CONSTITUTION
OF THE
STATE OF NORTH CAROLINA

PREAMBLE.

We, the people of the State of North Carolina, grateful to Almighty God, the Sovereign Ruler of nations, for the preservation of the American Union, and the existence of our civil, political and religious liberties, and acknowledging our dependence upon Him for the continuance of those blessings to us and our posterity, do, for the more certain security thereof, and for the better government of this State, ordain and establish this Constitution:

ARTICLE I.
DECLARATION OF RIGHTS.

That the great, general and essential principles of liberty and free government may be recognized and established, and that the relations of this State to the Union and government of the United States, and those of the people of this State to the rest of the American people may be defined and affirmed, we do declare:

SECTION 1. That we hold it to be self-evident that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness.

SECTION 2. That all political power is vested in, and derived from, the people; all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.

SECTION 3. That the people of this State have the inherent, sole and exclusive right of regulating the internal government and police thereof, and of altering and abolishing their Constitution and form of government whenever it may be necessary for their safety and happiness; but every such right should be exercised in pursuance of law, and consistently with the Constitution of the United States.

SECTION 4. That this State shall ever remain a member of the American Union; that the people thereof are a part of the American nation; that there is no right on the part of the State to secede, and that all attempts, from whatever source or upon whatever pretext, to dissolve said Union, or to sever said said nation, ought to be resisted with the whole power of the State.

Pub.—1
Of allegiance to the U. S. government.

Public debt.

Bonds issued under ordinance of Convention of 1868 and under Laws of 1868, 1868-'9, 1869-'70, declared invalid.

Exception.

Exclusive emoluments, etc.

The legislative, executive, and judicial powers distinct.

Of the power of suspending laws.

Elections free. In criminal prosecutions.

Answers to criminal charges.

Right of jury.

Excessive bail.

Sec. 5. That every citizen of this State owes paramount allegiance to the Constitution and Government of the United States, and that no law or ordinance of the State in contravention or subversion thereof can have any binding force.

Sec. 6. The State shall never assume or pay, or authorize the collection of any debt or obligation, express or implied, incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave; nor shall the General Assembly assume or pay, or authorize the collection of any tax to pay, either directly or indirectly, expressed or implied, any debt or bond, incurred, or issued, by authority of the convention of the year one thousand eight hundred and sixty-eight, nor any debt or bond, incurred or issued by the Legislature of the year one thousand eight hundred and sixty-eight, at its special session of the year one thousand eight hundred and sixty-eight or at its regular sessions of the years one thousand eight hundred and sixty-eight and one thousand eight hundred and sixty-nine, except the bonds issued to fund the interest on the old debt of the State, unless the proposing to pay the same shall have first been submitted to the people and by them ratified by the vote of a majority of all the qualified voters of the State, at a regular election held for that purpose.

Sec. 7. No men or set of men are entitled to exclusive or separate emoluments or privileges from the community but in consideration of public services.

Sec. 8. The legislative, executive and supreme judicial powers of the government ought to be forever separate and distinct from each other.

Sec. 9. All power of suspending laws, or the execution of laws, by any authority, without the consent of the representatives of the people, is injurious to their rights, and ought not to be exercised.

Sec. 10. All elections ought to be free.

Sec. 11. In all criminal prosecutions, every man has the right to be informed of the accusation against him and to confront the accusers and witnesses with other testimony, and to have counsel for his defense, and not be compelled to give evidence against himself or to pay costs, jail fees, or necessary witness fees of the defense, unless found guilty.

Sec. 12. No person shall be put to answer any criminal charge, except as hereinafter allowed but by indictment, presentment or impeachment.

Sec. 13. No person shall be convicted of any crime but by the unanimous verdict of a jury of good and lawful men in open court. The Legislature may, however, provide other means of trial for petty misdemeanors, with the right of appeal.

Sec. 14. Excessive bail should not be required, nor excessive fines imposed, nor cruel or unusual punishments inflicted.
Sec. 15. General warrants, whereby any officer or messenger may be commanded to search suspected places, without evidence of the act committed, or to seize any person or persons not named, whose offense is not particularly described and supported by evidence, are dangerous to liberty and ought not to be granted.

Sec. 16. There shall be no imprisonment for debt in this State, except in cases of fraud.

Sec. 17. No person ought to be taken, imprisoned, or disseized of his freehold, liberties or privileges, or outlawed or exiled, or in any manner deprived of his life, liberty or property, but by the law of the land.

Sec. 18. Every person restrained of his liberty is entitled to a remedy to inquire into the lawfulness thereof, and to remove the same, if unlawful; and such remedy ought not to be denied or delayed.

Sec. 19. In all controversies at law respecting property, the ancient mode of trial by jury is one of the best securities of the rights of the people, and ought to remain sacred and inviolable.

Sec. 20. The freedom of the press is one of the great bulwarks of liberty, and therefore ought never to be restrained, but every individual shall be held responsible for the abuse of the same.

Sec. 21. The privileges of the writ of habeas corpus shall not be suspended.

Sec. 22. As political rights and privileges are not dependent upon, or modified by, property, therefore no property qualification ought to affect the right to vote or hold office.

Sec. 23. The people of the State ought not to be taxed or made subject to the payment of any impost or duty without the consent of themselves, or their representatives in General Assembly, freely given.

Sec. 24. A well-regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed; and, as standing armies in time of peace are dangerous to liberty, they ought not to be kept up, and the military should be kept under strict subordination to, and governed by the civil power. Nothing herein contained shall justify the practice of carrying concealed weapons, or prevent the Legislature from enacting penal statutes against said practice.

Sec. 25. The people have a right to assemble together to consult for their common good, to instruct their representatives, and to apply to the Legislature for redress of grievances. But secret political societies are dangerous to the liberties of a free people, and should not be tolerated.

Sec. 26. All men have a natural and inalienable right to worship Almighty God according to the dictates of their own consciences, and no human authority should, in any case, whatever, control or interfere with the rights of conscience.
Sec. 27. The people have the right to the privilege of education, and it is the duty of the State to guard and maintain that right.

Sec. 28. For redress of grievances, and for amending and strengthening the laws, elections should be often held.

Sec. 29. A frequent recurrence to fundamental principles is absolutely necessary to preserve the blessings of liberty.

Sec. 30. No hereditary emoluments, privileges or honors ought to be granted or conferred in this State.

Sec. 31. Perpetuities and monopolies are contrary to the genius of a free state, and ought not to be allowed.

Sec. 32. Retrospective laws, punishing acts committed before the existence of such laws, and by them only declared criminal, are oppressive, unjust and incompatible with liberty, wherefore no ex post facto law ought to be made. No law taxing retrospectively sales, purchases, or other acts previously done ought to be passed.

Sec. 33. Slavery and involuntary servitude, otherwise than for crime, whereof the parties shall have been duly convicted, shall be, and are hereby, forever prohibited within the State.

Sec. 34. The limits and boundaries of the State shall be and remain as they now are.

Sec. 35. All courts shall be open; and every person for an injury done him in his lands, goods, person or reputation, shall have remedy by due course of law, and right and justice administered without sale, denial or delay.

Sec. 36. No soldier shall in time of peace be quartered in any house without the consent of the owner; nor in time of war, but in a manner prescribed by the law.

Sec. 37. This enumeration of rights shall not be construed to impair or deny others retained by the people; and all powers not herein delegated, remain with the people.

**ARTICLE II.**

**LEGISLATIVE DEPARTMENT.**

Section 1. The legislative authority shall be vested in two distinct branches, both dependent on the people, to wit, a Senate and House of Representatives.

Sec. 2. The Senate and House of Representatives shall meet biennially on the first Wednesday after the first Monday in January next after their election; and when assembled shall be designated the General Assembly. Neither house shall proceed upon public business unless a majority of all the members are actually present.

Sec. 3. The Senate shall be composed of fifty Senators, biennially chosen by ballot.

Sec. 4. The Senate districts shall be so altered by the General Assembly, at the first session after the return of every enumeration by order of Congress, that each Senate district shall con-
tain, as near as may be, an equal number of inhabitants, excluding aliens and Indians not taxed, and shall remain unaltered until the return of another enumeration, and shall at all times consist of contiguous territory; and no county shall be divided in the formation of a Senate district unless such county shall be equitably entitled to two or more Senators.

Sec. 5. The House of Representatives shall be composed of one hundred and twenty Representatives, biennially chosen by ballot, to be elected by the counties respectively, according to their population, and each county shall have at least one Representative in the House of Representatives, although it may not contain the requisite ratio of representation; this apportionment shall be made by the General Assembly at the respective times and periods when the districts of the Senate are hereinbefore directed to be laid off.

Sec. 6. In making the apportionment in the House of Represent- sentatives the ratio of representation shall be ascertained by dividing the amount of the population of the State, exclusive of that comprehended within those counties which do not severally contain the one hundred and twentieth part of the population of the State, by the number of Representatives, less the number assigned to such counties; and in ascertaining the number of the population of the State, aliens and Indians not taxed shall not be included. To each county containing the said ratio and not twice the said ratio there shall be assigned one Representative; to each county containing two but not three times the said ratio, there shall be assigned two Representatives, and so on progressively, and then the remaining Representatives shall be assigned severally to the counties having the largest fractions.

Sec. 7. Each member of the Senate shall not be less than twenty-five years of age, shall have resided in the State as a citizen two years, and shall have usually resided in the district for which he is chosen one year immediately preceding his election.

Sec. 8. Each member of the House of Representatives shall be a qualified elector of the State, and shall have resided in the county for which he is chosen for one year immediately preceding his election.

Sec. 9. In the election of all officers, whose appointment shall be conferred upon the General Assembly by the Constitution, the vote shall be viva voce.

And all corporations shall have the right to sue, and shall be subject to be sued in all courts, in like cases as natural persons.

Sec. 4. It shall be the duty of the Legislature to provide for the organization of cities, towns and incorporated villages, and to restrict their power of taxation, assessment, borrowing money, contracting debts and loaning their credit, so as to prevent abuses in assessments and in contracting debts by such municipal corporations.

Section 1. Religion, morality, and knowledge being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged.

Sec. 2. The General Assembly, at its first session under this Constitution, shall provide by taxation and otherwise for a general and uniform system of public schools, wherein tuition shall be free of charge to all the children of the State between the ages of six and twenty-one years. And the children of the white race and the children of the colored race shall be taught in separate public schools; but there shall be no discrimination in favor of, or to the prejudice of, either race.

Sec. 3. sales of the swamp lands belonging to the State, and all other grants, gifts or devises that have been or hereafter may be made to the State, and not otherwise appropriated by the State, or by the terms of the grant, gift or devise shall be paid into the State Treasury; and, together with so much of the ordinary revenue of the State as may be by law set apart for that purpose, shall be faithfully appropriated for establishing and maintaining in this State a system of free public schools, and for no other uses or purposes whatsoever.

Sec. 5. All moneys, stocks, bonds, and other property belonging to a county school fund; also the net proceeds from the sale of strays; also the clear proceeds of all penalties and forfeitures, and of all fines collected in the several counties for any breach of the penal or military laws of the State; and all moneys which shall be paid by persons as an equivalent for exemption from military duty, shall belong to and remain in the several counties, and shall be faithfully appropriated for establishing and maintaining free public schools in the several counties of this State: Provided, that the amount collected in each county shall be annually reported to the Superintendent of Public Instruction.

Sec. 6. The General Assembly shall have power to provide for the election of trustees of the University of North Carolina, in whom, when chosen, shall be vested all the privileges, rights, franchises and endowments thereof in any wise granted to or conferred upon the trustees of said University; and the General Assembly may make such provisions, laws and regulations, from time to time, as may be necessary and expedient for the maintenance and management of said University.

Sec. 7. The General Assembly shall provide that the benefits of the University, as far as practicable, be extended to the youth of the State free of expense for tuition; also that all the property which has heretofore accrued to the State, or shall hereafter accrue, from escheats, unclaimed dividends or distributive shares of the estates of deceased persons, shall be appropriated to the use of the University.

Sec. 10. The board of education shall succeed to all the powers and trusts of the president and directors of the literary fund of North Carolina, and shall have full power to legislate and make all needful rules and regulations in relation to free public schools and the educational fund of the State; but all acts, rules and regulations of said board may be altered, amended or repealed.

Sec. 2. Every homestead, and the dwellings and buildings used therewith, not exceeding in value one thousand dollars, to be selected by the owner thereof, or in lieu thereof, at the option of the owner, any lot in a city, town or village, with the dwelling and buildings used thereon, owned and occupied by any resident of this State, and not exceeding the value of one thousand dol-
ars, shall be exempt from sale under execution or other final process obtained on any debt. But no property shall be exempt from sale for taxes or for payment of obligations contracted for the purchase of said premises.

Sec. 3. The homestead, after the death of the owner thereof, shall be exempt from the payment of any debt during the minority of his children, or any one of them.

Sec. 4. The provisions of sections one and two of this article shall not be so construed as to prevent a laborer's lien for work done and performed for the person claiming such exemptions, or a mechanic's lien for work done on the premises.

Sec. 5. If the owner of a homestead die, leaving a widow but no children, the same shall be exempt from the debts of her hus-

The following punishments only shall be known to the laws of this State, viz.: Death, imprisonment with or without hard labor, fines, removal from office, and disqualification to hold and enjoy any office of honor, trust or profit under this State. The foregoing provision for imprisonment with hard labor shall be construed to authorize the employment of such convict labor on public works or highways, or other labor for public benefit, and the farming out thereof, where and in such manner as may be provided by law; but no convict shall be farmed out who has been sentenced on a charge of murder, manslaughter, rape, attempt to commit rape, or arson: Provided, that no convict whose labor may be farmed out shall be punished for any failure of duty as a laborer except by a responsible officer of the State; but the convicts so farmed out shall be at all times under the supervision and control, as to their government and discipline, of the penitentiary board or some officer of this State.

Sec. 8. There shall also, as soon as practicable, be measures devised by the State for the establishment of one or more orphan houses, where destitute orphans may be cared for, educated, and taught some business or trade.

Sec. 9. It shall be the duty of the Legislature, as soon as practicable, to devise means for the education of idiots and inebriates.

Sec. 2. The General Assembly shall provide for the organizing, arming, equipping and discipline of the militia, and for paying the same, when called into active service.

Sec. 3. The Governor shall be commander-in-chief, and shall have power to call out the militia to execute the law, suppress riots or insurrection, and to repel invasion.

Sec. 4. The General Assembly shall have power to make such exemptions as may be deemed necessary, and to enact laws that may be expedient for the government of the militia.
ARTICLE XIII.

AMENDMENTS.

Section 1. No convention of the people of this State shall ever be called by the General Assembly unless by the concurrence of two-thirds of all the members of each house of the General Assembly, and except the proposition, Convention or No Convention, be first submitted to the qualified voters of the whole State, at the next general election, in a manner to be prescribed by law. And should a majority of the votes cast be in favor of said convention, it shall assemble on such day as may be prescribed by the General Assembly.

Sec. 2. No part of the Constitution of this State shall be altered unless a bill to alter the same shall have been agreed to by three-fifths of each house of the General Assembly. And the amendment or amendments so agreed to shall be submitted at the next general election to the qualified voters of the whole State, in such manner as may be prescribed by law. And in the event of their adoption by a majority of the votes cast, such amendment or amendments shall become a part of the Constitution of this State.

ARTICLE XIV.

MISCELLANEOUS.

Sec. 4. The General Assembly shall provide, by proper legislation, for giving to mechanics and laborers an adequate lien on the subject-matter of their labor.

Sec. 5. In the absence of any contrary provision, all officers of this State, whether heretofore elected or appointed by the Governor, shall hold their positions only until other appointments are made by the Governor, or, if the officers are elective, until their successors shall have been chosen and duly qualified according to the provisions of this Constitution.

Sec. 6. The seat of government in this State shall remain at the city of Raleigh.
Sec. 7. No person, who shall hold any office or place of trust or profit under the United States, or any department thereof, or under this State, or under any other state or government, shall hold or exercise any other office or place of trust or profit under the authority of this State, or be eligible to a seat in either house of the General Assembly: Provided, that nothing herein contained shall extend to officers in the militia, justices of the peace, commissioners of public charities, or commissioners for special purposes.

SECTION 1. That two hundred and fifty thousand dollars be, and the same is, hereby appropriated annually out of the state treasury for the benefit of the public schools, to be apportioned by the State Board of Education to the respective counties of the State per capita as to school population on the first Monday in January of each year, using the school census of the preceding scholastic year as the basis of apportionment: Provided, that the State Board of Education shall annually deduct from said apportionment, before the apportionment thereof, the sum of one thousand five hundred dollars to be used in part payment of the salary and expenses of the Superintendent of the State Colored Normal Schools and inspector and director of the county teachers' institutes and of the teacher-training work of the State, and shall also deduct therefrom biennially in advance seven thousand five hundred dollars to be used for the establishment of rural libraries as provided in section four thousand one hundred and seventy-nine of The Revisal of one thousand nine hundred and five of North Carolina.

SEC. 2. Upon requisition of the Superintendent of Public Instruction, the State Auditor shall issue his warrant upon the State Treasurer for the amount due each county, payable to the county treasurer, to be credited to the general public school fund of said county.

SEC. 3. There shall be set aside annually five cents of the annual ad valorem tax levied and collected for State purposes on every one hundred dollars value of real and personal property in this State, and the funds annually arising from said tax shall be held by the State Treasurer as a fund separate and apart from all other funds for State purposes, and shall be known as "The State Equalizing School Fund," and shall be used, as hereinafter directed, to provide a six months school term in every school district in the State, or as nearly a six months term as said funds will provide.

SEC. 4. On or before the first Monday in December of each and every year the county board of education of each and every county entitled to aid from this fund shall submit to the State Board of Education, on blanks furnished for that purpose by the State Superintendent of Public Instruction, a sworn itemized statement by districts, showing the number of teachers employed in each district, the grade or class and the salary of each teacher, and such other information as may be required. Said statement shall further show under oath that provision has been made as required by law for a four months school term in each district of
said county, the rate of special tax levied therefor and the aggregate fund derived or to be derived therefrom. On or before the first Monday in February of each year the State Treasurer shall certify to the State Board of Education the amount of said state equalizing school fund derived and to be derived from said five cents property tax levied and set aside from the State tax levy on every one hundred dollars value of real and personal property in the State during the school year ending June thirtieth thereafter, and the State Board of Education shall apportion said fund among all the counties of the State that have complied with all the requirements of the law for providing a school term of four months in every school district, so as to equalize the school terms in said counties and bring the term in each legal school district in each of said counties to an equal length, bringing all terms in all districts to a minimum of six months, or as near thereto as the funds provided for this purpose render possible. The State Board of Education, however, shall apportion this fund only for the salaries of the teachers employed, and no part of said fund shall be apportioned or used for any other purpose than for the payment of the salaries of the said teachers for the period designated by the State Board of Education in the apportionment to each county. The salaries apportioned from said fund for teachers shall not exceed forty dollars per month for first grade, thirty dollars per month for second grade, and twenty dollars per month for third grade. Any balance of said fund that may remain after equalizing terms to six months as herein provided shall be apportioned among all the counties of the State per capita as to school population.

Sec. 5. In the apportionment of the county school fund and in the apportionment of funds under this act to school districts levying a special tax for their schools no account shall be taken of the funds derived from said special tax, and the authorities legally empowered to levy such special tax in such school districts are hereby authorized, upon recommendation of the school committee or board of trustees of said school districts, to reduce the rate of the annual special tax levy therein proportionately to the increase of the funds of said district from the increased apportionment from the county and state funds and to the needs of the district: Provided, however, that the school term in said district shall not be reduced by said decrease in the special tax more than it is lengthened by the increased appropriation from the county and state funds.

Sec. 6. After any county shall have levied and collected a special tax of fifteen cents on every one hundred dollars value of property, real and personal, and forty-five cents on every taxable poll therein, to provide a four months school term in every school district, though the funds derived therefrom may be insufficient therefor, said county shall be entitled to receive from the State equalizing school fund provided under this act an apportionment.
for salaries of teachers for the same increased period beyond the end of its school term as it would if it had provided a full four months term in every district.

