SEVENTY-SEVENTH DAY

HOUSE OF REPRESENTATIVES
Wednesday, June 10, 2009

The House meets at 3:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Bob Inskeep, Associate Pastor, First Presbyterian Church, Raleigh, North Carolina.

"Lord, I thank You I am not a Representative.

"Lord, You know I'm not smart enough to look at all these numbers and figure out which investments are absolutely essential and which might be superfluous.

"And I don't presume to know how to produce more income from those who could pay, and not burden those who cannot.

"And Lord, I'm not sure I have the courage to look a constituent in the eye who lost a vital service - whose life is jeopardized because of a decision I made.

"And so all we can do is what one of the wisest men ever did…Solomon didn't pray to win the lottery or be the most powerful…He prayed for wisdom.

"Lord, grant these Representatives wisdom…wisdom to do the right thing, the compassionate thing…and then the courage and hope to bring this Goodliest Land to a better day.

"Lord, bless them and keep them, I pray. Amen."

Representative Owens, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of June 9 has been examined and found correct. Upon his motion, the Journal is approved as written.

A leave of absence is granted Representative Carney for today.

HOUSE OF REPRESENTATIVES
Thursday, June 11, 2009

The House meets at 11:00 a.m. pursuant to adjournment and is called to
order by the Speaker.

The following prayer is offered by Rabbi Ariel Edery, Beth Shalom,
Raleigh, North Carolina.

"We pray for all who hold positions of leadership and responsibility in
our Nation and in our community: may God’s blessing and inspiration rest
upon them. May God bless us all with peace and contentment.

"But we cannot simply pray to You, O God, to end despair; for You
have already given us the power to end poverty and homelessness, and to
build hope, if we would only use our resources justly.

"We cannot merely pray to You, O God, to end hunger; for You have
already given us the resources with which to feed the entire world, if we
would use them wisely.

"We cannot merely pray to You, O God, to end disease; for You have
already given us great minds with which to search out cures and healing, if
we would only use them fully and constructively.

June 11, 2009
"We cannot simply pray to You, O God, to end conflict; for we know that You have made the world in a way that we must find our own path to peace, within ourselves and with our neighbors.

"And we cannot merely pray to You, O God, to produce happiness; for You have already given us the hands, the hearts, and the minds we can use to build our communities strong, and bring prosperity.

"So, therefore, we pray to You instead, O God, for strength and determination; for wisdom and will power; to do and not just to pray, to become instead of to wish; that our land may be safe, that our lives and our communities may be blessed.

"May God, who makes harmony and peace on the heavens, bring peace and happiness to us, and to all. Amen."

Pursuant to Article II, Section 18 of the North Carolina Constitution,
Representative Lewis submits the following protest:

**PROTEST**

23 June 2009

Ms. Denise Weeks
The Principal Clerk of House of Representatives
16 West Jones Street
Raleigh, North Carolina 27601

June 23, 2009
Madame Clerk,

Pursuant to Article II, Section 18 of the Constitution of the State of North Carolina which reads: "Any member of either house may dissent from and protest against any act or resolve which he may think injurious to the public or to any individual, and have the reasons of his dissent entered on the journal," I hereby enter protest against the actions of the House of Representatives to end debate on Senate Bill 526 while duly elected Members of the House sought recognition to debate the matter.

I, as Representative for the 53rd House District, sought to offer the following remarks which I believe would have had bearing on the vote tally:

"All children deserve the right to learn in a safe environment so they can maximize their potential.

Let me be clear, I concur with State School Board Chairman Howard Lee when he said recently 'Bullying is bullying. I don’t care who it is against and under what circumstances.'

Frightening, hurting, intimidating, or in other way making any child feel inferior, anxious or fearful for any reason is wrong. All children deserve the very best education and educational experience we can possibly provide. All children deserve, and we have a responsibility to make sure that all children receive the education they need to live up to their absolute fullest potential.

Establishing any categories, no matter how well intentioned, implies that some bullying is worse or more harmful than other forms. It also forces our teachers and administrators to 'profile' students and determine what protected class they may fall into. Instead, they just need to stop the bullying, protect the bullied and punish the bully.

The law should be about protecting children. I simply think all children are worthy of such protection without classification."

I think the passage of this Bill is injurious to the public. Using parliamentary tactics to end debate is offensive and undemocratic. Using further parliamentary maneuvers to prevent reconsideration of the matter is also abuse of power.

Respectfully submitted,

David R. Lewis
Representative

No bills having been presented for ratification, the House stands adjourned at 5:30 p.m.

EIGHTY-SIXTH DAY

HOUSE OF REPRESENTATIVES

The House meets at 3:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend John Franklin Howard, Ardmore United Methodist Church, Winston-Salem, North Carolina:

"God of the Universe and our Heavenly Father:

"You have blessed us all with the gift of this new day of life; with the beautiful planet on which we live; and with the gift to live our lives in the State of North Carolina.

"I am blessed to be here today in the presence of these leaders, elected by the people of our great State, who represent me, and all of the citizens of North Carolina, who live from the mountains to the coast.

"You have chosen them for this work, at this crucial time in our State's history. We the people of North Carolina, are counting on them. Help them to feel the weight of the responsibility entrusted to them. Let them know that they do not bear this weight alone. Assure them in their hearts that they are here to serve Your greater purposes, and that this day, and every day, they will have Your presence and power, to equip them, and guide them.

"Give them confidence, that together with You, they will lead the people of North Carolina through the challenging days ahead, and into a bright future. Amen."

HOUSE OF REPRESENTATIVES

Thursday, June 25, 2009

The House meets at 1:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Lin Carter, First Baptist Church, Raleigh, North Carolina:

"Dear God:

"This week as I have worked daily with the children of our church I have been reminded of the basic desires of life-safety, happiness, friendship, laughter. God, You created the world in such a way that children often remind us of what is truly important. Their innocence and their honesty move us and inspire us, especially when accompanied by hugs and gifts and even compliments. As adults, we live in the world of business, power, and politics. We often become distracted from the fundamentals of life by the enormity of the tasks we perform. My prayer for these leaders today is that You would grant them perspective, vision, and child-likeness as they serve the people of our great State. Amen."

**EIGHTY-EIGHTH DAY**

HOUSE OF REPRESENTATIVES

Monday June 29, 2009

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Dr. Robert Sawyer, Senior Rector, Church of the Good Shepherd, Raleigh, North Carolina:

"As the House of Representatives gathers in Session this evening, Heavenly Father, we begin the week leading to the 233rd birthday of our country. On July 4, 1776, our forefathers adopted the Declaration of Independence containing those words that have become symbolic of the light of freedom for the world: 'We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness.' (From the Declaration of Independence)

"Tonight I give thanks for the gift of life. All of us in this Chamber have been nurtured by those who have loved us and enabled us to understand and use the special gifts that each of us has been given. Individually these gifts have helped us to become the unique men and women that we are today. Corporately these gifts enable us to live lives that are focused beyond ourselves. May we pledge ourselves this day to use our gifts not for personal gain and privilege but for the betterment of our beloved State and the lives of all of the people of North Carolina. This we ask in Your Holy Name. Amen."

June 29, 2009
The Speaker leads the Body in the Pledge of Allegiance.

"Eternal Father:

"This week as we gather in this House we are reminded each day of the 'unalienable rights' of 'life, liberty, and the pursuit of happiness' so eloquently proclaimed in the Declaration of Independence. In one of the great hymns of our Nation written by Samuel Francis Smith we sing, 'My country, tis of thee, sweet land of liberty, of thee I sing; land where my father died, land of the pilgrims pride, from every mountainside, let freedom ring.' (Hymn 717 from the Hymnal 1982 of the Episcopal Church)"

June 30, 2009
"On this last day of June 2009 let us give thanks for our liberty and the opportunities that we have in our daily lives as free people living in the State of North Carolina. May the way that we live our lives be a manifestation of the true meaning of liberty which calls us to reach out in love and concern for others. And may each of the Representatives gathered here today know in their hearts and minds that in all that they do in the legislative process they serve as defenders of the liberty that we hold so dear.

"We ask Your special blessing upon all that takes place in this Chamber today and throughout this week. In Your Holy Name we pray. Amen."

