We continually find ourselves tempted by the dark side of our created dignity, the power of creation brings with it the capability of destruction, our ambition threatens to outrun patience, our desires conflict with a call to prudence. Guide us, O God. Protect us from ourselves, lest in trying to do the right thing in the wrong way, we will destroy the good which we strive toward. Amen."

ONE HUNDRED NINETY-FIRST DAY

HOUSE OF REPRESENTATIVES
Monday, June 17, 2002

The House meets at 7:05 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Mike Frese, House Chaplain:

"O God, You are the Creator of the Universe and the Sustainer of all life. In faith we call you Lord - Lord not only of the cosmos, but also of our lives. In professing such faith, we place the entirety of our being under Your purposes, including our work in the House. Let not our pronouncements of truth and justice be pious proclamations, but existential ideals after which we consistently strive. Though we are Members of differing political parties, let our first allegiance be to Your will and Your kingdom. May our faith in You be woven into our every discussion and every decision. For we recognize that true belief is not simply a matter of speaking fine sounding phrases, but of living faithfully in Your love and caring for Your children. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of June 13 has been examined and found correct. Upon his motion, the Journal is approved as written.

The following prayer is offered by the Reverend Mike Frese, House Chaplain:

"Grant us, O Lord, a clear vision of what is faithful and good. Remove from us lesser values that we might set our sights on what is lasting and true. Grant that we might not only be familiar with the issues at hand, but we would be well-versed in the ideals of our faith by which we must judge these issues. Teach us to value not only the budget’s dollar, but the lives that are affected by the collecting and disbursing of these funds. Move us beyond simply valuing the holding of public office to the virtue of being a servant to others and to You. Cleanse our thoughts and purify our minds that we might be worthy of the task that has been entrusted to us. Amen."

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Everlasting God:

"Each day is like opening a birthday present, hand-delivered from Thee. Each sunrise...each blue sky and cloud formation...each seashore and mountain range is like unwrapping a priceless gift. Life itself is precious and all of us ought to be very careful that we pause long enough to appreciate the sacredness and fragility of our lives and the lives of others. We give You thanks for the lives of newborn babies that have brought joy into this collected Body. And, we give you thanks for the lives of those whom we see no more but whose memories live on within our hearts. As we consider, think, debate, and put legislation into motion, may we be ever mindful of Your precious gift of life and of the millions of precious lives that can be affected by our decisions and the stroke of a pen. Guide us in ourcomings and in our goings and as always, we humbly beseech Thee, have mercy upon us. Amen."

H.R. 1775, A HOUSE RESOLUTION EXPRESSING SUPPORT FOR THE PLEDGE OF ALLEGIANCE, is referred to the Committee on Rules, Calendar, and Operations of the House.

POINT OF PERSONAL PRIVILEGE

I PLEDGE ALLEGIANCE

"I remember this one teacher. To me, he was the greatest teacher, a real sage of my time. He had such wisdom. We were reciting the Pledge of Allegiance, and he walked over. Mr. Lasswell was his name .... He said:

I've been listening to you boys and girls recite the Pledge of Allegiance all semester and it seems as though it is becoming monotonous to you. If I may, may I recite it and try to explain to you the meaning of each word:

'I - me, an individual, a committee of one.
'Pledge - dedicate all of my worldly goods to give without self-pity.
'Allegiance - my love and my devotion.
'To the Flag - our standard, Old Glory, a symbol of freedom. Wherever she waves, there is respect, because your loyalty has given her dignity that shouts: FREEDOM IS EVERYBODY'S JOB.
'Of the United - that means that we have all come together.
'States - individual communities that have united into (our) great states ... individual communities with pride and dignity and purpose, all divided with imaginary boundaries, yet united to a common purpose, and that's love for country.
'Of America.
'And To The Republic - a state in which sovereign power is invested in representatives chose by the people to govern. And government is the people, and it's from the people to the leaders, not from the leaders to the people.
'For Which It Stands.
'One Nation - meaning, so blessed by God.

June 27, 2002
'Indivisible - incapable of being divided.
'With Liberty - which is freedom and the right of power to live one's own life without threats or fear or some sort of retaliation.
'And Justice - the principle or quality of dealing fairly with others.
'For All - which means it's as much your country as mine.'

"Since I was a small boy, two states, Hawaii and Alaska, have been added to our country and two words - 'under God' have been added to the Pledge of Allegiance.

"Shouldn't it be a pity if someone said, 'That's a prayer' and that would be eliminated from schools, too?"

The foregoing is an excerpt from a Red Skelton telecast when he recited his interpretation of the "Pledge of Allegiance".

On motion of Representative Morgan and without objection, the aforementioned words of Representative Esposito are spread upon the Journal.

Representative McComas inquires of the Chair if it would be appropriate for the Members of the House to recite the Pledge of Allegiance.

The Speaker leads the Body in the Pledge of Allegiance.

On motion of Representative Culpepper, seconded by Representative Russell, the House adjourns at 11:08 a.m. to reconvene Monday, July 1, 2002, at 7:05 p.m.

ONE HUNDRED NINETY-NINTH DAY

HOUSE OF REPRESENTATIVES
Monday, July 1, 2002

The House meets at 7:05 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

July 1, 2002
"Sovereign God:

"You alone are the Creator of the universe and all that it contains. Liberty and freedom are simply human words that attempt to describe the indescribable nature of Your mercy on humanity. Thus, we thank You, O God, for Your gift of human freedom and the spirit to think, feel, play, and work. As those who have been selected to represent the liberty of others, grant unto us a special dispensation of Your mercy so that our work and our efforts here serve to set the captives free. In this week that we celebrate the birth and soul of our nation, we ask that through our discussions, our planning, our discourse, and our legislation, You would, indeed, let freedom ring. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of June 28 has been examined and found correct. Upon his motion, the Journal is approved as written.

"You alone can see into every heart, and only You know every thought. As we go about our lives hiding behind curtains that we construct to inflate our egos...curtains of power, status, influence, wealth...curtains of pride, envy, bitterness...curtains that we hope will keep our thoughts hidden from others...only You know that what we truly seek is to be accepted wholly and fully by others. O God, help us to understand ourselves in the light of Your

unconditional love. Help us to come to that point in our lives where we no longer need to hide behind these self-constructed curtains, but rather understand who we are and whose we are. Let us experience Your love and know that what we often think is of ultimate importance pales in comparison to knowing that You care deeply for each one of us, and that we too, have been given the same capacity to love just as we are loved. Thank You for loving us, Lord. Amen.”

What is it within us that often seems to frown upon life's situations? Life itself is precarious, and we are never promised another moment but that which we have right now. Lord, we thank You for the gift of life and each precious moment we have to enjoy. As we remember our freedom to move about in thought and speech, grant unto us the desire to see others in the light of life's preciousness. And, holding fast to the gift of life within each of us, help us to smile, to laugh, to share joy with all of God's people...even on both sides of the aisle. Amen."

Monday, July 8, 2002

The House meets at 7:05 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Rabbi Susan Friedman, Beth Shalom, Wake County, North Carolina.

"May the will come from Thee,
to annul wars and the shedding of blood from the universe,
and to extend a peace, great and wondrous, in the universe.
Nor again shall one people raise the sword against another
and they shall learn war no more.

"But let all the residents of earth recognize and know the
innermost truth:

July 8, 2002
that we are not come into this world for quarrel and
division,
nor for hate and jealousy, contrariness and bloodshed;
but we are come into this world
Thee to recognize and know,
be Thou blessed forever.

"And let Thy glory fill all our wits and minds, knowledge
and hearts;
and may I be a chariot for the presence of Thy divinity.
May I not again depart from the Sanctity as much as a
hairsbreadth.
May I not think one extraneous thought.
But may I ever cling to Thee and to Thy sacred Torah,
until I be worthy to introduce others into the knowledge of
the truth of Thy divinity.
To announce to the sons of man Thy power,
and the honor of the glory of Thy kingdom."

TWO HUNDRED FOURTH DAY

HOUSE OF REPRESENTATIVES
Tuesday, July 9, 2002

July 9, 2002
The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Dr. Albert G. Edwards, former House Chaplain:

"Great God, Thou who art awesome and almighty and amazing. And, never more amazing than when voluntarily You came into this world to show us that You love us even as we are, and through Thy influence to make possible for us the best in womanhood and manhood. Some of us, O God, are slow to learn and slow to respond. We thank You for Thy patience and grateful for the help we have known as we've come this way. We praise You this day that You are also omniscient.

"And You know, our Father, the tough, grinding, grueling days that the Members of this House now face... the tedium, our Father, of committee meetings. Those hearings, O God, when pros and cons are shot before them like sand from the beach on a windy day. And there are constituents, our Father, who have their ideas and also their frets. Then there are lobbyists, our Father, who can be counselors, who can be helpful, and who can be harmful. And then, O God, it comes down to the inward self, where the decision must finally be made. And surely then there are those who like the Psalmist would say, 'O, that I had wings like a dove, that I may fly away and be at rest.' But they sought the office, Lord, and they got it and they know they can't.

"So in those moments when they might want to flee away, help them to remember the words of a man who himself knew great trouble. The man who said, 'I will lift up mine eyes unto the hills.' And on that journey, he knew the hills were filled with enemies, with beasts, with murderers, with robbers and he had a long way to go. 'I will lift up mine eyes unto the hills from whence cometh my help. My help cometh from the Lord who made heaven and earth.' And, O Creating God, we pray in Thy good, great name...the Name that surrounds our Father and outdoes all other names...the name of the One who said, 'I will not fail you, I will not forsake you.' In that faith and assurance, our prayer is made. Amen."

Leaves of absence are granted Representatives Blue, Hiatt, and Warner for today. Representative Gray is excused for a portion of the session.

TWO HUNDRED EIGHTH DAY

HOUSE OF REPRESENTATIVES
Tuesday, July 16, 2002

The House meets at 2:05 p.m. pursuant to adjournment and is called to order by the Speaker.

July 16, 2002
The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Most Wise God:

"It is a noble idea to want to be elected to public office. It can even be an exciting adventure. It is, indeed, a high calling to be placed in a position to serve others that also includes making decisions that will affect their lives. But, this calling comes with a price. Election to public office comes with words...words like courage, integrity, honesty and trust. These words, although always in the back of our minds, can be misplaced and our decisions can become clouded by external pressures. Yes, they are words, but they are more than words. They are claims upon our souls. Dear Lord, remind each one of us of the true price of sitting in this Chamber. Humble our hearts and wipe away any thought of entitlement that we may think we are due. Teach us to count the cost of our duty in the many names and faces of those people whose hands we shook, whose words we heard, whose hopes we now hold. Amen."

There are incredibly complex and difficult decisions ahead of this Body. We fail not in admitting our helplessness before You; however, we may often fail to seek Your wisdom and attempt to discern Your will for us. Impart wisdom unto us, O Lord, and speak to us once more, as You did with the prophets of old, and tell us what we should and shouldn't do. Let our conscience be our guide, but interrupt our thought process from time to time to remind us that You are the One making the decisions and You alone are our ultimate authority...the One to whom we must answer and give an account of our actions. Amen."

A PROCLAMATION

WHEREAS, the Lao-Hmong, which means "free people," are Laotian members of the Hmong tribe and are noted for their warrior tradition, loyalty and bravery; and

WHEREAS, beginning in 1960, the United States recruited thousands of the Lao-Hmong to fight against the Communist Pathet Lao and North Vietnamese Army regulars in Laos; and

WHEREAS, the United States relied heavily on the Lao-Hmong Special Guerrilla Units to engage in direct combat with North Vietnamese troops from 1960 to 1975, conducting tactical guerrilla actions, flying thousands of deadly combat missions in support of the Armed Forces and the Central Intelligence Agency, and fighting in conventional and guerrilla combat clashes with extreme casualties; and

WHEREAS, the Lao-Hmong, although outnumbered, fought against enemy forces to disrupt the flow of troops and war supplies along the Ho Chi Minh Trail; and

WHEREAS, the Lao-Hmong protected United States personnel, guarded United States Air Force radar installations, gathered critical intelligence about enemy operations, and undertook rescue missions to save the lives of downed United States pilots; and

WHEREAS, more than 35,000 of the Lao-Hmong lost their lives defending the democratic way of life, thousands suffered grievous injuries and permanent disabilities, and thousands more were captured and sent to communist concentration camps; and

WHEREAS, after the conclusion of the war, many Lao-Hmong soldiers were the victims of acts of retribution and atrocities by the Pathet Lao, causing many of the Lao-Hmong to flee to neighboring Thailand and become refugees;

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Most Merciful God:

"We confess to You that we do not always operate with pure intentions. Often times, our need for approval from others, our desire to prove our positions of power, or our wish to exact vengeance get in our way. This can be doubly true in the arena of politics where people are forced to choose sides. Forgive us for our stubbornness and our hesitancy to seek compromise. Forgive us for our pride, which is most often the only thing standing in the way of resolution and reconciliation. Remind us, O Lord, that You see into every heart, overhear every sidebar, and are fully aware of what motivates us to act. Let that reminder serve as a gentle admonition that tells us that there is nowhere we can run and hide from You. Give us courage to destroy our carefully constructed human barriers and replace them with sincerity and innocence to bring change to our policy-making decisions. Amen."

