CONSTITUTION
OF THE
STATE OF NORTH CAROLINA.

PREAMBLE.

We, the people of the State of North Carolina, grateful to Almighty God, the Sovereign Ruler of Nations, for the preservation of the American Union, and the existence of our civil, political and religious liberties, and acknowledging our dependence upon Him for the continuance of those blessings to us and our posterity, do, for the more certain security thereof, and for the better government of this State, ordain and establish this Constitution:

ARTICLE I.

DECLARATION OF RIGHTS.

That the great, general and essential principles of liberty and free government may be recognized and established, and that the relations of this State to the Union and Government of the United States, and those of the people of this State to the rest of the American people may be defined and affirmed, we do declare:

SECTION 1. That we hold it to be self evident that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness.

Sec. 2. That all political power is vested in, and derived from, the people; all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.

Sec. 3. That the people of this State have the inherent, sole and exclusive right of regulating the internal government and police thereof, and of altering and abolishing their Constitution and form of government whenever it may be necessary for their safety and happiness; but every such right should be exercised in pursuance of law, and consistently with the Constitution of the United States.
SEC. 4. That this State shall ever remain a member of the American Union; that the people thereof are a part of the American Nation; that there is no right on the part of the State to secede, and that all attempts, from whatever source or upon whatever pretext, to dissolve said Union, or to sever said Nation, ought to be resisted with the whole power of the State.

SEC. 5. That every citizen of this State owes paramount allegiance to the Constitution and Government of the United States, and that no law or ordinance of the State in contravention or subversion thereof can have any binding force.

SEC. 6. The State shall never assume or pay, or authorize the collection of any debt or obligation, express or implied, incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave; nor shall the General Assembly assume or pay, or authorize the collection of any tax to pay, either directly or indirectly, express or implied, any debt or bond incurred, or issued, by authority of the Convention of the year one thousand eight hundred and sixty-eight, nor any debt or bond incurred or issued by the Legislature of the year one thousand eight hundred and sixty-eight, either at its special session of the year one thousand eight hundred and sixty-eight, or at its regular sessions of the years one thousand eight hundred and sixty-eight and one thousand eight hundred and sixty-nine, and one thousand eight hundred and sixty-nine, and one thousand eight hundred and seventy, except the bonds issued to fund the interest on the old debt of the State, unless the proposing to pay the same shall have first been submitted to the people and by them ratified by the vote of a majority of all the qualified voters of the State, at a regular election held for that purpose.

SEC. 7. No man or set of men are entitled to exclusive or separate emoluments or privileges from the community but in consideration of public services.

SEC. 8. The legislative, executive and supreme judicial powers of the government ought to be forever separate and distinct from each other.

SEC. 9. All power of suspending laws, or the execution of laws, by any authority, without the consent of the representatives of the people, is injurious to their rights, and ought not to be exercised.

SEC. 10. All elections ought to be free.

SEC. 11. In all criminal prosecutions, every man has the right to be informed of the accusation against him and to confront the accusers and witnesses with other testimony, and to have counsel for his defense, and not be compelled to give evidence against
himself or to pay costs, jail fees, or necessary witness fees of the defense, unless found guilty.

SEC. 12. No person shall be put to answer any criminal charge, except as hereinafter allowed, but by indictment, presentment or impeachment.

SEC. 13. No person shall be convicted of any crime but by the unanimous verdict of a jury of good and lawful men in open court. The Legislature may, however, provide other means of trial for petty misdemeanors, with the right of appeal.

SEC. 14. Excessive bail should not be required, nor excessive fines imposed, nor cruel or unusual punishments inflicted.

SEC. 15. General warrants, whereby any officer or messenger may be commanded to search suspected places, without evidence of the act committed, or to seize any person or persons not named, whose offense is not particularly described and supported by evidence, are dangerous to liberty and ought not to be granted.

SEC. 16. There shall be no imprisonment for debt in this State, except in cases of fraud.

SEC. 17. No person ought to be taken, imprisoned, or dispossessed of his freehold, liberties or privileges, or outlawed or exiled, or in any manner deprived of his life, liberty or property, but by the law of the land.

SEC. 18. Every person restrained of his liberty is entitled to a remedy to inquire into the lawfulness thereof, and to remove the same, if unlawful; and such remedy ought not to be denied or delayed.

SEC. 19. In all controversies at law respecting property, the ancient mode of trial by jury is one of the best securities of the rights of the people, and ought to remain sacred and inviolable.

SEC. 20. The freedom of the press is one of the great bulwarks of liberty, and therefore ought never to be restrained, but every individual shall be held responsible for the abuse of the same.

SEC. 21. The privileges of the writ of habeas corpus shall not be suspended.

SEC. 22. As political rights and privileges are not dependent upon, or modified by, property, therefore no property qualification ought to affect the right to vote or hold office.

SEC. 23. The people of the State ought not to be taxed, or made subject to the payment of any impost or duty without the consent of themselves, or their representatives in General Assembly freely given.

SEC. 24. A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed; and, as standing armies in time of peace are dangerous to liberty, they ought not to be kept up, and the military should be kept under strict subordination to, and gov-

Sec. 25. The people have a right to assemble together to consult for their common good, to instruct their representatives, and to apply to the Legislature for redress of grievances. But secret political societies are dangerous to the liberties of a free people, and should not be tolerated.

Sec. 26. All men have a natural and unalienable right to worship Almighty God according to the dictates of their own consciences, and no human authority should, in any case whatever, control or interfere with the rights of conscience.

Sec. 27. The people have the right to the privilege of education, and it is the duty of the State to guard and maintain that right.

Sec. 28. For redress of grievances, and for amending and strengthening the laws, elections should be often held.

Sec. 29. A frequent recurrence to fundamental principles is absolutely necessary to preserve the blessings of liberty.

Sec. 30. No hereditary emoluments, privileges or honors ought to be granted or conferred in this State.

Sec. 31. Perpetuities and monopolies are contrary to the genius of a free State, and ought not to be allowed.

Sec. 32. Retrospective laws, punishing acts committed before the existence of such laws, and by them only declared criminal, are oppressive, unjust and incompatible with liberty; wherefore no ex post facto law ought to be made. No law taxing retrospectively sales, purchases, or other acts previously done, ought to be passed.

Sec. 33. Slavery and involuntary servitude, otherwise than for crime, whereof the parties shall have been duly convicted, shall be and are hereby forever prohibited within the State.

Sec. 34. The limits and boundaries of the State shall be and remain as they now are.

Sec. 36. No soldier shall, in time of peace, be quartered in any house without the consent of the owner; nor in time of war, but in a manner prescribed by law.

Sec. 37. This enumeration of rights shall not be construed to impair or deny others retained by the people; and all powers not herein delegated remain with the people.
ARTICLE II.

LEGISLATIVE DEPARTMENT.

SECTION 1. The legislative authority shall be vested in two distinct branches, both dependent on the people, to wit, a Senate and House of Representatives.

SEC. 2. The Senate and House of Representatives shall meet biennially on the first Wednesday after the first Monday in January next after their election; and, when assembled, shall be denominated the General Assembly. Neither House shall proceed upon public business unless a majority of all the members are actually present.

SEC. 3. The Senate shall be composed of fifty Senators, biennially chosen by ballot.

SEC. 4. The Senate Districts shall be so altered by the General Assembly, at the first session after the return of every enumeration by order of Congress that each Senate District shall contain, as near as may be, an equal number of inhabitants, excluding aliens and Indians not taxed, and shall remain unaltered until the return of another enumeration, and shall at all times consist of contiguous territory; and no county shall be divided in the formation of a Senate District, unless such county shall be equitably entitled to two or more Senators.

SEC. 5. The distinctions between actions at law and suits in equity, and the forms of all such actions and suits, shall be abolished; and there shall be in this State but one form of action, for the enforcement or protection of private rights or the redress of private wrongs, which shall be denominated a civil action; and every action prosecuted by the people of the State as a party against a person charged with a public offense, for the punishment of the same, shall be termed a criminal action. Feigned issues shall also be abolished, and the fact at issue tried by order of court before a jury.

Sec. 2. The judicial power of the State shall be vested in a Court for the trial of Impeachments, a Supreme Court, Superior Courts, Courts of Justices of the Peace, and such other Courts inferior to the Supreme Court as may be established by law.

SEC. 9. The Supreme Court shall have original jurisdiction to hear claims against the State, but its decisions shall be merely recommendatory; no process in the nature of the execution shall issue thereon; they shall be reported to the next session of the General Assembly for its action.

SEC. 10. The State shall be divided into nine judicial districts, for each of which a Judge shall be chosen; and there shall be held a Superior Court in each county at least twice in each year, to continue for such time in each county as may be prescribed by law. But the General Assembly may reduce or increase the number of districts.

SEC. 11. Every Judge of the Superior Court shall reside in the district for which he is elected. The Judges shall preside in the courts of the different districts successively, but no Judge shall hold the courts in the same district oftener than once in four years; but in case of the protracted illness of the Judge assigned to preside in any district, or of any other unavoidable accident to him, by reason of which he shall be unable to preside, the Governor may require any Judge to hold one or more specified terms in said district, in lieu of the Judge assigned to hold the courts of the said district.

SEC. 12. The General Assembly shall have no power to deprive the Judicial Department of any power or jurisdiction which rightfully pertains to it as a co-ordinate department of the government; but the General Assembly shall allot and distribute that portion of this power and jurisdiction which does not pertain to the Supreme Court, among the other courts prescribed in this Constitution or which may be established by law in such manner as it may deem best; provide also a proper system of appeals, and regulate by law, when necessary, the methods of proceeding in the exercise of their powers, of all the courts below the Supreme Courts, so far as the same may be done without conflict with other provisions of this Constitution.

SEC. 20. Actions at law, and suits in equity, pending when this Constitution shall go into effect, shall be transferred to the courts having jurisdiction thereof, without prejudice by reason of the change; and all such actions and suits commenced before, and pending at the adoption of the General Assembly of the rules of practice and procedure herein provided for, shall be heard and determined according to the practice now in use unless otherwise provided for by said rules.

SEC. 21. The Justices of the Supreme Court shall be elected by the qualified voters of the State, as is provided for the election of members of the General Assembly. The General Assembly may, from time to time, provide by law that the Judges of the Superior Courts, chosen at succeeding elections, instead of being elected by the voters of the whole State, as is herein provided for, shall be elected by the voters of their respective districts.

SEC. 22. The Superior Courts shall be, at all times, open for the transaction of all business within their jurisdiction, except the trial of issues of fact requiring a jury.

SEC. 23. A Solicitor shall be elected for each Judicial District by the qualified voters thereof, as is prescribed for members of the General Assembly, who shall hold office for the term of four
years, and prosecute on behalf of the State, in all criminal actions in the Superior Courts, and advise the officers of justice in his district.

SEC. 24. In each county a Sheriff and Coroner shall be elected by the qualified voters thereof, as is prescribed for members of the General Assembly, and shall hold their offices for two years. In each township there shall be a constable elected in like manner by the voters thereof, who shall hold his office for two years. If any person, elected or appointed to any of said offices, shall neglect and fail to qualify, such offices shall be appointed to, held and filled as provided in case of vacancies occurring therein. All incumbents of said offices shall hold until their successors are qualified.

SEC. 26. The officers elected at the first election held under this Constitution shall hold their offices for the terms prescribed for them respectively, next ensuing after the next regular election for members of the General Assembly. And the General Assembly may give to Justices of the Peace jurisdiction of other civil actions, wherein the value of the property in controversy does not exceed fifty dollars. When an issue of fact may be joined before a Justice, on demand of either party thereto, he shall cause a jury of six men to be summoned, who shall try the same. The party against whom judgment shall be rendered in any civil action, may appeal to the Superior Court from the same. In all cases of a criminal nature, the party against whom judgment is given may appeal to the Superior Court, where the matter shall be heard anew. In all cases brought be-
fore a justice, he shall make a record of the proceedings, and file the same with the Clerk of the Superior Court for his county.

Sec. 28. When the office of Justice of the Peace shall become vacant otherwise than by expiration of the term, and in case of a failure by the voters of any District to elect, the Clerk of the Superior Court for the county shall appoint to fill the vacancy for the unexpired term.

Sec. 29. In case the office of Clerk of a Superior Court for a county shall become vacant otherwise than by the expiration of the term, and in case of a failure by the people to elect, the Judge of the Superior Court for the county shall appoint to fill the vacancy until an election can be regularly held.

Sec. 30. In case the General Assembly shall establish other Courts inferior to the Supreme Court, the presiding officers and clerks thereof shall be elected in such manner as the General Assembly may from time to time prescribe, and they shall hold their offices for a term not exceeding eight years.

Sec. 31. Any Judge of the Supreme Court or of the Superior Courts, and the presiding officers of such Courts inferior to the Supreme Court as may be established by law, may be removed from office for mental or physical inability, upon a concurrent resolution of two-thirds of both Houses of the General Assembly. Every homestead, and the dwellings and buildings used therewith, not exceeding in value one thousand dollars, to be selected by the owner thereof, or in lieu thereof, at the option of the owner, any lot in a city, town or village, with the dwelling and buildings used thereon, owned and occupied by any resident of this State, and not exceeding the value of one thousand dollars, shall be exempt from sale under execution, or other final process obtained on any debt. But no property shall be exempt from sale for taxes, or for payment of obligations contracted for the purchase of said premises.

Sec. 3. The homestead, after the death of the owner thereof, shall be exempt from the payment of any debt during the minority of his children, or any one of them.

Sec. 4. The provisions of sections one and two of this Article shall not be so construed as to prevent a laborer's lien for work done and performed for the person claiming such exemption, or a mechanic's lien for work done on the premises.

Sec. 5. If the owner of a homestead die, leaving a widow, but no children, the same shall be exempt from the debts of her husband, and the rents and profits thereof shall inure to her benefit during her widowhood, unless she be the owner of a homestead in her own right.

Sec. 6. labor on public works, or highways, or other labor for public
benefit, and the farming out thereof, where and in such manner
as may be provided by law; but no convict shall be farmed out
who has been sentenced on a charge of murder, manslaughter,
rape, attempt to commit rape, or arson: Provided, that no con-
vict whose labor may be farmed out shall be punished for any
failure of duty as a laborer, except by a responsible officer of the

State institutions, and who shall annually report to the Gover-

SECTION 1. No Convention of the people of this State shall ever be called by the General Assembly, unless by the concurrence of two-thirds of all the members of each House of the General Assembly, and except the proposition, Convention or No Convention, be first submitted to the qualified voters of the whole State, at the next general election in a manner to be prescribed by law. And should a majority of the votes cast be in favor of said Convention, it shall assemble on such day as may be prescribed by the General Assembly.

State of North Carolina.

SESSION 1899.
PUBLIC LAWS
OF THE
State of North Carolina.
SESSION 1899.

CHAPTER 1.

An act to revise, consolidate and amend the insanity laws of this state.

The General Assembly of North Carolina do enact:

SECTION 1. That the hospital for the insane, located near Morgan-
ton, shall be and remain a corporation under this name: "The State Hospital at Morganton." The hospital for the insane, located near Raleigh, shall be and remain a corporation under this name: "The State Hospital at Raleigh." The hospital for the insane, located near Goldsboro, shall be and remain a corporation under this name: "The State Hospital at Goldsboro." Under such name each corporation is invested with all the property and rights heretofore held by each, under whatsoever name called or incorporated, and all other corporate names are hereby abolished. Hereafter in this act, when the above names are used, they shall be deemed to relate back to and include the corporation, under whatsoever name it might heretofore have had.

SEC. 2. The State Hospital at Morganton, and the State Hospital at Raleigh, and the State Hospital at Goldsboro, may each acquire and hold, for the purpose of its institution, real and personal property, by devise, bequest or by any manner of gift, purchase or conveyance whatsoever.

SEC. 3. The State Hospital at Morganton, and the State Hospital at Raleigh, shall be exclusively for the accommodation, maintenance, care and treatment of the white insane and inebriates of this state, and the State Hospital at Goldsboro shall be exclusively for the accommodation, maintenance, care and treatment of the colored insane and inebriates of this state.

SEC. 4. The line heretofore agreed upon by the directors of the State Hospital at Morganton, and the State Hospital at Raleigh, shall be the line of division between the territories of the said hospitals, and white insane persons and inebriates settled in counties

to west of said line shall be admitted only into the State Hospital at Morganton, and white insane persons and inebriates settled in counties to the east of said line shall be admitted only into the State Hospital at Raleigh. The board of directors of these two hospitals may, by agreement, change said line from time to time whenever in their opinion such change may be proper, and they may, by agreement, transfer patients from one hospital to the other when such transfer may be deemed advantageous. That portion of the state which is or may hereafter be west of said division line shall be known as the Western Hospital District, and that portion of the state which is or may hereafter be east of said line shall be known as the Eastern Hospital District.

Sec. 5. Each corporation shall be under the management of a board of nine directors, no two of whom shall be resident of the same county, nominated by the governor and by and with the advice and consent of a majority of the senators-elect, appointed by him, of whom five directors shall be a quorum, except when three of their number are hereby in this law empowered to act for special purposes. Each board of directors shall be in classes of three, as they are now divided, and the term of office of such classes shall expire as follows: those of the first class, on the first day of April, nineteen hundred and one; of the second class, on the first day of April, nineteen hundred and three; and of the third class, on the first day of April, nineteen hundred and five. At the expiration of their said respective terms of office, all appointments shall be for a term of six years, except such as are made to fill unexpired terms. Every vacancy occurring in any board of directors at a time when the general assembly shall not be in session, shall be filled by an election held by the remaining members of the board at their next regular meeting after the vacancy occurs, and the person thus elected shall hold office until his successor shall have been appointed by the governor and confirmed by the senate as aforesaid, at the next regular meeting of the general assembly.

Sec. 6. Each board of directors shall, out of their number, appoint three members as an executive committee, who shall hold their respective offices as such for one year, and shall have such powers and be subject to such duties as the board of directors may delegate to them.

Sec. 7. Each board of directors shall direct and manage the affairs of their institution and shall for its purposes have power to receive, hold, manage, convey, or otherwise dispose of, in the name of their institution, all such property or estate as may hereafter be given or otherwise be conveyed to their corporation; and the members of each board shall serve without reward, save their traveling expenses incurred in the discharge of their official duties.

Sec. 8. Each board of directors shall convene at the hospital of.
which it has charge, on the first Wednesday after the first Monday in April of each year, and at such other times as they shall appoint, and investigate the administration of its affairs, and report on the same to the general assembly, with such remarks and recommendations as to them shall seem expedient.

SEC. 9. Each board of directors shall appoint a superintendent of their institution and prescribe his duties. He shall be a skilled physician, educated to his profession, of good moral character, of prompt business habits, and of kindly disposition. He shall hold office for six years from and after his appointment, unless sooner removed by said board, who may, for infidelity to his trust, gross immorality or incompetency to discharge the duties of his office, fully proved and declared, and the proofs thereof recorded in the book of their proceedings, remove him and appoint another in his place.

SEC. 10. Each board of directors shall appoint one or more assistant physicians, and with the advice and consent of the superintendent, prescribe his duties. The superintendent may, with the advice and consent of the executive committee of the board of directors, for insubordination, immorality, neglect of duty, or incompetency, suspend an assistant physician until a meeting of the board of directors can be called, which meeting shall be called as soon as practicable, in no event later than thirty days, when any charges preferred by the superintendent are to be investigated, and such action taken as the board may deem best. Every assistant physician shall hold his place for two years from and after his appointment, unless sooner removed for good cause, which shall be specified and recorded in their proceedings.

SEC. 11. Each board of directors at their annual meeting shall, on nomination of the superintendent, appoint a steward, and if they shall think proper to do so, a matron also, who shall hold their places for one year, unless sooner suspended or removed by the superintendent or board of directors for good cause, in which case their successors shall be nominated and appointed for the unexpired terms of those removed. The method of procedure for the suspension and removal of assistant physician, contained in the preceding section of this act, shall be followed in the suspension and removal of any steward or matron. The steward, before entering upon the discharge of his duties, shall execute to the hospital a bond in the sum of two thousand and five hundred dollars, with sureties to be approved by the board of directors, conditioned for the faithful administration of his duties, and the proper accounting and disbursement of all money and property coming into his hands. The state treasurer shall be treasurer of said corporations. The state treasurer shall keep all accounts of the institutions, and shall pay out all moneys upon the warrant of the respective superintendents, countersigned by two members of the board of directors, under such rules and regulations as the respective boards may establish.
Sec. 12. Each board of directors shall fix the salaries and compensation of the superintendent, and the officers and employees whose services may be necessary for the management of the hospital under charge of said board: Provided, that the salaries shall not be diminished during the term of the incumbents: Provided further, that the salary of the superintendent shall be a sum certain, without other compensation or allowance, except such rooms in the hospital for the use of his family, and such articles of food produced on the premises as said board of directors may permit.

