OF THE
STATE OF NORTH CAROLINA

Adopted April 21, 1868, with amendments to 1921.
See Freeman v. Lide, 176 N. C., 434.

PREAMBLE

We, the people of the State of North Carolina, grateful to Almighty God, the Sovereign Ruler of Nations, for the preservation of the American Union, and the existence of our civil, political and religious liberties, and acknowledging our dependence upon Him for the continuance of those blessings to us and our posterity, do for the more certain security thereof, and for the better government of this State, ordain and establish this Constitution:

ARTICLE I

DECLARATION OF RIGHTS

That the great, general and essential principles of liberty and free government may be recognized and established, and that the relations of this State to the Union and government of the United States, and those of the people of this State to the rest of the American people, may be defined and affirmed, we do declare:

Sec. 1. That we hold it to be self-evident that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness.

Sec. 2. That all political power is vested in, and derived from, the people; all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.

Sec. 3. That the people of this State have the inherent, sole and exclusive right of regulating the internal government and police thereof, and of altering and abolishing their Constitution and form of government whenever it may be necessary for their
safety and happiness; but every such right should be exercised in pursuance of the law, and consistently with the Constitution of the United States.

Constit. 1868; Const. 1776, Decl. Rights, s. 2.

Sec. 4. That this State shall ever remain a member of the American Union; that the people thereof are part of the American Nation; that there is no right on the part of the State to secede, and that all attempts, from whatever source or upon whatever pretext, to dissolve said Union, or to sever said Nation, ought to be resisted with the whole power of the State.

Constit. 1868.

Sec. 5. That every citizen of this State owes paramount allegiance to the Constitution and government of the United States, and that no law or ordinance of the State in contravention or subversion thereof can have any binding force.

Constit. 1868.

Sec. 6. The State shall never assume or pay, or authorize the collection of any debt or obligation, express or implied, incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave: nor shall the General Assembly assume or pay, or authorize the collection of any tax to pay, either directly or indirectly, expressed or implied, any debt or bond incurred, or issued, by authority of the Convention of the year one thousand eight hundred and sixty-eight, nor any debt or bond incurred or issued by the Legislature of the year one thousand eight hundred and sixty-eight, either at its special session of the year one thousand eight hundred and sixty-eight, or at its regular sessions of the years one thousand eight hundred and sixty-eight and sixty-nine and one thousand eight hundred and sixty-nine, and one thousand eight hundred and sixty-nine and one thousand eight hundred and seventy, except the bonds issued to fund the interest on the old debt of the State, unless the proposing to pay the same shall have been submitted to the people and by them ratified by the vote of a majority of all the qualified voters of the State, at a regular election held for that purpose.

Constit. 1868; Const. 1776, Decl. Rights, s. 4.

Sec. 9. All power of suspending laws, or the execution of laws, by any authority, without the consent of the representatives of the people, is injurious to their rights, and ought not to be exercised.

Constit. 1868; Const. 1776, Decl. Rights, s. 5.

Sec. 10. All elections ought to be free.

Sec. 11. In all criminal prosecutions, every man has the right to be informed of the accusation against him and to confront the accusers and witnesses with other testimony, and to have counsel for his defense, and not be compelled to give evidence against himself, or to pay costs, jail fees, or necessary witness fees of the defense, unless found guilty.

Constit. 1868; Const. 1776, Decl. Rights, s. 7.

PUBLIC LAWS

OF THE

State of North Carolina

SESSION 1923
AN ACT TO MAKE THE STATE LAW CONFORM TO THE
NATIONAL LAW IN RELATION TO INTOXICATING LIQUORS.

The General Assembly of North Carolina do enact:

Section 1. When used in this act—

(1) The word “liquor” or the phrase “intoxicating liquor” shall be construed to include alcohol, brandy, whiskey, rum, gin, beer, ale, porter, and wine, and in addition thereto any spirituous, vinous, malt, or fermented liquors, liquids, and compounds, whether medicated, proprietary, patented, or not, and by whatever name called, containing one-half of one per centum or more of alcohol by volume, which are fit for use for beverage purposes. Provided, that the foregoing definition shall not extend to de-alcoholized wine nor to any beverage or liquid produced by the process by which beer, ale, porter, or wine is produced, if it contains less than one-half of one per cent of alcohol by volume, and is otherwise denominated than as beer, ale, or porter, and is contained and sold in, or from, sealed and labeled bottles, casks, or containers, and is made in accordance with the regulations set forth in Title II of “The Volstead Act,” an act of Congress enacted October twenty-eighth, one thousand nine hundred and nineteen, and an act supplemental to the National Prohibition Act, “H. R. 7294,” an act of Congress approved November twenty-third, one thousand nine hundred and twenty-one.

(2) The word “person” shall mean and include natural persons, associations, copartnerships, and corporations.

Sec. 2. No person shall manufacture, sell, barter, transport, import, export, deliver, furnish, purchase, or possess any intoxicating liquor except as authorized in this act; and all the provisions of this act shall be liberally construed to the end that the use of Intoxicating liquor as a beverage may be prevented.
Liquor for non-beverage purposes and wine for sacramental purposes may be manufactured, purchased, sold, bartered, transported, imported, exported, delivered, furnished, and possessed, but only as provided by Title II of "The Volstead Act," act of Congress enacted October twenty-eighth, one thousand nine hundred and nineteen, an act supplemental to the National Prohibition Act, "H. R. 7294," an act of Congress approved November twenty-third, one thousand nine hundred and twenty-one.

Sec. 3. It shall be unlawful to advertise, anywhere or by any means or method, liquor, or the manufacture, sale, keeping for sale or furnishing of the means, or where, how, from whom, or at what price the same may be obtained. No one shall permit any sign or billboard containing such advertisement to remain upon one's premises.

Sec. 4. It shall be unlawful to advertise, manufacture, sell, or possess for sale any utensil, contrivance, machine, preparation, compound, tablet, substance, formula, direction, or receipt advertised, designed, or intended for use in the unlawful manufacture of intoxicating liquor. It shall be unlawful to have or possess any liquor or property designated for the manufacture of liquor intended for use in violating this act, or which has been so used, and no property rights shall exist in any such liquor or property.

Sec. 5. No person shall solicit or receive, nor knowingly permit his employee to solicit or receive, from any person any order for liquor or give any information of how liquor may be obtained in violation of this act.

Sec. 6. When any officer of the law shall discover any person in the act of transporting, in violation of the law, intoxicating liquor in any wagon, buggy, automobile, water or air craft, or other vehicle, it shall be his duty to seize any and all intoxicating liquor found therein being transported contrary to law. Whenever intoxicating liquor transported or possessed illegally shall be seized by an officer he shall take possession of the vehicle and team or automobile, boat, air or water craft, or any other conveyance, and shall arrest any person in charge thereof. Such officer shall at once proceed against the person arrested under the provisions of this act in any court having competent jurisdiction; but the said vehicle or conveyance shall be returned to the owner upon execution by him of a good and valid bond, with sufficient sureties, in a sum double the value of the property, which said bond shall be approved by said officer and shall be conditioned to return said property to the custody of said officer on the day of trial to abide the judgment of the court. The court, upon the conviction of the person so arrested, shall order the liquor destroyed, and, unless the claimant can show that the property seized is his property, and that the same was used in transporting liquor without his knowledge and consent, with the right on the part of the claimant to have a jury pass upon his claim, shall
order a sale by public auction of the property seized, and the
officer making the sale, after deducting the expenses of keeping
the property, the fee for the seizure, and the cost of the sale,
shall pay all liens, according to their priorities, which are estab-
lished, by intervention or otherwise at said hearing or in other
proceeding brought for said purpose, as being bona fide and as
having been created without the licor having any notice that the
carrying vehicle was being used for illegal transportation of liquor,
and shall pay the balance of the proceeds to the treasurer or
proper officer in the county who receives fines and forfeitures, to
be used for the school fund of the county. All liens against
property sold under the provisions of this section shall be trans-
ferred from the property to the proceeds of the sale of the
property. If, however, no one shall be found claiming the team,
vehicle, water or air craft, or automobile, the taking of the same
with a description thereof, shall be advertised in some newspaper
published in the city or county where taken, or, if there be no
newspaper published in such city or county, in a newspaper having
circulation in the county, once a week for two weeks and by hand-
bills posted in three public places near the place of seizure, and
if no claimant shall appear within ten days after the last publi-
cation of the advertisement, the property shall be sold, and the
proceeds, after deducting the expenses and costs, shall be paid to
the treasurer or proper officer in the county who receives fines and
forfeitures, to be used for the school fund of the county; Provided,
that nothing in this section shall be construed to authorize any
officer to search any automobile or other vehicle or baggage of any
person without a search warrant duly issued, except where the
officer sees or has absolute personal knowledge that there is
intoxicating liquor in such vehicle or baggage.

Sec. 7. No person shall be excused, on the ground that it may
tend to incriminate him or subject him to a penalty or forfeiture,
from attending and testifying, or producing books, papers, docu-
ments, and other evidence in obedience to a subpoena of any court
in any suit or proceeding based upon or growing out of any al-
leged violation of this act; but no natural person shall be prose-
cuted or subjected to any penalty or forfeiture for or on ac-
count of any transaction, matter, or thing as to which, in obedience
to a subpoena and under oath, he may so testify or produce
evidence; but no person shall be exempt from prosecution and
punishment for perjury committed in so testifying.

Sec. 8. In case of a sale of liquor where the delivery thereof
was made by a common or other carrier, the sale and delivery
shall be deemed to be made in the county wherein the delivery
was made by such carrier or the consignee, his agent or employee,
or in the county wherein the sale was made, or from which the
shipment was made, and prosecution for such sale or delivery
may be had in either county.
Separate offenses may be united.

Trial on all counts. Penalty for all offenses.

Sufficiency of averments. Bill of particulars.

Possession prima facie evidence of keeping for sale.

Possession not unlawful.

Summons on citizens having interest in property.

Complaints leading to search warrants.

Search warrants.

Description of place.

Description of property.

Sec. 9. In any affidavit, information, warrant, or indictment for the violation of this act, separate offenses may be united in separate counts, and the defendant may be tried on all at one trial, and the penalty for all offenses may be imposed. It shall not be necessary in any affidavit, information, warrant, or indictment to give the name of the purchaser or to include any defensive negative averments, but it shall be sufficient to state that the act complained of was then and there prohibited and unlawful: but this provision shall not be construed to preclude the trial court from directing the furnishing the defendant a bill of particulars when it deems it proper to do so.

Sec. 10. From and after the ratification of this act the possession of liquor by any person not legally permitted under this act to possess liquor shall be prima facie evidence that such liquor is kept for the purpose of being sold, bartered, exchanged, given away, furnished, or otherwise disposed of in violation of the provisions of this act. But it shall not be unlawful to possess liquor in one's private dwelling while the same is occupied and used by him as his dwelling only, provided such liquor is for use only for the personal consumption of the owner thereof, and his family residing in such dwelling, and of his bona fide guests when entertained by him therein.

Sec. 11. In all cases wherein the property of any citizen is proceeded against or wherein a judgment affecting it might be rendered, and the citizen is not the one who in person violated the provisions of the law, summons must be issued in due form and served personally, if said person is to be found within the jurisdiction of the court.

Sec. 12. Upon the filing of a complaint under oath by a reputable citizen or information furnished under oath by an officer charged with the execution of the law, before a justice of the peace, recorder, mayor, or other officer authorized by the law to issue warrants, that he has reason to believe that any person has in his possession, at a place or places specified, liquor for the purpose of sale, a warrant shall be issued commanding the officer to whom it is directed to search the place or places described in such complaint or information; and if such liquor be found in any such place or places, to seize and take into his custody all such liquor, and to seize and take into his custody all glasses, bottles, jugs, pumps, bars, or other equipment used in the business of selling intoxicating liquor which may be found at such place or places, and to keep the same subject to the order of the court. The complaint or information shall describe the place or places to be searched with sufficient particularity to identify the same, and shall describe the intoxicating liquor or other property alleged to be used in carrying on the business of selling intoxicating liquor as particularly as practicable, and any description, however general, that will enable the officer executing the warrant to
identify the property seized shall be deemed sufficient. All liquor seized under this section shall be held and upon acquittal of the person so charged shall be returned to such person, and upon conviction, or upon default of appearance, shall be destroyed.

Sec. 13. When the solicitor of any judicial district has good reason to believe that liquor has been manufactured or sold contrary to law within the county in his district, and believes that any person has knowledge of the existence and establishment of any illicit distillery, or that any person has sold liquor illegally, then it is lawful for the solicitor to apply to the clerk of the Superior Court of the county wherein the offense is supposed to have been committed to issue a subpoena for the person so having knowledge of said offense to appear before the next grand jury drawn for the county, there to testify upon oath what he may know touching the existence, establishment, and whereabouts of said distillery, or persons who have sold intoxicating liquor contrary to law, who shall give the names and personal description of the keepers thereof, and of any person who has sold liquor unlawfully; and such evidence, when so obtained, shall be considered and held in law as an information on oath upon which the grand jury shall make presentment, as provided by law in other cases. If any officer shall fail or refuse to use due diligence in the execution of the provisions of this section he shall be guilty of laches in office, and such failure be cause for removal from office.

Sec. 14. No corporation, club, association, or person shall directly or indirectly keep or maintain, alone or by association with others, or by any other means, or shall in any manner aid, assist, or abet others in keeping or maintaining a clubroom or other place where intoxicating liquor is received, kept, or stored for barter, sale, exchange, distribution, or division among the members of any such club or association or aggregation of persons, or to or among any other persons by any means whatever, or shall act as agents in ordering, procuring, buying, storing, or keeping intoxicating liquor for any such purpose.

Sec. 15. All express companies, railroad companies, or other transportation companies doing business in this State are required hereby to keep a separate book in which shall be entered immediately upon receipt thereof the name of the person to whom liquor is shipped, the amount and kind received, and the date when received, the date when delivered, by whom delivered, and to whom delivered, after which record shall be a blank space, in which the consignee shall be required to sign his name, or, if he cannot write, shall make his mark in the presence of a witness, before such liquor is delivered to such consignee, and which book shall be open for inspection to any officer or citizen of the State, county, or municipality any time during business hours of the company, and such book shall constitute prima facie evi-
Misdemeanor.

dence of the facts therein and will be admissible in any of the
courts of this State. Any express company, railroad company, or
other transportation company, or any employee or agent of any
express company, railroad company, or other transportation com-
pany violating the provisions of this section shall be guilty of a
misdemeanor.

Sec. 16. In indictments for violating any provisions of this
article it shall not be necessary to allege a sale to a particular
person, and the violation of law may be proved by circumstantial
evidence as well as by direct evidence.

Sec. 17. It is unlawful for any person to serve with meals, or
otherwise, any liquor or intoxicating bitters, where any charge is
made for such meal or service.

Sec. 18. It is unlawful for any druggist or pharmacist to sell, or
otherwise dispose of for gain, any intoxicating liquor.

Sec. 19. The provisions of this act shall not apply to grain
alcohol, received by duly licensed physicians, druggists, dental sur-
geons, college, university, and State laboratories, and manufac-
turers of medicine, when intended to be used in compounding,
mixing, or preserving medicines or medical preparations, or for
surgical purposes, when obtained as hereinbefore provided: Pro-
vided, however, that nothing contained in this act shall prohibit
the importation into the State of North Carolina and the delivery
and possession in the State for use in industry, manufactures, and
arts of any denatured alcohol or other denatured spirits which
are compounded and made in accordance with the formula pre-
scribed by acts of Congress of the United States and regulations
made under authority thereof by the Treasury Department of the
United States and the Commissioner of Internal Revenue thereof,
and which are not now subject to internal revenue tax levied by
the Government of the United States: Provided further, that this
act shall not apply to wines and liquors required and used by
hospitals or sanatoriums bona fide established and maintained
for the treatment of patients addicted to the use of liquor, mor-
phine, opium, cocaine, or other deleterious drugs, when the same
are administered to patients actually in such hospitals or sana-
toniums for treatment, and when the same are administered as an
essential part of the particular system or method of treatment
and exclusively by or under the direction of a duly licensed and
registered physician of good moral character and standing: Pro-
vided further, that this act shall not prohibit the manufacture
or sale of cider or vinegar.

Sec. 20. It is lawful for any ordained minister of the gospel
who is in charge of a church and at the head of a congregation in
this State to receive in the space of ninety consecutive days a
quantity of vinous liquor not greater than three gallons, for use
in sacramental purposes only, and it shall be lawful for him to
receive same in one or more packages or one or more receptacles.
Sec. 21. It is the duty of the sheriff of each county in the State and of the police of each incorporated town or city in the State to search for and seize any distillery or apparatus used for the manufacture of intoxicating liquor in violation of the laws of North Carolina, and to deliver same, with any materials used for making such liquor found on the premises, to the board of county commissioners, who shall confiscate the same and shall cause the distillery to be cut up and destroyed, in their presence or in the presence of a committee of the board, and who may dispose of the material, including the copper or other material from the destroyed still or apparatus, in such manner as they may deem proper.

Sec. 22. It is the duty of the sheriff and other officers mentioned in the preceding section to seize and then and there destroy any and all liquor which may be found at any distillery for the manufacture of intoxicating liquor in violation of law, and to arrest and hold for trial all persons found on the premises engaged in distilling or adding or abetting in the manufacture or sale of intoxicating liquor.

Sec. 23. If any officer mentioned in the two preceding sections shall fail or refuse to use diligence in the execution of the provisions of such section, after being informed of violation thereof, he shall be guilty of laches in office, and such failure be cause for removal therefrom.

Sec. 24. For every distillery seized under this act the sheriff or other police officer shall receive such sum as the board of county commissioners of the county in which the seizure was made shall, in the discretion of such board, allow, which sum shall not be less than five dollars nor more than twenty dollars: Provided, that the commissioners shall not pay any amount if they are satisfied, after due investigation, that the seizure of the distillery was not bona fide made: Provided further, that when the sheriff of a county captures a distillery he shall receive the fee for his own use, regardless of whether he be on fees or on salary.

Sec. 25. When any justice of the peace, magistrate, recorder, mayor of a town, or judge of the Superior Courts or Supreme Court shall have good reason to believe that any person within his jurisdiction has knowledge of the unlawful sale of liquor or the existence and establishment of any place where intoxicating liquor is sold or manufactured contrary to law, in any town or county within his jurisdiction, such person not being minded to make voluntary information thereof on oath, then it shall be lawful for such justice of the peace, magistrate, recorder, mayor, or judge to issue to the sheriff of the county or to any constable of the town or township in which such place where intoxicating liquor is sold or manufactured contrary to law is supposed to be, a subpoena, capias ad testificandum, or other summons in writing, commanding such person to appear immediately before such justice of
the peace, magistrate, recorder, mayor, or judge, and give evidence on oath as to what he may know touching the existence, establishment, and whereabouts of such place where intoxicating liquor is sold or manufactured contrary to law, and the name and personal description of the keeper thereof, or person selling or manufacturing liquor. Such evidence, when obtained, shall be considered and held in law as an information under oath, and the justice, magistrate, recorder, mayor, or judge may thereupon proceed to seize and arrest such keeper or person selling, manufacturing, or having liquor contrary to law, and issue such process as is provided by law. No discovery made by the witness upon such examination shall be used against him in any penal or criminal prosecution, and he shall be altogether pardoned of the offense so done or participated in by him.

Sec. 26. It is unlawful for any person to distil, manufacture, or in any manner make, or for any person to aid, assist, or abet any such person in distilling, manufacturing, or in any manner making any spirituous or malt liquors or intoxicating bitters within the State of North Carolina. AN ACT TO IMPROVE THE SANITARY CONDITIONS OF THE MANUFACTURE OF BEDDING AND TO PREVENT FRAUDULENT DESCRIPTION OF THE MATERIALS USED THEREIN.

The General Assembly of North Carolina do enact:

SECTION 1. That the term "bedding" as used in this act shall be construed to mean any mattress, upholstered spring, comforter, pad, cushion or pillow designed and made for use in sleeping or reclining, except where the filling thereof consists exclusively of sterilized feathers.

The word "person" as used in this act shall be construed to import the plural and the singular, as the case demands, and shall include individuals, corporations, partnerships, joint-stock companies, societies, and associations.

When construing and enforcing the provisions of this act, the act, omission, or failure of any officer, agent, or other person acting for or employed by any individual, corporation, partnership, joint-stock company, society, or association, within the scope of his employment or office, shall in every case be also deemed the act, omission or failure of such individual, corporation, partnership, joint-stock company, society, or association as well as that of the person.

SEC. 2. No person shall, in the making or remaking of any article of bedding as herein defined, use any material of any kind that has been used by or about any person having an infectious or contagious disease or has formed a part of any article of bedding which has been so used, or use in said manufacture any material known as "shoddy" and consisting in whole or part of old or worn clothing, carpets, or other fabric or material previously used, or use in said manufacture any other fabric or material from which shoddy is constructed.

SEC. 3. No person shall sell, offer for sale, deliver, consign for sale, or have in his possession with intent to sell, deliver, or consign for sale, any article of bedding that has been used by or about any person having an infectious or contagious disease.

Sec. 5. No person shall sell, offer for sale, consign for sale, or have in his possession with intent to sell, offer for sale, or consign for sale any article of bedding as herein designated, unless the same be labeled or tagged as follows:

Upon each of such articles of bedding there shall be securely sewed upon the outside thereof a muslin or linen label upon which shall be legibly written or printed, in the English language, a description of the material used as the filling of such article of bedding; if any and all the material used as the filling of such article of bedding shall not have been previously used, the words "Manufactured of new material" shall appear upon said tag, together with the name and address of the maker or vender thereof.

The statement required under this section of this act shall in form be as follows:

"OFFICIAL STATEMENT

Made by------------------------------------------------------------
Vender-------------------------------------------------------------
Address-------------------------------------------------------------

"This article is made in compliance with an act of the General Assembly of North Carolina of the session of one thousand nine hundred and twenty-three."

The statement of compliance required in the foregoing "official statement" shall not be construed to imply that it is prohibited to state, also, that the article of bedding is made in compliance with an act or acts of other states.

The words "Manufactured of new material," or "Manufactured of previously used material," or "Remade of previously used material," together with the description of the material used as the filling of an article of bedding, shall be in letters not less than one-eighth (1/8) of an inch in height.
In the case of all articles of bedding, the sewing of any edge of the tag securely into an outside seam of the article shall be deemed a compliance with that portion of the act requiring that the tag be “securely sewed” upon the article.

No term of description likely to mislead shall be used on any tag or label required by this act, in the description of the materials used in the filling of any article of bedding. That this act shall not be construed to prevent a person from making or having made any bedding out of materials furnished by said person for his or her own use, or to any person who does not make over six mattresses per week, provided said label is attached.

Sec. 6. Any person other than a purchaser for his own use who shall remove, deface, alter, or shall cause to be removed, defaced, or altered any label or tag upon any article of bedding so labeled or tagged under the provisions of this act shall be guilty of a violation thereof.

Sec. 7. Any person who shall fail to comply with any of the provisions of this act shall be guilty of a violation thereof. The unit for separate and distinct offense in violation of this act shall be each and every article of bedding made, remade, sold, offered for sale, delivered, consigned, or possessed with an intent to sell, offer for sale, deliver or consign, contrary to the provisions hereof.

Any person who violates any provision of this act shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not less than twenty-five and not more than one thousand dollars or be imprisoned in the county jail not to exceed six months, or be both fined and imprisoned.

Sec. 8. Every place where articles of bedding are made, remade, or renovated, or held for sale, consignment, or delivery, shall be subject to supervision and inspection by the State Board of Health, whose duty it shall be to supervise and inspect the manufacture and sale of articles of bedding as defined in this act. Should said State Board of Health find articles of bedding being made, remade, or renovated, or held for sale, consignment, or delivery, in other than sanitary conditions, then said State Board of Health shall give the person responsible for this unsanitary condition a definite length of time within the discretion of said State Board of Health, said time, however, not to exceed sixty days, in which to remedy the said unsanitary condition or conditions, and in the event of failure to do so on the part of the person responsible therefor, the said failure shall become a violation of this act. Said State Board of Health shall have the power to prosecute all violations of this act. Should said State Board of Health have reason to believe that any person is violating or has violated any provision of this act, it shall be the duty of said State Board of Health to prosecute such person therefor.
Sec. 9. If and when any officer of the State Board of Health has reason to believe that any article of bedding sold, offered for sale, delivered, consigned, or possessed with intent to sell, offer for sale, deliver, or consign, is not correctly labeled as to contents, the said officer shall be empowered to open such article of bedding to examine the material used in filling the same; and if said officer after examination of the material used as filling is unable to determine definitely whether the material used as filling is new or has been previously used, or whether the material used in filling such article of bedding is of the kind it is stated to be on the label, or, in the case of feather pillows, whether the feathers used in filling same have been sterilized or not, the said officer shall have power to examine the purchase invoice or invoices of such material and such other records of the business as are necessary to determine definitely the kind and character of the material used in such articles of bedding.

Sec. 10. Any person who has reason to believe that this act has been or is being violated may present the facts to the solicitor of the judicial district wherein such violation occurs, and it shall thereupon be the duty of said solicitor to investigate the said violation and to institute a prosecution if he finds reasonable cause to believe that there has been such violation. Any individual may institute proceedings to enforce this act and punish any violation thereof in the county where such violation occurs.

Sec. 11. All acts or parts of acts heretofore passed which are inconsistent with any of the provisions of this act are hereby repealed. This act shall take effect three months from and after the date of its ratification.

Ratified this the 1st day of March, A. D. 1923.

Fourth. Seventh. The words "such property or any part thereof or interest therein within this State," wherever appearing in this act, shall include in its meaning bonds and shares of stock in any incorporated company incorporated in this State, regardless of whether or not any such incorporated company shall have any or all of its capital stock invested in property outside of this State and doing business outside of this State, and the tax on the transfer of any bonds or shares of stock in any such incorporated company owning property and doing business outside of this State...

The words "estate" and "property" wherever used in this act, except where the subject or context is repugnant to such construction, shall be construed to mean the interest of the testator, intestate, grantor, bargainer, or vendor, passing or transferred to the individual or specific legatee, devisee, heir, next of kin, grantee, donee, or vendee, not exempt under the provisions of this act, whether such property be situated within or without this State. Whenever any person or corporation shall exercise a power of appointment derived from any disposition of property made either before or after the passage of this act, such appointment when made shall be deemed a transfer taxable under the provisions of this act, in the same manner as though the property to which such appointment relates belonged absolutely to the donee of such power and had been bequeathed or devised by such donee by will, and the rate shall be determined by the relationship between the beneficiary under the power and the donor; and whenever any person or corporation possessing such power of appointment so derived
shall omit or fail to exercise the same within the time provided therefor, in whole or in part, a transfer taxable under the provisions of this act shall be deemed to take place to the extent of such omission or failure in the same manner as though the persons or corporations thereby becoming entitled to the possession or enjoyment of the property to which such power related had succeeded thereto by a will of the donee of the power failing to exercise such power, taking effect at the time of such omission or failure.

SEC. 7. When all heirs, legatees, etc., are discharged from liability.

All heirs, legatees, devisees, administrators, executors, and trustees shall only be discharged from liability for the amount of such taxes, the settlement of which they may be charged with, by paying the same for the use aforesaid as hereinafter provided.

If taxes imposed by this act are not paid within two years after the death of the decedent, it shall be the duty of the Commissioner of non-payment sent to sheriff.
of Revenue to certify to the sheriff of the county in which the estate is located the amount of tax due upon such inheritance, and the sheriff shall collect the same as other taxes, with an addition of two and one-half per cent as sheriff's fees for collecting same; and the sheriff is hereby given the same rights of levy and sale upon any property upon which the said tax is payable as is given in the Machinery Act for the collection of other taxes. The sheriff shall make return to the Commissioner of Revenue of all such taxes within thirty days after collection.

SEC. 10. Executor, etc., shall deduct tax.

He shall regularly employ such deputies, attorneys, examiners or special agents as may be necessary for the reasonable carrying out of its full intent and purposes. Such deputies, attorneys, examiners or special agents shall, as often as required to do so, visit the several counties of the State to inquire and ascertain if all inheritance taxes due from estates of decedents, or heirs-at-law, legatees, devisees, or distributees thereof, have been paid; to see that all statements required by this act are filed by administrators and executors, or by beneficiaries under wills where no executor is appointed; to examine into all statements filed by such administrators and executors; to require such administrators and executors to furnish any additional information that may be deemed necessary to determine the amount of tax that should be paid by such estate. If not satisfied, after investigation, with valuations returned by the administrator or executor, the deputy, attorney, examiner, or appraiser shall make an additional appraisal after proper examination and inquiry, or may, in special cases, recommend the appointment by the Commissioner of Revenue of a special appraiser, who, in such case, shall be paid five dollars per day and expenses for his services. The administrator or executor, if not satisfied with such additional appraisal, may appeal within thirty days to the Commissioner of Revenue, which appeal shall be heard and determined as other cases. SEC. 18. Commissioner of Revenue may order executor, etc., to file account, etc.

Sec. 89 (11). Upon the payment of the tax or fee provided for in this act to the Commissioner of Revenue, the Commissioner of Revenue shall make out and deliver to the public utility or corporation so paying a receipt for the payment by such public utility or corporation of the tax or fee herein provided for.

Sec. 89 (14). Such taxes and fees and penalties thereon may be certified by the Commissioner of Revenue to the sheriff of the county in which any such company has its home office, or any county in which any such company may own property, for collection as provided in section four of this act; and if collection is not made in this way, such taxes or fees and penalties thereon may be recovered by an action in the name of the State, which may be brought in the Superior Court of Wake County, or in any county in which such public utility is doing business, or the line of any street, suburban, or interurban railroad company or railroad company is located, and such Superior Court shall have jurisdiction of such action regardless of the amount involved therein. Sec. 89 (15). All foreign corporations, and the officers and agents thereof, doing business in this State, shall be subject to all the liabilities and restrictions that are or may be imposed upon corporations of like character, organized under the laws of this State, and shall have no other or greater powers. Every contract made by or on behalf of any such foreign corporation, affecting the liability thereof, or relating to its property within this State, before it shall have complied with the provisions of section eleven hundred and ninety-four of the Revisal of one thousand nine hundred and five [section eleven hundred and eighty-one Consolidated Statutes], shall be wholly void on its behalf and on behalf of its assigns; but shall be enforceable against it or them. Nothing contained in this subsection shall be held or construed to apply to insurance corporations, fraternal, beneficiary associations, or building and loan associations, banking, railroad, express, telephone, and telegraph companies.

The Secretary of State shall thereupon cancel the articles of incorporation of any such corporation which is organized under the laws of this State by appropriate entry upon the margin of the record thereof, or cancel the certificate of authority of any such foreign corporation to do business in this State, by proper entry. Thereupon all the powers, privileges, and franchises conferred upon such corporation by such articles of incorporation or by such certificate of authority shall cease and determine. Sec. 89 (19). In addition to all other remedies for the collection of any taxes or fees due, under the provisions of this act, the Attorney-General shall, upon request of the Commissioner of Revenue, whenever any taxes, fees, or penalties due under this act from any public utility or corporation shall have remained unpaid for a period of ninety days, or whenever any corporation or public utility has failed or neglected for ninety days to make or file any report or return required by this act, or to pay any penalty for failure to make or file such report or return, apply to the Superior Court of Wake County, or of any county in the State in which such public utility or corporation is located or has an office or place of business, for an injunction to restrain such public utility or corporation from the transaction of any business within the State until the payment of such taxes or fees and penalties thereon, or the making and filing of such report or return.
and payment of penalties for failure to make or file such report or return, and the cost of such application, which shall be fixed by the court. Such petition shall be in the name of the State, and if it is made to appear to the court, upon hearing, that such public utility or corporation has failed or neglected, for ninety days, to pay such taxes, fees, or penalties thereon, or to make and file such reports, or to pay such penalties for failure to make or file such reports or returns, such court shall grant and issue such injunction. All actions brought under this act shall have precedence over any civil cause of a different nature pending in such court, and such court shall always be deemed open for the trial of any such action brought therein.

