North Carolina is blessed by God.

As I have done each time before, I come before you tonight to report what we in North Carolina have done — and what we have yet to do.

I come before you to affirm my faith that our best days are not behind us, but ahead of us.

I come before you to challenge those who say that our economy is doomed to failure and that our system of government is flawed and outdated and inadequate to the challenges we face, who even say that government itself is the problem. My friends, I do not accept that, and North Carolina deserves better than that!

I come before you to proclaim my belief that the limits on our financial resources do not mean that we have to limit our vision, our dreams and our aspirations for North Carolina.

There are no limits on what we can do, if we do it together.

A tight budget is no excuse for wringing of hands — for inaction. To the contrary, the conditions that prevail today demand action. We must act, and we must lead!

We don't have to have more money to do what we need to do in North Carolina.

We can continue to cut out fat and waste. We can get our priorities in order. We can use what we already have better. And we can meet our responsibilities to the people of North Carolina!

You members of the General Assembly come from communities in every corner of our state. You know what is happening to the nearly six million people who live here.

As we meet tonight, the cold winds of a national economic recession are blowing through nearly every home in North Carolina.

One in ten of our people are out of work. Farms, factories and small businesses face bankruptcy. Layoffs and loss of income threaten thousands of families. One in every three working families can hardly keep a roof over their heads, clothes on their kids and food on the table. Older people worry about living in decency and with dignity.

Their fears and their anxieties must be our agenda this year.
The people of North Carolina need good jobs. They need good paychecks. Their children need a good education.

You and I were elected by those people. We have a responsibility to them. It is our duty this year to work for them — cooperatively, compassionately and courageously. We must help them!

I welcome that responsibility, and I welcome the opportunity to work with you on their behalf.

This year, I will submit to you a legislative program that is limited in length, but unlimited in hope for the future.

It is based on a careful strategy of investing in education and economic growth, in more jobs and better schools.

That is the strategy North Carolina must have to meet the challenges that will confront us in the next two years, the next two decades and the next century. We can meet those challenges, and we must get to work doing it!

Those challenges come clearly into focus in the report of the North Carolina 2000 project. That effort, chaired brilliantly by President Bill Friday, brought more than 100,000 North Carolinians into the process of planning for tomorrow — a tomorrow that requires strong action to promise a secure economic future, provide educational opportunities, preserve our communities and protect our natural resources.

North Carolina has made a commitment to follow that path to the year 2000, and beyond.

That path has already led us to a national and international reputation as one of the best places in the nation to live, work and do business.

It has strengthened and broadened our economy. It has helped us attract 177,709 new jobs in manufacturing in the past six years. It has helped us withstand the recession better than other states. In the 1974-75 recession, our unemployment rate exceeded the nation's by almost three percent. In this recession, fewer people have lost their jobs in North Carolina than across the rest of the nation, and we have had 20 percent fewer people out of work than our neighboring states.

When I travel outside our state, people ask about our universities, our community college system, our public schools, our North Carolina School of Science and Mathematics, our Research Triangle Park and our Microelectronics Center.

They ask me: How does North Carolina do it? And I tell them: Our strategy is to invest in education and economic growth.

The program I will submit to you will continue that strategy.

It is a program and a strategy that will keep North Carolina moving.

I will propose that you strengthen instruction in our public schools in science and mathematics and in writing.

I will propose that you strengthen the capacity of our community college system to teach young people job skills and to retrain adults in new skills.

I will propose that you continue North Carolina's leadership in attracting the high-technology industries that will create the greatest number of jobs: electronics, computers, information-processing — all of them based on microelectronics technology.
I will also propose, in a Special Message on Crime, that you give our people tough protections against the drunk driver. I hope that the "Safe Roads Act" will be your first order of business. We must get the drinking driver off the road!

The recommended budget that I will submit to you tomorrow will be the most austere North Carolina has seen in a decade.

It will contain only one expansion item.

The people who work for North Carolina, who educate our children, who help our sick and aged, who keep our roads safe, do a good job. They have paid the price for the recession of this year. They deserve a fair pay raise!

Before you conclude this legislative session, I hope the economy will have turned up enough to provide each of them an across-the-board increase.

But even with the tight budget I will present to you, I urge you to be positive in your consideration and enact what I think should be the top priority of this legislature: lifting the salary freeze for teachers and state employees.

They also deserve all the help we can afford to give them in other ways:

— Like giving teachers a duty-free lunch period, a few minutes for them to refresh themselves and prepare for the afternoon classes.

— Like increasing the travel allowance for state employees.

This year, to help us get through this budget shortfall, they have worked harder, they have worked longer hours and they have stretched everything a little farther.

Since the time this legislature adjourned last year, our revenues have fallen short of estimates by nearly $150 million because of the lingering national recession.

But we have managed that shortfall in a way that has avoided the hardships and disruptions that states across this country have suffered.

Michigan had to cut 10,000 employees off the payroll, shut down state government for six days and cut salaries by five percent. The new governor there has just ordered that the public school's budget be cut by $500 million.

Idaho had to put its state employees on a four-day work week, cutting pay by 20 percent.

In Minnesota, the legislature had to raise taxes and cut out programs to meet a $300 million shortfall.

In Colorado, the state police are laying off almost 10 percent of the force and cutting out some late-night patrols.

In California, the state had to borrow $400 million from the Bank of America to help meet a deficit of more than $1 billion.

When we in North Carolina saw what was coming last year — that revenues might fall short, we did not wait. We cut spending, across the board, by six percent. We put severe restrictions on hiring, purchasing and travel. We asked the public schools to save two percent of their appropriations.

We have managed the taxpayers' dollar responsibly.
This year, some people will try to tell you otherwise. They will claim that North Carolina's progress has come at too high a price, with too much spending and hiring.

My friends, those people do not know what they are talking about!

The fact is that while some people in Washington talk about balancing the budget, we in North Carolina do it.

The fact is that the growth in state employment — counting the public schools, the community colleges and the universities — has been held to a total of 5.5 percent since 1977 — less than one percent a year.

The fact is that is 20 percent less than our average population growth of 1.25 percent a year in the same six years.

The fact is that, when education is excluded, the growth of state government since 1977 has been a total of 1.7 percent — less than 0.3 percent a year.

The fact is, during the last two years, we have cut nearly 2,000 jobs off the state payroll.

The fact is, that is a remarkable record. And don't let anybody try to tell you that this state and this legislature have done otherwise!

And if Washington wants to learn how to run a government with strong economic growth and no deficits, let them come to North Carolina!

This year, I welcome this legislature's help in finding ways to do more with what we have. My administration will be working to do that. We welcome your oversight and partnership.

We will be replacing welfare with workfare.

We will save money by centralizing computer services in all departments under the Governor.

We will ask you to give the Department of Revenue more help to see that all of our citizens pay the taxes they owe on time and in full. And I will ask you to pass a statute that will made tax evasion a felony.

