SECOND SESSION 1976*
HELD IN THE CITY OF RALEIGH
BEGINNING ON
MONDAY, THE THIRD DAY OF MAY, A.D., 1976

ISSUED BY
SECRETARY OF STATE THAD EURE

PUBLISHED BY AUTHORITY

*The 1975 General Assembly convened on January 15, 1975, and adjourned on June 26, 1975, to reconvene on May 3, 1976; the body adjourned sine die on May 14, 1976. Session Law Chapters 1 through 975 and Resolutions 1 through 121 were passed during the First Session 1975 and are published in a separate volume. Session Law Chapters 976 through 983 and Resolutions 122 through 128 were passed during the Second Session 1976 and are published in this volume. Since the Second Session 1976 was brief and produced a relatively small number of Session Laws and Resolutions, the index to this volume is not cumulative; only the Session Laws and Resolutions of the 1975 General Assembly, Second Session 1976, are indexed in this volume. Session Laws and Resolutions of the 1975 General Assembly, First Session 1975, are indexed in the separate volume.

CONSTITUTION
OF THE
State of North Carolina

PREAMBLE

We, the people of the State of North Carolina, grateful to Almighty God, the Sovereign Ruler of Nations, for the preservation of the American Union and the existence of our civil, political and religious liberties, and acknowledging our dependence upon Him for the continuance of those blessings to us and our posterity, do, for the more certain security thereof and for the better government of this State, ordain and establish this Constitution.

ARTICLE I

DECLARATION OF RIGHTS

That the great, general, and essential principles of liberty and free government may be recognized and established, and that the relations of this State to the Union and government of the United States and those of the people of this State to the rest of the American people may be defined and affirmed, we do declare that:

Section 1. The equality and rights of persons. We hold it to be self-evident that all persons are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness.

Sec. 2. Sovereignty of the people. All political power is vested in and derived from the people; all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.

Sec. 3. Internal government of the State. The people of this State have the inherent, sole, and exclusive right of regulating the internal government and police thereof, and of altering or abolishing their Constitution and form of government whenever it may be necessary to their safety and happiness; but every such right shall be exercised in pursuance of law and consistently with the Constitution of the United States.

Sec. 4. Secession prohibited. This State shall ever remain a member of the American Union; the people thereof are part of the American nation; there is no right on the part of this State to secede; and all attempts, from whatever source or upon whatever pretext, to dissolve this Union or to sever this Nation, shall be resisted with the whole power of the State.

Sec. 5. Allegiance to the United States. Every citizen of this State owes paramount allegiance to the Constitution and government of the United States, and no law or ordinance of the State in contravention or subversion thereof can have any binding force.
Sec. 6. Separation of powers. The legislative, executive, and supreme judicial powers of the State government shall be forever separate and distinct from each other.

Sec. 7. Suspending laws. All power of suspending laws or the execution of laws by any authority, without the consent of the representatives of the people, is injurious to their rights and shall not be exercised.

Sec. 8. Representation and taxation. The people of this State shall not be taxed or made subject to the payment of any impost or duty without the consent of themselves or their representatives in the General Assembly, freely given.

Sec. 9. Frequent elections. For redress of grievances and for amending and strengthening the laws, elections shall be often held.

Sec. 10. Free elections. All elections shall be free.

Sec. 11. Property qualifications. As political rights and privileges are not dependent upon or modified by property, no property qualification shall affect the right to vote or hold office.

Sec. 12. Right of assembly and petition. The people have a right to assemble together to consult for their common good, to instruct their representatives, and to apply to the General Assembly for redress of grievances; but secret political societies are dangerous to the liberties of a free people and shall not be tolerated.

Sec. 13. Religious liberty. All persons have a natural and inalienable right to worship Almighty God according to the dictates of their own consciences, and no human authority shall, in any case whatever, control or interfere with the rights of conscience.

Sec. 14. Freedom of speech and press. Freedom of speech and of the press are two of the great bulwarks of liberty and therefore shall never be restrained, but every person shall be held responsible for their abuse.

