Stocks or shares in incorporated companies shall not be taxed when the property of the company is taxed.

Sec. 14. Auditor to provide forms, and Sheriffs to distribute to Boards of Trustees:

The auditor of the state shall prepare a form to be used in listing property for taxation, and each year shall furnish the sheriff of each county, on or before the fifteenth day of March, with a sufficient number of printed copies, bound in book form with pasteboard backs, and the sheriff shall deliver to the board of each township a sufficient number of such forms for their use.

Sec. 15. Board to make an abstract of their tax lists:

They shall also return a list of all property in the township, if not given in for taxation, with a description and
valuation thereof made by the board, and the names of the occupant and the supposed owner, and a list of the taxable polls of the township not given in for taxation. The return so made shall be open to the inspection of all persons interested, and the clerk shall give to any person desiring it a copy of so much thereof as relates to his property, on paying a fee of ten cents.

Sec. 16. County commissioners to revise lists, when:

The county commissioners of each county shall meet on the third Monday in May and revise the tax lists and valuation reported to them, and complete the lists by computing the tax payable by each person, and affixing the same opposite his name. They shall sit for three days at least, and when necessary, shall sit until the revision is complete, and shall hear all persons objecting to the valuation of their property, or to the amount of tax charged against them. They shall have power to summon and examine witnesses, and shall correct the abstract of the township board as may be right and just, and so that the valuation of similar property throughout the county shall be as near uniform as possible. They shall have power to raise the valuation upon such property as they shall deem reasonably low. The county commissioners on the prescribed oath may take the list of any person applying to list his taxables at any meeting of the commissioners held on or before the first Monday in July, upon his paying the clerk twenty-five cents for recording the same. The commissioners shall ascertain the value of their property by the examination of witnesses or otherwise, and insert it in the abstract; and without satisfactory excuse they shall add to the tax of the person so allowed to give in, five per cent. on the regular amount of his tax for that year.

Sec. 17. How complaints of excess proceeded with:

If any person shall complain before the commissioners that his property, either real or personal, has been improperly valued, or that he is charged with an excessive tax,
he shall present his claim in writing, and they shall hear any
evidence adduced by him, and shall summon and examine
any witnesses necessary for a just decision of the question.
If they decide against the complainant they shall also give
judgment against him for the costs of the investigation, but
if the county commissioners shall find that he has cause for
complaint, they shall direct their clerk to render a true
account thereof, and the account thus rendered, certified by
the clerk, shall be returned to the auditor who shall credit
the sheriff with the overcharge in his settlement of that year.

Sec. 18.

If the application for relief be made to the commissioners
after the sheriff shall have settled the accounts with the
auditor, the commissioners shall carefully examine the case,
and it in their opinion the applicant is entitled to relief,
shall direct the clerk to record, on the record book, the cause
of complaint, and the amount which, in the opinion of the
commissioners should be refunded to the applicant. The clerk
shall make out a copy of such record, certify the same
under seal of the commissioners, and deliver to the applicant
who shall pay to the clerk a fee of fifty cents. Such copy
then shall be transmitted to the auditor of the state, who, on
finding the proceedings in conformity with the requirements
of this section, shall issue a warrant on the treasurer of the
state for the amount specified. The treasurer shall, on pre-
sentation of such warrant, pay to the holder of the same the
amount to be refunded.

Sec. 19. Persons not giving in to be charged with double
tax:

The county commissioners shall insert in the abstract of
tax list for each township, the description and valuation
of all property not given in, with the name of the person
supposed to be liable for the taxes thereon, and the names
of all persons in each township liable for a poll tax who
failed to give themselves in, and shall charge all such persons
with double the tax with which they would otherwise be chargeable; unless satisfactory excuse therefor be rendered.

**Sec. 20. County Commissioners may exempt from poll-tax:**

The county commissioners shall have power to exempt any person from the payment of a poll-tax on account of poverty and infirmity, and the clerk shall deliver to the sheriff a list of all persons so exempted with the amount of taxes charged against them, and shall also send a copy of such list to the Auditor of State, and the sheriff shall be entitled to a deduction for such taxes in any settlement he may be required to make.

**Sec. 21. Copies of revised tax list, how distributed:**

The county commissioners shall cause to be made out two copies of the tax lists of each township, as revised and settled by them according to a form to be furnished to them by the auditor of the state. Such form shall show in different columns the amount due by each tax payer to the state and to the county, one of said copies shall remain in the office of the clerk of the commissioners, the other shall be delivered to the sheriff on or before the first Monday in July in each year, and he shall receipt for the same. The clerk shall endorse on the copies given to the sheriff an order to collect the taxes therein mentioned, and such order shall have the force and effect of a judgment and execution against the property of the person charged in such list. In such list the clerk shall note all appeals from the judgment of the commissioners which have been perfected by the giving of bond as prescribed.

**Sec. 22.**

The clerk of the commissioners, on or before the first Monday in September after the lists are returned, shall return to the auditor an abstract of the same, showing the number of acres of land and their value, and the value of town lots, and the number of white and colored polls sepa-
rately, and specify every other subject of taxation, and the amount as state and county tax paid on each subject, and the amount paid on the whole. At the same time the clerk shall return the auditor an abstract of the lists of the poor, county and school taxes paid in his county, setting forth separately the tax levied on each poll and on each one hundred dollars value of real property for each purpose, and also the gross amount of taxes of every kind levied for county purposes.

Sec. 23. If any clerk shall make a default of any of the duties prescribed in the preceding section, or shall fail to deliver to the auditor a copy of the sheriff's return, made, sworn to and subscribed as required in section thirty-three of this act, he shall forfeit and pay to the state one thousand dollars to be recovered against him and the sureties of his bond in the superior court of Wake county, at the term next after the default, on motion of the state solicitor, and it shall be the duty of the auditor to inform the solicitor of such default.

Sec. 24. In case land be divided, how tax may be apportioned:

In case within the interval between two regular periods for the valuation of land or real property, any piece of land or real property shall become divided in ownership, either by partition or a sale of a portion thereof, or otherwise, either of the part owners may at any time, upon five days notice to the other part owners, apply to the township board of trustees, for an apportionment of valuation, which shall be allowed as may be just, and all persons having tax lists are required to amend the same according to the judgment of said board, on the production of a certified copy thereof; Provided, That no amendment made after a tax on the land has become due shall operate to affect that tax.
Reduction of valuation.

Insurance to effect valuation.

Sec. 25. *If valuation altered, when*:

If after any listing of real or personal property and before the tax thereon shall become due, the property shall become destroyed or depreciated over twenty-five per cent. on its assessed value, otherwise than by act of the owner, the party charged may apply to the county commissioners, and upon proper proof, may have the valuation reduced, and the board of trustees shall thereupon immediately furnish to the clerk of the county commissioners, as well as to the party, a certified copy of their order in the premises, or the party may apply to the county commissioners who shall make the proper order in relation thereto. If the property was insured the amount of the insurance shall in such case be considered in altering the valuation. In like manner if property shall have increased twenty-five per cent. over its assessed taxable value the sheriff of the county upon ten days notice to the owner, may apply to the board of trustees to alter the valuation of the property, and upon proper proof they shall do so; but the valuation shall not be altered if the appreciation has occurred in consequence of improvements made on the property by draining, clearing, building, or the like.

