This day, in accordance with the Constitution of the State of North Carolina and G. S. 120-11.1, which fixes the date for the meeting of the General Assembly of North Carolina, the Members of the House of Representatives assemble in the House Chamber of the State Legislative Building in the City of Raleigh at 12:00 Noon and are called to order by the Honorable Grace Collins, House Principal Clerk.

Prayer is offered by the Reverend James W. McGinnis.

The roll is called and one hundred twenty Members-elect answer when their names are called. By appointment of Governor James B. Hunt, Jr., Theodore Kinney replaces Representative-elect Luther R. Jeralds, Jr., who died December 13, 1992. The Principal Clerk declares a quorum is present.

The one hundred twenty Members-elect who are present, appear with proper certificates of election, take and subscribe to the following oath of office, which is administered by Chief Justice James G. Exum, Jr., Supreme Court of North Carolina.

OATH FOR MEMBERS OF THE HOUSE OF REPRESENTATIVES 1993 SESSION

I do solemnly swear (or affirm) that I will support and maintain the Constitution and laws of the United States; so help me God; and

I do solemnly and sincerely swear (or affirm) that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; and that I will endeavor to support, maintain and defend the Constitution and laws of said State, not inconsistent with the Constitution of the United States, to the best of my knowledge and ability; and

I do swear (or affirm) that I will faithfully discharge the duties of the office of a Member of the 1993 House of Representatives according to the best of my skill and ability, according to law; so help me God.

The Principal Clerk announces that the first order of business is the election of a Speaker and declares that nominations are in order.

**ELECTION OF OFFICERS**

The Chair recognizes Representative Carolyn Russell who places in nomination the name of Representative Balmer as the Republican Nominee for the Speaker of the House of Representatives.
"I come before you today to place in nomination for Speaker of the North Carolina House of Representatives, Representative David G. Balmer.

"As many of the returning members know, Representative Balmer is a hard-working and committed legislator. David was born and raised in Charlotte and graduated with honors from UNC-Chapel Hill and Wake Forest Law School. David and his wife, Mary Kay, live in Charlotte where he is a well-respected attorney. His commitment to the legislative process has been outstanding—both in his contributions of bills, amendments, debate in committees and on the House floor; but also, he has never missed a single one of the 5,292 House roll call votes during his two terms (the new Members will find out how extraordinary that accomplishment is).

"Representative Balmer was elected House Minority Leader at our caucus in November. Ever since then he has been working hard to organize our caucus so that we will bring our own Republican proposals to the table.

"Historically, our nation, including North Carolina, has used the two-party system as a model for government. The 'loyal opposition' existed in early English times for the same reason it exists today. Only with a strong two-party system can we have healthy competition between candidates, giving voters a true choice; only with the two-party system do we have the 'watch dog' accountability the people deserve; and, only through a two-party system do we push ourselves toward meaningful dialogue on the issues which produces good legislation.

"Our constitution provides for checks and balances between the executive and legislative branches, but checks and balances offered by the two-party system are vitally important to our legislative process and the people we serve.

"For years, the Republican Party has played a significant role in shaping North Carolina policy. Although we are the minority party here in the Legislature, our ideas have been heard and most recently adopted by both Democrat and Republican candidates. Indeed, we are excited that Governor Hunt has embraced some of these ideas. I am speaking of ideas like:

—The line-item veto for the Governor
—Local control of public schools
—Budget reform
—The issue of crime and our revolving door prisons
—A responsible health care proposal that will preserve the quality of our medical system
—Responsible protection of the environment
—Less unnecessary regulation of business so that jobs can be created and preserved
"Under Representative Balmer's leadership we will be working to offer Republican solutions to these problems—solutions that come from our fiscally conservative, less-government Republican philosophy. Representative Balmer wants the House Republican caucus to define itself by what we stand for, not just against what the Democrat members are proposing. We look forward to the debate on these issues and to passing good legislation for the people of North Carolina.

"With that spirit in mind, I ask that Representative David Balmer from Mecklenburg County be nominated for Speaker of the House and that this nomination speech be recorded by spreading it across the pages of the Journal for today's opening session.

"Finally, I ask that a special note be made that among his supporters be listed the name of his newest constituent and daughter, Laura Ann Balmer."

The Chair is notified that no seconds are requested.

The Chair recognizes Representative Anne Barnes who places the name of Representative Daniel T. Blue, Jr. as the Democratic Nominee for the Speaker of the House of Representatives.

"Ladies and Gentlemen, Young People and Children:

"I place in nomination the name of Daniel T. Blue for a second term as Speaker of the North Carolina House of Representatives.

"The name of this position — Speaker of the House — has always seemed to be something of a misnomer. In fact, the Speaker does very little speaking on the House floor, except for those words needed to bring order to the speaking the members do. From my observation, a truly effective Speaker does not need to speak many words.

"Of course, the Speaker is the official spokesperson for the House, the safekeeper of our institution and its traditions, and our ambassador both inside and outside the state. Dan Blue is an eloquent spokesperson, a careful and trustworthy safekeeper, and an outstanding ambassador. He will go to bat for House members in a heartbeat, and is not shy about speaking up for the rights of all the people of North Carolina. Make no mistake, the Speaker is the leader of the House, and a major leader of the state.

"During his first term, our Speaker treated every member fairly during House debate, and extended his personal courtesy as well as the assistance of his competent and friendly staff to each member regardless of party or seniority. He was equally gracious on our behalf in his attention to organizations, lobbyists and the general public.

"Dan organized the House well for the difficult tasks it faced last term, and led it through the perilous journey from shortfall to financial stability. He offered a sure and steady hand through redistricting, workplace safety improvements, and school reform. He encouraged us through his example and counsel to work hard, to think clearly, to act responsibly and sometimes even courageously.
"Speaker Blue's leadership style is one of consensus-building, when possible, and the delegation of responsibility. Each member willing to work hard is encouraged to be creative and to follow through on ideas. He has been generous with his praise of our successes, and has offered encouragement when we experienced personal defeats. He strives constantly to strike that delicate balance between leading people and pushing them, because he does recognize the difference.

"Because he's a modest person, this may embarrass Speaker Blue a little bit, but I cannot resist the temptation to point out some similarities between him and the late great Supreme Court Justice Thurgood Marshall, whose life we celebrate even as we mourn his death. Both of these statesmen have brought to public service keen legal minds and hearts unmistakably dedicated to insuring the human and civil rights of every citizen. But the most striking similarity is exemplified in Justice Marshall's response to a question on the occasion of his retirement from the Supreme Court. When asked how he would like to be remembered, he replied simply, 'As a person who did the most he could with what he had.' Such humility.

"Those of us in the public eye know what a struggle it is to maintain humility. One must blow one's own horn to get elected or appointed. One is constantly bombarded with attention and requests that tend to exaggerate our importance. Everything seems to work against humility. If I had to pick one thing that has contributed most to Dan Blue's success as a legislator and Speaker of the House, it is that he has somehow held on to his humility. While he takes his work quite seriously, he does not take himself too seriously. He's approachable and sensitive to the concerns of others. He has a grand sense of humor that has carried him and us through many a tedious moment.

"Justice Marshall did do the most he could with what he had, so does Speaker Blue. He brings a great deal of talent, experience and skill of his own to this position. But an important part of his strength is his ability to create an environment in which each of us can do the most we can with what we have. I can promise you that he will, and that he will do it with wisdom, grace, and good humor. The rest is up to us.

"Dan Blue has earned the respect of those around him. It is our good fortune that he and his family are willing to make the necessary sacrifices for him to accept the responsibilities of Speaker for a second term. I commend him to you as I nominate Dan Blue for the position of Speaker of the House."

The nomination is seconded by Representative Wainwright.

"Madam Clerk, Members of this distinguished House of Representatives, Members of Representative Daniel T. Blue's family, visiting guests, ladies and gentlemen. It is with a great sense of pride, dignity, humility and honor that I stand before you today to second the nomination of my dear friend and colleague, Representative Daniel T. Blue, Jr., as Speaker of the 1993 Session of the North Carolina House of Representatives.

"I am indeed privileged at this time and place in history to support the nomination of a courageous, intelligent leader who has demonstrated
the worthy characteristics of service, statesmanship and diplomacy to this illustrious body and, more particularly, to our great State of North Carolina in these times of global conflict, national uncertainty and the dwindling of state resources. It is contingent upon us to elect quality, and yes, stable leadership that will direct the gloomy vision and at times stormy paths of budgetary deficits, the dilemma of homelessness, affordable day care, affordable health care, funding for the Basic Education Plan, and an environment that will continue to protect the safety of the million Americans who are constantly at risk within our work force. Yes, my friends and colleagues, we need a leader with vision who can protect the little children in our state who suffer from lack of day care facilities, undernourished bodies, children who have little or no methods of survival other than their parents, but yet suffer daily because of the deprivations of life. We need a leader who will be a voice, constantly crying in the wilderness to improve the plight of our young, to rid itself of drugs, crime, violence and worthlessness. We need a leader who is yet compassionate to the elderly, the handicapped and those who are constantly abused by acts of unfair treatment and racial barriers. And, yes we need a leader who is a consensus builder who will constantly work with the chambers of this illustrious body as it seeks resolutions and legislation that will improve the conditions of our state for the good and betterment of mankind in a unified way. And yes, we need a leader who is firm, but yet humble and who will do according to his fellow man as Micah 6:8 so vividly states that ‘He hath showed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?’ And yes, my friends as a divine minister of the gospel, I pray that our nominee will rest on the promises of God, as all prophets of the gospel rested on, and because of the timelessness of God, he will grant in His majestic way to our nominee Representative Daniel T. Blue, Jr., the vision of Isaiah, the strength and courage of Sampson, and the meekness, leadership and wisdom of a Moses as he leads the 1993 North Carolina House of Representatives into session. With this, I’m pleased to second the nomination of Representative Daniel T. Blue, Jr., as Speaker of the House.”

The nomination is seconded by Representative George Miller.

“My fellow colleagues:

“Just this past week we witnessed the inauguration of the 42nd President of these United States.

“We have just inaugurated the 32nd Governor of the State of North Carolina.

“And, now, we are embarking upon the 140th Session of the North Carolina General Assembly.

“The authority vested in you as members of this House of Representatives derives from that magnificent instrument, the Constitution of North Carolina. Appropriately, the Constitution first addresses the declaration of rights in Article I expressing the belief of the founders of our State that the true center of power lay in the General Assembly rather than the Executive. Article II provides that
the legislative power of the State shall be vested in the General Assembly which shall consist of a Senate and a House of Representatives.

"Section 12 prescribes that each member before taking a seat shall take an oath of affirmation that he will support the Constitution and laws of the United States and the Constitution of the State of North Carolina and fully discharge his duties as a member of the Senate or House of Representatives.

"And Section 15 prescribes that the House of Representatives shall elect its Speaker and other officers.

"You are now carrying out the function for which you were elected.

"The important and grave issues confronting our State require and demand the very best in leadership.

"Maintaining the fiscal integrity of the State with a balanced budget and a fair and efficient tax structure; addressing the pressing need for a health care delivery system that meets the health needs of our people, is available and affordable; reaching down to pick up our children at an early age to nourish and guide them; protecting the environment and ensuring that future generations have a guarantee of clean air and clean water; that our senior citizens are recognized for their contribution to our State; are but a few of the issues that the people have imposed trust upon each of you to address.

"Leadership to deal with these issues and to meld and guide this legislative body must come from that individual who has a clear focus of direction, understanding, intellect, and keen insight to bring together this body to faithfully discharge its obligation.

"But, coupled with these essential requirements is one other element, good judgment.

"Proven leadership is exemplified in our nominee now being presented.

"He came to this General Assembly in 1981. He came with a commitment of purpose.

"And, in 1991, this body reached out to place him in the position of the highest leadership by electing him Speaker of this House.

"For those who wavered, those who were doubtful, the doubts were quickly dispelled. Not only did he bring this body together as one, he did so with fairness and a firm hand, and with the highest integrity. He clearly understands the political process. He put aside personal advantage.

"North Carolina met the challenge in 1991 and with his leadership was able to address a budget crisis unprecedented in our State, to keep our State on a steady and clear course, to the end that when the 1991–92 Session adjourned sine die, members of this body could return to their homes with assurance of a job well done.

"President Clinton said in his inaugural speech that 'we must do what America does best – offer more opportunity to all and demand more responsibility from all'.
"With Dan Blue as our leader we can expect this body to function efficiently, with a clear and defined purpose, that he will speak firmly, but fairly, that he will extract from each of you all of the potential that you bring to this body. He possesses the ability to work with our counterpart, the Senate, and the Executive, our Governor.

"But, he can only do this with our full commitment of support.

"We can give that commitment of support by our vote on this day to re-elect Daniel T. Blue, Jr. Speaker of the House of Representatives of the 140th Session of this Legislature.

The nomination is seconded by Representative Crawford.

Distinguished Members of the Supreme Court, Members of the Court of Appeals, Members of the Governor’s Cabinet, Honored Guests, My Colleagues in the House:

“There is a phrase in the Bible, I believe you will find it in I Corinthians, and it goes something like this:

‘For if the trumpet gives an uncertain sound, who shall prepare us for the battle?’ 1993, my friends, will be a year of many battles in this General Assembly; battles for ideas and ideals, battles for education and ecology, battles for construction and conservation, battles for highways and health, battles for principles and priorities – battles which will deeply affect the lives and future of those we are charged and privileged to serve; and there is no one better qualified to prepare us for these battles than that wonderful man from the County of Wake.

“For Dan Blue speaks not with uncertain and cacophonous sounds. He speaks with clarity and precision, with poignancy and persuasiveness, with passion and power. He speaks with that breadth of experience and that depth of perception which has been the foundation and the fruit of his distinguished career spanning a decade and more in this General Assembly.

“For Dan Blue’s life is a litany of concern for people and for genuine human needs wherever it exists. Those of us who have been privileged to serve with him in this House can testify that he is a daily and persistent practitioner of the art and science of government.

“For Dan has taught us in his own inimitable way that politics is not a spectator sport; that it is the singularly, serious vocation of action and participation and that the deliberations of this body, and others like it across the land, are the heart and core, the strength and vitality, the purpose and the meaning of the democratic process and indeed the hope and the glory of this state and of this republic.

“It is with a commingling of pleasure and pride that I second the nomination of this man of candor, creativity, and compassion; this man we have come to know, respect, and love...the great Speaker of the North Carolina House – The Honorable Dan Blue.”

The Chair recognizes Representative Balmer who makes the following remarks.
"I sincerely appreciate the nomination of Representative Carolyn Russell, but I think it is important that we have a non-partisan begin-
ing to this session.

"Today is the first day of a two-year voyage together.

"We are all going to become friends – our families will become friends – we will share each member's joy and each member's sorrow.

"There will be many times that we disagree philosophically on issues; times that we disagree with the Senate.

"But, no matter what happens this session, we are the one hundred twenty members of the North Carolina House – and we are going to be tackling some very tough problems confronting the people of our state; and

"So, in that spirit and for the good of the people of the state, as the leader of the House Republicans, I want to put aside partisan bickering – and I therefore withdraw my name from nomination for Speaker and move that Representative Daniel T. Blue, Jr. be elected Speaker by acclamation."

As required by the North Carolina Constitution, Article VI, Sec. 5, all elections by the General Assembly shall be 'viva voce'.

There being no further nominations, the Principal Clerk declares the nominations closed and requests that the roll of the House be called.

Representative Blue, having received a majority vote, is declared Speaker of the 1993 House of Representatives.

The Speaker, escorted to the Chair by Representatives Bowen, DeVane, Hightower, H. Hunter, McAllister, and Stamey, takes and subscribes to the following oath of office administered by Chief Justice James G. Exum, Jr., North Carolina Supreme Court.
"I, DANIEL T. BLUE, JR., do solemnly swear that I will support and maintain the Constitution and laws of the United States; so help me God; and

"I do solemnly and sincerely swear that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; and that I will endeavor to support, maintain and defend the Constitution and laws of said State, not inconsistent with the Constitution of the United States, to the best of my knowledge and ability; and

"I do swear that I will faithfully discharge the duties of the office of Speaker of the 1993 House of Representatives according to the best of my skill and ability, according to law; so help me God."

The Speaker, Mr. Blue, approaches the dais and makes the following remarks:

"Thank you very much. I am proud to accept the honor of serving as your Speaker for the 1993 session of the General Assembly. I welcome all of your family members here today on the floor and above us in the gallery. I know they are proud of you and I know it is special to have them here with you on this extraordinary day.

"We begin this session with our families here and we must dedicate it to families all across North Carolina. Especially two families. Since we met last summer, two respected Representatives and two of our dear friends have passed away. Ray Fletcher and Nick Jeralds both won the right to be here today. The people in their counties and districts voted them that right, but God had other plans for them. Our thoughts today are with their families.

"Thirty years ago this month, the General Assembly met for the first time in this building. The Speaker of that 1963 session was a fellow named Blue. The clothes looked a little different, the haircuts on the pages looked a lot different, but the Members of that House faced problems similar to the ones we face here 30 years later.

"They did so in the shadow of a courageous, young President, who eloquently drew a map for America in many speeches. One you may not have heard a lot may have summed up John F. Kennedy's philosophy best and I think it sums up where we are today more precisely than any paragraph that I could craft.

"Kennedy once said, 'The writers of the Declaration of Independence did not promise us happiness—they promised only the pursuit of happiness—and by this they meant fulfillment as a nation and as human beings. It is the pursuit—this endless questing—which we must now resume. There are new problems, new dangers, new horizons—and we have rested too long. The world is changing—the perils are deepening—the irresistible march of history moves forward. We must now take the leadership in that great march—or be forever left behind.'

"We must keep the words of our former President in our hearts as we use our minds to tackle what's before us as servants of the people of
North Carolina, as we face our new problems and dangers and new horizons. For thirty years later, we too operate in the shadow of a new, young, energetic President who is promising a new day in America. An America filled with economic prosperity and a sense of public service and national renewal.

"Whatever your party or your political persuasion, surely all in this chamber must acknowledge that the United States is an expecting nation and North Carolina is an expecting state. The people expect us in this year of hope and change to set our course for the next century.

"For the last two years, this General Assembly has responded to two major crises in this state—the biggest budget shortfall in our history, and a tragic fire that killed 25 people, taking them prematurely from their families and grimly showing us how much we needed to overhaul the workplace safety laws in this state.

"Because of the courage of many of you sitting here today, our state now remains one of a handful in the nation with a balanced budget, a triple A Bond rating from all of the agencies, and revenues coming in ahead of projections. Our workplace safety laws are the model for all the states in this country.

"Now that we have laid the foundation, it is time to build the house. That's what Maya Angelou told us all last week at the presidential inauguration, in her poem, 'A Rock, A River, A Tree'. Listen to this verse: 'Lift up your hearts, each new house holds new chances for new beginnings. Do not be wedded forever to fear, eternally yoked to brutishness. The horizon leans forward, offering you space to place new steps of change. Here on the pulse of this fine day, you may have the courage to look up and out upon me, the rock, the river, the tree, your country.'

"Maya Angelou and John F. Kennedy are both right and their words speak to us today. We must this year in this place in the horizon take the new steps of change because the irresistible march of history does move forward. We must not fall behind.

"It is time we come together as legislators, and I want to thank Representative Balmer for those fine and appropriate comments, as Democrats and Republicans, as men and women, white and black, as North Carolinians. We must come together to develop and fulfill a unified vision for this state. We must use our diversity of culture, of background, of color, of geography, of philosophy to draw a map for all of North Carolina.

"When I think about this year and this session, I am reminded of another time in our nation's history, when the country spoke with one voice against a terrible enemy. It was World War II and the enemy, of course, was Adolph Hitler. The famous American composer, Aaron Copland, wrote a piece of music to capture the essence of what we were about and to keep the morale of a nation high. He called it 'Fanfare for the Common Man' and you will hear it played all across this land on the fourth of July and at presidential inaugurations, and when there's a time to celebrate.

"Well now fifty years later, the nation is coming together again to fight common enemies...the scourge of drugs in our neighborhoods, the
devoting the travesty of our sick not getting adequate health care, the frustration of stagnation in our economy, and the heartbreaking reality of children growing up abused, and hungry, and cold and ill-prepared.

"So we must borrow Copland's title this year. We must make this session the year of 'Fanfare for the Common Man'. And we must keep the common man and woman always in our hearts and minds as we debate public policy and as we together chart our course to defeat these enemies in our midst.

"We must think of the proud farmer in Robeson County, struggling to make a living off the land like his father did, but faced now with spiraling costs and dwindling markets.

"We must think of the single mother in Guilford County, striving to keep her dream of a college education alive, but facing the all but impossible task of finding safe and affordable day care or decent preschool for her son or daughter.

"And we must think of the fisherman in Pamlico County, harvesting food from the sea, but watching in horror as the rivers and the sounds and the streams fill too often with our waste.

"And we must think of the businessman in Buncombe County, trying desperately to keep his small grocery store alive, but facing skyrocketing insurance costs and customers with no money to spend.

"And we must think of the other 6.8 million common men and women not as our population, or as a block of voters, or even as constituents. We must think of them as individual human beings, with hopes and dreams for themselves and their families. We must make this the year of the common man to improve their lives and to give them the opportunity to improve themselves.

"We must do that by focusing on their children. But I want to make it clear in this year of children's issues that we in the House didn't just discover children yesterday. The last General Assembly did more for children even in the midst of our budget crisis than many thought possible, devoting more resources to combating child abuse and reducing infant mortality. But last session we focused on the financial crisis and made sure we helped the children. This year we must focus on the children to avoid another crisis, this time moral, not financial.

"One of the best ways to help the children in this state is to continue our commitment to improving our public schools. We must continue to strive to ensure that every child in North Carolina has access to the same quality of education, regardless of where that child happens to live. It is shameful that some students in this state start their adult life less prepared for the work force or the university or the military than other students simply because of the place where they were born or where they grew up.

"The best way to guarantee a fundamental education is to continue the basic education plan and to devote more resources towards helping poor districts and poor children. The BEP has been a scapegoat for too long. It must get some of the credit for our rising S.A.T. scores and
declining drop-out rates. But so should our education reforms and we must continue them. We must continue to let local schools and local school systems have more power in tailoring their programs to their students and their needs. But we must continue to insist on ways to measure their progress and hold them accountable if that progress is unsatisfactory.

"And we must realize that a student's success in the classroom depends largely on things that happen long before he or she shows up at the school house door. We must stop thinking about education in a vacuum.

"We must realize that for children born in the year 1993 to graduate from high school in 2011, we need to be working toward that goal with them this year, the year they are born, not when they enter kindergarten.

"It is time we ask the question, why are only 25 percent of children eligible for Head Start now in the program? And we must ask the next question as well. If Head Start identifies children at risk and it has a proven record of success, then how can we sit back and wait for the Federal Government to help us? We must help ourselves and we must help our children. We must find the resources to fund Head Start for every child in this state who is eligible for it.

"But Head Start alone is not the answer and you know that. We must begin to take care of our children with adequate prenatal care before they are born. We must take care of them after they are born with medical care and make sure they are not hungry and abused. We must continue to reduce the caseload of protective service workers so they can investigate and identify child abuse before it escalates.

"And the we in this case is not always the government and it's not solely us. It is the churches that we go to and react to, it is the businesses, it is our neighbors, it is ourselves as individuals. We must create incentives for the private sector to work with us to provide facilities for affordable day care, to provide teachers and tutors for our troubled youth. If we are going to make this the year of fanfare for the common man, we must all take care of his children.

"And we also make sure that we do a better job as a state and as a society in taking care of our sick among us. The question is not whether every North Carolinian should have health care. They already do. They call it indigent care and it's costing us ten of thousands of lives and hundreds of millions of dollars.

"It just doesn't make much sense to force the poorest among us to wait until their illness or disease is advanced before a doctor sees them.

"It just doesn't make sense that half a million children in this state have no health care insurance.

"It just doesn't make sense that more than a million of our citizens fear that one serious illness would wipe them out financially, forever.

"It just doesn't make sense that we all pay more for health care because we are not providing preventative and early care for every one in this state.
"It's an economics issue. In the long run, we will save money as a state and as individuals. And it's a moral issue. In the long run, it will save lives.

"FDR said in one of his fireside chats, 'The test of our progress is not whether we add more to the abundance of those who have much; it is whether we provide for those who have too little.'

"We must provide this year for those who have little by using the recommendations of the Access to Health Care Study Commission Report to design a system in this state to reach all of the people. We must keep an eye on Washington, but we cannot wait on Washington. Our budget won't stand it. Our sense of compassion should not allow it.

"We must continue to protect the beauty of our state. We must stop burying our problems in landfills. And we must work to keep our rivers and streams and air clean.

"We must continue to support the greatest university system in this country and a community college system that reaches so many of these common men and women. We must provide the resources for both of these branches of our higher education system. We must provide facilities where facilities are necessary.

"And friends, this session we must protect the common man from the common criminal. Our prisons are packed, our courts are overburdened, and our people are scared. We must increase our prison capacity, but that's not the answer, that's treating the symptom, not the disease. It reminds me of an old story.

"'A man standing on the side of the river sees someone drowning and jumps in to save him. Then another man floats by and he saves him too. Then a family floats by and this fellow and his friend jump in and save them. After a couple of more people come by, the fellow looks at his friend and says one of us has got to go to the head of this river and see why everybody's falling in.' That's what we need to do this session. Go to the head of the prison crisis river and start dealing with the problems that keep causing so many people to fall in.

"And finally we must work hard to guarantee that the common man and woman and their family have a chance to get a job. We must continue our efforts to channel resources into projects that stimulate community development, and empower people in those communities to take control of their own lives and their own neighborhoods.

"We have an opportunity to continue to nurture the positive business climate that we have in North Carolina, a climate that allowed us to lead the nation in new manufacturing facilities in 1991. But businesses want more than just tax breaks and rhetoric. They want quality schools, a well-trained workforce, and a sound state budget policy.

"So do we. And we took giant steps toward those goals last session. And we set up the Performance Audit Committee to report to you this session. The audit is unique in the United States, the only legislative initiated, comprehensive look at state government. The fate of the audit recommendations will determine several things this session, three
of them paramount. It will determine if we have the resources to help the common man and his children. It will determine if we have the political will to look beyond our own district lines and see the whole state's welfare. And it will determine if we have the commitment to restore the faith of the taxpayers of this state by proving we are worthy stewards of their tax dollars.

"Hundreds of other issues will come before us before we adjourn late this spring or early this summer and all will get a fair and open hearing in this deliberative body. But I hope each of us will not be sidetracked this year by issues that don't affect the lives of the common man. When your neighbor or your barber or your children's teacher wakes up in the morning, they don't worry about who has what power, or who can appoint whom to what committee. They worry about paying the bills, about their spouse's health care, and about their child's development and safety at school. That's what we must worry about and spend our time on.

"That's what we must use our intellects to debate, and our hearts to decide. We must not leave this session until we take care of the children in this state. We must not leave this session until we muster the political will and courage to make government more efficient and more accountable to the people. We must not leave this session until we find a way to begin to make sure that we begin to provide every North Carolinian with access to decent health care. We must not leave this session until we do all we can to make sure our economy is bustling and our people are working.

"A lot has been said this year in Washington about people taking back their government. In North Carolina, the people have always had the government, and we will prove it again this year as we dedicate this session and all we do to the fanfare of the common man.

"Thank you very much."

The Speaker assumes the duties of the Chair.

ADOPTION OF TEMPORARY RULES

Representative Jack Hunt is recognized and offers an amendment to the permanent rules of the House of Representatives for 1991 which is adopted by electronic vote (116-0).

On motion of Representative Jack Hunt, the permanent rules of the 1991 House of Representatives, as amended, are adopted, by electronic vote (114-0), as temporary rules for the 1993 House of Representatives. The adopted amendments are as follows:

Rule 31.1 is rewritten to read:

"Rule 31.1. Deadlines on Introduction and Receipt of Bills.—(a) All bills or resolutions recommended by commissions or standing committees authorized or directed by act or resolution of the General Assembly to report to the 1993 Regular Session of the General Assembly, or to report prior to convening of that session, must be introduced not later than the third Wednesday in February (February 17) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Wednesday (February 24) shall be treated as if it had been introduced pursuant to this subsection.

(a1) All bills prepared to be introduced for departments, agencies, or institutions of the State must be introduced not later than the third Thursday in March (March 18) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Thursday (March 25) shall be treated as if it had been introduced pursuant to this subsection. Bills introduced under this subsection shall be identified as an Agency Bill after its short title.

(a2) All local bills must be introduced not later than the first Thursday in April (April 1) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Thursday (April 8) shall be treated as if it had been introduced pursuant to this subsection."
(b) All public bills not containing appropriations or tax law changes must be introduced not later than the second Thursday in April (April 8) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Thursday (April 15) shall be treated as if it had been introduced pursuant to this subsection.

(c) All public bills containing appropriations or tax law changes must be introduced not later than the first Thursday in May (May 6) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Thursday (May 13) shall be treated as if it had been introduced pursuant to this subsection.

(c1) All resolutions, except those honoring the memory of deceased persons or adjourning the General Assembly must be introduced not later than the second Thursday in May (May 6) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Thursday (May 13) shall be treated as if it had been introduced pursuant to this subsection.

(d) In order to be eligible for consideration by the House during the first regular session, all Senate bills other than finance or appropriations bills or adjournment resolutions, must be received and read on the floor of the House as a message from the Senate no later than May 13; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

(e) This rule does not apply to bills establishing districts for Congress or State or local entities.”

Rule 45(c) is rewritten to read:

“(c) The House shall elect a Principal Clerk, who shall continue in office until another is elected. The Speaker shall appoint a Reading Clerk and a Sergeant-at-Arms, who shall serve at the Speaker’s pleasure. The Principal Clerk, Reading Clerk, and Sergeant-at-Arms shall have and perform duties and responsibilities, not inconsistent with these Rules, as the Speaker may assign.”

**ELECTION OF OFFICERS CONTINUED**

**SPEAKER PRO TEMPORE**

The Speaker announces that nominations are in order for Speaker Pro Tempore.

The Chair recognizes Representative Gottovi who places the name of Representative Marie Colton as the Democratic nominee for Speaker Pro Tempore.
"Mr. Speaker, ladies and gentlemen of the House, and guests of all ages:

"Today it is my honor to nominate Marie Watters Colton for the office of Speaker Pro Tempore in the 1993-94 House of Representatives. This will be her second term.

"Marie Colton has served 14 years in the North Carolina House of Representatives. She has proven her worth as a Legislator, both to her constituents and to her fellow legislators, and is recognized as a leader by all.

"When I think of Marie Colton, two adjectives come to mind: classy and courageous. Marie looks classy...she is well dressed in the latest styles, but that’s just the window dressing. She is classy to the core. She is always careful and considerate of all, in her speech and in her manner. Marie is also eager to make us appreciate the aesthetic implications of architecture and the environment as we deliberate our legislative choices. Marie Colton is related to half the citizens of Wilmington, and the descendant of five great grandfathers who served in past General Assemblies. She comes from a tradition of public service – a tradition she takes seriously. Her style as our Speaker Pro Tem has reflected her attitude toward life: courteous, careful, and always willing to step in where she was needed. Marie performed her duties well, and deserves a second term.

"‘Courageous’ applies to Marie because of her willingness to take on difficult causes. Indeed, she has been a decade ahead of many of us as she championed the needs of at-risk children and their families. Now, it is fashionable.

"As Chairman of the Ethics Committee, Marie led it to endorse far reaching legislation to ensure that government in this state is performed in an above-board manner. Marie also has been a courageous defender of environmental protection.

"She has sponsored many enlightened bills and for this has been honored by conservation groups across the state. These stands have earned her formidable opponents, but she has held her ground and continues her fight to preserve our children’s heritage.

"I have gotten to know Marie because she took me on as one of her Freshmen to mentor last session. We have ridden to Wilmington and back together. We agree, disagree, laugh and commiserate. I admire her tremendously.

"There is a quote on my refrigerator at home from Eleanor Roosevelt which states ‘You are a great person as long as you are the factor that keeps the community doing the right thing.’ Marie Colton is a great person.

"Please join me in re-electing Marie Colton as our Speaker Pro Tem.

"Thank you!"

Representative Redwine seconds the nomination.
"Mr. Speaker, Ladies and Gentlemen of the House, Distinguished Guests:

"It is with great honor and pride that I second the nomination of Marie Watters Colton for the position of Speaker Pro Tempore of the North Carolina House of Representatives.

"Marie Colton has served with distinction in the North Carolina House of Representatives since 1979. During that time she has been a leader in many issues. She has championed children’s issues, environmental issues and most of all has promoted high ethical standards for Members of this General Assembly.

"Those of us who have been around for awhile, 'the wily veterans', know that she is an energetic and hard working legislator. Marie is dedicated to enriching the quality of life for the people in her district and in her state. She has been a leader in women’s issues and an example for the women of this state and nation. As many of you know, she served with distinction last session as the first woman to be elected as Speaker Pro Tempore in the North Carolina House. With Speaker Dan Blue, Speaker Pro Tem Colton has formed a progressive leadership team that has proven her ability to lead this House through difficult times.

"Those of you who join this body for the first time will recognize Marie by her pleasant smile and willingness to help. As somebody once said: 'A smile costs nothing, but it creates a whole lot. It enriches those who receive it, without taking away from those who give it. It happens in a flash, but the memory of it sometimes lasts forever. It promotes good will in business and elsewhere, yet it cannot be bought, begged, borrowed or stolen, because it is something that is no earthly good to anybody until it is given away.'

"I am confident this leadership team will continue to lead this House and our great state to even greater accomplishments.

"It is with a great sense of satisfaction that I second the nomination of Marie Watters Colton for Speaker Pro Tempore of the North Carolina House of Representatives."

Representative Kennedy seconds the nomination.

