We ask You to be with us today, as we continue to do the business of the great State of North Carolina, for the good of Your people, and oh God, let us be mindful of Your word, that reminds us, in as much as Ye have done it unto one of the least of these, mine brethren, Ye have done it unto me. "In Your name, we pray. Amen."

EIGHTY-SECOND DAY

HOUSE OF REPRESENTATIVES
Monday, June 13, 2011

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by Representative Folwell, Speaker Pro Tempore.

The following prayer is offered by Representative Norman Sanderson:

"Lord of Lords, King of Kings, Giver of every good and perfect gift:

"He who was and is and is to come. Examine us, O Lord, and test us; try our minds and our hearts. Enable us to flee foolish and wicked lusts and instead follow after righteousness, godliness, faith, patience and kindness. We know the fear of the Lord is the beginning of wisdom. We shall trust in the Lord and lean not to our own understanding; but in all our ways acknowledge Him and He shall direct our paths.

June 13, 2011
"Apart from God we have knowledge but no wisdom. Happy is the man who finds wisdom and the man that gets understanding for it is better than silver and gold. We humble ourselves and we pray. We seek Your face and we turn from our wicked ways. Please God hear from heaven and forgive our sin and heal our land. In the mighty name of Jesus we do pray. Amen."

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

House Bill 200, "An Act To Spur The Creation Of Private Sector Jobs; Reorganize And Reform State Government; Make Base Budget

June 13, 2011
For generations, we North Carolina have distinguished ourselves from other southern states as a place of opportunity, and a place that understands the value of investing in our people.

Education has been our hallmark - the one area that set us apart from our neighbors and propelled our economic success.

From the high chair to the rocking chair, every North Carolinian has been given the opportunity for a quality education -- from early childhood, K-12, community colleges and through our colleges and universities. This is the commitment we have made to our people because, quite simply, it’s what we believe in.

We have lived our values - until now.

Now, for the first time, we have a legislature that is turning its back on our schools, our children, our longstanding investments in education and our future economic prospects.

Under this budget:

- We will overlook many of our most at-risk pre-school children by slashing Smart Start and More at Four, leaving these kids behind before they’ve even started Kindergarten;

- Classrooms will be underfunded in K-12, forcing local school districts to lay off thousands of teachers and teaching assistants who will then be added to the unemployment rolls; and

- In our community colleges and universities, programs will be shut down, tuition may be raised, career training and college degrees will be further out of reach, there will be fewer class offerings and students will take longer to graduate.

This budget will result in generational damage. It tears at the very fibers that make North Carolina strong – not only our schools, but also our communities, our environment, our public safety system and our ability to care for those who need us most.

June 13, 2011
• Our most vulnerable and sick will see medical and mental health services cut or eliminated;

• Families will have fewer resources as they care for their elderly, their disabled or their mentally ill;

• The natural environmental treasures that we cherish and that draw so many visitors to North Carolina will be at risk of permanent damage or destruction;

• Historical sites that attract tourists and stimulate economic activity by commemorating our rich cultural heritage will be closed;

• Our ability to prepare for and recover from disasters such as tornados and hurricanes may be hampered; and

• These cuts would be devastating when we have a more than active hurricane season predicted.

• Fewer law enforcement officers will patrol our streets and supervise convicted felons, while victims will be forced to wait longer for justice.

In the days since the General Assembly’s budget reached my desk, I’ve traveled the state listening to parents and grandparents, teachers and superintendents, business people, community leaders and law enforcement officials. I saw worry in their eyes;

I heard frustration in their voices. These are people who, like me, are proud to call North Carolina home because of what we believe in as a people; because of our legacy of smart choices and planning for the future. They spoke to me not as Democrats or Republicans, Tea Partiers or Independents. They came to me as North Carolinians, and they asked me to stand up for what is right for our children and grandchildren, for what moves North Carolina forward, not backward.

They know that much of damage that this budget seeks to do is simply unnecessary. By extending less than a penny of the sales tax, North Carolina can avoid severe cuts to our schools and other crucial programs.

These cuts were made by the legislature in this budget by choice. They chose to risk our children’s futures -- for less than a penny.

June 13, 2011
For weeks I have cautioned legislative leaders of the damage this budget will cause. Yes, these difficult economic times demand that we tighten our belt, make cuts and face up to hard choices.

The budget I submitted to the General Assembly in February did just that - - but it also invested in our future. We cannot move North Carolina forward without both balance and reason. This budget provides neither.

As I’ve reviewed the General Assembly’s plan for how North Carolina should run the next two years, I’ve found is ideologically driven budget that rips at our classrooms and campuses, our environment and quality of life, our services for the needy and ill, and the safety of our streets and communities.

What message does that send to the people and businesses who are considering a move to North Carolina? The state’s budget is more than just a roadmap for how state agencies operate. It is a reflection of the state’s values, of what we believe in.

I will not put my name on a plan that so blatantly ignores the values of North Carolina’s people. I cannot support a budget that sends the message that North Carolina is moving backwards, when we have always been a state that led the nation.

The General Assembly may be satisfied with a state in reverse, but I am not.

Therefore, I veto this bill.

S/ Beverly E. Perdue

This bill having been vetoed is returned to the Clerk of the North Carolina House of Representatives on this 12th day of June 2011, at 4:13 p.m. for reconsideration by that body.

June 17, 2011
EIGHTY-SEVENTH DAY

HOUSE OF REPRESENTATIVES
Saturday, June 18, 2011

The House meets at 10:00 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Representative Bert Jones:

"Our Father and Our God;

"Today, on the final day of this long portion of the General Session of the North Carolina General Assembly, we once again come before Your throne of grace, acknowledging that You are God, our Creator and Giver of Life, with that life being eternal.

"We offer special prayers of intercession on behalf of those we represent, as did many godly leaders referenced in Your word. We are indeed thankful for so many of Your people that often pray for us and the work we do.

"Father, we also pray that You would give us wisdom from above, wisdom that comes only from You. Grant us courage to stand strong against that which is evil, and for that which is good. Give us a desire to know and understand Your word, that we might know the difference.

"And Father, today as we go our separate ways for a while, I pray for Your protection of each of these Representatives, and a special blessing upon their families that sacrifice to allow them to serve. I pray not only for Your physical protection, but guard our spirits, guard our hearts, and guard our actions.

"Our work has included much spirited debate. We pray, Father, that no hearts would leave here bitter. We pray that you would guard us from ascribing motives to others. We pray that you would guard our tongues from slander. We pray that as we fellowship in our own communities, we would be a source of encouragement to others and not a source of fear.

"Help us, O God, to understand the temporary nature of the things of this world, that we might truly set our hearts and minds on those things above. Give us an eternal perspective. Help us remember that each of us is accountable to You. We pray that each one here might one day hear those words from You. ‘Well done, My good and faithful servant’. Until that day, let us strive to serve You and do all things for Your honor and glory.

June 18, 2011
"Help us to finish well today, and please bring each one here back safely that we might meet again soon at the appointed time. Each one here offers their prayers in their own way. I offer mine in the name of the Lord Jesus Christ. Amen."

Representative T. Moore, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of June 17 has been examined and found correct. Upon his motion, the Journal is approved as written.

Leaves of absence are granted Representatives Barnhart, Faison, Guice, Hill, Jackson, McComas, Shepard, and West for today. Representative Pierce is excused for a portion of the Session.

EIGHTY-EIGHTH DAY

HOUSE OF REPRESENTATIVES
Wednesday, July 13, 2011

The House meets at 12:00 Noon pursuant to adjournment and is called to order by the Speaker.

July 13, 2011
The following prayer is offered by Representative Ruth Samuelson:

"Lord, our business today may be just a formality, complying with the law. However, Your love and care for us is never just a formality. No law compels You to show up at Noon on July 13 to hear our prayer. You are here because You love us and care about the details of our lives; the meetings, the calls, even the food we eat for lunch.

"Help us to see Your love for us today, to receive Your complete forgiveness when we fall short (which we will do), and to delight in Your many blessings. Thank You, gracious Father. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

Representative T. Moore, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of June 18 has been examined and found correct. Upon his motion, the Journal is approved as written.

A leave of absence is granted Representative Hastings for today.

GOVERNOR’S OBJECTIONS AND VETO MESSAGE

House Bill 351, "An Act To Restore Confidence in Government By Requiring That Voters Provide Photo Identification Before Voting"

The right to vote is among the most precious freedoms we have - both as Americans and North Carolinians. Now more than ever it is vital for our citizens to have the ability to fully exercise their constitutionally guaranteed right to cast their ballots in an election. What we do not need is the creation of new obstacles to voting. House Bill 351 is just that - an unnecessary and purely partisan intrusion on the right to vote that is nowhere sanctioned in our State Constitution and will serve only to reduce voting in this State - particularly among elderly, poor, and African American voters. This bill has nothing to do with voter fraud and everything to do with voter suppression.

July 13, 2011
Over the last fifty years, many brave men and women fought valiantly to eliminate barriers to voting. I refuse to allow the General Assembly to turn back the clock to the days when the right to vote was enjoyed only by some citizens rather than by all citizens.

Therefore, I veto this bill.

S/ Bev Perdue

This bill, having been vetoed, is returned to the Clerk of the North Carolina House of Representatives on this 23rd day of June, 2011, at 4:33 p.m. for reconsideration by that body.

Pursuant to Rule 44.2, the bill is placed on the Calendar of July 25.

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

House Bill 482, "An Act to Authorize Additional Connections to Water Supply Lines Funded By the Clean Water and Natural Gas Critical Needs Bond Act of 1998 and to Direct the Department of Environment and Natural Resources to Waive the Penalty Assessed Against Certain Poor Counties for Certain Water Quality Violations"

This bill is unconstitutional. The North Carolina Constitution, as interpreted by our Supreme Court, requires that money paid as civil penalties be given to the public school system and not be used for any other purposes. House Bill 482, however, would allow the Department of Environment and Natural Resources to return such money to counties to be used for non-education related purposes, which would be in clear violation of the Constitution.

Therefore, I veto this bill.

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

House Bill 854, "An Act to Require a Twenty-Four Hour Waiting Period and the Informed Consent of a Pregnant Woman Before an Abortion May Be Performed"

This bill is a dangerous intrusion into the confidential relationship that exists between women and their doctors. The bill contains provisions that are the most extreme in the nation in terms of interfering with that relationship. Physicians must be free to advise and treat their patients based on their medical knowledge and expertise and not have their advice overridden by elected officials seeking to impose their own ideological agenda on others.

Therefore, I veto this bill.

GOVERNOR’S OBJECTIONS AND VETO MESSAGE

Senate Bill 727, "An Act to Eliminate the Dues Check-off Option for Active and Retired Public School Employees."

July 13, 2011
This bill is simply one more attack on teachers by the Republicans in the General Assembly. The effect of Senate Bill 727 is to unfairly and arbitrarily single out one group, given that State law allows a dues check-off option for every other comparable association of employees. It does so without even attempting to offer any rational basis why - which is not surprising, because no rational basis exists. In addition to being unfair, this bill is also illegal because it violates the rule under our State Constitution that similar groups must be treated similarly.

