The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear God, the opening day of a new session always brings with it a great sense of expectancy, even in challenging economic times, and today is no exception. We are grateful for the able work already done by Senator Basnight and other Senators in advance of this session to secure sound answers to tough questions. Over the years, as I've watched and listened to these men and women, I have learned one very important lesson from them. That is that the experiences we choose don't straighten us up quite like the experiences that choose us. People who get their way all the time don't get much. In turn, I continue to pray that we all remember more important and satisfying than answers, is the answerer, you, O God. Thou art with us, that is what we desire. We ask for your active presence each day of this session. In your holy name we pray, Amen."

ONE HUNDRED AND FOURTEENTH DAY

Senate Chamber
Thursday, May 13, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Gracious God, though their names were mentioned yesterday, we acknowledge in our prayer today the departure of Senators Rand and Weinstein to other places of public service. They were dedicated, effective and long time colleagues of the Senate family and will be missed. At the same time we welcome Senators Dixon and Walters and ask your blessing on them, O God, for this their first session as Senators. I heard Senator Nesbitt as part of the escort committee, offer Senator Dixon this benediction as he offered his seat to her yesterday. ‘Welcome to Amen Corner.’ In case she or Senator Walters might have worried about that statement, I think Senator Nesbitt was referring to her seat being in front of the Chaplain as opposed to warning her about frequent, spontaneous, charismatic outbursts offered by colleagues in her vicinity. What I do appreciate about the Senate family is that many whispered amens will be voiced during this session. Because they know and appreciate from whom their help comes, when the prayer ended all present did say, Amen."

The Chair grants leaves of absence for today to Senator Albertson and Senator Soles.

May 13, 2010
Senator Basnight, President Pro Tempore, announces that the Journal of Wednesday, May 12, has been examined and is found to be correct. Upon his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

We also realize only two days into the Session and the Senators are making final preparations to vote on and send their version of the budget to the House this week. We pray your blessing on their deliberations. We all wish that the economy were better. Forgive us for forgetting your reminder through scripture that in this world we will have difficult times. Teach us the lessons of true discipleship. Help us count and pay the cost without complaint or regret. Amen."

Senate Chamber
Wednesday, May 19, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear God, offices and titles have their significance and I have no desire to dismiss rich tradition. However, as chaplain, I believe all priesting, teaching and pastoring cannot be done only by those with official credentials. Over the years I have been priested, rabbied and pastored by many of the members here as have others. They build bridges I could never construct. They encourage me along passages I feared. They wired circuitry between God's energy and the hopelessness of so many people. Early in this session, I want to thank you, O God, for these men and women. Many of them have exhibited the most important credentials, that is faith in you and hope for others. Amen."

The Chair grants a leave of absence for today to Senator Dannelly.

ONE HUNDRED AND TWENTY-SECOND DAY

Senate Chamber
Thursday, May 27, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear God, the work of the Senate draws to a close this week at the same time that we are about to begin the Memorial Day weekend. Help us all to truly celebrate the heroes who have given their lives for our Country. Some of them are the subjects of history books, but most died in relative obscurity, heroes only to a few, a spouse, family members, friends. By remembering these men and women, it means that we carry something of who they were with us, that they have left some mark of who they were on who we are. The greatest honor we can offer is to remember. We also remember in prayer today Senator Soles and the Soles family in the death of his father. Senate Chamber
Tuesday, June 1, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear God, as we begin this week in the Senate we ask that you be a part of every conversation, committee meeting and every session. Your presence not only will help guide what we say, but also how we communicate those words. Though we mentioned the Gulf of Mexico oil crisis last week, after several unsuccessful attempts the oil continues to gush into the sea. We have empathy for the environmental disaster that has affected states located on that coastline. What if it were happening to our fishermen and fisheries, our seafood industry and our marine ecology in the Albemarle, Pamlico and Bogue Sounds. And so we pray for our neighbors there and specifically for the next attempt to cap the oil flow. We're grateful, O God, that the weight of the world does not rest on our shoulders. Remind those supervising this operation of Holy Scripture's promise. We can do all things through you who strengthens and guides us. Amen."

ONE HUNDRED AND TWENTY-FIFTH DAY

Senate Chamber
Wednesday, June 2, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Honorable Steve Goss as follows:

"I don't think I'll ever forget a friend of mine that told me a story a few years ago. He had become suddenly ill and was taken to one of our North Carolina hospitals. Somewhere through the process, he was left in a basement hallway waiting for x-rays. He said, 'Steve I was sitting there really feeling sorry for myself,' and he said, 'I actually slumped forward in my wheelchair. When I felt just the lightest touch on my forearm, my feet were so cold, I finally managed to look up and perhaps the little boy was six or seven years old. He was using the only hand he had and he had no feet.' Let us pray. Almighty God of heaven and earth, the rain comes and we complain. The snow comes and we complain. The heat accompanied by the sun comes and we complain. The darkness falls and we complain. The daylight is not to our liking and we complain. Can we not all realize in the words of one who wrote that there is a purpose for everything under the heavens and the one who further penned, 'all things work together for good to those who love God and are called according to His purpose.' What a beautiful day. Thank you God. Amen."

The Chair grants a leave of absence for today to Senator Boseman.

Senator Basnight, President Pro Tempore, announces that the Journal of Tuesday, June 1, has been examined and is found to be correct. Upon his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

The wounds of this world are too deep and too many for us to heal them all. Even after our best efforts, sometimes we have to bring difficult problems and the people whom they affect to you and ask you to look after them. And yet, our Father, never let our prayers excuse us from paying the price of compassion. Make us generous with the resources we do have, time, listening, and concern. So let your work be done in and through us wherever possible this week. In your holy name we pray, Amen."

Baptist preacher and humorist, the late Jerry Clower, had this to say to a group of young people about the same age as our pages. 'If you have

Senate Chamber
Tuesday, June 15, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear Lord, some of the watershed experiences of our lives do not seem impressive at the moment of happening. Only seasoning by years of living marks an even as important. For someone I know, his watershed moment began long ago sitting on an unpainted, kitchen stool talking with his mother. One day, speaking with her about God and Jesus, he asked where Lazarus had been when he was dead, you know, before Jesus brought him back to life. His mother gave him one of the greatest answers he had ever heard even to this day. 'Son,' she said, 'I don't know.' Admitting that there are things we don't know actually can increase our authority rather than diminish it. We actually like to learn from persons who don't know everything. Amen."

The Chair grants leaves of absence for today to Senator Boseman and Senator Clary.

ONE HUNDRED AND THIRTY-FIFTH DAY

Senate Chamber
Monday, June 21, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear Lord, how might we do things differently this week in order to produce better results? In his letter to the Ephesians, the Apostle Paul suggested that we live life on a higher plane, a life renewed by you from the inside which works itself into our conduct, accurately producing more Godly character. So on what plane will we live this week, O God? With your help, every time we do what is right rather than what is expedient or speak truth when it is easier not to, we will become more fully alive. No matter what is acceptable in our society, we want to make a choice that is far more satisfying than anything a deceptive world can offer. To that end, help us, O God. Amen."

The Chair grants a leave of absence for tonight to Senator Blake.

CALENDAR (continued)

H.J.R. 2074 (Committee Substitute), A JOINT RESOLUTION HONORING THE PUBLIC SERVICE OF HOYT PATRICK TAYLOR, SR. AND HOYT PATRICK TAYLOR, JR, placed earlier on tonight's Calendar.

Upon motion of Senator Brock, the remarks of the members are spread upon the Journal, as follows:

Senator Purcell:

“Ladies and gentlemen of the Senate, it is a special honor for me to pay homage to two great North Carolinians from Anson County, Hoyt Patrick Taylor, Sr. and Hoyt Patrick Taylor, Jr. What a legacy of public service this father and son pair has had. There is a lot of information in the resolution about each of them and I will not repeat. I will only try to mention a few highlights. Pat Taylor, Sr., 1890 to 1964, was an attorney, a U.S. Army Officer wounded in France during World War I, a Mayor of Wadesboro, a North Carolina State Senator, and Lieutenant Governor of North Carolina. Pat Taylor, Jr., who is an attorney, was an officer in the U.S Marine Corps during World War II and the Korean War, a member of the North Carolina House of Representatives and Speaker of the North Carolina House of Representatives, and Lieutenant Governor of North Carolina. They have the distinction of being the only father and son pair to serve as Lieutenant Governor of North Carolina. It is interesting that Pat Taylor, Sr. was

June 21, 2010
elected Lieutenant Governor in 1948 when Kerr Scott was elected Governor. Pat Taylor, Jr. was elected Lieutenant Governor in 1968, twenty years later, the same time Kerr Scott’s son, Bob, was elected Governor. Both of the Taylors served with distinction on numerous boards and commissions throughout the State and many of them are mentioned in the Resolution. Patrick Taylor, Sr. was voted by members of the State Press as the most valuable member of the North Carolina Senate in the 1939 and 1943 Sessions of the General Assembly. Pat Taylor, Sr. also served as a member of the UNC Board of Trustees for a number of years. Pat Taylor, Jr. is a recipient of the Judge John Jay Park Award, the highest award given by the North Carolina Bar Association, and also received the Distinguished Alumni Award from the University of North Carolina School of Law. Pat Taylor, Jr. ran as a Democrat candidate for Governor in 1972. In that same year, he was one of several who received votes for the Democratic Vice-Presidential Nomination at the 1972 National Convention. I have found Pat Taylor to be a great individual, always showing concern for others as he did throughout his political career. In recent years, I have picked Pat Taylor up on several occasions as we were both going to meetings. He always insisted that he meet me on Highway 74 that goes through Wadesboro rather than have me go out of the way to pick him up at his home which I would have been glad to do. Pat Taylor, Jr. and his wife, Elizabeth Lockhart Taylor and their families, were honored by South Piedmont Community College in Wadesboro when a renovated textile mill that houses college education programs and is a prime meeting facility in the community was named the Lockhart-Taylor Center. Personally, I must say that I have enjoyed knowing Pat Taylor, traveling with him on occasions and always looking forward to his stories and tales, usually about experiences in his political life and stories that often had significant meaning and advice that he obviously wanted me to have. But with full disclosure, I must add, as Aaron Plyler well knows, some of Pat’s tales and stories weigh a little more toward entertainment than they did to significant meaning! Please join me in voting aye when we vote on this resolution honoring two extremely talented and dedicated public servants and great North Carolinians, Hoyt Patrick Taylor, Sr. and Hoyt Patrick Taylor, Jr.”

Senator Dickson:

“It’s certainly impressive to read through this resolution and to hear Senator Purcell talk about the accomplishments of these two great North Carolinians and what they have done, not only for our State but for many of the institutions in our State. My own memories are much less exalted and much more personal. My grandfather, John Dawson of Lenoir County, who served in the House and in the Senate many years ago, greatly admired Speaker Taylor and prevailed upon his friend, Speaker Taylor, to appoint me to serve as these young folks are serving here with us tonight. It was really a wonderful experience for me. I came to Raleigh with a friend from Fayetteville, a girl I grew up with, and we had a very exciting and wonderful week serving in the House with Speaker Taylor. I still remember those days very fondly and I think that they, in many ways, kindled my own interest in State Government. So I want to say thank you to Speaker Taylor for that appointment many, many years ago. It was the second session in this building in 1965 and I want to invite everyone here, my Senate colleagues and
anybody else who is interested, to come by my office where my appointment letter hangs on my wall. I’m very proud of it. I had it framed and it is on the wall in my office and it appoints me not to be a page in the House but, as was customary many years ago in 1965, Speaker Taylor appointed me a Pagette."

Senator Soles:

“Ladies and gentlemen of the Senate, this resolution brings back many fond memories for me. I was sitting here reading and realized that Lieutenant Governor Pat Taylor, Sr. and Governor Kerr Scott were serving in the legislature when I was in high school. I have a picture on the wall in my office right across the hall of Governor Kerr Scott standing on a flat bed truck in front of a tobacco warehouse in Columbus County with his hand crammed down in his pockets obviously making a political speech of some sort and right behind it is the county band and there I am about 16 years old sitting on the platform directly behind Kerr Scott. It is one of my favorite photographs that my mother gave me several years ago when she found it in the attic or somewhere. Then I read on down in the resolution about Bob Scott and Lieutenant Governor Patrick Taylor, Jr. They were both elected in the same election that I was elected to come to the House of Representatives. The first Governor I served under, and there have been many of them since then, was Bob Scott. Patrick Taylor served over here as President of the Senate, presiding as Lieutenant Governor. I remember meeting him in the hall many times, although I never served in a Chamber that he was presiding over, but he was always a gentleman and always willing to stop and talk and always had a pleasant word for you. His wife’s family is from Columbus County in Chadbourn. The Wootens down there are a very prominent family. They are well-respected down there. I remember how Pat Taylor, Jr. was always pushing for education and working to promote the university systems and colleges and I think it was growing out. If you look at the resolution, he had served on the Board of Trustees of the University of North Carolina, at Chapel Hill, on the General Alumni Association, on the Board of Trustees at UNC-G and many others. Then I noticed at the bottom that he was a member of the Rotary Club. The Rotary motto is ‘Service before self’ and certainly Patrick Taylor, both senior and junior, served with distinction and put service before self. I encourage you to vote for this resolution.”

Senator Basnight:

“To the Taylor family, you may remember the name of Keith Fearing. Keith was a pharmacist and doctor for many of us in Dare County. We had no doctor at that time and he enlisted my support to help Pat Taylor in his run for Lieutenant Governor. Back in those days, Senator Jacumin, a Republican candidate fortunately did not do well in Dare County. Unfortunately, they do today in Dare County. But in those times, my job was to put his posters up and tear down the posters of his opponent. I hate to tell you but I was pretty good at that. I had selected the right candidate I found out later. I had listened to Keith Fearing because we all believed in him and his value to our community and the way of life. When I chose to campaign for Pat Taylor, I began my political career in some way. So either you can curse me or thank me for what I have become. I thank you and I encourage all to vote for this resolution.”

June 21, 2010
The joint resolution passes its second reading (47-0) and, without objection, is read a third time and passes its third reading with members standing and is ordered enrolled.

**Lieutenant Governor Walter Dalton:**

“This is a wonderful evening as we honor two great men in a unique part of North Carolina’s history. My father had the honor of serving in the North Carolina Senate when Pat Taylor Sr. was Lieutenant Governor. It has been my pleasure over the last few years to get to know Pat, Jr. Not only were they the only father and son to be Lieutenant Governors in North Carolina, I think there is only one other in the history of the Nation, father/son team like that. In addition, Pat, Jr. was Speaker of the House. It is somewhat unique that they cover World War I, World War II and Korea. Pat, Sr. served in World War I in the 371st Infantry. He was awarded the Silver Star and the Purple Heart. Pat, Jr. was a Marine serving in World War II and Korea. North Carolina is grateful for their leadership in many ways, public and private universities. Senior was on the Board at Meredith and UNC. Junior was on the Board at UNC, on the Board of Governors and also on the Board of Trustees at UNC-G. We have court reform because Pat, Jr. championed a constitutional amendment. That is the reason he won those top legal honors. They are champions of business, serving on many different boards and Pat, Jr. also received votes for Vice-President of the United States in the 1972 Democratic Convention. It is a family that has given very generously of their time in public service. They have also given the personal papers of Pat, Sr. and Pat, Jr. to the State Archives of North Carolina and we are honored for their service and honored to have them here today.”

The President extends courtesies of the gallery to the Honorable Pat Taylor, Jr., his wife, Elizabeth Lockhart Taylor; their daughter, Elizabeth; their son, Hoyt; their son, Lockhart; former Senator Aaron Plyler, from Union County; and other family and friends.

