The Principal Clerk announces that the first order of business is the election of a Speaker and declares that nominations are in order.

ELECTION OF OFFICERS

The Chair recognizes Representative Marty Kimsey who places in nomination the name of Representative Johnathan Rhyne as the Republican Nominee for the Speaker of the House of Representatives.

"Madam Chair, Ladies and Gentlemen of the House, Distinguished Guests:

"Just as the small branches and creeks that rise from the Appalachian Mountains, that I call home, build together to form some of the great rivers of America, so too does the evidence that our forefathers were wiser than today's crop of politicians and welfare state boosters.

"The philosophy of as little government as necessary – propounded by our forefathers – was neither arbitrary nor ideological in its origins; it was based on common sense observations of human history.

"Unfortunately, government – any government – is always the principal threat to liberty. As historian, Paul Johnson, so eloquently notes, 'as government has grown in this century, it's capacity to do evil has grown'.

"As how my nominee for speaker hails from Lincoln County, I think it quite appropriate that the founder of our party, Abraham Lincoln,
best described the proper role of government when he wrote, "The legitimate object of government is to do for a community of people what ever they need to have done, but cannot do, at all, or cannot so well do for themselves — in their separate and individual capacities".

"In all that the people can do as well for themselves, government ought not to interfere.

"President Lincoln went on to state what those basic necessities for government were.

"However, we have now gone far beyond those basic necessities of government, yet the necessities themselves are not what they should be.

"Many, however, still think that the social engineers will solve problems that have plagued mankind for centuries. Their beliefs are unshaken, even in the face of overwhelming evidence to the contrary.

"How can a system solve problems — insulated as it is by a centralized state government that makes the system itself immune from the consequences of its own inefficiencies. Therefore, being denied the learning experiences that reality imposes on those in the private sector.

"Yet many of you still insist that we must raise taxes. Do you know what you are really telling the people of North Carolina???? What you are really telling them is this — you are telling the hard working citizens of North Carolina that the legislature hasn’t overspent — You are just undertaxed!!

"Just recently, MONEY Magazine revealed that of all fifty states, North Carolina is one of the ‘Top ten tax hells’. Having the highest per capita taxes in the entire southeast!!

"Just after World War II, the average American family of 4 paid no income taxes at all; today, the same family would pay over $6,000 in income taxes alone.

"Does this mean we can’t do what really needs to be done?

"NO!!

"Granted, the litany of bad news is enough to put even Little Orphan Annie in the deep blue dumps. Housing is down, auto sales are slumping, the war, and the state budget is facing a huge shortfall. We all know about the educational crisis. We know that there are some parts of our state, and all too many of our people, left out and left behind, suffering from the tragedy of poverty that stretches over generations, and a sense of hopelessness only perpetuated by the bureaucratic welfare state.

"With right direction, the right course, all these crises are nothing more than opportunities for greatness. We should represent the force for a world made better by a deeper understanding of the nobility of the human spirit, which will dream, no matter what.

"I read recently that to many, empowerment means giving power to government to control our lives. But, empowerment really means not control over others, BUT, freedom to control one’s own affairs. The
poor don’t want paternalism – they want opportunities. They don’t want the servitude of welfare, they want to get jobs and private property. They don’t want dependency, they want a new declaration of independence!

“Today, in North Carolina, an Aid to Families With Dependent Children application is 63 pages long and takes over 2 1/2 hours for a social worker to complete. Not only that, but, then additional applications have to be filed for food stamps — and every other program. Such foolishness serves neither the social worker nor the needy, only the bureaucracy.

“80 cents of every dollar that is spent on programs to help those that can’t help themselves is spent on the administration of the programs themselves.

“Eighty percent!!

“This is not only obscene, but also immoral!!

“North Carolinians expect courage and leadership from their elected representatives. Therefore, we should have the courage to say, NO, you don’t have some inherent right to a state job or state money when the job or the money spent is no longer serving the best interests of North Carolina. Yet, too, the courage to truly help those left out and left behind. This is a moral imperative for our state. It’s the right thing to do, the right time to do it and we’re the right people to help lead it. By reforming programs so that they give people a hand, instead of keeping them subservient to a handout. We must empower people to help themselves instead of raising taxes and adding regulations that only stand as a stumbling block, especially to those who most need opportunity...

“There are areas in the inner cities and some rural counties where we should not raise taxes but actually cut taxes by creating enterprise zones to help create jobs, opportunity and prosperity. When opportunity meets honest hard work economic levels are not static. Today’s employees are tomorrow’s employers, thereby creating more jobs for more employees, and allowing all to acquire private property, wealth and knowledge.

“Some times I think North Carolinians would be better off if they would learn to think a little more narrowly. Instead of nodding at ‘high-falutin’ reasons for the budget shortfall and ‘threats to education’, they should ask bluntly: ‘Just what’s in it for us? How much will we have to pay? Will education of our children improve?’

“If money alone would fix education, why hasn’t it done so? We already spend far more, in some cases, twice as much per pupil than does Japan and Western Europe.

“Yet, where do you think children receive a better education?

“Of the 112,000 plus jobs in education in North Carolina, nearly half are not even classroom related.
"I read something recently that is a sad, sad, testament to our system. In 1935, in the midst of the Great Depression, when resources were slim indeed, the average 8th grader knew more about history, world geography, and self government than does the High School graduate of today.

"How can we expect our students to know what's going on in Iraq if they can't find it on a world map.

"Isn't it time that we, at least, consider choice in our schools thereby allowing parents of all economic levels the opportunity to control and enhance their children's education. Some of these policies are beginning to be embraced elsewhere by diverse segments of the political spectrum, including Wisconsin state representative, Polly Williams, and Detroit council member, Reverend Keith Butler.

"The very least we must do is return control of local schools to local communities. With a 'goals oriented' system instead of a task oriented system, bureaucracy and administration would be cut to a bare minimum. Money sent to the local systems without strings attached, thus allowing for more education dollars to actually reach the classrooms. Local schools, run by local teachers, local principals, local school boards and, yes, most of all local parents. Talk about more parental involvement. You'll see it when parents have a say in the education of their children, you'll see PTA meetings and school board meetings that really mean something.

"We finally must realize that our job as legislators in America is not to evenly divide the pie but rather to help bake a bigger pie for all.

"As I have said, North Carolinians expect courage from their elected officials and there are those among us whom I believe have the courage to lead in these times of crisis and opportunity.

"My nominee for speaker is one of those. He understands that now is not the time to raise taxes on the already over taxed North Carolinian.

"He understands the lessons of the past and the principals of self government of our founding fathers. He understands that now is the time to fix our educational system and make it work for all our children who wish to learn.

"He understands that we must dedicate ourselves to the rebirth of human potential, freedom and equality of opportunity for all.

"That is why I proudly place in nomination for Speaker of the House, Johnathan L. Rhyne, Jr.

"Thank you."

The Chair is notified that no seconds are requested.

The Chair recognizes Representative Joe Hackney who places the name of Representative Daniel Blue, Jr. as the Democratic Nominee for the Speaker of the House of Representatives.

"Madam Principal Clerk, Members of the 1991 North Carolina House of Representatives, Families, Guests, Justice Frye, Judge Eagles, Judge Parker, Fellow North Carolinians:
"These will not be partisan political remarks.

"The beginning of each session of the General Assembly is the occasion for renewed optimism. It is an interval, usually brief, during which the problems of the past become secondary to the bright prospects of the future. And the person I nominate today is the symbol of that new optimism.

"With great pride, and at the direction of the eight-one assembled and united Democrats of this House, I hereby place in nomination, for the Office of Speaker, the name of Daniel T. Blue, Jr., of Wake County.

"First, and importantly, Daniel T. Blue, Jr. is a North Carolinian. He strives to be, rather than to seem. He is a product of a strong Robeson County family, many members of which are here today. He is a product of Oak Ridge High School; and North Carolina Central University, (perhaps our first math major as Speaker), and will bring to the speakership an appreciation of the value of public education and of higher education in North Carolina. And he is a product of the Duke Law School, where he received his professional training. He knows, as it was put by one of the ancient Greeks, that education is 'An ornament in prosperity and a refuge in adversity'.

"He is a product of this House of Representatives, which has served as the crucible for his public life. He has chaired committees; he has led the charge; he has fought and won; and on occasion, he has fought alone and lost. And he has earned the respect and affection of all.

"He is truly capable of being, as Kipling put it... 'A brother to a prince or a fellow to a beggar'.

"Daniel T. Blue, Jr. is a person of principle. He is aware of the Chinese proverb that 'He who sacrifices his conscience to ambition burns a picture to obtain ashes'.

"Daniel T. Blue, Jr. is a person of tact and civility. He knows that good will, like a good name, is gotten by many actions and lost by one.

"Daniel T. Blue, Jr. is a person who knows the importance of history. He is aware that many of our ancestors arrived on these shores less than 200 years ago; that 126 years ago in April, Sherman's troops marched into and occupied Raleigh, and our economy and infrastructure stood totally demolished; that less than one hundred years ago, Charles B. Aycock and the General Assembly of this state began the century of educational progress that continues unabated until this moment.

"He is aware that in that brief time, many courageous and committed men and women, of all races, have built, out of the small farms and small towns of our state, a strong economy, a great university system, a productive community college system, a system of free public education, and a network of roadways.

"Representative Blue's generation has watched, and been influenced by – not only foreign war, and not only tragic assassinations, but also those who led us out of war, out of violence, out of segregation, out of
disease, and out of ignorance. These advances did not happen without sacrifice and risktaking, and they did not happen without leadership.

"Daniel T. Blue, Jr. is a leader. A proverb tells us that where there is no vision, the people perish. A wise judge used to retort to me, when I was a fiery young prosecutor, ‘Mr. Hackney, you’ll be surprised how little difference my decision will make a hundred years from now’.

"The same is not true of our decisions this session. Daniel T. Blue, Jr. will lead us to build our universities, not allow them to atrophy. He will lead us to fund drug abuse and dropout prevention programs in our public schools, not neglect them.

"He will lead us to invest in technology and workforce training in our community colleges, not just allow us to slide into a service economy.

"In short, Daniel T. Blue, Jr. will lead us to make a difference, not to indifference. He can be the wind beneath our wings. And what a difference he can make — we can make — a hundred years from now.

"So as we organize this 1991 North Carolina House of Representatives, let us, under the leadership of Daniel T. Blue, Jr., meet the challenge laid down long ago by Abraham Lincoln:

‘With malice toward none; with charity for all; with firmness in the right, as God gives us to see the right, let us strive to finish the work we are in.’"

The nomination is seconded by Representative Easterling.

"Madam Chair, Members of the North Carolina House, Guests and Friends:

"I rise with great pleasure to second the nomination of Representative Dan Blue as Speaker of the North Carolina House of Representatives.

"He is eminently and uniquely qualified to lead us in the difficult and challenging days of the 1991-92 sessions of the General Assembly.

"Difficult, because of the constant and persistent worsening economic situation and the enormous and expanding needs of the state and its people — in all areas, geographic and social.

"Challenging, because of the immense opportunity for vision and innovation in arriving at solutions.

"I shall not dwell on his education and experience, his achievements and honors, of which Representative Hackney has so eloquently spoken.

"Representative Blue is without question a LEADER.

"It is a given that he has the knowledge and ability to be Speaker of the House, but has he the temperament and personality to do the job effectively? I think he has, and I will tell you why.

"I made a list of those qualities of character that are the intangible elements of leadership.
"I went to the Bible – to Shakespeare – to Goethe – to Homer – to modern day writers and philosophers for insight.

"He has enthusiasm, which is the genius of sincerity, and truth accomplishes no victories without it.

"He is intelligent: the test of a first-rate intelligence is the ability to hold two opposed ideas in the mind at the same time, and still retain the ability to function.

"Wisdom is one of the most illusive of qualities. It is amazing how ancient and modern writers agree on its practical meaning:

'Wisdom is to read right the present, and to march with the occasion. (Homer)

'Wisdom is to know what to do next. (Hoover)

'Wisdom is to know what to overlook. (William Jones)

'Wisdom consists of knowing what to do next, and doing it.’ (David Jordan)

"Dan Blue meets these qualifications.

"Dignity and Honor:

'Where is there dignity unless there is also honesty? (Cicero).

'Confidence in another's honesty is no light testimony to one's own integrity. (Montaique)

'Our own hearts, and not other men's opinions ..... forms true honor.' (Coleridge)

"Dan has an innate dignity that does not depend on pomp and circumstance, although ceremony has its proper place. His trust in you and me attests to his own honor.

"Representative Blue has a sense of humor.

'Humor is one of the democratic experiences of mankind. Whatever may be our differences — age, education, experience, religion, politics — the moment we laugh together in appreciating a joke, we are, for that golden moment, united and equal.’ (Marius Risley)

"Dan's sense of humor will stand him in good stead as Speaker of the House.

"Courtesy — Patience — Good Manners:

"These qualities are so interwoven that to have one implies a grasp of the others.

'Life is not so short but that there is always time for courtesy.’ (Emerson)

"Dan has time.
'Keep strong, if possible. In any case, keep cool. Have unlimited patience.' (B.H.L. Hart)

"Unfailing good manners is one of Dan's strong points. No matter how he disagrees with one, he has respect for another's opinion and point of view.

"Representative Blue has a knowledge of parliamentary procedure and a sense of organization and structure that will operate to expedite the business of the House: all the time that's necessary — no time for grandstanding and wasting of resources.

"And finally,

"Dan Blue has integrity and a sense of stewardship.

'This above all to thine own self be true, and it must follow, as the night the day, thou canst not then be false to any man.' (Shakespeare)

"What he is in private is what we see in the light of day.

"Dan Blue knows that: The past is our heritage; The present is our responsibility; The future is our challenge.

"I believe he is the man for the hour.

"I proudly second the nomination of Dan Blue for Speaker of the House.

"Thank you."

The nomination is seconded by Representative Hardaway.

"Madam Clerk, Members of the House, Members of Representative Blue's Family and Visiting Guests:

"It gives me great pleasure to stand before you today to second the nomination of my friend and colleague, Representative Daniel T. Blue, Jr. as Speaker of the 1991 Session of the North Carolina General Assembly.

"I am indeed honored to be allowed this once-in-a lifetime opportunity to participate in the making of history. Not only for our great state, but also for our nation. Also, I am extremely proud to second the nomination of a person who is eminently qualified to assume the position of Speaker of the House. A position which will require him to be a leader, not only for this Great Body, but also for the people of North Carolina.

"We face demanding and unsure times. In many ways, not unlike Columbus when he set out to discover a new world, or Dr. Martin Luther King, Jr. when he set out to discover the truth and promises embodied in our Constitution and Bill of Rights for all citizens.

"Surely Dan, not unlike those two men of courage, you are filled with hope and faith that your leadership will be up to the task; that you will reach your goals as they did. Just as these men faced rough and
uncertain times, we as members of this great body will face similar challenges in the days ahead. But it is in moments of frustration and crisis that we must call upon our courage, our integrity, our vision and our faith in God.

“As it is written in the book of Deuteronomy...‘Be of a good courage; fear not; nor be afraid, for it is God that goes with us; He will not fail us, nor forsake us’.

“Dan, knowing you as I do, I am confident that in moments of uncertainty and conflicting interests, you will have the courage to guide us in fulfilling our mission, that of ensuring the continued welfare of our state and its people.

“In this time of global conflict, we look to national leadership. In this time of dwindling state resources, we must look to state and local leadership. And, because leadership means sometimes making mistakes, let us remember that the galleries will be full of critics. They fight no fights. They make no mistakes because they make no attempts. In every arena are the doers, and in this arena, we will be the doers. We will make mistakes and we will attempt many things. With God’s help and your leadership we will find creative solutions to difficult problems.

“Ladies and gentlemen, my fellow colleagues, again, let me say that it gives me great pleasure to second the nomination of Daniel T. Blue, Jr. as our next Speaker of the North Carolina House. Thank you.”

The nomination is seconded by Representative Ed Bowen.

“I SECOND THE NOMINATION of Dan Blue to be Speaker of the North Carolina House of Representatives. Dan Blue is North Carolina. He knows our Coast from Corolla to Calabash. He knows inland North Carolina from the tobacco fields of Robeson County through industrial Piedmont. No person holds a larger and more compassionate umbrella over our entire population that is rapidly approaching the seven million mark.

“TRUE, THIS SESSION of the General Assembly is headed into some stormy seas in areas of budgeting, redistricting, education, and environment, to name a few. However, under the leadership of Governor Martin, Speaker Blue, President Pro Tem of the Senate, Henson Barnes, and with the cooperation of Lieutenant Governor Gardner, our ship State can be piloted into more placid waters.

“THERE IS ONE QUESTION asked from many quarters. Why Dan Blue? It’s Dan Blue time, and in North Carolina it’s time for Dan Blue. In this great nation of ours anyone that aspires for public office says that when elected, qualification will be the only criteria used in the selection process. All of us say it, many believe it, but the North Carolina House of Representatives does it.

“I KNOW THAT THIS is a time for a long and eloquent speech, but any speech that I make is certainly long enough and I am sure that it is audible and visible to everyone here that I am very short on eloquence.

“THEREFORE, anymore time that I use will prolong a happening that I have been looking forward to for many months. So, I say, let’s get on with it.
"BELONGING TO AN OLDER generation and coming from rural eastern North Carolina, I am extremely grateful for the opportunity to second the nomination to this important position — a black man named Blue, and in doing so, it makes me the happiest redneck in North Carolina.

"Thank you."

There being no further nominations, the Principal Clerk declares the nominations closed and requests that the roll of the House be called.

Representative Blue having received a majority vote is declared Speaker of the 1991 House of Representatives.

The Speaker, escorted to the Chair by Representatives Pete Cunningham, Ray Fletcher, Aaron Fussell, Karen Gottovi, Nick Jeralds, and Peggy Stamey, takes and subscribes to the following oath of office administered by Justice Henry Frye, North Carolina Supreme Court.

"I, DANIEL T. BLUE, JR., do solemnly swear that I will support the Constitution and laws of the United States; and,

"I do solemnly and sincerely swear that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; and that I will endeavor to support, maintain, and defend the Constitution of said State, not inconsistent with the Constitution of the United States; to the best of my knowledge and ability; and,

"I do solemnly swear that I will well and truly execute the duties of the office of Speaker of the 1991 House of Representatives of the General Assembly of the State of North Carolina to the best of my skill and ability, according to laws; so help me, God."

The Speaker, Mr. Blue, approaches the dias and makes the following remarks:
"It is a great honor and historic distinction that you have bestowed on me today. I accept the office of Speaker of the North Carolina House of Representatives with a deep sense of humility and an even deeper commitment to lead and guide this House intelligently and fairly so that all citizens will be equally heard and represented.

"As representatives of over six and a half million people of this state, we represent collectively the struggle and the success, the hope and the despair, the growth and the stagnation, the future and the past that is North Carolina. We are North Carolina.

"We begin a new session of the North Carolina House of Representatives with an obligation to tradition and an opportunity for the new.

"As I become the Speaker of the House, I know that I follow the tradition of exceptional leaders who set extraordinarily high standards for all who come after them.

"It is a tradition of guiding the House membership toward fulfilling that great public purpose through affirmative government. It is a tradition of deliberation and consensus.

"It is a tradition of providing strong leadership in times of certainty and in times of uncertainty.

"I feel very fortunate to have the benefit of two former speakers as sitting members of this House. They have provided unqualified support and great help to me as we prepared to begin this session.

"The speakerships of these two men underscore the tradition of visionary leadership in this House. Their experience and insights are invaluable. For their time and talent which they have so unselfishly given to this House and for their great dedication to helping the people of this state, I thank them. And I know the people of North Carolina thank them. Ladies and gentlemen, please join me in expressing our deep appreciation to two North Carolinians whose determination and wisdom have improved our state: Liston Ramsey and Joe Mavretic.

"Members of the House have a tradition of being firmly united partners in the democratic process in working toward our common public mission. And although times and circumstances change and challenge us, our mission has always remained fixed and inviolate. Our priority of commonwealth over individual wealth has allowed this state to flourish and assume leadership in the South.

"Today we celebrate both renewal and change – an opportunity for the new. It is a change of leadership with a new generation of ideas and goals, but it is a renewal of our uncompromising commitment to provide opportunities – economic, educational, political, and cultural – and fair treatment to all the citizens of this state. It is a renewal of an American heritage to which we are all heirs, and it is part of the culture we have in common with each other.

"This commitment is the reason we are all here; it is not the personal political gain or the personal fame or fortune which brings men and women to public service. Rather it is the personal opportunity to convert imagination and indignation into substantive public policies.
"Today that opportunity for the new is the assumption of a major challenge. We 120 members of North Carolina House of Representatives start a session in a time of world turmoil, national economic slowdown, a severe state budget crisis, and general uncertainty about our tomorrows. To meet those challenges and resolve the problems before us, I ask you today to lay aside confrontive partisanship and political rhetoric and to join me in seeking constructive cooperative solutions.

"Today we accept that demanding challenge, for this session will be one of vital decisions. We will be asked to be both idealistic and pragmatic. We will be asked to correct social and economic inequality at the same time that we will be asked to preserve rights, privileges, and the status quo. We will be asked to intensify our efforts to provide our children with adequate education and training, while at the same time we will be asked to decrease those efforts. We will be asked to protect our fragile environmental resources at the same time that we will be asked to approve unrestrained infringement on those resources. The past has shown that we can battle over these issues; the future must show that we have the will to resolve them.

"The tradition of the North Carolina House of Representatives has been one of constant determination and the unswerving purpose to ensure a bright future for our state and our citizens – one where we respond to adversities and crises with courage and innovative solutions.

"The 1931 and 1933 sessions of the General Assembly took place during the depths of the great Depression. The members of our legislature met those adversities and crises by reordering priorities. They changed the state tax structure. They established statewide funding for our public schools. They assumed responsibility for local road and highway maintenance. They created a consolidated university system.

"It is this forward thinking philosophy which characterizes the spirit of the men and women who served in the legislature before us. They took bold steps to ensure that this state would be able to meet the demands of an ever changing world. They dared to take risks for the future of this state. It is this proud legacy which propelled North Carolina into a leadership position in the South and has kept it there.

"The 1991 session will direct us to define our common interests and goals. It will test our abilities to resolve the issues which should unite us rather than belabor those which divide us. It will test our personal determination and fortitude. It will test our capacity to re-examine and reappraise what goes into public policy. We must define where we want to be in 2002, not let events limit our sights to 1992.

"As I assume the responsibility of the speakership, I ask for your help! I will look to you to provide inventiveness, opinions, and solutions to the many issues we will face.

"We must ensure that education and potential are developed. While some fear that we must move to equalize school funding across this state lest we face a lawsuit, I fear that we must equalize school funding across this state lest we face the hundred of thousands of young people who, simply because of geography, will be denied the opportunity to develop
into what God gave them the potential to be. Additionally we must provide transportation networks to move people in and through our urban areas while continuing our efforts in rural areas. We must invigorate our rural economy through training and economic expansion. We must redistrict our state fairly. We must protect our environment. And in achieving these goals, we must try to expand opportunities and results, not government.

“These challenges are not mine alone; they are not yours alone. They are ours together.

“So as we begin the deliberative process of this session, know that the future of North Carolina is being written not only by those who are affluent and have had exceptional privileges and opportunities but also by those who continue to have a marginal level of existence. Those who are educationally and economically underprivileged, and those who are spiritually discouraged. If that future is to be successful, then we must ensure broad and equal opportunities for all of our people.

“As John F. Kennedy stated in addressing the Massachusetts State Legislature in 1961: ‘And when at some future date the high court of history sits in judgment on each of us, recording whether in our brief span of service we fulfilled our responsibilities to the state, our success or failure,......will be measured by the answers to four questions: First, were we truly (representatives) of courage...Second, were we truly (representatives) of judgment...Third, were we truly (representatives) of integrity...Finally, were we truly (representatives) of dedication?’

“Those questions are more than rhetorical. They apply to all of us. And I hope that we will meet our responsibilities with the courage, good judgment, integrity, and dedication to move our state forward.

“To everything there is a season, and a time to every purpose under heaven. So my friends, this is the time and season for North Carolina to look forward in its purposes, not backwards.

“With an obligation to our tradition and an opportunity for the new, I assure you that the House will be governed in an open and fair manner. With great humility but firm resolve, I accept the challenge, the responsibility, and the office of Speaker of the North Carolina House of Representatives and pray that God blesses all of us in our endeavors.”

The Speaker assumes the duties of the Chair.

On motion of Representative Wicker, the courtesies of the floor are extended to the following members of Speaker Blue’s family:

Edna Earle Blue, wife
Kanika Blue, daughter
Dhamian Blue, son
Daniel T. Blue, III, son
Daniel and Allene Blue, parents
Marilyn Blue Huling, sister
Debra Blue Graham, sister
Hubert Blue, brother.

POINT OF PERSONAL PRIVILEGE

ELECTION OF OFFICERS CONTINUED

SPEAKER PRO TEMPORE

The Speaker announces that nominations are in order for Speaker Pro Tempore.

The Chair recognizes Representative Doris Huffman who places the name of Representative Theresa Esposito as the Republican nominee for Speaker Pro Tempore.
"Mr. Speaker, Distinguished Visitors and Guests, Ladies and Gentlemen of the House:

"Nestled in the heart of the progressive city of Winston-Salem lies the old town of Salem.

"Salem was founded in 1766 by devout people who believed that the work of their hands, a strong faith, a sense of order, a love of education, an abhorrence of violence, and a deep concern for others, were values to be desired; indeed, necessary for a full and productive life.

"Representative Theresa Esposito is a person who exemplifies these values.

"It is indicative of her concern and abiding love for children that she serves on the National Commission on Children. (An appointment, by the way, that should be a source of pride for all North Carolinians.)

"I consider it a high honor to place her name in nomination for election to the office of Speaker Pro Tempore.

"The Speaker Pro Tempore must be a person held in high esteem by her colleagues, one who is worthy of trust, and perhaps most important of all, one who displays leadership.

"I believe few of us would deny that this session, newly convened, will be a challenging one. It will require the best in each of us to meet the needs of children in the classroom, to improve and expand our prison system, to provide for the needs of the disadvantaged, the disabled, and the aging, to secure new economic opportunities for our citizens, to protect the God-given resources of this good land, — and to do so without additional hardship on the taxpayers.

"This can only be accomplished with the full participation of every member without regard for geographic location, special interest, or political party.

"I am confident that Theresa Esposito if elected Speaker Pro Tempore, possesses the wisdom and skill to work with the speaker and with each member of the North Carolina House to meet this challenge."

The Chair is notified that no seconds are requested.

The Chair recognizes Representative Judy Hunt who places the name of Representative Marie W. Colton as the Democratic nominee for Speaker Pro Tempore.

"I am honored to nominate Marie Watters Colton for the office of Speaker Pro Tempore in the 1991 House of Representatives.

"The office of Speaker Pro Tempore is one that I have observed closely during certain years. I know how important it is for the Speaker and all members to be able to communicate easily with this person. Marie Colton has a gracious style and friendly manner which will serve all the new members and returning members well.

"Marie Colton has spent many years helping other people. For the last 12 years she has served others by serving in the N. C. House of
Representatives. This type of service is not new or unusual for Marie because five of her great grandfathers have also served in the General Assembly.

"Born in Mecklenburg County and a graduate of UNC-Chapel Hill, Marie is married to Henry E. Colton, and they live in Asheville. They are the parents of four children: Elizabeth, Marie, Sarah and Walter and the grandparents of 7.

"Marie is a member of Business & Professional Women, American Association of University Women and numerous other organizations and boards.

"The Sierra Club honored her as Legislator of the Year in 1989. Also, she received the Legislator of the Year award from the NC Wildlife Federation in 1989. And the NC Association of Social Services voted her Legislator of the Year in 1989. These three distinctive groups have recognized the outstanding work of Marie Colton.

"She has become known in the House of Representatives and much of N. C. for her diligent work on behalf of children and her efforts to see that we all are better stewards of the earth's resources. What could be of more substance than work with our children who are our future and preservation of our environment without which we have no future. All of this I believe proves that Marie Colton is truly a woman of substance.

"Thank you for your support of Marie Colton as Speaker Pro Tem."

The nomination is seconded by Representative Ethridge.

"Mr. Speaker, Ladies and Gentlemen of the House and Special Guests:

"It is indeed my high honor and privilege to second the nomination of Representative Marie Colton as the first woman to serve as Speaker Pro Tem of the North Carolina House of Representatives.

"Today - by the election of our Speaker and Speaker Pro Tem we are establishing North Carolina as a leader in our nation in recognizing the worth of every individual.

"This is truly a great day in our history as we recognize that there is no limit on what you can achieve no matter what your race or sex happens to be.

"Today - we could not pick a more deserving person for Speaker Pro Tem than our good friend and colleague Representative Marie Colton.

"Representative Colton has served the people of her district and this state well for the past 12 years.

"Her record of service will show that she has been a strong supporter of those programs that reach out to help 'the least of these' - especially early intervention for our at-risk children.

"She has been recognized for her work in behalf of consumer protection and has been a leader in supporting legislation that helps us protect our fragile environment."
"Representative Colton has the ability, concern and desire to help lead us in meeting the tremendous challenges that we will face this session.

"Please join me in electing Representative Marie Colton as our next Speaker Pro Tempore.

"Thank you."

There being no further nominations, the Speaker declares the nominations closed and requests that the roll of the House be called.

Representative Colton having received a majority vote is declared Speaker Pro Tempore.

The Speaker Pro Tempore, escorted to the dias by Representatives Narvel J. Crawford, Gordon Greenwood, Martin L. Nesbitt, and Bertha Holt, takes and subscribes to the following oath of office administered by Judge Sarah Parker, North Carolina Court of Appeals.

"I, MARIE W. COLTON, do solemnly swear that I will support the Constitution and laws of the United States; and,

"I do solemnly and sincerely swear that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; and that I will endeavor to support, maintain, and defend the Constitution of said State, not inconsistent with the Constitution of the United States; to the best of my knowledge and ability; and,

"I do solemnly swear that I will faithfully discharge my duties as Speaker Pro Tempore of the 1991 House of Representatives of the General Assembly of the State of North Carolina to the best of my skill and ability; so help me, God."
The Speaker Pro Tempore, Representative Colton, makes the following remarks:

“As I stand here in the company of my colleagues and supported by family and friends, I confess this is a very emotional experience for me. I will always cherish the honor of being elected Speaker Pro Tem for this session of the House of Representatives. It is a double privilege that I – as the first women to be elected Speaker Pro Tem – follow in the tradition of another Western legislator. Seventy years ago Lillian Exum Clement, also from Asheville, became the first female elected to this august body. The New York Times reported: ‘Western North Carolina Takes the Lead, Miss Clement First Woman Legislator in the South.’ Thanks to Miss Clement we have voting booths at the polls, insuring a secret ballot.

“You all realize we face what are probably the most difficult problems for State Government that we have faced in recent memory. I think of the poetic words of Robert Frost ‘We have promises to keep, and miles to go before we sleep.’

“It has long been the tradition in North Carolina to find the solutions to difficult problems. The seriousness of the issues which will come before us this session demands that we put aside political concerns and dedicate ourselves unselfishly to the task we have been given. North Carolinians have always been a creative people; we must use our creativity now!

“Of course I will support the Speaker and his program. I expect to give Dan Blue my ideas and concerns. I know he would like for every member of the House to do likewise. I know that all of you have already given serious thought to what we should do in this session. I will mention a few of my major concerns.

“Everyone in North Carolina is aware of the serious shortfall in state revenues. We must keep the Ship of State afloat. My question is: should we not first strive in every way to tighten the state’s belt? Every business and every family in North Carolina is having to do so. And should we not look at our tax laws and close every gap and loophole before we look for additional sources of revenue?

“Protecting the environment is a statewide problem. It is the responsibility of the state to lead by example; to encourage good stewardship; to reward innovation and to discourage wastefulness and the pillaging of our resources. Honing the regulatory agencies is more effective than padding them. Reduction, recycling and resourcefulness should be our bywords.

“Are we spending our educational dollars wisely? Should the consolidation of school units be mandated within a reasonable time frame? How quickly can we make early intervention and appropriate preschool education available – thereby significantly enhancing our already heroic efforts to improve public education? How can we maximize federal, state and local monies in these Spartan times?

“Inadequate prison space is one factor responsible for the breakdown of the criminal court system. We have begun and expanded the use of
alternatives to incarceration. Are there not still other alternatives to the construction of traditional expensive prisons? Have we sufficiently developed treatment facilities and training camps where rehabilitation and redirection are of greater concern than escape proof prisons? And can't we make better use of idle prison population as a workforce for the improvement of our beautiful state forests and parks?

"Finally, can't we foster the use of trained volunteers in our schools and parks and juvenile justice programs, and in health care and other such places? Volunteers are waiting in every community across the state. Such services as volunteer fire departments and rescue squads are examples. This could save the state enormous expense, and more importantly, give our people the opportunity to respond to the great challenge of President Kennedy to 'ask what you can do for your country'.

"I have faith in the courage and collective wisdom of this House. Together we will find the right answers.

"I pledge my earnest endeavor to be worthy of the honor of the office of Speaker Pro Tem."

THE RECEIVING OF PETITIONS, MEMORIALS AND PAPERS ADDRESSED TO THE GENERAL ASSEMBLY OR TO THE HOUSE

Representative Lineberry is recognized and presents a Proclamation recognizing the founding of the University of North Carolina at Greensboro.

