Such employee (or the officer discharging or suspending him) may within five days of such ruling appeal therefrom to the council, which shall fully hear and determine the matter at its next regular meeting, or earlier if it deems necessary, and its decision shall be

Sec. 30. The holder of any elective office may be removed any time by the electors qualified to vote for a successor of such incumbent. The procedure to effect the removal of an incumbent shall be as follows:

A petition signed by electors entitled to vote for a successor to the incumbent sought to be removed, equal in number to at least thirty-five per centum of the entire vote for all candidates for the office of mayor at the last preceding general primary election demanding an election of a successor to the person sought to be removed shall be filed with the city clerk and treasurer, which petition shall contain a general statement of the ground for which the removal is sought. The signatures to the petition need not all be appended to one paper, but each signer shall add to his signature his place of residence, giving the street and number. One of the signers of each of such papers shall make oath before an officer competent to administer oaths that the statements therein made
are true as he believes, and that each signature to the paper appended is the genuine signature of the person whose name it purports to be. Within ten days from the date of filing of such petition the city clerk and treasurer shall examine and from the poll books ascertain whether or not said petition is signed by the requisite number of qualified voters, and, if necessary, the council shall allow him extra help for that purpose; and he shall attach to said petition a certificate showing the result of his examination. If, by the clerk and treasurer's certificate, the petition is shown to be insufficient, it shall be returned to the person filing the same, without prejudice, however, to its being filed again within ten days containing additional names, and without prejudice to the filing of a new petition to the same effect. If a petition shall be deemed to be sufficient, the clerk and treasurer shall submit the same to the council without delay. If the petition shall be found to be sufficient, the council shall order and fix a date for holding the said election, not less than sixty days nor more than eighty days from the date of the clerk and treasurer's certificate to the council that the petition is sufficient.

The council shall make or cause to be made publication of notice of and all arrangements for holding said election; and the same shall be conducted, returned and the result declared, in all respects as are other city elections. The successor of any officer so removed shall hold office during the unexpired term of his predecessor. Any person sought to be removed may be a candidate to succeed himself, and unless he requests otherwise in writing, the city board of election shall place his name on the official ballot for nomination. In any such removal election the candidate receiving the highest number of votes shall be declared elected. At such election if some other person than the incumbent shall receive the highest number of votes, the incumbent shall thereupon be deemed removed from the office upon the qualification of his successor. In case the person who receives the highest number of votes shall fail to qualify within ten days after receiving notification of his election, the office shall be deemed vacant. If the incumbent received the highest number of votes he shall continue in office. This method of removal shall be cumulative and additional to the methods heretofore provided by law.

**Sec. 21.** Any proposed ordinance may be submitted to the council by petition signed by electors of the city equal in number to the percentages hereinafter required. The signatures, verification, inspection, certification, amendment and submission of such petition shall be the same as provided for petition under section 20 hereof.

If the petition accompanying the proposed ordinance be signed by electors equal in number to thirty-five per centum of the votes cast for all candidates for mayor at the last preceding general primary election and contains a request that the said ordinance be
submitted to a vote of the people if not passed by the council, such
council shall either—

(a) Pass said ordinance without alteration within twenty days
after attachment of the clerk and treasurer's certificate to the ac-
companying petition, or,

(b) Forthwith, after the clerk and treasurer shall attach to the
petition accompanying such ordinance his certificate of sufficiency,
the council shall call a special election, unless a general municipal
election is fixed within six months thereafter, and at such special
or general election, if one is so fixed, such ordinance shall be sub-
mitted without alteration to the vote of the electors of said city.

But if the petition is signed by not less than ten nor more than
thirty-five per centum of the electors, as above defined, then the
council shall, within twenty days, pass said ordinance without
change, or submit the same at the next general city election occur-
ing not more than six months after the clerk and treasurer's cer-
fificate of sufficiency is attached to said petition.

The ballots used when voting upon said ordinance shall contain
these words: "For the ordinance" (stating the nature of the pro-
posed ordinance) and "Against the ordinance" (stating the nature
of the proposed ordinance). If a majority of the qualified electors
voting on the proposed ordinance shall vote in favor thereof, such
ordinance shall thereupon become a valid and binding ordinance
of the city; and any ordinance proposed by petition or which shall
be adopted by a vote of the people can not be repealed or amended
except by a vote of the people.

Any number of proposed ordinances may be voted upon at the
same election, in accordance with the provisions of this section;
but there shall not be more than one special election in any period
of six months for such purpose.

The council may submit a proposition for the repeal of any ordi-
nance or for amendments thereto, to be voted upon at any succeeding
general or special election; and should such proposition so submitted
receive a majority of the votes cast thereon at such election, such

Two copies of the returns of the canvassing board shall be made under the hands of the members of the said board, one of which shall be given to the mayor, and the other filed in the archives of the city clerk, who the same day shall publish the result of the election at the door of the city hall.

Sec. 32. That if any person elected mayor, commissioner, judge of the police court, or any other elective officer, shall refuse to be qualified, or there is a vacancy in any office after election and qualification, or if the mayor or any commissioner, judge of the police court, or any other elective officer, be unable to discharge the duties of his office, or temporarily absent from the city of Asheville, the board of commissioners shall choose some person for the unexpired term, or during his disability, as the case may be, to act as mayor, commissioner, judge of the police court, or other elective officers, and he shall be clothed with all the authority and powers given under this charter to such regular officer; but such officer or officers so elected shall be subject to recall as other officers.

petition signed by electors entitled to vote for a successor to the
incumbent sought to be removed, equal in number to at least twenty-
five per centum of the entire vote for all candidates for the office of
mayor, cast at the last preceding general municipal election, de-
manding an election of a successor of the person sought to be re-

voter’s register ascertain, whether or not said petition is signed by
the requisite number of qualified electors, and he shall attach to said
petition his certificate, showing the result of such examination. If
by the clerk’s certificate, the petition is shown to be insufficient, it
may be amended within ten days from the date of said certificate.
The clerk shall, within ten days after such amendment, make like
examination of the amended petition, and if his certificate shall show
the same to be insufficient, it shall be returned to the person filing
the same; without prejudice, however, to the filing of a new petition
to the same effect, if the petition shall be deemed to be sufficient, the
clerk shall submit the same to the board of commissioners without
delay. If the petition shall be found to be sufficient the board of
commissioners shall order and fix a date for holding a primary, as

