The liability of any guarantor shall not at any time exceed the amount named in his guarantee bond, and when that amount shall have been paid by him, either at one time or at different times, his liability shall cease and determine until he shall have been reimbursed in whole or in part by the company or by his co-guarantors, when it shall be renewed and revived for the difference between the amount of his guarantee bond and the net amount of the advancement paid by him and not repaid to him.

Sec. 7. That if any guarantor shall at any time be legally required in writing by the proper authority to pay any amount for which he shall have become liable upon his guarantee; or if any guarantor shall die, and his personal representatives be at any time in like manner and by like authority required to pay any amount for which the deceased guarantor or his estate shall have become liable upon the guarantee bond; and shall fail to pay the same for the space of ninety days, the interest of such guarantor or of his personal representative and estate in the assets of the said company, and his certificate therefore shall, ipso fact, be forfeited to the company; but such forfeiture shall not relieve such guarantor, his estate, or his personal representative from any liability that has accrued and may thereafter accrue upon said bond until another bond, accepted by the board of directors, shall be substituted in its place, or until the notice by the personal representative, next hereinafter provided for, shall have been served, and payment of all liability is made as provided by law. If any guarantor shall die, his personal representative may, at his option, serve a written notice upon the president of the company, within ninety days after his qualification as such representative, and pay to the company all liabilities that may have arisen upon said bond up to the time of making said payment; and he shall thereupon be relieved from further liability upon said bond; and all rights and interests as

guarantor of the said deceased guarantor, and his estate shall be forfeited to the company. In either of the above cases the directors may, in their discretion and upon such terms as they may deem proper, procure other guarantors possessing the legal qualifications; and should such other guarantors be not procured, the remaining guarantors and their assigns shall succeed pro rata to all the rights of such living or deceased guarantor. But nothing in this section shall be construed to affect the interest of any living or deceased guarantor so long as his liability shall remain contingent and no demand shall have been legally made upon him or his estate to pay any amount on account of his guarantee bond. That in order to carry into effect this section, the certificates representing the several interests of the guarantors shall be deposited with such person or corporation as the directors may select, endorsed by them to him or it, to there remain until the guarantors shall be relieved of all liability upon their bonds, either by the accumulation of the reserve to the amount of one hundred thousand dollars or as hereinebefore provided.

SEC. 10. That any guarantor of the said company shall have the option, if he so elects, to deposit with the said company as his guarantee the amount of his guarantee bonds in cash in lieu of the said bond, the said deposit to relieve him from all further liabilities. The directors shall invest the said deposit in some safe security and pay over to the said depositor the income from the said investment as it is collected, the said deposit to be held in trust for the protection of policy holders and to be subject to the same conditions and requirements as the guarantee bonds of other guarantors, and when a reserve has accumulated to the amount of one hundred thousand dollars ($100,000) the said guarantee deposit shall be returned to the said depositing guarantor, his legal representatives and assigns.

SEC. 11. That the persons named herein as incorporators shall, as soon as practicable after the granting of this charter, meet and elect a board of directors, who shall hold office for one year and until their successors are elected, and a board of directors shall be elected by the guarantors and their associates each year thereafter at their annual meeting.

An act to amend the charter of the town of Gastonia.

The General Assembly of North Carolina do enact:

SECTION 1. That section two (2), of chapter fifty-two (52), of the laws of eighteen hundred and seventy-six (1876), eighteen hundred and seventy-seven (1877), be amended by striking out the word "east," in the third line of said section, and inserting after the word "west," in said line, the words, "and three-fourths of a mile east," so as to move the eastern boundary line of said town one-fourth of a mile east of the present location.

Sec. 2. That it shall be the duty of the board of commissioners to declare at what place or places elections shall be held in said town, and they shall give due notice of the establishment of said voting places, by publication in some newspaper, published in said town, for four weeks before the election, or by posting such notice at three or more public places in said town. They shall appoint inspectors for each polling place, as established by them, and at the close of the poll the inspectors shall meet and declare the result, and make and sign a certificate thereof, and deliver the same to the secretary of the board, who shall immediately transmit one copy thereof to the register of deeds for said county.

nance, in which shall be set forth the amount to be expended for that purpose, which shall not exceed thirty-five thousand dollars ($35,000), and shall also provide for the holding of an election to ascertain the will of the people as to issuing bonds for that purpose. The election shall be held not less than thirty days after the adoption of said ordinance, and of it due notice shall be given, as provided in this act for other elections, and it shall be held under such rules and regulations as are prescribed by law for other municipal elections. Those in favor of issuing bonds for water-works and sewerage, as set forth in the ordinance, shall vote a ticket on which shall be the words "for water-works," and those not in favor of issuing said bonds will vote a ticket on which shall be the words "against water-works." The inspectors of the election shall meet as soon as the poll is closed, and shall declare the result, and make and sign a certificate thereof, and deliver the same to the secretary of the board of commissioners, who shall record it in the minute book of said board. If a majority of the qualified voters of the town shall have voted in favor of water-works, the board of commissioners may issue coupon bonds of said town for an amount not exceeding the amount designated in the ordinance, maturing in not more than thirty years, bearing interest not exceeding six (6) per centum, in such denominations, and payable at such place, as the board may fix, and may sell the said bonds for not less than par. The proceeds of the sale of said bonds shall be expended under the direction of the board in the erection or purchase of water-works for said town, and the laying of sewers therein, as the board may deem necessary. The board of commissioners shall have power to appoint such agents as may be needed to manage said water-works, to regulate the charges for water, and generally to do all that may be necessary for the maintenance and preservation of said works. If any land or right of way is required in the construction of said works, and the laying of said sewer, and the same cannot be purchased at a price which the board consider fair and reasonable, the said land and right of way may be condemned and taken for water-works and sewerage purposes, as is provided in this act for the condemning and taking of land for street purposes. And it shall be the duty of the board of commissioners to levy and collect taxes to pay the interest on said bonds, and to provide for the payment of the principal thereof at maturity.

Sec. 5. That it shall be the duty of the said board of commissioners to keep the streets of said town in good order, and they shall have power, and it shall be their duty, to cause the said
streets to be drained, and they shall have further power to have them graded and paved, and to cause all accumulations of dirt and refuse to be removed from them, and they shall have power to lay out and open any new street or widen those already made, and make improvements as the public conve-
nience may require; and if the owners of property affected by the said streets so opened or widened shall claim damages, it may be lawful for said commissioners to file their petitions before the clerk of the superior court of said county, praying said court to appoint five commissioners, who shall be disinterested freeholders, residents in said town, who shall estimate the dam-
ages sustained by such citizens. In the assessment of damages they shall take into consideration the benefit which accrues and the enhanced valuation of such property to the owner, and ascertain the sum which shall be paid to the owner of the property aforesaid, and report the same to the said court under their seals, which said report, on being confirmed by the court, shall be enrolled on the records of said court and registered in the register’s office of the county of Gaston, and said confirm-
lation shall have the effect of a judgment of court against said board of commissioners in their corporate capacity of the land over which said street, as opened, moved or widened, as above prescribed, may pass. They shall have further power to cause the sidewalks to be curbed and paved or repaired when deemed necessary, and to recover from the owner or occupier of lots on which curbing or paving shall be made, one-half of the expense of the work, which expense shall be a lien on the lot: Pro-
vided, always, that the owner, before whose lot such curbing and paving shall have been ordered, shall have thirty days’ notice, in writing, of such order of said board.