Sec. 15. Education. The people have a right to the privilege of education, and it is the duty of the State to guard and maintain that right.

Sec. 16. Ex post facto laws. Retrospective laws, punishing acts committed before the existence of such laws and by them only declared criminal, are oppressive, unjust, and incompatible with liberty, and therefore no ex post facto law shall be enacted. No law taxing retrospectively sales, purchases, or other acts previously done shall be enacted.

Sec. 17. Slavery and involuntary servitude. Slavery is forever prohibited. Involuntary servitude, except as a punishment for crime whereof the parties have been adjudged guilty, is forever prohibited.

Sec. 18. Courts shall be open. All courts shall be open; every person for an injury done him in his lands, goods, person, or reputation shall have remedy by due course of law; and right and justice shall be administered without favor, denial, or delay.
SEC. 19. Law of the land; equal protection of the laws. No person shall be
taken, imprisoned, or disseized of his freehold, liberties, or privileges, or
outlawed, or exiled, or in any manner deprived of his life, liberty, or prop-
erty, but by the law of the land. No person shall be denied the equal pro-
tection of the laws; nor shall any person be subjected to discrimination by
the State because of race, color, religion, or national origin.

SEC. 20. General warrants. General warrants, whereby any officer or
other person may be commanded to search suspected places without evidence
of the act committed, or to seize any person or persons not named, whose
offense is not particularly described and supported by evidence, are danger-
ous to liberty and shall not be granted.

SEC. 21. Inquiry into restraints on liberty. Every person restrained of his
liberty is entitled to a remedy to inquire into the lawfulness thereof, and to
remove the restraint if unlawful, and that remedy shall not be denied or
delayed. The privilege of the writ of habeas corpus shall not be suspended.

SEC. 22. Modes of prosecution. Except in misdemeanor cases initiated in
the District Court Division, no person shall be put to answer any criminal
charge but by indictment, presentment, or impeachment. But any person,
when represented by counsel, may, under such regulations as the General
Assembly shall prescribe, waive indictment in noncapital cases.

SEC. 23. Rights of accused. In all criminal prosecutions, every person

The General Assembly may make rules of procedure and practice for the Superior Court and District Court Divisions, and the General Assembly may delegate this authority to the Supreme Court. No rule of procedure or practice shall abridge substantive rights or abrogate or limit the right of trial by jury. If the General Assembly should delegate to the Supreme Court the rule-making power, the General Assembly may, nevertheless, alter, amend, or repeal any rule of procedure or practice adopted by the Supreme Court for the Superior Court or District Court Divisions.

SEC. 14. Waiver of jury trial. In all issues of fact joined in any court, the parties in any civil case may waive the right to have the issues determined by a jury, in which case the finding of the judge upon the facts shall have the force and effect of a verdict by a jury.

Any Justice or Judge against whom the General Assembly may be about to proceed shall receive notice thereof, accompanied by a copy of the causes alleged for his removal, at least 20 days before the day on which either house of the General Assembly shall act thereon. Removal from office by the General Assembly for any other cause shall be by impeachment.

(2) Additional method of removal of Judges. The General Assembly shall prescribe a procedure, in addition to impeachment and address set forth in this Section, for the removal of a Justice or Judge of the General Court of Justice for mental or physical incapacity interfering with the performance of his duties which is, or is likely to become, permanent, and for the censure and removal of a Justice or Judge of the General Court of Justice for wilful misconduct in office, wilful and persistent failure to perform his duties, habitual intemperance, conviction of a crime involving moral turpitude, or conduct prejudicial to the administration of justice that brings the judicial office into disrepute.
(3) Removal of Magistrates. The General Assembly shall provide by general law for the removal of Magistrates for misconduct or mental or physical incapacity.

