Sec. 2. The municipal board of elections, created by Section 1 of this Act, is hereby clothed, in addition to the powers and authority herein bestowed, with all the powers and authority heretofore exercised by the Governing Board of the City of Albemarle, with respect to municipal elections under Article 3 of Chapter 160 of the General Statutes of North Carolina.

Sec. 3. That political parties in the City of Albemarle, North Carolina, shall nominate their candidates for municipal offices in said city by primary election held as hereinafter provided and such primary shall be held on Tuesday after the first Monday in April preceding the general election.

Sec. 4. Candidates for nomination shall file with the municipal board of elections, at least ten (10) days prior to holding any primary, written notice of their intention to be candidates in substantially the following form:

I, ..........................................., hereby give notice that I am a qualified voter and resident of the City of Albemarle, North Carolina; that I am a candidate for the nomination to the office of .................................................. in the primary election to be held on ............................................ I affiliate with the ............................................ Party, and I hereby pledge myself to abide by the results of said primary, and to support in the next general election all candidates nominated by the ............................................ Party.

Signed: ............................................

Sec. 5. The municipal board of elections shall prepare and cause to be printed the primary ballot of each political party and said ballot shall be arranged and printed substantially in the manner following:

(1) At the top of the ballot shall be printed in large capital letters words designating the ballot; if a Democratic ballot, the designating words shall be "Democratic Primary Ballot;" if a Republican ballot, the designating words shall be "Republican Primary Ballot," and in like manner for each political party.

(2) Beginning not less than one inch below the designating word, the name of each office to be filled shall be printed in capital letters, the candidates for mayor coming first. Below the name of each office shall be printed in small letters the directions to the voters, "Vote for one," "Vote for two," or a spelled number designating the number of persons under that head that are to be voted for. Below the name of each office shall be printed in capital letters the names of all candidates for the nomination of said office which are entitled to be placed upon the respective primary ballot. The names of all candidates on the primary ballot shall be printed in type of uniform size, and the names shall be printed in column. Immediately opposite in front of the name of each candidate shall be printed a square, and all squares upon the primary ballot shall be of uniform size. Spaces below the names of candidates under each office shall be uniform, and sufficient space shall separate the names of candidates for one office from the names of candidates for another office to avoid confusion. The size of the ballot shall be determined by the municipal board of elections.

Sec. 6. In all cases where there is only one aspirant for nomination for mayor to be voted on by his political party, and only five aspirants for nomination for city commissioner to be voted on by their political party, the municipal board of elections, upon the expiration of the time for filing
the notice, as required in Section 4, shall declare them the nominee of their party, and their names shall not thereafter be placed on the primary ballot. In case there shall be any office for which no one has filed his declaration for nomination during the proper term, it shall be filled by the executive committee of the political party in which the vacancy appeared; such vacancies shall be filled at least five days before the primary, and the nomination shall be certified by the municipal board of elections as provided in this Section.

Sec. 7. The municipal board of elections shall cause to be delivered to the registrar of each precinct not less than twenty-four hours before the time fixed for the opening of the polls the official primary ballot of each political party, and the number thereof for each political party in each precinct shall be at least one hundred for each fifty votes cast in each precinct by the said political party at the last preceding election.

Sec. 8. The municipal board of elections during the week beginning with the first Monday in March preceding a primary under this Act shall appoint a registrar and two poll holders for each precinct and the poll holders in each precinct shall be members of different political parties. All registrars and poll holders appointed pursuant to this Section shall have been bona fide residents of the City of Albemarle for twelve months next preceding their appointment. The registrars shall open the municipal registration books on the fourth Saturday preceding the day of holding the primary and said registration books shall be closed on the second Saturday preceding the day of holding the primary, and challenges shall be made, heard, and determined during the week preceding the day for holding the primary; provided, the foregoing provision shall not be construed to prevent any elector from challenging any one who offers to vote on primary day. If there are no candidates to be voted on in said primary of the same political party of the poll holder, then such poll holder shall not serve on primary day, nor shall he be entitled to any compensation. Any person offering to vote may be challenged by an elector, and if the party affiliation of the voter is in doubt, he shall be required to make oath of such affiliation.

Sec. 9. The registrar and poll holders shall immediately, and upon the closing of the polls, count the ballots and ascertain the number of votes cast for each of the candidates, and make return thereof to the municipal board of elections upon blanks to be furnished by the board. On the day following the primary election the municipal board of elections shall canvass such returns so received and shall publicly make known the results. The candidate who receives a plurality of the votes cast for the office for which he was a candidate shall be the nominee of said party for such office.

Sec. 10. To provide funds for holding such primary and paying the expenses thereof, each candidate shall at the time of their declaration of intention to seek nomination pay to the municipal board of elections the amount named in this Section, and failing to pay the same, shall not be entitled to participate in said primary. All candidates for mayor shall pay the sum of fifteen dollars ($15.00) and all candidates for city commissioner or any other elective office shall pay the sum of ten dollars ($10.00). The municipal board of elections shall turn over to the City Clerk of Albemarle
all sums collected as herein provided. The city clerk shall use the funds raised by these assessments to pay the expenses of the primary. If there is a deficit, then the City of Albemarle shall pay the remainder of said expenses. The registrars and poll holders shall receive the same compensation allowed for conducting a general election. The members of the municipal board of elections shall receive compensation in amount equal to the compensation received by members of the Stanly County Board of Elections.

Sec. 11. It shall be unlawful for any person to make or cause to be made any copy or copies of the official ballots as sent out by the municipal board of elections, and no other ballots other than those provided in Section 5 of this Act shall be used or voted in said primary. Any violation of this Section by any person shall constitute a misdemeanor. Nothing in this Act shall prevent any elector from writing or otherwise inserting any name on the ballot of a person for whom he wishes to vote.

Sec. 12. Should any political party as defined by this Act, fail to enter the primary as herein prescribed and nominate their candidate accordingly, in that event, no ticket bearing the name of any candidate or members of the political party so failing to comply with this Act shall be permitted to be voted on at the ensuing municipal election.

Sec. 13. A political party within the meaning of this Act shall be every political party, association or group of voters which at the last preceding general State election polled for its candidate for Governor, or for presidential electors in the State, at least 500 votes in the County of Stanly.

Sec. 14. All provisions of the State-wide election laws of the State applicable to municipalities not inconsistent with this Act shall apply as fully to the primary herein provided.

Sec. 15. It shall be the duty of the municipal board of elections to publish in some newspaper published in the City of Albemarle, at least ten days prior to the opening of the registration books, notice stating the dates when said books will open, the names of the registrars, and the location of the polling places, together with the date of the primary. Said notice shall be published at least three (3) times.

Sec. 16. No official or employee of the City of Albemarle nor any relative of such official or employee shall be eligible to serve as an election official in any election to be held under the provisions of this Act.

Sec. 17. That if any Section, or part of any Section, of this Act is declared to be unconstitutional or invalid by a court of competent jurisdiction, the remainder of this Act shall not thereby be invalidated.

Sec. 18. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 19. This Act shall be in full force and effect from and after January 1, 1953.

AN ACT TO AUTHORIZE THE STATE BOARD OF CONSERVATION AND DEVELOPMENT TO TAKE CERTAIN ACTION WITH RESPECT TO THE DRAINAGE OF THE OVERFLOW WATERS FROM LAKE PHELPS IN WASHINGTON AND TYRRELL COUNTIES.

WHEREAS, Lake Phelps is a 16,600-acre natural body of water, located in Washington and Tyrrell Counties, said body of water being the property of the State of North Carolina; and

WHEREAS, a critical problem of drainage does exist and has existed for several years, in that Lake Phelps often overflows and damages the crops of landowners of an area of approximately 20,000 acres lying generally to the North of Lake Phelps and between the lake and the Scuppernong River, which is the natural outlet for surface runoff, this overflow often occurring even though a number of canals lead from Lake Phelps through the lands of individual owners to the Scuppernong River; and

WHEREAS, at the present time gates controlling the flow of water from the lake are in a poor state of repair, and the canals leading from the lake to Scuppernong River are in bad need of cleaning and dredging, and farmers and agriculture technicians are convinced that efficient drainage can be attained and thousands of dollars of crop damage and loss averted by repairing existing control gates, where possible, and installing new gates, where necessary, and by cleaning and dredging existing canals; and

WHEREAS, a duly constituted committee of farmers and landowners of the Lake Phelps area vitally affected by this problem, recognizing that of the approximately 40 odd thousand acres involved, about fifty per cent (50%) of the area is owned by the State of North Carolina, and said committee having petitioned their legislative representatives in the 1951 North Carolina General Assembly and the Department of Conservation and Development, which is charged with the responsibility of administration of Lake Phelps, to alleviate this problem, this committee does further propose to equally participate in the cost of cleaning and dredging the canals: Now, therefore,

The General Assembly of North Carolina do enact:

Section 1. The Board of Conservation and Development, in the management of Lake Phelps in Washington and Tyrrell Counties, is hereby authorized to cooperate with farmers and landowners in effecting efficient drainage of any area adjoining said Lake Phelps, where the need therefor is due to an overflow. Such work shall be performed in accordance with accepted engineering practices. Unexpended funds heretofore appropriated as part of the permanent improvements appropriation for the Pettigrew State Park may be expended for the purposes of this Act on the basis of matching dollar for dollar funds made available for said purposes locally as hereinafter provided in this Act or any funds made available from the Contingency and Emergency Fund for such purposes may be so expended on the same dollar for dollar matching basis, but in no event shall the total expended by the Board of Conservation and Development exceed twenty-five thousand dollars ($25,000.00).
Funds may be made available locally for said drainage purposes by landowners of the area through a committee treasurer, a drainage district, an official or department of county or counties governments, or a designated bank, as the landowners' agent.

The director of the Department of Conservation and Development is hereby authorized to administer the expenditure of any State funds made available pursuant to this Act.

The General Assembly of North Carolina do enact:

Section 1. Chapter 1 of the General Statutes is hereby amended by changing the title of Article 46 to "Examination before Trial", and by inserting the following Sections in said Article 46:

"Art. 46. Examination before Trial

§1-568.1. Definitions. As used in this Article,
(1) "Action" includes any civil action or special proceeding;
(2) "Clerk" means the Clerk of the Superior Court in which the action is pending;

§1-568.2. Notice to attorney. Whenever notice is required to be given to a party pursuant to this Article, such notice may be given in lieu thereof to such party's attorney, as provided by G. S. 1-585, except when the party is the person to be examined.

§1-568.3. Purposes for which examination may be had. An examination may be had before trial pursuant to the provisions of this Article—
(1) For the purpose of obtaining information necessary to prepare a pleading or an amendment to a pleading, or
(2) For the purpose of obtaining evidence to be used at the trial, or at any hearing incident to the trial, or
(3) For both purposes.

§1-568.4. Who may examine and be examined.
(a) Any party to an action may examine before trial any other party to the action.
(b) A plaintiff may also examine any person for whose immediate benefit the action is being defended even though such person is not a party to the action.
(c) A defendant may also examine any person for whose benefit the action is being prosecuted even though such person is not a party to the action.
(d) A person in whose behalf an action is being prosecuted or defended may be examined only under the same conditions and circumstances as the prosecuting or defending party might be examined pursuant to this Article.
(e) An examination may be had of any officer, agent or employee of a corporation which is a party to the action.
(f) A person may be examined pursuant to this Article irrespective of whether he is a resident or nonresident of this State.

"§ 1-568.5. Where examination may be held.

(a) Except as provided by subsection (b), the examination shall be held in the county, or other corresponding governmental subdivision, in which the person to be examined resides.

(b) If a person is to be examined as an officer, agent or employee of a corporation, the examination may, at the option of the examining party, be held in the county, or other corresponding governmental subdivision, where the home or principal office of such corporation is located or where such officer, agent or employee resides, or where he regularly perform duties for the corporation in or out of this State.

(2) Administer oaths to witnesses; and
(3) Designate a reporter to take and transcribe the examination.

"§ 1-568.8. Procedure exclusive; Judge's or clerk's authority to fix details. The procedure prescribed by this Article is the sole procedure for the examination before trial of the persons designated in G. S. 1-568.4. The judge or the clerk, however, has authority to fix and determine all necessary procedural details with respect to such an examination in all instances in which this Article does not make definite provision.

"§ 1-568.9. When examination is and when not matter of right.

(a) Before the examining party has filed his complaint, petition or answer, he may procure an examination pursuant to this Article only upon showing by affidavit, as provided by G. S. 1-568.10, that the examination is necessary to enable him properly to prepare his complaint, petition or answer.

(b) After the examining party has filed his complaint, petition or answer, such party may not examine another person before such person or the party prosecuting or defending in his behalf has filed his complaint, petition or answer.

(c) After both the examining party and the person to be examined, or the party prosecuting or defending on his behalf, have filed their com-

4. That, if the person proposed to be examined is not a party, the action is being prosecuted or defended in his behalf, together with facts in support thereof;
5. That the application is made in good faith; and
6. That the examination should be held at a place designated in the affidavit, together with facts showing the reason therefor.

(c) If the judge or clerk finds that the facts are as set out in the affidavit, he shall make an order:

1. Appointing a commissioner to hold the examination;
2. Fixing the time and place of the examination, subject to the provisions of G. S. 1-568.5;
3. Directing the person to be examined to appear before the commissioner at such time and place for examination; and
4. Designating the particular matters about which the person may be examined.

"§ 1-568.11. Preliminary procedure for examination after initial pleadings have been filed.

(a) After a party has filed his complaint, petition or answer, he may, without notice to other parties, apply to the clerk or judge for an order for the examination of any person who has also filed his complaint, petition or answer, as the case may be, or on whose behalf a complaint, petition or answer has been filed as provided by G. S. 1-568.4.

4. That the examination should be held at a place designated in the affidavit, together with facts showing the reasons therefor.
(c) If the judge or clerk finds that the facts are as set out in the affidavit, he shall make an order:

(1) Appointing a commissioner to hold the examination;
(2) Fixing the time and place of the examination, subject to the provisions of G. S. 1-568.5; and
(3) Directing the person to be examined to appear before the commissioner at such time and place for examination.

"§ 1-568.12. Subsequent procedure the same. Except as provided in G. S. 1-568.10 and 1-568.11, the procedure for examining a person before the examining party has filed his complaint, petition or answer and the procedure for examining a person after the examining party and the person to be examined or the person filing such pleading in his behalf, have filed their complaint, petition or answer, as the case may be, are the same.

"§ 1-568.13. Service of order upon person to be examined.

(a) The examining party shall cause a copy of the order for examination to be served upon the person to be examined not less than 10 days before the date fixed for the examination, and no other notice of such examination need be given him.

(b) When a person is to be examined as an officer, agent or employee of a corporation, the service required by this Section shall be had both upon the corporation and the officer, agent or employee thereof who is to be examined.

(c) Service of the order may be had on a corporation in the same manner as service of summons.

(d) Service on a nonresident outside this State may be had in the same manner as service of summons pursuant to G. S. 1-104.

(e) Service on a foreign corporation may also be had as follows:

A copy of the order may be mailed to the sheriff or other process officer of the county where the home or principal office of the corporation is located in the state in which such corporation is incorporated, with the request that it be served upon the corporation by delivering it to the president or other head of the corporation, secretary, cashier, treasurer, a director or managing agent thereof. If the sheriff or process officer serves a copy of the order, such service shall be valid for the purposes of this Section. Such sheriff or process officer shall execute an affidavit of the service and send it to the party who forwarded the order for service together with a certificate from the clerk of a court of record of the jurisdiction in which the order was served, certifying that the person who served the order was a person duly authorized by the laws of the State to serve legal process in that jurisdiction. Such affidavit and certificate shall be prima facie evidence of the service of the order.

(a) The examining party shall give notice of the examination to all parties other than the party to be examined.

(b) Whenever any party is represented by a next friend, guardian, guardian ad litem or any other person acting in a representative capacity, the notice required by this Section need be given only to such representative or his attorney of record.
(c) Such notice, which shall consist of a copy of the order for the examination, shall be delivered at least five days before the date fixed for the examination or shall be properly mailed at least 10 days before such date. For good cause shown the judge or clerk, without notice to parties, may make an order reducing the number of days notice or specifying the manner of giving notice.

"§ 1-568.15. When order not served or notice not given; new order. In the event a person cannot be served as provided by G. S. 1-568.13, or notice cannot be given as provided by G. S. 1-568.14, such fact with the reason therefor may be reported to the clerk or judge, and a new order may be issued fixing a later date for the examination. Whenever a new order is issued, it shall be served as provided by G. S. 1-568.13 and notice shall be given as provided by G. S. 1-568.14.

"§ 1-568.16. The examination.

(a) An examination pursuant to this Article shall be conducted in the same manner and subject to the same rules as if the examination were being had at the trial of the action, except as otherwise provided in this Section.

(b) The commissioner before whom the deposition is to be taken shall put the witness on oath or affirmation, and, unless the parties agree otherwise, shall personally, or by someone acting under his direction, record the testimony of the witness in his presence, and cause it to be transcribed.

(c) All objections made at the time of the examination to the qualifications of the commissioner taking the deposition, or to the conduct of any person, and any other objection to the proceedings, shall be recorded and transcribed as part of the deposition.

(d) Evidence objected to shall be taken subject to the objection, except that, when an objection is made on the ground of privilege or on the ground that the question goes beyond the proper scope of the examination, the person being examined may refuse to answer the question, in which case such refusal and the grounds therefor shall be recorded and transcribed as part of the deposition. The procedure when the person being examined refuses to answer a question is governed by G. S. 1-568.18 and 1-568.19.

(e) Any party may examine the person being examined and may make all proper objections to the proceedings and to the evidence taken, but the scope of an examination ordered pursuant to G. S. 1-568.10 shall not thereby be enlarged beyond the scope specified in the order for the examination.

"§ 1-568.17. Written interrogatories.

(a) An examining party may examine upon written interrogatories as provided in this Section. Except as otherwise provided in this Section, such examination shall be subject to all the provisions of this Article.

(b) A party desiring to examine any person designated in G. S. 1-568.4 upon written interrogatories shall deliver a copy of the order for the examination, and a copy of the interrogatories, to all other parties. Within 10 days after any party is so served, he may deliver cross interrogatories to the examining party. Within five days thereafter the ex-
aminsing party may deliver redirect interrogatories to any party who has thus served cross interrogatories. Within three days after being thus served with redirect interrogatories, such party may deliver recross interro-
gogatories to the examining party. Upon application without notice and for good cause, the judge or clerk may extend the time limits fixed herein.

(c) A copy of the order for the examination and of any other orders relating thereto together with copies of all interrogatories thus served shall be delivered by the examining party to the commissioner designated in the order who shall proceed promptly to take the testimony of the person to be examined in response to the interrogatories and to prepare, certify, and file it with the clerk, or send it by registered mail to the clerk for filing, together with the copies of all orders and interrogatories received by him.

"§ 1-568.18. Refusal to answer question; procedure to compel answer. If the person being examined refuses to answer any question propounded, the examination may be completed on other matters or it may be adjourned, as the propounder of the question may prefer. The propounder may, upon notice, as provided by G. S. 1-568.14 (b) and (c), given to the person examined and to all other parties, make a motion before the judge or clerk that the person examined be required to answer the question or questions he had refused to answer and to answer any additional questions which relate to the matter or matters as to which he had refused to testify. If the motion is granted, the judge or clerk shall fix a time and place for such further examination. No additional notice of such further examination need be given.

"§ 1-568.19. Failure to appear for examination or to answer question as ordered. If the person to be examined fails to appear at the time and place fixed in an order for his examination or in an order issued pursuant to G. S. 1-568.18, or refuses, without good cause, to answer any question required to be answered pursuant to G. S. 1-568.18, such failure to appear or refusal to answer constitutes contempt of court and is punishable as such. The judge or clerk may also make all proper orders in regard to the failure to appear, or the refusal to answer any question, including the taxing of costs incident thereto, the striking out of pleadings or parts thereof, or staying further proceedings until the order is obeyed, or dismissing the action or any part thereof, or rendering a judgment by default or by default and inquiry against the disobedient party.

"§ 1-568.20. Submission of transcript of testimony to witness; changes; signing. When the testimony is transcribed, such transcript shall be submitted to the witness for examination. Any changes in form or substance which the witness desires to make shall be entered by the commissioner on the record immediately following the recorded testimony of the witness, together with a statement of the reasons given by the witness for such changes. The transcript shall then be signed by the witness. Both the submission of the transcript to the witness and the signing thereof by him may be waived by the witness or his counsel, or by the parties, and neither is necessary if the witness cannot be found or is ill or for any
other reason is unable to examine the transcript or sign it. If the transcript is not submitted to or is not signed by the witness, the commissioner shall sign it and state on the record the reason for the witness not signing it. The record may then be used as if signed, unless on motion to suppress, subject to the provisions of G. S. 1-568.22, the court holds that the reasons for the refusal to sign require rejection of the testimony in whole or in part.

“§ 1-568.21. Certification and filing of record of examination; notice. The commissioner shall certify on the record of the examination that the witness was duly sworn by him and that the record is a true record of the examination. He shall then securely seal the record in an envelope indorsed with the title of the action and marked “Deposition of (here insert name of witness)” and shall promptly file it with the clerk or send it by registered mail to the clerk for filing. No formal opening of the deposition is necessary, but, upon receipt thereof, the clerk shall open it, file it with the other papers in the action, and notify all parties that it is on file and open for inspection.

“§ 1-568.22. Motion to suppress deposition or resume examination; order.

(a) Within 10 days after the deposition is filed, any party may file a written motion to suppress the deposition for any error or irregularity not waived as provided by G. S. 1-568.23, or to resume the examination when the witness has made changes in his testimony as permitted by G. S. 1-568.20. The motion shall state the grounds upon which it is based. For good cause shown, the clerk may, without notice, make an order extending the time within which such motions may be filed.

(b) Upon the filing of a motion to suppress the deposition, the clerk shall make an order fixing a time for the same to be heard before him, and the moving party shall promptly serve a copy of the motion and a copy of the clerk’s order upon all other parties.

(c) No notice of a motion to resume an examination is necessary, and the clerk shall pass thereon. An order therefor shall be served pursuant to G. S. 1-568.13 upon the person to be examined. Notice to other parties of such order shall be given pursuant to G. S. 1-568.14. The procedure for a resumed examination shall be the same as in the case of an original examination.

“§ 1-568.23. Waiver of errors and irregularities.

(a) All errors and irregularities in the notice for taking an examination are waived unless written objection is promptly served upon the party giving the notice.

(b) Objections to the competency of a witness or to the competency, relevancy, or materiality of testimony are waived by failure to make them before or during the taking of the deposition, if the ground of the objection is one which might have been obviated or removed if presented at that time.

(c) Errors and irregularities occurring at the oral examination in the manner of taking the deposition, in the form of the questions or answers, in the oath or affirmation, or in the conduct of parties and errors of any
kind which might be obviated, removed, or cured if promptly presented, are waived unless seasonable objection thereto is made at the taking of the deposition.

(d) Objections to the form of written interrogatories submitted under G. S. 1-568.17 are waived unless served in writing upon the party pounding them within the time allowed for serving the succeeding cross or other interrogatories and within three days after service of the last interrogatories authorized.

(e) Errors and irregularities in the manner in which the testimony is transcribed or the deposition is prepared, signed, certified, sealed, indorsed, transmitted, filed or otherwise dealt with are waived unless a motion to suppress the deposition or some part thereof is made within 10 days after the filing of the deposition.

“§ 1-568.24. Use of deposition at trial.
(a) Upon the trial of the action or at any hearing incident thereto, any party may offer in evidence the whole, but, if objection is made, not a part only, of any deposition taken pursuant to this Article, but such deposition shall not be used as evidence against any party not notified of the taking thereof as provided by G. S. 1-568.14.

(b) Subject to the provisions of subsection (c) of this Section and G. S. 1-568.23, objection may be made at the trial or hearing to the receiving in evidence of testimony of a person examined pursuant to the provision of this Article for any reason which would require the exclusion of the testimony if the witness were then present and testifying.

(c) Objections to the competency, relevancy, or materiality of testimony are not waived by failure to make them before or during the taking of the deposition unless the ground of the objection is one which might have been obviated or removed if presented at that time.

“§ 1-568.25. Effect of taking deposition and of introducing deposition; rebuttal.

(a) A party by examining a person pursuant to the provisions of this Article does not make such person his witness; but the party who introduces the deposition in evidence, or who first introduces any part thereof in evidence, does make such person his witness.

(b) If the person whose deposition, or part thereof, has been introduced in evidence, testifies at the trial or hearing, he is not subject to cross-examination or impeachment by the party whose witness he is, but such party may nevertheless show the facts to be otherwise than as testified to by such person.

“§ 1-568.26. Commissioner's fee and reporter's compensation taxed as costs. Upon the termination of the action, a reasonable fee for the commissioner, and reasonable compensation for the reporter, shall be fixed by the clerk and taxed as part of the costs.

“§ 1-568.27. Right to change of venue not affected by examination. An examination of a person pursuant to the provisions of this Article does not affect or prejudice the right of any party to a change of venue when such change is authorized by law.”

Sec. 2. G. S. 1-568 through G. S. 1-576, inclusive, and all other laws and clauses of laws in conflict with this Act, are hereby repealed, except
that they shall remain in force and apply to the completion or use of any examination commenced or taken prior to the effective date of this Act.

Sec. 3. This Act shall become effective July 1, 1951.

In the General Assembly read three times and ratified, this the 11th day of April, 1951.

Sec. 3. Creation of Authority. The city council of any city may, upon its own initiative, and shall, upon petition of 25 or more residents of the city, hold a public hearing on the question whether or not it is necessary for the city to organize an authority under the provisions of this Act. Notice of the time, place and purpose of such hearing shall be given by publication in a newspaper of general circulation in the city, at least once, at least 10 days before such hearing. At such hearing, an opportunity to be heard shall be granted to all residents and taxpayers of the city and all other interested persons. If, after such hearing, the city council shall by resolution determine that it is necessary for the city to organize an authority under the provisions of this Act, the city council shall appoint,
as hereinafter provided, five commissioners to act as an authority. Said commission shall be a public body and a body corporate and politic upon the completion of the taking of the following proceedings:

The commissioners shall present or cause to be presented to the Secretary of State of North Carolina a written application signed by them, which shall set forth (1) a statement that the city council has, pursuant to this Act, and after a public hearing held as herein required, determined that it is necessary for the city to organize an authority under the provisions of this Act, and has appointed the signers of such application as commissioners of such an authority; (2) a statement that the commissioners desire the authority to become a public body and a body corporate and politic under this Act; (3) the name, address and term of office of each of the commissioners; (4) the name which is proposed for the corporation; and (5) the location and the principal office of the proposed corporation. The Secretary of State shall examine the application and if he finds that the name proposed for the corporation is not identical with that of a person or any other corporation of this State or so nearly similar as to lead to confusion and uncertainty, he shall receive and file it and shall record it in an appropriate book of record in his office.

When the application has been made, filed and recorded, as herein provided, the authority shall constitute a public body and body corporate and politic under the name proposed in the application; and the Secretary of State shall make and issue a certificate of incorporation pursuant to this Act, under the seal of the State, and shall record the same with the application.

Sec. 4. An authority shall consist of five commissioners appointed by the city council, and the city council shall designate the first chairman. No commissioner shall be a city official.

The commissioners who are first appointed shall be designated by the city council to serve for terms of one, two, three, four and five years respectively from the date of their appointment. Thereafter, the term of
office shall be five years. A commissioner shall hold office until his successor has been appointed by the city council and has qualified. Vacancies shall be filled by the city council for the unexpired term. Three commissioners shall constitute a quorum. A commissioner shall receive no compensation for his services, but he shall be entitled to reimbursement for his actual and necessary expenses incurred in the performance of his official duties.

When the office of the first chairman of the authority becomes vacant, the authority shall select a chairman from among its members. An authority shall select from among its members a vice-chairman, and it may employ a secretary (who shall be executive director), technical experts and such other officers, agents and employees, permanent or temporary, as it may require, and shall determine their qualifications, duties and compensation. An authority may, with the consent of the city council call upon the city attorney or chief law officer of the city for such legal services as it may require, or it may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper. The city council may remove any member of the authority for inefficiency, neglect of duty or misconduct in office, giving him a copy of the charges against him and an opportunity of being heard in person, or by counsel, in his defense upon not less than 10 days' notice.

