JOURNAL

GENERAL ASSEMBLY
OF THE
STATE OF NORTH CAROLINA
FIRST
SESSION 2007
VOLUME II
The House meets at 3:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Phillip Boykin, Pastor, Black Jack Free Will Baptist Church, Black Jack Community, Pitt County:

"Merciful Lord:

"We thank You for Your great love and for Your provisions for Your people of the State of North Carolina. We invite Your presence into this building. We invite You to make a difference in every decision and vote made on behalf of the people of this State. We ask You to bless our country and this great State of North Carolina. We pray that You might enlighten with Your grace, those who legislate from this building. We also pray for those who are serving our Nation through our Armed Forces; give them direction and protection this day. We pray that in all things we may be governed with justice and equality. Grant unto us not only such outward provisions as Your will would give us, but, above all things, such faith, hope and love that Your name will always be glorified. Give grace and understanding when faced with difficult choices and may each one take it upon ourselves to follow the Golden Rule of Your word, so that we might treat each other as we would like to be treated. We ask this all by the authority of Your name. Amen."

NINETIETH DAY

HOUSE OF REPRESENTATIVES
Wednesday, June 27, 2007

The House meets at 3:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Rabbi Yosef Levanon, Beth Israel Synagogue, Fayetteville, North Carolina:

"Avinu Shebashamayim - G-d, Source of All Life...

"Your faithful servants, who have been chosen to speak for our State, stand in a place of power and of responsibility. O gracious Guardian, ever direct their deliberations that their vision and wisdom may make North Carolina a better State in which to live.

"May we ever be reverent toward You, our loving G-d, loyal to our obligations, honorable in our dealings, and compassionate to those who are in need of our understanding and assistance.

"Heavenly Father, as we invoke Your blessings upon the Members of the North Carolina State House, we realize the manifold, beautiful and wonderful blessings that have been ours in these United States. Grant all who fill these Chambers the strength, the determination, and the wisdom, that they may continue to serve with devotion and love.

"Teach them and guide them, Almighty G-d, so that their decisions will be motivated by honesty and truth. Help them to see the light through the clouds of influencing forces. Help them, so they may be strong to recognize what is fair and what is best for the people of the State.

"We all know that those who have been brought into the service of the people need to strengthen their hearts, as do we all, in these days of perplexity, strife and war.

"We are grateful that we continue to envision a world that we can help develop, a world of peace, love and understanding, because we have chosen to be Your partners in building this better world.

"Inspire them in this House to release those reservoirs of spirit and mind that can make them Your partners in the work of justice and peace.

June 27, 2007
Grant them patience and hopefulness in their daily tasks. Give them love for truth above cleverness, for people above things.

"In the words of the Hebrew prophet Micah: 'We pray that we may do justly, love mercy, and walk humbly with our G-d. May G-d, who established peace in the heavens, grant peace unto us all.' Amen."

NINETY-FIRST DAY

HOUSE OF REPRESENTATIVES
Thursday, June 28, 2007

The House meets at 1:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Dr. Dennis Sheppard, Hope Mills Methodist Church, Hope Mills, North Carolina:

"O Sovereign God:

"We thank You for the gift of this beautiful day. As we assemble in this place of government, we do so in the knowledge that all nations and governments are under Your authority. We pray that You will help these elected Representatives to remember both the importance of their responsibilities and the joy of the privileges of being public servants. Cause them to realize that government does not happen in a vacuum, but in the context of the needs, struggles, and ongoing issues of the growing and changing State of

June 28, 2007
North Carolina. Give them the wisdom, insight, and integrity to fulfill their responsibilities to the people of this great State. Fill them with a burden for a just and fair government and remind them that they can only honor You when they put people above partisan politics and personal whims. Help them to remember that unless they can leave here at the end of the day as sisters and brothers who have labored for the common good of the people of North Carolina, their work will have been in vain. Cause them to know that they are the voice of the powerless and the powerful, the landowner and the immigrant, the children and the elderly. O Sovereign God, we know that these men and women have a tremendous burden to represent all of the needs and desires of a dynamic State like North Carolina, rightly called the 'Goodliest Land under the Cope of Heaven' by our earliest explorers. Help these good people to cherish and pass down that same kind of passion so that they may never lose sight of the beauty of this State and so that coming generations may laud their faithfulness in preserving that beauty. Finally, O God, we thank You for each one of these men and women who serve in this House of Representatives. We thank You for the support staff that works so hard and their families who must endure their absence to work here in Raleigh. Bless us this day and every day by Your divine providence and care. In Your name we pray. Amen."

On motion of Representative Lewis, unanimous consent is granted in order that his vote might be changed from "aye" to "no" on the third reading of H.B. 2044 (Committee Substitute), A BILL TO BE ENTITLED AN ACT AUTHORIZING THE DIRECTOR OF THE BUDGET TO CONTINUE EXPENDITURES FOR THE OPERATION OF GOVERNMENT AT THE LEVEL IN EFFECT ON JUNE 30, 2007; APPROPRIATING FUNDS FOR INCREASES IN THE AVERAGE DAILY MEMBERSHIP IN THE PUBLIC SCHOOLS; EXTENDING THE PROVISION THAT PERMITS RETIRED TEACHERS TO RETURN TO THE CLASSROOM WITHOUT A LOSS OF RETIREMENT BENEFITS; DELAYING THE EFFECTIVE DATE OF CHANGES TO THE MEDICAID ESTATE RECOVERY PLAN; AND EXTENDING THE SUNSET ON THE ADDITIONAL ONE-QUARTER CENT STATE SALES AND USE TAX FROM JULY 1, 2007, UNTIL AUGUST 1, 2007 on June 27.

"Gracious God:

"You are the Gift-Giver. All that we are and all that we have is a gift from You. If we can make ourselves pause long enough to consider the blessings of life, we will discover that Your creative and free gift of grace is present with us. Just as children need to be reminded to say, 'Please,' and 'Thank you,' so too is it helpful for us to hear this same reminder and give You our thanks for the gifts of life and love. Keep us from getting so caught up in the political world that we forget from whence we came. Grant unto us, dear Lord, a renewed appreciation for the simple things in life, a kind gesture, a random act of kindness, good friends with whom we can share our journey. And, may we be always grateful to Thee for Thy steadfast presence and loving kindness. Amen."

Yet, as basic as this need may be, it can sometimes prove to be a most difficult thing for us to both give and to receive. Cultural and societal expectations are not always supportive of our expressions to need or to be needed by others. ONE HUNDRED THIRD DAY

HOUSE OF REPRESENTATIVES
Thursday, July 19, 2007

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Sam Wynn, Hollands United Methodist Church, Raleigh, North Carolina.

"Gracious God:

"You have called all people to lives of righteousness and justice. You have called all people to lives of peace and wholeness.

"We confess that sometimes we have cared more for lofty places than we have for places of service. We confess that sometimes we have worked more for places of power than we have for the good of the people. Forgive us we pray.

"Bless now the men and women who gather in this place. Give these men and women the gifts of discernment. Give them the gifts of wisdom.

July 19, 2007
Give the gift of vision. To those who lead here grant the patience of cooperation. To those who debate here, grant clarity of thought. To those who decide here, grant the courage of truth.

"Keep ever before us the broken places of our life together, places of despair and disappointment. Set our ears to hear the cry of the poor. Set our eyes to see the needs of the sick. Set our hearts to beat in rhythm with Yours. And blend us with all people of good will, both in this place and beyond, in order that this State might be a lighthouse of hope and fulfillment.

"Even though we may miss the mark sometimes, this is a special day in the life of our State. It is a special day for the Lumbee People. We are honored as a people to offer our gifts and services; bless Jessica as she represents her God and the great State of North Carolina. Amen."

ONE HUNDRED FOURTH DAY

HOUSE OF REPRESENTATIVES
Monday, July 23, 2007

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Creator God:

"When we consider all the incredible landscapes throughout Your glorious earth, it's hard to imagine that You overlooked anything. The seas and the sky know their place. The flowers continue to bloom around the globe in their cacophony of colors. The purple mountains rise in majesty while canyons and rain forests parade Your creative genius before the whole world. It truly is awesome!

July 23, 2007"
"Obviously, our work in this place pales in comparison to the wonder of Your creation. Nevertheless, You have called us to excellence and as such, our efforts ought to be a positive reflection of Your gifts. As we work at wrapping things up, keep us from overlooking anything that needs our attention. Help these folks to do their level best so that they may parade their work before their constituents and to this State with pride and in the knowledge that, individually and as one Body, they will have done the very best job afforded to them. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

"Today we celebrate all of the Tuskegee Airmen and their heroic contributions to World War II and the momentum they encouraged for Civil Rights. We especially recognize those Tuskegee Airmen born or residing in North Carolina as a symbol of valor and bravery for all North Carolinians who serve in our military.