Sec. 6. That said board of commissioners shall have power by ordinances to prohibit all persons from any place or places wherein infectious or contagious disease is believed to exist, or to have existed, from entering the town of Gastonia, and all goods and chattels from being brought from said place or places into said town, and to fix a penalty for the breach of any of the ordinances established by them on the subject; they shall also have power to take such other precautionary measures to pre-
vent the introduction and spreading of all infectious or conta-
gious diseases in said town as they may deem expedient.

Sec. 7. The board of commissioners may purchase and hold such land as, in their judgment, may be needed for municipal purposes, and shall have authority to sell all land belonging to the town which in their opinion is not required for their purposes.

Sec. 8. If the board of commissioners shall deem it advisable to establish and maintain public schools in said town, they shall so declare by an ordinance duly adopted, in which shall be set out the maximum rate of taxation which, in their opinion, shall be levied for that purpose, and also the number of school commissioners who shall be elected. The ordinance shall fix a day, not earlier than thirty days after its adoption, when an election shall be held to ascertain the will of the people of the town upon the subject, and it shall be published for four weeks before said election in some newspaper published in said town. At said election those in favor of levying the tax shall vote a ticket on which shall be the words, "for graded schools," and those opposed to levying the tax shall vote a ticket on which shall be the words "against graded schools." The inspectors shall meet as soon as the polls are closed and shall declare the result, and certify the same to the secretary of the board, who shall record the same. If a majority of the qualified voters of the town shall vote in favor of said school, it shall be the duty of the board of commissioners to levy and collect annually for the use of said school a tax, the rate of which shall be fixed by the school commissioners, not however to exceed the rate mentioned in the aforesaid ordinance. This tax shall be collected as other town taxes, and shall be paid to the treasurer of said town, who shall be ex officio secretary and treasurer of the board of school commissioners. The mayor shall be the president of such board. Within ten days after their election the board shall meet and organize; they shall hold office until the next regular municipal election, and until their successors are qualified. At the said regular election school commissioners shall be elected under the same rules and regulations as may be provided for the election of commissioners of the town. The board of school commissioners of the town of Gastonia, as herein provided for, shall be a corporation, and shall have power to acquire and hold all such personal and real property as may be needed for the schools to be maintained and established by them under the provisions of this act. They shall employ teachers, fix their pay, and make all rules and regulations for the government of said schools: Provided, however, that the said board must establish and maintain separate schools for the children of the white race, and for the children of the colored race. It shall be the duty of the school commissioners of the county of Gaston, as soon as the schools herein provided for are established, to lay off, as one of the school districts of said county, all that part of said county which is within the limits of the said town of Gastonia, to be known as Gastonia school
district; and all moneys apportioned to said district under the provisions of the school laws of the state shall be paid by the county treasurer to the treasurer of the board of school commissioners of said town, to be by them expended in the maintenance of said schools: Provided, that the privilege of attending is granted to all children who would be entitled to attend the public schools of the state.

Sec. 9. If the board of commissioners shall declare in the ordinance mentioned in section nine (9) of this act, that it is expedient that the town shall provide houses for said schools, they shall set forth in said ordinance the amount which, in their opinion, the town should expend in the purchase of lots and the erection of buildings for that purpose, not to exceed, however, ten thousand dollars ($10,000). If, after the adoption of an ordinance containing such declarations, and due publication thereof, a majority of the qualified voters of the town shall vote "for graded schools," at the election held under the provisions of section nine (9) of this act, it shall be lawful for the board of commissioners to issue and sell, for not less than par, coupon bonds of the town, bearing interest at not more than six (6) per centum per annum, to be known as "Gastonia school bonds," to be payable not more than thirty years after date, at such places as the commissioners may designate. The interest on said bonds shall be paid semi-annually, at the places designated for the payment of the principal, and there shall be levied annually taxes to pay said interest: Provided, however, that the taxes levied in said town for all municipal purposes shall not exceed one dollar ($1) on the one hundred dollars ($100) worth of property, and the bonded debt of said town shall not exceed thirty-five thousand dollars ($35,000).

Sec. 10. With the proceeds of the sale of the bonds issued under the provisions of the last section, the commissioners of the town shall provide suitable buildings for the school established under this act, and proper furniture for the same. The title to said property shall be taken in the name of the town of Gastonia, but it shall be under the management and control of the school commissioners, who may make all such rules and regulations as may be proper for its safety, and to prevent intruders from coming thereon.

Sec. 11. This act shall be in force from and after its ratification.

Ratified the 11th day of March, A. D. 1895.

The capital stock may be increased from time to time to such an amount as may be deemed proper, until the limit of two hundred thousand dollars is reached, and may also be retired or decreased; but, if it shall at first be determined by a majority of the shareholders to issue less than two hundred thousand dollars of stock, the issue of stock shall not be increased from the amount at first determined upon without the consent of a majority of the shareholders, to be given at any general, annual or other meetings, at such other places in North Carolina as may be deemed most convenient by the stockholders of said corporation.

Sec. 8. That the directors, corporators and stockholders of said corporation, their successors and assigns, shall not be individually or personally liable or responsible for the accounts, debts, liabilities, contracts, engagements, defaults, omissions,
or torts of the corporation, or for any claim, payment, loss, injury, transaction, matter or thing whatsoever, relating to or connected with the corporation, and no stockholder shall be liable for more stock than he subscribed for.

Sec. 9. That the principal place of business of said corporation shall be Haw River, in the county of Alamance, state of North Carolina; but said corporation shall have the right to hold its annual or other meetings at such other places in North Carolina as may be deemed most convenient by the stockholders of said corporation.

At all meetings of the stockholders of the corporation every stockholder shall be entitled to as many votes as he or she owns shares in the corporation, and may constitute another shareholder his or her proxy to vote for him or

the number of shares to constitute a quorum for any purpose
may be changed at any regular general meeting of the stock-
holders, after notice given by resolution at the previous regular
general meeting. The president, or stockholders owning and
holding at least a fourth part of the capital stock of the cor-

time and place of holding said meeting.

Sec. 11. The board of directors shall hold their meetings in
such manner and at such times as the by-laws may direct, and

and vice-president, and a secretary, who may also be treasurer;
and they shall also name all other officers thereof, and shall

the unexpired remainder of the term by the board from among
the qualified stockholders of the corporation. If at any time an
election of directors is not held, or does not take effect at the
proper time, the corporation shall not be held to be thereby
dissolved, but such election may take place at any general
meeting of the corporation called for that purpose, and the
retiring directors shall continue in office until their successors
are appointed.

Sec. 12. The board of directors of the corporation may require
of any of the officers thereof such bonds, conditioned for the

Sec. 13. The stockholders, in any meeting called in pursuance to the provisions of this act, may remove the president, or any or all of the directors or officers of the corporation, in case the interest of the corporation demands such removal.

Sec. 14. The directors of the corporation shall not declare or pay any dividends when the corporation is insolvent, or any dividend, the payment of which renders the corporation insolvent or diminishes the capital stock thereof.

Sec. 15. No transfer of stock, unless by sale under execution, shall be valid for any purpose whatever, save only as exhibiting the rights of the parties thereto towards each other, and as rendering the transferee liable \textit{ad interim}, jointly and severally with the transferor, to the corporation and its creditors, until the entry has been duly made in such book or books as the directors may provide for that purpose. The corporation shall not be bound to see to the execution of any trust, whether expressed or implied or constructive, in respect of any share, and the receipt of the shareholders, in whose name the same stands on the books of the corporation, shall be a valid and binding discharge to the company for any dividend or money payable in respect to such share, whether or not notice of such trust has been given to the corporation, and the corporation shall not be bound to see to the application of the money paid upon such receipt. Every executor, administrator, tutor, curator, guardian or trustee, shall represent the stock in its hands at all meetings of the corporation, and may vote accordingly as a shareholder. The capital stock may be transferred in such manner and form as may be provided by the by-laws, and shall be evidenced by certificates, to be issued in accordance with the said by-laws, and when any stockholder shall have transferred his or her stock in this corporation, he or she shall cease to be a member or any stockholder of the corporation, and the purchaser of said stock shall be entitled to all the rights and privileges and be subject to all the liabilities of the former owner of said stock as a stockholder.