Such authority and its corporate existence shall continue only for a period of five years and thereafter until all its liabilities have been met and its bonds have been paid in full or such liabilities or bonds have otherwise been discharged. Upon its ceasing to exist, all its rights and properties shall pass to the city.

Sec. 5. Duty of Authority and Commissioners. The authority and its commissioners shall be under a statutory duty to comply or cause compliance strictly with all provisions of this Act and, in addition thereto, with each and every term, provision and covenant in any contract of the authority on its part to be kept or performed.

No commissioner or employee of an authority shall acquire any interest direct or indirect in any parking project or in any property included or planned to be included in any parking project, nor shall he have any interest direct or indirect in any contract or proposed contract for materials or services to be furnished or used in connection with any parking project. If any commissioner or employee of an authority owns or controls an interest direct or indirect in any property included or planned to be included in any parking project, he shall immediately disclose the same in writing to the authority and such disclosure shall be entered upon the minutes of the authority. Failure to so disclose such interest shall constitute misconduct in office.

Sec. 7. Purpose and Powers of the Authority. An authority incorporated under this Act shall constitute a public body and a body corporate and politic, exercising public powers as an agency or instrumentality of the city with which it is coterminous. The purpose of the au-
authority shall be to relieve traffic congestion of the streets and public places in the city by means of off-street parking facilities, and to that end to acquire, construct, improve, operate and maintain one or more parking projects in the city. To carry out said purpose, the authority shall have power:

3. To acquire, hold and dispose of personal property for its corporate purposes, including the power to purchase prospective or tentative awards in connection with the condemnation of real property;

11. To do all things necessary or convenient to carry out the purpose of the authority and the powers expressly given to it by this Act.

Sec. 8. Conveyance of Property by the City to the Authority; Acquisition of Property by the City or by the Authority.
1. The city may convey, with or without consideration, to the authority real and personal property owned by the city for use by the authority as a parking project or projects or a part thereof. In case of real property so conveyed, the instrument of conveyance shall contain a provision for reversion of the property to the city upon the termination of the corporate existence of the authority or upon the termination of the use of the property for the corporate purpose of the authority. Such conveyance of property by the city to the authority may be made without regard to the provisions of other laws regulating sales of property by the city or requiring previous advertisement of sales of property by the city.
2. The city may acquire by purchase or condemnation real property in the name of the city for the authority or for the widening of existing roads, streets, parkways, avenues or highways or for new roads, streets, parkways, avenues or highways to any of the parking projects, or partly for such purposes and partly for other city purposes, by purchase or con-
demnation in the manner provided by law for the acquisition of real property by the city. The city may close such streets, roads, parkways, avenues, or highways as may be necessary or convenient.

Contracts may be entered into between the city and the authority providing for the property to be conveyed by the city to the authority, the additional property to be acquired by the city and so conveyed, the streets, roads, parkways, avenues and highways to be closed by the city, and the amounts, terms and conditions of payment to be made by the authority. Such contracts may contain covenants by the city as to the road, street, parkway, avenue and highway improvements to be made by the city, including provisions for the installation of parking meters in designated streets of the city and for the removal of such parking meters in the event that such parking meters are not found to be necessary or convenient. Any such contract may pledge all or any part of the revenues of such parking meters to the authority for a period of not to exceed the period during which bonds of the authority shall be outstanding, provided that the total amount of such revenues which may be paid pursuant to such a pledge shall not exceed the total of the principal of and interest on such bonds which become due and payable during such period. Such contracts may also contain provisions limiting or prohibiting the construction and operation by the city or any agency thereof in designated areas of public parking facilities and parking meters whether or not a fee or charge is made therefor. Any such contracts between the city and the authority may be pledged by the authority to secure its bonds and may not be modified thereafter except as provided by the terms of the contracts or by the terms of the pledge. The city council may authorize such contracts on behalf of the city and no other authorization on the part of the city for such contracts shall be necessary.

4. The authority may itself acquire real property for a parking project at the cost and expense of the authority by purchase or condemnation pursuant to the laws relating to the condemnation of land by the city.

5. In case the authority shall acquire any real property which it shall determine is no longer required for a parking project, then, if such real property was acquired at the cost and expense of the city, the authority shall have power to convey it without consideration to the city, or, if such real property was acquired at the cost and expense of the authority, then the authority shall have power to sell, lease or otherwise dispose of said real property and shall retain and have the power to use the proceeds of sale, rentals or other moneys derived from the disposition thereof for its purposes.

Sec. 9. Contracts. The authority shall let contracts in the manner provided by law for contracts of the city.

Sec. 10. Moneys of the Authority. All moneys of the authority shall be paid to the treasurer of the city as agent of the authority, who shall designate depositories and who shall not commingle such moneys with any other moneys. Such moneys shall be deposited in a separate bank account or accounts. The moneys in such accounts shall be paid out on checks of the treasurer on written requisition of the chairman of the authority or of such other person or persons as the authority may authorize to make
such requisitions. All deposits of such moneys shall be secured in the manner provided by law for securing deposits of moneys of the city. The city accountant of the city and his legally authorized representatives are authorized and empowered from time to time to examine the accounts and books of the authority, including its receipts, disbursements, contracts, leases, sinking funds, investments and any other records and papers relating to its financial standing. The authority shall cause an annual audit of its accounts to be made by a certified public accountant or firm of certified public accountants, and shall cause a copy of the report of each such audit to be filed with the city clerk, who shall present the same to the city council. The authority shall have power, notwithstanding the provisions of this Section to contract with the holders of any of its bonds as to the custody, collection, securing, investment and payment of any moneys of the authority or any moneys held in trust or otherwise for the payment of bonds or in any way to secure bonds, and to carry out any such contract notwithstanding that such contract may be inconsistent with the previous provisions of this Section. Moneys held in trust or otherwise for the payment of bonds or in any way to secure bonds and deposits of such moneys may be secured in the same manner as moneys of the authority, and all banks and trust companies are authorized to give such security for such deposits.

Sec. 11. Bonds of the Authority.

1. The authority shall have the power and is hereby authorized from time to time to issue its negotiable bonds for any purpose mentioned in Section 7, including the acquisition, construction, reconstruction and repair of personal and real property of all kinds deemed by the authority to be necessary or desirable to carry out such purpose, as well as to pay such expenses as may be deemed by the authority necessary or desirable to the financing thereof and placing the project or projects in operation, in the aggregate principal amount of not exceeding three million dollars ($3,000,000.00). The authority shall have power from time to time and whenever it deems refunding expedient, to refund any bonds by the issuance of new bonds, whether the bonds to be refunded have or have not matured, and may issue bonds partly to refund bonds then outstanding and partly for any other purpose herein above described. In computing the total amount of bonds of the authority which may at any time be outstanding the amount of the outstanding bonds to be refunded from the proceeds of the sale of new bonds or by exchanging for new bonds shall be excluded. Except as may otherwise be expressly provided by the authority, the bonds of every issue shall be general obligations of the authority payable out of any moneys or revenues of the authority, subject only to any agreements with the holders of particular bonds pledging any particular moneys or revenues. Whether or not the bonds are of such form and character as to be negotiable instruments under the terms of the negotiable instruments law (constituting Chapter 25 of the General Statutes) the bonds shall be and are hereby made negotiable instruments within the meaning of and for all the purposes of the negotiable instruments law, subject only to the provisions of the bonds for registration.
2. The bonds shall be authorized by resolution of the board and shall bear such date or dates, mature at such time or times, not exceeding 30 years from their respective dates, bear interest at such rate or rates, not exceeding six per centum (6%) per annum payable annually or semi-annually, be in such denominations, be in such form, either coupon or registered, carry such registration privileges, be executed in such manner, be payable in lawful money of the United States of America at such place or places, and be subject to such terms of redemption prior to maturity, at par value, as such resolution or resolutions may provide.

3. Any resolution or resolutions authorizing any bonds or any issue of bonds may contain provisions, which shall be a part of the contract with the holders of the bonds thereby authorized as to

(a) Pledging all or any part of the revenues of a parking project or projects to secure the payment of the bonds, subject to such agreements with bondholders as may then exist;

(b) The rentals, fees, and other charges to be charged, and the amounts to be raised in each year thereby, and the use and disposition of the revenues;

(c) The setting aside of reserves or sinking funds, and the regulation and disposition thereof;

(d) Limitations on the right of the authority to restrict and regulate the use of a project;

(e) Limitations on the purpose to which the proceeds of sale of any issue of bonds then or thereafter to be issued may be applied and pledging such proceeds to secure the payment of the bonds or of any issue of the bonds;

(f) Limitations on the issuance of additional bonds; the terms upon which additional bonds may be issued and secured; the refunding of outstanding or other bonds;

(g) The procedure, if any, by which the terms of any contract with bondholders may be amended or abrogated, the amount of bonds the holders of which must consent thereto; and the manner in which such consent may be given;

(h) Limitations on the amount of moneys derived from a parking project to be expended for operating, administrative or other expenses of the authority;

(i) Vesting in a trustee or trustees such property, rights, powers and duties in trust as the authority may determine, which may include any or all of the rights, powers and duties of the trustee appointed by the bondholders pursuant to Section 18 hereof, and limiting or abrogating the right of the bondholders to appoint a trustee under said Section or limiting the rights, duties and powers of such trustee;

(j) Any other matters, of like or different character, which in any way affect the security or protection of the bonds.

4. It is the intention hereof that any pledge of revenues or other moneys made by the authority shall be valid and binding from the time when the pledge is made; that the revenues or other moneys so pledged and thereafter received by the authority shall immediately be subject to the
lien of such pledge without any physical delivery thereof or further act; and that the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority irrespective of whether such parties have notice thereof. Statutory provisions relating to the recording or registering of instruments creating liens shall not apply to the lien of any such pledge.

5. Neither the members of the authority nor any person executing the bonds shall be liable personally on the bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

6. The authority shall have power out of any funds available therefor to purchase bonds. The authority shall cancel such bonds.

7. In the discretion of the authority, the bonds may be secured by a trust indenture by and between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company in the State of North Carolina. Such trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority in relation to the construction, maintenance, operation, repair and insurance of the parking project or projects, and the custody, safeguarding and application of all moneys, and may provide that the parking project or projects shall be constructed and paid for under the supervision and approval of consulting engineers. Notwithstanding the provisions of Section 10, the authority may provide by such trust indenture for the payment of the proceeds of the bonds and the revenues of the project or projects to the trustee under such indenture or other depository and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. All expenses incurred in carrying out such trust indenture may be treated as a part of the cost of maintenance, operation, and repairs of the parking project or projects. If the bonds shall be secured by a trust indenture, the bondholders shall have no authority to appoint a separate trustee to represent them, and the trustee under such trust indenture shall have and possess all of the powers which are conferred by Section 18 upon a trustee appointed by bondholders.

Sec. 12. Notes of the Authority. The authority shall have power from time to time to issue notes and from time to time to issue renewal notes (herein referred to as notes) maturing not later than five years from their respective original dates in an amount not exceeding at any time fifty thousand dollars ($50,000.00), over and above the amount of bonds authorized by subdivision 1 of Section 11 of this Act, whenever the authority shall determine that payment thereof can be made in full from any moneys or revenues which the authority expects to receive from any source. Such notes may, among other things, be issued to provide funds to pay preliminary costs of surveys, plans or other matters relating to any proposed project. The authority may pledge such moneys or revenues (subject to any other pledge thereof) for the payment of the notes and may in addition secure the notes in the same manner and with the same effect as herein provided for bonds. Interest on the notes shall not exceed the rate of six per centum (6%) per annum. The authority shall have power
to make contracts for the future sale from time to time of the notes, by which the purchasers shall be committed to purchase the notes from time to time on terms and conditions stated in such contracts, and the authority shall have power to pay such consideration as it shall deem proper for such commitments. In case of default on its notes, or violation of any of the obligations of the authority to the noteholders, the noteholders shall have all the remedies provided herein for bondholders.

Sec. 12½. The issuance of all bonds and notes authorized pursuant to this Act shall be subject to approval by the Local Government Commission and such bonds and notes shall be sold by said commission in the same manner as bonds and notes of municipalities are approved and sold under the provisions of the Local Government Act. H. B. 829  CHAPTER 827

AN ACT TO ENABLE FARMERS ENGAGED IN THE PRODUCTION OF ANY AND ALL AGRICULTURAL COMMODITIES, INCLUDING LIVESTOCK, LIVESTOCK PRODUCTS, POULTRY AND TURKEYS, TO ACT JOINTLY WITH THEMSELVES AND OTHERS IN PROMOTING RESEARCH IN ANY AND ALL PHASES OF AGRICULTURE AND IN DISSEMINATING SUCH FINDINGS AS TO ACCRUE THE GREATEST POSSIBLE BENEFIT TO ALL OF NORTH CAROLINA.

WHEREAS, the farmers of North Carolina are able to produce a wide variety of agricultural products including cotton, tobacco, peanuts, soybeans, potatoes, fruits, vegetables, berries, fruits of all kinds, livestock,
livestock products, poultry and turkeys having actual or potential markets throughout the United States and other parts of the world; and

WHEREAS, North Carolina is made up of a State of small farms, having more farms than any State in the Union except Texas, and a system of agriculture that lends itself to farm tenancy and much row crop farming; and

WHEREAS, notwithstanding the fact that North Carolina ranks third among the States in value of cash crops, and twenty-ninth in value of livestock and livestock products, we have more than seventy-five per cent (75%) of our cash farm income coming from cotton, tobacco, and peanuts, being produced on less than twenty-five per cent (25%) of our crop land, and rank thirteenth among the States in total cash farm income and thirty-eighth in cash farm income per capita, indicating the tremendous influence that our cash crops exert upon the economy and the agricultural future of our State; and

WHEREAS, in order to keep and to strengthen our present position in the production and marketing of these valuable cash crops, an extensive research and educational program must be continued at an accelerated pace; and

WHEREAS, we recognize the need for materially increasing our present farm income through better use of the other seventy-five per cent (75%) of our crop land through tremendously more development in pasture, feed, poultry, and livestock production to help balance our system of agriculture while at the same time not allowing ourselves to lose any of our gains in cash crop income; and

WHEREAS, our position and our progress in all agricultural enterprises must be backed up with adequate programs of research in all fields of agriculture; and recognizing that the already many accomplishments through research activity has brought us an enviable position, particularly in the production of tobacco; and in order to maintain our position in these fields, we must greatly expand our research activity in the broadening fields of agriculture; and

WHEREAS, it is of vital importance that the findings of agricultural research be disseminated throughout all of North Carolina making available to the farmers the benefits of research findings in a comprehensible and usable form; and

WHEREAS, the past several General Assemblies of North Carolina have recognized the value of agricultural research and have provided partial financial support therefor; and

WHEREAS, the agricultural leadership in North Carolina recognizes that with the help that has been given there is and shall probably continue to be a lack of sufficient funds to meet the ever-increasing demands of the people for more factual information on all phases of the State's agriculture; and

WHEREAS, it is in the public interest and likewise highly desirable from the standpoint of the economy of the State that agricultural research be accelerated to protect and strengthen our position in the production of all agricultural and livestock products; and
WHEREAS, it is desirable and in the public interest that farmers engaged in the production of any and all of these agricultural commodities should be permitted and authorized by law to conduct a referendum among themselves for the purpose of ascertaining the will of such producers with respect to levying an assessment on themselves in order to make available additional funds in line with the purposes herein set forth; Now, therefore,

The General Assembly of North Carolina do enact:

Section 1. It is declared to be in the public interest that North Carolina farmers producing agricultural products of all kinds, including cotton, tobacco, peanuts, soybeans, potatoes, vegetables, berries, fruits, livestock, livestock products, poultry and turkeys, and any other agricultural products having domestic and/or foreign markets, be permitted to act jointly in cooperation with each other in encouraging an expanding program of agricultural research and the dissemination of agricultural research findings.

Sec. 2. It is further declared to be in the public interest and highly advantageous to the economic development of the State that farmers, producers, and growers of agricultural commodities using commercial feed and/or fertilizers or their ingredients be permitted by referendum held among themselves to levy upon themselves an assessment of five cents (5c) per ton on mixed fertilizers, commercial feed, and their ingredients (except lime and land plaster) to provide funds through the Agricultural Foundation to supplement the established program of agricultural research and dissemination of research facts.

Sec. 3. The State Board of Agriculture, upon a petition being filed with it so requesting and signed by the governing boards of the North Carolina Farm Bureau Federation, the North Carolina State Grange, and the North Carolina Agricultural Foundation, Inc., shall examine such petition and upon finding that it complies with the provisions of this Act shall authorize the holding of a referendum as hereinafter set out, and the governing boards of the North Carolina Farm Bureau Federation, the North Carolina State Grange, and the North Carolina Agricultural Foundation, Inc., shall thereupon be fully authorized and empowered to hold and conduct on the part of the producers and growers of the commodities herein mentioned a referendum on the question of whether or not such growers and producers shall levy upon themselves an assessment under and subject to and for the purposes stated in this Act.

Sec. 4. The governing boards of the North Carolina Farm Bureau Federation, the North Carolina State Grange, and the North Carolina Agricultural Foundation, Inc., shall arrange for and manage any referendum conducted under the provisions of this Act but shall, sixty days before the date upon which it is to be held, fix, determine, and publicly announce in each county the date, hours, and polling places in that county for voting in such referendum, the amount and basis proposed to be collected, the means by which such assessment shall be collected as authorized by the growers and producers, and the general purposes for which said funds so collected shall be applied.

813
Sec. 5. That if in such referendum more than one-third of the farmers and producers eligible to participate therein and voting therein shall vote in the negative and against the levying or collection of such assessment, then in such event no assessment shall be levied or collected, but if two-thirds or more of such farmers and producers voting therein shall vote in the affirmative and in favor of the levying or collection of such assessment, then such assessment shall be collected in the manner hereinafter provided.

Sec. 6. The three organizations herein designated to hold such referendum shall fix the date, area, hours, voting places, rules and regulations with respect to the holding of such referendum and cause the same to be published in the press of the State at least sixty days before holding such referendum and shall certify such information to the State Commissioner of Agriculture and to each of the farm organizations of the State. Such notice, so published and furnished to the several agencies, shall contain, in addition to the other information herein required, a statement of the amount of annual assessment proposed to be levied, and the purposes for which such assessment shall be applied.

Sec. 7. The governing boards of the North Carolina Farm Bureau Federation, the North Carolina State Grange, and the North Carolina Agricultural Foundation, Inc., shall prepare and distribute in advance of such referendum all necessary ballots and shall under rules and regulations, adopted and promulgated by the organizations holding such referendum, arrange for the necessary poll holders and shall, within ten days after the date of such referendum, canvass and publicly declare the results thereof.

Sec. 8. In the event two-thirds or more of the eligible farmers and producers participating in said referendum vote in favor of such assessment, then said assessment shall be collected for a period of three (3) years under rules, regulations, and methods as provided for in this Act. The assessments shall be added to the wholesale purchase price of each ton of fertilizer, commercial feed, and/or their ingredients (except lime and land plaster) by the manufacturer of said fertilizer and feed. The assessment so collected shall be paid by the manufacturer into the hands of the North Carolina Commissioner of Agriculture on the same tonnage and at the same time and in the same manner as prescribed for the reporting of the inspection tax on commercial feeds and fertilizers as prescribed by G. S. 106-50.6 and G. S. 106-99, 1949 Cumulative Supplement to the General Statutes. The Commissioner shall then remit said five cents (5c) per ton for the total tonnage as reported by all manufacturers of commercial feeds, fertilizers, and their ingredients to the Treasurer of the North Carolina Agricultural Foundation, Inc., who shall disburse such funds for the purposes herein enumerated and not inconsistent with provisions contained in the Charter and By-Laws of the North Carolina Agricultural Foundation, Inc. Signed copies of the receipts for such remittances made by the Commissioner to the Treasurer of the North Carolina Agricultural Foundation, Inc., shall be furnished the Commissioner of Agriculture, the North Carolina Farm Bureau Federation, and the North Carolina State Grange. The Treasurer of the North Carolina Agricultural Foundation, Inc., shall make an annual report at each annual
meeting of the Foundation directors of total receipts and disbursements for
the year and shall file a copy of said report with the Commissioner of Agra-
culture and shall make available a copy of said report for publication.

It shall be the duty of the Commissioner of Agriculture to audit and
check the remittances of five cents (5c) per ton by the manufacturer to
the Commissioner in the same manner and at the same time as audits
and checks are made of remittances of the inspection tax on commercial
feeds and fertilizers.

Sec. 9. In the event such a referendum is carried in the affirmative
and the assessment is levied and collected as herein provided and under
the regulations to be promulgated by the duly certified agencies conduct-
ing the same, any farmer upon whom and against whom any such assess-
ment shall have been added and collected under the provisions of this Act,
if dissatisfied with the said assessment, shall have the right to demand
of and receive from the Treasurer of said North Carolina Agricultural
Foundation, Inc., a refund of such amount so collected from such farmer
or producer provided such demand for refund is made in writing within
thirty days from the date of which said assessment is collected from such
farmer or producer.

Sec. 10. If the assessment is defeated in the referendum, the govern-
ing boards of the North Carolina Farm Bureau Federation, the North
Carolina State Grange, and the North Carolina Agricultural Foundation,
Inc., shall have full power and authority to call another referendum for
the purposes herein set out in the next succeeding year on the question
of the annual assessment for three years. In the event the assessment
carried in a referendum by two-thirds or more of the eligible farmers
participating therein, such assessment shall be levied annually for the
three years set forth in the call for such referendum and a new refer-
endum may be called and conducted during the third year of such period
on the question of whether or not such assessment shall be continued
for the next ensuing three years.

Sec. 11. If in such referendum called under the provisions of this Act
more than one-third of the farmers and producers in the State of North
Carolina, eligible to participate and voting therein, shall vote in the nega-
tive and against the levying or collection of such assessment, then in
such an event no assessment shall be levied or collected.

Sec. 12. If in such referendum called under the provisions of this Act
two-thirds or more of the farmers or producers in the State of North
Carolina, eligible to participate and voting therein, shall vote in the af-
firmative and in favor of the levying and collection of such assessment
proposed in such referendum on the commodities covered thereby, then
such assessment shall be collected in the manner prescribed herein (de-
termined and announced by the agencies conducting such referendum).

Sec. 13. All laws and clauses of laws in conflict with this Act are
hereby repealed.

Sec. 14. This Act shall be in full force and effect from and after its
ratification.

In the General Assembly read three times and ratified, this the 11th

The General Assembly of North Carolina do enact:

Section 1. Turnpike Projects. In order to provide for the construction of modern express highways or superhighways embodying safety devices,
including center division, ample shoulder widths, longsight distances, multiple lanes in each direction and grade separation at intersections with other highways and railroads, and thereby facilitate vehicular traffic, provide better connections between the highway system of North Carolina and the highway systems of the adjoining states, remove many of the present handicaps and hazards on the congested highways in the State, and promote the agricultural and industrial development of the State, the North Carolina Turnpike Authority (hereinafter created) is hereby authorized and empowered to construct, maintain, repair and operate turnpike projects (as hereinafter defined), and to issue revenue bonds of the Authority, payable solely from revenues, to finance such projects.

Sec. 2. Credit of State Not Pledged. Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a debt of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, but all such bonds shall be payable solely from the funds herein provided therefor from revenues. All such revenue bonds shall contain on the face thereof a statement to the effect that neither the State nor the Authority shall be obligated to pay the same or the interest thereon except from revenues of the project or projects for which they are issued and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such bonds.

All expenses incurred in carrying out the provisions of this Act shall be payable solely from funds provided under the authority of this Act and no liability or obligation shall be incurred by the Authority hereunder beyond the extent to which money shall have been provided under the provisions of this Act.

Sec. 3. North Carolina Turnpike Authority. There is hereby created a body politic and corporate to be known as the "North Carolina Turnpike Authority". The Authority is hereby constituted a public instrumentality, and the exercise by the Authority of the powers conferred by this Act in the construction, operation and maintenance of turnpike projects shall be deemed and held to be the performance of an essential governmental function.

The North Carolina Turnpike Authority shall consist of five members, including the Chairman of the State Highway and Public Works Commission who shall be a member ex officio, and four members appointed by the Governor who shall serve for terms expiring on July 1, 1952, July 1, 1953, July 1, 1954, and July 1, 1955, respectively, the term of each to be designated by the Governor, and until their respective successors shall be duly appointed and qualified. The successor of each of the four appointed members shall be appointed for a term of four years but any person appointed to fill a vacancy shall be appointed to serve only for the unexpired terms, and a member of the Authority shall be eligible for reappointment. Each appointed member of the Authority may be removed by the Governor for misfeasance, malfeasance, or wilful neglect of duty, but only after reasonable notice and a public hearing, unless the same are
in writing expressly waived. Each appointed member of the Authority before entering upon his duties shall take an oath to administer the duties of his office faithfully and impartially, and a record of each oath shall be filed in the office of the Secretary of State.

The Authority shall elect one of the appointed members as Chairman of the Authority and another as Vice Chairman, and shall also elect a Secretary-Treasurer who need not be a member of the Authority. The Chairman, Vice Chairman and Secretary-Treasurer shall serve as such officers at the pleasure of the Authority. Three members of the Authority shall constitute a quorum and the affirmative vote of three members shall be necessary for any action taken by the Authority. No vacancy in the membership of the Authority shall impair the right of a quorum to exercise all the rights and perform all the duties of the Authority.

Before the issuance of any turnpike revenue bonds under the provisions of this Act, each member of the Authority shall execute a surety bond in the penal sum of twenty-five thousand dollars ($25,000.00) and the Secretary-Treasurer shall execute a surety bond in the penal sum of fifty thousand dollars ($50,000.00), each such surety bond to be conditioned upon the faithful performance of the duties of his office, to be executed by a surety company authorized to transact business in the State as surety and to be approved by the Attorney-General and filed in the office of the Secretary of State.

The Chairman of the Authority shall receive the sum of fifteen dollars ($15.00) for each day or part thereof of service, but not exceeding three thousand dollars ($3,000.00) in any one year. The other appointed members of the Authority shall receive the sum of ten dollars ($10.00) for each day or part thereof of service, but not exceeding two thousand dollars ($2,000.00) in any one year. The Chairman of the State Highway and Public Works Commission shall serve as a member of the Authority without extra compensation for such service. Each member shall be reimbursed for his actual expenses necessarily incurred in the performance of his duties.

(n) to do all acts and things necessary or convenient to carry out the powers expressly granted in this Act.

Sec. 6. Acquisition of Property. The Authority is hereby authorized and empowered to acquire by purchase, whenever it shall deem such purchase expedient, solely from funds provided under the authority of this Act, such lands, structures, property, rights, rights-of-way, franchises, easements and other interests in lands, including lands lying under water and riparian rights, which are located within the State, as it may deem necessary or convenient for the construction and operation of any project, upon such terms and at such prices as may be considered by it to be reasonable and can be agreed upon between it and the owner thereof, and to take title thereto in the name of the State.

Whenever a reasonable price can not be agreed upon, or whenever the owner is legally incapacitated or is absent, unknown or unable to convey valid title, the Authority is hereby authorized and empowered to acquire by condemnation or by the exercise of the power of eminent domain any lands, property, rights, rights-of-way, franchises, easements and other property, including public lands, or parts thereof or rights therein, of any person, copartnership, association, railroad, public service, public utility or other corporation, municipality or political subdivision, deemed necessary or convenient for the construction or the efficient operation of any project or necessary in the restoration of public or private property.
damaged or destroyed. The amount and size of any lands, property, rights-of-way, easements and other property to be obtained by the Authority under its exercise of the power of eminent domain shall first be determined and approved by the State Highway and Public Works Commission. Any such proceedings shall be conducted, and the compensation to be paid shall be ascertained and paid, in the manner provided by the laws of the State then applicable which relate to condemnation or the exercise of the power of eminent domain as provided in Chapter 40 of the General Statutes and amendments thereof. Title to any property acquired by the Authority shall be taken in the name of the State. In any condemnation proceedings the court having jurisdiction of the suit, action or proceeding may make such orders as may be just to the Authority and to the owners of the property to be condemned and may require an undertaking or other security to secure such owners against any loss or damage by reason of the failure of the Authority to accept and pay for the property, but neither such undertaking or security nor any act or obligation of the Authority shall impose any liability upon the State or the Authority except as may be paid from the funds provided under the authority of this Act.