Sec. 7. Upon requisition by the State Superintendent of Public Instruction, the State Auditor shall issue his warrant upon the State Treasurer payable to the county treasurer for the apportionment made under section four of this act to each county, and the funds when received by said County Treasurer shall be placed to the credit of the county school fund of said county, to be used only for the specific purpose designated in this act; and the county treasurer is forbidden to pay any part thereof for any other purpose; the county board of education is forbidden to order the payment of any part thereof for any other purpose, and the county superintendent of public instruction is forbidden to sign any voucher for the payment of any part thereof for any other purpose than for the payment of teachers' salaries as and for the period designated. No district in any county shall be entitled to any part of said apportionment for the payment of the salary of its teachers until the committee thereof or the township committee shall have furnished to the county superintendent satisfactory evidence, sworn to if required, that the necessary funds have been provided for paying the incidental expenses of the school or schools in said district for the additional term for which teachers' salaries have been provided in said apportionment. Any county treasurer, county superintendent, or member of any county board of education violating any of the provisions of this section shall be guilty of a misdemeanor, and shall be fined or imprisoned in the discretion of the court.

Sec. 8. Chapter five hundred and eight of the Public Laws of one thousand nine hundred and nine of North Carolina is hereby repealed, and the following is hereby substituted and enacted in lieu thereof: On or before the first Monday in June of each and every year the county board of education of each county shall ascertain the amount of money needed to maintain the public schools of such county for four months during the succeeding school year. The county board of education, using as a basis the receipts for school purposes during the current school year ending June thirtieth thereafter, shall ascertain the amount that will be available for school purposes from the general school tax, from fines, forfeitures, and penalties, and from the annual per capita appropriation to the county from the special state appropriation for public schools under this act. If the amount received and to be received from these sources is less than the amount ascertained to be needed for a full four months school term in every public school district of the county, said county board of education shall submit to the board of county commissioners of said county an itemized statement of the amounts needed for supervision, for administration, for buildings and repairs, for salaries of teachers, and for all other expenses allowed by law. The state-
ment shall also set forth the number of teachers, white and colored, to be employed in each district, and the salary of each teacher in each district. The limitation placed by law on each of these objects shall not be exceeded. It shall thereupon be the duty of the board of county commissioners to levy a special tax on all property, real and personal, and on all taxable poll, subject to the constitutional limitation as to poll tax, in said county sufficient to supply the deficiency needed for the support and maintenance of the public schools of said county for four months in each school district: Provided, that no county shall be compelled to levy a special tax of more than fifteen cents on every hundred dollars value of property, real and personal, and forty-one cents on every taxable poll for said purpose. The said tax shall be levied and collected at the same time and in the same manner as other county taxes are levied and collected, and the funds derived therefrom shall be apportioned and expended by the county board of education for maintaining one or more public schools in each school district for a term of four months in each year. In the event of a disagreement between the county board of education and the board of county commissioners as to the amount of the deficiency to be supplied for a four months school year, and as to the rate of tax to be levied therefor, or of the refusal of any board of county commissioners to levy said tax, the county board of education shall bring an action in the nature of mandamus against the board of county commissioners to compel the levying of such special tax in the manner and form as provided in sections eight hundred and twenty-two and eight hundred and twenty-four of The Revisal of one thousand nine hundred and five of North Carolina, and it shall be the duty of the judge hearing the same to find the facts as to the amount needed and the amount available from the sources herein specified, which finding shall be conclusive, and to give judgment requiring the county commissioners to levy the sum which he shall find necessary to maintain the schools for four months in said county. No county shall receive any part of the State equalizing school fund provided by this act until it shall have levied the special tax herein required of it for a four months school term in every school district.

Sec. 9. That the board of commissioners of any county in North Carolina be, and they are hereby authorized and empowered to levy a special tax in excess of the constitutional limitation, not exceeding five (5) cents on the one hundred dollars ($100.00) valuation of all property listed for taxation in their respective counties, to provide for any deficiency in the necessary expenses and revenue of said respective counties, which may be caused by the provisions of this act.

Sec. 6. Whenever any county in this State shall have provided for the appointment and election of hospital trustees, and have voted a tax for a term not exceeding twenty (20) years for hospital purposes, as authorized by law, the said county may issue bonds in anticipation of the collection of such tax in such sums and amounts as the board of hospital trustees shall certify to the board of county commissioners of said county to be necessary for the purposes contemplated by such tax, but such bonds in the aggregate shall not exceed the amount which might be realized by said tax, based on the amount which may be yielded on the property valuation of the year in which the tax is voted, and such bonds shall mature in twenty (20) years from date and shall be in sums not less than one hundred (100) dollars or more than one thousand (1,000) dollars, drawing interest at a rate not exceeding five (5) per cent per annum, payable annually or semi-annually; said bonds shall be payable at pleasure of county after five (5) years, and each of said bonds shall provide that it is subject to this condition, and shall not be sold for less than par, and shall be substantially in the form provided for county bonds, but subject to changes that will conform them to the provisions of this act, and be numbered consecutively and redeemable in the order of their issuance.

Sec. 7. If the board of hospital trustees and the owners of any property desired by them for hospital purposes, can not agree as to the price to be paid therefor, they shall report the fact to the board of county commissioners and condemnation proceedings shall be instituted by the board of county commissioners and prosecuted in the name of the county wherein such public hospital is to be located, by the county attorney for such county, under the provisions of chapter . . . ., Revisal of North Carolina of one thousand nine hundred and five.
Sec. 8. No hospital buildings shall be erected or constructed until the plans and specifications have been made therefor and adopted by the board of hospital trustees, and bids advertised for according to law for other county buildings.

The jurisdiction of the city, town or village in or near which public hospital is located, shall extend over all lands used for hospital purposes outside the corporate limits, if so located, and all ordinances of such cities and towns shall be in full force and effect in and over the territory occupied by such public hospital.

Sec. 10. In the counties exercising the rights conferred by this act, the board of county commissioners may appropriate each year, in addition to tax for hospital fund hereinbefore provided for, not exceeding five (5) per cent of its general fund for the improvement and maintenance of any public hospital so established.

Sec. 11. Every hospital established under this act shall be for the benefit of the inhabitants of such county and of any person falling sick or being injured or maimed within its limits; but every inhabitant or person who is not a pauper shall pay to such board of hospital trustees or such officers as it shall designate for such county public hospital, a reasonable compensation for occupancy, nursing, care, medicine, or attendance, according to the rules and regulations prescribed by said board, such hospital always being subject to such reasonable rules and regulations as said board may adopt, in order to render the use of said hospital of the greatest benefit to the greatest number; and said board may exclude from the use of such hospital any and all inhabitants and persons who shall willfully violate such rules and regulations. Sec. 13. Any person or persons, firm, organization, corporation or society desiring to make donations of money, personal property or real estate for the benefit of such hospital, shall have the right to vest title of the money or real estate so donated in said county to be controlled, when accepted, by the board of hospital trustees according to the terms of the deed, gift, devise, or bequest of such property.

That subchapter twelve, chapter one hundred, Revisal one thousand nine hundred and five of North Carolina, sections four thousand seven hundred and ninety-five, four thousand seven hundred and ninety-six, four thousand seven hundred and ninety-seven, and four thousand seven hundred and ninety-eight be amended to read as follows:

XII. Fraternal Orders and Societies.

4794. What laws applicable to. Nothing in the general insurance laws, except such laws as apply to fraternal societies, shall be construed to extend to benevolent associations, incorporated under the laws of this State that only levy an assessment on the members to create a fund to pay the family of a deceased member and make no profit therefrom, and do not solicit business through agents. Such benevolent associations providing death benefits in excess of three hundred dollars to any one person, or disability benefits not exceeding three hundred dollars in any one year to any one person, or both, shall be known as “fraternal benefit societies”; and those providing benefits of three hundred dollars or less shall be known as “fraternal orders.”

4795. Fraternal Orders Defined. Every incorporated association, order or society doing business in this State on the lodge system, with ritualistic form of work and representative form of government, for the purpose of making provision for the payment of benefits of three hundred dollars or less in case of death, sickness, temporary or permanent physical disability, either as the result of disease, accident or old age, formed and organized for the sole benefit of its members and their beneficiaries, and not for profit, is hereby declared to be a “fraternal order.” Societies and orders which do not make insurance contacts or collect dues or assessments therefor, but simply pay burial or other benefits out of the treasury of their orders, and use their funds for the purpose of building homes or asylums for the purpose of caring for and educating orphan children and aged and infirm people in this State, shall not be considered as “fraternal orders” or “fraternal benefit societies” under this chapter; and such order or association paying death or disability benefits may also create, maintain, apply or disburse among its membership a reserve or emergency fund as may be provided in its constitution or by-laws; but no profit or gain shall be added to the payments made by a member.
4796. **Funds must be derived from assessments and dues.** The fund from which the payment of benefits, as provided for in the next preceding section, shall be made, and the fund from which the expenses of such association, order or society shall be defrayed, shall be derived from assessments or dues collected from its members. Such societies or associations shall be governed by the laws of the State governing fraternal orders or societies, and shall be exempt from the provisions of all general insurance laws of this State, and no law hereafter passed shall apply to such societies unless fraternal orders or societies be designated therein.

4797. **Supreme governing body may meet out of the State; principal business office must be here.** Any such society or order incorporated and organized under the laws of this State may provide for the meeting of its supreme legislative or governing body in any other state, province or territory wherein such society shall have subordinates lodges, and all business that has been heretofore or may hereafter be transacted at such meetings shall be as valid in all respects as if such meetings were held within this State; but the principal business office of such society shall always be kept within this State and never removed therefrom.

No fraternal order or society or beneficiary association shall be authorized to do business in this State under the provisions of this act, whether incorporated under the laws of this or any other state, province or territory, which associates with, or seeks in this State to associate with, as members of the same lodge, fraternity, society, association, the white and colored races with the objects and purposes provided in this act.

4798. **Conditions precedent to doing business here.** Any such fraternal, beneficiary order, society or association as is defined by this chapter, chartered and organized in this State or organized and doing business under the laws of any other state, district, province or territory, having the qualifications required of domestic societies of like character, upon satisfying the Insurance Commissioner that its business is proper and legitimate and so conducted, may be admitted to transact business in this State upon the same conditions as are prescribed by this chapter for admitting and authorizing foreign insurance companies to do business in this State, except that such fraternal orders shall not be required to have the capital required of such insurance companies.

Sec. 2. This act shall be in force from and after its ratification.

In the General Assembly read three times and ratified this the 6th day of March, 1913.

4857. By whom paid.—When the militia or any portion thereof shall be called into active service, according to law, to serve any county of the State, or for guarding the jail of such county on account of prisoners from some other county being imprisoned in such jail, the county commissioners of the county from which said prisoners may be or may have been taken shall audit the account of said militia, and draw a warrant upon the county treasurer for the same, and the county treasurer shall pay the same out of any county funds not otherwise appropriated.

Insurance Commissioner, who may require such further information as he deems necessary, and if the purposes of the society conform to the requirements of this act, and all provisions of law have been complied with, the Insurance Commissioner shall so certify to the Secretary of State, and upon his issuing the articles of incorporation shall furnish the incorporators a preliminary license authorizing said society to solicit members as hereinafter provided.

Upon receipt of said license from the Insurance Commissioner said society may solicit members for the purpose of completing its organization and shall collect from each applicant the amount of not less than one regular monthly payment, in accordance with its table of rates as provided by its constitution and laws, and shall issue to each such applicant a receipt for the amount so collected. But no such society shall incur any liability other than for such advanced payments, nor issue any benefit certificate nor pay or allow, or offer or promise to pay or allow, to any person any death or disability benefit until actual bona fide applications for death benefit certificates have been secured upon at least five hundred lives for at least one thousand dollars each, or the largest amount written on any one person, and all such applicants for death benefits shall have been regularly examined by legally qualified practicing physicians, and certificates of such examinations have been duly filed and approved by the chief medical examiner of such society; nor until there shall be established ten subordinate lodges or branches into which said five hundred applicants have been initiated; nor until there has been submitted to the Insurance Commissioner under oath of the president and secretary, or corresponding officers of such society, a list of such applicants, giving their names, addresses, date examined, date approved, date initiated, name and number of the subordinate branch of which each applicant is a member, amount of benefits to be granted, rate of stated periodical contributions, which shall be sufficient to provide for meeting the mortuary obligation, contracted, when valued for death benefits upon the basis of the National Fraternal Congress Table of Mortality, as adopted by the National Fraternal Congress, August twenty-third, one thousand eight hundred and ninety-nine, or any higher standard at the option of the society, and for disability benefits by tables based upon reliable experience and for combined death and permanent total disability benefits by tables based upon reliable experience, with an interest assumption not higher than four per cent per annum; nor until it shall be shown to the Insurance Commissioner by the sworn statement of the treasurer, or corresponding officer of such society, that at least five hundred applicants have each paid in cash at least one regular monthly payment as herein provided per one thousand dollars of indemnity to be effected, which payments in the aggre-
gate shall amount to at least twenty-five hundred dollars; all of which shall be credited to the mortuary or disability fund on account of such applicants, and no part of which may be used for expenses.

Said advanced payments shall, during the period of organization, be held in trust, and, if the organization is not completed within one year as hereinafter provided, returned to said applicants.

The Insurance Commissioner may make such examination and require such further information as he deems advisable, and upon presentation of satisfactory evidence that the society has complied with all the provisions of law, he shall issue to such society a certificate or license to that effect. Such certificate shall be prima facie evidence of the existence of such society at the date of such certificate.

No preliminary certificate or license granted under the provisions of this section shall be valid after one year from its date, or after such further period, not exceeding one year, as may be authorized by the Insurance Commissioner, upon cause shown; unless the five hundred applicants herein required have been secured and the organization has been completed as herein provided; and the articles of incorporation and all proceedings thereunder shall become null and void in one year from the date of said preliminary certificate, or at the expiration of said extended period, unless such society shall have completed its organization and commenced business as herein provided. When any domestic society shall have discontinued business for the period of one year, or has less than four hundred members, its charter shall become null and void.

Every such society shall have the power to make a constitution and by-laws for the government of the society, the admission of its members, the management of its affairs, and the fixing and readjusting of the rates of contribution of its members from time to time; and it shall have the power to change, alter, add to, or amend such constitution and by-laws and shall have such other powers as are necessary and incidental to carrying into effect the objects and purposes of the society.

Sec. 12. Power retained; reincorporation; amendments.

Any society now engaged in transacting business in this State may exercise, after the passage of this act, all of the rights conferred thereby, and all the rights, powers and privileges now exercised or possessed by it under its charter or articles of incorporation not inconsistent with this act, if incorporated; or, if it be a voluntary association, it may incorporate hereunder. But no society already organized shall be required to reincorporate hereunder, and any such society may amend its articles of incorporation from time to time in the manner provided by law.

No domestic society shall merge with or accept the transfer of the membership or funds of any other society unless such merger or transfer is evidenced by a contract in writing, setting out in full the terms and conditions of such merger or transfer, and filed with the Insurance Commissioner of this State, together with a sworn statement of the financial condition of each of said societies, by its president and secretary, or corresponding officers, and a certificate of such officers, duly verified under oath of said officers of each of the contracting societies that such merger or transfer has been approved by a vote of two-thirds of the members of the supreme legislative or governing body of each of said societies.

Upon the submission of said contract, financial statements and certificates the Insurance Commissioner shall examine the same, and, if he shall find such financial statements to be correct and the said contract to be in conformity with the provisions of this section, and that such merger or transfer is just and equitable to the members of each of said societies, he shall approve said merger or transfer, issue his certificate to that effect, and thereupon the said contract of merger or transfer shall be of full force and effect.

In case such contract is not approved, the fact of its submission and its contents shall not be disclosed by the Insurance Commissioner.

Societies which are now authorized to transact business in this State may continue such business until the first day of April next succeeding the passage of this act, and the authority of such societies may thereafter be renewed annually, but in all cases to terminate on the first day of the succeeding April: Provided, however, the license shall, upon payment of license fee, continue in full force and effect until the new license be issued or specifically refused. For each such license or renewal the society shall pay the Insurance Commissioner twenty-five dollars. A duly certified copy or duplicate of such license shall be prima facie evidence that the license is a fraternal benefit society within the meaning of this act.

SEC. 15. Place of meeting; location of office.

Any domestic society may provide that the meetings of its legislative or governing body may be held in any state, district, province, or territory wherein such society has subordinate branches and all business transacted at such meetings shall be as valid in all respects as if such meetings were held in this State; but its principal office shall be located in this State.
SEC. 16. **No personal liability.**

Officers and members of the supreme, grand or any subordinate body of any such incorporated society shall not be individually liable for the payment of any disability or death benefit provided for in the laws and agreements of such society; but the same shall be payable only out of the funds of such society and in the manner provided by its laws.

SEC. 17. **Waiver of the provisions of the laws.**

The constitution and laws of the society may provide that no subordinate body, nor any of its subordinate officers or members, shall have the power or authority to waive any of the provisions of the laws and constitution of the society, and the same shall be binding on the society and each and every member thereof and on all beneficiaries of members.

SEC. 18. **Benefits not attachable.**

No money or other benefit, charity or relief or aid to be paid, provided or rendered by any such society shall be liable to attachment, garnishment or other process, or be seized, taken, appropriated or applied by any legal or equitable process or operation of law to pay any debt or liability of a member or beneficiary or any other person who may have a right thereunder, either before or after payment.

SEC. 19. **Constitution and laws. Amendment.**

Every society transacting business under this act shall file with the Insurance Commissioner a duly certified copy of all amendments of or additions to its constitution and laws within ninety days after the enactment of the same. Printed copies of the constitution and laws as amended, changed or added to, certified by the secretary or corresponding officer of the society, shall be *prima facie* evidence of the legal adoption thereof.

SEC. 20. **Annual reports.**

Every society transacting business in this State shall annually, on or before the first day of March, file with the Insurance Commissioner in such form as he may require, a statement, under oath of its president and secretary or corresponding officers, of its condition and standing on the thirty-first day of December next preceding, and of its transactions for the year ending on that date, and also shall furnish such other information as the commissioner may deem necessary to a proper exhibit of its business and plan of working. The commissioner may at other times require any further statement he may deem necessary to be made relating to such society.

In addition to the annual report herein required, each society shall annually report to the commissioner a valuation of its certificates in force on December thirty-first, last preceding; excluding those issued within the year for which the report is
filed, in cases where the contributions for the first year in whole
or in part are used for current mortality and expenses: Pro-
vided, the first report of valuation shall be made as of December
thirty-first, one thousand nine hundred and twelve. Such report
of valuation shall show, as contingent liabilities, the present mid-
year value of the promised benefits provided in the constitution
and laws of such society under certificates then subject to valua-
tion; and as contingent assets, the present mid-year value of the
future net contributions provided in the constitution and laws
as the same are in practice actually collected. At the option of
any society, in lieu of the above, the valuation may show the
net value of the certificates subject to valuation hereinbefore pro-
vided, and said net value, when computed in case of monthly
contributions, may be the mean of the terminal values for the
end of the preceding and of the current insurance years.

Such valuation shall be certified by a competent accountant
or actuary, or, at the request and expense of the society, verified
by the actuary of the department of insurance of the home state
of the society, and shall be filed with the commissioner within
ninety days after the submission of the last preceding annual re-
port. The legal minimum standard of valuation for all certifi-
cates, except for disability benefits, shall be the National Fra-
ternal Congress Table of Mortality as adopted by the National
Fraternal Congress August twenty-third, one thousand eight hun-
dred and ninety-nine, or, at the option of the society, any higher
table; or, at its option, it may use a table based upon the society's
own experience of at least twenty years and covering not less
than one hundred thousand lives with interest assumption not
more than four per centum per annum. Each such valuation re-
port shall set forth clearly and fully the mortality and interest
basis and the method of valuation. Any society providing for
disability benefits shall keep the net contributions for such ben-
efits in a fund separate and apart from all other benefit and ex-
 pense funds and the valuation of all other business of the society:
Provided, that where a combined contribution table is used by
a society for both death and permanent total disability benefits,
the valuation shall be according to tables of reliable experience,
and in such case a separation of the funds shall not be required.

