All elections for trustees shall be by ballot, and a plurality of votes shall elect. In the event of a failure to elect trustees on the day appointed for that purpose, the remaining trustees whose terms of office shall not have expired, shall have power to fill the said vacancies, and also to fill all vacancies that may occur by death, resignation or removal from the state; fourteen days previous notice of each annual election shall be given in two or more of the newspapers published in the state of North Carolina, in one

Three life-policy holders in the company shall be appointed by the trustees managers to hold and declare said election; and at any election for trustees each policy-holder shall be entitled to one vote for his or her own policy, and one vote for each policy he or she may hold on the life or lives of others, which may be cast personally or by proxy. The trustees shall have power and authority to declare by by-laws what number of trustees, not less than seven, shall constitute a quorum for the trans- action of business. They shall also have power and authority to make all by-laws, rules and regulations not repug- nant to the constitution and laws of the state, for the gov- ernment of the officers and agents of the company and for the management of its affairs, and the same to alter, amend or repeal at pleasure. They may adopt and keep a common seal for the use of the company, and the same may alter at will. They may determine the rates of premium to be charged, and the amounts to be insured on any one life, and the terms of such insurance; and shall have power to purchase for the benefit of the company, any policy or policies of insurance, dividends or other obligations of the company; but no officer, trustee or agent of the company shall be personally, directly or indirectly, interested in any such purchase. The board of trustees shall immediately after the organization of the company, and afterwards at the first meeting of the board after each annual election for trus- tees, elect from their own number a president, and may elect also vice-presidents, who shall respectively hold office for the term of one year and until their successors shall be elected. The trustees shall have power to elect or appoint
Powers, &c., to vest in board of trustees a secretary and such other officers, agents and employees as they shall deem requisite and necessary for properly conducting the business of the company, who shall hold office during the pleasure of the board. They may appoint a president and vice president *pro tempore*, as occasion may require. The president shall call special meetings of the board of trustees whenever requested in writing so to do by seven members of the board. The officers of the company shall, within ninety days from the expiration of the period of five years from the thirty-first day of December, one thousand eight hundred and sixty-nine, and within ninety days after the expiration of every subsequent period of five years, cause a balance to be struck of the affairs of the company, which shall exhibit its assets and liabilities, both present and contingent, and also the net surplus after deducting a sufficient amount to cover all outstanding risks and obligations. Each policy holder shall be credited with an equitable share of the said surplus. Such equitable share shall, at the option of the policy holder, be paid in cash, or be applied to the purchase of an additional amount of insurance, payable at death or with the policy itself, expressing the reversionary value of such equitable share, at such rate of interest as the trustees may designate, or shall be applied to the purchase of an annuity at such rates of interest as the trustees shall designate, to be applied to the reduction of his or her future premiums. In the event of death, the amount standing to the credit of the party insured at the last preceding quinquennial balance as aforesaid, shall be paid over to the person entitled to receive the same, and the portion of surplus equitably belonging to him or her at the next subsequent quinquennial balance, shall also be paid when the same shall have been ascertained and declared; but nothing herein contained shall prevent the trustees from causing to be ascertained and paid with the policy such (if any) equitable share belonging thereto. The officers of the company shall, at the quinquennial periods aforesaid, cause a general balance statement of the affairs of the company to be made, which shall be open to
the inspection of the policy holders for sixty days during the usual hours of business. The said statement shall show the amounts received during the preceding five years for premiums, interest and annuities, and also the amounts paid during the same time for losses, expenses, &c., &c., and the balance remaining in the treasury, together with the manner in which the surplus is invested.

Sec. 4. The fiscal year of the company shall terminate on the thirty-first day of December in each year, and it shall be the duty of the president or vice president, and secretary or actuary, or a committee of the trustees of the company, within sixty days thereafter, to prepare and file in the office of the auditor of the state of North Carolina, South Carolina and Georgia, a statement made under oath showing the assets and liabilities of the company; said statement shall be examined and compared with the books of the company by three or more policy holders, and its correctness certified to by them, to the best of their knowledge and belief.

They may loan money on the hypothecation of such stocks and bonds as the aforesaid, on such terms and conditions as they may from time to time determine, and may change all the aforesaid investments and re-invest as often as they may think proper.