NINetieth Day

HOUSE OF REPRESENTATIVES
Wednesday, July 1, 2009

The House meets at 2:30 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Dr. Robert Sawyer, Senior Rector, Church of the Good Shepherd, Raleigh, North Carolina:

July 1, 2009
"Dear Lord:

"Once again today we are reminded of those 'unalienable rights' of 'life, liberty, and the pursuit of happiness' that have fueled the light of Democracy in our country for 233 years. Our Founding Fathers saw God's Divine Providence at work in all that was taking place and in the rights we are remembering this week. The Psalmist of the Old Testament sums up how these rights are to be lived into when he proclaims, 'On this day the Lord has acted; we will rejoice and be glad in it.' (Psalm 118:24)

"Therefore, on this first day of July 2009 let us give thanks for the right of the Pursuit of Happiness. While each of us may have a different understanding of what these words mean for our own individual lives, let us hold fast to what they mean corporately for the State of North Carolina, that is, to be a State where all of our citizens have a sense of well-being and are empowered to live lives which bring a true sense of meaning to them.

"We ask that all we do in the legislative process may work toward the building up of our State in such a way that North Carolina will always be a place where people will desire to come and live and find a true and fulfilling sense of happiness throughout their lives. In Your Holy Name we pray. Amen."

"Eternal Father:

"As we prepare to end this week's work in the House we remember once more those 'unalienable rights' of 'life, liberty, and the pursuit of happiness,' and pray that we may never take them for granted. We give thanks to those who signed the Declaration of Independence, especially William Hooper, Joseph Hewes, and John Penn of North Carolina, men who willingly risked all that they had to make these rights available to all.

"Over the years outstanding young men and women have come from Murphy to Manteo, raised their right hand and promised to defend these rights that we hold so dear. They continue to come, some of our best and brightest, and on this July 4th weekend many of them now stand in Harm's Way. On this day we offer special prayers for them, praying, in the words of The Book of Common Prayer (page 823), that Lord You will, '... defend them day by day with Your heavenly grace; strengthen them in their trials and temptations; (and) give them courage to face the perils which beset them ...'. And on behalf of all of us who have worn the uniforms of the Armed Forces of our country I offer special thanks for each of them and wish them 'Fair Winds and Following Seas,' wherever they may be.

"Finally Lord, on a personal note, I give thanks for the privilege of offering prayers this week in this hallowed hall for these dedicated and faithful men and women elected to serve as Representatives in this House and for the staff of the House, for the Pages, and for the Sergeants-at-Arms. May Your blessing be upon each of them this day and forever more. In Your Holy Name we pray. Amen."

HOUSE OF REPRESENTATIVES

The House meets at 3:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Lisa Yebuah, Associate Pastor, Edenton Street United Methodist Church, Raleigh, North Carolina:

"O Holy One:

"It is with a great sense of gratitude that we pause this afternoon to thank You for the beauty of this day, for the bounty of our blessings, and for the breath within us. We humbly acknowledge Your presence in the midst of our lives and now welcome Your sustaining power as we enter into a time of work. Gently remind us that we are to lead lives of consequence, not counting the cost, but always seeking to share our gifts in care and concern for the world. O God, as Your servants begin their work, may their words be saturated with grace, though not lacking in zeal. May they be authentic to their specific callings, though not inflexible. And grant that all of us who are gathered in this place would be good stewards of the gifts that You have placed within them and caretakers of the gifts that You have placed within their neighbors. Bless and strengthen us and forever keep them in Your care. Amen."

May we catch glimpses of our best selves as we do our work and help us to encounter You in one another. NINETY-SIXTH DAY

HOUSE OF REPRESENTATIVES
Monday, July 13, 2009

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Bruce E. Stanley, Methodist Home for Children, Raleigh, North Carolina:

"O Lord of us all, assure us of Your presence with us.

"As we with uncertain steps look for wisdom, we have forgotten that You alone are wise and that we need only walk with You in order for wisdom to be present in us.

"As contentious words challenge our capacity to cooperate, we have forgotten that in You is unity and we need to have You first within our hearts for consensus to prevail.

"As fear of scarcity and diminished resources overwhelm us, we have forgotten that You are a generous God whose gracious supply has never failed and if we look to You enough will be present.

"Remind us again that the God who is only wise still speaks...

"Remind us again and again that God who is One still joins hearts in common purpose...

July 13, 2009
"Remind us again and again and again that God who is abundant still opens the storehouses of heaven and more than ample provision is available to us even now...

"Forgive our doubting, remind us that You remain with us and reign over us. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

The following prayer is offered by the Reverend John Hartman, Wake Forest Presbyterian Church, Wake Forest, North Carolina:

"Almighty God:

"We thank You for this gathering this evening and for the privilege we have in serving Your people as we work and wrestle together in our State's capital.

"We especially thank You for those men and women whom You have called to hold public office and work in governmental affairs for this great State.

"We ask that You bless each one of them in all the things they think, and do, and say.

"Give to each one of them the vision of Abraham, the leadership of Moses, the courage of David, the wisdom of Solomon, the loyalty of Ruth, the patience of Job, the humility of Mary, the mind of Paul - and then, a heart and compassion like that of Jesus Christ.

"God, help all of these men and women to use their authority for righteousness' sake; that in serving You faithfully, they may promote the common good for all of the people of North Carolina.

"And we pray all these things in God's holy name and love. Amen."

ONE HUNDRED FOURTH DAY

HOUSE OF REPRESENTATIVES
Monday, July 27, 2009

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Lisa Yebuah, Associate Pastor, Edenton Street United Methodist Church, Raleigh, North Carolina:

July 27, 2009
"Loving God:

"We are reminded of the beautiful words of Saint Augustine, that our 'hearts are restless until they find rest in You', and so this evening, we first invite You to offer us the gentleness of Your spirit to give our hearts peace. We know that for many who work outside of these walls, this is the hour that they will begin to settle into the quiet of the day, but that is not Your will for us. Instead, You have gathered us here to engage in work that oftentimes seems beyond us and that presents challenges at every turn. Tonight, none of us know exactly what needs will be birthed out of the tasks before us, so we simply ask that You grant us just enough strength to physically empower our bodies; grant us just enough focus to do our work as though this were the first hour; grant us just enough encouragement to do our work as though we believe in it; grant us just enough commitment to work as though we are being watched by those who believe this work is held in sacred trust; grant us just enough humility to recognize when we need to whisper 'sorry' to our colleagues; and grant us just enough grace that when we have failed You or our neighbors, to know that You will not fail to restore us. Make some of us into risk-takers and make others of us into visionaries, but, O God, make all of our work what You intend it to be - beautiful and to Your glory. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

Representative Owens, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 23 has been examined and found correct. Upon his motion, the Journal is approved as written.

"These Legislators are here to serve, to implement those divine principals of justice and fairness and compassion.

"In the Words of that Bible Proverb:
'Those who oppress the poor insult their Maker,
but those who are kind to the needy honor him.' (Proverbs 14:31)

"And yet, by this time, they cry out the Proverb of lament:
'I am weary, O God. How can I prevail?' (Proverbs 30:1)

"Lord, continue to give them the strength to wrestle with the Gordian knot called 'the budget', and then to deal with other issues they never knew they'd have to think about! May they continue to learn from their colleagues who have completely different opinions. May we all learn from each other and contribute our little bit of knowledge to the body's effort to make the best decisions for the benefit of all.

"Lord, grant them wisdom, perseverance, courage, patience...and hope. Amen."

"Holy and Gracious God:

"We pause at the beginning of this afternoon's Session to give You thanks and praise for the beauty of creation, for the goodness of this day, for the work You call us to do. Our days have grown long, our discussions difficult, but even in the midst of challenge, we are mindful of the importance of the decisions we make on behalf of the people of North Carolina and the responsibility we have to work for the common good of Your people.

"Troubled times call for strong, servant leadership. So we pray for clear discernment around the issues of our budget process. Grant us wisdom; grant us courage and grant us clarity of purpose. Help us remember the call to do no harm, but to do good wherever and whenever we can.

