GENERAL ASSEMBLY

STATE OF NORTH CAROLINA

FIRST
SESSION 1999

VOLUME II
The House meets at 7:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Mike Frese, House Chaplain.

“O God, may we never become indifferent to the awesome privilege it is to come to You in prayer. It is astonishing that the Master of the Universe, the Creator of the Cosmos desires a relationship with us. Even as we haltingly and humbly approach You, You readily avail Yourself to the whispers of our hearts. As we pause and open ourselves to You, we ask that according to Your rich and abounding grace, You will meet our needs, calm our fears, heal our hurts and strengthen our souls. Grant us an honesty of speech, integrity of life and wisdom of spirit as we begin this legislative week, that our words, actions and decisions will be pleasing in Your sight. Amen.”

The Speaker leads the Body in the Pledge of Allegiance.

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of June 10 has been examined and found correct. Upon his motion, the Journal is approved as written.

"Loving God, You are the light of the world. You pierce the darkness of despair and cast away the shadows of confusion. In the illumination of Your presence, we are able to see things as they truly are. By Your grace, enlighten us as to how we can become servants of Your kingdom. During the considerations of committees and the deliberations of this Assembly, enable us to glimpse how our legislative actions will affect the citizens of this State. As we prepare to vote, grant us clarity of our motivations.

EIGHTY-THIRD DAY

HOUSE OF REPRESENTATIVES
Thursday, June 17, 1999

The House meets at 1:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Mike Frese, House Chaplain.
"God of the ages, throughout history You have given us insights into the nature of Your being and the principles of Your will. Through the Emancipation Proclamation, we were reminded that human beings were created free and were intended to develop their destiny according to Your plan. In the celebration of Juneteenth, we are made aware that the good news of freedom is not always spread evenly or quickly.

"Liberating God, though the final vestiges of civil slavery were finally overcome on June 19, 1865, let us not naively assume that all situations of bondage have been defeated. Even now, we find ourselves enslaved to powers beyond our control. We become shackled to agendas or the accumulation of power or the acquisition of things. Even now, there are people whose hope and futures are unjustly limited because of age or race or gender.

"You, O God, are the great liberator. Free us from all that binds our souls. Let us offer the freedom of forgiveness and opportunity to others. And use us as agents of liberation and freedom for the people of the State. Amen."

EIGHTY-SEVENTH DAY

HOUSE OF REPRESENTATIVES
Thursday, June 24, 1999

The House meets at 12:30 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend W.W. Williams, Ebenezer Baptist Church, Wadesboro, North Carolina.

"Our Father, and Our God,

"Thou knowest our frames...thou rememberest that we are dust,

"We pause to come before Thee...to give praises, Honour, and glory to Thee...for being our God,

"Sighting immortality...and yet mortal, able to Conceive in eternity...and yet bound in time,

"Moving and unable to stop...we come before Thee Today...because this old world need, Thee...Yes Every hour...we need Thee."
"And as we all assemble in this place...encourage
Us with Thy guidance and directions...

"For we know that Thou are able...so speak to
Every heart which is burdened...Draw near O God!

"Whatever the concerns, Thou knowest the fears...
Thou knowest the uncertainties...Thou knowest!

"We ask that Thou would move upon every heart...
Touch every life...give us the courage...to go
Forward in Thy will...and Thy ways.

"Give us the faith to believe...that all things
Work together for good...to them that love God,

"And so help us to live out our days...and Father,
We pray for our nation, our country...we pray for
This State...

"Grant that we might be the people...that will be
Judged worthy...of being continued in history,

"And when Thou days are finished...when the sun
Goes down upon us...

"We must come down to the river...that has no
Bridge...stick our swords in the sand...

"Unbuckle our armour...kneel to hear old Jordan
Roar in our ears...bid it be quiet!

"Cross us over...to the fields of everlasting joy."

"O God, You are the light of the world. In Your presence the brilliance of Your love shines forth against the darkness of hate and the shadows of despair. To live in a relationship with You is to live in the sunlight of eternity. Though You offer us Your radiance of righteousness, we are guilty of falling into the dominion of darkness. We have passed by our neighbors in need and ignored opportunities to offer mercy. We have made excuses and then acted in our own self-interest when confronted with issues of injustice, oppression, and greed. Merciful God, forgive us for not sharing Your light of compassion to persons in need. Pour Your grace upon us that in our personal lives and in our work as representatives of the people of North Carolina we will show compassion to the sick, the homeless, the jobless, and those who have lost hope in our midst. Enable us to be luminaries of Your love and beacons of Your kindness in all that we say and do. Amen."

The following prayer is offered by the Reverend Mike Frese, House Chaplain.

"Gracious God, we cannot hide from You. We stand transparent to Your all seeing eyes. You know the secrets of our hearts and our hidden motivations. You know our aspirations and our anxieties. You are familiar with our willingness to accept challenge and embrace change, as well as our hesitancy to hear new ideas and our reluctance to follow Your leading. Though we be imperfect, yet You still love us. O God, hold us in the arms of Your grace, uplift us on the wings of hope, care for us in our deepest needs, and guide us towards a future of justice and compassion.

"Healing God, we lift up to You specifically Representative Mosley, who is absent from us due to her recent surgery and recovery from it. We also recall the absence of Representative Ramsey who continues to recover from his accident. Liberally apply Your healing grace upon these persons, and may others who are in need of Your restoration find in You their deliverance. Amen."

The House stands adjourned at 4:55 p.m.
The House meets at 1:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Mike Frese, House Chaplain.

"Eternal God, as with all of existence, we come to You this day with swirling emotions and conflicting experiences. We come with joy as we celebrate the accomplishment of passing a new budget for our State. We also come in grief, acknowledging the loss of Michael Hooker, a great leader in our State.

"Long hours, deep discussion, and difficult decisions all went into the building of the new budget. With limited resources and almost unlimited demands, a spending plan had to be created which was fair to all yet visionary in stature. We acknowledge our work to be imperfect, yet we pray that it will be sufficient. To all who gave their time, their vision, and their honest deliberation, we are thankful. For the assistance offered by both chambers and by both sides of the aisle, we are grateful.

"Along with our celebration of this momentous event, we are also deeply saddened by the death of Michael Hooker, Chancellor of the University of North Carolina in Chapel Hill. His vision and energetic leadership will be sorely missed. His presence and personality will be notably absent. And yet, we do give thanks for the life he lived, a life of service and insight. For his devotion to higher education and his passionate love for UNC-Chapel Hill we give thanks. For his strong leadership and willingness to challenge the status quo, we are grateful. In his ability to maintain a position of authority and power without being aloof, yet very much a part of the lives of his students, we find a worthy example of informed leadership. Send Your spirit of peace to comfort the family of Michael Hooker, the university community, and all those who have been touched by this life. May Your grace and mercy give peace to troubled hearts and solace to those who grieve.

"We pray this in Your holy name. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of June 30 has been examined and found correct. Upon his motion, the Journal is approved as written.
Leaves of absence are granted Representatives Church, Holmes, Miller, Moore, Mosley, and Ramsey for today. Representatives Clary, Hurley, McComas, Redwine, Sherrill, and Thompson are excused for a portion of the session.

The following prayer is offered by the Reverend Mike Frese, House Chaplain.