If the owner, lessee or occupier of any property to be condemned shall refuse to remove his personal property therefrom or give up possession thereof, the Authority may proceed to obtain possession in any manner now or hereafter provided by law.

With respect to any railroad property or right-of-way upon which railroad tracks are located, any powers of condemnation or of eminent domain may be exercised to acquire only an easement interest therein which shall be located either sufficiently far above or sufficiently far below the grade of any railroad track or tracks upon such railroad property so that neither the proposed project nor any part thereof, including any bridges, abutments, columns, supporting structures and appurtenances, nor any traffic upon it shall interfere in any manner with the use, operation or maintenance of the trains, tracks, works or appurtenances or other property of the railroad nor endanger the movement of the trains or traffic upon the tracks of the railroad. Prior to the institution of condemnation proceedings for such easement over or under such railroad property or right-of-way, plans and specifications of the proposed project showing compliance with the above mentioned above or below grade requirements and showing sufficient and safe plans and specifications of such overhead or underground structure and appurtenances shall be submitted to the railroad for examination and approval. If the railroad fails or refuses within 30 days to approve the plans and specifications so submitted, the matter shall be submitted to the North Carolina Utilities Commission whose decision, arrived at after due consideration in accordance with its usual procedure, shall be final as to the sufficiency and safety of such plans and specifications and as to such elevations or distances above or below the tracks. Such overhead or underground structure and appurtenances shall be constructed only in accordance with such plans and specifications and in accordance with such elevations or distances above or below the tracks so approved by the railroad or the North Carolina Utilities Commission as the case may be. A copy of the plans and specifications approved by the
railroad or the North Carolina Utilities Commission shall be filed as an exhibit with the petition for condemnation.

Whenever it shall be found necessary to cross any electric power or telephone or telegraph lines, any powers of condemnation or eminent domain may be exercised only to acquire an easement thereover without any unnecessary interference with the continued use and operation of such lines. The Authority shall pay any and all costs which may be necessary to make such crossings reasonably safe and usable. If the Authority and the owner of such power, telephone or telegraph lines are unable to agree upon the terms and conditions as to the payment of damages and costs involved in such matters, and the way and manner in which such crossings shall be made, this shall be determined by the North Carolina Utilities Commission upon petition filed by the Authority and after notice and hearing as to the other utilities concerned, in accordance with such rules and procedures as may be prescribed by the said Commission. Before using such easement as may be acquired by the Authority as herein provided it shall fully comply with such agreement as shall be made by it with any such utility or fully comply with any conditions set forth in the order of condemnation. In the event any land which is used for agricultural purposes is condemned for the location thereon of any highway under the provisions of this Act which would divide one part of such agricultural land from another part thereof, the Authority shall pay all the damages to such land caused from the taking of such part thereof as shall be used for such highway and in addition thereto the damages resulting from dividing such agricultural land so that one part thereof will not be accessible to the other. If the owner of such land shall be dissatisfied with the amount of damages assessed to be paid for the taking of such property, he shall have a right to demand that the value of the whole tract of agricultural land, including woodland used as a part thereof, shall be valued and the Authority shall be required to pay in lieu of damages for condemnation of such highway thereunder the total value of such property upon conveyance of the same in fee simple, free from encumbrances, to the Authority. The owner of such property shall, however, have the option at any time to accept the damages assessed for the taking of the land or the total valuation of said property as hereinbefore provided.

Sec. 7. Incidental Powers. The Authority shall have power to construct grade separations at intersections of any turnpike project with public highways and to change and adjust the lines and grades of such highways so as to accommodate the same to the design of such grade separation. The cost of such grade separations and any damage incurred in changing and adjusting the lines and grades of such highways shall be ascertained and paid by the Authority as a part of the cost of such turnpike project.

If the Authority shall find it necessary to change the location of any portion of any public highway, it shall cause the same to be reconstructed at such location as the Authority shall deem most favorable and of substantially the same type and in as good condition as the original highway. The cost of such reconstruction and any damage incurred in changing the location of any such highway shall be ascertained and paid by the Authority as a part of the cost of such turnpike project.
Any public highway affected by the construction of any turnpike project may be vacated or relocated by the Authority in the manner now provided by law for the vacation or relocation of public roads, and any damages awarded on account thereof shall be paid by the Authority as a part of the cost of such project; provided where any part of an existing public road is vacated, no charge may be made for the use of such vacated public road where the same becomes a part of a turnpike project.

In addition to the foregoing powers the Authority and its authorized agents and employees may enter upon any lands, waters and premises in the State for the purpose of making surveys, soundings, drillings and examinations as they may deem necessary or convenient for the purposes of this Act, and such entry shall not be deemed a trespass, nor shall an entry for such purposes be deemed an entry under any condemnation proceedings which may be then pending. The Authority shall make reimbursement for any actual damage resulting to such lands, waters and premises as a result of such activities.

The Authority shall also have power to make reasonable regulations for the installation, construction, maintenance, repair, renewal, relocation and removal of tracks, pipes, mains, conduits, cables, wires, towers, poles and other equipment and appliances (herein called "public utility facilities") of any public utility in, on, along, over or under any turnpike project. Whenever the Authority shall determine that it is necessary that any such public utility facility which now are, or hereafter may be, located in, on, along, over or under any turnpike project should be relocated in such turnpike project, or should be removed from such turnpike project, the public utility owning or operating such facilities shall relocate or remove the same in accordance with the order of the Authority; provided, however, that the cost and expenses of such relocation or removal, including the cost of installing such facilities in a new location or new locations, and the cost of any lands, or any rights or interests in lands, and any other rights, acquired to accomplish such relocation or removal, shall be ascertained and paid by the Authority as a part of the cost of such turnpike project. In case of any such relocation or removal of facilities, the public utility owning or operating the same, its successors or assigns, may maintain and operate such facilities, with the necessary appurtenances, in the new location or new locations, for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate such facilities in their former location or locations.

The State hereby consents to the use of all lands owned by it, including lands lying under water, which are deemed by the Authority to be necessary for the construction or operation of any turnpike project; provided no public property may be used except upon the approval of the State Highway and Public Works Commission, and with the consent of the Governor and the Council of State acting together.

Sec. 8. Turnpike Revenue Bonds. The Authority is hereby authorized to provide by resolution, at one time or from time to time, for the issuance of turnpike revenue bonds of the Authority for the purpose of paying all or any part of the cost of any one or more turnpike projects. The principal of and the interest on such bonds shall be payable solely from the
funds herein provided for such payment. The bonds of each issue shall be
dated, shall bear interest at such rate or rates not exceeding five per centum
(5%) per annum, shall mature at such time or times not exceeding forty
years from their date or dates, as may be determined by the Authority,
and may be made redeemable before maturity, at the option of the Au-
thority, at such price or prices and under such terms and conditions as
may be fixed by the Authority prior to the issuance of the bonds. The
Authority shall determine the form of the bonds, including any interest
coupons to be attached thereto, and shall fix the denomination or de-
nominations of the bonds and the place or places of payment of principal
and interest, which may be at any bank or trust company within or with-
out the State. The bonds shall be signed by the Chairman of the Authority
or shall bear his facsimile signature, and the official seal of the Authority
shall be impressed thereon and attested by the Secretary-Treasurer of the
Authority, and any coupons attached thereto shall bear the facsimile signa-
ture of the Chairman of the Authority. In case any officer whose signature
or a facsimile of whose signature shall appear on any bonds or coupons
shall cease to be such officer before the delivery of such bonds, such signa-
ture or such facsimile shall nevertheless be valid and sufficient for all pur-
poses the same as if he had remained in office until such delivery. All
bonds issued under the provisions of this Act shall have and are hereby
declared to have all the qualities and incidents of negotiable instruments
under the negotiable instruments law of the State. The bonds may be
issued in coupon or in registered form, or both, as the Authority may de-
termine, and provision may be made for the registration of any coupon
bonds as to principal alone and also as to both principal and interest, and
for the reconversion into coupon bonds of any bonds registered as to both
principal and interest. The Authority may sell such bonds in such manner
and for such price as it may determine will best effect the purposes of
this Act.

The proceeds of the bonds of each issue shall be used solely for the
payment of the cost of the turnpike project or projects for which such
bonds shall have been issued, and shall be disbursed in such manner and
under such restrictions, if any, as the Authority may provide in the resolu-
tion authorizing the issuance of such bonds or in the trust agreement here-
inafter mentioned securing the same. If the proceeds of the bonds of any
issue, by error of estimates or otherwise, shall be less than such cost, addi-
tional bonds may in like manner be issued to provide the amount of such
deficit, and, unless otherwise provided in the resolution authorizing the
issuance of such bonds or in the trust agreement securing the same, shall
be deemed to be of the same issue and shall be entitled to payment from
the same fund without preference or priority of the bonds first issued. If
the proceeds of the bonds of any issue exceed such cost, the surplus
shall be deposited to the credit of the sinking fund for such bonds.

Prior to the preparation of definitive bonds, the Authority may, under
like restrictions, issue interim receipts or temporary bonds, with or with-
out coupons, exchangeable for definitive bonds when such bonds shall have
been executed and are available for delivery. The Authority may also pro-
vide for the replacement of any bonds which shall become mutilated or
shall be destroyed or lost. Bonds may be issued under the provisions of this Act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this Act.

Sec. 9. Trust Agreement. In the discretion of the Authority any bonds issued under the provisions of this Act may be secured by a trust agreement by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution providing for the issuance of such bonds may pledge or assign the tolls and other revenues to be received, but shall not convey or mortgage any turnpike project or any part thereof. Such trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to the acquisition of property and the construction, improvement, maintenance, repair, operation and insurance of the turnpike project or projects in connection with such bonds shall have been authorized, the rates of toll to be charged, and the custody, safeguarding and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such trust agreement may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action by bondholders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of the operation of the turnpike project or projects.

Sec. 10. Revenues. The Authority is hereby authorized to fix, revise, charge and collect tolls for the use of each turnpike project and the different parts or sections thereof, and to contract with any person, partnership, association or corporation desiring the use of any part thereof, including the right-of-way adjoining the paved portion, for placing thereon telephone, telegraph, electric light or power lines, gas stations, garages, stores, hotels, and restaurants, or for any other purpose except for tracks for railroad or railway use, and to fix the terms, conditions, rents and rates of charges for such use; provided that a sufficient number of gasoline stations should be authorized to be established in each service area along any such turnpike project to permit reasonable competition by private business in the public interest. Such tolls shall be so fixed and adjusted in respect to the aggregate of tolls from the turnpike project or project in connection with which the bonds of any issue shall have been issued as to provide a fund sufficient with other revenues, if any, to pay (a) the cost of maintaining, repairing and operating such turnpike project or projects and
(b) the principal of and the interest on such bonds as the same shall become due and payable, and to create reserves for such purposes. Such tolls shall not be subject to supervision or regulation by any other commission, board, bureau or agency of the State. The tolls and all other revenues derived from the turnpike project or projects in connection with which the bonds of any issue shall have been issued, except such part thereof as may be necessary to pay such cost of maintenance, repair and operation and to provide such reserves therefor as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement in a sinking fund which is hereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due, and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the tolls or other revenues or other money so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Authority. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of such trust agreement. Except as may otherwise be provided in such resolution or such trust agreement, such sinking fund shall be a fund for all such bonds without distinction or priority of one over another.

Sec. 11. Trust Funds. All moneys received pursuant to the authority of this Act, whether as proceeds from the sale of bonds or as revenues, shall be deemed to be trust funds to be held and applied solely as provided in this Act. The resolution authorizing the bonds of any issue or the trust agreement securing such bonds shall provide that any officer with whom, or any bank or trust company with which such moneys shall be deposited shall act as trustee of such moneys and shall hold and apply the same for the purposes hereof, subject to such regulations as this Act and such resolution or trust agreement may provide.

Sec. 12. Remedies. Any holder of bonds issued under the provisions of this Act or any of the coupons appertaining thereto, and the trustee under any trust agreement, except to the extent the rights herein given may be restricted by such trust agreement, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under such trust agreement or the resolution authorizing the issuance of such bonds, and may enforce and compel the performance of all duties required by this Act or by such trust agreement or resolution to be performed by the Authority or by any officer thereof, including the fixing, charging and collecting of tolls.
Refunding bonds with the Authority to ($1,000.00) dollars including then project. Once least Authority and may be convenient to year make shall be treated by law, as transferred and conveyed to any public agency or commission of the State, or acquired by the Authority under the provisions of this Act or upon the income therefrom, and any bonds issued under the provisions of this Act, their transfer and the income therefrom (including any profit made on the sale thereof) shall at all times be free from taxation within the State, except inheritance and gift taxes.

Sec. 14. Miscellaneous. Each turnpike project when constructed and opened to traffic shall be maintained and kept in good condition and repair by the Authority. Each such project shall also be policed and operated by such force of police, tolltakers and other operating employees as the Authority may in its discretion employ.

All private property damaged or destroyed in carrying out the powers granted by this Act shall be restored or repaired and placed in its original condition as nearly as practicable or adequate compensation made therefor out of funds provided under the authority of this Act.

All counties, cities, towns and other political subdivisions and all public agencies and commissions of the State, notwithstanding any contrary provision of law, are hereby authorized and empowered to lease, lend, grant or convey to the Authority at its request upon such terms and conditions as the proper authorities of such counties, cities, towns, political subdivisions, agencies or commissions of the State may deem reasonable and fair and without the necessity for any advertisement, order of court or other action or formality, other than the regular and formal action of the authorities concerned, any real property which may be necessary or convenient to the effectuation of the authorized purposes of the Authority, including public roads and other real property already devoted to public use.

On or before the thirtieth day of January in each year the Authority shall make an annual report of its activities for the preceding calendar year to the Governor. Each such report shall set forth a complete operating and financial statement covering its operation during the year. The Authority shall cause an audit of its books and accounts to be made at least once in each year by certified public accountants and the cost thereof may be treated as a part of the cost of construction or operation of the project.

Any member, agent or employee of the Authority who contracts with the Authority or is interested, either directly or indirectly, in any contract with the Authority or in the sale of any property, either real or personal, to the Authority shall be punished by a fine of not more than one thousand dollars ($1,000.00) or by imprisonment for not more than one year, or both.

Sec. 15. Turnpike Revenue Refunding Bonds. The Authority is hereby authorized to provide by resolution for the issuance of turnpike revenue refunding bonds of the Authority for the purpose of refunding any bonds then outstanding which shall have been issued under the provisions of this
Act, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and, if deemed advisable by the Authority, for the additional purpose of constructing improvements, extensions, or enlargements of the turnpike project or projects in connection with which the bonds to be refunded shall have been issued. The Authority is further authorized to provide by resolution for the issuance of its turnpike revenue bonds for the combined purpose of (a) refunding any bonds then outstanding which shall have been issued under the provisions of this Act, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and (b) paying all or any part of the cost of any additional turnpike project or projects. The issuance of such bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the Authority in respect of the same, shall be governed by the provisions of this Act insofar as the same may be applicable.

Sec. 16. Transfer to State. When all bonds issued under the provisions of this Act in connection with any turnpike project or projects and the interest thereon shall have been paid or a sufficient amount for the payment of all such bonds and the interest thereon to the maturity thereof shall have been set aside in trust for the benefit of the bondholders, such project or projects, if then in good condition and repair, shall become part of the State Highway System and shall thereafter be maintained by the State Highway and Public Works Commission free of tolls; provided, however, that the Authority may thereafter charge tolls for the use of any such project and pledge such tolls to the payment of bonds issued under the provisions of this Act in connection with another turnpike project or projects, but any such pledge of tolls of a turnpike project to the payment of bonds issued in connection with another project or projects shall not be effectual until the principal of and the interest on the bonds issued in connection with the first mentioned project shall have been paid or provision made for their payment.

Sec. 17. Preliminary Expenses. To provide for the preliminary expenses of the Authority in carrying out the provisions of this Act the Governor and the Council of State acting together, with the approval of the State Highway Commission, is authorized and empowered to advance and make available to the Authority in either the current or the next succeeding biennium from the Highway Fund an amount not exceeding twenty-five thousand dollars ($25,000.00). Such advance shall not be made unless at the time it is made the Governor and Council of State, and the State Highway and Public Works Commission shall have reasonable grounds for believing that the construction of a toll road by the Authority in this State is desirable and practical and will serve the public interest. All such expenses incurred by the Authority prior to the issuance of turnpike revenue bonds under the provisions of this Act shall be paid by the Authority from such appropriation and charged to the appropriate turnpike project or projects, and the Authority shall keep proper records and accounts showing each amount so charged. Upon the sale of turnpike revenue bonds for any turnpike project or projects, the funds so expended by the Au-
authority in connection with such project or projects shall be reimbursed to the Highway Fund from the proceeds of such bonds.

The Authority is hereby authorized and directed when such appropriation is made available to it to make such surveys and studies of any proposed turnpike project as may be necessary to effect the financing authorized by this Act at the earliest practicable time, and for this purpose to employ such consulting engineers, traffic engineers, legal and financial experts and such other employees and agents as it may deem necessary. To effect the purpose of this Act the State Highway and Public Works Commission shall make available to the Authority all data in its possession and furnish such engineering services as may be possible which may be useful to the Authority in making such surveys and studies and the Commission may furnish such assistance in making investigations and in preparing designs for any turnpike project as may be agreed upon between the Commission and the Authority, the cost of such surveys and expenses incurred by the Commission to be paid by the Authority.

Sec. 18. Additional Method. The foregoing Sections of this Act shall be deemed to provide an additional and alternative method for the doing of the things authorized thereby, and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing; provided, however, that the issuance of turnpike revenue bonds or turnpike revenue refunding bonds under the provisions of this Act need not comply with the requirements of any other law applicable to the issuance of bonds.

Sec. 19. Act Liberally Construed. This Act, being necessary for the welfare of the State and its inhabitants, shall be liberally construed to effect the purposes thereof.

Sec. 20. Constitutional Construction. The provisions of this Act are severable, and if any of its provisions shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions.

Sec. 21. All laws and clauses of laws in conflict with the provisions of this Act are hereby repealed.

Sec. 22. This Act shall be in full force and effect upon its ratification. In the General Assembly read three times and ratified, this the 13th day of April, 1951.

CHAPTER 896

AN ACT TO AUTHORIZE A LOAN TO THE ATLANTIC AND NORTH CAROLINA RAILROAD COMPANY, IF FOUND NECESSARY BY THE GOVERNOR AND COUNCIL OF STATE, FOR PART PAYMENT OF THE COST OF REHABILITATION OF THE ROADBED, TRACK AND STRUCTURES AND OTHER PROPERTIES OF THE SAID RAILROAD AND FOR THE ACQUISITION OF ONE OR MORE DIESEL-ELECTRIC LOCOMOTIVES.

WHEREAS, the State of North Carolina has a direct pecuniary interest in the Atlantic and North Carolina Railroad Company by reason of the ownership of approximately seventy-two per cent (72%) of the outstanding capital stock thereof; and

WHEREAS, the State of North Carolina is concerned in the successful operation of the said railroad, by reason of its stock ownership, as well as its interest in having said railroad serve the section of the State through which it operates, and develop the Port of Morehead City, and to serve military transportation requirements; and

WHEREAS, a recent survey of the present condition of the railroad track and equipment indicates that it is desirable and necessary to replace 20 miles of 60 pound rail with 85 pound rail, to replace the foundations under the drawbridge at Trent River at New Bern, North Carolina and to acquire one and possibly two diesel-electric locomotives in order that the railway company may adequately handle the heavy volume and character of traffic which will necessarily be carried thereon incident to the Marine Air Base at Cherry Point as well as serving other naval and military purposes along said railroad; and

WHEREAS, in the year 1939, the Atlantic and North Carolina Railroad, upon recommendation of the Governor, leased its properties to the Atlantic and East Carolina Railway Company for operation, after the first day of September, 1939, and for a period of 25 years thereafter, the lease of said railroad properties providing that the lessee should be required to pay the minimum rent of sixty thousand and five hundred dollars ($60,-
500.00) per annum, and in addition thereto, an amount based upon a graduated scale of gross income; and

WHEREAS, said lease further provided and required that the lessee should maintain the railroad properties in as good repair and condition as when received, and said lessee, up until the present time has substantially complied with the terms of the lease; and

WHEREAS, it is now anticipated by reason of development at the Port of Morehead City, and particularly by reason of the additional military traffic incident to the expansion of the Marine Air Base at Cherry Point, there may be made available to said railroad large movements of freight, which will overtax the capacity of the same in the present condition of its roadbed, track and equipment, and if said development should occur, it would become necessary that there should be an investment of an amount not exceeding five hundred thousand dollars ($500,000.00) in the roadbed, track and properties of said railroad; and

WHEREAS, the Atlantic and East Carolina Railway Company is unable to borrow the funds necessary to advance the maintenance of said properties to meet such requirements; and

WHEREAS, it may become necessary and desirable for the State of North Carolina to lend the Atlantic and North Carolina Railroad Company a sum not exceeding five hundred thousand dollars ($500,000.00) for the purposes aforesaid, said loan, if made, to be paid back to the State by the said railroad and from additional payments made by the operating railroad, the Atlantic and East Carolina Railway Company, by reason of the advances made for said purpose; and

WHEREAS, similar loans of over three hundred thousand dollars ($300,000.00) made under similar terms and conditions in 1942 and 1944 have been regularly repaid on or ahead of schedule, with a balance of only eighteen thousand dollars ($18,000.00) now remaining due on such advances; and

WHEREAS, negotiations are now pending between the Atlantic and North Carolina Railroad and the lessee railroad company, the Atlantic and East Carolina Railway Company, as to said improvements and the manner of paying for the same by increased rentals on said property; and

WHEREAS, the Atlantic and North Carolina Railroad Company and its lessee are not requesting a direct appropriation, but only a loan to be repaid in full, plus interest; and

WHEREAS, the record of the railroad and its lessee demonstrates the ability of the lessee to meet its obligations under the proposed program: Now, therefore,

The General Assembly of North Carolina do enact:

Section 1. That the Governor, by and with the advice of the Council of State, is hereby authorized and empowered, if found by them to be necessary, to make a loan or loans from the General Fund to the Atlantic and North Carolina Railroad Company in a sum not exceeding a total of five hundred thousand dollars ($500,000.00), to be evidenced by the note or notes, bond or bonds of the Atlantic and North Carolina Railroad Company, payable at such rate of interest on such terms and maturities as
may be decided by the Governor, by and with the advice of the Council of State, to be used for the purposes recited in the preamble of this Act.

Sec. 2. The note or notes, bond or bonds of the Atlantic and North Carolina Railroad Company evidencing such loan shall be held by the State Treasurer, as custodian thereof and all payments thereon shall, as made, be credited to the General Fund of the State. Nothing herein contained shall be treated as impairing the authority of the Sinking Fund of the State to acquire the note or notes, bond or bonds evidencing such loan as Sinking Fund investments as authorized by G. S. 142-34 and in case the said securities are acquired by the Sinking Fund, the proceeds shall be credited to the General Fund.

Sec. 3. That if any loan made under the authority of this Act be repaid to the State of North Carolina out of increased rental payments agreed to by the lessee or operating railway company, such special or additional rents shall be deducted from operating revenues in determining the net taxable income of such operating railroad.

Sec. 4. That all laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 5. That this Act shall be in full force and effect from and after its ratification.

In the General Assembly read three times and ratified, this the 13th day of April, 1951.

AN ACT TO REWRITE SECTION 15-189 OF THE GENERAL STATUTES RELATING TO THE TRANSMISSION OF CERTIFIED COPIES OF SENTENCES OF DEATH AND APPEAL ENTRIES TO THE WARDEN OF THE STATE PENITENTIARY AND TO THE ATTORNEY GENERAL'S OFFICE.

The General Assembly of North Carolina do enact:

Section 1. Section 15-189 of the General Statutes is hereby rewritten so that the same shall hereafter read as follows:

"Sec. 15-189. Sentence of death; prisoner taken to penitentiary. Sec. 3. The board of county commissioners in each county in which a county dog warden is appointed under this Act shall establish and maintain a dog pound in each county, the same to be under the supervision of the county dog warden, for the purpose of impounding lost and stray dogs for a period not to exceed 15 days during which time the county dog warden shall make every reasonable effort to locate and give notice to the owners of such dogs, or if such owners cannot be located, to find new owners for such dogs. The dog warden shall keep a permanent bound record of the date on which each dog is impounded, and if at the end of the 15-day period such dogs remain unclaimed by their owners or by prospective owners, such dogs are to be destroyed in a humane manner, under the direct supervision of the county dog warden. Sec. 5. The board of county commissioners in each county having a dog warden as provided in this Act shall appoint a board of appraisers consisting of three men, one to be chosen from among the sheep, livestock or poultry raisers; one from among the fox hunters, and one from the county at large; whose duties it shall be to determine and assess the amount of damage inflicted by dogs in the respective counties. Such damages so determined shall be paid out of the special county dog damage fund of the respective counties. Provided, the boards of commissioners of the several counties shall have the right to settle and pay any claim or claims presented to such board, without appointing a board of appraisers, for such sum or sums as may be agreed upon by the person aggrieved and said board of commissioners.

In case any person shall have received compensation for damages from any county under the provisions of this Act and thereafter such person shall sue the owner of the dog inflicting such damage for recovery of damages by reason thereof, then, in such event, any county having paid any such claims to such claimant arising out of the same depredation shall have the full right of subrogation in any action for damages so instituted.

Sec. 6. In any county in which a dog warden is appointed pursuant to this Act, it shall be unlawful for any person who owns or has custody of a dog to allow such dog to be off the premises of such owner or custodian unless such dog is wearing the collar and metal tag as provided by Section 4 of this Act. 2. Trust Agreement. In the discretion of the municipal corporation
any bonds issued under the provisions of this Act may be secured by a
trust agreement by and between the municipal corporation and a cor-
porate trustee, which may be any trust company or bank having the
powers of a trust company, within or without the State. Such trust
agreement or the resolution providing for the issuance of such bonds
may pledge or assign tolls or other revenues to which the municipal cor-

In addition to the foregoing, any such trust agreement or resolution may contain such provisions as the municipal corporation may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement may be treated as a part of the cost of the operation of the turnpike.

Any pledge of tolls or other revenues or other moneys made by the municipal corporation shall be valid and binding from the time when the pledge is made; the tolls or other revenues or other moneys so pledged and thereafter received by the municipal corporation shall immediately be subject to the lien of such pledge without any physical delivery thereof, or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind, in tort, contract or otherwise, against the municipal corporation, irrespective of whether such parties have notice thereof.

2½. 3. Revenues. The municipal corporation is hereby authorized to fix, revise, charge and collect tolls for the use of the turnpike and the different parts or sections thereof, and to contract with any person, partnership, association or corporation desiring the use of all or any part thereof, including the right-of-way adjoining the paved portion for placing thereon telephone, telegraph, electric light or power lines, provided that a sufficient number of gas stations shall be authorized to be established in each service area along any such turnpike to permit reasonable competition by private

Such tolls shall not be subject to supervision or regulation by any other commission, board, bureau or agency of the State. The use and disposition of tolls and revenues shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust agreement securing the same.

4. The authority of the municipal corporation to construct a toll road or turnpike shall not be limited to the construction of a roadway or highway but shall include the authority to construct a toll road across any body of water, navigable or nonnavigable, within the Counties of Currituck, Dare, Tyrrell, Hyde and Carteret, and the State of North Carolina expressly consents to the construction of such toll road or bridge over and across waters within its jurisdiction when the charter of said municipal corporation provides for such construction.