"Forgive our failings and our shortcomings. Bless the work we have begun and in Your mercy and grace, make good its defects. May our work be pleasing unto You and acceptable to those constituents whom we serve, those whose lives will bear the consequences of the decisions made here.

"This is too heavy a burden to carry alone, so Lord, grant to us Your strength - emotional, physical, spiritual - for the living of these days. Keep us at this work with kindness, good humor and a unity of spirit, that we may persevere in righteousness to the end of this task. Guide our steps and uphold us in Your Spirit. Grant to us Your peace.

"This we pray in the name of all that is honorable, just, good and true. Amen."

ONE HUNDRED SEVENTH DAY

HOUSE OF REPRESENTATIVES
Thursday, July 30, 2009

The House meets at 11:00 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Penny Dollar Farmer, Senior Minister, Alliance and Arapahoe United Methodist Charge, Arapahoe, North Carolina:

"Dear God:

"We gather in this very holy and sacred place, a place where much work is done for Your good, by these people gathered here, and so many others who are not present this afternoon. We thank You, Oh God, for the responsibility You give to each of these men and women, for the honor that they receive from those in their communities, believing indeed, that they are women and men of strong conviction, of wise thinking, of good expression.

July 30, 2009
"We thank You, for these people, and we ask You to be with them, to lift from their shoulders the many burdens that they carry every day personally, concerns for family and friends, concerns for health and wholeness. Please be with them, and allow all of those burdens to be lifted as they put upon their shoulders this mantle of government. We know, indeed, their decisions must be true and must be patient.

"We thank You, Oh God, for strengthening them, for giving them the wisdom in days that are very difficult, and in times that are very long and trying. Give them peace in all of their work, that they may know as they speak and listen, as they deliberate, and as they make their decisions that You are with them, that You indeed will guide and strengthen them. Allow this day for them, to be a day of completion, a day of satisfaction, and a day of joy. Amen."

Representative Ross, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 29 has been examined and found correct. Upon her motion, the Journal is approved as written.

Leaves of absence are granted Representatives Adams, Boles, Love, McComas, McElraft, and Owens for today. Representatives Gill, Lewis, and Mills are excused for a portion of the Session.

"SECTION 23. G.S. 163-227.2(g) reads as rewritten:
"(g) Notwithstanding any other provision of this section, a county board of elections by unanimous vote of all its members may provide for one or more sites in that county for absentee ballots to be applied for and cast under this section. Every individual staffing any of those sites shall be a member or full-time employee of the county board of elections or an employee of the county board of elections whom the board has given training equivalent to that given a full-time employee. Those sites must be approved by the State Board of Elections as part of a Plan for Implementation approved by both the county board of elections and by the State Board of Elections which shall also provide adequate security of the ballots and provisions to avoid allowing persons to vote who have already voted. The Plan for Implementation shall include a provision for the presence of political party observers at each one-stop site equivalent to the
provisions in G.S. 163-45 for party observers at voting places on election day. A county board of elections may propose in its Plan not to offer one-stop voting at the county board of elections office; the State Board may approve that proposal in a Plan only if the Plan includes at least one site reasonably proximate to the county board of elections office and the State Board finds that the sites in the Plan as a whole provide adequate coverage of the county's electorate. If a county board of elections has considered a proposed Plan or Plans for Implementation and has been unable to reach unanimity in favor of a Plan, a member or members of that county board of elections may petition the State Board of Elections to adopt a plan for it. If petitioned, the State Board may also receive and consider alternative petitions from another member or members of that county board. The State Board of Elections may adopt a Plan for that county. The State Board, in that plan, shall take into consideration factors including geographic, demographic, and partisan interests of that county.

(g1) The State Board of Elections shall not approve, either in a Plan approved unanimously by a county board of elections or in an alternative Plan proposed by a member or members of that board, a one-stop site in a building that the county board of elections is not entitled under G.S. 163-129 to demand and use as an election-day voting place, unless the State Board of Elections finds that other equally suitable sites were not available and that the use of the sites chosen will not unfairly advantage or disadvantage geographic, demographic, or partisan interests of that county.

In providing the site or sites for one-stop absentee voting under this section, the county board of elections shall make a request to the State, county, city, local school board, or other entity in control of the building that is supported or maintained, in whole or in part, by or through tax revenues at least 90 days prior to the start of one-stop absentee voting under this section. The request shall clearly identify the building, or any specific portion thereof, requested the dates and times for which that building or specific portion thereof is requested and the requirement of an area for election related activity. If the State, local governing board, or other entity in control of the building does not respond to the request within 20 days, the building or specific portion thereof may be used for one-stop absentee voting as stated in the request. If the State, local governing board, or other entity in control of the building or specific portion thereof responds negatively to the request within 20 days, that entity and the county board of elections shall, in good faith, work to identify a building or specific portion thereof in which to conduct one-stop absentee voting under this section. If no building or specific portion thereof has been agreed upon within 45 days from the date the county board elections received a response to the request, the matter shall be resolved by the State Board of Elections."

Tuesday, August 11, 2009

The House meets at 12:00 Noon pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Representative Earline Parmon:

"O Merciful and Mighty Lord:

"At this time and in this place where You have provided for the making of ordinances that will yield much for the people of North Carolina - we give thanks unto You.

"To Thee, O Lord, Thou who has ordained government, government officials, and rulers, we pause to give You thanks for the abundance of wisdom, guidance, and goodwill that You have provided for us, Your servants, during the 148th Session of the North Carolina House of Representatives. We acknowledge that without Your divine guidance, nothing that we have accomplished would have been possible. All honor to You! We acknowledge that in times of deep despair, You renewed our courage and gave us wisdom to do what seemed impossible.

August 11, 2009
"Lord, we acknowledge that while the journey, sometimes, appeared endless, we realize that You never ask us to do that which cannot be accomplished. And now, Lord, as we prepare to depart from this level of vineyard work to another, we ask for Your continued blessings and guidance on these, Your servants, as they return to their families and their districts. Grant us Your gracious and kind mercies as we travel home and as we continue the work which is required of us. We ask special blessings for our State leaders and staff who now must carry out all the mandates that have been crafted to benefit the people of this Great State.

"We ask these things in Your name. Amen."

GOVERNOR’S OBJECTIONS AND VETO MESSAGE

House Bill 104, "An act to clarify legislative confidentiality."

This bill unnecessarily adds new restrictions on public access to documents and information.

Further, it unfairly and unequally subjects state employees to criminal penalties for performing their duties.

Therefore, I veto this bill.

S/ Beverly Eaves Perdue

This bill, having been vetoed, is returned to the Clerk of the North Carolina House of Representatives on this 10th day of September 2009 at 3:26 p.m. for reconsideration by that body.

Dear Governor Perdue:

Pursuant to Article II, Sec. 22 (7) of the North Carolina Constitution, a majority of the Members of the House of Representatives have signed written requests stating that a reconvened session to reconsider vetoed legislation is unnecessary.

As of Wednesday, September 16, 2009, at 3:45 p.m., seventy-five signed documents were received in the office of the House Principal Clerk. These documents accompany this correspondence.

Respectfully,
S/ Denise G. Weeks
Principal Clerk

It will be noted that a number of bills and resolutions passed second reading and then were read a third time on the same day.

Rule 41(b) states:

No bill shall be read more than once in the same day without the concurrence of two-thirds (2/3) of the members present and voting.

In order to comply with this Rule, no bill which has passed its second reading is read a third time except:

(1) When a member moves that the Rule be suspended, and this motion carries by at least a two-thirds vote of the members present.

(2) When the Chair determines that there is no objection from any member present. This constitutes unanimous consent of those members present that Rule 41(b) be suspended.

In these cases, the bill is read a third time.

Denise G. Weeks
Principal Clerk

Delivery to the Office of the House Principal Clerk by facsimile transmission or e-mail transmission shall not constitute a formal nomination of a candidate. An individual is not eligible for nomination if he or she was
nominated and not elected to the Board of Governors by the Senate during the 2009 Session.

3. Notwithstanding G.S. 138A-22, every person who has been formally nominated shall file a completed North Carolina State Ethics Commission Statement of Economic Interest with the North Carolina State Ethics Commission to be received by the North Carolina State Ethics Commission no later than 5:00 P.M. on Friday, March 6, 2009.