(4) Removal of Clerks. Any Clerk of the Superior Court may be removed from office for misconduct or mental or physical incapacity by the senior regular resident Superior Court Judge serving the county. When the unexpired term of any of the offices named in this Article of the Constitution in which a vacancy has occurred, and in which it is herein provided that the Governor shall fill the vacancy, expires on the first day of January succeeding the next election for members of the General Assembly, the Governor shall appoint to fill that vacancy for the unexpired term of the office. Such bonds shall be payable from the revenues, gross or net, of any such projects and any other health care facilities of any such governmental entity or nonprofit private corporation pledged therefor; shall not be secured by a pledge of the full faith and
credit, or deemed to create an indebtedness requiring voter approval of any governmental entity; and may be secured by an agreement which may provide for the conveyance of title of, with or without consideration, any such project or facilities to the governmental entity or nonprofit private corporation. The power of eminent domain shall not be used pursuant hereto for nonprofit private corporations.

Notwithstanding any other provision of this Constitution, the General Assembly may enact general laws to authorize counties to create authorities to issue revenue bonds to finance, but not to refinance, the cost of capital projects consisting of industrial, manufacturing and pollution control facilities for industry and pollution control facilities for public utilities, and to refund such bonds.

In no event shall such revenue bonds be secured by or payable from any public moneys whatsoever, but such revenue bonds shall be secured by and payable only from revenues or property derived from private parties. All such capital projects and all transactions therefor shall be subject to taxation to the extent such projects and transactions would be subject to taxation if no public body were involved therewith; provided, however, that the General Assembly may provide that the interest on such revenue bonds shall be exempt from income taxes within the State.

SECTION 1. Who may vote. Every person born in the United States and every person who has been naturalized, 18 years of age, and possessing the qualifications set out in this article, shall be entitled to vote at any election by the people of the State, except as herein otherwise provided.

SEC. 2. Qualifications of voter.

Removal from one precinct, ward, or other election district to another in this State shall not operate to deprive any person of the right to vote in the precinct, ward, or other election district from which that person has removed until 30 days after the removal.

(2) Residence period for presidential elections. The General Assembly may reduce the time of residence for persons voting in presidential elections. A person made eligible by reason of a reduction in time of residence shall possess the other qualifications set out in this Article, shall only be entitled to vote for President and Vice President of the United States or for electors for President and Vice President, and shall not thereby become eligible to hold office in this State.
(3) Disqualification of felon. No person adjudged guilty of a felony against this State or the United States, or adjudged guilty of a felony in another state that also would be a felony if it had been committed in this State, shall be permitted to vote unless that person shall be first restored to the rights of citizenship in the manner prescribed by law.

SEC. 3. Registration. Every person offering to vote shall be at the time legally registered as a voter as herein prescribed and in the manner provided by law. The General Assembly shall enact general laws governing the registration of voters.

(1) Prohibitions. It is salutary that the responsibilities of self-government be widely shared among the citizens of the State and that the potential abuse of authority inherent in the holding of multiple offices by an indi-
vidual be avoided. Therefore, no person who holds any office or place of trust or profit under the United States or any department thereof, or under any other state or government, shall be eligible to hold any office in this State that is filled by election by the people. No person shall hold concurrently any two offices in this State that are filled by election of the people. (2) Exceptions. The provisions of this Section shall not prohibit any officer of the military forces of the State or of the United States not on active duty for an extensive period of time, any notary public, or any delegate to a Convention of the People from holding concurrently another office or place of trust or profit under this State or the United States or any department thereof.

SEC. 10. Continuation in office. In the absence of any contrary provision, all officers in this State, whether appointed or elected, shall hold their positions until other appointments are made or, if the offices are elective, until their successors are chosen and qualified.

ARTICLE VII

"§ 8-94. Informed consent to health care treatment or procedure.—(a) No recovery shall be allowed against any health care provider upon the grounds that the health care treatment was rendered without the informed consent of the patient or the patient's spouse, parent, guardian, nearest relative or other person authorized to give consent for the patient where:

(c) In the event of any conflict between the provisions of this section and those of G.S. 20-166(d), the provisions of G.S. 20-166(d) shall control and continue in full force and effect.”