5. The municipal corporation is hereby authorized to make and enter into a contract or agreement with any other municipal corporation, authority, person, firm or corporation, either within or without the State, containing one or more of the following described provisions:

(a) A provision whereby the municipal corporation shall agree to construct the toll road or turnpike described in its charter, or any amendment thereto, and to maintain and operate it until all revenue bonds issued by the other contracting party to finance the acquisition and construction of any toll road or turnpike joining or connecting with the toll road or turnpike proposed to be constructed by said municipal corporation shall have been paid, or until a sufficient amount for their payment shall have been set aside in trust for the benefit of the holders of said revenue bonds of the other contracting party;

(b) Provisions whereby the municipal corporation and the other contracting party shall agree to act as agent, each for the other, in the collection of tolls for vehicular traffic using both the toll road or turnpike constructed by the municipal corporation and the toll road or turnpike constructed by the other contracting party;

(c) Provisions under which tolls collected by either the municipal corporation or the other contracting party for traffic over either the toll road, turnpike or bridge constructed by the municipal corporation or the toll road, turnpike or bridge constructed by the other contracting party shall be apportioned between the municipal corporation and the other contracting party on the basis of their respective costs of construction, operation, maintenance and debt service, or on any other equitable basis; and

(d) Such other provisions as may be reasonable and proper and not in violation of law to assure the construction, maintenance and operation of the toll road, turnpike or bridge constructed by the municipal corporation and the toll road, turnpike or bridge constructed by the other contracting party, and the payment of the revenue bonds issued to finance said construction.”
Sec. 3. All laws and clauses of laws in conflict with this Act are hereby repealed.

this Act, and the rules and regulations prescribed hereunder; inspect all
institutions, departments, offices, places, positions and employments
affected by this Act; and ascertain whether this Act and all such rules
and regulations are being obeyed. Not only must these investigations be
made by the commission aforesaid, but the commission shall make like investigation on petition of a citizen, duly verified, stating that irregularities or abuses exist, or setting forth in concise language, in writing, the claimed necessity for such investigation. In the course of such investigation the commission, or a designated commissioner, shall have the power to administer oaths, subpoena and require the attendance of witnesses and the production by them of books, papers, documents, and accounts pertaining to the investigation, and also to cause the deposition of witnesses residing within or without the State to be taken in the manner prescribed by law for depositions in civil actions in the Superior Court of North Carolina; and the oaths administered and the subpoenas issued hereunder shall have the same force and effect as oaths administered in the Superior Court, and the failure upon the part of any person so subpoenaed to comply with the provisions of this Section shall be deemed contempt in violation of this Act, and punishable as such, upon trial and conviction in a court of competent jurisdiction.

(e) Hearings and Investigations; How Conducted. All hearings and investigations before the commission, or a designated commissioner, shall be governed by this Act and by the rules of practice and procedure to be adopted by the commission, and in the conduct thereof neither the commission nor designated commissioner shall be bound by the technical rules of evidence. No informality in any proceedings or hearings, or in the manner of taking testimony before the commission, or a designated commissioner, shall invalidate any order, decision, rule or regulation made, approved or confirmed by the commission; provided however, no order, decision, rule or regulation made by any designated commissioner conducting any hearings or investigation alone shall be of any force or effect whatsoever unless and until concurred in by at least one of the other two members.

(f) The commission shall prepare a roster of the employees in classified services as herein defined and shall maintain a copy thereof on display on the bulletin board in the classified service affected showing the names, ranks and numbers of the employees in their proper order by reason of seniority established by continuous service in said department. Terms of leaves of absence granted by the commission hereby created upon recommendation of the director of the department (or foreman of a department in which authority is delegated to a foreman) shall not forfeit the seniority of the member granted leave under this Act nor be charged against such member in his order of seniority.

(g) To provide for, formulate and hold competitive tests to determine the relative qualifications of persons who seek employment in any class or position, and as a result thereof establish eligible lists for the various classes of positions, and to provide that employees laid off because of curtailment of expenditures, reductions in force and for like causes, shall be the last person or persons, including probationers, that have been employed. Such removal shall be accomplished by laying off in numerical order, commencing with the last man employed within the classified service, until such necessary reductions shall have been accomplished; provided, further, that in the event that the employees in the classified
services shall be again increased in numbers, the employees laid off shall be reinstated before any new appointments to said classified services shall be made.

(h) When a vacant position is to be filled, to certify to the appointing authority, on written request, the names of the person or persons highest on the eligible list for the class. If there are no such lists, to authorize provisional or temporary appointment lists of such class. Such temporary or provisional appointment shall not continue for a period longer than four months; nor shall any person receive more than one provisional appointment or serve more than four months as a provisional appointee in any one fiscal year.

(i) To keep such records as may be necessary for the proper administration of this Act.

(j) The commission shall on or before the 30th day of January, of each year, submit to the Mayor for transmission to the city council a report showing its actions, the rules in force, the practical effect thereof, and any suggestions it may approve for the more effectual accomplishment of the purposes of this Act. The mayor may require a report from the commission at any other time.

Sec. 6. Appointments, Promotions, Discharges, etc., How Made. All appointments to and promotions in the classified services shall be made on the basis of seniority, qualification, fitness, efficiency and previous work performance which shall be determined by open competitive examination and impartial investigation. To this end all applicants shall take an open competition examination as provided for in subsection (b) of Section 5 of this Act, and those members making a passing grade of 70 shall be declared eligible for each position or promotion. A list of those passing the mental examination shall be made in which the order of appointment shall be governed by the order of seniority within a class of all applicants passing said examination, to the end that the person making a passing grade with the greatest seniority within a class shall be number one on the eligible list for appointment; the person with the second greatest seniority, shall be number two on the list of eligibles within a class, and so on down their respective sequence of seniority; and the same shall be their relative standing in order for appointment.

Sec. 7. It shall be the duty of and the commission is hereby vested with the power and authority, as soon as practicable after being inducted into office, to establish job classifications among the various departments and employees affected by the provisions of this Act, using as a guide job classifications adopted by Civil Service Commissions in other municipalities in the U. S., and by way of illustration but not restriction as to other classifications the following shall be made: Foreman, truck drivers, mechanics, machine operators, cement finishers, brick and rock layers, skilled labor, semi-skilled labor and common labor.

Sec. 8. Adoption and Induction of Present Employees into Civil Service for the Benefit of Public Service and to Prevent Delay, Injury or Interruption Therein by Reason of Enactment. All persons holding positions or employment in the classified services, including the foremen thereof when this Act takes effect, who have served in such position a period of at
least six months last past continuously, are hereby declared eligible for permanent appointment under Civil Service to the offices, places, positions or employments which they shall then hold, respectively, without examination or other act on their part, and not on probation; and every such person is hereby automatically adopted and inducted permanently into Civil Service, into the place, position or employment which such person then holds as completely and effectually to all intents and purposes as if such person had been permanently appointed thereto under Civil Service after examination and investigation, subject, however, to removal for cause as hereinafter provided.

Sec. 9. Applicants.

An applicant for a position of any kind under Civil Service must be a citizen of the United States of America, who can read and write the English language, and must have been a resident of the City of Asheville for at least one year preceding the date of application, and a qualified voter thereof, if of voting age.

An applicant for a position or employment of any kind under Civil Service must be in ordinary good health, of good moral character, and of temperate and industrious habits; and qualified for such employment; these facts to be ascertained in such manner as the commission may deem advisable.

Sec. 10. Tenure of Office of Civil Service Employees, and Causes and Manner of Discharge. Any person holding office, place, position or employment in any of the classified services and subject to the provisions of this Act, may be removed, discharged, suspended without pay, demoted, reduced in rank, or deprived of vacation privileges or other special privileges for any one or more of the following reasons:

(a) Dishonesty, intemperance, immoral conduct, insubordination, refusal to perform reasonable work to which assigned or any other act of omission or commission in the course of the employment tending to injure the public service.

(b) Willful failure on the part of the employee (1) to conduct himself in a proper manner consistent with established standards of the position or office to which assigned; or (2) willful failure to do the work to which assigned; or (3) any other willful violation of the provisions of this Act or the rules and regulations adopted hereunder;

(d) Any other act or failure to act which in the judgment of the Civil Service Commissioners is sufficient to show the offender to be an unsuitable and unfit person to be employed in the public service.

Sec. 11. Removal. No person in the classified civil service who shall have been permanently appointed or inducted into Civil Service under provisions of this Act, shall be removed, suspended, or discharged except for cause, and only upon the written accusation of the employing power, a citizen, or a taxpayer, a written statement of which accusation, in general terms, shall be served upon the accused, and a duplicate copy thereof

The director or foreman if such authority is delegated, may orally suspend, discharge or remove a member of his department pending the confirmation of the suspension, discharge or removal by the regular appointing power under this Act, but written report of such suspension, discharge or removal shall be made to the commission. Any person so removed, suspended or discharged, may within 10 days from the time of his removal, suspension or discharge, file with the commission a written demand for an investigation, whereupon the commission shall conduct such investigation. After such investigation the commission may, if in its judgment the evidence is sufficient, affirm the removal, suspension or discharge, or if it shall find that the removal, suspension, or discharge was made for political reasons, or was not made in good faith for cause, shall order the immediate reinstatement or re-employment of such person in the office, place, position or employment from which such person was removed, suspended or discharged, which reinstatement, if the commission in its discretion so provides, shall be retroactive, and shall entitle such person to pay or compensation from the time of such removal, suspension or discharge. The commission upon such investigation, in lieu of affirming the removal, suspension or discharge, may modify the order of removal, suspension or discharge by directing a suspension, without pay, for a given period, and subsequent restoration of duty, grade or pay; the findings of the commission shall be certified, in writing, to the employing authority of the city, and shall be forthwith enforced by such officer.

All investigations made by the commission or a designated commissioner, pursuant to the provisions of this Section, shall be by public hearing, after reasonable notice to the accused of the time and place of such hearing, at which the accused shall be afforded an opportunity of appearing in person and by counsel, and presenting his defense. At any such hearing the testimony of all witnesses shall be taken in writing and a record made of all proceedings, including the commission's findings of fact and its final order. The final order shall be signed by not less than two commissioners indicating concurrence therein. From said final order the accused may appeal to the Superior Court of Buncombe County, which appeal shall be taken within 10 days after the entry of such order by serving the commission with a written notice of appeal, stating the grounds thereof, and demanding that a certified transcript of the record and of all papers on file in the office of the commission affecting or relating to such order, be filed by the commission in such court. The commission shall, within 10 days after the filing of such notice, make, certify, and file such transcript with such court. The Superior Court shall thereupon proceed to hear and determine such appeal; provided, however, that such hearing shall be confined to the determination of whether the order of the removal, discharge or suspension made by the commission, was or was not made in good faith for cause, and no appeal to such court shall be taken except upon such ground or grounds.

Sec. 14. Creation of Employments and Fixing of Compensation. Nothing contained in this Act shall infringe upon the power and authority of the governing body of the City of Asheville to fix the salaries and compensation, hours of labor and work assignments of all persons employed hereunder and the provisions of this Act shall not apply to casual laborers or employees, who may be employed in time of emergency, such as fire, flood, inclement weather, including snow falls and ice conditions, nor to seasonal employees hired for temporary employment during the summer season, but whenever a person is on the certified list for employment and available in the proper classification such person shall have priority over one who is not, except casual summer employees at the City Parks.

Sec. 15. Leave of Absence. Leave of absence without pay may be granted by the commission upon the recommendation of the director superintendent, or foreman of a department. The Civil Service Commission may require that all temporary employment caused by leave of absence be made from the eligible list of the classified service by requisition and certification in the same manner as other appointments; all temporary appointees to serve on probation as otherwise herein provided.

Sec. 16. False Marking, Grading, etc., Prohibited. AN ACT TO AUTHORIZE LOCAL SCHOOL ADMINISTRATIVE UNITS TO USE TAX FUNDS OR OTHER FUNDS AVAILABLE TO PROVIDE THE NECESSARY FACILITIES TO MAKE POSSIBLE REALISTIC TRAINING FOR VOCATIONAL BUILDING TRADES CLASSES INCLUDING CARPENTRY, BRICKLAYING, PLUMBING, PAINTING, AND OTHER TRADES REPRESENTED IN THE CONSTRUCTION OF A COMPLETE BUILDING.

WHEREAS, there is a recognized need for skilled workers for the building trades throughout the State; and
WHEREAS, the vocational instruction conducted in senior high schools is a contributing agent in the training of building tradesmen whereby the period of apprenticeship may be shortened; and
WHEREAS, it is a requirement, when vocational funds are used for the teaching of building trades classes, that at least three hours daily be used in learning by doing practical work; and
WHEREAS, it is possible, under present circumstances, to provide this type of training only by practice projects; and
WHEREAS, the training could be made much more effective and realistic if the training could be given on a practical project, which can be provided only by the planning and construction of a complete building, such as a dwelling house or other small structure; Now, therefore, The General Assembly of North Carolina do enact:

Section 1. Local school administrative units are authorized to use local tax funds or other local funds available for the support of vocational education to purchase suitable building sites on which dwellings or other buildings are to be constructed by vocational building trades classes. Such school administrative units are authorized to use such funds to pay any fees necessary in securing and recording deeds to such property and to purchase all materials needed to complete the construction of buildings by vocational building trades classes: Provided, however, that the cost of materials for any one project shall not exceed $7,000.00 and not more than one project may be undertaken within one school year.

Sec. 2. Local school administrative units are authorized to expend such funds in acquiring skilled services, including electrical, plumbing, heating, sewer, water, transportation, grading and landscaping needed in the construction and completion of buildings beyond those which can be supplied by the students in such vocational trades classes.

Sec. 3. When any such building is completed, the governing body of the local school administrative unit, upon finding that such building is not needed for public school purposes, shall sell the same at public auction after due advertisement of said property for the period of time and in like manner as to places and publication in newspapers as now prescribed for sales of real estate under deeds of trust and if no raised or increased bid is made within ten (10) days after the date of sale, the chairman and secretary of the governing body of such unit may execute a deed to the purchaser. The proceeds from the sale of such projects may be kept in a revolving fund by said unit to be used in succeeding years to finance similar building projects; provided the governing board of the administrative unit may allocate from the profits from such projects funds to purchase equipment needed by the building trades classes. In case this type of activity is abandoned, the moneys accumulated shall be paid into the school fund of the county or city administrative unit from which the original appropriation was made. After the sale of any such property, as herein provided for, has been had and in the opinion of the governing board the amount offered for the property, either at the first or any subsequent sale, is inadequate, then, upon a finding of such fact by the board, the said board is authorized to reject such bid.

Sec. 4. Five persons residing within the administrative unit shall be appointed by the governing board of the administrative unit to serve as an advisory committee on the construction of projects described in this Act.

Sec. 5. No project of a nature described in this Act shall be undertaken without the approval of a majority of the advisory committee referred to in Section 4.
Sec. 6. Nothing in this Act shall be construed as limiting or prohibiting any projects now being carried on in vocational departments and utilizing resources or funds not specifically mentioned herein.

Sec. 6½. This Act shall not apply to Guilford, Rockingham, Rutherford, Durham Counties.

CHAPTER 1010

AN ACT TO DEFINE THE DUTIES OF THE STATE AUDITOR.

The General Assembly of North Carolina do enact:

Section 1. Section 147-58 of the General Statutes is hereby repealed and in lieu thereof said Section shall be rewritten so as to read as follows:

"G. S. 147-58. Duties and Authority of the Auditor. The duties and authority of the State Auditor shall be as herein set out:

1. The Auditor shall be responsible for keeping a record of the appropriations, allotments, expenditures, and revenues of each State department, institution, board, commission, officer, or other agency in any manner handling State funds. These records shall be kept in summary form, or in as much detail as the Auditor may deem advisable.

2. The Auditor shall have the exclusive power and authority to issue all warrants for the payment of money upon the State Treasurer; and it shall be the Auditor's duty, before issuing the same, to examine the laws authorizing the payment thereof, and satisfy himself of the correctness of the accounts of persons applying for warrants. He shall also file in his office the voucher upon which the warrant is drawn and cite the law upon
said warrant. When considered expedient, due to its size or location, a department or institution may make expenditures through a disburse-
ing account with the State Treasurer; provided that all deposits in disbursement accounts shall be by Auditor's warrant, or otherwise, when approved by the Auditor; and further provided that copy of each voucher making with-
drawals from this account, together with such supporting data as may be required by the Auditor shall be forwarded to the Auditor monthly or otherwise when required by the Auditor.

3. The Auditor shall audit annually, and at such other times as may be deemed expedient, the accounts of every State department, officer, board, commission, institution, or other agency, having the responsibility for the handling of any State funds. The Auditor shall, at such times as may be deemed expedient, audit all funds held by any institution or State agency or any funds under the control of the administration of any institution or agency except athletic funds. The Auditor shall, at such times as may be deemed expedient, audit the records of all performances staged on State property under direction of any State agency or wherein any State agency shares in a percentage of gross admission receipts. The Auditor may audit at such times as he deemed expedient the accounts of any private or semi-
private agency receiving State aid; provided this shall not affect the opera-
tion and validity of Section 143-20 of the General Statutes.

If the Auditor shall at any time discover any unauthorized, illegal, irreg-
ular, or unsafe handling or expenditure of State funds, or if at any time it shall come to his knowledge that any unauthorized, illegal, irregular, or unsafe handling or expenditure of State funds is contemplated but not con-
summated, in either case, he shall forthwith lay the facts before the Governor.

4. The Auditor shall make special investigations upon commission from the Governor.

5. Upon completion of each audit and investigation, the Auditor shall prepare a report of his findings and recommendations. He shall furnish one copy to the Budget Bureau, one copy to the head of the agency to which the report pertains, and copies to such persons as he may deem advisable.

6. The Auditor shall keep an account between the State and the Treas-
urer, and therein charge the Treasurer with the balance in the treasury when he came into office, and with all moneys received by him, and credit him with all warrants drawn or paid by him.

7. The Auditor shall examine as often as may be deemed necessary the accounts of the debits and credits in the bank book kept by the Treasurer, and if he discovers any irregularity or deficiency therein, unless the same be rectified or explained to his satisfaction, to report the same forthwith, in writing to the Governor.

8. The Auditor shall require, when deemed necessary, all persons who have received moneys or securities, or have had the disposition or manage-
ment of any property of the State, to render statements thereof to him; and all such persons shall render such statements at such time and in such form as he shall require.
9. The Auditor shall require all persons who have received any moneys belonging to the State, and who have not accounted therefor, to settle their accounts; upon failure of any person to settle accounts, the Auditor is authorized and directed to call the matter to the attention of the Attorney General and furnish such information as he may direct.

10. The Auditor shall liquidate the claims of all persons against the State, in cases where there is sufficient provision of law for the payment thereof; and where there is no sufficient provision, to examine the claim and report the fact, with his opinion thereof, to the General Assembly.

11. The Auditor shall report to the Governor annually, and to the General Assembly at the beginning of each biennial session thereof, a complete statement of the funds of the State, of its revenues and of the public expenditures during the preceding fiscal year.

12. The Auditor may examine the accounts and records of any bank or trust company relating to transactions with the State Treasurer, or with any State department, institution, board, commission, officer, or other agency, or he may require banks doing business with the State to furnish him information relating to transactions with the State or State agencies.

13. The Auditor and his authorized agents shall have access to and may examine all books, accounts, reports, vouchers, correspondence, files, records, money, investments, and property of any State department, institution, board, commission, officer, or other agency as it relates to the handling of State funds. Every officer or employee of any such agency having such records or property in his possession or under his control shall permit access to and examination of them upon the request of the Auditor or any agent authorized by him to make such request. Should any officer or employee fail to perform the requirements of this Section, he shall be guilty of a misdemeanor. The Auditor and his authorized agents are authorized to examine all books and accounts of any individual, firm, or corporation only insofar as it relates to transactions with any department, board, officer, commission, institution, or other agency of the State; provided that such examination shall be limited to those things which might relate to irregularities on the part of any department, board, officer, employee, commission, institution or other State agency.

14. The Auditor shall supervise the bookkeeping and accounting system in use by any of the State departments, boards, officers, commissions, institutions and agencies. The Auditor may, as often as he deems advisable, make a detailed examination of such bookkeeping and accounting system in use and advise them of necessary improvement in the accounting procedure. Any State department, board, commission, institution, or agency which plans to change its accounting system must first submit their plan to the Auditor and the Director of the Budget and obtain approval in accordance with provision of G. S. 143-22. In devising systems of accounting, the Auditor and Director of the Budget shall take into consideration the checks and balances necessary to safeguard the receipt, disbursement, and custody of State funds.

15. Should any of the officers and/or employees of a State department or institution refuse or neglect to adopt such system of accounting as the
Auditor and the Director of the Budget may devise, adopt, and promulgate, then upon suit of the Attorney General a writ of mandamus will lie to compel such adoption, and it shall be the duty of the Attorney General to forthwith institute such suit in any such case.

16. The Auditor, or his deputy, while conducting an examination authorized by these Sections, shall have the power to administer oath to any person whose testimony may be required in any such examination, and to compel the appearance and attendance of such person for the purpose of such an examination. If any person shall willfully swear falsely in such an examination, he shall be guilty of perjury.

17. The Auditor may appoint a deputy Auditor to perform any duties pertaining to the office, and he may appoint a deputy Auditor for any specific purpose; provided that any deputy so appointed shall not be authorized to transfer authority to any other person.

18. Nothing under this Article shall be construed to affect the right of the Director of the Budget to require information from State agencies as set out in Section 143-9.

Sec. 2. G. S. 143-106 and G. S. 143-107 are hereby repealed and in lieu thereof the said Sections are hereby rewritten so as to read as follows:

"G. S. 143-106. Blank forms of licenses, etc., to be delivered to State Auditor; monthly report to Auditor; spoiled and damaged forms. The Auditor shall have the authority to require State departments and institutions to furnish him with complete information as to all blank forms of licenses, tags, or certificates received by them. At his request, the State departments or agencies issuing and delivering licenses, tags, or certificates shall furnish the Auditor with complete copies or lists of such issuances. If there be any of such blank license forms, tags, or certificates spoiled or in any way damaged so as to be incapable of being used, all such spoiled license forms, tags, or certificates shall be kept by such department or agency subject to the audit and inspection of the Auditor. Any license forms, tags, or certificates being used by the department or agency as a printer's copy, or in any other way being used for a sample, shall be first marked "void" in bold letters on the face of the form. These voided licenses or certificates shall be presented to the Auditor or his representatives before being released. The Auditor may, at his discretion, allow the use of unnumbered license forms or certificates provided the number and amount is entered thereon by an accounting or bookkeeping machine meeting his approval."

Sec. 3. G. S. 147-60 is hereby repealed and in lieu thereof the said Section is hereby rewritten so as to read as follows:

"G. S. 147-60. Surrender of barred warrant; issue of new warrant. Any person, firm or corporation holding a warrant drawn by the Auditor which cannot be paid because of the provisions of Section 147-59 and 147-61 of the General Statutes of North Carolina may present the same to the Auditor, and upon satisfactory proof that such person, firm or corporation is the owner thereof and is entitled to have and receive the proceeds of such warrant and that the obligations for which the warrant is drawn is a subsisting obligation against the State of North Carolina, may surrender said
warrant to the Auditor and cancel the same, whereupon the Auditor is authorized and empowered to issue another warrant for like amount in lieu thereof; or in his discretion, he may validate the original warrant."

Sec. 4. Nothing contained in this Act shall be construed to be in conflict with the Executive Budget Act, General Statutes 143-1 through 143-47 and all other laws and clauses of laws in conflict with the provisions of this Act are hereby repealed.

Sec. 5. This Act shall be in full force and effect from and after its ratification.

S. B. 305  CHAPTER 1015
AN ACT FOR THE CREATION AND ENFORCEMENT OF RIGHTS AND REMEDIES IN THE INTEREST OF PERSONS WHO SUSTAIN DAMAGES RESULTING FROM THE NEGLIGENT OPERATION OF MOTOR VEHICLES BY MUNICIPAL CORPORATIONS.

The General Assembly of North Carolina do enact:

Section 1. The governing body of any incorporated city or town, by securing liability insurance as hereinafter provided, is hereby authorized and empowered, but not required, to waive its governmental immunity from liability for any damage by reason of death, or injury to person or property, proximately caused by the negligent operation of any motor vehicle by an officer, agent or employee of such city or town when acting within the scope of his authority or within the course of his employment. Such immunity is waived only to the extent of the amount of the insurance so obtained. Such immunity shall be deemed to have been waived in the absence of affirmative action by such governing body.
Sec. 2. The contract of insurance purchased pursuant to this Act must be one issued by a company or corporation duly licensed and authorized to execute insurance contracts in this State, and must by its terms adequately insure such city or town against any and all liability for any damage by reason of death, or injury to person or property, proximately caused by the negligent operation of any motor vehicle by an officer, agent or employee of such city or town when acting within the scope of his authority or within the course of his employment. Any company or corporation which enters into a contract of insurance as above described with an incorporated city or town, by such act, waives any defense based upon the governmental immunity of the incorporated city or town from liability.

Every incorporated city and town is authorized and empowered to pay, as a necessary expense, the lawful premiums for such insurance out of the general tax revenues or other appropriate funds of such incorporated city or town.

Sec. 3. Any person sustaining damage, or in case of death, his personal representative, may sue an incorporated city or town insured as provided by this Act for the recovery of such damages in any court of competent jurisdiction in this State, in the county where such city or town is located; and it shall be no defense to any such action that the operation of such motor vehicle by such officer, agent or employee, was in pursuance of a governmental, municipal, or discretionary function of said city or town if, and to the extent, such city or town has insurance coverage as provided by this Act.

Except as hereinbefore expressly provided, nothing in this Act shall be construed to deprive any city or town of any defense whatsoever to any such action for damages, or to restrict, limit or otherwise affect any such defense, which said city or town may have at common law or by virtue of any Statute (whether general, special, private or local); and nothing in this Act shall be construed to relieve any person sustaining damages, or any personal representative of any decedent, from any duty to give notice of such claim to the incorporated city or town, or to commence any civil action for the recovery of damages, within the applicable period of time prescribed or limited by Statute.

Sec. 4. An incorporated city or town may incur liability pursuant to this Act only with respect to a claim arising after such city or town has procured liability insurance pursuant to this Act and during the time when such insurance is in force.

Sec. 5. No part of the pleadings which relate to or alleges facts as to a defendant's insurance against liability shall be read or mentioned in the presence of the trial jury in any action brought pursuant to this Act. Such liability shall not attach unless the plaintiff shall waive the right to have all issues of law or fact relating to insurance in such an action determined by a jury and such issues shall be heard and determined by the judge without resort to a jury and the jury shall be absence during any motions, arguments, testimony or announcement of findings of fact or conclusions of law with respect thereto unless the defendant shall ask for a jury trial thereon.
No plaintiff to an action brought pursuant to this Act nor counsel, nor witness therefor, shall make any statement, ask any question, read any pleadings or do any other act in the presence of the trial jury in such case so as to indicate to any member of the jury that the defendant's liability would be covered by insurance, and if such is done order shall be entered of mistrial.

Sec. 6. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 7. This Act shall become effective July 1, 1951.

In the General Assembly read three times and ratified, this the 14th day of April, 1951.

STATUTES OF NORTH CAROLINA SO AS TO PROVIDE FOR RE-
COVERY OF OLD-AGE ASSISTANCE PAYMENTS.

The General Assembly of North Carolina do enact:

Section 1. Article 3 of Chapter 108 of the General Statutes of North
Carolina is hereby amended by adding additional Sections as follows:

"108-30.1. Lien on real property. There is hereby created a general
lien, enforceable as hereinafter provided, upon the real property of any
person who is receiving or who has received old-age assistance, to the ex-
tent of the total amount of such assistance paid to such recipient from
and after October 1, 1951. Before any application for old-age assistance
is approved under the provisions of this Article, the applicant shall agree
that all such assistance paid to him shall constitute a claim against him
and against his estate, enforceable according to law by any county paying
all or part of such assistance. Such agreement may be contained in the
application signed by the applicant. Any time after the approval of an
old-age assistance grant, a statement showing the name of the recipient
and the date of approval of the application shall be filed in the office of
the Clerk of the Superior Court in each county in which such recipient
then owns or later acquires real property. The statement shall be filed
in the regular lien docket and shall be cross indexed showing the name of

as owner. From the time of filing, such statement shall be and constitute
due notice of a lien against the real property then owned or thereafter
acquired by the recipient and lying in such county to the extent of the
total amount of old-age assistance paid to such recipient from and after
October 1, 1951. The lien thus established shall take priority over all other
liens subsequently acquired and shall continue from the date of filing until
satisfied: Provided, that no action to enforce such lien may be brought
more than ten years from the last day for which assistance is paid nor
more than one year after the death of any recipient; Provided further, that

The United States and the State of North Carolina shall be entitled to share in any sum collected under the provisions of this Article, and their proportionate parts of such sum shall be determined in accordance with the matching formulas in use during the period for which assistance was paid to the recipient. CHAPTER 1030

AN ACT TO ESTABLISH A MEAT GRADING PROGRAM FOR NORTH CAROLINA.