Sec. 13. Each superintendent shall exercise exclusive direction and control over all the subordinate officers and employees engaged in the service and labors of his hospital, and he may discharge such as have been employed by himself or his predecessors, and shall report to the board of directors of his hospital the misconduct of all subordinates.

Sec. 14. Each board of directors shall make all such by-laws and regulations for the government of their institutions as shall be necessary: among which regulations shall be such as shall make the institution as nearly self-supporting as is consistent with the purpose of its creation. The board shall cause the by-laws and regulations, the report of the superintendent, and that of the treasurer, to be published with their report to the general assembly, copies of which shall be sent to the clerk of the superior [court] of every county in the state.

Sec. 15. For admission into a state hospital, the following proceedings shall be had: Some respectable citizen, residing in the county of the alleged insane person, shall make before and file with the clerk of the superior court of the county, an affidavit in writing, which shall be substantially in the following form:

State of North Carolina,

County.

The undersigned, residing in said county, makes oath that he has carefully examined and believes him to be an insane person, and to be, in the opinion of the undersigned, a fit subject for admission into a hospital for the insane.

Dated day of , A. D. 

Affiant.

Sworn and subscribed before , Clerk superior court.

Whereupon, unless the person in whose care or custody the insane person is, will agree to bring him before said clerk without a warrant, or unless the clerk shall be of the opinion that it will be injurious to the insane person to be brought before him, the clerk shall issue a precept, directed to the sheriff or other lawful officer, substantially in the following form:
State of North Carolina.

To the Sheriff or other lawful officer of ... county—Greeting:

Whereas, information on oath, has been laid before me that ... is insane, you are hereby commanded to bring him before me within the next ten days that necessary proceedings may be had thereon. Given under my hand ... day of ..., A. D. ...

-------------------, Clerk superior court.

If the alleged insane person be confined in jail otherwise than for crime, the sheriff shall remove him from the jail upon the order from the clerk. Upon the bringing of the alleged insane person before the clerk by his friends, or upon the return of the precept with the body of [the] insane person, the clerk shall call to his assistance the county physician of said county, or some other licensed and reputable physician, resident of this state, and shall proceed to examine into the condition of mind of the alleged insane person; he shall take testimony of at least one licensed physician, resident of this state, and if possible, a member of the family, or some friend or person acquainted with the alleged insane person, who has had opportunities to observe him after such insanity is said to have begun.

If the clerk, after his examination of the alleged insane person, and the hearing of the testimony as aforesaid, shall decide that such person is sane, he shall forthwith discharge him. If he shall decide that such person is insane, and some friend, as he may do, will not become bound with good security, in an amount to be fixed by the clerk, to restrain him from committing injuries, and to keep, support and take care of him until the cause for confinement shall cease, he shall direct such insane person to be removed to the proper hospital as a patient, and to that end he shall direct a warrant to the sheriff, or other officer, and at the same time shall transmit to the proper board of directors the examination of the witnesses, and the statement of such facts as he shall deem pertinent to the subject matter, which warrant shall be substantially as follows:

State of North Carolina.

To the Sheriff or other lawful officer of ... county—Greeting:

Whereas, it has been made to satisfactorily appear to me ..., clerk of the superior court of said county, that ..., a citizen of the state, is an insane person, that he has a legal settlement in said county, and is a fit subject for a state hospital, and that his being at large is injurious to himself and disadvantageous if not dangerous to the community: you are hereby commanded to take the said ..., and convey him to the proper hospital, and there deliver him to the superintendent thereof for safe keeping.

Given under my hand this ... day of ..., A. D. ...

If the clerk of the court shall be of the opinion that it will be injurious to the alleged insane person to be brought before him, the clerk shall proceed to the residence or habitation of said person and take the examination there.

In a case of emergency, when for any reason the clerk of the court can not go or is absent from the county, then any justice of the peace is hereby authorized to proceed in like manner by taking the testimony of the physician and other witnesses, as is before provided for in this section, and report the same to the clerk. If the clerk is satisfied that the alleged insane person is a fit subject for a hospital for the insane, he shall issue an order for his commitment. In cases of great emergency or inconvenience, the said justice may commit a patient to a hospital, and the superintendent is authorized to receive him, but the justice shall procure an order from the clerk to be forwarded to the superintendent within thirty days. The following fees shall be allowed to the officers who make the examination and they shall be paid by the county in which the alleged insane person is settled: to the clerk or justice who makes the examination, two dollars, and if the clerk goes to the home of the insane person, he shall be entitled, in addition to this sum, to five cents a mile each way. This shall cover his entire cost in taking the examination, and making out the necessary papers.

The physician called in the absence of the county physician, shall be entitled to two dollars with mileage. The sheriff shall be entitled to such fees as are now allowed by law for the service of process of similar character.

The county physician, being a salaried officer, is not allowed any fee for his services in this examination.

Sec. 16. Whenever any citizen or resident of this state becomes suddenly or violently insane, in some county other than that of his settlement, the proper authorities, as hereinbefore provided, of any county in which he shall be, shall have authority to examine him, and if necessary commit him to the hospital to which he would be sent had he been committed from the county of his own settlement. Immediately upon the commitment to a hospital of any such person, a transcript of the proceedings shall be sent to the clerk of the county in which he is settled, and that county shall pay over to that county from which he was committed, all the cost of the examination and commitment, and if the board of commissioners of the county of the settlement shall fail to pay all proper expense of said proceedings within sixty days after the claim shall have been presented, they shall forfeit and pay to the county which committed the insane person the sum of two hundred and fifty dollars, to be recovered by the commissioners of that county in a civil action brought in the superior court of that county from which the patient was committed to the hospital, against the commissioners of the
other county. If any person not a citizen or resident of this state, but a citizen and resident of another state of the United States, shall be ascertained to be insane, the clerk of the court shall immediately notify the governor of the state of which the insane person is a citizen, of the facts and circumstances by letter (or telegraphic message if he thinks proper), and for a reasonable length of time the insane person shall be kept confined or restrained in said county, but shall not be committed to any state hospital, and if the state of his citizenship shall not provide for the removal from this state to his proper state of the insane person within a reasonable time, the county commissioners of the county in which he shall have been ascertained to be an insane person, shall cause him to be conveyed to the state of which he is a citizen and delivered there to the sheriff of his county or to the superintendent of any state hospital. The cost of such proceedings and conveyance away from this state shall be borne by the county in which the person shall have been adjudged to be insane. If any person, not a citizen of the United States, shall be ascertained to be insane, the clerk of the court shall immediately notify the governor of this state of the name of the insane person, the country of which he is a citizen, and his place of residence in said country if the same can be ascertained, and such other facts in the case as he may obtain, together with a copy of the examination taken; and the governor shall transmit said information and examination to the secretary of state at Washington, D. C., with the request that he inform the minister resident or plenipotentiary of the country of which the insane person is supposed to be a citizen.

Sec. 17. The clerk will keep a record of all examinations of persons alleged to be insane, and he shall record in such record a brief summary of the proceedings and of his findings, and whenever a justice of the peace shall transmit to the clerk a report of his proceedings (when he shall have examined a person under the powers granted under this act), the clerk shall make a record of his proceedings, and for recording the justice's proceedings he shall be entitled to a fee of twenty-five cents, to be paid by the county aforesaid, and he shall keep a record of all probations and discharges provided for in section twenty-two of this act.

Sec. 18. No clerk of the court or justice of the peace shall commit to a hospital any person who is not a bona fide citizen and resident of this state; and no person who shall have removed into this state from another state while insane, shall be deemed a resident or citizen of this state, and no length of residence in this state of a person who was insane at the time he moved into this state, shall be sufficient to make that person a citizen or resident of North Carolina within the meaning of this law. In every examination of an alleged insane person it shall be the duty of the clerk or justice of the peace to particularly inquire whether the alleged insane person...

is a resident of this state, as hereinbefore set forth, and he shall state his findings upon the subject in his report to the superintendent of the hospital. If it is not possible to ascertain the legal residence of the alleged insane person, and the clerk or justice of the peace shall be of the opinion that the insane person is a resident of this state, within the meaning of this law, he shall state that he was unable to ascertain the legal residence of the insane person, and shall commit him to the hospital of his district. If any clerk or justice of the peace shall knowingly commit to any hospital a person who is not a bona fide citizen and resident of this state, he shall be guilty of a misdemeanor, and upon conviction shall be fined or imprisoned at the discretion of the court. No cretin or idiot shall be committed to any hospital, and for the purpose of this act, an idiot is defined to be a person born deficient or who became deficient before the full completion of the twelfth year of age.

Sec. 19. The following questions with their respective answers, by at least one licensed physician, resident of this state, and such other competent witnesses as the clerk or justice shall determine, duly sworn and subscribed by them, and so certified by said clerk or justice, shall be transmitted with the other papers to the superintendent of the proper hospital, to be reported as soon as practicable to the board of directors. Pending the consideration of the application by the board of directors, the patient shall remain in the custody of the officer or such person as the clerk may designate until it can be ascertained if there is room for the patient at the hospital.

When commissioners may discharge insane persons.

SEC. 20. It shall be the duty of the board of county commissioners, by proper order to that effect, to discharge any ascertained insane person in their county, not admitted to the appropriate hospital, and not committed for crime, when it shall appear upon the certificate of two respectable physicians, and the chairman of their
board, that such insane person ought to be discharged if in a hospital.

SEC. 21. Wherever any insane person shall be conveyed to any hospital, and the superintendent is in doubt as to the propriety of his admission, he may convene any three of the board of directors of his hospital, who shall constitute a board for the purpose of examining and deciding if such person is a proper subject for admission; and if a majority of such board so decide, such person shall be received into said hospital; but a like board may at any time thereafter deliver said insane person to any friend who will become bound with good surety, to restrain him from committing injuries, and to keep, maintain, and take care of him, in the same manner as he might have become bound under the authority of the clerk of the court.

SEC. 22. Any three of the board of directors of any hospital, upon the superintendent certifying the facts, (a copy of which certificate shall be sent to the clerk of the superior court of the county of settlement), shall be a board to discharge or remove from their hospital any person admitted as insane, when such person has become, or is found to be of sane mind, or when such person is incurable, and in the opinion of the superintendent his being at large will not be injurious to himself or dangerous to the community, or said board may permit such person to go to the county of his settlement on probation, when in the opinion of the said superintendent it will not be injurious to himself or dangerous to the community; and said board may discharge or remove such person, upon other sufficient causes appearing to them, and whenever any such person, admitted as indigent, may be so discharged or removed, except as insane, it shall be the duty of the sheriff of the county of his settlement to convey such person to his county at its expense, and any such person discharged as sane shall receive from such hospital a sum of money sufficient to pay his transportation to the county of his settlement, which sum shall be repaid by said county, and if necessary, the hospital shall provide the patient with a decent suit of clothes. When notified by the superintendent to come for, and remove any insane person from the hospital, it shall be the duty of the sheriff of the county, in which the insane person has a settlement, forthwith to convey the insane person from the hospital to the county of his settlement. The cost of said removal shall be advanced by the sheriff and repaid to him by the county of insane person's settlement, and if any sheriff, after having been notified by the superintendent to remove any insane person as aforesaid, shall fail to do so within fifteen days from the time of the receipt of the letter of notice, he shall forfeit and pay to the said hospital the sum of fifty dollars, to be collected in the manner hereinafter provided for the collection of penalties, given in this act, and if the commissioners of any county.
shall fail to repay to the hospital the money disbursed in paying for the necessary clothes and traveling expenses of any person discharged as cured from said hospital, within sixty days after the presentation of a claim therefor, the said commissioners shall forfeit and pay to the said hospital the sum of fifty dollars to be collected in the manner hereinafter provided for the collection of penalties.

SEC. 23. Each superintendent may, for the space of thirty days, or until the next meeting of the board of three directors provided for in section twenty-two of this act, discharge upon probation any patient, when in his opinion the same would not prove injurious to the patient or dangerous to the community. A report of all suchprobations shall be rendered to the said board of three directors at their first ensuing meeting.

SEC. 24. Every sheriff or other person bringing to a hospital a patient, shall see that the patient is clean, free from contagious disease and vermin, and that he has clothing proper for the season of the year, and in all cases two full suits of underclothing. When necessary to buy clothing for the patient, or to do any act necessary to comply with this section, the sheriff shall make the purchase, or have done the act, and the same shall be paid for by the state hospitals. SEC. 27. Any superintendent may notify the sheriff within whose county any person sent from his hospital on probation, or escaped therefrom, may be found, and thereupon it shall be the duty of such sheriff forthwith to take such person and return him to such hospital at the expense of the county of the settlement of the patient.

SEC. 31. No director or superintendent of any state hospital shall be personally liable for any act or thing done under, or in pursuance of any of the provisions of this chapter.

SEC. 32. The cost and expenses of conveying every insane person to any hospital, from any county, or of removing him from the hospital to his county, or of the return to the county of his settlement, as same, shall be paid by the treasurer of such county, upon the order of its board of county commissioners. Whenever the board of commissioners shall be satisfied that such person has property sufficient to pay such cost and expenses, or that some other person liable for his support and maintenance, has property sufficient to pay such costs and expenses as aforesaid, they shall bring an action and recover the amount paid from the said person, or from the other person liable for his support and maintenance.

SEC. 33. SEC. 34. All moneys and proceeds of property given to hospitals, and all money arising from the sale of any real estate which may be owned by such hospital, shall be paid into the state treasury, and all donations in which there shall be special directions for their application, shall be kept as a distinct fund and faithfully applied, as the donor may have directed; and the same hospital shall be supported by appropriations from the state treasury. But the proceeds arising from the sale of personal property belonging to a hospital, the board paid by private patients, rentals from real estate, and money from any other sources, except the sale of real estate, shall remain with the hospital and be used as the board of directors may determine. An account of the proceeds of all such income and its expenditure shall be carefully kept and published in the report to the general assembly.

SEC. 35. In order to secure their constant supervision and attendance, the officers and employees of any state hospital shall be exempt from serving on juries, in the militia, and from the duty of working on the public roads.
SEC. 36. Each board of directors shall cause all their proceedings to be faithfully and carefully written and recorded in books, and to this end may employ a clerk, and pay him a reasonable compensation for his services. The books shall, at all times, be open to the inspection of the general assembly.

SEC. 37. The board of public charities and the members of the general assembly shall be ex officio visitors of all state hospitals. It shall be the duty of the board of public charities to visit the hospitals from time to time, as they may deem expedient, to examine into their condition and make report thereon to the general assembly, with such suggestions and remarks as they may think proper. And to the said board, and to the board of directors of his hospital, and to the general assembly only shall each superintendent be required to make reports or furnish statistics.

SEC. 38. The close of the fiscal year shall be the thirtieth day of November in each year, and all accounts and estimates shall be made with reference thereto.

SEC. 39. Whenever any person shall be found to be insane in the mode hereinbefore prescribed, and such person shall be possessed of an income sufficient to support those who may be legally dependent for support on the estate of such insane person, and moreover, to support and maintain such insane person in any named hospital without the state, or any private hospital within the state; and such insane person, if of capable mind to signify such preference, shall, in writing, declare his wish to be placed in such hospital instead of being in a state hospital (or in case such insane person is incapable of declaring such preference, then the same may be declared by his guardian) and two respectable physicians who shall have examined such insane person, with the clerk of the court or justice of the peace who made the examination, shall deem it proper, then it may be lawful for said clerk or justice, together with said physicians, to recommend in writing, that such insane person shall be placed in the hospital so chosen as a patient thereof.

SEC. 40. It shall be the duty of any person having legal custody of the estate of such insane person to supply funds for his support in the hospital in which he may be so placed during his stay therein, and so long as they may be sufficient for that purpose, over and beyond maintaining and supporting those persons who may be legally dependent on the estate as aforesaid.

SEC. 41. It shall be the duty of the justice, when he shall act, to report the proceedings in such cases to the clerk of the superior court of the county in which such insane person may reside or be domiciled.

SEC. 42. The clerk of the court shall lay the proceedings before the judge of the superior court of the district in which such insane person may reside or be domiciled, and if he approve them, he shall so
declare in writing, and such proceedings with the approval thereof shall be recorded by said clerk.

SEC. 43. A certified copy of such proceedings, with the approval of the said judge, shall be sufficient warrant to authorize any friend of such insane person appointed by the said judge to remove him to the hospital designated.

In the admission of patients to any state hospital, priority of admission shall be given to the indigent insane: Provided, that the boards of directors may regulate admissions, having in view the curability of patients, the welfare of their institutions, and the exigencies of particular cases: Provided further, that said boards may, if there be sufficient room, admit other than indigent patients. If any inmate of any state hospital shall require private apartments, extras or private nurses, the directors, if practicable, shall provide the same at a fair price to be paid by said patient.

SEC. 45. When any person is found to be insane under any of the provisions of this chapter, and he can not be immediately admitted to the appropriated hospital, and such person is also found to be subject to such acts of violence as threaten injury to himself and danger to the community, and he can not otherwise be properly restrained, he may be temporarily committed to the county jail until a more suitable provision can be made for his case.

SEC. 46. The directors of each hospital may arrange for the admission into their hospitals for treatment of inebriates of both sexes, and may establish rates of charges. At the end of the period for which the inebriate was committed, if the superintendent and board of directors shall be of the opinion that a longer confinement of such inebriate is necessary or advantageous, they may detain the inebriate for a longer period not to exceed, in any case, six months.

In the event that a patient is found to be insane, he shall be detained in said hospital and treated as an insane person. The superintendent shall report such fact to the board of directors, and they shall treat his report as an application for the admission of the inebriate into the hospital as an insane patient, and if they approve of the admission, the inebriate shall from thenceforth be considered and treated as an insane patient, and not as an inebriate, and the order of the board of directors shall be considered as is provided for in a former section of this act. In every such case, the superintendent of the hospital shall notify the clerk of the county of the patient's settlement, and the clerk shall make an entry upon the record he is required to keep of insane persons committed to the hospital.

Sec. 49. Any person believing himself to be of unsound mind, or threatened with insanity may voluntarily commit himself to the proper hospital. The application for commitment shall be in the form following:

State of North Carolina.

And it shall be likewise accompanied by the certificate of a licensed physician, which certificate shall state that in the opinion of the physician, the applicant is a fit subject for admission into a hospital, and that he recommends his admission. The certificate of the clerk of the superior court need not accompany this application. The superintendent may, if he thinks it a proper application, receive the patient thus voluntarily committed, and treat him until the next meeting of the board of directors, or of the executive committee, and shall report the application and admission to the first meeting of either of said boards, and if either of said boards approve said admission, the patient shall be considered as having been regularly committed, and shall in all respects be treated as such. But no report need be made to the clerk of the court of his county of settlement. The superintendent and board of directors shall have the same control over patients who commit themselves voluntarily, as they have over those committed under the regular proceedings here.

Sec. 50. No sheriff or other officer shall serve a summons or other civil process upon an inmate of a hospital, unless he shall first have obtained the permission of the superintendent to do so, and if the said superintendent shall be of the opinion that the said summons or other proceedings can not be served without injury to said inmate, he shall not serve the same upon the inmate at all, but shall make service thereof by reading the same and delivering a copy of the same to the superintendent, and he shall endorse upon the summons and other process the manner of service, and state that it was served upon the superintendent of the hospital, naming him, because he was informed by the said superintendent that the defendant or person upon whom the summons or process was to be served was an inmate of his hospital, and that the service could not be made upon the inmate without danger of injury to him. Such return shall be deemed sufficient, and shall in all respects be considered as valid as if the service had been made upon the inmate in person. And when an insane person shall be confined in the jail of any county, it shall be sufficient for the officer charged with service of a notice, summons or other civil process, to serve the same upon the insane person, unless the county physician shall be of the opinion that it would be injurious to the insane person. In that case service shall be made in the manner aforesaid upon the sheriff and the county physician, and the officer charged with the service of said process, shall state all the facts and the manner of his service upon the sheriff and the county physician, naming them, and the said return shall be deemed sufficient and in all respects as valid as if it had been made actually upon the insane person.