Sec. 26. *When taxes may be paid, when due*:

Time of payment. All taxes shall be due on the first Monday of July in each year. When paid, the sheriff shall note on the tax list against the name of the party the date of payment and the amount paid, he shall also give a receipt to the parties stating the amount of the state and county tax separately, and the date of payment: *Provided*, The sheriff shall not collect the taxes for any year until he shall have settled in full with the state and county treasurer for the taxes of the previous year, (if he was the sheriff or tax collector). Before receiving the tax lists he shall produce the receipts of the state and county treasurer, (if he was the sheriff for the previous year), to the clerk of the county commissioners, and in the event the sheriff fail to produce the aforesaid receipt, the county commissioners shall appoint a tax collector who shall
give bond as required by the sheriff to faithfully collect and pay over the taxes according to law. When the sheriff shall collect by his deputies who are not sworn, or other such persons, they shall, before the clerk of the board of commissioners, or before a justice of the peace of the county, take and subscribe an oath faithfully and honestly to account for the same with the sheriff or other person authorized to receive them. Said oath shall be filed and kept on the docket of the county board, and for failure of any deputy sheriff to pay over such tax as he may collect, he shall be guilty of a misdemeanor.

Sec. 27.

The sheriff or his deputy shall attend at the court house, or at his office in the county town, during the months of August and September, for the purpose of receiving taxes; he shall also in like manner attend at least one day during the months of July and October, at some place in each township, of which twelve days' notice shall be given by advertisement at three or more public places; Provided, That nothing in this section shall be construed to prevent the collecting officer from levying and selling after the first day of September, but he shall not sell before that day.

Sec. 28. How sheriff to collect:

Whenever the taxes shall be due and unpaid, the sheriff shall immediately proceed to collect them as follows:

1st. If the party charged have personal property of a value equal to the tax charged against him, the sheriff shall seize and sell the same, as he is required to sell other property under execution.

2d. And before sale of land no insolvent taxables shall be credited to the sheriff in the settlement with the auditor but such as shall be allowed by the county commissioners, a list whereof containing the names and amounts, and subscribed by the sheriffs, he shall return to county commissioners before said settlement, and the same shall be allowed only on his making oath that he has been at the dwelling house
or usual place of abode of each of the tax payers, and could not there or elsewhere in the county find property where- with to discharge his taxes or such part thereof as is returned unpaid, and that the persons contained in the lists were insolvent at and during the time when, by law, he ought to have endeavored to collect their taxes; such list shall be recorded in commissioner’s docket, and a copy thereof shall be returned to the auditor of the state on or before the day of settlement of the sheriff with the treasurer.

3d. If the party charged has not personal property to be found in the county of sufficient value, the sheriff shall levy upon the lands of the delinquent or any part thereof; said sheriff shall return a list of said levy to the clerk of the superior court, who shall enter the same in a book to be kept for the purpose, charging therefor ten cents for each levy; the sheriff shall notify the delinquent of such levy and of the day and place of sale by service of a notice, stating those particulars, on him personally. If the delinquent cannot by reasonable diligence be found in the county, but has a known agent therein, and his own address is known, or can by reasonable diligence be ascertained, the notice shall be delivered to such agent, and shall be mailed post paid to the delinquent. If the delinquent has no known agent in the county, or his address cannot with reasonable diligence be ascertained, the sheriff shall publish a notice substantially as above described at the court house door and two other public places, and also in some newspaper published in the county where the land is situated, and if there be no newspaper published in the county, then in the nearest newspaper. The notice shall be served or published as aforesaid at least thirty days before the sale of the land; the sale shall be made at the court house of the county in which the land lies, and shall be on one of the days prescribed for sale under execution, and shall be conducted in all respects as sales under execution are; if the delinquent resides out of the county, and his address be known, the sheriff, within one month after the sale, shall mail to him notice of the sale and of the date thereof, of the name and address of the pur-
chaser, of the sum bid and of the amount of taxes and costs to be paid by him as a condition of his redemption. If any person liable for taxes, not having property in the county where such taxes are due, shall have property in any other county or shall remove from his county after the day of listing; or carry his property therewith, the collecting officer shall return the fact to the board of commissioners of the county who shall, through their clerk, make an abstract of the same under their corporate seal, which abstract shall have the force of a tax list regularly endorsed for collection in any county of the state. The collecting officer shall forward the same to the proper collecting officer of the county where the person or property may be, who shall collect the amount due thereon with ten per cent. added, which percentage he may retain to his own use, the residue to be forwarded immediately to the officer from whom he received it, to be accounted for as other public taxes. It shall be the duty of the officer to whom such abstract shall be forwarded to make return of his action on the same within thirty days, and said abstract or a duly certified copy may be sent for collection to the same or any other county until the amount due shall be collected.

4th. It is expressly declared that the lands of a minor, lunatic, or person non compos mentis, shall in no case be liable to be sold for taxes; but should any guardian of the estate of such person, not pay the taxes on the property of such person when due, the tax list in the hands of the sheriff, charging him as guardian, shall be an execution to be satisfied out of his individual property, or out of the personal property of such ward.

Sec. 29. Who is to be purchaser and what he shall pay: The highest bidder shall be the purchaser; he shall immediately pay to the sheriff the amount of taxes and costs due by the delinquent; the sheriff shall give him a receipt stating the sum paid and upon what amount, and describing the property, and shall cause the same to be recorded by the register of deeds.
Sec. 30.

If no one will bid for any piece of real property, the amount of the taxes assessed thereon and the charges of sale, the sheriff shall bid off the property for the state, and upon proving the fact and tendering to the auditor of the state a deed to the state for the property, duly registered in the county in which it lies, shall have credit for the amount of such tax and charges. The deed shall be deposited without delay by the auditor with the secretary of state. The property so purchased by the state shall be under the control of the board of education, but may be redeemed as hereinafter prescribed.

Sec. 31. The delinquent may redeem the property within twelve months.

The delinquent may retain the possession of the property for twelve months after the sale, and within that time may redeem it by paying or tendering to the purchaser the amount paid by him, and twenty-five per cent. in addition thereto. If the purchaser shall accept the sum so tendered, he shall give a receipt therefor. If he shall refuse, the delinquent may pay the same to the clerk of the superior court for the use of the purchaser, and the clerk shall give a receipt therefor. Such payment shall be equivalent to payment to the purchaser. The delinquent may cause the receipt of the purchaser or of the clerk to be registered, and the register of deeds shall refer to such registration on the margin of his registration of the receipts from the sheriff to the purchaser. After the payment to the purchaser or to the clerk for his use as aforesaid, his right under the purchaser shall cease. No sale of property by the purchaser or by the delinquent within twelve months shall convey to their respective vendees any other rights or estates than the parties themselves possess.

Sec. 32. If the delinquent shall fail to redeem:

If the delinquent shall fail to redeem as prescribed in the preceding section, the purchaser may, within eighteen
months after the purchase, pay to the sheriff the residue of
the sum bid by him, together with the interest thereon, at
the rate of one per centum per month, from the expiration
of the twelve months next succeeding the sale to the day of
payment, and demand a deed. The sheriff shall receive the
money for the use of the delinquent and make the deed.
The sheriff shall be entitled to retain from the money so
paid for his trouble in the premises, two dollars, and the
residue he shall pay to the delinquent on demand. The
deed from the sheriff to the purchaser shall be registered
within six months, and when so registered shall convey to
the guarantee therein all the estate in the premises which
the delinquent had at the time of the sale for taxes.

Sec. 33.