July 25, 2007
"On March 29, 2007, about 350 Tuskegee Airmen and their widows were collectively awarded the Congressional Gold Medal at a Ceremony in the United States Capitol Rotunda. It was then that I decided that we must do something on the local level in that there were three men from Ahoskie (Hertford County). I wanted it to be a joint effort with all Members, and information was provided for both the House and the Senate Members.

"I spoke with a constituent back in Hertford County while trying to locate family members of Clarence E. Reynolds, one of the Airmen from Hertford County. She reflected on the day of Mr. Reynolds' funeral and how the planes flew over in formation. They had never seen anything like that before in such a small community as Ahoskie.

"Two other Airmen were from Hertford County, Graham Smith and Reginald V. Smith. Today I shook hands and chatted with the grandson of Reginald V. Smith.

"Mr. Speaker and Members, I commend the Resolution to you."

"You created the world and all that is in it.  All that is belongs to You. Indeed, it is only by Your mercy that we have been given the privilege to share in the stewardship of this tiny piece of real estate upon the vast landscape of Your great big earth. As we prepare to vote on the proposed budget, we will be invited to consider the many physical and emotional resources of our people. We will be asked to consider the best way to use all of our available resources to insure our land, our institutions, our health and well-being, and our most precious resource…our people. This is a huge task and we are quite humbled by it. As we consider the magnanimity of our duty, let our debate be serious yet civil. May our words always be kind and collegial. And, let us finish our work in such a way that You will be pleased with us. Have mercy upon this most Honorable Body dear God, we humbly pray. Amen."

"In hours that grow long, we need Your endurance. In days that move at snails’ pace, we need Your deliverance. When our minds become cloudy and keen decisions must be made, we need Your wisdom. Indeed, O God, in times like these we need Your saving grace. Like waters that rush forth over their boundaries, send down Your mercy. Representative Stam raises a point of order and inquires of the Chair if the conference report violates House Rules 44(b) and 36.4. The Speaker states that he believes the bill complies with the rules and the point of order is overruled.

Representative Blust gives notice and sends forth his protest pursuant to Article II, Section 18 of the North Carolina Constitution.
PROTEST

"On July 28, 2007 at approximately 12:40 pm Speaker Joe Hackney made a ruling upon a point of order raised by Rep. Paul Stam concerning the eligibility of the Conference Report on House Bill 1473 '2007 Appropriations Act' for consideration by the North Carolina House of Representatives that was clearly and unequivocally contrary to Rules 36.4 and 44(b) of the North Carolina House of Representatives. Speaker Hackney made his ruling summarily without any explanation whatsoever because no valid explanation is possible since the rules violations in this instance are so stark.

"House Rule 36.4 provides: 'No provision shall be contained in any of the following bills unless it pertains to the appropriation of money or the raising or reducing of revenue: (i) the Current Operations Appropriations Bill.'

"Section 6.25 of the Conference Report on House Bill 1473 modifies the hours of sale for permittees authorized to engage in in-stand sales pursuant to G.S. 18B-1009. This provision has nothing to do with the appropriation of money and therefore is a clear violation of House Rule 36.4.

"House Rule 44(b) provides: 'Only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters.'

"The Conference Report on House Bill 1473 contains several provisions which were not in either the House or the Senate versions of House Bill 1473. These provisions include, but are not limited to, Sections 6.25, 8.13, 9.18, 10.39A, 11.4, 12.2A, 12.9, 13.1A, 31.18, 31.23, 31.24. The Conference Report on House Bill 1473 should therefore have been properly ruled out of order pursuant to House Rule 44(b) until those provisions were removed.

"This protest is not being made for mere academic reasons. The integrity of the House itself is at issue when the House is not faithfully governed by the set of rules the House adopts for itself. How can members of the House expect the citizens of North Carolina to respect the laws the House enacts if the House does not follow its own rules?

"Events of the last few years demonstrate that there is an even deeper issue concerning the two House rules being violated by the House’s consideration of this conference report. It is ironic that the former Speaker of the House is reporting to federal prison in Pennsylvania on the very day the House gives final approval to this conference report. At the core of the federal and state law felonies for which the immediate past Speaker of the House pled guilty was the Speaker of the House’s ability to add provisions to the conference report on the budget where they are enacted into law without adequate review and debate by the full House and Senate. These provisions

July 28, 2007
would sometimes be embedded deep inside the rather sizeable conference report without the knowledge of most other members of the House and Senate.

"At the beginning of this session, when the House debated and adopted its rules, the Speaker held a press conference during which he stated that the House would no longer allow special provisions in the budget. This pledge should have been honored and House Bill 1473 should have been ruled out of order. If the House is going to insure that the corruption that has sullied the reputation of the North Carolina House is never repeated and if the House is to win back the public trust in the integrity of its proceedings, House Rules and procedures need to be enforced on a consistent basis."

The material Conference Report is adopted, on its second roll call reading, by the following vote, and remains on the Calendar.

"Mighty God:

"You are ruler of the land and seas. No mountain is too high nor valley too deep for You. There is no expanse too vast for Your greatness. Today we gaze out across a largely untamed wilderness of bills and deadlines knowing that we have a definitive time limit upon us. Open our eyes to see the pathway You would have us take that will carry us through the maze of uncertainty and bring us at last to the grateful assurance of knowing that we have traveled the final leg of our journey with courage and conviction. Amen."

Whereas, Robert Ruark advanced rapidly as a talented journalist from war correspondent to columnist syndicated in hundreds of national and international newspapers with a readership in the millions; and

Whereas, Robert Ruark's stories were also featured in prominent national magazines, including Field and Stream, and Esquire, where his boyhood experiences of hunting and fishing with his grandfathers in Southport led to the publication of his most popular work, The Old Man and the Boy, that to this day remains a sportsman's classic and in continuous print; and

Whereas, Robert Ruark later became a recognized authority on the politics of Kenya and East African struggles for freedom with the release of the documentary Africa Adventure, which became the basis for the publication of his best selling novel, Something of Value, based on the Mau Mau uprisings against British colonialism, in 1955 that later was produced as a major Hollywood film, and followed in 1967 by the sequel Uhuru; and

Whereas, Robert Ruark authored seven other books, among them, Poor No More, Horn of the Hunter, The Honeybadger, and The Old Man's Boy Grows Older; and

REMARKS BY REPRESENTATIVE DICKSON

"I was introduced to the works of Robert Ruark by my husband who loved his books about hunting and fishing in and around Southport. My husband loved these books both as a boy and as a man. They are the only books I am aware of that he actually required our sons to read, and, of course, they loved them as well.

"Ruark wrote about the North Carolina outdoors and later about Africa, particularly Kenya. His works about Africa have influenced later journalism about that part of our world.

"Almighty God:

"From the beginning of time You have called men and women to positions of representative leadership. This year saw the men and women in this Chamber add their names to the long list of people in whom You placed Your trust to govern Your children rightly. We are grateful for the ways these Members have lived into their roles as the Peoples’ Representatives.

"Of course, this Session was not without its share of problems or drama. Needless to say, we are thankful for Your sustaining grace in difficult times. We confess that we have not always done what we should have done; and undoubtedly, we have left some things undone that we shouldn’t have. But, as we draw our time to a close, we are so very thankful for Your mercy that has enveloped this Chamber throughout this Session. I pray that You would instill a healthy dose of pride in these folks as they have diligently worked hard to restore the public confidence in this grand institution.

"Finally, we pray that You would grant unto the men and women of this Body, and to the countless support staff that helped them to do their jobs well, the satisfying grace that comes from the assurance of knowing that they have done well representing their constituents and living by their convictions. In all things, through all things and for all things, we give You our thanks and praise, Almighty God. Amen."

ONE HUNDRED FOURTEENTH DAY
HOUSE OF REPRESENTATIVES
Monday, September 10, 2007

Pursuant to a call of His Excellency, Governor Michael F. Easley, hereinafter recorded, the House of Representatives of the General Assembly of North Carolina convenes in its Hall in Reconvened Session, at the hour of two o'clock, Monday, September 10, 2007, and is called to order by the Speaker of the House, Joe Hackney.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Sovereign God, You alone are the Author and Perfector of time and space and the final Arbiter of history. Moments in time, whatever their outcome, rarely become historic without sacrifices and casualties along the way - be they political, social, economical, or indeed, lives themselves. Thus, no serious conversation should be entered into without careful consideration and certainly not without consultation with Thee, the God of us all. Send Your Spirit upon this Chamber and fill us with discernment for what is right and good; so that whatever the final vote may be, we may believe that we will have arrived at our destination by choosing the correct path. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

Representative Owens, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of August 2 has been examined and found correct. Upon his motion, the Journal is approved as written.

