The House meets at 1:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Gracious Lord:

"Speak to us in our moments together and grant us Thy wisdom to see that which we are unable to make clear for ourselves. We often find ourselves in situations and circumstances that seem a bit cloudy due to our own desire for power, status, and stamps of approval. We are bold to ask Thee to remove our human lenses that cause our myopia; and, place on the bridge of our hearts heavenly glasses to help clear up our stubbornness in the hope that we may be able to see more clearly…that which is most likely right before our eyes. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of June 28 has been examined and found correct. Upon his motion, the Journal is approved as written.

There are no excused absences for today.

**PROTEST**

Pursuant to Article II, Section 18 of the North Carolina Constitution, Representative Blust offers the following protest to House Resolution 1788.

"North Carolina General Statute Section 116-6(c) says the following:

"'In electing members to the Board of Governors, the Senate and the House of Representatives shall select from a slate of candidates made in each house. The slate shall be prepared as provided by resolution of each house. If a sufficient number of nominees who are legally qualified are submitted, then the slate of candidates shall list at least twice the number of candidates for the total seats open. All qualified candidates shall compete against all other qualified candidates. In 1993 and biennially thereafter, each house shall hold their elections within 30 legislative days after appointments to their education committees are complete.'

"The 2005 Long Session of the North Carolina House of Representatives violated the above statute in enacting House Resolution 1788 which elected eight candidates to the University of North Carolina Board of Governors. No resolution as required by Sec. 116-6(c) providing for the preparation of a slate of candidates was ever passed by the House. No slate of candidates was ever given out to Members. The election was not held within 30 legislative days after the appointment of the House Education Committee. There were not twice the number of candidates for the total seats open.

"This resolution electing eight candidates to the Board of Governors was handed out during the House Session of June 30, 2005, the 90th Legislative Day of the 2005 Session. The Education Committee was appointed on Tuesday, February 15, the 12th Legislative Day. House Members were given no notice this business would come before the House this day and the resolution never appeared on any House Calendar and was never taken up by the House Education Committee.

June 30, 2005
"In past years, with the exception of the 2003 Long Session, House Members were presented a slate of candidates and a ballot which afforded Members with a choice of candidates for the Board of Governors. Members in previous years received copious amounts of information about the candidates and or appointments to speak with their candidates."

"The practice of not allowing members of the North Carolina House of Representatives to speak and have input on the issues that affect North Carolinians is injurious to the public’s interest and offensive to our form of government and to our Democracy.

"On this day, July 6, 2005, upon repeated attempts to be recognized to speak on a bill directly effecting the citizens of the North Carolina 98th district, Rep. Rhodes repeatedly made attempts to be recognized by the Speaker of the House in order to speak on the bill.

July 6, 2005
"The Speaker repeatedly refused to recognize the Representative. This repeated act on today’s date and on previous dates is injurious to our Democracy and our representative form of government.

"This dissent is entered upon the Journal of the North Carolina House of Representatives for all North Carolinians to see on this July 6th, 2005."

________________

NINETY-FOURTH DAY

HOUSE OF REPRESENTATIVES
Thursday, July 7, 2005

The House meets at 12:00 Noon pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by The Honorable Wanda Hunt, former State Senator, Moore County, North Carolina:

"Magnificent One, our deliverer, our provider, you will find in this House of Representatives, Representatives who quietly meditate and pray to You. As they ask for guidance, may the House Members be strengthened by Your presence in their lives, today. Together, we pray and praise You as with people of the whole universe of every time have praised You. We now call upon You to help this Body of elected persons to remain focused and to make laws on values that people of all faith, or peoples of no faith hold dear...justice, truth, kindness, peace, mercy, and compassion. As these legislators yearn for better understandings of legislative matters, help them to know Your will for them and the peoples of our State. When they are anxious about the consequences of the legislative actions taken, remind them that with You there is no confusion. Be their wisdom.

July 7, 2005
"Give each of them clear perspectives in order that they may know where to stand and what to stand for, and to represent their districts well. Harassed, tired, and troubled by the uncertainties and insecurities of our days, be their strength; let them rest their minds on You, for You do not change.

"We call on You today, Magnificent One, to ask for a clean and sober House of Representatives, diligent in their work. Help all who serve in the House to be encouraged, enlightened, embraced, and empowered in their service and to walk humbly with You.

"In the name of all that is holy, may Your rule come as a blessing to each Member of the House of Representatives and others present. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 6 has been examined and found correct. Upon his motion, the Journal is approved as written.

Leaves of absence are granted Representatives Clary, McComas, McLawhorn, Vinson, Walend, and West for today. Representative Culp is excused for a portion of the Session.

Pursuant to Article II, Section 18 of the North Carolina Constitution, Representative Rhodes offers the following protest:

"The practice of not allowing members of the North Carolina House of Representatives to speak and have input on the issues that affect North Carolinians is injurious to the public’s interest and offensive to our form of government and to our Democracy.

"Once again, on this day, July 7, 2005, upon repeated attempts to be recognized to speak on a bill directly affecting the citizens of the North Carolina 98th district, Rep. Rhodes repeatedly made attempts to be recognized by the Speaker Pro-Tempore, who was presiding at the time in the House of Representatives in order to speak on the bill.

"The Speaker-Pro-Tempore, repeatedly refused to recognize the Representative. This repeated act on today’s date and on previous dates is injurious to our Democracy and our representative form of government. Representatives have the duty to act and speak against such offenses.

"This dissent is entered upon the Journal of the North Carolina House of Representatives for all North Carolinians to see on this July 7th, 2005."

July 7, 2005

NINETY-FIFTH DAY

HOUSE OF REPRESENTATIVES

Monday, July 11, 2005

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"Sometimes life comes at us so fast and furiously we barely have enough time to dodge the potholes yet alone yield to You for strength in order to respond to its challenges with thoughtfulness. We confess to You that there are indeed times when our faith seems weak and our responses even weaker. O Lord, save us from our times of trial and teach us how to lean on You, so that when we do find ourselves in times of weakness, we can rest in the assurance of Your mercy and grace...and find our way. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 7 has been examined and found correct. Upon his motion, the Journal is approved as written.

HOUSE OF REPRESENTATIVES
Thursday, July 14, 2005

The House meets at 12:00 Noon pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Merciful God:

"In the midst of the hustle and bustle of our intensely busy schedules, we can sometimes forget about the fragility of life itself. As we burden ourselves with scheduling meetings and what-not, it only takes one uncomfortable search for breath or one irregular doctor's report to tilt the ebb and flow of what we thought was a normal way of living. Gracious God, grant unto us a renewed spirit of gratitude and appreciation for the gift of life. Like a beautiful diamond reflecting its multi-dimensional facets, may our lives reflect the many karats of life's gloriousness and inner beauty, for we know that in so doing, our efforts in both work and play will be pleasing to Thee, O God our Strength and our Shield. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 13 has been examined and found correct. Upon his motion, the Journal is approved as written.

Monday, July 18, 2005

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"Our souls are restless until they find their rest in You. Yet, as we journey through life, we have to travel down so many highways and byways. And, as we are all so acutely aware, there are always forks in the road that seek to draw us off a purer path and lead us down darker avenues. When these choices present themselves, grant us the inner strength to turn in the direction toward the light of Your mercy and grace; and keep us traveling on the right path with You as our final destination. Amen."

PROTEST

Pursuant to Article II, Section 18 of the North Carolina Constitution,
Representative Rhodes offers the following protest:

"Protest to be spread across the House Journal of the North Carolina House
of Representatives for proceedings of July 7, 2005 submitted by Rep. John
W. Rhodes of Mecklenburg of the North Carolina 98th House District.

"The practice of not allowing members of the North Carolina House of
Representatives to speak and have input on the issues that affect North
Carolinians is injurious to the public’s interest and offensive to our form of
government and to our Democracy.

"Once again, on this day, July 19, 2005, upon repeated attempts to be
recognized to speak on a bill effecting an amount equal or exceeding
$280,000,000 tax payer dollars and directly effecting the citizens of the
North Carolina 98th district, Rep. Rhodes repeatedly made attempts to be
recognized by the Speaker Pro-Tempore Richard Morgan of the House in
order to speak on the bill.

"The Speaker-Pro-Tempore, repeatedly refused to recognize the Repre-
sentative. This repeated act on today’s date and on previous dates is
injurious to our Democracy and our representative form of government.
Representatives have the duty to act and speak against such offenses.

"This dissent is entered upon the Journal of the North Carolina House of
Representatives for all North Carolinians to see on this July 19th, 2005."

ONE HUNDRED SEVENTH DAY

HOUSE OF REPRESENTATIVES
Monday, August 1, 2005

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Eternal God:

"You are the Alpha and the Omega, the Beginning and the End. From Your gracious hand comes every good and perfect gift. We pause in this moment to say, 'Thank you,' for Your gifts of mercy and grace so freely sprinkled upon our lives. Certainly the joy of life itself that springs eternal gives us reason to be thankful and to rest our weary souls in Thee. God, grant each one of us the inner voice of Your Spirit to guide our paths and to govern our ways. Remind us that above all else, You know who we are, what we do and why we do it. Indeed, O Lord, You know and see our hearts. Have mercy on us; and guide us in Thy ways. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

"Grant unto the men and women of this Honorable Body the patience to endure the legislative dog days of summer. **ONE HUNDRED TWELFTH DAY**

**HOUSE OF REPRESENTATIVES**

Tuesday, August 9, 2005

The House meets at 4:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"We spend the majority of our lives working. Some people labor and sweat on the treadmills of life day in and day out thinking they are going nowhere. Others toil and spin counting down the years, months and finally the days until they can rest in retirement. But, all of us want to believe that our work has meaning and value. Ultimately, what we are hoping for is that we can find intrinsic value in our efforts and find our work meaningful. For this Body, the budget is, at least in part, a measure of the fulfillment of our work and our efforts to make life better for the folks of this great State.

August 9, 2005"
Thus, as we contemplate what is before the Body as a whole, we pray that you would 'open the way for us to make an honest living without anxiety; but never let us forget the needs of others, and make us want only that benefit for ourselves that will also be their gain.' Amen."

(Quotation: adapted from prayer by Walter Russell Bowie, *Lift Up Your Hearts*, pg. 13.)

ONE HUNDRED THIRTEENTH DAY

HOUSE OF REPRESENTATIVES
Wednesday, August 10, 2005

The House meets at 3:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Gracious God:

"In the midst of life we are caught between that which is…and that which is to come. But, because we are fallen creatures, we recognize that not all things are able to be placed in the 'that which is to come' category. Indeed, even amidst the best human efforts, there are fallibilities and failures that keep our efforts from being perfect. However, because we place our ultimate hope and trust in a God who is relentlessly in love with His children and knows that in the fullness of time all things will work according to Thy good and perfect will, we recognize that our very best efforts at doing well can, in fact, be used to honor You. So, take our efforts here. Take pleasure in the successes they offer. Make good their defects. O Lord, have mercy on the men and women of this Chamber; and let them know that, ultimately You are sovereign over all things. Amen."

PROTEST

Pursuant to Article II, Section 18 of the North Carolina Constitution, Representative Blust offers the following dissent to the passage of the Conference Report on Senate Bill 622.

There are three major reasons why the Conference Report on Senate Bill 622 represents very poor legislation. The Conference Report violates House Rules, the Conference Report contains the biggest tax increase in the history of North Carolina, and the Conference Report maintains out of control spending.

A) Consideration of this Conference Report on Senate Bill 622, the "2005 Appropriations Act", violates these Rules.

The Conference Report on the budget contains the following provisions which were not contained in either the House budget or the Senate budget in clear violation of House Rule 44(b).

Section 6.35  Section 12.10  Section 28.22
Section 6.37  Section 14.2  Section 28.23
Section 6.38  Section 16.10  Section 28.24
Section 7.58  Section 16.11  Section 28.25
Section 7.59  Section 16.12  Section 28.26
Section 7.60  Section 17.30  Section 28.27
Section 7.61  Section 19A.1  Section 28.28
Section 10.10A  Section 19B.1  Section 29.14A

August 10, 2005
There are also many provisions, not listed here, which were not in either the Senate or the House budget.

B) This budget represents a mammoth tax increase - the largest in the history of the state. The following is an iteration of the taxes increased by the Conference Report on Senate Bill 622:

The legislative branch of state government is vested with an enormous power - the power to levy taxes. If mandated taxes are not paid in a timely fashion, a citizen's property can be seized to satisfy the amount owed. This creates an inextricable link between taxation and property rights, one of the core principles underpinning American freedom and the prosperity freedom engenders.

"The power to tax involves the power to destroy", wrote Chief Justice John Marshall in an 1819 decision by the United States Supreme Court, and "the power to destroy may defeat and render useless the power to create." The destructive power of taxation demands a very judicious approach.

August 10, 2005
and sober use of this power. Governments at every level should fund only those critical functions that cannot or should not be left to the private sector. Those functions should be carried out in the most efficient manner possible so that the minimum amount necessary is taken from taxpayers.

Taxation is destructive because it undermines the incentive, desire, and motivation for citizens to work, save and invest. Taxation lessens the entrepreneurial willingness to risk time and capital to develop the creative ideas that lead to additional wealth creation and progress. Whenever an activity is taxed, less of that activity will be undertaken. When the fruits of labor, savings and investments are taxed at too high a level, there will be less of these desirable activities.

Perhaps no one more accurately described this phenomenon than Franklin Delano Roosevelt, while he was first running for President in 1932: "Taxes are paid in the sweat of every man who labors because they are a burden on production and can be paid only by production. If excessive, they are reflected in idle factories, tax-sold farms, and, hence, in hordes of hungry trampling the streets and seeking jobs in vain. Our workers may never see a tax bill, but they pay in deductions from wages, in increased cost of what they buy, or (as now) in broad cessation of employment.

Few North Carolinians realize that they are paying more to the government through taxes than they are for food, clothing, shelter, and transportation combined. This can partly be explained by the fact that governments have been successful at hiding the true impact of taxation on citizens. The income tax is subtracted each week from paychecks in the form of withholding so that the wage earners are lulled into the belief that they only earn their net take home pay. The sales tax is hidden within the total cost of goods when paid for at the counter. Many people pay their property taxes automatically through their mortgage payments. Without exception, every category of government expenditure develops its own constituency that pushes for the continuation of or an increase in that spending. Consequently, public officials get far less direct pressure to hold down taxes than they do to increase spending.