I will oppose any efforts to erode our tax base, just as I will oppose any efforts to raise general taxes. North Carolina has one of the lowest tax burdens in the nation, and we cannot afford to lose that advantage over other states.

We are competing with states all across this nation — competing for jobs.

This year, every legislature in every state is asking the same question: What can we do to get more jobs for our people?

And those are not just states in the Sunbelt. States in the Midwest and the Northeast are taking drastic steps to stop the flow of capital and industry from their borders.

They are trying to catch North Carolina. They know we are ahead of them.

We are on the right course, and we must stay on it. We must redouble our efforts to meet their competition. We must maintain North Carolina's momentum. We must keep our competitive edge!

Our primary goal must be to prepare our people to work in a modern technology economy. That means basic skills, job training and research. It means infusing our entire educational system with excellence and discipline.
I urge the following 10-step plan for our public schools which we can carry through even with our tight state budget.

(1) We must continue our superb Kindergarten and Primary Reading Program with a teacher and full-time aide in every classroom in grades K-3. We cannot afford cuts in this solid foundation of our system!

(2) We should retrain teachers who are presently teaching math and science “out-of-field” and prohibit this in future years. In grades 7-12 in school year 1980-81, 40 percent of our math teachers were not certified in math. The figures for science were 29 percent. We must change that.

The budget I present to you will provide for $1,000 retraining grants to pay the costs of high school teachers taking college and university courses in science and mathematics. It will fund a summer institute program to retrain 1,500 teachers in middle schools and junior high schools. Over the next four years, we can finish this job of retraining and have every teacher teaching “in-field.” We can achieve this goal.

(3) We should recruit math and science teachers more aggressively by redirecting the Prospective Teacher Scholarship Loan Program to those who plan to teach in this critical field.

(4) We should provide funds as recommended in the budget for an additional six weeks of employment for one lead teacher of math or science in each of North Carolina’s high schools. This teacher would work during the summer at improving science and math instruction for the entire school for the coming year.

(5) We should develop examples of “true excellence” in math and science by establishing model projects at elementary or secondary schools in each of the eight educational districts.

(6) We should begin to gradually increase the minimum standards required for passing on the competency test and consider putting some science questions in the competency and annual tests.

(7) The State Board of Education under Dick Spangler's fine leadership should approve quickly the proposals to increase the high school graduation requirements from 18 to 20 units, including at least two units each in math and science. We must set rigorous standards for high school graduation.

(8) We should increase our emphasis on “maximum competency” in schools by implementing the proposed North Carolina Scholars Program giving higher recognition to students who complete a more rigorous high school curriculum, including at least three courses in math, three in science, four in English, and two in foreign language.

(9) Our colleges and universities should increase the number of math and science courses required for admission.

(10) We must continue to build the North Carolina School of Science and Mathematics which is stimulating better math and science teaching in all of our public schools and in both years since its establishment has led the nation in the percentage of national merit scholarship semi-finalists.

I will also ask you to expand the special institutes in which teachers upgrade their skills in teaching writing. We will add writing to our rigorous testing program. We must strengthen our students’ ability to write and communicate.
We have significantly reduced the number of dropouts from our schools over the past few years. Now we must redouble our efforts and stress joint programs between our public schools and community colleges. The state of Charles Brantley Aycock and Terry Sanford should not rest until we help every single North Carolina youngster to graduate.

These will be the new building blocks on top of the strong education foundation that this legislature and this state have already built for our future. We must teach our children the skills they will need to compete with their peers in South Carolina and Virginia and Japan and West Germany and the Soviet Union.

Because we are preparing students for the jobs of tomorrow, we must make business a full partner in educating them. We must make sure the skills they learn today connect to the skills business will need tomorrow.

Spending more tax money is not the only way to strengthen education. We need more businesses and individuals giving the schools a helping hand.

I applaud the establishment of the North Carolina Business Council on Science and Mathematics Education and the “adopt-a-school” program which has been so successful.

All of North Carolina led by its Governor and General Assembly, must make a new commitment to excellence in education. We ought to hold up good teachers and good principals and good schools as examples. We ought to recognize their accomplishments and issue a challenge for excellence.

This is why I have proclaimed 1983 as “The Year of the Public School” in North Carolina. The time has come to rally around the public schools, the time has come to get more personally involved in them, and the time has come to mobilize the forces for education across our state.

The key to economic growth is education — the public schools, the community colleges and the universities.

I will ask you to strengthen skill training in our state. The primary responsibility of our community college system must be to teach people the skills they need to get good jobs, and we must see that this responsibility is being met.

So I will ask you to provide new training equipment for the system and to increase its ability to train employees for new industries.

Very soon, I will sign an executive order spelling out a job-training policy for North Carolina, assigning specific responsibilities for each part of our overall system and mandating a close working partnership with private industry. We are already developing a new Labor Market Information system, to identify the new jobs and where they will be in the years to come. I am tired of people having to move to North Carolina to fill certain jobs. I want us to commit ourselves to train our own people to fill every job in the “help wanted” ads of North Carolina’s newspapers.

We know where the new jobs will be in the future — in rapidly advancing technological fields related to areas like microelectronics and biotechnology. That is where North Carolina must go!

In 1981, this legislature wisely created the Microelectronics Center of North Carolina — drawing together university researchers and students in that field. That action put North Carolina far ahead of most other states in the competition for the jobs of the future.
The Microelectronics Center of North Carolina is our “magnet” as we move to attract jobs in electronics and microelectronics. Already our fourth largest industry, this is a field that is relatively recession-proof, that tends to recover very early in an economic upturn, and one in which the United States still has a high degree of world leadership.

This year, I will ask you to continue your support of this center, so that we can operate the facilities under construction, buy the equipment needed, and build the communications network to tie together the universities that make up the Center.

To survive and to meet the economic and military challenge from abroad, our nation must learn to work smarter. That is how our great textile industry has survived — by investing in technology and automation and efficiency. Ten years ago, some people had written the textile industry off as dead. But it met the challenge, it remains North Carolina’s most important industry. We should learn the lesson textiles has taught us. And we must continue to support this $15 billion per year industry.

There are other things we must do to keep North Carolina competitive.

We must finish critically important links in our highway system. You know how great those needs are, especially in certain parts of our state. We cannot afford to let our hard-earned tax dollars that we send to Washington go to build roads in other states. I will ask you to provide the additional funds required to match federal construction aid. And I believe those additional funds should come primarily from an increase in the tax on alcoholic beverages.

Since 1981, under Secretary Bill Roberson, the Department of Transportation, has cut out the fat, instituted tough new protections against bid-rigging and increased miles of road being resurfaced by ten-fold.

To attract new industry, we must maintain an adequate supply of electrical energy at a reasonable price.

The safe reduction, recycling and disposal of hazardous wastes is also critically important to economic growth, as well as to environmental protection. The 1981 legislature established a waste-management system that is among the best in the nation. We must maintain that system and strengthen it if that is needed.