In case the state becomes the purchaser under section
thirty, then within twelve months after the sale the delin-
quent may pay to the county treasurer the county taxes due
with twenty-five per cent. added thereto, and to the public
treasurer the state tax due and twenty-five per cent. added
thereto, together with the costs allowed the sheriffs in the set-
tlement under subdivision three, section thirty-six, of this act,
and upon presentation of the several receipts of those officers
respectively to the secretary of state, that officer shall endorse
upon the deed conveying the property to the state, these
words, "Taxes and costs paid, delinquent restored to his
rights," and sign the said endorsement, annexing the seal
of his office thereto, and charging thirty-five cents therefor,
and shall deliver the deed to delinquent or his agent. And
upon presentation of said endorsement to the register of the
county where the land lies, he shall enter the same on the
margin of that page of the county records on which is
registered the deed made to the state by the sheriff, charging
fifteen cents therefor; and such endorsement, delivery, and
registration shall have the effect of re-investing the delin-
quent with all his rights in the premises. That the time
for redemption of any property heretofore bought by the
state is hereby extended until the 30th day of November, eighteen hundred and seventy-two. That wherever the word delinquent is used in this act, it shall be taken to mean delinquent, or his heirs or assigns.

And the clerk shall, by the first Monday in October send a duplicate of said statement and affidavit to the auditor of the state, register the name on a book kept in his office for that purpose, and keep a copy of the same in a conspicuous place in the court house until the first of January next ensuing.

SEC. 35.

The sheriffs or other accounting officers shall on or before the first Monday in December in each year, settle their state tax, account with the auditor and pay the amount for which he is liable to the treasurer of the state. The auditor shall forthwith report to the state treasurer the amount due from each accountant, setting forth therein the net amount due to each fund, and the treasurer shall open an account against such officer and debit him accordingly. The sheriff, tax collector and other accounting officer, in making his settlement as aforesaid, shall render to the auditor a duplicate of the list required in section thirty-four of this
act. In such settlement the sheriff or other officer shall be charged with the amount of public tax as the same appears by the abstract of taxables transmitted to the auditor, also with all double tax and taxes on unlisted property by him received, and with all other tax which he may have collected or for which he is chargeable. The auditor shall give to each sheriff or tax collector a certified statement embracing the subjects of taxation contained in both lists, and the amount of tax on each subject, which the sheriff or tax collector shall deposit with the clerk of the commissioners of his county for public inspection.

Sec. 36.

The auditor, in making the settlement with the sheriff or tax collector as aforesaid, shall deduct from the lists returned:

1. The amount of taxes charged against any person whom the clerk of the commissioners shall certify to have appealed from a decision of the commissioners respecting his liability and to have given the bond required; Provided, That the clerk of the court to which the appeal was taken shall certify that it is pending and undecided. The sum so unliquidated shall be carried forward by the auditor as a charge against the sheriff or tax collector on his next year's account, from year to year, until the decision of the appeal, after which they shall be collected and paid or balanced if the final decision be in favor of the appellant.

2. All poll tax and taxes on personal property certified by the clerk of the commissioners of the county, by order of the commissioners, to be insolvent and uncollectable.

3. The amount of state tax on land bid off by the state, with the cost attendant on the whole on producing the certificate of the secretary of state, as is provided for in section thirty of this act. The cost allowed shall be for making the deed, fifty cents; for registering, twenty-five cents; and such other sums as were actually paid out by the sheriff.

4. All over payments made in former settlements by reason of any error in the clerk's abstracts of taxables.

5. Five per cent. commission on the amount collected.
Sec. 37.

For his settlement with the state treasurer, the sheriff or tax collector shall be paid three dollars for each day he may be necessarily engaged therein at the city of Raleigh, and traveling expenses to and from said city, at the rate of ten cents per mile by the usual route of travel, said compensation and expenses to be paid on the warrant of the auditor.

Sec. 38.

In every case of failure by the sheriff or other accounting officer to settle his accounts within the time prescribed in this act for such settlement and to take the oath required on his settlement, and pay the amount due the treasurer and exhibit his receipt in full to the auditor, the auditor shall forthwith report to the treasurer the account of such sheriff or officer, and furnish him with a copy of the official bond of said officer and his sureties, deducting therefrom nothing for commissions or insolvents, but adding thereto one thousand dollars and ten per cent. of the amount of taxes with which said sheriff is charged for the amount of taxes supposed not to appear in the list transmitted by the clerk, and if the whole amount be not paid, the treasurer, on motion of the solicitor of the sixth judicial district, in the superior court of Wake county, before the clerk thereof, within ten days after the default shall have occurred, shall recover judgment against him and his sureties, without other notice than is given by the delinquency of the officer. And to the end that their obligations and names may be known, the clerk of the superior court shall, on or before the second Monday in September in each year, transmit to the auditor a copy, certified under seal of the court, of the bond of the sheriff and his sureties, upon pain, for his default, of forfeiting to the state one thousand dollars, which the treasurer shall and is hereby specially charged to collect in like manner and at such times as is provided in this section. If the sheriff or other accounting officer shall fraudulently and corruptly fail to account as aforesaid, or shall fraudulently make any deed to the state under section thirty of
this act, he shall be deemed guilty of a misdemeanor, and upon conviction thereof in any court of competent jurisdiction, shall be sentenced to pay a fine in the discretion of the court and be imprisoned not less than three nor more than twelve months.

Sec. 39. Sheriffs to pay county taxes, when:

The sheriff or the tax collector shall pay the county taxes to the county treasurer, or other lawful officer. He shall at no time retain in hands over three hundred dollars for a longer time than ten days, under a penalty of ten per centum per month to the county upon all sums so unlawfully retained. On or before the eighth day of January in each year, the sheriff shall account with the county treasurer or other lawful officer, for all taxes which have been collected by him for the county during the fiscal year, and on failure so to do, he shall pay to the county treasurer two per cent. per month on all sums unpaid, and this shall be continued until final settlement. He shall be charged with the sums appearing by the tax lists as due for the county taxes and shall be allowed to deduct therefrom, in like manner as is prescribed in sub-divisions one, two, four and five of section thirty-six of this act, respecting his settlement of state taxes, and also the amount of county tax on land laid off for the state on producing a certificate from the secretary of state that a deed for the same has been deposited with him.

Sec. 40. County commissioners to appoint a committee to assist in settlements:

The county commissioners, at the last regular or other subsequent meeting in each year, shall appoint one or more of their number to be present and assist at the accounting and settlements between the sheriff and county treasurer provided for in the next preceding section, and also to audit and settle the accounts, of the county treasurer, and of all other county officers authorized to receive or disburse the county funds. In case the sheriff of a county shall fail, neglect or refuse to account with the county treasurer and assistant committee as above required, or to pay what may be rightfully found due in such account, he shall forfeit and pay to the state for the use of the county a penalty of twenty-five hundred dollars; it shall be the duty of the county treasurer, and if he neglect or refuse to perform it, of the chairman of the county commissioners to cause an action to be brought in the superior court of the county, on the bond of the sheriff against him and his sureties, to recover the amount owing by him and the penalty aforesaid; if the sheriff shall fraudulently and corruptly fail to account as aforesaid, he shall be criminally liable thereupon in like manner and with the same penalties imposed for such criminal defalcation in section thirty-eight.

\textbf{Sec. 42. Other county officers, when to account, and penalty for failure:}

In each year the county treasurer shall give five days notice to all county officers (except the sheriff,) authorized to receive and disburse the county funds, to appear at the court house of the county, on a certain day during the first ten days of January, before him and the committee appointed by the county commissioners, and present an account of all sums received or disbursed for the county, with their vouchers, and any officer failing to attend and account shall be deemed guilty of a misdemeanor. The accounts when audited shall be reported to the county commissioners at their next meeting, and if approved by them, shall be filed with the clerk and recorded in their proceedings, together with their approval, and shall be deemed \textit{prima facie} correct.