WHEREAS, promotion of the livestock industry in North Carolina is deemed to be in the public interest, because it affords means for developing a better balanced system of agriculture, for increasing farm income and thereby improving the State's general economic situation; and

WHEREAS, expansion of livestock production in North Carolina is now retarded by the lack of an adequate market for top grade beef animals; and

WHEREAS, an important factor contributing to this lack of an adequate market is the absence of a State-administered system for grading meat products; and

WHEREAS, many North Carolina slaughterers and processors, most of them operating small to medium size plants, do not enjoy a sufficient volume of business to warrant employment of federal meat graders and, therefore, are at a disadvantage in competing with packing houses in other states which sell on a grade basis, enabling them to command higher prices for their products and to pay premium prices for the better grades of slaughter animals; and

WHEREAS, the inability of many North Carolina meat processing plants to brand their products with standard grades prevents them from obtaining contracts to supply the meat requirements of certain State institutions which advertise for bids on a grade basis; and

WHEREAS, the establishment of an official State meat grading system will tend to encourage livestock production, promote better local livestock markets and increase meat processing within the State, and at the same time provide the people of the State with a better local supply of meats of established quality: Now, therefore,

The General Assembly of North Carolina do enact:

Section 1. Short Title. The short title of this Act shall be "The North Carolina Meat Grading Law".

Sec. 2. Definitions. For the purpose of this Act, the following words, names and terms shall be construed respectively as follows:

(a) "Plant" means any person, firm or corporation engaged in slaughtering, packing or processing meat.
(b) "Distributor" means any person, firm or corporation engaged in selling, handling or distributing meat.

(c) "Plant or Distributor's Permit" means authority granted by the commissioner to produce, handle, sell or distribute meat which is graded according to the provisions of this Act.

(d) "Grader's Permit" means authority granted by the commissioner to any person to grade meat in any plant or for any distributor holding a plant or distributor's permit.

(e) "Grader" means any person holding a grader's permit.

(f) "Meat" means beef, lamb or pork.

(g) "Commissioner" means Commissioner of Agriculture of North Carolina.

Sec. 3. Program Inaugurated. The Department of Agriculture shall inaugurate and conduct a program for the grading of meat which is slaughtered, processed or distributed in this State.

Sec. 4. Program Shall Be Voluntary. No plant or distributor is required to participate in this program, but any plant or distributor may participate so long as said plant or distributor meets the requirements for a permit as provided by this Act and continues to comply with those and other requirements which may be promulgated by the Board of Agriculture.

Sec. 5. Issuance of Plant or Distributor's Permits.

(a) Any plant which produces satisfactory evidence to the commissioner that it holds a grade-A health rating by the North Carolina Department of Public Health, both as to its plant proper and surrounding premises, and that it has the facilities to provide for both ante and post-mortem inspection of meat by a veterinarian or some other person acting under the supervision of a veterinarian, shall, upon application to the commissioner, and the payment of a fee of one dollar ($1.00), be issued a plant or distributor's permit to grade meat as provided by this Act.

(b) Any distributor who produces satisfactory evidence to the commissioner that the meat which is handled by him is slaughtered, processed or produced under conditions which would satisfy the requirements set out in subsection (a) of this Section shall, upon the payment of one dollar ($1.00), be issued a plant or distributor's permit to grade meat as provided by this Act.

Sec. 6. Revocation of Plant or Distributor's Permit. Any plan or distributor's permit may be revoked or suspended by the commissioner if the holder of such permit fails to continue to comply with the requirements for obtaining such permit, or any other rules, regulations and standards of the Department of Agriculture or any law of this State relating to the handling of meat, but no permit shall be revoked without due notice to the holder thereof and an opportunity for the holder to be heard.

Sec. 7. Grader's Permits. A grader's permit, subject to the provisions of this Act, shall be issued by the commissioner when sufficient proof is presented to him to satisfy him that the person applying for such permit is of good moral character and has had sufficient training and experience to qualify him to grade meat, and when such applicant has paid to the Department of Agriculture the sum of one dollar ($1.00).
Sec. 8. Revocation of Grader's Permit. Any grader's permit shall be revoked or suspended when it shall appear to the commissioner that the holder of such permit has violated any rule, regulation or standard of the Department of Agriculture or any law of North Carolina relating to the handling of meat, but no permit shall be revoked without proper notice to the holder thereof and an opportunity for him to be heard.

Sec. 9. Supervision of Program. The Department of Agriculture, upon receiving a request from a plant holding a plant permit, shall inaugurate and supervise a grading program for said plant.

Sec. 10. Grades. Each plant or distributor holding a plant or distributor's permit and participating in a meat grading program authorized by this Act shall cause all graded meat handled by it to be classified in the following grades: "prime", "choice", "good", "commercial", "cutter", "utility" and "canner". These designations may be made only by a person holding a grader's permit and the standards of quality which are required to make up these grades shall be the same as those used by the Federal meat grading agency to classify meats in these same grades.

Sec. 11. All Meat to be Stamped. Each plant or distributor holding a plant or distributor's permit shall, after a grader has determined the grade of any piece of meat handled by said plant or distributor, cause to be stamped on that piece of meat the grade name, the letters "N.C.D.A." and a letter, number or symbol to be assigned by the Department of Agriculture in order to identify the plant or distributor handling that piece of meat.

Sec. 12. Roller Stamps to be Rented. Each plant or distributor holding a plant or distributor's permit shall obtain from the North Carolina Department of Agriculture one or more sets of roller stamps and shall pay a rental fee not in excess of the amount required to procure and supply these stamps. These roller stamps shall remain the property of the Department of Agriculture and shall be returned to the Department of Agriculture upon the suspension or revocation of the plant or distributor's permit or upon the request of the commissioner.

Sec. 13. Roller Stamps, Contents Of. These roller stamps shall contain the letters "N.C.D.A." and a number, letter or other symbol to identify the plant or distributor using said stamp. AN ACT TO AUTHORIZE THE NORTH CAROLINA INDUSTRIAL COMMISSION TO HEAR AND DETERMINE TORT CLAIMS AGAINST STATE DEPARTMENTS AND AGENCIES.

The General Assembly of North Carolina do enact:

Section 1. The North Carolina Industrial Commission is hereby constituted a court for the purpose of hearing and passing upon tort claims against the State Board of Education, the State Highway & Public Works Commission, and all other departments, institutions, and agencies of the State. The Industrial Commission shall determine whether or not each individual claim arose as a result of a negligent act of a State employee while acting within the scope of his employment and without contributory negligence on the part of the claimant or the person in whose behalf the claim is asserted. If the Commission finds that there was such negligence on the part of a State employee while acting within the scope of his employment which was the proximate cause of the injury and that there was no contributory negligence on the part of the claimant or the person in whose behalf the claim is asserted, the Commission shall determine the amount of damages which the claimant is entitled to be paid, including medical and other expenses, and by appropriate order direct the payment of such damages by the department, institution or agency concerned, but in no event shall the amount of damages awarded exceed the sum of eight thousand dollars ($8,000.00).
Sec. 2. Upon determination of said claim the Commission shall notify all parties concerned in writing of its decision and either party shall have seven days after receipt of such notice within which to file notice of appeal with the Industrial Commission. Such appeal, when so taken, shall be heard by the Industrial Commission, sitting as a Full Commission, on the basis of the record in the matter and upon oral argument of the parties, and said Full Commission may amend, set aside, or strike out the decision of the Hearing Commissioner and may issue its own findings of fact and conclusions of law. Upon determination of said claim by the Industrial Commission, sitting as a Full Commission, the Commission shall notify all parties concerned in writing of its decision.

Sec. 3. Either the claimant or the State may, within 30 days of the date of the decision and award of the Full Commission or within 30 days after receipt of such decision and award, to be sent by registered mail but not thereafter, appeal from the decision of the Commission to the Superior Court of the county in which the claim arose. Such appeal shall be for errors of law only under the same terms and conditions as govern appeals in ordinary civil actions, and the findings of fact of the Commission shall be conclusive if there is any competent evidence to support them. Provided, the Commission shall have 60 days after receipt of notice of appeal, properly served on the opposing party and the Industrial Commission, within which to prepare and furnish to the appellant or his attorney a certified transcript of the record in the case for filing in the Superior Court, and the time for docketing said appeal shall not begin to run until this transcript has been furnished to the appellant or his attorney. Either party may appeal from the decision of the Superior Court to the Supreme Court as in ordinary civil actions.

Sec. 4. The appeal from the decision of the Industrial Commission to the Superior Court shall act as a supersedeas, and the State department, institution or agency shall not be required to make payment of any judgment until the questions at issue therein shall have been finally determined as provided in this Article.

Sec. 5. Any claim hereinafter listed, or any other claim hereinafter filed with the Industrial Commission, may be settled upon agreement between the claimant and the department, institution, or agency of the State involved without a formal hearing. Such settlements shall be subject to approval, however, by the office of the Attorney General of North Carolina with reference to all claims against all departments, institutions, and agencies of the State other than the State Highway & Public Works Commission, and settlements of claims against the State Highway & Public Works Commission shall be subject to approval by the Chief Counsel of that department, and all settlements shall be subject to approval by the North Carolina Industrial Commission.

Sec. 6. The members of the Industrial Commission, or a deputy thereof, shall have power to issue subpoenas, administer oaths, conduct hearings, take evidence, enter orders, opinions, and awards based thereon, and punish for contempt. The Industrial Commission is authorized to appoint deputies and clerical assistants to carry out the purpose and intent of
this Act, and such deputy or deputies are hereby vested with the same power and authority to hear and determine tort claims against State departments, institutions, and agencies as is by this Act vested in the members of the Industrial Commission. Such deputy or deputies shall also have and are hereby vested with the same power and authority to hear and determine cases arising under the Workmen's Compensation Act when assigned to do so by the Industrial Commission.

Sec. 7. G. S. 97-79 (b) is stricken out and the following inserted in lieu thereof:

"(b) The Commission may appoint deputies who shall have the same power to issue subpoenas, administer oaths, conduct hearings, take evidence, and enter orders, opinions, and awards based thereon as is possessed by the members of the Commission, and the compensation of such deputy or deputies shall be fixed by the Commission."

The last sentence of G. S. 97-84 is stricken out and the following is inserted in lieu thereof:

"The parties may be heard by a deputy, in which event the hearing shall be conducted in the same way and manner prescribed for hearings which are conducted by a member of the Industrial Commission, and said deputy shall proceed to a complete determination of the matters in dispute, file his written opinion, and cause to be issued an award pursuant to such determination."

Sec. 8. There is hereby appropriated out of the General Fund of the State the sum of twenty thousand dollars ($20,000.00) for the use of the Industrial Commission in defraying salaries, travel, costs, and other expenses incident to carrying out the provisions of this Act during the biennium 1951-1953.

The sum appropriated in this Section shall be used one-half to carry out the provisions of this Act as to claims hereafter filed.

Sec. 9. In all claims listed in Section 13 of this Act, and in all claims which may hereafter be filed against the various departments, institutions, and agencies of the State, the claimant or the person in whose behalf the claim is made shall file with the Industrial Commission an affidavit in duplicate, setting forth the following information:

(d) The time and place where the injury occurred.
(e) A brief statement of the facts and circumstances surrounding the injury and giving rise to the claim.

Upon receipt of such affidavit in duplicate, the Industrial Commission shall enter the case upon its hearing docket and shall hear and determine the matter in the county where the injury occurred unless the parties agree that the case may be heard in some other county. All parties shall be given reasonable notice of the date when and the place where the claim will be heard.
Immediately upon docketing the case, the Industrial Commission shall forward one copy of plaintiff's affidavit to the office of the Attorney General of North Carolina if the claim is asserted against any department, institution, or agency of the State other than the State Highway & Public Works Commission. If the claim is asserted against the State Highway & Public Works Commission, one copy of said affidavit shall be forwarded to the Chief Counsel for that department.

Sec. 10. It shall be the duty of the Attorney General to represent all departments, institutions, and agencies of the State other than the State Highway & Public Works Commission in connection with claims asserted against them and to attend all hearings in connection therewith where the amount of the claim, in the opinion of the Attorney General, is of sufficient import to require and justify such appearance. In the event the amount appropriated to the Attorney General's office for travel and subsistence is insufficient to take care of the additional expense incident to attending these hearings, the Governor and Council of State are authorized to pay such additional travel expenses from the Contingency and Emergency Fund.

Sec. 11. All claims against any and all State departments, institutions, and agencies, except the claims enumerated in Section 13 of this Act, shall be forever barred unless a claim be filed with the Industrial Commission within two years after the accident giving rise to the injury and damage, and if death results from the accident, the claim for wrongful death shall be forever barred unless a claim be filed by the personal representative with the Industrial Commission within two years after such death.

Sec. 12. The Industrial Commission is hereby authorized and empowered to adopt such rules and regulations as may, in the discretion of the Commission, be necessary to carry out the purpose and intent of this Act.

Sec. 13. The following claims against the various departments, institutions, and agencies of the State indicated below shall be heard and determined by the Industrial Commission as provided in this Act, and each claimant upon request shall furnish the Industrial Commission the information provided for in Section 9 of this Act, as follows:

AN ACT TO AUTHORIZE THE CITY OF WINSTON-SALEM TO TRANSCRIBE THE NAMES OF ELECTORS REGISTERED ON THE GENERAL ELECTION REGISTRATION BOOKS IN PRECINCTS WITHIN THE CORPORATE LIMITS OF THE CITY OF WINSTON-SALEM FROM THE GENERAL ELECTION REGISTRATION BOOKS TO THE REGISTRATION BOOKS OF THE CITY AND TO MAKE SUCH ELECTORS ELIGIBLE TO VOTE IN MUNICIPAL PRIMARIES AND ELECTIONS.

The General Assembly of North Carolina do enact:

Section 1. This Act shall not apply unless the governing body of the City of Winston-Salem, by resolution duly adopted, determines that it shall be applicable.

Sec. 2. This Act shall apply only to the voting precincts within the corporate limits of the City of Winston-Salem as established by the governing body of the City of Winston-Salem for municipal elections which are coterminous with precincts established by the Forsyth County Board of Elections. Said precincts are hereinafter referred to as "coterminous precincts".

Sec. 3. All persons who are duly registered on the general election registration books of a coterminous precinct, and who are otherwise qualified, shall be entitled to vote in the municipal primaries and elections of the City of Winston-Salem as provided by law.
Sec. 4. Upon demand of the Governing Body of the City of Winston-Salem, the Forsyth County Board of Elections shall make available to the Secretary of the Board of Aldermen of the City of Winston-Salem the general election registration books of each coterminous precinct, and the Secretary of the Board of Aldermen shall have transcribed from said general election registration books into the registration books of the City of Winston-Salem for the corresponding precincts of the city the names of all registered electors shown on said general election registration books who are not already shown on the registration books of the city and shall record in said city registration books opposite each name so transcribed the necessary information as required by law. The Secretary of the Board of Aldermen of the City of Winston-Salem shall supervise the transcribing of the names from the general election registration books into the registration books of the city and shall, upon the completion of such transcription, return the said general election registration books to the Forsyth County Board of Elections.

Thereafter, immediately following each primary and each general or special election held in Forsyth County, the Forsyth County Board of Elections shall make available to the Secretary of the Board of Aldermen of the City of Winston-Salem the general election registration books of each coterminous precinct for such time as may reasonably be necessary for the Secretary of the Board of Aldermen of the City of Winston-Salem to have the names of all new electors registered in each of said precincts transcribed, together with the race, age and residence of such electors, into the proper registration books of the City of Winston-Salem. If any person appears at a polling place on a city primary of election day and contends that such person is registered in one of the coterminous precincts on the general election registration books, and the name of such person does not appear on the registration books of the city, the registrar at such polling place shall ascertain from the Secretary of the Board of Aldermen of the City of Winston-Salem if such person is, in fact, properly registered on the general election registration books and if so, it shall then be the duty of the registrar of the precinct in which such person is so registered to place the name of such person on the city registration books. Within ten days after each such city primary or election, the Secretary of the Board of Aldermen of the City of Winston-Salem shall certify the registration of all such persons to the registrars of their respective precincts. Section 1. Section 1-183 of the General Statutes of North Carolina is hereby amended by rewriting said Section so as to read as follows:

If the motion is allowed the plaintiff may appeal to the Supreme Court and it shall not be necessary for him to take exception to the ruling of the court allowing the motion. If the motion is refused and the defendant does not choose to introduce evidence the jury shall pass upon the issues in the action and the defendant may on appeal to the Supreme Court urge as ground for reversal the trial court's denial of his motion without the necessity of the defendant having taken exception to such denial. If the defendant introduces evidence he thereby waives any motion for dismissal or judgment as of nonsuit which he may have made prior to the introduction of his evidence and cannot urge such prior motion as ground for appeal. Defendant, however, may make such motion at the conclusion of the evidence of both parties irrespective of whether or not he made a motion for dismissal or judgment as of nonsuit theretofore. If the motion is allowed the plaintiff may appeal to the Supreme Court and it shall not be necessary for him to take exception to the ruling of the court allowing the motion. If the motion is refused and after the jury has rendered its verdict the defendant may on appeal urge as ground for reversal the trial court's denial of his motion made at the close of all the evidence without the necessity of the defendant having taken exception to such denial.

No proceeding under this Article shall be commenced more than five years after rendition of final judgment resulting from said conviction, or more than three years after the effective date of this Article, whichever is later, unless the petitioner alleges facts showing that the delay was not due to laches or negligence on his part.

"Sec. 15-218. Contents of petition; waiver of claims not alleged. The petition shall identify the proceeding or trial in which the petitioner was convicted, give the date of the rendition of the final judgment claimed of, and shall clearly set forth the respects with which petitioner's constitutional rights were violated, and that the constitutional questions raised
have not heretofore been raised or passed upon by any court of competent jurisdiction. The petition shall have attached thereto affidavits, records or other evidence supporting its allegations or shall state why the same are not attached. The petition shall also identify any previous proceedings that the petitioner may have taken to secure relief from his conviction. Argument and citations and discussions of authorities shall be omitted from the petition. Any claim of substantial denial of constitutional rights not raised or set forth in the original or any amended petition is waived.

"Sec. 15-219. Petitioner unable to pay costs or procure counsel. If the petition alleges that the petitioner is without funds to pay the costs of the proceeding, and is unable to give a costs bond with sureties for the payment of the costs for the proceeding and is unable to furnish security for costs by means of a mortgage or lien upon property to secure the costs, the court may order that the petitioner be permitted to proceed to prosecute such proceeding without providing for the payment of costs. If the petitioner is without counsel and alleges in the petition that he is without means of any nature sufficient to procure counsel, he shall state whether or not he wishes counsel to be appointed to represent him. If appointment of counsel is so requested, the court shall appoint counsel if satisfied that the petitioner has no means sufficient to procure counsel. The court shall fix the compensation to be paid such counsel which, when so determined, shall be paid by the county in which the conviction occurred.

"Sec. 15-220. Answer of the State; withdrawal of petition; amendments. Within 30 days after the date of the service of the petition upon the solicitor of the district, or within such further time as the court may fix, the solicitor shall answer or move to dismiss on behalf of the State. No other or further pleadings shall be filed except as the court may order on its own motion or on that of either party. The court may, in its discretion, grant leave, at any stage of the proceeding prior to entry of judgment, to withdraw the petition. The court may, in its discretion, make such orders as to amendment of the petition or any other pleading, or as to pleading over, or filing further pleadings, or extending the time for filing any pleading other than the original petition, as shall seem to the court appropriate, just and reasonable.

"Sec. 15-221. Evidence to be received upon hearing. The court may receive proof by affidavits, depositions, oral testimony, or other evidence, and the court shall pass upon all issues or questions of fact arising in the proceeding without the aid of a jury. In its discretion, the court may order the petitioner brought before the court for the hearing. When said hearing is completed, the court shall make appropriate findings of fact, conclusions of law thereon and shall enter judgment upon said hearing. If the court finds in favor of the petitioner, it shall enter an appropriate order with respect to the judgment or sentence in the former proceedings under which the petitioner was convicted, and such supplementary orders as to re-arraignment, retrial, custody, bail or discharge as may be necessary and proper. Such proceeding may be heard by any resident judge of the district or by any regular or special judge holding the courts of the district, and such proceeding may be heard at term, in chambers, or in vacation.
or at any regular or special term of court. If said proceeding is set for hearing at any time other than a regular term of the court of the county in which the petition is filed, then notice of time and place of hearing shall be served upon the solicitor of the district.

"Sec. 15-222. Review by application for certiorari. Any final judgment entered upon such a petition and proceeding may be reviewed by the Supreme Court of North Carolina upon application for a writ of certiorari brought within 60 days from the entry of the judgment in such proceeding. The law of this State governing the application, granting and disposition of writs of certiorari shall be applicable to any application for writ of certiorari brought under the provisions of this Article for the purpose of seeking a review of such judgment or proceeding."

Sec. 2. All law and clauses of laws in conflict with the provisions of this Act are hereby repealed.

Sec. 3. This Act shall be in full force and effect from and after its ratification.

(f) The term "Board" as used in this Act shall mean the State Board of Registration for Professional Engineers and Land Surveyors provided for by this Act.

G. S. 89-2. Registration Requirements.

In order to safeguard life, health, and property, any person practicing or offering to practice engineering or land surveying in this State shall hereafter be required to submit satisfactory evidence to the Board that he is qualified so to practice, and shall be registered as hereinafter provided; and it shall be unlawful for any person to practice or offer to practice engineering or land surveying in this State, as herein defined, unless such person has been duly registered under the provisions of this Act.

G. S. 89-3. State Board of Registration Created; Powers; Duties; Qualifications and Compensation.

To carry out the provisions of this Act, the State Board of Registration for Professional Engineers and Land Surveyors is hereby created, whose duty it shall be to administer the provisions of this Act. The board shall consist of four registered engineers and one registered land surveyor, appointed by the Governor. Each member of the board shall be a citizen of the United States, a resident of this State, and shall have been a practicing registered engineer, or registered land surveyor, in North Carolina for at least ten years. Each member of the board shall receive ten dollars ($10.00) per diem for attending the sessions of the board or of its committees, and for time spent in necessary travel, and in addition shall be reimbursed for all necessary travel, and incidental and clerical expense incurred in carrying out the provisions of this Act. The term of office of each member of the board shall be for a period of four years and shall terminate on the 31st day of December. Each member shall continue in office after the expiration of his term until his successor shall be duly appointed and qualified. The Governor may remove any member of the board for misconduct, incompetency, neglect of duty or for any other sufficient cause. Vacancies in the membership of the board, however, created, shall be filled by appointment by the Governor for the unexpired term. Each member of the board shall receive a certificate of appointment from the Governor, and before beginning his term of office he shall file with the Secretary of State the constitutional oath of office. Notwithstanding anything herein contained, the present members of the board shall continue in office as members of said board until their present respective terms expire.

The board shall have power to compel the attendance of witnesses, may administer oaths and may take testimony and proofs concerning all matters within its jurisdiction. The board shall adopt and have an official seal, which shall be affixed to all certificates of registration granted; and

1089
shall make all bylaws and rules, not inconsistent with law, needed in performing its duty.

The board shall hold at least two regular meetings each year. Special meetings shall be held at such times as the bylaws of the board may provide. Notice of all meetings shall be given in such manner as the bylaws may provide. The board shall elect annually from its members a chairman, a vice-chairman, and a secretary. The secretary shall receive compensation at a rate to be determined by the board. A quorum of the board shall consist of not less than three members.

G. S. 89-4. Secretary, Duties and Liabilities; Expenditures.

The secretary of the board shall receive and account for all moneys derived from the operation of this Act, and shall pay them to the State Treasurer, who shall keep such moneys in a separate fund, to be known as the “Fund of the Board of Registration for Professional Engineers and Land Surveyors,” which fund shall be continued from year to year separate and apart from all other moneys in the State Treasury, and shall be drawn against only for the purposes of this Act as herein provided. All expenses certified by the board as properly and necessarily incurred in the discharge of its duties, including authorized compensation, shall be paid out of said fund on the warrant of the Auditor of the State, issued on requisition signed by the chairman and secretary of the board; Provided however, that at no time shall the total of warrants issued exceed the total amount of funds accumulated under this Act. The secretary of the board shall give a surety bond satisfactory to the State Treasurer, conditioned upon the faithful performance of his duties. The premium on said bond shall be regarded as a proper and necessary expense of the board.

G. S. 89-5. Records and Reports of Board; Evidence.

The board shall keep a record of its proceedings and a register of all applicants for registration, showing for each the date of application, name, age, education and other qualifications, place of business and place of residence, whether the applicant was rejected or a certificate of registration granted, and the date of such action. The books and register of the board shall be prima facie evidence of all matters recorded therein, and a copy duly certified by the secretary of the board under seal shall be admissible in evidence as if the original were produced. A roster showing the names and places of business and of residence of all registered professional engineers and land surveyors shall be prepared by the secretary of the board during the month of January of each year; such roster shall be printed by the board out of the fund of the said board as provided in G. S. 89-4. and distributed as set forth in the bylaws. On or before the first day of March of each year the board shall submit to the Governor a report of its transactions for the preceding year, and shall file with the Secretary of State a copy of such report, together with a complete statement of the receipts and expenditures of the board, attested by the affidavits of the chairman and the secretary, and a copy of the said roster of registered professional engineers and registered land surveyors.

G. S. 89-6. Certification by Board; Qualification Requirements.
The board shall issue a certificate of registration on application thereof on prescribed form, and on the payment of a total fee of twenty-five dollars ($25.00) by engineers, or the payment of a fee of ten dollars ($10.00) by land surveyors, or the payment of a fee of ten dollars ($10.00) by engineers-in-training:

(a) To any applicant who, in the opinion of the board, has satisfactorily met all the requirements of this Act; or

(b) To any person who holds an unexpired certificate of registration issued to him by proper authority in any State or Territory of the United States in which the requirements for the registration of engineers or land surveyors are of a standard satisfactory to the board: Provided, however, that the engineering registration board of said states and territories shall grant full and equal reciprocal registration rights and privileges to North Carolina registrants: Provided, however, that no person shall be eligible for registration or certification who is under twenty-one years of age; who is not a citizen of the United States; who does not speak and write the English language; and, who is not of good character and repute, provided no applicant shall be refused the right to examination without being given opportunity to appear before the board and present evidence in support of his application.

(c) Unless disqualifying evidence be before the board in considering an application, filled out as set forth in the bylaws, the following shall be considered as minimum evidence satisfactory to the board that the applicant is qualified for registration as a professional engineer or land surveyor or for certification as an engineer-in-training, respectively:

(d) As a professional engineer:

(1) Graduation in an engineering curriculum of four scholastic years or more from a school or college approved by the board, satisfactorily passing such basic examination as required by the board, and a specific record of an additional four years or more of progressive experience in engineering work indicating that the applicant is competent to practice engineering (in counting years of experience, the board at its discretion may give credit, not in excess of one year, for satisfactory graduate study in engineering), providing that in a case where the evidence presented in the application does not appear to the board conclusive nor warranting the issuing of a certificate of registration, the applicant shall be required to present further evidence for the consideration of the board, and shall also be required to pass satisfactorily an additional oral or written examination, or both, covering those portions of his engineering experience as the board may determine; or

(2) Graduation in a curriculum from a secondary school or equivalent, and a specific record of ten years or more of progressive experience in engineering work indicating that the applicant is competent to practice engineering, as further evidence of engineering ability, the applicant shall be required to pass satisfactorily such oral or written examination, or both, as required by the board; or

(3) A specific record of fifteen years or more of lawful experience in progressive engineering work indicating that the applicant is competent to
practice engineering and provided the applicant is not less than thirty-five years of age.

(e) As a land surveyor:

(1) Graduation in an engineering curriculum of four scholastic years from a school or college approved by the board, including the completion of approved courses in surveying; as further evidence of surveying ability the applicant shall be required to pass satisfactorily such oral or written examination, or both, as the board may determine; and, an additional one year or more of experience in land surveying; or

(2) A specific record of five years or more of progressive experience in land surveying and the applicant shall be required to pass satisfactorily such oral or written examination, or both, in surveying, as the board may determine; or

(3) A specific record of ten years or more of lawful experience in land surveying of a character satisfactory to the board and provided the applicant is not less than thirty years of age.

(f) As an engineer-in-training:

(1) Graduation in an engineering curriculum of four scholastic years or more from a school or college approved by the board, and satisfactorily passing such basic engineering examination as required by the board; or

(2) A specific record of four years or more of progressive experience in engineering work and satisfactorily passing such basic engineering examination as required by the board.