Sec. 16. That this corporation may change its name and adopt any other which the board of directors may select, at any time after six months' publication of the purpose to do so in some newspaper published in Alamance county, and under that name enjoy all the powers herein conferred upon the above named corporation.

be secured by said trust-deeds or mortgages, as they shall think proper.

Sec. 4. The stock of said company shall be in shares of one hundred dollars each, for which, when fully paid for, certificates shall be issued, which shall be non-assessable, and each share shall entitle the holder to one vote, and the stockholders shall not be individually liable for the debts of the corporation. so to be merged and consolidated shall and may form a continuous line of railroad with each other or by means of intervening road or roads; and said consolidation may be effected by its directors in such manner, and on such terms and conditions, and under such name and style, as a majority of the stockholders may determine or approve.

Sec. 7. That it shall and may be lawful for any railroad or transportation company, created by the laws of this or any other state, from time to time, to subscribe for, purchase or hold the stock and bonds, or either, of the company incorporated by this act, or to guarantee or endorse such bonds or stock, or either of them; and it shall and may be lawful for any railroad or transportation company or companies to purchase, use or lease the road, property or franchises of the said company hereby incorporated, for such time and upon such terms as may be agreed upon.

Sec. 10. The president and directors of said company, under authority from the stockholders, shall have power to make such expenditures, and contract such debts, as may be necessary for the construction and operation of its railroad and business. And authority is hereby given to the said company to borrow money to such extent and in such manner as may be authorized by its stockholders, and to pay thereon such rates of interest as may be deemed advisable, and to issue therefor such bonds, either coupons or registered, or other evidences of debt, in such manner and of such form as may be determined by the president and directors, and to secure such loans, both as to principal and interest, by such mortgages or deeds of trust on the whole of the property, income, or franchise of the company, either or any part thereof.
SEC. 11. That said company shall enjoy all the benefits and be subject to the provisions of sections 1943 to 1951, both inclusive, of chapter 49, volume 1 of The Code of North Carolina, in respect to the acquisition of land by condemnation.

SEC. 12. That it shall and may be lawful for any county, township, city or town, in or through which the said railroad may be located, or which is interested in its construction, to subscribe to the capital stock of such company such sum or sums, in bonds or money, as a majority of their qualified voters may authorize the county commissioners of such county or the municipal authorities of such town to subscribe.

SEC. 13. That for the purpose of determining the amount of such subscription, it shall be the duty of the county commissioners of any county, or the municipal authorities of any town, interested in the construction of the said road, upon a written application of one-fourth of the qualified voters of said county, township or town, specifying an amount therein to be subscribed, in money or bonds, to submit to the qualified electors of such county, township or town, as the case may be, the question of subscription or no subscription to the capital stock of said company; and said county commissioners, or municipal authorities of such town, shall have the power to order an election, specifying the time, place and purpose of the election, and to provide for holding the same according to law, at which said election the ballots shall have written or printed thereon, either the word "subscription" or "no subscription;" the said county commissioners, by resolution of their board, and the said municipal authorities of said town, having first fixed the amount proposed to be subscribed, according to the request of the petition submitted to them, notice of said election being published for three weeks immediately prior thereto, in one or more of the county newspapers.

SEC. 14. That in case a majority of the qualified voters shall have voted for "subscription," then the chairman of the board of county commissioners, in all cases of county or township elections, shall be authorized and required to subscribe to the capital stock of said company, in behalf of said county or township, the sum which may have been fixed and named in the resolution of said board, published as aforesaid, which subscription, if in bonds, shall be in bonds bearing a rate of interest not exceeding seven per cent., with interest payable semi-annually; if in money, shall be in such annual installments as shall have been named in the petition and in the resolution of said board; and all tax levies for the purpose of raising funds to pay said bonds or coupons, or said sums of
money subscribed, shall be made upon the polls and taxable property in such counties or townships; and if a majority of the qualified voters in any town election shall vote for subscription, the proper corporate authorities of such town are authorized and required to subscribe, in behalf of such town, in like manner and to like extent as the county commissioners are herein required in all cases of county and township subscriptions.

Sec. 15. That to provide for the interest on said bonds, and their redemption at or before maturity, the board of county commissioners aforesaid, or the municipal authorities of any town, shall, in addition to other taxes, each year compute and levy on all property and polls of any such county, township or town as may make a subscription of bonds to the said company, preserving the constitutional equation, a sufficient tax to pay such interest, and to provide a sinking fund for the payment of the principal of the bonds so subscribed at maturity, which tax shall annually be collected as other taxes, and paid to the county treasurer, or other officer of said county or town authorized by law to perform the duties of treasurer or commissioner of sinking fund, and by him invested in said bonds, which shall be cancelled by the county commissioners or the municipal authorities of the town, as the case may be; but in case said treasurer, or other officer, shall be unable to invest the sinking fund herein provided for in said bonds at or below their par value, he shall invest the same in such solvent bonds or securities as may be selected and approved by the board of county commissioners aforesaid, or proper authorities of said town.

Sec. 16. That for the payment of any money subscriptions voted under this act, the county commissioners of the respective counties shall levy a tax upon the polls and taxable property of such counties or townships sufficient to pay such subscriptions on each installment as it may become due, which tax shall be levied and assessed by the county commissioners, and be collected in the same manner in which other state and county taxes are collected. The corporate authorities of any town so subscribing shall, in like manner, levy and assess a tax upon the polls and taxable property of said town sufficient to pay such subscription on each installment as it becomes due, to be collected as other municipal taxes are collected, at the first annual collection of taxes next after such subscription, and annually thereafter, until all the installments are paid. All moneys collected on account of any subscription in money, under this act, shall, as soon after collection as possible, be
turned over by the county treasurer, or town treasurer, as afore-
said, to the treasurer of said company or its legally authorized
agents, if any.

Sec. 17. That for the purpose of this act all the townships in
counties along the line of railroad, or which are interested in its
construction, as herein provided for, shall be, and they are
hereby, declared to be bodies politic and corporate, and vested
with the necessary powers to carry out the provisions of this
act, and shall have all the rights and be subjected to all the lia-
bilities in respect to any rights or causes of action growing out
of the provisions of this act. The county commissioners of the
respective counties are declared to be corporate agents of the
townships so incorporated and situate within the limits of the
said counties respectively.

Sec. 18. That in all conventions of stockholders of said com-
pany, such counties, townships or towns as may subscribe to
the capital stock shall be represented by one or more delegates,
to be appointed for such purposes by the corporate authorities
of such towns, or the county commissioners of the respective
counties or township in such counties.

Sec. 19. That this act shall be in force from and after its rati-
fication.

That said company be, and is hereby, authorized and empowered to construct, maintain and operate a railway or railroad, either standard or narrow gauge, from a point on the South Carolina state line, in Gaston county, through said county and through the counties of Lincoln, Catawba, Caldwell and Watauga, to a point on the state line of Tennessee in said last named county. And that said company be, and is hereby, authorized and empowered to acquire and become the owner and possessor, either by purchase or by consolidation by means of contract, of any railroad now built and operated, or projected, along any part of the aforesaid route of said company, and such railroad or railroads, when so acquired by purchase or consolidation, shall become part and parcel of the said Carolina and Northwestern Railway Company.