The valuation herein provided for shall not be considered or
regarded as a test of the financial solvency of the society, but each
society shall be held to be legally solvent so long as the funds
in its possession are equal to or in excess of its matured lia-
bilities.

Beginning with the year one thousand nine hundred and four-
een a report of such valuation and an explanation of the facts
concerning the condition of the society thereby disclosed shall
be printed and mailed to each beneficiary member of the society
not later than June first of each year; or, in lieu thereof, such
report of valuation and showing of the society's condition as
thereby disclosed may be published in the society's official paper, and the issue containing the same mailed to each beneficiary member of the society. The laws of such society shall provide that if the stated periodical contributions of the members are insufficient to pay all matured death and disability claims in full, and to provide for the creation and maintenance of the funds required by its laws, additional, increased or extra rates of contribution shall be collected from and members to meet such deficiency; and such laws may provide that, upon the written application or consent of the member, his certificate may be charged with its proportion of any deficiency disclosed by valuation, with interest not exceeding five per centum per annum.

Sec. 20a. Provisions to insure future security.

If the valuation of the certificates, as hereinbefore provided, on December thirty-first, one thousand nine hundred and seventeen, shall show that the present value of future net contributions, together with the admitted assets, is less than the present value of the promised benefits and accrued liabilities, such society shall thereafter maintain said financial condition at each succeeding triennial valuation in respect of the degree of efficiency as shown in the valuation as of December thirty-first, one thousand nine hundred and seventeen. If at any succeeding triennial valuation such society does not show at least the same condition, the commissioner shall direct that it thereafter comply with the requirements herein specified. If the next succeeding triennial valuation after the receipt of such notice shall show that the society has failed to maintain the condition required herein, the commissioner may, in the absence of good cause shown for such failure, institute proceedings for the dissolution of such society, in accordance with the provisions of section twenty-four of this act, or in the case of a foreign society, its license may be canceled in the manner provided in this act.

Any such society, shown by any triennial valuation, subsequent to December thirty-first, one thousand nine hundred and seventeen, not to have maintained the condition herein required, shall, within two years thereafter, make such improvement as to show a percentage of deficiency not greater than as of December thirty-first, one thousand nine hundred and seventeen, or thereafter, as to all new members admitted, be subject, so far as stated rates of contributions are concerned, to the provisions of section eleven of this act, applicable in the organization of new societies: Provided, that the net mortuary or beneficiary contributions and funds of such new members shall be kept separate and apart from the other funds of the society. If such required improvement is not shown by the succeeding triennial valuation, then the said new members may be placed in a separate class and their certificates valued as an independent society in respect of contributions and funds.
Valuation on accumulation basis. Sec. 20b. In lieu of the requirements of section twenty and twenty-a, any society accepting in its laws the provisions of this section may value its certificates on a basis herein designated "accumulation basis," by crediting each member with the net amount contributed for each year, and with interest at approximately the net rate earned and by charging him with his shares of the losses for each year, herein designated "cost of insurance" and carrying the balance, if any, to his credit. The charge for the cost of insurance may be according to the actual experience of the society applied to a table of mortality recognized by the law of this State, and shall take into consideration the amount at risk during each year, which shall be the amount payable at death less the credit to the member. Except as specifically provided in its articles or laws or contracts no charge shall be carried forward from the first valuation hereunder against any member of any past share of losses exceeding the contributions and credit. If, after the first valuation, any member's share of losses for any year exceeds his credit, including the contribution for the year, the contribution shall be increased to cover his share of the losses. Any such excess share of losses chargeable to any member may be paid out of a fund or contributions especially created or required for such purpose.

Any member may transfer to any plan adopted by the society with net rates on which tabular reserves are maintained, and on such transfer shall be entitled to make such application of his credit as provided in the laws of the society.

Certificates issued, rerated or readjusted on a basis providing for adequate rates with adequate reserves to mature such certificates upon assumptions for mortality and interest recognized by the law of this State, shall be valued on such basis, herein designated the "Tabular Basis": Provided, that if on the first valuation under this section a deficiency in reserve shall be shown for any such certificate, the same shall be valued on the accumulation basis.

Funds for meeting deficiency. Whenever, in any society having members upon the tabular basis and upon the accumulation basis, the total of all costs of insurance provided for any year shall be insufficient to meet the actual death and disability losses for the year, the deficiency shall be met for the year from the available funds after setting aside all credits in the reserve; or from increased contributions or by an increase in the number of assessments applied to the society as a whole or to classes of members as may be specified in its laws. Savings from a lower amount of death losses may be returned in like manner as may be specified in its laws.

Return of savings. If the laws of the society so provide, the assets representing the reserves of any separate class of members may be carried separately for such class as if in an independent society, and the required reserve accumulation of such class so set apart shall not thereafter be mingled with the assets of other classes of the society.
A table showing the credits to individual members for each age and year of entry and showing opposite each credit the tabular reserve required on the whole life or other plan of insurance specified in the contract, according to assumptions for mortality and interest recognized by the law of this State and adopted by the society, shall be filed by the society with each annual report, and also be furnished to each member before July first of each year.

In lieu of the aforesaid statement there may be furnished to each member within the same time a statement giving the credit for such member and giving the tabular reserve and level rate required for a transfer carrying out the plan of insurance specified in the contract. No table or statement need be made or furnished where the reserves are maintained on the tabular basis.

For this purpose individual bookkeeping accounts for each member shall not be required and all calculations may be made by actuarial methods.

Nothing herein contained shall prevent the maintenance of such surplus over and above the credits on the accumulation basis and the reserves on the tabular basis pursuant to its laws; nor be construed as giving to the individual member any right or claim to any such reserve or credit other than in manner as expressed in the contract and its laws; nor as making any such reserve or credits a liability in determining the legal solvency of the society.

Sec. 21. Examination of domestic societies.

The Insurance Commissioner, or any person he may appoint, shall have power of visitation and examination into the affairs of any domestic society. He may employ assistants for the purpose of such examination, and he, or any person he may appoint, shall have free access to all the books, papers and documents that relate to the business of the society and may summon and qualify as witness under oath and examine its officers, agents and employees or other persons in relation to the affairs, transactions and condition of the society.

The expense of such examination shall be paid by the society examined upon statement furnished by the Insurance Commissioner and the examination shall be made at least once in three years.

Whenever after examination the Insurance Commissioner is satisfied that any domestic society has failed to comply with any provisions of this act, or is exceeding its powers, or is not carrying out its contracts in good faith, or is transacting business fraudulently; or whenever any domestic society, after the existence of one year or more, shall have a membership of less than four hundred (or shall determine to discontinue business), the Insurance Commissioner may present the facts relating
thereto to the Attorney-General, who shall, if he deem the circumstances warrant, commence an action in *quo warranto* in a court of competent jurisdiction, and such court shall thereupon notify the officers of such society of a hearing, and if it shall then appear that such society should be closed, said society shall be enjoined from carrying on any further business and some person shall be appointed receiver of such society, and shall proceed at once to take possession of the books, papers, moneys and other assets of the society and shall forthwith, under the direction of the court, proceed to close the affairs; of the society and to distribute its funds to those entitled thereto.

No such proceedings shall be commenced by the Attorney-General against any such society until after notice has been duly served on the chief executive officers of the society and a reasonable opportunity given to it, on a date to be named in said notice, to show cause why such proceedings should not be commenced.

**Sec. 22.** *Application for receiver, etc.*

No application for injunction against or proceedings for the dissolution of or the appointment of a receiver for any such domestic society or branch thereof shall be entertained by any court in this State unless the same is made by the Attorney-General.

**Sec. 23.** *Examination of foreign societies.*

The Insurance Commissioner or any person whom he may appoint may examine any foreign society transacting or applying for admission to transact business in this State. The said commissioner may employ assistants, and he, or any person he may appoint shall have free access to all the books, papers and documents that relate to the business of the society, and may summon and qualify as witness under oath and examine its officers, agents and employees and other persons in relation to the affairs, transactions and conditions of the society. He may, in his discretion, accept in lieu of such examination the examination of the Insurance Department of the state, territory, district, province or country where such society is organized. The actual expenses of examiners making any such examination shall be paid by the society upon statement furnished by the Insurance Commissioner.

If any such society or its officers refuse to submit to such examination or to comply with the provisions of the section relative thereto, the authority of such society to write new business in this State shall be suspended or license refused until satisfactory evidence is furnished the commissioner relating to the condition and affairs of the society, and during such suspension the society shall not write new business in this State.

**Sec. 24.** *No adverse publications.*

Pending, during or after an examination or investigation of any such society, either domestic or foreign, the Insurance Commissioner shall make public no financial statement, report or find-
ing, nor shall he knowingly permit to become public any financial statement, report or finding affecting the status, standing or rights of any such society, until a copy thereof shall have been served upon such society, at its home office, nor until such society shall have been afforded a reasonable opportunity to answer any such financial statement, report or finding, and to make such showing in connection therewith as it may desire.

Sec. 25. Revocation of license.

When the Insurance Commissioner on investigation is satisfied that any foreign society transacting business under this act has exceeded its powers, or has failed to comply with any provisions of this act or is conducting business fraudulently, or is not carrying out its contracts in good faith, he shall notify the society of his findings, and state in writing the grounds of his dissatisfaction, and after reasonable notice require said society, on a date named, to show cause why its license should not be revoked. If on the date named in said notice such objections have not been removed to the satisfaction of the said commissioner, or the society does not present good and sufficient reasons why its authority to transact business in this State should not at that time be revoked, he may revoke the authority of the society to continue business in this State. All decisions and findings of the commissioner made under the provisions of this section may be reviewed by proper proceedings in any court of competent jurisdiction, as provided in this act.

Sec. 26. Exemption of certain societies.

Nothing contained in this act shall be construed to affect or apply to societies which limit their membership to any one hazardous occupation, nor to similar societies which do not issue insurance certificates, nor to an association of local lodges of a society now doing business in this State which provides death benefits not exceeding five hundred dollars to any one person or disability benefits not exceeding three hundred dollars in any one year to any one person, or both, nor to any contracts of reinsurance business on such plan in this State, nor to domestic societies which limit their membership to the employees of a particular city or town, designated firm, business house or corporation, nor to domestic lodges, orders or associations of a purely religious, charitable and benevolent description, which do not provide for a death benefit of more than one hundred dollars, or for disability benefits of more than one hundred and fifty dollars to any one person in any one year. The Insurance Commissioner may require from any society such information as will enable him to determine whether such society is exempt from the provisions of this act.

Sec. 27. Any fraternal benefit society, heretofore organized and Accident societies, incorporated and operating within the definition set forth in sec-

Pub.—10
tions one, two, and three of this act, providing for benefits in case of death or disability resulting solely from accidents, but which does not obligate itself to pay death or sick benefits, may be licensed under the provisions of this act, and shall have all the privileges and shall be subject to all the provisions and regulations of this act, except that the provisions of this act requiring medical examinations, valuations of benefit certificates, and that the certificate shall specify the amount of benefits shall not apply to such society.

SEC. 28. Penalties.

False or fraudulent statements misdemeanor.

Any person, officer, member or examining physician of any society authorized to do business under this act who shall knowingly or willfully make any false or fraudulent statement or representation in or with reference to any application for membership, or for the purpose of obtaining money from or benefit in any society transacting business under this act, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than one hundred dollars nor more than five hundred dollars, or imprisoned in the county jail for not less than thirty days nor more than one year, or both, in the discretion of the court; and any person who shall willfully make a false statement of any material fact or thing in a sworn statement as to the death or disability of a certificate holder in any such society for the purpose of procuring payment of a benefit named in the certificate of such holder, and any person who shall willfully make any false statement in any verified report or declaration under oath required or authorized by this act, shall be guilty of perjury, and shall be proceeded against and punished as provided by the statutes of this State in relation to the crime of perjury.

Soliciting business for unauthorized company misdemeanor.

Any person who shall solicit membership for, or in any manner assist in procuring membership in any fraternal benefit society not licensed to do business in this State, or who shall solicit membership for, or in any manner assist in procuring membership in any such society not authorized as herein provided, to do business as herein defined in this State, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than fifty nor more than two hundred dollars.

Punishment for violation of act.

Any society, or any officer, agent or employee thereof neglecting or refusing to comply with, or violating any of the provisions of this act, the penalty for which neglect, refusal or violation is not specified in this section, shall be fined not exceeding two hundred dollars upon conviction thereof.

SEC. 29. All acts and parts of acts inconsistent with this act are hereby repealed.

In the General Assembly read three times and ratified this the 18th day of March, 1913.
CHAPTER 90.

AN ACT TO PROVIDE FOR THE ASSURANCE AND REGISTRATION OF LAND TITLES.

The General Assembly of North Carolina do enact:

Section 1. That for the purpose of enabling all persons owning real estate within this State to have the title thereto settled and registered, as prescribed by the provisions of this act, the Superior Court of the county in which the land lies in the State shall have exclusive original jurisdiction of all petitions and proceedings had thereupon, under the rules of practice and procedure prescribed for special proceedings, Revised one thousand nine hundred and five, chapter twelve, title thirty-two, except as herein otherwise provided.

Sec. 2. The proceedings under any petition for the registration of land, and all proceedings in the court in relation to registered land, shall be proceedings in rem against the land, and the decrees of the court shall operate directly on the land, and vest and establish title thereto in accordance with the provisions of this act.

Sec. 3. The clerk of such court of each county, within thirty days after this act shall go into effect, shall appoint three or more examiners of titles, who shall be licensed attorneys at law, residing in the county wherein appointed. They shall qualify by taking oath before the clerk to faithfully discharge the duties of such office, which oath shall be filed in the office of the clerk. The term of said office shall be two years. Examiners of titles shall have and exercise the jurisdiction and perform the duties herein-after prescribed, and receive the fees herein provided. They shall not appear in or have any connection with any proceeding instituted under the provisions of this act, and they shall be subject to removal at will by such clerk or judge of the Superior Court.

Sec. 4. That any person or persons, being in the peaceable possession of land within the State and claiming an estate of inheritance therein, may prosecute a special proceeding in rem against all the world in the Superior Court for the county in which such land is situate, to establish his title thereto, to determine all adverse claims and have the title registered. Any number of the separate parcels of land claimed by the petitioner may be included in the same proceeding, and any one parcel may be established in several parts, each of which shall be clearly and accurately described and registered separately, and the decree therein shall operate directly upon the land and establish and vest an indefeasible title thereto. Any person in like possession of lands within the State, claiming an interest or estate less than the fee therein, may have his title thereto established under the provisions of this act, without the registration and transfer features herein provided.
Sec. 5. Suit for registration of title shall be begun by a petition to the court by the person or persons claiming, singly or collectively, to own or have the power of appointing or disposing of an estate in fee simple in any land, whether subject to liens or not. Infants and other persons under disability may sue by guardian or trustee, as the case may be, and corporations as in other cases now provided by law. But the person in whose behalf the petition is made shall always be named as petitioner. The petition shall be signed and sworn to by each petitioner, shall contain a full description of the land to be registered as hereinafter provided, together with a plot of same by metes and bounds, corners to be marked by permanent markers of iron, stone or cement, shall show when, how and from whom it was acquired, and whether or not it is now occupied, and if so, by whom, and shall give an account of all known liens, interest, equities and claims, adverse or otherwise, vested or contingent, upon said land. Full names and addresses if known, of all persons who may be interested by marriage or otherwise, including adjoining owners and occupants, shall be given. If any person shall be unable to state the metes and bounds, the clerk may order a preliminary survey.

Sec. 6. The clerk of the court shall issue a summons directed to the sheriff of every county in which persons named as interested may reside, returnable as in other cases of special proceedings, the said parties being made defendants, except that the return shall be at least sixty days from the date of the summons. Summons shall be served in the same manner at least ten days before the return thereof and return thereof recorded as in other special proceedings, and all other persons under disabilities shall be represented by guardian, either general or ad litem: Provided, that any party defendant to such proceedings may file a disclaimer of any claim or interest in the land described in the petition, which shall be deemed an admission of the allegations of the petition and the decree shall bar such parties and all persons thereafter claiming under him, and such parties shall not be liable for any costs or expenses of the proceeding except such as may have been incurred by reason of his delay in pleading: Provided, that if the persons named as interested are not residents of the State of North Carolina, but their residence is known, which must appear by affidavit, then summons must be served on such nonresidents as is now prescribed by law for the service of summons on nonresidents.

Sec. 7. In addition to the summons issued, prescribed in the foregoing section, the clerk of the court shall, at the time of issuing such summons, publish a notice of the filing thereof containing the name or names of the petitioners, the name or names of all persons named in the petition, together with a short but accurate description of the land and the relief demanded, in some secular newspaper published in the county wherein the land is situate, and having general circulation in said county; and if
there be no such paper, then in a newspaper in the county nearest thereto, and having general circulation in the county wherein the land lies, once a week for four issues of such paper: Provided, such advertisement shall not cost more than two dollars and fifty cents. Said notice shall set forth the title of the cause and in capital letters the words "To whom it may concern," and shall give notice to all persons of the relief demanded and the return day of the summons: Provided, that no final order or judgment shall be entered in the cause until there is proof and adjudication of publication as in other cases of publication of notice of summons. The provisions of this section, in respect to the issuing and service of summons and the publication of the notice, shall be mandatory and essential to the jurisdiction of the court to proceed in the cause: Provided, that the recital of the service of summons and publication in the decree or in the final judgment in the cause, and in the certificate issued to the petitioner as hereinafter provided, shall be conclusive evidence thereof.

Sec. 8. Upon the return day of the summons the petition shall be set down for hearing upon the pleadings and exhibits filed. If any person claiming an interest in the land described in the petition, or any lien thereon, shall file an answer, the petition and answer, together with all exhibits filed, shall be referred to the examiner of titles who shall proceed, after notice to the petitioner and the persons who have filed answer or answered, to hear the cause upon such parol or documentary evidence as may be offered or called for and taken by him, and in addition thereto make such independent examination of the title as may be necessary. Upon his request the clerk shall issue a commission under the seal of the court for taking such testimony as shall be beyond the jurisdiction of such examiner. The examiner shall, within thirty days after such hearing, unless for good cause the time shall be extended, file with the clerk a report of his conclusions of law and fact, setting forth the state of such title, any liens or encumbrances thereon, by whom held, amount due thereon, together with an abstract of title to said lands and any other information in regard thereto affecting its validity. Any of the parties to the proceeding may, within twenty days after such report is filed, file exceptions, either to the conclusions of law or fact. Whereupon the clerk shall transmit the record to the judge of the Superior Court for his determination thereof; such judge may on his own motion certify any issue of fact arising upon any such exceptions to the Superior Court of the county in which the proceeding is pending for a trial of such issue by jury, and he shall so certify such issue of fact for trial by jury upon the demand of any party to the proceeding. If, upon consideration of such record, or the record and verdict of issues to be certified and tried by jury, the title be found in the petitioner, the judge shall enter a decree to the effect, ascertaining all limitations, liens, etc., declaring the land entitled to registration accordingly, and the same, together with the record, shall be docketed by the clerk.

of the court as in other cases, and a copy of the decree certified to the register of deeds of said county for registration as hereinafter provided. Any of the parties may appeal from such judgment to the Supreme Court, as in other special proceedings. No judgment in any proceeding under this act shall be given by default, but the court must require an examination of the title in every instance except as respects the rights of parties who, by proper pleadings, admit the petitioner's claim. If, upon the return day of the summons and the day upon which the petition is set down for hearing, no answer be filed, the clerk shall refer the same to the examiner of titles, who shall, after notice to the petitioner, proceed to examine the title, together with all liens or encumbrances set forth or referred to in the petition and exhibits, and shall examine the registry of deeds, mortgages, wills, judgments, mechanic liens and other records of the county, and upon such examination he shall, as hereinbefore provided, report to the clerk the conditions of the title, with a notice of liens or encumbrances thereon. The examiner shall have power to take and call for evidence in such case as fully as if the application were being contested. If the title shall be found to be in the petitioner, the clerk shall enter a decree to that effect and declaring the land entitled to registration with entry of any limitations, liens, etc., and shall certify the same for registration, as hereinbefore provided, after approval by the judge of the Superior Court.

