CONSTITUTION
OF THE
State of North Carolina

PREAMBLE

We, the people of the State of North Carolina, grateful to Almighty God, the Sovereign Ruler of Nations, for the preservation of the American Union and the existence of our civil, political, and religious liberties, and acknowledging our dependence upon Him for the continuance of those blessings to us and our posterity, do, for the more certain security thereof and for the better government of this State, ordain and establish this Constitution:

ARTICLE I

DECLARATION OF RIGHTS

That the great, general, and essential principles of liberty and free government may be recognized and established, and that the relations of this State to the Union and Government of the United States, and those of the people of this State to the rest of the American people, may be defined and affirmed, we do declare:

SECTION 1. The equality and rights of men. That we hold it to be self-evident that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness.

SEC. 2. Political power and government. That all political power is vested in, and derived from, the people; all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.

SEC. 3. Internal government of the State. That the people of this State have the inherent, sole and exclusive right of regulating the internal government and policies thereof, and of altering and abolishing their Constitution and form of government whenever it may be necessary for their safety and happiness; but every such right should be exercised in pursuance of the law, and consistently with the Constitution of the United States.

SEC. 4. That there is no right to secede. That this State shall ever remain a member of the American Union; that the people thereof are a part of the American Nation; that there is no right on the part of the State to secede, and that all attempts, from
SEC. 5. Of allegiance to the United States Government. That every citizen of this State owes paramount allegiance to the Constitution and Government of the United States, and that no law or ordinance of the State in contravention or subversion thereof can have any binding force.

SEC. 6. Public debt; bonds issued under ordinance of Convention of 1868, '68-'69, '69-'70, declared invalid; exception. The State shall never assume or pay, or authorize the collection of any debt or obligation, express or implied, incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave; nor shall the General Assembly assume or pay, or authorize the collection of any tax to pay, either directly or indirectly, expressed or implied, any debt or bond incurred, or issued, by authority of the Convention of the year one thousand eight hundred and sixty-eight, nor any debt or bond incurred or issued by the Legislature of the year one thousand eight hundred and sixty-eight, either at its special session of the year one thousand eight hundred and sixty-eight, or at its regular sessions of the years one thousand eight hundred and sixty-eight and one thousand eight hundred and sixty-nine, and one thousand eight hundred and sixty-nine and one thousand eight hundred and seventy, except the bonds issued to fund the interest on the old debt of the State, unless the proposing to pay the same shall have first been submitted to the people, and by them ratified by the vote of a majority of all the qualified voters of the State at a regular election held for that purpose.

SEC. 7. Exclusive emoluments, etc. No man or set of men are entitled to exclusive or separate emoluments or privileges from the community but in consideration of public services.

SEC. 8. The legislative, executive, and judicial powers distinct. The legislative, executive, and supreme judicial powers of the government ought to be forever separate and distinct from each other.

SEC. 9. Of the power of suspending laws. All power of suspending laws, or execution of laws, by any authority, without the consent of the representatives of the people, is injurious to their rights, and ought not to be exercised.

SEC. 10. Election free. All elections ought to be free.

SEC. 11. In criminal prosecutions. In all criminal prosecutions every man has the right to be informed of the accusation against him, and to confront the accusers and witnesses with other testi-
mony, and to have counsel for his defense, and not be compelled
to give evidence against himself, or to pay costs, jail fees, or
necessary witness fees of the defense, unless found guilty.

SEC. 12. Answers to criminal charges. No person shall be put
to answer any criminal charge except as hereinafter allowed, but
by indictment, presentment, or impeachment.

SEC. 13. Right of jury. No person shall be convicted of any
crime but by the unanimous verdict of a jury of good and lawful
men in open court. The Legislature may, however, provide other
means of trial for petty misdemeanors, with the right of appeal.

SEC. 14. Excessive bail. Excessive bail should not be required,
nor excessive fines imposed, nor cruel or unusual punishment
inflicted.

SEC. 15. General warrants. General warrants, whereby any
officer or messenger may be commanded to search suspected
places, without evidence of the act committed, or to seize any per-
son or persons not named, whose offense is not particularly
described and supported by evidence, are dangerous to liberty, and
ought not to be granted.

SEC. 16. Imprisonment for debt. There shall be no imprison-
ment for debt in this State, except in cases of fraud.

SEC. 17. No person taken, etc., but by law of the land. No per-
son ought to be taken, imprisoned, or disseized of his freehold,
liberties or privileges, or outlawed or exiled, or in any manner
deprived of his life, liberty, or property but by the law of the land.

SEC. 18. Persons restrained of liberty. Every person restrained
of his liberty is entitled to a remedy to inquire into the lawfulness
thereof, and to remove the same, if unlawful; and such
remedy ought not to be denied or delayed.

SEC. 19. Controversies at law respecting property. In all con-
troversies at law respecting property, the ancient mode of trial
by jury is one of the best securities of the rights of the people,
and ought to remain sacred and inviolable.

SEC. 20. Freedom of the press. The freedom of the press is
one of the great bulwarks of liberty, and therefore ought never
to be restrained, but every individual shall be held responsible for
the abuse of the same.

SEC. 21. Habeas corpus. The privileges of the writ of habeas
corpus shall not be suspended.

SEC. 22. Property qualification. As political rights and privi-
leges are not dependent upon, or modified by, property, therefore
no property qualification ought to affect the right to vote or hold
office.
SEC. 23. Representation and taxation. The people of the State ought not to be taxed, or made subject to the payment of any impost or duty without the consent of themselves, or their representatives in General Assembly, freely given.

SEC. 24. Militia and the right to bear arms. A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed; and, as standing armies in time of peace are dangerous to liberty, they ought not to be kept up, and the military should be kept under strict subordination to, and governed by, the civil power. Nothing herein contained shall justify the practice of carrying concealed weapons, or prevent the Legislature from enacting penal statutes against said practice.

SEC. 25. Right of the people to assemble together. The people have a right to assemble together to consult for their common good, to instruct their representatives, and to apply to the Legislature for redress of grievances. But secret political societies are dangerous to the liberty of a free people, and should not be tolerated.

SEC. 26. Religious liberty. All men have a natural and inalienable right to worship Almighty God according to the dictates of their own consciences, and no human authority should, in any case whatever, control or interfere with the rights of conscience.

SEC. 27. Education. The people have the right to the privilege of education, and it is the duty of the State to guard and maintain that right.

SEC. 28. Elections should be frequent. For redress of grievances, and for amending and strengthening the laws, elections should be often held.

SEC. 29. Recurrence to fundamental principles. A frequent recurrence to fundamental principles is absolutely necessary to preserve the blessings of liberty.

SEC. 30. Hereditary emoluments, etc. No hereditary emoluments, privileges, or honors ought to be granted or conferred in this State.

SEC. 31. Perpetuities, etc. Perpetuities and monopolies are contrary to the genius of a free State, and ought not to be allowed.

SEC. 32. Ex post facto laws. Retrospective laws, punishing acts committed before the existence of such laws, and by them only declared criminal, are oppressive, unjust, and incompatible with liberty; wherefore no ex post facto law ought to be made. No law taxing retrospectively sales, purchases, or other acts previously done, ought to be passed.
SEC. 33. Slavery prohibited. Slavery and involuntary servitude, otherwise than for crime, whereof the parties shall have been duly convicted, shall be, and are hereby, forever prohibited within the State.

SEC. 34. State boundaries. The limits and boundaries of the State shall be and remain as they now are.

SEC. 35. Courts shall be open. All courts shall be open; and every person for an injury done him in his lands, goods, person, or reputation, shall have remedy by due course of law, and right and justice administered without sale, denial, or delay.

SEC. 36. Soldiers in time of peace. No soldier shall, in time of peace, be quartered in any house without the consent of the owner; nor in time of war but in a manner prescribed by law.

SEC. 37. Other rights of the people. This enumeration of rights shall not be construed to impair or deny others retained by the people; and all powers not herein delegated remain with the people.

ARTICLE II

LEGISLATIVE DEPARTMENT

SECTION 1. Two branches. The legislative authority shall be vested in two distinct branches, both dependent on the people, to wit: a Senate and House of Representatives.

SEC. 2. Time of assembling. The Senate and House of Representatives shall meet biennially on the first Wednesday after the first Monday in January next after their election; and, when assembled, shall be denominated the General Assembly. Neither house shall proceed upon public business unless a majority of all the members are actually present.

SEC. 3. Number of Senators. The Senate shall be composed of fifty Senators, biennially chosen by ballot.

SEC. 4. Regulations in relation to districting the State for Senators. The Senate Districts shall be so altered by the General Assembly, at the first session after the return of every enumeration by order of Congress, that each Senate District shall contain, as near as may be, an equal number of inhabitants, excluding aliens and Indians not taxed, and shall remain unaltered until the return of another enumeration, and shall at all times consist of contiguous territory; and no county shall be divided in the formation of a Senate District, unless such county shall be equitably entitled to two or more Senators.

SEC. 5. Regulations in relation to apportionment of representatives. The House of Representatives shall be composed of one hundred and twenty Representatives, biennially chosen by ballot, to be elected by the counties respectively, according to their popu-
laction, and each county shall have at least one Representative in the House of Representatives, although it may not contain the requisite ratio of representation; this apportionment shall be made by the General Assembly at the respective times and periods when the districts of the Senate are hereinbefore directed to be laid off.

SEC. 6. Ratio of representation. In making the apportionment in the House of Representatives, the ratio of representation shall be ascertained by dividing the amount of the population of the State, exclusive of that comprehended within those counties which do not severally contain the one hundred and twentieth part of the population of the State, by the number of Representatives, less the number assigned to such counties; and in ascertaining the number of the population of the State, aliens and Indians not taxed shall not be included. To each county containing the said ratio and not twice the said ratio there shall be assigned one Representative; to each county containing two but not three times the said ratio there shall be assigned two Representatives, and so on progressively, and then the remaining Representatives shall be assigned severally to the counties having the largest fractions.

SEC. 7. Qualifications for senators. Each member of the Senate shall not be less than twenty-five years of age, shall have resided in the State as a citizen two years, and shall have usually resided in the district for which he was chosen one year immediately preceding his election.

SEC. 8. Qualifications for representatives. Each member of the House of Representatives shall be a qualified elector of the State, and shall have resided in the county for which he is chosen for one year immediately preceding his election.

SEC. 9. Election of officers. In the election of all officers whose appointment shall be conferred upon the General Assembly by the Constitution, the vote shall be *viva voce*.

SEC. 10. Powers in relation to divorce and alimony. The General Assembly shall have power to pass general laws regulating divorce and alimony, but shall not have power to grant a divorce or secure alimony in any individual case.

SEC. 11. Private laws in relation to names of persons, etc. The General Assembly shall not have power to pass any private law to alter the name of any person, or to legitimate any person not born in lawful wedlock, or to restore to the rights of citizenship any person convicted of an infamous crime, but shall have power to pass general laws regulating the same.

SEC. 12. Thirty days notice shall be given anterior to passage of private laws. The General Assembly shall not pass any private law, unless it shall be made to appear that thirty days notice
of application to pass such a law shall have been given, under such direction and in such manner as shall be provided by law.

Sec. 13. Vacancies. If vacancies shall occur in the General Assembly by death, resignation, or otherwise, writs of election shall be issued by the Governor under such regulations as may be prescribed by law.

Sec. 14. Revenue. No law shall be passed to raise money on the credit of the State, or to pledge the faith of the State, directly or indirectly, for the payment of any debt, or to impose any tax upon the people of the State, or allow the counties, cities or towns to do so, unless the bill for the purpose shall have been read three several times in each House of the General Assembly and passed three several readings, which readings shall have been on three different days, and agreed to by each House respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal.

Sec. 15. Entails. The General Assembly shall regulate entails in such a manner as to prevent perpetuities.

Sec. 16. Journals. Each House shall keep a journal of its proceedings, which shall be printed and made public immediately after the adjournment of the General Assembly.

Sec. 17. Protest. Any member of either House may dissent from, and protest against, any act or resolve which he may think injurious to the public, or any individual, and have the reasons of his dissent entered on the journal.

Sec. 18. Officers of the House. The House of Representatives shall choose their own Speaker and other officers.

Sec. 19. President of the Senate. The Lieutenant-Governor shall preside in the Senate, but shall have no vote unless it may be equally divided.

Sec. 20. Other senatorial officers. The Senate shall choose its other officers and also a Speaker (pro tempore) in the absence of the Lieutenant-Governor, or when he shall exercise the office of Governor.

Sec. 21. Style of the acts. The style of the acts shall be: "The General Assembly of North Carolina do enact."

JUDICIAL DEPARTMENT

SECTION 1. Abolishes the distinction between actions at law and suits in equity, and feigned issues. The distinction between actions at law and suits in equity, and the forms of all such actions and suits, shall be abolished; and there shall be in this State but one form of action for the enforcement or protection of private rights or the redress of private wrongs, which shall be denominated a civil action; and every action prosecuted by the people of the State as a party, against a person charged with a public offense, for the punishment of the same, shall be termed a
criminal action. Feigned issues shall also be abolished, and the facts at issue tried by order of court before a jury.

SEC. 2. **Division of judicial powers.** The judicial power of the State shall be vested in a Court for the Trial of Impeachments, a Supreme Court, Superior Courts, Courts of Justices of the Peace, and such other courts inferior to the Supreme Court as may be established by law.

SEC. 3. **Trial court of impeachment.** The Court for the Trial of Impeachments shall be the Senate. A majority of the members shall be necessary to a quorum, and the judgment shall not extend beyond removal from and disqualification to hold office in this State; but the party shall be liable to indictment and punishment according to law.

SEC. 4. **Impeachment.** The House of Representatives solely shall have the power of impeaching. No person shall be convicted without the concurrence of two-thirds of the Senators present. When the Governor is impeached, the Chief Justice shall preside.

SEC. 5. **Treason against the State.** Treason against the State shall consist only in levying war against it, or adhering to its enemies, giving them aid and comfort. No decision of any division shall become the judgment of the Court unless concurred in by a majority of all the Justices; and no case involving a construction of the Constitution of the State or of the United States shall be decided except by the Court _en bloc_. All sessions of the Court shall be held in the city of Raleigh. This amendment made to the Constitution of North Carolina shall not have the effect to vacate any office or term of office now existing under the Constitution of the State, and filled or held by virtue of any election or appointment under the said Constitution, and the laws of the State made in pursuance thereof.

The State shall be divided into nine judicial districts, for each of which a judge shall be chosen; and there shall be held a Superior Court in each county at least twice in each year, to continue for such time in each county as may be prescribed by law. But the General Assembly may reduce or increase the number of districts.

The judges shall preside in the courts of the different districts successively, but no judge shall hold the courts in the same district oftener than once in four years; but in case of the protracted illness of the judge assigned to preside in any district, or of any other unavoidable accident to him, by reason of which he shall be unable to preside, the Governor may require any judge to hold one or more specified terms in said district, in lieu of the judge assigned to hold the courts of the said district; and the General Assembly may by general laws provide for the selection of special or emergency judges to hold the Superior Courts of any county, or district, when the judge assigned thereto, by reason of sickness, disability, or other cause, is unable to attend and hold said court, and when no other judge is available to hold the same. Such special or emergency judges shall have the power and authority of regular judges of the Superior Courts, in the courts which they are so appointed to hold; and the General Assembly shall provide for their reasonable compensation.

SEC. 12. Jurisdiction of courts inferior to Supreme Court. The General Assembly shall have no power to deprive the Judicial Department of any power or jurisdiction which rightfully pertains to it as a co-ordinate department of the government; but the General Assembly shall allot and distribute that portion of this power and jurisdiction which does not pertain to the Supreme Court among the other courts prescribed in this Constitution or which may be established by law, in such manner as it may deem best; provide also a proper system of appeals; and regulate by
law, when necessary, the methods of proceeding in the exercise of their powers of all the courts below the Supreme Court, so far as the same may be done without conflict with other provisions of this Constitution.

SEC. 13. In case of waiver of trial by jury. In all issues of fact, joined in any court, the parties may waive the right to have the same determined by a jury; in which case the finding of the judge upon the facts shall have the force and effect of a verdict by a jury.

State, as is provided for the election of members of the General Assembly. They shall hold their offices for eight years. The judges of the Superior Courts, elected at the first election under this amendment, shall be elected in like manner as is provided for Justices of the Supreme Court, and shall hold their offices for eight years. The General Assembly may, from time to time, provide by law that the judges of the Superior Courts, chosen at succeeding elections, instead of being elected by the voters of the whole State, as is herein provided for, shall be elected by the voters of their respective districts.

SEC. 22. Transaction of business in the Superior Courts. The Superior Courts shall be, at all times, open for the transaction of all business within their jurisdiction, except the trial of issues of fact requiring a jury.

SEC. 23. Solicitors for each judicial district. A solicitor shall be elected for each judicial district, by the qualified voters thereof, as is prescribed for members of the General Assembly, who shall hold office for the term of four years, and prosecute on behalf of the State, in all criminal actions in the Superior Courts, and advise the officers of justice in his district.

SEC. 25. Vacancies. All vacancies occurring in the offices provided for by this article of the Constitution shall be filled by the appointments of the Governor, unless otherwise provided for, and the appointees shall hold their places until the next regular election for members of the General Assembly, when elections shall be held to fill such offices. If any person, elected or appointed to any of said offices, shall neglect and fail to qualify, such offices shall be appointed to, held and filled as provided in case of vacancies occurring therein. All incumbents of said offices shall hold until their successors are qualified.

SEC. 26. Terms of office of first officers. The officers elected at the first election held under this Constitution shall hold their offices for the terms prescribed for them, respectively, next ensuing after the next regular election for members of the General Assembly. But their terms shall begin upon the approval of this Constitution by the Congress of the United States.
Sec. 27. Jurisdiction of justices of the peace. The several justices of the peace shall have jurisdiction, under such regulations as the General Assembly shall prescribe, of civil actions, founded on contract, wherein the sum demanded shall not exceed two hundred dollars, and wherein the title to real estate shall not be in controversy; and of all criminal matters arising within their counties where the punishment cannot exceed a fine of fifty dollars or imprisonment for thirty days. And the General Assembly may give to the justices of the peace jurisdiction of other civil actions wherein the value of the property in controversy does not exceed fifty dollars. When an issue of fact shall be joined before a justice, on demand of either party thereto, he shall cause a jury of six men to be summoned, who shall try the same. The party against whom the judgment shall be rendered in any civil action may appeal to the Superior Court from the same. any pecuniary liability thereon. No holder or holders of any such bonds shall ever have the right to compel any exercise of the taxing power of the municipality to pay any such bonds or the interest thereon; nor to enforce payment thereof against any property of the municipality; nor shall any such bonds constitute a charge, lien, or encumbrance, legal or equitable, upon any property of the municipality. Every bond issued under this Act shall contain a statement on its face that “this bond is not a debt of .................................................., but is payable solely from the revenues of the undertaking for which it is issued, as provided by law and the proceedings in accordance therewith, and the holder hereof has no right to compel the levy of any tax for the payment of this bond or the interest to accrue hereon and has no charge, lien or encumbrance legal or equitable upon any property of said ..................................................”.

SEC. 8. Right to Receivership Upon Default.

(a) In the event that the municipality shall default in the payment of the principal or interest on any of the bonds after the same shall become due, whether at maturity or upon call for redemption, and such default shall continue for a period of thirty days; or in the event that the municipality or the governing body, or officers, agents, or employees thereof shall fail or refuse to comply with the provisions of this Act or shall default in any agreement made with the holders of the bonds, any holders of bonds or trustee therefor shall have the right to apply in an appropriate judicial proceeding to the Superior Court of the County in which the municipality is located or any court of competent jurisdiction for the appointment of a receiver of the undertaking, whether or not all bonds have been declared due and payable and whether or not such holder, or trustee therefor, is seeking or has sought to enforce any other right, or exercise any remedy in connection with such bonds. Upon such application the Superior Court or any other court of competent jurisdiction may appoint, and if the application is made by the holders of twenty-five per centum in principal amount of such bonds then outstanding, or any trustee for holders of such bonds in such principal amount, shall appoint a receiver of the undertaking.

(b) The receiver so appointed shall forthwith, directly or by his agents and attorneys, enter into and upon and take possession of the undertaking and each and every part thereof and may exclude the municipality, its governing body, officers, agents, and employees and all persons claiming under them wholly therefrom and shall have, hold, use, operate, manage and control the same and each and every part thereof, and, in the name of the municipality or otherwise, as the receiver may deem best, and shall exercise all the rights and powers of the municipality with respect to the undertaking as the municipality
itself might do. Such receiver shall maintain, restore, insure and keep insured, the undertaking, and from time to time shall make all such necessary or proper repairs as to such receiver may seem expedient and shall establish, levy, maintain and collect such fees, tolls, rentals, and other charges in connection with the undertaking as such receiver may deem necessary or proper and reasonable, and shall collect and receive all revenues and shall deposit the same in a separate account and apply such revenues so collected and received in such manner as the court shall direct.

(c) Whenever all that is due upon the bonds and interest thereon, and upon any other notes, or other obligations, and interest thereon, having a charge, lien, or other encumbrance on the revenues of the undertaking and under any of the terms of any covenants or agreements with holders of bonds shall have been paid or deposited as provided therein, and all defaults shall have been cured and made good, the court may in its discretion, and after such notice and hearing as it deems reasonable and proper, direct the receiver to surrender possession of the undertaking to the municipality, the same right of the holders of the bonds to secure the appointment of a receiver to exist upon any subsequent default as hereinabove provided.

(d) Such receiver shall in the performance of the powers hereinabove conferred upon him, act under the direction and supervision of the court making such appointment and shall at all times be subject to the orders and decrees of such court and may be removed thereby. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any functions specifically set forth herein.

Sec. 9. Approval of State Agencies and Sale of Bonds by Local Government Commission. All revenue bonds issued pursuant to this Act shall be approved and sold by the Local Government Commission in the same manner as municipal bonds are approved and sold by that Commission, except that the said Commission may sell any bonds issued pursuant to this Act to the United States of America, or any agency thereof, at private sale and without advertisement. The General Assembly hereby declares its intention that the limitations of the amount or percentage of, and the restrictions relating to indebtedness of a municipality and the incurring thereof contained in the constitution of the State and in any general, special or local law shall not apply to bonds or interim receipts and the issuance thereof under this Act.

That Section four, Subsection (d) paragraph three of Chapter one of the Public Laws of the Extra Session of one thousand nine hundred thirty-six, known as the "Unemployment Compensation Law", be, and the same is hereby amended by adding the following to the end of said paragraph after the semicolon: "Provided, that this shall not apply to any benefit year beginning on or after January first, one thousand nine hundred thirty-nine, and provided, also, that any individual whose benefit year begins on or after January first, one thousand nine hundred thirty-nine, who has accumulated such two waiting period weeks within his benefit year, as provided in Subsection (d) hereof, shall not be required to accumulate any more waiting period weeks during his benefit year".

SEC. 5. That Section four, Subsection (e) of Chapter one of the Public Laws of the Extra Session of one thousand nine hundred thirty-six, known as the "Unemployment Compensation Law", be, and the same is hereby amended by adding the following to the end of said subsection: "Provided, that this shall not apply to any benefit year beginning on or after January first, one thousand nine hundred thirty-nine".

SEC. 6. That Section seven of Chapter one of the Public Laws of the Extra Session of one thousand nine hundred thirty-six, known as the "Unemployment Compensation Law", be, and the same is hereby amended by striking out subsection (c) and by inserting in lieu thereof the following subsections:

"(c) The Commission shall maintain a separate account for each employer and shall credit his account with all the contributions which he has paid or is paid on his own behalf. On and after January first, one thousand nine hundred thirty-nine, the Commission shall establish and maintain an employer's 'reserve account' for each employer subject to this Act, to which account the Commission shall credit out of the Unemployment Compensation Fund an amount equal to fifty per cent of the contributions paid by such employers pursuant to Section seven (b) with respect to employment during the calendar year one thousand nine hundred thirty-eight for the purpose of paying out of such accounts compensation payable
to all eligible individuals in accord with the provisions of paragraph (1) of this subsection. To these ‘reserve accounts’ shall also be credited seventy-five per cent of all contributions paid for each calendar year pursuant to this Act from and after January first, one thousand nine hundred thirty-nine, the remaining twenty-five per cent of the contributions to be credited to the ‘pooled account’ except as hereinafter provided. Provided, further, that no provision of this subsection shall in any way be subject to or affected by any provisions of the Executive Budget Act, Chapter eighty-nine, Public Laws one thousand nine hundred twenty-five, as amended.

“(1) Beginning January first, one thousand nine hundred thirty-nine, all benefit payments for weeks of total unemployment made during each calendar year to any eligible individual shall be paid out of the reserve account of such individual’s employer or employers by whom he was employed during his base period. In accordance with the regulations of the Commission, such payments shall be charged against all employers of such individuals during his base period at the same ratio the wages payable by each employer bears to the total wages payable by all employers during the base period. For the purpose of this section, a person is deemed to be ‘totally unemployed’ if he earns no more than remuneration for odd jobs or subsidiary work. Except as provided hereafter, all benefit payments made after January first, one thousand nine hundred thirty-nine, during a calendar year for weeks of partial unemployment shall be paid out of the reserve accounts of employers by whom the eligible individuals are employed during the week or weeks of partial unemployment and whose action in reducing such individual’s hours of work resulted in his becoming partially unemployed. For the purpose of this subsection weeks of partial unemployment shall be those weeks during which the individual works less than sixty per cent of schedule full time and earns less than the ineligible amount shown in Column III of Section three (b) of this Act, in his regular employment. Any other weeks in which an individual is partially unemployed for the purpose of this subsection shall be paid out of the reserve accounts and charged against employers as is provided for total unemployment here-in. In the event that an employer’s credits in his reserve account become exhausted through the payment of benefits chargeable to such account, the benefit payments which are chargeable to such account shall be paid out of the ‘pooled’ account and at the same time the reserve account of the employer shall be debited accordingly.

“(2) As of the close of each calendar year and as soon thereafter as possible the Commission shall determine the balance to the credit of each employer in his reserve account and shall furnish him with a statement of all charges and credits
the... If during any calendar year the Commission finds an employer’s credit balance is equal to an amount not less than five times the largest amount of compensation paid from such account within any one of the three preceding calendar years or not less than seven and one-half per cent of the total wages payable by him with respect to employment in the preceding calendar year, whichever is the greater, the Commission shall allow credit on contributions paid or payable for the then current calendar year in an amount not to exceed seventy-five per cent of such contributions provided that no such credit can be allowed to any employer unless compensation has been payable from such accounts through the preceding calendar year. Where credit is allowed on contributions paid or payable, twenty-five per cent of the contributions paid or payable shall be credited to the ‘pooled’ account, and not to the employer’s reserve account. In accordance with such regulations as the Commission may prescribe, the amount of credit to be allowed shall be the difference between seventy-five per cent of the contributions paid or payable for the calendar year and the amount necessary to maintain the employer’s reserve account at not less than five times the largest amount of compensation paid from such account within any one of the three preceding calendar years or not less than seven and one-half per cent of the total wages payable by him with respect to employment in the preceding calendar year, whichever is the greater. Provided, however, that should the Commission be of the opinion that the balance to the credit of the ‘pooled’ account is insufficient to provide adequate security in the payment of all compensation to all eligible individuals, it shall direct such fact to the attention of the Council of State, and, upon finding of the Council that such a situation exists and declaration that emergency steps are advisable, the Commission is hereby authorized and empowered to reduce the maximum credit allowable under this section on contributions paid or payable to any employer to an amount not to exceed forty per cent of the contributions payable during any calendar year and to pay into and credit the ‘pooled’ account with sixty per cent of such contributions.

“(3) The Commission may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by one or more employers having the relationship of parent and subsidiary companies. Any employer who is or becomes subject to the provisions of this Act under the terms of Section nineteen (f), whose organization, trade or business, or substantially all the assets thereof are transferred by sale, lease or otherwise shall have the privilege of transferring to his successor or assignee the reserve account herein established for such employer except that the purchaser, lessee or assignee shall not be entitled to any credit as provided herein

Allowance of credit on contributions.

Percentage payable to ‘pooled’ account.

Determination of amount of credit allowable.

Provision for reduction of maximum credits.

Regulations for maintenance and dissolution of joint accounts.

Transfer of reserve account to successor or assign.
except where compensation has been payable from such account throughout one previous calendar year and that after such condition has been met the reserve account then meets all other conditions as prescribed hereinbefore. Notice of such transfers shall be given to the Commission immediately. The Commission may make the provisions to govern such transfers of reserve accounts. In the event any employer subject to this Act ceases to be such an employer through the termination of coverage as provided in Section eight of this Act, the reserve account standing to the credit of such employer shall immediately upon such termination of coverage revert to the pooled fund established herein and the reserve account shall be closed.

“(d) In order that the Commission shall be kept informed at all times on the circumstances and conditions of unemployment within the State and as to whether the stability of the fund is being impaired under the operation and effect of the system provided in subsection (c) of this section, the actuarial study now in progress shall be continued and such other investigations and studies of a similar nature as the Commission may deem necessary shall be made.”

SEC. 7. That Section nine, Subsection (a) of Chapter one of the Public Laws of the Extra Session of one thousand nine hundred thirty-six, known as the “Unemployment Compensation Law”, be, and the same is hereby amended by adding to the end of said section the following: “except that within the Unemployment Compensation Fund ‘reserve accounts’ shall be maintained as provided in Section seven (c) hereof. The remaining portion and additions thereto of the Unemployment Compensation Fund, except the ‘reserve accounts’, shall be established and maintained as a ‘pooled’ fund. Provided, however, that the ‘pooled’ fund established hereunder and the ‘reserve accounts’ of ‘employers,’ as defined by Section one (a) of the Railroad Unemployment Insurance Act, shall be subject to such withdrawals and transfers as are provided for by Section nine of this Act, as amended.”

SEC. 8. That Section eleven of Chapter one of the Public Laws of the Extra Session of one thousand nine hundred thirty-six, known as the “Unemployment Compensation Law”, be, and the same is hereby amended by adding to said Section eleven the following subsections, to be known as Subsections (m) (n) (o) (p) (q) (r):

(m) The Commission shall have the right and power to hold and conduct hearings for the purpose of determining the rights, status and liabilities of any “employing unit” or “employer” as said terms are defined by Section nineteen (e) and Section nineteen (f) and subsections thereunder of this Act. The Commission shall have the power and authority to deter-
mine any and all questions and issues of fact or questions of Law that may arise under the Unemployment Compensation Law that may affect the rights, liabilities and status of any employing unit or employer as heretofore defined by the Unemployment Compensation Law including the right to determine the amount of contributions, if any, which may be due the Commission by any employer. All hearings shall be conducted and held at the office of the Commission and shall be open to the public and shall be stenographically reported and the Commission shall provide for the preparation of a record of all hearings and other proceedings. The Commission may provide for the taking of evidence by a deputy in which event he shall swear or cause the witnesses to be sworn and shall transmit all testimony to the Commission for its determination. From all decisions or determinations made by the Commission any party affected thereby shall be entitled to an appeal to the Superior Court. Before such party shall be allowed to appeal, he shall within ten days after notice of such decision or determination, file with the Commission exceptions to the decision or the determination of the Commission, which exceptions will state the grounds of objection to such decision or determination. If any one of such exceptions shall be overruled then such party may appeal from the order: overruling the exceptions, and shall, within ten days after the decision: overruling the exceptions, give notice of his appeal. When an exception is made to the facts as found by the Commission, the appeal shall be to the Superior Court in Term Time but the decision or determination of the Commission upon such review in the Superior Court shall be conclusive and binding as to all questions of fact supported by any competent evidence. When an exception is made to any rulings of Law, as determined by the Commission, the appeal shall be to the Judge of the Superior Court at Chambers. The party appealing shall, within ten days after the notice of appeal has been served, file with the Commission exceptions to the decision or determination overruling the exception which statement shall assign the errors complained of and the grounds of the appeal. Upon the filing of such statement the Commission shall, within ten days, transmit all the papers and evidence considered by it, together with the assignments of errors filed by the appellant to a Judge of the Superior Court holding court or residing in some district in which such appellant either resides, maintains a place of business or conducts business. If there be no exceptions to any facts as found by the Commission the facts so found shall be binding upon the Court and it shall be heard by the Judge at Chambers at some place in the district, above mentioned, of which all parties shall have ten days notice.

(n) The cause shall be entitled "State of North Carolina on Relationship of the Unemployment Compensation Commission of North Carolina against (here insert name of appellant),"
and if there are exceptions to any facts found by the Commission it shall be placed on the civil issue docket of such Court and shall have precedence over other civil actions except those described in Section fourteen (h) of the Unemployment Compensation Law, and such cause shall be tried under such rules and regulations as are prescribed for the trial of other civil causes. By consent of all parties the appeal may be held and determined at Chambers before any Judge of a district in which the appellant either resides, maintains a place of business or conducts business, or said appeal may be heard before any Judge holding court therein, or in which the appellant either resides, maintains a place of business or conducts business. Either party may appeal to the Supreme Court from the judgment of the Superior Court under the same rules and regulations as are prescribed by Law for appeals, except that if an appeal shall be taken on behalf of the Unemployment Compensation Commission of North Carolina it shall not be required to give any undertaking or make any deposit to secure the cost of such appeal and such Court may advance the cause on its docket so as to give the same a speedy hearing.

(o) The decision or determination of the Commission when docketed in the office of the Clerk of the Superior Court of any county and when properly indexed and cross-indexed shall have the same force and effect as a judgment rendered by the Superior Court, and if it shall be adjudged in the decision or determination of the Commission that any employer is indebted to the Commission for contributions, penalties and interest or either of the same, then said judgment shall constitute a lien upon any property which said employer may own in said county with the same force and effect as any tax lien of the State of North Carolina or any governmental subdivision thereof, and said lien for contributions, penalties and interest, or either of the same, shall be on a parity and equal with any tax liens existing in favor of the State of North Carolina or any governmental subdivision thereof, whether such liens exist or attach by reason of any judgment or by operation of Law. The provisions of this section however, shall not have the effect of releasing any liens for contributions, penalties or interest, or either of the same, imposed by other law, nor shall they have the effect of postponing the payment of said contributions, penalties or interest or depriving the said Unemployment Compensation Commission of North Carolina of any priority in order of payment provided in any other statute under which payment of the said contributions, penalties and interest or either of the same may be required. The Superior Court or any appellate court shall have full power and authority to issue any and all executions, orders, decrees, or writs that may be necessary to carry out the terms of said decision or determination of the Commission or to collect any amount of contribution, penalty or interest adjudged to be due the Commis-
sion by said decision or determination. In case of an appeal from any decision or determination of the Commission to the Superior Court or from any judgment of the Superior Court to the Supreme Court all proceedings to enforce said judgment, decision, or determination shall be stayed until final determination of such appeal but no proceedings for the collection of any amount of contribution, penalty or interest due on same shall be suspended or stayed unless the employer or party adjudged to pay the same shall file with the Clerk of the Superior Court a bond in such amount not exceeding double the amount of contribution, penalty, interest or amount due and with such sureties as the Clerk of the Superior Court deems necessary conditioned upon the payment of the contribution, penalty, interest or amount due when the appeal shall be finally decided or terminated.

(p) The conduct of hearings shall be governed by suitable rules and regulations established by the Commission. The manner in which appeals and hearings shall be presented and conducted before the Commission shall be governed by suitable rules and regulations established by it. The Commission shall not be bound by common law or statutory rules of evidence or by technical or formal rules of procedure but shall conduct hearings in such manner as to ascertain the substantial rights of the parties.

(q) All subpoenas for witnesses to appear before the Commission, and all notices to employing units, employers, persons, firms or corporations shall be issued by the Commission or its Secretary and be directed to any Sheriff, constable or to the marshall of any city or town, who shall execute the same and make due return thereof as directed therein, under the penalties prescribed by law for a failure to execute and return the process of any court. All bonds or undertakings required to be given for the purpose of suspending or staying execution shall be payable to the Unemployment Compensation Commission of North Carolina, and may be sued on as are other undertakings which are payable to the State.

(r) None of the provisions or sections herein set forth in this amendment shall have the force and effect nor shall the same be construed or interpreted as repealing any of the provisions of Section six of the Unemployment Compensation Law and subsections thereunder which provide for the procedure and determination of all claims for benefits and such claims for benefits shall be prosecuted and determined as provided by said Section six of the Unemployment Compensation Law and subsections thereunder.

SEC. 9. That Section fourteen, Subsection (c) of Chapter one of the Public Laws of the Extra Session of one thousand nine hundred thirty-six, known as the "Unemployment Compensation Law", be, and the same is hereby amended by adding the
following subsection to be known as Subsection (e) (1): “The contribution or tax imposed by Section seven, and subsections thereunder, of this Act shall be a lien upon the assets of the business of any employer subject to the provisions hereof who shall lease, transfer or sell out his business, or shall cease to do business and such employer shall be required, by the next reporting date as prescribed by the Commission, to file with the Commission all reports and pay all contributions due with respect to wages payable for employment up to the date of such lease, transfer, sale or cessation of the business and such employer’s successor in business shall be required to withhold sufficient of the purchase money to cover the amount of said contributions due and unpaid until such time as the former owner or employer shall produce a receipt from the Commission showing that the contributions have been paid, or a certificate that no contributions are due. If the purchaser of a business or a successor of such employer shall fail to withhold purchase money or any money due to such employer in consideration of a lease or other transfer and the contributions shall be due and unpaid after the next reporting date, as above set forth, such successor shall be personally liable to the extent of the assets of the business so acquired for the payment of the contributions accrued and unpaid on account of the operation of the business by the former owner or employer”.

Whenever any employer, person, firm or corporation against whom taxes or contributions provided for in this Act have been assessed, shall claim to have a valid defense to the enforcement of the tax or contribution so assessed or charged, such employer, person, firm or corporation shall pay the tax or contribution so assessed to the Commission; but if at the time of such payment he shall notify the Commission in writing that the same is paid under protest, such payment shall be without prejudice to any defenses or rights he may have in the premises, and he may, at any time within thirty days after such payment, demand the same in writing from the Commission; and if the same shall not be refunded within ninety days thereafter, he may sue the Commission for the amount so demanded; and if, upon the trial it shall be determined that such tax or contribution or any part thereof was for any reason invalid, excessive or contrary to the provisions of this Act, the
amount paid shall be refunded by the Commission accordingly. The remedy provided by this subsection shall be deemed to be cumulative and in addition to such other remedies as are provided by other subsections of this Act.”

CHAPTER 28

AN ACT TO AMEND CHAPTER ONE OF THE PUBLIC LAWS OF THE EXTRA SESSION OF ONE THOUSAND NINE HUNDRED THIRTY-SIX, KNOWN AS THE UNEMPLOYMENT COMPENSATION LAW.

The General Assembly of North Carolina do enact:

SECTION 1. That the Unemployment Compensation Law, Chapter one of the Public Laws of the Extra Session of one thousand nine hundred thirty-six, be amended by adding a new subsection to be known as Section seven (e) as follows:

"(e) Whenever the Commission finds that on account of seasonal conditions it is highly impracticable or impossible for an employer in a particular industry or branch thereof to operate for a period or periods of not less than four weeks nor more than thirty-six weeks in a calendar year and the employer customarily operates entirely or in a branch of his industry only during a regularly recurring period or periods of not less than four weeks nor more than thirty-six weeks in a calendar year, then the rights to benefits payable to an otherwise eligible individual engaged in such a seasonal industry, or branch thereof, who earned as much as ten ($10.00) dollars during the preceding seasonal period, shall be limited in each calendar year to weeks of unemployment during the longest seasonal period or periods as determined by the Commission, upon application by the employer, to be customary in such industry or branch of such industry; provided only that the employer tenders at the beginning of each season, and throughout such season makes work available to each individual employed by him who earned as much as ten ($10.00) dollars during the preceding seasonal period. The employer shall tender work to such individual prior to the commencement of the seasonal period at such time and in such manner as the Commission may by regulation prescribe. Notice when given in accordance with such regulations shall be conclusive as to the fact of tender of work by the employer to the employee; and provided further, that if such individual fails without good cause to report for and accept such work at the time when tendered his right to compensation shall be barred for the duration of the season, but no individual shall be disqualified for benefits for failing to report for or refuse to accept work if such work is not suitable work as provided in Section five (c) of this law. It shall be the duty of the Commission, upon request and application of each employer, to ascertain and determine, or re-determine, such seasonal period or periods for each such seasonal employer. During a current season an otherwise eligible individual previously employed in a prior season and unemployed during such subsequent season through no fault of his own, shall be paid benefits for each week
of such unemployment within the seasonal period, in accordance with the provisions of this Act, and all such benefits thus paid for unemployment during the current season shall be paid out of and charged against the 'reserve' account of the employer by whom he was employed during the previous season. The maximum benefits payable to an otherwise eligible individual whose employment is only in a seasonal industry shall be limited to sixteen times his weekly benefit amount in a benefit year; however, any individual who during a current calendar year is eligible for payment of compensation during any week or weeks other than weeks of the calendar year embracing the seasonal period, and who, during the preceding calendar year was employed in a seasonal industry or branch thereof, shall only be entitled to maximum benefit payments as follows: If for any weeks of total unemployment which occur and for which benefits are payable, during any period not within the seasonal period as prescribed by the Commission, the maximum benefit amount shall be an amount equal to sixteen times his weekly benefit amount, divided by his total wages in the base period, and multiplied by the wages earned in base period in covered employment not within the seasonal period, and the maximum benefits payable for such individual during the seasonal period shall be an amount equal to sixteen times individual's weekly benefit amount divided by the wages earned in the base period and multiplied by the wages payable within the seasonal period in covered employment in the base period. The earnings of a worker who has earned wages in seasonal employment shall be taken into consideration together with all other wages earned in employment subject to this Act in determining his qualifications and eligibility for benefits. Where an employer in its branches or divisions carries on both seasonal and full-time operations, this section shall apply only to that portion of such industry or occupation as is determined by the Commission to be seasonal after application for such determination has been made by the employer, and notice thereof posted conspicuously by the employer in his seasonal establishments."

Whereas, the United States of America has heretofore made an appropriation by Act of Congress providing for the dredging of a channel ten feet deep and ninety feet wide in New River between the Inland Waterway and Jacksonville; and

Whereas, the said appropriation and the beginning of the work of dredging said channel is conditioned upon local interest furnishing free of costs to the United States rights-of-way and spoil-disposal areas for initial work and for maintenance as may be necessary, and giving assurance satisfactory to the Secretary of War to hold and save the United States free from damages to oyster beds; and

Whereas, citizens of North Carolina interested in the construction of the said channel have heretofore secured releases from all persons owning oyster beds in New River in favor of the United States, whereby all claims were waived for damages to oyster beds between Sneads Ferry and the Inland Waterway, except from not over ten persons who may be interested in the ownership of some oyster beds, said releases not having been obtained on account of inability to obtain the names and addresses of the owners, or because the owners were incapable of executing legal releases, or for other like reasons; and

Whereas, it is necessary to furnish assurance to the United States that it will be protected against any liability from such owners of oyster beds who have not released and waived any claims therefor, before the United States would begin the construction of the said channel; and

Whereas, none of the said oyster beds in said river are now being used commercially for the cultivation of oysters, and it is not contemplated that the construction of said channel will cause any financial loss to any of the owners thereof; and
Whereas, it is deemed advisable to authorize the Utilities Commissioner to enter into an obligation and engagement with the United States or Secretary of War to pay such claims or liability which may arise to owners of oyster beds who have not executed waivers or releases, such liability on the part of the State not to exceed five thousand dollars ($5,000) in total amount.

The Clerk of the Superior Court shall receive the sum of fifty cents (50c) for making up and transmitting to the Commissioner of Revenue the report required in this section, containing a list of persons who died leaving property in his county during the preceding month, etc.: Provided further, that where the Clerk of the Superior Court has failed or neglected to make the report required of him in this section, in that case he shall only receive for recording the certificate of the Commissioner of Revenue the sum of fifty cents (50c).

If any of the heirs-at-law, distributees, and devisees are minor children of the decedent, such statement shall also show the age of each of such minor children. The statement shall also contain a complete inventory of all the real property of the decedent located in and outside the State, and of all personal property, wherever situate, of the estate, of all insurance policies upon the life of the decedent, together with an appraisal under oath of the value of each class of property embraced in the inventory, and the value of the whole, together with any deductions permitted by this statute, so far as they may be ascertained at the time of filing such statement; and also the full statement of all gifts or advancements made by deed, grant, or sale to any person or corporation, in trust or otherwise, within three years prior to the death of the decedent. The statement herein provided for shall be filed with the Commissioner of Revenue at Raleigh, North Carolina, within six months after the qualification of the executor or administrator, upon blank forms to be prepared by the Commissioner of Revenue. If any administrator or executor fails or refuses to comply with any of the requirements of this section, he shall be liable to a penalty in the sum of five hundred dollars ($500.00), to be recovered by the Commissioner of Revenue in action to be brought by the Commissioner of Revenue to collect

Sec. 21½. Regulations governing access to safe deposits of a decedent.

No safe deposit company, trust company, corporation, bank, or other institution, person or persons having in possession or control or custody, in whole or in part, securities, deposits, assets, or property belonging to or standing in the name of a decedent, or belonging to or standing in the joint names of a decedent and one or more persons, shall deliver or transfer the same to any person whatsoever, whether in a representative capacity or not, or to the survivor or to the survivors when held in the joint names of a decedent and one or more persons, without retaining a sufficient portion or amount thereof to pay taxes or interest which would thereafter be assessed thereon under this Act; but the Commissioner of Revenue may consent in writing to such delivery or transfer, and such consent shall relieve said safe deposit company, trust company, corporation, bank or other institution, person or persons from the obligation herein imposed. Provided: The Clerk of Superior Court of the resident county of a decedent may authorize in writing any bank, safe deposit company, trust company, or any other institution to transfer to the proper representative of the estate any funds on deposit in the name of the decedent or the decedent and one or more persons when the total amount of such deposit or deposits is three hundred dollars ($300.00) or less, and when such deposit or deposits compose the total cash assets of the estate. Such authorization shall have the same force and effect as when issued in writing by the Commissioner of Revenue. Every safe deposit company, trust company, corporation, bank or other institution, person, or persons engaged in the business of renting lock boxes for the safe keeping of valuable papers and personal effects, or having in their possession or
supervision in such lock boxes such valuable papers or personal effects shall, upon the death of any person using such lock box, as a condition precedent to the opening of such lock box by the executor, administrator, personal representative, or co-tenant of such deceased person, require the presence of the Clerk of the Superior Court of the county in which such lock box is located. It shall be the duty of the Clerk of the Superior Court, or his representative, in the presence of an officer or representative of the safe deposit company, trust company, corporation, bank, or other institution, person or persons, to make an inventory of the contents of any such lock box and to furnish a copy of such inventory to the Commissioner of Revenue, to the executor, administrator, personal representative, or co-tenant of the decedent, and a copy to the safe deposit company, trust company, corporation, bank, or other institution, person, or persons having possession of such lock box. The Clerk of the Superior Court shall be paid by the representative of said estate at the time of his qualification the sum of two dollars ($2.00) for his services rendered as hereinbefore prescribed in this section, and in addition thereto he shall receive the same mileage as is now allowed by law to witnesses for going from his office to any place located in his county to perform such services. The Clerks of the Superior Court of the several counties shall be allowed the fees provided for in this section in addition to other fees or salaries received by them, and any and all provisions in local Acts in conflict with this Act are hereby repealed. Notwithstanding any of the provisions of this section any life insurance company may pay the proceeds of any policy upon the life of a decedent to the person entitled thereto as soon as it shall have mailed to the Commissioner of Revenue a notice, in such form as the Commissioner of Revenue may prescribe, setting forth the fact of such payment; but if such notice be not mailed, all of the provisions of this section shall apply.

Failure to comply with the provisions of this section shall render such safe deposit company, trust company, corporation, bank or other institution, person or persons liable for the amount of the taxes and interest due under this Act on the succession to such securities, deposits, assets, or property, but in any action brought under this provision it shall be a sufficient defense that the delivery or transfer of securities, deposits, assets, or property was made in good faith without knowledge of the death of the decedent and without knowledge of circumstances sufficient to place the defendant on inquiry.

SEC. 22. Supervision by Commissioner of Revenue.

