The House meets at 12:00 Noon pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Harry, Trinity United Methodist Church, Raleigh, North Carolina:

"Almighty God,

"You alone are sovereign over every nation under heaven. And, only You have ultimate control over the world in which we live. Yet, by Your great love and mercy, You have allowed for the possibility of self-governance over Your principalities. We offer You our thanks as we attempt to be good stewards of this gift. Lord God, as we start anew this Legislative Session, grant unto this Body of Legislators a fresh understanding of their duties and responsibilities. Make them acutely aware of their need to serve and not to be served, to give and not to take, to understand the needs of others as they have been entrusted with the care of the people of this great State. In all things we give You thanks and continually pray, 'Lord, have mercy upon us.' Amen."

Speaker Black appoints Reverend Harry to serve as House Chaplain for the remainder of the 2003 Session.

Speaker Black leads the Body in the Pledge of Allegiance.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Merciful God:

"As we gather together on this day, giving thanks for the celebration of yesterday…the dedication of this newly remodeled Chamber, in honor of those who have served before us, and in the hope of establishing good policies during this short session…we offer unto You our thanks and praise. Your goodness abounds and Your mercy falls gently upon our hearts like fresh rain upon the parched earth renewing and rededicating us to our calling and to the charge before us. Grant unto this Body of men and women a fresh anointing of Your spirit that by Your grace they may seek creative and imaginative avenues for new opportunities of service that will bring good will and better opportunities for living to the people of this great State of ours. To You goes all the honor and the praise, dear Lord, we pray. Amen."

ONE HUNDRED SIXTH DAY

HOUSE OF REPRESENTATIVES
Wednesday, May 12, 2004

May 12, 2004T
The House meets at 11:30 a.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Gracious God:

"Life is full of decisions. And, of course, these decisions affect us both personally and professionally. Sometimes, our decisions can affect both at the same time. We would like to think that we are always sharp and on target concerning the discernment of our decision making, but we know that even when we are at our very best, we fall short. Since all good things come from You, and since You have promised that when we seek we shall find and when we knock You will open the door for us, grant us the ability to see what we cannot yet see, to understand what we cannot yet conceive, and to reason with logic that stems from Your gift of grace, freely given to us. Thank You for loving us so recklessly that You would leave us to make our own decisions. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of May 11 has been examined and found correct. Upon his motion, the Journal is approved as written.

ONE HUNDRED NINTH DAY

HOUSE OF REPRESENTATIVES
Tuesday, May 18, 2004

The House meets at 3:00 p.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Extravagant God:

"In the midst of life, all of us search for acceptance. This is a normal part of our human nature, and Your unconditional acceptance of us is a cherished and welcomed gift. But, like every good gift given to us under heaven, Your gifts can be exploited or misused. Some of us seek acceptance in the forms of money or power. Others of us seek acceptance
in the ways of status, privilege or prestige. Still others of us search a myriad of other avenues in our yearning for acceptance. With an outpouring of Thine all victorious love, pour out Your mercy upon us and help us to believe what we cannot always see, namely that Your love for us is nothing less than the total acceptance of who we are and whose we are. We belong to You, and nothing in life or in death can be more reassuring than this form of divine extravagance. Thank You. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of May 17 has been examined and found correct. Upon his motion, the Journal is approved as written.

"Merciful God:

"As we travel the roads of life, we often find that there are many forks, twists and turns with which we are unfamiliar. Sometimes taking an unknown road can become an adventure that leads to new life. Sometimes taking the wrong road can lead us astray and ultimately, we find ourselves lost. However, in our modern world of cell phones, automobiles equipped with GPS systems, and On Star buttons that can summon help from just about anywhere, we might find ourselves depending too much upon gadgetry than instinct. So, it is with our spiritual lives as well.

May 18, 2004T
"Lord, we know that You speak to our hearts always. We know that if we follow the map You provide for us, we are less prone to get lost. Nonetheless, in our harried efforts to be the masters' of our own souls, we do, indeed, get lost. But, we thank You that through Your Holy Spirit, Your presence is always with us. We do not need to press any special button or device to find You. We need not rely on gadgetry to summon You. All we need to do is to humble ourselves and ask for You, and You are there. What greater gift of love can there be than to know that the God of heaven and earth cares enough about each one of us to know even the road map of our souls. Amen."

HOUSE OF REPRESENTATIVES
Thursday, May 20, 2004

The House meets at 10:00 a.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Patient God:

"Our lives are so filled with 'stuff'…stuff that is both important and stuff that we think is important. We tend to move quickly from task to task rarely stopping long enough to offer You even a moment of thanksgiving, yet alone lengthy moments of solitude and prayer. It is easy for us to become all-consumed with our work, with our hobbies, indeed, with ourselves. We are sorry when, in the midst of our search for self-fulfillment, we forget about You being the source of our strength. Come to us. Abide with us. Pick us up and draw us closely to Your side. Let us find our life’s work and play, let us find our haven while we rest in the bosom of a wise, patient and loving God. Amen."

HOUSE OF REPRESENTATIVES
Monday, May 24, 2004

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Glorious God, who ruleth over heaven and earth:

"We greet You this evening with full and thankful hearts for the restful weekend past and the opportunity for good work ahead. We are glad that You have given each one of us the privilege of representative leadership. It is, indeed, a high and sacred honor to think and feel, to act and vote on behalf of others and their needs. Lord, be our guardian; and never let us forget that we are here to represent others. Though always present and important, our own needs and egos are not that which we have been sent here to feed. This is not an easy road we travel. But, we are confident that You are present with us always, even unto the end of the age. Amen."

Speaker Black leads the Body in the Pledge of Allegiance.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Patient God:

"The Scriptures tell us that a day is like a thousand years and a thousand years is but a day in Your sight. Lord, we have a little problem. We do not have a thousand years to build legislation yet alone to fix a budget. We do have, what many of us feel, is but a day. We cannot possibly complete our work and the myriad of our initiatives without Your divine intervention. Thus, we humbly beseech Thee, O Lord, our God, to grant unto this Body a clear understanding of our tasks and priorities as we

ONE HUNDRED FIFTEENTH DAY

HOUSE OF REPRESENTATIVES
Thursday, May 27, 2004

The House meets at 10:00 a.m. pursuant to adjournment and is called to order by Speaker Morgan.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Merciful God:

"As we gather together to work for others, we thank You for the gentle way that Your Spirit endows us with the necessary gifts and graces to carry out our respective duties. We come from every nook and cranny of North Carolina and we represent a great diversity of people. We are humbled by the way that our responsibilities in some small way mirror Your own as You lovingly care and shape the lives of the world’s people. We very humbly ask You, Great God of heaven, to bless our work. Make good our defects and lead us at last to that place of inner peace knowing we have done the best we could do for our folks back home…namely Your beloved children. As always, have mercy upon us. Amen."

May 27, 2004
ONE HUNDRED SIXTEENTH DAY

HOUSE OF REPRESENTATIVES
Monday, May 31, 2004

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by Speaker Morgan.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Eternal God, Author and Giver of Life:

"Life is much more than a precious commodity. It is a divine gift freely bestowed upon us by the merciful hands of You, our wise and loving God. We take this moment of prayer to offer You our most sincere thanks and praise for creating us in Your glorious image.

"On this Memorial Day 2004, we remember all of the men and women of this country who, through their blood, sweat, tears, and even the ultimate sacrifice, their lives, protected the free and democratic society we in this country enjoy to this day. As memorial services and celebrations have been held throughout our land and as the prideful as well as bitter memories of past battles are remembered once more, we offer our heart-felt prayers for the men and women of our military who do not find themselves at a backyard picnic or pre-summer celebration today, but rather in the direct line of fire and harm’s way.

"And, now as we pause in a moment of silence in humble memory of those who offered the ultimate sacrifice for our way of life, we are reminded as a Body of Lawmakers of our incredible and sacred duty to live into the sacrificial life of our brothers and sisters who fought and died to give us the chance to do what we do…and to do it well.

----SILENCE----

"May God bless the people of the United States of America, the Great State of North Carolina, and may God have mercy upon us all. Amen."

Speaker Morgan leads the Body in the Pledge of Allegiance.

June 1, 2004T
The House meets at 2:00 p.m. pursuant to adjournment and is called to order by Speaker Morgan.

The following prayer is offered by the Reverend Bob Inskeep, Associate Pastor, First Presbyterian Church, Raleigh, North Carolina.

"According to Luke's gospel, when Jesus sent out 70 disciples, two by two, he told them he was sending them out as lambs among wolves. This was in the days before lobbyists, but I'm sure you can identify with it.

"Today, I would like to bring to your mind the second thing Jesus advised these men who were his ambassadors: not to take a bunch of stuff with them … no money, no bags … they didn't even get a per diem! But to rely upon the hospitality of those they would be serving.

"Jesus said, '… the worker deserves to be paid.' (Luke 10:7)

"Let us pray.

"Great God, these Representatives have gathered together once again to do the work entrusted to them, a sacred trust to serve every person in the Representatives' districts, and indeed, to serve all the people of North Carolina.

"Lord, keep them mindful of Your truth, that the worker deserves to be paid. May the legislation of this short session be respectful of all who serve the State, insuring that each worker is treated fairly and paid equitably.

"Lord, help these Representatives do their best to earn their pay today, not settling for the easy decision, but working until the right decision is reached, the one that makes for justice and compassion for all. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of June 1 has been examined and found correct. Upon his motion, the Journal is approved as written.

Leaves of absence are granted Representatives Daughtry, McHenry, and Wright for today.

June 3, 2004
"We often find ourselves in difficult and awkward situations where we feel helpless and at a loss. We can be so stubborn trying and trying to fix ourselves and clean up our own mess that somehow we forget that You are always walking in front of us, and beside us, and behind us, most willing to pick up the broken pieces we leave in our wake. Today’s is not a prayer especially crafted for legislators, but a prayer of hope and a call to You for help to remind us of our need to believe the divine promise that if we knock, You will answer the door, if we seek, You will find us. Dear Lord, assure us of Your promise of the forgiveness of sin, the hope of today, and the glorious future of eternity. All of this we humbly pray. Amen."

ONE HUNDRED TWENTIETH DAY

HOUSE OF REPRESENTATIVES
Monday, June 7, 2004

The House meets at 5:00 p.m. pursuant to adjournment and is called to order by Speaker Black.

After observing a moment of silence in memory of D-Day and in honor and memory of former President Ronald W. Reagan, the following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Eternal God:

June 7, 2004"
"You are the author of life and all that is good. You alone established the parameters of the heavens and set creation in motion. Above You there is no other and from You comes every good and perfect gift.

"Tonight, this elected Body of leaders, joins millions of Americans and countless others around Your globe to mourn the death of the former President of the United States of America, Ronald W. Reagan. There should be none among us who does not understand the gravity of their respective office of servant leadership. Certainly, then, regardless of political affiliation or idealistic position, there is none among us who can fathom the enormous responsibilities and contributions of our Nation’s presidents. Each president embodies and represents each American and our way of life in some small way, shape or form. Thus, in the passing of President Reagan, as it has been throughout our Nation's history, all Americans, despite our differences, can celebrate and embrace our common heritage and claim our unity as a free and open society.

"We give You thanks for the life of Ronald W. Reagan. We pray for Your mercy and grace to be with his family and loved ones in this most difficult time. Be with all of our leaders…national, State, and local…and remind them always of their sacred duty to faithfully protect and defend the Constitutions to which they have been sworn. Finally, in and through all things, may You be ever glorified.

"May God have mercy on us all. Amen."

Speaker Black leads the Body in the Pledge of Allegiance.

ONE HUNDRED TWENTY-SECOND DAY

HOUSE OF REPRESENTATIVES

Wednesday, June 9, 2004

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by Bishop Kenneth L. Hill, North Ramsey Street Church of God, Fayetteville, North Carolina.

"Our Father and Our God, it is once again that we humble ourselves before You on this day and present this Body of Government into Your hands. Breathe upon us Thy blessings. Breathe upon us Thy spirit of enlightenment, and of faith, and love that reminds us that we are Your children and are in desperate need of Your guidance to make critical and decisive decisions that will affect the budgeting of funds, the educational processes of our State, the quality of life in every community, and the lives of our children.

