**QUORUM CALL**

Leaves of absence are granted Representatives Brinkley, Fitch, and Sizemore for today.

The Speaker declares a quorum present.

The Reading Clerk reads the following Proclamation by the Governor:

**PROCLAMATION BY THE GOVERNOR**

Information furnished to me by the Honorable James E. Long, Commissioner of Insurance of North Carolina, indicates that as a consequence of market withdrawals, massive price increases and, in certain instances, the availability of only "claims made" coverage, there are no longer available to municipalities and the individual and corporate
citizenry of North Carolina certain types of reasonably affordable, commercially available, casualty insurance furnished by private insurers licensed to do business in North Carolina. Further, the Commissioner of Insurance has advised me that circumstances have become such that this inability to procure these types of insurance in North Carolina is disruptive to the governmental, social and commercial life of the State and that legislation to remedy the situation is needed immediately. He has expressed the opinion to me that the State cannot wait for the General Assembly to meet in June to resolve the matter. Accordingly, he has asked that I use the powers granted to me by Article III, §5(7) of the Constitution of North Carolina to convene the General Assembly into an extra session to address the matter now.

In addition, editorial and citizen responses to the recent designation by the United States Department of Energy of the Rolesville Pluton and Elk River rock formations as potential sites for further study for suitability as a high level nuclear waste repository have made it clear to me that many people in North Carolina oppose such a repository being located in the State. The First Amendment to the Constitution of the United States grants to the people of each State the right to petition their government for a redress of their grievances. Submitting the question of whether they favor the location of a high level nuclear waste repository in the State to the voters of the State in a non-binding referendum is an effective way of allowing them to exercise their First Amendment rights on this issue in a timely way.

As required by Article III, §5(7) of the Constitution I have sought and received the advice of the Council of State concerning the circumstances facing the State and received from them their advice that immediate action by the General Assembly is required and that the General Assembly should be convened into extra session as provided in Article III, §5(7) of the Constitution. I have also discussed the matter with the Lt. Governor and the Speaker of the North Carolina House of Representatives and they are of the same view.

ACCORDINGLY, pursuant to the authority granted to me by Article III, §5(7) of the Constitution of North Carolina, I find that the circumstances stated above constitute an “extraordinary occasion” within the meaning of Article III, §5(7) of the Constitution of North Carolina and PROCLAIM that the General Assembly is hereby convened in extra session for the purpose of considering legislation (1) to authorize the Commissioner of Insurance or insurance companies to create risk sharing plans for unavailable kinds of property and casualty insurance and to designate areas and coverage under the FAIR plan and (2) to permit the Insurance Laws Study Commission, Liability and Property Insurance Markets Study Commission and Medical Malpractice and Medical Liability Study Commission, established under the authority of Chapter 792, 1985 Session Laws, to report to the 1986 Regular Session of the 1985 General Assembly; and (3) to place before the voters of the State by non-binding referendum at the May 6, 1986, primary election the question of whether they favor the location in North Carolina of a High Level Nuclear Waste Repository.

This extra session to consider these matters shall begin February 18, 1986 at 10:00 a.m., and shall continue as provided by law and the rules of each House until both Houses shall have adjourned sine die.

Done in Raleigh, North Carolina, this 7th day of February 1986.

S/ James G. Martin

On motion of Representative Lilley, the permanent Rules of the 1985 Regular Session
of the House of Representatives are adopted as permanent Rules of the 1986 Extra Session.

The Speaker announces that standing and select committees for the 1985 Regular Session remain in effect for the 1986 Extra Session. He also orders a Special Message sent to the Senate informing that Honorable Body that the House of Representatives is organized and ready to proceed with business.

THE RECEIVING OF PETITIONS, MEMORIALS AND PAPERS ADDRESSED TO THE GENERAL ASSEMBLY OR TO THE HOUSE

The following message from the Governor is presented:

MESSAGE TO THE GENERAL ASSEMBLY FROM THE GOVERNOR OF NORTH CAROLINA

I have requested your return to Raleigh today in order to consider two matters which the executive and legislative leadership agree require prompt legislative action.

First, many in our States are faced with a crisis in their personal and business affairs caused by a lack of readily available insurance coverage. The Commissioner of Insurance has proposed ways and means to deal with this immediate crisis.

I commend his proposals to your careful consideration; not as a cure-all, but as an appropriate first step in the resolution of problems facing the insurance industry and its customers which are local, national and international in scope, and which may ultimately require a rethinking of a number of familiar institutions and ways of doing business.

The entire insurance issue requires prompt attention, but is beyond the limited scope of this extra session. Today we can begin. Then in the June session, and continuing with succeeding sessions, we should address the larger, more complex issues and factors involved in a systematic but expeditious manner.

There is another matter for which action at this extra session would be timely. We are all aware of the impending Final Area Recommendation Report to be made by the United States Department of Energy in July 1986. This Report will represent a final decision by the United States Department of Energy as to whether the Rolesville Pluton and Elk River crystalline rock formations located in North Carolina will continue to be candidate sites for further study for a potential high-level nuclear waste repository.

The Department of Natural Resources and Community Development is preparing and will submit an appropriate response opposing the Department of Energy’s tentative selection of these sites based on population proximity, geologic, hydrologic and other factors. However, that technical response cannot adequately reflect the public opposition which I perceive in our State towards location of a high-level nuclear waste repository within our borders.

Consequently, it seems right and proper that this General Assembly consider providing to our citizens an avenue for exercise of their First Amendment right under the Federal Constitution to petition the government of the United States for a redress of this grievance through a referendum at the time of the May 6, 1986, primary election. This would be perfect timing, coming before the July decision is made by the United States Department of Energy. I understand that such legislation will be presented to you, and I commend this proposal to your careful consideration as well.

I regret that it has been necessary to interrupt your business and personal plans to
bring you here, but I appreciate your willingness to respond to this call. I wish you well in your deliberations.

S/ JAMES G. MARTIN

INDEX GUIDE

Following each bill title, the last action or present status of said bill is indicated. For example, a bill postponed indefinitely will be denoted “P.P.I.”, or a bill ratified will be followed by its chapter number in the Session Laws. If the bill remains in committee, the name of the committee is so noted. If the bill has passed the House and been sent to the Senate, this is indicated by the word “Senate”.

SECOND SESSION – 1986
APPENDIX

H. R. 1440, A HOUSE RESOLUTION DECLARING JUNE 12, 1986, AS HEALTH AND FITNESS DAY FOR NORTH CAROLINA LEGISLATORS.

Whereas, good health practices and fit lifestyles are necessary to assure good health; and

Whereas, North Carolina citizens need to be aware that good health practices should be developed early in youth and maintained throughout life; and

Whereas, North Carolina legislators recognize the value of good health practices and the need to educate North Carolina citizens about physical fitness;

Now, therefore, be it resolved by the House of Representatives:

Section 1. The House of Representatives declares June 12, 1986, as Health and Fitness Day for North Carolina Legislators and commends health professionals throughout North Carolina for the valuable services they render to this State's citizens.

Sec. 2. The House of Representatives recognizes the North Carolina Alliance for Health, Physical Education, Recreation, and Dance; the North Carolina Hospital Association; the North Carolina Medical Association; and the North Carolina Dietetic Association for their support of this day and expresses its thanks for their outstanding work in the many health fields.

Sec. 3. The Principal Clerk of the House of Representatives shall transmit a certified copy of this resolution to each of the organizations honored by this resolution.

Sec. 4. This resolution is effective upon adoption.

Whereas, on May 5, 1986, the Division of Emergency Management, Department of Crime Control and Public Safety, in coordination with the Division of Forest Resources, Department of Natural Resources and Community Development, activated the State Emergency Response Team to fight a forest fire in Onslow and Pender Counties which during the next 17 days consumed more than 75,000 acres; and

Whereas, State, local, federal, and private organizations committed thousands of man-hours to fighting this extensive fire, including personnel from about one hundred fire departments across the State, military and civilian personnel from the Marine Corps Air Station at New River, marines from Camp LeJeune, foresters from South Carolina and Georgia, and prison inmates who volunteered to assist on the scene; and

Whereas, volunteer firemen from Sampson, Cumberland, Wayne, Pender, New Hanover, Onslow, Craven, Duplin, Jones, Brunswick, Carteret Counties and from the fire departments of the City of Wilmington and the Marine Corps Air Station, worked tirelessly to fight and control the forest fire; and

Whereas, emergency medical service was provided by 26 rescue squads and their technicians and support personnel from many parts of the State; and

Whereas, these herculean efforts should be properly recognized, honored, and applauded by the General Assembly of North Carolina; Now, therefore,
Be it resolved by the House of Representatives:

Section 1. The North Carolina House of Representatives expresses its gratitude to each and every person and organization involved in the successful heroic fight to contain and extinguish the forest fire in Onslow and Pender Counties during May, 1986. This Body especially notes and applauds the efforts of the representatives of the volunteer and paid fire departments and rescue squads in their service to this State during the great conflagration in Onslow and Pender Counties during May, 1986.