4. On or after March 7, 2009, the Committee shall list all proposed nominees. The Committee shall screen the nominees as to their qualifications, experience, and statutory suitability. The Committee may screen nominees by interviewing or by soliciting written information or by both means. On completion of the screening process, the Committee shall conduct a vote to ensure that the slate of legally qualified candidates lists 16 candidates if 16 or more have been nominated.

5. Each nominee shall confirm his or her willingness to serve if elected. Any nominee may withdraw without the approval of the sponsor.

6. The Committee's nominees shall be placed before and recommended to the House of Representatives for election.

II. ELECTIONS IN THE HOUSE OF REPRESENTATIVES.

4. The members of the House of Representatives shall proceed to mark their ballots for eight persons for four-year terms. Every ballot shall be signed by the member of the House of Representatives casting it, and no unsigned ballots shall be counted.

5. The Chair of the Committee is responsible for canvassing the vote and declaring the results and may designate members of the Committee to assist. All ballots shall be retained by the House Principal Clerk as part of the permanent records of the House of Representatives and shall be open for immediate public inspection upon adjournment of that day's session.

6. When the Chair of the Committee has determined that the House of Representatives has elected eight persons to serve as members of the Board of Governors for terms of four years, the Speaker of the House of Representatives shall declare those eight persons to have been elected to the Board of Governors by the House of Representatives.

7. The results of the election in the House of Representatives shall then be sent by Special Messenger to the Senate.

III. NOTIFICATION OF ELECTION RESULTS.

When the election process is complete, the Chair of the Committee shall notify the Secretary of the Board of Governors of the names of the persons elected by the House of Representatives and the term for which each person was elected.

SECTION 2. As used in this resolution, the term "Chair" means the Chair of the UNC Board of Governors Nominating Committee.

SECTION 3. This resolution is effective upon adoption.

I. Order of Business

RULE 1. Convening Hour, Limitation on Friday, Night, and Sunday Legislative Sessions. – The House shall convene each legislative day at the hour fixed by the House. In the event the House adjourns on the preceding legislative day without having fixed an hour for reconvening, the House shall convene on the next legislative day at 2:00 P.M. During January and February of 2009, no sessions may be held on Friday. Without leave of the House, no session shall continue after 10:00 P.M. on Monday nor after 9:00 P.M. on any other days, and the Speaker shall adjourn the House without motion at that point, except that a motion may be made as to the time and day of next convening. No session shall be held on Sunday.

RULE 1.1 Emergencies. In the event of a disaster, natural or otherwise, that precludes the General Assembly from meeting in the Legislative Building, the members will be notified by the Speaker where and when the House will convene.

RULE 2. Opening the Session. – At the convening hour on each legislative day, the Speaker shall call the members to order and shall have the session opened with prayer. At the convening hour on the first day of each legislative week, the Speaker, or the Speaker’s designee, shall lead the members in the Pledge of Allegiance to the American Flag.

RULE 3. Quorum. – (a) A quorum consists of a majority of the qualified members of the House.

(b) Should the point of a quorum be raised, the doors shall be closed, and the Clerk shall call the roll of the House, after which the names of those not responding shall again be called. In the absence of a quorum, 15 members are authorized to compel the attendance of absent members and may order that absentees for whom no sufficient excuses are made be taken into custody wherever they may be found by special messenger appointed for that purpose.

RULE 4. Approval of Journal. – (a) The Standing Committee on Rules, Calendar, and Operations of the House shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

(b) Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the Journal report by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, or by a Representative designated by the Chair, as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved.
RULE 5. Order of Business of the Day. – After the approval of the Journal of the preceding day, unless otherwise ordered by the Speaker, the House shall proceed to business in the following order:

RULE 6. Duties and Powers of the Speaker. – The Speaker shall have general direction of the Hall. The Speaker may name any member to perform the duties of the chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House. If the Speaker is absent and has not designated a member to perform the duties of the chair, the Principal Clerk shall preside during such absence. In the case of a vacancy in the office of the Speaker of the House of Representatives, the Principal Clerk shall preside over the House until the House elects a Speaker.

RULE 7. Obtaining Floor. – (a) When any member desires recognition for any purpose, the member shall rise and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

(b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he or she may propound a question to
the member occupying the floor; but he or she shall not otherwise interrupt
the member having the floor, except as provided in subsection (c) of this
rule; and the Speaker shall, without the point of order being raised, enforce
this rule.

(c) A member who has obtained the floor may be interrupted
only for the following reasons:
(1) A request that the member speaking yield for a question,

Speaker for that purpose, any member may speak to a question of privilege
for a time not to exceed three minutes. Questions of privilege shall be those
affecting, first, the rights of the House collectively, its safety, dignity, and
the integrity of its proceedings; second, the rights, reputation, and conduct
of members, individually, in their representative capacity only; and shall
have precedence over all other questions, except motions to adjourn.
Privilege may not be used to explain a vote or debate a bill. The Speaker
shall determine if the question is one of privilege and shall, without the
point of order being raised, enforce this rule.

RULE 9. Points of Order. — (a) The Speaker shall decide
questions of order and may speak to points of order in preference to other
members arising from their seats for that purpose. Any member may appeal
from the ruling of the chair on questions of order; on such appeal no
member may speak more than once, unless by leave of the House. A
two-thirds vote of the members present shall be necessary to sustain any
appeal from the ruling of the chair.

(b) When the Speaker calls a member to order, the member
shall be seated, except that a member called to order may clear a matter of
fact, or explain, but shall not proceed in debate so long as the decision
stands. If the member appeals from the ruling of the chair and the decision
by a two-thirds vote of the members present be in favor of the member
called to order, the member may proceed; if otherwise, the member shall
not; and if the case, in the judgment of the House, requires it, the member
shall be liable to censure by the House.

RULE 10. Limitations on Debate. — (a) No member shall speak
on, debate, or solicit cosponsors for a bill or resolution at its first reading.

(b) No member shall speak more than twice on the main
question nor longer than 20 minutes for the first speech and 10 minutes for
the second speech; nor shall the member speak more than twice upon an
amendment or motion to reconsider, re-refer, appeal, or postpone or any
motion on concurrence, and then not longer than 10 minutes for the first
speech and five minutes for the second speech.
A member may speak only once and for not more than 20 minutes on the question of the adoption of a minority report.

The House, by consent of a majority of the members present, may suspend the operation of subsections (b) and (c) of this rule during any debate on any particular question before the House.

RULE 11. Reading of Papers. – When there is a call for the reading of the text of a paper which has been presented to the House and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. General Decorum. – (a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.

(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of, or cross the House nor, when a member is speaking, engage in disruptive discourse or pass between the member and the chair.

(d) Food or beverages shall not be permitted on the floor of the House during the first two hours of the daily session.

(e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.

(f) Smoking shall not be permitted on the floor of the House or in the galleries at any time. The consumption of food or beverages shall not be permitted in the galleries at any time.

(g) Special recitals and performances by musicians or other groups shall not be permitted on the floor of the House; and special guests of members of the House shall not be permitted on the floor of the House.

(h) Members shall observe appropriate attire, coat and tie for male members and dignified dress for female members.

(i) The use of wireless telephones shall not be permitted in the House Chamber.

(j) Placards, stickers, or signs not approved by the Speaker are not permitted in the House Chamber.

III. Motions

RULE 13. Motions Generally. – (a) Every motion shall be reduced to writing if the Speaker or any two members request it. No motion relating to a bill shall be in order which does not identify the bill by its number and short title.

(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the chair and read aloud by the Speaker or Clerk before debate.
(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. MOTIONS, ORDER OF PRECEDENCE. – When there are motions before the House, the order of precedence is as follows:

To adjourn.
To recess.
To lay on the table.
Previous question.
To postpone indefinitely.
To reconsider.
To postpone to a day certain.
To re-refer.
To amend an amendment.
To amend.
To pass the bill.

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer, or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. MOTION TO ADJOURN. – (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. MOTION TO TABLE. – (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn or to recess is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.