If in the primary election there are only two candidates, and neither candidate receives a vote as large as a majority of all the votes cast for the different candidates for mayor at the last preceding election, the officer sought to be recalled shall remain in office. If there be more than two candidates in such primary and no one receives a majority of all the votes cast therein, then there shall be an election held within twenty days from the date of the primary, at which election the two candidates receiving the highest vote in the primary shall be voted for. Candidates named shall be placed on the ticket in the primary and election held and the results canvassed, under the same rules, conditions and regulations as are now prescribed for the primaries preceding regular election. The successor of any officer so removed shall hold office during the unexpired term of his predecessor. Any person sought to be removed may be a candidate to succeed himself, and unless he requests otherwise in writing, the clerk shall place his name on the official ballot without nomination. At such election, if some other person than the incumbent is elected, the incumbent shall thereupon be deemed removed from the office upon qualification of his successor. In case the party elected should fail to qualify within ten days after receiving notification of election, the office shall be deemed vacant, and in that event the unexpired term shall be filled by election of the board, but the commissioner removed shall not be eligible to election by the board, and the person so elected by the board shall be subject to recall as other commissioners. SEC. 47. The said board of commissioners shall, during the month of May of each year, or as soon thereafter as is practicable, make a careful estimate of the probable revenues of the city for the next fiscal year and apportion the same, together with any surplus left over to the general fund from the preceding year as herein provided, to the several departments of the city government, reserving from said estimate not more than ten per cent of the total amount of the revenue estimated, as above provided, to be used in case of emergencies. Any unexpended portion of said reserved fund created for any fiscal year shall constitute a part of such reserve fund for the ensuing year. The said bank or banks may, in the discretion of the board, be required also to execute a good and sufficient bond, with sureties to be approved by the said board of commissioners, and conditioned that such bank or banks will safely keep and account for and pay over said money on demand and as ordered by the board of commissioners. All interest paid by any such bank upon such balance shall be collected by the treasurer of said city, and shall be by him reported in his next statement following such collection, and shall be considered and treated as a part of the general funds of said city, subject to its use for any legitimate or municipal purpose. That whenever required by this charter or by the board of commissioners said treasurer shall keep the funds and the accounts thereof of the different departments of the city separate. Said treasurer shall do and perform such other acts as said board of commissioners may require of him, and on the expiration of his term of office, or upon the same being for any reason vacated, he shall deliver to his successor in office all the moneys, securities and other property which are or ought to be in his hands by virtue of his office.

CHAPTER 152.

AN ACT TO IMPROVE THE STREETS OF THE TOWN OF MOUNT AIRY, AND TO ISSUE BONDS.

The General Assembly of North Carolina do enact:

SECTION 1. That the mayor and the board of commissioners of the town of Mount Airy shall have full power and authority, and it is hereby made their duty to grade and pave or macadamize and otherwise improve for travel and drainage the streets of the said town, and to put down crossings and cross drains, and otherwise properly improve them.

Sec. 2. For the purpose of properly carrying out the duty imposed by the preceding section, the said mayor and board of commissioners are hereby authorized and fully empowered and directed to issue bonds of the town of Mount Airy in such sum as the said mayor and

Sec. 3. In order to more effectually carry out the authority delegated and the duty imposed by this act, the said mayor and board of commissioners shall assess one-fourth of the cost of the grading and paving or macadamizing and constructing side drains, cross drains, and other necessary drains and crossings, or otherwise improving the roadway or street proper on the real estate abutting on each side of the street so improved or repaired.

Sec. 4. To equalize the assessments on real estate, for the purpose described in section three next above, the said mayor and board of commissioners shall assess the total cost of such improvement made throughout the entire length of such work and improvements, and then shall pro rate the cost thereof on the real estate abutting thereon, according to the frontage on the street or portion of the street so improved, and charge to such real estate on each side of the street upon which such work is done, its pro rata share of one-fourth of the cost of such street improvement made under the provisions of this act; when the board of commissioners shall order paving, macadamizing or other improvements to any street, they shall have same accurately surveyed, and the permanent grade thereof established, and accurate map made of the various lots and properties abutting upon said street, containing the exact frontage of each lot, and the said map shall be filed in the office of the secretary of the board for public inspection. When the assessment and lien herein provided shall have been made upon the various lands and properties on the street, the said clerk shall write in ink on said map the amount assessed upon the same, and he shall keep the record book showing such assessment and lien and the date and amount of all payments made upon any of said assessments and liens.

Sec. 5. The amount of assessment for such streets improvements and other roadways, as hereinbefore provided, on each piece of real estate, being estimated as above directed, shall be a lien upon such real estate, and the said mayor and board of commissioners shall cause the engineer or surveyor to make a survey and a report of the amounts of the work done and the cost thereof, upon each street, the name of each abutting owner thereon, the number of feet of each lot, and the pro rata share of such cost of such street improvements, to be assessed against such real estate; and upon the adoption of the said report the said amount shall become complete and operative, which said report shall be transcribed upon the minutes of the said board of commissioners, and the amount of the said lien and the said assessment against the property abutting on said street, as aforesaid, shall become due, as follows, to wit: one-fourth in one year, one-fourth in two years, and one-fourth in three years, and the balance in four years, with interest from date. The adoption of the said report of the said surveyor by such board of commissioners shall constitute the said lien for the amount therein stated against each of the separate pieces of real estate therein described, and the same shall become due and payable as aforesaid; and in case of failure to pay either of said assessments in thirty days after its maturity then all the unpaid installments shall become due at once, and an execution shall issue by the secretary of the said board of commissioners, directed to the tax collector of the said town, who shall advertise the land upon which the said defaulting assessments are made, as aforesaid, or as required by law for sale of land for taxation under the provisions of the charter of Mount Airy, or under the provisions of the general law, and shall sell the same and give to the purchaser a receipt, stating the time the land was advertised, the day of sale, the purchaser, the price paid, the assessment due thereon, the cost of sale, the name of the owner of the land, and the description of the land sold; and the owner of the land sold shall have twelve months within which to redeem the said land by paying to the purchaser the amount he paid and ten per cent additional; but if the land is bid off for the town, then the owner, in order to redeem the same, must pay the assessment due on the said land, the cost of sale, and twenty per cent on said assessment; if the land is not redeemed within twelve months, then the town tax collector shall make to the purchaser deed to the said land, and same shall operate to convey to the purchaser the title to the said land, and the proceeds of the said sale shall be applied, first, to the payment of all that may then remain unpaid, upon said assessment and liens, together with the cost of such sale, which cost shall be the usual fees allowed the town tax collector for selling lands for taxation; the balance, if any, of such proceeds shall be paid to the owner of said land at the time of said sale: Provided, that any owner of land upon which said lien for such assessment exists shall have the right to file before the mayor and board of commissioners
of said town an affidavit denying that the whole, or any part of the amount, if any, be admits to be due, which amount so admits to be due he shall pay or tender, accompanying his affidavit with it, and before it shall be received, and then the said affidavit shall be received only for the balance, and all such affidavits so received shall be returned to the superior court of Surry County for trial, and it shall be considered that the issue as to the amount then due is raised upon the reception of such affidavit, and without any plea upon the part of the town of Mount Airy, but this shall not be construed to prevent said town of Mount Airy from filing an answer, or any other defense to which it may be entitled under the laws of North Carolina; and upon such trial, if the issues be all found in favor of affiant, then the lien shall be discharged; if, however, the issue shall be found in favor of the town of Mount Airy to any amount, and it be thereby ascertained that affiant is due to the said town any amount by virtue of the matters therein referred to, then said amount so found, together with six per cent interest thereon from the date of its maturity, together with the cost thereon accrued, which cost to be assessed as costs in any other civil actions, shall be and continue a lien against the property upon which the original assessment was placed, and shall be collected by an execution issuing from the said superior court, directed to the tax collector of the town of Mount Airy, which shall be collected by him by sale of said land, as hereinbefore provided in case of execution issuing from the secretary of the town.