Sec. 2. This resolution is effective upon adoption.

H. R. 1553, A HOUSE RESOLUTION TO ESTABLISH THE PROCEDURE FOR NOMINATING AND ELECTING MEMBERS TO FILL A VACANCY ON THE STATE BOARD OF COMMUNITY COLLEGES.

Whereas, the House of Representatives, pursuant to G. S. 115D-2.1(f), elected Mr. Carl D. Totherow to a six-year term on the State Board of Community Colleges in 1985; and

Whereas, the death of Mr. Totherow on November 8, 1985, has created a vacancy on the State Board of Community Colleges; and

Whereas, the House of Representatives is authorized and directed by G. S. 115D-2.1(e) to appoint an individual to fill this vacancy for the remainder of the unexpired term; and

Whereas, the nomination and election procedure provided by G. S. 115D-2.1(f) is applicable only to sessions of the General Assembly held during odd-numbered years;

Now, therefore, be it resolved by the House of Representatives:

Section 1. The Speaker of the House of Representatives shall assign to either a standing or a special committee of the House the duty of receiving from the members of the House of Representatives nominations of persons to be considered for election to the vacant position on the State Board of Community Colleges. The chairman of the committee shall determine a final date for receiving nominations and for reporting the nominations to the House of Representatives. The committee shall screen the proposed candidates for nomination as to their qualifications, background, lack of statutory disabilities, and willingness and ability to serve if elected. Each Representative may nominate only one candidate. When the nominating process is closed, the committee shall list all candidates and shall separately vote “aye” or “no” on each candidate to determine whether that person shall be listed as a nominee of the committee. The verbal vote of a majority of those members of the committee present and voting shall constitute one nominee of the committee. If a sufficient number of candidates are submitted to the committee, the committee shall nominate at least two persons for the vacant seat; otherwise the committee shall nominate at least one person for the vacant seat. On or before June 25, 1986, the chairman of the committee shall report to the House of Representatives its list of nominees with an indication that the term of office to be filled is the unexpired portion of the six-year term of the late Mr. Carl D. Totherow, said term to exoire June 30, 1991. The ballot shall also include the names of all other persons nominated by a member of the House of Representatives who are determined by the committee to be qualified for the office, with the committee’s list of nominees being clearly set out on the ballot. No additional nominations shall be received from the floor.
The House of Representatives shall then proceed to an election of the State Board. In order to be chosen, a nominee shall receive the votes of a majority of all members present and voting. When the House of Representatives has chosen one person for the vacant Board seat, the chairman of the committee shall make a motion for the election of that person by the House to the vacant seat for the remaining unexpired portion of the six-year term. The vote shall then be called electronically. If a majority of those voting shall vote "aye", the person named in the motion shall be declared to have been elected.

Sec. 2. The House of Representatives shall by special message notify the Senate of its election filling the vacant position on the State Board of Community Colleges.

Sec. 3. This resolution is effective upon adoption

H. R. 1639, A HOUSE RESOLUTION MEMORIALIZING CONGRESS TO LIMIT THE USE OF CONDEMNATION TO EXPAND CAMP LEJEUNE.

Whereas, Camp LeJeune Marine Base in Onslow County, North Carolina, is intending to expand; and

Whereas, according to the Onslow County Tax Administration the Department of Defense intends to acquire more than 51,000 acres containing 124 houses or commercial buildings owned by 280 individuals with a total value of fifteen million one hundred eighty-four thousand two hundred dollars ($15,184,200) which would deprive Onslow County of more than eighty-one thousand dollars ($81,000) in tax revenues each year; and

Whereas, it has been reported that the Department of Defense and the Marine Corps intend to use the federal condemnation power as the mechanism for acquiring the additional land for the Camp LeJeune Marine Base expansion; and

Whereas, the use of the federal condemnation power to take the land on which citizens of this State have resided and farmed for many years would be manifestly unfair;

Now, therefore, be it resolved by the House of Representatives:

Section 1. The North Carolina House of Representatives, and North Carolina Senator A. D. Guy D-Onslow, urge Congress to exercise its influence to avoid the use of the federal power of condemnation and urges the Department of Defense not to use the federal power of condemnation to take the land for the expansion of the Camp Lejeune Marine Baes.

Sec. 2. This resolution is effective upon adoption.

H. R. 2102, A HOUSE RESOLUTION HONORING THE LIFE AND MEMORY OF BRYON ALLEN HAWORTH.

Whereas, Bryon Allen Haworth was born June 27, 1907, in Danville, Indiana, and died on July 11, 1985; and

Whereas, he graduated from Burlington High School in 1924, received his undergraduate degree from Guilford College in Greensboro in 1928, and his law degree from Duke University Law School in 1934; and

Whereas, he practiced law in the City of High Point, always serving those who called on him, often even without regard to their ability to pay; and
Whereas, he served as a judge in the old High Point Municipal Court and after judicial reform, in District Court, a total of 22 years on the bench, and during that time became widely recognized as a jurist of calm, even disposition, devoted to finding ways to turn young offenders away from criminal paths; and

Whereas, he served in the General Assembly of North Carolina as a member of the House of Representatives, distinguishing himself in eight years of service as a lawmaker, and in a large delegation was often a dependable and calming influence; and

Whereas, his fellow High Pointers and citizens of Guilford County owe a large debt of gratitude to Byron Haworth for his willingness to give of himself so unselfishly in distinguished public service; Now, therefore,

Be it resolved by the House of Representatives:

Section 1. The General Assembly expresses its sincere appreciation for the life and service of Byron Allen Haworth.

Sec. 2. The General Assembly expresses its sincere sympathy to the family and many friends of Byron Allen Haworth for the loss of this fine public spirited man.

Sec. 3. The Secretary of State shall transmit a certified copy of this resolution to the family of Byron Allen Haworth.

Sec. 4. This resolution is effective upon adoption.

H. R. 2108, A HOUSE RESOLUTION URGING THE NORTH CAROLINA CONGRESSIONAL DELEGATION TO PURSUE TAX REFORM LEGISLATION WHICH PROMOTES CONTINUED ECONOMIC GROWTH AND EXPANSION, PRODUCTIVITY, INTERNATIONAL COMPETITIVENESS, AND SOUND FOREST MANAGEMENT IN THE FOREST PRODUCTS INDUSTRY.

Whereas, forest products is the State's second largest industry generating almost eight billion dollars ($8,000,000,000) annually in the economy and employing 125,000 North Carolinians; and

Whereas, there are more than 250,000 farmers and other individual owners of private timber representing seventy-six percent (76%) of the State's almost 20 million acres of commercial timberland; and

Whereas, the manufacturing sector of the forest products industry is made up of large and small companies making lumber, plywood, composite panels, and paper; and

Whereas, these manufacturers depend on the thousands of tree farmers for their raw materials; and

Whereas, tree farmers depend on a healthy and growing manufacturing sector for markets for their crops; and

Whereas, the forest products industry is so closely interdependent that tax law which damages any segment damages the whole; and

Whereas, capital gains treatment for timber has since 1944 proved to be a tremendous incentive for timber production and sound forest management; and
APPENDIX

Whereas, the capitalization of timber growing costs now treated as ordinary expenses is singularly discriminatory to private timber growers; and

Whereas, the U. S. House of Representatives and the U. S. Senate have each passed a version of HR 3838 eliminating capital gains for some timber growers, requiring capitalization of forest management costs, as well as making significant changes in the investment tax credit provisions for large and small businesses; and

Whereas, these proposed changes in the tax law will discourage continued sound timber management and manufacturing expansion; and

Whereas, with the two U. S. Houses moving to conference next month on this important and potentially devastating legislation for the forest products industry;

Now, therefore, be it resolved by the House of Representatives:

Section 1. The House of Representatives, by this resolution, urges all members of the State's Congressional delegation to contact members of Conference Committee on HR 3838, the leadership of both Houses, and their colleagues to the end that portions of HR 3838 which would be disincentives to timber production and future investment and expansion of this forest products industrial base be rejected.

