OF THE

STATE OF NORTH CAROLINA.

SESSION 1905.
CHAPTER 1.

AN ACT REPEALING CHAPTER 84 OF THE PRIVATE LAWS OF 1897, ENTITLED "AN ACT TO INCORPORATE THE AUXILIARY BOARD OF HEALTH OF EDGECOMBE COUNTY."

The General Assembly of North Carolina do enact:

Section 1. That chapter eighty-four of the Private Laws of one thousand eight hundred and ninety-seven, entitled "An act to incorporate the auxiliary board of health of Edgecombe County," be and is hereby repealed, and that the following shall be substituted therefor:

Sec. 2. "That the Board of Commissioners of the County of Edgecombe be and are hereby authorized and empowered to annually appropriate the sum of five hundred dollars ($500) for the benefit of the Pittman Hospital, and shall annually pay over to the treasurer of the said hospital the said sum of five hundred dollars in monthly payments, beginning on the first of the month next after the ratification of this act. That the said hospital shall apply said sum to pay for the care and treatment of the sick paupers of the county receiving hospital treatment. (That if the care and treatment of the sick paupers of the county in any one year, reckoning from the date of the ratification of this act, computed as per regular schedule of rates of the hospital, shall amount to more than the said sum of five hundred dollars, then the county shall pay such excess for such care and treatment as other patients pay)."

Sec. 3. That upon the ratification of this act the office of Superintendent of Health of Edgecombe County shall become vacant and shall be filled as provided in chapter two hundred and fourteen, laws one thousand eight hundred and ninety-three, and amendments thereto.

In the General Assembly read three times, and ratified this the 2d day of March, A. D. 1905.
valuation of property in said school district and not more than one dollar and fifty cents on each poll in said district for the support and maintenance of the public graded school in said district; the amount to be levied each year by said board of aldermen to be determined by the said graded school committee, and the amount so determined and certified by said committee shall be levied by the board of aldermen, and the taxes so levied shall be collected by the town tax collector and accounted for as other taxes, but shall be paid to the treasurer of said school committee as collected; and the said board of aldermen are hereby given full power and authority to levy said tax upon the property and polls within said district; Provided, the right to levy and collect said tax shall be authorized by a majority of the qualified voters in said district as is provided by this act.

Sec. 7. That the moneys which shall from time to time be apportioned under the general school law of the State to the above-described school district shall be turned over by the Treasurer of Lincoln County to the treasurer of the said school committee for the benefit of said school.

Sec. 8. The said school committee shall elect one of their number as treasurer, whose receipt for such moneys shall constitute a sufficient voucher in the hands of any person paying the same, and the said treasurer shall report monthly to the said school committee his receipts and disbursements, with all vouchers for the same. The moneys received as aforesaid and all other moneys coming into his hands shall be held by the treasurer of said committee as a fund to be disposed of under the direction of the aforesaid school committee, whose warrants, signed by the chairman and countersigned by the secretary of said committee, shall be the only valid vouchers in the hands of said treasurer for the disbursement of said money in any settlement required of him by the law. The said treasurer shall furnish annually, on the first Monday of July, to the board of aldermen a statement in writing of his receipts and disbursements of the school money, properly and duly audited and approved by the chairman and secretary of the school committee; Provided, the accounts, books and vouchers of the said treasurer shall be open for the inspection of the said school committee at any time.

Sec. 9. That the said committee shall make to the board of aldermen annually, at such time as is required under the school law of the State, a report containing an accurate census of the school population of the said district, showing the work done, any money expended under their direction in the said district on account of public schools therein, a copy of which report shall be forwarded to the Superintendent of Public Instruction of the State and a copy to the Superintendent in the County of Lincoln.
Sec. 10. The beginning and ending of the school year shall be fixed by the committee. The school committee hereby created shall be a body corporate by the name and style of the Lincolnton Graded School Committee, and by that name shall be capable of receiving gifts and grants, of making purchases and of holding real and personal estate, of selling, mortgaging and transferring the same for school purposes, of prosecuting and defending suits for or against the corporation hereby created. Conveyance to said school committee shall be to them and their successors in office, and all deeds and other agreements affecting real estate shall be deemed sufficiently executed when signed by the chairman and secretary of said committee.

Sec. 11. That for the purpose of improving and enlarging and properly furnishing the present academy building in said town the Board of Aldermen of said Town of Lincolnton are hereby authorized and empowered, and it shall be their duty, to submit to the qualified voters of said town a proposition to issue not more than three thousand dollars in coupon bonds of said town, said proposition to be submitted to the said voters at the municipal election in one thousand nine hundred and six.

Sec. 12. That notice of the said election shall be published in a newspaper published in said town for four weeks, at the courthouse door and five other places in said town.

Sec. 13. Said notice shall contain the amount proposed to be borrowed, the rates of interest, the time at which the bonds are to become due, and the objects to which the same is to be applied, and said proposition shall provide for the payment of the interest on said bonds. That said election shall be held as other municipal elections as provided for in the charter of the town.

Sec. 14. That the vote on the said proposition shall be by ballot, which shall be written or printed, and those voting for the issuing of the bonds shall have written or printed on their ballots "For Schools." and those voting against the proposition shall have written or printed on their ballots "Against Schools."

Sec. 15. That if the proposition shall be adopted by a majority of the qualified voters of the said town the board of aldermen shall cause bonds to be issued in the name of the town of Lincolnton, in such denominations as they may deem best, bearing six per centum interest, payable semi-annually and payable at such time as shall be designated in the proposition submitted. The bonds shall be signed by the mayor and countersigned by the secretary of the board of aldermen, and shall have the seal of the town affixed thereto.

Sec. 16. That when said bonds are issued the board of aldermen shall turn them over to the graded school committee for sale: Provided, that said bonds shall not be sold for less than their par value. It shall be the duty of said board of aldermen, where the
said bonds are issued, to provide by taxation on all of the subjects of taxation within the corporate limits of said town to meet the interest on said bonds and the principal as the same may become due.

Sec. 17. The Board of Aldermen of the Town of Lincolnton shall at the same time and in the same manner submit to the qualified voters of said town the question of levying a tax for the maintenance and support of said graded school as provided for in this act. The vote on said proposition shall be by ballot, upon which shall be written or printed the words "For Levy," and upon others "Against Levy"; and if a majority of the registered vote shall have been cast "For Levy," then the said board of aldermen shall levy said tax as provided for in this act. Should a majority of the ballots cast have written or printed on them "Against Levy," then the said board of aldermen shall not levy said tax until the same is again submitted to the qualified electors of said town for the approval and adoption by a majority of the votes as above provided for: Provided, that in no event shall the proposal to levy said tax in any way affect the other provisions of this act so as to make the same void or inoperative, should the proposition to levy said tax for the support and maintenance of said graded school be defeated at any election at which the same may be submitted to a vote of the qualified electors of said town as hereinabove set forth.

Sec. 18. That the said Board of Aldermen of the Town of Lincolnton, upon the written petition of one-half of the qualified voters of said town, shall submit the question of levy or no levy as above set forth at any annual municipal or special election called by them for that purpose, after public advertisement of the same in the newspapers published in said town, under the same rules and regulations now provided for for annual municipal elections.

Sec. 19. The school committee provided for by this act shall have the right to control the site, lands, buildings and other property belonging to the Piedmont Seminary, and the title thereto is hereby vested in said committee and their successors, and said school committee shall succeed to all the rights given and belonging to the trustees of the Piedmont Seminary under and by virtue of the act incorporating the same.

Sec. 20. All laws or parts of laws in conflict with this act are hereby repealed.

Sec. 21. This act shall be in force from and after its ratification.

In the General Assembly read three times, and ratified this the 18th day of February, A. D. 1905.

AN ACT EMPOWERING THE CITY OF WILMINGTON TO PAVE AND IMPROVE THE STREETS AND SIDEWALKS IN SAID CITY.

The General Assembly of North Carolina do enact:

PART I. STREETS.

Section 1. That the Mayor and Board of Aldermen of the City of Wilmington shall have full power and authority and it is hereby made their duty to grade, pave, macadamize and otherwise improve for travel and drainage the streets, sidewalks and public squares and alleys of said city, and construct crossings, curbings, drains and cross-drains and otherwise properly improve them, and that the said mayor and board of aldermen shall begin the said work at once and prosecute the same as vigorously as practicable in accordance with the provisions of this act.

Sec. 2. In order to more fully carry out the duty imposed by section one of this act the said mayor and board of aldermen shall, whenever determined necessary by the Board of Aldermen of the City of Wilmington, pave with macadam, lime rock, coquina or other material of like nature the streets or portion of streets so determined necessary to be paved with such material, and shall, if necessary, construct crossings, curbings, curbs and cross-drains for proper drainage of such streets or portion of streets so to be paved, the cost of which shall be paid for out of the annual appropriation for street improvements to be provided for by the city of Wilmington.

Sec. 3. Whenever it is determined necessary by the Board of Aldermen of the City of Wilmington to pave or otherwise improve for travel any street or portion of a street with material of a permanent or lasting nature, the said board of aldermen shall order and require the city engineer to make a survey of the street or portion of the street to be improved, and shall order and require an estimate to be made by the street and wharves committee of the board of aldermen, showing the cost to properly pave with macadam, lime rock, coquina or other material of like nature the streets or portion of streets so determined necessary to be paved with such material: also the cost of constructing, if necessary, crossings, curbings, drains and cross-drains for proper drainage of such streets or portion of streets so to be improved, and shall also order and require a separate estimate to be made by the street and wharves committee showing the actual cost to construct and pave said street or portion of street with vitrified brick, asphalt, bithulathic material, concrete, rock or other material of a
similar permanent and lasting nature, the particular material to be specified by the board of aldermen; also the cost of constructing, if necessary, crossings, curblings, drains and cross-drains for proper drainage of such streets or portion of streets so to be improved, and shall find, show and state the amount of the cost, and shall also find, show and state by report to the board of aldermen the actual difference in dollars and cents between the cost of paving with macadam or other material of a like nature and the cost of paving with vitrified brick or other material of a like nature; and the said actual difference so found, shown, reported and approved by the board of aldermen shall be paid, as herein-after provided, by the property-holders owning property abutting on such streets or portion of such streets so to be improved. And when said actual difference in the costs shall have been found, stated and approved by the Board of Aldermen of the City of Wilmington, the said city of Wilmington shall proceed to pave and construct such streets with vitrified brick or other such material of a permanent nature as the board of aldermen shall specify, and shall assess one-half of the actual difference aforesaid on the real estate abutting on the street or portion thereof so improved or repaired, assessing one-half of the actual difference aforesaid of such improvement on the real estate abutting on each side of the street or part so improved or repaired: Provided, that whenever any such street or part thereof so proposed to be paved with vitrified brick or other material of a permanent nature lies south of Castle Street, north of Red Cross or east of Ninth Street, the said mayor and board of aldermen shall not be authorized to pave with said material any street lying outside of the said district as in this act above set forth, until and unless the persons owning land abutting on such street or portion thereof proposed to be improved which has more than one-half of the frontage abutting on such streets or the portion thereof proposed to be improved shall in writing request the said mayor and board of aldermen to make such improvements; but the nature and kind of the material used in such improvement so made shall be left to the discretion of said board of aldermen in all cases.

**Sec. 4.** In order to avoid obstructing land-owners in subdividing and selling their property by reason of the liens hereinafter created upon the same, such land-owners may subdivide their lands in such manner as they may see fit, and shall file in the office of the city clerk a plat of subdivisions, marking the lots fronting on the streets so paved or to be paved, and where in such cases any lands fronting on such improvements are so subdivided into lots, each of said lots fronting on such improvements shall be and remain charged with its ratable proportion of said assessments and lien according to its frontage. Whenever the mayor and board of aldermen shall order paving or other improvements to be

Sec. 5. That the amount of the assessments for such street improvements as hereinbefore provided, being estimated on each piece of real estate as above directed, shall be a lien on such real estate, and the said mayor and board of aldermen shall cause the city engineer to make a survey and a report of the amount of the work done and the cost thereof, upon what streets or portions thereof, showing the name of each abutting owner thereof, the number of front feet of each lot and the pro rata shares of such cost of such street improvement to be assessed against such real estate, and upon the adoption and approval of the said report the liens authorized by this act shall become complete and operative and shall be paramount to all other liens on said real estate except the liens for taxes thereon, and the said report shall be transcribed upon the minutes of the said board of aldermen, and the amount of said liens and the said assessments against all property abutting on said streets as aforesaid shall become due and payable thirty days after the adoption of said report.

Sec. 6. Upon the filing of said report, the said mayor and board of aldermen shall cause a notice to be given by publication in some newspaper published in the city of Wilmington, stating that such report has been filed in the office of the city clerk and that at the first regular meeting of the said board of aldermen, to be held after the expiration of ten days after the publication of the notice, the said board of aldermen would consider said report, and if no valid objection be made thereto the same would be adopted and approved by the said board. Any owner of land affected by said lien for assessment shall have the right to be heard concerning the same before the said board of aldermen by filing objections thereto in writing, duly verified by his oath, in the office of the city clerk at least two days prior to the first regular meeting of the board at which said report may be approved and confirmed, but not thereafter. The adoption and approval of said report of the city engineer by said mayor and the board of aldermen shall complete the said liens for the amount therein stated against each of the separate

pieces of real estate therein described, and the same shall become due and payable as aforesaid, and in case of a failure to pay said assessments within the said thirty days, then the whole thereof shall become due and payable, and an execution shall be issued by the Clerk of the Superior Court of New Hanover County, directed to the city clerk and treasurer of the said city, who shall advertise the lands upon which the said assessments so in default have been made as aforesaid in the same manner as is required by law for the sale of lands for taxes under the provisions of the charter of said city, and shall sell the said lands, or a portion thereof, at the court-house door in New Hanover County, North Carolina, in the same manner as he is required to sell real estate in said city in cases of the failure to pay the taxes due thereon, and shall give to the purchaser a receipt stating the time the land was advertised, the date of sale, the name of the purchaser, the price paid, the amount of the assessments due thereon, the costs of the sale, the name of the owner or owners of the land sold, the interest in said land so sold as aforesaid, and a description of the same, and the owner or owners of the land so sold as aforesaid shall have twelve months within which to redeem the said lands from such sale by paying to the tax collector of said city the amount for which said lands were sold, together with six per centum per annum additional thereto. In making such sale the said city clerk shall set up and offer for sale the whole of the real estate to be sold, and the same shall be struck off to the person who will pay the amount of the assessment due thereon, with all costs and expenses for making the sale. For every piece of real estate or part thereof so advertised said city clerk shall also collect in the same manner as all other assessments are collected the sum of one dollar to defray the expenses of such advertisement. All such sales shall be made to the highest bidder for cash, on any day of the week or month except Sunday or legal holidays, and he shall be deemed the highest bidder who will pay such assessments and expenses of the sale. And if no person shall bid enough to pay such assessments and expenses said city clerk shall bid on behalf of the city of Wilmington the amount of such assessments and expenses, and if no higher bid shall be made the same shall be struck off to the said city of Wilmington, and in all cases where real estate shall be struck off to the city, as heretofore provided, the same shall belong to the city in fee-simple unless redeemed in the manner prescribed by law, and said city clerk shall immediately thereafter make a return to the board of aldermen of said city by filing in the office of the clerk of said city a statement of the proceedings, showing the purchaser or purchasers of said real estate and the amount of interest in such real estate or each part thereof that was sold, which shall be entered by him upon the minute-books of the said board of aldermen. If the land so sold as aforesaid is
not redeemed within twelve months, then the city clerk of said city shall make to the purchaser or purchasers a deed in fee-simple for the said lands so sold as aforesaid, and the said deed shall operate to convey to the purchaser and his heirs the title to the said land in fee-simple: Provided, however, that the owner of any land subject to the liens and assessments hereinbefore mentioned shall have the privilege of paying off all of said assessments at any time before maturity, and upon such payment the said liens shall be released and discharged.