One has only to look at the experience of California to see the destructive effects of excessive levels of taxation on a state economy. Investment capital, jobs, and opportunity fled California to lower-taxed neighboring states. The last few years have seen the enactment of enormous tax increases in North Carolina as we had trended toward the failed California approach. The huge tax increases of the last few years

August 10, 2005
have left North Carolina with the second highest tax burden in the southeast and have negatively impacted job creation in this state.

Legislators should never forget that every dollar spent by the state must first be taken from a taxpayer whose work earned the dollar. The state is in effect, telling the taxpayer that there are vital things the state needs to do which gives the state a greater moral right to the dollar than that of the person whose efforts created the dollar. When the state takes a dollar from a taxpayer, the state therefore owes a moral duty to the taxpayer to give back a dollar’s value in some vital government function such as education, public safety, roads, etc. This budget takes a dollar from taxpayers and gives them back only 60 to 70 cents in value.

A private business cannot do this and survive. Customers can simply go to a competitor for a better value. Most government functions do not have competition so the public must look to the people it elects to insure full value for their tax dollars. Legislators must remember we possess the power to destroy and enact meaningful reforms to minimize the use of this power such as an open budget process with full participation by all legislators, zero-based budgeting, and a cap on overall spending growth in any particular year. Until a full review is performed on every line of the state budget and every position funded by state government and every program is fully examined for continued effectiveness, the legislature has no business further increasing the tax burden on North Carolina’s citizens.

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Gracious and Merciful Lord:

"Like the Master Composer that You are, You have created the greatest symphony of all by speaking this world and all that is in it into existence. With all of the instruments of Your imagination, You have crafted an oratorio that placed the stars and the planets in their celestial spaces; and You have so ordered the world that its music plays across the music halls of our world according to Your divine direction. Yet, the rhythm and rhyme of our lives do not always seem to sing in harmony with Thee. Indeed, many of the tunes of our lives are like those of a prisoner...always behind a few bars and looking for the key. As this Honorable Body moves through its musical score toward its conclusion, may Your strokes as the Master Conductor bring us to that place where melody and harmony and the resolution of the final chords fall wonderfully, majestically yet mysteriously into place. Amen."

ONE HUNDRED SIXTEENTH DAY

HOUSE OF REPRESENTATIVES
Tuesday, August 16, 2005

August 16, 2005
The House meets at 3:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"Look with pity upon Thy servants, for in the midst of our spiritual ponderings, we quite often find ourselves lacking. A simple mirror is as far as most of us need to go to find out where much of our angst resides. Lord, remind us over and over again, the words of all the Psalmists as they share from their own lives the common story of human experiences regardless of sin and strife or victory and celebration. Allow our hearts and minds to see clearly in every case, that the melody of their life’s stories, dancing in harmony with those of our own, always find their way back to You, O Lord our Strength and our Redeemer. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of August 15 has been examined and found correct. Upon his motion, the Journal is approved as written.

"Merciful God:

"As Your Spirit swept over the chaos of the world and brought it into order, so sweep across the landscape of our lives and help to bring streams to the dry river beds, rain to the deserts, and warmth to the cold climates of our hearts. Instill within us a new vision for each day that is filled with wonder and with awe as well as a clearer understanding and appreciation for the blessings of our lives. ONE HUNDRED NINETEENTH DAY

HOUSE OF REPRESENTATIVES
Tuesday, August 23, 2005

The House meets at 12:00 Noon pursuant to adjournment and is called to order by the Speaker.

The following remarks and prayer are offered by the Reverend Jim Harry, House Chaplain:

Members of the House, as you probably well know, this is shaping up to be a long day and I want to thank you for allowing me the high honor of serving as Chaplain of the North Carolina House of Representatives. It is important to me for you to know that the challenge of offering daily prayers to such a wide and diverse group while trying to be both relative to the matters at hand, and as many of you like to rib me a little, keeping it short and sweet, is both a challenge I enjoy and strive to do with integrity.

"For me personally, this Session has put me in closer contact with many of you on a pastoral level due to life situations more than in previous Sessions. To have allowed me into your families and into those private and sacred spaces of your lives has been an honor and a gift of grace for which I am most grateful.

"As always, I am thankful to the Speaker for this appointment and his continued trust and confidence in me. I am grateful to the Sergeant-at-Arms for his friendship both on and off the dais and to all of his staff who work so well on your behalf and who also manage to keep me laughing most of the time. Finally, to the Principal Clerk and to her entire staff, my life is richer and fuller because of your incredible work ethic, your kind daily greetings, your sense of humor and your abiding friendship. Let us pray.

"Gracious God:

"Out of Your benevolent heart You have given these elected leaders the gifts necessary to do the work of the people. We offer You our thanks. Because You care for Your people, You have fashioned a system of representative government that strives to honor everyone. We offer You our thanks. Our time together here draws to a close. And, even in the midst August 23, 2005
of our necessary political differences, relationships have been renewed and new friendships have been made. For these precious gifts, we offer You our thanks. We confess to You that not all of our actions or motives have always been pleasing to You. For that, we ask for Your divine forgiveness. But, as for all that is right and good and decent and respectable within this Body, we offer You our deepest gratitude. As we prepare to go to our respective homes, grant us safe passage and keeping. Keep the people who have elected us to serve ever before us. God of heaven and earth, always keep us humble in heart and pure in spirit.

"And, now my friends, 'May the Lord bless you and keep you. May the Lord make his face to shine upon you and be gracious unto you. May the Lord lift up his countenance upon you, and give you peace.' Amen."

"Patient God:

"Since the beginning of time, You have provided us with everything necessary for full and productive living. Yet, in spite of the abundance of Your free gifts, we continually manage to find ourselves at the end of life's road. Help us not to be so quick to make You the scapegoat for our own abuse of Your gifts. Remind us that Your road map to life's highways are always quite clear; and it is we who choose to take unnecessary detours that get us lost or lead us to our respective dead ends. Eternal God, whose only desire it is to lavish love upon Your children, show us that Your grace is abundant and that Your mercy allows for u-turns. Then, lead us in paths of righteousness for Thy name's sake. Amen."

HOUSE OF REPRESENTATIVES
Wednesday, August 31, 2005

The House meets at 12:00 Noon pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Merciful God:

"The Psalmist writes, 'The world is yours, Lord. You made it. Your creativeness expresses your nature, and your steadfast love communicates your character. The earth and all who live on it are yours.' (Psalms 24) Aware that Your will includes salvation for Your larger world and persons beyond our immediate circles of friends and acquaintances, and affirming that You are active in history, we lift up and earnestly pray for the people who have been devastated by Hurricane Katrina. As a Body of State legislators, on behalf of the people of North Carolina, who ourselves have felt the destructive forces of hurricanes, we convey our deepest sympathy and concern for our friends on the Gulf coast. As fellow human beings, we extend our heartfelt empathy and pain for the loss of human life, the destruction of towns and communities, and the feelings of hopelessness that our friends are experiencing. Lord God, keep us from calling disaster Your justice. Most of all, help us, in good times and in distress, to trust in Your mercy and yield to Your power. Amen."

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

House Bill 706, "An act to amend the teacher certification law to facilitate the hiring of teachers."

This bill reduces the North Carolina teaching standards to the lowest in America. It cheats our children out of a quality education and dishonestly classifies unqualified teachers as "highly qualified."

October 12, 2005
Further, it restricts the authority of the State Board of Education to certify teachers and puts it within the General Assembly.

Therefore, I veto the bill.

S/ Michael F. Easley

The bill, having been vetoed, is returned to the Clerk of the North Carolina House of Representatives on this 29th day of September 2005 at 11:41 a.m. for reconsideration by that body.

The Speaker refers the bill to the Committee on Rules, Calendar, and Operations of the House.

Representative Culpepper is recognized and states that he has placed a resolution with the Clerk for consideration by the Body.

The Speaker directs the Principal Clerk to number the resolution and places H.J.R. 1801, A JOINT RESOLUTION ADJOURNING THE RECONVENED SESSION, before the Body for immediate consideration.

Without objection, the resolution passes its second reading and there being no objection is read a third time.

The resolution passes its third reading and is ordered sent to the Senate by Special Message.

SPECIAL MESSAGE TO THE SENATE

The Speaker orders that a Special Message be sent to the Senate informing that Honorable Body that the House of Representatives meeting in the Reconvened Session of the 2005 General Assembly has concluded the public business for which it was reconvened and stands ready to adjourn.

Representative Culpepper moves, seconded by Representative Harrell, that the House adjourn, subject to the ratification of bills and the receipt of Messages from the Senate, to reconvene Tuesday, May 9, 2006, at 12:00 Noon.

Without objection, the Speaker shall cause the Journal to stand approved.

RULE 5. **Order of Business of the Day.** - After the approval of the Journal of the preceding day, unless otherwise ordered by the Speaker, the House shall proceed to business in the following order:

II. Conduct of Debate

RULE 6. Duties and Powers of the Speaker. - The Speaker shall have general direction of the Hall. The Speaker may name any member to perform the duties of the chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House. If the Speaker is absent and has not designated a member to perform the duties of the chair, the Principal Clerk shall preside during such absence. In the case of a vacancy in the office of the Speaker of the House of Representatives, the Principal Clerk shall preside over the House until the House elects a Speaker.

RULE 7. Obtaining Floor. - (a) When any member desires recognition for any purpose, the member shall rise and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

(b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he or she may propound a question to the member occupying the floor; but he or she shall not otherwise interrupt the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.
A member who has obtained the floor may be interrupted only for the following reasons:

1. A request that the member speaking yield for a question,
2. A point of order,
3. A parliamentary inquiry, or
4. A question of privilege.

RULE 8. Questions of Privilege. - Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed three minutes. Questions of privilege shall be those affecting, first, the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence over all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

RULE 9. Points of Order. - (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A two-thirds vote of the members present shall be necessary to sustain any appeal from the ruling of the chair.

(b) When the Speaker calls a member to order, the member shall be seated, except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the chair and the decision by a two-thirds vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the House, requires it, the member shall be liable to censure by the House.

RULE 10. Limitations on Debate. - (a) No member shall speak on, debate, or solicit cosponsors for a bill or resolution at its first reading.

(b) No member shall speak more than twice on the main question nor longer than 20 minutes for the first speech and 10 minutes for the second speech; nor shall the member speak more than twice upon an amendment or motion to reconsider, re-refer, appeal, or postpone or any motion on concurrence, and then not longer than 10 minutes for the first speech and five minutes for the second speech.

(c) A member may speak only once and for not more than 20 minutes on the question of the adoption of a minority report.

(d) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) and (c) of this rule during any debate on any particular question before the House.
RULE 11. Reading of Papers. - When there is a call for the reading of the text of a paper which has been presented to the House and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. General Decorum. - (a) The Speaker shall preserve order and decorum.
(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.
(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of, or cross the House nor, when a member is speaking, engage in disruptive discourse or pass between the member and the chair.
(d) Food or beverages shall not be permitted on the floor of the House during the first two hours of the daily session.
(e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.
(f) Smoking shall not be permitted on the floor of the House or in the galleries at any time. The consumption of food or beverages shall not be permitted in the galleries at any time.
(g) Special recitals and performances by musicians or other groups shall not be permitted on the floor of the House; and special guests of members of the House shall not be permitted on the floor of the House.
(h) Members shall observe appropriate attire, coat and tie for male members and dignified dress for female members.
(i) The use of wireless telephones shall not be permitted in the House Chamber.
(j) Placards, stickers, or signs not approved by the Speaker are not permitted in the House Chamber.

RULE 13. Motions Generally. - (a) Every motion shall be reduced to writing if the Speaker or any two members request it. No motion relating to a bill shall be in order which does not identify the bill by its number and short title.
(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the chair and read aloud by the Speaker or Clerk before debate.
(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.
RULE 14. **Motions, Order of Precedence.** - When there are motions before the House, the order of precedence is as follows:

- To adjourn.
- To lay on the table.
- Previous question.
- To recess.
- To postpone indefinitely.
- To reconsider.
- To postpone to a day certain.
- To re-refer.
- To amend an amendment.
- To amend.
- To pass the bill.

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer, or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. **Motion to Adjourn.** - (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. **Motion to Table.** - (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table shall not be paired with a motion to reconsider.

(d) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(e) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(f) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.

RULE 17. **Motion to Postpone Indefinitely.** - A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question or to recess is before the House. However, after one motion to postpone indefinitely has been decided,
another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

RULE 18. Motion to Reconsider. - (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider and a motion to reconsider:

1. A vote upon a motion to table,
2. A motion to postpone indefinitely,
3. A motion to remove a bill from the unfavorable calendar,
4. A motion that a bill be read twice on the same day, or
5. A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended.

RULE 19. Previous Question. - (a) The previous question may be called only by:

1. The Chair of the Committee on Rules, Calendar, and Operations of the House;
2. The member submitting the report on the bill or other matter under consideration;
3. The member introducing the bill or other matter under consideration; or
4. The member in charge of the measure, who shall be designated by the chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: "Call for the previous question having been made, is the call sustained?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the question is on the passage of the bill, resolution, or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn or motion to table.

(d) If the previous question is decided in the negative, the question remains under debate.
IV. Voting

RULE 20. Use of Electronic Voting System. - (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

(1) The passage as required by Article II, Section 23 of the North Carolina Constitution on second and third readings of any bill:
   a. Raising money on the credit of the State,
   b. Pledging the faith of the State for the payment of a debt,
   c. Imposing a State tax, or
   d. Authorizing a county, municipality, or other local governmental unit to
      1. Raise money on its credit,
      2. Pledge its faith for the payment of a debt, or
      3. Impose a local tax.

(2) All measures affecting a fee imposed by the State or any subdivision thereof.

(3) All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the North Carolina Constitution has been sustained.

(4) Both second and third readings of bills proposing amendment of the North Carolina Constitution or ratifying resolutions amending the United States Constitution.

(5) The passage of a bill notwithstanding the Governor's veto thereof pursuant to Article II, Section 22 of the North Carolina Constitution.

(b) Votes on the following questions shall be taken on the electronic voting system:

(1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.

(2) Upon a call for division.

(3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth of the members present.

(c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically.
when that time has expired. Once the system is locked, the vote shall be recorded and printed.