Sec. 2. The House of Representatives urges the North Carolina Congressional delegation to reject those portions of HR 3838 or any other tax legislation adversely affecting the State's forest products industry, and seek instead passage of tax revisions that promote the economic growth, increased productivity, international competitiveness and sound forest management in the State's second largest industry.

Sec. 3. The House of Representatives urges Congress to restore equitable treatment of expensing for forest management costs; property taxes and interest; retention of capital gains (including timber) for both individuals and corporations; retention of competitive cost recovery system of depreciation which encourages continued investments in plants and equipment; and, retention of a fair and equitable minimum tax which does not discriminate against capital intensive industries such as paper and wood products.

Sec. 4. A copy of this resolution shall be forwarded to each member of the North Carolina Congressional delegation by the Principal Clerk.

Sec. 5. This resolution is effective upon adoption.

H. R. 2129, A HOUSE RESOLUTION HONORING THE ALL AMERICAN CHORUS OF THE 82ND AIRBORNE DIVISION OF THE UNITED STATES ARMY.

Whereas, the All American Chorus of the 82nd Airborne Division of the United States Army entertained the members of the House of Representatives and their guests at the House Love Feast held on Wednesday, June 25, 1986;

Whereas, the All American Chorus is a group of paratrooper-soldiers representing a variety of military disciplines.

Whereas, the members of the 82nd Airborne Division volunteer for the temporary duty with the All American Chorus to entertain their fellow troops and the public; and

Whereas, the All American Chorus so well represents the spirit of the Airborne.

Now, therefore, be it resolved by the House of Representatives:
APPENDIX

Sec. 1. The All American Chorus of the 82nd Airborne Division is commended for entertaining the House of Representatives as well as their fellow soldiers and the general public.

Sec. 2. The Secretary of State is hereby directed to prepare and deliver a certified copy of this Resolution to Major General John W. Foss, Commanding General of the 82nd Airborne Division of the United States Army.

Sec. 3. This resolution is effective upon adoption.

H. R. 2142, A HOUSE RESOLUTION HONORING THE CAREER OF REPRESENTATIVE ALLEN CROMWELL BARBEE.

Whereas, Allen Cromwell Barbee was born to John Lucian Barbee, a lumberman and farmer from Spring Hope, and Deborah Lena Vester of Spring Hope on December 18, 1918; and

Whereas, Allen Cromwell Barbee after being educated at Spring Hope High School and The University of North Carolina and after a military career in the United States Army Air Corps where he rose from Private to Captain and was decorated for his service to his country in Europe during World War II, returned to Spring Hope where he shortly thereafter started a career of distinguished public service; and

Whereas, Allen Cromwell Barbee is a civic leader and businessman, making his living in sales, newspaper publishing, farming, hotel operation, while serving his community as a director of the Spring Hope Development Company, as a trustee of North Carolina Wesleyan College in Rocky Mount, and the Peoples Bank and Trust Company of Rocky Mount; and

Whereas, Allen Cromwell Barbee is a family man, having married Mabel McClellan Dixon, of Robeson County on March 7, 1942, they raised a family including Rebecca Barnes Barbee and Allen Cromwell Barbee II; and

Whereas, Allen Cromwell Barbee is a religious leader as a member of the Methodist Church: Official Board from 1946, as chairman of the Official Board from 1947 to 1957, as a charge lay reader from 1957 to 1960, and as President of Methodist Men in 1959; and

Whereas, Allen Cromwell Barbee is also a dedicated public servant starting in his hometown of Spring Hope as a Town Commissioner in 1951 and then Mayor from 1952 to 1960 before beginning his long and dedicated service to the people of Nash County and the State in the House of Representatives in 1961 where his committee memberships have included library, election laws, appropriations, State government and his current assignments as member of the Agriculture, Commissions and Schools for the Blind and Deaf, Local Government I, Rules and Operation of the House, and State Government Committees; as Vice Chairman of the Finance and Small Business Committees; and as Chairman of the Transportation Committee; and where he served two distinguished terms as Speaker Pro Tempore of the House of Representatives; and

Whereas, upon his retirement from the House of Representatives he leaves many friends and colleagues who will miss his counsel and guidance; Now, therefore,

Be it resolved by the House of Representatives:
Section 1. The House of Representatives salutes and thanks Allen Cromwell Barbee for his long and distinguished career in the service of the people of North Carolina, hoping that in his retirement from the General Assembly, he will still be a presence in the legislative halls, sharing with the other members of this body his knowledge, counsel, and experience.

Sec. 2. The Secretary of State will transmit a certified copy of this resolution to Representative Allen Cromwell Barbee so that it may be a constant reminder to him of the respect and affection of the members of the North Carolina House of Representatives.

Sec. 3. This resolution is effective upon adoption.

Conference Committee Substitute for S. B. 873

A BILL TO BE ENTITLED

AN ACT TO REVISE THE RATING AND CLASSIFICATION PLANS AND THE RATEMAKING PROCEDURE FOR NONFLEET PRIVATE PASSENGER MOTOR VEHICLE INSURANCE; TO MAKE REVISIONS AND IMPROVEMENTS IN THE REGULATION OF COMMERCIAL PROPERTY AND
LIABILITY INSURANCE RATES; TO REQUIRE REPORTS FROM INSURERS AND TO AUTHORIZE THE INSURANCE COMMISSIONER TO MODIFY RATES IF STATUTORY CHANGES IN CIVIL LAW AFFECT INSURERS' EXPERIENCE; TO MAKE CHANGES IN CERTAIN INSURANCE MARKET PRACTICES FOR THE BENEFIT OF CONSUMERS; AND TO MAKE TECHNICAL CHANGES IN THE INSURANCE LAWS, AND TO MAKE CHANGES IN RULES 8(a) (2) AND 11(a) OF THE RULES OF CIVIL PROCEDURE.

The General Assembly of North Carolina enacts:

Section 1. Article 12B of General Statutes Chapter 58 is amended by adding a new section to read:

"§ 58-124.31. Classifications and Safe Driver Incentive Plan for nonfleet private passenger motor vehicle insurance.—(a) The Bureau shall file, subject to review, modification, and promulgation by the Commissioner, such rate classifications, schedules, or rules that the Commissioner deems to be desirable and equitable to classify drivers of nonfleet private passenger motor vehicles for insurance purposes. Subsequently, the Commissioner may require the Bureau to file modifications of the classifications, schedules, or rules. If the Bureau does not file the modifications within a reasonable time, the Commissioner may promulgate the modifications. In promulgating or modifying these classifications, schedules, or rules, the Commissioner may give consideration to the following:

   (1) Uses of vehicles, including without limitation to farm use, pleasure use, driving to and from work, and business use;
   (2) Principal and occasional operation of vehicles;
   (3) Years of driving experience of insureds as licensed drivers;
   (4) The characteristics of vehicles; or
   (5) Any other factors, not in conflict with any law, deemed by the Commissioner to be appropriate.

(b) The Bureau shall file, subject to review, modification, and promulgation by the Commissioner, a Safe Driver Incentive Plan ('Plan') that adequately and factually distinguishes among various classes of drivers that have safe driving records and various classes of drivers that have a record of chargeable accidents; a record of convictions of major moving traffic violations; a record of convictions of minor moving traffic violations; or a combination thereof; and that provides for premium differentials among those classes of drivers. Subsequently, the Commissioner may require the Bureau to file modifications of the Plan. If the Bureau does not file the modifications within a reasonable time, the Commissioner may promulgate the modifications. The Commissioner is authorized to structure the Plan to provide for surcharges above and discounts below the rate otherwise charged.

(c) The classifications and Plan filed by the Bureau shall be subject to the filing, hearing, modification, approval, disapproval, review, and appeal procedures provided by law. The classifications or Plan filed by the Bureau and promulgated by the Commissioner shall of itself not be designed to bring about any increase or decrease in the overall rate level.