"Help us to bridge the gap between party lines and lay aside personal agendas to do what is necessary to achieve excellence in State government. And, as we close this prayer, we pray wisdom for our President, the Congress, and all federal, State, and local governments. We ask Your divine protection for our Armed Forces and Law Enforcement Officers and their families and all who place their lives in harms way with the sole comfort that the world will be a safer place and Democracy will continue to stand.

"We pray for the family of President Ronald Reagan, the Nation and even the world as we mourn the Nation's loss and rejoice in his memories and great contributions he has made that helped our Nation and even the world to be a safer and more productive society.

June 9, 2004T
"Finally, let us remember the words of St. Francis of Assisi who said, 'Make us an instrument of Thy peace! Where there is hatred, let us sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy. And, grant that we may not seek to be consoled, but console; not to be understood, but to understand; not to be loved, but to love. For it is in giving that we receive. It is in pardoning we are pardoned. It is in dying unto ourselves that we are born to eternal life.' This is our prayer, O God! Amen."

And that we might boldly say the Lord is our helper and I will not fear what man can do to me. Thank You, O God, for being our Father and me being Your

ONE HUNDRED TWENTY-SIXTH DAY

HOUSE OF REPRESENTATIVES
Wednesday, June 16, 2004

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by Speaker Morgan.

The following prayer is offered by Dr. Jeff Roberts, Trinity Baptist Church, Raleigh, North Carolina.

"O God:

"You did create us and form us in Your image. We are therefore free beings even as You are free. We are free to acknowledge You or to ignore You - free to seek Your ways or to go our own way - free to pray in this moment or to remain silent. Today as we practice democracy, a fruit of our own individual freedom, let us remember that freedom comes with risk. There is a risk to defend freedom. And, we pray for those all over our world who are fighting for freedom. We remember the many men and women, who come from our communities, who are far away from home. We pray for their protection and care. God, let us not misuse our freedom. Let our freedom not be a license to do wrong. Keep us from being selfish and self-serving. We are reminded today that the exercise of our freedom always affects another. So let us remember that freedom matures and is expressed in a community with others.

"God, bless these who meet here in this hour. May they acknowledge You, seek Your ways and treasure this freedom in which we are created. Amen."

**ONE HUNDRED TWENTY-EIGHTH DAY**

HOUSE OF REPRESENTATIVES
Monday, June 21, 2004

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by Elder Ray Robinson, Clement Grove Church of God, Mocksville, North Carolina.

"God of our Fathers, Abraham, Isaac and Jacob:

June 21, 2004T
"You are the Creator of heaven and earth, the sea and all that in them is. Father, we thank You for sparing our lives throughout this day overshadowing us and allowing us to assemble together at this time. As we gather together and assemble before Your great presence, we realize, Father, that You are sovereign above all and beyond all. With this understanding, Father, we ask that You will inspire each and every Member of the House and of this great Assembly.

"We are living in times, Father, where things are growing dark - so much trouble throughout the land and even overseas and abroad. But we realize, Father, that when it is all said and done that You are the one who has the ultimate victory and so we pray that You will grant us the wisdom, knowledge, and understanding. As we gather here, help us, Father, to make decisions and to govern in godly fear. We pray, Father, also that You will help us to be mindful of those who are in harm's way overseas - in uniforms and out of uniforms - so much trouble and yet still, Father, we ask You to move by Your protective hand and to shield and to protect them, Father. And we pray, Father, for safe returns and for those, Father, who have paid the ultimate sacrifice. We pray that You will help us to remember and to not let their life being taken from them be in vain.

"And, because it is precious blood that has been spilled that we might remember that it is an honor and a privilege to be here in these United States of America. You moved by Your great hand and allowed us to become a country and have sustained it even until this time. It calls for great responsibility - it calls for courage - it calls for righteous decisions being made. And so help us not to take these times for granted.

"We ask You to move by Your spirit throughout this Assembly and touch every Member represented here, even the Pages that have come to be with us on this evening, because so many lives are dependent upon the decisions which are made here. And, when it is all said and done, help us to have that complete understanding and keep in our hearts that it is good for us to be here. For we have trusted in You and are dependent upon You for the decisions that must be made. And so, we just thank You for what You are about to do and we give You the glory, the honor and the praise. For it is in Thy great name that we ask all these blessings. Amen."

Speaker Black leads the Body in the Pledge of Allegiance.

CALENDAR (continued)

S.J.R. 1438 (House Committee Substitute), A JOINT RESOLUTION COMMEMORATING THE LIFE AND ACCOMPLISHMENTS OF

June 22, 2004
RONALD WILSON REAGAN, 40TH PRESIDENT OF THE UNITED STATES OF AMERICA.

SPEAKER BLACK PRESIDING.

The resolution passes its second reading, by electronic vote (109-0), and there being no objection is read a third time.

The resolution passes its third reading and is ordered sent to the Senate for concurrence in the House committee substitute resolution.

On motion of Representative Kiser and without objection, the following remarks of Speaker Morgan are spread upon the Journal.

GOODBYE TO THE GIPPER

"Today, I feel honored and humbled to share with you some of the reasons I revered Ronald Reagan. He had a gentle spirit that drew us to him, he led us with his loyalty, and the balance in his life set an example for all of us in politics and government service to follow.

"I, like many of you, have fond memories of the personal connection we each believed we had with him. We believed we had personal connections with him, I think, because he so badly wanted to have personal connections with us.

"All the great Presidents want this. You see it in Lincoln’s visits with folks lined up on Pennsylvania Avenue during the war. You see it in Roosevelt’s fireside chats. You see it in Reagan’s words and his ability to communicate on television with the American public.

"In his final speech, he said: 'One of the things about the presidency is that you’re always somewhat apart. You spent a lot of time going by too fast in a car that someone else is driving, and seeing the people through tinted glass. The parents holding out a child and the wave you saw too late and couldn’t return.' So many of us as legislators have the opportunity of being able to connect with constituents in such a real and legitimate way. When I think of the president, who saw each connection as a gift to be taken, it reminds me that being a public servant is a privilege.

"When Reagan was able to connect with people, the gentleness of his heart diffused into the handshake or the smile he would give you. I remember shaking his hand and almost trembling because I was so awestruck by the power of his person. 'You’re a great American, Mr.

June 22, 2004T
President,' I remember saying. He looked at me with eyes of humility and made me feel special, like it was just I standing there.

"One of President Reagan’s most admirable traits was his loyalty. Few people distrusted the man who grew up in Indiana and ate 'oatmeal meat' as a child because his family was too poor for any other type of food. His sense of fairness for the middle class is something people remember, his devotion to Nancy another. More importantly, I noticed he dedicated his autobiography, 'To the American People'. Our Ronald Reagan never gave a speech where he used the pronouns 'I', 'mine' or 'my' with redundancy. Rather, his public meetings were sprinkled with 'we' and 'our' and 'us.'

"Finally, I’d like to talk to you about the balance Reagan had in his life. The relationship he had with Tip O’Neill is telling of his political endeavors. At 6 p.m., regardless of the day’s arguments, Reagan and Tip would reconcile. Reagan’s affable nature afforded him the affections of many, and his famous funny bone tickled everyone. You always knew that his 'yes' was 'yes' and his 'no' was 'no' but Reagan’s ‘no’ was never harsh. He knew how to balance his life in order to be both man and President.

"Someone once told me that you should work as hard as you possibly can, do the best you can do, and then five minutes before it’s all over, you should hand it over to the One who knows you and the situation better than you ever could. It is said that President Reagan, our modern day Atlas, knew when to take the world off his shoulders and hand it off to his Heavenly Father. He did this without breaking a separation between church and state, and he did it without alienating those who didn’t agree with him on religious issues. He always seemed to be in control when in truth he understood that really he never was.

"President Reagan wanted us to rewrite America’s history; he wanted us to rebuild America’s past. While he was in office, the economy recuperated, the 'evil empire' started to fall, and the American people got back their dignity. Reagan wooed us with his gentle demeanor, his trustworthy nature, and the balanced scales in his life. I am proud to have met him, and I am proud of the America that has evolved since his departure from the White House and that memorable time when Cindy and I waved goodbye to him from the Tarmac at Andrews Air Force Base for the last time!

"Just as we ushered in a new President and an oath of office was taken on January 20, 1989, and Air Force One became plane 27000 we knew full well we would never get to see President Ronald Reagan again but my friends I did get an opportunity to see him again Wednesday, June 9th, 2004, June 22, 2004"
as his flag draped caisson went rolling by Constitution and 7th with such procession and such honor.

"He was a great American. He was a great man. And he inspired us to be great as well. And you know I took just a moment to shed a tear for all of us in this Chamber as I said goodbye to him very quietly one last time from all of us."

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"God of Grace and God of Glory…on Thy people, pour Thy power:

"And, as You bestow Your gracious mercies to us…as You extend Your infinite grace to us…as You offer Your undying love to us, dear Lord…help us to be aware of them and receive them with humility. Keep us rooted in the foundations of civility and gentleness ever mindful of our unhealthy tendencies to seek the lofty affirmations of others. Keep us firmly grounded in the meekness of our own hearts so that we, in serving, do not demonstrate an air of superiority or the loftiness of self aggrandizement. Teach us mercy so that we can reciprocate mercy. Give us grace so that we can become givers of grace. Show us Your divine love so that we might illuminate Your will in all that we do both here and at home. These things we humbly pray. Amen."

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Glorious God:

"You are above all things in earth and in heaven. Your creative genius is visible for the entire world to see. Your glory fills the firmament, and we June 24, 2004"
behold Your splendor and Your majesty. We humbly acknowledge, O Lord, it is only by Your mercy that our authority to govern over Your people is granted to us. Thus, we have been entrusted not only with bounden duty but with a sacred responsibility of caring for God’s people. Keep true in us the memories of our swearing in and the vows of servitude we have made. By Your grace, impress upon us our constant need to search our hearts for meekness and not to think more highly of ourselves than we ought. Renew our resolve to better our government, our State, and Your people through the daily exercise of humility. Lord God, we thank You for Your constant Presence in our lives; and we offer this prayer in whom, through whom, and from whom all good gifts of life are freely given. Amen.”

ONE HUNDRED THIRTY-THIRD DAY

HOUSE OF REPRESENTATIVES
Tuesday, June 29, 2004

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"O God, who travels along life’s journey with us, we find ourselves back into the weekly stretch of committee meetings, debate, and waiting for some resolution on the budget. It seems much easier to greet You with praise on Monday nights and ask for Your blessing as we go home on Thursdays. But, it can prove difficult to pray during these intermediate days while we work, watch and wait. Something about our posture…perhaps our disposition…seems to settle in during these times. Remind us, Lord, that it is precisely in these times that we need to pray. It is when we get hunkered down with our respective duties that we sometimes forget that You are, not only here with us, but that You long to help us up and out of what the Psalmist called, 'the miry bog'. So, we humbly beseech thee, 'Lift us up out of the miry bog. Place our feet on solid ground, and give us a firm place to stand.' And, in all of our ways, may we acknowledge Thee and give You thanks for the constant mercies extended to us by Your strong but gentle hand of grace. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of June 28 has been examined and found correct. Upon his motion, the Journal is approved as written.

"Sovereign Lord:

"You alone reign over heaven and earth. Yet, despite all of Your creative power and obvious omnipotence, You care deeply for each one of us as St. Augustine once said, 'You care for each one of us as if there is but one of us to love.' Human nature being what it is, it is easy for us to think that our lives simply occurred by chance and that it is up to us to make the most out of them. Merciful God, help us to know that this is not Your desire for us. We are Your children. You know each one of us intimately. You know our names. When our faith retreats and our hearts grow weak, whisper Your words of mercy, peace, and love to us. Remind us of this divine truth and instill within our hearts the assurance of being known and being loved by Thee. Amen."