Sec. 7. Any person objecting to the confirmation or approval of said report as referred to in section six shall state in said objection, in writing, what part, if any, of said assessments he admits to be lawfully chargeable to his said land and what part thereof he disputes, and said board of aldermen shall hear said objection and shall thereafter approve or confirm said report and overrule said objections or modify or correct said report in such manner as to make the same correspond with the true intent and meaning of this act. Any person who shall have filed objections as aforesaid to the confirmation of said report shall have the right within five days after the approval or confirmation of the same by the said board of aldermen, and not after that time, to appeal from the said decision of the said board of aldermen to the next term of the Superior Court of New Hanover County, North Carolina, by serving upon said city notice in writing of his intention so to do, and specifying in said notice the item or items in said report which he disputes, and by filing within said time in the office of the Clerk of the Superior Court of New Hanover County a written undertaking in at least double the amount involved, with sufficient sureties, to be justified before and approved by said clerk, to the effect that said appellant will pay to said city all such costs and damages as it may sustain by reason of such appeal if the court shall finally render judgment against said appellant. In case of an appeal as aforesaid a copy of said report in so far as it affects the property of the appellant as the same was approved by the mayor and board of aldermen, a copy of the objections of the appellant thereto and of said notice duly certified by the city clerk shall constitute the record on appeal, and when filed in the office of the clerk of the superior court of said county the same shall be docketed on the civil issue docket in the name of the person taking such appeal against the city of Wilmington as “an appeal from an assessment,” and the cause shall then be deemed to be at issue without any further plea on the part of said city, but said city shall have the right to file a further answer or defense thereto if it be so advised, and said cause shall stand for trial at the next term of court: Provided, that if said appeal is not docketed and said bond is not filed by the appellant within ten days after the confirmation of said report all right to prosecute such appeal shall
be thereby forfeited, and upon the trial of the issues arising on such appeal if all the issues be found in favor of the appellant the lien for said assessments shall be discharged; if, however, the issues, or any of them, be found in favor of the city of Wilmington to any amount, and if it be thereby ascertained that the appellant is due the said city any amount by virtue of the matters therein referred to, or that said land is subject to a lien for said assessments, or any part thereof, then the amount so found in favor of the city of Wilmington, with interest thereon, together with costs thereon accrued, which costs shall be assessed as costs in other civil actions, shall be and continue a lien against the property upon which the original assessment was placed from the date of the approval of said report by said board of aldermen, and shall be collected by the city clerk in such manner as the other assessments herein provided for are collected.

Sec. 8. That the mayor and board of aldermen of said city, by the street and wharves committee, shall have the exclusive control and management of the work of improving said streets and sidewalks, and the cost thereof shall be paid out of the permanent street improvement fund to be provided for in annual appropriations made by the city of Wilmington: Provided, however, that whatever of the cost of the street improvements which may be paid by or assessed against the property of any street railroad or railway company as provided for by law shall be deducted from the entire costs of such improvements, the remainder of said costs and assessments to be paid according to the basis hereinbefore mentioned, viz., one-half on the real estate abutting on each side of the street or part thereof so improved or repaired.

Sec. 9. That said mayor and board of aldermen are hereby authorized and empowered to assign, sell and transfer the said liens created by this act and all sums owing thereon, either absolutely or upon condition, to any person or persons in order to enable them to raise means to carry into effect the provisions hereof, and if any such liens shall be transferred as aforesaid and shall not be paid to the owner thereof when due, they shall be collected by the city clerk of said city in the same manner as other assessments hereinbefore provided for in this act, and the amount thereof when collected shall be paid by said city clerk to the owner or owners of said liens, less two per centum of the amount actually collected by him, which shall be paid to the city treasurer to cover the costs of such collection.

Sec. 10. That all funds derived from assessments heretofore or hereafter levied by said Mayor and Board of Aldermen of the City of Wilmington upon private property on account of improvements of the streets upon which such property abuts shall, when collected and received by the city of Wilmington, constitute a separate fund to be designated as "The Permanent Street Improvement Fund."
and the same shall be kept separate from all other funds of the said city, and separate record thereof shall be kept by the city clerk, and said funds and every part thereof shall be applied by said mayor and board of aldermen exclusively to the grading, paving, macadamizing or otherwise improving the streets of said city according to the true intent and meaning of this act.

Sec. 11. That said mayor and board of aldermen are hereby authorized and empowered to make and enter into any and all contracts and agreements subject to the approval of the board of audit and finance, and to pass, ordain and to enforce any and all orders, rules and regulations that may be necessary and proper to carry out the provisions of this act.

PART II. SIDEWALKS.

Section 1. The Board of Aldermen of the City of Wilmington is hereby authorized and empowered to cause, by resolution of the board of aldermen, the property-holders owning property abutting on the streets of the city of Wilmington to properly lay and construct, when determined necessary by said board of aldermen, sidewalks of such material as the said board designate, and likewise to properly repair same when determined necessary by said board.

Sec. 2. In the event any property-holder shall, after thirty days' notice, fail to pave and construct or repair any sidewalk so ordered by the board of aldermen to be done, then the said city of Wilmington shall lay and construct the same and shall charge up and assess the entire cost of same against the property abutting on the sidewalk so laid and constructed, and the same shall then become a lien as hereinbefore provided and shall be collected in the same manner as hereinbefore provided.

Sec. 3. Nothing herein contained shall require the city of Wilmington to do the work herein authorized by contract. So much of chapter one hundred and forty-three, section ten, pages two hundred and thirty-four and two hundred and thirty-five of the Acts of one thousand eight hundred and seventy-six and one thousand eight hundred and seventy-seven as makes it mandatory upon the city of Wilmington to do all street improvement work by contract and awarding the same to the lowest bidder is hereby repealed, and in lieu thereof the city of Wilmington is hereby authorized and empowered, as the board of aldermen may determine, to do the work of street improvement, guttering, grading or repairing the said streets either by contract or by means of the street and wharves department of the city of Wilmington.

Sec. 2. In all such cases as are herein mentioned the board of aldermen of said city may require any person, firm or corporation owning or using gas-mains, gas-pipes, water-pipes, sewer-pipes or other pipes whatever, or underground electric or other wires in or under said streets so being paved or macadamized or about to be paved or macadamized, to forthwith make all their lateral connections in said streets, at least to the edge thereof, before said streets are paved or macadamized, so as not to interfere with the progress of the paving or macadamizing, and for failure for twenty days after notice of said requirement to comply with same, said persons, firm or corporation shall be fined five dollars ($5) for each and every day within which he, they or it has failed to so comply.

SEC. 13. That among the powers hereby conferred on the board of aldermen they may borrow money or create a public debt, only after they have passed an ordinance by a three-fourths vote of all the board, at two separate regular meetings, submitting the question of creating a debt to the vote of the people, and a majority of the qualified registered voters have voted in favor thereof. Thirty days' notice of said election shall be given in some newspaper published in Macon County, at which election those favoring the creation of such debt shall vote "Approved," and those who oppose it shall vote "Not Approved." The bonds required of the clerk and treasurer and tax collector shall be renewed every year.

Sec. 15. He shall keep a fair and correct account of all moneys so received and disbursed by him in a book kept for that purpose, showing from what source money is received and for what purpose paid out, and shall submit said accounts to said board whenever required. He shall pay to his successor all moneys in his hands belonging to said town, and faithfully perform all duties imposed on him as clerk and treasurer by the laws and ordinances of said board.

Sec. 16. That the tax collector whose appointment is herein provided for shall be vested with the same power and authority in the collection of taxes that sheriffs have, and subject to the same fines and penalties for failure or neglect of duty. It shall be the duty of the board to remove any tax collector who shall fail to settle and fully pay off the taxes due by law from him, and he shall not be eligible to re-election to said office.

Sec. 17. The board of aldermen shall have power to appoint a police force, to consist of a chief of police or chief marshal and such number of policemen as the good government of the town may require, who shall hold their office during the term of the board appointing them and until their successors are appointed. The chief of police or marshal shall give bond in such sum as the board of aldermen may require for the faithful performance of the duties imposed by law and the ordinances of the town, and to faithfully account to the town for all moneys that may come into his hands from fines, penalties, etc. It shall be the duty of the chief of police or marshal to attend the mayor's court when in session, and report at such times as the board may require, not less than once in each week, to the mayor any violations of law or ordinances of the city, to collect all fines and penalties imposed and pay them to the town treasurer, and to execute the orders and judgments of the mayor's court; to see that the laws and ordinances of the town are enforced, and do such other things as may be required of him by the board. They shall execute all the processes directed to them by the mayor or others, and in the execution thereof shall have all the powers which sheriffs and constables have. The chief and members of the police force shall take an oath before the mayor for the faithful performance of the duties by law and ordinances.

Sec. 18. The members of the police force shall be entitled to receive the same fees arising from the execution of precepts as sheriffs and constables for the same service, which fees shall be collected and paid into the treasury of the town. The board of aldermen shall pass ordinances for the government and direction of the police and fix their compensation. In times of exigencies the mayor may appoint temporarily additional policemen for such time as shall appear necessary, not exceeding one week, who shall take the same oath and shall be subject to the same control as regular policemen.

Sec. 19. The mayor may at any time, upon charges being preferred, or upon finding any member of the police force guilty of misconduct, have power to suspend such members from service until the board of aldermen may convene and take action in the matter, and upon hearing the proofs in the case the board may discharge or restore such member, and the pay of such member
shall cease from the time of such suspension to the time of his restoration to service. Any violations of the regulations of the board or orders of the mayor shall be good cause for dismissal. The mayor shall suspend the chief or any member of the police force if found drunk or disorderly when on duty. The police shall have general power to do whatever may be necessary to preserve the good order and peace of the town and secure the inhabitants from personal violence and their property from loss or injury.

Sec. 20. That the clerk and treasurer shall, on the third Monday in May of each and every year, make advertisement in some newspaper, notifying all persons residing in the town of Franklin who own or have control of taxable property in the town on the first of June to return to him on or before the last day of June a list of their taxable property in said town. Said list shall state the number of lots or parts of lots and all other property now taxable or that may hereafter be made taxable by the laws of the State or the ordinances of the town, and the list so returned to the clerk and treasurer shall be sworn to before him, and he is hereby authorized to administer to them the following oath: “I. . . . . . . . . do solemnly swear that the tax return made out and returned by me contains a full and accurate list of the number of lots owned by me in said town, a full and accurate list of all property, stocks, bonds, shares in incorporated companies, income, solvent credits and all other property of all kinds and descriptions subject to taxation by the laws of the State and ordinances of the town, according to my best information and belief: So help me, God.”

And from the return so made the clerk and treasurer shall, within thirty days after the expiration of the time for taking said list, make out in a book kept for that purpose an alphabetical list of the persons and owners of property who have so made their return in the same manner as tax lists are made out by law for the collection of State taxes. And the clerk and treasurer shall copy in said book the assessments made by the board of township assessors of all property within the town limits, which assessment may be revised, corrected or amended by the board of aldermen.

Sec. 21. That the clerk and treasurer shall, within thirty days from the return of the tax list, make out, to the best of his knowledge and belief, by comparing his book with the returns made by the board of township assessors and by diligent inquiry from other sources, a list of taxable polls and owners of taxable property in said town who shall have failed to return a list in the manner and time aforesaid, and said person so listed shall forfeit and pay a sum to be fixed by the board of aldermen not exceeding twice the amount of his tax, which penalty may be recovered as other fines and penalties are recovered by the board of aldermen before the mayor or a justice of the peace.
SEC. 22. That in order to raise a fund for the expenses incident to the proper government of the town, the aldermen may annually levy and collect the following taxes, viz.:

One. On all real estate and personal property in the town, a tax not exceeding thirty-three and one-third cents on every hundred dollars value of property, and on all taxable polls a tax not exceeding one dollar, who may be residents of the town on the first day of June of each year or may have been so resident within sixty days next preceding that day; the constitutional equation to be observed in all levies.

Two. On all carriages, buggies, hacks and horses used in the town for hire, a tax not exceeding five dollars.

SEC. 23. As soon as the clerk and treasurer shall have furnished the assessment roll as provided, and the same shall have been revised by the board, the board of aldermen shall proceed to levy the taxes on such subjects of taxation as they may choose, and shall place the tax list in the hands of the collector for collection, who shall proceed forthwith in the collection, and shall complete the same on or before the first day of January next ensuing, and shall pay the money as collected to the treasurer; and the collector for his compensation shall receive not exceeding three per cent, on the amount collected.

SEC. 24. That if any person liable to taxes on subjects directed to be listed shall fail to pay them within the time prescribed for collection, the collector shall proceed forthwith to collect the same by distress and sale, after public advertisement for the space of ten days in some newspaper published in the county, if the property to be sold be personality, and of thirty days if the property be realty.

SEC. 25. That when the tax due on any lot or other land which is hereby declared to be a lien on the same shall remain unpaid on the first day of January, and there is no other visible estate but such lot or land of the person in whose name it is listed liable to distress and sale known to the collector, he shall report the fact to the aldermen, together with a particular description of real estate, and thereupon the aldermen shall direct the same to be sold at the court-house door by the collector, after advertising for thirty days in some newspaper published in the county, which the collector shall do. And the collector shall divide the land or lot into as many parts as may be convenient (for which purpose he is authorized to employ a surveyor), and shall sell as many parts as may be required to pay said taxes and all expenses attendant thereon. If the same cannot be conveniently divided the collector shall sell the whole; and if no person will pay the whole of the taxes and expenses for the whole of the land the same shall be struck off to the town, and, if not redeemed as hereinafter provided, shall belong to said town in fee. The collector shall return an account of his proceedings to the aldermen, specifying the portions into which the land was divided and the purchaser or purchasers
thereof, and the prices paid by each, which shall be entered on the book of proceedings of the board, and if there shall be a surplus after paying said taxes and expenses of advertising and selling the same it shall be paid into the town treasury, subject to the demand of the owner.

Sec. 26. The owner of any land sold under the provisions of this charter and amendments, or any person acting for them, may redeem the same within one year after the sale by paying to the purchaser the sum paid by him and twenty-five per cent. on the amount of taxes and expenses, and the treasurer shall refund to him the proceeds, less double the amount of the taxes. That if the real estate sold as aforesaid shall not be redeemed within the time specified, the corporation shall convey to the purchaser or his assigns the same in fee; and the recitals in said conveyance, or in any other conveyance of land sold for taxes due the town, that the taxes were due, or of any other matter required to be true or done before the sale might be made, shall be prima facie evidence that the same was true and done.

Sec. 27. That in addition to the subjects listed for taxation the aldermen may levy a tax on the following subjects, the amount of which tax, when fixed, shall be collected by the tax collector immediately, and if the same be not paid on demand the same may be recovered by suit on the articles upon which the tax is imposed. Any other property of the owner may be distrained and sold to satisfy the same, viz.: One. Upon all itinerant merchants or peddlers selling or offering to sell in the town, a tax not exceeding fifty dollars per year, except such only as sell books, charts or maps, and such as sell only goods, wares and merchandise and other productions of the growth and manufacture of the State. CHAPTER 35.

AN ACT TO ESTABLISH WITHIN THE CITY OF ASHEVILLE A SPECIAL COURT TO BE CALLED THE POLICE COURT, AND PRESCRIBE THE JURISDICTION THEREOF.

The General Assembly of North Carolina do enact:

Section 1. A special court for the trial of misdemeanors and to be designated as the “Police Court” of the City of Asheville, is hereby established.

Sec. 2. Said police court shall be a court of record and shall be presided over by a police justice, who shall be a licensed attorney of good moral character in good standing, and an elector of the city of Asheville, who shall hold office for a term of two years, term of office, and he shall not be eligible to re-election. Said police justice shall be elected by the people at the time the other officers of the city of Asheville are elected, and he shall receive a salary of seventy-five dollars per month, the same to be paid by the city of Asheville.

Sec. 3. Said police court shall hold daily sessions at the city hall in the city of Asheville, and the daily sessions shall begin at nine A. M. and continue until the business of the court is dispatched.

Sec. 4. Said police court shall have all the jurisdiction and powers in all criminal offenses occurring within the corporate limits of the city of Asheville which are now or may hereafter be given to justices of the peace, and shall also have exclusive original jurisdiction to hear and determine all offenses and misdemeanors consisting of a violation of an ordinance of said city.