(d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:

1. To adjourn.
2. To lay on the table.
3. Previous question.
4. To recess.
5. To postpone indefinitely.
6. To reconsider.
(7) To postpone to a day certain.
(8) To re-refer.
(9) To amend an amendment.
(10) To amend.
(11) To concur or not concur.
(12) Miscellaneous.

RULE 21. Voice Votes; Stating Questions. - (a) All other votes except those required to be taken on the electronic voting system shall be taken by voice vote.

(b) When a voice vote is taken, the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'Aye'", and after the affirmative voice has been expressed, "Those opposed will say 'No'".

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. - (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. - Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. Roll Call Vote. - (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. - (a) Any member shall, upon request, be excused from the deliberations and voting on a particular bill, but to do so must make that request after the second reading of the bill and before any motion or vote on the bill or any amendment thereto. If the reason for the request arises at some point later in the proceedings, the request may be made at that time.
(b) The member may make a brief oral statement of the reasons for making the request. The member may send forward to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

RULE 24.1B. Division of Amendments. - Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. - In all elections the Speaker may vote. In all other instances the Speaker may vote or may reserve this right until there is a tie in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. - (a) The Speaker shall appoint a chair, or cochairs, of every standing committee, permanent subcommittee, and select committee, if any. In the construction of these rules, the word "chair" as applied to a committee extends to and includes a cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) All permanent subcommittees of each standing committee shall be appointed by the Speaker, and the members appointed, along with the chair of the standing committee, shall constitute the standing committee of which the permanent subcommittee is a part. The Speaker shall appoint all members of permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(c) The Speaker shall appoint the members of all standing committees having no permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(d) Each chair of a permanent subcommittee shall be a vice-chair of the standing committee of which it is a permanent subcommittee. The Speaker may name other members as vice-chairs of the standing committee. The Speaker may name one or more vice-chairs for any standing committee not having permanent subcommittees.
(e) The chair of the standing committee shall be a voting member of each permanent subcommittee of the standing committee.

(f) Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee. For purposes of determining a quorum, the persons designated by the Speaker when serving only as ex officio members under subsection (h) of this rule, shall be counted among the membership of the committee or subcommittee only when present.

(g) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

(h) Four members designated by the Speaker at the time of appointments of chairs of standing committees are ex officio members of every standing committee and permanent subcommittee with the right to vote.

(i) This rule is subject to the provisions of House Resolution 1 of the 2005 Regular Session of the General Assembly, as applicable.

RULE 26.1. Mentions of Standing Committee Includes Select Committee. - Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

RULE 28. **Standing Committee and Permanent Subcommittee Meetings.** - (a) Standing committees and permanent subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule established by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.

(b) Subject to the provisions of subsection (c) of this rule, standing committees and permanent subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees or permanent subcommittees.

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee or permanent subcommittee, and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.

(d) Procedure in the standing committees and permanent subcommittees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth
of the members present, the question shall be decided by the ayes and noes
upon a roll call vote. All roll call votes shall be taken alphabetically and
shall be subject to Rule 21(c).

(e) No standing committee or permanent subcommittee shall
meet on any day when the House shall not convene except by permission of
the Speaker or by approval of the House by resolution adopted by a
majority vote of the House.

(f) No standing committee or permanent subcommittee shall
meet during any session of the House. Standing committees and permanent
subcommittees shall meet at their regularly scheduled hour. No permanent
subcommittee shall meet at the same time that its standing committee is
meeting. Standing committees and permanent subcommittees may meet at
other times as authorized by the Chair of the Standing Committee on Rules,
Calendar, and Operations of the House in order to assure the availability of
the meeting room and that no conflicts will exist with the meetings of other
bodies. All standing committee and permanent subcommittee meetings shall
adjourn no later than:

1. 15 minutes preceding a regular session of the House, and
2. 10 minutes preceding the hour of the next regularly
scheduled standing committee or permanent subcommittee
meeting.

(g) Any call or notice of a standing committee or permanent
subcommittee meeting between legislative sessions shall be mailed to each
member of the standing committee or permanent subcommittee at least five
days prior to such meeting. If a member of the body so requests in writing
to the chair of the standing committee or permanent subcommittee, the
member shall be notified by certified mail of the meetings.

(h) During standing committee and permanent subcommittee
meetings, the chair may exercise the right to vote, or may reserve this right
until there is a tie, in which event the chair may vote, but in no instance may
the chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations Into Violations
of the Open Meetings Law. - (a) On its own motion, or in response to
signed and sworn complaint of any individual filed with the Standing
Committee on Ethics, the Committee shall inquire into any alleged violation
by members of the House of the Open Meetings Law (Article 33C of
Chapter 143 of the General Statutes), as the same may be amended in the
future.

(b) If, after such preliminary investigation as it may make,
the Committee determines to proceed with an inquiry into the conduct of
any individual, the Committee shall notify the individual as to the fact of
the inquiry and the charges against the individual and shall schedule one or
more hearings on the matter. The individual shall have the right to present
evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

1. Dismiss the complaint and take no further action.
2. Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.
3. Issue a public letter of reprimand if the violation of the Open Meetings Law was intentional or if the legislator has previously received a private letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.
4. Refer the matter to the House for appropriate action.

RULE 29. Notice of Standing Committee and Permanent Subcommittee Meetings and Hearings. - Public notice of all standing committee and permanent subcommittee meetings shall be given in the House. The chair of the standing committee or permanent subcommittee shall notify or cause to be notified the sponsor of each bill which is set for hearing or consideration before the standing committee or permanent subcommittee as to the date, time, and place of that meeting.

RULE 29.1. Public Hearings. - (a) Requests for a public hearing shall be made in writing to the chair of the standing committee and, if applicable, the chair of the permanent subcommittee to which the bill has been referred. The chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. The chair of the permanent subcommittee may schedule a public hearing before the permanent subcommittee at its regularly scheduled hour. Denial of a request made by a House member may be appealed to the Speaker.

Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press and shall be posted in the places designated by the Principal Clerk.

(b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the chair of the standing committee or permanent subcommittee. The standing committee or permanent subcommittee chair may designate one or more members to arrange the order of appearance of interested parties. A brief written statement of testimony may be submitted without oral presentation and shall be incorporated into the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library. - The chair of a standing committee or a permanent subcommittee shall ensure that written
minutes are compiled for each of the body's meetings. The minutes shall indicate the members present and the actions taken at the meeting. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the chair.

RULE 30. Standing Committee of the Whole House. - (a) A Standing Committee of the Whole House shall not be formed, except by suspension of the rules, if there be objection by any member.

(b) After passage of a motion to form a Standing Committee of the Whole House, the Speaker shall appoint a chair to preside in the standing committee, and the Speaker shall leave the dais.

(c) The rules of procedure in the House shall be observed in the Standing Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.

(e) When a bill is submitted to the Standing Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Introduction of Bills and Resolutions. - (a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk's office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 30 minutes after adjournment each Monday; and by 3:00 P.M. each Tuesday, Wednesday, Thursday, and Friday.

(b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons, and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.
(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.

(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. Captions of public bills may be amended only by amendment proposed by the standing committee to which the bill was referred. Third reading shall not be had on any bill or resolution on the same day that such caption is amended.

(e) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows: "House Committee Substitute for______".

(f) House Resolutions need not be read more than twice.

(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House.

(h) Any reference in these rules to bills shall extend to resolutions unless the context requires otherwise.

RULE 31.1. **Deadlines on Introduction and Receipt; Single Subject Rule.** - (a) All public bills or resolutions recommended by commissions or standing committees authorized or directed by act or resolution of the General Assembly to report to the 2005 Regular Session of the General Assembly, or to report prior to convening of that session, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on March 9, 2005, and must be introduced not later than 3:00 P.M. on March 16, 2005; and

(a1) All bills prepared to be introduced for departments, agencies, or institutions of the State must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on March 9, 2005, and must be introduced not later than 3:00 P.M. on March 16, 2005. A bill introduced under this subsection shall be identified as an Agency Bill after its short title.

(a2) All local bills must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on March 22, 2005, and must be introduced not later than 3:00 P.M. on March 30, 2005.

(b) All public bills which would not be required to be re-referred to the Appropriations or Finance Committees under Rule 38 must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on April 13, 2005, and must be introduced not later than 3:00 P.M. on April 20, 2005.

(c) All public bills which under Rule 38 would be required to be re-referred to the Appropriations Committee, or to both the Appropriations and Finance Committees, or to the Finance Committee, must have been
submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on May 4, 2005, and must be introduced not later than 3:00 P.M. on May 11, 2005. If any bill is eligible for introduction on account of the date only under this subsection, and the bill is amended so that qualifying appropriation or tax law change does not remain in the bill, it shall not be eligible for further consideration. For the purpose of this section, a "tax law change" includes any provision that would require a bill under Rule 38(b) to be referred to the Standing Committee on Finance.

(d) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills which would be required to be re-referred to the Appropriations or Finance Committees under Rule 38 or adjournment resolutions must be received and read on the floor of the House as a message from the Senate no later than May 19, 2005; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

(d1) Except by motion approved by a majority of members of the House present and voting, no public House bill other than the Current Operations Appropriations Act or the Capital Improvement Appropriations Act may contain more than one subject.

(e) This rule, other than subsection (d1), does not apply to bills establishing districts for Congress or State or local entities. This rule, other than subsection (d1), does not apply to measures ratifying an amendment or amendments to the Constitution of the United States.

RULE 32. Reference to Standing Committee and to Permanent Subcommittee; Serial Referrals. - (a) Each bill not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee or permanent sub-committee as the Speaker deems appropriate. The Speaker at the same time may order that, if the bill is reported with any favorable recommendation or without prejudice, it be re-referred automatically upon the committee report to another committee or permanent subcommittee designated in the order. Each joint resolution or House resolution not introduced on the report of a standing committee shall immediately upon its first reading either be referred by the Speaker to a standing committee or permanent subcommittee or be calendared on the date designated by the Speaker, as the Speaker deems appropriate.

(b) The standing committee chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is
referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

1. Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;

2. Favorable, without prejudice, or unfavorable as to the original bill, as amended, with the recommendation that the report be made to the standing committee;

3. Favorable or without prejudice to the proposed committee substitute, and unfavorable to the original bill, with the recommendation that the report be made to the standing committee;

4. Favorable as to the original bill with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair;

5. Favorable to the original bill, as amended, with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair; or

6. Favorable to the proposed committee substitute with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair, and unfavorable to the original bill.

Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee, the bill shall be before that body for further action unless the permanent subcommittee chair reports the bill directly pursuant to Rule 36.

RULE 33. Papers Addressed to the House. - Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

RULE 34. Introduction of Resolutions and Bills, Copies Required. - (a) Whenever any resolution or bill is introduced, a duplicate copy thereof shall be attached thereto, and the Principal Clerk shall cause said duplicate copy to be numbered as the original resolution or bill is numbered and shall cause the same to be available at all times to the member introducing the same.
(b) Numbering of House Bills shall be designated as "H.B.____." (No. following). A Joint Resolution shall be designated as "H.J.R.____." (No. following). A House Resolution shall be designated as "H.R.____." (No. following).

(c) Whenever any resolution or bill is filed for introduction, it shall be in a House bill jacket containing 30 copies and in the form designated by the Speaker. Any resolution or bill not accompanied by the required number of copies shall be returned immediately to the introducer. The Clerk shall stamp the copies with the number stamped upon the original bill.

RULE 35. Duplicating and Availability of Copies of Bills. - (a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. The Legislative Services Officer shall cause one copy of each resolution and public bill for each member to be delivered to the member's committee assistant or legislative assistant who shall place it in the appropriate notebook on the member's desk. If a member so requests, a second copy shall be delivered to the member's committee assistant or legislative assistant who shall place it in the member's office. The remaining copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties. No public bill and, upon objection by a member, no local bill may be considered unless copies of the bill have been made available to the entire membership of the House.

RULE 35.1. Assessment Reports. - (a) Every bill or resolution proposing the establishment of an occupational or professional licensing board, as defined in Article 18A of Chapter 120 of the General Statutes, or a study for the need to establish such a board shall have attached to the jacket of the original bill or resolution at the time of its consideration on second and third readings by the House or by any standing committee or permanent subcommittee of the House an assessment report from the Legislative Committee on New Licensing Boards pursuant to Article 18A of Chapter 120 of the General Statutes. The assessment report shall not constitute any part of the expression of legislative intent proposed by the formation of a licensing board. Upon receipt of the request, the Legislative Committee on New Licensing Boards shall prepare and return the assessment report as soon as possible but not later than 60 days, reserving the right to extend this time to 90 days.

(b) Every legislative proposal introduced in the House or received in the House from the Senate, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the House or by any
committee of the House prior to a favorable report, a recommendation from the Joint Legislative Commission on Municipal Incorporations, established by Article 20 of Chapter 120 of the General Statutes. The recommendation of the Joint Legislative Commission on Municipal Incorporations shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.

RULE 36. Report by Standing Committee or Permanent Subcommittee. - (a) When Reports Required. - All House bills and resolutions shall be reported from the standing committee or permanent subcommittee to which referred with such recommendations as the standing committee or permanent subcommittee may desire to make except in the case where the principal introducer requests in writing to the chair of the standing committee or permanent subcommittee that the bill not be considered.

With the written approval of the chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(b)(4) through (6), the chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the chair of the standing committee fails to give approval, the bill shall be deemed to have been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(b) Favorable Report. - When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day and in the order designated by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but no later than the fourth legislative day after submission of the report or Senate message under Rule 43.2 or Rule 43.3(a), unless:

1. The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32; or
2. The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee.

In order to place a bill on the calendar for a legislative day, notice shall be given by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk. When a committee substitute is adopted and receives a favorable report by the committee or permanent subcommittee, the standing committee or permanent subcommittee chair shall submit to the standing committee or permanent subcommittee the question of an unfavorable report on the original bill. The standing committee's or permanent subcommittee's action,
if any, on the original bill shall be reported at the same time the committee substitute is reported.

(c) **Report Without Prejudice.** - When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar in the same manner as provided in subsection (a) of this rule.