(g) In considering the qualifications of applicants, teaching of advanced engineering subjects may be construed as engineering experience.

G. S. 89-7. Qualifications; Expiration and Renewal of Certificate.

The satisfactory completion of each year of a curriculum in engineering of a school or college approved by the Board, may be considered as equivalent to a year of experience in G. S. 89-6. Graduation in a curriculum other than engineering from a college or university approved by the board may be considered as equivalent to two years of experience in G. S. 89-6: Provided, however, that no applicant shall receive credit for more than four years of experience in evaluating his undergraduate educational record.

Applicants for registration, in cases where the evidence originally presented in the application does not appear to the board conclusive or warranting the issuing of a certificate, may present further evidence for consideration of the board.

In case the board denies the issuance of a certificate to an applicant, the registration fee deposited shall be returned by the board to the applicant; the applicant may appeal the action of the board, filing such appeal with the board within thirty days, or with the Superior Court as provided in G. S. 89-8 hereof in the event of revocation.

A candidate failing in examination may apply for a re-examination at the expiration of six months, without payment of additional fee.

Certificates of registration shall expire on the last day of the month of December following their issuance or renewal, and shall become invalid on that date unless renewed. It shall be the duty of the secretary of the
board to notify by mail every person, except engineers-in-training, registered or certified hereunder of the date of the expiration of his certificate and the amount of the fee required for its renewal for one year; such notice shall be mailed at least one month in advance of the date of expiration of said certificate. Renewal shall be effected at any time during the month of January by the payment of a fee of five dollars ($5.00) to the secretary of the board. Failure on the part of any registrant to renew his certificate annually in the month of January, as required above, shall not deprive such person of the right of renewal thereafter, but the fee paid for the renewal of a certificate after the month of January shall be increased 10 per cent for each month or fraction of a month that payment for renewal is delayed: Provided, however, that the maximum fee for a delayed renewal shall not exceed twice the normal fee.

G. S. 89-8. Revocation of Certificates; Hearing; Appeal; Re-issuance of Certificate.

The board shall have the power to revoke the certificate of registration of any engineer or land surveyor registered hereunder who is found guilty of any fraud or deceit, gross negligence, gross incompetency, or gross misconduct in obtaining a certificate of registration, or in the practice of engineering or land surveying. Any person may prefer charges of fraud, deceit, negligence, incompetency or misconduct against any engineer or land surveyor registered hereunder; such charges shall be in writing and sworn to by the complainant and submitted to the board. Charges, unless dismissed without hearing by the board as unfounded or trivial, shall be heard and determined by the board within three months after the date on which they are preferred. A time and place for such hearing shall be fixed by the board and held in the county in which said charges originated. A copy of the charges, together with a notice of the time and place of hearing shall be legally served on the accused at least thirty days before the date fixed for the hearing, and in the event that such service cannot be effected thirty days before such hearing, then the date of hearing and determination shall be postponed as may be necessary to permit the carrying out of this condition. At said hearing the accused shall have the right to appear personally and by counsel, and to cross-examine witnesses against him, and to produce evidence or witnesses in his defense. If, after said hearing, the members of the board vote unanimously in favor of finding the accused guilty of any fraud or deceit in obtaining the certificate, or of gross negligence, gross incompetency, or gross misconduct in the practice of engineering or land surveying, the board shall revoke the certificate of registration of the accused.

The accused may, within thirty days after the board has issued its order revoking his certificate of registration, appeal to the Superior Court of the county of the accused. Upon notice of such appeal being given to the board it shall immediately cause a transcript of the evidence and pertinent documents of the proceedings, certified by the secretary of the board, to be filed with the clerk of said court. The trial in Superior Court shall be de novo.
The board may, by unanimous vote, for reasons they deem sufficient, at any time after the expiration of one year from the date of revocation and upon finding that the cause upon which such revocation was made no longer exists, reissue a certificate of registration to any such person whose certificate has been revoked.

The board shall immediately notify the Secretary of State and the clerks of the several counties and municipalities in the State of the revocation of a certificate by it or the re-issuance of a certificate to a person whose certificate has previously been revoked.

G. S. 89-9. Effect of Certification; Seals.

The board shall issue a certificate of registration upon payment of registration fee as provided for in this Act, to an applicant who, in the opinion of the board, has satisfactorily met all the requirements of this Act. In the case of a professional engineer, the certificate shall authorize the "practice of engineering." In the case of an engineer-in-training, the certificate shall state that the applicant has successfully passed the examination in fundamental engineering subjects required by the board and has been enrolled as an "Engineer-in-Training." In the case of a land surveyor, the certificate shall authorize the "practice of land surveying." Certificates of registration and certificates as engineer-in-training shall show the full name of the registrant, and shall be signed by the chairman and the secretary of the board under the seal of the board.

The issuance of a certificate of registration by this board shall be evidence that the person named therein is entitled to all the rights and privileges of a registered engineer, or registered land surveyor, or engineer-in-training, while the said certificate remains unrevoked or unexpired.

Each registrant hereunder shall, upon registration, obtain a seal of the design authorized by the board, bearing the registrant's name and the legend, "Registered Engineer," or "Registered Land Surveyor." All plans, specifications, plats, and reports issued by a registrant shall be stamped with said seal during the life of a registrant's certificate, but it shall be unlawful for any one to stamp or seal any document or documents with said seal after the certificate of the registrant named thereon has expired or has been revoked, unless said certificate has been renewed or reissued.

G. S. 89-10. Unauthorized Practice of Engineering or Land Surveying; Penalties.

Any person who is not legally authorized to engage in the practice of engineering or land surveying in this State according to the provisions of this Act, and who shall so engage or offer to engage in the practice of engineering or land surveying in this State except as provided in G. S. 89-11, and any person presenting or attempting to file as his own the certificate or seal of registration of another, or who shall give false or forged evidence of any kind to the board, or to any member thereof, in obtaining a certificate of registration, or who shall falsely impersonate any other practitioner of like or different name or who shall use an expired or revoked certificate of registration or seal, or who shall violate any of the
provisions of this Act shall be deemed guilty of a misdemeanor, and shall for each offense of which he is convicted be punished by a fine of not less than one hundred dollars ($100.00) or by imprisonment for three months, or by both fine and imprisonment, in the discretion of the court.

This Act shall not be construed to prevent or to affect:

(a) The practice of architecture or contracting or any other legally recognized profession or trade; or

(b) The practice of engineering or land surveying in this State by any person not a resident of this State and having no established place of business in this State, when this practice does not aggregate more than thirty days in any calendar year: Provided, however, that such person is legally qualified by registration to practice the said profession in his own state or country, in which the requirements and qualifications for obtaining a certificate of registration are satisfactory to the board; or

(c) The practice of engineering or land surveying in this State not to aggregate more than thirty days by any person residing in this State, but whose residence has not been of sufficient duration for the board to grant or deny registration: Provided, however, such person shall have filed an application for registration as a registered engineer or land surveyor and shall have paid the fee provided for in G. S. 89-6 of this Act: Provided, that such a person is legally qualified by registration to practice engineering or land surveying in his own state or country in which the requirements and qualifications for obtaining a certificate of registration are satisfactory to the board; or

(d) Engaging in engineering or land surveying as an employee or assistant to or under the supervision of a registered engineer or a registered land surveyor. or as an employee or assistant of a nonresident engineer or a nonresident land surveyor, provided for in paragraphs (b) and (c) of this Section: Provided, that said work as an employee may not include responsible charge of design or supervision; or

(e) The practice of engineering or land surveying by any person not a resident of, and having no established place of business in, this State, as a consulting associate of an engineer or land surveyor registered under the provisions of this Act: Provided, the nonresident is qualified for such professional service in his own state or country; or

(f) At the discretion of the board a non-citizen of the United States who is professionally qualified for registration may be registered, on an annual renewal basis, for a specific engineering project, subject to revocation as provided in this Act.

(g) Practice of engineering and land surveying solely as an officer in the Armed Forces of the United States Government.

(h) The practice of engineering or land surveying by an individual, firm, or corporation, or by a person employed solely by said individual, firm, or corporation on property owned or leased by said individual, firm, or corporation unless the life, health, or property of the public are endangered, involved, or influenced.
(i) A registered engineer engaging in the practice of land surveying.

G. S. 89-12. Corporate or Partnership Practice of Engineering or Land Surveying.

A corporation or partnership may engage in the practice of engineering or land surveying in this State: Provided, however, the person or persons connected with such corporation or partnership in charge of the designing or supervision which constitutes such practice is or are registered as herein required of professional engineers and land surveyors. The same exemptions shall apply to corporations and partnerships as apply to individuals under this Act.

At any time within eighteen months after the effective date of this Act, upon new application therefor and the payment of a registration fee of ten dollars ($10.00), the board shall issue a certificate of registration without oral or written examination, to any land surveyor, when such applicant shall submit evidence under oath, satisfactory to the Board, that he is of good moral character, has been a resident of the State and has practiced land surveying in North Carolina for at least five years immediately preceding January 1, 1951, or has had previous land surveying practice of a character satisfactory to the board.

G. S. 89-14. Nothing in this Act shall be construed as affecting the status of registration of any engineer or land surveyor who is rightfully in possession of a certificate of registration duly issued by the board and prior to this Act.

Nothing in this Act shall prohibit any person from doing land surveying provided that he does not represent himself to be a registered land surveyor.

Sec. 2. All laws and clauses of laws in conflict with the provisions of this Act are hereby repealed.

Sec. 3. This Act shall become effective upon ratification.

Sec. 2. Every justice of the peace elected or appointed on or after July 1, 1951, to serve in North Carolina shall, before exercising any of the functions of his office, furnish a bond in the amount of one thousand dollars ($1,000.00) payable to the State of North Carolina, with good and sufficient surety, approved by the Clerk of the Superior Court and conditioned upon the faithful performance of his duties and upon a correct and proper accounting for all funds coming into his hands by virtue or color of his office. CHAPTER 1086

AN ACT TO AMEND G. S. 15-173 RELATING TO MOTIONS TO DISMISS, OR FOR JUDGMENT OF NON-SUIT, IN CRIMINAL ACTIONS.

The General Assembly of North Carolina do enact:

Section 1. G. S. 15-173 is hereby amended by rewriting the Section to read as follows:

"15-173. Demurrer to the evidence. When on the trial of any criminal action in the Superior Court or in any criminal court, the State has introduced its evidence and rested its case, the defendant may move to dismiss the action, or for judgment as in case of nonsuit. If the motion is allowed, judgment shall be entered accordingly; and such judgment shall have the force and effect of a verdict of "not guilty" as to such defendant. If the motion is refused and the defendant does not choose to introduce evidence, the case shall be submitted to the jury as in other cases, and the defendant may on appeal urge as ground for reversal, the trial court's denial of his motion without the necessity of the defendant's having taken exception to such denial.

1097
“If the defendant introduces evidence, he thereby waives any motion for dismissal or judgment as in case of nonsuit which he may have made prior to the introduction of his evidence and cannot urge such prior motion as ground for appeal. The defendant, however, may make such motion at the conclusion of all the evidence in the case, irrespective of whether or not he made a motion for dismissal or judgment as in case of nonsuit theretofore. If the motion is allowed, or shall be sustained on appeal, it shall in all cases have the force and effect of a verdict of “not guilty”. If the motion is refused, the defendant may on appeal, after the jury has rendered its verdict, urge as ground for reversal the trial court’s denial of his motion made at the close of all the evidence without the necessity of the defendant’s having taken exception to such denial.”

Sec. 2. All laws and clauses of laws in conflict with the provisions of this Act are hereby repealed.

Sec. 3. This Act shall be in full force and effect from and after its ratification and shall apply to all criminal actions instituted after the ratification of this Act and to all pending criminal actions in which the State shall not have rested its case at the time of the ratification of this Act.

In the General Assembly read three times and ratified, this the 14th day of April, 1951.

AN ACT TO REGULATE THE PRACTICE OF DISPENSING OPTICIANS AND PROVIDING FOR THE LICENSING THEREOF.

The General Assembly of North Carolina do enact:

Section 1. On and after the first day of July, 1951, no person or combination of persons shall for pay, or reward, either directly or indirectly, practice as a dispensing optician as hereinafter defined in the State of North Carolina without a certificate of registration issued pursuant to the provisions of this Act by the North Carolina State Board of Opticians hereinafter established.

Sec. 2. Definition. Within the meaning of the provisions of this Act, the term "dispensing optician" defines one who prepares and dispenses lenses, spectacles, eyeglasses and/or appurtenances thereto to the intended wearers thereof on written prescriptions from physicians or optometrists duly licensed to practice their professions, and in accordance with such prescriptions interprets, measures, adapts, fits and adjusts such lenses, spectacles, eyeglasses and/or appurtenances thereto to the human face for the aid or correction of visual or ocular anomalies of the human eye. The services and appliances related to ophthalmic dispensing shall be dispensed, furnished or supplied to the intended wearer or user thereof only upon prescription issued by a physician or an optometrist; but duplications, replacements, reproductions or repetitions may be done without prescription, in which event any such act shall be construed to be ophthalmic dispensing, the same as if performed on the basis of a written prescription.

Sec. 3. Any one or combination of the following practices when done for pay or reward shall constitute practicing as a dispensing optician: interpreting prescriptions issued by licensed physicians and/or optometrists; fitting glasses on the face; servicing glasses or spectacles; measuring of patient's face, fitting frames, compounding and fabricating lenses and frames, and any therapeutic device used or employed in the correction of vision, and alignment of frames to the face of the wearer.

Sec. 4. Qualifications for dispensing Optician. No person shall be issued a certificate of registration as a registered dispensing optician by the North Carolina State Board of Opticians hereinafter established.

(a) unless such person is qualified under the provisions of Section 7 of this Act;

(b) unless such person is at least twenty-one (21) years of age;

(c) unless such person has passed a satisfactory examination conducted by the board to determine his fitness to engage in the practice of a dispensing optician.

Sec. 5. North Carolina State Board of Opticians Created; Appointment and Qualification of Members. There is hereby created a North Carolina State Board of Opticians whose duty it shall be to carry out the purposes and enforce the provisions of this Act. The board shall be appointed by the Governor from a list of names submitted by the North Carolina Opticians Association on or before July 1, 1951, and shall consist of five (5)
members, each of whom shall have been engaged in the practice of a dispensing optician for at least five (5) years prior to the enactment of this Act. The term of a member shall be as follows: One for one year, one for two years, one for three years, one for four years, and one for five years. The term of any member thereafter appointed shall be for five years. The members of the board, before entering upon their duties, shall respectively take all oaths taken and prescribed for other State officers in the manner provided by law, which shall be filed in the office of the Secretary of State. The Governor, at his option, may remove any member of the board for good cause shown and appoint members to fill unexpired terms.

Sec. 6. Organization, Meetings and Powers of Board. Within thirty (30) days after appointment of the board, the board shall hold its first regular meeting, and at said meeting and annually thereafter shall choose one of its members as president and one as secretary and treasurer. The board shall make such rules and regulations not inconsistent with the law as may be necessary to the proper performance of its duties, and each member may administer oaths and take testimony concerning any matter within the jurisdiction of the board, and a majority of the board shall constitute a quorum. The board shall meet at least once a year, the time and place of meeting to be designated by the president. The secretary of the board shall keep a full and complete record of its proceedings, which shall at all reasonable times be open to public inspection.

Sec. 7. Examination for Practice as a Dispensing Optician. Every person, before beginning the practice of a dispensing optician, after July 1, 1951, shall pass the examination before the North Carolina State Board of Opticians. The examination shall be confined to such knowledge as is essential to practice as a dispensing optician and shall show proficiency in the following subjects:

Ophthalmic Lense Surface Grinding;
Prescription Interpretation;
Practical Anatomy of the Eye;
Theory of Light;
Edge Grinding;
Ophthalmic Lenses;
Measurements of Face;
Finishing, Fitting and Adjusting Glasses and Frames to Face.

Every person, before taking an examination, must file with the board an application showing his age, his training and experience, and must file with the board a certificate of good moral character, signed by two reputable citizens of this State, but an applicant from another state may have such certificate signed by any state officer of the state from which he comes.

Sec. 8. Fees Required. The fee to be paid by an applicant for examination to determine his or her fitness to receive a certificate of registration as a registered dispensing optician shall be twenty ($20.00) dollars; and if he shall successfully pass the examination, he shall pay the further sum of five ($5.00) dollars on the issuance to him of the certificate of registra-
tion. Provided, that any person holding a certificate or license to practice as a dispensing optician in another state where the qualifications prescribed are equal to the qualifications required in this State may be licensed without examination upon the payment of the same fees as required of other applicants.

Sec. 9. Persons Practicing before the Passage of This Act. Every person who has been engaged in the practice of a dispensing optician as defined in this Act for a period of five (5) years or more, and who has been a resident of the State of North Carolina for two (2) years immediately prior to the date of the passage of this Act, shall be eligible for and receive a license as a dispensing optician. Said person shall file an affidavit as proof of such practice with the board. The secretary shall keep a record of such persons who shall be exempt from the provisions of Section 7 hereof. Upon the payment of a fee of ten ($10.00) dollars the secretary shall issue to each of such persons certificates of registration without the necessity of an examination. Failure on the part of persons so entitled within six (6) months of the passage of this Act to make written application to the board for a certificate of registration, accompanied by an affidavit duly signed and verified fully setting forth the grounds upon which he claims certificate and license, which shall be accompanied by a fee of ten ($10.00) dollars, shall be deemed a waiver of his rights to a certificate and license under the provisions of this Act.

Sec. 10. Certificates to be Recorded. Every recipient of a certificate of registration shall present the same for recording to the Clerk of the Superior Court of the county in which he resides and practices, and shall pay a fee of fifty (50c) cents for recording the same. The clerk shall record the certificate in a book to be provided by him for that purpose. Any failure, neglect or refusal on the part of persons holding certificates to file the same of record for thirty (30) days after the issuance thereof shall forfeit the certificate and the same shall become null and void. Upon the request of any person to whom a certificate has been issued the board shall issue a certified copy thereof, and upon the proof of the loss of the original being made to appear, the certified copy shall be recorded in lieu of the original. The board shall be entitled to a fee of one ($1.00) dollar for the issuance of a certified copy.

Sec. 11. Posting of Certificates. Every person to whom a certificate of registration has been granted under this Act shall display the same in a conspicuous part of the office or establishment wherein he is engaged as a dispensing optician.

Sec. 12. Collection of Fees. The secretary to the board is hereby authorized and empowered to collect in the name and on behalf of this board the fees prescribed by this Act and shall turn over to the State Treasurer all funds collected or received under this Act, which funds shall be credited to the North Carolina State Board of Opticians, and said funds shall be held and expended under the supervision of the Director of the Budget of the State of North Carolina exclusively for the administration and enforcement of the provisions of this Act. The secretary to the board shall, before entering upon the duties of the office, execute a
satisfactory bond with a duly licensed surety or other surety approved by the Director of the Budget, said bond to be in the penal sum of not less than two thousand ($2,000.00) dollars and conditioned upon the faithful performance of the duties of the office and the true and correct accounting of all funds received by such secretary by virtue of such office. Nothing in this Act shall be construed to authorize any expenditure in excess of the amount available from time to time in the hands of the State Treasurer derived from the fees collected under the provisions of this Act and received by the State Treasurer in the manner aforesaid.

Sec. 13. Yearly License Fees. For the use of the board in performing its duties under this Act, every registered dispensing optician shall in each year after the year 1951 pay to the North Carolina State Board of Opticians a sum not exceeding twenty-five ($25.00) dollars, the amount to be fixed by the board, as a license fee for the year. Such payment shall be made prior to the first day of April in each year and in case of default in payment by a registered dispensing optician, his certificate of registration may be revoked by the board at the next regular meeting of the board, after notice as herein provided. But no license shall be revoked for nonpayment if the person so notified shall, before or at the time of consideration, pay his fee and such penalty as may be imposed by the board. A penalty imposed on any one person so notified as a condition of allowing his license to stand shall not exceed five ($5.00) dollars. The board may collect any dues or fees provided in this Section by suit in the name of the board. The notice hereinbefore mentioned shall be in writing addressed to the persons in default of the payments of dues herein mentioned at the last address shown by the records of the board and shall be sent by the secretary of the board by registered mail with proper postage attached at least twenty (20) days before the date upon which revocation of the license is to be considered, and the secretary shall keep a record of the fact and the date of such mailing. The notice herein provided for shall state the time and place of consideration of revocation of license of persons to whom such notice is addressed.

Sec. 14. Meeting of the board. The board shall meet at least once each year for the purpose of transacting all business of the board and to conduct examinations of applicants for certificates of registration as herein provided and at such other times as may be necessary, said meetings to be held at such time and place as the president of the board may determine. Special meetings of the board shall be called by the president upon the written request of three (3) members thereof.

Sec. 15. Compensation and Expenses of Board Members. Each member of the board shall receive for his services for the time actually in attendance upon board meetings the sum of ten ($10.00) dollars per day and shall be reimbursed for actual necessary expenses incurred in the discharge of such duties not to exceed five ($5.00) dollars per day for subsistence plus the actual traveling expenses or an allowance of five (5c) cents per mile where such member uses his personally owned automobile.

Sec. 16. Powers of the Board. The board shall have the power to make such rules and regulations not inconsistent with the laws of the State of
North Carolina as may be necessary and proper for the regulation of the practice of dispensing optician and for the performance of its duties. The board shall have the power to revoke any certificate of registration granted by it under this Act for conviction of crime, habitual drunkenness, gross incompetency, for contagious or infectious disease.

The board shall likewise have the power to revoke licenses and certificates of registration upon the finding by the board that the holder of such certificate has been guilty of unethical methods of practice. It shall be considered unethical practice to advertise in any manner by words or phrases or similar import which convey or which are calculated to convey the impression to the public that the eyes are examined by persons licensed under this Act or by the use of words and phrases of a character tending to deceive or mislead the public or in the nature of price or baiting advertising; use of advertising directly or indirectly by any method or nature which seeks or solicits on any installment plan; house to house canvassing or peddling directly or through any agent or employee for the purpose of selling, fitting or supplying frames, mountings, lenses or other ophthalmic materials.

Before any certificate of registration may be so revoked for any reason or ground, the holder thereof shall be served with notice in writing by an officer authorized to serve civil summons, informing such holder of the charge or charges against him, and at a specific date set forth in said notice, at least thirty (30) days from the date of issuance of the said notice, informing such holder of the date, time and place of the hearing before the board and for an opportunity to produce testimony in his behalf, and to confront witnesses against him. Any person whose certificate has been revoked for any cause may, after the expiration of ninety (90) days, and within two (2) years from the date of revocation, apply to the board to have the same reinstated, and upon a showing satisfactory to the board and in the discretion of the board, the certificate of registration or license may be restored to such person.

Any person who is aggrieved at the action of the board may, within thirty (30) days from notice of the action of the board, appeal to the Superior Court of the county in which he resides by giving notice in writing to the secretary of the board of the appeal. Upon receipt of such notice the secretary shall forthwith forward to the Clerk of the Superior Court of the county in which the licensee resides the notice of appeal, together with all records and papers pertaining thereto, and a transcript of any testimony that may have been taken with reference to the matter; and upon receipt of the same the Clerk of the Superior Court shall enter the appeal on the civil issue docket and the same shall be heard as other civil matters.

Sec. 17. Sale of Optical Glasses. No optical glass or other kindred products or instruments of vision shall be dispensed, ground or assembled in connection with a given formula prescribed by a licensed physician or optometrist except under the supervision of a licensed dispensing optician and in a registered optical establishment or office. Provided, however, that the provisions of this Section shall not prohibit persons or corporations
from selling completely assembled spectacles without advice or aid as to the selection thereof as merchandise from permanently located or established places of business.

Sec. 18. Each licensee licensed under the provisions of this Act who shall rent, loan or allow the use of his registration certificate or license to an unlicensed person for any unlawful use shall be guilty of a misdemeanor and upon conviction shall be fined not less than one hundred ($100.00) dollars or imprisoned for not more than twelve (12) months, or both, in the discretion of the court, and shall forfeit his license.

Sec. 19. Any person, firm or corporation owning, managing or conducting a store, shop or place of business and not having in its employ a licensed dispensing optician for the supervision of such store, office, place of business or optical establishment, or including an advertisement, whether in newspaper, radio, book, magazine or other printed matter the words, "optician, licensed optician, optical establishment, optical office," or any combination of such terms within or without such store as to mislead the public, that the same is a legally established optical place of business duly licensed as such or managed or conducted by persons holding a dispensing opticians' license, when in fact such license or permit is not held by such person, firm or corporation, or some person in the employ and in charge of such optical business, shall upon conviction be fined not less than one hundred ($100.00) dollars or be imprisoned for not more than twelve (12) months, or both, in the discretion of the court.

Sec. 20. Nothing in this Act shall be construed to apply to a licensed physician or optometrist, nor to any individual, partnership or corporation who is now and shall in the future engage in supplying ophthalmic prescriptions and supplies to physicians, optometrists, dispensing opticians or optical scientists.

Sec. 21. Any person, firm or corporation who shall violate any provision of this Act for which no other penalty has been provided shall, upon conviction, be fined not more than two hundred ($200.00) dollars or imprisoned for a period of not more than twelve (12) months, or both, in the discretion of the court.

Sec. 22. If any Section of this Act or any provision of the same shall be declared unconstitutional, in whole or in part, by a court of competent jurisdiction, then to the extent that it is not unconstitutional such Section or provision shall be in force and effect, nor shall such determination be deemed to invalidate the remaining provisions of this Act.

Sec. 23. It shall be unlawful for any person, firm or corporation to offer or give any gift or premium or discount, directly or indirectly, or in any form or manner participate in the division, assignment, rebate or refund of fees or parts thereof or to engage in advertising in any form or manner that would urge the public to seek the services of any specific professional person or group of persons engaged in the field of refraction and visual care.

Sec. 25. This Act shall be in force and effect from and after ratification.

Sec. 6. This Act shall become effective upon its ratification.

In the General Assembly read three times and ratified, this the 14th day of April, 1951.
AN ACT TO PROMOTE ELIMINATION OF BLIGHTED AREAS THROUGHOUT THE STATE: BY DECLARING ACQUISITION, SOUND REPLANNING AND REDEVELOPMENT OF SUCH AREAS TO BE FOR THE PROMOTION OF HEALTH, SAFETY, CONVENIENCE AND WELFARE: CREATING PUBLIC BODIES CORPORATE AND POLITICAL TO BE KNOWN AS REDEVELOPMENT COMMISSIONS: AUTHORIZING THEM TO ENGAGE IN THE ELIMINATION OF BLIGHTED AREAS AND TO PLAN AND CONTRACT WITH PRIVATE, CORPORATE OR GOVERNMENTAL REDEVELOPERS FOR THEIR REDEVELOPMENT.

The General Assembly of North Carolina do enact:

Section 1. Short Title. This Act shall be known and may be cited as the "Urban Redevelopment Law."

Sec. 2. Findings and Declaration of Policy. It is hereby determined and declared as a matter of legislative finding—

(a) That there exist in urban communities in this State blighted areas as defined herein.

(b) That such areas are economic or social liabilities, inimical and injurious to the public health, safety, morals and welfare of the residents of the State, harmful to the social and economic well-being of the entire communities in which they exist, depreciating values therein, reducing tax revenues, and thereby deprecating further the general community-wide values.

(c) That the existence of such areas contributes substantially and increasingly to the spread of disease and crime, necessitating excessive and disproportionate expenditures of public funds for the preservation of the public health and safety, for crime prevention, correction, prosecution, punishment and the treatment of juvenile delinquency and for the maintenance of adequate police, fire and accident protection and other public services and facilities, constitutes an economic and social liability, substantially impairs or arrests the sound growth of communities.

(d) That the foregoing conditions are beyond remedy or control entirely by regulatory processes in the exercise of the police power and cannot be effectively dealt with by private enterprise under existing law without the additional aids herein granted.

(e) That the acquisition, preparation, sale, sound replanning, and redevelopment of such areas in accordance with sound and approved plans for their redevelopment will promote the public health, safety, convenience and welfare.

Therefore, it is hereby declared to be the policy of the State of North Carolina to promote the health, safety, and welfare of the inhabitants thereof by the creation of bodies corporate and politic to be known as Redevelopment Commissions, which shall exist and operate for the public purposes of acquiring and replanning such areas and of holding or disposing of them in such manner that they shall become available for economically and socially sound redevelopment. Such purposes are hereby de-
clared to be public uses for which public money may be spent, and private property may be acquired by the exercise of the power of eminent domain.