In short, the Republican leadership is punishing teachers because teachers had the "audacity" to publicly protest a budget that contains the most devastating cuts to education in our State's history. Teachers have rights, and I refuse to allow the General Assembly to take them away.

Therefore, I veto this bill.

Bev Perdue

This bill, having been vetoed, is returned to the Clerk of the North Carolina Senate on this 18th day of June, 2011, at 10:22 a.m. for reconsideration by that body.

June 24, 2011

Mr. Speaker:

It is ordered that a message be sent your Honorable Body that S.B. 33, AN ACT TO REFORM THE LAWS RELATING TO MONEY JUDGMENT APPEAL BONDS, BIFURCATION OF TRIALS IN CIVIL CASES, AND MEDICAL LIABILITY, was vetoed by Governor Beverly E. Perdue on June 24, 2011 and was returned to the Senate with the attached veto message.

July 13, 2011
GOVERNOR'S OBJECTIONS AND VETO MESSAGE

Senate Bill 33, "An act to reform the laws relating to money judgement appeal bonds, bifurcation of trials in civil cases, and medical liability."

I am strongly committed to passing meaningful medical malpractice reform. Doctors, hospitals and nursing homes in North Carolina are all being burdened by medical malpractice insurance rates that are too high.

By working together, we enacted meaningful changes to our tort law (H.B. 542) and our worker's compensation system (H.B. 709) this year. We can achieve real medical malpractice reform as well. I commend the legislature for addressing this important issue but, in its current form, the bill is unbalanced. I urge the General Assembly to modify the bill to protect those that are catastrophically injured. Once the bill is revised to adequately protect those that are catastrophically injured, I will proudly sign it into law. I pledge to continue working with the General Assembly to achieve a comprehensive, bipartisan consensus. In its current form, however, I cannot sign the bill.

Therefore, I veto the bill.

Bev Perdue

This bill, having been vetoed, is returned to the Clerk of the North Carolina Senate on this 24th day of June, 2011, at 4:37 p.m. for reconsideration by that body.

**GOVERNOR’S OBJECTIONS AND VETO MESSAGE**

Senate Bill 496, "An Act Relating to Requirements of Medicaid and Health Choice Providers"

There are many aspects of Senate Bill 496 that I support. However, one section of the bill would take final decision-making authority away from the Department of Health and Human Services ("DHHS") and instead give it to the Office of Administrative Hearings ("OAH"). The Attorney General has repeatedly declared that such a transfer of final authority from a state agency to OAH is in violation of our State Constitution. Furthermore, in addition to being unconstitutional, this transfer of authority from DHHS to OAH would also violate federal Medicaid law. Because I do not have a line-item veto, I am unable to veto only this one portion of the bill and must instead veto the bill in its entirety.

Therefore, I veto the bill.

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

Senate Bill 532, "An Act to Reform the Employment Security Laws of North Carolina by Creating the Division of Employment Security Within the Department of Commerce, Transferring the Functions of the Employment Security Commission to that Division, Making the Division Subject to Rulemaking Under Article 2A of Chapter 150B of the General Statutes, and
by Making Other Modifications and Conforming Changes to Align the Employment Security Functions of State Government Under the Direct Leadership of the Secretary of Commerce

In Executive Order No. 85, I called for the transfer of the Employment Security Commission to the Department of Commerce for administrative purposes as a way to streamline State government. The General Assembly agreed with this idea by placing a provision in its budget bill directing that such a transfer take place. However, Senate Bill 532 goes far beyond an administrative transfer and proceeds to radically change the way that unemployment benefits are administered in this State - doing so in a way that calls into question the fairness of the entire process. As a result of these drastic changes, we have been informed by the United States Department of Labor that any finding of a lack of conformity between this bill and federal law will result in North Carolina's loss of money for its unemployment insurance program and that this bill will also raise taxes on all employers statewide who pay federal unemployment taxes. I cannot allow a bill to become law that will endanger our receipt of these much-needed federal funds for our unemployed citizens. Nor am I willing to approve this increased tax on our State's employers.

In the meantime, however, based on my powers under the State Constitution, I am issuing Executive Order No. 95. This Executive Order ensures that the Employment Security Commission will maintain the integrity of its process for administering unemployment benefits while being administratively housed within the Department of Commerce.

Therefore, I veto the bill.

Beverly E. Perdue

This bill, having been vetoed, is returned to the Clerk of the North Carolina Senate on this 30th day of June, 2011, at 4:10 p.m. for reconsideration by that body.

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

Senate Bill 709, "An Act to Increase Energy Production in North Carolina to Develop a Secure, Stable, and Predictable Energy Supply to Facilitate Economic Growth, Job Creation, and Expansion of Business and Industry Opportunities and to Assign Future Revenue From Energy Exploration, Development, and Production of Energy Resources in Order to Protect and Preserve the State's Natural Resources, Cultural Heritage, and Quality of Life."

Senate Bill 709 is unconstitutional on its face. By directing the Governor of this State to enter into a compact with the Governors of South Carolina and Virginia, the General Assembly is intruding on the constitutional power of the Executive Branch and is, therefore, violating separation of powers principles that are enshrined in our constitution. Furthermore, and even more basically, the General Assembly lacks the authority to instruct the Governors of other states to do anything at all. That's why I am vetoing this bill.

July 13, 2011
Before any oil and gas production can commence, the federal government must take action. North Carolina is nevertheless proactively planning and preparing to take full advantage of any eventual federal authorization. I strongly believe that our state can put people to work producing homegrown energy to power our lights and fuel our cars. But, we must do so through a comprehensive mix of energy sources that includes renewable energy. To that end, I’m issuing Executive Orders No. 96 and 97. The first will reestablish and expand the Scientific Advisory Panel on Energy that will continue to research, plan and provide options for onshore and offshore oil and gas production. The second will create the Offshore Wind Economic Development Task Force that will make recommendations on state investments and infrastructure needed to take full economic advantage of offshore wind resources in North Carolina.

Therefore, I veto the bill.

This bill, having been vetoed, is returned to the Clerk of the North Carolina Senate on this 30th day of June, 2011, at 4:05 p.m. for reconsideration by that body.

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

Senate Bill 781, "An Act to Increase Regulatory Efficiency in Order to Balance Job Creation and Environmental Protection"

I am strongly in favor of regulatory reform. Through my Executive Order, I have spearheaded the effort to improve our State's regulatory system by taking a balanced approach that protects the economy, public health, public safety, and the environment, and I will continue to do so. While I wholeheartedly support the General Assembly's desire to pass laws aimed at reforming our bureaucracy, those laws have to be balanced and meet constitutional standards. Senate Bill 781 fails this test. It would take final decision-making authority in certain circumstances away from state agencies and instead give it to the Office of Administrative Hearings - a result that the Attorney General has repeatedly declared is in violation of the North Carolina Constitution. I urge the General Assembly to revisit the issue of regulatory reform.

Therefore, I veto the bill.

The House meets at 12:00 Noon pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Representative Ruth Samuelson:

"Praise the LORD, my soul; all my inmost being, praise his holy name. Praise the LORD, my soul, and forget not all his benefits - who forgives all your sins and heals all your diseases, who redeems your life from the pit and crowns you with love and compassion, who satisfies your desires with good things so that your youth is renewed like the eagle’s.

"The LORD works righteousness and justice for all the oppressed.

"He made known his ways to Moses, his deeds to the people of Israel: The LORD is compassionate and gracious, slow to anger, abounding in love. He will not always accuse, nor will he harbor his anger forever; he does not treat us as our sins deserve or repay us according to our iniquities. For as high as the heavens are above the earth, so great is his love for those who fear him; as far as the east is from the west, so far has he removed our transgressions from us.

"As a father has compassion on his children, so the LORD has compassion on those who fear him; for he knows how we are formed, he remembers that we are dust. As for man, his days are like grass, he flourishes like a flower of the field; the wind blows over it and it is gone, and its place remembers it no more. But from everlasting to everlasting the LORD’s love is with those who fear him, And his righteousness with their children’s children -’

Dear Mr. Speaker:

We have been part of an historic session. With determination and perseverance we passed a balanced budget with no tax increases. Many other worthy issues were also successfully addressed. Included in that number were the tort reform bills. Thank you for your support of those important pieces of legislation.

I ran last year to join you in our effort to return North Carolina to fiscal responsibility. Our budget does that. With that lofty goal now accomplished. I am resigning from the House, effective August 15, 2011, and will return to private life. You may know that my family has relocated to a new home outside my district. I am anxious to join them and will be moving my residence for that purpose. That will of course allow the good people of Lincoln County to send a new representative to join you in furtherance of our conservative majority.

While I will no longer be with you in an official capacity, I will be with you in spirit. The trials and achievements of our time together have given me a keen appreciation for your love of our state and its people. I take considerable confidence in knowing that you and our other colleagues continue in service to the Old North State.

In conclusion, I want to thank you for your friendship and encouragement. I look forward to learning of your many successes in the times ahead.

Yours very truly,
S/ Representative Johnathan L. Rhyne, Jr.

North Carolina House of Representatives  

Mr. Speaker:  

I am writing to inform you that I will be resigning from my seat in the North Carolina House of Representatives effective September 30, 2011.  This is a decision that I have contemplated for some time.  It was not an easy one.  In my 21 years of public service, I have learned a lot, forged many friendships that will last a lifetime, and worked to the best of my ability to serve the people of North Carolina.  

I have grown to love and respect the institution in which we both serve.  It has been an honor and a privilege to serve with you and all of our colleagues.  We all come from many walks of life and have each traveled different paths to get here, but collectively we represent each and every life in this great state.  It is truly an honor to have done so and I wish you and all the other members of the General Assembly continued success.  

Respectfully,

REPRESENTATIVE T. MOORE PRESIDING.

On motion of Representative Farmer-Butterfield, the following farewell remarks by Representative Barnhart are spread upon the Journal.

**REMARKS BY REPRESENTATIVE BARNHART**

"Thank you, Mr. Speaker. I will try to make this brief. I appreciate the comments that Representative Steen made. I was told by a few folks that I should give some small farewell speech today, if my voice will hold out. I have been told by a couple of doctors I am not contagious. What I did, my wife and I went to upstate New York to a friend's hunting cabin last week and spent four days riding four-wheelers through high ragweed, and I have bad allergies, and I am stuck with the results. But it was fun.

September 14, 2011
"But I do want to say something. If I was going to be brief, the first thing I would say is that in my 21 consecutive years of public service, these eyes have seen a lot, these ears have heard a lot, and hopefully this mouth has not said too much.

"But on a serious note, I was sitting here, making a few notes to speak on. To begin, I owe Representative Torbett an apology. I was his mentor this year, and for the first few months, I don't think he saw me. And by then he didn't need me. But I'm sitting here thinking about it, if I were going to say anything to you as a mentor, here are some of the comments I would make.

"I would say that once elected you have a duty to represent everyone, from the small child in the crib that's not going to vote for you, to the disabled and the elderly and the frail, that may not be able to get out and vote. I think that no one has the answers, all the answers. I mean no one. That's why we're supposed to work together and come up with them.