Sec. 5. Said police court shall, in addition to the jurisdiction conferred by section four of this act, have exclusive original jurisdiction of all other criminal offenses committed within the corporate limits of said city below the grade of felony as now defined by law, and all such offenses committed within said city are hereby declared to be petty misdemeanors.

Sec. 6. Warrants may be issued by said police justice for any person or persons charged with the commission of any offense of which said court has jurisdiction, and any person convicted in said court shall have the right of appeal to the superior court, and upon such appeal the trial in the superior court shall be de novo.
Sec. 7. In all cases heard by the justices of the peace and other committing magistrates against any person or persons for any offense included in section five of this act in which probable cause of guilt is found, such person or persons shall be bound in a suitable recognizance with sufficient surety to appear at the next succeeding session of said police court for trial, and in default of such recognizance such person or persons shall be committed to the common jail of Buncombe County, awaiting trial.

Sec. 8. All trials in said police court shall be upon warrant issued by said police court.

Sec. 9. All costs incurred in issuing of such warrants and for the serving of process arising from warrants upon which any defendant shall be bound to said police court shall belong to and be the property of such justice of the peace or of a sheriff of Buncombe County or the constable serving the same, as the case may be, and the same shall be paid to them by the proper authorities.

Sec. 10. Any person convicted in said police court of any of the offenses mentioned in section five of this act shall be fined or imprisoned, or both fined and imprisoned, according to law. Every person convicted of an offense shall pay the costs of the prosecution.

Sec. 11. Whenever any person is convicted in said police court of any of the offenses mentioned in section five of this act, and the punishment imposed is imprisonment and costs, the police justice shall sentence the defendant to the county jail of Buncombe County to be worked upon the county roads of Buncombe County until such sentence has been complied with. Any person convicted of any other offense, over which said police court has jurisdiction, and not included in section five, where the punishment is imprisonment and labor, shall be required to work upon the streets of the city of Asheville until the judgment of the court is complied with.

Sec. 12. Said police justice shall preside over said police court and try and determine all actions coming before him, the jurisdiction of which is conferred by this act, except in cases where he is legally incompetent to try the same, in which case the said case shall be, upon application of the defendant, removed for trial to such other court in the county of Buncombe as would, but for this act, have jurisdiction of the same. Such legal incompetency shall be considered to mean only such incompetency as would disqualify a judge of the superior court to try, under the same circumstances, a case pending in such last mentioned court.

Sec. 13. The proceedings of the said police court shall be the same as are now or may hereafter be prescribed by law for courts of justices of the peace, and in all cases there shall be a right of appeal on the part of the defendant adjudged guilty to the next term of the superior court. In all such cases of appeal the defendant shall be required to give bond with sufficient surety to
insure the defendant's appearance at the next succeeding term of
the superior court, and in default thereof said police justice shall
commit such defendant to the common jail of Buncombe County
until said defendant shall give such bond or be otherwise dis-
charged according to law.

Sec. 14. Said court shall also have jurisdiction to try all actions
for the recovery of any penalty imposed by law or this act, or by
any ordinance of said city, for any act done within said city; and
such penalty shall be sued for and recovered in the name of said
city of Asheville, and if incurred by a minor shall be recovered
from, and in an action against, his parents or guardian, or if he
be an apprentice, against his master. From any judgment for
such penalty imposed or allowed to be imposed by this act, or for
the violation of any ordinance of said city, either party may appeal
to the next term of the Superior Court of Buncombe County in
like manner and under the same rules and regulations as are
prescribed for appeals from judgments of justices of the peace;
and in case the police justice shall be disabled, by reason of re-
lationship, or otherwise incompetent to hear and determine such
action, the same may be instituted and prosecuted in any court
within said county which would, but for this act, have jurisdic-
tion thereof, under the same rules and regulations as if instituted
and tried in said police justice's court, where applicable. In all
cases where judgment may be entered up against any person for
fines or penalties, according to the laws and ordinances of said
city, as for criminal offenses, and the person or persons against
whom the same is so adjudged, refuse, fail or are unable to pay
such judgment, it shall be lawful for the police justice of said
city to order and require such person or persons to work on the
streets or other public works of said city, under the supervision of
the chief of police or street overseer thereof, and under such rules,
regulations and forms of discipline as may be from time to time
prescribed by the board of aldermen thereof, until, at a fair rate
of wages to be prescribed by said board of aldermen, such person
or persons shall have worked out the full amount of such judg-
dment and costs of prosecution.

Sec. 15. All penalties collected for any misdemeanor consisting
of a violation of the charter or of any ordinance of said city,
whether in the court in which the prosecution originated or in the
court to which it was carried by appeal, shall belong to said city,
and immediately upon collection shall be paid to the treasurer of
said city; and all judgments rendered in any court for such fines
or penalties shall belong to and be controlled by said city and
collected in the same manner in which by law such judgments
would, but for this section, be collected and enforced. All pen-
talties hereinafter provided to be recovered in the name of said
city of Asheville shall belong and, upon collection, be paid to said
city, and all judgments for the same shall belong to and be con-

Sec. 16. The police justice of said city may issue his precepts to the Sheriff of said County of Buncombe, or to any constable or policeman, or to any officer to whom a justice of the peace may direct his precepts.

Sec. 17. The said police justice shall cause to be kept a faithful minute of the precepts issued by him and of all his judicial proceedings. Precepts issued by said police justice shall be executed by the Sheriff of Buncombe County or any of the police officers of the city of Asheville or other officers to whom they are directed, or any of them anywhere in the county of Buncombe, and the costs allowed in said court shall be the same as those allowed by law in similar proceedings before justices of the peace: Provided, however, that all costs recovered and collected in or on account of any and all prosecutions or proceedings in said police court, whether collected in said police court or in the superior court, on appeal, shall belong to said city and shall be turned over by the officer collecting the same, within ten days after said collection, to the treasurer thereof to be used in and for the support and maintenance of the police department of said city; except, however, that the costs for all processes and warrants which may be due to any justice of the peace in cases where defendants are bound to the police court, and all costs due to the Sheriff of Buncombe County or any constable of Asheville Township, for serving any process issued by said police justice or by any justice of the peace for Buncombe County in cases in which said police court has jurisdiction (defendants are bound by said justice of the peace to the said police court), shall be paid to the officer or officers earning the same.

Sec. 18. In case of a vacancy occurring in the office of police justice of said city for any cause, such vacancy shall be filled by the election of a police justice for the remainder of the term by the board of aldermen of said city. Said police justice shall be liable to removal from office by the board of aldermen, but only after notice of the charges against him and a full opportunity to be heard, and the penalty for misconduct, amounting to nonfeasance, misfeasance or malfeasance in office. In case of the temporary absence of the said police justice from the city, or other temporary inability or disability on his part to perform the duties of his office, the same shall devolve upon and be performed by the substitute police justice hereinafter provided for.

Sec. 19. Immediately upon the qualification of said police justice, or as soon thereafter as may be practicable, and biennially
thereafter, the Board of Aldermen of the City of Asheville shall elect a citizen of said city possessing all the qualifications required for police justice to fill the office of substitute police justice, which is hereby created. The term of office of said substitute police justice shall be concurrent with that of said police justice, and any vacancy occurring in said office of police justice shall be filled by said board of aldermen. Said substitute police justice shall receive in full compensation for his services the sum of five dollars per day for such time as he may be actually engaged in the performance of the duties of said police justice, the same to be deducted from the salary of said police justice and not to exceed in any calendar month the full salary of said police justice for that month.

Said board of aldermen are also authorized, in their discretion, to appoint a prosecutor for said police court and to fix his salary for the same, or it may in its discretion direct the Corporation Counsel of the City of Asheville to appear as prosecutor in said police court, and to fix such additional compensation for said corporation counsel as to it may seem best.

Sec. 96. That whenever in the opinion of the aldermen it is advisable to obtain land or the right-of-way in the city for the purpose of opening new streets, or widening or straightening streets already established, or for making of culverts or waterways for carrying water out of the streets, or for laying sewer-pipes, or for any other necessary public purpose, and the aldermen and the owners of property affected by such proposed improvement cannot agree as to the amount of the damages consequent thereupon, as well as to special advantage which may result to the owners thereof, or to the owners of property in the close vicinity of such proposed opening, widening or straightening of said street, or the building or otherwise establishing of such culvert or water-way, sewers or other improvements, the mayor, upon order of the aldermen, shall issue his writ under the seal of his office, commanding the chief of police or other officer of the city to summon a jury of six freeholders of said city unconnected by consanguinity or affinity with any of the persons supposed to be affected by said improvement, and in said writ the proposed improvement shall be fully described and the persons mentioned who are supposed to be affected thereby. In obedience to said writ the officer shall summon the jury of six freeholders as aforesaid, and appoint a day for them to assemble at the mayor's office; the day so appointed shall not be less than ten nor more than twenty days from the date of the writ. The officer in charge shall also serve notice of the time of the meeting of the jury upon all persons who are named in the writ as supposed to be affected by said proposed improvements, which notice shall be at least ten days before the day appointed for the meeting of the jury, and in case of any such persons, their tenant or agent cannot be found in the city, then a poster at the court-house door stating in as few words as possible the proposed improvements and the date appointed for the meeting of the jury shall be sufficient notice. On the day appointed for meeting of the jury, the officer, if he has not already summoned them, shall proceed to do so, or fill any vacancy which may have occurred from any cause in the number which he may have previously summoned, and shall cause them to assemble at the mayor's office, where each of them shall take an oath, to be administered by the mayor or other competent person, that he will faithfully, truly, and impartially assess the damages, if any, which may in his judgment be done to the property of each person named in the writ or to any other person whose property may in his judgment be damaged by the proposed improvement, and that he will also assess any special benefit or advantage or enhanced value which may be caused to the property of any person named in the writ or any other property in the immediate vicinity of the proposed improvement. Immediately after the jury shall have taken the oath as above prescribed, they shall proceed, accompanied by
the officer, to view the land of each person mentioned in the writ, and the land of any other person in the immediate vicinity of the proposed improvement which they may consider to be directly affected thereby. And they shall assess damages, if any, specifying the amount to which each and every one of the premises which they shall have viewed shall be entitled, and the jury shall at the same time take into consideration any special benefit, advantage or enhanced value, which in their judgment may have [been] received by reason of said proposed improvement, and shall state the amount of such special benefit, advantage or enhanced value of each and every one of the owners of said premises. The jury shall forthwith return to the mayor in writing a statement to be signed by each of them, or a majority of them in case they cannot agree, setting forth distinctly a full report of their proceedings, and stating the amount of damage, or advantage, which they shall have assessed to each person: Provided, that in case the jury shall be evenly divided and therefore unable to agree on the whole or on part of said report, they shall state that fact, setting out such parts as a majority of them have agreed on, and also the names of the persons as to the damage or disadvantage of whom they are evenly divided; and thereupon the mayor shall order the officer to summon at once a new jury of six freeholders to take into consideration that part of the report of the first jury on which they were not able to agree, and shall continue this course until an agreement is arrived at: and, if necessary, the mayor is authorized to extend the meeting of the jury from day to day to accomplish the objects of this section. As soon as practicable after receiving the report of the jury the mayor shall call a meeting of the board of aldermen and submit the report to them, and if the aldermen shall conclude that the damages assessed by the jury are excessive they may decline to pay the same and discontinue the proposed improvement. If the jury shall find that the proposed improvement will enhance the value of real estate adjacent thereto, the amount of such valuation of benefit shall vest in the city and become a lien on the premises mentioned in the report of the jury, and shall be due to the city on the completion of the proposed work, and payable in three annual installments, and if not paid at maturity the lot so assessed, or so much thereof as may be necessary to pay said installments and costs, shall be sold by the tax collector to pay the same, under the same rules, regulations and restrictions, rights of redemption and savings as are prescribed in this charter for the sale of unpaid taxes: Provided, nevertheless, that if any person who is reported in the jury's report to be affected by the proposed improvement be dissatisfied with the amount of damage or of enhanced value with which he has been assessed, or if the aldermen be dissatisfied with any item of the report, then in that case either party may
appeal, on the item with which they are dissatisfied, to the next term of the Superior Court of Forsyth County, by giving the adverse party or parties ten days' notice in writing. The appellate court in either case shall have power to increase or diminish the amount of damages or enhanced valuation which has been assessed, but shall in nowise adjudicate the necessity of the improvement, and the questions of damages or benefits shall be submitted to a jury under the direction of the judge, to be assessed by the jury under the ordinary rules of action for damages: Provided, however, that such appeal shall in nowise hinder or delay the aldermen in making the proposed improvements, but it shall be lawful for them or their agents to enter upon and use the property so condemned as soon as the same has been condemned by order of the board. That when any land, water or water-courses, or right-of-way, either within or without the corporate limits of the city of Winston, shall, in the opinion of the aldermen, be required for the purpose of erecting or establishing reservoirs, laying conduit, main or supply pipes or sewer-pipes, or obtaining a supply of water for the use of said city or the citizens thereof, or for any other purposes connected with the successful operation of water-works or sewers in said city, and the owners of such property cannot agree with the aldermen as to the price therefor, the proceedings for condemnation shall be the same as is prescribed in the foregoing section for condemnation of land for streets; and for the purpose of successfully operating water-works or sewer-pipes contemplated by this section, the aldermen of the city of Winston are fully authorized to extend the lines of water-works or sewer-pipes beyond the city limits in any direction thought advisable, with all the rights and privileges belonging to said aldermen within the city limits in addition to the authority herein granted: Provided, however, that in case of discontinuance of the use of the land either for the purposes mentioned in this or the preceding section, or on its reverting to the owners, the city shall have the right to remove any property or improvement under its authority erected thereon: Provided further, that the owner or owners of land, right-of-way, water or water-courses required by the purposes mentioned, shall have at least twenty days' written notice, under the seal of the mayor's office, of the time and place and the purpose of the jury. If a resident of the city of Winston, said notice shall be served by its officer, if in the city; if not, for the purposes of this act it will be sufficient if the notice is left at his known place of residence. If a non-resident and his post-office address is known, a registered letter with postage prepaid addressed to him and deposited in the post-office at Winston, and a return receipt for said letter shall be deemed and taken as sufficient notice. If his address is not known, publication for two weeks shall be made in some newspaper published in Winston of
the time and place of the meeting of the jury and of the purposes therefor.

Sec. 97. That the aldermen shall cause to be kept clean and in good repair the streets, sidewalks and alleys. They may establish the width and may ascertain the location of those already established and lay out and open others, and may widen or reduce the width of streets now established in their discretion. They may establish parks for pleasure grounds for the citizens of the city, and pass ordinances for the protection of the shade trees.

Sec. 98. That where there is no sidewalk and has never been any in existence in convenient walking order along any lot in said city, the owner may be required to pay such proportion of the expenses of making a sidewalk along such lot as three disinterested assessors, freeholders of said city, to be appointed by the aldermen, may estimate that the property is enhanced in value by such improvement: Provided, that the owner shall have the privilege of building said sidewalk along his lot immediately and in the manner prescribed by the aldermen, instead of paying the amount assessed; and if the owner of such lot shall neglect to put down said sidewalk when directed to do so by the aldermen, and shall refuse or neglect to pay the amount so assessed against him to the treasurer of the city, said sidewalk shall be made by the city, and the amount assessed against the owner of such lot shall be a lien on the same, and if not paid on demand so much of said lot shall be sold as may be sufficient to pay said assessments and the costs under the same rules and regulations, rights of redemption and savings as are prescribed in this charter for unpaid taxes. Before making such assessment the assessors shall appoint a time and place of meeting, and shall give at least three days' notice thereof to all parties interested, stating the purposes of such meeting, and after being duly sworn by the mayor or other competent person, they shall proceed to make the assessment and report the same to the mayor in writing: Provided, however, that either party may appeal to the Superior Court of Forsyth County, where all questions of amount of assessment and other issues and questions of fact shall be tried by a jury under the direction of the judge; but the aldermen, notwithstanding the appeal, may proceed with the work. That the owner of a lot which may front on a street on which a sidewalk has been established, shall repair or improve said sidewalk in such manner as the aldermen may direct as far as it extends along such lot; and upon failure to do so immediately upon notice by the aldermen to such owners, or if he is not a resident, to his agent, or if he has no agent, then after advertisement at the court-house door and upon the said lot for five days, the aldermen may cause the same to be repaired in such manner and with material as to them may seem proper, and the expenses shall be paid by the person in default, and said expenses shall be a lien upon said lot, and if not
paid on demand such lot or so much thereof as is necessary shall be sold by the collector to pay said expenses and costs of sale under the same rules, regulations and restrictions, rights of redemption and savings as are prescribed in this charter for sale of land for unpaid taxes.