Sec. 9. Every decree rendered as hereinbefore provided shall bind the land and bar all persons claiming title thereto or interest therein; quiet the title thereto and shall be forever binding and conclusive upon and against all persons, including the State of North Carolina, whether mentioned by name in the order of publication or included under the general description "To whom it may concern." It shall not be an exception to such conclusiveness that the person is an infant, lunatic or is under any disability, but such person may have recourse upon the indemnity fund hereinafter provided for, for any loss he may suffer by reason of being so concluded. Such decree shall, in addition to being signed by the clerk of the court, be approved by the judge of the Superior Court, who shall review the whole proceeding and have power to require any reformation of the process, pleading, decrees or entries.

Sec. 10. The county commissioners of each county shall provide for the register of deeds in said county a book, to be called registration of titles, in which said register shall enroll, register and index, as hereinafter provided, the decree of title hereinbefore mentioned and the copy of the plot contained in said petition, and all subsequent transfers of title, and note all voluntary or involuntary transactions in any wise affecting the title to said land, authorized to be entered thereon. If the title be subject to a trust, condition, encumbrance or the like the words "in trust," "upon condition," "subject to encumbrance," or like appropriate insertion shall indicate the fact and fix any person dealing with
such certificate with notice of the particulars of such limitations
upon the title as appears upon the registry. Upon the registra-
tion of such decree the register of deeds shall issue an owner's
certificate of title, under the seal of his office, which shall be de-
delivered to the owner or his agent duly authorized, and shall be

certificates numbered consecutively, which number shall be retained as long
as the boundaries of the land remain unchanged, and a separate
page or more, with appropriate space for subsequent entries,
shall be devoted to each title in the registration of titles book
for said county. Every entry made upon any certificate of title
in said book or upon the owner's certificate of title in said book
or upon the owner's certificate, under any of the provisions of
this act, shall be signed by the register of deeds and minutely

hereinbefore described in said certificate and his or their wife or wives)

register of deeds, the said transaction shall be duly noted and registered in accordance with the provisions of this act and certificate of title so presented shall be canceled and a new certificate with the same number issued to the purchaser thereof, which new certificate shall fully refer by number and also by name of holder to former certificate just canceled.

Sec. 13. That whenever a part of any registered estate is transferred or conveyed the same shall be, by the form of transfer hereinbefore referred to, setting out the portion of estate transferred, if it be undivided, and if it be divided portion the same; in addition, shall be accompanied by a plot showing the divisions and the part to be sold; that upon presentation of such transfer, together with the certificate of title and the plot, it shall be the duty of the register of deeds to cancel the certificate so presented and to issue to the holder of said certificate canceled a new certificate, bearing the number of the original and setting out the part of interest in the land retained by said owner or vendor; and said register shall also issue to the purchaser of undivided or separate portion of the said estate so transferred a new certificate bearing same number, setting out the part or amount of land transferred by him, as the case may be; if the transfer be of a divided portion of the land, plots of each and every portion thereof shall be the subject of a newly registered title, the old certificate shall be canceled and a new certificate issued to each owner; that the said register shall note upon the registration of titles book and the certificate of title therein the references and cross-references to the certificates herein referred to: 

Provided, that the provisions of this section shall apply to an owner who desires to subdivide any tract either at the time of the initial registration or subsequently, upon the payment of necessary surveyor’s fees, if they are required, and payment to the proper officer of the amount herein provided for issuing the necessary certificates and recording the map.

Sec. 14. That whenever the owner of any registered estate shall desire to convey same as security for debt, it shall be done in the following manner, by a short form of transfer, substantially as follows, to wit:

“A B and wife (giving names of all owners or holders of certificates and their wife or wives) hereby transfer to C D the tract or lot of land described as No. .......... in registration of titles book for .......... county, a certificate for the title for same being hereto attached, to secure a debt of .......... dollars, due to .......... of .......... county and State, on the .......... day of .........., 19....., evidenced by bond (or otherwise as the case may be) dated the .......... day of .........., 19..... certificate and upon the certificate of title in said registration of titles book the name of the trustee, the amount of debt, and the date of maturity of same: Provided, that when a part of the registered estate shall be so conveyed, the register of deeds shall note upon the said book and owner's certificate the part so conveyed, and if the same be required and the proper fee paid by the trustee, shall issue what shall be known as a partial certificate, over his hand and seal, setting out the portion so conveyed; that all transfers by the said short form shall convey the power of sale upon due advertisement at the county court-house and in some newspaper published in the county, or adjoining county, in the same manner and as fully as is now provided by law in the case of mortgages and deeds of trust and default therein. All registered encumbrances, rights or adverse claims affecting the estate represented thereby shall continue to be noted, not only upon the certificate of title in the registration book, but also upon the owner's certificate, until same shall have been released or discharged. And in the event of second or other subsequent voluntary encumbrances the holder of the certificate may be required to produce such certificate for the entry thereon or attachment thereto of the note of such subsequent charge or encumbrance as provided by section twenty of this act.

Sec. 15. In voluntary transactions the owner's certificate of title must be presented along with the writing or instrument conveying or affecting the said sale, and thereupon and not otherwise the register shall be authorized to register the conveyance or other transaction upon proof of payment of all delinquent taxes or liens, if any, or if such payment be not shown the entry and new certificate shall note such taxes or liens as having priority thereto. All transfers of registered land shall be duly executed and probated as required by law upon like conveyances of other lands, and in all cases of change in boundary by partition, subtraction or addition of land, there shall be an accurate survey and permanent marking of boundaries and accurate plots, showing the courses, distances and markings of every portion thereof, shall be duly proved and registered as upon the initial registration. Such transfers shall be presented to the register of deeds for entry upon the registration of titles book and upon the owner's certificate within thirty days from the date thereof, or become subject to any rights which may accrue to any other person by a prior registration.

Sec. 16. In voluntary transactions a certificate from the proper State, county or court officer, or certified copy of the order, decree or judgment of any court of competent jurisdiction shall be authority for him to order a proper notation thereof upon the registration of titles book, and for the register of deeds to note the transaction under the direction of the court.

Sec. 17. Whenever owner's certificate is not presented to the register along with any writing, instrument or record filed for registration under this act, he shall forthwith send notice by
registered mail to the owner of such certificate, requesting him to produce the same in order that a memorial of the transaction may be made thereon; and such production may be required by "subpœna ducès tecum" or by other process of the court, if necessary.

Sec. 18. Every voluntary or involuntary transaction, which if recorded, filed or entered in any clerk's office would affect unregistered land, shall, if duly registered in the office of the proper register as the case may be, and not otherwise, be notice to all persons from the time of such registration, and operate, in accordance with law and the provisions of this act, upon any registered land in the county of such registration.

Sec. 19. Whenever a writing, instrument or record is filed for the purpose of transferring registered land in trust, or upon any equitable condition or limitation expressed therein, or for the purpose of creating or declaring a trust or other equitable interest in such land, the particulars of the trust, condition, limitation or other equitable interest shall not be entered on the certificate, but it shall be sufficient to enter in the book and upon the certificates a memorial thereof by the terms "in trust" or "upon condition" or in other apt words, and to refer by number to the writing, instrument or record authorizing or creating the same. And if express power is given to sell, encumber or deal with the land in any manner, such power shall be noted upon the certificates by the term "with power to sell" or "with power to encumber," or by other apt words.

Sec. 20. No writing or instrument for the purpose of transferring, encumbering or otherwise dealing with equitable interests in registered land shall be registered unless the power thereto enabling has been expressly conferred by or has been reserved in the writing or instrument creating such equitable instrument, or has been declared to exist by the decree of some court of competent jurisdiction, which decree must also be registered.

Sec. 21. It shall be the duty of the sheriff or other collector of taxes or assessments of each county and town, not later than the first day of March in each year, to file an exact memorandum of the delinquency, if any, of any registered land for the non-payment of the taxes or assessments thereon, including the penalty therefor, in the office of the register of deeds for registration; and if such officer fails to perform said duty, and there shall be subsequent to such day a transfer of such land as hereinbefore provided, the grantee shall acquire a good title free from any lien for such taxes and assessments, and such sheriff or other collector of taxes and his sureties shall be liable for the payment of said taxes and assessments with the penalty and interest thereon.

Sec. 22. Whenever any sale of registered land is made for delinquent taxes or levies it shall be the duty of the sheriff or other officer to make such sale forthwith, to file a memorandum thereof for registration in the office of the register of deeds; and thereupon the registered owner shall be required to produce his
certificate for cancellation, and a new owner’s certificate shall be issued in favor of the purchaser, and the land shall be transferred on the land books to the name of such purchaser, unless such delinquent charges and all penalties and interest thereon be paid in full within ninety days after date of such sale; but a note shall be entered upon the certificate of title and also upon any such new owner’s certificate, reserving the privilege of redemption in accordance with the law. Whenever any judgment of the Superior Court of said county in which said registered estate is situate shall be duly docketed in the clerk’s office of the Superior Court, it shall be the duty of the clerk of said court to certify the same to the register of deeds. The said register of deeds shall thereupon enter the certificate of title, the date, and the amount of said judgment, and the same shall be a lien upon said land as fully as such docketed judgment would be a lien upon unregistered lands of the judgment debtor.

Section 23. In case of any redemption under the preceding section of land sold for taxes, a note of the fact shall be duly registered, and if an owner’s certificate has been issued to any purchaser the same shall be canceled and a new one shall be issued to the person who has redeemed; but if there be no redemption under said section, in accordance with the law, it shall be the duty of the sheriff or other collector of taxes in the county or town in which the land lies to sell the same at public auction for cash, first giving such notice of the time and place of sale as is prescribed for execution sales, and the proceeds of sale shall be applied, first, to the payment of all taxes and assessments then due to the State, county and town, with interest, penalty and costs; second, to the payment of all sums paid by any person who purchased at the former tax sale, with interest and the additional sum of five dollars; third, to the payment of a commission to the officer making the sale of five per centum on the first three hundred dollars and two per centum on the residue of the proceeds; fourth, to the satisfaction of any liens other than said taxes and assessments registered against said land in the order of their priorities; fifth, and the surplus, if any, to the person in whose name the land was previous to sale for taxes, subject to redemption as provided herein, his heirs, personal representatives or assigns. A note of the sale under this section shall be duly registered, and a certificate shall be entered and an owner’s certificate issued in favor of the purchaser in whom title shall be thereby vested as registered owner, in accordance with the provisions of this act. Nothing in this section shall be so construed as to affect or divert the title of a tenant in reversion or remainder to any real estate which has been returned delinquent and sold on account of the default of the tenant for life in paying the taxes or assessments thereon.

Section 24. Whenever an owner’s certificate of title is lost or destroyed, the owner or his personal representative may petition
Notice of petition. the court for the issuance of a new certificate. Notice of such petition shall be published once a week for four successive weeks, under the direction of the court, in some convenient newspaper, and noted upon the registry of titles, and upon satisfactory proof having been exhibited before it that said certificate has been lost or destroyed the court may direct the issuance of a new certificate, which shall be approximately designated and take the place of the original, but at least thirty full days shall elapse between the filing of the petition and making the decree for such new certificate.

Sec. 25. Every registered owner of any estate or interest in land bought under this act shall, except in cases of fraud, to which he is a party or in which he is a privy without valuable consideration paid in good faith, and except when any resignation has been procured through forgery, hold the land, free from any and all adverse claims, rights or encumbrances not noted on the certificate of title, except (1) liens, claims or rights arising or existing under the laws or Constitution of the United States which the statutes of this State can not require to appear of record under registry laws; (2) taxes and assessments thereon due the State or any county, city or town therein, but not delinquent; (3) any lease for a term not exceeding three years, under which the land is actually occupied. Any person making any claim to or asserting any lien or charge upon registered land existing at the initial registry of the same and not shown upon the register, or adverse to the title of the registered owner, and for which no other provision is herein made for asserting the same in the registry of titles may make an affidavit thereof setting forth his interest, right, title, lien or demand and how and under whom derived, and the character and nature thereof. The affidavit shall state his place of residence and designate a place at which all notices relating thereto may be served. Upon the filing of such affidavit in the office of the clerk of the Superior Court the latter shall order a note thereof as in the case of charges or encumbrances, and the same shall be entered by the register of deeds. Action shall be brought upon such claim within six months after the entry of such note, unless for cause shown the clerk shall extend the time. Upon failure to commence such action within the time prescribed therefor the clerk shall order a cancellation of such note. If any person shall wantonly or maliciously or without reasonable cause procure such notation to be entered upon the registry of titles, having the effect of a cloud upon the registered owner's title, he shall be liable for all damages the owner may suffer thereby.

Sec. 26. The obtaining of a decree of registration and the entry of a certificate of title shall be construed as an agreement running with the land, and the same shall ever remain registered land, subject to the provisions of this act, and all amendments thereof.
SEC. 27. No title to nor right or interest in registered land in
derogation of that of the registered owner shall be acquired by
prescription or adverse possession.

SEC. 28. Except as otherwise specially provided by this act,
registered land and ownership therein shall be subject to the
jurisdiction of the courts in the same manner as if it had not been
registered; but the registration shall be the only operative act
to transfer or affect the title to registered land, and shall date
from the time the writing, instrument or record to be registered
is duly filed in the office of the register of deeds, subject to the
provisions of this act; no voluntary or involuntary transaction
shall affect the title to registered lands until registered in accord-
ance with the provisions of this act: Provided, that all mort-
gages, deeds, surrendered and canceled certificates, when new
certificates are issued for the land so deeded, the other paper-
writing, if any, pertaining to and affecting the registered estate
or estates herein referred to, shall be filed by the register of deeds
for reference and information, but the registration of titles book
shall be and constitute sole and conclusive legal evidence of title,
except in cases of mistake and fraud, which shall be corrected in
the methods now provided for the correction of papers authorized
to be registered.

SEC. 29. In case of conflicting claims between the registered
owners the right, title or estate derived from or held under the
older certificate of title shall prevail.

SEC. 30. The fees to be allowed the clerks and sheriffs in this
proceeding shall be the same as now allowed by law to clerks and
sheriffs in other special proceedings. The examiner hereinbefore
provided for shall receive, as may be allowed by the clerk, a mini-
mum fee of five dollars for such examination of each title of
property assessed upon the tax books at the amount of five thou-
sand dollars or less; that for each additional thousand dollars
of assessed value of property so examined he shall receive fifty
cents; for examination outside of the county he shall receive a
reasonable allowance. There shall be allowed to the register of
deeds for copying the plot upon registration of titles book one
dollar; for issuing the certificate and new certificates under this
act, fifty cents for each; for noting the entries or memorandum
required and for the entries noting the cancellation of mortgages
and all other entries, if any, herein provided for, a total of
twenty-five cents for the entry or entries connected with one
transaction. The county or other surveyor employed under the
provisions of this act shall not be allowed to charge more than
forty cents per hour for his time actually employed in making
the survey and the map, except by agreement with the petitioner:
Provided, however, that a minimum fee of two dollars in any
case may be allowed.

That there shall be no other fees allowed of any nature except
as herein provided, and that the bond of the register, clerk and
sheriff shall be liable in case of any mistake, malfeasance, or mis-

He shall in like manner prescribe forms for use in said court, and in the notation of the registry of titles of memorials, claims, liens, *litis pendens*, and all other involuntary charges upon and to such registered lands. Whenever a question shall arise in the administration of this act as to the proper method of protecting or asserting any right or interest under the law and method of procedure is in doubt it shall be the duty of the clerk or register of deeds to notify the Attorney-General, who, with the approval of the Supreme Court, shall prescribe a rule covering such case.

Such action shall be against
the State Treasurer and all other persons who may be liable for the fraud, negligence, omission, mistake or misfeasance; but if such claimant has the right of action or other remedy for the recovery of the land, or of the estate or interest therein, of the claim upon same, he shall exhaust such remedy before resorting to the assurance fund.

SEC. 35. SEC. 37. CHAPTER 91.

AN ACT TO PROVIDE UNIFORM STANDARD PROVISIONS FOR ACCIDENT AND HEALTH POLICIES.

The General Assembly of North Carolina do enact:

Section 1. On and after the first day of January, one thousand nine hundred and fourteen, no policy or insurance against loss or damage from the sickness, or the bodily injury or death of the insured by accident shall be issued or delivered to any person in this State until a copy of the form thereof and of the classification of risks and the premium rates pertaining thereto have been filed with the commissioner of insurance; nor shall it be so issued or delivered until the expiration of thirty days after it has been so filed unless the said commissioner shall sooner give his written approval thereto. If the said commissioner shall notify, in writing, the company, corporation, association, society or other insurer which has filed such form that it does not comply with the requirements of law, specifying the reasons for his opinion, it shall be unlawful thereafter for any such insurer to issue any policy in such form. The action of the commissioner in this regard shall be subject to review by any court of competent jurisdiction: Provided, however, that nothing in this act shall be so construed as to give jurisdiction to any court not already having jurisdiction.

Sec. 2. No such policy shall be so issued or delivered (1) unless the entire money and other considerations therefor are expressed in the policy; nor (2) unless the time at which the insurance thereunder takes effect and terminates is stated in a portion of the policy preceding its execution by the insurer; nor (3) if the policy purports to insure more than one person; nor (4) unless every printed portion thereof and of any endorsements or attached papers shall be plainly printed in type of which the face shall be not smaller than ten point; nor (5) unless a brief description thereof be printed on its first page, and on its filing back in type of which the face shall not be smaller than fourteen point; nor (6) unless the exceptions of the policy be printed with the same prominence as the benefits to which they apply: Provided, however, that any portion of such policy which purports, by reason of the circumstances under which a loss is incurred, to reduce any indemnity promised therein to an amount less than that provided for the same loss occurring under ordinary circumstances under which a loss is incurred, to reduce any indemnity promised therein to an amount less than that provided for the same loss occurring under ordinary circumstances, shall be printed in bold face type and with greater prominence than any other portion of the text of the policy.

Sec. 3. Every such policy so issued shall contain certain standard provisions, which shall be in the words and in the order here-
inart set forth and be preceded in every policy by the caption “Standard Provisions.” In each such standard provision where- ever the word “insurer” is used, there shall be substituted there- for “company” or “corporation” or “association” or “society” or such other word as will properly designate the insurer. Said standard provisions shall be:

(1) A standard provision relative to the contract which may be in either of the following two forms: Form (A) to be used in policies which do not provide for reduction of indemnity on account of change of occupation, and Form (B) to be used in policies which do so provide. If Form (B) is used and the policy provides indemnity against loss from sickness, the words “or contracts sickness” may be inserted therein immediately after the words “in the event that the insured is injured”:

(A) 1. This policy includes the endorsements and attached papers, if any, and contains the entire contract of insurance. No reduction shall be made in any indemnity herein provided by reason of change in the occupation of the insured or by reason of his doing any act or thing pertaining to any other occupation.

(B) 2. This policy includes the endorsements and attached papers, if any, and contains the entire contract of insurance ex- cept as it may be modified by the insurer’s classification of risks and premium rates in the event that the insured is injured after having changed his occupation to one classified by the insurer as more hazardous than that stated in the policy, or while he is doing any act or thing pertaining to any occupation so classified, except ordinary duties about his residence or while engaged in recreation, in which event the insurer will pay only such portion of the indemnities provided in the policy as the premium paid would have purchased at the rate but within the limits so fixed by the insurer for such more hazardous occupation.

If the law of the state in which the insured resides at the time this policy is issued requires that prior to its issue a statement of the premium rates and classification of risks pertaining to it shall be filed with the state official having supervision of insurance in such state then the premium rates and classification of risks mentioned in this policy shall mean only such as have been last filed by the insurer in accordance with such law; but if such filing is not required by such law then they shall mean the insurer’s premium rates and classification of risks last made effective by it in such state prior to the occurrence of the loss for which the insurer is liable.