We must maintain our strong environmental laws. I will urge you to provide the additional funds needed to keep in place the Coastal Area Management Act. And, although North Carolina has bound itself in the past to not exceed federal environmental regulations, we will closely watch the regulations to govern landfills now being developed by the EPA. If these standards are too weak, I assure you that I will propose legislation to this General Assembly to provide for the safety of our people.

We must make wise and full use of our productive resources — our forests and our fisheries. We must insure that prime farmland is preserved.

We must not squander any of the resources that we have dedicated to meeting the great needs of our people — from the new-born infant to the oldest adult.

Washington may be retreating from meeting those needs, but North Carolina will not retreat!

We will maintain our commitment to helping mothers and their babies and to preventing mental retardation in children.
We will maintain our commitment to day care, and we will give special attention to the problems of working women. I will sponsor a statewide conference this year on women and the economy.

We must find some additional funds and provide more support for community mental health programs.

And, working hand in hand with private businesses and individuals, we will continue to bring art, music, drama, dance and literature into the life of our communities. We will open the new Art Museum. We will keep our Symphony sound. And we will make North Carolina's observance of the 400th anniversary our showcase to the nation.

That observance will be more than a tourist attraction. It will be a time to remind us of our beginnings, to renew our faith in America and in ourselves and to rededicate ourselves to the ideals of liberty, equality and opportunity.

It will be a time to examine whether we are worthy of the spirit and courage of the men and women who crossed an ocean to make a new beginning and, in time, to build a new world.

It will be a time to recall that America was not built on small dreams and short-sighted vision. It was not built on governments and tax money alone.

It was built by men and women who fought and struggled and loved and sometimes lost, men and women who had hope in the face of hopelessness, courage in the face of fear, and faith in God in the face of despair.

I believe we are worthy of those who came before us, and I believe we shall be worthy of those yet to come.

It is our turn now.

This nation has always lived in the future, believing that today will be better than yesterday and tomorrow, better still. Let us not allow our children and our grandchildren to lose that hope and optimism.

That is our challenge, that is our historic opportunity, and that is the greatest gift we can give all the generations of North Carolinians yet to come.

SPECIAL MESSAGE ON CRIME
BY GOVERNOR JAMES B. HUNT, JR.
Tuesday, January 25, 1983

When I delivered my State of the State Address to you last week, I spoke of a strategy to protect the people of North Carolina against the enemy of economic recession — unemployment, loss of income, bankruptcy and hardship.

Today, in the fourth Special Message on Crime that I have delivered to the General Assembly, I will speak to you about a strategy to protect our people against another enemy — an enemy that would invade their homes and businesses, an enemy that would take away what they have worked for and earned, an enemy that would threaten the lives of our families and every single person in North Carolina. That enemy is crime.

North Carolina has declared war on crime. And, this year, we must step up our offensive.
No state in this nation has had a more impressive record in passing laws to reduce crime than we have.

Since 1977, this administration, the General Assembly, our criminal justice system and the law enforcement officers in this hall today have built a powerful foundation for a safer North Carolina.

We have established a Cabinet-level Department of Crime Control and Public Safety.

We have provided the best deterrent there is to crime — swift and sure justice.

We have passed a law requiring speedy trials. No longer can a criminal escape punishment by delaying judgment.

We have passed a law that makes sentences more certain. No longer can a criminal shop around for a slap on the wrist.

We have passed laws that require mandatory jail terms for armed robbers, drug smugglers and hardened criminals.

We have made drug paraphernalia illegal, and, just as we promised to do two years ago, we have put the "head shops" out of business in North Carolina.

We have put prisoners to work on the roads.

We have reinstated the death penalty for first-degree murder.

We are paying the medical expenses of rape victims, and we are committed to protecting the victims of family violence.

We deal with the white-collar criminal just like we deal with any criminal, and we have passed the toughest law in the country against bid-rigging.

And the people of North Carolina have organized Community Watch and Crime-Stoppers programs to prevent crime. They have guided young people away from a life of crime. They have made their communities, their businesses and their homes safer against crime.

We are turning the tide against the forces of crime. North Carolina is the 10th most populous state in the nation, but our crime rate ranks 39th among the 50 states.

But we cannot rest on the record. We cannot rest until every single person in North Carolina is safe from the young hood on drugs, the rapist who lurks in the shadows and the violent criminal who is out on bail.

And, this year, we must recognize that the most common murderer in North Carolina is the drunk driver. In 1981, drunk drivers claimed more lives than all the murders reported in our state.

It is time that we cracked down on what has almost become a form of socially accepted murder. It is time that we got the drunk driver off the road in North Carolina.

Last night, I went before the people of North Carolina on statewide television to explain the Safe Roads Act and to ask for their support. The demands for action are coming from the people — especially those whose lives have been shattered by a horrifying phone call telling them that a loved one will never come home again.

The Safe Roads Act will save lives. It was carefully developed by the Governor’s Task Force on Drunken Drivers, which was chaired by Jack Stevens of Asheville, one of the
most respected former members of this body and an outstanding attorney. Its members included legislators, leaders in business, civic life, the law, law enforcement and the clergy.

They made an exhaustive study of our present laws. They went out and heard from the people in public hearings across the state.

They have developed a plan that is tough, comprehensive and effective.

If you enact that plan into law, you will be telling the drunk driver that, in North Carolina, the free ride across the center line is over.

The Safe Roads Act makes a series of important changes in our laws:
— It makes it easier to convict a drunk driver, and it eliminates plea bargaining.
— It guarantees a jail term for serious offenders.
— It gives judges very strict guidelines for sentencing in all cases.
— It requires jail or community service or loss of a driver’s license — plus a fine — in every case.
— It continues the one-year revocation by the State Department of Motor Vehicles.
— It makes it harder for a drunk driver to get his license back.
— It requires the state to publish a report card on how every county, every judge and every district attorney handles drunk-driving cases.
— It gives the magistrate the power to take away a drunk driver's license for 10 days — right on the spot.
— It gives the magistrate the power to detain a drunk driver for up to 24 hours, to keep him from hurting himself and others.
— It gives the judge the power to impound a repeat offender's car.
— It requires the problem drinker to get professional help.

I know that some parts of this bill are controversial. But they are constitutional, they are necessary, they are right and they will save lives.

It is already illegal for a bar to serve a drink to a minor or a person who is already drunk. Making bars subject to a civil suit will hit them where it hurts most — in the pocketbook. These establishments should be more careful about who they serve, and they are in a position to save lives.

I support raising the minimum age for drinking beer and wine from 18 to 19.

I would not oppose raising it to 21. But I think our primary goal should be getting it out of the high schools. And 19 is adequate, given so many other tough provisions in the law against teenagers driving and drinking.