Leaves of absence are granted Representatives Barnhart, Carney, Dockham, Haire, Holliman, Killian, Starnes, and Wright for today. Representative Tucker is excused for a portion of the Session.

SPECIAL MESSAGE FROM THE GOVERNOR

STATE OF NORTH CAROLINA
OFFICE OF THE GOVERNOR
20301 Mail Service Center • Raleigh, NC 27699-0301

Michael F. Easley
Governor
August 30, 2007

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

House Bill 1761, "An Act to Create the Job Maintenance and Capital Development Fund."

House Bill 1761 would set a dangerous precedent for North Carolina's economic development policy and is not fair to her taxpayers. It calls for the state to give up to $40 million in cash to an existing company in one county with little or no regard for how much the company actually pays in state and local taxes, what wages it pays now or in the future, or whether it lays off nearly 25% of its workforce. Never in the history of the state has anyone given a company up to $40 million and allowed them to lay off hundreds of workers.

September 10, 2007
We are proud of the employer and its hard working employees that House Bill 1761 was designed to help. But this bill does not protect those employees or the state of North Carolina.

Therefore, I veto the bill.

S/ Michael F. Easley

The bill, having been vetoed, is returned to the Clerk of the North Carolina House of Representatives on this 30th day of August 2007 at 1:13 p.m. for reconsideration by that body.

On motion of the Speaker, the House recesses at 2:18 p.m.

The Speaker requests unanimous consent of the Body to reconvene prior to the recess motion and to entertain an adjournment motion.

Without objection, the consent is granted.

On motion of Representative Owens, seconded by Representative Cunningham, the House adjourns at 7:51 p.m. to reconvene September 11 at 10:00 a.m.

RULE 11. Reading of Papers. – When there is a call for the reading of the text of a paper which has been presented to the House and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.
RULE 12. **General Decorum.** – (a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.

RULE 13. **Motions Generally.** – (a) Every motion shall be reduced to writing if the Speaker or any two members request it. No motion relating to a bill shall be in order which does not identify the bill by its number and short title.

(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. **Motions, Order of Precedence.** – When there are motions before the House, the order of precedence is as follows:

To adjourn.
To recess.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.

RULE 17. **Motion to Postpone Indefinitely.** – A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question or to recess is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

RULE 18. **Motion to Reconsider.** – (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the
vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider and a motion to reconsider:

1. A vote upon a motion to table,
2. A motion to postpone indefinitely,
3. A motion to remove a bill from the unfavorable calendar,
4. A motion that a bill be read twice on the same day, or
5. A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended.

RULE 19. **Previous Question.** – (a) The previous question may be called only by:

1. The Chair of the Committee on Rules, Calendar, and Operations of the House;
2. The Majority Leader;
3. The member submitting the report on the bill or other matter under consideration;
4. The member introducing the bill or other matter under consideration; or
5. The member in charge of the measure, who shall be designated by the chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the question is on the passage of the bill, resolution, or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn, motion to recess or motion to table.

(d) If the previous question is decided in the negative, the question remains under debate.

(1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.

(2) Upon a call for division.

(3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth of the members present.

(c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically when that time has expired. Once the system is locked, the vote shall be recorded and printed.

(d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person
vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:

1. To adjourn.
2. To lay on the table.
3. Previous question.
4. To recess.
5. To postpone indefinitely.
6. To reconsider.
7. To postpone to a day certain.
8. To re-refer.
9. To amend an amendment.
10. To amend.
11. To concur or not concur.
12. Miscellaneous.
RULE 21. Voice Votes; Stating Questions. – (a) All other votes except those required to be taken on the electronic voting system shall be taken by voice vote.

(b) When a voice vote is taken, the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'Aye', and after the affirmative voice has been expressed, "Those opposed will say 'No'."

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. – (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. – Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. Roll Call Vote. – (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. – (a) Any member shall, upon request, be excused in advance from the deliberations and voting on a particular bill at any time that the reason for the request arises in the proceedings on the bill.

(b) The member may make a brief oral statement of the reasons for making the request. The member may provide to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill, in committee or on the floor of the House at any reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.
RULE 24.1B. Division of Amendments. – Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. – In all elections the Speaker may vote. In all other instances the Speaker may vote or may reserve this right until there is a tie in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. – (a) The Speaker shall appoint a chair, or cochairs, of every standing committee, permanent subcommittee, and select committee, if any. In the construction of these rules, the word "chair" as applied to a committee extends to and includes a cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) All permanent subcommittees of each standing committee shall be appointed by the Speaker, and the members appointed, along with the chair of the standing committee, shall constitute the standing committee of which the permanent subcommittee is a part. The Speaker shall appoint all members of permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(c) The Speaker shall appoint the members of all standing committees having no permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(d) Before appointing members of committees and subcommittees, the Speaker shall consult with the minority leader. The Speaker shall consider members' committee preferences in making appointments.

(e) The Speaker may not appoint new members to committees or subcommittees after March 30 of an odd-numbered year or at any time during an even-numbered year except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member. As to select committees established after March 1 of an odd-numbered year or during an even-numbered year, the Speaker may not appoint new members more than 60 calendar days after the select committee is established, except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member.

(f) Each chair of a permanent subcommittee shall be a vice-chair of the standing committee of which it is a permanent subcommittee. The Speaker may name other members as vice-chairs of the standing committee. The Speaker may name one or more vice-chairs for any standing committee not having permanent subcommittees.

(g) The chair of the standing committee shall be a voting member of each permanent subcommittee of the standing committee.
Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee.

In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

RULE 26.1. **Mentions of Standing Committee Includes Select Committee.** – Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

RULE 27. **List of Standing Committees and Permanent Subcommittees.** – The standing committees and permanent subcommittees thereof are:

RULE 28. **Standing Committee and Permanent Subcommittee Meetings.** – (a) Standing committees and permanent subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule established by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.

(b) Subject to the provisions of subsection (c) of this rule, standing committees and permanent subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees or permanent subcommittees.

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee or permanent subcommittee, and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.

(d) Procedure in the standing committees and permanent subcommittees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(e) No standing committee or permanent subcommittee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly scheduled hour. No permanent subcommittee shall meet at the same time that its standing committee is
meeting. Standing committees and permanent subcommittees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee and permanent subcommittee meetings shall adjourn no later than:

1. 15 minutes preceding a regular session of the House, and
2. 10 minutes preceding the hour of the next regularly scheduled standing committee or permanent subcommittee meeting.

(g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative sessions shall be mailed to each member of the standing committee or permanent subcommittee at least five days prior to such meeting. If a member of the body so requests in writing to the chair of the standing committee or permanent subcommittee, the member shall be notified by certified mail of the meetings.

(h) During standing committee and permanent subcommittee meetings, the chair may exercise the right to vote, or may reserve this right until there is a tie, in which event the chair may vote, but in no instance may the chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations Into Violations of the Open Meetings Law. – (a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.

(b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against the individual and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

1. Dismiss the complaint and take no further action.
2. Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.
3. Issue a public letter of reprimand if the violation of the Open Meetings Law was intentional or if the legislator has previously received a private letter of reprimand. The Chair
of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.

(4) Refer the matter to the House for appropriate action.

RULE 29. Notice of Standing Committee and Permanent Subcommittee Meetings and Hearings. — Public notice of all standing committee and permanent subcommittee meetings shall be given in the House. The chair of the standing committee or permanent subcommittee shall notify or cause to be notified the sponsor of each bill which is set for hearing or consideration before the standing committee or permanent subcommittee as to the date, time, and place of that meeting.

RULE 29.1. Public Hearings. — (a) Requests for a public hearing shall be made in writing to the chair of the standing committee and, if applicable, the chair of the permanent subcommittee to which the bill has been referred. The chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. The chair of the permanent subcommittee may schedule a public hearing before the permanent subcommittee at its regularly scheduled hour. Denial of a request made by a House member may be appealed to the Speaker.

Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press and shall be posted in the places designated by the Principal Clerk.

(b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the chair of the standing committee or permanent subcommittee. The standing committee or permanent subcommittee chair may designate one or more members to arrange the order of appearance of interested parties. A brief written statement of testimony may be submitted without oral presentation and shall be incorporated into the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library. — The chair of a standing committee or a permanent subcommittee shall ensure that written minutes are compiled for each of the body's meetings. The minutes shall indicate the members present and the actions taken at the meeting. Not later than 20 days after the adjournment of each session of the General Assembly, the chair shall deliver the minutes to the Legislative Library. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the chair.

RULE 30. Standing Committee of the Whole House. — (a) A Standing Committee of the Whole House shall not be formed, except by suspension of the rules, if there be objection by any member.