Speaker Blue, and Members of the House:

"I am pleased to second the nomination of Marie Watters Colton for Speaker Pro Tempore. It has been said, that if you do not stand for something you will fall for anything. Marie Colton, is not afraid to let all know what she stands for and will defend her position. She defends the rights of children to be treated fairly and that they not be abused or corporally punished in school. She stands for the proposition that all persons should have equality of opportunity and the women should have equal pay for equal work. She is a defender of the protection of our environment and has worked to keep it safe and clean. She is a gracious lady, a hard worker and a person of integrity. I solicit your vote and support for Marie Watters Colton as Speaker Pro Tempore of the N.C. House."
"Thank you."

There being no further nominations, the Speaker declares the nominations closed and requests that the roll of the House be called.

The following members vote for Representative Colton:

Representative Colton, having received a majority vote, is declared Speaker Pro Tempore.

The Speaker Pro Tempore, escorted to the dais by Representatives Nesbitt, Easterling, Diamont, and Crawford, takes and subscribes to the following oath of office administered by Associate Justice Sarah Parker, North Carolina Supreme Court.

"I, MARIE W. COLTON, do solemnly swear that I will support and maintain the Constitution and laws of the United States; so help me God; and

"I do solemnly and sincerely swear that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; and that I will endeavor to support, maintain and defend the Constitution and laws of said State, not inconsistent with the Constitution of the United States, to the best of my knowledge and ability; and

"I do swear that I will faithfully discharge the duties of the office of Speaker Pro Tempore of the 1993 House of Representatives according to the best of my skill and ability, according to law; so help me God."

The Speaker Pro Tempore, Representative Colton, makes the following remarks:

"I want to thank everybody!

"Particularly, the people, including my friend Judge Parker who administered my oath of office, my escorts and those who nominated me and seconded my nomination, and all my friends in the House who voted for me. It gives me a warm feeling to have served for two years as
the Speaker Pro Tempore and to have the confidence of the body to re-elect me to another two-year term.

"I especially cherish today the presence of members of my family: my brother, Jack Watters; my nephew, Jay Watters; my daughter-in-law, Mary Colton; and my grandsons, Henry and Stokes Colton. The rest of my family send their regrets and wish us well.

"To recapitulate the last session of the General Assembly, I remind you that we came through a very difficult time. We worked diligently to deal with our budget crisis. As you know, we remain one of the few states that does not have a budget deficit. However, we must not be complacent; because we are facing dwindling resources and increasing needs.

"There are the problems of what to do about our educational systems, our infrastructure, the desperate human and social needs; the need to provide access to adequate health care. What is appropriate for our disadvantaged and handicapped citizens?

"We face daunting challenges; all of us have come — have been elected, with the trust and confidence of our constituents. We will disagree where we may but reach consensus as we can. The citizens of North Carolina expect no less of us.

"I take this time to say that everyone of you in the House has my friendship. My door is open to you. I will be available for assistance if you ask. I will continue being the strong right arm of the Speaker. I will work with all of you so that we can meet our challenges with creativity as we fulfill the expectations of the people who elected us.

"It is a pleasure to see so many friends and family members of the House of Representatives here with us today. You are very welcome.

"Today, let us celebrate! Tomorrow we will roll up our sleeves and get about the business that the people of North Carolina want us to be about.

"Thank you very much."

CONFERENCE REPORT

Representative G. Miller sends forth the following Conference Report and moves its adoption.

House Committee Substitute for S.B. 10

To: THE PRESIDENT OF THE SENATE AND THE SPEAKER OF THE HOUSE OF REPRESENTATIVES

We, your conferees, appointed to resolve the differences arising between the Senate and the House of Representatives on S.B. 10, A BILL TO BE ENTITLED AN ACT TO MODIFY THE CERTIFICATE OF NEED LAW, House Committee Substitute Favorable 2/19/93, Fifth Edition Engrossed 2/24/93, wish to report as follows:

The Senate concurs in the House Committee Substitute Favorable 2/19/93, Fifth Edition Engrossed 2/24/93, with the following amendments:

On page 5, lines 19 through 32, by rewriting those lines to read:

“(7a) ‘Diagnostic center’ means a freestanding facility, program, or provider, including but not limited to, physicians’ offices, clinical laboratories, radiology centers, and mobile diagnostic programs, in which the total cost of all the medical diagnostic equipment utilized by the facility which cost ten thousand dollars ($10,000) or more exceeds five
hundred thousand dollars ($500,000). In determining whether the medical diagnostic equipment in a diagnostic center costs more than five hundred thousand dollars ($500,000), the costs of the equipment, studies, surveys, designs, plans, working drawings, specifications, construction, installation, and other activities essential to acquiring and making operational the equipment shall be included. The capital expenditure for the equipment shall be deemed to be the fair market value of the equipment or the cost of the equipment, whichever is greater.”; and

on page 26, line 38, by rewriting that line to read:
“develop new institutional health services as defined in G.S. 131E-176(16), as amended by this act, except that”; and

on page 26, lines 40 through 42, by rewriting those lines to read:
“any political subdivision of the State, or any other comparable entity who has lawfully entered into a binding legal contract to develop and offer any service that was not a new institutional health service requiring a certificate of need prior to the ratification of this act. This act shall not affect litigation pending on”.

The House agrees to the same.

To this end, the conferees recommend that the Senate and House of Representatives adopt the foregoing report.

This the 17th of March, 1993.

Conferees for the Senate
S/ George B. Daniel
S/ David W. Hoyle
S/ Leslie J. Winner
S/ Luther H. Jordan, Jr.

Conferees for the House of Representatives
S/ George W. Miller, Jr.
S/ John R. Gamble, Jr.
S/ Karen E. Gottovi
S/ Frances M. Cummings
S/ Jean Preston
S/ Walter W. Dickson

The Conference Report is adopted, by electronic vote (97-13), and the Senate is so notified by Special Message.

SPECIAL MESSAGE FROM THE SENATE

SENATE CHAMBER
March 17, 1993

Mr. Speaker:

It is ordered that a message be sent to the House of Representatives with the information that the Senate adopts the report of the conferees on House Committee Substitute for S.B. 10, A BILL TO BE ENTITLED AN ACT TO MODIFY THE CERTIFICATE OF NEED
LAW, to the end that when a similar action has been taken on the part of your Honorable Body, the President will order the bill enrolled.

Respectfully,

S/ Sylvia M. Fink
Principal Clerk

House Committee on Education

FROM:     Rep. Warren Oldham, Chair  
House Subcommittee on Community Colleges  
and Universities

RE:        Subcommittee Report of Qualified Nominees for House  
Election to the Board of Governors of The University  
of North Carolina

Listed below, by category, are the legally qualified nominees for con-  
sideration by the members of the House in the forthcoming election to  
the Board of Governors of The University of North Carolina under  
House Resolution 135. In order to indicate the results of the Subcom-  
mittee’s votes for the information of the members of the House, the  
names of the nominees are ranked, within each category, in decreasing  
order by the number of votes received from the members of the Sub-  
committee, beginning with the nominee who received the highest num-  
ber of votes. At the Subcommittee’s meeting on 3/16/93, a total of  
seven members were present and voted for their preferences; four  
members were unavoidably absent.

I certify that these nominees have been screened thoroughly and are  
willing to serve if elected:

Representative Smith offers Amendment No. 1 which is adopted.

Representative Decker inquires of the Chair if the bill is prohibited under Article II, Section 24(1)(a) or (j) of the North Carolina Constitution. The Speaker rules that the bill does not directly affect those sections and is therefore in order.

Representative Culpepper calls the previous question on the passage of the bill and the call is sustained.

The bill fails to pass its second reading by electronic vote (46–63).

Committee Substitute No. 2 for H.B. 1061, A BILL TO BE ENTITLED AN ACT TO AMEND THE LEAKING PETROLEUM
UNDERGROUND STORAGE TANK CLEANUP ACT OF 1988 AND TO CLARIFY THE PURPOSES OF THE OIL OR OTHER HAZARDOUS SUBSTANCES POLLUTION PROTECTION FUND.

Representative Diamont states that the fiscal note that has been attached to the bill would not require that the bill be referred to the Committee on Appropriations. He inquires of the Chair if it is proper for this bill to be acted on before the main budget bill is ratified.

The Speaker states that the Executive Budget Act requires that no bills appropriating funds could be passed until the conference report on the main budget bill is adopted. He rules that after one Chamber has passed a budget, then it can consider other appropriations matters. The bill does not directly appropriate funds and is therefore not prohibited by the Executive Budget Act.

The bill, as amended, passes its third reading, by the following vote, and is ordered engrossed and sent to the Senate.

To: THE PRESIDENT OF THE SENATE AND THE SPEAKER OF THE HOUSE OF REPRESENTATIVES

We, your conferees, appointed to resolve the differences arising between the Senate and the House of Representatives on H.B. 385, A BILL TO BE ENTITLED AN ACT TO REDUCE THE BLOOD ALCOHOL CONTENT FOR DRIVING WHILE IMPAIRED AND RELATED OFFENSES FROM 0.10 TO 0.08; TO REDUCE THE MINIMUM BLOOD ALCOHOL CONTENT NECESSARY FOR AN IMMEDIATE TEN-DAY REVOCATION OF DRIVING PRIVILEGES FROM 0.10 TO 0.08; TO MAKE THE RESULTS OF A FIRST BREATH TEST ADMISSIBLE UNDER CERTAIN CIRCUMSTANCES; TO ESTABLISH THAT THE REVOCATION OF A PROVISIONAL LICENSEE’S LICENSE FOR DRIVING AFTER CONSUMING ALCOHOL SHALL BE UNTIL THE LICENSEE’S EIGHTEENTH BIRTHDAY OR FORTY-FIVE DAYS, WHICHEVER IS LONGER; TO PROVIDE CLARIFICATION ABOUT WHEN AN EARLIER CONVICTION FOR DRIVING WHILE IMPAIRED CAN BE USED FOR AGGRAVATION PURPOSES; TO ADD A NEW GROSSLY AGGRAVATING FACTOR TO IMPAIRED DRIVING; TO AMEND THE FELONY DEATH BY VEHICLE STATUTE; AND TO REQUIRE EXPUNCTION OF CIVIL REVOCTIONS FOLLOWING ACQUITTAL OF IMPAIRED DRIVING OFFENSES, Senate Judiciary I Committee Substitute Adopted 6/7/93 (Third Edition), wish to report as follows: The House concurs in the Senate Judiciary I Committee Substitute Adopted 6/7/93 (Third
THERE BE UNDER
TION testing to read:
OF ACQUITTAL (Edition), and the House and the Senate agree to the following amendments:

(1) on page 1, lines 16–17, by rewriting those lines to read: “THAT THERE BE NO INSURANCE CONSEQUENCES FOR A REVOCATION UNDER G.S. 20–16.5 WHEN THERE IS A DISMISSAL OR ACQUITTAL OF THE IMPAIRED DRIVING OFFENSE.”;

(2) on page 4, line 13, through page 5, line 7, by rewriting those lines to read:
“‘(b3) Sequential Breath Tests Required. — By January 1, 1985, the regulations of the Commission for Health Services governing the administration of chemical analyses of the breath must require the testing of at least duplicate sequential breath samples. Those regulations must provide:

(1) A specification as to the minimum observation period before collection of the first breath sample and the time requirements as to collection of second and subsequent samples.

(2) That the test results may only be used to prove a person’s particular alcohol concentration if:
   a. The pair of readings employed are from consecutively administered tests; and
   b. The readings do not differ from each other by an alcohol concentration greater than 0.02.

(3) That when a pair of analyses meets the requirements of subdivision (2), only the lower of the two readings may be used by the State as proof of a person’s alcohol concentration in any court or administrative proceeding.

A person’s willful refusal to give the sequential breath samples necessary to constitute a valid chemical analysis is a willful refusal under G.S. 20–16.2(c).

A person’s willful refusal to give the second or subsequent breath sample shall make the result of the first breath sample, or the result of the sample providing the lowest alcohol concentration if more than one breath sample is provided, admissible in any judicial or administrative hearing for any relevant purpose, including the establishment that a person had a particular alcohol concentration for conviction of an offense involving impaired driving.’’;

(3) on page 5, line 16, through page 6, line 26, by rewriting those lines to read:
“‘(c) Determining Existence of Grossly Aggravating Factors; Habitual Offender. Factors. — At the sentencing hearing, based upon the evidence presented at trial and in the hearing, the judge must first determine whether there are any grossly aggravating factors in the case. If the defendant has been convicted of two prior offenses involving impaired driving and the convictions occurred within seven years before the date of the offense for which he is being sentenced, the judge must impose the Level One punishment under subsection (g). The judge must also impose the Level One punishment under subsection (g) of this section if he the judge determines that two or more of the following grossly aggravating factors apply: apply. The judge must impose the Level Two punishment under subsection (h) of this section if the judge determines that only one of the grossly aggravating factors applies. The grossly aggravating factors are:
(1) A single conviction prior conviction for an offense involving impaired driving, if driving if:
   a. the The conviction occurred within seven years before the date of the offense for which the defendant is being sentenced; or
   b. The conviction occurs after the date of the offense for which the defendant is presently being sentenced, but prior to or contemporaneously with the present sentencing.

Each prior conviction is a separate grossly aggravating factor.

(2) Driving by the defendant at the time of the offense while his driver's license was revoked under G.S. 20-28, and the revocation was an impaired driving revocation under G.S. 20-28.2(a).

(3) Serious injury to another person caused by the defendant's impaired driving at the time of the offense.

(4) Driving by the defendant while a child under the age of 16 years was in the vehicle at the time of the offense.

If the judge determines that only one of the above grossly aggravating factors applies, he must impose the Level Two punishment under subsection (h).

In imposing a Level One or Two punishment, the judge may consider the aggravating and mitigating factors in subsections (d) and (e) in determining the appropriate sentence. If there are no grossly aggravating factors in the case, the judge must weigh all aggravating and mitigating factors and impose punishment as required by subsection (f)."

(4) on page 6, lines 32–38, by rewriting those lines to read: "Sec. 11. G.S. 58–36–75 is amended by adding a new subsection to read: 'a2) The subclassification plan shall provide that there shall be no premium surcharge or assessment of points against an insured where (i) the insured's driver's license has been revoked under G.S. 20–16.5; and (ii) the insured is subsequently acquitted of the offense involving impaired driving, as defined in G.S. 20–4.01(24a), that is related to the revocation, or the charge for that offense is dismissed. In addition, no insurer shall use, for rating, underwriting, or classification purposes, including ceding any risk to the Facility or writing any kind of coverage subject to this Article, any license revocation under G.S. 20–16.5 if the insured is acquitted or the charge is dismissed as described in this subsection."

(5) on page 6, line 27, by deleting "11" and substituting "10";

(6) on page 6, line 39, by deleting "13" and substituting "12".

To this end, the conferees recommend that the Senate and House of Representatives adopt the foregoing report.

Action is taken on the following:

CONFERENCE REPORT

Representative Bowman moves the adoption of the following Conference Report.

H.B. 101

To: THE PRESIDENT OF THE SENATE AND
THE SPEAKER OF THE HOUSE OF REPRESENTATIVES

We, your conferees, appointed to resolve the differences arising between the Senate and the House of Representatives on H.B. 101, A BILL TO BE ENTITLED AN ACT TO EXPAND THE CURRENT ENERGY POLICY FOR STATE GOVERNMENT TO APPLY TO THE CONSTRUCTION, OPERATION, AND RENOVATION OF
The wish to report as follows:

The House concurs in the Senate Committee Substitute, Fourth Edition Engrossed 4/6/93, and the House and Senate agree to the following amendments:

(1) On page 6, line 9, by inserting the word, “and” after the semi-colon;

(2) On page 6, line 10, by deleting the phrase “consumption; and” and by substituting “consumption.”;

(3) On page 7, lines 15-30, by rewriting those lines to read: “§133-3. Specifications to carry competitive items; substitution of materials.

All architects, engineers, designers, or draftsmen, when designing, providing design services, or writing specifications specifications, directly or indirectly, for materials to be used in any city, county or State work, shall specify in their plans the required performance and design characteristics of such materials. However, when it is impossible or impractical to specify the required performance and design characteristics for such materials, then the architect, engineer, designer or draftsman may use a brand name specification so long as they cite at least three or more examples of items of equal design or their equivalent design, which would be acceptable upon such works, establish an acceptable range for items of equal or equivalent design. The specifications shall state clearly that the cited examples are used only to denote the quality standard of product desired and that they do not restrict bidders to a specific brand, make, manufacturer or specific name; that they are used only to set forth and convey to bidders the general style, type, character and quality of product desired; and that equivalent products will be acceptable. Where it is impossible to specify performance and design characteristics for such materials and impossible to cite three or more items due to the fact that there are not that many items of similar or equivalent design in competition, then as many items as are available shall be specified cited. On all city, county or State works, the maximum interchangeability and compatibility of cited items shall be required. The brand of product used on a city, county or State work shall not limit competitive bidding on future works. If an architect, engineer, designer, draftsman or owner prefers a particular brand of material, then such brand shall be bid as an alternate to the base bid and in such case the base bid shall cite three or more examples of items of equal or equivalent design, which would establish an acceptable range for items of equal or equivalent design. Substitution of materials, items, or equipment of equal or equivalent design shall be submitted to the architect or engineer for approval or disapproval before any such substitutions may be made; disapproval; such approval or disapproval shall be made by the architect or engineer prior to the opening of bids. The purpose of this statute is to mandate and encourage free and open competition on public contracts.”
(4) On page 7, lines 31-33, by rewriting those lines to read:

"Sec. 8. Sections 1 through 7 of this act are effective upon ratification and apply to all construction and renovation projects for State works that start the design process on or after that date. Section 7.1 of this act is effective upon ratification and applies to all construction and renovation projects for any city, county or State works that start the design process on or after that date."

To this end, the conferees recommend that the Senate and House of Representatives adopt the foregoing report.

This the 8th day of July, 1993.

CALENDAR

Action is taken on the following:

CONFERENCE REPORT

Representative Hackney moves the adoption of the following Conference Report.

House Committee Substitute No. 2 for S.B. 60

To: THE PRESIDENT OF THE SENATE AND THE SPEAKER OF THE HOUSE OF REPRESENTATIVES

We, your conferees, appointed to resolve the differences arising between the Senate and the House of Representatives on S.B. 60, A BILL TO BE ENTITLED AN ACT TO IMPOSE AN ADVANCE DISPOSAL TAX ON NEW WHITE GOODS, TO REQUIRE EACH COUNTY TO PROVIDE FOR THE MANAGEMENT OF DISCARDED WHITE GOODS, AND TO PROVIDE FOR THE REMOVAL OF CHLOROFLUOROCARBON REFRIGERANTS FROM WHITE GOODS, House Finance Committee Substitute Favorable 7/15/93, Fourth Edition

wish to report as follows:

The Senate concurs in the House Finance Committee Substitute Favorable 7/15/93, Fourth Edition with the following amendments:

on page 2, lines 25-30 by rewriting those lines to read:

"(a) Exemptions. — Except for the exemption provided in G.S. 105-164.13(17), the exemptions in G.S. 105-164.13 do not apply to the taxes imposed by this Article."
(b) Refunds. — The refunds allowed in G.S. 105-164.14 do not apply to the taxes imposed by this Article. A person who buys at least 50 new white goods of any kind in the same sale or purchase may obtain a refund equal to sixty percent (60%) of the amount of tax imposed by this Article on the white goods when all of the white goods purchased are to be placed in new or remodeled dwelling units that are located in this State and do not contain the kind of white goods purchased. To obtain a refund, a person must file an application for a refund with the Secretary. The application must contain the information required by the Secretary, be signed by the purchaser of the white goods, and be submitted by the date set by the Secretary."

and the House agrees to the same.

To this end, the conferees recommend that the Senate and House of Representatives adopt the foregoing report.

wish to report as follows:

The House concurs in the Senate Local Government & Regional Affairs Committee Substitute Adopted 6/30/93, Third Edition Engrossed 7/8/93, with the following amendments:

(1) On page 3, line 23, delete “may”, and substitute “shall”;

(2) On page 3, line 36, through page 4, line 25, by rewriting those lines to read:

“Sec. 3. (a) The following laws are repealed effective January 1, 1994:

(1) Chapter 879, Session Laws of 1985;
(2) Chapter 950, Session Laws of 1985;
(3) Chapter 247, Session Laws of 1987;
(4) Chapter 339, Session Laws of 1987;
(5) Chapter 454, Session Laws of 1987;
(6) Chapter 455, Session Laws of 1987, except as to Forsyth County and municipalities located in that county;
(7) Chapter 903, Session Laws of 1987;
(8) Chapter 915, Session Laws of 1987;
(9) Chapter 198, Session Laws of 1989;
(10) Chapter 205, Session Laws of 1989;
(11) Chapter 237, Session Laws of 1989;
(12) Chapter 252, Session Laws of 1989;

(15) Chapter 509, Session Laws of 1989;
(16) Chapter 565, Session Laws of 1989;
(17) Chapter 568, Session Laws of 1989;
(18) Chapter 904, Session Laws of 1989;
(19) Chapter 6, Session Laws of 1991;
(20) Section 1 of Chapter 596, Session Laws of 1991;
(21) Chapter 846, Session Laws of 1991;
(22) Chapter 79, Session Laws of 1993;
(23) Chapter 101, Session Laws of 1993;
(24) Chapter 139, Session Laws of 1993;  
(25) Chapter 154, Session Laws of 1993;  
(26) Chapter 156, Session Laws of 1993;  
(27) Chapter 267, Session Laws of 1993;  
(28) Chapter 271, Session Laws of 1993, except for Forsyth County and municipalities located in that county;  
(29) Chapter 296, Session Laws of 1993;  
(30) Section 15 of Chapter 358, Session Laws of 1993; and  

(b) Nothing in this section affects any ordinance adopted under the authority of any act repealed by subsection (a) of this section prior to the effective date of this section.

Sec. 4. (a) Effective January 1, 1995, Chapter 455, Session Laws of 1987, as amended by Chapter 271, Session Laws of 1993, is repealed as to Forsyth County and municipalities located in that county.

(b) Nothing in this section affects any ordinance adopted under the authority of the act repealed by subsection (a) of this section prior to the effective date of this section.

Sec. 5. (a) This act becomes effective January 1, 1994, except that as to any city or county, it becomes effective at any time between the date of ratification of this act and January 1, 1994 if the city or county, as appropriate, adopts an ordinance placing it into effect at such earlier date. Adoption of such ordinance is subject to the procedural requirements of G.S. 160A-364 or G.S. 153A-323, as appropriate, but not to any procedural requirement of the zoning ordinance for adoption of amendments to the zoning ordinance. The ordinance may provide for different dates of applicability based on the stage of the zoning classification action on the effective date.

If the city or county is subject to a local act repealed by Section 3 of this act, the ordinance prevails over some or all of the local act if the ordinance so provides.

(b) This section does not apply to Forsyth County or municipalities located within that county.

Sec. 6. (a) This act becomes effective January 1, 1995 as to Forsyth County or any municipality located within that county, but it becomes effective at any time between the date of ratification of this act and January 1, 1995 if the municipality or Forsyth County, as appropriate, adopts an ordinance placing it into effect at such earlier date. Adoption of such ordinance is subject to the procedural requirements of G.S. 160A-364 or G.S. 153A-323, as appropriate, but not to any procedural requirement of the zoning ordinance for adoption of amendments to the zoning ordinance. The ordinance may provide for different dates of applicability based on the stage of the zoning classification action on the effective date.
The ordinance prevails over some or all of Chapter 455, Session Laws of 1987, as amended by Chapter 271, Session Laws of 1993, if the ordinance so provides.”

The Senate agrees to the same.

To this end, the conferees recommend that the Senate and House of Representatives adopt the foregoing report.

We, your conferees, appointed to resolve the differences arising between the Senate and the House of Representatives on S.B. 710, A BILL TO BE ENTITLED AN ACT TO MODIFY THE NASH COUNTY ROOM OCCUPANCY TAX, House Committee Substitute Favorable 7/16/93, Second Edition,

wish to report as follows:

The Senate concurs in the House Committee Substitute and the Senate and the House of Representatives agree to the following amendment:

On page 2, lines 42 and 43, by inserting between the lines the following new sections:

“Sec. 4. Section 2(a) of Chapter 32 of the 1987 Session Laws reads as rewritten:

‘(a) Appointment and membership. When the Board of Commissioners adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority including the members' qualifications and terms of office, Authority, the terms of office of the members, and for the filling of vacancies on the Authority. The members of the Authority shall be citizens of Nash County. If the Authority has an even number of members, then at least one-half of the members shall have experience in the promotion of travel and tourism. If the Authority has an odd number of members, then at least one less than one-half of the members shall have experience in the promotion of travel and tourism. The Board of Commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair or upon a written request signed by at least one-third of its members and shall adopt rules of procedure to govern its meetings. The Finance Officer for Nash County shall be the ex officio finance officer of the Authority.’

Sec. 5. The Nash Tourism Development Authority has the sole power to determine if an expenditure of occupancy tax proceeds collected before August 1, 1993, is for a purpose stated in subsection 1(e) of Chapter 32 of the 1987 Session Laws.”;

and on page 2, line 43, by rewriting the line to read:

“Sec. 6. Section 5 of this act is effective upon ratification. The remaining sections of this act become effective August 1, 1993.”.

The conferees recommend that the Senate and the House of Representatives adopt this report.

Representative Michaux sends forth the Conference Report on House Committee Substitute for S.B. 785, A BILL TO BE ENTITLED AN ACT TO INCREASE THE MEMBERSHIP OF THE NORTH CAROLINA SHERIFFS' EDUCATION AND TRAINING STANDARDS COMMISSION AND TO ESTABLISH TEN DISTRICTS FOR THE APPOINTMENT OF COMMISSION MEMBERS. Without objection, the Conference Report is placed on the Calendar for immediate consideration.

Representative Michaux moves the adoption of the following Conference Report.

House Committee Substitute for S.B. 785

To: THE PRESIDENT OF THE SENATE AND THE SPEAKER OF THE HOUSE OF REPRESENTATIVES

We, your conferees, appointed to resolve the differences arising between the Senate and the House of Representatives on S.B. 785, A BILL TO BE ENTITLED AN ACT TO INCREASE THE MEMBERSHIP OF THE NORTH CAROLINA SHERIFFS' EDUCATION AND TRAINING STANDARDS COMMISSION AND TO ESTABLISH TEN DISTRICTS FOR THE APPOINTMENT OF COMMISSION MEMBERS, House Committee Substitute Favorable 7/22/93, Fifth Edition wish to report as follows:

The Senate concurs in the House Committee Substitute Favorable 7/22/93, Fifth Edition with the following amendment: delete the entire House Committee Substitute and substitute the attached proposed conference Committee Substitute S875-CSLH-1, A BILL TO BE ENTITLED AN ACT TO EXTEND THE SUNSET FOR THE METHOD OF SELECTING MEMBERS OF THE NORTH CAROLINA SHERIFFS' EDUCATION AND TRAINING STANDARDS COMMISSION APPOINTED BY THE NORTH CAROLINA SHERIFFS' ASSOCIATION.
And the House of Representatives agrees to the same.

To this end, the conferees recommend that the Senate and House of Representatives adopt the foregoing report.

This the 24th day of July, 1993.

ADDENDUM

It will be noted that a number of bills and resolutions passed second reading and then were read a third time on the same day.

Rule 41(b) states:

No bill shall be read more than once on the same day without the concurrence of two-thirds (2/3) of the members present and voting.

In order to comply with this Rule, no bill which has passed its second reading is read a third time except:

(1) When a member moves that the Rule be suspended, and this motion carries by at least a two-thirds vote of the members present.

(2) When the Chair determines that there is no objection from any member present. This constitutes unanimous consent of those members present that Rule 41(b) be suspended.

In these cases, the bill is read a third time.

Denise G. Weeks
Principal Clerk

H.R. 29, A HOUSE RESOLUTION ADOPTING THE PERMA-
NENT RULES OF THE REGULAR SESSIONS OF THE NORTH
cAROLINA HOUSE OF REPRESENTATIVES OF THE 1993 GEN-
erAL ASSEMBLY.

Be it resolved by the House of Representatives:

Section 1. The permanent rules of the Regular Sessions of the House of Representatives of the 1993 General Assembly shall read as follows:

RULES OF THE REGULAR SESSIONS OF THE
HOUSE OF REPRESENTATIVES OF THE 1993
GENERAL ASSEMBLY OF NORTH CAROLINA

I. Order of Business, 1–5
II. Conduct of Debate, 6–12
III. Motions, 13–19
IV. Voting, 20–25
V. Committees, 26–30
VI. Handling of Bills, 31–44.1
VII. Legislative Officers and Employees, 45–49
VIII. Privileges of the Hall, 50–53
IX. General Rules, 54–62

I. Order of Business

RULE 1. Convening Hour. — The House shall convene each legisla-
tive day at the hour fixed by the House. In the event the House ad-
journs on the preceding legislative day without having fixed an hour for reconvening, the House shall convene on the next legislative day at 2:00 p.m.

RULE 2. Opening the Session. — At the convening hour on each legis-
 lative day the Speaker shall call the members to order and shall have the session opened with prayer. At the convening hour on the first day of each legislative week the Speaker, or his designee, shall lead the members in the Pledge of Allegiance to the American Flag.

RULE 3. Quorum. — (a) A quorum consists of a majority of the qualified members of the House.

(b) Should the point of a quorum be raised, the doors shall be closed and the Clerk shall call the roll of the House, after which the names of those not responding shall again be called. In the absence of a quorum, fifteen members are authorized to compel the attendance of absent members and may order that absentees for whom no sufficient excuses are made be taken into custody wherever they may be found by special messenger appointed for that purpose.

RULE 4. Approval of Journal. — (a) The Standing Committee on Rules, Calendar, and Operations of the House shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

(b) Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the Journal report by the Chair
of the Standing Committee on Rules, Calendar, and Operations of the House or by a Representative designated by the Chair as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved.

RULE 5. Order of Business of the Day. — After the approval of the Journal of the preceding day, the House shall proceed to business in the following order:

1. The receiving of petitions, memorials and papers addressed to the General Assembly or to the House;
2. Ratification of bills;
3. Reports of standing committees and permanent subcommittees;
4. Reports of select committees;
5. Reports of referral by standing committee Chairs of bills to permanent subcommittees;
6. First reading and reference to committee of bills and resolutions;
7. Messages from the Senate;
8. Concurrence with Senate amendments or Senate committee substitutes;
9. The unfinished business of the preceding day;
10. Calendar (each category in accordance with Rule 40):
   a. Local bills (roll call) third reading
   b. Local bills (roll call) second reading
   c. Local bills third reading
   d. Local bills second reading
   e. Public bills (roll call) third reading
   f. Public bills (roll call) second reading
   g. Public bills and resolutions, third reading
   h. Public bills and resolutions, second reading;
11. Reading of Notices and Announcements; but messages and motions to elect officers shall always be in order.

II. Conduct of Debate

RULE 6. Duties and Powers of the Speaker. — The Speaker shall have general direction of the Hall. The Speaker may name any member to perform the duties of the Chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House.
RULE 7. Obtaining Floor. — (a) When any member desires recognition for any purpose, the member shall rise and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

(b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he or she may propound a question to the member occupying the floor; but he or she shall not otherwise interrupt the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.

(c) A member who has obtained the floor may be interrupted only for the following reasons:

1. a request that the member speaking yield for a question,
2. a point of order,
3. a parliamentary inquiry, or
4. a question of privilege.

RULE 8. Questions of Privilege. — Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed three minutes. Questions of privilege shall be those affecting, first, the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence of all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

RULE 9. Points of Order. — (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the Chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A two-thirds (2/3) vote of the members present shall be necessary to sustain any appeal from the ruling of the Chair.

(b) When the Speaker calls a member to order, the member shall be seated except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the Chair and the decision by a two-thirds (2/3) vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the House, requires it, the member shall be liable to censure by the House.

RULE 10. Limitations on Debate. — (a) No member shall speak on, debate, or solicit cosponsors for, a bill or resolution at its first reading.
(b) No member shall speak more than twice on the main question, nor longer than 30 minutes for the first speech and 15 minutes for the second speech; nor shall the member speak more than twice upon an amendment or motion to reconsider, commit, appeal or postpone, and then not longer than 10 minutes for the first speech and five minutes for the second speech.

(c) A member may speak only once and for not more than 20 minutes on the question of the adoption of a minority report.

(d) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) and (c) of this rule during any debate on any particular question before the House.

RULE 11. Reading of Papers. — When there is a call for the reading of the text of a paper which has been presented to the House, and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. General Decorum. — (a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.

(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of or cross the House, nor when a member is speaking, engage in disruptive discourse or pass between the member and the Chair.

(d) Food or beverages shall not be permitted on the floor of the House.

(e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.

(f) Smoking or the consumption of food or beverages shall not be permitted in the galleries at any time.

(g) Special recitals, performances by musicians or other groups shall not be permitted on the floor of the House and special guests of members of the House shall not be permitted on the floor of the House.

(h) Members shall observe appropriate attire, coat and tie for male members and dignified dress for female members.

(i) The use of cellular telephones shall not be permitted in the House Chamber.

III. Motions

RULE 13. Motions Generally. — (a) Every motion shall be reduced to writing, if the Speaker or any two members request it. No
motion relating to a bill shall be in order which does not identify the bill by its number and short title.

(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the Chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. Motions, Order of Precedence. — When there are motions before the House, the order of precedence is as follows:

To adjourn
To lay on the table
Previous question
To postpone indefinitely
To reconsider
To postpone to a day certain
To re-refer
To amend an amendment
To amend
To substitute
To pass the bill

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn. — (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate, and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. Motion to Table. — (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.
(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order, and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18, or to remove from the table approved by a two-thirds (2/3) vote.