________________

ONE HUNDRED THIRTY-FIFTH DAY

HOUSE OF REPRESENTATIVES
Thursday, July 1, 2004

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Gracious God, giver of every good and perfect gift:

"We thank You that by Your abundant hand of providence we have been given the gifts of leadership necessary to serve Your children. Forgive us if our requests become redundant, but we believe You to be a God who has patience and understands our human condition. As a collective"

July 1, 2004T
Legislative Body, we would once again ask for the gift of patience. Help us to wait with hope and expectancy for a fair and equitable compromise on the budget. We would once again ask for the gift of kindness as the Conferees undoubtedly must face off with one another in hotly contested debate. We would once again ask for the gifts of peace and reconciliation...so that when adjournment finally finds its way to this Chamber, our differences and emotional rhetoric may discover an avenue that gives way to the commonality of our having served together, side-by-side, for the past two years, not for our own sakes, but on behalf of the people of the Great State of North Carolina. May God continue to have mercy on us all. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of June 30 has been examined and found correct. Upon his motion, the Journal is approved as written.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Holy God, by whose grace our days here are accomplished, we come to the close of another legislative week. Committees have met, bills continue to be reviewed, refined, or returned. The budget remains somewhere between 'just a few sticking points remaining to both sides are still far apart.' Such are the daily toils of any legislative body. Indeed, perhaps it is easy for those on the outside looking in to think that time is being wasted or politics is occurring as usual. Nevertheless, our duties remain and our jobs continue. Thus we ask You, O Lord, You, who are the only One who truly knows our hearts, to help the Members keep their hands on the plow. Help them to keep working in the political fields that are theirs in which to labor. Grant them the grace necessary to balance both their legislative and personal obligations keeping everything in its proper perspective. And, always remind us to offer You our thanks for the priceless nature of our lives and the lives of others. Amen."

ONE HUNDRED FORTIETH DAY

HOUSE OF REPRESENTATIVES
Friday, July 9, 2004

The House meets at 9:00 a.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"Who are we that we should be called the children of God? Who are we to You whose grip holds the celestial sky in its place? Who are we that we might offer our simple prayers in Your direction? We are Your children.

July 9, 2004T
That is who we are. You have created us. You call each of us by our name. And, You claim each one of us as Your own kin. We are not presumptuous in coming to Thee. No, we are simply trying to be faithful to Your most inward hope…that we, Your blessed ones, would seek conversation, indeed, a relationship with Thee, the Most High God who is above all else. We welcome your blessed invitation to draw near in faith, O Lord. And, we would ask, as we always do, that You would have mercy upon us. And, because You show mercy upon us, teach us to go and do likewise unto others. Bless our efforts in so doing. Make good our defects. And, bring us at last to Your home in glory where eyes have not seen nor ears have heard what you have in store for those who love You. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 8 has been examined and found correct. Upon his motion, the Journal is approved as written.

**MESSAGE FROM THE GOVERNOR**

STATE OF NORTH CAROLINA
OFFICE OF THE GOVERNOR
20301 Mail Service Center • Raleigh, NC 27699-0301

Michael F. Easley
Governor

July 9, 2004

**GOVERNOR'S OBJECTION AND VETO MESSAGE**

House Bill 429, "An act to require local governments to pay monetary compensation for removal of lawfully erected off-premises outdoor advertising signs and to authorize local governments to enter into relocation and reconstruction agreements with owners of nonconforming off-premises outdoor advertising signs."

I support fair compensation for the owners of billboards that are removed by localities. I urge the General Assembly to find a reasonable compensation formula because this bill does not accomplish that goal. The formula provided in this legislation is unfair and overly burdensome to city and county governments and the taxpayers they represent. Further, it raises constitutional questions.

Therefore, I veto the bill.

S/ Michael F. Easley

The bill, having been vetoed, is returned to the Clerk of the North Carolina House of Representatives on this 9th day of July, 2004 at 2:01 p.m. for reconsideration by that Body.

ONE HUNDRED FORTY-SECOND DAY

HOUSE OF REPRESENTATIVES
Tuesday, July 13, 2004

The House meets at 1:00 p.m. pursuant to adjournment and is called to order by Speaker Black.

July 13, 2004
The following prayer is offered by Dr. Jeffrey Roberts, Pastor, Trinity Baptist Church, Raleigh, North Carolina.

"God, we quiet ourselves in the middle of this day to become aware of Your presence with us. All around us Your voice calls us unto You. In the beauty of Your creation we see Your handiwork. We have gathered from across this great State. For some of us our minds wander back to the majestic mountains of the west. And, in their grandeur we are reminded of Your might and strength. Still others of us think of home as ocean's shore. We envision the rolling waves. They remind us of Your grace and forgiveness that comes to our lives over and over again. Some of us today are thinking of city streets and familiar faces. Others picture rolling hills of farms and rural community where time seems to stand still and values of past generations are not forgotten. For this great State and for the people who call it home, we give You thanks.

"I pray that as our leaders gather today from different experiences, backgrounds, agendas, convictions and vision for our State that they would ultimately seek Your ways and Your thoughts. God, bless our leaders, these servants, as they work this day. May Your Holy Word guide us all that we might act justly, love mercy and walk humbly with You all of our days. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 12 has been examined and found correct. Upon his motion, the Journal is approved as written.

**POINT OF PERSONAL PRIVILEGE**

On motion of Representative Lucas and without objection, the following comments of Representative Goodwin are spread upon the Journal.

"Thank you, Mr. Speaker and Ladies and Gentlemen of the House.

"As you know, I chose not to seek re-election this year for a fifth term.

"As you also know, it is tradition in the House of Representatives for departing Members to share parting thoughts and reflections with you.

"So, to continue that tradition, I ask for your indulgence for just a few minutes.

"I was elected in 1996. At the time there were only two House Members who were under age 30.

"Many of you may not recall or may not even know this, but like many of you I do not come from a wealthy family. I was born in Hamlet, grew up on a small family farm where we grew what we needed. We raised hogs, and grew squash, beans, corn, peas, soybeans, and many other products. My father was a farmer and a grocery store manager, and my mother

July 16, 2004
worked in the local textile and hosiery mills. My early years were spent on that farm, growing up in a mobile home - we called them 'trailers' then - and riding with my Dad on his tractor.

"My father very soon in life suffered a debilitating illness - both physically and mentally - and could no longer work, even though he was still a young man himself in his 30s.

"As a result, we almost lost everything.

"Notwithstanding being on free and reduced lunch at school, and not having many material things in life, my family taught me that to succeed I needed to get as much education as possible, read every book I could get my hands on, and work hard.

"And I did what I could. That included working my first non-farming job as the assistant to the janitor at a local junior high school. And you think working as a school janitor is tough, imagine what the assistant to the janitor had to do!

"Anyway, never in a million years, though, did my family initially expect me to be in politics. They expected a minister, a scientist, an astronaut, maybe an editorial cartoonist. They had high hopes for me - their oldest son - and believed that no matter how poor we were that a love of learning, a love of reading, the support of public school teachers, and the kindnesses of our church would help me make something of my life.

"All of them taught me that each of us has an obligation to make our world a better place than how we found it.

"They taught me that with education I could succeed in making my future family better off than how I grew up.

"To that end, being the first family member to go to college made my father proud.

"Being the first family member to be elected to office, he and my family were quite proud.

"During the eight years I have served with you, and as part of my education in life itself, I have gained some things and lost some things - some of them serious, some funny, some delightful.

July 16, 2004
"First of all, I lost my father. The very last public thing my father did was to work the polls for me. When he died unexpectedly, before knowing many of you at all, you all reached out to me and sent flowers, attended the service, and prayed for my family. This was before I had even been sworn into office. I will never forget that unexpected kindness.

"Second, during these eight years in the House I’ve gained some weight and lost some hair. But, I’m not necessarily alone in that.

"Third, I have also gained a beautiful wife and a beautiful daughter during my service in the House. I now have my own family and I could not be happier.

"Fourth, I have gained an even better and more acute understanding of how our State government works, particularly the legislature. During these eight years, my first term was on the back row - seat number 111 - when the Republicans were in the majority, my next two terms were when the Democrats were in the majority, and, now, this term, well, we know what happened.

"I have seen how vital our work on education is. We passed the Excellent Schools Act, Smart Start, More at Four, and other wonderful programs.

"We have stood up for our senior citizens, and done what we could, both for rural North Carolina and for the growing metro areas.

"We have improved our water, our air, and our soil.

"We have fought back from devastating hurricanes, we have fought back from the loss of hundreds of thousands of jobs in manufacturing and textiles, and so on.

"We have championed the rights of children to be free from abuse, and fought for the rights and needs of families, businesses, and individuals.

"We have created the Golden Leaf Foundation and done all we could to help our vital agribusiness industry.

"Working together we have done some great things.

"You have helped me appreciate even more the value of compromise, the currency of one’s word, and the strength we in this House have had by often seeking bipartisan approaches to solving problems.

July 16, 2004T
"I'll also never forget the familiar refrain from both Speaker Morgan and Representative Culpepper, the two Rules Chairmen during my service here, whenever there was a dispute: 'These are your Rules…'

"I will also never forget the question our good friend, former Representative Foyle Hightower, would ask on many occasions, 'What if?' Perhaps we should ask that of ourselves more often.

"You have further educated me about how we truly - without question - stand on the shoulders of giants. None of us would be here were it not, in part, for where giants like former Speaker Liston Ramsey took us.

"But it has also been a pleasure to actually serve with giants such as Speakers Ramsey, Brubaker, Black, Blue, and Morgan. It has been a blessing to work closely with and sit behind a mentor for many of us, our own Representative Hackney, one of the finest legislative minds we've ever seen, not to mention former Representative George Miller.

"As I conclude this my last speech on the House floor, I offer these challenges:

• Please continue improvements in education at all levels.
• Please continue fighting for our struggling rural areas.
• Please continue remembering how hard our State employees work for this great State.
• Please continue remembering the folks back home who rely upon us to represent their best interests.
• Please continue standing up for the institution of the House and remain firm when dealing with the other Chamber.
• And, please be as kind and courteous and friendly to my successor in this legislative seat as you have been to me.

"Lastly, among all these thoughts shared with you, do know this: You are like family to me: Mostly like brothers and sisters, some like cousins we're still just not quite sure about, but family nonetheless.

"Like family, you have been with me in tough times and in happy times. Like family, you have accepted me for who I am and been patient. Like family, you have made me a better person.

July 16, 2004"
"And, like family, I love each and every one of you, and will miss you dearly.

"Two thousand years ago it was a badge of honor to be a citizen of Rome. I am sincerely proud to have been a Member of the North Carolina House of Representatives. For me, a country boy from Hamlet, there is no greater honor.

"Farewell, but not goodbye. And, may God bless you all."

ONE HUNDRED FORTY-SIXTH DAY

HOUSE OF REPRESENTATIVES
Saturday, July 17, 2004

The House meets at 12:00 Noon pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty and Everlasting God:

"We greet You this day with weary, tired yet hopeful hearts. Hopeful that those involved in the negotiations are searching for real solutions...hopeful that there has been fair and balanced debate...hopeful that even when we fall asleep, You remain awake and ever vigilant working toward all that is perfect and good.

"We recognize that our best efforts are human efforts and therefore finite and limited in scope. However, the purpose of this solemn moment is to remember that in the midst of our labors, You are a constant presence and force in our lives and therefore, You are directly involved in desiring that our final presentations represent kindness, justice, and a humility of heart that far surpass our own expectations and understanding.

"So, come now dear Lord, help us, indeed save us in these waning moments of this Legislative Session. Forgive us our sins as we forgive the sins of others and lead us not into temptation but deliver us from evil for Thine is the kingdom, and the power, and the glory forever. Amen."

July 17, 2004T
Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 16 has been examined and found correct. Upon his motion, the Journal is approved as written.

POINT OF PERSONAL PRIVILEGE

On motion of Speaker Black and without objection, the following remarks of Representative Hackney and Representative Kiser are spread upon the Journal.

REMARKS BY REPRESENTATIVE HACKNEY

"Mr. Speaker and Members:

"Over here on this side we have five retiring Members and I would certainly be remiss if I didn't say something about the important service that each of them has rendered to this State and this General Assembly and this House of Representatives. We had a little event for these five people on our side of the aisle and many people had nice things to say about them, but I am going to say some of that on the House floor because it's entirely appropriate that we do so.

"Just starting at the front of the room, there's Representative Gordon Allen up there who has been an important fixture in the politics of this General Assembly for many, many years. He was, as many of you know,
the President Pro Tem in the Senate at one time. He retired to become a lobbyist for a while. Then he agreed to come back to serve in the House. He has been an important part of the formation of the banking laws of this State. The open space law that we passed just a few minutes ago as a part of the bond package, he worked on a lot this session and it probably would not have happened without his leadership. There are just many, many things - Community Colleges, industrial recruitments - many, many things over the years that he has contributed to this State.