A 16- or 17-year-old caught with any amount of alcohol or drugs in their blood would lose their license until they were 18. And they would get a fine of up to $100 and up to 60 days in jail.

But we have to change more than laws. We have to change minds and hearts and attitudes. This legislature can make a dramatic start this year, and our people will be grateful.
Our philosophy in North Carolina is to make the punishment fit the crime and protect our people.

This year, in addition to providing tougher punishment for the drunk driver, I hope you will provide tougher punishment for other criminals — like those who go free on bail and commit another crime, and those young people who are just as tough and as mean as criminals twice their age.

Too many dangerous criminals are going free on bail, and it is time to put a stop to it.

Today, a judge can deny bail only when an offender is charged with a capital crime.

But what about the criminal who is arrested, set free on bail and goes out and commits another crime?

And what about the assailant who threatens to kill a woman he viciously raped if she goes to the police and testifies against him?

Those people don't have any business being out on the street. I urge you to give the judge the power to deny them bail and to keep them locked up to protect the people of North Carolina!

And the youthful offender. Some of them are just kids who made a mistake and can still be saved. The secret to keeping them out of court and out of prison is to set them straight before it is too late.

That is why we created the Executive Cabinet on Juveniles, and that is why this legislature established community-based alternative programs throughout North Carolina. We are committed to helping young people who can be helped and reaching those who can be reached.

We will continue reaching out to them with a helping hand.

But some young people are criminals who can be reached only with a strict hand.

Since 1976, total arrests of juveniles have declined by 28 percent. But, arrests of juveniles for felonies have increased by the same percentage.

Not long ago, in Fayetteville, a 15-year-old boy was charged with abducting a woman at gunpoint in a convenience store, raping her and almost killing her.

A few years ago, here in Wake County, four teenagers — one of them 13 years old and another, 14 — beat an elderly woman to death to get her Social Security check.

They aren't just kids. They're criminals. And they ought to be treated that way.

But our present law doesn't let us treat them that way. The only choice a judge has today is to send those kids to training school for an indeterminate sentence, which averages about 10 months, or to put them in prison with adults.

Often, neither choice is a good one. Our judges need to be able to send these young criminals to training schools for a set period of time — not an indeterminate sentence that means they can be turned loose right after they arrive.

If a young person commits a serious felony, it ought to stay on his record forever. And the judge should be able to see the juvenile record of an adult offender he is getting ready to sentence. Our present laws prohibit this, and they should be changed.
We ought to let judges order parents to participate in treatment programs for young offenders. And schools should be required to have strong, tough discipline programs. Discipline must begin in the home and in the school.

When we sentence the criminal, we shouldn't forget the victim.

North Carolina does a better job than any other state when it comes to making the criminal pay restitution to his victim. But if we are really going to get serious about putting the victim first, we have got to make the victim first to be paid — before the court costs and before anything else. That is the only way we have of showing the victim that we care. In the last legislature, you moved the victim up to fourth in line to be paid. This year I urge you to put them at the head of the line!

And, just as soon as we can afford it, I believe North Carolina should compensate victims of armed robbery for their medical expenses.

A recent decision by the North Carolina Supreme Court demonstrated that we must strengthen our law against armed robbery. Any use of a gun in an armed robbery should put that criminal in jail for a minimum of seven years.

Despite hundreds of pleas, I have not commuted any armed robbery sentences as Governor, except for two cases recommended by the SBI.

The purpose of punishment is deterrence, preventing crime. Sometimes the best form of deterrence is a tough prison sentence. Sometimes it's ordering an offender to do community service work to repay his victim and society.

Sometimes, alternative forms of punishment are best for nonviolent offenders. Our judges are making these alternatives part of probation today. We have 19 special alternative-punishment programs in place today in North Carolina, and we will have 25 by July 1.

We are giving careful study to the report of the Citizens Commission on Alternatives to Incarceration, which was chaired by Judge Willis Whichard, a respected former member of the General Assembly.

We ought to use every innovative idea that will keep people out of prison in the first place and help them become taxpayers instead of tax burdens.

We should consider using training schools to house several hundred younger prisoners, and we must make better use of existing state facilities, like Dix Hospital, to meet special needs in our prisons.

Since 1977, we have built 5,000 new prison beds in North Carolina. We do not want to build any more prisons than we have to. But we are serious about protecting our people, and the criminals need to know that we will build all the prisons we need to protect the people of North Carolina against them.

And we ought to protect these law enforcement officers against criminals, too. We need to plug a loophole in our law that, in some cases, does not make it a crime to use force in resisting arrest.

These officers put their lives on the line for the rest of us every day, and they deserve to have the law of the State of North Carolina standing behind them.

To do all of this, to protect our people and our law enforcement officers, to see that the punishment fits the crime and the criminal, we must see that our courts operate efficiently and effectively.
We need to take minor traffic cases off the crowded court calendars, so they can be devoted to serious criminal cases, like drunk driving.

We need to eliminate unwarranted, costly and time-consuming appeals. And, when the state and the defendant both agree to trial before a judge, we should not require jury trials.

All of this has one goal — protecting the people of North Carolina against crime.

Every single citizen in this state has a right to be safe.

No older person should have to be afraid to walk outside in the evening. No woman should have to be afraid to answer a knock at the door. No family should have to be afraid to go to the store.

You and I have a responsibility to those people. And you and I have a historic opportunity.

History will remember these years as a time when North Carolina not only taught every child to read and helped adults find good jobs. We will also record that this was the time when we began to turn back a wave of crime that threatened to engulf our entire nation and our entire society.

This is a battle we have fought in the courtroom, in the jailhouses, in the streets, in the schools, in our homes — in these very halls.

It is a battle we have fought for the people of North Carolina. It is a battle against fear and for freedom. It is a battle we can win.

Let us make it our legacy — a safer North Carolina for our children and all the generations yet to come.

Thank you.

Be it resolved by the House of Representatives:

RULE 6. Duties and Powers of the Speaker.—The Speaker shall have general direction of the Hall. He may name any member to perform the duties of the Chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House.

RULE 7. Obtaining Floor.—(a) When any member desires recognition for any purpose, he shall rise from his seat and respectfully address the Speaker. No member shall proceed until recognized by the Speaker.

A two-thirds (2/3) vote of the members present shall be necessary to sustain any appeal from the ruling of the Chair.

(b) When the Speaker calls a member to order, the member shall take his seat except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the Chair and the decision by a two-thirds (2/3) vote of the members present be in favor of the member called to order, he may proceed; if otherwise, he shall not; and if the case, in the judgment of the House, requires it, he shall be liable to censure by the House.

(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.
RULE 14. Motions, Order of Precedence.—When there are motions before the House, the order of precedence is as follows:

To adjourn
To lay on the table
To postpone indefinitely
Previous question
To postpone to a day certain
To commit
To amend an amendment
To amend
To substitute
To pass the bill

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn—(a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate, and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. Motion to Table—(a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order, and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18, or to remove from the table approved by a two-thirds (2/3) vote.