RULE 17. Motion to Postpone Indefinitely. — A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18, or to place on the favorable calendar approved by a two-thirds (2/3) vote.

RULE 18. Motion to Reconsider. — (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof, on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds (2/3) vote: a second or subsequent motion to reconsider, and a motion to reconsider:

1. A vote upon a motion to table,
2. A motion to postpone indefinitely,
3. A motion to remove a bill from the unfavorable calendar,
4. A motion that a bill be read twice on the same day, or
5. A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended.

RULE 19. Previous Question. — (a) The previous question may be called only by the member submitting the report on the bill or other matter under consideration, by the member introducing the bill or other matter under consideration, or by the member in charge of the measure, who shall be designated by the Chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been
decided in the affirmative by a majority vote of the House, the "main question" is on the passage of the bill, resolution or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments and debate, except the motion to adjourn or motion to table.

(d) If the previous question is decided in the negative, the main question remains under debate.

IV. Voting

RULE 20. Use of Electronic Voting System. — (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

(1) The passage as required by Article II, Section 23 of the Constitution of North Carolina, on second and third readings of any bill:
   a. Raising money on the credit of the State,
   b. Pledging the faith of the State for the payment of a debt,
   c. Imposing a State tax, or
   d. Authorizing a county, municipality, or other local governmental unit to
      1. Raise money on its credit,
      2. Pledge its faith for the payment of a debt, or
      3. Impose a local tax.

(2) All measures affecting a fee imposed by the State or any subdivision thereof.

(3) All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the Constitution of North Carolina has been sustained.

(4) Both second and third readings of bills proposing amendment of the Constitution of North Carolina or ratifying resolutions amending the Constitution of the United States.

(b) Votes on the following questions shall be taken on the electronic voting system:

(1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.
(2) Upon a call for division.

(3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth (1/5) of the members present.

(c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically when that time has expired. Once the system is locked, the vote shall be recorded and printed.

(d) The voting station at each member’s desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member’s station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member’s station, or to vote at another member’s station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: “All in favor vote ‘aye’; all opposed vote ‘no’; the Clerk will open the vote.” In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: “The Clerk will now lock the machine and record the vote.” After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic system shall be filed in the office of the Principal Clerk, and one copy shall be filed in the Legislative Library where it shall be open to public inspection.

(g) When the Speaker ascertains that the electronic voting system is inoperable before a vote is taken or while a vote is being taken on the electronic system, the Speaker shall announce that fact to the House and any partial electronic system voting record shall be voided. In such a case, if the Constitution of North Carolina or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. All other votes shall be taken by voice vote. If, after a vote is taken on the electronic system, it is discovered that a malfunction caused an error in the electronic system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic system, the motions are coded as follows:
1. To adjourn
2. To lay on the table
3. Previous question
4. To postpone indefinitely
5. To reconsider
6. To postpone to a day certain
7. To re-refer
8. To amend an amendment
9. To amend
10. To substitute
11. To concur or not concur
12. Miscellaneous

RULE 21. Voice Votes; Stating Questions. — (a) When the electronic voting system is not used, the Speaker shall rise and put a question.

(b) The question shall be put in this form, namely, “Those in favor (as the question may be) will say ‘Aye’,” and after the affirmation voice has been expressed, “Those opposed will say ‘No’”.

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. — (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. — Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member’s seat shall be counted.

RULE 24. Roll Call Vote. — (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth (1/5) of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.
RULE 24.1A. Excuse From Deliberations and Voting on a Bill. —
(a) Any member shall upon request be excused from the deliberations and voting on a particular bill, but to do so must make that request after the second reading of the bill and before any motion or vote on the bill or any amendment thereto. If the reason for the request arises at some point later in the proceedings, the request may be made at that time.

(b) The member may make a brief statement of the reasons for making that request. The member may send forward to the Principal Clerk, on a form provided by the Clerk, a concise statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

RULE 24.1B. Division of Amendments. — Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. — In all elections the Speaker may vote. In all other instances the Speaker may vote, or may reserve this right until there is a tie in which event the Speaker may vote, but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. — (a) The Speaker shall appoint a Chair, or Cochairs, of every standing committee and select committee, if any. In the construction of these rules, the word "Chair" as applied to a standing committee extends to and includes a Cochair of the standing committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) All permanent subcommittees of each standing committee shall be appointed by the Speaker and the members appointed, along with the Chair of the standing committee, shall constitute the standing committee of which the permanent subcommittee is a part. The Speaker shall appoint all members of permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(c) The Speaker shall appoint the members of all standing committees having no permanent subcommittees, at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(d) The first member announced on each permanent subcommittee shall be the Chair. The Speaker may designate one or more Vice-Chairs.
(e) Each Chair of a permanent subcommittee shall be a Vice-Chair of the standing committee of which it is a permanent subcommittee. The Speaker may name other members as Vice-Chairs of the standing committee. The Speaker may name one or more Vice-Chairs for any standing committee not having permanent standing subcommittees.

(f) The Chair of the standing committee shall be a voting member of each permanent subcommittee of the standing committee.

(g) Either the Chair or Acting Chair, designated by the Chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee.

(h) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

RULE 28. Standing Committee and Permanent Subcommittee Meetings. — (a) Standing committees and permanent subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule adopted by the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.

(b) Subject to the provisions of the subsection (c) of this Rule, standing committees and permanent subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees or permanent subcommittees.

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee or permanent subcommittee and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.

(d) Procedure in the standing committees and permanent subcommittee shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth (1/5) of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).
(e) No standing committee or permanent subcommittee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly-scheduled hour. No permanent subcommittee shall meet at the same time that its standing committee is meeting. Standing committees and permanent subcommittees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee and permanent subcommittee meetings shall adjourn no later than:

1. 15 minutes preceding a regular session of the House, and
2. 10 minutes preceding the hour of the next regularly-scheduled standing committee or permanent subcommittee meeting.

(g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative sessions shall be mailed to each member of the standing committee or permanent subcommittee at least five days prior to such meeting. If a member of the body so requests in writing to the Chair of the standing committee or permanent subcommittee, the member shall be notified by certified mail of the meetings.

(h) During standing committee and permanent subcommittee meetings the Chair may exercise the right to vote, or may reserve this right until there is a tie, in which event the Chair may vote, but in no instance may the Chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations Into Violations of the Open Meetings Law. — (a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.

(b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against him and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

1. Dismiss the complaint and take no further action.
(2) Issue a letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.

(3) Issue a letter of reprimand if the violation of the Open Meetings Law was intentional, or if the legislator has previously received a letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.

(4) Refer the matter to the House for appropriate action.

RULE 29. Notice of Standing Committee and Permanent Subcommittee Meetings and Hearings. — Public notice of all standing committee and permanent subcommittee meetings shall be given in the House. The Chair of the standing committee or permanent subcommittee shall notify or cause to be notified the sponsor of each bill which is set for hearing or consideration before the standing committee or permanent subcommittee as to the date, time, and place of that meeting.

RULE 29.1. Public Hearings. — (a) Requests for a public hearing shall be made in writing to the Chair of the standing committee and, if applicable, the Chair of the permanent subcommittee to which the bill has been referred. The Chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. The Chair of the permanent subcommittee may schedule a public hearing before the permanent subcommittee at its regularly-scheduled hour. Denial of a request made by a House member may be appealed to the Speaker.

Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press and information shall be posted in the places designated by the Principal Clerk.

(b) Persons desiring to appear and be heard at a public hearing shall submit their request to the Chair of the standing committee or permanent subcommittee. The standing committee or permanent subcommittee Chair may designate one or more members to arrange the order of appearance of interested parties. A brief, written statement of testimony may be submitted without oral presentation and shall be incorporated in the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library. — The Chair of a standing committee or a permanent subcommittee shall insure that written minutes are compiled for each of the body’s meetings. The minutes shall indicate the members present and the actions taken at the meeting. Not later than 20 days after the adjournment of each session of the General Assembly, the Chair shall deliver the minutes to the Legislative Library. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the Chair.

RULE 30. Standing Committee of the Whole House. — (a) A Standing Committee of the Whole House shall not be formed, except by suspension of the rules, if there be objection by any member.
(b) After passage of a motion to form a Standing Committee of the Whole House, the Speaker shall appoint a Chair to preside in the standing committee, and the Speaker shall leave the dais.

(c) The rules of procedure in the House shall be observed in the Standing Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.

(d) In the Standing Committee of the Whole House a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Standing Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the clerk on a separate paper as the same shall be agreed to by the standing committee, and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Introduction of Bills and Resolutions. — (a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk's office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 8:30 p.m. each Monday, by 3:00 p.m. each Tuesday, Wednesday, Thursday, and Friday.

(b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons, and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.

(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.

(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. Captions of public bills may be amended only by amendment proposed by the standing committee to which the bill was referred. Third reading shall not be had on any bill or resolution on the same day that such caption is amended.

(e) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows:

"House Substitute for" or "House Committee Substitute for______".
(f) House Resolutions need not be read more than twice.

(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House.

RULE 31.1. **Deadlines on Introduction and Receipt of Bills.** —

(a) All bills or resolutions recommended by commissions or standing committees authorized or directed by act or resolution of the General Assembly to report to the 1993 Regular Session of the General Assembly, or to report prior to convening of that session, must be introduced not later than the third Wednesday in February (February 17) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Wednesday (February 24) shall be treated as if it had been introduced pursuant to this subsection.

(a1) All bills prepared to be introduced for departments, agencies, or institutions of the State must be introduced not later than the third Thursday in March (March 18) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Thursday (March 25) shall be treated as if it had been introduced pursuant to this subsection. Bills introduced under this subsection shall be identified as an Agency Bill after its short title.

(a2) All local bills must be introduced not later than the first Thursday in April (April 1) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Thursday (April 8) shall be treated as if it had been introduced pursuant to this subsection.

(b) All public bills not containing appropriations or tax law changes must be introduced not later than the second Thursday in April (April 8) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Thursday (April 15) shall be treated as if it had been introduced pursuant to this subsection.

(c) All public bills containing appropriations or tax law changes must be introduced not later than the first Thursday in May (May 6) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Thursday (May 13) shall be treated as if it had been introduced pursuant to this subsection.

(c1) All resolutions, except those honoring the memory of deceased persons or adjourning the General Assembly must be introduced not
later than the second Thursday in May (May 6) of the first year of the biennial session; provided that any such measure submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on that date and introduced in the House of Representatives before 3:00 p.m. on the next Thursday (May 13) shall be treated as if it had been introduced pursuant to this subsection.

(d) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills or adjournment resolutions, must be received and read on the floor of the House as a message from the Senate no later than May 13; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

(e) This rule does not apply to bills establishing districts for Congress or State or local entities.

RULE 32. Reference to Standing Committee and to Permanent Subcommittees. — (a) Each bill, joint resolution, or House resolution not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee or permanent subcommittee as the Speaker deems appropriate.

(b) The standing committee Chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

1. Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;

2. Favorable, without prejudice, or unfavorable as to the original bill, as amended, with the recommendation that the report be made to the standing committee;

3. Favorable or without prejudice to the proposed committee substitute, and unfavorable to the original bill, with the recommendation that the report be made to the standing committee;

4. Favorable as to the original bill with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee Chair;

5. Favorable to the original bill, as amended, with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee Chair;
(6) Favorable to the proposed committee substitute with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee Chair, and unfavorable to the original bill.

Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee Chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee the bill shall be before that body for further action unless the permanent subcommittee Chair reports the bill directly pursuant to Rule 36.

(c) When a committee substitute is adopted by a permanent subcommittee or a standing committee for a bill which was introduced with no substantive provisions and the committee substitute deletes a majority of the provisions of the original bill and adds provisions that are not germane to the original bill, no further action may be taken by any standing committee or permanent subcommittee upon such bill until the second legislative day thereafter.

RULE 33. Papers Addressed to the House. — Petitions, memorials and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be orally made by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

RULE 34. Introduction of Resolutions and Bills, Copies Required. — (a) Whenever any resolution or bill is introduced, a duplicate copy thereof shall be attached thereto, and the Principal Clerk shall cause said duplicate copy to be numbered as the original resolution or bill is numbered, and shall cause the same to be available at all times to the member introducing the same.

(b) Numbering of House Bills shall be designated as “H.B.____.” (No. following). A Joint Resolution shall be designated as “H.J.R.____.” (No. following). A House Resolution shall be designated as “H.R.____.” (No. following).

(c) Whenever any resolution or bill is filed for introduction, it shall be in a House bill jacket containing 30 copies and in the form designated by the Speaker. Any resolution or bill not accompanied by the required number of copies shall be immediately returned to the introducer. The Clerk shall stamp the copies with the number stamped upon the original bill.

RULE 35. Duplicating and Availability of Copies of Bills. — (a) The Legislative Administrative Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. The Legislative Administrative Officer shall cause one copy of each resolution and public bill for each member to be delivered to
the member’s clerk or secretary who shall place it in the appropriate notebook on the member’s desk. If a member so requests, a second copy shall be delivered to the member’s clerk or secretary who shall place it in the member’s office. The remaining copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties. No public bill and, upon objection by a member, no local bill may be considered unless copies of the bill have been made available to the entire membership of the House.

RULE 35.1. Assessment Reports. — Every bill or resolution proposing the establishment of an occupational or professional licensing plan or a study for the need to establish such a plan shall have attached to the jacket of the original bill or resolution at the time of its consideration on second and third readings by the House or by any standing committee or permanent subcommittee of the House, an assessment report from the Legislative Standing Committee on New Licensing Plans pursuant to Article 18A of Chapter 120 of the General Statutes. The assessment report shall not constitute any part of the expression of legislative intent proposed by the formation of a licensing plan. Upon receipt of the request the Legislative Standing Committee on New Licensing Plans shall prepare and return the assessment report as soon as possible but not later than 60 days, reserving the right to extend this time to 90 days.

RULE 36. Report by Standing Committee or Permanent Subcommittee. — All House bills and resolutions shall be reported from the standing committee or permanent subcommittee to which referred with such recommendations as the standing committee or permanent subcommittee may desire to make except in the case where the principal introducer requests in writing to the Chair of the standing committee or permanent subcommittee that the bill not be considered.

With the written approval of the Chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(4) through (6), the Chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the Chair of the standing committee fails to give approval, the bill shall be deemed to have been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(a) Favorable Report. When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar for the next succeeding legislative day; except that committee substitutes for bills shall be placed on the favorable calendar for the second next succeeding legislative day after being reported. When a committee substitute is adopted and receives a favorable report by the committee or permanent subcommittee, the standing committee or permanent subcommittee Chair shall submit to the standing committee or permanent subcommittee the question of an unfavorable report on the original bill. The standing
committee's or permanent subcommittee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(b) **Report Without Prejudice.** When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar.

(c) **Postponed Indefinitely.** When a standing committee reports a bill with the recommendation that it be postponed indefinitely, and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(d) **Unfavorable Report.** When a standing committee reports a bill with the recommendation that it be not passed, and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(e) **Minority Report.** When a bill is reported by a standing committee with a recommendation that it be not passed or that it be postponed indefinitely, but it is accompanied by a minority report signed by at least one-fourth (1/4) of the members of the standing committee who were present and voting when the bill was considered in standing committee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

**RULE 36.1. Fiscal Notes.** — (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee or of the Rules, Calendar, and Operations of the House Committee, upon the floor of the House may request that a fiscal analysis be made of a bill, resolution or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, when in the opinion of that Chair the fiscal effects of that measure are not apparent from the language of the measure.

(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Rules, Calendar, and Operations of the House Committee as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.

(d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal Research Division for the preparation of a
fiscal note. The sponsor shall attach the fiscal note to the bill when filed or to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.

(f) Subsection (a) of this rule shall not apply to the current operations appropriations bill or the capital improvements appropriations bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.

RULE 36.2. Actuarial Notes. — (a) Every bill or resolution proposing any change in the law relative to any:

(1) State, municipal or other retirement system funded in whole or in part out of public funds; or

(2) Program of hospital, medical, disability or related benefits provided for teachers and State employees, funded in whole or in part by State funds;

shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or any permanent subcommittee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subsection (a)(1) of this Rule shall be referred to the Committee on Pensions and Retirement upon its introduction.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability
or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any permanent subcommittee or standing committee reports a measure to which an actuarial note is attached at the time of permanent subcommittee or standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, the Chair of the permanent subcommittee or standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

RULE 36.3. Bills Proposing Increases in Incarceration. — (a) Every bill and resolution introduced in the General Assembly proposing any change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for violating existing laws, by criminalizing behavior, or by any other means, shall have attached to it at the time of its consideration by the General Assembly a fiscal note prepared by the Fiscal Research Division. The fiscal note shall be prepared in consultation with the Sentencing Policy and Advisory Commission and shall identify and estimate, for the first five fiscal years the proposed change would be in effect, all costs of the proposed net increase in incarceration, including capital outlay costs if the legislation would require increased cell space. If, after careful investigation, the Fiscal Research Division determines that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the fiscal note with regard to the merits of the measure for which the note is prepared. However, technical and mechanical defects may be noted.

(b) The sponsor of each bill or resolution to which this subsection applies shall present a copy of the bill or resolution with the request for a fiscal note to the Fiscal Research Division. Upon receipt of the request and the copy of the bill or resolution, the Fiscal Research Division
shall prepare the fiscal note as promptly as possible. The Fiscal Research Division shall prepare the fiscal note and transmit it to the sponsor within two weeks after the request is made, unless the sponsor agrees to an extension of time.

(c) This fiscal note shall be attached to the original of each proposed bill or resolution that is reported favorably by any committee of the General Assembly, but shall be separate from the bill or resolution and shall be clearly designated as a fiscal note. A fiscal note attached to a bill or resolution pursuant to this subsection is not a part of the bill or resolution and is not an expression of legislative intent proposed by the bill or resolution.

(d) If a committee of the General Assembly reports favorably a proposed bill or resolution with an amendment that proposes a change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for violating existing laws, by criminalizing behavior, or by any other means, the chair of the committee shall obtain from the Fiscal Research Division and attach to the amended bill or resolution a fiscal note as provided in this rule.

RULE 36.4. Local Legislation Affecting State Highway System. — A local bill affecting the State Highway System shall be referred to the Committee on Transportation.

RULE 37. Removing Bill From Unfavorable Calendar. — A bill may be removed from the unfavorable calendar upon motion carried by a two-thirds (2/3) vote. A motion to remove a bill from the unfavorable calendar is debatable.

RULE 38. Reports on Appropriation and Revenue Bills. — (a) All standing committees, other than the Standing Committee on Appropriations, when favorably reporting any bill or resolution which:

1. carries an appropriation from the State; or

2. requires or will require in the future substantial additional State monies from the General Fund or Highway Fund to implement its provisions shall indicate same in the report, and said bill or resolution shall be referred to the Standing Committee on Appropriations for a further report before being acted upon by the House.

(b) All standing committees, other than the Standing Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue, reduces revenue, levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of bonds or notes, whether public, public-local, or private, shall indicate same in the report, and said bill shall be referred to the Standing Committee on Finance for a further report before being acted upon by the House.

(c) Action on Amendment Before Re-Referral. If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House must be referred to the Standing Committees on Appropriations or Standing Committee on
Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.

RULE 39. **Recall of Bill From Standing Committee.** — When a House bill has been introduced and referred to a standing committee, if after 10 legislative days the standing committee has failed to act thereon, then the introducer of the bill or some member designated by him may, after three legislative days' public notice given in the House and delivered in writing to the Chair of the standing committee, on motion supported by a majority vote of the members present and voting, recall the same from the standing committee to the floor of the House for consideration and such action thereon as a majority of the members present may direct. This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the Chair of the standing committee, and to sustain that motion two-thirds (2/3) of the members present and voting shall be required.

RULE 39.1. **Recall of Bill From Permanent Subcommittee.** — When a House bill has been referred to a permanent subcommittee, if after 10 legislative days the subcommittee has failed to act thereon or, at any time, with the agreement of the subcommittee chair, the standing committee Chair may re-refer the bill from that permanent subcommittee to another permanent subcommittee of the same standing committee provided the report of the re-referral shall be made pursuant to Rule 32.

RULE 39.2. **Re-Referral of Bills From One Standing Committee to Another Standing Committee.** — Upon consent of the sponsor of the bill, the Speaker, the Chair of the standing committee from whom the bill is to be re-referred, and the Chair of the standing committee to whom the bill is to be re-referred, the Chair may move for a re-referral to another standing committee and the bill shall be re-referred upon vote of the majority present during a regular session of the House.

RULE 40. **Calendars and Schedules of Business.** — The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up as they appear in each category (Rule 5(10)) in the order they were reported by standing committee; but the Standing Committee on Rules, Calendar, and Operations of the House may at any time arrange the order of precedence in which bills may be considered.

RULE 41. **Reading of Bills.** — (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. The Speaker shall give notice at each subsequent reading whether it be the second or third reading.
(b) No bill shall be read more than once on the same day without the concurrence of two-thirds (2/3) of the members present and voting; provided, no bill governed by Article II, Section 23 of the North Carolina Constitution or described in Rule 20 (a)(2) herein shall be read twice on one day under any circumstance.

RULE 42. Effect of a Defeated Bill. — (a) Subject to the provisions of subsection (b) of this rule, after a bill has:

1. been tabled,
2. been postponed indefinitely,
3. failed to pass on any of its readings, or
4. been placed on the unfavorable calendar,

the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the Chair, that measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds (2/3) vote of the members present and voting.

(b) No local bill shall be held by the Chair to embody the contents of or the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

RULE 43. Amendments. — No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

RULE 43.1. Engrossment. — Bills and resolutions, except those making appropriations, which originate in the House and which are amended, shall be engrossed before being sent to the Senate.

RULE 43.2. House Concurrence in Senate Amendments to House Bills. — The House shall not concur in a Senate amendment to a bill originating in the House until the next legislative day after the day on which the House receives the Senate amendment.

RULE 43.3. Committee Substitutes Adopted by the Senate to Bills Originating in the House; Procedure for Treatment of Material
Amendments Thereto.—(a) Whenever the Senate has adopted a committee substitute for a bill originating in the House, and has returned the bill to the House for concurrence in that committee substitute, the House may not concur in that committee substitute until the next legislative day following the day on which the House receives that committee substitute.

(b) The Speaker may, and upon motion supported by a majority of the House present and voting shall, refer the bill to an appropriate standing committee for consideration of the committee substitute.

(c) The Speaker shall, in placing the bill on the calendar, rule whether the committee substitute is a material amendment under Article II, Section 23, of the State's Constitution which reads:

"Revenue bills. — No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each House of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each House respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."

If the committee substitute was referred to standing committee, the standing committee shall:

i. report the bill with the recommendation either that the House concur or that the House do not concur; and

ii. advise the Speaker as to whether or not that committee substitute is a material amendment under Article II, Section 23, of the State's Constitution.

(d) If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.

(e) If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading and the question before the House shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

(f) No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

RULE 44. Conference Standing Committees. — (a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in the House or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker
upon the Speaker’s own motion or shall be appointed upon request by the principal sponsor of the original bill, the Chair of the House standing committee which reported the bill, or by the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.

(b) Only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. The conference report may be made by a majority of the House members of such conference committee and shall not be amended.

(c) If the conferees fail to agree, new conferees may be appointed. However, if either house refuses to adopt the report of its conferees, no new conferees may be appointed.

(d) No vote shall be taken on adoption of a conference report until the next legislative day following the report.

RULE 44.1. Transmittal of Bills to Senate. — Unless ordered by the Speaker or two-thirds (2/3) vote of the members present and voting, no bill shall be sent from the House on the day of its passage, except on the last day of the session.

VII. Legislative Officers and Employees

RULE 45. Elected Officers. — (a) The House shall elect one of its members Speaker.

(b) The House shall elect one of its members Speaker Pro Tempore who shall perform such duties as the Speaker may assign and shall preside over the House in the absence or incapacity of the Speaker and shall perform all of the duties of the Speaker until such time the Speaker may assume the Chair.

(c) The House shall elect a Principal Clerk, who shall continue in office until another is elected. The Speaker shall appoint a Reading Clerk and a Sergeant-at-Arms, who shall serve at the Speaker’s pleasure. The Principal Clerk, Reading Clerk, and Sergeant-at-Arms shall have and perform duties and responsibilities, not inconsistent with these Rules, as the Speaker may assign.

RULE 46. Assistants to Principal Clerk and Sergeant-at-Arms. — The Principal Clerk and the Sergeant-at-Arms may appoint, with the approval of the Speaker, such assistants as may be necessary to the efficient discharge of the duties of their respective offices.

RULE 47. Speaker’s Clerk, Chaplain, and Pages. — (a) The Speaker may appoint one or more clerks to the Speaker, a Chaplain of the House, and pages to wait upon the sessions of the House.

(b) When the House is not in session, the pages shall be under the supervision of the Supervisor of Pages.
(c) No member may have more than 10 persons designated as honorary pages.

RULE 48. Clerks and Secretaries. — (a) Each standing committee and permanent subcommittee shall have a clerk. The clerk to a standing committee or permanent subcommittee shall serve as secretary to the Chair of the standing committee or permanent subcommittee.

(b) Each member shall be assigned a secretary, unless the member has a standing committee or permanent subcommittee clerk to serve as secretary.

(c) The selection and retention of clerks and secretaries shall be the sole prerogative of the individual member or members. Such clerks and secretaries shall file initial applications for employment with the Principal Clerk and shall receive compensation as prescribed by the Legislative Services Commission. The employment period of clerks and secretaries shall commence not earlier than the convening date of the General Assembly and shall terminate not later than the final adjournment or recess of the General Assembly unless employment for an extended period is approved by the Speaker. The clerks and secretaries shall adhere to such uniform rules and regulations not inconsistent with these Rules regarding hours and other conditions of employment as the Legislative Services Commission shall fix by appropriate regulations.

RULE 49. Compensation of Clerks and Secretaries. — No clerk, laborer, or other person employed or appointed under Rules 47, 48, and 49 hereof shall receive during such employment, appointment, or service, any compensation from any department of the State government, and there shall not be voted, paid or awarded any additional pay, bonus or gratuity to any of them, but they shall receive only the pay now provided by law for such duties and services.

VIII. Privileges of the Hall

RULE 50. Admittance to Floor. — No person except members, officers and employees of the General Assembly and former members of the General Assembly who are not registered under the provisions of Article 9 of Chapter 120 of the General Statutes of North Carolina shall be allowed on the floor of the House during its session, unless permitted by the Speaker or otherwise provided by law. Employees of the General Assembly shall wear identification tags, approved by the Legislative Administrative Officer, when on the floor of the House.

RULE 51. Admittance of Press. — Reporters wishing to take down debates may be admitted by the Speaker, who shall assign such places to them on the floor or elsewhere, to effect this object, as shall not interfere with the convenience of the House. Reporters admitted to the floor of the House shall observe the same requirements of attire for members contained in Rule 12(h).

RULE 52. Extending Courtesies. — Courtesies of the floor, galleries or lobby shall be extended at the discretion of the Speaker and only by the Speaker. Requests by members to extend these courtesies shall
be typewritten and delivered to the Speaker. No member shall orally ask the Speaker to extend these courtesies during the daily session.

RULE 53. Order in Galleries and Lobby. — In case of any disturbance or disorderly conduct in the galleries or lobby, the Speaker or other presiding officer is empowered to order the same to be cleared.

IX. General Rules

RULE 54. Attendance of Members. — No member or officer of the House shall absent himself from the service of the House without leave, unless from sickness or disability.

RULE 55. Documents to be Signed by the Speaker. — All acts, addresses, and resolutions and all warrants and subpoenas issued by order of the House shall be signed by the Speaker or other presiding officer.

RULE 56. Printing or Reproducing Materials. — There shall be no printing or reproducing of paper(s) that are not legislative in essence except upon approval of the Speaker.

RULE 57. Placement or Circulation of Materials. — Persons other than members of the House shall not place or cause to be placed any materials on members' desks in the House Chamber without obtaining approval of the Speaker. Any material placed on members' desks in the House Chamber, or circulated to House members anywhere in the Legislative Building or the Legislative Office Building, shall bear the name of the originator.

RULE 58. Rules, Rescission and Alteration. — (a) These rules shall not be permanently rescinded or altered except by House simple resolution passed by a two-thirds (2/3) vote of the members present and voting. The introducer of the resolution must on the floor of the House give notice of intent to introduce the resolution on the legislative day preceding its introduction.

(b) Except as otherwise provided herein, the House upon two-thirds (2/3) vote of the members present and voting may temporarily suspend any rule.

RULE 59. Cosponsorship of Bills and Resolutions. — (a) Any member wishing to cosponsor a bill or resolution which has been introduced may do so by appearing in the office of the Principal Clerk for such purpose within one-half hour following the adjournment of the session during which such bill or resolution was first read and referred.

(b) No member shall permit anyone, other than that member's secretary or clerk, or another member, to have possession of and solicit for bill or resolution cosponsorship, the jacket of a bill or resolution.

RULE 60. Correcting of Typographical Errors. — The Legislative Administrative Officer may correct typographical errors appearing in House bills or resolutions provided that such corrections are made before ratification and do not conflict with any actions or rules of the Senate and provided further that such correction be approved by the
Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker or other presiding officer.

RULE 61. Assignment of Seats. — A member who has served in the immediate preceding session may retain the member's seat in the subsequent biennial session. After initial assignment of seats, a member shall continue to occupy the seat to which initially assigned for the entire biennial session. In event of vacancy that member's successor will occupy the seat of the member replaced for the remainder of the biennial session, but such successor shall not be considered as one who has served in the immediate preceding session for the purposes of seat assignment in the subsequent biennial session.

RULE 61.1. Office Assignments. — The Chair of the Standing Committee on Rules, Calendar, and Operations of the House shall assign to each member an office space. When available, Chairs of standing committees and permanent subcommittees shall be assigned an office adjacent to the room in which the standing committee or permanent subcommittee generally meets if the Chair so desires. The Speaker shall be assigned an office of his or her choice.

RULE 61.2. Convening and Assigning Seats in the New House. — (a) The Principal Clerk of the previous House of Representatives shall convene the House of Representatives at 12:00 noon on the date established by law for the convening of each regular session, and preside over the body until the members elect a Speaker. In the case of a vacancy, inability, or refusal to so serve, the duty shall devolve upon the sergeant-at-arms of the prior House, and in the case of a vacancy in that office, or inability or refusal to so serve, the duty shall devolve upon the reading clerk of the prior House.

(b) It shall be the duty of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House of the prior House to assign seats to the members of the House of Representatives in its Chamber. In the case of a death of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, or that Chair's inability or refusal to serve, the Speaker of the prior House of Representatives shall appoint a person to assign seats to members of the House of Representatives in its Chamber.

Sec. 2. This resolution is effective upon adoption.

H.R. 135, A HOUSE RESOLUTION TO ESTABLISH THE PROCEDURE FOR NOMINATING AND ELECTING MEMBERS OF THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA.

Be it resolved by the House of Representatives:

Section 1. The following procedures for nominating and electing nine members of the Board of Governors of The University of North Carolina (hereinafter the "Board of Governors") are adopted:
I. COMMITTEE RESPONSIBILITIES.

1. It is the duty of the Committee on Education of the House of Representatives (hereinafter the "Committee") to conduct a process for nominating and electing persons for each opening in each category of seats on the Board of Governors to which the House of Representatives is to elect members. The Chair of the Committee may refer any of the Committee's responsibilities under this resolution to the Subcommittee on Community Colleges and University Affairs.

2. The Committee shall receive nominations for election to the Board of Governors through February 24, 1993. Each Representative may nominate up to three persons. In order for a person to have standing as a nominee, that person must be formally nominated by a member of the House of Representatives. Only a written nomination on a form provided by the Chair of the Committee for that purpose and received in the office of the Chair of the Committee by 12:00 noon on February 24, 1993, shall constitute a nomination. An individual cannot be a nominee or be nominated in more than one category. An individual is not eligible for nomination if he or she was nominated and not elected to the Board of Governors by the Senate during the 1993 Session.

3. A Representative may nominate persons only for the categories available for election by the House of Representatives. In the 1993 Session, the House of Representatives will elect:

(a) Two members of the political party to which the largest minority of the members of the General Assembly belongs, for four-year terms;

(b) Six at-large members, for four-year terms; and

(c) Due to a vacancy, one woman for the remainder of the unexpired term.

4. On or after February 24, 1993, the Committee shall list all nominees by category. The Committee shall screen the nominees as to their qualifications, experience, opinions, and statutory suitability. The Committee may screen nominees by interviewing, or by soliciting written information, or by both means. On completion of the screening process, the Committee shall prepare a ballot that includes all legally qualified nominees, and members of the Committee shall vote for their preferences in each category.

5. Each nominee's signature on the official nomination form shall confirm that nominee's willingness to serve if elected. Any nominee may withdraw without the approval of the sponsor.

II. ELECTIONS IN THE HOUSE OF REPRESENTATIVES.

1. A ballot shall be prepared under the supervision of the Chair of the Committee for the use of the House of Representatives. The ballot shall include all legally qualified nominees and shall indicate the results of the Committee's votes for the information of the members of the House of Representatives.
2. The names of the nominees shall be arranged on the ballot (a) by category and (b) within each category, ranked in decreasing order by the number of votes received from the members of the Committee, beginning with the nominee who received the highest number of votes.

3. The House of Representatives shall hold its election no later than the beginning of the daily session on March 18, 1993. Before the voting begins, the Speaker of the House of Representatives shall explain the voting rules, which are:

(a) No nomination shall be received from the floor.

(b) In order to be elected, a nominee must receive the votes of a majority of all members present and voting in the nominee's category.

(c) Each member present and voting shall vote for as many nominees as there are positions to be filled in each category.