HOUSE OF REPRESENTATIVES
Wednesday, July 24, 2002

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Merciful God:

"Your omniscience astounds us, particularly Your ability to hear the cries and petitions of all people at the same time. Today, we add to these petitions. The time has come for us to put numbers down on paper...to cut and paste...to edit and revise. There is so much to do, and there is simply no way that everyone is going to agree on everything. But, of course, You already know this, don't You? What advice would You offer those who have to oversee these difficult budget decisions? Where do we hold our ground? When do we compromise? Do we dig a foxhole and bury ourselves, or should we be intentional and non-confrontational, inviting opinions and ideas from all sides? Do we walk the party lines, strictly speaking, or is there room for everyone at the table? The pressure is here, now. We need Your help in knowing how to behave and how to be involved in constructive discourse. Our actions and debates are now food for the public to taste and to determine if what is on their plates is edible or needs to be thrown away. Remind us, dear God, that we are not alone, here. We do not have to travel this highway without divine guidance. Why go it alone, when you are right here with us? What would You have us to do? Amen."

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Most glorious God, Creator of us all:

"We greet Thee on this day already entrenched in the mire of committees and debates and discussion and compromise. We thank You for the freedom of government we enjoy through which we can engage one another in honest and open debate...where we can hear differences of opinions and offer our own respective two cents worth. Good Lord, help us to see how our differences can actually help us keep our vision from becoming myopic and too near-sighted. Despite what some of us may truly believe, we, in fact, may not always be right. We need each other whether we know it or not, whether we like it or not. We need to hear fresh perspectives and other options. Thank You for giving us this freedom. Thank You for Your sovereign governance. May we always avail ourselves to the hearing of Your Word as You whisper, and from time to time, scream in our ears. Amen."

"Good day to You, Lord:

"Time has a way of sneaking up on us. July has come to an end. Back to school sales are everywhere to be found. Fall merchandise is already on the store shelves. Everything seems to move so quickly. Well, almost everything. Almighty God, help us discern whether our current impasse is simply a necessary part of good policy making or has it become a part of distasteful politics. Using the words of an anonymous saint, 'Grant us the serenity to accept the things we cannot change, the courage to change the things we can, and the wisdom to distinguish one from another'. Amen."

________________

**TWO HUNDRED EIGHTEENTH DAY**

**HOUSE OF REPRESENTATIVES**

Thursday, August 1, 2002

The House meets at 10:05 a.m. pursuant to adjournment and is called to order by the Speaker.

August 1, 2002
The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"It seems as if our work is never done. No matter how hard we try and no matter how much we think we have accomplished, there is always more work to be done. Thus, there comes a point in our work-week when despite our best efforts we must call it a day. Our job as legislators is to figure out when that point and time comes with respect to the work that sits before us. We know others may gripe about what appears to be our hesitancy to move along. We read it in the papers. We hear it on the news. O God, show us clearly what our job is and then give us the courage and moral fortitude to complete it. Let us not be swayed by opinion polls or pundits if by staying here one extra day, or week, or month can result in bringing an easier way of life and more prosperity to the people of the Great State of North Carolina. Have mercy upon us as we seek to show kindness, do justice and walk humbly with our God. Amen."

When the world is tossing me, like a ship upon the sea, Thou who rulest wind and water, stand by me.' Lord God, O, how we know that these words still ring true today. And, as we work on this complex appropriations bill, we may feel as if the world is tossing us about the sea like a rag doll. But, the hope of Tindley's song is to be found in his final phrase, for it is there that he finds from whence cometh his help. 'Thou who rulest wind and water, stand by me.' The message of his song is the petition of our prayer to You this day. In the midst of our particular storm, let us find our strength and hope in You...for if You can calm the raging seas, certainly You can handle the choppy waters of our legislation. Grant that we, like Mr. Tindley, would find our help, our hope, and our solution by clinging tightly to Thee and not to ourselves. Amen."

It is through Your divine grace and mercy that we even have a part to play in the interests of government. Teach us that our positions in this General Assembly only exist to do that which is ultimately good for all people. Sometimes, that means listening to our constituents and voting for them. Sometimes, that means having the courage to speak up for those whose voices cannot be heard over the roar of privilege and prestige. Help us to see ever so clearly that those currently in power and those among us who may one day attain earthly power will not conduct our eternal evaluation. Rather, remind us, O God, that how we are judged when we stand before Thee in all of Your

Tuesday, August 20, 2002

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Patient God:

"You created us for the sole purpose of worshiping You. How You must get frustrated with us due to our inconsistency in taking time to spend with Thee day to day. Ironically, we beseech Thee daily to help guide us on matters of public policy, yet we often fail to find the time to actually spend listening to Your voice and discerning Your will. Forgive us, for we can be a selfish people who often rely upon our own will and ways. Turn our priorities upside down so that You come first and we come last. Thus, in searching and knowing Thee, we would be more faithful in our vocations and to You, O God, our Lord and our Redeemer. Amen."

TWO HUNDRED THIRTIETH DAY

HOUSE OF REPRESENTATIVES
Thursday, August 22, 2002

The House meets at 10:05 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Most Gracious God:

"We confess to You that what we cannot see and what we cannot experience, personally, often places a burden on our ability to understand what is taking place around us. We are not all privy to every important matter or meeting. We long for some sense of description or interpretation to help clear up our concerns and any lingering confusions we may have. We confess to You that what really is taking place through these emotions is our lack of control...our sense of being left out. None of us want to feel

August 22, 2002
this way. Remind us in these times, dear God, that our system does, indeed, work. Perhaps it doesn't always work like a machine without a squeaky wheel, but it works; and the process of transforming an idea into a bill, and a bill into a law finally gets accomplished with the help of both sides of the aisle. Show us how we need each other. Give us a renewed respect for this institution in which we now find ourselves standing. Help us to see our positions of leadership not as an end in itself, but rather as a means through which we can exact positive change for the people of our State whom we have been sent here to serve as faithfully as possible. Amen."

"Lord, as we gather in this place we ask Your blessings upon each Representative here today, that Your Spirit would guide and direct them to make decisions that are pleasing to You and that are consistent with their commitment to represent the people of this State. "We often hear the cries of the scoffers over the voices of those who offer us kind words. We have a tendency to cave in to the critics rather than stand with the supporters. The work we do is not easy. Every decision

August 29, 2002
cannot be made in one or two meetings. Help us to be strong in our convictions. Remind us to remember what we are about and to be good stewards of our time. Grant unto us the wisdom and courage to be able to withstand the words of those who would rush us and possibly force us to act before we are ready and thus, not make good decisions. We thank You for being patient with us even when we are not patient with others, and from time to time, impatient with You as well. We are truly blessed to be governed by a Sovereign Creator who understands our human fault and frailties. Teach us that the words, ‘patience is a virtue’, are not a cliché but a real experience of knowing and experiencing Your grace. Amen."

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Omniscient God:

"We know that it is redundant for us to ask You anything, since You already know what it is we want to say before we even utter a word. Yet, in faith and humble boldness, we ask because You invite us to ask. We have previously mentioned the upcoming elections to You. And, once again, we know that You are aware of the roads before us. There are many well-intentioned people seeking to remain or become a member of this Body. There is a lot riding on the upcoming primaries, perhaps this year more than in others. Ambitions, holistic ideals, visions of leadership, vocations, desires, pride, egos, indeed, entire careers...all of this and so much more are on the line for these and a multitude of other people. Grant unto all those who would seek to serve, in such a noble office as servant leader, the ability to conduct themselves and their campaigns in a manner that is a model of all that is decent and fair and good. Have mercy on these and all people who have been elected and appointed to serve others. May God have mercy on us all. Amen."

TWO HUNDRED THIRTY-SEVENTH DAY

HOUSE OF REPRESENTATIVES

Wednesday, September 4, 2002

The House meets at 12:30 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Patient God:

"Throughout the history of humanity, You have had patience with Your creation. When our love and devotion for You failed, Your patience and Your
love toward us remained steadfast. When we repented of our shortcomings, You
continued to show us mercy. Then, as we are prone to do, we turn away from
You time and time again. In the midst of all of our failings, we can become
forgetful of Your patience with us as we show impatience toward others. In
the midst of pointing out the speck in our friend's eye we fail to see the log
in our own.

"Dear God, in this time of waiting and wondering, we need patience. We
need to remember that some things are beyond our control. We need to
remember that Your never-ending patience with us is the divine example of
our need to be patient toward others. Keep us ever mindful of taking each day,
indeed, each moment, one step at a time. Amen."

And, many of us have become frustrated. Lord, we seek resolutions to our inner feelings. Help us not to hide them as this only serves to stir up anger within us. But, help us also, to handle ourselves with grace and dignity befitting of those who have been elected to serve others. Gracious God, keep us grounded in the indestructible truths of self-respect, respect toward others, dignity, strong moral character, and personal integrity. HOUSE OF REPRESENTATIVES

Wednesday, September 11, 2002

The following prayer and remarks are offered by the Reverend Jim Harry, House Chaplain:

"Let us begin our session with a Moment of Silence and join in solidarity with our brothers and sisters all over this great land who mourn and remember the events of September 11, 2001. Let us pray.

(Moment of Silence)

"Most Merciful God:

"You created humanity in Your glorious image. You created us to honor You and worship You. You created us to honor one another and to treat one another as we would like to be treated. Yet, throughout the history of civilization, we, Your children, have brought war upon each other; and we have hurt Your heart by destroying the symphony of life You so graciously composed.

September 11, 2002
"One year ago today, our nation was shaken to the very core of its foundation as, once again, the ethics of hate and fanaticism reared its ugly head. We, who once thought we were not vulnerable, literally found ourselves picking up sticks and stones. Today, as we pause for reflection as a nation, we find ourselves more contemplative and humble in light of this horrific event. Yet, we find ourselves morally resolved to fight evil and injustice wherever they present themselves.

"Dear God, grant us the courage to face '9/11 one year later' with a renewed profundity for life...with a restored vision of who America is and ought to be...of who we are and who we ought to be. Re-create within us the moral resolve to see Your plan for creation as it was originally intended, not just to see it, but to live it out in our daily lives as we live fully into the precious gift of life of each day. Place within our hands the instruments of peace with which we can play the music of our souls under the divine direction of the Master Conductor. May our melody be pleasing to You, and, May God have mercy upon us all. Amen."

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Gracious and Merciful God:

"As we stir in our respective seats and wonder, often aloud, when our work here will be completed, offer us Your patience as we wait. Remind us of how patient You are with us when we forget our obligations to You. Thus, in remembering our own inadequacies we might find the necessary resolve to persevere throughout this process. We do not ask for patience to wait without accountability, rather we pray for the understanding of others who may or may not move according to the calendars of own choosing. As we have previously prayed for our national leaders, so now we pray for our State leaders who, partially represented in this Chamber, must often yield to the impatience of constituents, political party, vocational, and family responsibilities. As we head down the home stretch, still our hearts and minds that we might find peace in Thee. Amen."

**POINT OF PERSONAL PRIVILEGE**

On motion of Representative Baddour, and without objection, the following remarks of Representative Boyd-McIntyre are spread upon the Journal.

"WHEN WORLDS COLLIDE"

"The terrorist took a bite out of the Apple - The Big Apple
That truly was a big mistake.
It was long ago that someone, beguiled by that other serpent, bit into
The forbidden fruit, known as 'The Apple'
At that precise moment the earth shook, or so the poet says.
And the guilty had no doubt there'd be a price to pay.
And yes, the earth shook once more on that September Day
When two worlds collided.

"We will look forward and go forward from that dark September day
But we will remember on that journey
The gaping wound at Ground Zero
The gallant acts of each hero

September 12, 2002
The lofty twin towers symbolizing the American Spirit
And even the twin towers as they came tumbling down,
   Like the walls of ancient Jericho
   When two worlds collided.

"Yes, America was attacked - New York a major spot.
New York - America's heartbeat, the city of cities, the city of dreams, of
   commerce and the arts
   A city that throbs with life, unrivaled by others -
   The vibes its people feel…
   The hustle, the bustle, the energy, the synergy,
   Our city
   And the visiting enemy would take that away?
   No way!
   Had we but connected the dots,
   We might have locked our gates, or watched the fox more closely.
Lady Liberty, embodying the American spirit, has for generations talked to
   the world for us:
   'Give me your tired, your poor…your huddled masses, yearning to breathe
   free'…Wait! no, no, no!
   This is not for the terrorists.