Sec. 5. G.S. 1A-1, Rule 8(a)(2), as the same appears in the 1969 Replacement Volume 1A of the General Statutes, is amended by adding thereto the following:

“Provided, however, in all professional malpractice actions, including actions against health care providers, wherein the matter in controversy exceeds the sum or value of ten thousand dollars ($10,000), the pleading shall not state the demand for monetary relief, but shall state that the relief demanded is for damages incurred or to be incurred in excess of ten thousand dollars ($10,000): Provided that at any time after service of claim for relief, any party may make request of claimant for written statement of the amount of monetary relief sought, and claimant shall, within 10 days after service of such request, serve said statement upon the requesting party, provided that said statement shall not be filed with the court until the action has been called for trial or until entry of default is requested.” Provided, any statement of “the amount of monetary relief sought” which is served on an opposing party may be amended in the manner and at the time provided by G.S. 1A-1, Rule 15.

S. B. 959   CHAPTER 978

AN ACT TO CREATE THE NORTH CAROLINA HEALTH CARE EXCESS LIABILITY FUND.

The General Assembly of North Carolina enacts:

Section 1. The General Assembly finds that the cost of professional liability insurance has risen to levels which many health care providers find intolerable; and that the cost of one million dollars excess coverage is approximately twice this inflated cost of primary coverage of one hundred-three hundred thousand dollars; and that health care providers in North Carolina are unable to obtain excess liability insurance above one million dollars; that said excess coverage has been made unavailable in the past by the withdrawal of the major health care liability insurer from the State, and there is no assurance that said excess coverage will continue to remain available; and that the ever increasing costs of health care, the inflationary economic trends in North Carolina and the nation, the acceleration of the frequency of claims against North Carolina’s health care providers, and the increased risks commensurate with advanced health care treatments and procedures are mandating the necessity of the availability of liability insurance in excess of limits presently obtainable.

Sec. 2. The General Assembly further finds that the inability of health care providers to obtain such insurance at reasonable rates is endangering the health of the people of this State, and threatens the curtailment of health care. The General Assembly finds and declares that the uninterrupted delivery of health care services is essential to the health and welfare of the citizens of North Carolina. The General Assembly further finds and declares that it is essential to the health and welfare of the citizens of North Carolina that all health care providers have excess health care liability insurance. It is declared to be the policy and intent of the General Assembly that a health care provider who participates in the plan set forth in this Act, maintains the designated amounts of professional liability protection, and contributes to the Fund for the protection of his patients shall be deemed to have fulfilled the objectives of this public policy.
Sec. 3. Chapter 58 of the General Statutes is amended by adding a new Article 26B to read as follows:

§ 58-254.24. Participation in the Fund.—(a) When a health care provider has proved to the satisfaction of the Board that he is insured by an insurer licensed and approved by the Commissioner or under a self-insurance plan approved by the Board against legal liability for damages arising out of professional malpractice in the sums required under subsection (b) of this section, and if the health care provider has paid the current assessment required
under G.S. 58-254.25, the health care provider shall be deemed to be a bona fide participant in the Fund and shall become subject to the provisions of this Article and the rules and regulations of the Board. The financial responsibility requirements herein shall include an obligation of the insurer or self-insurer to defend an action against the participating health care provider irrespective of payment or offer of payment of the limits provided by such insurer or self-insurer.

(b) The minimum amount of professional liability insurance or self-insurance required to be maintained by a participating health care provider shall be one hundred thousand dollars ($100,000) for each occurrence or claim made and one hundred thousand dollars ($100,000) aggregate for occurrences or claims made in any one year.

(d) The Board shall afford a participating health care provider the same type of coverage, occurrence or claims made, as is provided by his insurer or approved self-insurer in subsection (a) of this section.

§ 58-254.25. Assessment for the Fund.—(a) A health care provider who wishes to participate in the Fund and be subject to the provisions of this Article and the rules and regulations of the Board shall, in addition to complying with the provisions of G.S. 58-254.24, not later than the date or dates specified by the Board in each year, pay to the Fund an assessment to be determined by the Board.