SECTION 3. That the capital stock of said company shall be two hundred thousand ($200,000) dollars, in shares of fifty ($50) dollars each, with the privilege of increasing the capital stock to such an amount as may be found necessary to carry out the intention and purpose of this act, not to exceed one million ($1,000,000) dollars: Provided, that when the sum of ten thousand ($10,000) dollars shall have been subscribed to the capital stock of said company, as hereinafter directed, the said corpo-

empowered to levy and assess, annually, upon the taxable property of such county, township, city or town, a tax of such per centum as may be necessary to pay the interest on said bonds and to pay or retire the principal thereof as aforesaid, which shall be known and styled in the tax-books as "railway tax," and shall be collected and paid out to the holders of said coupons or bonds, by the same officers and under the same regulations as are now provided by law for the collection of taxes and the disbursement of the public funds in the said county, township, city or town, respectively, so subscribing.

SEC. 2. Sec. 4. That in addition to the provisions contained in the preceding section for private subscriptions, it shall and may be lawful for any city, town or township, interested in the construction of said road, to subscribe to its capital stock such sum as a majority of the qualified voters thereof may authorize the county commissioners or proper corporate authorities of such city or town to subscribe, which subscription shall be made in coupon bonds, bearing such rate of interest, not exceeding six per centum per annum, as may be named in the subscription, to be received by said company at not less than par, and to run for such times, not exceeding thirty years, and to be of such denominations, as may be fixed by the authorities subscribing the same.

And any county through which said road may run shall have power, through its board of commissioners, to subscribe stock to this company for the purpose of aiding in the completion of its road, upon the terms and conditions, and in the manner, prescribed in sections nineteen hundred and ninety-seven, nineteen hundred and ninety-eight and nineteen hundred and ninety-nine of volume one of The Code of North Carolina.

Sec. 8. That for the payment of the interest on such bonds, the corporate authorities of any city or town so subscribing, as aforesaid, and the county commissioners of any county in which
a township has subscribed, as aforesaid, shall levy an annual tax upon the taxable property and polls of such city, town or township, sufficient to pay the said interest, which said tax shall be collected in the manner in which other city, town or county taxes are collected in any city, town or county, and the treasurer of any such city or town, or other officer having the disbursement of taxes in such corporations, and the county treasurer of any such county, is hereby authorized to pay all coupons of bonds, issued under this act, falling due in the year when said taxes are collected, from the proceeds of said taxes, upon presentation to him of such coupons.

Sec. 9. That at any time after its organization, said company may purchase or receive title to any land, houses, tenements or rights of way, or other property necessary for the construction of its line or lines, or any of its offices, stations or works; but in case the same cannot be purchased from the owner or owners thereof, it shall have the same powers to condemn all such lands, belonging to individuals or corporations, as may be needed for said purposes, as were granted to and conferred upon the North Carolina Railroad Company by their act of incorporation, and shall proceed to condemn said lands in the same manner, and to the same extent, under the like rules, restrictions and conditions as are prescribed in the charter of such company; and in the absence of any contract, or contracts, in relation to lands through which said road may pass, it shall be presumed that the land over which said road may be constructed, together with fifty feet on each side thereof, has been granted by the owner, or owners, to the company, and the said company shall have good right and title thereto, and shall have, hold and enjoy the same as long as it shall be used for the purposes of said road, unless the owner, or owners, shall apply for an assessment of the value thereof, as hereinbefore directed, two years next after that part of said road has been surveyed and determined on as the location of the line of said road; and in case the owner, or owners, within two years from the time aforesaid, shall not make such application, he, she or they shall be forever barred from recovering the same, or having an assessment or compensation therefor.

Sec. 10. That, whereas, it is understood that one or more townships in Transylvania and Henderson counties, and Transylvania county itself, recently held an election, by which the proper authorities thereof were authorized to subscribe a certain sum of money to such railroad company as might first construct a road through or into the township or townships, or county aforesaid, or to certain points named therein; now,
therefore, it shall be lawful for the board of commissioners of said counties, respectively, in their discretion, under authority of any election held, as aforesaid, in said counties, or in any township, or townships thereof, to subscribe the amount authorized by said counties or townships, respectively, to the company chartered by this act, and such subscription shall be to all intents and purposes as lawful and binding as if the proposition to subscribe stock to this company had been originally submitted, instead of the submission in the terms on which the same was voted by said township or townships and county aforesaid.

Sec. 11. That this company shall have power to borrow money, and to secure the same by issuing mortgage bonds on franchises and property, or such other forms of security as it may deem advisable, under such rules and regulations as may be prescribed by the by-laws.

Said election to be held at the usual voting places, after thirty
days' notice, specifying the amount of subscription or donation to be voted for, and to what company it is proposed to donate or subscribe, which notice shall be printed in some newspaper, if any there be published in said county, city, town or township, and by posting the same in three or more conspicuous places therein; such election shall be held by persons appointed in the manner that persons are appointed for holding other elections in said county, township, city or town, and the returns thereof shall be made and the results declared and certified as prescribed by law in such other elections; and such results so certified shall be filed with the register of deeds in such county, city or town, and shall be taken as evidence of the, in any court in the state.

Sec. 42. That if any person or company shall fail to render
to the clerk the list of property, and other taxables required to be rendered by this charter, within the time prescribed for listing state and county taxes, such person or company shall pay double the tax assessed on any subject for which said person is liable to be taxed.

SEC. 43. That the clerk shall be particular to examine each person on oath as to whether he has other property than that stated in his return, which he may claim is not liable to taxation. Such property, except bonds of the United States and of this state, shall be entered and noted on the tax-list.

SEC. 44. That from the returns and lists made, as provided by this charter, the clerk shall, within thirty days after the expiration of the time for taking said lists, make out, in a book kept or provided for that purpose, an alphabetical list of the persons, companies and owners of property who have so made their returns, in the same manner as tax lists are made out by law for the state and county taxes. And the said clerk shall copy in said book the assessments, on file in the register of deeds' office for Wake county, of all property within the city limits.

BOARD OF EQUALIZATION.

SEC. 45. That in the month of May, eighteen hundred and ninety-five (1895), and biennially thereafter, the board of aldermen shall appoint three discreet and proper persons among the electors of the city of Raleigh, to be constituted, and who shall constitute and be styled "The Board of Equalization of the City of Raleigh," and the persons so appointed shall continue in office for two years, and until their successors are duly appointed and qualified, unless removed from office, or otherwise incapacitated to hold office, as herein provided. No member of the board of aldermen, and no person holding an office or appointment under the board of aldermen, shall be eligible or qualified to act as a member of the board of equalization.

SEC. 46. That before entering on their duties the members of said board shall take and subscribe before the mayor, or some justice of the peace, the oath prescribed in section four (4) of article six (6) of the Constitution of the state, and cause the same to be filed in the office of the clerk of said city.

SEC. 47. That said board shall elect from their number a chairman, who shall have power to administer oaths and issue subpoenas for witnesses to appear before the board, who shall be required to appear and testify, under like pains and penalties as if summoned to the superior clerk. In the absence of the chairman at any meeting of the board, a temporary chairman shall be chosen, who, during such meeting, shall have and exercise the powers of the regular chairman.
SEC. 48. That as soon as the tax list can be completed by the city clerk, the same shall be by him delivered to the board of equalization, which board shall have the power, and it shall be their duty, to act jointly with the board of county commissioners of Wake county in equalizing the valuation of all property within the corporate limits of said city, and said boards, jointly, shall have all the powers given to the board of commissioners of a county to revise a tax list.