(b) After passage of a motion to form a Standing Committee of the Whole House, the Speaker shall appoint a chair to preside in the standing committee, and the Speaker shall leave the dais.
(c) The rules of procedure in the House shall be observed in the Standing Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.

(d) In the Standing Committee of the Whole House, a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Standing Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Introduction of Bills and Resolutions. – (a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk's office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 30 minutes after adjournment each Monday; and by 3:00 P.M. each Tuesday, Wednesday, Thursday, and Friday.

(b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons, and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.

(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.

(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. Captions of public bills may be amended only by amendment proposed by the standing committee to which the bill was referred. Third reading shall not be had on any bill or resolution on the same day that such caption is amended.

(e) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows: "House Committee Substitute for ____".

(f) House Resolutions need not be read more than twice.
(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House.

(h) Any reference in these rules to bills shall extend to resolutions unless the context requires otherwise.

RULE 31.1. **Deadlines on Introduction and Receipt; No Blank Bills; Single Subject Rule.** – (a) All public bills or resolutions recommended by commissions or standing committees authorized or directed by act or resolution of the General Assembly to report to the 2007 Regular Session of the General Assembly, or to report prior to convening of that session, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on March 6, 2007, and must be introduced not later than 3:00 P.M. on March 14, 2007; and

(a1) All bills prepared to be introduced for departments, agencies, or institutions of the State must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on March 6, 2007, and must be introduced not later than 3:00 P.M. on March 14, 2007. A bill introduced under this subsection shall be identified as an Agency Bill after its short title.

(a2) All local bills must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on March 20, 2007, and must be introduced not later than 3:00 P.M. on March 28, 2007.

(b) All public bills which would not be required to be re-referred to the Appropriations or Finance Committees under Rule 38 must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on April 10, 2007, and must be introduced not later than 3:00 P.M. on April 18, 2007.

(c) All public bills which under Rule 38 would be required to be re-referred to the Appropriations Committee, or to both the Appropriations and Finance Committees, or to the Finance Committee, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on May 1, 2007, and must be introduced not later than 3:00 P.M. on May 9, 2007. If any bill is eligible for introduction on account of the date only under this subsection and the bill is amended so that qualifying appropriation or tax law change does not remain in the bill, it shall not be eligible for further consideration. For the purpose of this subsection, a "tax law change" includes any provision that would require a bill under Rule 38(b) to be referred to the Standing Committee on Finance.

(c1) A bill containing no substantive provisions may not be introduced in the House.

(d) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills which would be required to be re-referred to the Appropriations or Finance Committee under Rule 38 or adjournment resolutions must be received and read on the floor of the House as a message from the Senate no later than Thursday, May 17, 2007; provided that a message from
the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

(d1) Except by motion approved by a majority of members of the House present and voting, no public House bill other than the Current Operations Appropriations Act or the Capital Improvement Appropriations Act may contain more than one subject.

(e) This rule, other than subsections (c1) and (d1), does not apply to bills establishing districts for Congress or State or local entities. This rule, other than subsections (c1) and (d1), does not apply to measures ratifying an amendment or amend amendments to the Constitution of the United States.

RULE 32. Reference to Standing Committee and to Permanent Subcommittee; Serial Referrals. – (a) Each bill not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee or permanent subcommittee as the Speaker deems appropriate. The Speaker at the same time may order that, if the bill is reported with any favorable recommendation or without prejudice, it be re-referred automatically upon the committee report to another committee or permanent subcommittee designated in the order. Each joint resolution or House resolution not introduced on the report of a standing committee shall immediately upon its first reading either be referred by the Speaker to a standing committee or permanent subcommittee or be calendared on the date designated by the Speaker, as the Speaker deems appropriate.

(b) The standing committee chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

1. Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;
2. Favorable, without prejudice, or unfavorable as to the original bill, as amended, with the recommendation that the report be made to the standing committee;
3. Favorable or without prejudice to the proposed committee substitute, and unfavorable to the original bill, with the recommendation that the report be made to the standing committee;
4. Favorable as to the original bill with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair;
(5) Favorable to the original bill, as amended, with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair; or
(6) Favorable to the proposed committee substitute with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair, and unfavorable to the original bill.

Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee, the bill shall be before that body for further action unless the permanent subcommittee chair reports the bill directly pursuant to Rule 36.

RULE 33. Papers Addressed to the House. – Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

RULE 34. Introduction of Resolutions and Bills, Copies Required. – (a) Whenever any resolution or bill is introduced, a duplicate copy thereof shall be attached thereto, and the Principal Clerk shall cause said duplicate copy to be numbered as the original resolution or bill is numbered and shall cause the same to be available at all times to the member introducing the same.

(b) Numbering of House Bills shall be designated as "H.B.___" (No. following). A Joint Resolution shall be designated as "H.J.R. ___." (No. following). A House Resolution shall be designated as "H.R.___." (No. following).

(c) Whenever any resolution or bill is filed for introduction, it shall be in a House bill jacket containing 30 copies and in the form designated by the Speaker. Any resolution or bill not accompanied by the required number of copies shall be returned immediately to the introducer. The Clerk shall stamp the copies with the number stamped upon the original bill.

(d) No bill may be filed for introduction if the draft contains names preprinted on the bill jacket and body of the bill (either as primary sponsors or cosponsors) unless each such member has signed the jacket.

RULE 35. Duplicating and Availability of Copies of Bills. – (a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. The Legislative Services Officer shall cause one copy of each resolution and public bill for each member to be delivered to the member's committee
assistant or legislative assistant who shall place it in the appropriate notebook on
the member's desk. If a member so requests, a second copy shall be delivered
to the member's committee assistant or legislative assistant who shall place it in
the member's office. The remaining copies shall be placed in the Printed
Bills Room and made available to the committees to which the bill is
referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local
bill is one affecting fewer than 15 counties. No public bill and, upon
objection by a member, no local bill may be considered unless copies of the
bill have been made available to the entire membership of the House.

RULE 35.1. Assessment Reports. – (a) Every bill or resolution
proposing the establishment of an occupational or professional licensing
board, as defined in Article 18A of Chapter 120 of the General Statutes, or a
study for the need to establish such a board shall have attached to the jacket
of the original bill or resolution at the time of its consideration on second
and third readings by the House or by any standing committee or permanent
subcommittee of the House an assessment report from the Legislative
Committee on New Licensing Boards pursuant to Article 18A of Chapter
120 of the General Statutes. The assessment report shall not constitute any
part of the expression of legislative intent proposed by the formation of a
licensing board. Upon receipt of the request, the Legislative Committee on
New Licensing Boards shall prepare and return the assessment report as soon as
possible but not later than 60 days, reserving the right to extend this time to
90 days.

(b) Every legislative proposal introduced in the House or
received in the House from the Senate, proposing the incorporation of a
municipality shall have attached to the jacket of the original bill at the time
of its consideration on second or third readings by the House or by any
committee of the House prior to a favorable report, a recommendation from
the Joint Legislative Commission on Municipal Incorporations, established
by Article 20 of Chapter 120 of the General Statutes. The recommendation
of the Joint Legislative Commission on Municipal Incorporations shall be
made in accordance with the provisions and criteria set forth in Article 20 of
Chapter 120 of the General Statutes and shall include the findings required
to be made by G.S. 120-166 through G.S. 120-170.

RULE 36. Report by Standing Committee or Permanent
Subcommittee. – (a) When Reports Required. – All House bills and
resolutions shall be reported from the standing committee or permanent
subcommittee to which referred with such recommendations as the standing
committee or permanent subcommittee may desire to make except in the
case where the principal introducer requests in writing to the chair of the
standing committee or permanent subcommittee that the bill not be considered.
With the written approval of the chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(b)(4) through (6), the chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the chair of the standing committee fails to give approval, the bill shall be deemed to have been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(b) **Favorable Report.** – When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day and in the order designated by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but not on the same day that it is reported except by leave of the House, and no later than the fourth legislative day after submission of the report or Senate message under Rule 43.2 or Rule 43.3(a), unless:

1. The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32; or
2. The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee.

In order to place a bill on the calendar for a legislative day, notice shall be given by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk. When a committee substitute is adopted and receives a favorable report by the committee or permanent subcommittee, the standing committee or permanent subcommittee chair shall submit to the standing committee or permanent subcommittee the question of an unfavorable report on the original bill. The standing committee's or permanent subcommittee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(c) **Report Without Prejudice.** – When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar in the same manner as provided in subsection (a) of this rule.