(d) **Postponed Indefinitely.** - When a standing committee reports a bill with the recommendation that it be postponed indefinitely and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(e) **Unfavorable Report.** - When a standing committee reports a bill with the recommendation that it not be passed and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(f) **Minority Report.** - When a bill is reported by a standing committee with a recommendation that it not be passed or that it be postponed indefinitely but it is accompanied by a minority report signed by at least one-fourth of the members of the standing committee who were present and voting when the bill was considered in standing committee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

**RULE 36.1. Fiscal Notes.** - (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Standing Committee on Rules, Calendar, and Operations of the House, upon the floor of the House, may request that a fiscal analysis be made of a bill, resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, which request shall be allowed when, in the opinion of the Speaker, the fiscal effects of that measure are not apparent from the language of the measure.

(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.
(d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when filed or to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.

(f) Subsection (a) of this rule shall not apply to the Current Operations Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.

RULE 36.2. **Actuarial Notes.** - (a) Every bill or resolution proposing any change in the law relative to any:

1. State, municipal, or other retirement system funded in whole or in part out of public funds; or
2. Program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds;

shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or any permanent subcommittee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subdivision (a)(1) of this rule shall be referred to the Committee on Pensions and Retirement upon its introduction in accordance with G.S. 120-111.3.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached
to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any permanent subcommittee or standing committee reports a measure to which an actuarial note is attached at the time of permanent subcommittee or standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, the chair of the permanent subcommittee or standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

RULE 36.3. Local Legislation Affecting State Highway System. - A local bill affecting the State Highway System shall be referred to the Committee on Transportation.

RULE 37. Removing Bill From Unfavorable Calendar. - A bill may be removed from the unfavorable calendar upon motion carried by a two-thirds vote. A motion to remove a bill from the unfavorable calendar is debatable.

RULE 38. Reports on Appropriation and Revenue Bills. - (a) All standing committees, other than the Standing Committees on Appropriations, when favorably reporting any bill or resolution which:

(1) Carries an appropriation from the State; or
(2) Requires or will require in the future substantial additional State monies from the General Fund or Highway Fund to implement its provisions shall indicate same in the report, and said bill or resolution shall be referred to the Standing Committees on Appropriations for a further report before being acted upon by the House.

(b) All standing committees, other than the Standing Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue, reduces revenue, levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of bonds or notes, whether public, public-local, or private, shall indicate same in the report, and said bill shall be referred to the Standing Committee on Finance for a further report before being acted upon by the House. This subsection shall not apply to bills only imposing fines, forfeitures, or penalties.

(c) Action on Amendment Before Re-Referral. - If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House, must be referred to the Standing Committees on Appropriations or the Standing Committee on Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.

RULE 39. Recall of Bill From Standing Committee. - (a) When a House bill has been introduced and referred to a standing committee, or when a Senate bill has been referred to a standing committee, if after 10 legislative days the standing committee has failed to act thereon, then the introducer of the House bill or some member designated by the introducer, or some House member designated by the introducer of the Senate bill, may, after three legislative days' public notice given in the House and delivered in writing to the chair of the standing committee, on motion supported by a vote of three-fifths of the members of the House, recall the same from the standing committee to the floor of the House for consideration and such action thereon as a majority of the members present may direct.

(b) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the chair of the standing committee, and to sustain that motion two-thirds of the members of the House shall be required.

RULE 39.1. Recall of Bill From Permanent Subcommittee. - When a House bill has been referred to a permanent subcommittee, if after 10 legislative days the subcommittee has failed to act thereon, or at any time, with the agreement of the subcommittee chair, the standing committee chair may re-refer the bill from that permanent subcommittee to another permanent subcommittee of the same standing committee provided the report of the re-referral shall be made pursuant to Rule 32.
RULE 39.2. **Re-Referral of Bills From One Standing Committee to Another Standing Committee.** - Upon consent of the sponsor of the bill, the Speaker, the chair of the standing committee from whom the bill is to be re-referred, and the chair of the standing committee to whom the bill is to be re-referred, the chair of the standing committee from whom the bill is to be re-referred or the Chair of the Standing Committee on Rules, Calendar, and Operations of the House may move for a re-referral to another standing committee, and the bill shall be re-referred upon vote of the majority present during a regular session of the House.

RULE 40. **Calendars and Schedules of Business.** - The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up as they appear in each category (Rule 5(10)) in the order they were placed on the Calendar under Rule 36(b).

RULE 41. **Reading of Bills.** - (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.

(b) No bill shall be read more than once on the same day without the concurrence of two-thirds of the members present and voting; provided, no bill governed by Article II, Section 23 of the North Carolina Constitution or described in Rule 20(a)(2) herein shall be read twice on one day under any circumstance.

RULE 42. **Effect of a Defeated Bill.** - (a) Subject to the provisions of subsection (b) of this rule, after a bill has:

1. Been tabled,
2. Been postponed indefinitely,
3. Failed to pass on any of its readings, or
4. Been placed on the unfavorable calendar,
the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the Chair, that measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds vote of the members present and voting.

(b) No local bill shall be held by the Chair to embody the contents of or the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.
RULE 43. Amendments. - No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c).

If the Senate adopts an amendment or committee substitute to a House bill, the House may refuse to receive the bill on account of lack of germaneness if the Senate has a similar rule.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

RULE 43.1. Engrossment. - Bills and resolutions, except those making appropriations, which originate in the House and which are amended, shall be engrossed before being sent to the Senate.

RULE 43.2. House Concurrence in Senate Amendments to House Bills. - When the House receives a Senate amendment to a bill originating in the House, it shall be placed on the calendar in accordance with Rule 36(b).

RULE 43.3. Committee Substitutes Adopted by the Senate to Bills Originating in the House; Procedure for Treatment of Material Amendments Thereto. - (a) Whenever the Senate has adopted a committee substitute for a bill originating in the House and has returned the bill to the House for concurrence in that committee substitute, it shall be placed on the calendar in accordance with Rule 36(b).

(b) The Speaker shall rule whether the committee substitute is a material amendment under Article II, Section 23 of the North Carolina Constitution which reads:

"Revenue bills. - No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."
If the committee substitute was referred to standing committee, the standing committee shall:

(1) Report the bill with the recommendation either that the House do concur or that the House do not concur; and

(2) Advise the Speaker as to whether or not that committee substitute is a material amendment under Article II, Section 23 of the North Carolina Constitution.

(c) If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.

(d) If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the House shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

(e) No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

RULE 44. Conference Standing Committees. - (a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in the House, or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker upon the Speaker's own motion and shall be appointed upon request by the principal sponsor of the original bill, the chair of the House standing committee which reported the bill, or the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees, the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.

(b) Only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. The conference report may be made by a majority of the House members of such conference committee and shall not be amended.

(c) If the conferees fail to agree or if either house fails to adopt the report of its conferees, new conferees may be appointed.

(d) Unless otherwise ordered by the Speaker, no vote shall be taken on adoption of a conference report until the next legislative day following the report.

RULE 44.1. Transmittal of Bills to Senate. - Unless ordered by the Speaker or two-thirds vote of the members present and voting, no bill
shall be sent from the House on the day of its passage, except on the last

inconsistent with these rules, as the Speaker may assign. Unless directed
otherwise by the Speaker on behalf of the House, the Principal Clerk or an
employee designated by the Principal Clerk shall receive House bills not
approved by the Governor.

RULE 46. Assistants to Principal Clerk and Sergeant-at-
Arms. - The Principal Clerk and the Sergeant-at-Arms may appoint, with
the approval of the Speaker, such assistants as may be necessary to the
efficient discharge of the duties of their respective offices.

RULE 47. Speaker's Staff; Chaplain; and Pages. (a) The

SECTION 2. This resolution is effective upon adoption.

H.R. 341, A HOUSE RESOLUTION URGING THE COMMITTEE ON THE IMPLEMENTATION OF TEXTILE AGREEMENTS TO APPROVE THE SAFEGUARD PETITIONS FILED BY THE UNITED STATES GOVERNMENT AND THE UNITED STATES TEXTILE INDUSTRY.

Whereas, the World Trade Organization agreement placing quotas on imported textile and apparel products expired on January 1, 2005; and

Whereas, since the expiration of those quotas there has been a surge of textile and apparel imports into the United States, in particular imports from China; and

Whereas, independent studies and polling from the United States importing and retailing community show that China could capture from fifty to ninety percent total United States market share in textiles and apparel in short order unless the United States government imposes safeguards; and

Whereas, the preliminary monitoring data on textile and apparel imports compiled by U.S. Department of Commerce shows huge increases in the quantity of imports from China for the first quarter of 2005 in many product categories including an increase of 1,521\% in the quantity of cotton trousers, a 1,257\% increase in the quantity of cotton shirts, and a 308\% increase in the quantity of underwear; and

Whereas, this increase in imports of textiles and apparel has disrupted the United States textile market; and

Whereas, since January 1, 2005, there have been an additional 14 plant closings in the United States, three of which were in North Carolina; and

Whereas, the United States government, as of April 6, 2005, has self-initiated a number of safeguard actions against Chinese imports; and

Whereas, the American textile industry has filed an additional seven petitions for safeguard protections; and

Whereas, the People's Republic of China is a signatory to the rules set by the World Trade Organization governing fair trade between sovereign nations and that that set of rules allows for the implementation of textile-specific safeguards against imports from China on the basis of market disruption or threat thereof; and

Whereas, exporters of textile products from the People's Republic of China have benefited from practices specifically prohibited by the World
Trade Organization, including government subsidies, intellectual property piracy, tax rebates, and currency manipulation; and

Whereas, these illegal and unfair practices have enabled Chinese producers to undercut world manufacturers with artificially low prices; and

Whereas, the American textile and apparel industry is the most innovative, efficient, and productive in the world, well able to compete within the sphere of legitimate, lawful global trade; and

Whereas, the American textile and apparel industry is crucial to the defense of the nation, providing over 8,000 separate items to the Armed Forces of the United States, the ability to do so being immediately threatened by predatory Chinese trade practices; and

Whereas, over 100,000 workers in North Carolina are employed in the textile and apparel industry and depend on fair trade policies and practices for their continued employment; and

Whereas, since the phase out of quotas began in 1995, North Carolina has experienced at least 290 plant closings or major layoffs in the textile and apparel industry resulting in approximately 60,000 persons losing their jobs; and

Whereas, the government of the People's Republic of China, in joining the World Trade Organization, explicitly agreed to desist from illegal trade strategies and to accept safeguard provisions in the event the disruption, or the threat of disruption to, of the American textile and apparel market could be shown; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives commends the United States government for initiating safeguard actions to protect the nation's textile industry.

SECTION 2. The House of Representatives strongly urges and requests the Committee on the Implementation of Textile Agreements to enact the safeguard provisions on textile and apparel categories on the basis of market disruption as petitioned by the American textile industry and as petitioned by the United States government.

SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to the Committee on the Implementation of Textile Agreements and to North Carolina's congressional delegation.

SECTION 3. This resolution is effective upon adoption.

H.R. 1366, A HOUSE RESOLUTION URGING CONGRESS TO ENACT LEGISLATION TO PROVIDE THAT FUNDS RECEIVED AS UNIVERSAL SERVICE CONTRIBUTIONS AND THE UNIVERSAL
SERVICE SUPPORTS PROGRAMS ARE NOT SUBJECT TO CERTAIN ACCOUNTING RULES.

Whereas, since its creation in 1996, the E-Rate has had overwhelming success in connecting our nation's schools and classrooms to the Internet; and

Whereas, the program continues to be a vital source of assistance in maintaining connectivity and enhancing learning; and

Whereas, prior to the program's inception, only 3% of the nation's classrooms were connected to the Internet, but today, 93% of classrooms are connected; and

Whereas, the Universal Service Administration Corporation (USAC), the entity that administers the E-Rate, estimates that 82% of public schools and 61% of public libraries receive E-Rate funds; and

Whereas, despite the program's remarkable success, schools and libraries still have considerable technology gaps and a continuing need for E-Rate assistance. Each year, applications for E-Rate funds far exceed the amount available for disbursement; and

Whereas, for the 2004 funding year alone, the Federal Communications Commission received more than 39,000 applications totaling $4.3 billion in requests to help pay for telecommunications services and Internet services, which was $2 billion more than available funding; and

Whereas, the E-Rate program has provided schools with $10.3 billion since its creation and annually provides $2.25 billion, making it the fourth largest source of non-State/nonlocal federal funding to schools; and

Whereas, North Carolina has received over $231 million in E-Rate funds as of October 2004; and

Whereas, in 2004, the Federal Communications Commission began subjecting the E-Rate program to accounting rules that effectively stopped the flow of funds to schools and libraries; and

Whereas, at the end of 2004, Congress passed a one-year exemption from these rules for the E-Rate program; and

Whereas, a bill (S. 241) has been introduced in the United States Senate to create a permanent exemption for the E-Rate program; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatitives urges Congress to enact Senate Bill 241 to ensure that students and schools have the technology and connectivity necessary to succeed academically and to prepare tomorrow's workers.
SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to each member of North Carolina's congressional delegation.

SECTION 3. This resolution is effective upon adoption.

Whereas, John Deere developed the first successful steel plow, which had a tremendous impact on the growth of agriculture in the United States; and
Whereas, John Deere founded the company that bore his name in 1837, which later became Deere & Company in 1868; and
Whereas, Deere & Company is currently the world's leading manufacturer of agriculture and forestry equipment, a major manufacturer of construction equipment, and a leading supplier of equipment used in lawn, grounds, and turf care; and
Whereas, Deere & Company employs more than 46,000 employees worldwide and does business in more than 160 countries; and
Whereas, Deere & Company has made an impact in the State of North Carolina with more than 2,000 North Carolinians employed in four business operations across the State; and
Whereas, Cary is the location of the John Deere Commercial and Consumer Equipment Division's Worldwide Headquarters, which administers the manufacturing, marketing, and sale of commercial mowing products, homeowner lawn tractors, utility vehicles, utility tractors, and other machinery, and distributes these products to 60 countries; and
Whereas, in Kernersville, Deere & Company and Hitachi jointly manufacture hydraulic excavators, which are widely used in the construction industry; and
Whereas, in Fuquay-Varina, John Deere Turf Care produces a multitude of commercial and consumer grounds care products, which are mainly used for golf course maintenance; and
Whereas, Charlotte is the site of the Deere & Company's SouthEast Engineering Center, which focuses on engineering, technological development, testing, and supply management for agriculture, commercial, and consumer equipment; and
Whereas, there are 99 John Deere dealerships across the State that greatly contribute to the State's economy as employers, purchasers of goods and services, and as taxpaying businesses; and
Whereas, Deere & Company spends more than $168 million annually through 630 North Carolina suppliers; and
Whereas, Deere & Company supports numerous charitable organizations throughout the State, enhancing the quality of life for North Carolina's citizens; and
Whereas, Deere & Company has upheld the values of quality, integrity, innovation, and commitment first shown by the company's founder, John Deere, for 168 years; Now, therefore,
Be it resolved by the House of Representatives:
SECTION 1. The House of Representatives honors the memory of John Deere, an innovator in agriculture and business, and commends the company he founded, Deere & Company, for its many contributions to the State of North Carolina.
SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to the Director of Public Affairs of the John Deere Commercial and Consumer Equipment Division's Worldwide Headquarters.
SECTION 3. This resolution is effective upon adoption.