(d) When a member for a category containing a single position is to be elected and no nominee receives a majority of the votes cast for all the nominees in that category, a runoff shall be conducted between the persons receiving the two highest numbers of votes cast.

(e) When fewer than two nominees in the minority party category, or fewer than six nominees in the at-large category, receive the votes of a majority of all members present and voting for positions in those categories, a runoff to fill the open position or positions shall be conducted among the nominees who were not elected but who received the highest number of votes cast in each category, and the number of nominees eligible to be voted on in the runoff shall be twice the number of positions to be filled.

(f) If there is a tie for the last position between two nominees who are eligible for the next runoff, both nominees shall be included in the next runoff balloting, even though there would be more than two nominees per available position.

(g) When more than two nominees in the minority party category, or more than six nominees in the at-large category, receive the votes of a majority of all members present and voting for positions in those categories, then the two nominees in the minority party category and the six nominees in the at-large category receiving the highest number of votes in the category shall be deemed to have been elected.

4. The members of the House of Representatives shall proceed to vote by roll call for the following:

(a) Two persons in the minority party category for four-year terms;

(b) Six persons in the at-large category for four-year terms; and
(c) One person in the woman category for the remainder of the unexpired term.

5. The Chair of the Committee is responsible for canvassing the vote and declaring the results and may designate members of the Committee to assist.

6. When the Chair of the Committee has determined that the House of Representatives has elected two members from the minority party category and six members from the at-large category to the Board of Governors for terms of four years, and one member from the woman category to the Board of Governors for the remainder of the unexpired term, the Speaker of the House of Representatives shall declare those nine persons to have been elected by the House of Representatives to the indicated positions and for the indicated terms.

7. The results of the election in the House of Representatives shall then be sent by Special Messenger to the Senate.

III. NOTIFICATION OF ELECTION RESULTS.

When the election process is complete, the Chair of the Committee shall notify the Secretary of the Board of Governors of the names of the persons elected by the House of Representatives and the category and term for which each person was elected.

Sec. 2. This resolution is effective upon adoption.

CONFERENCE COMMITTEE SUBSTITUTE FOR
SENATE BILL 14

PCCS S14–CCSLC–7/21, A BILL TO BE ENTITLED AN ACT TO AUTHORIZE THE ISSUANCE OF GENERAL OBLIGATION BONDS OF THE STATE, SUBJECT TO A VOTE OF THE QUALIFIED VOTERS OF THE STATE, TO PROVIDE FUNDS FOR (1) CAPITAL IMPROVEMENTS FOR THE UNIVERSITY OF NORTH CAROLINA, (2) GRANTS TO COMMUNITY COLLEGES FOR CAPITAL IMPROVEMENTS, (3) GRANTS, LOANS, AND REVOLVING LOANS TO LOCAL GOVERNMENT UNITS FOR WATER SUPPLY SYSTEMS, WASTEWATER COLLECTION SYSTEMS, WASTEWATER TREATMENT WORKS, AND WATER CONSERVATION PROJECTS, AND (4) CAPITAL IMPROVEMENTS AND LAND ACQUISITION FOR NEW AND EXISTING STATE PARKS AND RECREATION AREAS.

The General Assembly of North Carolina enacts:

Section 1. Short title. This act shall be known and may be cited as the “Education, Clean Water, and Parks Bond Act of 1993”.

Sec. 2. Purpose. It is the intent of the General Assembly by this act to provide for the issuance of general obligation bonds of the State, and to provide that the proceeds realized from the sale of the bonds shall be allocated as follows:

(1) Three hundred ten million dollars ($310,000,000) to provide capital improvements for the constituent and affiliated institutions of The University of North Carolina or for the Board of Governors of The University of North Carolina.

(2) Two hundred fifty million dollars ($250,000,000) to provide grants to individual community colleges to finance the costs of community college capital improvements for community colleges in this State.

(3) Forty-five million dollars ($45,000,000) to provide State matching funds required to receive federal wastewater or water supply assistance funds and to provide additional funding for the Clean Water Revolving Loan and Grant Fund established in Chapter 159G of the General Statutes or to provide funding by grants and loans to local government units, and one hundred million dollars ($100,000,000) to provide loans to local government units to finance all or a portion of the cost of construction, improvements, enlargements, extensions, and reconstruction of water supply systems, wastewater collection systems, wastewater treatment works, and water conservation projects.
The funds to be derived from the sale of the Clean Water bonds authorized by this act are sufficient to meet no more than a fraction of the needs which now exist and will arise in the immediate future. For this reason, although public necessity and the criteria established by Chapter 159G of the General Statutes shall be the primary consideration in granting and loaning funds, great emphasis shall also be placed on the creation of efficient systems of regional wastewater disposal and regional water supply, and on the willingness and ability of local government units to meet their responsibilities through sound fiscal policies, creative planning, and efficient operation and management.

(4) Thirty-five million dollars ($35,000,000) to provide capital improvements in the form of repairs, renovations, new construction, and land acquisition for existing State parks and recreation areas.

Sec. 3. Definitions. As used in this act, unless the context otherwise requires:

(1) "Bonds" means bonds issued under this act.
(2) "Clean Water Revolving Loan and Grant Act" means Chapter 796 of the 1987 Session Laws, as the same may be amended from time to time, codified as Chapter 159G of the General Statutes.
(3) "Clean Water Revolving Loan and Grant Fund" means the Clean Water Revolving Loan and Grant Fund as defined in the Clean Water Revolving Loan and Grant Act.
(4) "Cost" means, without intending thereby to limit or restrict any proper definition of this term in financing the cost of facilities or purposes authorized by this act:
   a. The cost of constructing, reconstructing, enlarging, acquiring, and improving facilities, and acquiring equipment and land therefor,
   b. The cost of engineering, architectural, and other consulting services as may be required,
   c. Administrative expenses and charges,
   d. Finance charges and interest prior to and during construction and, if deemed advisable by the State Treasurer, for a period not exceeding two years after the estimated date of completion of construction,
   e. The cost of bond insurance, investment contracts, credit enhancement and liquidity facilities, interest-rate swap agreements or other derivative products, financial and legal consultants, and related costs of bond and note issuance, to the extent and as determined by the State Treasurer,
f. The cost of reimbursing the State for any payments made for any cost described above, and

g. Any other costs and expenses necessary or incidental to the purposes of this act.

Allocations in this act of proceeds of bonds to the costs of a project or undertaking in each case may include allocations to pay the costs set forth in items c., d., e., f., and g. in connection with the issuance of bonds for the project or undertaking.

(5) "Credit facility" means an agreement entered into by the State Treasurer on behalf of the State with a bank, savings and loan association, or other banking institution, an insurance company, reinsurance company, surety company, or other insurance institution, a corporation, investment banking firm, or other investment institution, or any financial institution or other similar provider of a credit facility, which provider may be located within or without the United States of America, such agreement providing for prompt payment of all or any part of the principal or purchase price (whether at maturity, presentment or tender for purchase, redemption or acceleration), redemption premium, if any, and interest on any bonds or notes payable on demand or tender by the owner, in consideration of the State agreeing to repay the provider of the credit facility in accordance with the terms and provisions of such agreement.

(6) "Local government units" means local government units as defined in the Clean Water Revolving Loan and Grant Act.

(7) "Notes" means notes issued under this act.

(8) "Par formula" means any provision or formula adopted by the State to provide for the adjustment, from time to time, of the interest rate or rates borne by any bonds or notes, including:

a. A provision providing for such adjustment so that the purchase price of such bonds or notes in the open market would be as close to par as possible,

b. A provision providing for such adjustment based upon a percentage or percentages of a prime rate or base rate, which percentage or percentages may vary or be applied for different periods of time, or

c. Such other provision as the State Treasurer may determine to be consistent with this act and will not materially and adversely affect the financial position of the State and the marketing of bonds or notes at a reasonable interest cost to the State.
“State” means the State of North Carolina.

“Wastewater collection systems” means wastewater collection systems as defined in the Clean Water Revolving Loan and Grant Act.

“Wastewater treatment works” means wastewater treatment works as defined in the Clean Water Revolving Loan and Grant Act.

“Water conservation projects” include but are not limited to any construction, repair, renovation, expansion, replacement of components, or other capital improvement, including related equipment and land acquisition, designed to:

a. Eliminate the wasteful or unnecessary use or loss of water in the operations of a wastewater collection system, wastewater treatment works, or water supply system; or

b. Enhance the operation of a wastewater collection system, wastewater treatment works, or water supply system to provide a more efficient use of water.

“Water Pollution Control Revolving Fund” means the fund described by G.S. 159G-4(a) and G.S. 159G-5(c).

“Water supply systems” means water supply systems as defined in the Clean Water Revolving Loan and Grant Act.

Sec. 4. Authorization of bonds and notes. (a) University Improvement Bonds. Subject to a favorable vote of a majority of the qualified voters of the State who vote on the question of issuing University Improvement Bonds in the election held as provided in this act, the State Treasurer is authorized, by and with the consent of the Council of State, to issue and sell, at one time or from time to time, general obligation bonds of the State to be designated “State of North Carolina University Improvement Bonds”, with any additional designations as may be determined to indicate the issuance of bonds from time to time, or notes of the State as provided in this act, in the aggregate principal amount not exceeding three hundred ten million dollars ($310,000,000) for the purposes authorized in this act.

(b) Community College Bonds. Subject to a favorable vote of a majority of the qualified voters of the State who vote on the question of issuing Community College Bonds in the election held as provided in this act, the State Treasurer is authorized, by and with the consent of the Council of State, to issue and sell, at one time or from time to time, general obligation bonds of the State to be designated “State of North Carolina Community College Bonds”, with any additional designations as may be determined to indicate the issuance of bonds from time to time, or notes of the State as provided in this act, in the aggregate
principal amount not exceeding two hundred fifty million dollars ($250,000,000) for the purposes authorized in this act.

(c) Clean Water Bonds. Subject to a favorable vote of a majority of the qualified voters of the State who vote on the question of issuing Clean Water Bonds in the election called and held as provided in this act, the State Treasurer is hereby authorized, by and with the consent of the Council of State, to issue and sell, at one time or from time to time, general obligation bonds of the State to be designated “State of North Carolina Clean Water Bonds”, with any additional designations as may be determined to indicate the issuance of bonds from time to time, or notes of the State as provided in this act, in an aggregate principal amount not exceeding one hundred forty-five million dollars ($145,000,000) for the purpose of providing funds, with any other available funds, for the purposes authorized in this act.

(d) State Parks Bonds. Subject to a favorable vote of a majority of the qualified voters of the State who vote on the question of issuing State Parks Bonds in the election called and held as provided in this act, the State Treasurer is hereby authorized, by and with the consent of the Council of State, to issue and sell, at one time or from time to time, general obligation bonds of the State to be designated “State of North Carolina State Parks Bonds”, with any additional designations as may be determined to indicate the issuance of bonds from time to time, or notes of the State as provided in this act, in the aggregate principal amount not exceeding thirty-five million dollars ($35,000,000) for the purposes authorized in this act.

Sec. 5. Uses of bond and note proceeds. (a) University Improvement Bonds. The proceeds of University Improvement Bonds and notes shall be used for the purpose of (i) paying the cost of capital improvements for the constituent or affiliated institutions of The University of North Carolina, under the supervision of the Board of Governors of The University of North Carolina, including, without limitation, construction and renovation of classroom buildings, laboratory buildings, research facilities, libraries, physical education facilities, continuing education centers, student cafeteria and activity facilities, including sports facilities, administrative office buildings, and land acquisition, (ii) paying the cost of capital improvements for the North Carolina Center for Public Television under the Board of Governors of The University of North Carolina, and (iii) making grants to nonprofit corporations and public agencies to provide capital improvements for Area Health Education Centers. Grants made to provide capital improvements for Area Health Education Centers shall be made only to nonprofit corporations and public agencies. The rules and regulations and agreements governing the Area Health Education Center Program shall contain provisions necessary to assure that the proceeds of the bonds or notes are applied for the accomplishment of public purposes only within the meaning of Article V, Section 2 of the North Carolina Constitution,
including, without limitation, provisions to assure that the grant moneys are applied to the payment of the cost of capital improvements used in connection with the Area Health Education Center Program and further shall contain provisions to assure compliance with G.S. 143–6.1. The buildings constructed using the proceeds of the bonds, other than any buildings constructed with Area Health Education Centers Construction Grants, may be constructed only after consideration of the energy design guidelines developed by the Energy Division of the Department of Commerce.

Any additional moneys that may be received by means of a grant or grants from the United States of America or any agency or department thereof or from any other source to aid in financing the cost of any university improvements authorized by this act may be placed by the State Treasurer in the University Improvement Bonds Fund or in a separate account or fund and shall be disbursed, to the extent permitted by the terms of the grant or grants, without regard to any limitations imposed by this act.

The proceeds of University Improvement Bonds and notes may be used with any other moneys made available by the General Assembly for the making of university improvements, including the proceeds of any other State bond issues, whether heretofore made available or which may be made available at the session of the General Assembly at which this act is ratified or any subsequent sessions. The proceeds of University Improvement Bonds and notes shall be expended and disbursed under the direction and supervision of the Director of the Budget. The funds provided by this act for university improvements shall be disbursed for the purposes provided in this act upon warrants drawn on the State Treasurer by the State Controller, which warrants shall not be drawn until requisition has been approved by the Director of the Budget and which requisition shall be approved only after full compliance with the Executive Budget Act, Article 1 of Chapter 143 of the General Statutes.

The Board of Governors of The University of North Carolina shall provide quarterly reports to the Joint Legislative Commission on Governmental Operations, the chairs of the Senate and House of Representatives Appropriations Committees, and the Fiscal Research Division on the expenditure of moneys from the University Improvement Bonds Fund.

(b) Community College Bonds. The proceeds of Community College Bonds and notes shall be used for the purpose of making grants to community colleges, as defined in Chapter 115D of the General Statutes, the proceeds of the grants to be allocated and expended for paying the cost of Community College capital improvements, including, without limitation, construction and renovation of classroom buildings, laboratory buildings, research facilities, libraries, physical education facilities, continuing education centers, student cafeteria and activity
facilities, including sports facilities, administrative office buildings, and related equipment and land acquisition. The buildings constructed using the proceeds of the bonds may be constructed only after consideration of the energy design guidelines developed by the Energy Division of the Department of Commerce.

Any additional moneys which may be received by means of a grant or grants from the United States of America or any agency or department thereof or from any other source to aid in financing the cost of any Community College grants authorized by this act may be placed by the State Treasurer in the Community College Bonds Fund or in a separate account or fund and shall be disbursed, to the extent permitted by the terms of the grant or grants, without regard to any limitations imposed by this act.

The proceeds of Community College Bonds and notes may be used with any other moneys made available by the General Assembly for the making of Community College grants, including the proceeds of any other State bond issues, whether heretofore made available or which may be made available at the session of the General Assembly at which this act is ratified or any subsequent sessions. The proceeds of Community College Bonds and notes shall be expended and disbursed under the direction and supervision of the Director of the Budget. The funds provided by this act for Community College improvements shall be disbursed for the purposes provided in this act upon warrants drawn on the State Treasurer by the State Controller, which warrants shall not be drawn until requisition has been approved by the Director of the Budget and which requisition shall be approved only after full compliance with the Executive Budget Act, Article 1 of Chapter 143 of the General Statutes.

The State Board of Community Colleges shall provide quarterly reports to the Joint Legislative Commission on Governmental Operations, the chairs of the Senate and House of Representatives Appropriations Committees, and the Fiscal Research Division on the expenditure of moneys from the Community College Bonds Fund.

(c) Clean Water Bonds. The proceeds of Clean Water Bonds and notes shall be used for the purpose of making loans and grants to local governments as follows:

(1) The proceeds of forty-five million dollars ($45,000,000) of Clean Water Bonds shall be used and allocated for the same purposes for which funds in the Clean Water Revolving Loan and Grant Fund may be used including, without limitation, to provide funds to be used to make revolving loans and grants to local government units. The revolving loans and grants shall be made for the purpose of paying the cost of water supply systems, wastewater collection systems, and wastewater treatment works.
The first priority for use of these proceeds shall be to provide State funds necessary for the 1993–95 fiscal biennium to match the federal wastewater or water supply assistance funds, deposited in the Clean Water Pollution Control Revolving Fund or another fund, that are available from year to year, unless the General Assembly has provided other funds for this purpose, in which event this priority shall cease to exist to the extent of the availability of those other funds. For the purpose of implementing this priority, the Department of Environment, Health, and Natural Resources shall certify to the State Treasurer the amount of funds required for the State match for each of the fiscal years ending June 30, 1994, and June 30, 1995, and the extent to which the General Assembly has provided other funds for this purpose. Upon certification to the State Treasurer of the amount of funds required for the State match for the fiscal year ending June 30, 1994, the State may issue up to twenty–two million five hundred thousand dollars ($22,500,000) of Clean Water Bonds authorized by this subdivision for the purpose of funding the State match for that fiscal year and for any other purposes authorized by this subdivision. Upon certification to the State Treasurer of the amount of funds required for the State match for the fiscal year ending June 30, 1995, the State may issue the remaining balance of Clean Water Bonds authorized by this subdivision for the purpose of funding the State match for that fiscal year and for any other purposes authorized by this subdivision. The proceeds of the bonds necessary for the State match for each fiscal year shall be deposited in the Clean Water Pollution Control Revolving Fund or any other fund or account determined by the State Treasurer.

The proceeds may be (i) transferred directly to the Clean Water Revolving Loan and Grant Fund to make revolving loans or grants, (ii) used to make revolving loans or grants directly to the appropriate local government qualifying for a revolving loan or grant from the Clean Water Revolving Loan and Grant Fund, (iii) used for any combination of (i) and (ii), or (iv) used in such other manner as shall effectuate the purposes of this act. Although public necessity and the criteria established by Chapter 159G of the General Statutes shall be the primary consideration in granting and loaning funds, great emphasis shall be placed on the creation of efficient systems of regional wastewater disposal and regional water supply, and on the willingness and ability of local government
units to meet their responsibilities through sound fiscal policies, creative planning, and efficient operation and management. Loans and grants made from bond proceeds transferred from the Clean Water Bonds Fund to the Clean Water Revolving Loan and Grant Fund shall be made and administered in accordance with the provisions of the Clean Water Revolving Loan and Grant Act. Loans and grants made from bond proceeds directly to local government units and any loan repayments shall, to the extent applicable, be made, administered, and applied in accordance with the provisions of the Clean Water Revolving Loan and Grant Act. Repayments of any direct loans may be initially placed into any fund or account as may be determined by the State Treasurer for the purpose of determining compliance with the applicable requirements of the federal tax law and shall be expended and disbursed therefrom under the direction and supervision of the Director of the Budget.

(2) The proceeds of one hundred million dollars ($100,000,000) of Clean Water Bonds shall be used for the purpose of making loans to local government units to pay the cost of water supply systems, water conservation projects, wastewater collection systems, and wastewater treatment works. Sixty-nine percent (69%) of the proceeds of the bonds and notes shall be allocated for loans to local government units for wastewater collection systems and wastewater treatment works. Thirty-one percent (31%) of the proceeds of the bonds and notes shall be allocated for loans to local government units for water supply systems and water conservation projects.

The proceeds shall be used to make loans directly to local government units qualifying for a loan from the Clean Water Revolving Loan and Grant Fund or loaned in such other manner as shall effectuate the purposes of this act. To qualify for a loan from the Clean Water Bonds Fund for the purpose of paying the cost of water supply systems, a local government unit must have a water supply facility plan approved by the Department of Environment, Health, and Natural Resources. A water supply facility plan submitted by a local government unit to the Department under G.S. 143–355(1) will be sufficient to meet this requirement. To qualify for a loan from the Clean Water Bonds Fund for the purpose of paying the cost of wastewater collection systems or wastewater treatment works, a local government unit must have a wastewater facility plan approved by the Department of Environment, Health,
and Natural Resources. A wastewater facility plan must project future wastewater treatment needs, must present a long-range plan to meet those needs, and must include plans for system operations and maintenance of the facilities being built with the bond proceeds.

The Department of Environment, Health, and Natural Resources shall set the priorities and determine the eligibility of local government units for these loans in accordance with Section 10 of this act. The form of the loans and the details thereof including, without limitation, the maturity, interest rate, and amortization schedule, shall be determined, from time to time, by the State Treasurer. In making these determinations, the State Treasurer shall consider the purpose of the loans, the ability of local government units to repay the loans, and the security for the loans. The interest rates on these loans shall reflect the self-supporting nature of the loan program and shall be sufficient to cover substantially all payments of debt service on the one hundred million dollars ($100,000,000) of Clean Water Bonds and the issuance costs and administrative expenses associated with the issuance of these bonds and the making of these loans, subject to any applicable requirements of the federal tax law.

Repayments of the loans shall be credited to the General Fund and may be used to pay, directly or indirectly, debt service on the bonds and notes issued. Repayments may be initially placed into such fund or account as may be determined by the State Treasurer for the purpose of determining compliance with applicable requirements of the federal tax law and shall be expended and disbursed therefrom under the direction and supervision of the Director of the Budget.

Any additional moneys which may be received by means of a grant or grants from the United States of America or any agency or department thereof or from any other source for deposit to the Clean Water Bonds Fund may be placed in the Clean Water Bonds Fund or in a separate account or fund and shall be disbursed, to the extent permitted by the terms of the grant or grants, without regard to any limitations imposed by this act.

The proceeds of bonds and notes may be used with any other moneys made available by the General Assembly for making grants and loans authorized by this act, including the proceeds of any other State bond issues, whether heretofore made available or which may be made available at the session of the General Assembly at which this act is ratified or any subsequent sessions. The proceeds of bonds and notes shall be expended and disbursed under the direction and supervision of
the Director of the Budget. The funds provided by this act shall be disbursed for the purposes provided in this act upon warrants drawn on the State Treasurer by the State Controller, which warrants shall not be drawn until requisition has been approved by the Director of the Budget and which requisition shall be approved only after full compliance with the Executive Budget Act, Article 1 of Chapter 143 of the General Statutes.

(d) State Parks Bonds. The proceeds of State Parks Bonds and notes shall be used for the purpose of paying the cost of capital improvements for new and existing State parks and recreation areas including, without limitation, land acquisition and the repair, renovation, and construction of visitors' centers, parking lots and access roads, dams, picnic areas, ranger residences, tent and trailer campsites, boat and canoe launching areas, rental cabins, boathouses, swimming facilities, trails, exhibits, storage buildings, water and wastewater systems, electrical systems, and underground fuel tanks. No more than thirty percent (30%) of the proceeds of the State Parks Bonds and notes for land acquisition may be used, however, for land acquisition.

Any additional moneys which may be received by means of a grant or grants from the United States of America or any agency or department thereof or from any other source for deposit to the State Parks Bonds Fund may be placed in the State Parks Bonds Fund or in a separate account or fund and shall be disbursed, to the extent permitted by the terms of the grant or grants, without regard to any limitations imposed by this act.

The proceeds of bonds and notes may be used with any other moneys made available by the General Assembly for the cost of State parks and recreation facilities including the proceeds of any other State bond issues, whether heretofore made available or which may be made available at the session of the General Assembly at which this act is ratified or any subsequent sessions. The proceeds of bonds and notes shall be expended and disbursed under the direction and supervision of the Director of the Budget. The funds provided by this act shall be disbursed for the purposes provided in this act upon warrants drawn on the State Treasurer by the State Controller, which warrants shall not be drawn until requisition has been approved by the Director of the Budget and which requisition shall be approved only after full compliance with the Executive Budget Act, Article 1 of Chapter 143 of the General Statutes.

Sec. 6. Allocation of proceeds. (a) University Improvement Bonds. The proceeds of University Improvement Bonds and notes, including premium thereon, if any, except the proceeds of bonds the issuance of which has been anticipated by bond anticipation notes or the proceeds of refunding bonds or notes, shall be placed by the State Treasurer in a special fund to be designated "University Improvement Bonds Fund". Moneys in the University Improvement Bonds Fund
shall be used for the purposes set forth in this act. The proceeds of University Improvement Bonds and notes shall be allocated and expended for paying the cost of university capital improvements, to the extent and as provided in this act and subject to change as provided in this act, as follows:

Projected allocations set forth above may be adjusted to reflect
the availability of other funds.

The Board of Governors of The University of North Carolina
shall allocate the funds designated above for "other critical needs" for
specific projects, within the general purposes authorized for University
Improvement Bonds and notes by this act, and within the aggregate
amount of funds available under this section, after considering relative
needs at all sixteen campuses.

The Director of the Budget is empowered, when the Director of
the Budget determines it is in the best interest of the State and The
University of North Carolina to do so, and if the cost of a particular project is less than the projected allocation, to use the excess funds to increase the size of that project or increase the size of any other project itemized in this section, or to increase the amount allocated to a particular institution or the Board of Governors within the aggregate amount of funds available under this section. The Director of the Budget may consult with the Advisory Budget Commission and the Joint Legislative Commission on Governmental Operations before making these changes. In addition, the particular capital improvements and the amount of the projected allocation therefor set forth above may be changed from time to time as the General Assembly may decide. The provisions of G.S. 116-11(9) with respect to appropriations to the Board of Governors of The University of North Carolina shall not apply to proceeds of University Improvements Bonds and notes issued pursuant to the provisions of this act.

Allocations to the costs of a capital improvement or undertaking in each case may include allocations to pay the costs set forth in Section 3(4)c., d., e., f., and g. of this act in connection with the issuance of bonds for that capital improvement or undertaking.

(b) Community College Bonds. The proceeds of Community College Bonds and notes, including premium thereon, if any, except the proceeds of bonds the issuance of which has been anticipated by bond anticipation notes or the proceeds of refunding bonds or notes, shall be placed by the State Treasurer in a special fund to be designated “Community College Bonds Fund” and shall be disbursed as provided in this act. Moneys in the Community College Bonds Fund shall be used for making grants to community colleges, as set forth in this act.

I. The proceeds of grants made from the proceeds of two hundred twenty-six million one hundred thousand dollars ($226,100,000) Community College Bonds and notes shall be allocated and expended for paying the cost of community college capital improvements, to the extent and as provided in this act and subject to change as provided in this act, as follows:

Projected allocations set forth above may be adjusted to reflect the availability of other funds. The Board of Trustees of an individual community college may change the projects or allocations for that college, but not for a satellite campus, within the total amount of funds allocated for that college; the Board of Trustees may not, however, change, reduce, or eliminate a project or an allocation at a satellite campus of the community college.

The Director of the Budget is empowered, when the Director of the Budget determines it is in the best interest of the State and the North Carolina Community College System to do so, and if the cost of a particular project is less than the projected allocation, to use the excess funds to increase the size of that project or increase the size of any other project itemized in this section, or to increase the amount allocated to a particular community college within the aggregate amount of funds available under this section. The Director of the Budget may consult with the Advisory Budget Commission and the Joint Legislative Commission on Governmental Operations before making these changes. In addition, the particular capital improvements and the amount of the projected allocation therefor set forth above may be changed from time to time as the General Assembly may decide.

II. The proceeds of grants made from the proceeds of twenty-three million nine hundred thousand dollars ($23,900,000) Community College Bonds and notes shall be allocated and expended for particular projects to be determined as hereinafter provided. The proceeds of twenty-three million nine hundred thousand dollars ($23,900,000) Community College Bonds or notes shall not be issued and no proceeds of twenty-three million nine hundred thousand dollars ($23,900,000) Community College Bonds or notes shall be allocated for the purposes provided in this act, however, until the General Assembly authorizes
the issuance of some or all of these Community College Bonds or notes and appropriates the proceeds of these bonds and notes for specific projects within these purposes by separate legislative action in addition to this act in 1994 or at any subsequent session.

It is the intent of the General Assembly to appropriate the proceeds of the bonds and notes in 1994 or at a subsequent session based on consideration of the recommendations of the Legislative Study Commission on Community College Capital Needs in its report to be submitted to the General Assembly by April 1994 as provided in Section 11 of this act. Actual appropriations by the General Assembly in 1994 or at a subsequent session may be made without regard to the expressed intentions set forth above.

Nothing in this act or as a result of the approval of the bonds at the election provided for in this act restricts the right of the General Assembly, in addition to the right to specify the projects and the allocations therefor, in 1994 or at a subsequent session to:

(1) Establish a procedure whereby projected allocations set forth in subsequent legislation may be increased or decreased to reflect the availability of other funds, including, without limitation, contingency funds, income earned on the investment of bond and notes proceeds, and the proceeds of grants.

(2) Establish a contingency account and provide for an allocation of bond proceeds thereto. The funds in the contingency account may be used to pay the cost of projects, the costs of issuance of bonds and notes, and increased project costs resulting from construction costs exceeding projections, inflationary factors, and changes in projects and allocations. The funds allocated to the contingency account shall be placed by the State Treasurer in a separate account in the Community College Bonds Fund and shall be disbursed in accordance with the procedures established for disbursements from the Community College Bonds Fund.

(3) Empower the Director of the Budget, when the Director determines it is in the best interest of the State and the Community College System to do so, and if the cost of a particular project is less than the projected allocation, to use the excess funds to increase the size of that project or increase the size of any other project authorized by the General Assembly.

III. Allocations to the costs of a capital improvement or undertaking in each case may include allocations to pay the costs set forth in Section 3(4)c., d., e., f., and g. of this act in connection with the issuance of bonds for that capital improvement or undertaking. The matching requirements of G.S. 115D-31(a)(1) apply to the proceeds
of Community College Bonds and notes used to make grants to community colleges.

(c) Clean Water Bonds. The proceeds of Clean Water Bonds and notes, including premium thereon, if any, except the proceeds of bonds the issuance of which has been anticipated by bond anticipation notes or the proceeds of refunding bonds or notes, shall be placed by the State Treasurer in a special fund to be designated “Clean Water Bonds Fund”, which may include such appropriate special accounts therein as may be determined by the State Treasurer, and shall be disbursed as provided in this act. Moneys in the Clean Water Bonds Fund shall be allocated and expended as provided in this act.

(d) State Parks Bonds. The proceeds of State Parks Bonds and notes, including premium thereon, if any, except the proceeds of bonds the issuance of which has been anticipated by bond anticipation notes or the proceeds of refunding bonds or notes, shall be placed by the State Treasurer in a special fund to be designated “State Parks Bonds Fund”, which may include such appropriate special accounts therein as may be determined by the State Treasurer, and shall be disbursed as provided in this act. Moneys in the State Parks Bonds Fund shall be used for the purposes set forth in this act, and the particular projects within such purposes to be financed in whole or in part from the proceeds shall be determined as hereinafter provided.

No State Parks Bonds or notes shall be issued and no proceeds of State Parks Bonds and notes shall be allocated for the purposes provided in this act, however, until the General Assembly authorizes issuance of some or all of State Parks Bonds and notes and appropriates the proceeds of the bonds and notes for specific projects within these purposes by separate legislative action in addition to this act in 1993 or at any subsequent session. The General Assembly shall appropriate no more than thirty percent (30%) of the proceeds of the bonds and notes for land acquisition.

It is the intent of the General Assembly to appropriate the proceeds of the bonds and notes in 1994 or at a subsequent session based on the recommendations of the Department of Environment, Health, and Natural Resources in its State parks capital improvement and land acquisition plan to be submitted to the General Assembly by May 1994 as provided in Section 11 of this act. Actual appropriations by the General Assembly in 1993 or at a subsequent session may be made without regard to the expressed intentions set forth above.

Nothing in this act or as a result of the approval of the bonds at the election provided for in this act restricts the right of the General Assembly in 1993 or at a subsequent session to:

(1) Establish a procedure whereby projected allocations set forth in subsequent legislation may be increased or decreased to reflect the availability of other funds, including, without limitation, contingency funds, income earned on
the investment of bonds and notes proceeds, and the proceeds of grants.

(2) Establish a contingency account and provide for an allocation of bond proceeds thereto. The funds in the contingency account may be used to pay the cost of projects, the costs of issuance of bonds and notes, and increased project costs resulting from construction costs exceeding projections, inflationary factors, and changes in projects and allocations. The funds allocated to the contingency account shall be placed by the State Treasurer in a separate account in the State Parks Bonds Fund and shall be disbursed in accordance with the procedures established for disbursements from the State Parks Bonds Fund.

(3) Empower the Director of the Budget, when the Director determines it is in the best interest of the State and the State Parks System to do so, and if the cost of a particular project is less than the projected allocation, to use the excess funds to increase the size of that project or increase the size of any other project itemized by the General Assembly, or to increase the amount allocated to a particular project within the aggregate amount of funds available under this section; the Director of the Budget having the right to consult with the Advisory Budget Commission and the Joint Legislative Commission on Governmental Operations.

(4) Provide that to the extent that funds are not required to be expended for the specific projects identified by the General Assembly, allocations may be used for capital outlay projects at any State park as replacement projects, but no such funds may be used for operating expenditures.

Allocations to the costs of a capital improvement or undertaking in each case may include allocations to pay the costs set forth in Section 3(4)c., d., e., f., and g. of this act in connection with the issuance of bonds for that capital improvement or undertaking.

Sec. 7. Election. The questions of the issuance of the bonds authorized by this act shall be submitted to the qualified voters of the State at an election to be held on the first Tuesday after the first Monday of November 1993. Any other primary, election, or referendum validly called or scheduled by law at the time the election on the bond questions provided for in this section is held, may be held as called or scheduled. Notice of the election on the bond questions shall be given by publication twice in a newspaper or newspapers having general circulation in each county in the State, and the election and the registration of voters therefor shall be held under and in accordance with the general laws of the State. Absentee ballots shall be authorized in the election.
The State Board of Elections shall reimburse the counties of the State for all necessary expenses incurred in holding the election that are in addition to those that would have otherwise been incurred, the same to be paid out of the Contingency and Emergency Fund or other funds available to the State Board of Elections.