CHAPTER CXXXVIII.

AN ACT TO AUTHORIZE THE FORMATION OF RAILROAD COMPANIES AND TO REGULATE THE SAME.

Section 1. The General Assembly of North Carolina do enact as follows, Any number of persons, not less than twenty-five, may form a company for the purpose of constructing, maintaining and operating a railroad for public use in the conveyance of persons and property, or for the purpose of maintaining and operating any unincorporated railroad already constructed for the like public use; and for that purpose may make and sign articles of association, in which shall be stated the name of the company, the number of years the same is to continue, the places from and to which the road is constructed or maintained and operated, the length of such road as near as may be, and the name of each county in this state through or into which it is made or intended to be made, the amount of the capital stock of the company, which shall not be less than five thousand dollars for every mile of road constructed or proposed to be constructed, and the number of shares of which said capital stock shall consist, and the names and places of residence of six directors of the company, who shall manage its affairs for the first year, and until others are chosen in their places. Each subscriber to such articles of association shall subscribe thereto his name, place of residence, and the number of shares of stock he agrees to take in said company. On compliance with the provisions of the next section, such articles of association may be filed in the office of the secretary of state, who shall indorse thereon the day they are filed, and record the same in a book to be provided by him for that purpose; and thereupon the persons who have so subscribed such articles of association, and all persons who shall become stockholders in such company, shall be a corporation by the name specified in such articles of association, and shall possess the powers and privileges granted to corporations by this act.
Sec. 2. Such articles of association shall not be filed and recorded in the office of the secretary of state until at least one thousand dollars of stock for every mile of railroad proposed to be made is subscribed thereto, and five per cent. paid thereon in good faith, and in cash, to the directors named in said articles of association; nor until there is indorsed thereon or annexed thereto an affidavit made by at least three of the directors named in said articles, that the amount of stock required by this section has been in good faith subscribed and five per cent. paid thereon as aforesaid, and that it is intended in good faith to construct or to maintain and operate the road mentioned in such articles of association, which affidavit shall be recorded with the articles of association, as aforesaid.

Sec. 3. A copy of any articles of association filed and recorded in pursuance with this act or of the record thereof with a copy of the affidavit aforesaid indorsed thereon or annexed thereto, and certified to be a copy by the secretary of this state or his deputy, shall be presumptive evidence of the incorporation of such company, and of the facts therein stated.

Sec. 4. When such articles of association and affidavit are filed and recorded in the office of the secretary of state, the directors named in said articles of association may, in case the whole of the capital stock is not before subscribed, open books of subscription to fill up the capital stock of the company in such places and after giving such notice as they may deem expedient, and may continue to receive subscriptions until the whole of the capital stock is subscribed; the time of subscribing, every subscriber shall pay to the directors five per cent. on the amount subscribed by him in money, and no subscription shall be received or taken without such payment.

Sec. 5. There shall be a board of six directors and a president of every corporation formed under this act to manage its affairs; and said directors and president shall be chosen annually by a majority of the votes of the stockholders voting at such election, in such manner as may be prescribed.
in the by-laws of the corporation, and they may and shall continue in office until others are elected in their places. In the election of directors and president each stockholder shall be entitled to one vote personally or by proxy on every share held by him thirty days previous to any such election; and vacancies in the board of directors and president shall be filled in such manner as shall be prescribed by the by-laws of the corporation. The inspectors of the first election of directors shall be appointed by the board of directors named in the articles of association. No person shall be a director or president unless he shall be a stockholder owning stock absolutely in his own right and qualified to vote for directors at the election at which he shall be chosen; and at every election of directors the books and papers of such company shall be exhibited to the meeting if a majority of the stockholders present shall require it. And whenever the purchaser or purchasers of the real estate, track and fixtures of any railroad corporation which has heretofore been sold or may be hereafter sold by virtue of any mortgage executed by such corporation or execution issued upon any judgment or decree of any court shall acquire title to the same in the manner prescribed by law, such purchaser or purchasers may associate with him and them any number of persons, and make and acknowledge and file articles of association as prescribed in this act; such purchaser or purchasers and their associates shall thereupon be a corporation with all the powers, privileges and franchises, and be subject to all the provisions of said act.

**Sec. 6.** The president and directors shall appoint a treasurer and secretary and such other officers and agents as shall be prescribed by the by-laws.

**Sec. 7.** The directors may require the subscribers to the capital stock of the company to pay the amount by them respectively subscribed in such manner and in such instalments as they may deem proper. If any stockholder shall neglect to pay any installment as required by a resolution of the board of directors, the said board shall be authorized to declare his stock and all previous payments thereon forfeited.
for the use of the company, but they shall not declare it so forfeited until they shall have caused a notice in writing to be served on him personally, or by depositing the same in the postoffice, properly directed to him at the postoffice nearest his usual place of residence, stating that he is required to make such payment at the time and place specified in said notice, and that if he fails to make the same, his stock and all previous payments thereon will be forfeited for the use of the company, which notice shall be served as aforesaid at least sixty days previous to the day on which payment is required to be made.

Sec. 8. The stock of every company formed under this act shall be deemed personal estate and shall be transferable in the manner prescribed by the by-laws of the company.

Sec. 9. In case the capital stock of any company formed under this act is found to be insufficient for constructing and operating its road, such company may with the concurrence of two-thirds in amount of all its stockholders, increase its capital stock from time to time to any amount required for the purposes aforesaid. Such increase must be sanctioned by a vote in person or by proxy of two-thirds in amount of all the stockholders of the company, at a meeting of such stockholders called by the directors of the company for that purpose, by a notice in writing to each stockholder, to be served on him personally or by depositing the same, properly folded and directed to him, at the postoffice nearest his usual place of residence, in the postoffice at least twenty days prior to such meeting. Such notice must state the time and place of the meeting and its object and the amount to which it is proposed to increase the capital stock. The proceedings of such meeting must be entered on the minutes of the proceedings of the company, and thereupon the capital stock of the company may be increased to the amount sanctioned by a vote of two-thirds in amount of all the stockholders of the company as aforesaid.

Sec. 10. Each stockholder of any company formed under this act shall be individually liable to the creditors of such company, to an amount equal to the amount unpaid on the
stock held by him, for all the debts and liabilities of such company until the whole amount of the capital stock so held by him shall have been paid to the company, and all the stockholders of any such company shall be jointly and severally liable for the debts due or owing to any of its laborers and servants, other than contractors, for personal services for thirty days' service performed for such company, but shall not be liable to an action therefor before an execution shall be returned unsatisfied in whole or in part against the corporation, and the amount due on such executions shall be the amount recoverable with costs against such stockholders; before such laborer or servant shall charge such stockholder for such thirty day's services he shall give him notice in writing within twenty days after the performance of such service that he intends so to hold him liable and shall commence such action therefor within thirty days after the return of such execution unsatisfied as above mentioned; and every such stockholder, against whom any such recovery by such laborer or servant shall have been had, shall have a right to recover the same of the other stockholders in said corporation in ratable proportion to the amount of the stock they shall respectively hold with him.

Sec. 11. No person holding stock in any such company as executor, administrator, guardian or trustee, and no person holding such stock as collateral security, shall be personally subject to any liability as stockholders of such company; but the person pledging such stock shall be considered as holding the same, and shall be liable as a stockholder accordingly; and the estates and funds in the hands of such executor, administrator, guardian or trustee, shall be liable in like manner and to the same extent as the testator or intestate or the ward or person interested in such trust fund would have been if he had been living and competent to act and hold the same stock in his own name.