Sec. 6. That the said mayor and board of commissioners of said town, by its proper officers, shall have exclusive control and management of said work upon the streets, and all improvements thereon herein contemplated, and shall complete the same, and the whole of the cost thereof shall be paid for out of the proceeds of the sale of the bonds hereinbefore in this act authorized to be issued and sold, the said town itself being liable for one-half of the cost of the street or roadway between the curbing, and the abutting land on each side assuming the liability hereinbefore created: Provided, however, that whatever of the cost of street improvements which may be paid by or assessed against any street or railway company hereinafter to be built, shall be deducted from the proportion of the cost thereof for which the said town is liable as aforesaid: Provided, further, in case the said town may not have on hand at any time sufficient funds received from the sale of said bonds to meet the amount then due for the work aforesaid, the mayor and board of commissioners are directed hereby to advance the sum from the general revenues of the town, but such amount so advanced shall be refunded out of funds arising from the sale of said bonds.

Sec. 7. In order to pay the interest on the said bonds, the commissioners of the said town are hereby authorized, and it shall be their duty to annually compute and levy, at the time of levying other taxes of said town, a sufficient tax on all polls and property, real
and personal, and other subjects for taxation mentioned in the charter of the town of Mount Airy and the acts amendatory thereto, which shall be listed for taxation in said town, always observing the constitutional equation between the tax on property and the tax on polls, with which to regularly and properly pay the interest on said bond; said taxes shall be collected in the same manner at the same time that the other taxes for the town are collected, and shall be paid over by the town tax collector to the treasurer of said town, which officers shall give justified bonds in an amount sufficient to amply cover said taxes.

Sec. 8. That the taxes levied and collected for the purposes specified in this act shall be kept separate and distinct from any and all other taxes, and shall be used only for the purposes for which it was levied and collected, and any mayor or commissioners who shall appropriate by vote or otherwise, to any purpose, directly or indirectly, other than that for which they were levied, any of said special taxes, or any part thereof, or shall in any other way violate the conditions of this act, shall be guilty of misdemeanor: Provided, the tax levied and collected for the payment of interest shall any year exceed the amount required for that purpose, the amount in excess shall be applied to the interest fund for the next succeeding year, and the said officers, at the time of the assessment of taxes for the payment of interest for the next succeeding year, shall take into consideration said excess, and compute and levy said taxes accordingly.

Sec. 9. For the purpose of creating a sinking fund with which to pay the principal of the bonds issued under this act, it shall be the duty of said commissioners at the end of twenty years from the date of said bonds, to annually and collect a special tax in addition to the amount hereinbefore mentioned, that shall amount to one-tenth of the amount of the bonds issued under this act, and when an amount shall be levied sufficient to pay off the principal of these bonds, as herein provided for, then the commissioners shall cease to levy taxes under this act, in order to pay interest on said bonds.

Sec. 10. That before any of the bonds hereinbefore in this act authorized shall be issued, the proposition to issue said bonds and to levy and collect annual and special tax to provide for the payment of the interest thereon, and to provide a sinking fund for the payment of the principal of said bonds when they shall become due, shall be first submitted to the qualified voters of the town of Mount Airy, at an election as hereinafter provided. At any such election, those who are in favor of issuing bonds hereinbefore provided for, to be applied to the purpose of street improvement, and upon the conditions hereinbefore imposed, shall vote upon written or printed ballots the word “Approved,” and those opposed shall vote on written or printed ballots the word “Not approved.” If at any such election the majority of the votes cast shall be in favor of the proposition, and shall be voted “Approved,” then the board of commissioners of the
said town shall issue the said bonds hereinbefore directed, which shall be applied to the purposes and upon the terms and conditions, and subject to all the requirements stated in this act. The first election after the passage of this bill shall be held at such time as the board of commissioners may in their discretion fix, not before the first day of May, one thousand nine hundred and twelve; and if at such election the majority of the votes cast shall be opposed to the proposition, then the board of commissioners shall at any time after the lapse of twelve months, upon the petition of one-third of the qualified voters of said town, order an election to be held, under the rules and regulations prescribed by law for the general election of mayor and board of commissioners of said town, and at each of said elections the ballot shall be as hereinbefore directed, and if at any such election the majority of the votes cast shall be in favor of the proposition, and voting approved, then the said bonds shall be issued by said mayor and board of commissioners, to be applied to the purpose, and upon the terms and conditions stated in this act: Pro-
vided, that if the amount of the bond issue first voted under the provisions of this act shall be insufficient to complete the street improvements, that then the question of issuing additional bonds shall be submitted to the qualified voters of the town of Mount Airy, at such time as the mayor and board of commissioners may appoint, and to be conducted under the same rules and regulations hereinbefore provided for the first election, and if at such election the majority of the votes cast shall be favorable to the proposition, voting “Approved,” then these additional bonds shall be issued by the mayor and board of commissioners, and used for the purposes aforesaid: Provided, further, that at any election held under the provisions of this act the mayor and board of commissioners shall have the right and authority to order an entire new registration of the qualified voters of the said town, prior to the holding of said election, upon notice of thirty days of such new registration.

railroad track, the railroad company whose track is to be crossed or the city of Burlington, may at any time before or after condemnation apply to the corporation commission, to require said streets to be put under or over the said railroad track, or a grade crossing made. Upon such application being made, the corporation commission shall cause the parties to appear before it, and shall hear such evidence as may be offered by either party, and if upon such hearing the corporation commission shall find it practicable to construct a crossing, at either grade, overhead or under such railroad tracks, the corporation commission shall order the crossing to be at grade, under or over said tracks as may be most wise and expedient, and may fix the width and clearance of said crossing, and shall apportion the cost of said crossing between the city and the railroad company, in a fair and just manner. If upon such hearing the corporation commission shall order the crossing constructed at either grade, overhead or under said railroad track, it shall be unlawful to construct and maintain said crossing except as ordered by the corporation commission. Either party may appeal from the order of the corporation commission in the manner now provided by law for appeals from the corporation commission.

SEC. 2. **To regulate steam railroad companies.** The city of Burlington shall have the power, by ordinance or otherwise, to regulate the speed of engines, locomotives, and street cars within the limits of said city, subject to the right of any steam railroad company to apply to the corporation commission to modify said ordinance or regulation as is now or may hereafter be provided by the general law of the State on that subject. The city of Burlington shall have the power to require steam railway companies to keep in good repair any grade crossings over the tracks of such steam railroad, and to require steam railroads and electric railway companies to construct and keep in repair from curb to curb railroad bridges and crossings over all ditches running under any grade crossings; and to make reasonable rules regulating the laying and construction of railroad tracks, turnouts and switches over the streets at grade crossings, so that said tracks, turnouts and switches shall interfere as little as may reasonably be, with travel over said streets at such grade crossings; and to regulate the grade of all the streets of said city as they may hereafter be or are now established, except as herein otherwise provided.