Voting machines, ballots, or both may be used in accordance with rules prescribed by the State Board of Elections. The bond questions to be used in the voting machines and ballots shall be in substantially the following forms:

"[ ] FOR the issuance of three hundred ten million dollars ($310,000,000) State of North Carolina University Improvement Bonds constituting general obligation bonds of the State secured by a pledge of the faith and credit and taxing power of the State for the purpose of providing funds, with any other available funds, to pay the cost of capital improvements for constituent or affiliated institutions and the Center for Public Television of The University of North Carolina.

[ ] AGAINST the issuance of two hundred fifty million dollars ($250,000,000) State of North Carolina Community College Bonds constituting general obligation bonds of the State secured by a pledge of the faith and credit and taxing power of the State for the purpose of providing funds, together with other available funds, to make grants to community colleges to pay all or a portion of the cost of providing capital improvements.

[ ] FOR the issuance of one hundred forty-five million dollars ($145,000,000) State of North Carolina Clean Water Bonds constituting general obligation bonds of the State
secured by a pledge of the faith and credit and taxing power of the State for the purpose of providing funds, with any other available funds, to make loans, revolving loans, and grants to local government units to pay all or a portion of the cost of clean water projects.

AGAINST the issuance of one hundred forty-five million dollars ($145,000,000) State of North Carolina Clean Water Bonds constituting general obligation bonds of the State secured by a pledge of the faith and credit and taxing power of the State for the purpose of providing funds, with any other available funds, to make loans, revolving loans, and grants to local government units to pay all or a portion of the cost of clean water projects.

FOR the issuance of thirty-five million dollars ($35,000,000) State of North Carolina State Parks Bonds constituting general obligation bonds of the State secured by a pledge of the faith and credit and taxing power of the State for the purpose of providing funds, with any other available funds, to pay the cost of land acquisition and capital improvements for new and existing State parks and recreation areas.

AGAINST the issuance of thirty-five million dollars ($35,000,000) State of North Carolina State Parks Bonds constituting general obligation bonds of the State secured by a pledge of the faith and credit and taxing power of the State for the purpose of providing funds, with any other available funds, to pay the cost of land acquisition and capital improvements for new and existing State parks and recreation areas."

If a majority of those voting on a bond question in the election vote in favor of the issuance of the bonds described in the question, those bonds may be issued as provided in this act. If a majority of those voting on a bond question in the election vote against the issuance of the bonds described in the question, those bonds shall not be issued.

The results of the election shall be canvassed and declared as provided by law for elections for State officers; the results of the election shall be certified by the State Board of Elections to the Secretary of State, in the manner and at the time provided by the general election laws of the State.

Sec. 8. Issuance of bonds and notes. (a) Terms and Conditions. Bonds or notes may bear such date or dates, may be serial or term bonds or notes, or any combination thereof, may mature in such amounts and at such time or times, not exceeding 40 years from their date or dates, may be payable at such place or places, either within or without the United States of America, in such coin or currency of the United States of America as at the time of payment is legal tender for
payment of public and private debts, may bear interest at such rate or rates, which may vary from time to time, and may be made redeemable before maturity, at the option of the State or otherwise as may be provided by the State, at such price or prices, including a price less than the face amount of the bonds or notes, and under such terms and conditions, all as may be determined by the State Treasurer, by and with the consent of the Council of State.

(b) Signatures; Form and Denomination; Registration. Bonds or notes may be issued as certificated or uncertificated obligations. If issued as certificated obligations, bonds or notes shall be signed on behalf of the State by the Governor or shall bear his facsimile signature, shall be signed by the State Treasurer or shall bear his facsimile signature, and shall bear the Great Seal of the State or a facsimile thereof shall be impressed or imprinted thereon. If bonds or notes bear the facsimile signatures of the Governor and the State Treasurer, the bonds or notes shall also bear a manual signature which may be that of a bond registrar, trustee, paying agent, or designated assistant of the State Treasurer. Should any officer whose signature or facsimile signature appears on bonds or notes cease to be such officer before the delivery of the bonds or notes, the signature or facsimile signature shall nevertheless have the same validity for all purposes as if the officer had remained in office until delivery and bonds or notes may bear the facsimile signatures of persons who at the actual time of the execution of the bonds or notes shall be the proper officers to sign any bond or note although at the date of the bond or note such persons may not have been such officers. The form and denomination of bonds or notes, including the provisions with respect to registration of the bonds or notes and any system for their registration, shall be as the State Treasurer may determine in conformity with this act; provided, however, that nothing in this act shall prohibit the State Treasurer from proceeding, with respect to the issuance and form of the bonds or notes, under the provisions of Chapter 159E of the General Statutes, the Registered Public Obligations Act, as well as under this act.

(c) Manner of Sale; Expenses. Subject to determination by the Council of State as to the manner in which bonds or notes shall be offered for sale, whether at public or private sale, whether within or without the United States of America and whether by publishing notices in certain newspapers and financial journals, mailing notices, inviting bids by correspondence, negotiating contracts of purchase or otherwise, the State Treasurer is authorized to sell bonds or notes at one time or from time to time at such rate or rates of interest, which may vary from time to time, and at such price or prices, including a price less than the face amount of the bonds or the notes, as the State Treasurer may determine. All expenses incurred in preparation, sale, and issuance of bonds or notes shall be paid by the State Treasurer from the proceeds of bonds or notes or other available moneys.
Notes; Repayment.

(1) By and with the consent of the Council of State, the State Treasurer is hereby authorized to borrow money and to
execute and issue notes of the State for the same, but only in the following circumstances and under the following
conditions:

a. For anticipating the sale of bonds to the issuance of which the Council of State shall have given consent, if the
State Treasurer shall deem it advisable to postpone the issuance of the bonds;

b. For the payment of interest on or any installment of principal of any bonds then outstanding, if there shall not be sufficient funds in the State treasury with which to pay the interest or installment of principal as they respectively become due;

c. For the renewal of any loan evidenced by notes herein authorized;

d. For the purposes authorized in this act; and

e. For refunding bonds or notes as herein authorized.

(2) Funds derived from the sale of bonds or notes may be used in the payment of any bond anticipation notes issued under this act. Funds provided by the General Assembly for the payment of interest on or principal of bonds shall be used in paying the interest on or principal of any notes and any renewals thereof, the proceeds of which shall have been used in paying interest on or principal of the bonds.

(e) Refunding Bonds and Notes. By and with the consent of the Council of State, the State Treasurer is authorized to issue and sell refunding bonds and notes pursuant to the provisions of the State Refunding Bond Act for the purpose of refunding bonds or notes issued pursuant to this act. The refunding bonds and notes may be combined with any other issues of State bonds and notes similarly secured.

(f) Tax Exemption. Bonds and notes shall be exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, excluding inheritance and gift taxes, income taxes on the gain from the transfer of bonds and notes, and franchise taxes. The interest on bonds and notes shall not be subject to taxation as to income.

(g) Investment Eligibility. Bonds and notes are hereby made securities in which all public officers, agencies, and public bodies of the State and its political subdivisions, all insurance companies, trust companies, investment companies, banks, savings banks, savings and loan associations, credit unions, pension or retirement funds, other financial institutions engaged in business in the State, executors, administrators,
trustees, and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Bonds and notes are hereby made securities which may properly and legally be deposited with and received by any officer or agency of the State or political subdivision of the State for any purpose for which the deposit of bonds, notes, or obligations of the State or any political subdivision is now or may hereafter be authorized by law.

(h) Faith and Credit. The faith and credit and taxing power of the State are hereby pledged for the payment of the principal of and the interest on bonds and notes. In addition to the State’s right to amend any provision of this act to the extent it does not impair any contractual right of a bond owner, the State expressly reserves the right to amend any provision of this act with respect to the making and repayment of loans, the disposition of any repayments of loans, and any intercept provisions relating to the failure of a local government unit to repay a loan, the bonds not being secured in any respect by loans, any repayments thereof, or any intercept provisions with respect thereto.

Sec. 9. Variable interest rates. In fixing the details of bonds and notes, the State Treasurer may provide that any of the bonds or notes may:

(1) Be made payable from time to time on demand or tender for purchase by the owner thereof provided a credit facility supports the bonds or notes, unless the State Treasurer specifically determines that a credit facility is not required upon a finding and determination by the State Treasurer that the absence of a credit facility will not materially or adversely affect the financial position of the State and the marketing of the bonds or notes at a reasonable interest cost to the State;

(2) Be additionally supported by a credit facility;

(3) Be made subject to redemption or a mandatory tender for purchase prior to maturity;

(4) Bear interest at a rate or rates that may vary for such period or periods of time, all as may be provided in the proceedings providing for the issuance of the bonds or notes, including, without limitation, such variations as may be permitted pursuant to a par formula; and

(5) Be made the subject of a remarketing agreement whereby an attempt is made to remarket bonds or notes to new purchasers prior to their presentment for payment to the provider of the credit facility or to the State.

If the aggregate principal amount repayable by the State under a credit facility is in excess of the aggregate principal amount of bonds or notes secured by the credit facility, whether as a result of the inclusion in the credit facility of a provision for the payment of interest for a limited period of time or the payment of a redemption premium or for
any other reason, then the amount of authorized but unissued bonds or notes during the term of such credit facility shall not be less than the amount of such excess, unless the payment of such excess is otherwise provided for by agreement of the State executed by the State Treasurer.

Sec. 10. Special provisions governing clean water loans. (a) Scope. The provisions of this section shall apply to loans being made from the proceeds of bonds authorized by this act for clean water projects, other than from funds deposited in the Clean Water Revolving Loan and Grant Fund.

(b) Clean Water Bonds Loan Fund. There is established in the Department of State Treasurer a fund to be known as the Clean Water Bonds Loan Fund, which may include any special or segregated accounts the State Treasurer considers appropriate. There shall be deposited in the Clean Water Bonds Loan Fund proceeds of the Clean Water Bonds and notes to be used to make loans, other than loans to be made through the Clean Water Revolving Loan and Grant Fund, to local government units for clean water projects as provided in this act. Funds in the various accounts may be invested from time to time by the State Treasurer in the same manner permitted for investments of funds belonging to the State or held in the State treasury. Any investment earnings shall be credited to the particular account from which the investment was made.

All moneys accruing to the credit of the Clean Water Bonds Loan Fund, other than funds set aside for administrative expenses, including expenses related to determining compliance with applicable requirements of the federal tax law and costs of issuance, shall be used to make loans for the purposes provided in this act. The State Treasurer shall be responsible for making and administering all loans pursuant to the provisions of this section.

(c) Application for Loans; Hearings.

(1) Eligibility/Initial Hearing.

a. Prior to filing an application for a loan, a local government unit shall hold a public hearing. A notice of the public hearing shall be published once at least 10 days before the date fixed for the hearing.

b. All applications for loans shall be filed with the Department of Environment, Health, and Natural Resources. The form of the application shall be prescribed by the Department and shall require any information necessary to determine the eligibility for a loan under the provisions of this section. All applications approved by the Department of Environment, Health, and Natural Resources shall be filed with the Local Government Commission. Each applicant shall furnish to the Department of Environment, Health, and Natural Resources and the Local Government
Commission information in addition or supplemental to the information contained in its application, upon request.

c. A local government unit shall not be eligible for a loan unless it demonstrates to the satisfaction of the Department of Environment, Health, and Natural Resources and the Local Government Commission that:
   1. The applicant is a local government unit;
   2. The applicant has the financial capacity to pay the principal of and interest on its proposed loan as evidenced by the approval of the Local Government Commission;
   3. The applicant has substantially complied or will substantially comply with all applicable laws, rules, regulations, and ordinances, whether federal, State, or local; and
   4. The applicant has agreed by official resolution to adopt and place into effect a schedule of fees and charges or the application of other sources of revenue which will provide adequate funds for proper operation, maintenance, and administration of the project and repayment of all principal and interest on the loan.

(2) Assessment. The Department of Environment, Health, and Natural Resources may require any applicant to file with its application an assessment of the impact the project for which the funds are sought will have upon meeting the facility needs of the area within which the project is to be located.

(3) Hearing by the Department of Environment, Health, and Natural Resources or the Local Government Commission. A public hearing may be held by the Department of Environment, Health, and Natural Resources or the Local Government Commission at any time on any application. Public hearings may also be held by the Department of Environment, Health, and Natural Resources in its discretion upon written request from any citizen or taxpayer who is a resident of the county or counties in which the project is to be located or a resident of the local government unit that proposes to borrow moneys under this act, if it appears that the public interest will be served by the hearing. The written request shall set forth each objection to the proposed project or other reason for requesting a hearing on the application and shall contain the name and address of the persons submitting it. The Department of Environment, Health, and Natural Resources may consider all
written objections to the proposed project and other statements along with the application including any significant considerations on facility needs and shall determine if the public interest will be served by a hearing. The determination by the Department of Environment, Health, and Natural Resources shall be conclusive and all written requests for a hearing shall be retained as a permanent part of the records pertaining to the application.

(4) Petition for Vote. A petition, demanding that the question of whether to enter into a loan agreement with the State under this act be submitted to voters, may be filed with the clerk of the local government unit applying for the loan within 15 days after the public hearing required by this section. The petition’s sufficiency shall be determined and a referendum, if any, shall be conducted, according to the standards, procedures, and limitations set out in G.S. 159-60 through G.S. 159-62.

(d) Priorities.

(1) Determination. Determination of priorities to be assigned each eligible project shall be made semiannually by the Department of Environment, Health, and Natural Resources during each fiscal year. Every eligible project shall be considered by the Department of Environment, Health, and Natural Resources with every other project eligible during this same priority period.

(2) Priority Factors. All applications for loans under this act shall be assigned a priority by the Department of Environment, Health, and Natural Resources. The Department of Environment, Health, and Natural Resources shall establish by rule the priority factors criteria.

(3) Assignment of Priority. A written statement relative to each priority assigned shall be prepared by the Department of Environment, Health, and Natural Resources and shall be attached to the application. The priority assigned shall be conclusive.

(4) Failure to Qualify. If an application does not qualify for a loan as of the prior period in which the application was eligible for consideration by reason of the priority assigned, the application shall be considered during the next succeeding priority period upon request of the applicant. If the application again fails to qualify for a loan during the second priority period by reason of the priority assigned, the application shall receive no further consideration. An applicant may file a new application at any time and may amend any pending application to include additional data or information.
(5) Withdrawal of Commitment. Failure of an applicant within one year after the date of acceptance of the loan to arrange for necessary financing of the proposed project or award of the contract of the construction of the proposed project shall constitute sufficient cause for withdrawal of the commitment. Prior to withdrawal of a commitment, the Department of Environment, Health, and Natural Resources shall give due consideration to any extenuating circumstances presented by the applicant as reasons for failure to arrange necessary financing or to award a contract, and the commitment may be extended for an additional period of time if, in the judgment of the Department of Environment, Health, and Natural Resources, the extension is justified.

(e) Disbursement. To be eligible to receive the loans provided for in this section, a local government unit must arrange to borrow the amounts necessary pursuant to rules adopted by the Local Government Commission. No funds shall be disbursed until the Department of Environment, Health, and Natural Resources gives a certificate of eligibility to the effect that the applicant meets all eligibility criteria and that all procedural requirements of this act have been met. The maximum principal amount of a loan shall be one hundred percent (100%) of the cost of any eligible project.

(f) Intercept. The governing body of a local government unit shall by resolution authorize to be included in its loan agreement a provision authorizing the State Treasurer, upon failure of the local government unit to make a scheduled repayment of the loan, to withhold from the local government unit any State funds that would otherwise be distributed to the local government unit in an amount sufficient to pay all sums then due and payable to the State as a repayment of the loan. In such event, notwithstanding any other provision of law, the State Treasurer is authorized to withhold and apply such funds to the repayment of the loan, except that such funds shall not be withheld if (i) before the execution of the loan agreement, such funds have been legally pledged to secure special obligation bonds or other obligations of the local government unit, or (ii) after the execution of the loan agreement, such funds are legally pledged to secure special obligation bonds or other obligations of the local government unit as authorized in this subsection. After the execution of a loan agreement, all or any portion of the State funds specified in the loan agreement to be so withheld may be pledged to secure special obligation bonds or other obligations of the local government unit only with the prior written consent of the State Treasurer.

The State Treasurer shall notify the Secretary of Revenue and the State Controller of the amount to be withheld from the local government unit, and the Secretary of Revenue and the State Controller shall
transfer to the State Treasurer the amount so requested to be applied by
the State Treasurer to the repayment of the loan.

(g) Inspection. Inspection of a project for which a loan has been
made under this act may be performed by qualified personnel of the
Department of Environment, Health, and Natural Resources or may be
performed by qualified engineers registered in this State approved by
the Department of Environment, Health, and Natural Resources. No
person shall be approved to perform inspections who is an officer
employed by the local government unit to which the loan was made or
who is an owner, officer, employer, or agent of a contractor or subcon-
tractor engaged in the construction of the project for which the loan was
made. For the purpose of payment of inspection fees, inspection ser-
vices shall be included in the term "cost" as used in this act.

(h) Rules. The State Treasurer, the Local Government Com-
mision, and the Department of Environment, Health, and Natural Re-
sources may adopt, modify, and repeal rules necessary for the adminis-
tration of their respective duties under this act. Uniform rules may be
jointly adopted where feasible and desirable, and no rule, jointly
adopted, may be modified or revoked except upon concurrence of all
agencies involved.

(i) Federal Grants and Loans. In order to carry out the pur-
poses of this act to secure the greatest possible benefits to the citizens of
this State of the funds appropriated, the State Treasurer, the Local
Government Commission, and the Department of Environment,
Health, and Natural Resources shall adopt rules and criteria, not incon-
sistent with provisions of this act, as are necessary and appropriate to
conform to regulations for federal grants and loans for any of the pur-
poses set forth in this act.

(j) Reports. The Department of Environment, Health, and Nat-
ural Resources shall prepare and file each year on or before July 31 with
the Joint Legislative Commission on Governmental Operations a report
for the preceding fiscal year concerning the allocation and making of
loans authorized by this act. The report shall set forth for the preceding
fiscal year:

1. Itemized and total allocations of loans authorized and un-
allocated funds for the loan program as of the end of the
preceding fiscal year;
2. Identification of each loan agreement entered into by the
State during the preceding fiscal year and the total amount
of loans authorized by such loan agreements;
3. The amount disbursed to each local government unit pur-
suant to such loan agreements during the preceding fiscal
year and the total amount of such disbursements;
4. The loan repayments made by each local government unit
pursuant to such loan agreements and the total amount of
such loan repayments during the preceding fiscal year; and

(5) A summary for all preceding years of the information re-
quired by subdivisions (1) through (4).

The report shall be signed by the Secretary of Environment, Health, and Natural Resources.

(k) Local Government Commission.

(1) Local government units may execute debt instruments payable to the State in order to obtain loans provided for in this act. Local government units shall pledge or agree to apply as security for such obligations:

a. Any available source of revenues of the local govern-
ment unit, including revenues from benefitted facili-
ties or systems, provided that (i) the local government unit has not otherwise pledged the revenues as securi-
ity for, or contractually agreed to apply the revenues to, the payment of any other obligations of the local government unit, (ii) the use of the revenues is not otherwise restricted by law, or (iii) the revenues are not derived from the exercise of the local government unit's taxing power; or

b. Their faith and credit; or

c. Any combination of a. or b. above.

The faith and credit of a local government unit shall not be pledged or be deemed to have been pledged unless the requirements of Article 4 of Chapter 159 of the General Statutes have been met. The State Treasurer, with the assistance of the Local Government Commission, shall develop and adopt appropriate debt instruments for use under this act.

(2) Nothing contained in this act shall prohibit any local gov-
ernment unit from applying any funds of the local govern-
ment unit not otherwise restricted as to use by law to the payment of any debt instrument payable to the State in-
curred pursuant to the provisions of this act.

(3) The Local Government Commission shall review and ap-
prove proposed loans to local government units under this act under the provisions of Articles 4 and 5 of Chapter 159 of the General Statutes. The Local Government Com-
mission in considering the ability of a local government unit to repay a loan may regard as a source of revenue for repayment of a loan revenue sources that may not be available other than on an annual discretionary basis and that may not be subject to a pledge or agreement to apply. Loans under this act shall be outstanding debts for the
purposes of Article 10 of Chapter 159 of the General Statutes.

(4) The State Treasurer shall annually certify to the General Assembly the financial condition of the loan program and identify existing delinquencies.

Sec. 11. Community college and State parks reports. (a) Community Colleges Projects Report.

(1) There is established the Legislative Study Commission on Community College Capital Needs. The Commission shall be composed of twelve members: (i) five Senators appointed by the President Pro Tempore of the Senate; (ii) five Representatives appointed by the Speaker of the House of Representatives, and (iii) the President of the Community College System and the Chair of the State Board of Community Colleges each of whom shall serve as an ex officio, nonvoting member. All voting members shall be appointed within 30 days after adjournment of the 1993 Regular Session of the 1993 General Assembly.

(2) The President Pro Tempore of the Senate and the Speaker of the House of Representatives shall each designate one appointee as cochair. These cochairs shall jointly call the first meeting and shall preside at alternate meetings.

(3) The Commission shall study and evaluate the issue of present and future capital needs of the Community College System. The Commission shall evaluate all objective, meaningful factors relevant to determining capital needs and shall design a mechanism for establishing and ranking legitimate capital need priorities for the Community College System. This mechanism shall be designed to enable the State to generate, from time to time, priority rankings of community college projects to which public funds can be allocated with confidence and integrity. The Commission shall also recommend a list of valid, priority projects to be funded with the remaining proceeds of the Community College Bonds not already allocated in this act. The Commission’s study and recommendations shall be based on all of the following:

a. Consideration of the fundamental mission of the Community College System to provide job training and workforce preparedness.

b. Assignment of high priority to facilities that will enhance occupational training by programs with high or critical occupational demands.

c. Assignment of high priority to facilities to be used in regional programs.
d. Consideration of the ability of students to have access to existing programs through the availability of technology and transportation.

e. Consideration of the possible negative impact of new facilities on other existing colleges, campuses, and centers.

f. Consideration of the adequacy of existing facilities in relation to the number of full-time equivalent students.

g. Consideration of trends of increasing and decreasing enrollment at some colleges.

h. Consideration of whether the project is needed to meet a current need as opposed to a projected future need.

i. Consideration, in evaluating the rank order for capital projects, of the following criteria, which are included in the State Board of Community Colleges’ capital outlay resource allocation funding formula:
   --Space to population ratio.
   --Population served ratio.
   --Capacity enrollment ratio.
   --Local to State and vocational education ratios.
   --Type of project.
   --Readiness to implement.

(4) Members of the Commission shall receive subsistence and travel expenses at the rates set forth in G.S. 120-3.1.

(5) The Commission cochairs may contract for professional, clerical, or consultant services as provided by G.S. 120-32.02 and may purchase or contract for the materials and services the Commission needs.

The Legislative Services Commission, through the Legislative Administrative Officer, may assign professional staff to assist in the work of the Commission. The Supervisors of Clerks of the House of Representatives and of the Senate, upon the direction of the Legislative Services Commission, shall assign clerical staff to the Commission. The expenses related to the clerical employees shall be borne by the Commission.

(6) The Commission, with the approval of the Legislative Services Commission, may meet in the Legislative Building or the Legislative Office Building.

(7) The Commission shall make a final report to the General Assembly by April 1, 1994.

(8) Upon the request of the Commission, all State departments and agencies, all local governments and their subdivisions, and all institutions and departments under the
jurisdiction of the State Board of Community Colleges shall furnish the Commission with any information in their possession or available to them.

(9) The Legislative Services Commission shall allocate funds for the work of the Legislative Study Commission on Community College Capital Needs from funds appropriated in Chapter 321 of the 1993 Session Laws to the General Assembly for the 1993-94 fiscal year.

(b) State Parks Capital Improvement and Land Acquisition Plan. The Department of Environment, Health, and Natural Resources shall develop a State parks capital improvement and land acquisition plan that recommends two priority lists of needed projects for the entire park system, one priority list for renovations, repairs, and new construction, and one priority list for land acquisition. The priority lists shall be based on objective criteria and shall include the costs of each project and the basis for calculating the costs. The priority list for land acquisition shall include total projected costs equal to no more than thirty percent (30%) of the total amount of State Parks Bonds authorized in this act. The Department of Environment, Health, and Natural Resources shall report its recommendations to the 1993 General Assembly by the first day of the 1994 Regular Session.

Sec. 12. (a) G.S. 159G-4(b) reads as rewritten:

“(b) Of the appropriations made from the General Fund to the Clean Water Revolving Loan and Grant Fund for use of the Department of Environment, Health, and Natural Resources as provided in this Chapter, allocations are made as follows after first subtracting the amounts allocated under subsection (a) of this section, to the extent that there are any excess funds available:

(b) G.S. 159G-6(a) reads as rewritten:

“(a) Revolving loans and grants.

(1) All funds appropriated or accruing to the Clean Water Revolving Loan and Grant Fund, other than funds set aside
for administrative expenses, shall be used for revolving loans and grants to local government units for construction costs of wastewater treatment works, wastewater collection systems and water supply systems and other assistance as provided in this Chapter.

(2) The maximum principal amount of a revolving loan or a grant may be one hundred percent (100%) of the nonfederal share of the construction costs of any eligible project. The maximum principal amount of revolving loans made to any one local government unit during any fiscal year shall be three million dollars ($3,000,000). The maximum principal amount of grants made to any one local government unit during any fiscal year shall be five hundred thousand dollars ($500,000). One million dollars ($1,000,000).

(3) The State Treasurer shall be responsible for investing and distributing all funds appropriated or accruing to the Clean Water Revolving Loan and Grant Fund for revolving loans and grants under this Chapter. In fulfilling his responsibilities under this section, the State Treasurer shall make a written request to the Department of Environment, Health, and Natural Resources to arrange for the appropriated funds to be (i) transferred from the appropriate accounts to a local government unit to provide funds for one or more revolving loans or grants or (ii) invested as authorized by this Chapter with the interest on and the principal of such investments to be transferred to the local government unit to provide funds for one or more revolving loans or grants."

(c) If a majority of those voting on the question of the issuance of one hundred forty-five million dollars ($145,000,000) State of North Carolina Clean Water Bonds in the election held as provided in Section 7 of this act vote in favor of the issuance of the bonds, this section becomes effective January 1, 1994. If a majority of those voting on the question of the issuance of one hundred forty-five million dollars ($145,000,000) State of North Carolina Clean Water Bonds in the election held as provided in Section 7 of this act vote against the issuance of the bonds, this section does not become effective.

Sec. 13. G.S. 142–29.5 reads as rewritten:

By and with the consent of the Council of State, the State Treasurer is authorized to issue and sell, from time to time, refunding obligations for the purpose of refunding outstanding obligations as and to the extent authorized by this Article. The principal amount of any such refunding obligations shall not exceed the principal amount of outstanding obligations to be refunded. refunded unless (i) the refunding
results in an aggregate debt service savings and (ii) the increase in the principal amount issued does not create cash-in-hand available for new capital improvements.

Refunding obligations issued pursuant to the provisions of this Article shall not be subject to limitations imposed by any other law including, without limitation, the other Articles of this Chapter."

Sec. 14. Minority business participation. The goals set by G.S. 143-128 for participation in projects by minority businesses apply to projects funded by the proceeds of bonds or notes issued under this act. The following State agencies shall monitor compliance with this requirement and shall report to the General Assembly by January 1 of each year on the participation by minority businesses in these projects. The State Construction Office, Department of Administration, shall monitor compliance with regard to projects funded by the proceeds of University Improvement Bonds and notes; the Board of Governors of The University of North Carolina shall provide the State Construction Office any information required by the State Construction Office to monitor compliance. The Department of Community Colleges shall monitor compliance with regard to projects funded by the proceeds of Community College Bonds and notes. The Department of Environment, Health, and Natural Resources shall monitor compliance with regard to projects funded by the proceeds of Clean Water Bonds and notes.

Sec. 15. Interpretation of act. (a) Additional Method. The foregoing sections of this act shall be deemed to provide an additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing.

(b) Statutory References. References in this act to specific sections or Chapters of the General Statutes or to specific acts are intended to be references to these sections, Chapters, or acts as they may be amended from time to time by the General Assembly.

(c) Liberal Construction. This act, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect the purposes thereof.

(d) Inconsistent Provisions. Insofar as the provisions of this act are inconsistent with the provisions of any general laws, or parts thereof, the provisions of this act shall be controlling.

(e) Severability. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Sec. 16. Effective date. This act is effective upon ratification.

STATE OF THE STATE ADDRESS
GOVERNOR JAMES B. HUNT, JR.
JOINT SESSION
February 15, 1993

Mr. President, Mr. Speaker, Mr. President Pro-Tem, Members of the Council of State, Justices, Judges, Members of my Cabinet, my fellow North Carolinians and, especially, Members of this General Assembly.

"You invited me here to speak to you tonight. But I come here to make sure you know that I am ready to listen to you during this session.

"The General Assembly's invitation to the Governor for this address symbolizes the relationship that should exist between two equal branches of government. A relationship built not on confrontation, but on cooperation.

"It is in this spirit of cooperation that I intend to work with you in this session and in future sessions.

"It is not my intention to do all the talking. It is my intention to do more listening.

"It is not my intention to impose my ideas. It is my intention to respect your ideas.

"It is not my intention to twist arms. It is my intention to join hands.

"I would be presumptuous if I thought I had all the answers. For those of you who served before proved what this legislature can do.

"When you convened two years ago, North Carolina faced one of the most serious fiscal crises of any state in the nation. Today, North Carolina has done more to solve its budget problems and protect its fiscal integrity than any state in the nation, and you deserve great credit for this achievement!

"You sustained the difficult process of education reform. You moved our Basic Education Program forward despite hard times. You put our transportation program on a sound, long-term course. You refused to sacrifice environmental protection for short-term economic gain. You started putting children first because you knew it was the right thing to do and because you had the courage and vision to do it!

"And you did all of this in a time when the Governor and the General Assembly were too often at odds. Just think what we can do for North Carolina if we work together.

"As Speaker Blue said: 'Now that we have laid the foundation, it is time to build the house'.

"In the 100 days since the election, reporters have asked me if the people have given me a mandate. My answer is no. The people have given us a chance.

"In the campaign, all of us listened to the people of North Carolina. We would not be here if we had not listened.
"The people want us — the Governor and the General Assembly — to work together and bring real progress to our state.

"The people want constructive action, not conflict. They want change, not business as usual. They want us to put their future first and our politics second and they are right. They deserve no less. And my commitment — to them and to you is this — action and change are what they will get!

"In these 100 days, I have also met with many of you. We talked about our hopes for North Carolina and for this session, and we listened to each other.

"We share many of the same goals. On the opening day of this session, we heard Lt. Governor Wicker, Speaker Blue and Senator Basnight speak eloquently and passionately about the needs of our children and all of our people.

"But talking to each other is not an end in itself. As Senator Basnight said: ‘It is time to stop speaking and start acting’.

"The measure of our success this year will not be what happens to you and me ... who’s up, who’s down ... who’s in, who’s out ... who’s hot, who’s not.

"The measure of our success will not even be the legislation we pass. It will be the lives we touch.

"This must be our greater goal: concerted action for the people of North Carolina. They gave us this chance. Their future comes first, and this year — together — we can begin to shape that future.

"With our action or inaction, we will choose the kind of future North Carolina will have.

"The choice is stark.

"We could choose a future of low-skill, low-wage jobs; educational underachievement; and a growing gap between the prosperous and the poor North Carolina.

"Or we could choose a future in which every child comes to school healthy and ready to learn; every youngster graduates from high school; every graduate gets the training and higher education required for a good job and every family can provide a better future for their children.

"Which future will we choose? That depends on how we answer many issues in this legislative session. We will answer it by:

- How we respond to the crime crisis in our state; and I want to talk to you more about that at a later time;

- How we provide access to good health, especially for every child;

- How we all respond to the challenge set out by the Government Performance Audit to make government more effective and more efficient;
- How we treat our good State employees and whether we involve them in making government work better to serve our people;

- How we fulfill our responsibilities to our children as stewards of the environment.

“But tonight I want to focus on three areas of action. For these are the most critical to our future in North Carolina. They are jobs, education and children.

“In the last month, we have seen economic changes take jobs from thousands of North Carolinians. To all of them and to all working people in this state, we must pledge to be more aggressive and more creative in building our economic future.

“We want North Carolina to be a place where business wants to do business. We want business leaders and economic leaders all over the nation and indeed all over the world to know about and to be talking about what we are doing in North Carolina, and I am determined to see that we take action to provide more jobs for our people.

“Our economic development approach will include:

- A new charge to the Department of Commerce, led by Dave Phillips, and the Economic Development Board, led by Bob Jordan, to create a long-range, highly-competitive strategy;

- A Workforce Preparedness Council, led by Sandy Babb, to give new leadership and new direction to skill training for our workers' efforts; those who are coming into the workforce and those already in the workforce.

- An Entrepreneurial Development Board, led by Bob Luddy, to multiply our number of startup companies in every area of this state and emerging businesses;

- A Small Business Development Council led by Lt. Governor Dennis Wicker, to assist small businesses, the real backbone of North Carolina's economy.

“This is our economic development team. We expect them to think creatively and act boldly, and we give them this charge: create more jobs and more good jobs for North Carolinians. That's what we expect them to do.

“North Carolinians will get the best jobs if — and only if — we have the education and the skills that the jobs of the 21st Century will require.

“So we must make sure that every child starts school ready to learn. Then make sure that every student graduates. Then make sure that every graduate has mastered what they need to know and be able to do to work in the modern world economy. Then make sure that every graduate has a chance to go on to a community college or a four-year college or university.
"Then — and only then — will North Carolina be able to compete in the 21st Century.

