PREAMBLE

We, the people of the State of North Carolina, grateful to Almighty God, the Sovereign Ruler of Nations, for the preservation of the American Union and the existence of our civil, political and religious liberties, and acknowledging our dependence upon Him for the continuance of those blessings to us and our posterity, do, for the more certain security thereof and for the better government of this State, ordain and establish this Constitution.

ARTICLE I

DECLARATION OF RIGHTS

That the great, general, and essential principles of liberty and free government may be recognized and established, and that the relations of this State to the Union and government of the United States and those of the people of this State to the rest of the American people may be defined and affirmed, we do declare that:

Section 1. The equality and rights of persons. We hold it to be self-evident that all persons are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness.

Sec. 2. Sovereignty of the people. All political power is vested in and derived from the people; all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.

Sec. 3. Internal government of the State. The people of this State have the inherent, sole, and exclusive right of regulating the internal government and police thereof, and of altering or abolishing their Constitution and form of government whenever it may be necessary to their safety and happiness; but every such right shall be exercised in pursuance of law and consistently with the Constitution of the United States.

Sec. 4. Secession prohibited. This State shall ever remain a member of the American Union; the people thereof are part of the American nation; there is no right on the part of this State to secede; and all attempts from whatever source or upon whatever pretext, to
dissolve this Union or to sever this Nation, shall be resisted with the whole power of the State.

Sec. 5. Allegiance to the United States. Every citizen of this State owes paramount allegiance to the Constitution and government of the United States, and no law or ordinance of the State in contravention or subversion thereof can have any binding force.

Sec. 6. Separation of powers. The legislative, executive, and supreme judicial powers of the State government shall be forever separate and distinct from each other.

Sec. 7. Suspending laws. All power of suspending laws or the execution of laws by any authority, without the consent of the representatives of the people, is injurious to their rights and shall not be exercised.

Sec. 8. Representation and taxation. The people of this State shall not be taxed or made subject to the payment of any impost or duty without the consent of themselves or their representatives in the General Assembly, freely given.

Sec. 9. Frequent elections. For redress of grievances and for amending and strengthening the laws, elections shall be often held.

Sec. 10. Free elections. All elections shall be free.

Sec. 11. Property qualifications. As political rights and privileges are not dependent upon or modified by property, no property qualification shall affect the right to vote or hold office.

Sec. 12. Right of assembly and petition. The people have a right to assemble together to consult for their common good, to instruct their representatives, and to apply to the General Assembly for redress of grievances; but secret political societies are dangerous to the liberties of a free people and shall not be tolerated.

Sec. 13. Religious liberty. All persons have a natural and inalienable right to worship Almighty God according to the dictates of their own consciences, and no human authority shall, in any case whatever, control or interfere with the rights of conscience.

Sec. 14. Freedom of speech and press. Freedom of speech and of the press are two of the great bulwarks of liberty and therefore shall
never be restrained, but every person shall be held responsible for
their abuse.

Sec. 15. Education. The people have a right to the privilege of
education, and it is the duty of the State to guard and maintain that
right.

Sec. 16. Ex post facto laws. Retrospective laws, punishing acts
committed before the existence of such laws and by them only
declared criminal, are oppressive, unjust, and incompatible with
liberty, and therefore no ex post facto law shall be enacted. No law
taxing retrospectively sales, purchases, or other acts previously done
shall be enacted.

Sec. 17. Slavery and involuntary servitude. Slavery is forever
prohibited. Involuntary servitude, except as a punishment for crime
whereof the parties have been adjudged guilty, is forever prohibited.

Sec. 18. Court shall be open. All courts shall be open; every
person for an injury done him in his lands, goods, person, or
reputation shall have remedy by due course of law; and right and
justice shall be administered without favor, denial, or delay.

Sec. 19. Law of the land; equal protection of the laws. No person
shall be taken, imprisoned, or dispossessed of his freehold, liberties, or
privileges, or outlawed, or exiled, or in any manner deprived of his
life, liberty, or property, but by the law of the land. No person shall
be denied the equal protection of the laws; nor shall any person be
subjected to discrimination by the State because of race, color,
religion, or national origin.

Sec. 20. General warrants. General warrants, whereby any officer
or other person may be commanded to search suspected places without
evidence of the act committed, or to seize any person or persons not
named, whose offense is not particularly described and supported by
evidence, are dangerous to liberty and shall not be granted.

Sec. 21. Inquiry into restraints on liberty. Every person restrained
of his liberty is entitled to a remedy to inquire into the lawfulness
thereof, and to remove the restraint if unlawful, and that remedy shall
not be denied or delayed. The privilege of the writ of habeas corpus
shall not be suspended.

Sec. 22. Modes of prosecution. Except in misdemeanor cases
initiated in the District Court Division, no person shall be put to
answer any criminal charge but by indictment, presentment, or impeachment. But any person, when represented by counsel, may, under such regulations as the General Assembly shall prescribe, waive indictment in noncapital cases.

Sec. 23. Rights of accused. In all criminal prosecutions, every person charged with crime has the right to be informed of the accusation and to confront the accusers and witnesses with other testimony, and to have counsel for defense, and not be compelled to give self-incriminating evidence, or to pay costs, jail fees, or necessary witness fees of the defense, unless found guilty.

Sec. 24. Right of jury trial in criminal cases. No person shall be convicted of any crime but by the unanimous verdict of a jury in open court. The General Assembly may, however, provide for other means of trial for misdemeanors, with the right of appeal for trial de novo.

Sec. 25. Right of jury trial in civil cases. In all controversies at law respecting property, the ancient mode of trial by jury is one of the best securities of the rights of the people, and shall remain sacred and inviolable.

Sec. 26. Jury service. No person shall be excluded from jury service on account of sex, race, color, religion, or national origin.

Sec. 27. Bail, fines, and punishments. Excessive bail shall not be required, nor excessive fines imposed, nor cruel or unusual punishments inflicted.

Sec. 2. Governor and Lieutenant Governor: election, term, and qualifications.

(1) Election and term. The Governor and Lieutenant Governor shall be elected by the qualified voters of the State in 1972 and every four years thereafter, at the same time and places as members of the
General Assembly are elected. Their term of office shall be four years and shall commence on the first day of January next after their election and continue until their successors are elected and qualified.

(2) Qualifications. No person shall be eligible for election to the office of Governor or Lieutenant Governor unless, at the time of his election, he shall have attained the age of 30 years and shall have been a citizen of the United States for five years and a resident of this State for two years immediately preceding his election. No person elected to the Office of Governor or Lieutenant Governor shall be eligible for election to more than two consecutive terms of the same office.

Sec. 3. Succession to office of Governor.

(1) Succession as Governor. The Lieutenant Governor-elect shall become Governor upon the failure of the Governor-elect to qualify. The Lieutenant Governor shall become Governor upon the death, resignation, or removal from office of the Governor. The further order of succession to the office of Governor shall be prescribed by law. A successor shall serve for the remainder of the term of the Governor whom he succeeds and until a new Governor is elected and qualified.

(2) Succession as Acting Governor. During the absence of the Governor from the State, or during the physical or mental incapacity of the Governor to perform the duties of his office, the Lieutenant Governor shall be Acting Governor. The further order of succession as Acting Governor shall be prescribed by law.

(3) Physical incapacity. The Governor may, by a written statement filed with the Attorney General, declare that he is physically incapable of performing the duties of his office, and may thereafter in the same manner declare that he is physically capable of performing the duties of his office.

(4) Mental incapacity. The mental incapacity of the Governor to perform the duties of his office shall be determined only by joint resolution adopted by a vote of two-thirds of all the members of each house of the General Assembly. Thereafter, the mental capacity of the Governor to perform the duties of his office shall be determined only by joint resolution adopted by a vote of a majority of all the members of each house of the General Assembly. In all cases, the General Assembly shall give the Governor such notice as it may deem proper and shall allow him an opportunity to be heard before a joint
session of the General Assembly before it takes final action. When the General Assembly is not in session, the Council of State, a majority of its members concurring, may convene it in extra session for the purpose of proceeding under this paragraph.

(5) **Impeachment.** Removal of the Governor from office for any other cause shall be by impeachment.

Sec. 4. **Oath of office for Governor.** The Governor, before entering upon the duties of his office, shall, before any Justice of the Supreme Court, take an oath or affirmation that he will support the Constitution and laws of the United States and of the State of North Carolina, and that he will faithfully perform the duties pertaining to the office of governor.

Sec. 5. **Duties of Governor.**

(1) **Residence.** The Governor shall reside at the seat of government of this State.

(2) **Information to General Assembly.** The Governor shall from time to time give the General Assembly information of the affairs of the State and recommend to their consideration such measures as he shall deem expedient.

(3) **Budget.** The Governor shall prepare and recommend to the General Assembly a comprehensive budget of the anticipated revenue and proposed expenditures of the State for the ensuing fiscal period. The budget as enacted by the General Assembly shall be administered by the Governor.

The total expenditures of the State for the fiscal period covered by the budget shall not exceed the total of receipts during that fiscal period and the surplus remaining in the State Treasury at the beginning of the period. To insure that the State does not incur a deficit for any fiscal period, the Governor shall continually survey the collection of the revenue and shall effect the necessary economies in State expenditures, after first making adequate provision for the prompt payment of the principal of and interest on bonds and notes of the State according to their terms, whenever he determines that receipts during the fiscal period, when added to any surplus remaining in the State Treasury at the beginning of the period, will not be sufficient to meet budgeted expenditures. This section shall not be construed to impair the power of the State to issue its bonds and notes within the limitations imposed in Article V of this Constitution, nor to
imperil the obligation of bonds and notes of the State now outstanding or issued hereafter.

(4) *Execution of laws.* The Governor shall take care that the laws be faithfully executed.

(5) *Commander in Chief.* The Governor shall be Commander in Chief of the military forces of the State except when they shall be called into the service of the United States.

The terms reprieves, commutations, and pardons shall not include paroles.

(7) *Extra sessions.* The Governor may, on extraordinary occasions, by and with the advice of the Council of State, convene the General Assembly in extra session by his proclamation, stating therein the purpose or purposes for which they are thus convened.

(8) *Appointments.* The Governor shall nominate and by and with the advice and consent of a majority of the Senators appoint all officers whose appointments are not otherwise provided for.

(10) *Administrative reorganization.* The General Assembly shall prescribe the functions, powers, and duties of the administrative departments and agencies of the State and may alter them from time to time, but the Governor may make such changes in the allocation of offices and agencies and in the allocation of those functions, powers, and duties as he considers necessary for efficient administration. If those changes affect existing law, they shall be set forth in executive orders, which shall be submitted to the General Assembly not later than the sixtieth calendar day of its session, and shall become effective and shall have the force of law upon adjournment sine die of the session, unless specifically disapproved by resolution of either house of the General Assembly or specifically modified by joint resolution of both houses of the General Assembly.
Sec. 6. *Duties of the Lieutenant Governor.* The Lieutenant Governor shall be President of the Senate, but shall have no vote unless the Senate is equally divided. He shall perform such additional duties as the General Assembly or the Governor may assign to him. He shall receive the compensation and allowances prescribed by law.

Sec. 7. *Other elective officers.*

(1) *Officers.* A Secretary of State, an Auditor, a Treasurer, a Superintendent of Public Instruction, an Attorney General, a Commissioner of Agriculture, a Commissioner of Labor, and a Commissioner of Insurance shall be elected by the qualified voters of the State in 1972 and every four years thereafter, at the same time and places as members of the General Assembly are elected. Their term of office shall be four years and shall commence on the first day of January next after their election and continue until their successors are elected and qualified.

(2) *Duties.* Their respective duties shall be prescribed by law.

(3) *Vacancies.* If the office of any of these officers is vacated by death, resignation, or otherwise, it shall be the duty of the Governor to appoint another to serve until his successor is elected and qualified. Every such vacancy shall be filled by election at the first election for members of the General Assembly that occurs more than 60 days after the vacancy has taken place, and the person chosen shall hold the office for the remainder of the unexpired term fixed in this Section. When a vacancy occurs in the office of any of the officers named in this Section and the term expires on the first day of January succeeding the next election for members of the General Assembly, the Governor shall appoint to fill the vacancy for the unexpired term of the office.

(4) *Interim officers.* Upon the occurrence of a vacancy in the office of any one of these officers for any of the causes stated in the preceding paragraphs, the Governor may appoint an interim officer to perform the duties of that office until a person is appointed or elected pursuant to this Section to fill the vacancy and is qualified.

(5) *Acting officers.* During the physical or mental incapacity of any one of these officers to perform the duties of his office, as determined pursuant to this Section, the duties of his office shall be performed by an acting officer who shall be appointed by the Governor.
(6) *Determination of incapacity.* The General Assembly shall by law prescribe with respect to those officers, other than the Governor, whose offices are created by this Article, procedures for determining the physical or mental incapacity of any officer to perform the duties of his office, and for determining whether an officer who has been temporarily incapacitated has sufficiently recovered his physical or mental capacity to perform the duties of his office. Removal of those officers from office for any other cause shall be by impeachment.

(7) *Special Qualifications for Attorney General.* Only persons duly authorized to practice law in the courts of this State shall be eligible for appointment or election as Attorney General.

Sec. 8. *Council of State.* The Council of State shall consist of the officers whose offices are established by this Article.

Sec. 9. *Compensation and allowances.* The officers whose offices are established by this Article shall at stated periods receive the compensation and allowances prescribed by law, which shall not be diminished during the time for which they have been chosen.

Sec. 10. *Seal of State.* There shall be a seal of the State, which shall be kept by the Governor and used by him as occasion may require, and shall be called "The Great Seal of the State of North Carolina." All grants or commissions shall be issued in the name and by the authority of the State of North Carolina, sealed with "The Great Seal of the State of North Carolina," and signed by the Governor.

Sec. 11. *Administrative departments.* Not later than July 1, 1975, all administrative departments, agencies, and offices of the State and their respective functions, powers, and duties shall be allocated by law among and within not more than 25 principal administrative departments so as to group them as far as practicable according to major purposes. Regulatory, quasi-judicial, and temporary agencies may, but need not, be allocated within a principal department.

**ARTICLE IV**

**JUDICIAL**

Section 1. *Judicial Power.* The judicial power of the State shall, except as provided in Section 3 of this Article, be vested in a Court for the Trial of Impeachments and in a General Court of Justice. The General Assembly shall have no power to deprive the judicial
department of any power or jurisdiction that rightfully pertains to it as a coordinate department of the government, nor shall it establish or authorize any courts other than as permitted by this Article.

Sec. 2. General Court of Justice. The General Court of Justice shall constitute a unified judicial system for purposes of jurisdiction, operation, and administration, and shall consist of an Appellate Division, a Superior Court Division, and a District Court Division.

Sec. 3. Judicial powers of administrative agencies. The General Assembly may vest in administrative agencies established pursuant to law such judicial powers as may be reasonably necessary as an incident to the accomplishment of the purposes for which the agencies were created. Appeals from administrative agencies shall be to the General Court of Justice.

Sec. 4. Court for the Trial of Impeachments. The House of Representatives solely shall have the power of impeaching. The Court for the Trial of Impeachments shall be the Senate. When the Governor or Lieutenant Governor is impeached, the Chief Justice shall preside over the Court. A majority of members shall be necessary to a quorum, and no person shall be convicted without the concurrence of two-thirds of the Senators present. Judgment upon conviction shall not extend beyond removal from and disqualification to hold office in this State, but the party shall be liable to indictment and punishment according to law.

Sec. 5. Appellate division. The Appellate Division of the General Court of Justice shall consist of the Supreme Court and the Court of Appeals.