H.R. 1614, A HOUSE RESOLUTION ENDORSING THE RECOMMENDATIONS OF THE INTERGOVERNMENTAL POLICY ADVISORY COMMITTEE'S REPORT ON THE US-CENTRAL AMERICA FREE TRADE AGREEMENT.
Whereas, the Intergovernmental Policy Advisory Committee (IGPAC) recommended in its report on the US-Central America Free Trade Agreement (CAFTA) in March 2004 that the Trade Promotion Coordinating Committee (TPCC), the Trade Policy Review Group (TPRG), and the Trade Policy Staff Committee (TPSC) be expanded or reconfigured to include state and local government representation; and
Whereas, issues for the attention and action on the part of a newly expanded trade promotion and trade policy consultative process should include:
(1) Establishing and fully funding a formal, regularly scheduled mechanism for US federal-state trade policy consultations in light of the increasing state role in trade policy formulation, negotiation, and dispute resolution.
(2) Increasing awareness by state officials of the recent and ongoing efforts on the part of the United States Trade Representative (USTR) and other TPCC federal agencies to proactively discuss trade issues with national associations of state officials exercising regulatory functions.
(3) Establishing a clear priority for federal support of high technology manufactured goods and services exports.
(4) Assessing the comparative costs and benefits to the federal budget and US economy, particularly in terms of employment creation/retention and trade value, of the allocation of resources and trade protections to agricultural commodities, technology research and development, industrial goods, manufactured products, and services sectors.

(5) Collecting and disseminating better national, state, regional, and zip-code-level data on merchandise and services exports and imports, and on international investment flows, deploying mapping technologies and other tools to better inform analysis and planning.

(6) Encouraging TPCC federal agencies to: (i) deepen the state/federal trade development partnership; (ii) prioritize support by overseas posts for state-led trade initiatives in global markets; (iii) increase cooperation in domestic trade development program delivery; and (iv) integrate further Eximbank trade finance and delegated authority activities with those of states and the private sector, improving small firms' awareness of and access to trade financing.

(7) Substantially transforming, expanding, and fully funding the Trade Adjustment Assistance program.

(8) Emulating our nation's effective responses to natural disasters, in order to mobilize resources for economic disasters, TPCC and related entities should collaborate on the creation of an Economic Federal Emergency Management Agency.

Whereas, IGPAC also suggests that the USTR: (i) intensify the focus of its consultative process on reaching out to State Points of Contact, advisory committees, and other interested parties for their input as trade policy is being formulated and as trade agreement negotiations are being initiated; and (ii) utilize the existing corporate, government, and academic relationships of the US states abroad as a bridge to foster cooperation and understanding in preparation for future trade policy, trade capacity building, program development, and trade agreement initiatives and meetings; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to the members of the North Carolina congressional
delegation, the United States Trade Representative, and the Chair of the Intergovernmental Policy Advisory Committee.

SECTION 3. This resolution is effective upon adoption.

H.R. 1783, A HOUSE RESOLUTION HONORING THE CONTRIBUTIONS OF THE HMONG-LAO VETERANS OF THE LAOTIAN ARMY IN DEFENDING FREEDOM AND DEMOCRACY ON THE THIRTIETH ANNIVERSARY OF THEIR DEPARTURE FROM THEIR COUNTRY.

Whereas, the Hmong-Lao are noted for their warrior tradition, loyalty, and bravery; and

Whereas, beginning in 1960, the United States recruited thousands of the Hmong-Lao to fight against the Communist Pathet Lao and North Vietnamese Army regulars in Laos; and

Whereas, the United States relied heavily on the Hmong-Lao Special Guerrilla Units to engage in direct combat with North Vietnamese troops from 1960 to 1975; and

Whereas, the Hmong-Lao conducted tactical guerrilla actions, flew thousands of deadly combat missions in support of the Armed Forces and the Central Intelligence Agency, and fought in conventional and guerrilla combat clashes with extreme casualties; and

Whereas, the Hmong-Lao, although outnumbered, fought against enemy forces to disrupt the flow of troops and war supplies along the Ho Chi Minh Trail; and
Whereas, the Hmong-Lao protected United States personnel, guarded United States Air Force radar installations, gathered critical intelligence about enemy operations, and undertook rescue missions to save the lives of downed United States pilots; and

Whereas, the Hmong-Lao fought against the Communist North Vietnamese who used Laos's territories to invade South Vietnam and the American troops; and

Whereas, more than 35,000 of the Hmong-Lao soldiers, 46,000 high-ranking Lao officers, government officials, and police lost their lives defending the democratic way of life, and many more were seriously injured, disabled, or died in the reeducation camp (prison); and

Whereas, thousands of Hmong-Lao suffered grievous injuries and permanent disabilities, and thousands more were captured and sent to Communist concentration camps; and

Whereas, after the conclusion of the war, many Hmong-Lao soldiers were the victims of acts of retribution and atrocities by the Pathet Lao, causing many of the Hmong-Lao to flee to neighboring Thailand and become refugees; and

Whereas, the Hmong-Lao are deserving of recognition and acknowledgement for their bravery, sacrifice, and loyalty to the United States exhibited by their people in Southeast Asia; and

Whereas, Colonel Khoua Vang represented the Hmong-Lao Special Guerrilla Units, serving as a leader of his people for almost two decades until Long Cheng fell on May 13, 1975, forcing him and other Hmong-Lao to flee to Nam Phong Dang, Thailand, where the United States transported a number of high ranking officials and their families by transport planes to remain until Ban Vinai Camp was established by the United Nations, and they were later able to come to the United States; and

Whereas, North Carolina has become the home for a large number of people of Hmong and Lao heritages, including Colonel Vang's son, Koob D. Vajh, and his family, as well as his former comrade in arms, Colonel Geu Vang, and his family; and

Whereas, the 107th United States Congress passed a resolution recognizing the contribution of the Hmong-Lao in defending freedom and democracy and supporting the goals of Hmong-Lao Recognition Day; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives honors the memory of Colonel Khoua Vang, a former colonel in the Laotian Army.

SECTION 2. The House of Representatives encourages the people of North Carolina to recognize the contributions of the Hmong-Lao soldiers in the Vietnam War in defending freedom and democracy.
SECTION 3. The Principal Clerk shall transmit a certified copy of this resolution to Colonel Khouna Vang's son, Koob D. Vajh.

SECTION 4. This resolution is effective upon adoption.

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives shall convene on May 25, 2005, at 11:00 A.M. at the 1767 Courthouse at Edenton.

SECTION 2. This resolution is effective upon adoption.

Whereas, the General Assembly convened in the Town of Edenton, which at the time was recognized as the capital of North Carolina, from 1722 to 1737, 1740 to 1741, and in 1743; and

Whereas, during the November 1766 Session of the General Assembly, a bill introduced by Joseph Hewes, an Edenton merchant and assemblyman, who would later become a signer of the Declaration of Independence, was passed to build a new courthouse in Edenton; and

Whereas, it is known that the Chowan County Courthouse was built in 1767, but early records give few details about the structure's builders, financing, or architect, although many believe the likely architect was John Hawks, who was also the architect for Tryon Palace in New Bern; and

Whereas, the Georgian style courthouse included a second floor assembly room, which was the largest fully paneled room in colonial America; and

Whereas, the courthouse, which was also used for county government functions, became the center of the community's social life and was the site where 12 lanterns were placed to celebrate the State's approval of the federal constitution in 1789; and

Whereas, during the late 1700s, some of Edenton's prominent citizens included: Hugh Williamson, a physician, who signed the federal constitution in 1787; Samuel Johnston, a member of the colonial assembly, who later served as Governor of North Carolina from 1787 to 1789 and as the State's first elected United States Senator from 1789 to 1793; and James Iredell, Sr., a State supreme court judge, who was later appointed to the first United States Supreme Court by President George Washington in 1790; and...
Whereas, in 1819, during an official visit to the State, President James Monroe and his Secretary of War, John C. Calhoun, were entertained in the courthouse's assembly room; and

Whereas, the courthouse has remained a significant part of the legal, political, and social life in the Edenton community for many decades and was named a National Historic Landmark in 1970; and

Whereas, the first floor of the courthouse was used continuously until 1996 when the courthouse was temporarily closed for renovations; and

Whereas, in 2001, archaeologists digging under the courthouse uncovered the foundation of the 1722 Council Chamber, the State's first capitol building used during the colonial era; and

Whereas, on October 8, 2004, the courthouse was reopened and rededicated to public use after undergoing an extensive restoration that was made possible by generous financial contributions, a grant from the Save America's Treasures program; and the collaborative efforts of Chowan County, the Town of Edenton, the Edenton Historical Commission, the citizens of Edenton, and the State of North Carolina; and

Whereas, on the occasion of its reopening, the North Carolina State Supreme Court held a session in the courthouse, the first time in 144 years the Supreme Court had met outside of Raleigh; and

Whereas, among other uses, the renovated courthouse will be used for nonjury court sessions as well as a meeting place for civic groups and nonprofit organizations; and

Whereas, the 1767 Chowan County Courthouse is the State's oldest government building and the nation's best preserved colonial courthouse; and

Whereas, although routinely called "the finest Georgian courthouse in the South," the 1767 courthouse is - as it always has been - a building far from routine; and

Whereas, the 1767 Chowan County Courthouse is the oldest courthouse still in continuous use in North America; and

Whereas, on May 25, 2005, the North Carolina House of Representatives will convene in the 1767 Chowan County Courthouse for a legislative session, returning to Edenton for the first time in 262 years; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The North Carolina House of Representatives honors the memory of Edenton's historical leaders for their service to the State of North Carolina and to the nation.

SECTION 2. The North Carolina House of Representatives recognizes the importance of the 1767 Chowan County Courthouse and expresses its gratitude to those who contributed to the preservation of one of the State's most important historic treasures.
SECTION 3. The Principal Clerk shall transmit a certified copy of this resolution to the Chowan County Board of Commissioners.

SECTION 4. This resolution is effective upon adoption.

H.R. 1787, A HOUSE RESOLUTION URGING THE PRESIDENT OF THE UNITED STATES TO CONTINUE IN EFFECT THE CURRENT SAFEGUARDS LIMITING THE INCREASE IN IMPORTS OF CHINESE TEXTILES AND URGING THE CONGRESS TO EXPAND THE TRADE ADJUSTMENT ASSISTANCE PROGRAM AND RAISE THE FUNDING CAP.

Whereas, international trade agreements have contributed to the loss of more than 65,000 jobs in the North Carolina textile and apparel industry since 2001; and

Whereas, imports of textile goods from China have increased dramatically since January 1, 2005, when the quotas restricting import levels for textile and apparel products expired pursuant to agreements negotiated through the World Trade Organization (WTO); and

Whereas, China's ability to flood the global market with cheap textile and apparel products is facilitated by its unfair subsidization of its textile and apparel manufacturers and its currency manipulation, in violation of WTO agreements; and

Whereas, North Carolina's political leaders have repeatedly called on the President and his administration to limit the unfair and illegal growth in Chinese imports; and

Whereas, the recent and dramatic increase in imports has disrupted the United States textile industry to the degree that the current administration has imposed safeguards as allowed under the WTO rules, to limit the growth in Chinese imports in certain categories to 7.5 percent a year; and

Whereas, these safeguards can provide North Carolina with vital time to diversify the State's economy and retool its textile industry, thereby reducing the State's vulnerability to global pressures and increasing the State's competitiveness worldwide; and

Whereas, the rise in Chinese imports since January 1, 2005, has been accompanied by an increase in the number of textile and apparel jobs lost in North Carolina, with more than 3,300 North Carolina announced job losses due to business closings and permanent layoffs in the first four months of this year; and

Whereas, the federal government has recognized its responsibility to assist workers who lose their jobs as a result of the globalization of trade with the transition to new, gainful employment through the creation of the U.S. Department of Labor's Trade Adjustment Assistance (TAA) program; and
Whereas, workers whose jobs are lost to China and other countries with which the United States may not have a preferential trade agreement are not currently eligible for the TAA program, and the resources provided by the TAA program are insufficient to meet its intended goals; Now, therefore,
Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives urges the President of the United States and his administration to continue the imposition of China safeguards limiting the growth in imports of targeted textile and apparel products.

SECTION 2. The House of Representatives urges Congress to provide desperately needed assistance to North Carolina’s dislocated textile and apparel workers through reforming the TAA program by:

1. Expanding eligibility to include workers whose jobs are lost to China and other countries with which the United States may not have a preferential trade agreement;
2. Raising the national funding cap on the TAA program in order to ensure that there are adequate dollars available to serve all workers who are eligible for services;
3. Increasing the Health Coverage Tax Credit to cover eighty percent (80%) of dislocated workers’ health care premiums, so that more workers can afford to take advantage of the TAA program;
4. Providing automatic eligibility for the TAA program for textile and apparel workers; and
5. Allowing the State to use a portion of the TAA program funding for administrative purposes.

SECTION 3. The Principal Clerk shall transmit a certified copy of this resolution to the President of the United States, the Committee on the Implementation of Textile Agreements, and the members of the North Carolina congressional delegation.

SECTION 4. This resolution is effective upon adoption.

Whereas, G.S. 116-6(a) directs the House of Representatives to elect eight members of the Board of Governors of The University of North Carolina this year; and
Whereas, G.S. 116-7 directs the chamber that originally elected a vacating member to elect a person to fill the vacancy; and
Whereas, the House of Representatives may determine its own procedure; Now, therefore,
Be it resolved by the House of Representatives:

SECTION 1. The following persons are elected to the Board of Governors of The University of North Carolina for terms commencing July 1, 2005, and ending June 30, 2009:

(1) Bradley Adcock of Wake County.