(d) Whenever any policy loses any safe driver discount provided by the Plan or is surcharged due to an accumulation of points under the Plan, the insurer shall, pursuant to
rules adopted by the Commissioner, prior to or simultaneously with the billing for additional premium, inform the named insured of the surcharge or loss of discount by mailing to such insured a notice that states the basis for the surcharge or loss of discount, and that advises that upon receipt of a written request from the named insured it will promptly mail to the named insured a statement of the amount of increased premium attributable to the surcharge or loss of discount. The statement of the basis of the surcharge or loss of discount is privileged, and does not constitute grounds for any cause of action for defamation or invasion of privacy against the insurer or its representatives, or against any person who furnishes to the insurer the information upon which the insurer's reasons are based, unless the statement or furnishing of information is made with malice or in bad faith.

(e) Records of convictions for moving traffic violations to be considered under the safe driver plans under G. S. 58-30.4 and this section shall be obtained at least annually from the Division of Motor Vehicles and applied by the Bureau's member companies in accordance with rules to be established by the Bureau.

(f) The Bureau is authorized to establish reasonable rules providing for the exchange of information among its member companies as to chargeable accidents and similar information involving persons to be insured under policies. Neither the Bureau, any employee of the Bureau, nor any company or individual serving on any committee of the Bureau has any liability for defamation or invasion of privacy to any person arising out of the adoption, implementation, or enforcement of any such rule. No insurer or individual requesting, furnishing, or otherwise using any information that such insurer or person reasonably believes to be for purposes authorized by this section has any liability for defamation or invasion of privacy to any person on account of any such requesting, furnishing, or use. The immunity provided by this subsection does not apply to any acts made with malice or in bad faith.

(g) If an applicant for the issuance or renewal of a nonfleet private passenger motor vehicle insurance policy knowingly makes a material misrepresentation of the years of driving experience or the driving record of any named insured or of any other operator who resides in the same household and who customarily operates a motor vehicle to be insured under the policy, the insurer may:

(1) Cancel or refuse to renew the policy;
(2) Surcharge the policy in accordance with rules to be adopted by the Bureau and approved by the Commissioner; or
(3) Recover from the applicant the appropriate amount of premium or surcharge that would have been collected by the insurer had the applicant furnished the correct information.”

Sec. 2. G. S. 58-124.20(d) is rewritten to read:

“(d) With respect to the filing of rates for nonfleet private passenger motor vehicle insurance, the Bureau shall, on or before July 1 of each year, or later with the approval of the Commissioner, file with the Commissioner the experience, data, statistics, and information referred to in subsection (c) of this section and any proposed adjustments in the rates for all member companies of the Bureau. The filing shall include, where deemed by the Commissioner to be necessary for proper review, the data specified in subsections (c), (e), (g) and (h) of this section. Any filing that does not contain the data required by this subsection may be returned to the Bureau and not be deemed a proper filing. Provided, however, that if the Commissioner concludes that a filing does not constitute a proper
Sec. 3. G. S. 58-124.20 is amended by adding three new subsections to read:

“(g) The following information must be included in policy form, rule, and rate filings under this Article and under Article 25A of this Chapter:

1. A detailed list of the rates, rules, and policy forms filed, accompanied by a list of those superseded; and

2. A detailed description, properly referenced, of all changes in policy forms, rules and rates, including the effect of each change.

(h) Except for filings made under G. S. 58-124.23, all policy form, rule, and rate filings under this Article and Article 25A of this Chapter that are based on statistical data must be accompanied by the following properly identified information:

1. North Carolina earned premiums at the actual and current rate level; losses and loss adjustment expenses, each on paid and incurred bases without trending or other modification for the experience period, including the loss ratio anticipated at the time the rates were promulgated for the experience period;

2. Credibility factor development and application;

3. Loss development factor derivation and application on both paid and incurred bases and in both numbers and dollars of claims;

4. Trending factor development and application;

5. Changes in premium base resulting from rating exposure trends;

6. Limiting factor development and application;

7. Overhead expense development and application of commission and brokerage, other acquisition expenses, general expenses, taxes, licenses, and fees;

8. Percent rate change;

9. Final proposed rates;

10. Investment earnings, consisting of investment income and realized plus unrealized capital gains, from loss, loss expense, and unearned premium reserves;

11. Identification of applicable statistical plans and programs and a certification of compliance with them;

12. Investment earnings on capital and surplus;

13. Level of capital and surplus needed to support premium writings without endangering the solvency of member companies; and
(14) Such other information that may be required by any rule adopted by the Commissioner.

Provided, however, that no filing may be returned or disapproved on the grounds that such information has not been furnished if insurers have not been required to collect such information pursuant to statistical plans or programs or to report such information to the Bureau or to statistical agents, except where the Commissioner has given reasonable prior notice to the insurers to begin collecting and reporting such information, or except when the information is readily available to the insurers.

(i) The Bureau shall file with and at the time of any rate filing all testimony, exhibits, and other information on which the Bureau will rely at the hearing on the rate filing. The Department shall file all testimony, exhibits, and other information on which the Department will rely at the hearing on the rate filing 20 days in advance of the convening date of the hearing. Upon the issuance of a notice of hearing the Commissioner shall hold a meeting of the parties to provide for the scheduling of any additional testimony, including written testimony, exhibits or other information, in response to the notice of hearing and any potential rebuttal testimony, exhibits, or other information. This subsection also applies to rate filings made by the North Carolina Motor Vehicle Reinsurance Facility under Article 25A of this Chapter."

Sec. 3.1. G. S. 58-124.22(b) is amended by rewriting the 8th and 9th lines to read:

"collected during such interim period. Upon a final determination by the Court, the Commissioner shall order the escrowed funds to be distributed appropriately, except that"

Sec. 4. G. S. 58-124.22(b) is amended by rewriting the last sentence to read:

"If refunds made to policyholders are ordered under this subsection, the amounts refunded shall bear interest at the rate determined under this subsection. That rate shall be the average of the prime rates of the four largest banking institutions domiciled in this State, plus three percent (3%), as of the effective date of the filing, to be computed by the Commissioner."

Sec. 5. Article 12B of General Statutes Chapter 58 is amended by adding a new section to read:

"§ 58-124.32. Rate filings and hearings for motor vehicle insurance.—(a) With respect to nonfleet private passenger motor vehicle insurance, except as provided in G. S. 58-124.22, a filing made by the Bureau under G. S. 58-124.20(d) is not effective until approved by the Commissioner or unless 60 days have elapsed since the making of a proper filing under that subsection and the Commissioner has not called for a hearing on the filing. If the Commissioner calls for a hearing, he must give written notice to the Bureau, specify in the notice in what respect the filing fails to comply with this Article, and fix a date for the hearing that is not less than 30 days from the date the notice is mailed.

(b) At least 15 days before the date set for the convening of the hearing the respective staffs and consultants of the Bureau and Commissioner shall meet at a prehearing conference to review the filing and discuss any points of disagreement that are likely to be in issue at the hearing. At the prehearing conference, the parties shall list the names of potential witnesses and, where possible, stipulate to their qualifications as expert witnesses, stipulate to the sequence of appearances of witnesses, and stipulate to the relevance of proposed exhibits to be offered by the parties. Minutes of the prehearing conference shall be made and reduced to writing and become part of the hearing record."
Any agreements reached as to preliminary matters shall be set forth in writing and consented to by the Bureau and the Commissioner. The purpose of this subsection is to avoid unnecessary delay in the rate hearings.

(c) Once begun, hearings must proceed without undue delay. At the hearing the burden of proving that the proposed rates are not excessive, inadequate, or unfairly discriminatory is on the Bureau. The Commissioner may disregard at the hearing any exhibits, judgments, or conclusions offered as evidence by the Bureau that were developed by or available to or could reasonably have been obtained or developed by the Bureau at or before the time the Bureau made its proper filing and which exhibits, judgments, or conclusions were not included and supported in the filing; unless the evidence is offered in response to inquiries made at the hearing by the Department, the notice of hearing, or as rebuttal to the Department's evidence. If relevant data becomes available after the filing has been properly made, the Commissioner may consider such data as evidence in the hearing. The order of presenting evidence shall be (1) by the Bureau; (2) by the Department; (3) any rebuttal evidence by the Bureau regarding the Department's evidence; and (4) any rebuttal evidence by the Department regarding the Bureau's rebuttal evidence. Neither the Bureau nor the Department shall present repetitious testimony or evidence relating to the same issues. The Bureau shall reimburse the Department for all reasonable costs incurred by the Department in retaining outside actuarial, economic, and legal consultants or counsel, and court reporting services, for the review of rate filings, in conducting hearings, and up to the time the Commissioner issues an order approving or disapproving the filing.