"I would say that the gift of listening is a far greater gift than the gift of speaking. I would say that we all get very passionate about topics and issues. That's a good thing. We come together in this institution to debate things. But please never make it personal. We all love this State and that's why we're here and we do the best we can to serve, and we do have our difference in opinions.

"I would say that the other thing that I would tell him is that many will help you along the way. Take the time to try and help others in the same way. That's how we move ahead.

"I would also say that you have to make a lot of tough decisions, and everyone sitting in these chairs knows they're not comfortable ones. I get picked on sometimes by Fred and a few others about some votes. But you know, at the end of the day, whether you're voting with your friends or not; at the end of the day, it's your vote. Your name goes on the roll how you voted, and you own it. So you need to be comfortable with it. Sometimes that puts us all in a bad spot, but you just have to do the best you can.

"I think the other thing I would say is that this institution is something very, very special. I'd say, protect it, and hold it up at all costs. And then I think the last thing I would say is that at the end of the day, what you really have left is your reputation, and we all pride ourselves on that and so it's something you have to work at.

September 14, 2011
"Having said that, after 21 years, I have to thank my wife and children for what they've dealt with, the support they have been. Joanna Hogg, in my office has been great. Pamela Ahlin, who now works for Representative Cleveland, God bless her, spent a lot of time with me and she was great. Doctor Pat Porter has been great, especially this year with the mental health issues. We've got a lot of great staff here, and the Sergeant-at-Arms staff, I'm going to miss all those folks. And I'm going to miss you, and I thank you for, at times, putting up with me, but seriously for the camaraderie we have had in so many ways.

"And with that, in closing, I'll just say that I wish everyone the very best, and may God be with you and give you strength and give you wisdom. I know everyone will work hard and keep moving forward and that's what it's about. Thank you."

On motion of Representative T. Moore, the House recesses at 10:05 a.m.

"On October 31st we lost Senator Jim Forrester.

"Gaston County and North Carolina have lost their Gentle Giant, and I have lost a friend.

"Although we mourn his loss we also celebrate Jim’s life, an honorable life of service and sacrifice to his fellow citizens. Throughout his lifetime of service as Doctor, Soldier, Commissioner, and Senator he touched so many people, people that will forever remember his true caring both of and for them.

"Because of his lifetime of unquestionable loyalty and service to his country and State, Jim was one man, in whom I could depend, knew and lived the true meaning of 'Duty, Honor, Country.' He saw the price, he bore the cost, and he knew the sacrifice having witnessed so many American boys shed their blood at the altar of freedom.

"I know several of you recently lost loved ones.

"I know that many, if not all, here present today, during your life have lost loved ones, friends, or colleagues. I respectfully ask that this House of the people of North Carolina now hold a moment of silence and reflection to remember Senator Jim Forrester, his family, and those nearest to all of us who have gone to their eternal reward.

----------Moment of Silence----------

"God, please continue to bless our families, each of us, the people of our great State, and our beloved country. I pray in Your son’s name, Jesus Christ. Amen."

RULE 3. Quorum. – (a) A quorum consists of a majority of the qualified members of the House.

(b) Should the point of a quorum be raised, the doors shall be closed, and the Clerk shall call the roll of the House, after which the names of those not responding shall again be called. In the absence of a quorum, 15 members are authorized to compel the attendance of absent members and
may order that absentees for whom no sufficient excuses are made be taken into custody wherever they may be found by special messenger appointed for that purpose.

RULE 4. Approval of Journal. – (a) The Chair of the Standing Committee on Rules, Calendar, and Operations of the House shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

(b) Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the Journal report by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, or by a Representative designated by the Chair, as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved.

II. Conduct of Debate

RULE 6. Duties and Powers of the Speaker. – The Speaker shall have general direction of the Hall, subject to more specific provisions of these rules. The Speaker may name any member to perform the duties of the chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House. If the Speaker is absent and has not designated a member to perform the duties of the chair, the Speaker Pro Tempore shall preside during such absence. In the case of a vacancy in the office of the Speaker of the House of Representatives, the Principal Clerk shall preside over the House until the House elects a Speaker.

RULE 7. Obtaining Floor. – (a) When any member desires recognition for any purpose, the member shall rise and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

(b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he or she may propound a question to the member occupying the floor; but he or she shall not otherwise interrupt the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.

(c) A member who has obtained the floor may be interrupted only for the following reasons:
   (1) A request that the member speaking yield for a question,
   (2) A point of order,

RULE 8. Questions of Privilege. – Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed three minutes. Questions of privilege shall be those affecting, first, the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence over all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

RULE 9. Points of Order. – (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A three-fifths vote of the members present shall be necessary to sustain any appeal from the ruling of the chair.
(b) When the Speaker calls a member to order, the member shall be seated, except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the chair and the decision by a three-fifths vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the House, requires it, the member shall be liable to censure by the House.

RULE 10. Limitations on Debate. – (a) No member shall speak on, debate, or solicit cosponsors for a bill or resolution at its first reading.
(b) No member shall speak more than twice on the main question nor longer than 15 minutes for the first speech and five minutes for the second speech; nor shall the member speak more than twice upon an amendment or motion to reconsider, re-refer, appeal, or postpone or any motion on concurrence, and then not longer than 10 minutes for the first speech and five minutes for the second speech.
(c) A member may speak only once and for not more than 10 minutes on the question of the adoption of a minority report.
(d) In computing the time allowed for argument, the time consumed in asking and answering questions should be considered. If a member consents to the question, the time consumed by the interruption is taken out of any time allowed that member.
(e) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) through (d) of this rule during any debate on any particular question before the House.

RULE 11. Reading of Papers. – When there is a call for the reading of the text of a paper which has been presented to the House and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. General Decorum. – (a) The Speaker shall preserve order and decorum.
(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.
(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of, or cross the House nor, when a member is speaking, engage in disruptive discourse or pass between the member and the chair.
(d) Food or beverages shall not be permitted on the floor of the House during the first two hours of the daily session.
(e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.

(i) The use of wireless telephones shall not be permitted in the House Chamber.
(j) Placards, stickers, or signs are not permitted in the House Chamber.

III. Motions

RULE 13. Motions Generally. – (a) Every motion shall be reduced to writing if the Speaker or any two members request it. No motion relating to a bill shall be in order which does not identify the bill by its number and short title.

(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. Motions, Order of Precedence. – When there are motions before the House, the order of precedence is as follows:
To adjourn.
To recess.
To lay on the table.
Previous question.
To postpone indefinitely.
To reconsider.
To postpone to a day certain.
To re-refer.
To amend an amendment.
To amend.
To pass the bill.

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer, or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn. – (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.
(b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. Motion to Table. – (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn or to recess is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.

RULE 17. Motion to Postpone Indefinitely. – A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question or to recess is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

RULE 18. Motion to Reconsider. – (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider and a motion to reconsider:

(1) A vote upon a motion to table,
(2) A motion to postpone indefinitely,
(3) A motion to remove a bill from the unfavorable calendar,
(4) A motion that a bill be read twice on the same day, or
(5) A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended except by a vote of three-fifths of all the members of the House.
RULE 19. **Previous Question.** – (a) The previous question may be called only by:

1. The Chair of the Committee on Rules, Calendar, and Operations of the House;
2. The Majority Leader;
3. The member submitting the report on the bill or other matter under consideration;
4. The member introducing the bill or other matter under consideration;
5. The member in charge of the measure, who shall be designated by the chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the question is on the passage of the bill, resolution, or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn, motion to recess, or motion to table.

(d) If the previous question is decided in the negative, the question remains under debate.

(e) After the previous question is ordered, the Majority Leader and the Minority Leader may each allocate three minutes of debate on the question. The Majority Leader and the Minority Leader may each designate another member to act under this subsection in their absence.

IV. Voting

RULE 20. **Use of Electronic Voting System.** – (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

1. The passage as required by Article II, Section 23 of the North Carolina Constitution on second and third readings of any bill:
   a. Raising money on the credit of the State,
   b. Pledging the faith of the State for the payment of a debt,
   c. Imposing a State tax, or
   d. Authorizing a county, municipality, or other local governmental unit to
1. Raise money on its credit,
2. Pledge its faith for the payment of a debt, or
3. Impose a local tax.

(2) All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the North Carolina Constitution has been sustained.

(3) Both second and third readings of bills proposing amendment of the North Carolina Constitution or ratifying resolutions amending the United States Constitution.

(4) The passage of a bill notwithstanding the Governor's veto thereof pursuant to Article II, Section 22 of the North Carolina Constitution.

(b) Votes on the following questions shall be taken on the electronic voting system:
(1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.
(2) Upon a call for division.
(3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth of the members present.

(c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. Once the system is locked, the vote shall be recorded and printed.

(d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.
(f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:

1. To adjourn.
2. To recess.
3. To lay on the table.
4. Previous question.
5. To postpone indefinitely.
6. To reconsider.
7. To postpone to a day certain.
8. To re-refer.
9. To amend an amendment.
10. To amend.
11. To concur or not concur.
12. Miscellaneous.

**RULE 21. Voice Votes; Stating Questions.**

(a) All other votes except those required to be taken on the electronic voting system shall be taken by voice vote.

(b) When a voice vote is taken, the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'Aye'," and after the affirmative voice has been expressed, "Those opposed will say 'No'."

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.
RULE 22. **Determining Questions.** – (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. **Voting by Division.** – Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. **Roll Call Vote.** – (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

(c) No member may change a vote without leave of the House, but such leave shall not be granted if it affects the result.

RULE 24.1A. **Excuse From Deliberations and Voting on a Bill.** – (a) Any member shall, upon request, be excused in advance from the deliberations and voting on a particular bill at any time that the reason for the request arises in the proceedings on the bill.

(b) The member may make a brief oral statement of the reasons for making the request, and shall do so if required by the State Government Ethics Act. The member may provide to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill, in committee or on the floor of the House at any reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

(e) By leave of the House, a member who has been excused from deliberations and voting on a bill may participate in deliberations and votes on amendments to which that member does not have any conflict that requires excusal.
RULE 24.1B. Division of Amendments. – Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. – In all elections the Speaker may vote. In all other instances the Speaker may vote or may reserve this right until there is a tie in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. – (a) The Speaker shall appoint a chair, or co-chairs, of every standing committee, permanent subcommittee, and select committee, if any. In the construction of these rules, the word "chair" as applied to a committee extends to and includes a co-chair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) The Speaker shall establish the number of members of each standing committee and standing subcommittee, and appoint the members in a manner to reflect the partisan membership of the House, except that the Committee on Ethics shall have an equal number of members of the majority and minority.

(c) Before appointing members of committees and subcommittees, the Speaker shall consult with the Minority Leader. The Speaker and Minority Leader shall consider members' committee preferences in making appointments and recommendations.

(d) The Speaker may not appoint new members to committees or permanent subcommittees after April 15 of an odd-numbered year or at any time during an even-numbered year except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member. As to select committees established after March 1 of an odd-numbered year or during an even-numbered year, the Speaker may not appoint new members more than 60 calendar days after the select committee is established, except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member.