The Commissioner of Revenue shall have complete supervision of the enforcement of all provisions of the Inheritance Tax Act and the collections of all inheritance taxes found to be due thereunder, and shall make all necessary rules and regulations for the just and equitable administration thereof. He shall regularly
employ such deputies, attorneys, examiners, or special agents as may be necessary for the reasonable carrying out of its full intent and purpose. Such deputies, attorneys, examiners, or special agents shall, as often as required to do so, visit the several counties of the State to inquire and ascertain if all inheritance taxes due from estates of decedents, or heirs-at-law, legatees, devisees, or distributees thereof have been paid; to see that all statements required by this Act are filed by administrators and executors, or by the beneficiaries under wills where no executor is appointed; to examine into all statements filed by such administrators and executors; to require such administrators and executors to furnish any additional information that may be deemed necessary to determine the amount of tax that should be paid by such estate. If not satisfied, after investigation, with valuation returned by the administrator or executor, the deputy, attorney, examiner, or appraiser shall make an additional appraisal after proper examination and inquiry, or may, in special cases, recommend the appointment by the Commissioner of Revenue of a special appraiser who, in such case, shall be paid five dollars ($5.00) per day and expenses for his services. The administrator or executor, if not satisfied with such additional appraisal, may appeal within thirty days to the Commissioner of Revenue, which appeal shall be heard and determined as other cases. From this decision the administrator or executor shall have the right to appeal to the Superior Court of the county in which said estate is situated for the purpose of having said issue tried; said appeal to be made in the same way and manner as is now provided by law for appeals from the decisions of the Public Utilities Commission: Provided, that the tax shall first be paid, or satisfactory surety bond in double the amount of any alleged deficiency shall be filed with the Commissioner pending an appeal; and if it shall be determined upon trial that said tax or any part thereof was illegal or excessive, judgment shall be rendered therefor with interest, and the amount of tax so adjudged overpaid or declared invalid shall be certified by the clerk of court to the Commissioner of Revenue, who is authorized and directed to draw his account on the State Treasurer for the amount thereof.

Sec. 23. Proportion of tax to be repaid upon certain conditions.

Whenever debts shall be proven against the estate of a decedent after the distribution of legacies from which the inheritance tax has been deducted in compliance with this Act, and the legatee is required to refund any portion of the legacy, a proportion of the said tax shall be repaid to him by the executor or administrator if the said tax has not been paid into the State Treasury, or shall be refunded by the State Treasurer, if it has been so paid in, upon certificate of the Commissioner of Revenue.
SEC. 24. **Commissioner of Revenue may order executor, etc., to file account, etc.**

If the Commissioner of Revenue shall discover that reports and accounts have not been filed, and the tax, if any, has not been paid as provided in this Act, he shall issue a citation to the executor, administrator, or trustee of the decedent whose estate is subject to tax, to appear at a time and place therein mentioned, not to exceed twenty days from the date thereof, and show cause why said report and account should not be filed and said tax paid; and when personal service cannot be had, notice shall be given as provided for service of summons by publication in the county in which said estate is located; and if said tax shall be found to be due, the said delinquent shall be adjudged to pay said tax, interest and cost; if said tax shall remain due and unpaid for a period of thirty days after notice thereof, the Commissioner of Revenue shall certify the same to the Sheriff, who shall make collection of said tax, cost and commissions for collection, as provided in Section fourteen of this Act.

SEC. 25. **Failure of administrator, executor, or trustee to pay tax.**

Any administrator, executor, or trustee who shall fail to pay the lawful inheritance taxes due upon any estate in his hands or under his control within two years from the time of his qualification shall be liable for the amount of the said taxes, and the same may be recovered in an action against such administrator, executor, or trustee, and the sureties on his official bond. Any clerk of the court who shall allow any administrator, executor, or trustee to make a final settlement of his estate without having paid the inheritance tax due by law, and exhibiting his receipt from the Commissioner of Revenue therefor, shall be liable upon his official bond for the amount of such taxes.

SEC. 26. **Uniform valuation.**

(a) If the value of any estate taxed under this schedule shall have been assessed and fixed by the Federal Government for the purpose of determining the Federal taxes due thereon prior to the time the report from the executor or administrator is made to the Commissioner of Revenue under the provisions of this Act, the amount of value of such estate so fixed, assessed, and determined by the Federal Government shall be stated in such report. If the assessment of the estate by the Federal Government shall be made after the filing of the report by the executor or administrator with the Commissioner of Revenue, as provided in this Act, the said executor or administrator shall, within thirty days after receipt of notice of the final determination by the Federal Government of the value or amount of said estate as assessed and determined for the purpose of fixing Federal taxes thereon, make report of the amount so fixed and assessed by the Federal Gov-
ernment, under oath or affirmation, to the Commissioner of Revenue. If the amount of said estate as assessed and fixed by the Federal Government shall be in excess of that theretofore fixed or assessed under this schedule for the purpose of determining the amount of taxes due the State from said estate, then the Commissioner of Revenue shall reassess said estate and fix the value thereof at the amount fixed, assessed, and determined by the Federal Government, unless the said executor or administrator shall, within thirty days after notice to him from the Commissioner of Revenue, show cause why the valuation and assessment of said estate as theretofore made should not be changed or increased. If the valuation placed upon said estate by the Federal Government shall be less than that theretofore fixed or assessed under this Act, the executor or administrator may, within thirty days after filing his return of the amount so fixed or assessed by the Federal Government, file with the Commissioner of Revenue a petition to have the value of said estate reassessed and the same reduced to the amount as fixed or assessed by the Federal Government. In either event the Commissioner of Revenue shall proceed to determine, from such evidence as may be brought to his attention or which he shall otherwise acquire, the correct value of the said estate, and if valuation is changed, he shall reassess the taxes due by said estate under this Act and notify the executor or administrator of such fact. In the event the valuation on said estate shall be decreased, and if there shall have been an overpayment of the tax, the said commissioner shall, within sixty days after the final determination of the value of said estate and the assessment of the correct amount of tax against the same, refund the amount of such excess tax theretofore paid.

(b) If the executor or administrator shall fail to file with the Commissioner of Revenue the return under oath or affirmation, stating the amount of value at which the estate was assessed by the Federal Government as provided for in this section, the Commissioner of Revenue shall assess and collect from the executor or administrator a penalty equal to twenty-five per cent (25%) of the amount of any additional tax which may be found to be due by such estate upon reassessment and reappraisal thereof, which penalty shall under no condition be less than twenty-five dollars ($25.00) or more than five hundred dollars ($500.00) and which cannot be remitted by the Commissioner of Revenue except for good cause shown. The Commissioner of Revenue is authorized and directed to confer quarterly with the Department of Internal Revenue of the United States Government to ascertain the value of estates in North Carolina which have been assessed for taxation by the Federal Government, and he shall cooperate with the said Department of Internal Revenue, furnishing to said department such information concerning estates in North Carolina as said department may request.
SEC. 27. Executor defined.

Wherever the word "executor" appears in this Act it shall include executors, administrators, collectors, committees, trustees, and all fiduciaries.

SEC. 28. In addition to all other remedies which may now exist under the law, or may hereafter be established, for the collection of the taxes imposed by the preceding sections of this article, the tax so imposed shall be a lien upon all of the property and upon all of the estate, with respect to which the taxes are levied, as well as collectible out of any other property, resort to which may be had for their payment; and the said taxes shall constitute a debt, which may be recovered in an action brought by the Commissioner of Revenue in any court of competent jurisdiction in this State, and/or in any court having jurisdiction of actions of debt in any state of the United States, and/or in any court of the United States against an administrator, executor, trustee, or personal representative, and/or any person, corporation, or concern having in hand any property, funds, or assets of any nature, with respect to which such tax has been imposed. No title or interest to such estate, funds, assets, or property shall pass, and no disposition thereof shall be made by any person claiming an interest therein until the said taxes have been fully paid.

SEC. 29. Reciprocal relations in respect to death taxes.

(a) The terms "death tax" and "death taxes" as used in the five following subsections, shall include inheritance, succession, transfer and estate taxes and any taxes levied against the estate of a decedent upon the occasion of his death.

(b) At any time before the expiration of eighteen months after the qualification in any probate court in this commonwealth of any executor of the will or administrator of the estate of any non-resident decedent, such executor or administrator shall file with such court proof that all death taxes, together with interest or penalties thereon, which are due to the state of domicile of such decedent, or to any political sub-division thereof, have been paid or secured, or that no such taxes, interest or penalties are due, as the case may be, unless it appears that letters testamentary or of administration have been issued on the estate of such decedent in the state of his domicile in the four following subsections called the domiciliary state.

(c) The proof required by subsection (b) may be in the form of a certificate issued by the official or body charged with the administration of the death tax laws of the domiciliary state. If such proof has not been filed within the time limited in subsection (b), and if within such time it does not appear that letters testamentary or of administration have been issued in the domiciliary state, the register of probate shall forthwith upon the ex-
piration of such time notify by mail the official or body of the domiciliary state charged with the administration of the death tax laws thereof with respect to such estate, and shall state in such notice so far as is known to him (a) the name, date of death and last domicile of such decedent, (b) the name and address of each executor or administrator, (c) a summary of the values of the real estate, tangible personalty, and intangible personalty, wherever situated, belonging to such decedent at the time of his death, and (d) the fact that such executor or administrator has not filed theretofore the proof required in subsection (b). Such register shall attach to such notice a plain copy of the will and codicils of such decedent, if he died testate, or, if he died intestate, a list of his heirs and next of kin, so far as is known to such register.

Within sixty days after the mailing of such notice the official or body charged with the administration of the death tax laws of the domiciliary state may file with such probate court in this commonwealth a petition for an accounting in such estate, and such official or body of the domiciliary state shall, for the purposes of this section, be a party interested for the purpose of petitioning such probate court for such accounting. If such petition be filed within said period of sixty days, such probate court shall decree such accounting, and upon such accounting being filed and approved shall decree either the payment of any such tax found to be due to the domiciliary state or sub-division thereof or the remission to a fiduciary appointed or to be appointed by the probate court, or other court charged with the administration of estates of decedents, of the domiciliary state, of the balance of the intangible personalty after the payment of creditors and expenses of administration in this commonwealth.

(d) No final account of an executor or administrator of a non-resident decedent shall be allowed unless either (1) proof has been filed as required by subsection (b), or (2) notice under subsection (c) has been given to the official or body charged with the administration of the death tax laws of the domiciliary state, and such official or body has not petitioned for an accounting under said subsection within sixty days after the mailing of such notice, or (3) an accounting has been had under said subsection (c), a decree has been made upon such accounting and it appears that the executor or administrator has paid such sums and remitted such securities, if any, as he was required to pay or remit by such decree, or (4) it appears that letters testamentary or of administration have been issued by the domiciliary state and that no notice has been given under said subsection (c).

(e) Subsections (a) to (d), inclusive, shall apply to the estate of a non-resident decedent, only in case the laws of the domiciliary state contain a provision, of any nature or however expressed, whereby this commonwealth is given reasonable assurance, as finally determined by the commissioner, of the collection of its death taxes, interest and penalties from the estates of decedents
dying domiciled in this commonwealth, when such estates are administered in whole or in part by a probate court, or other court charged with the administration of estates of decedents, in such other state.

(f) The provisions of subsections (a) to (e), inclusive, shall be liberally construed in order to insure that the domiciliary state of any non-resident decedent whose estate is administered in this commonwealth shall receive any death taxes, together with interest and penalties thereon, due to it from the estate of such decedent.

ARTICLE II

SCHEDULE B

LICENSE TAXES

SEC. 100. Taxes under this schedule.

Taxes in this article or schedule shall be imposed as State license tax for the privilege of carrying on the business, exercising the privilege, or doing the act named, and nothing in this article shall be construed to relieve any person, firm, or corporation from the payment of the tax prescribed in this article or schedule.

(a) If the business made taxable or the privilege to be exercised under this article or schedule is carried on at two or more separate places, a separate State license for each place or location of such business shall be required.

(b) Every State license issued under this article or schedule shall be for twelve months, shall expire on the thirty-first day of May of each year, and shall be for the full amount of tax prescribed: Provided, that where the tax is levied on an annual basis and the licensee begins such business or exercises such privilege after the first day of January and prior to the thirty-first day of May of each year, then such licensee shall be required to pay one-half of the tax prescribed other than the tax prescribed to be computed and levied upon a gross receipts and/or percentage basis for the conducting of such business or the exercising of such privilege to and including the thirty-first day of May, next following. Every county, city and town license issued under this article or schedule shall be for twelve months, and shall expire on the thirty-first day of May or thirtieth day of June of each year as the governing body of such county, city or town may determine: Provided, that where the licensee begins such business or exercises such privilege after the expiration of seven months of the current license year of such municipality, then such licensee shall be required to pay one-half of the tax prescribed other than the tax prescribed to be computed upon a gross receipts and/or percentage basis.
(c) The State license thus obtained shall be and constitute a personal privilege to conduct the business named in the State license, shall not be transferable to any other person, firm, or corporation, and shall be construed to limit the person, firm, or corporation named in the license to conducting the business and exercising the privilege named in the State license to the county and/or city and location specified in the State license, unless otherwise provided in this article or schedule: Provided, that if the holder of a license under this schedule moves the business for which a license has been paid to another location, a new license may be issued to the licensee at a new location, for the balance of the license year, upon surrender of the original license for cancellation and the payment of a fee of five dollars ($5.00) for each license certificate reissued.

(d) Whenever, in any section of this article or schedule, the tax is graduated with reference to the population of the city or town in which the business is to be conducted or the privilege exercised, the minimum tax provided in such section shall be applied to the same business or privilege when conducted or exercised outside of the municipality, unless such business is conducted or privilege exercised within one mile of the corporate limits of such municipality, in which event the same tax shall be imposed and collected as if the business conducted or the privilege exercised were inside of the corporate limits of such municipality: Provided, that with respect to taxes in this article, assessed on a population basis, the same rates shall apply to incorporated towns and unincorporated places or towns alike, with the best estimate of population available being used as a basis for determining the tax in unincorporated places or towns. The term "places or towns" means any unincorporated community, point or collection of people having a geographical name by which it may be generally known, and is so generally designated.

(e) All State taxes imposed by this article shall be paid to the Commissioner of Revenue, or to one of his deputies; shall be due and payable on or before the first day of June of each year, and after such date shall be deemed delinquent, and subject to all the remedies available and the penalties imposed for the payment of delinquent State license and privilege taxes: Provided, that if a person, firm, or corporation begins any business or the exercise of any privilege requiring a license under this article or schedule after the thirty-first day of May and prior to the thirty-first day of the following May of any year, then such person, firm, or corporation shall apply for and obtain a State license for conducting such business or exercising any such privilege in advance, and before the beginning of such business or the exercise of such privilege; and a failure to so apply and to obtain such State license shall be and con-
stitute a delinquent payment of the State license tax due, and such person, firm, or corporation shall be subject to the remedies available and penalties imposed for the payment of such delinquent taxes.

(f) The taxes imposed and the rates specified in this article or schedule shall apply to the subjects taxed on and after the first day of June, one thousand nine hundred thirty-nine, and prior to said date the taxes imposed and the rates specified in the Revenue Act of one thousand nine hundred thirty-seven shall apply.

(g) It shall be the duty of a grantee, transferee, or purchaser of any business or property subject to the State license taxes imposed in this article to make diligent inquiry as to whether the State license tax has been paid, but when such business or property has been granted, sold, transferred, or conveyed to an innocent purchaser for value and without notice that the vendor owed or is liable for any of the State license taxes imposed under this article, such property, while in the possession of such innocent purchaser, shall not be subject to any lien for such State license taxes.

(h) All county or municipal taxes levied by the Board of County Commissioners of any county, or by the Board of Aldermen or other governing body of any municipality within this State, under the authority conferred in this Act, shall be collected by the Sheriff or tax collector of such county and by the tax collector of such city, and the county or municipal license shall be issued by such officer.

(i) Any person, firm, or corporation who shall willfully make any false statement in an application for a license under any section of this article or schedule shall be guilty of a misdemeanor, and upon conviction shall be fined and/or imprisoned in the discretion of the court, which fine shall not be less than the amount of tax specified under such section, and shall be in addition to the amount of such tax.

Where any person, firm, or corporation is engaged in more than one business, trade, employment, or profession which is made under the provisions of this article subject to State license taxes, such persons, firms, or corporations shall pay the license tax prescribed in this article for each separate business, trade, employment, or profession.

SEC. 184. Effect of change in name of firm.

No change in the name of a firm, partnership, or corporation, nor the taking in of a new partner, nor the withdrawal of one or more of the firm, shall be considered as commencing business; but if any one or more of the partners remain in the firm, or if there is change in ownership of less than a majority of the stock, if a corporation, the business shall be regarded as continuing.
SEC. 185. License may be changed when place of business is changed.

When a person, firm, or corporation has obtained a State license to engage in any business, trade, employment, or profession at any definite location in a county, and desires to remove to another location in the same county, the Commissioner of Revenue may, upon proper application, grant such person, firm, or corporation permission to make such move, and may endorse upon the State license his approval of change in location.

SEC. 186. Property used in a licensed business not exempt from taxation.

A State license, issued under any of the provisions of this article shall not be construed to exempt from other forms of taxation the property employed in such licensed business, trade, employment, or profession.

SEC. 187. Engaging in business without a license.

(a) All State license taxes under this article or schedule, unless otherwise provided for, shall be due and payable annually on or before the first day of June of each year, or at the date of engaging in such business, trade, employment and/or profession, or doing the act.

(b) If any person, firm, or corporation shall continue the business, trade, employment, or profession, or to do the act, after the expiration of a license previously issued, without obtaining a new license, he or it shall be guilty of a misdemeanor, and upon conviction shall be fined and/or imprisoned in the discretion of the court, but the fine shall not be less than twenty per cent (20%) of the tax in addition to the tax and the costs; and if such failure to apply for and obtain a new license be continued, such person, firm, or corporation shall pay additional tax of five per centum (5%) of the amount of the State license tax which was due and payable on the first day of June of the current year, in addition to the State license tax imposed by this article, for each and every thirty days that such State license tax remains unpaid from the date that same was due and payable, and such additional tax shall be assessed by the Commissioner of Revenue and paid with the State license tax, and shall become a part of the State license tax. The penalties for delayed payment hereinbefore provided shall not impair the obligation to procure a license in advance or modify any of the pains and penalties for failure to do so.

The provisions of this section shall apply to taxes levied by the counties of the State under authority of this Act in the
same manner and to the same extent as they apply to taxes
levied by the State.

(c) If any person, firm, or corporation shall commence to
exercise any privilege or to promote any business, trade, em-
ployment, or profession, or to do any act requiring a State li-
cense under this article without such State license, he or it
shall be guilty of a misdemeanor, and shall be fined and/or
imprisoned in the discretion of the court; and if such failure,
neglect, or refusal to apply for and obtain such State license
be continued, such person, firm, or corporation shall pay an ad-
ditional tax of five per centum (5%) of the amount of such
State license tax which was due and payable at the commence-
ment of the business, trade, employment or profession, or
doing the act, in addition to the State license tax imposed by
this article, for each and every thirty (30) days that such
State license tax remains unpaid from the date that same was
due and payable, and such additional tax shall be assessed by
the Commissioner of Revenue and paid with the State license
tax and shall become a part of the State license tax.

(d) If any person, firm, or corporation shall fail, refuse, or
neglect to make immediate payment of any taxes due and pay-
able under this article, additional taxes, and/or any penalties
imposed pursuant thereto, upon demand, the Commissioner of
Revenue shall certify the same to the Sheriff of the county in
which such delinquent lives or has his place of business, and
such Sheriff shall have the power and shall levy upon any per-
sonal or real property owned by such delinquent person, firm,
or corporation, and sell the same for the payment of the said
tax or taxes, penalty and costs, in the same manner as provided
by law for the levy and sale of property for the collection of
other taxes; and if sufficient property is not found, the said
Sheriff or deputy commissioner shall swear out a warrant be-
fore some justice of the peace or recorder in the county for the
violation of the provisions of this Act and as provided in this
Act.

SEC. 188. Each day's continuance in business without a State
license a separate offense.

Each and every day that any person, firm, or corporation
shall continue to exercise or engage in any business, trade, em-
ployment, or profession, or do any act in violation of the pro-
visions of this article, shall be and constitute a distinct and a
separate offense.

SEC. 189. Duties of the Commissioner of Revenue.

(a) Except where otherwise provided, the Commissioner of
Revenue shall be the duly authorized agent of this State for
the issuing of all State licenses and the collection of all license taxes under this article, and it shall be his duty and the duty of his deputies to make diligent inquiry to ascertain whether all persons, firms, or corporations in the various counties of the State who are taxable under the provisions of this article have applied for the State license and paid the tax thereon levied.

(b) The Commissioner of Revenue shall continually keep in his possession a sufficient supply of blank State license certificates, with corresponding sheets and duplicates consecutively numbered; shall stamp across each State license certificate that is to be good and valid in each and every county of the State the words "State-wide license," and shall stamp or imprint on each and every license certificate the words "issued by the Commissioner of Revenue."

SEC. 190. License to be procured before beginning business.

(a) Every person, firm, or corporation engaging in any business, trade, and/or profession, or doing any act for which a State license is required and a tax is to be paid under the provisions of this article or schedule, shall, annually in advance, on or before the first day of June of each year, or before engaging in such business, trade, and/or profession, or doing the act, apply for and obtain from the Commissioner of Revenue a State license for the privilege of engaging in such business, trade, and/or profession, or doing such act, and shall pay the tax levied therefor.

(b) Licenses shall be kept posted where business is carried on. (c) Any person, firm, or corporation failing, neglecting, or refusing to have the State license required under this article or schedule posted conspicuously at the place of business for which the license was obtained, or to have the same or a duplicate thereof in actual possession if an itinerant, shall pay an additional tax of twenty-five dollars ($25.00) for each and every separate offense, and each day's failure, neglect, or refusal shall constitute a separate offense.

by the books and records of the corporation as at the close of its
last calendar or fiscal year next preceding July thirty-first of
the year in which report is due.

(2) Every such corporation taxed under this section shall
determine the total amount of its issued and outstanding capital
stock, surplus and undivided profits; no reservation or allocation
from surplus or undivided profits shall be allowed other than for
definite and accrued legal liabilities, except as herein provided;
taxes accrued, dividends declared and reserves for depreciation
of tangible assets as permitted for income tax purposes shall be
treated as deductible liabilities. Every such corporation, the capi-

subsidiary of another corporation or closely affiliated therewith
by stock ownership, shall include its indebtedness owed to, en-

cluding a co-subsidiary of the same parent corporation) in the
amount of capital stock, surplus and undivided profits in deter-
mining the basis for its franchise tax liability under this Act.
Treasury stock shall not be considered in computing the capital
stock, surplus and undivided profits as the basis for franchise
tax, but shall be excluded proportionately from said capital stock,
surplus and undivided profits as the case may be upon the basis
and to the extent of the cost thereof.

In determining the total amount of the capital stock, surplus
and undivided profits, as herein defined, effect shall be given to
the final judgment of any court approving a corporate reorganiza-
tion entered prior to July first of any calendar year and since the
close of the corporation's last calendar or fiscal year next pre-

amount of its capital stock, surplus and undivided profits as here-

calendar or fiscal year of such corporation in the income year is to
the book value of its entire real estate and tangible personal
property then owned by it, with no deductions on account of en-
cumbrances thereon.
(b) The ratio of the total cost of manufacturing, collecting, buying, assembling, or processing within this State during the income year to the total cost of manufacturing, collecting, assembling, or processing within and without the State. The term "cost of manufacturing, collecting, buying, assembling, or processing within and without this State" as used herein shall be interpreted in a manner to conform as nearly as may be to the best accounting practice in the trade or business. Unless in the opinion of the Commissioner of Revenue the peculiar circumstances in any case justify a different basis, this term shall be generally interpreted to include as elements of cost within and without this State the following:

(d) The total wages and salaries paid or accrued during the income year in such manufacturing, assembling, or processing activities.

(4) After determining the proportion of its total capital stock, surplus and undivided profits as set out in Subsection three of this section, which amount so determined shall in no case be less than the total assessed value (including total gross valuation returned for taxation of intangible personal property) of all the real and personal property in this State of each such corporation for the year in which report is due nor less than its total actual investment in tangible property in this State, every corporation taxed under this section shall annually pay to the Commissioner of Revenue, at the time the report and statement are due, a franchise or privilege tax, which is hereby levied, at the rate of one dollar and seventy-five cents ($1.75) per one thousand dollars ($1,000.00) of the total amount of capital stock, surplus and undi-

The tax imposed in this section shall in no case be less than ten dollars ($10.00) and shall be for the privilege of carrying on, doing business, and/or the continuance of articles of incorporation or domestication of each such corporation in this State: Provided, that the basis for the franchise tax on all corporations, eighty per cent (80%) of whose outstanding capital stock is owned by persons or corporations to whom or to which such stock was issued prior to January first, one thousand nine hundred thirty-five, in part payment or settlement of their respective deposits in any closed bank of the State of North Carolina, shall be the total assessed value of the real and tangible personal property of such corporation in this State for the year in which report and statement is due under the provisions of this section. The term “total actual investment in tangible property” as used in this section shall be construed to mean the total original purchase price or consideration to the reporting taxpayer of its tangible properties, including real estate, in this State plus additions and improvements thereto less reserve for depreciation as permitted for income tax purposes, and also less any indebtedness incurred and existing by virtue of the purchase of any real estate and any permanent improvements made thereon.

(a) Counties, cities and towns shall not levy a franchise tax on corporations taxed under this section.

When this has been determined, in accordance with the provisions of Section two hundred ten as far as the same may be applicable, and upon the information which he has secured, the Commissioner of Revenue shall thereupon determine the amount of franchise tax to be paid by such new corporation, and said tax shall be due.

With respect to corporations paying a tax in this State on a proportionate part of their total income, the holder of shares of stock in such corporation shall pay on the total dividends received an amount equaling the percentage of the corporation's income on which it has not paid an income tax to the State of North Carolina for the year in which said dividends are received by the taxpayer.
SEC. 312. Railroads and public-service corporations.

The basis of ascertaining the net income of every corporation engaged in the business of operating a steam, electric railroad, express service, telephone or telegraph business, or other form of public service, when such company is required by the Interstate Commerce Commission to keep records according to its standard classification of accounting, shall be the "net revenue from operations" of such corporation as shown by their records, kept in accordance with that standard classification of accounts when their business is wholly within this State, and when their business is in part within and in part without the State, their net income within this State shall be ascertained by taking their gross "operating revenues" within this State, including in their gross "operating revenues" within this State the equal mileage proportion within this State of their interstate business, and deducting from their gross "operating revenues" the proportionate average of "operating expense" or "operating ratio" for their whole business, as shown by the Interstate Commerce Commission standard classification of accounts:

Provided, that if the standard classification of operating expenses prescribed by the Interstate Commerce Commission for railroads differs from the standard classification of operating expenses prescribed by the Interstate Commerce Commission for other public-service corporations, such other public-service corporations shall be entitled to the same operating expenses as prescribed for railroads. From the net operating income thus ascertained shall be deducted "uncollectible revenue" and taxes paid in this State for the income year other than income taxes, and the balance shall be deemed to be their net income taxable under this article. That in determining the taxable income of a corporation engaged in the business of operating a railroad under this section, in the case of a railroad located entirely within this State, the net operating income shall be increased or decreased to the extent of any credit or debit balance received or paid, as the case may be, on account of car or locomotive hire; and when any railroad is located partly within and partly without this State, the said net operating income shall be increased or decreased to the extent of an equal mileage proportion within this State of any credit or debit balance received or paid, as the case may be, on account of car or locomotive hire.

For the purposes of this section the words "interstate business" shall mean, as to transportation companies, operating revenue earned within the State by reason of the interstate transportation of persons or property into, out of, or through this State, and as to transmission companies the interstate transmission of messages into, out of, or through the State.

The words "equal mileage proportion within the State" shall mean the proportion of revenue received by the company opera-
ting in this State from interstate business as defined in the preceding paragraph, which the distance of movement over lines in this State bears to the total distance of movement over lines of the company receiving such revenue. If the Commissioner of Revenue shall find, with respect to any particular company, that its accounting records are not kept so as to reflect with exact accuracy such division of revenue by State lines as to each transaction involving interstate revenue, the Commissioner of Revenue may adopt such regulations, based upon averages, as will approximate with reasonable accuracy the proportion of interstate revenue actually earned upon lines in this State.

The words “proportionate average of ‘operating expenses’ or ‘operating ratio’” shall mean the proportion of gross revenue of a company, on its whole business absorbed in operating expenses, as defined in the Interstate Commerce Commission classification of accounts.

In determining the taxable income of a railroad company operating two or more lines of railroad not physically connected, and when one of such railroad lines is located wholly within this State, the actual earnings and expenses of such line in this State, in so far as they may be severable, shall be used in determining net income taxable in this State.

With respect to leased lines operated in this State where the operating company pays a tax on the income earned on such leased lines, without deduction for lease rental, and on a sum properly allocable to such leased lines equal to the amount of lease rental paid, such lease rental shall not be taxable income against the lessor.

All other public service corporations shall file under Section three hundred and eleven of this article.

SEC. 313. Taxable year.

The tax imposed by this Article for the year one thousand nine hundred and thirty-nine shall be assessed, collected, and paid in the year one thousand nine hundred and forty and for the year one thousand nine hundred and forty and years thereafter shall be assessed, collected, and paid in the year following the year for which the assessment is made.

SEC. 314. Conditional and other exemptions.

The following organizations shall be exempt from taxation under this article:

1. Fraternal beneficiary societies, orders or associations.

(a) Operating under the lodge system or for the exclusive benefit of the members of a fraternity itself operating under the lodge system, and
(b) Providing for the payment of life, sick, accident, or other benefits to the members of such society, order or association, or their dependents.

2. Building and loan associations and cooperative banks without capital stock, organized and operated for mutual purposes and without profit.

3. Cemetery corporations and corporations organized for religious, charitable, scientific, or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual.

4. Business leagues, chambers of commerce, merchants' associations, or boards of trade not organized for profit, and no part of the net earnings of which inures to the benefit of any private stockholder or individual.

5. Civic leagues or organizations not organized for profit, but operated exclusively for the promotion of social welfare.

6. Clubs organized and operated exclusively for pleasure, recreation, and other non-profitable purposes, no part of the net earnings of which inures to the benefit of any private stockholder or member.

7. Farmers' or other mutual hail, cyclone, or fire insurance companies, mutual ditch or irrigation companies, mutual or cooperative telephone companies, or like organizations of a purely local character the income of which consists solely of assessments, dues and fees collected from members for the sole purpose of meeting expenses.

8. Farmers', fruit growers', or like organizations organized and operated as sales agents for the purpose of marketing the products of members and turning back to them the proceeds of sales, less the necessary selling expenses, on the basis of the quantity of product furnished by them.

9. Mutual associations formed under Consolidated Statutes five thousand two hundred and fifty-five et seq. (Chapter one hundred forty-four, Public Laws of one thousand nine hundred fifteen and amendments), formed to conduct agricultural business on the mutual plan; or to marketing associations organized under Sub-chapter five, Chapter ninety-three, Consolidated Statutes, Article XVI, Section five thousand two hundred fifty-nine (a) and following.

Sec. 315. Fiduciaries.

The tax imposed by this article shall be imposed upon resident fiduciaries having in charge funds or property for the benefit of a resident of this State, and/or income earned in this State for
the benefit of a non-resident, and upon a non-resident fiduciary
having in charge funds or property for the benefit of a resident
of this State, which tax shall be levied, collected and paid annually
with respect to:

(a) That part of the net income of estates or trusts which
has not become distributable during the income year.

(b) The net income received during the income year by de-
ceased individuals who, at the time of death, were residents and
who have died during the tax year or the income year without
having made a return.

(c) The entire net income of resident, insolvent, or incompe-
tent individuals, whether or not any portion thereof is held for the
future use of the beneficiaries, where the fiduciary has complete
charge of such net income.

(d) The tax imposed upon a fiduciary by this article shall be
a charge against the estate or trust.

SEC. 316. Net income defined.

The words "net income" mean the gross income of a taxpayer,
less the deductions allowed by this article.

SEC. 317. Gross income defined.

1. The words "gross income" mean the income of a taxpayer
derived from salaries, wages, or compensation for personal ser-
vice, of whatever kind and in whatever form paid, or from profes-
sions, vocations, trades, business, commerce or sales, or dealings
in poverty, whether real or personal, located in this or any other
State or any other place, growing out of the ownership or use of
or interest in such property, also from interest, rent, dividends,
securities, or the transactions of any business carried on for
gain or profit, or gains or profits, and income derived from any
source whatever and in whatever form paid. The amount of all
such items shall be included in the gross income of the income
year in which received by the taxpayer, unless, under the methods
of accounting permitted under this article, any such amounts
are to be properly accounted for as of a different period. The term
"gross income" as used in this article shall include the salaries
of all constitutional State officials taking office after the date of
the enactment of this article by election, reelection or appoint-
ment, and all Acts fixing the compensation of such constitutional
State officials are hereby amended accordingly. The term "gross
income" as used in this article shall include the salaries, wages,
or other compensation received from the United States or its
possessions by officials, or employees thereof, resident of this
State, including persons in the military or naval forces of the
United States: Provided, such income shall not be included in
gross income, unless salaries, wages or other compensation received from the State of North Carolina, or any of its political subdivisions, is subjected to income taxes imposed by the United States.

The term “gross income” as used in this article shall include income from annuities based on three per cent (3%) of the consideration or cost of the annuity or contract as income yearly.

2. The words “gross income” do not include the following items, which shall be exempt from taxation under this article, but shall be reported in such form and manner as may be prescribed by the Commissioner of Revenue:

(a) The proceeds of life insurance policies and contracts paid upon the death of the insured to beneficiaries or to the estate of the insured.

(b) The amount received by the insured as a return of premium or premiums paid by him under life insurance endowment contracts, either during the term or at the maturity of the term mentioned in the contracts or upon surrender of the contract.

(c) The value of property acquired by gift, bequest, devise or descent (but the income from such property shall be included in gross income).

(d) Interest upon the obligations of the United States or its possessions, or of the State of North Carolina, or of a political sub-division thereof: Provided, interest upon the obligations of the United States, shall not be excluded from gross income unless interest upon obligations of the State of North Carolina or any of its political subdivisions is excluded from income taxes imposed by the United States. Except that interest upon the obligations of the United States or its possessions, or of the State of North Carolina, or of a political subdivision thereof, shall in no case be included in the “gross income” of any banking corporation organized under the banking laws of North Carolina.

(e) Any amounts received through accident or health insurance or under the Workmen’s Compensation Act, as compensation for personal injuries or sickness, plus the amount of any damages received, whether by suit or agreement, on account of such injuries or sickness.

(f) In case of domestic insurance companies or associations paying a tax on their gross premium receipts, in addition to the above, (a) the net addition required by law to be made within the taxable year to reserve funds, including the actual deposit of sums with the Commissioner of Insurance or the Treasurer of the State, pursuant to the law, as additions to guarantee or reserve funds for the benefit of policyholders, and (b) the sums paid within the taxable year on policy and annuity contracts to policyholders.
Sec. 318. Basis of return of net income.

1. The net income of a taxpayer shall be computed in accordance with the method of accounting regularly employed in keeping the books of such taxpayer, but such method of accounting must be consistent with respect to both income and deductions, but if in any case such method does not clearly reflect the income, the computation shall be made in accordance with such method as in the opinion of the commissioner does clearly reflect the income, but shall follow as nearly as practicable the Federal practice, unless contrary to the context and intent of this article.

2. A taxpayer may, with the approval of the Commissioner of Revenue, and under such regulations as he may prescribe, change the income year from fiscal year to calendar year or otherwise, in which case his net income shall be computed upon the basis of such new income year: Provided, that such approval must be obtained from the commissioner at least thirty days prior to the end of such income year.

3. An individual carrying on business in partnership shall be liable for income tax only in his individual capacity, and shall include in his gross income, whether distributed or not, his distributive share of the net income of the partnership and dividends from foreign corporations for each income year.

4. Every individual taxable under this article who is a beneficiary of an estate or trust shall include in his gross income the distributive share of the net income of the estate or trust received by him or distributable to him during the income year. Unless otherwise provided in the law, the will, the deed, or other instrument creating the estate, trust, or fiduciary relation, the net income shall be deemed to be distributed or distributable to the beneficiaries (including the fiduciary as a beneficiary, in the case of income accumulated for future distribution), ratable in proportion to their respective interest.

Sec. 318 1/2 Subsidiary corporations.

The net income of a corporation which is a subsidiary of another corporation or closely affiliated therewith by stock ownership shall be determined by eliminating all payments to the parent corporation or affiliated corporations in excess of fair value and by including fair compensation to such foreign corporation for all commodities sold to or service performed for the parent corporation or affiliated corporations. For the purpose of determining such net income the commissioner may, in the absence of satisfactory evidence to the contrary, presume that an apportionment by reasonable rules of the consolidated net income of corporations participating in the filing of a consolidated return of net income to the Federal Government fairly reflects the net income taxable under this chapter, or may otherwise equitably determine such
net income by reasonable rules of apportionment of the combined income of the subsidiary, its parent and affiliates or any thereof.

If the capital of a corporation which is a subsidiary of another corporation or closely affiliated therewith by stock ownership is inadequate for its business needs apart from credit extended or indebtedness guaranteed by the parent or affiliated corporation, the commissioner shall, in determining the net income of such corporation, disregard its indebtedness owed to or guaranteed by the parent or an affiliated corporation in determining the net income taxable under this article.

Such subsidiary or affiliated corporation shall incorporate in its return required under this article such information as the commissioner may reasonably require for the determination of the net income taxable under this article, and failure to so incorporate such information or to furnish such additional information when required within thirty days shall subject the corporation and its officers to the penalties provided in Section three hundred thirty-six of this article for failure to file such return.

SEC. 319. Determination of gain or loss.

For the purpose of ascertaining the gain or loss from the sale or other disposition of property, real, personal, or mixed, the basis shall be, in the case of property acquired before January first, one thousand nine hundred and twenty-one, the fair market price or the value of such property as of that date and in all other cases the cost thereof. The cost of such property acquired prior to January first, one thousand nine hundred and twenty-one, would be used in all cases if such cost is known or determinable: Provided, that in the case of property which was included in the last preceding annual inventory used in determining net income in a return under this article, such inventory value shall be taken in lieu of costs or market value. The final distribution to the taxpayer of the assets of a corporation shall be treated as a sale of the stock of securities of the corporation owned by him, and the gain or loss shall be computed accordingly: Provided, no gain or loss shall be recognized upon the receipt of a corporation of property distributed in complete liquidation of another corporation, if the corporation receiving such property was on the date of the adoption of the plan of liquidation and has continued to be at all times until the receipt of the property the owner of stock (in such other corporation), possessing at least eighty per centum (80%) of the total combined voting power of all classes of stock entitled to vote, and the owner of at least eighty per centum (80%) of the total number of shares of all other classes of stock (except non-voting stock which is limited and preferred as to dividends).
SEC. 320. Exchanges of property.

1. When property is exchanged for other property of like kind, the property received in exchange shall be considered as a conversion of assets from one form to another, from which no gain or loss shall be deemed to arise.

2. In the case of the organization of a corporation, the stock or securities received shall be considered to take the place of property transferred therefor, and no gain or loss shall be deemed to arise therefrom.

3. When, in connection with the reorganization, merger or consolidation of a corporation, a taxpayer receives in place of stock or securities owned by him, new stock or securities, the basis of computing the gain or loss, if any, shall be, in case the stock or securities owned were acquired before January first, one thousand nine hundred and twenty-one, the fair market price of value thereof as of that date, and in all other cases the cost thereof.

4. The basis of property received by a corporation upon a distribution in complete liquidation of another corporation within the meaning of Section three hundred and nineteen shall be the same as it would be in the hands of the transferor.

SEC. 321. Inventory.

Whenever, in the opinion of the Commissioner of Revenue, it is necessary, in order clearly to determine the income of any taxpayer, inventories shall be taken by such taxpayer upon such basis as the Commissioner of Revenue may prescribe, conforming as nearly as may be to the best accounting practice in the trade or business and most clearly reflecting the income.

SEC. 322. Deductions.

In computing net income there shall be allowed as deductions the following items:

1. All the ordinary and necessary expenses paid during the income year in carrying on any trade or business, including:

   (a) As to individuals, reasonable wages of employees for services rendered in producing such income.

   (b) As to partnerships, reasonable wages of employees and a reasonable allowance for co-partners or members of a firm, for services actually rendered in producing such income, the amount of such salary allowance to be included in the personal return of the co-partner receiving same.

   (c) As to corporations, wages of employees and salaries of officers, if reasonable in amount, for services actually rendered in producing such income.
2. Rentals or other payments required to be made as a condition of the continued use or possession for the purpose of the trade of property to which the taxpayer has not taken or is not taking title, or in which he has no equity.

3. Unearned discount and all interest paid during the income year on indebtedness except interest paid or accrued in connection with the ownership of real or personal property the current income from which is not taxable under this article. Interest on indebtedness incurred for the purchase of stock of corporations paying a tax on their entire net income under this article shall be deductible, and a ratable proportion of such interest with respect to corporations paying a tax on a proportion of their net income.

4. Taxes paid or accrued during the income year, except income taxes, gift taxes, taxes levied under Section three hundred eleven and one-half of this article, inheritance and estate taxes, and taxes assessed for local benefit of a kind tending to increase the value of the property assessed. No deduction shall be allowed under this section for gasoline tax, sales tax, automobile license or registration fee by individuals not engaged in trade or business, nor shall deduction be allowed for taxes paid or accrued in connection with the ownership of property, the current income from which is not taxable under this article. All payments made by an employer into a Federal fund as provided by the provisions of Title VIII and Title IX of the Federal Social Security Act, and all payments made by an employer as provided by a State unemployment compensation law: Provided, that none of the foregoing provisions shall apply to that part of such payments required to be deducted by an employer from the earnings of an employee.

5. Dividends from stock in any corporation, the income of which shall have been assessed, and the tax on such income paid by the corporation under the provisions of this article: Provided, that when only part of the income of any corporation shall have been assessed under this article, whether paid directly to the taxpayer or paid to the taxpayer by a trustee of a distributable trust, only a corresponding part of the dividends received therefrom shall be deducted.

6. Losses actually sustained during the income year of property used in trade or business or of property not connected with trade or business, if arising from fire, storm, shipwreck, or other casualties or theft and if not compensated for by insurance or otherwise. No deduction shall be allowed under this subsection for losses arising from personal loans or endorsements or other transactions of a personal nature not entered into for profit. A taxpayer shall be allowed to deduct losses in connection with the sale of securities only to the extent of the security gains during the income year, unless such losses resulted from the sale of stocks or bonds held by the taxpayer for a period of two years or more prior to the sale of such stocks or bonds.
7. Debts ascertained to be worthless and actually charged off within the income year, if connected with business and, if the amount has previously been included in gross income in a return under this article.

8. A reasonable allowance for depreciation and obsolescence of property used in the trade or business shall be measured by the estimated life of such property; and in case of mines, oil and gas wells, other natural deposits and timber, a reasonable allowance for depletion. The cost of property acquired since January first, one thousand nine hundred and twenty-one, plus additions and improvements, shall be the basis for determining the amount of depreciation, and if acquired prior to that date the book value as of that date of the property shall be the cost basis for determining depreciation.

In cases of mines, oil and gas wells, and other natural deposits, the cost of development not otherwise deducted will be allowed as depletion, and in the cases of leases, the deduction allowed may be equitably apportioned between the lessor and the lessee.

In case the Federal Government determines depreciation or depletion of property for income tax purposes upon the basis of book value instead of original cost, the depreciation allowed under this article shall be upon the same basis.

9. Contributions or gifts made by individuals within the income year to corporations or associations operated exclusively for religious, charitable, scientific, or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual, to an amount not in excess of ten per centum (10%) of the taxpayer's net income, as computed without the benefit of this sub-division.

10. Resident individuals and domestic corporations having an established business in another state, or investment in property in another state, may deduct the net income from such business or investment if such business or investment is in a State that levies a tax upon such net income. The deduction herein authorized shall in no case operate to reduce the taxable income in this State below the income actually earned in this State or properly allocable as income earned in this State. Nor shall the deduction in any way relate to income received by individuals or domestic corporations from personal services or income from mortgages, stocks, bonds, securities, and deposits.

11. In the case of a non-resident individual, the deductions allowed in this section shall be allowed only if and to the extent that they are connected with income arising from sources within the State; and the proper apportionment and allocation of the deductions with respect to sources of income within and without
the State shall be determined under rules and regulations prescribed by the Commissioner of Revenue.

12. In computing net income no deduction shall be allowed under this section relating to salaries, wages, or other expenses, rentals or other similar payments, interest or taxes, if (1) the same are not actually paid within the taxable year or within two and one-half (2½) months after the close thereof; and (2) if, by reason of the method of accounting of the person or corporation to whom the payment is to be made, the amount thereof is not, unless actually paid, includible in the gross income of such person or corporation for the taxable year in which or with which the taxable year of the taxpayer ends.

SEC. 323. Items not deductible.

In computing net income no deduction shall in any case be allowed in respect of:

Living expenses.

(a) Personal, living, or family expenses.

(b) Any amount paid out for new buildings or for permanent improvements or betterments, made to increase the value of any property or estate.

Life insurance premiums.

(c) Premiums paid on any life insurance policy.

Gifts of corporations.

(d) Contributions or gifts made by corporations.

Income, etc.

(e) Income, excess profits and gift taxes, including Federal tax or undistributed earnings.

Social Security and unemployment tax.

(f) Social Security and unemployment tax paid by employee.

Contributions to individuals.

(g) Contributions to individuals.

Commutation expenses.

(h) Commutation expenses.

SEC. 324. Exemptions.

1. There shall be deducted from the net income the following exemptions:

Single individual, $1,000.

(a) In the case of a single individual, a personal exemption of one thousand dollars ($1,000.00).

Married man or household head, or person incapable of self support, $2,000.

(b) In the case of a married man with a wife living with him, two thousand dollars ($2,000.00), or in the case of a person who is the head of a household and maintains the same and therein supports one or more dependent relatives, under eighteen years of age or is incapable of self-support because mentally or physically defective, two thousand dollars ($2,000.00).

Married woman with separate income, $1,000.

(c) A married woman having a separate and independent income, one thousand dollars ($1,000.00).
(d) In the case of a widow or widower having minor child or children, natural or adopted, two thousand dollars ($2,000.00).

(e) Two hundred dollars ($200.00) for each individual (other than husband and wife) dependent upon and receiving his chief support from the taxpayer, if such dependent individual is under eighteen years of age or is incapable of self-support because mentally or physically defective.

(f) In the case of a fiduciary filing a return for that part of the net income of estates or trusts which has not become distributable during the income year one thousand dollars ($1,000.00).

In the case of a fiduciary filing a return for the net income received during the income year by deceased resident or non-resident individuals, who have died during the tax year or income year, without having made a return, two thousand dollars ($2,000.00) if married and one thousand dollars ($1,000.00) if single.

In the case of a fiduciary filing a return for an insolvent or incompetent individual resident or non-resident where the fiduciary has complete charge of such net income the same exemption to which the beneficiary would be entitled.

2. The exemptions allowed by this section shall not apply to a resident of this State having income from a business or agency in another state, or with respect to non-resident having a taxable income in this State unless the entire income of such resident or non-resident individual is shown in the return of such resident or non-resident; and if the entire income is so shown, the exemption shall be prorated in the proportion of the income in this State to the total income.

3. The status on the last day of the income year shall determine the right to the exemptions provided in this section: Provided, that a taxpayer shall be entitled to such exemption for husband or wife or dependents who have died during the income year.

SEC. 325. Credit for taxes in case of taxpayers other than residents of the State.

Whenever a taxpayer other than a resident of the State has become liable to income tax to the state or country where he resides upon his net income for the taxable year, derived from sources within this State and subject to taxation under this article, the Commissioner of Revenue shall credit the amount of income tax payable by him under this article with such proportion of the tax so payable by him to the state or country where he resides as his income subject to taxation under this article bears to his entire income upon which the tax so payable to such other state or country was imposed: Provided, that such credit shall be allowed only if the laws of said state or country (1) grant a substantially similar credit to residents of this State subject to in-
come tax under such laws, or (2) impose a tax upon the personal incomes of its residents derived from sources in this State and exempt from taxation the personal incomes of residents of this State. No credit shall be allowed against the amount of the tax on any income taxable under this article which is exempt from taxation under the laws of such other state or country.