(d) If the Commissioner finds that a filing complies with the provisions of this Article, either after the hearing or at any other time after the filing has been properly made, he may issue an order approving the filing. If the Commissioner after the hearing finds that the filing does not comply with the provisions of this Article, he may issue an order disapproving the filing, determining in what respect the filing is improper, and specifying the appropriate rate level or levels that may be used by the members of the Bureau instead of the rate level or levels proposed by the Bureau filing, unless there has not been data admitted into evidence in the hearing that is sufficiently credible for arriving at the appropriate rate level or levels. Any order issued after a hearing shall be issued within 45 days after the completion of the hearing. If no order is issued within 45 days after the completion of the hearing, the filing shall be deemed to be approved.

(e) No person shall wilfully withhold information required by this Article from, or knowingly furnish false or misleading information to, the Commissioner, any statistical agency designated by the Commissioner, any rating or advisory organization, the Bureau, the North Carolina Motor Vehicle Reinsurance Facility, or any insurer, which information affects the rates, rating plans, classifications, or policy forms subject to this Article or Article 25A of this Chapter."

Sec. 5.1. G. S. 58-124.17 is amended by adding two new subsections to read:

"(6) The Bureau shall maintain and furnish to the Commissioner on an annual basis the statistics on earnings derived by member companies from the investment of unearned premium, loss, and loss expense reserves on nonfleet private passenger motor vehicle insurance policies written in this State. Whenever the Bureau proposes rates under this Article, it shall prepare a separate exhibit for the experience years in question showing the combined earnings realized from the investment of such reserves on policies written in this State. The amount of earnings may in an equitable manner be included in the ratemaking formula to arrive at a fair and equitable rate. The Commissioner may require
further information as to such earnings and may require calculations of the Bureau bearing on such earnings.

(7) Member companies shall furnish, upon request of any person carrying nonfleet private passenger motor vehicle insurance in the State upon whose risk a rate has been promulgated, information as to rating, including the method of calculation."

Sec. 6. G. S. 58-124.18(b) is amended by adding the following:

"The governing committee of the Bureau shall also have as nonvoting members two persons who are not employed by or affiliated with any insurance company or the Department of Insurance and who are appointed by the Governor to serve at his pleasure."

Sec. 7. G. S. 58-248.33(d) is amended by adding the following:

"The Board of Governors of the Facility shall also have as nonvoting members two persons who are not employed by or affiliated with any insurance company or the Department of Insurance and who are appointed by the Governor to serve at his pleasure."

Sec. 8. G. S. 58-25.1 is amended by inserting between the words, "insurer" and "or its officers" the following: "a rating organization, advisory organization, joint underwriting or joint reinsurance organization, or the North Carolina Rate Bureau or Motor Vehicle Reinsurance Facility."

Sec. 9. Notwithstanding the provisions of Sections 2 through 5 of this act, the Bureau may make its 1986 rate filing for nonfleet private passenger motor vehicle insurance after July 1, 1986.

Sec. 9.1. G. S. 58-131.37(a) is amended by deleting "Rates" and substituting therefor, "In order to serve the public interest, rates".

Sec. 10. G. S. 58-131.37(b) and (c) are repealed.

Sec. 11. G. S. 58-131.37(d) is rewritten to read:

"(d) No rate is inadequate unless the rate is unreasonably low for the insurance provided and the use or continued use of the rate by the insurer has had or will have the effect of:

(1) endangering the solvency of the insurer; or
(2) destroying competition; or
(3) creating a monopoly; or
(4) violating actuarial principles, practices, or soundness."

Sec. 12. G. S. 58-131.42 is amended by rewriting subsection (a) to read:

"(a) If, after a hearing, the Commissioner disapproves a rate, he must issue an order specifying in what respects the rate fails to meet the requirements of G. S. 58-131.37. If the Commissioner finds a rate to be excessive, he shall order the excess premium, plus interest at a rate determined in the same manner as in G. S. 58-124.22(b) as of the dates such rates were effective for policyholders, to be refunded to those policyholders who have paid the excess premium. If the Commissioner finds a rate to be unfairly discriminatory, he shall order an appropriate adjustment for policyholders who have paid the
unfairly discriminatory premium. The order must be issued within 30 business days after the close of the hearing."

Sec. 12.1. G. S. 58-131.42 is amended by adding a new subsection (c) to read:

"(c) No person shall willfully withhold information required by this Article from, or knowingly furnish false or misleading information to, the Commissioner, any statistical agency designated by the Commissioner, any rating or advisory organization, or any insurer, which information will affect the rates, rating plans, classifications, or policy forms subject to this Article."

Sec. 13. Article 13C of General Statutes Chapter 58 is amended by adding a new section to read:

"§ 58-131.61. Financial disclosure; rate modifications; reporting requirements.—(a) The Commissioner may require each insurer subject to this Article to report, on a form prescribed by the Commissioner, its loss and expense experience, investment income, administrative expenses, and other data that he may require, for kinds of insurance or classes of risks that he designates. These reports are in addition to financial or other statements required by this Chapter.

(b) The Commissioner may designate one or more rating organizations or advisory organizations to gather and compile the experience and data referred to in subsection (a) of this section for their member companies.

(c) Whereas the provisions enacted by the General Assembly in 1986 regarding modifications in North Carolina civil law may have a prospective effect upon the loss experience of insurers subject to this Article, the Commissioner is authorized to review each company's rates by type of insurance that are in effect on and after January 1, 1987, and, when and where appropriate, require modification of such rates.

(d) Each insurer subject to this Article shall record the experience and data referred to in subsection (a) of this section arising from causes of action arising against its insureds on and after January 1, 1987. Such experience and data shall be reported to the Commissioner by March 31, 1988, which report shall be on a form prescribed by the Commissioner reflecting such experience and data for the one-year period beginning on January 1, 1987. Subsequently, such experience and data shall be reported to the Commissioner by March 31 of each year for each one-year period ending on December 31 of the previous year.

(e) On or before July 1, 1988, and annually thereafter, the Commissioner shall report to the General Assembly the effects, if any, of changes in North Carolina civil law statutes on the experience of insurers subject to this section."

Sec. 14. Chapter 58 of the General Statutes is amended by adding a new Article to read:

"Article 38.
"Insurance Regulatory Reform Act.

"§ 58-470. Short title.—This Article is known and may be cited as the Insurance Regulatory Reform Act.

"§ 58-471. Legislative findings and intent.—(a) Due to conditions in national and international property and liability insurance markets, insureds in the United States have experienced unprecedented in-term cancellations of existing policies for entire books of business, have been afforded little or no notice that existing policies would not be renewed
at their expiration dates, or would be renewed only at substantially higher rates or on less favorable terms. The General Assembly finds that such conditions pose an imminent peril to the public welfare for the following reasons:

(1) In-term cancellations of insurance coverages erode insureds' confidence and breach insureds' trust; unfairly and prematurely terminate the promised coverage; force persons to go without needed insurance protection or force the procurement of substitute insurance at greater cost; and create marketplace confusion resulting in product unavailability.

(2) Failures to provide timely notices of nonrenewals or of renewals with altered terms deprive persons of adequate opportunities to secure affordable replacement coverages or require persons to go without needed insurance protection.

(b) The General Assembly finds that there is no uniform requirement for the notice of cancellation, renewal, or nonrenewal for commercial property and liability insurance and that it should adopt reasonable requirements for such notices and should regulate in-term cancellations of entire books of business by companies.

"§ 58-472. Scope.—(a) Except as otherwise provided, this Article applies to all kinds of insurance authorized by G. S. 58-72(4) through (14) and G. S. 58-72(18) through (22), and to all insurance companies licensed by the Commissioner to write those kinds of insurance. This Article does not apply to insurance written under Articles 12B, 18A, 18B, 25A, or 36 of this Chapter; to marine and personal inland marine insurance; to aviation insurance; nor to policies issued in this State covering risks with multistate locations, except with respect to coverages applicable to locations within this State.