SEC. 3. **To collect taxes upon street railways.** The city of Burlington shall have the power to assess and collect the ordinary municipal taxes upon street or city railroads, and to compel such railway company in said city to keep their said railway in repair, and to restrain the rate of travel upon such railway as not to exceed seven miles per hour and to compel all electric railway companies in said city to supply ample accommodations for safe and convenient travel of the people in any street where such cars may run.
The board of aldermen may enforce these regulations by proper ordinances. Whenever the board of aldermen shall determine to fill, grade, pave or otherwise improve any street or avenue and over and upon which or any portion thereof there may be any grade crossings or upon which there may be any track of any street railway or electric company, the said railway company, street railway or electric company shall, upon notice, fill, grade or otherwise improve the portion of said street or avenue so occupied by it between the rails of said track and for one foot on each side of said rails, with such material and in such manner as has been or may be provided by said aldermen for the improvement of the other portion of such street or avenue. Upon failure to do so after thirty days notice the said aldermen may improve such streets or avenue between the rails and one foot on each side thereof for account of said railway company, and for all sums so expended and legal interest thereon the city of Burlington shall have a first lien on the roadbed so improved, and if not paid for on demand suit may be brought by said city to recover said indebtedness and for the foreclosure of said lien. Any railway company or street railway proposing with the permission of the aldermen to occupy any street or streets already occupied by another such company shall besides paving and paying as may be required by the city aldermen or the provisions of this act, be required also to pay for paving between the tracks of the said two roads to within twelve inches of the track of such other roads, and such cost shall become a lien upon the property and franchise of the company. Should any railroad or street railway company propose to lay a track upon any street or portion of street which shall have been improved under the provisions of this act, it shall become liable for the portion of cost of such improvement as the board of aldermen may direct or is fixed by this act. No railroad or street railway company shall be permitted to occupy any street or portion of a street, improved or otherwise, not previously occupied by it except by permission of the board of aldermen, but this shall not be construed to prevent any railroad company from constructing such additional tracks upon the right-of-way as may be advisable or proper in the conduct of its business.

Sec. 4. That this act shall in no wise affect any action, suit or proceeding now pending in any court wherein the city of Burlington, the Southern Railway Company or the North Carolina Railroad Company are parties.

Sary, in obtaining a proper outlet to said system, to extend the same beyond the corporate limits, to condemn a right-of-way to and from such outlet, it shall be done as herein provided for opening new streets and other public purposes; and in addition thereto said board of commissioners shall have power and authority to compel citizens living along the line of sewerage or in the vicinity thereof, to connect their premises, drain or other pipes with said sewerage, so as to drain all of the premises along the line of said sewerage, and on default of the owner to make such connection the town can have such connection made and the costs thereof charged against the owner of the property, and said cost shall be a lien on the property and collected as taxes; and to provide water supplies for the town, either by erecting waterworks or by contracting with other persons or corporations, and make all such other public improvements as the health of the citizens and the safety of the property may require; and the board of commissioners shall have power to make regulations and adopt ordinances to require any citizen living along the lines of sewer or owning property along said lines, after notice to said owners or their agents, to connect their premises, drain or other pipes with said sewerage, and to impose fines and penalties for failure to comply with said regulations and ordinances in relation thereto.

Sec. 37. That the board of commissioners may acquire, by gift or grant, lands or easements thereon, or right-of-way over the same, or the right or use of springs, branches or watercourses for the purpose of erecting or working waterworks or conducting the water to the town.

If upon a consideration of the report the board of town commissioners shall conclude that the damages assessed by the jury are excessive, they may decline to pay the same and discontinue the proposed improvement; that from the finding of the jury either party may, within ten days from the time of the filing thereof in the mayor's office, appeal to the superior court of Johnston County by giving three days notice to the opposite side. The appellate court shall in nowise adjudicate the necessity of the improvement, but submit under the rules and procedure of the superior court, the question of damages and benefits to a jury, the trial thereof to be governed by the ordinary rules of actions for damages: Provided, that such appeal shall not hinder or delay the board of town commissioners from making the proposed improvement, but it shall be lawful for said board or its agents and servants to enter upon said property and begin such proposed improvements.

The amount of such charges shall be and constitute, from the commencement of the work for which they are charged, liens on the respective lots upon which they are so charged, and if any of them is not paid on demand so much of the lot upon which it is charged as may be sufficient to pay the same, with interest and costs, for the whole of such lot, shall be advertised and sold by the tax collector of said town for the payment of the same, under the same rules and regulations and rights of redemption and in the same manner as are prescribed in this act for the sale of real estate for unpaid taxes.

property or rights by appraisal of damage or otherwise, it shall be

the same manner as if no appraisal had been made; and at any stage
of the new proceedings the court may authorize the petitioner if in

That said executive board shall have full power and authority, under ordinances of the board of aldermen, to grade, pave, macadamize and otherwise permanently improve for travel and drainage any street, sidewalk and public alley of said city; to put down curbing, cross drains, and crossings on the same; to lay out and open new streets, or widen those already open, and make such improvements thereon as the public convenience may require.

Sec. 4. That the board of aldermen shall have full power and authority to adopt by ordinance such a system of laying out districts or sections of streets and sidewalks for permanent improvement, and of equalizing the assessment on real estate to pay the cost of such improvement as may be just and proper; and in order to more fully carry out the duties imposed by the provisions of this act for street improvement, the board of aldermen shall have power and authority to pass ordinances assessing the entire cost of paving or repaving, macadamizing or remacadamizing all such streets and sidewalks within any such district or section laid out for improvement on the real estate abutting on the street or sidewalk or portion thereof so paved or repaved, macadamized or remacadamized, and it shall be incumbent on the owners of the real estate abutting on each side of the street or sidewalk or part thereof so improved or required, to pay the amount so assessed for such improvement, and such cost and charges shall be a lien on all such abutting property from the commencement of the work, as provided in this act: Provided, that the board of aldermen shall not order such improvement district or section to be laid out until and unless the persons owning the land abutting on such street or sidewalk or public alley, or the portion thereof proposed to be improved, which is more than one-half of the frontage abutting on such street, sidewalk or public alley, or portion thereof proposed to be improved, shall in writing request said board to make such improvement except that in view of the fact that Tryon street from the Seaboard
Air Line Company's passenger station to Palmer street and Trade street from Woodlawn avenue to its intersection with East Sugar Creek (the said Trade street being called at certain points East avenue) and First, Second, Third, Sixth, Seventh and Thirteenth streets between College and Church streets, West Fourth street between Church street and Southern Railroad, North College between Fifth and Thirteenth streets, South College between Second and Third streets, South Church street between First and Fourth streets, North Church between Fifth and Seventh streets, Poplar street between Fourth and Fifth streets, Mint street between Third and Trade streets, and Elizabeth avenue from East avenue to the bridge over Sugar Creek are main thoroughfares of the said city, no petition for such improvement as to them need be made and the board of aldermen may order such improvement to be made without such petition: Provided, that the city, out of its general funds, shall pay the cost of grading, curbing and paving and permanently improving the street intersections except that part of such intersections required to be paid for by such street railways as in this act elsewhere provided: and Provided, further, that the cost of such improvement shall be financed by the issue of bonds as hereinafter provided.