RULE 17. Motion to Postpone Indefinitely.—A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18, or to place on the favorable calendar approved by a two-thirds (2/3) vote.
RULE 18. **Motion to Reconsider**—(a) When a question has been decided, it is in order for any member to move for the reconsideration thereof, on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except a motion to reconsider a vote upon a motion to table, a motion to postpone indefinitely, a motion to remove a bill from the unfavorable calendar, a motion that a bill be read twice on the same day, or a motion to remove from the table, which shall require a two-thirds (2/3) vote.

RULE 19. **Previous Question**—(a) The previous question may be called only by the member submitting the report on the bill or other matter under consideration, by the member introducing the bill or other matter under consideration, or by the member in charge of the measure, who shall be designated by the Chairman of the committee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: “Shall the main question now be put?” When the call for the previous question has been decided in the affirmative by a majority vote of the House, the “main question” is on the passage of the bill, resolution or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments and debate, except the motion to adjourn or motion to table or motion to postpone indefinitely made prior to the determination of the previous question.

(d) If the previous question is decided in the negative, the main question remains under debate.

IV. VOTING

RULE 20. **Use of Electronic Voting System.**—(a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

1. All questions on which the Constitution of North Carolina requires that the ayes and noes be taken and recorded on the Journal.
2. All measures affecting a fee imposed by the State or any subdivision thereof.
3. All questions on which a call for the ayes and noes under Rule 24(a) has been sustained.

(b) Votes on the following questions shall be taken on the electronic voting system:

1. Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.

2. Upon a call for division.
(3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth (1/5) of the members present.

(c) When the electronic voting system is used, twenty seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically when that time has expired. Once the system is locked, the vote shall be recorded and printed.

(d) The voting station at each member’s desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member’s station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member’s station, or to vote at another member’s station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: “All in favor vote ‘aye’; all opposed vote ‘no’; the Clerk will open the vote.” In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: “The Clerk will now lock the machine and record the vote.” After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic system shall be filed in the office of the Principal Clerk, and one copy shall be filed in the Legislative Library where it shall be open to public inspection.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic system, he shall announce that fact to the House and any partial electronic system voting record shall be voided. In such a case, if the Constitution of North Carolina or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. All other votes shall be taken by voice vote. If, after a vote is taken on the electronic system, it is discovered that a malfunction caused an error in the electronic system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic system, the motions are coded as follows:

1. To adjourn
2. To lay on the table
3. To postpone indefinitely
4. Previous question
5. To postpone to a day certain
6. To commit
7. To amend an amendment
8. To amend
9. To substitute
10. To reconsider

11. To concur or not concur

12. Miscellaneous

RULE 21. Voice Votes; Stating Questions.—(a) When the electronic voting system is not used, the Speaker shall rise and put a question.

(b) The question shall be put in this form, namely, "Those in favor (as the question may be) will say 'Aye'," and after the affirmation voice has been expressed, "Those opposed will say 'No'."

RULE 22. Determining Questions.—(a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless he is in the chamber when the question is put. This subsection of this rule cannot be suspended.

However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated he proposes to offer another principal amendment, and he may then read and explain such proposed amendment.

H. R. 352, A HOUSE RESOLUTION URGING THE UNITED STATES GOVERNMENT TO SEEK A BILATERAL, VERIFIABLE FREEZE AND REDUCTION IN NUCLEAR WEAPONS.

Whereas, the General Assembly of North Carolina in adopting Resolution 37, Session Laws of 1949 (H. R. 1158) recognized that "war is now a threat to the very existence of our civilization, because modern science has produced weapons of war which are overwhelmingly destructive and against which there is no sure defense"; and

Whereas, the General Assembly of North Carolina in 1949 declared that "the effective maintenance of world peace is the proper concern and responsibility of every American citizen"; and

Whereas, the General Assembly of North Carolina in 1949 recognized that "the people of the State of North Carolina, while now enjoying domestic peace and security under the laws of their local, State and federal government, deeply desire the guarantee of world peace"; and

Whereas, in the 34 years since H. R. 1158 was adopted, the desire of our citizens for a guarantee of world peace is still unfulfilled, the pursuit of such a guarantee is still the proper concern and responsibility of every American citizen, and modern weapons of war have become more numerous and even more destructive; and

Whereas, both the Soviet Union and the United States possess a growing nuclear capability for swift and mutual destruction; and

Whereas, a continuation of this nuclear arms race threatens to annihilate civilization and possibly life on earth; and

Whereas, the issue of its continuation is therefore a matter of vital concern to all citizens; and

Whereas, the United States and the Soviet Union are engaged in a nuclear weapons race and are testing, producing and deploying nuclear warheads, missiles and delivery systems; and

Whereas, a strong national defense must be a supreme goal for national policy, but the further stockpiling and developing of nuclear weapons adds nothing to our defense and in fact makes us less secure;

Now, therefore, be it resolved by the House of Representatives:

Section 1. We memorialize the President and Congress of the United States, as an immediate strategic arms control objective, to:

(1) Pursue a complete and immediate multilateral halt to the nuclear arms race; and

(2) Work vigorously to negotiate a mutual and verifiable freeze by both the United States of America and the Union of Soviet Socialist Republics on the testing, production, and further deployment of nuclear warheads, missiles and other delivery systems.

missiles, sales, and other delivery systems, through annual percentages or equally effective means, in a manner that enhances stability.

H. R. 938, A HOUSE RESOLUTION AUTHORIZING THE SPEAKER OF THE HOUSE TO APPOINT A SELECT COMMITTEE TO STUDY THE OPERATIONS GOVERNING THE NORTH CAROLINA NATIONAL GUARD.

Whereas, the National Guard is subject to the call of the Governor and the Commander in Chief as an aid to civil authorities in times of disorders and also subject to the call of the President of the United States in case of a National Emergency, and therefore holds a dual status both as State troops and a reserve component of the armed forces of the United States; and

Whereas, often at great personal sacrifice the citizen soldier is available for duty in an hour of crisis, thus providing a feeling of security which the whole State enjoys by reason of the presence of the National Guard and its capacity to preserve peace and good order in periods of stress and danger and protect the rights of all the people in their person and property; and

Whereas, in addition to support provided in previous years the State provided financial support for the administration of the North Carolina National Guard, maintenance of the State's armories, and support for other facilities used to carry out the National Guard's operation at a cost of approximately 2.7 million dollars during the 1982–83 fiscal year; and

Whereas, to further promote the efficient operation of the National Guard it is incumbent upon the General Assembly to study the operations governing the North Carolina National Guard;

Now, therefore, be it resolved by the House of Representatives:

Section 1. There is established a Select Committee to Study the Operations Governing the North Carolina National Guard. The Speaker may appoint any members of the House he deems appropriate to serve on this Committee. The Select Committee shall study the operations governing the North Carolina National Guard. The Select Committee has the powers of a standing committee of the House of Representatives. The Rules of the House of Representatives govern the operation of the Select Committee.