Sec. 99. That no mayor or alderman, or other officer of the city government shall directly or indirectly become a contractor for work to be done by the city, and any person herein offending shall be guilty of a misdemeanor.

SEC. 135. That in the construction of the reservoir herein authorized to be built by the city of Asheville said Asheville Electric Light and Reservoir Commission shall not apply or devote to that purpose more than forty per cent. of the bonds herein authorized to be issued and sold, unless the same may be needed and may be available by reason of the fact that the sixty per cent. of the bonds herein allotted for the construction of an electric light plant and its appurtenances for said city of Asheville shall produce when sold an amount of money more than sufficient for the construction of the said electric light plant and its appurtenances, in which case the balance unexpended for that purpose may be used for the construction of the said reservoir.

SEC. 136. That all the land and property of every kind held by said Asheville Electric Light and Reservoir Commission for any of the purposes herein set forth, and all of the bonds herein authorized to be issued, shall be exempt from all State or municipal taxation or assessment: Provided, however, that all water when stored in said reservoir shall belong to and be under the control of the Board of Aldermen of the City of Asheville.

SEC. 137. That if any person or persons shall maliciously or willfully destroy any poles, wires, insulators, conduits or any other property used by said Asheville Electric Light and Reservoir Commission in connection with its electric light plant, or shall maliciously or willfully attempt to divert or steal any water from said reservoir, or shall do anything that shall tend to corrupt or render any water impure, or shall destroy or injure or deface any property used in connection with said reservoir, he shall be guilty of a misdemeanor, and upon conviction shall be fined not exceeding five hundred dollars or imprisoned not exceeding one year, at the discretion of the court.

SEC. 138. That in order to secure the payment of the interest semi-annually on said bonds when issued and sold, as said interest may fall due, the Board of Aldermen of the City of Asheville are hereby empowered and required to appropriate and pay out of the receipts of the water department of the city of Asheville a sum not exceeding forty-five hundred dollars annually, payable in such amount and at such time and at such places as may be required by the Asheville Electric Light and Reservoir Commission for the purposes aforesaid, and said claim for interest on said bonds shall be and constitute a first and paramount lien and incumbrance, until paid, on all the receipts of the water department of said city of Asheville, except such part of said receipts as may be actually necessary to maintain and run said water department; and all bonds issued hereunder may be secured also by first mortgage or deed of trust upon all the real estate, rights, franchises and other property of every description, except the reservoir site, which may be owned and held by said Asheville Electric Light and Reservoir Commission, from whatever source acquired, provided said Asheville Electric Light and Reservoir Commission shall deem it best to execute such mortgage or trust deed. Such mortgage or trust deed, if executed, shall be in such form and contain such covenants, stipulations and conditions as said Asheville Electric Light and Reservoir Commission shall deem necessary or proper to secure the payment of said interest as it accrues and falls due, and the principal of said bonds at their maturity, and shall be signed in the name of the Asheville Electric Light and Reservoir Commission by the chairman thereof, and shall be duly attested by the clerk of said commission and shall be sealed with the corporate seal of the said city. In case the said mortgage or trust deed shall be foreclosed for breach of any covenants therein contained, the purchaser at such foreclosure sale may use said property for any purposes for which he may deem it adapted as other owners of property in fee-
simple may. That said Asheville Electric Light and Reservoir Commission shall charge, and the Board of Aldermen of the City of Asheville shall pay, from time to time as may be needed by said commission for the purposes of this act, for lights furnished said city for municipal purposes hereunder, such sum or sums of money in addition to the sums hereinbefore pledged for the payment of interest as aforesaid, as will meet and pay in full the necessary expenses of maintaining at all times and of operating hereunder said electrical plant and system when established, for extending same as may be agreed upon by said Asheville Electric Light and Reservoir Commission and the board of aldermen of said city, as may be needed from time to time, and for establishing a sinking fund to provide for the payment of the principal of said bonds at their maturity, and for maintaining said reservoir in good condition at all times: Provided, however, that said sums of money so payable by the said board of aldermen, as in this section set forth, shall be payable out of the receipts of the water department of said city, and shall be reduced by any receipts of said Asheville Electric Light and Reservoir Commission from any other sources, and shall not be paid by said board out of any revenues derived from taxation on polls or property in said city: And provided further, that settlements shall be had by and between the board of aldermen of said city and said Asheville Electric Light and Reservoir Commission once every year during the month of May and before the beginning of the fiscal year of said city, and any money from any source that said Asheville Electric Light and Reservoir Commission may have on hand at the dates of such settlements shall be paid to the treasurer of said city for the benefit of said city.

Sec. 140. That said commission is hereby required to furnish to the Board of Aldermen of the City of Asheville a detailed statement at the beginning of every fiscal year showing the number of its employees for the preceding year, the salary or wages paid each, the probable number that will be required for the next succeeding year, together with the probable salaries or wages of each, and an itemized statement showing the receipts and expenses of said commission for the preceding year and an itemized statement of the probable or estimated expenses of the said commission for the next succeeding year.

Sec. 141. That it shall be the first duty of said Asheville Electric Light and Reservoir Commission to furnish, as far as it is able, all such lights as may be required by the board of aldermen of the said city of Asheville for municipal purposes in said city before the said commission shall be allowed to furnish electricity for any purpose to other parties, and it is hereby required to furnish lights for municipal purposes as herein set forth.

ten thousand dollars, which will mature on the first day of June next; and

WHEREAS, said city desires to issue bonds for the purpose of funding said floating indebtedness, paying said bonds issued by the board of water commissioners, and also for the purpose of making necessary extensions and improvements to said water-works; and

WHEREAS, the board of aldermen of said city advertised for proposals for the sale of three hundred and fifty thousand dollars, par value, of thirty-year four and one-half per cent. bonds of said city, to be issued for the aforesaid purposes, and have accepted the highest offer received therefor, being a bid of par and accrued interest and a premium of twelve thousand six hundred and thirty-five dollars, said bid being made by the Mercantile Trust and Deposit Company of Baltimore, and said city desires to be authorized to issue said bonds to said purchaser: now, therefore.

The General Assembly of North Carolina do enact:

SECTION 1. That the board of aldermen of said city be and they are hereby authorized to issue bonds of said city to an amount not exceeding three hundred and fifty thousand dollars, par value, for the purposes aforesaid.

SEC. 2. SEC. 5. The proceeds of said bonds, including the premium received upon the sale thereof, shall be applied only to the purposes aforesaid—that is to say, the proceeds of said bonds issued to pay said floating debt, to the payment of such debt so contracted for necessary expenses of said city, and the proceeds of said bonds issued to retire said bonds issued by the board of water commissioners and for necessary extensions and betterments to said water-works, to said purposes: Provided, however, that the purchaser of said bonds shall not be bound to see to the application of the purchase money to said purposes.

SEC. 6. If there be a sufficient balance of such income for that purpose, and if not, then so much as said balance may amount to; and, third, out of any balance of said income still remaining after the payments aforesaid, said board of water commissioners shall pay the cost of such extensions, additions or improvements to said system of water-works as said board may from time to time deem advisable; and, fourth, if at the end of each year there shall remain any surplus of such
income remaining after all the payments aforesaid have been made, then the same shall be by said board paid over to the treasurer of said city, to be held by said treasurer and invested under the direction of said board of water commissioners for a sinking fund with which to pay off the two hundred and ten thousand dollars of bonds authorized to be issued by this act for water-works purposes, and the two hundred and twenty-six thousand dollars of bonds heretofore issued by said city to provide for the purchase of said system of water-works.

Sec. 2. For the purpose of properly carrying out the duty imposed by the preceding section the said mayor and board of commissioners are hereby authorized and fully empowered and directed to issue bonds of the denomination of five hundred dollars each, aggregating the sum of fifteen thousand dollars, the said bonds to be denominated street and sidewalk improvement bonds, to be signed by the mayor and countersigned by the secretary, bearing the corporate seal of said town, be written in the usual form, and bear interest from date until paid at five per centum per annum, which interest shall be payable semi-annually from the date of said bonds and shall be evidenced by coupons thereto attached, in the usual form; that said bonds shall mature at the end of thirty years from their date, and shall be fully binding upon said town and its property; that the mayor and board of commissioners shall issue said bonds in installments of five thousand dollars each as the work on the streets and sidewalks progresses and the necessity for payment thereof arises, but all of said bonds shall bear the same date, and bear interest as aforesaid, but the coupons for interest on the installments delayed shall be torn off before issuing, to the date of maturity of the coupons next preceding the date of such issue.

Sec. 3. In order to more effectually carry out the authority delegated and the duty imposed by section one of this act the said mayor and board of commissioners shall assess one-third of the cost of paving or otherwise improving the sidewalks of said town, exclusive of the necessary curbing of the same, on the real estate abutting on the side of street on which the sidewalk is so improved.

Sec. 4. To equalize the assessment on real estate for the purposes described in this act the said mayor and board of commissioners shall assess the total cost of such improvement on each block or section, and shall then pro rata the cost thereof on the real estate abutting thereon according to the frontage on the sidewalk or portion of the sidewalk so improved, in pursuance of section three of this act; and when the assessment and liens herein

the secretary or clerk of the said board of commissioners shall
make out a list of the same, and shall keep a record book showing

date and amount of any and all payments made thereon.

Sec. 5. The amount of assessment for such improvement on side-

estate described, and the same shall become due and payable as
aforesaid; and in case of failure to pay any or either of said
assessments within thirty days after its maturity, then all shall
become due at once, and an execution shall issue by the secretary
or clerk of said board of commissioners, directed to the marshal
or chief of police of said town, who shall advertise the land upon
which defaulting assessments are made as aforesaid for thirty
days in some newspaper published in Cleveland County, sell the
same to the highest bidder for cash, at the depot in said town, and
give to the purchaser a receipt stating the time the land was ad-

ment due thereon, the costs of sale and advertisement, the name of
the owner of the land, and a description of the lands sold; and the
owner of the land so sold shall have twelve months in which to
redeem the same by paying to the purchaser the amount he paid
for said land, together with ten per cent. additional on said
amount paid; and if there is no bidder on any land sold as above
directed, then the said town is hereby authorized to bid off said
land, and the owner shall have the same right of redemption as
stated above; if the land is not redeemed within twelve months as
is herein set forth, then the marshal or chief of police shall make
to the purchaser a deed for said land, and the same shall operate
to convey to the purchaser the title to said lands; and the proceeds of said sale shall be applied, first to the payment of said assessment, lien and costs of sale, and the balance, if any, shall be paid to the owner of said land, or their legal representatives: Provided, however, that any owner of land upon which an assessment or lien is made under this act shall have a right to pay the same in full at any time before the same becomes due, and upon such payment such lien and assessment shall be discharged.

Sec. 6. That the said mayor and board of commissioners of said town, by its proper officers, shall have the exclusive control and management of said work on said sidewalks and streets, and shall let the same out by contract to the lowest bidder on such terms as they may think best: Provided, however, that the said mayor and board of commissioners shall in their discretion have a right to furnish any part of the materials, rock, etc., and contract the balance; but it is expressly understood that the work proper shall be contracted as stated above, and be paid for out of the proceeds of the sale of the bonds provided for in this act: Provided, that in case the said town may not have on hand at any time sufficient funds arising from the sale of said bonds to meet the amount then due for the work aforesaid, the mayor and board of commissioners are hereby authorized to advance same from the general revenues of said town; but such amount so advanced shall be refunded out of the funds arising from the sale of said bonds as soon as realized therefrom.

And each of the warrants for the payment of said fund, as stated above, shall state to whom the same shall be paid and for what portion or part of said work the same is to be paid. The sinking fund commission, above constituted, shall also receive the proceeds of all assessments or liens created under the provisions of this act, upon any of the land for sidewalk improvement pur-
poses, which said amounts, if any, shall immediately after collection be paid over by the marshal or chief of police, and be reported to the secretary or clerk of said town, who shall make due record thereof. And the said secretary or clerk shall also keep due record of all amounts paid to the said sinking fund commission, under and by virtue of this act, in a book provided for that purpose, to be used for no other purpose. In addition to the amounts received from assessments or liens under this act the town shall set apart out of its general revenue each year and pay the same to the said sinking fund commission such amount as shall be necessary to pay the interest on said bonds, and the sum of five hundred dollars additional to meet the proportionate part of said bonds at their maturity. The said sinking fund commission shall pay to the said town five per cent. interest on all sums of money in their hands when and for the time said sums equal or exceed the amount of one thousand dollars; and if the said sinking fund commission shall refuse to comply with the terms of this act or to act as such trustees, then the said mayor and board of commissioners are hereby authorized and directed to appoint other trustees on the same terms and conditions mentioned herein. That all moneys paid to the said sinking fund commission for the purpose of street and sidewalk improvement as aforesaid, other than that arising from the sale of said bonds, shall constitute a sinking fund to be applied only to the redemption of said bonds at their maturity. If at any time the holders of said bonds shall consent the same may be redeemed at any time out of said sinking fund, in which case the interest shall be paid only to the date of such redemption. And the said commission shall make an annual report of the condition of said fund, showing an itemized statement of all deposits and credits, and the balance in the hands of said sinking fund commission, which said report shall be filed with the secretary or clerk of said town. Each of said banks named herein shall notify said board of commissioners in writing, signed by its president, within sixty days after the ratification of this act, of its acceptance of the trusts herein created as a part of said sinking fund commission. And in case neither of said banks accept the trusts herein, and no other bank or person will accept the same, then the said mayor and board of commissioners shall constitute said sinking fund commission, and shall be invested with all the powers and all the duties conferred by this act on said sinking fund commission.

Sec. 9. That the bonds hereinbefore in this act authorized to be issued, denominated "Street and Sidewalk Improvement Bonds," shall be and have a lien on any and all funds paid to the sinking fund commission, to be applied to the purpose of the liquidation of the said bonds by virtue of the provisions of this act: Provided, Proposition submitted to vote.

locating of its works and filing its surveys in the office of the
clerk of the superior court shall not preclude said company from

If either or both of the parties be dissatisfied with such valuation, then either or both parties may, within ten days after the filing of said report, file exceptions thereto, and upon the determination of the same by the clerk and upon notice to the other party within three days after such determination, may appeal to the superior court of the county in which the land lies at the next ensuing term thereof: and upon the demand of either party the said valuation shall be determined by a jury trial. If no such demand is made, the judge may hear and determine the matter upon exceptions filed, and either party shall have the right to appeal to the Supreme Court as in other cases from a judgment of the superior court. And when the said valuation has been thus ascertained and determined and paid the said land shall vest in and be and become the property of the said company for the purposes hereinbefore expressed. In case any land so required shall be claimed by more than one person, then the amount of the valuation shall be deposited with the clerk of the superior court of the county in which the land lies until the true owners of the land and the proper person to receive said money can be ascertained by an action or suit between such claimants: Provided, that upon application for the appointment of commissioners under this act it shall be made to appear to the satisfaction of the clerk of the superior court in which the land lies that at least ten days' notice had been previously given of the application to the owner or owners of the land so proposed to be condemned, or if the owner or owners be under disability, then to the guardian, if any, of such owner or owners as well as to such owner or owners, or if the owner or owners, not under disability, or if the guardian of such owners as are under disability cannot be found within the county,

Sec. 21. That said bonds shall not be issued nor said taxes levied unless authorized by a vote of a majority of the qualified voters of said town at an election to be held at a time to be designated by the board of aldermen, in the same manner as elections are held for mayor and board of aldermen thereof. a judgment against said board of aldermen in their corporate capacity for the land so taken: Provided, that if any person over whose lands said streets may pass or improvements be erected, or the board of aldermen, be dissatisfied with the valuation thus made, then in that case either party may have an appeal to the Superior Court of Cherokee County: Provided, however, that such an appeal shall not hinder or delay the board of aldermen in opening or widening such street or streets or erecting such improvements. The board of aldermen of said town shall have the authority to grant franchises, charters or other special privileges, under such restrictions as they may deem best, to individuals or corporations to carry on the following avocations and enterprises: Water-works, and pipe lines to supply the same; sewerage systems; electric light plants; gas plants; telegraph lines; telephone lines; railroads; street railways; express and delivery companies; private pipe lines and conduits for any purpose, and any similar business which is intended for the public use or benefit.