SEC. 326. Returns.

1. Every resident or non-resident having a net income during the income year taxable in this State of one thousand dollars ($1,000.00) and over, if single, or if married and not living with husband or wife, or having a net income for the income year of two thousand dollars ($2,000.00) or over, if married and living with husband or wife, and every corporation doing business in the State shall make a return under oath, stating specifically the items of gross income and the deductions allowed by this article, and such other facts as the Commissioner of Revenue may require for the purpose of making any computation required by this article. Every resident of the State having gross income from a business, agency or profession in excess of five thousand dollars ($5,000.00) and every non-resident having gross income from a business, agency or profession within this State in excess of five thousand dollars ($5,000.00) shall be required to make a return. When the Commissioner of Revenue has reason to believe any person or corporation is liable for tax under this article, he may require any such person or corporation to make a return.

2. If the taxpayer is unable to make his own return, the return shall be made by a duly authorized agent or by a guardian or other person charged with the care of the person or property of such taxpayer.

3. The return by a corporation shall be sworn to by the president, vice-president, or other principal officer, and by the treasurer or assistant treasurer.

4. The return of an individual, who, while living, received income in excess of the exemption during the income year, and who has died before making the return, shall be made in his name and behalf by the administrator, or executor of the estate, and the tax shall be levied upon and collected from his estate.

5. Before a corporation shall be dissolved and its assets distributed it shall make a return for and settlement of tax for any income earned in the income year up to its period of dissolution.

6. When the Commissioner of Revenue has reason to believe that any taxpayer so conducts the trade or business as either directly or indirectly to distort his true net income and the net income properly attributable to the State, whether by the arbitrary shifting of income, through price fixing, charges for service, or otherwise, whereby the net income is arbitrarily assigned to one
or another unit in a group of taxpayers carrying on business under a substantially common control, he may require such facts as he deems necessary for the proper computation of the entire net income and the net income properly attributable to the State, and in determining same the Commissioner of Revenue shall have regard to the fair profit which would normally arise from the conduct of the trade or business.

7. When any corporation liable to taxation under this article conducts its business in such a manner as either directly or indirectly to benefit the members or stockholders thereof or any person interested in such business by selling its products or goods or commodities in which it deals at less than the fair price which might be obtained therefor, or where a corporation, a substantial portion of whose capital stock is owned either directly or indirectly by another corporation, acquires and disposes of the products of the corporation so owning a substantial portion of its stock in such a manner as to create a loss or improper net income for either of said corporations, or where a corporation, owning directly or indirectly a substantial portion of the stock of another corporation, acquires and disposes of the products of the corporation of which it so owns a substantial portion of the stock in such manner as to create a loss or improper net income for either of said corporations, the Commissioner of Revenue may determine the amount of taxable income of either or any such corporations for the calendar or fiscal year, having due regard to the reasonable profits which, for such arrangement or understanding, might or could have been obtained by the corporation or corporations liable to taxation under this article from dealing in such products, goods or commodities.

**SEC. 327. Fiduciary returns.**

1. Every fiduciary subject to taxation under the provisions of this article, as provided in Section three hundred and fifteen hereof, shall make a return under oath for the individual, estate or trust for whom or for which he acts, if the net income thereof exceeds the personal exemptions.

2. The return made by a fiduciary shall state specifically the items of gross income and the deductions and exemptions allowed by this article, and such other facts as the Commissioner of Revenue may prescribe.

3. Fiduciaries required to make returns under this article shall be subject to all the provisions of this article which apply to individuals.

**SEC. 328. Information at the source.**

1. Every individual, partnership, corporation, joint-stock company or association, or insurance company, being a resident or
having a place of business in this State, in whatever capacity acting, including lessors or mortgagors of real or personal property, fiduciaries, employers, and all officers and employees of the State or of any political subdivision of the State, having the control, receipt, custody, disposal, or payment of interest (other than interest coupons payable to bearer), rent, salaries, wages, premiums, annuities, compensations, remunerations, emoluments or other fixed or determinable annual or periodical gains, profits, and incomes above exemptions allowed in this article, paid or payable during any year to any taxpayer, shall make complete return thereof to the Commissioner of Revenue under such regulations and in such form and manner and to such extent as may be prescribed by him.

2. Every partnership having a place of business in the State shall make a return, stating specifically the items of its gross income and the deductions allowed by this article, and shall include in the return the names and addresses of the individuals who would be entitled to share in the net income if distributable, and the amount of the distributive share of each individual, together with the distributive shares of corporation dividends. The return shall be sworn to by one of the partners.

3. Every corporation doing business or having a place of business in this State shall file with the Commissioner of Revenue, on such form and in such manner as he may prescribe, the names and addresses of all taxpayers, residents of North Carolina, to whom dividends have been paid and the amount of such dividends during the income year.

SEC. 329. Time and place of filing returns.

Returns shall be in such form as the Commissioner of Revenue may from time to time prescribe, and shall be filed with the commissioner at his main office, or at any branch office which he may establish, on or before the fifteenth day of March in each year, and for all taxpayers using a fiscal year, within seventy-five days after expiration of the fiscal year. In case of sickness, absence, or other disability or whenever in his judgment good cause exists, the commissioner may allow further time for filing returns.

There shall be annexed to the return the affidavit or affirmation of the taxpayer making the return, to the effect that the statements contained therein are true. The Commissioner shall cause to be prepared blank forms for the said returns, and shall cause them to be distributed throughout the State, and to be furnished upon application; but failure to receive or secure the form shall not relieve any taxpayer from the obligation of making any return herein required.

SEC. 331. Failure to file returns; supplementary returns.

If the Commissioner of Revenue shall be of the opinion that any taxpayer has failed to file a return or to include in a return filed,
either intentionally or through error, items of taxable income, he
may require from such taxpayer a return or supplementary re-
turn, under oath, in such form as he shall prescribe, of all the
items of income which the taxpayer received during the year for
which the return is made, whether or not taxable under the pro-
visions of this article. If from a supplementary return or other-
wise the commissioner finds any items of income, taxable under
this article, have been omitted from the original return, or any
items returned as taxable that are not taxable, or any item of
taxable income over-stated, he may require the items so omitted
to be disclosed to him under oath of the taxpayer, and to be added
to or deducted from the original return. Such supplementary re-
turn and the correction of the original return shall not relieve
the taxpayer from any of the penalties to which he may be liable
under any provision of this article. The commissioner may pro-
cceed under the provisions of Section three hundred and thirty-
four of this article, whether or not he requires a return or a sup-
plementary return under this section.

COLLECTION AND ENFORCEMENT OF TAX

SEC. 332. Time and place of payment of tax.

(1) The full amount of the tax payable, as shown on the face
of the return, shall be paid to the Commissioner of Revenue at the
office where the return is filed at the time fixed by law for filing
the return. If the amount of the tax exceeds fifty dollars ($50.00),
payment may be made in two installments: One-half on the date
the return is filed, one-half on or before September fifteenth fol-
lowing, with interest on the deferred payment at the rate of six
per cent (6%) per annum.

(2) If the time for filing the return be extended, interest at
the rate of six per cent (6%) per annum from the time when the
return was originally required to be filed to the time of payment
shall be added and paid.

(3) The tax may be paid with uncertified check during such
time and under such regulations as the Commissioner of Revenue
shall prescribe; but if a check so received is not paid by the bank
on which it is drawn, the taxpayer by whom such check is ten-
dered shall remain liable for the payment of the tax and for all

amount so computed by the commissioner shall be the tax. If the
tax found due shall be greater than the amount theretofore paid,
the excess shall be paid to the commissioner within thirty days
after notice of the amount shall be mailed by the commissioner,
Refund of over-payments. and any over-payment of tax shall be returned within thirty days after it is ascertained.

2. If the return is made in good faith and the under-statement of the tax is not due to any fault of the taxpayer, there shall be no penalty on additional tax added because of such under-statement, but interest shall be added to the amount of the deficiency at the rate of one-half (½) of one per cent (1%) per month or fraction thereof from the time said return was required by law to be filed until paid.

3. If the under-statement is due to negligence on the part of the taxpayer, but without intent to defraud, there shall be added to the amount of the deficiency five per cent (5%) thereof, and, in addition, interest at the rate of one-half (½) of one per cent (1%) per month or fraction thereof from time said return was required by law to be filed until paid.

4. If the under-statement is found by the Commissioner of Revenue to be false or fraudulent, with intent to evade the tax, the tax on the additional income discovered to be taxable shall be doubled and interest at the rate of one-half (½) of one per cent (1%) per month or fraction thereof from time said return was required by law to be filed until paid. The provisions of this article with respect to revision and appeal shall apply to a tax thus assessed.

SEC. 334. Corrections and changes.

If the amount of the net income for any year of any taxpayer under this article, as returned to the United States Treasury Department, is changed and corrected by the Commissioner of Internal Revenue or other officer of the United States of competent authority, such taxpayer, within thirty days after receipt of Internal Revenue Agent's report or supplemental report reflecting the corrected net income, shall make return under oath or affirmation to the Commissioner of Revenue of such corrected net income. If the taxpayer fails to notify the Commissioner of Revenue of assessment of additional tax by the Commissioner of Internal Revenue the Statute of Limitations shall not apply. The Commissioner of Revenue shall thereupon proceed to determine, from such evidence as he may have brought to his attention or shall otherwise acquire, the correct net income of such taxpayer for the fiscal or calendar year, and if there shall be any additional tax due from such taxpayer the same shall be assessed and collected; and if there shall have been an over-payment of the tax the said commissioner shall, within thirty days after the final determination of the net income of such taxpayer, refund the amount of such excess: Provided, that any taxpayer who fails to comply with this section as to making report of such change as made by the Federal Government within the time specified shall be subject to all penalties as provided in Section three hundred.
and thirty-six of this article, in case of additional tax due, and shall forfeit his rights to any refund due by reason of such change.

**SEC. 335. Additional taxes.**

If the Commissioner of Revenue discovers from the examination of the return or otherwise that the income of any taxpayer, or any portion thereof, has not been assessed, he may, at any time within three years (except where the taxpayer has failed to notify the commissioner of additional assessment by the Federal Department—see Section three hundred and thirty-four) after the time when the return was due, give notice in writing to the taxpayer of such deficiency. Any taxpayer feeling aggrieved by such proposed assessment shall be entitled to a hearing before the Commissioner of Revenue, if within thirty days after giving notice of such proposed assessment he shall apply for such hearing in writing, explaining in detail his objections to same. If no request for such hearing is so made, such proposed assessment shall be final and conclusive. If the request for hearing is made, the taxpayer shall be heard by the Commissioner of Revenue, and after such hearing the Commissioner of Revenue shall render his decision. The taxpayer shall be advised of his decision and such amount shall be due within ten days after notice is given. The provisions of this article with respect to revision and appeal shall apply to the tax so assessed. The limitation of three years to the assessment of such tax or an additional tax shall not apply to the assessment of additional taxes upon fraudulent returns. Upon failure to file returns and in the absence of fraud the limitation shall be five years.

**SEC. 336. Penalties.**

1. If any taxpayer, without intent to evade any tax imposed by this article, shall fail to file a return of income and pay the tax, if one is due, at the time required by or under the provisions of this article, but shall voluntarily file a correct return of income and pay the tax due within sixty days thereafter, there shall be added to the tax an additional amount equal to five per cent thereof, but such additional amount shall in no case be less than one dollar and interest at the rate of one-half of one per cent ($\frac{1}{2} \%) per month or fraction thereof from the time said return was required by law to be filed until paid.

2. If any taxpayer fails voluntarily to file a return of income or pay the tax, if one is due, within sixty days of the time required by or under the provisions of this article, there shall be added to the tax an additional amount equal to twenty-five per cent (25%) thereof and interest at the rate of one-half of one per cent ($\frac{1}{2} \%) per month or fraction thereof, from the time such return was required to be filed until paid, but the penalty shall not be less than five dollars ($5.00).
Mandamus to compel filing of return.

3. If any taxpayer fails to file a return within sixty days of the time prescribed by this article, any Judge of the Superior Court, upon petition of the Commissioner of Revenue or of any ten taxable residents of the State, shall issue a writ of mandamus requiring such person to file a return. The order of notice upon the petition shall be returnable not later than ten days after the filing of the petition. The petition shall be heard and determined on the return day or such day thereafter as the court shall fix, having regard to the speediest possible determination of the case consistent with the rights of the parties. The judgment shall include costs in favor of the prevailing party. All writs and processes may be issued from the clerk's offices in any county, and, except as aforesaid, shall be returnable as the court shall order.

4. The failure to do any act required by or under the provisions of this article shall be deemed an act committed in part at the office of the Commissioner of Revenue in Raleigh. The certificate of the Commissioner of Revenue to the effect that a tax has not been paid, that a return has not been filed, or that information has not been supplied, as required by or under the provisions of this article, shall be prima facie evidence that such tax has not been paid, that such return has not been filed, or that such information has not been supplied.

5. If any taxpayer who has failed to file a return or has filed an incorrect or insufficient return, and has been notified by the Commissioner of Revenue of his delinquency, refuses or neglects within twenty days after such notice to file a proper return, or files a fraudulent return, the commissioner shall determine the income of such taxpayer, according to his best information and belief, and assess the same at not more than double the amount so determined. The commissioner may, in his discretion, allow further time for the filing of a return in such case.

6. Any person required under this article to pay any tax or required by law or regulations made under authority thereof to make a return, keep any records, or supply any information for the purposes of computation, assessment or collection of any tax imposed by this article, who wilfully fails to pay this tax, make such return, keep such records or supply such information at the time or times required by law or regulations, shall, in addition to other penalties provided by law, be guilty of a misdemeanor, and upon conviction thereof, shall be fined not more than five hundred dollars ($500.00) or imprisoned not exceeding six months, or punished by both such fine and imprisonment at the discretion of the court, within the limitations aforesaid.
SECTION 340. Revision by Commissioner of Revenue.

A taxpayer may apply to the Commissioner of Revenue for revision of the tax assessed against him at any time within three years from the time of the filing of the return or from the date of the notice of assessment of any additional tax. The commissioner shall grant a hearing thereon, and if upon such hearing he shall determine that the tax is excessive or incorrect, he shall resettle the same according to the law and the facts, and adjust the computation of tax accordingly. The commissioner shall notify the taxpayer of his determination, and shall refund to the taxpayer the amount, if any, paid in excess of the tax found by him to be due.

SECTION 341. Appeal.

Any taxpayer may file formal exceptions to a finding by the Commissioner of Revenue, under the provisions of this article with respect to his taxable income, either to a matter of fact or law, as far as possible stating such exceptions separately. After they are filed, the commissioner shall pass upon the same formally, and notify the taxpayer immediately of his findings upon these exceptions. The taxpayer may, within ten days after notification of the commissioner's ruling upon these exceptions, appeal to the Superior Court of Wake County, upon paying the tax assessed by the commissioner and giving a bond for costs in the sum of two hundred dollars ($200.00); Provided, the taxpayer may within the above prescribed time first appeal to the State Board of Assessment on the exceptions to the findings of the commissioner; and provided further, that the commissioner may in his discretion require a surety bond or a deposit of State or government bonds in double the amount of the alleged deficiency. Appeal may then be taken by either the taxpayer or the commissioner to the Superior Court of Wake County as provided herein. Upon receipt of such notice and the taxes paid, and the filing of the cost bond in the sum of two hundred dollars ($200.00), the commissioner shall certify the record to the Superior Court of Wake County. In the Superior Court the proceedings shall be as follows:

The cause shall be entitled, "State of North Carolina on Relation of the Commissioner of Revenue vs. Appellant" (giving name). If there are exceptions to facts found by the commissioner, it shall be placed on the civil issue docket of such court and shall have precedence over other civil actions, and shall be tried under the same rules and regulations as are prescribed for the trial of such civil actions, except that the findings of the commissioner shall be prima facie correct. If only issues of law, or if issues of fact are raised, and the appellant shall waive jury trial at the time of taking the appeal, the appeal may be had to the Superior Court of Wake County, in the same manner as if for appeal to the Superior Court of Wake County.

ARTICLE V

Schedule E

SALES TAX

SEC. 400. Short title.

This article shall be known and may be cited as the Sales Tax Article of one thousand nine hundred and thirty-nine.

SEC. 401. Purpose.

The taxes levied in this article are to provide revenue for the support of the public schools of the State in substitution for the taxes formerly levied on property for this purpose. They are levied for the biennium of fiscal years beginning July first, one thousand nine hundred thirty-nine, and ending June thirtieth, one thousand nine hundred forty-one, and thereafter until otherwise provided by law.

The tax upon the sale of tangible personal property in this State is levied as a license or privilege tax for engaging or continuing in the business of a "wholesale" or "retail" merchant as defined in this Article. Retail merchants may add to the price of merchandise the amount of the tax on the sale thereof, and when so added shall constitute a part of such price, shall be a debt from purchaser to merchant until paid, and shall be recoverable at law in the same manner as other debts. It is the purpose and intent of this article that the tax levied herein on retail sales shall be added to the sales price of merchandise and thereby be passed on to the consumer instead of being absorbed by the merchant.

Any retail merchant who shall, by any character of public advertisement, offer to absorb the tax levied in this article upon the retail sale of merchandise, or in any manner, directly or in-
directly, advertise that the tax herein imposed is not considered as an element in the price to the consumer, shall be guilty of a misdemeanor. Any violations of the provisions of this section reported to the Commissioner of Revenue shall be reported by the Commissioner of Revenue to the Attorney General of the State, to the end that such violations may be brought to the attention of the solicitor of the court of the county or district whose duty it is to prosecute misdemeanors in the jurisdiction. It shall be the duty of such solicitor to investigate such alleged violations and if he finds that this section has been violated to prosecute such violations. The provisions of this section are deemed necessary to prevent fraud and unfair practices, but it is the intent of the General Assembly that if one or both of such provisions be held unconstitutional and void, that such invalid provision or provisions be considered separable and that the balance of this article be given effect.

**SEC. 402. Contingency.**

If the Congress of the United States shall, at any time hereafter, enact any form of sales or production tax distributable in whole or in part to the several states, the Governor and Council of State shall estimate the proportion of such tax distributable to this State, and shall, by proclamation of the Governor, abate a uniform percentage of all the taxes levied in this article equal in estimated revenue yield to the estimated proportion of yield of such Federal tax, and from and after the effective date of such proclamation the Commissioner of Revenue shall enforce and collect only the remaining percentage of taxes levied in this article.

**SEC. 404. Definitions.**

For the purposes of this article:

1. The word “person” shall mean any person, firm, partnership, association, corporation, estate or trust.

2. The word “commissioner” shall mean the Commissioner of Revenue of the State of North Carolina.

3. The word “merchant” shall include any individual, firm, corporation, domestic or foreign, estate or trust, subject to the tax imposed by this article.

4. The words “wholesale merchant” shall mean every person who engages in the business of buying any article of commerce and selling same to merchants for resale. For the purposes of this article any person, firm, corporation, estate or trust engaged in the business of manufacturing, producing, processing or blending any articles of commerce and maintaining a store or stores, warehouse or warehouses, or any other place or places, separate and
apart from the place of manufacture or production, for the sale or distribution of its products to other manufacturers or producers, wholesale or retail merchants, for the purpose of resale shall be deemed a "wholesale merchant."

5. The words "wholesale sale" or "sale at wholesale" shall mean a sale of tangible personal property by a wholesale merchant to a manufacturer, jobber or dealer, wholesale or retail merchant, for the purpose of resale, but does not include a sale to users or consumers not for resale. The term "wholesale sale" shall include a sale of tangible personal property to a manufacturer which enters into or becomes an ingredient or component part of the tangible personal property which is manufactured.

6. The words "retail merchant" shall mean every person who engages in the business of buying or acquiring, by consignment or otherwise, any articles of commerce and selling same at retail.

7. The word "retail" shall mean the sale of any articles of commerce in any quantity or quantities for any use or purpose on the part of the purchaser other than for resale.

8. The word "sale" shall mean any transfer of the ownership or title of tangible personal property for any kind of consideration. Transactions whereby the title is ultimately to pass, and whether such transactions are called leases, conditional sales, or by any other name, and although possession is retained for security, shall be sales.

9. The words "gross sales" shall mean the gross sales price at which such sales were made, whether for cash or on time, and if on time, the price charged on the books for such sales, without allowance for cash discount, and shall be reported as sales with reference to the time of delivery to the purchaser, except as this provision is modified by Section four hundred eight of this article.

Sec. 405. Taxes levied.

If any person, after the thirtieth day of June, one thousand nine hundred thirty-nine, shall engage or continue in any business for which a privilege tax is imposed by this article, such person shall apply for and obtain from the commissioner, upon the payment of the sum of one dollar ($1.00) a license to engage in and conduct such business upon the condition that such person shall pay the tax accruing to the State of North Carolina under the provisions of this article; and he shall thereby be duly licensed to engage in and conduct such business. The license tax levied in this section shall be a continuing license until revoked for failure to comply with the provisions of this article. License issued under Article V, Chapter four hundred forty-five, Public Laws of one thousand nine hundred thirty-three, for the year one thousand nine hundred thirty-four—one thousand nine hundred thirty-five;
under Chapter three hundred seventy-one, Public Laws of one thousand nine hundred thirty-five, for the biennium one thousand nine hundred thirty-five—one thousand nine hundred thirty-seven, and Chapter one hundred twenty-seven, Public Laws of one thousand nine hundred thirty-seven, for the biennium one thousand nine hundred thirty-seven—one thousand nine hundred thirty-nine, shall be deemed a continuing license under this section.

An additional tax is hereby levied for the privilege of engaging or continuing in the business of selling tangible personal property, as follows:

(a) Wholesale merchants. Upon every wholesale merchant as defined in this article, an annual license tax of ten dollars ($10.00). Such annual license shall be paid in advance within the first fifteen days of July in each year or, in the case of a new business, within fifteen days after business is commenced. There is also levied on each wholesale merchant an additional tax of one-twentieth of one per cent (1/20th of 1%) of the total gross sales of the business.

The sale of any article of merchandise by any "wholesale merchant" to any one other than to a licensed retail merchant for resale shall be taxable at the rate of tax provided in this article upon the retail sale of merchandise. In the interpretation of this article the sale of any articles of commerce by any "wholesale merchant" to any one not taxable under this article as a "retail merchant," except as otherwise provided in this article, shall be taxable by the wholesale merchant at the rate of tax provided in this article upon the retail sale of merchandise. The Commissioner of Revenue is authorized to make appropriate regulations, consistent with this article to prevent abuse with respect to existing regulations defining transactions entitled to the rate of tax levied on sales at wholesale.

(b) Retail merchants. Upon every retail merchant, as defined in this article, a tax of three per cent (3%) of the total gross sales of the business of every such retail merchant: Provided, however, the maximum tax that shall be imposed upon the sale of any single article of merchandise shall be fifteen dollars ($15.00).

(c) Motor vehicles. In addition to the taxes levied in this article or in any other law, there is hereby levied and imposed upon every person, for the privilege of using the streets and highways of this State, a tax of three per cent (3%) of the sales or purchase price of any new or used motor vehicle purchased or acquired for use on the streets and highways of this State requiring registration thereof under the Motor Vehicle Laws of this State, which said amount shall not exceed fifteen dollars ($15.00), and shall be paid to the Commissioner of Revenue at the time of applying for certificate of title or registration of such motor vehicle. The term "motor vehicle" as used in this section shall include trailers.

SEC. 406. Exemptions.

The taxes imposed in this article shall not apply to the following:

(a) Sales by manufacturers or producers of their own manufactured products when sold to other manufacturers, producers, wholesale or retail merchants, for the purpose of resale except as this subsection is limited and modified by Subsections four and five of Section four hundred and four of this article. The exemption in this subsection shall not extend to or include sales by manufacturers or producers of their own manufactured products when sold to users or consumers and not for the purpose of resale.

(b) It is not the intent of this article to exempt gasoline from the retail sales tax levied in this article, nor is it considered expedient to levy a tax upon the wholesale distribution of gasoline, payable at the source of distribution, and an additional tax upon the retail sale. Therefore, to carry out the intent of this article, a proportion of the tax of six cents per gallon, to be determined in the manner herein set out, shall be deemed in satisfaction of the tax upon retail sales levied in this article. The Director of the Budget, the Chairman of the Highway Commission and the Commissioner of Revenue shall in the first fifteen days of each quarterly period, determine the total amount of gasoline sold in the State in the preceding three months, and the average retail price, inclusive of gasoline tax, and shall on this basis compute the amount of tax liability at the rate of tax levied in this article on retail sales, and the sum so computed shall be deducted from the tax of six cents per gallon, and credited by the State Treasurer to the sales tax revenue levied in this article. These sums shall be available only after full provision is made for the expense of collecting highway revenues, for the administration of the Highway and Public Works Commission, for the service of the debt, and for reasonable maintenance of State and county highways, nor shall the application herein made become available to the general fund unless the Director of the Budget shall find such sum to be reasonably necessary to meet appropriations from the general fund. The amount so allocated to the general fund shall not be transferred from the Highway Fund, or become a definite
charge against it until the surplus in the general fund at the end of the present fiscal year, together with current revenues, shall have been exhausted, or until the Director of the Budget shall find as a fact that such transfer is necessary to prevent a deficit in the general fund; nor shall such transfer or any part thereof be made until the appropriations from the Highway Fund, hereinafter referred to, have been provided for. In construing this provision the Director of the Budget shall not be required to take into account an incidental credit balance of the general fund.

(c) Sale of commercial fertilizer on which the inspection tax is paid, and lime and land plaster used for agricultural purposes whether the inspection tax is paid or not.

(d) Sales made to the State of North Carolina or any of its subdivisions, including sales of merchandise and articles of commerce to agencies of State or local governments for distribution in public welfare or relief work. This exemption shall not apply to sales made to organizations, corporations, and institutions that are not governmental agencies, owned and controlled by the State or local governments. Sales of building material made directly to the Federal Government or to State and local governments in this State shall be exempt from the tax on building material levied in this Act, and sales of building material to contractors to be used in construction work for Federal, State or local governments shall be construed as direct sales.

(e) The gross receipts from sales of tangible personal property which the State is prohibited from taxing under the Constitution or laws of the United States of America or under the Constitution of this State.

(f) Accounts of purchasers, representing taxable sales, on which the tax imposed by this article has been paid, that are found to be worthless and actually charged off for income tax purposes may, at corresponding periods, be deducted from gross sales in so far as they represent taxable sales made after July first, one thousand nine hundred thirty-three, and to be added to gross sales if afterwards collected.

(g) Sales of public school books on the adopted list and the selling price of which is fixed by State contract.

(h) Sales of used articles taken in trade, or a series of trades, as a credit or part payment on the sale of a new article, provided the tax levied in this article is paid on the full gross sales price of the new article. In the interpretation of this subsection, new article shall be taken to mean the original stock in trade of the merchant, and shall not be limited to newly manufactured articles. The resale of articles repossessed by the vendor shall likewise be exempt from gross sales taxable under this article.
Conditional exemptions.

In addition to the exemptions set out in this section there shall also be an exemption of sales by retail merchants, upon conditions hereinafter set out, of the following articles:

It is the intention that this exemption shall apply to these primary and essential articles of food as the words used are commonly understood.

(m) For the purposes of this article, sales of mill machinery or mill machinery parts and accessories to manufacturing industries and plants may be classified as wholesale sales and, therefore, only subject to the wholesale rate of tax.

(n) Sales of horses and/or mules.

(o) Sales of coffins or caskets which do not sell for more than one hundred dollars ($100.00).

Every merchant selling merchandise to other merchants for resale shall deliver to the customer a bill of sale for each sale of merchandise, whether sold for cash or on credit, and shall make and retain a duplicate or carbon copy of each such bill of sale, and shall keep a file of all such duplicate bills of sale for at least three years from date of sale, or until inspected and audited by a representative of the Department of Revenue. Failure to comply with the provisions of this subsection shall subject the seller to liability for tax upon such sales at the rate of tax levied in this article upon retail sales.

Unless records are kept in such manner as will accurately disclose separate accounting of sales of taxable and non-taxable merchandise and in such form as may be accurately and conveniently checked by the representative of the Department of Revenue, the exemptions herein made shall not be allowed, and it shall be the duty of the commissioner or his agents to assess a tax upon the total gross sales at the rate of tax levied upon retail sales, and if records are not kept showing total gross sales, it shall be the duty of the commissioner or his agents to assess a tax upon an estimation of sales upon the best information obtainable.

SEC. 407. Taxes payable; failure to make return; duty and power of commissioner.

The taxes levied in this article shall be due and payable in monthly installments on or before the fifteenth day of the month next succeeding the month in which the tax accrues. Every taxpayer liable for the tax imposed by this article shall, on or before the fifteenth day of the month, make out or prepare a return on the blank report form furnished by the Commissioner of Revenue, showing the total gross sales, the sales exempted from the tax, the net taxable sales, the amount of tax covering sales in the preceding month, and shall mail same, together with the remittance for the amount of the tax, to the commissioner. Such monthly return shall be signed by the taxpayer or a duly authorized agent of the taxpayer.

(a) Delayed returns: If a delinquent return or a return without remittance for the amount of tax shown to be due is received by the commissioner or his duly authorized agents, the taxpayer
shall be assessed with a five per centum penalty plus interest at one-half of one per centum per month from the date the tax was due. The penalty provided in this subsection shall not be less than one dollar ($1.00).

(b) Failure to make returns: If the taxpayer shall fail to make or refuse to make the returns required under this article, then such returns shall be made by the commissioner or his duly authorized agents from the best information available, and such returns shall be prima facie correct for the purposes of this article, and the amount of tax due thereby shall be a lien against all the property of the taxpayer until discharged by payments, and if payment not be made within thirty days after demand therefor by the commissioner or his duly authorized agents, there shall be added not more than one hundred per centum as damages, together with interest at the rate of one per centum per month from the time such tax was due. If such tax be paid within thirty days after notice by the commissioner, then there shall be added not more than ten per centum as damages, and interest at the rate of one per centum per month from the time such tax was due until paid.

(c) Not to issue certificate of title or license: As an additional means of enforcement of the payment of the tax herein levied the Department of Revenue shall not issue a certificate of title or a license plate for any new or used motor vehicle sold by any merchant or dealer licensed to do business in this State until the tax levied for the sale of same in this article has been paid, or a certificate, duly signed by a dealer licensed to do business in this State, is filed at the time the application for title or license plate is made for such motor vehicle; such certificate to be on such form as may be prescribed by the Commissioner of Revenue, and that such certificate shall show that the said licensed dealer has assumed the responsibility for the payment of the tax levied under this article and agrees to report and remit the tax in his next regular monthly sales tax report required to be filed under this article.

SEC. 408. Credit sales.

Such extension shall be granted under such rules and regulations as the commissioner may prescribe. When such extension is granted, the taxpayer shall thereafter include in each monthly report all collections made during the month next preceding and shall pay taxes due thereon at the time of filing such report.

SEC. 411. The commissioner shall provide forms.

If the time for filing a return be extended, interest at the rate of one-half of one per centum per month from the time the return was required to be filed to the time of payment shall be added and paid.

SEC. 413. Annual returns. Obsolete.

SEC. 414. Commissioner to correct error.

As soon as practicable after the return is filed the commissioner shall examine it; if it then appears that the correct amount of tax is greater or less than that shown in the return, the tax shall be recomputed.

Excessive payments: If the amount already paid exceeds that which should have been paid, on the basis of the tax so recomputed, the excess shall be credited or refunded to the taxpayer in accordance with the provisions of this article.

Deficiency of amount:

(a) If the amount already paid is less than the amount which should have been paid, the difference to the extent not covered by any credits under this article, together with interest thereon at the rate of one-half of one per centum per month from the time the tax was due, shall be paid upon notice and demand by the commissioner.

(b) If any part of the deficiency is due to negligence or intentional disregard to authorized rules and regulations, with knowledge thereof, but without intent to defraud, there shall be added as damages ten per centum of the total amount of the deficiency in the tax, and interest in such a case shall be collected at the rate of one per centum per month of the amount of such deficiency in the tax from the time it was due, which interest and damages shall become due and payable upon notice and demand by the commissioner.
(c) If any part of the deficiency is due to fraud with intent to evade the tax, then there shall be added as damages not more than one hundred per centum of the total amount of the deficiency in the tax, and in such case the whole amount of tax unpaid, including charges so added, shall become due and payable upon notice and demand by the commissioner, and an additional one per centum per month on the tax shall be added from the date such tax was due until paid.

(d) If the amount already paid is less than the amount which should have been paid, the commissioner or his duly authorized agent shall notify the taxpayer of the balance due, plus such interest and damages as are set forth in (a), (b), and (c) just preceding, and if this total amount is not paid or no appeal is taken within thirty days from the date of notice, such action shall be considered as a refusal on the part of the taxpayer to make a return, and the taxpayer shall be subject to such penalties or provisions as are provided in this article for failure to make a return.

If any taxpayer, subject to the provisions of this article, goes into bankruptcy, receivership, or turns over his stock of merchandise by voluntary transfer to creditors, the tax liability under this article shall constitute a prior lien on such stock of merchandise, subject to execution, and it shall be the duty of the transferee in any such case to retain the amount of the tax due from the first sales from such stock of merchandise and to pay the same to the Commissioner of Revenue.

SEC. 415. Taxpayer must keep records.

It shall be the duty of every person engaging or continuing in this State in any business for which a privilege tax is imposed by this article to keep and preserve suitable records of the gross income, gross receipts and/or gross receipts of sales of such business, and such other books or accounts as may be necessary to determine the amount of tax for which he is liable under the provisions of this article. And it shall be the duty of every such person to keep and preserve, for a period of three years, all invoices of goods and merchandise purchased for resale, and all such books, invoices, and other records shall be open for examination at any time by the commissioner or his duly authorized agent.

SEC. 416. Tax shall be lien.

The tax imposed by this article shall be a lien upon the stock of goods and/or any other property of any person subject to the provisions hereof who shall sell out his business or stock of goods, or shall quit business, and such person shall be required to make out the return provided for under Section four hundred seven within thirty days after the date he sold out his business or stock of goods, or quit business, and his successor in business shall be required to withhold sufficient of the purchase money to cover the amount of said taxes due and unpaid until such time as the for-
mer owner shall produce a receipt from the commissioner showing that the taxes have been paid, or a certificate that no taxes are due. If the purchaser of a business or stock of goods shall fail to withhold purchase money as above provided, and the taxes shall be due and unpaid after the thirty-day period allowed, he shall be personally liable for the payment of the taxes accrued and unpaid on account of the operation of the business by the former owner.

Sec. 417. Aggrieved person may file a petition.

If any person having made the return and paid the tax as provided by this article feels aggrieved by the assessment made upon him by the commissioner, or, in the absence of a report, if an assessment has been made by the commissioner under the provisions of this article, the taxpayer may apply to the commissioner by petition, in writing, within thirty days after the notice is mailed to him, for a hearing and a correction of the amount of the tax so assessed upon him by the commissioner, in which petition he shall set forth the reasons why such hearing should be granted and the amount in which such tax should be reduced. The commissioner shall promptly consider such petition, and may grant such hearing or deny the same. If denied, the petitioner shall be forthwith notified thereof; if granted, the commissioner shall notify the petitioner of the time and place fixed for such hearing. After such hearing the commissioner may make such order in the matter as may appear to him just and lawful, and shall furnish a copy of such order to the petitioner. Any person improperly charged with any tax and required to pay the same may recover the amount paid, together with interest, in any proper action or suit against the commissioner, and the Superior Court of the county in which the taxpayer resides or is located shall have original jurisdiction of any action to recover any tax improperly collected. In any suit to recover taxes paid or to collect taxes, the court shall adjudge costs to such extent and in such manner as may be deemed equitable.

Either party to such suit shall have the right to appeal to the Supreme Court of North Carolina as now provided by law. In the event a final judgment is rendered in favor of the taxpayer in a suit to recover illegal taxes, then it shall be the duty of the State Auditor, upon receipt of a certified copy of such final judgment, to issue a warrant directed to the State Treasurer in favor of such taxpayer to pay such judgment, interest, and costs. It shall be the duty of the State Treasurer to honor such warrant and pay such judgment out of any funds in the State Treasury.

Stamps for containers of more or less than one gallon shall be proportioned to the tax levied in this section upon the several classes of wine defined in Section five hundred one (b) and (c), respectively, but the stamp on any single package shall not be less than one cent (1c).

It shall be unlawful for any dealer, either wholesale or retail, to have exposed for sale or in his possession, either in storage or on display, any wines taxable under this article without having attached to each bottle or other container the proper stamp indicating the payment of the tax herein levied, and in addition to other penalties for violation of this provision it shall be unlawful for the Department of Revenue, through any of its authorized...
agents, to confiscate any stock on hand, on display, or in storage, of any dealer who has not complied with the provisions of this section. The taxes levied in this section are in addition to the taxes levied in Schedule E of this Act.

**Sec. 518. Tax payable by wholesale distributors.**

The tax levied in the preceding section upon the sale of beverages enumerated in Section five hundred one (a) shall be paid to the Commissioner of Revenue by the manufacturer or bottler of such beverages, and the tax levied in the preceding section upon the sale of the beverages enumerated in Sections five hundred one (b) and five hundred one (c) of this article shall be paid to the Commissioner of Revenue by the wholesale distributor or bottler of such beverages. As a condition precedent to the granting of license by the Commissioner of Revenue to any wholesale distributor, manufacturer or bottler of beverages under this article, the Commissioner of Revenue shall require each such wholesale distributor, manufacturer or bottler to furnish bond in an indemnity company licensed to do business under the insurance laws of this State in such sums as the Commissioner of Revenue shall find adequate to cover the tax liability of each such wholesale distributor, manufacturer or bottler, proportioned to the volume of business of each such wholesale distributor, manufacturer or bottler, but in no event to be less than one thousand dollars ($1,000.00) or to deposit Federal, State, county or municipal bonds in required amounts, such county and municipal bonds to be approved by the Commissioner of Revenue. The Commissioner of Revenue may grant such extension of time for compliance with this condition as may be found to be reasonable.

**Sec. 518 1/2. Non-resident manufacturers and wholesale dealers to be licensed.**

From and after April thirtieth, one thousand nine hundred thirty-nine, every non-resident desiring to engage in the business of making sales of the beverages described in Section five hundred one of this article, to wholesale dealers licensed under the provisions of this article, shall first apply to the Commissioner of Revenue for a permit so to do. The Commissioner of Revenue may require of every such applicant that a bond in a sum not to exceed two thousand dollars ($2,000.00) be executed by such applicant and deposited with the Commissioner, conditioned upon the faithful compliance by such applicant with the provisions of this article, and particularly that such applicant shall not make sales of any of the beverages described in Section five hundred one to any person in this State except a duly licensed wholesale dealer. Upon the payment of a license tax of one hundred fifty dollars ($150.00), if the Commissioner is satisfied that said applicant is a bona fide manufacturer or distributor of the beverages defined in Section five hundred one, he shall then issue a permit to such ap-
plicant which shall bear a serial number. Every holder of such non-resident-permit and license shall thereafter put the number of such permit on every invoice for any quantity of beverages sold by such licensee to any wholesale dealer in North Carolina. Upon the failure of any such licensee to comply with all the provisions of this article, the Commissioner of Revenue may revoke such permit or license.

Any resident manufacturer licensed under Section five hundred four of this article shall not be required to post the bond required by this section.

**SEC. 519. Payment of tax by retailers.**

The granting of license by any municipality or county under this article to any person to sell at retail the beverages enumerated under Section five hundred one of this article shall not be valid license for such sale at retail until such person shall have filed with the Commissioner of Revenue a bond in a surety company licensed by the Insurance Department to do business in this State in such sum as the Commissioner of Revenue may find to be sufficient to cover the tax liability of every such person, but in no event to be less than one thousand dollars ($1,000.00). The Commissioner of Revenue may waive the requirement of this section for indemnity bond with respect to any such person who may file a satisfactory contract or agreement with the Commissioner of Revenue that such person will purchase and sell beverages enumerated in Section five hundred one of this article only from wholesale distributors or bottlers licensed by the Commissioner of Revenue under this Act who pay the tax under Section five hundred seventeen of this article upon all such beverages sold to retail dealers in this State. The violation of the terms of any such contract or agreement between any such retail dealer and the Commissioner of Revenue by the purchase or sale of any of the beverages enumerated in Section five hundred one of this article, from any one other than a licensed wholesale distributor or bottler under this article shall automatically cancel the license of any such retail dealer and shall be prima facie evidence of intent to defraud, and any person guilty of violation of any such contract or agreement shall be guilty of a misdemeanor.

**SEC. 519½. Tax on spirituous liquors.**

In addition to other taxes levied in this article, and in lieu of taxes levied in Schedule E of this Act on the sale of spirituous liquors, there is hereby levied a tax of eight and one-half per cent (8½%) on the retail price of distilled liquors of every kind that may be sold in this State, including liquors sold in county liquor stores. The tax imposed by this article shall be paid by the donor on or before the fifteenth day of March following the close of the calendar year.
Report of the gifts shall be made by the donor to the State Department of Revenue on blank forms prepared by the State Department of Revenue and furnished on application to any taxpayer, and the amount of tax due shall be paid at the time such report is made. The Department of Revenue shall audit the returns made under this article, and if it is found that the amount of tax paid is less than the amount lawfully due under the provisions of this article shall forward a statement of the taxes determined to the person or persons primarily chargeable with the payment thereof, such additional taxes to be collected under the same rules and regulations contained in this Act for the collection of other taxes, and if an over-payment should be found to have been made, a refund of such over-payment shall be made to the taxpayer. Within one year after the tax has been determined, any person aggrieved by the determination, may apply in writing to the Department of Revenue, which may make such corrections of the taxes as it may determine proper: Provided, however, that the rejection of the application in whole or in part by the Department of Revenue shall not prevent any person from applying to the court, as hereinafter provided, for the correction of said taxes.

SEC. 604. Penalties and interest.

In any case where a donor fails to file a return at the proper time, the Department of Revenue shall assess a penalty of ten per centum (10%) of the tax determined by it, together with interest upon such tax and penalty at the rate of six per centum (6%) per annum from the date when such report should have been filed until the date of the assessment.

If any tax, or any assessment of tax, penalties and interest, or any part thereof, be not paid when due it shall bear interest at six per centum (6%) per annum from the date of assessment until paid.

SEC. 605. Lien for tax; collection of tax.

The tax imposed by this article shall be a lien upon all gifts that constitute the basis for the tax for a period of ten years from the time they are made. If the tax is not paid by the donor when due, each donee shall be personally liable, to the extent of their respective gifts, for so much of the tax as may have been assessed, or may be assessable thereon. Any part of the property comprised in the gift that may have been sold by the donee to a bona fide purchaser for an adequate and full consideration in money or money's worth shall be divested of the lien hereby imposed and the lien, to the extent of the value of such gift, shall attach to all the property of the donee (including after-acquired property) except any part sold to a
bona fide purchaser for an adequate and full consideration in money or money's worth.

If the tax is not paid within thirty days after it has become due, the Department of Revenue may use any of the methods authorized in this Act for the collection of other taxes to enforce the payment of taxes assessed under this article.

In any proceeding by warrant or otherwise to enforce the collection of said tax, the donor shall be liable for the full amount of the tax due by reason of all the gifts constituting the basis for such tax, and each donee shall be liable only for so much of said tax as may be due on account of his respective gift.

SEC. 606. Period of limitation upon assessment; assessment upon failure or refusal to file proper return.

Except as provided in the next succeeding paragraph the amount of taxes imposed by this article shall be assessed within three years after the return was filed.

In the case of a false or fraudulent return with intent to evade tax or of a failure to file a return the tax may be assessed at any time.

If a donor should fail or refuse on demand to file a correct and proper return as required by this article, the Department of Revenue may make an estimate of the amount of taxes due the State by such donor, and by the respective donees, from any information in its possession, and assess the taxes, penalties and interest due the State by such taxpayers.

SEC. 607. Tax to be assessed upon actual value of property; manner of determining value of annuities, life estates and interests less than absolute interest.

Said taxes shall be assessed upon the actual value of the property at the time of the transfer by gift. In every case where there shall be a gift to take effect in possession or enjoyment after the expiration of one or more life estates, or at any time in the future, the tax shall be assessed on the actual value of the property or the interest of the beneficiary therein at the time when he or she becomes entitled to the same in possession or enjoyment. The value of an annuity or a life interest in such property, or any interest therein less than an absolute interest, shall be determined by the annuity tables provided for by Section one thousand seven hundred and ninety-one of Consolidated Statutes. In every case in which it is impossible to compute the present value of any interest in property so passing, the Department of Revenue may effect
such settlement of the tax as it shall deem to be for the best interest of the State, and payment of the same so agreed upon shall be a full satisfaction of such taxes.

SEC. 608. Application for relief from taxes assessed; appeal.

A taxpayer may apply to the Commissioner of Revenue for revision of the tax assessed against him at any time within three years from the time of the filing of the return or from the date of the notice of assessment of any additional tax. The commissioner shall grant a hearing thereon, and if upon such hearing he shall determine that the tax is excessive or incorrect, he shall resettle the same according to law and the facts, and adjust the computation of tax accordingly. The commissioner shall notify the taxpayer of his determination, and shall refund to the taxpayer the amount, if any, paid in excess of the tax found by him to be due. The taxpayer shall have the right of appeal from any assessment, made by the Commissioner of Revenue in the same manner and form as set out in Section three hundred and forty-one of Article IV of this Act with respect to income taxes.

SEC. 609. Returns; time of filing; extension of time for filing.

Any person who within the calendar year nineteen hundred thirty-nine, after the effective date of this article, or any calendar year thereafter, makes any gift or gifts taxed by this article shall report in duplicate, under oath, to the Department of Revenue, on forms provided for that purpose, showing therein an itemized schedule of all such gifts, the name and residence of each donee and the actual value of the gift to each, the relationship of each of such persons to the donor, and any other information which the Department of Revenue may require. Such returns shall be filed on or before the fifteenth day of March following the close of the calendar year. The Department of Revenue may grant a reasonable extension of time for filing a report whenever in its judgment good cause exists.

ARTICLE VIII

SCHEDULE H

INTANGIBLE PERSONAL PROPERTY TAX

SEC. 700. Intangible personal property.

The intangible personal properties enumerated and defined in this article or schedule are hereby classified under authority of Section three, Article V of the Constitution, and the taxes levied thereon are for the benefit of the State and the political
sub-divisions of the State as hereinafter provided and said taxes so levied for the benefit of the political sub-divisions of the State are levied for and on behalf of said political subdivisions of the State to the same extent and manner as if said levies were made by the governing authorities of the said subdivisions for distribution therein as hereinafter provided.

**SEC. 701. Money on deposit.**

All money on deposit (including certificates of deposit and postal savings) with any bank or other corporation, firm or person doing a banking business, whether such money be actually in or out of this State, having a business, commercial or taxable situs in this State, shall be subject to an annual tax, which is hereby levied, of ten cents (10c) on every one hundred dollars ($100.00) of the total amount of such deposit without deduction for any indebtedness or liabilities of the taxpayer.

For the purpose of determining the amount of deposits subject to this tax every such bank or other corporation, firm or person doing a banking business shall set up the credit balance of each depositor on the fifteenth day of each March, June, September and December in the calendar year preceding the due date of tax return, and the average of such quarterly credit balances shall constitute the amount of deposit of each depositor subject to the tax herein levied; for the purposes of this section accounts having an average of quarterly balances for the year of less than one hundred dollars ($100.00) may be disregarded.

The tax levied in this section upon money on deposit shall be paid by the cashier, treasurer or other officer or officers of every such bank or other corporation, firm or person doing a banking business in this State by report and payment to the Commissioner of Revenue on or before March fifteenth of each year; any taxes so paid as agent for the depositor shall be recovered from the owners thereof by the bank or other corporation, firm or person doing a banking business in this State by deduction from the account of the depositor on December sixteenth of each year or on such date thereafter as in the ordinary course of business it becomes convenient to make such charge. The tax on deposits represented by time certificates shall be chargeable to the original depositor unless such depositor has given notice to the depository bank of transfer of such certificate of deposit. Accounts that have been closed during the year, leaving no credit balance against which the tax can be charged, may be reported separately to the Commissioner of Revenue and the tax due on such accounts shall become a charge directly against the depositor, and such tax may
be collected by the Commissioner of Revenue from the depositor in the same manner as other taxes levied in this Act; the bank or other corporation, firm or person doing a banking business in this State shall not be held liable for the payment of the tax due on accounts so reported. None of the provisions of this section shall be construed to relieve any taxpayer of liability for a full and complete return of postal savings and of all money on deposit outside this State having business, commercial or taxable situs in this State.