Sec. 2. The Legislative Services Officer shall provide professional and other staff assistance for the Select Committee.

Sec. 3. This resolution is effective upon ratification.

H. R. 1171, A HOUSE RESOLUTION AMENDING THE PERMANENT RULES OF THE HOUSE OF REPRESENTATIVES TO PROVIDE THAT NO BILL SHALL BE SENT FROM THE HOUSE ON THE DAY OF ITS PASSAGE EXCEPT ON THE LAST DAY OF THE SESSION.

Be it resolved by the House of Representatives:

Section 1. The permanent rules of the House of Representatives, as contained in House Resolution 27, 1983 Session, are amended by adding the following new rule:
“Rule 44.1. Transmittal of bills to Senate. No bill shall be sent from the House on the day of its passage, except on the last day of the session.”

Sec. 2. This resolution is effective upon adoption.

H. R. 1276, A HOUSE RESOLUTION CALLING ON THE GENERAL SERVICES ADMINISTRATION TO SELL THE WINDMILL ON HOWARD'S KNOB TO WATAUGA COUNTY.

Whereas, the giant windmill on top of Howard's Knob in Watauga County is about to be dismantled; and

Whereas, the U. S. General Services Administration (GSA) has not made a final decision on the bid that was opened on May 5, 1983; and

Whereas, Watauga County considers the windmill as a landmark and tourist attraction; and

Whereas, Watauga County is willing to pay the U. S. government in excess of the bid price of fifty-one thousand six hundred dollars ($51,600) for the windmill;

Now, therefore, be it resolved by the House of Representatives:

Section 1. The General Assembly urges the U. S. General Services Administration or the Congress of the United States, as may be appropriate, to take immediate action to turn the ownership of the giant windmill on Howard's Knob over to Watauga County as soon as possible.

Sec. 2. The Secretary of State shall send a certified copy of this resolution to the Congressional delegation from North Carolina and to the General Services Administrator.

Sec. 3. This resolution is effective upon adoption.

H. J. R. 1184, A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF MARION D. THORPE.

Whereas, Dr. Marion Dennis Thorpe, who died on April 28, 1983, devoted his life to the enrichment of countless other lives, as an educator, as a reconciler of racial differences, and as an exemplary human being, it therefore is fit and proper that the General Assembly acknowledge the eminent contributions of this native son to the State of North Carolina; Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. Dr. Thorpe cared passionately about the education of young people of all races. He cherished knowledge and deplored ignorance. As a black man, he was especially sensitive to the role of education in transcending social and economic disadvantage. His will be an enduring example of the value of education, for generations to come.

Dr. Thorpe built bridges between black people and white people. He did so with a rare combination of grace, patience, sensitivity, and courage. The bridges he built will last, because they were constructed with great care.

Dr. Thorpe championed human rights. He imparted substance, through his own attitudes, beliefs, and conduct, to the proposition that each human life is precious. As a black man, he worked tirelessly to promote meaningful equality of opportunity for all people, without reference to race. His influence changed minds and hearts, and those changes will persist.
Sec. 2. As the chief executive officer of Elizabeth City State University, from 1968 until his death, Marion Thorpe infused that special institution with a new awareness of mission, with a justified sense of pride, and with an enhanced regard for quality. With forthrightness, intelligence, and perseverance, he successfully led Elizabeth City State through three major transitions. First, he superintended the real beginning and the successful fruition of efforts to achieve substantial and constructive racial integration of what formerly had been a segregated public institution established for black citizens; he did so in a manner that preserved the proud heritage of that school, while rendering it a highly relevant and vital force in the lives of all of the people of that region of our State. Second, he led his institution into the family of institutions which today comprise the multi-campus University of North Carolina; he did so in a spirit of genuine cooperation, and succeeded to an extraordinary degree in maximizing the benefits of that new administrative structure, while protecting the distinctive identity of the school. Third, he encouraged and shepherded the major expansion and diversification of the academic program of Elizabeth City State University, thereby converting it from a school of narrow and limited focus to one which now can offer its students a broad array of enriching academic opportunities.

Sec. 3. Marion Thorpe was, above all, a person who cared genuinely about the plight of his fellow citizens, and he devoted his talents and energies to their betterment within a professional context that can and will have lasting impact for generations to come. This good man was a true servant of humankind.

Sec. 4. The General Assembly expresses its appreciation for the life, the service, and the example of Dr. Marion Dennis Thorpe, and directs that a copy of this Resolution be spread upon the minutes of both the House of Representatives and the Senate, and that copies of this Resolution be duly certified by the Secretary of State and presented to his loving wife, Lula Glenn, and to each of his children, Pamela Monique and Marion Dennis.

Sec. 5. This resolution is effective upon ratification.

State of South Carolina
In the House of Representatives
Columbia, South Carolina
March 15, 1983

We hereby certify that the foregoing is a true and correct copy of a resolution passed in the House of Representatives and concurred in by the Senate.

Ramon Schwartz, Jr.
Speaker

Lois T. Shealy
Clerk of the House

Remarks by Representative Richard Wright:

"Mr. Speaker, Ladies and Gentlemen of the House:

"I regret that it is my duty to inform you officially that the North Carolina House team lost the basketball game last night, May 18, 1983 by a score of 53-39. Many have speculated as to the reason for the loss but I must tell you the truth. Our team had discovered that South Carolina planned to cancel the series if it lost four games in a row and our team, consisting of true gentlemen, decided to lose rather than to see this good time of fun and fellowship come to an end. The team is therefore looking forward to the game in 1984 when once again the trophy will be gained for North Carolina.

"I do want to thank the House Basketball Committee which worked so hard — Representative John Gillam, Representative Margaret Hayden, Representative Josephus Mavretic, Representative Charles Hughes, Representative Richard Wright and Mr. Jim Long, former legislator and counsellor to our Speaker. The committee made excellent arrangements which I shall try to summarize.

"Representative Gillam arranged for the Bertie County High School chorus to be present at Reynolds Coliseum to lead us in the singing of our national anthem. Representative Gillam also arranged for the Bertie County Jazz Band to be present and everyone was amazed at the constant stream of good pep music which emanated from that outstanding group. The Williamston High School choral group, also invited by Representative Gillam, performed well at half time."
"The award-winning Cary Senior High School Band took the crowd by storm with an outstanding half time performance. This Rose Bowl bound band had been invited by Representative Stamey of Wake County.

"Other special entertainment included a pre-game performance by the North Carolina State University majorettes. Miss Karen Pearce, the daughter of Lillie Pearce a long time secretary for the North Carolina House, was a featured member of that group. The Carolina cheerleaders and the Wolfpack mascot also performed throughout the game.