(b) Monies received by the Board under subsection (a) of this section shall be handled in accordance with the provisions of G.S. 58-254.21 and G.S. 58-254.22.

(c) Any health care provider who carries a claims-made policy or is protected by an approved self-insurance plan and who discontinues participation in the Fund may obtain full occurrence coverage from the Board by purchasing a reporting endorsement on the claims-made policy or self-insurance plan by payment of the assessment then required by the Board on the same basis as the insurer or self-insurer requires a reporting endorsement premium to be paid.

(d) The Fund shall be subject to the premium tax law as stated in North Carolina General Statutes Chapter 105-228.5.

§ 58-254.26. Payment of claims by the Fund.—(a) Any amount due from a judgment, arbitration award or Board-approved settlement which is in excess of a participating health care provider's insurance or self-insurance coverage required by G.S. 58-254.24 shall be paid from the Fund in an amount not to exceed two million dollars ($2,000,000) for each occurrence or claim made and two million dollars ($2,000,000) aggregate for occurrences in or claims made in any one year. Such notice shall be in writing, mailed to the Board within a reasonable time to provide the Board adequate preparation time to defend or negotiate said claim or action, and shall include the date of the alleged occurrence, the date of the making, reporting or filing of said claim or action, and the amount demanded, if declared, by the claimant. The Board shall not pay claims on behalf of or provide the services in subsection (d) of this section to any participating health care provider unless adequate notice to the Board has been provided.

(d) The Board may provide for claims management and services, including the legal defense of participating health care providers in actions filed against them and in settlement negotiations.

(e) Nothing in this Article shall be deemed or construed to:
   (1) limit the personal liability of any participating health care provider for malpractice arising out of the performance of or failure to perform professional services;
   (2) limit the amount of compensation from any final judgment, arbitration award or Board-approved settlement to any claimant injured as a result of said malpractice; or
   (3) permit the filing by any claimant of an action against the Board or Fund except upon a final judgment obtained by the claimant against a participating health care provider or upon a Board-approved settlement agreement.

(f) The Fund shall not be liable for awards for punitive damages against participating health care providers.

PART IV. SPECIAL PROVISIONS

---FOUR PERCENT AND THREE HUNDRED DOLLAR PAY INCREASE

Sec. 4. The State officials and employees specified in this act shall receive higher pay increased annually by four percent (4%) of the amounts received on June 30, 1976, and by an additional three hundred dollars ($300.00). The percentage increments shall be computed on salary amounts prior to the addition of the three hundred dollar ($300.00) increment to base pay. The three hundred dollar increment shall be a continuing increase to base pay.

---SALARIES AND OTHER BENEFITS/STUDY

Sec. 4.1. The appropriations in this act supporting salary increases amount to a lesser sum than the General Assembly considers desirable but represents the largest increase possible under current economic conditions and represents the most equitable increase based upon existing knowledge of the facts. The General Assembly is committed to providing teachers and State employees with salaries commensurate with the work they perform and sufficient to maintain an adequate standard of living; to this end, the Joint Committee to Study Salaries and Other Benefits for Teachers and State Employees is established to make a comprehensive and detailed report to the General Assembly prior to the convening of the 1977 Session. The President of the Senate shall appoint five members of the Senate and the Speaker of the House shall appoint five members of the House to the committee. The committee shall assemble as soon as practicable after its appointment and shall elect one of its members as chairman. The committee shall use staff services of
the Fiscal Research Division and may call upon the State Budget Office, the State Personnel Office and the Department of Public Instruction for assistance. The committee shall study all matters relating to salary and other compensation of all educational personnel at all levels and of other personnel paid from State funds and shall make recommendations concerning salary and benefit increases in the 1977-79 biennium. The committee shall collect and transmit to the General Assembly data concerning recent history of teacher and State employee compensation including comparisons of salary levels, increments and policies within the various employee groups within the State, comparisons of sums appropriated for teacher and employee compensation with sums appropriated for other governmental purposes and comparisons with data from other states on these subjects. The report shall seek to establish criteria for salary and other compensation which will include job descriptions and will ensure that teachers and State employees are paid in a manner which will reward experience and demonstrated ability and will, in the case of educational personnel, result in an educational system which will provide the children of North Carolina with the best possible educational system which the State is capable of supporting. In order to achieve this purpose, the committee shall recommend a proper level of State support for its educational personnel and other employees and shall study the resources of the State to suggest sources of additional revenue which may be necessary.