Sec. 12. As often as any contractor for the construction of any part of a railroad which is in progress of construction shall be indebted to any laborer for thirty or any less number of days' labor performed in constructing said road, such
laborer may give notice of such indebtedness to said company in the manner herein provided, and said company shall thereupon become liable to pay such laborer the amount so due him for such labor, and an action may be maintained against said company therefor. Such notice shall be given by said laborer to said company within twenty days after the performance of the number of days' labor for which the claim is made. Such notice shall be in writing, and shall state the amount and number of days' labor, and the time when the same was performed, for which the claim is made, and the name of the contractor from whom due, and shall be signed by such laborer, or his attorney, and shall be served on an engineer, agent or superintendent employed by said company having charge of the section of the road on which such labor was performed, personally, or by leaving the same at the office or usual place of business of such engineer, agent or superintendent, with some person of suitable age. But no action shall be maintained against any company under the provisions of this section, unless the same is commenced within thirty days after notice is given to the company by such laborer as above provided.

Sec. 13. In case any company formed under this act is unable to agree for the purchase of any real estate required for the purposes of its incorporation, it shall have the right to acquire title to the same in the manner and by the special proceedings prescribed in this act.

Sec. 14. For the purpose of acquiring such title the said company may present a petition praying for the appointment of commissioners of appraisal to the superior court held in the county in which the real estate described in the petition is situated. Such petition shall be signed and verified according to the rules and practice of such court. It must contain a description of the real estate which the company seeks to acquire; and it must, in effect, state that the company is duly incorporated, and that it is the intention of the company in good faith to construct and finish a railroad from and to the places named for that purpose in its articles of association; that the whole capital stock of the company
has been in good faith subscribed, as required by this act; that the company has surveyed the line or route of its proposed road, and made a map or survey thereof, by which such route or line is designated, and that they have located their said road according to such survey, and filed such certificates of such location, signed by a majority of the directors of the company, in the clerk's office of the several counties through or into which the said road is to be constructed; that the land described in the petition is required for the purpose of constructing or operating the proposed road; and that the company has not been able to acquire title thereto, and the reason of such inability. The petition must also state the names and places of residence of the parties, so far as the same can by reasonable diligence be ascertained, who own or have, or claim to own or have, estates or interests in the said real estate; and if any such persons are infants, their ages, or as near as may be, must be stated; and if any such persons are idiots or persons of unsound mind or are unknown, that fact must be stated, together with such other allegations and statements of liens or incumbrances in said real estate as the company may see fit to make. A copy of such petition, with a notice of the time and place the same will be presented to the superior court, must be served on all persons whose interests are to be affected by the proceedings at least ten days prior to the presentation of the same to the said court.

1. If the person on whom such service is to be made resides in this state, and is not an infant, idiot or person of unsound mind, service of a copy of such petition and notice must be made on him or his agent or attorney, authorized to contract for the sale of the real estate described in the petition, personally or by leaving the same at the usual place of residence of the person on whom service must be made as aforesaid, with some person of suitable age.

2. If the person on whom such service is to be made resides out of the state, and has an agent residing in this state, authorized to contract for the sale of the real estate described in the petition, such service may be made on such
agent, or on such person personally, out of the state, or it
may be made by publishing the notice, stating briefly the
object of the application, and giving a description of the
land to be taken, in the state paper and in a paper printed
in the county in which the land to be taken is situated, once
in each week for one month next previous to the presenta-
tion of the petition. And if the residence of such person
residing out of this state, but in any of the United States or
any of the British colonies in North America is known, or
may be ascertained, the company must, in addition to such publication as aforesaid, deposit a
notice of the petition and notice in the postoffice, properly
folded and directed to such person at the postoffice nearest
to his place of residence, at least thirty days before present-
ing such petition to the court, and pay the postage chargeable
thereon in the United States.

reason of diligence be ascertained, then such service may
be made under the direction of the court, by publishing a
notice, stating the time and place the petition will be
presented, the object thereof, with a description of the land
to be affected by the proceedings, in the state paper and in a
paper printed in the county where the land is situated, once
in each week for one month previous to the presentation of such petition.

6. In case any party to be affected by the proceedings is an infant, idiot, or of unsound mind, and has no general guardian or committee, the court shall appoint a special guardian or committee to attend to the interests of such person in the proceedings, but if a general guardian or committee has been appointed for such person in this state, it shall be the duty of such general guardian or committee to attend to the interests of such infant, idiot, or person of unsound mind, and the court may require such security to be given by such general or special guardian or committee as it may deem necessary to protect the rights of such infant, idiot, or person of unsound mind, and all notices required to be served in the progress of the proceedings may be served on such general or special guardian or committee.

7. In all cases not herein otherwise provided for service of orders, notices, and other papers in the special proceedings authorized by this act, may be made as the superior court shall direct.

Sec. 15. On presenting such petition to the superior court as aforesaid, with proof of service of a copy thereof and notice as aforesaid, all or any of the persons whose estates or interests are to be affected by the proceedings may show cause against granting the prayer of the petition and may disprove any of the facts alleged in it. The court shall hear the proofs and allegations of the parties and if no sufficient cause is shown against granting the prayer of the petition it shall make an order for the appointment of three disinterested and competent freeholders who reside in the county or some adjoining county where the premises to be appraised, the compensation to be made to the owners or persons interested in the real estate proposed to be taken in such county for the purposes of the company, and to fix the time and place for the first meeting of the commissioners.

Sec. 16. The commissioners shall take and subscribe the usual oath taken by commissioners of award. Any one of them may issue subpoenas, administer oaths to witnesses, and
any three of them may adjourn the proceedings before them from time to time, in their discretion. Whenever they meet, except by the appointment of the court or pursuant to adjournment, they shall cause reasonable notice of such meeting to be given to the parties who are to be affected by their proceedings, or their attorney or agent. They shall view the premises described in the petition, and hear the proofs and allegations of the parties, and reduce the testimony, if any is taken by them, to writing; and after the testimony is closed in each case, and without any unnecessary delay, and before proceeding to the examination of any other claim, a majority of them all being present and acting, shall ascertain and determine the compensation which ought justly to be made by the company to the party or parties owning or interested in the real estate appraised by them; and in determining the amount of such compensation they shall not make an allowance or deduction on account of any real or supposed benefits which the parties in interest may derive from the construction of the proposed railroad. They or a majority of them shall also determine and certify what sum ought to be paid to a general or special guardian or committee of an infant, idiot, or person of unsound mind, or to an attorney appointed by the court to attend to the interest of any unknown owner the continuance of its corporate existence by virtue of this or any other act; and all persons who have been made parties to the proceedings shall be divested and barred of all right, estate and interest in such real estate during the corporate existence of the company as aforesaid. All real estate acquired by any company under and pursuant to the provisions of this act for the purpose of its incorporation, shall be deemed to be acquired for public use. Within twenty days after the confirmation of the report of the commissioners, as provided for in the seventeenth section of this act, either party may except, having first given notice in writing to the other, to the superior court to the appraisal and report of the commissioners. Such exceptions shall be heard by the superior court at any general or special term thereof, on such notice
thereof being given according to the rules and practice of said court. On the hearing of such exceptions the court may direct a new appraisal before the same or new commissioners in its discretion; the second report shall be final and conclusive on all the parties interested. If the amount of the compensation to be made by the company is increased by the second report, the difference shall be a lien on the land appraised, and shall be paid by the company to the parties entitled to the same, or shall be deposited in the bank, as the court shall direct; and if the amount is diminished the difference shall be refunded to the company by the party to whom the same may have been paid, and judgment therefor may be rendered by the court on the filing of the second report against the party liable to pay the same. Such appeal shall not affect the possession by such company of the land appraised or party in interest not personally served with notice of the proceedings, and who has not appeared for costs, expenses and counsel fees. They shall make a report to the superior court, signed by them or a majority of them, of the proceedings before them, with the minutes of the testimony taken by them, if any. Said commissioners shall be entitled to three dollars for their expenses and services for each day they are engaged in the performance of their duties, to be paid by the company.