(2) that the redevelopment of such areas is necessary in the interest of the public health, safety, morals or welfare of the residents of such municipality.

(c) The governing body shall cause a certified copy of such ordinance or resolution to be filed in the office of the Secretary of State; upon receipt of the said certificate the Secretary of State shall issue a certificate of incorporation.

(d) In any suit, action or proceeding involving or relating to the validity or enforcement of any contract or act of a commission, a copy of the certificate of incorporation duly certified by the Secretary of State shall be admissible in evidence and shall be conclusive proof of the legal establishment of the commission.

Three members shall constitute a quorum for its meeting. Members shall not be liable personally on the bonds or other obligations of the commission, and the rights of creditors shall be solely against such commission. A commission may delegate to one or more of its members, agents or employees such of its powers as it shall deem necessary to carry out the purposes of this Act, subject always to the supervision and control of the commission. For inefficiency or neglect of duty or misconduct in office, a commissioner of a commission may be removed by the governing body, but a commissioner shall be removed only after a hearing and after he shall have been given a copy of the charges at least 10 days prior to such hearing and have had an opportunity to be heard in person or by counsel.

Sec. 10. Preparation and adoption of Redevelopment Plans.

(a) A commission shall prepare a redevelopment plan for any area certified by the Planning Commission to be a redevelopment area. A redevelopment plan shall be sufficiently complete to indicate its relationship to definite local objectives as to appropriate land uses, improved traffic, public transportation, public utilities, recreational and community facilities and other public improvements and the proposed land uses and building requirements in the redevelopment project area.

(b) The Planning Commission's certification of a redevelopment area shall be made in conformance with its comprehensive general plan, if any, (which may include, inter alia, a plan of major traffic arteries and terminals and a land use plan and projected population densities) for the area.

(c) A commission shall not acquire real property for a redevelopment project unless the governing body of the community in which the redevelopment project area is located has approved the redevelopment plan, as hereinafter prescribed.
(d) The Redevelopment Commission's redevelopment area plan shall include, without being limited to, the following:

(1) The boundaries of the area, with a map showing the existing uses of the real property therein;

(9) A statement of a feasible method proposed for the relocation of the families displaced.

(e) In conformity with such redevelopment area plan, the commission may prepare a proposal for the redevelopment of all or part of such area, including the proposed redevelopment contract, with the redeveloper selected. The commission shall, after giving ten days' public notice thereof, hold public hearings prior to its final determination of the redevelopment proposal.

(f) The commission shall submit the redevelopment proposal to the Planning Commission for review. The Planning Commission, shall, within forty-five days, certify to the Redevelopment Commission its recommendation on the redevelopment proposal, either of approval, rejection or modification, and in the latter event, specify the changes recommended.

(g) Upon receipt of the Planning Commission's recommendation, or at the expiration of forty-five days, if no recommendation is made by the Planning Commission, the commission shall submit to the governing body the redevelopment proposal with the recommendation, if any, of the Planning Commission thereon. Prior to recommending a redevelopment plan to the governing body for approval, the commission shall consider whether the proposed land uses and building requirements in the redevelopment project area are designed with the general purpose of accomplishing, in conformance with the general plan, a coordinated, adjusted and harmonious development of the community and its environs, which will in accordance with present and future needs promote health, safety, morals, order, convenience, prosperity and the general welfare, as well as efficiency and economy in the process of development, including, among other things, adequate provision for traffic, vehicular parking, the promotion of safety from fire, panic and other dangers, adequate provision for light and air, the promotion of the healthful and convenient distribution of population, the provision of adequate transportation, water, sewerage and other public utilities, schools, parks, recreational and community facilities and other

The notice shall describe the redevelopment area by boundaries and by city block, street and house number. The redevelopment proposal with such maps, plans, contracts, or other documents as form part of said proposal, together with the recommendation, if any, of the Planning Commission, and supporting data shall be available for public inspection for at least ten days prior to the hearing.

At the hearing the governing body shall afford an opportunity to all persons or agencies interested to be heard and shall receive, make known and consider recommendations in writing with reference to the redevelopment proposal.

(i) The governing body shall approve, amend or reject the redevelopment proposal and the redevelopment contracts as submitted.

(j) Upon approval by the governing body of the redevelopment proposal and redevelopment contracts, the commission is authorized to execute the redevelopment contract after advertisement and award as hereinafter specified and to take such action as may be necessary to carry it out.

(k) A redevelopment plan may be modified at any time by the commission provided that, if modified after the sale of real property in the redevelopment project area, the modification must be consented to by the redeveloper of such real property or his successor, or their successors in interest affected by the proposed modification. Where the proposed modification will substantially change the redevelopment plan as previously approved by the governing body the modification must similarly be approved by the governing body as provided above.

(a) A commission may sell, exchange or otherwise transfer real property or any interest therein in a redevelopment project area to any redeveloper for residential, recreational, commercial, industrial or other uses or for public use in accordance with the redevelopment plan, subject to such covenants, conditions and restrictions as may be deemed to be in the public interest or to carry out the purposes of this Act; provided, that such sale, exchange or other transfer, and any agreement relating thereto, may be made only after, or subject to, the approval of the redevelopment plan by the governing body of the municipality and after public notice and award as hereinafter specified in subsection (b).

(b) Except as hereinafter specified, no sale of any property by the commission or contract for the accomplishment of any redevelopment project by the commission or any contract with a developer shall be effected except
after advertisement bid and awarded as hereinafter set out. The commission shall by public notice by publication once each week for four consecutive weeks in a newspaper having a general circulation in the municipality prior to the consideration of any sale or redevelopment or other contract proposal invite proposals and make available all pertinent information to any persons interested in undertaking a purchase of property, a contract or the redevelopment of an area or any part thereof. Such notice shall identify the property affected, shall specify in outline the property to be conveyed, the work to be accomplished and the conditions of the contract and shall state that further information may be obtained at the office of the commission. The commission may require such bid bond as it deems appropriate. After receipt of all bids, the contract shall be awarded to the lowest responsible bidder or the sale made to the highest responsible bidder as the case may be; provided, nothing herein shall prevent the sale at private sale to the municipality or other public body of such property as is specified in subsection (c) (1), (2) and (3) of this Section with or without consideration as shall be determined by the commission; provided further, that nothing herein shall prohibit the commission from negotiating contracts with a municipality to perform such work as the commission shall deem appropriate. All bids may be rejected. All awards of contracts and all sales shall be subject to the approval of the governing body of the municipality. After approval by the governing body of the municipality, the commission may execute such redevelopment or other contract and deliver deeds and other instruments and take all steps necessary to effectuate such redevelopment or other contract or sale. The commission may privately contract for engineering, legal, surveying, professional or other similar services without advertisement or bid and may similarly sell personal property of a value of less than $500 at private sale.

(c) In carrying out a redevelopment project, the commission may:

(3) With or without consideration and at private sale convey to the municipality, county or other appropriate public body, such real property, as, in accordance with the redevelopment plan, is to be used for parks, schools, public buildings, facilities or other public purposes.

(d) The commission may temporarily operate and maintain real property in a redevelopment project area pending the disposition of the property for redevelopment, for such uses and purposes as may be deemed desirable even though not in conformity with the redevelopment plan. The contract between the commission and a redeveloper shall contain, without being limited to the following provisions:

(1) Plans prepared by the redeveloper or otherwise and other such documents as may be required to show the type, material, structure and general character of the redevelopment project;
(2) A statement of the use intended for each part of the project;
(3) A guaranty of completion of the redevelopment project within specified time limits;
(4) The amount, if known, of the consideration to be paid.
(5) Adequate safeguards for proper maintenance of all parts of the project;
(6) Such other continuing controls as may be deemed necessary to effectuate the purposes of this Act.

e) Any deed to a redeveloper in furtherance of a redevelopment contract shall be executed in the name of the commission, by its proper officers, and shall contain in addition to all other provisions, such conditions, restrictions and provisions as the commission may deem desirable to run with the land in order to effectuate the purposes of this Act.

Sec. 12. Eminent Domain. Title to any property acquired by a commission through eminent domain shall be an absolute or fee simple title, unless a lesser title shall be designated in the eminent domain proceedings. The commission may exercise the right of eminent domain in the manner provided by law for the exercise of such right by municipalities, except that Section 40-10 of the General Statutes shall not apply to such commission. If any of the real property in the redevelopment area which is to be acquired has, prior to such acquisition, been devoted to another public use, it may, nevertheless, be acquired by condemnation; provided, that no real property belonging to any municipality or county or to the State may be acquired without its consent.

Sec. 13. Issuance of Bonds.

(a) The commission shall have power to issue bonds from time to time for any of its corporate purposes including the payment of principal and interest upon any advances for surveys and plans for redevelopment projects. The commission shall also have power to issue refunding bonds for the purpose of paying or retiring or in exchange for bonds previously issued by it. The commission may issue such types of bonds as it may determine, including (without limiting the generality of the foregoing) bonds on which the principal and interest are payable:

(1) Exclusively from the income, proceeds, and revenues of the redevelopment project financed with the proceeds of such bonds; or

(2) Exclusively from the income, proceeds, and revenues of any of its redevelopment projects whether or not they are financed in whole or in part with the proceeds of such bonds; provided, that any such bonds may be additionally secured by a pledge of any loan, grant or contributions, or parts thereof, from the Federal Government or other source, or a mortgage of any redevelopment project or projects of the commission.

(b) Neither the commissioners of a commission nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds and other obligations of the commission (and such bonds and obligations shall so state on their face) shall not be a debt of the municipality, the county, or the State and neither the municipality, the county, nor the State shall be liable thereon, nor in any event shall such bonds or obligations be payable out of any funds or properties other than those of said commission acquired for the purpose of this Act.
bonds shall not constitute an indebtedness of the municipality within the meaning of any constitutional or statutory debt limitation or restriction. Bonds of a commission are declared to be issued for an essential public and governmental purpose and to be public instrumentalities and, together with interest thereon and income therefrom, shall be exempt from all taxes. Bonds may be issued by a commission under this Act notwithstanding any debt or other limitation prescribed in any statute. This Act without reference to other statutes of the State shall constitute full and complete authority for the authorization and issuance of bonds by the commission hereunder and such authorizations and issuance shall not be subject to any conditions, restrictions or limitations imposed by any other statute whether general, special or local, except as provided in subsection (d) of this Section.

(c) Bonds of the commission shall be authorized by its resolution and may be issued in one or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rate or rates, not exceeding six per centum (6%) per annum, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium) as such resolution, its trust indenture or mortgage may provide.

(d) The bonds shall be approved and sold by the Local Government Commission in the same manner as bonds of municipalities are approved and sold by said Local Government Commission under the provisions of the Local Government Act; provided, however, said Local Government Commission may sell all or any part of an issue of bonds authorized pursuant to this Act to the Federal Government at private sale and without advertisement and, in the event less than all of such bonds are sold to the Federal Government at private sale, may sell the balance of such bonds at private sale and without advertisement to any party or parties other than the Federal Government at an interest cost which shall not exceed the interest cost of that portion of such bonds sold to the Federal Government, such cost to be determined in the same manner as interest cost is determined in the sale of bonds of municipalities. No bonds issued pursuant to this Act shall be sold at less than par and accrued interest. Such bonds shall be delivered in the same manner as bonds of municipalities are delivered under the provisions of Section 159-21 of the General Statutes (in applying the provisions of said Section 159-21 to bonds authorized pursuant to this Act the words "bonds", "notes" and "indebtedness" as they appear in the context thereof shall mean "bonds" as defined in this Act and the word "unit" shall mean "commission" as defined in this Act).

(e) In case any of the commissioners or officers of the commission whose signatures appear on any bonds or coupons shall cease to be such commissioners or officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such commissioners or officers had remained in office until such delivery.
Any provisions of any law to the contrary, notwithstanding any bonds issued pursuant to this Act shall be fully negotiable.

(f) In any suit, action or proceedings involving the validity or enforceability of any bond of the commission of the security therefor, any such bond reciting in substance that it has been issued by the commission to aid in financing a redevelopment project, as herein defined, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located and carried out in accordance with the purposes and provisions of this Act.

(a) In connection with the issuance of bonds or the incurring of obligations and in order to secure the payment of such bonds or obligations, the commission, in addition to its other powers, shall have power:

Sec. 4. For the purpose of determining the recipients of benefits under this Act and the amounts thereof to be disbursed, and for formulating and making such rules and regulations as may be essential for the equitable and impartial distribution of such benefits to and among the persons entitled to such benefits, there is hereby created a board to be known as "The Executive Board of the Quad-County Peace Officers' Relief Association", which shall consist of the Sheriffs of Granville County, Vance County, Franklin County, and Warren County, as ex officio members, and one representative from the membership in each of the four counties, said representatives to be elected by the members in each respective county as hereinafter provided.
Within thirty (30) days after the ratification of this Act the eligible peace officers of each of the said counties shall meet at a place and time designated by the sheriff of the county concerned and elect from their number a representative of such county to membership on the executive board. The said executive board may have such other meetings as may be necessary, which meetings shall be held on call by the chairman or any two members. A majority of the members of the executive board shall constitute a quorum for the transaction of business.

Notice of the adoption by the executive board of such rules and regulations as may be deemed necessary, and all amendments thereto, shall be made promptly to all members of the association.

Such costs collected for the Quad-County Peace Officers' Relief Association shall be turned over to the sheriff of the county in which they are collected not later than the tenth day of each month, with a detailed report giving the name of the defendant in each case in which the amount was collected. The sheriff of each county shall within ten (10) days remit the same to the treasurer of the association, together with the itemized report received by him. And the executive board shall have the authority to invest initiation fees and annual dues not immediately needed in any securities of the United States Government, of the State of North Carolina, or of any of the several counties or municipalities of the State of North Carolina, or in certificates of deposit in any bank or trust company authorized to do business in North Carolina in which the deposits are guaranteed by the Federal Deposit Insurance Corporation not to exceed the sum of ten thousand dollars ($10,000.00) in any one bank or trust company, or in the shares of Federal savings and loan associations and State chartered building and loan associations not to exceed ten thousand dollars ($10,000.00) in any one of such associations; provided that no such funds may be so invested in a State chartered building and loan association unless guaranteed by the Federal Deposit Insurance Corporation.

Sec. 8. The treasurer of the Quad-County Peace Officers’ Relief Association shall be elected annually by the executive board and shall be a member of the board at the time of his election. He shall give a good and sufficient bond, and the cost of the bond shall be paid from the funds of the association.

Sec. 9. Members of the executive board, with the exception of the treasurer, shall serve without compensation. Necessary office supplies and medical advisory fees, and compensation of the treasurer as the executive board shall determine, and any other administrative expenses which the executive board may deem necessary may be paid out of funds of the association.

Sec. 10. The executive board shall use the funds derived under this Act for the purpose of purchasing group insurance for the members of the Quad-County Peace Officers’ Relief Association against death or disability, or both, during the terms of their membership, under forms of insurance known as group insurance. At the end of each calendar or fiscal year of the association, if it operates on a fiscal year basis, the association shall refund to each county that proportion of the surplus funds of the association (not including initiation fees and annual dues) as payments from that county under Section 5 hereof bears to the total payments of all the counties for that year under Section 5. The funds thus returned shall be placed in the general fund of the county receiving the same.

Sec. 11. The treasurer and executive board of the association shall make a report of all receipts and disbursements of the preceding year at each regular annual meeting of the membership of each of the said counties, and shall send a copy of such report, together with any refund to be made, to the board of commissioners of each of the four counties. The
report so received shall be entered by the board of commissioners receiving the same upon its official minutes.

Sec. 13. All laws and clauses of laws in conflict with this Act are hereby repealed, and if any Section hereof be decided by the court to be invalid or unconstitutional, the same shall not affect the validity of this Act as a whole or any part thereof, other than the part decided to be unconstitutional or invalid.

Sec. 14. This Act shall be in full force and effect from and after its ratification.

AN ACT TO REWRITE ARTICLE 4A OF CHAPTER 95 OF THE GENERAL STATUTES RELATING TO THE VOLUNTARY ARBITRATION OF LABOR DISPUTES.

The General Assembly of North Carolina do enact:

Section 1. Article 4A of Chapter 95 of the General Statutes of North Carolina, as the same appears in the Cumulative Supplement of 1949, is hereby rewritten so that said Article shall hereafter read as follows:

"Art. 4A. Voluntary Arbitration of Labor Disputes

95-36.1. Declaration of Policy. It is hereby declared as the public policy of this State that the best interests of the people of the State are served by the prompt settlement of labor disputes; that strikes and lockouts and other forms of industrial strife, regardless of where the merits of the controversy lie, are forces productive ultimately of economic waste; that
the interests and rights of the consumers and the people of the State, while not direct parties to such disputes, should always be considered respected and protected; and, where efforts at amicable settlement have been unsuccessful, that the voluntary arbitration of such disputes will tend to promote permanent industrial peace and the health, welfare, comfort and safety of the people of the State. To carry out such policies, the necessity for the enactment of the provisions of this Article is hereby declared as a matter of legislative determination.

"95-36.2. Scope of Article. The provisions of this Article shall apply only to voluntary agreements to arbitrate labor disputes including, but not restricted to, all controversies between employers, employees and their respective bargaining representatives, or any of them, relating to wages, hours, and other conditions of employment.

"95-36.3. Administration of Article. (a) The administration of this Article shall be under the general supervision of the Commissioner of Labor of North Carolina.

(b) There is hereby established in the Department of Labor an arbitration service. The Commissioner of Labor may appoint such employees as may be required for the consummation of the work under this Article, prescribe their duties and fix their compensation, subject to existing laws applicable to the appointment and compensation of employees of the State of North Carolina. Any member of or employee in the arbitration service may be removed from office by the Commissioner of Labor, acting in his discretion.

(c) The Commissioner of Labor, with the written approval of the Attorney General as to legality, shall have power to adopt, alter, amend or repeal appropriate rules of procedure for selection of the arbitrator or panel and for conduct of the arbitration proceedings in accordance with this Article: Provided, however, that such rules shall be inapplicable to the extent that they are inconsistent with the arbitration agreement of the parties.

"93-36.4. Voluntary Arbitrators. (a) It shall be the duty of the Commissioner of Labor to maintain a list of qualified and public-spirited citizens who will serve as arbitrators. All appointments of a single arbitrator or member of an arbitration panel by the Commissioner of Labor shall be made from the list of qualified arbitrators maintained by him.

(b) No person named by the Commissioner of Labor to act as an arbitrator in a dispute shall be qualified to serve as such arbitrator if such person has any financial or other interest in the company or labor organization involved in the dispute.

"95-36.5. Fees and Expenses. (a) All the costs of any arbitration proceeding under this Article, including the fees and expenses of the arbitrator or arbitration panel, shall be paid by the parties to the proceeding in accordance with any agreement between them. In the absence of such an agreement, the award in the proceeding shall normally require the payment of such fees, expenses and other proper costs by one or more of the parties: Provided, that if the Commissioner of Labor deems that the public interest so requires, he may provide for the payment to any arbitrator appointed by him of per diem compensation at the rate established by the
Commissioner, and actual travel and other necessary expenses incurred while performing duties arising under this Article.

(b) In cases where an arbitrator has been appointed by the Commissioner, the Department of Labor may furnish necessary stenographic, clerical and technical service and assistance to the arbitrator or arbitration panel.

(c) Expenditures of public funds authorized under this Section shall be paid from funds appropriated for the administration of this Article.

"95-36.6. Appointment of Arbitrators. The parties may by agreement determine the method of appointment of the arbitrator or arbitration panel. If the parties have agreed upon arbitration under this Article and have not otherwise agreed upon the number of arbitrators or the method for their appointment, the controversy shall be heard and decided by a single arbitrator designated in such manner as the Commissioner of Labor shall determine. Any person or agency selected by agreement or otherwise to appoint an arbitrator or arbitrators shall send by registered mail to each of the parties to the proposed proceeding notice of the demand for arbitration. The arbitrator or arbitration panel, as the case may be, shall have such powers and duties as are conferred by the voluntary agreement of the parties, and, if there is no agreement to the contrary, shall have power to decide the arbitrability as well as the merits of the dispute.

"95-36.7. Arbitration Procedure. Upon the selection or appointment of an arbitrator or arbitration panel in any labor dispute, a statement of the issues or questions in dispute shall be submitted to said arbitrator or panel in writing, signed by one or more of the parties or their authorized agents. The arbitrator or panel shall appoint a time and place for the hearing, and notify the parties thereof, and may postpone or adjourn the hearing from time to time as may be necessary, subject to any time limits which are agreed upon by the parties. If any party neglects to appear before the arbitrator or panel after reasonable notice, the arbitrator or panel may nevertheless proceed to hear and determine the controversy. Unless the parties have otherwise agreed, the findings and decision of a majority of an arbitration panel shall constitute the award of the panel and, if a majority vote of the panel cannot be obtained, then the findings and decision of the impartial chairman of the panel shall constitute such award. To be enforceable, the award shall be handed down within sixty (60) days after the written statement of the issues or questions in dispute has been received by the arbitrator or panel, or within such further time as may be agreed to by the parties.

"95-36.8. Enforcement of Arbitration Agreement and Award. (a) Written agreements to arbitrate labor disputes, including but not restricted to controversies relating to wages, hours and other conditions of employment, shall be valid, enforceable and irrevocable, except upon such grounds as exist in law or equity for the rescission or revocation of any contract, in either of the following cases:

(i) Where there is a provision in a collective bargaining agreement or any other contract, hereafter made or extended, for the settlement by arbitration of a controversy or controversies thereafter arising between the parties;
(ii) Where there is an agreement to submit to arbitration a controversy or controversies already existing between the parties.

(b) Any arbitration award, made pursuant to an agreement of the parties described in subsection (a) of this Section and in accordance with this Article, shall be final and binding upon the parties to the arbitration proceedings.

"95-36.9. Stay of Proceedings. (a) If any action or proceeding be brought in any court upon any issue referable to arbitration under an agreement described in subsection (a) of G. S. 95-36.8, the court where the action or proceeding is pending or a Judge of the Superior Court having jurisdiction in any county where the dispute arose shall stay the action or proceeding, except for any temporary relief which may be appropriate pending the arbitration award, until such arbitration has been had in accordance with the terms of the agreement. The application for stay may be made by motion in writing of a party to the agreement, but such motion must be made before answer or demurrer to the pleading by which the action or proceeding was begun.

(b) Any party against whom arbitration proceedings have been initiated may, within 10 days after receiving written notice of the issue or questions to be passed upon at the arbitration hearing, apply to any Judge of the Superior Court having jurisdiction in any county where the dispute arose for a stay of the arbitration upon the ground that he has not agreed to the arbitration of the controversy involved. Any such application shall be made in writing and heard in a summary way in the manner and upon the notice provided by law or rules of court for the making and hearing of motions generally, except that it shall be entitled to priority in the interest of prompt disposition. If no such application is made within said ten-day period, a party against whom arbitration proceedings have been initiated cannot raise the issue of arbitrability except before the arbitrator and in proceedings subsequent to the award.

"(c) Any party against whom an arbitration award has been issued may, within 10 days after receiving written notice of such award, apply to any Judge of the Superior Court having jurisdiction in any county where the dispute arose for a stay of the award upon the ground that it exceeds the authority conferred by the arbitration agreement. Any such application shall be made in writing and heard in a summary way in the manner and upon the notice provided by law or rules of court for the making and hearing of motions generally, except that it shall be entitled to priority in the interest of prompt disposition. If no such application is made within said ten-day period, a party against whom arbitration proceedings have been initiated cannot raise the issue of arbitrability except before the arbitrator or arbitrators, or in proceedings to enforce the award. Any failure to abide by an award shall not constitute a breach of the contract to arbitrate, pending disposition of a timely application for stay of the award pursuant to this paragraph."

Sec. 2. All laws and clauses of laws in conflict with this Act are hereby repealed.

S. 143-129 be amended by adding in the first line thereof, not counting the captioned line, following the phrase “no construction or repair work” the following: “requiring the estimated expenditure of public money in an amount equal to or more than two thousand five hundred dollars ($2,500.00).”

Sec. 2. G. S. 143-129 is hereby amended by striking out all of the seventh unnumbered paragraph therein, beginning with the words “All proposals shall be opened in public” and ending with the words “give satisfactory surety as required herein”, and inserting in lieu thereof the following:

“All proposals shall be opened in public and shall be recorded on the minutes of the board or governing body and the award shall be made to the lowest responsible bidder, taking into consideration quality and the time specified in the proposals for the performance of the contract. In the event the lowest responsible bid is in excess of the funds available for such purpose, such board or governing body is authorized to enter into negotiations with the lowest responsible bidder above mentioned and may award such contract to such bidder if such bidder will agree to perform the same, without making any substantial changes in the plans and specifications, at a sum within the funds available therefor. If the contract cannot be let under the above conditions, the board or governing body is authorized to readvertise, as herein provided, the said letting and make such changes in the plans and specifications as may be necessary to bring the cost of the project within the funds available therefor. The procedure above specified may be repeated if necessary in order to secure an acceptable contract within the funds available therefor. No proposal shall be considered or accepted by said board or governing body unless at the time of its filing the same shall be accompanied by a deposit with said board or governing body of cash or a certified check on some bank or trust company insured by the Federal Deposit Insurance Corporation, in an amount equal to not less than five per cent (5%) of the proposal. In lieu of making the cash deposit as above provided, such bidder may file a bid bond executed by a corporate surety licensed under the laws of North Carolina to execute such bonds, conditioned that the surety will upon demand forthwith make payment to the obligee upon said bond if the bidder fails to execute the contract in accordance with the bid bond and upon failure to forthwith make payment the surety shall pay to the obligee an amount

Inspection fees fixed by municipalities shall not be applicable to such construction, except where inspection is requested by the owning agency. Municipal authorities may, however, inspect any plans or specifications for any such construction and all recommendations made by them with respect thereto shall be given careful consideration by the Budget Bureau."

"95-69.1. Appeals to board. Any person aggrieved by an order or act
of the Commissioner of Labor, or the chief inspector, under this article
may, within 15 days after notice thereof, appeal from such order or act to
the Board which shall, within 30 days thereafter, hold a hearing after hav-
ging given at least ten days written notice to all interested parties. The
Board shall, within 30 days after such hearing, issue an appropriate order
either approving, modifying or disapproving said order or act. A copy of
such order by the Board shall be delivered to all interested parties."

"95-69.2. Court review of orders and decisions. (a) Any order or de-
cision made, issued or executed by the Board shall be subject to review
in the Superior Court of the county in which the inspection took place on
petition by any person aggrieved filed within 30 days from the date of the
delivery of a copy of the order or decision made by the Board to such
person. A copy of such petition for review as filed with and certified to
by the clerk of said court shall be served upon the chairman of the Board.
If such petition for review is not filed within the said 30 days the parties
aggrieved shall be deemed to have waived the right to have the merits
of the order or decision reviewed and there shall be no trial of the merits
thereof by any court to which application may be made by petition or
otherwise, to enforce or restrain the enforcement of the same.

(b) The chairman of the Board shall within 30 days, unless the time
be extended by order of court, after the service of the copy of the petition
for review as provided in paragraph (a) of this Section, cause to be pre-
pared and filed with the Clerk of the Superior Court of Wake County a
complete transcript of the record of the hearing, if any, had before the
Board, and a true copy of the order or decision duly certified. The order
or decision of the Board if supported by substantial evidence shall be pre-
sumed to be correct and proper. The court may change the place of hear-
ing, (1) upon consent of the parties; or (2) when the convenience of wit-
nesses and the end of justice would be promoted by the change; or (3)
when the judge has at any time been interested as a party or counsel.
The cause shall be heard by the trial judge as a civil case upon transcript
of the record for review of findings of fact and errors of law only. It
shall be the duty of the trial judge to hear and determine such petition
with all convenient speed and to this end the cause shall be placed on the
calendar for the next succeeding term for hearing ahead of all other cases
except those already given priority by law. If on the hearing before the
trial judge it shall appear that the record filed by the chairman of the
Board is incomplete, he may by appropriate order direct the chairman to certify any or all parts of the record so omitted.

(c) The trial judge shall have jurisdiction to affirm or to set aside the order or decision of the Board and to restrain the enforcement thereof.