Sec. 6. Supreme Court.

(1) Membership. The Supreme Court shall consist of a Chief Justice and six Associate Justices, but the General Assembly may increase the number of Associate Justices to not more than eight. In the event the Chief Justice is unable, on account of absence or temporary incapacity, to perform any of the duties placed upon him, the senior Associate Justice available may discharge these duties.

(2) Sessions of the Supreme Court. The sessions of the Supreme Court shall be held in the City of Raleigh unless otherwise provided by the General Assembly.
Sec. 7. Court of Appeals. The structure, organization, and composition of the Court of Appeals shall be determined by the General Assembly. The Court shall have not less than five members, and may be authorized to sit in divisions, or other than en banc. Sessions of the Court shall be held at such times and places as the General Assembly may prescribe.

Sec. 8. Retirement of Justices and Judges. The General Assembly shall provide by general law for the retirement of Justices and Judges of the General Court of Justice, and may provide for the temporary recall of any retired Justice or Judge to serve on the court or courts of the division from which he was retired. The General Assembly shall also prescribe maximum age limits service as a Justice of Judge.

Sec. 9. Superior Courts.

(1) Superior Court districts. The General Assembly shall, from time to time, divide the State into a convenient number of Superior Court judicial districts and shall provide for the election of one or more Superior Court Judges for each district. Each regular Superior Court Judge shall reside in the district for which he is elected. The General Assembly may provide by general law for the selection or appointment of special or emergency Superior Court Judges not selected for a particular judicial district.

(2) Open at all times; sessions for trial of cases. The Superior Courts shall be open at all times for the transaction of all business except the trial of issues of fact requiring a jury. Regular trial sessions of the Superior Court shall be held at times fixed pursuant to a calendar of courts promulgated by the Supreme Court. At least two sessions for the trial of jury cases shall be held annually in each county.

(3) Clerks. A Clerk of the Superior Court for each county shall be elected for a term of four years by the qualified voters thereof, at the same time and places as members of the General Assembly are elected. If the office of Clerk of the Superior Court becomes vacant otherwise than by the expiration of the term, or if the people fail to elect, the senior regular resident Judge of the Superior Court serving the county shall appoint to fill the vacancy until an election can be regularly held.

Sec. 10. District Courts. The General Assembly shall, from time to time, divide the State into a convenient number of local court districts and shall prescribe where the District Courts shall sit, but a District
Court must sit in at least one place in each county. District Judges shall be elected for each district for a term of four years, in a manner prescribed by law. When more than one District Judge is authorized and elected for a district, the Chief Justice of the Supreme Court shall designate one of the judges as Chief District Judge. Every District Judge shall reside in the district for which he is elected. For each county, the senior regular resident Judge of the Superior Court serving the county shall appoint for a term of two years, from nominations submitted by the Clerk of the Superior Court of the county, one or more Magistrates who shall be officers of the District Court. The number of District Judges and Magistrates shall, from time to time, be determined by the General Assembly. Vacancies in the office of District Judge shall be filled for the unexpired term in a manner prescribed by law. Vacancies in the office of Magistrate shall be filled for the unexpired term in the manner provided for original appointment to the office.

Sec. 11. Assignment of Judges. The Chief Justice of the Supreme Court, acting in accordance with rules of the Supreme Court, shall make assignments of Judges of the Superior Court and may transfer District Judges from one district to another for temporary or specialized duty. The principle of rotating Superior Court Judges among the various districts of a division is a salutary one and shall be observed. For this purpose the General Assembly may divide the State into a number of judicial divisions. Subject to the general supervision of the Chief Justice of the Supreme Court, assignment of District Judges within each local court district shall be made by the Chief District Judge.

Sec. 12. Jurisdiction of the General Court of Justice.

(1) Supreme Court. The Supreme Court shall have jurisdiction to review upon appeal any decision of the courts below, upon any matter of law or legal inference. The jurisdiction of the Supreme Court over "issues of fact" and "questions of fact" shall be the same exercised by it prior to the adoption of this Article, and the Court may issue any remedial writs necessary to give it general supervision and control over the proceedings of the other courts. The Supreme Court also has jurisdiction to review, when authorized by law, direct appeals from a final order or decision of the North Carolina Utilities Commission.

(2) Court of Appeals. The Court of Appeals shall have such appellate jurisdiction as the General Assembly may prescribe.
(3) Superior Court. Except as otherwise provided by the General Assembly, the Superior Court shall have original general jurisdiction throughout the State. Sec. 13. Forms of action; rules of procedure.

(1) Forms of action. There shall be in this State but one form of action for the enforcement or protection of private rights or the redress of private wrongs, which shall be denominated a civil action, and in which there shall be a right to have issues of fact tried before a jury. Every action prosecuted by the people of the State as a party against a person charged with a public offense, for the punishment thereof, shall be termed a criminal action.

(2) Rules of procedure. The Supreme Court shall have exclusive authority to make rules of procedure and practice for the Appellate Division. The General Assembly may make rules of procedure and practice for the Superior Court and District Court Divisions, and the General Assembly may delegate this authority to the Supreme Court. No rule of procedure or practice shall abridge substantive rights or abrogate or limit the right of trial by jury. If the General Assembly should delegate to the Supreme Court the rule-making power, the General Assembly may, nevertheless, alter, amend, or repeal any rule of procedure or practice adopted by the Supreme Court for the Superior Court or District Court Divisions.

Sec. 14. Waiver of jury trial. In all issues of fact joined in any court, the parties in any civil case may waive the right to have the issues determined by a jury, in which case the finding of the judge upon the facts shall have the force and effect of a verdict by a jury.
Sec. 15. Administration. The General Assembly shall provide for an administrative office of the courts to carry out the provisions of this Article.

Sec. 16. Terms of office and election of Justices of the Supreme Court, Judges of the Court of Appeals, and Judges of the Superior Court. Justices of the Supreme Court, Judges of the Court of Appeals, and regular Judges of the Superior Court shall be elected by the qualified voters and shall hold office for terms of eight years and until their successors are elected and qualified. Justices of the Supreme Court and Judges of the Court of Appeals shall be elected by the qualified voters of the State. Regular Judges of the Superior Court may be elected by the qualified voters of the State or by the voters of their respective districts, as the General Assembly may prescribe.

Sec. 17. Removal of Judges, Magistrates and Clerks.

(1) Removal of Judges by the General Assembly. Any Justice or Judge of the General Court of Justice may be removed from office for mental or physical incapacity by joint resolution of two-thirds of all the members of each house of the General Assembly. Any Justice of Judge against whom the General Assembly may be about to proceed shall receive notice thereof, accompanied by a copy of the causes alleged for his removal, at least 20 days before the day on which either house of the General Assembly shall act thereon. Removal from office by the General Assembly for any other cause shall be by impeachment.

(2) Additional method of removal of Judges. The General Assembly shall prescribe a procedure, in addition to impeachment and address set forth in this Section, for the removal of a Justice or Judge of the General Court of Justice for mental or physical incapacity interfering with the performance of his duties which is, or is likely to become, permanent, and for the censure and removal of a Justice or Judge of the General Court of Justice for wilful misconduct in office, wilful and persistent failure to perform his duties, habitual intemperance, conviction of a crime involving moral turpitude, or conduct prejudicial to the administration of justice that brings the judicial office into disrepute.

(3) Removal of Magistrates. The General Assembly shall provide by general law for the removal of Magistrates for misconduct or mental or physical incapacity.
(4) Removal of Clerks. Any Clerk of the Superior Court may be removed from office for misconduct or mental or physical incapacity by the senior regular resident Superior Court Judge serving the county. Any Clerk against who proceedings are instituted shall receive written notice of the charges against him at least ten days before the hearing upon the charges. Any Clerk so removed from office shall be entitled to an appeal as provided by law.

Sec. 18. District Attorney and Prosecutorial Districts.

(1) District Attorneys. The General Assembly shall, from time to time, divide the State into a convenient number of prosecutorial districts, for each of which a District Attorney shall be chosen for a term of four years by the qualified voters thereof, at the same time and places as members of the General Assembly are elected. Only persons duly authorized to practice law in the courts of this State shall be eligible for election or appointment as a District Attorney. The District Attorney shall advise the officers of justice in his district, be responsible for the prosecution on behalf of the State of all criminal actions in the Superior Courts of his district, perform such duties related to appeals therefrom as the Attorney General may require, and perform such other duties as the General Assembly may prescribe.

(2) Prosecution in District Court Division. Criminal actions in the District Court Division shall be prosecuted in such manner as the General Assembly may prescribe by general law uniformly applicable in every local court district of the State.

Sec. 19. Vacancies. Unless otherwise provided in this Article, all vacancies occurring in the offices provided for by this Article shall be filled by appointment of the Governor, and the appointees shall hold their places until the next election for members of the General Assembly that is held more than 60 days after the vacancy occurs, when elections shall be held to fill the offices. When the unexpired term of any of the offices named in this Article of the Constitution in which a vacancy has occurred, and in which it is herein provided that the Governor shall fill the vacancy, expires on the first day of January succeeding the next election for members of the General Assembly, the Governor shall appoint to fill that vacancy for the unexpired term of the office. If any person elected or appointed to any of these offices shall fail to qualify, the office shall be appointed to, held and filled as provided in case of vacancies occurring therein. All incumbents of these offices shall hold until their successors are qualified.
Sec. 20. Revenues and expenses of the judicial department. The General Assembly shall provide for the establishment of a schedule of court fees and costs which shall be uniform throughout the State within each division of the General Court of Justice. The operating expenses of the judicial department, other than compensation to process servers and other locally paid non-judicial officers, shall be paid from State funds.

No class of property shall be taxed except by uniform rule, and every classification shall be made by general law uniformly applicable in every county, city and town, and other unit of local government.

(3) Exemptions. Property belonging to the State, counties, and municipal corporations shall be exempt from taxation. The General
Assembly may exempt cemeteries and property held for educational, scientific, literary, cultural, charitable, or religious purposes, and, to a value not exceeding $300, any personal property. The General Assembly may exempt from taxation not exceeding $1,000 in value of property held and used as the place of residence of the owner. Every exemption shall be on a State-wide basis and shall be made by general law uniformly applicable in every county, city and town, and other unit of local government. No taxing authority other than the General Assembly may grant exemptions, and the General Assembly shall not delegate the powers accorded to it by this subsection.

(4) Special tax areas. Subject to the limitations imposed by Section 4, the General Assembly may enact general laws authorizing the governing body of any county, city or town to define territorial areas and to levy taxes within those areas, in addition to those levied throughout the county, city or town, in order to finance, provide, or maintain services, facilities, and functions in addition to or to a greater extent than those financed, provided or maintained for the entire county, city or town.

(5) Purposes of property tax. The General Assembly shall not authorize any county, city or town, special district, or other unit of local government to levy taxes or property, except for purposes authorized by general law uniformly applicable throughout the State, unless the tax is approved by a majority of the qualified voters of the unit who vote thereon.

(6) Income tax. The rate of tax on incomes shall not in any case exceed ten percent, and there shall be allowed personal exemptions and deductions so that only net incomes are taxed.

(2) Gift or loan of credit regulated. The General Assembly shall have no power to give or lend the credit of the State in aid of any person, association, or corporation, except a corporation in which the State has a controlling interest, unless the subject is submitted to a direct vote of the people of the State, and is approved by a majority of the qualified voters who vote thereon.

(5) *Definitions.* A debt is incurred within the meaning of this Section when a county, city or town, special district, or other unit, authority, or agency of local government borrows money. A pledge of faith and credit within the meaning of this Section is a pledge of the
taxing power. A loan of credit within the meaning of this Section occurs when a county, city or town, special district, or other unit, authority, or agency of local government exchanges its obligations with or in any way guarantees the debts of an individual, association, or private corporation.

(6) *Outstanding debt.* Except as provided in subsection (4), nothing in this Section shall be construed to invalidate or impair the obligation of any bond, note, or other evidence of indebtedness outstanding or authorized for issue as of July 1, 1973.

Sec. 5. *Acts levying taxes to state objects.* Every act of the General Assembly levying a tax shall state the special object to which it is to be applied, and it shall be applied to no other purpose.

Sec. 6. *Inviolability of sinking funds and retirement funds.*

(1) *Sinking funds.* The General Assembly shall not use or authorize to be used any part of the amount of any sinking fund for any purpose other than the retirement of the bonds for which the sinking fund has been created, except that these funds may be invested as authorized by law.

(2) *Retirement funds.* Neither the General Assembly nor any public officer, employee, or agency shall use or authorize to be used any part of the funds of the Teachers' and State Employees' Retirement System or the Local Governmental Employees' Retirement System for any purpose other than retirement system benefits and purposes, administrative expenses, and refunds; except that retirement system funds may be invested as authorized by law, subject to the investment limitation that the funds of the Teachers' and State Employees' Retirement System and the Local Governmental Employees' Retirement System shall not be applied, diverted, loaned to, or used by the State, any State agency, State officer, public officer, or public employee.

Sec. 7. *Drawing public money.*

(1) *State treasury.* No money shall be drawn from the State Treasury but in consequence of appropriations made by law, and an accurate account of the receipts and expenditures of State funds shall be published annually.

Sec. 8. **Health care facilities.** Notwithstanding any other provisions of this Constitution, the General Assembly may enact general laws to authorize the State, counties, cities or towns, and other State and local governmental entities to issue revenue bonds to finance or refinance for any such governmental entity or any nonprofit private corporation, regardless of any church or religious relationship, the cost of acquiring, constructing, and financing health care facility projects to be operated to serve and benefit the public; provided, no cost incurred earlier than two years prior to the effective date of this section shall be refinanced. Such bonds shall be payble from the revenues, gross or net, of any such projects and any other health care facilities of any such governmental entity or nonprofit private corporation pledged therefor: shall not be secured by a pledge of the full faith and credit, or deemed to create an indebtedness requiring voter approval of any governmental entity; and may be secured by an agreement which may provide for the conveyance of title of, with or without consideration, any such project or facilities to the governmental entity or nonprofit private corporation. The power of eminent domain shall not be used pursuant hereto for nonprofit private corporations.

Sec. 9. **Capital projects for industry.** Notwithstanding any other provision of this Constitution, the General Assembly may enact general laws to authorize counties to create authorities to issue revenue bonds to finance, but not to refinance, the cost of capital projects consisting of industrial, manufacturing and pollution control facilities for industry and pollution control facilities for public utilities, and to refund such bonds.

In no event shall such revenue bonds be secured by or payable from any public moneys whatsoever, but such revenue bonds shall be secured by and payable only from revenues or property derived from private parties. All such capital projects and all transactions therefor shall be subject to taxation to the extent such projects and transactions would be subject to taxation if no public body were involved therewith; provided, however, that the General Assembly may provide that the interest on such revenue bonds shall be exempt from income taxes within the State.

The power of eminent domain shall not be exercised to provide any property for any such capital project.
Sec. 10. Joint ownership of generation and transmission facilities. In addition to other powers conferred upon them by law, municipalities owning or operating facilities for the generation, transmission or distribution of electric power and energy and joint agencies formed by such municipalities for the purpose of owning or operating facilities for the generation and transmission of electric power and energy (each, respectively, "a unit of municipal government") may jointly or severally own, operate and maintain works, plants and facilities, within or without the State, for the generation and transmission of electric power and energy, or both, with any person, firm, association or corporation, public or private, engaged in the generation, transmission or distribution of electric power and energy for resale (each, respectively, "a co-owner") within this State or any state contiguous to this State, and may enter into and carry out agreements with respect to such jointly owned facilities. For the purpose of financing its share of the cost of any such jointly owned electric generation or transmission facilities, a unit of municipal government may issue its revenue bonds in the manner prescribed by the General Assembly, payable as to both principal and interest solely from and secured by a lien and charge on all or any part of the revenue derived, or to be derived, by such unit of municipal government from the ownership and operation of its electric facilities; provided, however, that no unit of municipal government shall be liable, either jointly or severally, for any acts, omissions or obligations of any co-owner, nor shall any money or property of any unit of municipal government be credited or otherwise applied to the account of any co-owner or be charged with any debt, lien or mortgage as a result of any debt or obligation of any co-owner.