"And one thing that you can say about all five of these people, and this was referenced, is that we are losing five in Representatives Allen, and Fox (I'm going to come back to him in a minute) and Bonner, and Goodwin, and Johnson on this side. We are losing five of the nicest gentlemen in this House of Representatives. Just think about the civility that is being lost with these five.

Gordon Allen is a pleasure to deal with. When he kills your bill you thank him for it, he is so nice. And you may not even know he did it - I mean, he is a very smooth political operator - has been over the years. So, I think, that if we take anything from these five on just a procedural basis in the House, I hope we'll take the civility that they all bring to this House and the way they operate in the House.

"Representative Fox came to the House after a very distinguished business career and has served with distinction here for several terms. He has most recently been a fixture with the Appropriations for DHNR and that area of the law and Appropriations. And he has established a wonderful rapport with the Department and has looked after that Subcommittee along with his Co-Chairs in just a wonderful manner and established a standard which all Appropriations Chairs should try to emulate. Again a standard of civility, taking actions only after getting full information and just making good decisions based on good business sense. He has certainly brought that to every issue there.

"The other thing I'll say about him is that he has a strong independent streak. It is not unusual, and we need that around here, it is not unusual to look up and see him voting red on something that is important to him - that he feels is a matter of principle and that he is one of just a few votes up there.

"Representative Donald Bonner will be remembered for his educational expertise that he brought here to the General Assembly - again very gentlemanly in all his dealings here with others in the General Assembly. And he will be especially remembered, I think, for his attendance under
very adverse health circumstances during the beginning of this Session. I don't know if y'all can remember opening day or not - can anybody remember that - but every person being here was real important. And Representative Bonner had some rather significant health problems and he made a supreme effort to be here for each of those votes during those days. He has been just a wonderful addition to the Democratic Caucus and to the House during his years here.

"My friend behind me here, Representative Goodwin, said his farewells yesterday. Of course, like Wayne, I grew up on a farm. I hear that Wayne grew up in adverse circumstances. Of course he didn't grow up in a log cabin with a dirt floor, but as soon as they were able to move to one they moved there. This is a season of humble beginnings if you have been listening to John Edwards, you know.

"Wayne has brought - he told you yesterday - he has brought a lot - he didn't tell you about his contributions, he told you about how much he enjoyed being here and all that. But I'll tell you about some of his contributions. He has had a significant contribution to the highway safety laws of this State, to the safety for workers this Session. Of course, he's running for Commissioner of Labor and may or may not, depending on the voters, be around here next year asking us for money and things like that. He has been a good committee chair.

"I don't know anybody who works any harder than Wayne. I think to succeed in politics you have to work really, really hard and he does. He has been a wonderful friend to me here sitting behind me and, if Melanie ends up sitting there in that seat, she will be a wonderful addition here as well.

"Representative Charles Johnson is new to us this year, but he has been a great addition to this House as well. He comes to us with a strong education background with a great deal of knowledge in that area which he has imparted to us, usually quietly and informally, but occasionally speaking forcefully here on the floor. He is running for a seat in that place across the golden pond as they say around here. But, he has been a joy to work with as a freshman here and will make great contributions across the way, I'm sure.

"So I wanted to close this by remarking again on the graciousness and the civility and the wonderful contributions that this group of legislators has made to this and previous General Assemblies.

"Thank you."

July 17, 2004T
REMARKS BY REPRESENTATIVE KISER

"Members of the House:

"We are losing three Members over on our side. I don't know, oh there she is, that's typical of Connie, she's always working. I'm getting ready to talk about you, Representative Wilson.

"Representative Wilson came down here some years ago as a Senator. But she learned where the power was and she came over to the House. And if you can find a more energetic person here on the floor and doing her work - I don't believe you can find one. Now, we are certainly going to miss her, but I've got a feeling that she will still be up here. Just because she's not a member I don't believe she'll quit. I believe she'll be here working and she's passed some significant legislation while she's been here.

"The next Member that we are going to lose is Billy Creech, Representative Billy Creech. Now, Billy and I sat close together last year and along with a few other Members we fought all these special license tags. I finally gave up because I realized we weren't going to win and he's absolutely right in his crusade because it's really tough on law enforcement to identify these license plates. Now, you take Billy, he is running for Congress and we wish him all the good things that might happen to him. If he makes it, we'll all go up there and watch him being inaugurated.

"Now, we've got another Member who hasn't been here but one term and he's an energetic fellow. Is Patrick [McHenry] here today? Patrick is running for Congress too. And we wish him all the luck. I want to tell you that I've watched Patrick. He doesn't live too far from me and I've watched him and he's probably one of the best grassroots workers that you've ever seen. He has so many young people out there working in his campaign that it looks like a hill of ants when they land in a place because they're just swarming all over the place. We wish him the very best also.

"And I want to tell you three Members that David Lewis has done a wonderful thing, I think. He has a plaque that he's got for all three of you retiring Members. And I congratulate David for doing that, and I want to tell you all three that we are going to miss you. And we wish you the best of luck.

"Thank you."

The House meets at 12:30 a.m. pursuant to adjournment and is called to order by Speaker Morgan.

The following remarks and prayer are offered by the Reverend Jim Harry, House Chaplain:

"Speaker Morgan...Speaker Black, Madame Principal Clerk, Members of the House:

"I have served as Chaplain of the House for close to seven years. Over this time I have observed much and heard much and learned much. Throughout this period, I have spent a great deal of time in prayer and contemplative thought seeking the wisdom and discernment to write, and then on your behalf, to search for the correct words or the right thought needed to offer prayer for that particular day. And in so doing, I have tried to offer solemnity along with a touch of levity from time to time to the beginning of our days together.

July 18, 2004"
"This is an appointment I have never taken lightly nor for granted. To bring God’s people into conversation with the Almighty is not an easy task in and of itself, yet alone to take lightly. Thus, I have always tried to maintain a degree of reverence and integrity with each new prayer.

"I wish to thank Speaker Black and Speaker Morgan for providing me with yet another opportunity to serve as your Chaplain. I give God thanks for the life of the Reverend Jim Lambeth, my former colleague, who began this Session as the House Chaplain and for the gifts of his good work among you. I wish to thank the Principal Clerk and her gracious and delightful office for always getting me here on time and helping me in so many ways. And I would wish for you to take this moment and offer to both her and to her office your gratitude for the extraordinary and tireless efforts they put forth for this Body. Finally, I wish to thank those of you who invited me into your lives, some publicly others privately, to break bread and have good conversation, to ask me to pray for you and for your loved ones, or to discuss a personal situation you were facing. Thank you for letting me be your Chaplain.

"As I listened closely and admirably to the retiring gentlemen who spoke this afternoon, {And, I appreciate your sharing so openly} I heard from each of them a great measure of gratitude for this Body…not for leadership or whatever degree of success they may have achieved while they were here…but of the stuffing with which life is made: warm friendship, support in time of sickness and need, camaraderie, companionship, admiration and a magnanimous degree of deep and sincere appreciation. This is the fabric of life into which we all are woven and I join with my friends in offering my sincere appreciation to each of you. On behalf and in honor of those eight persons named earlier today who will be concluding their service here as Members of the North Carolina House of Representatives, I offer this prayer.

"Gracious and Merciful God:

"You are the Alpha and Omega, the beginning and the end. At the end, and even at the earliest of each new day…You alone are still God. We thank You Lord for the steadfast faithfulness You have shown to us and for Your perseverance with us along this journey.

"As our work here draws to a close and brings with it the end of another biennial Legislative Session, we recognize this Body’s contribution to our State and its new place in our State’s distinctive history. We are

July 18, 2004T
once-again reminded of the long line of leaders and people whom we have followed in the House of Representatives and the uniqueness that this particular Body is soon to add to the annals of our State’s history.

"O God, we gather on this new day, well before sunlight, to say thank You for giving each one of us the opportunity and the privilege to represent Your people. People You have graciously allowed us to call 'our people back home'. An honor and sacred duty has been bestowed upon each one here; and in our early morning prayer we humbly beseech Thee, please allow our better efforts to outweigh our poorer ones. And, we beg of Thee Most Merciful God, to forgive us our trespasses even as we stand ready to forgive those who have trespassed against us.

"And so we come to the end of a journey…we were sent and we came. We were sworn in. We debated. And, we voted. We let the democratic process work itself out in the ways our founding fathers had hoped it would do…we laughed. We cried. We broke bread together…and, together, we have served. As we prepare to finish the business that remains, we also prepare to depart from this place…some to return here and others to find new and different places to serve…Lord God, thank You for the wonderful gifts of hope and health; of friends and family…and for the precious gifts of life and of liberty.

"May the Lord bless you and keep you
May the Lord make his face to shine upon you
And be gracious unto you.
May the Lord lift up his countenance upon you...
And, grant you his peace. Amen."

Speaker Morgan leads the Body in the Pledge of Allegiance.

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 17 has been examined and found correct. Upon his motion, the Journal is approved as written.

Leaves of absence are granted Representatives Alexander, Daughtry, Earle, Ellis, Gibson, Grady, Hill, LaRoque, McMahan, Wainwright, Walker, and G. Wilson for today. Representatives Allred, Bordsen, Dockham, Haire, and Luebke are excused for a portion of the session.

Rule 41(b) states:

No bill shall be read more than once in the same day without the concurrence of two-thirds (2/3) of the members present and voting.

In order to comply with this Rule, no bill which has passed its second reading is read a third time except:

(1) When a member moves that the Rule be suspended, and this motion carries by at least a two-thirds vote of the members present.

(2) When the Chair determines that there is no objection from any member present. This constitutes unanimous consent of those members present that Rule 41(b) be suspended.

In these cases, the bill is read a third time.

Whereas, these brave members, as well as the other veterans of World War II, deserve to be commended for their dedication and service to our State and Nation; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives wishes to honor the memory of those who lost their lives during World War II.

SECTION 2. The House of Representatives wishes to express its appreciation to the veterans who served during World War II and to their families for the great sacrifices and incredible contributions they made in order that we may all live in a free nation.

H.R. 1803, A HOUSE RESOLUTION HONORING THE MEMORY OF THE SERVICEMEN WHO LOST THEIR LIVES ON D-DAY AND EXPRESSING APPRECIATION TO NORTH CAROLINA'S D-DAY VETERANS ON THE 60TH ANNIVERSARY OF D-DAY.

Whereas, June 6, 2004, marks the 60th anniversary of D-Day, the first day the Allied Forces mostly composed of American, British, and Canadian troops stormed the beaches of Normandy, France during World War II; and

Whereas, this invasion, known as Operation Overlord, was the largest buildup and movement of servicemen in the history of warfare,
involving on the first day of the operation 5,000 naval vessels, more than
11,000 sorties, and 153,000 members of the Allied Forces; and

Whereas, D-Day was a significant turning point in World War II,
leading to the eventual defeat and downfall of Hitler's army; and

Whereas, 6,500 American soldiers, sailors, and airmen lost their
lives on D-Day, some of whom were from North Carolina; and

Whereas, the servicemen who participated in D-Day should be
commended and recognized for their bravery and sacrifice while fighting
for the freedom of others; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives wishes to honor the
memory of the soldiers, sailors, and airmen from North Carolina who lost their
lives on June 6, 1944, and expresses its appreciation to the veterans of D-Day
who are residents of North Carolina.

SECTION 2. The House of Representatives encourages the
people of this State to participate in all activities honoring the 60th anniversary
of D-Day.

SECTION 3. This resolution is effective upon adoption.

CONFERENCE COMMITTEE SUBSTITUTE
FOR HOUSE BILL 142

H142-PCCS30585-LYx-5, AN ACT TO AUTHORIZE DARE COUNTY TO LEVY AN ADDITIONAL ONE PERCENT SALES AND USE TAX THE PROCEEDS OF WHICH SHALL BE USED FOR BEACH NOURISHMENT.

The General Assembly of North Carolina enacts:

SECTION 1. Subchapter VIII of Chapter 105 of the General Statutes is amended by adding a new Article to read:

"Article 45.

§ 105-525. Short title.
This Article is the Local Government Sales and Use Tax for Beach Nourishment Act.

§ 105-526. Limitations.
This Article applies only to counties that levy the first one-cent (1¢) sales and use tax under Article 39 of this Chapter or under Chapter 1096 of the 1967 Session Laws, the first one-half cent (1/2¢) local sales and use tax under Article 40 of this Chapter, the second one-half cent (1/2¢) local sales and use tax under Article 42 of this Chapter, and the third one-half cent (1/2¢) local sales and use tax under Article 44 of this Chapter.