(b) This Article is not exclusive, and the Commissioner may also consider other provisions of this Chapter to be applicable to the circumstances or situations addressed in this Article. Policies may provide terms more favorable to insureds than are required by this Article. The rights provided by this Article are in addition to and do not prejudice any other rights the insured may have at common law, under statutes, or under administrative rules.

"§ 58-473. Certain policy cancellations prohibited.—(a) No insurance policy or renewal thereof may be cancelled by the insurer prior to the expiration of the term or anniversary date stated in the policy and without the prior written consent of the insured, except for any one of the following reasons:

(1) Nonpayment of premium in accordance with the policy terms;

(2) An act or omission by the insured or his representative that constitutes material misrepresentation or nondisclosure of a material fact in obtaining the policy, continuing the policy, or presenting a claim under the policy;

(3) Increased hazard or material change in the risk assumed that could not have been reasonably contemplated by the parties at the time of assumption of the risk;

(4) Substantial breach of contractual duties, conditions, or warranties that materially affects the insurability of the risk;

(5) A fraudulent act against the company by the insured or his representative that materially affects the insurability of the risk;
(6) Willful failure by the insured or his representative to institute reasonable loss control measures that materially affect the insurability of the risk after written notice by the insurer;

(7) Loss of facultative reinsurance, or loss of or substantial changes in applicable reinsurance as provided in G. S. 58-476;

(8) Conviction of the insured of a crime arising out of acts that materially affect the insurability of the risk; or

(9) A determination by the Commissioner that the continuation of the policy would place the insurer in violation of the laws of this State;

(10) The named insured fails to meet the requirements contained in the corporate charter, articles of incorporation, or bylaws of the insurer, when the insurer is a company organized for the sole purpose of providing members of an organization with insurance coverage in this State.

(b) Any cancellation permitted by subsection (a) of this section is not effective unless written notice of cancellation has been delivered or mailed to the insured, not less than 15 days before the proposed effective date of cancellation. The notice must be given or mailed to the insured, and any designated mortgagee or loss payee at their addresses shown in the policy or, if not indicated in the policy, at their last known addresses. The notice must state the precise reason for cancellation. Proof of mailing is sufficient proof of notice. Failure to send this notice to any designated mortgagee or loss payee invalidates the cancellation only as to the mortgagee's or loss payee's interest.

(c) This section does not apply to any insurance policy that has been in effect for less than 60 days and is not a renewal of a policy. That policy may be cancelled for any reason by furnishing to the insured at least 15 days prior written notice of and reasons for cancellation.

(d) Cancellation for nonpayment of premium is not effective if the amount due is paid before the effective date set forth in the notice of cancellation.

(e) Copies of the notice required by this section shall also be sent to the agent or broker of record; however, failure to send copies of the notice to such persons shall not invalidate the cancellation.

"§ 58-474. Notice of nonrenewal, premium increase, or change in coverage required.—(a) No insurer may refuse to renew an insurance policy except in accordance with the provisions of this section, and any nonrenewal attempted or made that is not in compliance with this section is not effective. This section does not apply if the policyholder has insured elsewhere, has accepted replacement coverage, or has requested or agreed to nonrenewal.

(b) An insurer may refuse to renew a policy that has been written for a term of one year or less at the policy's expiration date by giving or mailing written notice of nonrenewal to the insured not less than 45 days prior to the expiration date of the policy.

(c) An insurer may refuse to renew a policy that has been written for a term of more than one year or for an indefinite term at the policy anniversary date by giving or mailing written notice of nonrenewal to the insured not less than 45 days prior to the anniversary date of the policy.

(d) The notice required by this section must be given or mailed to the insured and any
designated mortgagee or loss payee at their addresses shown in the policy or, if not indicated in the policy, at their last known addresses. Proof of mailing is sufficient proof of notice. The notice of nonrenewal must state the precise reason for nonrenewal. Failure to send this notice to any designated mortgagee or loss payee invalidates the nonrenewal only as to the mortgagee's or loss payee's interest.

(e) Copies of the notice required by this section shall also be sent the agent or broker of record; however, failure to send copies of the notice to such persons shall not invalidate the nonrenewal.

§ 58-475. Notice of renewal of policies with premium or coverage changes.—(a) If an insurer intends to renew a policy, the insurer must furnish to the insured the renewal terms and a statement of the amount of premium due for the renewal policy period.

(b) If the policy being renewed was written for a term of one year or less, the renewal terms and statement of premium due must be given or mailed not less than 45 days before the expiration date of that policy. If the policy being renewed was written for a term of more than one year or for an indefinite term, the renewal terms and statement of premium due must be given or mailed not less than 45 days before the anniversary date of that policy. The renewal terms and statement of premium due must be given or mailed to the insured and any designated mortgagee or loss payee at their addresses shown in the policy, or, if not indicated in the policy, at their last known addresses.

(c) If the insurer fails to furnish the renewal terms and statement of premium due in the manner required by this section, the insured may cancel the renewal policy within the 30-day period following receipt of the renewal terms and statement of premium due. For refund purposes, earned premium for any period of coverage shall be calculated pro rata upon the premium applicable to the policy being renewed instead of the renewal policy.

(d) If a policy has been issued for a term longer than one year, and for additional consideration a premium has been guaranteed for the entire term, it is unlawful for the insurer to increase that premium or require policy deductibles or other policy or coverage provisions less favorable to the insured during the term of the policy.

(e) Copies of the notice required by this section shall also be given or mailed to any designated mortgagee or loss payee and may also be given or mailed to the agent or broker of record.

§ 58-476. Loss of reinsurance.—An insurer may cancel or refuse to renew a kind of insurance when the cancellation or nonrenewal is necessary because of a loss of or substantial reduction in applicable reinsurance, by filing a plan with the Commissioner pursuant to the requirements of this section. The insurer's plan must be filed with the Commissioner at least 15 business days prior to the issuance of any notice of cancellation or nonrenewal. The insurer may implement its plan upon the approval of the Commissioner, which shall be granted or denied in writing, with the reasons for his actions, within 15 business days of the Commissioner's receipt of the plan. Any plan submitted for approval shall contain a certification by an elected officer of the company:

(1) That the loss or substantial change in applicable reinsurance necessitates the cancellation or nonrenewal action;

(2) That the insurer has made a good faith effort to obtain replacement reinsurance but was unable to do so because of the unavailability or unaffordability of replacement reinsurance;
(3) Identifying the category of risks, the total number of risks written by the company in that category, and the number of risks intended to be cancelled or not renewed;

(4) Identifying the total amount of the insurer's net retention for the risks intended to be cancelled or not renewed;

(5) Identifying the total amount of risk ceded to each reinsurer and the portion of that total that is no longer available;

(6) Explaining how the loss of or reduction in reinsurance affects the insurer's risks throughout the kind of insurance proposed for cancellation or non-renewal;

(7) Explaining why cancellation or nonrenewal is necessary to cure the loss of or reduction in reinsurance; and

(8) Explaining how the cancellations or nonrenewals, if approved, will be implemented and the steps that will be taken to ensure that the cancellation or nonrenewal decisions will not be applied in an arbitrary, capricious, or unfairly discriminatory manner.

"§ 58-477. Notice of cessation of business through insurance agency.—(a) Each insurer must, upon the cessation of any of its business through a North Carolina insurance agency, furnish the Commissioner with the following information on a form to be prescribed by the Commissioner:

(1) The kinds of policies no longer written through the agency. In describing the kinds of these policies, those appearing on page 14 of the annual statement convention blank will suffice, except that liability coverages should be more specifically described;

(2) The number of policies, by kind, no longer written through the agency;

(3) A statement as to whether or not the cessation of business is by nonrenewal of business at policy expiration dates, or is a decision not to accept new business from the agency, or a combination of these;

(4) If the cessation is by the insurer, the specific reason or reasons for the cessation; and

(5) The names and addresses of the insurer and the agency and the effective date of the cessation of the business.

(b) This section applies to the cessation of the writing of any kind of insurance subject to this Article through an agency located in North Carolina. Reports are required even though other kinds of insurance may still be written through the agency.