June 21, 2010
ONE HUNDRED AND THIRTY-SIXTH DAY

Senate Chamber
Tuesday, June 22, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear Lord, I've visited a congregation or two in the past, made up of mostly fine folks. A few of whom, if the preacher had preached on Jesus' miracle of feeding the 5000 with five loaves and fish, might have whispered among themselves, during the sermon, questioning whether the two fish were bass or catfish and what bait was used to catch them. Sometimes we all overlook your miracles while trying to figure out the details. With all the small print the Senators and staff must originate and digest each day, keep them awake of the grand vision, theirs and yours, O God. It might just be a miracle in which they are participating. Amen."

The Chair grants leaves of absence for today to Senator Blake and Senator Shaw.

Senator Basnight, President Pro Tempore, announces that the Journal of Monday, June 21, has been examined and is found to be correct. Upon his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

Senate Chamber
Wednesday, June 23, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear God, there were many advocates for some cause outside the building this morning. It reminds me that each day a multitude of voices are begging us to buy, to experience, to believe and to side with certain views and beliefs. Help us to listen well but strive for discernment in our response. For most issues are bounded by two extremes and often the truth lies somewhere in the middle. Grant us the wisdom through your word and through your spirit to practice balance in our thinking and doing, otherwise we might swing to extremes and lose our effectiveness with others. And keep us from being willfully ignorant and prejudiced concerning another person's views, for in doing so we may miss the truth altogether. Amen."

Senator Basnight, President Pro Tempore, announces that the Journal of Tuesday, June 22, has been examined and is found to be correct. Upon his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

**POINTS OF PERSONAL PRIVILEGE**

Upon motion of Senator Atwater, the remarks of Senator Albertson are spread upon the Journal as follows:

**Senator Albertson:**

“Thank you, Mr. President. Members of the Senate, I rise today to remind all of you that this is Agribusiness Day in the General Assembly, a time when we stop and pause and give thanks to this great industry for all that it has done and continues to do to make our State the wonderful place that it is. Senator Basnight, it always surprises people, even today, when you tell them that Agribusiness is still the number one industry in this State. I’m pleased to tell all of you that since our last report, we’ve seen about a $4 billion increase in this industry. It is now $74.3 billion that it brings to our State and of the four million people in this State who work, about 17% are engaged in Agribusiness so it begins to tell you the impact of this great industry. Some of you might be surprised to learn that almost 60% of our great land is covered by forests which bring so much beauty to our State to make it one of the most beautiful states, I think, in the whole wide world. Senator Basnight, thank you for giving me the opportunity all of these years to serve as Chair of the Ag/Environment/Natural Resources Committee. I have learned even more about Agriculture, Agribusiness and what it means to our people and, while I have met many great people like all of you, I have really learned and come to appreciate those people who produce our food and fiber. They are some of the best stewards, I think, in the world because they understand where the food and fiber comes from and they know how important it is to take care of the soil and the water. So tonight when you enjoy that great meal, as I’m sure you will, or in the morning when you have that wonderful breakfast, give thanks to the Good Lord and all of our farmers, our growers and our producers who provide this valuable good resource for us. Thank you very much.”

Senate Chamber
Thursday, June 24, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Marc Basnight, President Pro Tempore.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear God, when young William Bunn entered the Senate Chamber yesterday dressed in a police uniform, his longtime dream became a reality when he was awarded an honorary membership in the Raleigh Police June 24, 2010
Department. In addition, Lieutenant Governor Dalton and Senator Basnight also made him an Honorary Senator. We were all moved. As his parents carried William out, I remembered the words of author Pearl S. Buck who said, 'The young do not know enough to be prudent and therefore they attempt the impossible, and achieve it generation after generation.' I also was comforted by the words of our Lord, 'Let the little children come to me and do not stop them, for it is to such as these that the kingdom of heaven belongs.' Thank you for coming our way and Godspeed, William Bunn. Amen."

June 24, 2010
A joint resolution on today's Calendar is taken up and disposed of, as follows:

S.J.R. 1456, A JOINT RESOLUTION HONORING THE DUKE BLUE DEVILS ON WINNING THE 2010 NATIONAL BASKETBALL CHAMPIONSHIP.

Upon motion of Senator Blue, the joint resolution is read in its entirety and, upon motion of Senator Shaw, the remarks of the members and Coach Krzyzewski, are spread upon the Journal, as follows:

Senator Blue:
(Senator Blue’s comments are inaudible due to a microphone failure.)

Senator McKissick:
“Coach K has been a remarkable coach. His prominence in basketball coaching is just preeminent. Even when it came time for the Olympic team, they looked to Coach K to provide that leadership. But when we look at Durham and our community and what he has done, what Duke University has done, they are our largest employer. They are the largest land owner in Durham. But most importantly, as an institution, they’ve shown a great deal of leadership, compassion, sensitivity in building bridges in our community and helping revitalize our downtown. When Jim Goodman was ready to go forth with the American Tobacco project and they looked for persons within the Duke community to help us, Duke University came forth and provided those lease commitments. When we look at what Coach K has done, in addition to just his work on behalf of Duke, he has gone out into our community and built the Emily Krzyzewski Family Life Center, one which serves our entire community where people can come on a regular on-going basis and receive services. He shows a unique sensitivity. But more importantly, when it comes to the athletes that have worked with him, he makes them and causes them to understand that he expects excellence not just on the basketball court, but he expects excellence in terms of academic scholarship and that is reflected in the graduation rates of those players that are part of the Duke team. People like Christian Laettner and Brian Davis who went on to form Blue Devil Ventures, who helped transfer our downtown. There are many, many others. Tommy Amaker, during the time he was there, a good friend of mine, who received the type of skills as a result of working with such an accomplished individual. Coach K and Duke have brought a heightened level of his ability to Durham, a heightened level of prominence to our community and a heightened level of pride to the State of North Carolina. And for those things I thank you as an individual because of your vigilance and your commitment and because you set high goals and standards that we can all feel proud of. Continue that leadership and continue to energize those individuals that come to you that you are so affective in

June 24, 2010
recruiting as a part of a talented base. Thank you for your insight, thank you for your leadership, thank you for nurturing their talents and thank you for providing a core of individuals which succeeds not only on the basketball courts but in whatever fields of life they choose to walk in. For those things we will be forever indebted to you for your service. I hope we can keep you there as long as possible. We have you under a lifetime contract, that doesn’t make you an indentured servant, but it does represent the fact that we know that you are an integral part of our success, not just on the basketball court, not just as part of the university, but as a part of our community.”

Senator Allran:  
“Ladies and gentlemen of the House and Senate, Coach K and the team, this isn’t the first time I’ve had the privilege of being here to witness this wonderful event. I was also here in the State Senate in 1991, 1992, and 2001. I remember last time it was such a wonderful event and I look forward to having that event occur again and it is today and is just as wonderful this time as it was last time. What I said before was and I’ll say it again, the Duke team is such a class team and Coach K you are such a class coach and when we watch you all on TV or go to the games we’re so proud of you. The whole State is. I had the privilege of being at Duke from 1970 to 1974. My grandfather was there and graduated in 1916. My sister was there the same time I was and I had a number of other less closely related family members who went to Duke so the school means a whole lot to me. I would just like to say this. One of the great goals I had in my life was to become a Member of the General Assembly and I have accomplished that. Before that, one of my goals in life was to go to Duke and I accomplished that. The other goal I have for right now is I really would like to have my picture made with Coach K. So I would really appreciate it if he would stick around long enough after this and I will feel that I have accomplished goal number three. Thank you very much.”

Senator Atwater:  
“Coach Krzyzewski, we are so appreciative to have this opportunity to recognize you, your coaches, as well as your team. We are excited still about the National Championship in basketball. I thought, sir, that when we all met in the Governor’s Mansion it was significant to me that the great Jerry West, even he had to look up to the players even though they were on the staircase, but he said something to the effect, and it was by way of compliment, he said ‘You know, I think there must have been a game or two, that I really didn’t think you could win.’ And I thought to myself, for the great Jerry West to be convinced, what a compliment and to win those kinds of games requires exceptional leadership that you and your coaches provide. You have exceptional talent and sometimes that talent varies from year to year, but the principles that you teach come through. They came through in an exquisite way and we are all so proud of you and continue to be proud of you. I would like to conclude my remarks by expressing appreciation for all of Duke athletics and what it has meant to us and the level of excellence they bring to the scene in North Carolina and Coach

June 24, 2010
Krzyzewski, if you would convey to President Brodhead as well as Duke’s Chancellor for Health Affairs, Dr. Victor Dzau, our appreciation in historically continuing the tremendous impact that Duke people and Duke programs have upon our State, our Nation and indeed the World in areas of arts, science, medicine and the wonderful sports program that you’ve had there and the tradition you have established and the model that you are to all of us. Thank you very much.”

**Senator Kinnaird:**

“As you know, I represent another University down the road a piece that also had its championship. And during the championship, the finals, when people asked me if I were rooting for Butler, I said, ‘No. I am proud that a North Carolina team representing us so well is there and all the eyes are focused on North Carolina.’ Thank you.”

**Senator Albertson:**

“Coach K, I rise to congratulate you and your team on your great achievements and all that you have done in bringing those great honors to our people and no doubt all of us recognize that Duke University is one of the best in the Nation, possibly one of the best in the World. And while I must tell you, I did not go to college and the people who know me already recognize that, but all my children and all my grandchildren went to Chapel Hill, for what that’s worth. While we all admire your great accomplishments that you have brought through the basketball program, one of the things I find so interesting and so important begins on line 32 of the resolution. ‘Whereas each year, Duke University is recognized as one of the Nation’s best academic institutions and its basketball program continues to have one of the highest graduation rates for its athletes.’ And I commend you for that as well, sir.”

**Senator Basnight:**

“Coach K, I have to use the ‘K’ word as Members in this Body, both Chambers, realize I do not speak the English language very well, so I would stumble with your last name. But my commitment to our flag and our Country, I only wish was as strong as yours. I wrote a letter some years ago to all the coaches in the public Universities of North Carolina making them aware of the United States law that says, ‘When the pledge of allegiance and the colors are posted, you shall cover your heart or if in uniform, you shall salute.’ I did that after noticing at a game that all your players and all your coaches would cover. I also noticed that other players on other teams would not do so. Having served in the Army, you committed your life to making life more prosperous for all people you contacted. Your understanding of the freedoms in America to speak, to be whatever you want to be, is something I admire a great deal. There is a person in here who coached you in the Army on a softball team. He has that softball that you signed as a team member at that time. He said you were very good at softball. He offered you an opportunity to command an artillery group in the Army. You told him you wanted to coach the Army basketball team. That Colonel is from Eden. His nephew works for me. He said that you were one of

June 24, 2010
the greatest students and cadets that the Army had. You have proven to America, to North Carolina, to Durham, to the World that you truly are one of the greatest coaches and people of any sport and any Country in the World. We are proud that you are here and that you remain committed to the flag, the Country, and the purpose of what is right and good in our Country. God bless you.”

Coach Krzyzewski:

“Well, this is an unexpected honor! I want to pass a whole bunch of stuff! I love it that you keep score where everybody can see it. I don’t get a lot of texts, but I just got texts from six lobbyists saying that they didn’t know that I could get a vote just for a picture. I might have to talk to you a little bit before we do the picture. I would like to introduce Colonel Dillon. Colonel Dillon was my commanding officer in Korea. It was more than just a softball team. He was in charge of an artillery unit right near the DMZ in Korea. I was assigned to Colonel Dillon’s command and I was also a member of the armed forces basketball team at that time. I knew I was going to be there, I was going to be called in different spots. He taught me an amazing leadership lesson. He said, ‘I understand your passion, I would like for you to be this artillery officer. I think you could do good things in the Army.’ I said, ‘Sir, I appreciate that, but I want to be a really good coach. But I promise you that every second I’m under your command, you got a guy that’s going to give you a hundred percent.’ And he allowed me to do this and I’ll remember that and he and I have been life-long friends. So Colonel Dillon, thank you so much for doing that. You know I feel like I’m retiring with all the nice things said and I’m here to announce that I’m not doing that. I’m still a young guy. At sixty-three, I’m ready to roll for a few more years, at least. But those were the nicest things that have ever been said to me in Raleigh. Definitely in Chapel Hill, also. I’m really thinking that we should have a resolution that says that when the Duke team comes and plays in Raleigh or Chapel Hill, this should be the introduction. It’s not unanimous! It’s an honor for us to be here. I’ve lived in North Carolina for thirty years. This is my home. It will always be my home and the home of the Krzyzewski family. It’s not an English word, by the way, so don’t worry about it. I’m not sure what it is. I just got it and I stuck with it. I have three beautiful daughters and their husbands live here and all seven of my grandchildren have been born in North Carolina. We just got back from a week and a half down at Figure-Eight Island and the beautiful beaches. We have such a beautiful State, whether it be the beaches, the mountains, the trees, but the most beautiful thing about our State are the people. We have the best people. I’ve said for the entire time that I’ve lived here and had the honor to coach at Duke and live in Durham, that I not only coach at Duke University, I live in Durham. I love Durham. I love the State of North Carolina. For us in this State to have four National Championships in the last ten years, sets us apart. That’s a visible way it sets us apart, but I think North Carolina is setting itself apart from the rest of the Country in many different ways. Dan spoke about a quote from Grant Hill

June 24, 2010
about deer leading the lions, and the lions leading deer. I don’t know what the heck I was, but I don’t think I’m a lion or a deer. The deer usually eat my pansies at my house and I don’t want to be one of them. I’m always chasing them away with my Lab. By the way, I have a yellow Lab named Blue. I’m not saying what color, but it’s true blue. That’s his name. I tell you what, sometimes with the team, like some people have said about our team that we weren’t the most talented. Just like in our State there are visible talents or visible resources that you see. You can see a guy jump, you can see him run real fast, you can see how big they are, but it’s what you don’t see a lot of times. The resources you don’t see or the character traits that you don’t see that really make you a team. That’s what happened with our team this year. There’s not a better kid in the whole world than Jon Scheyer. Everyday for four year was an honor and a joy to coach him. He never had a bad day. Just imagine being around someone who never has a bad day and Brian Zoubek, a kid who overcame two broken feet and I did a first. The first guy I ever allowed to have a beard. I never thought Brian would start, so when he came back from summer vacation last year, I thought he would come off the bench and I’m a big baseball fan, so I said he’s going to be like a relief pitcher. And you know those relief pitchers, a lot of them, they don’t look very good. They have beards and mustaches, bad breath, they spit on balls, they always try to hide the fact that they can’t throw it 95 miles per hour, but they look like they could throw it a 105 miles per hour. So I said, ‘Brian, you keep your beard, I want you to look tough and don’t brush your teeth.’ No, I did tell him to brush his teeth. And Brian and Lance Thomas did something, because we thought the Plumlees would start and everyday Steve Wojciechowski would work with our big guys and Brian and Lance would help Miles and Mason get better and as a result of helping them get better, they got better. They got so much better that they started and that spirit of cooperation is really something that I’ve seen in our State and I want you to know that just speaking for Duke University, we love being on a North Carolina team. We are part of this State’s team. When we go some place, we’re Duke University from North Carolina. And a lot of times in figuring out how a team can maximize its potential, you have to understand the qualities and understand the resources that you have. I just would like to say on behalf of Duke, we have a lot of resources that can be used, an amazing number of resources that can be used because we are an international institution. There are so many really outstanding people at Duke and they are all willing to help make this State better. So as you are trying to figure out what this North Carolina team does, understand that you have a player in Duke University that is willing to accept any role, whether it be a lead role, a starting role, coming off the bench, or if we don’t get into a game but if we can cheer for whoever is doing it, we’re willing to accept all those types of roles. Understand that it is our responsibility. My son-in-law, Chris Spatola, who is director of basketball operations, we’re both West Point graduates and at West Point one thing that we all have in common is that we all take a lifetime oath of service to our Country. I want to thank you all for your service to our Country and to this great State.