RULE 17. MOTION TO POSTPONE INDEFINITELY. – A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question or to recess is before the House.
However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

RULE 18. Motion to Reconsider. – (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider and a motion to reconsider:

1. A vote upon a motion to table,
2. A motion to postpone indefinitely,
3. A motion to remove a bill from the unfavorable calendar,
4. A motion that a bill be read twice on the same day, or
5. A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended.

RULE 19. Previous Question. – (a) The previous question may be called only by:

1. The Chair of the Committee on Rules, Calendar, and Operations of the House;
2. The Majority Leader;
3. The member submitting the report on the bill or other matter under consideration;
4. The member introducing the bill or other matter under consideration; or
5. The member in charge of the measure, who shall be designated by the chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the question is on the passage of the bill, resolution, or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn, motion to recess, or motion to table.
If the previous question is decided in the negative, the question remains under debate.

**IV. Voting**

**RULE 20. Use of Electronic Voting System.** – (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

1. The passage as required by Article II, Section 23 of the North Carolina Constitution on second and third readings of any bill:
   a. Raising money on the credit of the State,
   b. Pledging the faith of the State for the payment of a debt,
   c. Imposing a State tax, or
   d. Authorizing a county, municipality, or other local governmental unit to
      1. Raise money on its credit,
      2. Pledge its faith for the payment of a debt, or
      3. Impose a local tax.

2. All measures affecting a fee imposed by the State or any subdivision thereof.

3. All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the North Carolina Constitution has been sustained.

4. Both second and third readings of bills proposing amendment of the North Carolina Constitution or ratifying resolutions amending the United States Constitution.

5. The passage of a bill notwithstanding the Governor's veto thereof pursuant to Article II, Section 22 of the North Carolina Constitution.

(b) Votes on the following questions shall be taken on the electronic voting system:

1. Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.

2. Upon a call for division.

3. Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth of the members present.
(c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the chair shall direct otherwise. Once the system is locked, the vote shall be recorded and printed.

(d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:

1. To adjourn.
2. To recess.
3. To lay on the table.
4. Previous question.
(5) To postpone indefinitely.
(6) To reconsider.
(7) To postpone to a day certain.
(8) To re-refer.
(9) To amend an amendment.
(10) To amend.
(11) To concur or not concur.
(12) Miscellaneous.

RULE 21. Voice Votes; Stating Questions. – (a) All other votes except those required to be taken on the electronic voting system shall be taken by voice vote.

(b) When a voice vote is taken, the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'Aye,'" and after the affirmative voice has been expressed, "Those opposed will say 'No.'"

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. – (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. – Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. Roll Call Vote. – (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. – (a) Any member shall, upon request, be excused in advance from the deliberations and voting on a particular bill at any time that the reason for the request arises in the proceedings on the bill.
(b) The member may make a brief oral statement of the reasons for making the request. The member may provide to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill, in committee or on the floor of the House at any reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

RULE 24.1B. Division of Amendments. – Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. – In all elections the Speaker may vote. In all other instances the Speaker may vote or may reserve this right until there is a tie in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. – (a) The Speaker shall appoint a chair, or cochairs, of every standing committee, permanent subcommittee, and select committee, if any. In the construction of these rules, the word “chair” as applied to a committee extends to and includes a cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) All permanent subcommittees of each standing committee shall be appointed by the Speaker, and the members appointed, along with the chair of the standing committee, shall constitute the standing committee of which the permanent subcommittee is a part. The Speaker shall appoint all members of permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(c) The Speaker shall appoint the members of all standing committees having no permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(d) Before appointing members of committees and subcommittees, the Speaker shall consult with the minority leader. The Speaker shall consider members’ committee preferences in making appointments.

(e) The Speaker may not appoint new members to committees or permanent subcommittees after April 15 of an odd-numbered year or at any time during an even-numbered year except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member. As to
select committees established after March 1 of an odd-numbered year or during an even-numbered year, the Speaker may not appoint new members more than 60 calendar days after the select committee is established, except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member.

(f) Each chair of a permanent subcommittee shall be a vice-chair of the standing committee of which it is a permanent subcommittee. The Speaker may name other members as vice-chairs of the standing committee. The Speaker may name one or more vice-chairs for any standing committee not having permanent subcommittees.

(g) A maximum of two chairs of a standing committee are entitled to vote in a permanent subcommittee of the standing committee.

(h) Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee.

(i) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

RULE 26.1. Mentions of Standing Committee Includes Select Committee. – Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

RULE 27. List of Standing Committees and Permanent Subcommittees. – The standing committees and permanent subcommittees thereof are:

**RULE 28. Standing Committee and Permanent Subcommittee Meetings.** – (a) Standing committees and permanent subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule established by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.

(b) Subject to the provisions of subsection (c) of this rule, standing committees and permanent subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees or permanent subcommittees.

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee or permanent subcommittee, and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.
(d) Procedure in the standing committees and permanent subcommittees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(e) No standing committee or permanent subcommittee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly scheduled hour. No permanent subcommittee shall meet at the same time that its standing committee is meeting. Standing committees and permanent subcommittees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee and permanent subcommittee meetings shall adjourn no later than:

1. 15 minutes preceding a regular session of the House, and
2. 10 minutes preceding the hour of the next regularly scheduled standing committee or permanent subcommittee meeting.

(g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative sessions shall be mailed to each member of the standing committee or permanent subcommittee at least five days prior to such meeting. If a member of the body so requests in writing to the chair of the standing committee or permanent subcommittee, the member shall be notified by certified mail of the meetings.

(b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the
inquiry and the charges against the individual and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

1. Dismiss the complaint and take no further action.
2. Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.
3. Issue a public letter of reprimand if the violation of the Open Meetings Law was intentional or if the legislator has previously received a private letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.
4. Refer the matter to the House for appropriate action.

RULE 29. Notice of Standing Committee and Permanent Subcommittee Meetings and Hearings. – Public notice of all standing committee and permanent subcommittee meetings shall be given in the House. The chair of the standing committee or permanent subcommittee shall notify or cause to be notified the sponsor of each bill which is set for hearing or consideration before the standing committee or permanent subcommittee as to the date, time, and place of that meeting.

RULE 29.1. Public Hearings. – (a) Requests for a public hearing shall be made in writing to the chair of the standing committee and, if applicable, the chair of the permanent subcommittee to which the bill has been referred. The chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. The chair of the permanent subcommittee may schedule a public hearing before the permanent subcommittee at its regularly scheduled hour. Denial of a request made by a House member may be appealed to the Speaker.

(b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the chair of the standing committee or permanent subcommittee. The standing committee or permanent subcommittee chair may designate one or more members to arrange the order of appearance of interested parties. A brief written statement of testimony may be submitted without oral presentation and shall be incorporated into the minutes of the public hearing.
RULE 29.2. **Minutes to Legislative Library.** – The chair of a standing committee or a permanent subcommittee shall ensure that written minutes are compiled for each of the body’s meetings. The minutes shall indicate the members present and the actions taken at the meeting. (c) The rules of procedure in the House shall be observed in the Standing Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.

(d) In the Standing Committee of the Whole House, a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Standing Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. **Introduction of Bills and Resolutions.** – (a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk’s office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 30 minutes after adjournment each Monday; and by 3:00 P.M. each Tuesday, Wednesday, Thursday, and Friday.

(b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons, and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.
(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.

(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. Captions of public bills may be amended only by amendment proposed by the standing committee to which the bill was referred. Third reading shall not be had on any bill or resolution on the same day that such caption is amended.

(e) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows: “House Committee Substitute for______”.

(f) House Resolutions need not be read more than twice.

(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House.

(b) All public bills which would not be required to be re-referred to the Appropriations or Finance Committees under Rule 38 must be submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Thursday, March 26, 2009, and must be introduced not later than 1:00 P.M. on Thursday, April 9, 2009.

(c) All public bills which under Rule 38 are required to be re-referred to either or both of the Appropriations Committee or the Finance Committee, must be submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Wednesday, April 22, 2009, and must be introduced not later than 3:00 P.M. on Wednesday, May 6, 2009. If any bill is subject to the deadline under this subsection and the bill is amended so that all the provisions requiring referral to either or both of those committees under Rule 38 do not remain in the bill, it is not eligible for further consideration.