Sec. 17. On such report being made by said commissioners, the company shall give notice to the parties or their attorneys to be affected by the proceedings, according to the rules and practice of said court, at a general or special term thereof, for the confirmation of such report, and the court shall thereupon confirm such report, and shall make an order containing a recital of the substance of the proceedings in the matter of the appraisal, and a description of the real estate appraised for which compensation is to be made: and shall also direct to whom the money is to be paid, or in what bank, and in what manner it shall be deposited by the company.

of the county in which the land described in it is situated; and thereupon, and on the payment or deposit by the company of the sums to be paid as compensation for the land, and for costs, expenses and counsel fees as aforesaid, and as directed by said order, the company shall be entitled to enter upon, to take possession of, and use the said land for the purposes of its incorporation during and when the same is made by others than the company, it shall not be heard except on a stipulation of the party appealing not to disturb such possession.

Sec. 19. If there are adverse and conflicting claimants to the money, or any part of it, to be paid as compensation for the real estate taken, the court may direct the money to be paid into the said court by the company and may determine who is entitled to the same and direct to whom the same shall be paid, and may in its discretion order a reference to ascertain the facts on which such determination and order are to be made.

Sec. 20. The court shall appoint some competent attorney to appear for and protect the rights of any party in interest who is unknown or whose residence is unknown, and who has not appeared in the proceedings by an attorney or agent. The court shall also have power at any time to amend any defect or informality in any of the special proceedings authorized by this act as may be necessary, or to cause new parties to be added and to direct such further notices to be given to any party in interest as it deems proper; and also to appoint other commissioners in place of any who shall die or refuse or neglect to serve or be incapable of serving.

Sec. 21. In all cases of appraisal under this act where the mode or manner of conducting all or any of the proceedings to the appraisal and the proceedings consequent thereon are not expressly provided for by the statute the courts before whom such proceedings may be pending shall have the power to make all the necessary orders and give the proper directions to carry into effect the object and intent of this act; and the practice in such cases Court must adjudge the rights of conflicting claimants.

Attorney appointed by Court to protect the rights of parties unknown or non-residents.

shall conform as near as may be to the ordinary practice in such courts.

Sec. 22. When any proceedings of appraisal shall have been commenced, no change of ownership by voluntary conveyance or transfer of the real estate or any interest therein or of the subject matter of the appraisal, shall in any manner affect such proceedings, but the same may be carried on and perfected as if no such conveyance or transfer had been made or attempted to be made.

Sec. 23. If at any time after an attempt to acquire title by appraisal of damages or otherwise it shall be found that the title thereby attempted to be acquired is defective, the company may proceed anew to acquire or perfect such title in the same manner as if no appraisal had been made, and at any stage of such new proceedings the court may authorize the corporation, if in possession, to continue in possession, and if not in possession, to take possession and use such real estate during the pendency and until the final conclusion of such new proceedings, and may stay all actions or proceedings against the company on account thereof, on such company paying into court a sufficient sum or giving security as the court may direct to pay the compensation therefor when finally ascertained, and in every such case the party interested in such real estate may conduct the proceedings to a conclusion if the company delays or omits to prosecute the same.

Sec. 24. Every company formed under this act, before constructing any part of their road into or through any county named in their articles of association, shall make a map and profile of the route intended to be adopted by such company in such county, which shall be certified by the president and engineer of the company or a majority of the directors and filed in the office of the clerk of each county through which the road is to be made. The company shall give written notice to all actual occupants of the land over which the route of the road is so designated and which has not been purchased by or given to the company of the route so designated. Any party feeling aggrieved by the proposed location may, within fifteen days after receiving notice as
parties and authorities the after appointment, and a if purposes of be made a is be made a is appointed, apply to the superior court by petition duly verified, setting forth his objections to the route designated, and the said court may if it considers sufficient cause therefor to exist, appoint three disinterested persons, one of whom must be a practical engineer, commissioners to examine the proposed route, and after hearing the parties, to affirm or alter the same as may be consistent with the just rights of all parties and the public, but no alteration of the route shall be made except by the concurrence of the commissioner who is a practical civil engineer. The determination of the commissioners shall within thirty days after their appointment be made and certified by them and the certificate filed in the office of the county clerk. Said commissioners shall each be entitled to three dollars per day for their expenses and services, to be paid by the person who applied for their appointment, and if the proposed route of the road is altered or changed by the commissioners the company shall refund to the applicant the amount so paid.

Sec. 25. The directors of every company formed under this act may by a vote of two-thirds of their whole number at any time alter or change the route or any part of the route of their road if it shall appear to them that the line can be improved thereby; and they shall make and file in the clerk's office of the proper county a survey, map and certificate of such alteration or change; and shall have the same right and power to acquire title to any lands required for the purposes of the company in such altered or changed route, as if the road had been located there in the first instance; and no such alteration shall be made in any city or village after the road shall have been constructed, unless the same is sanctioned by a vote of two-thirds of the corporate authorities of said city or trustees of said village; and in case of any alteration made in the route of any railroad after the company has commenced grading, compensation shall be made to all persons for injury so done to any lands that may have been donated to the company. All the provision of this act relative to the first location and to acquiring title to
land shall apply to every such new or altered portion of
the route.

Sec. 26. Whenever the track of a railroad constructed by
a company formed under this act shall cross a railroad, a
highway, turnpike or plankroad, such highway, turnpike or
plankroad may be carried under or over the track as may
be found most expedient; and in cases where an embank-
ment or cutting shall make a change in the line of such
highway, turnpike or plankroad desirable, with a view to a
more easy ascent or descent the said company may take such
additional lands for the construction of such road, highway,
turnpike or plankroad on such new line as may be deemed
requisite by the directors. Unless the lands so taken shall
be purchased for the purposes aforesaid compensation there-
for shall be ascertained in the manner prescribed in this act
for acquiring title to real estate, and duly made by said
corporation to the owners and persons interested in such
lands. The same when so taken shall become part of such
intersecting highway, turnpike or plankroad in such manner
and by such tenure as the adjacent parts of the same high-
way, turnpike or plankroad may be held for highway
purposes.

Sec. 27. The secretary of state shall have power to grant
to any railroad company, formed under this act, any land
belonging to the people of this state which may be required
for the purposes of their road, on such terms as may be agreed
on by them, or such company may acquire title thereto
by appraisal, as in the case of lands owned by individuals;
and if any land belonging to a county or town is required
by any company for the purposes of the road, the county
or town officers having the charge of such land may grant
such land to such company for such compensation as may

sale shall be made until the expiration of four weeks from
the first publication of notice of such sale in a state paper
and also in a newspaper published at or nearest the place at

The rights of any stockholder not so surrendering or transferring his stock...
shall not in any way be affected thereby, nor shall existing liabilities or the rights of creditors of the corporation where stock shall have been so surrendered or transferred be in any way affected or impaired by this act.