(4) Charles Mercer, Jr. of Wake County.
(5) Craig Souza of Wake County.
(6) Fred Mills of Cleveland/Mecklenburg Counties.
(7) Irvin Roseman of New Hanover County.
(8) David W. Young of Buncombe County.

SECTION 2. The following person is elected to the Board of Governors of The University of North Carolina for a term commencing July 1, 2005, and ending June 30, 2007:

(1) Charles Hayes of Wake County.

SECTION 3. This resolution is effective upon adoption.

H.R. 1790, A HOUSE RESOLUTION CONDEMNING THE RECENT CROSS BURNINGS IN THE CITY OF DURHAM.

Whereas, during the evening of May 25, 2005, large crosses were found burning at three locations in the City of Durham; and
Whereas, the burning crosses were discovered near St. Luke's Episcopal Church on Hillandale Road, at South Roxboro Street and Martin Luther King Jr. Parkway, and at Dillard and Holloway Streets; and
Whereas, historically in this country, a burning cross has been used as a symbol of intimidation and racism; and
Whereas, the citizens of Durham quickly responded to the cross burnings by holding vigils and rallies to show their support for diversity and unity in their community; and
Whereas, the North Carolina House of Representatives joins the citizens of Durham in their efforts to fight against intolerance and hatred in favor of a more just and equitable society; Now, therefore,
Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives condemns the cross burnings that occurred in the City of Durham on May 25, 2005, and encourages local, State, and federal law enforcement agencies to actively pursue all leads in finding those responsible for these incidents.
SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to the Mayor of the City of Durham.

SECTION 3. This resolution is effective upon adoption.

H.R. 1791, A HOUSE RESOLUTION HONORING THE MEMORY OF PERSONS WITH DISABILITIES AND RECOGNIZING THE ALAMANCE COUNTY MAYORS' COMMITTEE FOR PERSONS WITH DISABILITIES ON THE FIFTEENTH ANNIVERSARY OF THE AMERICANS WITH DISABILITIES ACT.

Whereas, the Americans with Disabilities Act (ADA) was passed by the Congress of the United States of America on July 26, 1990; and

Whereas, hundreds of thousands of people in North Carolina and throughout America suffer from various kinds of disabilities; and

Whereas, in the past 15 years the Alamance County Mayors' Committee for Persons with Disabilities along with other statewide programs have done much to improve the lives of persons with disabilities and to heighten both the public's and medical community's awareness of disabilities in the State of North Carolina; and

Whereas, the ADA has opened all kinds of doors, literally and figuratively, for persons with disabilities; and

Whereas, ADA has mainstreamed children of all ages into normal schools instead of isolating and segregating them as in the past into special schools; and

Whereas, private and federal funds have gone into research for treatment and cures of many disabilities; and

Whereas, new equipment has been developed which makes life easier for people with disabilities; and

Whereas, the Alamance County Mayors' Committee for Persons with Disabilities has worked with many of the police departments in Alamance County to inaugurate handicapped ticketing programs and encourages all counties in the State to be vigilant in enforcing handicapped parking during the week of the 15th anniversary of ADA, which is Monday, July 25th to Sunday, July 31st; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The North Carolina House of Representatives honors the memory of the State's deceased disabled citizens for their contributions to Alamance County, North Carolina, and the nation.

SECTION 2. The North Carolina House of Representatives expresses appreciation to the Alamance County Mayors' Committee for Persons with Disabilities for its support of persons with disabilities on the fifteenth anniversary of the passage of the Americans with Disabilities Act.
SECTION 3. The Principal Clerk shall transmit a certified copy of this resolution to the Alamance County Mayors' Committee for Persons with Disabilities.

SECTION 4. This resolution is effective upon adoption.

H.R. 1792, A HOUSE RESOLUTION URGING CONGRESS TO ENACT LEGISLATION PERTAINING TO SMALL BUSINESS HEALTH PLANS.

Whereas, for years, the main concern for small business owners has been to provide affordable health insurance for their employees; and

Whereas, of the 27 million working people who are uninsured, 63% of them are either self-employed or work for a small business that employs less than 100 people; and

Whereas, lack of competition and soaring administrative costs contribute to the inability of small businesses to provide health insurance for their employees; and

Whereas, uniform federal regulation of small business health plans would benefit small business owners, making health insurance more affordable and providing small business owners with greater health insurance options; and

Whereas, pending legislation before the United States Congress, the Small Business Health Fairness Act of 2005 (H.R. 525/S. 406), would provide for the establishment and governance of association health plans (also known as small business health plans), which are group health plans whose sponsors are trade, industry, professional, chamber of commerce, or similar business associations and which meet certain Employee Retirement Income Security Act (ERISA) certification requirements; and

Whereas, the legislation would allow health insurance issuers to offer coverage of the same policy type offered in connection with a particular association health plan to eligible employers, regardless of whether the employers are members of the particular association and regardless of State law; and

Whereas, small business plans would level the playing field and give participating small employers the same buying power as Fortune 500 companies and unions; and

Whereas, the Small Business Health Fairness Act of 2005 has bipartisan support; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The North Carolina House of Representatives urges Congress to enact the Small Business Health Fairness Act of 2005 or similar legislation.
SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to each member of North Carolina's congressional delegation.

SECTION 3. This resolution is effective upon adoption.

Whereas, Senators Lott, Stevens, Lautenberg, Inouye, Hutchison, and Burns have introduced Senate Bill 1516, the Passenger Rail Investment and Improvement Act of 2005, in the Congress of the United States; and

Whereas, the United States Senate Committee on Science, Commerce, and Transportation has marked up the bill and endorsed its favorable consideration; and

Whereas, the legislation would reauthorize and reform Amtrak, provide for enhanced accountability, reduce operating subsidies by forty percent, make infrastructure investments which will improve both freight and passenger services, create a new capital program totaling $1.4 billion over six years for states to improve and start new conventional and high-speed intercity passenger rail services, facilitate competitive service provisions, set standards for on-time performance, and provide remedies for chronic service delays; and

Whereas, the North Carolina House Interim Committee on Expanding Rail Service has reported to the North Carolina General Assembly that expansion of rail services can help promote economic development and mobility for our citizens; and

Whereas, Amtrak's national passenger rail system serves 16 cities and towns in North Carolina with six daily trains, two in partnership with North Carolina, providing safe, efficient, and affordable intercity mobility for hundreds of thousands of North Carolinians annually; and

Whereas, North Carolina and its cities and towns have partnered, for over a decade, with Amtrak to provide its citizens with higher levels of service, and continues to do so; and

Whereas, the North Carolina General Assembly, acting in concert with the Virginia General Assembly and pursuant to 49 U.S.C. § 24101, has authorized creation of the Virginia-North Carolina Interstate High Speed Rail Compact to develop high-speed rail transportation in Virginia and North Carolina, advocate for development of a federal funding partner, and provide State funds to support this development; and

Whereas, 15 chambers of commerce in six states, including those serving Raleigh, Greensboro, Winston-Salem, and Charlotte, have
created the Southeastern Economic Alliance to promote development of high-speed rail across the Southeastern United States; and

Whereas, the North Carolina Department of Transportation has analyzed and recommended extension of passenger service to connect Western North Carolina via Salisbury to Asheville and Southeastern North Carolina via Raleigh, Fayetteville, and Goldsboro to Wilmington; and

Whereas, 27 cities, 30 towns and villages, 17 counties, 18 transportation planning organizations and councils of government, 17 chambers of commerce, and 10 other State and local organizations have endorsed a resolution supporting creation of a comprehensive passenger rail system to serve the State of North Carolina; and

Whereas, the North Carolina Secretary's Rail Advisory Committee, acting through the Secretary of the North Carolina Department of Transportation, has asked the United States Secretary of Transportation to provide for stability in our nation's intercity passenger rail program and provide for a program of federal, State, and private investment in our freight and passenger railroad system; and

Whereas, North Carolina requires a predictable program of federal funding to help implement these improvements to the freight and passenger network; and

Whereas, North Carolina has heretofore invested State funds in excess of those required to match a program of federal funds; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives of the North Carolina General Assembly hereby endorses the Passenger Rail Investment and Improvement Act of 2005 (Senate Bill 1516) and memorializes and encourages the Congress of the United States to enact the legislation.

SECTION 2. The House of Representatives of the North Carolina General Assembly encourages the North Carolina delegation to the United States Congress to cosponsor this legislation and work industriously for its enactment.

SECTION 3. This resolution is effective upon adoption.

H.R. 1798, A HOUSE RESOLUTION HONORING THE LIFE AND MEMORY OF TODD ALAN BLANCHARD, FALLEN FIREFIGHTER FOR THE EASTERN WAKE FIRE-RESCUE DEPARTMENT.

Whereas, Todd Alan Blanchard was born on April 26, 1974, in Greenfield, Massachusetts, to Allan Westley Blanchard and Marie Canon Blanchard; and

Whereas, Todd Alan Blanchard graduated from Turners Falls High School in Turners Falls, Massachusetts, and spent a number of years as a firefighter before moving to North Carolina; and
Whereas, Todd Alan Blanchard served as a firefighter for the Eastern Wake Fire-Rescue Department for two years; and
Whereas, Todd Alan Blanchard was killed in the line of duty on July 14, 2005; and
Whereas, Todd Alan Blanchard was admired and respected by the members of his profession and will be sorely missed by all who knew him; and
Whereas, Todd Alan Blanchard is survived by his parents; two daughters, Jessika Li Blanchard and Ryan Marie Blanchard; three brothers, Michael Blanchard, Allan Blanchard, Jr., and Norman Blanchard; one sister, Charlene B. Couture; and his fiancée, Allison Miller; Now, therefore, Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives honors the memory of Todd Alan Blanchard and expresses its appreciation for his service in protecting the lives and property of the citizens of Eastern Wake County.

SECTION 2. The House of Representatives extends its deepest sympathy to the family of Todd Alan Blanchard for the loss of a beloved family member.

SECTION 3. The Principal Clerk shall transmit a certified copy of this resolution to the family of Todd Alan Blanchard and the Eastern Wake Fire-Rescue Department.

SECTION 4. This resolution is effective upon adoption.

H.R. 1800, A HOUSE RESOLUTION ELECTING RAICHELLE GLOVER TO THE STATE BOARD OF COMMUNITY COLLEGES.
Be it resolved by the House of Representatives:

SECTION 1. Raichelle Glover is elected to the State Board of Community Colleges for a term of six years beginning July 1, 2005.

SECTION 2. This resolution is effective upon adoption.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-166 reads as rewritten:

"§ 20-166. Duty to stop in event of accident or collision; furnishing information or assistance to injured person, etc.; persons assisting exempt from civil liability.

(a) The driver of any vehicle who knows or reasonably should know:

(1) That the vehicle which he or she is operating is involved in an accident or collision; and

(2) That the accident or collision has resulted in injury or death to any person;

shall immediately stop his or her vehicle at the scene of the accident or collision. He shall remain with the vehicle at the scene of the accident until a law-enforcement officer completes his investigation of the accident or collision or authorizes him to leave. He may leave the vehicle to be removed, unless remaining at the scene places the driver or others at significant risk of injury.

Prior to the completion of the investigation of the accident by a law enforcement officer, or the consent of the officer to leave, the driver may not facilitate, allow, or agree to the removal of the vehicle from the scene for any purpose other than to call for a law enforcement officer, to call for medical assistance or medical treatment as set forth in subsection (b) of this section, or to remove oneself or others from significant risk of injury. Provided, however, that he may leave to call for a law enforcement officer or for medical assistance or medical treatment as set forth in (b), but if the driver does leave for a reason permitted by this subsection, then the driver must return with the vehicle to the accident scene within a reasonable period of time, unless otherwise instructed by a law enforcement officer. A willful violation of this subsection shall be punished as a Class H felony.

(b) In addition to complying with the requirement of (a) of this section, the driver as set forth in subsection (a) shall give his or her name, address, driver's license number and the license plate number of his or her vehicle to the person struck or the driver or occupants of any vehicle collided with, provided that such person or persons are physically and mentally capable of receiving such information, and shall render to any person injured in such accident or collision reasonable assistance, including the calling for medical assistance if it is apparent that such assistance is necessary or is requested by the injured person. A violation of this subsection is a Class I misdemeanor.

(c) The driver of any vehicle, when he or she knows or reasonably should know that the vehicle which he or she is operating is involved in an accident or collision, which accident or collision, results:

(1) Only in damage to property; or
(2) In injury or death to any person, but only if the operator of the vehicle did not know and did not have reason to know of the death or injury; shall immediately stop the vehicle at the scene of the accident or collision. If the accident is a reportable accident, the driver shall remain with the vehicle at the scene of the accident until a law enforcement officer completes the investigation of the accident or authorizes the driver to leave and the vehicle to be removed, unless remaining at the scene places the driver or others at significant risk of injury.

Prior to the completion of the investigation of the accident by a law enforcement officer, or the consent of the officer to leave, the driver may not facilitate, allow, or agree to the removal of the vehicle from the scene, for any purpose other than to call for a law enforcement officer, to call for medical assistance or medical treatment, or to remove oneself or others from significant risk of injury. If the driver does leave for a reason permitted by this subsection, then the driver must return with the vehicle to the accident scene within a reasonable period of time, unless otherwise instructed by a law enforcement officer. A willful violation of this subsection is a Class 1 misdemeanor.

(c1) In addition to complying with the requirement of subsection (c) of this section, the driver as set forth in subsection (c) shall give his or her name, address, driver's license number and the license plate number of his vehicle to the driver or occupants of any other vehicle involved in the accident or collision or to any person whose property is damaged in the accident or collision. If the damaged property is a guardrail, utility pole, or other fixed object owned by the Department of Transportation, a public utility, or other public service corporation to which report cannot readily be made at the scene, it shall be sufficient if the responsible driver shall furnish the information required to the nearest peace officer or make written report thereof containing said information by U.S. certified mail, return receipt requested, to the North Carolina Division of Motor Vehicles within five days following said collision. A violation of this subsection is a Class 1 misdemeanor.

(c2) Notwithstanding subsections (a) and (c) of this section, if an accident or collision occurs on a main lane, ramp, shoulder, median, or adjacent area of a highway, each vehicle shall be moved as soon as possible out of the travel lane and onto the shoulder or to a designated accident
investigation site to complete the requirements of this section and minimize interference with traffic if all of the following apply:

(1) The accident or collision has not resulted in injury or death to any person or the drivers did not know or have reason to know of any injury or death.