On motion of Representative Lineberry, the Proclamation is spread upon the Journal as follows:

A PROCLAMATION RECOGNIZING THE FOUNDING OF THE UNIVERSITY OF NORTH CAROLINA AT GREENSBORO

Whereas, the people of North Carolina are deeply indebted to the North Carolina General Assembly of 1891 and other leaders of just over a century ago whose vision created on February 18, 1891, the State Normal and Industrial School, now The University of North Carolina at Greensboro; and

Whereas, special honor is accorded the memory of Charles Duncan McIver for his unrelenting work as an advocate to establish the State Normal and Industrial School; and

Whereas, in the efforts to establish the State Normal and Industrial School, the people of North Carolina also are indebted to such persons as: Edwin A. Alderman, who served with Charles Duncan McIver in conducting County Teacher Institutes across the state in 1889–91; Major Sidney M. Finger, Superintendent of Public Instruction; Governor Daniel G. Fowle; Dr. J. L. M. Curry, Executive Secretary of the Peabody Fund; educators J. Y. Joyner, M. C. S. Noble, E. P. Moses, and others; and

Whereas, efforts to establish the State Normal and Industrial School to provide higher education for women and to help meet the state’s need for teachers drew strong support from such organizations as the
North Carolina Teachers' Assembly, the North Carolina Farmers' Alliance, and the King's Daughters; and

Whereas, in creating the State Normal and Industrial School on February 18, 1891, the General Assembly appropriated $10,000 for the first year and elected a Board of Directors; and

Whereas, in June of 1891, the Board of Directors accepted the City of Greensboro's generous bid of $30,000 plus a campus site and made plans to locate the new institution in Greensboro; and

Whereas, the State Normal and Industrial School, led by President Charles Duncan McIver, opened its doors to 198 students on October 5, 1892; and

Whereas, from that beginning, the School grew into The University of North Carolina at Greensboro, an institution of academic excellence with an enrollment today of nearly 12,000 students; which offers undergraduate study in 100 areas, master's degree in 68 fields, and 14 doctoral degrees; whose faculty members make major contributions to the state and nation through their teaching, research, and public service; which has awarded more than 60,000 degrees; which has over 50,000 living alumni; and

Whereas, the University of North Carolina at Greensboro, its alumni around the world, and its friends and supporters near and far, are looking forward to celebrating a century of splendid, dedicated service by the University to the advancement of knowledge, the welfare and best interests of the citizens of this state and of people elsewhere; and toward the economic progress of North Carolina;

Now, therefore, be it proclaimed by the House of Representatives of North Carolina:

Section 1. The North Carolina House of Representatives recognizes and honors the founders of The University of North Carolina at Greensboro for their vision, commends the University for its contributions to North Carolina and its people, extends congratulations on the occasion of the institution's upcoming Centennial celebration, and eagerly anticipates a second century of service by the University on behalf of the people of North Carolina and the nation.

Sec. 2. The Speaker of the House shall send a certified copy of this Proclamation to William E. Moran, the ninth chief executive officer of The University of North Carolina at Greensboro and the sixth to hold the title as its Chancellor.

S/Daniel T. Blue, Speaker
House of Representatives

MEMORIALIZING SENATOR ROBERT S. SWAIN

Representative Payne requests that any remarks memorializing Senator Swain and submitted in writing to the Principal Clerk be included in the Journal.

The following is received by the Principal Clerk.

REMARKS BY REPRESENTATIVE JULIA HOWARD MEMORIAL FOR SENATOR BOB SWAIN

"Knowing Senator Swain was a privilege and an education. When as, a freshman member of this body, I mentioned the fact that my first bill had been sent to Senator Swain’s Judicial Committee. The response was always ‘Oh God, Swain’ and it took me awhile to figure out who that was since there was nobody with a first-name like ‘Oh God’ listed on the roster.

"Senator Swain was a man of his word. When he promised to give my bill a fair hearing before he killed ‘the damn thing’, he did just that.

"But he didn’t always get his way. As hard as he tried to appear gruff and contrary, he couldn’t hide the warm heart, true humility, and deep concern which lay at the core of his character and shaped his perspective. He was of rare intelligence and despite his efforts to play it down, we learned to recognize it and respect him well.

"Bob Swain may, as they say, have marched to a different drummer, and I can’t deny that sometimes – if he didn’t like the beat – he would just break the drum sticks. But this was to his credit, not otherwise. He was a man of honor and principle, who stood up for what he believed.

"This resolution is good, and it is appropriate. The Senator would appreciate it."
"Once he told me, in that challenging way of his — which was really his way to get you to think — that he knew not one of the members who could truthfully say anything good about him — especially none of the 'damn women' — and of course I agreed. I knew he might be thinking about a memorial resolution, so I told him not to worry because only the good die young, and since he would outlive us all, he didn't need to worry about our honesty in any such resolution.

"Bob Swain was a strong man with a powerful will and a determination to serve the people of this state, which he did honorable and well. Whether we agreed with him or not, we, as members of this legislative body which he loved so well, respected him and can take this opportunity to show it.

"As we walk these halls, many of us may share fond memories of Bob Swain, a self-assured man in a green coat, smoking a Salem, and reminding us that he means business with that famous two-finger gesture he used to make his point.

"I commend this resolution to you in memory of my friend Robert S. Swain — a man who was a friend to all old dogs, to all men, to me and whether he would admit it or not, to what he called the 'damn women' as well. I appreciate the privilege of calling Bob Swain a friend."

REMARKS BY REPRESENTATIVE NARVEL JIM CRAWFORD
MEMORIAL FOR SENATOR BOB SWAIN

"Mr. Speaker, Ladies, and Gentlemen,

"I would be remiss to duty to loyalty and to friendship if I did not rise for a brief moment to pay tribute to a singular mountain man.

"For Bob Swain encompassed a multitude of the ingredients of what we like to think of as the best in the human condition. He brought a fresh and unique perspective on issues due to his experience as a strong prosecutor and a dynamic defense attorney.

"And, oh! how he loved the challenge of championing the often unpopular cause for he took as his charge and vocation, the unending need to defend the weak, the unloved, and the defenseless.

"We have seen his creative hand at work in everything from introducing the indomitable and indigenous plot hound, as our state dog, to his untiring interest in and dedication to prison reformation. And he never lost sight of the biblical injunction that admonishes us to remember and to care for even the prisoners and captives.

"Bob Swain had a myriad of interests and loves, and none more intensely than this General Assembly. This was his home away from home, and we were his extended family. Many of us in this Chamber remember vividly that wonderful afternoon last year given in his honor at Treybern in Durham when we toasted and roasted him. He cherished that video, kept it close at hand, and showed it again and again to his friends and visitors and always with a renewed pride and pleasure and childlike joy."
“During his tenacious fight for life, the legislative process was his therapy and medicine; and if there could have been a cure, it would have been that as well. You could see it in the spring of his gait, the laughter in his eyes, and the excitation in his voice.

“He took great pains to hide his learning and erudition from us. But we are eternally grateful that he could never hide the real Bob Swain from us – the man who was at once creative and cantankerous, pugnacious and playful.

“In searching and struggling for some words which would be a proper epitaph, I suddenly realized that they had already been written. Actually, they were written by a wonderful wordsmith and a son of old England long ago and far away. But they convey to me beauty, power, and succinctness and they go something like this:

‘If you can talk with crowds and keep your virtue, or walk with kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much,
If you can fill the unforgiving minute with sixty seconds’ worth of distance run,
Yours is the earth and everything that’s in it,
and—which is more—you’ll be a man, my son!’

“Bob Swain was indeed a man...the likes of which will not soon pass our way again.”

(See Appendix for other remarks)

Representative Colton rises on a point of personal privilege and reads the following original composition reflecting the membership of the House.

SHOOTOUT AT G.A. CORRAL

“What made our Speaker, DAN, BLUE?
Why was the J.P. GREEN around the gills?
We were in the NARVEL position of having no money!
The budget was nowhere NYE in the BLACK....

“There was the usual FUSSELL;
to be FRANK, RHODES were getting more than schools.
Could CAROLYN RUSSELL up money from new sources?
We needed a wise BEARD and an EAGLE’s eye....

“Would JOHN GAMBLE on a lottery instead of an amusement tax?
GEORGE didn’t want a transfer tax on HOLMES,
TOMMY said that was too HARDAWAY to raise money.
LUEBKE said we shouldn’t rob PETER to pay PAUL...

“In spite of TIM’s TALLENT, we couldn’t get a–HOLT of a solution.
We never saw HARRY GRIMMER.
It was enough to turn LYONS GRAY and to FOYLE HIGHTOWER.
It gave HARRY PAYNE in the you–know–what.
Could JONI BOWIE us with her smile?
We could HUNT and HUNT and HUNT; in fact we sent out both our HUNTERs but at last report they were lost in the GREENWOOD without a BOWMAN.

“The signs were bad -- not a MARTIN was left in the BARNES;
SAM had retreated to his BURROUGHS.
HERMAN couldn’t get the GIST of the problem.
We said ‘ADOLPH, DIAL–a–prayer!’
but according to JOHN, CHURCH was out.
LEO said, “Have MERCER upon us.”
WILMOTH was reluctant to WADE in,
but LEWIS said all the BILLS would soon be due....
"FLETCHER wondered if there was a RAY of hope. Even with his ART, POPE couldn’t manage to reduce the deficit. In the HURLEY-burley, PETE said, ‘I don’t want to be HASTY.’ JOE talked about worse times to come, not the usual smart–ALEC WARNER but a real MAVRETIC....

"In order to FOSTER better spirits, DAVID ordered REDWINE and some Bloody MARY’s for an early Sunday brunch. This was enough to drive BRAD M.A.D.D.! Never one to be COY, PRIVETTE scotched that. We extended the nighttime drinking hours, for PETE’s sake, and ISENHOWER raised a STINE of BRU whereupon THERESA threatened an ESPOSITO....

"Opposing RICHARD on the subject of hotel guest room cabinets, MICHAUX said that would slip people a MICKEY and make every TOM, DICK and HARRY, maybe even ROBERT, BRAWLEY. DAN said he would remain pure as a LILLEY...

"Appropriations had a DIAMONT in DAVE. And in Finance, JOE told MILLER not to HACKNEY the tax issue, by GEORGE. JOHN had a bill to outlaw off-premise KERR sales. One member said he didn’t give a JOHN BROWN for tobacco taxes, but would RAMSEY LISTON?....

"LARRY sang ‘I looked over JORDAN and what did I see?’ to which DECKER responded ‘MICHAEL, row the boat ashore.’ ALBERTSON played ‘Amazing GRACE’.... "Not many Republicans were expected to vote for the budget but we thought STEPHEN WOOD...

"Some items we could DUB less vexing: PAUL demanded potty JUSTUS; ‘B’ said her bill would not clog up the schedule; GOTTOVI wasn’t KAREN for billboards on I-40; JERALDS outlawed beating the ole’ NICK out of babies in day care....

"Just as CHARLIE was ready to ring the BEALL. MARIE said, ‘enough of this BUNCOMBE. I move we adjourn.’"

4. a question of privilege.

RULE 8. Questions of Privilege.—Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed three minutes. Questions of privilege shall be, first those affecting the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence of all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

RULE 9. Points of Order.—(a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the Chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A two-thirds (2/3) vote of the members present shall be necessary to sustain any appeal from the ruling of the Chair.

(b) When the Speaker calls a member to order, the member shall take his seat except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the Chair and the
decision by a two-thirds (2/3) vote of the members present be in favor of the member called to order, he may proceed; if otherwise, he shall not; and if the case, in the judgment of the House, requires it, he shall be liable to censure by the House.

RULE 10. Limitations on Debate.—(a) No member shall speak on, debate, or solicit cosponsors for, a bill or resolution at its first reading.

(b) No member shall speak more than twice on the main question, nor longer than 30 minutes for the first speech and 15 minutes for the second speech; nor shall he speak more than twice upon an amendment or motion to reconsider, commit, appeal or postpone, and then not longer than 10 minutes for the first speech and five minutes for the second speech.

(c) A member may speak only once and for not more than 20 minutes on the question of the adoption of a minority report.

(d) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) and (c) of this rule during any debate on any particular question before the House.

RULE 11. Reading of Papers.—When there is a call for the reading of the text of a paper which has been presented to the House, and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. General Decorum.—(a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.

(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of or cross the House, nor when a member is speaking, engage in disruptive discourse or pass between the member and the Chair.

(d) Food or beverages shall not be permitted on the floor of the House.

(e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.

(f) Smoking or the consumption of food or beverages shall not be permitted in the galleries at any time.

(g) Special recitals, performances by musicians or other groups shall not be permitted on the floor of the House and special guests of members of the House shall not be permitted on the floor of the House.

(h) Members shall observe appropriate attire, coat and tie for male members and dignified dress for female members.
III. Motions

RULE 13. Motions Generally.—(a) Every motion shall be reduced to writing, if the Speaker or any two members request it. No motion relating to a bill shall be in order which does not identify the bill by its number and short title.

(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the Chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. Motions, Order of Precedence.—When there are motions before the House, the order of precedence is as follows:

To adjourn
To lay on the table
To postpone indefinitely
Previous question
To reconsider
To postpone to a day certain
To re–refer
To amend an amendment
To amend
To substitute
To pass the bill

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn.—(a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate, and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. Motion to Table.—(a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.
(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order, and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18, or to remove from the table approved by a two-thirds (2/3) vote.

RULE 17. Motion to Postpone Indefinitely.—A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18, or to place on the favorable calendar approved by a two-thirds (2/3) vote.

RULE 18. Motion to Reconsider.—(a) When a question has been decided, it is in order for any member to move for the reconsideration thereof, on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider, and a motion to reconsider:

(1) A vote upon a motion to table,

(2) A motion to postpone indefinitely,

(3) A motion to remove a bill from the unfavorable calendar,

(4) A motion that a bill be read twice on the same day, or

(5) A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended.

RULE 19. Previous Question.—(a) The previous question may be called only by the member submitting the report on the bill or other matter under consideration, by the member introducing the bill or other matter under consideration, or by the member in charge of the measure, who shall be designated by the Chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.
(b) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the "main question" is on the passage of the bill, resolution or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments and debate, except the motion to adjourn or motion to table or motion to postpone indefinitely made prior to the determination of the previous question.

(d) If the previous question is decided in the negative, the main question remains under debate.

IV. Voting

RULE 20. Use of Electronic Voting System.—(a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

(1) The passage as required by Article II, Section 23 of the Constitution of North Carolina, on second and third readings of any bill:
   a. Raising money on the credit of the State,
   b. Pledging the faith of the State for the payment of a debt,
   c. Imposing a State tax, or
   d. Authorizing a county, municipality, or other local governmental unit to
      1. Raise money on its credit,
      2. Pledge its faith for the payment of a debt, or
      3. Impose a local tax.

(2) All measures affecting a fee imposed by the State or any subdivision thereof.

(3) All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the Constitution of North Carolina has been sustained.

(4) Both second and third readings of bills proposing amendment of the Constitution of North Carolina or ratifying resolutions amending the Constitution of the United States.

(b) Votes on the following questions shall be taken on the electronic voting system:

(1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill
was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.

(2) Upon a call for division.

(3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth (1/5) of the members present.

(c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically when that time has expired. Once the system is locked, the vote shall be recorded and printed.

(d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station, or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic system shall be filed in the office of the Principal Clerk, and one copy shall be filed in the Legislative Library where it shall be open to public inspection.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic system, he shall announce that fact to the House and any partial electronic system voting record shall be voided. In such a case, if the Constitution of North Carolina or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. All other votes shall be taken by voice vote. If, after a vote is taken on the electronic system, it is discovered that a malfunction caused an error in the electronic system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.
For the purpose of identifying motions on which the vote is taken on the electronic system, the motions are coded as follows:

1. To adjourn
2. To lay on the table
3. To postpone indefinitely
4. Previous question
5. To reconsider
6. To postpone to a day certain
7. To re-refer
8. To amend an amendment
9. To amend
10. To substitute
11. To concur or not concur
12. Miscellaneous

RULE 21. Voice Votes; Stating Questions.—(a) When the electronic voting system is not used, the Speaker shall rise and put a question.

(b) The question shall be put in this form, namely, “Those in favor (as the question may be) will say ‘Aye’,” and after the affirmation voice has been expressed, “Those opposed will say ‘No’”.

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions.—(a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless he is in the chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division.—Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from his seat shall be counted.

RULE 24. Roll Call Vote.—(a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth
(l/5) of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill.—(a) Any member shall upon request be excused from the deliberations and voting on a particular bill, but to do so must make that request after the second reading of the bill and before any motion or vote on the bill or any amendment thereto. If the reason for the request arises at some point later in the proceedings, the request may be made at that time.

(b) The member may make a brief statement of the reasons for making that request. The member may send forward to the Principal Clerk, on a form provided by the Clerk, a concise statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(d) A member may request that his excuse from deliberations on a particular bill be withdrawn.

RULE 24.1B. Division of Amendments.—Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker.—In all elections the Speaker may vote. In all other instances he may exercise his right to vote, or he may reserve this right until there is a tie in which event he may vote, but in no instance may he vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally.—(a) The Speaker shall appoint a Chair, or Cochairs, of every standing committee and select committee, if any. In the construction of these rules, the word “Chair” as applied to a standing committee extends to and includes a Cochair of the standing committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) All permanent subcommittees of each standing committee shall be appointed by the Speaker and the members appointed, along with the Chair of the standing committee, shall constitute the standing committee of which the permanent subcommittee is a part. The Speaker shall appoint all members of permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.
(c) The Speaker shall appoint the members of all standing committees having no permanent subcommittees, at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(d) The first member announced on each permanent subcommittee shall be the Chair, and where the Speaker so desires he may designate one or more Vice-Chairs.

(e) Each Chair of a permanent subcommittee shall be a Vice-Chair of the standing committee of which it is a permanent subcommittee. The Speaker may name other members as Vice-Chairs of the standing committee. The Speaker may name one or more Vice-Chairs for any standing committee not having permanent standing subcommittees.

(f) The Chair of the standing committee shall be a voting member of each permanent subcommittee of the standing committee.

(g) Either the Chair or Acting Chair, designated by the Chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee.

(h) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

RULE 28. Standing Committee and Permanent Subcommittee Meetings.—(a) Standing committees and permanent subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule adopted by the Standing Committee on Rules, Appointments and Calendar. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Appointments and Calendar.

(b) Subject to the provisions of the subsection (c) of this Rule, standing committees and permanent subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees or permanent subcommittees.

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee or permanent subcommittee and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.

(d) Procedure in the standing committees and permanent subcommittee shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth (1/5) of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(e) No standing committee or permanent subcommittee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly-scheduled hour. No permanent subcommittee shall meet at the same time that its standing committee is meeting. Standing committees and permanent subcommittees
may meet at other times as authorized by the Chair of the Standing Committee on Rules, Appointments, and Calendar in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee and permanent subcommittee meetings shall adjourn no later than:

(1) 15 minutes preceding a regular session of the House, and

(2) 10 minutes preceding the hour of the next regularly-scheduled standing committee or permanent subcommittee meeting.

(g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative sessions shall be mailed to each member of the standing committee or permanent subcommittee at least five days prior to such meeting. If a member of the body so requests in writing to the Chair of the standing committee or permanent subcommittee, the member shall be notified by certified mail of the meetings.

(h) During standing committee and permanent subcommittee meetings the Chair may exercise his right to vote, or he may reserve this right until there is a tie, in which event he may vote, but in no instance may the Chair vote twice on the same question.

**RULE 28.1. Ethics Committee Investigations into Violations of the Open Meetings Law.**—(a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.

(b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against him and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

(1) Dismiss the complaint and take no further action.

(2) Issue a letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.

(3) Issue a letter of reprimand if the violation of the Open Meetings Law was intentional, or if the legislator has previously received a letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.
(4) Refer the matter to the House for appropriate action.

RULE 29. Notice of Standing Committee and Permanent Subcommittee Meetings and Hearings.—Public notice of all standing committee and permanent subcommittee meetings shall be given in the House. The Chair of the standing committee or permanent subcommittee shall notify or cause to be notified the sponsor of each bill which is set for hearing or consideration before the standing committee or permanent subcommittee as to the date, time, and place of that meeting.

RULE 29.1. Public Hearings.—(a) Requests for a public hearing shall be made in writing to the Chair of the standing committee and, if applicable, the Chair of the permanent subcommittee to which the bill has been referred. The Chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. The Chair of the permanent subcommittee may schedule a public hearing before the permanent subcommittee at its regularly-scheduled hour. Denial of a request made by a House member may be appealed to the Speaker.

Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press and information shall be posted in the places designated by the Principal Clerk.

(b) Persons desiring to appear and be heard at a public hearing shall submit their request to the Chair of the standing committee or permanent subcommittee. The standing committee or permanent subcommittee Chair may designate one or more members to arrange the order of appearance of interested parties. A brief, written statement of testimony may be submitted without oral presentation and shall be incorpo-rated in the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library.—The Chair of a standing committee or a permanent subcommittee shall insure that written minutes are compiled for each of the body's meetings. The minutes shall indicate the members present and the actions taken at the meeting. Not later than 20 days after the adjournment of each session of the General Assembly, the Chair shall deliver the minutes to the Legislative Library. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the Chair.

RULE 30. Standing Committee of the Whole House.—(a) A Standing Committee of the Whole House shall not be formed, except by suspension of the rules, if there be objection by any member.

(b) After passage of a motion to form a Standing Committee of the Whole House, the Speaker shall appoint a Chairperson to preside in the standing committee, and the Speaker shall leave the dais.

(c) The rules of procedure in the House shall be observed in the Standing Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.
(d) In the Standing Committee of the Whole House a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Standing Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the clerk on a separate paper as the same shall be agreed to by the standing committee, and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Introduction of Bills and Resolutions.—(a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk’s office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 8:30 o’clock p.m. each Monday, by 3:00 o’clock p.m. each Tuesday, Wednesday, Thursday, and Friday.

(d) In order to be eligible for consideration by the House during the first regular session, all Senate bills other than finance or appropriations

(e) This rule does not apply to bills establishing districts for Congress or State or local entities.

RULE 32. Reference to Standing Committee and to Permanent Subcommittees.—(a) Each bill, joint resolution, or House resolution not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee or permanent subcommittee as he deems appropriate.

(b) The standing committee Chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

1. Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;

Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After
a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee Chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee the bill shall be before that body for further action unless the permanent subcommittee Chair reports the bill directly pursuant to Rule 36.

(c) When a committee substitute is adopted by a permanent subcommittee or a standing committee for a bill which was introduced with no substantive provisions and the committee substitute deletes a majority of the provisions of the original bill and adds provisions that are not germane to the original bill, no further action may be taken by any standing committee or permanent subcommittee upon such bill until the 2nd legislative day thereafter.

RULE 33. Papers Addressed to the House.—Petitions, memorials and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be orally made by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

RULE 34. Introduction of Resolutions and Bills, Copies Required.—(a) Whenever any resolution or bill is introduced, a duplicate copy thereof shall be attached thereto, and the Principal Clerk shall cause said duplicate copy to be numbered as the original resolution or bill is numbered, and shall cause the same to be available at all times to the member introducing the same.

The Clerk shall stamp the copies with the number stamped upon the original bill.

Duplicating and Availability of Copies of Bills.—(a) The Legislative Administrative Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. The Legislative Administrative Officer shall cause one copy of each resolution and public bill for each legislator to be delivered to his clerk or secretary who shall place it in the appropriate notebook on the legislator's desk. If a legislator so requests, a second copy shall be delivered to his clerk or secretary who shall place it in the legislator's office. The remaining copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual legislators on request, and to the general public.
(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties. No public bill and, upon objection by a member, no local bill may be considered unless copies of the bill have been made available to the entire membership of the House.

RULE 36. Report by Standing Committee or Permanent Subcommittee.—All House bills and resolutions shall be reported from the standing committee or permanent subcommittee to which referred with such recommendations as the standing committee or permanent subcommittee may desire to make except in the case where the principal introducer requests in writing to the Chair of the standing committee or permanent subcommittee that the bill not be considered.

With the written approval of the Chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(4) through (6), the Chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the Chair of the standing committee fails to give his approval, the bill shall be deemed to have been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(a) Favorable Report. When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar for the next succeeding legislative day; except that committee substitutes for bills shall be placed on the favorable calendar for the second next succeeding legislative day after being reported. When a committee substitute is adopted and receives a favorable report by the committee or permanent subcommittee, the standing committee or permanent subcommittee Chair shall submit to the standing committee or permanent subcommittee the question of an unfavorable report on the original bill. The standing committee’s or permanent subcommittee’s action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(b) Report Without Prejudice. When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar.

If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

**RULE 36.1. Fiscal notes.—** (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee or of the Rules, Appointments, and Calendar Committee, upon the floor of the House may request that a fiscal analysis be made of a bill, resolution or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, when in the opinion of that Chair the fiscal effects of that measure are not apparent from the language of the measure.

(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Rules, Appointments, and Calendar Committee as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.

(d) A sponsor of a bill or amendment may deliver a copy of his bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when he files the bill or to the amendment when he moves its adoption.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing his objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.
(f) Subsection (a) of this rule shall not apply to the current operations appropriations bill or the capital improvements appropriations bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.

RULE 36.2. Actuarial Notes. (a) Every bill or resolution proposing any change in the law relative to any:

(1) State, municipal or other retirement system funded in whole or in part out of public funds; or

(2) Program of hospital, medical, disability or related benefits provided for teachers and State employees, funded in whole or in part by State funds;

shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or any permanent subcommittee, shall be separate therefrom, and shall be clearly designated as an actuarial note.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with his request for an actuarial note, to the Fiscal Research Division which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure’s sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the
note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any permanent subcommittee or standing committee reports a measure to which an actuarial note is attached at the time of permanent subcommittee or standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, the Chair of the permanent subcommittee or standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State–administered retirement or pension system, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

(c) Action on Amendment Before Re-Referral. If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House must be referred to the Standing Committees on Appropriations or Standing Committee on Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.
RULE 39. Representatives proposing candidates for nomination are responsible for notifying their candidates of the deadline for nominations and the interview date and times. During the interviews, the Subcommittee shall confirm that each candidate for nomination is willing and able to serve and has no statutory disability.

5. After the interview process is complete, the Subcommittee shall vote to determine whether each person proposed shall be recommended to the Education Committee for placement on the House ballot. In those instances where more than one person has been proposed as a candidate for a vacancy, the Subcommittee shall recommend at least two candidates for that vacancy to the Education Committee for placement on the ballot. When the Subcommittee recommends more than one candidate for any vacancy, the Subcommittee shall vote to recommend to the Education Committee whether each person proposed shall be placed on the House ballot as a "Recommended Nominee" or a "Nominee". A majority vote of the members of the Subcommittee who are present and voting shall constitute one a
“Recommended Nominee” or a “Nominee”, as the Subcommittee shall determine.

6. The recommendations of the Subcommittee shall be placed before the Education Committee. In those instances where more than one person was proposed to the Subcommittee as a candidate for a vacancy, the Education Committee shall place at least two nominees for the vacancy on the House ballot. The procedures and rules for voting for a slate of nominees and the designation of a nominee as a “Recommended Nominee” or “Nominee” for the House ballot are as set out for the Subcommittee in paragraph 5.

7. The Chairman of the Subcommittee shall contact the members of the General Assembly who proposed the candidates nominated for election by the House of Representatives and ascertain whether they would serve if elected. Any nominee may withdraw his name without the approval of the person who proposed his name.

II. ELECTIONS IN THE HOUSE OF REPRESENTATIVES.

1. A list of nominees shall be prepared under the supervision of the Chairman of the Subcommittee for the information of the House of Representatives.

2. The list shall be composed of nominees proposed by the Education Committee who have consented to run and for whom the House is entitled to vote. Their names shall be arranged (a) by category and (b) within each category, alphabetically by surname. Where more than one nominee is listed for any vacancy, the list shall contain the designation “Recommended Nominee” or “Nominee” as the Education Committee shall have determined.

3. The House of Representatives shall hold its election after being notified by Special Messenger that the Senate has completed its election. Before the voting begins, the Speaker of the House of Representatives shall explain the voting rules, which are:

   (i) No nomination shall be received from the floor.
   (ii) In order to be chosen, a nominee must receive the votes of a majority of all members present and voting for his category.
   (iii) Each member present and voting shall vote for as many nominees as there are positions to be filled in each category.
   (iv) When a member for a category containing a single position is to be chosen and no nominee receives a majority of the votes cast for all the nominees in that category, a runoff shall be conducted between the person receiving the highest and the person receiving the second highest number of votes cast.
   (v) When fewer than two nominees in the women members category, two nominees in the minority race category, or four nominees in the at-large category receive the votes of a majority of all members present and voting for positions in that category, a runoff to fill the open position or positions shall
be conducted among the nominees receiving the highest number of votes cast, and the number of nominees eligible to be voted on in the runoff shall be twice the number of positions to be filled.

(For the purpose of illustration, if when the first ballot is taken, no nominee in the at-large category receives a majority, then the top eight vote getters in the at-large category will be in the runoff because there must be twice the number of persons in the runoff that there are positions to be filled and the House has four such positions to fill. If one person receives the votes of a majority of all members present and voting for that category, then he is elected and a runoff will be held among the six next highest vote getters. This is so because there are three positions remaining to be filled and there must be twice the number of nominees in the runoff that there are positions available, therefore four.)

(vi) If there is a tie for the last position between two nominees who are eligible for the next runoff, both nominees shall be included in the next runoff, even though there would thereby be more than two nominees per available position on the Board of Governors.

(vii) When more than two nominees in the women’s category, two nominees in the minority race category, or four nominees in the at-large category receive the votes of a majority of all members present and voting for positions in that category, then the nominees receiving the highest number of votes in that category shall be deemed to have been chosen.

4. The members of the House of Representatives shall proceed to vote by roll call for the following:

Two persons in the minority race category for four-year terms; and

Two women for four-year terms; and

Four persons in the at-large category for four-year terms.

5. The Chairman of the Subcommittee shall be responsible for canvassing the vote and declaring the results thereof.

6. When the Chairman of the Subcommittee has determined that the House of Representatives has chosen two members of the Board of Governors from the minority race category for four-year terms, two members of the Board from the women’s category for four-year terms, and four members of the Board from the at-large category for four-year terms, the Speaker of the House shall declare those eight persons to have been elected by the House of Representatives to the indicated positions and for the indicated terms.

7. The results of the election in the House of Representatives shall then be sent by Special Messenger to the Senate.
III. NOTIFICATION OF ELECTION RESULTS.

When the election process is complete, the Chairman of the Subcommittee shall notify the Secretary of the Board of Governors of The University of North Carolina of the names of the persons elected by the House of Representatives and the category for which and term for which each of them was elected.

Sec. 2. This resolution is effective upon adoption.

H.R. 1314, A HOUSE RESOLUTION HONORING THE MEMORY OF STEPHEN CABARRUS AND THE COUNTY OF CABARRUS AS IT PREPARES FOR ITS BICENTENNIAL OBSERVANCE.

Whereas, Cabarrus County was formed on December 29, 1792, from Mecklenburg County and was named in honor of Stephen Cabarrus of Chowan County, then the distinguished Speaker of the House of Commons; and

Whereas, the Cabarrus County area was formerly a part of New Hanover, Bladen, Anson, and Mecklenburg Counties, and was first settled in 1732 by Scotch-Irish and German pioneers who travelled from Pennsylvania along the Great Wagon Road; the earliest settlers were soon joined by Swiss, English, and Welsh pioneers; and

Whereas, all those early adventurers brought with them a strong devotion to family and church, and a love of country; they were Presbyterian, Lutheran, German Reformed, Baptist, and Methodist, and once their homes were built, they built great churches whose doors are still open for worship; and

Whereas, Cabarrus County was still a part of Mecklenburg County on May 20, 1775, and participated through distinguished delegates in preparing and signing resolutions now known to history as the Mecklenburg Declaration of Independence, and provided both continental soldiers and large numbers of militia during the American Revolution; and

Whereas, men and women from Cabarrus County have answered their country’s call to the colors in every armed conflict from the War of 1812 through the Desert Storm operation, and have served with valor and distinction; and

Whereas, gold was first discovered in Cabarrus County in 1799, which began the Carolina Gold Rush, the history of which is preserved in the Reed Gold Mine State Historic Site; and

Whereas, there are within the county great sports facilities at Charlotte Motor Speedway and Concord Motor Speedway, and great manufacturing plants for Fieldcrest Cannon, Inc., and Phillip Morris U. S. A.; and

Whereas, the people of the county retain the characteristics of independent spirit, loyalty, patriotism, and strong religious values, are
proud of their history and are preserving at great expense their historic 1876 Courthouse, and seek to remember their heritage and claim a bright future; and

Whereas, a bicentennial committee is planning celebrations and observances for the entire year of 1992, collecting and preserving their historic records, and publishing accounts of the early history of the county;

Now, therefore, be it resolved by the House of Representatives:

Section 1. The North Carolina House of Representatives wishes to honor the citizens of Cabarrus County as they plan and celebrate their bicentennial.

Sec. 2. The Principal Clerk shall transmit a certified copy of this resolution to the County of Cabarrus and to the Bicentennial Committee.

Sec. 3. This resolution is effective upon adoption.

4. To maintain, store, repair, dispose of, and replace state-owned motor vehicles under the control of the Department. The Department shall ensure that state-owned vehicles are not normally replaced until they have been driven for 90,000 miles or more.

5. Upon proper requisition, proper showing of need for use on State business only, and proper showing of proof that all persons who will be driving the motor vehicle have valid drivers' licenses, to assign suitable transportation, either on a temporary or permanent basis, to any State employee or agency. An agency assigned a motor vehicle may not allow a person to operate that motor vehicle unless that person displays to the agency and allows the agency to copy that person's valid driver's license. Notwithstanding G.S. 20-30(6), persons or agencies requesting assignment of motor vehicles may photostat or otherwise reproduce drivers' licenses for purposes of complying with this subpart.

As used in this subpart, 'suitable transportation' means the standard vehicle in the State motor fleet, unless special towing provisions are required by the employee or agency. The Department may not assign any employee or agency a motor vehicle that is not suitable. The Department shall not approve requests for vehicle
assignment or reassignment when the purpose of that assignment or reassignment is to provide any employee with a newer or lower mileage vehicle because of his or her rank, management authority, or length of service or because of any non-job-related reason. The Department shall not assign "special use" vehicles, such as four-wheel drive vehicles or law enforcement vehicles, to any agency or individual except upon written justification, verified by historical data, and accepted by the Secretary.