Sec. 11. Capital projects for agriculture. Notwithstanding any other provision of the Constitution the General Assembly may enact general laws to authorize the creation of an agency to issue revenue bonds to finance the cost of capital projects consisting of agricultural facilities, and to refund such bonds.

In no event shall such revenue bonds be secured by or payable from any public moneys whatsoever, but such revenue bonds shall be secured by and payable only from revenue or property derived from private parties. All such capital projects and all transactions therefor shall be subject to taxation to the extent such projects and transactions would be subject to taxation if no public body were involved therewith: provided, however, that the General Assembly may provide that the interest on such revenue bonds shall be exempt from income taxes within the State.
The power of eminent domain shall not be exercised to provide any property for any such capital project.

Sec. 12. Higher Education Facilities. Notwithstanding any other provisions of this Constitution, the General Assembly may enact general laws to authorize the State or any State entity to issue revenue bonds to finance and refinance the cost of acquiring, constructing, and financing higher education facilities to be operated to serve and benefit the public for any nonprofit private corporation, regardless of any church or religious relationship provided no cost incurred earlier than five years prior to the effective date of this section shall be refinanced. Such bonds shall be payable from any revenues or assets of any such nonprofit private corporation pledged therefor, shall not be secured by a pledge of the full faith and credit of the State or such State entity or deemed to create an indebtedness requiring voter approval of the State or such entity, and where the title to such facilities is vested in the State or any State entity, may be secured by an agreement which may provide for the conveyance of title to, with or without consideration, such facilities to the nonprofit private corporation. The power of eminent domain shall not be used pursuant hereto.

Sec. 13. Seaport and airport facilities. (1) Notwithstanding any other provisions of this Constitution, the General Assembly may enact general laws to grant to the State, counties, municipalities, and other State and local governmental entities all powers useful in connection with the development of new and existing seaports and airports, and to authorize such public bodies.

(a) to acquire, construct, own, own jointly with public and private parties, lease as lessee, mortgage, sell, lease as lessor or otherwise dispose of lands and facilities and improvements, including undivided interest therein;

Removal from one precinct, ward, or other election district to another in this State shall not operate to deprive any person of the right to vote in the precinct, ward, or other election district from which that person has removed until 30 days after the removal.

(2) Residence period for presidential elections. The General Assembly may reduce the time of residence for persons voting in presidential elections. A person made eligible by reason of a reduction in time of residence shall possess the other qualifications set out in this Article, shall only be entitled to vote for President and Vice President of the United States or for electors for President and Vice President, and shall not thereby become eligible to hold office in this State.

(3) Disqualification of felon. No person adjudged guilty of a felony against this State or the United States, or adjudged guilty of a felony in another state that also would be a felony if it had been committed in this State, shall be permitted to vote unless that person shall be first restored to the rights of citizenship in the manner prescribed by law.
Sec. 3. Registration. Every person offering to vote shall be at the time legally registered as a voter as herein prescribed and in the manner provided by law. The General Assembly shall enact general laws governing the registration of voters.

and who has not been restored to the rights of citizenship in the manner prescribed by law.

Sec. 9. Dual office holding.

(1) Prohibitions. It is salutary that the responsibilities of self-government be widely shared among the citizens of the State and that the potential abuse of authority inherent in the holding of multiple offices by an individual be avoided. Therefore, no person who holds any office or place of trust or profit under the United States or any department thereof, or under any other state or government, shall be eligible to hold any office in this State that is filled by election by the people. No person shall hold concurrently any two offices in this State that are filled by election of the people. Sec. 10. Continuation in office. In the absence of any contrary provision, all officers in this State, whether appointed or elected, shall hold their positions until other appointments are made or, if the offices are elective, until their successors are chosen and qualified.

ARTICLE VII

CHAPTER 7

AN ACT TO PROVIDE FOR THE STABILIZATION OF THE
PRISON POPULATION.
Whereas, it is the intent of the General Assembly to operate a prison system that complies with all provisions of the State and federal constitutions and to continue to protect the people of the State from those who refuse to obey the rules of society; and

Whereas, during the past few years the federal courts have intervened in the operation of many state prison systems; and

Whereas, there are now 13 state prison systems that are entirely under supervision of the federal courts, and there are 26 states that have one or more facilities under court order; and

Whereas, when federal intervention occurs, the federal government normally places a cap on the prison population; and

Whereas, North Carolina is presently under federal intervention in the South Piedmont Area of the Department of Correction, and a cap on the prison population in that area has been imposed by the court; and

Whereas, the State is litigating a lawsuit similar to the lawsuit in the South Piedmont Area of the Department of Correction that encompasses the remaining prison field units throughout the State; and

Whereas, in 1985 and 1986 the General Assembly appropriated funds to make improvements in the South Piedmont Area of the Department of Correction and throughout the system and will continue to make progress in addressing any problems existing in our system; and

Whereas, the Attorney General has advised that the State prison population must be stabilized while improvements are being made in the system, the Governor, the Lieutenant Governor, the Speaker of the House of Representatives, and the Attorney General concur in the necessity of the recommendation of the Special Committee on Prisons to establish a temporary maximum inmate population and a mechanism for not exceeding that maximum; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. G.S. 148-4.1 is amended by adding the following subsections to read:

"(d) If the number of prisoners serving a sentence in the State prison system or otherwise housed in the State prison system exceeds ninety-seven percent (97%) of 18,000 for 15 consecutive days, the Secretary of Correction shall notify the Governor and the Chairman of the Parole Commission of this fact. Upon receipt of this notification, the Parole Commission shall within 60 days release on parole a number of inmates sufficient to reduce the number of prisoners serving a sentence in the State prison system or otherwise housed in
the State prison system to ninety-six percent (96%) of 18,000.

From the date of the notification until the number of prisoners serving a sentence in the State prison system or otherwise housed in the State prison system has been reduced to ninety-six percent (96%) of 18,000, the Secretary may not accept any inmates ordered transferred from local confinement facilities to the State prison system under G.S. 148-32.1(b). Further, the Secretary may return any inmate housed in the State prison system under an order entered pursuant to G.S. 148-32.1(b) to the local confinement facility from which the inmate was transferred.

(e) In addition to those persons otherwise eligible for parole, from the date of notification in subsection (d) until the number of prisoners serving a sentence in the State prison system or otherwise housed in the State prison system has been reduced to ninety-six percent (96%) of 18,000, any person imprisoned only for a misdemeanor also shall be eligible for parole notwithstanding any other provision of law, except those persons convicted of a misdemeanor for which assault is one of the elements necessary to establish the offense of which the person was convicted."

Sec. 2. G.S. 148-32.1(b) is amended by adding the following language at the end of the first sentence immediately before the period:

"or within another judicial district where space is available, which local facility shall accept the transferred prisoner, if the prison population has exceeded the limits established in G.S. 148-4.1(d)".

Sec. 3. G.S. 148-4.1(b) is rewritten to read:

"(b) Except as provided in subsection (c) and (e), only inmates who are otherwise eligible for parole pursuant to Article 85 of Chapter 15A or pursuant to Article 3B of this Chapter may be released under this section."

Sec. 4. G.S. 148-4.1(c) is rewritten to read:

"(c) Persons eligible for parole under Article 85A of Chapter 15A shall be eligible for early parole under this section six nine months prior to the discharge date otherwise applicable, and three six months prior to the date of automatic 90-day parole authorized by G.S. 15A-1380.2, provided, however, when the Secretary of Correction certifies that in his opinion a person eligible for parole under Article 85A of Chapter 15A poses no threat to society, that person shall be eligible for early parole under this section nine months prior to the discharge date
otherwise applicable, and six months prior to the date of automatic 90-
day parole authorized by G.S. 15A-1380.2."

Sec. 5. G.S. 15A-1380.2(c) is rewritten to read:
"(c) The term of parole for a prisoner paroled under this section
shall be 90 days. In the case of an inmate eligible for parole under
G.S. 148-4.1 who has less than 270 days remaining on the
maximum sentence, the Parole Commission may simultaneously parole
and terminate supervision of the prisoner when the Commission finds
that such action will not be incompatible with the public interest. In
the case of an inmate eligible for parole under G.S. 148-4.1 who has
180 to 270 days remaining on the maximum sentence, the Parole
Commission may simultaneously parole and terminate supervision of
the prisoner when the Secretary of Correction certifies that, in his
opinion, the prisoner poses no threat to society and when the
Commission finds that such action will not be incompatible with the
public interest."

Sec. 6. Sections 1, 2, and 3 of this act shall expire July 1,
1989, unless reenacted by the General Assembly. The Joint
Legislative Commission on Governmental Operations, or other
Committee designated by the Speaker of the House of Representatives
and the Lieutenant Governor, shall monitor the implementation of
this act. The Secretary of Correction and the Chairman of the Parole
Commission shall make a written report to the Governor, the Joint
Legislative Commission on Governmental Operations, the Fiscal
Research Division, and the Special Committee on Prisons at least one
month prior to the 1989 Session of the General Assembly.

CHAPTER 32

AN ACT TO AUTHORIZE NASH COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Nash County Board of Commissioners may by resolution, after not less than ten (10) days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Collection. Every operator of a business subject to the tax levied under this act shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this act may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.

(c) Administration. The county shall administer a tax levied under this act. A tax levied under this act is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.
A return filed with the county finance officer under this act is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this act shall pay a penalty of ten dollars ($10.00) for each day’s omission. In case of failure or refusal to file the return or pay the tax for a period of thirty (30) days after the time required for filing the return or for paying the tax there shall be an additional tax, as a penalty, of five percent (5%) of the tax due for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this act or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The Board of Commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Distribution and use of tax revenue. Nash County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Nash Tourism Development Authority. The Authority may spend funds remitted to it under this subsection only to promote travel and tourism in Nash County, to sponsor tourist-oriented events and activities in Nash County, and to finance tourist-related capital projects in Nash County, such as the construction of a civic center and utilities within Nash County. As used in this subsection, “net proceeds” means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.

(f) Effective date of levy. A tax levied under this act shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this act may be repealed by a resolution adopted by the Nash County Board of Commissioners. Repeal of a tax levied under this act does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. Tourism Development Authority. (a) Appointment and membership. When the Board of Commissioners adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a county Tourism Development Authority, which
shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority including the members' qualifications and terms of office, and for the filling of vacancies on the Authority. The Board of Commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Nash County shall be the ex officio finance officer of the Authority.

(b) Duties. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county, such as the construction of a civic center and utilities.

(c) Reports. The Authority shall report quarterly and at the close of the fiscal year to the Board of County Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the Board may require.

CHAPTER 68

AN ACT TO ALLOW THE TOWN OF WENDELL TO IMPOSE WATER AND WASTEWATER CAPACITY CHARGES.

Whereas, rapid growth through the influx of new residents and new construction impose on the Town of Wendell increased capital costs necessary to insure that adequate capacities of treated water and wastewater for the customers of the Town of Wendell's system are protected and made available to the users of the town's facilities; and

Whereas, it is the purpose of this act to better enable the Town of Wendell to accommodate orderly growth and development within its corporate limits and extraterritorial jurisdiction by providing it with new methods of regulating development to meet increased demands for the protection, upgrading and future expansion of its water treatment facilities and wastewater treatment facilities; and

53
Whereas, it is the further purpose of this act to place an equitable share of the costs of protecting, upgrading, expanding and adding to the present water and wastewater treatment facilities on all new and expanded users of such facilities; and

Whereas, it is the intent of the General Assembly that the costs of protecting, upgrading, expanding and adding to the present water and wastewater treatment facilities be borne in part by those requiring new or increased capacities from such facilities, rather than placing the brunt of those costs on existing users of the facilities; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. Definitions. The following definitions apply to this act, unless the context clearly requires otherwise:

(1) "Capital costs" means costs spent for protecting, upgrading, expanding and/or developing new water treatment facilities and/or wastewater treatment facilities intended to serve the customers of the Town of Wendell's water and/or wastewater treatment system.

(2) "Developer" means an individual, corporation, partnership, organization, firm, political subdivision, or other legal entity constructing or creating new construction.

(3) "New construction" means any new development, construction, or installation that results in the use of the Town of Wendell's water treatment facilities or wastewater treatment facilities and includes current users of that system that require additional capacity from said water or wastewater treatment facilities.

(4) "Capacity charge" means the charge imposed upon new construction as defined herein pursuant to the grant of regulatory authority contained herein.

Sec. 2. Subject to the conditions hereinafter set forth, a town may adopt an ordinance or ordinances imposing and collecting a regulatory fee defined herein as a "capacity charge" on all new construction.

Sec. 3. The amount of each "capacity charge" imposed and collected shall be based upon reasonable and uniform consideration of capital costs ultimately to be incurred by the town as a result of the new construction. The "capacity charge" must bear a direct relationship to the additional or expanded capital costs incurred or ultimately to be incurred for the protecting, upgrading, expanding or developing of new water or wastewater treatment facilities to serve the town.

Sec. 4. The amount of each "capacity charge" shall be based on qualified needs and specific classifications and rates, which shall be uniformly applied to all members of a class; however, the town may
vary the charges according to classes of service and may adopt different schedules of charges to be imposed upon new construction within the town limits versus new construction outside of the town limits.

Sec. 5. Before adopting or amending any "capacity charge" ordinance authorized by this act, the town governing board shall hold a public hearing on it. A notice of the public hearing shall be given so as to conform with G.S. 160A-364, as it may be amended from time to time. No "capacity charge" ordinance shall be adopted or amended without first giving the planning board a reasonable opportunity to make comments and recommendations to the town governing board.

Sec. 6. Monies collected as "capacity charges" shall be placed in a separate trust fund. All such revenues shall be spent for the capital facilities for which they were collected.

Sec. 7. A cause of action as to the validity of any "capacity charge" adopted under this act shall be brought within 90 days after its assessment.

Sec. 8. The town is authorized to enact ordinances, resolutions, rules and regulations that are necessary or expedient to carry this act into execution and effect.

Sec. 9. The powers conferred in this act shall be supplementary to all other powers and procedures authorized by any other general or local law. Assessments, charges, fees, or rates authorized by any other general or local law are not affected by this act.

(c) A copy of the standard form of contract for continuing care used by the provider shall be attached to each disclosure statement.

"§ 131E-218. Contract for continuing care: specifications.-(a) Each contract for continuing care shall provide that:

(2) If a resident dies before occupying a living unit in the facility, or if, on account of illness, injury, or incapacity, a resident would be precluded from occupying a living unit in the facility under the terms of the contract for continuing care, the contract is automatically canceled and the resident or legal representative of the resident shall receive a refund of all money or property transferred to the provider, less (i) those nonstandard costs specifically incurred by the provider or facility at the request of the resident and described in the contract or an addendum thereto signed by the resident, and (ii) a reasonable service charge, if set out in the contract, not to exceed the greater of one thousand dollars ($1,000) or two percent (2%) of the entrance fee.