(d) Appeals from all final orders and judgments entered by the Superior Court in reviewing the orders and decisions of the Board may be taken to the Supreme Court of North Carolina by any party to the action in other civil cases.

(e) The commencement of proceedings under this Section shall not operate as a stay of the Board's order or decision, unless so ordered by the court.

(f) The following rights may be exercised by any party in lieu of the right of review provided by the above subsections (a) through (d):

The person aggrieved by any order or decision of the Board may, within 30 days after delivery to him of a copy of the Board's order or decision, file an appeal and a request for trial de novo and right to jury trial in the Superior Court of the county in which the inspection took place. Such right must be granted. However, unless such appeal and request for right to trial de novo and jury trial is filed as provided above, such right shall be deemed waived. In the event of such trial de novo, the Board shall file with the Clerk of said Superior Court certified copy of the Board's order or decision from which appeal is taken, and also, upon written request filed ten days prior to the trial, furnish to the appealing party a copy of the transcript of the record of the hearing held before the Board. Any party to the action may take appeal to the Superior Court from any final order and judgment entered by the Superior Court after any such trial de novo or jury trial, which appeal shall be as in other civil actions."

Sec. 13. If any provision of this Act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Sec. 14. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 15. This Act shall become effective July 1, 1951.

In the General Assembly read three times and ratified, this the 14th day of April, 1951.

1151
“7-43.1. The board of commissioners of any county in the State where no inferior court has been established as provided by chapter 7 of the General Statutes, as amended, is hereby authorized and empowered, in its discretion, to appoint a competent attorney of the county to assist the solicitor of the solicitorial district, in which said county is included, in the prosecution of the criminal docket of the Superior Court of said county: Provided, that no one shall be appointed assistant solicitor under this Section unless and until he has first been recommended and nominated for such position or office by the solicitor of the solicitorial district in which said county is included. The solicitor of the solicitorial district in which said county is located shall designate and define the duties of the assistant solicitor appointed under this Section and is authorized and empowered to remove the said assistant solicitor from office at any time without hearing: Provided, written notice of said removal is delivered to said assistant solicitor and the chairman of the board of commissioners of the county more than thirty (30) days prior to the effective date of said removal. The first term of the office of the assistant solicitor appointed under the authority of this Section shall begin on such date as the board of county commissioners of the county concerned shall designate and shall end on the last day of the calendar year in which said appointment is made, and thereafter, the term of office of said assistant solicitor shall begin on January 1st of each year and shall end on December 31st of the same calendar year. At the end of any term of the position or office of the assistant solicitor, the board of county commissioners of the county concerned may, in its discretion, leave the office of assistant solicitor vacant for the ensuing term, or any portion thereof; but this provision shall not prevent the board of commissioners from appointing an assistant solicitor upon recommendation and nomination of the solicitor at any time when the office is vacant. The salary of the assistant solicitor shall be fixed from term to term by the board of county commissioners of the county in which such appointment is made and shall be in such an amount as the board of county commissioners of the county shall deem proper, just and reasonable, in its discretion, taking into consideration the amount, type and kind of services to be performed, and said salary shall be paid in equal monthly installments from the general fund of the county. The solicitor of the solicitorial district in which said county is located, and for which said assistant solicitor is appointed, shall at all times have the power and authority to define and fix the duties of said assistant solicitor.”

Sec. 2. Article 7 of subchapter 2 of Chapter 7 of the General Statutes is hereby amended by adding thereto a new Section, which said Section shall appear immediately after G. S. 7-43.1 and immediately before G. S. 7-44, and which said new Section shall be designated as G. S. 7-43.2 and shall read as follows:

“7-43.2. In any county in this State where there has been established or may be established, an inferior court under the provisions of Chapter 7 of the General Statutes, as amended, and such inferior court has, or shall have, criminal jurisdiction over the entire county in which said court is established, or may be established, the board of county commis-
sioners of such county is hereby authorized and empowered, in its discretion, to designate the prosecuting attorney for such inferior court to assist the solicitor of the solicitorial district, in which said county is included or located, in the prosecution of the criminal docket of the Superior Court of said county: Provided, that the said prosecuting attorney shall not be so designated unless and until the solicitor of the solicitorial district has advised with the board of county commissioners of said county as to the necessity for such action and approves such appointment. The solicitor of the solicitorial district in which such county is included or located shall define and fix the duties of said prosecuting attorney in assisting the solicitor of said solicitorial district, and the duties of the prosecuting attorney of the inferior court, after such appointment and designation, in assisting the solicitor of the solicitorial district shall be additional duties as prosecuting attorney of the inferior court, and the performance of his duties in assisting the solicitor of the solicitorial district shall not be construed as creating or establishing a new or additional office. The board of county commissioners of the county in which the prosecuting attorney of such inferior court is appointed to assist the solicitor of the solicitorial district may, in its discretion, provide for additional salary that may be paid to said prosecuting attorney of such inferior court by reason of his additional duties in assisting the solicitor of the solicitorial district. Such additional salary, if so provided, shall be fixed in such an amount as, in the discretion of the board of commissioners, shall be considered proper, reasonable and just, taking into consideration the amount, type and kind of services to be performed by the prosecuting attorney in giving such assistance and shall be paid in equal monthly installments from the general fund of the county concerned. The first period of time in which the prosecuting attorney shall begin the performance of his duties in assisting the solicitor of the solicitorial district shall begin on such date as the board of commissioners of the county concerned shall designate and shall end on the last day of the calendar year in which such beginning period is fixed or instituted. Thereafter, the period of time in which such assistance shall be performed shall begin on the first day of each calendar year and shall end on the last day of such calendar year. At the end of any period of time in which such assistance to the solicitor of the solicitorial district is performed by the prosecuting attorney, as herein provided, the board of commissioners of the county concerned may, in its discretion, discontinue such assistance on the part of the prosecuting attorney for the ensuing period of time, or any portion thereof; but this provision shall not prevent the board of county commissioners of such county from again designating the prosecuting attorney of such inferior court to perform the duties herein authorized upon the approval of the solicitor of the solicitorial district at any time when such assistance has theretofore been discontinued. In lieu of designating the prosecuting attorney of such inferior court, as herein provided, the board of county commissioners of such county may appoint a competent attorney of the county to perform such duties as provided by 7-43.1 of the General Statutes.”
Sec. 3. This Act shall not be construed as repealing any public, Public-
Local or special Act heretofore enacted or which may be enacted at the
1951 Session of the General Assembly providing for an assistant solicitor
as set forth in such Public, Public-Local or special Act.

Sec. 4. All laws and clauses of laws in conflict with this Act are
hereby repealed.

Sec. 5. This Act shall become effective upon its ratification.

AN ACT PROVIDING THAT THE STATE OF NORTH CAROLINA MAY ENTER INTO A COMPACT WITH ANY OF THE UNITED STATES FOR MUTUAL HELPFULNESS IN RELATION TO PERSONS CONVICTED OF CRIME OR OFFENSES WHO MAY BE ON PROBATION OR PAROLE.

The General Assembly of North Carolina do enact:

Section 1. The Governor of this State is hereby authorized and directed to execute a compact on behalf of the State of North Carolina with any of the United States legally joining therein in the form substantially as follows:

A COMPACT

Entered into by and among the contracting states, signatories hereto, with the consent of the Congress of the United States of America, granted by an Act entitled "An Act granting the consent of Congress to any two or more states to enter into agreements or compacts for cooperative effort and mutual assistance in the prevention of crime and for other purposes."

The contracting states solemnly agree:

(1) That it shall be competent for the duly constituted judicial and administrative authorities of a state party to this compact (herein called "sending state"), to permit any person convicted of an offense within such state and placed on probation or released on parole to reside in any other state party to this compact (herein called "receiving state"), while on probation or parole, if

(a) Such person is in fact a resident of or has his family residing within the receiving state and can obtain employment there;

(b) Though not a resident of the receiving state and not having his family residing there, the receiving state consents to such person being sent there.

Before granting such permission, opportunity shall be granted to the receiving state to investigate the home and prospective employment of such person.

A resident of the receiving state, within the meaning of this Section, is one who has been an actual inhabitant of such state continuously for more than one year prior to his coming to the sending state and has not resided within the sending state more than six continuous months immediately preceding the commission of the offense for which he has been convicted.
(2) That each receiving state will assume the duties of visitation of and supervision over probationers or parolees of any sending state and in the exercise of those duties will be governed by the same standards that prevail for its own probationers and parolees.

(3) That duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any person on probation or parole. For that purpose no formalities will be required other than establishing the authority of the officer and the identity of the person to be retaken. All legal requirements to obtain extradition of fugitives from justice are hereby expressly waived on the part of states party hereto, as to such persons. The decision of the sending state to retake a person on probation or parole shall be conclusive upon and not reviewable within the receiving state; provided, however, that if at the time when a state seeks to retake a probationer or parolee there should be pending against him within the receiving state any criminal charge, or he should be suspected of having committed within such state a criminal offense, he shall not be retaken without the consent of the receiving state until discharged from prosecution or from imprisonment for such offense.

(4) That the duly accredited officers of the sending state will be permitted to transport prisoners being retaken through any and all states parties to this compact, without interference.

(5) That the Governor of each state may designate an officer who, acting jointly with like officers of other contracting states, if and when appointed, shall promulgate such rules and regulations as may be deemed necessary to more effectively carry out the terms of this compact.

(6) That this compact shall become operative immediately upon its execution by any state as between it and any other state or states so executing. When executed it shall have the full force and effect of law within such state, the form of execution to be in accordance with the laws of the executing state.

(7) That this compact shall continue in force and remain binding upon each executing state until renounced by it. The duties and obligations hereunder of a renouncing state shall continue as to parolees or probationers residing therein at the time of withdrawal until retaken or finally discharged by the sending state. Renunciation of this compact shall be by the same authority which executed it, by sending six months' notice in writing of its intention to withdraw from the compact to the other state party hereto.

Sec. 2. If any Section, sentence, subdivision or clause of this Act is for any reason held invalid or to be unconstitutional, such decision shall not affect the validity of the remaining portions of this Act. This Act may be cited as the Uniform Act for Out-of-State Parolee Supervision.

131-126.26. Municipal aid. If the governing body of any municipality determines that the public interest and the interests of the municipality will be served by aiding another municipality or municipalities or a nonprofit association or nonprofit associations to provide physical facilities for furnishing hospital, clinic, or similar services to the people of the municipality, such municipality may render such aid by gift of real or personal property, or lease or loan thereof with or without rental or charge, or by gift of money, or loan thereof with or without interest. For the purpose of raising money to be given or loaned as aforesaid, such municipality shall
have power to levy taxes as provided in Section 131-126.22 and to issue
general obligation bonds as provided in Section 131-126.23, as though such
taxes were to be levied and such bonds were to be issued to finance
hospital facilities owned by the municipality. No bonds shall be issued
under this Section, however, except for the construction of new buildings,
the expansion, remodeling and alteration of existing buildings, and the
equipment of buildings, or for one or more of said purposes. For the pur-
pose of applying the provisions of the County Finance Act and the Munici-
pal Finance Act to bonds authorized by this Section, the bonds shall be
deemed to be bonds issued to finance public buildings owned by the muni-
cipality issuing the bonds. The special approval of the General Assembly
is hereby given for the levying of the taxes authorized by this Section,
including taxes sufficient to pay the principal of and the interest on bonds
issued under this Section. The proceeds of the sale of such bonds may be
expended by the municipality that issues them or by the municipality or
municipalities or non-profit association or non-profit associations in aid of
which the bonds are issued, as may be determined by the governing body
of the municipality that issued the bonds. If any building for which bonds
are issued under this Section shall, prior to the final date of maturity of
the bonds, cease for 90 days or more to be used for the purpose of furnish-
ing hospital, clinic, or similar services to the people of the municipality
that issued the bonds, or ceased to be owned by a municipality or a non-
profit association, the municipality that issued the bonds shall be en-
titled to recover from the owners of such building, or from their predeces-
sors entitled since the date of the bonds issued for such building, the
amount of such bonds remaining outstanding and unpaid. Such right
of recovery shall, however, be subordinate to any claim of the United
States on account of aid in financing such building. Any municipality that
grants aid under this Section may require assurance from the grantee that
the grantee will furnish hospital, clinic, or similar services during a speci-
fied period to the people of the municipality that grants such aid. Such
assurance may be given by lease, deed of trust, mortgage, contract to con-
vey, lien, trust indenture, or other means.

repealed.

Sec. 3. This Act shall be in full force from and after its ratification.

to vote in the precinct from which he has removed until four months after
such removal.

Sec. 26. When the election shall be finished, the registrar and judges
of election shall open the boxes and count the ballots, reading aloud the
names of the persons thereon; and if there shall be two or more ballots
rolled up together, or any ballot shall contain the names of more persons
than the elector has the right to vote for, or shall have a device or orna-

CHAPTER 1168

WHEREAS, by Chapter 1097 of the Session Laws of 1947 there was appropriated to the North Carolina State Art Society, a corporation under the patronage and control of the State, the sum of one million dollars ($1,000,000.00) which was to be made available for expenditure for the purchase of works of art when a like amount had been secured by the North Carolina State Art Society through gifts to be added to said sum all of which, according to said Act, was to be used for the purchase of works of Art as provided in said law; and

WHEREAS, the Samuel H. Kress Foundation, by letter dated January 24, 1951, addressed to Robert Lee Humber of Greenville, North Carolina, made the following proposal:

"In view of what you have stated about the progress made up to this time, with respect to the establishment of the North Carolina State Museum of Art at Raleigh, North Carolina, Messrs. Spencer, Emerson and myself are prepared to recommend to the board of trustees of the Samuel H. Kress Foundation the inclusion of Raleigh, North Carolina in our program for the establishment of galleries throughout the United States to receive a Samuel H. Kress Collection of Paintings, consisting of outstanding Italian Renaissance Art and other similar paintings of a value of at least one million dollars. It is only fair to say that any paintings we may contribute will be conditioned upon our usual method of entrusting the paintings for the benefit of the public under the terms of an indenture to be agreed upon. We will insist upon adequate building provisions for the accommodation, care and exhibition of any works of art which we may contribute, and the making of adequate arrangements for their safekeeping."
"Our procedure in such matters is to study the requirements of the community in respect to the character of the paintings to be selected to satisfy the needs of the local museum as well as the art programs of both the public school and the community.

"Since you must act immediately, as explained in our conference, to match the funds for the purchase of art, which were set aside in 1947 by the General Assembly of North Carolina, this is your authority to assure the Governor, the Legislature and others that the Samuel H. Kress Foundation intends to cooperate with you in accomplishing an adequate and practical working objective.

"We assure you of our complete cooperation in the accomplishment of your program, and in your efforts to enlist the financial support of the people of North Carolina, its outstanding citizens and families from whom most of your aid must be obtained so that they will take a deep, personal, active interest in the proper organization and administration of the State Museum of Art of North Carolina to make it an inspiration and center of art education.

"We are particularly interested in the development of a deeper spiritual character on the part of our coming generations, which is the sole objective of accomplishment from the time, effort and work that I am personally applying to art."; and

WHEREAS, on February 14, 1951, Robert Lee Humber, as Chairman of the Executive Committee of the North Carolina State Art Society, addressed a letter to Mr. R. H. Kress of the Samuel H. Kress Foundation, which read as follows:

"It is with the deepest appreciation that I acknowledge the receipt of your letter of January 24, 1951, announcing the intentions of the Samuel H. Kress Foundation to give the North Carolina State Art Society a collection of outstanding Renaissance paintings of a value of at least a million dollars.

"I want to assure you that the knowledge of your gift has already brought expressions of warm approval and gratitude from citizens throughout the State, including the Governor and other high officials of the Commonwealth. I convey to you their gratitude and eager desire to receive the collection at the earliest possible date.

"It is understood, moreover, that this gift will be governed by an indenture to be executed between the Samuel H. Kress Foundation and the North Carolina State Art Society, stipulating that the State of North Carolina will provide a building to house the State Art Gallery, that shall be fireproof in construction, adequately appointed to exhibit the pictures and equipped to assure the collection proper care. It is also understood that this collection will be kept intact as a memorial to Mr. Samuel H. Kress, and that it will be maintained by North Carolina permanently for the benefit of the public.

"If these conditions constitute the major provisions of the contemplated indenture, I would appreciate your confirming this understanding.

"In the near future I hope that I will be able to inform you that the Legislature has taken official action to accept this generous gift on your
part and to release for the purchase of art the million dollars that was
set aside for this purpose by the General Assembly of 1947."; and

WHEREAS, on February 14, 1951, the Samuel H. Kress Foundation, in
a letter signed by the controlling director thereof, R. H. Kress, wrote to
Robert Lee Humber as follows:

"Mr. Robert Lee Humber

Greenville

North Carolina

Dear Mr. Humber:

Referring to your letter of February 14, 1951:—

Our Foundation assumes the responsibility of keeping in touch with the
paintings and objects of art which will be in the Samuel H. Kress Col-
llections throughout the United States, as to our force supervising or
doing whatever restoration is necessary to the paintings or the frames
which may not have been caused by careless handling or other damage
beyond our control resulting in their destruction; in that case, it would
not to be our responsibility to replace same.

It is also understood, as part of the indenture entered into by the
Samuel H. Kress Foundation, that the paintings are not to be loaned with-
out the written permission of the Trustees of the Kress Foundation.

We will naturally continue our cooperation with the North Carolina
State Art Society as part of our national work in improving the organi-
zation and administration not only of those galleries with which my
Brother’s name might be directly associated, but also in connection with
the educational work which we are doing as a national project.

You can consider our offer, in our letter of January 24, 1951, as legally
binding on our Foundation bona fide and definite just the same as the
conditions which will enter into the signing of the indenture that will
apply to all of those galleries with which we are directly associated as
part of the Samuel H. Kress Collection.

Yours truly,

SAMUEL H. KRESS FOUNDATION

/s/ R. H. Kress."

WHEREAS, the donation of works of art offered by the Samuel H.
Kress Foundation and the other offers contained in said correspondence
fully comply in substance and effect with the conditions attached to the
appropriation made to the North Carolina State Art Society by Chapter
1097 of the Session Laws of 1947; and

WHEREAS, the offer of the Samuel H. Kress Foundation to include
the North Carolina State Museum of Art at Raleigh, North Carolina, to
be conducted by the North Carolina State Art Society in their program
for the establishment of Galleries throughout the United States to receive
the Samuel H. Kress Foundation Collection of Paintings to include the
outstanding Italian Renaissance Art and other similar paintings, together
with the appropriation heretofore made by the General Assembly of North
Carolina, makes certain the establishment of a State Museum of Art in
North Carolina which will be an inspiration and center of Art Education
for the development of the deeper spiritual character for coming gener-

WHEREAS, it is highly desirable for the benefit of all the people of the State of North Carolina that the gift of the Samuel H. Kress Foundation as set forth in the correspondence in the preamble to this Act, which said offer of the Samuel H. Kress Foundation carrying out the proposal set forth in the preamble of this Act in the form approved by the Board of Directors of the North Carolina State Art Society and also approved by the Governor and Council of State as to the substance and contents thereof.

G. S. 140-5.6 is hereby amended by adding at the end of said Section the following:

The General Assembly of North Carolina do enact:

Section 1. It shall be unlawful for any person, firm, or corporation to engage in the business of a professional bondsman, or surety, without first paying an annual license fee to the City of Salisbury and County of Rowan in the sum of one hundred dollars ($100.00) each.

Sec. 2. Every person, firm, or corporation licensed as a professional bondsman, or surety, shall, before engaging in such business, file a schedule
of financial condition with the Clerk of the Superior Court, and the financial responsibility of the obligor named in all bail or other bonds executed by said professional bondsman shall be approved by said clerk. When, in the opinion of said clerk of the Superior Court, the financial condition of any professional bondsman is inadequate to justify acceptance of further bonds, he shall demand from such professional bondsman a deposit of security in such value as to secure the State in the collection of any forfeited penalty.

Sec. 3. The term professional bondsman, as herein used, shall be construed to include any individual, group of individuals, or corporation, who shall, for pay or profit, execute any bond for the release of any person or property from custody of law, or for the guarantee of any penalty contained in any bond, or recognizance.

Sec. 4. It shall be unlawful for any professional bondsman to solicit business by or through any attorney at law, court official, or law enforcement officer, or to pay to, give, or lend to any said person or persons money or other things of value as pay or gratuity for such service.

No person bailed shall be surrendered as provided by law during the pendency of his cause unless the professional bondsman shall return to such person one half of the charge made and received by him for his service. Provided, however, no refund shall be required of said professional bondsman if such person, during the pendency of his cause, shall fail to make his appearance as required by his recognizance.

Sec. 10. Any person, firm, or corporation violating any of the provisions of this Act shall be guilty of a misdemeanor and upon conviction shall be fined or imprisoned, in the discretion of the court, and upon conviction the

WHEREAS, it is proper that some of the history of Craven County and of the City of New Bern, as well as the acts and deeds of its illustrious men and statesmen should again be remembered and called to the attention of the people of the State, and to that end, it is hereby recited that: The voters of Craven County, one of the original precincts, and of the borough Town of New Bern, have sent to the General Assembly in the Colonial period and since our independence, some of the most illustrious men who have distinguished the legislative bodies of North Carolina; and

While Smith was in England, Burrington appointed Daniel Hamner who was ousted by Smith and imprisoned for perjury, and Burrington was succeeded by Governor Gabriel Johnston; and

WHEREAS, the General Assembly fixed New Bern as the seat of Government in 1746, and the town thereby took the place of Westminster. WHEREAS, the Congress having met in Halifax 17 December 1776, for the purpose of establishing a Constitution or form of government for the State, the first General Assembly was begun and held at New Bern 8 April 1777, in the first year of the independence of the State, and second anniversary of the end of Royal rule, and Abner Nash of New Bern was elected Speaker of the House of Commons. In 1779 he was Speaker of the Senate in the session held in Halifax. In the session of 1784 at New Bern, William Blount was Speaker of Commons, and in 1785 at New Bern, Richard Dobbs Spaight was Speaker of Commons. WHEREAS, Judge Owen H. Guion was a member of the House in 1903, and 1905 when he was elected Speaker; and more recently David L. Ward, son of the eloquent Judge D. L. Ward who was in the Senate in 1905, was Craven's representative in 1935 and in 1937, and in 1939 when he was chosen Speaker of the House, he being at the age of 35, the youngest speaker of the House. H. R. 203  RESOLUTION 25

A JOINT RESOLUTION RELATING TO SAFETY ON THE PUBLIC HIGHWAYS.

WHEREAS, despite all laws governing the operation of motor vehicles on our public highways and all present efforts to enforce such laws, we are today faced with a terrible and rising toll of death and destruction on those highways, with an appalling loss of life and enormous property damage; and
WHEREAS, with increasing traffic due to defense activities it appears probable that this deplorable condition will become worse rather than better unless some more effective method of dealing with it can be devised; and

WHEREAS, in an effort to partially meet this situation it has been proposed that 105 additional patrolmen be added to the present highway patrol, making a total of 528; and

WHEREAS, it is desirable in the public interest that this increase in the number of patrolmen should be turned to the best possible advantage as promptly as possible:

Now, therefore, it is hereby resolved by the House of Representatives, the Senate concurring:

First, that it is the sense of this Resolution and it is so recommended and urged that in each highway patrol or troop district in the State an adequate number of patrolmen shall be required by the Commissioner of Motor Vehicles to devote a reasonable part of their time to conducting, from time to time a check of motor vehicles actually operating upon the highways of the State, such checks to be made by patrolmen at such times and places as may, in their judgment, best serve the purposes of highway safety and least interfere with the movement of traffic and the general convenience of the traveling public.

Such checks shall be made with particular attention to the condition of the brakes, the lighting system, and the steering assembly of vehicles checked, and no charge for such service shall be made against the owner or operator of any such motor vehicle.

Second, it is the further sense of this Resolution that when it shall appear to the patrolman that any motor vehicle is for any reason in a defective condition or unsafe to operate upon the public highways, the owner or operator shall be given a reasonable opportunity to correct such defects. It is not the intent of this Resolution to limit or add to the existing powers and duties of the State Highway Patrol.

Third, this Resolution does not contemplate or recommend the establishment of any type of inspection stations or lanes as heretofore operated by the Department of Motor Vehicles, it being the intent of this Resolution that this service to the motor vehicle operator be rendered at no particular time or place and that no specified equipment or facilities should be required for such inspection.

Fourth, that this Resolution be in full force and effect after its adoption.

WHEREAS, we recognize the great value these inlets, inland waterways and harbors have in the economic life of North Carolina and more especially eastern North Carolina; and

WHEREAS, the North Carolina members of Congress are a great power in our Federal Government,

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The General Assembly of North Carolina hereby respectfully requests the North Carolina Senators and Representatives in Congress to exert all proper influence and use all available means at their command in an effort to have the Federal Government proceed with a program of development and improvement of the inlets, harbors, ports and inland waterways which are of such vital importance not only to the economic life of this State, but to the entire nation in the furtherance of its defense program.

Sec. 2. The Governor of the State of North Carolina is respectfully requested to join with our Senators and Representatives in Congress in a concerted effort to secure necessary federal appropriations to give effect to an adequate program of development, with particular regard to the deepening and widening of the several inlets leading into our harbors and inland waterways, including specifically Lockwood’s Folly Inlet and Shal- lotte Inlet, in Brunswick County, and Oregon Inlet, Hatteras Inlet, and Ocracoke Inlet, in Dare County, these inlets being vitally necessary to the commercial fishing industry of the adjoining sections.

S. R. 621  RESOLUTION 36

A JOINT RESOLUTION RELATING TO THE INDIANS OF ROBESON AND ADJOINING COUNTIES.

WHEREAS, those Indians residing in Robeson and adjoining counties are desirous of having the General Assembly of North Carolina legally designate and assign to them an official tribal name; and

WHEREAS, through the years much uncertainty and confusion has resulted from repeated changes and attempted changes in their tribal name; and

WHEREAS, there now exist honest differences of opinion among these Indians, themselves, as to what name and title would most accurately reflect their racial origin and serve their present needs and purposes; and

WHEREAS, it is generally agreed among them that this question of a name should be definitely and, insofar as possible, finally settled by legislative action:

Now, therefore, with this object in view, be it resolved by the Senate of the State of North Carolina, the House of Representatives concurring:

Section 1. That the Board of County Commissioners of Robeson County, upon receiving a petition signed by not less than one hundred Indians of Robeson and adjoining counties, who are qualified voters therein and whose names appear upon the accredited roster of Indians of Robeson and adjoining counties on record at Pembroke State College, is hereby authorized by resolution of the board to call a referendum election to be held at such time and at such places as the Board of County Commissioners may by resolution determine, at which election there shall be submitted the question of choosing an official name for the Indians of Robeson and adjoining counties.

Insofar as circumstances permit and except as otherwise provided in this Act, such election shall be called, advertised and conducted and the results determined, declared and certified in accordance with general laws governing special elections. The Board of County Commissioners of Robeson County, by resolution, shall provide for the registration of Indians eligible to vote and shall establish conveniently located polling places and shall provide all necessary election officials, machinery and facilities. Only those Indians of Robeson and adjoining counties whose names appear on the accredited roster of Indians on record at Pembroke State College prior to the closing of the registration books for such election shall be eligible to register and vote therein, and then only in the event they qualify otherwise as electors.
1951—Resolutions

Sec. 2. At such election, the choice of a name for the Indians of Robeson and adjoining counties shall be determined by the greatest number of votes cast in favor of a particular name or designation; and upon such choice being determined, the same shall be certified by the Board of County Commissioners of Robeson County to the 1953 General Assembly of North Carolina for its consideration and action.

Sec. 3. The Secretary of State is hereby respectfully requested to furnish an authenticated copy of this Resolution to the Chairman of the Board of County Commissioners of Robeson County and to the President or Principal of Pembroke State College, with appropriate letters of transmittal.

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

INDEX TO 1951 SESSION LAWS

(Suggestions for use: When looking for a local law, the quickest way to find it will be under the name of the particular county, city or town involved. The Act appointing boards of education in various counties is Chapter 1117; the Acts appointing justices of the peace in various counties are Chapters 508 and 1068.

If you are looking for a law which amends or repeals a certain statute or law, look under the heading “General Statutes” or “Laws Amended” or “Laws Repealed”.

A number of the lengthier statutes have been broken down to show the section number as well as the chapter number in order to facilitate the location of any specific part of the law.)