(2) Each vehicle can be normally and safely driven. For purposes of this subsection, a vehicle can be normally and safely driven if it does not require towing and can be operated under its own power and in its usual manner, without additional damage or hazard to the vehicle, other traffic, or the roadway.

(d) Any person who renders first aid or emergency assistance at the scene of a motor vehicle accident on any street or highway to any person injured as a result of the accident, shall not be liable in civil damages for any acts or omissions relating to such services rendered, unless such acts or omissions amount to wanton conduct or intentional wrongdoing.

(e) The Division of Motor Vehicles shall revoke the drivers license of a person convicted of violating subsection (a) of this section for a period of one year, unless the court makes a finding that a longer period of revocation is appropriate under the circumstances of the case. If the court makes this finding, the Division of Motor Vehicles shall revoke that person's drivers license for two years. Upon a first conviction only for a violation of subsection (a) of this section, a trial judge may allow limited driving privileges in the manner set forth in G.S. 20-179.3(b)(2) during any period of time during which the drivers license is revoked."

Prior to the completion of the investigation of the accident by a law enforcement officer, or the consent of the officer to leave, the passenger may not facilitate, allow, or agree to the removal of the vehicle from the scene, for any purpose other than to call for a law enforcement officer, to call for medical assistance or medical treatment as set forth in subsection (b) of this section, or to remove oneself or others from a significant risk of injury. If the passenger does leave the scene of an accident by driving a vehicle involved in the accident for a reason permitted by this subsection, the passenger must return with the vehicle to the accident scene within a

CONFERENCE COMMITTEE SUBSTITUTE FOR
SENATE BILL 82

S82-CCSRU-3, AN ACT TO PROVIDE PROCEDURES FOR RESOLVING ELECTION CONTESTS FOR MEMBERS OF THE GENERAL ASSEMBLY AND COUNCIL OF STATE.

Whereas, Article II, Section 20 of the Constitution provides that each house shall be the judge of the qualifications and elections of its members; and

Whereas, the current statutory procedures for handling contested legislative elections were enacted in 1796, amended slightly in 1893, and are antiquated; and

Whereas, it is necessary to revise the antiquated legislative election contest procedure and enact an executive election contest procedure as required by the Constitution; Now, therefore,

CONFERENCE COMMITTEE SUBSTITUTE FOR
S629-CCSLB-1,
AN ACT TO PROVIDE FOR THE REDEVELOPMENT OF CERTAIN MANUFACTURING DISTRICTS.

The General Assembly of North Carolina enacts:

SECTION 1. Manufacturing redevelopment districts: legislative findings.

(a) The General Assembly of North Carolina makes the following findings regarding the need for manufacturing redevelopment districts:

(1) Economic development in the State will be served by providing an opportunity to restart production in
manufacturing facilities designed for targeted industries such as photographic materials, digital inkjet products, digital photographic applications, and other photographic printing technology, thereby providing employment opportunities for the residents of North Carolina.

(2) When an existing facility can be modified to meet the needs of the new industry and thereby preserve and create jobs, it is in the public interest to provide a mechanism for these modifications to occur.

(3) Economically distressed counties continue to lose manufacturing jobs, and the General Assembly must act to create new jobs for citizens residing in those counties.

(4) The health and safety of the citizens of North Carolina will be served through the assessment and remediation of known and unknown environmental conditions at manufacturing facilities.

(5) The public interest will be served by State acquisition of title to real property located within significant State property holdings after manufacturing operations have permanently ceased, remediation has been completed, and the buildings associated with the manufacturing operation have been removed.

(6) The public interest of the State will be served by encouraging owners of idle manufacturing facilities to transfer ownership in property in order to make it possible for new operators to restart production at these facilities.

(b) For purposes of this act, a new operator is an entity that proposes to restart operations at a manufacturing facility located within a manufacturing redevelopment district created under this act.

A manufacturing redevelopment district shall be established to provide manufacturing, research and development, and related service and support jobs to citizens of the State while ensuring the remediation of known and unknown environmental conditions at manufacturing facilities.

SECTION 3. Manufacturing redevelopment districts: establishment; criteria.

(a) A manufacturing redevelopment district may be established on any parcel or tract of land or on any combination of contiguous parcels or tracts of land as provided in this section. To establish a manufacturing redevelopment district, the new operator of the manufacturing facilities located within the boundaries of the district shall certify to the Secretary of State that the district meets all of the criteria set out in this section. The certification shall describe the boundaries of the district by metes and bounds and shall set out the specific financial
mechanism that guarantees completion of the assessment and remediation program as required under subdivision (b)(8) of this section. This certification shall constitute prima facie evidence that these criteria have been met. The district shall be considered to be established as a manufacturing redevelopment district on the date the certification is filed. Once established, a manufacturing redevelopment district shall continue to exist until title to the real property comprising the district is transferred to the State as provided in Section 7 of this act.

(b) A manufacturing redevelopment district may be established only if all of the following criteria are met at the time the district is to be established:

(1) The real property is located in a county that is economically distressed. For purposes of this subdivision, a county shall be considered economically distressed if, as of the date of the most recent annual assessment by county officials, all of the following apply:
   a. The average weekly wage in the county is less than five hundred twenty-five dollars ($525.00) per person.
   b. The percentage of unemployed workers is greater than six percent (6%).
   c. The percentage of citizens who are at or below the federal poverty level, as determined by the most recent federal decennial census, is greater than nine percent (9%).

(2) All of the real property comprising the district is a privately owned in-holding of 50 acres or more within a State forest of 10,000 acres or more.

(3) The district contains a manufacturing facility that has been out of production for two years or more.

(4) Failure to restart the manufacturing facility would result in a permanently lost opportunity to create 50 or more jobs.

(5) The manufacturing facility has a total square footage of 500 square feet or more.

(6) The new operator of the manufacturing facility guarantees investment of at least five million dollars ($5,000,000) in the manufacturing facility within 12 months following the creation of the manufacturing redevelopment district and guarantees employment of at least 50 persons.

(7) The new operator of the facility has done all of the following:
   a. Accepted responsibility for all requirements of this act.
b. Accepted responsibility for assessment and remediation of known and unknown environmental conditions on the property that comprises the manufacturing redevelopment district in accordance with this act and other applicable environmental laws, regulations, and rules.

c. Agreed to assume all other liabilities as provided in Section 5 of this act.

d. Agreed to remove all buildings in the manufacturing redevelopment district when the new operator permanently ceases manufacturing operations.

e. Agreed to comply with other requirements of Section 7 of this act.

(8) The new operator provides financial assurance, acceptable to the Department of Environment and Natural Resources, for the fulfillment of the requirements set out in Section 3(b)(7)b of this act. Such financial assurance shall include a prefunded escrow account or other financing mechanism, in an amount not less than five million dollars ($5,000,000), that runs in favor of the State in the event of a default. The establishment of the prefunded account shall not relieve the new operator of its obligation to comply with applicable laws in assessing and remediating the manufacturing facility. The Department of Environment and Natural Resources shall: (i) review the financial assurance contemplated by this act in light of reasonably available financial assurance and guaranteed remediation products and in light of known and reasonably anticipated unknown environmental conditions at the manufacturing redevelopment district, and (ii) complete its review of the financial assurance within 30 days of receipt by the Department of a request for such review by the new operator accompanied by a description of the financial assurance. The requirement that the financial assurance is acceptable to the Department shall be waived if the Department does not complete its review within such 30 day period.

(9) The owner of the real property has entered into an agreement to transfer the real property to be used as the manufacturing redevelopment district to a local government entity. This local government entity has, in turn, entered into an agreement to transfer the real property comprising the district to the new operator under
a condition that when manufacturing operations permanently cease, the new operator will comply with the requirements of Section 7 of this act.

SECTION 4. Manufacturing redevelopment districts: qualified immunity for third-party claims; enforcement of environmental requirements.

(a) No person who owned or had an interest in any real property within a manufacturing redevelopment district at any time prior to the establishment of the district shall be liable to any private or third party for civil claims arising out of the presence of oil, a hazardous substance, or a hazardous waste on the real property if the cause of action arose after transfer of the property to the new operator under this act, regardless of when the oil, hazardous substance, or hazardous waste was brought to or discovered at the site. The qualified immunity provided by this section shall attach at the time that the new operator submits its certification to the Secretary of State pursuant to Section 3(a) of this act or at the time that the real property comprising the manufacturing redevelopment district is transferred to the new operator, whichever occurs later. The qualified immunity provided by this section is with respect to any theory of legal liability, including, but not limited to, any claim of negligence, nuisance, or trespass, or arising under other common law principles, or arising under any State statute or rule, including, but not limited to, Article 9 of Chapter 130A of the General Statutes, Articles 21 and 21A of Chapter 143 of the General Statutes, and rules adopted pursuant to those Articles. The qualified immunity provided by this section shall continue in effect after the termination of the manufacturing redevelopment district.

(b) Nothing in this act shall be construed to prevent the State from enforcing remediation standards, monitoring, or compliance requirements specifically required by the United States Environmental Protection Agency to be enforced by the State as a condition to receiving and retaining federal funds or program approval, authorization, or delegation.

SECTION 5. Manufacturing redevelopment districts: assignment of liability.

In addition to any liability under any provision of law, the new operator of the manufacturing redevelopment district or its successor in interest shall be liable for all claims for which any prior owner has been granted qualified immunity by Section 4 of this act. This assignment of liability shall continue in effect after the termination of the manufacturing redevelopment district. The new operator or its successor in interest shall have all rights, claims, and defenses that are or would have been available to any prior owner with respect to claims for which the prior owner has been granted qualified immunity.
SECTION 6. Manufacturing redevelopment districts: transfer of property to a subsequent manufacturer.

The new operator or its successor in interest shall not transfer the property comprising the manufacturing redevelopment district to any person, including without limitation any corporate affiliate of the new operator, until such person has met all of the requirements applicable to a new operator under subdivisions 7 through 9 of Section 3(b) of this act.

SECTION 7. Manufacturing redevelopment districts: donation and transfer of the district; transfer to the State.

(a) The local government entity to which the real property comprising the manufacturing redevelopment district is transferred pursuant to Section 3(b)(9) of this act shall accept title to the real property and shall immediately transfer such title to the new operator. The consideration for the transfer by the local government entity of title to the new operator shall be the creation of jobs and economic opportunities that will result from restarting manufacturing operations on the real property.

(b) When the new operator or its successor in interest permanently ceases manufacturing operations at the facility within the manufacturing redevelopment district, it shall expeditiously do all of the following:

(1) Demolish and remove all buildings in the manufacturing redevelopment district.

(2) Perform any additional assessment and remediation required by the Department of Environment and Natural Resources in accordance with applicable environmental laws.

(3) Tender transfer of title to all of the land constituting the manufacturing redevelopment district to the State of North Carolina upon completion of any such assessment and remediation.

(c) The State Property Office shall accept donation of the property for allocation to the contiguous State forest upon demonstration that all buildings have been removed and remediation completed to the satisfaction of the Secretary of the Department of Environment and Natural Resources in light of the requirements of this section.

(d) When the State Property Office accepts donation of the property as provided in subsection (c) of this section, the manufacturing redevelopment district shall terminate.

SECTION 8. Effective date. This act is effective when it becomes law.

2. Ease with which pseudoephedrine is extracted from the substance and whether it forms an emulsion, salt, or other form.
3. Whether the product contains a molecular lock that renders it incapable of conversion into methamphetamine.
4. Presence of other ingredients that render the product less likely to be used in the manufacture of methamphetamine.
5. Any pertinent data that can be used to determine the risks of the substance being used in the illegal manufacture of methamphetamine or any other controlled substance.

(c) After considering the required factors, the Commission shall make findings with respect thereto and shall issue an order adding or deleting the specific product from requirements of this Article.

(d) The Commission may adopt temporary and permanent rules in accordance with this section.

Funds realized from the sale, lease, rental, or other grant of rights to real or personal property acquired or produced from endowment investment income.

Federal aid project reimbursements to the extent that endowment investment income originally funded the project for which the reimbursement is made.

Transfers to the Endowment Fund.

Any endowment investment income or marine resources license revenue that is credited to the Endowment Fund for the purpose of increasing the principal of the Endowment Fund.

The State Treasurer shall hold the Endowment Fund separate and apart from all other moneys, funds, and accounts. The State Treasurer shall invest the assets of the Endowment Fund in accordance with the provisions of G.S. 147-69.2 and G.S. 147-69.3. The State Treasurer shall disburse the endowment investment income only upon the written direction of both the Marine Fisheries Commission and the Wildlife Resources Commission.

Subject to the limitations set out in subsection (d) of this section, the Marine Fisheries Commission and the Wildlife Resources Commission may authorize the disbursement of endowment investment income only to manage, protect, restore, develop, cultivate, conserve, and enhance the marine resources of the State. The Marine Fisheries Commission and the Wildlife Resources Commission may not authorize the disbursement of endowment investment income to establish positions without specific authorization from the General Assembly. All proposals to the Marine Fisheries Commission and the Wildlife Resources Commission for the disbursement of funds from the Endowment Fund shall be made by and through the Fisheries Director.

The Endowment Fund is declared to constitute a special trust derived from a contractual relationship between the State and the members of the public whose investments contribute to the Endowment Fund. In recognition of this special trust, all of the following limitations are placed on disbursement of funds held in the Endowment Fund:

Any restrictions specified by the donors on the uses of income derived from gifts, grants, and voluntary contributions shall be respected but shall not be binding.

No disbursements of the endowment investment income derived from the endowment license revenues generated by the sale of Infant Lifetime CRFLs under G.S. 113-
174.2(c)(6)e., Youth Lifetime CRFLs under G.S. 113-
174.2(c)(6)f., Infant Lifetime Unified Sportsman/Coastal
Recreational Fishing Licenses under G.S. 113-351(c)(3)a.,
or Youth Lifetime Unified Sportsman/Coastal Recre-

be made for any purpose until the respective licensees
attain the age of 16 years. The State Treasurer shall
periodically make an actuarial determination as to the
amount of endowment investment income within the
Endowment Fund that remains encumbered by the
restriction of this subdivision and the amount that is free
of the restriction. The Executive Director of the Wildlife

with the information necessary to make this determination.

§ 113-175.6. Report.