Sec. 89 (20). If any corporation fails or neglects to make and file the reports and returns required by this act, or to pay the penalties provided in this act for failure to make and file such reports or returns, for a period of ninety days after the time prescribed in this act for failure to make and file such reports or returns, for a period of ninety days after the time prescribed in this act, the Attorney-General, on request of the Commissioner of Revenue, shall commence an action of quo warranto in the Superior Court of Wake County, or any county in this State in which such corporation is located or has an office or place of business, to forfeit and annul its privileges and franchises. If the court is satisfied that any such corporation is in default as aforesaid, it shall render judgment ousting such corporation from the exercise of its privileges and franchises within this State, and shall otherwise proceed as provided by law.

Sec. 89 (24). Each company, firm, corporation, person, association, copartnership, or public utility shall furnish the Commissioner of Revenue in the form of returns prescribed by him all information required by law and all other facts and information, in addition to the facts and information in this act specifically required to be given, which the Commissioner of Revenue may require to enable him to carry into effect the provisions of the laws which the Commissioner is required to administer, and shall make specific answers to all questions submitted by the Commissioner of Revenue.

Sec. 89 (25). Any such company, firm, corporation, person, association, copartnership, or public utility receiving from the Commissioner of Revenue any blanks, with directions to fill them, shall cause them to be properly filled out so as to answer fully and correctly each question therein propounded, and in case it is unable to answer any question, it shall, in writing, give a good and sufficient reason for such failure.

Sec. 89 (26). The answers to such questions shall be verified under oath by such persons, or by the president, secretary, superintendent, general manager, principal accounting officer, partner, or agent, and returned to the Commissioner of Revenue at his office within the period fixed by the Commissioner of Revenue.

Sec. 89 (27). The Commissioner of Revenue shall cause to be prepared suitable blanks for carrying out the purpose of the laws which he is required to administer, and, on application, furnish such blanks to each company, firm, corporation, person, association, copartnership, or public utility subject thereto.

In case of a company other than companies mentioned in the next succeeding section, deriving profits principally from the ownership, sale or rental of real estate or from the manufacture, sale, or use of tangible property, such proportion of its entire net income as the fair cash value of its real estate and tangible personal property in this State on the date of the close of the fiscal year of such company in the income year is to the fair cash value of its entire real estate and tangible personal property then owned by it, with no deduction on account of encumbrances thereon.

ARTICLE III

Sec. 300. Net income defined.

The words "net income" mean the gross income of a taxpayer less the deductions allowed by this act.

Sec. 301. Gross income defined.

The words "net income" mean the gross income of a taxpayer, derived from salaries, wages or compensation for personal service, of whatever kind and in whatever form paid, or from professions, vocations, trades, business, commerce or sales, or dealings in property, whether real or personal, growing out of the ownership or use of or interest in such property; also from interest, rent, dividends, securities, or the transactions of any business carried on for gain or profit, or gains or profits, and income derived from any source whatever. The amount of all such items shall be included in the gross income of the income year in which received by the taxpayer, unless, under the methods of accounting per-
mitted under this act, any such amounts are to be properly accounted for as of a different period.

2. The words "gross income" do not include the following items, which shall be exempt from taxation under this act:

(a) The proceeds of life insurance policies and contracts paid upon the death of the insured to individual beneficiaries or to the estate of the insured.

(b) The amount received by the insured as a return of premium or premiums paid by him under life insurance, endowment or annuity contracts, either during the term or at the maturity of the term mentioned in the contract or upon surrender of the contract.

(c) The value of property acquired by gift, bequest, devise or descent (but the income from such property shall be included in gross income).

(d) Interest upon the obligations of the United States or its possessions, or of the State of North Carolina.

(e) Salaries, wages, or other compensation received from the United States by officials or employees thereof, including persons in the military or naval forces of the United States.

(f) Any amounts received through accident or health insurance or under workmen's compensation acts, as compensation for personal injuries or sickness, plus the amount of any damages received, whether by suit or agreement, on account of such injuries or sickness.

(g) In case of insurance companies or associations paying a tax on their gross premium receipts, in addition to the above:

(a) The net addition required by law to be made within the taxable year to reserve funds (including the actual deposit of sums with the Commissioner of Insurance or the Treasurer of the State pursuant to law as additions to guarantee or reserve funds for benefit of policyholders in this State), for the business done in the tax year in the State of North Carolina; and (b) the sums paid within the taxable year on policy and annuity contracts to policyholders in the State of North Carolina (c) the said insurance companies are and shall be permitted to deduct the tax paid under the provisions of the income tax law of this State from the amount of tax paid under section sixty-seven of chapter thirty-four, Public Laws of one thousand nine hundred and twenty-one, being known as the Revenue Act.

Sec. 302. Basis of return of net income.

1. Taxpayers who customarily estimate their income on a basis other than that of actual cash receipts and disbursements may, with the approval of the Commissioner of Revenue, return their net income under this act upon a similar basis. Taxpayers who customarily estimate their income on the basis of an established

P. L.—9
fiscal year instead of on that of the calendar year may, with the approval of the Commissioner of Revenue, and subject to such rules and regulations as he may establish, return their net income under this act on the basis of such fiscal year, in lieu of that of the calendar year.

2. A taxpayer may, with the approval of the Commissioner of Revenue and under such regulations as he may prescribe, change the income year from fiscal year to calendar year or otherwise, in which case his net income shall be computed upon the basis of such new income year.

3. An individual carrying on business in partnership shall be liable for income tax only in his individual capacity, and shall include in his gross income the distributive share of the net income of the partnership for each income year, whether distributed or not.

4. Every individual taxable under this act who is a beneficiary of an estate or trust shall include in his gross income the distributive share of the net income of the estate or trust, received by him or distributable to him during the income year. Unless otherwise provided in the law, the will, the deed, or other instrument creating the estate, trust, or fiduciary relation, the net income shall be deemed to be distributed or distributable to the beneficiaries (including the fiduciary as a beneficiary, in the case of income accumulated for future distribution) ratably in proportion to their respective interests.

Sec. 303. Determination of gain or loss.

For the purpose of ascertaining the gain or loss from the sale or other disposition of property, real, personal or mixed, the basis shall be, in the case of property acquired before January first, one thousand nine hundred and twenty-one, the fair market price or the value of such property as of that date, and in all other cases, the cost thereof: Provided, that in the case of property which was included in the last preceding annual inventory used in determining net income in a return under this act, such inventory value shall be taken in lieu of cost or market value. The final distribution to the taxpayer of the assets of a corporation shall be treated as a sale of the stock or securities of the corporation owned by him, and the gain or loss shall be computed accordingly.

Sec. 304. Exchanges of property.

1. When property is exchanged for other property, the property received in exchange shall be considered as a conversion of assets from one form to another, from which no gain or loss shall be deemed to arise.

2. In the case of the organization of a corporation, the stock or securities received shall be considered to take the place of
property transferred therefor, and no gain or loss shall be deemed to arise therefrom.

3. When in connection with the reorganization, merger, or consolidation of a corporation, a taxpayer receives, in place of stock or securities owned by him, new stock or securities, the basis of computing the gain or loss, if any, shall be, in case the stock or securities owned were acquired before January first, one thousand nine hundred and twenty-one, the fair market price or value thereof as of that date, and in all other cases the cost thereof.

Sec. 305. *Inventory.*

Whenever in the opinion of the Commissioner of Revenue it is necessary in order clearly to determine the income of any taxpayer, inventories shall be taken by such taxpayer, upon such basis as the Commissioner of Revenue may prescribe, conforming as nearly as may be to the best accounting practice in the trade or business and most clearly reflecting the income.

Sec. 306. *Deductions.*

In computing net incomes there shall be allowed as deductions:

1. All the ordinary and necessary expenses paid during the income year in carrying on any trade or business, including:
   (a) As to individuals, wages of employees for services actually rendered in producing such income.
   (b) As to partnerships, wages of employees and a reasonable allowance for copartners or members of a firm, for services actually rendered in producing such income, the amount of such salary allowance to be included in the personal return of the copartner receiving same.
   (c) As to corporations, wages of employees and salaries of officers, if reasonable in amount, for services actually rendered in producing such income.

2. Rentals or other payments required to be made as a condition of the continued use or possession for the purposes of the trade of property to which the taxpayer has not taken or is not taking title or in which he has no equity.

8. A reasonable allowance for the depreciation and obsolescence of property used in the trade or business; and in the case of mines, oil, and gas wells, other natural deposits, and timber, a reasonable allowance for depletion: Provided, that in computing the deductions allowed under this paragraph, the basis shall be cost plus any additions and improvements (including in the case of mines, oil, and gas wells, and other natural deposits, the cost of development not otherwise deducted). In the cases of leases the deductions allowed may be equitably apportioned between the lessor and the lessee.

9. Contributions or gifts made within the taxable year to corporations or associations operated exclusively for religious, charitable, scientific, or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual, to an amount not in excess of fifteen per centum of the taxpayer's net income as computed without the benefit of this subdivision.

10. Resident individuals and corporations having an established business in another state, or investment in property in another state, may deduct the net income from such business or investment, if such business or investment is in a state that levies a tax upon such net income. The deduction authorized in this subsection shall in no case extend to any part of income of resident individuals and corporations from personal services, or mortgages, stocks, bonds, securities, and deposits.

11. In the case of a nonresident individual, the deductions allowed in this section shall be allowed only if, and to the extent that, they are connected with income arising from sources within the State; and the proper apportionment and allocation of the deductions with respect to sources of income within and without the State shall be determined under rules and regulations prescribed by the Commissioner of Revenue.

SEC. 307. Items not deductible.

(c) In the case of a widow or widower having minor child or children, natural or adopted, two thousand dollars.

(f) A married woman whose husband's net income exceeds two thousand dollars ($2,000) and such exemptions as are allowed him in subsection (d), one thousand dollars ($1,000).

2. The exemptions allowed by this section shall not be allowed with respect to a resident of this State having income from a business or agency in another state, or with respect to a nonresident having a business or agency in this State, unless the entire income of such resident or nonresident individual is shown in the return of such resident or nonresident, and if the entire income is so shown the exemption shall be prorated in the proportion of the income in this State to the total income.

3. The status on the last day of the income year shall determine the right to the exemptions provided in this section: Provided, that a taxpayer shall be entitled to such exemption for husband or wife or dependents who have died during the income year.

Whenever a taxpayer other than a resident of the State has become liable to income tax to the state or country where he resides upon his net income for the taxable year, derived from sources within this State and subject to taxation under this article, the Commissioner of Revenue shall credit the amount of income tax payable by him under this article with such proportion of the tax so payable by him to the state or country where he resides as his income subject to taxation under this article bears to his entire income upon which the tax so payable to such other state or country was imposed: Provided, that such credit shall be allowed only if the laws of said state or country (1) grant a substantially similar credit to residents of this State subject to income tax under such laws; or (2) impose a tax upon the personal incomes of its residents derived from sources in this State and exempt from taxation the personal incomes of residents of this State. No credit shall be allowed against the amount of the tax on any income taxable under this article which is exempt from taxation under the laws of such other state or country.

ARTICLE IV
Returns

Sec. 400. Returns.

1. Every resident or nonresident having a net income during the income year taxable in this State of one thousand dollars ($1,000) and over, if single, or if married and not living with husband or wife, or having a net income for the income year of two thousand dollars ($2,000) or over, if married and living with husband or wife, and every corporation doing business in the State shall make a return under oath, stating specifically the items of gross income and the deductions allowed by this act, and such other facts as the Commissioner of Revenue may require for the purpose of making any computation required by this act. When the Commissioner of Revenue has reason to believe any person or corporation is liable for tax under this act, he may require any such person or corporation to make a return.

2. If a husband and wife living together have an aggregate net income of two thousand dollars ($2,000) or over, each shall make such a return, unless the income of each is included in a single joint return.

3. If the taxpayer is unable to make his own return, the return shall be made by a duly authorized agent or by a guardian or other person charged with the care of the person or property of such taxpayer.
4. The return by a corporation shall be sworn to by the president, vice-president, or other principal officer, and by the treasurer or assistant treasurer.

5. The return of an individual who, while living, received income in excess of the exemption during the income year, and who has died before making the return, shall be made in his name and behalf by the administrator or executor of the estate, and the tax shall be levied upon and collected from his estate. Before a corporation shall be dissolved and its assets distributed it shall make return for and settlement of tax for any income earned in the income year up to its period of dissolution.

6. Where the Commissioner of Revenue has reason to believe that any taxpayer so conducts the trade or business as either directly or indirectly to distort his true net income and the net income properly attributable to the State, whether by the arbitrary shifting of income, through price fixing, charges for service or otherwise, whereby the net income is arbitrarily assigned to one or another unit in a group of taxpayers carrying on business under a substantially common control, he may require such facts as he deems necessary for the proper computation of the entire net income and the net income properly attributable to the State, and in determining the same the Commissioner of Revenue shall have regard to the fair profit which would normally arise from the conduct of the trade or business.

SEC. 401. Fiduciary returns.

1. Every fiduciary subject to taxation under the provisions of this act, as provided in section two hundred and five hereof, shall make a return under oath, for the individual, estate or trust for whom or for which he acts, if the net income thereof amounts to one thousand dollars or over.

2. The return made by a fiduciary shall state specifically the items of gross income, and the deductions and exemptions allowed by this act, and such other facts as the Commissioner of Revenue may prescribe. Under such regulations as the Commissioner of Revenue may prescribe a return may be made by one of two or more joint fiduciaries.

3. Fiduciaries required to make returns under this act shall be subject to all the provisions of this act which apply to individuals.

SEC. 402. Information at the source.

1. Every individual, partnership, corporation, joint-stock company or association or insurance company, being a resident or having a place of business in this State, in whatever capacity acting, including lessee or mortgagees of real or personal property, fiduciaries, employers and all officers and employees of the State or of any political subdivision of the State, having the control, receipt, custody, disposal, or payment of interest (other than
interest coupons payable to bearer), rent, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, or other fixed or determinable annual or periodical gains, profits, and income, amounting to one thousand dollars or over paid or payable during any year to any taxpayer, shall make complete return thereof to the Commissioner of Revenue under such regulations and in such form and manner and to such extent as may be prescribed by him.

2. Every partnership having a place of business in the State shall make a return, stating specifically the items of its gross income, and the deductions, allowed by this act, and shall include in the return the names and addresses of the individuals who would be entitled to share in the net income if distributed, and the amount of the distributive share of each individual. The return shall be sworn to by one of the partners.

3. Every fiduciary shall make, under oath, a return for the individual, estate or trust for whom or for which he acts, if the net income thereof, distributed or distributable to beneficiaries during the year is one thousand dollars or over, in which case the fiduciary shall set forth in such returns the items of the gross income, the deductions allowed by this act, and the net income, the names and addresses of the beneficiaries, the amounts distributed or distributable to each and the amount, if any, lawfully retained by him for future distribution. Such return may be made by one of two or more joint fiduciaries.

SEC. 403. Time and place of filing returns.

Returns shall be in such forms as the Commissioner of Revenue may from time to time prescribe, and shall be filed with the Commissioner of Revenue at his main office or at any branch office which he may establish, on or before the fifteenth day of March in each year, and for all taxpayers using a fiscal year, within seventy-five days after expiration of the fiscal year. In case of sickness, absence, or other disability, or whenever in his judgment good cause exists, the Commissioner of Revenue may allow further time for filing returns. There shall be annexed to the return the affidavit or affirmation of the taxpayer making the return, to the effect that the statements contained therein are true. The Commissioner of Revenue shall cause to be prepared blank forms for the said returns, and shall cause them to be distributed throughout the State and to be furnished upon application; but failure to receive or secure the form shall not relieve any taxpayer from the obligation of making any return herein required.

SEC. 404. Blank forms to be kept on file with register of deeds.

For convenience of all parties liable for making a return of income, and who may not receive blank forms by mail for this
purpose, the Commissioner of Revenue shall keep on deposit with
the register of deeds in each county a supply of blank forms
for distribution.

Sec. 405. Failure to file returns; supplementary returns.

If the Commissioner of Revenue shall be of the opinion that
any taxpayer has failed to file a return, or to include in a return
filed, either intentionally or through error, items of taxable in-
come, he may require from such taxpayer a return, or supplemen-
tary return, under oath, in such form as he shall prescribe, of
all the items of income which the taxpayer received during the
year for which the return is made, whether or not taxable under
the provisions of this act. If from a supplementary return, or
otherwise, the Commissioner of Revenue finds that any items of
income, taxable under this act, have been omitted from the
original return, or any items returned as taxable that are not
taxable, or any item of taxable income overstated, he may re-
quire the items so omitted to be disclosed to him, under oath of
the taxpayer, and to be added to or deducted from the original
return. Such supplementary return and the correction of the
original return shall not relieve the taxpayer from any of the
penalties to which he may be liable under any provision of this
act. The Commissioner of Revenue may proceed under the pro-
visions of section five hundred and two of this act, whether or
not he requires a return or a supplementary return under this
section.

ARTICLE V

COLLECTION AND ENFORCEMENT OF TAX

Sec. 500. Time and place of payment of tax.

1. The full amount of the tax payable, as the same shall ap-
pear from the face of the return, shall be paid to the Commis-
sioner of Revenue at the office where the return is filed at the
time fixed by law for filing the return. If the time for filing the
return be extended, interest at rate of six per cent per annum
from the time when the return was originally required to be
filed, to the time of payment, shall be added and paid.

2. The tax may be paid with uncertified check, during such
time and under such regulations as the Commissioner of Revenue
shall prescribe, but if a check so received is not paid by the bank
on which it is drawn, the taxpayer by whom such check is ten-
dered shall remain liable for the payment of the tax and for all
legal penalties, the same as if such check had not been tendered.

Sec. 501. Examination of returns.

1. As soon as practicable after the return is filed the Commiss-
sioner of Revenue shall examine it and compute the tax, and the
amount so computed by the Commissioner of Revenue shall be

the tax. If the tax found due shall be greater than the amount theretofore paid, the excess shall be paid to the Commissioner of Revenue within ten days after notice of the amount shall be mailed by the Commissioner of Revenue, and any overpayment of tax shall be returned within ten days after it is ascertained.

2. If the return is made in good faith and the understatement of the tax is not due to any fault of the taxpayer, there shall be no penalty or additional tax added because of such understatement, but interest shall be added to the amount of the deficiency at the rate of six per cent per annum until paid.

3. If the understatement is due to negligence on the part of the taxpayer, but without intent to defraud, there shall be added to the amount of the deficiency five per cent thereof, and in addition, interest at the rate of six per cent per annum until paid.

4. If the understatement is false or fraudulent, with intent to evade the tax, the tax on the additional income discovered to be taxable shall be doubled and an additional six per centum per annum until paid.

5. The interest provided for in this section shall in all cases be computed from the date the tax was originally due to the date of payment.

6. If the amount of tax found due as computed shall be less than the amount theretofore paid, the excess shall be refunded by the Commissioner of Revenue out of the proceeds of the tax retained by him as Commissioner of Revenue provided in this act.

SEC. 502. Corrections and changes.

If the amount of the net income for any year of any taxpayer under this article, as returned to the United States Treasury Department, is changed and corrected by the Commissioner of Internal Revenue or other officer of the United States of competent authority, such taxpayer within thirty days after receipt of final determination by the United States Government of his corrected net income shall make return under oath or affirmation, to the Commissioner of Revenue, of such final determined income. The Commissioner of Revenue shall thereupon proceed to determine, from such evidence as he may have brought to his attention or shall otherwise acquire, the correct net income of such taxpayer for the fiscal or calendar year, and if there shall be any additional tax due from such taxpayer the same shall be assessed and collected, and if there shall have been an overpayment of tax the said Commissioner of Revenue shall, within thirty days after the final determination of the net income of such taxpayer, refund the amount of such excess.

SEC. 503. Additional taxes.

If the Commissioner of Revenue discovers from the examination of the return or otherwise that the income of any taxpayer,
or any portion thereof, has not been assessed, he may, at any time within two years after the time when the return was due, assess the same and give notice to the taxpayer of such assessment, and such taxpayer shall thereupon have an opportunity, within thirty days, to confer with the Commissioner of Revenue as to the proposed assessment. The limitation of two years to the assessment of such tax or additional tax shall not apply to the assessment of additional taxes upon fraudulent returns. After the expiration of thirty days from such notification the Commissioner of Revenue shall assess the income of such taxpayer or any portion thereof which he believes has not heretofore been assessed, and shall give notice to the taxpayer so assessed of the amount of tax and interest and penalties, if any, and the amount thereof shall be due and payable within ten days from the date of such notice. The provisions of this act with respect to revision and appeal shall apply to a tax so assessed.

Sec. 504. Warrant for the collection of taxes.

If any tax imposed by this act or any portion of such tax be not paid within sixty days after the same becomes due, the Commissioner of Revenue shall issue an order under his hand and official seal directed to the sheriff of any county of the State, commanding him to levy upon and sell the real and personal property of the taxpayer, found within his county, for the payment of the amount thereof, with the added penalties, interest, and the cost of executing the same, and to return to the Commissioner of Revenue the money collected by virtue thereof by a time to be therein specified, not less than sixty days from the date of the order. The said sheriff shall thereupon proceed upon the same in all respects, with like effect, and in the same manner prescribed by law in respect to executions issued against property upon judgments of a court of record, and shall be entitled to the same fees for his services in executing the order, to be collected in the same manner. If an order be returned not satisfied in full, the Commissioner of Revenue shall have the same remedies to enforce the claim for taxes against the taxpayer as if the State had recovered judgment against the taxpayer for the amount of the tax.

Sec. 505. Tax a debt.

Every tax imposed by this act, and all increases, interest, and penalties thereon, shall become, from the time it is due and payable, a personal debt from the person or persons liable to pay the same, to the State of North Carolina.

Sec. 506. Action for recovery of taxes.

Action may be brought at any time by the Attorney-General of the State at the instance of the Commissioner of Revenue in the name of the State, to recover the amount of any taxes, penalties, and interest due under this act.
Final account of fiduciary to show payment or security of taxes.

Agreement on amount.

Payment of agreed amount full settlement.

Penalties.
For failure to file return and pay tax within 60 days.

Minimum.

Penalty after 60 days.

Waiver or reduction of penalties.

Mandamus to compel returns.

**Sec. 507. Tax upon settlement of fiduciary’s account.**

1. No final account of a fiduciary shall be allowed by the probate court unless such account shows, and the judge of said court finds, that all taxes imposed by the provisions of this act upon said fiduciary, which have become payable, have been paid, and that all taxes which may become due are secured by bond, deposit or otherwise. The certificate of the Commissioner of Revenue and the receipt for the amount of tax therein certified shall be conclusive as to the payment of the tax, to the extent of said certificate.

2. For the purpose of facilitating the settlement and distribution of estates held by fiduciaries, the Commissioner of Revenue, with the approval of the Attorney-General, may, on behalf of the State, agree upon the amount of taxes at any time due or to become due from such fiduciaries under the provisions of this act, and the payment in accordance with such agreement shall be full satisfaction of the taxes to which the agreement relates.

**ARTICLE VI**

**Penalties**

**Sec. 600. Penalties.**

1. If any taxpayer, without intent to evade any tax imposed by this act, shall fail to file a return of income and pay the tax, if one is due, at the time required by or under the provisions of this act, but shall voluntarily file a correct return of income and pay the tax due within sixty days thereafter, there shall be added to the tax an additional amount equal to five per cent thereof; but such additional amount shall in no case be less than one dollar and interest at the rate of six per cent per annum from the time said return was required by law to be filed until paid.

2. If any taxpayer fails voluntarily to file a return of income or pay the tax, if one is due, within sixty days of the time required by or under the provisions of this act, there shall be added to the tax an additional amount equal to twenty-five per cent thereof and interest at the rate of six per cent per annum from the time such return was required to be filed until paid.

3. The Commissioner of Revenue shall have power, upon making a record of his reasons therefor, to waive or reduce any of the additional taxes or interest provided in subdivisions one and two of this section, or in subdivisions two, three and four of section five hundred and one.

4. If any taxpayer fails to file a return within sixty days of the time prescribed by this act, any judge of the Superior Court, upon petition of the Commissioner of Revenue, or of any ten taxable residents of the State, shall issue a writ of mandamus requiring such person to file a return. The order of notice upon
the petition shall be returnable not later than ten days after
the filing of the petition. The petition shall be heard and de-
termined on the return day or such day thereafter as the court

STATE BOARD OF ASSESSMENT

SECTION 1. The Commissioner of Revenue, Attorney-General and Chairman of the Corporation Commission are hereby created the State Board of Assessment, with all the powers and duties prescribed by this act. The Commissioner of Revenue shall be the chairman of the board and shall, in addition to presiding at the meeting, exercise the function of the said board when the board is not in session. The said board is authorized to employ such clerical assistance as may be needed and fix the compensation thereof.

SEC. 2. The members of said board shall take and subscribe the constitutional oath of office, to be filed with the Secretary of State.

SEC. 3. It shall be the duty of said board, and they shall have power and authority to have general supervision of the system of taxation throughout the State.

1. To confer with and advise assessing officers as to their duties under this act, and to institute proper proceedings to enforce the penalties and liabilities provided by law for public officers, officers of corporations, and individuals failing to comply with this act; to prefer charges to the Governor against assessing and taxation officers who violate the law or fail in the performance of their duties in reference to assessments and taxation; and in the execution of these powers the said board may call upon the Attorney-General or any prosecuting attorney in the State to assist said board, and any person or officer who fails or refuses to comply with any lawful order of the State Board of Assessment shall be subject to a penalty or forfeiture of one hundred dollars, the same to be imposed by order of said Board of Assessment, and, in addition, any such person or officer so offending shall be liable to punishment by said board as for contempt.

2. At least thirty days previous to the date fixed for listing taxes, to prepare a pamphlet for the instruction of tax assessors. Said pamphlet shall, in as plain terms as possible, explain the proper working of the tax laws of the State, and shall call particular attention to any points in the administration of the laws which have seemed to be overlooked or neglected. 5. That all expenses incident to the listing and assessment
of property for the purposes of municipal taxation as aforesaid
shall be borne by the city or town for whose benefit the same

A. B., Sheriff or Tax Collector.

For serving notice the sheriff shall receive twenty-five cents, and if judgment is rendered the justice shall receive twenty-five cents as costs.

Sec. 35. Bank taxation.

The value of such shares of stock of banks shall be determined as is hereinafter in this section provided. Every bank, banking association, or savings institution (whether State or National), shall list its real estate in the county, city, or town in which such real estate is located, for the purposes of county and municipal taxation. Every such bank, banking association, or savings institution shall, during the month of May, list annually with the State Board of Assessment, in the name of and for its shareholders, all the shares of its capital stock, whether held by residents or nonresidents, at its market value on the first day of May, or, if it have no market value, then at its actual value on that day, from which market or actual value shall be deducted the assessed value of the real and personal property which such bank, banking association or savings institution shall have listed for taxation in the county or counties wherein such real and personal estate is located. The actual value of such shares, where such shares have no market value, shall be ascertained by adding together the capital stock, surplus, and undivided profits, and deducting therefrom the amount of real and personal property owned by said institution on which it pays tax, and dividing the net amount by the number of shares in said institution. There may be deducted from the items of surplus and undivided profits an amount not exceeding five (5) per cent of the bills receivable of said institution to cover bad or insolvent debts: Provided, the cashier of the bank shall make an affidavit that in his opinion the deduction asked for above, not exceeding five per cent, is reasonable. There shall also be deducted from the items of surplus and undivided profits, investments by such banks in bonds of this State, of the United States Government, of the Federal Farm Loan Banks, and of the Joint-stock Land Banks at the actual cost price of said bonds to the bank claiming such deductions. To be entitled to this deduction, it must be shown by the reports of such bank that the bonds were purchased and paid for in full at least ninety days before the first day of May. And also an amount equal to the true value of any shares of stock owned in other North Carolina banks or corporations upon which the tax is paid by the owner or the corporation issuing the same.

If the State Board of Assessment shall have reasons to believe that the market or actual value as given in is not its true value,
it shall ascertain such true value by such examination and investigation as to it seems proper, and change the value as given in to such an amount as it ascertains the true value to be, which action on the part of the State Board of Assessment may be reviewed by the Superior Court by an action brought against the State Board of Assessment in its official capacity by the party aggrieved. But no action shall lie until all taxes admitted by such aggrieved party to be due shall have been paid or tendered. The value of the capital stock of all such banks, as found by the State Board of Assessment, shall be certified to the county and city in which the bank is located, except that as to banks having one or more branches the State Board of Assessment shall make an allocation of the value of the capital stock as between the parent and branch banks in proportion to the deposits of the parent and branch banks and certify the allocated values so found to the counties and cities in which the parent and branch banks are located. The taxes so assessed upon the shares of any such bank, company, or association shall be paid by the cashier, secretary, treasurer, or proper accounting officer thereof, and in the same manner and at the same time as other taxes are required to be paid in such county, special school district or city; in default of such payment such cashier, secretary, treasurer, or other accounting officer, as well as such bank, company, or association, shall be liable for such taxes, and in addition, for a sum equal to ten per centum thereof. Any taxes so paid upon any such shares may, with the interest thereon, be recovered from the owners thereof by the bank, company, association, or officer paying them, or may be deducted from the dividends accruing on such shares. The taxation of shares of any such bank, banking association, or savings institution shall not be at a greater rate than is assessed upon other moneyed capital in the hands of individual citizens of this State, whether such taxation is for State, county, school or municipal purposes.

Sec. 36. Reports from corporations.

Third. Number of shares of stock issued.
Fourth. Par value of each share.
Fifth. Amount paid into treasury on each share.
Sixth. Amount of capital stock paid in.
Seventh. Amount of capital stock on which dividend was declared.
Eighth. Date of each dividend during said year ending with the first day of May.

belonging to such company, and which shall distinctly set forth
the number of locomotives of all classes, passenger cars of all
classes, sleeping cars and dining cars, express cars, horse cars,
cattle cars, coal cars, platform cars, wrecking cars, pay cars, hand
cars, and all other kinds of cars, and the value thereof, and a state-
ment or schedule, as follows: (1) The amount of capital stock
authorized and the number of shares into which such capital
stock is divided; (2) the amount of capital stock paid up; (3)
the market value, or, if no market value, then the actual value
of shares of stock; (4) the length of line operated in each county
and total in the State; (5) the total assessed value of all tangi-
ble property in the State; (6) and, if desired, all the informa-
tion heretofore required to be annually reported by section five
thousand two hundred and ninety-one of the Revisal. Such sched-
ule shall be made in conformity to such instructions and forms
as may be prescribed by the board, and with reference to amounts
and value on the first day of May of the year of which the re-
turn is made.

Sec. 57. Tangible and intangible property assessed separately.

(a) At such dates as real estate is required to be assessed for
taxation, the said Board of Assessment shall first determine the
value of the tangible property of each division or branch of such
railroad, of rolling stock and all the other physical or tangible
property. This value shall be determined by a due consideration
of the actual cost of replacing the property, with a just allowance
for depreciation on rolling stock, and also of other conditions, to
be considered as in the case of private property.

(b) They shall then assess the value of the franchise, which
shall be determined by due consideration of the gross earnings
as compared with the operating expenses, and particularly by
consideration of the value placed upon the whole property by the
public (the value of the physical property being deducted), as
evidenced by the market value of all capital stock, certificates
of indebtedness, bonds, or any other securities, the value of which
is based upon the earning capacity of the property.