6. To allocate and charge against each State agency to which transportation is furnished, on a basis of mileage or of rental, its proportionate part of the cost of maintenance and operation of the motor pool.

The amount allocated and charged by the Department of Administration to State agencies to which transportation is furnished shall be at least as follows:

I. Pursuit vehicles and full size 4-wheel four-wheel drive vehicles — $.24/mile.
II. Vans and compact 4-wheel four-wheel drive vehicles — $.22/mile.
III. All other vehicles — $.20/mile.

7. To adopt, with the approval of the Governor, reasonable rules for the efficient and economical operation, maintenance, repair, and replacement replacement, as limited in paragraph 4. of this subdivision, of all state-owned motor vehicles under the control of the Department, and to enforce those rules; and to adopt, with the approval of the Governor, reasonable rules regulating the use of private motor vehicles upon State business by the officers and employees of State agencies, and to enforce those rules. The Department, with the approval of the Governor, may delegate to the respective heads of the agencies to which motor vehicles are permanently assigned by the Department the duty of enforcing the rules adopted by the Department pursuant to this paragraph. Any person who violates a rule adopted by the Department and approved by the Governor is guilty of a misdemeanor, and upon conviction is punishable in the discretion of the court.

7a. To adopt with the approval of the Governor and to enforce rules and to coordinate State policy regarding (i) the permanent assignment of state-owned passenger motor vehicles and (ii) the use of and reimbursement for those vehicles for commuting: the limited commuting permitted by this subdivision. For the purpose of this subdivision 7a, 'state-owned passenger motor vehicle' includes any state-owned passenger motor vehicle, whether or not owned, maintained or controlled by the Department of Administration, and regardless of the source of the funds used to purchase it. Notwithstanding the provisions of G.S. 20-190 or any other provisions of law, all state-owned passenger motor vehicles are subject to the provisions of this subdivision 7a; no permanent assignment shall be made and no one shall be exempt from payment of reimbursement for commuting or from the other provisions of this subdivision 7a except as provided by this subdivision 7a. Commuting, as defined and regulated by this subdivision, is limited to those specific cases in which the Secretary has received and accepted written justification, verified by historical data. The Department shall not assign any state-owned motor vehicle that may be used for commuting other than those authorized by the procedure prescribed in this subdivision.
A State-owned passenger motor vehicle shall not be permanently assigned to an individual who is likely to drive it on official business at a rate of less than 12,600 miles per year or 3,150 miles per quarter unless (i) the individual’s duties are routinely related to public safety or (ii) the individual’s duties are likely to expose him routinely to life-threatening situations. A State-owned passenger motor vehicle shall also not be permanently assigned to an agency that is likely to drive it on official business at a rate of less than 12,600 miles per year or 3,150 miles per quarter unless the agency can justify to the Division of Motor Fleet Management the need for permanent assignment because of the unique use of the vehicle. The Department of Administration shall verify, on a quarterly basis, that each motor vehicle has been driven at the minimum allowable rate. If it has not and if the department by whom the individual to which the car is assigned is employed or the agency to which the car is assigned cannot justify the lower mileage for the quarter in view of the minimum annual rate, the permanent assignment shall be revoked immediately.

Every individual who uses a State-owned passenger motor vehicle, pickup truck, or van to drive between his official work station and his home, shall reimburse the State for these trips at a rate computed by the Department. This rate shall approximate the benefit derived from the use of the vehicle as prescribed by federal law. Reimbursement shall be for 20 days per month regardless of how many days the individual uses the vehicle to commute during the month. Reimbursement shall be made by payroll deduction. Funds derived from reimbursement on vehicles owned by the Motor Fleet Management Division shall be deposited to the credit of the Division; funds derived from reimbursements on vehicles initially purchased with appropriations from the Highway Fund and not owned by the Division shall be deposited in a Special Depository Account in the Department of Transportation, which shall revert to the Highway Fund; funds derived from reimbursement on all other vehicles shall be deposited in a Special Depository Account in the Department of Administration which shall revert to the General Fund. Commuting, for purposes of this paragraph, does not include those individuals whose office is in their home, as determined by the Department of Administration, Division of Motor Fleet Management. Also, this paragraph does not apply to the following vehicles: (i) clearly marked police and fire vehicles, (ii) delivery trucks with seating only for the driver, (iii) flatbed trucks, (iv) cargo carriers with over a 14,000 pound capacity, (v) school and passenger buses with over 20 person capacities, (vi) ambulances, (vii) hearses, (viii) bucket trucks, (ix) cranes and derricks, (x) forklifts, (xi) cement mixers, (xii) dump trucks, (xiii) garbage trucks, (xiv) specialized utility repair trucks (except vans and pickup trucks), (xv) tractors, (xvi) unmarked law enforcement vehicles that are used in undercover work and are operated by full-time, fully sworn law enforcement officers whose primary duties include carrying a firearm, executing search warrants, and making arrests, and (xvii) any other vehicle exempted under Section 274(d) of the Internal Revenue Code of 1954, and Federal Internal Revenue Services regulations based thereon. The Department of Administration, Division of Motor Fleet Management, shall report quarterly to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division of the Legislative Services Office on individuals who use State-owned passenger motor vehicles,
pickup trucks, or vans between their official work stations and their homes, who are not required to reimburse the State for these trips.

The Department of Administration shall revoke the assignment or require the Department owning the vehicle to revoke the assignment of a State-owned passenger motor vehicle, pick-up truck or van to any individual who:

I. Uses the vehicle for other than official business except in accordance with the commuting rules;

II. Fails to supply required reports to the Department of Administration, or supplies incomplete reports, or supplies reports in a form unacceptable to the Department of Administration and does not cure the deficiency within 30 days of receiving a request to do so;

III. Knowingly and willfully supplies false information to the Department of Administration on applications for permanent assignments, commuting reimbursement forms, or other required reports or forms;

IV. Does not personally sign all reports on forms submitted for vehicles permanently assigned to him and does not cure the deficiency within 30 days of receiving a request to do so;

V. Abuses the vehicle; or

VI. Violates other rules or policy promulgated by the Department of Administration not in conflict with this act.

A new requisition shall not be honored until the Secretary of the Department of Administration is assured that the violation for which a vehicle was previously revoked will not recur.

The Department of Administration, with the approval of the Governor, may delegate, or conditionally delegate, to the respective heads of agencies which own passenger motor vehicles or to which passenger motor vehicles are permanently assigned by the Department, the duty of enforcing all or part of the rules adopted by the Department of Administration pursuant to this subdivision 7a. The Department of Administration, with the approval of the Governor, may revoke this delegation of authority.

Prior to adopting rules under this paragraph, the Secretary of Administration may consult with the Advisory Budget Commission.

8. To adopt and administer rules for the control of all state-owned passenger motor vehicles and to require State agencies to keep all records and make all reports regarding motor vehicle use as the Secretary deems necessary.

9. To acquire motor vehicle liability insurance on all State-owned motor vehicles under the control of the Department.

10. To contract with the appropriate State prison authorities for the furnishing, upon such conditions as may be agreed upon from time to time between such State prison authorities and the Secretary, of prison labor for use in connection with the operation of a central motor pool and related activities.

11. To report annually to the General Assembly on any rules adopted, amended or repealed under paragraphs 3, 7, or 7a of this subdivision."

§ 105-213. Appropriation to counties and municipalities; use of appropriation.

(a) There is annually appropriated from the General Fund to counties and municipalities the amount of revenue collected under this Article during the preceding fiscal year, plus an amount equal to forty percent (40%) of the tax collected on accounts receivable during the preceding fiscal year and less an amount equal to the costs during the preceding fiscal year of:

(1) Refunds made during the fiscal year of taxes levied under this Article.

(2) The Department of Revenue to collect and administer the taxes levied under this Article.

(3) The Department of Revenue in performing the duties imposed by Article 15 of this Chapter.

(4) The Property Tax Commission.

(5) The Institute of Government in operating a training program in property tax appraisal and assessment.

(6) The personnel and operations provided by the Department of State Treasurer for the Local Government Commission.

The appropriation shall be distributed by August 30 of each year. The appropriation shall be included in the Current Operations Appropriations Act.

To distribute the appropriation, the Secretary of Revenue shall keep a separate record by counties of the taxes collected under this Article and shall certify to the State Controller and to the State Treasurer the amount to be distributed to each county and municipality in the State. The State Controller shall then issue a warrant on the State Treasurer to each county and municipality in the amount certified.

The Secretary shall allocate the amount appropriated under this Article to the counties according to the county in which the taxes were collected. The Secretary shall then increase the amount allocable to each county by a sum equal to forty percent (40%) of the amount of tax on accounts receivable allocated to the county on the basis of collections. The amount so allocated to each county shall in turn be divided between the county and the municipalities in the county in proportion to the total amount of ad valorem taxes levied by each during the fiscal year preceding the distribution. In dividing these amounts between each county and its municipalities, the Secretary shall treat taxes levied by a merged school administrative unit described in G.S. 115C-513 in a part of the unit located in a county as taxes levied by the county in which that part is located. For the purpose of computing the distribution of the intangibles tax to any county and the municipalities located in the county for any
year with respect to which the property valuation of a public service company is the subject of an appeal pursuant to the provisions of the Machinery Act, or to applicable provisions of federal law, and the Department of Revenue is restrained by operation of law or by a court of competent jurisdiction from certifying such valuation to the county and municipalities therein, the Department shall use the last property valuation of such public service company which has been so certified in order to determine the ad valorem tax levies applicable to such public service company in the county and the municipalities therein.

The chairman of each board of county commissioners and the mayor of each municipality shall report to the Secretary of Revenue information requested by the Secretary to enable the Secretary to distribute the amount appropriated by this section. If a county or municipality fails to make a requested report within the time allowed, the Secretary may disregard the county or municipality in distributing the amount appropriated by this section. The amount distributed to each county and municipality shall be used by the county or municipality in proportion to property tax levies made by it for the various funds and activities of the county or municipality, unless the county or municipality has pledged the amount to be distributed to it under this section in payment of a loan agreement with the North Carolina Solid Waste Management Capital Projects Financing Agency. A county or municipality that has pledged amounts distributed under this section in payment of a loan agreement with the Agency may apply the amount the loan agreement requires.

(b) For purposes of this section, the term 'municipality' includes any urban service district defined by the governing board of a consolidated city-county, and the amounts due thereby shall be distributed to the government of the consolidated city-county."

A person who holds a State contract for the sale of motor fuel to be used in State-owned motor vehicles for State business shall invoice motor fuel sold to the State for this purpose at the prevailing contract price, excluding the tax, and a person who does not hold a State contract for the sale of motor fuel to be used in State-owned motor vehicles for State business but who sells motor fuel for this purpose in quantities not sufficient to require a State contract shall invoice motor fuel sold to the State at the lowest informal bid price, excluding the tax.

If one of these beverages may be licensed to be sold at retail in a city located in a county in which the sale of the beverage is otherwise prohibited, only the city shall receive a portion of the amount appropriated, that portion to be determined on the basis of population. If the defined area in a county is a city, the reduction in the amount that would otherwise be appropriated to the county under subsection (a) shall be based on population instead of area.

(c) Exception. — Notwithstanding subsection (a), in a county in which ABC stores have been established by petition, the amount appropriated shall be distributed as though the entire county had approved the retail sale of a beverage whose retail sale is authorized in part of the county.

(d) Time. — The appropriation shall be distributed to cities and counties within 60 days after September 30 of each year.

(e) Population Estimates. — To determine the population of a city or county for purposes of the distribution required by this section, the Secretary shall use the most recent annual estimate of population certified by the State Budget Officer.

(f) City Defined. — As used in this section, the term 'city' means a city as defined in G.S. 153A-1(1) or an urban service district defined by the governing body of a consolidated city-county.

The departments shall report to the Joint Legislative Commission on Governmental Operations upon the receipt of these assets and, before using these assets, shall report the intended use of these assets and the departmental priorities on which the assets may be expended.

The General Assembly finds that the use of these assets for new projects, the acquisition of real property, repair of buildings where such repair includes structural change, and construction of or additions to buildings may result in additional expenses for the State in future fiscal periods; therefore, the Department of Justice and the Department of Crime Control and Public Safety are prohibited from using these assets for such purposes without the prior approval of the General Assembly.

(b) This section does not apply to the extent that it prevents North Carolina law enforcement agencies from receiving funds from the United States Department of Justice pursuant to 19 U.S.C. § 1616a.

(h) Exceptions to Service Limitations, Eligibility Requirements, and Payments. Service limitations, eligibility requirements, and payments, and payments bases in this section may be waived by the Department of Human Resources, with the approval of the Director of the Budget, to allow the Department to carry out pilot programs for prepaid health plans or community based services programs in accordance with plans approved by the United States Department of Health and Human Services, or when the Department determines that such a waiver will result in a reduction in the total Medicaid costs for the recipient.

(i) Volume Purchase Plans and Single Source Procurement. The Department of Human Resources, Division of Medical Assistance, may, subject to the approval of a change in the State Medicaid Plan, contract for services, medical equipment, supplies, and appliances by implementation of volume purchase plans, single source procurement or other similar processes in order to improve cost containment.

(j) Cost Containment Programs. The Department of Human Resources, Division of Medical Assistance, may undertake cost containment programs including
preamissions to hospitals and prior approval for certain outpatient surgeries before
they may be performed in an inpatient setting.

(k) For all Medicaid eligibility classifications for which the federal poverty level
is used as an income limit for eligibility determination, the income limits will be up-
dated each July 1 immediately following publication of federal poverty guidelines.

(l) Effective January 1, 1988, the Department of Human Resources shall pro-
vide Medicaid to 19–, 20–, and 21–year-olds in accordance with federal rules and
regulations.

(m) The Department of Human Resources shall provide coverage to pregnant

five percent (185%) of the federal poverty guidelines as revised each July

hundred eighty-five percent (185%) of the federal poverty guidelines as
revised each July 1, shall be covered for Medicaid benefits;

3. Children aged 1 through 5 with family incomes equal to or less than one
hundred thirty-three percent (133%) of the federal poverty guidelines as
revised each July 1 shall be covered for Medicaid benefits; and

4. Children aged 6 through 18 who were born after September 30, 1983,
with family incomes equal to the federal poverty guidelines as revised
each July 1, shall be covered for Medicaid benefits.

nancy but include only those related to pregnancy and to those other conditions deter-
mined by the Department as conditions that may complicate pregnancy. In order to

to pregnant women, to infants, and to children eligible under this section, no re-
sources test shall be applied.

from program services to support the cost of administrative activities to the extent

GENERAL REDUCTIONS AND SAVINGS/RULES

Sec. 95. The Department of Human Resources, Division of Medical Assis-

FAMILY SUPPORT ACT

Sec. 96. (a) Section 229 of Chapter 1014 of the 1985 Session Laws is amended
by adding a new subsection to read:

"(d) If any provision of this section is held invalid by a court of competent jurisdic-
tion, the invalidity shall not affect the remaining provisions of this section that can be
given effect."

(b) The General Assembly finds that it is in the best interest of the State and of
all its citizens to encourage recipients of Aid to Families with Dependent Children to
obtain jobs and become self–sufficient. It further finds that, by continuing medical
assistance and providing limited wage assistance to those recipients who are work-
ing, the State will make it possible to help many recipients to be able to keep their
jobs, support their families, and become self–sufficient.

(c) The Social Services Commission shall adopt rules to change the way it bud-
gets Aid to Families with Dependent Children payments that will result in more
recipients being able to find work and keep working. These rules shall include sub-
tracting countable income from the State standard of need, and paying a percentage
of the difference. The percentage that shall be applied to determine the amount of assistance shall be the same percentage set in the Current Operations Appropriations Act that determines the Aid to Families of Dependent Children payment level from the standard of need.

Requested by: Representatives Nye, Easterling, Senator Richardson

-----RETROSPECTIVE ACCOUNTING ADJUSTMENT

Sec. 97. The family may have no more than a total of $300.00 in liquid assets in order to qualify for any Emergency Assistance pursuant to this section.

It is the intent of the General Assembly that these Emergency Assistance funds shall only be used to provide assistance to persons to alleviate an emergency. (a) Of the funds appropriated to the Department of Human Resources, Division of Social Services for Child Protective Services in this Title, the Division shall use up to $175,900 in each fiscal year of the 1991-93 biennium to provide consultation and technical assistance to county departments of social services to strengthen and support local child protective services. The remaining funds shall be allocated to the county departments of social services as follows:

1. $10,000 for the 1991-92 fiscal year and $10,000 for the 1992-93 fiscal year shall be allocated to each of the 15 county departments that did not receive an allocation of the 1985 State appropriation for child protective services;

2. In addition, each of the 100 county departments shall receive an allocation of $10,000 for the 1991-92 fiscal year and $10,000 for the 1992-93 fiscal year;

3. The balance of available funds shall be allocated to each county department based upon the percentage that the total number of abuse and neglect reports within that county represents to the statewide total number of abuse and neglect reports. These percentages shall be computed from the reports received by the Central Registry of Abuse and Neglect cases for the last two fiscal years.

(b) Funds allocated to county departments of social services pursuant to this section shall be used for staff carrying out investigations of reports of child abuse or neglect or providing protective or preventive services in cases in which the department confirms neglect, abuse, or dependency. If a county department demonstrates that it has adequate protective services staff, these funds may be used to purchase or provide treatment and other support services to children and their families in confirmed cases. All expenditures shall be directly in support of the department's program of protective services for children. These funds shall not be used to supplant any Social Services Block Grant funds or county appropriations previously budgeted for protective services for children.

(c) The Department of Human Resources, Division of Social Services, shall establish criteria and guidelines to assure that the allocations to county departments of social services are used in accordance with the intent and purposes of this section.

The formula for the disbursement of these funds shall be based on the assumption that the State is committed to paying allowable foster care maintenance costs and shall do so, to the extent that State and federal funds are available; and

In any year that State and federal funds are not sufficient to pay each agency's allowable foster care maintenance costs, each participating agency's rate shall be reduced by the same percentage, so that each agency receives the same percentage of its allowable costs.

WILLIE M.

Sec. 107. (a) Legislative Findings. The General Assembly finds:

(1) That there is a need in North Carolina to provide appropriate treatment and education programs to children under the age of 18 who suffer from emotional, mental, or neurological handicaps accompanied by violent or assaultive behavior;
(2) That children meeting these criteria have been identified as a class in the case of Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al.; and

(3) That these children have a need for a variety of services, in addition to those normally provided, that may include but are not limited to residential treatment services, educational services, and independent living arrangements.

(b) Funds appropriated by the General Assembly to the Department of Human Resources for serving members of the Willie M. Class shall be expended only for programs serving members of the Willie M. Class identified in Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al., including evaluations of potential class members. The Department shall reallocate these funds among services to Willie M. Class members during the year as it deems advisable in order to use the funds efficiently in providing appropriate services to Willie M. Class children.

(c) Funds for Department of Public Education. Funds appropriated to the Department of Public Education in this act for members of the Willie M. Class, are to establish a supplemental reserve fund to serve only members of the class identified in Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al. These funds shall be allocated by the State Board of Education to the local education agencies to serve those class members who were not included in the regular average daily membership and the census of children with special needs, and to provide the additional program costs which exceed the per pupil allocation from the State Public School Fund and other State and federal funds for children with special needs.

(d) The Department of Human Resources shall continue to implement its prospective unit cost reimbursement system and shall ensure that unit cost rates reflect reasonable costs by conducting cost center service type rate comparisons and cost center line item budget reviews as may be necessary, and based upon these reviews and comparisons, the Department shall reduce and/or cap rates to programs which are significantly higher than those rates paid to other programs for the same service. Any exception to this requirement shall be approved by the Director of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, and shall be reported in the Department’s annual joint report to the Governor and the General Assembly and in any periodic report the Department may make to the Joint Legislative Commission on Governmental Operations.

(d1) The Department of Human Resources shall implement a process to review those cases for whom treatment has been recommended whose annual cost is anticipated to be in excess of one hundred fifty percent (150%) of the average annual per client expenditure of the previous fiscal year and shall take actions to reduce these treatment costs where appropriate.

(e) Reporting Requirements. The Department of Human Resources and the Department of Public Education shall submit, by May 1 of each fiscal year, a joint report to the Governor and the General Assembly on the progress achieved in serving members of the Willie M. Class. The report shall include the following unduplicated data for each county: (i) the number of children nominated for the Willie M. Class; (ii) the number of children actually identified as members of the Class in each county; (iii) the number of children served as members of the Class in each county; (iv) the number of children who remain unserved or for whom additional services are needed in order to be determined to be appropriately served; (v) the types and locations of treatment and education services provided to Class members; (vi) the cost of services, by type, to members of the Class and the maximum and minimum rates paid to providers for each service; (vii) the number of cases whose treatment costs were in excess of one hundred fifty percent (150%) of the average annual per client expenditure; (viii) information on the impact of treatment and education services on members of the Class; (ix) an explanation of, and justification for, any waiver of departmental rules that affect the Willie M. program; and (x) the total State funds expended, by program, on Willie M. Class members, other than those funds specifically appropriated for the Willie M. programs and services.
From existing funds available to it, the Department of Human Resources shall begin a process to document and assess individual class members' progress through the continuum of services. Standardized measures of functioning shall be administered periodically:

1. In the 1991–92 fiscal year, to a representative sample of class members;
2. In the 1992–93 fiscal year and thereafter, to each member of the class, and the information generated from these measures shall be used to assess client progress and program effectiveness.

The Departments of Human Resources and Public Education shall provide periodic reports of expenditures and program effectiveness on behalf of the Willie M. Class to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division. As part of these reports, the Departments shall explain measures they have taken to control and reduce program expenditures.

In fulfilling the responsibilities vested in it by the Constitution of North Carolina, the General Assembly finds:

1. That the General Assembly has evaluated the known needs of the State and has endeavored to satisfy those needs in comparison to their social and economic priorities; and
2. That the funds appropriated will enable the development and implementation of placement and services for the class members in Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al., within a reasonable period of time considered within the context of the needs of the class members, the other needs of the State and the resources available to the State.

The General Assembly supports the efforts of the responsible officials and agencies of the State to meet the requirements of the court order in Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al. To ensure that Willie M. Class members are appropriately served, no State funds shall be expended on placement and services for Willie M. Class members except:

1. Funds specifically appropriated by the General Assembly for the placement and services of Willie M. Class members; and
2. Funds for placement and services for which Willie M. Class members are otherwise eligible.

This limitation shall not preclude the use of unexpended Willie M. funds from prior fiscal years to cover current or future needs of the Willie M. program subject to approval by the Director of the Budget. These Willie M. expenditures shall not be subject to the requirements of G.S. 143-18.

Notwithstanding any other provision of law, if the Department of Human Resources determines that a local program is not providing appropriate services to members of the class identified in Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al., the Department may ensure the provision of these services through contracts with public or private agencies or by direct operation by the Department of such programs.

The Department of Human Resources and the Department of Public Instruction shall submit a plan to the General Assembly by April 1, 1992, outlining specific steps that are to be taken, within a specified time period, and within existing resources, to meet its obligation of providing appropriate services to class members. As part of this plan, the Department shall propose when and how the Willie M. program shall become fully self-regulating and self-monitoring.

Requested by: Representatives Nye, Easterling, Senator Richardson

Sec. 108. The Office of State Auditor shall conduct a follow-up study of its 1990 performance audit of the Willie M. program to determine, along with other issues the Auditor considers appropriate, the following:

1. To what extent the range of reimbursement rates paid to area programs for similar types of services has been reduced;
(2) To what extent the process implemented by the Department of Human Resources to review high-cost Willie M. clients has been effective in reducing the number of these clients and the costs of providing these clients services; and

(3) To what extent a client evaluation process has been implemented by the Department of Human Resources and with what results.

The Auditor may also conduct an analysis of costs associated with providing services to a sample of clients, including high-cost clients, to determine the justification of the costs incurred. The Auditor shall submit the findings of this follow-up study of the Willie M. program to the General Assembly by February 15, 1993.

--------DAY CARE RATES

Sec. 125. (a) Rules for the monthly schedule of payments for the purchase of
day care services for low-income children shall be established by the Social Services
Commission pursuant to G.S. 143B–153(8)a., in accordance with the following re-
quirements:

(1) For day care facilities, as defined in G.S. 110–86(3), in which fewer
than fifty percent (50%) of the enrollees are subsidized by State or federal
funds, the State shall continue to pay the same fee paid by private
paying parents for a child in the same age group in the same facility.

(2) Facilities in which fifty percent (50%) or more of the enrollees are sub-
sidized by State or federal funds may choose annually one of the following
payment options:
a. The facility's payment rate for fiscal year 1985–86; or
b. The market rate, as calculated annually by the Division of Facility
Services' Child Day Care Section in the Department of Human
Resources.

(3) A market rate shall be calculated for each county and for each age group
or age category of enrollees and shall be representative of fees charged to
unsubsidized private paying parents for each age group of enrollees with-
in the county. The county market rates shall be calculated from facility
fee schedules collected by the Child Day Care Section on a routine basis.
The Section shall also calculate a statewide market rate for each age category. The Social Services Commission shall adopt rules to establish minimum county rates that use the statewide market rates as a reference point.

(4) Child day care homes as defined in G.S. 110-86(4) and individual child care arrangements may be paid the market rate for day care homes which shall be calculated at least biennially by the Child Day Care Section according to the method described in subsection (a)(3) of this section.

(b) Facilities licensed pursuant to Article 7 of Chapter 110 of the General Statutes may participate in the program that provides for the purchase of care in day care facilities for minor children of needy families. No separate licensing requirements may be used to select facilities to participate.

Day care homes from which the State purchases day care services shall meet the standards established by the Child Day Care Commission pursuant to G.S. 110-101 and G.S. 110-105.1. Individual child care arrangements shall meet the requirements established by the Social Services Commission.

(c) County departments of social services shall continue to negotiate with day care providers for day care services below those rates prescribed by subsection (a) of this section. County departments are directed to purchase day care services so as to serve the greatest number of children possible with existing resources.

(d) To simplify current day care allocation methodology and more equitably distribute State day care funds, the Department of Human Resources shall apply the following allocation formula to all noncategorical federal and State day care funds used to pay the costs of necessary day care for minor children of needy families:

1. One-third of budgeted funds shall be distributed according to the county's population in relation to the total population of the State;

2. One-third of the budgeted funds shall be distributed according to the number of children under 6 years of age in a county who are living in families whose income is below the State poverty level in relation to the total number of children under 6 in the State in families whose income is below the poverty level; and

3. One-third of budgeted funds shall be distributed according to the number of working mothers with children under 6 years of age in a county in relation to the total number of working mothers with children under 6 in the State.

(e) Counties whose allocation, if based on previously used formulas, exceeds the allocation produced by the formula prescribed by this section may not have their allocations reduced to the level that results from application of the new formula. Counties whose allocation, if based on previously used formulas, is less than the allocation produced by the formula prescribed by this section shall continue to receive the proportional share of those funds that they received pursuant to appropriations for this purpose by the 1985 General Assembly. The formula prescribed by this section shall not be implemented unless additional State or federal funds are made available. -----EMPLOYMENT AND TRAINING PROGRAM

Sec. 154. Chapter 143B of the General Statutes is amended by adding the following new section to read:

"§ 143B-438.6. Employment and Training Grant Program.

(a) There is established in the Department of Economic and Community Development, Division of Employment and Training, an Employment and Training Grant Program. The purpose of the program is to make grants available to local agencies operating on behalf of the Private Industry Council serving Job Training Partnership Act service delivery areas. Grant funds shall be allocated for the purpose of enabling recipient agencies to implement local employment and training programs in accordance with existing resources, local needs, local goals, and selected training occupations. The Department shall adopt rules in accordance with Chapter 150B of the General Statutes for administering the Employment and Training Grant Program, which rules shall include procedures for review and approval of grant applications by local agencies and for monitoring use of grant funds by recipient agencies. A State-administered program of performance standards shall be used to measure grant program outcomes.

(b) Use of grant funds: Local agencies may use funds received under this section only for the purpose of upgrading the foundation of basic skills of the adult population and the existing work force in North Carolina. Services that may be provided include participant programs currently available under the federal Job Training Partnership Act that are appropriate for adults: on-the-job training; work experience; adult basic education; skills training, upgrading, and retraining; counseling and screening for job placement; service corps; and related support services. Local agencies may use grant funds to provide services only to individuals who are 18 years of age or older and who either (i) meet the current Federal Job Training Partnership Act definition of 'economically disadvantaged', or (ii) meet the current definition for eligibility under Title III of the Federal Job Training Partnership Act.

(c) Allocation of grants: The Department may reserve and allocate up to five percent (5%) of funds available to the Employment and Training Grant Program for
State and local administrative costs to implement the program. The Division of Employment and Training shall allocate employment and training grants to local agencies operating on behalf of the Private Industry Council serving Job Training Partnership Act service delivery areas based on the following formula:

(1) One half of the funds shall be allocated on the basis of the relative excess number of unemployed individuals residing in each county as compared to the total excess number of unemployed individuals in all counties in the State.

'Excess number of unemployed' is defined as the number of unemployed individuals in excess of four and one-half percent (4.5%) of the civilian labor force in each county or the number of unemployed individuals in excess of four and one-half percent (4.5%) of the civilian labor force in each census tract within the county. The following methodology is used to determine the excess number of unemployed:

a. For counties classified as having excess unemployment, the excess number of unemployed is determined by subtracting four and one-half percent (4.5%) of the civilian labor force from the number of unemployed individuals within the county. The difference equals the number of excess unemployed.

b. In situations where the entire county is not classified as having excess unemployment, the excess number of unemployed is determined by census tract unemployment within the county. Census tract data is used to determine which subcounty areas qualify as areas of excess unemployment. In those subcounty areas classified as having excess unemployment (census tracts with four and one-half percent (4.5%) or higher unemployment rates), four and one-half percent (4.5%) of the census tract labor force is subtracted from the number of unemployed individuals within the area of excess unemployment. The subcounty figures of excess unemployment for counties within the county are then added together to determine the total excess number of unemployed within the county.

(2) One half of the funds shall be allocated on the basis of the relative number of economically disadvantaged individuals within each county compared to the total number of economically disadvantaged individuals in the State. To determine the number of economically disadvantaged individuals within each county, data from the State Data Center in the Office of State Budget and Management, or from the federal decennial census, whichever is most recent, shall be used.

(d) Reports, Coordination: The Department of Economic and Community Development shall report quarterly to the Governor and to the Speaker of the House of Representatives and the President Pro Tempore of the Senate on the North Carolina Employment and Training Grant Program. The Department shall also provide a copy of these quarterly reports to the State Job Training Coordinating Council. The governing body of a soil and water conservation district shall consist of the three elective supervisors from the county or counties in the district, together with the appointive members appointed by the Soil and Water Conservation Commission pursuant to this section, and shall be known as the district board of supervisors. When a district is composed of less than four counties, the board of supervisors of each county shall on or before October 31, 1978, and on or before October 31 as the terms of the appointive supervisors expire, recommend in writing two persons from the district to the Commission to be appointed to serve with the elective supervisors. If the names are not submitted to the Commission as required, the office shall be deemed vacant on the date the term is set to expire and the Commission shall appoint two persons of the district to the district board of supervisors to serve with the elected supervisors. The Commission shall make its appointments prior to or at the November meeting of the Commission. Appointive supervisors shall take office on the first Monday in December following their appointment. Such appointive supervisors shall serve for a term of four years, and thereafter, as their terms expire, their successors shall serve for a term of four years. The terms of office of all appointive supervisors who have heretofore been lawfully appointed for terms the final year of which presently extends beyond the first Monday in December are hereby terminated on the first Monday in December of the final year of appointment. Vacancies for any reason in the appointive supervisors shall be filled for the unexpired term by the appointment of a person by the Commission from the district in which the vacancy occurs. Vacancies for any reason in the elected supervisors shall be filled for the unexpired term by appointment by the Commission of a person from the county in the district in which the vacancy occurs.

elected members of the board of supervisors. Such appointments shall be made at the same time other appointments are made under this section, and the persons appointed shall serve for a term of four years.

The supervisors shall designate a chairman and may, from time to time, change such designation. A simple majority of the board shall constitute a quorum for the purpose of transacting the business of the board, and approval by a majority of those present shall be adequate for a determination of any matter before the board, provided at least a quorum is present. In any given year, if the supervisors provide for an internal audit, and the supervisor serving as chairman certifies, under oath, that this internal audit is a true and accurate reflection of the accounts of receipts and disbursements, then the supervisors shall not be required, notwithstanding the provisions of G.S. 159-34, to provide for an audit of the accounts of receipts and disbursements by a certified public accountant or by an accountant certified by the Local Government Commission. Any supervisor may be removed by the Soil and Water Conservation Commission upon notice and hearing, for neglect of duty, incompetence or malfeasance in office, but for no other reason.

The supervisors may invite the legislative body of any municipality or county located near the territory comprised within the district to designate a representative to advise and consult with the supervisors of the district on all questions of program and policy which may affect the property, water supply, or other interests of such municipality or county.

All district supervisors whose terms of office expire prior to the first Monday in January, 1948, shall hold over and remain in office until supervisors are elected or appointed and qualify as provided in this Chapter, as amended. (b) Beginning in fiscal year 1991-92, the Division shall evaluate all of the adolescent pregnancy projects funded as a result of this program at least yearly and shall report its findings to the Commission for Health Services, the Joint Legislative Commission on Governmental Operations, and the Chairmen of the House Appropriations Committee on Environment, Health, and Natural Resources, and the Senate Appropriations Committee on Natural and Economic Resources by April 1 of each year. The evaluation shall be conducted by a firm or individual external to the Department. Funds appropriated to the Department in Section 3 of this act for employing a Public Health Program Consultant in the Division of Maternal and Child Health shall be used by the Department to retain the services of the evaluator required by this subsection. Any evaluation of these projects shall include a study of the effectiveness of the project in reducing the pregnancy rate within the target population.