(2) A standard provision relative to changes in the contract, which shall be in the following form:

2. No statement made by the applicant for insurance not in- cluded herein shall avoid the policy or be used in any legal pro- ceeding hereunder. No agent has authority to change this policy or to waive any of its provisions. No change in this shall be
valid unless approved by an executive officer of the insurer and such approval be endorsed hereon.

(3) A standard provision relative to reinstatement of policy after lapse which may be in either of the three following forms: Form (A) to be used in policies which insure only against loss from accident; Form (B) to be used in policies which insure only against loss from sickness; and Form (C) to be used in policies which insure against loss from both accident and sickness.

(A) 3. If default be made in the payment of the agreed premium for this policy, the subsequent acceptance of a premium by the insurer or by any of its duly authorized agents shall reinstate the policy, but only to cover loss resulting from accidental injury thereafter sustained.

(B) 3. If default be made in the payment of the agreed premium for this policy, the subsequent acceptance of a premium by the insurer or by any of its duly authorized agents shall reinstate the policy, but only to cover such sickness as may begin more than ten days after the date of such acceptance.

(C) 3. If default be made in the payment of the agreed premium for this policy, the subsequent acceptance of a premium by the insurer or by any of its duly authorized agents shall reinstate the policy, but only to cover accidental injury thereafter sustained and such sickness as may begin more than ten days after the date of such acceptance.

SECTION 1. That the justices of the Supreme Court are authorized to employ one additional servant for service in the Supreme Court, to be carried on the pay rolls at ten dollars and fifty cents per week, and paid as the other servants now in employ of the State are paid: Provided, however, that nothing in this act shall be construed to abolish any of the positions and places of any of the present employees and assistants now connected with the Supreme Court in the present building.

SECTION 2. That this act shall be in force from and after the first day of July, one thousand nine hundred and thirteen.

In the General Assembly read three times and ratified, this the 10th day of March, 1913.

CHAPTER 109.

AN ACT TO PROVIDE FOR THE REGISTRATION OF ALL BIRTHS AND DEATHS IN THE STATE OF NORTH CAROLINA.

The General Assembly of North Carolina do enact:

SECTION 1. That the State Board of Health shall have charge of the registration of births and deaths, shall prepare the necessary instructions, forms and blanks for obtaining and preserving such records, and shall procure the faithful registration of the same in each local registration district as constituted in section three of this act, and in the central bureau of vital statistics at the capital of the State. The said board shall be charged with the uniform and thorough enforcement of the law throughout the State, and shall from time to time recommend to the General Assembly any additional legislation that may be necessary for this purpose.

SECTION 2. That the Secretary of the State Board of Health shall be State Registrar of Vital Statistics, and shall have general supervision over the central bureau of vital statistics, which is hereby authorized to be established by said board. Adequate fireproof space in one of the State buildings for filing cases for the death and birth certificates made and returned under this act shall be provided by the Committee on Public Buildings and Grounds.

SECTION 3. That for the purposes of this act the State shall be divided into registration districts as follows: Each city, each
incorporated town, and each township shall constitute a local registration district.

SEC. 4. That within ninety days after the taking effect of this act, or as soon thereafter as possible, the chairman of every board of county commissioners in the State of North Carolina shall appoint a local registrar of vital statistics for each township in his county, and the mayor of every incorporated town or city in the State of North Carolina shall appoint a local registrar of vital statistics for his town or city, and the chairmen of the boards of county commissioners and the mayors of the cities or towns shall notify the State Registrar, in writing, of the name and address of each local registrar so appointed. The term of office of each local registrar so appointed shall be four years, beginning with the first day of January of the year in which the local registrar is appointed, and until his successor has been appointed and has qualified, unless such office shall sooner become vacant by death, disqualification, operation of law, or other cause: Provided, that in cities where health officers or other officials are, in the judgment of the State Board of Health, conducting effective registration of births and deaths under local ordinances at the time of the taking effect of this act, such officials may be appointed as registrars in and for such cities, and shall be subject to the rules and regulations of the State Registrar, and to all the provisions of this act. Any vacancy occurring in the office of local registrar of vital statistics shall be filled for the unexpired term by a local registrar appointed by the same official who appointed the local registrar whose retirement creates the vacancy. Any chairman of a board of county commissioners or mayor of a city or town who appoints a local registrar to fill a vacancy in the office of local registrar shall notify the State Registrar, in writing, of the name and address of the local registrar so appointed. At least ten days before the expiration of the term of office of any such local registrar, his successor shall be appointed by the chairman of the board of county commissioners for the township local registration office, and by the mayor of the city or town for the town or city registration office.

Any local registrar who, in the judgment of the Secretary of the State Board of Health, fails or neglects to discharge efficiently the duties of his office as laid down in this act, or who fails to make prompt and complete returns of all births and deaths, as required thereby, shall be forthwith removed from his office by the Secretary of the State Board of Health and such other penalties may be imposed as are provided under section twenty-two of this act.

Each local registrar shall, immediately upon his acceptance of appointment as such, appoint a deputy, whose duty it shall be to act in his stead in case of absence, illness or disability, and such deputy shall in writing accept such appointment, and be subject to all rules and regulations governing local registrars. And when
it may appear necessary for the convenience of the people in any rural district, the local registrar is hereby authorized, with the approval of the State Registrar, to appoint one or more suitable persons to act as sub-registrars, who shall be authorized to receive certificates and to issue burial or removal permits in and for such portions of the district as may be designated; and each sub-registrar shall note on each certificate, over his signature, the date of filing, and shall forward all certificates to the local registrar of the district within ten days, and in all cases before the third day of the following month: Provided, that each sub-registrar shall be subject to the supervision and control of the State Registrar, and may be by him removed for neglect or failure to perform his duties in accordance with the provisions of this act or the rules and regulations of the State Registrar, and he shall be subject to the same penalties for neglect of duties as the local registrar.

Sec. 5. That the body of any person whose death occurs in this State, or which shall be found dead therein, shall not be interred, deposited in a vault or tomb, cremated or otherwise disposed of, or removed from or into any registration district, or be temporarily held pending further disposition more than seventy-two hours after death, unless a permit for a burial, removal or other disposition thereof shall have been properly issued by the local registrar of the registration district in which the death occurred or the body was found. And no such burial or removal permit shall be issued by any registrar until a complete and satisfactory certificate of death has been filed with him as hereinafter provided: Provided, that outside of incorporated towns and cities and within incorporated towns having a population of five hundred or less, no burial permit shall be required, but the registrar or sub-registrar shall within ten days after any and every burial of any human body within their district obtain the information herein required concerning deaths and report the same as herein required: Provided, further, that when a dead body is transported into a registration district in North Carolina for burial, the transit and removal permit, issued in accordance with the law and health regulations of the place where the death occurred, shall be accepted by the local registrar of the district into which the body has been transported for burial or other disposition, as a basis upon which he may issue a local burial permit. He shall note upon the face of the burial permit the fact that it was a body shipped in for interment, and give the actual place of death; and no local registrar shall receive any fee for the issuance of burial or removal permits under this act other than the compensation provided in section twenty.

Sec. 6. That a stillborn child shall be registered as a birth and also as a death, and separate certificates of both birth and death shall be filed with the local registrar, in the usual form Certificate of birth, and manner, the certificate of birth to contain in place of the name
of the child, the word “stillbirth”: Provided, that a certificate of birth and a certificate of death shall not be required for a child that has not advanced to the fifth month of uterogestation. The medical certificate of the cause of death shall be signed by the attending physician, if any, and shall state the cause of death as “stillborn,” with the cause of the stillbirth, if known, whether a premature birth, and, if born prematurely, the period of utero- gestation, in months, if known; and a burial or removal permit of the prescribed form shall be required. Midwives shall not sign certificates of death for stillborn children; but such cases, and stillbirths occurring without attendance of either physician or midwife, shall be treated as deaths without medical attendance, as provided for in section eight of this act.

Sec. 7. That the certificate of death shall contain the following items, which are hereby declared necessary for the legal, social and sanitary purposes subserved by registration records:

1. Place of death, including state, county, township, or town, village or city. If in a city, the ward, street and house number; if in a hospital or other institution, the name of the same to be given instead of the street and house number. If in an industrial camp, the name of the camp to be given.

2. Full name of decedent. If an unnamed child, the surname preceded by “Unnamed.”

3. Sex.

4. Color or race—as white, black, mulatto (or other negro descent), Indian, Chinese, Japanese, or other.

5. Conjugal condition—as single, married, widowed, or divorced.

6. Educational attainments—as illiterate, able to read and write, common school education or equivalent, high school education or equivalent, college education or equivalent. If the deceased is less than fifteen years of age the educational attainments of the mother, if living, or of the father, if living, or of the guar- dian in the order named, shall be given.

8. Age, in years, months and days. If less than one day, the hours or minutes. If exact information is unobtainable, give approximate age.

9. Occupation. The occupation to be reported of any person who had any remunerative employment, stating (a) trade, profession or particular kind of work; (b) general nature of industry, business or establishment in which employed (or employer).

10. Birthplace; at least state or foreign country, if known.

11. Name of father.

12. Birthplace of father; at least state or foreign country, if known.

13. Maiden name of mother.

14. Birthplace of mother; at least state or foreign country, if known.
(15) Signature and address of informant.
(16) Official signature of registrar, with the date when certificate was filed, and registered number.
(17) Date of death—year, month and day.
(18) Certification as to medical attendance.
(19) Length of residence (for inmates of hospitals and other institutions; transients or recent residents) at place of death and in the State, together with the place where disease was contracted, if not at place of death, and former or usual residence.
(20) Place of burial or removal; date of burial.
(21) Signature and address of undertaker or person acting as such.

The personal and statistical particulars (items one to thirteen) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, who last treated the deceased for the disease or injury which caused death, and such physician shall specify the time in attendance, the time he last saw the deceased alive, and the hour of the day at which death occurred, and he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in the death, giving first the name of the disease causing death (primary cause), and the contributory (secondary) cause, if any, and the duration of each. Indefinite and unsatisfactory terms, denoting only symptoms of disease or conditions resulting from disease, will not be held sufficient for the issuance of a burial or removal permit; and any certificate containing any such indefinite or unsatisfactory terms, as defined by the State Registrar, shall be returned to the physician or person making the medical certificate for correction and more definite statement. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and, if from violence, the means of injury shall be stated, and whether (probably) accidental, suicidal, or homicidal. And in deaths in hospitals, institutions, or of nonresidents, the physician shall supply the information required under this head (item eighteen), if he is able to do so, and may state where, in his opinion, the disease was contracted.

Sec. 8. That in case of any death occurring without medical attendance, it shall be the duty of the undertaker or person acting as such to notify the local registrar of such death, and when so notified the registrar shall, prior to the issuance of the permit,
inform the local health officer and refer the case to him for immediate investigation and certification: Provided, that when the local health officer is not a qualified physician, or when the death takes place in a township registration district, or where there is no such official, and in such cases only, the registrar is authorized to make the certificate and return from the statement of relatives or other persons having adequate knowledge of the facts: Provided, further, that if the registrar has reason to believe that the death had been due to unlawful act or neglect, he shall then refer the case to the coroner or other proper officer for his investigation and certification. And any coroner or other proper officer whose duty it is to hold an inquest on the body of any deceased person, and to make the certificate of death required for a burial permit, shall state in his certificate the name of the disease causing death, or if from external causes, (1) the means of death; and (2) whether (probably) accidental, suicidal, or homicidal; and shall, in any case, furnish such information as may be required by the State Registrar in order properly to classify the death.

SEC. 9. The undertaker, or person acting as undertaker, shall file the certificate of death with the local registrar of the district in which the death occurred, and obtain a burial or removal permit, prior to any disposition of the body. The undertaker or person acting as such shall obtain the required personal and statistical particulars from the person best qualified to supply them, over the signature and address of his informant. The undertaker or person acting as such shall then present the certificate to the attending physician, if any, or to the health officer or coroner, as directed by the local registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record, as specified in sections seven and eight. And the undertaker or person acting as such shall then state the facts required relative to the date and place of burial, over his signature and with his address, and present the completed certificate to the local registrar in order to obtain a permit for burial, removal or other disposition of the body. The undertaker or person acting as such shall deliver the burial permit to the person in charge of the place of burial, before interring or otherwise disposing of the body; or shall attach the removal permit to the box containing the corpse, when shipped by any transportation company; said permit to accompany the corpse to its destination, where, if within the State of North Carolina, it shall be delivered to the person in charge of the place of burial.

Every person, firm or corporation selling a casket shall keep a record showing the name of the purchaser, purchaser's post-office address, name of deceased, date of death, and place of death of deceased, which record shall be open to inspection of the State Registrar or his agent at all times. On the first day of each month the person, firm or corporation selling caskets shall report to the State Registrar each sale for the preceding month, on a

Every person, firm or corporation selling a casket at retail, and not having charge of the disposition of the body, shall enclose within the casket a notice furnished by the State Registrar, calling attention to the requirements of the law, a blank certificate of death, and the rules and regulations of the State Board of Health concerning the burial or other disposition of a dead body.

Sec. 10. That if the interment, or other disposition of the body is to be made within the State, the wording of the burial or removal permit may be limited to a statement by the registrar, over his signature, that a satisfactory certificate of death having been filed with him, as required by law, permission is granted to inter, remove or dispose otherwise of the body, stating the name, age, sex, cause of death, and other necessary details upon the form prescribed by the State Registrar.

Sec. 11. That no person in charge of any premises in which interments are made shall inter or permit the interment or other disposition of any body unless it is accompanied by a burial, removal or transit permit, as herein provided. And such person shall endorse upon the permit the date of interment, over his signature, and shall return all permits so endorsed to the local registrar of his district within ten days from the date of interment. He shall also keep a record of all bodies interred or otherwise disposed of on the premises under his charge, in each case stating the name of each deceased person, place of death, date of burial or disposal, and name and address of the undertaker; which record shall at all times be open to official inspection: Provided, that the undertaker, or person acting as such, when burying a body in a cemetery or burial ground having no person in charge, shall sign the burial or removal permit, giving the date of burial, and shall write across the face of the permit the words “No person in charge,” and file the burial or removal permit within ten days with the registrar of the district in which the cemetery is located.

Sec. 12. That the birth of each and every child born in this State shall be registered as hereinafter provided.

Sec. 13. That within ten days after the date of each birth there shall be filed with the local registrar of the district in which the birth occurred a certificate of such birth, which certificate shall be upon the form adopted by the State Board of Health with a view of procuring a full and accurate report with respect to each item of information enumerated in section fourteen of this act.

In each case where a physician, midwife, or person acting as midwife, was in attendance upon the birth, it shall be the duty of such physician, midwife or person acting as midwife, to file in accordance herewith the certificate herein contemplated.
In each case where there was no physician, midwife or person acting as midwife, in attendance upon the birth, it shall be the duty of the father or mother of the child, the householder or owner of the premises where the birth occurred, or the manager or superintendent of the public or private institution where the birth occurred, each in the order named, within ten days after the date of such birth, to report to the local registrar the fact of such birth. In such case and in case the physician, midwife, or person acting as midwife, in attendance upon the birth is unable, by diligent inquiry, to obtain any item or items of information contemplated in section fourteen of this act, it shall then be the duty of the local registrar to secure from the person so reporting, or from any other person having the required knowledge such formation as will enable him to prepare the certificate of birth herein contemplated, and it shall be the duty of the person reporting the birth or who may be interrogated in relation thereto, to answer correctly and to the best of his knowledge all questions put to him by the local registrar which may be calculated to elicit any information needed to make a complete record of the birth as contemplated by said section fourteen, and it shall be the duty of the informant as to any statement made in accordance herewith to verify such statement by his signature, when requested so to do by the local registrar.

Sec. 14. That the certificate of birth shall contain the following items of certificate of births, which are hereby declared necessary for the legal, social, and sanitary purposes subserved by registration records:

(1) Place of birth, including state, county, township or town, village or city. If in a city, the ward, street, and house number; if in a hospital or other institution, the name of the same to be given, instead of the street and house number.

(2) Full name of child. If the child dies without a name before the certificate is filed, enter the surname preceded by “Un-named.” If the living child has not yet been named at the date of filing certificate of birth, the space for “full name of child” is to be left blank, to be filled out subsequently by a supplemental report, as hereinafter provided.

(3) Sex of child.

(4) Whether a twin, triplet, or other plural birth. A separate certificate shall be required for each child in case of plural births.

(5) For plural births, number of each child in order of birth.

(6) Legitimate or illegitimate: Provided, that in illegitimate births the word “illegitimate” shall be written across the face of the certificate and all items on the certificate which would in any way reveal the identity of the father, mother, or illegitimate child itself shall be omitted.

(7) Date of birth, including the year, month and day.

(8) Full name of father: Provided, that if the child is illegitimate, the name of the putative father shall not be entered without his consent, but the other particulars relating to the putative

registrar shall make out and deliver to the parents of the child a special blank for the supplemental report of the given name of the child, which shall be filled out as directed, and returned to the local registrar as soon as the child shall have been named.

Sec. 16. That all superintendents or managers, or other persons in charge of hospitals, almshouses, lying-in or other institutions, public or private, to which persons resort for treatment of diseases, confinement, or are committed by process of law, shall make a record of all the personal and statistical particulars relative to the inmates in their institutions at the date of approval of this act, which are required in the forms of the certificates provided for by this act, as directed by the State Registrar; and thereafter such record shall be, by them, made for all future inmates at the time of their admittance. And in case of persons admitted or committed for treatment of disease, the physician in charge shall specify for entry in the record the nature of the disease, and where, in his opinion, it was contracted. The personal particulars and information required by this section shall be obtained from the individual himself if it is practicable to do so; and when they can not be so obtained, they shall be obtained in as complete a manner as possible from relatives, friends or other persons acquainted with the facts.

Sec. 17. That the State Registrar shall prepare, have printed, and supply to all registrars all blanks and forms used in registering, recording and preserving the returns, or in otherwise carrying out the purposes of this act; and shall prepare and issue such detailed instructions as may be required to procure the uniform observance of its provisions and the maintenance of a perfect system of registration; and no other blanks shall be used than those supplied by the State Registrar. He shall carefully examine the certificates received monthly from the local registrars, and if any such are incomplete or unsatisfactory he shall require such further information to be supplied as may be necessary to make the record complete and satisfactory. And all physicians, midwives, informants, or undertakers, and all other persons having knowledge of the facts, are hereby required to supply, upon a form provided by the State Registrar or upon the original certificate, such information as they may possess regarding any birth or death upon demand of the State Registrar, in person, by mail, or through the local registrar: Provided, that no certificate of birth or death, after its acceptance for registration by the local registrar, and no other record made in pursuance of this act, shall be altered or changed in any respect otherwise than by amendments properly dated, signed and witnessed.

The State Registrar shall further arrange, bind and permanently preserve the certificates in a systematic manner, and shall prepare and maintain a comprehensive and continuous card index of all births and deaths registered; said index to be arranged alphabetically, in the case of deaths, by the names of decedents,
and in the case of births, by the names of fathers and mothers. He shall inform all registrars what diseases are to be considered infectious, contagious, or communicable and dangerous to the public health, as decided by the State Board of Health, in order that when deaths occur from such diseases proper precautions may be taken to prevent their spread.

At the expiration of five years after the ratification of this act, certified copies of birth registration certificates shall be accepted by public school authorities in this State as prima facie evidence of age of children registering for school attendance and no other proof shall be required. At the expiration of fourteen years from the passage of this act, certified copies of birth registration certificates shall be required by all factory inspectors, and employers of youthful labor, as prima facie proof of age, and no other proof shall be required from children born in this State or states which for fourteen years previous to the date of such certificate have had registration laws essentially identical with this act: Provided, that when it is not possible to secure such certified copy of birth registration certificate for any child, the school authorities and factory inspectors may accept as secondary proof of age any competent evidence by which the age of persons is usually established.