(c) The aggregate value of the physical or tangible property
and the franchise, as thus determined, shall be the true value of
the property for the purpose of an ad valorem taxation, and shall
be apportioned in the same proportion that the length of such
road in each county bears to the entire length of such division
or branch thereof; and the State Board of Assessment shall cer-
tify, on or before the first day of September, to the chairman of
the county commissioners and the mayor of each city or incor-
porated town the amount apportioned to his county, city or town;
all taxes due the State from any railroad company shall be paid
by the treasurer of each company directly to the Commissioner
of Revenue within thirty days after the first day of July of each

Year; and upon failure to pay the Commissioner of Revenue as aforesaid, he shall institute an action to enforce the same in the county of Wake or any other county in which such railroad is located, adding thereto twenty-five per centum of the tax. The board of county commissioners of each county through which said railroad passes shall assess against the same only the tax imposed for county, township, or other taxing district purposes, the same as is levied on other property in such county, township, or special taxing districts.

Sec. 58. Railroads.

When any railroad has part of its road in this State and part thereof in any other state, the said board shall ascertain the value of railroad track, rolling stock, and all other property liable to assessment by the State Board of Assessment of such company as provided in the next preceding section, and divide it in the proportion to the length such main line of road in this State bears to the whole length of such main line of road, and determine the value in this State accordingly: Provided, the board shall, in valuing the fixed property in this State, give due consideration to the character of roadbed and fixed equipment, number of miles of double track, the amount of gross and net earnings per mile of road in this State, and any other factor which would give a greater or less value per mile of road in this State than the average value for the entire system. On or after the first Monday in July the said board shall give a hearing to all the companies interested, touching the valuation and assessment of their property. The said board may, if they see fit, require all argument and communications to be presented in writing.

Sec. 59. Railroads.

If the property of any railroad company be leased or operated by any other corporation, foreign or domestic, the property of the lessor or company whose property is operated shall be subject to taxation in the manner hereinbefore directed; and if the lessee or operating company, being a foreign corporation, be the owner or possessor of any property in this State other than which it derives from the lessor or company whose property is operated, it shall be assessed in respect to such property in like manner as any domestic railroad company.

Sec. 60. Railroads.

The State Board of Assessment shall have power to summon and examine witnesses and require that books and papers shall be presented to them for the purpose of obtaining such information as may be necessary to aid in determining the valuation of any railroad company. Any president, secretary, receiver, or accounting officer, servant or agent of any railroad or steamboat
company having any portion of its property or roadway in this State, who shall refuse to attend before the said board when required to do so, or refuse to submit to the inspection of said board any books or papers of such railroad company in his possession, custody, or control, or shall refuse to answer such questions as may be put to him by said board, or order touching the business or property, moneys and credits, and the value thereof, of said railroad company, shall be guilty of a misdemeanor, and on conviction thereof before any court of competent jurisdiction shall be confined in the jail of the county not exceeding thirty days, and shall be fined in any sum not exceeding five hundred dollars and costs; and any president, secretary, accounting officer, servant, or agent aforesaid, so refusing as aforesaid, shall be deemed guilty of contempt of such board, and may be confined, by order of said board, in the jail of the proper county until he shall comply with such order and pay the cost of his imprisonment.

Sec. 61. Board of Assessment to certify; when tax payable.

The State Board of Assessment shall, upon completion of the assessment directed in the preceding sections, certify to the register of deeds of the county the total valuations as hereinbefore determined and apportioned by the board, and in case of corporate excess, to the county in which the corporation has its principal place of business, and the board of county commissioners shall assess against the same tax imposed for county, township, or other tax district purposes, the same as is levied on other property in such county, township, or special taxing districts; it shall be paid to the sheriff or tax collector of the county.

Sec. 62. Canal and steamboat companies.

The property of all canal and steamboat companies in this State shall be assessed for taxation as above provided for railroads. In case any officer fails to return the property provided in this section, the board shall ascertain the length of such property in this State, and shall assess the same in proportion to the length at the highest rate at which property of that kind is assessed by them.

Sec. 63. Private banks and bankers.

Every bank (not incorporated), banker, broker, or stock jobber shall, at the time fixed by this chapter for listing personal property, make out and furnish the assessor a sworn statement showing (1) the amount of property on hand and in transit; (2) the amount of funds in the hands of other banks, bankers, or brokers, and subject to draft; (3) the amount of checks or other cash items, the amount thereof not being included in either of the preceding items; (4) the amount of bills receivable discounted.
or purchased, and other credits due or to become due, including interest receivable and accrued, but not due, and interest due and unpaid; (5) the amount of bonds and stocks of every kind, State and county warrants, and other municipal securities and shares of capital stock, or joint-stock or other companies or corporations held as an investment, or any way representing assets; (6) all other property appertaining to said business, other than real estate, which real estate shall be listed and assessed as other real estate is listed and assessed under this act; (7) the amount of deposits made with them by other parties; (8) the amount of all accounts payable, other than current deposit accounts; (9) the amount of bonds and other securities exempt by law from taxation, specifying the amount and the kind of each, the same being included in the preceding fifth item. The aggregate amount of the first, second, and third items in said statement shall be listed as moneys. The amount of the sixth item shall be listed the same as other similar personal property is listed under this chapter. The aggregate amount of the seventh and eighth items shall be deducted from the aggregate amount of the fourth item of said statement, and the amount of the remainder, if any, shall be listed as credit. The aggregate amount of the ninth item shall be deducted by the tax-lister from the aggregate amount of the fifth item of such statement, and the remainder shall be listed as bonds or stocks.

Sec. 64. Stock-brokers and private bankers.

No person, bank, or corporation shall, without a license authorized by law, act as a stock-broker or private banker. Any person, bank, or corporation that deals in coin, foreign or domestic exchange, Government stock or other certificates of debt or shares in any corporation or chartered company, bank notes or other notes used as a currency, or to sell the same or any of them on commission or for other compensation, or who negotiates loans upon real estate securities, shall be deemed to be a stock-broker. A stock-broker shall have the right to buy for profit or to sell on commission the coin, exchange, stocks, certificates of debt, shares in chartered companies, bank notes and notes used as currency, as aforesaid, and may sell either privately or by auction, and also negotiate loans on real estate securities. Any person, bank, or corporation engaged in the business of receiving money on deposit or in lending or advancing money, or in negotiating loans on any class of securities, or in discounting, buying, or selling negotiable or other paper or credits, commonly known as stock-brokers, whether in an office for the purpose or elsewhere shall be deemed to be a private banker, and in the latter case the tax shall be paid for the additional privilege of private banking. Any person, bank, or corporation violating this section shall pay
a fine of not less than one hundred nor more than five thousand
dollars for each offense.

Sec. 65. Taxpayer refusing to answer guilty of a misdemeanor;

If any person liable to be charged with taxes shall willfully
refuse to answer any questions respecting his property, or refuse
to file, sign, and swear to his return, he shall be guilty of a mis-
demeanor, and on conviction liable to be punished by a fine not
exceeding fifty dollars, or imprisonment not exceeding thirty days,
or both; and it shall be the duty of the assessors or list-takers to
have the offender prosecuted; and the list-taker shall complete the
list from the best information he can obtain. Every list-taker
and chairman of the board of county commissioners shall have
power to send for persons and papers, and to examine witnesses
and administer oaths.

SEC. 67. Form of assessing and listing property.

The State Board of Assessment shall prepare forms to be used in assessing and listing property for taxation by assessors and list-takers. It shall transmit said forms to the clerk of the board of commissioners of each county by the fifteenth day of April, and the clerk shall deliver to each board of list-takers and assessors the necessary number of forms for their respective use. The assessors' forms shall be furnished every fourth year, and the list-takers' forms annually.

SEC. 68. List shall be completed by the third Monday in June; shall make a return of polls and property not listed.

The list-taker and assessor shall, on or before the third Monday in June, return the tax list to the county assessor in the year one thousand nine hundred and twenty-three, and in other years to the register of deeds or to the auditor in counties where the tax lists are made out by such officer. He shall also return a list of taxable polls and property of the township not given in for taxation. The returns so made shall be open to the inspection of all persons interested, and the clerk shall give to any person desiring it a copy of so much thereof as relates to his property on paying a fee of ten cents.

SEC. 69. List-takers and assessors, to furnish list of exempt property.

Each list-taker and assessor shall, when making the assessment roll for his district, enter on the blanks so furnished him, in regular order, the name of the owner, if known, and, from the best information he can obtain, a correct description of all real and personal property then exempt from taxation in his town or assessment district, together with a statement of its value, for what purpose used, and the rent, if any, obtained therefor. Sec. 70. Equalization of values.

The board of commissioners of each county, after notice in one newspaper, or by poster put up, shall meet on the second Monday in July and revise the tax list and valuations reported to them; and it shall be the duty of the register of deeds, without additional compensation, to complete the list by computing the tax payable by each person, affixing the same opposite his name. The board of commissioners shall sit for one day at least, and when necessary shall sit until the revision is complete, and shall hear all persons objecting to the valuation of their property. They shall have the power to summon and examine witnesses, and shall correct the list of the list-takers and assessors as may be right and just, so that the valuation of similar property throughout the county shall be as near uniform as possible. They shall have power, after notifying the owner or agent, to raise the valuation of such property as they shall deem unreasonably low. The said board of commissioners, on tendering the prescribed oath, may take the list of any person applying to list his taxable at any meeting of the commissioners held on or before the second Monday in July, upon his paying the clerk twenty-five cents for recording the same. The board of commissioners shall ascertain the valuation of his property by the examination of witnesses or otherwise, and insert it in the abstract, and without satisfactory excuse they shall add to the tax of the person so allowed to give in five per centum on the regular amount of his tax for that year.

Sec. 71. The taxpayer may complain to the board of commissioners.

If any person shall complain before the board of commissioners that his property, either real or personal, has been improperly valued, or that he is charged with an excessive tax, he may be required to present his claim in writing, and the board of commissioners shall hear any evidence adduced by him, and shall summon and examine any witness necessary for a just decision of the question, including the assessors or list-taker who made the valuation. If the board of commissioners shall find that he has cause for complaint, they shall direct the clerk to render a true account thereof, and the account thus rendered, certified by the clerk, shall be transmitted to the State Board of Assessment, and if the same is approved by them they shall certify it to the State Auditor, who shall credit the sheriff with the overcharge in his settlement for the year.
SEC. 72. Commissioners may give certificate of relief granted.

If the application for relief be made to the board of commissioners after the sheriff shall have settled the accounts with the State and county, the board of commissioners shall carefully examine the case, and, if in their opinion the applicant is entitled to relief, shall direct the clerk to record on the record book the cause of complaint, the amount which in the opinion of the board of commissioners should be refunded to the applicant. The clerk shall make out a copy of such record, certify the same, under the seal of the board of commissioners, and deliver it to the applicant, who shall pay the clerk a fee of twenty-five cents. Such copy shall be transmitted to the State Board of Assessment for their approval or disapproval. If the State Board of Assessment approve the same, they shall issue an order to that effect, and it shall be the duty of the Auditor of the State, upon receiving a certified copy thereof, to issue a warrant on the Treasurer of the State for the amount of the State tax specified. The Treasurer shall, on presentation of such warrant, pay to the holder of the same the amount to be refunded.

SEC. 73. Sheriff may recover overpayment by error.

If a sheriff or tax collector shall, in consequence of an error in the abstract of taxes sent to the State Auditor, or otherwise, be charged with more than the true amount with which he should be chargeable, and pay the amount so charged in excess to the Treasurer of the State, the Auditor shall, upon the certificate of the board of commissioners setting forth the nature of such error, give his warrant upon the Treasurer of the State for the amount so paid in excess, and the Treasurer shall pay the same.

SEC. 74. Commissioners to enter property escaping taxation in previous years.

In all cases where the board of commissioners shall have omitted or in any future year shall omit to enter upon the duplicate of their county any land or town lots situated within their county subject to taxation, it shall be their duty, when they enter the same to duplicate the next succeeding year, to add to the taxes of the current year the simple taxes of each and every preceding year in which such land or town lots shall have so escaped taxation, with twenty-five per centum in addition thereto, so far back as the said lands have escaped taxation; and the State Board of Assessment shall have like power to list unlisted railroad property. When no assessment has been made for the years in which said property has so escaped taxation, the board of commissioners shall be authorized to value and assess the same for those years: Provided, this shall not apply beyond five years. In all cases where any personal property, choses in action, or any personal property listed.
property except lands liable to taxation, shall have been omitted or shall be omitted in any future year from the tax list by the owner or person required by law to list the same, the board of commissioners shall enter the same on the duplicate of the next succeeding year, and shall add to the taxes of the current year the simple taxes of such preceding year, not exceeding five years, with twenty-five per centum added thereto, in which such personal property as aforesaid shall so have escaped taxation, and the said board of commissioners shall value and assess the personal property aforesaid for those years, and are empowered to examine witnesses, and to call for papers, to determine the value and to ascertain the persons liable for the tax upon said personal property. The provisions of this section shall extend and apply to all cities, towns, and like municipal corporations having the powers under their charter to tax the property aforesaid, and the powers and duties herein imposed upon the board of commissioners of the county shall be exercised and performed by the board of commissioners or the board of aldermen, as the case may be, of the city or town or other municipal corporation.

Whenever the board of commissioners shall find any person in possession of any personal property, money or choses in action, which shall not have been listed for taxation on the preceding first day of May, it shall be presumed that the person in possession thereof was the owner and in possession of same on the first day of each May for five preceding years, and they shall cause the same to be placed upon the list and assess the taxes and penalties thereon, as herein provided. The board of commissioners "or governing body of any municipal corporation" are hereby authorized and empowered to settle, adjust and compromise all claims for taxes arising under this section, or any other section authorizing them to place on the tax list any property omitted therefrom.

Sec. 75. The board of commissioners shall insert omitted property.

The chairman of the board of commissioners shall examine the tax list from each township for the previous year, and insert in said list the description and valuation of all property not given in, and shall charge all such persons with twenty-five per centum in addition to the tax with which they would otherwise be chargeable, unless satisfactory excuse therefor be rendered to the board of commissioners on or before the first Monday in October; and all persons who own property and willfully fail to list it within the time allowed before the list-takers or board of commissioners shall be guilty of a misdemeanor, and the failure to list shall be prima facie evidence that such failure was willful, and it shall be the duty of the board of commissioners to present to
the grand jury the names of all such persons. The list-taker and assessor shall report to the board of commissioners any change he may make to the tax list as to real estate, and the said board shall note such change in a book to be kept for that purpose. It shall be the duty of the commissioners of each county to employ a competent man whose duty it shall be to spend such time as the commissioners may deem necessary to make diligent search for property not listed for taxes, and to put such property on the tax books: Provided, the cost of listing such unlisted property shall not exceed ten per cent of the revenue so derived, said expense to be borne by the county: Provided further, that nothing in this section shall be construed as authorizing or empowering the county commissioners to appoint tax collectors: Provided further, that nothing contained in this section shall be construed to repeal or affect private or public laws affecting one or more counties.

SEC. 76. Register of deeds to make out tax duplicate.

The board of county commissioners shall cause the register of deeds, auditor, tax clerk or other official performing such duties to make out two copies of the tax list for each township, as revised and settled by the tax-lister, according to a form to be furnished to them by the State Board of Assessment. Such form shall show in different columns the sum due by each taxpayer to the county, and also in separate columns the amount of school poll tax levied by the county commissioners, and the total amount of property school tax levied by the county commissioners. The register of deeds or auditor shall also fill out receipts and stubs for all taxes charged on the tax books so made out, the receipts to be written in full except date and signature of collecting officer. Receipt books for this purpose shall be furnished by the county, on order of the register of deeds or auditor: Provided, this shall not be required in counties using carbon receipt books and cash books combined, but such may be used in lieu thereof. One of said copies shall remain in the office of the clerk of the board of commissioners; the other shall be delivered to the sheriff or tax collector on or before the first Monday in October in each year, and he shall receipt for the same. The clerk shall endorse on the copies given the sheriff an order to collect the taxes therein mentioned, and such order shall have the force and effect of a judgment and execution against the real and personal property of the person charged with such list. In such list the clerk shall note all appeals from the judgment of the board of commissioners which have been perfected by the giving of a bond. Said order shall be in the following or similar form:

Payment for work

The board of commissioners shall make an order for the payment of the register of deeds or auditor, as the case may be, of such a sum as may be deemed a proper compensation for the work of computing the taxes and making out the tax list and the necessary copies thereof, including the making of such abstract and returns as he may be required to furnish to the State Board of Assessment and Auditor; but the sum allowed for computing the taxes and making out the tax list shall not exceed five (5) cents for each name appearing on the tax list, to be paid by the county treasurer out of the county funds.

SEC. 77. Agents paying taxes shall have lien.

When property is assessed to any person as agent for another or in a representative capacity, such person shall have a lien upon such property or any property of his principal in his possession until he is indemnified against the payment thereof, or, if he has paid the tax, until he is reimbursed for such payment.

SEC. 78. Register of deeds shall make report to the State Board of Assessment and Auditor.

The clerk of the board of commissioners, auditor, tax clerk or other official performing such duties shall, on or before the first Monday in November after the lists are deposited with him by the board of commissioners, return to the State Board of Assessment and Auditor an abstract of the same, showing the number of acres of land and their value and the value of town lots and the number of white and negro polls, separately, and specify every other subject of taxation and the amount of county tax payable on each subject, and the amount payable on the whole. At the same time the clerk, auditor, tax clerk or other official performing such duties shall return to the State Board of Assessment and Auditor an abstract of the list of the poll, county, and school taxes payable in his county, setting forth separately the tax levied on each poll and on each one hundred dollars value of real and personal property for each purpose, and also the gross amount of every kind levied for county purposes.
Sec. 79. Penalty for register of deeds failing to make report.

If any register of deeds, auditor, tax clerk or other official performing such duties shall make a default of any of the duties prescribed in the preceding section, or shall fail to deliver to the State Auditor a copy of the sheriff's return of taxes received under Schedules B and C of "An act to raise revenue," and a copy of the settlement of the State tax account between the board of commissioners and the sheriff or tax collector made, sworn to, and subscribed, he shall forfeit and pay to the State one thousand dollars, to be recovered against him and the sureties of his bond in the Superior Court of Wake County, before the clerk thereof, on motion of the State solicitor; and it shall be the duty of the State Auditor to inform the solicitor of such default, and at the same time furnish him with a certified copy of the official bond of said register of deeds, auditor, tax clerk or other official performing such duties. The clerk of the Superior Court shall transmit to the State Auditor, on or before the second Monday in October in each year, a certified copy of the official bond of the register of deeds, auditor, tax clerk or other official performing such duties, and his sureties, under the same penalties for default as are prescribed in this act. The register of deeds shall transmit to the State Auditor annually a copy of the bond of the clerk of the Superior Court.

Sec. 80. Property may be divided upon sale.

In case, within the interval between the regular periods of the valuation of lands or real property, any piece of land or real property shall become divided in ownership, either by partition or sale of a portion thereof or otherwise, either of the part owners may at any time, upon five days notice to the other part owner, apply to the board of commissioners for an apportionment of valuation. The board of commissioners shall allow such amendment to the tax duplicate as they may think just, and the person who has in custody the tax duplicate shall amend the same according to the assessment of the board of commissioners, on the production of a certified copy of their proceedings ordering the change: Provided, that no amendment made after a tax has become due shall operate to affect the tax.

Sec. 81. Taxes due the first Monday in October.

Except as otherwise provided by an act of the present session of the General Assembly with respect to the penalties for delay in the settlement of taxes for the year one thousand nine hundred and twenty-two, the taxes shall be due the first Monday in October in each year. All city, county, or State officers authorized to collect or receive taxes or fees of any kind for the State shall make return of the same on the first of every month to the State Auditor, and within ten days thereafter pay the amount mentioned in said return to the State Treasurer; and further, it shall be the duty of the State Treasurer to immediately notify the State Board of Assessment of any failure upon the part of any official to account as aforesaid. Any officer violating this section shall be guilty of a misdemeanor.

Every sheriff shall keep a record of the taxes collected by him from the clerk of the court, register of deeds, and under Schedule B of the Revenue Act. A suitable book for the purpose shall be provided by the State Auditor for recording all forfeitures, arrears from insolvents, double taxes, and taxes on unlisted subjects; and on the first Monday in December in each year the sheriff shall deliver, on oath, to the board of commissioners a statement setting forth all sums received to that date not previously accounted for, the date of such receipts, the person from whom received, the amount received from each person, the subject on which received, and the aggregate amounts, accompanied by an affidavit taken and subscribed before the clerk of the commissioners and attested by him that the statement is correct, and that no receipts have been omitted; and the register of deeds shall record the same in a book to be kept for that purpose, and shall before the second Monday in December send an abstract of such statement, with the affidavit, to the State Auditor, on a blank to be furnished by the State Auditor, register the same in a book kept in his office for that purpose, and keep a copy of the same in a conspicuous place in the courthouse until the first day of January next ensuing.

Sec. 94. Sheriff to settle State taxes third Monday in January; commissioners personally liable for failure to make report.

The sheriff or other accounting officer shall, on or before the second Monday in January in each year, settle his State tax account with the commissioners of his county, and pay the amount for which said sheriff or collector is liable to the Treasurer of the
State, in such manner or at such place as he shall direct, on or before the third Monday of said month: Provided, the State Treasurer may extend the time for the payment of State taxes or any part thereof until the first Monday in May. The commissioners shall forthwith report to the State Auditor the amount due from such accounting officer, setting forth therein the net amount due to each fund; and the Treasurer, upon a statement from the State Auditor, shall open an account against such officer and debit him accordingly. Upon the failure of the board of county commissioners to make this report to the State Auditor on or before the third Monday of January of each year, or if a report has been filed which is not correct, and the commissioners fail to file an amended and corrected report within thirty days after being notified so to do by the State Auditor, the commissioners of such county shall each personally be liable to a penalty of one hundred dollars, and it shall be the duty of the State Auditor forthwith to institute an action in the county of Wake to enforce the same. The sheriff or tax collector, in making his settlement as aforesaid, shall file with the commissioners a duplicate of the list required in this act. In such settlement the sheriff or other officer shall be charged with the amount of public tax as the same appears by the abstract of the taxables transmitted to the State Auditor; also with all double tax and taxes on unlisted property by him received, and with other tax which he may have collected or for which he is chargeable. The State Auditor shall give to each sheriff or tax collector a certified statement embracing the subjects of taxation contained in both lists, and the amount of tax on each subject, which the sheriff or tax collector shall deposit with the clerk of the commissioners of his county for public inspection; that the sheriffs and tax collectors shall receive five per cent on all taxes collected by them for State, county, township, school district, or other purposes whatsoever up to the sum of fifty thousand dollars, and upon all such sums so collected by him in excess thereof he shall receive two and one-half per cent commission, and that the sheriffs or tax collectors shall receive for their own use, in addition to other fees or salary received by them, a commission of five per cent on all privilege and license taxes collected under Schedule B of the Revenue Act, and any provision in any local act in conflict with this provision is hereby repealed; that all laws and clauses of laws, whether general or special, in conflict herewith are hereby repealed: Provided further, that this section shall not apply so as to affect the compensation of the sheriff or tax collector of Buncombe County as fixed by private statute: Provided further, that nothing herein contained shall be construed to repeal any local or general act regulating salary or fees of county officers, except in so far as such local or general acts are in conflict with the provision that sheriffs shall
receive for their own use a commission of five per cent on all privilege and license taxes collected under Schedule B of the Revenue Act, and in all settlements hereafter made by board of county commissioners with sheriffs for collection of taxes under the provisions of this section it shall be deemed and held that all such local or general acts regulating salary or fees of county officers are now in full force and effect except in so far as such acts are amended by the provision of this section that sheriffs shall have a commission of five per cent on all privilege and license taxes collected under Schedule B of the Revenue Act.

SEC. 95. Deductions to be made in settlement.

The State Auditor, in making the settlement of the amount due from the sheriff or tax collector aforesaid, shall deduct from the list returned:

1. Taxes on personal property certified by the clerk of the commissioners of the county, by order of the commissioners, to be insolvent and uncollectible.

2. All overpayments made in former settlements by reason of any error in the clerk's abstracts of taxables.

3. The commission allowed by law.

SEC. 96. Sheriff or tax collector to be paid per diem for settlement.

For his settlement with the State Treasurer the sheriff or tax collector shall be allowed by said board of commissioners, and deducted from the amount due the State, three dollars for each day he may be actually necessarily engaged therein with the commissioners at the county-seat.

SEC. 97. In every case of failure by the sheriff or other accounting officer to settle his account within sixty days from the time prescribed by section one hundred and one of this act for such settlement, and to take the oath required in his settlement and pay the amount due to the Treasurer, the State Auditor shall forthwith report to the Treasurer the account of such sheriff or officer, as shown by the abstract of listed and unlisted taxables furnished by the register of deeds or auditor for such county, deducting therefrom for commissions, but adding thereto one thousand dollars and ten per centum of the amount of taxes with which said sheriff is charged for the amount of taxes supposed not to appear in the list transmitted by the register of deeds or auditor, and furnish him a copy of the official bond of the said officer, and his sureties; and if the whole amount be not paid, the Treasurer, on motion of the solicitor in the Superior Court of Wake County, before the clerk thereof, within thirty days after default shall have occurred, shall recover judgment against him and his sureties, without other notice than is given by the delin-
Sec. 98. The sheriff or tax collector shall pay the county taxes to the county treasurer or other lawful officer. He shall at no time retain over three thousand dollars, for a longer time than ten days, under a penalty of two per centum per month to the county upon all sums so unlawfully retained, and shall, on oath, render a statement to the board of commissioners at their monthly meeting of the amount in his hands. On or before the first Monday of May in each year the sheriff shall account to the county treasurer or other lawful officer for all taxes due the county for the fiscal year.

Sec. 99. The Treasurer of the State, with the advice and approval of the Attorney-General, is hereby authorized, when in the judgment of these officers it may be best to secure the interest of the State and will not lose any lien held by the State, to grant indulgence to defendants in the execution and relinquish penalties upon payment of amount of dues owing to the State; and likewise to bid for in behalf of the State and purchase property of said defendant when necessary to secure the payment of the dues.

Sec. 100. The sheriff or tax collector shall be charged with the sums appearing by the tax list as due for the county taxes, and shall be allowed to deduct therefrom, in like manner as is prescribed in this act in regard to his settlement of the State taxes, all insolvents and uncollectible poll taxes, and also the amount of county tax on the lands bid off by the county, and costs and fees, which shall be, for making a deed, fifty cents; for registering, twenty-five cents; and such other necessary sums as were actually paid by the sheriff: Provided, a majority of any board of county commissioners may extend the time for collecting and settlement of county taxes in the respective counties to such time as they may deem expedient, not to extend beyond the first of May in the year following in which taxes were levied: Provided further, that any sheriff, tax collector, or county treasurer who shall use any part of the county or State taxes otherwise than as directed by law shall forfeit double the amount of his commission on county and State taxes for the year in which he so misused said taxes.

No mortgage or lien on any property shall be superior to the taxes on said property, whether said mortgage or lien was given prior or subsequent to the levy of the taxes.
Sec. 101. The board of county commissioners, at their last regular or other subsequent meeting in each year, shall appoint one or more of their number, not to exceed three, to be present at the accounting and settlement between the sheriff and county treasurer provided for in the preceding section, and also to audit and settle accounts of the county treasurer, and all other county officers authorized to receive or disburse county funds. The accounts so audited shall be reported to the board of county commissioners, and when approved by them shall be filed with the clerk and recorded on his books, and shall be prima facie evidence of their correctness and impeachable only for fraud or special error: Provided, the compensation allowed the committee for their services shall not exceed three dollars ($3.00) per day each for the time actually spent in said settlement, and there shall be no allowance for extra clerical aid.

Sec. 102. In case the sheriff of a county shall fail, neglect, or refuse to account with the county treasurer and auditing committee as above required, or to pay what may rightfully be found due on such accounts, he shall forfeit and pay to the State for the use of the county a penalty of two thousand and five hundred dollars. It shall be the duty of the county treasurer (and if he neglect or refuse to perform it, it shall be the duty of the chairman of the board of commissioners) to cause an action to be brought in the Superior Court of the county on the bond of the sheriff, against him and his sureties, to recover the amount owing by him and the penalties aforesaid. If the sheriff shall fraudulently and corruptly fail to account as aforesaid, he shall be criminally liable thereupon in like manner and with the same penalties imposed for such criminal defalcation in section ninety-seven of this act.

Sec. 103. In each year the county treasurer shall give five days notice to all the county officers (except the sheriff) authorized to receive or disburse the county funds to appear at the courthouse, on a certain day in January, before him and the committee appointed by the board of commissioners, and present an account of all sums received or disbursed for the county, with their vouchers, and any officer failing to attend and account shall be deemed guilty of a misdemeanor. The accounts, when audited, shall be reported to the board of commissioners at their next meeting, and if approved shall be filed with the clerk and recorded in their proceedings, together with their approval, and shall be deemed prima facie correct.

Sec. 104. Whenever in this act a duty is imposed upon the sheriff of a county of which a tax collector has been or may be appointed, it shall be incumbent upon the tax collector to perform said office instead of the sheriff; and such tax collector shall collect all the taxes, have all the emoluments, and be subject to
all the penalties as provided in case of sheriffs in this act; and it shall be the duty of all persons having tax moneys in hand to account for and settle with said tax collector.

Sec. 105. If any sheriff shall die during the time appointed for collecting taxes, his sureties may collect them, and for that purpose shall have all power and means for collecting the same from the collectors and taxpayers as the sheriff would have had, and shall be subject to all the remedies for collecting and settling of the taxes, on their bond or otherwise, as might have been had against the sheriff if he had lived.

Sec. 106. The sheriff (and in case of his death the sureties) shall have one year, and no longer, from the day prescribed for his settlement and payment of the State taxes to finish the collection of all taxes, but the extension of time for collection shall not extend the time of his settlement of the taxes.

Sec. 107. The Secretary of State shall have printed five thousand copies of this act and the Revenue Act of this session, and distribute the said act among the officers whose duty it is to execute or carry into effect any portion thereof.

Sec. 108. The Secretary of State shall in like manner have printed ten copies of said act for each member of the General Assembly and forward the same to him.

Sec. 109. Upon failure to pay the State Treasurer, upon demand, any tax which by law has become payable, and which is made payable direct to the State Treasurer, it shall be the duty of the State Treasurer to enforce payment of the same, and the penalty fixed by section one hundred and seventeen of this act, and to this end he shall have all the rights of levy and sale of any property owned by any such person, firm, or corporation as is given in section ninety-six of the Revenue Act to the sheriffs in the collection of Schedule B taxes, and upon application by the State Treasurer it shall be the duty of the sheriff in any county to levy upon and sell such property to satisfy the tax due, together with any costs and penalties. The State Treasurer may also institute an action to enforce the same in the county of Wake or in the county in which the property is located.

Sec. 110. Any person, firm, or corporation who is liable for any license or privilege tax under Schedules B and C, and who practice their or its profession or trade without paying said license or privilege tax, shall be subject to a penalty of two hundred and fifty dollars, the same to be recovered by the State Board of Assessment or State Treasurer in an action to enforce same in the Superior Court of Wake County or in the county of the defendant. Every person engaged in an itinerant business that is made taxable under the Revenue Act shall have with him when so engaged in such business either the original license required to be obtained for engaging in each business, or a duplicate
thereof, and shall exhibit the same upon demand of any sheriff, deputy, constable, or other officer.

Sec. 111. All acts and parts of acts inconsistent with the provisions of this act are hereby repealed: Provided, that such repeal shall not in any manner affect any rights heretofore acquired, or the collection of any taxes heretofore levied or assessed, or the validity of any sale heretofore made, or any rights heretofore acquired in the law of this State.

Sec. 112. Sales of real estate may be made on the first Monday in any month.

That section two thousand eight hundred and eighty-eight of the Revisal of nineteen hundred and five, providing that sales of real estate for taxes shall be made on the first Monday in May of each year, be and the same is hereby amended by inserting after the word "year" in the fifth line of said section the words "or may sell upon the first Monday of any subsequent month, after giving notice as required by section two thousand eight hundred and eighty-eight, Revisal of nineteen hundred and five."

Sec. 113. Actual sale of real estate conclusive evidence.

That where actual sales of real estate are made for taxes under the general laws of the State the taxpayer whose real estate has been sold for taxes shall be precluded thereafter from attacking such sale on the ground that the tax could have been procured from personal property.