(c) The Commission for Health Services shall be responsible for monitoring the Division's administration of the Adolescent Pregnancy Prevention Program. The Division shall implement the following changes in the management and funding of the Adolescent Pregnancy Prevention Program for projects funded from General Fund appropriations and federal block grants:

(1) Applications. Any local agency or organization or combination of agencies and organizations may apply to the Division of Maternal and Child Health for an allocation of money to operate a project aimed at preventing adolescent pregnancy. The application shall contain an analysis of the adolescent pregnancy and related problems in the locality the project would serve, and a description of how the project would attempt, over a period of at least five years, to prevent the problems. The application shall state how much money is needed to operate the project and how the money shall be spent. The Division shall conduct annually a proposal-writing session that shall be attended by a representative of any project that wishes to apply for funding; that session shall define the criteria for accountability and evaluation that the Division requires of projects. That session shall also provide information about additional funding sources to which projects might turn to satisfy the matching requirements of subdivision (5) of this subsection.

(2) Proposal Requirements. The Division shall apply the following minimum standards to projects applying for first-year funding:

a. Each project shall have a plan of action that extends for at least five years for prevention of adolescent pregnancy.
b. Each project shall have realistic, specific, and measurable goals and objectives for the prevention of adolescent pregnancy.

c. Each project, before submitting its proposal, shall send a representative to the proposal-writing session held by the Division.

(3) Operating standards. The Division shall apply the following minimum operating standards:

a. Each project shall have a Board of Advisors composed of members from outside the sponsoring agency of the project. The Board of Advisors shall include representatives from at least four of the following: media, government, charitable organizations, private business, medical institutions. The Boards of Advisors shall meet at least quarterly and advise project staff on project policies and operations.

b. Each project shall comply with reporting, contracting, and evaluation requirements of the Division.

c. Each project shall define and maintain cooperative ties with other community institutions.

d. Each project shall demonstrate its ability to attract financial support from sources other than the State, including sources in the local community.

(4) Criteria for Selection. For first-year funding, the Division shall choose from among the applicants that meet the minimum standards in subdivision (2) of this subsection the best selection of projects according to the following criteria:

a. Adequacy of proposed staff to meet project objectives;

b. Appropriateness of project strategies to reduce adolescent pregnancy;

c. Level of community support, including endorsement from the appropriate local government entity and documentation from the appropriate local government entity and from community organizations that opportunity has been given for citizen input into the proposed program, and that there is community support for the proposal. Documentation may include letters or statements of support from citizens or community organizations, or statements that community support was expressed at public hearings. A public hearing is not required by this paragraph;

d. Degree of need of the locality, including that the county has a significant adolescent pregnancy problem as evidenced by its attributable risk score developed by the Division of Statistics and Information Services; and

e. Other appropriate criteria.

The Division shall make its recommendations for funding to the Commission for Health Services. The Commission shall make the final determination of which projects are to be funded. The Commission shall consider the recommendations of the Division but shall not be bound by them. The Commission shall notify the projects that are to be funded by June 1 of each year.

(5) Schedule of Funding. If the Commission, upon consultation with the Division, finds that a project it has chosen for first-year funding continues to meet the operating standards of subdivisions (2) and (3) of this subsection, funding for that project shall continue, to the extent of available money, for an additional four years. The level of funding provided by the Division to approved projects shall be set according to the following schedule:

a. First year, eighty percent (80%) of the project's annual budget not to exceed the maximum award established by the Commission for Health Services,
b. Second year, ninety percent (90%) of the State appropriations or federal block grant funds awarded in the first year,
c. Third year, seventy-five percent (75%) of the State appropriations or federal block grant funds awarded in the first year,
d. Fourth year, sixty-five percent (65%) of the State appropriations or federal block grant funds awarded in the first year, and
e. Fifth year, fifty percent (50%) of the State appropriations or federal block grant funds awarded in the first year.

The portion of a project's budget that must come from sources other than State or federal block grant funds may be provided as in-kind contributions as well as cash.

(6) Five-Year Limit on Funding. No project shall receive State funding if it has previously received State funding for five full years. Any project that has received State funding before July 1, 1990 will be eligible for consideration for an additional five years' State support, according to the schedule. The Commission may fund any such project that meets the minimum standards if it determines, after considering the experience and impact of the project and measuring its application against those of other applicants, that it should be funded.

(7) Maximum Level of Funding. The Commission for Health Services shall by rule determine the maximum annual amount that may be made to any one project.

(8) As adolescent pregnancy prevention project grant funds decrease, a project shall maintain its original budget level, less the amount expended for start-up costs. The Department shall develop guidelines for determining start-up costs, which guidelines shall be uniform for all projects. Local match percentage may come from any in-kind source or newly generated funds, public or private, available to the project.

---TEACHER, STATE EMPLOYEE, AND OTHER EDUCATION PERSONNEL COMPENSATION

Sec. 186. The General Assembly recognizes the importance of implementing the third year of the teacher salary schedule; therefore, it is the intent of the General
Assembly to complete implementation of a teacher salary schedule in the 1992–93 fiscal year and to place teachers on it according to years of experience if funds are available to do so. It is the intent of the General Assembly also to ensure that State employees, teachers, and other education personnel are treated equitably with respect to salary increases; therefore, to the extent that funds are available to do so, it is the intent of the General Assembly to grant salary increases to State employees, teachers, and other public school and University personnel in the 1992–93 fiscal year that are over and above salary levels funded for the 1991–92 fiscal year.

-----STATE EMPLOYEE COST OF LIVING PRIORITY

Sec. 187. It is also the intent of the General Assembly to acknowledge the need to adjust the determination of Cost of Living general pay increases so that all State employees, regardless of salary, are treated equitably. To effect that intent, the General Assembly may make any adjustment to the Cost of Living general salary increases allocated to State employees that it considers necessary to render the allocations truly equitable for all employees.

Nothing in this section affects the right of the General Assembly to allocate flat percentage Cost of Living general pay increases.

(c) G.S. 126–7 is amended by adding a new subsection to read:

“(a1) General salary increases for State employees shall precede any consideration of a performance pay allocation. Performance pay shall be allocated only when the total allocation for increases equals or exceeds two percent (2%).”

(d) G.S. 126–7(b) reads as rewritten:

“(b) To guide the Governor and the General Assembly in making appropriations to further the compensation policy of the State, the State Personnel Commission shall conduct annual compensation surveys. "(16b) 'State agency' means a unit of the executive, legislative, or judicial branch of State government, such as a department, a commission, a board, a council, or The University of North Carolina. The term does not include a local board of education."

(a) Interstate Carriers. Any person engaged in transporting persons or property in interstate commerce for compensation who is subject to regulation by, and to the jurisdiction of, the Interstate Commerce Commission or the United States Department of Transportation and who is required by either such federal agency to keep records according to its standard classification of accounting or, in the case of a small certificated air carrier, is required by the U.S. Department of Transportation to make reports of financial and operating statistics, may secure a refund from the Secretary of Revenue with respect to sales or use tax paid by such person on purchases or acquisitions of lubricants, repair parts and accessories in this State for motor vehicles, railroad cars, locomotives, and airplanes operated by such person, upon the conditions described below. The Secretary of Revenue shall prescribe the periods of time, whether monthly, quarterly, semiannually or otherwise, with respect to which refunds may be claimed, and shall prescribe the time within which, following such periods, an application for refund may be made. An applicant for refund shall furnish such information as the Secretary may require, including detailed information as to lubricants, repair parts and accessories wherever purchased, whether within or without the State, acquired during the period with respect to which a refund is sought, and the purchase price thereof, detailed information as to sales and use tax paid in this State thereon, and detailed information as to the number of miles such motor vehicles, railroad cars, locomotives, and airplanes were operated both within this State, and without this State, during such period, together with satisfactory proof thereof. The Secretary shall thereupon compute the tax which would be due with respect to all lubricants, repair parts and accessories acquired during the refund period as though all such purchases were made in this State, but only on such proportion of the total purchase prices thereof as the total number of miles of operation of such applicants' motor vehicles, railroad cars, locomotives, and airplanes within this State bears to the total number of miles of operation of such applicants' motor vehicles, railroad cars, locomotives and airplanes within and without this State, and such amount of sales and use tax as the applicant has paid in this State during said refund period in excess of the amounts so computed shall be refunded to the applicant.

(b) Nonprofit Corporations. The Secretary of Revenue shall make refunds semiannually to hospitals not operated for profit (including hospitals and medical accommodations operated by an authority created under the Hospital Authorities Law, Article 2 of Chapter 131E), educational institutions not operated for profit, churches, orphanages and other charitable or religious institutions and organizations not operated for profit of sales and use taxes paid under this Article, except under G.S. 105-164.4(4a) and G.S. 105-164.4(4c), by such institutions and organizations on direct purchases of tangible personal property for use in carrying on the work of such institutions or organizations. Sales and use tax liability indirectly incurred by such institutions and organizations on building materials, supplies, fixtures and equipment which shall become a part of or annexed to any building or structure being erected, altered or repaired for such institutions and organizations for carrying on their nonprofit activities shall be construed as sales or use tax liability incurred on direct purchases by such institutions and organizations, and such institutions and organizations may obtain refunds of such taxes indirectly paid. The Secretary of Revenue shall also make refunds semiannually to all other hospitals (not specifically excluded herein) of sales and use tax paid by them on medicines and drugs purchased for use in carrying out the work of such hospitals. This subsection does not apply to organizations, corporations, and institutions that are owned and controlled by the United States, the State, or a unit of local government, except hospital facilities created under Article 2 of Chapter 131E of the General Statutes and nonprofit hospitals owned and controlled by a unit of local government that elect to receive semiannual refunds under this subsection instead of annual refunds under subsection (c).
In order to receive the refunds herein provided for, such institutions and organiza-
tions shall file a written request for refund covering the first six months of the
calendar year on or before the fifteenth day of October next following the close of said
period, and shall file a written request for refund covering the second six months of
the calendar year on or before the fifteenth day of April next following the close of
that period. Such requests for refund shall be substantiated by such proof as the Sec-
retary of Revenue may require, and no refund shall be made on applications not filed
within the time allowed by this section and in such manner as the Secretary may
require. Notwithstanding the foregoing provisions of this subsection, the constituent
institutions of The University of North Carolina may obtain in the manner prescribed
by this Article the refund of sales and use tax paid by them on or after January 1,
1992, for tangible personal property acquired by them through the expenditure of
contract and grant funds.

(c) Certain Governmental Entities. Upon receipt of timely applications for refund,
the Secretary of Revenue shall make refunds annually to all governmental entities, as
hereinafter defined, of sales and use tax paid under this Article, except under G.S.
105-164.4(4a) and G.S. 105-164.4(4c), by said governmental entities on direct
purchases of tangible personal property. Sales and use tax liability indirectly incurred
by such governmental entities on building materials, supplies, fixtures and equip-
ment which shall become a part of or annexed to any building or structure being
erected, altered or repaired which is owned or leased by such governmental entities
shall be construed as sales or use tax liability incurred on direct purchases by such
governmental entities, and such entities may obtain refunds of such taxes indirectly
paid. The refund provisions contained in this subsection shall not apply to any gov-
ernmental entities not specifically named herein. In order to receive the refund herein
provided for, governmental entities shall file a written request for said refund within
six months of the close of the fiscal year of the governmental entities seeking said
refund, and such request for refund shall be substantiated by such records, receipts
and information as the Secretary may require. No refunds shall be made on applica-
tions not filed within the time allowed by this section and in such manner as the
Secretary may otherwise require. The term 'governmental entities,' for the purposes
of this subsection, shall mean all counties, incorporated cities and towns, water and
sewer authorities created and existing under the provisions of Chapter 162A of the
General Statutes, lake authorities created by a board of county commissioners pur-
suant to an act of the General Assembly, sanitary districts, regional councils of gov-
ernments created pursuant to G.S. 160A-470, area mental health, mental retardation,
and substance abuse authorities (other than single-county area authorities)
established pursuant to Article 4 of Chapter 122C of the General Statutes, district
health departments, regional planning and economic development commissions
created pursuant to G.S. 158-14, regional sports authorities created pursuant to
G.S. 160A-479, regional economic development commissions created pursuant to
G.S. 158-8, regional planning commissions created pursuant to G.S. 153A-391,
metropolitan sewerage districts and metropolitan water districts in this State, the
North Carolina Low-Level Radioactive Waste Management Authority created pur-
suant to Chapter 104G of the General Statutes, the North Carolina Hazardous Waste
Management Commission created pursuant to Chapter 130B of the General Statutes,
and the Rockingham County Airport Authority. Notwithstanding the foregoing pro-
visions of this subsection, the constituent institutions of The University of North Car-
olina may obtain in the manner prescribed by this subsection a refund of sales and
use tax paid by them on or after January 1, 1992, for tangible personal property acquired
by them through the expenditure of contract and grant funds.

(d) Penalties for Late Applications. Refunds made pursuant to applications filed
after the dates specified in subsections (b) and (c) above shall be subject to the fol-
lowing penalties for late filing: applications filed within 30 days after said dates,
twenty-five percent (25%); applications filed after 30 days but within six months
after said dates, fifty percent (50%). However, refunds which are applied for after
six months following said dates shall be barred.
(e) State Agencies. The State is allowed quarterly refunds of local sales and use taxes paid by a State agency on direct purchases of tangible personal property and local sales and use taxes paid indirectly by the State agency on building materials, supplies, fixtures, and equipment that become a part of or annexed to a building or structure that is being erected, altered, or repaired and is owned or leased by the State agency. This subsection does not apply to purchases for which a State agency is allowed a refund under subsection (c) of this section.

A person who pays local sales and use taxes on building materials or other tangible personal property for a State building project shall give the State agency for whose project the property was purchased a signed statement containing all of the following information:

1. The date the property was purchased.
2. The type of property purchased.
3. The project for which the property was used.
4. If the property was purchased in this State, the county in which it was purchased.
5. If the property was not purchased in this State, the county in which the property was used.
6. The amount of sales and use taxes paid.

If the property was purchased in this State, the person shall attach a copy of the sales receipt to the statement. A State agency to whom a statement is submitted shall verify the accuracy of the statement.

Within 15 days after the end of each calendar quarter, every State agency shall file with the Secretary a written application for a refund of taxes to which this subsection applies paid by the agency during the quarter. The application shall contain all information required by the Secretary. The Secretary shall credit the local sales and use tax refunds directly to the General Fund.

(c) This section is effective upon ratification. G.S. 105-164.14(e), as enacted by this section, applies to property purchased on or after April 1, 1991. Notwithstanding the provisions of G.S. 105-164.14(e), as enacted by this section, every State agency to which that provision applies shall, within 15 days after the date this act is ratified, file the application for a refund of taxes paid during the quarter that ends July 1, 1991.

**SENATE BILL 2 FUNDS**

Sec. 194. (a) Of the funds appropriated to administer the School Improvement and Accountability Act of 1989, Senate Bill 2 of the 1989 General Assembly, the sum of $10,000,000 for the 1991-92 fiscal year shall be used only for staff development activities to assist local school administrative units in developing and implementing local school improvement plans. These funds shall not be used for differentiated pay. No local school administrative unit shall use more than its pro rata share of $10,000,000 for staff development activities.

Staff development funds may be used for pay for substitute teachers, stipends for employees who participate in staff development activities outside of the regular work day, salary and benefits for instructors, and workshop expenses.

All funds allocated pursuant to this subsection for staff development that are not spent for that purpose shall revert on June 30, 1992.

(b) Of the funds appropriated to administer the School Improvement and Accountability Act of 1989, the sum of $29,436,046 for the 1991-92 fiscal year shall be used only for differentiated pay, in accordance with this subsection. These funds shall not be used for staff development activities.

Within 30 days of the first teacher workday on the 1991-92 school calendar, each local board of education shall present to affected employees, for their review and vote, two options for differentiated pay for the 1991-92 school year only. The first differentiated pay option shall be a proposal to continue or modify, in accordance with the School Improvement and Accountability Act of 1989, its existing differentiated pay plan. The second differentiated pay option shall be a proposal for across-the-board bonuses for all affected employees. These across-the-board bonuses shall be an equal percent of the State-paid salary for each affected employee, except that the maximum amount any employee may receive shall be $550.

The vote shall be by secret ballot. All of the certificated instructional staff members, instructional support staff members, and certificated administrators who are eligible to receive funds for differentiated pay under the School Improvement and
Accountability Act of 1989 may vote. The local board shall immediately submit the option that receives a majority of all the votes cast to the Superintendent of Public Instruction for his approval. A differentiated pay plan shall become effective upon the approval of the Superintendent.

If a local board of education implements across-the-board bonuses for the 1991-92 school year, all funds not spent for that purpose shall revert on June 30, 1992.

(c) The total amount received by a local school administrative unit under this section shall be no more than 2% of the State-paid teachers' and administrators' salaries, and the employer's contribution for social security and retirement.

(d) This section does not apply to any funds appropriated for the career ladder pilot units.

With regard to a local school administrative unit that resulted from the merger of a career ladder pilot unit and another unit, this section shall apply only to funds received under this section to administer the School Improvement and Accountability Act of 1989.

(e) This section applies to the 1991-92 fiscal year only.

The State Board of Education shall also develop a reasonable schedule for implementing this salary schedule.

The State Board of Education shall report to the Joint Legislative Commission on Governmental Operations prior to February 1, 1992, on the salary schedule developed pursuant to this section and the proposed implementation schedule for this salary schedule.

--- BASIC EDUCATION PROGRAM

Sec. 196. (a) G.S. 115C-81(a) reads as rewritten:

“(a) The State Board of Education shall adopt a Basic Education Program for the public schools of the State. Before it adopts or revises the Basic Education Program, the State Board shall consult with an Advisory Committee, including at least eight members of local boards of education, that the State Board appoints from a list of nominees submitted by the North Carolina School Boards Association. The State Board shall report annually to the General Assembly on any changes it has made in the program in the preceding 12 months and any changes it is considering for the next 12 months.

The State Board of Education shall review the Basic Education Program in an effort to (i) simplify the Basic Education Program, especially the standard course of study and the core curriculum for all students, and (ii) assure that the Program adopted by the State Board and implemented by the local boards of education carries out the intent of the General Assembly to provide every student in the State equal access to a Basic Education Program. The State Board shall report the results of its review to the Joint Legislative Education Oversight Committee and to the General Assembly prior to March 15, 1992.

The State Board shall implement the Basic Education Program within funds appropriated for that purpose by the General Assembly and by units of local
government. It is the intent of the General Assembly that until the Basic Education Program is fully funded, the implementation of the Basic Education Program shall be the focus of State educational funding. It is the goal of the General Assembly that the Basic Education Program be fully funded and completely operational in each local school administrative unit by July 1, 1995.

It is further a goal of the General Assembly to provide supplemental funds to low-wealth counties to allow those counties to enhance the instructional program and student achievement."

(b) G.S. 115C-12(9) reads as rewritten:

"(9) Miscellaneous Powers and Duties. — All the powers and duties exercised by the State Board of Education shall be in conformity with the Constitution and subject to such laws as may be enacted from time to time by the General Assembly. Among such duties are:

a. To certify and regulate the grade and salary of teachers and other school employees.

d. To adopt rules requiring all local boards of education to implement the Basic Education Program on an incremental basis within funds appropriated for that purpose by the General Assembly and by units of local government. Beginning with the 1991-92 school year, the rules shall require each local school administrative unit to implement fully the standard course of study in every school in the State in accordance with the Basic Education Program so that every student in the State shall have equal access to the curriculum as provided in the Basic Education Program and the standard course of study.

The Board shall establish benchmarks by which to measure the progress that each local board of education has made in implementing the Basic Education Program. The Board shall report to the Joint Legislative Education Oversight Committee and to the General Assembly by December 31, 1991, and by February 1 of each subsequent year on each local board's progress in implementing the Basic Education Program, including the use of State and local funds for the Basic Education Program.

The Board shall develop a State accreditation program that meets or exceeds the standards and requirements of the Basic Education Program. The Board shall require each local school administrative unit to comply with the State accreditation program to the extent that funds have been made available to the local school administrative unit for implementation of the Basic Education Program.

The Board shall use the State accreditation program to monitor the implementation of the Basic Education Program.

c1. To issue an annual 'report card' for the State and for each local school administrative unit, assessing each unit's efforts to improve student performance and taking into account progress over the previous years' level of performance and the State's performance in comparison with other states. This assessment shall take into account demographic, economic, and other factors that have been shown to affect student performance.

c2. To develop management accountability indicators to measure the efficiency and appropriate use of staff in each school and at the administrative office. Staff development for school administrators shall be a high priority of the Department of Public Instruction.

d. To formulate rules and regulations for the enforcement of the compulsory attendance law.
e. To manage and operate a system of insurance for public school property, as provided in Article 38 of this Chapter.

   In making substantial policy changes in administration, curriculum, or programs the Board should conduct hearings throughout the regions of the State, whenever feasible, in order that the public may be heard regarding these matters."

   (c) G.S. 115C-238.6(a) reads as rewritten:

   "(a) Prior to June 30 each year, the State Superintendent shall review local school improvement plans submitted by the local school administrative units in accordance with policies and performance indicators adopted by the State Board of Education. If the State Superintendent approves the plan for a local school administrative unit, that unit shall participate in the Program for the next fiscal year.

   If a local plan contains a request for a waiver of State laws, regulations, or policies, in accordance with G.S. 115C-238.3(e), the State Superintendent shall determine whether and to what extent the identified laws, regulations, or policies should be waived. The State Superintendent shall present that plan and his determination to the State Board of Education. If the State Board of Education deems it necessary to do so to enable a local unit to reach its local accountability goals, the State Board, only upon the recommendation of the State Superintendent, may grant waivers of:

   (1) State laws pertaining to class size, teacher certification, assignment of teacher assistants, the use of State-adopted textbooks, and the purposes for which State funds for the public schools may be used, and used: Provided, however, the State Board of Education shall not permit the use of funds for teachers for expanded programs under the Basic Education Program for any other purpose;

   (2) All State regulations and policies, except those pertaining to State salary schedules and employee benefits for school employees, the instructional program that must be offered under the Basic Education Program, the system of employment for public school teachers and administrators set out in G.S. 115C-325, health and safety codes, compulsory school attendance, the minimum lengths of the school day and year, and the Uniform Education Reporting System."

   (d) The Department of Public Instruction shall report to the Joint Legislative Education Oversight Committee and to the General Assembly before May 1, 1992, on the methods used to measure student achievement.

   (e) Funds appropriated to the Department of Public Education for the 1991-93 fiscal biennium to be used in completing the funding of teachers for expanded programs under the Basic Education Program shall be used by local school administrative units (i) to implement fully the standard course of study in every school in the State in accordance with the Basic Education Program so that every student in the State shall have equal access to the curriculum provided for therein, and (ii) to restore local teaching positions that may have been deleted as a result of budget cuts contained in this act.

   The State Board of Education shall not waive, in accordance with G.S. 115C-238.6(a), the requirement that all local schools use these funds for teachers for expanded programs to implement fully the standard course of study in every school in the State.

   (f) It is the intent of the General Assembly that base budget reductions made in this act in clerical positions for local school administrative units be taken to the extent possible in central office positions and not in school-based positions.

administrative units, and the minimum time for which teachers shall be employed in the schoolroom or on the grounds supervising the activities of children shall not be less than six hours: Provided, the several local boards of education may adopt rules and regulations allowing handicapped pupils, kindergarten pupils, and pupils attending the first, second, and third grades to attend school for a period less than six hours. The superintendent of the several local boards of education, in the event of an emergency, act of God, or any other conditions requiring the termination of classes before six hours have elapsed, may suspend the operation of any school for that particular day without loss of credit to the pupil or loss of pay to the teacher.

The General Assembly urges the local boards of education to expand the length of the school day so that it includes at least six hours of instructional time.”

———OUTCOME-BASED EDUCATION

Sec. 199. (a) Article 16 of Chapter 115C of the General Statutes is amended by adding a new Part to read:

“Part 5. Outcome-Based Education Program.

§ 115C-238.12. Purpose of program.

An outcome-based education program is a program in which expectations for student achievement are clearly stated in terms of knowledge, skills, and attitudes. Students develop skills and attitudes to maximize the acquisition of knowledge. The program recognizes that achievement occurs as a result of individual and developmental progress towards goals, and reflects that students learn at different rates using varying learning styles. Outcome-based education measures achievement periodically throughout the learning process and is the criteria for high school graduation. Measurement of student achievement is implemented by teachers to complement varied learning growth and styles. The results of those measurements are used to determine when a student understands and has mastered the material and is ready to move forward in the learning process.

§ 115C-238.13. Implementation of the project by the State Board of Education.

(a) The State Board of Education shall develop and implement an outcome-based education program. The State Board of Education shall select four sites to participate
in the program for five fiscal years beginning with the 1992-93 fiscal year. The first year of the project shall be a year for the sites to plan their projects. The remaining four years shall be to implement the projects and to demonstrate their effectiveness.

(b) The State Board of Education shall adopt expectations for student achievement necessary for students to function successfully in the next century. These expectations shall be consistent with national education goals recommended by the National Governors' Association in 1990. The State Board of Education, after consultation with the Board of Governors of The University of North Carolina, the State Board of Community Colleges, representatives of independent colleges, representatives of the business community, representatives of the Department of Public Instruction, representatives of local school administrative units, principals, teachers, and parents, shall adopt proficiencies that are required for graduation from high school. These expectations and proficiencies shall be adopted no later than June 15, 1992, and shall be used by the sites to develop their local outcome-based education projects.

The proficiencies that are required for graduation from high school may include:

1. Writing — High school graduates will be able to organize complex, demanding, and extended subject matter clearly and effectively. They will produce structured writings in which relationships between successive paragraphs are signaled by connective words and phrases. They will punctuate their writing so that meaning and structure are clear.

2. Reading — High school graduates will be able to make independent and discriminating selections from a range of reference materials; retrieve information from those materials using techniques such as skimming; and evaluate and synthesize information from different parts of a text or different texts.

3. Mathematics — High school graduates will be able to present a set of complex data in a simplified form using a variety of diagrams and graphs.

(c) The State Board of Education, the Board of Governors of The University of North Carolina, and the State Board of Community Colleges shall work jointly to develop a mechanism by which the institutions of higher education accept certification of proficiencies on high school transcripts in lieu of Carnegie units. “§ 115C-238.14. Selection of sites.

(a) No later than October 10, 1991, the State Board of Education shall develop a competitive process for the selection of project sites.

(b) No later than November 30, 1991, the Department of Public Instruction shall initiate the competitive process for the selection of project sites and shall conduct regional briefings for local school administrative units interested in submitting proposals. The regional briefings shall provide detailed information about outcome-based education models so local school administrative units can decide whether to compete for selection as a project site.

(c) No later than February 29, 1992, local school administrative units shall submit their proposals to the Department of Public Instruction. The proposal may cover all or part of the schools in a local school administrative unit.

The proposal shall include information regarding the local school administrative unit's plan for, ability to, and commitment to complying with the following requirements for local programs:

1. The program shall ensure that all students have access to a common core of knowledge and that all students are treated equitably.

2. Student advancement shall be based on the mastery of the proficiencies adopted by the State Board of Education pursuant to G.S. 115C-238.13(b).

3. Students shall be allowed to progress at different rates; however, expectations for progress shall be based on the goal that all students master the proficiencies required for high school graduation. Computer assisted, personal education plans shall be available for every student.
(4) Parents and guardians shall be involved in a student's selection of high school completion options.

(5) Teachers and principals shall have a major role in development of local projects.

(6) A majority of the teachers and principals who will participate in the pilot project shall approve the proposal for selection as a pilot site and the plans for the local program before they are submitted to the Department of Public Instruction.

(7) Programs shall provide each student a school-based adult advocate to foster self-esteem, protect learning options, ensure that student needs are being met, and ensure that students are being treated equitably.

(8) Projects shall be shared with the public. Annual reports describing program goals, activities, and accomplishments shall be made available to the public. The reports shall contain specific information regarding the contributions of teachers, administrators, and the local board of education to the program, and to student progress under the program.

(d) The Department of Public Instruction shall review the proposals and shall transmit its recommendations regarding the sites to the State Board of Education no later than April 30, 1992. The Department of Public Instruction shall involve an advisory committee comprised of business leaders, legislators, school board members, public school administrators, and other educators in the review process.

(e) The State Board of Education shall select the project sites no later than June 15, 1992. The State Board shall base its decision on the local school administrative units' plans for, ability to, and commitment to complying with the requirements for local programs set out in subsection (c) of this section.

§ 115C-238.15. Development of local programs by the project sites.

(a) From June 15, 1992, through March 15, 1993, the project sites shall develop their local programs. No later than March 15, 1993, the sites shall submit their plans to the Department of Public Instruction for review. No later than May 30, 1993, the Department shall review the plans and work with the sites to assure that the plans carry out the provisions of this Part.

(b) The Department of Public Instruction shall provide technical assistance to the sites in developing their local programs.

(c) In developing its local plan, each local school administrative unit shall select the outcome-based education model to be followed. Each local school administrative unit shall determine the instructional programs and strategies used to develop student proficiencies at its site. Under the plan, teachers shall determine when the proficiencies of a group of students are assessed; provided, however, State-administered tests shall be used to test proficiencies at a site no more than four times a year. Student advancement shall be determined by school-based personnel assigned to oversee the instructional program of a group of students.

(d) In developing and administering local projects, local boards of education need broad decision-making authority so that teachers and administrators at the sites can experiment with the instructional activities that meet the instructional needs in that particular setting. Each local school administrative unit shall set forth in its plan, with specificity, those aspects of the plan that would be enhanced by flexibility with regard to statutes and regulations. The State Board of Education may grant each local school administrative unit such flexibility with regard to statutes and regulations as it finds necessary and appropriate to implement a local program (i) so long as the projects and activities are carried out within total funds available for that purpose, and (ii) so long as the State Board of Education does not find as a fact that the flexibility is being abused.

The State Board of Education shall report such flexibility with regard to statutes and regulations contained in any projects or proposed changes to projects to the Joint Legislative Commission on Governmental Operations.

(e) Local projects may include model accountability programs that meet the needs of the project sites. To the extent that the State Board of Education finds that these
accountability programs provide sufficient data for oversight, they may be used instead of other State-mandated programs.

(f) Local projects shall include plans to train and retrain teachers, administrators, and school board members to implement the projects.

§ 115C-238.16. Approval and implementation of plans.

(a) Between March 15, 1993, and June 1, 1993, the State Board of Education shall receive plans for projects from the project sites and the comments of the Department of Public Instruction regarding the projects.

(b) No later than June 15, 1993, the State Board of Education shall approve the plans for the projects, approve the plans with modifications, or reject the plans.

(c) The project sites shall begin implementation immediately of projects approved, or approved with modifications, by the State Board.

§ 115C-238.17. Annual assessment and reapproval of plans.

(a) Between March 15 and May 15 of each subsequent year of the project, the projects shall submit to the Department of Public Instruction any data requested by the Department of Public Instruction or the State Board of Education and any proposed changes in the projects. No later than May 30 each year, the Department shall review the data and the proposed changes in the plans for the projects and shall work with the project sites to assure that the plans carry out the provisions of this Part.

(b) Between March 15 and June 1 of each subsequent year, the State Board of Education shall receive the data requested and the proposed changes in plans for projects from the project sites and shall receive the comments of the Department of Public Instruction regarding the data and the proposed changes in the projects. The State Board shall also consider the results of audits and evaluations performed pursuant to G.S. 115C-238.18.

(c) No later than June 15 of each subsequent year, the State Board of Education shall reapprove the plans and any changes for the projects, reapprove the plans and any changes with modifications, or reject the plans.

(d) The project sites shall begin implementation immediately of projects reapproved, or reapproved with modifications, by the State Board.

§ 115C-238.18. Evaluation of program.

(a) State-Level Program Evaluation Procedures. — A program audit shall be conducted by the Office of the State Auditor following the first and second years of the program. The audit shall certify that the State Board of Education and State Department of Public Instruction have implemented procedures as specified by the General Assembly. The audit shall focus on the autonomy and flexibility given to local school administrative units in the development of outcome-based education models and plans so as to determine if the appropriate amount of autonomy and flexibility was sought and granted and if the autonomy and flexibility were used properly.

(b) Local-Level Program Evaluation Procedures. —

(1) The program audit conducted by the Office of the State Auditor following the second year of the program shall include a local-level procedures component. The audit shall certify that local plans contain elements as specified by the General Assembly. The audit shall also certify that teachers and building level administrators were involved in the development of plans.

(2) The Department of Public Instruction shall conduct a process evaluation of each pilot site following the second through sixth years of the program. The evaluation shall determine how well plans have been implemented. The evaluation shall focus on staff development, organizational and instructional activities, and the involvement and acceptance of the project by all concerned groups including the board of education, administrators, teachers, parents, students, and the business community.

(c) Student-Level Outcomes Evaluation. —

(1) Local pilot sites shall develop and implement accountability models designed to measure student outcomes. The plans shall include the use of
tests available through the State's testing program. Accountability models shall be part of the site plans submitted to the State Board for approval.

(2) The State Department of Public Instruction shall audit the implementation of accountability models. Audits shall be conducted following the third, fourth, fifth, and sixth years of the program.

(3) The State Department of Public Instruction shall conduct a summative evaluation following the sixth year of the program. Student outcomes shall be the focus of the summative evaluation.

(d) Reports to the General Assembly. — The State Board of Education shall submit a summative evaluation report on the projects to the General Assembly no later than March 15, 1998.

"§ 115C–238.19. Solicitation of private funds for additional sites.

The State Board of Education shall design and implement a program for soliciting private funds to support the outcome-based education pilot sites. As funds become available, the State Board may request that the General Assembly authorize additional sites to participate in the program."