"God of all nations, we give You thanks for this country in which we live and for the faith upon which she was built. As we celebrate the birthday of America, the 'land of liberty', we also pray for her soul. Remind us that only liberty under God is true liberty and that authentic freedom consists not in doing what we want, but in doing what is good. Prevent us from so focusing on our rights that we forget about the needs of others. Rekindle a sense of compassion and mercy in each of us so that we will seek out those who are in need. Let us not relax in our prosperity, nor rest in our affluence, until equality and justice are not merely goals spoken in the rhetoric of public discourse, but are descriptions of all who call America their home. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

HOUSE OF REPRESENTATIVES

Tuesday, July 6, 1999

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Mike Frese, House Chaplain.

"Eternal God, it is appropriate to take time to orient ourselves around Your existence. We confess that because of our hectic schedules, the positions of leadership we hold, and the demands placed upon us, we are guilty of doing our work as if we are completely in control and solely responsible for envisioning and enacting a future for our State. As we rest now in Your presence, endow us with a sense of Your companionship. Bestow upon us Your wisdom and guide us along the pathway of Your will. Move us beyond personal bias or political consideration towards the common good for our State."
“O God, we also pause to give thanks for Your watchful care over Representative Warner. Despite the potential severity of his accident, You kept him from serious harm. Bless him now with Your healing touch, strengthen his spirit, and give him courage as he recovers. We ask this in Your mercy. Amen.”

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 5 has been examined and found correct. Upon his motion, the Journal is approved as written.

NINETY-FOURTH DAY

HOUSE OF REPRESENTATIVES
Wednesday, July 7, 1999

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Mike Frese, House Chaplain.

"Gracious God, You alone are holy. You alone are perfect in love and complete in compassion. There are none among us like You. Yet, You are willing to forgive us our sins and not count our offenses against us. Too often we presume upon Your compassion and take advantage of Your grace. We readily accept what is 'good enough' and do not strive for that which is truly good. We all are too willing to be a little better than our neighbor rather than seek the perfection to which You call us.

"O God, in Your mercy, challenge us anew not only to be Your children, but to act like it; not only to be Your sons and daughters, but to reflect Your love in our lives. Make us holy, O God, even as You are holy. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 6 has been examined and found correct. Upon his motion, the Journal is approved as written.

Yet, in the busy-ness of work, it is easy to take for granted the ease of breathing, the luxury of mobility, and the joy of unhindered labor. Unfortunately, we are not indestructible. If we neglect our body, our soul will suffer and if we neglect our soul, our body will suffer. Help us, O God, to take time to care for the life You have so generously given us. May we not neglect our body, which is the temple for our soul. May we not neglect our spirit which raises our intellect beyond human understanding to Your divine wisdom. In the food that we eat, the rest we take, the prayers we offer, and the meditations we share with You refresh us body and soul that we might do well the task You have placed before us. Amen."

NINETY-SIXTH DAY

HOUSE OF REPRESENTATIVES
Friday, July 9, 1999

The House meets at 12:00 Noon pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Mike Frese, House Chaplain.

"God of grace, on Your people pour Your power. As the end of this session nears, our endurance is tested. Agendas are lengthened and there is still much legislation to be addressed. Give us Your strength, O God that we might run well the race which is set before us. As we come to You in our need, embrace us with Your presence. Renew our spirits and revitalize
our hearts. Remind us anew of Your call to service which has brought us to this place.

“We also ask for Your mercy, loving God. We feel the pressure brought with the ending of the session. This leaves us with shortened tempers and patience wearing thin. Especially now, we need Your Spirit’s direction to lead us past the words of contention and confrontation that so easily arise to the words of comfort and compassion that we ought to share. May we follow Your example and walk the path of forgiveness and mercy rather than the way of vindictiveness and condemnation. Help us, gracious Master, to share the same grace that we have been given by You, the grace that focuses not on issues of worthiness, but flows freely from love. Amen.”

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 8 has been examined and found correct. Upon his motion, the Journal is approved as written.

The House meets at 10:00 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Mike Frese, House Chaplain.

"Master of the Universe, like a potter You fashioned the universe and formed us with Your loving touch. Even now You continue to mold us into Your image that we might be vessels of beauty and grace. You craft our talents and implant them within us. You remake us when we are broken and restore us when we have gone astray. And so, Loving Creator, we yield to Your touch, for You are the potter and we are the clay.

"Into Your hands we place our lives with all the tensions, difficulties and concerns which weigh us down and all the joys, celebrations and victories that lift us up. Into Your hands we place Representative Brown, Representative Kinney, and Representative Mosley as they continue on the path of healing and wholeness. Into Your hands we place our work as the House, that we might be sensitive to Your will. Continue to fashion us, O God, until we are crafted into Your image. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 14 has been examined and found correct. Upon his motion, the Journal is approved as written.

ONE HUNDRED FIRST DAY

HOUSE OF REPRESENTATIVES
Monday, July 19, 1999

The House meets at 6:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Mike Frese, House Chaplain.

"Loving God, we come to You because we need You. We need Your guidance as we go about our daily duties. By the light of Your love and the lenses of our faith, help us to see clearly the motivations of our hearts. Help us to discern whether we are standing up for our ideals or simply standing against another out of spite or vindictiveness. Give us grace to check within us all ungenerous judgments and unkind utterances. With the same charitable love You offer us, so may we offer one another a forgiving heart, words of encouragement, and an understanding ear. Let not our work become war, nor our considerations become combat. Rather, let our debate lead us to productive policies that are consistent with Your will. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 15 has been examined and found correct. Upon his motion, the Journal is approved as written.

"Gracious God, as we move ever closer to adjournment, we lift up to You all that we have done. Your grace was offered to us daily, both individually and corporately. For Your consistent presence we're most grateful. Where we have followed Your Spirit's leading and created laws that will enhance the lives of the people of this State, we ask You to bless our work and enhance its effects. Where we have diverged from Your will and created or strengthened conditions of abuse, oppression or injustice, we beg Your forgiveness and ask that by Your mercy, the consequences of our disobedience would be minimized.

"O God, we came with the desire to make a difference in the lives of others. We pray that the difference we make, indeed the legacy we leave, will be positive. We ask this in Your Holy name. Amen."

ONE HUNDRED THIRD DAY

HOUSE OF REPRESENTATIVES
Wednesday, July 21, 1999

The House meets at 8:00 a.m. pursuant to adjournment and is called to order by the Speaker.
The following prayer is offered by the Reverend Mike Frese, House Chaplain.

"Eternal God, You are not absent from creation, but are very much a part of this world. You share our joys, support us in our needs, understand our frustrations, and care for us in times of trouble. We give You thanks for sustaining us during this session. We are thankful for the gifts of support we received from family and friends. We are grateful for the labors of the support staff who have so graciously helped behind the scenes and made the public work of this Assembly go smoothly.

"As we prepare to end this session, we ask that Your blessing that has been upon us here will go with us as we return home to our places of residence. As we go, we ask that Your divine touch will be upon us. Where feelings have been hurt, grant Your forgiving mercy. Where arguments have created rifts, give reconciling grace. Where friendships have been fostered, bestow Your bonds of lasting care. And where illness persists, especially in the lives of Representatives Kinney and Mosley, offer Your healing touch.