—SALARY AND WAGE PERCENTAGE INCREASE AND ADDITIONAL THREE HUNDRED DOLLARS/TEACHERS AND STATE EMPLOYEES GENERALLY

Sec. 5. The Director of the Budget is authorized and empowered to transfer from the appropriations in this act for salary increases of State employees paid from the General Fund and the Highway Fund respectively, such amounts, including the employer’s retirement and social security contributions, as may be required to increase salaries in effect on June 30, 1976, for all full-time and part-time permanent public school employees and for all full-time and part-time permanent employees subject to the State Personnel Act by four percent (4%) and an additional three hundred dollars ($300.00) commencing July 1, 1976, rounded to the nearest whole dollar figure per month for the annual term of the position. For an employee whose salary in effect on June 30, 1976, is not equal to a specific pay rate within the present State Personnel Commission or school system salary schedule, the annual percentage increase will be the amount applicable to the next lower pay rate. Permanent part-time employees and employees other than public school teachers whose term of employment is less than twelve months shall receive only the appropriate pro rata amount of the additional three hundred dollars ($300.00) for permanent full-time employees.

The Director of the Budget is authorized and empowered to allocate, out of special operating funds, or from sources other than tax revenues under which personnel are employed, sufficient funds to conform with the provisions of this section, provided necessary funds are available or made available by sponsoring agents. The Director of the Budget is further authorized to promulgate special rules and regulations to apply to salary increases for employees whose salaries are paid from inter-agency receipts, where payments for the services of such employees originate from State appropriations, as long as the effective purchasing power of such appropriations is not materially reduced as a result of
these salary increases. Any question as to the applicability of the provisions of this paragraph shall be resolved by the Director of the Budget and the Advisory Budget Commission.

Salaries for positions which are paid partially from the General Fund and partially from sources other than the General Fund shall be increased from the General Fund appropriation only to the extent of the proportionate part of the salaries paid from the General Fund.

The granting of this legislative across-the-board percentage salary increase and additional three hundred dollar ($300.00) increment shall not affect the status of eligibility for automatic or merit salary increments or both for which employees may be eligible during the 1976-77 fiscal year.

—SALARY PERCENTAGE INCREASE AND ADDITIONAL THREE HUNDRED DOLLARS/GENERAL ASSEMBLY PERMANENT EMPLOYEES

Sec. 6. The Legislative Services Officer is authorized to increase the salaries of permanent non-elected employees of the General Assembly in effect on June 30, 1976, by four percent (4%) and an additional three hundred dollars ($300.00) commencing July 1, 1976, rounded to the nearest whole dollar figure divisible by twelve and otherwise adjusted to conform with the relative levels of the Legislative Services Commission salary schedule.

The granting of this legislative percentage salary increase and additional three hundred dollars ($300.00) shall not affect the status of employees' eligibility for automatic or merit increments.

—LIMITATION ON ALL INCREASES

Sec. 7. The salary increases provided in this act to be effective July 1, 1976, shall not apply to persons separated from the State service due to resignation, dismissal, reduction in force, death or retirement, whose last work day is prior to July 1, 1976.

—TEMPORARY STATE EMPLOYEES

Sec. 8. Within regular Executive Budget Act procedures as limited by this act, all State agencies and departments are authorized to increase the rate of pay of temporary State employees, subject to availability of funds in the particular agency or department and on an equitable basis, by pro rata amounts approximately equal to the four percent (4%) and additional three hundred dollar ($300.00) annual increase to full-time State employees.