(e) Each chair of a permanent subcommittee shall be a vice-chair of the standing committee of which it is a permanent sub-committee. The Speaker may name other members as vice-chairs of the standing committee. The Speaker may name one or more vice-chairs for any standing committee not having permanent subcommittees.

(f) A maximum of two chairs of a standing committee are entitled to vote in a permanent subcommittee of the standing committee.
(g) Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee. A quorum of less than a majority of all the members must include at least one member of the minority party.

(h) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

RULE 26.1. **Mentions of Standing Committee Includes Select Committee.** – Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

RULE 27. **List of Standing Committees and Permanent Subcommittees.** – The standing committees and permanent subcommittees thereof are:

RULE 28. **Standing Committee and Permanent Subcommittee Meetings.** – (a) Standing committees and permanent sub-committees of standing committees shall be furnished with suitable meeting places pursuant to a schedule established by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.  

(b) Subject to the provisions of subsection (c) of this rule, standing committees and permanent subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees or permanent subcommittees.  

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee or permanent subcommittee, and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.  

(d) Procedure in the standing committees and permanent subcommittees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth
of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(e) No standing committee or permanent subcommittee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly scheduled hour. No permanent subcommittee shall meet at the same time that its standing committee is meeting. Standing committees and permanent subcommittees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee and permanent subcommittee meetings shall adjourn no later than:

1. 15 minutes preceding a regular session of the House, and
2. 10 minutes preceding the hour of the next regularly scheduled standing committee or permanent subcommittee meeting.

Action taken by a committee in violation of this rule is voidable unless taken by unanimous consent at a meeting at which a majority of all the members of the committee are present, and at least one member present is of the minority party.

(g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative sessions shall be sent by electronic mail to each member of the standing committee or permanent subcommittee at least five days prior to such meeting. If a member of the body so requests in writing to the chair of the standing committee or permanent subcommittee, the member shall be notified by mail of the meetings.

(h) During standing committee and permanent subcommittee meetings, the chair may exercise the right to vote, or may reserve this right until there is a tie, in which event the chair may vote, but in no instance may the chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations Into Violations of the Open Meetings Law. – (a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.
If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against the individual and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

1. Dismiss the complaint and take no further action.
2. Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.
3. Issue a public letter of reprimand if the violation of the Open Meetings Law was intentional or if the legislator has previously received a private letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.
4. Refer the matter to the House for appropriate action.

RULE 29. Notice of Standing Committee and Permanent Subcommittee Meetings and Hearings. — Other than meetings on the list of regular meeting times of standing committees and permanent subcommittees, public notice of all standing committee and permanent subcommittee meetings shall be given in the House, or if scheduled after adjournment, by electronic mail and posting on the legislative Web site. The chair of the standing committee or permanent subcommittee shall notify or cause to be notified the sponsor of each bill which is set for hearing or consideration before the standing committee or permanent subcommittee as to the date, time, and place of that meeting.

RULE 29.1. Public Hearings. — (a) Requests for a public hearing shall be made in writing to the chair of the standing committee and, if applicable, the chair of the permanent subcommittee to which the bill has been referred. The chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. The chair of the permanent subcommittee may schedule a public hearing before the permanent subcommittee at its regularly scheduled hour. Denial of a request made by a House member may be appealed to the Speaker.

Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press and shall be posted in the places designated by the Principal Clerk.
(b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the chair of the standing committee or permanent subcommittee. The standing committee or permanent subcommittee chair may designate one or more members to arrange the order of appearance of interested parties. A brief written statement of testimony may be submitted without oral presentation and shall be incorporated into the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library. – The chair of a standing committee or a permanent subcommittee shall ensure that written minutes are compiled for each of the body's meetings. The minutes shall indicate the members present and the actions taken at the meeting. Not later than five days after the adjournment of each session of the General Assembly, the chair shall deliver the minutes to the Legislative Library. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the chair.

RULE 30. Committee of the Whole House. – (a) A Committee of the Whole House shall not be formed, except by leave of the House.
(b) After passage of a motion to form a Committee of the Whole House, the Speaker shall appoint a chair to preside in the committee, and the Speaker shall leave the dais.
(c) The rules of procedure in the House shall be observed in the Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.
(d) In the Committee of the Whole House, a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.
(e) When a bill is submitted to the Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.

(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.

(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. If any bill is subject to the deadline under this subsection and the bill is amended so that all the provisions requiring referral to either or both of those committees under Rule 38 do not remain in the bill, it is not eligible for further consideration.

(f) A bill containing no substantive provisions may not be introduced in the House.

(g) No member may introduce more than 10 public bills. For the purpose of this subsection, the introducer is the member who is listed as the first sponsor. This subsection does not apply to bills or resolutions recommended by commissions or committees authorized or directed by act or resolution of the General Assembly to report to the 2011 Regular Session of the General Assembly, or to report prior to convening of that session. This subsection does not apply to joint resolutions or House resolutions.

(h) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills which would be required to be re-referred to the Appropriations or Finance Committee under Rule 38 or adjournment resolutions must be received and read on the floor of the House as a message from the Senate no later than Thursday, May 12, 2011; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

(j) This rule, other than subsections (f), (g), and (i), does not apply to bills (i) establishing districts for Congress or State or local entities, or (ii) ratifying an amendment or amendments to the Constitution of the United States. This rule does not apply to resolutions adjourning the General Assembly sine die or to a date certain.
RULE 32. Reference to Standing Committee and to Permanent Subcommittee; Serial Referrals. – (a) Each bill not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee, committee of the whole, or permanent subcommittee as the Speaker deems appropriate. The Speaker at the same time may order that, if the bill is reported with any favorable recommendation or without prejudice, it be re-referred automatically upon the committee report to another committee or permanent subcommittee designated in the order. Each joint resolution or House resolution not introduced on the report of a standing committee shall immediately upon its first reading either be referred by the Speaker to a standing committee or permanent subcommittee or be calendared on the date designated by the Speaker, as the Speaker deems appropriate.

(b) The standing committee chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

1. Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;

2. Favorable, without prejudice, or unfavorable as to the original bill, as amended, with the recommendation that the report be made to the standing committee;

3. Favorable or without prejudice to the proposed committee substitute, and unfavorable to the original bill, with the recommendation that the report be made to the standing committee;

4. Favorable as to the original bill with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair;

6. Favorable to the proposed committee substitute with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair, and unfavorable to the original bill.
Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee, the bill shall be before that body for further action unless the permanent subcommittee chair reports the bill directly pursuant to Rule 36.

RULE 33. Papers Addressed to the House. — Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

RULE 34. Introduction of Resolutions and Bills, Copies Required. — (a) House Bills shall be designated as "H.B.___." (No. following). A Joint Resolution shall be designated as "H.J.R. ___." (No. following). A House Resolution shall be designated as "H.R.___." (No. following).

(b) Whenever any resolution or bill is filed for introduction, it shall be in a House bill jacket containing the number of copies designated by the Principal Clerk and in the form designated by the Speaker. Any resolution or bill not accompanied by the required number of copies shall be returned immediately to the introducer. The Clerk shall stamp the copies with the number stamped upon the original bill.

(c) No bill may be filed for introduction if the draft contains names preprinted on the bill jacket and body of the bill (either as primary sponsors or cosponsors) unless each such member has signed the jacket.

RULE 35. Duplicating and Availability of Copies of Bills. — (a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. Copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties. No public bill and, upon objection by a member, no local bill may be considered unless copies of the bill have been made available to the entire membership of the House.

RULE 35.1. Assessment Reports. — (a) Every bill or resolution proposing the establishment of an occupational or professional licensing board, as defined in Article 18A of Chapter 120 of the General Statutes, or a study for the need to establish such a board shall have attached to the jacket of the original bill or resolution at the time of its consideration on second and third readings by the House or by any standing committee or permanent subcommittee of the House an assessment report from the Legislative
Committee on New Licensing Boards pursuant to Article 18A of Chapter 120 of the General Statutes. The assessment report shall not constitute any part of the expression of legislative intent proposed by the formation of a licensing board. Upon receipt of the request, the Legislative Committee on New Licensing Boards shall prepare and return the assessment report as soon as possible but not later than 60 days, reserving the right to extend this time to 90 days.

(b) Every legislative proposal introduced in the House or received in the House from the Senate, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the House or by any committee of the House prior to a favorable report, a recommendation from the Joint Legislative Commission on Municipal Incorporations, established by Article 20 of Chapter 120 of the General Statutes. The recommendation of the Joint Legislative Commission on Municipal Incorporations shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.

RULE 36. Report by Standing Committee or Permanent Subcommittee. – (a) Reports. – Bills and resolutions may be reported from the standing committee or permanent subcommittee to which referred with such recommendations as the standing committee or permanent subcommittee may desire to make. With the written approval of the chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(b)(4) through (6), the chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the chair of the standing committee fails to give approval, the bill shall be deemed to have been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(b) Favorable Report. – When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day designated by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but not on the same day that it is reported except by leave of the House, and no later than the fourth legislative day after submission of the report or Senate message under Rule 43.2 or Rule 43.3(a), unless:

(1) The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32; or

(2) The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee.
In order to place a bill on the calendar for a legislative day, notice shall be given by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk. When a committee substitute is adopted and receives a favorable report by the committee or permanent subcommittee, the standing committee or permanent subcommittee chair shall submit to the standing committee or permanent subcommittee the question of an unfavorable report on the original bill. The standing committee's or permanent subcommittee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(c) **Report Without Prejudice.** – When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar in the same manner as provided in subsection (b) of this rule.

(d) **Postponed Indefinitely.** – When a standing committee reports a bill with the recommendation that it be postponed indefinitely and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(e) **Unfavorable Report.** – When a standing committee reports a bill with the recommendation that it not be passed and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(f) **Minority Report.** – When a bill is reported by a standing committee with a recommendation that it not be passed or that it be postponed indefinitely but it is accompanied by a minority report signed by at least one-fourth of the members of the standing committee who were present and voting when the bill was considered in standing committee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

**RULE 36.1. Fiscal Notes or Fiscal Memoranda.** – (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Standing Committee on Rules, Calendar, and Operations of the House, upon the floor of the House, may request that a fiscal analysis be made of a bill, resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note or fiscal memorandum be attached to the measure, which request shall be allowed when, in the opinion of the Speaker, the fiscal effects of that measure are not apparent from the language of the measure. When a request is properly made under this subsection, the bill is removed from the calendar until such time that the fiscal note or fiscal memorandum is attached to the measure.

(b) The fiscal note or fiscal memorandum shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note or fiscal memorandum within two
legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note or fiscal memorandum will be ready.

(c) The fiscal note or fiscal memorandum shall be prepared by the Fiscal Research Division on a form approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note or fiscal memorandum shall indicate the reasons that no estimate is provided. The fiscal note or fiscal memorandum shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note or fiscal memorandum available to the membership of the House.

(d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal Research Division for the preparation of a fiscal note or fiscal memorandum. The sponsor shall attach the fiscal note or fiscal memorandum to the bill when filed or to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note or fiscal memorandum is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note or fiscal memorandum attached to the bill or amendment and to the copies of the fiscal note available to the membership.