"§ 58-478. No liability for statements or communications made in good faith; prior notice to agents or brokers.—(a) There is no liability on the part of and no cause of action for defamation or invasion of privacy arises against any insurer or its authorized representatives, agents, or employees, or any licensed insurance agent or broker, for any communication or statement made, unless shown to have been made in bad faith with malice, in any of the following:

(1) A written notice of cancellation under G. S. 58-473, of nonrenewal under G. S. 58-474, or of cessation of business through an agency under G. S. 58-477, specifying the reasons therefor;
(2) Communications providing information pertaining to such cancellation, nonrenewal, or cessation of business through an agency;

(3) Evidence submitted at any court proceeding, administrative hearing, or informal inquiry in which such cancellation, nonrenewal, or cessation of business through an agency is an issue.

(b) With respect to the notices that must be given or mailed to agents or brokers under G. S. 58-473 and G. S. 58-474, the insurer may give or mail that notice at the same time or prior to giving or mailing the notice to the insured.

"§ 58-479. Termination of writing kind of insurance.—(a) Except as provided in G. S. 58-476, no insurer may terminate, by nonrenewals, an entire book of business of any kind of insurance without 60 days prior written notice to the Commissioner; unless the Commissioner determines that continuation of the line of business would impair the solvency of the insurer or unless the Commissioner determines that such termination is effected under a plan that minimizes disruption in the marketplace or that makes provisions for alternative coverage at comparable rates and terms.

(b) Except as provided in G. S. 58-476, in-term cancellation by an insurer of an entire book of business of any kind of insurance is presumed to be unfair, inequitable, and contrary to the public interest, unless the Commissioner determines that continuation of the line of business would impair the solvency of the insurer or unless the Commissioner determines that such termination is effected under a plan that minimizes disruption in the marketplace or that makes provisions for alternative coverage at comparable rates and terms.

"§ 58-480. Policy form and rate filings; punitive damages; data required to support filings.—(a) With the exception of inland marine insurance, which by general custom of the business is not written according to manual rates and rating plans, all policy forms must be filed with and either approved by the Commissioner or 90 days have elapsed and he has not disapproved the form before they may be used in this State. With respect to liability insurance policy forms, an insurer may exclude or limit coverage for punitive damages awarded against its insured.

(b) With the exception of inland marine insurance, which by general custom of the business is not written according to manual rates and rating plans, all rates by licensed fire and casualty companies or their designated rating organizations must be filed with the Commissioner at least 60 days before they may be used in this State.

(c) A filing that does not include the statistical and rating information required by subsections (d) and (e) of this section is not a proper filing, and will be returned to the filing insurer or organization.

(d) The following information must be included in each policy form, rule, and rate filing:

(1) A detailed list of the rates, rules, and policy forms filed, accompanied by a list of those superseded; and

(2) A detailed description, properly referenced, of all changes in policy forms, rules, and rates, including the effect of each change.

(e) Each policy form, rule, and rate filing that is based on statistical data must be accompanied by the following properly identified information:

(1) North Carolina earned premiums at the actual and current rate level; losses
and loss adjustment expenses, each on paid and incurred bases without trending or other modification for the experience period, including the loss ratio anticipated at the time the rates were promulgated for the experience period;

(2) Credibility factor development and application;

(3) Loss development factor derivation and application on both paid and incurred bases and in both numbers and dollars of claims;

(4) Trending factor development and application;

(5) Changes in premium base resulting from rating exposure trends;

(6) Limiting factor development and application;

(7) Overhead expense development and application of commission and brokerage, other acquisition expenses, general expenses, taxes, licenses, and fees;

(8) Percent rate change;

(9) Final proposed rates;

(10) Investment earnings, consisting of investment income and realized plus unrealized capital gains, from loss, loss expense, and unearned premium reserves;

(11) Identification of applicable statistical plans and programs and a certification of compliance with them;

(12) Investment earnings on capital and surplus;

(13) Level of capital and surplus needed to support premium writings without endangering the solvency of the company or companies involved; and

(14) Such other information that may be required by any rule adopted by the Commissioner.

Provided, however, that no filing may be returned or disapproved on the grounds that such information has not been furnished if the filer has not been required to collect such information pursuant to statistical plans or programs or to report such information to statistical agents, except where the Commissioner has given reasonable prior notice to the filer to begin collecting and reporting such information or except when the information is readily available to the filer.

(f) It is unlawful for an insurer to charge or collect, or attempt to charge or collect, any premium for insurance except in accordance with filings made with the Commissioner under this section and Article 13C of this Chapter.

"§ 58-481. Penalties; restitution.—In addition to criminal penalties for acts declared unlawful by this Article, any violation of this Article subjects an insurer to revocation or suspension of its certificate of authority, or monetary penalties or payment of restitution as provided in G. S. 58-9.7."

Sec. 16. G. S. 58-131.38(1) is amended be rewriting the proviso to read:

“Provided, however, that regional or countrywide expense or loss experience and

Sec. 20. G. S. 58-54.4(7) is amended by adding the following subdivisions:

“c. Making or permitting any unfair discrimination between or among individuals or risks of the same class and of essentially the same hazard by refusing to issue, refusing to renew, cancelling, or limiting the amount of insurance coverage on a property or casualty risk because of the geographic location of the risk, unless:

1. The refusal or limitation is for the purpose of preserving the solvency of the insurer and is not a mere pretext for unfair discrimination, or

2. The refusal, cancellation, or limitation is required by law.

d. Making or permitting any unfair discrimination between or among individuals or risks of the same class and of essentially the same hazard by refusing to issue, refusing to renew, cancelling, or limiting the amount of insurance coverage on a residential property risk, or the personal property contained therein, because of the age of the residential property, unless:

1. The refusal or limitation is for the purpose of preserving the solvency of the insurer and is not a mere pretext for unfair discrimination, or

Sec. 26. Chapter 58 of the General Statutes is amended by adding a new Article to read:

"Article 39.
"Local Government Risk Pools.

§ 58-490. Short title; definition.—This Article shall be known and may be cited as the Local Government Risk Pool Act. As used in this Article, 'local government' means any county or municipal corporation located in this State.

§ 58-491. Local government pooling of property, liability and workers' compensation coverages.—In addition to other authority granted pursuant to Chapters 153A and 160A of the General Statutes, two or more local governments may enter into contracts or agreements pursuant to this Article for the joint purchasing of insurance or to pool retention of their risks for property losses and liability claims and to provide for the payment of such losses of or claims made against any member of the pool on a cooperative or contract basis with one another, or may enter into a trust agreement to carry out the provisions of this Article. In addition to other authority granted pursuant to Chapters 153A and 160A of the General Statutes, two or more local governments may enter into contracts or agreements pursuant to this Article to establish a separate workers' compensation pool to provide for the payment of workers' compensation claims pursuant to Chapter 97 of the General Statutes or to establish pools providing for life or accident and health insurance for their employees on a cooperative or contract basis with one another; or may enter into a trust agreement to carry out the provisions of this Article. A workers' compensation pool established pursuant to this Article may only provide coverage for workers' compensation, employers' liability, and occupational disease claims.

§ 58-492. Board of trustees.—(a) Each pool will be operated by a board of trustees consisting of at least five persons who are elected officials or employees of local governments within this State. The board of trustees of each pool will:

1. Establish terms and conditions of coverage within the pool, including underwriting criteria and exclusions of coverage;
(2) Ensure that all valid claims are paid promptly;
(3) Take all necessary precautions to safeguard the assets of the pool;
(4) Maintain minutes of its meeting and make these minutes available to the Commissioner;
(5) Designate an administrator to carry out the policies established by the board of trustees and to provide day to day management of the group and delineate in written minutes of its meetings the areas of authority it delegates to the administrator; and
(6) Establish guidelines for membership in the pool.

(b) The board of trustees may not:

(1) Extend credit to individual members for payment of a premium, except pursuant to payment plans approved by the Commissioner.

(2) Borrow any monies from the pool or in the name of the pool, except in the ordinary course of business, without first advising the Commissioner of the nature and purpose of the loan and obtaining prior approval from the Commissioner.