SEC. 49. That said boards shall jointly and carefully examine the tax lists of the city and county, and shall equalize the valuations of all property within the city limits, so that each tract or lot of land, or article of personal property, and all other subjects of taxation, shall be entered on the respective tax lists of the city and county at its true value in money, and shall cause the respective tax lists to conform as nearly as possible; and for this purpose they shall have power to increase, modify, add to and change the tax lists as made out, so that the valuation of similar property throughout the city shall be as nearly uniform as possible, and in doing so they shall observe the following rules, and shall have the following powers:

First. They shall, after notifying the owner or agent, raise the valuation of such tracts or lots of real property, or articles of personal property, and all other subjects taxed by the charter, as in their opinion have been returned below their true value, to such price or sum as they may believe to be the true value thereof.

Secondly. They shall reduce the valuation of such tracts and lots of real property, or articles of personal property, and other subjects taxed by charter, as in their opinion have been returned above their value, as compared with the average valuation of real and personal property of said city. In regard to real property they shall have due regard to the relative situation, quality of soil, improvements, natural and artificial advantages possessed by each tract or lot, and the uses thereof.

Thirdly. Whenever said board of equalization shall have reasonable ground to believe that any person, company or corporation has failed to give in a true and accurate list of such personal property and other subjects taxable by the charter, as he, it or they are required to furnish, with the true value thereof, it shall be their duty to ascertain the same and insert the same, and the true value thereof, in the tax list.

Fourthly. In performing the duties required of them the said board of equalization shall have power to subpoena, compel the presence of, and examine witnesses and parties who list, or fail to list, and send for, and require to be brought before them,
and examine, records, books, papers and such other things as
they may deem proper to be used in evidence before them,
upon the same rules and penalties as are provided for superior
courts.

Fifthly. The said board of equalization, on tendering the
prescribed oath, may take a list of any person, company or
corporation applying to list his or its taxables, at any meeting
held on or before the first day of October, upon the applicant
paying the clerk twenty-five cents for recording the same; and
in ascertaining the value of property and taxables thus listed,
said board shall have the same powers to investigate and ascer-
tain the true value thereof as is herein given them in other
cases.

SEC. 50. That as soon as the tax list can be revised by the
board of equalization, the board of aldermen shall proceed to
levy the tax on such subjects of taxation as they shall deter-
mine, and shall place the tax list in the hands of the tax collec-
tor for collection, who shall proceed forthwith in the collection,
and shall complete the same on or before the first day of
December next ensuing, and shall pay the moneys, as they are
collected, to the treasurer. On the first day of December there
shall be a penalty of one per centum added to the amount
of all taxes due, and an additional one per centum on the first
day of each month thereafter until the same are paid.

SEC. 51. The taxes imposed upon the shares or certificates of
shares of stock in any bank or banking association (state or
national), shall be paid by the cashier, or other principal officer
of such bank or banking association, directly to the city tax
collector, within thirty days after notice from said tax collector
of the amount of tax due; and upon the failure of said cashier
or principal officer to pay the tax collector, as aforesaid, he shall
forthwith institute an action against the bank or banking
association for the recovery of the same in the proper court, in
said county of Wake.

SEC. 52. That if any person liable to taxes on subjects
directed to be listed, shall fail to pay them within the time pre-
scribed for collection, the collector shall proceed forthwith to
collect the same by distress and sale; all sales to be made after
public advertisement, for the space of ten days, in some news-
paper published in the city, if the property to be sold be per-
sonalty, and of twenty days, if the property be realty. And
the said collector shall have the right to levy upon and sell any
personal property situated outside of the limits of the city, and
within the county of Wake, belonging to a delinquent tax-
Sec. 53. That the tax due on any lot, or other subdivision of land, is hereby declared to be a lien on the same, and if it shall remain unpaid on the first day of December next after the assessment, the tax collector shall either proceed to collect the same by a levy and sale of personal property belonging to the owner of said lot, or shall report the fact to the aldermen, together with a particular description of the real estate, and thereupon the aldermen shall direct the same to be sold at the court-house door, in the city of Raleigh, by the collector. The collector shall, before selling the same, make a full advertisement of the said real estate, at the court-house door and at three or more public places in said city, for twenty days, and shall also serve upon the owners thereof a written or printed notice of the taxes due and the day of sale, but such notice need not be given to any person having or claiming any lien on said land by the way of mortgage or otherwise. Whenever the owners are not in the city, or for any cause cannot be served with notice, then the advertisement of real estate belonging to such owners shall be made for one week in some newspaper published in the city of Raleigh, and the collector shall divide the said land into as many parts as may be convenient (for which purpose he is authorized to employ a surveyor), and he shall sell as many thereof as may be required to pay said taxes and all expenses attendant thereon. If the same cannot be conveniently divided the collector shall sell the whole; and if no person shall pay the whole of the taxes and expenses for the whole land, the same shall be struck off to the city, and if not redeemed, as herein-after provided, shall belong to the said city in fee: Provided, that such sale shall in no case affect the lien of any lawful incumbrance which can be shown to have been listed, and taxes paid thereon to the city.

Sec. 54. That the collector shall return an account of his proceedings to the aldermen, specifying the portions into which the land was divided, and the purchaser or purchasers thereof, and the price of each, which shall be entered on the book of proceedings of the aldermen; and if there shall be a surplus after paying said taxes, the same shall be paid into the city treasury, subject to the demand of the owner.

Sec. 55. That the owner of any land sold under the provisions of this charter, his heirs, executors and administrators, or any person acting for them, may redeem the same, within one year after the sale, by paying to the purchaser the sum by him paid, and twenty-five per cent. on the amount of taxes and expenses,
and the treasurer shall refund to him, without interest, the proceeds, less double the amount of taxes.

Sec. 56. That if the real estate sold, as aforesaid, shall not be redeemed within the time specified, the corporation shall convey the same in full to the purchaser, or his assigns, by deed executed under the hand of the mayor and two aldermen, attested by the corporate seal; and the recitals in such conveyance, or in any other conveyance of land sold for taxes due the city, that the taxes were due, or of any other matter required to be true or done before the sale might be made, shall be prima facie evidence that the same was true and done.

Sec. 57. That the real estate of infants, or persons non compos mentis, shall not be sold for tax; and when the same shall be owned by such in common with other persons free of such disability, the same shall be made according to section ninety-two, of chapter ninety-nine, of The Revised Code.

Sec. 58. That in addition to the subjects listed for taxation, the aldermen may levy a tax on the following subjects, the amount of which tax, when fixed, shall be collected by the chief of police instantly, and if the same be not paid on demand, the same may be recovered by suit, or the articles upon which the tax is imposed or any other property of the owner may be forthwith distrained and sold to satisfy the same, namely:

SEC. 61. That when any land or right of way shall be required by said city of Raleigh for the purpose of opening new streets, or for other objects allowed by this charter, and for want of agreement as to the value thereof the same cannot be purchased from the owner or owners, the same may be taken at a valuation to be made by five freeholders of the city, to be chosen by the aldermen, who shall receive a per diem of two dollars each; and, in making said valuation, said freeholders, after being duly sworn by the mayor or a justice of the peace of the county, or a clerk of the court of record, shall take into consideration the loss or damage which may accrue to the owner or owners in consequence of the land or right of way being surrendered, also any special benefit or advantage such owner may receive from the opening of such street or other improvement, and shall state the value and amount of each; and the excess of loss or damage over and above the advantages shall form the measure of valuation of said land or right of way; Provided, nevertheless, that if any person over whose land the

**Sec. 69.** That all penalties imposed under the provisions of this act, or of any ordinance, by-law or regulation of the city, unless herein otherwise provided, shall be recoverable, in the name of the city of Raleigh, before the mayor; and all such penalties incurred by any minor shall be recovered from the parent, guardian or master, as the case may be, of such minor.