"Finally, O God, we pray that Your blessings will be upon the people of this State. May they enjoy the goodness of Your presence, the fullness of Your peace, and the increase of Your justice. Amen."

(b) Should the point of a quorum be raised, the doors shall be closed, and the Clerk shall call the roll of the House, after which the names of those not responding shall again be called. In the absence of a quorum, 15 members are authorized to compel the attendance of absent members and may order that absentees for whom no sufficient excuses are made be taken into custody wherever they may be found by special messenger appointed for that purpose.
RULE 4. **Approval of Journal.** -- (a) The Standing Committee on Rules, Calendar, and Operations of the House shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

(b) Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the Journal report by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House or by a Representative designated by the Chair as to whether the proceedings of the previous day have been correctly recorded. (d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.
(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds \((2/3)\) vote.

RULE 17. Motion to Postpone Indefinitely. -- A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds \((2/3)\) vote.

RULE 18. Motion to Reconsider. -- (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds \((2/3)\) vote: a second or subsequent motion to reconsider and a motion to reconsider:

1. A vote upon a motion to table,
2. A motion to postpone indefinitely,
3. A motion to remove a bill from the unfavorable calendar,
4. A motion that a bill be read twice on the same day, or
5. A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended.

RULE 19. Previous Question. -- (a) The previous question may be called only by:

1. The Chair of the Committee on Rules, Calendar, and Operations of the House;
2. The majority leader;
3. The Speaker Pro Tempore;
4. The member submitting the report on the bill or other matter under consideration, by the member introducing the bill or other matter under consideration; or
5. The member in charge of the measure, who shall be designated by the Chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the "main
"question" is on the passage of the bill, resolution, or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn or motion to table.

(d) If the previous question is decided in the negative, the main question remains under debate.

IV. Voting

RULE 20. Use of Electronic Voting System. -- (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

(1) The passage as required by Article II, Section 23 of the Constitution of North Carolina, on second and third readings of any bill:
   a. Raising money on the credit of the State,
   b. Pledging the faith of the State for the payment of a debt,
   c. Imposing a State tax, or
   d. Authorizing a county, municipality, or other local governmental unit to
      1. Raise money on its credit,
      2. Pledge its faith for the payment of a debt, or
      3. Impose a local tax.

(2) All measures affecting a fee imposed by the State or any subdivision thereof.

(3) All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the Constitution of North Carolina, has been sustained.

(4) Both second and third readings of bills proposing amendment of the Constitution of North Carolina or ratifying resolutions amending the Constitution of the United States.

(5) The passage of a bill notwithstanding the Governor's veto thereof pursuant to Article II, Section 22 of the Constitution of North Carolina.

(b) Votes on the following questions shall be taken on the electronic voting system:

(1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.

(2) Upon a call for division.
(3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth (1/5) of the members present.

(c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically when that time has expired. Once the system is locked, the vote shall be recorded and printed.

(d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic system, the Speaker shall announce that fact to the House, and any partial electronic system voting record shall be voided. In such a case, if the Constitution of North Carolina or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. All other votes shall be taken by voice vote. If, after a vote is taken on the electronic system, it is discovered that a malfunction caused an error in the electronic system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic system, the motions are coded as follows:

(1) To adjourn
(2) To lay on the table
(3) Previous question
(4) To postpone indefinitely
(5) To reconsider
(6) To postpone to a day certain
(7) To re-refer
(8) To amend an amendment
(9) To amend
(10) To substitute
(11) To concur or not concur
(12) Miscellaneous

RULE 21. Voice Votes; Stating Questions. -- (a) When the electronic voting system is not used, the Speaker shall rise and put a question.

(b) The question shall be put in this form, namely, "Those in favor (as the question may be) will say 'Aye', and after the affirmative voice has been expressed, "Those opposed will say 'No'".

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. -- (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. -- Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. Roll Call Vote. -- (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth (1/5) of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. -- (a) Any member shall, upon request, be excused from the deliberations and voting on a particular bill, but to do so must make that request after the second reading of the bill and before any motion or vote on
the bill or any amendment thereto. If the reason for the request arises at some point later in the proceedings, the request may be made at that time.

(b) The member may make a brief oral statement of the reasons for making that request. The member may send forward to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

RULE 24.1B. Division of Amendments. -- Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. -- In all elections the Speaker may vote. In all other instances the Speaker may vote or may reserve this right until there is a tie in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. -- (a) The Speaker shall appoint a Chair, or Cochairs, of every standing committee and select committee, if any. In the construction of these rules, the word "Chair" as applied to a standing committee extends to and includes a Cochair of the standing committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) All permanent subcommittees of each standing committee shall be appointed by the Speaker, and the members appointed, along with the Chair of the standing committee, shall constitute the standing committee of which the permanent subcommittee is a part. The Speaker shall appoint all members of permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(c) The Speaker shall appoint the members of all standing committees having no permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(d) The first member announced on each permanent subcommittee shall be the Chair. The Speaker may designate one or more Vice-Chairs.

(e) Each Chair of a permanent subcommittee shall be a Vice-Chair of the standing committee of which it is a permanent subcommittee. The Speaker may name other members as Vice-Chairs of the standing
committee. The Speaker may name one or more Vice-Chairs for any standing committee not having permanent standing subcommittees.

(f) The Chair of the standing committee shall be a voting member of each permanent subcommittee of the standing committee.

(g) Either the Chair or Acting Chair, designated by the Chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee. For purposes of determining a quorum, the Speaker Pro Tempore, Majority Leader, Majority Whip(s), and the person designated by the Speaker when serving only as ex officio members under subsection (i) of this rule, shall be counted among the membership of the committee or subcommittee only when present.

(h) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

(i) The Speaker Pro Tempore, Majority Leader, two Majority Whips, and one member designated by the Speaker at the time of appointments of chairs of standing committees are ex officio members of every standing committee and permanent subcommittee, with the right to vote. No more than four of these persons may vote under the authority of this subsection at any committee meeting.

RULE 26.1. Mentions of Standing Committee Includes Select Committee. -- Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

RULE 27. List of Standing Committees and Permanent Subcommittees. -- The standing committees and permanent subcommittees thereof are:

**RULE 28. Standing Committee and Permanent Subcommittee Meetings.** -- (a) Standing committees and permanent subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule adopted by the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.
(b) Subject to the provisions of subsection (c) of this rule, standing committees and permanent subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees or permanent subcommittees.

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee or permanent subcommittee and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.

(d) Procedure in the standing committees and permanent subcommittees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth (1/5) of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(e) No standing committee or permanent subcommittee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly scheduled hour. No permanent subcommittee shall meet at the same time that its standing committee is meeting. Standing committees and permanent subcommittees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee and permanent subcommittee meetings shall adjourn no later than:

1. 15 minutes preceding a regular session of the House, and
2. 10 minutes preceding the hour of the next regularly scheduled standing committee or permanent subcommittee meeting.

(g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative sessions shall be mailed to each member of the standing committee or permanent subcommittee at least five days prior to such meeting. If a member of the body so requests in writing to the Chair of the standing committee or permanent subcommittee, the member shall be notified by certified mail of the meetings.