Sec. 24. The board of aldermen of said town shall have power to establish fire limits, within which it shall not be lawful for any person to erect or build any wooden houses, make any wooden addition to any building, or cover any building with any material other than metal or slate, and they may prohibit wooden buildings from being removed into said fire limits or from being moved from one place to another in the same, under such penalties as they may establish; and said penalty may be sued for and recovered from the owner in an action of debt in any court having jurisdiction.

Sec. 25. The board of aldermen shall have power to erect all suitable and necessary buildings for the use of the town, and they shall provide for repairing and cleaning the streets, make regulations to cause the due observance of Sunday, appoint and regulate a police force to execute such precepts as the mayor and others may lawfully issue to them, to preserve the peace and order of the
town, to execute the ordinances thereof, to suppress and remove nuisances, preserve the health of the town from contagious and infectious diseases, and shall appoint and provide for the paying of all the officers of the said town. They shall have the power to make ordinances to prohibit or control the firing of fire-arms, fire-crackers, torpedoes and other explosive material, and to govern the sale thereof in the town; the pace and speed at which horses may be ridden or driven through the streets, the speed at which railroad engines and trains shall run within the town limits; to prohibit railroads from stopping their engines or cars on said streets, and to require said railroads to keep the street crossings in good repair; the arrangement of all stove-pipes and flues in buildings; the manner in which powder and other inflammable substances may be kept and sold; the manner in which commercial fertilizers are stored; the manner in which dogs and hogs may be kept, and to prevent them from running at large in said town; to cause all alleys, lots, cellars, stables, sties and other places of like character to be examined by a sanitary policeman or any other person appointed by the board and charged with the duty, who shall have authority to enter the premises described as being in bad order and inspect and have the same cleaned; and the expense of abating such nuisance shall be recovered from the occupant or owner of said premises by action of debt in any court having jurisdiction.

Sec. 26. They shall have the power and it shall be their duty to prohibit all trades or occupations which are a nuisance from being carried on in said town; and the power and authority of said board of aldermen for the abatement and removal of nuisances shall extend for two miles beyond the corporate limits of the town. They shall have the power and it shall be their duty to cause all ponds, sunken lots and other places in which water stands and stagnates to be drained and filled up, and to recover from the owner or occupant the expense above, which expense shall be a lien on the lot, provided the owner or occupant of said lot, after ten days' notice, shall neglect or refuse to remove or abate said nuisance. They shall have authority to cause all nuisances arising from any cause within and for two miles without the town limits to be removed or abated, and for the removing or abating of any such nuisance the person creating the same shall pay the expenses as above required. The board of aldermen of said town shall have no power nor authority to grant licenses for the sale of intoxicating drinks of any kind, but it shall be their duty to suppress all illegal sales of intoxicants in said town or within two miles of the same, as in the case of other nuisances. For the purpose of carrying out the provisions of this section the mayor of said town shall have all the authority now or hereafter conferred on justices of the peace; and all general State laws, as well as any State laws applicable to Cherokee County or Valleytown Town-
skip only, which are now in effect, prohibiting the sale of intoxicants, shall be in full force and effect in the town of Andrews.

Sec. 27. That at the first meeting of the board, or as soon thereafter as practicable, they shall elect a chief of police and such assistants as they may deem necessary, who shall hold their offices during the term of the board electing them and until their successors are elected and qualified; subject, however, to be removed at any time and others appointed in their stead for misbehavior or neglect in office. The chief of police shall be the tax collector of the town, and before acting shall take an oath before the mayor to faithfully discharge the duties required of him, and shall execute a bond in such amount as the board may require, with security to be approved by the board, which bond shall in no event be less than double the amount of the taxes to be by him collected. They shall also elect a clerk and treasurer of the board, who shall hold his office for the same time, take a like oath as the chief of police, and shall execute bond in such sum as the board may require.

Sec. 28. It shall be the duty of the clerk and treasurer to keep regular and fair minutes of the proceedings of the board, and to preserve all books, papers and other articles committed to his care during his continuance in office, and deliver them to his successor; and he shall receive and faithfully keep all moneys which shall be paid to him for the use and in behalf of said town, and disburse the same according to an order given in obedience to a direction of said board appearing on their minutes. He shall keep a fair and correct account of all moneys so received and disbursed by him in a book kept for that purpose, showing from what source money is received and for what purpose paid out, and shall submit said account to said board whenever required. He shall pay to his successor all moneys in his hands belonging to said town, and faithfully perform all duties imposed upon him as clerk and treasurer by the laws and ordinances of said board.

Sec. 29. The chief of police, as tax collector, shall be vested with the same power and authority in the collecting of taxes that sheriffs have, and be subject to the same fines and penalties for failure or neglect of duty. He shall be charged with the sums appearing by the tax list as due for town taxes. He shall be credited in settlement as sheriffs are credited with amounts in suits by appeal; all poll tax and tax on personal property certified by the clerk of the commissioners of the county by order of the board of county commissioners to be insolvent and uncollectible. He shall at no time retain in his hands over one hundred dollars for a longer time than seven days, under a penalty of ten per centum per month to the town upon all sums so unlawfully retained. The board of aldermen, at the regular meeting before the last meeting in each year, shall appoint one of their number to assist in settlements.

The chief of police shall have supervision and control of the police force, and it shall be his duty to report to the mayor any dereliction in duty on the part of any member of the police force. It shall be his duty to attend the mayor's court and report any violation of law or of the ordinances of the town, collect all fines and penalties imposed and pay the same to the treasurer, to execute the orders and judgments of said court, to see that the laws and ordinances of the town are enforced, and to do such other things as may be required of him by the board. The chief of police and each member of the police force shall have all the power and authority vested in sheriffs and constables for the preservation of the peace of the town by suppressing disturbances and apprehending offenders. And any policeman shall have the authority to arrest immediately, without warrant, any person whom he may see violating any of the laws of the State or the ordinances of said town, and take such person immediately before the mayor or confine him in the town prison for speedy trial. Any policeman shall have the right to summon, when necessary, any one or more able-bodied persons to assist him in making arrests or preserving the peace, and any person who shall refuse to assist the police upon being so requested shall be guilty of a misdemeanor and shall be subject to a fine, to be imposed by the mayor, upon conviction, of not less than one dollar nor more than ten dollars, with costs. Until a suitable and safe town prison is constructed, or should such a prison hereafter become unsuitable, unsafe or inadequate to keep all persons confined therein, the mayor of said town shall have the authority to commit persons to the county jail of Cherokee County. The expense of conveying prisoners thereto, as well as the actual cost of their maintenance while confined therein, shall be borne by the town of Andrews, and the same shall be taxed by the mayor as part of the costs against any person convicted and confined in said jail as aforesaid; and the jailer of Cherokee County is hereby directed to receive and safely keep all persons committed to him by the mayor, and release them only upon said mayor's request, or other competent judicial authority. Any policeman shall execute any process directed to him by the mayor or others, and in the execution
thereof shall have the same powers which sheriffs and constables have, and may apprehend any offender fleeing from the town anywhere in the county of Cherokee. All members of the police force shall take oath before the mayor for the faithful performance of their duty as required by the laws and ordinances.

Sec. 31. The chief of police shall be entitled to and receive the fees arising from the execution of all precepts issued by the mayor or others, which shall be the same as those of sheriffs and constables for like services. The board of aldermen shall pass ordinances for the government and direction of the police, and fix their compensation. In times of exigency the mayor may appoint temporary additional policemen for such a time as shall appear necessary, who shall take the same oath and be subject to the same control as regular policemen.

Sec. 32. The clerk and treasurer shall, on the third Monday in May in each and every year, make advertisement in four public places in the town of Andrews, notifying all persons residing in said town who own or have control of taxable property in the town on the first day of June to return to him, on or before the first day of July, a list of their taxable property in said town. Said list shall state the number of lots and all other property now taxable or that hereafter may be made taxable by the laws of the State or the ordinances of the town, and the lists so returned to the clerk and treasurer shall be sworn to before him in like manner as other tax lists are sworn to. And from the return so made the clerk and treasurer, after the expiration of the time for making said lists, shall make out in a book kept for that purpose an alphabetical list of the persons and owners of property who have so made their returns. In the same manner as tax lists are made out for the collection of State taxes.

Sec. 33. The clerk and treasurer shall, within thirty days from the return of the tax lists, make out, to the best of his knowledge and belief, by a comparison of his books with the returns made to the township assessor, and by diligent inquiry from other sources, a list of taxable polls and owners of taxable property in said town who shall have failed to return or list in the manner and time aforesaid, and said person so listed shall forfeit and pay a sum to be fixed by the board, not exceeding twice the amount of the tax, which penalty may be recovered, as other fines and penalties imposed by the board, before the mayor or any justice of the peace.

Sec. 34. In order to raise a fund for the expenses incidental to the proper government of the town, the board may annually levy and collect the following taxes:

1. On real estate and personal property situate in the town, a tax not exceeding eighty-three and one-third cents on every hundred dollars value.
2. On all taxable polls, a tax not exceeding two dollars and fifty cents.

3. On every dog, a tax not exceeding three dollars.

4. On every hundred dollars value of goods, wares and merchandise purchased for re-sale by any merchant trading in the town within one year next preceding the first day of June in which the same is listed, a tax not exceeding sixty cents.

5. On every person or firm exercising any trade, calling or profession within the limits of said town, a tax not exceeding five dollars.

Sec. 35. As soon as the clerk and treasurer shall have furnished the assessment roll as provided, and the same shall have been revised by the board, the board shall proceed to levy the taxes on such subjects of taxation as they may choose, and shall place a tax list in the hands of a collector for collection, who shall forthwith proceed in the collection, and shall complete the same on or before the first day of March next ensuing, and shall pay the moneys as they are collected to the treasurer; and the collector, for his compensation, shall receive not exceeding five per centum on the amount collected.

Sec. 36. If any person liable to taxes on subjects directed to be listed shall fail to pay them within the time prescribed for collection, the collector shall forthwith proceed to collect the same by distress and sale, after public advertisement for the space of ten days by notices posted at four public places in the town, if the property be personal, and of thirty days' advertisement in some newspaper published in the county if the property be realty.

Sec. 37. When the tax due on any lot or other land, which is hereby declared to be a lien on the same, shall remain unpaid on the first day of March, and there is no visible estate but such lot or land of the person in whose name it is listed, he shall report the fact to the board of aldermen, together with a particular description of the real estate, and thereupon said board shall direct the same to be sold by the collector, after advertising for thirty days in some newspaper published in the county, which the collector shall do. And the collector shall divide said land into as many parts as may be convenient, and shall sell as many parts thereof as may be required to pay said taxes and all expenses attendant thereon. If the same cannot be conveniently divided, the collector shall sell the whole; and if no person will pay the whole of the taxes and expenses for all the land, the same shall be struck off to the town; and if not redeemed as hereinafter provided, it shall belong to the said town in fee.

Sec. 38. The collector shall return an account of his proceedings to the board of aldermen, specifying the portions into which the land was divided, and the purchaser or the purchasers thereof, and the prices of each, which shall be entered on the book of proceedings of the board; and if there shall be a surplus after paying
said taxes and expenses, or of advertising and selling the same, it shall be paid into the treasury, subject to the demand of the owner.

Sec. 39. The owner of any land sold under the provisions of this charter, or any person acting for him, may redeem the same within one year after the sale by paying to the purchaser the sum paid by him and twenty per centum on the amount of taxes and expenses, and the treasurer shall refund to him, without interest, the proceeds, less double the amount of taxes.

Sec. 40. If the real estate sold as aforesaid shall not be redeemed within the time specified, the corporation shall convey the same in fee to the purchaser or his assignee, and the recitals in such conveyance, or in any other conveyance of land sold for taxes due the town, that the taxes were due, or of any other matter required to be true or done before the sale might be made, shall be prima facie evidence that the same was true and done.

Sec. 41. In addition to the subjects listed for taxation, the board of aldermen may levy a tax on the following subjects, the amount of which tax, when fixed, shall be collected by the tax collector immediately, and if the same be not paid on demand, the same may be recovered by suit on the articles upon which the tax is imposed, or any other property of the owner may be forthwith distrained and sold to satisfy the same, to wit:

7. Upon each show or exhibition of any other kind, and on each concert for reward, and on every strolling musician, a tax not exceeding ten dollars, to be paid before exhibiting.

8. Upon every horse, mule, hog, goat or cow running at large in the town there may be levied a tax not exceeding two dollars, and every such animal may be seized or impounded, and if the owner, on being notified, shall not pay the tax the animal shall be sold therefor, after three days' notice posted at four public places in the town.

Sec. 42. Taxes for town purposes shall be levied on all real and personal property, trades, licenses and other subjects of taxation as provided in section three, article five of the State Constitution. All moneys arising from taxes, donations or other sources shall be paid to the treasurer, and no appropriation thereof shall be made but by a board constituted of a majority of all the aldermen.

Sec. 43. For the violation of any ordinance or by-law made by said board of aldermen, they may prescribe penalties, not exceeding fifty dollars for each offense, to be recovered before the mayor without stay of process, mesne or final, and when judgment shall be given for any such penalty the party convicted may, unless the penalty and cost be paid, be immediately committed to prison for the space of thirty days or until payment thereof shall be made.

Immediately after the jury shall have been so sworn they shall proceed, accompanied by such policeman, to view the land of every person named in the writ, and shall assess the damages, if any, to every one of the premises which they have viewed, and the special benefit, advantage or enhanced value, if any, which will accrue by reason of said proposed improvement to every one of the premises which they have viewed. Said jury shall forthwith return to said board of aldermen, by filing it with the clerk thereof, a statement in writing, signed by every one of them, or a majority of them in case they cannot agree, setting forth distinctly a full itemized report of their proceedings, and stating separately the amounts of damages or special benefits, or both, as
the case may be, which they have assessed to every one of the premises so viewed by them. The policeman in charge of said jury shall keep them together until they shall have agreed on all matters submitted to them as aforesaid, and have made and signed their report as aforesaid, or in case of their inability to so agree, or twenty-four hours from the time of their return from viewing said premises to said office of the mayor, to which they shall so return in every case immediately for deliberation, and until they have signed a report, as hereafter specified, upon any disagreement. On receipt of any such report showing any disagreement of the jury, said board of aldermen shall, at its next meeting after the filing of such report, direct the mayor of said town to issue, and he shall thereupon issue, under the seal of said town, his order to a policeman of said town to at once summon a new jury, qualified for such duty as hereinbefore specified, and of the same number as hereinbefore directed, to be composed of different persons from those who constituted the jury so disagreeing, and such new jury shall proceed immediately after being duly sworn as aforesaid, to take into consideration all parts of the report of the former jury on which that jury was not able to agree, and to view the premises in regard to which such disagreements were had in the manner hereinbefore directed, and shall make their report in the same manner as hereinbefore provided. Such course shall be continued from time to time until all the matters in such original writ directed to be decided shall have been determined. At the first meeting of said board of aldermen after a complete report or reports upon the matter in said writ ordered to be decided shall have been filed as aforesaid, said board of aldermen shall consider and pass upon such report or reports. If said board of aldermen shall determine that any item of damages so assessed is excessive, it may reject such report or reports and discontinue the proposed improvement, and in case of such discontinuance no other proceeding shall within three months thereafter be commenced for a similar purpose in relation to any of the premises affected thereby, or any part of the same, without the written consent of the owner thereof. It shall be competent for said board of aldermen, in passing upon any such report or reports, to decrease or remit any item or items of special benefit, advantage or enhanced value therein contained.