The tax levied in this section shall not apply to deposits by one bank in another bank, nor to deposits of the United States, State of North Carolina, political sub-divisions of this State or agencies of such governmental units. Deposits representing the actual payment of benefits to World War Veterans by the Federal Government, when not reinvested, shall not be subject to the tax levied in this section.

SEC. 702. Money on hand.

All money on hand (including money in safe deposit boxes, safes, cash registers, etc.) on December thirty-first of each year, having a business, commercial or taxable situs in this State, shall be subject to an annual tax, which is hereby levied, of twenty-five cents (25c) on every one hundred dollars ($100.00) of the total amount of such money on hand without deduction for any indebtedness or liabilities of the taxpayer.

SEC. 703. Accounts receivable.

All accounts receivable on December thirty-first of each year, having a business, commercial or taxable situs in this State, shall be subject to an annual tax, which is hereby levied, of twenty-five cents (25c) on every one hundred dollars ($100.00) of the face value of such accounts receivable: Provided, that from the face value of such accounts receivable there may be deducted the accounts payable of the taxpayer: Provided further, that no deduction in any case shall be allowed under this section of any indebtedness of the taxpayer on account of capital outlay, permanent additions to capital or purchase of capital assets. The term "accounts payable" as used in this section shall not include: (a) reserves, secondary liabilities or contingent liabilities except upon satisfactory showing that the taxpayer will actually be compelled to pay the debt or liability; (b) taxes of any kind owing by the taxpayer; (c) debts owed to a corporation of which the taxpayer is parent or subsidiary or with which the taxpayer is closely affiliated by stock ownership or with which the taxpayer is subsidiary of same parent corporation unless the credits created by such debts are listed if so required by law for ad valorem or prop-
erty taxation, for taxation at the situs of such credits; or (d) debts incurred to purchase assets which are not subject to taxation at the situs of such assets.

Pro-rata deduction

of accounts payable.

From the total face value of accounts receivable returned to this State for taxation by or in behalf of any taxpayer who or which also owns other such accounts receivable as have situs outside of this State, accounts payable of the taxpayer may be deducted only in the proportion which the total face value of accounts receivable taxable under this section bears to the total face value of all accounts receivable of the taxpayer.

SEC. 704. Bonds, notes, and other evidences of debt.

All bonds, notes, demands, claims and other evidences of debt however evidence, whether secured by mortgage, deed of trust, judgment or otherwise, or not so secured, having a business, commercial or taxable situs in this State on December thirty-first of each year shall be subject to annual tax, which is hereby levied of fifty cents (50c) on every one hundred dollars ($100.00) of the actual value thereof: Provided, that from the actual value of such bonds, notes, demands, claims and other evidences of debt there may be deducted like evidences of debt owed by the taxpayer on December thirty-first of the same year. The term "like evidences of debt" deductible under this section shall not include: (a) accounts payable; (b) taxes of any kind owing by the taxpayer; (c) reserves, secondary liabilities or contingent liabilities except upon satisfactory showing that the taxpayer will actually be compelled to pay the debt or liability; (d) evidences of debt owed to a corporation of which the taxpayer is parent or subsidiary or with which the taxpayer is closely affiliated by stock ownership or with which the taxpayer is subsidiary of same parent corporation, unless the credits created by such evidences of debt are listed, if so required by law for ad valorem or property taxation, for taxation at the situs of such credits; or (e) debts incurred to purchase assets which are not subject to taxation at the situs of such assets.

Pro-rata deduction

of "like evidences of debt."

From the total actual value of bonds, notes, demands, claims and other evidences of debt returned to this State for taxation by or in behalf of any taxpayer who or which also owns other such evidences of debt as have situs outside of this State, like evidences of debt owed by the taxpayer may be deducted only in the proportion which the total actual value of evidences of debt taxable under this section bears to the total actual value of all like evidences of debt owned by the taxpayer.

Exemptions.

The tax levied in this section shall not apply to bonds, notes and other evidences of debt of the United States, State of
North Carolina, political sub-divisions of this State or agencies of such governmental units, but the tax shall apply to all bonds and other evidences of debt of political sub-divisions and governmental units other than those specifically excluded herein.

In every action or suit in any court for the collection on any bonds, notes, demands, claims or other evidences of debt, the plaintiff shall be required to allege in his pleadings or to prove at any time before final judgment is entered (1) that such bonds, notes or other evidences of debt have been assessed for taxation for each and every tax year, under the provisions of this article, during which the plaintiff was owner of same, not exceeding five years prior to that in which the suit or action is brought; or (2) that such bonds, notes or other evidences of debt sued upon are not taxable hereunder in the hands of the plaintiff; or (3) that the suitor has not paid, or is unable to pay such taxes, penalties and interest as might be due, but is willing for the same to be paid out of the first recovery on the evidence of debt sued upon. When in any action at law or suit in equity it is ascertained that there are unpaid taxes, penalties and interest due on the evidence of debt sought to be enforced, and the suitor makes it appear to the court that he has not paid or is unable to pay said taxes, penalties and interest, but is willing for the same to be paid out of the first recovery on the evidence of debt, the court shall have authority to enter as a part of any judgment or decreal order in said proceedings that the amount of taxes, penalties and interest due and owing shall be paid to the proper officer out of the first collection on said judgment or decree. The title to real estate heretofore or hereafter sold under a deed of trust shall not be drawn in question upon the ground that the holder of the notes secured by such deed of trust did not list and return the same for taxation as required by this article.

SEC. 705. Shares of stock.

All shares of stock owned by residents of this State or having business, commercial or taxable situs in this State on December thirty-first of each year, with the exceptions herein-after provided, shall be subject to an annual tax, which is hereby levied, of thirty cents (30c) on every one hundred dollars ($100.00) of the total fair market value thereof.

The tax herein levied shall not apply to shares of stock in banks, banking associations, trust companies or insurance companies not exempted from an income tax under Subsection F of Section three hundred eleven, which are otherwise taxed in this State, nor to shares of stock in building and loan associations which pay a tax as levied under Section one hundred thirty-eight (Section 138) of this Act; nor shall the tax apply...
to shares of stock in corporations which pay to this State a franchise tax on their entire capital stocks, surplus and undivided profits or entire gross receipts as provided under Article III, Schedule C, of this Act, together with the tax upon all of the net income, if any, of such corporations as provided under Article IV of this Act. With respect to corporations which pay to this State a franchise tax on a part of their capital stock, surplus and undivided profits or part of their gross receipts as provided in Article III, Schedule C, of this Act, and a tax upon a part of the net income of such corporations as provided under Article IV of this Act, when such income is earned, there shall be exempt so much of the fair market value of such shares of stock as is represented by the percentage of net income on which tax is paid to this State.

SEC. 706. Beneficial interest in foreign trusts.

The beneficial or equitable interest on December thirty-first of each year of any resident of this State, or of a non-resident having a business, commercial or taxable situs in this State, in any trust, trust fund or trust account (including custodian accounts) held by a foreign fiduciary shall be subject to an annual tax, which is hereby levied; and the amount of tax due and payable by virtue of the ownership of such beneficial or equitable interest shall be determined according to the following rules:

Unless otherwise indicated by the articles of the trust agreement, the value of said beneficial or equitable interest shall be deemed to apply proportionately to all types or classes of property held in such trust account; each value of said beneficial or equitable interest thus proportioned to the several types or classes of intangible personal property shall be subject to the rate of tax applicable to that type or class of intangible personal property; and the total tax due on any such beneficial or equitable interest shall be the tax which would have accrued had the pro rata share of the property been owned outright by the beneficiary.

Nothing in this section shall be construed to authorize the imposition of any tax upon the corpus of a trust foreign to this State.

SEC. 707. Funds on deposit with insurance companies.

All funds on deposit with insurance companies on December thirty-first of each year, belonging to or held in trust for a resident of this State or having acquired a taxable situs in this State, shall be subject to an annual tax, which is hereby levied, of twenty-five cents (25c) on every one hundred dollars
($100.00) thereof. The term "funds on deposit" as used in this section shall mean all funds accrued or accruing by virtue of the death of the insured or the original maturity of a policy contract where the party or parties entitled to receive such funds might withdraw same at their option upon stipulated notice.

The tax levied in this section shall be paid by the treasurer, cashier or other officer or officers of every insurance company doing business in this State by report and payment to the Commissioner of Revenue on or before March fifteenth of each year; any taxes so paid as agent for the party or parties entitled to receive such funds shall be recovered from the owners thereof by deduction from the account of the owner on December thirty-first of each year or at such other time as in the ordinary course of business it becomes convenient to make such charge.

**SEC. 708. When due and payable; date lien attaches; extensions.**

All taxes levied in this article or schedule shall become due and payable on the fifteenth day of March of each year, and the lien of such taxes shall attach annually to all real estate of the taxpayer within this State as of December thirty-first next preceding the date that such taxes become due and payable, regardless of the time at which liability for the tax may arise or the exact amount thereof be determined; and said lien shall continue until such taxes, with any interest, penalty and costs which shall accrue thereon, shall have been paid.

Every person, firm, association, corporation, clerk of court, guardian, trustee, executor, administrator, receiver, assignee for creditors, trustee in bankruptcy or other fiduciary owning or holding any intangible personal properties defined and classified and/or liable for or required to pay any tax levied, in this article or schedule, either as principal or agent, shall make and deliver to the Commissioner of Revenue in such form as he may prescribe a full, accurate and complete return of such tax liability; such return, together with the total amount of tax due, shall be filed on or before the fifteenth day of March in each year.

Every non-resident person, every foreign corporation, and every partnership consisting in whole or in part of non-resident person or persons, doing business in this State, is hereby declared to have a domicile within this State, and so much of the intangible property defined in this article or schedule, belonging to such non-resident as was acquired in the conduct of and as a part of the business carried on in this State, or for any reason having acquired a business, commercial or taxable...

A taxpayer of this State having an established business outside this State shall not be taxable in this State on such intangible personal properties as have a business, commercial or taxable situs in another state.

Forms furnished by Commissioner. The Commissioner of Revenue shall cause to be prepared blank forms for said returns and shall cause them to be distributed throughout the State, and to be furnished upon application; but failure to receive or secure form shall not relieve any taxpayer from the obligation of making full and complete return of intangible personal properties as provided in this article or schedule.

Application for extensions. The return required by this article or schedule shall be due on or before the date specified unless written application for extension of time in which to file, containing reasons therefor, is made to the Commissioner of Revenue on or before due date of return. The Commissioner of Revenue for good cause may extend the time for filing any such return, provided interest at the rate of six per cent (6%) per annum from due date of return is paid upon the total amount of tax due.

Extension granted for cause. SEC. 709. Penalties; unlawful to refuse to make returns.

It shall be unlawful for any person to fail or refuse to make the return provided for in this article or schedule, or to make any false or fraudulent return or false statement in any return of the tax, or any part thereof, imposed by this article; or for any person to aid or abet another in any attempt to evade the payment of the tax, or any part thereof, imposed by this article; or for the president, vice-president, secretary, or treasurer of any company to make or permit to be made for any company or association any false return, or any false statement in any return required by this article, with the intent to evade the payment of any tax hereunder; or for any person to fail or refuse to permit the examination of any book, paper, account, record, or other data by the Commissioner of Revenue or his duly appointed agent, or to refuse to offer testimony or produce any record as required. Any person violating any of the provisions of this section shall be guilty of a misdemeanor, and on conviction thereof shall be fined not more than five hundred dollars ($500.00) or imprisoned not exceeding six months, or punished by both such fine and imprisonment, at the discretion of the court within the limitations aforesaid. In addition to the foregoing penalties, any person who shall knowingly swear to or verify any false or fraudulent statement, with the intent aforesaid, shall be guilty of the offense of perjury, and, on conviction thereof, shall be punished in the manner provided by law for the offense of perjury. Any company for which a false return shall be made or a return containing a false statement as aforesaid, shall be guilty of a misdemeanor, and may be punished by a fine of not more than one thousand dollars ($1,000.00).

**Sec. 710. Examination of returns; additional taxes.**

As soon as practicable after the return is filed the Commissioner of Revenue shall examine same together with any other facts within his knowledge, and shall compute the tax, and the amount so computed shall be the tax. If the return is made in good faith and the under-statement of the tax is not due to any fault of the taxpayer, there shall be no penalty on additional tax added because of such under-statement, but interest shall be added to the amount of the deficiency at the rate of six per cent (6%) per annum until paid. If the under-statement is due to negligence on the part of the taxpayer, but without intent to defraud, there shall be added to the amount of the deficiency five per cent (5%) thereof, together with interest at the rate of six per cent (6%) per annum until paid. If the under-statement is found by the Commissioner of Revenue to be false or fraudulent, with intent to evade the tax, any additional tax found to be due and payable shall be doubled together with interest at the rate of six per cent (6%) per annum upon the total amount of tax so found. The interest provided for in this section shall in all cases be computed from the date the tax was originally due to the date of payment.

If the Commissioner of Revenue discovers from the examination of the return or otherwise that the intangible personal property of any taxpayer, or any portion thereof, has not been assessed, he may, at any time within three years after the time when the return was due, give notice in writing to the taxpayer of such deficiency. Any taxpayer feeling aggrieved by such proposed assessment shall be entitled to a hearing before the Commissioner of Revenue, if within thirty days after giving notice of such proposed assessment he shall apply for such hearing in writing, explaining in detail his objections to same. If no request for such hearing is so made, such proposed assessment shall be final and conclusive. If the request for hearing is made, the taxpayer shall be heard by the Commissioner of Revenue, and after such hearing the Commissioner of Revenue shall render his decision. The taxpayer shall be advised of his decision and such amount shall be due within ten days after notice is given. The provisions of this article with respect to revision and appeal shall apply to the tax so assessed. The limitation of three years to the assessment of such tax or an additional tax shall not apply to the assessment of additional taxes upon fraudulent returns nor upon failure to file returns.

Sec. 711. Information from the source; Commissioner of Revenue empowered to make regulations.

In addition to the other requirements of this article or schedule it shall be the duty of every domestic corporation and every foreign corporation doing business and/or owning property in
this State, the shares of stock and bonds of which are subject to tax under the provisions of this article or schedule, to report not later than the fifteenth day of March of each year to the Commissioner of Revenue, in such form and manner as he may prescribe, the name and address of each registered stockholder or bondholder resident in this State as of the thirty-first day of December of each year; such report shall also include the number of shares of stock and/or the number of bonds, the par or face value of each, the dividends or interest paid on each such security during the calendar year next preceding date of report, all transfers of record made from residents of this State between the first and thirty-first days of December next preceding the date of the report herein required, and such other and further information as the Commissioner of Revenue may require.

The Commissioner of Revenue shall from time to time promulgate such rules and regulations, not inconsistent with this article or schedule for making returns and for the ascertainment, assessment and collection of the taxes imposed hereunder as he may deem necessary to enforce its provisions.

SEC. 712. Moneyed capital coming into competition with the business of national banks.

Of all moneyed capital coming into competition with the business of national banks there is hereby annually levied a tax at the same rate as is assessed upon the shares of stock of national banks located in this State at the place of residence of such national banks, less deduction of real estate otherwise taxed in this State, to the same extent and under the same corresponding conditions as this deduction is allowed in the assessment of such shares of stock of national banks located in this State: Provided, that bonds, notes or other evidences of indebtedness in the hands of individual citizens not employed or engaged in the banking or investment business and representing merely personal investments not made in competition with such business shall not be deemed moneyed capital within the meaning of this section.

SEC. 713. Conversion of intangible personal property to evade taxation not to defeat assessment and collection of proper taxes; taxpayer's protection.

Any taxpayer who shall, for the purpose of evading taxation under the provisions of this article or schedule, within thirty days prior to December thirty-first of any year, either directly or indirectly, convert any intangible personal property taxable under the provisions of this article or schedule, or with like intent shall, either directly or indirectly, convert such intangible
personal property into a class of property which is taxable in this State at a lower rate than the intangible personal property so converted, shall be taxable on such intangible personal property as if such conversion had not taken place; the fact that such taxpayer within thirty days after December thirty-first of any year, either directly or indirectly, converts such property non-taxable in this State or taxable at the lower rate in this State into intangible personal property taxable at the higher rate shall be prima facie evidence of intent to evade taxation by this State, and the burden of proof shall be upon such taxpayer to show that the first conversion was for a bona fide purpose of investment and not for the purpose of evading taxation by this State.

Taxpayers making a complete return on or before March fifteenth of each year of all their holdings of intangible personal property as provided by this article or schedule (or by similar provisions of prior Revenue Act) shall not thereafter be held liable for failure to list such intangible personal property with the local taxing units of this State in previous years; the taxes levied in this article or schedule shall be in lieu of all other property taxes in this State on such intangible personal property.

SEC. 714. Conditional and other exemptions.

None of the taxes levied in this article or schedule shall apply to religious, educational, charitable or benevolent organizations not conducted for profit, nor to any funds held irrevocably in trust exclusively for the maintenance and care of places of burial; insurance companies reporting premiums to the Insurance Commissioner of this State and paying a tax thereon under the provisions of Section two hundred eight of this Act shall not be subject to the provisions of Sections seven hundred three, seven hundred four and seven hundred five of this article or schedule; building and loan associations paying a tax under the provisions of Section one hundred thirty-eight of this Act shall not be subject to the provisions of Sections seven hundred three, seven hundred four and seven hundred five of this article or schedule; banks, banking associations and trust companies shall not be subject to the tax levied in this article or schedule on evidences of debt held by them when said evidences of debt represent investment of funds on deposit with such banks, banking associations and trust companies: Provided, that each such institution must, upon request by the Commissioner of Revenue, establish in writing its claim for exemption as herein provided. The exemptions in this section shall apply only to those institutions, and only to the extent, specifically mentioned, and no other.
A clerk of any court of this State may, upon written application therefor, obtain from the Commissioner of Revenue a certificate relieving the depository bank of such clerk from the duty of collecting the tax levied in this article or schedule from deposits of said clerk: Provided, that such clerk of court shall be liable under his official bond for the full and proper remittance to the Commissioner of Revenue under the provisions of this article or schedule of taxes due on any deposits so handled.

SEC. 715. Disposition and distribution of taxes collected; purpose of tax.

The Commissioner of Revenue shall keep a separate record by counties of taxes collected under the provisions of this article or schedule, and shall not later than the twentieth day of July of each year submit to the State Board of Assessment an accurate account of such taxes collected during the fiscal year ending June thirtieth next preceding, showing separately by sections the total collections less refunds in each county of the State. The State Board of Assessment shall examine such reports and, if found to be correct, shall certify a copy of same to the State Auditor and State Treasurer. Forty per cent (40%) of the total amount of such revenue shall be retained by the State for use in the maintenance and operation of the public school system of the State, and sixty per cent (60%) of such revenue shall be distributed to the counties and municipalities of the State on the following basis:

The amount distributable to each county and to the municipalities therein from the revenue collected under Sections seven hundred two, seven hundred three, seven hundred four, seven hundred five and seven hundred six shall be determined upon the basis of the amounts collected in each county; the amount distributable to each county and to the municipalities therein from the revenue collected under Sections seven hundred one and seven hundred seven shall be determined upon the basis of population in each county as shown by the latest Federal decennial census. The amounts so allocated to each county shall in turn be divided between the county and all municipalities therein in proportion to the total amount of ad valorem taxes levied by each during the fiscal year preceding such distribution. An excise tax is hereby levied and imposed on the storage use or consumption in this State of tangible personal property purchased from a retailer within or without this State on or after July first, one thousand nine hundred and thirty-nine, for storage, use or consumption in this State at the rate of three per cent of the sales price of such property.

Where a retail sales or use tax has already been paid with respect to said property either in this or another State by the purchaser thereof then the amount of said tax shall be credited upon the tax imposed by this article.

Every person storing, using or otherwise consuming in this State tangible personal property purchased or received from a retailer either within or without this State shall be liable for the tax imposed by this article, and the liability shall not be extinguished until the tax has been paid to this State; Provided, however, that a receipt from a registered retailer maintaining a place of business in this State, given to the purchaser in accordance with the provisions of this article shall be sufficient to relieve the purchaser from further liability for the tax to which such receipt may refer; Provided further, that a receipt from a registered retailer who does not maintain a place of business in this State but who has been authorized by the Commissioner under such rules and regulations as he may prescribe, to collect the tax hereby imposed, shall also be sufficient to relieve the purchaser from further liability for the tax to which such receipt may refer.
Maximum tax. The maximum tax imposed upon any single article of tangible personal property shall be limited as provided in Section four hundred and five of Article V, Schedule E, of this Act.

Sec. 803. Exemptions.

The storage, use or consumption in this State of the following tangible personal property is hereby specifically exempted from the tax imposed by this article:

(a) Tangible personal property expressly specified and exempted from the retail sales tax imposed by Article V, Schedule E, of this Act, when purchased or delivered in this State.

(b) Tangible personal property, the sale of which is classified as a wholesale sale under the provisions of Article V, Schedule E, of this Act.

(c) Tangible personal property, the storage, use or consumption of which is exempt from taxation under the Constitution of North Carolina and the Constitution of the United States.

(d) Motor fuels defined and taxed in Article three A of Chapter fifty-five, Volume three, Consolidated Statutes of North Carolina, as now or hereafter amended or supplemented, and upon which the said Gasoline Tax has been paid, when purchased or delivered in this State.

(e) Tangible personal property purchased or acquired prior to coming into this State and brought into this State by a person a non-resident thereof for his, her, its or their own use or enjoyment while temporarily in this State.

Sec. 804. Registration.

Every retailer, except those registered under Article V, Schedule E, of this Act, who shall thereby be deemed to be registered under this article, selling or delivering tangible personal property for storage, use or consumption in this State shall within thirty days after the effective date of this article register with the Commissioner and give the name and address of all agents operating in this State and the counties in this State in which they operate, the location of any and all distribution or sales houses or offices or other places of business in this State, the number, location and place of use of all motor vehicles, motorcycles, or other vehicles or conveyances used or operated in this State by said retailer or in the business of said retailer, or for or under the authority of or under contract with or license from said retailer, and such other information as the Commissioner may require. A fee of one dollar shall be charged for such registration.

Sec. 805. May collect tax.

Every registered retail merchant, selling or delivering tangible personal property for storage, use, or consumption in this State"
may, at the time of selling or delivering said tangible personal property or collecting the sales price thereof, add to the sales price of such tangible personal property the amount of the tax on the sale thereof, and when so added shall constitute a part of such price, shall be a debt from the purchaser to the merchant until paid, and shall be recoverable at law in the same manner as other debts. It is the purpose and intent of this article that the tax herein levied and imposed shall be added to the sales price of tangible personal property when sold at retail and thereby be passed on to the consumer instead of being absorbed by the merchant.

Any retail merchant, who shall by any character of public advertisement offer to absorb the tax levied in this article upon the retail sale of merchandise, or in any manner, directly or indirectly, advertise that the tax herein imposed is not considered as an element in the price to the consumer, shall be guilty of a misdemeanor. Any violations of the provisions of this section reported to the Commissioner of Revenue shall be reported by him to the Attorney General of the State to the end that such violations may be brought to the attention of the solicitor of the court of the county or district whose duty it is to prosecute misdemeanors in the jurisdiction. It shall be the duty of such solicitor to investigate such alleged violations and, if he finds that this section has been violated, prosecute such violators in accordance with the law.

SEC. 806. Out of State retailer may register.

The Commissioner of Revenue may, in his discretion and upon application, authorize any registered retailer not maintaining a place of business in this State to pay the tax imposed by this article when he is satisfied that said retailer will remit the tax imposed in this article and intends in good faith to conform and abide by its provisions. Such retailer shall, without the payment of any fee in addition to the registration fee required under Section eight hundred and four of this article, be issued a license or certificate to pay said tax in such manner and subject to such rules and regulations as the Commissioner may require. When so authorized, it shall be the duty of such retailer to pay said tax in the same manner and subject to the same requirements as a retailer maintaining a place of business in this State. The Commissioner may cancel said license or permit at any time if he finds that such retailer is not properly complying with this article, and such rules and regulations as he may require, or that such tax can be more effectively collected directly from the purchaser. As a condition to the issuance or continuance of said license or permit, the Commissioner may, in his discretion, require such retailer to post a bond or other adequate security sufficient to guarantee and secure the payment of said tax, when the same appears reasonably necessary therefor.
SEC. 807. Taxes payable; when returns are to be filed by retailer.

The tax imposed by this article shall be due and payable to the Commissioner monthly on or before the fifteenth day of the month next succeeding the month in which the tax accrues. Every registered retailer maintaining a place of business in this State, and every registered retailer not maintaining a place of business in this State, but authorized to pay said tax, shall, on or before the fifteenth day of the month following the month in which the tax accrues, file with the Commissioner a return for the preceding month, in such form as may be prescribed by the Commissioner, showing the total sales price of the tangible personal property sold and/or delivered by the retailer during such preceding month, the storage, use or consumption of which is subject to the tax imposed by this article, and such other information as the Commissioner may deem necessary for the proper administration of this article. The return shall be accompanied by a remittance of the amount of tax herein required to be paid by the retailer during the month covered by the return. Returns shall be signed by the retailer or his duly authorized agent but need not be verified by oath.

SEC. 808. Taxes payable; when returns are to be filed by purchaser.

The Commissioner of Revenue shall have authority to require every person storing, using or consuming tangible personal property in this State purchased from a retailer who does or does not maintain a place of business in this State, to file with the Commissioner a return for the preceding month in such form as may be prescribed by him showing the total sales price of the tangible personal property purchased or received by such person during such preceding month, the storage, use or consumption of which is subject to the tax imposed by this article, and such other information as the Commissioner may deem necessary for the proper administration of this article. The return shall be accompanied by a remittance of the amount of tax herein imposed during the month covered by the return. Returns shall be signed by the person liable for the tax or his duly authorized agent but need not be verified by oath.

No return or report shall be required under this section, however, of any person storing, using, or consuming tangible personal property purchased from a registered retailer to whom said person has paid the tax imposed by this article, provided said registered retailer maintains a place of business in this State or has been authorized to pay said tax as imposed in this article.

SEC. 809. Sales presumed to be for storage, use or consumption.

For the purpose of the proper administration of this article and to prevent evasion of the tax and the duty to pay the same herein
imposed, it shall be prima facie presumed that tangible personal property sold by any person for delivery in this State is sold for storage, use or other consumption in this State.

All provisions not inconsistent with this article in Article V, Schedule E, and Article X, Schedule J, of the Revenue Act, relating to administration, auditing, and making returns, promulgation of rules and regulations by the Commissioner, imposition and collection of tax and the lien thereof, assessments, refunds, and penalties are hereby made a part of this article and shall be applicable hereto.

SEC. 811. Failure to register and file returns misdemeanor.

Any retailer failing or refusing to register and give the information required in this article, and any retailer or other person failing or refusing to make any return required to be made under this article, or failing or refusing to make a supplemental return or to furnish other data or information required by the Commissioner, or rendering a false or fraudulent return, shall be guilty of a misdemeanor and subject to a fine of not exceeding five hundred dollars ($500.00) for each such offense.

Any person required by this article to make, render or sign any return or report or to furnish other data or information, who makes any false or fraudulent return or report, or who furnishes any false data or information, with intent to defeat or evade the assessment or determination of any tax due under this article, shall be guilty of a misdemeanor, and shall for each such offense be fined not less than three hundred dollars ($300.00) and not more than five thousand dollars ($5,000.00) or be imprisoned not exceeding one year in the county jail or be subject to both said fine and imprisonment in the discretion of the court.

Any wilful violation of the provisions of this article, except as otherwise herein provided, shall be a misdemeanor and punishable as such.

SEC. 812. Unconstitutionality or invalidity.

If any section, subsection, clause, sentence or phrase of this article which is reasonably separable from the remaining portions of this article, or the application thereof in any particular case or to any particular person, is for any reason held to be unconstitutional, such decision shall not affect the remaining portions of this article or their application in other cases or to other persons not similarly affected. The Legislature hereby declares that it would have passed the remaining portions of this article irrespec-
tive of the fact that any such section, subsection, clause, sentence or phrase of this article, or the said application thereof, be declared unconstitutional.

SEC. 907. Penalty for bad checks.

When any uncertified check is tendered in payment of any obligation to the Department of Revenue, and such check shall have been returned to the office of the Commissioner of Revenue unpaid on account of insufficient funds of the drawer of said check in the bank upon which same is drawn, then and in that event an additional tax shall be imposed equal to ten per cent (10%) of the tax due; and in no case shall the increase of said tax because of such failure be less than one dollar ($1.00) nor exceeding two hundred dollars ($200.00), and the said additional tax shall not be waived or diminished by the Commissioner of Revenue. Action may be brought at any time and in any court of competent jurisdiction in this State or other state, in the name of the State and at the instance of the Commissioner of Revenue, to recover the amount of any taxes, penalties, and interest due under this Act. This remedy is in addition to all other remedies for the collection of said taxes and shall not in any respect abridge the same. Any judgment shall be declared to have such preference and priority against the property of the defendant as is provided by law for taxes levied by this Act, and free from any claims for homestead or personal property exemption of the defendant therein.

SEC. 911. Tax upon settlement of fiduciary's account.

The certificate of the Commissioner of Revenue and the receipt for the amount of tax herein certified shall be conclusive as to the payment of the tax to the extent of said certificate.

Properties in receivership.

Whenever the property of any taxpayer liable to any tax imposed by this Act or under its authority shall be taken into receivership, the lien of the taxes upon the real estate shall not thereby be in any manner disturbed, and the personal property of the taxpayer liable to said tax upon which there is no prior specific lien shall be subject to a lien for the taxes imposed by this Act, or under its authority, from the time the receivership went into effect, subject to prior payment of costs of the receivership only.

The provisions of this section shall not have the effect of releasing any lien for State taxes imposed by other law, nor shall they have the effect of postponing the payment of the said State taxes or depriving the said State taxes of any priority in order of payment provided in any other statute under which payment of the said taxes may be required.

Sec. 913. Warrant for the collection of taxes.

If any tax imposed by this Act, or any other tax levied by the State and payable to the Commissioner of Revenue, or any portion of such tax be not paid within thirty days after the same becomes due and payable, and after the same has been assessed, the Commissioner of Revenue shall issue an order under his hand and official seal, directed to the Sheriff of any county of the State, commanding him to levy upon and sell the real and personal property of the taxpayer found within his county for the payment of the amount thereof, with the added penalties, additional taxes, interest, and cost of executing the same, and to return to the Commissioner of Revenue the money collected by virtue thereof within a time to be therein specified, not less than sixty days from the date of the order. The said Sheriff shall, thereupon, proceed upon the same in all respects with like effect and in the same manner prescribed by law in respect to executions issued against property upon judgments of a court of record, and shall be entitled to the same fees for his services in executing the order, to be collected in the same manner.

In addition to the remedy herein provided, the Commissioner of Revenue is authorized and empowered to make a certificate setting forth the essential particulars relating to the said tax, including the amount thereof, the date when the same was due and payable, the person, firm, or corporation chargeable therewith, and the nature of the tax, and under his hand and seal transmit the same to the Clerk of the Superior Court of any county in which the delinquent taxpayer resides or has property; whereupon, it shall be the duty of the Clerk of the Superior Court of the county to docket the said certificate and index the same on the cross-index of judgments, and execution may issue thereon with the same force and effect as an execution upon any other judgment of the Superior Court (said tax shall become a lien on rea
only from the date of the docketing of such certificate in the office of the Clerk of the Superior Court and on personality only from the date of the levy on such personality and upon the execution thereon no homestead or personal property exemption shall be allowed).

The remedies herein given are cumulative and in addition to all other remedies provided by law for the collection of said taxes.

SEC. 914. *Taxes recoverable by action.*

Upon the failure of any corporation to pay the taxes, fees, and penalties prescribed by this Act, the Commissioner of Revenue may certify same to the Sheriff of the county in which such company may own property, for collection as provided in this Act; and if collection is not made, such taxes or fees and penalties thereon may be recovered in an action in the name of the State, which may be brought in the Superior Court of Wake County, or in any county in which such corporation is doing business, or any county in which such corporation owns property. The Attorney General, on request of the Commissioner of Revenue, shall institute such action in the Superior Court of Wake County, or of any such county as the Commissioner of Revenue may direct. Such petition shall be in the name of the State; and if it is made to appear to the court, upon hearing, that such public utility (not an agency of interstate com-
merce) or corporation has failed or neglected, for ninety days, to pay such taxes, fees, or penalties thereon, or to make and file such reports, or to pay such penalties, for failure to make or file such reports or returns, such court shall grant and issue such injunction.

SEC. 917. Actions, when tried.

All actions or processes brought in any of the Superior Courts of this State, under provisions of this Act, shall have precedence over any other civil causes pending in such courts, and the courts shall always be deemed open for trial of any such action or proceeding brought therein.

No city, town, township, or county shall levy any tax on income or inheritance.

SEC. 919. State taxes; purposes.

The taxes levied in this Act are for the expenses of the State government, the appropriations to its educational, charitable, and penal institutions, pensions for Confederate soldiers and widows, the interest on the debt of the State, for public schools, and other specific appropriations made by law, and shall be collected and paid into the general fund of the State Treasurer.

The taxes levied under authority of Section four hundred ninety-two of Chapter four hundred twenty-seven of the Public Laws of one thousand nine hundred thirty-one, and remaining unpaid, shall be collected in the same manner as other county taxes and accounted for in the same manner as other taxes under the Daily Deposit Act. The county treasurer or other officer receiving such taxes in each county shall remit to the Treasurer of the State on the first and fifteenth days of each month all taxes collected up to the time of such remittance under the levy therein provided for, and such remittance to the State Treasurer shall also include the proportion of all poll taxes collected required by the Constitution of the State to be used for educational purposes.

The tax levy therein provided for shall be subject to the same discounts and penalties as provided by law for other county taxes, and there shall be allowed the same percentage for collecting such taxes as for other county taxes. The obligation to the State un-
under the levy therein provided for shall run against all taxes that become delinquent; and with respect to any property that may be sold for taxes, any public officer receiving such delinquent taxes, when and if such property may be redeemed or such tax obligations in any manner satisfied, shall remit such proportionate part of such tax levy to the State Treasurer within fifteen days after receipt of same. At the end of each fiscal year the county accountant shall furnish the State Treasurer a statement of the total amount of taxes levied in accordance with the provisions of this section, that are uncollected at the end of the fiscal year.

Whenever in any law or act of incorporation, granted either under the general law or by special Act, there is any limitation or exemption of taxation, the same is hereby repealed, and all the property and effects of all such corporations, other than the bonds of this State and of the United States Government, shall be liable to taxation, except property belonging to the United States and to municipal corporations, and property of churches, religious societies, charitable, educational, literary, or benevolent institutions or orders, and also cemeteries: Provided, that no property whatever, held or used for investment, speculation, or rent, shall be exempt, other than bonds of this State and of the United States Government, unless said rent or the interest on or income from such investment shall be used exclusively for religious, charitable, educational, or benevolent purposes, or the interest upon the bonded indebtedness of said religious, charitable, or benevolent institutions.

Sec. 920. Law applicable to foreign corporations.

All foreign corporations, and the officers and agents thereof, doing business in this State, shall be subject to all the liabilities and restrictions that are or may be imposed upon corporations of like character, organized under the laws of this State, and shall have no other or greater powers.

Sec. 921. Information must be furnished.

Each company, firm, corporation, person, association, co-partnership, or public utility shall furnish the Commissioner of Revenue in the form of returns prescribed by him, all information required by law and all other facts and information in addition to the facts and information in this Act specifically required to be given, which the Commissioner of Revenue may require to enable him to carry into effect the provisions of the laws which the said Commissioner is required to administer, and shall make specific answers to all questions submitted by the Commissioner of Revenue.
SEC. 922. Returns required.

Any company, firm, corporation, person, association, co-partnership, or public utility receiving from the Commissioner of Revenue any blanks, requiring information, shall cause them to be properly filled out so as to answer fully and correctly each question therein propounded, and in case it is unable to answer any question, it shall, in writing, give a good and sufficient reason for such failure.

The answers to such questions shall be verified under oath by such persons, or by the president, secretary, superintendent, general manager, principal accounting officer, partner, or agent, and returned to the Commissioner of Revenue at his office within the period fixed by the Commissioner of Revenue.

SEC. 923. Personal liability of officers, trustees, or receivers.

Any officer, trustee, or receiver of any corporation required to file report with the Commissioner of Revenue, having in his custody funds of the corporation, who allows said funds to be paid out or distributed to the stockholders of said corporation without having satisfied the State Board of Assessment or Commissioner of Revenue for any State taxes which are due or have accrued, shall be personally responsible for the payment of said tax, and in addition thereto shall be subject to a penalty of not more than the amount of the tax, nor less than twenty-five per cent (25%) of such tax found to be due or accrued.

SEC. 924. Blanks furnished by Commissioner of Revenue.

The Commissioner of Revenue shall cause to be prepared suitable blanks for carrying out the purposes of the laws which he is required to administer, and, on application, furnish such blanks to each company, firm, corporation, person, association, co-partnership, or public utility subject thereto.

SEC. 925. Commissioner of Revenue to keep records.

The Commissioner of Revenue shall keep books of account and records of collections of taxes as may be prescribed by the Director of the Budget; shall keep an assessment roll for the taxes levied, assessed, and collected under this Act, showing in same the name of each taxpayer, the amount of tax assessed against each, when assessed, the increase or decrease in such assessment; the penalties imposed and collected, and the total tax paid; and shall make monthly reports to the Director of the Budget and to the Auditor and/or State Treasurer of all collections of taxes on such forms as prescribed by the Director of the Budget.
SEC. 926. Publication of statistics.

The Commissioner of Revenue shall prepare and publish annually statistics reasonably available, with respect to the operation of this Act, including amounts collected, classifications of taxpayers, income and exemptions, and such other facts as are deemed pertinent and valuable.

SEC. 927. Powers of Commissioner of Revenue.

The Commissioner of Revenue, for the purpose of ascertaining the correctness of any return or for the purpose of making an estimate of the tax due by any taxpayer under this Act, shall have the power to examine or cause to be examined, by any agent or representative designated by him for that purpose, any agent or representative designated by him for that purpose, any books, papers, records, or memoranda bearing upon the matters required to be included in the return, and may require the attendance of the taxpayer or of any other person having knowledge in the premises, and may take testimony and require proof material for his information, with power to administer oaths to such person or persons.

SEC. 928. Secrecy required of officials—penalty for violation.

Except in accordance with proper judicial order, or as otherwise provided by law, it shall be unlawful for the Commissioner of Revenue, any deputy, agent, clerk, other officer, employee, or former officer or employee, to divulge and make known in any manner the amount of income, income tax or other taxes, set forth or disclosed in any report or return required under this Act.

Nothing in this section shall be construed to prohibit the publication of statistics, so classified as to prevent the identification of particular reports or returns, and the items thereof; the inspection of such reports or returns by the Governor, Attorney General, or their duly authorized representative; or the inspection by a legal representative of the State of the report or return of any taxpayer who shall bring an action to set aside or review the tax based thereon, or against whom an action or proceeding has been instituted to recover any tax or penalty imposed by this Act; nor shall the provisions of this section prohibit the Department of Revenue furnishing information to other governmental agencies, of persons and firms properly licensed under Schedule B of this Act. The Department of Revenue may exchange information with the officers of organized associations of taxpayers under Schedule B of this Act with respect to parties liable for such taxes and as to parties who have paid such license taxes.
Reports and returns shall be preserved for three years, and thereafter until the Commissioner of Revenue shall order the same to be destroyed.

Any person, officer, agent, clerk, employee, or former officer or employee violating the provisions of this section shall be guilty of a misdemeanor, and fined not less than two hundred dollars ($200.00) nor more than one thousand dollars ($1,000.00) and/or imprisoned, in the discretion of the court; and if such offending person be an officer or employee of the State, he shall be dismissed from such office or employment, and shall not hold any public office or employment in this State for a period of five years thereafter.

Notwithstanding the provisions of this section, the Commissioner of Revenue may permit the Commissioner of Internal Revenue of the United States, or the Revenue officer of any other state imposing any of the taxes imposed in this Act, or the duly authorized representative of either, to inspect the report or return of any taxpayer; or may furnish such officer or his authorized agent an abstract of the report or return of any taxpayer; or supply such officer with information concerning any item contained in any report or return, or disclosed by the report of any investigation of such report or return of any taxpayer. Such permission, however, shall be granted or such information furnished to such officer, or his duly authorized representative, only if the statutes of the United States or of such other state grants substantially similar privilege to the Commissioner of Revenue of this State or his duly authorized representative.

Sec. 929. Deputies and clerks.

The Commissioner of Revenue may appoint such deputies, clerks and assistants under his direction as may be necessary to administer the laws relating to the assessment and collection of all taxes provided for in this Act; may remove and discharge same at his discretion, and shall fix their compensation within the rules and regulations prescribed by law.

Sec. 930. Commissioner and deputies to administer oaths.

The Commissioner of Revenue and such deputies as he may designate shall have the power to administer an oath to any person or to take the acknowledgment of any person in respect to any return or report required by this Act or under the rules and regulations of the Commissioner of Revenue, and shall have access to all the books and records of any person, firm, corporation, county, or municipality in this State.
SEC. 931. Rules and regulations.

The Commissioner of Revenue may, from time to time, make, prescribe, and publish such rules and regulations, not inconsistent with this Act, as may be needful to enforce its provisions.

SEC. 932. Time for filing reports extended.

The Commissioner of Revenue, when he deems the same necessary or advisable, may extend to any person, firm, or corporation or public utility a further specified time within which to file any report required by law to be filed with the Commissioner of Revenue, in which event the attaching or taking effect of any penalty for failure to file such report or to pay any tax or fee shall be extended or postponed accordingly. Interest at the rate of six per cent (6%) per annum from the time the report or return was originally required to be filed to the time of payment shall be added to and paid with any tax that might be due on returns so extended.

SEC. 933. Construction of the act; population.

It shall be the duty of the Commissioner of Revenue to construe all sections of this Act imposing either license, franchise, inheritance, income, or other taxes. Such decisions by the Commissioner of Revenue shall be prima facie correct, and a protection to the officers and taxpayers affected thereby. Where the license tax is graduated in this Act according to the population, the population shall be the number of inhabitants as determined by the last census of the United States Government: Provided, that if any city or town in this State has extended its limits since the last census period, and thereafter has taken a census of its population in these increased limits by an official enumeration, either through the aid of the United States Government or otherwise, the population thus ascertained shall be that upon which the license tax is to be graduated.

SEC. 934. When increases operative.

In all instances in which the taxes are increased or decreased or new taxes imposed under Schedules B and C of this Act, and which shall become due between the ratification of this Act and the first day of June, one thousand nine hundred and thirty-nine, such increase or decrease shall become operative only from and after the thirty-first day of May, one thousand nine hundred and thirty-nine.

SEC. 935. Authority for imposition of tax.

This Act, after its ratification, shall constitute authority for the imposition of taxes upon the subject herein revised, and all laws in conflict with it are hereby repealed, but such repeal shall not affect taxes listed or which ought or should have been listed, or which may have been due, or penalties or fines incurred from failure to make the proper reports, or to pay the taxes at the proper time under any of the schedules of existing law, but such taxes and penalties may be collected, and criminal offenses prosecuted under such law existing at the time of the ratification of this Act, notwithstanding this repeal.

SEC. 936. Taxes to be paid; suits for recovery of taxes.

No court of this State shall entertain a suit of any kind brought for the purpose of preventing the collection of any tax imposed in this Act. Whenever a person shall have a valid defense to the enforcement of the collection of a tax assessed or charged against him or his property, such person shall pay such tax to the proper officer, and notify such officer in writing that he pays same under protest. Such payment shall be without prejudice to any defense of rights he may have in the premises, and he may, at any time within thirty days after such payment, demand the same in writing from the Commissioner of Revenue of the State, if a State tax, or if a county, city, or town tax, from the treasurer thereof for the benefit or under the authority or by request of which the same was levied; and if the same shall not be refunded within ninety days thereafter, may sue such official in the courts of the State for the amount so demanded. Such suit, if against the State Commissioner of Revenue, must be brought in the Superior Court of Wake County, or in the county in which the taxpayer resides, if the sum demanded is upwards of two hundred dollars ($200.00), and if for two hundred dollars ($200.00) or less, before any State court of competent jurisdiction in Wake County. If for a county, city or town tax, suit must be brought in a State court of competent jurisdiction in the county where the tax is collectible, and the defendant official has his official residence. If upon the trial it shall be determined that such tax or any part thereof was levied or assessed for an illegal or unauthorized purpose, or was for any reason invalid or excessive, judgment shall be rendered therefor, with interest, and the same shall be collected as in other cases. The amount of State taxes for which judgment shall be rendered in such action shall be refunded by the State.
SEC. 937. Overpayment of taxes to be refunded with interest.

If the Commissioner of Revenue discovers from the examination of any return, or otherwise, that any taxpayer has overpaid the correct amount of tax (including penalties, interests and costs, if any), such overpayment shall be refunded to the taxpayer within sixty days after it is ascertained together with interest thereon at the rate of six per cent (6%) per annum: Provided, that interest on any such refund shall be computed from a date ninety (90) days after date tax was originally paid by the taxpayer.

SEC. 938. Reciprocal comity.

The courts of this State shall recognize and enforce liabilities for taxes lawfully imposed by other states which extend a like comity to this State.

SEC. 939. Extra-territorial authority to enforce payment.

The Commissioner of Revenue, with the assistance of the Attorney General, is hereby empowered to bring suits in the courts of other states to collect taxes legally due this State. The officials of other states which extend a like comity to this State are empowered to sue for the collection of such taxes in the courts of this State. A certificate by the Secretary of State, under the Great Seal of the State, that such officers have authority to collect the tax shall be conclusive evidence of such authority.

SEC. 940. Unconstitutionality or invalidity.

If any clause, sentence, paragraph, or part of this Act shall for any reason be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder of this Act, but shall be confined in its operation to the clause, sentence, paragraph, or part thereof directly involved in the controversy in which such judgment shall have been rendered. No caption of any section or set of sections shall in any way affect the interpretation of this Act or any part thereof.

SEC. 941. Effective date.

This Act shall be in full force and effect from and after its ratification.

SEC. 7. On the day preceding any general election, the Chairman of the County Board of Elections shall deliver to the registrar a list of all absent voters ballots issued for such precinct and on the day of the general election the Chairman of the County Board of Elections shall deliver the absent voters ballots received by him to the precinct officials of the appropriate and proper precinct or precincts in his county.

The registrar shall post said list in a public place, at the opening of the polls in said precinct, where it can be seen and inspected by any interested voter.

SEC. 8. Absent voters ballots shall be deemed to be voted when delivered to the precinct officials, unless upon being opened and inspected it shall appear that the affidavit and jurat, or either, are not in due form, or that the name on the container envelope, the ballot and the chairman's certificate do not correspond. In either of which events, the ballot shall not be voted, nor counted. At any time during the day or, if more convenient, immediately upon the closing of the polls for the voting of voters in person, the recording of the absent voters names on the poll book and depositing the ballot in the ballot box shall be begun and the procedure shall be as follows:

(1) The name of the voter as it appears on the affidavit shall be called by one of the judges of the elections. If it be found that he is a qualified voter of the precinct, and no challenge is offered to the vote, the name shall then be recorded on the poll book, with the notation—"Absent Voter." A judge
of elections shall then open the envelope by slitting it with a sharp instrument in such manner as not to destroy, tear or obliterate any part of the affidavit; the ballot shall be removed from the envelope without unfolding the same so as to disclose how the ballot is marked, and if the signature of the voter on the ballot or ballots corresponds with the name on the envelope and with the name set out in the chairman's certificate on the back of the ballot, such ballot, without examination as to how it is marked, shall be deposited in the appropriate ballot box, as other ballots are deposited; provided, however, that if the name on the envelope and the name on the ballot and in the chairman's certificate on the back of the ballot do not correspond, or if the affidavit and jurat are not in due form, said ballot shall not be deposited in the ballot box, nor counted, but returned to its envelope and marked—"Rejected."