Sec. 51. Sec. 52. It shall be unlawful for any person to sell or give to any inmate of a state hospital any intoxicating drink, any narcotic, and poison or poisonous substances, or any deadly weapon,

SEC. 54. Each of the said boards shall have all the powers conferred upon cities and towns in chapter sixty-two of The Code, relative to the adoption of ordinances and the suppression of nuisances, and disorderly conduct within the grounds of their respective institutions. Each board of directors is empowered and directed to adopt all necessary ordinances for the conduct and department of persons within their buildings and grounds, and for the suppression of nuisances and for the prevention of violent and disorderly conduct within their grounds: and when adopted the ordinances shall be recorded in the proceedings of the said board, and printed, and a copy posted at the entrance to the grounds, and not less than three copies posted at different places within the grounds, and when so adopted, and printed, and posted up, the ordinances shall be binding upon all persons coming within the grounds. Each board is empowered and directed to prescribe penalties for the violation of each section of the ordinances so adopted, and if any person violates a section of the ordinances, the penalty prescribed may be recovered in a civil action instituted in the name of the hospital against the person offending, before any justice of the peace in the county in which the hospital is situated and the sum so recovered shall be used as the board of directors shall direct. Every person who shall violate any ordinance adopted by the board of directors of any state hospital, as aforesaid shall be guilty of a misdemeanor, and upon conviction, shall be fined not exceeding fifty dollars or imprisoned not exceeding thirty days.

SEC. 55. The superintendent of each hospital is hereby empowered to appoint such number of discreet employees of his hospital, as he may think proper, special policemen, and within the grounds of such hospital, the said employees so appointed policemen, shall have all the powers of policemen of incorporated towns. Sec. 57. Whenever suit shall be brought against a sheriff or board of county commissioners for the recovery of a penalty prescribed for doing an act forbidden, or failure to do any act required by this act, the judge or justice of the peace before whom the action is tried may order so much of said penalty to be remitted as in his judgment should be remitted to meet the ends of justice, and he shall enter judgment for the amount of the penalty, to be discharged by the payment of such a sum as he may think just, and the costs of the action. In fixing the amount to be remitted, (if the judge or justice should think the remission of any part proper) he shall consider the costs and expenses that the plaintiff may have been put to, and he should also consider the conduct of the defendants; and there ought to be no remission when the act of the defendants is wanton or contumacious, or is grossly negligent.

Sec. 58. In this act wherever the personal pronoun "he," "his" or "him" is used to designate any insane person, or inebriate, it may be considered a pronoun of common gender, and may be construed as having reference to female as well as to male insane persons and inebriates.

Sec. 59. The board of directors of each hospital shall have power to provide benefits, to be paid to any employee of the hospital who shall be injured while discharging the duties of a vol-

board shall have power to prescribe all such rules and regu-

their board to visit and supervise any private hospital, home or

charities may bring an action in the superior court of Wake

In case of the failure or refusal of any association, company, copartnership or corporation to make out and deliver to the auditor any statement or statements required by this act, such association, company, copartnership or corporation shall forfeit and pay to the state of North Carolina one hundred dollars ($100) for each additional day such report is delayed beyond the twentieth day of February, to be sued and recovered in any proper form of action in the name of the state of North Carolina on the relation of the auditor, and such penalty, when collected, shall be paid into the general fund of the state.

SEC. 41. Upon the meeting of the railroad commissioners for the purpose of assessing railroad and other property, said auditor shall lay such statements, with such information as may have been furnished him, before said railroad commissioners, who shall thereupon value and assess the property of each association, company, copartnership or corporation in the manner here-
in after set forth, after examining such statements and after ascertaining the value of such properties therefrom, and from such other information as they may have or obtain. For that purpose they may require the agents or officers of said association, company, copartnership or corporation to appear before them with such books, papers and statements as they may require, or they may require additional statements to be made to them, and may compel the attendance of witnesses in case they shall deem it necessary, to enable them to ascertain the true cash value of such property.

SEC. 42. Said state board of railroad commissioners shall first ascertain the true cash value of the entire property owned by said association, company, copartnership or corporation from said statements or otherwise, for that purpose taking the aggregate value of all the shares of capital stock, in case said shares have a market value, and in case they have none taking the actual value thereof or of the capital of said association, company, copartnership or corporation, in whatever manner the same is divided, in case no shares of capital stock have been issued: Provided, however, that in case the whole or any portion of the property of such association, company, copartnership or corporation shall be encumbered by a mortgage or mortgages, such board shall ascertain the true cash value of such property by adding to the market value of the aggregate shares of stock, or to the value of the capital in case there shall be no such shares, the aggregate amounts of such mortgage or mortgages, and the result shall be deemed and treated as the true cash value of the property of such association, company, copartnership or corporation. Such board of railroad commissioners shall, for the purpose of ascertaining the true cash value of the property within the state of North Carolina, next ascertain from such statements, or otherwise, the assessed value for taxation in the localities where the same is situated, of the several pieces of real estate situated within the state of North Carolina and not specifically used in the general business of such associations, companies, copartnerships or corporations, which said assessed values for taxation shall be by said board deducted from the gross value of the property as above ascertained. Said state board of railroad commissioners shall next ascertain and assess the true cash value of the property of such associations, companies, copartnerships or corporations within the state of North Carolina by taking as a guide as far as practicable the proportion of the whole aggregate value of said associations, companies, copartnerships or corporations, as above ascertained, after deducting the assessed value of such real estate without the state, which the length of the lines of said associations, companies, copartnerships or corporations, in the case of
telegraph and telephone companies within the state of North Carolina, bears to the total length of the lines thereof, and in the case of express companies, the proportion shall be the proportion of the whole aggregate value, after such deductions, which the length of the lines or routes within the state of North Carolina bears to the whole length of the lines or routes of such associations, companies, copartnerships or corporations and such amount, so ascertained, shall be deemed and held as the entire value of the property of said associations, companies, copartnerships or corporations within the state of North Carolina. From the entire value of the property within the state so ascertained, there shall be deducted by the board the assessed value for taxation of all real estate, structures, machinery and appliances within the state and subject to local taxation in the counties, as hereinbefore described in item number five of sections thirty-seven, thirty-eight, thirty-nine and forty of this act, and the residue of such value so ascertained, after deducting therefrom the assessed value of such local properties, shall be by said board assessed to said association.

SEC. 43. Said state board of railroad commissioners shall thereupon ascertain the value per mile of the property within the state by dividing the total value, as above ascertained, after deducting the specific properties locally assessed within the state, by the number of miles within the state, and the result shall be deemed and held as the value per mile of the property of such association, company, copartnership or corporation within the state of North Carolina.

SEC. 44. Said state board of railroad commissioners shall thereupon, for the purpose of determining what amount shall be assessed by it to said association, company, copartnership or corporation in each county in the state, through, across, into or over which the line of said association, company, copartnership or corporation extends, multiply the value per mile, as above as contained, by the number of miles in each of such counties as reported in said statements, or as otherwise ascertained, and the result thereof shall be by said board certified to the auditor, who shall thereupon certify the same to the chairman of the board of county commissioners, respectively, of the several counties through, into, over or across which the lines or routes of said association, company, copartnership or corporation extend.

SEC. 45. In case any such association, copartnership or corporation, as named in this act, shall fail or refuse to pay any taxes assessed against it in any county in the state, in addition to other remedies provided by law for the collection of taxes, an action may be prosecuted in the name of the state of North Carolina by the solicitors of the different judicial circuits of the state, on the
Relation of the county commissioners of the different counties of this state, and the judgment in said action shall include a penalty of fifty per cent of the amount of taxes as assessed and unpaid, together with reasonable attorney's fees for the prosecution of such action, which action may be prosecuted in any county into, through, over or across which the line or routes of any association, copartnership, company, or corporation shall extend, or in any county where such association, company, copartnership or corporation shall have an office or agent for the transaction of business. In case such association, company, copartnership or corporation shall have refused to pay the whole of the taxes assessed against the same by said state board of railroad commissioners, or in case such association, company, copartnership or corporation shall have refused to pay the taxes or any portion thereof assessed to it in any particular county or counties, such action may include the whole or any portion of the taxes so unpaid in any county or counties, but the attorney-general may at his option unite in one action the entire amount of the tax due, or may bring separate actions in each separate county or joining counties, as he may prefer. All collection of taxes for or on account of any particular county made in any such suit or suits shall be by said auditor accounted for as a credit to the respective counties, for or on account of which such collections were made by said auditor. At the next ensuing settlement with such county, but the penalty so collected shall be credited to the general fund of the state; and upon such settlement being made, the treasurers of the several counties shall at their next settlements, enter credits upon the proper duplicates in their offices and at the next settlement with the county report the amount so received by him in his settlement with the state, and proper entries shall be made with reference thereto: Provided, that in any such action the amount of the assessment fixed by said state board of railroad commissioners and apportioned to such county, shall not be controverted.

Sec. 46. Every joint stock association, company, copartnership or corporation incorporated or acting under the laws of this or any other state, or of any foreign nation, and conveying to, from, through, in or across this state, or any part thereof, passengers or travellers in palace cars, drawing room cars, sleeping cars, dining cars, or chair cars, under any contract, express or implied, with any railroad company or the managers, lessees, agents or receivers thereof, shall be deemed and held to be a sleeping-car company for the purposes of this act, and shall hereinafter be called “sleeping-car company,” and every such sleeping car company doing business in this state shall annually, between the first day of January and the first day of April, make out and deliver to the auditor of this state a statement, verified by the oath

The commissioners elected from time to time under the authority of "An act to provide for the general supervision of railroads, steamboat or canal companies, express and telegraph companies doing business in the state of North Carolina," shall constitute a board of appraisers and assessors for railroad, telegraph, canal and steamboat companies.

Sec. 43. The president, secretary, superintendent or other principal accounting officer within this state of every telegraph and railroad company, whether incorporated by any law of this state or not, shall return to the said commissioners for assessment and taxation, verified by the oath or affirmation of the officer making the return, all the following described property belonging to such corporation, on the first day of June of each year, within this state, viz: the number of miles of such telegraph and railroad lines in each county in this state, and the total number of miles in the state, including the road-bed, right-of-way and superstructures thereon, main and side-tracks, depot buildings and depot grounds, section and tool houses, rolling stock, and personal property necessary for the construction, repairs or successful operation of such telegraph and railroad line, including also Pullman or sleeping cars owned by them or operated over their lines: Provided, however, that all machine and repair shops, general office buildings, store houses, and also all real and personal property outside of said right-of-way and depot grounds as aforesaid, of and belonging to any such railroad and telegraph companies, shall be listed for purposes of taxation by the principal officers or agents of such companies with the list-takers of the county where said real or personal property may be situated, in the manner provided by law for the listing and valuation of real and personal property. It shall be the duty of the list-takers, if required so to do by the said commissioners, to certify and send to the commissioners on or before the third Monday in June in each year, a statement giving the description of the property mentioned in the foregoing proviso, and showing the assessed

The list-takers and assessors shall also certify to the commissioners the local rate of taxation for county purposes as soon as the same shall be determined, and such other information obtained in the course of the performance of the duties of their office as the said commissioners shall require of them, and the mayor of each city or town shall cause to be sent to the said commissioners the local rate of taxation for municipal purposes.

Sec. 44. The movable property belonging to a railroad company shall be denominated for the purpose of taxation, "rolling stock." Every person, company or corporation, owning, constructing or operating a railroad in this state, shall in the month of June, annually return a list or schedule to the commissioners, which shall contain a correct detailed inventory of all the rolling stock belonging to such company, and which shall distinctly set forth the number of locomotives of all classes, passenger cars of all classes, sleeping and dining cars, express cars, horse cars, cattle cars, coal cars, platform cars, wrecking cars, pay cars, hand cars, and all other kind of cars and the value thereof, and a statement or schedule as follows: (1) The amount of capital stock authorized and the number of shares into which such capital is divided; (2) the amount of capital stock paid up; (3) the market value, or if no market value, then the actual value of the shares of stock; (4) the length of line operated in each county, and total in the state; (5) the total assessed value of all the tangible property in this state; (6) and all the information heretofore required to be annually reported by section nineteen hundred and fifty-nine of the Code. Such schedule shall be made in conformity to such instructions and forms as may be prescribed by the commissioners and with reference to amounts and values, on the first day of June of the year for which the return is made.

Sec. 45. The said commissioners shall first determine the value of each railroad, rolling stock and all other property, ascertaining such value from the earnings as compared with the operating expenses, and taking into consideration the value of the franchise as well as other conditions proper to be considered in arriving at the true value of the property, as in the case of private property, and the aggregate value thus determined shall be apportioned in the same proportion that the length of such road in each county bears to the entire length thereof; and the commissioners shall certify to the chairman of county commissioners and the mayor of each city or incorporated town the amount apportioned to his county, city or town, and the commissioners shall make and forward a like certificate, together with all the reports of the various railroad officers or copies thereof, and other papers and
evidence which formed the basis of the valuation, to the auditor of the state. All taxes due the state from any railroad company, except the tax imposed for school purposes, shall be paid by the treasurer of each company directly to the state treasurer within thirty days after the first day of July of each year, and upon failure to pay the state treasurer as aforesaid, he shall institute an action to enforce the same in the county of Wake or any county in which such railroad is located. The board of county commissioners of each county through which said railroad passes shall assess against the same only the tax imposed by the state for school purposes and those imposed for county purposes.

Sec. 46. When any railroad has part of its road in this state and part thereof in any other state, the commissioners shall ascertain the value of railroad track, rolling stock and shares of capital stock of such company, and divide it in the proportion the length of such road in this state bears to the whole length of such road, and determine the value of such railroad track, rolling stock and shares of capital stock in this state accordingly.

Sec. 47. Any railroad company claiming exemption from taxation under this act by reason of any contract with the state, shall, together with and in addition to the return required by the last section, make a further return, specifying the act or acts of the general assembly by which such contract is claimed to have been created, and also specifying what portion of the property of said railroad company is claimed to be exempted from taxation under this act, and the particulars as to character, location and value of property, if any, admitted to be liable under this act. Such returns shall be in no manner conclusive as to any of the facts therein stated, but said commissioners shall investigate and determine whether any, and if any, what portion of the property of such company is beyond the power of the state to tax under this act. The residue of said property, after deduction of that which is exempt, shall be taxed pursuant to the provisions of this act. After the first Monday in July the commissioners shall give a hearing to all companies interested touching the valuation and assessment of their property. The commissioners may, if they see fit, require all arguments and communications to be presented in writing.

Sec. 48. If the property of any railroad company be leased or operated by any other corporation, foreign or domestic, the property of lessor or company whose property is operated shall be subject to taxation in the manner hereinbefore directed. And if the lessee or operating company, being a foreign corporation, be the owner or possessor of any property in this state other than that which it derives from the lessor or company whose property is operated, it shall be assessed in respect of such property in like manner as any domestic railroad company.

Sec. 49. The commissioners shall have power to summon and examine witnesses and require that books and papers shall be presented to them for the purpose of obtaining such information as may be necessary to aid in determining the valuation of any railroad property. Any president, secretary, receiver or accounting officer, servant or agent of any railroad or steamboat company having any portion of its property or roadway in this state who shall refuse to attend before the commissioners when required to do so, or refuse to submit to the inspection of said commissioners any books or papers of such railroad company in his possession, custody or control, or shall refuse to answer such questions as may be put to him by said commissioners or order, touching the business or property, moneys and credits and the value thereof of said railroad company, shall be guilty of a misdemeanor, and on conviction thereof before any court of competent jurisdiction, shall be confined in jail of the county not exceeding thirty days and be fined in any sum not exceeding five hundred dollars and costs; and any president, secretary, receiver, accounting officer, servant or agent aforesaid, so refusing as aforesaid, shall be deemed guilty of contempt of such commissioners and may be confined by order of said commissioners in the jail of the proper county until he shall comply with such order and pay the cost of his imprisonment.

Sec. 50. The value of the shares of capital stock of any canal company, the property of all canal and steamboat companies in this state, shall be assessed for taxation as above provided for said roads. In case any officer fails to return the property as provided in this section, the commissioners shall ascertain the length of such property in this state and shall assess the same in proportion to length at the highest rate at which property of that kind is assessed by them.

Sale of Real Estate for Taxes.

Sec. 51. Before any real estate shall be sold for taxes, the sheriff or tax collector shall serve a written or printed, or partly written and partly printed, notice of such sale on the delinquent taxpayer or his agent at least thirty days before such sale, if the delinquent resides in the state. If the delinquent taxpayer resides out of the state, the sheriff or tax collector shall give him notice through the mail of such sale, as well as by publication thereof once a week for four successive weeks preceding the sale in a newspaper [published] in his county having a general circulation therein, which newspaper shall be designated by the board of county commissioners: Provided, the same be given to the lowest bidder. And if there be no newspaper published in his county, he shall
give notice of such sale by written or printed notice posted on
the door of the court-house or building in which the courts are
commonly held, for four consecutive weeks previous to the sale,
and he may adjourn the sale from day to day until all the prop-
erty advertised has been offered. The notice shall contain a no-
tification that all the lands on which the taxes of the preceding
year (naming it) remain unpaid will be sold and the time and
place of sale, and said notice must contain a list of the lands to be
sold and the amount of taxes due thereon. The sheriff shall add
to each description of land and town lots so advertised the sum
of twenty cents to defray the expenses of advertising, which sum
shall be added to the amount due on said land or town lots for
taxes due, collected in the same manner as the taxes. No land
shall be sold for taxes unless the taxpayer has not sufficient per-
sonal property to pay the same situated in the county where the
tax is due.

SEC. 52. The person purchasing any parcel or portion thereof
shall forthwith pay to the sheriff the amount of taxes and costs
charged thereon, and on failure to do so the said parcel shall at
once again be offered as if no such sale had been made.

SEC. 53. The sheriff shall keep a sale book showing the land
sold, the name of the purchasers, and the sum for which each
tract was sold, and on or before the first Monday of May follow-
ing the sale of real property he shall file in the office of the clerk
of the board of county commissioners a return thereof as the
same shall appear on said sale book, and such certificate shall be
an evidence of the regularity of the proceedings.

SEC. 54. If any sheriff shall fail to attend any sale of lands as
required by this act, either in person or by competent deputy, he
shall be guilty of a misdemeanor and liable to a penalty of three
hundred dollars, to be recovered by an action in the superior
court against the sheriff and his bondsmen. And if such officer
or deputy shall sell or assist in selling any real property, know-
ing the same not to be subject to taxation, or that the taxes fo
which the same is sold have been paid, or shall knowingly and
willingly sell or assist in selling any real property for payment of
taxes to defraud the owner of such real property, or shall know-
ingly or willingly execute a deed for property so sold, he shall be
liable to a fine of not less than one thousand nor more than three
thousand dollars, or to imprisonment not exceeding one year, or
to both fine and imprisonment, and to pay to injured party all
damages sustained by any such wrongful act, and all such sales
shall be void.

SEC. 55. If any sheriff shall hereafter be, either directly or in-
directly, concerned in the purchase of any real property sold for
the payment of taxes, he shall be liable to a penalty of not more
than one thousand dollars, to be recovered in an action in the

SEC. 56. When it becomes necessary to charge the tax on personal property against real property, the sheriff or collector shall select for that purpose some particular tracts or lots of real property owned by the person owing such personal property tax, and in his advertisement for sale shall designate the particular tracts or lots of real property against which such personal property tax is charged.

SEC. 57. The purchaser of any tract of land sold by the sheriff for taxes will be entitled to a certificate in writing describing the land so purchased, the sum paid and the time when the purchaser will be entitled to a deed, which certificate shall be signed by the sheriff in his official capacity, and shall be presumptive evidence of the regularity of all prior proceedings. The purchaser acquires a perpetual lien of the tax on the land, and if the taxes become delinquent he subsequently pays any taxes levied on the same, whether levied for any year or years previous or subsequent to such sale, he shall have the same lien for them and may add them to the amount paid by him in the purchase, and the treasurer of the county shall make out a tax receipt and duplicate for the taxes on the real estate mentioned in such certificate, the same as in other cases, and shall write thereon "sold for taxes." If any person shall become the purchaser of more than one parcel of property, he may have the whole included in one certificate, but each parcel shall be separately described, and the amount paid may be entered in gross in said certificate. Said certificate shall be substantially in the following form, to-wit:

And I further certify that unless redemption is made of said estate in the manner provided by law, the said ______, heirs or assigns, will be entitled to a deed therefor on and after the ___ day of ______, A. D. 18___, on surrender of this certificate.