Sec. 5. That if any street railroad company or other railroad company having tracks running through or across any street or streets laid out as permanent improvement districts or sections, it shall be incumbent on such company to pave, repave, macadamize or remacadamize or otherwise improve that part of such street or streets which the board of aldermen may prescribe, not to exceed, however, the space covered by its tracks and at least thirty inches on each side of each line of track as they are now or may hereafter be constructed by any such company: Provided, that the board of aldermen, in order to secure uniformity in the workmanship and avoid delay in the progress of the work, shall have full power and authority to pave or repave, macadamize or remacadamize, or contract for paving or repaving, macadamizing or remacadamizing, the whole of said space without giving such street railroad company or other occupant of the street or streets, the option of having said space paved or repaved, macadamized or remacadamized by itself or otherwise, and the cost of such permanent improvement, properly chargeable to such railroad company, shall be assessed upon the franchise or the property of said railway company located in said city, and special tax levies made thereon for the purpose of collecting the same in the manner herein elsewhere provided for the assessment and levy upon other property so improved.

Sec. 6. All companies, corporations and persons having franchises or permits to use the streets of the city for laying railway tracks, pipes or conduits, and for other purposes requiring the excavation of the streets, sidewalks and public alleys, shall be noti-
fied by the said board when any street is to be permanently improved and given a reasonable opportunity to lay said railways, pipes or conduits, or do such work as they may be authorized to do under said franchises, and in case any such company, corporation or persons fail to lay said railway or pipes, or to do said work before such permanent improvements are made, they shall not be permitted to do so thereafter except upon the condition that they shall pay such reasonable proportion of the original cost of such permanent improvement as may be fixed by the board of aldermen.

SEC. 7. That in order to equalize the assessments on real estate for the purposes described, as elsewhere provided in this act, the board of aldermen shall, before the commencement of any such work or improvement, estimate the total cost of such improvement to be made throughout the entire length of such work or improvement, and shall then prorate the cost thereof on the real estate abutting thereon in proportion to the frontage on the street or portion of the street so improved, and charge to and assess upon each side of the street upon which said work is done its pro rata share of the entire cost of all such improvements as may be made under the provisions of this act: Provided, however, in order to avoid obstructing lot owners in subdividing and selling their property by reason of the liens hereby created upon the same, such lot owners may subdivide their lots in such manner as they see fit and shall file in the office of the city clerk and treasurer a plat of the subdivision, making the lots fronting on the streets so paved or improved of any desired frontage, but not less than one hundred feet in depth, and the assessment made and the liens created by virtue of this act for street improvement shall thereafter affect and attach to such front lots only, not less than one hundred feet in depth, and where in any such cases lands fronting on such improvements are so subdivided into lots, each of said lot front on such improvements shall be and remain chargeable with its ratable proportion of said assessment and liens, according to its frontage: that the mayor and board of aldermen shall cause to be established a permanent grade on any such street, sidewalk or public alley so improved, and shall cause any such street, sidewalk or public alley to be accurately surveyed, and a map to be made of the various lots and properties abutting on such street, sidewalk or alley, or portion thereof so proposed to be improved, showing the exact frontage of each lot, and also the subdivisions, if any, and the said map shall be filed with the city clerk and treasurer to be subject to public inspection; and when the assessments and liens, as provided for in this act shall have been made upon the various lots and properties on the streets, sidewalks or alleys, the city clerk and treasurer, or other proper clerical city officer, shall write upon said map the amount assessed upon the same, and he shall keep a properly indexed record book showing such assessments and liens, and the date and amount of all pay-
ments made on any of the said assessments and liens: Provided, further, that no assessment against any piece of property improved as in this act provided, shall in any case exceed the amount of special benefit to or enhancement in value of said property by reason of said improvements, or twenty per cent of the assessed taxable value thereof, and where permanent street improvements shall be made the property bearing such assessments shall not be so assessed again until after the expiration of ten years from the date of the last preceding assessment: Provided, further, that in case any street or part of a street laid out as a district for permanent improvement is of such unequal width as to render the plan of equalization of assessments as above set out, unjust to any abutting property owner, then and in that case the board of aldermen are authorized to divide such district into subdivisions and to apply the rule of equalization of assessments prescribed herein to such subsections, instead of to the entire district or section; and the board may make as many subsections as may be necessary to make a just distribution of the cost of permanent improvement made or to be made in such district. The cost of all such improvements for special benefits to property as estimated in the above manner shall be financed by the issue of bonds and the levy of a special tax to pay the same and the interest thereon, as herein-after provided.

Sec. 8. That the notice of the assessment of special benefits by the board of aldermen, as herein elsewhere provided in this act against abutting property on any street, sidewalk or public alley in any such improvement district or section shall be given at least twice a week for two weeks in some daily newspaper published in the city of Charlotte, which notice shall state the time and place that such assessments are to be made and determined; and shall notify all persons interested in any particular improvement district or section of such assessment to appear and show cause, if any, why such assessment shall not be made; and in the event the owner of such lot or lots is an infant, idiot, lunatic, or incompetent, then his general guardian, if he has such, shall act for him; if he has none, it shall be the duty of the clerk of the superior court of Mecklenburg County to appoint a guardian ad litem to act for him. That any person who shall feel aggrieved by the findings of said board, with reference to said assessment for such permanent improvements, shall have the right within ten days after such findings of said board, and not after that time, to file his objections to such findings, and to appeal from the decision of said board to the next term of the superior court of Mecklenburg County, North Carolina, by serving upon said city notice in writing of his intentions so to do, and specifying in said notice the grounds of his objections to said findings and by filing, within the time prescribed for taking appeals in the office of the clerk of the superior court.
of Mecklenburg County, a written undertaking in at least the sum of two hundred dollars, with sufficient surety to be justified before and approved by said clerk to the effect that said appellant will pay to said city all such costs and damages as it may sustain by reason of said appeal; in such cases of appeal from the board of aldermen, the ordinance laying out the specially improved districts, the action of said board in determining special benefits, the objections of the property owner filed thereto, and all other papers material to the matter shall constitute the case on appeal and be certified by the city clerk and treasurer to the superior court; and shall be docketed on the civil issue docket and stand at issue as other civil cases regularly brought in such court, with leave to either party to file such pleadings and papers as he may deem necessary; if all the issues be found in favor of the appellant on such appeal, as above provided for, the lien for said assessments shall be discharged: if, however, the issues, or any of them, be found in favor of the city of Charlotte to any amount, then judgment shall be rendered in favor of said city for such amount, to the end that no merely technical objections shall defeat the rights of the city; and the amounts so found, together with the cost of such appeal, which cost shall be assessed as costs in other civil actions, shall be and continue a lien against the property upon which the original assessment was placed, from the date of the findings of said board of aldermen, and shall be collected by the tax collector of the city of Charlotte, as elsewhere in this act provided.