June 24, 2010
Let’s have a willingness of working together to make dreams come true for the people in our State. In the city of Durham we have a center called the Emily Krzyzewski Center, named after my mom. Right now we serve about one hundred and twenty kids in after-school programs and our motto is ‘Dream, do and achieve.’ There are a lot of people in our State who don’t have the ability to dream. You may find that difficult to believe, but that’s happening. There are a lot of people, not just kids, in our State who don’t have the opportunity to dream and so the purpose of our center is to teach them how to do that. To give them the resources to do that because they have the ability, they just haven’t had the opportunity. Once they do that, they achieve. Basically that’s what should happen in our State. We are all responsible to run this State which is a massive job. It’s a massive undertaking. But in doing that we are also responsible for creating a climate or atmosphere that’s conducive to every person who is in our State to have the ability to dream and to help them to do that so that we as a State can achieve. I commend you for what you are doing in that regard and I implore you to always use Duke University in whatever role you think is necessary to help achieve those lofty ambitions. My feeling is why not have lofty ambitions? If we are going to do this, we might as well win, right? We’re not just sitting around saying aye and nay, we are trying to win and this State is the best State of all the fifty states and it keeps growing and it keeps getting better. Again, thank you for honoring us in such a great way today. Believe me it is most appreciated and, again, please use us as Duke University in whatever way you think will help our great State. Thank you very much.”

ONE HUNDRED AND FORTIETH DAY

Senate Chamber
Tuesday, June 29, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Honorable Don Davis, Senator from Greene County as follows:

"As I was driving to the General Assembly this morning, I saw many American flags. I felt very proud. As I continued driving I came across a very small sign that contained these three words: 'Praise the Lord.' Simple reminders such as these should help us remember why we are here and why we serve. As we continue discussing the issues of our great State during these challenging times, it is my prayer that our decisions are illuminated and reflective of his glorying goodness and to this end I say, praise the Lord. Amen."

The Chair grants leaves of absence for today to Senator Blake and Senator Goodall.

Senator Basnight, President Pro Tempore, announces that the Journal of Monday, June 28, has been examined and is found to be correct. Upon his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

"§ 14-415.4. Restoration of firearms rights.

(a) Definitions. – The following definitions apply in this section:

(1) Firearms rights. – The legal right in this State of a person to purchase, own, possess, or have in the person's custody, care, or control any firearm or any weapon of mass death and destruction as those terms are defined in G.S. 14-415.1 and G.S. 14-288.8(c). The term does not include any weapon defined in G.S. 14-409(a).

(2) Nonviolent felony. – The term nonviolent felony does not include any felony that is a Class A, Class B1, or Class B2 felony. Also, the term nonviolent felony does not include any Class C through Class I felony that is one of the following:

a. An offense that includes assault as an essential element of the offense.

b. An offense that includes the possession or use of a firearm or other deadly weapon as an essential or nonessential element of the offense, or the offender was in possession of a firearm or other deadly weapon at the time of the commission of the offense.

c. An offense for which the offender was armed with or used a firearm or other deadly weapon.

d. An offense for which the offender must register under Article 27A of Chapter 14 of the General Statutes.

(b) Purpose. – It is the purpose of this section to establish a procedure that allows a North Carolina resident who was convicted of a single nonviolent felony and whose citizenship rights have been restored pursuant to Chapter 13 of the General Statutes to petition the court to remove the petitioner's disentitlement under G.S. 14-415.1 and to restore the person's firearms rights in this State. If the single nonviolent felony conviction was an out-of-state conviction or a federal conviction, then the North Carolina resident shall show proof of the restoration of his or her civil rights and the right to possess a firearm in the jurisdiction where the conviction occurred. Restoration of a person's firearms rights under this section means that the person may purchase, own, possess, or have in the person's custody, care, or control any firearm or any weapon of mass death and destruction as those terms are defined in G.S. 14-
(c) Petition for Restoration of Firearms Rights. – A person who was convicted of a nonviolent felony in North Carolina but whose civil rights have been restored pursuant to Chapter 13 of the General Statutes for a period of at least 20 years may petition the district court in the district where the person resides to restore the person's firearms rights pursuant to this section. The court may restore a petitioner's firearms rights after a hearing in court if the court determines that the petitioner meets the criteria set out in this section and is not otherwise disqualified to have that right restored.

(2) The petitioner has only one felony conviction and that conviction is for a nonviolent felony. For purposes of this subdivision, multiple felony convictions arising out of the same event and consolidated for sentencing shall count as one felony only.

(3) The petitioner's rights of citizenship have been restored pursuant to Chapter 13 of the General Statutes or, if the conviction was in a jurisdiction other than North Carolina, have been restored, pursuant to the laws of the jurisdiction where the conviction occurred, for a period of at least 20 years before the date of the filing of the petition.

(4) The petitioner has not been convicted under the laws of the United States, the laws of this State, or the laws of any other state of any misdemeanor as described in subdivision (6) of subsection (e) of this section since the conviction of the nonviolent felony.

ONE HUNDRED AND FORTY-FIRST DAY  

Senate Chamber  
Wednesday, June 30, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear God, it's human nature. Sometimes we are preoccupied by worry and fear, fear of what might happen, fear of losing and fear of retribution. Very often fear distorts truth, not so much by exaggerating the ills of this world, but by underestimating our ability to deal with them. While fear and worry seek safety, help us this day to live boldly with conviction. For you do not give us a spirit of fear but one of strength, love and sound judgment. Amen."

The Chair grants leaves of absence for today to Senator Boseman, Senator Goodall, and Senator Shaw.

Senator Basnight, President Pro Tempore, announces that the Journal of Tuesday, June 29, has been examined and is found to be correct. Upon his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

**ONE HUNDRED AND FORTY-SECOND DAY**

Senate Chamber
Thursday, July 1, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear God, we do remember the family of William Bunn. We certainly are saddened by his death, but we are reassured that he now resides in your holy presence. Now we depart the legislature this week to celebrate our Nation's

July 1, 2010
birthday on Sunday around the State from huge crowds at Southport’s annual festive celebration to private family picnics in the backyard off the Blue Ridge. Winning our Nation’s hard fought freedom over two-hundred years ago was just the beginning. Subsequent battles for the freedom of African-Americans and women were just as important. And there are other freedoms still to be won. As we go, let us consider the thoughtful words of Woodrow Wilson who said, 'A Nation which does not remember what it was yesterday, does not know what it is today, nor what it is trying to do. We are trying to do a futile thing if we do not know where we came from or what we have been about.' Continue to guide the United States of America, O God, that we may extend the privileges of liberty and justice for all. Amen.”

Upon motion of Senator Atwater, the remarks of Senator Albertson are spread upon the Journal, as follows:

**Senator Albertson:**

“Maybe my remarks would have been more appropriate as we were on the amendment but I do appreciate Senator Snow bringing this to us. I told the Ag Committee this morning and I was sort of caught by surprise but I hadn’t told anyone except my wife until this morning. On Memorial Day, I went to the graveside of one of my neighbors who was captured in the early days of the war...
in the Philippines and he survived four or five years in a Japanese concentration
camp. When he came back home after the war I was just a young boy having
been born in 1932, fourteen or fifteen years old, I guess. He was trying to farm
and he rented some land right across from the schoolhouse, but to know the
better story, he grew up right next to me. He came from a large family as I did
and we were in and out of each other’s houses just like one big family helping
one another farm in order that we could survive. But I would try to help him do
some farming when he came back and he simply was not able to work. His
health condition, having survived all those years in that Japanese concentration
camp, was just a sad sight to see. When I was working with the Department of
Agriculture, he was locked up one night at the place where I worked and he was
left in jail overnight, and I will always regret that I didn’t do more to try to get
him out of jail because he simply did not belong in jail after all that he had been
through. But for the last two years I have been to his graveside and last year I
sort of knelt down and I rubbed my hand across his name on the marker and I
asked myself what I could do to really honor this man and all the other men and
women who had given their very all that we might live in this great land. I
concluded the best thing I could do was to become a peacemaker for the rest of
my life, not a warrior, but to work to promote peace among people beginning
with myself. There is such a great need in our land today in our World, I
believe, to do that, even here among Republicans and Democrats, the Blacks, the
Whites, the Julia Bosemans of the World, everybody else who is different from
most of us. We need to find a way to recognize the goodness and the
differences in all of us and if we could do that we would have taken a giant step
for the human race in the world. I don’t know how I will do in this regard but
this will be my goal to be good to everybody to the best of my ability for my
remaining time on this earth. Thank you so much.”

The Senate Committee Substitute bill, as amended, passes its third reading
(48-0) and is ordered engrossed and sent to the House of Representatives for
concurrence by special message.

This data shall be furnished by county directors of social services to the Department of Health and Human Services and shall be confidential, subject to rules adopted by the Social Services Commission providing for its use for study and research and for other appropriate disclosure. Data shall not be used at any hearing or court proceeding unless based upon a final judgment of a court of law.

Only the responsible individual may receive the notice.

(c) The notice shall include all of the following:

1. A statement informing the individual of the nature of the investigative assessment and whether the director determined abuse or serious neglect or both.

July 6, 2010

SECTION 7. G.S. 7B-323 reads as rewritten:

§ 7B-323. Petition for expunction; judicial review; district court.

Within 30 days of the receipt of notice of the director's decision under G.S. 7B-321(b) or (c), or within 30 days from the date of a determination by the district attorney under G.S. 7B-322, whichever is later, an individual may file a petition for expunction review with the district court of the county in which the abuse or serious neglect report arose. The request shall be by a petition for expunction judicial review filed with the appropriate clerk of court's office with a copy delivered in person or by certified mail, return receipt requested, to the director who determined the abuse or serious neglect and identified the individual as a responsible individual. The petition for expunction judicial review shall contain the name, date of birth, and address of the individual seeking expunction, the name of the juvenile who was the subject of the determination of abuse or serious neglect, and facts that invoke the jurisdiction of the court. Failure to timely file a petition for expunction judicial review constitutes a waiver of the individual's right to file a petition for expunction and to a district court hearing and to contest the placement of the individual's name on the responsible individuals list.
(b) The clerk of court shall maintain a separate docket for expunction actions and upon receipt of a filed petition for expunction judicial review actions. Upon the filing of a petition for judicial review, the clerk shall calendar the matter for hearing within 15 days from the date the petition is filed at a session of district court hearing juvenile matters and, if there is no such session, at the next session of juvenile court. The clerk shall send notice of the hearing to the petitioner and to the director who determined the abuse or serious neglect and identified the individual as a responsible individual. Upon the request of a party, the court shall close the hearing to all persons, except officers of the court, the parties, and their witnesses. At the hearing, the director shall have the burden of proving by a preponderance of the evidence the correctness of the director's decision determining abuse or serious neglect and identifying the individual seeking expunction judicial review as a responsible individual. The hearing shall be before a judge without a jury. The rules of evidence applicable in civil cases shall apply. However, the court, in its discretion, may permit the admission of any reliable and relevant evidence if the general purposes of the rules of evidence and the interests of justice will best be served by its admission.

(b1) Upon receipt of a notice of hearing for judicial review, the director who identified the individual as a responsible individual shall review all records, reports, and other information gathered during the investigative assessment response. If after a review, the director determines that there is not sufficient evidence to support a determination that the individual abused or seriously neglected the juvenile and is a responsible individual, the director shall prepare a written statement of the director's determination and either deliver the statement personally to the individual seeking judicial review or send the statement by first-class mail. The director shall also give written notice of the director's determination to the clerk to be placed in the court file, and the judicial review hearing shall be cancelled with notice of the cancellation given by the clerk to the petitioner.

c) At the hearing, the following rights of the parties shall be preserved:

1. The right to present sworn evidence, law, or rules that bear upon the case.
2. The right to represent themselves or obtain the services of an attorney at their own expense.
3. The right to subpoena witnesses, cross-examine witnesses of the other party, and make a closing argument summarizing the party's view of the case and the law.

d) Within 30 days after completion of the hearing, the court shall enter a signed, written order containing findings of fact and conclusions of law. The clerk shall serve a copy of the order on each party or the party's attorney of record. If the court concludes that the director has not established by a preponderance of the evidence the correctness of the determination of abuse or serious neglect or the identification of the responsible individual, the court shall reverse the director's determination and order

July 6, 2010
the director to notify the Department of Health and Human Services to expunge the individual's name from the responsible individuals list. If the court concludes that sufficient evidence has not been presented to support a determination of abuse, but there is sufficient evidence to support a determination of the director has established by a preponderance of the evidence abuse or serious neglect and the identification of the individual seeking expunction and judicial review as a responsible individual, the court shall modify the director's decision and order the director to notify the Department of Health and Human Services to change the entry place the individual's name on the responsible individuals list to that of neglect, consistent with the court's order.

(e) Notwithstanding any time limitations contained in this section or the provisions of G.S. 7B-324(a)(2) or (4), if the court concludes that sufficient evidence has not been presented to support a determination of abuse, but there is sufficient evidence to support a determination of the director has established by a preponderance of the evidence abuse or serious neglect and the identification of the individual seeking judicial review as a responsible individual, the court shall modify the director's decision and order the director to notify the Department of Health and Human Services to change the entry place the individual's name on the responsible individuals list to that of neglect, consistent with the court's order.

(f) A party may appeal the district court's decision under G.S. 7A-27(c)."

"§ 7B-324. Persons ineligible to request expunction; petition for judicial review; stay of expunction judicial review proceeding pending juvenile court case.

(a) Any individual who has been identified by a director as a responsible individual in an abuse or serious neglect case is not entitled to challenge the placement of the individual's name on the responsible individuals list if any of the following apply:

(1) The individual is criminally convicted as a result of the same incident. The district attorney shall inform the director of the result of the criminal proceeding, and the director shall immediately notify the Department of Health and Human Services. (2) The individual is a respondent in a juvenile court proceeding regarding abuse or neglect resulting from the

(5) That individual fails to keep the county department of social services informed of the individual's current address during any request for expunction so that the individual may receive notification of the director's decisions.

(b) If, prior to or during any proceeding provided for in this section, an individual seeking expunction-judicial review is named as a respondent in a juvenile court case resulting from the same incident, the director, the district attorney, the district court judge, or the Court of Appeals shall stay any further proceedings for the expunction of that individual's name from the responsible individuals list until the juvenile court case is concluded or dismissed. The district court judge may stay the judicial review proceeding or consolidate the proceeding with the juvenile court case. If a juvenile court case resulting from the same determination of abuse or serious neglect is involuntarily dismissed, or concludes without an adjudication of abuse or neglect, or with an adjudication that differs from the prior determination, the director shall notify the Department of Health and Human Services to expunge or modify the prior decision of the director accordingly.