In witness whereof, I have hereunto set my hand, this ___ day of _______, A. D. _____.

Sec. 58. The sheriff is authorized to demand fifty cents for each deed or certificate made by him on such sale, but any number of parcels of land bought by any one person may be included in one deed, as may be desired, by the purchasers; and whenever the sheriff makes a deed to any land sold for taxes he shall enter an account thereof in the sale book opposite the description of the land conveyed.

Sec. 59. The owner or occupant of any land sold for taxes, or any person having a lien or interest thereon, may redeem the same at any time within one year after the day of such sale by paying the sheriff for the use of such purchaser, his heirs or assigns, the sum mentioned in his certificate, with interest thereon at the rate of twenty per centum per annum from the date of purchase, together with all other taxes subsequently paid, whether for any year or years previous or subsequent to said sale, and interest thereon at the same rate from the date of such payment, and the sheriff shall enter a memorandum of the redemption in the list of sales and give a receipt therefor to the person redeeming the same, for which he may charge a fee of twenty-five cents, and shall hold the redemption money paid, subject to the order of the purchaser, his agent or attorney: Provided, that infants, idiots, and insane persons may redeem any land belonging to them from such sale within one year (after the expiration of such disability or like terms as if the redemption had been made within one year) from the date of said sale and from the date of each subsequent payment of taxes thereon at the rate of twenty per centum per annum on the several amounts so paid by the purchaser until redemption. Any redemption made shall inure to the benefit of the person having the legal or equitable title to the property redeemed, subject to the right of the person making the same to be reimbursed by the person benefited.

Sec. 60. If any purchaser of real estate sold for taxes under the provisions of this act shall suffer the same to be again sold for taxes before the expiration of the last day of the annual sale thereafter, such purchaser shall not be entitled to a deed for such real property until the expiration of a like term from the date of such sale, during which time the land shall be subject to redemption upon the terms and conditions prescribed in this chapter, but the person redeeming shall only be required to pay for the use of such first purchaser the amount paid by him, with interest at the rate of ten per centum per annum. The second purchaser shall be entitled to the amount paid by him with interest, as provided in the preceding section, and unless paid by the first purchaser, he shall forfeit his rights to a deed for said land.

SEC. 62. In every case of a partial redemption, pursuant to the last section, the quantity sold shall be reduced in proportion to amount paid on such partial redemption, and the sheriff shall convey accordingly.

SEC. 63. Hereafter no purchaser or assignee of such purchaser of any land, town or city lot, at any sale of lands or lots for taxes or special assessments due either to the state or any county or any incorporated, town or city within the same, or at any sale for taxes or levies authorized by the laws of this state, shall be entitled to a deed for the lands or lots so purchased until the following conditions have been complied with, to-wit: Such purchaser or assignee shall serve or cause to be served a written or printed, or partly written and partly printed, notice of such purchase on every person in actual possession or occupancy of such land or lot, and also the person in whose name the same was taxed or specially assessed, if upon diligent inquiry he can be found in the county, at least three months before the expiration of the time of redemption on such sale, in which notice he shall state when he purchased the land or lot, in whose name taxed, the description of the land or lot he has purchased, for what year taxed or specially assessed, and when the time of redemption will expire. If no person is in actual possession or occupancy of such land or lot, and the person in whose name the same was taxed or specially assessed upon diligent inquiry can not be found in the county, then such person or his assignee shall publish such notice in some newspaper published in such county, and if no newspaper is published in the county, then in the nearest newspaper that is published in this state or to the county seat of the county in which such land or lot is situated, which notice shall be inserted three times, the first not more than five months and the last time not less than three months before the time of redemption shall expire.

SEC. 64. Every such purchaser or assignee, by himself or agent, shall, before he shall be entitled to a deed, make an affidavit of his having complied with the conditions of the foregoing section, stating particularly the facts relied on as such compliance, which affidavit shall [be] presented to the person authorized by law to execute such tax deed, to be by such officer delivered to the register of deeds and entered on the records of his office and carefully preserved among the files of his office, and which record or affidavit shall be prima facie evidence that such notice had been given. Any person swearing falsely in such affidavit shall be deemed guilty of perjury and punished accordingly. The regis-
ter shall be entitled to the same fee therefor as allowed by law for recording deeds.

SEC. 65. In case any person shall be compelled to publish such notice in a newspaper, then, before any person who may have a right to redeem such land or lots from such sale shall be permitted to redeem, he shall pay the officer or person by whom the amount paid for printer’s fee for publishing such notice, for the use of the person compelled to publish such notice as aforesaid. The fee for such publication shall not exceed three dollars for such tract or lot contained in such notice.

SEC. 66. At any time within one year after the expiration of one year from the date of sale of any real estate for taxes, if the same shall not have been redeemed, the sheriff, on request, and on production of the certificate of purchase, shall execute and deliver to the purchaser, his heirs or assigns, a deed of conveyance for the real estate described in such certificate; and in case of the loss of any certificate, on being fully satisfied thereof by due proof, the sheriff may execute and deliver the proper conveyance:

Provided, when a sheriff or tax collector has made due sale of land for taxes and dies before executing a deed thereto, or when a sheriff or tax collector dies, and in collecting taxes due on lists that were in his hands for collection his executor or administrator or anyone acting for the sureties on his bond shall have made sale for taxes as contemplated by law in all such cases, his successors or the sheriff then in office shall be the proper person to execute a deed or conveyance to the person entitled to the same.

SEC. 67. The deed so made by the sheriff shall be recorded in the same manner as other conveyances of real estate, and shall vest in the grantee, his heirs and assigns, the title of the property therein described without further acknowledgment or evidence of such conveyance, and said conveyance shall be substantially in the following form:

State of North Carolina—county.

Whereas, at a sale of real estate for the non-payment of taxes, made in the county aforesaid, on the ___ day of ___, A. D. 18___, the following described real estate was sold, to wit: (Here place description of real estate conveyed); and,

Whereas, the same not having been redeemed from such sale, and it appearing that the holder of the certificate of purchase of said real estate has complied with the laws of North Carolina necessary to entitle (insert him, her or them) to a deed of said real estate: Now, therefore, know ye, that I. ___, sheriff of said county of ___, in consideration of the premises and by virtue
of the statutes of North Carolina in such cases provided, do hereby grant and convey unto ______ his heirs and assigns forever, the said real estate hereinbefore described, subject, however, to any redemption provided by law.

Given under my hand and seal, this ___ day of______, Anno Domini, 18__.  

___________, Sheriff.

Sec. 68. Deeds made by the sheriff as aforesaid shall be presumptive evidence in all courts of this state in all controversies and suits in relation to the rights of the purchaser, his heirs or assigns, to the lands thereby conveyed of the following facts:

1. That the real property conveyed was subject to taxation for the year or years stated in the deed.

2. That the taxes were not paid at any time before the sale.

3. That the real property conveyed had not been redeemed from the sale at the date of the deed.

4. That the property had been listed and assessed.

5. That the taxes were levied according to law.

6. That the property was sold for taxes, as stated in the deed.

7. That notice had been served and due publication had before the time of redemption had expired. And it shall be conclusive evidence of the following facts:

8. That the manner in which the listing, assessment, levy and sale were conducted was in all respects as the law directed.

9. That the grantee named in the deed was the purchaser or his assignee.

10. That all the prerequisites of the law were complied with by all the officers who had or whose duty it was to have had any part or action in any transaction relating to or affecting the title conveyed or purporting to be conveyed by the deed, from the listing and valuation of the property up to the execution of the deed, both inclusive, and that all things whatsoever required by law to make a good and valid sale and to vest the title in the purchaser were done, except in regard to the points named in this section, wherein the deed shall be presumptive evidence only. And in all controversies and suits involving the title of real property claimed and held under and by virtue of a deed made substantially as aforesaid by the sheriff, the person claiming title adverse to the title conveyed by such deed shall be required to prove, in order to defeat the said title, either that the said real property was not subject to taxation for the year or years named in the deed, that the taxes had been paid before the sale, that the property had been redeemed from the sale according to the provisions of this act and that such redemption was had or made for the use and benefit of persons having the right of redemption under the laws of this state, or that there had been an entire omis-
sion to list or assess the property, or to levy the taxes, or to sell the property; but no person shall be permitted to question the title acquired by a sheriff's deed without first showing that he or the person under whom he claims title had title to the property at the time of the sale, and that all taxes due upon the property have been paid by such person or the person under whom he claims title as aforesaid: Provided, that in any case where a person has paid his taxes, and through mistake in the entry made in the sheriff's books or in the receipts, the land upon which the taxes were paid was afterwards sold, the sheriff's deed shall not convey the title: Provided further, that in all cases where the owner of lands sold for taxes shall resist the validity of such tax title, such owner may prove fraud committed by the officer selling the same, or in the purchaser, to defeat the same, and if fraud is established such sale and title shall be void.

SEC. 69. When by mistake or wrongful act of the sheriff or other officer land has been sold on which no tax was due at the time, or whenever land is sold in consequence of error in describing such land in the tax receipt, the county is to hold the purchaser harmless by paying the amount of principal and costs paid, with eight per centum interest thereon, and the sheriff or other officer and their bondsmen will be liable to the county to the amount of their official bond; or the purchaser or his assignee may recover directly of the sheriff or other officer in an action brought to recover the same in any court having jurisdiction of the amount, and judgment shall be against him and his bondsmen, but the sheriff or other officer and their bondsmen shall be liable only for their own and deputies, acts, and any amount so paid by the county for state taxes shall, on proper certificate from the chairman of the board of county commissioners, be allowed by the auditor and paid by the state treasurer.

SEC. 70. Whenever it shall be made to appear to the satisfaction of the sheriff, either before the execution of a deed for real property sold for taxes, or if the deed be returned by the purchaser, that any tract or lot was sold which was not subject to taxation or upon which the taxes had been paid previous to the sale, he shall make an entry opposite such tract or lot on the record of sale that the same was erroneously sold, and such entry shall be evidence of the fact therein stated; and in such cases purchase money shall be refunded to the purchaser as provided by this act.

SEC. 71. No action for the recovery of real property sold for the non-payment of taxes shall lie unless the same be brought within three years after the sheriff's deed is made as above provided: Provided, that where the owner of such real property sold as aforesaid at the time of such sale be a minor or insane or convict

in the penitentiary, or under any other legal disability, three years after such disability shall be removed shall be allowed such person, his heirs or legal representatives, to bring action.

SEC. 72. In all suits and controversies involving the question of title to real property held under and by virtue of a sheriff's deed, all acts of assessors, sheriff, clerks, supervisors, commissioners and other officers de facto, shall be deemed and construed to be of the same validity as acts of officers de jure.

SEC. 73. No sale of real property for taxes shall be considered void on account of the same having been charged in any other name than that of a rightful owner if the said property be in other respects sufficiently described.

SEC. 74. The books and records belonging to the officers of the register or sheriff, or copies thereof properly certified, shall be deemed sufficient evidence to prove the sale of any real property for taxes, the redemption thereof or the payment of the taxes thereon.

SEC. 75. Irregularities in making assessments, and in making the returns thereof in the equalization of property as now provided by law, shall not invalidate the sale of any real estate when sold by the sheriff for delinquent taxes due thereon, nor in any manner invalidate the tax levied on any property or charged against any person.

SEC. 76. The following defects, omissions and circumstances occurring in the assessment of any property for taxation, or in the levy of taxes, or elsewhere in the course of the proceedings, the assessments, and to and including the execution and delivery of the deed of property sold for taxes, shall be taken and deemed to be mere irregularities within the meaning of the preceding section: The failure of the assessors to take or subscribe an oath or attach one to any assessment roll; the omission of a dollar mark or other designation descriptive of the value of figures used to denote an amount assessed, levied or charged against any property or the valuation of any property upon any record; the failure to make or serve any notice mentioned in this act; the failure or neglect of the sheriff to offer any real estate for sale for delinquent taxes thereon at the time mentioned in the advertisement or notice of such sale; and the failure of the sheriff to adjourn such sale from day to day, or any irregularity or informality in such adjournment, and any irregularity or informality in the manner or order in which real estate may be offered for sale; the failure to assess any property for taxes or to levy any tax within the time provided by law; and any irregularity, informality or omission in any such assessment or levy and defect in the description upon any assessment book, tax collector's book or other record, or real or personal property assessed for taxation, or upon which any taxes
are levied, or which may be sold for taxes, provided such description be sufficiently definite to enable the sheriff, tax collector or other officer, or any person interested, to determine what property is meant or intended by the description: and in such case a defective or indefinite description on the assessment or collector’s book, or in any notice or advertisement, may be made definite by the sheriff in the deed by which he may convey such property, if sold for taxes by conveying a proper and definite description of the property so defectively or indefinitely described; any other irregularity, informality or neglect or omission on the part of any or in any proceedings whether mentioned in this section or not; the neglect or omission to tax or assess for taxation any other person or property: the over taxation of persons or property liable to be taxed, including in an assessment a tax for an illegal purpose.

Sec. 77. That when any corporation doing business in this state shall fail or neglect to pay any taxes assessed or charged against it, when the same shall become delinquent, it shall be lawful for the sheriff to notify any agent or officer of said company in the county where such tax is delinquent that the same is delinquent and the amount due, and shall further notify such officer or agent to pay over all moneys that may be in his hands or that may afterwards come into his hands, belonging to such corporation, not exceeding the amount of tax due to such sheriff; and if such agent or officer shall fail to pay over said moneys to the sheriff, he shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not less than fifty dollars nor more than five hundred dollars. And if any corporation shall be delinquent for taxes for six months after they become due, its charter shall be forfeited and a receiver appointed by the clerk of the superior court to wind up the affairs of such corporation, upon suit brought by the attorney general if such corporation was chartered by the general assembly; and if by letters of incorporation issued from the clerk’s office, upon an affidavit made by the sheriff that he can not collect the taxes due, the letters shall be revoked and publication made to that effect, the cost of which shall be paid by the county.

Sec. 78. As often as once in three years he shall personally or by his deputy visit each domestic insurance company and thoroughly inspect and examine its affairs, especially as to its financial condition and ability to fulfill its obligations and whether it has complied with the laws. He shall also make an examination of any such company whenever he deems it prudent to do so, or upon the request of five or more of the stockholders, creditors, policyholders or persons pecuniarily interested therein, who shall make affidavit of their belief, with specifications of their reasons therefor, that such company is in an unsound condition. Whenever he deems it prudent for the protection of policy holders in this state he shall in like manner visit and examine or cause to be visited and examined by some competent person or persons he may appoint for that purpose, any foreign insurance company applying for admission or already admitted to do business by agencies in this state, and such company shall pay the proper charges incurred in such examination, including the expenses of the commissioner or his deputy and the expenses and compensation of his assistants employed therein. For the purposes aforesaid the commissioner or his deputy or persons making the examination shall have free access to all the books and papers of the insurance company that relate to its business, and to the books and papers kept by any of its agents, and may summon and qualify as witnesses under oath and examine the directors, officers, agents and trustees of any such company and any other persons, in relation to its affairs, transactions, and condition.

SEC. 14. If he is of opinion upon examination or other evidence that a foreign insurance company is in an unsound condition, or if a life insurance company, that its actual funds, exclusive of its capital, are less than its liabilities; or if a foreign insurance company, that it has failed to comply with the law, or if it, its officers or agents refuse to submit to examination or to perform any legal obligation in relation thereto, he shall revoke or suspend all certificates of authority granted to it or its agents, and shall cause notifications thereof to be published in one or more newspapers published in this state, and no new business shall thereafter be done by it or its agents in this state while such default or disability continues nor until its authority to do business is restored by the commissioner. If, upon examination, he is of opinion that any domestic insurance company is insolvent, or has exceeded its powers or has failed to comply with any provision of law, or that its condition is such as to render its further proceeding hazardous to the public or to its policy-holders, he shall revoke its license, and if he deems it necessary he shall apply to a judge of the superior court to issue an injunction restraining it in whole or in part from further proceeding with its business.
Such judge may in his discretion issue the injunction forthwith, or upon notice and hearing thereon, and after a full hearing of the matter may dissolve or modify such injunction or make it permanent, and may make all orders and decrees needful in the premises, and may appoint agents or receiver to take possession of the property and effects of the company and to settle its affairs subject to such rules and orders as the court may from time to time prescribe, according to the course of proceedings in equity.

Sec. 15. He shall, upon application, examine the proceedings of domestic companies to increase or reduce their capital stock and when found conformable to law, shall endorse certificates thereof, and shall issue certificates of authority to such companies to transact business upon such increase or reduced capital. He shall not allow stockholders' obligations of any description as part of the assets or capital of any stock insurance company which may hereafter be organized, unless the same are secured by a competent collateral.

Sec. 16. When legal process is served upon him as attorney for a foreign company, under the provisions of section sixty-two, he shall forthwith notify the company of such service by letter prepaid and directed to its secretary, or in the case of a foreign country, to its resident manager, if any, in the United States; and shall within two days after such service forward in the same manner a copy of the process served on him to such secretary or manager, or to such other person as may have been previously designated by the company by written notice filed in the office of the commissioner. As a condition of a valid and effectual service and of the duty of the commissioner in the premises, the plaintiff in such process shall pay to the insurance commissioner at the time of service thereof the sum of two dollars, which the said plaintiff shall recover as taxable costs if he prevails in his suit. The insurance commissioner shall keep a record of all such proceedings which shall show the day and hour of service.

General Deposits with the State Treasurer.

Sec. 17. The treasurer of the state in his official capacity shall take and hold in trust deposits made by any domestic insurance company for the purpose of complying with the laws of any other state to enable such company to do business in such state. The company making such a deposit shall be entitled to the income thereof, and may from time to time with the consent of the treasurer, when not forbidden by the law under which the deposit is made, change in whole or in part the securities which compose the deposit for other competent securities of equal par value. Upon request of any domestic insurance company the said treas-

urer may return to such companies the whole or any portion of the securities of such company held by him on deposit, when he shall be satisfied that the securities so asked to be returned are subject to no liability and not required to be longer held by any provision of law or purpose of the original deposit. And he may return to the trustees or other representatives authorized for that purpose of a foreign insurance company, any deposit made by such company when it shall appear that such company has ceased to do business in the state and is under no obligation to policyholders or other persons in the state for whose benefit such deposit was made. An insurance company which has made such deposit, or its trustees or resident managers in the United States, or the insurance commissioner, or any creditor of such company, may at any time bring in the superior court for the county of Wake a suit in equity against the state and other parties property [properly] joined therein, to enforce, administer or terminate the trust created by such deposit. The process in such suit shall be served on the treasurer of the state, who shall appear and answer in its behalf and perform such orders and decrees as the court may make thereupon.

Sec. 18. Every insurance company, foreign or domestic, shall conduct its business in the state in its own proper and corporate name, and the policies and contracts of insurance issued by it shall be headed or entitled only by its proper or corporate name. When any such company publishes its assets it shall in the same connection and with equal conspicuousness publish its liabilities computed on the basis allowed for its annual statements, and any publications purporting to show its capital shall exhibit only the amount of such capital as has been actually paid in cash.

NORTH CAROLINA OR "DOMESTIC COMPANIES," ORGANIZATIONS, ETC.

Sec. 19. The general provisions of law relative to the powers, duties and liabilities of corporations shall apply to all incorporated domestic insurance companies, so far as such provisions are pertinent and not in conflict with other provisions of law relative to such companies or with their charters. All insurance companies of this state may be governed by this act, anything in their special charters to the contrary notwithstanding, providing notice of the acceptance of said act is filed with the insurance commissioner.

Sec. 20. Domestic insurance companies incorporated by special acts, whose charters are subject to limitation of time, shall after such limitation expires continue to be bodies corporate, subject to all general laws applicable to such companies.

Sec. 21. No domestic insurance company shall issue policies
until upon examination of the insurance commissioner, his deputy or examiner, it is found to have complied with the laws of the state, nor until it has obtained from the insurance commissioner a certificate setting forth that fact and authorizing it to issue policies.

Sec. 22. Any such company may adopt by-laws for the conduct of its business not repugnant to law or to its charter, and therein provide for the division of its board of directors into two, three or four classes, and the election thereof at its annual meetings in such manner as that the members of one class only shall retire and their successors be chosen each year. Vacancies in any such class may be filled by election by the board for the unexpired term. Any such company may acquire and hold real estate for the convenient accommodation of its business at a cost not exceeding twenty-five per centum of its cash assets, and not otherwise, but may hold real estate under the conditions of any mortgage owned by it, or by purchase or set-off on execution, upon judgment for debts due it in the course of its legitimate business: Provided, that this shall not apply to any company which has already made investments in real estate in excess of the provisions of this section.