Quadrennial Assessment

Sec. 114. That on the first Monday in April, nineteen hundred and twenty-three, and quadrennially thereafter, the board of commissioners of each county shall meet and appoint a resident freeholder as county supervisor; in those counties which have an auditor, tax clerk, or other similar official, such auditor, tax clerk or other similar official may be the supervisor. In those counties where by special act the chairman of the board of county commissioners is created an all-time chairman, such all-time chairman may be named as county supervisor. The county supervisor shall have general supervision of the assessment of all real property for taxation in his respective county. He shall appoint an assistant for each township. In townships in which there are located cities and towns and in townships having an unusually large proportion of the property in the county, or for any other reason, more than one assistant supervisor may be appointed.

Sec. 115. The county supervisor and assistants shall meet in the courthouse within ten days after their appointment and qualification, upon call of the county supervisor, for general consideration of methods of securing a complete list of all real and
personal property and of valuing the same in an equal manner in the several townships. They shall begin the work of listing and assessing the real and personal property not later than the first day of May in each year, and shall complete the same as early as practicable, and not later than the first day of July.

Sec. 116. Such assistant supervisor appointed under the authority of this act shall personally visit and inspect all of the real and personal property which he is to assess; shall make diligent inquiry as to its value; shall value the same at its true value in money as defined in this act, and make a detailed statement of each and every piece and kind of real property, together with as near as possible the true value in money, and return the same to the county supervisor.

Sec. 117. Before entering upon the discharge of their respective duties, the county supervisor and the assistant supervisors shall take and subscribe an oath substantially as follows:

"I, -------------------------, supervisor (or assistant supervisor) for ----------------------county and -------------------township therein, do solemnly swear (or affirm) that I will discharge the duties devolving upon me as county supervisor (or assistant supervisor) according to the laws in force governing such office, so help me, God." Upon making his complete returns of assessments as herein provided for, the assistant supervisor shall annex thereto the following affidavit: "I, -------------------------, the assistant supervisor for ------------------township of -----------------county, make oath that the foregoing list contains, to the best of my knowledge and belief, all the real and personal property required by law to be assessed in said township, and that I have assessed each tract or parcel of land at its true value in money, and have endeavored to do equal justice to the public and to the taxpayers concerned."

Sec. 118. All real and personal property shall be valued by the assistant supervisors under the supervision of the county supervisor as herein provided. In determining the value of real property the assistant supervisor and county supervisor shall consider as to each piece or parcel its advantage as to location, quality of soil, quantity of standing timber, water privileges, water power, mines, minerals, quarries and other valuable deposits known to be available therein, and their value, its fertility and adaptability to agricultural or commercial uses; shall take into consideration the past income derived therefrom and its probable future income, and shall also take into consideration its present assessed value. The above enumeration shall not preclude taking into consideration other facts which may affect the value. In order to arrive at the true value in money of each and every parcel of land the county supervisor and assistant supervisors may examine the owner and other persons under oath.

As soon as practicable after each of the assistant supervisors have completed his work and assessment and made return, as by this act required, the county supervisor shall convene all of the assistant supervisors, and they shall then jointly review the valuation and assessments, to the end that it may be ascertained whether the various assistant supervisors have adopted the same means and methods of valuing land in the various townships, correcting any errors which may have been committed and equalizing the valuations in the different townships.

SEC. 120. The county supervisor shall, from the report of the various assistant supervisors, prepare a complete roll or list for each of the several townships in each of the several counties, showing the names, which shall be entered alphabetically as nearly as possible, of the various owners of lands (owned by the various owners) and the valuation placed thereupon, which said roll shall be filed as a permanent roll for the quadrennial period, either with the board of county commissioners or with the auditor, tax clerk or other similar officer.

As soon as possible after the making up of the roll as herein provided for, said board of commissioners shall meet, first giving ten days notice by publication for the purpose of equalizing the valuations so that each tract or parcel of land shall be entered on the tax list at its true value in money. To this end, they shall adopt the means and methods heretofore pointed out in this act in section eighteen hereof. In counties in which there is an auditor, tax clerk or other similar official, such official shall be the clerk of the equalization board. In counties having no such official, the clerk of the board of commissioners shall be the clerk of the equalization board.

SEC. 123. Any change which may be made in the valuation of any tract or lot of land shall be noted upon the permanent roll.

SEC. 124. All laws in conflict with this act are hereby repealed in so far as they are in conflict with the provisions of this act, except such private, local and public-local acts ratified either prior to or after the ratification of this act as deal with discounts and penalties as to the payment of taxes. If the board of commissioners of any county shall, on the first Monday in April, nineteen hundred and twenty-three, determine by resolution duly entered upon the minutes that the taxable property of the county is assessed at its true value in money, as by this act defined, and
that a reassessment thereof is unnecessary, and shall further
determine that the lands shall be entered upon the tax books for
the next quadrennial period at their present assessed value, then
and in such event it shall be unnecessary to comply with the
provisions of this act as to the assessment for real property in
such county for the next quadrennial period.

Sec. 125. If any section of this act shall be declared unconsti-
tutional for any reason, by any court of competent jurisdiction,
the remainder of the act shall not be affected thereby.

Sec. 126. That this act shall be in force from and after its
ratification.

Ratified this the 5th day of March, A. D. 1923.

CHAPTER 26

AN ACT TO AUTHORIZE STATE OF NORTH CAROLINA TO COOPERATE WITH OTHER COTTON PRODUCING STATES IN THE WORK OF THE COTTON STATES COMMISSION, PROVIDING FOR THE APPOINTMENT OF REPRESENTATION ON SAID COMMISSION, AND FOR OTHER PURPOSES.

Whereas, the governors of a number of the cotton growing states in the United States have heretofore appointed commissioners representing their respective states on a commission to be known as the "Cotton States Commission," organized for the purpose of providing for a general organization through which the government of all said states may advise with each other
and with the Department of Agriculture of the Federal Government, in respect to certain problems relating to the production and marketing of cotton, such as the control of insect pests, a uniform system of warehousing, and a system of financing the farmer during the periods of production and marketing, as well as other problems of like character; and

Whereas, experience has demonstrated that these common problems cannot be completely solved under our dual system of federal and state governments without cooperative action on the part of the various state governments as between themselves and also in conjunction with the Federal Government; and

Whereas, at conference of said commissions, held first in New Orleans in February, one thousand nine hundred and twenty-two, and later in Memphis in one thousand nine hundred and twenty-two, it was recommended that the legislatures of the said states adopt a statutory plan of organization and providing for representation therein; and

Whereas, at a conference of said corporation held at Memphis, December fourth and fifth, one thousand nine hundred and twenty-two, a statutory plan substantially as hereinafter set out was approved and recommended by the said commission for adoption as a uniform act by the legislatures of the cotton growing states; and

Whereas, it appears that certain matters of common concern, particularly in respect to insect pest control, are obviously of general welfare and necessity: Now, therefore,

The General Assembly of North Carolina do enact:

SECTION 1. That the State of North Carolina does hereby recognize the said Cotton States Commission, to the extent that it may function within the limits prescribed by this act, as an instrumentality of the State of North Carolina for the purpose of providing a general organization whereby said State may cooperate with the other cotton producing states and with the United States Department of Agriculture in respect to certain problems affecting the production and marketing of cotton, which are obviously to the common interest of the cotton industry in all the states and not to matters in which there may be serious conflict of interest as between the said states, particularly in respect to the control and eradication of insect pests.

SEC. 2. That the Governor of this State shall within thirty days after this act shall take effect, as hereinafter provided, and biennially thereafter, appoint three commissioners to represent the State of North Carolina on said "Cotton States Commission," each of whom shall serve for a term of two years and until their successors are appointed and qualified.
One of said commissioners shall be an officer of the Department of Agriculture or of the Agricultural Extension Service of said State: Provided, however, that if any person appointed on said commission shall fail or refuse to act, or if any vacancy shall occur therein by death, resignation or otherwise, the Governor of said State shall appoint some one to fill said vacancy for the unexpired term of said commissioner. Said commissioners shall, before entering on the discharge of their duties take the usual oath required of public officers of said State, to support the Constitution and laws of the United States and the Constitution and laws of said State not inconsistent therewith, and that they will faithfully and honestly discharge the duties of the office of commissioner, to the best of their skill and ability. Said oath shall be subscribed to and recorded in the minutes of said commission and also in the office of the Secretary of State of North Carolina. That said commissioners shall serve without compensation other than actual expenses, to be paid out of appropriation herewith provided.

Sec. 3. Said commissioners shall perform such duties, not inconsistent with the terms and spirit of this act, as may be prescribed from time to time by said "Cotton States Commission" after it is organized as herein provided.

It shall be the duty of said commissioners particularly to advise and cooperate with the commissioners appointed by the governors or legislatures of the other cotton growing states, members of said commission, and also with the Secretary of Agriculture of the United States or his duly authorized representative, with respect to methods whereby the cotton producing states and the Department of Agriculture of the United States may cooperate with each other in respect to the measures for the control and eradication of insect pests, and the said "Cotton States Commission" shall recommend to the governors of the cotton growing states what measures by way of uniform laws or otherwise, which in the opinion of said commission shall be for the common interest of all of said states in respect of said problems: Provided, however, that said commission shall exercise no police powers in the said State, unless and until the legislature shall specifically authorize the same.

Sec. 4. That it shall be the duty of said commission at its first meeting to organize by the election of a chairman and secretary and to also adopt rules and regulations, not inconsistent with the terms of this act, to carry out the purposes for which it was created.

Sec. 5. That each of the states represented on said commission shall be entitled to three votes, to be cast by the respective representatives of said State as a unit on all matters coming before said commission.
Action by other states.

Appointment of commissioners.

Notice to commissioners to meet for organization.

Temporary organization determined.

Provido: temporary organization effective until final organization.

Plan of organization.

Appropriation.

Provido: action by other states.

Reports to be made to Governor.

Recommendations.

Sec. 6. That this act shall not take effect unless and until the legislatures of at least six of the cotton producing states shall have enacted a statute in substantially the terms of this act, and providing for representation on said commission, and making appropriations for the expenses and maintenance of the same on the basis as herein provided.

Sec. 7. That whenever six of said states shall have adopted this act or an act substantially in the terms hereof, and that fact is made to appear to the satisfaction of the temporary chairman of the "Cotton States Commission" appointed pursuant to the said conference held at Memphis, he shall request the governors of the states that have adopted said act to appoint the commissioners to represent their states. Within thirty days after said commissioners have been appointed said chairman shall notify the said commissioners to meet at a time and place to be designated in said notice for the election of officers and for the permanent organization of said commission as herein provided.

Sec. 8. That upon the organization of said commission pursuant to the uniform act to be adopted by said states, as herein provided, the temporary organization of said "Cotton States Commission" heretofore effected shall thereupon cease and determine: Provided, however, that until said "Cotton States Commission" is permanently organized under and pursuant to said uniform acts to be enacted by six of the said cotton growing states as herein provided, the said temporary organization now existing shall continue in effect. The plan of organization adopted at the conference held at New Orleans and Memphis in one thousand nine hundred and twenty-two shall govern the acts of said commission in the meantime.

Sec. 9. That for the purpose of carrying out the provisions of this act there is hereby appropriated annually out of any funds in the treasury of the State of North Carolina not otherwise appropriated, the sum of three thousand dollars ($3,000) to be expended by said commission in carrying on the work as herein provided: Provided, that all the states represented on said commission shall appropriate and pay a like sum for the work of said commission.

Sec. 10. The commissioners appointed to represent the said State of North Carolina on said commission shall report to the Governor of said State the work which has been done by said commission and the expenditures made on account of said work, giving in detail the amount and purpose of said expenditures; and shall also report to the Governor of said State any measure, by way of uniform laws or otherwise, which said commission may recommend for adoption by said states to carry into effect the purposes for which said "Cotton States Commission" was created.
Sec. 11. That neither the said "Cotton States Commission" nor the commissioners representing the State of North Carolina here shall in any manner contract any obligation or pledge the faith or credit of said State, except for necessary expenses within the limits of the appropriations hereinbefore provided.

Sec. 12. That this act shall continue in force and effect for a term of six years: Provided, however, that the Legislature of said State of North Carolina may discontinue its representation on said commission and may withdraw the appropriation as provided herein for the expenses of said commission on twelve months notice given to the governors of the other states represented on said commission by the Governor of the State of North Carolina.

Sec. 12a. Wherever the words "cotton producing states" or "cotton growing states" or words of similar import are used in this act, they shall be construed to mean the following states: North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Tennessee, Arkansas, Oklahoma, Louisiana and Texas.

Sec. 13. That this act shall continue in force and effect from and after its ratification, subject, however, to the action to be taken by the other states as provided in section five hereof.

tive, shall be valid and binding upon all such contingent remaindermen, executory devisees, or other person, who would have taken such property under said will upon the contingency or contingencies therein mentioned, notwithstanding said sale shall have been made by such executor or other personal representative without obtaining such order of the court. And in any such action instituted by the purchaser of such land, or those claiming under him, for the purpose of removing a cloud from the title thereto, all contingent remaindermen, executory devisees, or other persons entitled to claim under any limitation in said will, if in being, and known to be residents of this State, shall be made parties defendant to such action, and served with summons as in other civil actions; all nonresidents, or persons whose names and residences are unknown, shall be served with summons by publication as now required by law, or such service in lieu of publication as now provided by law. In cases where the contingent remainder, executory devise, or other limitation will, or may, go to minors, or persons under other disabilities, or to persons not in being, or whose names and residences are not known, or who may in any contingency become interested in said land, but because of such contingency cannot be ascertained, the judge of the Superior Court shall, in any such action brought for the purpose aforesaid, after due inquiry of persons who are in no way interested in or connected with such proceedings, designate and appoint some discreet person as guardian ad litem to represent such contingent remaindermen, or executory devisees, upon whom summons shall be served in such action as provided by law for other guardians ad litem, and it shall be the duty of such guardian ad litem to defend such action, and when counsel is needed to represent him to make this known to the judge, who shall by an order give instructions as to the employment of counsel and the payment of fees. Sec. 2. That where the purchaser of any lands made under the circumstances narrated in section one hereof, or any person holding or claiming the same under or through such purchaser, shall have been in the peaceable possession thereof for more than twenty years without any adverse claim having been asserted to the same by any person claiming under such will, and the records of the administration of the said estate do not affirmatively show what disposition has been made of the proceeds of the sale of such
land, then it shall be presumed, *prima facie*, that the proceeds of the sale of the said land have been applied to the payment of the necessary indebtedness of the said estate and the cost of the administration thereof, and the burden of proof to the contrary shall be upon the defendants in said action.

Sec. 3. This act shall apply only to sales of land made under the circumstances narrated in sections one and two hereof, occurring before the passage of the same, and shall be in force from and after its ratification.

CHAPTER 77

AN ACT PROVIDING FOR THE ACCEPTANCE OF THE BENNETT PLACE IN DURHAM COUNTY, WITH A SUITABLE MARKER ERECTED BY THE FAMILY OF SAMUEL T. MORGAN, AND THE PERPETUAL CARE OF SAME.

That whereas the agreement signed by General W. T. Sherman, Major General of the United States Army, and General Joseph E. Johnston, General of the Confederate States Army, April eighteenth, one thousand eight hundred and sixty-five, at the Bennett place in Durham (then Orange) County, North Carolina, providing for the disbanding of all Confederate armies then in existence and the re-establishment of the State and Federal authority throughout the Confederate States of America, and the subsequent signing on April twenty-sixth, one thousand eight hundred and sixty-five, by Major General W. T. Sherman and General Joseph E. Johnston, at the said Bennett place, of a substituted agreement, the first agreement having been repudiated by E. M. Stanton, Secretary of War, for the disbanding of all troops under General Johnston's command, under which order the demobilization of the Confederate armies took place, constituted the final and last stand of the Confederate States in the Civil War; and

Whereas, in the perspective of time it is now becoming to be universally recognized that the maintenance of the principles of
local self-government or States' rights for which the South fought was essential to the continued expansion and development of Anglo-Saxon institutions which began to take form in the Great Charter of one thousand two hundred and fifteen; and that the Confederacy's gigantic efforts so vindicated the intrinsic virtue of the principles that these principles are today invoked by all sections of the United States, more latterly by Massachusetts, the home of William Lloyd Garrison and Wendell Phillips; and that the outcome of the great conflict in the light of history is not more with the North, which with its crushing strength preserved the outward form of the Union, than with the South, which with its courage and mighty sacrifices preserved its essence and spirit; and

Whereas blind logic selected a spot on the soil of North Carolina, the State which was first at Bethel, furthest at Gettysburg and last at Appomattox, upon which to enact the final scenes of the great drama, and by so doing fittingly acknowledged the surpassingly great contribution in blood and treasure of the people of the Commonwealth in defending the inviolable and now triumphant principle of local self-government, which fact, and the location of which spot, we owe to the fame of our State, and to the sacrifices of our forebears, to forever perpetuate; and

Whereas the Bennett place mentioned in the agreement signed April twenty-sixth, one thousand eight hundred and sixty-five, by Generals Johnston and Sherman belongs to the estate of the late Samuel T. Morgan, a native and devoted son of North Carolina, who acquired the property just prior to his death, which occurred in one thousand nine hundred and twenty-one, at Richmond, Virginia, where he was occupied as founder and president of the Virginia Chemical Company, for the purpose of erecting a monument which would keep alive the memory of the events which there took place; and

Whereas Mrs. Sallie F. Morgan, widow of Samuel T. Morgan, has expressed for herself and for other members of the family of Samuel T. Morgan, by letter addressed to R. O. Everett, a member of this Assembly, under date of January fifth, one thousand nine hundred and twenty-three, the desire to erect a suitable monument at the Bennett place and to present the monument and the Bennett place, containing about three and one-half acres of land, to the State of North Carolina, provided, the State would become responsible for the perpetual care of same: Now, therefore,

**The General Assembly of North Carolina do enact:**

**SECTION 1.** That the State of North Carolina accepts the generous offer of the family of the late Samuel T. Morgan to erect a suitable and acceptable monument at the Bennett place and to deed same, together with three and one-half acres of land, to the

That whereas the State of North Carolina, by furnishing convict labor, heretofore aided in the construction of the Elkin and Alleghany Railroad from Elkin, North Carolina, towards Sparta, North Carolina, fifteen miles of which is now equipped and in operation and three miles in addition thereto have already been graded, and in which the State has stock which cost the State the sum of three hundred and three thousand dollars ($303,000.00);
And whereas the State has heretofore aided in the construction of the Statesville Air Line Road from Statesville, North Carolina, towards Mount Airy, North Carolina, by furnishing convict labor in grading about twenty miles of said road and in which the State has two thousand six hundred and fifty shares of stock which cost the State one hundred and thirty-two thousand four hundred dollars ($132,400.00);

And whereas the State has heretofore aided in the construction of the Watauga and Yadkin River Railroad from North Wilkesboro towards Boone, North Carolina, about twenty-nine miles of which have been graded and equipped for operation, and was in operation up until July, one thousand nine hundred and sixteen, when portions of same was washed away by a freshet, and in which the State has five hundred and fifty-two shares of stock, which cost the State fifty-five thousand two hundred and fifty dollars ($55,250.00);

And whereas the foregoing proposed routes for the construction of railroads were proposed to the special commission appointed by the Governor of North Carolina to investigate the feasibility and the advisability of the State constructing or aiding in the construction of certain railroads in Western North Carolina, to wit:

1. A railroad from Elkin, North Carolina, to Sparta, North Carolina, then to Jefferson and West Jefferson, North Carolina, connecting with the Norfolk and Western Railway at West Jefferson, in Ashe County, North Carolina, and from West Jefferson, North Carolina, to Boone, utilizing that portion of the Elkin and Alleghany Railroad already constructed.

2. From Taylorsville to North Wilkesboro, North Carolina, via Wilkesboro.

3. From North Wilkesboro, North Carolina, to Boone, North Carolina, with a line from Elkville to Lenoir and from Boone to Elkland, utilizing the Watauga and Yadkin River Railroad.

4. From Statesville to Elkin, utilizing the Statesville Air Line Railroad.
5. From North Wilkesboro to Jefferson or West Jefferson, connecting with the Norfolk and Western Railroad at West Jefferson, North Carolina; utilizing as much as practicable the old Wilkesboro-Jefferson Turnpike.

And whereas the special commissioners appointed by the Governor under and by virtue of chapter one hundred and forty-eight of Public Laws of one thousand nine hundred and twenty-one have made their report to the General Assembly of one thousand nine hundred and twenty-three, recommending the construction by the State of one or more of the above described roads, and also recommending the construction of a railroad through the northwestern part of the State, which when constructed in connection with other lines of railroad already constructed would constitute a trunk line of railroad from the northwestern part of the State to the seacoast, for the transportation of persons and freight from the Middle West and the coal fields into Western, Central and Eastern North Carolina: Now, therefore.

The county board of education shall have general control and supervision of all matters pertaining to the public schools in their respective counties, and they shall execute the school laws in their respective counties. If a majority of the qualified voters shall vote in favor of the tax, then it shall be the duty of the board of trustees or directors or school committee of said district to establish and provide for kindergartens for the education of the children in said district of not more than six years of age, and the county commissioners shall annually levy a tax for the support of said kindergarten departments not exceeding the amount specified in the order of

If any board of education shall elect a person to serve as county superintendent of public instruction who does not qualify, or cannot qualify for the superintendent's certificate before taking the oath of office, the election is null and void, and it shall be the duty of the board of education to elect only a person that can qualify. (C. S. 5425, revised.)

SEC. 45. Provide an office and assistance for superintendent.

The county board of education shall provide an office for the county superintendent, in the courthouse if possible. which shall hear the evidence in the case; and if, after careful
investigation, it shall find the charges true, it shall declare the office
vacant at once and proceed to elect his successor. This section

SEC. 47. To prescribe the duties of the county superintendent not
in conflict with the law and the Constitution.

All acts of the county board of education not in conflict with
State law shall be binding on the county superintendent, and it
shall be his duty to carry out all rules and regulations of the
board.

SEC. 48. To elect committeemen of school districts.

The county board of education shall elect three committeemen
to serve in each school district, in those districts that hereafter
may be created. One shall be elected for one year; one for two
years; and one for three years, or until their successors are
elected and qualified. Their terms of office shall begin as of
April first in the calendar year in which they are elected, and
as their terms of office expire their successors shall be elected
for a term of three years. It shall be the duty of the county
board of education to elect in April of each year, or as soon there-

committeemen in some other manner. (C. S. 5457, 5458, revised.)

SEC. 49. To remove committeemen for cause.

In case the county superintendent or any member of the county
board of education shall have sufficient evidence at any time
that any member of any school committee is not capable of dis-
charging, or is not discharging, the duties of his office, or is
guilty of immoral or disreputable conduct, he shall bring the
matter to the attention of the county board of education, which
shall thoroughly investigate the charges, and shall remove such
committeeman and appoint his successor if sufficient evidence
shall be produced to warrant his removal and the best interests
of the schools demand it. (C. S. 5414.)
Sec. 50. To advise with the committee in regard to the needs of the district.

The county board of education shall advise with the committee of each district before the May budget is prepared, and seek such information as may be helpful in planning the work for the ensuing year, in providing the number and grade of teachers needed, and the amount needed to thoroughly equip the school building or buildings of the district. The county board of education shall keep the committees informed as to the plans and purposes of the board and shall seek in every way possible to secure their cooperation in providing adequate educational opportunities for all the children of the district, for the enforcement of the compulsory school law, for teaching adult illiterates, and for the encouragement of vocational education in the county.

Sec. 51. Supervisors or assistant county superintendent.

The county board of education shall have authority to employ an assistant county superintendent or to employ a supervisor or supervisors to aid the county superintendent in supervising the instruction in the elementary and high schools of the county: Provided, that the salary for the same is provided in the budget and approved by the county commissioners. The duties of the supervisor or the assistant county superintendent shall be outlined by the county superintendent of public instruction: Provided further, the supervisor or assistant county superintendent shall not be assigned to regular clerical work in the office of the county superintendent. And no part of the salary of any supervisor or assistant county superintendent shall be paid out of the State Public School Fund, unless the duties assigned to the same are first approved by the State Superintendent of Public Instruction.

Sec. 52. Obsolete.

Sec. 53. Duty of county board to teachers, supervisors and principals.

The county board of education, upon the recommendation of the county superintendent, shall have full power to make all just and needful rules and regulations governing the conduct of teachers, principals and supervisors, under the jurisdiction of the county board of education, the kind of reports they shall make and their duties in the care of school property.

The county board of education shall have power to investigate and pass upon the moral character of any teacher or school official in the public schools of the county, and to dismiss such teacher or school official, if found of bad moral character; also to investigate and pass upon the moral character of any applicant for employment in any public school in the county. Such inves-
tigation shall be made after written notice of not less than ten days to the person whose character is to be investigated.

If the superintendent reports to the board that the work of any teacher, principal or supervisor is unsatisfactory, or that either is not observing the rules and regulations of the board of education, the board has full authority at any time during the year, upon notice of ten days, to investigate the charges and, if sustained, to reduce the salary of the teacher, supervisor or principal to the next lower salary in the salary schedule, and finally to discharge the same for failure to perform the duties as prescribed by the board. (C. S. 5412, revised.)

Sec. 54. To provide for the training of teachers.

The county board of education is hereby authorized to provide summer schools for the improvement of teachers, subject to the rules and regulations of the State Board of Education. The board is authorized to provide for the professional growth of the teachers while in service, and to pass rules and regulations requiring teachers to cooperate with the county superintendent for the improvement of instruction in the classroom and for promoting community improvement; and the county board of education shall have authority to provide a smaller salary schedule for those teachers who do not conform to the rules and regulations authorized in this section.

Sec. 55. The pay of teachers.

The county board of education shall not authorize the payment of the salary of any teacher or school official for a shorter term than one month, unless he or she is providentially hindered from completing the term.

It is the duty of the county board of education to provide monthly for the prompt payment of all salaries due teachers and other school officials, and to meet other necessary operating expense.

Sec. 56. Authority to borrow.

If the taxes for the current year are not collected when the salaries and other necessary operating expenses come due, and the money is not available for meeting the necessary expenses, it shall be the duty of the county board of education to borrow against the amount approved in the budget and to issue short-term notes for the amounts so borrowed. The interest on all such notes shall be provided by the commissioners in addition to the amount approved in the budget unless this item is specifically taken care of in the budget. But if the county board of education shall willfully create a debt that shall in any other way cause the expenses for the year to exceed the amount authorized in the budget, without the approval of the county commissioners, the indebtedness
shall not be a valid obligation of the county, and the members of the board responsible for making the debt may be held liable for the same. (For the authority of the commissioners to borrow for the county board of education, see section 189.)

SEC. 57. A salary schedule for teachers.

The State Board of Education shall adopt a uniform graduated salary schedule for all teachers, principals, supervisors, superintendents and assistant superintendents, based upon duties, training, experience, professional fitness, and continued service in the same school system.

The adopted salary schedule shall be a guide to county boards of education in fixing all salaries of teachers, principals, principals and superintendents in the county, and it shall be considered a fair salary schedule to be presented in the budget to the boards of county commissioners.

Every county board of education or the board of trustees of a city school system or of a union school in a special charter district may adopt a different salary schedule, but it likewise shall recognize a difference in salaries based on different duties, training, experience, professional fitness, and continued service in the same school system; but if any county board of education or the board of trustees of any city school system shall fail to adopt such a schedule, the State salary schedule shall automatically be in force, and the difference in salaries suggested shall be maintained. And the county superintendent shall not approve the voucher of any teacher for a salary higher than that provided in the salary schedule, unless by action of the county board of education or of the board of trustees of the city school a higher salary is allowed for special fitness, special duties or under extraordinary circumstances. Whenever a higher salary is thus allowed the minutes of the board shall show what salary is allowed and the reason for the same: Provided, the county board of education, upon the recommendation of the committee of a local tax district may authorize the committee and the superintendent to supplement the salaries of all teachers of the district from funds derived from local taxes, and the minutes of the board shall show what increase is allowed each teacher in each local tax district. (C. S. 5494, as amended and revised.)

SEC. 58. How school funds shall be disbursed.

ART. 5. ERECTION, REPAIR AND EQUIPMENT OF SCHOOL BUILDINGS

SEC. 59. School buildings necessary.

School buildings, properly lighted and equipped with suitable desks for children and tables and chairs for teachers, are necessary in the maintenance of a six-months school term. It shall be the duty of the county board of education to present these needs each year to the county commissioners, together with the cost, and the county commissioners shall be given a reasonable time to provide the funds which they, upon investigation, shall find to be necessary for the proper equipment of the county with buildings suitably equipped, and it shall be the duty of the county commissioners to provide the funds for the same.

SEC. 60. The erection of schoolhouses.

The building of all new schoolhouses and the repairing of all old schoolhouses over which the county board of education has jurisdiction shall be under the control and direction of and by contract with the county board of education. But the board shall not be authorized to invest any money in any new house that is not built in accordance with plans approved by the State Superintendent, nor for more money than is made available for its erection. All contracts for buildings shall be in writing, and all buildings shall be inspected, received, and approved by the county superintendent of public instruction before full payment is made therefor: Provided, this section shall not prohibit county boards of education and boards of trustees from having the janitor or any other regular employee to repair the buildings. (C. S. 5415, revised.)

SEC. 61. How to secure suitable sites.

The county board of education may receive by gift or by purchase suitable sites for schoolhouses or other school buildings. But whenever the board is unable to obtain a suitable site for a school or school building by gift or purchase, the board shall report to the county superintendent of public instruction, who shall, upon five days notice to the owner or owners of the land, apply to the clerk of the Superior Court of the county in which the land is
situated for the appointment of three appraisers, who shall lay
off by metes and bounds not more than ten acres, and shall assess
the value thereof. They shall make a written report of their
proceedings, to be signed by them, or by a majority of them, to
the clerk within five days of their appointment, who shall enter
the same upon the records of the court. The appraisers and
officers shall serve without compensation. If the report is con-
formed by the clerk, the chairman and the secretary of the board
shall issue an order on the treasurer of the county school fund,
in favor of the owner of the land thus laid off, and upon the
payment, or offer of payment, of this order, the title to such land
shall vest in fee simple in the corporation. Any person aggrieved
by the action of the appraisers may appeal to the Superior
Court in term, upon giving bond to secure the board against
such costs as may be incurred on account of the appeal not be-
ing prosecuted with effect. If the lands sought to be condemned
hereunder, or any part of said lands, shall be owned by a non-
resident of the State, before the clerk shall appoint appraisers
therefor, notice to such nonresident owners shall be given of
such proceedings to condemn, by publication for thirty days
in some newspaper published in the county, and if no newspaper

When in the opinion of the board any schoolhouse, school-
house site, or other public school property has become unneces-
sary for public school purposes, it may sell the same at public
auction, after advertisement of twenty days at three public places
in the county. The board may reject any and all bids and then
sell said school property at a private sale if it can make a more
advantageous sale thereby, and the deed for property sold shall
be executed by the chairman and secretary of the board, and the
proceeds of the same shall be paid to the treasurer of the county
school fund. (C. S. 5416, revised, 5423.)

Sec. 63. Deeds to property.

All deeds to the county board of education shall be registered
and delivered to the clerk of the Superior Court for safe-keeping,
and the secretary of the county board of education shall
keep an index, by townships and school districts, of all such deeds
in a book for that purpose. (C. S. 5422.)

Sec. 64. Board cannot erect or repair a building unless site is
owned by board.

The county board of education shall make no contract for the
errection or repair of any school building unless the site on which

Site to be owned before build-
ing erected.
it is located is owned by the county board of education, and the deed for the same is properly registered and deposited with the clerk of the court. (C. S. 5450.)

SEC. 65. Duty of board to keep buildings in repair.