(2) If an absent voter's ballot is challenged and the challenge is sustained, the ballot shall be returned to its envelope and marked "Challenge Sustained" and returned as provided for the return of rejected ballots.

All envelopes shall be carefully preserved, and, with ballots marked "Rejected" and "Challenge Sustained," shall be filed with the Chairman of the County Board of Elections, at the time the returns from said precinct are filed, and shall be preserved, intact, by the Chairman of the County Board of Elections for a period of six months, or longer if any contest shall then be pending concerning the validity of any of the absentee ballots so delivered to him.

SEC. 9. The absent voter, whose ballot has been challenged, shall, upon notice, have the right to appear before the County Board of Elections on canvass day and be given the opportunity to sustain the validity, and if its validity is sustained, his ballot shall be counted and added to the returns from the proper precincts.

SEC. 10. The register of applications for absent voters ballots, required to be kept by the Chairman of the County Board of Elections, shall constitute a public record and shall be opened to the inspection of any elector of the county, at any time within thirty days before and thirty days after any general election, or at any other time when good and sufficient reason may be assigned for such inspection.

SEC. 11. Any person authorized to administer oaths, who wilfully signs a certificate that any person has subscribed and sworn to an affidavit for use in obtaining an absent voters application, or absent voters affidavit, or any other purported affidavit referred to and required by this Act, when, as a mat-
ter of fact, he has not administered the oath to such person, shall be guilty of a misdemeanor, and upon conviction, shall be fined not less than one hundred dollars ($100.00), or imprisoned not less than sixty days, or both, in the discretion of the court.

SEC. 12. If any person shall willfully and falsely make any affidavit or statement, under oath, which affidavit or statement, under oath, is required to be made by the provisions of this Act, such person shall be guilty of a misdemeanor, and upon conviction, shall be punished by a fine of not less than one hundred dollars ($100.00), or imprisoned for not less than sixty days, or both, in the discretion of the court.

SEC. 13. If any person, for the purpose of obtaining or voting any official ballot hereunder, shall willfully sign any printed or written false statement which does not purport to be under oath, or which, if it purports to be under oath, was not duly sworn to, such person shall be guilty of a misdemeanor, and upon conviction, shall be fined not less than one hundred dollars ($100.00), or imprisoned not less than sixty days, or both, in the discretion of the court.

SEC. 14. The Chairman of the County Board of Elections in each county shall be the sole custodian of blank applications for absent voters ballots, the official ballots, blank certificates and envelopes, and he shall issue same only in strict accordance with the provisions of this Act. The issuance of such absent voters ballots is the responsibility and duty of the Chairman of the County Board of Elections. Blank applications for absent voters ballots may be delivered to any elector applying for same. He shall keep all records and make all reports, promptly, required by him by the terms of this Act.

The wilful violation of the terms of this section shall constitute a misdemeanor, and upon conviction, the offender shall be fined not less than one hundred dollars ($100.00), or imprisoned not less than sixty days, or both, in the discretion of the court.

SEC. 15. If any person shall willfully violate any of the provisions of this Act, or willfully fail to comply with any of the provisions thereof, for which no other punishment is herein provided, such person shall be guilty of a misdemeanor, and upon conviction, shall be fined not less than one hundred dollars ($100.00), or imprisoned not less than six months, or both, in the discretion of the court.

SEC. 16. It shall be the duty of the State Board of Elections to report to the Attorney General of North Carolina, and to...
the solicitor of the appropriate judicial district, any violation of this Act, or the failure of any person charged with a duty hereunder to comply with and perform such duty, and it shall be the duty of the solicitor to cause such person to be prosecuted therefor.

SEC. 17. All existing laws relating to voting by absentee ballot in the State of North Carolina are hereby repealed and all laws and clauses of laws in conflict herewith are hereby repealed.

SEC. 18. This Act shall be in full force from and after its ratification.

In the General Assembly read three times and ratified, this the 24th day of March, 1939.

It is the intent and purpose of the General Assembly that the appropriations herein provided shall not exceed the available revenue of the State highway fund, and to this end the Director of the Budget shall cause a careful survey to be made of highway revenues; and if it shall appear at the end of the first year of the biennium that there is not a reasonable assurance of sufficient highway revenue available for the second year of the biennium to provide for the items covered in this Appropriation Bill, the Director of the Budget shall reduce the appropriations of items covered by Titles XII-three, four, five and six, in such amounts as will insure the balancing of the highway budget by the end of the biennium).

(Provided, in the event the receipts and/or increments to the highway fund shall be more than the appropriations herein made, such excess may be made available by the Director of the Budget for expenditures either in the current or next succeeding year under Titles XII-four and five).

(Provided further, that preference shall be given what is commonly known as secondary roads in the expenditure of any such increased appropriations).
(Provided, however, that it is the intent and purpose of the General Assembly that the State Highway and Public Works Commission shall give preference in the expenditure of the items of construction and State and county betterments for the extension and improvement of the public roads and bridge facilities of those sections of the State that have not heretofore been accorded equal opportunities in the development of the highway system, to the end that all sections of the State may, insofar as possible, be provided with benefits of an improved highway system).

(The appropriations to the Motor Vehicle Bureau, Highway Patrol, and Drivers' License Law include thirty-two thousand dollars ($32,000) for each year, to be transferred or paid to the Department of Revenue for general administration and supervision).

SEC. 5. Fees or compensation to be paid to members of boards or commissions for attendance out of or under the appropriations made in Sections one, two, and three of this Act shall be fixed at rates per diem as shown in the following schedule:

The appropriations provided in this Act shall be in lieu of all appropriations or allowances for the Alcoholic Beverage Control Board, the Department of Revenue, or any other board, bureau or agency of the State by House Bill Number thirteen, entitled "An Act to Raise Revenue," except the appropriation to the Department of Revenue made by Section seven hundred sixteen of the Revenue Act of one thousand nine hundred thirty-nine for administration of the Intangible Personal Property Tax Schedule.

GENERAL PROVISIONS

If said articles shall remain unclaimed or satisfactory evidence of ownership thereof not be presented to the Sheriff, police department or constable, as the case may be, for a period of thirty (30) days after the publication of the notice provided for in the next preceding section, then the said Sheriff, police department, or constable in whose custody such articles may be, is hereby authorized and empowered to sell the same at public auction for cash to the highest bidder, either at the courthouse door of the county, or at the police headquarters of the municipality in which the said articles of property are located, and at such sale to deliver the same to the purchaser or purchasers thereof.

SEC. 4. Before any sale of said property is made under the provisions of this Act, however, the said sheriff, police department, or constable making the same shall first advertise the sale by publishing a notice thereof in some newspaper published in the said county at least one time not less than ten days prior to the date of sale, and by posting a notice of the sale at the courthouse door and at three other public places in the said county. Said notice shall specify the time and place of sale, and contain a
sufficient description of the articles of property to be sold. It shall not be required that the sale lay open for increase bids or objections, but it may be deemed closed when the purchaser at the sale pays the amount of the accepted bid.

SEC. 5. From the proceeds realized from the sale of said property, the Sheriff, police department, constable or other officer making the same shall first pay the costs and expenses of the sale, and all other necessary expenses incident to a compliance with this Act, and any balance then remaining from the proceeds of said sale shall be paid within thirty days after the sale to the Treasurer of the County Board of Education of the county in which such sale is made, for the benefit of the fund for maintaining the free public schools of such county.

SEC. 6. No Sheriff, police department, constable, or other officer, shall be liable for any damages or claims on account of any such sale or disposition of such property, as provided in this Act.

SEC. 7. This Act shall not be construed to apply to the seizure and disposition of whiskey distilleries, game birds, and other property or articles which have been or may be seized, where the existing law now provides the method, manner, and extent of the disposition of such articles or of the proceeds derived from the sale thereof.

SEC. 8. That all laws and clauses of laws in conflict with this Act are hereby repealed.

SEC. 9. That this Act shall be in full force and effect from and after its ratification.

In the General Assembly read three times and ratified, this the 28th day of March, 1939.

H. B. 643  CHAPTER 197

AN ACT CONCERNING TRUSTS AND TRUSTEES AND THE ADMINISTRATION OF TRUSTS AND TO MAKE UNIFORM THE LAW WITH REFERENCE THERETO.

The General Assembly of North Carolina do enact:

SEC. 1. Definitions. As used in this Act unless the context or subject matter otherwise requires:

1. "Person" means an individual, a corporation, a partnership, an association, a joint stock company, a business trust, an unincorporated organization, or two or more persons having a joint or common interest.

2. "Trustee" includes trustees, a corporate as well as a natural person and a successor or substitute trustee.

3. "Relative" means a spouse, ancestor, descendant, brother or sister.

4. "Affiliate" means any person directly or indirectly controlling or controlled by another person, as hereinabove defined, or any person under direct or indirect common control with another person. It includes any person with whom a trustee has an express or implied agreement regarding the purchase of trust investments by each from the other, directly or indirectly, except a broker or stock exchange.

5. "Trust" means an express trust only.

SEC. 2. Bank Account to Pay Special Debts.

1. Whenever a bank account shall, by entries made on the books of the depositor and the bank at the time of the deposit, be created exclusively for the purpose of paying dividends, interest or interest coupons, salaries, wages, or pensions or other benefits to employees, and the depositor at the time of opening such account does not expressly otherwise declare, the depositor shall be deemed a trustee of such account for the creditors to be paid therefrom, subject to such power of revocation as the depositor may have reserved by agreement with the bank.

2. If any beneficiary for whom such a trust is created does not present his claim to the bank for payment within one year...
Loans of trust funds.

SEC. 3. Loan of Trust Funds. Except as provided in Section four, no corporate trustee shall lend trust funds to itself or an affiliate, or to any director, officer, or employee of itself or of an affiliate; nor shall any noncorporate trustee lend trust funds to himself, or to his relative, employer, employee, partner, or other business associate.

Funds for investment or distribution.

SEC. 4. Funds received or held by a bank as fiduciary awaiting investment or distribution shall be promptly invested, distributed or deposited to the credit of the trust department as a demand deposit in the commercial department of the bank or another bank: Provided, that the bank or the commercial department shall first deliver to the trust department, as collateral security, securities eligible for the investment of the sinking funds of the State of North Carolina equal in market value to such deposited funds, or readily marketable commercial bonds having not less than a recognized "A" rating equal to one hundred and twenty-five per cent (125%) of the funds so deposited; and such collateral security shall be held by the trust department in trust and for the special benefit of the estate or fund for which the deposit was made, or, in case the deposit consists of uninvested or undistributed funds belonging to several estates or trust funds, then in trust for the special benefit of said estates or funds in proportion to their respective interest in such deposits. The said securities shall at all times be kept separate and apart from the other assets of the trust department and proper records shall be kept by the proper officer in connection therewith. If such funds are deposited in a bank insured under the provisions of the Federal Deposit Insurance Corporation, the above collateral security will be required only for that portion of uninvested balances of each trust which are not fully insured under the provisions of that corporation. "Investment" and/or "invested" shall not be construed to include savings accounts or certificates or deposits in any bank.

Collateral security.

SEC. 5. Trustee Buying from or Selling to Self. No trustee shall directly or indirectly buy or sell any property for the trust from or to itself or an affiliate; or from or to a director, officer, or employee of such trustee or of an affiliate; or from or to a relative, employer, partner, or other business associate.

Custody and record of securities.

SEC. 6. Trustee Selling from one Trust to another Trust. No trustee shall as trustee of one trust sell property to itself as trustee of another trust.

Not required for deposits covered by F. D. I. C.

Trading with self by trustees, prohibited.

Selling from one trust to another.
SEC. 7. Corporate Trustee Buying Its Own Stock. No corporate trustee shall purchase for a trust shares of its own stock, or its bond or other securities, or the stock, bonds or other securities of an affiliate.

SEC. 8. Voting Stock. A trustee owning corporate stock may vote it by proxy, but shall be liable for any loss resulting to the beneficiaries from a failure to use reasonable care in deciding how to vote the stock and in voting it.

SEC. 9. A bank holding stock as fiduciary may hold it in the name of a nominee, without mention of the trust in the stock certificate or stock registration book: Provided, that (1) the trust records and all reports or accounts rendered by the fiduciary clearly show the ownership of the stock by the fiduciary and the facts regarding its holdings; (2) the nominee shall not have possession of the stock certificate or access thereto except under the immediate supervision of the fiduciary. The fiduciary shall personally be liable for any loss to the trust resulting from any act of such nominee in connection with such stock so held.

SEC. 10. Powers Attached to Office. Unless it is otherwise provided by the trust instrument, or an amendment thereof, or by court order, all powers of a trustee shall be attached to the office and shall not be personal.

1. Unless it is otherwise provided by the trust instrument, or an amendment thereof, or by court order, any power vested in three or more trustees may be exercised by a majority of such trustee; but no trustee who has not joined in exercising a power shall be liable to the beneficiaries or to others for the consequences of such exercise, nor shall a dissenting trustee be liable for the consequences of an act in which he joins at the direction of the majority trustees, if he expressed his dissent in writing to any of his cotrustees at or before the time of such joinder.

2. Nothing in this section shall excuse a cotruster from liability for inactivity in the administration of the trust nor for failure to attempt to prevent a breach of trust.

SEC. 12. Contracts of Trustee.

1. Whenever a trustee shall make a contract which is within his powers as trustee, or a predecessor trustee shall have made such a contract, and a cause of action shall arise thereon, the party in whose favor the cause of action has accrued may sue the trustee in his representative capacity, and any judgment rendered in such action in favor of the plaintiff shall be col-
lectible (by execution) out of the trust property. In such an action the plaintiff need not prove that the trustee could have secured reimbursement from the trust fund if he had paid the plaintiff's claim.

2. No judgment shall be rendered in favor of the plaintiff in such action unless he proves that within thirty days after the beginning of such action, or within such other time as the court may fix, and more than thirty days prior to obtaining the judgment, he notified each of the beneficiaries known to the trustee who then had a present interest, or in the case of a charitable trust the Attorney General and any corporation which is a beneficiary or agency in the performance of such charitable trust, of the existence and nature of the action. Such notice shall be given by mailing copies thereof in postpaid envelopes addressed to the parties to be notified at their last known addresses. The trustee shall furnish the plaintiff a list of the parties to be notified, and their addresses, within ten days after written demand therefor, and notification of the persons on such list shall constitute compliance with the duty placed on the plaintiff by this section. Any beneficiary, or in the case of charitable trusts the Attorney General and any corporation which is a beneficiary or agency in the performance of such charitable trust, may intervene in such action and contest the right of the plaintiff to recover.

3. The plaintiff may also hold the trustee who made the contract personally liable on such contract, if the contract does not exclude such personal liability. The addition of the word “trustee” or the words “as trustee” after the signature of a trustee to a contract shall be deemed prima facie evidence of an intent to exclude the trustee from personal liability.

SEC. 13. Exoneration or Reimbursement for Torts.

1. A trustee who has incurred personal liability for a tort committed in the administration of the trust is entitled to exoneration therefor from the trust property if he has not discharged the claim, or to be reimbursed therefor out of trust funds if he has paid the claim, if (1) the tort was a common incident of the kind of business activity in which the trustee was properly engaged for the trust or, (2) although the tort was not a common incident of such activity if neither the trustee nor any officer or employee of the trustee was guilty of personal fault in incurring the liability.

2. If a trustee commits a tort which increases the value of the trust property, he shall be entitled to exoneration or reimbursement with respect thereto to the extent of such increase in value, even though he would not otherwise be entitled to exoneration or reimbursement.
3. Nothing in this section shall be construed to change the existing law with regard to the liability of trustees of charitable trusts for torts of themselves or their employees.

SEC. 14. Tort Liability of Trust Estate.

1. Where a trustee of his predecessor has incurred personal liability for a tort committed in the course of his administration, the trustee in his representative capacity may be sued and collection had from the trust property, if the court shall determine in such action that (1) the tort was a common incident of the kind of business activity in which the trustee or his predecessor was properly engaged for the trust; or (2) that, although the tort was not a common incident of such activity, neither the trustee nor his predecessor, nor any officer or employee of the trustee or his predecessor, was guilty of personal fault in incurring the liability; or (3) that, although the tort did not fall within classes (1) or (2) above, it increased the value of the trust property. If the tort is within classes (1) or (2) above, collection may be had of the full amount of damage proved; and if the tort is within class (3) above, collection may be had only to the extent of the increase in the value of the trust property.

2. In an action against the trustee in his representative capacity under this section the plaintiff need not prove that the trustee could have secured reimbursement from the trust fund if he had paid the plaintiff's claim.

3. No judgment shall be rendered in favor of the plaintiff in such action unless he proves that within thirty days after the beginning of the action, or within such other period as the court may fix and more than thirty days prior to obtaining the judgment, he notified each of the beneficiaries known to the trustees who then had a present interest of the existence and nature of the action. Such notice shall be given by mailing copies thereof in postpaid envelopes addressed to such beneficiaries at their last known addresses. The trustee shall furnish the plaintiff a list of such beneficiaries and their addresses, within ten days after written demand therefor, and notification of the persons on such list shall constitute compliance with the duty placed on the plaintiff by this section. Any beneficiary may intervene in such action and contest the right of the plaintiff to recover.

4. The trustee may also be held personally liable for any tort committed by him, or by his agents or employees in the course of their employments, subject to the rights of exoneration or reimbursement provided in Section thirteen.
5. Nothing in this section shall be construed to change the existing law with regard to the liability of trustees of charitable trusts for torts of themselves or their employees.

SEC. 15. Withdrawals from Mingled Trust Funds. Where a person who is a trustee of two or more trusts has mingled the funds of two or more trusts in the same aggregate of cash, or in the same bank or brokerage account of other investment, and a withdrawal is made therefrom by the trustee for his own benefit, or for the benefit of a third person not a beneficiary or creditor of one or more of the trusts, or for an unknown purpose, such a withdrawal shall be charged first to the amount of cash, credit, or other property of the trustee in the mingled fund, if any, and after the exhaustion of the trustee's cash, credit, or other property, then to the several trusts in proportion to their several interests in the cash, credit, or other property at the time of the withdrawal.

SEC. 16. Unenforceable Oral Trust Created by Deed.

1. When an interest in real property is conveyed by deed to a person on a trust which is unenforceable on account of the Statute of Frauds and the intended trustee or his successor in interest still holds title but refuses to carry out the trust on account of the Statute of Frauds, the intended trustee or his successor in interest, except to the extent that the successor in interest is a bona fide purchaser of a legal interest in the real property in question, shall be under a duty to convey the interest in real property to the settlor or his successor in interest. A court having jurisdiction may prescribe the conditions upon which the interest shall be conveyed to the settlor or his successor in interest.

2. Where the intended trustee has transferred part or all of his interest and it has come into the hands of a bona fide purchaser, the intended trustee shall be liable to the settlor or his successor in interest for the value of the interest thus transferred at the time of its transfer, less such offsets as the court may deem equitable.

SEC. 17. Power of Settlor. The settlor of any trust affected by this Act may, by provision in the instrument creating the trust if the trust was created by a writing, or by oral statement to the trustee at the time of the creation of the trust if the trust was created orally, or by an amendment of the trust if the settlor reserved the power to amend the trust, relieve his trustee from any or all of the duties, restrictions, and liabilities which would otherwise be imposed upon him by this Act; or alter or deny to his trustee any or all of the privileges and powers conferred upon the trustee by this Act; or add duties, restrictions and liabilities imposed upon him by Sections three, four and five of this Act.
Sec. 18. Power of Beneficiary. Any Beneficiary of a trust affected by this Act may, if of full legal capacity and acting upon full information, by written instrument delivered to the trustee relieve the trustee as to such beneficiary from any or all of the duties, restrictions, and liabilities which would otherwise be imposed on the trustee by this Act, except as to the duties, restrictions, and liabilities imposed by Sections three, four and five of this Act. Any such beneficiary may release the trustee from liability to such beneficiary for past violations of any of the provisions of this Act.

Sec. 19. Power of the Court. A court of competent jurisdiction may, for cause shown and upon notice to the beneficiaries, relieve a trustee from any or all of the duties and restrictions which would otherwise be placed upon him by this Act, or wholly or partly excuse a trustee who has acted honestly and reasonably from liability for violations of the provisions of this Act.

Sec. 20. Liabilities for Violations of Act. If a trustee violates any of the provisions of this Act, he may be removed and denied compensation in whole or in part; and any beneficiary, cotrustee, or successor trustee may treat the violation as a breach of trust.

Sec. 21. Uniformity of Interpretation. This Act shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of those states which enact it.

Sec. 22. Short Title. This Act may be cited as the Uniform Trusts Act.

Sec. 23. Severability. If any provision of this Act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect the other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of the Act are declared to be severable.

Sec. 24. Repeal. All Acts or parts of Acts which are inconsistent with the provisions of this Act are hereby repealed.

Sec. 25. Time of Taking Effect. This Act shall take effect the first day of July, one thousand nine hundred and thirty-nine and shall apply only to testamentary trusts created by wills or codicils executed after the effective date of the Act and to non-testamentary trusts created after the effective date of the Act.

of visitors shall be undertaken which would be incompatible with
the preservation of the unique flora and fauna or the physiogra-
phic conditions now prevailing in this area: Provided, That the
Secretary of the Interior may, in his discretion, accept for ad-
ministration, protection, and development by the National Park
Service a minimum of ten thousand acres within the area de-
scribed in Section one of this Act, including the existing Cape
Hatteras State Park, and, in addition, any other portions of the
area described in Section one hereof if the State of North Caro-
olina shall agree that if all the lands described in Section one of
this Act shall not have been conveyed to the United States within
ten years from the passage of this Act, the establishment of the
aforesaid national seashore may, in the discretion of the said sec-
retary, be abandoned, and that, in the event of such abandonment,
the said State will accept a reconveyance of title to all lands con-
veyed by it to the United States for said national seashore. The
lands donated to the United States for the purposes of this Act by
parties other than the said State shall revert in the event of the
aforesaid abandonment to the donors, or their heirs, or other per-
sons entitled thereto by law.

"In the event of said abandonment, the Secretary of the Interi-
ord shall execute any suitable quit-claim deeds, or other writings
entitled to record in the proper counties of North Carolina stat-
ing the fact of abandonment, whereupon title shall revert to those
entitled thereto by law and no further conveyance or proof of re-
version of title shall be required.

"SEC. 5. Notwithstanding any other provisions of this Act,

refuge under the jurisdiction of the Secretary of Agriculture, with-
in the boundaries of the national seashore as designated by the
Secretary of the Interior under Section one hereof, shall continue
as such refuge under the jurisdiction of the Secretary of Agricul-
ture for the protection of migratory birds, but such lands and
waters shall be a part of the aforesaid national seashore and
shall be administered by the National Park Service for recrea-
tional uses not inconsistent with the purposes of such refuge un-
der such rules and regulations as the Secretaries of the Interior
and Agriculture may jointly approve. The proviso to Section one
of this Act shall not limit the power of the Secretary of Agri-
culture to acquire lands for any migratory bird refuge by pur- chase with any funds made available therefor by applicable law."

SEC. 4. That title to and control of any land or interest therein within the area of the Cape Hatteras National Seashore may be acquired by the commission, title to which shall be taken in the name of the State of North Carolina, and such title may be acquired by gift, purchase, or by any other means authorized by law; and the said commission is further authorized to receive any other property, including money, by gift, devise, bequest, or otherwise, and all money so received by the commission shall be accepted on behalf of the State of North Carolina and shall be deposited with the State Treasurer and kept by the treasurer in a special account, to be expended only for the purposes of this Act in the manner hereinafter provided. The lands and interest in land acquired by the commission in the name of the State of North Carolina shall be held by the State in trust for transfer to the United States of America for national seashore purposes in accordance with the provisions of the Act of Congress hereinbefore recited.

The power of eminent domain hereby conferred shall be exercised under and in pursuance of the provisions of Chapter thirty-three of the Consolidated Statutes of North Carolina, except that it shall in no case be necessary to allege and prove that an effort has been made to agree with the owner upon a fair and reasonable price for the acquisition of any property sought to be acquired.

SEC. 6. That all ungranted lands of the State of North Carolina within the boundaries of the Cape Hatteras National Seashore as the same may be hereafter determined in accordance with the Act of Congress hereinbefore recited, is hereby set apart in reserve to be conveyed by the Governor at such time as he shall determine to the United States of America to become a part of the Cape Hatteras National Seashore, and the Governor is hereby fully authorized and empowered to convey the same under and in accordance with the terms of this Act for such purpose. Such conveyances also shall be made subject to the condition that persons residing on any of the land or lands deeded or conveyed as aforesaid shall have the right to vote in all elections within the county in which said land or lands are located upon like terms and conditions and to the same extent as they would be entitled to vote in such county had not such lands been deeded or conveyed as aforesaid to the United States of America; and upon the further condition that the State of North Carolina and its subdivisions expressly retain title to and control of all public roads and highways now laid out or established over and upon said lands, and the further right to lay out and establish over and upon said lands such other highways and roads as shall be deemed necessary by the State of North Carolina and political subdivisions thereof; and to such end the said land shall be subject to condemnation proceedings in the same manner and to the same extent as if said lands were privately owned.

CHAPTER 262

AN ACT TO PROVIDE FOR REGULATIONS SO AS TO PROHIBIT UNFAIR TRADE PRACTICES IN THE ADMINISTRATION OF THE GENERAL RETAIL SALES TAX LAW, AND TO AUTHORIZE THE COMMISSIONER OF REVENUE TO MAKE REGULATIONS GOVERNING THE COLLECTION OF THE TAX.

WHEREAS, the General Assembly has enacted a general sales tax which is imposed as a license tax on retail merchants for the privilege of doing business in the State; and

WHEREAS, the need exists for the promulgation of uniform rules and regulations whereby the merchants may conduct successfully their business in the State while operating under this levy; Now, therefore,

The General Assembly of North Carolina do enact:

Section 1. That in order that fair trade practices may be encouraged and any deleterious effect of the retail sales tax levy may be minimized, the Commissioner of Revenue is empowered and directed to devise, promulgate and enforce regulations under which retail merchants shall collect from the consumers, by rule uniform as to classes of business, the sales tax levied upon their business by the retail sales tax article: Provided, that the Commissioner of Revenue shall have the power to change the regulations and methods under which the merchants shall collect the tax from the consumers, from time to time, as experience may prove expedient and advisable. Methods for the passing on by merchants to their customers the retail sales tax on sales to said customers may include plans which require both more and less than the prescribed rate of the tax on the sale price, the purpose being to enable the merchants to collect approximately the amount of the tax imposed on their total sales volume. The Commissioner of Revenue is hereby authorized and empowered to make and adopt rules and regulations requiring merchants to use tokens or stamps, or other means, if found to be practical, which may be determined by the commissioner to provide a method whereby the amount of the tax collected by the merchant from the customer shall be as nearly as possible the prescribed rate of the tax on each purchase. Such regulations as herein authorized shall be promulgated by the Commissioner of Revenue to become effective after reasonable notice to the retail merchants and when so promulgated they shall have the full force and effect of law. Any merchant who violates such rules and regulations shall be guilty of a misdemeanor and upon conviction shall be fined not less than five dollars ($5.00) nor more than five hundred dollars ($500.00) or be imprisoned for not more than six months,
or be both fined and imprisoned in the discretion of the court: 
Provided, however, that every such violation shall be a separate 
offense hereunder. It shall be the duty of the solicitors of the 
several judicial districts of the State to prosecute violations of 
this Act.

Sec. 2. That the provisions of this Act shall not affect in 
any manner the character or validity of the sales tax levy as a 
merchants' license tax, and they may not be pleaded or con-
sidered in the event any provision of the General Revenue Act 
is attacked as unconstitutional.

Sec. 3. That this Act shall be in full force and effect from 
and after its ratification.

In the General Assembly read three times and ratified, this the 
30th day of March, 1939.

H. B. 108 Chapter 263

An act to amend sections five thousand nine 
hundred thirty-five and six thousand twen-
ty-seven of the consolidated statutes of 
North Carolina so as to require a new state-
wide registration of voters.

The General Assembly of North Carolina do enact:

Section 1. That prior to the next State-wide primary election 
held after the ratification of this Act there shall be a revision made 
of the registration books and a relisting of the voters in each 
and every precinct in the State in the manner hereinafter pro-
vided. On the first Saturday following the appointment of the 
members of the County Board of Elections preceding the one 
thousand nine hundred and forty primary election, the members 
of each County Board of Elections shall, after due notice of their 
appointment has been received, meet at eleven o'clock A. M. in the 
office of the Clerk of the Superior Court of the county and, after 
first taking their oath of office, shall organize by electing one 
member as chairman and another member as secretary of said 
board. The said board shall at this meeting authorize the revision 
of the registration books and the relisting of the voters in each 
precinct in the county in accordance with the provisions of this 
Act. The Clerk of the Superior Court shall, at this meeting, 
deliver to the Chairman of the County Board of Elections three 
new registration books and one new poll book for each precinct 
in the county, which new books shall have been furnished to said 
Clerk of the Superior Court by the State Board of Elections prior 
thereto together with a copy of this Act. The cost of printing and 
distribution of said new books shall be paid for by the State out
of the contingency and emergency fund. The said Clerk of the Superior Court shall, at this meeting, deliver to the said Chairman of the County Board of Elections the old registration books for each precinct in the county together with the poll books used in each precinct in the one thousand nine hundred and thirty-six and one thousand nine hundred and thirty-eight general elections, and he shall take a receipt from said chairman for the same. At this meeting the County Board of Elections shall authorize and direct the Chairman of the County Board of Elections, with the assistance of the registrars and any other necessary assistance to proceed with the relisting of the voters in the county, the cost of which shall be paid for by the Board of County Commissioners out of the county funds, but which shall be held to as low an amount as is consistent with the purposes of this Act. The said Chairman of the Board of Elections shall begin said work within eight days after said meeting and supervise the same until it is completed.

SEC. 2. For each precinct the chairman shall have copied in a new registration book, to be known and labeled as “The General Election Registration Book,” the names only of all registered electors who are shown by the poll book to have voted in such precinct in either the one thousand nine hundred and thirty-six or the one thousand nine hundred and thirty-eight general election or the primary election, except electors who are known by the chairman to have died or moved their voting residence, and to record in said book opposite each name, information available with reference to the race, age, residence, place of birth and the township, county and state from whence he has removed, in the event of a removal. The party affiliation of the voters shall not be entered in this general election registration book. When this is completed, there shall be prepared for each precinct in duplicate a list of all the registered voters whose names were not transferred to the new general election registration book for the reason that such electors did not appear, according to the poll books, to have voted in either the general election or the primary election of one thousand nine hundred and thirty-six or one thousand nine hundred and thirty-eight. The said Chairman of the County Board of Elections shall thereafter publish said lists once a week for at least two consecutive weeks in a county journal or in his discretion have said lists posted at the courthouse door of said county at least two weeks prior to the opening of the regular primary registration period notifying all persons on said lists that their names would be erased from the registration books unless such persons personally appeared before their respective registrars during the regular registration period and showed their right to remain on the registration book and vote as qualified electors in said precinct. In the event that either the one thousand nine hundred and thirty-six or
one thousand nine hundred and thirty-eight poll books for a
precinct are lost and cannot be found then the chairman shall
order a new registration of voters in such precinct before the
primary election. In all counties having had a new county-
wide registration of voters, either in the year one thousand
nine hundred and thirty-six or one thousand nine hundred
and thirty-eight, the said chairman in said county is authorized to
transfer to the new registration books the names of all persons
registered therein regardless of whether any of the persons so
registered voted in either of said elections or primary elec-
tions of one thousand nine hundred and thirty-six or one thou-
sand nine hundred and thirty-eight, except that the chairman
shall remove from the books the names of all persons known by
the chairman to have died or moved their voting residence else-
where since said registration was held: Provided, however,
that if the registration books in those counties having had a
new registration within the time above mentioned do not show
the party affiliation of the voter together with the other re-
quired information then the chairman shall order a new regis-
tration therein. In instances where the party affiliation is
shown part of the time and is not shown in some cases, then
the procedure set forth in the third section of this Act shall
be followed: Provided, further, that in those counties having
had a new county-wide registration of voters either in the year
one thousand nine hundred and thirty-six or one thousand nine
hundred and thirty-eight, which registration, revision and re-
listing of voters was performed in substantial compliance with
the terms of this Act, in the opinion of the Chairman of the
State Board of Elections the said chairman will not be required
to comply with the terms and provisions of this Act.

Sec. 2¼. In lieu of the procedure prescribed in this Act,
any County Board of Elections in its discretion, may order a
new registration of the voters in that county, or in any pre-
cinct or precincts therein: Provided, that in all cases the three
registration books provided for in this Act shall be made so
that there shall be a general election registration book and a
separate primary registration book.

Sec. 3. Where the registration books do not show in part
the voters party affiliation, or age, race, residence, place of
birth, etc., and the poll book for the precinct shows that such
persons voted in either the one thousand nine hundred and
thirty-six or the one thousand nine hundred and thirty-eight
general election, or primary election, then the said chairman
shall prepare a list of all such registered persons—including
all of those absent from the county and employed outside of
the county—and shall immediately mail a blank form to each
of such persons whose address is given or known, instructing
them to fill in the requested information on the blank return

form enclosed and to return the same to the said chairman or registrar of the precinct by the close of the registration period or their names will be removed from the registration book. It shall then be the duty of the registrar to remove from the registration book the names of all such persons who fail to return the blank return form with the requested information by the close of the registration period. All blank return forms of this kind so received by the registrars shall be kept until after the primary election and thereafter filed with the said chairman along with the precinct returns as part of the public records in the chairman’s office: Provided, however, that the provisions of this section shall not be mandatory as to any voter when the Chairman of the County Board of Elections with the assistance of the registrars, or from any available source of information can obtain the facts, set out in said section, required to be obtained by the Election Laws of the State; but in all cases the party affiliation shall be shown on the primary registration books in order for the voter to participate in the primary election.

However, in the event that any person, whose name has been removed from the registration book by said County Board of Elections as having been disqualified to vote in the precinct, should appear at the polling place on election or primary day and give satisfactory evidence to the registrar and judges that he had never received any notice by mail or otherwise of his name being placed among the list of disqualified voters in that precinct, and can satisfy said officials that he is qualified to vote in that precinct, then such person’s name shall be placed back on the general election registration book and on the primary registration book if he declares his party affiliation as provided in Section six, and he shall be allowed to vote in said precinct as before.

Sec. 3½. On the day of the canvass of votes the registration books herein provided for shall be returned together with the poll books by the registrar to the Chairman of the County Board of Elections who shall have the care and custody of the same until they are placed in the hands of the registrar for the purpose of registration of voters or holding subsequent primary or general elections. Said Chairman of the County Board of Elections shall keep said books in a safe and secure place, a fire-proof vault if possible.

Sec. 4. After the completion of the transfer of the names registered electors to the general election registration book, as above provided, the Chairman of the County Board of Elections shall then transcribe to another new registration book to be labeled and known as “The Democratic Primary Registration Book,” the names of all Registered Democrats who are
shown by the poll books to have voted in either the one thousand nine hundred and thirty-six or one thousand nine hundred and thirty-eight general election or primary election, and on another registration book shall transcribe the names of all registered Republicans who voted in either of the above specified elections, which book shall be known and labeled as the "Republican Primary Registration Book." The names of all electors registered on the old books without any party affiliation being given, or who are registered as Independents, or who fail to show their age, race, place of birth, residence, etc., shall not be transcribed to either party primary registration book until the said chairman or registrar shall have received back the blank return form from such electors as above provided for giving the requested information, or shall have obtained said information otherwise as hereinbefore provided in Section three of this Act.

Only the party primary registration book of the party participating in a primary election shall be used at the polls at a primary election and if only one party so participates then the other party primary registration book shall not be used or kept at the polls on primary day but shall, after the close of the registration period, be transmitted to the Chairman of the County Board of Elections along with the general election registration book. At a general election, only the general election registration book shall be used at the polls on election day, and after the close of the registration period the two party primary registration books shall be transmitted to the said chairman. In all registrations hereafter held before a primary or an election, the registrars shall register all qualified applicants for registration in both the general election registration book and also in the party primary book of the party with which the elector professes affiliation, but the party affiliations shall not be recorded in the general election registration book. Any applicant for registration who refuses to state his or her party affiliation shall not be registered in a party primary registration book and shall not be permitted to vote in a primary until the affiliation is stated and so recorded in the primary book of such party.

Sec. 5. The Chairman of the County Board of Elections shall transcribe to the new registration books the names of all persons who are recorded as having registered under the Grandfather Clause of the Constitution of North Carolina, regardless of whether such persons voted in either the one thousand nine hundred and thirty-six or one thousand nine hundred and thirty-eight election. The said chairman, however, shall not transcribe to the new books the names of any persons so registered who are known to have died or moved their voting residence elsewhere.
Change of party affiliation.

SEC. 6. No registered elector shall be permitted to change his party affiliation for a primary or second primary after the close of the registration period. Any elector who desires to change his party affiliation for a primary from the registration book on which registered to that of another party shall, during the registration period only, go to the registrar of his precinct and request that such change be made on the party primary books. Before being permitted to change his party affiliation, for the purpose of participating in a primary election, however, such elector shall be required by the registrar to take the oath of party loyalty to the party to which he wishes to now affiliate, and the registrar shall thereupon administer to the said elector the following oath:

I, .................................................., do solemnly swear (or affirm) that I desire in good faith to change my party affiliation from the ................................................. party to the .................................................. party, and that such change of affiliation be made on the party registration books, and I further solemnly swear (or affirm) that I will support the nominees of the party to which I am now changing my affiliation in the next election and the said party nominees thereafter until I shall, in good faith, change my party affiliation in the manner provided by law, so help me God.

If at any time the Chairman of the Board of Elections or the registrar of any precinct shall be satisfied that an error has been made in designating the party affiliation of any voter on the primary registration books then and in all such events the Chairman of the County Board of Elections or the registrar, having the custody of the registration book may make the necessary correction upon the voter taking the oath of party loyalty in substance of the form set forth in this section.

Correction of error in designation of party affiliation.

SEC. 7. Any Chairman of a County Board of Elections who willfully and knowingly refuses or fails to comply with the provisions of this Act with respect to his duties as herein specified shall be guilty of a misdemeanor and, upon conviction, shall be punished by a fine, imprisonment, or both, in the discretion of the court.

Wilful violations made misdemeanor.

SEC. 700. Place for listing real property.

All real property subject to taxation, and not hereinafter required to be assessed originally by the State Board of Assessment, shall be listed in the township or place where such property is situated.

SEC. 701. In whose name real property to be listed; information regarding ownership; permanent listing.

(1) Except as hereinafter specified, real property shall be listed in the name of its owner; and it shall be the duty of the owner to list the same. To this end the Board of County Commissioners in any county may require the Register of Deeds, when any transfer of title is recorded, other than a mortgage or deed of trust, to certify the same to the supervisor (or if there be no
It shall also be within the power of any board of commissioners, in its discretion, to require that each person recording such conveyance of real property shall, before presenting it to the Register of Deeds, present it to the person in charge of the tax records, in order that the conveyance may be noted on the tax records and in order that adequate information concerning the location of the property may be obtained from the person recording the conveyance. If such presentation is required by the commissioners of any county, the Register of Deeds of that county shall not accept for recording any conveyance which has not first been submitted to the person in charge of the tax records and such person has obtained information for the tax records which he regards as satisfactory. The commissioners may allow the person in charge of the tax records such compensation for this service as they deem appropriate, but they shall not require the person presenting the deed to pay any fee therefor.

It shall also be within the power of the commissioners to authorize the installation of a system for the permanent listing of real estate, under which all real estate may be carried forward by the supervisor, the list takers or some person or persons designated by the supervisor, in the name of the proper person as defined by this Act, without requiring that such real estate be listed each year by such person. No such system shall be installed without the approval of the State Board of Assessment; and when such a system is installed, with the approval of the board, the board may authorize the commissioners to make such modifications of the listing requirements of this Act as the board may deem necessary: Provided, that nothing herein shall require the board's approval for any such system installed prior to the ratification of this Act.

Any county may, in the discretion of the commissioners, require that all real estate be listed only in the name of the owner of record at the close of the day as of which property is listed and assessed.

(2) For purposes of tax listing and assessing the owner of the equity of redemption in any property which is subject to a mort-
gage or deed of trust shall be considered the owner of such real estate.

(3) Real property of which a decedent died possessed, not under the control of an executor or administrator, may be assessed to the heirs or devisees of the deceased without naming them until they have given notice of their respective names to the supervisor and of the division of the estate. It shall be the duty of any executor or administrator having control of real property to list it in his fiduciary capacity until he shall have been divested of control of such property. The right of an administrator, administering upon the estate of an intestate decedent, to petition for the sale of real estate to make assets shall not be considered as control of such real estate for purposes of this subdivision.

(4) A trustee, guardian or other fiduciary having legal title to real property shall be regarded as the owner of such property for purposes of tax listing, except as elsewhere in this section provided, and he shall list such property in his fiduciary capacity.

(5) Where undivided interests in real property are owned by tenants in common, not being copartners, the supervisor, upon request and in his discretion, may allow the property to be listed by the respective owners in accordance with their respective undivided interests.

(6) Real property belonging to a partnership or unincorporated association shall be listed in the name of such partnership or association.

(7) Real property owned by a corporation shall be listed in the name of the corporation.

(8) When land is owned by one party and improvements thereon or mineral, timber, quarry, water power, or similar rights therein are owned by another party, the parties may list their interests separately or may, in accordance with contractual relations between them, have the entire property listed in the name of the owner of the land. Where in such a case the land and improvements or rights are listed by the separate owners, the taxes levied on the improvements, or rights, shall be a lien on the land, and the land shall be subject to foreclosure for non-payment of such taxes in the same manner as if such taxes were levied directly against said land: Provided, nothing herein contained shall prevent said taxes from being also a lien on said improvements, or rights.

(9) A life tenant or tenant for the life of another shall be considered the owner of real property for purposes of tax listing, but he shall indicate when listing such property that he is a life tenant. The taxes levied on property listed in the name of a life tenant shall be a lien on the entire fee: Provided, that this shall not prevent the life tenant from being liable for the taxes under
Section seven thousand nine hundred eighty-two of the Consolidated Statutes.

(10) If the owner or person in whose name the real property should properly be listed, as set forth in the foregoing subdivisions of this section, is unknown, the property may be listed in the name of the occupant, and either or both shall be liable for the taxes; and if there be no occupant, then it may be listed as property the owner of which is unknown: Provided, that wherever the property is so listed against the occupant or an unknown owner, or through error the property has been listed against some person other than the owner as defined in this section, and the name of the true owner is subsequently ascertained, the tax records may be changed so as to list said property against the owner, and the change shall have the same force and effect as if the property has been listed against the owner in the first instance.

ARTICLE VIII

(3) Tangible personal property taxable in this State, owned by an individual nonresident of this State, shall be listed where situated.

(4) Subject to the provisions of Subsection two of this section, tangible personal property shall be listed at the place where such property is situated, rather than at the residence of the owner, if the owner or person having control thereof hires or occupies a store, mill, dockyard, piling ground, place for the sale of property, shop, office, mine, farm, place for storage, manufactory or warehouse therein for use in connection with such property. Property stored in public warehouses and merchandise in the possession of a consignee or broker shall be regarded as falling within the provisions of this subdivision.
Tangible property of decedents.

(5) The tangible personal property of a decedent whose estate is in the process of administration or has not been distributed shall be listed at the place at which it would be listed if the decedent were still alive and still residing at the place at which he resided at the time of his death.

Fiduciaries having legal title.

(6) Tangible personal property held by a trustee, guardian or other fiduciary having legal title thereto shall be listed at the place where such property would be listed if the beneficiary were the owner; and if there are several beneficiaries in a case in which such property would be listed at the residence of the owner, the value of the property shall be listed at the various residences of the beneficiaries in accordance with their respective interests. This subdivision shall effect only cases in which the beneficiaries are residents of this State, but it shall apply whether the fiduciary is a resident or nonresident of this State. Property delivered by executors or administrators to themselves or others as testamentary trustees shall be controlled by this subsection rather than by Subsection five of this section.

Where more than one beneficiary.

Non-resident beneficiaries.

Intangible personal property.

(7) In any case where the beneficiary is a nonresident of this State, tangible personal property having a taxable situs in this State, held by a trustee, guardian or other fiduciary having legal title, shall be listed at the place it would be listed if the trustee or other fiduciary were the beneficial owner of such property.

(1) In general, personal property shall be listed in the name of the owner thereof on the day as of which property is assessed; and it shall be the duty of the owner to list the same. The owner of the equity of redemption in personal property subject to a chattel mortgage shall be considered the owner of the property; and the vendee of personal property under a conditional bill of sale, or under any other sale contract by virtue of which title to the property is retained in the vendor as security for the payment of the purchase price, shall be considered the owner of the property, provided he has possession of such property or the right to use the same.

(2) Personal property of a corporation, partnership, firm or unincorporated association shall be listed in the name of such corporation, partnership, firm, or unincorporated association.

(3) Personal property of which a decedent died possessed, not under the control of an executor or administrator, may be assessed to the next of kin or legatees of the decedent without naming...
them until they have given notice of their respective names to the
supervisor and have likewise given notice of the distribution of
the estate; and for this purpose such next of kin or legatees may
be designated as "heirs." It shall be the duty of an executor or
administrator having control of such property to list it in his
fiduciary capacity until he shall have been divested of such control.

(4) A trustee, guardian, or other fiduciary having legal title
to personal property shall be regarded as the owner thereof for
purposes of this section.

(5) In cases in which two or more persons are joint owners of
personal property, each shall list the value of his interest.

(6) If any dispute shall arise as to the true owner of personal
property, the person in possession thereof shall be regarded as the
owner unless the list taker or supervisor shall be convinced that
some other person is the true owner.

None of the provisions contained in any of the sections of this
article shall be construed to conflict with Article VIII, Schedule
H, of the Revenue Act, but rather shall they be subordinate there-
to.

(b) The board shall, on request, hear any and all taxpayers who own or control taxable property assessed for taxation in the county in respect to the valuation of such property or the property of others.

(c) The board shall examine and review the tax lists of each township for the current year; shall, of its own motion or on sufficient cause shown by any person, list and assess any real or personal property or polls subject to taxation in the county omitted from said lists; shall correct all errors in the names of persons, in the description of property, and in the assessment and valuation of any taxable property appearing on said lists; shall increase or reduce the assessed value of any property which in their opinion shall have been returned below or above the valuation required by law; and shall cause to be done whatever else shall be necessary to make said lists comply with the provisions of this Act: Provided, that said board shall not change the valuation of any real property from the value at which it was assessed for the preceding year except in accordance with the terms of Sections three hundred and three hundred one of this Act.

It may also employ expert appraisers in its discretion. The expense of the employment of committees or appraisers shall be borne by the county: Provided, that the board may, in its discretion, require the taxpayer to pay the cost of any appraisal by experts demanded by him when said appraisal does not result in material reduction of the valuation of the property appraised and where such valuation is not subsequently reduced materially by the board or by the State Board of Assessment.

The omission of such endorsement shall not affect the validity of said scroll or tax book, or of any taxes levied on the basis of the valuations appearing in it.

SEC. 1107. Appeals from the Board of Equalization and Review to the State Board of Assessment.

Any property owner, taxpayer, or member of the Board of County Commissioners may except to the order of the Board of Equalization and Review and appeal therefrom to the State Board of Assessment by filing a written notice of such appeal with the Clerk of the Board of County Commissioners within sixty days after the adjournment of the Board of Equalization and Review. At the time of filing such notice of appeal the appellant shall file with the Clerk to the Board of County Commissioners a statement in writing of the grounds of appeal, and shall, within ten days after filing such notice of appeal with the Clerk to the Board of County Commissioners. File with the State Board of Assessment a notice of such appeal and attach thereto a copy of the statement of the grounds of appeal filed with the Clerk to the Board of County Commissioners. Each taxpayer or ownership interest shall file separate and distinct appeals; no joint appeals shall be considered except by and with consent of the State Board of Assessment.