The provider shall also make this revised disclosure statement available to all the residents of the facility. This revised disclosure statement shall include a narrative describing any material differences between (i) the pro forma income statements filed in response to G.S. 131-217 as a part of the disclosure statement recorded most immediately subsequent to the start of the provider's most recently completed fiscal year and (ii) the actual results of operations during that fiscal year together with the revised pro forma income statements being filed as a part of the revised disclosure statement. A provider may also revise its disclosure statement and have the revised disclosure statement recorded at any other time if, in the opinion of the provider, revision is necessary to prevent an otherwise current disclosure statement from containing a material misstatement of fact or omitting a material fact required to be stated therein. Only the most recently recorded disclosure statement,
with respect to a facility, and in any event, only a disclosure statement dated within one year plus 150 days prior to the date of delivery, shall be considered current for purposes of this Article or delivered pursuant to G.S. 131E-217.

"§ 131E-220. Escrow, collection of deposits.--(a) A provider shall establish an escrow account with (i) a bank, (ii) a trust company, or (iii) another person or entity agreed upon by the provider and the resident. The terms of this escrow account shall provide that the total amount of any entrance fee received by the provider prior to the date the resident is permitted to occupy a living unit in the facility be placed in this escrow account. These funds may be released only as follows:

(1) If the entrance fee applies to a living unit that has been previously occupied in the facility, the entrance fee shall be released to the provider when the living unit becomes available for occupancy by the new resident;

(2) If the entrance fee applies to a living unit which has not previously been occupied by any resident, the entrance fee shall be released to the provider when the escrow agent is satisfied that:

a. construction or purchase of the living unit has been completed and an occupancy permit, if applicable, covering the living unit has been issued by the local government having authority to issue such permits;

b. a commitment has been received by the provider for any permanent mortgage loan or other long-term financing, and any conditions of the commitment prior to disbursement of funds thereunder have been substantially satisfied; and

c. aggregate entrance fees received or receivable by the provider pursuant to binding continuing care retirement community contracts, plus the anticipated proceeds of any first mortgage loan or other long-term financing commitment are equal to not less than ninety percent (90%) of the aggregate cost of constructing or purchasing, equipping and furnishing the facility plus not less than ninety percent (90%) of the funds estimated in the statement of anticipated source and application of funds submitted by the provider as that part of the disclosure statement required by G.S. 131E-217(12)d., to be necessary to fund start-up losses and assure full performance of the obligations of the provider pursuant to continuing care retirement
community contracts.

(b) Upon receipt by the escrow agent of a request by the provider for the release of these escrow funds, the escrow agent shall approve release of the funds within five working days unless the escrow agent finds that the requirements of subsection (a) of this section have not been met and notifies the provider of the basis for this finding. The request for release of the escrow funds shall be accompanied by any documentation the fiduciary requires.

(c) If the provider fails to meet the requirements for release of funds held in this escrow account within a time period the escrow agent considers reasonable, these funds shall be returned by the escrow agent to the persons who have made payment to the provider. The escrow agent shall notify the provider of the length of this time period when the provider requests release of the funds.

(d) An entrance fee held in escrow may be returned by the escrow agent to the person who made payment to the provider at any time upon receipt by the escrow agent of notice from the provider that this person is entitled to a refund of the entrance fee.

"§ 131E-221. Civil liability.--A provider who enters into a contract for continuing care at a facility without having first delivered a disclosure statement meeting the requirements of G.S. 131E-217 to the person contracting for this continuing care, or enters into a contract for continuing care at a facility with a person who has relied on a disclosure statement that omits to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they are made, not misleading, shall be liable to the person contracting for this continuing care for actual damages and repayment of all fees paid to the provider, facility, or person violating this Article. Less the reasonable value of care and lodging provided to the resident by or on whose behalf the contract for continuing care was entered into prior to discovery of the violation, misstatement, or omission or the time the violation, misstatement, or omission should reasonably have been discovered, together with interest thereon at the legal rate for judgments, and court costs and reasonable attorney fees.

(a) Liability under this section exists regardless of whether the provider or person liable had actual knowledge of the misstatement or omission.

(b) A person may not file or maintain an action under this section if the person, before filing the action, received a written offer of a refund of all amounts paid the provider, facility, or person violating this Article together with interest at the rate established monthly by the
Commissioner of Banks pursuant to G.S. 24-1.1(3), less the current contractual value of care and lodging provided prior to receipt of the offer, and if the offer recited the provisions of this section and the recipient of the offer failed to accept it within 30 days of actual receipt.

(c) An action may not be maintained to enforce a liability created under this Article unless brought before the expiration of three years after the execution of the contract for continuing care that gave rise to the violation.

(d) This Article may not limit a liability that may exist by virtue of any other statute or under common law if this Article were not in effect.

"§ 131E-222. Investigations and subpoenas.--The Attorney General may make such public or private investigations within or outside of this State as necessary to determine whether any person has violated or is about to violate any provision of this Article or to aid in the enforcement of this Article or to verify statements contained in any disclosure statement filed or delivered hereunder.

(a) For the purpose of any investigation or proceeding under this Article, the Attorney General may require or permit any person to file a statement in writing, under oath or otherwise, as to any of the facts and circumstances concerning the matter to be investigated.

(b) For the purpose of any investigation or proceeding under this Article, the Attorney General or a designee thereof has all the powers given to him for consumer protection. He may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, agreements or other documents or records deemed relevant or material to the inquiry, all of which may be enforced in any court of this State which has appropriate jurisdiction.

"§ 131E-223. Cease and desist orders and injunctions.--Whenever it appears to the Attorney General or any district attorney, upon complaint or otherwise, that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of this Article or any order hereunder, this officer may bring an action in any court which has appropriate jurisdiction to enjoin the acts or practices and to enforce compliance with this Article or any order hereunder. Upon a proper showing, a permanent or temporary injunction or restraining order shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets.
"§ 131E-224. Criminal penalties.—Any person who willfully and knowingly violates any provision of this Article is guilty of a misdemeanor and shall, upon conviction, be fined not more than ten thousand dollars ($10,000) or imprisoned not more than one year, or both. The Attorney General or the district attorney may institute the appropriate criminal proceedings under this Article. Nothing in this Article limits the power of the State to punish any person for any conduct that constitutes a crime under any other statute."

"Article 7. Affiliated Transactions

§ 55-75. Short title and definitions.—(a) The provisions of this Article shall be known and may be cited as The North Carolina Shareholder Protection Act.

(b) In this Article:

(1) ‘Business combination’ includes any merger or consolidation of a corporation with or into any other corporation, or the sale or lease of all or any substantial part of the corporation’s assets to, or any payment, sale or lease to the corporation or any subsidiary thereof in exchange for securities of the corporation of any assets (except assets having an aggregate fair market value of less than five million dollars ($5,000,000)) of, any other entity.

(7) ‘Voting shares’ means shares of the corporation’s capital stock entitled to vote in the election of directors.

"§ 55-76. Voting requirement.--Notwithstanding any other provisions of the Business Corporation Act, the affirmative vote of the holders of ninety-five percent (95%) of the voting shares of a corporation, considered for the purposes of this section as one class, shall be required for the adoption or authorization of a business combination with any other entity if, as of the record date for the determination of shareholders entitled to notice thereof and to vote thereon, the other entity is the beneficial owner, directly or indirectly, of more than twenty percent (20%) of the voting shares of the corporation, considered for the purposes of this section as one class.

"§ 55-77. Exception to voting requirement.--The voting requirement of G.S. 55-76 shall not be applicable to a business combination if each of the following conditions is met:

(1) The cash, or fair market value of other consideration, to be received per share by the holders of the corporation’s common stock in such business combination bears the same or a greater percentage relationship to the market price of the corporation’s common stock immediately prior to the announcement of such business combination by the corporation as the highest per share price (including brokerage commissions and/or soliciting dealers’ fees) which such other entity has theretofore paid for any of the shares of the corporation’s common stock already owned by it bears to the market price of the corporation’s common stock immediately prior to the commencement of acquisition of the corporation’s common stock by such other entity, directly or indirectly;

(2) The cash, or fair market value of other consideration, to be received per share by holders of the corporation’s common stock in such business combination (i) is not less than the highest per share
price (including brokerage commissions and/or soliciting dealers’ fees) paid by such other entity in acquiring any of its holdings of the shares of corporation’s common stock and (ii) is not less than the earnings per share of the corporation’s common stock for the four full consecutive fiscal quarters immediately preceding the record date for the solicitation of votes on such business combination, multiplied by the then price/earnings multiple, if any, of such other entity as customarily computed and reported in the financial community:

(3) After the other entity has acquired a twenty percent (20%) interest and prior to the consummation of such business combination: (i) the other entity shall have taken steps to ensure that the corporation’s board of directors included at all times representation by continuing directors proportionate to the outstanding shares of the corporation’s common stock held by persons not affiliated with the other entity (with a continuing director to occupy any resulting fractional board position); (ii) there shall have been no reduction in the rate of dividends payable on the corporation’s common stock, except as may have been approved by a unanimous vote of its directors; (iii) the other entity shall not have acquired any newly issued shares of the corporation’s capital stock, directly or indirectly, from the corporation, except upon conversion of any convertible securities acquired by the other entity prior to obtaining a twenty percent (20%) interest or as a result of a pro rata stock dividend or stock split; and (iv) the other entity shall not have acquired any additional shares of the corporation’s outstanding common stock, or securities convertible into common stock, except as part of the transaction which resulted in the other entity acquiring its twenty percent (20%) interest;

(4) The other entity shall not have (i) received the benefit, directly or indirectly, except proportionately with other shareholders, of any loans, advances, guarantees, pledges, or other financial assistance or tax credits provided by the corporation or (ii) made any major change in the corporation’s business or equity capital structure unless by a unanimous vote of the directors, in either case prior to the consummation of the business combination; and

(5) A proxy statement responsive to the requirements of the Exchange Act shall be mailed to the public shareholders of the corporation for the purpose of soliciting shareholder approval of the business combination and shall contain prominently in the forepart thereof any recommendations as to the advisability or inadvisability of the business combination which the continuing directors, or any of them, may choose to state and, if deemed advisable by a majority of
the continuing directors, an opinion of a reputable investment banking firm as to the fairness (or not) of the terms of the business combination to the remaining public shareholders of the corporation, which investment banking firm shall be selected by a majority of the continuing directors and shall be paid by the corporation a reasonable fee for its services upon receipt of such opinion.

"§ 55-78. General.-(a) The provisions of this Article shall also apply to a business combination with an other entity which at any time has been the beneficial owner, directly or indirectly, of more than twenty percent (20%) of the outstanding voting shares, considered for the purposes of this section as one class, notwithstanding that the other entity has reduced its percentage of shares below twenty percent (20%) if, as of the record date for the determination of shareholders entitled to notice of and to vote on the business combination, the other entity is an "affiliate" of the corporation.

(b) For the purposes of the Article, an other entity shall be deemed the beneficial owner of any shares of the corporation's capital stock which the other entity has the right to acquire pursuant to any agreement, or upon exercise of any conversion rights, warrants or options, or otherwise (whether the right to acquire shares is exercisable immediately or only after the passage of time); and, further, the outstanding shares of any class of capital stock of the corporation shall include shares deemed beneficially owned through the application of the foregoing, but shall not include any other shares which may be issuable pursuant to any agreement, or upon exercise of any conversion rights, warrants or options, or otherwise.

(c) A majority of the continuing directors shall have the power and duty to determine for the purposes of this Article on the basis of information known to them whether (i) an other entity beneficially owns more than twenty percent (20%) of the voting shares; (ii) an other entity is an "affiliate" or "associate" of another; (iii) an other entity has an agreement, arrangement or understanding with another; and (iv) the assets to be acquired by the corporation, or any subsidiary thereof, have an aggregate fair market value of less than five million dollars ($5,000,000).

(d) Nothing contained in this Article shall be construed to relieve any other entity from any fiduciary obligation imposed by law. This Article shall be broadly construed so as to be applicable to any transaction reasonably calculated to avoid the application of the provisions hereof including, without limitation, any merger or other recapitalization, initiated by or for the benefit of an other entity that
owns more than twenty percent (20%) of the voting shares, which would reincorporate a domestic corporation under the laws of another state.

"§ 55-79. AN ACT TO REGULATE THE ADOPTION OF VOTING SYSTEMS BY LOCAL GOVERNMENTS.

The General Assembly of North Carolina enacts:

Section 1. Article 14 of Chapter 163 of the General Statutes is rewritten to read:

"Article 14.
Voting Systems.

§ 163-160. Voting systems; approval; rules and regulations.—The State Board of Elections shall have authority to approve types of voting systems for use in primaries and elections held in this State. The use of voting systems that have been approved by the State Board of Elections in any primary or election held in any county or municipality shall be as valid as the use of paper ballots by the voters.

The State Board of Elections shall prescribe rules and regulations for the adoption, handling, operation, and honest use of voting systems, including, but not limited to, the following:

(1) Types of voting systems approved for use in this State;
(2) Form of ballot labels to be used on voting systems;
(3) Operation and manner of voting on voting systems;
(4) Instruction of precinct officials in the use of voting systems;
(5) Instruction of voters in the use of voting systems;
(6) Assistance to voters using voting systems;
(7) Duties of custodians of voting systems;
(8) Examination of voting systems before use in a primary election; and
(9) Use of paper or other ballots where voting systems are used as set out in G.S. 163-162.

§ 163-160.1. Definition of ‘voting systems’.—As used in this Article, ‘voting systems’ shall mean mechanical voting machines and computer-based and optical-scan election systems.

§ 163-161. Adoption of voting systems by local governments.—(a) Discretionary authority. The board of county commissioners, with the approval of the county board of elections, may adopt and purchase or lease a voting system of a type approved by the State Board of
Elections for use in some or all voting places in the county at some or all primaries and elections. Specifically, the board may purchase a voting system upon an installment basis or otherwise, or it may lease a voting system with or without an option to purchase.

The board of county commissioners may decline to adopt and purchase or lease any voting system recommended by the county board of elections, but may not adopt and purchase or lease any voting system that has not been approved by the county board of elections.

(b) Requirements for County Board of Elections. Before approving the adoption and purchase or lease of any voting system by the board of county commissioners, the county board of elections shall:

1. obtain a current financial statement from the proposed vendor or lessor of the voting system, and send copies of the statement to the county attorney and the chief county financial officer, and

2. witness a demonstration, in that county or at a site designated by the State Board of Elections, of the voting system by the proposed vendor or lessor, and also witness a demonstration of at least one other type of voting system approved by the State Board of Elections.

3. test, during a primary or election, the proposed voting system in at least one precinct in the county where the system would be used if adopted."

(c) Implementation of Decision. When the board of county commissioners has decided to adopt and purchase or lease a voting system for voting places under the provisions of subsection (a) of this section, the board of county commissioners shall, as soon as practical, provide for each of those voting places sufficient equipment of the approved voting system in complete working order. If it is impractical to furnish each voting place with the equipment of the approved voting system, that which has been obtained may be placed in voting places chosen by the county board of elections. In that case, the county board of elections shall choose the voting places and allocate the equipment in a way that as nearly as practicable provides equal access to the voting system for each voter.

The county board of elections shall appoint as many voting system custodians as may be necessary for the proper preparation of the system for each primary and election and for its maintenance, storage and care.

(d) Municipalities. The governing board of the municipality shall have the same authority with respect to the acquisition and use of a voting system for municipal primaries and elections that boards of
county commissioners are granted in subsection (a) with respect to other primaries and elections.

The decision of the governing board of the municipality shall be subject to approval of the county board of elections, as described in subsection (a), if the county board of elections administers the elections of the municipality, or by the approval of the municipal board of elections if the municipal board of elections administers the elections of the unit. Before approving the adoption and purchase or lease of a voting system, the county or municipal board of elections shall be subject to all the requirements of subsection (b), except that in the case of a municipal board of elections, the financial statement shall be sent to the municipal attorney and the chief municipal finance officer, the demonstration shall be conducted in the municipality or at a site designated by the State Board of Elections, and the testing shall be done in a precinct of the municipality.