Sec. 23. No such company shall make any condition or stipulation in its insurance contracts concerning the court or jurisdiction wherein any suit thereon may be brought, nor shall they limit the time within which such suit may be commenced to less than one year after the cause of action accrues, and any such condition or stipulation shall be void.

Organized of Insurance Companies.

Sec. 24. Insurance companies may be formed as provided in section twenty-five for any one of the following purposes, to wit:

First. To insure against loss or damage to property by fire, lightning or tornado, use and occupancy, and for non-occupancy, upon the stock or mutual plan.

Second. To insure upon the stock or mutual plan, vessels, freights, goods, money, effects, and money lent on bottomry or respondentia against the perils of the sea and other perils usually insured against by marine insurance, including risks of inland navigation and transportation.

Third. To guarantee the fidelity of persons in positions of trust, private or public, and to act as surety on official bonds and for the performance of other obligations.

Fourth. To insure against loss or damage to property of the assured, or loss or damage to the life, person or property of another for which the assured is liable, caused by the explosion of steam boilers.
Insurance against bodily injury.  

Fifth. To insure any person against bodily injury or death by accident, or any person, firm or corporation against loss or damage on account of the bodily injury or death by accident of any person, for which loss or damage said person, firm or corporation is responsible.

Breakage of plate glass, etc.  

Sixth. To insure against the breakage of plate glass, local or in transit.

Damage by water.  

Seventh. To insure against loss or damage by water to any goods or premises arising or leakage of sprinklers and water pipes.

Accidents from elevators, etc.  

Eighth. To insure against loss or damage to property arising from accidents to elevators, bicycles and vehicles, except rolling stock of railways.

Credit insurance.  

Ninth. To carry on the business commonly known as credit insurance or guaranty, either by agreeing to purchase uncollectible debts or otherwise to insure against loss or damage from the failure of persons indebted to the assured to meet their liabilities.

Insurance by fire companies, subject insurable.  

All insurance companies authorized to transact fire insurance business in this state may, in addition to the business which they are now authorized by law to do, insure sprinklers, pumps and other apparatus erected or put in position for the purpose of extinguishing fires, against damage, loss or injury resulting from accidental causes other than fire; and also insure any property which such companies are authorized to insure against loss or damage by fire, against damage, loss or injury by water or otherwise, resulting from the accidental breaking off or injury to such sprinklers, pumps or other apparatus, arising from causes other than fire. Contracts of insurance of this kind, provided for in this paragraph, shall not be incorporated in any contract of insurance against loss or damage by fire, but shall be contained in separate and distinct policies, the conditions of which shall be prescribed by the insurance commissioner for the state.

Contracts of this nature may not be incorporated in certain instruments.

Procedures for incorporation.

Sec. 25. The procedure for organizing such a corporation shall be as follows: The proposed corporators, a majority of whom must be residents of the state and not less than ten, shall subscribe articles of association setting forth their intention to form a corporation; its proposed name, which must not so closely resemble the name of an existing corporation doing business under the laws of this state as to be likely to mislead the public, and must be approved by the insurance commissioner; the class of insurance it proposes to transact and on what business plan or principle; the place within the state of its location, and, if on the stock plan, the amount of its capital stock. The words “insurance company” must be a part of the title of any such corporation, and also the word “mutual,” if it is organized upon the mutual principle. The first meeting for the purpose of organization
shall be called by a notice signed by one or more of the subscribers to the articles of the association, stating the time, place and purpose of the meeting; a copy whereof shall, seven days at least before the appointed time, be given to each subscriber, or left at his usual place of business or residence, or duly mailed to his post office address. And whoever gives such notice shall make affidavit thereof, which shall include a copy of the notice and be entered upon the records of the corporation. At such first meeting, including any adjournment thereof, an organization shall be effected by the choice of a temporary clerk, who shall be sworn by the adoption of by-laws and by the election of directors and such other officers as the by-laws may require; but at such first meeting no person shall be elected director who has not signed the articles of association. The temporary clerk shall record the proceedings until and including the choice and qualification of the secretary. The directors so chosen shall elect a president, secretary and other officers which under the by-laws they are so authorized to choose. The president, secretary and a majority of the directors, shall forthwith make, sign and swear to a certificate setting forth a copy of the articles of association, with the names of the subscribers thereto, the date of the first meetings and of any adjournments thereof, and shall submit such certificate and the records of the corporation to the insurance commissioner, who shall examine the same, and who may require such other evidence as he may deem necessary. The insurance commissioner, if it appears that the requirements of the law as herein have been complied with, shall certify the fact and his approval of the certificate, by endorsement thereon. Such certificate shall thereupon be filed by said officers in the office of the secretary of state, who, upon payment of a fee of twenty-five dollars, shall cause the certificate with the endorsement thereon to be recorded, and shall issue a certificate in the following form:

State of North Carolina.

Be it known that whereas (here the names of the subscribers to the articles of association shall be inserted) have associated themselves with the intention of forming a corporation under the name of (here the name of the corporation shall be inserted), for the purpose (here the purpose declared in the articles of association shall be inserted), with a capital (or with a permanent fund) of (here the amount of capital or permanent fund fixed in the articles of association shall be inserted) and have complied with the provisions of the statute of this state in such case made and provided, as appears from the certificate of the president, secretary and directors of said corporation, duly approved by the insurance commissioner and recorded in this office: Now, therefore, I,
(here the name of the secretary shall be inserted), secretary of the state of North Carolina, do hereby certify that said (here the names of the subscribers to the articles of association shall be inserted), their associates and successors, are legally organized and established as, and are hereby made an existing corporation under the name of (here the name of the corporation be inserted), with the powers, rights and privileges and subject to the duties, liabilities and restrictions which by law appertain thereto.

Witness my official signature hereunto subscribed, and the seal of the state of North Carolina hereunto affixed this the _____ day of ______, in the year ____ (in these blanks the day, month and year of execution of this certificate shall be inserted; and in the case of purely mutual companies, so much as relates to capital stock shall be omitted).

The secretary shall sign the same and cause the seal of the state to be thereto affixed, and such certificate shall have the force and effect of a special charter and be conclusive evidence of the organization and establishment of such corporation. He shall also cause a record of such certificate to be made, and a certified copy of such record may be given in evidence with the like effect as the original certificate.

**Amount of Capital.**

Sec. 25. No corporation so formed shall transact any other business than that specified in its charter and articles of association. Companies to insure plate glass may organize with a capital of not less than ten thousand dollars. Companies so formed insuring marine risks or inland risks upon the stock plan shall have a capital of not less than twenty-five thousand dollars. Companies for the purpose of transacting fire insurance on the stock plan, of fidelity insurance, of accident insurance, of steam boiler insurance, or for the transaction of the business authorized under the seventh, eighth and ninth paragraph of section twenty-four of this act, shall have a capital of not less than fifty thousand dollars. Companies may be so formed to insure mechanics' tools and apparatus against loss by fire for an amount not exceeding two hundred and fifty dollars in a single risk, with a capital of not less than ten thousand dollars, divided into shares of the par value of ten dollars each.

**Payment and Investment of Capital.**

Sec. 27. The capital stock shall be paid in cash within twelve months from date of charter or certificate of organization, and no certificate of full shares and no policies shall be issued until the whole capital is paid in. A majority of the directors shall certify
on oath that the money has been paid by the stockholders for their respective shares and the same is held as the capital of the company, invested or to be invested as required by this section. Such capital shall be invested only as follows:

First. In first mortgages of real estate in this state.

Second. In bonds of the United States or of any of the states whose bonds do not sell for less than par.

Third. In the bonds or notes of any city, county or town of this state whose net indebtedness does not exceed five per cent of the last preceding valuation of the property therein for purposes of taxation. The term "net indebtedness" excludes any debt created to provide a supply of water for general domestic use, and allows credit for the sinking fund of a county, city, town or district, available for the payment of its indebtedness.

**Impairment, Increase and Reduction of Capital.**

**Sec. 28.** When the net assets of a company do not amount to more than three-fourths of its original capital, it may make good its capital to the original amount by assessment of its stock. Shares on which such an assessment is not paid within sixty days after demand shall be forfeitable, and may be cancelled by vote of the directors, and new shares issued to make up the deficiency. If such company shall not within three months after notice from the insurance commissioner to that effect make good its capital as aforesaid, or reduce the same as allowed by section ..., its authority to transact new business of insurance shall be revoked by said commissioner.

**Sec. 29.** Any such company may issue pro rata to its stockholders certificates of any portion of its actual net surplus it may deem fit to divide, which shall be deemed to be an increase of its capital to the amount of such certificates. And such company may, at a meeting called for the purpose, vote to increase the amount and number of shares of its capital stock, and to issue certificates thereof when paid in full. In whichever mode the increase is made, the company shall within thirty days after the issue of such certificates, submit to the insurance commissioner a certificate setting forth the amount of the increase and the facts of the transaction, signed and sworn to by its president and secretary and a majority of its directors. If the insurance commissioner finds that the facts conform to the law he shall endorse his approval thereof; and upon filing such certificate so endorsed with the secretary of state, and the payment of a fee of five dollars for filing the same, the company may transact business upon the capital as increased, and the insurance commissioner shall issue his certificate to that effect.

**Sec. 30.** When the capital stock of a company is impaired, such
When capital stock is impaired amount may be reduced.

Certificate of reduction shall be submitted to commissioner.

Commissioner shall examine facts and endorse.

Fee for filing.

Company may require return of original certificates of stock.

Dividends shall only be declared from actual net surplus.

When fire insurance policies may be issued.

President and secretary shall certify to subscription.

Company may, upon a vote of the majority of the stock represented at a meeting legally called for that purpose, reduce its capital stock and the number of shares thereof to an amount not less than the minimum sum required by law. But no part of its assets and property shall be distributed to its stockholders. Within ten days after such meeting the company shall submit to the insurance commissioner a certificate setting forth the proceedings thereof and the amount of such reduction and the assets and liabilities of the company, signed and sworn to by its president, secretary and a majority of its directors. The insurance commissioner shall examine the facts in the case, and if the same conform to law and in his judgment the proposed reduction may be made without prejudice to the public, he shall endorse his approval upon the certificate. Upon filing the certificate so endorsed with the secretary of state and paying a fee of five dollars for the filing thereof, the company may transact business upon the basis of such reduced capital as though the same were its original capital, and its charter shall be deemed to be amended to conform thereto, and the insurance commissioner shall issue his certificate to that effect. Such company may by a majority vote of its directors, after such reduction, require the return of the original certificates of stock held by each stockholder in exchange for new certificates it may issue in lieu thereof for such number of shares as each stockholder is entitled to in the proportion that the reduced capital bears to the original capital.

Sec. 31. No stock company shall make a dividend, either in cash or stock certificate, except from its actual net surplus computed as required by law in its annual statements, nor shall any company which has ceased to do new business of insurance divide any portion of its assets, except surplus to its stockholders, until it shall have performed or cancelled its policy obligation.

Mutual Fire Companies.

Sec. 32. No policy shall be issued by a purely mutual fire insurance company hereafter organized, nor by a mutual fire insurance company with a guaranty capital of less than fifty thousand dollars, until not less than two hundred thousand dollars of insurance, in not less than two hundred separate risks upon property located in North Carolina, has been subscribed for and entered on its books. But no policy shall be issued under this section until the president and the secretary of the company shall have certified under oath that each and every subscription for insurance in the list presented to the insurance commissioner for approval is genuine and made with an agreement with each and every subscriber for insurance that he will take the policies subscribed for by him within thirty days of the granting of a license.
to the company by the insurance commissioner to issue policies. For taking a false oath in respect to such certificates such officers shall be deemed guilty of the crime of perjury, and be subject to the legal penalties therefor. No officer or other person whose duty it is to determine the character of the risks, and upon whose decision the application shall be accepted or rejected by a mutual fire insurance company, shall receive as any part of his compensation a commission upon the premiums, but his compensation shall be a fixed salary and such share in the net profits as the directors may determine. Nor shall such officer or person afore-said be an employee of any officer or agent of the company.

**Members and Election.**

Sec. 33. Every person insured by a mutual fire insurance company shall be a member while his policy is in force, entitled to one vote for each policy he holds, and shall be notified of the time and place of holding its meetings by a written notice or by an imprint upon the back of each policy, receipt or certificate of renewal, as follows, to-wit:

The assured is hereby notified that by virtue of this policy he is a member of the _____ insurance company, and that the annual meetings of said company are held at its home office on the _____ day of _____, in each year at _____ o’clock.

The blanks shall be duly filled in print, and the same shall be deemed a sufficient notice. A corporation which becomes a member of such company may authorize any person to represent it in such company, and such representative shall have all the rights of an individual member. Any person holding property in trust may insure the same in such company, and as such trustee assume the liability and be entitled to the rights of a member, but shall not be personally liable upon such contract of insurance. Members may vote by proxies, dated and executed within three months, and returned and recorded on the books of the company three days or more before the meeting at which they are to be used: but no person shall be allowed as proxy or otherwise to cast more than twenty votes. Every such company shall elect by ballot a board of not less than seven directors, who shall manage and conduct its business and who shall hold office for one year or for such terms as the by-laws may provide and until their successors are qualified. Two-thirds of at least the directors shall be citizens of the state, and after the first election members only shall be eligible, but no director shall be disqualified from serving the term he was chosen for by reason of the expiration or cancellation of his policy: Provided, that in companies with a guaranty capital one-half of the directors shall be chosen by and from the stockholders.
Companies with a Guaranty Capital.

Section 34. A mutual fire insurance company may be formed as provided in section thirty-two, or a mutual fire insurance company now existing may establish a guaranty capital of not less than twenty-five thousand dollars nor more than two hundred thousand dollars, divided into shares of one hundred dollars each, which shall be invested in the same manner as is provided for the investment of the capital stock of certain insurance companies by section twenty-seven of this act. The stockholders of the guaranty capital of a company shall be entitled to a semi-annual dividend of not more than three and one-half per centum on their respective shares of the net profits or unused premiums left after all expenses, losses and liabilities then incurred, together with the reserve for reinsurance, as provided for, shall be sufficient to pay the same. The guaranty capital shall be applied to the payment of losses only when the company has exhausted its cash in hand, and the invested assets, exclusive of uncollected premiums, and when thus impaired, the directors may make good the whole or any part of it by assessments upon the contingent funds of the company at the date of such impairment. Shareholders and members of such companies shall be subject to the same provisions of law in respect to their right to vote as apply respectively to shareholders in stock companies and policy-holders in purely mutual companies; and such guaranty capital shall be retired when the permanent fund of the company equals two per centum of the amount insured upon all policies in force; and said guaranty capital may be reduced or retired by vote of the policy-holders of the company and the assent of the insurance commissioner: Provided, the net assets of the company above its reinsurance reserve and all other claims and obligations, exclusive of guaranty capital, for two years immediately preceding and including the date of its last annual statement, shall not be less than twenty-five per centum of the guaranty capital. Due notice of such proposed action on the part of the company shall be mailed to each policy-holder of the company not less than thirty days before the meeting when such action may be taken and shall also be advertised in two papers of general circulation, approved by the insurance commissioner, not less than three times a week for a period of not less than four weeks before said meeting. No insurance company with a guaranty capital, which has ceased to do new business, shall divide to its stockholders any part of its assets or guaranty capital except income from investments until it shall have performed or cancelled its policy obligations.
DIVIDENDS AND ASSESSMENTS.

Sec. 35. The directors of any mutual fire insurance company may from time to time by vote fix and determine the amount to be paid as a dividend upon policies expiring during each year. Each policy-holder shall be liable to pay his proportional share of any assessments which may be laid by the company in accordance with law and his contract on account of losses incurred while he was a member: Provided, he is notified of such assessments within one year after the expiration of his policy. Any mutual fire insurance company doing business with a fixed annual premium may in its by-laws and policies fix the contingent liability of its members for the payment of losses and expenses not provided for by its cash funds: Provided, that such contingent liability of a member shall not be less than a sum equal to five times the cash premiums written in his policy and in addition thereto. The total amount of the liability of the policy-holder shall be plainly and legibly stated upon the back of each policy. Whenever any reduction is made in the contingent liability of members, such reduction shall apply proportionally to all policies in force.

Assessments.

Sec. 36. Whenever a mutual fire insurance company is not possessed of cash funds above its reinsurance reserve sufficient for the payment of insured losses and expenses, it shall make an assessment for the amount needed to pay such losses and expenses upon its members liable to assessment therefor in proportion to their several liability. The company shall cause to be recorded in a book kept for that purpose the order for such assessment, together with a statement which shall set forth the condition of the company at the date of the order, the amount of its cash assets and of its deposit, notes or other contingent funds liable to the assessment, the amount the assessment calls for and the particular losses or liabilities it is made to provide for. Such record shall be made and signed by the directors who voted for the order before any part of the assessment is collected, and any person liable to the assessment may inspect and take a copy of the same.

Sec. 37. When by reason of depreciation or loss of its funds or otherwise the cash assets of such a company, after providing for its other debts, are less than the required premium reserve upon its policies, it shall make good the deficiency by assessment in the mode provided in the preceding section; and if the directors are of the opinion that the company is liable to become insolvent they may, instead of such assessment, make two assessments; the first determining what each policy-holder must equitably pay or
receive in case of withdrawal from the company and having his policy cancelled; the second, what further sum each must pay in order to reinsure the unexpired term of his policy at the same rate as the whole was insured at first. Each policy holder shall pay or receive according to the first assessment, and his policy shall be cancelled unless he pays the sum further determined by the second assessment, in which case his policy shall continue in force; but in neither case shall a policy holder receive or have credited to him more than he would have received on having his policy cancelled by vote of the directors under the by-laws.

**Real Estate Title Insurance.**

SEC. 38. Companies may be formed in the manner provided in this chapter, with a capital of not less than fifty thousand dollars nor more than two hundred and fifty thousand dollars for the purpose of examining titles to real estate, of furnishing information in relation thereto, and of insuring owners and others interested therein against loss by reason of incumbrances and defective title. Such companies shall not be subject to the provisions of this chapter except as regards the manner of their formation and as follows. to-wit: Any such corporation, before it shall issue any policy or make any contract or guarantee of insurance, shall file with the insurance commissioner a certified copy of the record or the certificate of its organization in the office of the secretary of state, and shall obtain from the insurance commissioner his certificate that it has complied with the laws applicable to it and is authorized to do business. Every such corporation shall, on or before the thirteenth day of January of each year, file in the office of the insurance commissioner a statement such as he may require of its condition and of its affairs for the year ending on the preceding thirty-first day of December, signed and sworn to by its president or secretary or treasurer and one of its directors, and for neglect to file such annual statements or for making a willfully false statement shall be liable to the same penalties as are imposed upon insurance companies. The insurance commissioner shall have the same power and authority to visit and examine such corporations as he has in the case of domestic insurance companies, and the duties and liabilities of such corporations and their agents in reference to such examinations shall be the same as those of domestic insurance companies.

**Fire Insurance.**

SEC. 39. No insurance company shall knowingly issue any fire insurance policy upon property within this state for an amount which together with any existing insurance thereon exceeds the fair value of the property nor for a longer term than seven years.
SEC. 40. When buildings insured against loss by fire and situated within this state are totally destroyed by fire, the company shall not be liable beyond the actual cash value of the insured property at the time of the loss or damage; and if it shall appear that the insured has paid premium on a sum in excess of said actual value, the assured shall be reimbursed the proportionate excess of premium paid on the difference between the amount named in the policy and the ascertained values, with interest at six per centum per annum from the date of issue. Every insurance company transacting business in this state shall, upon receiving notice of loss by fire of property in North Carolina, on which it is liable under a policy of insurance, forthwith notify the insurance commissioner thereof, and no insurance upon any such property shall be paid by any company until one week after such notification.

SEC. 41. Where by an agreement with the assured or by the terms of a fire insurance policy taken out by a mortgagor, the whole or any part of the loss thereon is payable to a mortgagee or mortgagees of the property for their benefit, the company shall, upon satisfactory proof of the rights and title of the parties, in accordance with such terms or agreement, pay all mortgagees protected by such policy in the order of their priority of claim, as their claims shall appear, not beyond the amount for which the company is liable, and such payments shall be to the extent thereof, payment and satisfaction of the liabilities of the company under such policy.