The State Board of Assessment shall fix a time for the hearing of such appeal, and shall hear the same in the City of Raleigh, or such other place within the State as the said board may designate; shall give notice of time and place of such hearing to the appellant, appellee, and to the Clerk to the Board of County Commissioners at least ten days prior to the said hearing; shall hear all the evidence or affidavits offered by the appellant, appellee, and the Board of County Commissioners, shall reduce, increase, or confirm the valuation fixed by the Board of Equalization and Review and enter it accordingly, and shall deliver to the Clerk of the Board of County Commissioners a certified copy of such order, which valuation shall be entered upon the fixed and permanent tax records and shall constitute the valuation for taxation.
SEC. 1108. Powers of the commissioners with respect to the records after adjournment of the Board of Equalization.

After the Board of Equalization has finished its work and the changes effected by it have been given effect on the tax records, the Board of County Commissioners may not authorize any changes to be made on said records except as follows:

(1) To give effect to the decision of the State Board of Assessment on appeal.

(2) To add to the records any valuation certified by the State Board of Assessment with respect to property assessed in the first instance by said State Board, or to give effect to any valid corrections made in such assessments by the State Board.

(3) To correct the name of any taxpayer appearing on said records erroneously, or to substitute the name of the person who should have listed property for the name appearing on the records as listed said property, or to correct descriptions on said records, and any such corrections or substitutions shall have the same force and effect as if the name of the taxpayer or the description had been correctly listed in the first instance.

(4) To correct valuations or taxes appearing erroneously on the records as the result of clerical errors.

(5) To add any discovered property under the provisions of this Act.

(6) To reassess property when the supervisor reports that, since the completion of the work of the Board of Equalization, facts have come to his attention which render it advisable to raise or lower the assessment of some particular property of a given taxpayer: Provided, that no such reassessment shall be made unless it could have been made by the Board of Equalization had the same facts been brought to the attention of said Board of Equalization: Provided further, that this shall not authorize reassessment because of events or circumstances not taking place or arising until after the tax listing day.

(7) The Board of County Commissioners may give the supervisor general authority to make any changes under this section except those under Subsection (six); but neither the board nor the supervisor shall make any changes under Subsections (three) or (six) which adversely affect the interests of any taxpayer without giving such taxpayer written notice and an opportunity to be heard prior to final determination.

SEC. 1109. Discovery and assessment of property not listed during the regular listing period.

(1) Duty of commissioners, supervisors and list takers; carrying forward real estate. It shall be the duty of the members of the Board of Commissioners, the supervisor and the list takers to be constantly looking out for property and polls which have not been listed for taxation. After any tax list or abstract has
been delivered to a list taker, the supervisor or the Board of County Commissioners, and such list taker, supervisor or Board of County Commissioners shall have reason to believe or sufficient evidence upon which to form a belief that the person, firm or corporation making such list or abstract, in person or by agent, has other personal property, tangible or intangible, money, solvent credits, or other thing liable for taxation, they or either of them shall take such action as may be needful to get such property on the tax list.

Either the list takers for the respective townships, the clerical assistants to the supervisor or the supervisor, as the supervisor may designate, shall examine the tax lists for the current year and the tax records for the preceding year, and carry forward all real property which was listed for the preceding year which has not been listed for the current year. In the discretion of the supervisor, such property may be listed on an abstract signed by the official or employee carrying it forward in the name of the taxpayer, or may be entered directly on the tax scroll or tax book by such official or employee. When such property is so listed in the name of the owner or in the name of the person last listing the same, the listing shall be as valid in every respect as if made by the owner; Provided, that such listing shall not render any person individually liable to pay the taxes who is not under a duty to list such property.

(2) Procedure upon discovery. When property or polls are discovered they shall be listed in the name of the taxpayer by the supervisor or some person designated by him. The Clerk to the Board of Commissioners or the supervisor shall mail a notice to the taxpayer at his last known address (or, if unknown, to the occupant or person in possession of such property) to the effect that the Board of Equalization at a designated meeting (or the county commissioners at their next regular meeting, in case the discovery is not made in time for consideration by the Board of Equalization) will assess the value of said property or approve the listing of said poll. At such meeting the board shall hear any objections presented by said taxpayer, render its decision and, if necessary under said decision, assess said property, subject to appeal to the State Board of Assessment, or approve the listing of said poll. Said property and polls may then be added to the regular tax records or placed in a separate record designated "Late Listings," which shall have the same force and effect as the regular records: Provided, nothing herein shall prevent valuation of such property or listing of such polls by agreement between the supervisor and taxpayer without action by the Board of Equalization or Board of Commissioners: Provided, further, nothing herein shall prevent the carrying forward of real estate, listed for the prior year in accordance with the terms of this Act, without notice to the owner or last person listing said realty unless, in years other than revaluation years, the valuation of such property is raised.
All property and polls not listed during the regular listing period shall, when eventually listed under this section or by the person carrying forward real estate, immediately be subject to the taxes for the various years for which listed or assessed, together with the penalties hereinafter set forth.

(3) Assessment for previous years; penalties. The county commissioners may assess any such property or list such poll for the preceding years during which it escaped taxation, not exceeding five, in addition to the current year. When real property is discovered which should have been listed for the current year, it shall be presumed that it should have been listed by the same taxpayer for the preceding five years unless the taxpayer shall produce satisfactory evidence that such property was actually listed for taxes during those years or some of them; Provided, that this presumption shall not apply when real property is carried forward from the preceding year's records.

When personal property is discovered which should have been listed for the current year, it shall be presumed that such property should have been listed by the same taxpayer for the preceding five years, unless the taxpayer shall produce satisfactory evidence that such property was not in existence, that it was actually listed for taxation or that it was not his duty to list the same during said years or some of them. Where it is shown that such property should have been listed by some other taxpayer during a part or all of such preceding years, it may be assessed against such other taxpayer for the proper years, with the penalties as hereinafter prescribed.

In a proper case, property may be listed for one or more prior years during which it escaped taxation, even though it has been regularly listed for the current years, is no longer in existence or is no longer subject to taxation in this State.

The penalty for failure to list property or a poll before the close of the regular listing period shall be ten per cent (10%) of the tax levied for the current year on such property or poll. Where such property or poll is taxed for years preceding the current year, the penalty, in addition to that for the current year, shall be ten per cent (10%) per annum. The minimum penalty shall be one dollar ($1.00). Taxes assessed for years preceding the current year shall be assessed at the rate of tax prevailing in the various preceding years.

The taxes and penalties for each year shall be shown separately on the records, but for the purpose of tax collection and foreclosure the total of all such taxes and penalties shall be regarded as taxes for the current year; and the schedule of discounts and penalties for payment or nonpayment of current taxes shall apply to such taxes and penalties for failure to list, despite the fact that such taxes and penalties for failure to list may not have
been levied until the penalties for failure to pay have already accrued.

(4) Commissioners' power to compromise. The Board of County Commissioners or the governing body of any municipal corporation is hereby authorized and empowered to settle or adjust all claims for taxation arising under this section or any other section authorizing them to place on the tax list any property omitted therefrom.

(5) Application to cities and towns. The provisions of this section shall extend to all cities, towns and other municipal corporations having power to tax property or polls, and the power conferred and the duties imposed upon the Board of County Commissioners shall be exercised and performed by the governing body of the municipal corporation.

(6) Power to employ searchers. The county commissioners, either separately or in conjunction with one or more municipal corporations in the county, may employ one or more competent men to make a diligent search and to discover and report to the board or the supervisor any unlisted property within the county, to the end that the same may be listed and assessed for taxation as provided in this section: Provided, nothing herein shall be construed as allowing a Board of Commissioners to appoint a tax collector unless it is otherwise authorized to do so by law.

(7) Tax receipts. Tax receipts for the taxes and penalties assessed against the property discovered shall be made up under the provisions of this Act, shall be delivered to the Sheriff or tax collector, who shall be charged with the same, and shall have the same force and effect and shall be a lien on the property in the same manner as if they had been delivered to the Sheriff or tax collector at the time of the delivery of the regular tax bills for the current year.

(8) Appeals. Appeals may be had from the assessment fixed by the Board of Equilizatoin or commissioners to the State Board of Assessment. Notice of said appeal must be served upon the Clerk to the Board of Commissioners within sixty days after the assessment is fixed, and said appeal shall be in conformity with the provisions of this Act respecting appeals from boards of equalization. Each taxpayer or ownership interest shall file separate and distinct appeals; no joint appeals shall be considered except by and with consent of the State Board of Assessment.

(9) Classified property. Any property, discovered and listed under the provisions of this section, entitled to classification under the provisions of this Act, shall be classified and assessed in accordance with said provisions.

ARTICLE XIV

LEVY OF TAXES AND PENALTIES FOR FAILURE TO PAY TAXES

Sec. 1400. Levy of taxes.

The tax levying authorities of the several counties, cities, towns and special districts shall, not later than Wednesday after the third Monday in August, levy such rate of tax for the general county purposes as may be necessary to meet the general expense of the county, not exceeding the legal limitation, and such rates for other purposes as may be authorized by law.

Sec. 1401. Date as of which lien attaches.

The lien of taxes levied on property and polls listed pursuant to this Act shall attach to real estate as of the day as of which property is listed, regardless of the time at which liability for the tax may arise or the exact amount thereof be determined.

All penalties, interest and costs allowed by law shall automatically be added to the amount of such lien and shall be regarded as attaching at the same time as the lien for the principal amount of the taxes. Said lien shall attach to all real property of the taxpayer in the taxing unit.

Taxes, interest, penalties and cost shall be a lien on personal property from and after levy on or attachment and garnishment of such property.

Sec. 1402. Levy of poll tax.

(1) There shall be levied by the Board of County Commissioners in each county a tax of two dollars ($2.00) on each taxable
poll or male person between the ages of twenty-one and fifty years, and the taxes levied and collected under this section shall be for the benefit of the public school fund and the poor of the county.

(2) The Board of County Commissioners of every county shall have the power to exempt any person from the payment of poll taxes on account of indigency, and when any such person has been once exempted he shall not be required to renew his application unless the commissioners shall revoke the exemption. When such exemption shall have been made, the Clerk of the Board of County Commissioners shall furnish the person with a certificate of such exemption, and the person to whom it is issued shall be required to list his poll, but upon exhibition of such certificate the list taker shall annually enter in the column intended for the poll the word "exempt," and the poll shall not be charged in computing the list.

(3) Cities and towns may levy a poll tax not exceeding that authorized by the Constitution, and poll taxes so levied and collected may be used for any purpose permitted by law.

SEC. 1403. Penalties and discounts for nonpayment of taxes.

All taxes assessed or levied by any county, city, town, special district or other political subdivision of this State, in accordance with the provisions of this Act, shall be due and payable on the first Monday of October of the year in which they are so assessed or levied, and if actually paid in cash:

(1) On or before the first day of November next after due and payable, there shall be deducted a discount of one-half of one per cent (½ of 1%).

(2) After the first day of November and on or before the first day of February next after due and payable, the tax shall be paid at par or face value.

(3) After the first day of February and on or before the first day of March next after due and payable, there shall be added to the tax a penalty of one per cent (1%).

(4) After the first day of March and on or before the first day of April next after due and payable, there shall be added to the tax a penalty of two per cent (2%).

(5) On and after the second day of April the penalty shall be, in addition to said two per cent (2%), one-half of one per cent per month or fraction thereof until paid from said day on the principal amount of such taxes, which shall continue to accrue on taxes not included in a certificate of sale and which, on taxes included in a certificate of sale, shall continue to accrue until the date of such certificate.
(6) Should any taxpayer desire to make a prepayment of his taxes between July first and October first of any year, he may do so by making payment to the county or city accountant, city clerk, auditor or treasurer, as the governing body may determine, and shall be entitled to the following discounts: If paid on or before July first, a deduction of two per cent (2%); if paid during the month of July, a deduction of one and one-half per cent (1½%); if paid during the month of August, a deduction of one per cent (1%).

ARTICLE XV

TAXATION OF BANKS, BANKING ASSOCIATIONS, TRUST COMPANIES AND BUILDING AND LOAN ASSOCIATIONS

SEC. 1500. Banks, banking associations and trust companies.

The value of shares of stock of banks, banking associations, and trust companies shall be determined as follows:

(1) Every bank, banking association, industrial bank, savings institution, trust company, or joint-stock land bank located in this State shall list its real estate and tangible personal property, except money on hand, in the county in which such real estate and tangible personal property is located for the purpose of county and municipal taxation, and shall, during the second calendar month following the month in which local tax listing begins each year, list with the State Board of Assessment, on forms provided by the said State Board, in the name of and for its shareholders, all the shares of its capital stock, whether held by residents or nonresidents, at its actual value on the day as of which property is assessed under this Act.

(2) The actual value of such shares for the purpose of this section shall be ascertained by adding together the capital stock, surplus, and undivided profits, and deducting therefrom the assessed value of such real and tangible personal property which such banking institutions shall have listed for taxation in the county or counties of this State wherein such real and tangible personal property is located, together with an amount according to its proportion of tax value of any buildings and lands wholly or partially occupied by such banking associations, institutions or trust companies, owned and listed for taxation by a North Carolina corporation in which such banking associations or institutions own ninety-nine per cent (99%) of the capital stock.

(3) In addition to the deductions allowed in item two of this section, there may be deducted from the items of surplus and undivided profits an amount not exceeding five per cent (5%) of the bills and notes receivable of such banking associations, institutions, or trust companies to cover bad or insolvent debts, investments in North Carolina State bonds, United States Government bonds, joint-stock land bank bonds, and Federal Land bank
bonds, at the actual cost of said bonds owned on and continuously for at least ninety days prior to the day as of which property is assessed in the current year. The value of such shares of capital stock of such banking associations, institutions, or trust companies shall be found by dividing the net amount ascertained above by the number of shares in the said banking associations, institutions or trust companies.

(4) If the State Board of Assessment shall have reason to believe that the actual value of such shares of stock of such banking associations, institutions, or trust companies, as listed with it, is not the true value in money, then the said board shall ascertain such true value by such an examination and investigation as seems proper, and increase or reduce the value as so listed to such an amount as it ascertains to be the true value for the purposes of this section.

(5) The value of the capital stock of all such banking associations, institutions, and trust companies as found by the State Board of Assessment, in the manner herein described, shall be certified to the county and municipality in which such bank or institution is located: Provided, that if any such banking association, institution, or trust company shall have one or more branches, the State Board of Assessment shall make an allocation of the value of the capital stock so found as between the parent and branch bank or banks or trust company in proportion to the deposits of the parent and branch bank, banks, or trust company, and certify the allocated values so found to the counties and municipalities in which the parent and the branch bank, banks, or trust company are located.

(6) The taxes assessed upon the shares of stock of any such banking association, institutions, or trust companies shall be paid by the cashier, secretary, treasurer, or other officer or officers thereof, and in the same manner and at the same time as other taxes are required to be paid in such counties, and in default thereof such cashier, secretary, treasurer, or other accounting officer, as well as such banking association, institution, or trust company, shall be liable for such taxes, and in addition thereto for a sum equal to ten per cent (10%) thereof. Any taxes so paid upon any such shares may, with the interest thereon, be recovered from the owners thereof by the banking association, institution, or trust company or officers thereof paying them, or may be deducted from the dividends accruing on such shares. The taxation of such shares of capital stock shall not be at a greater rate than is assessed upon other moneyed capital in the hands of individual citizens of this State coming in competition with the business of such banking associations, institutions, or trust companies.

(7) In case of the failure or refusal of any bank, banking association or trust company to make and deliver to the State Board of Assessment any statement or statements required by
this Act, such bank, banking association or trust company shall forfeit and pay to the State of North Carolina the sum of one hundred dollars ($100.00) for each additional day such report is delinquent beyond the last day of the month in which said report is required to be made, such penalty to be sued for and recovered in any proper form of action in the name of the State of North Carolina on the relation of the State Board of Assessment, and such penalty, when collected, shall be paid into the general fund of the State.

SEC. 1501. Building and loan associations.

(1) The secretary of each building and loan association organized and/or doing business in this State shall list with the local assessors all the tangible real and personal property owned on the day as of which property is assessed each year, which shall be assessed and taxed as like property of individuals.

(2) All foreign building and loan associations doing business in this State shall list for taxation, during the second calendar month following the month in which local tax listing begins each year, with the State Board of Assessments, through their respective agents, its stock held by citizens of this State, with the name of the county, city, or town in which the owners of said stock reside. In listing said stock for taxation the withdrawal value as fixed by the by-laws of each such association shall be furnished to the said board, and the stock shall be valued for taxation at such withdrawal value.

Any association or officer of such association doing business in the State who shall fail, refuse or neglect to so list shares owned by citizens of this State for taxation shall be barred from doing business in this State; any local officer or other person who shall collect dues, assessments, premiums, fines, or interest from any citizen of this State for any such association which has failed, neglected, or refused to so list for taxation the stock held by citizens of this State shall be guilty of a misdemeanor, and fined and/or imprisoned in the discretion of the court.

The value of the shares of stock so held by citizens of this State, as found by the State Board of Assessment, shall be certified to the Register of Deeds of the county in which such shareholders reside, shall be placed on the assessment roll in the name of such holders thereof, and taxed as other property is taxed.

SEC. 1502. Reference to the Revenue Act.

None of the provisions contained in any of the sections of this article shall be construed to conflict with Article VIII, Schedule H, of the Revenue Act, but rather shall they be subordinate thereto.
SEC. 1503. Assessment record; secrecy directed.

The State Board of Assessment shall prepare and keep a record book in which it shall enter a correct list of all the corporations, limited partnerships, joint-stock associations, banks, banking associations, industrial banks, savings institutions, and trust companies which it has assessed for taxation, and said record shall show the assessed valuation placed upon them; and the State Board of Assessment shall not divulge or make public any report of such corporation, partnership, or association required to be made to it, except as provided in this or the Revenue Act.

Second. The number of shares of capital stock issued and out-

standing and the par or face value of each share.

Third. Its principal place of business.

Fourth. The market value of said shares of stock on the day

have no market value, then the actual value thereof.

Fifth. The real estate, structures, machinery, fixtures, and

Sixth. The specific real estate, together with the permanent

improvements thereon, owned by such association, company, copart-

nership, or corporation situate outside of the State of North

with a specific description of each such piece, where located, the purpose for which the same is used, and the sum at which the same is assessed for taxation in the locality where situate.

Seventh. All mortgages upon the whole or any part of its property, together with the dates and amounts thereof.

Eighth. (a) The total length of the lines of said association or company; (b) the total length of so much of their lines as is outside of the State of North Carolina; (c) the length of lines within each of the counties, municipalities and townships within the State of North Carolina.

Ninth. Such other and further information as the State Board of Assessment may require.

SEC. 1606. State Board of Assessment may require additional information. Upon the filing of the statements required in the preceding sections the State Board of Assessment shall examine the same and, if the board shall deem the same insufficient, or in case it shall deem that other information is requisite, it shall require such officer to make such other and further statements as said board may call for. In case of the failure or refusal of any bank, association, company, copartnership, or corporation to make out and deliver to the State Board of Assessment any statement or statements required by this Act, such bank, association, company, copartnership, or corporation shall forfeit and pay to the State of North Carolina one hundred dollars ($100.00) for each additional day such report is delayed beyond the last day of the month in which required to be made, to be sued for and recovered in any proper form of action in the name of the State of North Carolina on the relation of the State Board of Assessment, and such penalty, when collected, shall be paid into the general fund of the State.

SEC. 1607. State Board of Assessment shall examine statements. The State Board of Assessment shall thereupon value and assess the property of each association, company, copartnership, or corporation in the manner hereinafter set forth, after examining such statements and after ascertaining the value of such properties therefrom and upon such other information as the board may have or obtain. For that purpose it may require the agents or officers of said association, company, copartnership, or corporation to appear before it with such books, papers, and statements as it may require, or may require additional statements to be made, and may compel the attendance of witnesses in case the board shall deem it necessary to enable it to ascertain the true cash value of such property.
SEC. 1608. Manner of assessment.

Said State Board of Assessment shall first ascertain the true cash value of the entire property owned by the said association, company, copartnership, or corporation from said statement or otherwise for the purpose, taking the aggregate value of all the shares of capital stock, in case shares have a market value, and in case they have none, taking the actual value thereof or of the capital in said association, company, copartnership, or corporation in whatever manner the same is divided, in case no shares of capital stock have been issued: Provided, however, that in case the whole or any portion of the property of such association, company, copartnership, or corporation shall be encumbered by a mortgage or mortgages, such board shall ascertain the true cash value of such property by adding to the market value of the aggregate shares of stock, or to the value of the capital in case there should be no such shares, the aggregate amounts of such mortgage or mortgages, and the result shall be deemed and treated as the true cash value of the property of such association, company, copartnership, or corporation. Such State Board of Assessment shall, for the purpose of ascertaining the true cash value of property within the State of North Carolina, next ascertain from such statements or otherwise the assessed value for taxation, in the localities where the same is situated, of the several pieces of real estate situated within and without the State of North Carolina and not in any manner used in the general business of such associations, companies, copartnerships or corporations, which assessed value for taxation shall be by said board deducted from the gross value of the property as above ascertained. Said State Board of Assessment shall next ascertain and assess the true cash value of the property, including intangible personal property, of the associations, companies, copartnerships, or corporations within the State of North Carolina by taking as a guide, as far as practicable, the proportion of the whole aggregate value of said associations, companies, copartnerships as above ascertained, after deducting the assessed value of such real estate without the State which the length of lines of said associations, companies, copartnerships or corporations, in the case of telegraph and telephone companies, within the State of North Carolina bears to the total length thereof, and in the case of express companies and sleeping-car companies the proportion shall be in proportion of the whole aggregate value after such deduction, which the length of lines or routes within the State of North Carolina bears to the whole length of lines or routes of such associations, companies, copartnerships or corporations, and such amounts so ascertained shall be deemed and held as the entire value of the property of said associations, companies, copartnerships or corporations within the State of North Carolina: Provided, the board shall, in valuing the fixed property in this State, give due consideration to the amount of gross and net earnings per mile of line in this State, and any
other factor which would give a greater or less value per mile in this State than the average value for the entire system. From the entire value of the property within the State so ascertained there shall be deducted by the State Board of Assessment the assessed value for taxation of all real estate, structures, machinery, and appliances within the State listed with the local taxing authorities of this State if used in the general business of the taxpayer and subject to local taxation in the counties, as hereinafter described in Sections sixteen hundred two to sixteen hundred seven, inclusive of this Act, and the assessed value for taxation of all intangible personal property returned and assessed under the provisions of Article VIII, Schedule H of the Revenue Act, and the residue of such value as ascertained, after deducting therefrom the assessed value of such properties, shall be by said board assessed to said associations: Provided, the State Board of Assessment shall also assess the value for taxation of all structures, machinery, appliances, pole lines, wire and conduit of telephone and telegraph companies within the State subject to local taxation, but land and buildings located thereon owned by said companies shall be assessed in like manner and by the same officials as though such property was owned by individuals in this State.

SEC. 1609. Value per mile.

Said State Board of Assessment shall thereupon ascertain the value per mile of the property within the State by dividing the total value as above ascertained, after deducting the specific properties locally assessed within the State, by the number of miles within the State, and the result shall be deemed and held as value per mile of the property of such association, company, copartnership, or corporation within the State of North Carolina: Provided, the value per mile of telephone and telegraph companies shall be determined on a wire mileage basis.

SEC. 1610. Total value for each county and municipality. Said Board of Assessment shall thereupon, for the purpose of determining what amount shall be assessed by it to said association, company, copartnership, or corporation in each county in the State through, across, and into or over which the lines of said association, company, copartnership or corporation extend, multiply the value per mile, as above ascertained, by the number of miles in each of such counties as reported in said statements or as otherwise ascertained, and the result thereof shall be by the secretary of said State board certified to the Chairman of the Board of County Commissioners, respectively, of the several counties through, into, over, or across which the lines or routes of said association, company, copartnership, or corporation extend: Provided, the total value of street railways, electric light, power and gas companies, as determined in Section sixteen hun-

dred eight to be certified to each county, shall be the proportion which the locally assessed value of the physical property in each county bears to the total assessed value of the physical property in the State. Distribution and certification by the State Board of Assessment to the municipalities and other local taxing jurisdictions shall follow the same general rules governing such distribution to the several counties of the State with respect to value per mile and total value as herein set out. All taxes due the State from any corporation taxed under the preceding sections shall be paid by the treasurer of each company direct to the Commissioner of Revenue.

SEC. 1611. Companies failing to pay tax; penalty. In case any such association, company, copartnership, or corporation as named in this Act shall fail or refuse to pay any taxes assessed against it in any county, municipality or other taxing jurisdiction in this State, in addition to other remedies provided by law for the collection of taxes, an action may be prosecuted in the name of the State of North Carolina by the solicitors of the different judicial districts of the State on the relation of the board of commissioners of the different counties of this State and the judgment in said action shall include a penalty of (50%) of the amount of taxes as assessed and unpaid, together with reasonable attorney's fees for the prosecution of such action, which action may be prosecuted in any county into, through, over or across which the lines or routes of any association, company, copartnership, or corporation shall extend, or in any county where such association, company, copartnership, or corporation shall have an office or agent for the transaction of business. In case such association, company, copartnership, or corporation shall have refused to pay the whole of the taxes assessed against the same by the State Board of Assessment, or in case such association, company, copartnership, or corporation shall have refused to pay the taxes or any portion thereof assessed to it in any particular county or counties, such action may include the whole or any portion of the taxes so unpaid in any county or counties; but the Attorney General may, at his option, unite in one action the entire amount of the tax due, or may bring separate actions to each separate county or adjoining counties, as he may prefer. All collection of taxes for or on account of any particular county made in any such suit or suits shall be by said board accounted for as a credit to the respective counties for or on account of which such collections were made by the said board at the next ensuing settlement with such county, but the penalty so collected shall be credited to the general fund of the State, and upon such settlement being made the treasurers of the several counties shall, at their next settlement, enter credits upon the proper duplicates in their offices, and at the next settlement with such county, report the amount so received by him in his settlement with the State, and proper en-
tries shall be made with reference thereto: Provided, that in any such action the amount of the assessments fixed by said State Board of Assessment and apportioned to such county shall not be controverted.

SEC. 1612. State board to constitute board of appraisers. The State Board of Assessment herein established is constituted a board of appraisers and assessors for railroad, canal, steamboat, hydroelectric, street railway, and all other companies exercising the right of eminent domain.

SEC. 1613. Railroads; information required.

The president, secretary, superintendent or other principal accounting officer within this State of every railroad, telegraph, telephone, street railway company, whether incorporated by the laws of this State or not, shall, during the second calendar month following the month in which local tax listing begins each year, return to the State Board of Assessment, verified by the oath or affirmation of the officer making the return, all the following described property belonging to such corporation within the State, viz: The number of miles of such railroad lines in each county and municipality in this State, and the total number of miles in the State, including the roadbed, right-of-way and super structures thereon, main and side tracks, depot buildings and depot grounds, section and tool houses and the land upon which they are situated and necessary to their use, water stations and land, coal chutes and land, and real estate and personal property of every character necessary for the construction and successful operation of such railroad, or used in the daily operation, whether situated on the charter right-of-way of the railroad or on additional land acquired for this purpose, except as provided below, including, also, if desired by the State Board of Assessment, Pullman or sleeping cars or refrigerator cars owned by them or operated over their lines: Provided, however, that all machines and repair shops, general office buildings, storehouses and contents thereof, located outside of the right-of-way shall be listed for purposes of taxation by the principal officers or agents of such companies with the list takers of the county where the real and personal property may be situated, in the manner provided by law for the listing and valuation of real and personal property. A list of such property shall be filed by such company with the State Board of Assessment. It shall be the duty of the tax supervisor, County accountant and Register of Deeds, if requested so to do by the State Board of Assessment, to certify and send to the said board a statement giving a description of the property mentioned in the foregoing proviso, and showing the assessed valuation thereof, which value shall be deducted from the total value of the property of such railroad company as arrived at by the board in accordance with Section sixteen hundred fifteen, be-

fore the apportionment is made to the counties and municipalities. The tax supervisor, county accountant and Register of Deeds shall also certify to the board the local rate of taxation for county purposes as soon as the same shall be determined, and such other information obtained in the performance of the duties of their offices as the said board shall require of them; and the mayor of each city or town shall cause to be sent to the said board the local rate of taxation for municipal purposes.

SEC. 1614. Railroads; information required.

The movable property belonging to a railroad company shall be denominated, for the purposes of taxation, "rolling stock." Every person, company, or corporation owning, constructing, or operating a railroad in this State shall, during the second calendar month following the month in which local tax listing begins each year, return a list or schedule to the State Board of Assessment which shall contain a correct detailed inventory of all the rolling stock belonging to such company, and which shall distinctly set forth the number of locomotives of all classes, passenger cars of all classes, sleeping cars and dining cars, express cars, horse cars, cattle cars, coal cars, platform cars, wrecking cars, pay cars, hand-cars, and all other kinds of cars, and the value thereof, and a statement or schedule as follows:

(1) The amount of capital stock authorized and the number of shares into which such capital stock is divided; (2) the amount of capital stock paid up; (3) the market value, or, if no market value, then the actual value of shares of stock; (4) the length of line operated in each county and total in the State; (5) the total assessed value of all tangible property in the State; (6) and, if desired, all the information heretofore required to be annually reported by Section seven thousand nine hundred sixty-four of the Consolidated Statutes. Such schedule shall be made in conformity to such instructions and forms as may be prescribed by the board, and with reference to amounts and value on the day as of which property is assessed for the year for which the return is made.

SEC. 1615. Tangible and intangible property assessed separately.

(a) At such dates as real estate is required to be assessed for taxation the said Board of Assessment shall first determine the value of the tangible property of each division or branch of such railroad or rolling stock and all the other physical or tangible property. This value shall be determined by a due consideration of the actual cost of replacing the property, with a just allowance for depreciation on rolling stock, and also of other conditions; to be considered as is in the case of private property.
(b) They shall then assess the value of the franchise, which shall be determined by due consideration of the gross earnings as compared with the operating expenses, and particularly by consideration of the value placed upon the whole property by the public (the value of the physical property being deducted) as evidenced by the market value of all capital stock, certificates of indebtedness, bonds, or any other securities, the value of which is based upon the earning capacity of the property.

(c) The aggregate value of the physical or tangible property, and the franchise, as thus determined, shall be the true value of the property for the purpose of ad valorem taxation, and shall be apportioned in the same proportion that the length of such road in such county bears to the entire length of each division or branch thereof, and the State Board of Assessment shall certify, on or before the first day of September, or as soon thereafter as practicable, to the chairman of the county commissioners and to the mayor of each city or incorporated town the amounts apportioned to his county, city or town. The Board of County Commissioners of each county through which said railroad passes shall assess against the same only the tax imposed for county, township, or other taxing district purposes, the same as is levied on other property in such county, township, or special taxing districts.

SEC. 1616. Railroads; valuation.

When any railroad has part of its road in this State and part thereof in any other state, the said board shall ascertain the value of railroad track, rolling stock, and all other property liable to assessment by the State Board of Assessment of such company as provided in the next preceding section, and divide it in the proportion to the length such main line of road in this State bears to the whole length of such main line of road and determine the value in this State accordingly: Provided, the board shall, in valuing the fixed property in this State, give due consideration to the character of roadbed and fixed equipment, number of miles of double track, the amount of gross and net earnings per mile of road in this State, and any other factor which would give a greater or less value per mile of road in this State than the average value for the entire system. On or after the first Monday in the month following the month in which said reports are required to be made, the said board shall give a hearing to all the companies interested, touching the valuation and assessment of their property. The said board may, if they see fit, require all argument and communications to be presented in writing.

SEC. 1617. Railroads; leased lines.

If the property of any railroad company be leased or operated by any other corporation, foreign or domestic, the property of...
the lessor or company whose property is operated shall be subject to taxation in the manner hereinbefore directed; and if the lessee or operating company, being a foreign corporation, be the owner or possessor of any property in this State other than that which it derives from the lessor or company whose property is operated, it shall be assessed in respect to such property in like manner as any domestic railroad company.

SEC. 1618. Railroads, penalty for failure to furnish required information. The State Board of Assessment shall have power to summon and examine witnesses and require that books and papers shall be presented to them for the purpose of obtaining such information as may be necessary to aid in determining the valuation of any railroad company. Any president, secretary, receiver, or accounting officer, servant or agent of any railroad or steamboat company having any proportion of its property or roadway in this State who shall refuse to attend before the said board when required to do so, or refuse to submit to the inspection of said board any books or papers of such railroad company in his possession, custody, or control, or shall refuse to answer such questions as may be put to him by said board, or order touching the business or property, monies and credits, and the value thereof, of said railroad company, shall be guilty of a misdemeanor, and on conviction thereof before any court of competent jurisdiction shall be confined in the jail of the county not exceeding thirty days, shall be fined in any sum not exceeding five hundred dollars ($500.00) and costs, and any president, secretary, accounting officer, servant, or agent aforesaid so refusing as aforesaid shall be deemed guilty of contempt of such board, and may be confined, by order of said board, in the jail of the proper county until he shall comply with such order and pay the cost of his imprisonment.

SEC. 1619. Taxes on railroads shall be a lien on property of the same. The taxes upon any and all railroads in this State, including roadbed, right-of-way, depots, side tracks, ties, and rails, now constructed or hereafter to be constructed, are hereby made a perpetual lien thereupon, commencing from the day as of which property is assessed in each current year, against all claims or demands whatsoever of all persons or bodies corporate except the United States and this State, and the above described property or any part thereof may be taken and held for payment of all taxes assessed against said railroad company in the several counties of this State.

SEC. 1620. Board of Assessment to certify; when tax payable. The State Board of Assessment shall, upon completion of the assessment directed in the preceding sections, certify to the Register of Deeds or tax supervisor of the counties and the clerk of the board of commissioners of the municipalities through which said companies operate the apportionment of the valuations as
hereinbefore determined and apportioned by the board, and the board of county commissioners and taxing authorities of municipalities or other taxing jurisdictions respectively, shall assess against such valuation the same tax imposed for county, township, town, or other tax district purposes, as that levied on all other property in such county, township, town, or other taxing districts. This tax shall be paid to the Sheriff or tax collector of the county and municipality.

SEC. 1621. Canal and steamboat companies.

The property of all canal and steamboat companies in this State shall be assessed for taxation as above provided for railroads. In case any officer fails to return the property provided in this section, the board shall ascertain the length of such property in this State, and shall assess the same in proportion to the length at the highest rate at which property of that kind is assessed by them.

ARTICLE XVII

COLLECTION AND FORECLOSURE OF TAXES

SEC. 1700. Definitions. As used in this article, unless the context otherwise indicates:

(1) “Tax collector” or “collector” means Sheriffs, tax collectors and all other officials charged with the duty of collecting taxes levied by, or for counties, cities, school districts, road districts or other political subdivisions of this State.

(2) “Taxes” means property taxes (other than taxes levied under Schedule H of the Revenue Act), poll taxes and dog taxes levied by, or for counties, cities, school districts, road districts or other political subdivisions of this State.

(3) “Taxing unit” means any county, city, school district, road district or other political subdivision of this State by, or for which taxes are levied.

(4) “City” means any incorporated city or town.

(5) “District” means any taxing unit other than counties and cities.

(6) “Person” means any individual, firm, corporation, company, partnership, trust, estate, or fiduciary.

SEC. 1701. Appointment, terms, qualifications and bond of city tax collectors. The governing body of each city in this State shall appoint a tax collector, who shall be some person of character and integrity, with experience in business or in collection work, to collect taxes levied by the city governing body. The governing body may, in its discretion, designate some of-
official or employee of the city who has other duties, to perform also the duties of tax collector. The governing body shall fix the compensation of said collector and, subject to the provisions of this article, shall prescribe the amount of his bond and approve the sureties thereon. Any premiums on said bond shall be paid in such manner as the governing body may direct. No tax collector shall be allowed to begin his duties until he shall have furnished bond satisfactory to the governing body; nor shall any collector be permitted to continue collecting taxes after his bond has expired without renewal; nor shall any collector be allowed to collect any taxes not covered by his bond.

The collector shall serve for a term of one year and until his successor has been appointed and has qualified. The governing body may, during his term, remove him from office, for good cause shown, upon notice in writing and after giving him an opportunity to appear and be heard at a public session of said governing body: Provided, that no hearing shall be necessary in case of removal for failure to meet the conditions prerequisite prescribed by this article for the delivery of the tax books. Any vacancy caused by removal, resignation, death or otherwise shall be filled, for the unexpired term, by appointment of the governing body, unless otherwise provided by this article.

Appointments under this article shall be made during the first week in July, one thousand nine hundred thirty-nine, and annually thereafter. Until the first such appointments are made, city taxes shall be collected by the collectors now provided by law, notwithstanding any repealing clauses contained in this article.

Nothing in this section shall be construed to change the manner of appointment or term of any collector who collects both city and county taxes, or of any city collector whose manner of appointment or term is governed by the city charter.

SEC. 1702. County Sheriffs and tax collectors. County and district taxes shall be collected by the Sheriffs or tax collectors as provided by law: Provided, that district taxes levied by county commissioners and collected by county officials may, for collection and foreclosure purposes, be treated in the same manner as county taxes.

SEC. 1703. General duties of tax collectors. It shall be the duty of each tax collector to employ all lawful means for the collection of all taxes in his hands; to give such bond as may be required of him; to perform such duties in connection with the preparation of the tax records, receipts and stubs as the governing body may direct; to keep adequate records of all collections; and to account for all moneys coming into his hands. At each regular meeting of the governing body he shall submit a report of the amount collected on each year's taxes in his hands, the amount remaining uncollected, and the steps he is taking to en-
courage or enforce payment. The governing body may, at any
time, require him to make settlement in full for all taxes in his
hands. The governing body may also, at any time, require the
collector to send out tax bills or notices, make personal calls upon
delinquent taxpayers, or proceed to enforce payment by any law-
ful means. In addition to the taxes hereinbefore in this article
defined, all license, privilege and franchise taxes levied by the
taxing unit by which he is employed shall be collected by the col-
lector.

The successor in office of any tax collector may continue and
complete any process of tax collection, or any proceeding author-
ized by this article, begun by his predecessor.

SEC. 1704. The tax lien and discharge thereof.

(a) Priority of the tax lien on real property.

(1) The lien of taxes shall attach to real property at the time
hereinbefore in this Act prescribed.

(2) The liens of taxes of all taxing units shall be of equal
dignity and shall be superior to all other assessments, charges,
rights, liens, and claims of any and every kind in and to said
property, regardless of by whom claimed and regardless of
whether acquired prior or subsequent to the attachment of said
lien for taxes: Provided, that nothing herein shall be construed as
affecting such relative priority as may be prescribed by the
Revenue Act for the lien of State taxes.

(3) The priority of the lien shall not be affected by transfer
of title to the real property after the lien has attached, nor shall
it be affected by death, receivership or bankruptcy of the owner
of said property.

(b) Discharge of the lien on realty; release of separate par-
cels. The tax lien shall continue until the taxes, plus interest,
penalties, and costs as allowed by law, have been fully paid.

When the lien of taxes of any taxing unit for any year attaches
to two or more parcels of real estate owned by the same tax-
payer, said lien may be discharged as to any parcel, at any time
prior to advertisement of tax foreclosure sale, in the following
manner: (1) Upon payment, by or on behalf of the listing tax-
payer, of the taxes for said year on the parcel or parcels sought
to be released, with penalties and interest thereon, plus all per-
sonal property, poll and dog taxes owed by said taxpayer for the
same year, with interest and penalties thereon, and all costs al-
lowed by law; or (2) upon payment, by or on behalf of any per-
son (other than said listing taxpayer) having an interest in said
property, of the taxes for said year on the parcel or parcels sought
to be released, with interest and penalties thereon, plus a propor-
tionate part of personal property, poll and dog taxes owed by
said listing taxpayer for the same year, with interest and penal-
ties thereon, and a proportionate part of costs allowed by law. The proportionate parts shall be determined by the percentage of the total assessed value of the taxpayer's real estate represented by the assessed value of the parcel or parcels sought to be released.

Nothing in this section shall be construed to affect the rights of any holder of a tax sale certificate, other than a taxing unit, with respect to any certificate held at the time of ratification of this Act.

When real estate listed as one parcel is subdivided, a part thereof may be released in the same manner, after the value of such part for tax purposes has been determined by the County Tax Supervisor or, if there is no supervisor, by the County Accountant, and certified by him to the collector.

It shall be the duty of every collector accepting a payment, made under this section for the purpose of releasing less than all of the taxpayer's real property, to give the person making the payment a receipt setting forth the description of such property appearing on the tax list and bearing a statement that such property is being released; and it shall also be his duty to indicate the property released on the official records of his office. In case of failure on the part of the collector to issue such receipt or make such record, the omission may be supplied at any time.

When any parcel of real estate has been released, under this section, from the lien of taxes of any taxing unit for any year, such property shall not thereafter be subject to the lien of any other regularly assessed taxes of the same taxing unit for the same year, whether such other taxes be levied against the listing owner of said property or against some other person acquiring title thereto. No tax foreclosure judgment for such other taxes shall become a lien on such released property; and, upon appropriate request and satisfactory proof of release by any interested person, the Clerk of Superior Court shall indicate on the judgment docket that such judgment is not a lien on said released property: Provided, that failure to make such entry shall not have the effect of making said judgment a lien on said released property.

(c) Priority of lien on personal property. The tax lien, when it attaches to personal property, shall, in so far as it represents taxes assessed against the property to which it attaches, be superior to all other liens and rights, whether such other liens and rights are prior or subsequent to the tax lien in point of time. In so far as said tax lien represents taxes not assessed against such property, said tax lien on personal property shall be inferior to prior valid liens and superior to all subsequent liens. As between the liens of different taxing units, the lien first attaching shall be superior.
(d) Preference accorded taxes in liquidation of debtor's estates. In all cases in which a taxpayer's assets are in the hands of a receiver or assignee for the benefit of creditors, or are otherwise being liquidated or managed for the benefit of creditors, the taxes owed by such debtor, together with interest, penalties and costs, shall be a preferred claim, second only to administration expenses and specific liens: Provided, that this shall not be construed to modify or reduce the priority by this Act given to tax liens on real property or, in case of levy or attachment, the priority by this Act given to tax liens on personal property.

Sec. 1705. All interested persons charged with notice of taxes. All persons who have or may acquire any interest in any property which may be or may become subject to a lien for taxes are hereby charged with notice that such property is or should be listed for taxation, that taxes are or may become a lien thereon, and that if taxes are not paid such proceedings may be taken against said property as are allowed by law. Such notice shall be conclusively presumed, whether such persons have actual notice or not.

Sec. 1706. Prepayments. Payments on taxes, made before the tax books have been turned over to the collector, shall be made to such official as the governing body of the taxing unit may designate, and the official so designated shall give bond satisfactory to said governing body. If, at the time of such prepayment, the tax rate has not been finally fixed or the valuation of the taxpayer's property has not been finally determined, the prepayment may be made on the basis of the best information available to the collecting official. If it subsequently develops that there has been an overpayment, the excess shall be refunded by the taxing unit, without interest. If it develops that there has been an underpayment, the taxpayer shall be required to pay the balance due, and shall be allowed the same discount or charged the same penalty on such balance as in force with respect to other taxes for the same year at the time such balance is paid. Receipts issued for payments made on the basis of an estimate shall so state, and such receipts shall not release property from the tax lien; but official and final receipts, effecting such release, shall be made available to the taxpayer as soon as possible after determination that the tax has been fully paid.

Sec. 1707. Delivery of tax books to collector: prerequisites thereto; procedure upon default.

(a) Time of delivery. The tax books shall be delivered to the collector, upon order of the governing body, on or before the first Monday in October, as hereinbefore in Section one thousand one hundred three of this Act provided.
(b) Settlement and bond as prerequisites; prepayments. The tax books for the current year shall not be delivered to the collector until he shall have: (1) delivered to the chief accounting officer of the taxing unit the duplicates or stubs of such receipts as he may have issued for prepayments lawfully received by him; (2) demonstrated to the satisfaction of said chief accounting officer that all moneys received by him as such prepayments have been deposited to the credit of the taxing unit; (3) made his annual settlement, as hereinafter defined, for all taxes in his hands for collection; and (4) provided bond or bonds for the current taxes and all prior taxes in his hands for collection satisfactory to the governing body: Provided, that this shall not authorize any governing body of any unit to accept a bond of lesser amount than that prescribed by any valid local statute applying to said unit.

Any other official who has accepted prepayments shall, prior to the delivery of the tax books to the collector, deliver the prepayment receipt duplicates or stubs to the chief accounting officer of the unit and shall demonstrate to the satisfaction of said chief accounting officer that all moneys received by him as such prepayments have been deposited to the credit of the taxing unit: Provided, that where said chief accounting officer has himself lawfully accepted prepayments, he shall, not later than the day on which the tax books are delivered to the collector, make settlement therefor with the governing body in such manner and form as said governing body may prescribe.

It shall be the duty of said chief accounting officer: (1) to reduce the original charge made against the tax collector by deducting from the total amount of taxes levied so much of the amount received as prepayments as need not be refunded under the provisions of this article; (2) to secure and retain in his office, available to the taxpayers upon request, the regular receipts for taxes paid in full by prepayments, and to credit such payments on the tax books or accounts delivered to the collector; (3) to prepare refunds for overpayments made by way of prepayment (such disbursements to be made in the same manner as other disbursements of funds of the taxing unit are made); and (4) to credit all partial prepayments as partial payments on the regular receipts or tax accounts.

(c) Procedure upon default. If, on or before the first Monday in October, the regular tax collector shall not meet the requirements prescribed in the preceding subsection, the governing body is hereby required immediately to appoint a special collector, not connected with the regular collector, and deliver to him the tax books for the current year. Said special collector shall give satisfactory bond in the same amount as would be required of the regular collector. He shall receive as compensation two per cent (2%) of his collections or such amount as may be fixed by the governing body; and the compensation received by
him and the cost of his bond may, in the discretion of the governing body, be deducted from the compensation of the regular collector. If and when the regular collector shall meet the requirements specified in the preceding subsection, the special collector shall make full settlement, in the manner hereinafter provided for collectors retiring from office, and shall then turn over the tax books to the regular collector.

(d) Civil and criminal penalties.

(1) Any member of the governing body of any taxing unit who shall vote to deliver the tax books or tax receipts to a tax collector, before said collector has met the requirements prescribed in this section, shall be individually liable for the amount of taxes due by said collector; and any such member so voting, or who willfully fails to perform any duty imposed by this section, shall be guilty of a misdemeanor, punishable by fine or imprisonment, or both, in the discretion of the court.

(2) Any tax collector or other official who shall fail to account for prepayments received in the manner prescribed by this section, and any chief accounting officer failing to perform the duties imposed upon him by this section, shall be guilty of a misdemeanor, subject to fine or imprisonment, or both, in the discretion of the court.

Sec. 1708. Installment payments. The governing body of any taxing unit may, in its discretion, allow payment of taxes in not more than four equal installments, the last of which shall be payable not later than the week preceding the day fixed for the beginning of advertisement of the tax sale. The governing body of any unit permitting such installment payments, shall: (a) provide that, upon default in any installment, penalties shall accrue immediately upon the entire balance remaining unpaid at the same rate which would have accrued had such installment plan not been adopted; or (b) provide that, upon default in any installment, penalties shall accrue upon the amount of such installment at the same rate which would have accrued had such installment plan not been adopted. Payments made to taxing units adopting installment plans shall not be credited on any installment until all prior installments, together with any penalties thereon, have been paid.

It shall be the duty of each governing body and each collector of a taxing unit adopting an installment plan to indicate, on the tax receipts and on any bills or notices sent to taxpayers, the due dates of the installments and the method by which penalties will be ascertained upon default in payment of any installment: Provided, that failure to fulfill this requirement shall not affect the validity of the taxes.

Sec. 1709. Partial payments. Unless otherwise directed by the governing body, the tax collector shall, at any time, accept
Payment of taxes.

Sec. 1710. Payment of taxes; notes and checks. Taxes shall be payable in existing national currency.

No tax collector shall accept a note of the taxpayer in payment of taxes.

Any collector may, in his discretion and at his own risk, accept checks in payment of taxes, and either issue the tax receipt immediately or withhold said receipt until the check has been collected. In any case in which a collector accepts a check and issues a receipt, and said check is thereafter returned unpaid, without negligence on the part of said collector in presenting said check for payment, the taxes for which said check was given shall be deemed unpaid; and the collector shall immediately correct his records and shall proceed to collect said taxes either by civil suit on the check or by the use of any remedy allowed for the collection of taxes: Provided, that the lien for said taxes shall be inferior to the rights of purchasers for value and of persons acquiring liens of record for value, when such purchasers or lienholders acquire their rights, in good faith and without actual knowledge that such check has not been collected, after examination of the collector's records during the time such records showed the taxes as paid or after examination of the official receipt issued to the taxpayer.