July 6, 2010
A BILL TO BE ENTITLED
AN ACT TO MODIFY THE INVENTORY PROPERTY TAX DEFERRAL.
The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-277.1D reads as rewritten:

"§ 105-277.1D. Inventory property tax deferral.
(a) Classification. – A residence owned and constructed by a builder and owned by the builder or a business entity of which the builder is a member, as defined in G.S. 105-277.2, is designated a special class of property under Section 2(2) of Article V of the North Carolina Constitution and is taxable in accordance with this section. For purposes of this section, a "residence" is an improvement, other than remodeling, renovating, rehabilitating, or refinishing, by a builder to real property that is intended to be sold and used as an individual's residence, that is unoccupied, and for which a certificate of occupancy authorized by law has been issued.
(b) Deferred Taxes. – A builder or owner may defer the portion of tax imposed on real property that represents the increase in value of the property attributable solely to improvements resulting from the construction by the builder of a residence on the property. The difference between the taxes due under this section and the taxes that would have been payable in the absence of this section are a lien on the real property of the taxpayer as provided in G.S. 105-355(a). The difference in taxes for the fiscal years preceding the current tax year shall be carried forward in the records of the taxing unit or units as deferred taxes. The deferred taxes are due and payable in accordance with G.S. 105-277.1F when the property loses its eligibility for deferral because of the occurrence of a disqualifying event. A disqualifying event occurs at the earliest of (i) when the builder owner transfers the residence, (ii) when the residence is occupied by the builder owner or by someone other than the builder owner without the builder owner's consent, (iii) five years from the time the improved property was first subject to being listed for taxation by the builder owner, or (iv) three years from the time the improved property first received the property tax benefit provided by this section. On or before September 1 of each year, the collector shall notify each builder owner to whom a tax deferral has previously been granted of the accumulated sum of deferred taxes and interest.
(c) Creditor Limitations. – A mortgagee or trustee that elects to pay any tax deferred by the builder owner subject to a mortgage or deed of trust does not acquire a right to foreclose as a result of the election. Except for requirements dictated by federal law or regulation, any provision in a mortgage, deed of trust, or other agreement that prohibits the builder owner from deferring taxes on property under this section is void.
(d) Construction. – This section does not affect the attachment of a lien for personal property taxes against a tax-deferred residence.
(e) Application. – An application for property tax relief provided by this section should be filed during the regular listing period but may be filed after the regular listing period upon a showing of good cause by the applicant for failure to make a timely application, as determined and approved by the board of equalization and review or, if that board is not in session, by the board of county
commissioners. An untimely application approved under this subsection applies only to property taxes levied by the county or municipality in the calendar year in which the untimely application is filed. Decisions of the county board may be appealed to the Property Tax Commission. Persons may apply for this property tax relief by entering the appropriate information on a form made available by the assessor under G.S. 105-282.1."

ONE HUNDRED AND FORTY-FIFTH DAY

Senate Chamber
Wednesday, July 7, 2010

The Senate meets pursuant to adjournment and is called to order by The Honorable Walter Dalton, Lieutenant Governor.

Prayer is offered by The Reverend Mike Morris, Senate Chaplain, as follows:

"Dear God, since only you and Senator Basnight know for sure when this Session will end, I don't want to risk not mentioning and offering gratitude to the men and women who have chosen to retire or not seek re-election when the Session concludes. In all likelihood, there will be a lump in the throats of Senators Albertson, Boseman, Dorsett, Goodall, Hoyle, Jacumin, Shaw, and Soles sometime in the next couple of days. Last year I reminded you that Browning Ware said that when we laugh and cry at the same moment, when we feel both up and down, filled but empty, tested by trusting, we're not crazy, we're experiencing grace. These Senators will probably experience those conflicting feelings in the days ahead. I hope they sense your grace. They have served you and the people of our State well here in the Senate and surely you will guide them to other places of service. I hope they trust you as their traveling companion. You promised to be with them. That is enough. We shall miss you, Senators, and all who were present said, Amen."

The Chair grants leaves of absence for today to Senator Hoyle and Senator Shaw.

Senator Basnight, President Pro Tempore, announces that the Journal of Tuesday, July 6, has been examined and is found to be correct. Upon his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

The Chair extends privileges of the floor to Helene Zehnder from Cary, North Carolina, who is serving the Senate as Nurse of the Day.

A joint resolution is filed for introduction today, the rules are suspended and it is read the first time, and disposed of, as follows:

Upon motion of Senator Soles, the joint resolution is placed on the Calendar for Friday, July 9.

POINTS OF PERSONAL PRIVILEGE

Upon motion of Senator Hunt, the remarks of Senator Jacumin are spread upon the Journal, as follows:

Senator Jacumin:

“As the Senate pretty well knows, I enjoy placing Gideon Bibles when you have a birthday and I just wanted to tell you why I enjoy that and lend a little bit more information to it. Gideons were making the distribution in a prison in South Africa. As we normally do, we try to tell them where the helps are in the scriptures we give them and the plan of salvation in the back and what have you. Gideon was doing that a particular day and a gentleman in the cell next to him hollered up, ‘Hey, Mister, give me one of them little books. The pages are thin, good to wrap my smokes in.’ It took Gideon back and he thought about it a little bit and he said, ‘Well, Mister, if you’ll make a promise I’ll give you one of these.’ ‘What’s that?’ ‘If you’ll promise me you’ll read each side of that page before you wrap your smokes in it, I’ll give you one.’ ‘You got a deal.’ Word has it that he smoked Matthew, he smoked Mark, he smoked Luke, but John smoked him. He ended up giving his life to the Lord, stopped his smoking and, as a result, many of those folks in that prison are much better people today because of that. We also place this Bible and this is one we send in honor of your birthdays. We’ve been placing those in hotels and motels in 193 countries of the World in 92 different languages. We go back twice a year to check them out, to see if they’ve been defaced in any way. This particular one came from Myrtle Beach, South Carolina. As you can see, the fly page has been torn. Somebody wrote a note or what have you on it. But it had a note in it, ‘Myrtle Beach, South Carolina, 2002, To Whom It May Concern. I rented this room with the thought of killing myself. The Bible saved my life, Proverbs, page 696. Pregnant by another man. I have a loving husband, yet I was unfaithful, so foolish, so young. We all have problems. I just called my husband. He knows and forgave. Sign me Grateful.’ And she went on to say, ‘This Book is blessed.’ We looked on that page, 696, and we found that ‘Every wise woman built her house but the foolish plucked it down with her hands.’ That’s why we love to place these books in hotel rooms, motel rooms. Most folks that get ready to take their life, that’s where they take it, hotel and motel rooms. So it’s certainly an honor to be able to do that and just thinking about the six-year life we’re talking about of this Bible in that hotel or motel, it comes in contact with 2,300 people. If we multiply that by your six birthdays I’ve had the blessing of being a part of in placing the scripture, that’s 69,000 people who will come in contact with the books that have been placed in your birthday ___. If you start multiplying that a little bit by 50 Senators, that’s 3,450,000 people that this book has been placed in front of in six years. So you see how it multiplies. Also, I enjoy doing that for our House members. We’ve got 120 of those, six years, times that same 2,300 people, that’s 1,656,000. So together I’ve been blessed with the opportunity to place the Word of God through your birthdays for over 5,000,000 people. What a blessing that’s been. Thank you and we got one over

here today. Senator Dorsett is celebrating her birthday today and five of those got placed today for you, Senator Dorsett. What an honor. When I got to the Senate several years back, being a business person and all you look for ways you can make a difference. I saw at that time that it was going to be a little bit difficult. We take partisanship too seriously here and, as a result, maybe sometimes we are not able to do all those things we’d love to do for our folks. But when I found that out I decided I certainly didn’t want to waste this time here so I decided to take the salary you folks give us for travel and opened two offices to try to help people that had needs right there in our two counties and what a blessing that’s been, the most wonderful blessing in all of our life. My wife and I sit down and we read the notes that come back and come to tears many times because of them. Over the last six years we’ve had the opportunity to handle about 13,500 cases in those two offices. Had 24,000 phone calls, about 5,000 office visits, handled about 50,000 pieces of mail. We’ve worked 3,150 disability claims and, this is such a blessing, have gotten 2,700 of those claims approved by Social Security, Workman’s Compensation, State Disability, Veterans’ Administration. It’s really, truly a ministry for us and I thank each of you for allowing me to be part of doing that. Although I won’t be in the Senate, I’d really like to continue this ministry if there’s some way we can do it that would not create a problem. You’re probably wondering what kind of guy is this and to answer that question I’d like to tell you a little bit about my father. My father had a third-grade education, the smartest man I’ve ever met in my life. I’ve got a degree in Nuclear Engineering and I’ve met a lot of smart, smart people but no one to match him in the ability to do things when he had nothing to do them with. He was able to fix radios after coming home from work. He’d leave us some stumps to dig up during the day, never would give us a full stick of dynamite to blow them out with, just a little bit to loosen them, and that kept the boys busy the entire day while he was at work in the mill. He’d come home and farm until dark and then he’d go out to this little shop he built and fix radios. Well, when TV’s first came out, folks would get a TV in the Hickory area in Morganton and Lenoir and they couldn’t be fixed so they’d bring them to him and with that third grade education he’d fix those TV’s. I just never have seen anyone with his abilities to do things of that nature. I can remember we finally got enough money to buy a tractor and the old mules we left in the barn at that point. But we didn’t have enough money to buy the implements to go with it, so he had a forge there and I’d come home from school each day and change my clothes, go down to the shed down there and turn that forge for him so he could heat and bend steel and make farm equipment. Well, he developed three pieces of equipment. He developed a disc pick-up carriage, the first one anyone had ever seen. He developed a terracing blade that you can sit on the seat of the tractor and rotate it in three axles. He developed a three-point hitch for a John Deere tractor. Well, the word got around and in not too long we had some folks show up at our little farm there from a big tractor manufacturer and they wanted to see the equipment, test it, and what have you. They made pictures, they made sketches, they tested that thing most of the day there and when they left that day we all gathered around the kitchen table there and

thought we were going to be rich. We didn’t know what rich was, but we thought we were going to be rich! Well, about two or three months after that my Dad got a letter from that factory telling him that they really enjoyed the visit to our farm and wished us well in the future. Well, January came around and lo and behold, the catalog from that big farm tractor company came out and those three pieces of equipment were in that catalog. Well, you can imagine the feeling we had at that but again, I didn’t really realize too much about it until I grew older and I asked my Dad, I said, ‘Dad, they took that from you. Why didn’t we sue them?’ He was smiling. He said, ‘Son, you don’t understand.’ I said, ‘What, Dad?’ He said, ‘Well, son, when we had that we could only help the farmers here in this community but when they stole that we got to help farmers all over the United States.’ That changed this fellow standing before you that day. He found out, as I have, that when you help folks without wanting a thing in return God just blesses you more for it. As a result, I’m building a little park up there in Valdese in his memory, a unique kind of park and I invite each of you if you’re ever toward the mountains to stop by, let me show you that, let me show you something about the Waldensian people who came here with nothing and were able to do an awful lot with it. I want to thank each one of you for the kindness, the help you’ve given me while I’ve been here. We had to actually sell our company, this very good company at one time, but we had to sell it because our customers couldn’t compete any more and that’s one of the main things that brought me to the Senate. I got here and I saw that it was going to be sort of tough going because it’s just hard to get things done sometimes when you’re a new boy on the block. But so many of you have helped me to do that and one of the main things I’m so thankful for is what we call the L3C we’ve tried to pass and you all have helped us do that here. I especially want to thank Marc and Stan Bingham and Dan for helping us to get this through. It looks like it’s going to happen now and, as a result of that, many folks are going to have a job. The American Dream is going to come alive for them again. I thought I’d be going home a total failure but it looks like I’ll be going home with a bill that will help many, many people because of you guys and gals and I really appreciate that. To follow forth in this, I want to suggest a few ideas to us. Since I’m leaving, I think I can do that. Partisanship is great in particular areas and partisanship is terrible in some other areas. It would be awfully good if every Senator in this Chamber in every area of this State could have input to make a great State greater. The only way they can do that, and my suggestion to us is, maybe we take these bills and we cut the top part off of them when they’re submitted, no matter what Senator and we take a look at all of them and we sort of see those that would help this State and if it’ll help this State we pull them out, no matter where they came from or who they came by. As a result, great things will happen. Every day ordinary people do extraordinary things. Ordinary people come up with extraordinary ideas that can really help our State. When I think back about some of those extraordinary people, one of them comes to mind, John Robinson, who was a ’74 graduate of Kent State University. John Robinson lacked 50 yards swimming the English Channel. Pretty exceptional when you think he was a paraplegic confined to a wheelchair, didn’t have the
use of his leg. Then there was a little girl named Shelley Mann who at two years old didn’t have any use of her muscles at all. They had to put her in a little harness and put her down in the bathtub and make waves just to exercise her little body. Little did they know that 17 years later in Melbourne, Australia, Shelley Mann would be acclaimed the fastest woman swimmer in the world after winning two Gold Medals. Every day ordinary people do extraordinary things. I challenge us as a Body to take advantage of all the knowledge in the abilities wanting to help us make North Carolina better. Thank you and God bless you.”

**SECTION 1.1.** G.S. 105-129.82(a) reads as rewritten:

"(a) Sunset. – This Article is repealed effective for business activities that occur on or after January 1, 2011."

**SECTION 1.2.** G.S. 143B-437.010(a) reads as rewritten:

"(a) Agrarian Growth Zone Defined. – An agrarian growth zone is an area that meets all of the following conditions:

1. It is comprised of one or more contiguous census tracts, census block groups, or both, in the most recent federal decennial census.
2. All of the area is located in whole within a county that has no municipality with a population in excess of 10,000.
3. Every census tract and census block group that comprises the area either has more than twenty percent (20%) of its population below the poverty level or is adjacent to another census tract or census block group in the zone that has more than twenty percent (20%) of its population below the poverty level according to the most recent federal decennial census.
4. The zone as a whole has more than twenty percent (20%) of its population below the poverty level according to the most recent federal decennial census."

**SECTION 1.3.** G.S. 105-129.81 is amended by adding a new subdivision to read:

"(9a) Environmental disqualifying event. – Any of the following occurrences:

a. During the tax year in which the activity occurred for which a credit is being claimed, a civil penalty was assessed against the taxpayer by the Department of Environment and Natural Resources for failure to comply with an order issued by an agency of the Department to abate or remediate a violation of any program administered by the agency.

b. During the tax year in which the activity occurred for which a credit is being claimed or in the prior two tax years, any of the following:

1. A finding was made by the Department of Environment and Natural Resources that the taxpayer knowingly and willfully, as defined in G.S. 143-
215.6B, including all limitations thereto, committed a violation of any program implemented by an agency of the Department.

2. An assessment for damages to fish or wildlife pursuant to G.S. 143-215.3(a)(7) was made against the taxpayer.

3. A judicial order for injunctive relief was issued against the taxpayer in connection with a violation of any program implemented by an agency of the Department of Environment and Natural Resources.

c. During the tax year in which the activity occurred for which the credit is being claimed or in the prior four tax years, a criminal penalty was imposed on the taxpayer in connection with a violation of any program implemented by an agency of the Department of Environment and Natural Resources."

SECTION 1.4. G.S. 105-129.83(e) and (i) read as rewritten:

"(e) Environmental Impact. – A taxpayer is eligible for a credit allowed under this Article only if the taxpayer certifies that, at the time the taxpayer claims the credit, the taxpayer has no pending administrative, civil, or criminal enforcement action based on alleged significant violations of any program implemented by an agency of the Department of Environment and Natural Resources and has had no final determination of responsibility for any significant administrative, civil, or criminal violation of any program implemented by an agency of the Department of Environment and Natural Resources within the last five years. A significant violation is a violation or alleged violation that does not satisfy any of the conditions of G.S. 143-215.6B(d). The Secretary of Environment and Natural Resources shall notify the Department of Revenue annually of every person that currently has any of these pending actions and every person that has had any of these final determinations within the last five years there has not been a final determination unfavorable to the taxpayer with respect to an environmental disqualifying event. For the purposes of this section, a 'final determination unfavorable to the taxpayer' occurs when there is no further opportunity for the taxpayer to seek administrative or judicial appeal, review, certiorari, or rehearing of the environmental disqualifying event and the disqualifying event has not been reversed or withdrawn. No later than January 31 of each year, the Secretary of Environment and Natural Resources shall provide an annual report to the Department listing all environmental disqualifying events for which a final determination unfavorable to the taxpayer was made in the prior calendar year and shall provide the name of the taxpayer involved and the date that the disqualifying event occurred.