(h) During standing committee and permanent subcommittee meetings, the Chair may exercise the right to vote, or may reserve this right
until there is a tie, in which event the Chair may vote, but in no instance may the Chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations Into Violations of the Open Meetings Law. -- (a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.

(b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against him and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

1. Dismiss the complaint and take no further action.
2. Issue a letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.
3. Issue a letter of reprimand if the violation of the Open Meetings Law was intentional, or if the legislator has previously received a letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.
4. Refer the matter to the House for appropriate action.

RULE 29. Notice of Standing Committee and Permanent Subcommittee Meetings and Hearings. -- Public notice of all standing committee and permanent subcommittee meetings shall be given in the House. The Chair of the standing committee or permanent subcommittee shall notify or cause to be notified the sponsor of each bill which is set for hearing or consideration before the standing committee or permanent subcommittee as to the date, time, and place of that meeting.

RULE 29.1. Public Hearings. -- (a) Requests for a public hearing shall be made in writing to the Chair of the standing committee and, if applicable, the Chair of the permanent subcommittee to which the bill has been referred. The Chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. The Chair of the permanent subcommittee may schedule a public hearing before the permanent subcommittee at its regularly scheduled hour. Denial of a request made by a House member may be appealed to the Speaker.
Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press, and information shall be posted in the places designated by the Principal Clerk.

(b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the Chair of the standing committee or permanent subcommittee. The standing committee or permanent subcommittee Chair may designate one or more members to arrange the order of appearance of interested parties. A brief written statement of testimony may be submitted without oral presentation and shall be incorporated into the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library. -- The Chair of a standing committee or a permanent subcommittee shall insure that written minutes are compiled for each of the body's meetings. The minutes shall indicate the members present and the actions taken at the meeting. Not later than 20 days after the adjournment of each session of the General Assembly, the Chair shall deliver the minutes to the Legislative Library. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the Chair.

RULE 30. Standing Committee of the Whole House. -- (a) A Standing Committee of the Whole House shall not be formed, except by suspension of the rules, if there be objection by any member.

(b) After passage of a motion to form a Standing Committee of the Whole House, the Speaker shall appoint a Chair to preside in the standing committee, and the Speaker shall leave the dais.

(c) The rules of procedure in the House shall be observed in the Standing Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.

(d) In the Standing Committee of the Whole House, a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Standing Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee, and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Introduction of Bills and Resolutions. -- (a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk's office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 30 minutes after
adjournment each Monday, by 3:00 p.m. each Tuesday, Wednesday, Thursday, and Friday.

(b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons, and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.

(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.

(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. Captions of public bills may be amended only by amendment proposed by the standing committee to which the bill was referred. Third reading shall not be had on any bill or resolution on the same day that such caption is amended.

(e) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows:
"House Substitute for______" or "House Committee Substitute for______".

(f) House Resolutions need not be read more than twice.

(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House.

(h) Any reference in these rules to bills shall extend to resolutions unless the context requires otherwise.

RULE 31.1. Deadlines on Introduction and Receipt of Limitation on Number of Public Bills Introduced; Single Subject Rule.
-- (a) All public bills or resolutions recommended by commissions or standing committees authorized or directed by act or resolution of the General Assembly to report to the 1999 Regular Session of the General Assembly, or to report prior to convening of that session, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on the fourth Wednesday in February (February 24) and must be introduced not later than 3:00 p.m. on the next Wednesday (March 3) of the first year of the biennial session; and

(a1) All bills prepared to be introduced for departments, agencies, or institutions of the State must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on the fourth Wednesday in February (February 24) and must be introduced not later than 3:00 p.m. on the next Wednesday (March 3). A bill introduced
under this subsection shall be identified as an Agency Bill after its short title.

(a2) All local bills must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on the fourth Wednesday in March (March 24) and must be introduced not later than 3:00 p.m. on the next Wednesday (March 31) of the first year of the biennial session.

(b) All public bills which would not be required to be re-referred to the Appropriations or Finance Committees under Rule 38 must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on the first Wednesday in April (April 7) and must be introduced not later than 3:00 p.m. on the next Wednesday (April 14) of the first year of the biennial session.

(c) All public bills which under Rule 38 would be required to be re-referred to the Appropriations Committee, or to both the Appropriations and Finance Committees, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on the third Wednesday in April (April 21) and must be introduced not later than 3:00 p.m. on the next Wednesday (April 28) of the first year of the biennial session. All public bills which under Rule 38 would be required to be re-referred to the Finance Committee but not the Appropriations Committee must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on the first Wednesday in May (May 5) and must be introduced not later than 3:00 p.m. on the next Wednesday (May 12) of the first year of the biennial session. If any bill is eligible for introduction on account of the date only under this subsection, and the bill is amended so that qualifying appropriation or tax law change does not remain in the bill, it shall not be eligible for further consideration. For the purpose of this section, a "tax law change" includes any provision that would require a bill under Rule 38(b) to be referred to the Standing Committee on Finance.

(d) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills which would be required to be re-referred to the Appropriations or Finance Committees under Rule 38 or adjournment resolutions, must be received and read on the floor of the House as a message from the Senate no later than April 29; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

(d1) Except by motion approved by a majority of members of the House present and voting, no public House bill other than the Current Operations Appropriations Act or the Capital Improvement Appropriations Act may contain more than one subject.
(e) This rule, other than subsection (d1), does not apply to bills establishing districts for Congress or State or local entities. This rule, other than subsection (d1), does not apply to measures ratifying an amendment or amendments to the Constitution of the United States.

RULE 32. Reference to Standing Committee and to Permanent Subcommittees; Serial Referrals. -- (a) Each bill, joint resolution, or House resolution not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee or permanent subcommittee as the Speaker deems appropriate. The Speaker at the same time may order that if the bill is reported with any favorable recommendation or without prejudice it be re-referred automatically upon the committee report to another committee or permanent subcommittee, designated in the order.

(b) The standing committee Chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

1. Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;

In the case of a vacancy, inability, or refusal to so serve, the duty shall devolve upon the sergeant-at-arms of the prior House, and in the case of a vacancy in that office, or inability or refusal to so serve, the duty shall devolve upon the reading clerk of the prior House.

(b) It shall be the duty of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House of the prior House to assign seats to the members of the House of Representatives in its Chamber. In the case of the inability or refusal to serve of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker of
the prior House of Representatives shall appoint a person to assign seats to members of the House of Representatives in its Chamber. In the event that the party that had a majority of members in the prior House will no longer have a majority of members of the new House, then the duty assigned in this subsection to the Chair of the committee of the prior House shall instead be the duty of the person nominated as Speaker by the majority party caucus for the new House, or some member-elect designated by the Speaker-nominee. In the event no party will have a majority, then the duty assigned in this subsection to the Chair of the committee of the prior House shall instead be the joint duty of one person chosen each by the caucuses of the two parties having the greatest numbers of members.

RULE 6. Duties and Powers of the Speaker. -- The Speaker shall have general direction of the Hall. With the consent of or in the absence of the Speaker Pro Tempore, the Speaker may name any member to perform the duties of the Chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House.

RULE 7. Obtaining Floor. -- (a) When any member desires recognition for any purpose, the member shall rise and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

(b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he or she may propound a question to the member occupying the floor; but he or she shall not otherwise interrupt
the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.