If said board of aldermen shall think proper it shall order such report, or such report or reports so modified by it, as to special benefits or advantages or enhanced value, approved, and the lands condemned in said proceedings shall vest in said town so long as they may be used respectively for the purpose of said improvement, so soon as the amount of damages assessed to them respectively, decreased by the amount of special benefit, advantages and enhanced value, so assessed against them respectively, shall have been paid or tendered to the owner or owners of such premises respectively, or deposited as hereinbefore provided. In case of an appeal on any item as hereinafter provided, such damages on the premises as to which such appeal is taken, decreased by the amount of special benefits, advantages and enhanced value assessed against the same, shall be deposited with the clerk of the superior court of said county of Haywood, to be disposed of as so assessed, or as upon such appeal adjudged, subject to be reduced by any special benefits, advantages and enhanced value against such premises, assessed as aforesaid, or on such appeal adjudged. Any special benefit, advantage or enhanced value so assessed against any premises, or, on appeal, adjudged against the same, unless paid or set off by damages assessed thereon, or on appeal adjudged on the same, shall, upon such approval of the board of aldermen, in case no appeal is taken, upon such assessment of special benefits, advantages or enhanced value or damages, or upon final judgment in case of any such appeal, become and be a lien in favor of said town on said premises on which it has been so assessed, or adjudged, as of the time when the board of aldermen passed upon the report regarding the same when said approval was had or appeal taken, and shall be paid to said town in equal installments, one, two and three years, respectively, after the completion of such improvement, or, in case of appeal and completion of such improvement before final judgment thereon, after such final judgment; and if any one of such installments shall remain unpaid for thirty days after its maturity, all such installments then unpaid shall become due, and the premises so assessed or charged shall be sold for the payment of the same, and the expenses of such sale and costs by the tax collector of said town, under the same rules, regulations, restrictions, rights of redemption, provision and effects as are prescribed for the sale of real estate for unpaid taxes. Any owner of premises mentioned in any such report who is dissatisfied with the amount of damages assessed therein as done to said premises, or with any amount of special benefits, advantage or enhanced value therein assessed against the same, or said board of aldermen, if dissatisfied with any item in said report, may appeal, on any item with which he, she or they are so dissatisfied from such report thereon, or the action of the board of aldermen on such report, to the next term of the
superior court of said county of Haywood, by serving upon the adverse party a written notice of such appeal within ten days after said board of aldermen shall have so passed upon said report, but not afterwards. On any such appeal the appellate court shall have power to increase, affirm or diminish the amount of the item appealed on, but not to adjudicate the necessity of the improvement: and such appeal shall in nowise hinder or delay the board of aldermen in making or carrying out the proposed improvement, but it shall be lawful for it to enter upon and use the property so condemned as and for such purpose at any time after the expiration of two days from the date when the amount of damages assessed by the jury, decreased by special benefit, advantage and enhanced value, as aforesaid, shall have been paid or tendered, or, in case of appeal, deposited as aforesaid."

the general election laws of the State. Such notice shall set forth the
object for which said bonds are to be issued, the amount of same,
the rate of interest, the time when they mature, and the rate of
tax to be levied and collected to pay the same. Those qualified
voters approving the issue of such bonds and the levying and col-

that purpose a written or printed ballot with the word "Approved"
thereon, and those disapproving same shall deposit a like ballot
with the word "Disapproved" thereon. If at such election a ma-

commissioners shall issue the bonds provided for in such notice
and shall levy and order the collection of the taxes therein named
and authorized by this act. At such an election, upon the proper
notice being given as herein provided for, the issuing of bonds for
more than one purpose, within the meaning of this act, may be
voted on in separate ballot boxes, under the same rules and regu-
lations as named above; but in such cases the ballots shall contain
the purpose of the bonds, with the words "Approved" or "Dis-
approved," as the elector desires, following. Said elections may
be held from time to time as the board of commissioners may
determine, and if at any such election a majority of the qualified
voters vote "Disapproved," the same or a different proposition
may be submitted to the qualified voters at another election, under
the provisions of this act.

SEC. 46. That the board of commissioners shall elect two of
their number, and the mayor shall also serve ex officio, to consti-
tute a board of public works, whenever occasion demands, who
shall have charge of all the public works and improvements of the
town of La Grange. That this board of public works shall have
power to appoint a chairman and secretary for the transaction of
business, and shall make reports to the board of commissioners,
from time to time, of the condition of all affairs or matters in
charge of said board of public works.

SEC. 47. That the said board of public works shall have sole
and entire control of the management and operation of all public
works: Provided, said board shall make no extension or enlargement of public works except on recommendation of and by the direction of the board of commissioners.

Sec. 48. That if it shall be necessary for obtaining proper outlets for a system of sewerage to extend same beyond the corporate limits of said town, then in such case the board of commissioners of said town shall have power to so extend it, to condemn land for the purpose of a right-of-way or other requirements of said system; the proceedings of such condemnation to be same as those prescribed by the laws of the State.

Sec. 49. That the town of La Grange shall have power in its discretion to assess owners of land abutting on streets paved by said town with an amount not to exceed one-third of actual cost of such paving in front of such abutting land; and that the said town shall have like power of assessing not exceeding one-third of actual cost of any sewer in front of such abutting land; but the cost of common outlets shall not be so assessed, and the cost thereof, as herein provided for, may be assessed upon such abutting property and added to the taxes on the same and collected in the same manner as other taxes or assessments are collected.

Sec. 50. That all persons and corporations doing a business in the town of La Grange "affected with a public use" shall furnish and supply said town and the inhabitants thereof, upon proper demand therefor, at reasonable and uniform rates.

Sec. 5. The moneys which shall be from time to time apportioned under the general law of the State to the corporation herein chartered, and the moneys to which the same may be entitled by reason of any special tax, gift, grant, devise or apportionment, or otherwise, from whatsoever source, shall be paid over to the treasurer of such corporation, whose receipt for such moneys or other things of value shall constitute a sufficient voucher of such payment. The sheriff of Cherokee County shall collect all special taxes that may be levied for school purposes in the territory above
described, under any provision of this act, as other public taxes are collected, and turn the same over to the treasurer of the corporation herein chartered, taking his receipt for same. The board of trustees of the corporation herein chartered shall appoint some citizen or bank in said district to be its treasurer, who shall give a good and sufficient bond, payable to the State of North Carolina, and conditioned for the due and faithful performance of his duties as treasurer, to be approved by the County Board of Education of Cherokee County. A copy of said bond shall be deposited with the county superintendent, and the original thereof with the Clerk of the Superior Court of Cherokee County; and said treasurer shall be allowed two per centum for all moneys paid out by order of said corporation. Such elections shall be held at any date recommended by the board of trustees of the corporation herein chartered, after first giving thirty days' notice of said election by publication in some newspaper published in Cherokee County and by posting notices in three public places in said territory. Said election shall be held in the same manner and under the same regulations as provided for the election of members of the General Assembly, except, however, that the County Commissioners of Cherokee County shall call such election to be held within thirty days after receipt by them of the recommendations by the board of trustees, and shall not be confined to the calling of such election on the first Tuesday after the first Monday in November of any year: and
the board of trustees of the corporation herein chartered shall recommend some competent citizen, resident in the territory above described, to act as registrar, who shall be appointed by the Board of County Commissioners of Cherokee County as registrar, at their meeting, when the election is recommended by the board of trustees; and they shall provide said registrar with a suitable registration book to enter the names of those registering. Such registrar when so appointed shall, within ten days after his appointment, open the books of registration at some public place in the town of Andrews, and keep same open for fifteen days, and register therein all persons who are qualified under the Constitution and general laws of this State to vote in any general election. Such registrar shall register all persons qualified at any time they may apply to him for registration, within the time herein prescribed for registering voters, and he shall remain at the place of registration two Saturdays next preceding the election, from eight o'clock in the morning until four o'clock in the afternoon of each Saturday, for the purpose of registering those who may desire to be registered and are qualified. Said board of trustees of the corporation herein chartered shall also recommend four competent citizens of the territory hereinbefore described to act as judges of election, two of whom shall be appointed by the Board of County Commissioners of Cherokee County at the same time the registrar is appointed, to hold said election together with the registrar hereinbefore provided for. On the day appointed for such election the registrar and judges of election so appointed shall meet at the polling place in the town of Andrews, Cherokee County, and open the poll-books and conduct said election. The polls shall be open at seven o'clock in the morning and continue open until five o'clock of the same day, and all qualified voters who have registered for such election shall be allowed to vote, unless their names have been stricken from the registration book by virtue of challenge or other legal cause. At such special election those who favor the levying of such tax shall vote on written or printed ballots, without device, the words "For School," and those opposed to the levying of such tax shall vote on written or printed ballots, without device, "Against School." In case of sickness or other disability preventing the attendance of the registrar, or the judges of election, or either of them, to hold said election, then, in
case of the sickness of the registrar or his non-attendance, the judges of election, or either of them, shall procure the registration book and appoint some person resident of said territory, and a qualified voter therein, to aid in the conduct of such election in the place of such registrar; and in case the judges of election, or either of them, should be unable to attend such election, the registrar shall appoint the necessary person or persons to act in their place at said election.

SEC. 7. The registrar and judges, or persons holding such election, when the hour arrives for closing the polls, shall refuse to receive further ballots, and immediately proceed to determine the result of such election; and within two days after holding such election they shall certify under their hand to the Board of County Commissioners of Cherokee County the number of votes cast and counted at such election "For Schools" and the number of votes cast and counted "Against Schools," and appoint one of their number to take, in person, such certificate and deliver same to the Register of Deeds of Cherokee County, who shall, at the next meeting of the Board of County Commissioners of Cherokee County held after the delivery of the same to him, deliver same to the Chairman of the Board of County Commissioners of Cherokee County, and said board shall at once proceed to declare the result of such election. And if a majority of the qualified votes cast shall be in favor of "Schools," the County Commissioners of Cherokee County shall, at such meeting, if it be their first meeting in June, levy a tax at a rate sufficient to provide for the support and maintenance of the schools in the territory above described for a term not less than six months in each year; but if such certificate be delivered to the chairman of the board of county commissioners at any meeting after their regular meeting in June, then it shall be lawful for such commissioners to levy such tax and embrace same in the levy of taxes that are placed in the hands of the sheriff or tax collector of Cherokee County for that year, which said special taxes shall be collected by the sheriff or tax collector of Cherokee County under the same rules and regulations under which other taxes are collected, except that the sheriff or tax collector collecting such special taxes shall only receive as his compensation for collecting same two and one-half per cent. commission; and the sheriff or tax collector shall be subject to the same liabilities for the collection and disbursement of said tax as he may be for other school taxes: Provided, that the special tax so levied and collected shall not be less than fifteen cents on the one hundred dollars valuation of property and forty-five cents on the poll, nor exceeding fifty cents on the one hundred dollars valuation of property and one dollar and fifty cents on the poll. The County Commissioners of Cherokee County shall, at their first meeting in June of the year succeeding the year in which the first levy is made, and annually thereafter, levy such tax as may
be recommended to them by the board of trustees of the corporation herein chartered, observing the constitutional equation between property and poll, not exceeding in any one year fifty cents on the one hundred dollars valuation of property and one dollar and fifty cents on the poll. The taxes levied and collected under the provisions of this act shall be applied exclusively to the establishment and maintenance of the public schools in the territory above described, and for no other purpose; and the board of trustees of the corporation herein chartered may establish such number of primary and public graded schools in such territory, and may provide for the construction, maintenance, repair and keeping in order of the necessary buildings for such schools, and may equip them with the necessary furniture, fixtures and apparatus: Provided, that the board of trustees of the corporation herein chartered shall maintain a primary school at such place as they may designate in that part of the territory above described as is now known as "School District Number Nine, Valleytown," for at least four months, in which school pupils may be taught to and including the sixth grade, and after a pupil has passed the sixth grade he may attend the graded school in the territory first above described, under such rules and regulations as may be prescribed by the board of trustees.

Sec. 8. The corporation herein chartered shall be under the control and management of a board of trustees composed of three persons, resident tax-payers of the district, to be appointed by the County Board of Education of Cherokee County on the first Monday in April, nineteen hundred and five. The said board of trustees shall be divided by the county board of education at the time of their appointment into three classes. The term of office of the first class shall expire at the end of two years from the first Monday in April, nineteen hundred and five; and the term of office of the second class shall expire at the end of four years from the first Monday in April, one thousand nine hundred and five; and the term of office for the third class shall expire at the end of six years from the first Monday in April, one thousand nine hundred and five. Whenever the term of office of any class shall expire, as above provided, his successor shall be appointed for a term of six years by the County Board of Education of Cherokee County. Whenever any vacancy occurs in said board of trustees, except by expiration of the term of office, the vacancy for the unexpired term of the member or members shall be filled by the remaining members of the said board of trustees, unless it be that all three members resign at one time; then, in that case, the board of county commissioners shall appoint a new board of trustees.

Sec. 9. The board of trustees provided for by this act shall apportion the money raised or received for educational purposes in said district as shall be just to the white and colored races, with-

Sec. 10. Every person residing in said district, and having under his control a child or children between the ages of eight and fourteen years, shall cause such child or children to attend some public school in said district, and such attendance shall continue for at least twenty weeks of the school year; and for every neglect of such duty the person offending shall be guilty of a misdemeanor, and shall, upon conviction thereof before any justice of the peace, be fined one dollar for the first offense and two dollars for each subsequent offense, with costs. An offense, as understood in this act, shall consist in failure to send to school any child or children for five consecutive days, except in case of the sickness of such child or children or other reasonable excuse. It shall be the duty of every teacher to inform the board of trustees against any one so offending, and any teacher, principal or superintendent of any school or schools in the territory above described, failing to report such information to the board of trustees, shall be guilty of a misdemeanor, and be fined one dollar; and when any report is made to the board of trustees by any teacher, principal or superintendent, of the failure of any person to comply with the foregoing provisions of this section, the board of trustees shall immediately investigate the cause of such absence, and if in their opinion there does not exist a reasonable excuse therefor, they shall forthwith make complaint against the person having such child or children under his or her control, before some justice of the peace residing in the territory above described, who shall summon such person before him to answer such complaint. And if complaint be made before any justice of the peace residing in the territory above described that any teacher, principal or superintendent of any school in said territory is violating the provisions of this section, the justice of the peace shall summon such party so offending before him to answer such complaint, and any person convicted of violating any of the provisions of this section shall be fined by such justice in such sum, not exceeding the amount or amounts above stated, as the case may be, and be adjudged to pay the costs: Provided, that if such child or children have attended for a like period of time a private day-school, or if such child or children have been otherwise instructed for a like period of time in the branches of learning required by law to be taught in the public schools of this State, or have already acquired such branches, or if his physical or mental condition is such as to render such attendance inexpedient or impracticable, such penalty shall not be incurred.

Sec. 11. The board of trustees shall exclude from the school in said district any person having a contagious or infectious disease.

Sec. 12. The board of trustees shall make a report to the county board of education annually, at such times as is required under the school law of the State, showing an accurate census of the pupils in said district, and the work done and the money expended under their direction in the said district, a copy of which shall be forwarded to the State Superintendent of Public Instruction and a copy to the County Superintendent of Schools for Cherokee County. The beginning, length of term taught, and the ending of the school year shall be fixed by the board of trustees, and said board of trustees shall make such other reports as may be required under the general public school law, the State Superintendent of Public Instruction and the County Board of Education of Cherokee County.