(d) A bill containing no substantive provisions may not be introduced in the House.

(e) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills which would be required to be re-referred to the Appropriations or Finance Committee under Rule 38 or adjournment
resolutions must be received and read on the floor of the House as a message from the Senate no later than Thursday, May 14, 2009; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

(f) Except by motion approved by a majority of members of the House present and voting, no public House bill other than the Current Operations Appropriations Act or the Capital Improvement Appropriations Act may contain more than one subject.

(g) This rule, other than subsections (d) and (f), does not apply to bills (i) establishing districts for Congress or State or local entities, or (ii) ratifying an amendment or amendments to the Constitution of the United States.

RULE 32. Reference to Standing Committee and to Permanent Subcommittee; Serial Referrals. – (a) Each bill not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee or permanent subcommittee as the Speaker deems appropriate. The Speaker at the same time may order that, if the bill is reported with any favorable recommendation or without prejudice, it be re-referred automatically upon the committee report to another committee or permanent subcommittee designated in the order. Each joint resolution or House resolution not introduced on the report of a standing committee shall immediately upon its first reading either be referred by the Speaker to a standing committee or permanent subcommittee or be calendared on the date designated by the Speaker, as the Speaker deems appropriate.

(b) The standing committee chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

(1) Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;

(2) Favorable, without prejudice, or unfavorable as to the original bill, as amended, with the recommendation that the report be made to the standing committee;

(3) Favorable or without prejudice to the proposed committee substitute, and unfavorable to the original bill, with the recommendation that the report be made to the standing committee;
(4) Favorable as to the original bill with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair;

(5) Favorable to the original bill, as amended, with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair; or

(6) Favorable to the proposed committee substitute with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair, and unfavorable to the original bill.

Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee, the bill shall be before that body for further action unless the permanent subcommittee chair reports the bill directly pursuant to Rule 36.

**RULE 33. Papers Addressed to the House.** – Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

**RULE 34. Introduction of Resolutions and Bills, Copies Required.** – (a) Whenever any resolution or bill is introduced, a duplicate copy thereof shall be attached thereto, and the Principal Clerk shall cause said duplicate copy to be numbered as the original resolution or bill is numbered and shall cause the same to be available at all times to the member introducing the same.

(b) Numbering of House Bills shall be designated as "H.B.____" (No. following). A Joint Resolution shall be designated as "H.J.R.____" (No. following). A House Resolution shall be designated as "H.R.____" (No. following).

(c) Whenever any resolution or bill is filed for introduction, it shall be in a House bill jacket containing the number of copies designated by the Principal Clerk and in the form designated by the Speaker. Any resolution or bill not accompanied by the required number of copies shall be returned immediately to the introducer. The Clerk shall stamp the copies with the number stamped upon the original bill.

(d) No bill may be filed for introduction if the draft contains names preprinted on the bill jacket and body of the bill (either as primary sponsors or cosponsors) unless each such member has signed the jacket.
RULE 35. Duplicating and Availability of Copies of Bills. – (a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. The Legislative Services Officer shall cause one copy of each resolution and public bill for each member to be delivered to the member's committee assistant or legislative assistant who shall place it in the appropriate notebook on the member's desk. If a member so requests, a second copy shall be delivered to the member's committee assistant or legislative assistant who shall place it in the member's office. The remaining copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties. No public bill and, upon objection by a member, no local bill may be considered unless copies of the bill have been made available to the entire membership of the House.

RULE 35.1. Assessment Reports. – (a) Every bill or resolution proposing the establishment of an occupational or professional licensing board, as defined in Article 18A of Chapter 120 of the General Statutes, or a study for the need to establish such a board shall have attached to the jacket of the original bill or resolution at the time of its consideration on second and third readings by the House or by any standing committee or permanent subcommittee of the House an assessment report from the Legislative Committee on New Licensing Boards pursuant to Article 18A of Chapter 120 of the General Statutes. The assessment report shall not constitute any part of the expression of legislative intent proposed by the formation of a licensing board. Upon receipt of the request, the Legislative Committee on New Licensing Boards shall prepare and return the assessment report as soon as possible but not later than 60 days, reserving the right to extend this time to 90 days.

(b) Every legislative proposal introduced in the House or received in the House from the Senate, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the House or by any committee of the House prior to a favorable report, a recommendation from the Joint Legislative Commission on Municipal Incorporations, established by Article 20 of Chapter 120 of the General Statutes. The recommendation of the Joint Legislative Commission on Municipal Incorporations shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.

RULE 36. Report by Standing Committee or Permanent Subcommittee. – (a) When Reports Required. – All House bills and resolutions shall be reported from the standing committee or permanent
subcommittee to which referred with such recommendations as the standing committee or permanent subcommittee may desire to make except in the case where the principal introducer requests in writing to the chair of the standing committee or permanent subcommittee that the bill not be considered.

With the written approval of the chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(b)(4) through (6), the chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the chair of the standing committee fails to give approval, the bill shall be deemed to have been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(b) **Favorable Report.** – When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day and in the order designated by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but not on the same day that it is reported except by leave of the House, and no later than the fourth legislative day after submission of the report or Senate message under Rule 43.2 or Rule 43.3(a), unless:

1. The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32; or
2. The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee.

In order to place a bill on the calendar for a legislative day, notice shall be given by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk. When a committee substitute is adopted and receives a favorable report by the committee or permanent subcommittee, the standing committee or permanent subcommittee chair shall submit to the standing committee or permanent subcommittee the question of an unfavorable report on the original bill. The standing committee's or permanent subcommittee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(c) **Report Without Prejudice.** – When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar in the same manner as provided in subsection (b) of this rule.

(d) **Postponed Indefinitely.** – When a standing committee reports a bill with the recommendation that it be postponed indefinitely and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.
(e) **Unfavorable Report.** – When a standing committee reports a bill with the recommendation that it not be passed and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(f) **Minority Report.** – When a bill is reported by a standing committee with a recommendation that it not be passed or that it be postponed indefinitely but it is accompanied by a minority report signed by at least one-fourth of the members of the standing committee who were present and voting when the bill was considered in standing committee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

**RULE 36.1. Fiscal Notes.** – (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Standing Committee on Rules, Calendar, and Operations of the House, upon the floor of the House, may request that a fiscal analysis be made of a bill, resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, which request shall be allowed when, in the opinion of the Speaker, the fiscal effects of that measure are not apparent from the language of the measure. When a request is properly made under this subsection, the bill is removed from the calendar until such time that the fiscal note is attached to the measure.

(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.

(d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when filed or to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.
RULE 36.2. Actuarial Notes. – (a) Every bill or resolution proposing any change in the law relative to any:

1. State, municipal, or other retirement system funded in whole or in part out of public funds; or
2. Program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds;

shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or any permanent subcommittee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subdivision (a)(1) of this rule shall be referred to the Committee on Pensions and Retirement upon its introduction in accordance with G.S. 120-111.3.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note
shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any permanent subcommittee or standing committee reports a measure to which an actuarial note is attached at the time of permanent subcommittee or standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, the chair of the permanent subcommittee or standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

RULE 36.3. Local Legislation Affecting State Highway System.
– A local bill affecting the State Highway System shall be referred to the Committee on Transportation.

RULE 37. Removing Bill From Unfavorable Calendar. – A bill may be removed from the unfavorable calendar upon motion carried by a two-thirds vote. A motion to remove a bill from the unfavorable calendar is debatable.

RULE 38. Reports on Appropriation and Revenue Bills. – (a) All standing committees, other than the Standing Committees on Appropriations, when favorably reporting any bill or resolution which:

(1) Carries an appropriation from the State; or
(2) Requires or will require in the future substantial additional State monies from the General Fund or Highway Fund to implement its provisions shall indicate same in the report, and said bill or resolution shall be referred to the Standing Committees on Appropriations for a further report before being acted upon by the House.
(b) All standing committees, other than the Standing Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue, reduces revenue, levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of bonds or notes, whether public, public-local, or private, shall indicate same in the report, and said bill shall be referred to the Standing Committee on Finance for a further report before being acted upon by the House. This subsection shall not apply to bills only imposing fines, forfeitures, or penalties.