Sec. 9. That in lieu of notice by publication to property owners affected by improvements to abutting real property, as elsewhere provided in this chapter, the board of aldermen, if it so determine, may give ten days personal notice to all persons affected by any permanent improvements for which a charge is to be made on real estate, to appear before said board at a certain time and place to show cause, if any, why such assessment should not be made, which notice may be served by any policeman of the city of Charlotte, or any other proper officer.

Sec. 10. This act shall be construed to make it mandatory on the board of aldermen to require abutting property owners to pay the cost of macadam, bitulithic, asphalt, vitrified brick and other permanent pavements against the abutting property, as elsewhere provided in this act: Provided, further, that nothing in this act shall be construed to make it mandatory on the board of aldermen to issue bonds to finance the construction of sidewalks, but said board may require the construction of sidewalks and charge the entire cost of same, not including curbing, to the abutting property, the property on each side of the street pay or bear the cost of the sidewalk on its respective side, which cost shall be a lien on the abutting property, as herein elsewhere provided, and paid immediately, or as soon thereafter as practicable, by the property
owners, and not by an issue of bonds as is elsewhere provided, if
the board of aldermen so determine, and such charge or assessment
shall be enforced and collected by the tax collector by the sale of
the abutting property specially benefited in the same manner as
real estate is sold for taxes.

Sec. 11. As soon as the amount chargeable to real estate to be
specially benefited, as is provided in other sections of this act, is
finally determined by the board of aldermen, and after the contract
is let for any such work or improvement, the board of aldermen
may cause a notice to be published once a week for two weeks in
some daily newspaper published in the city of Charlotte, substan-
tially in the following form:

"STREET IMPROVEMENT NOTICE.

"Notice is hereby given that a contract has been let for (de-
scribing work and street, sidewalk or alley), and that the improve-
ment chargeable to the real estate to be specially benefited has been
determined as to each parcel of said real estate, and a statement of
the same is on file with the city clerk. It is proposed to issue bonds
chargeable to the said real estate to pay the special assessments,
and such bonds will be issued covering all of said assessments except
in cases where the owners of property file with the city clerk, within
the time stipulated in said notice, a written notice that they elect
to pay the special assessments on their property, describing the
same."

Sec. 12. After the expiration of the time fixed for filing notice of
election to pay the special assessment as provided in the preceding
section, the board of aldermen may issue improvement bonds cover-
ing all of the assessments, except such as the owners have filed
notice of election to pay, as stated in the preceding section, which
bonds shall be of corresponding amounts and known as "street im-
provement bonds"; shall comprise ten equal series; each series
shall consist of a like number of bonds, and shall bear interest not
to exceed six per cent per annum; and shall be sold for not less
than par; and shall be signed by the mayor and attested by the
city clerk; and shall contain such recital as may be necessary to
show that they are chargeable to particular property; and may be
sold at either public or private sale; and the interest upon the
said bonds shall be payable semi-annually, and each installment of
interest shall be represented by corresponding coupons; the re-
spective series of the said bonds shall be payable annually, and
the last series thereof shall be payable not exceeding ten years from
the date of their issue; the proceeds collected by the city treasurer
shall be paid to the contractor when due him, or the contract may
provide that the contractor shall take bonds as payment on his con-
tract, at their par value, the contractor to be charged with accrued
interest; at the date of each tax levy after the issuance of any
such bonds, until all of them are paid, when the tax roll or levy for the year is prepared, sufficient special assessments of taxes on each parcel of land covered by said bonds to pay the annual installment of the principal and interest on the amount of such special assessments then unpaid, shall be included in the tax levy or roll, as a special tax on said property, and thereafter this tax shall be treated in all respects as any other city tax, to be collected in the same manner and constitute a lien on the property affected, and in every respect the same as other taxes.

Sec. 13. That all funds derived from assessments heretofore or hereafter levied by the mayor and board of aldermen of the city of Charlotte upon private property on account of the improvement of the streets upon which such property abuts shall, when collected and received by the city of Charlotte, constitute a special fund, to be designated as "street improvement fund," and the same, with funds derived from the taxes hereafter authorized to be levied for street improvement, shall be kept separate from all other funds of the city, and a separate record thereof shall be kept by the city clerk, and said funds and every part thereof shall be applied by the said mayor and board of aldermen, exclusively to the grading, paving, macadamizing or otherwise improving the streets of said city according to the true intent and meaning hereof.

(2) Water and sewer pipes.

Sec. 14. The board of aldermen shall have the power and authority to locate, lay, establish and maintain public sewers and water mains in such of the streets or elsewhere as the board may deem necessary, and shall require the owners of real property upon which residences or other buildings are located abutting upon the streets in which said sewers and water mains are located, or within a reasonable distance thereof, to connect said residences or other buildings with such public sewers and water mains, under such reasonable rules and regulations, and upon such conditions as said board shall, by ordinance, fix and establish, in which shall be included the right to fix reasonable fees and rates to be charged, upon such property owners, for the privilege of connecting with the said public sewers and water mains and the subsequent use thereof, which rates shall also apply to the owners whose property has heretofore been connected with the public sewers and water mains now established as well as to those to be connected hereafter. The said board shall have the right and power to pass such ordinances as shall be necessary to enforce the collection of such fees and charges.

Sec. 15. No action for damages against said city of any character whatever, to either person or property, shall be instituted against said city unless within six months after the happening or infliction of the injury complained of, the complainant, his executors or administrators, shall have given notice to the board of aldermen of
said city of such injury in writing, stating in such notice the date and place of happening or infliction of such injury, the manner of such infliction, the character of the injury, and the amount of damages claimed therefor, but this shall not prevent any time of limitation prescribed by law from commencing to run at the date of happening or infliction of such injury or in any manner interfere with its running.

SEC. 16. That all laws and clauses of laws in conflict with this act are hereby repealed.

SEC. 17. That this act shall be in force and effect from and after its ratification.

CHAPTER 349.

AN ACT TO IMPROVE THE STREETS OF THE TOWN OF MOUNT AIRY, AND TO ISSUE BONDS.

The General Assembly of North Carolina do enact:

Sec. 1. That the mayor and the board of commissioners of the town of Mount Airy shall have full power and authority, and it is hereby made their duty to grade and pave or macadamize and otherwise improve for travel and drainage the streets of the said town, and to put down crossings and cross drains, and otherwise properly improve them.