Sec. 13. That the board of trustees of the corporation herein chartered are hereby authorized to issue coupon bonds, not to exceed in amount the sum of five thousand dollars, and in denominations of one hundred dollars or multiples thereof, bearing interest from date of bonds at a rate not exceeding six per cent, per annum, the coupons being payable semi-annually on the first day of January and the first day of July of each year at the Merchants and Manufacturers Bank of Andrews, North Carolina, or at such other place as the board of trustees may designate. The bonds shall be made payable at a time to be fixed by the board of trustees, and named therein, not to be less than three nor more than thirty years from the date of issuing. Said bonds and their coupons shall be numbered, and the bonds shall be signed by the chairman of the board of trustees and countersigned by the secretary of the corporation herein chartered, and have the corporate seal of said corporation affixed thereto; and the coupons thereto attached shall bear on their face the number of the bond to which they belong, and each coupon shall be numbered consecutively, beginning with one, so as to show the number of each coupon attached to each bond; and they shall be signed by the chairman of the board of trustees. A record shall be kept of said bonds, showing the number and the denominations thereof, to whom sold, the dates of issuing thereof, and when the same shall mature, the rate of interest, and the amount received from the sale of the same.

Sec. 16. That it shall be the duty of the County Commissioners of Cherokee County to order a special election to be held in said district at any time after the ratification of this act, if such election be recommended by the board of trustees or the majority of them, and at this election the question to be submitted to the qualified voters shall be whether or not the issue of bonds herein provided for shall be approved. The call for such election shall state the amount of bonds to be voted for, the rate of interest and the time of payment; and at such election those in favor of issuing bonds shall vote on written or printed ballots the words "For School Bonds," and those opposed to the issue of bonds shall vote ballots bearing the words "Against School Bonds." This special election shall be held in the same manner and under the same regulations hereinbefore provided for elections for special school taxes in section eight of this act.

Sec. 17. That if a majority of the qualified votes cast at such special election are in favor of issuing bonds, the board of trustees shall forthwith have said bonds issued and sold as herein provided.

Sec. 18. The questions of levying special school taxes and of issuing bonds may be voted on at the same time, or at different times, as may be recommended by the board of trustees.

Sec. 19. If the issue of bonds is approved at the election herein provided for, it shall be the duty of the board of trustees to recommend, and the duty of the County Commissioners of Cherokee County to levy annually thereafter, when the county taxes are levied, a special tax on the taxable property and polls in said district sufficient to pay the interest and the principal on said bonds as they respectively fall due. Said special tax shall be collected by the sheriff or tax collector of said county at the same time and in the same manner as other taxes are collected, except that the sheriff or tax collector shall receive only two and one-half per cent. commission for collecting said taxes; and he shall pay over to the Treasurer of "Andrews School District, Number
Four,” promptly, the taxes so collected by virtue of said special levy; and such treasurer shall receive said funds and keep them separate and apart from any other funds in his hands, and apply them solely to the payment of the interest and principal of said bonds as they may respectively mature. The official tax bond of the sheriff or tax collector of Cherokee County, and treasurer of “Andrews School District, Number Four,” shall be of sufficient amount to recover any special taxes or funds which may come into their hands by virtue of this act, and they shall be subject to the same penalties for failure to perform the duties herein imposed as are by law provided in the case of other funds or taxes.

Sec. 20. When any special taxes are levied under any provision of this act it shall be the duty of the Register of Deeds of Cherokee County to make proper abstracts of same, and put same in a general abstract or tax book of Cherokee County as other taxes are abstracted, and for such services shall be paid the usual lawful fees by the board of trustees of “Andrews School District, Number Four.”

Sec. 21. The trustees herein provided for shall, as soon as convenient after their appointment, meet and elect one of their members chairman; and they shall elect a secretary and treasurer. The offices of secretary and treasurer may be held by one person. The trustees shall provide all suitable books for keeping records and accounts, and shall keep a correct and full minute and record of all their proceedings and acts, which books shall at all times be open for inspection to any tax-payer of the territory above described, the State Superintendent of Public Instruction, the county board of education and the County Superintendent of Cherokee County.

Any appointed registrar or judge of election who fails to perform the duties imposed on him by this act shall be guilty of a misdemeanor, and, upon conviction, be fined in the discretion of the court.

If for any cause the board of trustees cannot procure suitable grounds for necessary school purposes in said district, by agreement with the owner thereof, then it shall be lawful for the chairman of such board of trustees or a majority of the trustees, in the name of “Andrews School District, Number Four,” to proceed to have such property as may be needed, condemned, in the manner prescribed in section five of chapter four hundred and ninety-nine of Public Laws of North Carolina of one thousand
nine hundred and three, and the provisions of said section relating to the manner of condemning land shall be applicable to "Andrews School District, Number Four," as though the entire section or that part of same relative to condemnation of land was embraced in this act.

Sec. 24. The Board of Education of Cherokee County, in making any apportionment to "Andrews School District, Number Four," shall at all times reserve out of such apportionment sufficient sum or sums to pay off and discharge the present indebtedness of school district number four, Valleytown Township, Cherokee County, to the State Board of Education, and any future indebtedness that "Andrews School District, Number Four," herein chartered, may incur to said State Board of Education.

Sec. 25. All the foregoing charges shall be paid by the board of trustees of "Andrews School District, Number Four,"

Sec. 26. Sec. 11. That said company shall have the right to subscribe to and own and hold stock in other corporations.

Sec. 12. That said county of Graham may subscribe to the capital stock of said company in an amount not exceeding fifty thousand dollars, and pay same either in cash or in the bonds of the county, under the following conditions, to-wit: Upon the presentation of a petition in writing, signed by at least one hundred citizens and voters of said county, addressed to the board of county commissioners of said county, requesting them to submit to the qualified voters of the county a proposition to subscribe a definite sum named in said petition to the capital stock of said company.
to be paid either in cash or in the bonds of the county, the board of county commissioners of said county shall submit such proposition of subscribing to the capital stock of said company to the qualified voters of said county, at an election to be held on a day to be fixed and named by said board of county commissioners, which shall not be later than ninety days after the filing of said petition. Said board of county commissioners shall, for at least thirty days preceding the date of said election, give public notice thereof by advertisement posted at the court-house door and six other public places in said county, and by publishing such notice in some newspaper circulating in said county, stating in such notices and advertisements the purpose of the election, the amount of the subscription to be made, whether same is to be paid in cash or bonds of the county, and such other matters as are deemed necessary. If the board of county commissioners deem it advisable they may order an entirely new registration for said election, which registration shall be made in the manner prescribed for registering voters under the general election laws of the State.

All persons qualified to vote for members of the General Assembly shall be permitted to vote at said election, and said election shall be held and the votes thereat canvassed and returned under the rules and regulations now prescribed, or such as may hereafter be prescribed, for the election of members of the General Assembly and other officers in said county. The board of county canvassers, to be appointed as required under the laws for general elections, shall meet at the court-house in said county on the third day after said election and canvass the votes and declare the result of said election, and the result of said election shall be recorded by the Register of Deeds of Graham County in the minutes of the proceedings of the board of county commissioners, and no other record or declaration of said result shall be necessary. That at said election the ballots tendered and cast by the qualified voters shall have written or printed upon them the words "For Railroad Subscription," or the words "Against Railroad Subscription," and all qualified electors who favor such subscription shall cast ballots having written or printed thereon the words "For Railroad Subscription," and all qualified electors opposed to such subscription shall cast ballots having written or printed thereon the words "Against Railroad Subscription."

Sec. 13. Should a majority of the qualified electors of said county cast ballots having written or printed thereon the words "For Railroad Subscription," as above prescribed, the said Board of County Commissioners of Graham County shall immediately make such subscription, and, in the event same is not paid in cash, they are hereby authorized and empowered to issue the bonds of said county to the amount of such subscription, not exceeding the said sum of fifty thousand dollars. Said bonds shall be in denominations of one thousand dollars each, and shall be-
come due and payable twenty years after their date, and bear interest at a rate not exceeding six per cent. per annum, which shall be evidenced by interest coupons attached, and the principal and interest of said bonds shall be payable at such place as the board of county commissioners may determine. When said bonds shall have been prepared and executed by said board of county commissioners under the seal of said county, they shall be used for the purpose of paying the subscription as aforesaid to the capital stock of said company, and for that purpose delivered to the duly authorized officers of said railroad company; but no delivery of said bonds shall be made by said commissioners until said company shall have complied with all reasonable terms and conditions which said board of county commissioners shall have deemed necessary to impose in order to secure the completion of said railroad or any required portion thereof.

Sec. 14. That the board of county commissioners of said Graham county shall levy annually (until said bonds are paid) on the first Monday in June, beginning with the first Monday in June after the issuing of said bonds, a sufficient tax upon the property and polls in said county to regularly and promptly pay the interest on said bonds, and at the same time shall also compute and levy a tax on the property and polls of said county which when collected will net an amount equal to one-twentieth part of the bonds so issued, which last-mentioned tax as collected shall constitute a sinking fund to provide for the payment of said bonds at their maturity. The taxes so levied as above shall be annually collected, as other taxes are collected, and shall be paid by the collecting officer to the treasurer of said Graham County, to be by him kept as a special fund, separate and apart from any and all other moneys in his possession, and used for the purposes for which said taxes were levied and collected, and for no other purpose. Said treasurer shall give a separate bond for the safe-keeping and proper disbursement of said taxes, to be executed in such sum and with such security as said board of county commissioners shall deem proper, and to be renewed from time to time and at least once in each year; and he shall receive for his services the same compensation he receives for handling other county funds. Whenever practicable, the sinking fund above provided for shall annually be applied to the purchase of the identical bonds to pay the principal of which said fund was created; but whenever it is found to be impracticable to so apply said sinking fund, or any part thereof, then the same shall be safely invested, as may be directed by said board of county commissioners, due precaution being taken in making any such investment to have all moneys belonging to said fund available promptly when said bonds mature.

quorum, the Clerk of the Superior Court of Moore County shall
have authority to appoint a sufficient number of commissioners to
make up a lawful quorum, who shall hold the said offices until the
next general election of commissioners.

Sec. 6. That the commissioners of said town shall have authority
to pass all necessary by-laws and ordinances for the proper govern-

fines and penalties. Among the powers specifically conferred upon
the commissioners are the following: They may take necessary

to prohibit all interference with a due observance of the Sabbath;
to maintain peace and good order in town; to prohibit and prevent
gambling or other vice.

Sec. 7. The board of commissioners shall have full power and
authority to lay out, open, grade, remove obstructions from and
keep in repair the streets, alleys, parks and commons within the
corporate limits of the town in such manner as in their judgment
may be necessary or advisable; and they shall likewise have full
power and authority to widen, enlarge, make narrower or smaller,
straighten, change, extend, close or discontinue any street, alley,
park or common within the corporate limits of the town, whenever
and in such manner as in their judgment the public good or con-
venience may require it. Whenever in the exercise of said powers
they may deem it necessary, they may acquire land for the use of
the public by gift, dedication, purchase or by the right of eminent
domain.

Sec. 8. In the event the board of commissioners shall deem it
necessary or desirable to condemn land, the same shall be done in
the manner following: The board of commissioners shall pass a
resolution describing the land to be taken, the purpose for which
it is to be taken, and the public need therefor, and shall at the
same time designate one person to act as appraiser of the damages
to be sustained by the owner of the land. A copy of this resolu-
tion and appointment of the appraiser shall be served upon the
owner in the manner prescribed by law for the service of notices.
The owner may thereupon within three days after such service
upon him, appoint in writing one person to act as appraiser of the
damages to be sustained. Shall he fail or refuse to make such
appointment in the time limited, the mayor of the town shall
appoint such appraiser. The two appraisers thus chosen shall
select a third, and these three shall view the land to be taken and
assess the damages to be sustained by the owner. In computing
the damages they may take into consideration the benefits and the
advantages to the owner by the proposed public improvement, and
assess the damage at the net amount after deducting the value of
such benefits and advantages to the owner. They, or a majority
of them, shall make report in writing of their action and file same
with the mayor, who shall forthwith cause a copy of same to be
served upon the owner; and either the board of commissioners or
the owner may, within ten days after such service, appeal to the
Superior Court of Moore County, where the matter shall be reviewed as in other civil actions. The amount of damage assessed by the appraisers, or found by judgment in the superior court, shall be paid by the board of commissioners in such reasonable time as the said board or the superior court may order. The report of the appraisers, or the judgment of the superior court on appeal, shall have the force and effect of a conveyance of the land to the town of Pinebluff for the use of the public, and shall be entered upon the records kept by the board of commissioners and recorded in the office of the Register of Deeds of Moore County. An appeal to the superior court shall not have the effect of staying work upon the public improvement contemplated by the board of commissioners, but they may enter upon such land and proceed with the said improvement. "NORTH CAROLINA—Buncombe County—88:

"The execution of the foregoing and annexed articles of agreement for the formation of a corporation to be known as the Asheville Auditorium Company was this day duly proven before me on the oath and examination of Lola K. Turner, the subscribing witness thereto.

"Therefore, let the said foregoing articles of agreement for the formation of said corporation, together with this certificate, be recorded and a certified copy of the same sent to the Secretary of State in and for the State of North Carolina, that he may issue letters patent to said corporation.

"In testimony whereof I have hereunto set my hand and affixed my official seal, on this the twentieth day of September, A. D. one thousand nine hundred.

(Official Seal.) (Signed) "Marcus Erwin,
"Clerk Superior Court Buncombe County."

AND WHEREAS, said corporation has heretofore increased its capital stock to thirty-five thousand dollars, as permitted so to do under its original articles of agreement aforesaid;

AND WHEREAS, said corporation later desired to issue fifteen thousand dollars of preferred stock, no provision for which is made in the said original articles of agreement; and for the purpose of amending its articles of agreement, or certificate of incorporation, the board of directors of said company and the stockholders thereof, severally, duly and regularly adopted the following resolutions, the resolution of the directors having been passed at a regular meeting held on the second day of November, one thousand nine
hundred and three, and the resolution of the stockholders having been duly and regularly passed by a two-thirds majority in interest of the capital stock of the company then outstanding, at a meeting regularly called and held on December the first, one thousand nine hundred and three:

RESOLUTION OF THE DIRECTORS.

"WHEREAS, the board of directors of the Asheville Auditorium Company, recognizing that it is the unmistakable sentiment of the stockholders of the company and the citizens of Asheville that the auditorium must be built as soon as possible, have heretofore, by a resolution duly passed at a called meeting of said board, held on the twenty-fourth day of October, one thousand nine hundred and three, decided that the auditorium shall be rebuilt:

"AND WHEREAS, it is the opinion of said board that from twelve to fifteen thousand dollars additional capital will be required to enable the company to so rebuild;

"AND WHEREAS, it is the further opinion of said board that such additional capital can be best raised by an issue and sale of preferred stock, not exceeding fifteen thousand dollars in amount: Now, therefore, be it

"Resolved, That it is the opinion of said board of directors, and they do hereby so declare, that it is advisable to amend the present certificate or articles of incorporation of said company so as to provide that the said Asheville Auditorium Company shall have the power and authority of increasing its capital stock at any time it may deem advisable to the amount of fifteen thousand dollars in excess of that now permitted, and of creating in addition to the common stock of the company at present provided for a class of stock to be known as preferred stock, not exceeding said sum of fifteen thousand dollars in amount, which shall have such voting strength and be entitled to such preferences in the payment of dividends and otherwise as the stockholders may determine.

"And a meeting of the stockholders of the company is hereby called, to be held at such time and place as the president of the company may designate, but not later than thirty days from this date, to take action on the subject-matter of this resolution."

RESOLUTION OF THE STOCKHOLDERS.