(b) Of the funds appropriated to the Department of Public Education, the sum of $100,000 for the 1991–92 fiscal year shall be used for advance planning for the outcome-based education program at four sites pursuant to subsection (a) of this section and the sum of $3,000,000 for the 1992–93 fiscal year shall be used to implement the program at the four pilot sites. These funds shall be allocated on the basis of $500.00 for each State-funded certificated employee participating in the program. These funds shall be used (i) for staff development activities, including planning activities, for teachers, administrators, and school board members, (ii) to pay substitute teachers while teachers are engaged in staff development activities, and (iii) to pay 10-month employees for participating in staff development activities, including planning activities during the summer.

It is the intent of the General Assembly to appropriate an additional $3,000,000 each year for the 1993–94 through 1996–97 fiscal years to complete the implementation of the outcome-based education program at the four sites.

(c) Of the funds appropriated for aid to local school administrative units for the 1991–92 fiscal year, the State Board of Education may allocate $2,019,940 to the Department of Public Instruction to implement and administer end-of-course tests, to continue the Preliminary Scholastic Aptitude Testing (PSAT) Program, and to continue the National Assessment of Educational Program (NAEP) testing.

Sec. 201. G.S. 115C-238.6(a) reads as rewritten:
“(a) Prior to June 30 each year, the State Superintendent shall review local school improvement plans submitted by the local school administrative units in accordance with policies and performance indicators adopted by the State Board of Education. -----SMALL SCHOOL SYSTEM SUPPLEMENTAL FUNDING

Sec. 201.1. (a) The State Board of Education shall allocate funds appropriated for small school system supplemental funding (i) to each county school administrative unit with an average daily membership of less than 3,000 students and (ii) to each county school administrative unit with an average daily membership of from 3,000 to 4,000 students if the county in which the local school administrative unit is located has a county adjusted property tax base per student that is below the State adjusted property tax base per student. The allocation formula shall:

(1) Round all fractions of positions to the next whole position;
(2) Provide four additional regular classroom teachers;
(3) Provide additional program enhancement teachers adequate to offer the standard course of study;
(4) Change the duty–free period allocation to one teacher assistant per 400 average daily membership;
(5) Provide a base for the consolidated funds allotment of at least $150,000, excluding textbooks; and
(6) Allot vocational education funds for grade 6 as well as for grades 7–12.

If funds appropriated for each fiscal year for small school system supplemental funding are not adequate to fund fully the program, the State Board of Education shall reduce the amount allocated to each county school administrative unit on a pro rata basis. This formula is solely a basis for distribution of supplemental funding for certain county school administrative units and is not intended to reflect any measure of the adequacy of the educational program or funding for public schools. The formula is also not intended to reflect any commitment by the General Assembly to appropriate any additional supplemental funds for such county administrative units.

(b) A county in which a local school administrative unit receives funds under this section shall use the funds to supplement and not supplant existing State and local funding for public schools.

The Local Government Commission shall analyze the budgets and the expenditures of school administrative units that receive funds under this section in light of their budgets and expenditures for the previous year and shall determine whether those funds were used to supplement and not supplant State and local funding for
public schools. The Local Government Commission shall report the results of its study to the State Board of Education, the Joint Legislative Oversight Committee, and the Appropriations Committees of the Senate and the House of Representatives, prior to May 1, 1993.

(c) As used in this section:

(1) "Average daily membership" means the final average daily membership in the most recent year for which county current expense appropriations and adjusted property tax valuations are available.

(2) "County adjusted property tax base per student" means the total assessed property valuation for each county, adjusted using a weighted average of the three most recent annual sales assessment ratio studies, divided by the total number of students in average daily membership who reside within the county.

(3) "Sales assessment ratio studies" means sales assessment ratio studies performed by the Department of Revenue under G.S. 105-289(h).

(4) "State adjusted property tax base per student" means the sum of all county adjusted property tax bases divided by the total number of students in average daily membership who reside within the State.

(5) "Weighted average of the three most recent annual sales assessment ratio studies" means the weighted average of the three most recent annual sales assessment ratio studies in the most recent years for which county current expense appropriations and adjusted property tax valuations are available. If real property in a county has been revalued one year prior to the most recent sales assessment ratio study, a weighted average of the two most recent sales assessment ratios shall be used. If property has been revalued the year of the most recent sales assessment ratio study, the sales assessment ratio for the year of revaluation shall be used.

SUPPLEMENTAL FUNDING

Sec. 201.2. (a) The General Assembly finds that it is appropriate to provide supplemental funds in low-wealth counties to allow those counties to enhance the instructional program and student achievement; therefore, of the funds appropriated to the Department of Public Education, the sum of $6,000,000 for the 1991–92 fiscal year and the sum of $6,000,000 for the 1992–93 fiscal year shall be used for supplemental funds for schools. The State Board of Education shall allocate these funds to the counties in which the adjusted property tax base per student for that county is less than the State average adjusted property tax base per student. The amount each such county receives shall be its pro rata share of the funds appropriated for supplemental funding in this act, computed as follows:

(1) Divide the county adjusted property tax base per student by the State adjusted property tax base per student;

(2) Multiply the resulting amount by the State average current expense appropriations per student;

(3) Subtract the resulting amount per student from the State average county current expense appropriations per student; and

(4) Multiply the resulting amount by the average daily membership of students in the county.

The funds a county receives shall be allocated to each local school administrative unit, located in whole or in part in the county, based on the average daily membership of the county’s students in the school units.

This formula is solely a basis for distribution of supplemental funding for low-wealth counties and is not intended to reflect any measure of the adequacy of the educational program or funding for public schools. The formula is also not intended to reflect any commitment by the General Assembly to appropriate any additional supplemental funds for low-wealth counties.
(b) Funds received pursuant to this section shall be used only to provide instructional positions, instructional support positions, teacher assistant positions, clerical positions, and instructional supplies and equipment.

(c) Nonsupplant Requirement. — A county in which a local school administrative unit receives funds under this section shall use the funds to supplement and not supplant existing State and local funding for public schools.

The Local Government Commission shall analyze the budgets and the expenditures of school administrative units that receive funds under this section in light of their budgets and expenditures for the previous year and shall determine whether those funds were used to supplement and not supplant State and local funding for public schools. The Local Government Commission shall report the results of its study to the State Board of Education, to the Joint Legislative Education Oversight Committee, and to the Appropriations Committees of the Senate and the House of Representatives, prior to May 1, 1992, and May 1, 1993.

(d) Definitions. — As used in this act:

(1) "Average daily membership" means the final average daily membership in the most recent year for which county current expense appropriations and adjusted property tax valuations are available.

(2) "County adjusted property tax base per student" means the total assessed property valuation for each county, adjusted using a weighted average of the three most recent annual sales assessment ratio studies, divided by the total number of students in average daily membership who reside within the county, and further adjusted using the ratio of the county’s per capita income to the State average per capita income.

(3) "Effective county tax rate" means the actual county tax rate multiplied by a weighted average of the three most recent annual sales assessment ratio studies.

(4) "Per capita income" means the per capita income according to the most recent report of the United States Department of Commerce, Bureau of Economic Analysis.

(5) "Sales assessment ratio studies" means sales assessment ratio studies performed by the Department of Revenue under G.S. 105-289(h).

(6) "State adjusted property tax base per student" means the sum of all county adjusted property tax bases divided by the total number of students who reside within the State.

(7) "State average current expense appropriations per student" means the most recent State total of county current expense appropriations to public schools, as reported by counties in the annual county financial information report to the State Treasurer, divided by the total State average daily membership for that year.

(8) "Weighted average of the three most recent annual sales assessment ratio studies" means the weighted average of the three most recent annual sales assessment ratio studies in the most recent years for which county current expense appropriations and adjusted property tax valuations are available. If real property in a county has been revalued one year prior to the most recent sales assessment ratio study, a weighted average of the two most recent sales assessment ratios shall be used. -----UNC FISCAL ACCOUNTABILITY/FLEXIBILITY

Sec. 206.2. (a) Chapter 116 of the General Statutes is amended by adding new sections to read:

"§ 116-44.6. Special responsibility constituent institutions.

The Board of Governors of The University of North Carolina, acting on recommendation made by the President of The University of North Carolina after consultation by him with the State Auditor, may designate one or more constituent institutions of The University as special responsibility constituent institutions. That designation shall be based on an express finding by the Board of Governors that each institution to be so designated has the management staff and internal financial controls that will enable it to administer competently and responsibly all additional management authority and discretion to be delegated to it. The Board of Governors, on recommendation of the President, shall adopt rules prescribing management staffing standards and internal financial controls and safeguards, including the lack of any significant exceptions or audit findings in the annual financial audit by the State Auditor's Office, that must be met by a constituent institution before it may be designated a special responsibility constituent institution and must be maintained in order for it to retain that designation. These rules shall not be designed to prohibit participation by a constituent institution because of its size.

§ 116-44.7. Appropriations to special responsibility constituent institutions.

All General Fund appropriations made by the General Assembly for continuing operations of a special responsibility constituent institution of The University of North Carolina shall be made in the form of a single sum to each budget code of the institution for each year of the fiscal period for which the appropriations are being made. Notwithstanding G.S. 143-23(a1), each special responsibility constituent institution may expend the General Fund monies so appropriated to it in the manner deemed by the Chancellor to be calculated to maintain and advance the programs and services of the institutions, consistent with the directives and policies of the Board of Governors. The preparation, presentation, and review of General Fund budget requests of special responsibility constituent institutions shall be conducted in the same manner as are requests of other constituent institutions. The quarterly allotment procedure established pursuant to G.S. 143-17 shall apply to the General Fund appropriations made for the current operations of each special responsibility constituent institution. All General Fund monies so appropriated to each special responsibility constituent institution shall be recorded, reported, and audited in the same manner as are General Fund appropriations to other constituent institutions."
§ 116-44.8. Reversions.

Of the General Fund current operations appropriations credit balance remaining in each budget code of a special responsibility constituent institution at the close of a fiscal year, any amount greater than the percentage of the General Fund appropriations historically reverted to the State treasury over the preceding five fiscal years, multiplied by the General Fund appropriations for that budget code, may be carried forward by the institution to the next fiscal year and may be used for one-time expenditures that will not impose additional financial obligations on the State. However, the amount carried forward under this section shall not exceed two and one-half percent (2 1/2%) of the General Fund appropriation. The historic reversion percentage shall be determined by the Director of the Budget, after making adjustments for allotment reductions made to meet revenue shortfalls and to force credit balances during the preceding five fiscal years under the authority set forth in G.S. 143-25. Any special responsibility constituent institution that does not revert a percentage of the General Fund appropriations for the budget code equal to the five-year historic reversion rate established in this section shall cease to be a special responsibility constituent institution unless the Board of Governors finds that the low reversion rate is due to adverse and unforeseen conditions. In this instance, the Board may allow the institution to remain a special responsibility constituent institution for one year to come into conformity with this section. The Board may make this exception only one time for any special responsibility constituent institution, and shall report these exceptions to the Joint Legislative Commission on Governmental Operations.

§ 116-44.9. Position management.

The Chancellor of a special responsibility constituent institution, when he finds that to do so would help to maintain and advance the programs and services of the institution, may establish and abolish positions, acting in accordance with:

1. State Personnel policies and procedures if these positions are subject to the State Personnel Act and if the institution is operating under the terms of a Performance Agreement or a Decentralization Agreement authorized under Chapter 126 of the General Statutes; or

2. Policies and procedures of the Board of Governors if these positions are exempt from the State Personnel Act.

The results achieved by establishing and abolishing positions pursuant to the conditions set forth in subdivision (1) of this section shall be subject to postauditing by the Office of State Personnel. Implementation of personnel actions shall be subject to the availability of funds within the institution's current budget to fund the full annualized costs of these actions.

§ 116-44.10. Impact on education.

The Board of Governors shall require each special responsibility constituent institution to include in its institutional effectiveness plan those assessment measures that are determined by the Board to be measures that will assure some standard measure of student learning and development in general undergraduate education at the special responsibility constituent institutions. The intent of this requirement is to measure the impact of G.S. 116-44.6 through G.S. 116-44.11, establishing and administering special responsibility constituent institutions, and their implementation on undergraduate student learning and development.

G.S. 143-53.1 reads as rewritten:

§ 143-53.1. Setting of benchmarks; increase by Secretary.

On and after July 1, 1990, the expenditure benchmark prescribed by G.S. 143-52 with respect to competitive bid procedures and the bid value benchmark authorized by G.S. 143-53(2) with respect to rule making by the Secretary of Administration for competitive bidding shall be ten thousand dollars ($10,000); provided, the Secretary of Administration may, in his discretion, increase the benchmarks effective as of the beginning of any fiscal biennium of the State commencing after June 30, 1992, in an amount whose increase, expressed as a percentage, does not exceed the rise in the Consumer Price Index during the fiscal biennium next preceding the effective date of
the benchmark increase. For a special responsibility constituent institution of The University of North Carolina, the benchmark prescribed in this section shall be twenty-five thousand dollars ($25,000) on and after July 1, 1991."

(c) Report of Results. The Board of Governors shall report quarterly on its decisions and directives implementing this section to the Joint Education Oversight Committee. The Board shall report to the 1993 General Assembly by March 31, 1994, on the fiscal savings, management initiatives, increased efficiency and effectiveness, and other outcomes made possible by the flexibility provided by this section to the special responsibility constituent institutions. The report shall include documentation of any reallocation of resources, the use of nonreverted appropriations, and any additional costs incurred. The Board shall require annual reports from the special responsibility constituent institutions, and shall recommend any changes needed in this section to the 1991 General Assembly, Regular Session 1992, or to the 1993 General Assembly.

(d) G.S. 116-37 is amended by inserting a new subsection to read:

"(e1) Finances — Patient/Hospital Benefit. — The Executive Director of the University of North Carolina Hospitals at Chapel Hill or the Director’s designee, may expend operating budget funds, including State funds, of the University of North Carolina Hospitals at Chapel Hill for the direct benefit of a patient, when, in the judgment of the Executive Director or the Director’s designee, the expenditure of these funds would result in a financial benefit to the University of North Carolina Hospitals at Chapel Hill. Any such expenditures are declared to result in the provision of medical services and create charges of the University of North Carolina Hospitals at Chapel Hill which the hospitals may bill and pursue recovery in the same way as allowed by law for recovery of other hospitals’ charges for services that are unpaid.

These expenditures shall be limited to no more than seven thousand five hundred dollars ($7,500) per patient per admission and shall be restricted (i) to situations in which a patient is financially unable to afford ambulance or other transportation for discharge; (ii) to afford placement in an after-care facility pending approval of third party entitlement benefits; (iii) to assure availability of a bed in an after-care facility after discharge from the hospitals; (iv) to secure equipment or other medically appropriate services after discharge; (v) or to pay health insurance premiums. The Executive Director or the Director’s designee shall reevaluate at least once a month the cost-effectiveness of any continuing payment on behalf of a patient.

To the extent that the University of North Carolina Hospitals at Chapel Hill advance anticipated government entitlement benefits for a patient’s benefit, for which the patient later receives a lump sum ‘backpay’ award from an agency of the State, whether for the current admission or subsequent admission, the State agency shall withhold from this backpay an amount equal to the sum advanced on the patient’s behalf by the University of North Carolina Hospitals at Chapel Hill, if, prior to the disbursement of the backpay, the applicable State program has received notice from the University of North Carolina Hospitals at Chapel Hill of the advancement."

(e) The Executive Director of the University of North Carolina Hospitals at Chapel Hill shall report annually to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division on the fiscal results of subsection (d) of this section.

(f) This section is effective upon ratification. This section expires June 30, 1994.

$300,000 for the 1992–93 fiscal year shall be transferred to the Department of
Transportation, Public Transportation Division, to purchase transportation services
for pregnant women and children on Medicaid. All funds distributed by the Depart-

those counties maintaining Medicaid transportation services to pregnant women and
children at a level that is not reduced from the level of services in place during the

(b) The Public Transportation Division of the Department of Transportation
shall distribute these funds to the counties according to the following formula:

(1) Fifty percent (50%) divided equally among all eligible counties;

and children receiving Medicaid in the county as a percentage of the total
number of pregnant women and children receiving Medicaid statewide;
and
(3) Five percent (5%) based upon a population density factor that recognizes
the higher transportation costs in sparsely populated counties.

The Department of Transportation shall develop appropriate procedures for the dis-

shall be used by counties in a manner consistent with implemented transportation

"(j) Costs. — Unless the magistrate or judge orders the revocation rescinded, a person whose license is revoked under this section must pay a fee of twenty-five dollars ($25.00), fifty dollars ($50.00) as costs for the action before the person’s license may be returned under subsection (h). The costs collected under this section go to the State shall be credited to the General Fund. Fifty percent (50%) of the costs collected shall be used to fund a statewide chemical alcohol testing program administered by the Injury Control Section of the Department of Environment, Health, and Natural Resources."

(b) G.S. 20-139.1(b1) reads as rewritten:

"(b1) Except as provided in this subsection, a chemical analysis is not valid in any case in which it is performed by an arresting officer or by a charging officer under the terms of G.S. 20–16.2. A chemical analysis of the breath may be performed by an arresting officer or by a charging officer when both of the following apply:

1. The officer possesses a current permit issued by the Department of Environment, Health, and Natural Resources for the type of chemical analysis.

2. The officer performs the chemical analysis by using an automated instrument that prints the results of the analysis."

c) G.S. 20-16.2(a) reads as rewritten:

"(a) Basis for Charging Officer to Require Chemical Analysis; Notification of Rights. — Any person who drives a vehicle on a highway or public vehicular area thereby gives consent to a chemical analysis if he is charged with an implied-consent
offense. The charging officer must designate the type of chemical analysis to be administered, and it may be administered when the officer has reasonable grounds to believe that the person charged has committed the implied-consent offense.

Except as provided in this subsection or subsection (b), before any type of chemical analysis is administered the person charged must be taken before a chemical analyst authorized to administer a test of a person’s breath, who must inform the person orally and also give him the person a notice in writing that:

(1) He has a right to refuse to be tested.
(2) Refusal to take any required test or tests will result in an immediate revocation of his driving privilege for at least 10 days and an additional 12-month revocation by the Division of Motor Vehicles.
(3) The test results, or the fact of his refusal, will be admissible in evidence at trial on the offense charged.
(4) His driving privilege will be revoked immediately for at least 10 days if:
   a. The test reveals an alcohol concentration of 0.10 or more; or
   b. He was driving a commercial motor vehicle and the test reveals an alcohol concentration of 0.04 or more.
(5) He may have a qualified person of his own choosing administer a chemical test or tests in addition to any test administered at the direction of the charging officer.
(6) He has the right to call an attorney and select a witness to view for him the testing procedures, but the testing may not be delayed for these purposes longer than 30 minutes from the time he is notified of his rights.

If the charging officer or an arresting officer is authorized to administer a chemical analysis of a person’s breath and the charging officer designates a chemical analysis of the blood of the person charged, the charging officer or the arresting officer may give the person charged the oral and written notice of rights required by this subsection.

(d) Amounts collected under G.S. 20-16.5(j) for fiscal years 1991-92 and 1992-93 and designated for the alcohol testing program of the Injury Control Section of the Department of Environment, Health, and Natural Resources shall not revert to the General Fund. The amount of funds collected under G.S. 20-16.5(j) that are designated for this alcohol testing program and have not been spent or obligated as of June 30, 1994, shall revert to the Highway Fund.

Beginning with the 1994-95 fiscal year, any funds collected under G.S. 20-16.5(j) that are designated for the alcohol testing program of the Injury Control Section of the Department of Environment, Health, and Natural Resources and are not needed for that program shall be transferred quarterly to the Governor’s Highway Safety Program for grants to local law enforcement agencies for training concerning enforcement of the laws on driving while impaired. Except for amounts transferred during the fourth quarter of a fiscal year, the Governor’s Highway Safety Program shall expend funds transferred to it under this section in the fiscal year in which they are received. A bond shall be conditioned on compliance with this Part, shall be payable to the State, and shall be in the form required by the Secretary. The Secretary shall proportion a bond amount to the anticipated tax liability of the wholesale dealer or retail dealer. The Secretary shall periodically review the sufficiency of bonds required of dealers, and shall increase the amount of a required bond when the amount of the bond furnished no longer covers the anticipated tax liability of the wholesale dealer or retail dealer. The Secretary shall decrease the amount of a required bond when the Secretary determines that a smaller bond amount will adequately protect the State from loss."

The rate of a tax on each ounce or fraction of an ounce of soft drink syrup or simple syrup shall be four fifths of a cent (4/5¢), and no exemption or refund shall be allowed on such syrup even though it may subsequently be diverted to some purpose other than the making of soft drinks. "§ 105-113.47. Natural fruit or vegetable juice or natural liquid milk drinks exempted from tax. Registration of certain exempt bottled soft drinks and juice concentrates.

(a) Requirement. — All bottled soft drinks containing thirty-five percent (35%) or more of natural fruit or vegetable juice and all bottled natural liquid milk drinks containing thirty-five percent (35%) or more of natural liquid milk, are exempt from the excise tax imposed by this Article, except that this exemption shall not apply to any fruit or vegetable juice drink to which has been added any coloring, artificial flavoring or preservative, sugar, salt or vitamins shall not be construed to be an artificial flavor or preservative. To be exempt from the tax imposed by this Article, the following items must be registered with the Secretary as an exempt item:

(1) A bottled soft drink that contains at least thirty-five percent (35%) natural milk measured by volume and is not exempt under G.S. 105-113.46(1).

(2) A natural juice bottled soft drink.

(3) A natural juice concentrate.

To register an item as exempt, the person who controls the brand name or formula of the item must file an application for registration with the Secretary on a form provided by the Secretary. An application must include an affidavit stating the complete and itemized formula by volume of the bottled soft drink or juice concentrate that is the subject of the application.

(b) Determination. — Any bottled soft drink for which exemption is claimed under this section must be registered with the Secretary. No bottled soft drink shall be entitled to the exemption until registration has been accomplished by the filing of an application for exemption on such form as may be prescribed by the Secretary, which form shall include an affidavit setting forth the complete and itemized formula by volume of the drink therein referred to, and the failure to submit such affidavit shall be prima facie evidence that such bottled soft drink is not exempt. All bottled soft drinks which are not so registered and do not have affixed thereto the proper stamps or crowns shall be subject to confiscation. The Secretary or his duly authorized representative may at any time check the formulas or the manufacturing of such bottled soft drinks for which exemption is claimed under this section and in addition thereto, the Secretary or his duly authorized representative may at any time take samples of any product for which exemption has been claimed, from any and all persons offering such product for sale for the purpose of ascertaining by analysis the contents thereof. The sample shall be clearly marked for identification and such sample may be turned over to any registered chemist designated by the Secretary for the purpose of analysis. If such investigation establishes that such bottled soft drink contains less than thirty-five percent (35%) by volume of natural fruit juice, natural vegetable juice or natural liquid milk, or if any person engaged in selling, manufacturing, purchasing, consigning, using, shipping or distributing for the purpose of sale within this State who has applied for an exemption hereunder fails or refuses to allow the Secretary or his duly authorized representative to check the formulas or inspect the manufacturing of such bottled soft drinks, the excise tax imposed by this Article shall
apply to all sales of such products and all such products offered for sale and not properly stamped shall be subject to confiscation until such person permits the Secretary to examine the formulas or inspect the manufacturing of such bottled soft drinks. The Secretary shall determine whether a bottled soft drink or a juice concentrate for which an application for registration is filed meets the criteria for exemption. To make the determination, the Secretary or a representative of the Secretary may require the person who filed the registration application for the item or anyone who sells the item in this State to provide a sample of the item and may have the sample analyzed by a chemist to verify the accuracy of the submitted formula.

(c) No Disclosure. — Except as required by law or allowed under this subsection, in accordance with proper judicial order or as otherwise provided by law, it shall be unlawful for the Secretary or any deputy, agent, clerk or other officer or employee or any other person acting in a confidential relationship with an agent or employee of the Secretary to divulge or make known in any manner any formula or any particulars of any may not disclose part or all of the formula of an item pertaining to any drink hereinafore referred to, for which an application for registration is filed. However, such prohibition shall not be construed to prohibit the publication of whether or not such bottled soft drinks contain thirty-five percent (35%) or more of natural fruit or vegetable juice or thirty-five percent (35%) or more of natural liquid milk, nor shall it be construed to prohibit the inspection by the Attorney General or other legal representative of the State of the formula of any taxpayer who shall bring action to set aside or review the tax base thereon or against whom an action or proceeding has been instituted to recover any tax imposed by this Article. The Secretary may disclose whether an item meets the exemption criteria and the Attorney General or other legal representative of the State may examine the formula for an item if the grant or denial of an exemption for the item is challenged.

(d) Effect. — Where any product for which exemption is claimed under this section is found to contain less than thirty-five percent (35%) by volume of natural fruit juice, natural vegetable juice, or natural liquid milk, the excise tax imposed by this Article shall apply to all sales of such product, and all such products offered for sale and not properly stamped shall be subject to confiscation. Registration as an exempt item applies prospectively to sales of the registered bottled soft drink or registered juice concentrate made on or after the date of registration. Registration does not relieve a person of liability for taxes due on sales made before the date an item is registered."

A bond shall be conditioned on compliance with this Article, shall be payable to the State, and shall be in the form required by the Secretary. The Secretary shall proportion a bond amount to the anticipated tax liability of the distributor, wholesale dealer, or retail dealer. The Secretary shall periodically review the sufficiency of bonds required of distributors, wholesale dealers, and retail dealers and shall increase the amount of a required bond when the amount of the bond furnished no longer covers the anticipated tax liability of the distributor or dealer. PART 51.-------INSURANCE TAX CHANGES AND REGULATORY CHARGE

Sec. 289. Article 6 of Chapter 58 of the General Statutes is amended by adding a new section to read:
"§ 58-6-25. Insurance regulatory charge.

(a) Charge Levied. There is levied on each insurance company an annual charge to defray the cost to the Department of regulating the insurance industry and other industries and the general administrative expenses of the State incident thereto. As used in this section, the term "insurance company" means a company that pays the gross premiums tax levied in G.S. 105-228.5 and G.S. 105-228.8, except that the term does not include a hospital, medical, or dental service corporation regulated under Articles 65 and 66 of this Chapter. The term "insurance company" does not include a company regulated under Article 67 of this Chapter. The charge levied in this section is in addition to all other fees and taxes. The charge shall be at a percentage rate of the company's premium tax liability for the taxable year. In determining an insurance company's premium tax liability for a taxable year, additional taxes imposed by G.S. 105-228.8 shall be disregarded.

(b) Rates. The rate of the charge for the 1991 taxable year shall be six and five-tenths percent (6.5%). For subsequent taxable years, the rate shall be the percentage rate established by the General Assembly. When the Department prepares its budget request for each upcoming fiscal year, the Department shall propose a percentage rate of the charge levied in this section. The Governor shall submit that proposed rate to the General Assembly each fiscal year. The General Assembly shall
APPENDIX

set by law the percentage rate of the charge levied in this section. The percentage rate may not exceed the rate necessary to generate funds sufficient to defray the estimated cost of the operations of the Department for each upcoming fiscal year, including a reasonable margin for a reserve fund. The amount of the reserve may not exceed one-third of the estimated cost of operating the Department for each upcoming fiscal year. In calculating the amount of the reserve, the General Assembly shall consider all relevant factors that may affect the cost of operating the Department or a possible unanticipated increase or decrease in North Carolina premiums or other charge revenue.

(c) Returns: When Payable. The charge levied on each insurance company is payable at the time the insurance company remits its premium tax. If the insurance company is required to remit installment payments of premiums tax under G.S. 105-228.5 for a taxable year, it shall also remit installment payments of the charge levied in this section for that taxable year at the same time and on the same basis as the premium tax installment payments. Each installment payment shall be equal to at least thirty-three and one-third percent (33.3%) of the insurance company’s regulatory charge liability incurred in the immediately preceding taxable year.

Every insurance company shall, on or before the date the charge levied in this section is due, file a return on a form prescribed by the Commissioner. The report shall state the company’s total North Carolina premiums for the taxable year and shall be accompanied by any supporting documentation that the Commissioner may by rule require.

(d) Use of Proceeds. The Department of Insurance Fund is created in the State treasury. The proceeds of the charge levied in this section and all fees collected under Articles 69 through 71 of this Chapter and under Articles 9 and 9C of Chapter 143 of the General Statutes shall be credited to the Fund. The Fund shall be placed in an interest-bearing account and any interest or other income derived from the Fund shall be credited to the Fund. Moneys in the Fund may be spent only pursuant to appropriation by the General Assembly. The Fund is subject to the provisions of the Executive Budget Act, except that no unexpended surplus of the Fund shall revert to the General Fund. All money credited to the Fund shall be used only to pay the expenses of the Commissioner and the Department that are incurred in regulating the insurance industry and other industries in this State and the general administrative expenses of the State incident thereto."

Sec. 290. Notwithstanding the provisions of G.S. 58-6-25, as enacted by this act, each insurance company subject to the charge levied under G.S. 58-6-25 who must pay an installment payment of the premium tax levied under G.S. 105-228.5 and G.S. 105-228.8 for the 1991 taxable year shall pay an installment payment of the charge levied in G.S. 58-6-25 for the 1991 taxable year on or before October 15, 1991. This installment payment shall be equal to three and twenty-five hundredths percent (3.25%) of the company’s premium tax liability for the immediately preceding taxable year. The balance of the charge imposed for the 1991 taxable year shall be remitted by March 15, 1992.

Sec. 291. G.S. 105-228.8(e) reads as rewritten:

“(e) This section shall not apply to special purpose obligations or assessments based on premiums imposed in connection with particular kinds of insurance, to the special purpose regulatory charge imposed under G.S. 58-6-25, or to dedicated special purpose taxes based on premiums. For purposes of this section, seventy-five percent (75%) of the one and thirty-three hundredths percent (1.33%) tax on amounts collected on contracts of insurance applicable to fire and lightning coverage shall not be a special purpose obligation or assessment or a dedicated special purpose tax within the meaning of this subsection.”

Sec. 292. G.S. 58-69-40 reads as rewritten:

"§ 58-70-45. Disposition of permit fees.
All permit fees collected hereunder under this Article shall be credited to the account of the Commissioner for the specific purpose of providing the personnel, equipment and supplies necessary to enforce this Article, but the State Budget Officer shall have the right to budget the revenues received in accordance with the requirements of the Commissioner for the purposes herein required, and at the end of the fiscal year, if any sum whatever shall remain to the credit of the Commissioner, derived from the sources herein referred to, the same shall revert to the general treasury of the State to be appropriated as other funds, Department of Insurance Fund created under G.S. 58-6-25."

"§ 143-151.21. Disposition of fees.
Fees collected by the Commissioner under this Article shall be credited to the Department of Insurance Fund created under G.S. 58-6-25."  

Sec. 296. The Commissioner of Insurance shall, from time to time as the balance of the Fund in G.S. 58-6-25 attains levels sufficient to carry out the purposes in G.S. 58-6-25, transfer money from the Department of Insurance Fund to the General Fund to repay the money appropriated to the Department of Insurance from the General Fund for the 1991-92 fiscal year, plus accrued interest at a rate determined by the State Treasurer from the date the money is withdrawn from the General Fund.

Sec. 297. G.S. 105-228.5 reads as rewritten:
"§ 105-228.5. Taxes measured by gross premiums.
Every insurance company and every Articles 65 and 66 of Chapter 58 corporation shall pay to the Commissioner of Insurance, at the time and rates provided in this section, a tax measured by gross premiums from business done in this State during the preceding calendar year, or, for Articles 65 and 66 of Chapter 58 corporations, a tax measured by gross collections from membership dues, exclusive of receipts from cost plus plans, received by such corporations during the preceding calendar year.

Gross premiums from business done in this State in the case of life insurance and annuity contracts, including any supplemental contracts thereto providing for disability benefits, accidental death benefits, or other special benefits, shall for the purposes of the taxes levied in this section mean any and all premiums collected in the calendar year (other than for contracts for reinsurance) for policies the premiums on which are paid by or credited to persons, firms or corporations resident in this State, or in the case of group policies for any contracts of insurance covering persons resident within this State, with no deduction for considerations paid for annuity contracts which are subsequently returned except as below specified, and with no other deduction whatsoever except for premiums returned under one or more of the following conditions: premiums refunded on policies rescinded for fraud or other breach of contract; premiums which were paid in advance on life insurance contracts and subsequently refunded to the insured, premium payer, beneficiary or estate; and in the case of group annuity contracts the premiums returned by reason of a change in the composition of the group covered. Said gross premiums shall be deemed to have been collected for the amounts as provided in the policy contracts for the time in force during the year, whether satisfied by cash payment, notes, loans, automatic premium loans, applied dividend or in any other manner whatsoever, except in the case
of premiums waived by any of said companies pursuant to a contract for waiver of premium in case of disability.

An insurer, in computing its premium taxes, shall pay premium taxes on a premium for the purchase of annuities at the time the contract holder elects to commence annuity benefits, instead of at the time the premium is collected.

Every insurer, in computing the premium tax, shall exclude from the gross amount of premiums all premiums received on or after July 1, 1973, from policies or contracts, issued in connection with the funding of a pension, annuity or profit-sharing plan, qualified or exempt under sections 401, 403, 404, 408, 457 or 501 of the Code as defined in G.S. 105-134.1(1) and the gross amount of all such premiums shall be exempt from the tax levied by this section.

Gross premiums from business done in this State in the case of contracts for fire insurance, casualty insurance, and any other type of insurance except life and annuity contracts as above specified, including contracts of insurance required to be carried by the Workers' Compensation Act, shall for the purposes of the taxes levied in this section mean any and all premiums written during the calendar year, or the equivalent thereof in the case of self-insurers under the Workers' Compensation Act, for contracts covering property or risks in this State, other than for contracts of reinsurance, whether such premiums are designated as premiums, deposits, premium deposits, policy fees, membership fees, or assessments. Gross premiums shall be deemed to have been written for the amounts as provided in the policy contracts, new and renewal, becoming effective during the year irrespective of the time or method of making payment or settlement for such premiums, and with no deduction for dividends whether returned in cash or allowed in payment or reduction of premiums or for additional insurance, and without any other deduction except for return of premiums, deposits, fees or assessments for adjustment of policy rates or for cancellation or surrender of policies.