If the security of any of such bonds shall have become impaired, or if, for any cause, the security shall be adjudged insufficient to cover the amount of public money, or other property, in the custody of the officer, then the bond shall be renewed and the insufficient security shall be increased and the impaired shall be made good; but such renewal shall not make "cumulative," thereby doubling the penalty of bond, any "judge-made law" to the contrary notwithstanding. And for any breach of any such bond by any officer required to give an official bond, he shall be liable in any action on the same in the city, at the suit of the city or any person aggrieved by such breach; and the same may be put in suit without assignment, from time to time, until the whole penalty is recovered.

nances so violated, or, at the discretion of the mayor or court trying the same, such offender may be imprisoned not more than thirty days in the common jail of the county, or fined not exceeding fifty dollars. If the accused be dissatisfied with the judgment of the mayor or court he may appeal to the proper court in like manner as prescribed for appeals from judgments of a justice of the peace. The fees of the mayor shall be as follows: for every warrant issued by him, for the recovery of any penalty, or for other cause of action, fifty cents; for every judgment rendered thereon, one dollar, to be taxed among the costs; of every warrant issued by him as mayor to apprehend an offender against the criminal laws of the state, under which he may be arrested and recognized to appear before a court of record, one dollar, to be taxed among the costs on submission or conviction of the offender; for the use of the town seal for other than town purposes, fifty cents; for every certificate for other than town purposes, twenty-five cents; for all other purposes, the same fees as are allowed to justices of the peace; and the mayor shall have power to probate conveyances in like manner as a justice of the peace, and with like fees.

Sec. 19. That the mayor may issue his precepts to the town marshal, who may execute the same any where in Pamlico county, or to such other officers as a justice of the peace may direct his precepts. An endorsement by the mayor of the names of witnesses upon a summons or warrant shall be authority for the officer to execute the same.

Sec. 20. That the mayor shall keep faithful minutes of the precepts issued by him, and of all his judicial proceedings; the judgments rendered by him shall have all the force, virtue and validity of judgments rendered by a justice of the peace, and may be executed and enforced against the parties in the county of Pamlico and elsewhere, in the same manner, and by the same means, as if the same had been rendered by a justice of the peace of Pamlico county.

Sec. 21. That the mayor shall keep his office in some convenient part of the town. He shall perform all the duties as shall, from time to time, be prescribed, and, when present, shall preside at all meetings of the board of commissioners, and shall have the deciding vote in case of a tie; but he shall vote on no other case. If he shall be absent the board may appoint one of their number pro tempore to exercise the duties of the mayor, to act during his absence.

Sec. 22. That the mayor and commissioners shall, at their first regular meeting, appoint a secretary and treasurer, a
marshal, and any other officers they may think necessary, who shall receive such compensation for their services as the board may determine.

Sec. 23. That within five days after their election the board of commissioners shall convene for the transaction of business, and shall then fix stated days of meeting for the year. A special meeting may be called by the mayor, or a majority of the commissioners, whenever it seems advisable, and the board may fix a fine or penalty for the non-attendance of any member thereof, and such fine or penalty shall be recovered as other fines and penalties for breaches of the town ordinances.

Sec. 24. That the board, when convened, shall have power to make and provide for the execution of such ordinances, by-laws and regulations for the better government of the town as they deem necessary; Provided, the same be allowed by the provisions of this act, and be consistent with the laws of the state.

Sec. 25. That by virtue of his office the town constable or marshal shall be tax collector, unless the board shall order otherwise, in which event they shall appoint some person to such office. The town tax collector shall have the same powers, and be subject to the same penalties, in collecting the town taxes as sheriffs or tax collectors have in the collection of state and county taxes.

Sec. 26. The town constable or marshal is empowered to serve papers and make arrests anywhere in Pamlico county, the same as within the town limits of Vandemere. It shall be his duty to preserve the peace and good order of the town, and to do so he shall have power and authority to arrest, without warrant or other process, all disorderly persons, or any other person or persons violating any by-laws, ordinances or regulations of the town, or attempting to escape; and, if within the hours of seven a. m. and nine p. m., take such unruly person or persons forthwith before the mayor to answer for such violations and disorderly conduct; but if such arrest be made at other time than that above mentioned, then the person or persons so arrested shall be taken to the lock-up or jail and be safely kept until such hour on the following day, at the earliest moment, as the mayor may set for the hearing. Any person who may be so intoxicated as to be incapacitated for trial, or who may be otherwise incapacitated, shall be locked up and safely held until they have become duly sober, or in proper condition for trial. The town marshal shall do any other duties that may be prescribed by the board, who shall fix the compensation of such services.
SEC. 27. That the board of commissioners shall have power to regulate the manner in which taxes shall be collected and the property of the citizens of the town shall be listed. They may also, at their discretion, exempt any manufacturing establishments already in existence, or contemplating erection, from town taxation for any length of time not exceeding thirty years.

SEC. 28. That in order to raise a fund for the expenses incident to the government of said town, the commissioners may annually levy and collect the following taxes, viz.:

(1) On real and personal property, moneys, credits, investments, *et cetera*, which the owner is required to list for state and county taxes, in the town, a tax not exceeding ten cents on every hundred dollars' worth of property.

(2) On all taxable polls, a tax equal to the present constitutional limit on all who may be resident in the town on the first day in April in each year, or who may have been so resident within sixty days next preceding that day, not exceeding one dollar and a half.

SEC. 29. That if any person liable for taxes on subjects determined to be liable shall fail to pay them within the time prescribed for collection, the collector shall proceed forthwith to collect the same by distress and sale, after public advertisement in three public places, for ten days if the property is personal, and if real estate, for twenty days; and when the tax due on any lot, or other lands (which is hereby declared a lien on the same), shall remain unpaid on the first day of January, and there is no other [property] visible but such lot or land of the person [in] whose name listed, liable to distress and sale, known to the collector, he shall report the fact to the board, with a description of the real estate, and thereupon the board shall direct the same to be sold upon the premises by the collector, after advertising as above; when the collector shall divide the said lands into as many parts as may be convenient (for which purpose he may employ a surveyor), and shall sell as many thereof as may be required to pay all taxes and expenses attendant thereon. If the same cannot be conveniently divided the collector shall sell the whole, and if no person will pay the whole of the taxes and expenses for the whole land, the same shall be struck off to the town, and if not redeemed, as hereinafter provided, shall belong to the town in fee.

SEC. 30. That the board may require and compel the abatement and removal of all nuisances within the town at the expense of the person causing the same, or the owner or the tenant of the grounds on which the same may be; they may
also prevent the establishment within the town, and may regulate the same if allowed to be established, any slaughter-house or place, or (for) the exercise within the town of any offensive or unhealthy trade, business or employment.