"WHEREAS, the present certificate or articles of incorporation of the Asheville Auditorium Company provide, as set forth in article six thereof, that the capital stock of the corporation shall be twenty-five thousand dollars, divided into twenty-five hundred shares of the par value of ten dollars each, with the privilege of increasing the capital stock up to one hundred thousand dollars by a vote of the majority of the shares outstanding at the time of such increase:
"AND WHEREAS, the stockholders of the company have heretofore
regularly authorized the increase of such capital stock to thirty-
five thousand dollars;*

"AND WHEREAS, the board of directors of the company have hereto-
fore, to-wit, by a resolution duly passed by said board at a meet-
ing held on November the second, one thousand nine hundred and
twelve, recommended that the capital stock of the company be in-
creased fifteen thousand dollars more, and that the certificate or
articles of incorporation of the company be amended so as to pro-
vide for a class of stock, to be known as preferred stock, not to
exceed fifteen thousand dollars in amount, to be issued in addition
to the common stock of the company already provided for, as will
more fully appear by reference to said resolution as the same is
spread on the company's minutes: Now, therefore, be it

"Resolved, that the certificate or articles of incorporation of the
Asheville Auditorium Company be and the same are hereby
amended so as to read as follows—that is to say, article six of said
certificate or articles of incorporation shall be stricken out and the
following inserted and substituted in lieu thereof, to-wit:

"VI. That the amount of the capital stock of said corporation shall Capital stock.
be fifty thousand dollars, divided into five thousand [shares] of the
par value of ten dollars each, of which thirty-five hundred shares Common stock.
shall be common stock and fifteen hundred shares shall be pre-
ferred stock, with the privilege to said corporation of at any time
or times hereafter increasing the common stock of the company as
much as fifty thousand dollars more, whenever a majority in
interest of the stockholders shall determine that it is advisable to
make such increase. That the preferred stock above provided for
shall be entitled to such preferences in the payment of dividends
and otherwise, shall have such voting strength, and shall be issued
upon such conditions as the stockholders shall hereafter deter-
mine."

And whereas, the board of directors, by a resolution duly passed
at a meeting held on the twentieth day of January, one thousand
nine hundred and five, recommended that the issue of preferred
stock provided for in the resolution above set forth be increased
from fifteen thousand dollars to twenty thousand dollars, making
the total capital stock fifty thousand dollars;* Preferred stock.

And whereas, on account of the large number of stockholders of
said corporation, it is extremely difficult to secure a stockholders'
meeting for the purpose of acting upon said last-mentioned resolu-
tion of the directors, and for the same reason well-nigh impossible
to secure the written assent of two-thirds in interest of the stock-
holders authorizing an amendment to its articles of agreement or
certificate of incorporation, so as to provide for said issue of pre-
ferred stock, and its increase to twenty thousand dollars, and it is
therefore necessary that such amendment providing for said issue
of preferred stock and its increase to twenty thousand dollars to be authorized by a special act of the Legislature: Now, therefore,

The General Assembly of North Carolina do enact:

SECTION 1. That the incorporation and organization of said Asheville Auditorium Company under the articles of agreement aforesaid are hereby ratified and confirmed, and the said corporation shall have, use and enjoy all the rights, privileges, powers, franchises and immunities heretofore granted to it under said articles of agreement and the letters patent or charter issued to it by the Secretary of State, as fully [to] all intents and purposes as though said corporation had originally been created by an act of the General Assembly of North Carolina, together with all rights, privileges, powers, franchises and immunities granted to corporations under the general laws of North Carolina, and also all rights, privileges, powers, franchises and immunities specified in this act.

SEC. 2. That the original articles of agreement or certificate of incorporation of said Asheville Auditorium Company be and they are hereby amended as follows—that is to say, article six of said certificate or articles of incorporation shall be stricken out and the following inserted and substituted in lieu thereof, to-wit:

"VI. That the amount of the capital stock of said corporation shall be fifty-five thousand dollars, divided into five thousand five hundred shares of the par value of ten dollars each, of which thirty-five hundred shares shall be common stock and two thousand shall be preferred stock, with the privilege to said corporation of at any time or times hereafter increasing the common stock of the company as much as forty-five thousand dollars more, whenever a majority in interest of the stockholders shall determine that it is advisable to make such increase. That the preferred stock above provided for shall be entitled to such preferences in the payment of dividends and otherwise, shall have such voting strength, and shall be issued upon such conditions as the stockholders shall hereafter determine."

And whereas, the said Asheville Auditorium Company has been organized as a public enterprise, without expectation of profit on the part of its stockholders, for the purpose of erecting and maintaining a building in the city of Asheville in which to hold public conventions, commonly called an auditorium, and has constructed and is maintaining such a building, being the building known as the "Asheville Auditorium";

And whereas, as a means of revenue for the purpose of assisting in paying its necessary operating expenses, said company permits the use of the building for theatrical purposes, and has thereby become liable for the special license taxes levied upon opera-houses and theaters;

And whereas, it is deemed proper and expedient, under the circumstances aforesaid, to relieve the said Asheville Auditorium
Company from the payment of such special license taxes: Now, therefore,

The General Assembly of North Carolina do further enact:

SEC. 3. That said Asheville Auditorium Company be and the same is hereby relieved and exempted from the payment of all license taxes or charges levied or authorized to be levied by the State of North Carolina, the county of Buncombe and the city of Asheville against opera-houses or theaters, and all other special taxes, for and during the term of five years from and after the passage of this act.

SEC. 4. That this act shall be in force from and after its ratification.

In the General Assembly read three times, and ratified this the 27th day of February, A. D. 1905.

Section 1. That the Suffolk and Carolina Railway Company is hereby authorized and empowered to build, construct, maintain and operate one or more lines of railroad, beginning at some point
or points on the Albemarle Sound, or some tributary or estuary Terminals, thereof, and extending to any point or points it may designate in either Tyrrell or Hyde Counties. It shall have the right to build Branch lines, branch lines, not exceeding fifty miles in length, connecting with the lines so constructed, and with regard to the surveying, building, constructing and operating said railroad lines and branch lines, the said Suffolk and Carolina Railway Company shall have General law to and exercise all the powers of condemnation contained in chapter forty-nine of The Code and the act amendatory thereof, now or hereafter enacted.

Sec. 3. That upon the presentation to the board of commissioners of either of said counties, to wit, Tyrrell County and Hyde County, of a petition in writing, signed by not less than one-fourth of the qualified voters of either or each of said counties, respectively, requesting the board of commissioners thereof to submit to the qualified voters of such county wherein said petitioners reside, a proposition to subscribe a definite sum named in said petition to the capital stock of the said Suffolk and Carolina Railway Company, the board of commissioners of either of the said counties to which such petition shall be presented within thirty days, may order an election to be held at the various polling places in said county upon the question of "Subscription" or "No Subscription" for the said purpose of aiding in the construction of the said railroad. That the amount of subscription to be submitted to the voters of either of said counties shall not exceed the sum of five thousand dollars ($5,000) per mile for each and every mile of standard track to be built in said county, and the amount of the subscription which it is proposed to submit to the voters of the said counties shall be designated in the petition submitted to the board of commissioners.

Sec. 4. That all elections held under the preceding section shall be held as nearly as may be practicable in the manner prescribed by law for the election of members of the General Assembly. The returns of said election from the voting precincts shall be made to and canvassed by the board of county commissioners respectively of each of said counties, which board shall ascertain and declare the result of said election and make a record of the same and have the said record recorded in the book of elections of said county. That in case a majority of all of the qualified voters in either of
the said counties shall have voted for subscription, then the board of commissioners of the same county shall, within thirty days after the result of the said election is ascertained, subscribe in the name of the county to the capital stock of the said Suffolk and Carolina Railway Company in the amount designated in the petition requesting the election to be held as aforesaid. That at all such elections those favoring the subscription shall vote a ballot on which is written or printed, or partly written and partly printed, the words "For Subscription," and those opposed to the proposition to subscribe shall vote a ballot on which is written or printed, or partly written and partly printed, with the words, "Against Subscription." Sec. 5. That the said counties of Tyrrell and Hyde, each of them, are hereby authorized to pay for the capital stock of the Suffolk and Carolina Railway Company which they or either of them may subscribe for in the manner hereinbefore provided by the issue and delivery to the said Suffolk and Carolina Railway Company of coupon bonds of the said counties, or either of them, bearing five per cent. interest, payable semi-annually on the first days of July and January of each year, the said bonds to be in the denomination of one thousand dollars each, with coupons attached, and shall be payable at such times as is designated by the board of county commissioners of the county issuing them: Provided, the time of their maturity shall not be longer than thirty years from the date of their issue. The said bonds shall be in the form prescribed by the board of county commissioners of the county issuing them, and the name of the county shall be affixed to each of said bonds by the chairman of the board of commissioners thereof and shall be attested by the register of deeds and his seal affixed thereto.

Sec. 6. The said treasurer, or other such officer, is constituted a commissioner of the sinking fund created hereby and is directed to invest the proceeds of the taxes levied, as hereinbefore, in the bonds issued by the county. If the board of commissioners
of either of said counties shall provide that the bonds issued shall mature in a shorter period than thirty years, in that event in such county the board of commissioners shall levy a sufficient tax each year to pay off and discharge the entire issue of bonds within the period prescribed for their maturity. The board of commissioners of either of said counties, in issuing said bonds, may insert a proviso that it or the commissioner of the sinking fund may call in and pay off out of said sinking fund any of said bonds before maturity upon payment of the interest then due and the principal sum named in the bond. It shall be the duty of the sinking fund commissioner, whenever he has sufficient money in hand to pay off any one or more of said bonds, to give notice that he is ready to buy a certain number thereof, and if he receives offers to sell said bonds at less than par, it shall be his duty to invest the money in hand in the bonds which are offered lowest to him, and if none are offered at less than par and interest he shall designate, of the bonds offered, the ones which he will purchase.

Sec. 7. That whenever it shall appear to the board of county commissioners of either of said counties that it is to the interest of said county to sell its stock in the Suffolk and Carolina Railway Company, subscribed and paid for by such county under this act, it may sell all or any part of said stock, and the proceeds of such sale shall be turned into and made part of the sinking fund created for the redemption of said bonds, and shall be immediately invested in said bonds in the manner hereinafore provided for. In case of such sale, a resolution of the board of county commissioners authorizing the sale shall be sufficient, and a transfer of said stock, signed in the name of the county by the chairman of the board of commissioners, attested by the register of deeds under his seal, shall be a sufficient transfer of the stock and shall vest in the purchaser the legal title thereto. That any dividends accruing and paid upon said stock shall likewise be paid into and made a part of the sinking fund for the redemption of the bonds issued hereunder.

Sec. 8. That for the purpose of this act the said two counties, Tyrrell and Hyde, and each of them, are hereby declared bodies politic and corporate and are vested with the necessary powers to carry out the provisions of this act, and shall have all the rights and be subject to the liabilities in respect to any right or cause of action growing out of the provisions of this act.

Sec. 9. That if at the election held in either of the said counties of Hyde and Tyrrell, under the provisions of this act, the proposition to subscribe to the stock of the Suffolk and Carolina Railway Company shall be defeated, it shall be lawful for the board of county commissioners of either of the said counties to again submit the question of subscription to the capital stock of the said railroad to the qualified voters thereof in the manner prescribed hereinafore in this act, but no second, third, or other election only one election a year.
shall be held under the provisions of this act until one year shall have elapsed after the next preceding election on said question.

Sec. 10. That immediately after the ratification of this act the Secretary of State is directed to transmit a certified copy of the same to the clerks of the superior courts of the counties of Hyde and Tyrrell.

Sec. 11. This act shall be in force from and after its ratification,

In the General Assembly read three times, and ratified this the 4th day of March, A. D. 1905.

If the consideration shall be for the way
only, the consideration shall extend only to the right-of-way, but if for depot or building purposes, the consideration shall be in fee. The appraisers shall make their report to the clerk of the superior court within ten days from the time of their meeting on the premises. Said report shall be recorded in the office of the register of deeds, after approval by the clerk and payment of damages assessed, and shall have the force and effect of a deed. The General Assembly of North Carolina do enact:

estate abutting thereon in proportion to the frontage on the street or portion of the street so improved, and charge to and assess upon the real estate upon each side of the street upon which said work is done its pro rata share of one-third of the cost of such improvement made under the provisions of this act: Provided, however, in order to avoid obstructing, land-owners may subdivide their lands in such manner as they may see fit, and shall file in the office of the town clerk a plat of such subdivisions, making the lots fronting on the streets so paved or improved of any desired frontage but not less than one hundred feet in depth, and the assessments made and the liens created by virtue of this act for street improvements shall thereafter affect and attach to such front lots only, not less than one hundred feet in depth: and where, in such cases, any lands fronting on such improvements are so subdivided into lots, each of said lots fronting on such improvements shall be and remain charged with its ratable proportion of said assessments and lien, according to its frontage. All taxes upon persons and property authorized in section fourteen of this act shall be due on the first Monday in October in each year, and when paid the tax collector shall execute and deliver a proper receipt for the amount of such tax, and note the judgment and the date thereof on the tax list against the name of the party paying the same; and if the tax collector fails to fully account with the board of aldermen for the amount of such taxes collected by him every month, and oftener when required, he shall be guilty of a misdemeanor and removed from office by the board of aldermen.

Sec. 22. The tax collector shall attend during the month of November in each and every year at some stated place in said town for receiving and collecting said taxes, of which fifteen days' notice shall be given by advertisements posted at three or more public places in said town: Provided, that if the taxes shall not be paid before the first day of December the tax collector may after that day levy and sell property to satisfy the amount of the taxes owing by such persons as may have not previously paid the same; but he shall not advertise nor sell before the first day of January following.

Sec. 23. That the board of aldermen shall have authority to put at work and keep at work upon the streets or upon the public grounds of the town any person or persons who shall fail or refuse to pay any fines, penalty or forfeiture which may have been imposed by the mayor of the town; and the said aldermen shall have authority by the ordinances and by-laws of the town to confine, manage and control such person or persons until the fine, penalty or forfeiture, together with the cost thereof, shall be fully paid and satisfied, under such rates for labor and board as the aldermen may establish.

Sec. 24. That the town constable shall be the tax collector of said town. Before entering upon the performance of any duty he shall take the oath prescribed for public officers and an oath that he will faithfully and impartially discharge the duties of his office according to law. He shall take this oath before a justice of the peace of Onslow County or other person duly empowered to administer oaths for general purposes. As a peace officer the town constable shall have within the town all the powers of a constable in the county, and as a ministerial officer he shall have the same power as a constable in the county to execute all precepts and
process that may be issued by the mayor or other lawful authority of the county and to enforce the ordinances and regulations of the aldermen as they may direct. He shall have the same powers to collect the town taxes imposed by the aldermen as sheriffs have to collect the taxes imposed by county commissioners, and he shall execute a bond payable to the State of North Carolina with good bond, and sufficient surety in such sum as the board of aldermen may prescribe, which shall not be less than double the amount of the annual tax levied upon the taxable persons and taxable property of the towns upon which the board of aldermen may institute suit and prosecute the same to final judgment, for any default made or suffered by the town constable. The bond herein required to be executed and delivered by the town constable shall be duly proved before the mayor and aldermen and recorded in the office of the Register of Deeds of Onslow County.

Sec. 25. That it shall be lawful for the town constable to serve and execute all civil or criminal process that may be directed and delivered to him by any court in the county of Onslow under the same regulations and penalties as prescribed by law in the case of other constables.

Sec. 26. That a policeman of the town shall have the same authority to make arrests and execute criminal process within the corporate limits of the town as is vested by law in a sheriff.

Sec. 27. The board of aldermen shall annually publish an accurate statement of the taxes levied and collected in the town, together with a statement of the amount expended by them and for what purpose. And on failure to comply with this section the board of aldermen shall forfeit and pay one hundred dollars, for which they shall be personally liable, and be guilty of a misdemeanor. The penalty herein prescribed shall be recoverable by any person who will sue for the same, and shall come to his own use and benefit.

Sec. 28. That any person violating any of the by-laws, rules, regulations or ordinances of the town of Richlands shall not only be subject to the penalties thereto attached, but also in addition thereto be guilty of a misdemeanor, and shall be fined not exceeding fifty dollars or imprisoned in the county jail or a town lock-up not exceeding thirty days.

Sec. 29. The mayor may issue his precepts to the town constable or to any policeman of the town or to such other officers to whom a justice of the peace may direct his precepts, and no preliminary affidavit shall be necessary to give the mayor final jurisdiction over the offenses against the by-laws, rules, regulations or ordinance of the said town.

Sec. 30. That the expenses incurred in holding town election shall be borne by the town, and every person shall be allowed to inspect the election returns deposited with the board of aldermen as hereinbefore provided, and also to inspect and examine all records open to inspection.