Sec. 2. For the purpose of properly carrying out the duty imposed by the preceding section, the said mayor and board of commissioners are hereby authorized and fully empowered and directed to issue bonds of the town of Mount Airy in such sum as the said mayor and board of commissioners may determine to be sufficient for the purpose, not to exceed fifty thousand dollars, and the said bonds, when issued, are to be denominated "street improvement bonds," to be signed by the mayor and countersigned by the secretary, bearing the corporate seal of the said town, shall be written in the usual form, and bear interest from date of issuance until paid, at a rate not exceeding five per cent interest per annum, payable semi-annually, and the said interest shall be evidenced by coupons thereto attached in the usual form; and that the said bonds shall mature at the end of twenty years from the date of issuance and shall be fully binding upon the said town and its property; and that the mayor and the board of commissioners shall issue the said bonds in installments as may be necessary as the work on the street progresses, and the necessity of payment thereof arises, but all of the said bonds shall bear the same date, and bear interest as aforesaid, but the coupons for interest on the installments delayed shall be torn off before issuing, to the date of maturity of the coupon next preceding the date of such issuance.

Sec. 3. In order to more effectually carry out the authority delegated and the duty imposed by this act, the said mayor and board of commissioners shall assess one-fourth of the cost of the grading
and paving or macadamizing and constructing side drains, cross
drains, and other necessary drains and crossings, or otherwise im-
proving the roadway or street proper on the real estate abutting
on each side of the street so improved or repaired.

SEC. 4. To equalize the assessments on real estate, for the purpose
described in section three next above, the said mayor and board of
commissioners shall assess the total cost of such improvement made
throughout the entire length of such work and improvements, and
then shall pro rate the cost thereof on the real estate abutting
thereon, according to the frontage on the street or portion of the
street so improved, and charge to such real estate on each side of the
street upon which such work is done, its pro rata share of one-
fourth of the cost of such street improvement made under the pro-
visions of this act; when the board of commissioners shall order
paving, macadamizing or other improvements to any street, they
shall have same accurately surveyed, and the permanent grade
thereof established, and accurate map made of the various lots and Map.
properties abutting upon said street, containing the exact frontage
of each lot, and the said map shall be filed in the office of the sec-
retary of the board for public inspection. When the assessment and
lien herein provided shall have been made upon the various lands
and properties on the street, the said clerk shall write in ink on
said map the amount assessed upon the same, and he shall keep the Record book.
record book showing such assessment and lien and the date and
amount of all payments made upon any of said assessments and liens.

SEC. 5. The amount of assessment for such streets' improve-
ments and other roadways, as hereinbefore provided, on each piece
of real estate, being estimated as above directed, shall be a lien
upon such real estate, and the said mayor and board of commission-
ers shall cause the engineer or surveyor to make a survey and a
report of the amounts of the work done and the cost thereof, upon
each street, the name of each abutting owner thereon, the number of
feet of each lot, and the pro rata share of such cost of such street
improvements, to be assessed against such real estate; and upon
the adoption of the said report the said amount shall become com-
plete and operative, which said report shall be transcribed upon
the minutes of the said board of commissioners, and the amount of
the said lien and the said assessment against the property abutting
on said street, as aforesaid, shall become due, as follows, to wit:
One-fourth in one year, one-fourth in two years, and one-fourth in
three years, and the balance in four years, with interest from date.
The adoption of the said report of the said surveyor by such board
of commissioners shall constitute the said lien for the amount
therein stated against each of the separate pieces of real estate
therein described, and the same shall become due and payable as
aforesaid; and in case of failure to pay either of said assessments

shall become due at once, and an execution shall issue by the secretary of the said board of commissioners, directed to the tax collector of the said town, who shall advertise the land upon which the said defaulting assessments are made, as aforesaid, or as required by law for sale of land for taxation under the provisions of the charter of Mount Airy, or under the provisions of the general law, and shall sell the same and give to the purchaser a receipt, stating the time the land was advertised, the day of sale, the purchaser, the price paid, the assessment due thereon, the cost of sale, the name of the owner of the land, and the description of the land sold; and the owner of the land sold shall have twelve months within which to redeem the said land by paying to the purchaser the amount he paid and ten per cent additional; but if the land is bid off for the town, then the owner, in order to redeem the same, must pay the assessment due on the said land, the cost of sale, and ten per cent of said assessment; if the land is not redeemed within twelve months, then the town tax collector shall make to the purchaser deed to the said land, and same shall operate to convey to the purchaser the title to the said land, and the proceeds of the sale shall be applied, first, to the payment of all that may then remain unpaid upon said assessment and liens, together with the cost of such sale, which cost shall be the usual fees allowed the town tax collector for selling lands for taxation; the balance, if any, of such proceeds shall be paid to the owner of said land at the time of said sale: Provided, that any owner of land upon which said lien for such assessment exists, shall have the right to file before the mayor and board of commissioners of said town an affidavit denying that the whole, or any part of the amount, if any he admits to be due, which amount so admitted to be due he shall pay or tender, accompanying his affidavit with it, and before it shall be received, and then the said affidavit shall be received only for the balance, and all such affidavits so received shall be returned to the superior court of Surry County for trial, and it shall be considered that the issue as to the amount then due is raised upon the reception of such affidavit, and without any plea upon the part of the town of Mount Airy, but this shall not be construed to prevent said town of Mount Airy from filing an answer, or any other defense to which it may be entitled under the laws of North Carolina; and upon such trial, if the issues be all found in favor of affiant, then the lien shall be discharged; if, however, the issues shall be found in favor of the town of Mount Airy to any amount, and it be thereby ascertained that affiant is due to the said town any amount by virtue of the matters therein referred to, then said amount so found, together with six per cent interest thereon from the date of its maturity, together with the cost thereon accrued, which cost to be assessed as costs in any other civil action, shall be and continue a lien against the property upon which the original assessment was
placed, and shall be collected by an execution issuing from the said superior court, directed to the tax collector of the town of Mount Airy, which shall be collected by him by sale of said land, as hereinafter provided in case of execution issuing from the secretary of the town.

SEC. 6. That the said mayor and board of commissioners of said town, by its proper officers, shall have exclusive control and management of said work upon the streets, and all improvements thereon herein contemplated and shall complete the same, and the whole of the cost thereof shall be paid for out of the proceeds of the sale of the bonds hereinafter in this act authorized to be issued and sold, the said town itself being liable for one-half of the cost of the street or roadway between the curbing, and the abutting land on each side assuming the liability hereinafter created: Provided, however, that whatever of the cost of street improvement which may be paid by or assessed against any street or railway company hereinafter to be built, shall be deducted from the proportion of the cost thereof for which the said town is liable as aforesaid: Provided, further, in case the said town may not have on hand at any time sufficient funds received from the sale of said bonds to meet the amount then due for the work aforesaid, the mayor and the board of commissioners are directed hereby to advance the sum from the general revenues of the town, but such amount so advanced shall be refunded out of funds arising from the sale of said bonds.