"The biennial budget that I propose will have very limited new resources, as all of you know. So we must make state government more efficient and we must make it more effective. This budget commits us to achieving efficiencies of at least 100 million dollars each year. It is a job that all of us must do together. If we carry through on the Performance Audit recommendations, if we involve state employees in making changes, and if we work together, we can make state government work better and we don’t have to raise taxes to do it.

"Then we must apply our limited dollars to where they will yield the greatest returns:

- I propose 105 million dollars over the biennium for a greater commitment to our university system, because our universities must be excellent if we want North Carolina to excel!
- 113 million dollars for a greater commitment to a skilled workforce and to our community college system. We must make our workforce competitive with any in the world and, folks, we can do it and we must do it in this session!
- 60 million dollars for a greater commitment to the Basic Education Program, and let’s give special help to low-wealth and small school systems!
- And 200 million dollars for a greater commitment to teachers and educators in our public schools, so they can do the job they know how to do for our children and our future!

"We ask a lot of our schools, but we have not made clear what we expect of them. We should change that during these next four years.

"Educators are willing to be held accountable if they are given a clear mission and the resources they need to achieve that mission. The key to great schools is great teachers, and we have great teachers in North Carolina. It is time to give them the clear mission, the decision-making authority and the tools they need to do their job!

"We must set higher standards and instill greater accountability. So our budget proposes an Education Standards and Accountability Commission that will involve educators, parents and business people in setting high standards.

"These standards must define what our graduates should know and be able to do to compete in the 21st Century economy. The standards must be high, they must be specific, and they must be measurable. Then we will be able to hold our schools accountable for results!

"We know that the work teachers do in the classroom too often is overwhelmed by the problems children bring to the classroom. So we must start earlier to prepare our children for school and for life. This is primarily the family’s responsibility, but we can do more to help and we can do it by making these investments:
5 million dollars to enact the Baby Bill, strengthen the child-staff ratios for child-care centers and demonstrate that we in North Carolina are committed to doing the most of any state in America for our children.

16 million dollars to guarantee that every child receives immunizations against disease. President Clinton has made a commitment to do this for many children. I applaud him for that, but we can do it for every child. And, if we can afford to pave every road in North Carolina that carries 100 automobiles a day, we can afford to vaccinate every child in this state.

3 million dollars to expand financial help for the working poor who too often cannot afford quality child day care.

8 million dollars to provide greater child-care tax credits for middle-income families.

"And let's begin this year the most ambitious partnership for children of any state in America.

"Our budget proposes 60 million dollars to establish an ambitious new public-private initiative. Leading it will be something we will call North Carolina Partnership for Children. This Partnership for Children will bring together parents, churches, the nonprofit sector, business and government. It will lead our crusade to develop a strategic vision for our early-childhood initiatives.

"It will challenge people in local communities to think creatively and come up with innovative ways of providing health care, child care and other services to children. Local people — whether in Gates County or Mecklenburg County — can best decide what works in their communities.

"It will chart our course for the next four years and for the next generation. It will make North Carolina a state where children come first. It will lay a foundation that will give our children the best start, the highest hopes and the brightest future of any state in this nation! We can do it in North Carolina and let's start this year.

"These are ambitious goals. But we can be satisfied with nothing less. We are building for the next generation.

"We are building the house of which Dan Blue spoke. It is the house that our children and our grandchildren will inhabit.

"Regardless of what we do this year, as long as one child cannot see a doctor, we have not done our job.

"As long as one child contracts a disease that could have been prevented, we have not done our job.

"As long as one child's parents are unable to get a good job and make a decent living, we have not done our job.

"As long as one child's teacher is held back in any way from doing the job of teaching, we have not done our job.
"As long as one child cannot get a public education that paves the way for success in life, we have not done our job.

"As long as we fail one child in North Carolina, we have not done our job.

"I am realistic enough to know that our job will not be finished this session ... or in this four years.

"But I am optimistic enough to believe that all of us in this great chamber tonight ... and all of us in this great state ... will not rest until we have built this house for every child.

"A house of healthy starts. A house of education. A house where the air is clean and the water is fresh and the land is green. A house where we are safe. A house where our children can grow and work and earn and provide a better future for their families.

"This is our great challenge. This is our chance. This is our time. Let us begin now to build this house — for our children, for their children and for the future of North Carolina.

"Thank you. I look forward to working with you."

REMARKS OF VICE PRESIDENT ALBERT GORE, JR. JOINT SESSION Friday, February 19, 1993

"Thank you, ladies and gentlemen. Thank you so much for this wonderful, warm welcome. It is a great pleasure to be here in North Carolina and I appreciate the honor of being able to address this joint session.

"Lieutenant Governor Dennis Wicker, thank you for your introduction and for your leadership. Governor and Mrs. Jim Hunt, about whom I'll say a little more in a moment, thank you so much for your courtesy. To my friend, the Speaker of the House, Dan Blue, thank you for your friendship and leadership; and President Pro Tem, Marc Basnight, may I say the same, thank you so much; and to all of the members of the leadership of the House and Senate, and to all of the members of the North Carolina Legislature, thank you for your courtesy. To the members of the United States House of Representatives delegation from North Carolina who are present for this session, I appreciate your attendance here: Congressman Tim Valentine, Congressman David Price, Congresswoman Eva Clayton, and Congressman Mel Watt. You have in these four individuals and other members of your delegation, outstanding representation in Washington. I know you are very proud of the contributions they make to our nation's leadership and may I compliment them very sincerely for the way in which they have consulted very closely with President Bill Clinton during the period of time when President Clinton was confronting the nation's economic crisis and putting together the program about which I will speak in a moment. They have been invaluable allies in
providing advice to the President and in enabling the President to see the importance of those elements of this plan that affect North Carolina.

"There are a number of others here who are present that I should acknowledge individually, but forgive me for not doing so because they are too numerous to mention. But since this is my first trip to North Carolina since the Convention, I was flooded with memories of the Inauguration when I saw Jeanette Hyde and Tom and Jill Hendrickson and others, and I was recalling when Tipper and I were dancing at the Inaugural Ball, and Jeanette and Wallace were there. The next day, I couldn't quite understand why everywhere I went people who had watched the events on television would come up and say, 'You know, Tipper is a really good dancer.' And I waited for the rest of the compliment, and waited, and somehow no one thought to add, 'You are, too.' Well, even that didn't prepare me for the scene on Jay Leno's program—I don't know if any of you saw it—I hope you didn't. They showed a videotape of Tipper and me dancing Inauguration night; you could see Wallace and Jeanette off on the side there, and then he focused in just on me dancing and then he brought five men at random from the audience to have a contest to see if anyone could dance worse than our new Vice President. That's all right. I can take it. That's all right. I remember when they gave advice before the Inauguration on how to watch the Inauguration, and one of the comedians said, 'If you use a strobe light, it looks like Al Gore is moving.' Another one said, 'When he gets his annual checkup, they send him to the U. S. Forest Service.' And you know the old one about 'How can you tell Al Gore from a room full of Secret Service agents? He's the stiff one.' The Secret Service agents like that one, I'll tell you.

"Incidentally, I mentioned the members of the delegation from North Carolina. I am going from here to Georgia and I want to acknowledge Congressman Buddy Darden, who flew down with Eva Clayton and me on the plane. I am glad to have you as a neighbor.

"I started to say that yet another reason why I am so proud to be able to stand in this Chamber and address this Joint Session is that you have already faced the same kind of challenge that our nation is now facing. President Bill Clinton and I are keenly aware of the courage and vision shown by Members of the North Carolina House and Senate. When you were confronted with an unprecedented budget deficit, slow growth, and high unemployment, and many who urged you to do nothing, but instead you looked at the future of this state and you decided that you would not shirk your responsibilities and that you would instead summon the courage to both cut spending and raise revenues with a one-to-one formula, as I recall, and put this state on the course toward a sound economic future with the kinds of investments in education and job training and technology in the Research Triangle and protection for the environment and investments in the skills our people need to lay the ground work for the progress that you are now poised to enjoy.

"North Carolina is, on average, better off than the nation as a whole today, in large part, because the citizens of this state have
communicated to you and the legislature the ideas that you then enacted after you summoned the courage to which I referred and then you made the tough decisions to implement those policies. Well, now we face the very same challenge in the nation as a whole. Once again there are those who say do nothing, continue the gridlock, stand by and just let it happen. We are taking our cue from what you have done and we are facing up to the problems, seizing the opportunities, laying the foundation for the progress we need in the future. It starts with people. And may I say that it is indeed a pleasure and an honor to be with Governor Jim Hunt, because the kind of leadership and vision for which North Carolina is nationally recognized, when it comes to education and economic development and the sorts of investments that I referred to a moment ago, are really identified with Jim Hunt. When President Clinton was Governor of Arkansas, he worked closely with Governor Hunt and I know he values Jim Hunt's friendship and support.

"And now, Governor Hunt and all of you in this Chamber are confronting the new challenges that you have made it possible for this state to confront. As legislators, you and Governor Hunt know just how tough it is to make those excruciatingly difficult choices. Choices that Washington too often has ducked and avoided. Your leadership here and your actions have made it possible for your state to really face the serious economic problems and to put in place sustained reforms: to develop your economy, strengthen your schools, rebuild your roads and bridges, protect your environment, support families and children.

"And now, together, we must keep the commitment that all of us have made to the people that we serve.

"Because now, in the nation as a whole, we stand at a remarkable time in our history with an unprecedented national challenge. The American people are expecting a lot from us. They deserve a lot more than they have been getting from their government and, it's time, in the words of President Bill Clinton, to 'rededicate ourselves to strengthening families, creating jobs, rewarding work, and reinventing government....we can lift America's fortunes once again.'

"It will not be easy or simple or quick. We've been fooled before by rosy scenarios and empty optimism. But not this time. The President is offering this nation a bold and courageous opportunity for progressive change. Those who want to continue business as usual will be running a failed business, offering only more complacency and the status quo at a time when Americans are seeking a new direction and real leadership. It is that new direction, that leadership that President Clinton is offering America. We cannot afford to continue the status quo. We have got to change.

"You know that. You hear it every day from the people of North Carolina who you serve. You hear it from parents frustrated because they want to give their kids more and can not. You hear it from business people who want to invest and expand, but can not. You hear it from community leaders concerned that we're losing that sense of shared purpose that has always been our nation's strength.

"Yes, here in North Carolina, the unemployment figures are down slightly, and you are, relatively speaking, better off than many parts of
this country, but even here the unemployment rate is not what it ought to be. You know that, because you are part of a national economy just as our nation is part of a world economy now and no matter how bold and how courageous and how wise you are in your decisions about state policy, in order for the people of North Carolina to thrive and prosper, we must engineer in our nation an economic recovery that puts people back to work. I know that the economists like to call our current period of time a recovery. But the people of this nation know better. We are 3 million jobs short of what a normal recovery would produce at this point in the economic cycle. Family incomes are stagnant. They are not going up. The number of full-time workers living in poverty is higher today than it was before the recent recession ever began. And, of course, we are borrowing one quarter of what we need to pay our bills. Can you imagine the depth of irresponsibility that is involved in borrowing 1 billion dollars every 24 hours. It is absurd and make no mistake about it, those who argue in behalf of continuing the gridlock, and the inaction and delay, and denial are in favor, really, of continuing this practice of borrowing 1 billion dollars every day. We are going to put a stop to it and put our nation on the course toward fiscal responsibility.

"I met with a member of Congress yesterday who, unlike those gathered here, was not a supporter of the President’s plan. Indeed, this particular member, who will remain nameless at least for the time being, had criticized publicly the plan, one of the few, and said 'I want more spending cuts'. Well, I listed the spending cuts in the program and there are 150 very difficult spending cuts in this program. You know how difficult they are. Well, we are going to make them. But this member of Congress said that he wanted more spending cuts. In the privacy of our conversation, I said 'we are anxious to hear your suggestions. I will communicate with President Clinton this afternoon when I return to the White House. Give me your suggestions. I would like you to be specific, please. Tell me exactly which additional ones you want to make.' He was speechless. He said, 'Well, we’ve got to change the process.’ Well, the process is making tough decisions. Where are the specifics? Let’s hear them.

"Part of the reason our nation has gotten into this mess is that for the last several years, going back 12 years really, both political parties, and both the House, Senate, and White House in Washington, have used questionable assumptions and phony numbers and smoke and mirrors and then debated one another on the basis of which smoke and mirrors might seem more persuasive. And the national interest has been left behind because it is always easier when you get to that fabled location between a rock and a hard place to simply assume your way out of the dilemma and pretend to the American people that you have suddenly discovered a new, rosy scenario, a new set of cook books, a new set of phony statistics that have magically enabled you to avoid a tough decision. So listen carefully when those who champion gridlock and criticize President Clinton’s plan speak up and say in evermore general and vague terms say they want to do something else. Listen to hear the specifics. Ask them to offer their tough choices.

"The fact is that skyrocketing deficits and health care costs are now killing our dreams and the engine of our economy has stalled. We can
sit stuck in the mud or we can start working together to pull America out of the ditch and start moving America forward again.

"President Clinton is working to bring our nation together and to move us forward.

"We are a nation that has of course met many challenges, and that has summoned—at times in ways we didn’t expect—a unique courage and spirit that speaks to our most basic values: faith in God, love of family, commitment to country; honesty, hard work, and plain old-fashioned common sense. It is time again, now, to find that courage, to renew that spirit, to remember what we value, and what we have always been willing to fight to preserve.

"President Clinton is right, we can do better. We must do better. And President Clinton is offering America a new direction:

"A plan, first of all, to jump-start our economic growth now and keep it running strong into the future, investing in our people, their jobs and their incomes;

"Secondly, a real commitment to honor work and strengthen our families to replace the stale rhetoric and hollow promises with real actions;

"Third, substantial, honest, and credible reductions in the federal deficit.

"And perhaps, most importantly, President Clinton is offering Americans a reason to trust their government again by putting away those smoke and mirrors about which I just spoke and, putting aside rosy scenarios and instead—doing what you have done—making the hard choices with real spending cuts, not gimmicks; and real cuts in government; real cuts in waste and perks and privileges and by providing fairness, finally, where inequity has too long been accepted and sustained.

"Now I believe that our most urgent priority must be to create jobs and that’s what the President’s economic stimulus package will do—creating 500,000 jobs in the next few months. By the end of next year, when the stimulus package has done all of its work, by investing in America—by putting people to work repairing our roads and bridges, the traditional supports for our economy, and by putting people to work on new and different kinds of roads, I call them ‘information superhighways’, in Research Triangle you know about them, highways that will carry data and knowledge, the commerce of the future.

"We’ll provide incentives to encourage private investment, including a tax credit for small businesses that invest in growth and new jobs. We will provide a tax credit for firms that invest in research and technology that results in new jobs. We will expand the summer job programs to include hundreds of thousands of new summer jobs—nearly 700,000 of them this summer.

"And here, in the Research Triangle area, you understand better than many how important these investments in high technology can be
in growing an economy. It is not too far from here that your universities and research centers and businesses are providing an example for the nation and the world of what technology can accomplish and what technology can promise for the future. Better products. Higher profits. Better jobs. Quality education. Improved health care. A cleaner environment. Technology works. You know that and so do we. But we have got to build a partnership between government and business and universities.

That is why our long–term investment plan includes major new incentives to explore these technologies that mean high wage, high skill jobs here at home and a stronger competitive position in world markets. President Clinton and I will be talking about these initiatives in greater detail next week when President Clinton presents the new technology plan. We share a strong commitment to maintaining American leadership and encouraging American ingenuity.

You know, just as you realized in your approach that small business is the key to job creation, so do we. Some of you might have noticed in the Wall Street Journal this morning, there was an article saying that small businesses are the most excited—very excited about the new economic plan. That's where the new jobs are created and that is what we want to encourage. Small businesses make up more than 90 percent of the businesses and yet less than half of the overall employment. But when you look at the new jobs that are created when a nation starts moving forward again, 90–plus percent of the new jobs are created by small businesses. Our long–term plan includes a permanent investment tax credit for small businesses and a new commitment to ensure that even small manufacturers have access to the high technology that Europeans and Japanese firms are using so effectively in world competition.

We are investing in education and training, in defense conversion to help displaced workers get the skills they need to find good jobs.

We are investing in our families and our children: expanding the earned income tax credit to make sure that no family with full–time workers still lives in poverty. Let me say that again. With passage of this plan, we will be able to say to the people of North Carolina that if you have children and you are working 40 hours a week you will not live in poverty. Never again under this plan. The plan also provides full funding for Head Start to give every child eligibilities—to give every child who is eligible the benefits of a Head Start. It will also fully fund the women, infants and children program to guarantee that our children grow up healthy, not hungry.

Over four years, our plan will produce more than 8 million new jobs for the American people.

And, over four years, our plan will provide the largest deficit reduction in history — and it's time.

President Clinton did face the tough choices and is making the tough decisions. He moved carefully in this plan to minimize their economic impact, to remain true to our long–term investment goals as we reduce
the deficit, to direct the peace dividend to investment not consumption, to redirect the budget toward investment and the result, as I mentioned: 150 specific cuts in government spending programs. The elimination of unnecessary agencies and commissions and programs and a revenue plan that finally restores fairness to our Tax Code. And I invite your careful attention to the effect by each income group. It is fair and progressive.

"And our spending cuts start where they must — with the government. The twenty-five percent cut in the White House staff was difficult. I guarantee you, I had a ringside seat. The three percent cuts across the board, in the government agencies and departments, will be difficult, but it is only the beginning because we are going to continue cutting spending in every agency year after year and we are going to reinvent government because the quality control revolution which swept American business somehow left the federal government behind. We are going to bring that revolution into government and cut spending more. President Clinton directed his cabinet to make cuts in unnecessary spending of all sorts, to park the limos, to shut the executive dining rooms, to get rid of the perks, and the useless parts of the agencies. That was nine billion dollars in savings, just in the categories that I described. And Wednesday night he went further, calling for an across-the-board freeze on federal salaries. A very tough decision. We appreciate and respect all of those in the federal work force and are asking them to join with us enthusiastically in making these cuts effective. But ladies and gentlemen, we have got to see government tighten its belt. We have got to have across-the-board savings and that's why even tough measures like a one-year freeze on all federal salaries are justified now because we are committed to a government that works smarter, harder and better for less. It is time, as the President said, for government to be as frugal as any household in America.

"We are asking the wealthiest Americans who can best afford to bear the burden to pay their fair share. We do not begrudge their great success during the 1980's during which they paid the least. But we are asking them to help pull their share of the load. We are not out to soak the rich but we don't want to drown the poor and the middle class. It is time for fairness and progressivity. We are also asking the richest and largest corporations to do their share. They had very healthy profits, which are good for our country, but based on unfair and unreasonable loopholes. The result was often an increased burden for again middle income taxpayers. So we are closing the loopholes that allowed special interests, for example, to deduct the costs of their lobbying, that allowed businesses to write off the cost of three-martini lunches and other excesses that we simply can't afford anymore at a time of frugality. We are doing away with the subsidies that not only allowed but encouraged U.S. companies to move jobs overseas. We welcome an open world trading environment, but we don't want to use tax dollars to subsidize and encourage the shutting down of factories here and the relocation of jobs overseas. That doesn't make sense. And we are collecting from foreign corporations who make money in America the taxes that they owe in America, not on a discriminatory basis, but on
the basis of the following principle. They should pay the same taxes on the profits they make here that American companies pay on the profits that they make here.

"What we are not doing is asking the middle class to pick up the tab. And let me be clear about this one point. All of the changes in the income tax code that I have referred to will result in the following fact: 98.8% of the families in North Carolina and in America will face zero increase in their income tax rates. 98.8%. And we are not making new cuts in Medicare benefits to beneficiaries. We are moving to control health care costs by cutting some payments to those who provide health care, sometimes in a wasteful fashion, but even this is a temporary step until we reform the entire health care system and later this year that is what we are going to do. We will have a comprehensive plan to reform America's health care system this spring. And let me be clear about the change we are making in social security. No one who currently does not pay a tax on social security now will be paying a tax under this plan. That means, 80% of social security recipients will not be affected. We are asking older Americans with higher incomes, people who do not rely on social security as their only means of support, to pay more on a formula which guarantees that the 15% of their social security benefits will not be subject to any taxation. This is the wealthy or higher income recipients. This will allow them to get back in full all of the payments they made into social security plus the full interest that would be owed without any of that being subject to taxation at all. Only the excess would then be included in taxable income and only for couples that have $32,000 a year at least of additional income over and above what they receive from social security each year.

"Now I want to talk as well about the modest energy tax we are proposing, because it represents an important way for us to not only reduce the deficit, but reduce pollution levels, increase energy efficiency, and become more competitive, and reduce our reliance on imported oil. Let me repeat the facts the President provided: for a family earning $40,000 a year, these measures, when fully implemented years from now, will mean less than $17 a month and the effect on lowering interest rates will more than offset that. For families earning less than $30,000 a year, there will be virtually no tax at all because of the compensating changes we are making in the Tax Code; such as, the expansion of the earned income tax credit.

"And let me say another word about interest rates. I don't know how many have noticed but as soon as President Clinton began to send the signals after the election that we were deadly serious about reclaiming our economic future, proposing a fair energy tax and deep spending cuts, investments in our future, long-term interest rates started going down not long after the election and as soon as the details began to come out, long-term interest rates started going down more. Now why? I'll tell you why. It's not a mystery. Those financial markets filled with analysts who look at the future and try to figure out whether or not this nation has any determination at all to control our financial future have for several years now been pushing long term interest rates on mortgages for homes and farms, mortgages for everything that you buy, cars. They've been pushing those interest rates way up because of what
they see as a tremendous risk facing America’s financial future due to the lack of any sense of responsibility on the part of its leaders. As soon as President Bill Clinton began to present to the American people a common sense plan for spending cuts and revenue increases, deficit reduction, and growth in jobs, those same analysts and financial markets began to change their minds about America’s future and in the thousands of transactions that make up the marketplace they began to bring those interest rates down. It’s not a technical matter. It means that your constituents can refinance their home mortgages with lower monthly payments. It means that it’s cheaper to buy a Saturn automobile from Tennessee. It means that it’s cheaper to finance a business expansion or to buy a farm.

“That’s the benefit of having leadership from Bill Clinton to reclaim our economic future. But we must have leadership, not only from the President of the United States. We must have the same kind of courage from the Congress that you, in this legislature, have already shown. The special interests tried to prevent you from doing what you did and I guarantee you the special interests are out in force in Washington, walking the hallways, saying get rid of your courage, stop thinking about the future, worry about the special interests. How can we overcome that? Very simple. By having the American people communicate their concerns for the future to the elected representatives in the House and the Senate. For too long, we’ve been ignoring it. We’ve got to change, ladies and gentlemen, we’ve got to start telling our children that we are going to prepare for them the brightest future that we are capable of preparing. President Clinton is right. Instead of asking what’s in it for me?, we must ask each other what’s in it for us? For our children? For our future? For North Carolina? For the United States of America?

“It is time for the new direction that President Clinton has offered. We cannot allow this plan to die from a thousand cuts inflicted by self–interested and short–sighted attacks. We cannot allow those who wish to guard the gridlock and continue in action to kill this plan. We can work together to keep our nation together and support a balanced package for America. It is a clear choice. It is not an easy choice. But it is the choice that we must make together as a nation. A choice that we must make as parents committed to our children, as neighbors committed to our communities, as Americans committed to our nation. We have the courage to change, to act boldly, to extend our horizons and to realize our dreams. We must summon that courage and that spirit that has always made America great and strong. We must be true to the best of our traditions and the promise of our future. With your help and with God’s continued blessings on this great nation, we will reclaim our future.

“Thank you very much.”
STATE OF THE JUDICIARY ADDRESS
CHIEF JUSTICE JAMES G. EXUM, JR.
JOINT SESSION
April 1, 1993

"President Wicker, President Pro Tempore Basnight, Speaker Blue, Speaker Pro Tempore Colton, Distinguished Senators and Representatives, justices and judges, ladies and gentlemen:

"Thank you for this opportunity to speak about the Judicial Branch of government—probably the least understood, and, according to Alexander Hamilton, the ‘least dangerous’, branch.

"This is the third time you have invited me to do this. I hope it will become, if it isn’t already, a tradition which legislatures and chief justices in the future will follow, not because we have to engage in this but because future leaders think it is a good thing for government.

"In 1989, I emphasized the great growth in our caseloads in the courts and the need for increased personnel. I spoke of the promise of certain alternative methods other than courtroom adjudication for resolving disputes, which were then in pilot stages in several of our judicial districts. I asked you to increase the salaries of our judges, and I asked you to submit to the people a constitutional amendment which would change the way we select judges from a partisan elective system to an appointive system.

"In 1991, I again spoke of the continued increase in case filings and I thanked you for giving us some of the additional personnel we had asked for in that year, without which, I said, our courts at that time ‘would have been...in or on the verge of crisis.’ I urged you again as strongly as I could to let the people speak on the issue of how we select our judges and I emphasized the need for additional funding to provide counsel for indigent criminal defendants. I think all of the things I said then, stand today.

"Today, many may be relieved to hear, I am not going to talk about judicial selection. I have said all I can think of to say on this issue. Suffice it to say now that we continue to lose sitting judges from both parties to the elective process. Others may be urging you to send a constitutional amendment to the people similar to the one recommended by your Judicial Selection Study Commission in 1989. I support this effort, as do most of our judges. I hope you will not wait until the system is broken on the anvil of partisan elections before you decide to fix it. Preventative maintenance, as in most other circumstances, is the best way to go.

"Neither will I speak on the need for increased judicial compensation. On this issue, let me simply refer you to the recommendations your Legislative and Judicial Salary Study Commission made to you in 1990. Copies of that report recommending upward adjustments to judicial salaries are attached to this report today.

"Today I want to discuss the challenges facing our judicial branch in the context of what is constitutionally prescribed for it and in the context of the society in which we live."
“In the Magna Carter of 1215, King John, without a lot of help from his barons, said ‘to no one will we delay right or justice.’ The North Carolina Constitution echoes this provision in Article I, Section 19:

“All courts shall be open; every person for an injury done him in his lands, goods, person, or reputation shall have remedy by due course of law; and right and justice shall be administered without favor, denial or delay.

This provision defines the central mission of our courts. It means first, that our courts must be available to all persons rich or poor who claim to have been injured by someone else; and second, that the courts must provide some remedy, as the law prescribes, for the injury.

“The point I want to make here is that the judicial branch operates under a constitutional mandate, many of which are contained in Article 4, one of the oldest mandates in the English-speaking world. Our courts have no choice but to do what the Constitution demands. We cannot refuse to hear and determine claims lawfully brought before us. We have no control over the number or nature of these claims. We must, under the Constitution, accept them as they come and decide them one way or the other.

“And, let me suggest to you, the legislative branch likewise has no choice about whether to provide the funds and resources to enable the judicial branch to do its work. The Constitution, by implication at least, requires that this be done. Our courts are not a discretionary program to be funded or not funded depending on our, or your, desires. Whether to fund them so that they can adequately accomplish their constitutional mission is a decision which the Constitution has already made for us. The constitutional decision is that the courts must be adequately funded.

“Now I am glad to say and thank you for the fact that this North Carolina General Assembly has always recognized these things and has responded relatively well to the requests we have made of you in the past. The issue with you has never been will the funds be provided but rather, how much is adequate. You have relied on us to inform you and have properly insisted that we defend our notions of adequacy. Our policy has been to be ‘up front’ with you and honest with you and not to over-plead our case. In our current funding requests, which I know are large, we have continued this policy.

“Now, what about the society in which we live and how it affects our courts?

“There is, as you know, an awful lot of ‘injury to others’ going on out there. Perhaps the overriding issue of our time is the rampant intentional violence which seems to permeate not only relationships between adults but also relationships between the very young. There is a lot of alienation, and polarization, among our people. There is less tolerance of opposing views. Disagreements tend to be disagreeable. And, violence is too often the resolution of choice—violence in the streets, violence in the home, and even, as we know, violence in the schools. We
are so bombarded in the media with accounts of violence that, God forbid, we are fast becoming desensitized to it. But, ladies and gentlemen, we must never give in to violence. We must never take it for granted. North Carolina is suffering from the kinds of problems we once thought were reserved for large, urban states. These problems are not only in metropolitan areas, but the peace and solitude of many of our rural communities has been upset as well.

"The more violent and lawless our society becomes, the more work our courts have to do. Some say that our courts are so overburdened with criminal cases that they are in 'crisis' and unable to carry out their constitutional mandate. While the lack of available jail and prison space, I think, has reached critical proportions, I do not think our courts, per se, are in crisis, yet; but they could well be if you do not continue to provide the necessary personnel and equipment we need to meet the challenges we face today.

"Ladies and gentlemen, our court system is now operating under the most severe strain that I can recall in my twenty-six years on the bench.

"During the last eight years, case filings per year have grown 54.6%. Cases pending at the end of each year are growing both in size and in age. In the last eight years, total cases pending in superior court at the end of the year have increased by 108%. Felony cases pending grew by 168%, and pending domestic relations cases in district court, by 66%. Yet, court personnel during these years grew by only 27%.

"For the first time since I can remember, we are having to cancel superior court regularly scheduled sessions because we do not have enough superior court judges to staff them. Our superior court judges are stretched thinner than they have ever been.

"Justice should be timely. The Constitution promises that it will be 'without...delay.' Today, in too many instances this promise is not being kept. Most would agree that a year is a long time to have one's life disrupted. It is a long time for the business whose future depends on the outcome of pending civil litigation. It is a long time for a criminal defendant to await trial, especially if he or she is innocent. It is a long time for a victim, or his or her family, to wait for the point at which they can begin to rebuild their lives. It is a long time for a family to wait over who will have custody of a child after a marriage has ended.

"If you took a snapshot of June 30, 1992, 6,284 civil cases pending in our courts were over one year old. Almost 10,000 felony criminal cases were over one year old. In district court 15,327 misdemeanor cases were over one year old, and 13,606 domestic relations cases were still waiting to be resolved after one year. For those whose lives were disrupted by these cases, our courts did not deliver justice without delay.

"Yet our judges and other officials are working harder and disposing of more cases than ever before. I continue to be proud of their effort and dedication.

"Let's look at cases per judge and per prosecutor. Comparisons from eight years ago to the year ending last June show that case dispositions
per judge and per prosecutor are way up: from 1200 to 1700 for superior court judges; from 8800 to 11,000 for district court judges; and from 4860 to 6331 for our prosecutors. In our clerks’ offices the cases handled per employee have gone from 1000 to 1300 per year.

“Comparisons in other areas demonstrate the dramatic increase in the work of the judicial branch over the last several years. For example, child support collections amounted last year to $310,000,000, as compared to $90,000,000 in 1984 and $209,000,000 in 1988.

“Now, not only are we working harder than ever; we are also constantly trying to improve our efficiency, the quality of our work and the satisfaction of litigants and others with the process. Our alternatives to resolution programs, which you have wisely authorized, have great promise in all these areas.

“We are also challenging the traditional ways in which court itself is managed. Last year, relying on grant funding, we began experimenting with night court in the district courts in Wake and Buncombe Counties. In Mecklenburg County, we are experimenting with an entire session of superior court devoted to handling felony drug cases. That court conducts trials during the day and arraignments at night. In ten districts, Chief District Court Judges have implemented administrative courts aimed at reducing inconvenience and delays and making court calendars more productive.

“Over the last two years we have stressed the need for local judicial leadership to take the lead in developing new management techniques for our trial divisions. In twelve judicial districts we have established an 18-month pilot project in which our judges with administrative authority are challenged to reach certain performance standards aimed at improving the use of court time, and the management of jurors. Where new methods work, we intend to put them in all of our districts.

“We have followed closely, too, your efforts to make government less costly. Within the judicial branch we have undertaken a number of cost savings measures ourselves. We have reduced juror fees by nearly one million dollars annually. By concentrating on recovery of indigent persons attorney fees we are putting back nearly $4,000,000 annually into the fund which pays for these attorneys. And we are now reporting electronically over 2.4 million drivers license convictions annually to the Department of Motor Vehicles. We eliminated time consuming manual reports and duplicate data entry requirements in two separate departments of state government.

“We can’t do the job that the Constitution demands without more help from you.

“My recommendations to you are these:

“—Grant the resources, both personnel and equipment, which are contained in our continuation and expansion budgets. We need these additional judges, prosecutors and others.

“—Next, I urge you to re-establish and fund the Courts Commission so that there will be one body
representative of the courts, the legislature and the people which can conduct ongoing studies of the needs and operation of our court system and make recommendations to you for its improvement.

"—Help us to attract the best lawyers to become judges by improving judicial compensation according to the recommendations of your Legislative and Judicial Salary Study Commission and by improving the way in which we select and retain judges. The compensation of other court officials, our district attorneys, public defenders, clerks, and others, need also to be increased accordingly. At least send to the people, this year, the constitutional amendment which would give District Court Judges the additional security of an eight-year term instead of the four-year term which they now have. We lost three experienced Chief District Court Judges and three experienced District Court Judges to the electoral process last year. Terms that last only four years are a real impediment to getting the best people for these jobs.

"—Keep our deputy clerks' and magistrates' pay plans intact. These people, through their hard work and commitment to their jobs, have proved themselves deserving of the confidence you placed in them when you adopted these plans in the first place.

"—Fund at adequate levels the Indigent Persons Attorney Fee Fund. This fund is already exhausted in at least seven judicial districts. The lawyers in those districts, to their credit, are continuing to represent indigent criminal defendants on only the promise that they may be paid sometime in the future. This is not fair. This shouldn't be. Both the federal and state constitutions mandate that we furnish counsel at adequate pay for indigent criminal defendants.

"Now, in addition to these things (and this recommendation won't cost a cent), I think it is time for you to divide in half the first judicial division in the east and consider doing the same for the second division which is the next division to the west. A map showing the judicial divisions is attached. These are our two largest divisions geographically. This would reduce the time and distance the superior court judges in these divisions spend traveling from one district to the other in compliance with our system of rotation of judges mandated by the Constitution. It would promote the efficiency of the superior courts in these divisions without adversely affecting their impartiality and the justice they administer.