"To the cowardly attackers, let it be known, you stole from us…a kind of
   innocence
   When you taught us a whole new meaning of hate
   You made other hate crimes look like child's play.
   You made a mockery of our hospitality that day.
   And so, you see, you must pay; you know you must pay.
   Always, there comes a reckoning day.

"What we saw on 9-11 was the naked face of evil, so vile and so undiluted.
   It stared us straight in the eye.
   The enemy bit the Apple and America bled.
   Red spewed up to the Heavens.
   It rained down into the bowels of the earth.
   And on that September morn,
   The world forgot to keep on turning,
And the city of dreams just kept on burning - yet, every ember igniting in us
   the fires of courage, unity, love, resolve and unparallel patriotism.
   That's what you get when worlds collide.

"Thousands died on Nine - One One.
   Americans wept together, separately, creating a really rainy day

September 12, 2002
Tears enough to fill an ocean
To nourish the earth in other places, ah the healing begins -
And from the rubble at its feet,
Like the phoenix from his ashes,
The city of dreams will rise again to be better than before.

"The attack spawned an instant patriotic mood and movement
Thousands of flags, unfurled and swaying in the gentle breeze -
The National Anthem ringing out from buildings and homes and open ranges.
All kinds of expression - from artful tattoos to colorful hairdos to star spangled shacks on the side of the road -
Say to the enemy, 'Just look at us now.'

"Now, the heinous crimes, the enemy could control,
But they could not break our indomitable spirit.
They could not touch our soul.
A defiant American people said it loud and said it clear.
They would never retreat, no, not in doubt, not in fear.
They would fight back until the thing was done.
Red, white and blue! These colors don't run!
When with another world they do collide,
They don't run,
And they don't hide."

If ever we have needed to look to You for guidance, wisdom, and discernment, dear Lord, it is now. The hymn writer said it best this way, 'In times like these we need a Savior. In times like these we need an anchor. Be very sure. Be very sure. Your anchor holds upon the solid rock.' Merciful God, do not leave us to our own devices nor to our own decisions without first seeking the guidance and approval of heaven for the difficult decisions that face us. "It is a part of our twenty-first century lives that we live in the fast lane...hurrying here, scurrying there. It seems as if the speed limit on life's highway is unlimited and we all do our level best to keep up with the cars in the passing lane. And, as often is the case, it is while in life's fast lane that we forget you are in the passenger's seat...always with us...always patient...always hoping to be recognized. Loving God, architect of life itself, forgive us for our attempt to speed up rather than slow down. Remind us that it is okay to pull over, to rest, and to let You drive awhile. After all, the highways of life are Your roads. You designed the interconnectedness...

The House meets at 8:00 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Merciful God:

"Leadership may be prestigious. It may have the ability to raise us to lofty places in our respective hometowns and even here on Jones Street. But, despite any high esteem we may hold, it doesn't make our job any less difficult. The decisions we face and the votes we must cast aren't made easier simply because we may think of ourselves more highly than we ought. This is tough stuff we're doing here. There are no quick fixes, no pat answers. In the end, it really is not about one political philosophy over another. It is about people. Almighty God, who alone rules over heaven and earth, keep us from any political posturing that might slow the process of doing the best we can with what we have to give. We are already limited in our resources. There are already enough impediments in our way. Keep our eyes fixed on the task before us. Humble our proud hearts, and allow us to complete our work in a way that will honor and please Thee. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of September 19 has been examined and found correct. Upon his motion, the Journal is approved as written.

Your divine acquiescence to let us govern ourselves has since given way to the inherent difficulties of the human condition: pride, ambition, power, and greed. Yet, in our haste to take on the awesome responsibility of self-governance, once again, You promised never to leave us to our own demise. Your eternal presence and availability has continued to guide us since the beginning of time. Thank You for putting up with us, and thank You for being patient with us. We pray that our best human efforts, perfected by Your sovereignty, can be used to benefit the people who have been entrusted into our care. Amen."

TWO HUNDRED FORTY-NINTH DAY

HOUSE OF REPRESENTATIVES
Tuesday, September 24, 2002

The House meets at 10:00 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Mighty God:

"Many of us can probably remember playing the game, 'King of the Mountain', when we were children. Whoever was on top of the mountain was an easy target to be knocked off. It is far easier for the many people looking up from many angles to see the target than it is for those on top of the mountain to have eyes in the back of their head. Political leadership is a lot like that game, I think. And, in this Chamber, both sides of the aisle have experienced their place at the top of the mountain. Decisions that affect people’s lives such as economic development, the education of our children, taxes in whatever form they may present themselves…these are not easy questions to deal with. And, as we have seen, there is no one way to go that will please everyone. Thus, everyone is this Chamber becomes an easy target at the top of the mountain. This morning, I pray for my sisters and brothers who must weather the storms of public opinion as they attempt to make changes in public policy. This has been a long and difficult

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Eternal God:

"Speak to us once again the solemn message of our waywardness. We have strayed from Your ways like lost sheep; and it is only because of Your forgiveness and mercy that we can find peace in our lives. Let us find the strength and assurance of our faith in the never-ending saga of the human experience that just as water continues to run until it finds its own level so our souls are restless until they find their way back to Your loving hands. Shore up within our hearts the moral fortitude to live and act...indeed, to always decide to vote according to Your good and eternal will and not that of our own opinion. Forgive us our sins as we forgive those who have sinned against us and lean our hearts toward Thee. Amen."

TWO HUNDRED FIFTY-FIRST DAY

HOUSE OF REPRESENTATIVES
Thursday, September 26, 2002

The House meets at 10:05 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"God of Heaven and earth:

"It often seems that You are distant from us. We've come to believe that You sit somewhere far off in Your celestial home, and if we're lucky, You'll be listening to our respective laundry lists of needs, wants, and aspirations. But, this is not the God You have revealed Yourself to be. You are not a genie who grants us wishes, especially those things we think we may want. No, you are God of the people; and you earnestly long to be in close relationship with Your children. As we go throughout our day, indeed, our days, remind us of the proximity of Your Spirit...that You are just a breath away...merely a whisper from our lips and You are here to help and to hold, to humble and to heal. Remind us that when we feel distant

September 26, 2002

HOUSE OF REPRESENTATIVES
Monday, September 30, 2002

The House meets at 7:05 p.m. pursuant to adjournment and is called to order by the Speaker.

September 30, 2002
The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Eternal God:

"Time is precarious. It speeds up when we want it to slow down, and it moves slowly when we want it to speed up. Long past minutes and hours and on into weeks and months, we marvel at how the same unit of time can seem both long and short. For example, we understand that this session has been a marathon session, yet are amazed that it is already the eve of October. We are no different than the ancients who worked and toyed with the idea of time until they completed their methods of determining its course. I wonder if they knew that what they were doing would not fully be understood or appreciated until after they had completed their own gift of time on earth.

"Eternal God, for whom time has no bearing at all, help us not to define our success or failure by how long we have been here, but by the qualitative tools of evaluation with which we can take inventory of our legislation and our own lives. Keep true in us the need to be good stewards of the time that has been given to us to work, to play, and to rest knowing that in the end, we will not be judged by how long we have spent doing this or that, but by the choices we have made while we were here. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of September 26 has been examined and found correct. Upon his motion, the Journal is approved as written.

Leaves of absence are granted Representatives Alexander, Clary, Goodwin, Hiatt, Hilton, Miner, Pope, Russell, Starnes, Thompson, and Wainwright for today.

TWO HUNDRED FIFTY-THIRD DAY

HOUSE OF REPRESENTATIVES
Tuesday, October 1, 2002

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Gracious God:

"In the angst of these waning days, let us not be too hasty with our decisions. Let us not sacrifice good policy for a quick escape. Do not let us leave behind whatever remaining hard work we have for another Body yet to be assembled. This has been a difficult session, and everyone has had to work with the same limitations and deficits. Undoubtedly, next year's General Assembly will face many of the same, if not more, difficulties. But, as we prepare for our departure, grant us the grace necessary to be bold and leave this House in as good an order as we possibly can so that those who will be joining us and those who will be following behind us will know that this Body has lived fully into its responsibilities. Amen."

TWO HUNDRED FIFTY-FOURTH DAY

HOUSE OF REPRESENTATIVES
Wednesday, October 2, 2002

The House meets at 10:00 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Reconciling God:

"Thank You for being a forgiving God who loves each one of us as if there was but one of us to love. In accepting our forgiveness for our many transgressions, may we be ever mindful of the necessity to forgive others as You have forgiven us. Partisanship is a messy but seemingly necessary part of politics and the political process itself. But, as our time here draws to an end, help any amongst us with political axes to grind find the necessary courage to bury the hatchet and reflect on the positive things this Body has been able to accomplish together. Life is far too short to carry around the heavy weight of ill-gotten gain, anger, and pettiness. In seeking forgiveness for our own sins, help us realize that we must first turn to our brothers and sisters and offer forgiveness in order to receive it.

"Dear God, help each of us to know that the process we have voluntarily chosen to participate in sometimes carries with it the need to toe the party line. But, in doing so, let us not turn a blind eye nor a deaf ear to our neighbors on either side of the aisle, lest You turn a deaf ear toward our own hearts' requests. Amen."

Chamber for the last time and return to their homes to attend to new adventures in their lives. We offer You thanks for their collective witness as State Representatives and to the passions and respective platforms that have made us aware of people and problems we may not have readily seen prior to their uplifted voices. Almighty God, we pray for the lives of these and all people everywhere who feel the calling to speak on behalf of those whose voices might not otherwise be heard. Remind us of our duty to 'do unto others as we would do for ourselves', but more importantly, to serve others selflessly with no regard for personal reward or accolades. The best servants are not those who tout their accomplishments, but those who serve others with the simple gifts of kindness, mercy, and charity. We thank You for those servants amongst us. Amen.

TWO HUNDRED FIFTY-SEVENTH DAY

HOUSE OF REPRESENTATIVES
Wednesday, November 13, 2002

Pursuant to a call of His Excellency, Governor Michael F. Easley, hereinafter recorded, the House of Representatives of the General Assembly of North Carolina convenes in its Hall in Reconvened Session, at the hour of one-thirty o'clock, Wednesday, November 13, 2002, and is called to order by the Speaker of the House, James B. Black.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"Throughout the history of Your people You have always found a way to lead us through unchartered territory. When the land ran into the sea, You parted the waters so we could walk across dry ground. When we complained about not having enough to drink, You turned a rock into a gushing spring. Never have we been left alone to find our own way unless we simply turned our hearts away from Thy guiding hand. So it is that now, once again, we turn our eyes heavenward to seek Your direction to walk toward a place that we have never walked before. Take our eyes and see through them. Take our feet and walk in them. Take our minds and think through them. Take our lips and speak through them. Take our hearts and set them ablaze so that only good and justice can roll down like thunder. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

The Reading Clerk reads the following proclamation by the Governor.

H.R. 1775, A HOUSE RESOLUTION EXPRESSING SUPPORT FOR THE PLEDGE OF ALLEGIANCE.

Whereas, this country was founded on religious freedom by founders, many of whom were deeply religious; and

Whereas, the First Amendment to the Constitution embodies principles intended to guarantee freedom of religion both through the free exercise thereof and by prohibiting the government establishing a religion; and

Whereas, the Pledge of Allegiance was written by Francis Bellamy, a Baptist Minister, and first published in the September 8, 1892, issue of the Youth's Companion; and

Whereas, Congress in 1954 added the words "under God" to the Pledge of Allegiance; and

Whereas, the Congress in 1954 believed it was acting constitutionally when it revised the Pledge of Allegiance; and

Whereas, this House of Representatives believes that the Pledge of Allegiance is not an unconstitutional expression of patriotism; and

Whereas, House Rule 2 provides that at the convening hour on the first day of each legislative week, the Speaker or his designee, shall lead the members in the Pledge of Allegiance to the American Flag; and

Whereas, patriotic songs, engravings on U.S. legal tender, engravings on federal buildings also contain general references to "God"; and

Whereas, in accordance with decisions of the U.S. Supreme Court, public school students cannot be forced to recite the Pledge of Allegiance without violating their First Amendment rights; and

Whereas, the Congress expects that the U.S. Court of Appeals for the Ninth Circuit will rehear the case of Newdow v. U.S. Congress, en banc; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives expresses its collective outrage at the Court of Appeals’ decision, urges all appropriate action be taken to reverse this decision, and encourages our Attorney General to file an amicus brief urging reversal.