Sec. 31. That the board of commissioners of the town of Vandemere shall have power, whenever they deem it necessary or to the interest of the town, to lay out or open new streets, or to widen, enlarge, change, extend or discontinue any street or streets, or any part thereof, within the corporate limits of said town; and shall have full power and authority to condemn, appropriate or use any land or lands necessary for, the purpose named in this section, upon making reasonable compensation to the owner or owners thereof; and in case the owner or owners and the commissioners cannot agree as to the damages, then the matter shall be referred to arbitration, each party choosing one, who shall be a freeholder and citizen of said town. But if the owner or owners of the land shall refuse to choose such arbitrator within two days after notice, then the board shall select one in his stead for him; and in case the two chosen aforesaid cannot agree, they shall select an umpire within two days after their appointment; and if they cannot agree on the third man within said time, then the board may also appoint the third man. It shall be the duty of the arbitrators aforesaid to meet on the premises or land to be condemned and assess the damages that the owner, or owners, may sustain by reason of such condemnation, deducting, however, from the same the estimated value of the improvement that may accrue to the premises by the opening or improvement of the street, or the changing or discontinuing of the same. The owner, or owners, shall have at least ten days' notice of the condemnation for the purpose of appointing his arbitrator, said notice to be served by the town marshal, or any other person authorized to serve notices. In case the arbitrators, after the selection of the third man aforesaid, cannot agree as to the damages, then the opinion of any two shall prevail and be returned as the award of the arbitrators. The arbitrators shall return a report of their valuation to the board of commissioners, who may confirm the same, and after the confirmation of the same shall cause the same to be entered on their minute book; and the said report, so confirmed, shall be in all respects the same as a judgment against said town; and said confirmation shall be a complete, perfect appropriation of said land or lands for said purposes; Provided, however, that the owner, or owners, if dissatisfied with the report of the arbitrators, may, if the same be confirmed, appeal to the next term of the superior court of the county, Appeal.
where the same may be heard anew as to the amount of damages sustained; but the said appeal shall not have the effect of staying the proceedings for making the desired improvement; and all damages agreed on by the commissioners, or awarded by the arbitrators, shall be paid, as other liabilities of the town, by taxation.

Sec. 32. That all officers who may be intrusted with the funds of the town may be required to give bond in such sum as the board may require.

Sec. 33. That all penalties imposed relating to the town, or by this act, by any ordinance of the town, unless otherwise provided, shall be recoverable in the name of the town of Vandalia before the mayor or any tribunal having jurisdiction thereof.

Sec. 34. That the board of commissioners shall not have power to impose, for any offense, a larger penalty than fifty dollars, nor a greater fine than fifty dollars, nor longer punishment than thirty days, unless the same be expressly authorized; and from any judgment of the mayor for any fine, penalty or imprisonment which is imposed, or allowed to be imposed by this act, or for any other cause of action herein allowed, the party dissatisfied may appeal, in like manner and under the same rules and regulations as are prescribed for appeals from the judgment of a justice of the peace, to the superior court.

Sec. 35. That every imprisonment or commitment, by virtue of this charter, shall be in the public jail of the county; Provided, however, that the mayor may, if he thinks proper, order the commitment to be in the town lock-up.

Sec. 36. That in all cases where judgment may be entered against any person or persons for fines or penalties according to the laws and ordinances of the town, and the person or persons against whom the same is adjudged refuses and is unable to pay such judgment, it may and shall be lawful for the mayor to order and require such person or persons so convicted to work on the streets or public works till, at fair rates of wages, such person or persons shall have worked out the full amount of judgment and all the costs of suit.

Sec. 37. That all the streets in said town, except Mill street, Second street, and Main street from Bay river to Second street, which are hereby discontinued, shall be, and are hereby, declared to be public streets.

Sec. 38. That until the election provided for in section seven of this act, U. C. Holton shall be mayor, and J. H. Edwards, D. H. Abbott, J. L. Jones, John Morris and Charles Griggs shall be commissioners.
Sec. 39. That the commissioners shall have power to work the streets in said town under the state laws for working public roads, if they so elect.

Sec. 46. That this act shall be in force from and after its ratification.

That all the property of said corporation shall be liable to an ad valorem tax, including shares of stock belonging to its stockholders, and said property, including such shares of stock, shall be listed and given in by the proper officers of the corporation and assessed for taxation in the county where the real estate or plant may be situated, and shall not be liable for taxation elsewhere; and in case said corporation establishes manufacturing plants in more than one county, the amount of stock shall be listed by the proper officers of the corporation pro rata, estimated according to the value of such plant or plants, in the respective counties.

Sec. 10. That the affairs of said corporation shall be managed by a president or vice-president, and a board of directors, and the persons named in the first section of this act are hereby constituted provisional directors of the corporation, of whom a majority shall constitute a quorum, and they shall hold office as such directors until the first election of directors under the provisions of this act, and shall have power forthwith to open stock books and procure subscriptions of stock in said corporation; and as soon as shares to the amount of fifty thousand dollars of the capital stock of the corporation shall have been subscribed, any one or more of the provisional directors may call a meeting of the subscribers, at Charlotte, North Carolina, for the purpose of organizing the corporation, electing directors, etc., giving at least ten days' notice in writing to the subscribers of the time and place and purpose of the meeting. At such meeting the stockholders may choose not more than five nor less than three persons from among the stockholders as directors of the corporation, three of whom shall always constitute a quorum. The stockholders shall annually be elected by ballot at a regular meeting of the stockholders, and shall act under such by-laws and regulations as the corporation may from time to time adopt, and shall hold their office until their successors are elected; thereafter the regular meeting of the stockholders for the election of directors and other general purposes shall be held once in each and every year, at such place and on such day, and upon such notice, as the by-laws may direct. All vacancies in the board of directors, or in any office of the company, shall be filled by the directors of the company. The capital stock of said corporation shall be divided into shares of one hundred dollars each, and at all meetings of the stockholders every stockholder shall be entitled to as many votes
as he owns shares in the corporation, to be cast in person or by proxy; and at all meetings a majority of the stock subscribed, represented in person or by proxy, shall constitute a quorum. The stockholders of the corporation shall have full power to make all necessary by-laws, rules and regulations, not forbidden by law, for the government of the affairs of the corporation, for meeting calls upon stock subscribed, and for the enforcement of such calls by forfeiture of stock or otherwise.

SEC. 11. That the stockholders shall not be individually or personally liable for any of the contracts, obligations, indebtedness, defaults or trusts of the corporation, and no stockholder shall be liable to pay for more stock than he subscribed for.

They shall also elect a secretary and treasurer, and shall have the right to designate his salary and term of office, and may require of him a satisfactory bond. Sec. 56. Whenever, in the opinion of the board of aldermen
of said city, it is advisable to obtain land or right of way therein
for the purpose of opening a new street therein, or widening or
straightening a street therein, or making culverts or water-ways
for carrying water out of any street therein, and said board of
aldermen and the owner or owners of such land or right of way
cannot agree as to the amount of damages consequent there-
upon, as well as to the special advantage which may result to
the owner or owners thereof by reason of such opening, widen-
ing or straightening of the street, or making of such culvert or
water-way, said board of aldermen may direct the mayor of said
city to issue, and he shall thereupon issue his writ, under the seal
of said city, commanding a marshal thereof to summon a jury of
six freeholders of said city, unconnected by consanguinity or
affinity with any of the persons supposed to be affected by said
proposed improvement, in which writ the proposed improve-
ment shall be fully described and the persons who are supposed
to be affected thereby shall be named. Such marshal shall, in
obedience to said writ, summon a jury of six freeholders, as afore-
said, and direct them to assemble at the mayor's office in said
city at a time by such marshal appointed, not less than twenty
nor more than thirty days after the date of such writ. Such
marshal shall also serve notice of the time of meeting of
the jury upon all the persons who are named in such writ as
supposed to be affected by such proposed improvement, at least
fifteen days before the date appointed for the meeting of the
jury. Such notice shall be in writing and signed by said
marshal and addressed to the person or persons upon whom
service thereof is made, and shall state the time appointed for
such meeting of the jury and designate briefly the proposed
improvement, and may be issued as a single notice to all per-
sons named in said writ or as a separate notice to every one of
them or to any two or more of them. Such notice shall be served
upon the person or persons therein named, or his, her or their
agent, by reading the same to him, her or them, and if any
such person or his, her or their agent cannot be found in said
city the mayor of said city shall, upon affidavit thereof made
and filed before him by such marshal, direct such notice to be
served by posting a copy of the same at the courthouse door
in said county of Buncombe for at least fifteen days immedi-
ately preceding the time appointed for the meeting of such
jury, and upon such direction of the mayor it shall be the
duty of such marshal to so post the same, and such posting
shall, upon the expiration of the time in such order designated,
be a sufficient service of such notice and the party shall then
be duly notified of such proceeding. Such marshal shall duly