In addition to penalties for nonpayment of taxes provided by this Act, and in addition to any criminal penalties provided by law for the giving of worthless checks, the penalty for giving, in payment of taxes, a check which is returned because of insufficient funds or nonexistence of an account of the drawer, shall be ten per cent (10%) of the amount of such check, which shall be added to and collected in the same manner as such taxes.

Sec. 1711. Statements of amount of taxes due. Any tax collector shall, at the request of the owner or occupant of any land within the taxing unit, or of any person having a lien thereon or interest or estate therein, or of the duly authorized agent or attorney of any such person, furnish a written certificate of the amount of the taxes and assessments levied upon such land for the current year, if such amount has been definitely determined, and for all prior years for which taxes and assessments may be due, together with penalties, interest and costs accrued thereon: Provided, that this shall not require any collector to furnish information regarding taxes not in his hands for collection: Provided, further, that the person making such request shall specify in whose name said land was listed for taxation for each year for which such information is sought.
Any collector failing or refusing to furnish such certificate, upon request in good faith made as herein provided, shall be liable for a penalty of fifty dollars ($50.00).

SEC. 1712. Place for collection of taxes. Taxes shall be payable at the office of the collector: Provided, that the governing body of any taxing unit may for the convenience of the taxpayers, require the collector, in person or by deputy, to attend at other places, at times to be designated by said governing body, for the collection of taxes. Fifteen days' notice of such times and places shall be given by the collector by advertisement published in some newspaper published in the county, and, if there be no such newspaper published in the county, then by posting such notice at three or more places in said unit.

SEC. 1713. Remedies against personal property.

(a) Time for. From the first day of the fiscal year until taxes become due the collector shall not proceed against the personal property of the taxpayer, in the manner herein provided, unless there is reasonable ground for believing that the taxpayer is about to remove his property from the State. The collector may proceed against such personal property, in the manner herein provided, at any time after taxes are due and before filing of a tax foreclosure complaint or docketing of a judgment for said taxes as hereinafter provided. Every official charged with the duty of collecting taxes, current or delinquent, shall have power and authority to proceed against such personal property in the manner herein provided.

(b) Relation between remedies against personal property and remedies against real property. The collector may proceed against the personal property of the taxpayer, as herein provided, in his discretion; and he shall proceed against such property: (1) if directed so to do by the governing body; or (2) upon demand by the taxpayer, mortgagee or other person holding a lien upon the real property of the taxpayer: Provided, that said taxpayer, mortgagee or other person making said demand shall furnish the collector with a written memorandum describing such personal property and stating where it can be found.

After the sale of a tax sale certificate, no person shall be allowed to attack the validity of the sale on the ground that the tax should have been procured from personal property; but this shall not be construed as prohibiting proceedings against personal property after said sale.

(c) Levy upon personal property. Subject to the provisions of this article governing the priority of the lien acquired, the following property may be levied upon and sold for failure to pay taxes: (1) any personal property of the taxpayer, regardless of the time at which it was acquired and regardless of the existence or date of creation of mortgages or other liens thereon; (2)
any personal property transferred by the taxpayer to relatives of the taxpayer; (3) personal property in the hands of a receiver for the taxpayer and in such cases it shall not be necessary for the collector to apply for an order of the court directing payment or authorizing the levy, but said collector may proceed as if the property were not in the hands of a receiver or in the custody of the law; (4) personal property of a deceased taxpayer: Provided, the levy is made prior to final settlement of the estate; (5) personal property transferred by the taxpayer, after the taxes levied for were due, by any type of transfer other than those hereinbefore mentioned in this subsection and other than by bona fide sale for value: Provided, the levy is made within sixty days after such transfer.

The levy and sale shall be governed by the laws regulating levy and sale under execution: Provided, that it shall not be necessary for said levy to be made or said sale to be conducted by the Sheriff, and the collector is hereby given the same authority as a Sheriff to make said levy and conduct said sale. The collector shall be entitled to fifty cents for each levy and fifty cents for each actual sale. Said fees, plus actual advertising costs, shall be added to and collected in the same manner as the taxes. The advertising costs, when collected, shall be used to reimburse the taxing unit, which shall advance the cost of said advertising; and the levy and sale fees, when collected, shall be treated in the same manner as other fees collected by said official.

(d) Attachment and garnishment. Subject to the provisions of this article governing the priority of rights acquired, the collector may attach wages or other compensation, rents, bank deposits, the proceeds of property subject to levy and sale, or other property incapable of manual delivery: Provided, the same belongs to the taxpayer or has been transferred to another under circumstances which would permit it to be levied upon if it were tangible, or is due to the taxpayer or may become due to him within the calendar year; and the person owing same or having same in his possession shall become liable for the taxes to the extent of the amount he owes or has in his possession: Provided, that not more than ten per cent of wages or other compensation for personal services shall be liable to attachment and garnishment for failure to pay taxes.

To proceed under this subsection, the collector shall serve or cause to be served upon the taxpayer and the person owing or having in his possession the wages, rents, debts or other things sought to be attached, a notice showing at least: (1) the name of the taxpayer; (2) the amount of the taxes, penalties and costs (including the fees allowed by this subsection) and year or years for which such taxes were levied; (3) the name of the taxing unit or units by which such taxes were levied; (4) a brief description of the thing sought to be attached; and (5) a statement that the person served has the right to appear, within
ten days after service, before some designated justice of the peace or (if the amount is beyond the jurisdiction of a justice of the peace) the Superior Court in the county in which the taxing unit lies, and show cause why he should not be compelled to pay said taxes, penalties and costs.

Notices concerning two or more taxpayers may be combined if they are to be served upon the same person, but in such case the taxes, penalties and costs charged against each taxpayer must be set forth separately.

A copy of each notice shall be retained by the collector and a copy shall be filed, not later than the first business day following the day of service, with the justice or court before which the notice is returnable, together with a notation of service. Upon entry of judgment, by default or after appearance and hearing, in favor of the taxing unit, the person so served shall become liable for the taxes, penalties and costs: Provided, that payment shall not be required from amounts which are to become due to the taxpayer until they actually become due.

The fee for serving said notice shall be fixed by the governing body of the taxing unit, not exceeding twenty-five cents if the tax is less than ten dollars and fifty cents if the tax is ten dollars or more: Provided, if the taxes of more than one taxpayer are included in the notice, the service fee shall not exceed fifteen cents per taxpayer. The justice's fee shall be twenty-five cents if the tax is less than ten dollars and one dollar if the tax is ten dollars or more plus one dollar for each hearing actually held, but no justices' fees shall be charged except in cases in which judgment is actually entered. Costs in the Superior Court shall be the same as in other proceedings therein. Fees and costs shall be added to and collected as part of the taxes: Provided, that if judgment is rendered against the taxing unit such costs and fees shall be paid by the taxing unit. All fees collected by officers shall be disposed of in the same manner as other fees collected by such officers.

(e) Employees of State and its subdivisions. Tax collectors may proceed against the wages, salary or other compensation of officials and employees of this State and its agencies and instrumentalities and officials and employees of political subdivisions of this State and their agencies and instrumentalities in the manner provided by subsection (d) of this section. In such cases the notice shall be served upon the treasurer of the employing government or agency or instrumentality and, if there is no treasurer, then upon the chief financial officer thereof. In the case of notices served upon the State Treasurer, the notice shall state the place and character of the taxpayer's employment.

(f) Lists of employees. Any person, firm or corporation who shall, after written demand therefor, refuse to give the tax collector or tax supervisor a list of all employees of such person,
firm or corporation who may be liable for taxes, shall be guilty of a misdemeanor.

**SEC. 1714. Collection of taxes outside the taxing unit.**

If a taxpayer has no property in the taxing unit to which the taxes are due, but does have property in some other unit, or if the taxpayer has removed from the taxing unit in which the taxes are due and has left no property there and is known to be in some other unit in this State, it shall be the duty of the collector to send a copy of the tax receipt, with a certificate stating that such taxes are unpaid, to the collector of the unit in which such property is located or in which such taxpayer is known to be. Such receipt and certificate shall have the force and effect of a tax list of his own unit in the hands of the collector receiving it, and it shall be the duty of such collector to proceed immediately to collect such taxes by any means by which he could lawfully collect taxes of his own unit. The collector receiving such receipt and certificate shall report, within thirty days after such receipt, to the collector who sent the same, either that he has collected the same or is unable to collect the same by any lawful means or that he has begun proceedings for the collection of same. All collections made under this section shall be remitted to the unit levying the tax within five days after such collection, but the collector making collection shall retain ten per centum of the amount thereof, which shall be for his personal use. All reports under this section, reporting that the tax is uncollectible, shall be under oath and shall state that the collector has used due diligence and is unable to collect said taxes by levy, garnishment or otherwise. Upon failure to make such sworn report the collector receiving such receipt and certificate shall be liable on his bond for such taxes.

It shall be the duty of the governing body of each taxing unit to require reports from the tax collector, at such times as it may prescribe (but not less frequently than in connection with each annual settlement), concerning the efforts he has made to locate taxpayers who have removed from the unit, the efforts he has made to locate property in other units belonging to delinquent taxpayers, and the efforts he has made under this section to collect the taxes.

**SEC. 1715. Sales of tax liens on real property for failure to pay taxes.**

(a) Report of delinquent taxes which are liens on real property. The tax collector of each county and district shall, on the first Monday in April each year, and the tax collector of each city shall, on the second Monday in April each year, report a list of all taxpayers owing taxes for the current year which are liens on real property, and the governing body shall thereupon order sale of the tax lien on said real property of said taxpayers to
be held at one of the times hereinafter prescribed. For purposes of all subsections of this section, district taxes collected by city tax collectors shall be regarded as city taxes.

(b) Date of sale; effect of delay. The county and district sale shall be held on the first Monday, and the city sale on the second Monday, in May or in any of the four succeeding months. Failure to hold said sale within the time prescribed shall not affect the validity of the taxes or the tax liens, nor shall it affect the validity of the sale when thereafter held. All sales held shall begin, in the case of county and district taxes, on the first Monday of the month and, in the case of city taxes, on the second Monday in the month: Provided, that where county and city taxes are collected by the same collector, the sale may be held on either of said Mondays.

No sale shall be delayed or restrained by order of any court of this State.

(c) Advertisement of sale. Public notice of the time, place and purpose of such sale shall be given by advertisement at the door of the courthouse or city hall for four successive weeks preceding such sale, and by advertisement once each week for four successive weeks preceding such sale in some newspaper published in the county. If there be no newspaper published in the county, such advertisement shall be posted in at least one public place in each township, in the case of county taxes, and in at least three public places in the city in the case of city taxes.

Said advertisement shall set forth, in addition to the time, place and purpose of such sale: (1) the name of each taxpayer owing taxes which are a lien on real estate; (2) a brief description of the land listed in the name of each; (3) the principal amount of the taxes owed by each. Failure to include penalties and costs in the amount advertised shall not be construed as a waiver of same, but such advertisement shall state generally that the amounts advertised are subject to be increased by such penalties and costs.

(d) Place and hour of sale. All county and district sales shall be held at the courthouse door, and city sales shall be held at the courthouse door or at the city hall door as the collector may advertise. All sales shall begin at such hour as may be specified in the advertisement, and they may be continued from day to day, if continuance is necessary in order to complete the sales, without further advertisement.

(e) Manner of sale. The sale may be conducted by the collector or any deputy designated by him for the purpose. The tax liens on all parcels advertised against one taxpayer shall be sold as one lot at public outcry to the highest bidder: Provided, that in case of county sales, liens on parcels in different townships may be sold separately. The collector may, in his discre-
tion, demand immediate payment from any successful bidder, and reject such bid upon failure to comply with said demand. No bid shall be received unless for an amount at least equal to the principal amount of the taxes plus all penalties and costs accrued thereon. In the absence of a bid at least equal to such sum the taxing unit shall become the purchaser, without submitting a formal bid, for an amount equal to such sum.

In all cases in which bids are accepted which exceed such sum the tax collector shall immediately report such excess to the governing body, and said governing body shall order such excess paid directly to the person entitled thereto or order it paid to the Clerk of Superior Court for distribution as the court may direct.

(f) Costs of sale. Costs of sale, which shall be included in the minimum sale price, shall consist of actual advertising cost and a sale fee not exceeding fifty cents (50c) per parcel. Actual advertising cost per parcel shall be determined by the collector, and may be determined upon an advertising lineage basis or an average cost per insertion basis or by any other reasonable method. The taxing unit shall pay all advertising expense, and all advertising cost collected shall be paid to it for use as its governing body may direct. All sale fees collected shall be treated in the same manner as other fees collected by said collector.

(g) Payments during the advertising period. At any time between the beginning of the advertisement and the time of actual sale, any parcel may be withdrawn from the sale list by payment of taxes and penalties as required by law and a proportionate part of the advertising cost as determined by the collector. Thereafter, such parcel shall be eliminated from the advertisement: Provided, that failure to eliminate such parcel shall not subject the collector to liability if the lien on said parcel is not thereafter actually sold.

(h) Failure of collector to attend sale. If any collector shall fail to attend any duly advertised sale, in person or by competent deputy, he shall be guilty of a misdemeanor and liable on his bond to a penalty of three hundred dollars.

(i) Land listed in wrong name. No sale shall be void because such real estate was charged in the name of any other person than the rightful owner, if such real estate be in other respects correctly described on the tax list: Provided, no sale of the lien on real estate listed in the name of the wrong person shall be valid when the rightful owner has listed the same and paid the taxes thereon.

(j) Irregularities immaterial. No irregularities in making assessments or in making the returns thereof in the equalization of property as provided by law, or in any other proceeding or requirement, shall invalidate the sale of tax liens on real estate.
or sale of real estate in tax foreclosure proceedings, nor in any manner invalidate the tax levied on any property or charged against any person. The following defects, omissions, and circumstances occurring in the assessment of any property for taxation, or in the levy of taxes, or elsewhere in the course of the proceedings, shall be deemed to be irregularities within the meaning of this subsection; the failure of the assessors to take or subscribe an oath or attach an oath to an assessment roll; the omission of a dollar mark or other designation descriptive of the value of figures used to denote an amount assessed, levied, or charged against any property or the valuation of any property upon any record; the failure to make or serve any notice mentioned in this chapter; the failure or neglect of the collector to offer any tax lien or real estate for sale at the time mentioned in the advertisement or notice of such sale; failure of the collector to adjourn the sale from day to day, or any irregularity or informality in such adjournment; any irregularity or informality in the order or manner in which tax liens or real estate may be offered for sale; the failure to assess any property for taxes or to levy any tax within the time prescribed by law; any irregularity, informality or omission in any such assessment or levy; any defect in the description, upon any assessment book, tax list, sales book, or other record, of real or personal property, assessed for taxation, or upon which any taxes are levied, or which may be sold for taxes, provided such description be sufficiently definite to enable the collector, or any person interested, to determine what property is meant or intended by the description, and in such cases a defective or indefinite description, on any book, list, or record, or in any notice or advertisement, may be made definite by the collector at any time by correcting such book, list or record, or may be made definite by using a correct description in any tax foreclosure proceeding authorized by this Act, and any such correction shall have the same force and effect as if said description had been correct on the tax list; any other irregularity, informality, or omission or neglect on the part of any person or in any proceedings, whether mentioned in this subsection or not; the neglect or omission to tax or assess for taxation any person or property; the overtaxation of persons or property liable to be taxed.

(k) Acts of de facto officers. In all actions, proceedings, and controversies involving the title to real property held under and by virtue of a tax sale or any tax foreclosure proceedings authorized by this article, all acts of assessors, clerks, Sheriffs, collectors, supervisors, commissioners and other officers de facto shall be deemed and construed to be of the same validity as acts of officers de jure.

(1) Proof of sale. The books and records of the office of the collector making the sale, or copies thereof properly certified, shall be deemed sufficient evidence to prove the sale of the tax
lien on any real property under this section, the redemption thereof or the payment of taxes thereon.

(m) Wrongful sale. Any collector or deputy collector who shall sell, or assist in selling, the tax lien on any real property, knowing the same not to be subject to taxation, or that the taxes for which the lien is sold have been paid, or shall knowingly and willingly sell or assist in selling the tax lien on any real property for payment of taxes to defraud the owner of such real property, or shall knowingly and willingly cause foreclosure proceedings to be instituted against real property so sold, shall be guilty of a misdemeanor, and be liable to a fine of not less than one thousand nor more than three thousand dollars, or to imprisonment not exceeding one year, or to both fine and imprisonment, and to pay the injured party all damages sustained by such act; and all such sales shall be void.

When by mistake or wrongful act of the collector a tax lien on real property has been sold on which no tax was due, the taxing unit shall reimburse the purchaser by paying to him the amount expended by him in such purchase, with interest thereon at six per cent per annum; and the collector shall be liable to the taxing unit upon his bond for all amounts so expended by it in excess of the amount received by it from said sale. Any amount paid by a taxing unit under this section for State taxes shall, on proper certificate from the chairman of the governing body, be allowed by the auditor and paid by the treasurer of the State, and the State shall have the right of recovery against the collector on his bond to the amount so paid.

(n) Joint sales by several taxing units. Wherever the taxes of two or more taxing units are collected by the same collector, one sale shall be held for the taxes of both at such time as is prescribed by law for sales by either; and in the absence of bids the larger unit may become the purchaser, or such units may become joint purchasers, for the benefit of all according to their respective interests: Provided, that this shall not repeal any local law designating the purchaser in case of joint sales.

Sec. 1716. Certificates of sale.

(a) Issued to private purchasers. As soon as possible after sale, but not earlier than payment of the purchase price, the collector shall issue to each successful bidder, other than taxing units, a certificate of sale, for the tax lien on real property of each delinquent, purchased by him, dated as of the day of sale. Property held jointly by two or more owners shall be construed as the property of one delinquent for this purpose. Said certificate shall be in substantially the following form:
Form of certificate.

I, ___________________________ (taxing unit) ___________________________, tax collector of ___________________________, do hereby certify that the tax lien on the following described real property in said taxing unit, to wit: ___________________________, (describing the same) ___________________________, was, on the ___________________________ day of ___________________________, duly sold by me in the manner provided by law, for the delinquent taxes of ___________________________, for the year ___________________________, amounting to $_________________________, including penalties thereon and costs allowed by law, when and where ___________________________, (name of purchaser) ___________________________, purchased said lien on said real property at the price of $_________________________, said amount being the highest and best bid for same. And I further certify that unless payment of said lien is made, within the time and in the manner provided by law, said ___________________________, (name of purchaser) ___________________________, his heirs or assigns, shall have the right to foreclose said real property by any proceeding allowed by law.

“In witness whereof, I have hereunto set my hand this ___________________________ day of ___________________________.

Tax Collector.”

A copy of each such certificate shall be retained by the collector in a special book or file designated “Certificates of Sale for Taxes for the Year ___________________________.’’ All payments made on any such certificate shall be made to the collector for the use of the owner of such certificate, and all such payments shall be credited by the collector on the copy of the certificate in his possession, and shall be remitted to the owner of the certificate upon proper receipt therefor. For failure to account for and pay over any such payments the collector shall be liable on his bond to the person entitled thereto. The copies of such certificates in the collector’s office shall be the official records for the purpose of determining whether a lien exists in favor of any certificate owner other than a taxing unit. The owner of a certificate may assign it at any time, but said assignment shall not be effective until the collector shall have actually received written notice thereof from the assignor. Each such purchaser, his heirs or assigns, shall have a lien on the real property for the amount of the purchase price, plus interest thereon at the rate of eight per centum per annum, of the same dignity as similar liens owned by taxing units, and shall have the right to foreclose said lien, by action in the nature of an action to foreclose a mortgage, in the manner hereinafter prescribed: Provided, that the eight per
cent per annum interest herein provided shall accrue only on so much of the purchase price as represents the amount of the tax, penalties to the date of sale, and the costs of advertising and sale. Each such purchaser, his heirs and assignees, shall also have a lien for other taxes and assessments levied against said property, paid by him after acquisition of said certificate, whether such taxes or assessments were charged before or after such acquisition. Said lien shall be entitled to the same priorities as the original lien of the taxes and assessments so paid.

(b) Issued to taxing units. The governing body of each taxing unit which becomes the purchaser at a tax sale, as hereinbefore provided, shall determine whether or not it is necessary to issue certificates to and in the name of such unit. If, in the opinion of said governing body, the issuance of such certificates is not necessary in order to provide adequate records of tax liens and tax collections, the said certificates may be dispensed with and the collector ordered to mark or stamp the original tax receipts or accounts “Sold to ____________________________________________” (name of taxing unit) ___________________________________________. If issuance of certificates is deemed necessary, they shall be issued in substantially the form set forth in Subsection (a) of this section, with stubs or duplicates on which shall be reflected all payments or assignments. In either case, the taxing unit shall have the right to foreclose the real property by any method authorized by law; and in either case interest at the rate of eight percent per annum shall accrue, on the amount bid by said unit, from the date of the sale.

(c) Prima facie case. A certificate issued, or a tax receipt or account marked or stamped, in accordance with the provisions of Subdivisions (a) or (b) of this section, shall be presumptive evidence of the regularity of all prior proceedings incident to the sale and of the due performance of all things essential to the validity thereof.

SEC. 1717. Assignment of liens by taxing unit after sale.

At any time after the sale hereinbefore provided for, any taxing unit may assign any lien owned by it to any person who pays an amount which, if paid by the taxpayer, would be sufficient to discharge said lien. If a certificate has already been issued to the taxing unit, it shall be assigned to the person making the payment, and the copy of stub of such certificate or a copy of such stub, showing such assignment, shall be filed in the manner provided for certificates originally issued to private purchasers. If no certificate has been issued to the taxing unit, a certificate shall immediately be so issued, and said certificate shall be assigned to the person making such payment in the manner set forth in the preceding sentence. The collector to whom the payment is made shall have authority to make all such assignments and issue all such certificates.
The provisions of this section shall be construed as being in addition to the provisions of this article with respect to release of individual parcels of real property from the tax lien. The person making a payment, after the sale hereinbefore provided for, shall have the right to pay the entire amount or to pay an amount sufficient under the provisions of this article to release one or more specified parcels; and such person shall also have the right to demand either assignment of the lien on the property for which the payment is made or to demand complete release of such property from the lien, in his discretion. In cases in which an assignment is made upon payment of an amount less than the amount of the lien on all the real property in one certificate, new certificates may be made to effect the separation.

**SEC. 1718. Settlements.**

(a) Annual settlement of tax collector.

(1) Preliminary report. On the second Monday following the sale of certificates, the tax collector shall, under oath, report to the governing body: (1) action with respect to such sale; and (2) a list of those not listing land for taxes whose taxes remain unpaid, making oath that he has made diligent effort to collect such taxes out of the personal property of such taxpayers or by other means open to him for collection of such taxes, and reporting such other information as to such taxpayers as may be of interest to or required by the governing body (including a report on his efforts to make collection outside the taxing unit under the provisions of this article).

(2) Insolvents. The governing body shall, upon receipt of said report, enter upon its minutes the list of such taxpayers listing no land as may be found by said governing body to be insolvent, and shall by resolution designate said list so entered in the minutes as the insolvent list to be credited to the collector in his settlement.

(3) Settlement for current taxes. On the first Monday of the month following sale of certificates, but not earlier than the first Monday of July, the collector shall make full settlement with the governing body of the taxing unit for all taxes, in his hands for collection, for the year involved in said sale. In such settlement the collector shall be charged with: (1) the total amount of all taxes for said year, in his hands for collection, including amounts originally charged to him and all subsequent amounts charged on account of discovered property; (2) all penalties, interest and costs collected by him in connection with taxes for said year; and (3) all other sums to be collected by said collector. He shall be credited with: (1) all sums deposited by him to the credit of the taxing unit, or receipted for by the proper official of said unit, on account of taxes for said year; (2) releases allowed by the governing body as prescribed by
statute; (3) the principal amount of taxes included in certificates sold to the taxing unit, for which he shall produce certificates duly executed or receipts or accounts duly stamped in accordance with the provisions of this article; (4) the principal amount of taxes for said year included in the insolvent list, determined as hereinbefore provided; (5) discounts allowed by law; and (6) commissions, if any, lawfully payable to him as compensation. For any deficiency the collector shall be liable on his bond and, in addition, thereto, shall be liable to all criminal penalties provided by law.

Said settlement, together with the action of the governing body with respect thereto, shall be entered in full upon the minutes of said governing body.

(4) Disposition of tax books after settlement. Uncollected taxes allowed as credits in the settlement prescribed in the preceding subsection, whether represented by sales to the taxing unit or included in the list of insolvents, shall be recharged to the collector or charged to some other person, in accordance with the provisions of any valid local statute governing tax collection in the particular taxing unit. In the absence of any local statute determining the matter: (1) Such taxes in cities, and in counties having tax collectors other than Sheriffs, shall be recharged to the collector; and (2) such taxes, in counties having Sheriffs as tax collectors, shall be charged to such other county officer or employee as the governing body may designate to perform the duties of delinquent tax collector.

The person so charged or recharged shall give bond satisfactory to the governing body; shall receive the tax receipts, certificates and records representing such uncollected taxes; shall have and exercise and perform all powers and duties conferred or imposed by law upon tax collectors; and shall receive such compensation as may be fixed by valid local statute or, in the absence of such statute, as the governing body may determine.

(b) Settlements for delinquent taxes. Annually, at the time prescribed for the settlement hereinbefore in this section provided, all persons having in their hands for collection any taxes for years prior to the year involved in said settlement hereinbefore provided, shall settle with the governing body of the taxing unit for collections made on the taxes for each such prior year. Such settlement for the taxes of prior years shall be in such form as may be satisfactory to the chief accounting officer and the governing body of the taxing unit, and shall be entered in full upon the minutes of the governing body.

(c) Settlement at end of term. Whenever any tax collector or other person collecting taxes, current or delinquent, shall fail to succeed himself at the end of his term of office, he shall, on the last business day of his term, make full and complete settlement for all taxes in his hands and deliver the tax records, receipts
and accounts to his successor in office. Such settlement shall be in such manner and form as may be satisfactory to the chief accounting officer and governing body of the taxing unit, and shall be entered in full upon the minutes of the governing body.

(d) Settlement upon vacancy during term. In case of voluntary resignation of any person collecting taxes he shall, upon his last day in office, make full settlement for all taxes in his hands in the same manner as required herein for settlements made at the end of a term of office. In default of such settlement, or in case of a vacancy occurring during a term for any other reason, it shall be the duty of the chief accounting officer or, in the discretion of the governing body, of some duly qualified person appointed by it, immediately to prepare and submit to the governing body a report in the nature of a settlement made on behalf of the ex-collector; and such report, together with the action of the governing body, shall be entered in full upon the minutes of the governing body. In such cases the governing body may turn over the tax books to the successor collector immediately upon occurrence of the vacancy, or may make such temporary arrangements for collection of taxes as may be expedient: Provided, that no person shall be permitted to collect taxes until he shall have given bond satisfactory to the governing body.

(e) Effect of approval. Approval of any settlement by the governing body shall not relieve the collector or his bondsmen of liability for any shortage actually existing and thereafter discovered; nor shall it relieve the collector of any criminal liability.

(f) Penalties. In addition to all other civil and criminal penalties, provided by law, any member of a governing body, collector, person collecting taxes, or chief accounting officer failing to perform any duty imposed upon him by this section shall be guilty of a misdemeanor, punishable by fine or imprisonment, or both, in the discretion of the court.

SEC. 1719. Foreclosure of tax liens by action in nature of action to foreclose a mortgage.

(a) Time for beginning such action. Actions for the foreclosure of tax liens brought under this section shall be brought not less than six months after the sale hereinbefore provided for.

(b) Private purchasers. Foreclosure under this section shall be the sole remedy of certificate owners other than taxing units.

(c) Taxing units. Taxing units may proceed under this section, either on the original tax lien or the lien acquired at the tax sale hereinbefore provided for, with or without a certificate of sale, and the amount of recovery in either case shall be the same. To this end it is hereby declared that the original attachment of the tax lien is sufficient to support a tax foreclosure
action by a taxing unit, that the issuance of tax sale certificates to a taxing unit is a matter of convenience in record keeping, within the discretion of the governing body of such unit, and that issuance of such certificates is not a prerequisite to perfection of said tax lien.

(d) General nature of the action. The foreclosure action shall be an action in Superior Court, in the county in which the land is situated, in the nature of an action to foreclose a mortgage.

(e) Parties. The listing taxpayer and spouse, if any, the current owner, all other taxing units having tax liens, all other lien-holders of record, and all persons who would be entitled to be made parties to a court action (in which no deficiency judgment is sought) to foreclose a mortgage on such property, shall be made parties and served with summons in the manner provided by Section four hundred seventy-six of the Consolidated Statutes of North Carolina, Volume III, as amended by Senate Bill forty-six of the one thousand nine hundred thirty-nine General Assembly, ratified February second, one thousand nine hundred thirty-nine: Provided, that alias summons may be issued or service by publication begun at any time within one year after the issuance of the original summons.

The fact that the listing taxpayer or any other defendant is a minor, is incompetent or is under any other disability shall not prevent or delay the collector's sale or the foreclosure of the tax lien; and all such defendants shall be made defendants and served with summons in the same manner as in other civil actions.

Persons who have disappeared or cannot be located and persons whose names and whereabouts are unknown, and all possible heirs or assignees of such persons may be served by publication; and such persons, their heirs and assignees may be designated by general description or by fictitious names in such action. It is hereby declared that service of summons by publication against such persons, in the manner provided by law, shall be as valid in all respects as such service against known persons who are non-residents of this State.

(f) Complaint as a lis pendens. The complaint in an action brought under this section shall, from the time of the filing thereof in the office of the Clerk of Superior Court, serve as notice of the pendency of such action, and every person whose interest in such property is subsequently acquired or whose interest therein is subsequently registered or recorded shall be bound by all proceedings taken in such action after the filing of said complaint in the same manner as if said persons had been made parties to such action. It shall not be necessary to have said complaint cross indexed as a notice of action pending to have the effect prescribed by this subsection.
(g) Subsequent taxes. The complaint in a tax foreclosure action brought under this section by a taxing unit shall, in addition to alleging the tax lien on which the action is based, include a general allegation of subsequent taxes which are or may become a lien on the same property in favor of the plaintiff unit. Thereafter it shall not be necessary to amend said complaint to incorporate said taxes by specific allegation. In case of redemption before judgment of confirmation, the person redeeming shall be required to pay, before said action is discontinued, at least all taxes on said property which have at the time of discontinuance been due to plaintiff unit for more than one year, plus interest, penalties and costs thereon. Immediately prior to judgment of sale in such action, if there has been no redemption, the tax collector, or the attorney for plaintiff unit, shall file in said action a certificate setting forth all taxes which are a lien on said property in favor of the plaintiff unit, other than taxes the amount of which has not been definitely determined.

Any plaintiff in a tax foreclosure action, other than a taxing unit, may include in his complaint, originally or by amendment, all other taxes and assessments paid by him which were liens on the same property.

(h) Joinder of parcels. All real estate within one township, subject to liens for taxes levied against the same taxpayer by the same taxing unit for the first year involved in the action, shall be joined in one action: Provided, that where property is transferred by the listing taxpayer subsequent to such year, all subsequent taxes, penalties, interest and costs, for which said property is ordered sold under the terms of this Act, shall be prorated to such property in the same manner as if payments were being made to release such property under the provisions of this Act.

(i) Special benefit assessments. A cause of action for the foreclosure of the lien of any special benefit assessment may be included in any complaint filed under this section.

(j) Joint foreclosure by two or more taxing units. Liens of different taxing units on the same parcel, representing taxes in the hands of the same collector, shall be foreclosed in one action. Liens of different taxing units of the same parcel, representing taxes in the hands of different collectors, may be foreclosed in one action in the discretion of the governing bodies.

Liens of taxing units made parties defendant in any such action shall be alleged in an answer filed by such unit, and the collector of each such answering unit shall, prior to judgment, file a certificate of subsequent taxes similar to that filed by the collector of the plaintiff unit, and the taxes of each such answering unit shall be of equal dignity with the taxes of the plaintiff unit; and any such answering unit may, in case of payment of the plaintiff's taxes, continue such action until all taxes due to
it for more than one year have been paid. It shall not be necessary for any such defendant unit to file a separate foreclosure action or proceed under Section one thousand seven hundred twenty of this Act with respect to any such taxes.

All taxes of any taxing unit which is properly served as a party defendant in such action, and which does not answer and file the certificate as aforesaid, shall be barred by the judgment of sale except to the extent that the purchase price at foreclosure sale, after payment of costs and of the liens of all taxing units whose liens are properly alleged by complaint or answer and certificates, may be sufficient to pay said taxes: Provided, that if a defendant unit is plaintiff in another action pending against the same property, or has begun a proceeding under Section one thousand seven hundred twenty hereof, its answers may allege said fact in lieu of alleging its liens, and the court, in its discretion, may order consolidation of such actions or such other disposition thereof, and such disposition of the costs therein, as it may deem advisable: and Provided, further, that any such order may be made by the Clerk of the Superior Court, subject to appeal in the same manner as appeals are taken from other orders of said clerk.

(k) Costs. Costs may be taxed in any action brought under this section in the same manner as in other civil actions, subject to the provisions of this subsection; and upon collection of said costs, either upon redemption or upon payment of the purchase price at foreclosure sale, the fees allowed officers shall be paid to those entitled to receive the same: Provided, that the fees allowed any officer, whether for the personal use of such officer or for the benefit of the unit of which he is an official shall not exceed one-half the fees allowed in other civil actions: Provided, further, that no process tax for the use of the State shall be levied or collected in tax foreclosure actions, and, where the plaintiff is a taxing unit, no prosecution bond shall be required in such actions.

Said costs may include one reasonable attorney's fee for the plaintiff, which shall not exceed five dollars: Provided, that the governing body of any unit may, in its discretion, pay a greater sum to its attorney as a suit fee and said governing body may, in its discretion, allow a reasonable commission to its attorney on delinquent taxes collected by him after said taxes have been placed in his hands; or said governing body may arrange with its attorney for the handling of tax suits on a salary basis or make such other reasonable agreement with its attorney or attorneys as said governing body may approve; and any arrangement made may provide that attorney's fees collected as costs be collected for the use of the taxing unit: and Provided, further, that when any taxing unit is made a party defendant in a tax foreclosure action and files answer therein, there may be in-
included in the costs an attorney's fee for said defendant not exceeding three dollars.

In any action in which real property is actually sold after judgment, costs shall include a commissioner's fee to be fixed by the court, not exceeding five per centum of the purchase price; and in case of redemption between the date of sale and judgment of confirmation, said fee shall be added to the amount otherwise necessary for redemption. In case more than one sale is made of the same property in any action, the commissioner's fee may be based on the highest amount bid, but said commissioner shall not be allowed a separate fee for each such sale. The governing body of any plaintiff unit may request the court to appoint as commissioner a salaried official, attorney or employee of the unit and, if such appointment is made, may require that such commissioner's fees, when collected, be paid to plaintiff unit for use as it may direct.

(1) Contested actions. Any action brought under this section, in which an answer raising an issue requiring trial is filed within the time allowed by law, shall be entitled to a preference as to time of trial over all other civil actions.

(m) Judgment of sale. Any judgment in favor of the plaintiff or any defendant taxing unit in an action brought under this section shall order the sale of the property, or so much thereof as may be necessary for the satisfaction of: (1) taxes adjudged to be liens in favor of the plaintiff, other than taxes the amount of which has not been definitely determined, together with interest, penalties and costs thereon; and (2) taxes adjudged to be liens in favor of other taxing units, other than taxes the amount of which has not yet been definitely determined, if said taxes have been alleged in answers filed by said units, together with interest, penalties and costs thereon.

Said judgment shall appoint a commissioner to conduct said sale and shall order that the property be sold in fee simple, free and clear of all interests, rights, claims and liens whatever, except that said sale shall be subject to taxes the amount of which cannot be definitely determined at the time of said judgment, subject to taxes and assessments of taxing units which are not parties to said action, and, in the discretion of the court, subject to taxes alleged in other tax foreclosure actions or proceedings pending against the same property.

In all cases in which no answer is filed within the time allowed by law, and in cases in which answers filed to not seek to prevent sale of said property, the Clerk of the Superior Court may render said judgment, subject to appeal in the same manner as appeals are taken from other judgments of said clerk.

(n) Advertisement of sale. The sale shall be advertised, and all necessary resales shall be advertised, in the manner provided
by Chapter forty-four of the Public Laws of one thousand nine
hundred twenty-nine, as amended by Chapter ninety-six of the
Public Laws of one thousand nine hundred thirty-three, which
said chapter, as so amended, is Section six hundred eighty-seven
(a) and (b) of the Consolidated Statutes of North Carolina, or
by such statute as may be enacted in substitution therefor.

(o) Sale. The sale shall be by public auction to the highest
bidder, and shall, in accordance with the judgment, be held at
the courthouse door on any day of the week except a Sunday or
legal holiday: Provided, that in actions brought by any city
which is not a county seat the court may, in its discretion, di-
rect said sale to be held at the city hall door. The commissioner
conducting such sale may, in his discretion, require from any
successful bidder a deposit equal to not more than twenty per
centum of his bid, which said deposit, in the event that said
bidder refuses to take title and a resale becomes necessary, shall
be applied to pay the costs of sale and any loss resulting: Pro-
vided, that this shall not deprive the commissioner of the right
to sue for specific performance of the contract.

(p) Report of sale. Within three days following said sale the
commissioner shall report said sale to the court, giving full par-
ticulars thereof.

(q) Exceptions and increased bids. At any time within twen-
ty days after the filing of said report of sale any person having an
interest in the property may file exceptions to said report, and
at any time within said period an increased bid may be filed in
the amount specified by and subject to the provisions (other than
provisions in conflict herewith) of Section two thousand five
hundred ninety-one of the Consolidated Statutes of North Caro-
lina, as amended, or to the provisions (other than provisions in
conflict herewith) of any law enacted in substitution for said
section.

(r) Judgment of confirmation. At any time after the ex-
piration of said twenty days, if no exception or increased bid has
been filed, the commissioner may apply for judgment of con-
firmation; and in like manner he may apply for such judgment
after the court has passed upon any exceptions filed, or after
any necessary resales have been held and reported and twenty
days have elapsed: Provided, that the court may, in its discre-
tion, order resale of the property, in the absence of exceptions
or increased bids, whenever it deems such resale necessary for
the best interests of the parties.

Said judgment of confirmation shall direct the commissioner
to deliver the deed upon payment of the purchase price.

Said judgment may be rendered by the Clerk of Superior
Court, subject to appeal in the same manner as appeals are
taken from other judgments of said clerk.
(s) Application of proceeds of sale; final commissioner's report. After delivery of the deed and collection of the purchase price, the commissioner shall apply the proceeds as follows; first, to payment of all costs of the action, including commissioner's fee and attorney's fee, which said costs shall be paid to the officials or funds entitled thereto; then to the payment of taxes, penalties and interest for which said property was ordered to be sold, and in case the funds remaining are insufficient for this purpose they shall be distributed pro rata to the various taxing units for whose taxes the property was ordered sold; then pro rata to the payment of any special benefit assessments for which said property was ordered sold, together with interest and costs thereon; then pro rata to payment of taxes, penalties, interest and costs of taxing units which were parties to said action but which filed no answers therein; then pro rata to payment of special benefit assessments of taxing units which were parties to said action but which filed no answers therein, together with interest and costs on said assessments; and any balance then remaining shall be paid in accordance with any directions given by the court and, in the absence of such directions, shall be paid into court for the benefit of the persons entitled thereto. The commissioner in all such cases shall make a full report to the court, within five days after delivery of the deed, showing delivery of the deed, receipt of the purchase price, and the disbursement of the proceeds, accompanied by receipts evidencing all such disbursements.

In case the purchaser is a taxing unit such unit may proceed in accordance with the provisions hereinafter set forth in this section; and the commissioner shall make report accordingly.

(t) Bids by taxing units. Any taxing unit, or two or more units jointly, may bid at foreclosure sale, and any taxing unit which becomes the successful bidder may assign its bid, or portion thereof, at any time, by private sale, for not less than the amount thereof.

(u) Payment of purchase price by taxing units; status of property purchased by taxing units. Any taxing unit which becomes the purchaser at final tax foreclosure sale may, in the discretion of its governing body, pay only such part of the purchase price as would not be distributed to itself and other taxing units on account of taxes, interest, penalties and such costs as accrued prior to the beginning of the foreclosure action. Thereafter, in such case, it shall hold said property for the benefit of all taxing units which have an interest in such property as hereinafter in this subsection defined. All net income from said property and the proceeds thereof, when resold, shall be first used to reimburse the purchasing unit for disbursements actually made by it in connection with the foreclosure action and the purchase of said property, and any balance remaining shall be distributed to the taxing units having an interest therein in
Determination of interest of different taxing units.

proportion to their interests. The total interest of each taxing unit, including the purchasing unit, shall be determined by adding: (1) taxes of such unit, with interest, penalties and costs (other than costs already reimbursed to the purchasing unit), to satisfy which said property was ordered sold; (2) other taxes of such unit, with interest, penalties and costs, which would have been paid from the purchase price had said purchase price been paid in full; (3) taxes of such unit, with interest, penalties and costs, to which said sale was made subject; and (4) the principal amount of all taxes which may become liens on said property after purchase at foreclosure sale or which would have become liens but for such purchase: Provided, that no amount shall be included under clause (4) hereof for taxes for years in which, on the tax listing day, said property is being used by said purchasing unit for a public purpose.

Distribution of surplus, if any.

If the amount of net income and proceeds of resale distributable exceeds the total interests of all units as hereinbefore defined, the remainder shall be applied to any special benefit assessments to satisfy which said sale was ordered or to which said sale was made subject, and any balance than remaining shall accrue to the purchasing unit.

Property dedicated for public purpose, settlement of proportionate interest of different units.

When any property, purchased as hereinbefore provided in this subsection, is permanently dedicated for use for a public purpose, the purchasing unit shall make settlement with other taxing units having an interest in such property, as hereinbefore defined, in such manner and in such amount as may be agreed upon by the governing bodies; and if no agreement can be reached the amount to be paid shall be determined by the resident judge of the Superior Court.

Construction of section.

Nothing in this subsection shall be construed as requiring the purchasing unit to secure the approval of other interested taxing units before reselling said property or as requiring said purchasing unit to pay said other units in full if the net income and resale price are insufficient to make such payments.

Retention of property by units, and payment of purchase price.

Any taxing unit purchasing property at foreclosure sale may, in the discretion of its governing body, instead of following the foregoing provisions of this subsection, make full payment of the purchase price and thereafter it shall hold said property as sole owner in the same manner as it holds other real property, subject only to taxes and assessments, with interest, penalties and costs, to which said sale was made subject.

(v) Resale of property purchased by taxing units. Property purchased at tax foreclosure sale by a taxing unit may be resold at any time for such price as the governing body may approve. Such resales shall be conducted in the manner provided by law for sales of other property of the various taxing units: Provided, that a city may, in the discretion of its governing body, resell such property to former owner or other person formerly having
an interest in said property, at private sale, for an amount not less than its interest therein, if it holds said property as sole owner, or for an amount not less than the total interests of all taxing units (other than assessments due the city holding title), if it holds said property for the benefit of all such units.

SEC. 1720. Alternative method of foreclosure. (a) Docketing taxes as a judgment. In lieu of following the procedure set forth in Section one thousand seven hundred nineteen of this Act, the governing body of any taxing unit may order the collecting official to file, not less than six months or more than two years (four years as to taxes of the principal amount of five dollars or less) following the collector's sale of certificates, with the Clerk of Superior Court a certificate showing the name of the taxpayer listing the real estate on which such taxes are a lien, together with the amount of taxes, interest, penalties and costs which are a lien thereon, the year for which such taxes are due, and a description of such real property sufficient to permit its identification by parol testimony. The Clerk of Superior Court shall enter said certificate in a special book entitled "Tax Judgment Docket for Taxes for the Year................. ..........", and shall index the same therein in the name of the listing taxpayer. Immediately upon said docketing and indexing, said taxes, interest, penalties and costs shall constitute a valid judgment against said property, with the priority hereinbefore provided for tax liens, which said judgment, except as herein expressly provided, shall have the same force and effect as a duly rendered judgment of the Superior Court directing sale of said property for the satisfaction of the tax lien, and which judgment shall bear interest at the rate of six per cent per annum. The clerk shall be allowed fifty cents per certificate for such docketing and indexing, payable when such taxes are collected or such property is sold, and shall account for said fees in the same manner as other fees of his office are accounted for: Provided, that the governing body of any county, if said clerk is on salary, or said clerk, if he is on fees or salary plus fees, may require such fees to be advanced by the taxing unit.

The collecting official filing said certificate shall, at least two weeks prior to the docketing of said judgment, send a registered letter to the listing taxpayer, at his last known address, stating that the judgment will be docketed and that execution will issue thereon in the manner provided by law. However, receipt of said letter by said listing taxpayer, or receipt of actual notice of the proceeding by said taxpayer or any other interested person, shall not be required for the validity or priority of said judgment or for the validity or priority, as hereinafter provided, of the title acquired by the purchaser at the execution sale. It is hereby expressly declared to be the intention of this section that proceedings brought under it shall be strictly in rem. It is further declared to be the intention of the section to provide a simple and inexpensive method of enforcing payment of taxes neces-
sarily levied, to the knowledge of all, for the requirements of local governments in this State; and to recognize, in authorizing such proceeding, that all those owning interests in real property know, or should know, without special notice thereof, that such property may be seized and sold for failure to pay such lawful taxes.

Nothing in this section shall be construed as a limitation of time on the right to foreclose a tax lien under Section one thousand seven hundred nineteen of this article.

(b) Motion to set aside. At any time prior to issue of execution, any person having an interest in said property may appear and move to set aside said judgment on the ground that the tax has been paid or that the tax lien on which said judgment is based is invalid.

(c) Issue of execution. At any time after six months and before two years from the indexing of said judgment, execution shall be issued at the request of the governing body of the taxing unit, in the same manner as executions are issued upon other judgments of the Superior Court, and said property shall be sold by the Sheriff in the same manner as other property is sold under execution: Provided, that no debtor's exemption shall be allowed; and provided, further, that in lieu of any personal service of notice on the owner of said property, registered mail notice shall be mailed to the listing taxpayer, at his last known address, at least one week prior to the day fixed for said sale. The purchaser at said sale shall acquire title to said property in fee simple, free and clear of all claims, rights, interests and liens except the lien of other taxes and assessments not paid from the purchase price and not included in the judgment: Provided, that if a taxing unit has, by virtue of the taxes included in such a judgment, been made a defendant in a foreclosure action brought under Section one thousand seven hundred nineteen hereof, it shall file answer therein and thereafter all proceedings shall be governed by order of court in accordance with the provisions of that section.

(d) Cancellation upon payment. Upon payment in full of any judgment docketed under this section, together with interest thereon and costs accrued to the date of payment, it shall be the duty of the collecting official receiving such payment immediately to certify the fact of such payment to the Clerk of Superior Court, who shall thereupon cancel the judgment, the fee for such cancellation to be fifty cents (50c), which fee shall be included as part of accrued costs.

(e) Consolidation of liens. By agreement between the governing bodies, two or more taxing units may consolidate their liens for purposes of docketing judgment, or may have one execution issued for separate judgments, against the same property. In
like manner one execution may issue for separate judgments in favor of one or more taxing units against the same property for different years' taxes.

In any advertisement or posted notice of sale under execution the Sheriff may (and, at the request of the governing body of the taxing unit, shall) combine the advertisements or notices for properties to be sold under executions, against the properties of different taxpayers, in favor of the same taxing unit or group of units: Provided, that the property included in each judgment shall be separately described and the name of the listing taxpayer specified in connection with each.

(f) Special Assessments. Street, sidewalk and other special assessments may be included in any judgment for taxes taken under this section; or such assessments may be included in a separate judgment docketed under this section, which is hereby declared to be made available as a method of foreclosing the lien of such assessments.