(c) A member who has obtained the floor may be interrupted only for the following reasons:

Questions of privilege shall be those affecting, first, the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence over all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

RULE 9. Points of Order. -- (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the Chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A two-thirds (2/3) vote of the members present shall be necessary to sustain any appeal from the ruling of the Chair.

   (b) When the Speaker calls a member to order, the member shall be seated except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the Chair and the decision by a two-thirds (2/3) vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the House, requires it, the member shall be liable to censure by the House.

RULE 10. Limitations on Debate. -- (a) No member shall speak on, debate, or solicit cosponsors for a bill or resolution at its first reading.

   (b) No member shall speak more than twice on the main question, nor longer than 20 minutes for the first speech and 10 minutes for the second speech; nor shall the member speak more than twice upon an amendment or motion to reconsider, re-refer, appeal, or postpone, and then not longer than 10 minutes for the first speech and five minutes for the second speech.

   (c) A member may speak only once and for not more than 20 minutes on the question of the adoption of a minority report.
(d) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) and (c) of this rule during any debate on any particular question before the House.

RULE 11. Reading of Papers. -- When there is a call for the reading of the text of a paper which has been presented to the House, and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. General Decorum. -- (a) The Speaker shall preserve order and decorum.
   (b) Decency of speech shall be observed and disrespect to personalities carefully avoided.
   (c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of, or cross the House, nor when a member is speaking, engage in disruptive discourse or pass between the member and the Chair.
   (d) Food or beverages shall not be permitted on the floor of the House during the first two hours of the daily session.
   (e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.
   (f) Smoking or the consumption of food or beverages shall not be permitted in the galleries at any time.

   (h) Members shall observe appropriate attire, coat and tie for male members and dignified dress for female members.
   (i) The use of wireless telephones shall not be permitted in the House Chamber.

III. Motions

RULE 13. Motions Generally. -- (a) Every motion shall be reduced to writing if the Speaker or any two members request it. No motion relating to a bill shall be in order which does not identify the bill by its number and short title.
   (b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the Chair and read aloud by the Speaker or Clerk before debate.
   (c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.
RULE 14. **Motions, Order of Precedence.** -- When there are motions before the House, the order of precedence is as follows:

To adjourn
To lay on the table
Previous question
To postpone indefinitely
To reconsider
To postpone to a day certain
To re-refer
To amend an amendment
To amend
To substitute
To pass the bill

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. **Motion to Adjourn.** -- (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. **Motion to Table.** -- (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds (2/3) vote.

RULE 17. **Motion to Postpone Indefinitely.** -- A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds (2/3) vote.
RULE 18. **Motion to Reconsider.** -- (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds (2/3) vote: a second or subsequent motion to reconsider and a motion to reconsider:

1. A vote upon a motion to table,
2. A motion to postpone indefinitely,
3. A motion to remove a bill from the unfavorable calendar,
4. A motion that a bill be read twice on the same day, or
5. A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended.

RULE 19. **Previous Question.** -- (a) The previous question may be called only by:

1. The Chair of the Committee on Rules, Calendar, and Operations of the House;
2. The majority leader;
3. The Speaker Pro Tempore;
4. The member submitting the report on the bill or other matter under consideration;
5. The member introducing the bill or other matter under consideration; or
6. The member in charge of the measure, who shall be designated by the Chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: "Call for the previous question having been made, is the call sustained?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the question is on the passage of the bill, resolution, or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn or motion to table.

(d) If the previous question is decided in the negative, the question remains under debate.

IV. Voting

RULE 20. **Use of Electronic Voting System.** -- (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:
(1) The passage as required by Article II, Section 23 of the Constitution of North Carolina, on second and third readings of any bill:
   a. Raising money on the credit of the State,
   b. Pledging the faith of the State for the payment of a debt,
   c. Imposing a State tax, or
   d. Authorizing a county, municipality, or other local governmental unit to
      1. Raise money on its credit,
      2. Pledge its faith for the payment of a debt, or
      3. Impose a local tax.

(2) All measures affecting a fee imposed by the State or any subdivision thereof.

(3) All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the Constitution of North Carolina has been sustained.

(4) Both second and third readings of bills proposing amendment of the Constitution of North Carolina or ratifying resolutions amending the Constitution of the United States.

(5) The passage of a bill notwithstanding the Governor's veto thereof pursuant to Article II, Section 22 of the Constitution of North Carolina.

(b) Votes on the following questions shall be taken on the electronic voting system:

   (1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.

   (2) Upon a call for division.

   (3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth (1/5) of the members present.

   (c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically when that time has expired. Once the system is locked, the vote shall be recorded and printed.

   (d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a
breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic system, the Speaker shall announce that fact to the House, and any partial electronic system voting record shall be voided. In such a case, if the Constitution of North Carolina or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic system, it is discovered that a malfunction caused an error in the electronic system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic system, the motions are coded as follows:

(1) To adjourn
(2) To lay on the table
(3) Previous question
(4) To postpone indefinitely
(5) To reconsider
(6) To postpone to a day certain
(7) To re-refer
(8) To amend an amendment
(9) To amend
(10) To substitute
(11) To concur or not concur
(12) Miscellaneous
RULE 21. Voice Votes; Stating Questions. -- (a) All other votes except those required to be taken on the electronic voting system shall be taken by voice vote.

(b) When a voice vote is taken the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'Aye'", and after the affirmative voice has been expressed, "Those opposed will say 'No'".

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. -- (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. -- Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. Roll Call Vote. -- (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth (1/5) of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. -- (a) Any member shall, upon request, be excused from the deliberations and voting on a particular bill, but to do so must make that request after the second reading of the bill and before any motion or vote on the bill or any amendment thereto. If the reason for the request arises at some point later in the proceedings, the request may be made at that time.

(b) The member may make a brief oral statement of the reasons for making the request. The member may send forward to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.
(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

RULE 24.1B. Division of Amendments. -- Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. -- In all elections the Speaker may vote. In all other instances the Speaker may vote or may reserve this right until there is a tie in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. -- (a) The Speaker shall appoint a Chair, or Cochairs, of every standing committee, permanent subcommittee, and select committee, if any. In the construction of these rules, the word "Chair" as applied to a committee extends to and includes a Cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) All permanent subcommittees of each standing committee shall be appointed by the Speaker, and the members appointed, along with the Chair of the standing committee, shall constitute the standing committee of which the permanent subcommittee is a part. The Speaker shall appoint all members of permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(c) The Speaker shall appoint the members of all standing committees having no permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(d) Each Chair of a permanent subcommittee shall be a Vice-Chair of the standing committee of which it is a permanent subcommittee. The Speaker may name other members as Vice-Chairs of the standing committee. The Speaker may name one or more Vice-Chairs for any standing committee not having permanent subcommittees.

(e) The Chair of the standing committee shall be a voting member of each permanent subcommittee of the standing committee.

(f) Either the Chair or Acting Chair, designated by the Chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee. For purposes of determining a quorum, the Speaker Pro Tempore, Majority Leader, Majority Whips, and the person designated by the Speaker when serving only as ex officio members under subsection (h) of this rule, shall be
counted among the membership of the committee or subcommittee only when present.