SEC. 7. In order to pay the interest on the said bonds, the commissioners of the said town are hereby authorized, and it shall be their duty to annually compute and levy, at the time of levying other taxes of said town, a sufficient tax on all polls and property, real and personal, and other subjects for taxation mentioned in the charter of the town of Mount Airy and the acts amendatory thereto, which shall be listed for taxation in said town, always observing the constitutional equation between the tax on property and the tax on polls, with which to regularly and properly pay the interest on said bond; said taxes shall be collected in the same manner at the same time that the other taxes for the town are collected, and shall be paid over by the town tax collector to the treasurer of said town, which officer shall give justified bonds in an amount sufficient to amply cover said taxes.

SEC. 8. That the taxes levied and collected for the purposes specified in this act shall be kept separate and distinct from any and all other taxes, and shall be used only for the purposes for which it was levied and collected, and any mayor or commissioners who shall appropriate by vote or otherwise, to any purpose, directly or indirectly, other than that for which they were levied, any of said special taxes, or any part thereof, or shall in any other way violate the conditions of this act, shall be guilty of a misdemeanor: Provided, the tax levied and collected for the payment of interest shall
any year exceed the amount required for that purpose, the amount in excess shall be applied for the interest fund for the next succeeding year, and the said officers, at the time of the assessment of taxes for the payment of interest for the next succeeding year, shall take into consideration said excess, and compute and levy said taxes accordingly.

Sec. 9. For the purpose of creating a sinking fund with which to pay the principal of the bonds issued under this act, it shall be the duty of said commissioners at the end of twenty years from the date of said bonds, to annually levy and collect a special tax in addition to the amount hereinbefore mentioned, that shall amount to one-tenth of the amount of the bonds issued under this act, and when an amount shall be levied sufficient to pay off the principal of these bonds, as herein provided for, then the commissioners shall cease to levy taxes under this act, in order to pay interest on said bonds.

Sec. 10. That before any of the bonds hereinbefore in this act authorized shall be issued, the proposition to issue said bonds and to levy and collect annual and special tax to provide for the payment of the interest thereon, and to provide a sinking fund for the payment of the principal of said bonds when they shall become due, shall be first submitted to the qualified voters of the town of Mount Airy, at an election as hereinafter provided. At any such election, those who are in favor of issuing bonds hereinbefore provided for, to be applied to the purpose of street improvement, and upon the conditions hereinbefore imposed, shall vote upon written or printed ballots the word “Approved,” and those opposed shall vote on written or printed ballot the words “Not approved.” If at any such election the majority of the votes cast shall be in favor of the proposition, and shall be voted “Approved,” then the board of commissioners of the said town shall issue the said bonds hereinbefore directed, which shall be applied to the purposes and upon the terms and conditions, and subject to all the requirements stated in this act. The first election after the passage of this bill shall be held at such time as the board of commissioners may in their discretion fix, not before the first day of May, one thousand nine hundred and twelve; and if at such election the majority of the votes cast shall be opposed to the proposition, then the board of commissioners shall at any time after the lapse of twelve months, upon the petition of one-third of the qualified voters of said town, order an election to be held, under the rules and regulations prescribed by law for the general election of mayor and board of commissioners of said town, and at each of said elections the ballot shall be as hereinbefore directed, and if at any such election the majority of the votes cast shall be in favor of the proposition, and voting approved, then the said bonds shall be issued by said mayor and board of commissioners, to be applied to the purpose, and upon the terms and condi-
1911—Chapters 349—350.

1. Provided, that if the amount of the bond issue first voted under the provisions of this act shall be insufficient to complete the street improvements, that then the question of issuing additional bonds shall be submitted to the qualified voters of the town of Mount Airy, at such time as the mayor and board of commissioners may appoint, and to be conducted under the same rules and regulations hereinbefore provided for the first election, and if at such election the majority of the votes cast shall be favorable to the proposition, voting "Approved," then these additional bonds shall be issued by the mayor and board of commissioners, and used for the purposes aforesaid: Provided, further, that at any new election held under the provisions of this act the mayor and board of commissioners shall have the right and authority to order an entire new registration of the qualified voters of the said town, prior to the holding of said election, upon notice of thirty days of such new registration: Provided, the entire issue shall not exceed fifty thousand dollars.

agents of said township so incorporated for the purpose of issuing
the bonds of said township, and to provide for the levying and col-
lecting of taxes on property and polls to pay the principal and in-
terest of said bonds, and to provide for the sinking fund herein-
before mentioned.

Sec. 15. That subscription to the capital stock of said company
may be made and paid in money, land, labor, material, or services,
or in bonds, stocks, or other valuable credits, in such manner and on such terms as may be agreed upon by the president and directors of said company. The said president and directors shall have power and authority to require from the stockholders such payments on their shares from time to time as the wants of the company may demand, until the whole of their subscriptions shall be paid.

If any stockholder shall fail to pay the sum required of him by the president and directors within one month after the same shall have been required of him, if payable in money, and within a reasonable time after the same shall have been required of him, if payable in labor, services or otherwise, it shall be lawful for the said president and directors to sell at public auction and convey to the purchaser the share or shares of such stockholders so failing or refusing to pay, first giving thirty days notice of the time and place of said sale in one or more newspapers published in this State; and after retaining the sum due upon such share or shares of stock, and all charges of the sale, out of the proceeds thereof the said president and directors shall pay the surplus over to the delinquent owner or his legal representative; and if the said stock shall not bring at such sale the sum required to be advanced, with the incidental charges attending the sale, then the said company may recover the balance up to the unpaid amount of the original subscription for the said stock of the original subscriber or his executor or administrator, or of his assigns, or either of them, at the option of the said company, acting through its president and directors, by civil action in any court having jurisdiction thereof, and any purchaser of stock at such sale shall be subject to the same rules and regulations as the original proprietor.

Sec. 17. That the stockholders in said company or the subscribers thereto, whether private citizens or corporations, public or private or municipal, shall not be individually liable for any debt, default or liability of the said company beyond the amount of their unpaid individual subscription to its capital stock.

Sec. 18. That all laws and clauses of laws in conflict with the provisions of this act be and the same are to the extent of such conflict repealed.

Sec. 19. That this act shall be in force and effect from and after its ratification.

Ratified this the 8th day of March, 1911.
STATE OF NORTH CAROLINA,
Office of Secretary of State,
Raleigh, May 18, 1911.

I, J. Bryan Grimes, Secretary of State of the State of North Carolina, hereby certify that the foregoing (manuscript) are true copies of the original acts on file in this office.

J. BRYAN GRIMES,
Secretary of State.

Note.

In 1909 the General Assembly of North Carolina passed an act entitled "An act to amend section 5349 of The Revisal of 1905 and provide for the classification and publication of the acts of the General Assembly into Public, Public Local, and Private Laws." In compliance with this law, the Acts of 1911 have been classified into Public, Public Local, and Private Laws. All laws of Statewide application have been classed as public; laws of a public nature but of only local application have been classed as public local; and all charters and laws in relation to cities and towns are classed as private.

J. BRYAN GRIMES,
Secretary of State.