July 8, 2010
…(i) Forfeiture. – A taxpayer forfeits a credit allowed under this Article if the taxpayer was not eligible for the credit for the calendar year in which the taxpayer engaged in the activity for which the credit was claimed. A taxpayer forfeits a credit previously allowed under this Article if a final determination unfavorable to the taxpayer with respect to an environmental disqualifying event is made that is applicable to the year in which the activity occurred for which the credit was claimed. In addition, a taxpayer forfeits a credit for investment in real property under G.S. 105-129.89 if the taxpayer fails to timely create the number of required new jobs or to timely make the required level of investment under G.S. 105-129.89(b). A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.21, computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236."

SECTION 1.5. G.S. 143B-437.02(g) reads as rewritten:

"(g) Environmental Impact. – A business is eligible for consideration for site development under this part only if the business certifies that, at the time of the application, the business has no pending administrative, civil, or criminal enforcement action based on alleged significant violations of any program implemented by an agency of the Department of Environment and Natural Resources, and has had no final determination of responsibility for any significant administrative, civil, or criminal violation of any program implemented by an agency of the Department of Environment and Natural Resources within the last five years. A significant violation is a violation or alleged violation that does not satisfy any of the conditions of G.S. 143-215.6B(d). The Secretary of Environment and Natural Resources must notify the Department of Commerce annually of every person that currently has any of these pending actions and every person that has had any of these final determinations within the last five years."

SECTION 1.6. G.S. 143B-437.012(h) reads as rewritten:

"(h) Environmental Impact. – A business is eligible for consideration for a grant under this section only if the business has no pending administrative, civil, or criminal enforcement action based on alleged significant violations of any program implemented by an agency of the Department of Environment and Natural Resources and has had no final determination of responsibility for any significant administrative, civil, or criminal violation of any program implemented by an agency of the Department of Environment and Natural Resources within the last three years with respect to the location for which the grant is made. For the purposes of this subsection, a significant violation is a violation or alleged violation that does not satisfy any of the conditions of G.S. 143-215.6B(d)-certifies that, at the time of the application, the business satisfies the environmental impact standard under G.S. 105-129.83."
SECTION 1.7. Sections 1.3 and 1.4 of this Part are effective for credits claimed for taxable years beginning on or after January 1, 2007. Sections 1.5 and 1.6 of this Part are effective when they become law and apply to all agreements in effect on or entered into on or after that date.

PART II: EXPAND TAX CREDITS FOR PRODUCTION COMPANIES

SECTION 2.1. G.S. 105-130.47 reads as rewritten:

"§ 105-130.47. Credit for qualifying expenses of a production company."

(a) Definitions. – The following definitions apply in this section:

(1) Highly compensated individual. – An individual who directly or indirectly receives compensation in excess of one million dollars ($1,000,000) for personal services with respect to a single production. An individual receives compensation indirectly when a production company pays a personal service company or an employee leasing company that pays the individual.

(2) Live sporting event. – A scheduled sporting competition, game, or race that is not originated by a production company, but originated solely by an amateur, collegiate, or professional organization, institution, or association for live or tape-delayed television or satellite broadcast. A live sporting event does not include commercial advertising, an episodic television series, a television pilot, a music video, a motion picture, or a documentary production in which sporting events are presented through archived historical footage or similar footage taken at least 30 days before it is used.

(3) Production company. – Defined in G.S. 105-164.3.

(4) Qualifying expenses. – The sum of the following amounts spent in this State by a production company in connection with a production, less the amount in excess of one million dollars ($1,000,000) paid to a highly compensated individual:

a. Goods and services leased or purchased. For goods with a purchase price of twenty-five thousand dollars ($25,000) or more, the amount included in qualifying expenses is the purchase price less the fair market value of the good at the time the production is completed.

b. Compensation and wages on which withholding payments are remitted to the Department of Revenue under Article 4A of this Chapter.

c. The cost of production-related insurance coverage obtained on the production. Expenses for insurance coverage purchased from a related member are not qualifying expenses.

July 8, 2010
(b) Credit. – A taxpayer that is a production company and has qualifying expenses of at least two hundred fifty thousand dollars ($250,000) with respect to a production is allowed a credit against the taxes imposed by this Part equal to fifteen percent (15%) twenty-five percent (25%) of the production company's qualifying expenses. For the purposes of this section, in the case of an episodic television series, an entire season of episodes is one production. The credit is computed based on all of the taxpayer's qualifying expenses incurred with respect to the production, not just the qualifying expenses incurred during the taxable year.

(b1) Alternative Credit. – In lieu of the credit allowed under subsection (b) of this section, a taxpayer that is a production company and has qualifying expenses of at least two hundred fifty thousand dollars ($250,000) with respect to a production may elect to take a credit against the taxes imposed by this Part equal to twenty-five percent (25%) of the production company's qualifying expenses less the difference between the amount of tax paid on purchases subject to the tax under G.S. 105-187.51 and the amount of sales or use tax that would have been due had the purchases been subject to the sales or use tax at the combined general rate, as defined in G.S. 105-164.3. The credit is computed based on all of the taxpayer's qualifying expenses incurred with respect to the production, not just the qualifying expenses incurred during the taxable year. The taxpayer shall elect whether to claim the credit allowed under this subsection or the one allowed under subsection (b) of this section at the time the taxpayer files the return on which the credit is claimed. This election is binding.

(c) Pass-Through Entity. – Notwithstanding the provisions of G.S. 105-131.8 and G.S. 105-269.15, a pass-through entity that qualifies for a credit provided in this section does not distribute the credit among any of its owners. The pass-through entity is considered the taxpayer for purposes of claiming a credit allowed by this section. If a return filed by a pass-through entity indicates that the entity is paying tax on behalf of the owners of the entity, a credit allowed under this section does not affect the entity's payment of tax on behalf of its owners.

(d) Return. – A taxpayer may claim a credit allowed by this section on a return filed for the taxable year in which the production activities are completed. The return must state the name of the production, a description of the production, and a detailed accounting of the qualifying expenses with respect to which a credit is claimed. The qualifying expenses are subject to audit by the Secretary before the credit is allowed.

(e) Credit Refundable. – If a credit allowed by this section exceeds the amount of tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, the Secretary must refund the excess to the taxpayer. The refundable excess is governed by the provisions governing a refund of an
overpayment by the taxpayer of the tax imposed in this Part. In computing the
amount of tax against which multiple credits are allowed, nonrefundable credits
are subtracted before refundable credits.

(f) Limitations. – The amount of credit allowed under this section
with respect to a production that is a feature film may not exceed seven-twenty
million five hundred thousand dollars ($7,500,000) ($20,000,000). No credit is
allowed under this section for any production that satisfies one of the following
conditions:

(1) It is political advertising.
(2) It is a television production of a news program or live
sporting event.
(3) It contains material that is obscene, as defined in G.S. 14-
190.1.
(4) It is a radio production.

(g) Substantiation. – A taxpayer allowed a credit under this section
must maintain and make available for inspection any information or records
required by the Secretary of Revenue. The taxpayer has the burden of proving
eligibility for a credit and the amount of the credit. The Secretary may consult
with the North Carolina Film Office of the Department of Commerce and the
regional film commissions in order to determine the amount of qualifying
expenses.

(h) Report. – The Department of Revenue must publish by May 1 of
each year the following information, itemized by taxpayer for the 12-month
period ending the preceding December 31:

(1) The location of sites used in a production for which a
credit was taken.
(2) The qualifying expenses for which a credit was taken,
classified by whether the expenses were for goods,
services, or compensation paid by the production
company.
(3) The number of people employed in the State with respect
to credits taken.
(4) The total cost to the General Fund of the credits taken.

(i) Repealed by Session Laws 2006-220, s. 2, effective for taxable
years beginning on or after January 1, 2007.

(j) NC Film Office. – To claim a credit under this section, a taxpayer
must notify the Division of Tourism, Film, and Sports Development in the
Department of Commerce of the taxpayer’s intent to claim the production tax
credit. The notification must include the title of the production, the name of the
production company, a financial contact for the production company, the
proposed dates on which the production company plans to begin filming the
production, and any other information required by the Division. For productions
that have production credits, a taxpayer claiming a credit under this section must
acknowledge in the production credits both the North Carolina Film Office and
the regional film office responsible for the geographic area in which the filming
of the production occurred.

July 8, 2010
(k) Sunset. – This section is repealed for qualifying expenses occurring on or after January 1, 2014.

SECTION 2.2. G.S. 105-151.29 reads as rewritten:

"§ 105-151.29. Credit for qualifying expenses of a production company.

(a) Definitions. – The following definitions apply in this section:

(1) Highly compensated individual. – An individual who directly or indirectly receives compensation in excess of one million dollars ($1,000,000) for personal services with respect to a single production. An individual receives compensation indirectly when a production company pays a personal service company or an employee leasing company that pays the individual.

(2) Live sporting event. – A scheduled sporting competition, game, or race that is not originated by a production company, but originated solely by an amateur, collegiate, or professional organization, institution, or association for live or tape-delayed television or satellite broadcast. A live sporting event does not include commercial advertising, an episodic television series, a television pilot, a music video, a motion picture, or a documentary production in which sporting events are presented through archived historical footage or similar footage taken at least 30 days before it is used.

(3) Production company. – Defined in G.S. 105-164.3.

(4) Qualifying expenses. – The sum of the following amounts spent in this State by a production company in connection with a production, less the amount paid in excess of one million dollars ($1,000,000) to a highly compensated individual:

a. Goods and services leased or purchased. For goods with a purchase price of twenty-five thousand dollars ($25,000) or more, the amount included in qualifying expenses is the purchase price less the fair market value of the good at the time the production is completed.

b. Compensation and wages on which withholding payments are remitted to the Department of Revenue under Article 4A of this Chapter.

c. The cost of production-related insurance coverage obtained on the production. Expenses for insurance coverage purchased from a related member are not qualifying expenses.

d. Employee fringe contributions, including health, pension, and welfare contributions.

e. Per diems, stipends, and living allowances paid for work being performed in this State.

July 8, 2010
(5) Related member. – Defined in G.S. 105-130.7A.

(b) Credit. – A taxpayer that is a production company and has qualifying expenses of at least two hundred fifty thousand dollars ($250,000) with respect to a production is allowed a credit against the taxes imposed by this Part equal to fifteen percent (15%) twenty-five percent (25%) of the production company's qualifying expenses. For the purposes of this section, in the case of an episodic television series, an entire season of episodes is one production. The credit is computed based on all of the taxpayer's qualifying expenses incurred with respect to the production, not just the qualifying expenses incurred during the taxable year.

(b1) Alternative Credit. – In lieu of the credit allowed under subsection (b) of this section, a taxpayer that is a production company and has qualifying expenses of at least two hundred fifty thousand dollars ($250,000) with respect to a production may elect to take a credit against the taxes imposed by this Part equal to twenty-five percent (25%) of the production company's qualifying expenses less the difference between the amount of tax paid on purchases subject to the tax under G.S. 105-187.51 and the amount of sales or use tax that would have been due had the purchases been subject to the sales or use tax at the combined general rate, as defined in G.S. 105-164.3. The credit is computed based on all of the taxpayer's qualifying expenses incurred with respect to the production, not just the qualifying expenses incurred during the taxable year. The taxpayer shall elect whether to claim the credit allowed under this subsection or the one allowed under subsection (b) of this section at the time the taxpayer files the return on which the credit is claimed. This election is binding.

(c) Pass-Through Entity. – Notwithstanding the provisions of G.S. 105-131.8 and G.S. 105-269.15, a pass-through entity that qualifies for a credit provided in this section does not distribute the credit among any of its owners. The pass-through entity is considered the taxpayer for purposes of claiming a credit allowed by this section. If a return filed by a pass-through entity indicates that the entity is paying tax on behalf of the owners of the entity, a credit allowed under this section does not affect the entity's payment of tax on behalf of its owners.

(d) Return. – A taxpayer may claim a credit allowed by this section on a return filed for the taxable year in which the production activities are completed. The return must state the name of the production, a description of the production, and a detailed accounting of the qualifying expenses with respect to which a credit is claimed. The qualifying expenses are subject to audit by the Secretary before the credit is allowed.

(e) Credit Refundable. – If a credit allowed by this section exceeds the amount of tax imposed by this Part for the taxable year reduced by the sum of all credits allowable, the Secretary must refund the excess to the taxpayer. The refundable excess is governed by the provisions governing a refund of an overpayment of tax by the taxpayer of the tax imposed in this Part. In computing the amount of tax against which multiple credits are allowed, nonrefundable credits are subtracted before refundable credits.

July 8, 2010
(f) Limitations. – The amount of credit allowed under this section with respect to a production that is a feature film may not exceed seven twenty million five hundred thousand dollars ($7,500,000). No credit is allowed under this section for any production that satisfies one of the following conditions:

1. It is political advertising.
2. It is a television production of a news program or live sporting event.
3. It contains material that is obscene, as defined in G.S. 14-190.1.
4. It is a radio production.

(g) Substantiation. – A taxpayer allowed a credit under this section must maintain and make available for inspection any information or records required by the Secretary of Revenue. The taxpayer has the burden of proving eligibility for a credit and the amount of the credit. The Secretary may consult with the North Carolina Film Office of the Department of Commerce and the regional film commissions in order to determine the amount of qualifying expenses.

(h) Report. – The Department of Revenue must publish by May 1 of each year the following information, itemized by taxpayer for the 12-month period ending the preceding December 31:

A BILL TO BE ENTITLED
AN ACT TO MAKE VARIOUS AMENDMENTS TO THE LAW REGARDING THE INNOCENCE INQUIRY COMMISSION.
The General Assembly of North Carolina enacts:

SECTION 1. G.S. 15A-1469 reads as rewritten:
"§ 15A-1469. Postcommission three-judge panel.
(a) If the Commission concludes there is sufficient evidence of factual innocence to merit judicial review, the Chair of the Commission shall request the Chief Justice to appoint a three-judge panel, not to include any trial judge that has had substantial previous involvement in the case, and issue commissions to the members of the three-judge panel to convene a special session of the superior court of the original jurisdiction to hear evidence relevant to the Commission's recommendation. The senior judge of the panel shall preside. The Chief Justice shall appoint the three-judge panel within 20 days of the filing of the Commission's opinion finding sufficient evidence of innocence to merit judicial review.

(a1) If there is an allegation of or evidence of prosecutorial misconduct in the case, the Chair of the Commission or the district attorney of the district of conviction may request the Director of the Administrative Office of the Courts to appoint a special prosecutor to represent the State in lieu of the district attorney of the district of conviction or the district attorney's designee. The request for the special prosecutor shall be made within 20 days of the filing of the Commission's opinion finding sufficient evidence of innocence to merit judicial review.

Upon receipt of a request under this subsection to appoint a special prosecutor, the Director of the Administrative Office of the Courts may temporarily assign a district attorney, assistant district attorney, or other qualified attorney, including one from the prosecutorial district where the convicted person was tried, to represent the State at the hearing before the three-

judge panel. However, the Director of the Administrative Office of the Courts shall not appoint as special prosecutor any attorney who prosecuted or assisted with the prosecution in the trial of the convicted person. The appointment shall be made pursuant to G.S. 7A-64 and shall be made no later than 20 days after the receipt of the request.

(b) The senior resident superior court judge shall enter an order setting the case for hearing at the special session of superior court for which the three-judge panel is commissioners and shall require the State to file a response to the Commission's opinion within 60-90 days of the date of the order. Such response, at the time of original filing or through amendment at any time before or during the proceedings, may include the defense in a motion to dismiss the charges with prejudice on the basis of innocence.

(c) The district attorney of the district of conviction, or the district attorney's designee, shall represent the State at the hearing before the three-judge panel panel, except as otherwise provided by this section.