Sec. 58. It shall and may be lawful for any railroad company or other corporation, organized under the laws of this state, or of this state and any other state, and operating a railroad or bridge either wholly within, or partly within and partly without this state, to merge and consolidate its capital stock, franchises and property with the capital stock, franchises and property of any other railroad company or companies organized under the laws of this state, or under the laws of this state and any other state, or under the laws of any other state or states, whenever the two or more railroads of the companies or corporation so to be consolidated shall or may form a continuous line of railroad with each other or by means of any intervening railroad, bridge or ferry.

Suits may be brought and maintained against such new corporation in
the courts of this state for all causes of action in the same manner as against other railroad corporations therein.

Sec. 64. Nothing in this act contained shall be so construed as to allow such consolidated company to charge a higher rate of fare per passenger per mile upon any part of or portion of such consolidated line than is now allowed by law to be charged by each existing company respectively, nor shall this act apply to street railroads.

Sec. 65. No companies or corporations of this state whose railroads run on parallel or competing lines shall be authorized by this act to merge or consolidate.

CHAPTER CXLVII.

AN ACT TO PROVIDE IN CERTAIN CASES AN ALLOWANCE FOR IMPROVEMENTS.

Section 1. The General Assembly of North Carolina do enact as follows, Any defendant against whom a judgment shall be rendered for land, may at any time before the execution of such judgment, present a petition to the court rendering the same, stating that he or those under whom he claims while holding the premises under a title believed by him or them to be good have made permanent improvements thereon, and praying that he may be allowed for the same over and above the value of the use and occupation of such land; and thereupon the court may, if satisfied
of the probable truth of the allegation, suspend the execution of such judgment and impanel a jury to assess the damages of the plaintiff and the allowance to the defendant for such improvements.

**Sec. 2.** The jury in assessing such damages shall estimate against the defendant the clear annual value of the premises during the time he was in possession thereof (exclusive of the use by the tenant of the improvements thereon made by himself or those under whom he claims,) and also the damages for waste or other injury to the premises committed by the defendant.

**Sec. 3.** The defendant shall not be liable for such annual value for any longer time than three years before the suit, or for damages for any such waste or other injury done before said three years, unless when he claims for improvements as aforesaid.

**Sec. 4.** If the jury shall be satisfied that the defendant or those under whom he claims, made on the premises, at a time when there was reason to believe the title good under which he or they were holding the said premises, permanent and valuable improvements, they shall estimate in his favor the value of such improvements as were so made before notice in writing of the title under which the plaintiff claims, not exceeding the amount actually expended in making them and not exceeding the amount to which the value of the premises is actually increased thereby at the time of the assessment.

**Sec. 5.** If the sum estimated for the improvements exceed the damages estimated by the jury against the defendant as aforesaid, they shall then estimate against him for any time before the said three years, the rents and profits accrued against or damages for waste or other injury done by him or those under whom he claims, so far as may be necessary to balance his claim for improvements, but in such case he shall not be liable for the excess, if any, of such rents and profits or damages beyond the value of the improvements.

**Sec. 6.** After offsetting the damages assessed for the plaintiff, and the allowances to the defendant for the im-
improvements, if any, the jury shall find a verdict for the balance for the plaintiff or defendant, as the case may be, and judgment shall be entered therefor according to the verdict.

Sec. 7. Any such balance due to the defendant shall constitute a lien upon the land recovered by the plaintiff until the same shall be paid.

Sec. 8. If the plaintiff claim only estate for life in the land recovered and pay any sum allowed to the defendant for improvements, he or his personal representative, may recover at the determination of his estate from the remainder man or reversioner, the value of the said improvements as they then exist, not exceeding the amount as paid by him, and shall have a lien therefor on the premises in like manner as if they had been mortgaged for the payment thereof, and may keep possession of said premises until it be paid.

Sec. 9. Nothing herein shall extend or apply to any suit brought by a mortgagee or his heirs or assigns against a mortgagor or his heirs or assigns for the recovery of the mortgaged premises.

Sec. 10. When the defendant shall claim allowance for improvements the plaintiff may by entry on the record require that the value of his estate in the premises without the improvements shall also be ascertained.

Sec. 11. The value of the premises in such case shall be estimated as it would have been at the time of the enquiry, if no such improvements had been made on the premises by the tenant or any person under whom he claims, and shall be ascertained in the manner hereinbefore provided for estimating the value of improvements.

Sec. 12. The plaintiff in such case, if judgment is rendered for him may, at any time during the same term, or before judgment is rendered on the assessment of the value of the improvements, in person or by his attorney in the cause, enter on the record his election to relinquish his estate in the premises to the defendant at the value as ascertained, and the defendant shall thenceforth hold all the estate that the plaintiff had therein at the commencement.
of the suit: *Provided,* he pay therefor the said value with interest in the manner in which the court may order it to be paid.

Sec. 13. The payments shall be made to the plaintiff, or into court for his use, and the land shall be bound therefor, and if the defendant fail to make the said payments within or at the times limited therefor respectively, the court may order the land to be sold and the proceeds applied to the payment of said value and interest, and the surplus, if any, to be paid to the defendant, but if the said net proceeds be insufficient to satisfy the said value and interest, the defendant shall not be bound for the deficiency.

Sec. 14. If the party by or for whom the land is claimed in the suit be a *feme covert,* minor, or insane, such value shall be deemed to be real estate, and be disposed of as the court may consider proper for the benefit of the persons interested therein.

Sec. 15. If the defendant or his heirs or assigns shall, after the premises are so relinquished to him be evicted thereof by force of any better title than that of the original plaintiff, the person so evicted may recover from such plaintiff or his representatives, the amount so paid for the premises, as so much money had and received by such plaintiff in his life time for the use of such person, with lawful interest thereon from the time of such payment.

Either party dissatisfied with the award may, within five days after its filing with the clerk, upon giving an appeal bond, covering costs and damages, in a sum to be fixed by the clerk, appeal to the superior court, and that court shall try the whole case de novo; but if the said award shall be disaffirmed, or if the said referees being unable to agree should report their disagreement, or for any other cause they should fail to report within the time above prescribed, the clerk of said court may supercede them, and others may be appointed in their stead, as in the first instance. After judgment has been obtained and execution has issued against said company for the amount of damages so assessed, and when said judgment shall be paid and discharged, the title of the land for which such damages have been assessed, shall be vested in said company in the same manner as if the proprietors had sold and conveyed it to them; and the said
clerk shall then order the report of the referees to be registered in his county, and the same shall be read in evidence in case of registered deeds for the conveyance of land.

Sec. 9. Sec. 10. That the president and directors of said company shall cause the works hereby required to be executed with diligence, and if they be not commenced within three years and completed within fifteen years after the passage of this act in so far as the said president and directors shall deem the same practicable, then this charter shall be forfeited.

just and that all due credits have been given.

Sec. 8. Representative to file list of demands made on
him:

On the day of his appearance the personal representative
shall on oath give to the clerk a list of all the claims against
the deceased of which he has received notice or has any
knowledge with the names and residences of the claimants
to the best of his knowledge and belief; and if any person
so named shall have failed to file evidence of his claim, the
clerk shall immediately cause a notice requiring him to do
so to be served on him, which may be done by posting the
same directed to him at his usual address.

Sec. 9. Clerk to exhibit list of demands and evidences to
representative:

On the day fixed for the appearance of the personal rep-
resentative the clerk shall exhibit to him a list of all the
claims filed in his office with the evidences thereof.

Sec. 10. Representative to admit or deny demands within
five days:

Within five days thereafter the defendant shall state in
writing on said list, or on a separate paper which of said
claims he disputes in whole or in part. The clerk shall then
notify the creditors, as above provided, that his claim is
disputed and the creditor shall thereupon file in the office
of the clerk a complaint founded on his said claim, and the
pleadings shall be as in other cases.