It is the duty of the county board of education to keep all school buildings in good repair, and to that end it should appoint a member of the committee or some other responsible person to care for the property during vacation. All principals and teachers shall be held responsible for the safekeeping of buildings during the school session, and all breakage and damage shall be repaired by those responsible for the same, and if at the end of the session the building or buildings have not been properly cared for by the principal and teachers, the board of education, upon the recommendation of the county superintendent, may reserve enough of the salary belonging to the principal and teachers to repair the damage permitted through the carelessness of the principal and teachers: Provided, principal and teachers shall not be held responsible for damages that they could not have prevented by reasonable supervision in the performance of their duties.

It is the duty of the county board of education to provide suitable supplies for school buildings under its jurisdiction, such as window shades, fuel, chalk, erasers, blackboards, and other necessary supplies, and provide standard high schools with reference books, library, maps and equipment for teaching science, and the teachers and principal shall be held responsible for the proper care of the same during the school term.

SEC. 67. State aid for school libraries. (See sections 345, 346.)

SEC. 68. Sanitary school privies.

The county board of education shall provide, upon recommendation of the State Board of Health, two sanitary privies at each public school, one for boys and one for girls. Sanitary privies shall be considered an essential and necessary part of the equipment of each public school, and may be paid for in the same manner as desks and other essential equipment of the school are paid for, and a failure on the part of the county board of education and county superintendent to make provision for sanitary privies, or a failure on the part of the county commissioners to provide the funds, shall be considered a misdemeanor, and either the county board, the county superintendent, or the county commissioners may be fined or imprisoned in the discretion of the court. (C. S. 5753, 5754.)
Sec. 69. *Type of privies to be installed.*

The less expensive pit-type as recommended by the State Board of Health may be installed in rural districts in connection with the smaller school buildings. But the kind of privy in all buildings shall be sufficient to protect the health and sanitation of the children and the community.

Sec. 70. *Privies to be kept sanitary.*

The county board of education shall require of the committee that the privies shall be kept in a sanitary condition. They shall be governed in this particular by rules and regulations of the State Board of Health. And the county board of education shall provide a reasonable expense fund wherever necessary to keep the privies in a sanitary condition.

It shall be the duty of teachers and principals to report the unsanitary condition of the privies to the committee of the district, or the county superintendent. (C. S. 3757, revised.)

Sec. 71. *Use of school property.*

It shall be the duty of the county board of education and board of trustees to encourage the use of the school buildings for civic or community meetings of all kinds that may be beneficial to the patrons of the community, and the county board of education or the board of trustees has authority to make rules and regulations governing the use of school property.

Sec. 72. *Provide good water supply.*

It shall be the duty of the county board of education to make such provisions as will give the teachers and pupils a good supply of wholesome water for the school term.

ART. 6. CREATING AND CONSOLIDATING SCHOOL DISTRICTS

Sec. 73. *School districts.*

The county board of education shall maintain in each county a convenient number of school districts. There may be one district for each elementary school or there may be two or more elementary schools in the same district. There may be one district for both the elementary and the high school, or a special high school district may be created embracing two or more school districts. But no special high school district shall be created unless provisions are made for conducting all elementary schools and the high school in the proposed special high school district the same length of term. Whenever a special high school district is created embracing two or more elementary schools the committee, or board of trustees, of the district in which the high
school is located shall have the same jurisdiction over the high
school that it has over the elementary school.

There may be one district and one school committee for both
races, or the races may have separate districts and separate school
committees. The county board of education shall consult the
convenience and necessities of each race in fixing the boundary
lines of school districts for each race, and it shall be the duty
of the county board of education to record, in a book kept for
the purpose, the location of each school district and the boundary
lines of each.

Sec. 73a. County-wide plan of organization.

The county board of education shall create no new district
nor shall it divide or abolish a district, nor shall it consolidate
districts or parts of districts, except in accordance with a county-
wide plan of organization, as follows:

1. The county board of education shall present a diagram or
map of the county showing the present location of each district,
the position of each, the location of roads, streams and other
natural barriers, the number of children in each district, the
size and condition of each school building in each county. The
county board of education shall then prepare a county-wide plan
for the organization of all the schools of the county. This plan
shall indicate the proposed changes to be made and how districts
or parts of districts are proposed to be consolidated so as to
work out a more advantageous school system for the entire county.

2. Before adopting the county-wide plan, the county board of
education shall call a meeting of all the school committeeemen
and the boards of trustees and lay the proposed plan before them
for their advice and suggestions. After receiving the advice of
the committeeemen and trustees, the county board of education
shall have authority to adopt a county-wide plan of organization,
and no districts or parts of any district, including non-local tax,
local tax, and special charter districts, hereafter referred to in
this article, shall be consolidated or the boundary lines changed,
unless the consolidation or the change of boundary lines is in
accordance with the adopted county-wide plan of organization:
Provided, that in the event the county board of education deems
it wise to modify or change the adopted plan, the board shall
notify the committeeemen and interested patrons and give them

4. When the proposed county-wide plan is adopted the county board shall notify the committeemen and boards of trustees as to what part of the plan the board proposes to carry out first and in what order the other parts of the plan will be considered, and the preference shall be given to those districts in which the needs are greatest if the funds for providing the equipment are made available.

5. In the event that any child or children of any district or any part of a district are without adequate school advantages, and these advantages may be improved by transferring said child or children to a school or schools in adjoining districts, the county board shall have authority to make such a transfer. But this shall not empower the county board of education to abolish or divide a district unless such act shall be in harmony with the county-wide plan of organization. The temporary transfer of such child or children may be made until such time as the county-wide plan will provide more advantageously for them.

of the court. (C. S. 5757, revised.)

(C. S. 5514, 5536, revised.)

Sec. 146. Joint employment of superintendent or principal by districts in cities and towns.
By and with the consent of the county board of education the governing board of two or more local tax or special charter districts, including any city or town, may, by a majority vote of the committee in each district, employ a superintendent of the public schools of such districts, and he shall perform all the duties of the county superintendent of public instruction as to such districts, and shall make to the county superintendent all reports that may be necessary to enable him to make his reports to the State Superintendent: Provided, the teacher so employed shall hold or shall be entitled to hold a superintendent’s certificate: and Provided further, the combined schools under the jurisdiction of the superintendent employed shall be large enough to rank as a city school or a union school of sufficient size to entitle the authorities to employ a superintendent. The authorities of a special charter district may have the charter repealed, and the district may become a local tax district in the following manner: The board of trustees of a special charter school may petition the county board of education to assume full jurisdiction of the special charter district, and the county board of education shall grant the petition. Thereupon, the board of trustees of the special charter school shall convey by deed the title to all school property of whatsoever kind to the county board of education. name of the county board of education, the special charter is hereby repealed, and the special charter district by that act shall become a local tax district, and shall be governed as all other local tax districts are governed. The term of office of each member of the board of trustees of the special charter school shall expire with the transfer of the property, and a district committee shall be elected in accordance with law by the county board of education.

If the board of trustees of the special charter district shall refuse to act, then one-fourth of the freeholders of a special charter district may petition the county board of education for an election to ascertain the will of the people on the question of repealing the charter and becoming a local tax district. If the county board of education shall approve the petition, it shall be presented to the board of county commissioners, which shall call an election of the voters in the special charter district. The laws governing this election shall be the same as the laws governing a local tax election. Those in favor of repealing the charter shall vote a ballot "For repeal of charter," and those against repeal shall vote a ballot "Against repeal of charter." (C. S. 5659; sec. 17, ch. 179, Laws 1921, revised.)

It is the duty of teachers, in making application for a position to teach, first to file the application with the superintendent, stating the kind and the number of the certificate held, when the certificate expires, experience in teaching, the position last held, and a statement that the applicant has no contagious disease. The application should also state that the applicant, if elected, will not break the contract without the approval of the superintendent who approved the contract, without giving at least thirty days notice, and that he or she will observe the rules and regulations adopted by the board of trustees or the county board of education under whose jurisdiction he or she is employed to teach.

And no other superintendent shall employ or recommend for employment in any year a teacher who has broken his or her contract for that year. This section shall also apply alike to principals and supervisors.

SEC. 162. How teachers are selected.

(C. S. 5666, revised.)

SEC. 167. Duty to make reports to superintendent.

Every teacher or principal of a school under the jurisdiction of the county board receiving aid from the public school fund shall be required to make such reports as are required by the county board of education, and the county superintendent shall not approve the voucher for the pay of teachers at the end of each month until the monthly reports required are made, and at the end of the year until the final reports are made: Provided, the county superintendent may require teachers to make reports to principals, and principals to make reports to the superintendent. (C. S. 5607, revised.)

It is the duty of the teachers and principals in charge of school buildings to instruct the children in the proper care of public property, and it is their duty to exercise due care in the protection of school property against damage, either by defacement of the walls and doors or breakage on the part of the pupils, and if they shall fail to exercise a reasonable care in the protection of property during the school day, they may be held financially responsible for all such damage, and if the damage is due to carelessness or negligence on the part of the teachers or principal, the superintendent may hold those in charge of the building responsible for the damage, and if it is not repaired before the close of the term a sufficient amount may be deducted from their final vouchers to repair the damage for which they are responsible under the provisions of this section. If any child in school shall carelessly or willfully damage school property, the teacher shall report the damage to the parent, and if he refuses to repair the same, the teacher shall report the offense to the superintendent of public welfare.
Sec. 169. No teacher can serve as committeeman, member of county board, or county superintendent.

No person while actively engaged in teaching in the public schools or in a private school which receives money from the county school fund shall be permitted to serve as a member of the county board of education or as a member of the school committee, nor shall a teacher be allowed to teach school and at the same time serve as county superintendent. He shall make all reports to the county superintendent, and give suggestions to teachers for the improvement of instruction in school. It shall be the duty of the county board of education of each county to make a fair estimate in accordance with law of the amount necessary to provide a six months school term, and it shall be the duty of the county commissioners of each county to determine and provide the amount necessary to maintain the schools six months in accordance with law. And either the members of the county board of education or the members of the board of county commissioners failing to perform their respective duties shall be guilty of a misdemeanor, and upon conviction shall be fined or imprisoned in the discretion of the court.

Sec. 173. The equalizing fund.

There is hereby appropriated annually, from the State public school fund, as may be otherwise provided by law, an amount sufficient to equalize as near as may be the financial burden of supporting a six months school term in the several counties of the State. This fund shall be designated "The State Equalizing Fund," which shall be apportioned by the State Board of Education, to counties needing aid, in such a way as to encourage the counties receiving aid to improve their schools by securing efficient organization, administration, supervision, and well trained teachers.

Sec. 174. The May budget.

The county board of education shall fix a date during the month of May when the school budget for all the schools of the county for the next ensuing year shall be prepared. The county board of education shall notify the board or boards of trustees of the special charter districts to prepare their budgets for the six months school term and present the same at the time fixed by the county board of education for preparing the May budget. Said board shall also notify the chairman of the board of county commissioners at least twenty days before the date of meeting that the school budget for the next ensuing year is to be prepared and that the boards of county commissioners or a representative selected by the commissioners is required by law to be present and sit with the county board of education when the May budget is prepared. But if the board of county commissioners or its representative shall fail to attend said meeting after being duly notified, the county board of education shall have authority to proceed if county commissioners not represented.
proceed and prepare the budget in accordance with the provisions of this article. If for good and sufficient reason the budget is not completed at the time appointed by the county board for preparing the May budget, said board may appoint a later date and notify the board or boards of trustees and the county commissioners of the later date selected. The budget shall be prepared by the county board of education on blanks provided for that purpose, and it shall set forth the total estimated cost of maintaining all the schools of the county for six months, including the special charter districts, and it shall be subscribed and sworn to by the chairman and secretary of the county board of education and presented to the board of county commissioners on or before the first Monday in June.

SEC. 175. The contents of the May budget.

The May budget prepared by the county board of education shall provide three separate school funds, (a) a salary fund; (b) an operating and equipment fund; and (c) a fund for the repayment of all notes, loans and bonds.

(a) The salary fund shall include the salaries of all superintendents, principals, supervisors, teachers of all sorts, the per diem of the county board of education, and the salaries of all other officials authorized by law.

(b) The operating and equipment fund shall provide for janitors, fuel, school supplies, insurance, rent, interest not otherwise provided for, traveling expenses of all school officials, transportation of pupils, all legal operating expenses, all necessary assistance to the county superintendent not provided in the salary fund, all needed repairs, sites, the erection of school buildings, including dormitories, teachers' homes, additions to buildings, and all other equipment authorized or required by law.

(c) A fund for the repayment of all loans due the State and of all interest and installments on bonds and other evidences of indebtedness shall be provided in the budget. This shall be a separate fund and shall include all interest and installments due each year.

SEC. 176. How to estimate the salary fund.

It shall be the duty of the county board of education, in estimating the amount of the salary fund for the ensuing year in the May budget, to set forth on blanks supplied by the State Superintendent of Public Instruction the actual salary paid each teacher in each district for the previous year, the proposed salaries for the ensuing year, and the number of additional teachers needed in each school. It shall also exhibit the grade of certificate held by each teacher, the average attendance of pupils in each district for the previous year, and such other information as the State Superintendent of Public Instruction may require.
The number of teachers for the next ensuing year in each school shall be based on the average attendance of pupils for the previous year, as given below: Provided, that in the case of the enlargement or consolidation of a district, the superintendent shall add to the attendance of said district the number of children transferred who were attending school the previous year. In case of an extraordinary increase in population, the superintendent shall estimate said increase that may attend school for the year and allow the same in estimating the attendance for said school.

(a) In each elementary school, not more than one teacher shall be allowed, except as follows: Wherever the average attendance for the previous year was at least thirty, two teachers may be allowed, but the commissioners may not be compelled to provide the funds for the second teacher, except when the average attendance for the previous year was at least forty. Wherever the average attendance for the previous year was sixty-five, three teachers shall be considered reasonable, and wherever the average attendance for the previous year was one hundred, four teachers shall be considered reasonable. And one additional teacher for every thirty-five additional pupils in average daily attendance for the previous year shall be considered reasonable.

(b) In each high school one whole-time teacher for the high school grades may be allowed for the ensuing year wherever the number of pupils in average attendance for the previous year was twenty; two teachers may be allowed wherever the average attendance was thirty; three teachers may be allowed wherever the average attendance was forty-five; four teachers may be allowed for seventy pupils in average daily attendance; and one additional teacher may be allowed for every thirty additional pupils in average daily attendance.

(c) Wherever the total number of teachers and the total estimated salary fund for the ensuing year are not greater than the total actual salaries paid or authorized by law for the previous year, the amount shall not be considered excessive. Wherever the average attendance for the previous year authorizes an increase in the number of teachers for the ensuing year, and the number provided in the budget is in accordance with the provisions of this section, the amount necessary to supply the needed extra teachers at the average monthly salary paid teachers the previous year shall be deemed reasonable and necessary: Provided, the term "legal salaries for the previous year" shall be construed to mean the salaries for the county six months term in accordance with the adopted salary schedule.

(d) The per diem of the county board of education, the salary of the superintendent of public welfare, and other school officials authorized by law shall be legitimate items of expense in the budget.
The amount of the salary fund for the county schools having been determined, and the amount of the salary fund for special charter districts having been determined in accordance with the provisions of section one hundred and seventy-seven of this article, the total for the county and the special charter districts shall constitute the total amount of the salary fund for the ensuing year, and if the amount is approved by the commissioners they shall levy a tax sufficient to produce the amount clear of all fees, commissions, rebates, losses, and cost of collection.

Sec. 177. How to estimate the salary fund for the special charter or city schools.

The salary fund for special charter districts shall be estimated as follows:

The county board of education shall determine the number of additional teachers needed in both the high school and the elementary grades of the special charter districts for the ensuing year in the same manner as that provided in section one hundred and seventy-six above for determining the number of high school and elementary school teachers in all other schools in the county. It shall then calculate, using the adopted salary schedule for the county, the average per capita cost for six months of instructing all high school pupils of the county, and the average per capita cost of instructing all elementary school pupils of the county for the ensuing year; and the county board of education shall provide in the May budget for the special charter districts for the ensuing year the average per capita cost of instructing all high school pupils in average daily attendance for the previous year and the average per capita cost of instructing all elementary school pupils in average daily attendance for the previous year, and the total amount determined on this basis shall be a reasonable salary fund to provide in the budget for the special charter districts: Provided, the county board of education shall have authority to incorporate the budget of the special charter districts in the county budget and allow the actual salary for six months in accordance with the adopted salary schedule for each teacher permitted under section one hundred and seventy-six of this article. In all counties where the schools of a special charter district are operated as part of the county system, and are under the control of the county board of education, and pupils living outside the special charter district are permitted, as the county board of education may direct, to attend, free of all tuition charges, the amount of the salary budget of said special charter district shall be estimated in the same way as the budget for any other district school of the county is estimated.
The board of trustees of all special charter districts may petition the board of education to take over the management of the school or schools within the special charter district. When such a petition is presented, the county board of education shall grant the petition, and the school or schools within the district shall be governed as all other schools in local tax districts are governed: Provided, the county board of education shall not have the authority to change the method of electing the board of trustees unless the charter is surrendered and the title to the property is transferred to the county board of education.

Sec. 178. How to determine the amount of the operating and equipment fund.

All poll taxes, fines, forfeitures, penalties, and all public school revenues of the county not otherwise appropriated shall be placed to the credit of the operating and equipment fund authorized in section one hundred and seventy-five, subsection (h), of this article, except as otherwise provided.

The county board of education shall allow the same per capita amount per pupil enrolled for the previous year to the special charter district that is allowed to all other schools of the county, and the total amount for all schools of the county shall be the amount of the operating and equipment fund to be incorporated in the budget. If the amount derived or to be derived from the sources mentioned above in this section is insufficient for this fund the commissioners are authorized to levy an additional tax to meet the actual needs.

Whenever a district issues bonds or borrows from county board of education for the erection of any school building, thus relieving the county board of education in whole or in part of providing suitable building or buildings for said district for the six months school term, the county board of education is hereby directed to apportion to said district its pro rata part of the operating and equipment fund on the same basis that the county board of education apportions this fund to the special charter districts until the amount so apportioned equals the amount of the loan or bond issue paid or payable by said district.

Sec. 179. A fund for the repayment of bonds, notes and loans.

The county board of education shall set forth in the budget the amount of the interest and installments on all loans due the State, and of all interest and installments on bonds and other evidences of indebtedness that may fall due. This shall be a separate item in the budget, and the commissioners shall levy annually a tax sufficient, clear of all fees, commissions, rebates, delinquents and the cost of collection, to repay the same; and if the taxes are not collected when the repayments fall due, the
commissioners shall borrow the money and place the amount to the credit of the county board of education.

Sec. 180. The May budget completed.

The completed May budget shall be sworn to and subscribed by the chairman of the county board of education and the county superintendent of schools, and a copy shall be filed in the office of the State Superintendent of Public Instruction.

The county board of education shall present a copy to the board of county commissioners on or before June first of each year. If the board of county commissioners shall approve the total amount of the budget, it shall levy sufficient rates, after deducting the amount to be received from the State, to produce the amount asked for in the budget, and if the tax rate levied fails to produce, clear of all commissions, rebates, fees and cost of collection, the amount approved in the budget, it shall be the duty of the county commissioners to supply the deficit either out of the general county fund or by borrowing in accordance with law.

Sec. 181. The November budget.

On or before the fifteenth day of November of each year the county board of education and the board of trustees of all special charter school districts shall prepare a budget, on blanks furnished by the State Superintendent of Public Instruction, setting forth the names and number of teachers actually employed in each district in the county, the grade of certificate held, the salary paid, and all other information asked for by the State Superintendent of Public Instruction. The November budget shall be checked by the State Superintendent to ascertain whether the teachers are properly certificated, whether the number of teachers is excessive, and whether the authorized salary schedule is observed. The county shall settle with the special charter districts for teachers' salaries in accordance with the corrected budgets, and the State equalizing fund shall be finally apportioned in accordance with such corrected budgets.

The checked and approved November budget shall exhibit the legal salary due each teacher according to the State salary schedule and the number of teachers to which each district is entitled. A copy shall be returned to the county board of education or board of trustees, as the case may be, to be filed in the office of the superintendent. And not more than three-fourths of the estimated maximum amount of the equalizing fund shall be paid to a county until the November budget is approved; and if it shall appear at any time that the superintendent refuses to observe the law providing a uniform salary schedule, the State Superintendent of Public Instruction shall notify the chairman of said board, which board is hereby authorized to remove said superintendent from office.
After the November budget is checked, if it shall appear that the county has provided for its part of the salary fund, and the amount of the equalizing fund submitted to the county is needed to meet the demands on the salary fund, then the State Board of Education shall pay in full the amount it specified in such a way as to be of the greatest aid to the counties before the taxes for the year have been collected.

**Art. 14. Powers, Duties and Responsibilities of the Board of County Commissioners in Providing Funds for Six Months Term.**

**Sec. 182. Duty to provide funds for a six months term.**

The board of county commissioners shall provide the funds necessary to maintain the schools for six months, and the May budget submitted to the commissioners shall be presumed to be correct unless it is formally rejected by the commissioners within thirty days after presentation, and an entry is recorded in the minutes of the board stating the time when it was rejected and the reason for rejecting it, and a copy of the entry on the minutes of the board of county commissioners shall be sent to the superintendent or the chairman of the county board of education.

**Sec. 183. Commissioners required to raise full amount.**

When the budget is approved by the commissioners, or by order of the court, the commissioners are hereby directed and required to levy a tax sufficient to raise the amount necessary to maintain the schools for six months according to the provisions of the budget or the order of the court. At the close of the school year if it shall appear that the amount of money actually received by the treasurer, clear of all fees, commissions, rebates, etc., is insufficient to meet all the necessary expenses of the schools for the year, the county commissioners shall provide the necessary amount and place the same to the credit of the county board of education.

**Sec. 184. What the commissioners may require of county board of education.**

The commissioners or a representative selected by them shall sit with the county board of education when the May budget is being prepared, and whenever the commissioners or their representative are in doubt as to the reasonableness of the budget, or any item in the same, it may require the county board of education to compare the salaries of teachers as estimated in the May budget for the ensuing school year with the actual salaries authorized by law in the approved November budget for the current school year, and to give the cause of the increase, district by district, and the difference between the total salaries
of the current school year as authorized by law for the six months school term and the proposed salaries for the ensuing school year.

It may require in similar detail a statement of the differences in the amount of the operating and equipment fund for the two years. It may require the county board of education to show that existing debts were incurred in strict accordance with the law, and the county commissioners hereafter shall not be liable for any debt, other than loans from the State, incurred by the county board of education in excess of the amount set forth in the May budget, unless the making of the debt was approved by the county commissioners. The county board of education shall file with the clerk of the board of commissioners a list of the bonded indebtedness for schools of the county and of local tax districts, and a certified statement of all loans derived from the State, together with the amount of the annual payments.

Sec. 185. Where commissioners have no discretion.

The commissioners are hereby required to levy annually a tax sufficient to repay interest and installment on all loans from the State, and interest and installments on bonds and notes falling due. And this shall be a separate tax, and if, after all interest and installments are paid each year, any balance that may remain shall be accounted for by the treasurer, and it shall be applied the following year to the repayment of interest and installment on loans. But if the amount secured from this tax is not sufficient for these needs it shall be the duty of the commissioners to borrow any amount needed to meet these payments.

Sec. 186. Require county board to publish May budget.

The commissioners before approving the May budget may require the county board of education to publish the same in some leading newspaper published or circulating in the county, and when so published it shall set forth the cost, district by district, and the amount of the increase for each district over the previous year, and the total amount of the increase; and the cost of publishing the May budget shall be paid by the commissioners out of the general county fund.

Sec. 187. Procedure in cases of disagreement or refusal of county commissioners to levy school taxes.

In the event of a disagreement between the county board of education and the board of county commissioners as to the amount of salary fund or the fund necessary to pay interest and installments on bonds, notes, and loans, the county board of education and the board of county commissioners shall sit in joint session, and each board shall have one vote on the question of the adoption of these amounts in the budget. A majority of the members of each board shall cast the vote for each board. In the
event of a tie, the clerk of the Superior Court shall act as arbitrator upon the issues arising between said two boards, and shall render his decision thereon within ten days. But either the county board of education or the board of county commissioners shall have the right to appeal to the Superior Court within thirty days from the date of the decision of the clerk of the Superior Court, and it shall be the duty of the judge hearing the case on appeal to find the facts as to the amount of the salary fund and the fund necessary to pay interest and installment on bonds, notes, and loans, which findings shall be conclusive, and he shall give judgment requiring the county commissioners to levy the tax which will provide the amount of the salary fund which he finds necessary to maintain the schools for six months in every school district in the county and the amount necessary to pay interest and installment on bonds, notes, and loans. Any board of county commissioners failing to obey such order and to levy the tax ordered by the court shall be guilty of a misdemeanor and shall be fined or imprisoned in the discretion of the court.

In case of an appeal to the Superior Court, all papers and records relating to the case shall be considered a part of the record for consideration by the court.

SEC. 188. Commissioners may demand a jury trial.

The county commissioners shall have the right to have the issues tried by a jury, as to the amount of the teachers' salary fund and the operating and equipment fund, which jury trial shall be set at the first succeeding term of the Superior Court, and shall have precedence over all other business of the court: Provided, that if the judge holding the court shall certify to the Governor, either before or during such term, that on account of the accumulation of other business, the public interests will be best served by not trying such action at said term, the Governor shall immediately call a special term of the Superior Court for said county, to convene as early as possible, and assign a judge of the Superior Court or an emergency judge to hold the same, and the said action shall be tried at such term. There shall be submitted to the jury for its determination the issue as to what amount is needed to maintain the schools for six months, and they shall take into consideration the amount needed and the amount available from all sources as provided by law. The final judgment rendered in such action shall be conclusive, and the county commissioners shall forthwith levy taxes in accordance with such judgment; otherwise those who refuse so to do shall be in contempt, and may be punishable accordingly: Provided, that in case of a mistrial or an appeal to the Supreme Court which would result in a delay beyond a reasonable limit for levying the taxes for the year, the judge shall order the com-
missioners to levy for the ensuing year a rate sufficient to pay interest and installment on notes, loans and bonds, and to produce, together with what may be received from the State Public School Fund and from other sources, an amount for the teachers’ salary fund equal to the amount of this fund for the previous year.

Sec. 189. Commissioners authorized to borrow money.

The commissioners are hereby authorized to borrow money for the schools of the county and place the same to the credit of the county board of education, as follows: Whenever the amount provided in the budget shall be insufficient to meet the absolute needs of running a six months school term and providing equipment for same, or paying existing indebtedness for said purpose, and the county commissioners, after investigating, shall find as a fact that additional funds are necessary, they are hereby authorized to borrow the necessary amount and place the same to the credit of the county board of education, and it shall be the duty of the county commissioners to levy sufficient taxes for the next ensuing year to repay money so borrowed in addition to providing for the maintenance of the six months school term. And the county commissioners may issue notes of the county for money so borrowed. (For duty of commissioners to fund school indebtedness, see Art. 23.)

Sec. 190. Commissioners to require fines, forfeitures and penalties paid to treasurer.

The board of county commissioners shall require all clerks of all State and municipal courts, justices of the peace and all other clerks or officials having in custody the records of any city or town in the State, to furnish the county board of education and the county commissioners a detailed statement of all fines, forfeitures and penalties that have come into their hands or that have been recorded or should have been recorded in the books kept by them. And it shall be the duty of the county commissioners to require all officials collecting fines, forfeitures and penalties to pay over the same to the treasurer of the county school fund monthly, and a failure on the part of said officials to comply with the provisions of this section shall be considered a misdemeanor, and upon conviction they may be removed from office by the court and shall be fined or imprisoned in the discretion of the court.

Sec. 191. Commissioners to estimate what per cent the school fund is of the total county fund.

It is the duty of the county commissioners to furnish the county board of education, as soon as the tax books for the year are completed, a statement showing what per cent the school fund
is of the total county fund, and at least this same per cent of the amount of taxes as they are collected and deposited in the treasury shall be placed to the credit of the county board of education.

Sec. 192. Commissioners require sheriff to settle.

Every sheriff or tax collector shall deposit the county and other local taxes collected by him with the county treasurer as often as he shall collect or have in his possession at any one time a sum equal to five hundred dollars ($500.00). (C. S. 3941.)

On or before the close of the fiscal year the sheriff in settling with the board of county commissioners shall exhibit the total amount of the school fund from all sources received, the net amount paid over to the county treasurer, and the net amount due each of the following funds: (1) The salary fund, (2) the operating and equipment fund, and (3) the fund for the repayment of all loans, bonds and notes. The sheriff shall also exhibit the amount of uncollected taxes due because of insolvent polls, releases, errors, and rebates allowed by the board of county commissioners, and other causes for failure to collect the entire amount of the taxes due, and the sheriff shall furnish to the county board of education at the time of his settlement with the county commissioners, as provided in this section, a complete itemized copy of his statement; and the State Auditor shall prepare and furnish free of cost to the sheriff or the county commissioners blanks on which the sheriff shall make his final report to the county commissioners. Said blanks shall set forth the items specified above in such a way as to make the settlement clear and intelligible.

Art. 15. The Treasurer: His Powers, Duties and Responsibilities in Disbursing School Funds.

Sec. 193. Treasurer shall disburse funds.

The county treasurer of each county shall be the treasurer of the school funds in his county. He shall receive and disburse all public school funds and shall keep the same separate and distinct from all other funds. In all counties in which the office of county treasurer has been abolished all banks or other corporations handling public school funds shall be required to keep the same accounts, perform the same duties as required of the county treasurer, and to give the same bond and make the same reports as are required of the treasurer of the county board of education.

Sec. 194. Treasurer shall keep special charter district and county school funds separate.

When the total amount of county school taxes has been computed the county board of education, in mutual agreement with
the respective special charter district boards of trustees, shall furnish the county treasurer with a statement showing the per cent of the total amount of county school taxes that belongs to the county board of education and the per cent that belongs to each respective special charter district board.

When this per cent basis has been determined, the county board of education shall furnish the treasurer of the county board of education with a statement showing what per cent of the total amount of school funds shall be set aside and held as a separate account in his hands to the credit of each special charter board, and what per cent shall be held to the credit of the county board of education.

Upon receipt of moneys collected for county taxes from the sheriff or other collecting officer, the county treasurer shall immediately separate the school fund, which shall include all moneys received from taxes or otherwise for all school purposes, from all county taxes on a per cent basis in accord with the statement supplied by the board of county commissioners, and on the receipt given to the sheriff or other collecting officer he shall show the amount credited to the school fund.

The county treasurer shall then immediately place to the credit of the county board of education that per cent of the county school fund which belongs to the county board of education, and to each special charter district board of trustees the per cent which belongs to each respective special charter district board as determined on the basis of the statement provided him by the county board of education in mutual agreement with the respective special charter district boards of trustees in said county. He shall then notify the respective boards of the amounts placed to their respective credit, and shall pay over to the treasurers of the respective boards of education said amounts on properly executed order. After the final settlement of the sheriff or other collecting officer with the board of county commissioners, as provided by law, the county treasurer shall make all needed adjustments between the school funds and other county funds, and immediately place to the credit of the respective boards of education the final amounts belonging to each respective board of education for the given fiscal year.

Sec. 195. Action against the treasurer to recover funds.

After final settlement with the sheriff, if it shall appear that any part of the public school fund received by the county treasurer has not been properly placed to the credit of the respective board of education, either the county board of education or the special charter district board of trustees, as the case may be, shall bring action on the treasurer’s bond to recover any part of the fund still belonging to the respective board. If the county
treasurer fails to perform his duties as herein and above pres-
scribed, he shall be guilty of a misdemeanor and be fined or im-
prisoned in the discretion of the court.

Sec. 196. Treasurer to keep separate record of local taxes re-
ceived. (See section 147.)

Sec. 197. How school funds shall be disbursed.

The county board of education shall divide the funds belong-
ing to the county into two classes, (1) those apportioned to dis-
tricts for teachers' salaries and for supplies, and (2) those re-
served to the county board of education for repairs, erection of
buildings, salary and expenses of county school officials, teacher
training, and all other necessary expenses.