In determining the amount of gross premiums from business in this State all gross premiums received in this State, or credited to policies written or procured in this State, or derived from business written in this State shall be deemed to be for contracts covering persons, property or risks resident or located in this State except for such premiums as are properly reported and properly allocated as being received from business done in some other nation, territory, state or states, and except for premiums from policies written in federal areas for persons in military service who pay premiums by assignment of service pay.

The tax rate to be applied to gross premiums collected on contracts applicable to liabilities under the Workers' Compensation Act shall be two and five-tenths percent (2.5%). The tax rate to be applied to gross premiums collected on annuities and all other insurance contracts issued by insurers shall be one and seventy-five hundredths percent (1.75%) and one and eight hundred seventy-five thousandths percent (1.875%) for taxable years beginning on or after January 1, 1991, and before January 1, 1992, and one and nine-tenths percent (1.9%) for taxable years beginning on or after January 1, 1992. The tax rate to be applied to amounts collected on contracts of insurance applicable to fire and lightning coverage (except marine and automobile policies) shall be one and thirty-three hundredths percent (1.33%) in addition to the one and seventy-five hundredths percent (1.75%) above tax. Twenty-five percent (25%) of the net proceeds of the one and thirty-three hundredths percent (1.33%) tax on amounts collected on contracts of insurance applicable to fire and lightning coverage shall be deposited in the Rural Volunteer Fire Department Fund established in Articles 84 through 88 of Chapter 58 of the General Statutes. Effective July 1, 1988, the tax rate to be applied to gross premiums and/or gross collections from membership dues, exclusive of receipts from cost plus plans, received by Articles 65 and 66 of Chapter 58 corporations shall be one-half of one percent (1/2 of 1%).

The taxes levied herein measured by premiums and/or membership dues shall be in lieu of all other taxes upon insurance companies except: fees and licenses fees, charges, and licenses under this Article, or as specified in Articles 1 through 64 of
Chapter 58 of the General Statutes of North Carolina as amended; taxes imposed by Articles 84 through 88 of Chapter 58 of the General Statutes of North Carolina; taxes imposed by Article 5 of Chapter 105 of the General Statutes of North Carolina as amended; and ad valorem taxes upon real property and personal property owned in this State.

For the tax above levied as measured by gross premiums and/or gross collections from membership dues exclusive of receipts from cost plus plans the president, secretary, or other executive officer of each insurance company and Articles 65 and 66 of Chapter 58 corporation doing business in this State shall within the first 15 days of March file with the Commissioner of Insurance a full and accurate report of the total gross premiums as above defined or the total gross collections from membership dues exclusive of receipts from cost plus plans collected in this State during the preceding calendar year. The report shall be in such form and contain such information as the Commissioner of Insurance may specify, and the report shall be verified by the oath of the company official transmitting the same or by some principal officer at the home or head office of the company or association in this country. At the time of making such report the taxes above levied with respect to the gross premiums or the gross collections from membership dues shall be paid to the Commissioner of Insurance. The provisions above shall likewise apply as to reports and taxes for any firm, corporation, or association exchanging reciprocal or interinsurance contracts, and said reports and taxes shall be transmitted by their attorneys-in-fact.

Insurance companies and Articles 65 and 66 of Chapter 58 corporations subject to the tax imposed by this section with a premium tax liability of ten thousand dollars ($10,000) or more for business done in North Carolina during the immediately preceding year shall remit three equal quarterly installments with each installment equal to at least twenty-seven and one-half percent (27 1/2%) thirty-three and one-third percent (33 1/3%) of the premium tax liability incurred in the immediately preceding taxable year. The quarterly installment payments shall be made on or before April 15, June 15, and October 15 of each taxable year. The company shall remit the balance by the following March 15 in the same manner provided in this section for annual reports. For taxable years beginning on or after January 1, 1989, each of the three quarterly installments shall be equal to at least thirty-three and one-third percent (33 1/3%) and payment of these installments shall be made on or before April 15, June 15, and October 15 of each taxable year. The balance shall be remitted by the following March 15 in the same manner provided in this section for annual returns.

The Commissioner of Insurance may, by regulation, permit an insurance company to pay less than the required estimated payment when the insurer reasonably believes that the total estimated payments made for the current year will exceed the total anticipated tax liability for the year.

If a company does not meet the installment payment requirement of this section, the Commissioner of Insurance shall assess a penalty on underpayments that is equal to the interest rate adopted by the Secretary of Revenue under G.S. 105-241.1(i). Any overpayment shall be credited to the company and applied against the taxes imposed upon the company under this Article.

The provisions as to reports and taxes as measured by gross premiums shall not apply to farmers' mutual assessment fire insurance companies or to fraternal orders or societies that do not operate for a profit and do not issue policies on any person except members.

With respect to the taxes levied in this section on the equivalent of premiums of self-insurers under the provisions of the Workers' Compensation Act, the reports required herein shall be transmitted to and the taxes collected by the Insurance Commissioner as provided in G.S. 97-100(j)."

Provided further, that where the purchaser is a subcontractor, the contractor and subcontractor shall be jointly and severally liable for the tax, but the liability of the contractor shall be deemed satisfied if before final settlement between them the subcontractor furnishes to the contractor an affidavit certifying that the tax has been paid. The purchaser of the property is liable for the tax. The liability of an owner or a contractor who did not purchase the property is satisfied if the purchaser delivers to the owner or contractor before final settlement between them an affidavit certifying that the tax has been paid."

Sec. 313. G.S. 105-164.10 reads as rewritten:

"§ 105-164.10. Retail bracket system.

For the convenience of the retailer in collecting the tax due at the rate of three percent (3%) and to facilitate the administration of this Article, every retailer engaged in or continuing within this State in a business for which a license, privilege or excise tax is required by this Article shall add to the sale price and collect from the purchaser on all taxable retail sales an amount equal to the following: (1) No amount on sales of less than 10¢.

(2) 1¢ on sales of 10.2¢ and over but not in excess of 25¢.

(3) 2¢ on sales of 26.2¢ and over but not in excess of 70¢.

(4) 3¢ on sales of 71.2¢ and over but not in excess of $1.16.

(5) Sales over $1.16 straight 3% with major fractions governing.

Use of the above bracket does not relieve the retailer from the duty and liability to remit to the Secretary an amount equal to three percent (3%) of the gross receipts derived from all taxable retail sales subject to the three percent (3%) rate during the taxable period. Whenever a sales or use tax is due at a rate of less than three percent (3%), the tax shall be computed by multiplying the sales or purchase price by the applicable rate and by rounding the result off to the nearest whole cent. The use of this method in computing the sales or use tax shall not relieve a taxpayer from the duty and liability of remitting to the Secretary an amount equal to the applicable rates times gross receipts subject to taxation at the lesser rates. Under this Article, the Secretary shall prescribe tables that compute the tax due on sales by rounding off the amount of tax due to the nearest whole cent. The Secretary shall issue a separate table for each rate of tax that may apply to a sale, including the general rate established in G.S. 105-164.4, preferential rates, and combined State and local rates. Use of the tables prescribed by the Secretary does not relieve a retailer of liability for the applicable rate of tax due on the gross receipts or net taxable sales of the retailer."

Sec. 314. G.S. 105-164.13(18) reads as rewritten:

“(18) Funeral expenses, including coffins and caskets, not to exceed one thousand five hundred dollars ($1,500). All other funeral expenses, including gross receipts for services rendered, shall be taxable at the rate of three percent (3%)—general rate of tax set in G.S. 105-164.4. However, ‘services rendered’ shall not include those services which have been taxed pursuant to G.S. 105-164.4(4), or to those services performed by any beautician, cosmetologist, hairdresser or barber employed by or at
the specific direction of the family or personal representative of a deceased; and 'funeral expenses' and 'services rendered' shall not include death certificates procured by or at the specific direction of the family or personal representative of a deceased. Where coffins, caskets or vaults are purchased direct and a separate charge is paid for services, the provisions of this subdivision shall apply to the total for both.

Sec. 315. G.S. 105-465 reads as rewritten:

"§ 105-465. County election as to adoption of local sales and use tax.

The board of elections of any county, upon the written request of the board of county commissioners thereof, or upon receipt of a petition signed by qualified voters of the county equal in number to at least fifteen percent (15%) of the total number of votes cast in the county, at the last preceding election for the office of Governor, shall call a special election for the purpose of submitting to the voters of the county the question of whether a one percent (1%) sales and use tax as hereinafter provided will be levied.

The special election shall be held under the same rules and regulations applicable to the election of members of the General Assembly. No new registration of voters shall be required. All qualified voters in the county who are properly registered not later than 21 days (excluding Saturdays and Sundays) prior to the election shall be entitled to vote at said election. The county board of elections shall give at least 20 days' public notice prior to the closing of the registration books for the special election.

The county board of election shall prepare ballots for the special election which shall contain the words, 'FOR the one percent (1%) local sales and use tax only on those items presently covered by the three percent (3%) four percent (4%) sales and use tax,' and the words, 'AGAINST the one percent (1%) local sales and use tax only on those items presently covered by the three percent (3%) four percent (4%) sales and use tax,' with appropriate squares so that each voter may designate his vote by his cross (X) mark.

The county board of elections shall fix the date of the special election; provided, however, that the special election shall not be held on the date of any biennial election for county officers, nor within 60 days thereof, nor within one year from the date of the last preceding special election under this section."

Sec. 316. G.S. 105-467 reads as rewritten:

"§ 105-467. Scope of sales tax.

The sales tax which may be imposed under this Article is limited to a tax at the rate of one percent (1%) of:

(3) The gross receipts derived from the rental of any room or lodging furnished by any hotel, motel, inn, tourist camp or other similar accommodations now subject to the three percent (3%) general rate of sales tax imposed by the State under G.S. 105-164.4(a)(3); and

(4) The gross receipts derived from services rendered by laundries, dry cleaners, cleaning plants and similar type and other businesses now subject to the three percent (3%) general rate of sales tax imposed by the State under G.S. 105-164.4(a)(4).

The sales tax authorized by this Article does not apply to sales that are taxable by the State under G.S. 105-164.4 but are not specifically included in subdivisions (1) through (4) of this section.

The exemptions and exclusions contained in G.S. 105-164.13 and the refund provisions contained in G.S. 105-164.14 shall apply with equal force and in like manner
The local sales tax authorized to be imposed and levied under the provisions of this Article shall apply to such retail sales, leases, rentals, rendering of services, furnishing of rooms, lodgings or accommodations and other taxable transactions which are made, furnished or rendered by retailers whose place of business is located within the taxing county. The tax imposed shall apply to the furnishing of rooms, lodging or other accommodations within the county which are rented to transients. For the purpose of this Article, the situs of a transaction is the location of the retailer’s place of business."

Sec. 317. G.S. 105-468 reads as rewritten:

"§ 105-468. Scope of use tax.

The use tax which may be imposed under this Article shall be at the rate of one percent (1%) of the cost price of each item or article of tangible personal property when it is not sold but used, consumed or stored for use or consumption in the taxing county, except that no tax shall be imposed upon tangible personal property when the property would be taxed by the State at a rate of other than three percent (3%) other than the general rate of tax set in G.S. 105-164.4 if it were taxable under G.S. 105-164.6.

Every retailer engaged in business in this State and in the taxing county and required to collect the use tax levied by G.S. 105-164.6 shall also collect the one percent (1%) use tax when such property is to be used, consumed or stored in the taxing county, one percent (1%) use tax to be collected concurrently with the State’s use tax; but no retailer not required to collect the use tax levied by G.S. 105-164.6 shall be required to collect the one percent (1%) use tax. The use tax contemplated by this section shall be levied against the purchaser, and the purchaser’s liability for the use tax shall be extinguished only upon payment of the use tax to the retailer, where the retailer is required to collect the tax, or to the Secretary of Revenue, or to the taxing county, as appropriate, where the retailer is not required to collect the tax.

Where a local sales or use tax has been paid with respect to tangible personal property by the purchaser, either in another taxing county within the State, or in a taxing jurisdiction outside the State where the purpose of the tax is similar in purpose and intent to the tax which may be imposed pursuant to this Article, the tax paid may be credited against the tax imposed under this section by a taxing county upon the same property. If the amount of sales or use tax so paid is less than the amount of the use tax due the taxing county under this section, the purchaser shall pay to the Secretary of Revenue or to the taxing county, as appropriate, an amount equal to the difference between the amount so paid in the other taxing county or jurisdiction and the amount due in the taxing county. The Secretary of Revenue or the taxing county, as appropriate, may require such proof of payment in another taxing county or jurisdiction as is deemed to be necessary. The use tax levied under this Article is not subject to credit for payment of any State sales or use tax not imposed for the benefit and use of counties and municipalities. No credit shall be given under this section for sales or use taxes paid in a taxing jurisdiction outside this State if that taxing jurisdiction does not grant similar credit for sales taxes paid under this Article."

Sec. 318. G.S. 105-470, 105-485, and 105-500 and Article 41 of Chapter 105 of the General Statutes are repealed.

The General Assembly shall enact the Current Operations Appropriations Act by June 15 of odd-numbered years and by June 30 of even-numbered years in which a Current Operations Appropriations Act is enacted. The Current Operations Appropriations Act shall state the amount of General Fund appropriations availability upon which the General Fund budget is based. The statement of availability shall list separately the beginning General Fund credit balance. General Fund revenues, and any other components of the availability amount.

The General Fund operating budget appropriations, including appropriations for local tax reimbursements and local tax sharing, for the second year in a Current Operations Appropriations Act that contains a biennial budget shall not be more than two percent (2%) greater than the General Fund operating budget appropriations for the first year of the biennial budget.

The General Assembly shall appropriate up to one-fourth of any anticipated credit balance remaining in the General Fund at the end of each fiscal year to the Savings Reserve Account as provided in G.S. 143-15.3. The General Assembly may appropriate that part of the anticipated credit balance not appropriated to the Savings Reserve Account only for capital improvements or other one-time expenditures.

(a) There is established a Savings Reserve Account as a special revenue fund in the State treasury. The General Assembly shall appropriate to the Savings Reserve Account one-fourth of any anticipated credit balance remaining in the General Fund at the end of each fiscal year until the account contains funds equal to five percent (5%) of the amount appropriated the preceding year for the General Fund operating budget, including local government tax reimbursements and local government tax-sharing funds. If the balance in the Savings Reserve Account falls below this level during a fiscal year, the General Assembly shall appropriate to the Savings Reserve Account for the following fiscal years up to one-fourth of any anticipated credit balance remaining in the General Fund at the end of each fiscal year until the account again equals five percent (5%) of the amount appropriated the preceding year for the General Fund operating budget, including local government tax reimbursements and local government tax-sharing funds.

(b) The Director may not use funds in the Savings Reserve Account unless the use has been approved by an act of the General Assembly.

(a) Size Limitation. Except as otherwise provided in this section, the General Fund operating budget each fiscal year shall not be greater than seven percent (7%) of the projected total State personal income for that fiscal year. For the purpose of this section, the General Fund operating budget includes any appropriations for local tax reimbursements and local tax-sharing, but does not include appropriations for (i) capital expenditures or (ii) one-time expenditures due to natural disasters, federal mandates, or other emergencies.

(b) Increase in Size Limitation. To the extent that any percent increase in appropriations for a fiscal year for (i) Medicaid, (ii) operation of prisons, or (iii) the costs of providing health insurance for teachers and State employees, exceeds the
percent increase in State personal income growth for the same period, the limitation on the size of the General Fund operating budget provided in subsection (a) of this section for that fiscal year shall be increased by the dollar amount represented by the excess percentage. For all subsequent fiscal years, the percent limitation contained in subsection (a) shall then be increased to reflect that dollar adjustment.

(c) Fiscal Reports. The Office of State Budget and Management and the Fiscal Research Division of the General Assembly shall each submit a tentative estimate of total State personal income for the upcoming fiscal year to the General Assembly no later than February 1 of each year. The Office and the Fiscal Research Division shall each submit a final projection of total State personal income for the upcoming fiscal year to the General Assembly no later than May 1 of each year. 147 Establishment of the Geographic Information Coordinating Council and the Transfer of the Center for Geographic Information and Analysis to the Office of the Governor

148 Governor's Task Force on Health Objectives for the year 2000
"Before I begin my formal remarks, let me say that last week North Carolina was diminished by the loss of one of its finest sons—Joseph Branch—lawyer, legislator, counsellor to governors, and Chief Justice—a personal friend and mentor to me and to many of you here assembled. I dedicate this message to his memory and ask the Chair that we pause for a moment of silence to honor him and all that he meant to us.

"Mr. President, Mr. Speaker, members of the General Assembly, fellow justices and judges, ladies and gentlemen: Thank you for permitting me to appear again on behalf of our state's judicial branch of government. My hope is to be helpful without imposing. My mother warned me against wearing out my welcome. I will be mindful of her warning.

THE GENERAL COURT OF JUSTICE

"Article IV of our state's constitution provides for a 'unified judicial system' known as the General Court of Justice. Except for the power of impeachment, which you have, Article IV authorizes the General Court to exercise the judicial power of the state. Article IV divides the General Court into three divisions, Appellate, Superior Court and District Court. It further divides the Appellate Division into the Supreme Court and Court of Appeals. It provides for an 'administrative office of the courts' to help administer the General Court.

"We should be proud of the structure of our unified court system. It has become the model which other states have followed and are continuing to follow. Therefore, we should be vigilant to protect its integrity.

"Now let me report on how the system is operating.

CASE FILINGS

"The judicial power is the power to decide disputes between citizens or between the state and a citizen. When these disputes get to court, we call them 'cases'. Numerically, almost all cases are filed and decided in our trial divisions. Unprecedented annual increases in case filings in these divisions, which I reported to you in 1989, continue. Caseloads per judge, prosecutor, magistrate, and clerk continue to rise. Case
inventories continue to increase. Average and median ages of cases pending continue to creep up. Although average time from filing to disposition is also increasing, these times, at all levels of our system, trial and appellate, are within the zone of reason.

"Total filings in our trial divisions in fiscal '89-'90, not including juvenile or mental health commitment proceedings, were 2,493,245, a new record. Total dispositions were 2,348,798, also a new record. Not since fiscal 1983 have dispositions kept up with filings in both trial divisions. From then until now the gap between filings and dispositions in both divisions has continued to grow.

"In the Superior Court filings grew 12% year before last and 8.5% last year. Dispositions increased last year by 6%. (All reference to years are to fiscal years and percentages have been rounded.) Felony filings last year increased 11%. Drug case filings alone increased 31% and they now comprise 29% of the felony docket in Superior Court. There were 63,035 cases pending at the end of last year, an increase of 20% over the previous year. The median age of pending cases increased from 219 to 225 days for civil cases and from 91 to 96 days for felony cases.

"In the District Court Division filings increased 10% year before last and 3% last year. Dispositions last year increased 3.6%. Last year motor vehicle criminal and infraction filings increased only 2%; but non–motor vehicle criminal filings increased 8%, domestic relation cases 7%, and general civil cases 9%. Civil magistrate filings decreased by 5%. Motor vehicle criminal and infraction cases account for 1,166,000 of the 2,270,000, or about 51% of district court filings. They are also the least difficult and consume less time per case than the other categories. But it is these other categories of cases, particularly the domestic relations cases, many of which involve complicated equitable distribution proceeds, that account for the real workload of the District Courts. The dramatic increases in these categories just in the last year are significant. In the last year pending civil cases in the District Court increased by 9%, pending domestic relations cases by 13% and pending non–motor vehicle criminal cases by 15%. The median age of pending cases increased from 176 to 206 days for domestic relations cases, 170 to 177 days for civil cases, 58 to 65 days for non–motor vehicle criminal cases.

"Our judges, prosecutors, magistrates and clerks are working hard under heavier than ever caseload burdens. From 1983 to 1989 caseloads per personnel per year have increased as follows: Superior Court Judges, 811 to 1,174, 45%; District Court Judges, 4,277 to 6,505, 52%; Prosecutors, 2,886 to 4,529, 57%; Clerks, 1,029 to 1,370, 33%; and Magistrates Small Claims Court, 623 to 928, 49%.

"Thanks, however, to the much needed increase in personnel you authorized us in the 1989–91 biennium, our courts, statewide, are not in crisis in terms of being able to handle the ever growing caseloads. Without this increase we would have been by now in or on the verge of crisis. Ever increasing inventories of pending cases and the increasing ages of these cases are storm clouds on the horizon. They show that we are not, and have not been for several years, keeping up. We are not
hopelessly behind, but we continue to fall further behind. Some districts, mostly our more urban districts, are in worse shape than others. Some Mecklenburg court officials report they are in crisis and are no longer able to prosecute many criminal cases that should be prosecuted. Mr. Freeman and I are presently trying to sort out this situation in relation to the needs of other districts.

ALTERNATIVES TO LITIGATION

“Our alternatives to litigation programs—court ordered arbitration and child custody mediation—which in 1989 you authorized us to use statewide, are promising. In the pilot districts, where they have been operating for several years, we have been able both to reduce the number of scheduled jury trial sessions and to improve the speed of case dispositions in the district court. We are expanding these programs to more districts as funds permit. Thank you for your approval of them and your recognition of their merit.

COURT EFFICIENCY

“When we talk of efficiency in our courts, we need to remind ourselves that there is a limit to the efficiency that can be squeezed out of any court system. Our courts’ duty in deciding disputes is to see that justice under the law is done in each individual case. As to each dispute, no matter how routine or how momentous, judges must give individualized attention and achieve an individualized resolution tailored to that particular dispute. Cases are like snow flakes; no two are exactly alike. Justice cannot be mass produced, and it must not be sacrificed on the altar of efficiency. There comes a time, as during the current biennium, when increased personnel is the only reasonable solution. We will not ask for these increases if we do not need them, and we know this is not a good time to ask. But when we can demonstrate the need, we hope you will be able to respond favorably.

COSTS

“The Judicial Branch operates, comparatively, without a great deal of cost to the state. For fiscal ‘89-’90 you appropriated $200,807,000 to the Judicial Branch. This figure is only 3% of all General Fund appropriations for all the operating expenses of state government. It works out to an average per case cost to taxpayers of about $80.00. The actual net cost to taxpayers is far less. From fees, fines, forfeitures, and other collections, our courts recovered last year nearly $120,000,000, most of which—$115,330,000—we returned to the state and to local governments. The net appropriation to the Judicial Branch was, therefore, $85,477,000. That works out to an average cost per case to taxpayers of $34. That may be the best bargain in town!

SALARIES

“I am not going to say anything this year about judicial branch salaries. We do continue to slip further behind comparable surrounding
southeastern states. But enough of that. Let me simply refer you to the report of your Legislative and Judicial Salary Study Commission. Attached to this speech is a table comparing current salaries with those of other comparable states and those which your study commission recommended be in place by July of this year.

**JUDICIAL SELECTION AND RETENTION**

"The darkest storm cloud on the judicial horizon with the potential to wreak the greatest havoc, is our continued use of partisan political elections for the selection and retention of our judges.

"My position on this is well know. I spoke at length to you about it in 1989, and I am not going to belabor it today.

"Just let me say that there is more momentum for change today that we have ever had before. Many who were opposed to change are now persuaded that change must come. Listen to this letter written last November by a prominent North Carolina attorney to one of his colleagues:

‘Over a year ago I met ... with Chief Justice Exum. He warned of a demeaning “judges for sale” atmosphere such as happened in Texas. He also warned that there would soon come to a time when candidates wanted judicial office so badly that the truth would be obscured by campaign rhetoric, distortion, and exaggeration. While I appreciated the Chief Justice’s concern, I did not share it ... I was wrong.’

"I hope you will seize the momentum we have and act favorably on Senate Bills 71 and 72 or House Bills 102 and 103. There are some differences between the House and Senate versions of the implementing legislation in the way the Judicial Selection and Retention Commission works. Both the Senate and House versions are good bills. Personally, I can support either. I hope you will not let these differences in detail kill the bills. Instead I hope the Senate and House will work cooperatively and constructively to resolve the differences and enact the legislation. My only suggestion now regarding these bills would be that you add representatives from the District Attorney and Public Defender Associations to the Selection and Retention Commission.

"If you can avoid the pitfalls of minor differences between the chambers and linkage with other measures and pass this legislation standing on its own merits, you will have taken a giant step—as big a step as any legislature has ever taken—to preserve the independence and impartiality of our courts, and the people’s confidence in them. I urge you to take this step.

**INDIGENT REPRESENTATION**

"Two of our toughest problems are access to our courts for all people and providing the indigent criminally accused with legal counsel. These problems become acute in hard financial times. But if we do not address and solve them, our system of justice will be without integrity and credibility. It will be a system which promises but does not deliver.
“Our courts promise to be available equally to all persons—rich or poor. Our state constitution’s Declaration of Rights, older even than the federal constitution, promises that ‘All courts shall be open; every person for an injury done ... shall have remedy by due course of law ....’ Theoretically, our courts are open to any person with or without counsel. Practically, they are not open very wide to those persons who have no lawyer. Our laws and procedures are too complex a thicket for one not trained in them to navigate.

“Many lawyers, on their own initiative and through programs sponsored by various lawyers’ associations, particularly the North Carolina Bar Association, help us keep this promise by simply volunteering their services to those who cannot afford to pay for them. Thank God for these lawyers. They are responding to our profession’s highest calling. The North Carolina Legal Services Corporation also provides lawyers for persons who cannot afford their own. Without all these lawyers, our constitution’s promise of open courts can not be kept.

“In 1989, for the first time, you provided financial support for the Legal Services Corporation. It helped a great deal, and I thank you for it.

“Our constitutions also promise that the criminally accused shall enjoy the right to effective assistance of counsel. Recognizing your constitutional responsibility, you have mandated by statute that the state provide counsel for the criminally accused at various stages of the proceedings, and you have for many years appropriated substantial funds to pay lawyers who represent indigent criminal defendants. You have also asked the AOC to administer these funds. We believe we have administered them responsibly.

“Nonetheless, the funds we have requested and you have appropriated have not, in recent years, seemed to be enough. This is due probably to unprecedented increases in criminal, and particularly drug, cases, in our system. Lawyers are unhappy, judges are unhappy, defendants are unhappy, the taxpayer is unhappy, and you are unhappy.

“Last year I appointed a committee of judges, lawyers, a district attorney, and a public defender to study this problem and recommend a system that would be fair to lawyers, fair to defendants, and fair to you and the taxpayers. Early this year, the committee filed its report, and you will receive a copy. I endorse the recommendations made by a majority of committee and urge you to help us implement them. They will improve this program.

“There are three programs we believe save money in furnishing counsel to indigent defendants. They are our Public Defender program, our Resource Center for capital cases, and our Indigency Screening Program. Counsel costs per case are inevitably lower in our Public Defender districts than in districts which rely on private assigned counsel. The Resource Center for capital cases helps us attract volunteer lawyers to appear in these cases. It also helps reduce the fees of the lawyers we pay because the Resource Center provides them with legal research and other aids in preparation of the cases which they would otherwise have to provide for themselves. The Resource Center also helps to avoid
costly retrials on the ground of alleged ineffective assistance of counsel at the first trial. The Indigency Screening Program helps us ensure that only those entitled to appointed counsel get them.

“I hope you will be able to continue your support of the Resource Center and the Indigency Screening Program and authorize us to expand our Public Defender program into more districts where it would be cost effective. Problems with programs for the poor and the indigent criminally accused become acute in hard financial times. It is easy to cut these programs, for those who benefit by them have no constituencies and no political clout. All they have going for them is the Constitution and your wisdom.

“Thank you again for providing me this opportunity to talk to you about our concerns. Our three branches of government, after all, are separate, but they are interdependent. You depend on us to apply properly the laws you enact. We depend on you to understand our problems and respond to our needs. We depend on the executive to enforce our decrees. You have the power of the purse; the executive, the power of the sword. The judiciary has only the power of reason, perhaps the most fragile of all the powers. Its existence depends on help from the sword and the purse.

“Thank you for your attention.”

STATE OF THE STATE ADDRESS
BIENNIAL BUDGET MESSAGE

Governor Jim Martin
North Carolina General Assembly
Joint Session
February 2, 1991

LIEUTENANT GOVERNOR GARDNER, SPEAKER BLUE, HONORABLE MEMBERS OF THE NORTH CAROLINA GENERAL ASSEMBLY, LADIES AND GENTLEMEN:

"Once again, in response to your kind invitation, and in response to the challenges facing our State, I have come to present my biennial budget message, and to review with you the State of the State of North Carolina.

"We meet at a time of great national distress, and profound responsibility. A time when once again North Carolina has been called upon for a greater portion of duty and sacrifice. We begin this occasion with our prayer for an honorable conclusion to war, and for the safe return of those men and women whose courage and training and patriotism represent us and our nation in the Middle East. I want you to pause with me for a moment of personal, silent prayer; remembering those who have fallen, and our beautiful friend Senator Jim Ezzell...

"As a constant reminder of their sacrifice, I carry with me or keep visible on my desk this small bottle of Arabian desert sand sent to me by National Guard Sgt. First Class S. C. Davis, tactical communications chief with the 139th Rear Area Operations Center. Over there. It was delivered by her proud husband Chester.

"In addition to the highly acclaimed 'Operation Family Shield' to help all our National Guard and reservists with emergency expenses, we have already provided our 211 state employees over there that their job is waiting when they return, and we’re going to extend their paid personal leave benefits 10 working days to help them resettle. And all North Carolina military over there will be allowed to delay filing income taxes until June 15. They are all our neighbors. And we are very proud of them.

"We meet today amid growing concern over the competitiveness of our state and national workforce, both now and in the coming century. We know that too many of our workforce are undereducated, and our community colleges underfunded. Too many reports point to the inadequacy of our investment in our most important resource: our people...not so much in terms of the financial magnitude of that investment as in the effectiveness of the programs in which we have invested. We know we must do more, and we know we must do better. That is our greatest challenge for the Nineties. And that is why, if this year is to have a focal theme, it must become THE YEAR OF THE WORKER in North Carolina. The Year of the educated, trainable, globally competitive Worker.

"Clearly, we must change how our schools prepare for work those students who do not intend to go to college. Unless they are trainable
for higher skill levels, they will not qualify for higher paying jobs in an increasingly technical workplace, where the unskilled jobs have almost disappeared: down to 30% of the total now and 15% by the next decade.

"That doesn't mean easier frill courses...so everybody can graduate. Nor does it mean teaching specific job routines in school. No, It means more math, science and language, just like in every other industrial country; so they understand the underpinnings of Zero–Base Defects, Just–in–Time Deliveries, and Flexible–Automated–Manufacturing. We don't teach that; but we will.

"We meet, too, amid the second consecutive year of severe fiscal constraint, in which our capacity and determination to meet our challenges with fiscal integrity will be profoundly tested.

"For seven years in a row, spending on PUBLIC SCHOOLS has been the number one priority. Nothing else has come close. Rarely before has our schools' share of the General Fund been increased in even one isolated year; indeed, in only two of the 24 years preceding this administration, namely in 1966 and 1984. Yet, for five of the last six years the percentage of the General Fund going to public schools has been raised both in budgets submitted by me and in those adopted by you. For that, I congratulate you, and share with you an otherwise unrequited satisfaction for putting our priorities right where they should be, whether or not anyone noticed.

"Stated another way, over the last six fiscal years, public school appropriations have grown from $1,887,000,000 in 1984–85 to $3,329,000,000 in this fiscal year, 1990–91. I do not intend to burden you with many statistics today, but I do want you to know that one: a 76 percent increase of almost one–and–a–half billion dollars in six years. Even with today's reductions. That's about a billion dollar increase over and above the combined 30 percent inflation rate.

"Do we see a billion dollars worth of improvement? In inputs, yes. We provide more teachers, more support personnel, more administrators; and with better pay. Are we catching up yet?

"Still, there are many shrill voices today calling for massive increases in spending for schools, as if throwing more money is the path to excellence in education. It isn't. We already tried that. It didn't work.

"My proposals for education spending increases are limited because of the extremely tight budget picture. Nevertheless, with the help of a recent Summit Meeting of leading educators and education study commissions, I can bring you their consensus list of strategic, vital needs for educational investments which must not be deferred; which we cannot afford to delay until a stronger economy comes along. Indeed, the budget improvements I am recommending for education are of a kind and quality that without them, we might injure North Carolina's ability to grow again after this recession.

"There are many other very good ideas for schools which I do not believe we can afford just now. But I urge you to provide $22 million
for continuing the reforms of last session’s Senate Bill 2 (the Public School Improvement and Accountability Act). Community College Literacy and Job Training Programs (including statewide extension of the resoundingly successful Tech Prep) will require an additional $40 million to better serve the needs of adults and those young people who plan to go to work after high school.

“That Summit consensus also endorsed even greater local control and flexibility, especially for BLOCK GRANTS for the existing funding of the Basic Education Plan, which should not be abandoned, but held accountable for better student performance. Therefore, I will ask you to honor the local leadership of our schools by granting to those meeting the requirements of Senate Bill 2 almost total flexibility, for them to decide the specific allocation of B.E.P. positions; subject only to a limitation on the number of non-teaching positions. With more flexibility in the form of Block Grants, I believe they will get better results with the same money.

“It was strongly felt by Summit participants that more academic rigor should be built into all course work. We want to see higher standards not only for graduation, but for certifying Mastery of a Core of Basic Skills at the 8th grade level. That would be followed by offering a career oriented curriculum to better prepare those students who plan to go to work after high school.

“One of the top recommendations was for the elimination of tenure for school administrators...to increase accountability at every schoolhouse. And at the State level there was strong support for having the State Superintendent appointed by the State Board of Education, so they have to work together, and decentralizing the State Department.

“The need to develop much greater parental involvement, both in school policy formation and in the supervision of their children’s work, was a strong consensus. A third of the participants supported ‘Schools of Choice’ as the ultimate in accountability. Many other states have experienced a high degree of success with this, with safeguards to prevent resegregation. Everywhere, the results are too good to ignore. Now it’s our turn.