(d) **Postponed Indefinitely.** – When a standing committee reports a bill with the recommendation that it be postponed indefinitely and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(e) **Unfavorable Report.** – When a standing committee reports a bill with the recommendation that it not be passed and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.
(f) **Minority Report.** – When a bill is reported by a standing committee with a recommendation that it not be passed or that it be postponed indefinitely but it is accompanied by a minority report signed by at least one-fourth of the members of the standing committee who were present and voting when the bill was considered in standing committee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

RULE 36.1. **Fiscal Notes.** – (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Standing Committee on Rules, Calendar, and Operations of the House, upon the floor of the House, may request that a fiscal analysis be made of a bill, resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, which request shall be allowed when, in the opinion of the Speaker, the fiscal effects of that measure are not apparent from the language of the measure. When a request is properly made under this subsection, the bill is removed from the calendar until such time that the fiscal note is attached to the measure.

(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.

(d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when filed or to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.
(f) Subsection (a) of this rule shall not apply to the Current Operations Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.

RULE 36.2. **Actuarial Notes.** – (a) Every bill or resolution proposing any change in the law relative to any:

1. State, municipal, or other retirement system funded in whole or in part out of public funds; or
2. Program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds;

shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or any permanent subcommittee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subdivision (a)(1) of this rule shall be referred to the Committee on Pensions and Retirement upon its introduction in accordance with G.S. 120-111.3.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note
shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any permanent subcommittee or standing committee reports a measure to which an actuarial note is attached at the time of permanent subcommittee or standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, the chair of the permanent subcommittee or standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

RULE 37. Removing Bill From Unfavorable Calendar. – A bill may be removed from the unfavorable calendar upon motion carried by a two-thirds vote. A motion to remove a bill from the unfavorable calendar is debatable.

RULE 38. Reports on Appropriation and Revenue Bills. – (a) All standing committees, other than the Standing Committees on Appropriations, when favorably reporting any bill or resolution which:

(1) Carries an appropriation from the State; or

(2) Requires or will require in the future substantial additional State monies from the General Fund or Highway Fund to implement its provisions shall indicate same in the report, and said bill or resolution shall be referred to the Standing Committees on Appropriations for a further report before being acted upon by the House.
(b) All standing committees, other than the Standing Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue, reduces revenue, levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of bonds or notes, whether public, public-local, or private, shall indicate same in the report, and said bill shall be referred to the Standing Committee on Finance for a further report before being acted upon by the House. This subsection shall not apply to bills only imposing fines, forfeitures, or penalties.

(c) Action on Amendment Before Re-Referral. – If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House, must be referred to the Standing Committees on Appropriations or the Standing Committee on Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.

RULE 39. Recall of Bill From Standing Committee. – (a) When a House bill has been introduced and referred to a standing committee, or when a Senate bill has been referred to a standing committee, if after 10 legislative days the standing committee has failed to act thereon, then the introducer of the House bill or some member designated by the introducer, or some House member designated by the introducer of the Senate bill, may, after three legislative days' public notice given in the House and delivered in writing to the chair of the standing committee, on motion supported by a vote of three-fifths of the members of the House, recall the same from the standing committee to the floor of the House for consideration and such action thereon as a majority of the members present may direct.

(b) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the chair of the standing committee, and to sustain that motion two-thirds of the members of the House shall be required.

RULE 39.1. Recall of Bill From Permanent Subcommittee. – When a House bill has been referred to a permanent subcommittee, if after 10 legislative days the subcommittee has failed to act thereon, or at any time, with the agreement of the subcommittee chair, the standing committee chair may re-refer the bill from that permanent subcommittee to another permanent subcommittee of the same standing committee provided the report of the re-referral shall be made pursuant to Rule 32.

RULE 39.2. Re-Referral of Bills From One Standing Committee to Another Standing Committee. – Upon consent of the sponsor of the bill, the Speaker, the chair of the standing committee from whom the bill is to be re-referred, and the chair of the standing committee to whom the bill is to be re-referred, the chair of the standing committee from whom the bill is to be re-referred or the Chair of the Standing Committee on Rules, Calendar, and Operations of the House may move for a re-referral to
another standing committee, and the bill shall be re-referred upon vote of the majority present during a regular session of the House.

RULE 40. **Calendars and Schedules of Business.** – The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up as they appear in each category (Rule 5(10)) in the order they were placed on the Calendar under Rule 36(b).

RULE 41. **Reading of Bills.** – (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.

(b) No bill shall be read more than once on the same day without the concurrence of two-thirds of the members present and voting; provided, no bill governed by Article II, Section 23 of the North Carolina Constitution or described in Rule 20(a)(2) herein shall be read twice on one day under any circumstance.

RULE 42. **Effect of a Defeated Bill.** – (a) Subject to the provisions of subsection (b) of this rule, after a bill has:

1. Been tabled,
2. Been postponed indefinitely,
3. Failed to pass on any of its readings, or
4. Been placed on the unfavorable calendar,
the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the Chair, that measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds vote of the members present and voting.

(b) No local bill shall be held by the Chair to embody the contents of or the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

RULE 43. **Amendments.** – (a) No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c). No amendment that is clearly unconstitutional shall be in order.
If the Senate adopts an amendment or committee substitute to a House bill, the House may refuse to receive the bill on account of lack of germaneness if the Senate has a similar rule.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

(b) The following rules apply when considering: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium:

(b) The Speaker shall rule whether the committee substitute is a material amendment under Article II, Section 23 of the North Carolina Constitution which reads:

"Revenue bills. – No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."

(c) If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.

(d) If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the House shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

(e) No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

RULE 44. Conference Standing Committees. – (a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in the House, or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker upon the Speaker's own motion and shall be appointed upon request by the principal sponsor of the original bill, the chair of the House standing committee which reported the bill, or the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees, the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.

(b) Only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal

2. The Committee shall receive nominations for election to the Board of Governors from Monday, March 12, 2007, through Friday, March 16, 2007. In 2007, the total number of open positions is eight. Each Representative may nominate up to two persons. In order for a person to have standing as a nominee, that person must be formally nominated by a member of the House of Representatives. Only a written nomination that includes all the requested information, which is submitted on a form provided by the Chair of the Committee for that purpose, and that is received in the Office of the House Principal Clerk on or after Monday, March 12, 2007, and no later than 5:00 P.M. on Friday, March 16, 2007, shall constitute a formal nomination. Delivery to the Office of the House Principal Clerk by facsimile transmission or e-mail transmission shall not constitute a formal nomination of a candidate. An individual is not eligible for nomination if he or she was nominated and not elected to the Board of Governors by the Senate during the 2007 Session.
3. Every person who has been formally nominated shall file a completed North Carolina State Ethics Commission Statement of Economic Interest with the North Carolina State Ethics Commission to be received by the North Carolina State Ethics Commission no later than 5:00 P.M. on Friday, March 23, 2007.

4. On or after March 17, 2007, the Committee shall list all proposed nominees. The Committee shall screen the nominees as to their qualifications, experience, and statutory suitability. The Committee may screen nominees by interviewing or by soliciting written information or by both means. On completion of the screening process, the Committee shall conduct a vote to ensure that the slate of legally qualified candidates lists 16 candidates if 16 or more have been nominated.

5. Each nominee shall confirm his or her willingness to serve if elected. Any nominee may withdraw without the approval of the sponsor.

6. The Committee's nominees shall be placed before and recommended to the House of Representatives for election.

II. ELECTIONS IN THE HOUSE OF REPRESENTATIVES.

1. A ballot shall be prepared under the supervision of the Chair of the Committee for the use of the House of Representatives. The ballot shall include 16 legally qualified candidates if 16 or more have been nominated.

2. The names of the nominees shall be arranged on the ballot by alphabetical order and shall list only the names of those nominees recommended by the Committee.

3. The House of Representatives shall hold its election no later than the beginning of the daily session on April 3, 2007. Before the voting begins, the Speaker of the House shall explain the voting rules, which are:

   (a) No nomination shall be received from the floor.

   (b) In order to be elected, a nominee must receive the votes of a majority of all members present and voting.

   (c) Each member present and voting shall vote for as many nominees as there are positions to be filled, and any ballot not so marked shall be deemed void.

   (d) If fewer than eight nominees receive the votes of a majority of all members present and voting, a runoff to fill the open position or positions shall be conducted among the nominees who were not elected but who received the highest numbers of votes cast; and the number of nominees eligible to be voted on in the runoff shall be twice the number of positions to be filled.

   (e) If there is a tie for the last position between two nominees who are eligible for the next runoff, both nominees shall be included in the next runoff balloting, even though there would be more than two nominees per available position.
(f) If more than eight nominees receive the votes of a majority of all members present and voting, then the eight nominees receiving the highest numbers of votes shall be deemed to have been chosen.

4. The members of the House of Representatives shall proceed to mark their ballots for eight persons for four-year terms. Every ballot shall be signed by the member of the House of Representatives casting it, and no unsigned ballots shall be counted.