(f) Subsection (a) of this rule shall not apply to the Current Operations Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.

RULE 36.2. Actuarial Notes. – (a) Every bill or resolution proposing any change in the law relative to any:

(1) State, municipal, or other retirement system funded in whole or in part out of public funds; or

(2) Program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds;

shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or any permanent subcommittee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subdivision (a)(1) of this rule shall be referred to the Committee on State Personnel upon its introduction in accordance with G.S. 120-111.3.
The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.

The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

When any permanent subcommittee or standing committee reports a measure to which an actuarial note is attached at the time of permanent subcommittee or standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, the chair of the permanent subcommittee or standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.
(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

RULE 36.3. **Local Legislation Affecting State Highway System.** – A local bill affecting the State Highway System shall be referred to the Committee on Transportation.

RULE 36.4. **Content of Appropriations Bills.** – No provision shall be contained in any of the following bills unless it pertains to the appropriation of money or the raising or reducing of revenue: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium. If a point of order is made against such a provision and is sustained, the presiding officer shall refer the bill to the committee from which it came, with instructions for the chair of the committee to immediately report out a substitute or amendment removing the offending provision.

RULE 37. **Removing Bill From Unfavorable Calendar.** – A bill may be removed from the unfavorable calendar upon motion carried by a two-thirds vote. A motion to remove a bill from the unfavorable calendar is debatable.

RULE 38. **Reports on Appropriation and Revenue Bills.** – (a) All standing committees, other than the Standing Committees on Appropriations, when favorably reporting any bill or resolution which:

(1) Carries an appropriation from the State; or

(2) Requires or will require in the future substantial additional State monies from the General Fund or Highway Fund to implement its provisions shall indicate same in the report, and said bill or resolution shall be referred to the Standing Committees on Appropriations for a further report before being acted upon by the House.

(b) All standing committees, other than the Standing Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue, reduces revenue, levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of bonds or notes, whether public, public-local, or private, shall indicate same in the report, and said bill shall be referred to the Standing Committee on Finance for a further report before being acted upon by the House. This subsection shall not apply to bills only imposing fines, forfeitures, or penalties.

(c) **Action on Amendment Before Re-Referral.** – If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House, must be referred to the Standing Committees on Appropriations or the Standing Committee on Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.
RULE 39. Discharge Petition. – (a) A motion to discharge a committee from consideration of a bill may be filed with the Principal Clerk by a primary sponsor of that measure if accompanied by a petition asking that the committee be discharged from further consideration of the bill. No motion may be filed until 10 legislative days after the bill has been referred to the committee. No petition may be filed until notice has been given on the floor of the House that the petition is to be filed and the primary sponsor giving notice has obtained a fiscal note or fiscal memorandum from the Fiscal Research Division on the bill, which note or memorandum shall be attached to the petition. Members may sign the petition only in the office of the Principal Clerk, and when the signatures of 61 members appear on the petition, the Principal Clerk shall place that motion on the calendar for the next legislative day as a special order of business. Members may withdraw their names at any time until 61 names appear. If the motion is adopted by the House, then the committee to which the bill or resolution has been referred is discharged from further consideration of the bill, and that bill is placed on the calendar for the next legislative day as a special order of business. The Principal Clerk shall provide a form for discharge petitions.

(b) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the chair of the standing committee, and to sustain that motion two-thirds of the members shall be required.

RULE 39.2. Re-Referral of Bills From One Standing Committee to Another Standing Committee. – Upon consent of the sponsor of the bill, the Speaker, the chair of the standing committee from whom the bill is to be re-referred, and the chair of the standing committee to whom the bill is to be re-referred, or the Chair of the Standing Committee on Rules, Calendar, and Operations of the House may move for a re-referral to another standing committee, and the bill shall be re-referred upon vote of the majority present during a regular session of the House.

RULE 40. Calendars and Schedules of Business. – The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up as they appear in each category (Rule 5(10)). Except by leave of the House, the Speaker shall not vary from the order.

RULE 41. Reading of Bills. – (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.
(b) No bill shall be read more than once on the same day without the concurrence of two-thirds of the members present and voting; provided, no bill governed by Section 23 of Article II of the North Carolina Constitution herein shall be read twice on one day under any circumstance.

RULE 42. Effect of a Defeated Bill. — (a) Subject to the provisions of subsection (b) of this rule, after a bill has:
   (1) Been tabled,
   (2) Been postponed indefinitely,
   (3) Failed to pass on any of its readings, or
   (4) Been placed on the unfavorable calendar,
the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the chair, that measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds vote of the members present and voting.

   (b) No local bill shall be held by the chair to embody the contents of or the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

RULE 43. Amendments. — (a) No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c). No amendment that is clearly unconstitutional shall be in order.

   Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

   Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

   (b) The following rules apply when considering: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium:
(1) Amendments cannot increase total spending within a subcommittee area beyond the total for that subcommittee as shown in the committee report.

(2) Amendments can only affect appropriations within the departments, agencies, or programs within the jurisdiction of the subcommittee.

(3) Amendments cannot increase total spending beyond the total amount shown in the committee report.

(4) Amendments that cause the budget to be unbalanced are not in order.

(5) Amendments cannot spend reversions.

(6) Amendments cannot make nonrecurring reductions to fund recurring items.

RULE 43.1. **Engrossment.** – Bills and resolutions, except those making appropriations, which originate in the House and which are amended, shall be engrossed before being sent to the Senate.

RULE 43.2. **House Concurrence in Senate Amendments to House Bills.** – When the House receives a Senate amendment to a bill originating in the House, it shall be placed on the calendar in accordance with Rule 36(b).

RULE 43.3. **Committee Substitutes Adopted by the Senate to Bills Originating in the House; Procedure for Treatment of Material Amendments Thereto.** – (a) Whenever the Senate has adopted a committee substitute for a bill originating in the House and has returned the bill to the House for concurrence in that committee substitute, it shall be placed on the calendar in accordance with Rule 36(b).

(b) The Speaker shall rule whether the committee substitute is a material amendment under Section 23 of Article II of the North Carolina Constitution which reads:

"**Revenue bills.** – No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."

If the committee substitute was referred to standing committee, the standing committee shall:

(1) Report the bill with the recommendation either that the House do concur or that the House do not concur; and
(2) Advise the Speaker as to whether or not that committee substitute is a material amendment under Article II, Section 23 of the North Carolina Constitution.

c) If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.

d) If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the House shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

e) No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

RULE 44. Conference Standing Committees. – (a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in the House, or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker upon the Speaker’s own motion and shall be appointed upon request by the principal sponsor of the original bill, the chair of the House standing committee which reported the bill, or the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees, the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.

(b) The conference report may be made by a majority of the House members of such conference committee and shall not be amended. If the Senate has a similar rule, only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. If the Senate does not have a similar rule, a conference committee report which includes significant matters that were not in difference between the houses, shall be referred to a standing committee for its recommendation before further action by the House.

c) If the conferees fail to agree or if either house fails to adopt the report of its conferees, new conferees may be appointed.

d) No vote shall be taken on adoption of a conference report until the next legislative day following the report, except that no vote shall be taken on adoption of a conference report on either the Current Operations Appropriations Bill or a bill generally revising the Current Operations Appropriations Act until the second legislative day following the report.
RULE 44.1. Transmittal of Bills to Senate. — Unless ordered by the Speaker or two-thirds vote of the members present and voting, no bill shall be sent from the House on the day of its passage, except on the last day of the session.

The Principal Clerk, Reading Clerk, and Sergeant-at-Arms shall have and perform duties and responsibilities, not inconsistent with these rules, as the Speaker may assign. Unless directed otherwise by the Speaker on behalf of the House, the Principal Clerk or an employee designated by the Principal Clerk shall receive House bills not approved by the Governor.

H.R. 10, A HOUSE RESOLUTION HONORING THE FOUNDERS OF TRANSYLVANIA COUNTY ON THE OCCASION OF THE COUNTY’S ONE HUNDRED FIFTIETH ANNIVERSARY.

Whereas, Transylvania County was formed from Henderson and Jackson Counties by an act of the State legislature in 1861; and

Whereas, the act was introduced by Hendersonville attorney and representative of the House of Commons in the General Assembly, Joseph P. Jordan; and

Whereas, Transylvania County's name was derived from the Latin words trans (“across”) and silva or sylva (“woods”); and

Whereas, the many tributes and events of historical importance make Transylvania County truly unique; and

Whereas, the City of Brevard, laid out on land donated by Braxton C. Lankford, Leander S. Gash, and Alex F. England, was established as the county seat in 1868 and was named for Dr. Ephraim Brevard, who helped write the Declaration of Independence for Mecklenburg County and served his burgeoning young nation as a surgeon during the American Revolution; and

Whereas, perhaps the most widely known pioneer family in the County's past, the Gillespie family (formerly Gillaspie), has had a historical impact reaching far beyond the upper French Broad River as the founders of Transylvania County's famed clan of gunsmiths. The father, John Gillespie, also fought in the American Revolution and has been added to the honored roll of veterans of the American War for Independence who were laid to rest in Transylvania County; and

Whereas, in 1902, Joseph S. and Elizabeth Mount Silversteen came to Transylvania County as a young couple and embarked on a lifetime of business and civic leadership. The Silversteen family provided jobs for thousands of people throughout the County at their Toxaway Tanning, Gloucester Lumber, and Rosman Tanning Extract companies in Rosman and Transylvania Tanning in Brevard. The Silversteens’ legacy of civic and cultural involvement continues to benefit the citizens of Transylvania County today; and

Whereas, the original Brevard Rosenwald School for African-Americans was constructed in 1920 and was a place of learning and of celebrating one's identity and, furthermore, emphasized the need for the students themselves to be caring, compassionate citizens; and
Whereas, Transylvania County became the State's first public school system to integrate, beginning in 1963, and became fully integrated in 1966, and Brevard High School was the first North Carolina high school to field integrated athletic teams, beginning with its 1963 State champion football team; and

Whereas, Brevard College, an internationally recognized liberal arts institution, formed in 1853, is the oldest college or university in the mountains of Western North Carolina; and

Whereas, residents of Transylvania County take pride in the cultural resources in the County, including the Brevard Music Center, an internationally known summer institute which provides outstanding opportunities for students to learn and work with some of music's acknowledged professionals; an excellent public library known statewide for its high usage and contributions to the community's cultural life; a public school system recognized across North Carolina as of the highest caliber; a broad faith community, with churches throughout the County; and a remarkable array of rich, indigenous mountain music and renowned arts and crafts; and

Whereas, Transylvania County is known as the "Land of Waterfalls," as it is blessed with over 250 waterfalls, partially due to the fact that parts of Transylvania County receive the largest amount of rainfall in the State; and

Whereas, the Blue Ridge Parkway traverses parts of the County, affording spectacular views of the Appalachian Mountains, which reach over 6,000 feet in elevation in the County, with the highest point being Chestnut Knob, which lies northwest of the county seat; and