If any cemetery company or association, or any church or historical society or association, or any other company, society or association, or any individual, is in possession of any record of births or deaths which may be of value in establishing the genealogy of any resident of this State, such company, society, association or individual may file such record or a duly authenticated transcript thereof with the State Registrar, and it shall be the duty of the State Registrar to preserve such record or transcript and to make a record and index thereof in such form as to facilitate the finding of any information contained therein. Such record and index shall be open to inspection by the public, subject to such reasonable conditions as the State Registrar may prescribe. If any person desires a transcript of any record filed in accordance herewith, the State Registrar shall furnish the same upon application, together with a certificate that it is a true copy of such record, as filed in his office, and for his services in so furnishing such transcript and certificate he shall be entitled to a fee of (fifty cents per hour or fraction of an hour necessarily consumed in making such transcript) and to a fee of fifty cents for the certificate, which fees shall be paid by the applicant.

Sec. 18. That each local registrar shall supply blank forms of certificates to such persons as require them. Each local registrar shall carefully examine each certificate of birth or death when presented for record in order to ascertain whether or not it has been made out in accordance with the provisions of this act and the instructions of the State Registrar; and if any certificate of death is incomplete or unsatisfactory, it shall be his duty to call atten-
tion to the defects in the return, and to withhold the burial or removal permit until such defects are corrected. All certificates, either of birth or of death, shall be written legibly, in durable black ink, and no certificate shall be held to be complete and correct that does not supply all of the items of information called for therein, or satisfactorily account for their omission. If the certificate of death is properly executed and complete, he shall then issue a burial or removal permit to the undertaker: Provided, that in case the death occurred from some disease which is held by the State Board of Health to be infectious, contagious or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be issued by the registrar, except under such conditions as may be prescribed by the State Board of Health. If a certificate of birth is incomplete, the local registrar shall immediately notify the informant, and require him to supply the missing items of information if they can be obtained. He shall number consecutively the certificates of birth and death, in two separate series, beginning with number one for the first birth and the first death in each calendar year, and sign his name as registrar in attest of the date of filing in his office. He shall also make a complete and accurate copy of each birth and each death certificate registered by him in a record book supplied by the State Registrar, which record book the local registrar shall deposit with the register of deeds of the county not later than the fifteenth of January each year. And the register of deeds shall keep an index, as devised and supplied by the State Registrar, of the births and deaths that have occurred in the county, and these records shall be open at all times to official inspection. And he shall, on the tenth day of each month, transmit to the State Registrar all original certificates registered by him for the preceding month. And if no births or no deaths occurred in any month the local registrar shall, on the tenth day of the following month, report that fact to the State Registrar, on a card provided for such purpose.

SEC. 19. That each local registrar shall be paid the sum of twenty-five cents for each birth certificate and each death certificate properly and completely made out and registered with him, correctly recorded and promptly returned by him to the State Registrar, as required by this act. And in case no births or deaths were registered during any month, the local registrar shall be entitled to be paid the sum of twenty-five cents for each report to that effect, but only if such report be made promptly as required by this act. All amounts payable to a local registrar under the provisions of this section shall be paid by the treasurer of the county, in which the registration district is located, upon certification by the State Registrar. And the State Registrar shall certify every three months to the treasurers of the several counties the number of births and deaths properly registered, with the names of the local registrars and the amounts due each

Sec. 20. That the State Registrar shall, upon request, supply to any applicant a certified copy of the record of any birth or death registered under provisions of this act, for the making and certification of which he shall be entitled to a fee of fifty cents, to be paid by the applicant: Provided, that the United States Census Bureau may obtain, without expense to the State, transcripts or certified copies of births and deaths without payment of the fees herein prescribed. And any such copy of the record of a birth or death, when properly certified by the State Registrar, shall be prima facie evidence in all courts and places of the facts therein stated. CHAPTER 182.

AN ACT IN RELATION TO THE SALE OF SECURITIES OF INSURANCE CORPORATIONS AND OF CORPORATIONS ORGANIZED TO PROMOTE OR HOLD THE CAPITAL STOCK OF INSURANCE CORPORATIONS.

The General Assembly of North Carolina do enact:

SECTION 1. Promotion of insurance corporations: sale of securities.

As the terms are used in this act "promoting corporation" means a corporation or joint-stock association, engaged in the business of organizing or promoting or endeavoring to organize or promote the organization of an insurance corporation or corporations, or in any way assisting therein; "holding corporation" means a corporation or joint-stock association, which holds or is engaged in the acquisition of the capital stock or a major portion thereof of one or more insurance corporations for the purpose of controlling the management thereof; as voting trustee or otherwise; and "securities" means the shares of capital stock, subscription, certificates, debenture bonds and any and all other contracts or evidences of ownership of or interest in insurance corporations, or in promoting or holding corporations as defined in this section.

Sec. 2. No individual, partnership, association or corporation, as the agent of another or as a broker, shall sell or offer for sale, or in any way assist in the sale in this State of the securities of any promoting or holding corporation, as defined in this section, or of any insurance corporation, which is not, at the time of such sale or offer for sale, lawfully engaged or authorized to engage in the transaction of the business of insurance in this State, without first procuring, as hereinafter provided, a certificate of authority from the Insurance Department to sell such securities; nor shall any individual, partnership, association or corporation sell or offer for sale in this State the securities of any promoting or holding corporation as defined in this section, or of any insurance corporation which is not at the time of such sale or offer of sale, lawfully engaged or authorized to
engage in the transaction of the business of insurance in the State, unless such corporation shall have first procured from the Insurance Commissioner, as hereinafter provided, a certificate that said corporation has fully complied with the provisions of this section, and is authorized to sell such securities. Every certificate issued by the Insurance Commissioner pursuant to the provisions of this section shall state in bold type that the Insurance Commissioner in no way recommends the securities thereby authorized to be sold, and shall be renewable annually, upon written application, filed on or before the first day of April of each year, and may be revoked for cause at any time by such Insurance Commissioner. The commissioner shall prepare and furnish upon request suitable blank forms of application for the certificates required by this section.

Sec. 3. Every individual, partnership, association or corporation who or which desires or intends to sell or to offer for sale in this State the securities of insurance corporations or of any holding or promoting corporation as defined in this section, shall file with the Insurance Commissioner an application for a certificate of such authority. Such application shall contain a statement, verified by oath, setting forth the name and address of the applicant, previous business experience, date and place of birth or organization, and such other and further information as the said Insurance Commissioner may require. It shall be the duty of the Insurance Commissioner to examine the application so filed, and to make any further inquiry or examination of any such applicant as he may deem advisable. If upon such examination the Insurance Commissioner shall find that the applicant or applicants, or if a corporation, the officers and directors thereof, is or are all trustworthy persons of good business credit, the Insurance Commissioner may issue to such applicant a certificate of authority to sell or offer for sale in this State the securities of any insurance corporation or corporations, and of any promoting or holding corporation previously authorized under this section which shall be mentioned therein.

Sec. 4. Every such unauthorized insurance corporation, and every promoting or holding corporation, as defined in this act, whose securities are offered for sale in this State, shall file with the Insurance Commissioner copies of all securities to be offered for sale, and an application for certificate of authority under this section which shall contain a statement in detail of the plans and purposes of such corporation, the amount and par value of the securities to be offered for sale, and the selling price thereof, the manner in which the moneys paid in therefor are to be spent or employed, the rate of commission to be paid for the sale of such securities, the salaries to be paid to the officers of such corporation, and such other and further information as the Insurance Commissioner may require. No change shall thereafter be made in the form or character of the securities to be
offered for sale, or in the plans or purposes of any such corporation without the approval thereof in writing by the said Insurance Commissioner. It shall be the duty of the said Insurance Commissioner to examine the application and other documents so filed, and to make any further inquiry or examination of any such corporation as he may deem advisable. If upon such examination the Insurance Commissioner shall find that the plans and purposes of any such corporation are proper, that its condition is satisfactory, that the amount of its securities is reasonable, that the price at which such securities are to be sold is adequate, and that the manner in which the moneys paid in therefor, the rate of commissions to be paid and the salaries of officers are fair, the Insurance Commissioner may issue a certificate that such corporation has complied with all the provisions of this section, and is authorized to sell or offer its securities for sale in this State.

Sec. 5. No printed matter shall be used in connection with the sale of securities of any such promoting, holding or insurance corporation, for advertising purposes, or in the dissemination of information with reference thereto, unless such printed matter shall first be submitted to the Insurance Commissioner and approved by him in writing. No such corporation, and no officer, director, or agent thereof, or any other person, copartnership, association or corporation shall issue, circulate or employ or cause or permit to be used, issued, circulated or employed any circular or statement, whether printed or oral, of any sort, misrepresenting or exaggerating the earnings of insurance corporations or the value of their corporate stock or other securities, or the profits to be derived either directly or indirectly from the organization and management of insurance corporations, or of organizing or holding corporations as defined in this section. No insurance or other corporation, and no individual, copartnership or association transacting business in this State shall place or offer to place insurance in any corporation in connection with the sale or purchase of the securities of any insurance corporation or of any promoting or holding corporation as defined in this section.

Sec. 6. This act shall be in effect on and after its ratification.

In the General Assembly read three times and ratified this the 12th day of March, 1913.
AN ACT AUTHORIZING AND REGULATING CERTAIN CLASSES OF INDEMNITY INSURANCE CONTRACTS, EMPOWERING CORPORATIONS TO MAKE SUCH CONTRACTS AND FIXING CERTAIN FEES AND THE PENALTY FOR VIOLATION THEREOF.

The General Assembly of North Carolina do enact:

SECTION 1. Individuals, partnerships and corporations of this State hereby designated as subscribers, are hereby authorized to exchange reciprocal or inter-insurance contracts with each other, or with individuals, partnerships and corporations of other states and countries, providing indemnity among themselves from any loss which may be insured against under other provisions of the laws, excepting life insurance.

SEC. 2. Such contracts may be executed by an attorney, agent or other representative, herein designated attorney, duly authorized and acting for such subscribers.

SEC. 3. Such subscribers, so contracting among themselves, shall, through their attorney, file with the Insurance Commissioner of this State a declaration verified by oath of such attorney, setting forth:

(a) The name or title of the office at which such subscribers propose to exchange such indemnity contracts. Said name or title shall not be so similar to any other name or title previously adopted by a similar organization, or by any insurance corporation or association, as in the opinion of the Insurance Commissioner is calculated to result in confusion or deception. The office or offices through which such indemnity contracts shall be exchanged shall be classified as reciprocal or inter-insurance exchanges.

(b) The kind or kinds of insurance to be effected or exchanged.

(c) A copy of the form of policy, contract or agreement under or by which such insurance is to be effected or exchanged.

(d) A copy of the form of power of attorney or other authority of such attorney under which such insurance is to be effected or exchanged.

(e) The location of the office or offices from which such contracts or agreements are to be issued.

(f) That applications have been made for indemnity upon at least one hundred (100) separate risks, aggregating not less than one and one-half million dollars ($1,500,000) as represented by executed contracts or bona fide applications, to become concurrently effective, or, in case of liability or compensation insurance, covering a total payroll of not less than one and one-half million dollars ($1,500,000): Provided, that when the attorney maintains the central office in this State the Insurance Commissioner may authorize an exchange with a less number
of risks and a smaller amount of indemnity to be exchanged and an amount of cash deposits less than twenty-five thousand dollars ($25,000).

(g) That there is on deposit with such attorney and available for payment of losses a sum of not less than twenty-five thousand dollars ($25,000).

Sec. 4. Concurrently with the filing of the declaration provided for by the terms of section three hereof, the attorney shall file with the Insurance Commissioner an instrument in writing, executed by him for said subscribers, conditioned that upon the issuance of certificate of authority provided for in section eleven hereof service of process may be had upon the Insurance Commissioner in all suits in this State arising out of such policies, contracts or agreements, which service shall be valid and binding upon all subscribers exchanging at any time reciprocal or interinsurance contracts through such attorney. Three copies of such process shall be served, and the Insurance Commissioner shall file one copy, forward one copy to said attorney, and return one copy with his admission of service.

Sec. 5. There shall be filed with the Insurance Commissioner of this State by such attorney a statement under the oath of such attorney showing the maximum amount of such indemnity upon any single risk, and such attorney shall, whenever and as often as the same shall be required, file with the Insurance Commissioner a statement verified by his oath to the effect that he has examined the commercial rating of such subscribers as shown by the reference book of a commercial agency having at least one hundred thousand (100,000) subscribers, and that from such examination or from other information in his possession it appears that no subscriber has assumed on any single risk an amount greater than ten per cent (10%) of the net worth of such subscriber.

Sec. 6. Upon the filing of the foregoing papers, and upon the payment of fees as provided for in this act, it shall be the duty of the Insurance Commissioner to examine and pass upon the same, and if found correct, and in accordance with this act, to issue a certificate of authority, which shall expire on the first day of April next succeeding.

Sec. 7. There shall at all times be maintained as a reserve a sum in cash or convertible securities equal to fifty per centum (50%) of the aggregate net annual deposits collected and credited to the accounts of the subscribers on policies having one year or less to run and pro rata on those for longer periods. For the purpose of said reserve, net annual deposits shall be construed to mean the advance payments of subscribers after deducting therefrom the amounts specifically provided in the subscribers' agreements, for expenses. Said sum shall at no time be less than twenty-five thousand dollars ($25,000.00), and, if at any time fifty per cent of the aggregate deposits so collected and credited shall not equal that amount, then the subscribers, or their attorney for them, shall make up any deficiency.
Annual reports.  

Sec. 8. Such attorney shall make an annual report to the Insurance Commissioner for each calendar year, showing the financial condition of affairs at that office where such contracts are issued, and shall furnish such additional information and reports as may be required: Provided, however, that such attorney shall not be required to furnish the names and addresses of any subscribers. The business affairs and assets of said reciprocal or inter-insurance exchanges shall be subject to examination by the Insurance Commissioner.

Sec. 9. Any corporation now or hereafter organized under the laws of this State shall, in addition to the rights, powers and franchises specified in its articles of incorporation, have full power and authority to exchange insurance contracts of the kind and character herein mentioned through exchanges complying with this act.

Sec. 10. Any attorney or representative who shall, except for the purpose of applying for certificate of authority as herein provided, exchange any contracts of indemnity of the kind and character specified in this act, or directly or indirectly solicit or negotiate any applications for same without first complying with the foregoing provisions, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be subject to a fine of not less than one hundred dollars ($100.00) nor more than five hundred dollars ($500.00).

Sec. 11. Each attorney by whom or through whom are issued any policies of or contracts for indemnity of the character referred to in this act shall procure from the Insurance Commissioner annually a certificate of authority, stating that all the requirements of this act have been complied with, and upon such compliance and the payment of the fees and taxes required by this act, the Insurance Commissioner shall issue such certificate of authority. The Insurance Commissioner may revoke or suspend any certificate of authority issued hereunder in case of breach of any of the conditions imposed by this act after reasonable notice has been given said attorney in writing so that he may appear and show cause why such action should not be taken.

Sec. 12. Individuals, firms and corporations exchanging reciprocal or inter-insurance contracts as provided herein shall pay through their attorney an annual license of fifty dollars ($50.00) and two and one-half per centum of the gross premium deposits, reduced by all sums distributed among the subscribers or credited to their accounts, and also other regular fees.

Sec. 13. Nothing in the general insurance laws, except as herein provided and as may specifically apply to such contracts and exchanges shall be construed to extend to inter-insurance or reciprocal exchanges licensed under this act.

Sec. 14. This act shall be in force from and after its ratification.

In the General Assembly read three times and ratified, this the 12th day of March, 1913.

Whereas, J. W. C. Piercy was the county surveyor of Cherokee County at the time the Cherokee lands were opened to entry by the Legislature of one thousand eight hundred and fifty-two, and many hundreds of tracts of land were thereafter entered, and warrants of survey issued therein; and, whereas, said Piercy, who is now dead, surveyed said lands upon said warrants, and the notes of his surveys of the same are in existence in what purports to be his original handwriting; and, whereas, at the time of said surveys said lands were wild and unoccupied, and are still to a very large extent wild and unoccupied lands; and, whereas, because of the long lapse of time since said surveys were made and because of the death of said Piercy and other witnesses to the location of the said tracts of land so surveyed, it is often difficult to locate the lines and corners as established by said original surveys, and said field notes of said Piercy are of great value in locating the same; now, therefore,

Section 1. That the clerk of the Superior Court of Cherokee County is hereby fully authorized and empowered, when the application of any person or persons interested in said lands or any of them, to issue a commission under the hand and seal of said court, to any competent and discreet person to act as a commissioner to take the examination of any witness or witnesses who may be brought before him as to the validity and genuineness of the said field notes of J. That upon receipt of said examination of any witness or witnesses so made by such commissioner, together with said field notes of the said Piercy, it shall be the duty of the said clerk of the Superior Court of Cherokee County to examine the evidence of such witness or witnesses so taken and transmitted by said commissioner, and if it shall appear from such evidence that the field notes transmitted therewith are in the true and genuine handwriting of said Piercy, and are in fact and in truth the genuine field notes of said Piercy, it shall be the duty of said
clerk to certify that such commission had been duly issued by him to said commissioner; that the evidence of witness or witnesses (naming him or them) had been duly taken by said commissioner and reduced by him to writing and transmitted to said clerk, together with the original field notes of said Piercy, and if said clerk shall be so satisfied from such evidence, adjudge said field notes to be in the genuine handwriting of said Piercy and to be the true and genuine field notes of said Piercy; and said clerk shall therefore further order that the same shall be recorded, as in case of deeds for land, in the office of the register of deeds of said Cherokee County, and in any other county afterwards formed from the territory included in Cherokee County in the year one thousand eight hundred and fifty-three.

Sec. 3. That when such field notes shall have been so registered in said county or counties, the record thereof shall be competent evidence in any of the courts of this State, or in the courts of the United States for the purpose of establishing the boundary line or lines of any tract or tracts of land so surveyed by said Piercy, or of any adjoining or contiguous tract or tracts of land whatsoever, and for any and all purposes that may be pertinent on questions of location of the same; and a copy of said record of said field notes as a whole or as to any particular tract or tracts contained therein may be made by said register of deeds of any such county, and when duly certified by him as provided by law for certifying the record of a deed or other conveyance shall be competent and admissible in evidence in any of the courts of this State and of any other state, and of the United States, as fully and for all the purposes above set out as to the original record of such field notes in said county or counties.

That said clerk, for issuing said commission and for examining the evidence taken thereunder and adjudging the genuineness thereof, as provided herein, shall be entitled to a fee of five dollars; and the register of deeds of any county where the said field notes may be registered shall be entitled to be paid the same fee as for registering deeds.

Sec. 6. That this act shall not affect any litigation now pending in any state or federal court.

Sec. 6. That this act shall be in force from and after its ratification.

Each township board of list takers and assessors shall advertise in five or more public places in the township, immediately after their appointment, notifying all taxpayers to return to the list takers all the real and personal property which each taxpayer

(2) They shall reduce the valuation of such tracts and lots or articles of personal property as in their opinion have been returned above their true value, as compared with the average valuation of real and personal property, including stocks, bonds and shares of all incorporated companies of such county. In regard to real property, they shall have due regard to the relative situation, quality of soil, improvements, natural and artificial advantages possessed by each tract or lot.

Sec. 20. **Compensation of list takers and assessors.**

The board of county commissioners shall allow each list taker and assessor such compensation as said board shall deem just and proper for each day actually engaged in the performance of his duties. Said board of county commissioners shall also allow each member of the board of equalization such per diem for the number of days actually engaged in the performance of his duties as the said board of commissioners shall deem just and proper, and in addition thereto mileage at the rate of five cents for each mile necessarily traveled in attending the meetings of the board of equalization. They shall not be entitled to compensation until they shall have filed lists, schedules, statements and books appertaining to the assessment of property for such year in the office of the clerk of the commissioners, the books to be accurately made up. The list takers and assessors shall not be entitled to pay unless they have per-

Sec. 42. Bank taxation.