5. The Chair of the Committee is responsible for canvassing the vote and declaring the results and may designate members of the Committee to assist. All ballots shall be retained by the House Principal Clerk as part of the permanent records of the House of Representatives and shall be open for immediate public inspection upon adjournment of that day's session.

6. When the Chair of the Committee has determined that the House of Representatives has elected eight persons to serve as members of the Board of Governors for terms of four years, the Speaker of the House of Representatives shall declare those eight persons to have been elected to the Board of Governors by the House of Representatives. The election of each of those eight persons is provisional subject to the North Carolina State Ethics Commission's evaluations of the North Carolina State Ethics Commission Statements of Economic Interest of those persons in accordance with Article 3 of Chapter 138A of the General Statutes.

7. The results of the election in the House of Representatives shall then be sent by Special Messenger to the Senate.

III. NOTIFICATION OF ELECTION RESULTS.

When the election process is complete, the Chair of the Committee shall notify the Secretary of the Board of Governors of the names of the persons elected by the House of Representatives and the term for which each person was elected.

SECTION 2. This resolution is effective upon adoption.

1. It is the duty of the University Board of Governors Nominating Committee of the House of Representatives (hereinafter the "Committee") to conduct a process for nominating and electing persons for each vacancy in the elected membership of the Board of Governors that was created by a vacating member who was originally elected by the House of Representatives.

2. The Committee shall receive nominations from Thursday, May 31, 2007, through 12:00 Noon on Friday, June 1, 2007, to elect one person to fill one vacancy on the Board of Governors. Each Representative may nominate one person. In order for a person to have standing as a nominee, that person must be formally nominated by a member of the House of Representatives. Only a written nomination that includes all the requested information, which is submitted on the 2007 UNC Board of Governors Vacancy Nomination Form provided by the Chair of the Committee for that purpose, and that is received in the Office of the House Principal Clerk on or after Thursday, May 31, 2007, and no later than 12:00 Noon on Friday, June 1, 2007, shall constitute a formal nomination. Delivery to the Office of the House Principal Clerk by facsimile transmission or e-mail transmission shall not constitute a formal nomination of a candidate.

3. Every person who has been formally nominated shall file a completed North Carolina State Ethics Commission Statement of Economic Interest with the North Carolina State Ethics Commission to be received by the North Carolina State Ethics Commission no later than 12:00 Noon on Monday, June 4, 2007.

4. On or after Saturday, June 2, 2007, the Committee shall list all proposed nominees. The Committee shall screen the nominees as to their qualifications, experience, and statutory suitability. The Committee may screen nominees by interviewing or by soliciting written information or by both means. On completion of the screening process, the Committee shall conduct a vote to ensure that the slate of legally qualified nominees lists two legally qualified nominees if two or more were nominated.

(a) To qualify for the slate, a nominee must receive the votes of a majority of all members of the Committee present and voting.

(b) Each member of the Committee present and voting shall vote for two nominees for the slate if there are a sufficient number of nominees.

(c) If more than two nominees receive a majority vote of all members present and voting, the two nominees receiving the highest number of votes shall be the recommended nominees on the slate.

(d) If less than two nominees receive the votes of a majority of all members present and voting, a runoff to fill the slate shall be conducted among the nominees who received the highest number of votes cast; and the
number of nominees eligible to be voted on in the runoff shall be twice the number of vacant slate positions, if there are a sufficient number of nominees.

(e) If there is a tie for the vacant slate positions between nominees, all of the tied nominees shall be included in the next runoff balloting, even though there would be more than twice the number of nominees per vacant position.

5. Each nominee shall confirm his or her willingness to serve if elected. Any nominee may withdraw without the approval of the sponsor.

6. The Committee's nominees shall be placed before and recommended to the House of Representatives for election.

II. ELECTIONS IN THE HOUSE OF REPRESENTATIVES.

1. A ballot shall be prepared under the supervision of the Chair of the Committee for the use of the House of Representatives. The ballot shall list two legally qualified nominees if two or more were nominated.

2. The names of the nominees shall be arranged on the ballot by alphabetical order and shall list only the names of those nominees recommended by the Committee.

3. The House of Representatives shall hold its election no later than the beginning of the daily session on June 6, 2007. Before the voting begins, the Speaker of the House shall explain the voting rules, which are:

   (a) No nominations shall be received from the floor.

   (b) In order to be elected, a nominee must receive the votes of a majority of all members present and voting.

   (c) Each member present and voting shall vote for one nominee, and any ballot not so marked shall be deemed void.

   (d) If there is a tie for the vacant position between the two nominees, a runoff to fill the vacant position shall be conducted until a nominee receives the votes of a majority of all members present and voting.

4. The members of the House of Representatives shall proceed to mark their ballots for one person to fill the vacant position for a four-year term.

   Every ballot shall be signed by the member of the House of Representatives casting it, and no unsigned ballots shall be counted.

5. The Chair of the Committee is responsible for canvassing the vote and declaring the results and may designate members of the Committee to assist. All ballots shall be retained by the House Principal Clerk as part of the permanent records of the House of Representatives and shall be open for immediate public inspection upon adjournment of that day's session.

6. When the Chair of the Committee has determined that the House of Representatives has elected one person to fill the vacant position and serve as a member of the Board of Governors for a term of four years, the Speaker of the House of Representatives shall declare that person to have been elected to the Board of Governors by the House of Representatives. The
election of that person is provisional subject to the North Carolina State Ethics Commission's evaluation of the North Carolina State Ethics Commission Statements of Economic Interest of that person in accordance with Article 3 of Chapter 138A of the General Statutes.

7. The results of the election in the House of Representatives shall then be sent by Special Messenger to the Senate.

III. NOTIFICATION OF ELECTION RESULTS.

When the election process is complete, the Chair of the Committee shall notify the Secretary of the Board of Governors of the name of the person elected by the House of Representatives to fill the vacant position and the term for which the person was elected.

SECTION 2. This resolution is effective upon adoption.

H.R. 2051, A HOUSE RESOLUTION TO EXTEND THE CROSSOVER DEADLINE.

Be it resolved by the House of Representatives:

SECTION 1. Rule 31.1(d) of the Permanent Rules of the House of Representatives, as contained in House Resolution 423, 2007 Regular Session, reads as rewritten:

"(d) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills which would be required to be re-referred to the Appropriations or Finance Committee under Rule 38 or adjournment resolutions must be received and read on the floor of the House as a message from the Senate no later than Thursday, May 17, 2007; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule."

SECTION 2. This resolution is effective upon adoption.

H.R. 2066, A HOUSE RESOLUTION URGING THE SECRETARY OF THE NAVY TO HOLD A COMMISSIONING CEREMONY FOR THE NEW USS NORTH CAROLINA IN THE PORT OF WILMINGTON.

Whereas, the United States Navy has honored the State with four ships bearing the name of North Carolina; and

Whereas, the first USS North Carolina was a 74-gun ship that served from 1820 to 1836; the second North Carolina was a Tennessee-class armored cruiser that served from 1908 to 1921; and the third North Carolina was the first of the Navy's modern battleships, serving from 1940 to 1947, earning 12 battle stars for service during World War II, and currently serving as a memorial in Wilmington for all North Carolinians killed in World War II; and
Whereas, the new USS North Carolina (SSN 777) is a 377-foot, 7,800-ton attack submarine able to carry a crew of 134; and
Whereas, the USS North Carolina cost $2.4 billion and is part of the highly advanced Virginia-class submarines; and
Whereas, the USS North Carolina was christened in a ceremony at the Northrop Grumman Newport News Shipyard on April 21, 2007; and
Whereas, the USS North Carolina is expected to be delivered to the Navy in December 2007; and
Whereas, support is mounting to hold a commissioning ceremony for the USS North Carolina in the Port of Wilmington; Now, therefore,
Be it resolved by the House of Representatives:

SECTION 1. The North Carolina House of Representatives urges the Secretary of the Navy to hold a commissioning ceremony for the new USS North Carolina in the Port City of Wilmington during the Spring of 2008.

SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to The Honorable Donald C. Winter, Secretary of the Navy.

SECTION 3. This resolution is effective upon adoption.

Whereas, Richard Caswell was an early and effective leader of the Patriot cause in the American Revolution; and
Whereas, Richard Caswell represented North Carolina at both Continental Congresses and served in all five Provincial Congresses; and
Whereas, Richard Caswell commanded the Patriot forces in the important early victory over the Loyalists at the Battle of Moore's Creek Bridge in February 1776, thus becoming one of North Carolina's first heroes; and
Whereas, Richard Caswell served throughout the American Revolution as commander of the North Carolina cavalry; and
Whereas, Richard Caswell ultimately served as Major General of the North Carolina Militia during the American Revolution; and
Whereas, Richard Caswell chaired the committee that drafted the first North Carolina Constitution; and
Whereas, Richard Caswell served as the first Governor of the State of North Carolina; and
Whereas, Richard Caswell still holds the distinction of having served more terms than any other Governor of our State; and
Whereas, Richard Caswell served North Carolina in many other significant and progressive leadership roles as well; Now, therefore,
Be it resolved by the House of Representatives:
SECTION 1. The North Carolina House of Representatives honors the memory of Richard Caswell for the service he rendered the State of North Carolina.