The treasurer shall pay out funds designated as the district
funds only on warrants signed by the chairman and one other
member of the school committee, countersigned by the county
superintendent. He shall pay out funds reserved to the county
board of education only on warrants signed by the chairman and
secretary of the county board of education. No local tax district
funds shall be paid out by the treasurer except on properly ex-
ecuted order signed by the chairman and one other member of
the committee and countersigned by the county superintend-
ent.

Sec. 198. County board required to have accounts of treasurer
audited.

On or before the first day of August of each year the county
board of education shall cause to be audited the books of the
treasurer of the county school fund and the accounts of the
county board of education, and shall provide for the cost of the
same, where a county auditor is not provided by special statute,
out of the incidental fund. The auditor's report shall show:

1. The total amount belonging to the county for the six months
school term as shown by the tax books, what part has been col-
lected and deposited with the treasurer for the current year,

remains uncollected by the tax collector.

2. The number of schools in the county, other than city schools,

amount of local taxes raised for schools and belonging to the
credit of each local tax district, and how this fund has been
disbursed.

office expenses of the county superintendent and the county board
of education.

This bond shall be a separate bond, not including liabilities for other funds, and shall be approved by the board of county commissioners, and that board may from time to time, if necessary, require him to strengthen his bond. (C. S. 5445.)

or for any failure to account properly for the funds received by him, except in cases where action is otherwise provided for. If the commissioners shall fail to bring such action, it may be brought in the name of the State upon the relation of any taxpayer. (C. S. 5446.)

SEC. 201. **Annual report to State Superintendent.**

The treasurer of any county, town, or special charter district school fund shall report to the State Superintendent of Public Instruction, on the first Monday of August of each year, the entire amount of money received and disbursed by him during the preceding school year, designating by items the amount received, respectively, from property tax, poll tax, fines, forfeitures and penalties, auctioneers, estrays, from the State Treasurer and from other sources. (C. S. 5454.)

(Sec. 5, Art. IX, Constitution.)

purpose of aiding union school districts of the county which,

on the one hundred dollars ($100.00) valuation of property or its
equivalent, are still unable to provide a minimum school term of
eight months.

PART VII

Art. 17. School Districts Authorized to Vote Local Taxes.

Sec. 219. How elections may be called.

The citizens of any duly created school district are hereby
authorized to petition for a local tax election for schools, as

district, or if fewer than seventy-five of such qualified voters
reside in the territory, then by one-third of such qualified

asking for an election in the district to ascertain whether there
shall be levied in said district a local annual tax not to exceed
fifty cents (50c) on the one hundred dollars ($100.00) valuation

the six months public school term for that district: Provided, that

SEC. 220. The board to consider petition.

The county board of education or the board of trustees, as the case may be, shall receive the petition and give it due consideration. If the board shall approve the petition for an election, it shall be endorsed by the chairman and secretary of the board and a record of the endorsement shall be made in the minutes of the board of education. The petition shall then be presented to the board of county commissioners or the governing body authorized to order the election, and it shall be the duty of the board of county commissioners or said governing body to call an election and fix the date for the same: Provided, the county board of education or board of trustees, as the case may be, may, for any good and sufficient reason, withdraw the petition before the close of the registration books, and if the petition be so withdrawn, the election shall not be held.

SEC. 221. Rules governing election for local taxes.

In all elections held under this act the board of county commissioners, or the body authorized to order said election, shall designate the polling place or places, appoint the registrars and judges, and canvass and judicially determine the results of said election when the returns have been filed with them by the officers holding the election, and shall record such determination on their records. The notice of the election shall be given by publication at least three times in some newspaper published or circulating in the territory. It shall set forth the boundary lines of the district, the maximum rate of tax to be levied, which shall not exceed fifty cents (50c) on the one hundred dollars ($100.00) valuation of property, real and personal, and the purpose of the tax. The first publication shall be at least thirty days before the election. A new registration of the qualified voters of the territory shall be ordered, and notice of said new registration shall be deemed to be sufficiently given by publication once in some newspaper published or circulating in said district at least twenty days before the close of the registration books. This notice of registration may be considered one of the three notices required of the election. Such published notice of registration shall state the days on which the books will be open for registration of voters and the place or places at which they will be open on Saturdays. The books of such new registration shall close on the second Saturday before the election. The Saturday before the election shall be challenge day, and except as otherwise provided in this act such election shall be held in accordance with the law governing general elections. At the election those who are in favor of the levy and collection of the taxes shall vote a ticket on which shall be printed or written the words "For local tax," and those who oppose shall vote a
ticket on which shall be printed or written the words "Against local tax." All other details of said election shall be fixed by the board or other governing body ordering the election, and the expenses of holding and conducting the election in all districts other than in special charter districts shall be provided by the county board of education out of the Operating and Equipment Fund of the county. But the expenses of conducting the election in all special charter districts shall be paid by the board of trustees of said district out of the local tax funds of the district.

Sec. 222. Levy and collection of taxes.

In case a majority of the qualified voters in the district or territory referred to above shall vote at the election in favor of the tax, it shall be annually levied and collected in the manner prescribed for the levy and collection of other taxes, and the maximum rate so voted shall be levied, unless the county board of education or board of trustees shall request a levy at a lower rate, in which event the rate requested shall be levied and collected; and the county superintendent of schools and the officer in charge of county tax records shall keep records in their respective offices, showing the valuation of the property, real and personal, in the district, the rate of tax authorized annually to be levied, and the amount annually derived from the local tax, and it shall be illegal for any part of the local tax funds to be used for any other purpose other than to supplement the funds for a six months school term in the district.

Sec. 223. Increasing levy in districts having less than fifty cent rate.

Authority is hereby given any local tax district having voted a maximum rate less than fifty cents (50c) to increase the levy to a maximum of fifty cents (50c) on the one hundred dollars ($100.00) valuation of property, real and personal. Such increase shall be made after an election has been held as provided for in this article.

Sec. 224. Validating rates heretofore voted.

If any local tax district in which a fixed or maximum rate of more than thirty cents (30c), but not exceeding fifty cents (50c), has been voted at one election under the authority of sections five thousand five hundred and twenty-six and five thousand five hundred and thirty-five, Consolidated Statutes, the election in all respects is hereby validated.

Sec. 225. Frequency of election.

In the event that a majority of the qualified voters of a district do not at the election cast their votes for the local tax, another election or elections under the provisions of this article may be held after the lapse of six months in the same district.
Sec. 226. Enlargement of local tax or special charter districts.

Upon a written petition of a majority of the governing board of any district, the county board of education, after approving the petition, shall present the same to the board of county commissioners and ask for an election on the question of the enlargement of the boundary lines of any such district so as to include any contiguous territory, and an election in such new territory may be ordered and held under rules governing elections for local taxes as provided in this article: Provided, the local tax rate specified in the petition and submitted to the qualified voters shall be a local tax of the same rate as that voted in the said district to which the territory is to be added. If a majority of the qualified voters in such new territory shall vote in favor of such tax, the new territory shall become a part of said district, and the term "local tax of the same rate" herein used shall include, in addition to the usual local tax, any tax levied to meet the interest and sinking fund of any bonds heretofore issued by the district proposed to be enlarged. In case a majority of the qualified voters at the election shall vote in favor of the tax, the district shall be deemed enlarged as so proposed. (C. S. 5530, revised.)

Sec. 227. Abolition of district upon election.

Upon petition of one-half of the qualified voters residing in any local tax district established under this article, the same shall be indorsed and approved by the county board of education, and the board of county commissioners shall order another election in the district for submitting the question of revoking the tax and abolishing the district, to be held under the provisions prescribed in this act for holding other elections. It shall be the duty of the board of education to indorse the petition when presented, containing the proper number of names of qualified voters, and this provision is made mandatory, and the board is allowed no discretion to refuse to indorse the same when so presented. If at the election a majority of the qualified voters in the district shall vote "Against Local Tax," the tax shall be deemed revoked and shall not be levied, and the district shall be discontinued. (C. S. 5531, revised.)

Sec. 228. Local tax district in debt may not be abolished.

The provisions of this article as to abolishing local tax districts shall not apply when such local tax district is in debt in any sum whatever.

Sec. 229. Election for abolition not oftener than once a year.

No election for revoking a local tax in any local tax district shall be ordered and held in the district within less than one year from the date of the election at which the tax was voted.
and the district established, nor at any time within less than one year after the date of the last election on the question of revoking the tax in the district; and no petition revoking such tax shall be approved by the county board of education oftener than once a year: Provided, this section shall not apply to any indirect abolition or reduction of taxes as may be elsewhere provided. (C. S. 5533, revised.)

Sec. 230. Enlarging boundaries of district within incorporated town.

Every school district in this State which is situated entirely within and is coterminous with the boundary lines of an incorporated town or city, which, by reason of changes made in the corporate limits of such city or town after the establishment of such school district, is not coterminous with such city or town, may be made coterminous with such city or town by the county board of education, which may consolidate the newly incorporated territory with the school district heretofore created: Provided, the tax rates are the same.

Sec. 231. Transfer of persons living contiguous to local tax or special charter districts.

(See section 78.) (C. S. 5478.)

Sec. 232. Local tax districts from portions of contiguous counties.

Local tax districts may be formed as provided in this article out of contiguous portions of two or more counties. The petition for such a district must be indorsed by the boards of education of such counties.

The commissioners of each county shall then provide a separate polling place and officers of the election as if there are two or more elections to be held. If a majority of the voters in the portion in each county approve the tax, the district shall thereby be incorporated. The governing body shall be a board of trustees composed of five members, who shall serve for a term of three years, but shall be so elected that the term of a majority shall not expire in any one year. The trustees shall have authority to elect school officials and teachers, to erect, repair and locate buildings, and to do all things necessary to maintain a school or schools in said district not inconsistent with the provisions of this act. They shall be selected by the county superintendents of the counties from which the joint district is formed, but the members shall be residents of the districts. In case the superintendents cannot agree, the superintendent of the county in which the building is located or is to be located shall select three and the other superintendent or superintendents shall select two: Provided, that after the first board is selected the superintendents may agree to permit the committee to fill all vacancies on the
board. But in case of dissatisfaction on the part of the patrons, the superintendents by agreement may change the method of selecting the board back to either method provided above. The district so formed shall be a body corporate by the name and style of "-------------- Joint School District of------------- Counties." The specific name of the district shall be agreed upon by the superintendents. The board of trustees of said district shall appoint a chairman and secretary of the board and a tax collector who shall collect all local school taxes, including bond taxes, if any, of the joint district, and who shall be required to give bond in such sum and with such securities as may be approved by the board, and he shall deposit all money collected with the treasurer of the county in which the school building is or is to be located, and this shall be held as a separate fund by the treasurer and placed to the credit of the district. Such county treasurer shall be the custodian of all funds of the district. Any such joint school district may issue bonds as elsewhere provided in this act, except that in lieu of a request thereof by the county board of education the request shall be from the board of trustees of the joint district, and no petition of the county board of education shall be necessary, and the said election shall be called and held by the board of trustees of the joint district, and returns shall be made to it and canvasses by it, and records thereof shall be kept as elsewhere provided in this act for the conduct, canvass, returns and records of bond elections. The election shall be held under "Rules Governing Elections for Local Taxes" as provided in this article.

Sec. 233. District already created out of portion of two or more counties.

Districts that have already been created out of portions of two or more counties may be incorporated in the following manner: Upon petition of the county board of education of each county calling for an election the commissioners of each county shall call an election, which shall be conducted in all respects as an election for voting local taxes. But the qualified voters in favor of incorporation shall cast a ballot on which is written or printed "For Incorporation," and those against shall cast a ballot on which is written or printed "Against Incorporation." If a majority of the qualified voters in the portion in each county shall cast their ballots for incorporation, the district is thereby incorporated and shall possess all the authority of incorporated districts as provided in this article.

SEC. 235. Boundary lines.

The county board of education, after ascertaining in what special school taxing district it is desirable to levy a special local tax for schools, in addition to the county tax for the six months school term, shall define or describe the boundary lines so as to include the territorial divisions embracing only the special school taxing district in which a special school tax election for schools is to be called, and to exclude all other territory. The boundary lines of the special school taxing district, having been defined and recorded on the minutes of the board of education, a special school tax election may be held as hereinafter provided to equalize school advantages within the special school taxing district.

SEC. 236. Petition for an election.

The petition for an election in a special school taxing district shall be made as follows: The governing school boards of at least a majority of the school districts within the special school taxing district shall indorse the petition, and it shall be approved by the county board of education. Said petition shall state the maximum rate of tax to be voted on, which rate shall not exceed fifty cents (50c) on the one hundred dollars ($100.00) valuation of all property, real and personal.

SEC. 237. The election.

Whenever a petition properly indorsed and approved is presented to the board of county commissioners, said board shall call an election in said special school taxing district and fix a date for holding the same. The rules governing the election, the levy and collection of taxes, and the frequency of elections in a special school taxing district shall be the same as rules governing elections, the levy and collection of taxes, and the frequency of elections as provided in article seventeen of this act.

SEC. 238. Special school taxing districts.

If a majority of the qualified electors in the special school taxing district shall vote in favor of the special school tax, then
it shall operate to repeal all school taxes theretofore voted in any local tax or special charter district located within said special school taxing district, except such taxes as may have been voted in said local tax or special charter district to pay the interest on bonds and to retire bonds outstanding. But the county board of education shall have the authority to assume all indebtedness, bonded and otherwise, of said local tax or special charter district and pay all or a part of the interest and installments out of the revenue derived from the rate voted in the special school taxing district; Provided, the revenue is sufficient to equalize educational advantages and pay all or a part of the interest and installment on said bonds.

Sec. 239. Organization of the schools in special school taxing districts.

The county board of education is hereby authorized to organize the schools in a special school taxing district after a special school tax has been voted, in such a way as to equalize educational opportunities within said district. Transportation of pupils may be provided for wherever the needs are apparent, out of county funds for the six months school term and out of funds derived from special school taxes for the remainder of the term. But all consolidation of schools in said special taxing district shall be in accordance with article six, which provides for creating and consolidating school districts.

Art. 19. Legal attendance of pupils in local tax or special charter districts.

Sec. 240. Children residing in a school district shall have the advantage of the public school.

The following persons residing in local tax, special charter or special school taxing districts shall be entitled to all the privileges and advantages of the public schools of said district or districts unless removed from school for cause:

(b) All children whose parents have recently moved into the district for the purpose of making their legal residence in the same.

(c) Any child or children living with either the father or the mother or guardian who has made his or her permanent home within the district.

(d) Any child received into the home of any person residing in the district as a member of the family, who receives board and other support free of cost.
Sec. 241. Credits on tuition to nonresidents whose children attend in district.

Any parent or person in loco parentis residing outside of any local tax, special charter or special school taxing district, and owning property within said district, whose child, children, or wards shall attend school in said district, shall be entitled to receive as a credit on the tuition of said child, children, or wards the amount of special school taxes paid on said property. The county board of education may arrange with any such district to send any child or children residing in the county to the school in such district, if they are without adequate educational advantages, for the constitutional term of six months, and to pay the actual cost of the instruction of the children, including the appropriations from the six months school fund. (C. S. 5477, revised.)

Art. 20. Special county tax in which part of local taxes may be retained.

Sec. 242. Election upon petition of county board of education.

Upon the petition of the county board of education of any county, the county commissioners shall order an election to be held in the county to ascertain the will of the people whether there shall be levied on all taxable property and polls in the county a special county tax, not to exceed fifty cents (50c) on the one hundred dollars ($100.00) valuation of property, to supplement the six months school fund of the county.

Sec. 243. Rules governing election.

The election shall be conducted for the county as nearly as may be under the "Rules Governing Elections for Local Taxes" as provided in this act.

The maximum rate voted shall be annually levied and collected each year in the same manner and at the same time as other taxes of the county are levied and collected, unless the county board of education shall petition for a lower rate. In that event the county commissioners shall levy the rate requested.

Sec. 245. The rate in local tax or special charter districts.

Whenever the maximum special county tax rate levied or to be levied under the provisions of this article is less than fifty cents (50c), each local tax, special charter or special school taxing dis-
district shall have the authority to levy an additional rate, not in excess of the local tax rate voted in the district; but the total special tax levy in said district, including the special county tax rate and the special local tax rate, shall not exceed fifty cents (50c) on the hundred dollars valuation of all property, real and personal:

Provided, this limitation shall not apply to taxes for bonds or other indebtedness which remain an obligation against the district, unless such indebtedness is assumed by the county board of education, and full provisions are made for the payment of the same.

All indebtedness, bonded or otherwise, of said district or districts may be assumed by the county board of education; and such indebtedness, if assumed by the county board of education, shall be paid out of the special county tax levied under the provisions of this article.

Sec. 246. Subsequent elections upon failure of first.

In case a majority of qualified voters of said election in any county shall fail to vote for said special county tax, on petition of a majority of the members of the county board of education of the county, the county commissioners may, after six months, order another election in the same manner and under the same rules governing elections for local taxes. Bonds and Loans for Building Schoolhouses

Art. 22. Authority to Issue Bonds in Any County School District or Special Taxing District.

Sec. 257. Elections; how called.

Whenever the county board of education shall so petition, the board of county commissioners of any county shall order a special election to be held in any county or special school taxing district, or in any local tax district within which a union school is maintained, for the purpose of voting upon the question of issuing bonds and levying a sufficient tax for the payment thereof for the purpose of acquiring, erecting, enlarging, altering and equipping school buildings and purchasing sites in such county or district, or for any one or more of said purposes. Said election shall be called and held under the same rules and regulations as provided in this act for "Local Tax Elections for Schools" (Article 17). The ballots to be used in said election shall have written or printed thereon the words "For the issuance of $________ school bonds and the levying of a tax for the payment thereof," and "Against issuance of $________ school bonds and the levying of a tax for the payment thereof."

Sec. 258. Bonds; how issued.

If a majority of the qualified voters of said county or district shall vote in favor of the issuance of said bonds and the levy of said tax, then the board of county commissioners shall have power to issue the said bonds, which bonds shall be issued in the name of the county, but unless the election was held in the entire county they shall be made payable exclusively out of taxes to be levied in the district. They shall be issued in such form and denominations, and with such provisions as to time, place and medium of payment of principal and interest as the said board may determine, subject to the limitations and restrictions of this act. They may be issued as one issue, or divided into two or more separate issues, and in either case may be issued at one time, or in blocks from time to time. The bonds shall be serial bonds, and each issue thereof shall so mature that the aggregate principal amount of the issue shall be payable in annual installments or series, beginning not more than three years after the date of the bonds of such issue, and ending not more than thirty years after such date. No such installment shall be more than two and one-half times as great in amount as the smallest prior installment of the same bond issue. The bonds shall bear interest at a rate not exceeding six per cent per annum, payable semi-annually, and may have interest coupons attached, and may be made registrable as to principal or as to both principal and
interest. They shall be signed by the chairman of the board of
county commissioners, and the seal of the county shall be affixed
to or impressed on each bond and attested by the register of
deeds of the county or by the clerk of said board; and the interest
coupons shall bear the printed lithographed or etched facsimile
signature of such chairman. The delivery of bonds, signed as
aforesaid by officers in office at the time of such signing, shall
be valid, notwithstanding any changes in office occurring after
such signing.

Sec. 259. Bonds; how sold.
The said bonds shall be sold by the board of county commis-
sioners in the manner provided by the Municipal Finance Act
then in force for the sale of bonds of cities and towns. They
shall not be sold for less than par and accrued interest.

Sec. 260. Proceeds of bonds.
The proceeds derived from the sale of said bonds shall be turned
over to the county treasurer, who shall hold same under his
official bond, and shall be placed in a separate fund, and paid
out, for the purpose for which the bonds were issued, only upon
order of the county board of education: Provided, that no treas-
urer handling the funds derived from the sale of any school
bonds shall receive any commission therefor.

Sec. 261. Taxes for interest and principal.
In the event the issue of said bonds is authorized by the
voters as above provided, and when same are issued, the board
of county commissioners is hereby authorized and directed to
levy annually a special tax, ad valorem, on all taxable property
in said county if county bonds are authorized, or in said district
if district bonds are authorized, sufficient to pay the principal
and interest of said bonds as such principal and interest become
due. Such special tax shall be in addition to all other taxes
authorized to be levied in such county or district. The taxes
provided for in this section shall be collected by the county officer
collecting other taxes, and paid over by him to the county treas-
urer, who shall hold same under his official bond, and be applied
solely to the payment of principal and interest of said bonds.

Sec. 262. Frequency of elections.
Nothing in this act shall be construed as preventing more than
one election and more than one bond issue in the same school
district under this act.

Sec. 263. Bonds in special charter districts.
Elections may be held in special charter districts and bonds
issued and taxes levied to pay the same in the manner provided

But said principal governing body may, in its discretion, grant or refuse said petition. In every special charter district of the kind described in this subsection, all powers and duties conferred or imposed by this article on boards of county commissioners shall be exercised and performed by the principal governing body of said city or town with which the district is coterminous, and the bonds shall be issued in the corporate name of each city or town.

In computing the amount of indebtedness under the district or the county limitations hereinafore fixed, school indebtedness of cities and towns lying within a school district or within a county shall be included as if the same were a school district indebted-

Sec. 265. Bonds authorized by other acts.

If bonds or other indebtedness have heretofore been voted under any act and have not yet been issued or incurred, they may be issued or incurred pursuant to the provisions of the act under which they were voted. But nothing in this article shall be construed to prevent any city or town from issuing bonds for school purposes under the provisions of the Municipal Finance Act. Any city or town now having the power to issue bonds for school purposes under the Municipal Finance Act may, at its option, issue such bonds either under the Municipal Finance Act or under this act.

The commissioners are hereby authorized and directed to levy annually, at the date fixed by law for the levying of other county taxes, a special ad valorem tax upon all taxable property in their county for the purpose of paying the principal and interest of all bonds and notes issued under the provisions of this article as such principal and interest become due, which shall be in an amount sufficient for said purpose and shall be in addition to all other taxes authorized by law to be levied in said county.

Sec. 269. Determining the validity of the bonds.

If the county board of education of any county in which the outstanding indebtedness created for the necessary expenses of conducting the six months school term exceeds five thousand dollars ($5,000.00), and said board shall find and determine the amount of outstanding indebtedness incurred prior to one thousand nine hundred and twenty-three and certify the same to the board of county commissioners, and the board of county commissioners shall then advertise the amount of the debt, together with the advertisement for the sale of said bonds as required in the Municipal Finance Act, such determination by the county board of education, after being duly advertised by the county commissioners, shall be conclusive in any suit, action, or proceeding involving the validity of bonds issued under this article, except in a suit, action, or proceeding commenced within fifteen days after the first publication of the notice of sale of said bonds.

Sec. 270. Validating loans.

Wherever any board of county commissioners has issued notes for funds borrowed to erect buildings at the request of the county
board of education in order to provide necessary school buildings for the six months school term, and the plans for such buildings and the location of the same have been approved by the State Superintendent of Public Instruction, the said note or notes are hereby validated in all respects, and the debt may be funded, as provided in this article.

SECS. 271 and 272. Obsolete.

Art. 24. Loans from State Literary Fund.

Sec. 273. Made by State Board from State Literary Fund.

The State Board of Education, under such rules and regulations as it may deem advisable, not inconsistent with the provisions of this article, may make loans from the State Literary Fund to the county board of education of any county for the building and improving of public schoolhouses or dormitories for rural high schools and teacherages and buildings for county farm-life schools in such county; but no warrant for the expenditure of money for such purposes shall be issued by the Auditor except upon the order of the State Superintendent of Public Instruction, with the approval of the State Board of Education. (C. S. 5681.)

Sec. 274. Terms of loans.

Loans made under the provisions of this article shall be payable in ten installments, shall bear interest at four per centum, payable annually, and shall be evidenced by the note of the county board of education, executed by the chairman and secretary thereof, and deposited with the State Treasurer. The first installment of such loan, together with the interest on the whole amount then due, shall be paid by the county board on the tenth day of February after the tenth day of August subsequent to the making of such loan, and the remaining installments, together with the interest, shall be paid, one each year, on the tenth day of February of each subsequent year till all shall have been paid. (C. S. 5673.)

Sec. 275. How secured and paid.

At the January meeting of the county board of education, before any installment shall be due on the next tenth day of February, the county board shall set apart out of the school funds an amount sufficient to pay such installment and interest to be due, and shall issue its order upon the treasurer of the county school fund therefor, who, prior to the tenth day of February, shall pay over to the State Treasurer the amount then due. And any amount loaned under the provisions of this law shall be a lien upon the total school funds of such county, in whatsoever
hands such funds may be; and upon failure to pay any install-
ment or interest, or part of either, when due, the State Treasurer
may deduct a sufficient amount for the payment of the same out
of any fund due any county from any special State appropriation
for public schools, or he may bring action against the county
board of education of such county, any person in whose posses-
sion may be any part of the school funds of the county, and the
tax collector of such county; and if the amount of school funds
then on hand be insufficient to pay in full the sum so due, then
the State Treasurer shall be entitled to an order directing the
tax collector of such county to pay over to the State Treasurer
all moneys collected for school purposes until such debt and inter-
est shall have been paid: Provided, this lien shall not lie against
taxes collected or hereafter levied to pay interest and principal
on bonds issued by the authorities of any county or any district.
(C. S. 5674.)

Sec. 276. Loans by county boards to school districts.

The county board of education, from any sum borrowed under
the provisions of this article, may make loans only to districts
that have already levied a local tax sufficient to repay the install-
ments and interest on said loan for the purpose of building school-
houses in the district, and the amount so loaned to any district
shall be payable in ten annual installments, with interest thereon
at four per centum, payable annually. Any amount loaned under
the provisions of this act shall be a lien upon the total local tax
funds produced in the district. Whenever the local taxes may
not be sufficient to pay the installments and the interest, the
county board of education must supply the remainder out of the
operating and equipment fund, and shall make provision for the
same when the county budget is made and presented to the com-
missioners in May.

All loans hereafter made to such districts shall be made upon
the written petition of a majority of the committee of the dis-
trict asking for the loan and authorizing the county board to
deduct a sufficient amount from the local taxes to meet the in-
debtedness to the county board of education. Otherwise, the
county board of education shall have no lien upon the local taxes
for the repayment of this loan: Provided, this lien shall not lie
against taxes collected or hereafter levied to pay interest and
principal on bonds issued by the authorities of the district.
(C. S. 5675, revised.)

Sec. 277. Appropriation from loan fund for free plans and in-
spection of school buildings.

The State Board of Education may annually set aside and use
out of the funds accruing to the interest of said State loan fund
a sum not exceeding twelve thousand dollars ($12,000.00), to be
used for providing plans for modern school buildings to be furnished free of charge to districts, for providing proper inspection of school buildings and the use of State funds, and for such other purposes as said board may determine, to secure the erection of a better type of school building and the better administration of said State loan fund. (C. S. 5672, revised.)

Art. 25. Loans from Special Building Fund.

Sec. 278. The special building fund.

That for the purpose of providing "A Special Building Fund," to be loaned to the county boards of education for maintaining a six months school term, the State Treasurer of North Carolina is authorized and directed to issue bonds of the State of North Carolina, payable in the manner and on the dates hereinafter described, to an amount not to exceed five million dollars ($5,000,000.00). All of said bonds shall bear interest at a rate not to exceed five per cent per annum, payable semiannually on the first days of January and July of each year, and the said bonds shall bear date as of the first day of January of each and every year in which they may be issued, under the provisions of this act.

(a) Special building fund a separate fund. That the proceeds from the sale of these bonds shall be a separate fund in the hands of the State Treasurer and shall be kept distinct from all other funds of the State. The funds shall be paid out upon the warrant of the State Auditor, but no warrant shall be issued by the Auditor except upon the requisition of the State Superintendent of Public Instruction, with the approval and at the direction of the State Board of Education. The bank or banks in which any money belonging to this fund is deposited by the State Treasurer shall be required to pay interest on monthly balances on said money at the rate of three per cent per annum, and all such money so collected shall be credited monthly by the State Treasurer to this fund.

(b) County board of education authorized to make loans. That the State Board of Education, under such rules and regulations as it may deem advisable, not inconsistent with the provisions of this chapter, may make loans from "The Special Building Fund" to the county board of education of any county for building, equipping and repairing public school buildings, dormitories, teacherages, and for the purchase of suitable sites: Provided, that no loan shall be made from this fund until an application for said loan has been made by the county board of education and approved by the county commissioners, nor until said commissioners shall certify that the loan is necessary to maintain a six months school term: Provided further, that no loan shall be made from this fund for erecting or repairing any school building con-

Sec. 279. How loans shall be repaid.

Loans to county boards of education made under the provisions of this article shall be payable in twenty equal annual installments, shall bear interest payable annually in advance at the same rate that the State had to pay on the bonds issued under this act for securing "The Special Building Fund," and said loans shall be evidenced by the note or notes of the county board of education, executed by the chairman and secretary thereof, and deposited with the State Treasurer. The first installment of such loan, together with the interest on the balance of the principal remaining unpaid, shall be paid by the county board of education on or before the fifteenth day of December subsequent to the making of such loan, and the remaining installments, together with the interest, shall be paid, one each year, on the fifteenth day of December of each subsequent year until all shall have been paid: Provided, if at the end of any five-year period it shall appear that the earnings of said fund are more than sufficient to retire said bonds, the State Board may direct the State Treasurer to transfer such surplus to the State Literary Fund, and after all bonds are retired any balance remaining shall be turned over to the State Literary Fund.

Sec. 280. To be provided for in May budget.

The county board of education shall provide in its May budget for a special tax, to be styled "A Special Building Fund Tax," sufficient to repay the annual installment, together with the interest due, and shall issue its order upon the treasurer of the county school fund therefor, who, prior to the fifteenth day of December, shall pay over to the State Treasurer the amount then due. Any amount loaned under the provisions of this act shall be a lien upon the total school fund of such county, in whatever hands such funds may be; and if the board of county commissioners fail to provide for a sufficient tax in building and incidental fund to pay the loans and interest when due, so long as any part of said loan and the interest are due, the board of county commissioners shall borrow the money in order that the six months school term may be maintained in accordance with the Constitution. Upon failure of any county to pay any installment or interest, or part of either, when due, the State Treasurer may deduct a sufficient amount for the payment of the same out of any fund due such county from any special State appropriation for public schools, and if the amount necessary to conduct a six months school has been decreased thereby, thus making it
impossible to provide the funds for a six months term in every district in said county in accordance with law and the Constitution, the county commissioners shall borrow the amount necessary to meet the deficit caused thereby.

The State Treasurer may bring action against the county board of education of such county, or against any person in whose possession may be any part of the school funds of the county, or against the tax collector of such county; and if the amount of school fund then on hand be insufficient to pay in full the sum so due, then the State Treasurer shall be entitled to an order directing the tax collector of such county to pay over to the State Treasurer all moneys collected for school purposes until such debt and interest shall have been paid: Provided, this lien shall not lie against taxes collected to pay interest and principal on bonds issued by the authorities of any county or any district. (Sec. 5, ch. 147, Laws of 1921, revised.)

SEC. 281. State Board of Education shall approve all applications and provide funds.