Sec. 11. What clerk to do when issues joined:

Duty of Clerk.

If the issues joined be of law, the clerk shall send the papers to the judge of the superior court for trial, as is provided in by the code of civil procedure in like cases. If the issues shall be of fact, the clerk shall send so much of the record as may be necessary to the next term of the superior court for trial.

Sec. 12. Who shall pay costs of issues:

If any personal representative shall deny the liability of his deceased upon any claim evidenced as is provided in section seven (7) of this act, and the issue shall finally be decided against him, the costs of the trial shall be paid by him personally, and not allowed out of the estate, unless it shall appear that he had reasonable cause to contest the claim and did so bona fide.

Sec. 13. Failure of representative to appear, what may be done:

If the personal representative shall fail to appear on the return day, the clerk or the judge of the superior court may permit him afterward to appear and plead on such terms as may be just.

Sec. 14. Clerk to proceed to state account:

Immediately after the return day the clerk shall proceed to hear such evidence as shall be brought before him, and to state an account of the dealings of the personal representative with the estate of his deceased according to the course of his court.

Sec. 15. Clerk to prepare and sign final report:

After the clerk shall have stated the account and prepared his report, he shall notify all the parties to examine and except to the same. Any party may then except to the
same in whole or in part. The clerk shall then pass on the exceptions and prepare and sign his final report and judgment, of which the parties shall have notice.

Sec. 16. *Times of notice, etc., may be enlarged by clerk or judge.*

If no length of notice, or no time for the doing of an act, is stated in this act, the time shall be reasonable, and in any case it may be enlarged by the clerk from time to time, or by the judge of the superior court, on application to him or on appeal to him from the clerk.

Sec. 17. *Of appeals to superior court, what required.*

Any party may appeal from a final judgment of the clerk to the judge of the superior court in term time, or giving an undertaking with surety, or making a deposit, to pay all costs which shall be recovered against him. Sec. 18. *Clerk to file papers on appeal.*

On an appeal the clerk shall file his report and judgment and all the papers in his office as clerk of the superior court, and enter the case on his trial docket for the next term.

Sec. 19. *Creditors in prior classes may docket their judgments.*

It the exceptions and questions from the decision on which the appeal is taken affect only the creditors in one or more classes, the creditors in the prior classes by the leave of the clerk, or of the judge of the superior court, may docket their judgments and issue execution thereon.

Sec. 20. *If assets sufficient to pay any class of debts.*

If upon taking the account it shall be admitted, or be found without appeal, that the defendant has assets suffi-
cient, after the deduction of all proper costs and charges, to pay all the claims which have been presented of any one or more of the classes, the clerk shall give judgment in favor of the creditors whose debts of such classes have been admitted, or adjudged by any competent court; and if any claim in any preferred classes in litigation, the amount of such claim with the probable costs of the litigation, shall be left in the hands of the personal representative, and not carried to the credit of any subsequent class until the litigation is ended.

Sec. 21. If assets insufficient to pay all claims in any class:

If the assets be insufficient to pay in full all the claims of any class, the amounts thereof having been found or admitted as aforesaid, the clerk may adjudge payment of a certain part of such claims, proportionate to the assets applicable to debts of that class.

Sec. 22. What judgments to declare:

All judgments given by a clerk of a superior court as probate judge against a personal representative for any claim against his deceased shall declare: 1, the certain amount of the creditor's demand; 2, the amount of assets which the personal representative has applicable to such demand; execution may issue only for this last sum with interest and costs.

Sec. 23. No judgments to fix assets, unless, &c:

No judgment of any court against a personal representative shall fix him with assets, except a judgment of the clerk as probate judge, rendered as aforesaid, or the judgment of some appellate court rendered upon an appeal from such judgment. All other judgments shall be held merely to ascertain the debt, unless the personal representative shall by pleading expressly admit assets.
SEC. 24. Form and effect of execution:

All executions issued upon the order or judgment of the clerk as probate judge, or of any appellate court, against any personal representative shall run against the goods and chattels of the deceased, and if none, then against the goods and chattels, lands and tenements of the representative. And all such judgments docketed in any county shall be a lien on the property for which execution is adjudged as fully as if it were against him personally.

SEC. 25. Report evidence of assets only on the day to which it relates:

The account and report and adjudication by the clerk or any appellate court, shall not be evidence as to the assets except on the day to which such adjudication relates.

SEC. 26. Affidavit of assets afterwards come to hand, proceedings on:

Any creditor may afterwards, on filing an affidavit, by himself or his agent, that he believes that assets have come to the hands of the personal representative since that day, and on giving an undertaking, with surety, or making a deposit for the costs of the personal representative, may sue out a summons against him alleging subsequent assets, and the proceedings thereon shall be as is hereinbefore prescribed, so far as the same may be necessary.

SEC. 27. If personal assets insufficient, and lands:

It shall appear at any time during or upon or after the taking of the account of a personal representative that his personal assets are insufficient to pay the debts of the deceased in full, and that he died seized of real property, it shall be the duty of the clerk at the instance of any party, to issue a summons in the name of the personal representative or of the creditors generally, to the heirs, devisees and others in possession of the lands of the deceased, to appear before him on a certain day, not less than twenty days after
service of the summons, and show cause why said lands should not be sold.

Sec. 28. *Proceedings on return of summons:*

Upon the return of the summons the proceedings shall be as is directed in other like cases.

Sec. 29. *Act not to apply to probates, &c., before first July, one thousand eight hundred and sixty-nine:*

This act shall apply only to cases where the grant of letters of collection or of probate or of administration shall have issued on or after the first day of July, one thousand eight hundred and sixty-nine.

Sec. 30. *Proceedings on probates, &c., before first July, one thousand eight hundred and sixty-nine:*

Proceedings against other personal representatives shall be regulated by the existing law. In all cases where an action has been or shall be brought against a personal representative to recover a claim against his deceased; if in the superior court, that court shall proceed according to its course; if before a justice of the peace, and the representative has pleaded or shall plead that he has fully administered, the justice shall find the debt and return the papers to the next term of the superior court in order that the issue in respect to the assets may be there tried and determined according to the course of the court.

Sec. 31. *When this act to go into effect:*

This act shall go into effect from its ratification: *Provided, That all proceedings instituted within ninety days after its ratification and coming within its provisions shall be amended and made conformable thereto without costs to either party at any time within twelve months after its ratification.*

RESOLUTION RELATING TO THE CAPE FEAR HARBOR.

Whereas, It appears manifestly the duty of the state of North Carolina, as well as her best interests, to provide, as far as practicable, a port of export and import within her own borders, thereby avoiding commercial vassalage to neighboring states, and securing to her citizens all the benefits arising from an export and import trade; and

Whereas, This general assembly is assured that the Cape Fear river once possessed a harbor valuable to the state and valuable to the general government, which has been materially damaged by long neglect and delay in repairing an accident and in the removal of obstructions of defence made prior to the revolutionary war; and

Whereas, This general assembly is clearly of opinion that the removal of said obstructions and repairing said damages, so as to restore the bar and harbor to its original condition, comes within the province of the general government alone:

Therefore, be it resolved, That this general assembly respectfully invite the attention of the congress of the United States, now in session, to this subject, and request the adoption of prompt and efficient means for arresting further damage, and of restoring Cape Fear harbor to its original condition.

Resolved, That copies of this preamble and resolutions be transmitted by the governor of the state to our senators and representatives in congress, requesting them to urge upon that body the necessity of making the necessary arrangements for the restoration of Cape Fear harbor.