Immediately after the jury shall have been so sworn they shall proceed, accompanied by such marshal or deputy marshal, to view the land of every person named in the writ, and shall assess the damages, if any, to every one of the premises which they have viewed, and the special benefit, advantage or enhanced value, if any, which will accrue by reason of said proposed improvement to every one of the premises which they have viewed. Said jury shall forthwith return to said board of aldermen, by filing it with the clerk thereof, a statement in writing signed by every of them, or a majority of them in case they cannot agree, setting forth distinctly a full itemized report of their proceedings, and stating separately the amounts of damages or special benefits, or both, as the case may be, which they have assessed to every one of the premises so viewed by them. The marshal in charge of said jury shall keep them together until they shall have agreed on all matters submitted to them as aforesaid, and have made and signed their report as aforesaid, or in case of their inability to so agree, or twenty-four hours from the time of their return from reviewing said premises to said office of the mayor, to which they shall so return in every case immediately for deliberation, and until they have signed a report, as hereafter specified, upon any disagreement. If such jury shall be evenly divided so that they are unable to agree on their report, or any part thereof, they shall make and sign a report stating that fact and setting forth such items as a majority of them have agreed upon, if any such there be, and the names of the persons as owners and the particular premises in regard to the damage, special benefit or enhanced value of which they are evenly divided, or in regard to which a majority of them cau-
not agree, which report shall be filed in the same manner as the report hereinbefore provided for. On receipt of any such report, showing any disagreement of the jury, said board of aldermen shall, at its next meeting after the filing of such report, direct the mayor of said city to issue, and he shall thereupon issue under the seal of said city his order to a marshal of said city to at once summon a new jury, qualified for such duty as hereinbefore specified, and of the same number as hereinbefore directed, to be composed of different persons from those who constituted the jury so disagreeing, and such new jury shall proceed immediately after being duly sworn, as aforesaid, to take into consideration all parts of the report of the former jury on which that jury was not able to agree, and to view the premises in regard to which such disagreements were had, in the manner hereinbefore directed, and shall make their report in the same manner as hereinbefore provided. Such course shall be continued from time to time until all the matters in such original writ directed to be decided shall have been determined. At the first meeting of said board of aldermen after a complete report or reports upon the matters in said writ ordered to be directed shall have been filed as aforesaid, said board of aldermen shall consider and pass upon such report or reports. If said board of aldermen shall determine that any item of damages so assessed is excessive, it may reject such report or reports and discontinue the proposed improvement, and in case of such discontinuance no other proceeding shall within twelve months thereafter be commenced for a similar purpose in relation to any of the premises affected thereby or any part of the same without the written consent of the owner thereof. It shall be competent for said board of aldermen, in passing upon any such report or reports, to decrease or remit any item or items of special benefit, advantage or enhanced value therein contained, if it think proper so to do. If said board of aldermen shall think proper it shall order such report or reports, or such report or reports so modified by it as to special benefits or advantages or enhanced value, approved and the lands condemned in said proceedings shall vest in said city, so long as they may be used respectively for the purpose of said improvement, so soon as the amount of damages assessed to them respectively, decreased by the amount of special benefit, advantage and enhanced value so assessed against them respectively, shall have been paid as tendered to the owner or owners of such premises respectively, or deposited as hereinafter provided. In case of an appeal on any item, as hereinafter provided, such damages on the premises as to which such appeal is taken, decreased by the amount of special bene-
fits, advantage and enhanced value assessed against the same, shall be deposited with the clerk of the superior court of said county of Buncombe to be disposed of as so assessed, or as upon such appeal adjudged, subject to be reduced by any special benefits, advantage and enhanced value against such premises, assessed as aforesaid or on such appeal adjudged. Any special benefit, advantage or enhanced value so assessed against any premises, or an appeal adjudged against the same, unless paid or set off by damages assessed thereon, or on appeal adjudged on the same, shall, upon such approval of the board of aldermen, in case no appeal is taken upon such assessment of special benefits, advantage or enhanced value or damages, or upon final judgment in case of any such appeal, become and be a lien in favor of said city on said premises on which it has been so assessed or adjudged, as of the time when the board of aldermen passed upon the report regarding the same when said approval was had or appeal taken, and shall be paid to said city in equal installments, one, two and three years respectively, after the completion of such improvement, or in case of appeal and completion of such improvement before final judgment thereon, after such final judgment, and if any such installments shall remain unpaid for thirty days after its maturity all such installments then unpaid shall become due, and the premises so assessed or charged shall be sold for the payment of the same and the expenses of such sale and costs by the tax collector of said city, under the same rules, regulations, restrictions, rights of redemption, provisions and effects as are prescribed in this charter for the sale of real estate for unpaid taxes. Any owner of premises mentioned in any such report who is dissatisfied with the amount of damages assessed therein as done to said premises, or with any amount of special benefits, advantage or enhanced value therein assessed against the same, or said board of aldermen, if dissatisfied with any item in said report, any appeal, on any item with which he, she or they are so dissatisfied, from such report thereon or the action of the board of aldermen on such report, to the next term of the superior court of said county of Buncombe, by serving upon the adverse party a written notice of such appeal within ten days after said board of aldermen shall have so passed upon such report. On any such appeal the appellate court shall have power to increase, affirm or diminish the amount of the item appealed on, but not to adjudicate the necessity of the improvement, and such appeal shall in no wise hinder or delay the board of aldermen in making or carrying out the proposed improvement, but it shall be lawful for it to enter upon and use the property so con-
denounced as and for such purpose at any time after the expiration of two days from the date when the amount of damages assessed by the jury, decreased by special benefits, advantage and enhanced value, as aforesaid, shall have been paid or tendered, or in case of appeal deposited as aforesaid.

SEC. 57. Whenever any land, real estate, water, water-course or right of way, whether or not within the limits of said city, shall, in the opinion of said board of aldermen, be required for the purpose of erecting, making or establishing reservoirs, dams or ponds, tanks or other receptacles of water, or for laying conduit, main or supply pipes, or for obtaining a supply of water, or the erection or construction of houses, stations or machinery to be used in so doing, for the use of said city or its inhabitants, or for any other purpose connected with the successful operation of water works in or for said city, and the owner or owners of such property and said board of aldermen cannot agree as to the price to be paid therefor, the same may be condemned in the manner prescribed in this charter for the condemnation of land for streets, except only that when the property so condemned lies without the limits of said city the jury shall be composed one half of competent jurors from within said city and the other half of competent jurors of said county of Buncombe from without said city.