“It was shown that schools in small counties are inadequately funded by the uniform allocation based solely on enrollment. The best idea for remedying this was the proposal from the Public School Forum for $12 million for a Minimum Allocation to schools in counties with less than 3,000 students. My budget phases in $6 million beginning in the second year of the biennium.

“I am at the same time proposing that the State fund only one central office staff per county. That is in no way intended to dictate school merger or consolidation to unwilling districts, for that should remain a local decision. It just means that any county preferring multiple school systems must raise the money locally for any extra administrative staff. Or take it out of their B.E.P.

“Certainly, no educational improvement is more desperately needed today than a more widely available Developmental Day Care for
4-year-olds, especially those who are at greatest risk of failing to master the basic skills in their primary grades. Generally, these are youngsters who have no one to 'lap-read' to them at home. If their parents cannot read, or are too tired after two jobs, or if there is the violence of child abuse or spouse abuse, or drug abuse (often the root cause of the violence), then these children will not experience the excitement and satisfaction of the English language, or the family bonds which encourage them to believe in themselves.

"Here's how we fix that. We have resources available for a substantial improvement, thanks to Congressional passage of the Day Care Act of 1990. My budget will include $26.6 million of this to enhance state and federally funded day care for 15,610 more children, including 5,225 additional 'at-risk' 4-year-olds. Secretary Dave Flaherty and staff who have developed our plan for 'Uplift Day Care' will give you a full report tomorrow morning. It will improve the staffing ratio for babies (as recently recommended by Day Care Commission Chairman Donna Ballenger), will reach all the current waiting list for Headstart and State Day Care, and raise the eligibility line from 60 percent to 75 percent of median income, and with the help of private foundations will reach all 15,000 currently identified 'at-risk' 4-year-olds, statewide! All this through an emphasis on parental choice. What a great advance for a worthy cause: to ensure their future.

"On a related front, I am again proposing an increase of $12.8 million for similar preschool advantages for those 4-year-olds handicapped with developmental disabilities.

"My budget also proposes an additional $28 million for the University of North Carolina, without specifying for what purposes it is to be allocated, only that it should come from optional tuition increases. Part of that increase in tuition should be set aside (on the order of 25%) for grants-in-aid based on need, as recommended by the UNC Student Body Presidents Association, so that the increase not price our University out of the reach of lower income families. No institution would be required to raise tuition if its respective Board of Trustees did not believe that to be desirable, but each would retain its own tuition proceeds for university enrichment.

"I endorse the suggestion from Chancellor Paul Hardin that each institution's Trustees select and develop a list of 10-to-30 peer institutions across the nation as representative of those against whom they would want to be compared academically, and submit their peer list to the Board of Governors for review. The median of combined tuition and fees among its comparison group would be regarded as a maximum to which each particular UNC campus could raise its tuition and fees over a period of 3-to-5 years.

"As an additional option, I will ask you to allow at least two of the 16 institutions to be funded by means of a block grant, with the complete flexibility to allocate that resource and to operate beyond that as an enterprise. This has been successfully demonstrated at Memorial Hospital in Chapel Hill since 1989. The Board of Governors could be directed to establish criteria and standards and to review the documented
'Showing of Readiness' for the first two institutions to complete their plan.

"The North Carolina Constitution (Article IX, Section 9) requires that: 'The General Assembly shall provide that the benefits of The University of North Carolina and other public institutions of higher education, as far as practicable, be extended to the people of the State free of expenses.'

"'As far as practicable' has never been taken to mean free tuition. Indeed the level of tuition as a percentage of the cost of the undergraduate instructional program is far lower than in earlier years. The low tuition for graduate and professional schools is even more startling and indefensible. Setting aside part of the proceeds from higher tuition for need-based grants will protect the access of students from lower income families, but there is no good reason not to charge more for those who can afford to pay for one of the best educational bargains in America. And at a time like this, it is no longer 'practicable' for middle income taxpayers to subsidize low tuition for wealthy parents.

"It is at this point that I believe I should talk to you about the overall budget and how we can pay for these improvements. After conferring with many legislators, department heads, front-line employees, and business leaders, culminating with the Advisory Budget Commission, I have developed, first, a proposal to balance the 1991–92 Continuation Budget within the limited revenues available. In this way, no forced layoff of dedicated workers, and no tax increase will be necessary to balance the Continuation Budget.

"But we can't stop there.

"I then propose to cover these strategic improvements along with restoration of the 'Rainy Day' reserve by authorizing a local option, half-cent sales tax, coupled with elimination of the $242 million reimbursement to local governments for the earlier repeal of the inventory tax and the intangibles tax on bank deposits. This approach was proposed and endorsed by both the N. C. Association of County Commissioners and the League of Municipalities. It will give them a more reliable source of the same revenue, and it will free up $242 million for other State expenses. I do not believe a larger tax increase can be justified at this time.

"There is a timing problem: this must be passed in February, so the local governments can decide whether to start collecting in April, if they are going to receive it to replace the lost inventory reimbursement in June.

"This will not be enough for a general, across-the-board increase in salary levels. It will give teachers protection from another paystep freeze as hit them in 1982, which caused such unfair hardship and aggravation; and they will get the next installment of S.B. 2 performance pay. And it will provide in January for a comparable increase ($32 million) to cover performance increments and market adjustments for
State employees and other school (non-teaching) staff. While they all certainly deserve better, it would be difficult to justify raising a larger tax on an economy with rising unemployment in order to finance higher pay raises for those fortunate enough to have a job.

"Another urgent problem for which there is still no money is the increased cost of premiums for state employees' health insurance, a very costly program, with high benefit levels, coupled with low deductibles and copayments. It has been estimated that rising costs of benefits would require another $125 million of appropriations. Not only is that unaffordable in the limited budget we face, but it has also become unaffordable for our employees to elect coverage for their dependents. You have placed that program within the Insurance Department, to insulate it from my direction and control, so it is difficult for me to recommend any solution to you. However, I am willing to try. If your leadership will work with the State Employees Association and me to study options, I believe that within 90 days we can develop a plan for holding down costs by raising levels of deductibles and copayments and other measures.

"Let me assure you that the first objective, balancing the Continuation Budget without layoffs or tax increases, is not a simple matter. No, we've already cut spending levels this current year by $700 million (REPEAT: $700 million) below the appropriation levels which were deemed necessary for this year in 1989; and what my Continuation Budget does basically is force all departments to 'continue' next year at that same reduced level, 9 percent lower than had been budgeted originally for this year.

"So for those who properly contend that we should cut spending at least 6 percent before we consider any tax increase, I agree and reply that we have now already and responsibly cut back half again more than 6 percent! That's $700 million of a $7.6 million budget.

"Many of you share with me the conviction that no tax increase should be considered ever, except as a last resort. Well, I'm afraid you're right: we have now come down to that last resort.

"This is also clearly the time to consider carefully the suggestion of Senator Goldston and Representative Pope for a 'zero growth' revenue estimate. It would not make much difference in 1991–92, because there isn't much growth. In 1992–93, however, there will be growth due to any post-recession recovery. Even then, I urge you to be careful not to disregard all that next revenue, for that could force you into another tax increase for the transition.

"My budget for that second year reflects the new policy of consensus revenue estimates; but I will be anxious to see if Dr. Malcolm Gillis' Economic Future Study Commission can figure out how to do with less.

"Let me turn not to Transportation issues, and there are some exciting ones.

"Spending on highway improvements has also been dramatically improved, but not as much as for schools. Passage of a major construc-
tion funding program in 1989, coupled with a more modest levy in 1986, has set the stage for the greatest expansion of roadbuilding projects in history. Thanks to a determination we share to unite rural and urban North Carolina as one truly united state, we have committed the resources to complete over 3,000 miles of a strategic, unbroken network of limited access, four-lane, divided highways...a veritable Intrastate Highway System, which will bring within 10 miles of 96 percent of our people an industrial development corridor, a four-lane highway that goes somewhere. That, and completion of paving all secondary roads.

"The only amendment I would request is to reduce (to the cost of handling) the Highway User Tax on any Title transfer within a family.

"Just as the Research Triangle Park generated enormous economic potential for this one part of the State, our Intrastate system, combined with more effective schools, can do the same for all of North Carolina. Rural counties must have Better Schools; they also must have access to strategic 4-lane highways that go somewhere. Or else all you get will be (hopefully) better educated graduates who have to move away from home to find work.

"This magnificent economic boon will be paid for, as it should be, with higher taxes on highway users, which I ask you again to hold in trust for that purpose. Some are critical of the fact that we will spend $9.3 billion on highways. That's a matter of opinion, of course, but they are false to suggest that is more than we have committed to schools. That $9.3 billion is not the figure for just one year, but is spread over the next 16-17 years, initially at a rate of $450 million a year...If it ever is allowed to start.

"For comparison, over these same six years we've increased annual school spending by over three times as much, by $1.44 billion. At least with the highway construction program, the largest such improvement in our history, there is no doubt that we will get something for our money.

"My proposal for the coming biennium includes no further enhancement for highways, but will insist that this money from highway user taxes not be diverted again for any other purpose than that for which the tax was levied. I will not tolerate another raid on the Highway Trust Fund.

"An yet I must tell you there will be another effort to raid this Highway Trust Fund which was set up with increased taxes on highway users and divert it again to other worthwhile purposes which already get far more of our tax money. The education of our children is certainly our number one priority, certainly these last six years more so than ever before; but there are some who argue that it is our only priority.

"If you agree with me that the competitive viability of our rural and urban communities require both Better Schools and Better Roads in order to build for Better Jobs, then we must draw a line in the paving and fight hard to preserve and defend this Highway Trust Fund.
"Now, you've heard about a proposal I am exploring for a major airport development for international air cargo shipments. I invite you, and need you, to join with me to make it happen. Like the Research Triangle Park, this 5,000 acre facility offers us a rare opportunity to dominate a rapidly growing market. The potential is enormous, because any eastern-most state to provide such an airport will be in a commanding position for exports to Europe, and will lose little or nothing to western states for exports to Asia (because modern flying speeds nearly match the rotation of the earth). So, for export oriented manufacturing as well as automotive component and other 'Just-In-Time' suppliers, North Carolina would be able to offer THE most advantageous plant locations: immediately adjacent to, or integral to the taxeways of, this global–industrial complex in which aviation performs the primary distribution role. We must be attentive to the need to accommodate to the noise impacts at night, but the prospect of generating more than 30,000 jobs (roughly comparable to the Research Triangle Park), and its $50 billion yearly impact, according to Dr. Jack Kasarda of the UNC Kenan Institute, make it worth our best effort.

"We are also working on exciting initiatives for our seaports and railroad improvements, which I will bring to you in a separate message.

"The cause of PUBLIC SAFETY has been well served by recent General Assemblies with long overdue improvements in Corrections, both prison facilities and in alternatives to imprisonment. Passage of our $200 million bond issue now gives us the ability to move forward with our commitment to increase capacity by 6,000 inmates, to assure that the most dangerous ones will spend more time in prison and less time in our homes and neighborhoods. It was a close vote, but it passed.

"My proposal will be for us to move as planned with this badly needed construction, but delay selling the bonds until after a September issuance of $40 million in 2/3rds Bonds. That way the fiscal impact in the tight budget of the first year will be a modest $1.5 million, for initial debt service. Allocation and planning, however, should not be delayed.

"If this promise is kept, I will also support amending the Constitution to provide for alternative punishments. At present, our Constitution allows only five kinds of punishment to be ordered by a trial court: (1) the death penalty; (2) imprisonment; (3) fines; (4) removal from office; and (5) disqualification from office. Parole and probation, electronically monitored house arrest, victim's restitution and community service are possible only upon the option of the convicted person. Yet, even if the Constitution is amended to provide for these alternative sentences, they could not be enforced unless there is a realistic threat of imprisonment as an alternative to the alternatives. Without adequate prison space as reinforcement, the terms of probation, community service, etc. could be ignored without substantial risk of imprisonment.

"I am pleased to commend legislative leaders for working with us to approve in concept our first-ever privatized facilities for treatment and confinement of those sentenced for drug abuse, repeated drunk driving and the like. Unanimous support from your Joint Committee on Governmental Operations is a welcome, encouraging sign. Hopefully, this
session also will move forward to a stronger limitation on blood alcohol level for drivers, and stricter enforcement of all DWI laws.

"My budget can only accommodate modest improvement in programs to combat and treat drug abuse, as recommended by the Drug Cabinet: $1.4 million this year and $3.3 million next, in addition to other money for prenatal exposure and more Alcohol Enforcement officers. I urge you to support those proposals, too, for this is an aggravated problem and we are so dangerously far behind.

"Thanks to increased use of seat belts and strict enforcement of drunk-driving laws, recent years have seen dramatic improvement in Traffic Fatalities. Now, the Board of Transportation has committed $5 million to install nighttime reflectors on all our major highways, in hopes of greater savings of lives. Older drivers will love it. So will I.

"North Carolina has made great progress for better ENVIRONMENT AND HEALTH, but again much remains to be done. Let me give you some examples.

"Our infant mortality rate is still higher than acceptable, even though last year it improved to the lowest level ever in history. Thanks to the recent expansion of the Baby Love program initiated in 1988, with your $10 million of added funding last year, and the new privately funded ‘Healthy Start Foundation’ initiated by my Infant Mortality Commission, we can expect to see even better results this year and next. We have learned from painful experience though, not to relent, so I am asking for a $2 million increase followed by another $2 million in 1992–93.

"Many families face the anguish of Alzheimers, epilepsy, diabetes and other degenerative or memory loss afflictions. It won’t cost much to help. Based on the lead of Guilford County, I am asking the Center for Missing Persons to establish a statewide program with guidebooks, registration and identification bracelets to help these neighbors be returned home safely. We can ask charitable agencies to help cover the cost of such bracelets for the indigent.

"No health or environmental problem ever has been as difficult to solve as ‘HAZARDOUS WASTE’, which means: ordinary, daily, industrial, commercial and household chemical wastes which are a normal and unavoidable part of a modern, industrial society. The only reason its called ‘hazardous’ is because that’s what it is when not properly treated or disposed of. As a chemist, I had hoped to get this problem responsibly solved by now, but the resistance has been enormous. After two years of searching, with a bewildering array of restrictions (not all of which have any relevance to environment or health), our Hazardous Waste Management Commission has found only one site meeting all requirements.

"That site at Butner was on State property, once allocated for agricultural research but recently not used for anything. It was not a particularly good site; there’s no such thing. It was simply the only site to meet all requirements. However, the Council of State refused to approve transfer of that property for the incinerator-and-recycling complex.
“That means our search is at an end unless you can help. I will ask you first to do one of three things. Either (a) enact legislation approving that as the preferred site, or (b) take that authority away from the Council of State so that the Commission can do the job without obstruction or help from the timid, or (c) modify or clarify some of those requirements which exceed any environmental consideration (like the 4-lane highway access and the over-reaching wetlands prohibition), so that the Commission can start looking for other sites across the State, if that’s really what you want.

“Meanwhile, we need your support for concessions to any county which will come forward as a possible volunteer, although it would not be wise to blithely depend on that succeeding. I would ask you please not to enter independent negotiations, but to designate a committee to work with my administration on this.

“This year we must try to join with our neighboring states as they seek to establish a Multistate Compact with shared facilities for hazardous waste disposal. This is the only route for them or us to be able to meet our needs in a way that can prohibit outside states from dumping on us. It must be done. But first, North Carolina needs to move forward to show our neighbors that we can finally deliver on our responsibility to deal properly with at least a part of such wastes.

“Our record these past 15 years has left us with an untrustworthy reputation with hazardous wastes, because we have insisted on dumping on our neighbors. If there’s going to be a Hazardous Waste Compact, with Constitutional safeguards to block outside generators from our facilities, then let’s move to show that we deserve to be in it.

“Meanwhile, my budget contains additional funding ($264,000 on an annualized basis, beginning in January) for the Pollution Prevention Pays program, for technical assistance to businesses in reducing the amount of their hazardous waste. That has been a successful effort, but cannot eliminate the need for commercial treatment facilities. Already this week, two major industrial prospects, both CLEAN, with the capacity to handle most of their own chemical waste, have raised a concern whether we will have the courage to meet this challenge. Apparently, rival states are beginning to tell the truth on us.

“North Carolinians have responded to most other environmental challenges with vigor and enthusiasm. However, too often the issues are not clear, or the facts are subject to disinformation campaigns, either to obscure the extent of damage or to make it appear worse than it truly is. For that reason, I had asked Secretary Cobey and a special task force headed by Dr. David Moreau to develop and recommend an Environmental Index for North Carolina. Their report is about to be released. I believe you will be very pleased with the prospect of having a realistic frame of reference for environmental problems, so that we can intelligently direct our resources to those which are significant. There are some real wolves out there, after all, and we can defend better against them if we are not distracted by over reaction to those less significant.

“I have another special concern for the lack of coordinated protection for the natural attractions of our mountain region. Far too often,
lovely vistas are spoiled by clutter. Unattractive commercial properties jam up against picturesque churches or quaint villages. And no one seems willing to take the lead to save this natural treasure. The time has come to do for our 24 mountain counties what the Coastal Area Management Act (CAMA) has done for 22 eastern counties. Let’s give them the same authority and sense of obligation to develop land use plans and zoning controls and watershed protection through a Mountain Area Planning system (MAPS). Fifteen years later, let’s do it before it’s too late.

“I do not propose zoning decisions made in Raleigh, or by state agencies; but locally enacted ordinances and locally adopted maps. But unless we begin now to protect the beauty of this priceless asset, it won’t be long until all of highways 19, 64, 74, 221, 321, 421, and 441 (along with dozens of others) will have become so cluttered with wall-to-wall strip development that they will add nothing but eyesore to the natural grandeur of our mountains, and will detract from their accessibility for tourists.

“As difficult as land-use planning and zoning can be (and I know first-hand, having led the first county-wide zoning in the State in 1973), it is the only way left to protect the value of homes and tourist attractions and church sites from having junk next door; to keep billboards more discreet, so they don’t look so trashy; and to save the ancient New River from being ‘developed’ into a drainage culvert. What an exciting challenge!

“For the last three consecutive years reported (1987, ’88, and ’89), North Carolina led the nation in new factories, and ran about third place in non-manufacturing. Not bad! Certainly, this has helped to build a cushion against recession and unemployment, which otherwise would surely be worse. There are serious concerns about how to keep the pipeline filled with potential projects, but Secretary Broyhill and his people are working very hard at it. It is likely that this month will reach the all-time high for new project commitments. Stay tuned.

“And, speaking of pipelines, our efforts to get an alternate source of supply for natural gas, especially for downeast, are being answered affirmatively in the industry.

“The most critical need in this area is to reorganize economic development for better coordination and better results. The Auditor’s report showed that we spend $136 million a year on 43 (far too many) independent, uncoordinated, even duplicative operations scattered across the State ‘dealing with’ economic development. Too often, there is no accountability for their separate efforts, nor any practical way to keep score of whether each of them is doing anything really useful or not. Therefore, I propose that we direct all of this expenditure through the Department of Economic and Community Development, so that someone will have authority and accountability for it; so that we can expect to get better results for less money.

“And while we’re at it, wouldn’t it be nicer and simpler to name it just the Department of Commerce?
"Each session in recent years has dealt with important reforms in the workings of government. This is to be no exception. One troubling issue which needs to be addressed is the question of ethical standards for public officials. This deserves your careful attention. We should clarify policies relating to the acceptable nature and magnitude and purpose of gifts. That does not mean that an absolute prohibition is needed, for reasonable standards with adequate reporting requirements will reassure the public. Especially for elected officials and those appointed to positions having any regulatory, purchasing, or other decision-making authority, I would hope that we could work together to clarify what is expected.

"The most important reform expected by the people is the VETO. Every year I have urged you to authorize a vote of the people for the VETO for the Governor of North Carolina, just like every other state. This will not be an exception. We remain the only state where the people have never once been trusted to make that historic, fundamental, balancing decision between executive and legislative branches. It should be an embarrassment to you.

"Recognizing that you are not likely to apply that historic amendment during my remaining term, it will nevertheless be a major objective for me to achieve that legacy for my successors. Having tried unsuccessfully last session to win enough votes in the House either for a 'Balance of Powers' package or for the veto alone, I will propose this time that we work for a bill limited to the veto and nothing else. It should be done right, and that means a 'Line Item' veto, subject to 2/3rds override ... just like most other states. The people of North Carolina will support that.

"There also should be a renewed effort to change the process for merit selection of judges. I will support that, but will send you a message later calling for appointment of appellate courts, while changing trial court judges to nonpartisan election by districts. It would be nice to have one branch of state government NOT involved in partisan politics. Until a change is made, however; as long as partisan elections are required, then you must expect them to become increasingly partisan. Trust me on this.

"I will also send you my thoughts on legislative and congressional redistricting. That is probably not a subject on which a lot of advice will be beneficial, but I will want you to know that I am interested, and watching...

"Even with these increases in revenues, there is another difficult problem which we must face. There would be no money available for capital improvements. It would not be wise fiscal management to defer again so many overdue construction projects which have had to be postponed these last two years. To enable us to meet these needs responsibly, I am proposing a $355 million Bond Issue for Capital Projects, as follows:

(a) University Buildings $100 million
(b) Community College Buildings $25 million
(c) Local Water/Sewer Financing Loans $75 million
Public Schools in small counties $130 million
Mental Health Facilities $25 million

"It is clear, then, that there are many opportunities, and responsibilities, for us to serve the needs of North Carolina...even in a time of fiscal crisis. There are many needs, some of which must be dealt with now if we are to reach the next century with all the vitality and preparation expected of us. That does not, however, mean that we must do everything on every menu. We must be careful and selective.

"Until this recession is over, we could severely damage our economic viability if we raise taxes any more than is absolutely necessary. I am just as convinced that it would risk our economic future even more if we neglect those educational improvements which are strategically most vital to our capacity to come out charging after the recession. But to reassure the people that we will raise no tax that is not absolutely necessary, let us continue to look for more ways to control the size of government, especially within administration costs.

"That course might not please everyone: not those who want no tax increase, and not those who want a larger tax increase (or who want me to propose a larger tax increase so they can shoot it down like they did in 1989). But in this case, the test of leadership is to find the right course, to help identify and meet the most urgent needs, and to restrain our appetite for other nice but unaffordable improvements which could wait for the normal revenue growth of a burgeoning economy. That's the course I choose.

"It is to be expected that some will be critical that this budget goes too far in a recession. Others will just as surely complain that it doesn't go far enough, and that we should levy crippling tax burdens on our businesses. I take comfort in the light retort from Governor Luther Hodges about a certain local paper which, he said, 'always values its opinions above the judgment of governors and state officials.' As with Hodges' leadership and that of others, these times call not for radical excess on either side, but 'for careful steering between the extremes,' as he put it. What better model?

"You would understand my approach if you've ever tried to bring a small sailboat through a convulsive inlet in a storm. With dangers on all sides, you must be prepared and disciplined if you're to avoid the rocks and shoals. You must not panic, or try extreme maneuvers, or try to run too fast, lest you broach. Rather, you must keep a firm hand on the helm and know the warning signs, and steer very carefully; always mindful that your objective is not to fly, or drive it aground, but to come through safely to the other side.

"This recession is not forever. It will end, and then there will be revenue growth. And if North Carolina will tend to its strategic needs, and not get drawn into a spending binge when income is down, we will be ready when recovery comes. Ready with those vital programs and resources in place, and ready to move forward with other important improvements which we'll then be able to afford. That's the test of
leadership: TO COME THROUGH SAFELY ON THE OTHER SIDE.”

REMARKS BY REPRESENTATIVE AL LINEBERRY, JR.
MEMORIAL FOR SENATOR BOB SWAIN

May 22, 1991

“Senator Bob Swain was a friend for over 40 years. Asheville brought us together – he being a native of Buncombe County and I having lived there for a number of years. He and my wife, Helen, and their families, were friends throughout their lives. I don’t know how many wives Bob had during his lifetime but I am grateful that he missed my Helen.

“In Asheville when I was President of the Jaycees, Bob was one of my Board members and closest friend. Bob Swain was one who spent his life giving to the underprivileged, the underdog, the people who were at times forgotten.

“In Bob’s younger days, his life showed very early the champion he would become throughout his entire life. After leaving Asheville and moving to Greensboro, we lost track for a few years. When coming to Raleigh to serve in the House of Representatives, he greeted me as a friend and said ‘Al, its good to have you here – if I can ever help you, please let me know’. Later during that year, I had a bill to be sent to his Committee. Thinking I had a friend to help me, I was somewhat surprised when he said ‘What kind of bill is this?’ All at once my bill was gone. Later, he said to me ‘Al, that bill was so bad I wanted to be sure to live up to my promise and really help you’.

“During World War II, Bob and I were pilots. He was a fighter pilot and I was a bomber pilot. He often said that if we could have kept the ‘bombers’ out of the sky, the ‘fighters’ would have won the war much sooner.

“Bob was a humorous person. His story about his accident in the mountains one night and how long it took the highway patrol to find him still stands out in my mind. You have all heard it before. Many such stories are available.

“There are three well known names in Western North Carolina. Bascomb Lamar Lunsford, Sam Queen, and Robert ‘Bob’ Swain. Lunsford was known for his folk and mountain music; Queen – his love of Western North Carolina mountains; Swain – his concern for those who were usually forgotten, and the rights of each person through democracy.

“North Carolina was made better by Bob Swain’s contribution. He was not only a great man of the mountains but also of the entire State of North Carolina. Bob was my friend!”
O Thou who art the God of Abraham, Isaac, Jacob, Joseph, and the Lord Jesus, we lift, our hearts to Thee in gratitude for the rich heritage of North Carolina and the United States of America.

We acknowledge our indebtedness to so many persons who endured great hardships of establishing our economy, democratic government, schools, colleges and universities, churches and synagogues, and the family which is the cornerstone of our society. Just as we have volunteer men and women in the Persian Gulf today – God bless each one and their family – engaged in a conflict to resist aggression, the major participant of the United Nations forces, so throughout our history many persons have answered their governments call to service and a number of them have given their lives.

Blessed God, with the clouds of the present war so prevalent in all that we think and do, we truly pray for Your blessings upon this House of Representatives which faces increasing needs of the unemployed and street people, education of our children and young people, protection and preservation of the environment, health care and meeting these and other pressing needs with the prospect of decreasing funds from the taxpayers.

With the leadership, abilities, experience, dedication, and determination of these outstanding elected Representatives, along with Your inspiration and guidance, we are confident that great blessings – including peace – shall become a reality to all the people.

As the hymn writers John Greenleaf Whittier and Frederick C. Maker have phrased it –
(Dear Lord And Father Of Mankind – hymn title)
Drop Thy still dews of quietness,
Till all our striving cease;
Take from our souls the strain and stress,
And let our ordered lives confess
The beauty of Thy peace.
We humbly pray. Amen.

January 31, 1991

O God our help in ages past and our rock of Gibraltar for years to come, we place our trust in You with the confidence that today can be better than yesterday and tomorrow can be even better than today. Truly, there is none other in Whom we can have so great assurance.

Guide, we pray Thee, Governor Martin in his State of the State address today to the joint session of the Senate and House of Representatives. From this information and challenges may this Legislature have a clearer concept of its many problems and possible resolutions of the problems, particularly those that have a funding shortfall.

Be near to all those who serve in the armed forces along with their families and friends.

Keep us near You and lead us to think, to say, and to do those things which are pleasing to You and thereby meeting the needs of our constituents as well as our personal needs.

O God, we are grieved by the untimely death of veteran legislator – State Senator James E. Ezzell, Jr. – and we extend our sympathy to Mrs. Ezzell, family, and friends.

We humbly pray. Amen.

February 4, 1991

Eternal God, we thank You for our weekend at home and our safe return to legislative responsibilities. Guide us in the choosing, selection, and assignment of members to committees, and we pray that whether one is placed on a new committee or on one he or she previously served, may each view the assignment as a new challenge and opportunity to bring great joys and happiness to those downtrodden and enrichment to all others.

May the example of the men and women serving in the Persian Gulf be an inspiration as we strive to make State Government by the people and for the people a blessing and not a burden.

We humbly pray. Amen.

February 5, 1991

O God of love and compassion, You have not promised us a bed of roses in the daily discharge of our duties and responsibilities, but we
have the assurance of Your presence, Your tender, loving care with us during every circumstance of life.

So, we pray that we may know Your will each day and have the courage to implement it for the benefit of our people and our personal growth in public service.

Let the obstacles and discouragements of these difficult times be viewed as challenges, and with Your guidance and assistance, we will overcome with patient and perseverance.

We humbly pray. Amen.

February 6, 1991

Eternal God, Who art the Author and Giver of law, from Whom alone all just designs and righteous judgments proceed, give unto all of those who frame, interpret, or administer human law the counsel of Thy Holy Spirit, that they may know themselves Thy ministers. May they neither be influenced by prejudices nor may they appeal to the weaknesses of others; but that they may deal fairly and counsel wisely in all matters; to be the servants of all people, but the hirelings of none, and thus enhance the coming of the kingdom of God on earth.

O God, our hearts have been made heavy by the death of veteran legislator – Thomas J. White, Jr. – former member House of Representatives and Senator. Our love and sympathy are extended to his family and friends.

By the quality of our lives may we express our gratitude for his services and also bring honor to Your name.

We humbly pray. Amen.

February 7, 1991

O God, our Creator and Sustainer, we are grateful that You are near to us. As the Psalmist said that You are near to all of us who call upon You in truth. With one accord, blessed God, we acknowledge our need for greater wisdom, understanding, and patience; and we confess our limitations of information and expressions of kindness.

We are thankful that You can supply our every need as well as renew a right spirit within us.

We humbly pray. Amen.

February 11, 1991

Almighty God, we thank You for the days with our families and constituents, and a safe return to legislative work, and strength to do it. We also lift our hearts in gratitude for all persons who not only challenge and inspire us but also make our lives more interesting and enjoyable.
Cleanse our thoughts, purify our aspirations, and strengthen our wills on the side of what is right and good and against what is wrong and evil according to Your holy will.

May Your blessings attend all those persons serving in the Persian Gulf, and may Your resolution to this conflict be known, accepted, and implemented by all persons in authority.

We humbly pray. Amen.

February 12, 1991

Great God: we thank you for this land so fair and free; for its worthy aims and charities. We are grateful for people who have come to our shores, with customs and accents to enrich our lives. You have led us in the past, forgiven evil, and will lead us in time to come. Give us a voice to praise your goodness in this land.

Help us, we pray, to be that Representative, that role model, in thought, word, and conduct that reflects your love and stewardship for our lives.

We humbly pray. Amen.

February 13, 1991

God our Father: you led men and women to this land, and, our of conflict, created in us a love of peace and liberty. We have failed you by neglecting rights and restricting freedoms. Forgive pride that overlooks national wrong, or justifies injustice. Forgive divisions caused by prejudice or greed. Have mercy, O God, on the heart of this land. Make us compassionate, fair, and helpful to each other. Raise up in us a right patriotism, that sees and seeks this state and nation’s good.

We humbly pray. Amen.

February 14, 1991

Our loving Father, on this Valentine Day when even those who are reticent to speak of love reach out to those who are dear to them with some expression of affection, let us remember those whom we serve with genuine caring and concern. Protect their right to pursue happiness and vouchsafe to them a reasonable hope of finding it in a state of opportunity and promise.

Glory to You for great kindness to us and all your creation.

We humbly pray. Amen.

February 18, 1991

Gracious God: by Your providence we live and work and join in families; and from Your hand receive those things we need, gift on gift,
all free. We thank You for the harvest of goodness you supply: for food and shelter, for words and gestures, for all our human friendships.

Glory to You for great kindness to us and all Your creation. May Your blessings be with those who serve in the Persian Gulf, their families, and those leaders who must make the decisions for war and peace.

We humbly pray. Amen.

February 19, 1991

Eternal God: You make all things new, and forgive old wrongs we can’t forget. We confess we have spent time without loving, and years without purpose; and the calendar condemns us. Daily we have done wrong, and failed to do what You demand. Forgive the past; do not let evil cripple or shame us. Lead us into the future, free from evil, free to love, and ready to work toward the building of Your kingdom on this earth.

We humbly pray. Amen.

February 20, 1991

Almighty God: in love You spread good gifts before us, more than we need or deserve. You feed, heal, teach, and save us. We confess that we always want more; that we never share as freely as You give. We resent what we lack, and are jealous of neighbors. We misuse what You intend for joy. God, forgive our stubborn greed, and our destructive-ness. In mercy, help us to take such pleasure in Your goodness that we will always be thanking You.

We humbly pray. Amen.

February 21, 1991

Gracious God, as the poet John G. Whittier phrased it,

Dear Lord and Father of mankind,
Forgive our feverish ways;
Reclothe us in our rightful mind;
In purer lives Thy Service find,
In deeper reverence, praise.

Drop Thy still dews of quietness,
Till all our strivings cease;
Take from our souls the strain and stress,
And let our ordered lives confess
The beauty of Thy peace.

Blessed God, let us ever be mindful that the Legislature has increasing responsibilities in a great growing State not only to maintain particular services and activities but to initiate new programs essential to the well-being of all ages.
May Your wisdom guide each person as well as this corporate body as we seek to be Your good stewards and express our concerns for our constituents.

Let Your blessings continue to be upon Representative Bradford V. Ligon in Rex Hospital.

We humbly pray. Amen.

February 26, 1991

Almighty God, Who hast made the world and all the people therein, and Whose concern for all of creation continues every day, we pray for Your blessings upon those who serve in the Persian Gulf during these critical and decisive days that the loss of life maybe kept to the very lowest level. Let the assurance of Your blessings be with family members and friends.

For the members of this House of Representatives, O God, we pray that the events of these days may motivate and inspire afresh each Legislator in the cooperative effort to help each person to be all that he/or she can be consistent with the wishes of the Divine Creator.