The taxes imposed for state purposes upon the shares of stock in any bank, banking association or savings institution (whether state or national) in this State shall be paid by the cashier of
such bank, banking association or savings institution directly to the State Treasurer, and upon failure to pay the State Treasurer as aforesaid he shall institute an action against the bank, banking association, or savings institution to enforce the same in the county of Wake or in the county in which the bank, banking association or savings institution is located, which action shall be prosecuted in the name of the State of North Carolina on the relation of the Treasurer of the State, and which shall be tried at the return term of court: Provided, the complaint is filed ten days before the first day of such term, and shall have precedence over all other actions. The board of commissioners of the county in which such banks, banking associations or savings institutions are located shall assess against the value of shares of residents in that county the tax imposed for school and county purposes, which shall be paid to the sheriff of that county, and shall assess against the value of shares by nonresidents of this State in such bank, banking association or savings institution located in that county the said tax imposed for school, county and municipal purposes; and the said bank is authorized and empowered to deduct such tax from the dividends of said nonresident stockholders. The value of such shares shall be determined as is hereinafter in this section provided. Every bank, banking association or savings institution (whether state or national) shall list its real estate in the county, city or town in which such real estate is located, for the purposes of state, county and municipal taxation. Every such bank, banking association or savings institution shall, during the month of May, list annually with the State Tax Commission, in the name and for its shareholders, all the shares of its capital stock, whether held by residents or nonresidents, at its market value on the first day of May, or, if it have no market value, then at its actual value on that day, from which market or actual value shall be deducted the assessed value of the real and personal property which such bank, banking association or savings institution shall have listed for taxation in the county or counties wherein such real and personal estate is located. The actual value of such shares, where such shares have no market value, shall be ascertained by adding together the capital stock, surplus and undivided profits, and deducting therefrom the amount of real and personal property owned by said institution on which it pays tax and dividing the net amount by the number of shares in said institution. Insolvent debts due said institution may be deducted from the items of undivided profits or surplus, if itemized and sworn to, and forwarded to the State Tax Commission by the cashier of such institution, also, accrued and unearned interest, unpaid taxes, an amount not exceeding five (5) per cent of the bills receivable of said institution to cover any other bad or insolvent debts, and also an amount equal to the true value of any shares of stock owned in other North Carolina banks or corporations upon which
the tax is paid by the owner or the corporation issuing the same. If the State Tax Commission shall have reason to believe that the market or actual value as given in is not its true value, it shall ascertain such true value by such examination and investigation as to it seems proper, and change the value as given in to such an amount as it ascertains the true value to be, which action on the part of the State Tax Commission may be reviewed by the Superior Court by an action brought against the State Tax Commission in its official capacity by the party aggrieved. But no action shall lie until all taxes admitted by such aggrieved party to be due shall have been paid or tendered. In listing the shares for state taxation, such bank, banking association or savings institution shall file with the State Tax Commission of the State a statement showing the name and residence of each shareholder, the number of shares held by each and the taxable value of such shares as fixed by the provisions of this act, which statement shall be in writing and subscribed and sworn to by the president, cashier or some other officer of the bank. For the purpose of aiding the county commissioners and other municipal officers in enforcing the law as to the listing of bank shares by the individual shareholders for the purpose of county, school and municipal taxation, it shall be the duty of every bank, banking association or savings institution (whether state or national) to furnish to the board of county commissioners of each county wherein any of its shareholders reside a statement showing the names of all its shareholders resident in such county, with the number of shares owned by each, and the taxable value of such shares, ascertained from the statement hereinbefore required to be made by such bank, banking association or savings institution to the State Tax Commission. It shall also be the duty of the State Tax Commission to certify to the board of county commissioners of each county wherein any of said shareholders reside a statement showing the names of all the shareholders resident in such county, with the number of shares owned by each, and the value of such shares as ascertained by the statement hereinbefore required to be made by such bank, banking association or savings institution to the State Tax Commission; and it shall thereupon be the duty of the chairman and clerk of the said board of county commissioners to list said shares of stock, with the assessed value thereon, for the purposes of county, school or municipal taxation; and the tax lister for the city or town shall compute the municipal taxes thereon: Provided, that no city or town shall assess any bank stock at a valuation different from that affixed by the State Tax Commission. The residents of this State who are shareholders in any bank, banking association or savings institution (whether state or normal) shall list the number of their respective shares in the county, city or town, precinct or village where they reside, for the purposes of county, school and municipal taxation. All shares, whether owned by residents or nonresidents shall be listed at the time prescribed for listing taxes. The county commissioners, assistant assessors, and other county and municipal officers shall have the power to enforce the listing of shares of stock in any such bank, banking association or savings institution, whether held by residents or nonresidents, as they have for enforcing the listing of other personal property. The taxation of shares of any such bank, banking association or savings institution shall not be a greater rate than is assessed upon other moneys capital in the hands of individual citizens of this State, whether such taxation is for the state, county, school or municipal purposes.

Sec. 43. Reports from corporations.

Reports of corporations to State Tax Commission.

Hereafter, except in the case of such corporations as are especially mentioned by name in other sections of this or the Revenue Act and required to make statements in other forms, it shall be the duty of the president, chairman or treasurer of every corporation having capital stock, every joint-stock association or limited partnership whatsoever, now or hereafter organized or incorporated by or under any law of this State, to make a report, in writing, to the State Tax Commission on or before the first day of July of each year, stating specifically:

And in said report one of the following named officers of such corporation, limited partnership or joint-stock association, namely the president, chairman, secretary or treasurer, after being duly sworn or affirmed to do and perform the same with fidelity and according to the best of his knowledge and belief, shall estimate and appraise the capital stock of said company at its actual value in cash on the first day of May, after deducting therefrom the
assessed value of all real and personal estate upon which the
corporation pays tax, and the value of the shares of stock legally
held and owned by such corporation in other corporations in-
corporated in this State and paying taxes on its capital stock in
this State, as indicated or measured by the amount of profit made,
either declared in dividends or carried into surplus or sinking
fund; and when the same shall have been so truly estimated and
appraised they shall forthwith forward to the State Tax Com-
mission a certificate thereof, accompanied by a copy of their said
oath or affirmation, signed by them and attested by a magistrate
or other person duly qualified to administer the same: Provided,
that if the State Tax Commission or either of them is not satis-
fied with the appraisement and valuation so made and returned,
they are hereby authorized and empowered to make a valuation
thereof, based upon the facts contained in the report herein re-
quired or upon any information within their possession, and to
settle an account on the valuation so made by them for taxes,
penalties and interest due the State thereon, of which such set-
tlement immediate notice shall be given to such corporation by
said State Tax Commission, with the right to the company dis-
satisfied with any settlement so made against it to appeal to the
Superior Court in term time of the county in which such company
has its principal place of business in this State, and thence to
the Supreme Court of this State; but before such company shall
be allowed to exercise their right of appeal it shall, within twenty
days after notice of such settlement, file with the State Tax Com-
mision exceptions to the particulars to which it objects, and the
grounds thereof, and said State Tax Commission shall hear said
exceptions, after ten days notice of such hearing given by said
State Tax Commission to said company; and if they shall over-
rule any of said exceptions, then such company, if it desires to
appeal to said Superior Court, shall within ten days thereafter
give notice to said State Tax Commission of such appeal to said
Superior Court, and the State Tax Commission shall thereupon
transmit to said Superior Court a record of said settlement, with
the exceptions of the company thereto, and all decisions thereon,
and all papers and evidence considered in making said decision.
The said cause shall be placed on the civil docket of said Supe-
rior Court and shall have precedence of all other civil actions,
and shall be tried under the same rules and regulations as are
prescribed for the trial of other civil causes. The cause shall be
entitled State of North Carolina on the relation of State Tax

the Supreme Court from the judgment of the Superior Court,
under the same rules and regulations as are prescribed by law for
other appeals, except that the State of North Carolina, if it shall
appeal, shall not be required to give an undertaking or make

SEC. 47. **Penalty for failure to furnish reports.**

to appear before them with such books, papers, and statements as they may require, or they may require additional statements to be made to them, and may compel the attendance of witnesses in case they shall deem it necessary to enable them to ascertain the true cash value of such property.

Sec. 57. Manner of assessment.

Said State Tax Commission shall first ascertain the true cash value of the entire property owned by the said association, company, copartnership or corporation from said statements or otherwise for that purpose, taking the aggregate value of all the shares of capital stock, in case shares have a market value, and in case they have none, taking the actual value thereof or of the capital of said association, company, copartnership or corporation in whatever manner the same is divided, in case no shares of capital stock have been issued: Provided, however, that in case the whole or any portion of the property of such association, company, copartnership or corporation shall be encumbered by a mortgage or mortgages, such board shall ascertain the true cash value of such property by adding to the market value of the aggregate shares of stock or to the value of the capital. In case there should be no such shares, the aggregate amounts of such mortgage or mortgages and the result shall be deemed and treated as the true cash value of the property of such association, company, copartnership or corporation. Such State Tax Commission shall, for the purpose of ascertaining the true cash value of the property within the State of North Carolina, next ascertain from such statements or otherwise the assessed value for taxation, in the localities where the same is situated, of the several pieces of real estate situated within the State of North Carolina and not specifically used in the general business of such associations, companies, copartnerships or corporations, which said assessed value for taxation shall be by said board deducted from the gross value of the property as above ascertained. Said State Tax Commission shall next ascertain and assess the true cash value of the property of the associations, companies, copartnerships or corporations within the State of North Carolina by taking as a guide, as far as practicable, the proportion of the whole aggregate value of said associations, companies, copartnerships or corporations as above ascertained, after deducting the assessed value of such real estate without the State which the length of lines of said associations, companies, copartnerships or corporations, in the case of telegraph and telephone companies within the State of North Carolina, bears to the total length thereof, and in the case of express companies and sleeping car companies the proportion shall be the proportion of the whole aggregate value, after such deduction, which the length of the lines or routes within the State of North Carolina bears to the whole length of lines or routes of such associations, companies, copartnerships or corpora-
tions, and such amount so ascertained shall be deemed and held as the entire value of the property of said associations, companies, copartnerships or corporations within the State of North Carolina. The State Tax Commissioners shall also assess the value for taxation of all real estate, structures, machinery and appliances of telegraph and telephone companies within the State subject to local taxation, and this assessment, together with the franchise value, shall be certified by the commission to the counties and municipalities where located on basis of wire mileage in such county or town in which such property is situated. From the entire value of the property within the State so ascertained there shall be deducted by the commissioners the assessed value for taxation of all real estate, structures, machinery and appliances within the State and subject to local taxation in the counties as hereinbefore described in sections fifty-one, fifty-two, fifty-three, fifty-four, fifty-five and fifty-six of this act, and the residue of such value so ascertained, after deducting therefrom the assessed value of such local properties, shall be by said board assessed to said association.

Sec. 58. Value per mile.

Said State Tax Commission shall thereupon ascertain the value per mile of the property within the State by dividing the total value as above ascertained, after deducting the specific properties locally assessed within the State by the number of miles within the State, and the result shall be deemed and held as value per mile of the property of such association, company, copartnership or corporation within the State of North Carolina.

Sec. 59. Total value for each county.

Said State Tax Commission shall thereupon, for the purpose of determining what amount shall be assessed by it to said association, company, copartnership or corporation in each county in the State, through, across and into or over which the line of said association, company, copartnership or corporation extends, multiply the value per mile, as above ascertained, by the number of miles in each such counties as reported in said statements or as otherwise ascertained, and the result thereof shall be by the clerk of said board certified to the chairman of the board of county commissioners, respectively, of the several counties through, into, over or across which the lines or routes of said association, company, copartnership or corporation extends. All taxes due the State from any corporation taxed under the preceding sections, except the tax paid for school purposes, shall be paid by the treasurer of each company direct to the State Treasurer.

In case such association, company, copartnership or corporation shall have refused to pay the whole of the taxes assessed against the same by the State Tax Commission, or in case such association, company, copartnership or corporation shall have refused to pay the taxes or any portion thereof assessed to it in any particular county or counties, such action may include the whole or any portion of the taxes so unpaid in any county or counties; but the Attorney-General may, at his option, unite in one action the entire amount of the tax due, or may bring separate actions to each separate county or adjoining counties, as he may prefer. All collections of taxes for or on account of any particular county made in any such suit or suits shall be by said board accounted for as a credit to the respective counties for or on account of which such collections were made by the said board at the next ensuing settlement with such county, but the penalty so collected shall be credited to the general fund of the State; and upon such settlement being made, the treasurers of the several counties shall at their next settlements enter credits upon the proper duplicates in their offices, and at the next settlement with such county report the amount so received by him in his settlement with the State, and proper entries shall be made with reference thereto: Provided, that in any such action the amount of assessment fixed by said State Tax Commission and apportioned to such county shall not be controverted.

Sec. 61. Railroads.

The commissioners selected from time to time under authority to establish the North Carolina State Tax Commission shall constitute a board of appraisers and assessors for railroad, canal and steamboat companies and other companies exercising the right of eminent domain.

Sec. 62. Railroads.

The president, secretary, superintendent or other principal accounting officers, within this State, of every railroad, telegraph, telephone, street railway company, whether incorporated by the
laws of this State or not, shall, at such dates as real estate is required to be assessed for taxation, return to the said commission for assessment and taxation, verified by the oath or affirmation of the officer making the return, all the following described property belonging to such corporation within this State, viz: The number of miles of such railroad lines in each county in this State and the total number of miles in this State, including the roadbed, right of way and superstructures thereon, main and side tracks, depot buildings and depot grounds, section and tool houses, and the land upon which situated and necessary to their use; water stations and land, coal chutes and land, and real estate and personal property of every character necessary for the construction and successful operation of such railroad or used in the daily operation, whether situated on the charter right of way of the railroad or on additional land acquired for this purpose, except as provided below, including, also, if desired by the State Tax Commission, Pullman or sleeping cars or refrigerator cars owned by them or operated over their lines: Provided, however, that all machine and repair shops, general office buildings, storehouses and contents located outside of the right of way, and also real and personal property, other than the property as returned above to the State Tax Commission, shall be listed for purposes of taxation by the principal officers or agents of such companies with the list takers of the county where the real and personal property may be situated, in the manner provided by law for the listing and valuation of real and personal property. A list of such property shall be filed by such company with the State Tax Commission. It shall be the duty of the register of deeds, if requested so to do by the State Tax Commission, to certify and send to the said commission a statement giving a description of the property mentioned in the foregoing proviso, and showing the assessed valuation thereof, which value shall be deducted from the total value of the property of such railroad company as arrived at by the commission, in accordance with section sixty-six, before the apportionment is made to the counties and municipalities. The registers of deeds shall also certify to the commission the local rate of taxation for county purposes as soon as the same shall be determined, and such other information obtained in the course of the performance of the duties of their office as the said commission shall require of them; and the mayor of each city or town shall cause to be sent to the said commission the local rate of taxation for municipal purposes.

SEC. 63. *Railroads.*

Such schedule shall be made in conformity to such instructions and forms as may be prescribed by the commission, and with reference to amounts and values on the first day of May of the year of which the return is made.

Sec. 64. Tangible and intangible property assessed separately.

(a) At such dates as real estate is required to be assessed for taxation, the said commission shall first determine the value of the tangible property of each division or branch of such railroad of rolling stock and all other physical or tangible property. This value shall be determined by a due consideration of the actual cost of replacing the property, with a just allowance for depreciation on rolling stock, and also of other conditions, to be considered as in the case of private property.

(b) They shall then assess the value of the franchise, which shall be determined by due consideration of the gross earnings as compared with the operating expenses, and particularly by consideration of the value placed upon the whole property by the public (the value of the physical property being deducted), as evidenced by the market value of all capital stock, certificates of indebtedness, bonds or any other securities, the value of which is based upon the earning capacity of the property.

(c) The aggregate value of the physical or tangible property and the franchise as thus determined shall be the true value of the property for the purpose of an ad valorem taxation, and shall be apportioned in the same proportion that the length of such road in each county bears to the entire length of such division or branch thereof; and the State Tax Commission shall certify, on or before the fifteenth day of August, to the chairman of the county commissioners and the mayor of each city or incorporated town the amount apportioned to his county, city or town; and the said commission shall make and forward a like certificate to the Auditor of the State. All taxes due the State from any railroad company, except the tax imposed for school purposes,
shall be paid by the treasurer of each company directly to the State Treasurer within thirty days after the first day of July of each year; and upon failure to pay the State Treasurer as aforesaid, he shall institute an action to enforce the same in the county of Wake or any other county in which such railroad is located, adding thereto twenty-five per centum of the tax. The board of county commissioners of each county through which said railroad passes shall assess against the same only the tax imposed by the State for school purposes and those imposed for county purposes.

Sec. 65. Railroads.

When any railroad has part of its road in this State and part thereof in any other state, the said commission shall ascertain the value of railroad track, rolling stock and all other property liable to assessment by the State Tax Commission of such company as provided in the next preceding section, and divide it in the proportion to the length such main line of road in this State bears to the whole length of such main line of road, and determine the value in this State accordingly. On or after the first Monday in July, the said commission shall give a hearing to all the companies interested touching the valuation and assessment of their property. The said commission may, if they see fit, require all argument and communications to be presented in writing.

Sec. 66. Railroads.

If the property of any railroad company be leased or operated by any other corporation, foreign or domestic, the property of the lessor or company whose property is operated shall be subject to taxation in the manner hereinbefore directed; and if the lessee or operating company, being a foreign corporation, be the owner or possessor of any property in this State other than which it derives from the lessor or company whose property is operated, it shall be assessed in respect to such property in like manner as any domestic railroad company.

Sec. 67. Railroads.

The State Tax Commission shall have power to summon and examine witnesses and require that books and papers shall be presented to them for the purpose of obtaining such information as may be necessary to aid in determining the valuation of any railroad company. Any president, secretary, receiver or accounting officer, servant or agent of any railroad or steamboat company having any portion of its property or roadway in this State, who shall refuse to attend before the said commission when required to do so, or refuse to submit to the inspection of said commissioners any books or papers of such railroad company in his possession, custody or control, or shall refuse to answer such

Sec. 67. Tax Commission to certify; when tax payable.

(a) The State Tax Commission shall, upon the completion of the assessments as directed in the preceding section, certify an itemized list of the names of the various corporations assessed, together with the valuations assessed against each, to the Auditor of the State, and it shall be the duty of the Auditor to cause the State and pension tax levy to be computed thereon against each corporation so certified, and to furnish the State Treasurer with same for collection, and said list shall be a charge against the State Treasurer. All such taxes due the State shall be paid by the secretary or treasurer of any such corporation direct to the State Treasurer within thirty days after receipt of bill from the Treasurer of taxes due. The State Tax Commission shall also certify to the register of deeds of the county the total valuation as hereinafter determined and apportioned by the commission, and in case of corporate excess, to the county in which the corporation has its principal place of business, and the board of county commissioners shall assess against same the tax imposed for county and school purposes, which shall be paid to the sheriff or tax collector of the county.

Sec. 68. Canal and steamboat companies.

The property of all canal and steamboat companies in this State shall be assessed for taxation as above provided for railroads. In case any officer fails to return the property as provided in this section, the commission shall ascertain the length of such property in this State, and shall assess the same in proportion to the length at the highest rate at which property of that kind is assessed by them.

Sec. 69. Private banks and bankers.