Whereas, the Cradle of Forestry in America is a 6,500-acre historic site within the Pisgah National Forest which attracts more than 40,000 visitors annually. Officially established in 1968, its roots begin with Carl Schenck's Biltmore Forest School, the first forestry school in America. The Cradle's Forest Discovery Center offers visitors a hands-on experience in conservation, history, and resource management, telling the story of the history of the area and early forest practices; and

Whereas, Transylvania County citizens have always answered the call to serve in our nation's military forces in peace and wartime. Beginning with the Spanish-American War through World War I, World War II, the Korean Conflict, Vietnam, the Gulf War, and now in the conflicts in Iraq and Afghanistan, our citizens were there. Both men and women served willingly and honorably in the United States Army, Marine Corps, Navy, Air Force, and the Coast Guard. Some did not return, answering the ultimate call; and

Whereas, Transylvania County has contributed to the social, economic, cultural, and political prosperity of the State of North Carolina; and
Whereas, Transylvania County has continued to grow and prosper through the continued dedication, insight, and planning of the County's concerned leaders and citizens; and
Whereas, Transylvania County has a population of approximately 30,000 people; and
Whereas, Transylvania County is divided into nine townships: Balsam Grove, Brevard, Catheys Creek, Cedar Mountain, Dunns Rock, Lake Toxaway, Little River, Pisgah Forest, and Rosman; and
Whereas, plans have been made to celebrate Transylvania County's 150th historic anniversary throughout 2011; and
Whereas, this occasion is worthy of celebration and should be enjoyed and supported by all North Carolinians; Now, therefore,
Be it resolved by the House of Representatives:
SECTION 1. The House of Representatives honors the founders of Transylvania County and encourages the citizens of this State to join Transylvania County in demonstrating respect for their history and heritage during the County's 150th anniversary.
SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to the Chair of the Transylvania County Board of Commissioners.
SECTION 3. This resolution is effective upon adoption.

If the Speaker is absent and has not designated a member or the Principal Clerk to perform the duties of the chair, the Speaker Pro Tempore shall preside during such absence. In the case of a vacancy in the office of the Speaker of the House of Representatives, the Principal Clerk shall preside over the House until the House elects a Speaker.

RULE 7. Obtaining Floor. – (a) When any member desires recognition for any purpose, the member shall rise and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

  (b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition
and permission have been obtained, he or she may propound a question to the member occupying the floor; but he or she shall not otherwise interrupt the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.

RULE 9. Points of Order. – (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. A three-fifths vote of the members present shall be necessary to sustain any appeal from the ruling of the chair.

(b) When the Speaker calls a member to order, the member shall be seated, except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the chair and the decision by a three-fifths vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the House, requires it, the member shall be liable to censure by the House.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 15. Motion to Adjourn. – (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.
RULE 17. Motion to Postpone Indefinitely. – A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question or to recess is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

RULE 18. Motion to Reconsider. – (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

   (2) A motion to postpone indefinitely,
   (3) A motion to remove a bill from the unfavorable calendar,

(c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn, motion to recess, or motion to table.

(d) If the previous question is decided in the negative, the question remains under debate.

(e) After the previous question is ordered, the Majority Leader and the Minority Leader may each allocate three minutes of debate on the question. The Majority Leader and the Minority Leader may each designate another member to act under this subsection in their absence.

   a. Raising money on the credit of the State,
   b. Pledging the faith of the State for the payment of a debt,
   c. Imposing a State tax, or
   d. Authorizing a county, municipality, or other local governmental unit to
      1. Raise money on its credit,
      2. Pledge its faith for the payment of a debt, or
      3. Impose a local tax.

2. All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the North Carolina Constitution has been sustained.

4. The passage of a bill notwithstanding the Governor's veto thereof pursuant to Article II, Section 22 of the North Carolina Constitution.

(b) Votes on the following questions shall be taken on the electronic voting system:

(d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:
(1) To adjourn.
(2) To recess.
(3) To lay on the table.
(4) Previous question.
(5) To postpone indefinitely.
(6) To reconsider.
(7) To postpone to a day certain.
(8) To re-refer.

(10) To amend.
(11) To concur or not concur.
(12) Miscellaneous.

(b) When a voice vote is taken, the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'Aye'," and after the affirmative voice has been expressed, "Those opposed will say 'No'."

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. — (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. — Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. Roll Call Vote. — (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.
(c) No member may change a vote without leave of the House, but such leave shall not be granted if it affects the result.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. – (a) Any member shall, upon request, be excused in advance from the deliberations and voting on a particular bill at any time that the reason for the request arises in the proceedings on the bill.

(b) The member may make a brief oral statement of the reasons for making the request. The member shall provide to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) Except as provided in subsection (e) of this section, the member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill, in committee or on the floor of the House at any reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

(e) By leave of the House, a member who has been excused from deliberations and voting on a bill may participate in deliberations and votes on amendments to which that member does not have any conflict that requires excusal.

RULE 24.1B. Division of Amendments. – Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. – In all elections the Speaker may vote. In all other instances the Speaker may vote or may reserve this right until there is a tie in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. – (a) The Speaker shall appoint a chair, or cochairs, of every standing committee, permanent subcommittee, and select committee, if any. In the construction of these rules, the word "chair" as applied to a committee extends to and includes a cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) The Speaker shall establish the number of members of each standing committee and standing subcommittee, and appoint the members in a manner to reflect the partisan membership of the House, except that the Committee on Ethics shall have an equal number of members of the majority and minority.
(c) Before appointing members of committees and subcommittees, the Speaker shall consult with the Minority Leader. The Speaker and Minority Leader shall consider members’ committee preferences in making appointments and recommendations.

(d) The Speaker may not appoint new members to committees or permanent subcommittees after April 15 of an odd-numbered year or at any time during an even-numbered year except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member. As to select committees established after March 1 of an odd-numbered year or during an even-numbered year, the Speaker may not appoint new members more than 60 calendar days after the select committee is established, except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member.

(e) Each chair of a permanent subcommittee shall be a vice-chair of the standing committee of which it is a permanent subcommittee. The Speaker may name other members as vice-chairs of the standing committee. The Speaker may name one or more vice-chairs for any standing committee not having permanent subcommittees.

(f) A maximum of two chairs of a standing committee are entitled to vote in a permanent subcommittee of the standing committee.

(g) Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee. A quorum of less than a majority of all the members must include at least one member of the minority party.

(h) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

RULE 28. Standing Committee and Permanent Subcommittee Meetings. – (a) Standing committees and permanent subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule established by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.

(b) Subject to the provisions of subsection (c) of this rule, standing committees and permanent subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees or permanent subcommittees.

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee or permanent subcommittee, and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.

(d) Procedure in the standing committees and permanent subcommittees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(e) No standing committee or permanent subcommittee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly scheduled hour. No permanent subcommittee shall meet at the same time that its standing committee is meeting. Standing committees and permanent subcommittees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee and permanent subcommittee meetings shall adjourn no later than:
(1) 15 minutes preceding a regular session of the House, and
(2) 10 minutes preceding the hour of the next regularly scheduled standing committee or permanent sub-committee meeting.

Action taken by a committee in violation of this rule is voidable unless taken by unanimous consent at a meeting at which a majority of all the members of the committee are present, and at least one member present is of the minority party.

(g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative sessions shall be sent by electronic mail to each member of the standing committee or permanent subcommittee at least five days prior to such meeting. If a member of the body so requests in writing to the chair of the standing committee or permanent subcommittee, the member shall also be notified of the meetings by mail at a designated address.

(h) During standing committee and permanent subcommittee meetings, the chair may exercise the right to vote, or may reserve this right until there is a tie, in which event the chair may vote, but in no instance may the chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations Into Violations of the Open Meetings Law. – (a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.

(b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against the individual and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

(1) Dismiss the complaint and take no further action.

(2) Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.

(3) Issue a public letter of reprimand if the violation of the Open Meetings Law was intentional or if the legislator has previously received a private letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.
(4) Refer the matter to the House for appropriate action.

RULE 29. Notice of Standing Committee and Permanent Subcommittee Meetings and Hearings. – (a) Notice of meetings of standing committees and permanent subcommittees that will occur at the regularly scheduled meeting times shall be given by one or both of the following methods:

(1) Notice given openly at a session of the House; or
(2) Notice mailed or sent by electronic mail to those who have requested notice, and to the Legislative Services Office, which shall post the notice on the General Assembly Web site.

(b) Notice of all other meetings shall be given in the House. If the meeting is scheduled to occur after adjournment, notice shall also be given by electronic mail and posting on the General Assembly Web site.

(c) The chair of the standing committee or permanent subcommittee shall notify or cause to be notified the sponsor of each bill which is set for hearing or consideration before the standing committee or permanent subcommittee as to the date, time, and place of that meeting.

RULE 29.1. Public Hearings. – (a) Requests for a public hearing shall be made in writing to the chair of the standing committee and, if applicable, the chair of the permanent subcommittee to which the bill has been referred. The chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. The chair of the permanent subcommittee may schedule a public hearing before the permanent subcommittee at its regularly scheduled hour. Denial of a request made by a House member may be appealed to the Speaker.

Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press and shall be posted in the places designated by the Principal Clerk.

(b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the chair of the standing committee or permanent subcommittee. The standing committee or permanent subcommittee chair may designate one or more members to arrange the order of appearance of interested parties. A brief written statement of testimony may be submitted without oral presentation and shall be incorporated into the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library. – The chair of a standing committee or a permanent subcommittee shall ensure that written minutes are compiled for each of the body's meetings. The minutes shall indicate the members present and the actions taken at the meeting. Not later than 10 days after the adjournment of each session of the General Assembly, the chair shall deliver the minutes to the Legislative Library. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the chair.
RULE 30. Committee of the Whole House. – (a) A Committee of the Whole House shall not be formed, except by leave of the House.

(b) After passage of a motion to form a Committee of the Whole House, the Speaker shall appoint a chair to preside in the committee, and the Speaker shall leave the dais.

(c) The rules of procedure in the House shall be observed in the Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.

(d) In the Committee of the Whole House, a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Introduction of Bills and Resolutions. – (a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk's office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 30 minutes after adjournment each Monday; and by 3:00 P.M. each Tuesday, Wednesday, Thursday, and Friday.

(b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons, and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.

(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.

(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. (f) House Resolutions need not be read more than twice.

(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House. The mention of a deceased person as a pretext to honor an institution or a living person is prohibited.

(h) Any reference in these rules to bills shall extend to resolutions unless the context requires otherwise.

A bill introduced under this subsection shall be identified as an Agency Bill after its short title or in the drafting code.

(d) All public bills which would not be required to be re-referred to the Appropriations or Finance Committees under Rule 38 and all joint resolutions and House resolutions must be submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Thursday, March 24, 2011, and must be introduced not later than 1:00 P.M. on Wednesday, April 6, 2011.

(e) All public bills which under Rule 38 are required to be re-referred to either or both of the Appropriations Committee or the Finance Committee, must be submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Wednesday, April 20, 2011, and must be introduced not later than 3:00 P.M. on Wednesday, May 4, 2011. If any bill is subject to the deadline under this subsection and the bill is amended so that all the provisions requiring referral to either or both of those committees under Rule 38 do not remain in the bill, it is not eligible for further consideration.
(f) A bill containing no substantive provisions may not be introduced in the House.