When a municipal governing body has decided to adopt and purchase a voting system for voting places under the provisions of this subsection, that governing body shall have all the duties parallel to those imposed by subsection (c) on a board of county commissioners and a county board of elections: that is, the municipal governing body shall, as soon as practical, provide for each of those voting places sufficient equipment of the approved voting system or, if that is impractical, provide the available equipment of the approved voting system in the places it chooses, and shall appoint the necessary number of voting-system custodians. In the case that equipment of the approved system for every voting place is impractical, the municipal governing board shall choose the voting places and allocate the equipment in a way that as nearly as practicable provides equal access to the voting system for every voter.

"§ 163-162. Use of paper ballots where voting systems are used.--In counties in which voting systems are used in some or all precincts, the county board of elections shall have authority to furnish paper ballots of each kind to precincts using voting systems for use by:

(1) Persons required to sign their ballots under the provisions of G.S. 163-150(e), and persons who vote pursuant to G.S. 163-155; and

(2) Persons who wish to write in names of candidates who are not on the ballot, if it is not practical to use voting systems to record write-in votes in particular precincts because of the horizontal or vertical printing limitations of G.S. 163-137, provided the county board of elections has been issued written approval from the State
(3) Persons who vote at the office of the county board of elections. For voters who vote at the county board office, the county board may furnish, in lieu of paper ballots, ballots of a voting system approved by the State Board of Elections, provided those ballots are identifiable and retrievable."

The Harnett County Board of Commissioners shall serve, ex officio, as the governing body of the Township, and the officers of the board of commissioners shall serve as the officers of the governing body of the township. A simple majority of the governing body constitutes a quorum, and approval by a majority of those present is sufficient to determine any matter before the governing body, if a quorum is present.

The Harnett County Board of Commissioners, as the governing body of Averasboro Township, shall administer a tax levied under this act. A tax levied under this act is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. to exceed one thousand dollars ($1,000), imprisonment not to exceed
six months, or both. The board of commissioners may, for good
cause shown, compromise or forgive the penalties imposed by this
subsection.

Township, to sponsor tourist-oriented events and activities for
Averasboro Township, to operate and maintain museums and historic

CHAPTER 170

AN ACT TO AUTHORIZE THE TOWN OF BOONE TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Boone Town Council may by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar
accommodation furnished by a hotel, motel, inn, or similar place within the corporate limits of the town that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the town. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The town shall design, print, and furnish to all appropriate businesses and persons in the town the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the town a discount of three percent (3%) of the amount collected.

(c) Administration. The town shall administer a tax levied under this section. A tax levied under this section is due and payable to the town finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the town. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the town finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.
Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The town council may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Distribution and use of tax revenue. The Town of Boone shall, on a quarterly basis, remit sixty percent (60%) of the net proceeds of the occupancy tax to the Boone Tourism Development Authority. The Authority may spend funds remitted to it under this subsection only to further the development of travel, tourism, and conventions for the Town of Boone. The Town of Boone may deposit the remainder of the net proceeds in its general funds to be used for any lawful purpose. As used in this subsection, “net proceeds” means gross proceeds less the cost to the town of administering and collecting the tax, as determined by the finance officer.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Boone Town Council. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. Tourism Development Authority. (a) Appointment and membership. When the town council adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating the Boone Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The Authority shall be composed of seven voting members appointed by the Boone Town Council as follows:

(1) Two residents of Boone who are owners or operators of hotels, motels, or other taxable tourist accommodations;

(2) Two residents of Boone who have demonstrated an interest in tourism development and who do not own or operate hotels, motels, or other taxable tourist accommodations;
(3) Two residents of Boone who are members of the Boone Chamber of Commerce; and
(4) One member of the Boone Town Council.

The Finance Officer for the Town of Boone shall be the ex officio finance officer of the Authority but shall not be a member of the authority.

The members of the Authority shall serve without compensation and shall serve for a term of three years, except that the town council shall designate three of the initial appointees to serve two-year terms. Vacancies shall be filled in the same manner as original appointments and members appointed to fill vacancies shall serve for the remainder of the unexpired term. The Authority shall elect from its membership a chair; the Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings.

(b) Powers and duties. The Authority may contract with any person, firm, or organization to advise it and assist it in carrying out its duty to promote travel, tourism, and conventions for the Town of Boone.

(c) Reports. The Authority shall report quarterly and at the close of the fiscal year to the town council on its receipts and expenditures for the preceding quarter and for the year in such detail as the Council may require.

Sec. 3. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 11th day of May, 1987.

The town council may, for good cause shown, compromise or forgive the penalties imposed by this subsection.
(e) Distribution and use of tax revenue. The Town of Blowing Rock shall retain from the gross proceeds of the tax an amount sufficient to pay its direct costs for administrative and collection expenses, not to exceed three percent (3%) of the gross proceeds. The town council shall, at least once annually, conduct a hearing on the proposed use of the net proceeds of the tax. The amount of the net proceeds shall be reported at the hearing. After the hearing, the town council may remit twenty percent (20%) of the net proceeds reported at the hearing to the Blowing Rock Chamber of Commerce. The town council may use the funds remitted to it pursuant to this subsection only to promote tourism within the Town of Blowing Rock. The remainder of the net proceeds may be used by the town to enhance the ability of the town to attract tourism, except that the town may not expend any of the net proceeds for general fund operating expenses that are not tourist-related or for water and sewer capital or operating expenses that are not tourist-related.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

(e) Use of Tax Revenue. The county shall place the net proceeds collected from a tax levied under this act in a special Travel and Tourism Fund. Revenue in this fund may be used only to promote travel and tourism in the county. This fund will be administered by the Henderson Travel and Tourism Committee. As used in this subsection, "net proceeds" means gross proceeds less five percent (5%) of the gross proceeds which the county may retain to defray the cost of administering and collecting the tax.
CHAPTER 172  Session Laws — 1987

The scope of promotion of travel and tourism in the county may include the following:

(1) Contracting with any person, firm, or agency to advise and assist in travel and tourism promotion.
(2) Advertising via appropriate media.
(3) Assisting in the initial funding and possible annual subsidy of a fine arts center or other similar facility which could logically be expected to promote tourism in the county.
(4) Promoting special events which would bring tourists to the county.

(f) Effective Date of Levy. A tax levied under this act shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this act may be repealed by a resolution adopted by the board of commissioners of the county. Repeal of a tax levied under this act does not affect a liability for a tax that attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 6. Henderson Travel and Tourism Committee. When the board of commissioners adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating the Henderson Travel and Tourism Committee, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The Committee shall consist of nine voting members as follows:

(1) Four members who are registered to vote in Henderson County, appointed by the Henderson County Board of Commissioners;
(2) Four members who are registered to vote in Henderson County, appointed by the Hendersonville City Council; and
(3) The President of the Greater Hendersonville Chamber of Commerce, or his designee, to serve ex officio.

The board of commissioners shall designate one member of the Committee as chair and shall determine the compensation, if any, to be paid to members of the Committee. The Committee shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The finance officer for Henderson County shall be the ex officio finance officer of the Committee. The Committee shall administer the Travel and Tourism Fund as provided in Section 1(e) of this act. The Committee shall report quarterly and at the close of the fiscal year to the board of commissioners on its expenditures for the preceding quarter and for the year in such detail as the board may require.
Sec. 7. Repeal of a tax levied under Chapter 929 or 962 of the 1985 Session Laws (Regular Session 1986) does not affect a liability for a tax that attached before the effective date of this act, nor does it affect a right to a refund that accrued before the effective date of this act.

Sec. 8. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 11th day of May, 1987.

", and by substituting the following two sentences: "Each retired fireman receiving supplemental benefit in accordance with this act shall receive the same amount of supplemental benefit per month. Sec. 5. G.S. 118-6 is amended in the last paragraph by rewriting the third sentence to read: "The treasurer of said board of trustees shall give a good and sufficient surety bond in a sum equal to the amount of moneys in his hand, to be approved by the Commissioner of Insurance."

CHAPTER 175

AN ACT TO AUTHORIZE PASQUOTANK COUNTY AND THE CITY OF ELIZABETH CITY TO LEVY OCCUPANCY TAXES.

The General Assembly of North Carolina enacts:
Section 1. Pasquotank occupancy tax. (a) Authorization and Scope. The Pasquotank County Board of Commissioners may, by resolution, after not less than 10 days’ public notice and after a hearing held pursuant thereto, levy a room occupancy tax of no more than three percent (3%) of the gross receipts derived from the rental in Pasquotank County of any room, lodging, or similar accommodation subject to sales tax under G.S. 105-164.4(3).

This tax does not apply to accommodations furnished by nonprofit charitable, educational, benevolent, or religious organizations when furnished in furtherance of their nonprofit purpose. This tax is in addition to any State or local sales tax.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately on the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of Pasquotank County. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The Pasquotank County Finance Officer shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.

An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted by him to the county a discount of three percent (3%) of the amount collected as reimbursement for the expenses incurred in collecting the tax.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals and sales upon which the tax is levied. A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day’s omission. In case of failure or refusal to file the return or pay the tax for a period of 30
days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000) and imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Use and Distribution of Tax Revenue. After the levy of a tax under this section and until the end of the eighth fiscal year after an occupancy tax was first levied under this act, whether pursuant to this section or Section 2 of this act, the county shall, on a quarterly basis, remit the net proceeds of the tax levied under this section to the City of Elizabeth City. The city may spend funds remitted to it under this subsection only to develop, promote, and advertise travel and tourism in Elizabeth City and Pasquotank County, to sponsor tourist-oriented events and activities, to operate and maintain museums and historic sites, or to construct and maintain public facilities.

After the levy of a tax under this section and beginning in the ninth fiscal year after an occupancy tax was first levied under this act, whether under this section or Section 2 of this act, the county shall, on a quarterly basis, remit to the City of Elizabeth City one-half (1/2) of the net proceeds of the tax levied under this section collected on accommodations located in the corporate limits of the city. The remainder of the proceeds of the tax shall be retained by the county. The city and the county may spend the proceeds of the tax only to develop, promote, and advertise travel and tourism in Elizabeth City and Pasquotank County, to sponsor tourist-oriented events and activities, to operate and maintain museums and historic sites, or to construct and maintain public facilities.

The county, or a town or city that receives revenue under this subsection may contract with a nonprofit organization to undertake or carry out the activities and programs for which the revenue may be expended. All contracts entered into with nonprofit organizations shall require an annual financial audit of any funds expended and a performance audit of contractual obligations.
As used in this subsection, "net proceeds" means gross proceeds less the direct cost to the county of administering and collecting the tax, not to exceed three percent (3%) of the amount collected.

(f) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Pasquotank County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. Elizabeth City occupancy tax. (a) Authorization: Scope: Administration. If the Pasquotank County Board of Commissioners has not levied the tax authorized by Section 1 of this act or has levied the tax at a rate of less than three percent (3%), the Elizabeth City City Council may, by ordinance, levy a room occupancy tax at a rate that does not exceed three percent (3%) when combined with the Pasquotank County occupancy tax rate, if any.

This tax shall apply to the same accommodations that are taxable under Section 1 of this act and shall be collected and administered in the same manner as the tax authorized by that section, unless this section specifies otherwise. In applying the provisions of Section 1 to a tax levied by the Elizabeth City City Council under this section, however, all references in Section 1 to Pasquotank County or an official of Pasquotank County shall be construed to mean the City of Elizabeth City and the city counterpart to the county official. Accordingly, the Elizabeth City Finance Officer shall collect an occupancy tax levied by the city.

(b) Distribution of Revenue. After the levy of a tax under this section and until the end of the eighth fiscal year after an occupancy tax was first levied under this act, whether pursuant to this section or Section 1 of this act, the city shall retain the proceeds of the tax levied under this section. After the levy of a tax under this section and beginning in the ninth fiscal year after an occupancy tax was first levied under this act, whether pursuant to this section or Section 1 of this act, the city shall, on a quarterly basis, remit to Pasquotank County one-half (1/2) of the net proceeds of the tax levied under this section collected on accommodations located in the corporate limits of the city. The remainder of the proceeds of the tax shall be retained by the city. The city and the county may spend the proceeds of the tax only to develop, promote, and advertise travel and tourism in Elizabeth City, to sponsor tourist-oriented events and activities, to operate and maintain museums and historic sites, or to construct and maintain
public facilities.

As used in this subsection, "net proceeds" means gross proceeds less the cost to the city of administering and collecting the tax, not to exceed three percent (3%) of the amount collected.

Sec. 3. Effect of county tax on previously levied city tax. If the City of Elizabeth City levies an occupancy tax under Section 2 of this act, and the Pasquotank County Board of Commissioners subsequently adopts a resolution levying an occupancy tax in Pasquotank County under Section 1 of this act, the occupancy tax levied by the City of Elizabeth City shall be repealed as of the effective date of the county levy if the county levies an occupancy tax at the rate of three percent (3%), and shall be reduced by the amount that the combined county and city occupancy tax rates exceed three percent (3%) if the county rate is less than three percent (3%).

Sec. 4. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 11th day of May, 1987.

AN ACT TO ESTABLISH THE LEGISLATIVE COMMITTEE ON NEW LICENSING BOARDS AND A REVIEW PROCESS FOR THE CREATION OF OCCUPATIONAL AND PROFESSIONAL LICENSING BOARDS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 120 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 18A.
Review of Proposals to License New Occupations and Professions.

§ 120-149.1. Findings and purpose.--The General Assembly finds that the number of licensed occupations and professions has substantially increased and that licensing boards have occasionally been established without a determination that the police power of the State is reasonably exercised by the establishment of such licensing boards.

The General Assembly further finds that by establishing criteria and procedures for reviewing proposed licensing boards, it will be better able to evaluate the need for new licensing boards. To this end, it is the purpose of this Article to assure that no new licensing board shall be established unless the following criteria are met:

(1) The unregulated practice of the profession or occupation can substantially harm or endanger the public health, safety or welfare, and the potential for such harm is recognizable and not remote or dependent upon tenuous argument;

(2) The profession or occupation possesses qualities that distinguish it from ordinary labor;

(3) Practice of the profession or occupation requires specialized skill or training;

(4) A substantial majority of the public does not have the knowledge or experience to evaluate whether the practitioner is competent; and

(5) The public is not effectively protected by other means; and

(6) Licensure will not have a substantial adverse economic impact upon consumers of the practitioner's goods or services.

§ 120-149.2. Definitions.--As used in this Article:

(1) 'Assessment report' means a report that initially describes the need for and the fiscal impact of a new licensing board.

(2) 'Committee' means the Legislative Committee on New Licensing Boards.
(3) 'Licensing' means a regulatory system that requires persons to meet certain qualifications before they are eligible to engage in a particular occupation or profession, but does not include a regulatory system that imposes certain qualifications as a condition for using or advertising specified titles or descriptions in connection with a particular occupation or profession, unless the restrictions on the use and advertisement of said titles is so broad as to effectively prohibit the practitioner from engaging in the profession or occupation without meeting the qualifications.

(4) 'New licensing board' includes each of the following:
   (i) a proposed new board with licensing authority over an occupation or profession; and
   (ii) an existing board with proposed licensing authority over an occupation or profession not previously licensed by the board: provided, however, that the Committee, in reviewing a proposal to license a profession or occupation under an existing board, shall not assess the need for the continued licensing of professions and occupations already within the board’s jurisdiction.