§ 105-527. Definitions.
The following definitions apply in this Article:

(1) Beach nourishment. - The placement of sand, from other sand sources, on a beach or dune by mechanical means and other associated activities that are in conformity with the North Carolina Coastal Management Program, or which have otherwise been authorized by the General Assembly, along the North Carolina shorelines and connecting inlets for the purpose of widening the beach to benefit public recreational use and mitigating damage and erosion from storms to inland property and transportation routes. The term includes expenditures for the following:

a. Costs directly associated with qualifying for projects either contracted through the U.S. Army Corps of Engineers or otherwise permitted by all appropriate federal and State agencies.

b. The nonfederal share of the costs required to construct these projects.

c. The costs associated with providing enhanced public beach access.
d. The costs of associated nonhardening activities such as the planting of vegetation, the building of dunes, and the placement of sand fences.

(2) Net proceeds. - Defined in G.S. 105-472.

§ 105-528. Levy.

The board of commissioners of a county may, by resolution, levy one percent (1%) local sales and use taxes in addition to any other State and local sales and use taxes levied pursuant to law. Before adopting a resolution under this section, the board of commissioners must give at least 10 days' public notice of its intent to adopt the resolution and must hold a public hearing on the issue of adopting the resolution.

§ 105-529. Administration of taxes.

Except as provided in this Article, the adoption, levy, collection, administration, and repeal of these additional taxes must be in accordance with Article 39 of this Chapter. A tax levied under this Article does not apply to the sales price of food that is exempt from tax pursuant to G.S. 105-164.13B.

§ 105-530. Expiration.

A tax levied under this Article expires eight years after the effective date of its levy. A county's authorization to levy a tax under this Article expires eight years after the effective date of the first tax a county levies under this Article, even if the tax has not remained in effect for the entire eight-year period. The expiration of a tax pursuant to this Article does not affect the rights or liabilities of a county, a taxpayer, or another person arising under the expired tax; nor does it affect the right to any refund or credit of a tax that would otherwise have been available under the expired tax before its expiration.

If the Secretary receives a valid request for a refund of a tax levied under this Article after the tax has expired and the net proceeds have been distributed, the Secretary shall draw the refund from the taxing county's share of the net proceeds of the tax it levies under Article 39 of this Chapter or under Chapter 1096 of the 1967 Session Laws, as applicable.

§ 105-531. Distribution and use of taxes.

(a) Distribution. - The Secretary shall, on a monthly basis, distribute to each taxing county for which the Secretary collects the tax the net proceeds of the tax collected in that county under this Article. If the Secretary collects local sales or use taxes in a month and the taxes cannot be identified as being attributable to a particular taxing county, the Secretary shall allocate the taxes among the taxing counties in proportion to the amount of taxes collected in each county under this Article during that month and shall include them in the monthly distribution. Amounts collected by electronic funds transfer payments are included in the
distribution for the month in which the return that applies to the payment is received.

(b) Use. - A county may use the net proceeds of a tax levied under this Article only for beach nourishment.

SECTION 2. A tax levied under Article 45 of Chapter 105 of the General Statutes, as enacted by this part, does not apply to construction materials purchased to fulfill a lump-sum or unit-price contract entered into or awarded before the effective date of the levy or entered into or awarded pursuant to a bid made before the effective date of the levy when the construction materials would otherwise be subject to the tax levied under Article 45 of Chapter 105 of the General Statutes.

"Sec. 2. Definitions. The definitions in G.S. 105-164.3 apply in this act. In addition, the following definitions apply in this act:

1. Net proceeds. Gross proceeds less the cost to the county of administering and collecting the tax.

2. Prepared food and beverages. The term has the same meaning as the term "prepared food" in G.S. 105-164.3.

3. Beach nourishment. The term has the same meaning as in G.S. 105-527. The standards developed by the Commissioner are subject to Article 2A of Chapter 150B of the General Statutes. The insurance public protection
classifications established by the Commissioner issued pursuant to the provisions of this Article shall be subject to appeal as provided in G.S. 58-2-75, et seq. The exceptions stated in G.S. 58-2-75(a) do not apply."

SECTION 5.(d) G.S. 105-113.82(e) reads as rewritten:

"(e) Population Estimates. - To determine the population of a city or county for purposes of the distribution required by this section, the Secretary shall use the most recent annual estimate of population certified by the State Planning Budget Officer."

SECTION 5.(e) G.S. 105-129.3(b1) reads as rewritten:

(2) It has a population of 1,000 or more according to the most recent annual population estimates certified by the State Planning-Budget Officer.

(5) None of the census tracts or census block groups in the zone is located in another development zone designated by the Secretary of Commerce.

SECTION 5.(g) G.S. 105-164.44F(b) reads as rewritten:
"(b) Share of Cities Incorporated on or After January 1, 2001. - The share of a city incorporated on or after January 1, 2001, is its per capita share of the amount to be distributed to all cities incorporated on or after this date. This amount is the proportion of the total to be distributed under this section that is the same as the proportion of the population of cities incorporated on or after January 1, 2001, compared to the population of all cities. In making the distribution under this subsection, the Secretary must use the most recent annual population estimates certified to the Secretary by the State Planning Budget Officer."

SECTION 5.(h) G.S. 105-187.19(b) reads as rewritten:
"(b) Each quarter, the Secretary shall credit five percent (5%) of the net tax proceeds to the Solid Waste Management Trust Fund and shall credit twenty-seven percent (27%) of the net tax proceeds to the Scrap Tire Disposal Account. The Secretary shall distribute the remaining sixty-eight percent (68%) of the net tax proceeds among the counties on a per capita basis according to the most recent annual population estimates certified to the Secretary by the State Planning Budget Officer."

SECTION 5.(i) G.S. 105-187.24 reads as rewritten:
"§ 105-187.24. Use of tax proceeds.
The Secretary shall distribute the taxes collected under this Article, less the Department of Revenue's allowance for administrative expenses, in accordance with this section. The Secretary may retain the Department's cost of collection, not to exceed two hundred twenty-five thousand dollars ($225,000) a year, as reimbursement to the Department.
Each quarter, the Secretary shall credit eight percent (8%) of the net tax proceeds to the Solid Waste Management Trust Fund and shall credit twenty percent (20%) of the net tax proceeds to the White Goods Management Account. The Secretary shall distribute the remaining seventy-
two percent (72%) of the net tax proceeds among the counties on a per capita basis according to the most recent annual population estimates certified to the Secretary by the State Planning Budget Officer. The Department shall not distribute the tax proceeds to a county when notified not to do so by the Department of Environment and Natural Resources under G.S. 130A-309.87. If a county is not entitled to a distribution, the proceeds allocated for that county will be credited to the White Goods Management Account.

A county may use funds distributed to it under this section only as provided in G.S. 130A-309.82. A county that receives funds under this section and that has an interlocal agreement with another unit of local government under which the other unit provides for the disposal of solid waste for the county must transfer the amount received under this section to that other unit. A unit to which funds are transferred is subject to the same restrictions on use of the funds as the county."

**SECTION 5.(j)** Effective July 1, 2003, G.S. 105-472(b) reads as rewritten:

"(b) Distribution Between Counties and Cities. - The Secretary shall divide the amount allocated to each taxing county among the county and its municipalities in accordance with the method determined by the county. The board of county commissioners shall, by resolution, choose one of the following methods of distribution:

1. **Per Capita Method.** - The net proceeds of the tax collected in a taxing county shall be distributed to that county and to the municipalities in the county on a per capita basis according to the total population of the taxing county, plus the total population of the municipalities in the county. In the case of a municipality located in more than one county, only that part of its population living in the taxing county is considered its "total population". In order to make the distribution, the Secretary shall determine a per capita figure by dividing the amount allocated to each taxing county by the total population of that county plus the total population of all municipalities in the county. The Secretary shall then multiply this per capita figure by the population of the taxing county and by the population of each municipality in the county; each respective product shall be the amount to be distributed to the county and to each municipality in the county. To determine the population of each county and each municipality, the Secretary shall use the most recent annual estimate of population certified by the State Planning Budget Officer.
(2) Ad Valorem Method. - The net proceeds of the tax collected in a taxing county shall be distributed to that county and the municipalities in the county in proportion to the total amount of ad valorem taxes levied by each on property having a tax situs in the taxing county during the fiscal year next preceding the distribution. For purposes of this section, the amount of the ad valorem taxes levied by a county or municipality includes ad valorem taxes levied by the county or municipality in behalf of a taxing district and collected by the county or municipality. In addition, the amount of taxes levied by a county includes ad valorem taxes levied by a merged school administrative unit described in G.S. 115C-513 in the part of the unit located in the county. In computing the amount of tax proceeds to be distributed to each county and municipality, the amount of any ad valorem taxes levied but not substantially collected shall be ignored. Each county and municipality receiving a distribution of the proceeds of the tax levied under this Article shall in turn immediately share the proceeds with each district in behalf of which the county or municipality levied ad valorem taxes in the proportion that the district levy bears to the total levy of the county or municipality. Any county or municipality that fails to provide the Department of Revenue with information concerning ad valorem taxes levied by it adequate to permit a timely determination of its appropriate share of tax proceeds collected under this Article may be excluded by the Secretary from each monthly distribution with respect to which the information was not provided in a timely manner, and those tax proceeds shall then be distributed only to the remaining counties or municipalities, as appropriate. For the purpose of computing the distribution of the tax under this subsection to any county and the municipalities located in the county for any month with respect to which the property valuation of a public service company is the subject of an appeal and the Department of Revenue is restrained by law from certifying the valuation to the county and the municipalities in the county, the Department shall use the last property valuation of the public service company that has been certified.

The board of county commissioners in each taxing county shall, by resolution adopted during the month of April of each year, determine which of the two foregoing methods of distribution shall be in effect in the county during the next succeeding fiscal year. In order for the resolution to be
effective, a certified copy of it must be delivered to the Secretary in Raleigh within 15 calendar days after its adoption. If the board fails to adopt a resolution choosing a method of distribution not then in effect in the county, or if a certified copy of the resolution is not timely delivered to the Secretary, the method of distribution then in effect in the county shall continue in effect for the following fiscal year. The method of distribution in effect on the first of July of each fiscal year shall apply to every distribution made during that fiscal year."

SECTION 5.(k) G.S. 136-202(c) reads as rewritten:
"(c) The Department, the metropolitan planning organizations, and the Department of Environment and Natural Resources shall jointly evaluate and adjust the regions defined in each regional travel demand model at least once every five years and no later than October 1 of the year following each decennial federal census. The evaluation and adjustment shall be based on decennial census data and the most recent populations estimates certified by the State Planning Officer. The adjustment of these boundaries shall reflect current and projected patterns of population, employment, travel, congestion, commuting, and public transportation use and the effects of these patterns on air quality."

SECTION 5.(l) G.S. 143-215.107A(d) reads as rewritten:
"(d) Additional Counties. - The Commission may require that motor vehicle emissions inspections be performed in counties in addition to those set out in subsection (c) of this section. In determining whether to require that motor vehicle emissions inspections be performed in a county, the Commission may consider the population of, and distribution of population in, the county; the projected change in population of, and distribution of population in, the county; the number of vehicles registered in the county; the projected change in the number of vehicles registered in the county; vehicle miles traveled in the county; the projected change in vehicle miles traveled in the county; current and projected commuting patterns in the county; and the current and projected impact of these factors on attainment of air quality standards in the county and in areas outside the county. The Commission may not require that motor vehicle emissions inspections be performed in any county with a population of less than 40,000 based on the most recent population estimates prepared by the State Planning Officer. The Commission may not require that motor vehicle emissions inspections be performed in any county in which the number of vehicle miles traveled per day is less than 900,000, based on the most recent estimates prepared by the Department of Transportation. In order to disapprove a rule that requires that motor vehicle emissions inspections be performed in one or more additional counties, a bill introduced pursuant to G.S. 150B-21.3(b) must amend subsection (c) of this section to add one or more other counties in which the total population
and vehicle miles traveled per day equal or exceed the total population and vehicle miles traveled in the county or counties listed in the rule that the bill would disapprove."