SECTION 2. The North Carolina House of Representatives wishes to recognize the month of August 2007, the month in which the Governor Richard Caswell Memorial State Historic Site will be reopened, as Governor Richard Caswell Month to honor this important patriot and the first Governor of North Carolina.

SECTION 3. This resolution is effective upon adoption.

Office of the Speaker
TO THE HONORABLE MEMBERS OF THE NORTH CAROLINA HOUSE OF REPRESENTATIVES

HOUSE SELECT COMMITTEE TO INVESTIGATE ALLEGED MISCONDUCT AND OTHER MATTERS INCLUDED IN INDICTMENTS AGAINST REPRESENTATIVE THOMAS E. WRIGHT

Whereas, the State Board of Elections conducted a hearing on May 15, 2007, to consider allegations and evidence of alleged violations by Representative Thomas E. Wright of campaign finance regulations and other possible criminal wrongdoing; and
Whereas, after that hearing the State Board of Elections referred the matter to the Wake County District Attorney to consider criminal charges against Representative Wright; and

Whereas, on May 21, 2007, the Speaker requested the Legislative Ethics Committee investigate the alleged violation of the Legislative Ethics Act or the criminal law, or both, by Representative Wright; and

Whereas, on December 10, 2007, the Wake County Grand Jury indicted Representative Wright on six felony charges: five of obtaining property by false pretenses and one of obstruction of justice; and

Whereas, on December 12, 2007, the Legislative Ethics Committee made to the House of Representatives and to the Speaker of the House of Representatives the following initial report of that Committee’s findings in its ongoing investigation:

"The Legislative Ethics Committee has considered the indictments rendered by the grand jury sitting in Wake County in the matter of State of North Carolina v. Thomas E. Wright, contained in criminal files 07 CRS 84372, 84373, 84374, 84375, 84376 and 84377, charging felonies of obtaining property by false pretenses and a felony of obstruction of justice with respect to campaign finance reports.

Having considered the evidence presently available to it and having assumed that evidence to be true, the Committee has concluded that under the Legislative Ethics Act as it existed at the time the matters in these indictments are alleged to have occurred, the Committee's jurisdiction under the then existing law would not reach the matters alleged in the indictments.

However, the Committee finds that, if true, the acts alleged in the indictments are unethical and warrant such action as the House of Representatives may determine.

The Committee refers the specific matters contained in Wake County criminal files 07 CRS 84372, 84373, 84374, 84375, 84376 and 84377 to the North Carolina House of Representatives for such action as the House deems appropriate under Article II, § 20, of the North Carolina Constitution. The Committee notes that the jurisdiction of the House of Representatives in this matter is broader than that which is statutorily granted to the Committee under the former Legislative Ethics Act."; and
Whereas, the Legislative Ethics Committee continues to have jurisdiction over matters related to its powers under Article 14 of Chapter 120 and the conduct of Representative Wright and may make further reports to the House of Representatives and the Speaker of the House of Representatives; and

Whereas, Article II, Section 20, of the North Carolina Constitution requires each house of the General Assembly to be the judge of the qualifications of its members; and

Whereas, Article VI, Section 8, of the North Carolina Constitution provides that a member of the General Assembly is disqualified from his or her office if adjudged guilty of treason, any other felony, or corruption or malpractice in any office; and

Whereas, the House of Representatives possesses the inherent power of a legislative body to discipline its members for violations of its rules, for unlawful behavior, for unethical conduct, for corruption or malpractice in office, for violations of the oath of office, and for offenses injurious to the House; and

Whereas, it is now necessary for the House of Representatives to investigate the matters alleged in the indictments against Representative Wright and other allegations of misconduct in order to determine their truth and, if so, to determine his qualifications to continue to hold office as a member of the House of Representatives as required by the Constitution; and

Whereas, it is now necessary for the House of Representatives to investigate the matters alleged in the indictments against Representative Wright and other allegations of misconduct in order to determine their truth and, if so, to determine whether his conduct violates the rules of the House, violates his oath of office, is unlawful or unethical, is corrupt or constitutes malpractice in office, is abuse of office, or is injurious to the House, and whether within the inherent powers to discipline its members the House of Representatives shall impose any sanctions against Representative Wright;

Now therefore,

Section 1. The House Select Committee to Investigate Alleged Misconduct and Other Matters Included in Indictments Against Representative Thomas E. Wright is established by the Speaker as a select committee of the House pursuant to G.S. 120-19.6(a) and Rule 26(a) of the Rules of the House of Representatives of the 2007 General Assembly.

Section 2. The Select Committee consists of six House members. The individuals listed below are appointed as members of the Select Committee. Members serve at the pleasure of the Speaker of the House of Representatives.

Representative Rick Glazier, Chair
Representative Paul Stam, Vice Chair
Representative Marvin W. Lucas
Section 3. The Select Committee shall investigate the matters reflected in the attached indictments against Representative Thomas E. Wright and other allegations of possible unethical or unlawful conduct that are outside the jurisdiction of the Legislative Ethics Committee applying the substantive law in effect before January 1, 2007. The Select Committee shall also investigate any additional matters referred to it by the Speaker upon a report of the Legislative Ethics Committee.

Section 4. The Select Committee shall conduct a preliminary investigation to determine whether there is probable cause that Representative Wright has committed unethical or unlawful conduct. The Select Committee shall notify Representative Wright of its determination and any charges against him. If the Select Committee determines there is probable cause to proceed, it shall conduct an evidentiary hearing to determine whether Representative Wright's conduct was unethical or unlawful and constitutes grounds for sanctions by the House of Representatives. If the Select Committee finds that the conduct was not unethical or unlawful or that no sanctions are warranted, the Select Committee shall report this to the House of Representatives and to Representative Wright. If the Select Committee determines that Representative Wright's conduct was unethical or unlawful and that sanctions should arise, the Select Committee shall report its Findings to the House of Representatives and to Representative Wright. The report shall also include recommended legislation for appropriate action, which may include reprimand, censure, or expulsion.

Section 5. The Select Committee shall promptly adopt rules of procedure, a copy of which shall be delivered to Representative Wright. To the extent practical, the Select Committee shall conduct its work in concert with the work of the Legislative Ethics Committee.

Section 6. Representative Wright has the right to be present, present evidence, cross-examine witnesses, and to be represented by legal counsel at any evidentiary hearing of the Select Committee.

Section 7. The Select Committee may meet during the interim period or during sessions upon the call of its chair.

Section 8. The Select Committee is vested with the authority contained in Article 5A of Chapter 120 of the General Statutes.
Section 9. The Legislative Services Officer shall assign professional and clerical staff to assist the Select Committee in its work. The Director of Legislative Assistants of the House of Representatives shall assign clerical support staff to the Select Committee.

Section 10. Members of the Select Committee shall receive per diem, subsistence, and travel allowance at the rate established in G.S. 120-3.1.

Section 11. The expenses of the Select Committee are considered expenses incurred for the operation of the House of Representatives and shall be paid pursuant to G.S. 120-35 from funds available to the House of Representatives for its operations. Individual expenses of $5,000 or less, including per diem, travel, and subsistence expenses of members of the Select Committee, and clerical expenses shall be paid upon the authorization of the chair of the Select Committee. Individual expenses in excess of $5,000 shall be paid upon the written approval of the Speaker of the House of Representatives. The Select Committee may arrange for or contract for professional, clerical, or consultant services, as approved by the Speaker of the House of Representatives.

Section 12. The Select Committee shall continue until dissolved by the Speaker of the House of Representatives. The Speaker of the House of Representatives may dissolve the Select Committee at any time.

Effective this 13\textsuperscript{th} of December, 2007.

(The conference committee substitute version of this bill [CRLB-150 V.2] was ratified on August 2, 2007 and vetoed by the Governor on August 30, 2007)

AN ACT TO CREATE THE JOB MAINTENANCE AND CAPITAL DEVELOPMENT FUND.

The General Assembly of North Carolina enacts:
SECTION 1. Part 2 of Article 10 of Chapter 143B of the General Statutes is amended by adding a new section to read:

(a) Findings. – The General Assembly finds that:

(1) It is the policy of the State of North Carolina to stimulate economic activity, to maintain high-paying jobs for the citizens of the State, and to encourage capital investment by encouraging and promoting the maintenance of existing business and industry within the State.