(c) Action on Amendment Before Re-Referral. – If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House, must be referred to the Standing Committees on Appropriations or the Standing Committee on Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.

RULE 39. Recall of Bill From Standing Committee. – (a) When a House bill has been introduced and referred to a standing committee, or when a Senate bill has been referred to a standing committee, if after 10 legislative days the standing committee has failed to act thereon, then the introducer of the House bill or some member designated by the introducer, or some House member designated by the introducer of the Senate bill, may, after three legislative days' public notice given in the House and delivered in writing to the chair of the standing committee, on motion supported by a vote of three-fifths of the members of the House, recall the same from the standing committee to the floor of the House for consideration and such action thereon as a majority of the members present may direct.

(b) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the chair of the standing committee, and to sustain that motion two-thirds of the members of the House shall be required.

RULE 39.1. Recall of Bill From Permanent Subcommittee. – When a House bill has been referred to a permanent subcommittee, if after 10 legislative days the subcommittee has failed to act thereon, or at any time, with the agreement of the subcommittee chair, the standing committee chair may re-refer the bill from that permanent subcommittee to another permanent subcommittee of the same standing committee provided the report of the re-referral shall be made pursuant to Rule 32.

RULE 39.2. Re-Referral of Bills From One Standing Committee to Another Standing Committee. – Upon consent of the sponsor of the bill, the Speaker, the chair of the standing committee from whom the bill is to be re-referred, and the chair of the standing committee to whom the bill is to be re-referred, the chair of the standing committee from whom the bill is to be re-referred or the Chair of the Standing Committee on Rules, Calendar, and Operations of the House may move for a re-referral to another standing committee, and the bill shall be re-referred upon vote of the majority present during a regular session of the House.
RULE 40. Calendars and Schedules of Business. – The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up as they appear in each category (Rule 5(10)) in the order they were placed on the Calendar under Rule 36(b).

RULE 41. Reading of Bills. – (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.

(b) No bill shall be read more than once on the same day without the concurrence of two-thirds of the members present and voting; provided, no bill governed by Section 23 of Article II of the North Carolina Constitution or described in Rule 20(a)(2) herein shall be read twice on one day under any circumstance.

RULE 42. Effect of a Defeated Bill. – (a) Subject to the provisions of subsection (b) of this rule, after a bill has:

1. Been tabled,
2. Been postponed indefinitely,
3. Failed to pass on any of its readings, or
4. Been placed on the unfavorable calendar,
the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the chair, that measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds vote of the members present and voting.

(b) No local bill shall be held by the chair to embody the contents of or the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

RULE 43. Amendments. – (a) No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c). No amendment that is clearly unconstitutional shall be in order.

If the Senate adopts an amendment or committee substitute to a House bill, the House may refuse to receive the bill on account of lack of germaneness if the Senate has a similar rule.
Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

(b) The following rules apply when considering: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium:

(1) Amendments cannot increase total spending within a subcommittee area beyond the total for that subcommittee as shown in the committee report.

(2) Amendments can only affect appropriations within the departments, agencies, or programs within the jurisdiction of the subcommittee.

(3) Amendments cannot increase total spending, from any source, beyond the total amount shown in the committee report.

(4) Amendments that cause the budget to be unbalanced are not in order.

(5) Amendments cannot spend reversions.

(6) Amendments cannot make nonrecurring reductions to fund recurring items.

RULE 43.1. Engrossment. – Bills and resolutions, except those making appropriations, which originate in the House and which are amended, shall be engrossed before being sent to the Senate.

RULE 43.2. House Concurrence in Senate Amendments to House Bills. – When the House receives a Senate amendment to a bill originating in the House, it shall be placed on the calendar in accordance with Rule 36(b).

RULE 43.3. (b) The Speaker shall rule whether the committee substitute is a material amendment under Section 23 of Article II of the North Carolina Constitution which reads:
"Revenue bills. – No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."

If the committee substitute was referred to standing committee, the standing committee shall:

1. Report the bill with the recommendation either that the House do concur or that the House do not concur; and
2. Advise the Speaker as to whether or not that committee substitute is a material amendment under Section 23 of Article II of the North Carolina Constitution.
3. If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.
4. If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the House shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.
5. No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

RULE 44. Conference Standing Committees. – (a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in the House, or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker upon the Speaker's own motion and shall be appointed upon request by the principal sponsor of the original bill, the chair of the House standing committee which reported the bill, or the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees, the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.

(b) Only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. The conference report may be made by a majority of the House members of such conference committee and shall not be amended.
(c) If the conferees fail to agree or if either house fails to adopt the report of its conferees, new conferees may be appointed.

(d) No vote shall be taken on adoption of a conference report until the next legislative day following the report.

RULE 44.1. Transmittal of Bills to Senate. – Unless ordered by the Speaker or two-thirds vote of the members present and voting, no bill shall be sent from the House on the day of its passage, except on the last day of the session.

VII. Legislative Officers and Employees

RULE 45. Elected Officers. – (a) The House shall elect its Speaker from among its membership.

(b) The House shall elect its Speaker Pro Tempore from among its membership who shall perform such duties as the Speaker may assign.

(c) The House shall elect a Principal Clerk, who shall continue in office until another is elected. The Speaker may appoint a Reading Clerk and shall appoint a Sergeant-at-Arms, both of whom shall serve at the Speaker’s pleasure. The Principal Clerk, Reading Clerk, and Sergeant-at-Arms shall have and perform duties and responsibilities, not inconsistent with these rules, as the Speaker may assign. Unless directed otherwise by the Speaker on behalf of the House, the Principal Clerk or an employee designated by the Principal Clerk shall receive House bills not approved by the Governor.

RULE 46. Assistants to Principal Clerk and Sergeant-at-Arms.
– The Principal Clerk and the Sergeant-at-Arms may appoint, with the approval of the Speaker, such assistants as may be necessary to the efficient discharge of the duties of their respective offices.

RULE 47. Speaker’s Staff; Chaplain; and Pages. – (a) The Speaker may appoint one or more staff members to the Speaker, a Chaplain of the House, and pages to wait upon the sessions of the House.

(b) When the House is not in session, the pages shall be under the supervision of the Supervisor of Pages.

(c) The Speaker, at the request of a member, may appoint honorary pages.

RULE 48. Member’s Staff. – (a) Each standing committee and permanent subcommittee shall have a committee assistant. The committee assistant to a standing committee or permanent subcommittee shall serve as staff to the chair of the standing committee or permanent subcommittee.

(b) Each member shall be assigned a legislative assistant, unless the member has a committee assistant to serve as legislative assistant.

(c) The selection and retention of committee assistants, legislative assistants, and office assistants shall be the sole prerogative of the individual member or members. Such staff shall file initial applications for employment with the Principal Clerk and shall receive compensation as prescribed by the Legislative Services Commission. The employment period
of such staff shall commence not earlier than the convening date of the General Assembly and shall terminate not later than the final adjournment or recess of the General Assembly unless employment for an extended period is approved by the Speaker. The committee assistants, legislative assistants, and office assistants shall adhere to such uniform rules and regulations not inconsistent with these rules regarding hours and other conditions of employment as the Legislative Services Commission shall fix by appropriate regulations.

RULE 49. **Compensation of Legislative Assistants.** – No clerk, committee assistant, legislative assistant, office assistant, or other person employed or appointed under Rules 46, 47, and 48 hereof shall receive during such employment, appointment, or service any compensation from any department of the State government, and there shall not be voted, paid, or awarded any additional pay, bonus, or gratuity to any of them; but they shall receive only the pay now provided by law for such duties and services. This rule shall not apply to employment, appointment, or service or to the receipt of compensation or additional pay, bonus, or gratuity from another department of State government between regular sessions of the General Assembly.

VIII. Privileges of the Hall

RULE 50. **Admittance to Floor.** – No person except members, officers, and designated employees of the General Assembly who have been issued identification tags as provided by this rule, and former members of the General Assembly who are not registered under the provisions of Article 2 of Chapter 120C of the General Statutes, shall be allowed on the floor of the House during its session, unless permitted by the Speaker or otherwise provided by law. Employees of the General Assembly shall wear identification tags, approved by the Legislative Services Officer, when on the floor of the House.