Wildlife Resources Commission shall jointly submit to the Joint Legislative
Commission on Seafood and Aquaculture by October 1 of each year a
report on the Marine Resources Fund and the Endowment Fund that shall

purpose and amount of all disbursements from each fund during the prior
fiscal year."

SECTION 2.8. The first report required pursuant to G.S. 113-175.7,
as enacted by Section 2.7 of this act, is due by October 1, 2006.

SECTION 2.9. G.S. 113-174.2(d), as enacted by Section 1.4 of
this act, provides that the holders of certain lifetime licenses purchased prior
to January 1, 2006, are exempt from the license requirement for engaging in
recreational fishing in coastal fishing waters. The General Assembly finds
that, because the holders of these lifetime licenses will be authorized to take
marine resources from the coastal fishing waters of the State, it is
appropriate that a portion of the revenues derived from the sale of these
lifetime licenses should be transferred to the Marine Resources Endowment
Fund so that the endowment investment income generated by the
transferred license revenues will be used to manage, protect, restore,
develop, cultivate, conserve, and enhance the marine resources of the State.
The General Assembly specifically finds that this transfer of funds is
consistent with the overall spirit, intent, and purpose underlying the creation
of the Wildlife Endowment Fund and the Marine Resources Endowment Fund. Therefore, in accordance with G.S. 143-250.1(d)(3), the State Treasurer shall transfer the sum of three million four hundred thousand dollars ($3,400,000) from the Wildlife Endowment Fund to the Marine Resources Endowment Fund. This transfer shall be made in five equal installments of six hundred eighty thousand dollars ($680,000) on the first day of March in 2006, 2007, 2008, 2009, and 2010.

**SECTION 2.10.(a)** The Wildlife Resources Commission may disburse up to one million dollars ($1,000,000) from the Wildlife Resources Fund to implement this act.

**SECTION 2.10.(b)** The State Treasurer shall transfer a sum equal to the sum of funds disbursed pursuant to subsection (a) of this section from the Marine Resources Fund to the Wildlife Resources Fund on July 1, 2010.

**PART III. WILDLIFE RESOURCES COMMISSION LICENSE AGENTS**

**SECTION 3.1.(a)** The Wildlife Resources Commission shall adopt rules to provide for the following:

**SECTION 3.1.(b)** The Wildlife Resources Commission shall adopt rules to authorize the Executive Director to take the following actions related to license agents:

3. Require prompt and accurate reporting and remittance of public funds or documents by license agents.

Wildlife Resources Commission or when State funds or property are reasonably believed to be in jeopardy.

(6) Require the immediate surrender of all equipment, forms, licenses, permits, records, and State funds and property, issued by or belonging to the Wildlife Resources Commission, in the event of the termination of a license agent.

SECTION 3.2. G.S. 113-270.1 reads as rewritten:

"§ 113-270.1. License agents.  
(a) The Wildlife Resources Commission may by rule provide for the annual appointment of persons as license agents to sell licenses and permits which it that the Commission is authorized to issue by this Subchapter or by any other provisions of law. To facilitate the convenience of the public, the efficiency of administration, the need to keep statistics and records affecting the conservation of wildlife resources, boating, water safety, and other matters within the jurisdiction of the Wildlife Resources Commission, and the need to issue licenses and permits containing special restrictions, the Wildlife Resources Commission may issue licenses and permits in any particular category through:

(1) License agents.
(2) The Wildlife Resources Commission's headquarters.
(3) Employees of the Wildlife Resources Commission.
(4) Two or more such sources simultaneously.

(a1) When there are substantial reasons for differing treatment, the Wildlife Resources Commission may issue a type of license or permit by one method in one locality and by another method in another locality.

(b) License agents may deduct from the amount collected for each license or permit a fee of six percent (6%).

(b1) When licenses or permits are to be issued by license agents as provided by subsection (a) of this section, the Wildlife Resources Commission may adopt rules to provide for any of the following:

(4) Types and amounts of evidence that a license agent must submit to relieve the agent of responsibility for losses due to occurrences beyond the control of the agent.
(5) Any other reasonable requirement or condition that the Wildlife Resources Commission deems necessary to expedite and control the issuance of licenses and permits by license agents."
(b2) The Wildlife Resources Commission may adopt rules to authorize the Executive Director to take any of the following actions related to license agents:

1. Select and appoint license agents in areas most convenient for the sale of licenses and permits.
2. Limit the number of license agents in an area if necessary for efficiency of operation.
3. Require prompt and accurate reporting and remittance of public funds or documents by license agents.
4. Conduct periodic and special audits of accounts.
5. Suspend or terminate the authorization of any license agent found to be noncompliant with rules adopted by the Wildlife Resources Commission or when State funds or property are reasonably believed to be in jeopardy.
6. Require the immediate surrender of all equipment, forms, licenses, permits, records, and State funds and property, issued by or belonging to the Wildlife Resources Commission, in the event of the termination of a license agent.

(b3) The Wildlife Resources Commission is exempt from the contested case provisions of Chapter 150B of the General Statutes with respect to determinations of whether to authorize or terminate the authority of a person to sell licenses and permits as a license agent of the Wildlife Resources Commission.

(b4) If any check or bank account draft of any license agent for the issuance of licenses or permits shall be returned by the banking facility upon which the same is drawn for lack of funds, the license agent shall be liable to the Commission for a penalty of five percent (5%) of the amount of the check or bank account draft, but in no event shall the penalty be less than five dollars ($5.00) or more than two hundred dollars ($200.00). License agents shall be assessed a penalty of twenty-five percent (25%) of their issuing fee on all remittances to the Commission after the fifteenth day of the month immediately following the month of sale.

(c) The Wildlife Resources Commission may provide qualifications and standards concerning license agents and delegate to the Executive Director the task of appointment and supervision. Annual appointments run from May 1 to April 30 each year. The Wildlife Resources Commission may require license agents to post bonds, keep records and make reports concerning licenses and receipts, be subject to such audits and inspections as may be necessary, and pay a penalty of five percent (5%) on any worthless checks given the Wildlife Resources Commission. The minimum penalty for a worthless check, however, is five dollars ($5.00), and the maximum penalty is two hundred dollars ($200.00). The Wildlife Resources Commission shall require license agents to pay penalties of twenty-five percent (25%) of the agents' fees on any license fees remitted to
the Commission after the fifteenth day of the month immediately following
the month of sale.

(d) The Wildlife Resources Commission may make rules in imple-
menting the authority granted in subsection (c), but it need not set out in its
rules details as to forms of license, records and accounting procedures, and
other reasonable requirements that may be administratively promulgated by
employees of the Wildlife Resources Commission in implementation of the
purposes of this Article in order for such administrative requirements to be
deemed validly required. It is a Class 1 misdemeanor for a license agent
to do any of the following:

1. To Withhold or misappropriate funds from the sale of licenses or permits.
2. To falsify records of licenses sold or permits sold.
3. Wilfully and knowingly to assist or allow a person to obtain a license or permit for which he is ineligible.
4. Wilfully to issue a backdated license or permit.
5. Wilfully on records or licenses to include false information or omit material information as to:
   a. A person's entitlement to a particular license, or
   b. The applicability or term of a particular license, or
6. To refuse to return all consigned licenses, or to remit the net value of consigned licenses sold or unaccounted for, upon demand from an authorized employee of the Wildlife Resources Commission. Charge or accept any additional fee, remuneration, or other item of value in association with any activity set out in subdivisions (1) through (5) of this subsection.

(e) The Executive Director may temporarily suspend, revoke, or refuse to renew a person's appointment as a license agent if he fails in a timely manner to submit required reports, remit moneys due the Wildlife Resources Commission, or otherwise comply with the qualifications and standards set by the Wildlife Resources Commission or with reasonable administrative directives of the Executive Director. The temporary suspension is effective immediately upon communication of that fact to the license agent or his representative handling the licenses. The communication as to suspension must state the grounds for suspension and that the license agent may request a hearing within five working days if he contests the grounds for suspension. If not in writing, the communication must be followed by written notice of suspension containing the same
information. By personal service of an impoundment order upon a license agent or his representative handling the licenses, an employee or agent of the Wildlife Resources Commission may enter the premises and impound all licenses, moneys, record books, reports, license forms, and other documents, ledgers, and materials pertinent or apparently pertinent to the license agency being suspended. The Executive Director must make the impounded property, or copies of it, available to the licensee during the period of temporary suspension.

(f) If a hearing is requested, it is before the Executive Director or his designee to be held at Raleigh or some other place convenient to the parties specified by the Executive Director. The temporary suspension remains in effect until the hearing, and after the hearing may be rescinded or continued in effect, as the facts warrant, in the discretion of the Executive Director. A temporary suspension may not last longer than 30 days, but additional suspensions may be imposed if at the end of the suspension period the license agent is still not in compliance with appropriate standards, qualifications, and administrative directives. A license agent may at any time after a hearing appeal his suspension to the Wildlife Resources Commission.

(g) Notice of revocation or nonrenewal of the appointment may be sent the license agent in lieu of or in addition to temporary suspension. The notice must state the grounds for termination of the appointment and the license agent’s right to a hearing if he has not previously been afforded one. If the appointment is to be revoked, the notice must state the effective date and hour of revocation. If the appointment is not to be renewed, the notice must state that the appointment expires at midnight on April 30. If he has not been previously afforded a hearing, a license agent is entitled to a hearing within 14 days before the Executive Director or his designee to be held at Raleigh or some other place convenient to the parties specified by the Executive Director. After the hearing, the Executive Director, applying appropriate standards, must take the action with respect to the appointment as license agent that the facts warrant. If the Executive Director upholds the decision to terminate the appointment, a license agent may appeal his termination to the Wildlife Resources Commission. Pending the hearing and any appeal from it, the termination is held in abeyance, but no license sales may be made once the license agent’s bond has expired.

(h) Upon termination of the appointment, the former agent must return to the Wildlife Resources Commission all record books, reports, license forms, moneys, and other property pertaining to the license agency, and must allow agents of the Wildlife Resources Commission to conduct necessary inspections and audits required in terminating the license agency. Each day’s refusal after termination to return, upon demand, the record books, reports, license forms, moneys, and other property pertaining to the license agency is a separate offense. Each instance of refusal, after
termination, to allow agents of the Wildlife Resources Commission to conduct necessary inspections and audits during regular business hours is a separate offense. A violation of this subsection is a Class 2 misdemeanor. Before termination, violations by license agents are punishable under G.S. 113-135, subsection (d) above, or other provision of this Subchapter, as appropriate.

(i) No person denied appointment or whose appointment was terminated under this section is eligible to apply again for an appointment as a license agent for two years. Upon application, the executive director may not grant the appointment as license agent unless the applicant produces clear evidence, convincing to the Executive Director, that he meets all standards and qualifications and will comply with all requirements of statutes, rules, and reasonable administrative directives pertaining to license agents.

(j) The Executive Director or his designee holding any hearing under this section must keep a written record of evidence considered and findings made. Upon appeal to the Wildlife Resources Commission, the commission chairman or other presiding officer must cause such a written record of evidence and findings to be made and kept. Hearings and appeals under this section are internal matters concerning license agents of the Wildlife Resources Commission and are not governed by the North Carolina Administrative Procedure Act."

SECTION 3.3. G.S. 150B-1(e) is amended by adding a new subdivision to read:

"(e) Exemptions From Contested Case Provisions. - The contested case provisions of this Chapter apply to all agencies and all proceedings not expressly exempted from the Chapter. The contested case provisions of this Chapter do not apply to the following:

(15) The Wildlife Resources Commission with respect to determinations of whether to authorize or terminate the authority of a person to sell licenses and permits as a license agent of the Wildlife Resources Commission."

CONFERENCE COMMITTEE SUBSTITUTE FOR SENATE BILL 1130

S1130-CCSRF-1, AN ACT TO PROHIBIT SMOKING IN STATE CORRECTIONAL INSTITUTIONS.
The General Assembly of North Carolina enacts:

"(9) State correctional facilities operated by the Department of Correction."

SECTION 2. Article 2 of Chapter 148 of the General Statutes is amended by adding a new section to read:

(a) The General Assembly finds that in order to protect the health, welfare, and comfort of inmates in the custody of the Department of Correction and to reduce the costs of inmate health care, it is necessary to prohibit inmates from using tobacco products inside State correctional facilities and to ensure that employees and visitors do not use tobacco products inside those facilities.

(b) No person may use tobacco products inside of a State correctional facility, except for authorized religious purposes.

(c) The Department of Correction may adopt rules to implement the provisions of this section. Inmates in violation of this section are subject to disciplinary measures to be determined by the Department, including the
potential loss of sentence credits earned prior to that violation. Employees in violation of this section are subject to disciplinary action by the Department. Visitors in violation of this section are subject to removal from the facility and loss of visitation privileges.

(d) As used in this section, the following terms mean:

(1) State correctional facility. - All buildings of a State correctional institution operated by the Department of Correction.

The pilot smoking cessation programs shall be available to inmates and staff on a volunteer basis, and no person shall be compelled or coerced to participate. The smoking cessation program shall include instructions and education that will help inmates and staff cease the use of tobacco products and remain smoke free. The cost of administering the pilot smoking cessation program shall be paid from existing funds available to the Department of Correction. The Department of Correction may use services, personnel, and resources donated by nongovernmental agencies and organizations to implement this program. The Department of Correction shall report to the Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee on or before April 1, 2006, on the progress and status of the pilot programs.

SECTION 4. The Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee shall study and make legislative recommendations on the feasibility and implementation of a two-year phase-in program banning smoking by all inmates, personnel, and visitors in all buildings and on all grounds of State correctional institutions operated by the Department of Correction. This study shall examine methods to assist with smoking cessation, including the use of nongovernmental agencies, organizations, and corporations for counseling, training, cessation aids, and interventions. The Joint Legislative Corrections, Crime Control, and Juvenile Justice Oversight Committee shall report the results of this study to the General Assembly prior to the convening of the 2006 Session of the 2005 General Assembly.

SECTION 5. Sections 1 and 2 of this act become effective January 1, 2006. The remainder of this act is effective when it becomes law.

INDEX GUIDE

The North Carolina General Statutes titles form the basis for these indices. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. Bills included in whole or in part in other measures are reflected as such, if known.

All bills dealing with funds are indexed under Appropriations. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the Member's name with an asterisk (*) noting that person as the primary sponsor.