SECTION 5.(m) G.S. 160A-536(c) reads as rewritten:
"(c) Urban Area Revitalization Defined. - As used in this section, the term "urban area revitalization projects" includes the provision within an urban area of any service or facility that may be provided in a downtown area as a downtown revitalization project under subdivision (a)(2) and subsection (b) of this section. As used in this section, the term "urban area" means an area that (i) is located within a city whose population exceeds 150,000 according to the most recent annual population statistics certified by the State Planning-Budget Officer and (ii) meets one or more of the following conditions:

1. It is the central business district of the city.
2. It consists primarily of existing or redeveloping concentrations of industrial, retail, wholesale, office, or significant employment-generating uses, or any combination of these uses.
3. It is located in or along a major transportation corridor and does not include any residential parcels that are not, at their closest point, within 150 feet of the major transportation corridor right-of-way or any nonresidentially zoned parcels that are not, at their closest point, within 1,500 feet of the major transportation corridor right-of-way.
4. It has as its center and focus a major concentration of public or institutional uses, such as airports, seaports, colleges or universities, hospitals and health care facilities, or governmental facilities."

SECTION 5.(n) G.S. 162A-6(a)(14d) reads as rewritten:
"(a) Each authority created hereunder shall be deemed to be a public instrumentality exercising public and essential governmental functions to provide for the public health and welfare, and each authority is authorized and empowered:

14d) To require the owners of developed property on which there are situated one or more residential dwelling units or commercial establishments located within the jurisdiction of the authority and within a reasonable distance of any waterline or sewer collection line owned, leased as lessee, or operated by the authority to connect the property with the waterline, sewer connection line, or both and fix charges for the connections. The power granted by this subdivision may be exercised by an authority only to the extent that
the service, whether water, sewer, or a combination thereof, to be provided by the authority is not then being
provided to the improved property by any other political subdivision or by a public utility regulated by the North
Carolina Utilities Commission pursuant to Chapter 62 of the General Statutes. In the case of improved property that
would qualify for the issuance of a building permit for the construction of one or more residential dwelling units or
commercial establishments and where the authority has installed water or sewer lines or a combination thereof
directly available to the property, the authority may require payment of a periodic availability charge, not to exceed
the minimum periodic service charge for properties that are connected. This subdivision applies only to a water
and sewer authority whose membership includes part or all of a county that has a population of at least 40,000
according to the most recent annual population estimates certified by the State Planning Budget Officer.

SECTION 6. G.S. 78A-17 reads as rewritten:

   the issuer and any predecessors if less than three years, in the payment of principal, interest, or
   dividends on the security.
(3) Any nonissuer transaction effected by or through a registered dealer pursuant to an unsolicited order or offer to buy; but the Administrator may by rule require that the customer acknowledge upon a specified form that the sale was unsolicited, and that a signed copy of each such form be preserved by the dealer for a specified period.

(14) Any offer, sale or issuance of securities pursuant to an employees' stock or equity purchase, option, savings, pension, profit-sharing, or other similar benefit plan that is exempt under the provisions of G.S. 78A-16(11).

Status as a candidate for the purpose of this Article continues if the individual is receiving contributions to repay loans or cover a deficit or is making expenditures to satisfy obligations from an election already held. Special definitions of 'candidate' and 'candidate campaign committee' that apply only in Part 1A of this Article are set forth in G.S. 163-278.38Z.

(5) The term "communications media" or "media" means broadcasting stations, carrier current stations, newspapers,
magazines, periodicals, outdoor advertising facilities, billboards, newspaper inserts, and any person or individual whose business is polling public opinion, analyzing or predicting voter behavior or voter preferences. Special definitions of 'print media,' 'radio,' and 'television' that apply only in Part 1A of this Article are set forth in G.S. 163-278.38Z.

(14) The term "political committee" means a combination of two or more individuals, such as any person, committee, association, organization, or other entity that makes, or accepts anything of value to make, contributions or expenditures and has one or more of the following characteristics:
   a. Is controlled by a candidate;

   c. Is created by a corporation, business entity, insurance company, labor union, or professional association pursuant to G.S. 163-278.19(b); or
   d. Has as a major purpose to support or oppose the nomination or election of one or more clearly identified candidates.

Supporting or opposing the election of clearly identified candidates includes supporting or opposing the candidates of a clearly identified political party.

An entity is rebuttably presumed to have as a major purpose to support or oppose the nomination or election of one or more clearly identified candidates if it contributes or expends or both contributes and expends during an election cycle more than three thousand dollars ($3,000). The presumption may be rebutted by showing that the contributions and expenditures giving rise to the presumption were not a major part of activities of the organization during the election cycle. Contributions to referendum committees and expenditures to support or oppose ballot issues shall not be facts considered to give rise to the presumption or otherwise be used in determining whether an entity is a political committee.

If the entity qualifies as a "political committee" under sub-subdivision a., b., c., or d. of this subdivision, it continues to be a political committee if it receives contributions or
makes expenditures or maintains assets or liabilities. A political committee ceases to exist when it winds up its operations, disposes of its assets, and files its final report.

Special definitions of ‘political action committee’ and ‘candidate campaign committee’ that apply only in Part 1A of this Article are set forth in G.S. 163-278.38Z.

(15) The term "political party" means any political party organized or operating in this State, whether or not that party is recognized under the provisions of G.S. 163-96. CONFERENCE COMMITTEE SUBSTITUTE FOR HOUSE BILL 354

H354-PCCS30562-LL-1, AN ACT TO AMEND THE STATE DISABILITY INCOME PLAN.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 135-101(6) reads as rewritten:

"(6) "Disability" or "Disabled" shall mean the physical or cognitive limitations that prevent working as determined by the Department of State Treasurer and the Board of Trustees; mental or physical incapacity for the further performance of duty of a participant or beneficiary; provided that such incapacity was not the result of terrorist activity, active participation in a riot, committing or attempting to commit a felony, or intentionally self-inflicted injury."

SECTION 2. G.S. 135-105(a) reads as rewritten:
"(a) Any participant who becomes disabled and is unable to perform the duties of the participant's job or any other available jobs with the State, no longer able to perform his usual occupation may, after at least 365 calendar days succeeding his date of initial employment as a teacher or employee and at least one year of contributing membership service, receive a benefit commencing on the first day succeeding the waiting period; provided that the participant's employer and attending physician shall certify that such participant cannot perform the duties of the participant's job or any other jobs available with the State, is mentally or physically incapacitated for the further performance of duty, that such incapacity was incurred at the time of active employment and has been continuous thereafter; provided further that the requirement for one year of contributing membership service must have been earned within 36 calendar months immediately preceding the date of disability and further, salary continuation used during the period as provided in G.S. 135-104 shall count toward the aforementioned one year requirement.

Notwithstanding the requirement that the incapacity was incurred at the time of active employment, any participant who becomes disabled while on an employer approved leave of absence and who is eligible for and in receipt of temporary total benefits under The North Carolina Workers' Compensation Act, Article 1 of Chapter 97 of the General Statutes, will be eligible for all benefits provided under this Article."

SECTION 3. G.S. 135-106(a) reads as rewritten:

"(a) Upon the application of a beneficiary or participant or of his legal representative or any person deemed by the Board of Trustees to represent the participant or beneficiary, any beneficiary or participant who has had five or more years of membership service may receive long-term disability benefits from the Plan upon approval by the Board of Trustees, commencing on the first day succeeding the conclusion of the short-term disability period provided for in G.S. 135-105, provided the beneficiary or participant makes application for such benefit within 180 days after the short-term disability period ceases, after salary continuation payments cease, or after monthly payments for Workers' Compensation cease, whichever is later; Provided, that the beneficiary or participant withdraws from active service by terminating employment as a teacher or State employee; Provided, that the Medical Board shall certify that such beneficiary or participant is unable to perform any occupation for which the beneficiary or participant is reasonably qualified for by training or experience, mentally or physically incapacitated for the further performance of duty, that such incapacity was incurred at the time of active employment and has been continuous thereafter, that such incapacity is likely to be permanent; Provided further that the Medical Board shall not certify any beneficiary or participant as disabled who is in receipt of any
payments on account of the same incapacity which existed when the beneficiary first established membership in the Retirement System. The Board of Trustees may extend this 180-day filing requirement upon receipt of clear and convincing evidence that application was delayed through no fault of the disabled beneficiary or participant and was delayed due to the employers' miscalculation of the end of the 180-day filing period. However, in no instance shall the filing period be extended beyond an additional 180 days.

The Board of Trustees may require each beneficiary who becomes eligible to receive a long-term disability benefit to have an annual medical review or examination for the first five years and thereafter once every three years after the commencement of benefits under this section. However, the Board of Trustees may require more frequent examinations and upon the advice of the Medical Board shall determine which cases require such examination. Should any beneficiary refuse to submit to any examination required by this subsection or by the Medical Board, his long-term disability benefit shall be suspended until he submits to an examination, and should his refusal last for one year, his benefit may be terminated by the Board of Trustees. If the Medical Board finds that a beneficiary is no longer unable to perform any occupation for which the beneficiary or participant is reasonably qualified for by training or experience, the Department of State Treasurer and mentally or physically incapacitated for the further performance of duty, the Medical Board shall so certify this finding to the Board of Trustees, and the Board of Trustees may terminate the beneficiary's long-term disability benefits effective on the last day of the month in which the Medical Board certifies that the beneficiary is no longer disabled.

As to the requirement of five years of membership service, any participant or beneficiary who does not have five years of membership service within the 96 calendar months prior to conclusion of the short-term disability period or cessation of salary continuation payments, whichever is later, shall not be eligible for long-term disability benefits.

Notwithstanding the requirement that the incapacity was incurred at the time of active employment, any participant who becomes disabled while on an employer approved leave of absence and who is eligible for and in receipt of temporary total benefits under The North Carolina Workers' Compensation Act, Article 1 of Chapter 97 of the General Statutes, will be eligible for all benefits provided under this Article."

SECTION 4. Effective August 1, 2005, G.S. 135-106(a), as rewritten by Section 3 of this act, reads as rewritten:

"(a) Upon the application of a beneficiary or participant or of his legal representative or any person deemed by the Board of Trustees to represent the participant or beneficiary, any beneficiary or participant who has had five or more years of membership service may receive long-term
disability benefits from the Plan upon approval by the Board of Trustees, commencing on the first day succeeding the conclusion of the short-term disability period provided for in G.S. 135-105, provided the beneficiary or participant makes application for such benefit within 180 days after the short-term disability period ceases, after salary continuation payments cease, or after monthly payments for Workers' Compensation cease, whichever is later; Provided, that the beneficiary or participant withdraws from active service by terminating employment as a teacher or State employee; Provided, that the Medical Board shall certify that such beneficiary or participant is mentally or physically incapacitated for the further performance of duty, unable to perform any occupation or employment commensurate to the beneficiary's or participant's education, training, or experience, which is available in the same commuting area for State employees or within the same local school administrative unit for school personnel, without an adverse impact on the beneficiary's or participant's career status, and in which the beneficiary or participant can be expected to earn not less than sixty-five percent (65%) of that beneficiary's or participant's predisability earnings, that such incapacity was incurred at the time of active employment and has been continuous thereafter, that such incapacity is likely to be permanent; Provided further that the Medical Board shall not certify any beneficiary or participant as disabled who is in receipt of any payments on account of the same incapacity which existed when the beneficiary first established membership in the Retirement System. The Board of Trustees may extend this 180-day filing requirement upon receipt of clear and convincing evidence that application was delayed through no fault of the disabled beneficiary or participant and was delayed due to the employers' miscalculation of the end of the 180-day filing period. However, in no instance shall the filing period be extended beyond an additional 180 days.

The Board of Trustees may require each beneficiary who becomes eligible to receive a long-term disability benefit to have an annual medical review or examination for the first five years and thereafter once every three years after the commencement of benefits under this section. However, the Board of Trustees may require more frequent examinations and upon the advice of the Medical Board shall determine which cases require such examination. Should any beneficiary refuse to submit to any examination required by this subsection or by the Medical Board, his long-term disability benefit shall be suspended until he submits to an examination, and should his refusal last for one year, his benefit may be terminated by the Board of Trustees. If the Medical Board finds that a beneficiary is no longer mentally or physically incapacitated for the further performance of duty, the Medical Board shall so certify this finding to the Board of Trustees, and the Board of Trustees may terminate the beneficiary's long-term disability benefits effective
on the last day of the month in which the Medical Board certifies that the beneficiary is no longer disabled.