SEC. 42. In all insurance against loss by fire the conditions of insurance shall be stated in full, and the rules and by-laws of the company shall not be considered as a warranty or a part of the contract, except so far as they are incorporated in full into the policy.

STANDARD FORM OF FIRE INSURANCE POLICY.

SEC. 43. No fire insurance company shall issue fire insurance policies on property in this state other than those of the standard form filed in the office of the insurance commissioners of the state, known and designated as the standard fire insurance policy of the state of North Carolina, except as follows:

(a) A company may print on or in its policies its name, location and date of incorporation, the amount of its paid-up capital stock, the names of its officers and agents, the number and date of the policy, and if it be issued through an agent, the words, "This policy shall not be valid until countersigned by the duly authorized manager or agent of the company at ....", and after the words "standard fire insurance policy of the state of North Carolina," on the back of the form, the names of such other states as have adopted this standard form.

The schedule containing rates fixed by said commission shall in suits brought against any such company wherein is involved the charges of any such company for the transportation of any passenger or freight or cars or unjust discrimination in relation thereto be taken in all courts of this state as prima facie evidence that the rates therein fixed are just and reasonable rates of charges for the transportation of passengers and freights and cars upon the railroads; and said commission shall from time to time and as often as circumstances may require change and revise or cause to be changed and revised said schedules. When any schedule shall have been made or revised as aforesaid it shall be the duty of all such companies to post at all their respective stations in a conspicuous place a copy of said schedule for the information of the people. All such schedules as aforesaid shall be received and held in all such suits as prima facie evidence the schedules of said commission, without further proof than the production of the schedules desired to be used as evidence, with a certificate of the clerk of the commission that the same is a true copy of the schedule prepared or approved by them for the railroad company or corporation therein named: Provided, that any company may appeal to the judge of the superior court in term time and thence to the supreme court from any determination of the commission fixing or refusing to change the rate of freight or fare; but that before such company shall be allowed to exercise this right of appeal it shall within ten days after notice of the rates fixed by the commission file with the commission exceptions to the particulars that it objects to and the grounds thereof, and within ten days after filing such exception the commission shall hear the same, and if they shall overrule any one of said exceptions then such corporation, if it desires to appeal to said superior court, shall within ten days thereafter give notice of appeal to said superior court, and the said commission shall thereupon transmit to the superior court of some county most convenient to all parties interested in said appeal a record of their determinations of the rates of said corporation with the exception of the company and their decisions thereon, and all the
papers and evidence considered by them in making their decision. The said cause shall be placed on the civil issue docket of said court and shall have precedence of other civil actions, and shall be tried under the same rules and regulations as are prescribed for the trial of other civil causes, except that the rates fixed by the commission shall be prima facie just and fair: Provided, the appeal may by consent of the commission and the company be heard and determined in chambers before any judge of a district through or into which the railroad may extend or any judge holding court therein. The cause shall be entitled "State of North Carolina on the relation of the North Carolina Corporation Commission against such company." Either party may appeal to the supreme court from the judgment of the superior court under the same rules and regulations as prescribed by law for appeal, except that the state of North Carolina if it shall appeal shall not be required to give an undertaking or make any deposits to secure the cost of such appeal, and such court may allow the cause on their docket so as to give the same a speedy hearing: Provided, that the rates of freight and fare fixed by the commission shall be and remain the established rates and shall be so observed and regarded by such corporations until the same shall be changed, reversed or modified by the judgment of the superior court, unless the railroad company shall within fifteen days file with said commission a justified undertaking (in a sum to be fixed by said commission), conditioned to pay into the treasury of North Carolina the difference between the aggregate freights charged or received and those fixed by said commission and to make a report of freights charged or received every three months during the pendency of such appeal, and whenever the aforesaid difference in freights equals or exceeds the penalty of such undertaking or undertakings said commission may require another to be executed and filed with them. From the time the undertaking first mentioned is filed as aforesaid the judgment appealed from shall be vacated, but a failure for ten days to file any additional undertaking required as aforesaid by said commission shall eo instanti revive such judgment. Out of the funds paid into said treasury under this section shall be refunded to shippers the overpaid freight ascertained by the final determination of the appeal on the recommendation of said commission: Provided, application therefore is made within one year from such final determination. Said undertaking shall be payable to the state of North Carolina and sued on as other undertakings which are payable to said state: And provided further, that such rates fixed by the commission when approved or confirmed by the judgment of the superior court shall be and remain the established rates and shall be so observed and regarded by such cor-
poration until the same shall be changed, revised or modified by the final judgment of the supreme court if there shall be an appeal thereto. No judge shall grant an injunction, restraining order or other process staying or affecting during the pending of such appeal the enforcement of any such determination of the said North Carolina Corporation Commission fixing rates or fares without requiring as a condition precedent the executing and filing with said North Carolina Corporation Commission a justified undertaking in the sum of not less than twenty-five thousand dollars for all companies whose road is of less length than fifty miles and fifty thousand dollars for companies whose road is over fifty miles in length, conditioned that the company will make and file with the said North Carolina Corporation Commission a sworn statement every three months during the pending of said appeal of the items of freight, with names of shippers, carried over said company's road within the preceding ninety days, showing the freight charged and those fixed by the said North Carolina Corporation Commission; and that in the event the determination of the said North Carolina Corporation Commission appealed from is affirmed in part or in whole the said company shall within thirty days pay into the treasury of North Carolina the aggregate difference between the freights collected and those fixed by the final determination of the matter appealed. Whenever the aggregate difference between the freights collected and those fixed by the North Carolina Corporation Commission shall equal or exceed the sum specified in said undertaking the said North Carolina Corporation Commission shall notify the appellant or appellants that another justified undertaking in like sum and with the same conditions as aforesaid is required to be executed and filed with the said North Carolina Corporation Commission. A failure to file with the said North Carolina Corporation Commission the sworn statement provided for in this section, or any one of them when more than one is required or asked for, or a failure to give an additional undertaking when required within fifteen days from notice so to do, shall vacate and render null and void any restraining order, injunction or other process to stay the enforcement of any determination of the said North Carolina Corporation Commission as to schedules of rates, etc. When any of the conditions of such undertaking or undertakings are broken the said undertaking or undertakings may be sued on and enforced in the name of the state of North Carolina on the relation of the attorney-general by summons returnable to the superior court of any county in the state at a regular term thereof. In cases where the sworn statements herein required to be made are not made the whole penalty of the undertaking or undertakings shall be enforced and paid into the state treasury. The sum
paid into the treasury under the provisions of this section shall be used to reimburse the shippers of freights for the excess of freights paid over what should have been paid, such reimbursements to be made on recommendation of the said North Carolina Corporation Commission: Provided, application therefor is made within one year after the determination of the appeal in which the undertaking or undertakings were given. The recovery in each undertaking shall be applied as aforesaid to such excess of freights as is paid during the period covered by such undertaking. The solicitor of the district shall prosecute the action in his court on behalf of the state, and shall be allowed such fees, to be taxed in the bill of costs, as the court may order; and the attorney-general shall prosecute on appeal to the supreme court on behalf of the state and shall be allowed such fees, to be taxed in the bill of costs, as the court shall allow. Section three thousand seven hundred and thirty eight of The Code regulating fees shall apply as far as applicable to clerk of this commission. Each railroad corporation or other company as hereinbefore named shall within thirty days after the organization of the commission file with said commission a schedule of their rates of charges for freight and passenger tariffs, and the said commission is authorized and required to publish the said rates or a summary thereof in some convenient form for the information of the public and quarterly thereafter the changes made in said schedules if they deem it advisable.

The General Assembly of North Carolina do enact:

SECTION 1. The overseer may resign after twelve months: Provided, his road shall be in good repair, and the board of supervisors shall so find; any overseer so resigning and whose resignation has been accepted by the board shall not without his consent be again appointed overseer until after the expiration of two years from the date of his resignation. SEC. 33. Cartways laid off according to the provisions of this chapter may be changed or discontinued upon application by
any person concerned, under the same rules and proceedings as they were first laid off and upon such terms as to the board of supervisors may seem equitable and just, and any person through whose lands a cartway may pass may erect gates across the same, and if any person shall leave open, break down or otherwise injure such gates he shall forfeit and pay for every such offense ten dollars to the person erecting the same or his assigns of the land, and if the offense shall be willfully and wantonly done he shall be guilty of a misdemeanor.

Nor shall any of said officers, agents, managers, teachers or employees of said institution or school or state or county officer act as agent for any manufacturer, merchant, dealer, publisher or author for any article of merchandise to be used by any of said institutions or schools; nor shall they receive, directly or indirectly, any gift, emolument, reward or promise of reward for their influence in recommending or procuring the use of any manufactured article, goods, wares or merchandise of any nature or kind whatsoever to any of the said institutions or schools. Any person violating the provisions of this act shall be forthwith removed from his position in the public service, and shall upon conviction be deemed guilty of a misdemeanor and fined not less than fifty dollars nor more than five hundred dollars and be imprisoned in the discretion of the court.

Sec. 74. The text-books used for the instruction to be given in the preceding section for primary and intermediate grades shall give at least one-fourth of their space to the consideration of the nature and effect of alcoholic drinks and narcotics, and the text-books used in the higher grades of the public schools shall give at least twenty pages to the consideration of this subject. No certificate to teach in the public schools of this state shall hereafter be granted to any applicant who has not passed a satisfactory examination in the study of the nature of alcoholic drinks and narcotics, and of their effect upon the human system, in connection with the several divisions of the subject of relative physiology and hygiene. It shall be the duty of the proper officers in control of any school described in the first section of this act, to enforce the provisions of this act, and any such officer, school director, committee, superintendent, or teacher who shall refuse or neglect to comply with the requirements of this act, or shall neglect or fail to make proper provisions for the instruction required and in the manner specified by this act for all pupils in each and every school under his control and supervision shall be removed from office, and the vacancy filed as in other cases.

Sec. 75. The state board of education shall elect biennially a state board of examiners, who shall consist of three professional teachers, and the state superintendent of public instruction shall be in office the chairman of the said board. The state board of school examiners shall prepare and recommend to the public school teachers of the state, through the several county superintendents of schools, a course of reading and professional study for teachers, and such outline of methods of teaching and school government as may, in its judgment, be helpful in school-room work, and perform such other duties as are hereinafter provided. The state board of school examiners shall have power to grant first-grade life certificates, which may be used in any county in the state, and shall furnish to the public, through the several county superintendents of schools, at least one month before the regular annual county examination of teachers, full information as to the nature and character of the requirements for such first-grade life certificates. It shall annually prepare and furnish to the several county superintendents of schools a set of examination questions covering subjects required by law to be taught in the public schools of the state, which shall be submitted at the regular annual county examination of teachers in July to all applicants for a first-grade life certificate, under such rules and regulations as
the state board of school examiners may prescribe. The state board of school examiners shall examine and grade the papers of all applicants for a first-grade life certificate, and shall issue said certificate to such applicants as are properly qualified and justly entitled thereto, and all examination papers of applicants to whom first-grade life certificates shall have been granted under this act shall be kept on file in the office of the state superintendent of public instruction: Provided, that each applicant for a first-grade life certificate shall pay in advance to the county superintendent of schools the sum of five dollars, which shall be reported to the county board of school directors and be paid into the general school fund of the county: Provided further, that every first-grade life certificate, to continue valid and operative, shall be renewed by the state board of school examiners every five years, and before said board shall renew said certificate, it shall be accompanied with an affidavit of the teacher holding said certificate that he or she has been actually engaged in teaching school since receiving said certificate, or since its last renewal, and no charge shall be made for such renewal. The meetings of the state board of school examiners shall be held at the call of the state superintendent of public instruction, and the members shall receive no compensation other than their travelling expenses and board while attending upon their official duties, an itemized statement of which shall be kept in the books of the state superintendent of public instruction. Said board shall prepare a course of study for the colored normal schools of the state. One member of said board of examiners shall visit each of said schools annually, inspect the work and report in writing to the board.

SEC. 76. In every incorporated city or town of not less than one thousand inhabitants in which there is not now levied a special tax for schools, upon a petition signed by one-third of the freeholders therein, the board of aldermen or town commissioners of said city or town, shall, at the date of the municipal or general election next ensuing the presentation of said petition, order an election to be held to ascertain the will of the people whether there shall [be] levied in such city or town a special annual tax of not more than thirty cents on the one hundred dollars valuation of property and ninety cents on the poll to supplement the public school fund in such city or town. Said election shall be held in the different election precincts or wards under the law governing municipal or general elections in said cities or towns. At said election those who are in favor of the levy and collection of said tax shall vote a ticket on which shall be printed or written the words "For special tax," and those who are opposed shall vote a ticket on which shall be printed or written the words "Against special tax." In case a majority of the qualified voters at said
election is in favor of said tax the same shall be annually levied and collected in such city or town in the manner prescribed for the levy and collection of other city taxes: Provided, that all moneys levied under the provisions of this section shall, upon collection, be placed to the credit of the town school committee composed of not less than five nor more than seven members appointed by the board of aldermen for said city or town, and shall be, by said committee, expended exclusively upon the public schools in said city or town: Provided further, that there shall be but one school district in the said city or town in which there may be established one or more schools for each race, and the school committee shall apportion the money among said schools in such manner as in their judgment will equalize school facilities.

SEC. 77. In every township in which there is not now levied a special tax for schools upon a petition signed by one-third of the freeholders therein, the board of county commissioners shall order an election at such time as they may deem expedient within not less than thirty days nor more than ninety days from the presentation of the petition, to be held to ascertain the will of the people whether there shall be levied in such township a special annual tax of not more than thirty cents on one hundred dollars valuation of property and ninety cents on the poll to supplement the public schools of such township. Said election shall be held in the various election precincts therein as prescribed in the law for general elections. At said election those who are in favor of the levy and collection of said tax shall vote a ticket on which shall be printed or written the words "For special tax," and those who are opposed shall vote a ticket on which shall be printed or written the words "Against special tax." In case a majority of the qualified voters at said election is in favor of said tax, the same shall be annually levied and collected in the manner prescribed for the levy and collection of other taxes: Provided, that all moneys levied under the provisions of this act shall, upon collection, be placed to the credit of the township school Trustees in said township, and said trustees shall apportion the money so raised among the schools in said township in such manner as in their judgment shall equalize school facilities: Provided further, that the people in any township in which is situated a city or town of more than one thousand inhabitants shall be given the same privilege accorded in this section to the people of other townships, and may proceed without regard to the action of the people in said cities or towns: Provided further, that no election under this section shall be held oftener than once in two years, and no election under this section shall be held within ninety days immediately preceding a general state election.
SEC. 78. The provisions of this act shall not apply to any town- 
ship, city or town now levying a special tax for schools and oper-
atting under special laws or charters, or to schools operating un-
der section forty-seven, chapter one hundred and ninety-nine, 
laws of eighteen hundred and eighty-nine: school districts in any 
city or town now operating under section forty-seven, chapter one 
hundred and ninety-nine, laws of eighteen hundred and eighty-
ine, are hereby continued, and all vacancies in the school com-
mittee therein shall be filled by the county board of school direct-
ors, and if said district comprises a township, there shall not be 
appointed township school trustees for said township, and all 
apportionment shall be made directly to the committee of said 
districts.

SEC. 79. Section forty-seven, chapter one hundred and ninety-
ine, laws of eighteen hundred and eighty-nine, is hereby 
amended by striking out the words "by and with the consent of 
the county board of education."

SEC. 80. That the county board of school directors in the se-
veral counties shall adopt a series of text-books, which shall be 
used in the public schools of their respective counties for a term 
of three years: the said adoption herein provided for shall occur 
at the meeting of said board of school directors on the first Mon-
day in June, nineteen hundred and one, and every three years 
thereafter, and at no other time: Provided, that no sectarian or 
political books shall be used in the public schools; And provided 
further, that the text-books now prescribed and in use in said 
schools shall not be changed, nor the price of the same raised, 
prior to said date, and that the list of such books, and the price 
for the same as now recorded upon the minutes of the county 
board of education, and any list of books hereafter adopted un-
der the provisions of this law, and the prices of the same, shall 
be recorded upon said minutes for the inspection of the public: 
Provided, that county board of school directors shall cause the 
names and prices of all public school books to be printed on card-
board and kept posted in each and every public school house.

SEC. 81. That all laws and clauses of laws in conflict with the 
provisions of this act shall be and the same are hereby repealed.

SEC. 82. That this act shall be in force from and after its ratifi-
cation.

Ratified the 7th day of March, A. D. 1899.
An act relating to negotiable instrument law and making the same uniform.

The General Assembly of North Carolina do enact:

SECTION 1. Be it enacted, etc., an instrument to be negotiable must conform to the following requirements:

1. It must be in writing and signed by the maker or drawer.
2. Must contain an unconditional promise or order to pay a sum certain in money.
3. Must be payable on demand or at a fixed or determinable future time.
4. Must be payable to the order of a specified person or to bearer; and
5. Where the instrument is addressed to a drawee, he must be named, or otherwise indicated therein with reasonable certainty.

SEC. 2. The sum payable is a sum certain with [within] the meaning of this act, although it is to be paid:

1. With interest; or
2. By stated installments; or
3. By stated installments with a provision that upon default in payment of any installment, the whole shall become due; or
4. With exchange, whether at a fixed rate or at the current rate; or
5. With costs of collection, or an attorney’s fee, in case payment shall not be made at maturity.

SEC. 3. An unqualified order or promise to pay is unconditional within the meaning of this act, though coupled with:

1. An indication of a particular fund out of which reimbursement is to be made, or a particular account to be debited with the amount; or
2. A statement of the transaction which gives rise to the instrument.

But an order or promise to pay out of a particular fund is not unconditional.

SEC. 4. An instrument is payable at a determinable future, within the meaning of this act, which is expressed to be payable:

1. At a fixed period after date or sight; or
2. On or before a fixed or determinable future time specified therein; or
3. On or at a fixed period after the occurrence of a specified event which is certain to happen, though the time of happening be uncertain.
An instrument payable upon a contingency is not negotiable, and the happening of the event does not cure the defect.

Sec. 5. An instrument which contains an order or promise to do any act in addition to the payment of money is not negotiable. But the negotiable character of an instrument otherwise negotiable is not affected by a provision which:

1. Authorizes the sale of collateral securities in case the instrument be not paid at maturity; or
2. Authorizes a confession of judgment if the instrument be not paid at maturity; or
3. Waives the benefit of any law intended for the advantage or protection of obligor; or
4. Gives the holder an election to require something to be done in lieu of payment of money.

But nothing in this section shall validate any provision or stipulation otherwise illegal.

Sec. 6. The validity and negotiable character of an instrument are not affected by the fact that:

1. It is not dated; or
2. Does not specify the value given, or that any value has been given therefor; or
3. Does not specify the place where it is drawn or the place where it is payable; or
4. Bears a seal; or
5. Designates a particular kind of current money in which payment is to be made.

But nothing in this section shall alter or repeal any statute requiring in certain cases the nature of the consideration to be stated in the instrument.

Sec. 7. An instrument is payable on demand:
1. When it is expressed to be payable on demand, or at sight, or on presentation; or
2. In which no time for payment is expressed.
Where an instrument is issued, accepted or indorsed when over due, it is, as regards the person so issuing, accepting or indorsing it, payable on demand.

Sec. 8. The instrument is payable to order where it is drawn payable to the order of a specified person, or to him or his order. It may be drawn payable to the order of:

1. A payee who is not maker, drawer or drawee; or
2. The drawer or maker; or
3. The drawee; or
4. Two or more payees jointly; or
5. One or some of several payees, or
6. The holder of an office for the time being.
Payee must be named with reasonable certainty. When payable to bearer.

To order of non-existing persons.

When name of payee does not purport to be name of any person. Indorsement in blank.

Instruments not invalidated because ante-dated.

Instruments undated, how dated.

Instruments lacking in material particulars, may be remedied.

Where the instrument is payable to order, the payee must be named or otherwise indicated therein with reasonable certainty.

Sec. 9. The instrument is payable to bearer:
1. When it is expressed to be so payable; or
2. When it is payable to a person named therein or bearer; or
3. When it is payable to the order of a fictitious or non-existing person, and such fact was known to the person making it so payable, or
4. When the name of the payee does not purport to be the name of any person; or
5. When the only or last indorsement is an indorsement in blank.