Every bank (not incorporated), banker, broker or stock jobber shall, at the time fixed by this chapter for listing personal property, make out and furnish the assessor a sworn statement, showing (1) the amount of property on hand and in transit; (2) the amount of funds in the hands of other banks, bankers or brokers

The sheriff or other accounting officer shall, on or before the second Monday of January in each year, settle his state tax account with the commissioners of his county and pay the amount for which said sheriff or collector is liable to the Treasurer of the State in such manner or at such a place as he shall direct: Provided, the State Treasurer may extend the time on a sufficient amount to cover the state tax on the land sales in each county to the first Monday in May. The commissioners shall forthwith report to the State Tax Commission the amount due from such accounting officer, setting forth therein the net amount due to each fund; and the treasurer, upon a statement from the State Tax Commission, shall open an account against such officer and debit him accordingly. Upon the failure of the board of county commissioners to make this report to the State Tax Commission on or before the third Monday of January each year, he may impose a fine of one hundred dollars upon said commissioners. The sheriff or tax collector, in making his settlements as aforesaid, shall file with the commissioners a duplicate of the list required in this act. In such settlement the sheriff or other officers shall be charged with the amount of public tax as the same appears by the abstract of the taxable transmitted to the State Tax Commission; also with all double tax and taxes on unlisted property by him received, and with other tax which he may have collected or for which he is chargeable. The State Tax Commission shall give to each sheriff or tax collector a certified statement embracing the subjects of taxation contained in both lists and the amount of tax on each subject, which the sheriff or tax collector shall deposit with the clerk of the commissioners of his county for public inspection; that the sheriffs and tax collectors shall receive five per cent on all taxes, licenses and privileges collected by them for state, county, township, school district or other purposes whatsoever, up to the sum of fifty thousand dollars, and upon all such sums so collected by him in excess thereof he shall receive two and one-half per cent commission; that all laws and clauses of laws, whether general or special, in conflict herewith are hereby repealed: Provided, this shall not apply to or affect the compensation allowed sheriffs of the counties who receive salaries for the collection of taxes: Provided, further, that the sheriff and tax collector of Mecklenburg County shall receive the compensation provided for them in chapter eight hundred and fifteen of the Public Laws of North Carolina, session one thousand nine hundred and five.

Sec. 101. The State Tax Commission, in making the settlement of the amount due from the sheriff or tax collector aforesaid, shall deduct from the list returned:

(1) Taxes on personal property certified by the clerk of the Insolvents, commissioners of the county, by order of the commissioners, to be insolvent and uncollectible.
Overpayments on former settlements.
Commissions.
Per diem and mileage allowed sheriff.

State Tax Commission to report failure of sheriff.

Settlement of county tax.

Penalty for retention of money.

Penalty for delay.

Proviso: commissioners may remit penalty.
Proviso: extension of time.

(2) All overpayments made in former settlements by reason of any error in the clerk's abstract of taxables.

(3) The commissions allowed by law.

Sec. 102. For his settlement with the State Treasurer the sheriff or tax collector shall be paid three dollars for each day he may be actually necessarily engaged therein with the commissioners at the county seat, to be paid by him on the warrant of the State Tax Commission, upon certificate of the sheriff or tax collector, duly verified before the board of commissioners.

Sec. 103. In every case of failure by the sheriff or other accounting officer to settle his account within the time prescribed by this act for such settlement, and to take oath required in his settlement and pay the amount due to the treasurer, the State Tax Commission shall forthwith report to the treasurer the account of such sheriff or officer, deducting therefrom for commissions or insolvents, but adding thereto one thousand dollars and ten per centum of the amount of taxes with which said sheriff is charged for the amount of taxes supposed not to appear in the list transmitted by the clerk, and furnish him a copy of the official bond of said officer and his sureties; and if the whole amount be not paid the treasurer, on motion of the solicitor in the Superior Court of Wake County, before the clerk thereof, within twenty days after default shall have occurred, shall recover judgment against him and his sureties, without other notice than is given by the delinquency of the officer; and to the end that obligations and names may be known, the clerk of the Superior Court shall, on or before the second Monday in each year, transmit to the State Tax Commission a copy, certified under the seal of the court, of the bond of the sheriff and his sureties, upon pain for his default of forfeiting to the State one thousand dollars, which the State Tax Commission shall and is hereby specially charged to collect in like manner and at such times as is provided in this section.

Sec. 104. The sheriff or tax collector shall pay the county taxes to the county treasurer or other lawful officer. He shall at no time retain over three thousand dollars for a longer time than ten days, under a penalty of two per centum per month to the county upon all sums so unlawfully retained, and shall, on oath, render a statement to the board of commissioners at their monthly meeting of the amount in his hands. On or before the first Monday of February in each year the sheriff shall account to the county treasurer or other lawful officer for all taxes due the county for the fiscal year, and on failing to do so he shall pay the county treasurer a penalty of two per centum per month on all sums unpaid, and this shall be continued until final settlement: Provided, the board of county commissioners may in their discretion relieve the sheriff or tax collector of said penalty of two per centum per month upon payment in full of the county taxes: Provided, further, the county commissioners may extend
the time of settlement of the sheriff of the county to the first Monday in May.

Sec. 105. The Treasurer of the State, with the advice and approval of the Attorney-General, is hereby authorized, when in the judgment of these officers it may be best to secure the interest of the State and will not lose any lien held by the State, to grant indulgence to defendants in execution and relinquish penalties upon payment of amount of dues owing to the State; and likewise to bid for in behalf of the State and purchase property of said defendant when necessary to secure the payment of the dues.

Sec. 106. The sheriff or tax collector shall be charged with the sums appearing by the tax list as due for the county taxes, and shall be allowed to deduct therefrom, in like manner as is prescribed in this act in regard to his settlement of the State taxes, all insolvents and uncollectible poll taxes, and also the amount of county tax on the lands bid off by the county, and costs and fees, which shall be, for making a deed, fifty cents; for registering, twenty-five cents; and such other necessary sums as were actually paid by the sheriff: Provided, a majority of any board of county commissioners may extend the time for collecting and settlement of county taxes in the respective counties to such time as they may deem expedient, not to extend beyond the first of May in the year following in which taxes were levied: Provided, further, that it shall be unlawful for any sheriff or tax collector, in accounting with the board of county commissioners, for either the state or county taxes, to exhibit or present in said county any money not actually derived from the collection of taxes; and any such sheriff or tax collector so offending shall forfeit a penalty of five hundred dollars: Provided, further, that any sheriff, tax collector or county treasurer who shall use any part of the county or state taxes otherwise than as directed by law shall forfeit double the amount of his commission on county and state taxes for the year in which he so misused said taxes. No mortgage or lien on any property shall be superior to the taxes on said property, whether said mortgage or lien was given prior or subsequent to the levy of the taxes.

Sec. 107. The board of county commissioners, at their last regular or other subsequent meeting in each year, shall appoint one or more of their number, not to exceed three, to be present at the accounting and settlement between the sheriff and county treasurer provided for in the preceding section, and also to audit and settle accounts of the county treasurer and all other county officers authorized to receive or disburse county funds. The account so audited shall be reported to the board of county commissioners, and when approved by them shall be filed with the clerk and recorded on his books, and shall be prima facie evidence of their correctness and impeachable only for fraud or special error: Provided, the compensation allowed the committee
for their services shall not exceed two dollars per day each for the time actually spent in said settlement, and there shall be no allowance for extra clerical aid.

Sec. 108. In case the sheriff of a county shall fail, neglect or refuse to account with the county treasurer and auditing committee as above required, or to pay what may rightfully be found due in such accounts, he shall forfeit and pay to the State for the use of the county a penalty of two thousand five hundred dollars. It shall be the duty of the county treasurer (and if he neglect or refuse to perform it, it shall be the duty of the chairman of the board of commissioners) to cause an action to be brought in the Superior Court of the county on the bond of the sheriff against him and his sureties to recover the amount owing by him and the penalties aforesaid. If the sheriff shall fraudulently and corruptly fail to account as aforesaid, he shall be criminally liable thereupon in like manner and with the same penalties imposed for such criminal defalcation in section ninety-five of this act.

Sec. 109. In each year the county treasurer shall give five days notice to all the county officers (except the sheriff) authorized to receive or disburse the county funds to appear at the courthouse, on a certain day in January, before him and the committee appointed by the board of commissioners, and present an account of all sums received or disbursed for the county, with their vouchers, and any officer failing to attend and account shall be deemed guilty of a misdemeanor. The accounts, when audited, shall be reported to the board of commissioners at their next meeting, and if approved shall be filed with the clerk and recorded in their proceedings, together with their approval, and shall be deemed prima facie correct.

Sec. 110. Whenever in this act a duty is imposed upon the sheriff of a county of which a tax collector has been or may be appointed, it shall be incumbent upon the tax collector to perform said office instead of the sheriff; and such tax collector shall collect all the taxes, have all the emoluments and be subject to all the penalties as provided in case of sheriffs in this act; and it shall be the duty of all persons having tax moneys in hand to account for and settle with said tax collector.

Sec. 111. If any sheriff shall die during the time appointed for collecting taxes his sureties may collect them, and for that purpose shall have all power and means for collecting the same from the collectors and taxpayers as the sheriff would have had, and shall be subject to all the remedies for collecting and settling of the taxes, on their bond or otherwise, as might have been had against the sheriff if he had lived.

Sec. 112. The sheriff (and in case of his death, the sureties) shall have one year, and no longer, from the day prescribed for his settlement and payment of the state taxes to finish the collection of all taxes, but the extension of time for collection shall not extend the time of his settlement of the taxes.
SEC. 113. The Secretary of State shall have printed five thou-

sand copies of this act and the Revenue Act of this session and
distribute the said acts among the officers whose duty it is to
eexecute or carry into effect any portion thereof.

SEC. 114. The Secretary of State shall in like manner have

printed ten copies of said act for each member of the General
Assembly and forward the same to him.

SEC. 115. The State Tax Commission shall prepare and fur-
nish to the board of commissioners of each county a sufficient
number of blank forms or lists, with the proper oath added
thereto, on which each taxpayer in the State shall make out,
under oath, a true statement and return of all his property, with
the value thereof, according to the provisions of this act.

SEC. 116. Upon failure to pay to the State Treasurer within

thirty days after the same shall have become due any tax which
by law is made payable direct to the State Treasurer, it shall be
the duty of the treasurer to report the same to the State Tax
Commission, and upon receipt of such report it shall be the duty
of the State Tax Commission to institute an action to enforce
the same in the county of Wake or in the county in which the
property taxed is located.

SEC. 117. Any person, firm, or corporation who is liable for any
license or privilege tax under Schedules B and C, and who prac-
tice their or its profession or trade without paying said license
or privilege tax, shall be subject to a penalty of two hundred and
fifty dollars, the same to be recovered by the State Tax Com-
mission in an action to enforce same in the Superior Court of Wake
County or in the county of the defendant.

SEC. 118. All acts and parts of acts inconsistent with the pro-
visions of this act are hereby repealed: Provided, that such re-
pellation shall not in any manner affect any rights heretofore ac-
quired, or the collection of any taxes heretofore levied or as-
sessed, or the validity of any sale heretofore made, or any rights
heretofore acquired in the law of this State.

SEC. 119. That this act shall be in force from and after its
ratification.

Joint Resolution Memorizing the Congress of the United States to Pass the Webb-Kenyon-Sheppard Bill Relative to Shipping Liquors into Prohibition Territory.

Whereas, the State of North Carolina, by a direct vote of the people, has prohibited the manufacture and sale of liquors; and,

Whereas, the Federal government under its present laws protects the liquor traffic outside of the State in shipping and delivering their liquors to illicit dealers within the State of North Carolina, thus interfering with the State in the enforcement of her liquor laws; and,

Whereas, there is now pending in the Congress of the United States a measure known as the Webb-Kenyon-Sheppard bill (S4043), which has as its purpose the prevention of interstate shipment of liquors which are to be disposed of in violation of the state laws: Therefore, be it

Resolved by the House of Representatives, the Senate concurring:

That the Congress of the United States be, and the same is hereby, earnestly memorialized and requested to pass the said Webb-Kenyon-Sheppard bill at the earliest possible date; and be it further

Resolution No. 13.

A Joint Resolution Declaring the Views of the General Assembly of North Carolina with Reference to Interstate Passenger and Freight Rates and Charges, and for Other Purposes.

Resolved by the House of Representatives, the Senate concurring:

First. That in view of the General Assembly of North Carolina, Congress should declare illegal, under any and all circumstances, any greater charge by any public service company for transporting passengers, or freights of a given kind and quantity, a shorter distance than is charged for transporting the same a longer distance in the same direction when the shorter haul is included in the longer.
Second. That the senators and representatives in Congress from this State be, and they are hereby, requested and respectfully urged, to support a bill repealing the first and second provisions to section four of the Interstate Commerce Act, and to support such other amendments as may be necessary to make effective the policy declared for in the first resolution above.

Third. That pending the enactment into law by Congress of the principles above declared for, it should, in the opinion of the General Assembly of North Carolina, be the policy of the State to press before the Interstate Commerce Commission objections to the injustice of allowing any discrimination against North Carolina points, in favor of other points outside of the State to which hauls are longer than to the North Carolina points, and which longer hauls include the hauls to such North Carolina points.

Fourth. That in addition to the powers conferred on the North Carolina Corporation Commission to institute and prosecute cases before the Interstate Commerce Commission for relief to the people of North Carolina from discriminatory and excessive charges by common carriers, power is conferred upon the Governor to institute and prosecute such cases, either independent of or in conjunction with the North Carolina Corporation Commission, in his name on behalf of the people of the State, or in the name of any combined association or body of citizens, or in the name of the North Carolina Corporation Commission, and for such purpose the sum of not exceeding five thousand dollars a year is appropriated out of any money in the State treasury not otherwise appropriated, to be paid on the order of the Governor.

Fifth. That the Secretary of State shall transmit to each of the United States senators and members of Congress from this State a copy of these resolutions.

That this resolution shall be in force from and after its ratification.

In the General Assembly read three times and ratified, this the 30th day of January, 1913.

RESOLUTION No. 14.

RESOLUTION IN FAVOR OF JOSEPH S. ROYSTER, SHERIFF OF VANCE COUNTY.

Resolved by the Senate, the House of Representatives concurring:

That the State Auditor be, and he is hereby, authorized and directed to draw his warrant on the State Treasurer in favor of Joseph S. Royster, sheriff of Vance County, for the sum of one hundred dollars ($100), the same being the amount of the reward
offered by the Governor for the arrest of Frank Singleton, murderer of Joseph Ellington, said sum having been paid to W. D. Vinzont, Jacksonville, Florida, for arresting said Singleton, by said Joseph S. Royster.

In the General Assembly read three times and ratified, this the 3d day of February, 1913.

RESOLUTION No. 15.

JOINT RESOLUTION IN REGARD TO INTERSTATE TRANSPORTATION CHARGES BY COMMON CARRIERS.

Whereas, the policy of the State of North Carolina with reference to interstate charges by common carriers has been declared by joint resolution of the present General Assembly; and,

Whereas, this policy is being violated by interstate common carriers by railroad, now doing business in this State, by their charging more for short hauls to points in the State than is charged for the same kind and quantity of freight hauled a longer distance, over the same route, through the State to points outside of the State; and,

Whereas, the commercial growth and development of the State of North Carolina depend in large measure upon such common carriers conforming to the declared policy of the State: Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

That the Governor of the State be, and he is hereby, empowered and requested to appoint a commission composed of three members, whose duty it shall be to take up with common carriers by railroad, doing interstate business in this State of transporting freight and passengers, or with such of said common carriers as may seem to said commission to be wise, the question and manner of said railroads conforming to the declared policy of this State, and report in full during the present session of the General Assembly, the results of such conference, and the prospect and methods of securing conformity by said common carriers to the State's declared policy. Such report shall be made to the Governor and the General Assembly.

Resolved, further, that the said commission shall consider the propriety of conferring with, and if it deems it advisable it shall confer with, any other railroad companies not now doing business in the State of North Carolina, with the view of securing such railroad companies to construct their lines into North Carolina, and give to the State the benefit of lower rates than now obtain on
interstate traffic, and rates that will not discriminate against North Carolina points and in favor of points outside of the State. 

Resolved, further, that the Governor be invited by said commission to sit with it.

In the General Assembly read three times and ratified, this the 3d day of February, 1913.

RESOLUTION No. 16.

RESOLUTION OF GREETING AS TO THE BUILDING OF A SOUTHERN TRANSCONTINENTAL HIGHWAY FROM THE ATLANTIC TO THE PACIFIC.

WHEREAS, it is proposed to establish a transcontinental highway from the Atlantic to the Pacific sufficiently far south to be used at all seasons, especially in the winter when the more northerly routes are blocked by snow; and,

WHEREAS, the Central Highway of North Carolina from the Atlantic through Raleigh westward to the Tennessee line is nearly completed, and Bristol and Memphis Highway in Tennessee is well advanced toward completion; and,

WHEREAS, a free bridge costing six million dollars is now being built at Memphis which will carry this highway across the Mississippi; and,

WHEREAS, a highway from Little Rock, Arkansas, to San Diego, California, is in daily use at the present time; and,

WHEREAS, there remain but short gaps of road to improve in order to secure a direct and practical route from ocean to ocean: Therefore, be it

4. That greetings be sent to the convention called by Governor Craig, to be held at Asheville, February twelfth, for the purpose of forming a Southern Highway Association, expressing the hope that such an organization may be formed and Federal aid secured to complete the southern highway.

In the General Assembly read three times and ratified, this the 4th day of February, 1913.

WHEREAS, various bills proposing amendments to the Constitution of North Carolina and the calling of a constitutional convention have been introduced in both branches of this General Assembly; and,

WHEREAS, it is the sense of the Joint Committee on Constitutional Amendments of the Senate and House that some amendments to the Constitution are necessary and should be submitted to the people for ratification, but that this General Assembly has not sufficient time during its regular session to properly draft and consider the proposed changes to said Constitution; and,

WHEREAS, it is further the sense of said joint committee and the General Assembly that an adjourned or called session of this General Assembly will be necessary and proper to carefully consider said proposed amendments; and,

Whereas, the Hon. Kemp P. Battle, whose unwearying labors in behalf of the University of North Carolina, after its doors had been closed and its halls deserted as a result of Civil War and Reconstruction, succeeded in 1875 in reopening that historic institution to the youth of the State; whose wise policies as president of the University re-established it on a firm foundation in the affections of the people of North Carolina, and whose work as a professor in the classroom has inspired more than one generation of North Carolina youth with state pride and love of country, has crowned the labors of a long life spent in the service of the University and of the State by the writing and publication of a History of the University of North Carolina from 1789 to 1912, the final volume of which has just been issued from the press, thereby placing under still further obligation to him every lover of the State of North Carolina and its great University, whose history for one hundred and twenty-three years has been coincident with the history of the State: Therefore, be it

SECTION 1. Whereas, the General Assembly of North Carolina of one thousand nine hundred and nine appointed a special joint committee of the House of Representatives and the Senate to investigate the fisheries of North Carolina and to make a report in the form of a bill to the General Assembly of North Carolina of one thousand nine hundred and eleven, which investigation was made and report submitted;

And whereas, neither this report or any part of it was adopted by the General Assembly of one thousand nine hundred and eleven, and in consequence of this the Fish Commission of North Carolina was placed in a very embarrassing position as its launch, the Gretchen, which the Fish Commissioner was authorized to purchase, was not paid for, but a note was given for its purchase, and this note was due;

And whereas, in order to prevent the sale of the launch, which would have crippled the work of the Fish Commission, members of this joint committee and others interested in the fishing industries of North Carolina endorsed a new note of the Fish Commissioner to cover the indebtedness incurred by the Fish Commission for the launch the Gretchen, the following being the endorsers of the note: W. W. Kitchin, W. C. Newland, A. W. Graham, E. L. Travis, R. A. Doughton, C. S. Vann, F. R. Hewitt, Jos. Hyde Pratt, and thus enabled the Fish Commissioner to keep on with his work;

And whereas, this note, which is held by the Citizens National Bank of Raleigh, North Carolina, will soon be due: Therefore, it is resolved, That there shall be and there is hereby appropriated out of the moneys in the public treasury not otherwise appropriated the sum of three thousand three hundred and seventy-seven dollars and sixty-six cents ($3,377.66) for the purpose of paying off this note of the Fish Commissioner, which is endorsed by the men named in this section, and the State Auditor is hereby authorized and instructed to draw a warrant in favor of the Citizens National Bank of Raleigh, North Carolina, for the sum of three thousand three hundred and seventy-seven dollars and sixty-six cents with which to pay off the note.