SECTION 2. This resolution is effective upon adoption.
H.R. 1776, A HOUSE RESOLUTION RECOGNIZING THE IMPORTANCE TO THE ECONOMY OF THE STATE OF NORTH CAROLINA OF BIOBASED AND VALUE-ADDED AGRIBUSINESS.

Whereas, North Carolina’s agricultural production is one of the highest in the nation; and
Whereas, North Carolina’s transportation infrastructure offers excellent support for agribusiness by way of highway, rail, and ocean delivery systems; and
Whereas, North Carolina’s State and county governments have demonstrated strong support for new and expanding commercial enterprises; and
Whereas, North Carolina has historically offered agriculture and businesses an excellent and productive labor force; and
Whereas, biobased and value-added products are rapidly replacing petroleum-based products with fuels, feeds, medicines, and other materials from renewable plant resources that create less pollution, are more biodegradable, and generally have fewer harmful environmental impacts; Now, therefore,
Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives of the State of North Carolina supports business and agency efforts to increase North Carolina’s position in utilizing the State’s productivity in agriculture and forestry by expanding biobased and value-added products.

SECTION 2. The House of Representatives of the State of North Carolina encourages the North Carolina Department of Agriculture and Consumer Services to take the lead in expanding biobased and value-added production using current crops and fiber and exploring new production opportunities for the State’s farmers.

SECTION 3. The House of Representatives of the State of North Carolina requests that the United States Department of Agriculture provide suitable funding to North Carolina from the 2002 Farm Bill Value-Added Agriculture Product Market Development Grants to assist independent producers, farmer cooperatives, and others in further refining agricultural commodities and biobased opportunities.

SECTION 4. The Principal Clerk shall send a copy of this resolution to the North Carolina Department of Agriculture and Consumer Services and to the United States Department of Agriculture.

SECTION 5. This resolution is effective upon adoption.

H.R. 1780, A HOUSE RESOLUTION REQUESTING THE CONGRESS OF THE UNITED STATES AND THE PRESIDENT TO ENACT LEGISLATION TO ESTABLISH A FEDERAL/STATE PARTNERSHIP
TO USE LOCAL COUNTY VETERANS SERVICE OFFICERS TO ASSIST THE UNITED STATES DEPARTMENT OF VETERANS AFFAIRS IN ELIMINATING THE VETERANS CLAIMS PROCESSING BACKLOG.

Whereas, the United States presently has a population of over 25 million veterans from its previous wars, with the majority of that veteran population from World War II and the Korean War; and

Whereas, the World War II and Korean War veteran population is presently over 70 years of age, and that group is passing away at the rate of 1,000 veterans per day; and

Whereas, the United States government has acknowledged its responsibility to provide medical care or compensation for medical problems, as well as other benefits, to those veterans who served their country in time of war; and

Whereas, the United States Department of Veterans Affairs is charged with administering the federal benefits program for veterans; and

Whereas, there presently exists a backlog of over 601,000 claims, some of which have been outstanding for one year or more; and

Whereas, a significant portion of these claims involve World War II and Korean War veterans, and despite determined efforts by the United States Department of Veterans Affairs to eliminate this backlog, the backlog continues; and

Whereas, there exists a trained group of individuals known as county veterans service officers located in 37 of the 50 states, representing 700 counties and a workforce of over 2,400 full-time local government employees; and

Whereas, these county veterans service officers were established in 1945 after World War II for the purpose of helping returning veterans reenter civilian life, and have continued to do so for all veterans of all wars since then; and

Whereas, these county veterans service officers are highly trained individuals who have continued to provide assistance to all veterans for over 50 years and are already familiar with the United States Department of Veterans Affairs claim policies and procedures; and

Whereas, for example, in North Carolina county veterans service officers annually assist North Carolina veterans obtain monetary benefits in excess of $812,000,000 by assisting these veterans in filing over 50,000 claims annually with the United States Department of Veterans Affairs; and

Whereas, this claims processing backlog needs to be urgently reduced while our World War II and Korean War veterans are still with us; and

Whereas, the United States Department of Veterans Affairs could enter into a partnership with state and local governments to utilize these highly trained county veterans service officers to eliminate the present
claims processing backlog by expanding the county veterans service officers' roles; and

Whereas, this would be a cost-effective way of reducing the claims processing backlog by eliminating the need for a substantial increase in federal employees; and

Whereas, these county veterans service officers, as represented by the North Carolina Association of County Veterans Service Officers and the National Association of County Veterans Service Officers, have offered to assist the United States Department of Veterans Affairs in exchange for block grants to the various states based upon each state's veteran population to compensate county veterans service officers for their expanded role;

Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives urges the Congress of the United States and the President to support and enact legislation that would establish a federal/state partnership to use the knowledge and skills of the local county veterans service officers to assist the United States Department of Veterans Affairs in eliminating the veterans claims processing backlog in order that America's veterans can take advantage of the benefits that the United States has authorized for them for their faithful and loyal service to a grateful nation.

SECTION 2. The Principal Clerk shall transmit copies of this resolution to the President and Vice President of the United States, to the Speaker of the House of Representatives, the Majority Leader of the Senate, and to each Senator and Representative from North Carolina in the Congress of the United States.

Whereas, quota owners, tobacco growers, and the tobacco industry agree that a transition from the current system is needed to ensure continued tobacco production; and

Whereas, Paramount's Carowinds theme park has been a vital part of the North Carolina tourism industry during the past 30 years; and

Whereas, Paramount's Carowinds has employed more than 80,000 individuals in its three-decade history in our State; and

Whereas, Paramount's Carowinds has continued to grow and expand the park for tourists visiting our State through capital improvements and additions that exceed $108,000,000 in the past 30 years; and

Whereas, Paramount's Carowinds has been a generous supporter of numerous causes during the past 30 years, including the donation of more than $2,000,000 in admission tickets in 2001, and throughout the years opening its doors and providing admission to numerous children and other guests who would not otherwise have the chance to experience such a theme park adventure; and

Whereas, Paramount's Carowinds will entertain its 40 millionth guest in 2002; and

Whereas, Paramount's Carowinds has established itself as the number one gated tourist attraction in North Carolina; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives recognizes Paramount's Carowinds for its numerous accomplishments and contributions to the State.

SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to Paramount's Carowinds, the Charlotte Chamber of Commerce, the Charlotte Convention and Visitors Bureau, the Greater Charlotte Hospitality and Tourism Alliance, the Mecklenburg County Board of Commissioners,
the Charlotte City Council, and the Office of the Mayor of the City of Charlotte.

SECTION 3. This resolution is effective upon adoption.

H.R. 1804, A HOUSE RESOLUTION ENCOURAGING THE CONGRESS OF THE UNITED STATES TO ENACT LEGISLATION PROTECTING OUR CHILDREN BY ESTABLISHING AN EXCLUSIVE WEB DOMAIN EXTENSION OF "XXX" AND LIMITING THE POSTING AND DISSEMINATION OF OBSCENE OR PORNOGRAPHIC MATERIALS TO THE DESIGNATED DOMAIN.

Whereas, in recent years there has been a proliferation of pornographic web sites on the Internet; and

Whereas, these pornographic web sites are easily accessible by children who may be negatively impacted by the materials posted on the web sites; and

Whereas, Congress has sought legislative solutions to this growing epidemic through the Child Online Protection Act (47 USC 231) and the Children's Internet Protection Act (Pub. L. 106-554); and

Whereas, the Children's Internet Protection Act required that schools and libraries that receive specified federal funding certify that they have in place an Internet Safety Policy that includes monitoring the use of Internet access by children and implementation of technology that will filter out objectionable content; and

Whereas, House Bill 478 was introduced by Representative Sam Ellis and cosponsored by 75 other members of the House of Representatives in the North Carolina General Assembly on March 5, 2001, and referred to the House Committee on Science and Technology; and

Whereas, House Bill 478 would require that all libraries and public schools that provide minors access to the Internet use an Internet provider service that provides services to shield minors from obscene and violent material on all computers that are used by minors; and

Whereas, a three-judge panel sitting in the United States District Court for the Eastern District of Pennsylvania issued a decision on May 31, 2002, finding major provisions of the Children's Internet Protection Act facially unconstitutional and violative of the First Amendment and therefore permanently enjoined the government from enforcing those provisions; and

Whereas, other attempts to limit children's access to adult content through filtering software and on-line informational web sites designed by service providers have been largely unsuccessful; and

Whereas, the evolving of adult content production on the Internet has led to a situation in which legal standards regarding content can no longer be enforced effectively or affordably; and
Whereas, it would be in the best interests of our children and the entire nation to require the operators of any web site or on-line service whose primary business is making available material that is pornographic, obscene, or harmful to minors to register and operate such web site or on-line service only under a domain specifically designated for such materials; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives urges the Congress of the United States to support and enact legislation that would establish a ".XXX" Internet domain for the posting and dissemination of material that is pornographic, obscene, or harmful to minors and to limit such material to the designated domain.

SECTION 2. The Principal Clerk shall transmit copies of this resolution to the Speaker of the House of Representatives, the Majority Leader of the Senate, and to each Senator and Representative from North Carolina in the Congress of the United States.

SECTION 3. This resolution is effective upon adoption.

TO THE HONORABLE MEMBERS OF THE

WHEREAS, North Carolina has, over the last three years, experienced unemployment, loss of manufacturing jobs and weak economic growth that has diminished State government tax revenue; and

   (a) Before entering into a guaranteed energy savings contract, a local governmental unit shall issue a request for proposals. Notice of the request shall be published at least 15 days in advance of the time specified for opening of the proposals in at least one newspaper of general circulation in the geographic area for which the local governmental unit is responsible or, in the case of a State governmental unit, in which the facility or facilities are located. No guaranteed energy savings contract shall be awarded by any governing body governmental unit unless at least two proposals have been received from qualified providers. Provided that if after the publication of the notice of the request for proposals, fewer than two proposals have been received from qualified
providers, the governing body of the local governmental unit shall again publish notice of the request and if as a result of the second notice, one or more proposals by qualified providers are received, the governing body of the local governmental unit may then open the proposals and select a qualified provider even if only one proposal is received.

(b) The local governmental unit shall evaluate a sealed proposal from any qualified provider. Proposals shall contain estimates of all costs of installation, modification, or remodeling, including costs of design, engineering, installation, maintenance, repairs, and debt service, and estimates of energy savings.

(c) Proposals. In the case of a local governmental unit, proposals received pursuant to this section shall be opened by a member or an employee of the governing body of the local governmental unit at a public opening at which the contents of the proposals shall be announced and recorded in the minutes of the governing body. Proposals shall be evaluated for the local governmental unit by a licensed architect or engineer on the basis of:

1. The information required in subsection (b) of this section; and
2. The criteria stated in the request for proposals.

The local governmental unit may require a qualified provider to include in calculating the cost of a proposal for a guaranteed energy savings contract any reasonable fee payable by the local governmental unit for evaluation of the proposal by a licensed architect or professional engineer not employed as a member of the staff of the local governmental unit or the qualified provider.

(c1) In the case of a State governmental unit, proposals received pursuant to this section shall be opened by a member or an employee of the State governmental unit at a public opening and the contents of the proposals shall be announced at this opening. Proposals shall be evaluated for the State governmental unit by a licensed architect or engineer who is either privately retained, employed with the Department of Administration, or employed as a member of the staff of the State governmental unit. The proposal shall be evaluated on the basis of the information required in subsection (b) of this section and the criteria stated in the request for proposals.

The State governmental unit shall require a qualified provider to include in calculating the cost of a proposal for a guaranteed energy savings contract any reasonable fee payable by the State governmental unit for evaluation of the proposal by a licensed architect or professional engineer not employed as a member of the staff of the State governmental unit or the qualified provider. The Department of Administration may charge the State governmental unit a reasonable fee for the evaluation of the proposal if the Department’s services are used for the evaluation and the cost paid by the
State governmental unit to the Department of Administration shall be calculated in the cost of the proposal under this subsection.

(d) The local governmental unit shall select the qualified provider that it determines to best meet the needs of the local governmental unit by evaluating all of the following:

   (1) Prices offered.
   (2) Proposed costs of construction, financing, maintenance, and training.
   (3) Quality of the products proposed.
   (4) Amount of energy savings.

SECTION 4. G.S. 143-64.17B reads as rewritten:

"§ 143-64.17B. Guaranteed energy savings contracts.

(a) A local-governmental unit may enter into a guaranteed energy savings contract with a qualified provider if all of the following apply:

   (1) The term of the contract does not exceed 12 years from the date of the installation and acceptance by the local governmental unit of the energy conservation measures provided for under the contract.
   (2) The local-governmental unit finds that the energy savings resulting from the performance of the contract will equal or exceed the total cost of the contract.
   (3) The energy conservation measures to be installed under the contract are for an existing building.