(g) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

(h) The Speaker Pro Tempore, Majority Leader, two Majority Whips, and one member designated by the Speaker at the time of appointments of chairs of standing committees are ex officio members of every standing committee and permanent subcommittee, with the right to vote. No more than four of these persons may vote under the authority of this subsection at any committee meeting.

RULE 26.1. Mentions of Standing Committee Includes Select Committee. -- Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

RULE 27. List of Standing Committees and Permanent Subcommittees. -- The standing committees and permanent subcommittees thereof are:

RULE 28. Standing Committee and Permanent Subcommittee Meetings. -- (a) Standing committees and permanent subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule adopted by the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.

(b) Subject to the provisions of subsection (c) of this rule, standing committees and permanent subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees or permanent subcommittees.

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee or permanent subcommittee and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.
(d) Procedure in the standing committees and permanent subcommittees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth (1/5) of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(e) No standing committee or permanent subcommittee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly scheduled hour. No permanent subcommittee shall meet at the same time that its standing committee is meeting. Standing committees and permanent subcommittees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee and permanent subcommittee meetings shall adjourn no later than:

1. 15 minutes preceding a regular session of the House, and
2. 10 minutes preceding the hour of the next regularly scheduled standing committee or permanent subcommittee meeting.

(g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative sessions shall be mailed to each member of the standing committee or permanent subcommittee at least five days prior to such meeting. If a member of the body so requests in writing to the Chair of the standing committee or permanent subcommittee, the member shall be notified by certified mail of the meetings.

(h) During standing committee and permanent subcommittee meetings, the Chair may exercise the right to vote, or may reserve this right until there is a tie, in which event the Chair may vote, but in no instance may the Chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations Into Violations of the Open Meetings Law. -- (a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.

(b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the
inquiry and the charges against him and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

1. Dismiss the complaint and take no further action.
2. Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.

(b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons, and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.

(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.
(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. Third reading shall not be had on any bill or resolution on the same day that such caption is amended.

(e) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows: "House Committee Substitute for______".

(f) House Resolutions need not be read more than twice.

(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House.

(h) Any reference in these rules to bills shall extend to resolutions unless the context requires otherwise.

RULE 31.1. Deadlines on Introduction and Receipt of Limitation on Number of Public Bills Introduced; Single Subject Rule. -- (a) All public bills or resolutions recommended by commissions or standing committees authorized or directed by act or resolution of the General Assembly to report to the 1999 Regular Session of the General Assembly, or to report prior to convening of that session, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on the fourth Wednesday in February (February 24) and must be introduced not later than 3:00 p.m. on the next Wednesday (March 3) of the first year of the biennial session; and

(c) All public bills which under Rule 38 would be required to be re-referred to the Appropriations Committee, or to both the Appropriations and Finance Committees, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on the third Wednesday in April (April 21) and must be introduced not later than 3:00 p.m. on the next Wednesday (April 28) of the first year of the biennial session. All public bills which under Rule 38 would be required to be re-referred to the Finance Committee but not the Appropriations Committee must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 p.m. on the first Wednesday in May (May 5) and must be introduced not later than 3:00 p.m. on the next Wednesday (May 12) of the first year of the biennial session. If any bill is eligible for introduction on account of the date only under this subsection, and the bill is amended so that qualifying appropriation or tax law change does not remain in the bill, it shall not be eligible for further consideration. For the purpose of this section, a "tax law change" includes any provision that would require a bill under Rule 38(b) to be referred to the Standing Committee on Finance.

(d) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills which would be required to be re-referred to the Appropriations or Finance Committees under Rule 38 or adjournment resolutions, must be received and read on the floor of the House as a message from the Senate no later than April 29; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

RULE 32. Reference to Standing Committee and to Permanent Subcommittees; Serial Referrals. -- (a) Each bill, joint resolution, or House resolution not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee or permanent subcommittee as the Speaker deems appropriate. The Speaker at the same time may order that, if the bill is reported with any favorable recommendation or without prejudice, it be re-referred automatically upon the committee report to another committee or permanent subcommittee designated in the order.
(b) The standing committee Chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

1. Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;

2. Favorable, without prejudice, or unfavorable as to the original bill, as amended, with the recommendation that the report be made to the standing committee;

3. Favorable or without prejudice to the proposed committee substitute, and unfavorable to the original bill, with the recommendation that the report be made to the standing committee;

6. Favorable to the proposed committee substitute with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee Chair, and unfavorable to the original bill.

Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee Chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee, the bill shall be before that body for further action unless the permanent subcommittee Chair reports the bill directly pursuant to Rule 36.

RULE 33. Papers Addressed to the House. -- Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

RULE 34. Introduction of Resolutions and Bills, Copies Required. -- (a) Whenever any resolution or bill is introduced, a duplicate
copy thereof shall be attached thereto, and the Principal Clerk shall cause said duplicate copy to be numbered as the original resolution or bill is numbered, and shall cause the same to be available at all times to the member introducing the same.

(b) Numbering of House Bills shall be designated as "H.B.____." (No. following). A Joint Resolution shall be designated as "H.J.R.____." (No. following). A House Resolution shall be designated as "H.R.____." (No. following).

(c) Whenever any resolution or bill is filed for introduction, it shall be in a House bill jacket containing 30 copies and in the form designated by the Speaker. The Clerk shall stamp the copies with the number stamped upon the original bill.

RULE 35. Duplicating and Availability of Copies of Bills. --
(a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. The Legislative Services Officer shall cause one copy of each resolution and public bill for each member to be delivered to the member's committee assistant or legislative assistant who shall place it in the appropriate notebook on the member's desk. If a member so requests, a second copy shall be delivered to the member's committee assistant or legislative assistant who shall place it in the member's office. The remaining copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties. No public bill and, upon objection by a member, no local bill may be considered unless copies of the bill have been made available to the entire membership of the House.

RULE 35.1. Assessment Reports. -- (a) Every bill or resolution proposing the establishment of an occupational or professional licensing board, as defined in Article 18A of Chapter 120 of the General Statutes, or a study for the need to establish such a board shall have attached to the jacket of the original bill or resolution at the time of its consideration on second and third readings by the House or by any standing committee or permanent subcommittee of the House, an assessment report from the Legislative Committee on New Licensing Boards pursuant to Article 18A of Chapter 120 of the General Statutes. The assessment report shall not constitute any part of the expression of legislative intent proposed by the formation of a licensing board. Upon receipt of the request, the Legislative Committee on New Licensing Boards shall prepare and return the assessment report as soon as possible but not later than 60 days, reserving the right to extend this time to 90 days.
(b) Every legislative proposal introduced in the House of Representatives, or received in the House of Representatives from the Senate, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the House of Representatives or by any committee of the House of Representatives prior to a favorable report, a recommendation from the Joint Legislative Commission on Municipal Incorporations, established by Article 20 of Chapter 120 of the General Statutes. The recommendation of the Joint Legislative Commission on Municipal Incorporations shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.

RULE 36. Report by Standing Committee or Permanent Subcommittee. -- (a) When reports required. -- All House bills and resolutions shall be reported from the standing committee or permanent subcommittee to which referred with such recommendations as the standing committee or permanent subcommittee may desire to make except in the case where the principal introducer requests in writing to the Chair of the standing committee or permanent subcommittee that the bill not be considered.