(2) The economic condition of the State is not static, and recent changes in the State's economic condition have created economic distress that requires the enactment of a new program as provided in this section that is designed to encourage the retention of significant numbers of high-paying jobs and the addition of further large-scale capital investment.

(3) The enactment of this section is necessary to stimulate the economy and maintain high-quality jobs in North Carolina, and this section will promote the general welfare and confer, as its primary purpose and effect, benefits on citizens throughout the State through the maintenance of high-quality jobs, an enlargement of the overall tax base, continued diversity in the State's industrial base, and an increase in revenue to the State's political subdivisions.

(4) The purpose of this section is to stimulate economic activity and to maintain high-paying jobs within the State while increasing the property tax base for local governments.

(b) Fund. – The Job Maintenance and Capital Development Fund is created as a restricted reserve in the Department of Commerce. Monies in the Fund do not revert but remain available to the Department for these purposes. The Department may use monies in the Fund only to encourage businesses to maintain high-paying jobs and make further capital investments in the State as provided in this section.

(c) Definitions. – The definitions in G.S. 143B-437.51 apply in this section. In addition, as used in this section, the term 'Department' means the Department of Commerce.

(d) Eligibility. – A business that satisfies all of the following conditions is eligible for consideration for a grant under this section:
The Department certifies that the business intends to invest at least two hundred million dollars ($200,000,000) of private funds in the project within the five-year period commencing January 1, 2007, in improvements to real property and additions to tangible personal property used in the business.

The project employs at least 2,000 full-time employees or equivalent full-time contract employees at the establishment that is the subject of the grant at the time the application is made, and the business agrees to maintain at least 2,000 full-time employees or equivalent full-time contract employees at the establishment for the full term of the grant agreement.

The project is located in a development tier one area at the time the business applies for a grant.

Health Insurance. – A business is eligible for consideration for a grant under this section only if the business makes available health insurance for all of the full-time employees of the project with respect to which the application is made. For the purposes of this subsection, a business makes available health insurance if it pays at least fifty percent (50%) of the premiums for health care coverage that equals or exceeds the minimum provisions of the basic health care plan of coverage under G.S. 58-50-125.

Each year that a grant agreement under this section is in effect, the business shall provide the Department a certification that the business continues to make available health insurance for all full-time employees of the project governed by the agreement. Failure of the business to satisfy the requirements of this subsection shall result in recapture of a portion of the grant proceeds as provided in the grant agreement.

Safety and Health Programs. – A business is eligible for consideration for a grant under this section only if the business has no citations under the Occupational Safety and Health Act that have become a final order within the last three years for willful serious violations or for failing to abate serious violations with respect to the location for which the grant is made. For the purposes of this subsection, ‘serious violation’ has the same meaning as in G.S. 95-127.

Environmental Impact. – A business is eligible for consideration for a grant under this section only if the business has no pending administrative, civil, or criminal enforcement action based on alleged significant violations of any program implemented by an agency of the Department of Environment and Natural Resources, and has had no final determination of responsibility for any significant administrative, civil, or criminal violation of any program implemented by an agency of the Department of Environment and Natural Resources within the last three years.
years with respect to the location for which the grant is made. For the purposes of this subsection, a significant violation is a violation or alleged violation that does not satisfy any of the conditions of G.S. 143-215.6B(d).

(h) Selection. – The Department shall administer the selection of projects to receive grants under this section. The selection process shall include the following components:

(1) Criteria. – The Department shall develop criteria to be used to identify and evaluate eligible projects for possible grants under this section.

(2) Initial evaluation. – The Department shall evaluate projects to determine if a grant under this section is merited and to determine whether the project is eligible and appropriate for consideration for a grant under this section.

(3) Application. – The Department shall require a business to submit an application in order for a project to be considered for a grant under this section. The Department shall prescribe the form of the application, the application process, and the information to be provided, including all information necessary to evaluate the project in accordance with the applicable criteria.

(4) Committee. – The Department shall submit to the Economic Investment Committee the applications for projects the Department considers eligible and appropriate for a grant under this section. The Committee shall evaluate applications to choose projects to receive a grant under this section. In evaluating each application, the Committee shall consider all criteria adopted by the Department under this section and, to the extent applicable, the factors set out in Section 2.1(b) of S.L. 2002-172.

(5) Findings. – The Committee shall make all of the following findings before recommending a project receive a grant under this section:

b. A grant under this section for the project is necessary to carry out the public purposes provided in subsection (a) of this section.

c. The project is consistent with the economic development goals of the State and of the area where it is located.

d. The affected local governments have participated in retention efforts and offered incentives in a manner appropriate to the project.
e. A grant under this section is necessary for the sustainability and maintenance of the project in this State.

(6) Recommendations. – If the Committee recommends a project for a grant under this section, it shall recommend the amount of State funds to be committed, the preferred form and details of the State participation, and the performance criteria and safeguards to be required in order to protect the State's investment.

(i) Agreement. – Unless the Secretary of Commerce determines that the project is no longer eligible or appropriate for a grant under this section, the Department shall enter into an agreement to provide a grant or grants for a project recommended by the Committee. Each grant agreement is binding and constitutes a continuing contractual obligation of the State and the business. The grant agreement shall include the performance criteria, remedies, and other safeguards recommended by the Committee or required by the Department. Each grant agreement shall contain a provision prohibiting a business from receiving a payment or other benefit under the agreement at any time when the business has received a notice of an overdue tax debt and the overdue tax debt has not been satisfied or otherwise resolved. A grant agreement may obligate the State to make a series of grant payments over a period of up to 10 years. Nothing in this section constitutes or authorizes a guarantee or assumption by the State of any debt of any business or authorizes the taxing power or the full faith and credit of the State to be pledged.

The Department shall cooperate with the Attorney General's Office in preparing the documentation for the grant agreement. The Attorney General shall review the terms of all proposed agreements to be entered into under this section. To be effective against the State, an agreement entered into under this section shall be signed personally by the Attorney General.

(i) Safeguards. – To ensure that public funds are used only to carry out the public purposes provided in this section, the Department shall require that each business that receives a grant under this section shall agree to meet performance criteria to protect the State's investment and ensure that the projected benefits of the project are secured. The performance criteria to be required shall include maintenance of an appropriate level of employment at specified levels of compensation, maintenance of health insurance for all full-time employees, investment of a specified amount over the term of the agreement, and any other criteria the Department considers appropriate. The agreement shall require the business to repay or reimburse an appropriate portion of the grant based on the extent of any failure by the business to meet the performance criteria.
(k) Monitoring and Reports. – The Department is responsible for monitoring compliance with the performance criteria under each grant agreement and for administering the repayment in case of default. The Department shall pay for the cost of this monitoring from funds appropriated to it for that purpose or for other economic development purposes.

Within two months after the end of each calendar quarter, the Department shall report to the Joint Legislative Commission on Governmental Operations regarding the Job Maintenance and Capital Development Fund. This report shall include a listing of each grant awarded and each agreement entered into under this section during the preceding quarter, including the name of the business, the cost/benefit analysis conducted by the Committee during the application process, a description of the project, and the amount of the grant expected to be paid under the agreement during the current fiscal year. The report shall also include detailed information about any defaults and repayment during the preceding quarter. The Department shall publish this report on its Web site and shall make printed copies available upon request.

(l) Limitations. – The Department may enter into no more than five agreements under this section. The total aggregate cost of all agreements entered into under this section may not exceed forty million dollars ($40,000,000), and the annual aggregate cost of all agreements entered into under this section may not exceed four million dollars ($4,000,000). The total annual cost of an agreement entered into under this section may not exceed the lesser of four million dollars ($4,000,000) or fifty percent (50%) of the withholding of the full-time employees for the preceding year."

SECTION 2. There is appropriated from the General Fund to the Job Maintenance and Capital Development Fund, created under Section 1 of this act, the sum of four million dollars ($4,000,000) for the 2008-2009 fiscal year.

SECTION 3. G.S. 150B-1(d) is amended by adding a new subdivision to read:

"(d) Exemptions from Rule Making. – Article 2A of this Chapter does not apply to the following:

14 The Department of Commerce and the Economic Investment Committee in developing criteria and administering the Job Maintenance and Capital Development Fund under G.S. 143B-437.11,"
SECTION 4. This act becomes effective July 1, 2007.
In the General Assembly read three times and ratified this the 2nd day of August, 2007.

INDEX GUIDE

The North Carolina General Statutes titles form the basis for these indices. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. Bills included in whole or in part in other measures are reflected as such, if known.

All bills dealing with funds are indexed under Appropriations. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the Member's name with an asterisk (*) noting that person as the primary sponsor.