(b) Before entering into a guaranteed energy savings contract, the local governmental unit shall provide published notice of the time and place or of the meeting at which it proposes to award the contract, the names of the parties to the proposed contract, and the contract's purpose. The notice must be published at least 15 days before the date of the proposed award or meeting.

(c) A qualified provider entering into a guaranteed energy savings contract under this Part shall provide a bond to the local-governmental unit in the amount equal to one hundred percent (100%) of the total cost of the guaranteed energy savings contract to assure the provider's faithful performance. Any bonds required by this subsection shall be subject to the
provisions of Article 3 of Chapter 44A of the General Statutes. If the savings resulting from a guaranteed energy savings contract are not as great as projected under the contract and all required shortfall payments to the local governmental unit have not been made, the local governmental unit may terminate the contract without incurring any additional obligation to the qualified provider.

(d) As used in this section, "total cost" shall include, but not be limited to, costs of construction, costs of financing, and costs of maintenance and training during the term of the contract. "Total cost" does not include any obligations on termination of the contract before its expiration, provided that those obligations are disclosed when the contract is executed.

(e) A guaranteed energy savings contract may not require the local governmental unit to purchase a maintenance contract or other maintenance agreement from the qualified provider who installs energy conservation measures under the contract if the local unit of government takes appropriate action to budget for its own forces or another provider to maintain new systems installed and existing systems affected by the guaranteed energy savings contract."

SECTION 5. G.S. 143-64.17C is repealed.

SECTION 6. G.S. 143-64.17D reads as rewritten:

"§ 143-64.17D. Contract continuance.

A guaranteed energy savings contract may extend beyond the fiscal year in which it becomes effective. Such a contract shall stipulate that it does not constitute a debt, liability, or obligation of any local governmental unit or a direct or indirect pledge of the taxing power or full faith and credit of any unit of local government governmental unit."

SECTION 7. Part 2 of Article 3B of Chapter 143 of the General Statutes is amended by adding the following new section to read:

"§ 143-64.17F. State agencies to use contracts when feasible.

State governmental units shall evaluate the use of guaranteed energy savings contracts in reducing energy costs and may use those contracts when feasible and practical. The Department of Administration, through the State Energy Office, shall adopt rules for agency evaluation of guaranteed energy savings contracts. Prior to adopting any rules pursuant to this section, the Department shall consult with and obtain approval of those rules from the State Treasurer."

SECTION 8. Part 2 of Article 3B of Chapter 143 of the General Statutes is amended by adding the following new sections to read:

"§ 143-64.17H. Guaranteed energy savings contract reporting requirements.

A State governmental unit that enters into a guaranteed energy savings contract must report the contract and the terms of the contract to the State Energy Office of the Department of Administration within 30 days of the date the contract is entered into. In addition, within 60 days after each annual anniversary date of a guaranteed energy savings contract, the State
governmental unit must report the status of the contract to the State Energy Office, including any details required by the State Energy Office. The State Energy Office shall compile the information for each fiscal year and report it to the Joint Legislative Commission on Governmental Operations and to the Local Government Commission annually by December 1. "§ 143-64.17I. Installment and lease purchase contracts."

A local governmental unit may provide for the acquisition, installation, or maintenance of energy conservation measures acquired pursuant to this Part by installment or lease purchase contracts in accordance with and subject to the provisions of G.S. 160A-20 and G.S. 160A-19, as applicable.

"§ 143-64.17J. Financing by State governmental units."

State governmental units may finance the acquisition, installation, or maintenance of energy conservation measures acquired pursuant to this Part in the manner and to the extent set forth in Article 8 of Chapter 142 of the General Statutes or as otherwise authorized by law.

"§ 143-64.17K. Inspection and compliance certification for State governmental units."

The provisions of G.S. 143-341(3) shall not apply to any energy conservation measure for State governmental units provided pursuant to this Part, except as specifically set forth in this section. Except as otherwise exempt under G.S. 116-31.11, the following shall apply to all energy conservation measures provided to State governmental units pursuant to this Part:

1. The provisions of G.S. 133-1.1.
2. Inspection and certification by:
   a. The applicable local building inspector under Part 4 of Article 18 of Chapter 153A of the General Statutes or Part 5 of Article 19 of Chapter 160A of the General Statutes; or

The aggregate principal amount payable by the State under financing contracts entered pursuant to this Article shall not exceed fifty million dollars ($50,000,000) at any one time.

§ 142-64. Procedure for incurrence or issuance of financing contract.

(a) When a State governmental unit has solicited a guaranteed energy conservation measure, the State governmental unit shall request that the State Treasurer approve the State governmental unit’s entering into a financing contract to finance the cost of the energy conservation measure. In connection with the request, the State governmental unit shall provide to the State Treasurer any information the State Treasurer requests in order to evaluate the request. In the event that the State Treasurer determines that financing efficiencies will be realized through the combining of financing
contracts, then the State Treasurer is authorized to execute and deliver, for
and on behalf of the State of North Carolina, subject to the terms and
conditions set forth in this Article, a financing contract for the purpose of
financing the cost of the multiple energy conservation measures.

(b) A financing contract may be entered into pursuant to this Article
only after all of the following conditions are met:

(1) The Office of State Budget and Management has certified
that resources are expected to be available to the State to
pay the payments to fall due under the financing contract
as they become due and payable.

(2) The Council of State has approved the execution and
delivery of the financing contract by resolution that sets
forth all of the following:
   a. The not-to-exceed term or final maturity of the
      financing contract, which shall be no later than 12
      years from the date the financing contract is entered.
   b. The not-to-exceed interest rate or rates (or the
      equivalent thereof), which may be fixed or vary over
      a period of time, with respect to the financing
      contract.
   c. The appropriate officers of the State to execute and
deliver the financing contract and all other
documentation relating to it.

(3) The State Treasurer has approved the financing contract
and all other documentation related to it, including any
deed of trust, security agreement, trust agreement or any
credit facility.

The resolution of the Council of State shall include any other matters
the Council of State considers appropriate.

(c) In determining whether to approve a financing contract under
subdivision (b)(3) of this section, the State Treasurer may consider the
factors the State Treasurer considers relevant in order to find and determine
all of the following:

(1) The principal amount to be advanced to the State under
the financing contract is adequate and not excessive for
the purpose of paying the cost of the energy conservation
measure.

(2) The increase, if any, in State revenues necessary to pay
the sums to become due under the financing contract are
not excessive.

(3) The financing contract can be entered into on terms
desirable to the State.

(4) In the case of delivery of certificates of participation, the
sale of certificates of participation will not have an
adverse effect upon any scheduled or proposed sale of obligations of the State or any State agency.

(d) The Office of State Budget and Management is authorized to certify that funds are expected to be available to the State to make the payments due under a financing contract entered into under the provisions of this section as the payments become due and payable. In so certifying, the Office of State Budget and Management may take into account expected decreases in appropriations to the State governmental unit that will offset payments expected to be made under the financing contract.

§ 142-65. Security; other requirements.

(a) In order to secure the performance by the State of its obligations under a financing contract or any other related documentation, the State may grant a lien on, or security interest in, all or any part of the energy conservation property or the land upon which the energy conservation property is or will be located.

(b) No deficiency judgment may be rendered against the State or any State governmental unit in any action for breach of any obligation contained in a financing contract or any other related documentation, and the taxing power of the State is not and may not be pledged directly or indirectly to secure any moneys due under a financing contract or any other related documentation. In the event that the General Assembly does not appropriate funds sufficient to make payments required under a financing contract or any other related documentation, the net proceeds received from the sale, lease, or other disposition of the property subject to the lien or security interest created pursuant to subsection (a) of this section shall be applied to satisfy these payment obligations in accordance with the deed of trust, security agreement, or other documentation creating the lien or security interest. These net proceeds are hereby appropriated for the purpose of making these payments. Any net proceeds in excess of the amount required to satisfy the obligations of the State under the financing contract or any other related documentation shall be paid to the State Treasurer for deposit to the General Fund of the State.

(c) Neither a financing contract nor any other related documentation shall contain a nonsubstitution clause that restricts the right of the State to (i) continue to provide a service or conduct an activity or (ii) replace or provide a substitute for any State property that is the subject of an energy conservation measure.

(d) A financing contract may include provisions requesting the Governor to submit in the Governor's budget proposal, or any amendments or supplements to it, appropriations necessary to make the payments required under the financing contract.

(e) A financing contract may contain any provisions for protecting and enforcing the rights and remedies of the person advancing moneys or providing funds under the financing contract that are reasonable and not in
violation of law, including covenants setting forth the duties of the State in respect of the purposes to which the funds advanced under a financing contract may be applied, and the duties of the State with respect to the property subject to the lien or security interest created pursuant to subsection (a) of this section, including, without limitation, provisions relating to insuring and maintaining any property and the custody, safeguarding, investment, and application of moneys.

(f) The interest component of the installment payments to be made under a financing contract may be calculated based upon a fixed or variable interest rate or rates as determined by the State Treasurer.

(g) If the State Treasurer determines that it is in the best interest of the State, the State may enter into, or arrange for the delivery of, a credit facility to secure payment of the payments due under a financing contract or to secure payment of the purchase price of any certificates of participation delivered as provided in this Article.

§ 142-66. Payment provisions.

The payment of amounts payable by the State under a financing contract and any other related documentation during any fiscal biennium or fiscal year shall be limited to funds appropriated for that purpose by the General Assembly in its discretion. No provision of this Article and no financing contract or any other related documentation shall be construed or interpreted as creating a pledge of the faith and credit of the State or any agency, department, or commission of the State within the meaning of any constitutional debt limitation.

§ 142-67. Certificates of participation.

(a) If the State Treasurer determines that the State would realize debt service savings under one or more financing contracts if certificates of participation are issued with respect to the rights to receive payments under the financing contract, then the State Treasurer is authorized to take actions, with the consent of the Council of State, that will effectuate the delivery of certificates of participation for that purpose.

(b) Terms; Interest. - Certificates of participation may be sold by the State Treasurer in the manner, either at public or private sale, and for any price or prices that the State Treasurer determines to be in the best interest of the State and to effect the purposes of this Article, except that the terms of the sale must also be approved by the special corporation. Interest payable with respect to certificates of participation shall accrue at the rate or rates determined by the State Treasurer with the approval of the special corporation.

(c) Trust Agreement. - Certificates of participation may be delivered pursuant to a trust agreement or similar instrument with a corporate trustee approved by the State Treasurer.
§ 142-68. Tax exemption.

Any financing contract entered pursuant to this Article, and any certificates
of participation relating to it, shall at all times be free from taxation by the
State or any political subdivision or any of their agencies, excepting estate,
inheritance, and gift taxes; income taxes on the gain from the transfer of the
financing contract or certificates of participation; and franchise taxes. The
interest component of the installment payments made by the State under the
financing contract, including the interest component of any certificates of
participation, is not subject to taxation as income.

§ 142-69. Other agreements.

The State Treasurer may authorize, execute, obtain, or otherwise provide for
bond insurance, investment contracts, credit and liquidity facilities, credit
enhancement facilities, interest rate swap agreements and other derivative
products, and any other related instruments and matters the State Treasurer
determines are desirable in connection with entering into financing
contracts and issuing certificates of participation pursuant to this Article.
The State Treasurer is authorized to employ and designate any financial
consultants, underwriters, fiduciaries, and bond attorneys to be associated
with any financing contracts or certificates of participation under this
Article as the State Treasurer considers appropriate.

§ 142-70. Investment eligibility.

Financing contracts entered into pursuant to this Article, and any
certificates of participation relating to them, are securities or obligations in
which all of the following may invest, including capital in their control or
belonging to them: public officers, agencies, and public bodies of the State
and its political subdivisions; insurance companies, trust companies, investment
companies, banks, savings banks, savings and loan associations, credit unions,
pension or retirement funds, and other financial institutions engaged in
business in the State; and executors, administrators, trustees, and other
fiduciaries. Financing contracts entered pursuant to this Article, and any
certificates of participation relating to them, are securities or obligations
that may properly and legally be deposited with and received by any officer
or agency of the State or any political subdivision of the State for any
purpose for which the deposit of bonds, notes, or obligations of the State or
any political subdivision is now or may later be authorized by law.

CONFERENCE COMMITTEE SUBSTITUTE FOR
HOUSE BILL 644

H644-CCSSU-1. A BILL TO BE ENTITLED AN ACT TO AUTHORIZE PUBLIC TOLL ROADS AND BRIDGES IN NORTH CAROLINA AND THE CREATION OF A TURNPIKE AUTHORITY.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 136 of the General Statutes is amended by adding a new Article to read:

"Article 6H.

"Public Toll Roads and Bridges.

"§ 136-89.180. Legislative findings.