"The free-throw shoot-out between Representative Gus Economos and Representative S. B. Lacey was won by Representative Lacey who then was defeated by Representative Louise Brennan. It will be years before we forget the Carolina blue basketball outfit worn by Representative Lacey.

"All of the entertainment provided did not, however, overshadow the valiant effort of our House basketball team which included Representatives Helms, Rabon, Warren, Wicker, C. Woodard, Bobby Etheridge, Pool, Jeralds, Nesbitt, DeVane, Hackney, Hunter, Payne, Locks, Diamont and J. Crawford. The team had played in Harnett County, in Cumberland County and in Robeson County before coming into its fourth match with the South Carolina House. The team had won in Columbia in 1979 and in 1981 as well as in Raleigh in 1980.

"At the end of the first half, the score was tied 20-20 and it is possible that the absence of points by our House team in the second half is the result of an error in strategy by the House Basketball Committee. Our committee had planned 40 minutes of half time entertainment in an effort to make sure that our boys were very rested at the time the second half would commence. It seems, however, that the long rest was counter-productive and our good team never could come back to life. Ed McLean, of Coach Jim Valvano's staff, ably coached.

"After the game was over, our speaker, Liston Ramsey, nobly and courteously presented the trophy to South Carolina Speaker Ramon Schwartz and each Speaker then paid glowing tribute to the other. Speaker Ramsey promised that next year the outcome will be different.

"After the game the North Carolina House entertained the South Carolina House with a reception and music at the North Carolina Museum of Art. The music by the beach band, Breeze, was well received as was the wide variety of food and beverage. The dance floor which had been generously provided by the Hilton Inn was used throughout the night as the members and guests demonstrated their proficiency at the shag.

"There are so many people to thank for making the evening of May 18, 1983 such a fun-filled evening of good fellowship. Of course, we must thank the House basketball team for its hard work in practice and for being the reason for our fun-filled evening. Hopefully, they will give us more reason to celebrate next year! I also must tell you that you cannot imagine how hard the House Basketball Committee worked and I must say thank you to my secretary, Lillie Pearce, who spent hours collecting money and keeping the records. Jean Mims, the secretary to Jim Long, and Pickett Guthrie, secretary to Representative Diamont, also worked hard in either keeping up with money, contacting lobbyists, or in maintaining contact with the South Carolina team.

"I also want to thank Representative Babe Owens and Mike Cochrane of the Sergeant-at-Arms staff for their play-by-play account of the game from courtside. Also, we would be remiss if we did not thank Rudy Pate, Assistant to the Chancellor at North Carolina State University, for providing Reynolds Coliseum and for being so cooperative in making us feel at home there. We also appreciate the fact that Robbie Lester of the Sports Medicine
Divison of the Department of Public Instruction served as trainer for our team and we appreciate the service of those who officiated at the game.

“We also thank Peter Bowron and his staff for making available to us the lovely facilities at the North Carolina Museum of Art. We particularly thank the lobbyists, members of the House, friends and staff who contributed to the financial success of the evening.

“Mr. Speaker, I know that I have rambled too long but I felt that there should be a record of the fourth meeting between the North Carolina House and the South Carolina House on the basketball court. Wait until next year!”

STATEMENTS BY MEMBERS OF THE GENERAL ASSEMBLY IN SUPPORT OF THE CONFIRMATION OF RUTH COOK TO THE UTILITIES COMMISSION.

June 2, 1983

Statement by Representative Bertha Holt:

Mr. President
Mr. Speaker

“Ladies and Gentlemen of the House and Senate,

“I rise to commend to you the confirmation of Ruth Cook as a member of the Utilities Commission of North Carolina.

“Representative Cook is not only my good friend, but she is a respected colleague.

“ I know that Ruth Cook is knowledgeable, well informed, thorough, conscientious and articulate.

“But most of all, she is a reasonable person and will serve this State and its citizens well as a member of the Public Utilities Commission.”

Statement by Rep. Margaret Hayden:

“ I wish to speak on the motion before the House and the Senate.

“Ruth Cook has represented her District well. She has represented the people of North Carolina well during her 10 years in the Legislature. We are impressed with her dedication, knowledge, hard work and determination. She studies the issues well and is always prepared for the task at hand.

“Some might disagree with Rep. Cook on some legislation, but you can never disagree with her heart-felt compassion for the under privileged.

“She has demonstrated well her:

Concern for the needy!
Concern for the child!
Concern for the aged!
and, yes, her concern for humanity

“I can without reservation commend Ruth Cook to you.

“We need Ruth Cook on the Utilities Commission.”

Statement by Representative Sidney A. Locks:
"Mr. President, Ruth Cook's nomination by Governor James B. Hunt to the North Carolina Utilities Commission is a nomination which I am proud to second. The major reason for my endorsement is rooted and grounded in the integrity of Ruth Cook. She, if confirmed by these Houses, will do a most outstanding job for this industry as per her reputation. Ruth is hardworking, unrelenting in research and always on top of pertinent issues related to her work! Having been an outstanding member of our N.C. General Assembly serving will certainly be integritious as a member of the Utilities Commission. Some of you have remarked that you have found yourselves on opposite ends of certain political issues of Ruth Cook. If that be so, join us now in kicking her up to the N.C. Utilities Commission. Thank you Mr. President."

Statement by Rep. Margaret Tennille:

"Mr. President,
Mr. Speaker,
Ladies and Gentlemen of the General Assembly:

"I rise to make a few remarks about my good friend and colleague, Ruth Cook, on this very special day for her as she appears before this body for confirmation as Utilities Commissioner. I am pleased Governor Hunt has recognized her outstanding contributions and her capabilities by nominating her for this position.

"Since January 1975 when we first came to this House together, my admiration and respect for Ruth Cook has grown.

"I have admired her courage. She has made her decisions after careful study and serious consideration of the issues. They were not always easy decisions or popular ones.

"You know:
  — how hard she has worked to make N.C. a better place for all of us,
  — how fair she has been in her relationships with all of us,
  — how much integrity and dignity she has brought to her job as a legislator.

"Her ability and intelligence has brought her recognition in this body in many capacities as Chairman of the important Base Budget Appropriations Committee on Human Resources and in the Southern Legislative Conference of the Council of State Governments where she was appointed to chair the Consumer Protection Committee — the first woman ever to hold such an appointment — and a seat on the Executive Committee of that Association. That is only one of the "firsts" she has received.

"As she faces a new challenge, I can assure you that she will face it with the same firm, stable, measured consideration and good judgment that you have seen her display in the challenges she has faced in her private and public life.

"Her credibility is the same today as it was on the day she took her oath of office.

"She's a tough competitor. She's been tested and tried.

"I commend her to you for confirmation as a member of the N.C. Utilities Commission with much pride and pleasure."