—PERCENTAGE INCREASE AND ADDITIONAL THREE HUNDRED DOLLARS/SALARIES SET BY GOVERNOR, ABC, OR GENERAL ASSEMBLY

Sec. 9. The salaries of State employees set by the Governor and the Advisory Budget Commission that have to be submitted to the General Assembly under G.S. 143-34.3 may be increased by four percent (4%) and an additional three hundred dollars ($300.00) during fiscal year 1976-77 without being submitted to the General Assembly. Also, salaries set or approved by the Governor or by the Advisory Budget Commission under G.S. 143B-15 or other related statutes and salaries to be set or approved by the General Assembly under G.S. 143B-15 or other related statutes may be increased by the same rate and additional amount.

EXECUTIVE ORDER NUMBER 5

AN EXECUTIVE ORDER DESIGNATING COUNTIES CONSTITUTING THE NORTH CAROLINA COASTAL AREA

WHEREAS, the Coastal Area Management Act of 1974 requires that the Governor, on or before May 1, 1974, designate the counties that constitute the “coastal area”, as defined in GS 113A-103 (2) and that such designation is final and conclusive; and

WHEREAS, GS 113A-103 (2) of said Act states that any county that wholly or in part, is adjacent to, adjoining, intersected by or bounded by the Atlantic Ocean shall be part of the “coastal area”; and

WHEREAS, Brunswick, Carteret, Currituck, Dare, Hyde, New Hanover, Onslow and Pender Counties thus qualify to be included in the “coastal area”; and

WHEREAS, GS 113A-103 (2) and (3) further state that any county that wholly or in part, is adjacent to, adjoining, intersected by or bounded by any coastal sound and provide a detailed definition of “coastal sounds”; and

WHEREAS, following these criteria, and on the basis of the best available data concerning salt water encroachment in the coastal sounds provided by several sources including the United States Geological Survey, Beaufort, Bertie, Camden, Chowan, Craven, Gates, Hertford, Pamlico, Pasquotank, Perquimans, Tyrrell and Washington Counties qualify for inclusion in the “coastal area”; and

WHEREAS, I have taken into account the fact that the debates in the General Assembly concerning the definition of the coastal area and the floor amendments adopted in the House indicate a legislative intent to include only those counties major portions of which are included under the criteria outlined in GS 113A-103 (2) and (3);

NOW, THEREFORE, I, James E. Holshouser, Jr., Governor of the State of North Carolina, acting under the authority conferred upon me by the Coastal Area Management Act of 1974, make the following initial designations of counties in the coastal area: Beaufort, Bertie, Brunswick, Camden, Carteret, Chowan, Craven, Currituck, Dare, Gates, Hertford, Hyde, New Hanover, Onslow, Pamlico, Pasquotank, Pender, Perquimans, Tyrrell, and Washington.

WHEREAS, federal law and regulation require the members of any state board participating in the NPDES to meet certain conflict of interest criteria; and

WHEREAS, since the Environmental Management Commission has responsibilities unrelated to NPDES, application of said criteria to all members could deny the State valuable experience and expertise;

Section 1. At least five (5) members of the Environmental Management Commission shall be persons who do not receive, or during the previous two years have not received, a significant portion of their income directly or indirectly from NPDES permit holders or applicants for a NPDES permit.

1976 SESSION LAW INDEX

NOTE: Resolution 121 of the 1975 Session of the General Assembly limited the second session of the 1975 General Assembly held in 1976 to consideration of only "bills and resolutions directly affecting" the 1976-1977 budget.

The General Assembly in 1976, in addition to budgetary matters, incorporated in the 1976-1977 Appropriations Act, Chapter 983, many special provisions. Because of this development, this index breaks down to the level of sections of Chapter 983 the special provisions of that Chapter. The section numbers are enclosed in parentheses. For the general schedule of appropriations to all State agencies for current operations and capital improvements, please see sections 1 through 3 of Chapter 983.