We acknowledge the homegoing of and express our gratitude for former veteran House Member CARSON W. GREGORY, and we extend our sympathy to Mrs. Gregory and the family.

We humbly pray. Amen.

February 28, 1991

Ever-present God, Who hears and answers prayers, we express our gratitude for the freedom of Kuwait, and the termination of war activities in the Persian Gulf which is the answer to many prayers. Guide and direct, we pray all those persons who have the responsibility of establishing and promoting peace and justice in this historic region.

Blessed God, may our gratitude for all Your daily blessings be reflected in the interest, dedication, and enthusiasm by which each Legislator discharges his/or her many duties and responsibilities.

We are saddened by the homegoing of EVERETT LUTZ – husband of Representative Edith L. Lutz – and we extend our sympathy and love to Edith and her family and friends.

We humbly pray. Amen.

Ever-living God, unto Whom all hearts are open, all desires known, and from Whom no secrets are hid; cleanse the thoughts of our minds by flooding them with loving kindness, compassion, and forgiveness. May the words of the poet inspire us as we continue to address the responsibilities and opportunities before us.
Drop Thy still dews of quietness,  
    Till all our strivings cease;  
Take from our souls the strain and stress,  
    And let our ordered lives confess  
The beauty of Thy peace.

We humbly pray for peace, good will, and love among all Your people. Amen.

March 5, 1991

O blessed God, we thank Thee that daily work is intended by Thee as a blessing and not as a burden or as a punishment. We are grateful that the nail driven straight and true, the furrow well turned, the study honestly engaged, the chore faithfully completed, the day's business properly done, all worship You in the integrity of necessary activities completed.

Guide us O God each day and accept the dedication of our hearts and the labor of our hands.

We humbly pray. Amen.

March 6, 1991

O God, into Thy hands, we commend our spirits, souls, and bodies, for Thou hast created and redeemed them. Guide us and all whom we represent this day with Thine eye, and kindle Thy light in our hearts, that Thy godly knowledge increasing in us more and more, we may always be found to walk and live after Thy will and pleasure.

We humbly pray. Amen.

March 7, 1991

Gracious God, keep us this day from the temptations of the world, the flesh, and the evil one. Help us to discern the more important matters before us and to give them full and adequate discussion and debate before providing appropriate funding.

In all our labors may we be conscious of the fact that we are accountable to You for all that we do as well as for what we should do that is yet to be done.

O God, lead, guide, and direct us as we seek to be Your faithful stewards, and thereby bring more of the better life to all the people.

For our returning servicemen and women as well as the Legislators, we pray for a safe return home.

We humbly pray. Amen.

March 11, 1991

Almighty God, Thou who are as near to us as hands and feet and breathing, we thank Thee for caring for us and for the opportunities to serve You and the people of our State.
O God, our spirits have been refreshed through the worship services back home, our patriotism has reached new heights as we shared in parades and other activities honoring our valiant service men and women. Help us to carry out and render to You the highest and best stewardship of the taxpayers monies, and therefore bring many joys and blessings to all our people.

We humbly pray. Amen.

March 12, 1991

O God, we lift our minds and hearts to You for our daily blessings in particular for health and strength, family and friends, living in a nation where we have freedoms and responsibilities, and a job which challenges our skills and provides a livelihood.

As Your stewards, O God, help us to remember that an increasing number of persons in our State do not enjoy good health, there are those who are without a job along with the street people, the urgent need for the education of our children from kindergarten through the college level, and the initiation of various alternatives to youth and adult incarceration.

Gracious God, these are not all of our needs – there are others just as important. Guide us as we prioritize our needs and let us not be afraid to fund services even if it requires a little innovation and possibly some renovation.

With Your guidance and our patient, hard work, we will succeed.

We humbly pray. Amen.

March 13, 1991

O Thou who art the life of all that lives, the strength of the weak, and the Hope of those that be cast down, inform our minds with Thy truth, we beseech Thee, and our hearts with righteousness; strengthen our wills to choose the good and to refuse the evil; help us to bear each other’s burdens, to forgive one another’s faults, and to forbear with every defect of judgment and of temper in those with whom we live and who daily help us.

We humbly pray. Amen.

March 14, 1991

Almighty God, Lord of the storm and of the calm, the vexed sea and the quiet haven, of day and night, of life and of death; grant unto us so to have our hearts stayed upon Thy faithfulness, Thine unchangingness and love, that, whatsoever betide us, however black the cloud or dark
the night, with quiet faith trusting in Thee, we may look upon Thee with untroubled eye, and walking in lowliness towards Thee, and in loving-
ness towards one another, abide all storms and troubles of this mortal
life beseeching Thee that they may turn to the soul's true good; we ask it
for Thy mercy's sake.

We humbly pray. Amen.

March 18, 1991

Almighty God, Who causest the sun and moon to shine and the rain
and snow to fall upon the just and the unjust, prosper every good work
undertaken by this House of Representatives according to Thy will, and
give unto all of us, Thy servants, the spirit of him who came not to be
ministered unto but to minister, and whose joy it was to do Thy will in
helping people of all ages.

We humbly pray. Amen.

March 19, 1991

Gracious God as the recipients of numerous daily blessings, we ac-
knowledge that we take too many of them for granted like health and
strength, family and friends, and a job which challenges our skills and
energies and from which we receive wages to fund our livelihood.

Help us, O God, to show our gratitude for all Your blessings by the
quality of our life and the example we live before and among our fellow-
men and women.

In all things help us to know Your will and grant us the courage to
implement Your will, without fear or favor, for the happiness and well
being of all the people.

We humbly pray. Amen.

March 20, 1991

Blessed God, on this beautiful first day of Spring, we truly confess our
limitations of wisdom, understanding, and patience, and we pray that
the windows of our hearts and minds will be widely opened to the sun-
light of Your truth which focuses upon serving.

Lead us, we pray, to provide and support those activities and pro-
grams which enhance a better life for our people, and protect the envi-
ronment in which we are privileged to live and labor.

We humbly pray. Amen.

March 21, 1991

Gracious God, who alone gavest us the breath of life, and alone canst
keep alive in us the holy desires Thou dost impart; we beseech Thee,
for Thy compassion’s sake, to sanctify all our thoughts and endeavors; that we may neither begin an action without a pure intention nor continue it without Thy blessing. And grant that, having the eyes of the mind opened to behold things invisible and unseen, we may in heart be inspired by Thy wisdom, and in work be upheld by Thy strength, and in the end be accepted of Thee as Thy faithful legislators.

We humbly pray. Amen.

March 25, 1991

Blessed God, unto whom all hearts are open, all desires known and from whom no secrets are hid; cleanse the thoughts of our minds by flooding them with loving kindness, compassion, and forgiveness. During this week of weeks for many believers, may the words of the poet inspire us as we continue to address the responsibilities and opportunities of the day.

Drop Thy still dews of quietness,
Till all our strivings cease;
Take from our souls the strain and stress,
And let our ordered lives confess
The beauty of Thy peace.

We humbly pray. Amen.

March 27, 1991

Gracious God, the fountain of wisdom, whose statutes are good and gracious and whose law is truth; we beseech Thee so to guide and bless this House of Representatives, that it may ordain for our governance only such things as please Thee.

We humbly pray. Amen.

March 28, 1991

O God, by whom the meek are guided in judgment, and light riseth up in darkness for the godly; Grant us, in all our doubts and uncertainties, the grace to ask what Thou wouldest have us to do, that the Spirit of wisdom may save us from all false devices, and that in Thy light we may see light, and in Thy straight path may not stumble.

We humbly pray. Amen.

April 1, 1991

O Wondrous Creator of the Universe, Sustainer of life, and Redeemer for all who truly repent, confess, and profess according to Your holy will, we thank you for the opportunity to serve You and thereby bring more of the better life to all the people of our great State.
From the blessings of worship services, being with family and friends, visiting our returnees – men and women – from the Persian Gulf, and experiencing the rebirth of new life all about us through the blooming tulips, azaleas, dogwoods, the abundance of green grass, and the ever-present pollen bring us refreshed, we pray, to resolve funding and other problems which are so vital to everyone today as well as in the future.

O God, we know that our priorities are not always Yours, but we dare to pray that those young men who represent our area on the basketball court tonight may play to their best potential, and if they are victorious, we shall be truly thankful. But in this struggle and in the conflicts within these chambers, we pray that we may accept the outcome with grace and good will and may continue to work and look to a brighter tomorrow.

We humbly pray. Amen.

April 2, 1991

O Almighty and everlasting God, vouchsafe, we beseech Thee, to direct, sanctify, and govern, both our hearts and bodies, in the ways of Thy laws, and in the works of Thy commandments; that, through Thy most mighty protection, both here and ever, we may be preserved in body and soul.

We ask Your blessings upon this House of Representatives as they go to Charlotte as guests of the Greater Charlotte Chamber of Commerce, and among other things attend a Charlotte Hornet basketball game. May this visit be enjoyable, informative and useful for each Legislator.

Thank you God, for the national recognition that has come to our State through the Duke University basketball team – NCAA Champion for 1991. We commend the team, their coaches, the University, and students. We express our gratitude for all coaches, teachers, and staff who teach our children and young people in schools, colleges, and universities. Lead, we pray, this Legislature to give proper support to education as we recall that there is no greater resource than our children and youth.

We humbly pray. Amen.

April 3, 1991

Most gracious God, You make all things new, and forgive old wrongs we can’t forget. We confess we have spent time without loving, and years without purpose; and the calendar condemns us. Daily we have done wrong, and failed to do what you demand. Forgive the past; do not let evil cripple or shame us. Lead us into the future, free from evil, free to love, and ready to work toward the building of Your kingdom on this earth.

We humbly pray. Amen.
April 4, 1991

Blessed God, our Creator and Sustainer, we are grateful that You are near to us. As the Psalmist said that You are near to all of us who call upon You in truth. With one accord, blessed God, we acknowledge our need for greater wisdom, understanding, and patience; and we confess our limitations of information and expressions of kindness.

Gracious God, we are thankful that You can supply our every need as well as renew a right spirit within us. By our example we will show our gratitude for all Your daily blessings.

We humbly pray. Amen.

April 8, 1991

Almighty God, we thank You for the days with our families and constituents, and a safe return to legislative responsibilities. We lift our hearts in gratitude for all persons who not only challenge and inspire us but also make our lives more interesting, useful, and so enjoyable.

Cleanse our thoughts, purify our aspirations, and strengthen our wills on the side of what is right and good and against what is wrong and evil according to Your holy will.

We humbly pray. Amen.

April 9, 1991

Almighty God we thank You for the gift of life and the opportunities to develop to our full potential. In these difficult times we are thankful for men and women of conviction and courage who seek to lead us toward the realization of our full potential. Let us hear again the words of the late Dr. Harry Emerson Fosdick who encourages us to “Take the cloud from our vision that we may see. Give us insight to discern truth from untruth, the high from the low, the clean from the unclean, the enduring from the transient. Grant us horizon, perspective, and clarity of mind and spirit, that thy servants, bewildered and confused concerning the way they should take, may find the path made clear, thy word a lamp unto their feet.”

In a world of so great beauty, hunger, uncertainty, and unemployment, guide us in all things as we seek to be Your faithful stewards striving to help all persons to know and enjoy the better life.

We humbly pray. Amen.

April 10, 1991

O blessed God, into Thy hands, we commend our spirits, souls, and bodies, for Thou hast created and redeemed them. Guide us and all whom we represent this day with Thine eye, and kindle Thy light in our
hearts, that Thy godly knowledge increasing in us more and more, we may always be found to walk and live after Thy will and pleasure.

We humbly pray. Amen.

April 15, 1991

O Thou who causeth the sun and moon to shine and the rain to fall upon the just and the unjust, we lift our hearts in gratitude for the recent showers which have nurtured our lands, the grass, new leaves, and beautiful flowers which convey new natural life which enrich our lives and remind us of our obligation to rightfully protect the natural environment.

With men and women of integrity, blessed with diverse abilities and experiences, and dedicated to resolve various problems on behalf of the people, we pray that each Legislator may have the courage to share and promote those ideas and programs which make for a better life for all the people.

O God, with Your guidance and help and our hard work, we are confident that we can move forward in many areas even in these difficult economic times.

We humbly pray. Amen.

And grant that, having the eyes of the mind opened to behold things invisible and unseen, we may in heart be inspired by Thy wisdom, and in work be upheld by Thy strength, and in the end be accepted of Thee as Thy faith Legislators.

We acknowledge the home-going of C. T. Fussell, Jr., brother of Representative Aaron E. Fussell and we extend our love and sympathy to the family and friends.

We humbly pray. Amen.

As we travel home to our family and return to Legislative responsibilities, help us to be alert and safe drivers as well as an example to other drivers on the highway.

We humbly pray. Amen.

April 22, 1991

Gracious God as the recipients of numerous daily blessings, we acknowledge that we take too many of them for granted like health and strength, family and friends, and a job which challenges our skills and energies and from which we receive wages to pay for our livelihood.

Help us, O God, to show our gratitude for all Your blessings by the quality of our life and the example we live before and among our fellowmen and women.

In all things help us to know Your will and grant us the courage to implement Your will, without fear or favor, for the happiness and well being of all the people.

We humbly pray. Amen.

Today we salute our wonderful secretaries who not only provide valuable assistance in purely legislative matters, but also in keeping in touch with and helping constituents resolve various problems and needs.

We humbly pray. Amen.

April 25, 1991

May 1, 1991

O Thou who art high above and yet as near as hands and feet and breathing, we thank Thee for the nurture of family, friends, and our Senior Citizens who are present today in observance of a special Senior Citizens Day and Month.

Blessed God, we are glad for the opportunity to express our deep indebtedness to our Senior Citizens, not only for what they have done for us over the years, but for what many of them are doing by staying active in the mainstream of life – some continuing their life profession, many others are faithful volunteers, and others have accepted a diversity of employment. Without a doubt our State is a much better place because of their participation and generous contributions.

Blessed God, we are thankful for the Legislature which has been a special friend of the elderly over many years. Here we recall the development of the Senior Centers across the State, the Bill of Rights for persons in nursing homes, and the formation of County Councils of Volunteers – whose purpose is to work for better services and activities for the elderly. It is from the Federal Older Americans Act of 1965 and amendments, and State funds that the Division of Aging, the Councils of Governments, and the area Agencies on Aging provide thousands of older persons a nutritious meal as well as a variety of social services which sustains and enriches their quality of life substantially.

With God’s guidance and the ongoing help of our Senior Citizens and others, and with continued “hard work” by the Legislature, we are confident that the current budget crisis can be resolved and a better life may be realized for all ages.

We humbly pray. Amen.

May 2, 1991

Blessed God, these are truly times which test the souls of men and women like Legislators, which cause persons of low income to do without additional things they need, which cause persons of other economic means to re-evaluate their needs priority, and which causes all of us to answer basic questions such as – 1. If we provide a mediocre education to our children and young people today, what dividends can we expect
tomorrow? and 2. If we furlough employees today, how will they pay their mortgage payments, automobile payments, credit cards, and provide for their daily livelihood which may include their tithes and gifts to God?

O God, we do not have simple answers to these complex problems, but we worship one who does have the right solutions to these and all problems. Enable us, we pray, to have the courage to ask for Your guidance, and courage to implement it without fear or favor. What a blessing it will be to us and all our people as we re-affirm the tradition of good government in North Carolina.

We humbly pray. Amen.

May 3, 1991

Almighty God, in love You spread good gifts before us, more than we need or deserve. You feed, heal, teach, and save us. We confess that we always want more; that we never share as freely as You give. We resent what we lack, and are jealous of neighbors. We misuse what You intend for joy. God, forgive our stubborn greed, and our destructive-ness. In mercy, help us to take such pleasure in Your goodness that we will always be thanking you.

Help us to be alert and safe drivers as we journey to and from our homes.

We humbly pray. Amen.

May 6, 1991

Almighty God, we thank You for the days with our families and constituents, and a safe return to legislative responsibilities. We lift our hearts in gratitude for all persons who not only challenge and inspire us but also make our lives more interesting, useful, and enjoyable.

Cleanse our thoughts, purify our aspirations, and strengthen our wills on the side of what is right and good and against what is wrong and evil according to your holy will.

We humbly pray. Amen.

May 7, 1991

O God of love and compassion, We recall that You have not promised us a bed of roses in the daily discharge of our duties and responsibilities, but we have the assurance of your presence, your tender, loving care with us during every circumstance of life.

So, we pray that we may know Your will each day and have the courage to implement it for the benefit of our people and our personal growth in public service.
Let the obstacles and discouragements of these difficult times be viewed as challenges, and with Your guidance and assistance, we will overcome with patience and perseverance.

We are grateful for Your healing powers that have attended President George Bush and Representative John Kerr, and we pray that Your healing powers will attend all those who are in need.

We humbly pray. Amen.

May 8, 1991

Eternal God, Who art the Author and Giver of law, from Whom alone all just designs and righteous judgments proceed, give unto all of those who frame, interpret, or administer human law the counsel of Thy Holy Spirit, that they may know themselves Thy ministers. May they neither be influenced by prejudices nor may they appeal to the weaknesses of others; but that they may deal fairly and counsel wisely in all matters; to be the servants of all people, but the hirelings of none, and thus enhance the coming of the kingdom on earth.

Belatedly, O God, we acknowledge the homegoing of Garnet Greenwood, 27 April 1991, beloved spouse of Representative Gordon H. Greenwood. We give thanks for her many contributions and extend our love and prayers to the family and friends.

We humbly pray. Amen.

May 9, 1991

Gracious God, we are thankful that You can supply our every need as well as renew a right spirit within us. Let us not forget that we show our gratitude for all Your daily blessings by the quality of life we live before and among our fellow Legislators.

We humbly pray. Amen.

May 10, 1991

O blessed God, the nights seem to get shorter and the days are different nevertheless into thy hands we commend our spirits, souls, and bodies, for Thou hast created and redeemed them. Guide us and all whom we represent this day with Thine eye, and kindle Thy light in our hearts, that Thy godly knowledge increasing in us more and more, we may always be found to walk and live after Thy will and pleasure.
As we journey to our homes, help us to be alert and safe drivers.
We humbly pray. Amen.

May 13, 1991

O Thou Who art near to us as hands and feet and breathing and
watches and cares for us every minute of each day, we thank You for
Your innumerable kindesses and Your daily loving care.

Truly, we have not always followed your leadership, and thus our
stewardship of time, talents, and abilities have not been as fruitful and
prosperous as possible. Forgive us for not seeking Your guidance and
wisdom on an ongoing basis.

Prosper, O God, every good work undertaken by this House of Rep-
resentatives according to Thy will, and give unto each member the spirit
of Him who came not to be ministered unto but to minister, and whose
joy it was to do Thy will in helping people of all ages.

In our daily labors help us to remember and to be grateful for the
secretaries, clerks, and all other support staff who facilitate the impor-
tant work of this great legislative body.

We humbly pray. Amen.

May 14, 1991

Almighty God, by whom the meek are guided in judgment, and light
riseth up in darkness for the godly; grant us, in all our doubts and un-
certainties, the grace to ask what Thou wouldest have us to do, that the
Spirit of wisdom may save us from all false devices, and that in Thy light
we may see light, and in Thy straight path may not stumble.

We humbly pray. Amen.

May 15, 1991

O Thou who art the life of all the lives, the strength of the weak, and
the hope of those that be cast down, inform our minds with Thy truth,
we beseech Thee, and our hearts with righteousness; strengthen our
wills to choose the good and to refuse the evil; help us to bear each
other's burdens, to forgive one another's faults, and to forbear with
every defect of judgment and of temper in those with whom we live and
who daily help us.

We humbly pray. Amen.

May 16, 1991

O Thou who art the God of Abraham, Isaac, Jacob, Joseph, and the
Lord Jesus, we lift our hearts to Thee in gratitude for the rich heritage
of North Carolina and the United States of America.
With the leadership, abilities, experience, dedication, and determination of these outstanding elected Representatives, along with Your inspiration and guidance, and strength, we are confident that great blessings shall continue to be a reality to all the people.

In the words of the hymn-writer, "Lead on O King Eternal."

We humbly pray. Amen.

May 20, 1991

Almighty God, we thank You for our restful and enjoyable weekend with family and friends and the renewal of our spirits through worship services. We also are grateful for a safe trip back to legislative responsibilities and the generous rains which were greatly needed by many communities.

Guide us, we pray, that we may creatively discuss and debate the issues and cast our vote remembering our constituents and above all our accountability and responsibility to You.

We humbly pray. Amen.

May 21, 1991

Most gracious God, the fountain of wisdom, whose statutes are good and gracious and whose law is truth; we beseech Thee so to guide and bless this House of Representatives, that it may ordain for our governance only such things as please Thee.

We humbly pray. Amen.

May 30, 1991

Blessed God, by whom the meek are guided in judgment, and light riseth up in darkness for the godly; grant us, in all our doubts and uncertainties, the grace to ask what Thou wouldest have us to do, that the Spirit of Wisdom may save us from all false devices, and that in Thy light we may see light, and in Thy straight path may not stumble.

We humbly pray. Amen.

May 31, 1991

Eternal God, unto whom all hearts are open, all desires know, and from whom no secrets are hid; cleanse the thoughts of our minds by flooding them with loving-kindness, compassion, and forgiveness. May this hard working House of Representatives have the physical stamina, as well as the wisdom and courage necessary to make the hard decisions – particularly required by a balanced budget.
O God, the days are long and filled with numerous meetings and the time for rest and relaxation seems to get shorter and shorter, nevertheless, with Your help we will continue to move forward in meeting legislative responsibilities.

We humbly pray. Amen.

June 3, 1991

O Sovereign spirit of the universe, supreme in power, ineffable in majesty, Thou only true God of all creation, this is the first day of a very special week wherein significant decisions and the passage of major legislation will directly impact upon the lives of persons of all ages as well as upon the family, schools, colleges, universities, health and welfare services, and protection of the environment. Things will not be the same; they can be better!

Re-kindle, we pray, the commitments each legislator has made to You and their constituents, and provide each member the wisdom and courage needed for these days to be a steward who pleases You, brings blessings to the people, and personally experiences the good feeling and joy of a job well done even under difficult and trying circumstances.

We humbly pray. Amen.

June 5, 1991

Eternal God, who causes the sun and moon to shine and the rain and snow to fall upon the just and the unjust, prosper every good work undertaken by this House of Representatives according to Thy will, and give unto all of us, Thy servants, the spirit of Him who came not to be ministered unto but to minister, and whose joy it was to do Thy will in helping people of all ages.

We humbly pray. Amen.

June 6, 1991

Blessed God, our Creator and Sustainer, we are grateful that You are near to us. As the Psalmist said that You are near to all of us who call upon You in truth, with one accord, blessed God, we acknowledge our need for greater wisdom, understanding, and patience; and we confess our limitations of information and expressions of kindness.

Gracious God, we are thankful that You can supply our every need as well as renew a right spirit within us. Let us not forget that we show our gratitude for all Your daily blessings by the quality of life we live before and among our fellow Legislators.

We humbly pray. Amen.

June 7, 1991

Wonderful Creator and Provider, we lift our hearts in deep gratitude to Thee for the high regard which each Representative holds each
other, for the many long days of strenuous committee meetings, for the informative and stimulating debates, and for the meaningful accomplishments of this House of Representatives during a stressful, far-reaching, economic recession.

Thou knowest, O God, the duties that lie before us this day, the dangers that may confront us, and the temptations which most beset us. Guide us − strengthen us − protect us. Give us Thy power that we may become a power for righteousness among those with whom we come in contact, and help us to have more and more of Your love and the courage to share it with all others.

We humbly pray. Amen.

June 10, 1991

Ever-present God, we thank You for the days with our families and constituents, and a safe return to legislative responsibilities and strength to implement them. We also lift our hearts in gratitude for all persons who not only challenge and inspire us but also make our lives more interesting and enjoyable.

Cleanse our thoughts, purify our aspirations, and strengthen our wills on the side of what is right and good and against what is wrong and evil according to Your holy will.

We humbly pray. Amen.

June 11, 1991

Most gracious God, You make all things new and forgive old wrongs we can’t forget. We confess we have spent time without loving, and time without purpose; and the calendar condemns us. Daily we have done wrong, and failed to do what You demand. Forgive the past; do not let evil cripple or shame us. Lead us into the building of Your kingdom on this earth.

We humbly pray. Amen.

June 12, 1991

O God, our Creator and Sustainer, we are grateful that You are near to us. As the Psalmist said that You are near to all of us who call upon You in truth. With one accord, blessed God, we acknowledge our need for greater wisdom, understanding, and patience; and we confess our limitations of information and expressions of kindness.

We are thankful that You can supply our every need as well as renew a right spirit within us.

For the rain showers earlier in the day and those showers anticipated in the near future, we are thankful.

We humbly pray. Amen.
Eternal and everliving God, vouchsafe, we beseech Thee, to direct, sanctify, and govern, both our hearts and bodies, in the ways of Thy laws, and in the works of Thy commandments; that, through Thy most mighty protection, both here and ever, we may be preserved in body and soul.

For all the evidence of Your guidance and wisdom in this Session to date and the assurance that the same and more is available to everyone who calls upon You in truth, we give Thee thanks.

We humbly pray. Amen.

Ever-present God, our Creator, Sustainer, and Redeemer, we give Thee thanks for bringing us to this day and this special week relative to legislative responsibilities. The light at the far end of the tunnel becomes brighter as the Joint-Committee on the Budget continues their labors; and may they and all members of this House not grow weary in carrying out all their duties but rejoice in leading this great State forward in serving all the people and rendering a worthy stewardship to Thee for so great blessings.

We humbly pray. Amen.

Eternal God, Who causest the sun and moon to shine and the rain and snow to fall upon the just and the unjust, prosper every good work undertaken by this House of Representatives according to Thy Will, and give unto all of us, Thy servants, the spirit of Him who came not to be ministered unto but to minister, and whose joy it was to do Thy will in helping people of all ages.

We humbly pray. Amen.

O blessed God, we thank Thee that daily work is intended by Thee as a blessing and not as a burden or as a punishment. We are grateful that the nail driven straight and true, the furrow well turned, the study honestly engaged, the chore faithfully completed, the day’s business properly done, all worship You in the integrity of necessary activities completed.

O God, guide us each day and accept the dedication of our hearts and the labors of our minds and our hands.

We humbly pray. Amen.

Ever-present God, our Creator, Sustainer, and Redeemer, we give Thee thanks for bringing us to this day and this special week relative to
legislative responsibilities. The light at the far end of the tunnel becomes brighter as the Joint—Committee on the Budget continues their labors; and may they and all members of this House not grow weary in carrying out all their duties but rejoice in leading this great State forward in serving all the people and rendering a worthy stewardship to Thee for so great blessings.

We humbly pray. Amen.

June 25, 1991

Great God, we thank You for this land so fair and free; for its worthy aims and charities. We are grateful for people who have come to our shores, with customs and accents to enrich our lives. You have led us in the past, forgiven evil, and will lead us in time to come. Give us a voice to praise Your goodness in this land.

Help us, we pray, to be that Representative, that role model, in thought, word, and conduct that reflects Your love and stewardship for our lives and brings blessings to all the people.

We humbly pray. Amen.

June 26, 1991

Eternal God, our Creator and Sustainer, we are grateful that You are near to us. As the Psalmist said that You are near to all of us who call upon You in truth. With one accord, blessed God, we acknowledge our need for greater wisdom, understanding, and patience; and we confess our limitations of information and expressions of kindness.

Most gracious God, we are thankful that You can supply our every need as well as renew a right spirit within us. Let us not forget that we show our gratitude for all Your daily blessings by the quality of life we live before and among our fellow Legislators.

We humbly pray. Amen.

June 27, 1991

Blessed Creator and Provider, we lift our hearts in deep gratitude to Thee for the high regard which each Representative holds each other, for the many long days of strenuous committee meetings, for the informative and stimulating debates, and for the meaningful accomplishments of this House of Representatives during a stressful, far-reaching, economic recession.

Thou knowest, O God, the duties that lie before us this day, the dangers that may confront us, and the temptations which most beset us. Guide us, strengthen us, and protect us. Give us Thy power that we may become a power for righteousness among those with whom we come in contact, and help us to have more and more of Your love and the courage to share it with all others.

We humbly pray. Amen.
Eternal God, by Whom the meek are guided in judgment, and light riseth up in darkness for the godly; grant us, in all our doubts and uncertainties, the grace to ask what thou wouldest have us to do, that the Spirit of Wisdom may save us from all false devices, and that in Thy light we may see light, and in Thy straight path may not stumble.

Bless all the planned activities this week-end designed to honor troops who serve in the Persian Gulf – “Desert Storm”, and help us to double our efforts to promote peace on earth and good will among all persons.

As we travel to our homes, O God, may we be alert and drive safely.

We humbly pray. Amen.

Almighty God, Thou Who are as near to us as hands and feet and breathing, we thank You for caring for us and for the opportunities to serve You and the people of our State.

O God, our spirits have been refreshed through the worship services back home, our patriotism has reached new heights as we shared in parades and other state-wide activities honoring our valiant service men and women who participated in “Desert Storm”.

Help us to carve out and render to You the highest and best stewardship of the taxpayers monies, and therefore bring many joys and blessings to all our people.

We humbly pray. Amen.

Blessed God, as the poet John G. Whittier phrased it,

Dear Lord and Father of mankind, Forgive our feverish ways;
Reclothe us in our rightful mind; In purer lives Thy Service find,
In deeper reverence, praise.
Drop Thy still dews of quietness, Till all our strivings cease;
Take from our souls the strain and stress, And let our ordered lives confess
Thy beauty of Thy peace.

Blessed God, let us ever be mindful that the Legislature has increasing responsibilities in a great growing State not only to maintain particular services and activities but to initiate new programs that we can afford essential to the well being of all ages.

May Your wisdom guide each person as well as this corporate body.

We humbly pray. Amen.
O God, into Thy hands, we commend our spirits, souls, and bodies, for Thou hast created and redeemed them. Guide us and all whom we represent this day with Thine eye, and kindle Thy light in our hearts, that Thy godly knowledge increasing in us more and more, we may always be found to walk and live after Thy will and pleasure.

O God, as we approach our National Independence Day, let us remember the Thirteen Original Colonies which were granted independence from the British, and may their long labors, problems, and difficult times inspire us to be the best Representative for You and the people that we can be.

We humbly pray. Amen.

O Thou Who are the God of Abraham, Issac, Jacob, Joseph, and the Lord Jesus, on this National Independence Day, we recall that You led men and women to this land, and, out of conflict, created in us a love of peace and liberty. We have failed You by neglecting rights and restricting freedoms. Forgive pride that overlooks national wrong, or justifies injustice. Forgive divisions caused by prejudice or greed. Have mercy, O God, on the heart of this land. Make us compassionate, fair, and helpful to each other. Raise up in us a right patriotism, that sees and seeks this State and Nation's good.

We humbly pray. Amen.

Gracious God, we thank You for a safe journey to and from our homes and back to legislative responsibilities. Our capacities for patriotism have been filled, in some cases it may have overflowed, and now it is time to get back in the trenches of acting upon pressing legislative responsibilities.

Blessed God, as the recipients of numerous daily blessings we acknowledge that we take too many of them for granted like health and strength, family and friends, and a job which challenges our skills and energies and from which we receive wages to fund our livelihood.

Help us, O God, to show our gratitude for all Your blessings by the quality of our life and example we live before and among our fellowmen and women.

In all things help us to know Your Will and grant us the courage to implement Your Will, without fear or favor, for the happiness and well being of all the people.

We humbly pray. Amen.

Eternal God, keep us this day from the temptations of the world, the flesh, and the evil one. Help us to discern the more important matters
before us and to give them full and adequate discussion and debate before providing appropriate funding.

In all our labors may we be conscious of the fact that we are accountable to you for all that we do as well as for what we should do that is yet to be done.

O God, lead, guide, and direct us as we seek to be your faithful stewards, and thereby bring more of the better life to all the people.

We humbly pray. Amen.

July 12, 1991

Eternal and ever-blessed God, vouchsafe, we beseech Thee, to direct, sanctify, and govern, both our hearts and bodies, in the ways of Thy laws, and in the works of Thy commandments; that, through Thy most mighty protection, both here and ever, we may be preserved in body and soul.

We humbly pray. Amen.

July 13, 1991

Ever-living God, Who causest the sun and moon to shine and the rain and snow to fall upon the just and the unjust, prosper every good work undertaken by this House of Representatives according to Thy Will, and give unto all of us, Thy servants, the spirit of Him Who came not to be ministered unto but to minister, and whose joy it was to do Thy Will in helping people of all ages.

As we travel to and from our homes, help us to be alert and safe drivers.

We humbly pray. Amen.

July 15, 1991

O God, Who rulest over Thy people with Fatherly love, continue and increase the Spirit of concern, care, and wisdom to all who have received from Thee and the people authority of government. We are in the "people business" to help each person be all he or she can be, according to Your holy will, and at the same time we are charged with being good stewards of the peoples' trust.

We give thanks, O God, for each member of this august body, all the Committee Chairpersons and members, the Speaker and his patient and persevering leadership, and all the support staff which makes things work.

As we see numerous services provided in our communities, we can be thankful. Whereas, we may also see former state employees joining those unemployed from the private sector, this is just one reminder of
the challenge to work for meaningful employment for each person. Under Your guidance and our ongoing cooperation and hard work, we will make progress towards the accomplishment of that challenge.

We humbly pray. Amen.

July 16, 1991

This is the day which the Lord hath made. Let us rejoice and be glad.

Gracious God, Who alone gavest us the breath of life, and alone canst keep alive in us the holy desires Thou dost impart; we beseech Thee, for Thy compassion's sake, to sanctify all our thoughts and endeavors; that we may neither begin in action without a pure intention nor continue it without Thy blessing. And grant that, having the eyes of the mind opened to behold things invisible and unseen, we may in heart be inspired by Thy wisdom, and in work be upheld by Thy strength, and in the end be accepted of Thee as Thy faithful Legislators.

We humbly pray. Amen.