With the written approval of the Chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(b)(4) through (6), the Chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the Chair of the standing committee fails to give approval, the bill shall be deemed to have been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(b) Favorable Report. -- When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day designated by the Chair of the Committee on Rules, Calendar, and Operations of the House, but no later than the fourth legislative day after submission of the report, unless:

1. The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32; or
2. The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee.

In order to place a bill on the calendar for a legislative day, notice shall be given by the Chair of the Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk. When a committee substitute is adopted and receives a favorable report by the committee or permanent subcommittee, the standing committee or permanent subcommittee Chair shall submit to the standing committee or
permanent subcommittee the question of an unfavorable report on the original bill. The standing committee's or permanent subcommittee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(c) **Report Without Prejudice.** -- When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar in the same manner as provided in subsection (a) of this rule.

(d) **Postponed Indefinitely.** -- When a standing committee reports a bill with the recommendation that it be postponed indefinitely and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

**RULE 36.1. Fiscal Notes.** -- (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Rules, Calendar, and Operations of the House Committee, upon the floor of the House, may request that a fiscal analysis be made of a bill, resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, when in the opinion of that Chair the fiscal effects of that measure are not apparent from the language of the measure.

(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Rules, Calendar, and Operations of the House Committee as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal
Research Division shall make the fiscal note available to the membership of the House.

(d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when filed or to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.

(f) Subsection (a) of this rule shall not apply to the Current Operations Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.

RULE 36.2. Actuarial Notes. -- (a) Every bill or resolution proposing any change in the law relative to any:

(1) State, municipal, or other retirement system funded in whole or in part out of public funds; or

(2) Program of hospital, medical, disability or related benefits provided for teachers and State employees, funded in whole or in part by State funds

shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or any permanent subcommittee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subdivision (a)(1) of this rule shall be referred to the Committee on Pensions and Retirement upon its introduction.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being
necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any permanent subcommittee or standing committee reports a measure to which an actuarial note is attached at the time of permanent subcommittee or standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, the Chair of the permanent subcommittee or standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House must be referred to the Standing Committees on Appropriations or the Standing Committee on Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.

(b) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the Chair of the standing committee, and to sustain that motion two-thirds (2/3) of the members of the House shall be required.

RULE 39.1. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.

House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c).

If the Senate adopts an amendment or committee substitute to a House bill, the House may refuse to receive the bill on account of lack of germaneness if the Senate has a similar rule.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

more than one category. An individual is not eligible for nomination if he or she was nominated and not elected to the Board of Governors by the Senate during the 1999 Session.

3. A Representative may nominate persons only for the categories available for election by the House of Representatives. In the 1999 Session, the House of Representatives will elect:
   (a) Five persons in the at-large category, four for four-year terms and one for the remainder of the unexpired term that ends on June 30, 2001;

   (d) When fewer than two nominees in the minority race or the woman categories receive the votes of a majority of all members present and voting for positions in those categories, a runoff to fill the open position or positions shall be conducted among the nominees who were not
elected but who received the highest number of votes cast in each category; and the number of nominees eligible to be voted on in the runoff shall be twice the number of positions to be filled.

(e) When more than two nominees in the minority race or woman categories receive the votes of a majority of all members present and voting for positions in those categories, then the two nominees in the minority race category, and the two nominees in the woman category receiving the highest number of votes in the category shall be deemed to have been elected.

(g) If there is a tie for the last position between two nominees who are eligible for the next runoff, both nominees shall be included in the next runoff balloting, even though there would be more than two nominees per available position.

4. The members of the House of Representatives shall proceed to mark their ballots for the following:

   Every ballot shall be signed by the member of the House of Representatives casting it, and no unsigned ballots shall be counted.

5. The Chair of the Committee is responsible for canvassing the vote and declaring the results and may designate members of the Committee to assist. All ballots shall be retained by the Principal Clerk as part of the permanent records of the House of Representatives and shall be open for immediate public inspection.

When the Chair of the Committee has determined that the House of Representatives has elected two members from the minority race category, two members from the woman category, four members from the at-large category for terms of four years, and one member from the at-large category for the remainder of the unexpired term, the Speaker of the House of Representatives shall declare those nine persons to have been elected to the Board of Governors by the House of Representatives to the indicated positions and for the indicated terms.

7. The results of the election in the House of Representatives shall then be sent by Special Messenger to the Senate.

III. NOTIFICATION OF ELECTION RESULTS.

The Speaker of the House of Representatives shall appoint five members, as follows: two members of the General Assembly, one individual nominated by the North Carolina League of Municipalities, one individual who represents business taxpayers, and one public member.

The President Pro Tempore of the Senate shall appoint five members, as follows: two members of the General Assembly, one individual nominated by the North Carolina League of Municipalities, one individual who represents business taxpayers, and one public member.

(3) Review tax changes made in the last 10 years to determine their impact on the State compared to their projected impact, and to assess any economic or demographic conditions on the horizon that may alter their impact.

(4) Examine the impact of changing intergovernmental (federal-State-local) relationships upon funding among levels of government and the resulting impact upon tax policy; and examine how the State, counties, and cities will share a reduced federal funding role, when, in 2003, the Balanced Budget Act takes full effect and federal domestic spending is fully capped.

(5) Examine the impact of changing interlocal, (city/county) service systems and the resulting effect on local tax policy; and examine how area-wide services, such as fire suppression, water-sewer, and recreation, should be financed and allocated.

Section 3.10. Staff. -- Within funds available, the Commission, after consultation with the Legislative Services Commission, shall employ a full-time Executive Director who shall report to the Commission and serve at its pleasure. The Executive Director shall be the Chief Executive Officer and may employ additional employees and contract for services, subject to approval of the Commission. Additional staff may be provided to the Commission by the Legislative Services Office.

Section 3.11. Powers. -- The Commission, while in the discharge of official duties, may exercise all the powers provided under the provisions of G.S. 120-19 through G.S. 120-19.4. CONFERENCE COMMITTEE SUBSTITUTE FOR SENATE BILL 742

PCCS 002, A BILL TO BE ENTITLED AN ACT TO MAKE IT UNLAWFUL FOR SCHOOL PERSONNEL TO ENGAGE IN SEXUAL ACTS WITH A STUDENT.

The General Assembly of North Carolina enacts:

Section 1. Article 26 of Chapter 14 of the General Statutes is amended by adding a new section to read:

"§ 14-202.4. Taking indecent liberties with a student.
   (a) If a defendant, who is a teacher, school administrator, student teacher, or coach, at any age, or who is other school personnel and is at least four years older than the victim, takes indecent liberties with a victim who is a student, at any time during or after the time the defendant and victim were present together in the same school but before the victim ceases to be a student, the defendant is guilty of a Class I felony, unless the conduct is covered under some other provision of law providing for greater punishment. The term "same school" means a school at which the student is enrolled and the school personnel is employed or volunteers. A person is not guilty of taking indecent liberties with a student if the person is lawfully married to the student.
   (b) If a defendant, who is school personnel, other than a teacher, school administrator, student teacher, or coach, and who is less than four years older than the victim, takes indecent liberties with a student as provided in subsection (a) of this section, the defendant is guilty of a Class A1 misdemeanor.
   (c) Consent is not a defense to a charge under this section.
   (d) For purposes of this section, the following definitions apply:
      (1) "Indecent liberties" means:
         a. Willfully taking or attempting to take any immoral, improper, or indecent liberties with a student for the purpose of arousing or gratifying sexual desire; or
         b. Willfully committing or attempting to commit any lewd or lascivious act upon or with the body or any part or member of the body of a student."
For purposes of this section, the term indecent liberties does not include vaginal intercourse or a sexual act as defined by G.S. 14-27.1.