RULE 51. **Admittance of Press.** – Reporters wishing to take down debates may be admitted by the Speaker, who shall assign such places to them on the floor or elsewhere, to effect this object, as shall not interfere with the convenience of the House. Reporters admitted to the floor of the House shall observe the same requirements of attire for members contained in Rule 12(h).

RULE 52. **Extending Courtesies.** – Courtesies of the floor, galleries, or lobby shall be extended at the discretion of the Speaker and only by the Speaker. Requests by members to extend these courtesies shall be typewritten and delivered to the Speaker. No member shall orally ask the Speaker to extend these courtesies during the daily session.

RULE 53. **Order in House Chamber, Galleries, and Lobby.** – In case of any disturbance or disorderly conduct in the House Chamber, galleries, or lobby, the Speaker or other presiding officer is empowered to order the same to be cleared to the extent they deem necessary.
IX. General Rules

RULE 54. Attendance of Members. – No member or officer of the House shall be absent from the service of the House without leave, unless from sickness or disability.

RULE 55. Documents to Be Signed by the Speaker. – All acts, addresses, and resolutions and all warrants and subpoenas issued by order of the House shall be signed by the Speaker or other presiding officer.

RULE 56. Printing or Reproducing Materials. – There shall be no printing or reproducing of paper(s) that are not legislative in essence except upon approval of the Speaker.

RULE 57. Placement or Circulation of Materials. – Persons other than members of the House shall not place or cause to be placed any materials on members' desks in the House Chamber without obtaining approval of the Speaker. Any material placed on members' desks in the House Chamber, or circulated to House members anywhere in the Legislative Building or the Legislative Office Building, shall bear the name of the originator.

RULE 58. Rules, Rescission, and Alteration. – (a) These rules shall not be permanently rescinded or altered except by House simple resolution passed by a two-thirds vote of the members present and voting. The introducer of the resolution must on the floor of the House give notice of intent to introduce the resolution on the legislative day preceding its introduction.

(b) Except as otherwise provided herein, the House upon two-thirds vote of the members present and voting may temporarily suspend any rule.

RULE 59. Cosponsorship of Bills and Resolutions. – (a) Any member wishing to cosponsor a bill or resolution which has been introduced may do so by appearing in the office of the Principal Clerk for such purpose within one-half hour following the adjournment of the session during which such bill or resolution was first read and referred, or within one hour following adjournment if the cosponsorship is done electronically under procedures approved by the Principal Clerk.

(b) Members wishing to jointly sponsor legislation should indicate such to the drafter at the time the bill is requested or upon filing the bill with the Principal Clerk's office. The names of the members who are the primary sponsors shall be listed in the order requested by them, followed by the words (Primary Sponsors); and the remaining names of members cosponsoring shall follow. No more than four members may be listed as primary sponsors.

(c) No member shall permit anyone, other than that member's committee assistant, legislative assistant, office assistant, or another member, to have possession of and solicit for bill or resolution cosponsorship, the jacket of a bill or resolution.
RULE 60. **Correcting of Typographical Errors.** – The Legislative Services Officer may correct typographical errors appearing in House bills or resolutions provided that such corrections are made before ratification and do not conflict with any actions or rules of the Senate and provided further that such correction be approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker, or other presiding officer.

RULE 61. **Assignment of Seats.** – After initial assignment of seats, a member shall continue to occupy the seat to which initially assigned until assigned a permanent seat; once assigned a permanent seat, the member shall occupy it for the entire biennial session. In event of vacancy, that member's successor will occupy the seat of the member replaced for the remainder of the biennial session.

RULE 61.1. **Office Assignments.** – The Chair of the Standing Committee on Rules, Calendar, and Operations of the House shall assign to each member an office space. When available, chairs of standing committees and permanent subcommittees shall be assigned an office adjacent to the room in which the standing committee or permanent subcommittee generally meets if the Chair so desires. The Speaker shall be assigned an office of his or her choice.

RULE 61.2. **Convening and Assigning Seats in the New House.**  
(a) The Principal Clerk of the previous House of Representatives shall convene the House of Representatives at 12:00 noon on the date established by law for the convening of each regular session and preside over the body until the members elect a Speaker. In the case of a vacancy, inability, or refusal to so serve, the duty shall devolve upon the Sergeant-at-Arms of the prior House, and in the case of a vacancy in that office, or inability or refusal to so serve, the duty shall devolve upon the Reading Clerk of the prior House.

(b) It shall be the duty of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House of the prior House to assign temporary seats to the members of the House of Representatives in its Chamber. In the case of the inability or refusal to serve of the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, the Speaker of the prior House of Representatives shall appoint a person to assign seats to members of the House of Representatives in its Chamber. In the event that the party that had a majority of members in the prior House will no longer have a majority of members in the new House, then the duty assigned in this subsection to the Chair of the Committee of the prior House shall instead be the duty of the person nominated as Speaker by the majority party caucus for the new House, or some member-elect designated by the Speaker-nominee. In the event no party will have a majority, then the duty assigned in this subsection to the Chair of the Committee of the prior House shall instead be the joint duty of one person chosen each by the caucuses of the two parties having the greatest numbers of members.
RULE 62. **Matters Not Covered in These Rules.** – Except as herein set out, the rules of Mason's Manual of Legislative Procedure shall govern the operation of the House.

**SECTION 2.** This resolution is effective upon adoption.

Representative Ty Harrell
41st District

September 20, 2009

Dear Speaker Hackney:

I write to inform you of my intent to resign from the North Carolina House of Representatives, effective immediately.

My parents always told me, and I believe, that public service is an honorable calling. I answered that call by serving in the General Assembly as an agent for positive change. But holding public office can put significant strains on a young family and I am living proof of that. Now, I must turn my full attention to the well-being of my young sons, Leighton and Kieren, and to answering any questions surrounding my campaign activities.

The people of District 41, and all citizens of North Carolina, deserve representatives who can make clearly-focused decisions on their behalf. With the recent turbulence in my personal life and continued speculation about my campaign expenditures, I do not feel that I can provide the high standard of representation that my constituents expect and deserve. Once I have achieved better balance between my personal life and professional responsibilities, I hope that I might find another way to serve.

Serving the people of District 41 has been a tremendous privilege for me and I am thankful for this humbling opportunity. In addition, please thank the outstanding General Assembly staff for their tireless efforts to make North Carolina a better place to live and work.

To you, Mr. Speaker, and to all my colleagues in the NC House of Representatives, I would like to express my appreciation and respect for your leadership of our great State. It has been my distinct honor to serve with you.

Sincerely,

S/ Ty Harrell
Representative Margaret H. Dickson
44th District

January 21, 2010

The Honorable Joe Hackney
Speaker of the House
North Carolina House of Representatives
16 W. Jones Street, Room 2304
Raleigh, North Carolina 27601-1096

Dear Mr. Speaker:

It has been my profound honor and personal pleasure to serve with you and our colleagues in the North Carolina House of Representatives.

I am deeply grateful for the opportunity to have served our great state during both times of prosperity and, more recently, during more trying days. I believe that the General Assembly has made positive and solid decisions over the last eight years that have advanced and protected North Carolina's values in public education, health care, and economic development. My faith in our institution and its collective wisdom is unwavering.

Thank you for your long and dedicated service to North Carolina and for the opportunities you have given me for service to our state. As I move into a new chapter of service to my community and our state, please know how deeply I value both the experiences I have had in the House of Representatives and the enduring and enriching friendships I have made in the People's House.

I resign my position representing House District 44 effective Thursday, January 21, 2010.

Sincerely,
S/ Margaret H. Dickson

Cc: The Honorable Beverly E. Perdue
INDEX GUIDE

The North Carolina General Statutes titles form the basis for these indices. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. Bills included in whole or in part in other measures are reflected as such, if known.

All bills dealing with funds are indexed under Appropriations. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the Member's name with an asterisk (*) noting that person as the primary sponsor.