(d) The three-judge panel shall conduct an evidentiary hearing. At the hearing, the court court, and the defense and prosecution through the court, may compel the testimony of any witness, including the convicted person. All evidence relevant to the case, even if considered by a jury or judge in a prior proceeding, may be presented during the hearing. The convicted person may not assert any privilege or prevent a witness from testifying. The convicted person has a right to be present at the evidentiary hearing and to be represented by counsel. A waiver of the right to be present shall be in writing.

(e) The senior resident superior court judge shall determine the convicted person's indigency status and, if appropriate, enter an order for the appointment of counsel. The court may also enter an order relieving an indigent convicted person of all or a portion of the costs of the proceedings.

(f) The clerk of court shall provide written notification to the victim 30 days prior to any case-related hearings.

(g) Upon the motion of either party, the senior judge of the panel may direct the attorneys for the parties to appear before him or her for a conference on any matter in the case.

(h) The three-judge panel shall rule as to whether the convicted person has proved by clear and convincing evidence that the convicted person is innocent of the charges. Such a determination shall require a unanimous vote. If the vote is unanimous, the panel shall enter dismissal of all or any of the charges. If the vote is not unanimous, the panel shall deny relief.

(i) A person who is determined by the three-judge panel to be innocent of all charges and against whom the charges are dismissed pursuant to this section is eligible for compensation under Article 8 of Chapter 148 of the General Statutes without obtaining a pardon of innocence from the Governor.

SECTION 2. G.S. 7A-64 reads as rewritten:

"§ 7A-64. Temporary assistance for district attorneys.

(a) A district attorney may apply to the Director of the Administrative Office of the Courts to:

July 9, 2010
(1) Temporarily assign an assistant district attorney from another district, after consultation with the district attorney thereof, to assist in the prosecution of cases in the requesting district;

(2) Authorize the temporary appointment, by the requesting district attorney, of a qualified attorney to assist the requesting district attorney; or

(3) Enter into contracts with local governments for the provision of services by the State pursuant to G.S. 153A-212.1 or G.S. 160A-289.1.

(a1) If there is an allegation of or evidence of prosecutorial misconduct in a case that is scheduled for a hearing of a claim of factual innocence under G.S. 15A-1469, the Chair of the North Carolina Innocence Inquiry Commission or the district attorney of the district of the conviction may apply to the Administrative Office of the Courts to authorize the temporary appointment of a district attorney, assistant district attorney, or other qualified attorney as a special prosecutor to represent the State in that hearing.

(b) The Director of the Administrative Office of the Courts may provide this assistance only upon a showing by the requesting district attorney, district attorney or the Chair of the North Carolina Innocence Inquiry Commission, as appropriate, supported by facts, that:

(1) Criminal cases have accumulated on the dockets of the superior or district courts of the district beyond the capacity of the district attorney and the district attorney's full-time assistants to keep the dockets reasonably current; or

(2) The overwhelming public interest warrants the use of additional resources for the speedy disposition of cases involving drug offenses, domestic violence, or other offenses involving a threat to public safety; or

(3) There is an allegation of or evidence of prosecutorial misconduct in the case that is the subject of the hearing under G.S. 15A-1469.

(c) The length of service and compensation of any temporary appointee or the terms of any contract entered into with local governments shall be fixed by Director of the Administrative Office of the Courts in each case. Nothing in this section shall be construed to obligate the General Assembly to make any appropriation to implement the provisions of this section or to obligate the Administrative Office of the Courts to provide the administrative costs of establishing or maintaining the positions or services provided for under this section. Further, nothing in this section shall be construed to obligate the Administrative Office of the Courts to maintain positions or services initially provided for under this section."

SECTION 3. G.S. 148-82 reads as rewritten:

July 9, 2010

(a) Any person who, having been convicted of a felony and having been imprisoned therefor in a State prison of this State, and who was thereafter or who shall hereafter be granted a pardon of innocence by the Governor upon the grounds that the crime with which the person was charged either was not committed at all or was not committed by that person, may as hereinafter provided present by petition a claim against the State for the pecuniary loss sustained by the person through his or her erroneous conviction and imprisonment, provided the petition is presented within five years of the granting of the pardon.

(b) Any person who, having been convicted of a felony and having been imprisoned therefor in a State prison of this State, and who is determined to be innocent of all charges and against whom the charges are dismissed pursuant to G.S. 15A-1469 may as hereinafter provided present by petition a claim against the State for the pecuniary loss sustained by the person through his or her erroneous conviction and imprisonment, provided the petition is presented within five years of the date that the dismissal of the charges is entered by the three-judge panel under G.S. 15A-1469."

SECTION 4. G.S. 148-84(a) reads as rewritten:

"(a) At the hearing the claimant may introduce evidence in the form of affidavits or testimony to support the claim, and the Attorney General may introduce counter affidavits or testimony in refutation. If the Industrial Commission finds from the evidence that the claimant received a pardon of innocence for the reason that the crime was not committed at all, or received a pardon of innocence for the reason that the crime was not committed by the claimant, or that the claimant was determined to be innocent of all charges by a three-judge panel under G.S. 15A-1469 and also finds that the claimant was imprisoned and has been vindicated in connection with the alleged offense for which he or she was imprisoned, the Industrial Commission shall award to the claimant an amount equal to fifty thousand dollars ($50,000) for each year or the pro rata amount for the portion of each year of the imprisonment actually served, including any time spent awaiting trial. However, (i) in no event shall the compensation, including the compensation provided in subsection (c) of this section, exceed a total amount of seven hundred fifty thousand dollars ($750,000), and (ii) a claimant is not entitled to compensation for any portion of a prison sentence during which the claimant was also serving a concurrent sentence for conviction of a crime other than the one for which the pardon of innocence was granted.

The Director of the Budget shall pay the amount of the award to the claimant out of the Contingency and Emergency Fund, or out of any other available State funds. The Industrial Commission shall give written notice of its decision to all parties concerned. The determination of the Industrial Commission shall be subject to judicial review upon appeal of the claimant or the State according to the provisions and procedures set forth in Article 31 of Chapter 143 of the General Statutes."

July 9, 2010
SECTION 5. Section 12 of S.L. 2006-184 reads as rewritten:

"SECTION 12. This act is effective when it becomes law and applies to claims of factual innocence filed on or before December 31, 2010 law."

SECTION 6. Sections 1 and 2 of this act become effective October 1, 2010, and apply to all claims of factual innocence filed on or after that date. The remainder of this act is effective when it becomes law.

The text of the attached Proposed Conference Committee Substitute, H713-PCCS-50979-RB-4 is as follows:

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT THE ADDITION TO FEDERAL TAXABLE INCOME OF AMOUNTS ALLOWED AS A CREDIT AGAINST NORTH CAROLINA INCOME DOES NOT APPLY TO THE FILM CREDIT AND TO INCREASE THE PERIOD OF TIME FOR WHICH THE SECRETARY OF REVENUE MAY ALLOW A CORPORATION TO USE AN ALTERNATIVE APPORTIONMENT FORMULA.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-130.5(a)(10) reads as rewritten:

"(a) The following additions to federal taxable income shall be made in determining State net income:

(10) The total amounts allowed under this Chapter during the taxable year as a credit against the taxpayer's income tax. This subdivision does not apply to a credit allowed under G.S. 105-130.47. A corporation that apportions part of its income to this State shall make the addition required by this subdivision after it determines the amount of its income that is apportioned and allocated to this State and shall not apply to a credit taken under this Chapter the apportionment factor used by it in determining the amount of its apportioned income.

SECTION 2.(a) G.S. 105-130.4(t1) reads as rewritten:

"(t1) Alternative Apportionment Method. – A corporation that believes the statutory apportionment method that otherwise applies to it under this section subjects a greater portion of its income to tax than is attributable to its business in this State may make a written request to the Secretary for permission to use an alternative method. The request must set out the reasons for the corporation's belief and propose an alternative method.

The statutory apportionment method that otherwise applies to a corporation under this section is presumed to be the best method of determining the portion of the corporation's income that is attributable to its business in this State. A corporation has the burden of establishing by clear, cogent, and convincing proof that the proposed alternative method is a better method of determining the amount of the corporation's income attributable to the corporation's business in this State.

July 9, 2010
The Secretary must issue a written decision on a corporation's request for an alternative apportionment method. If the decision grants the request, it must describe the alternative method the corporation is authorized to use and state the tax years to which the alternative method applies. A decision may apply to no more than three tax years, unless the provisions of subsection (t2) of this section apply. A corporation may renew a request to use an alternative apportionment method by following the procedure in this subsection. A decision of the Secretary on a request for an alternative apportionment method is final and is not subject to administrative or judicial review. A corporation authorized to use an alternative method may apportion its income in accordance with the alternative method or the statutory method. A corporation may not use an alternative apportionment method except upon written order of the Secretary, and any return in which any alternative apportionment method, other than the method prescribed by statute, is used without permission of the Secretary is not a lawful return.

SECTION 2.(b) G.S. 105-130.4 is amended by adding a new subsection to read:

"(t2) 15-Year Alternative. – A corporation that, by September 15, 2010, signs a letter of commitment with the Secretary of Commerce certifying that the corporation will invest at least five hundred million dollars ($500,000,000) in private funds to construct a facility in a development tier one area within five years after the time construction begins may make a written request to the Secretary for permission to use an alternative method of apportionment if it believes the statutory apportionment method that otherwise applies to it under this section subjects a greater portion of its income to tax than is attributable to its business in this State. The corporation must include the letter of commitment with its request to the Secretary. All of the provisions of subsection (t1) of this section apply to a request for an alternative apportionment method under this subsection except that a decision may apply to no more than 15 tax years."

SECTION 2.(c) G.S. 105-122(c1) reads as rewritten:

"(c1) Apportionment. – A corporation that is doing business in this State and in one or more other states must apportion its capital stock, surplus, and undivided profits to this State. A corporation must use the apportionment method set out in subdivision (1) of this subsection unless the Department has authorized it to use a different method under subdivision (2) of this subsection. The portion of a corporation's capital stock, surplus, and undivided profits determined by applying the appropriate apportionment method is considered the amount of capital stock, surplus, and undivided profits the corporation uses in its business in this State.

(1) Statutory. – A corporation that is subject to income tax under Article 4 of this Chapter must apportion its capital stock, surplus, and undivided profits by using the fraction it applies in apportioning its income under that Article. A corporation that is not subject to income tax under Article 4 of this Chapter must apportion its capital stock, surplus, and undivided profits by using the fraction it would be
required to apply in apportioning its income if it were subject to that Article. The apportionment method set out in this subdivision is considered the statutory method of apportionment and is presumed to be the best method of determining the amount of a corporation's capital stock, surplus, and undivided profits attributable to the corporation's business in this State.

(2) Alternative. – A corporation that believes the statutory apportionment method set out in subdivision (1) of this subsection subjects a greater portion of its capital stock, surplus, and undivided profits to tax under this section than is attributable to its business in this State may make a written request to the Secretary for permission to use an alternative method. The request must set out the reasons for the corporation's belief and propose an alternative method. The corporation has the burden of establishing by clear, cogent, and convincing proof that the statutory apportionment method subjects a greater portion of the corporation's capital stock, surplus, and undivided profits to tax under this section than is attributable to its business in this State and that the proposed alternative method is a better method of determining the amount of the corporation's capital stock, surplus, and undivided profits attributable to the corporation's business in this State.

The Secretary must issue a written decision on a corporation's request for an alternative apportionment method. If the decision grants the request, it must describe the alternative method the corporation is authorized to use and state the tax years to which the alternative method applies. A decision may apply to no more than three tax years, unless the provisions of subdivision (3) of this subsection applies. A corporation may renew a request to use an alternative apportionment method by following the procedure in this subdivision. A decision of the Secretary on a request for an alternative apportionment method is final and is not subject to administrative or judicial review. A corporation authorized to use an alternative method may apportion its capital stock, surplus, and undivided profits in accordance with the alternative method or the statutory method.

(3) 15-Year Alternative. – A corporation that, by September 15, 2010, signs a letter of commitment with the Secretary of Commerce certifying that the corporation will invest at least five hundred million dollars ($500,000,000) in private funds to construct a facility in a development tier one area within five years after the time construction

July 9, 2010
begins may make a written request to the Secretary for permission to use an alternative method of apportionment if it believes the statutory apportionment method that otherwise applies to it under this subsection subjects a greater portion of its capital stock, surplus, and undivided profits to tax than is attributable to its business in this State. The corporation must include the letter of commitment with its request to the Secretary. All of the provisions of subdivision (2) of this subsection apply to a request for an alternative apportionment method under this subdivision except that a decision may apply to no more than 15 tax years."

SECTION 3. Section 1 of this act becomes effective for taxable years beginning on or after January 1, 2011. The remainder of this act is effective when it becomes law. Section 2 of this act applies to requests for alternative apportionment formulas filed on or after that date.

PERSONAL PRIVILEGE

The remarks by Senator Albertson, Senator Hoyle, and Senator Basnight are spread upon the Journal, as follows:

Senator Albertson:

“...I want to take this opportunity to, in this Chamber, thank the good people in my district who have allowed me to serve all these many years. It has indeed been a great honor and one that I shall never forget. I should also use this opportunity to thank my legislative people who have helped me so much, Cindy Brooks Davis and Steven Webb, in my office who have done a wonderful job, and the people in this building. I would be remiss if I did not pay a special thanks to all the staff here, so many wonderful people. I came here in 1993, the same time that Senator Hoyle came, and this good man to my right, everybody’s good friend, had already been here sixteen years when I came. Others who were here were Senators Allran, Hartsell, and Senator Forrester. I think that’s right. Senator Dannelly also joined us that same year and, as I recall, there was a lady who sat over here who is now in the Governor’s Mansion by the name of Bev Perdue. And Marc Basnight was elected to his first term as President Pro Tempore of the North Carolina Senate. Looking back on my life, of course I’ve made a lot of mistakes, some things I wish I could do again, but I can’t do that. And looking back, I have also let some opportunities go by. At the time when I could have said something good about somebody that I regretted later and with that thought in mind, I want to say a few words about the good man from Manteo, if I may. Under this man’s leadership, I just want to share with you a few things that we have accomplished. The Clean Water Management Trust Fund. Since this fund was established, it has awarded over 1,300 grants totaling almost $1 billion to clean up impaired waters and protect the meaning ‘pristine’ waters of this State. And then there’s the Clean Water Responsibility Act which is aimed at stopping river pollution from all sources, and the Senate Bill 3 that I had the privilege to sponsor. This landmark clean energy efficiency standards to reduce the burdens on foreign oil helped cut pollution and lower greenhouse gases. Now, you remember we passed that $3.1 billion bond package in 2000 that helps our universities and community colleges with their most critical facility needs. You know as well or better than I do that there is no greater champion of our universities than Marc Basnight. School reform, the ABC’s of public education, teacher accountability, and increasing teacher pay to try to bring it to the national average, and then there’s the creation of Smart Start to help our children get a ready start for school, the Dental School being established over in Greenville and the University Cancer Research Fund, a nearly $50 million commitment to cancer research. This is something that has achieved worldwide acclaim and makes us an international leader in treatment and finding a cure for cancer. Then there is the recovery after Hurricane Floyd...
that many of us remember and the beach access money that has been provided for the public. Some of us, Senator Hartsell, Senator Soles and several others went to the Art Museum opening two or three weeks back and what a great facility that is, not only for our people. We were told that people are coming here from Europe to see this Art Museum that we have established under his leadership. I must mention this one to you and it took ten years to get the fishing license bill. He dragged his feet on that one but we finally got it caught in the net. He helped us create one of the top business climates in the Country and has helped us keep an AAA Bond rating. This man from Manteo, always looking forward, always wanting more, never satisfied with second best, and never giving up on his beliefs. I wrote a little thing about him if I can remember it:

Marc Basnight is a good man. He hails from Manteo.
His service to the people keeps him on the go.
He works hard, gives a lot, we owe a lot to him.
He’s our chief and leader, the best of all pro tems.