As to the requirement of five years of membership service, any participant or beneficiary who does not have five years of membership service within the 96 calendar months prior to conclusion of the short-term disability period or cessation of salary continuation payments, whichever is later, shall not be eligible for long-term disability benefits.

Notwithstanding the requirement that the incapacity was incurred at the time of active employment, any participant who becomes disabled while on an employer approved leave of absence and who is eligible for and in receipt of temporary total benefits under The North Carolina Workers' Compensation Act, Article 1 of Chapter 97 of the General Statutes, will be eligible for all benefits provided under this Article."

PART 5. DEBT AFFORDABILITY ADVISORY COMMITTEE

SECTION 5.1. Chapter 142 of the General Statutes is amended by adding a new Article to read:

"Article 10.

§ 142-100. Purpose.

The purpose of this Article is to provide tools for sound debt management by providing an annual debt affordability study to establish guidelines for maintaining prudent debt levels and by establishing a system for prioritizing State capital needs when the needs exceed the State's capacity for new debt.

(a) Membership. - The Debt Affordability Advisory Committee is created in the Department of State Treasurer. The Committee shall consist
of five ex officio members or their designees and four appointed members, as follows:

(1) The State Treasurer.
(2) The Secretary of Revenue.
(3) The State Budget Officer.
(4) The State Auditor.
(5) The State Controller.
(6) Two members of the public appointed by the President Pro Tempore of the Senate.
(7) Two members of the public appointed by the Speaker of the House of Representatives.

(b) Officers and Staff. - The State Treasurer shall serve as the chair of the Committee. The Committee shall meet at the call of the chair. The Department of State Treasurer shall provide space for the Committee to meet. The Department shall also provide the Committee with necessary staff and supplies to enable it to carry out its duties in an effective manner.

(c) Compensation. - Members of the Committee shall serve without pay but shall receive per diem and allowances provided by G.S. 138-5 and G.S. 138-6.

(d) Duties. - The Debt Affordability Advisory Committee shall annually advise the Governor and the General Assembly on the estimated debt capacity of the State for the upcoming 10 fiscal years. The Committee shall oversee the undertaking of an annual debt affordability study and the establishment of guidelines for evaluating the State's debt burden. The guidelines should include target and ceiling ratios of net tax-supported debt to personal income and debt service to revenues, target and floor percentages for the 10-year payout ratio, and target and floor percentages for the unreserved General Fund balance. The Committee shall also recommend any other debt management policies it considers desirable and consistent with sound management of the State's debt.

(e) Reports. - The Committee shall report its findings and recommendations to the Governor, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the Fiscal Research Division by February 1 of each year.

SECTION 5.2. From funds appropriated to the Department of State Treasurer for the 2004-2005 fiscal year, the State Treasurer shall allocate the amounts necessary to implement the provisions of this part.

PART 6. UNIVERSITY SYSTEM AND COMMUNITY COLLEGE SYSTEM JOINT STUDY OF HIGHER EDUCATION STRATEGY

SECTION 6.1. To ensure that the State's citizens are academically prepared and equipped for current job opportunities and jobs of the future in North Carolina's growing knowledge economy, the Board of Governors of The University of North Carolina, in collaboration with the
State Board of Community Colleges, shall, within 60 days after this act becomes law, contract with a private consulting firm that has experience in higher education to conduct a comprehensive study of the mission and educational program needs for the University System and the Community College System. The Board of Governors may enter into contracts with consultants for the purposes authorized in this section without complying with the provisions of Article 3C of Chapter 143 of the General Statutes. The study shall include all of the following:

(1) An analysis of demographic, economic, and educational data regarding the needs for higher education programming in the State as a whole, as well as in all geographic and economic regions of the State.

(2) An updated enrollment projection for each System and each institution that includes adult, noncredit, career, and degree program enrollments.

(3) An analysis of current program offerings and majors in undergraduate, graduate, nondegree, and workforce training programs, offered by each institution.

(4) Recommendations as to how the institutions might better serve current and emerging needs related to existing and new programs; opportunities for regional program delivery; enhanced effectiveness and quality that can be achieved via sharing of resources, and program partnerships and collaborations both within and between higher education systems; and opportunities for online program delivery and other distance technology delivery systems.

(5) An analysis of and suggested updates to existing long-range capital plans of both the University and Community College Systems that will address land acquisition and facility needs to support the program recommendations identified in this study, taking into account opportunities for modernization of and new uses for existing facilities.

(6) With regard to the University System, there shall be special emphasis on the development of signature programs for Historically Black Colleges and Universities and the University of North Carolina at Pembroke. In conducting the study, the consulting firm shall take into account that the General Assembly finds the Historically Black Colleges and Universities and the University of North Carolina at Pembroke to be institutions with important historical traditions and equally important contemporary purposes and, as such, are valuable and indispensable assets of The University of
North Carolina and the State. The General Assembly intends to encourage the continued growth and development of those constituent institutions and would resist any suggestion to eliminate the historical function and purpose of those institutions.

(7) With regard to both the University System and the Community College System, there shall be an acknowledgement of the existence and importance of a strong liberal arts education foundation and, at the same time, an emphasis on existing and new programs specifically aimed at meeting business, industry, workforce, and career needs of North Carolina in the State's changing and growing knowledge-based economy, taking into account, as appropriate, State and regional economic strategies.

SECTION 6.2. These studies shall be designed to provide information and recommendations that will assist the General Assembly in setting priorities for funding to address the strategic higher education needs of the State. The Board of Governors, the State Board, and their consultant shall periodically report their findings to a higher education programming subcommittee of the Joint Legislative Education Oversight Committee. The two boards and their consultant shall report the preliminary results of the study to the General Assembly and to the Joint Legislative Education Oversight Committee by April 15, 2005, and shall file a final report and recommendations with the General Assembly and the Joint Legislative Education Oversight Committee no later than December 31, 2005.

SECTION 6.3. The Joint Legislative Education Oversight Committee may create a higher education programming subcommittee to monitor the study authorized in this part.

PART 7. INNOVATIVE STATE FINANCING STUDY

SECTION 7.1. Article 9 of Chapter 142 of the General Statutes is amended by adding a new section to read:

§ 142-95. RECOP indebtedness.

(a) Authorization. - In addition to special indebtedness described in the preceding sections of this Article, the State may incur special indebtedness as described in this section to be called real estate certificates of participation (RECOP) indebtedness. RECOP indebtedness shall be incurred for the purposes and otherwise as prescribed in the preceding sections of this Article, with the exceptions and limitations provided in this section. All of the provisions of this Article apply to RECOP indebtedness except to the extent a provision of this section specifically conflicts with a provision in the preceding sections of this Article.

(b) Purposes. - In addition to the purposes provided in G.S. 142-83, RECOP indebtedness may be incurred to refund any indebtedness of the State. RECOP indebtedness may refund non-RECOP indebtedness to the
same extent it may refund RECOP indebtedness in accordance with the preceding sections of this Article, except that the General Assembly must first enact legislation authorizing the incurrence of RECOP indebtedness for this purpose up to a specific maximum amount. The proceeds of RECOP indebtedness may not be used for operating expenses, start-up costs, or other items of working capital.

(c) Security. - In addition to the security authorized in G.S. 142-85(a), RECOP indebtedness may be secured by any property or interest in property of the State selected by the Director of the Budget in consultation with the State Treasurer and approved by the Council of State in accordance with this Article. Before selecting as security any property or interest in property not authorized in G.S. 142-85, the Director of the Budget must consult with the Joint Legislative Commission on Governmental Operations. This subsection supplements G.S. 142-85(a); all of the remaining provisions of G.S. 142-85 apply to RECOP indebtedness.

(d) Principal. - The entire principal amount may mature on a single date. No principal reduction is required prior to maturity.

(e) Interest. - Interest on RECOP indebtedness may be payable partly periodically and partly at maturity or earlier redemption, in the latter case with interest accreting and compounding at a stated interest rate.

(f) Additional State Property Law Exception. - Chapter 146 of the General Statutes does not apply to any sale of the State's interest in property securing RECOP indebtedness if the sales proceeds are used first to pay, or provide for the payment of, all or a portion of that RECOP indebtedness. The property law exceptions in G.S. 142-85(h) also apply to RECOP indebtedness."

SECTION 7.2. The General Assembly finds that there are circumstances in which the State may benefit from the use of innovative or flexible public financing tools not previously considered in North Carolina. In light of the value of State property and its great potential for appreciation, financing vehicles may be developed that provide for a lower annual debt service in exchange for a larger payment when the debt matures. In the context of urgent State needs or temporary budget restrictions, the General Assembly finds that it may be in the best interest of the State to be able to take advantage of this type of financing option. In order for the General Assembly to make a policy decision on this issue, more economic and financial information is needed.

SECTION 7.3 The State Treasurer shall study the effects of refunding State indebtedness or financing new State facilities with RECOP indebtedness as defined in G.S. 142-95, as enacted by this part. In evaluating the feasibility of incurring RECOP indebtedness and the surrounding policy issues, the State Treasurer shall evaluate all of the following:
(1) The overall net economic cost to the State in incurring RECOP indebtedness as compared to other forms of indebtedness.

(2) The relative annual debt service costs and final maturity payments of RECOP indebtedness as compared to other forms of indebtedness.

(3) The availability of alternative financing opportunities and their relative costs to the State.

(4) For refundings, whether the refunding would result in an economic gain, overall lower borrowing costs, or other benefits to the State.

(5) Factors that affect which circumstances might make RECOP financing more or less desirable.

(6) The impact on the State's credit rating of various debt options in various situations.

(7) Any other issues the State Treasurer considers relevant.

The State Treasurer shall report to the Joint Legislative Commission on Governmental Operations by February 1, 2005, the results of this study, including specific findings and recommendations.

PART 8. GENERAL PROVISIONS

SECTION 8.1. It is the intent of the General Assembly that the proceeds of special indebtedness issued under parts 2 through 4 of this act shall be applied for the purposes provided in those parts, including the acquisition by conservation easement, or otherwise, of land near military bases to prevent encroachment. This acquisition shall be a high priority because of its vital importance to the State of North Carolina.

SECTION 8.2. None of the proceeds of special indebtedness authorized by parts 2 through 4 of this act may be used to acquire any property by eminent domain.

SECTION 8.3. The provisions of this act are severable. If any provision of this act is held invalid by a court of competent jurisdiction, the invalidity does not affect other provisions of the act that can be given effect without the invalid provision.

SECTION 1.(b) Of the funds appropriated in this section to the One North Carolina Fund, the Department of Commerce may use up to three hundred thousand dollars ($300,000) to cover its expenses in administering the One North Carolina Fund and other economic development incentive grant programs during the 2004-2005 fiscal year.

"Part 2H. One North Carolina Fund.

§ 143B-437.70. Legislative findings and purpose.
The General Assembly finds that:

(1) It is the policy of the State of North Carolina to stimulate economic activity and to create new jobs for the citizens of the State by encouraging and promoting the retention and expansion of existing business and industry within the State and by recruiting and attracting new business and industry to the State.

(2) Both short-term and long-term economic trends at the State, national, and international levels have made the successful implementation of the State's economic development policy and programs both more critical and more challenging; and the decline in the State's traditional industries, and the resulting adverse impact upon the State and its citizens, have been exacerbated in recent years by adverse national and State economic trends that contribute to the reduction in the State's industrial base and that inhibit the State's ability to sustain or attract new and expanding businesses.

(3) The purpose of this Part is to stimulate economic activity and to create new jobs within the State.

(4) The enactment of this Part will maintain consistency and accountability in a key economic development program and will ensure that the program benefits the State and its citizens.

(5) Nothing in this Part shall be construed to constitute a guarantee or assumption by the State of any debt of any business or to authorize the taxing power or the full faith and credit of the State to be pledged.

(5) A provision establishing the method for determining compliance with the agreement.

(6) A provision establishing a schedule for disbursement of funds under the agreement that allows disbursement of funds only in proportion to the amount of performance completed under the agreement.

Local Government Grant Agreement. - An agreement between the State and one or more local governments shall contain the following provisions:

1. A commitment on the part of the local government to match the funds allocated by the State. A local match may include cash, fee waivers, in-kind services, the donation of assets, the provision of infrastructure, or a combination of these.