(g) Purchase and resale by taxing unit. Any taxing unit may become a bidder at said sale under execution, and may assign its bid by private sale, for not less than the amount of such bid. Property purchased by any taxing unit may be resold at any time in the manner provided by law for sale of other property of such unit: Provided, a city may resell property to the former owner or other person formerly having an interest therein, at private sale, for not less than the amount of said unit's interest in such property (other than special assessments).

(h) Procedure if section declared unconstitutional. If any provisions of this section are declared invalid or unconstitutional by a court of competent jurisdiction, all taxing units which have proceeded under this section shall have one year from the date of the filing of such opinion (or, in case of appeal, from the date of the filing of the opinion on appeal) in which to institute foreclosure actions under Section one thousand seven hundred nineteen of this Act for all taxes included in judgments taken under this section and for subsequent taxes due or which, but for purchase of such property by the taxing unit, would have become due; and such opinion shall not have the effect of invalidating the tax lien or disturbing the priority thereof.

SEC. 1721. Time for contesting validity of tax foreclosure titles. No action or proceeding shall be brought to contest the validity of any title to real property acquired, by a taxing unit or by a private purchaser, in any tax foreclosure action or proceeding authorized by this Act or by other laws of this State in force at the time of acquisition of said title, nor shall any motion to reopen or set aside the judgment in any such tax foreclosure action or proceeding be entertained, after one year from the date on which the deed is recorded: Provided, that in cases of
deeds recorded prior to ratification of this Act, such action or proceeding may be brought or motion entertained within one year after said ratification: Provided, further, that this shall not be construed as enlarging the time within which to bring such action or proceeding or entertain such motion.

Sec. 1722. Facsimile signatures. In the institution or prosecution of any suits or other proceedings under this Act, or in tax foreclosure proceedings under laws heretofore or hereafter in force, and in the giving of any notice preliminary to the institution thereof, it shall be sufficient and a compliance with the law that where any official or attorney required to sign summons, complaints, verifications of pleadings, notices, judgments or other papers, the name of said official or attorney may be affixed to said documents by stamping thereon the facsimile of the signature of said official or attorney with a rubber stamp by any person authorized by said official or attorney so to do; and said documents so stamped shall have the same legal force and effect as if said signature had been written by said official or attorney with his own hand, and all such signatures stamped as aforesaid shall be conclusively presumed to have been so stamped at the direction of the official or attorney whose signature it purports to be.

Sec. 1723. Application of Act. All provisions of this article shall apply to all taxes originally due within fiscal years beginning on or after July first, one thousand nine hundred thirty-nine. With the exception of the provisions of Sections one thousand seven hundred six, one thousand seven hundred seven, and one thousand seven hundred eight, the provisions of this article shall also apply to all taxes uncollected at the time of ratification of this article, originally due within the fiscal year beginning July first, one thousand nine hundred thirty-eight. Sections one thousand seven hundred one, one thousand seven hundred two, one thousand seven hundred three, one thousand seven hundred four, one thousand seven hundred five, one thousand seven hundred nine, one thousand seven hundred ten, one thousand seven hundred eleven, one thousand seven hundred twelve, one thousand seven hundred thirteen, one thousand seven hundred fourteen, one thousand seven hundred eighteen, one thousand seven hundred twenty-one, and one thousand seven hundred twenty-two, and Subsections (k) to (v), inclusive, of Section one thousand seven hundred nineteen, of this article shall also apply, to the extent that such application does not affect any action already taken or affect private rights already vested at the time of ratification of this article, to all taxes, due and owing to taxing units at the time of the ratification of this article, originally due within fiscal years beginning on or before July first, one thousand nine hundred thirty-seven, whether such taxes have heretofore been included in tax sales certificates or not, and whether such taxes are included in pending foreclosure actions or not; and
Section one thousand seven hundred twenty, and Subsections (a) to (j), inclusive, of Section one thousand seven hundred nineteen of this article shall also apply to all taxes, due and owing to taxing units at the time of ratification of this article, originally due within fiscal years beginning on or before July first, one thousand nine hundred thirty-seven, which have not been included in any tax foreclosure proceedings pending or completed at the time of the ratification of this article: Provided, that with respect to such taxes originally due within the fiscal years beginning on or before July first, one thousand nine hundred thirty-seven, the provisions of said Section one thousand seven hundred twenty, and Subsections (a) to (j), inclusive, of Section one thousand seven hundred nineteen of this article shall be in addition to, and not in substitution for, the provisions of laws in force immediately prior to ratification of this article: Provided, further, that proceedings may be begun under the provisions of Sections one thousand seven hundred nineteen and one thousand seven hundred twenty of this article, with respect to such taxes originally due within the fiscal years beginning on or before July first, one thousand nine hundred thirty-seven, at any time after six months and within one year following the ratification of this article or within a longer period otherwise permitted by the terms of this article.

Except as in this section provided, the collection and foreclosure of taxes originally due within fiscal years beginning on or before July first, one thousand nine hundred thirty-eight, shall be under the provisions of laws in force immediately prior to the ratification of this article, including Section seven thousand nine hundred ninety of the Consolidated Statutes of North Carolina. In all actions which may be brought under the provisions of Section eight thousand thirty-seven of the Consolidated Statutes of North Carolina, the general advertisement, or six months' notice, prescribed by said section need not be made; and the failure to make such advertisement in any action heretofore brought under said section is hereby ratified, confirmed and approved, and, despite such failure, such action, with respect to defendants served with process in such action, either by personal service or service by publication, is hereby validated to the same extent as if said advertisement had been made.

Section seven thousand nine hundred ninety of the Consolidated Statutes of North Carolina is hereby preserved in full force and effect as an alternative method for the foreclosure of taxes originally due within fiscal years beginning on or after July first, one thousand nine hundred thirty-eight: Provided, that the provisions of Subsections (f) to (v), inclusive, of Section one thousand seven hundred nineteen of this article shall apply in any such foreclosure action brought under said Section seven thousand nine hundred ninety.
Further construction of section. Nothing in this section or this article shall be construed to require foreclosure of any taxes under the provisions of Section one thousand seven hundred twenty, and Subsections (a) to (j), inclusive, of Section one thousand seven hundred nineteen of this article, if such taxes have been or by the terms of this section may be included in any action instituted under laws in force immediately prior to ratification of this article, whether such taxes be included in said action by the original complaint or by amendment thereto.

To the extent indicated in this section the laws in force immediately prior to ratification of this article are hereby preserved in full force and effect, any repeal clauses contained in this article or Act to the contrary notwithstanding.

Unconstitutionality or invalidity. SEC. 1724. Unconstitutionality or invalidity. If any clause, sentence, paragraph, subsection, section or any part of this article shall, for any reason, be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such judgment shall not affect, impair, or invalidate the remainder of the article, but shall be confined in its operation to the part thereof directly involved in said judgment: Provided, that should any material provisions of Section one thousand seven hundred nineteen of this article be adjudged invalid or unconstitutional, all taxes which have theretofore been included in an action brought under said Section one thousand seven hundred nineteen may be foreclosed under Section seven thousand nine hundred ninety of the Consolidated Statutes of North Carolina.

AN ACT TO AUTHORIZE AND INSTRUCT THE DEPARTMENT OF CONSERVATION AND DEVELOPMENT TO AID OWNERS OF FOREST LAND IN NORTH CAROLINA THROUGH INSPECTION, INSTRUCTION AND DEMONSTRATION SO THAT THE STATE'S TIMBER SUPPLY MAY BE PERPETUATED.

WHEREAS, the forests of North Carolina have lost practically all the original old-growth timber upon which our industries have heretofore largely depended, and

WHEREAS, the increasing demand for small and young-growth timber threatens not only the future timber supply but the very life of some of our most important wood-using industries, and

WHEREAS, definite and far reaching steps are necessary to insure the permanence of both forest and industries involving the welfare of the State, and

WHEREAS, the Department of Conservation and Development through its Division of Forestry is prepared and partially equipped to undertake all necessary steps looking to the perpetuation of our forest resources; Now, therefore,

The General Assembly of North Carolina do enact:

SECTION 1. That the Department of Conservation and Development through the Division of Forestry shall inaugurate the following policy and plan looking to the cooperation with private and public forest owners in this State in so far as funds may be available through legislative appropriation, gifts
of money or land, or such cooperation with landowners and public agencies as may be available:

a. The extension of the forest fire prevention organization to all counties in the State needing such protection.

b. To cooperate with federal and other public agencies in the restoration of forest growth on land unwisely cleared and subsequently neglected.

c. To furnish trained and experienced experts in forest management, to inspect private forest lands and to advise with forest landowners with a view to the general observance of recognized and practical rules of growing, cutting and marketing timber. The services of such trained experts of the department must naturally be restricted to those landowners who agree to carry out so far as possible the recommendations of said department.

d. To prepare and distribute printed and other material for the use of teachers and club leaders and to provide instruction to schools and clubs and other groups of citizens in order to train the younger generation in the principles of wise use of our forest resources.

e. To acquire small areas of suitable land in the different regions of the State on which to establish small, model forests which shall be developed and used by the said Department of Conservation and Development as State demonstration forests for experiment and demonstration in forest management.

SEC. 2. That the boards of county commissioners of the various counties of North Carolina are herewith authorized to turn over to the said Department of Conservation and Development title to such tax delinquent lands as may have been acquired by said counties under tax sale and as in the judgment of the State Forester may be suitable for the purposes named in Section one, paragraph "e" of this Act.

SEC. 3. In the carrying out of the provisions of Section two of this Act, the several boards of county commissioners shall furnish forthwith on written request of the Department of Conservation and Development a complete list of all properties acquired by the county under tax sale and which have remained unredeemed for a period of two years or more. On receipt of this list the State Forester of the Department of Conservation and Development shall have the lands examined and if any one or more of these properties is in his judgment suitable for the purposes set forth in Section two, request shall be made through the Director of said department to the county commissioners for the acquisition of such land by the department at a price not to exceed the actual amount of
taxes due without penalties. On receipt of this request the county commissioners shall make permanent transfer of such tract or tracts of land to the department through fee simple deed or other legal transfer, said deed to be approved by the Attorney General of North Carolina, and shall then receive payment from the department as above outlined.

SEC. 4. Where no suitable tax-delinquent lands are available and in the judgment of the Department of Conservation and Development the establishment of a demonstration forest is advisable, the department may purchase sufficient land for the establishment of such a demonstration forest at a fair and agreed-upon price, the deed for such land to be subject to approval of the Attorney General, but nothing in this Act shall allow the Department of Conservation and Development to acquire land under the right of eminent domain.

SEC. 5. That necessary funds for carrying out this Act shall be set up in the regular budget as an item entitled Forest Management and that the budget for the Forestry Division of the Department of Conservation and Development shall be increased for the biennium one thousand nine hundred thirty-nine and one thousand nine hundred forty-one in the amount of five thousand ($5,000.00) dollars annually to inaugurate the program called for in this Act.

SEC. 6. That all laws and clauses of laws in conflict herewith are hereby repealed.

SEC. 7. That this Act shall be in full force and effect from and after its ratification.

In determining the quantity of such added substance to be tolerated in or on different articles of food, the board shall take into account the extent to which the use of such substance is required or cannot be avoided in the production of each such article, and the other ways in which the consumer may be affected by the same or other poisonous or deleterious substances.

in the first instance: Provided, further, that in the event any justice of the peace or other committing magistrate shall bind over to the special county court any person charged with an offense beyond the jurisdiction of said court, the said judge shall cause the accused person to enter into a new bond with sufficient surety for his appearance at the next succeeding term of the Superior Court of the county, and shall transmit all papers in the case to the said Superior Court, but this shall be done without additional cost to the accused person.

Sec. 35. Whenever the Clerk of the Superior Court shall transfer the papers in any case from the Superior Court to a special county court, he shall at the same time issue a notice to the accused person and his surety, informing them that the cause has been so transferred and requiring the accused person to appear at the next succeeding term of said special county court for trial, and, upon the service of said notice upon the accused person and his surety, at least five days before the beginning of the next succeeding term of the special county court, the case shall stand for trial at said term and the bond given by the accused person for his appearance at the next term of the Superior Court shall in all respects be valid and binding to compel the appearance of the accused person at the said next succeeding term of said special county court, and in case said notice is not served on the accused person and his surety at least five days before the beginning of the next succeeding term of the special county court, then the case shall not be tried without the consent of the accused person until the following term of the special county court.

Sec. 36. All trials of criminal causes in said court shall be upon warrant issued by the clerk of said court or deputy clerk herein provided for or by the judge or by any justice of the peace of the county. In either event such warrant shall be issued upon affidavit duly made and subscribed, setting forth the complaint against the defendant: Provided, the judge shall have authority to amend the warrant and to allow amendment of the affidavit at any time before judgment.

Sec. 37. Whenever any person shall be convicted or plead guilty of any offense of which the court has final jurisdiction the judge may sentence him to the common jail of the county in which the court shall be held, and assign him to work on the public roads, under the supervision of the State Highway and Public Works Commission: Provided, that in case the person so convicted or pleading guilty shall be a woman or an infant of immature years, then the judge may assign him or her to the county workhouse, reformatory, or other penal institution located in the county; or if there be none, any similar institution that may be located outside of the county to which judges of the Superior Court are authorized to sentence such person under the general laws of the State. All fines imposed by the court shall be collected by the clerk of such court or the deputy clerk thereof in the same
manner as the Clerk of the Superior Court; and, where a defendant is convicted and fails to pay the costs of such conviction, the county shall pay such costs as is allowed by law in similar cases before the Superior Court.

SEC. 38. Any person convicted of any offense of which the county court has final jurisdiction may appeal to the Superior Court from any judgment or sentence of the court in the same manner as is now provided for appeals from the courts of justices of the peace; and any person tried before the judge for any offense of which the court has not final jurisdiction shall, upon the judge’s finding probable cause of guilt, be bound over to the Superior Court in the same manner as is provided by law in similar cases before justices of the peace.

SEC. 39. All justices of the peace, constables and Sheriff’s issuing or serving warrants or other process returnable to the special county court shall have the same fees as are now prescribed by law, which fees shall be collected and paid out in the same manner and by the same officers as collect and distribute such fees in the Superior Court.

SEC. 40. There shall be taxed in the special county court the same costs and fees for the benefit of the officers thereof as provided for municipal recorder’s court. Such costs and fees shall be collected by the clerk and paid over monthly to the treasurer of the county as county funds to be dealt with by the commissioners.

SEC. 41. Any court established under this Act may be abolished by resolution of a majority of the Board of County Commissioners for such county by giving written notice of such intention one month prior thereto; and in case of the abolition of the court, cases then pending shall be transferred to the Superior Court and there tried.

SEC. 43. This Act shall not be construed to repeal or modify any existing laws by which a county court may be created or to affect or repeal any court now or hereafter created under existing laws, and shall only be construed to be an additional method by which a special county court may be established for criminal or criminal and civil jurisdictions.
SEC. 44. That if any part or section of this Act should be declared unconstitutional or invalid by the Supreme Court of North Carolina, that it shall in no wise affect the remainder of said Act, and that the remainder shall remain in full force and effect.

SEC. 45. This Act shall be in force and effect from and after its ratification.

The secretary shall keep a record of the proceedings of any meetings of the executive committee in the same manner as proceedings of the full commission are kept and recorded.

SEC. 4. Length of School Term. That the six months' school term required by Article nine of the Constitution is hereby extended to embrace a total of one hundred sixty days of school in order that there shall be operated in every county and district in the State, which shall request the same, a uniform term of eight months: Provided, that the State School Commission, or the governing body of any administrative unit, may suspend the operation of any school or schools in such unit, not to exceed a period of forty days of said consolidated term, when in the sound judgment of said commission, or the governing body of any administrative unit, the low average in any school does not justify its continuance, or necessity may require it: Provided, that all schools served by the same school bus or busses shall have the same opening date.

A school month shall consist of four weeks and not less than twenty teaching days, no day of which shall be a Saturday,
unless in case of emergency, and subject to the approval of the local committee and the superintendent of the administrative unit; and salary warrants for the payment of all State teachers, principals, and others employed for the school term shall be issued each school month to such persons as are entitled to same. The salaries of superintendents and others employed on an annual basis shall be paid per calendar month: *Provided*, that teachers may be paid in twelve equal monthly installments in such administrative units as shall request the same of the State School Commission on or before October first of each school year. Before such request shall be filed, it shall be approved by the governing board, the superintendent, and a majority of the teachers in said administrative unit. The payment of the annual salary in twelve installments instead of eight shall not increase or decrease said annual salary nor in any other way alter the contract made between the teacher and the said administrative unit; nor shall such payment apply to any teacher who is employed for a period less than eight months.

**SEC. 5. School Organizations.** The State School Commission, in making provision for the operation of the schools, shall classify each county as an administrative unit and shall, with the advice of the county board of education, make a careful study of the existing district organization in each county administrative unit, and may modify such district organization when deemed necessary for the economical administration and operation of the State school system, and shall determine whether there shall be operated in such district an elementary or a union school. Provisions shall not be made for a high school with an average daily attendance of less than sixty pupils, nor an elementary school with an average daily attendance of less than twenty-five pupils, unless a careful survey by the State Superintendent of Public Instruction and the State School Commission reveals that geographic or other conditions make it impracticable to provide for them otherwise. Funds shall not be made available for such schools until the said survey has been completed and such schools have been set up by the said school commission.

It shall be within the discretion of the State School Commission, wherever it shall appear to be more economical for the efficient operation of the schools, to transfer children living in one administrative unit or district to another administrative unit or district for the full term of such school without the payment of tuition: *Provided*, that sufficient space is available in the buildings of such unit or district to which the said children are transferred: *Provided further*, the provision as to the nonpayment of tuition shall not apply to children who have not been transferred as set out in this section.

**Salaries of teachers, principals, etc. payable each school month.**

The board of trustees for any special charter district in any city administrative unit shall be appointed as now provided by law. If no provision is now made by law for the filling of vacancies in the membership of such board of trustees, such vacancy may be filled by the governing body of the city or town embraced by said administrative unit.

All principals and teachers shall enter into a written contract upon forms to be furnished by the State Superintendent of Public Instruction before becoming eligible to receive any payment from State funds. It shall be the duty of the county board of education in a county administrative unit, and of the governing body of a city administrative unit, to cause written contracts on forms to be furnished by the State

SEC. 8. Organization Statement and Allotment of Teachers. On or before the twentieth day of May in each year, the several administrative officers shall present to the State School Commission a certified statement showing the organization of the schools in their respective units, together with such other information as said commission may require. The organization statement as filed for each administrative unit shall indicate the length of term the State is requested to operate the various schools for the following school year, and the State shall base its allotment of funds upon such request. On the basis of such organization statement, together with all other available information, and under such rules and regulations as the State School Commission may promulgate, the State School Commission shall determine for each administrative unit, by districts and races, the number of elementary and high school teachers to be included in the State Budget, provided that loss in attendance due to epidemics shall be taken into consideration in the allotment of teachers.

It shall be the duty of the governing body in each administrative unit, after the opening of the schools in said unit, to make a careful check of the school organization and to request the State School Commission to make changes in the allocation of teachers to meet requirements of the said unit.

The State School Commission shall effect all economies possible in providing State funds for the objects of general control, operation of plant, and auxiliary agencies, and after such action shall have authority to increase or decrease on a uniform percentage basis the salary schedule of teachers, principals, and superintendents in order that the appropriation of State funds for the public schools may insure their operation for the length of term provided in this Act: Provided, however, that the State School Commission and county boards of education for county administrative units and boards of trustees for city administrative units, shall have power and authority to promulgate rules by which school buildings may be used for other purposes.

SEC. 14. Local Supplements. The county board of education in any county administrative unit and the school governing board in any city administrative unit, with the approval of the tax levying authorities in said county or city administrative unit and the State School Commission, in order to operate schools of a higher standard than that provided by State support in said administrative unit having a school population of one thousand (1,000) or more, but in no event to provide for a term of more than one hundred eighty (180) days, may supplement the funds from State or county allotments available to said administrative unit: *Provided*, that before making any levy for supplementing said allotments, an election shall be held in said administrative unit or district to determine whether there shall be levied a tax to provide said supplemental funds, and to determine the maximum rate which may be levied therefor. Upon the request of the county board of education in a county administrative unit and/or the school governing authorities in a city administrative unit, the tax levying authorities of such unit shall provide for an election to be held under laws governing such elections as set forth in Articles XXIII, XXIV and XVI of Chapter ninety-five of the Consolidated Statutes of North Carolina, Volume three: *Provided*, that the rate voted shall remain the maximum until revoked or changed by another election: *Provided, further*, that nothing herein contained shall be construed to abolish any city administrative unit heretofore established under Chapter four hundred forty-five of Public Laws of one thousand nine hundred thirty-five.

Before said election can be held in such district, a petition of the district committee setting out the purposes for which said election is to be held and the maximum rate of tax which may be levied shall be approved by the county board of education, the tax levying authorities of said county, and the State School Commission. When such approval is had, then upon the request of the county board of education, the tax levying authorities of such unit shall provide for an election under the laws governing such elections as are set forth for county and city administrative unit supplementary elections in Section fourteen of this Act.

Such boundary, unit, or district shall be known and designated as the "Special Bond Tax Unit" of County.

All uncollected taxes which have been levied in the respective school districts for the purposes of meeting the operating costs of the schools shall remain as a lien against the property as originally assessed and shall be collectible as are other taxes so levied and, upon collection, shall be made a part of the Debt Service fund of the special bond tax unit, along with such other funds as may accrue to the credit of said unit; and in the event there is no debt service requirement upon such district, all amounts so collected for whatever purpose shall be covered into the county treasury to be used as a part of the county debt service for schools: Provided, that unpaid teacher's vouchers for the year in which the tax was levied shall be a prior lien: Provided, further, that nothing in this Act shall be construed as abolishing special taxes voted in any city administrative unit since July first, one thousand nine hundred thirty-three.

SEC. 18. Bonds. That the State School Commission, subject to the approval of the Local Government Commission, shall determine and provide all bonds necessary for the protection of the State school funds.

That the tax levying authorities in each county and city administrative unit, subject to the approval of the Local Government Commission, shall provide such bonds as the State School Commission may require for the protection of county and district school funds.

The payment of the State fund to the county and city administrative units may be made in monthly installments, at such time and in such amounts as may be practical to meet the needs and necessities of the eight months' school term in the various county and city administrative units: Provided, that prior to the payment of any monthly installment, it shall be the duty of the county board of education or the board of trustees to file with the State Superintendent of Public Instruction and the State School Commission a certified statement of all salaries, together with all other obligations that may be due and payable, said statement to be filed on or before the fifteenth day of each month next preceding the maturity of the obligations.

When it shall appear to the State School Commission from said certified statement that any amounts are due and necessary to be paid, such amounts shall be certified to the State Superintendent, who shall draw a requisition on the State Auditor covering the same; and upon receipt of notice from the State Treasurer showing the amount placed to their credit, the duly constituted authorities may issue State warrants in the amount so certified: Provided, that no funds shall be released for payment of salaries of administrative officers of county or city units if any reports required to be filed with the State School authorities are more than thirty days overdue.

CHAPTER 364

AN ACT TO PROVIDE FOR THE CREATION OF A STATE VOLUNTEER FIRE DEPARTMENT; TO PRESCRIBE THE POWERS AND DUTIES OF SUCH DEPARTMENT; AND TO PROVIDE PROTECTION FOR MEMBERS THEREOF.

The General Assembly of North Carolina do enact:

SECTION 1. Purpose of the Act. The purpose of this Act shall be the creation of a State Volunteer Fire Department to provide protection for property lying outside the boundaries of municipalities, and to render assistance anywhere within the State of North Carolina, in municipalities or counties, in emergencies caused by fire, floods, tornadoes, or otherwise, in the manner and subject to the conditions provided in this Act.

SEC. 2. Personnel. The personnel of the North Carolina State Volunteer Fire Department shall consist of all active members of the organized fire departments, who are members
of the North Carolina State Firemen's Association, of municipalities whereof the governing bodies shall subscribe to and endorse this Act.

SEC. 3. Organization. The North Carolina State Fire Marshal shall be Chief of the State Volunteer Fire Department; regular municipal fire chiefs shall be assistant chiefs; assistant chiefs shall be deputy chiefs; battalion chiefs, captains, lieutenants and privates shall hold the same positions that they occupy in their municipal companies. When engaged in rendering assistance at the scene of any emergency, the ranking officer of the first department arriving at the scene of the emergency shall have complete charge of all operations until the arrival of a superior officer. All subordinate officers and men shall act under the direction of such ranking officer. Whenever present at the scene of an emergency, the chief shall have full and complete control and authority over operations of all members of the department.

SEC. 4. Acceptance by Municipalities. Any municipality having an organized fire department and desiring to participate in the establishment of the State Volunteer Fire Department, may do so by a resolution of the governing body accepting and endorsing the provisions of this Act: Provided, that acceptance shall not be compulsory.

SEC. 5. Withdrawal. Any municipality which has accepted the provisions of this Act may withdraw its fire departments from membership in the State Volunteer Fire Department by resolution of the governing body thereof. Notice of such withdrawal shall be given to the State Fire Marshal and withdrawal shall not become effective until sixty (60) days after his receipt thereof.

SEC. 6. Dispatching Firemen and Apparatus from Municipalities. Municipalities endorsing this Act shall retain full and complete control and authority in sending or permitting firemen and apparatus to go beyond the limits of the municipality. The governing bodies of such municipalities shall designate and authorize a person, and at least two alternates, who shall have authority to grant or deny permission to firemen and apparatus to leave the municipality in all cases where request is made for assistance beyond its corporate limits, and the municipality shall, through the office of its municipal fire chief, furnish to the office of the State Insurance Commissioner, and to the Secretary of the North Carolina State Firemen's Association, a list of the persons so authorized by the municipality. The Secretary of the State Firemen's Association shall furnish to all municipalities and counties accepting this Act a list of all such persons so designated in all municipalities within the State.
SEC. 7. The State Volunteer Fire Department shall not have authority to render assistance in any emergency occurring within a county which has not accepted the terms and conditions of this Act by resolution of the Board of County Commissioners: Provided, that nothing in this Act shall be construed to prevent any municipality from voluntarily permitting its fire department to render assistance in any emergency, notwithstanding that it may arise in a county which has failed to accept this Act.

SEC. 8. Acceptance by Counties. Any county desiring to accept the benefits of this Act may do so by resolution of the Board of County Commissioners. The board may make the necessary appropriation therefor and levy annually taxes for payment of the same as a special purpose, in addition to any tax allowed by any special statute for the purposes enumerated in Section one thousand two hundred and ninety-seven of the Consolidated Statutes and in addition to the rate allowed by the Constitution. All such counties may thereupon make agreements and enter into contracts with respect to payment for services rendered by the State Volunteer Fire Department within its boundaries in the following manner:

The county may contract with any municipality which has accepted the terms of this Act, whether within or without said county, to pay to such municipality an annual fee as a consideration for the municipality providing equipment and carrying compensation insurance which will enable it to respond to calls from within the county so contracting, and to pay an additional sum per truck for each mile traveled from the station house to the scene of the emergency, and to pay an additional sum per truck per hour or fraction thereof for the use of its water or chemical pumping equipment. Said sums shall be paid to the city within thirty (30) days after such services have been performed: Provided, that nothing in this section shall be construed to prevent the county and municipality from adopting a different schedule of fees in cases where those provided above shall be considered excessive or inadequate: Provided, that if the emergency shall occur within the limits of another city or town, such city or town and not the county wherein it lies shall be responsible for the payments and shall assume all liabilities as provided in this section.

SEC. 9. Municipalities not to be left unprotected. At no time shall the entire personnel or equipment of any municipal fire department be absent from the municipality in response to a call to another municipality, or other place lying at a distance exceeding two miles from the corporate limits, but there shall remain within the municipal limits such personnel and equipment as in the judgment of the local fire chief might
provide sufficient protection during the absence of the remainder.

SEC. 10. Rights and Privileges of Firemen, Liability of Municipality. When responding to a call and while working at a fire or other emergency outside the limits of the municipality by which they are regularly employed or in volunteer fire service, all members of the State Volunteer Fire Department shall have the same authority, rights, privileges and immunities which are afforded them while responding to calls within their home municipality. In permitting its fire department or equipment to attend an emergency or answer a call beyond the municipal limits, whether under the terms of this Act or otherwise, a municipality shall be deemed in exercise of a governmental function, and shall hold the privileges and immunities attendant upon the exercise of such functions within its corporate limits.

SEC. 11. Relief in Case of Injury or Death. In case of injury or death of any member of the State Volunteer Fire Department arising out of and in the course of the performance of his duties while such member is assisting at any emergency arising beyond the limits of the municipality with which he is connected, or while going to or returning from the scene of such emergency, such fireman shall be entitled to compensation under the terms of the North Carolina Workmen's Compensation Act, and the municipality with which he is connected shall be liable for the compensation provided under that Act.

SEC. 12. In order to assist in carrying out the purposes of this Act the Governor may, from time to time, make provisions for assistance to the North Carolina State Firemen's Association in a sum not to exceed two thousand and five hundred dollars ($2,500.00), in any one year, out of the contingent fund appropriated in the General Appropriation Act. One half of the amount so provided shall, in each instance, go to the State Firemen's Relief Fund, and one half to the expenses of the said association incurred in carrying out the provisions of this Act.

SEC. 13. That all laws and clauses of laws in conflict with the provisions of this Act are hereby repealed.

SEC. 14. That this Act shall be in full force and effect from and after its ratification.

In the General Assembly read three times and ratified, this the 3rd day of April, 1939.
AN ACT TO AMEND SECTION SIXTEEN, CHAPTER ONE HUNDRED AND THIRTY-FOUR OF THE PUBLIC LAWS OF ONE THOUSAND NINE HUNDRED AND THIRTY-THREE, AND TO REPEAL CHAPTER ONE HUNDRED AND SIXTY-FIVE OF THE PUBLIC LAWS OF ONE THOUSAND NINE HUNDRED AND THIRTY-SEVEN; AND TO REPEAL CONSOLIDATED STATUTES THREE THOUSAND FIVE HUNDRED AND THIRTEEN, RELATING TO THE FUNCTIONS OF THE UTILITIES COMMISSIONER WITH REFERENCE TO RAIL AND MOTOR CARRIER RATES, FARES, CHARGES, RULES, REGULATIONS AND PRACTICES.

The General Assembly of North Carolina do enact:

SECTION 1. That Section sixteen, Chapter one hundred and thirty-four of the Public Laws of one thousand nine hundred and thirty-three, be and the same is hereby amended by striking out that part thereof beginning with the words “and no corporation” in line thirteen of said Section sixteen, and inserting in lieu thereof the following: “and no corporation, association, partnership, or individual, other than carriers of passengers and property by rail, express, highway and/or water, doing business in the State of North Carolina as a public-service corporation, or any other corporation herein designated, shall be allowed to increase its rate and charge for service, or change its classification in any manner whatsoever except upon petition duly filed with the Utilities Commissioner and inquiry held thereon and final determination of the reasonableness and the necessity of any such increase or change in classification or service: Provided, however, that nothing herein shall be construed to prevent any public-service corporation under the jurisdiction of the commissioner from reducing its rates, either directly or by change in classification.”

SEC. 2. That Chapter one hundred and sixty-five of the Public Laws of one thousand nine hundred and thirty-seven, be and the same is hereby repealed.

SEC. 3. Whenever there shall be filed with the Utilities Commissioner any schedule stating an increase in any new individual or joint rate, fare, charge, or classification for the transportation of passengers or property by a public carrier or carriers by railroad, or express, or highway, or water, or any rule, regulation, or practice affecting such rate, fare, or charge, or the value of the service thereunder, the commissioner is hereby authorized and empowered upon complaint of any interested party or upon his own initiative at once and, if he so orders, without answer or formal pleading by the interested
carrier or carriers, but upon reasonable notice, to enter upon a hearing concerning the lawfulness of such rate, fare, or charge, or such rule, regulation, or practice, and pending such hearing and the decision thereon the commissioner, by filing with such schedule and delivering to the carrier or carriers affected thereby a statement in writing and its reasons for such suspension, may suspend the operation of such schedule and defer the use of such rate, fare, or charge, or such rule, regulation, or practice, for a period of ninety days, and if the proceeding has not been concluded and a final order made within such period, the commissioner may, from time to time, extend the period of suspension by order, but not for a longer period in the aggregate than one hundred and eighty days beyond the time when it would otherwise go into effect; and after hearing, whether completed before or after the rate, fare, charge, classification, rule, regulation, or practice goes into effect, the commissioner may make such order with reference thereto as would be proper in a proceeding instituted after it had become effective. If the proceeding has not been concluded and an order made within the period of suspension, the proposed change of rate, fare, or charge, or classification, rule, regulation, or practice, may go into effect at the end of such period. At any hearing, after the date of the approval of this Act, involving a rate, fare, charge, or classification, increased or sought to be increased, or involving a rule, regulation, or practice, resulting in an increase, the burden of proof shall be upon the carrier to show that the increased rate, fare, charge, or classification, or rule, regulation, or practice, or the proposed increased rate, fare, charge, or classification, or the proposed rule, regulation, or practice, is just and reasonable.

SEC. 4. No increase shall be made in any rate, fare, charge, or classification, nor shall any change be made in any rule, regulation, or practice, the result of which will be an increase, which has been published and filed by any of the transportation companies named in the preceding section, except upon not less than thirty days' notice to the commissioner and the public: Provided, that the commissioner may, in his discretion, and for good cause shown, authorize the publication and filing of increased rates, fares, charges, or classification, or rules, regulations, or practices, upon less than thirty days' notice.

SEC. 5. That Consolidated Statute three thousand five hundred and thirteen, captioned Freight Rates to Be Posted, be and the same is hereby repealed.

SEC. 6. That all laws and clauses of laws that are in conflict herewith are hereby repealed.
SEC. 7. That this Act shall be in full force and effect from and after its ratification.

In the General Assembly read three times and ratified, this the 3rd day of April, 1939.

A Retirement system is hereby established and placed under the management of the board of trustees for the purpose of providing retirement allowances and other benefits under the provisions of this Act for employees of those counties, cities and towns or other eligible employers participating in the said Retirement System. The Retirement System so created shall become operative as of the first day of July, nineteen hundred and thirty-nine: Provided, that in the judgment of the board of trustees an adequate number of persons have indicated their intention to participate; otherwise at such later date as the board of trustees may set.

It shall have the power and privileges of a corporation and shall be known as the "North Carolina Governmental Employees' Retirement System," and by such name all of its business shall be transacted, all of its funds invested, and all of its cash and securities and other property held.

SEC. 3. Acceptance by Cities, Towns and Counties. (1) The governing body of any incorporated city or town may, by resolution legally adopted and approved by the board of trustees, elect to have its employees become eligible to participate in the Retirement System, and the said municipal governing body may make the necessary appropriation therefor and if necessary levy annually taxes for payment of the same.

(2) The Board of Commissioners of any county may, by resolution legally adopted and approved by the board of trustees, elect to have its employees become eligible to participate in the Retirement System, and the said County Board of Commissioners may make the necessary appropriation therefor and if necessary levy annually taxes for payment of the same as a special purpose, in addition to any tax allowed by any special statute for the purposes enumerated in Section one thousand two hundred and ninety-seven of the Consolidated Statutes and in addition to the rates allowed by the Constitution.

(5) The agreement of such employer to contribute on account of its employees shall be irrevocable, but should an employer for any reason become financially unable to make the normal and accrued liability contributions payable on account of its employees, then such employer shall be deemed to be in temporary default. Such temporary default shall not relieve such employer from any liability for its contributions payable on account of its employees, but such contributions payable during the period of temporary default shall be paid at such later time as may be mutually agreed upon by the employer and the board of trustees together with interest thereon at the rate of six percentum (6%) per annum. Notwithstanding anything to the contrary, the Retirement System shall not be liable for the payment of any pensions or other benefits on account of the employees or pensioners of any employer under this Act, for which reserves have not been previously created from funds contributed by such employer or its employees for such benefits.

SEC. 4. Certain County, City and Town Employees Entitled to Membership. On and after July first, nineteen hundred and thirty-nine, any employee of any county, city or town in North Carolina, or other employer as described in Section one, Subsection two, of this Act, except such employees as are now eligible to participate in a Retirement System wholly or partly maintained at the expense of a county, city or town, shall be entitled to membership in the North Carolina Governmental Employees' Retirement System: Provided, that the employees of any county, city or town shall not be included in the Retirement System without the approval of the Board of Commissioners or other governing body of any such county, city or town, as provided in Section three of this Act. participate in the North Carolina Governmental Employees' Retirement System as specifically provided hereinafter for such employees.

SEC. 5. Membership in System. (1) Membership in the Retirement System shall be optional with all county, city and town employees in service on July first, nineteen hundred and thirty-nine, and any such employees who elect to join the Retirement System on or before July first, nineteen hundred and forty, shall be entitled to a prior service certificate covering service prior to July first, nineteen hundred and thirty-nine, in the same manner as provided under the provisions of Section six of this Act. Membership in the Retirement System for such employees who are admitted as provided in the last sentence of Section four of this Act shall be optional with such employees in the service on the date the approval is given, and any such employee who elects to join the Retirement System within one calendar year thereafter, or any person who becomes a member of his first day of eligibility to membership and within five years after rendering service prior to such date of approval, shall be entitled to a prior service certificate covering full credit for service rendered prior to July first, nineteen hundred and thirty-nine, and credit for three quarters of the service rendered on or after such date to date of the approval, which may be allowed as full time if especially approved by the county, city or town, such latter credit to be a part of the maximum prior service allowance as provided in Section six except one year thereof which may be member service if he was in the service of the county, city or town during the entire year immediately preceding his retirement, if necessary for any form of retirement or benefit. After any county, city or town elects to participate in the Retirement System, membership shall be compulsory on all employees entering or reentering the service of such county, city or town. The board of trustees is hereby empowered to make arrangements with such county, city or town for the payment of the accrued liability as computed by the actuary, on such terms as the financial conditions of the county, city or town will permit.

(2) Should sixty percentum (60%) of the members of any retirement, pension or annuity fund or system of any county, city or town of the State, hereafter referred to as a local pension system, elect to become members of the North Carolina Governmental Employees' Retirement System, by a petition duly signed by such members, the participation of such members in the Retirement System may be approved as provided in Section four of this Act as though such local pension system were not in operation, and the provisions of this Act shall also apply, except that the existing pensioners or annuitants of the local pension system who were being paid pensions on the date of the approval shall be continued and paid at their existing rates by the North Carolina Governmental Employees' Retirement System, and the lia-
bility on this account shall be included in the computation of the accrued liability by the actuary as provided by Section ten, Subsection three. Any cash and securities to the credit of the local pension system shall be transferred to the North Carolina Governmental Employees' Retirement System as of the date of the approval. The trustees or other administrative head of the local pension system as of the date of the approval shall certify the proportion, if any, of the funds of the system that represents the accumulated contributions of the members, and the relative shares of the members as of that date. Such shares shall be credited to the respective annuity savings accounts of such members in the North Carolina Governmental Employees' Retirement System. The balance of the funds transferred to the North Carolina Governmental Employees' Retirement System shall be offset against the accrued liability before determining the special accrued liability contribution to be paid by the county, city or town as provided by Section ten, Subsection three. The operation of the local pension system shall be discontinued as of the date of the approval.

(1) Under such rules and regulations as the board of trustees shall adopt each member who was an employee at any time during the year immediately preceding July first, nineteen hundred and thirty-nine, and who becomes a member during the first year of operation of the Retirement System, shall file a detailed statement of all service as an employee rendered by him to any county, city or town prior to July first, nineteen hundred and thirty-nine, for which he claims credit.

(2) The board of trustees shall fix and determine by appropriate rules and regulations how much service in any year is equivalent to one year of service, but in no case shall more than one year of service be creditable for all service in one calendar year.

(3) Subject to the above restrictions and to such other rules and regulations as the board of trustees may adopt, the board of trustees shall verify, as soon as practicable after the filing of such statements of service, the service therein claimed.

In lieu of a determination of the actual compensation of the members that was received during such period of prior service, the board of trustees may use for the purpose of this Act the compensation rates which if they had progressed with the rates of salary increase shown in the tables as prescribed in Subsection fourteen of Section eight of this Act would have resulted in a same average salary of the member for the five years immediately preceding July first, nineteen hundred and thirty-nine, as the records show the member actually received.

(4) Upon verification of the statements of service the board of trustees shall issue prior service certificates certifying to each
member the length of service rendered prior to July first, nineteen hundred and thirty-nine, with which he is credited on the basis of his statement of service. So long as membership continues a prior service certificate shall be final and conclusive for retirement purposes as to such service: Provided, however, that any member may, within one year from the date of issuance or modification of such certificate, request the board of trustees to modify or correct his prior service certificate.

When membership ceases, such prior service certificate shall become void. Should the employee again become a member, such employee shall enter the system as an employee not entitled to prior service credit except as provided in Section seven, Subsection five paragraph (b) of this Act.

(5) Creditable service at retirement on which the retirement allowance of a member shall be based shall consist of the membership service rendered by him since he last became a member, and also if he has a prior service certificate which is in full force and effect, the amount of the service certified on his prior service certificate.

**SEC. 7. Benefits.**

**SERVICE RETIREMENT BENEFIT**

(1) (a) Any member in service may retire upon written application to the board of trustees setting forth at what time, not less than thirty days nor more than ninety days subsequent to the execution and filing thereof, he desires to be retired: Provided, that the said member at the time so specified for his retirement shall have attained the age of sixty years, and notwithstanding that, during such period of notification, he may have separated from service.

(b) Any member in service who has attained the age of sixty-five shall be retired at the end of the fiscal year unless the employing board requests such person to remain in the service, and notice of this request is given in writing thirty days prior to the end of the fiscal year.

(c) Any member in service who has attained the age of seventy years shall be retired forthwith: Provided, that with the approval of his employer he may remain in service until the end of the fiscal year following the date on which he attains the age of seventy years: Provided, further, that with the approval of the board of trustees and his employer, any member who has attained or shall attain the age of seventy years may be continued in service for a period of two years following each such request.

**ALLOWANCE FOR SERVICE RETIREMENT**

(2) Upon retirement from service a member shall receive a service retirement allowance which shall consist of:
Annuity.

(a) An annuity which shall be the actuarial equivalent of his accumulated contributions at the time of his retirement; and

Pension.

(b) A pension equal to the annuity allowable at the age of sixty years computed on the basis of contributions made prior to the attainment of age sixty; and

Additional pension for prior service certificate.

(c) If he has a prior service certificate in full force and effect, an additional pension which shall be equal to the annuity which would have been provided at the age of sixty years by twice the contributions which he would have made during such prior service had the system been in operation and he contributed thereunder.

Allowance on disability retirement.

(4) Upon retirement for disability a member shall receive a service retirement allowance, if he has attained the age of sixty years, otherwise he shall receive a disability retirement allowance which shall consist of:

(a) An annuity which shall be the actuarial equivalent of his accumulated contributions at the time of the retirement, and

Pension.

(b) A pension equal to seventy-five percentum of the pension that would have been payable upon service retirement at the age of sixty years had the member continued in service to the age of sixty years without further change in compensation.

Reexamination of beneficiaries retired on account of disability

(5) Once each year during the first five years following retirement of a member on a disability retirement allowance, and once in every three year period thereafter, the board of trustees may, and upon his application shall, require any disability beneficiary who has not yet attained the age of sixty years to undergo a medical examination, such examination to be made at the place of residence of said beneficiary or other place mutually agreed upon, by a physician or physicians designated by the board of trustees. Should any disability beneficiary who has not yet at-
tained the age of sixty years refuse to submit to at least one medical examination in any such year by a physician or physicians designated by the board of trustees, his allowance may be discontinued until his withdrawal of such refusal, and should his refusal continue for one year, all his rights in and to his pension may be revoked by the board of trustees.

(a) Should the medical board report and certify to the board of trustees that such disability beneficiary is engaged in or is able to engage in a gainful occupation paying more than the difference between his retirement allowance and the average final compensation, and should the board of trustees concur in such report, then the amount of his pension shall be reduced to an amount which, together with his annuity and the amount earnable by him, shall equal the amount of his average final compensation. Should his earning capacity be later changed, the amount of his pension may be further modified: Provided, that the new pension shall not exceed the amount of the pension originally granted nor an amount which, when added to the amount earnable by the beneficiary together with his annuity, equals the amount of his average final compensation. A beneficiary restored to active service at a salary less than the average final compensation shall not become a member of the Retirement System.

(b) Should a disability beneficiary under the age of sixty years be restored to active service at a compensation not less than his average final compensation, his retirement allowance shall cease, he shall again become a member of the Retirement System, and he shall contribute thereafter at the same rate he paid prior to disability. Any such prior service certificate on the basis of which his service was computed at the time of his retirement shall be restored to full force and effect, and in addition, upon his subsequent retirement he shall be credited with all his service as a member, but should he be restored to active service on or after the attainment of the age of fifty years his pension upon subsequent retirement shall not exceed the sum of the pensions which he was receiving immediately prior to his last restoration and the pension that he would have received on account of his service since his last restoration had he entered service at that time as a new entrant.

Regular interest shall mean such percentum rate to be compounded annually as shall be determined by the board of trustees on the basis of the interest earnings of the system for the preceding year and of the probable earnings to be made, in the judgment of the board, during the immediate future.

AN ACT MEMORIALIZING THE CONGRESS OF THE UNITED STATES TO ENACT LEGISLATION AMENDING THE MERCHANT MARINE ACT OF ONE THOUSAND NINE HUNDRED THIRTY-SIX.

WHEREAS, the United States has adopted as a policy the construction and maintenance of an adequate and well balanced merchant marine for the development of its foreign and domestic trade and for national defense; and

WHEREAS, the United States Maritime Commission, pursuant to authority conferred by the Merchant Marine Act of one thousand nine hundred thirty-six, has adopted a long range building program for replacements and additions to the American Merchant Marine; and

WHEREAS, the program adopted by the United States Maritime Commission calls for the building of fifty vessels annually for ten years; and

WHEREAS, it is further the policy of the United States Government to have such ships built where possible, in private shipyards, otherwise the commission is authorized to construct such vessels in the navy yards at various points in the United States; and

WHEREAS, under Title five, Section five hundred two (f) of the Merchant Marine Act of one thousand nine hundred thirty-six, if at any time the commission finds that the existing shipyards, including the navy yards, do not provide adequate facilities to meet necessary requirements for purposes of national defense and national emergencies, with special regard to providing facilities for the national defense at strategic points, it may, with the approval of the President, allocate such construction in such shipyards in such manner as it may determine to be fair, just and reasonable to all sections of the country; and

Consideration of facilities for national defense at strategic points.
Shipyards near sources of raw material supply, rather than at strategic points.

WHEREAS, the United States Maritime Commission, pursuant to authority vested in it by the Merchant Marine Act of one thousand nine hundred thirty-six, is authorized to take into consideration cost differentials in awarding contracts for the construction of vessels; and

WHEREAS, this particular provision of the Merchant Marine Act of one thousand nine hundred thirty-six would enable the construction of vessels at important strategic points in the United States, if the facilities were available for such construction, which would result in a more equitable distribution in the allocation of construction work along the Atlantic, Gulf and Pacific coasts; and

WHEREAS, it would seem most necessary to decentralize the shipbuilding industry which is so important to our national defense; and

WHEREAS, the Coast of North Carolina is considered from a military standpoint very important strategically; and

WHEREAS, it has been proved that large sea-going vessels can be built in the harbor of Wilmington, North Carolina, which is a natural land-locked harbor, many of such vessels which were built during one thousand nine hundred seventeen and one thousand nine hundred eighteen now being in service; and

WHEREAS, the facilities which were erected during one thousand nine hundred seventeen and one thousand nine hundred eighteen were forced to be dismantled due to competition; and

Be it Resolved by the Senate of the State of North Carolina the House of Representatives concurring:

SECTION 1. That this group of North Carolina citizens hereby petition the United States Congress to enact legislation amending Title five, Section five hundred two (f) of the Merchant Marine Act of one thousand nine hundred thirty-six, authorizing the United States Maritime Commission, from a standpoint of national defense, and in order to bring about a more equitable distribution of labor in carrying out its building program, to furnish facilities for shipbuilding at such strategic points as in its opinion are necessary to further the policy adopted under the Merchant Marine Act of one thousand nine hundred thirty-six.