The General Assembly finds that the existing State road system is becoming increasingly congested and overburdened with traffic in many areas of the State; that the sharp surge of vehicle miles traveled is overwhelming the State's ability to build and pay for adequate road improvements; and that an adequate answer to this challenge will require the State to be innovative and utilize several new approaches to transportation improvements in North Carolina.

Toll funding of highway and bridge construction is feasible in North Carolina and can contribute to addressing the critical transportation needs of the State. A toll program can speed the implementation of needed transportation improvements by funding some projects with tolls.
The following definitions apply to this Article:

(2) "Turnpike Authority" means the public agency created by this Article.
(3) "Authority Board" means the governing board of the Turnpike Authority.

(5) "Turnpike System" means collectively all Turnpike Projects developed in accordance with the provisions of this Article.

(a) Creation. - There is created a body politic and corporate to be known as the "North Carolina Turnpike Authority". The Authority is constituted as a public agency, and the exercise by the Authority of the powers conferred by this Article in the construction, operation, and maintenance of toll roads and bridges shall be deemed and held to be the performance of an essential governmental function.

Each appointing authority shall appoint members who reside in diverse regions of the State. The Chair of the Authority shall be selected by the Authority Board.

One of the initial appointments to the Authority Board by the
General Assembly upon the recommendation of the President Pro Tempore of the Senate, one of the initial appointments to the Authority Board by the General Assembly upon the recommendation of the Speaker of the House of Representatives, and one of the initial appointments of the Governor shall be appointed to terms ending January 14, 2005. The Secretary of Transportation shall serve as an ex officio voting member of the Board. Thereafter, at the expiration of each stipulated term of office, all appointments shall be to a term of four years from the date of the expiration of the term.

(f) Vacancies. - All members of the Authority Board shall remain in office until their successors are appointed and qualified. The original appointing authority may appoint a member to serve out the unexpired term of any member.

(j) Bylaws. - The Authority Board shall adopt, change, or amend bylaws with respect to the calling of meetings, quorums, voting procedures, the keeping of records, and other organizational, staffing, and administrative matters as the Authority Board may determine. Any bylaws, or subsequent changes or amendments to the bylaws, shall be submitted to the Board of Transportation and the Joint Legislative Transportation Oversight Committee for review and comment at least 45 days prior to adoption by the Authority Board.

A taxpayer is eligible for the credit for investing in machinery and equipment, the credit for research and development, or the credit for investing in real property for a central office or aircraft facility, or the credit for substantial investment in other property facility in a tier three, four, or five area if, for the calendar year the taxpayer engages in the activity that qualifies for the credit, the average wage of all jobs at the location with respect to which the credit is claimed meets the wage standard. In making the wage calculation, the taxpayer must include any positions that were filled for at least 1,600 hours during the calendar year the taxpayer engages in the activity that qualifies for the credit even if those positions are not filled at the time the taxpayer claims the credit. For a taxpayer with a taxable year other than a calendar year, the taxpayer must use the wage standard for the calendar year in which the taxable year begins. No wage standard applies to credits for activities in an enterprise tier one or two area.

Jobs meet the wage standard if they pay an average weekly wage that is at least equal to the applicable percentage times one hundred ten percent (110%) of the applicable average weekly wage for the county in which the jobs will be located, as computed by the Secretary of Commerce from data compiled by the Employment Security Commission for the most recent period for which data are available. The applicable percentage for jobs located in an enterprise tier one area is one hundred percent (100%). The applicable percentage for all other jobs is one hundred ten percent (110%). The applicable average weekly wage is the lowest of the following: (i) the average wage for all insured private employers in the county, (ii) the average wage for all insured private employers in the State, and (iii) the average wage for all insured private employers in the county multiplied by
the county income/wage adjustment factor. The county income/wage adjustment factor is the county income/wage ratio divided by the State income/wage ratio. The county income/wage ratio is average per capita income in the county divided by the annualized average wage for all insured private employers in the county. The State income/wage ratio is the average per capita income in the State divided by the annualized average wage for all insured private employers in the State. The Department of Commerce must annually publish the wage standard for each county.”

SECTION 1.3.(b) If House Bill 1665, 2001 General Assembly, becomes law, then G.S. 105-129.4(b) reads as rewritten:

"(b) Wage Standard. - A taxpayer is eligible for the credit for creating jobs or the credit for worker training in an enterprise tier three, four, or five area if, for the calendar year the jobs are created or the worker training is provided, the average wage of the jobs for which the credit is claimed meets the wage standard and the average wage of all jobs at the location with respect to which the credit is claimed meets the wage standard. No credit is allowed for jobs not included in the wage calculation.

A taxpayer is eligible for the credit for investing in machinery and equipment, the credit for research and development, or the credit for investing in real property for a central office or aircraft facility, or the credit for substantial investment in other property facility in a tier three, four, or five area if, for the calendar year the taxpayer engages in the activity that qualifies for the credit, the average wage of all jobs at the location with respect to which the credit is claimed meets the wage standard. In making the wage calculation, the taxpayer must include any positions that were filled for at least 1,600 hours during the calendar year the taxpayer engages in the activity that qualifies for the credit even if those positions are not filled at the time the taxpayer claims the credit. For a taxpayer with a taxable year other than a calendar year, the taxpayer must use the wage standard for the calendar year in which the taxable year begins. No wage standard applies to credits for activities in an enterprise tier one or two area.

Part-time jobs for which the taxpayer provides health insurance as provided in subsection (b2) of this section are considered to have an average weekly wage at least equal to the applicable percentage times the applicable average weekly wage for the county in which the jobs will be located. There may be a period of up to 100 days between the time at which an employee begins a part-time job and the time at which the taxpayer begins to provide health insurance for that employee.

Jobs meet the wage standard if they pay an average weekly wage that is at least equal to the applicable percentage times one hundred ten percent (110%) of the applicable average weekly wage for the county in which the jobs will be located, as computed by the Secretary of Commerce from data compiled by the Employment Security Commission for the most recent period for which data are available.
located in an enterprise tier one area is one hundred percent (100%). The applicable percentage for all other jobs is one hundred ten percent (110%). The applicable average weekly wage is the lowest of the following: (i) the average wage for all insured private employers in the county, (ii) the average wage for all insured private employers in the State, and (iii) the average wage for all insured private employers in the county multiplied by the county income/wage adjustment factor. The county income/wage adjustment factor is the county income/wage ratio divided by the State income/wage ratio. The county income/wage ratio is average per capita income in the county divided by the annualized average wage for all insured private employers in the county. The State income/wage ratio is the average per capita income in the State divided by the annualized average wage for all insured private employers in the State. The Department of Commerce must annually publish the wage standard for each county.

SECTION 1.4. G.S. 105-129.3A is amended by adding a new subsection to read:

"(d) Parcel of Property Partially in a Development Zone. - For the purposes of this section, a parcel of property that is located partially within a development zone is considered entirely within the development zone if all of the following conditions are satisfied:

(1) At least fifty percent (50%) of the parcel is located within the development zone.

(2) The parcel was in existence and under common ownership prior to the most recent federal decennial census.

(3) The parcel is a portion of land made up of one or more tracts or tax parcels of land that is surrounded by a continuous perimeter boundary."

SECTION 1.5. G.S. 105-129.2 is amended by adding a new subdivision to read:

"§ 105-129.2. Definitions.
The following definitions apply in this Article:

(17a) Overdue tax debt. - Defined in G.S. 105-243.1."

SECTION 1.6. In addition to heightening the incentive effect of the William S. Lee Quality Jobs and Business Expansion Act in lower-tiered counties, the changes in Section 1.1 of this act are intended to reduce the cost of the Act and make more revenues available to the State of North Carolina in future years. It is the intent of the General Assembly in making these changes to provide a source of funds that could be used in future years to support other, more targeted economic development programs aimed at helping create new jobs in North Carolina.

SECTION 1.7. Section 1.1 of this act is effective for taxable years beginning on or after January 1, 2003, and applies to business activities that occur on or after January 1, 2003, but does not apply to
business activities that occur on or after January 1, 2003, that are subject to a letter of commitment signed under G.S. 105-129.9 before January 1, 2003. Sections 1.2 through 1.5 of this act are effective for taxable years beginning on or after January 1, 2003. The remainder of this part is effective when it becomes law.

PART 2. JOB DEVELOPMENT INVESTMENT GRANT PROGRAM

SECTION 2.1.(a) Article 10 of Chapter 143B of the General Statutes is amended by adding a new Part to read:

"Part 2F.

"Job Development Investment Grant Program.

§ 143B-437.44. Legislative findings and purpose.

The General Assembly finds that:

(1) It is the policy of the State of North Carolina to stimulate economic activity and to create new jobs for the citizens of the State by encouraging and promoting the expansion of existing business and industry within the State and by recruiting and attracting new business and industry to the State.

(2) Both short-term and long-term economic trends at the State, national, and international levels have made the successful implementation of the State's economic development policy and programs both more critical and more challenging; and the decline in the State's traditional industries, and the resulting adverse impact upon the State and its citizens, have been exacerbated in recent years by adverse national and State economic trends that contribute to the reduction in the State's industrial base and that inhibit the State's ability to sustain or attract new and expanding businesses.

(3) The economic condition of the State is not static and recent changes in the State's economic condition have created economic distress that requires a reevaluation of certain existing State programs and the enactment of a new program as provided in this Part that are designed to stimulate new economic activity and to create new jobs within the State.

(4) The enactment of this Part is necessary to stimulate the economy, facilitate economic recovery, and create new jobs in North Carolina; and this Part will promote the general welfare and confer, as its primary purpose and effect, benefits on citizens throughout the State through the creation of new jobs, an enlargement of the overall tax
base, an expansion and diversification of the State's industrial base, and an increase in revenue to the State and its political subdivisions.

(5) The purpose of this Part is to stimulate economic activity and to create new jobs within the State.

(6) It is not the intent of the General Assembly that grants provided through this Part be used as venture capital funds, business incubator funds, or business start-up funds or to otherwise fund the initial capitalization needs of new businesses.

(7) Nothing in this Part shall be construed to constitute a guarantee or assumption by the State of any debt of any business or to authorize the taxing power or the full faith and credit of the State to be pledged.

§ 143B-437.45. Definitions.
The following definitions apply in this Part:

(1) Agreement. - A community economic development agreement under G.S. 143B-437.51.

(2) Base years. - The first two complete calendar years following the effective date of an agreement.

(3) Business. - A corporation, sole proprietorship, cooperative association, partnership, S corporation, limited liability company, nonprofit corporation, or other form of business organization, located either within or outside this State.

(4) Committee. - The Economic Investment Committee established pursuant to G.S. 143B-437.48.

(5) Eligible position. - A position created by a business and filled by a new full-time employee in this State during the base years or in subsequent years of a grant.

(6) Full-time employee. - A person who is employed for consideration for at least 35 hours a week, whose wages are subject to withholding under Article 4A of Chapter 105 of the General Statutes, and who is determined by the Committee to be employed in a permanent position according to criteria it develops in consultation with the Attorney General. The term does not include any person who works as an independent contractor or on a consulting basis for the business.

(7) New employee. - A full-time employee who represents a net increase in the number of the business's employees statewide. The term includes an employee who previously filled an eligible position who is rehired or called back from a layoff that occurs during or following the base years to
a vacant position previously held by that employee or to a new position established during or following the base years.

(8) Overdue tax debt. - Defined in G.S. 105-243.1.
(9) Related member. - Defined in G.S. 105-130.7A.
(10) Withholdings. - The amount withheld by a business from the wages of employees in eligible positions under Article 4A of Chapter 105 of the General Statutes.

§ 143B-437.46. Job Development Investment Grant Program.
(a) Program. - There is established the Job Development Investment Grant Program to be administered by the Economic Investment Committee. In order to foster job creation and investment in the economy of this State, the Committee may enter into negotiated agreements with businesses to provide grants in accordance with the provisions of this Part. The Committee, in consultation with the Attorney General, shall develop criteria to be used in determining whether the conditions of this section are satisfied and whether the project described in the application is otherwise consistent with the purposes of this Part. Before entering into an agreement, the Committee must find that all the following conditions are met:

(1) The project proposed by the business will create, during the term of the agreement, a net increase in employment in this State by the business.

(2) The project will benefit the people of this State by increasing opportunities for employment and by strengthening this State's economy by, for example, providing worker training opportunities, constructing and enhancing critical infrastructure, increasing development in strategically important industries, or increasing the State and local tax base.

(3) The project is consistent with economic development goals for the State and for the area where it will be located.

(4) A grant under this Part is necessary for the completion of the project in this State.

(5) The total benefits of the project to the State outweigh its costs and render the grant appropriate for the project.