2. A provision requiring the local government to recapture any funds to which the local government is entitled under the company performance agreement.

3. A provision requiring the local government to reimburse the State for any funds improperly disbursed or funds recaptured by the local government.

6. Any other provision the State finds necessary to ensure the proper use of State funds.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 115C-84.2 reads as rewritten:

"§ 115C-84.2. School calendar.
(a) School Calendar. - Each local board of education shall adopt a school calendar consisting of 215-220 days all of which shall fall within the fiscal year. A school calendar shall include the following:

(1) A minimum of 180 days and 1,000 hours of instruction covering at least nine calendar months. The local board shall designate when the 180 instructional days shall occur. The number of instructional hours in an instructional day may vary according to local board policy and does not have to be uniform among the schools in the administrative unit. Local boards may approve school improvement plans that include days with varying amounts of instructional time. If school is closed early due to inclement weather,
the day and the scheduled amount of instructional hours may count towards the required minimum to the extent allowed by State Board policy. The school calendar shall include a plan for making up days and instructional hours missed when schools are not opened due to inclement weather.

(1a) (Applies only to 2002-2003 school year – See editor's note.) Notwithstanding subdivision (1) of this subsection, a local board may decide to make up a maximum of three instructional days by adding instructional hours to previously scheduled instructional days. A local board shall make this decision only if all of the following criteria are met:

a. The days to be made up were missed when schools were unable to be opened due to unusual and extraordinary inclement weather conditions.

b. It would cause undue hardship to parents, children, and teachers to make up those days.

c. The school calendar continues to have a minimum of 1,000 instructional hours covering at least nine months.

d. The additional hours must equal the regularly scheduled number of instructional hours at each school.

If a local board adds instructional hours to previously scheduled days under this subdivision, the local school administrative unit is deemed to have a minimum of 180 days of instruction, teachers employed for a 10-month term are deemed to have been employed for the days being made up, and all other employees shall be compensated as if they had worked the days being made up.

(2) A minimum of 10 annual vacation leave days.

(3) The same or an equivalent number of legal holidays occurring within the school calendar as those designated by the State Personnel Commission for State employees.

(4) Eight-Five days, as designated by the local board, for use as teacher workdays, additional instructional days, or other lawful purposes. A local board may delegate to the individual schools some or all of the eight days to schedule under subdivision (5) of this subsection. A local board may schedule different purposes for different personnel on any given day and is not required to schedule the same dates for all personnel workdays. These days shall be protected
to allow teachers to complete instructional and classroom administrative duties. The local school administrative unit shall not impose any additional tasks on these days. The local board shall schedule one of these days at the beginning of the school year and one at the end of each academic quarter.

(5) The remaining days scheduled by the local board in consultation with each school's principal for any of the purposes allowed under subdivision (4) of this subsection, use as teacher workdays, additional instructional days, or other lawful purposes. Before scheduling these days, the principal consulting with the local board, each principal shall work with the school improvement team to determine the days to be scheduled and the purposes for which they should be scheduled. Days may be scheduled and planned for different purposes for different personnel and there is no requirement to schedule the same dates for all personnel. However, if during the last two years the local school administrative unit has made up an average of at least eight days for school closing because of inclement weather, the local board may designate up to two of these days. In order to make up days for school closing because of inclement weather, the local board may designate any of the days in this subdivision as additional make-up days to be scheduled after the last day of student attendance.

Local boards and individual schools are encouraged to use the calendar flexibility in order to meet the annual performance standards set by the State Board. Local boards of education shall consult with parents and the employed public school personnel in the development of the school calendar.

Local boards and individual schools shall designate at least seven days scheduled under subdivisions (4) and (5) of this subsection as days on which teachers may take accumulated vacation leave. Local boards may designate the remaining days scheduled in subdivisions (4) and (5) of this subsection as days on which teachers may take accumulated vacation leave, but local boards shall give teachers at least 14 calendar days’ notice before requiring a teacher to work instead of taking vacation leave on days scheduled in accordance with subdivision (5) of this subsection, any of these days. A teacher may elect to waive this notice requirement for one or more of these days.

(b) Limitations. - The following limitations apply when developing the school calendar:
(1) The total number of teacher workdays for teachers employed for a 10 month term shall not exceed 200-195 days.

(2) The calendar shall include at least 42 consecutive days when teacher attendance is not required unless: (i) the school is a year-round school; or (ii) the teacher is employed for a term in excess of 10 months. At the request of the local board of education or of the principal of a school, a teacher may elect to work on one of the 42 days when teacher attendance is not required in lieu of another scheduled workday.

(3) School shall not be held on Sundays.

(4) Veterans Day shall be a holiday for all public school personnel and for all students enrolled in the public schools.

(c) Emergency Conditions. - During any period of emergency in any section of the State where emergency conditions make it necessary, the State Board of Education may order general, and if necessary, extended recesses or adjournment of the public schools.

(d) Opening and Closing Dates. - Local boards of education shall determine the dates of opening and closing the public schools under subdivision (a)(1) of this section. Except for year-round schools, the opening date for students shall not be before August 25, and the closing date for students shall not be after June 10. On a showing of good cause, the State Board of Education may waive this requirement to the extent that school calendars are able to provide sufficient days to accommodate anticipated makeup days due to school closings. A local board may revise the scheduled closing date if necessary in order to comply with the minimum requirements for instructional days or instructional time. Different opening and closing dates may be fixed for schools in the same administrative unit. For purposes of this subsection, the term 'good cause' means that schools in any local school administrative unit in a county have been closed eight days per year during any four of the last 10 years because of severe weather conditions, energy shortages, power failures, or other emergency situations.

The State Board also may waive this requirement for an educational purpose. The term 'educational purpose' means a local school administrative unit establishes a need to adopt a different calendar for (i) a specific school to accommodate a special program offered generally to the student body of that school, (ii) a school that primarily serves a special population of students, or (iii) a defined program within a school. The State Board may grant the waiver for an educational purpose for that specific school or defined program to the extent that the State Board finds that the educational purpose is reasonable, the accommodation is necessary to accomplish the educational...
purpose, and the request is not an attempt to circumvent the opening and closing dates set forth in this subsection. The waiver requests for educational purposes shall not be used to accommodate system-wide class scheduling preferences.

The required opening and closing dates under this subsection shall not apply to any school that a local board designated as having a modified calendar for the 2003-2004 school year or to any school that was part of a planned program in the 2003-2004 school year for a system of modified calendar schools, so long as the school operates under a modified calendar.

(e) Nothing in this section prohibits a local board of education from offering supplemental or additional educational programs or activities outside the calendar adopted under this section."

**SECTION 2.** G.S. 115C-302.1(b) reads as rewritten:

"(b) Salary Payments. - State-allotted teachers shall be paid for a term of 10 months. State-allotted months of employment for vocational education to local boards shall be used for the employment of teachers of vocational and technical education for a term of employment to be determined by the local boards of education. However, local boards shall not reduce the term of employment for any vocational agriculture teacher personnel position that was 12 calendar months for the 1982-83 school year for any school year thereafter.

Each local board of education shall establish a set date on which monthly salary payments to State-allotted teachers shall be made. This set pay date may differ from the end of the month of service. The daily rate of pay for teachers shall equal one twenty-second midway between one twenty-first and one twenty-second of the monthly rate of pay. Except for teachers employed in a year-round school or paid in accordance with a year-round calendar, or both, the initial pay date for teachers shall be no later than August 31 and shall include a full monthly payment. Subsequent pay dates shall be spaced no more than one month apart and shall include a full monthly payment.

Teachers may be prepaid on the monthly pay date for days not yet worked. A teacher who fails to attend scheduled workdays or who has not worked the number of days for which the teacher has been paid and who resigns, is dismissed, or whose contract is not renewed shall repay to the local board any salary payments received for days not yet worked. A teacher who has been prepaid and continues to be employed by a local board but fails to attend scheduled workdays may be subject to dismissal under G.S. 115C-325 or other appropriate discipline.

Any individual teacher who is not employed in a year-round school may be paid in 12 monthly installments if the teacher so requests on or
before the first day of the school year. The request shall be filed in the local school administrative unit which employs the teacher. The payment of the annual salary in 12 installments instead of 10 shall not increase or decrease the teacher's annual salary nor in any other way alter the contract made between the teacher and the local school administrative unit. Teachers employed for a period of less than 10 months shall not receive their salaries in 12 installments.

Notwithstanding this subsection, the term 'daily rate of pay' for the purpose of G.S. 115C-12(8) or for any other law or policy governing pay or benefits based on the teacher salary schedule shall not exceed one twenty-second of a teacher's monthly rate of pay."

SECTION 3. For certified and noncertified employees employed on or after the effective date of this act, the annual rate of pay beginning with the 2005-2006 school year shall not be reduced as the result of this act. Furthermore, nothing in this act shall be construed to change the pay cycle for noncertified employees. The State Board of Education shall report annually to the Joint Legislative Education Oversight Committee on local compliance with this section.

SECTION 4. The State Board of Education shall study the scheduling of and purposes of noninstructional teacher workdays. As part of the study, the State Board shall consult with interested stakeholders that include members of local boards of education, school administrators, teachers, parents, and others the State Board considers appropriate. The State Board shall report any findings to the Joint Legislative Education Oversight Committee by December 15, 2004.

SECTION 5. Nothing in this act shall require the General Assembly to appropriate funds to implement it or require a local school administrative unit to spend additional funds to implement it.

SECTION 6. This act is effective when it becomes law and applies to school years beginning with the 2005-2006 school year. This act shall apply in all 100 counties and in all local school administrative units.

1. A percentage of the limited liability company's income, assets, liabilities, and equity is attributed to that principal corporation and must be included in the principal corporation's computation of tax under this Article.
2. The principal corporation's investment in the limited liability company is not included in the principal corporation's computation of tax under this Article.
3. The attributable percentage is equal to the percentage of the limited liability company's assets owned indirectly by the principal corporation divided by the percentage of the limited liability company's assets owned indirectly by related members of the principal corporation that are corporations.
(c) Constructive Ownership. - Ownership of the capital interests in a limited liability company is determined by reference to the constructive ownership rules for partnerships, estates, and trusts in section 318(a)(2)(A) and (B) of the Code with the following modifications:

1. The term 'capital interest' is substituted for 'stock' each place it appears.

2. A limited liability company and any noncorporate entity other than a partnership, estate, or trust is treated as a partnership.

3. The operating rule of section 318(a)(5) of the Code applies without regard to section 318(a)(5)(C).

Other Companies. - In all other cases, none of the limited liability company's income, assets, liabilities, or equity is attributed to a principal corporation under this Article.

(d) No Double Inclusion. - If a corporation is required to include a percentage of a limited liability company's assets in its tax bases under this Article pursuant to subsection (b) of this section, its investment in the limited liability company is not included in its computation of capital stock base under G.S. 105-122(b).

(g) Timing. - Ownership of the capital interests in a limited liability company is determined as of the last day of its taxable year. The adjustments pursuant to subsections (b) and (d) of this section must be made to the owner's next following return filed under this Article. If a limited liability company and a corporation or an affiliated group of corporations have engaged in a pattern of transferring assets between them with the result that each did not own the capital interests on the last day of its taxable year, the ownership of the capital interests in the limited liability company must be determined as of the last day of the corporation or group of corporations' taxable year.
(h) Penalty. - A taxpayer who, because of fraud with intent to evade tax, underpays the tax under this Article on assets attributable to it under this section is guilty of a Class H felony in accordance with G.S. 105-236(7).

SECTION 2. G.S. 105-114.1(b), as amended by this act, reads as rewritten:
"(b) Controlled Companies. - If a corporation or an affiliated group of corporations owns seventy percent (70%) or more than fifty percent (50%) of the capital interests in a limited liability company, the corporation or group of corporations must include in its three tax bases under this Article the same percentage of the limited liability company's net assets."

SECTION 3. Section 1 of this act becomes effective January 1, 2003, and applies to taxes due on or after that date. Section 2 of this act becomes effective January 1, 2005, and applies to taxes due on or after that date. The remainder of this act is effective when it becomes law.

INDEX GUIDE

The North Carolina General Statutes titles form the basis for these indices. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. Bills included in whole or in part in other measures are reflected as such, if known.

All bills dealing with funds are indexed under Appropriations, Local or Appropriations, Public. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the Member's name with an asterisk (*) noting that person as the primary sponsor.