(2) "School" means any public school, charter school, or nonpublic school under Parts 1 and 2 of Article 39 of Chapter 115C of the General Statutes.

(3) "School personnel" means any person included in the definition contained in G.S. 115C-332(a)(2), and any person who volunteers at a school or a school-sponsored activity.

(4) "Student" means a person enrolled in kindergarten, or in grade one through grade 12 in any school."

Section 2. G.S. 14-27.7 reads as rewritten:

"§ 14-27.7. Intercourse and sexual offenses with certain victims; consent no defense.

(a) If a defendant who has assumed the position of a parent in the home of a minor victim engages in vaginal intercourse or a sexual act with a victim who is a minor residing in the home, or if a person having custody of a victim of any age or a person who is an agent or employee of any person, or institution, whether such institution is private, charitable, or governmental, having custody of a victim of any age engages in vaginal intercourse or a sexual act with such victim, the defendant is guilty of a Class E felony. Consent is not a defense to a charge under this section.

(b) If a defendant, who is a teacher, school administrator, student teacher, or coach, at any age, or who is other school personnel, and who is at least four years older than the victim engages in vaginal intercourse or a sexual act with a victim who is a student, at any time during or after the time the defendant and victim were present together in the same school, but before the victim ceases to be a student, the defendant is guilty of a Class G felony, except when the defendant is lawfully married to the student. The term "same school" means a school at which the student is enrolled and the school personnel is employed or volunteers. A defendant who is school personnel, other than a teacher, school administrator, student teacher, or coach, and is less than four years older than the victim and engages in vaginal intercourse or a sexual act with a victim who is a student, is guilty of a Class A1 misdemeanor. This subsection shall apply unless the conduct is covered under some other provision of law providing for greater punishment. Consent is not a defense to a charge under this section. For purposes of this subsection, the terms "school", "school personnel", and "student" shall have the same meaning as in G.S. 14-202.4(d)."

Section 3. This act becomes effective December 1, 1999, and applies to offenses committed on or after that date.

INDEX

HOUSE JOURNAL

FIRST SESSION

1999
The North Carolina General Statutes titles form the basis for this alphabetical index. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. If a bill had an identical Senate or House bill at the time of introduction, the identical bill number appears in parentheses preceded by "H" or "S". Bills included in whole or in part in other measures are reflected as such, if known.

All bills dealing with funds are indexed under Appropriations, Local or Appropriations, Public. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the member's name with an asterisk (*) noting that person as the primary sponsor.

Pursuant to a call of His Excellency, Governor James B. Hunt, Jr., hereinafter recorded, the House of Representatives of the General Assembly of North Carolina convenes in its Hall in Extra Session, at the hour of 9:00 a.m., Wednesday, December 15, 1999, and is called to order by the Speaker of the House, James B. Black.

The following prayer is offered by the Reverend Michael D. Frese, House Chaplain.

"Merciful God, we gather this day in a time of great need. The fabric of our State's human infrastructure is unraveling due to hurricanes and floods. In the effects of these disasters, we are reminded of the matrix of dependency that unites us as people of this State. We come renouncing this problem to be regional and affirm the common bond of humanity that unites us all. We come seeking solutions that are fair and just and full of mercy.

"We pray especially for those who are on the front lines of this disaster. Though waters have receded, the devastation remains unabated. Though rivers are back in their banks, despair and depression continue to rise. Where hope is drowning and expectation is eroding, may the levy of Your presence provide protection. Where frustration increases and anger abounds, grant peace and patience. And where compassion is offered and assistance is given, may Your love be manifest and Your blessings abide.

"Almighty God, we come as duly elected officials of this State. Yet, we remember that we are at our best when we are humble servants of the State and stewards of Your will. Our task is great and the intricacies of the issues are many. We come, therefore, seeking Your guidance in our endeavors. Let our resolve be firm and our compassion be extensive. May

**SPEAKER’S REMARKS**

The Speaker makes the following remarks:

“Good morning.

“This is the day that the people of eastern North Carolina have been hoping and praying for. We are here today to lend a helping hand to our brothers and sisters. Much work has been done in determining the extent of the losses to our people in the worst natural disaster in the State’s history. This work has been done by knowledgeable people that I personally have a lot of confidence in.

“Many of you traveled to Washington to lobby our Congressional Delegation for federal aid. Most of you have actually visited eastern North Carolina to see first-hand the devastation. I know that was an eye-opening experience for you, as it was for me.

“More than a week ago, a good number of you heard the outlines of the plan that is before us today. I set up those meetings so that you could begin asking questions and developing possible solutions. More than half of you have been here for the past two days discussing a plan that I think is a balanced plan. It doesn’t make everyone happy, but it is a good first step on the road to recovery. Now, it’s time to pass legislation. And we should do so as quickly as possible. The House of Representatives will do its duty, scrutinize the plan and even make some changes. We’ve already made a few. But hopefully we will not dawdle. The work that you have already done should allow us to pass this legislation quickly. We can do that if we work together.

“As I have said, this plan focuses on the most immediate needs. Most of the money would go toward putting people in permanent housing. Our goal is to move people out of camping trailers as soon as possible -- and not to have any more who need to move in.

“There is no doubt that passage of this legislation will affect next year’s budget deliberations. But we are not here today to write the state budget for
We are here today to give the people of eastern North Carolina a helping hand, to begin meeting some of their most pressing needs. We need to do that quickly and cooperatively, in a bipartisan manner.

"The people of eastern North Carolina—and the rest of the State—expect no less."

Representative Culpepper is recognized and states that he has placed a resolution with the Clerk for consideration by the Body.

SECOND DAY

HOUSE OF REPRESENTATIVES
Thursday, December 16, 1999

The House meets at 11:00 a.m. pursuant to adjournment and is called to order by the Speaker.
The following prayer is offered by the Reverend Mike Frese, House Chaplain.

"Almighty God, your generosity is without end and your mercy is from everlasting to everlasting. In this time of need, we are frustrated by the limits of finances and procedures. O God, we confess that our compassion is greater than the resources at our disposal and our mercy is more that the money available. Yet, we proceed in our task of governance, trusting that your guiding hand has been upon our deliberations and that you have shepherded us toward a plan that will accomplish your purposes. We pray your blessings upon our work - that like the jar of meal in the time of Elijah, the flask of oil at the time of Judas Maccabeus, and the loaves and fishes in the hands of Jesus, our offering of aid will be blessed by your providence and power and what seems like a little will become enough."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of December 15 has been examined and found correct. Upon his motion, the Journal is approved as written.

Leaves of absence are granted Representatives Hardaway, Kinney, and Ramsey for today. Representatives Cansler, Esposito, McComas, and G. Wilson, are excused for a portion of the session.