Sec. 10. The negotiable instrument need not follow the language of this act, but any terms are sufficient which clearly indicate an intention to conform to the requirements hereof.

Sec. 11. Where the instrument or an acceptance or any indorsement thereon is dated, such date is deemed prima facie to be the true date of the making, drawing, acceptance or indorsement, as the case may be.

Sec. 12. The instrument is not invalid for the reason only that it is ante-dated or post-dated, provided that this is not done for an illegal or fraudulent purpose. The person to whom an instrument so dated is delivered, acquires the title thereto as of the date of delivery.

Sec. 13. When an instrument expressed to be payable at a fixed period after date is issued undated, or where the acceptance of an instrument payable at a fixed period after sight is undated, any holder may insert therein the true date of issue or acceptance, and the instrument shall be payable accordingly. The insertion of a wrong date does not avoid the instrument in the hands of a subsequent holder in due course; but as to him the date so inserted is to be regarded as the true date.

Sec. 14. Where the instrument is wanting in any material particular, the person in possession thereof has a prima facie authority to complete it by filling up the blanks therein. And a signature on a blank paper delivered by the person making the signature in order that the paper may be converted into a negotiable instrument operates as a prima facie authority to fill it up as such for any amount. In order, however, that any such instrument when completed may be enforced against any person who became a party thereto prior to its completion it must be filled up strictly in accordance with the authority given and within a reasonable time. But if any such instrument after completion is negotiable to a holder in due course, it is valid and effectual for all purposes in his hands, and he may enforce it as
if it had been filled up strictly in accordance with the authority given and within a reasonable time.

SEC. 15. Where an incomplete instrument has not been delivered it will not if completed and negotiated without authority be a valid contract in the hands of any holder as against any person whose signature was placed thereon before delivery.

SEC. 16 Every contract on a negotiable instrument is complete and revocable until delivery of the instrument for the purpose of giving effect thereto. As between immediate parties and as regards a remote party other than a holder in due course, the delivery in order to be effectual must be made either by or under the authority of the party making, drawing or indorsing, as the case may be; and in such case the delivery may be shown to have been conditional or for a special purpose only, and not for the purpose of transferring the property in the instrument. But where the instrument is in the hands of a holder in due course a valid delivery thereof by all parties prior to him so as to make them liable to him is conclusively presumed. And where the instrument is no longer in possession of a party whose signature appears thereon, a valid and intentional delivery by him is presumed until the contrary is proved.

SEC. 17. Where the language of the instrument is ambiguous or there are omissions therein the following rules of construction apply:

1. Where the sum payable is expressed in words and also in figures and there is a discrepancy between the two, the sum denoted by the words is the sum payable; but if the words are ambiguous or uncertain, references may be had to the figures to fix the amount.

2. Where the instrument provides for the payment of interest without specifying the date from which interest is to run, the interest runs from the date of the instrument, and if the instrument is undated from the issue thereof.

3. Where the instrument is not dated it will be considered to be dated as of the time it was issued.

4. Where there is conflict between the written and printed provisions of the instrument the written provisions prevail.

5. Where the instrument is so ambiguous that there is doubt whether it is a bill or a note the holder may treat it as either at his election.

6. Where a signature is so placed upon the instrument that it is not clear in what capacity the person making the same intended to sign, he is to be deemed an indorser.

7. Where an instrument containing the words, “I promise to pay” is signed by two or more persons, they are deemed to be jointly and severally liable thereon.
SEC. 18. No person is liable on the instrument whose signature does not appear thereon, except as herein otherwise expressly provided. But one who signs in a trade or assumed name will be liable to the same extent as if he had signed in his own name.

SEC. 19. The signature of any party made [may] be made by a duly authorized agent. No particular form of appointment is necessary for this purpose, and the authority of the agent may be established as in other cases of agency.

SEC. 20. Where the instrument contains or a person adds to his signature words indicating that he signs for or on behalf of the principal or in a representative capacity, he is not liable on the instrument if he was duly authorized; but the mere addition of words describing him as an agent or as filling a representative character, without disclosing his principal, does not exempt him from personal liability.

SEC. 21. A signature by "procuration" operates as notice that the agent has but a limited authority to sign, and the principal is bound only in case the agent so signing acted within the actual limits of his authority.

SEC. 22. The indorsement or assignment of the instrument by a corporation or by an infant passes the property therein, notwithstanding that from want of capacity the corporation or infant may incur no liability thereon.

SEC. 23. When a signature is forged or made without the authority of the person whose signature it purports to be, it is wholly inoperative and no right to retain the instrument or to give a discharge therefor or to enforce payment thereof against any party thereto can be acquired through or under such signature, unless the party against whom it is sought to enforce such right is precluded from setting up the forgery or want of authority.

ARTICLE II.

SEC. 24. Every negotiable instrument is deemed prima facie to have been issued for a valuable consideration, and every person whose signature appears thereon to have become a party thereto for value.

SEC. 25. Value is any consideration sufficient to support a simple contract. An antecedent or pre-existing debt constitutes value and is deemed such whether the instrument is payable on demand or at a future time.

SEC. 26. Where value has at any time been given for the instrument the holder is deemed a holder for value in respect to all parties who became such prior to that time.

SEC. 27. Where the holder has a lien on the instrument arising either from contract or by implication of law he is deemed a holder for value to the extent of his lien.
SEC. 28. Absence or failure of consideration is matter of defense as against any person not a holder in due course, and partial failure of consideration is a defense pro tanto, whether the failure is an ascertained and liquidated amount or otherwise.

SEC. 29. An accommodation party is one who has signed the instrument as maker, drawer, acceptor or indorser without receiving value therefor, and for the purpose of lending his name to some other person. Such a person is liable on the instrument to a holder for value, notwithstanding such holder at the time of taking the instrument knew him to be only an accommodation party.

ARTICLE III.—NEGOTIATION.

SEC. 30. An instrument is negotiated when it is transferred from one person to another in such manner as to constitute the transferee the holder thereof, if payable to bearer it is negotiated by delivery; if payable to order it is negotiated by the indorsement of the holder, completed by delivery.

SEC. 31. The indorsement must be written on the instrument itself or upon a paper attached thereto. The signature of the indorser, without additional words, is a sufficient indorsement.

SEC. 32. An indorsement must be an indorsement of the entire instrument. An indorsement which purports to transfer to the indorsee a part only of the amount payable or which purports to transfer the instrument to two or more indorsees severally, does not operate as a negotiation of the instrument. But where the instrument has been paid in part it may be indorsed as to the residue.

SEC. 33. An indorsement may be either in blank or special, and it may also be either restrictive or qualified or conditional.

SEC. 34. A special indorsement specifies the person to whom or to whose order the instrument is to be payable; and the indorsement of such indorsee is necessary to the further negotiation of the instrument. An indorsement in blank specifies no indorsee, and an instrument so indorsed is payable to bearer and may be negotiated by delivery.

SEC. 35. The holder may convert a blank indorsement into a special indorsement by writing over the signature of the indorser in blank any contract consistent with the character of the indorsement.

SEC.] 36. An indorsement is restrictive, which either:
1. Prohibits the further negotiation of the instrument; or
2. Constitutes the indorsee the agent of the indorser; or
3. Vests the title in the indorsee in trust for or to the use of some other person. But the mere absence of words implying power to negotiate does not make an indorsement restrictive.
Rights conferred by restrictive indorsements.

Title of subsequent indorsees.

Qualified indorsements.

When indorsement is conditional.

Instruments payable to bearer indorsed specially.

When instrument payable to two or more payees.

When instruments indorsed to fiscal officers.

When name of payee is wrongly designated.

Persons obligated to indorse in representative capacity.

When instrument is deemed to have been effected.

Place of indorsement.

**SEC. 37.** A restrictive indorsement confers upon the indorsee the right:

1. To receive payment of the instrument.
2. To bring any action thereon that the indorser could bring.
3. To transfer his rights as such indorsee, where the form of the indorsement authorizes him to do so.

But all subsequent indorsees acquire only the title of the first indorsee under the restrictive indorsement.

**SEC. 38.** A qualified indorsement constitutes the indorser a mere assignor of the title to the instrument. It may be made by adding to the indorser’s signature the words, “without recourse” or any words of similar import. Such an indorsement does not impair the negotiable character of the instrument.

**SEC. 39.** Where an indorsement is conditional, a party required to pay the instrument may disregard the condition and make payment to the indorsee or his transferee, whether the condition has been fulfilled or not. But any person to whom an instrument so indorsed is negotiated will hold the same or the proceeds thereof subject to the rights of the person indorsing conditionally.

**SEC. 40.** Where an instrument payable to bearer is indorsed specially, it may nevertheless be further negotiated by delivery; but the person indorsing specially is liable as indorser to only such holders as make title through his indorsement.

**SEC. 41.** Where an instrument is payable to the order of two or more payees or indorsees who are not partners, all must indorse unless the one indorsing has authority to indorse for the others.

**SEC. 42.** Where an instrument is drawn or indorsed to a person as “cashier” or other fiscal officer of a bank or corporation it is deemed prima facie to be payable to the bank or corporation of which he is such officer, and may be negotiated by either the indorsement of the bank or corporation or the indorsement of the officer.

**SEC. 43.** Where the names of a payee or indorsee is wrongly designated or misspelled he may endorse the instrument as there described, adding if he think fit his proper signature.

**SEC. 44.** Where any person is under obligation to indorse in a representative capacity he may indorse in such terms as to negative personal liability.

**SEC. 45.** Except where an indorsement bears date after the maturity of the instrument, every negotiation is deemed prima facie to have been effected before the instrument was overdue.

**SEC. 46.** Except where the contrary appears, every indorsement is presumed prima facie to have been made at the place where the instrument is dated.
Sec. 47. An instrument negotiable in its origin continues to be negotiable until it has been restrictively indorsed or discharged by payment or otherwise.

Sec. 48. The holder may [at] any time strike out any indorsement which is not necessary to his title. The indorser whose indorsement is struck out and all indorsers subsequent to him are thereby relieved from liability on the instrument.

Sec. 49. Where the holder of an instrument payable to his order transfers it for value without indorsing it, the transfer vests in the transferee such title as the transferer had therein, and the transferee acquires in addition the right to have the indorsement of the transferer. But for the purpose of determining whether the transferee is a holder in due course, the negotiation takes effect as of the time when the indorsement is actually made.

Sec. 50. Where an instrument is negotiated back to a prior party, such party may, subject to the provisions of this act, reissue and further negotiate the same. But he is not entitled to enforce payment thereof against [any] intervening party to whom he was personally liable.

Article IV.—Rights of the Holder.

Sec. 51. The holder of a negotiable instrument may sue thereon in his own name and payment to him in due course discharges the instrument.

Sec. 52. A holder in due course is a holder who has taken the instrument under the following conditions:
1. That the instrument is complete and regular upon its face.
2. That he became the holder of it before it was overdue and without notice that it had been previously dishonored if such was the fact.
3. That he took it for good faith and value.
4. That at the time it was negotiated to him he had no notice of any infirmity in the instrument or defect in the title of the person negotiating it.

Sec. 53. Where an instrument payable on demand is negotiated an unreasonable length of time after its issue, the holder is not deemed a holder in due course.

Sec. 54. Where the transferee received notice of any infirmity in the instrument or defect in the title of the person negotiating the same before he has paid the full amount agreed to be paid therefor, he will be deemed a holder in due course only to the extent of the amount theretofore paid by him.

Sec. 55. The title of a person who negotiates an instrument is defective within the meaning of this act when he obtained the instrument, or any signature thereto, by fraud, duress or force.
and fear or other unlawful means, or for an illegal consideration, or when he negotiates it in breach of faith or under such circumstances as amount to a fraud.

SEC. 56. To constitute notice of an infirmity in the instrument or defect in the title of the person negotiating the same the person to whom it is negotiated must have had actual knowledge of the infirmity or defect or knowledge of such facts that his action in taking the instrument amounted to bad faith.

SEC. 57. A holder in due course holds the instrument free from any defect of title of prior parties, and free from defenses available to prior parties among themselves, and may enforce payment of the instrument for the full amount thereof against all parties liable thereon.

SEC. 58. In the hands of any holder other than a holder in due course a negotiable instrument is subject to the same defenses as if it were non-negotiable. But a holder who derives his title through a holder in due course and who is not himself a party to any fraud or illegality affecting the instrument has all the rights of such former holder in respect of all parties prior to the latter.

SEC. 59. Every holder is deemed prima facie to be a holder in due course; but when it is shown that the title of any person who has negotiated the instrument was defective the burden is on the holder to prove that he or some person under whom he claims acquired the title as a holder in due course. But the last-mentioned rule does not apply in favor of a party who became bound on the instrument prior to the acquisition of such defective title.

ARTICLE V.—LIABILITIES OF PARTIES.

SEC. 60. The maker of a negotiable instrument by making it engages that he will pay it according to its tenor, and admits the existence of the payee and his then capacity to indorse.

SEC. 61. The drawer by drawing the instrument admits the existence of the payee and his then capacity to indorse, and engages that on due presentment the instrument will be accepted or paid, or both, according to its tenor, and that if it be dishonored and the necessary proceedings on dishonor be duly taken, he will pay the amount thereof to the holder or to any subsequent indorser who may be compelled to pay it. But the drawer may insert in the instrument an express stipulation negating or limiting his own liability to the holder.

SEC. 62. The acceptor by accepting the instrument engages that he will pay it according to the tenor of his acceptance; and admits:

1. That existence of the drawer, the genuineness of his signature and his capacity and authority to draw the instrument; and
2. The existence of the payee and his then capacity to indorse.
SEC. 63. A person placing his signature upon an instrument otherwise than as maker, drawer, or acceptor is deemed to be an indorser, unless he clearly indicates by appropriate words his intention to be bound in some other capacity.

SEC. 64. Where a person not otherwise a party to an instrument places thereon his signature in blank before delivery he is liable as indorser in accordance with the following rules:

1. If the instrument is payable to the order of a third person he is liable to the payee and to all subsequent parties.

2. If the instrument is payable to the order of the maker or drawer, or is payable to bearer, he is liable to all parties subsequent to the maker or drawer.

3. If he signs for the accommodation of the payee he is liable to all parties subsequent to the payee.

SEC. 65. Every person negotiating an instrument by delivery or by a qualified indorsement warrants:

1. That the instrument is genuine and in all respects what it purports to be.

2. That he has a good title to it.

3. That all prior parties had capacity to contract.

4. That he has no knowledge of any fact which would impair the validity of the instrument or render it valueless.

But when the negotiation is by delivery only the warranty extends in favor of no holder other than the immediate transferee.

The provisions of subdivision three of this section do not apply to persons negotiating public or corporate securities other than bills and notes.

SEC. 66. Every indorser who indorses without qualification warrants to all subsequent holders in due course:

1. The matters and things mentioned in subdivisions one, two and three of the next preceding section; and

2. That the instrument is at the time of his indorsement valid and subsisting. And in addition he engages that on due presentment it shall be accepted or paid, or both, as the case may be, according to its tenor, and that if it be dishonored and the necessary proceedings on dishonor be duly taken he will pay the amount thereof to the holder or to any subsequent indorser who may be compelled to pay it.

SEC. 67. Where a person places his indorsement on an instrument negotiable by delivery he incurs all the liabilities of an indorser.

SEC. 68. As respects one another, indorsers are liable prima facie in the order in which they indorse; but evidence is admissible to show that as between or among themselves they have agreed otherwise. Joint payees or joint indorsees who indorse are deemed to indorse jointly and severally.
Sec. 69. Where a broker or other agent negotiates an instrument without indorsement he incurs all the liabilities prescribed by section sixty-five of this act, unless he discloses the name of his principal and the fact that he is acting only as agent.

ARTICLE VI.—PRESENTMENT FOR PAYMENT.

Sec. 70. Presentment for payment is not necessary in order to charge the person primarily on the instrument; but if the instrument is by its terms payable at a special place, and he is able and willing to pay it there at maturity, such ability and willingness are equivalent to a tender of payment upon his part. But except as herein otherwise provided presentment for payment is necessary in order to charge the drawer and indorsers.

Sec. 71. Where the instrument is not payable on demand, presentment must be made on the day it falls due. Where it is payable on demand, presentment must be made within a reasonable time after its issue, except that in the case of a bill of exchange presentment for payment will be sufficient if made within a reasonable time after the last negotiation thereof.

Sec. 72. Presentment for payment to be sufficient must be made:

1. By the holder or by some person authorized to receive payment on his behalf.
2. At a reasonable hour on a business day.
3. At a proper place as herein defined.
4. To the person primarily liable on the instrument, or if he is absent or inaccessible to any person found at the place where the presentment is made.

Sec. 73. Presentment for payment is made at the proper place:

1. Where a place of payment is specified in the instrument and it is there presented.
2. Where no place of payment is specified but the address of the person to make the payment is given in the instrument and it is there presented.
3. Where no place of payment is specified and no address is given and the instrument is presented at the usual place of business or residence of the person to make payment.
4. In any other case if presented to the person to make payment wherever he can be found, or if presented at his last-known place of business or residence.

Sec. 74. The instrument must be exhibited to the person from whom payment is demanded, and when it is paid must be delivered up to the party paying it.

Sec. 75. Where the instrument is payable at a bank presentment for payment must be made during banking hours, unless the person to make payment has no funds there to meet it at any
time during the day, in which case presentment at any hour before the bank is closed on that day is sufficient.

SEC. 76. Where the person primarily liable on the statement is dead, and no place of payment is specified, presentment for payment must be made to his personal representative, if such there be and if with the exercise of reasonable diligence he can be found.

SEC. 77. Where the persons primarily liable on the instrument are liable as partners and no place of payment is specified presentment for payment may be made to any one of them, even though there has been a dissolution of the firm.

SEC 78. Where there are several persons not parties primarily liable on the instrument and no place of payment is specified, presentment must be made to them all.

SEC. 79. Presentment for payment is not required in order to charge the drawer where he has no right to expect or require that the drawee or acceptor will pay the instrument.

SEC 80. Presentment for payment is not required in order to charge an endorser where the instrument was made or accepted for his accommodation, and he has no reason to expect that the instrument will be paid if presented.

SEC. 81. Delay in making presentment for payment is excused when the delay is caused by circumstances beyond the control of the holder and not imputable to his default, misconduct or negligence. When the cause of delay ceases to operate presentment must be made with reasonable diligence.

SEC 82. Presentment for payment is dispensed with:

1. Where after the exercise of reasonable diligence presentment as required by this act can not be made.

2. Where the drawee is a fictitious person.

3. By waiver or presentment, express or implied.

SEC. 83. The instrument is dishonored by non payment when:

1. It is duly presented for payment and payment is refused or can not be obtained; or

2. Presentment is excused and the instrument is overdue and unpaid.

SEC. 84. Subject to the provisions of this act when the instrument is dishonored by non payment, an immediate right of recourse to all parties secondarily liable thereon accrues to the holder.

SEC. 85. Every negotiable instrument is payable at the time fixed therein without grace. When the day of maturity falls upon Sunday or a holiday the instrument is payable on the next succeeding business day. Instruments falling due on Saturday are to be presented for payment on the next succeeding business day, except that instruments payable on demand may at the
option of the holder be presented for payment before twelve o'clock noon on Saturday when that entire day is not a holiday.

Sec. 86. Where the instrument is payable at a fixed period after date, after sight, or after the happening of a specified event, the time of payment is determined by excluding the day from which the time is to begin to run and by including the date of payment.

Sec. 87. Where the instrument is made payable at a bank it is equivalent to an order to the bank to pay the same for the account of the principal debtor thereon.

Sec. 88. Payment is made in due course when it is made at or after the maturity of the instrument to the holder thereof in good faith and without notice that his title is defective.

ARTICLE VII.—NOTICE OF DISHONOR.

Sec. 89. Except as herein otherwise provided, when a negotiable instrument has been dishonored by non-acceptance or non-payment, notice of dishonor must be given to the drawer and to each indorser and any drawer or indorser to whom such notice is not given is discharged.

Sec. 90. The notice may be given by or on behalf of the holder or by or on behalf of any party to the instrument who might be compelled to pay it to the holder, and who upon taking it up would have a right to reimbursement from the party to whom notice is given.

Sec. 91. Notice of dishonor may be given by an agent either in his own name or in the name of any party entitled to give notice, whether that party be his principal or not.

Sec. 92. Where notice is given by or on behalf of the holder, it inures for the benefit of all subsequent holders and all prior parties who have a right of recourse against the party to whom it is given.