(b) Cap. - The maximum number of agreements the Committee may enter into each calendar year is 15.

(c) Ceiling. - The maximum amount of total annual liability for grants for agreements entered into in any single calendar year may not exceed ten million dollars ($10,000,000). No agreement may be entered into that, when considered together with other existing agreements entered into during that calendar year, could cause the State's potential total annual liability for grants entered into in that calendar year to exceed this amount.

§ 143B-437.47. Eligible projects.
(a) Minimum Number of Eligible Positions. - A business may apply to the Committee for a grant for any project that creates the minimum
number of eligible positions as set out in the table below. If the project will be located in more than one enterprise tier area, the location with the highest enterprise tier area designation determines the minimum number of eligible positions that must be created.

(b) Ineligible Businesses. - A project that consists solely of retail facilities is not eligible for a grant under this Part. If a project consists of both retail facilities and nonretail facilities, only the portion of the project consisting of nonretail facilities is eligible for a grant, and only the withholdings from employees in eligible positions that are employed exclusively in the portion of the project that represents nonretail facilities may be used to determine the amount of the grant. If a warehouse facility is part of a retail facility and supplies only that retail facility, the warehouse facility is not eligible for a grant. For the purposes of this Part, catalog distribution centers are not retail facilities.

A project that consists of a professional or semiprofessional sports team or club is not eligible for a grant under this Part.

(c) Health Insurance. - A business is eligible for a grant under this Part only if the business provides health insurance for all of the full-time employees of the project with respect to which the grant is made. For the purposes of this subsection, a business provides health insurance if it pays at least fifty percent (50%) of the premiums for health care coverage that equals or exceeds the minimum provisions of the basic health care plan of coverage recommended by the Small Employer Carrier Committee pursuant to G.S. 58-50-125.

Each year that a business receives a grant under this Part, the business must provide with the submission required under G.S. 143B-437.52 a certification that the business continues to provide health insurance for all full-time employees of the project with respect to which the grant is made. If the business ceases to provide health insurance to all full-time employees of the project with respect to which a grant is made, the Committee shall amend or terminate the agreement as provided in G.S. 143B-437.53.

(d) Wage Standard. - In order for a business to be eligible for a grant under this Part, the average wage of all jobs at the location with respect to which a grant is made must meet the wage standard set out in G.S. 105-129.4(b). If a project is to be located at more than one location, the average wage of all jobs at a location must meet the wage standard set out in G.S. 105-129.4(b) in order for that location to be included in the agreement.
Safety and Health Programs. - In order for a business to be eligible for a grant under this Part, the business must have no citations under the Occupational Safety and Health Act that have become a final order within the past three years for willful serious violations or for failing to abate serious violations with respect to the location for which the grant is made. For the purposes of this subsection, “serious violation” has the same meaning as in G.S. 95-127.

§ 143B-437.48. Economic Investment Committee established.

(a) Membership. - The Economic Investment Committee is established. The Committee consists of the following members:

1. The Secretary of Commerce.
2. The Secretary of Revenue.
3. The Director of the Office of State Budget and Management.
4. One member appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives.
5. One member appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate.

The members of the Committee appointed by the General Assembly may not be members of the General Assembly. The members of the Committee appointed by the General Assembly serve two-year terms that begin upon appointment.

(b) Decision Required. - The Committee may act only upon a decision of three of its five members.

(c) Conflict of Interest. - It is unlawful for a former member of the Committee to, within two years after the end of service on the Committee, provide services for compensation, as an employee, consultant, or otherwise, to any business or a related member of the business that was awarded a grant under this Part while the former member was serving on the Committee. Violation of this subsection is a Class 1 misdemeanor. In addition to the penalties imposed under G.S. 15A-1340.23, the court shall also make a finding as to what compensation was received by the defendant for services in violation of this section and shall order the defendant to forfeit that compensation.

If a person is convicted under this section, the person shall not provide services for compensation, as an employee, consultant, or otherwise, to any business or a related member of the business that was awarded a grant under this Part while the former member was serving on the Committee until two years after the person's conviction under this section.

(d) Public Notice. - The Committee shall do all of the following at least 15 business days prior to the adoption of or amendment to any proposed criteria:
(1) Publish the proposed criteria on the Department of Commerce's web site.

(2) Provide notice to persons who have requested notice of proposed criteria.

(3) Accept oral and written comments on the proposed criteria.

(e) Sunshine. - Meetings of the Committee are subject to the open meetings requirements of Article 33C of Chapter 143 of the General Statutes. All documents of the Committee, including applications for grants, are public records governed by Chapter 132 of the General Statutes and any applicable provisions of the General Statutes protecting confidential information.

"§ 143B-437.49. Applications; fees; reports; study.

(a) Application. - A business shall apply, under oath, to the Committee for a grant on a form prescribed by the Committee that includes at least all of the following:

(1) The name of the business, the proposed location of the project, and the type of activity in which the business will engage at the project site or sites.

(2) The names and addresses of the principals or management of the business, the nature of the business, and the form of business organization under which it is operated.

(3) The financial statements of the business prepared by a certified public accountant and any other financial information the Committee considers necessary.

(4) The number of eligible positions proposed to be created during the base years and thereafter and the salaries for these positions.

(5) An estimate of the total withholdings.

(6) Certification that the business will provide health insurance to all full-time employees of the project.

(7) Information concerning other locations, including locations in other states and countries, being considered for the project and the nature of any benefits that would accrue to the business if the project were to be located in one of those locations.

(8) Information concerning any other State or local government incentives for which the business is applying or that it has an expectation of receiving.

(9) Any other information necessary for the Committee to evaluate the application.

A business may apply, in one consolidated application in a form and manner determined by the Committee, for a grant on its own behalf as a business and for grants on behalf of the related members of the business who may qualify under this Part.
The Committee will consider an application by a business for grants on behalf of its related members only if the related members for whom the application is submitted have assigned to the business any claim of right the related members may have under this Part to apply for grants individually during the term of the agreement and have agreed to cooperate with the business in providing to the Committee all the information required for the initial application and the agreement, and any other information the Committee may require for the purposes of this Part. The applicant business is responsible for providing to the Committee all the information required under this Part.

If a business applies for a grant on behalf of its related members, the related members included in the application may be permitted to meet the qualifications for a grant collectively by participating in a project that meets the requirements of this Part. The amount of a grant may be calculated under the terms of this Part as if the related members were all collectively one business entity. Any conditions for a grant, other than the number of eligible positions created, apply to each related member who is listed in the application as participating in the project. The grants awarded shall be paid to the applicant business. A grant received under this Part by a business may be apportioned to the related members in a manner determined by the business. In order for an agreement to be executed, each related member included in the application must sign the agreement and agree to abide by its terms.

(b) Application Fee. - When filing an application under this section, the business must pay the Committee a fee of five thousand dollars ($5,000). The fee is due at the time the application is filed. The Secretary of Commerce, the Secretary of Revenue, and the Director of the Office of State Budget and Management shall determine the allocation of the fee imposed by this section among their agencies. The proceeds of the fee are receipts of the agency to which they are credited.

(c) Annual Reports. - The Committee shall publish a report on the Job Development Investment Grant Program on or before April 30 of each year. The report shall include the following:

1. A listing of each community economic development agreement negotiated and entered into during the preceding calendar year, including the name of the business, the cost/benefit analysis conducted by the Committee during the application process, a description of the project, the term of the agreement, the percentage used to determine the amount of the grant, and the amount of the grant made under the agreement during that year.

2. An update on the status of projects under agreements entered into before the preceding calendar year.
(3) The number and enterprise tier area of eligible positions created by projects with respect to which grants were awarded.

(4) The wage levels of all eligible positions created by projects with respect to which grants are awarded, aggregated and listed in increments of five thousand dollars ($5,000).

(5) The amount of new income tax revenue received from withholdings related to the projects for which grants were awarded.

(6) The criteria developed by the Committee, in consultation with the Attorney General, to implement this Part and any changes in those criteria from the previous calendar year.

(11) A listing of all businesses making an application under this Part and an explanation of whether each business ultimately located the project in this State regardless of whether the business was awarded a grant for the project under this Part.

(12) The division and use of fees collected by the Committee under this section and under G.S. 143B-437.52.

(d) Quarterly Reports. - The Committee shall publish a report on the Job Development Investment Grant Program within two months of the end of each quarter. This report shall include a listing of each community economic development agreement negotiated and entered into during the preceding quarter, including the name of the business, the cost/benefit analysis conducted by the Committee during the application process, a description of the project, and the amount of the grant expected to be made under the agreement during the current fiscal year.

(e) Study. - The Committee shall conduct a study to determine the minimum funding level required to implement the Job Development Investment Grant Program successfully. The Committee shall report the results of this study to the House of Representatives Finance Committee, the Senate Finance Committee, the House of Representatives Appropriations Subcommittee on Natural and Economic Resources, the Senate Appropriations Committee
§ 143B-437.50. Calculation of minimum and maximum grants; factors considered.

(a) Subject to the limitations of subsection (d) of this section, the amount of the grant awarded in each case shall be a percentage of the withholdings of eligible positions. The percentage shall be no less than ten percent (10%) and no more than seventy-five percent (75%) of the withholdings of the eligible positions for a period of years. The percentage used to determine the amount of the grant shall be based on criteria developed by the Committee, in consultation with the Attorney General, after considering at least the following:

1. The number of eligible positions to be created.
2. The expected duration of those positions.
3. The type of contribution the business can make to the long-term growth of the State's economy.
4. The amount of other financial assistance the project will receive from the State or local governments.

(d) The percentage established in the agreement shall be reduced by one-fourth for any eligible position that is located in an enterprise tier four or five area.

(e) A business that is receiving any other grant by operation of State law may not receive an amount as a grant pursuant to this Part that, when combined with any other grants, exceeds seventy-five percent (75%) of the withholdings of the business, unless the Committee makes an explicit finding that the additional grant is necessary to secure the project.

(f) The amount of a grant associated with any specific eligible position may not exceed six thousand five hundred dollars ($6,500) in any year.
§ 143B-437.51. Community economic development agreement.

3. The number of eligible positions that are subjects of the grant and a description of those positions and the location of those positions.

(14) A provision setting out any allowed variation in the terms of the agreement that will not subject the business to amendment or termination of the agreement under G.S. 143B-437.53.

(15) A provision that prohibits the business from manipulating or attempting to manipulate employee withholdings with the purpose of increasing the amount of the grant and that requires the Committee to terminate the agreement and take action to recapture grant funds if the Committee finds that the business has manipulated or attempted to manipulate withholdings with the purpose of increasing the amount of the grant.

(16) A provision requiring that the business engage in fair employment practices as required by State and federal law and a provision encouraging the business to use small contractors, minority contractors, physically handicapped contractors, and women contractors whenever practicable in the conduct of its business.

The Secretary of Commerce, the Secretary of Revenue, and the Director of the Office of State Budget and Management shall determine the allocation of the fee imposed by this section among their agencies. (c) The Committee may require any business receiving a grant to submit to an audit at any time.

§ 143B-437.53. Failure to comply with agreement.

(a) If the business receiving a grant fails to meet or comply with any condition or requirement set forth in an agreement or with criteria developed by the Committee in consultation with the Attorney General, the Committee shall amend the agreement to reduce the amount of the grant or the term of the agreement and may terminate the agreement. Any reduction of the grant is applicable to the grant year immediately following the grant year in which the Committee amends the agreement. The reduction in the amount or the term must, at a minimum, be proportional to the failure to comply measured relative to the condition or criterion with respect to which the failure occurred.

(b) If a business fails to maintain employment at the levels stipulated in the agreement or otherwise fails to comply with any condition of the agreement for any two consecutive years, the Committee shall terminate the agreement.

(c) Notwithstanding the provisions of subsections (a) and (b) of this section, if the Committee finds that the business has manipulated or attempted to manipulate employee withholdings with the purpose of increasing the amount of a grant, the Committee shall immediately terminate the agreement and take action to recapture any grant funds disbursed in any year in which the Committee finds the business manipulated or attempted to manipulate employee withholdings with the purpose of increasing the amount of the grant.
§ 143B-437.54. Disbursement of grant.

A business may not receive an annual disbursement of a grant if, at the time of disbursement, the business has received a notice of an overdue tax debt and that overdue tax debt has not been satisfied or otherwise resolved. A business may receive an annual disbursement of a grant only after the Committee has certified to the State Controller that there are no outstanding overdue tax debts and that the business has met the terms and conditions of the agreement. No amount shall be disbursed to a business as a grant under this Part in any year until the Secretary of Revenue has certified to the Committee (i) that there are no outstanding overdue tax debts of the business and (ii) the amount of withholdings received in that year by the Department of Revenue from the business. A business that has met the terms of the agreement shall make an annual certification of this to the Committee. The Committee shall verify this information and certify to the State Controller that the terms of the agreement have been met. The Committee shall further certify to the State Controller the amount of a grant for which the business is eligible under the agreement and the amount of a grant for which the business would be eligible under the agreement without regard to G.S. 143B-437.50(d). The State Controller shall remit a check to the business in the amount of the certified grant amount within 90 days of receiving the certification of the Committee.