"I also urge you to adopt the recommendations of the Sentencing Policy Advisory Commission. We definitely need more prisons in North Carolina as the Commission wisely recommends. But we also need a sentencing system which is resource predictive—which tells you not only how many prison beds are needed but also how many other
sorts of resources are needed for persons who are not going to be sent to prison. But alternatives to imprisonment will not work unless there is a meaningful threat of imprisonment to put teeth in the alternatives.

"With a sentencing system like that recommended by the Commission, you can get as tough on crime as you wish; but you will be able responsibly to estimate the resources that are needed to get tough and to provide them accordingly. In other words, you can put such numbers in that sentencing grid as you want and can afford. It is the idea of the predictive grid that I hope you will adopt this session.

"Now, let me end where I began—with the society in which we live and the place of our courts in that society. The Constitution mandates that our courts provide remedy as the law requires to those who have been injured by others. The courts are not the answer to those conditions which cause people to injure other people. The courts are but the last repositories for the grievances themselves. We deal with them only after other institutions—families, schools, churches, friends, colleagues—have failed to prevent them.

"There was a recent article in the News and Record, formerly the Greensboro News and Record, by David DuBuisson, which recounts 'the old political adage which says that if you own a problem, you can live off it forever, but if you own the solution, you're in danger of putting yourself out of business.' Our courts are in no danger of putting themselves out of business because we do not own the solutions to violence and crime which permeate our culture. We own only the problems which the phenomenon has brought before us.

"One of this country's greatest judges, Judge Learned Hand of the 2d Circuit Court of Appeals, put it this way, when he wrote in 1942:

'[T]his much I think I do know—that a society so riven that the spirit of moderation is gone, no court can save; that a society where that spirit flourishes, no court need save; that in a society which evades its responsibility by thrusting upon the courts the nurture of that spirit, that spirit in the end will perish.'

"It is true that no court can save us; but we do not shrink from our constitutional obligation to administer justice without favor, denial or delay. The judicial branch, respecting as it does this General Assembly, knows that neither will you shrink from your responsibility to provide us with what we need so we can do as the Constitution commands. Ladies and gentlemen, we need your understanding and your help.

"Thank you for your attention."

PRAYERS OFFERED IN
THE HOUSE OF REPRESENTATIVES
FIRST SESSION 1993
by
James W. McGinnis

and Visiting Ministers

January 27, 1993

Almighty and everliving God, in whom we live and move and have our being, we thank Thee that Thou hast watched over us and brought us safely to the One Hundred Fortieth (140th) Session of the General Assembly of the great State of North Carolina.

O God, we acknowledge our indebtedness to the men and women who have served here over the years for the strong foundation of good government which is a cherished tradition. We will surely miss the Legislators who did not return. We honor the memory of Representative Nick Jeralds who was called to his eternal home on the 13th of December, 1992. We ask Thy comfort and sustaining love for his family and friends.

With the added diversity, talents, and experience of the new members in this Assembly, we anticipate working together toward a greater stewardship of the taxpayers’ funds to the end that many blessings will be enjoyed by those persons most in need.

Lead, O God, these men and women to see the needs of the people in the country, in the towns, and in the cities, from the mountains to the sea. We pray for your guidance; for the dedication and energy to work hard and effectively, and for the patience to persevere that we may have quality education, jobs for the unemployed, health care, decent housing, a solution to crime and drug problems, and harmony among the people of this good state.

We humbly pray. Amen.

January 28, 1993

In the midst of a confusing and sometimes troubled world, we give you praise and thanksgiving, Our Father, for calling us together again.

As this General Assembly convenes, grant to us a special awareness of Thy presence – and create in us a new awareness of each other.

Remind us of those who have gone before us – and who have laid the foundation upon which we must build.
Make us sensitive to the needs of our people – and make us eager to be and become the leaders that You would have us to be.

Grant to Speaker Blue – a clear and courageous vision for this session – and give us the political courage that these times demand that we might give honor to the worth and dignity of every person.

And finally, O God, bind us together in a common cause that will transcend every distraction – and every divisive word – that together we may do Thy will.

Amen.

Almighty God, we thank You for our restful and enjoyable weekend with family and friends and the renewal of our spirits through worship services and the attractive floral arrangement on each desk. We are grateful for a safe trip back to legislative challenges and responsibilities to You, our State, our Nation, and the World community.

Guide us, we pray, that we may creatively discuss and debate the issues and cast our vote remembering our constituents and above all our accountability and responsibility to You.

We humbly pray. Amen.

Tuesday, February 2, 1993

Blessed God, Inspirer, Hearer, and Answerer of prayer, Thou Shepherd and Guardian of the people, we rejoice in the glory of this new day of labor which is also Ground Hog Day.

May our lives so manifest the love that knows no evil that our prayers shall be no mere form of words, but the expression of souls in love with Thee and intent on helping all our citizens “to be all they can be” in mind, body, spirit, and service.

Grant us a useful day, a productive day towards resolving the issues which lie before us, not for personal gain or profit, but for the glory of Your Holy Name.

We humbly pray. Amen.

Wednesday, February 3, 1993

Ever-present God, unto Whom all hearts are open, all desires known, and from Whom no secrets are hid; cleanse the thoughts of our minds by flooding them with loving kindness, compassion, and forgiveness. May the words of the poet inspire us as we address the responsibilities and opportunities of the day.

“Drop they still dews of quietness,
Till all our strivings cease;
Take from our souls the strain and stress,
And let our ordered lives confess
The beauty of Thy peace.”

We humbly pray. Amen.
Eternal God, our Creator and Sustainer, we are grateful that You are near to us. As the Psalmist said that You are near to all of us who call upon You in truth. With one accord, blessed God, we acknowledge our need for greater wisdom, understanding, and patience and we confess our limitations of information and expressions of kindness.

Most gracious God, we are thankful that You can supply our every need as well as renew a right spirit within us. Let us not forget that we show our gratitude for all Your daily blessings by the quality of life we live before and among our fellow Legislators.

We humbly pray. Amen.

Gracious God, as the recipients of numerous daily blessings, we acknowledge that we take too many of them for granted like health and strength, family and friends, and a job which challenges our skills and energies and from which we receive wages to pay for our livelihood.

O God, help us to show our gratitude for all Your blessings by the quality of our life and the example we live before and among our fellow men and women.

In all things help us to know Your Will and grant us the courage to implement Your Will, without fear or favor, for the happiness and well being of all the people.

We humbly pray. Amen.

Great God, we thank You for this land so fair and free; for its worthy aims and charities. We are grateful for people who have come to our shores, with customs and accents to enrich our lives. You have led us in the past, forgiven evil, and will lead us in time to come. Give us a voice to praise Your goodness in this land.

Help us, we pray, to be that Representative, that role model, in thought, word, and conduct that reflects Your love and stewardship for our lives and brings blessings to all the people.

We humbly pray. Amen.

O God, Who rulest over Thy people with Fatherly love, continue and increase the Spirit of concern, care, and wisdom to all who have received from Thee and the people authority of government. We are in the "people business" to help each person be all he or she can be, according to Your holy will, and at the same time we are charged with being good stewards of the peoples' trust.

We give thanks, O God, for each member of this Honorable Body, also the Speaker and his patient and persevering leadership, the
Committee Chairpersons and members, and the support staff and secretaries who make things work.

Blessed God, we thank You for the diversity of talents, abilities, skills, and experiences as well as for the common dedication and determination of these Representatives to bring more of the better life to all the people. United in this common goal, we can anticipate increasing joys for Your people.

Gracious God, we acknowledge and express gratitude for the life, leadership, and courage of Arthur Ashe. In death as in life he is an inspiration.

We humbly pray. Amen.

Thursday, February 11, 1993

Eternal and ever-present God, into Thy hands we commend our spirits, souls, and bodies, for Thou has created and redeemed them. Guide us and all whom we represent this day with Thine eye, and kindle Thy light in our hearts, that Thy godly knowledge increasing in us more and more, we may always be found to walk and live after Thy will and pleasure.

We pray that the Members who participate in the activities in Charlotte will have a safe and enjoyable trip.

We humbly pray. Amen.

Monday, February 15, 1993

Almighty and Everlasting God, our Creator and Sustainer. As you were with Abraham and Sarah, Isaac and Rebecca, Jacob and Rachel and Leah, so be with Your people today. Guide us in the way of truth, holiness and righteousness. Deliver each of us from foolish ambition and deceitful pride. We are truly grateful to You, O God, for the manifold blessings that you have bestowed upon us. With chastened humility we all confess our tendency toward arrogance, boasted security and self-dependence. In our human conceit, we all have trusted in our own strength and forgotten that You alone are the Source of peace and abiding happiness.

We pray for our President, Bill Clinton, our Governor, James Hunt, our Speaker of the House, Dan Blue, and all our State Legislators, and any who serve the people of North Carolina in public service, elected or appointed. Give our leaders fresh courage, renewed hope, and a clearer vision of duty to You and Your people. Endue with the spirit of wisdom those who have been entrusted with the authority of government, that there may be justice and peace in our communities. In times of prosperity fill our hearts with thankfulness, and in the day of trouble give us faith and courage to hold on to Your unchanging hand. Please hasten the day when “justice will roll down like water, and righteousness like a mighty stream”. Bless this session and the work of those here who will faithfully labor on behalf of the people of our great State.

We humbly beseech You to hear our prayer and petitions in the precious and glorious name of Jesus Christ, our Savior and Lord. Amen.
O Thou Who art the same yesterday, today and tomorrow, and Who provides wisdom, guidance, and strength to all who call upon You – to all who call in truth, aware of their needs, and have faith that in You all things can be accomplished, according to Your Holy Will. Give us a clearer vision not only of the wonderful people and the natural environment of our State but also the prioritization and funding of people needs and other needs.

Discerning Your Will we pray for courage to speak and promote those bills which enhance the life of our citizens and protect the environment.

We humbly pray. Amen.

O Thou Who causest the sun to shine and the rain to fall upon the just and the unjust; O God, by whom the meek are guided in judgment, and light riseth up in darkness for the godly; Grant us, in all our doubts and uncertainties, the grace to ask what Thou wouldest have us to do, that the Spirit of Wisdom may save us from all false devices, and that in Thy light we may see light, and in Thy straight path may not stumble.

Gracious God, prepare our hearts and minds for the information we anticipate in President Clinton’s address to the nation. May the challenges from our President, Governor Hunt, and Speaker Blue receive prayerful consideration, and with Your guidance and our cooperative labors, we will render a greater stewardship to You and bring added blessings to many people.

We humbly pray. Amen.

O blessed God, we thank You that daily work is intended by You as a blessing and not as a burden or as a punishment. We are grateful that the nail driven straight and true, the furrow well turned, the study honestly engaged, the chore faithfully completed, the day’s business properly done, all worship You in the integrity of necessary activities completed.

Gracious God, as we prepare ourselves for the visit by Vice-President Gore, we pray that Your will for these times will be conveyed in his speech so that the information will challenge and inspire us to move forward in meeting human needs and eliminating the huge fiscal indebtedness. Under Your guidance and our making the tough decisions, we will succeed!

We humbly pray. Amen.

Almighty God, we thank You that we are alive during these days of significant changes – not change just for the sake of being different but
change meaning growth, progress towards the accomplishment of basic
goals such as Health Care for all our citizens, Education and Job—Train-
ing to meet today and tomorrows technology and living in community,
and significantly reducing the National Debt so that our children and
grandchildren may experience more of the “good life” in North Caroli-
na which we have been privileged to enjoy.

We give thanks, gracious God, that in Your providence we are hon-
ored to have Vice—President Albert Gore, Jr. address this Joint Session
of the Senate and House of Representatives. Give to Vice—President
Gore the words and message we need to hear that we may be further
enlightened on the urgent needs and priorities which face our State, the
Nation, and our role as the Leader of “free peoples” throughout the
world.

Under the leadership of Governor James B. Hunt, Jr., President
Dennis A. Wicker of the Senate, Speaker Daniel T. Blue, Jr. of the
House of Representatives and the dedication and perseverance of
members in both Houses, we are confident that “people needs” will
receive their rightful priority and a good accountability will be given to
You as they follow Your guidance.

In his poem entitled, “A Psalm of Life”, Henry W. Longfellow has
captured something of our challenge.

Let us, then be up and doing,
   With a heart for any fate;
Still achieving, still pursing,
   Learn to labor and to wait.

We humbly pray. Amen.

Monday, February 22, 1993

Blessed God, You have made each of us a new, unique creation and
we come from a variety of experiences with different abilities and back-
grounds. Help us to remember during the days that we serve that it is
the giving and sharing of our knowledge and understanding in the con-
text of representative democratic government that we must carry out
the duties of this high office.

Daily we anticipate the warmth of the sun and the refreshment and
beauty of nature, and may we also be reassured that the Creator—God is
still in control of the universe and blesses those efforts which come from
a penitent, believing, and trusting heart.

In a spirit of gratitude and with great anticipation, may we look for-
tward to each day as an opportunity for public service.

We humbly pray. Amen.

Tuesday, February 23, 1993

Eternal God, we thank You for the days with our families and constit-
uents, and a safe return to legislative responsibilities. We lift our hearts
in gratitude for all persons who not only challenge and inspire us but
also make our lives more interesting, useful, and enjoyable.
Cleanse our thoughts, purify our aspirations, and strengthen our wills on the side of what is right and good and against what is wrong and evil according to Your holy will.

We humbly pray. Amen.

Wednesday, February 24, 1993

Blessed God, we never cease to marvel at the strength, refreshment, and renewal that comes to us each day after a night of rest in Your care when we have had a long day of labour.

We pray that we may know Your will each day and have the courage to share it for the benefit of our people and our personal growth in public service.

O God, for the safe trip of those persons who went to Forth Worth, Texas on behalf of saving the jobs of many hundreds of employees—whether on a temporary or long-range basis—we are grateful. May this activity remind us that faith and works are essential if we are to follow a guideline from One Master Teacher and thereby bring greater blessings to His people.

We humbly pray. Amen.

Thursday, February 25, 1993

Ever-present God, Who causeth the sun and moon to shine and the rain and snow to fall upon the just and the unjust, speed and prosper every good work undertaken by this House of Representatives according to Your will, and give unto all of us, Your creatures, the spirit of Him Who came not to be ministered unto but to minister, and Whose joy it was to do Thy will in helping people in every circumstance of life.

Blessed God, be our Co-Pilot as we travel the highways so that human life and property will not be wasted or destroyed.

We humbly pray. Amen.

Monday, March 1, 1993

Blessed God, Who rulest over Thy people with Fatherly love, continue and increase the Spirit of concern, care, and wisdom to all who have received from Thee and the people authority of government. We are in the “people business” to help each person be all he or she can be, according to Your holy will, and at the same time we are charged with being good stewards of the peoples’ trust.

Gracious God, as we see numerous services provided in our communities, we can be thankful. Whereas, we may also see former state employees joining those unemployed from the private sector, this is an additional reminder of the challenge to work for meaningful employment for each person. Under Your guidance and our ongoing cooperation and hard work, we will make progress towards the accomplishment of that challenge.

We humbly pray. Amen.
Almighty God, Who hast revealed Thy self in all ages, and for whom many in this Legislative Body know Thou are the Way, the Truth, and the Life. Guide us in Your way, enlighten us with the Truth, and grant us the courage and perseverance to provide and to support those measures which make for the more abundant life for all the people.

Blessed God, the poet John G. Whittier and the musician Frederick C. Maker speak to us through a familiar hymn during times of strain and stress -

"Drop Thy still dews of quietness,
Till all our strivings cease;
Take from our souls the strain and stress,
And let our ordered lives confess
The beauty of Thy peace."

We humbly pray. Amen.

O Thou Who art our Creator and Sustainer, we thank You for our creation and the opportunities to serve You and the people of this State and Nation. Help us to follow Your guidance in all things.

O God, we praise Thee for all Thy gracious blessings. We remember with gratitude the previous day the food that sustains our bodies; the variety of delectable flavors that add pleasure and zest to our lives; the people who grow, prepare, and serve the good things we enjoy; the generosity of those who on occasion entertain us; and the fellowship we enjoy in the sharing of food.

We humbly pray. Amen.

O Thou Who art the Life of all that lives, the Strength of the weak, and the Hope of those that be cast down, inform our minds with Thy Truth, we beseech Thee, and our hearts with righteousness; strengthen our wills to choose the good and to refuse the evil; help us to bear each other's burdens, to forgive one another's faults, and to forbear with every defect of judgment and of temper in those with whom we live and who daily help us.

As we travel home to our family and return to legislative responsibilities, help us to be alert and safe drivers as well as an example to other drivers on the highway.

We humbly pray. Amen.

Blessed God, we thank You for the days with our families and friends, the spiritual refreshment and nurture from worship services, and a safe return to legislative work. We seek Your guidance not only in legislative matters, but also in our fellowship with You and with one another. "To those who ask it shall be given."
O God, with so many people ill at this time, we pray that Your healing powers may be manifested through the doctors, nurses, medicines, and prayers of Your people as well as through the faith of each one who is ill.

We humbly pray. Amen.

Tuesday, March 9, 1993

Ever-present God, Who hast revealed Thy self in all ages, and for whom many in this Legislative body know Thou art the Way, the Truth, and the Life. Guide us in your Way, enlighten us with the Truth, and grant us the courage and perseverance to provide and to support those bills which make for the more abundant life for all the people.

O God, we pause to thank Thee for the Scouting program through which thousands of girls and boys have had or are now having great training in learning many skills as well as in developing a character that makes for a firm foundation to live in a democratic society. During this Girl Scout Week we salute the House Pages in their attractive Girl Scout uniforms, and we extend our gratitude to their parents and the Scout leaders. If all our young people were active in a Scout program, how different many things would be.

We humbly pray. Amen.

Wednesday, March 10, 1993

Almighty God, Who hast blessed this great State in numerous ways, endow these Representatives with insight, courage, and perseverance that they may be the stewards You would have them to be, and thus be a blessing to all the people.

O God, the Rock of ages and our hope for years to come, help us to remember and to be thankful for the joy of living in a State which has a tradition and a firm foundation of "good government and fiscal responsibility". Truly the pressures on this Legislative body are persistent and possibly tempting, nevertheless, there is the need to represent ones constituents and above all to remember that each one is both accountable and responsible to You for his/her motions, votes, and stewardship of life.

With the assurances of Your guidance and our commitment to be faithful stewards, we will courageously focus upon the most urgent needs as well as those of a lower priority.

We humbly pray. Amen.

Thursday, March 11, 1993

Eternal God, Who art the Author and Giver of law, from Whom alone all just designs and righteous judgments proceed, give unto all of those who frame, interpret, or administer human law the counsel of Thy Holy Spirit, that they may know themselves Thy ministers. May they neither be influenced by prejudices nor may they appeal to the weaknesses of others; but that they may deal fairly and counsel wisely in
all matters; to be the servants of all people, but the hirelings of none, and thus enhance the coming of the kingdom on earth.

We humbly pray. Amen.

Monday, March 15, 1993

O blessed God, Lord of the storm and of the calm, the heavy snows, freezing rain, slippery highways, and power outages, we express our sorrow and regret for the loss of human lives, the destruction of property, and other losses and inconveniences which resulted from severe weather conditions during the last several days. To all those men and women who sought and some still seek to help or assist others in need we are truly grateful. We think of such groups as law-enforcement persons with emphasis upon the Highway Patrol, and Emergency Management with the Red Cross, the National Guard, and HAM Radio Operators working cooperatively to save life and reduce property losses.

O, God, for a safe return to elected duties we are thankful. Help us to show our gratitude for all Your daily blessings by the quality of life we live before You and among our fellow Legislators.

We humbly pray. Amen.

Tuesday, March 16, 1993

Gracious God, Inspire, Hearer, and Answerer of prayer, Thou Shepherd and Guardian of the people, we rejoice in the glory of this new day of labor.

May our lives so manifest the love that knows no evil that our prayers shall be no mere form of words, but the expression of souls in love with Thee and intent on helping all our citizens “to be all they can be” in mind, body, spirit, and service.

Grant us a useful day, a productive day towards resolving the issues which lie before us, not for personal gain or profit, but for the glory of Your Holy Name.

We humbly pray. Amen.

Wednesday, March 17, 1993

Today, blessed God, we pay tribute to Saint Patrick, the Patron Saint of Ireland. We recall how You led and blessed his labors as a spiritual missionary to Ireland.

On this day that is so special to those with Irish roots, grant us all a bit of their good cheer and humor, their respect for honest work, their enjoyment of music and myths, and above all, a good measure of pride in heritage and homeland. As they love their beautiful green island, let us love and serve this beautiful green State of North Carolina with its great heritage of numerous cultural and racial groups.

We humbly pray. Amen.

Thursday, March 18, 1993

O God, Who rulest over Thy people with Fatherly love, continue and increase the Spirit of concern, care, and wisdom to all who have
received from Thee and the people authority of government. We are in
the “people business” to help each person be all he or she can be,
according to Your holy will, and at the same time we are charged with
being good stewards of the peoples’ trust.

Gracious God, we thank You for the wide variety of talents, abilities,
skills, and experiences as well as for the common dedication and deter-
mination of these Representatives to bring more of the better life to all
the people. United in this common goal, we can anticipate increasing
joys for Your people.

As we travel to our families and friends, help us to be alert and careful
drivers so that human life and property will not be terminated or waste-
fully destroyed.

We humbly pray. Amen.

Monday, March 22, 1993

Almighty God, we thank You for the wonderful days with our families
and constituents, the nurture and spiritual refreshment we received
from worshipping with the home congregation, and a safe return to leg-
islative responsibilities.

O God, with confidence that You can lead us through these days of
numerous meetings and appointments, day and night, we can with pa-
tience and persevering labors make for a better life for many persons of
different ages.

We remember before Thee not only those among us and our friends
who may be ill, lonely, depressed, or unemployed, but all people every-
where who are in need of Your healing power and need Your help and
that of others to resolve personal problems.

We humbly pray. Amen.

Tuesday, March 23, 1993

Blessed God, our Creator and Sustainer, we are grateful that You are
near to us. As the Psalmist said that You are near to all of us who call
upon You in truth. With one accord, O God, we acknowledge our need
for greater wisdom, understanding, and patience; and we confess our
limitations of information and expressions of kindness.

Gracious God, we are thankful that You can supply our every need as
well as renew a right spirit within us. Help us to remember that by our
example we will show our gratitude for all Your daily blessings.

O God, we acknowledge the home-going of Mrs. Johnnie Smith,
mother-in-law of Speaker Daniel T. Blue, Jr., and we express our love
and sympathy to the family and their many friends.

We humbly pray. Amen.

Thursday, March 25, 1993

O God of love and compassion, You have not promised us a bed of
roses in the daily discharge of our duties and responsibilities, but we
have the assurance of Your presence, Your tender, loving care with us during every circumstance of life.

We pray that we may know Your will each day and have the courage to implement it for the benefit of our people and our personal growth in public service.

Let the obstacles and discouragements of these trying times be viewed as challenges, and with Your guidance and assistance, we will overcome with patience and perseverance.

We humbly pray. Amen.

Monday, March 29, 1993

O Thou Who art the same yesterday, today and tomorrow, and Who provides wisdom, guidance, and strength to all who call upon You, to all who call in truth, aware of their needs, and have faith that in You all things can be accomplished, according to Your Holy Will. Give us a clearer vision not only of the wonderful people and the natural environment of our State but also the prioritization and funding of people needs and other needs.

Discerning Your will we pray for courage to speak and promote those bills which enhance the life of our citizens and protect the environment.

We humbly pray. Amen.

Tuesday, March 30, 1993

Gracious God, Who rulest over Thy people with Fatherly love, continue and increase the Spirit of concern, care, and wisdom to all who have received from Thee and the people authority of government. We are in the "people business" to help each person be all he or she can be, according to Your holy will, and at the same time we are charged with being good stewards of the peoples' trust.

We give thanks, O God, for each member of this Honorable Body, the Speaker and his patient and persevering leadership, the Committee Chairpersons and members, and the support staff and secretaries who make things work.

Blessed God, we thank You for the diversity of talents, abilities, skills, and experiences as well as for the common dedication and determination of these Representatives to bring more of the better life to all the people. United in this common goal, we can anticipate increasing joys for Your people.

We humbly pray. Amen.

Wednesday, March 31, 1993

Gracious God, Inspirer, Hearer, and Answerer of prayer, Thou Shepherd and Guardian of the people, we rejoice in the glory of this new day of labor.

May our lives so manifest the love that knows no evil that our prayers shall be no mere form of words, but the expression of souls in love with
Thee and intent on helping all our citizens "to be all they can be" in mind, body, spirit, and service.

Grant us a useful day, a productive day towards resolving the issues which lie before us, not for personal gain or profit, but for the glory of Your Holy Name.

We humbly pray. Amen.

Thursday, April 1, 1993

Blessed and ever-living God, vouchsafe, we beseech Thee, to direct, sanctify, and govern, both our hearts and bodies, in the ways of Thy laws, and in the works of Thy commandments; that, through Thy most mighty protection, both here and ever, we may be preserved in body and soul.

O God, we look forward on this day to the joint session of the Senate and House of Representatives when we will be privileged to hear the Honorable James G. Exum, Jr., Chief Justice of the North Carolina Supreme Court. May the Chief Justice convey Your will for us through his words of wisdom, information, and challenge, and may we respond to his address in ways pleasing to You and thereby bring blessings to the people.

May Your guiding spirit be with Representative David Diamont, his family, and the surgeons. Let Your healing powers be with David and all other persons who are in need.

We humbly pray. Amen.

Monday, April 5, 1993

Blessed God, we give Thee thanks for a safe return, the enjoyable and relaxing days at home with family and friends, and the uplifting and inspiring worship services that prepare many of us and others throughout the world to be spiritually re-charged during this week of special services. Lead us to pray and work for true peace in and among all nations and brotherhood and sisterhood between everyone.

O God, the sky has been covered today with many rain clouds, however, there have been fragments of a light blue sky which might incline some of us to interpret as a good omen. Let all the players and the coaches tonight exercise their skills to the maximum, and let us accord honor and praise to everyone who had the privilege to play in a National Championship Basketball Game.

We humbly pray. Amen.

Tuesday, April 6, 1993

This is the day which God has made. Let us rejoice and be glad!

O God, all about us we see many signs of springtime and new life. The colorful tulips and pansies, the budding dogwood trees, the fresh green grass, and the abundance of wild onions lead us to believe that spring is near. What better time than today to take a close look at each
bill, more than just the number and the title, and to ask oneself the questions – How does this bill or these bills relate to Your will? How do these bills enhance the quality of life of our constituents? And how do these bills protect or enrich the environment in which we live? May these and related questions be the soil and the environment of our thoughts and actions each day as we discuss and debate issues as Your servants and the peoples representatives.

We are not in our present circumstances because we have tried Your ways and are wanting, but we are wanting because we have not very seriously tried Your ways.

We humbly pray. Amen.

Wednesday, April 7, 1993

O Thou Who causest the sun to shine and the rain to fall upon the just and the unjust; O God, by whom the meek are guided in judgment, and light riseth up in darkness for the godly; Grant us, in all our doubts and uncertainties, the grace to ask what Thou wouldest have us to do, that the Spirit of Wisdom may save us from all false devices, and that in Thy light we may see light, and in Thy straight path may not stumble.

We humbly pray. Amen.

Thursday, April 8, 1993

Blessed God, in love You spread good gifts before us, more than we need or deserve. You feed, heal, teach, and save us. We confess that we always want more; that we never share as freely as You give. Sometimes we resent what we lack, and are jealous of neighbors.

We misuse what You intend for joy. God, forgive our stubborn greed, and our destructiveness. In mercy, help us to take such pleasure in Your goodness that we will always be thanking You.

As we travel to and from our homes and visit with constituents, help us to be alert and safe drivers on the highways.

We humbly pray. Amen.

Monday, April 12, 1993

Eternal God, our Creator and Sustainer, we are grateful that You are near to us. As the Psalmist said that You are near to all of us who call upon You in truth. With one accord, blessed God, we acknowledge our need for greater wisdom, understanding, and patience; and we confess our limitations of information and expressions of kindness.

Most gracious God, we are thankful that You can supply our every need as well as renew a right spirit within us. Let us not forget that we show our gratitude for all Your daily blessings by the quality of life we live before and among our fellow Legislators.

We humbly pray. Amen.

Tuesday, April 13, 1993

Great God, we thank You for this land so fair and free; for its worthy aims and charities. We are grateful for people who have come to our
shores, with customs and accents to enrich our lives. You have led us in the past, forgiven evil, and will lead us in time to come. Give us a voice to praise Your goodness in this land.

Help us, we pray, to be that Representative, that role model, in thought, word, and conduct that reflects Your love and stewardship for our lives and brings blessings to all the people.

We humbly pray. Amen.

Wednesday, April 14, 1993

O God, with the quietness of Winter being broken by the chirping of many birds, the sounds of various lawnmowers cutting new grass and weeds, and tractors on the farms getting the soil ready for planting all amid the colorful azaleas, dogwoods, tulips and buttercups let us know for sure that it is Spring. So this is the time when we pick up momentum in discharging our Legislative responsibilities.

Gracious God, as You have led us in the past so lead us today and every day to do Your holy will and thereby improve the quality of life of our people.

Our sympathy and love are extended to Representative Willard Eugene McCombs on the Homegoing of his Mother, Mrs. Irene McCombs, 11 April 1993. We also include in our prayer Representative and Mrs. Howard C. Barnhill who were in an automobile accident. May Your healing powers be with all who are in need.

We humbly pray. Amen.

Thursday, April 15, 1993

Almighty God, ever-present Friend, Who hast made the world and all the people, and Whose concern for all of creation continues every day throughout the year, we thank Thee for this Body of Legislators who are committed to promote peace and prosperity, law and order, economic, spiritual, and educational development and growth of all ages. This Honorable Body is charged with being a very significant planner, initiator, and provider of those activities, opportunities and services "which challenge and enable" the citizens to be all they can be which are pleasing to You. Under Your leadership we will be successful.

We humbly pray. Amen.

Monday, April 19, 1993

Gracious God, we thank You for the times with our families and constituents, and a safe return to legislative responsibilities. We lift our hearts in gratitude for all persons who not only challenge and inspire us but also make our lives more interesting, useful, and enjoyable.

Cleanse our thoughts, purify our aspirations, and strengthen our wills on the side of what is right and good and against what is wrong and evil according to Your holy will.
We are happy to welcome and honor the University of North Carolina Tar Heel basketball team, the 1993 NCAA National Champions.

We congratulate the players, the coaches, families, and friends of this championship team and we wish the team continued success in the future.

O God, may Your healing powers continue to be with those whom we know as well as with those persons whom we do not know.

We humbly pray. Amen.

Wednesday, April 21, 1993

O Thou Who causest the sun to shine and the rain to fall upon the just and the unjust; O God, by Whom the meek are guided in judgment; grant us, in all our doubts and uncertainties the grace to ask what Thou wouldest have us do, that the Spirit of Wisdom may save us from all false devices, and that in Thy light we may see light, and in Thy straight path may not stumble.

We thank You, God, for the joy of this season when we see farmers planting seeds and setting out plants not only for their livelihood but for our survival. What great faith they exhibit year after year as they plant and expect a harvest! Sometimes, though, because of circumstances beyond their control, they experience a diminished harvest of even total crop failure. We acknowledge our indebtedness to the farmers of our state and other areas, and we pray Thy bounteous blessings upon them and upon their labors.

We acknowledge, also, our indebtedness to the secretaries in all divisions, departments, offices, institutions, and businesses who facilitate the accomplishment of worthy goals and make the work day more productive and more pleasant. Give them strength for their tasks and the good feeling of being a valued member of the team.

We humbly pray. Amen.

Thursday, April 22, 1993

Ever-present God, You have made each of us a new, unique creation, and we come from a variety of experiences with different abilities and backgrounds. Monday, April 26, 1993

Almighty and ever-living God, we thank You for the days with our families and friends, and the spiritual nurture we have received from worshipping in the home congregations. Guide us this night and this week by Your spirit so that we may be worthy stewards and thereby bring greater blessings to the people.

O God, we have been saddened by the unanticipated "Homegoing" of Representative Raymond M. "Pete" Thompson on the 23rd day of April 1993. We are thankful for his numerous legislative and community activities as well as his warm friendship. Our love and sympathy are extended to his family and friends. Let us remember that as we serve You, we will also be thanking You for Representative Thompson coming our way.

We humbly pray. Amen.

Tuesday, April 27, 1993

Eternal God, Who hast blessed this great State in numerous ways, endow these Representatives with insight, courage, and perseverance that they may be the stewards You would have them to be, and thus be a blessing to all the people.

O God, the Rock of ages and our hope for years to come, help us to remember and to be thankful for the joy of living in a State which has a tradition and a firm foundation of "good government and fiscal responsibility." Wednesday, April 28, 1993

Wonderful God, Inspirer, Answerer of prayer, Thou Shepherd and Guardian of the people, we rejoice in the glory of this new day of labor.

May our lives so manifest the love that knows no evil that our prayers shall be no mere form of words, but the expression of souls in love with Thee and intent on helping all our citizens "to be all they can be" in mind, body, spirit, and in service.

Grant us a useful day, a productive day towards resolving the issues which lie before us, not for personal gain or profit, but for the glory of Your Holy Name and a better life for our people.

We humbly pray. Amen.

Thursday, April 29, 1993

O gracious God, we thank You that daily work is intended by You as a blessing and not as a burden or as a punishment. We are grateful that
the nail driven straight and true, the furrow well turned, the study honestly engaged, the chore faithfully completed, the day's business properly done, all worship You in the integrity of necessary activities completed.