Marc Basnight, I thank you sir for your leadership to this State and your hard work that will live on for years and years to come. Thank you very much, Sir.”

Senator Hoyle:

“I would just say that I’m not very good at this. An Old Testament passage, ‘To everything there is a season and a time to every purpose.’ And the time has come for me to go. I will say to each of you, your time is going to come as well. This place is not forever. When I was elected in 1992, I never dreamed that I would stay in this Senate for eighteen years. That’s fully a quarter, 25% of my life, but I can tell you that I have truly enjoyed this experience. Well, most of the time, I would say! I could go into details but I think most of you know where we all have problems here. But I have some feelings of sadness and nostalgia as I leave, but also a feeling of relief and satisfaction that I feel I have given these years of service my all. As they say in the old poker game, all in. Well, I feel like I’ve been all in every day. I have no regrets about what I have worked for and voted for or voted against. I probably pushed this red or green button 10,000 times in eighteen years, but as I think back I would not change one vote that I have cast. Like Senator Albertson, I want to thank Marc Basnight for giving me the opportunity to serve in a leadership role fairly early in my political career. Marc, I hope I haven’t let you down. You are a great and dedicated leader, an honorable and honest man. I’ve known Marc for over thirty-three years, during which time Marc has become my best friend and my buddy. We’ve had a lot of laughs and lot of good times, but we’ve also shared a few tears together as there has been some grief and heartbreak along the way. I think you all know what I’m talking about. On a lighter note, I’ll never forget the day that I met Marc Basnight. It was on a hot July day in 1977. As we were sworn in to be members of the State Board of Transportation and we were just outside the DOT building and as typical as those kind of things are, everybody’s greeting and meeting, and I knew no one except Dave Bungardner, a House member from Belmont. We looked around and, you know, everybody was

July 9, 2010
saying, ‘I’m so and so, I’m from here, I’m from there.’ Well, I spotted this young man who stood out from the crowd for two reasons. One, his dress. Now Marc is a dapper guy now, he’s a shopper. In fact, Belks has named him ‘Shopper of the Month’ on many occasions and he always is proud to show me his wardrobe when he goes and purchases it and what do you think about it and I would say well that is 120 million fine woven fabric, it’s just wonderful, makes him feel good, you know! But that day in 1977, here was this nice looking young man with a bright yellow knit tie. Knit ties are pretty heavy on their own. He had a knot tied in that tie that was big as a cantaloupe! I promise you not. His shirt, now it was clean, but it went out of style in the ‘40’s. In fact, I’m not sure that it didn’t wash up on shore from one of those sunken German U-boats that was sunk off the coast and he found it! But, let me tell you, he had no sport coat on. He had shoes, but no socks, o.k. Now, in his mind he was decked out and ready to go. Charlie Dannelly, you couldn’t hold a candle to that guy, I can tell you that right now. The second reason, though, that Marc stood out to me initially, was he had an entourage. He was the center of attraction, believe me, and was already holding court; he was in charge. So I asked Representative Dave Bumgardner, who was a friend of mine from Belmont, the only body I knew on the Board. I said, ‘Who is that fellow over there?’ He said, ‘Oh, that’s Marc Basnight from Manteo.’ So, an introduction took place and the beginning of a long and lasting friendship. Let me just tell you how I got here and bear with me because I’m giving up the Oxmeter and this is the last time you’ll have to put up with me again. But let me just tell you because I think this may be interesting. It’s probably a challenge some but it could be an inspiration to others. In 1992, I had a significant disagreement with my then Senator, Senator Helen Marvin, over redistricting. Forrester, I think you remember that. What she planned to do was, my little hometown of Dallas was two precincts, we were going to be divided. I was going to be in one precinct, one district, and Helen’s seat was going to be in another. The folks in my small hometown didn’t particularly care for that and I called Helen and she was pretty indignant to me and she said, ‘Well, David, you haven’t told me you want to run for my seat and I’m not going to put you in the district.’ She said, ‘I have a candidate for my seat,’ and that was the end of it. Period. What was ironic, though, is I had probably decided that I wasn’t going to run for Helen’s seat anyway. I had other things going on in my life and I just didn’t feel like getting involved at that time, so on a Sunday afternoon, the day before the final vote on redistricting was to take place, some friends came by my house on Sunday and said, “You know, this is not right. Helen has not handled this properly and we need to do something about it.” So we started making phone calls. We called Dennis Winner who was the redistricting chair; we called Henson Barnes, we called Marc Basnight, we called four or five other folks and just told them that it was not right that we had not been informed properly and so and so but, anyway, long story short, is that the next day Helen called me about 5 o’clock before the Senate voted that night. She said, ‘You win. You’re in my district and Dallas’ two precincts will not be divided.’ Well, my buddies told me, ‘David, you don’t realize it but you have just placed yourself in a precarious position because you

July 9, 2010
probably committed yourself to running for the North Carolina Senate.’ As I said, I had never planned that but it hit me that they were probably correct. And I recall a quote from a book that I read a number of years ago, the book was entitled The Last Convertible and the setting was in the spring and summer of 1942 and it was about the lives of a group of high school seniors before World War II and in the book this line stating was: ‘We plan our lives but accidents control it.’ ‘We plan our lives but accidents control it’. Let me tell you, that is an absolute true statement. I am probably here by accident, or maybe just plain luck. The reason I got into this, shaped up like this. In the primary, I was running against a former Speaker of the House and a former candidate for Lieutenant Governor. A real challenge. Then, in the General Election, if I were to prevail I would be running against a former minority leader of the House, a very popular young Republican. All the local press, all the stories came out and they didn’t even mention me. The race was not between me and these other guys. It was between them. I had to even buy an ad in the Gaston Gazette to get my announcement made that I was running and that’s the truth! At the press conference when I made my announcements in Gaston County and Cleveland County, other than my family, there wasn’t a soul there. Not one person from the press showed up. That pretty well tells you what they thought of me. But anyway after that we knew that I had an uphill battle. But obviously I’m here so you know the results. After my election, Marc Basnight called me a couple of days later and said that he was running for President Pro Tem of the Senate and asked for my support. He said, ‘David, you don’t have to tell me right now. Take some time to think about it and get back with me when you can.’ So I said, ‘O.K., Marc, I’ve thought about it and I’m for you.’ I didn’t even know what President Pro Tem of the Senate was to be honest with you. But he said, ‘Well, let me tell you one thing. You made a wise choice because I think I’m going to get elected and it’s probably good for you and your political career that you’ve gotten on board this early.’ I got here in January and in March ‘93 Marc was looking for someone to share an apartment with so we got together and for eighteen years, that’s longer than most marriages last, we have been apartment mates. Now, Marc will occasionally say, ‘I want you to meet my roommate.’ Marc, we are not roommates. We are apartment mates, two bedrooms, two baths, just wanted to get that straight. In those eighteen years, we have never had a major disagreement. Now, let me tell you, he’s lit me up a few times, just like he has a lot of folks in here and generally over some idea he had that I didn’t agree with. Now, Marc’s biggest problem that he has is he has too many good ideas. He gets a new one every thirty minutes and some of us have to try to bring him back down to reality! Now, there have been several and we’ve heard a couple of them today. We’re going to be studying something about, I’ve been hearing about wave energy and all that stuff. Well, any idea he has is always, though, from his heart, and he believes for the good of the State and the people. So, as I go, I want to say to every one of you that I have the deepest respect and admiration for you and your service and even your political points of view, whether we agree or not. I truly appreciate everyone who serves in public office. Many times, it’s a thankless job. So I thank God that we still have good
people who are willing to serve and put up with all the negative attitudes, with all the hate mail that we get, and begging for campaign contributions every election cycle. You are all special people who love this State and only want what’s the best for this State and its people. I wish you all the best. God bless and Godspeed. Thank you.”

Senator Basnight:

Remarks about Senator David Hoyle and Senator Charlie Albertson:

“They spent more time than was necessary or true talking about me in their farewell speeches. There is nothing that I have done, Charlie and David, that you have not done. In fact, there is nothing that I have done that we have not done together. There is so much generosity in your life, the two of you, the giving, the caring, the understanding, the fortitude and strength to do what is right and to care more for others than thyself. So many times, David, you had to leave home and business. Charlie, you had to drive up here, leave your wife, your family. You had to change and adjust for others to make sure their stock in life, their opportunity, was stronger and better and strengthened. You would always look out for those who had the least in life. David, you made certain that people in Dare County, Gaston County, Buncombe, Forsyth, Columbus, Nash – whatever county in North Carolina - that we had strong employers. Without the strength of the business community in North Carolina, we would have not much to offer our people. I believe David Hoyle has done more for the success of North Carolina’s employees than anybody I have ever met or ever read about. He stood firm and steadfast when many of us had little vision. Not those of us necessarily serving here, but the people of North Carolina and her government. David always thought and believed you could compete with the best that there was, regardless, Stan, of where it was. He knew about China before I knew China was on the globe. He knew that they were a force that we would see and we would deal with before anyone wrote about it. He also predicted to me that textiles had a bright future when people would write about and comment about the demise of textiles and furniture manufacturing in North Carolina that was going overseas. David told me that is not so and he kept insisting that we expend monies at the textiles school in Gaston County when stories were being written and political ads taken that that school should close. But because of that school and others like that that he believed in, we are better by our textile industry which is showing growth in North Carolina. Energy today in North Carolina, Duke Power, Progress, Dominion, the cities, all of what we have you have to give a great deal of credit to him. The bills that would come out of Finance, the guidance that he would offer us, he was the visionary. I believe tonight, today, tomorrow morning when we leave, we lose the best pro-business senator to ever serve the State of North Carolina. I told his local paper that not only did Gaston County lose and for those of you in the gallery, Dare County lost and you lost, as well. We all lost when David elected not to run again. I thank you. The best friend I have in the world, is you, David, and I thank you for the years and many more good times to come.”

July 9, 2010
Remarks about Senator R. C. Soles:
“Senator Soles, you are a blessing to all of us but most especially I will remember you as the one senator who believed that your people were equal to any people in this State and he always believed, Josh and Dan, that Wake County, Mecklenburg County, any of those great counties, did not produce anybody any better than the people you represented, even though those people had little income and not the same start in life that others had. I asked you once why you stayed in Columbus County, Tabor City. You had great wealth, you had all of what a man needed to live in a fine condo and kick the feet up and do little in life. But you told me that there was much to be done, much work to be done for the smaller people in North Carolina. You would not leave those people. You believed in that community and you also assured me you would die there. You are a great member, a great friend, and what you’ve done for me is greatly appreciated.”

Remarks about Senator Charlie Albertson:
“Charlie, I sort of run out of steam if I rush my words and I’m trying to slow that up but, Charlie Albertson, I could talk about you and what you’ve done for the air, the soil, the water, the farmer, the fisherman. You believed in all of us and they were the people that needed some help the very most of any. When I saw a friend who believed we had to do differently than we were doing when the waters, the rivers, the Neuse, the Tar, the Chowan, when they clogged up with algae, you wanted to respond, you wanted a change. You would write laws that made significant conclusions to the change that had to occur. Why did you do that? I’m not sure. You came from a region of North Carolina that needed work, needed jobs. You always worked in that vein. You always fought for the little guy. Education was never good enough. You told me one evening about the color of skin and why was it that some people would look down on someone because of that color. We know in this Body the kind of diversity that Eastern North Carolina has. We know what is found in the West. Not much difference as they are all God’s people. You are a Godly man who truly cares and influenced how we felt and how we thought. You never wanted a political piece of what this Body is at times. I am a bit lost for words because I’m thinking of how you embraced me when my wife passed away and how you treated me, how you loved me, and that’s the kind of man you are. You love all people, Republicans, Democrats, black, white, Latino, whatever they may be in life. You are a Godly man and we have been blessed by having you in this Chamber. I thank you, Charlie Albertson, for this love affair with this Body, this group of people and the great State of North Carolina. Thank you, Charlie.”

Remarks about Senator Katie Dorsett:
“Katie, when you came to the Senate, I knew of you. You worked in the Department of Administration, but when I saw you I had no idea you were quite as beautiful as you are. And you know, to this day, Katie, you’re still one of the

July 9, 2010
most beautiful people, not just in the face, not just what you are as you carry your person, but what you are inside. You are one loving, caring human being. You are always fighting for what is right, what is good. You always question all of us in caucus and you speak with such value, such love, such concern, and you always wanted to make sure that your district was appreciated and rewarded whenever we did something anywhere in North Carolina. You are a great Senator and we will miss you for a number of reasons, but the one that makes you special is that you truly care for me and Doc and Dan and Don and you care for all people, little, big, strong, and weak, whatever they are. You are a blessing to life, a beautiful, beautiful human being. Thank you for gracing these floors and this Chamber and our Body. We will miss you greatly. Thank you, Katie.”

Remarks about Senator Julia Boseman:

“Julia has left but maybe somebody will tell her what I said. When I met Julia and she was a candidate for the North Carolina Senate, I knew something about her but did not know her. I knew her mother through a friend. I was a bit taken aback when I was told Julia was gay and we had never elected a person who was gay in the North Carolina Body, who was a lady and who publicly had disclosed what her preference was in life. But I knew from the way my mother raised me that people were people regardless of what their orientation was. My mother kept the Bible beside her bedside and would carry that Bible to her chair and read it, I guess, dozens of times. She would drag her children to church on Sunday and we would sit in the back of the church in Manteo. We did not have a great deal growing up. Mom was a single mom with seven children but she taught us we are no better than anyone; we are no better and I never forgot that and I never believed that Julia was any different than you, Don, any different than you, Jean, or any different than any of the other nine and a half million people in North Carolina. She would fight and does fight for her beliefs. She has two children and she will raise them well. She is a true friend of mine and I am proud to have served with her. So, Julia, wherever you may be, a friend is recognizing a friend.”

Remarks about Senator Jim Jacumin:

“Jim Jacumin and I became much closer than I thought that I could with a man who I had only met for a few months and knew little about. My wife passed away and Jim came to the services as many and most of you did, as well. Jim held prayer with me and that prayer meant so very much. He was such a committed man. He believes beyond what I have ever been able to express. He assured me that my wife was awaiting me and was in great joy with her parents and her family. He kept telling me this is the right way and I kept saying, ‘No, Jim, it is not the right way. She has left too early.’ And yet he persisted in his belief that I was the one who would be overjoyed one day when we were reunited. Jim and I started chatting and talking about business and the Lord and

July 9, 2010
we would hold prayer and then quickly he would shift gears into making sure we would do right by business and industry in North Carolina. We have truly lost a great deal this year in this Body. These members that are leaving will not be replaced very easily. I’m not sure what they will be but tonight I really don’t care. We’re losing real good friends that have made my life richer and I know very well it has made your life as well, much, much better.”

Remarks about Senator Larry Shaw:

“Larry, you are the person who would speak up in our caucus. At the rarest of times you would pronounce something that needed to be said and you would say it with the conviction that we all should have. Larry also called me when my wife passed and Larry and I talked about what would have happened if life were not to end for all people. Larry has been a major friend of all of ours and we will miss him, as well.”

Remarks about Senator Eddie Goodall:

“Eddie, I wish you were here. You are a person who would speak and you spoke non-political. He never was political. My team is very political. You have some who are political as well. I have some who are not political, despise being political. Eddie was one of those. He did not want to be political at all. He just cared about North Carolina. He just cared about her people. He would call me and just chat about things that were worthy. He said there are certain things that I would like for you to think about. I know I can’t do it but would you maybe consider doing this, and one of those things that he mentioned one night we did. We actually did it and I got a big plaque for getting it done. I’ll send that to Eddie one day! But he’ll do well by charter schools. They need someone like him that will bring to us the information that will, hopefully, allow us to improve our schools in North Carolina. So, Eddie, thank you and let’s give Eddie a big hand and stand up if you will.”