That the State Board of Education shall approve all applications for loans and the amount to be loaned to each county. When said board has received and approved applications for loans in an amount of not less than five hundred thousand dollars ($500,000.00), the State Board of Education shall direct the State Treasurer to sell, and he shall sell, in accordance with the provisions of this article, North Carolina bonds to provide funds for making the loans in accordance with the applications approved: Provided, that whenever applications are received and approved, in accordance with the provisions of this article, if the State Board of Education shall deem it unwise to sell bonds at that time, the State Treasurer, by and with the consent of the Governor and the Council of State, is hereby authorized to borrow money at the lowest rate of interest obtainable, in anticipation of the sale of the bonds herein authorized, and for the purposes for which said bonds are authorized. The State Treasurer shall execute and issue notes of the State for the money so borrowed, and he is hereby authorized to renew any such notes from time to time by issuing new notes. The rate of interest, the date of payment of said notes or renewals, and all matters and details in connection with the issuance and sale thereof shall be fixed and determined by the Governor and Council of State. Such notes when issued shall be entitled to all privileges, immunities and exemptions that the bonds authorized to be issued are entitled to. The full faith, credit and taxing power of the State are hereby pledged for the payment of such notes as may be issued, and interest thereon. The proceeds received from said notes shall be used for making loans to county boards of education in accordance with this article. The notes issued in anticipation of

That the bonds authorized and directed to be issued by the preceding sections shall be coupon bonds of the denomination of five hundred dollars ($500.00) and one thousand dollars ($1,000.00) each, as may be determined by said State Treasurer, and shall be signed by the Governor of the State and State Treasurer and sealed with the Great Seal of the State. The coupons thereon may be signed by the State Treasurer alone, or may have a facsimile of his signature printed, engraved, or lithographed thereon, and the said bonds shall in all other respects be in such form as the State Treasurer may direct: and the coupons thereon shall, after maturity, be receivable in payment of all taxes, debts, dues, licenses, fines, and demands due the State of North Carolina, of any kind whatsoever, which shall be expressed on the face of said bonds. Before selling any of the series of bonds herein authorized to be issued, the State Treasurer shall advertise the sale and invite sealed bids in such manner as in his judgment may seem to be most effectual to secure the par of said bonds at the lowest rate of interest.

He is authorized to sell the bonds herein authorized in such manner as in his judgment will produce the par value of said bonds at the lowest rate of interest, and where the conditions are equal he shall give the preference of purchase to the citizens of North Carolina.

One-twentieth of the total bonds issued under date of January first, one thousand nine hundred and twenty-two, shall be due and payable on the first day of January, one thousand nine hundred and twenty-seven, and another one-twentieth of the amount of said bonds shall be due and payable on January first of each year thereafter until the whole series shall be paid; and any bonds issued under this act on any subsequent January first shall be due and payable as follows: one-twentieth of the total amount of said bonds shall be due and payable on the first day of January five years after the date of issuance of said bonds, and one-twentieth on each subsequent January first of each year thereafter until the whole series authorized by this act shall be paid in full.

Sec. 283. Exempt from taxation.

The said bonds and coupons shall be exempt from all State, county or municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, and the interest paid thereon shall not be subject to taxation as for income, nor shall said bonds and coupons be subject to taxation when constituting a part of the
supers of any bank, trust company, or other corporation, and it
shall be lawful for all executors, administrators, guardians, or
other fiduciaries, generally, to invest in said bonds.

Sec. 284. *County board may make loans to districts.*

The county board of education, from any sum borrowed under
the provisions of this act, may make loans to special charter, local
tax or special school taxing districts, and the amount so loaned to
any such district shall be payable in twenty annual installments,
with interest thereon at the rate the county is required to pay,
payable annually in advance. Any amount loaned under the
provisions of this act shall be a lien upon the total local tax
funds produced in the district. Whenever the local taxes at
any time may not be sufficient to pay the installments with
the interest, the county board of education must supply the
remainder out of the operating and equipment fund, and shall
make provisions for the same when the county budget is made
and presented to the commissioners in May: *Provided,* nothing
in this section shall prevent the county board of education
from assuming the entire expense of erecting said building or
buildings in any district of the county.

All loans made to such districts, under the provisions of this
act, shall be made upon the written petition of a majority of the
committee, or board of trustees, of the said district asking for
the loan and authorizing the county board to deduct a sufficient
amount from the local taxes or other funds belonging to said
district other than the teachers' salary fund to meet the indebted-
ness to the county board of education. Otherwise, the county
board of education shall have no lien upon the local taxes for the
repayment of this loan: *Provided,* this lien shall not lie against
taxes collected or hereafter levied to pay interest and principal
on bonds issued by the authority of any district.

The proceeds arising from the sale of said bonds shall be expended by said board of county commissioners in providing, by purchase or otherwise, the equipment in land, buildings, and apparatus required under this article for the "County Farm-life School." The treasurer of said county shall receive no compensation for receiving or disbursing the money which may be received from the sale of said bonds. (C. S. 5574; 1919, ch. 257, sec. 4, revised.)

At the election shall be submitted to the qualified voters of said township the question of issuing bonds in the sum not to exceed fifty thousand dollars ($50,000.00), the amount of said bond issue to be set out in the petition for said election, and of levying and collecting on all taxable property and polls in said township a special tax sufficient to provide for the payment of the interest on said township bonds as it accrues, and to create a sinking fund for the purpose of

The proceeds arising from the sale of the township bonds shall be added to the proceeds arising from the sale of the county bonds and expended therewith by the board of county commissioners in providing, by purchase or otherwise, the equipment in land, buildings, and apparatus required in this article for the “County Farm-life School.” (C. levied and manner of bonds authorized to be issued by one or more townships in
article this order to secure the location of the "County Farm-life School" in
voters a given township shall be deducted from the amount of bonds
in the registration authorized to be issued by the county, so as to limit the total issue

empowered to issue and sell bonds in the name of said township

It shall be the duty of the State Board of Education to formulate such rules and regulations as may be necessary for the proper enforcement of the provisions of this article. The board shall prescribe what shall constitute truancy, what causes may constitute legitimate excuses for temporary nonattendance due to physical or mental inability to attend, and under what circumstances teachers, principals, or superintendents may excuse pupils for nonattendance due to immediate demands of the farm or the home in certain seasons of the year in the several sections of the State. It shall be the duty of all school officials to carry out such instructions from the State Board of Education, and any school official failing to carry out such instructions shall be guilty of a misdemeanor: Provided, that the preceding section shall not be in force in any city or county that has a higher compulsory attendance law now in force than that provided hereinafter; but in any such case it shall be the duty of the State

If the court shall find, after careful investigation, that the parents have made or are making a bona fide effort to comply with the compulsory attendance act, and by reason of illness, lack of earning capacity, or any other cause which the court may deem valid and sufficient, are unable to send said child to school, then the court shall find and state what help is needed for the family to enable the attendance law to be complied with. The court shall transmit its findings to the county board of education of the county or, in special charter districts, to the board of trustees in which the case may arise. (C. S. 5763.)

Whereas the cost of printing has greatly increased since one
thousand nine hundred and fifteen and the amount of necessary
printing also has been increased by the authority of the General
Assembly without making additional appropriations to cover the
cost of the same, as a result the Superintendent of Public Instruc-
tion has been compelled to reduce public printing to the absolute minimum during the past biennial period, and even with the greatest economy the appropriation for the biennial period ending June thirtieth, one thousand nine hundred and twenty-three, is insufficient, according to careful estimate, by five thousand seven hundred and forty-four dollars, and the necessary laws and reports required by law cannot be supplied without an appropriation sufficient for these purposes: Now, therefore,

The General Assembly of North Carolina do enact:

Section 1. The Department of Superintendent of Public Instruction is hereby allowed to expend from the general fund for the necessary printing of its department a sum not to exceed thirty-five thousand dollars for each biennial period, the first biennial period beginning on the first day of July, one thousand nine hundred and twenty-three, and ending June thirtieth, one thousand nine hundred and twenty-five.

Sec. 2. The sum of five thousand seven hundred and forty-four dollars is hereby appropriated out of the general fund and the State Treasurer is directed to apply the same to the printing account for the fiscal year one thousand nine hundred and twenty-two and twenty-three for the purpose of paying the indebtedness incurred and providing for other necessary printing for the remainder of the biennial period ending June thirtieth, one thousand nine hundred and twenty-three, in order to carry out the instructions of the General Assembly which require the laws, reports, and blanks to be published and distributed free to school officials.

Sec. 3. That all laws and clauses of laws in conflict with this act are hereby repealed.

Ratified this the 3d day of March, A. D. 1923.

CHAPTER 141

AN ACT TO PROVIDE AN EQUALIZING FUND FOR CERTAIN 
COUNTIES.

Whereas the Constitution directs the General Assembly to 
provide by taxation and otherwise for a general and uniform 
system of public schools for the State and lays on the county 
commissioners the duty of securing the funds necessary to com-
ply with this constitutional mandate; and

Whereas the commissioners of many counties cannot secure 
the necessary funds from county revenues alone without levying 
tax rates that would make the burden of supporting a six months 
school term in certain counties wholly unequal and in many coun-
ties excessively burdensome, and the General Assembly recogniz-
ing its duty to provide so far as possible for an equal distribution 
of the burden of supporting the six months school term: Now, 
therefore,

The General Assembly of North Carolina do enact:

Section 1. There is hereby appropriated annually from the 
State Public School Fund the sum of one million two hundred 
and fifty thousand dollars, which shall be an equalizing fund to 
be distributed by the State Board of Education as hereinafter 
provided. The State Board of Education shall certify to each Certificates to 
county on or before June first of each year the amount such 
county shall be entitled to draw from the equalizing fund.
Calculation of per capita tax. Basis of calculation.

Proviso: calculation on basis of State salary schedule.

Separate calculation as to races.

Elementary and high schools.

Apportionment to counties.

Determination of amount for payment of teachers and principals.

Average amount.

Proviso: amount to be raised by counties.

Salary of county superintendent.

Reserve for transportation of pupils.

Sec. 2. That the State Superintendent of Public Instruction shall calculate the per capita cost of instructing all the children in all schools in each county of the State for the six months term of each school year on the basis of the salaries of teachers and principals actually paid: Provided, that in the event the salary or salaries actually paid exceed the State salary schedule, the State Board of Education shall calculate such salary or salaries on the basis of the State salary schedule. In calculating the average per capita cost, the State Board of Education shall calculate the per capita cost for the races separately and for the elementary and high schools separately.

Sec. 3. That the State Board of Education shall apportion to each county a definite amount of the equalizing fund to be determined on the following basis: The State Superintendent of Public Instruction shall determine for each county the amount necessary to pay the salaries of all teachers and principals for the school year one thousand nine hundred twenty-one, one thousand nine hundred twenty-two, and for the school year one thousand nine hundred twenty-two, one thousand nine hundred twenty-three, and the average amount for these two years, according to the approved November budget for the six months term. He shall then deduct the gross yield of the legal tax rate of each county for the six months school term from the average amount as determined above, and the difference shall be the amount of the equalizing fund for the salaries of teachers and principals for the years one thousand nine hundred twenty-three, one thousand nine hundred twenty-four and one thousand nine hundred twenty-five, except as otherwise provided in this act; but no county shall receive an amount from the equalizing fund sufficient to raise the average per capita cost of instruction for that county higher than the average per capita cost for the State, except as provided in section six: Provided further, that in order to receive the amount as specified in this act each county shall raise, together with the amount it will be entitled to draw from the equalizing fund, an amount which shall equal the total amount of the salaries of the teachers, principals, and superintendents actually paid not in excess of the adopted salary schedule for the six months term for the year one thousand nine hundred twenty-two, one thousand nine hundred twenty-three.

Sec. 4. That each county entitled to draw from the equalizing fund shall be paid, in addition to the amount provided in section three, one-half the salary of the county superintendent as fixed by the county board of education, but no county shall receive, in accordance with the provisions of this section, more than one-half the salary in accordance with the State salary schedule.

Sec. 5. The State Board of Education shall have authority to set aside thirty thousand dollars of the State Equalizing Fund.
with which to assist the counties in paying the transportation
of pupils, and the State Board of Education shall have authority
to make such rules and regulations as it shall deem necessary
for determining an average monthly cost per truck of transport-
ing pupils to school; Provided, that not more than one-half the
average monthly cost so determined shall be paid out of the
funds specified in this section.

Sec. 6. The State Board of Education is hereby authorized to
appropriate the remainder of the equalizing fund, or any part
of the same not otherwise appropriated, as follows:

(1) To encourage the more backward counties in improving
the grade of teachers employed; and (2) to aid any county in
which the actual property values shall fall below the authorized
valuation of one thousand nine hundred twenty-two, one thou-
sand nine hundred twenty-three, owing to some disastrous or
exceptional industrial or economic reverses. The State Board
of Equalization, upon the request of the State Board of Educa-
tion, shall investigate the cause of the decrease in property values
and report the facts to the State Board of Education, and if the
report of the State Board of Equalization shall show that there
has been a reduction in the actual values sufficient to bring the
total values of the county below the valuation of one thousand
nine hundred twenty-two, one thousand nine hundred twenty-
three, the State Board of Education shall have authority to aid
said county or counties out of any funds referred to in this sec-
tion. But if any balance shall remain after complying with the
provisions of this section it shall be prorated and added to the
salaries of teachers or principals of those counties specified in
section three.

Sec. 7. After the county has made full provisions for its part
of the salaries as specified in section three of this act, the en-
tire amount of the equalizing fund certified to the county shall
be paid.

Sec. 8. That if any part of the appropriations from the State
Public School Fund shall not be spent in any one year in accord-
ance with the provisions of the act authorizing said appropri-
tions, the balance shall be carried forward and added to said ap-
propriations for the succeeding year: Provided, any balance
from any appropriations may be applied to the equalizing fund
and distributed by the State Board of Education in accordance
with the provisions of this act.

Sec. 9. That all laws and clauses of laws in conflict with this
act are hereby repealed.

Sec. 10. This act shall be in full force and effect from and
after the date of its ratification.

Ratified this the 3d day of March, A. D. 1923.

And the State Highway Commission may require such city or town to cause to be laid all water, sewer, gas or other pipe lines or conduits, together with all necessary house or lot connections or services, to the curb line of such road or street to be constructed: Provided further, that whenever by agreement with the road governing body of any city or town any street designated as a part of the State Highway System shall be surfaced by order of the State Highway Commission at the expense, in whole or in part, of a city or town, it shall be lawful for the governing body of such city or town to declare an assessment district as to the street to be improved, without petition by the owners of property abutting thereon, and the costs thereof, exclusive of so much of the cost as is incurred at street intersections and the share of railroads or street railways whose tracks are laid in said street, which shall be assessed under their franchise, shall be specially assessed upon the lots or parcels of land abutting directly on the improvements, according to the extent of their respective frontage thereon by an equal rate per foot of such frontage.”

Whenever any railroad and a State highway or street which is a link in or a part of the State Highway System shall cross each other at the same level, and if, after due notice to the railroad and a hearing, in the judgment of the State Highway Commission, such crossing is dangerous to public safety, or the public travel on such highway is unreasonably impeded thereby, the State Highway Commission may order the person or company operating such railroad, within such time as the State Highway Commission may fix, to alter such crossing according to the plans to be approved by said Commission, by substituting therefor a crossing, not at the grade of such public highway, either by carrying such public highway under or over the tracks of such railroad. If, however, in the judgment of the State Highway Commission, the safety of travelers may be secured by the erection of gates, alarm signals, or other approved safety devices, then said Commission may require the railroad or railroads to construct and maintain such safety devices in lieu of the overpass or underpass.

“The work shall be done and material furnished either by the railroad or the State Highway Commission, as may be agreed upon, and, in case of an underpass, the railroad shall be responsible for one-half of the expense of all excavations through the existing railroad fill as well as one-half of the complete cost of the structure, including both the foundation and superstruc-

If the work is done and material furnished by the railroad, an itemized statement of the total amount expended therefor shall, at the completion of the work, be furnished the State Highway Commission, and the Commission shall pay such amount to the railroad as may be shown on said statement after deducting the amount for which the railroad is responsible; and if the work is done by the State Highway Commission, an itemized statement of the total amount expended shall be furnished to the railroad, and the railroad shall pay to the State Highway Commission such part thereof as the railroad may be responsible for as herein provided; such payment by the railroad shall be under such rules and regulations and by such method as the State Highway Commission may provide.

"Whenever, in the judgment of the State Highway Commission, a grade crossing shall be abolished by the construction either of an underpass or overpass, or the erection of safety devices, if the work is to be done by the railroad or railroads, as herein provided, the said Commission shall give the railroad or railroads notice of its determination in this regard, and direct it or them to commence work upon such underpass or overpass, or device, within a period to be fixed in such notice, and if such work is not commenced in the period specified in the notice, the State Highway Commission is authorized and empowered to carry such highway under or over the tracks of said railroad or to provide gates, alarm signals or other approved safety devices, rendering to the railroad or railroads an itemized account of the cost thereof, and at the completion of the work shall have a valid cause of action against such railroad or railroads for the proportionate part thereof due by the railroad as above provided; Provided, that the payment by such railroad of said proportionate part may be made under such rules and regulations and by such method as the State Highway Commission may provide. If the State Highway Commission shall undertake to do the work, it shall not obstruct or impair the operation of the railroad and shall keep the roadbed and tracks safe for the operation of trains at every stage of the work.

"Sec. 19 (a). The jurisdiction over and control of grade crossings and safety devices upon the State Highway System herein given the State Highway Commission shall be exclusive.
“Sec. 19 (b). From all decisions or determinations made by the State Highway Commission any party affected thereby shall be entitled to an appeal, and the procedure for such appeal shall be the same as provided in chapter twenty-one, Consolidated Statutes, for appeals from decisions and determinations of the Corporation Commission.”

AN ACT TO AMEND SUBCHAPTER 7 OF CHAPTER 136 OF THE PUBLIC LAWS OF 1917, RELATING TO SEWER CONSTRUCTION.

The General Assembly of North Carolina do enact:

That section one, subchapter seven, chapter one hundred thirty-six of the Public Laws of one thousand nine hundred and seventeen, being section twenty-eight hundred and five of the Consolidated Statutes, be amended by adding the following:

Section 1. It is the intention of this act that the powers herein granted to municipalities shall not repeal any special or local law or affect any proceedings under any special or local law relative to providing, constructing, establishing, maintaining or operating any system of sewerage in any municipality, or for the raising of funds therefor, but shall be deemed to be additional and independent legislation for such purposes, and to provide an alternative method of procedure for such purposes, and supplementary to those powers granted municipalities in their charters. In any case in which the provisions of this act are in conflict with the provision of any local statute or charter, then the governing body of any such municipality may, in its discretion, proceed in accordance with the provisions of such local statute or charter, or as an alternative method of procedure in accordance with the provisions of this act.

Sec. 2. When it is proposed by any municipality to provide, construct and establish a system of sewerage, or to provide for the extension of any such system, an order or resolution of the governing body of such municipality at a regular or special meeting shall be made stating generally, or as nearly as may be, the na-
Provision for assessment of cost.

Such governing body may provide that the actual cost of the establishment and construction of such sewerage system, or any extension thereof, shall be assessed upon the lots and parcels of land abutting directly on the lateral mains of such sewerage system, or extension thereof, according to the extent of the respective frontage thereon, by an equal rate per foot of such frontage. Such governing body may provide in such order or resolution that the assessments to be levied in connection with such work may be paid in equal installments covering a period of not exceeding five years. Such order or resolution shall designate by a general description the improvement to be made, and the street or streets, or part or parts thereof, whereon the work is to be effected and the cost thereof to be assessed upon all abutting property and the terms and manner of payment. Such order or resolution after its passage shall be published in a newspaper published in such municipality, or if there be no such newspaper, such order or resolution shall be posted in three public places in such municipality for at least five days.

Sec. 3. Upon the completion of the construction and establishment of any such sewerage system, or of any such extension, the governing body shall compute and ascertain the total cost thereof. The governing body shall thereupon make an assessment of such total cost, and for that purpose shall make out an assessment roll, in which must be entered the names of the persons assessed as far as can be ascertained, and the amount assessed against them respectively, with a brief description of the lots or parcels of land assessed.

Sec. 4. Immediately after such assessment roll has been completed, the governing body shall cause it to be deposited in the office of the clerk of the municipality for inspection by parties interested, and shall cause to be published in the same manner as the order or resolution authorizing such work, a notice of the completion of the assessment roll, setting forth a description in general terms of the improvement, and the time fixed for the meeting of the governing body for a hearing of allegations and objections in respect of the special assessment, such meeting not to be earlier than ten days from the first publication or posting of said notice.

Sec. 5. At the time appointed for that purpose, or at some other time to which it may adjourn, the governing body, or a committee thereof, must hear the allegations and objections of all persons interested, who appear and make proof in relation thereto. The governing body may thereupon correct such assessment roll, either confirm the same or may set it aside, and provide for a new assessment. Whenever the governing body shall confirm an assessment for such a local improvement, the clerk of the
municipality shall enter on the minutes of the governing body the date, hour and minute of such confirmation, and from the time of such confirmation the assessments embraced in the assessment roll shall be a lien on the real property against which the same are assessed, superior to all other liens and encumbrances. After the assessment roll is confirmed a copy of the same must be delivered to the tax collector, or other officer charged with the duty of collecting taxes.

Sec. 6. If a person assessed is dissatisfied with the amount of the charge, he may give notice within ten days after such confirmation that he takes an appeal to the next term of the Superior Court of the county in which the municipality is located, and shall within five days thereafter serve a statement of facts upon which he bases his appeal; but the appeal shall not delay or stop the improvements. The appeal shall be tried at the term of court as other actions at law.

Sec. 7. The governing body may correct, cancel or remit any assessment for a local improvement, and may remit, cancel or adjust the interest or penalties on any such assessment. The governing body has the power when in its judgment there is any irregularity, omission, error or lack of jurisdiction in any of the proceedings relating thereto, to set aside the whole of the local assessment made by it, and thereupon to make a reassessment.

Sec. 8. In the event such governing body of such municipality shall provide that said assessment may be paid in equal annual installments, then and in that event the property owner shall have the option and privilege of paying for the improvement as hereinafore provided for, in cash, or if they should elect and give notice of the fact in writing to the municipality within thirty days after the notice mentioned in the next succeeding section, they shall have the option and privilege of paying the assessment in not less than the number of equal annual installments as may have been determined by the governing body in the original order or resolution authorizing the improvement. Such installments shall bear interest at the rate of six per cent per annum from the date of the confirmation of the assessment roll, and in case of the failure or neglect of any property owner to pay any installment when the same shall become due and payable, then and in that event all of the installment remaining unpaid shall at once become due and payable, and such property shall be sold by the municipality under the same rules, regulations, rights of redemption and savings as are now prescribed by law for the sale of land for unpaid taxes. The whole assessment may be paid at the time of paying any installment by the payment of the principal and the interest accrued to that date.
Notice for payment of assessment.

Interests for non-payment.

Proviso: maturity of installments.

Penalties as for unpaid taxes.

Sec. 9. After the expiration of twenty days from the confirmation of an assessment roll the tax collector, or such other officer of the municipality as the governing body may direct so to do, shall cause to be published in a newspaper, or, if there is no such newspaper, shall cause to be posted in at least three public places therein a notice that any assessment contained in the assessment roll, naming and describing it, may be paid to him at any time before the expiration of thirty days from the first publication of the notice, without any addition. In the event the assessment be not paid within such time the same shall bear interest at the rate of six per cent per annum from the date of the confirmation of the assessment roll and shall become due and payable on the date on which taxes are payable: Provided, that when an assessment is divided into installments, one installment shall become due and payable each year on the date on which taxes are due and payable. If any assessment or installment thereof is not paid when due, it shall be subject to the same penalties as are now prescribed for unpaid taxes, in addition to the interest herein provided for.

Sec. 10. This act shall be in force and effect from and after its ratification.

Ratified this the 6th day of March, A. D. 1923.

The General Assembly of North Carolina do enact:

Section 1. That section five thousand three hundred and twenty-nine be amended by adding at the end thereof the following: "That in any district lands may be included which are not benefited for the agriculture or crop production, or slightly so, but which will receive benefit by improvement in health conditions, and as to such lands the engineer and viewers may assess each tract of land without regard to the ratio and at such a sum per acre as will fairly represent the benefit of such lands. That villages or towns or parts thereof and small parcels of land located outside thereof and used primarily for residence or other specific purposes, and which require drainage, may also be included in
any drainage district which by reason of their improved conditions and the limited area, in each parcel under individual ownership, it is impracticable to fairly assess the benefits to each separate parcel of land by the ratio herein provided, and as to such parcels of land the engineer and viewers may assess each parcel of land without regard to the ratio and at a higher rate per acre respectively by reason of the greater benefits. If the streets or other property owned by any incorporated town or village are likewise benefited by such drainage works, the corporation may be assessed in proportion to such benefits, which assessment shall constitute a liability against the corporation and may be enforced as provided by law."

SEC. 2. That section five thousand three hundred and thirty-three be amended by adding at the end thereof the following: "That in any appeal to the Superior Court in term time or in chambers taken under this section or any other section or provision of the drainage laws of the State, general or local, the same shall have precedence in consideration and trial by the court. If other issues also have precedence in the Superior Court under existing law, the order in which all the same shall be heard shall be determined by the court in the exercise of a sound discretion."

SEC. 3. That section five thousand three hundred and forty be stricken out and repealed, and a new section by the same number be substituted in lieu thereof, as follows: "That the board of drainage commissioners shall appoint a competent drainage engineer of good repute as superintendent of construction, by and with the approval and recommendation of the State Geologist. That such superintendent of construction shall furnish a copy of his monthly and final estimates to the State Geologist, in addition to other copies herein provided, which shall be filed and preserved. In the event of the death, resignation, or removal of the superintendent of construction, his successor shall be appointed in the same manner."

SEC. 4. That section five thousand three hundred and fifty-one be amended by adding after the word "construction" in line seven the following: "not exceeding ten per centum of the estimated actual cost of constructing the drainage works or the contract price thereof if such contract has not been awarded, and."

SEC. 5. That section five thousand three hundred and fifty-four be amended by striking out in lines four, five and six the words "plus an amount sufficient to pay interest on the bond issue for three years next following the date of issue," and that the said section be further amended by striking out the last clause of said section beginning with the words "if the first annual installment" in line thirteen thereof and ending with the words "otherwise provided" in line sixteen.

P. L.—34
SEC. 6. When this excess of drainage tax so levied, assessed and collected shall accumulate so that the aggregate surplus in the hands of the treasurer of the district shall amount to more than fifteen per cent of the total principal of the bonds of the district outstanding and unpaid, then such surplus above fifteen per cent thereof may be available for expenditure by the board of drainage commissioners in the maintenance and upkeep of the drainage work in such district in the manner provided by law; after all the drainage assessments have been collected except the last assessment, if the surplus which has accumulated amounts to more than five per cent of the total issue of bonds of the district, then and in such event the board of drainage commissioners may in their discretion apply such excess above five per cent toward the reduction of the total amount embraced in the last assessment, reducing the same pro rata as to each tract of land embraced in the district, and having regard to the classification, to the end that such reduction shall be fairly and justly made. As to such surplus as shall accumulate in the hands of the treasurer of the district over and above all obligations of the district which may be due, the treasurer is hereby directed to deposit same in some solvent bank or banks at the highest rate of interest obtainable therefor, and the said treasurer shall be authorized, if he deems it necessary, to demand satisfactory
security for such deposits; but the said treasurer shall reserve the right to demand a repayment at any time upon giving not exceeding thirty days notice thereof. Whereas the proceeds of the first drainage assessment may not be collected and in the hands of the treasurer of the district prior to the maturity of the first and second semiannual installments of interest upon the issue of bonds, the treasurer of the district is hereby directed to pay the interest coupons first maturing and also the interest coupons next maturing, if necessary, out of the funds in his hands for the purpose of maintaining the improvement for the period of three years after the completion of the work of construction. As a surplus fund with the treasurer arising out of the annual additional assessment of ten per centum shall accumulate in any one year in excess of fifteen per centum of the total principal of the bonds of the district outstanding and unpaid, as herein provided, the treasurer shall transfer in each of such years such surplus fund to the fund for maintaining the improvement after completion, as a reimbursement of the fund formerly withdrawn therefrom for the payment of the first and second installments of interest coupons until such reimbursement shall be fully made. The treasurer shall thereafter keep separate accounts of the proceeds of such additional ten per cent assessment remaining each year after the payment of all maturing obligations, and also a separate account of the funds provided for maintaining the improvement for the period of three years after completion of improvement and all payments therefrom and reimbursements thereto."

Sec. 7. That section five thousand three hundred and fifty-six be amended by striking out in lines three and four the words "and to the payment of the interest on the bonds for the three years next following the date of issue."

Sec. 8. That section five thousand three hundred and sixty be amended by striking out that part contained in the first fourteen lines of said section, beginning with the words "the Board" at the beginning of said section, and ending with the words "the tenth for the twelfth year" in lines thirteen and fourteen, and substituting in lieu thereof the following: "The board of drainage commissioners shall immediately prepare the assessment rolls or drainage tax lists, giving thereon the names of the owners of land in the district and a brief description of the several tracts of land assessed and the amount of assessment against each tract of land. The first of these assessment rolls shall be due and payable on the first Monday in September following the date of such bonds, and shall provide funds sufficient for the payment of interest on such bonds for one year. The second assessment roll shall make like provision for the payment of the interest for one year. Annual assessment rolls shall thereafter provide funds sufficient to meet the interest for
Assessment upon maturity of installments. one year on the issue of bonds outstanding. Section 1. It is the intention of this act that the powers herein granted to cities for the purpose of improving their streets and improving their drainage and sewer conditions shall be in addition and supplementary to those powers granted in their charters, and in any case in which the provisions of this act are in conflict with the provisions of any local statute or charter, then the governing powers in addition and supplementary to powers in charters. Said governing body shall cause such maps and surveys to be made showing the area of such assessment district and improvements proposed to be made, and of all the lands located in said assessment district, as it may deem necessary. The governing body shall appoint a time and place for its final determination thereof, and cause notice of such time and a brief description of such proposed improvement to be published in some newspaper published in said municipality for not less than ten days prior to said meeting. At said time and place said governing body shall hear such reasons as shall be given for or against the making of such proposed improvement, and it may adjourn such hearing to a subsequent time.

SEC. 3. Whenever a final order shall be made by such governing body creating such assessment district and directing the laying out, opening, extending, altering, straightening or widening any street or alley, or the changing or otherwise improving any channel or watercourse for the purpose of improving the drainage conditions, or the building and construction of any sanitary, storm or trunk sewer lines in any such municipality, also its determination to condemn land, rights, privileges or easements for the purpose of making such proposed improvement, it shall determine what proportion of the estimated cost thereof, if any, shall be assessed against the city at large. After the adoption of such final order, as aforesaid, the governing body of such municipality shall file with the clerk of the Superior Court its petition, praying for the appointment of three commissioners to estimate and assess the expenses of the proposed improvement and to appraise and value the real property, rights, privileges or easements proposed to be taken or condemned for public use, also to appraise the value of the benefits accruing from such improve-
ment to all property as shown and described on the maps or surveys of such assessment district. The petition shall set forth and describe the particular property, rights, privileges or easements proposed to be taken or condemned for the purposes, as aforesaid, also all other property situated and located in said assessment district, as shown on the maps or surveys of same, a copy or copies of which maps or surveys shall be filed with such petition, and such petition shall state the names and addresses of the owner or owners who have any interest in the lands therein which may be affected by the said condemnation or the said assessment of benefits, and whether any of the said owners are minors or without guardians.

Sec. 4. That upon the filing of said petition the clerk of the Superior Court shall issue a summons to the parties interested in the lands, rights, privileges or easements sought to be taken for public use and benefits proposed to be assessed, described in such petition, requiring them to appear at his office in the courthouse of said county on a day at least ten and not more than twenty days after the service of said summons, and answer or otherwise plead to the petition, or show cause why such condemnation, improvement and assessment of benefits should not be made. The said proceeding shall be conducted in all respects as are other special proceedings, and the clerk may issue process and make publication for parties and appoint guardians in like manner as is provided by law in the case of special proceedings.