O God, we extend our prayer today to thank Thee for bringing Jim Valvano to North Carolina State University and the State of North Carolina. Through his coaching and dynamic personality, colorful TV descriptions of athletic events, and his aggressive fight against a terminal illness he has touched many lives near and far. The excitement of winning the 1983 National Basketball Championship will long be remembered.

Comfort and sustain his family and many friends during this time of bereavement.

We humbly pray. Amen.

Monday, May 3, 1993

Most gracious and ever-living God, we give Thee thanks for the nurture that comes from being at home with family and friends, worshiping in the home congregation, and sharing in the joys and sorrows present in every community. May the nurture received at home make us more aware of and sensitive to the various needs of persons in all socio-economic levels of the State.

Lead us, O God, as we seek to do Your will in all things and thereby bring more of a better life to those persons in greatest need.

As the poet Horatius Bonar (1843) wrote:

"Go, labor on while it is day:
The world's dark night is hastening on;
Speed, speed thy work, cast sloth away;
It is not thus that souls are won."

We humbly pray. Amen.

Tuesday, May 4, 1993

In a spirit of gratitude and with great anticipation, may we look forward to each day as an opportunity for public service.

We humbly pray. Amen.
Wednesday, May 5, 1993

Blessed God, we give Thee thanks for the rest of the night and the refreshment which has come in the showers to clear the air and to bring nourishment to the new grass, flowers and shrubs, and farm crops.

O God, with the new life of Spring all about us, help us to approach the tasks before us with renewed vigor and perseverance as we seek to discern Your will in all matters – legislative and personal. As we work together, help us to remember that as a State, Nation, and World Community, we are not in our present circumstances because we have tried Your ways and failed but we have failed because we have not truly tried Your ways. How much better would so many things be if only we lived consistently by the Ten Commandments!

With the help of the new Representative William T. Culpepper III our labors are strengthened.

Grant our prayer according to Your holy will.

We humbly pray. Amen.

Thursday, May 6, 1993

O Thou Who art the Life of all that lives, the Strength of the weak, and the Hope of those that be cast down, inform our minds with Thy Truth, we beseech Thee, and our hearts with righteousness; strengthen our wills to choose the good and to refuse the evil; help us to bear each other's burdens, to forgive one another's faults, and to forbear with every defect of judgment and of temper in those with whom we live and who daily help us.

With the assurance of Your guidance and our commitment to be faithful stewards, we will courageously focus upon the most urgent needs as well as those of a lower priority.

We humbly pray. Amen.

Friday, May 7, 1993

O gracious God, we thank You for answering our prayers both oral and silent. Sometimes the answers we have received were not exactly the petitions for which we prayed, nevertheless, we have received more blessings over the years than we have deserved. Surely we have learned that it was not according to Your will and our best interests that some of our prayers were not answered as we prayed.

O God, during these times of so much useless blood shed and lawlessness at home and around the world, help the members of this House of Representatives and their co-workers in the Senate, as well as the Governor, members of the Judicial System, the President, and the Congress to sense anew the usefulness, strength, and joy of being more and more in fellowship and communion with You for leadership and guidance. May their example inspire others near and far.

The hymn which brings joy to many people during times of stress and joy reads —— Sweet Hour of Prayer.
“Sweet hour of prayer! Sweet hour of prayer!
That calls me from a world of care, and bid me at my
Father’s throne
Make all my wants and wishes known; in seasons of
distress and grief.
My soul has often found relief; and oft escaped the
tempter’s snare,
By thy return, sweet hour of prayer!”

We humbly pray. Amen.

Monday, May 10, 1993

Eternal God, we thank You for the times with our families and
friends, the spiritual stimulation and nurture from worship services,
honoring our mother and all mothers on a particular day, and a safe
return to legislative duties. We seek Your guidance and leadership not
only in legislative matters but also in our fellowship with You and with
one another. Help us daily to remember the words – “To those who ask
it shall be given.”

O God, as we move forward in meeting our numerous legislative re-
sponsibilities during these last weeks of the Session, help us to give ade-
quate time for discussion and debate on each issue, and pass those bills
which we believe are pleasing to You and therefore will bring many
blessings to our fellow citizens.

We humbly pray. Amen.

Tuesday, May 11, 1993

Ever-present God, Who art the Author and Giver of law, from
Whom alone all just designs and righteous judgments proceed, give
unto all of those who frame, interpret, or administer human law the
counsel of Thy Holy Spirit, that they may know themselves Thy minis-
ters. May they neither be influenced by prejudices nor may they appeal
to the weaknesses of others; but that they may deal fairly and counsel
wisely in all matters; to be the servants of all people, but the hirelings of
none, and thus enhance the coming of the kingdom on earth.

We humbly pray. Amen.

Wednesday, May 12, 1993

O God, our help in ages past and our hope for years to come! We
place our trust in You with the confidence that together tomorrow will
be even better than today. Truly, there is none other in Whom we can
have so great assurance. Blessed God, Your ongoing guidance and re-
ception of the same by each Representative is essential if we are to build
on and enhance the tradition of “good government” and be worthy
stewards of all Your blessings.

O God, at a particular time in history we recall how the followers of
Moses chose to worship a different god, and then so many, many un-
pleasantries were the result of their disobedience.
Keep us near to You and lead us to think, to say, and to do those things which are pleasing to You and thereby meet the needs of Your children our constituents.

We humbly pray. Amen.

Thursday, May 13, 1993

O God of life, You have taught us that they who wait upon You will renew their strength; we come to You because we need to have our strength renewed. We have surrendered to temptation, not once, but often. We have not loved You with our whole heart, nor have we loved our neighbors as much as we have loved ourselves. We have chosen the easy wrong instead of the difficult right, and we need strength from on high with which to turn our backs on the attractive but deadly beckoning of evil. Some of us may have been blessed beyond what is good for us. Instead of being thankful, we pat ourselves on the back and take all the credit for what You have done. Gracious God, forgive us and help us to live as part of Your new creation and as Representatives who are grateful for the trust and honor which has been given by constituents.

We humbly pray. Amen.

Monday, May 17, 1993

O merciful God, You alone are able to make new what is worn and weary. We ask You to take hold of our lives and purify them with Your forgiveness. Heal the wounds inflicted by our self-seeking, our sharpness of temper, our words and attitudes that have put other people down, our lack of response to Your love and laziness at following Your lead. Make us new creatures fit to be called Your children. Make us more and more into what You would have us to be and thereby through us many joys and blessings will come to those who have placed so much trust and confidence in us.

We humbly pray. Amen.

Tuesday, May 18, 1993

Gracious God as the recipients of numerous daily blessings, we acknowledge that we take too many of them for granted like health and strength, family and friends, and a job which challenges our skills and energies and from which we receive wages to pay for our livelihood.

O God, help us to show our gratitude for all Your blessings by the quality of our life and the example we live before and among our fellow men and women.

In all things help us to know Your will and grant us the courage to implement Your will, without fear or favor, for the happiness and well being of all the people.

We humbly pray. Amen.

Wednesday, May 19, 1993

O God of love and compassion, You have not promised us a bed of roses in the daily discharge of our duties and responsibilities, but we
have the assurance of Your presence, Your tender, loving care with us during every circumstance of life.

We pray that we may know Your will each day and have the courage to implement it for the benefit of our people and our personal growth in public service.

Let us view the obstacles and discouragements of these trying times as challenges, remembering Robert Frost's statement that "The best way out is always through." With Your guidance and assistance, and with patience and perseverance, we will succeed.

We humbly pray. Amen.

Monday, May 24, 1993

O Thou Who art high above, and yet as near as hands and feet and breathing, we thank Thee for the blessings of families and friends, worshipping in the congregations of our choices, enjoying good health, and serving the great people of North Carolina.

Blessed God, in these trying times of budget shortfalls we are confident and thankful that this legislative body has feasible solutions to the monetary problems if each member truly shares his/her wisdom, without fear or favor, with all members of this honorable House of Representatives. So, we pray that each member will have the courage to be a part of the solutions of our problems and render a good stewardship to You and their constituents.

We humbly pray. Amen.

Tuesday, May 25, 1993

Wonderful Creator, God, Who hast made each one of us in Thine own image and thereby placed infinite value and worth upon every person, help us to nurture every day that spiritual aspect of our being that performs the daily direction and quality of our living.

O God, as the years come and go, we are increasingly grateful for all persons who seek to know Your will and seriously attempt to implement Your teachings in their daily lives.

In the institutions of the family, education, and government we sorely need the leadership and commitment of more and more men and women and young people to see us through these challenging and troublesome times.

Inspire us anew and lead us to do what You would have us to do.

We humbly pray. Amen.

Wednesday, May 26, 1993

Blessed God we express our gratitude for this great Nation and this great State of North Carolina which has known good times and hard times. We thank Thee that during such times You have given us men and women of faith, courage, conviction, devotion, determination, and
through them we have been made stronger as we worked through depressions, wars, natural disasters, and various epidemics.

Based upon our gratitude to you, O God, and our indebtedness to former public servants, we are confident that this honorable House of Representatives and its sister body – The Senate – will with Your guidance and inspiration and their abilities, skills, and commitments lead us forward through the “financial agenda” to a better life.

In all that is done let us remember the familiar words....

May the words of our mouths,
The meditations of our hearts, and
The bills which we pass bring glory to Your Name and joy
To all citizens.

We humbly pray. Amen.

Thursday, May 27, 1993

Blessed God, in these times of special stress and strain, we pray for a greater sense of serenity. In this context we recall the words of the late theologian and intellect – Dr. Reinhold Niebuhr – who said,

“God grant me
The serenity to accept the things I cannot change,
The course to change the things I can,
And the wisdom to distinguish the one from the other.”*

O God, help us to be and to do what You would have us to be and to do.

We humbly pray. Amen.

(*The original was by St. Francis of Assisi.)

Tuesday, June 1, 1993

O Thou who hast watched over us and brought us safely back to Legislative duties and responsibilities, we thank You for the renewal of hearts, souls, and minds as we have shared in patriotic programs, met with old friends, formed new friendships, and worshipped in the congregations.

O God, from the enjoyment and pleasures of the long week-end, may our faith in and commitment to sound, fiscal, representative government be renewed. As we have traveled on the road of “hard knocks” – good times and other times – together, lead us to seek Your guidance each day and help us to have the courage to do what You want us to do. Then we will bring glory and honor to Your name and blessings to the people.

We humbly pray. Amen.

Wednesday, June 2, 1993

O blessed God of Light and Truth, break in upon our darkness and our self content. Open our minds that we may think Thy thoughts, and
the Psalmist the Thy glorious majesty. They have not promised us a bed of roses in the day to day discharge of our heart that we may love as You love. Let the truth be more precious to us than pride of intellect, or the approval of men and women. Help us to eliminate prejudice and selfishness in our thinking and in our daily living. Flood our being with kindness, generosity, agape love, and unselfish service. Then we will be Your more worthy servants and be instrumental in bringing greater blessings to our people.

Gracious God, we pray that Your healing powers will continue to be with Representative Bobby Barbee, Sr., and others who are in need. We thank You for Your many evidences of healing power among us. Help us to remember that one way we can express our gratitude is by the quality of life that we live each day.

We humbly pray. Amen.

Thursday, June 3, 1993

O Sovereign Spirit of the universe, supreme in power, ineffable in majesty, Thou Who hast made us so that our hearts are restless until they find rest in Thee, forgive what we have been, amend what we are, and fill us with gratitude that we may continue to go forward under Your guidance even though we are close on funds, to be the worthy stewards You would have us to be.

For the evidences of leadership and statesmanship along with the out-pouring of patience and perseverance by the members of this legislative body, we are truly thankful. In areas wherein one person is weak may another be strong, and bringing together the weak and strong - pooling all our skills and knowledge - lead us in making our State a greater place to live, work, play, and continue to grow and serve.

We humbly pray. Amen.

Monday June 7, 1993

Eternal God in these significant legislative days, we pray the Prayer of the Psalmist of old: "Let Thy work be manifest to Thy servants, and Thy glorious power to their children. Let the favor of the Lord our God be upon us, and establish Thou the work of our hands upon us, yea, the work of our hands establish Thou it".

We thank Thee, O God, for the serious concern which these dedicated legislators have towards their stewardship responsibilities as elected representatives. In an atmosphere of mutual trust, respect, and cooperation, may they continue to use their abilities, skills, and experience along with Your guidance to resolve the budgetary problems and other challenges in ways pleasing to You and thus bring added blessings to the people.

In closing we recall the 25th Anniversary of the "Home-going" of the Honorable Robert Kennedy.

We humbly pray. Amen.

Tuesday, June 8, 1993

O God of love and compassion, daily help us to remember that You have not promised us a bed of roses in the day to day discharge of our
duties and responsibilities, but we have the assurance of Your presence, Your tender, loving care with us during every circumstance of life.

We pray that we may know Your will each day and have the courage to implement it for the benefit of our people and our personal growth in public service.

Let the obstacles and discouragements of these trying times be viewed as challenges, and with Your guidance and assistance, we will overcome with patience and perseverance.

Blessed God we recall the recent forty-ninth anniversary of the Normandy Invasion or D-Day when there was assembled the greatest fleet in history. Lest we forget, help us to remember the supreme sacrifice which so many made as well as others who served and many of them were wounded, help us to show our gratitude for their many services by the quality of our dedication to You and our public service.

We humbly pray. Amen.

Wednesday, June 9, 1993

Blessed God, You have made each of us a new, unique creation, and we come from a variety of experiences with different abilities and backgrounds. Help us to remember during the days that we serve that it is the giving and sharing of our knowledge and understanding in the context of representative democratic government that we must carry out the duties of this high office.

Daily we anticipate the warmth of the sun and the refreshment and beauty of nature, and may we also be reassured that the Creator-God is still in control of the universe and blesses those efforts which come from a penitent, believing, and trusting heart.

In a spirit of gratitude and with great anticipation, may we look forward to each day as an opportunity for public service.

We humbly pray. Amen.

Thursday, June 10, 1993

Immortal God, Who hast blessed this great State in numerous ways, endow these Representatives with insight, courage, and perseverance that they may be the stewards You would have them to be, and thus be a blessing to all the people.

O God, the Rock of ages and our hope for years to come, help us to remember and to be thankful for the joy of living in a State which has a tradition and a firm foundation of "good government and fiscal responsibility". Truly the pressures on this Legislative body are persistent and possibly tempting, nevertheless, there is the need to represent ones constituents and above all to remember that each one is both accountable and responsible to You for his/her motions, votes, and stewardship of life.

With the assurance of Your guidance and our commitment to be faithful stewards, we will courageously focus upon the most urgent needs as well as those of a lower priority.

We humbly pray. Amen.
Monday, June 14, 1993

Almighty God, we thank You for the blessings of being with the family, friends, worshipping in the home congregation, and a safe return to Legislative endeavors. Your leadership and guidance have never failed but we have failed in many ways because our ways have not always been Your ways. Forgive us we pray.

On this National Flag Day, O God, we acknowledge our indebtedness to all the men and women who have served and are now serving under the Stars and Stripes, Old Glory, for our freedom and responsibility as well as for protection from without.

In the closing weeks of this memorable Session, may each member sense anew the public honor and responsibility of the office which he/she holds, and let this be a stimulus towards a greater stewardship to You and service to all the constituents.

We humbly pray. Amen.

Tuesday, June 15, 1993

Gracious God, we have been called to be in this place at this time. May we be mindful of the responsibility which is ours – to plan and work for the peace and prosperity of the residents of this great State. Make us obedient to Thy law. Help us to use our skills for the strengthening of the State. Give us faith and courage to do the work that is before us. Make us receptive to Thy leading and let us live and serve with joy and effectiveness.

We humbly pray. Amen.

Wednesday, June 16, 1993

Blessed God, Inspirer, Hearer, and Answerer of prayer, Thou Shepherd and Guardian of the people, we rejoice in the glory of this new day of labor.

May our lives so manifest the love that knows no evil that our prayers shall be no mere form of words, but the expression of souls in love with Thee and intent on helping all our citizens “to be all they can be” in mind, body, spirit, and service.

Grant us a useful day, a productive day towards resolving the issues which lie before us, not for personal gain or profit, but for the glory of Your Holy Name.

We humbly pray. Amen.

Thursday, June 17, 1993

O God, Who rulest over Thy people with Fatherly love, continue and increase the Spirit of concern, care, and wisdom to all who have received from Thee and the people authority of government. We are in the “people business” to help each person be all he or she can be, according to Your Holy Will, and at the same time we are charged with being good stewards of the peoples’ trust.
Gracious God, we thank You for the wide variety of talents, abilities, skills, and experiences as well as for the common dedication and determination of these Representatives to bring more of the better life to all the people. United in this common goal, we can anticipate increasing joys for Your people.

Accept our thanks, O God, for the nourishment and refreshment of the showers of rain.

We humbly pray. Amen.

Monday, June 21, 1993

Blessed God, we thank You for the wonderful days with our families and friends, the nurture and spiritual refreshment we received from worshipping with the home congregation, and a safe return to legislative obligations.

O God, with confidence that You can lead us through these days of numerous meetings and appointments, day and night, we can with patience and persevering labors make for a better life for many persons of all ages.

We remember before Thee not only those among us and our friends who may be ill, lonely, depressed, or unemployed, but all people everywhere who are in need of Your healing power. By special request we pray for Your continued blessings upon former House and Senate member A. D. Guy, Abe Howard – husband of Representative Julia Howard, and Representative Bobby Barbee, Sr.

We humbly pray.

Tuesday, June 22, 1993

O Thou Who art the same yesterday, today, tomorrow, and forever, and Who provides wisdom, guidance, and strength to all who call upon You – to all who call in truth, aware of their needs, and have faith that in You all things can be accomplished, according to Your Holy Will. Give us a clearer vision not only of the wonderful people and the natural environment of our State but also the prioritization and funding of people needs and other needs.

Discerning Your Will we pray for courage to speak and promote those bills which enhance the life of our citizens and protect the environment.

We humbly pray. Amen.

Wednesday, June 23, 1993

Eternal God, our Creator and Sustainer, we are grateful that You are near to us. As the Psalmist said that You are near to all of us who call upon You in truth. With one accord, blessed God, we acknowledge our need for greater wisdom, understanding, and patience; and we confess our limitations of information and expressions of kindness.

Most gracious God, we are thankful that You can supply our every need as well as renew a right spirit within us. Let us not forget that we
show our gratitude for all Your daily blessings by the quality of life we live before and among our fellow Legislators.

We humbly pray. Amen.

Thursday, June 24, 1993

O God of life, You have taught us that they who wait upon You will renew their strength; we come to You because we need to have our strength renewed. We have surrendered to temptation, not once, but often. We have not loved You with our whole heart, nor have we loved our neighbors as much as we have loved ourselves. We have chosen the easy wrong instead of the difficult right, and we need strength from on high with which to turn our backs on the attractive but deadly beckoning of evil. Some of us may have been blessed beyond what is good for us. Instead of being thankful, we pat ourselves on the back and take all the credit for what You have done. Gracious God, forgive us and help us to live as part of Your new creation and as Representatives who are grateful for the trust and honor which has been given by constituents.

We humbly pray. Amen.

Monday, June 28, 1993

Blessed God, from the weekend of rest and relaxation with family and friends, the spiritual renewal from congregational worship services, and a safe return to Legislative responsibilities we are truly thankful.

Ever-living God, Who causeth the sun and moon to shine and the rain and snow to fall upon the just and the unjust, prosper every good work undertaken by this House of Representatives according to Thy Will, and give unto all of us, Thy servants, the spirit of Him Who came not to be ministered unto but to minister, and whose joy it was to do Thy Will in helping people of all ages.

Continue Your leadership and give us the courage to follow it as we pray and work for peace on earth and good will among all nations and all people.

We humbly pray. Amen.

Tuesday, June 29, 1993

Eternal God, Who hast blessed this great state in many ways, endow these Representatives with insight, courage, and perseverance that they may be the stewards You would have them be, and thus be a blessing to all the people.

O God, help us to remember and to be thankful for the joy of living in a state which has a tradition and a firm foundation of "good government and fiscal responsibility". Truly the pressures on this Legislative body are persistent and perhaps tempting, nevertheless, there is the need to be accountable and responsible to the citizens of the state and especially to You.

With the assurance of Your guidance, let us be faithful stewards and courageously focus upon the work that has been entrusted to us.

We humbly pray. Amen.
Eternal God, ever-present Friend, Who hast made the world and all the people, and Whose concern for all of creation continues every day throughout the year, we thank You for this Body of Legislators who are committed to promote peace and prosperity, law and order, economic, spiritual, and educational development and growth of all ages. This Honorable Body is charged with being a very significant planner, initiator, and provider of those activities, opportunities and services “which challenge and enable” the citizens to be all they can be which are pleasing to You. Under Your leadership we will be successful.

O God, we thank You for the scattered showers of rain that have brought some relief to crops and gardens. To the farmers and gardeners and others of us who have not received so great blessings recently, may we wait in trust and patience for we are assured that You will provide!

We humbly pray. Amen.

Thursday, July 1, 1993

O Thou Who causest the sun to shine and the rain to fall upon the just and the unjust; O God, by whom the meek are guided in judgment, and light riseth up in darkness for the godly; Grant us, in all our doubts and uncertainties, the grace to ask what Thou wouldest have us to do, that the Spirit of Wisdom may save us from all false devices, and that in Thy light we may see light, and in Thy straight path may not stumble.

Thank you God for the most refreshing rain which has come in recent hours.

We humbly pray. Amen.

Monday, July 5, 1993

Blessed God in the book of Proverbs 14:34 we are reminded that righteousness exalteth a nation; but sin is a reproach to any people. Gracious God, we feel very grateful to Thee for Thy goodness to us as we have celebrated the birthday of our nation. Yet we would be very humble when we think of our carelessness and indifference to the things that be of God. “Lord God of Hosts, be with us yet, lest we forget — lest we forget!” Send forth a spirit of humility and repentance into the hearts of our citizens this night. Help us to turn from broken cisterns that hold no water to the Fountain of Water that springs up into everlasting life – to Thee – the living and true God.

Guard, keep, and guide our President we pray as he travels to Japan on behalf of world peace and prosperity.

We humbly pray. Amen.

Tuesday, July 6, 1993

Gracious God, we acknowledge our daily need for strength of mind, patience, understanding, and respect in all the deliberations of this honorable body. Surely, no one has a monopoly on the truth for it is in
the sharing and pooling of wisdom, knowledge, and experience that we make progress in being more useful stewards and legislators worthy of the honor and trust that has been bestowed.

Let Your healing power continue to be with those who are ill, and may we all be more thankful for innumerable daily blessings.

Our prayers and best wishes go with Representative Peggy Wilson and her family as they begin a new work in the great State of Alaska.

We humbly pray. Amen.

Thursday, July 8, 1993

Ever-present God, Who hast made Thyself known in all ages, and Who is known this day through men and women in all walks of life, as well as through the sacred writings, we lift our hearts in gratitude for all the blessings of life – opportunities for growth and development, and sharing our blessings with those in greater need.

We remember before Thee all the many people who are suffering so great loss from the expanding Mississippi River as well as our farmers whose crops are in need of much rain.

O God, for the enlarging and brighter light at the other end of the tunnel relative to duties and responsibilities of this Session, we are deeply grateful.

To those of us who drive on the highways help us to be alert and safe drivers that life and property will not be wasted.

We humbly pray. Amen.

Friday, July 9, 1993

Eternal God, Creator of the Universe, Sustainer of us all, the One in Whom we seek to live and move and have our being, we humbly pray for Your continued guidance in what we think, what we say, and what we do. Save us, we pray, from any temptation to give disproportionate time and funding to smaller concerns but to give full discussion, debate, and funding to such priorities as education, human services, commerce, law and safety, and the environment.

Let us remember each day that we are Your stewards as well as the Representatives from the Districts, and that we are responsible for what we do as well as for what we leave undone.

May the refreshing showers of rain somehow help to revitalize us to enrich the tradition of “good government”, and thus bring greater joy, peace, and happiness to all the people.

We humbly pray. Amen.

Monday, July 12, 1993

Ever-living God, unto Whom all hearts are open, all desires known, and from Whom no secrets are hid: cleanse the thoughts of our minds
by filling them with loving kindness, understanding, compassion, and forgiveness.

Accept our thanks, we pray, for an enjoyable visit with our families and friends, inspiring worship services in the home congregations, and a safe return to our legislative responsibilities.

Guided by Your wisdom along with the wisdom of these dedicated Public Servants, we anticipate much progress towards resolving the challenges and problems of the day.

We humbly pray. Amen.

Tuesday, July 13, 1993

O Thou Who hast been our dwelling place in all generations, the Psalmist stated, "before the mountains were brought forth, or ever Thou hadst formed the earth and the world, from everlasting to everlasting Thou Art God. Let Thy work be manifest to Thy servants, and Thy glorious power to their children. Let the favor of the Lord our God be upon us, and establish Thou the work of our hands upon us, yea, the work of our hands establish Thou it".

Guide, O God, the daily labors of these Legislators, and may they experience feelings of satisfaction and accomplishment from their individual and corporate efforts.

We humbly pray. Amen.

Wednesday, July 14, 1993

Eternal God, you who have called life into being and have assigned to humanity the stewardship of creation: Grant to this assembly a portion of your wisdom, and a sense of your understanding, that the affairs of state may be administered, and the governance of your people exercised, with humility, diligence and justice.

This is our prayer, O Lord, our God.

Amen.

Robert H. Edwards, Associate Minister
Edenton Street United Methodist Church

Thursday, July 15, 1993

Eternal God, with Whom a thousand years are as one day, and Who hast called us whose lives pass as a watch in the night unto Thy service; help us to perform our work so it will be pleasing to You and do much towards helping persons of all ages to be all they can be in Your design for each creation.

Help us to remember that in Your light we see life clearly and in doing Your will we experience true freedom.

We humbly pray. Amen.

Friday, July 16, 1993

Gracious God, we truly acknowledge and confess our limitations of wisdom, understanding, patience, and forgiveness, and we pray that the
doors and windows of our hearts and minds will be widely opened to the sunlight of Your truth which focuses upon “serving”...akin to the One Who came to serve and not to be served.

Lead us to provide and support those activities and programs which enhance a better life for our people and protect the environment in which we are privileged to live and labour.

Our prayers continue to be with the farmers whose crops and cattle have been so disastrously affected by the shortage of water as well as with the many people who are experiencing great losses due to the ever-rising and expanding rivers in the several states. Motivate and inspire the leaders to make and implement plans to save human life as well as to limit the great losses in personal property and farm crops.

We humbly pray. Amen.

Saturday, July 17, 1993

O Sovereign Spirit of the universe, supreme in power, ineffable in majesty, Thou Who hast made us so that our hearts are restless until they find rest in Thee, forgive what we have been, amend what we are, and fill us with gratitude that we may continue to go forward under Your guidance even though we are close on funds, to be the worthy stewards You would have us to be.

For the evidences of leadership and statesmanship along with the out-pouring of patience and perseverance by the members of this Legislative Body, we are truly thankful. In areas wherein one person is weak may another be strong, and bringing together the weak and strong – pooling all our skills and knowledge – lead us in making our State a greater place to live, work, and continue to grow and serve.

We humbly pray. Amen.

Sunday, July 18, 1993

Most gracious and ever-living God, we give Thee thanks for the nurture that comes from being at home with family and friends, worshipping in the home congregation, and sharing in the joys and sorrows present in every community. May the nurture received at home make us more aware of and sensitive to the various needs of persons in all socio-economic levels of the State.

Lead us, O God, as we seek to do Your will in all things and thereby bring more of a better life to those persons in greatest need.

As the poet Horatius Bonar (1843) wrote:

“Go, labor on while it is day:
The world’s dark night is hastening on;
Speed, speed thy work, cast sloth away;
It is not thus that souls are won.”

We humbly pray. Amen.
Gracious God, now in the closing days of a very significant and historic legislative session, we are set in the midst of so great needs for maintaining numerous programs and services and initiating others – all from limited funds – may these honorable Representatives not become weary in well doing but press onward and forward toward a better life for all citizens from the mountains to the coast.

Some of us may recall a familiar hymn whose words were:

"Count your many blessings, name them one by one,
And it will surprise you what the Lord hath done."

Surely, O God, Your blessings are more in number than we can count! Help us to be a grateful people for each blessing.

We humbly pray. Amen.

Tuesday, July 20, 1993

Ever-living God, Who did give us the breath of life, and alone can keep alive in us the holy desires You impart; we beseech Thee, for Thy compassion's sake, to sanctify all our thoughts and endeavors; that we may neither begin an action without pure intention nor continue it without Thy blessing. And grant that having the eyes of the mind opened to behold things invisible and visible, we may in heart be inspired by Thy wisdom, and in work be upheld by Thy strength, and when the years of public service are completed be accepted of Thee as a faithful Legislator.

We humbly pray. Amen.

Wednesday, July 21, 1993

Blessed God of life, You have taught us that they who wait upon You will renew their strength; we come to You because we need to have our strength renewed. We have surrendered to temptation, not once, but often. We have not loved You with our whole heart, nor have we loved our neighbors as much as we have loved ourselves. We have chosen the easy wrong instead of the difficult right, and we need strength from on high with which to turn our backs on the attractive but deadly beckoning of evil. Some of us may have been blessed beyond what is good for us. Instead of being thankful, we pat ourselves on the back and take all the credit for what You have done. Gracious God, forgive us and help us to live as part of Your new creation and as Representatives who are grateful for the trust and honor which has been given by constituents.

We humbly pray. Amen.

Thursday, July 22, 1993

Gracious God, we continue to marvel at the dedication, the hard work, and the numerous accomplishments of this legislative body – coming from so diverse backgrounds of education, opportunity, experience, and personal skills – but united in bringing more of "the better life" to all the people.
Blessed God, it is neither in my wisdom nor my responsibility relative to budgetary and other matters to say that the time is fast approaching or that the time is now to act – particularly – upon fiscal matters. Some persons I hear say that it is time to fish or cut bait.

In these as well as in all matters, we recognize our limitations and ask Your guidance that we may not only do all things decently and in order but also according to Your will and therefore for the best interests of our people.

O God, our hearts have been made heavy by the homegoing of the veteran public servant, former member of this House, and outstanding Secretary of State – the Honorable Thad Eure. Our prayers and sympathy are extended to his family and numerous friends.

We humbly pray. Amen.

Friday, July 23, 1993

Eternal God, we seek to give ourselves afresh to the faith of our fathers – the faith that faced great perils of creating, carving out, and protection for the people from without, and the establishment of law and order within a new nation.

Truly, these are times which try the souls of men and women in all walks of life, nevertheless, we are thankful that these public servants in this House have the ability and wisdom to continue to lead us forward towards a better life for every citizen. Where any one may need courage to share his/her convictions, may they know anew that You can supply their every need.

We humbly pray. Amen.

Saturday, July 24, 1993

O God, Who art the Creator of the darkness and the light, the Psalmist proclaims that “even the darkness will not be dark to you, the night will shine like the day, for darkness is as light to you”. Grant that Thy light may shine upon the deliberations of this body, that even the lateness of the hour and the weariness of our bodies may not dim our ability to see clearly what is right for this great State and our commitment to act in accordance with Thy will.

When the work of this Assembly is complete, grant each member a safe journey, refreshing rest, and the satisfaction of having served Thee and the people of North Carolina with wisdom, integrity, and dedication.

We humbly pray. Amen.
REPORT OF THE SELECT COMMITTEE ON SENTENCING  
June 24, 1993

To: The Honorable Daniel T. Blue, Jr., Speaker
    House the Representatives

From: Representative Bertha "B" Merrill Holt, Chairman
    Select Committee on Sentencing

As Chairman of the Select Committee on Sentencing and on behalf of the membership of the Select Committee, I report that the Committee met in session on the following dates: June 15, 1993; June 16, 1993; June 21, 1993; June 22, 1993; and, June 23, 1993. We have reviewed and considered the contents of the Bills assigned to our Committee and are ready to make the following recommendations:

House Bill 277 Structured Sentencing–2 – Recommends a favorable report as to the proposed committee substitute bill, with an unfavorable report as to the original bill.

HB 277 includes part of HB 1035 and recommends that the N.C. Sentencing and Policy Advisory Commission study the issue of restitution.

House Bill 278 Classify Misdemeanors – Recommends a favorable report as to the proposed committee substitute bill, which changes the title, with an unfavorable report as to the original bill.

HB 278 includes HB 279 in the proposed committee substitute bill.

House Bill 279 Reclassify Some Felonies – Recommends an unfavorable report.

HB 279 has been incorporated in the proposed committee substitute bill for HB 278.

House Bill 280 Structured Sentencing–1 – Recommends an unfavorable report.

House Bill 281 Criminal Justice Partnership Act – Recommends a favorable report.

House Bill 1035 Restorative Justice Act – Recommends a favorable report as to proposed committee substitute bill, which changes the title, with an unfavorable report as to the original bill, and recommendation that the proposed committee substitute bill be re-referred to the Committee on Rules, Calendar, and Operations of the House.

Parts of the original bill have been included in the proposed committee substitute for HB 277. The remainder of HB 1035 requests that the N.C. Sentencing and Policy Advisory Commission study the Restorative Justice Act and include a member of Justice Fellowship.

HOUSE JOURNAL

1993
INDEX GUIDE

The North Carolina General Statutes titles form the basis for the alphabetical index. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. If a bill had an identical Senate or House bill at the time of introduction, the identical bill number appears in parentheses preceded by “H” or “S”. Bills included in whole or in part in other measures are reflected as such.

The following bills passed both bodies, but were not ratified: H 1158, H 1319, S 690, S 785, S 1222. The final action is indicated as pending ratification.

All bills dealing with funds are indexed under Appropriations, Local or Appropriations, Public. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the member’s name with an asterisk (*) noting that person as the primary sponsor.