(5) 'Supplementary report' means a report that assesses the changes proposed by an amendment or committee substitute which would substantially alter a legislative proposal to create a new licensing board and for which an assessment report has already been prepared.

"§ 120-149.3. Assessment of new licensing boards.--(a) Any legislative proposal introduced in the General Assembly after the effective date of this act proposing (1) the establishment of a new licensing board, or (2) a study of the need to establish a new licensing board, shall not be eligible for consideration on the floor of either house (other than first reading) or before any committee of either house of the General Assembly until a final assessment report has been issued pursuant to G.S. 120-149.4(e), with a copy of the report accompanying the proposal in accordance with the rules of the appropriate house.

(b) If the proposal to establish a new licensing board is first contained in a legislative proposal, the sponsor shall present a copy of the legislative proposal to the Legislative Committee on New Licensing Boards which shall prepare an assessment report. If the proposal is not in the form of a legislative proposal, the person or organization seeking to establish a new licensing board may obtain an assessment report from the Committee only if a legislator requests such a report.

(c) If a legislative proposal receives a favorable report but is not ratified during the biennial session in which it is introduced, a new assessment report shall be required before the same or a substantially similar legislative proposal may be considered after first reading or by
any committee during a subsequent biennial session of the General Assembly. If a proposal receives a favorable report but is not introduced as a legislative proposal, the favorable report shall expire at the adjournment of the biennial session coinciding with or following issuance of the final report.

(d) A preliminary assessment report shall be prepared and returned to the sponsor or requesting legislator as soon as possible and not later than 60 days after the Committee receives the request, provided that if the volume of requests makes preparation of all such reports impossible within that time, the Committee may extend the time for preparation of any report to a maximum of 90 days from the time the request is received. The Committee shall not consider any request until it has received the information required by G.S. 120-149.4(a).

(e) If an amendment or committee substitute to a legislative proposal is introduced, the appropriate committee chairman, the presiding officer of the appropriate house, or the sponsor of the proposal may request a supplementary report when, in the opinion of any of them, the amendment or committee substitute substantially alters the legislative proposal. The supplementary report shall be prepared and returned to the requesting individual, and to the sponsor, within 30 days after the Committee receives the request.

(f) Each assessment report shall be designated as either preliminary, final, or supplementary and shall not constitute any part of the expression of legislative intent proposed by the formation of a new licensing board. An unfavorable final report shall not bar further consideration of the proposal on the floor or by any committee of either house.

(g) The Committee shall make all reports, including supplementary reports, available to all members of the General Assembly. At least one copy of all preliminary, final, and supplementary reports shall be maintained in the Legislative Library for public inspection.

§ 120-149.4. Procedure and criteria to be used in preparation of assessment reports.--(a) The Legislative Committee on New Licensing Boards shall conduct an evaluation of the need for each new licensing board.

If a legislator or other person or organization is seeking to establish a new licensing board, that legislator or other person or organization shall have the burden of demonstrating to the Committee that the criteria listed in G.S. 120-149.1 are met, and furnish the Committee additional information to show:
(1) That the unregulated practice of the occupation or profession may be hazardous to the public health, safety, or welfare;

(2) The approximate number of people who would be regulated and the number of persons who are likely to utilize the services of the occupation or profession;

(3) That the occupational or professional group has an established code of ethics, a voluntary certification program, or other measures to ensure a minimum quality of service;

(4) That other states have regulatory provisions similar to the one proposed;

(5) How the public will benefit from regulation of the occupation or profession;

(6) How the occupation or profession will be regulated, including the qualifications and disciplinary proceedings to be applied to practitioners;

(7) The purpose of the proposed regulation and whether there has been any public support for licensure of the profession or occupation;

(8) That no other licensing board regulates similar or parallel activities;

(9) That the educational requirements for licensure, if any, are fully justified; and

(10) Any other information the Committee considers relevant to the proposed regulatory plan. The Committee shall adopt an appropriate form for use by applicants. The form shall contain a list of questions to be completed by the person or organization requesting the assessment report and a copy of this Article.

(b) In preparing an assessment report with respect to a legislative proposal to establish a new licensing board, the Committee shall consider, but shall not be limited to considering, the factors listed in subsection (a). The report shall analyze the effects of the new licensing board and shall include the Committee's recommendation on whether the General Assembly should approve the new licensing board. The Committee shall make specific findings in its report on each of the following:

(1) Whether the unregulated practice of the profession or occupation can substantially harm or endanger the public health, safety, or welfare, and whether the potential for such harm is recognizable and not remote or dependent upon tenuous argument;
Whether the profession or occupation possesses qualities that distinguish it from ordinary labor;

Whether practice of the profession or occupation requires specialized skill or training;

Whether a substantial majority of the public has the knowledge or experience to evaluate the practitioner's competence;

Whether the public can be effectively protected by other means; and

Whether licensure would have a substantial adverse economic impact upon consumers of the practitioner's goods or services.

The Committee may also evaluate the legislative proposal itself in terms of its clarity, conciseness, conformity with existing statutes and general principles of administrative law, and specificity of the delegation of authority to promulgate rules and set fees.

d) The Committee shall furnish a copy of the preliminary assessment report to the requesting legislator or sponsor at least seven days prior to the Committee’s final meeting on the proposal, unless the sponsor or requesting legislator waives this requirement. The requesting legislator or sponsor shall have an opportunity at the final meeting to respond to the preliminary report.

e) The Committee shall adopt a final assessment report on the proposal at the final meeting and shall issue the report within 14 days of the issuance of the preliminary report; provided that if the Committee wishes to further review or consider the sponsor’s or requesting legislator’s responses to the preliminary assessment report, the final report shall be issued within 21 days of the issuance of the preliminary report. If the Committee recommends against licensure, it may suggest alternative measures for regulation of the occupation or profession.

"§ 120-149.5. Hearings.--(a) Before submitting a preliminary or final assessment report, the Committee may, in its discretion, hold one or more public hearings in the Legislative Building or Legislative Office Building.

(b) When assessment reports involving the same or similar occupations or professions are pending before the Committee, the Committee may consider any or all of the matters to be addressed by the reports.

"§ 120-149.6. Legislative Committee on New Licensing Boards.--(a) The Legislative Committee on New Licensing Boards is created to consist of a Chairman and eight members, four Senators appointed by the President of the Senate, four members of the House of
Representatives appointed by the Speaker of the House and the Chairman to be appointed as provided herein.

(b) The President of the Senate shall appoint a member of the Senate as Chairman upon the effective date of this Article who shall serve a term beginning with the effective date of this Article and expiring upon the organization of the General Assembly in 1989. Thereafter, the Speaker of the House and the President of the Senate shall alternate the appointment of the Chairman to serve during each biennial session of the General Assembly. The Chairman may vote only in the event of a tie vote. The members of the Committee shall likewise serve biennial terms. If the office of Chairman or any member shall become vacant, the vacancy shall be filled for the unexpired term by the authority making the initial appointment. Five members shall constitute a quorum of the Committee.

(c) The Committee may meet on days when the members of the General Assembly are entitled to subsistence pursuant to G.S. 120-3.1. The Committee is authorized to use the facilities of the State Legislative Building and Legislative Office Building. Clerical and professional staff shall be provided by the Legislative Services Commission."

with such beneficial owner pursuant to any contract,

acquiror of such shares may exercise or direct the exercise
of voting of such shares without instruction from others.

(2) 'Control shares' means shares of an issuing public

      (i) The issuing public corporation; or

   f. Pursuant to the sale of such shares by the issuing public corporation or its parent or subsidiary corporation.

   For purposes of this definition, shares acquired within any consecutive 90-day period or shares acquired pursuant to a plan to make a control share acquisition are considered to have been acquired in the same acquisition.

(7) For purposes of calculating the percentages or numbers described in subsection (b) (5) of this section, any shares held in trust or by a nominee shall be deemed to be held by the beneficiaries of such trust or by the beneficiaries of such shares held by such nominee.

"§ 55-91. Acquiring person statement.--Any person who has made a control share acquisition or who has made a bona fide written offer to make a control share acquisition may at the person’s election deliver an acquiring person statement to the issuing public corporation at the issuing public corporation’s principal office. (b) To be approved under this section, the resolution must be adopted by the affirmative vote of the holders of at least a majority of all the outstanding shares of the corporation (not including interested shares) entitled to vote for the election of directors; provided that if applicable law or a charter or bylaw provision adopted by the shareholders before the occurrence of the control share acquisition that is the subject of the vote prescribes voting by separate classes of shares, the resolution must also be adopted by the affirmative vote of the holders of at least a majority of each such class (but excluding in any such case all interested shares); and provided further that if applicable law or a charter or bylaw provision adopted by the shareholders before the occurrence of the control share acquisition that is the subject to the vote prescribes voting by shares that would not otherwise be entitled to vote, such shares shall be treated solely for purposes of this section as shares entitled to vote for directors (but excluding in any such case all interested shares).

"§ 55-95. Right of redemption by shareholders.--(a) Unless otherwise provided in the charter or a bylaw of the issuing public corporation adopted by the shareholders before a control share acquisition has occurred, if control shares acquired in a control share acquisition are accorded voting rights and the holders of the control shares have a majority of all voting power for the election of directors, all shareholders of the issuing public corporation (other than holders of control shares) have rights as prescribed in this section to have their shares redeemed by the corporation at the fair value of those shares as of the day prior to the date on which the vote was taken under G.S. 55-94.

(b) If the notice of meeting at which voting rights are accorded to control shares contains the statement required by G.S. 55-93(3), a shareholder will not have any right of redemption under this section unless he gives to the corporation, prior to or at the meeting of shareholders at which the voting rights to be accorded to control shares are considered, written notice that if voting rights are accorded to such shares he may ask for the redemption of his shares hereunder.

"Section 5.1. Termination of Utility Service; Charges Become Liens. (a) Notwithstanding the provisions of G.S. 160A-314, or any other provisions of law, in case any charges for water service or sewerage service due and owing to the Town of Lake Lure are not paid, then such charges and any penalties assessed for nonpayment shall become a lien upon the property served or in connection with which service is used, upon compliance with the procedure set out in this section; provided, however, no such charges shall become a lien unless the same were incurred by the owner of the particular property.

(b) Upon nonpayment, the Town shall give the customer a fair opportunity to avoid termination of utility service and application of the charges and penalties as a lien against the property, by paying charges due or showing that the charges are in error. As soon as possible following the specified past due date, written notice of delinquency shall be sent to the customer by first-class mail.

(c) The notice required by subsection (b) shall contain the following information:

(1) The amount which must be paid to avoid termination;
(2) The date on which termination will occur, which must be at least 10 days after the mailing date;
(3) A statement that the customer may appear at Town Hall between the hours of 9:00 a.m. and 4:00 p.m. on any business day and request an informal hearing with the Town Manager or designee, for the purpose of showing error or working out a satisfactory extended payment arrangement; and
(4) A statement that failure by the customer to appear and show error, make payment or work out a satisfactory extended payment arrangement shall result in the charges and penalties being applied as a lien against the real property, which may be enforced by sale of the real property as provided by law.

(d) The employee responsible for mailing the notice as provided in subsections (b) and (c) shall certify the date on which the notice was mailed, on a form or in a record book or electronic medium designed
for that purpose.

(e) If the customer does not make acceptable payment arrangements and fails to show cause why service should not be terminated and the charges and penalties applied as a lien against the property, service may be terminated on or after the date specified in the notice of termination, and the charges and penalties may be applied as a lien against the property. Service may be terminated between the hours of 8:30 a.m. and 4:00 p.m. on business days from Monday through Thursday only. If the customer fails to comply with the agreed upon extended payment arrangements, service may be terminated without further notice and the charges and penalties may be applied as a lien.

(f) Unpaid charges and penalties may at any time be collected by civil action in the name of the Town. In addition, the charges and penalties may be collected by the Town Tax Collector by sale of the property to which the lien attaches, as provided in G.S. 105-375, and the lien shall be treated as a property tax lien for the purposes of that statute. The lien shall attach on the date on which the certificate of charges due is docketed as provided in G.S. 105-375(d), and shall continue until the principal amount of the charges plus penalties, interest and costs allowed by law have been fully paid.

"Sec. 5.2. Town Alcoholic Beverage Control Stores. Town alcoholic beverage control stores shall operate as provided in Chapter 353, Session Laws of 1979, as amended.

"Sec. 5.3. Rehabilitation and Maintenance of Lake Lure. (a) The Town shall have the power to operate the electric power generating plant at Lake Lure and sell all the power produced thereby to a single utility, to lease the plant to any private person, firm or corporation under such terms and conditions and for such period or periods as the Board of Commissioners shall deem to be in the best interests of the Town.

(b) The rehabilitation and maintenance by the Town of the lake, trunk sewerage line, dam and electric power generating plant and ancillary facilities and the issuance of revenue bonds therefore are hereby declared to be proper public and municipal purposes.

"Sec. 5.4. Sewage Assessments. In addition to any authority granted by general or local law to the Town to finance sewage disposal facilities and sewage treatment facilities, the Board is hereby authorized to levy assessments upon all properties which are now or will hereafter be connected to any sewage disposal or treatment facilities owned or constructed by the Town, for the purpose of financing, in whole or in part, the construction and operation of
sewage disposal or treatment facilities. Such assessments shall apply uniformly within reasonable classifications to all properties now or hereafter connected to any disposal or treatment facilities owned or constructed by the Town; provided, however, the Board may establish higher assessments for property developed or to be developed for commercial, industrial, or institutional uses or purposes than those established for private residential use, and may base the assessments for residential property or hotel or motel property upon the number of dwelling units served or to be served by such disposal or treatment facility.

"Sec. 5.5. Special Assessments. (a) Streets.
(1) In addition to the authority granted by general law, the Board is authorized to order street improvements and to assess the costs thereof against abutting property in accordance with the provisions of this section.
(2) The Board may order street improvements and assess the total costs thereof against abutting property, exclusive of the costs incurred at street intersections, according to one or more of the assessment bases set forth in Article 10 of Chapter 160A of the General Statutes without the necessity of a petition, upon the following findings of fact:
(i) That the street improvement project does not exceed 1,200 linear feet; and
(ii) That such street or part thereof is unsafe for vehicular traffic and it is in the public interest to make such improvements; or
(iii) That it is in the public interest to connect two streets or portions of a street already improved; or
(iv) That it is in the public interest to widen a street, or part thereof, which is already improved; provided that assessments for widening any street or portion of a street without a petition shall be limited to the cost of widening and otherwise improving such street in accordance with the street classification and improvement standards established by the Town's thoroughfare or major street plan, as applied to the particular street or part thereof.
(3) For the purposes of this Article, the term 'street improvement' includes grading, regrading, surfacing, resurfacing, widening, paving, repaving, acquisition of right-of-way and construction or reconstruction of curbs, gutters and street drainage facilities.
(b) Sidewalks. In addition to the authority granted by general law, the Board is authorized, without the necessity of petition, to order sidewalk improvements or repairs according to standards and specifications of the Town, and to assess the total costs thereof against abutting property, according to one or more of the assessment bases set forth in Article 10 of Chapter 160A of the General Statutes; provided that regardless of the assessment basis or bases employed, the Board may order the costs of sidewalk improvements made only on one side of a street to be assessed against property abutting both sides of such street.

(c) Procedure. In ordering street and sidewalk improvements without a petition and assessing the cost thereof under authority of this section, the Board shall comply with the procedures required by Article 10 of Chapter 160A of the General Statutes, except those provisions relating to petitions of property owners and sufficiency thereof. The effect of the act of levying assessments under authority of this section shall be the same as if assessments were levied under authority of Article 10 of Chapter 160A of the General Statutes."