(g) No member may introduce more than 10 public bills. For the purpose of this subsection, the introducer is the member who is listed as the first sponsor. A member may assign a portion of this limit to another member by notifying the Principal Clerk in writing on a form prepared by the Principal Clerk. This subsection does not apply to bills or resolutions recommended by commissions or committees authorized or directed by act or resolution of the General Assembly to report to the 2011 Regular Session of the General Assembly, or to report prior to convening of that session. This subsection does not apply to joint resolutions or House resolutions.

(h) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills which would be required to be re-referred to the Appropriations or Finance Committee under Rule 38 or adjournment resolutions must be received and read on the floor of the House as a message from the Senate no later than Thursday, May 12, 2011; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

(j) This rule, other than subsections (f), (g), and (i), does not apply to bills (i) establishing districts for Congress or State or local entities, or (ii) ratifying an amendment or amendments to the Constitution of the United States. This rule does not apply to resolutions adjourning the General Assembly sine die or to a date certain.

RULE 32. Reference to Standing Committee and to Permanent Subcommittee; Serial Referrals. – (a) Each bill not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee, committee of the whole, or permanent subcommittee as the Speaker deems appropriate. The Speaker at the same time may order that, if the bill is reported with any favorable recommendation or without prejudice, it be re-referred automatically upon the committee report to another committee or permanent subcommittee designated in the order. Each joint resolution or House resolution not introduced on the report of a standing committee shall immediately upon its first reading either be referred by the Speaker to a standing committee or permanent subcommittee or be calendared on the date designated by the Speaker, as the Speaker deems appropriate.
(b) The standing committee chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

1. Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;

2. Favorable, without prejudice, or unfavorable as to the original bill, as amended, with the recommendation that the report be made to the standing committee;

3. Favorable or without prejudice to the proposed committee substitute, and unfavorable to the original bill, with the recommendation that the report be made to the standing committee;

4. Favorable as to the original bill with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair;

5. Favorable to the original bill, as amended, with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair; or

6. Favorable to the proposed committee substitute with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair, and unfavorable to the original bill.

Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee, the bill shall be before that body for further action unless the permanent subcommittee chair reports the bill directly pursuant to Rule 36.

RULE 33. Papers Addressed to the House. – Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.
RULE 34. Introduction of Resolutions and Bills, Copies Required. – (a) House Bills shall be designated as "H.B.____." (No. following). A Joint Resolution shall be designated as "H.J.R.____." (No. following). A House Resolution shall be designated as "H.R.____." (No. following).

(b) Whenever any resolution or bill is filed for introduction, it shall be in a House bill jacket containing the number of copies designated by the Principal Clerk and in the form designated by the Speaker. Any resolution or bill not accompanied by the required number of copies shall be returned immediately to the introducer. The Clerk shall stamp the copies with the number stamped upon the original bill.

(c) No bill may be filed for introduction if the draft contains names preprinted on the bill jacket and body of the bill (either as primary sponsors or cosponsors) unless each such member has signed the jacket.

RULE 35. Duplicating and Availability of Copies of Bills. – (a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. Copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties. No public bill and, upon objection by a member, no local bill may be considered unless copies of the bill have been made available to the entire membership of the House.

RULE 35.1. Assessment Reports. – (a) Every bill or resolution proposing the establishment of an occupational or professional licensing board, as defined in Article 18A of Chapter 120 of the General Statutes, or a study for the need to establish such a board shall have attached to the jacket of the original bill or resolution at the time of its consideration on second and third readings by the House or by any standing committee or permanent subcommittee of the House an assessment report from the Legislative Committee on New Licensing Boards pursuant to Article 18A of Chapter 120 of the General Statutes. The assessment report shall not constitute any part of the expression of legislative intent proposed by the formation of a licensing board. Upon receipt of the request, the Legislative Committee on New Licensing Boards shall prepare and return the assessment report as soon as possible but not later than 60 days, reserving the right to extend this time to 90 days.

(b) Every legislative proposal introduced in the House or received in the House from the Senate, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the House or by any committee of the House prior to a favorable report, a recommendation from the Joint Legislative Commission on Municipal Incorporations, established by Article 20 of Chapter 120 of the General Statutes. The recommendation
of the Joint Legislative Commission on Municipal Incorporations shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.

RULE 36. **Report by Standing Committee or Permanent Subcommittee.** – (a) **Reports.** – Bills and resolutions may be reported from the standing committee or permanent subcommittee to which referred with such recommendations as the standing committee or permanent subcommittee may desire to make. With the written approval of the chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(b)(4) through (6), the chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the chair of the standing committee fails to give approval, the bill shall be deemed to have been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(b) **Favorable Report.** – When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day designated by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but not on the same day that it is reported except by leave of the House, and no later than the fourth legislative day after submission of the report or Senate message under Rule 43.2 or Rule 43.3(a), unless:

1. The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32; or
2. The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee.

In order to place a bill on the calendar for a legislative day, notice shall be given by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk. When a committee substitute is adopted and receives a favorable report by the committee or permanent subcommittee, the standing committee or permanent subcommittee chair shall submit to the standing committee or permanent subcommittee the question of an unfavorable report on the original bill. The standing committee's or permanent subcommittee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(c) **Report Without Prejudice.** – When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar in the same manner as provided in subsection (b) of this rule.
(d) **Postponed Indefinitely.** – When a standing committee reports a bill with the recommendation that it be postponed indefinitely and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(e) **Unfavorable Report.** – When a standing committee reports a bill with the recommendation that it not be passed and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(f) **Minority Report.** – When a bill is reported by a standing committee with a recommendation that it not be passed or that it be postponed indefinitely but it is accompanied by a minority report signed by at least one-fourth of the members of the standing committee who were present and voting when the bill was considered in standing committee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

**RULE 36.1. Fiscal Notes.** – (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Standing Committee on Rules, Calendar, and Operations of the House, upon the floor of the House, may request that a fiscal analysis be made of a bill, resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, which request shall be allowed when, in the opinion of the Speaker, the fiscal effects of that measure are not apparent from the language of the measure. When a request is properly made under this subsection, the bill is removed from the calendar until such time that the fiscal note is attached to the measure.

(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.
(d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when filed or to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.

(f) Subsection (a) of this rule shall not apply to the Current Operations Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.

RULE 36.2. Actuarial Notes. – (a) Every bill or resolution proposing any change in the law relative to any:

1. State, municipal, or other retirement system funded in whole or in part out of public funds; or
2. Program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds;

shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or any permanent subcommittee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subdivision (a)(1) of this rule shall be referred to the Committee on State Personnel upon its introduction in accordance with G.S. 120-111.3.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached
to the jacket of the measure. The provisions of this subsection may be 
waived by the measure's sponsor for a measure affecting local government 
retirement or pension plans not administered by the State or any local 
government program of hospital, medical, disability, or related benefits for 
local government employees not administered by the State.

d) The note shall be factual and shall, if possible, provide a 
reliable estimate of both the immediate effect and, if determinable, the long-
range fiscal and actuarial effect of the measure. If, after careful investi-
gation, it is determined that no dollar estimate is possible, the note shall 
contain a statement to that effect, setting forth the reasons why no dollar 
estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

e) When any permanent subcommittee or standing com-
mittee reports a measure to which an actuarial note is attached at the time of 
permanent subcommittee or standing committee consideration, with any 
amendment of such nature as would substantially affect the cost to or the 
revenues of any retirement or pension system, or program of hospital, 
medical, disability, or related benefits for teachers or State employees, the 
chair of the permanent subcommittee or standing committee reporting the 
measure shall obtain from the Fiscal Research Division an actuarial note of 
the fiscal and actuarial effect of the proposed amendment. The actuarial 
note shall be attached to the jacket of the measure. An amendment to any 
bill or resolution shall not be in order if the amendment affects the costs to 
or the revenues of a State-administered retirement or pension system, or 
program of hospital, medical, disability, or related benefits for teachers or 
State employees, unless the amendment is accompanied by an actuarial 
note, prepared by the Fiscal Research Division, as to the actuarial effect of 
the amendment.

f) The Fiscal Research Division shall make all relevant 
actuarial notes available to the membership of the House.

RULE 36.3. Local Legislation Affecting State Highway 
System. – A local bill affecting the State Highway System shall be referred 
to the Committee on Transportation.

appropriation of money or the raising or reducing of revenue: (i) the Current 
Operations Appropriations Bill; (ii) the Capital Improvement Appropriations 
Bill; (iii) any bill generally revising appropriations for the second fiscal year 
of a biennium. If a point of order is made against such a provision and is 
sustained, the presiding officer shall refer the bill to the committee from 
which it came, with instructions for the chair of the committee to immediately 
report out a substitute or amendment removing the offending provision.
RULE 37. **Removing Bill From Unfavorable Calendar.** – A bill may be removed from the unfavorable calendar upon motion carried by a two-thirds vote. A motion to remove a bill from the unfavorable calendar is debatable.

RULE 38. **Reports on Appropriation and Revenue Bills.** – (a) All standing committees, other than the Standing Committees on Appropriations, when favorably reporting any bill or resolution which:

1. Carries an appropriation from the State; or
2. Requires or will require in the future substantial additional State monies from the General Fund or Highway Fund to implement its provisions shall indicate same in the report, and said bill or resolution shall be referred to the Standing Committees on Appropriations for a further report before being acted upon by the House.

(b) All standing committees, other than the Standing Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue, reduces revenue, levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of bonds or notes, whether public, public-local, or private, shall indicate same in the report, and said bill shall be referred to the Standing Committee on Finance for a further report before being acted upon by the House. This subsection shall not apply to bills only imposing fines, forfeitures, or penalties.

(c) **Action on Amendment Before Re-Referral.** – If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House, must be referred to the Standing Committees on Appropriations or the Standing Committee on Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.

RULE 39. **Discharge Petition.** – (a) A motion to discharge a committee from consideration of a bill may be filed with the Principal Clerk by a primary sponsor of that measure if accompanied by a petition asking that the committee be discharged from further consideration of the bill. No motion may be filed until 10 legislative days after the bill has been referred to the committee. No petition may be filed until notice has been given on the floor of the House that the petition is to be filed and the primary sponsor giving notice has obtained a fiscal note from the Fiscal Research Division on the bill, which note shall be attached to the petition. Members may sign the petition only in the office of the Principal Clerk, and when the signatures of 61 members appear on the petition, the Principal Clerk shall place that motion on the calendar for the next legislative day as a special order of business. Members may withdraw their names at any time until 61 names appear. If the motion is adopted by the House, then the committee to which the bill or resolution has been referred is discharged from further consideration of the bill, and that bill is placed on the calendar for the next legislative day as a special order of business. The Principal Clerk shall provide a form for discharge petitions.
(b) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the chair of the standing committee, and to sustain that motion two-thirds of the members shall be required.