“§ 58-493. Contract.—A contract or agreement made pursuant to this Article must contain provisions:

(1) For a system or program of loss control;
(2) For termination of membership including either:
   a. Cancellation of individual members of the pool by the pool; or
   b. Election by an individual member of the pool to terminate its participation;
(3) Requiring the pool to pay all claims for which each member incurs liability during each member’s period of membership, except where a member has individually retained the risk, where the risk is not covered, and except for amount of claims above the coverage provided by the pool.
(4) For the maintenance of claim reserves equal to known incurred losses and loss adjustment expenses and to an estimate of incurred but not reported losses;
(5) For a final accounting and settlement of the obligations of or refunds to a terminating member to occur when all incurred claims are concluded, settled, or paid;
(6) That the pool may establish offices where necessary in this State and employ necessary staff to carry out the purposes of the pool;
(7) That the pool may retain legal counsel, actuaries, claims adjusters, auditors, engineers, private consultants, and advisors, and other persons as the board of trustees or the administrator deem to be necessary;
(8) That the pool may make and alter bylaws and rules pertaining to the exercise of its purpose and powers;
(9) That the pool may purchase, lease, or rent real and personal property it
deems to be necessary; and

(10) That the pool may enter into financial services agreements with financial
institutions and that it may issue checks in its own name.

"§ 58-494. Termination.—A pool or a terminating member must provide at least
90 days’ written notice of the termination or cancellation. A workers’ compensation
pool must notify the Commissioner of the termination or cancellation of a member
within 10 days after notice of termination or cancellation is received or issued.

"§ 58-495. Audit.—Each pool must be audited annually at the expense of the pool by a
certified public accounting firm, with a copy of the report available to the governing body
or chief executive officer of each member of the pool and to the Commissioner. The board
of trustees of the pool must obtain an appropriate actuarial evaluation of the loss and loss
adjustment expense reserves of the pool, including an estimate of losses and loss adjust-
ment expenses incurred but not reported. The Commissioner must examine each pool
once every three years. The costs of such examination expenses will be paid by the pool
that is subject to the examination. The Commissioner may examine a pool earlier than
three years after a previous examination if he has reason to believe that the pool is
insolvent or financially impaired.

"§ 58-496. Insolvency or impairment of pool.—(a) If, as a result of the annual audit
or an examination by the Commissioner, it appears that the assets of a pool are insufficient
to enable the pool to discharge its legal liabilities and other obligations, the Commissioner
must notify the administrator and the board of trustees of the pool of the deficiency and his
list of recommendations to abate the deficiency, including a recommendation not to add
any new members until the deficiency is abated. If the pool fails to comply with the
recommendations within 60 days after the date of the notice, the Commissioner must
notify the chief executive officers or the governing bodies of the members of the pool, the
Governor, the President of the Senate, and the Speaker of the House of Representatives
that the pool has failed to comply with the recommendations of the Commissioner.

(b) If a pool is determined to be insolvent, financially impaired, or is otherwise found
to be unable to discharge its legal liabilities and other obligations, each pool contract will
provide that the members of the pool shall be assessed on a pro rata basis as calculated by
the amount of each member’s average annual contribution in order to satisfy the amount of
deficiency. The assessment may not exceed the amount of each member’s average annual
contribution to the pool.

"§ 58-497. Immunity of administrators and boards of trustees.—There is no liability
on the part of and no cause of action arises against any board of trustees established or
administrator appointed pursuant to G. S. 58-492, their representatives, or any pool, its
members, or its employees, agents, contractors, or subcontractors for any good faith
action taken by them in the performance of their powers and duties in creating or
administering any pool under this Article.

"§ 58-498. Pools not covered by guaranty associations or solvency funds.—The
provisions of Articles 17B and 17C of this Chapter and of Article 3 of Chapter 97 of the
General Statutes do not apply to any risks retained by local governments pursuant to this
Article.”

Sec. 27. G. S. 153A-435(a) is amended by inserting after the first sentence of the
second paragraph, and G. S. 160A-485(a) is amended by inserting after the first sentence,
the following:
“Participation in a local government risk pool pursuant to Article 39 of General Statute Chapter 58 shall be deemed to be the purchase of insurance for the purposes of this section.”

Sec. 28. Article 13C of Chapter 58 of the General Statutes is amended by adding a new section to read:

“§ 58-131.62. Good faith immunity for operation of market assistance programs.—There is no liability on the part of and no cause of action of any nature arises against any director, administrator, or employee of a market assistance program, or the Commissioner or his representatives, for any acts or omissions taken by them in creation or operation of a market assistance program. The immunity established by this section does not extend to willful neglect, malfeasance, bad faith, fraud, or malice that would otherwise make an act or omission actionable.”

Sec. 29. Article 13C of Chapter 58 of the General Statutes is amended by adding a new section to read:

“§ 58-131.63. CGL extended reporting.—Any policy for commercial general liability coverage wherein the insurer offers, and the insured elects to purchase, an extended reporting period for claims arising during the expiring policy period must provide:

(1) That in the event of a cancellation permitted by G. S. 58-473 or nonrenewal effective under G. S. 58-474, there shall be a 30-day period before the effective date of the cancellation or nonrenewal during which the insured may elect to purchase coverage for the extended reporting period;

(2) That the limit of liability in the policy aggregate for the extended reporting period shall be one hundred percent (100%) of the expiring policy aggregate; and

(3) That the insurer will provide the following loss information to the first named insured within 30 days of an insured’s request, or, with any notice of cancellation or nonrenewal:
   a. All information on closed claims including date and description of occurrence, and amount of payments, if any;
   b. All information on open claims including date and description of occurrence, amount of payment, if any, and amount of reserves, if any;
   c. All information on notices of occurrence including date and description of occurrence and amount of resources, if any.”

Sec. 30. G. S. 58-27.22. is amended:

(a) By deleting the words, “county or municipality”, “counties and municipalities”, “counties or municipalities”, and “municipality and county” from the section, and by substituting the words “political subdivision” or “political subdivisions” as grammatically appropriate; and

(b) By adding the following, at the end:

“For purposes of this section, the term ‘political subdivision’ includes any county, city, town, incorporated village, sanitary district, metropolitan water district, county water and sewer district, water and sewer authority, hospital authority, parking authority, local ABC boards, special airport district, airport authority, soil and water conservation
district created pursuant to G. S. 139-5, fire district, volunteer or paid fire department, rescue squads, city or county parks and recreation commissions, area mental health boards, area mental health, mental retardation and substance abuse authority as described in G. S. 122C-117, domiciliary home community advisory committees, county and district boards of health, nursing home advisory committees, county boards of social services, local school administrative units, local boards of education, community colleges and technical institutes, and all other persons, bodies, or agencies authorized or regulated by Chapters 108A, 115C, 115D, 118, 122C, 130A, 131A, 131D, 131E, 153A, 160A, and 160B of the General Statutes.”

Sec. 31. G. S. 130A-294 is amended by adding a new subdivision to read:

“(j) The Commission may adopt rules for financial responsibility (including requirements for sufficient availability of funds for facility closure and post-closure monitoring and corrective measures, and for potential liability for sudden and nonsudden accidental occurrences), which may permit the use of insurance, financial tests, third-party guarantees by persons who can pass the financial test, guarantees by corporate parents who can pass the financial test, irrevocable letters of credit, trusts, surety bonds, or any other financial device, or any combination of the foregoing, shown to provide protection equivalent to the financial protection that would have been provided by insurance if insurance were the only mechanism used. Except when otherwise specifically provided by rule or statute, pleadings need not be verified or accompanied by affidavit. The signature of an attorney or party constitutes a certificate by him that he has read the pleading, motion, or other paper; that to the best of his knowledge, information, and belief formed after reasonable inquiry it is well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law, and that it is not interposed for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation. However, at any time after service of the claim for relief, any party may request of the claimant a written statement of the monetary relief sought, and the claimant shall, within 10 days after such service, provide such statement, which shall not be filed with the clerk until the action has been called for trial or entry of default entered. ADDENDUM

It will be noted that a number of bills and resolutions passed second reading and then were read a third time on the same day.

Rule 41(b) states:

No bill shall be read more than once on the same day without the concurrence of two-thirds (2/3) of the members present and voting.

In order to comply with this Rule, no bill which has passed its second reading is read a third time except:

(1) When a member moves that the Rules be suspended, and this motion carries by at least a two-thirds vote of the members present.

(2) When the Chair determines that there is no objection from any member present. This constitutes unanimous consent of those members present that Rule 41(b) be suspended.

In these cases, the bill is read a third time.

Grace A. Collins
Principal Clerk