Sec. 2. The purpose of this act is to revise the Charter of the Town of Lake Lure and to consolidate certain acts concerning the property, affairs and government of the Town. Sec. 2. The words defined in this section shall have the meanings indicated when used in this act:

(1) "Annexation" means any extension of a municipality's corporate limits as authorized by Article 4A of Chapter 160A of the General Statutes, the charter of the municipality, or any local act applicable to the municipality, as such statutory authority exists now or is hereafter amended.

(2) "Agreement" means any written agreement authorized by this act.

(3) "Municipality" means any city as defined by G.S. 160A-1.

Sec. 3. Two or more municipalities may enter into agreements with each other in order to designate one or more areas which are not subject to annexation by one or more of the participating municipalities. The agreements shall be of reasonable duration, but not to exceed 30 years, and shall be approved by resolution of the governing board and executed by the mayor of each municipality and spread upon its minutes.
Sec. 4. (a) The agreement shall:  
(1) State the duration of the agreement.  
(2) Describe clearly the area or areas subject to the agreement. The boundaries of such area or areas may be established at such locations as the participating municipalities shall agree. Thereafter, any participating municipality may follow such boundaries in annexing any property, whether or not such boundaries follow roads or natural topographical features.  
(3) Specify one or more participating municipalities which may not annex the area or areas described in the agreement.  
(4) State the effective date of the agreement.  
(5) Require each participating municipality which proposes any annexation to give written notice to the other participating municipality or municipalities of the annexation at least 60 days before the adoption of any annexation ordinance, provided, however, that the agreement may provide for a waiver of this time period by the notified municipality.  
(6) Include any other necessary or proper matter.  
(b) The written notice required by subdivision (a)(5) of this section shall describe the area to be annexed by a legible map, clearly and accurately showing the boundaries of the area to be annexed in relation to: the area or areas described pursuant to subdivision (a)(2) of this section, roads, streams and any other prominent geographical features. From and after the effective date of the agreement, no participating municipality may annex all or any portion of any area in violation of this act or the agreement.

Sec. 6. Nothing in this act shall be construed to authorize the annexation of any area which is not otherwise subject to annexation under applicable law.

Sec. 7. (a) Each provision of the agreement shall be binding upon the parties thereto. A participating municipality which believes that another participating municipality is violating this act or the agreement may file a petition in the superior court of the county where any of the territory proposed to be annexed is located, seeking review of the action of the municipality alleged to have violated this act or the agreement.
(b) Within five days after the petition is filed with the court, the petitioning municipality shall serve copies of the petition by certified mail, return receipt requested, upon the respondent municipality.

(c) Within 15 days after receipt of the copy of the petition for review, or within such additional time as the court may allow, the respondent municipality shall transmit to the reviewing court:

(1) that the provisions of this act were not met; or

(2) that the provisions of the agreement were not met.

(e) Upon a finding that the respondent municipality has not violated this act or the agreement, the court may affirm the action of the respondent municipality without change. Upon a finding that the respondent municipality has violated this act or the agreement, the court may:

(1) Remand to the respondent municipality’s governing board any ordinance adopted pursuant to Parts 2 or 3, Article 4A of Chapter 160A of the General Statutes, as the same exists now or is hereafter amended, for amendment of the boundaries, or for such other action as is necessary, to conform to the provisions of this act and the agreement.

(2) Declare any annexation begun pursuant to any other applicable law to be null and void. If the respondent municipality shall fail to take action in accordance with the court’s instructions upon remand under subdivision (e)(1) of this section within three months from receipt of such instructions, the annexation proceeding shall be deemed null and void.

(f) Any participating municipality which is a party to the review proceedings may appeal from the final judgment of the Superior Court under rules of procedure applicable in other civil cases. The appealing party may apply to Superior Court for a stay in its final determination, or a stay of the annexation ordinance, whichever shall be appropriate, pending the outcome of the appeal to the appellate division; provided, that the Superior Court may, with the agreement of
the parties, permit annexation to be effective with respect to any part of the area concerning which no appeal is being made and which can be incorporated into the respondent municipality without regard to any part of the area concerning which an appeal is being made.

(g) If part or all of the area annexed under the terms of a challenged annexation ordinance is the subject of an appeal to the Superior Court or appellate division on the effective date of the ordinance, then the ordinance shall be deemed amended to make the effective date with respect to such area the date of the final judgment of the Superior Court or appellate division, whichever is appropriate, or the date the respondent municipality's governing board completes action to make the ordinance conform to the court's instructions in the event of remand.

(h) This act does not authorize any court to stay any annexation proceeding, except as specifically set forth in subsections (f) and (g) of this section.

Sec. 8. This act shall apply only to municipalities located wholly or partly in Gaston County.

Sec. 9. This act is effective upon ratification.

"Article 2. Traffic Control
"Sec. 7.2. Traffic-control devices.
(a) The City Council, upon finding as a fact that the density of population and volume of vehicular and pedestrian traffic in the City of Salisbury requires prompt, continuing, and effective control of such traffic through the installation, removal, relocation and change of official traffic-control devices in order to protect and promote the public safety and convenience, may designate, by ordinance, an official of the City to make or cause to be made, upon the basis of engineering and traffic investigations, installations, removals, relocations and changes of official traffic control devices in accordance with accepted traffic engineering principles and standards and in accordance with the procedures hereinafter set forth.
(b) An 'official traffic-control device,' as used in this section, means a sign, signal, marking or device, including a parking meter, which is designed and intended to regulate vehicular or pedestrian traffic.
(c) Whenever an official traffic-control device is installed, removed, relocated or changed pursuant to this section, a notation thereof shall be made or cause to be made by the designated official on a map or record book or any other combination thereof as may be determined by the City Council and maintained for that purpose. Such map or record book or combination thereof shall be retained permanently in the office of the city clerk and shall be styled, as the case may be, as 'Map (or record book) of Location of Traffic-Control Devices.' Typed, photographic or other copies of any part of such map or record book, certified by the city clerk, shall be admitted in evidence in all courts and shall have the same force and effect as
would the original thereof.

(d) For purposes of enforcement, the installation, relocation or change of an official traffic-control device pursuant to this section shall have the force of law immediately upon such installation, relocation or change.

"Sec. 7.3. Obstruction of private alleys. If, in the opinion of the City Council, a fire hazard is created by the obstruction of private alleys, the City Council may adopt regulations governing the obstruction of private alleys, whether by reason of the parking of motor vehicles or otherwise, but such regulations shall not be construed so as to restrict or limit the legal right of the owners of interests in a private alley to close the alley or to exercise other property rights therein.

"Sec. 7.10. Drainage of Premises. The City Council shall have power to require that all property owners provide adequate drainage facilities to the end that their premises be free from standing water and permit the natural flow of water thereon to be taken care of, and to provide that in case of failure on the part of such owner or owners to so provide the same, to go upon their premises and construct the necessary facilities and to charge the costs thereof against the premises so improved. After construction of the necessary facilities on the part of the City, the City shall have no further obligation for maintenance of said facilities.

"Sec. 7.11. Connection of sanitation facilities. The City Council shall have power to require the owner or owners of private drains, sinks, and privies, to fill up, cleanse, drain, repair, fix, and improve the same as they may be ordered, and to cause all drains, toilets, sinks, and all water or sewerage facilities to be connected with the City's systems, and to provide that in case of failure on the part of such owner or owners to comply with any such order, to go upon their premises and perform such work as may be necessary to comply with such order, and to charge the cost thereof against the premises upon which such work is performed. After performance of such work as may be necessary by the City, the City shall have no further obligation for maintenance of said facilities.

"Sec. 7.12. Weeds and undergrowth. The City Council shall have power to require the owner or owners of all premises, vacant or improved, to keep same free from trash, obnoxious weeds or undergrowth as they may be ordered and to provide that in case of failure on the part of such owner or owners to comply with any such order, to go upon their premises and perform such work as may be
necessary to comply with such order, and to charge the cost thereof against the premises upon which such work is performed. After performance of such work as may be necessary by the City, the City shall have no further obligation for maintenance of said premises.

"Sec. 7.13. Costs a lien as for taxes. The costs to the City of any work performed under this Article shall constitute a lien upon the premises upon which the work is performed and may be collected in the same manner as taxes upon real property. The term 'costs' as used in this section shall include interest at the same rate as that used for taxes.

"SUBCHAPTER B. PLANNING, SUBDIVISION, AND BUILDING REGULATIONS

"Article 1. Subdivision Regulations

"Sec. 7.20. Subdivision Regulations. In addition to those powers delineated in Part 2 of Article 19 of Chapter 160A of the General Statutes, the City Council may, by ordinance, provide that the Salisbury Planning Board shall have power to approve, in whole or in part, to otherwise modify, or to disapprove all final subdivision plats. Such ordinance may provide that the Salisbury Planning Board shall approve or disapprove the final plat not later than 60 days after the submission thereof; otherwise, such plat shall be deemed to have been approved and a certificate to that effect shall be issued by the Planning Board on demand; provided, however, that the applicant for the Planning Board’s approval may waive this requirement and consent to the extension of such period. The grounds for disapproval of any plat shall be stated upon the records of the Planning Board. Said regulations shall provide that an appeal may be taken from the Planning Board action to the City Council which shall have power to approve, disapprove, in whole or in part, or otherwise modify the action of said Planning Board.

In addition, the City Council may designate, by ordinance, an official of the City who shall have power to approve, disapprove, in whole or in part, or otherwise modify minor subdivision plats, as said plats are defined in such ordinance.

"Article 2. Water and Sewer

"Sec. 8.10. Dedication of water and sewer lines. Before any person, firm or corporation shall connect in any manner any privately owned water or sewer line or lines with any water or sewer line or lines of the City of Salisbury, such person, firm or corporation shall, by proper written instrument, in consideration of making such connection and the benefits to be derived therefrom, dedicate, give, grant and convey such water or sewer lines to the City of Salisbury. No such connection shall be made with the City water or sewer lines without the express approval of the City, nor shall such connection be effected except in accordance with the regulations of the City governing same, and upon payment of any reasonable charges made therefor. Should any person, firm or corporation connect any privately owned water or sewer line or lines without first dedicating, giving, granting and conveying same to the City, the act of connecting shall be deemed a dedication, gift, grant and conveyance of such lines to the City and the City may accept same or may order the disconnection of such lines; provided, that the City may enter into contracts, when duly authorized by a majority of the City Council members voting thereon, with any person, firm or corporation whereby water or sewer lines may be laid within or without the City and connected to the City’s systems under such terms as may be agreed upon, notwithstanding any provisions of this section.

"Article 3. Refuse Disposal

"Sec. 8.20. Service Contracts. In addition to those powers delineated in G.S. 160A-192 and in Part I of Article 16 of Chapter 160A of the General Statutes, the City Council is further authorized, in its discretion, to lease or to sell, at private sale, any lands now or hereafter owned or acquired by the City, to any person, firm or corporation contracting with the City for disposal of municipally-
collected refuse, for use as a plant site or sites, upon such terms and considerations as the City Council may prescribe.

"SUBCHAPTER B. EMINENT DOMAIN AND LOCAL IMPROVEMENTS"

"Article 1. Eminent Domain"

"Sec. 8.30. Powers and procedures. In addition to those powers delineated in G.S. 40A, Articles 1 and 3, the City of Salisbury may use the procedure and authority prescribed in Article 9 of Chapter 136 of the General Statutes, as now or hereafter amended, in the exercise of its authority of eminent domain for the acquisition of property to be used for streets and highways, water supply and distribution systems, sewage collection and disposal systems, and airports; provided further, that whenever therein the words 'Secretary' or 'Secretary of Transportation' appear, they shall be deemed to include the 'City Manager'.

"Article 2. Local Improvements"

"Sec. 8.40. Streets, curbs and gutters, sidewalks, and driveways.

(a) Petition unnecessary. In addition to any authority which is now or may hereafter be granted to the City for making street, curb and gutter or sidewalk improvements, the City Council is hereby authorized to order such improvements and to assess the total cost thereof against abutting properties without the necessity of a petition of property owners.

(b) Sidewalk repairs. The Council is further authorized to order or to make sidewalk repairs and driveway repairs across sidewalks according to standards and specifications of the City, and to assess the total cost thereof against abutting properties without the necessity of a petition of property owners.

(c) Sidewalk on one side of street. If a sidewalk is constructed on only one side of the street, the cost thereof may be assessed against the property abutting on both sides of the street, unless there already exists a sidewalk on the other side of the street, the total cost of which was assessed against the abutting property.

(d) Notice to property owners. Before the City Council shall order improvements to be made pursuant to subsection (a) or (b) of this section it shall hold a public hearing thereon, and shall give the owners of the property to be assessed written notice of such public hearing and the proposed action.

(e) Assessment procedure and effect. In ordering street, curb and gutter or sidewalk improvements or sidewalk repairs and assessing the cost thereof, the Council shall follow the procedures provided by the
General Statutes for street and sidewalk improvements, except those provisions relating to the petition of property owners and the sufficiency thereof. The effect of levying assessments pursuant to this act shall for all purposes be the same as if they were levied under authority of the General Statutes.

(f) Duty of maintenance for driveways and sidewalks. It is the duty of every property owner to maintain the sidewalks and driveways abutting his property in good repair and safe condition.

(g) Payment of assessments. Any special assessment of the City for any purpose amounting to less than one hundred dollars ($100.00) shall be paid in cash within 90 days of confirmation rather than in annual installments, and shall bear interest as taxes. Any property owner shall have the option of paying assessments for local improvements in cash or in not less than two nor more than 10 equal annual installments, as may have been determined by the City Council in the resolution ordering the improvements. With respect to payment by installment, the Council may direct:

1. That installments shall become due and payable on the same date when property taxes of the City are due and payable, or

2. That the first installment with interest shall become due and payable 60 days after the date of the confirmation of the assessment roll, and one subsequent installment and interest shall be due and payable on the same day of the month in each successive year until the assessment is paid in full. Said assessments and installments shall bear interest as taxes.

(h) Assessment where street is City limit line. In those instances where the City limit line runs along a street or road the City Council may order the improvements and assess the cost thereof against property abutting on both sides of the street as if all of the abutting property were within the corporate limits, regardless of whether the improvement is ordered pursuant to this section or other general law.

(i) Supplementary authorization. The procedure herein outlined shall be supplementary in addition to all other procedure authorized by law relating to improvements or special assessments.

"Article 3. Economic Development Projects

"Sec. 8.50. Economic Development Projects.

(a) Definition. In this section economic development project means an economic capital development project within a certain defined area or areas of the City as established by the City Council,

comprised of one or more buildings or other improvements and including any public and/or private facilities. Said project may include programs or facilities for improving downtown redevelopment, 'pocket of poverty' or other federal or State assistance programs which the City Council determines to be in need of economic capital development or revitalization and which qualify for capital assistance under applicable federal or State program.

(b) Authorization.

(1) In addition to any other authority granted by law, the City of Salisbury may accept grants, expend funds, make grants or loans, acquire property and participate in capital economic development projects which the City Council determines will enhance the economic development and revitalization of the city in accordance with the authority granted herein. Such project may include both public and/or private buildings or facilities financed in whole or in part by federal or State grants (including but not limited to urban development action grants) and may include any capital expenditures which the City Council finds necessary to comply with conditions in any federal or State grant agreements and which the City Council finds will complement the project and improve the public tax base and general economy of the City. By way of illustration, but not limitation, such a project may include the construction or renovation of any one or combination of the following projects:

a. Privately owned hotel.
b. Privately owned office building.
c. Housing.
d. Parking facilities.
e. Industrial buildings.
f. Site improvements.
g. Privately owned commercial building, including warehouses.