July 10, 2010
"SECTION 7.(b) For a petition for a certificate for transfer of surface water from one river basin to another river basin to supplement ground water supplies in the fifteen counties designated as the Central Coastal Plain Capacity Use Area under 15A NCAC 2E .0501, this act becomes effective 1 January 2011. Prior to 1 January 2011, 2013, a petition for a certificate for transfer of surface water from one river basin to another river basin to supplement ground water supplies in the fifteen counties designated as the Central Coastal Plain Capacity Use Area shall be considered and acted upon by the Environmental Management Commission pursuant to the procedures and standards set out in G.S. 143-215.221 on 1 July 2007.

"SECTION 7.(c) For purposes of this subsection, "isolated river basin" means each of the following river basins set out in G.S. 143-215.22G(1):

- 2-6 New River

SECTION 5. The Environmental Review Commission may study the transfer of surface water from one river basin to another. If the Commission undertakes this study, the Commission shall specifically consider whether certificates for interbasin transfers should contain conditions that require a receiving river basin to first withdraw and transfer surface water from within its major river basin before it may withdraw and transfer surface water from another river basin. The Commission shall report the results and recommendations of this study, if any, to the 2011 General Assembly.

SECTION 6. G.S. 143-355.5(a) reads as rewritten:

"(a) Water Reuse Policy. – It is the public policy of the State that the reuse of treated wastewater or reclaimed water is critical to meeting the existing and future water supply needs of the State. The General Assembly finds that reclaimed water systems permitted and operated under G.S. 143-215.1(d2) in an approved wastewater reuse program can provide water for many beneficial purposes in a way that is both environmentally acceptable and protective of public health. This finding includes and applies to conjunctive facilities that require the relocation of a discharge from one receiving stream to another under all of the following conditions:

(1) The relocation is necessary to create an approved comprehensive wastewater reuse program.

July 10, 2010
(2) The reuse program provides significant reuse benefits.
(3) The relocated discharge will comply with all applicable water quality standards; will not result in degradation of water quality in the receiving waters; will not contribute to water quality impairment in the receiving watershed; and will result in net benefits to water quality, such as the elimination of a wastewater discharge in a nutrient sensitive river basin."

SECTION 7. This act is effective when it becomes law. Sections 2 and 3 apply to the costs, including costs of notice, associated with public hearings held on or after that date.

Upon motion of Senator Clodfelter, the rules are suspended and the Conference Report, which changes the title, is placed on the Calendar for immediate consideration.

Upon motion of Senator Clodfelter, the Senate adopts the Conference Report (45-0).

The Chair orders a message sent to the House of Representatives informing that Honorable Body of such action.

A BILL TO BE ENTITLED
AN ACT TO AMEND THE PERMIT EXTENSION ACT OF 2009.
The General Assembly of North Carolina enacts:

SECTION 1. S.L. 2009-406, as amended by Section 5.1 of S.L. 2009-484, Section 5.2 of S.L. 2009-550, and Sections 2 and 3 of S.L. 2009-572, reads as rewritten:

"SECTION 1. This act shall be known and may be cited as the "Permit Extension Act of 2009."

"SECTION 2. The General Assembly makes the following findings:

(1) There exists a state of economic emergency in the State of North Carolina and the nation, which has drastically affected various segments of the North Carolina economy, but none as severely as the State's banking, real estate, and construction sectors.

(2) The real estate finance sector of the economy is in severe decline due to the creation, bundling, and widespread selling of leveraged securities, such as credit default swaps, and due to excessive defaults on sub-prime mortgages and the resultant foreclosures on a vast scale, thereby widening the mortgage finance crisis. The extreme tightening of lending standards for home buyers and other real estate borrowers has reduced access to the capital markets.

(3) As a result of the crisis in the real estate finance sector of the economy, real estate developers and redevelopers, including home builders, and commercial, office, and industrial developers, have experienced an industry-wide decline, including reduced demand, cancelled orders, declining sales and rentals, price reductions, increased inventory, fewer buyers who qualify to purchase homes, layoffs, and scaled back growth plans.

(4) The process of obtaining planning board and zoning board of adjustment approvals for subdivisions, site plans, and variances can be difficult, time consuming, and expensive, both for private applicants and government bodies.

(5) The process of obtaining the myriad of other government approvals, such as wetlands permits, treatment works approvals, on-site wastewater disposal permits, stream encroachment permits, flood hazard area permits, highway access permits, and numerous waivers and variances, can be difficult and expensive; further, changes in the law can render these approvals, if expired or lapsed, difficult to renew or reobtain.
(6) County and municipal governments, including local sewer and water authorities, obtain permits and approvals from State government agencies, particularly the Department of Environment and Natural Resources, which permits and approvals may expire or lapse due to the state of the economy and the inability of both the public sector and the private sector to proceed with projects authorized by the permit or approval.

(7) County and municipal governments also obtain determinations of master plan consistency, conformance, or endorsement with State or regional plans, from State and regional government entities that may expire or lapse without implementation due to the state of the economy.

(8) The current national recession has severely weakened the building industry, and many landowners and developers are seeing their life's work destroyed by the lack of credit and dearth of buyers and tenants due to the crisis in real estate financing and the building industry, uncertainty over the state of the economy, and increasing levels of unemployment in the construction industry.

(9) The construction industry and related trades are sustaining severe economic losses, and the lapsing of government development approvals would exacerbate, if not addressed, those losses.

(10) Financial institutions that lent money to property owners, builders, and developers are experiencing erosion of collateral and depreciation of their assets as permits and approvals expire, and the extension of these permits and approvals is necessary to maintain the value of the collateral and the solvency of financial institutions throughout the State.

(11) Due to the current inability of builders and their purchasers to obtain financing under existing economic conditions, more and more once-approved permits are expiring or lapsing, and, as these approvals lapse, lenders must reappraise and thereafter substantially lower real estate valuations established in conjunction with approved projects, thereby requiring the reclassification of numerous loans, which, in turn, affects the stability of the banking system and reduces the funds available for future lending, thus creating more severe restrictions on credit and leading to a vicious cycle of default.

(12) As a result of the continued downturn of the economy and the continued expiration of approvals that were granted by State and local governments, it is possible that thousands of government actions will be undone by the passage of time.

July 10, 2010
(13) Obtaining an extension of an approval pursuant to existing statutory or regulatory provisions can be both costly in terms of time and financial resources and insufficient to cope with the extent of the present financial conditions; moreover, the costs imposed fall on the public as well as the private sector.

(14) It is the purpose of this act to prevent the wholesale abandonment of already approved projects and activities due to the present unfavorable economic conditions by tolling the term of these approvals for a finite period of time as the economy improves, thereby preventing a waste of public and private resources.

"SECTION 3. Definitions. – As used in this act, the following definitions apply:

(1) Development approval. – Any of the following approvals issued by the State, any agency or subdivision of the State, or any unit of local government, regardless of the form of the approval, that are for the development of land or for the provision of water or wastewater services by a government entity:

a. Any detailed statement by a State agency under G.S. 113A-4.

b. Any detailed statement submitted by a special purpose unit of government or a private developer of a major development project under G.S. 113A-8.

c. Any finding of no significant impact prepared by a State agency under Article 1 of Chapter 113A of the General Statutes.

d. Any approval of an erosion and sedimentation control plan granted by a local government or by the North Carolina Sedimentation Control Commission under Article 4 of Chapter 113A of the General Statutes.

e. Any permit for major development or minor development, as defined in G.S. 113A-118, or any other permit issued under the Coastal Area Management Act (CAMA), Part 4 of Article 7 of Chapter 113A of the General Statutes.

f. Any water or wastewater permit issued under Article 10 or Article 11 of Chapter 130A of the General Statutes.

g. Any building permit issued under Article 9 of Chapter 143 of the General Statutes.

h. Any nondischarge or extension permit issued under Part 1 of Article 21 of Chapter 143 of the General Statutes.

July 10, 2010
(2) Development. – The division of a parcel of land into two or more parcels, the construction, reconstruction, conversion, structural alteration, relocation, or enlargement of any building or other structure or facility, or any grading, soil removal or relocation, excavation or landfill, or any use or change in the use of any building or other structure or land or extension of the use of land.

"SECTION 4. For any development approval that is current and valid at any point during the period beginning January 1, 2008, and ending December 31, 2010, the running of the period of the development approval and any associated vested right under G.S. 153A-344.1 or G.S. 160A-385.1 is suspended during the period beginning January 1, 2008, and ending December 31, 2010.

"SECTION 4.1. A unit of local government may by resolution provide that S.L. 2009-406, as amended by Section 5.1 of S.L. 2009-484, Section 5.2 of S.L. 2009-550, Sections 2 and 3 of S.L. 2009-572, and by this act, shall not apply to a development approval issued by that unit of local government. A development approval issued by a unit of local government that opts out pursuant to this
section shall expire as it was scheduled to expire pursuant to S.L. 2009-406, as amended by Section 5.1 of S.L. 2009-484, Section 5.2 of S.L. 2009-550, and Sections 2 and 3 of S.L. 2009-572 prior to the enactment of this act.

"SECTION 5. This act shall not be construed or implemented to:

(1) Extend any permit or approval issued by the United States or any of its agencies or instrumentalities.
(2) Extend any permit or approval for which the term or duration of the permit or approval is specified or determined pursuant to federal law.
(3) Shorten the duration that any development approval would have had in the absence of this act.
(4) Prohibit the granting of such additional extensions as are provided by law.
(5) Affect any administrative consent order issued by the Department of Environment and Natural Resources in effect or issued at any time from the effective date of this act to December 31, 2010.
(6) Affect the ability of a government entity to revoke or modify a development approval or to accept voluntary relinquishment of a development approval by the holder of the development approval pursuant to law.
(7) Modify any requirement of law that is necessary to retain federal delegation by the State of the authority to implement a federal law or program.
(8) Modify any person's obligations or impair the rights of any party under contract, including bond or other similar undertaking.
(9) Authorize the charging of a water or wastewater tap fee that has been previously paid in full for a project subject to a development approval.

"SECTION 5.1.(a) This act does not revive a vested right to the water or sewer allocation associated with a development approval that expired between January 1, 2008, and August 5, 2009, and is revived by the operation of this act if both of the following conditions are met:

(1) The water or sewer capacity was reallocated to other development projects prior to August 5, 2009, based upon the expiration of the development approval.
(2) There is not sufficient supply or treatment capacity to accommodate the project that is the subject of the revived development approval.

"SECTION 5.1.(b) A person whose development approval is revived under this act but whose water or sewer allocation is not revived under this section must be given first priority if additional supply or treatment capacity becomes available.

July 10, 2010
"SECTION 5.2.(a) This section applies only to Union County.

"SECTION 5.2.(b) When a development approval that is contingent upon connection to a water supply system or a sanitary sewer system is suspended under Section 4 of this act and there is not sufficient supply or treatment capacity to accommodate requests for additional allocation, the local government that granted the allocation may reallocate reserved requested capacity from projects whose approvals are suspended but are not ready to proceed, if the local government meets all of the following requirements:

(1) Establishes an allocation plan for existing capacity that determines actual capacity and provides for a fair and equitable process to distribute the remaining capacity.

(2) Establishes a reallocation plan to meet requests for capacity above permitted capacity that is fair and equitable and requires the following:
   a. That an applicant for a new or additional allocation demonstrate the ability to begin construction.
   b. That the holder of a development permit suspended under Section 4 of this act demonstrate the ability or intent to begin construction in no less than 120 days in order to retain the reserved capacity.

(3) Does not reallocate capacity to exceed the amount of the reserved capacity.

"SECTION 5.2.(c) This act does not reduce the original period of a development permit.

"SECTION 6. Within 30 days after the effective date of this act, each agency or subdivision of the State to which this act applies shall place a notice in the North Carolina Register listing the types of development approvals that the agency or subdivision issues and noting the extension provided in this act. This section does not apply to units of local government.

"SECTION 7. The provisions of this act shall be liberally construed to effectuate the purposes of this act.

"SECTION 7.1. Conditions for qualification; termination; right of appeal.

(a) For any development approval extended by S.L. 2009-406, as amended by Section 5.1 of S.L. 2009-484, Section 5.2 of S.L. 2009-550, Sections 2 and 3 of S.L. 2009-572, and by this act, the holder of the development approval shall:

(1) Comply with all applicable laws, regulations, and policies in effect at the time the development approval was originally issued by the governmental entity.

(2) Maintain all performance guarantees that are imposed as a condition of the initial development approval for the duration of the period the development approval is extended or until affirmatively released from that obligation by the issuing governmental entity.

July 10, 2010
(3) Complete any infrastructure necessary in order to obtain a certificate of occupancy or other final permit approval from the issuing governmental entity.

(b) Failure to comply with any condition in this section may result in termination of the extension of the development approval by the issuing governmental entity. In the event of a termination of the extension of a development approval, the issuing governmental entity shall provide written notice to the last known address of the original holder of the development approval of the termination of the extension of the development approval, including the reason for the termination.

(c) Termination of an extension of a development approval shall be subject to appeal to the Board of Adjustment under the requirements set forth in law if the development approval was issued by a unit of local government with planning authority under Article 18 of Chapter 153A or Article 19 of Chapter 160A of the General Statutes.

"SECTION 8. This act is effective when it becomes law."

SECTION 2. This act is effective when it becomes law.

July 10, 2010
A number of bills and resolutions passed second reading and were read a third time on the same day.

Rule 50 states:

No bill on its third reading shall be acted upon out of the regular order in which it stands on the calendar, and no bill shall be acted upon on its third reading the same day on which it passed its second reading, unless so ordered by two-thirds of the membership of the Senate present and voting.

In order to comply with this Rule, no bill which has passed its second reading is read a third time except:

1. when a member moves that the Rule be suspended and this motion prevails by at least a two-thirds vote of the membership of the Senate present and voting, or
2. when the Chair determines that there is no objection from any member present, which constitutes unanimous consent that Rule 50 be suspended.

In these cases, the bill is read a third time and remains before the Senate for further consideration.

The phrase “without objection” may appear throughout the Senate Journal. Upon a motion offered, this reflects a determination by the Chair that there is no objection from a member present, which constitutes unanimous consent, for the order of the Chair.

When a bill passes its second reading and remains on the Calendar for further consideration, unless indicated otherwise the measure is placed on the Calendar for the next legislative day in its regular order of business.

Rule 20(2) of the House of Representatives requires that “all measures affecting a fee imposed by the State or any subdivision thereof” are classified roll-call measures for the purpose of spreading the ayes and noes on the Journal. Though the Senate Rules do not require the same, the Rule of the House of Representatives is honored and the measures are considered as roll-call measures, unless ruled otherwise by the Presiding Officer.

The Presiding Officer of the Senate rules in a number of instances that “the bill does not require a call of the roll” or “requires a call of the roll.” The ruling is made pursuant to the following citation which reads:
North Carolina Constitution—Article II

Sec. 23. Revenue bills. No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal.

--------------------------------------

The numerical figures which appear within parentheses throughout the Senate Journal represent the affirmative and negative votes cast and recorded electronically, pursuant to Rule 25. Copies of the vote print-out are on file in the Legislative Library and the original is deposited in the Division of Archives and History of the Department of Cultural Resources.

ALPHABETICAL INDEX

The North Carolina General Statutes titles form the basis for the Alphabetical Index. Following each bill title, the last action or the present status for the bill is reflected. For example, a ratified bill is followed by its Chapter Number in the Session Laws. Bills which are included in whole or in part in other measures are reflected as such, if known.

Bills dealing with funds are indexed under Appropriations. Local bills are indexed under the counties which are affected.

Bills and resolutions introduced by a specific Senator are found under the Senator's name and are noted as to whether or not the Senator is the primary sponsor or a co-sponsor.