Sec. 5. The clerk of the Superior Court shall hear the proofs and allegations of the parties, and if no sufficient cause is shown against granting the prayer of the petition, he shall make an order appointing three disinterested competent freeholders of the county as such commissioners. The clerk shall issue a notice of their appointment to the said freeholders, to be served upon them by the sheriff of the county, and, when so notified, they shall, within five days after being sworn to perform the duties which shall devolve upon them, go upon the premises and ascertain the value of the land, rights, privileges or easements to be taken for public use, determine by a majority vote the amount of damages, if any, to be paid for the same. Said commissioners shall also go upon the lots or lands described in the petition and shown on such map or survey of such assessment district, including the land condemned or any remainder thereof, and ascertain and determine by a majority vote the value of the benefits or advantages to such lots or lands accruing from the opening, extending, widening or improving said street or alley, or the changing or improving the channel of any branch or watercourse, or the building and construction of such sanitary, storm or trunk line sewers, both such benefits or advantages as are special to such lots and the benefits or advantages in common with other lots located in said assessment district: Provided, that if, in the judgment of the commis.

sioners, any portion of the benefits accruing to the city at large, then a part of the estimated cost of such improvement, not exceeding the proportion fixed by said governing body in its final order or resolution, shall be assessed upon the city at large. Before making the reports hereinafter referred to the commissioners may take the evidence of witnesses as to the estimated cost of such improvement, the damage to such land or lands so condemned for public use, and the amount that should be paid therefor, and the benefits accruing to all other lands within such assessment district, either special or in common with others, as shown on such map or survey. In making the valuation and assessments aforesaid, the commissioners shall consider the loss or damage that may accrue to the owner or owners of the land condemned by reason of the surrender of the land or easement, and also any benefit or advantage such owner or owners may receive by reason of the making of such improvements, special to his land or in common with other lots located in said assessment district.

Sec. 6. The said commissioners shall make a separate written report of their findings to the clerk of the Superior Court within ten days after notice of their appointment, relative to the land, rights, privileges or easements so condemned, together with the amount to be paid each owner thereof, and upon deposit with the said clerk of the amount determined by said commissioners to be due said owners by such municipality, such land, rights, privileges or easements shall be deemed to be acquired for public use.

Sec. 7. The said commissioners shall make a separate written report of their findings to the clerk of the Superior Court within ten days after notice of their appointment, relative to the benefits or advantages so appraised against said lands located in said assessment district, if any, giving the names of the owners thereof and the amount so appraised against each, with a brief description of the lots or parcels of land so appraised. The clerk shall thereupon deliver to the said governing body of such municipality a certified copy of such appraisal of benefits, which certified copy of appraisal of benefits, upon such receipt by said governing body, shall thereupon become an assessment roll, which the governing body shall cause to be deposited in the office of the clerk of the municipality for inspection by parties interested, and shall cause to be published a notice of the completion of such assessment roll, setting forth a description in general terms of the local improvement, and the time fixed for the meeting of the governing body for the hearing of allegations and objections relative to the adoption of such assessment roll, such meeting not to be earlier than ten days from the first publication of such notice, which publication shall be made in a newspaper published in such municipality. At the time appointed for the purpose, or to some other time to which it may adjourn, the governing body, or a committee thereof, must hear the allegations and objections of
all persons interested who appear and make proof in relation thereto. The governing body may thereupon correct such assessment roll and either confirm the same or may set it aside and provide for a new appraisal of benefits in such proceeding pending before the clerk of the Superior Court. Whenever the governing body may confirm an assessment for such improvement the clerk of the municipality shall enter on the minutes of the governing body the date, hour and minute of such confirmation, and from the time of such confirmation the assessments embraced in the assessment roll shall be a lien on the real property against which the same are assessed, superior to all other liens and encumbrances. Such governing body shall have the power and authority to provide that such assessments may be paid in equal annual installments not exceeding a period of five years.

Sec. 8. If a person assessed is dissatisfied with the amount of the charge, he may give notice of appeal in said proceeding pending before the clerk of the Superior Court as hereinafter provided for. The governing body may correct, cancel or remit any assessment in connection with such improvement. After the assessment roll is confirmed a copy of the same must be delivered to the tax collector or other officer charged with the duty of collecting taxes, and such assessments shall be due and payable on the date on which taxes are payable and shall be collected like other taxes. In the event the governing body authorizes the payment of any assessment by installment, such installments shall bear interest at the rate of six per centum from the date of the confirmation of the assessment roll, and in case of the failure or neglect of any person to pay any such installments when the same shall become due and payable, then and in that event all of the installments remaining unpaid shall at once become due and payable.

Sec. 9. The total value of the benefits assessed against the lots or land situated and located in said assessment district shall not exceed the total net amount of damages to be paid by the municipality to the owner or owners of the land or right condemned, together with the cost of such improvement as estimated by said commissioners. If any party to the proceedings shall be dissatisfied with the report of the commissioners, or the assessment levied by the said governing body, he may file exceptions thereto with the clerk of the Superior Court within ten days after the filing of said report with said clerk, or in the event the appeal be from the levying of the assessment by said governing body, within ten days after the confirmation of such assessment roll by such governing body, and the issues of fact and law raised before the clerk in the said proceedings and upon the said exceptions shall be transferred to the Superior Court for trial in like manner as provided in the case of other special proceedings pending before the clerk; and the said issues shall be tried at the first term after
they are transferred, unless for a good cause shown a trial or hearing of the matter may be continued by the court. From the judgment of the Superior Court rendered in said proceeding any of the parties may appeal to the Supreme Court, as in other cases pending in the Superior Court: Provided, that if such municipality, at the time of the appraisal, shall pay into the court the sum appraised by the commissioners as being due any person for land so condemned and taken for public use, then and in that event such municipality may enter, take possession of and hold said lands notwithstanding the pendency of any appeal, and no appeal either to the Superior Court or the Supreme Court shall hinder or delay such municipality in proceeding with such proposed improvement.

Sec. 10. In all cases of appraisal under this act, whether the mode or manner of procedure is not expressly or sufficiently provided for herein, the court before which such proceedings may be pending shall have the power to make all necessary orders and give proper directions to carry into effect the object and intent of this act, and the practice and procedure in such cases shall conform as nearly as may be to the ordinary practice and procedure in such court.

Sec. 11. When any proceedings for appraisal of property or rights under this act shall have been instituted, no change of ownership or transfer of the real estate, or any interest therein, or of the subject-matter of the appraisal, or any part thereof, shall in any manner affect such proceedings, but the same may be carried on and perfected as if no such conveyance or transfer had been made, or attempted to be made.

Sec. 12. If at any time after proceedings under this act shall have been instituted it shall be found that the title to any property or right proposed to be condemned, or which has been acquired or condemned, is defective, said municipality may proceed anew to acquire or perfect such title in the same manner as if no appraisal had been made, and at any stage of the new proceeding the court may authorize the municipality, if in possession of said property or rights, to continue in possession of the same, and if not in possession, to take possession and use such property or rights during the pendency and until the final conclusion of such new proceedings, and may stay all actions or proceedings against the municipality on account thereof, and in every case any party interested may conduct the proceedings to a conclusion if the municipality delays or omits to prosecute the same.

Sec. 13. If the title to any property, rights, privileges or easements condemned in any proceedings instituted under this act shall prove to be defective, such municipality may by action recover of the person or persons who have received compensation for the property or rights so condemned any loss or damage the city may have sustained by reason of said defect of title, not
exceeding the amount paid as compensation for the taking of said property or rights.

Sec. 14. Where any notice is required to be given in said proceedings before the court and the person to be notified is a nonresident of the county in which said proceedings are pending, the notice may be served by the sheriff or other lawful officer of any county in which the said person may be, and if the said person is a nonresident of the State, the notice may be served by the publication thereof once a week for four weeks in a newspaper published in such municipality, and the affidavit of the publisher, proprietor or foreman of said newspaper that said notice was so published shall be sufficient prima facie evidence or proof of such publication, and the time of notice shall be counted from the last day on which the notice was inserted in said newspaper.

Sec. 15. A copy of the final judgment of the court, duly certified by its clerk, may be registered in the office of the register of deeds for said county, and said copy so certified, or a copy of the registry of such judgment duly certified by the register of deeds, shall be received as evidence in all courts of the State, and where the said copy is offered in evidence in any court not held in the county in which the judgment is rendered, the certificate shall have affixed the official seal of the certifying officer.

Sec. 16. The commissioners appointed by the clerk of the Superior Court to make the appraisals provided for herein shall receive compensation at the rate of five dollars ($5.00) per day each, which compensation shall be taxed in the court costs of such proceedings.

Sec. 17. This act shall be in full force and effect from and after its ratification.

Ratified this the 3d day of March, A. D. 1923.

den on any of the landowners of said district to levy an assessment as heretofore provided in section twenty-nine, chapter four hundred and forty-two, Public Laws of one thousand nine hundred and nine, and amendments thereto, sufficient to do the necessary maintenance or improvement: Provided, that the board of drainage commissioners shall first petition to the clerk of Superior Court of the county in which their drainage district was formed, setting forth the facts that the canals in their districts are not sufficient to afford proper drainage, and that, in the opinion of the board, the said canals need to be reclaned, widened, deepened, or lengthened, or that additional canals should be cut in certain places, and that the said work will cost more than an average of one dollar ($1.00) per acre for all of the lands in the district, and to raise such an amount by levying one assessment would be an unreasonable burden on a part of the landowners of their district, and they ask the court to allow them to issue and sell bonds for a sufficient amount to do the work which is needed to be done.

Sec. 2. Immediately after the presentment of such a petition, the clerk shall appoint a board of viewers (of the same qualifications as is required when a drainage district is first formed) to view the said district over, and report to him (not later than twenty days from date appointed) whether or not any or all of the work asked for in the petition should be done, and whether or not the cost of the work which should be done would be an unreasonable burden on any of the landowners if collected by one assessment, or would it be better to allow a bond issue to cover the work.

Sec. 3. If the board of viewers do not favor the bond issue it will be the duty of the clerk to not allow same, but the petition may be presented again any time after six months. If the board of viewers report that a bond issue is preferable, the clerk shall order the board of viewers to make a profile, the same as is required when a district is first formed, and if it is the opinion of the board of drainage commissioners that, on account of subdivisions, a new map of the district should accompany the profile, then the clerk shall order the board of viewers to make a new map of the district, showing the present landowners, and to reclassify all land which has been subdivided since the original map was made, which has not heretofore been reclassified. Said map and profile shall show the total acres in each class for each tract, whether it has been subdivided or not, to be the same as was shown on the original map before the lands were subdivided. It shall also be the duty of the board of viewers to change any line between two or more landowners which can be proven to their satisfaction was not correctly shown on the original map, but the total acres of each class for the two or more tracts combined must be the same as when shown by the original classifi-
cation. Said map and profile shall be filed with the clerk, together with an estimated cost of the work to be done; they shall be filed with the clerk in the same time and same manner as is required when a district is first formed.

Sec. 4. Any one owning land which has been reclassified by the board of viewers who is dissatisfied with their classification shall have the same redress as has heretofore been provided where divisions of classification have been made by a petition to the clerk or otherwise.

Sec. 5. If in the opinion of the board of drainage commissioners it would help the sale of the maintenance or improvement bonds, or they would deem it necessary under the provision of section fourteen, chapter one hundred and fifty-two, Public Laws of one thousand nine hundred and seventeen, they may, with the approval of the clerk of the Superior Court, add to the amount estimated by the board of viewers a sufficient amount to pay off all outstanding obligations of the district, leaving this their only bond issue.

Sec. 6. The compensation of the board of viewers and their assistants, together with all other expenses in connection with this bond issue, shall be paid in the same manner, the duties and power of the clerk, and the duties and power of the board of drainage commissioners, the bonds shall be advertised and sold, divided into such annual installments, bear such a rate of interest, the landowners shall be given the same notices and the same rights to pay cash, the contract shall be let and supervised, and contractor paid the same, as if this was the original bond issue.

Sec. 7. That all laws and clauses of laws in conflict with this act be and the same are hereby repealed.

Sec. 8. That this act shall be in full force and effect from and after its ratification.

CHAPTER 234

AN ACT TO PROVIDE FOR NECESSARY PRINTING IN THE DEPARTMENT OF SUPERINTENDENT OF PUBLIC INSTRUCTION.

Whereas the General Assembly of one thousand nine hundred and fifteen authorized the department of Superintendent of Public Instruction to expend for the necessary printing in its department a sum not exceeding eighteen thousand dollars ($18,000.00) for each biennial period; and
Whereas the General Assembly of one thousand nine hundred and seventeen authorized the State Board of Examiners and Institute Conductors, a division of the Department of Superintendent of Public Instruction, to have all necessary printing done at the public expense, which necessary printing amounts to about eight thousand dollars ($8,000.00) biennially, which is in addition to the eighteen thousand dollars ($18,000.00) biennial appropriation, making a total appropriation of about twenty-six thousand dollars ($26,000.00) biennially; and

Whereas the cost of printing has greatly increased since one thousand nine hundred and fifteen, and the amount of necessary printing also has been increased by the authority of the General Assembly without making additional appropriations to cover the cost of the same, as a result the Superintendent of Public Instruction has been compelled to reduce public printing to the absolute minimum during the past biennial period, and even with the greatest economy the appropriation for the biennial period ending June thirtieth, one thousand nine hundred and twenty-three, is insufficient, according to careful estimate, by five thousand seven hundred and forty-four dollars ($5,744.00), and the necessary laws and reports required by law cannot be supplied without an appropriation sufficient for these purposes: Now, therefore,

The General Assembly of North Carolina do enact:

SECTION 1. The Department of Superintendent of Public Instruction is hereby allowed to expend from the general fund for the necessary printing of its department a sum not to exceed thirty-five thousand dollars ($35,000.00) for each biennial period, the first biennial period beginning on the first day of July, one thousand nine hundred and twenty-three, and ending June thirtieth, one thousand nine hundred and twenty-five.

Sec. 2. The sum of five thousand seven hundred and forty-four dollars ($5,744.00) is hereby appropriated out of the general fund and the State Treasurer is directed to apply the same to the printing account for the fiscal year one thousand nine hundred and twenty-two—twenty-three for the purpose of paying the indebtedness incurred and providing for other necessary printing for the remainder of the biennial period ending June thirtieth, one thousand nine hundred and twenty-three, in order to carry out the instructions of the General Assembly which require the laws, reports, and blanks to be published and distributed free to school officials.

Sec. 3. That all laws and clauses of laws in conflict with this act are hereby repealed.

Sec. 4. That this act shall be in full force and effect on and after the date of its ratification.

Ratified this the 5th day of March, A. D. 1923.

Sec. 2. That this act shall take effect from and after its ratification.

Ratified this the 5th day of March, A. D. 1923.

The General Assembly of North Carolina do enact:

SECTION 1. Definitions.

The words and phrases used in this act shall be construed as follows, unless the context may otherwise require:

(a) The term "motor vehicles" shall include all vehicles propelled by power other than muscular power, except motorcycles operated by policemen or firemen when on official business and excepting all other motor vehicles, including trucks owned and operated by municipalities, or by the State, or any political subdivision thereof, or by any State institution, or by the Federal
Government. The term "motor vehicle" as used in this act shall not include trucks, traction engines, road rollers, fire wagons, fire engines, police patrol wagons and also such vehicles that run only upon rails or tracks: Provided, that such excepted motor vehicles shall be designated by proper signs or legible markings showing the department of the municipality, State institution, or Federal Government in which said vehicles are employed.

(b) The term "State" as used in this act, except where other- wise expressly provided, shall also include the territories and the Federal Districts of the United States.

(c) The term "owner" shall also include any person, firm, association or corporation renting a motor vehicle or having the exclusive use thereof, under a lease or otherwise, for a period greater than thirty days. As between contract vendor and contract vendee, the term "owner" shall refer to the contract vendee unless the contrary shall clearly appear from the context of this act.

(d) The term "manufacturer" shall include a person, firm, corporation or association engaged in the manufacture of new motor vehicles, as a regular business.

(e) The term "used vehicles" covers a motor vehicle which has been sold, bargained, exchanged, given away or title transferred from the persons who first took out title to it from the manufacturer or importer, and so used as to have become what is commonly known as "second hand" within the ordinary meaning thereof.

(f) The term "dealer" shall embrace any person, firm or corporation or association engaged in the purchase and sale of motor vehicles, or in the leasing of the same for a period of thirty or more successive days.

Sec. 2. Certificate of title for motor vehicles.

After October first, nineteen hundred and twenty-three, no certificate of the registration of any vehicle or number plates therefor, whether original issues or duplicates, shall be issued or furnished by the Secretary of State, or any other officer with such duty, unless the applicant therefor shall at the same time make application for an official certificate of title of such motor vehicle, or shall present satisfactory evidence that such a certificate covering such motor vehicle has been previously issued to the applicant. Said application shall be upon a blank form to be furnished by the Secretary of State and shall contain a full description of the motor vehicle, which said description shall contain the manufacturer's number, the motor number, and any distinguishing marks, together with a statement of the applicant's title and of any liens or encumbrances upon said motor vehicle and such other information as the Secretary of State may require.
The Secretary of State, if satisfied that the applicant is the owner of such motor vehicle, or otherwise entitled to have the same registered in his name, shall thereupon issue to the applicant an appropriate certificate of title over his signature, authenticated by a seal to be procured and used for such purpose. Said certificates shall be numbered consecutively, beginning with number one, and shall contain such description and other evidence of identification of said motor vehicle as the Secretary of State may deem proper, together with a statement of any liens or encumbrances which the application may show to be thereon. The charge for each original certificate of title so issued shall be fifty cents, which charge shall be in addition to the charge for the registration of such motor vehicle. Said certificate shall be good for the life of the car so long as the same is owned or held by the original holder of such certificate, and need not be renewed annually, or at any other time except as herein provided. On or before September first, one thousand nine hundred and twenty-three, it shall be the duty of the Secretary of State to cause to be printed copies of this act, and to make to every person to whom the Secretary of State, or other officer having the duty of registration of motor vehicles, has issued a certificate of registration for the year nineteen hundred twenty-three, one of such printed copies, accompanied by a blank form of application for a certificate of title.

Sec. 3. *New certificate required after sale or transfer.*

In the event of the sale or other transfer in this State after October first, nineteen hundred twenty-three, of the ownership of a motor vehicle for which a certificate of title has been issued as aforesaid, the holder of such certificate shall indorse on the back of same an assignment thereof, with warranty of title, in form printed thereon, with a statement of all liens or encumbrances on said motor vehicle, and deliver the same to the purchaser or transferee at the time of the delivery to him of such motor vehicle. The purchaser or transferee shall within ten days thereafter present such certificate, assigned as aforesaid, to the Secretary of State, accompanied by a fee of fifty cents, whereupon a new certificate of title shall be issued to the assignee. Said certificate, when so assigned and returned to the Secretary of State, together with any subsequent assignments or reissues thereof, shall be retained by the Secretary of State and appropriately filed and indexed, so that at all times it will be practicable to trace title to the motor vehicles designated therein.

Sec. 4. *Certificate of title required to operate motor vehicles.*

The owner or any person, without consent of the owner being first obtained, who shall operate a motor vehicle in this State under a registration number of this State after October first,
one thousand nine hundred and twenty-three, without first having
made application for a certificate of title as herein provided, shall
be guilty of a misdemeanor, and upon conviction thereof shall be
punished by a fine of not less than twenty-five dollars nor more
than one thousand dollars: and from and after October first, one
thousand nine hundred and twenty-three, any person who sells
a motor vehicle without complying with the requirements of sec-
tion three hereof shall be guilty of a misdemeanor, and upon
conviction shall be fined or imprisoned in the discretion of the
court.

face thereof the following data: The name of the registered
owner of the motorcycle or motor vehicle, the owner's postoffice
address, the make of the vehicle, the registered horsepower, the
registration or license number and date of issue of the receipt
of registration. Such receipt of registration shall contain a
blank space for the signature of the registered owner and shall
be signed with ink by such owner immediately upon receipt. Said
receipt of registration shall, at all times, while the motor vehicle
for which it was issued is being operated within this State, be
in the possession of the operator thereof, and shall be subject to
inspection by any peace officer at any time.

Sec. 6. Old certificates to be returned to Secretary of State.
Upon transfer of ownership of any motor vehicle or motor-
cycle, registered under this act, the person in whose name such
motor vehicle or motorcycle is registered shall forthwith deliver,
or forward by registered mail, the receipt of registration to the
Secretary of State, with a statement of the name and postoffice
address of the transferee, and the date of transfer. For failure
to comply with this provision within ten days after the date of
transfer, the transferee, upon conviction, shall be fined not less
than five dollars nor more than fifty dollars.

Sec. 7. Transfer of ownership file to be kept by Secretary of
State. Transferee of title required to make application
for new certificate.
Upon receipt of such old certificate it shall be the duty of the
Secretary of State to file such receipt of registration in a file to
be known as "The transfer of ownership file." Unless the trans-
feree, as shown by the indorsement on the back of the receipt of
registration, applies by mail, or otherwise, within ten days after
the date of transfer of the motor vehicle for certificate of regis-

Secretary of State for such certificate, he shall be considered to be driving a motor vehicle without registration, and upon conviction thereof shall be fined not less than five dollars nor more than fifty dollars.

Sec. 8. Secretary of State may refuse to issue certificate, or revoke same if issued.

If the Secretary of State shall determine at any time that an applicant for a certificate of title of a motor vehicle is not entitled thereto, he may refuse to issue such certificate or to register such vehicle, and may for a like reason, and after notice and hearing, revoke registration already acquired on any outstanding certificate of title.

Sec. 9. Penalty for false statement in application, and possession of stolen motor vehicle, etc.

Any person who shall knowingly make any false statement of a material fact, either in his application for the certificate of title herein provided for or in any assignment thereof, or who, with intent to procure or pass title to a motor vehicle which he knows or has reason to believe has been stolen, shall receive or transfer possession of the same from or to another, or who shall have in his possession any motor vehicle which he knows or has reason to believe has been stolen, and who is not an officer of the law engaged at the time in the performance of his duty as such officer, shall be deemed guilty of a felony, and upon conviction shall be punished by a fine of not less than one hundred dollars nor more than five thousand dollars or by imprisonment in any penal institution within this State for not less than one year nor more than five years, or both, in the discretion of the court. It shall be the duty of the sheriff of every county of the State and of the chief of police or commissioner of police of every city having a population of more than ten thousand to make immediate report to the Secretary of State of all motor vehicles reported to him as stolen or recovered, upon forms provided by the Secretary of State. The Secretary of State shall have the power to make suitable rules and regulations for the issuance of such licenses to expire upon the first day of January of the succeeding year, when the application therefor shall be made during the current year, and upon payment of a license fee of three dollars ($3.00) : Provided, application is made after July first of any year. Any person conducting the business of buying, selling or dealing in used vehicles and having received a license therefor, shall, before removing any one or more of his places of business, or shall, before opening any additional places of business, apply to the Secretary of State for and obtain a supplemental license, for which no fee shall be charged. Every such licensee shall keep a book or record in such form as may be prescribed or approved by the Secretary of State, in which he shall keep a record of the purchase, sale or exchange, or receipt for the purpose of sale, of any second-hand vehicle, a description

Such regulations may provide that a board of adjustment may determine and vary their application in harmony with their general purpose and intent and in accordance with general or specific rules therein contained.

SEC. 2. Districts.

For any or all said purposes it may divide the municipality into districts of such number, shape and area as may be deemed best suited to carry out the purposes of this act; and within such districts it may regulate and restrict the erection, construction, reconstruction, alteration, repair or use of buildings, structures or land. All such regulations shall be uniform for each class or kind of buildings throughout each district, but the regulations in one district may differ from those in other districts.
Sec. 3. Purposes in view.

Such regulations shall be made in accordance with a comprehensive plan and designed to lessen congestion in the streets; to secure safety from fire, panic and other dangers; to promote health and the general welfare; to provide adequate light and air; to prevent the overconcentration of population; to facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements. Such regulations shall be made with reasonable consideration, among other things, as to the character of the district and its peculiar suitability for particular uses, and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout such municipality.

Sec. 4. Method of procedure.

The legislative body of such municipality shall provide for the manner in which such regulations and restrictions and the boundaries of such districts shall be determined, established and enforced, and from time to time amended, supplemented or changed. However, no such regulation, restriction or boundary shall become effective until after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. At least fifteen days notice of the time and place of such hearing shall be published in an official paper or a paper of general circulation in such municipality.

Sec. 5. Changes.

Such regulations, restrictions and boundaries may from time to time be amended, supplemented, changed, modified or repealed. In case, however, of a protest against such change signed by the owners of twenty per cent or more either of the area of the lots included in such proposed change or of those immediately adjacent in the rear thereof extending one hundred feet therefrom, or of those directly opposite thereto extending one hundred feet from the street frontage of such opposite lots, such amendment shall not become effective except by the favorable vote of three-fourths of all the members of the legislative body of such municipality. The provisions of the previous section relative to public hearings and official notice shall apply equally to all changes or amendments.

In order to avail itself of the powers conferred by this act, such legislative body shall appoint a commission to be known as the Zoning Commission to recommend the boundaries of the various original districts and appropriate regulations to be enforced therein. It shall also hear and decide all matters referred to it or upon which it is required to pass under any such ordinance. The concurring vote of four members of the board shall be necessary to reverse any order, requirement, decision or determination of any such administrative official, or to decide in favor of the applicant any matter upon which it is required to pass under any such ordinance or to effect any variation in such ordinance. Every decision of such board shall, however, be subject to review by proceedings in the nature of certiorari. Such appeal may be taken by any person aggrieved or by an officer, department, board or bureau of the municipality. Such appeal shall be taken within such time as shall be prescribed by the board of adjustment by general rule, by filing with the officer from whom the appeal is taken and with the board of adjustment a notice of appeal, specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board all the papers constituting the record upon which the action appealed from was taken.

An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the board of adjustment, after the notice of appeal shall have been filed with him, that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property, in which case proceedings shall not be stayed otherwise than by a restraining order, which may be granted by the board of adjustment or by a court of record on application, on notice to the officer from whom the appeal is taken and on due cause shown.

The board of adjustment shall fix a reasonable time for the hearing of the appeal and give due notice thereof to the parties, and decide the same within a reasonable time. Upon the hearing, any party may appear in person or by agent or by attorney. The board of adjustment may reverse or affirm, wholly or party, or may modify the order, requirement, decision or determination appealed from, and shall make such order, require-
made in the premises, and to that end shall have all the powers of the officer from whom the appeal is taken. Where there are practical difficulties or unnecessary hardship in the way of carrying out the strict letter of such ordinance, the board of adjustment shall have the power, in passing upon appeals, to vary or modify any of the regulations or provisions of such ordinance relating to the use, construction or alteration of buildings or structures of the use of land, so that the spirit of the ordinance shall be observed, public safety and welfare secured and substantial justice done.

Sec. 8. Remedies.

In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained, or any building, structure or land is used in violation of this act or of any ordinance or other regulation made under authority conferred thereby, the proper local authorities of the municipality, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance or use, to restrain, correct or abate such violation, to prevent the occupancy of said building, structure or land, or to prevent any illegal act, conduct, business or use in or about such premises.

Sec. 9. Conflict with other laws.

Wherever the regulations made under authority of this act require a greater width or size of yards or courts, or require a lower height of building or less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required in any other statute or local ordinance or regulation, the provisions of the regulations made under authority of this act shall govern. Sec. 10. When effective.

This act shall take effect from and after its ratification.

Sec. 11. Other statutes not repealed.

Section 1. That the boards of county commissioners of the several counties of the State are hereby authorized, in their discretion, to make an allowance to any eligible mother (as hereinafter explained and defined) for her support, where she is left with a child or children under fourteen years of age, under the conditions hereinafter set forth.

Sec. 2. That the county board of charities and public welfare of any county, after investigation by the county superintendent of welfare, may determine what amount within the provisions

Sec. 3. That the maximum amount to be allowed per month under this act shall not exceed fifteen dollars for one child, ten dollars additional for the second child, and five dollars additional for the third child, or any excess of three: Provided, the total amount shall not exceed forty dollars, except in extraordinary circumstances in which it appears to the satisfaction of the board of county commissioners that a total of forty dollars per month would be insufficient to secure the purposes above set forth.

Sec. 5. That any board of county commissioners taking advantage of the provisions of this statute may require that the report of the investigation of the county superintendent of welfare in every case shall be presented to and approved by the judge of the juvenile court in that county before making an appropriation.

Sec. 6. That the State Board of Charities and Public Welfare shall have general oversight of the administration of this act with the view to making it uniform throughout the State; shall furnish all necessary blanks and give such advice and help as it can in order to aid in efficiently securing its purpose. Sec. 7. That after investigation by the county welfare officer, when the board of county commissioners shall adjudge that a mother is entitled to aid under this act, said board of county commissioners shall determine the monthly amount that the board of county commissioners may allow, and order its treasurer in writing to pay said amount to the person designated by it, and continue the same monthly until the order be changed or the expiration of the time for which the order is limited.

Sec. 8. That at the end of each fiscal quarter the treasurer of the county wherein aid has been granted shall furnish an itemized statement in each case of amounts paid, duly certified by him under oath, to the State Board of Charities and Public Welfare. If each case thereon shall have been approved by the State Board of Charities and Public Welfare and all required regulations of this act shall have been fulfilled, the State Board of Charities and Public Welfare shall certify the account to the State Treasurer, whereupon the State Treasurer shall immediately make out and forward to such county treasurer his voucher for one-half of the total amount certified as having actually been paid out by the county. Whereas his Excellency, Warren G. Harding, President of the United States, in a letter dated February twenty-first, one thousand nine hundred and twenty-three, directed to the National Conference of Cotton Men now assembled in Atlanta, Georgia, has proposed that the cotton states unite under an interstate treaty for the purpose of cooperating and coordinating their forces in fighting insect pests, particularly the boll weevil, which proposal has received and should receive prompt acceptance by the cotton-producing states; and

Whereas his Excellency, Thomas W. Hardwick, Governor of the State of Georgia, in response to the proposal of the President of the United States, has signified his intention of suggesting to the various governors of the cotton-producing states a conference by and between them for the purpose of formulating and agreeing upon a plan providing for a permanent commission for the handling of problems of pest control and other problems of common concern to the cotton industry; and

Whereas the General Assembly of North Carolina, at the one thousand nine hundred and twenty-two session, by a joint resolution, instructed the Governor of North Carolina to appoint a commission and to request the governors of the other cotton-producing states to do likewise, in order that, at a joint conference by and between the commissions representing the various cotton-producing states, a plan might be formulated and agreed upon for concert of action in coordinating the work of handling and settling of common problems relating to the cotton industry of the Southern States; and

tion in accordance with the principle approved at the New Orleans meeting; and

Whereas the governors of all the cotton-producing states indorsed the principle approved at the New Orleans conference and appointed other commissions to represent their respective states, for the purpose of formulating a plan of action. The said commissions met in Memphis, Tennessee, December fifth, one thousand nine hundred and twenty-two, and worked out and agreed upon a uniform bill to be introduced in the legislatures of each of the cotton-growing states, which bill provides for the appointment of three commissioners from each state; to meet semianually, or oftener if necessary; to consider the problems relating to the cotton area; for the establishment of a central bureau, through which the cotton-producing area can function as a whole in respect to problems of common concern to the industry, which problems cannot be handled by the individual states; for the continuation of this concert of action for a period of six years between the cotton-producing states; and

Whereas the General Assembly of North Carolina has at its present session adopted the said uniform bill agreed upon, and has provided for the appointment of three commissioners to represent North Carolina on the commission, to be effective after five other states have adopted similar bills; and

Whereas the general assemblies of the states of South Carolina, Arkansas, Tennessee, Texas, Oklahoma and Missouri are now in session, at which sessions there will probably be introduced a bill similar to the one just adopted by the General Assembly of North Carolina: Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

Hardwick, Governor of the State of Georgia, to utilize the machinery provided for in said bills as a means of carrying out the proposal of the President of the United States and himself, for cooperation between the cotton-producing states in matters affecting the cotton industry.
Third. That the Governor of North Carolina be and is hereby instructed to transmit a copy of these resolutions, together with a copy of House Bill number one hundred and thirty-eight, adopted at this session, to his Excellency, Warren G. Harding, President of the United States; to Honorable Henry C. Wallace, Secretary of Agriculture of the United States; and to his Excellency, Thomas W. Hardwick, Governor of Georgia; and to the presiding officers of the general assemblies of the states of Georgia, Arkansas, South Carolina, Tennessee, Texas, Oklahoma and Missouri.