§ 143B-437.55. Transfer to Industrial Development Fund.

At the time the State Controller remits a check to a business under G.S. 143B-437.54, the State Controller shall transfer to the Utility Account of the Industrial Development Fund an amount equal to the amount certified by the Committee as the difference between the amount of the grant and the amount of the grant for which the business would be eligible without regard to G.S. 143B-437.50(d).

The authority of the Committee to enter into new agreements begins January 1, 2003, and expires January 1, 2005.

PART 5. INDUSTRIAL AND POLLUTION CONTROL FACILITIES FINANCING

SECTION 5.1. The General Assembly finds that there are small manufacturing companies in the State that are eligible for industrial development bond financing for capital improvements and expansions, but
are not able to take advantage of that financing because of the administrative costs involved. This problem can be addressed by reviving the composite bond program under Chapter 159D of the General Statutes, under which the North Carolina Capital Facilities Finance Agency could combine several series of bonds into a single bond offering, thereby reducing transaction costs and permitting eligible small manufacturers to access tax exempt financing for capital investments. The composite bond program would be facilitated by the changes proposed to Chapter 159D in this part that will streamline the procedures for composite issues by requiring only one public hearing and align the review standard for bonds issued as part of a composite bond program with the standard for bonds issued by county industrial development projects.

SECTION 5.2. G.S. 159D-7(d) reads as rewritten:

"(d) Public Hearing. Hearing, Generally. - The Secretary of Commerce shall not approve any proposed project pursuant to this section unless the governing body of the county in which the project is located has first conducted a public hearing and, at or after the public hearing, approved in principle the issuance of bonds under this Article for the purpose of paying all or part of the cost of the proposed project. Notice of the public hearing shall be published at least once in at least one newspaper of general circulation in the county not less than 14 days before the public hearing. The notice shall describe generally the bonds proposed to be issued and the proposed project, including its general location, and any other information the governing body considers appropriate or the Secretary of Commerce prescribes for the purpose of providing the Secretary with the views of the community. The notice shall also state that following the public hearing the agency intends to file an application for approval of the proposed project with the Secretary of Commerce.

(d1) Public Hearing, Multiple Projects. - Notwithstanding subsection (d) of this section, in the event the bonds proposed to be issued are to finance more than one project, the public hearing shall be conducted by the agency or by a hearing officer designated by the agency to conduct public hearings. The public hearing may be held at any location designated by the agency. Notice of the public hearing shall be published at least once in at least one newspaper of general circulation in each county in which a proposed project is to be located not less than 14 days before the public hearing. The notice shall describe generally the bonds proposed to be issued and any proposed project in that county, including its general location, and any other information the agency considers appropriate or the Secretary of Commerce prescribes for the purpose of providing the Secretary with the views of the community. A copy of the notice of public hearing must be mailed to the board of county commissioners of any county in which a
proposed project is to be located and to the governing body of any municipality in which a proposed project is to be located."

SECTION 5.3. G.S. 159D-8(b) reads as rewritten:

"(b) In determining whether a proposed bond issue should be approved, the Local Government Commission may consider, without limitation, the following:

(1) Whether the proposed operator and obligor have demonstrated or can demonstrate the financial responsibility and capability to fulfill their obligations with respect to the financing agreement. In making such determination, the commission may consider the operator's experience and the obligor's ratio of current assets to current liabilities, net worth, earnings trends and coverage of fixed charges, the nature of the industry or business involved and its stability and any additional security such as credit enhancement, insurance, guaranties or property to be pledged or secure such bonds.

(2) Whether the political subdivisions in or near which the proposed project is to be located have the ability to cope satisfactorily with the impact of such project and to provide, or cause to be provided, the public facilities and services, including utilities, that will be necessary for such project and on account of any increase in population which are expected to result therefrom.

(3) Whether the proposed date and manner of sale will have an adverse effect upon any scheduled or anticipated sale of obligations by the State or any political subdivision or any agency of either of them."

SECTION 5.4. This part becomes effective January 1, 2003.

PART 6. CAPITAL PLANNING COSTS FOR BIOPHARMACEUTICAL TRAINING CENTER AND CANCER REHABILITATION TREATMENT CENTER.

SECTION 6. The State Board of Community Colleges, the Board of Governors of The University of North Carolina, and the North Carolina Biotechnology Center are authorized to initiate planning and development of a new biopharmaceutical/bioprocess manufacturing training center to be centrally located and related training facilities to be located at various community colleges. The Board of Directors of the University of North Carolina Health Care System is authorized to initiate planning and
development of a new cancer rehabilitation and treatment center to be located at the University of North Carolina Hospitals at Chapel Hill.

PART 7. GENERAL PROVISIONS

SECTION 7.1. The provisions of this act are severable. If any provision of this act is held invalid by a court of competent jurisdiction, the invalidity does not affect other provisions of the act that can be given effect without the invalid provision.

SECTION 7.2. Except as otherwise provided, this act is effective when it becomes law.

However, the local school administrative unit in which a child is domiciled shall transfer to the local school administrative unit in which the institution is located an amount equal to the actual local cost in excess of State and federal funding required to educate that child in the local school administrative unit for the fiscal year. Nothing in this section obligates any local board of education to bear any cost for the care and maintenance of a child with special needs in a group home, foster home or other similar facility."

SECTION 3. The State Board of Education shall provide for a local school administrative unit to request funds from the Group Homes Program for Children with Disabilities if a child assigned to that unit was not in that unit's April headcount for exceptional children for the previous school year, even if the local school administrative unit received Group Homes Program funds for that child for a portion of the preceding school year.

1. A licensed foster home or a home otherwise authorized by law to provide such care; or

2. A facility operated by the department of social services; or

3. Any other home or facility, including a relative’s home approved by the court and designated in the order.

In placing a juvenile in nonsecure custody under this section, the court shall first consider whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order placement of the juvenile with the relative unless the court finds that placement with the relative would be contrary to the best interests of the juvenile. In placing a juvenile in nonsecure custody under this section, the court shall also consider whether it is in the juvenile's best interest to remain in the juvenile's community of residence. In placing a juvenile in nonsecure custody under
this section, the court shall consider the Indian Child Welfare Act, Pub. L. No. 95-608, 25 U.S.C. §§ 1901, et seq., as amended, and the Howard M. Metzenbaum Multiethnic Placement Act of 1994, Pub. The director may, unless otherwise ordered by the court, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act on behalf of the juvenile, the director may, unless otherwise ordered by the court, arrange for, provide, or consent to any psychiatric, psychological, educational, or other remedial evaluations or treatment for the juvenile placed by a court or the court's designee in the custody or physical custody of a county department of social services under the authority of this or any other Chapter of the General Statutes. Prior to exercising this authority, the director shall make reasonable efforts to obtain consent from a parent or guardian of the affected juvenile. If the director cannot obtain such consent, the director shall promptly notify the parent or guardian that care or treatment has been provided and shall give the parent frequent status reports on the circumstances of the juvenile. Upon request of a parent or guardian of the affected juvenile, the results or records of the aforementioned evaluations, findings, or treatment shall be made available to such parent or guardian by the director unless prohibited by G.S. 122C-53(d). If a juvenile is removed from the home and placed in custody or placement responsibility of a county department of social services, the director shall not allow unsupervised visitation with, or return physical custody of
the juvenile to, the parent, guardian, custodian, or caretaker without a hearing at which the court finds that the juvenile will receive proper care and supervision in a safe home.

In placing a juvenile in out-of-home care under this section, the court shall first consider whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order placement of the juvenile with the relative unless the court finds that the placement is contrary to the best interests of the juvenile. In placing a juvenile in out-of-home care under this section, the court shall also consider whether it is in the juvenile's best interest to remain in the juvenile's community of residence. Placement of a juvenile with a relative outside of this State must be in accordance with the Interstate Compact on the Placement of Children."

SECTION 4.9. G.S. 7B-2502(a) reads as rewritten:

"(a) In any case, the court may order that the juvenile be examined by a physician, psychiatrist, psychologist, or other qualified expert as may be needed for the court to determine the needs of the juvenile. In the case of a juvenile adjudicated delinquent for committing an offense that involves the possession, use, sale, or delivery of alcohol or a controlled substance, the court shall require the juvenile to be tested for the use of controlled substances or alcohol within 30 days of the adjudication. In the case of any juvenile adjudicated delinquent, the court may, if it deems it necessary, require the juvenile to be tested for the use of controlled substances or alcohol. The results of these initial tests conducted pursuant to this subsection shall be used for evaluation and treatment purposes only. In placing a juvenile in out-of-home care under this section, the court shall also consider whether it is in the juvenile's best interest to remain in the juvenile's community of residence."

SECTION 4.10. G.S. 7B-2503 reads as rewritten:

"§ 7B-2503. Dispositional alternatives for undisciplined juveniles.

The following alternatives for disposition shall be available to the court exercising jurisdiction over a juvenile who has been adjudicated undisciplined. In placing a juvenile in out-of-home care under this section, the court shall also consider whether it is in the juvenile's best interest to remain in the juvenile's community of residence. The court may combine any of the applicable alternatives when the court finds it to be in the best interests of the juvenile:
(1) In the case of any juvenile who needs more adequate care or supervision or who needs placement, the judge may:
   a. Require that the juvenile be supervised in the juvenile's own home by a department of social services in the juvenile's county of residence, a juvenile court counselor, or other personnel as may be available to the court, subject to conditions applicable to the parent, guardian, or custodian or the juvenile as the judge may specify; or
   b. Place the juvenile in the custody of a parent, guardian, custodian, relative, private agency offering placement services, or some other suitable person; or
   c. Place the juvenile in the custody of a department of social services in the county of the juvenile's residence, or in the case of a juvenile who has legal residence outside the State, in the physical custody of a department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile's home state. An order placing a juvenile in the custody or placement responsibility of a county department of social services shall contain a finding that the juvenile's continuation in the juvenile's own home would be contrary to the juvenile's best interest. This placement shall be reviewed in accordance with G.S. 7B-906. The director may, unless otherwise ordered by the judge, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act on behalf of the juvenile or juveniles, the director may, unless otherwise ordered by the judge, arrange for, provide or consent to any psychiatric, psychological, educational, or other remedial evaluations or treatment for the juvenile placed by a judge or the judge's designee in the custody or physical custody of a county department of social services under the authority of this or any other Chapter of the General Statutes. Prior to exercising this authority, the director shall make reasonable efforts to obtain consent from a parent, guardian, or custodian of the affected juvenile. If the director cannot obtain consent, the director shall promptly notify the parent, guardian, or custodian that care or treatment has been provided and shall
give the parent, guardian, or custodian frequent status reports on the circumstances of the juvenile. Upon request of a parent, guardian, or custodian of the affected juvenile, the results or records of the aforementioned evaluations, findings, or treatment shall be made available to the parent, guardian, or custodian by the director unless prohibited by G.S. 122C-53(d).

(2) Place the juvenile under the protective supervision of a juvenile court counselor for a period of up to three months, with an extension of an additional three months in the discretion of the court.

(3) Excuse the juvenile from compliance with the compulsory school attendance law when the court finds that suitable alternative plans can be arranged by the family through other community resources for one of the following:
   a. An education related to the needs or abilities of the juvenile including vocational education or special education;
   b. A suitable plan of supervision or placement; or
   c. Some other plan that the court finds to be in the best interests of the juvenile.”

SECTION 4.11. The Department of Health and Human Services shall report to the Joint Legislative Oversight Committee on Mental Health, Developmental Disabilities, and Substance Abuse Services and to the Senate Health and Human Services Appropriations Subcommittee and the House of Representatives Appropriations Subcommittee on Health and Human Services by June 1, 2003, regarding the business plan information required by G.S. 122C-115.2(b), as amended by Section 4.3 of this act.

SECTION 5. Section 1 of this act becomes effective January 1, 2003. Sections 2 and 3 of this act become effective July 1, 2003. The remainder of this act is effective when it becomes law. Section 4.6 of this act expires on October 1, 2004.

HOUSE JOURNAL
SECOND SESSION
2002
INDEX GUIDE

The North Carolina General Statutes titles form the basis for this alphabetical index. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. Bills included in whole or in part in other measures are reflected as such, if known.

All bills dealing with funds are indexed under Appropriations, Local or Appropriations, Public. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the member's name with an asterisk (*) noting that person as the primary sponsor.