Statement by Representative John Varner:

"Mr. Speaker, Mr. President, members of the House and Senate, I rise to urge you to vote for the confirmation of Ruth Cook's appointment to the Utilities Commission. I know she is a most able legislator, and am sure she will be an excellent commissioner."
"Most of you are familiar with Representative Cook's fine record of legislative leadership, so I will cite only a few examples of it. As chairman of the Human Resources Base Budget Committee, she helped fashion a balanced package of budget reductions that streamlined and preserved essential human services. Further, her leadership on the Housing Commission resulted both in the creation of legislative Housing Committees and in an important 16 bill package of housing legislation.

"Representative Cook has been an informed, effective sponsor on a variety of issues both as a legislator and as a concerned citizen. She served ably as Executive Director of the State Council for Social Legislation, as chairman of the Consumer Protection Committee of the Southern Legislative Conference, and as chairman of the North Carolina Council for the Hearing Impaired. In addition she has played important roles on the Savings and Loan Study Commission and the Legislative Research Commission's Committee on Credit and Interest Laws. With this background of successful activities in consumer affairs, human resources budgeting, and finance, she is an excellent candidate for the demanding job of Utilities Commissioner.

"I have had the pleasure of serving with Representative Cook for 4 terms. In that time I have seen her work as an effective advocate for the citizens of Wake County and all of North Carolina. As much as we need legislators of her calibre, we also need consumer advocates with an awareness of all the issues affecting public utilities. While I will miss Representative Cook as a legislative colleague, I think she will be able to serve the people of North Carolina even better as a member of the Utilities Commission. For that reason, I urge her confirmation. Thank you."

Statement by Rep. Paul Pulley:

Mr. President, Mr. Speaker

I am honored to support the motion to name Ruth Cook as a Utilities Commissioner.

I sincerely believe this nomination is a tribute to the Governor for making the nomination, a tribute to the Commission and a tribute to this Legislative Body.

It is a tribute to this Legislature because Representative Cook is one of our more able members. She has for nine years served "In The Pits" of this Legislative Body.

Shortly after I arrived here some poll came out naming the most liberal and conservative legislators. At that time I was frequently struggling on how to vote on bills. I often saw gray rather than black or white. I thought how easy it must be to be a knee jerk liberal or "conservative". I secretly envied those who did not see gray but saw only black and white. Some thought Representative Cook was that way.

But I got a better look. I sat across the aisle from her. You learn a lot about a seatmate or a person you sit so close to in this hall.

I found her reactions were not "knee jerk." They were studied and deliberate.

Yes, she has been liberal in her support for housing legislation and public members to commissions. But she has also been tough of spending waste and has supported banking and even consumer finance legislation when she believed it was fair.

If you have fought her on issues, and I have, you had a tough fight.

If you have been with her on issues, and I have been there too, you had a great ally.

Her willingness to work, study and her sheer tenacity have made her an outstanding legislator.
Those qualities will likewise make her an outstanding commissioner.

I solicit your support for the motion.

Prayer offered by Rabbi Abe Shoen — June 2, 1983

"Almighty God, we invoke Thy blessings upon all assembled here. Cause Thy countenance to shine upon all the members of this legislative body, many of whom have made significant sacrifices in order to render service to the inhabitants of this State. Endow them with the wisdom and understanding to conduct the affairs of our State prudently, justly, and equitably. Fill them with a spirit of compassion and dedication which will continually lead them to anticipate and be responsive to the needs of all the people of North Carolina.

"Vouchsafe the abundance of Thy blessings unto Ruth Cook, a dedicated public servant, who has served the legislature and people of this State, faithfully and proficiently, for many years. May it be Thy will, O Lord and God, that she may continue, and extend her excellent record of public service to her new assignment.

"Unite all of the inhabitants of our State, whatever their origin and creed into a bond of true brotherhood to banish hatred and bigotry, and to safeguard the ideals and institutions which are the glory of the great State of North Carolina. Bless all of the people of our State and country, and all good people everywhere with peace, prosperity, and happiness."

Remarks by Representative Ruth E. Cook:

June 30, 1983

"The time has come for me to say good-bye. I have thought a lot about what I wanted to say to you my friends and colleagues on this, my last statement on this floor. And the truth is there is so very much — given the nine years that I have served as well as my eight years preceding those as a public interest lobbyist. I must tell you that much as I look forward to my new challenge — and thank you for your support in voing for my confirmation — this is a very difficult moment for me.

"Because in the process of saying good-bye to you, I am saying good-bye to what has been a very large part of my life for many years.

"I have a profound commitment to our form of government. And to the value and worth of the legislative process.

"We, in this chamber, are the holders of the public trust and that is an awesome responsibility and at the same time a great opportunity.

"By enacting good laws, and defeating bad laws, we speak and act for the people of this great State. And I mean all the people — the young, the old, the disadvantaged, minorities of whatever kind — as well as important business and economic interests.

"As I look around at all of you who are part of this magnificent process, I see others who preceded some of you, and with whom it was my great good fortune to be associated in one role or another — Charlie Phillips, Miss Nancy (Nancy Chase), Herschel Harkins, Bob Farmer, Herbert Hyde, Kitch Jossey, Wade Smith, Mary Nesbitt and many many more.

"I learned from them and with them. Just as I have from all of you. And I look around with special fondness at my class — the class of '75 — Al Adams, Margaret Tennille, Parks Helms, Dave Diamont, John Varner, Jeff Enloe, Richard Wright and my mentor of many years, Representative George Miller."
"And so as my tenure draws to a close, I have much to be grateful for and much to remember. The responsibilities you have given me Mr. Speaker, the work we have done together, the tough times and the good times we have shared, the new friendships and the old are ones which I will always cherish.

"The Ship of State is in good hands under your stewardship. You will, I know, always remember the less fortunate of this State and see to it that our many bounties extend to them, too.

"In closing, Mr. Speaker, friends and colleagues all, I would like to end by reading a quote from Rabbi Stephen Wise, because it speaks to my belief.

'I am doubly an American, because I am foreign born. It may be that the native-born Americans take America for granted. Foreign-born Americans like myself do not take America for granted. We look upon American citizenship as the most precious and sacred of boons. We understand what it is that we have left behind us — of denial of the freedoms of man — and we know what it is that has come to be our high destiny, to be a sharer in American freedom, to be a bearer of American responsibility, to be a devotee of the American Democracy, to use American freedom not for one's own advantage but for the service of the American Democracy and for the preservation of its loftiest ideals and purposes.'"

ADDENDUM

It will be noted that a number of bills and resolutions passed second reading and then were read a third time on the same day.

Rule 41(b) states:

No bill shall be read more than once in the same day without the concurrence of two-thirds (2/3) of the members present and voting.

In order to comply with this Rule, no bill which has passed its second reading is read a third time except:

(1) When a member moves that the Rule be suspended, and this motion carries by at least a two-thirds vote of the members present.

(2) When the Chair determines that there is no objection from any member present. This constitutes unanimous consent of those members present that Rule 41(b) be suspended.

In these cases, the bill is read a third time.