RULE 39.2. Re-Referral of Bills From One Standing Committee to Another Standing Committee. – Upon consent of the sponsor of the bill, the Speaker, the chair of the standing committee from whom the bill is to be re-referred, and the chair of the standing committee to whom the bill is to be re-referred, the chair of the standing committee from whom the bill is to be re-referred or the Chair of the Standing Committee on Rules, Calendar, and Operations of the House may move for a re-referral to another standing committee, and the bill shall be re-referred upon vote of the majority present during a regular session of the House.

RULE 40. Calendars and Schedules of Business. – The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up as they appear in each category (Rule 5(10)). Except by leave of the House, the Speaker shall not vary from the order.

RULE 41. Reading of Bills. – (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.

(b) No bill shall be read more than once on the same day without the concurrence of two-thirds of the members present and voting; provided, no bill governed by Section 23 of Article II of the North Carolina Constitution herein shall be read twice on one day under any circumstance.

RULE 42. Effect of a Defeated Bill. – (a) Subject to the provisions of subsection (b) of this rule, after a bill has:

1. Been tabled,
2. Been postponed indefinitely,
3. Failed to pass on any of its readings, or
4. Been placed on the unfavorable calendar,
the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the chair, that measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds vote of the members present and voting.
(b) No local bill shall be held by the chair to embody the contents of or the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

RULE 43. Amendments. – (a) No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c). No amendment that is clearly unconstitutional shall be in order.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

(b) The following rules apply when considering: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium:

(1) Amendments cannot increase total spending within a subcommittee area beyond the total for that subcommittee as shown in the committee report.

(2) Amendments can only affect appropriations within the departments, agencies, or programs within the jurisdiction of the subcommittee.

(3) Amendments cannot increase total spending, from any source, beyond the total amount shown in the committee report.

(4) Amendments that cause the budget to be unbalanced are not in order.

(b) The Speaker shall rule whether the committee substitute is a material amendment under Section 23 of Article II of the North Carolina Constitution which reads:

"Revenue bills. – No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."

If the committee substitute was referred to standing committee, the standing committee shall:

(1) Report the bill with the recommendation either that the House do concur or that the House do not concur; and

(2) Advise the Speaker as to whether or not that committee substitute is a material amendment under Article II, Section 23 of the North Carolina Constitution.

(c) If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.

(d) If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the House shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

(e) No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

Conference Standing Committees. – (a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in the House, or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute
adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker upon the Speaker's own motion and shall be appointed upon request by the principal sponsor of the original bill, the chair of the House standing committee which reported the bill, or the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees, the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.

(b) The conference report may be made by a majority of the House members of such conference committee and shall not be amended. If the Senate has a similar rule, only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. If the Senate does not have a similar rule, a conference committee report which includes significant matters that were not in difference between the houses, shall be referred to a standing committee for its recommendation before further action by the House.

(c) If the conferees fail to agree or if either house fails to adopt the report of its conferees, new conferees may be appointed.

SECTION 3. This resolution is effective upon adoption.

H.R. 930, A HOUSE RESOLUTION EXPRESSING GRATITUDE TO THE MEMBERS OF THE MILITARY FOR THEIR SERVICE AND HONORING THE MEMORY OF THOSE KILLED IN THE LINE OF DUTY.

Whereas, Memorial Day was first observed as Decoration Day on May 30, 1868, as an occasion to decorate the graves of Civil War soldiers; and

Whereas, after World War I, Decoration Day was expanded to honor service members killed in all of our nation's wars and, after World War II, Decoration Day became known as Memorial Day; and

Whereas, in 1971, Congress established Memorial Day as a federal holiday to be observed on the last Monday of May; and

Whereas, as we observe Memorial Day in 2011, it is important to reflect upon the contributions and sacrifices the men and women of our Armed Forces have made in upholding the principles of democracy and liberty while in service to our nation; and

Whereas, it is fitting to honor and commend the North Carolinians, as well as the men and women that served with military units based in North Carolina, who were killed in the line of duty; Now, therefore,

Be it resolved by the House of Representatives:
SECTION 1. The House of Representatives expresses its profound gratitude and appreciation to all the men and women of the United States Armed Forces for their selfless service.

SECTION 2. The House of Representatives wishes to honor the memory of all of the members of the military from North Carolina who lost their lives while serving during Operation Iraqi Freedom and Operation Enduring Freedom since May 24, 2010, as follows:

Army Pfc. Christopher R. Barton, Concord, North Carolina
Army Master Sgt. Jamal H. Bowers, Raleigh, North Carolina
Army Spc. Jacob C. Carroll, Clemmons, North Carolina
Marine Lance Cpl. Ross S. Carver, Rocky Point, North Carolina
Army Staff Sgt. Adam L. Dickmyer, Winston-Salem, North Carolina
Army Sgt. Donald R. Edgerton, Murphy, North Carolina
Army Spc. Matthew E. George, Grantsboro, North Carolina
Army Pfc. James F. McClamrock, Huntersville, North Carolina
Army Sgt. Willie A. McLawhorn, Jr., Conway, North Carolina
Army Pfc. Amy R. Sinkler, Chadbourn, North Carolina
Army Chief Warrant Officer 2 Terry L. Varnadore II, Hendersonville, North Carolina

SECTION 3. The General Assembly wishes to honor the memory of all the veterans of past wars who have died since the last Memorial Day.

SECTION 4. The House of Representatives wishes to honor the memory of the following members of the North Carolina National Guard who died since May 24, 2010:

Staff Sgt. Christopher Edge
Cpt. Kerry Hathcock
Sgt. Karen Herrera
1Lt. Kevin Marks
Pfc. Mark Rakes
Spc. John Pace
Staff Sgt. Aldridge Ferrell
Spc. Kenneth Carl
Sgt. Curtis Yannone

SECTION 5. The House of Representatives extends its deepest sympathy to the families of the service members named above who made the ultimate sacrifice to help secure the freedom of the United States of America. The people of the State of North Carolina owe a debt to these brave service members and solemnly pledge that they shall never be forgotten.

SECTION 6. This resolution is effective upon adoption.
H.R. 934, A HOUSE RESOLUTION HONORING THE TOWN OF JONESVILLE’S BICENTENNIAL.

Whereas, the Town of Jonesville, located in northwest Yadkin County in the heart of the Yadkin Valley, was incorporated in 1811; and

Whereas, the Town of Jonesville, originally called Martinsborough and later named for local citizen Hardy Jones, evolved behind the protective bluffs above the Yadkin River as a mid-1700s settlement called Allen's settlement; and

Whereas, patriots from Allen's Settlement, and subsequently Jonesville, have served with honor and distinction in domestic and foreign wars – from the early Regulator uprising on the Overmountain Trail to Kings Mountain and subsequent victory in the Revolutionary War, through our nation's devastating Civil War, during the wars in Europe and the Pacific theater, to contemporary conflicts in the Middle East; and

Whereas, early Jonesville flourished as a religious, educational, industrial, agricultural, civic, and social center at the crossroads between the western wilderness and eastern settlements – featuring a popular academy for men and women, a prominent hotel and stagecoach station, respected educators and ministers, medical personnel and a mineral springs respite, skilled craftsmen and artisans, a tobacco plant and tannery, assorted mercantiles, mills, and a soap factory; and

Whereas, Jonesville later suffered irreparable damages and losses at the hands of Union soldiers who, on April 1, 1865, destroyed facilities and terrorized residents during General George Stoneman's raid down the Yadkin River near the end of the Civil War; and

Whereas, through the 20th and 21st centuries, Jonesville has risen again above the bluffs along the Yadkin River to become a respite for travelers along Interstate 77, into the heart of the Yadkin Valley's wine country that flourishes beneath the majestic Blue Ridge Mountains, and as a gateway into the Yadkin Valley Heritage Corridor of historic and recreational attractions; and

Whereas, plans have been made to celebrate Jonesville's bicentennial throughout the year during several community events; and

Whereas, Jonesville's bicentennial is worthy of celebration and should be enjoyed and supported by all of North Carolina's citizens; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives congratulates the Town of Jonesville on its distinguished 200-year history and joins the citizens and officials in celebrating the Town of Jonesville's Bicentennial.

SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to the Mayor of the Town of Jonesville.

SECTION 3. This resolution is effective upon adoption.

WHEREAS, a principal reason for exercising this power is to ensure that State government services are delivered in an effective and coordinated way; and

WHEREAS, the Governor has the responsibility to spend tax dollars wisely and efficiently; and

WHEREAS, I have determined that the State of North Carolina is in a time of economic challenge, such that the way State Government has operated must change in order to continue to deliver critical services to North Carolina citizens.

NOW, THEREFORE, pursuant to the powers conferred on me as Governor by Article III, Section 5(10) of the Constitution and the laws of North Carolina, as a first step in the process of reorganizing State Government, IT IS ORDERED:

Gen. Stat. § 143B-366, is hereby renamed the Department of Management and Administration. All powers, duties, functions and obligations heretofore vested in the former Department of Administration, and any subunit or division of the former Department of Administration, are hereby vested in the Department of Management and Administration. All references in the General Statutes or laws of the State to the "Department of Administration" are hereby deleted and replaced with the "Department of Management and Administration." Additionally, to ensure the consistent application of human resource policies and practices, the human resource functions within the Cabinet State Agencies will be centralized within the Department of Management and Administration. All human resources positions, professional development/training positions, and safety officer positions, and all related administrative support positions and budgets, will be

The Honorable Thom Tillis
Speaker of the North Carolina House of Representatives
2304 Legislative Building
Raleigh, North Carolina 27601

Dear Mr. Speaker,

It is with a sense of purpose and focus that I respectfully submit to you my resignation from the North Carolina House of Representatives. This resignation will take effect on January 1, 2012.

Since joining the North Carolina House of Representatives in January of 2009 I have worked alongside many great people. I have come to know each person in this chamber and in the North Carolina Senate and I have come to count many as friends. I know that we have each been sent to the North Carolina General Assembly to do the people's work; to fight for the people and truly find a better way forward for North Carolina.

Public service is a large part of my life, both professionally and personally. Serving the people of District 113 and indeed all of North Carolina has been a true honor and privilege. It is with a deep sense of gratitude that I want to thank the people of District 113 for entrusting me with this responsibility. I know that by working together and constantly placing the people first we can once again make North Carolina "the land where the weak grow strong and the strong grow great."

For over 30 years I served the people of North Carolina in various roles within the Division of Community Corrections in the Department of Correction. Community Corrections and indeed all functions of the former Department of Correction are now part of the newly created North Carolina Department of Public Safety. I have once again been asked to serve my state and its' people as the Director of the Division of Community Corrections. I am humbled by this offer and excited about the opportunity to once again serve in a capacity and within a profession that is my passion.

This decision was not made quickly. In fact, it was only after much thought and prayer that I decided to leave my post in the North Carolina House of Representatives. I have complete faith in the people of District 113 to select my successor and I look forward to working with that individual and every member of the North Carolina General Assembly to ensure that the people of North Carolina remain safe.

Warmest personal regards,

/S/ W. David Guice
INDEX GUIDE

The North Carolina General Statutes titles form the basis for these indices. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. Bills included in whole or in part in other measures are reflected as such, if known.

All bills dealing with funds are indexed under Appropriations. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the Member's name with an asterisk (*) noting that person as the primary sponsor.