Sec. 93. Where notice is given by or on behalf of a party entitled to give notice it inures for the benefit of the holder and all parties subsequent to the party to whom notice is given.

Sec. 94. Where the instrument has been dishonored in the hands of an agent he may either himself give notice to the parties liable thereon or he may give notice to his principal. If he give notice to his principal he must do so within the same time as if he were the holder, and the principal upon the receipt of such notice has himself the same time for giving notice as if the agent had been an independent holder.

Sec. 95. A written notice need not be signed, and an insufficient written notice may be supplemented and validated by verbal communication. A misdescription of the instrument does not
vitiates unless the party to whom the notice is given is in fact misled thereby.

Sec. 96. The notice may be in writing or merely oral and may be given in any terms which sufficiently identify the instrument and indicate that it has been dishonored by non acceptance or non payment. It may in all cases be given by delivering it personally or through the mails.

Sec. 97. Notice of dishonor may be given either to the party himself or to his agent in that behalf.

Sec. 98. When any party is dead and his death is known to the party giving notice, the notice must be given to a personal representative if there be one, and if with reasonable diligence he can be found. If there is no personal representative, notice may be sent to the last residence or last place of business of the deceased.

Sec. 99. When the parties to be notified are partners, notice to any one partner is notice to the firm even though there has been a dissolution.

Sec. 100. Notice to joint parties who are not partners must be given to each of them unless one of them has authority to receive such notice for the others.

Sec. 101. Where a party has been adjudged a bankrupt or an insolvent or has made an assignment for the benefit of his creditors, notice may be given either to the party himself or to his trustee or assignee.

Sec. 102. Notice may be given as soon as the instrument is dishonored, and unless delay is excused as hereinafter provided must be given within the times fixed by this act.

Sec. 103. When the person giving and the person to receive notice reside in the same place, notice must be given within the following times:

1. If given at the place of business of the person to receive notice it must be given before the close of business hours on the day following.
2. If given at his residence it must be given before the usual hours of rest on the day following.
3. If sent by mail it must be deposited in the post-office in time to reach him in the usual course on the day following.

Sec. 104. Where the person giving and the person to receive notice reside in different places the notice must be given within the following times:

1. If sent by mail it must be deposited in the post-office in time to go by mail the day following the day of dishonor, or if there be no mail at a convenient hour on that day by the next mail thereafter.
2. If given otherwise than through the post-office, then within the time that notice would have been received in due course of
mail if it had been deposited in the post-office within the time specified in the last subdivision.

SEC. 105. Where notice of dishonor is duly addressed and deposited in the post office the sender is deemed to have given due notice, notwithstanding any miscarriage in the mails.

SEC. 106. Notice is deemed to have been deposited in the post-office when deposited in any branch post-office or in any letter box under the control of the post-office department.

SEC. 107. Where a party receives notice of dishonor he has, after the receipt of such notice, the same time for giving notice to antecedent parties that the holder has after the dishonor.

SEC. 108. Where a party has added an address to his signature, notice of dishonor must be sent to that address; but if he is not given such address then the notice must be sent as follows:

1. Either to the post office nearest to his place of residence or to the post-office where he is accustomed to receive his letters; or
2. If he lives in one place and have his place of business in another, notice may be sent to either place; or
3. If he is sojourning in another place notice may be sent to the place where he is so sojourning.

But where the notice is actually received by the party within the time specified in this act it will be sufficient, though not sent in accordance with the requirements of this section.

SEC. 109. Notice of dishonor may be waived either before the time of giving notice has arrived or after the omission to give due notice, and the waiver may be express or implied.

SEC. 110. Where the waiver is embodied in the instrument itself it is binding upon all parties, but where it is written above the signature of an indorser it binds him only.

SEC. 111. A waiver of protest, whether in the case of a foreign bill of exchange or other negotiable instrument, is deemed to be a waiver not only of a formal protest but also of a presentment and notice of dishonor.

SEC. 112. Notice of dishonor is dispensed with when, after the exercise of reasonable diligence, it can not be given to or does not reach the parties sought to be charged.

SEC. 113. Delay in giving notice of dishonor is excused when the delay is caused by circumstances beyond the control of the holder and not imputable to his default, misconduct or negligence. When the cause of delay ceases to operate notice must be given with reasonable diligence.

SEC. 114. Notice of dishonor is not required to be given to the drawer in either of the following cases:

(1) Where the drawer and the drawee are the same person.
(2) Where the drawee is a fictitious person or a person not having capacity to contract.
(3) Where the drawer is the person to whom the instrument is presented for payment.
(4) Where the drawer has no right to expect or require that the drawee or acceptor will honor the instrument.
(5) Where the drawer has countermanded payment.

Sec. 115. Notice of dishonor is not required to be given to an indorser in either of the following cases:
(1) Where the drawee is a fictitious person or a person not having capacity to contract and the indorser was aware of the fact at the time he indorsed the instrument.
(2) Where the indorser is the person to whom the instrument is presented for payment.
(3) Where the instrument was made or accepted for his accommodation.

Sec. 116. Where due notice of dishonor by non-acceptance has been given, notice of a subsequent dishonor by non-payment is not necessary unless in the meantime the instrument has been accepted.

Sec. 117. An omission to give notice of dishonor by non-acceptance does not prejudice the rights of a holder in due course subsequent to the omission.

Sec. 118. Where any negotiable instrument has been dishonored it may be protested for non-acceptance or non-payment as the case may be, but protest is not required except in the case of foreign bills of exchange.

ARTICLE VIII.—DISCHARGE OF NEGOTIABLE INSTRUMENTS.

Sec. 119. A negotiable instrument is discharged:
(1) By payment in due course by or on behalf of the principal debtor.
(2) By payment in due course by the party accommodated, where the instrument is made or accepted for accommodation.
(3) By the intentional cancellation thereof by the holder.
(4) By any other act which will discharge a simple contract for the payment of money.
(5) When the principal debtor becomes the holder of the instrument at or after maturity in his own right.

Sec. 120. A person secondarily liable on the instrument is discharged:
(1) By any act which discharges the instrument.
(2) By the intentional cancellation of, his signature by the holder.
(3) By the discharge of a prior party.
(4) By a valid tender of payment made by a prior party.
(5) By a release of the principal debtor, unless the holder's...
right of recourse against the party secondarily liable is expressly reserved.

(6) By any agreement binding upon the holder to extend the time of payment or to postpone the holder's right to enforce the instrument, unless made with the assent of the party secondarily liable or unless the right of recourse against such party is expressly reserved.

Sec. 121. When the instrument is paid by a party secondarily liable thereon it is not discharged; but the party so paying it is remitted to his former rights as regards all prior parties, and he may strike out his own and all subsequent indorsements, and again negotiate the instrument, except:

(1) Where it is payable to the order of the third person and has been paid by the drawer; and

(2) Where it was made or accepted for accommodation and has been paid by the party accommodated.

Sec. 122. The holder may expressly renounce his rights against any party to the instrument before, at or after its maturity. An absolute and unconditional renunciation of his rights against the principal debtor made at or after the maturity of the instrument discharges the instrument. But a renunciation does not affect the rights of a holder in due course without notice. A renunciation must be in writing, unless the instrument is delivered up to the person primarily liable thereon.

Sec. 123. A cancellation made unintentionally or under a mistake or without the authority of the holder is inoperative, but where an instrument or any signature thereon appears to have been cancelled the burden of proof lies on the party who alleges that the cancellation was made unintentionally or under a mistake or without authority.

Sec. 124. Where a negotiable instrument is materially altered without the assent of all parties liable thereon, it is avoided except as against a party who has himself made, authorized or assented to the alteration and subsequent indorsers.

But when an instrument has been materially altered and is in the hands of a holder in due course not a party to the alteration he may enforce payment thereof according to its original tenor.

Sec. 125. Any alteration which changes:

(1) The date.

(2) The sum payable either for principal or interest.

(3) The time or place of payment.

(4) The number or the relations of the parties.

(5) The medium or currency in which payment is to be made. Or which adds a place of payment where no place of payment is specified, or any other change or addition which alters the effect of the instrument in any respect, is a material alteration.
ARTICLE I.—FORM AND INTERPRETATION.

SEC. 126. A bill of exchange is an unconditional order in writing, addressed by one person to another, signed by the person giving it, requiring the person to whom it is addressed to pay on demand or at a fixed or determinable future time a sum certain in money to order or to bearer.

SEC. 127. A bill of itself does not operate as an assignment of the funds in the hands of the drawee available for the payment thereof, and the drawee is not liable on the bill unless and until he accepts the same.

SEC. 128. A bill may be addressed to two or more drawees jointly whether they are partners or not, but not to two or more drawees in the alternative or in succession.

SEC. 129. An inland bill of exchange is a bill which is or on its face purports to be both drawn and payable within this state. Any other bill is a foreign bill. Unless the contrary appears on the face of the bill the holder may treat it as an inland bill.

SEC. 130. Where in a bill drawer and drawee are the same person, or where the drawee is a fictitious person or a person not having capacity to contract, the holder may treat the instrument as his option, either as a bill of exchange or a promissory note.

SEC. 131. The drawer of a bill and any endorser may insert thereon the name of a person to whom the holder may resort in case of need; that is to say, in case the bill is dishonored by non-acceptance or non-payment. Such person is called the referee in case of need. It is in the option of the holder to resort to the referee in case of need or not as he may see fit.

ARTICLE II.—ACCEPTANCE.

SEC. 132. The acceptance of a bill is the signification by the drawee of his assent to the order of the drawer. The acceptance must be in writing and signed by the drawer. It must not express that the drawee will perform his promise by any other means than the payment of money.

SEC. 133. The holder of a bill presenting the same for acceptance may require that the acceptance be written on the bill, and if such request is refused may treat the bill as dishonored.

SEC. 134. Where an acceptance is written on a paper other than the bill itself it does not bind the acceptor except in favor of a person to whom it is shown and who, on the faith thereof, receives the bill for value.

SEC. 135. An unconditional promise in writing to accept a bill before it is drawn is deemed an actual acceptance in favor of
every person who, upon the faith thereof, receives the bill for value.

Sec. 136. The drawee is allowed twenty-four hours after presentment in which to decide whether or not he will accept the bill, but the acceptance if given dates as of the day of presentation.

Sec. 137. Where a drawee to whom a bill is delivered for acceptance destroys the same or refuses within twenty-four hours after such delivery, or within such other period as the holder may allow, to return the bill accepted or non-accepted to the holder, he will be deemed to have accepted the same.

Sec. 138. A bill may be accepted before it has been signed by the drawer or while otherwise incomplete, or when it is overdue, or after it has been dishonored by a previous refusal to accept, or by non-payment. But when a bill payable after sight is dishonored by non-acceptance and the drawee subsequently accepts it, the holder in the absence of any different agreement is entitled to have the bill accepted as of the date of the first presentment.

Sec. 139. An acceptance is either general or qualified. A general acceptance assents without qualification to the order of the drawer. A qualified acceptance in express terms varies the effect of the bill as drawn.

Sec. 140. An acceptance to pay at a particular place is a general acceptance unless it expressly states that the bill is to be paid there only and not elsewhere.

Sec. 141. An acceptance is qualified which is:

(1) Conditional; that is to say, which makes payment by the acceptor dependent on the fulfillment of a condition therein stated.

(2) Partial; that is to say, an acceptance to pay part only of the amount for which the bill is drawn.

(3) Local; that is to say, an acceptance to pay only at a particular place.

(4) Qualified as to time.

(5) The acceptance of some one or more of the drawees, but not of all.

Sec. 142. The holder may refuse to take a qualified acceptance, and if he does not obtain an unqualified acceptance he may treat the bill as dishonored by non-acceptance. When a qualified acceptance is taken the drawer and endorsers are discharged from liability on the bill unless they have expressly or impliedly authorized the holder to take a qualified acceptance or subsequently assent thereto. When the drawer or an endorser receives notice of a qualified acceptance he must within a reasonable time express his dissent to the holder or he will be deemed to have assented thereto.
ARTICLE III.—PRESENTMENT FOR ACCEPTANCE.

Sec. 143. Presentment for acceptance must be made:
(1) Where the bill is payable after sight, or in any other case where presentment for acceptance is necessary in order to fix the maturity of the instrument; or
(2) Where the bill expressly stipulates that it shall be presented for acceptance; or
(3) Where the bill is drawn payable elsewhere than at the residence or place of business of the drawee.

In no other case is presentment for acceptance necessary in order to render any party to the bill liable.

Sec. 144. Except as herein otherwise provided the holder of a bill which is required by the next preceding section to be presented for acceptance must either present it for acceptance or negotiate it within a reasonable time. If he fail to do so the drawee and all indorsers are discharged.

Sec. 145. Presentment for acceptance must be made by or on behalf of the holder at a reasonable hour on a business day and before the bill is overdue to the drawer or some person authorized to accept or refuse acceptance on his behalf; and
(1) Where a bill is addressed to two or more drawees who are not partners, presentment must be made to them all unless one has authority to accept or refuse acceptance for all, in which case presentment made [may] be made to him only.
(2) Where the drawee is dead presentment may be made to his personal representative.
(3) Where the drawee has been adjudged a bankrupt or an insolvent or has made an assignment for the benefit of creditors presentment made [may] be made to him or to his trustee or assignee.

Sec. 146. A bill may be presented for acceptance on any day on which negotiable instruments may be presented for payment under the provisions of sections seventy-two and eighty-five of this act. When Saturday is not otherwise a holiday presentment for acceptance may be made before twelve o'clock noon on that day.

Sec. 147. Where the holder of a bill drawn payable elsewhere than at the place of business or the residence of the drawee has not time with the exercise of reasonable diligence to present the bill for acceptance before presenting it for payment on the day that it falls due, the delay caused by presenting the bill for acceptance before presenting it for payment is excused and does not discharge the drawers and indorsers.

Sec. 148. Presentment for acceptance is excused and a bill may be treated as dishonored by non-acceptance in either of the following cases:

60
may be treated as dishonored by non-acceptance.

When bill is dishonored by non-acceptance

Bill shall be presented for acceptance within time prescribed. Right of recourse accruing to holder.

Foreign bills dishonored must be duly protested.

Protest must be annexed.

When and where presentment must be made.

By whom protest may be made.

1. Where the drawee is dead or has absconded or is a fictitious person or a person not having capacity to contract by bill.

2. Where after the exercise of reasonable diligence presentment can not be made.

3. Where although presentment has been irregular, acceptance has been refused on some ground.

SEC. 149. A bill is dishonored by non-acceptance:

1. When it is duly presented for acceptance and such an acceptance as is prescribed by this act is refused or can not be obtained; or

2. When a presentment for acceptance is executed and the bill is not accepted.

SEC. 150. Where a bill is duly presented for acceptance and is not accepted within the prescribed time, the person presenting it must treat the bill as dishonored by non-acceptance or he loses the right of recourse against the drawer and indorsers.

SEC. 151. When a bill is dishonored by non-acceptance an immediate right of recourse against the drawers and indorsers accrues to the holder and no presentment for payment is necessary.

ARTICLE IV.—PROTEST.

SEC. 152. Where a foreign bill appearing on its face to be such is dishonored by non-acceptance, it must be duly protested for non-acceptance, and where such a bill which had not previously been dishonored by non-acceptance is dishonored by non-payment it must be duly protested for non-payment. If it is not so protested the drawer and indorsers are discharged. Where a bill does not appear on its face to be a foreign bill protest in case of dishonor is unnecessary.

SEC. 153. The protest must be annexed to the bill or must contain a copy thereof and must be under the hand and seal of the notary making it, and must specify:

1. The time and place of presentment.

2. The fact that presentment was made and the manner thereof.

3. The cause or reason for protesting the bill.

4. The demand made and the answer given, if any, or the fact that the drawee or acceptor could not be found.

SEC. 154. Protest may be made by:

1. A notary public; or

2. By any respectable resident of the place where the bill is dishonored, in the presence of two or more credible witnesses.

SEC. 155. When a bill is protested, such protest must be made on the day of its dishonor, unless delay is excused as herein provided. When a bill has been duly noted the protest may be subsequently extended as of the date of the noting.
SEC. 156. A bill must be protested at the place where it is dishonored, except that when a bill drawn payable at the place of business or residence of some person other than the drawee has been dishonored by non-acceptance it must be protested for non-payment at the place where it is expressed to be payable, and no further presentment for payment to or demand on the drawee is necessary.

SEC. 157. A bill which has been protested for non-acceptance may be subsequently protested for non-payment.

SEC. 158. Where the acceptor has been adjudged a bankrupt or an insolvent or has made an assignment for the benefit of creditors before the bill matures the holder may cause the bill to be protested for better security against the drawer and indorsers.

SEC. 159. Protest is dispensed with by any circumstances which would dispense with notice of dishonor. Delay in noting or protesting is excused when delay is caused by circumstances beyond the control of the holder and not imputable to his default, misconduct or negligence. When the cause of delay ceases to operate the bill must be noted or protested for reasonable diligence.

SEC. 160. Where a bill is lost or destroyed or is wrongly detained from the person entitled to hold it, protest may be made on a copy or written particulars thereof.

ARTICLE V.—ACCEPTANCE FOR HONOR.

SEC. 161. Where a bill of exchange has been protested for dishonor by non-acceptance or protested for better security and is not overdue, any person not being a party already liable thereon may, with the consent of the holder, intervene and accept the bill supra protest for the honor of any party liable thereon or for the honor of the person for whose account the bill is drawn. The acceptance for honor may be for part only of the sum for which the bill is drawn, and where there has been an acceptance for honor for one party there may be a further acceptance by a different person for the honor of another party.

SEC. 162. An acceptance for honor supra protest must be in writing and indicate that it is an acceptance for honor, and must be signed by the acceptor for honor.

SEC. 163. Where an acceptance for honor does not expressly state for whose honor it is made, it is deemed to be an acceptance for the honor of the drawer.

SEC. 164. The acceptor for honor is liable to the holder and to all parties to the bill subsequent to the party for whose honor he has accepted.

SEC. 165. The acceptor for honor by such acceptance engages that he will on due presentment pay the bill according to the terms of his acceptance, provided it shall not have been paid by
the drawee; and provided also, that it shall have been duly presented for payment and protested for non-payment and notice of dishonor given to him.

SEC. 166. Where a bill payable after sight is accepted for honor its maturity is calculated from the date of the noting for non-acceptance and not from the date of the acceptance for honor.

SEC. 167. Where a dishonored bill has been accepted for honor supra protest or contains a reference in case of need, it must be protested for non-payment before it is presented for payment to the acceptor for honor or referee in case of need.

SEC. 168. Presentment for payment to the acceptor for honor must be made as follows:

1. If it is to be presented in the place where the protest for non-payment was made, it must be presented not later than the day following its maturity.

2. If it is to be presented in some other place than the place where it was protested, then it must be forwarded within the time specified in section one hundred and four.

SEC. 169. The provisions of section eighty-one apply where there is delay in making presentment to the acceptor for honor or referee in case of need.

SEC. 170. When the bill is dishonored by the acceptor for honor it must be protested for non-payment by him.

ARTICLE VI.—PAYMENT FOR HONOR.

SEC. 171. Where a bill has been protested for non-payment any person may intervene and pay it supra protest for the honor of any person liable thereon or for the honor of the person for whose account it was drawn.

SEC. 172. The payment for honor supra protest in order to operate as such and not as a mere voluntary payment must be attested by a notarial act of honor, which may be appended to the protest or form an extension to it.

SEC. 173. The notarial act of honor must be founded on a declaration made by the payer for honor or by his agent in that behalf declaring his intention to pay the bill for [honor and for] whose honor he pays.

SEC. 174. Where two or more persons offer to pay a bill for the honor of different parties the person whose payment will discharge most parties to the bill is to be given the preference.

SEC. 175. Where a bill has been paid for honor all parties subsequent to the party for whose honor it is paid are discharged, but the payer for honor is subrogated for and succeeds to both the rights and duties of the holder as regards the party for whose honor he pays and all parties liable to the latter.
SEC. 176. Where the holder of a bill refuses to receive payment when holder of
supra protest he loses his right of recourse against any party who bill refuses to
would have been discharged by such payment.
receive payment.
SEC. 177. The payer for honor on paying to the holder the Payer entitled to
amount of the bill and the notarial expenses incidental to its dis-
receive both bill honor is entitled to receive both the bill itself and the protest.
and protest.