Such project may be partially financed with City funds received from federal or State sources and being granted or loaned to the private owner for said construction or renovation; in addition, other City funds from any sources may be used for acquisition, construction, leasing and/or operation of facilities by the City for the general public and for capital improvements to public facilities which will support and enhance the private facilities and the general economy of the City.
(2) When the City Council finds that it will promote the economic development or revitalization in the City, the City may acquire, construct, and operate or participate in the acquisition, construction, ownership and operation of an economic development project or of specific buildings or facilities within such a project and may comply with any State or federal government grant requirements in connection therewith. The City may enter into binding contracts with one or more private parties or governmental units with respect to acquiring, constructing, owning or operating such a project. Such a contract may, among other provisions, specify the responsibilities of the City and the developer or developers and operators or owners of the project, including the financing of the project. Such a contract may be entered into before the acquisition of any real property necessary to the project by the City or the developer or other parties.

(c) Property acquisition. An economic development project may be constructed on property acquired by the developer or developers, or on property directly acquired by the City, or on property acquired by the Redevelopment Commission or its successors while exercising the powers, duties and responsibilities pursuant to G.S. 160A-505.

(d) Property disposition. In connection with an economic development project, the City may convey interests in property owned by it, including air rights over public facilities, as follows:

(1) If the property was acquired under the urban redevelopment law, the property interests may be conveyed in accordance with special or general law.

(2) If the property was acquired by the City directly, the City may convey property interests by any procedure set forth in its City Charter, special act or the general law or by private negotiation or sale.

(e) Construction of the project. A contract between the City and the developer or developers may provide that the developer or developers shall be responsible for the construction of the entire economic development project. If so, the contract shall include such provisions as the City Council deems sufficient to assure that any public facilities included in the project meet the needs of the City and are constructed at a reasonable price. Any funds loaned by the City, pursuant to this paragraph, to a private developer, and used by said developer in the construction of a project on private property shall not be deemed an expenditure of public funds.

(f) Operation. The City may contract for the operation of any public facility or facilities included in an economic development project by a person, partnership, firm or corporation, public or
private. In addition, the City, upon consideration, may contract through lease or otherwise whereby it may operate privately constructed parking facilities to serve the general public. Such a contract shall include provisions sufficient to assure that any such facility or facilities are operated for the benefit of the citizens of the City.

CHAPTER 207

AN ACT TO PROVIDE FOR COUNTY SATELLITE JAIL/WORK RELEASE UNITS FOR MISDEMEANANTS.

The General Assembly of North Carolina enacts:

Section 1. Article 10 of Chapter 153A is amended by adding at the end a new Part to read:

§ 153A-230. Legislative policy.--The policy of the General Assembly with respect to satellite jail/work release units is:

(1) To encourage counties to accept responsibility for incarcerated misdemeanants thereby relieving the State prison system of its misdemeanor population;

(2) To assist counties in providing suitable facilities for certain misdemeanants who receive active sentences;

(3) To allow more misdemeanants who are employed at the time of sentencing to retain their jobs by eliminating the time involved in processing persons through the State system;

(4) To enable misdemeanants to pay for their upkeep while serving time, to pay restitution, to continue to support their dependents, and to remain near the communities and families to which they will return after serving their time;

(5) To provide more appropriate, cost effective housing for certain minimum custody misdemeanants and to utilize vacant buildings where possible and suitable for renovation;

(6) To provide a rehabilitative atmosphere for non-violent misdemeanants who otherwise would face a substantial threat of imprisonment; and

(7) To encourage the use of alternative to incarceration programs.

§ 153A-230.1. Definitions.--Unless otherwise clearly required by the context, the words and phrases defined in this section have the meanings indicated when used in this Part:

(1) ‘Office’ means the Office of State Budget and Management.

(2) ‘Satellite Jail/Work Release Unit’ means a building or designated portion of a building primarily designed, staffed, and used for the housing of misdemeanants participating in a work release program. These units shall house misdemeanants only and shall be operated on a full time basis, i.e., seven days/night a week.
"§ 153A-230.2. Creation of Satellite Jail/Work Release Unit Fund.--
(a) There is created in the Office of State Budget and Management
the County Satellite Jail/Work Release Unit Fund to provide State
grant funds for counties or groups of counties for construction of
satellite jail/work release units for certain misdemeanants who receive
active sentences. A county or group of counties may apply to the
Office for a grant under this section. The application shall be in a
form established by the Office. The Office shall:
(1) develop application and grant criteria based on the basic
requirements listed in this Part,
(2) provide all Boards of County Commissioners and Sheriffs
with the criteria and appropriate application forms, technical assistance, if requested, and a proposed written
agreement,
(3) review all applications.
(4) select grantees and award grants.
(5) award no more than one million five hundred thousand
dollars ($1,500,000) for any one county or group of
counties except that if a group of counties agrees to jointly
operate one unit for males and one unit for females, the
maximum amount may be awarded for each unit,
(6) take into consideration the potential number of
misdemeanants to be diverted from the State prison system,
(7) take into consideration the utilization of vacant buildings
suitable for renovation where appropriate,
(8) take into consideration the timeliness with which a county
proposes to complete and occupy the unit,
(9) take into consideration the appropriateness and cost
effectiveness of the proposal,
(10) take into consideration the plan with which the county
intends to coordinate the unit with other community service
programs such as intensive probation, community penalties,
and community service.
When considering the items listed in subdivisions (6) through (10),
the Office shall determine the appropriate weight to be given each
item.
(b) A county or group of counties is eligible for a grant under this
section if it agrees to abide by the basic requirements for satellite
jail/work release units established in G.S. 153A-230.3. In order to
receive a grant under this section, there must be a written agreement
to abide by the basic requirements for satellite jail/work release units
set forth in G.S. 153A-230.3. The written agreement shall be signed by the Chairman of the Board of County Commissioners, with approval of the Board of County Commissioners, and a representative of the Office of State Budget and Management. If a group of counties applies for the grant, then the agreement must be signed by the Chairman of the Board of County Commissioners of each county. Any variation from, including termination of, the original signed agreement must be approved by both the Office of State Budget and Management and by a vote of the Board of County Commissioners of the county or counties.

When the county or group of counties receives a grant under this section, the county or group of counties accepts ownership of the satellite jail/work release unit and full financial responsibility for maintaining and operating the unit, and for the upkeep of its occupants.

"§ 153A-230.3. Basic requirements for satellite jail/work release units.--(a) Eligibility for unit. The following rules shall govern which misdemeanants are housed in a satellite jail/work release unit:

(1) Any convicted misdemeanant who:
   a. receives an active sentence in the county or group of counties operating the unit,
   b. is employed in the area or can otherwise earn his keep by working at the unit on maintenance and other jobs related to upkeep and operation of the unit or by assignment to community service work, and
   c. consents to placement in the unit under these conditions, shall not be sent to the State prison system except by written findings of the sentencing judge that the misdemeanant is violent or otherwise a threat to the public and therefore unsuitable for confinement in the unit.

(2) The county shall offer the program to both men and women.

(3) The sentencing judge shall make a finding of fact as to whether the misdemeanant is qualified for occupancy in the unit pursuant to G.S. 15A-1352(a). If the sentencing judge determines that the misdemeanant is qualified for occupancy in the unit and the misdemeanant meets the requirements of subdivision (1), then the judge may order the misdemeanant to be placed in the unit. If at any time either prior to or after placement of an inmate into the unit the Sheriff determines that there is an indication of violence, unsuitable behavior, or other threat to the public that could make the prisoner unsuitable for the unit, the Sheriff may hold the prisoner in the county jail while
petitioning the court for a final decision regarding placement of the prisoner.

(4) The Sheriff may accept work release misdemeanants from other counties provided that those inmates agree to pay for their upkeep, that space is available, and that the Sheriff is willing to accept responsibility for the prisoner after screening.

(5) The Sheriff may accept work release misdemeanants from the Department of Correction provided that those inmates agree to pay for their upkeep, that space is available, and that the Sheriff is willing to accept responsibility for the prisoner after screening. If accepted, these inmates shall become the sole responsibility of the Sheriff and subject to the rules, regulations, and policies of the satellite jail/work release unit.

(b) Operation of satellite jail/work release unit. A county or group of counties operating a satellite jail/work release unit shall comply with the following requirements concerning operation of the unit:

(1) The county shall make every effort to ensure that at least eighty percent (80%) of the unit occupants shall be employed and on work release, and that the remainder shall earn their keep by working at the unit on maintenance and other jobs related to the upkeep and operation of the unit or by assignment to community service work, and that alcohol and drug rehabilitation be available through community resources.

(2) The county shall require the occupants to give their earnings, less standard payroll deductions required by law and premiums for group health insurance coverage, to the Sheriff. The county may charge a per day charge from those occupants who are employed or otherwise able to pay from other resources available to the occupants. The per day charge shall be calculated based on the following formula: The charge shall be either the amount that the Department of Correction deducts from a prisoner’s work-release earnings to pay for the cost of the prisoner’s keep or fifty percent (50%) of the occupant’s net weekly income, whichever is greater, but in no event may the per day charge exceed an amount that is twice the amount that the Department of Correction pays each local confinement facility for the cost of providing food, clothing, personal items, supervision, and necessary ordinary medical
expenses. The per day charge may be adjusted on an individual basis where restitution and/or child support has been ordered, or where the occupant’s salary or resources are insufficient to pay the charge.

The county also shall accumulate a reasonable sum from the earnings of the occupant to be returned to him when he is released from the unit. The county also shall follow the guidelines established for the Department of Correction in G.S. 148-33.1(f) for determining the amount and order of disbursements from the occupant’s earnings.

(3) Any and all proceeds from daily fees shall belong to the county’s General Fund to aid in offsetting the operation and maintenance of the satellite unit.

(4) The unit shall be operated on a full-time basis, i.e., seven days/nights a week, but weekend leave may be granted by the Sheriff. In granting weekend leave, the Sheriff shall follow the policies and procedures of the Department of Correction for granting weekend leave for Level 3 minimum custody inmates.

(5) Good time and gain time shall be applied to these county prisoners in the same manner as prescribed in G.S. 15A-1340.7 and G.S. 148-13 for State prisoners.

(6) The Sheriff shall maintain complete and accurate records on each inmate. These records shall contain the same information as required for State prisoners that are housed in county local confinement facilities.

"§ 153A-230.4. Standards.--The county satellite jail/work release units for misdemeanants shall not be subject to the standards promulgated for local confinement facilities pursuant to G.S. 153A-221.1. The Secretary of Human Resources shall develop and enforce standards for satellite jail/work release units. The Secretary shall take into consideration that they are to house only screened misdemeanants most of whom are on work release and therefore occupy the premises only in their off-work hours. After consultation with the North Carolina Sheriff’s Association, the North Carolina Association of County Commissioners, and the Joint Legislative Commission on Governmental Operations, the Secretary of Human Resources shall promulgate standards suitable for these units by January 1, 1988, and shall include these units in the Department’s monitoring and inspection responsibilities.

"§ 153A-230.5. Satellite jails/work release units built with non-State funds.--(a) If a county is operating a satellite jail/work release unit prior to the enactment of this act, the county may apply to the Office of State Budget and Management for grant funds to recover any
verifiable construction or renovation costs for those units and for improvement funds except that the total for reimbursement and improvement shall not exceed one million five hundred thousand dollars ($1,500,000). Any county accepting such a grant or any other State monies for county satellite jails must agree to all of the basic requirements listed in G.S. 153A-230.2 and G.S. 153A-230.3.

(b) If a county operates a non-State funded satellite jail/work release unit that does not comply with the basic requirements listed in G.S. 153A-230.2 and G.S. 153A-230.3, then the satellite jail shall be subject to the standards, rules, and regulations promulgated by the Secretary of Human Resources pursuant to Part 2 of Article 10 of Chapter 153A. Further, the male inmates who are serving a sentence of 30 days or more in these units shall be regarded as State prisoners and subject to the rules and regulations of the Department of Correction, which shall develop policies and procedures for their operation.

Sec. 2. G.S. 153A-217(5) is amended by inserting immediately before the period the phrase "except that it shall not include a county satellite jail/work release unit governed by Part 3 of Article 10 of Chapter 153A".

Sec. 3. G.S. 15A-1352(a) is amended by adding a new paragraph at the end to read:

"If a person is sentenced to imprisonment for a misdemeanor under this Article or for nonpayment of a fine under Article 84 of this Chapter, the sentencing judge shall make a finding of fact as to whether the person would be suitable for placement in a county satellite jail/work release unit operated pursuant to G.S. 153A-230.3. If the sentencing judge makes a finding of fact that the person would be suitable for placement in a county satellite jail/work release unit and the person meets the requirements listed in G.S. 153A-230.3 (a)(1), then the judge may order the misdemeanant to be placed in a county satellite jail/work release unit."

Sec. 4. This act shall become effective July 1, 1987, except that it shall not be construed to obligate the General Assembly to make any appropriation to implement its provisions, nor shall it be construed to obligate the State to make any grant for which no funds have been appropriated by the General Assembly.

AN ACT TO AUTHORIZE CURRITUCK COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Currituck County Board of Commissioners may by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3), or from the rental of a campsite within the county. This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations when furnished in furtherance of their nonprofit purpose.
(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The Currituck County Tax Collector shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county tax collector in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A return filed with the county tax collector under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.
Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The Board of Commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Use of tax revenue. Currituck County shall use at least seventy-five percent (75%) of the net proceeds of the tax levied under this section only for tourist related purposes, including construction and maintenance of public facilities and buildings, garbage, refuse, and solid waste collection and disposal, police protection, and emergency services. The remainder of the net proceeds shall be deposited in the Currituck County General Fund and may be used for any lawful purpose. As used in this subsection, "net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Currituck County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 18th day of May, 1987.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-53 is rewritten to read:

"§ 105-53. Peddlers, itinerant merchants, and flea market operators—(a) Peddler. Every person engaged in business or employed as a peddler shall obtain a license from the Secretary of Revenue for the privilege of peddling goods and shall pay a tax for the license in the amount specified in this section. A 'peddler' is a person who travels from place to place with an inventory of goods, who sells the goods at retail or offers the goods for sale at retail, and who delivers the identical goods he carries with him. A peddler of only farm products shall pay a tax of twenty-five dollars ($25.00) regardless of the number of counties in which he peddles goods. A peddler who travels from place to place on foot, selling goods other than or in addition to farm products, shall pay a tax of ten dollars ($10.00) for each county in which he peddles goods. A peddler who travels from place to place by vehicle, selling goods other than or in addition to farm products, shall pay a tax of twenty-five dollars ($25.00) for each county in which he peddles goods.

(b) Itinerant Merchant. Every person engaged in business as an itinerant merchant shall obtain a license from the Secretary of Revenue for the privilege of engaging in business and shall pay a tax for the license of one hundred dollars ($100.00) for each county in which he is engaged in business. An 'itinerant merchant' is a merchant, other than a merchant with an established retail store in the county, who transports an inventory of goods to a building, vacant lot, or other location in a county and who, at that location, displays the goods for sale and sells the goods at retail or offers the goods for sale at retail. An itinerant merchant is not required to purchase a license under this subsection to sell goods or offer goods for sale at a flea market for which the operator has obtained a license under subsection (c). A merchant who sells goods, other than farm products, in a county for less than six consecutive months is considered an itinerant
merchant unless he stopped selling goods in that county because of his death or disablement, the insolvency of his business, or destruction of his inventory by fire or other catastrophe.

(c) Flea Market Operator. Every person engaged in business as a flea market operator shall obtain a license from the Secretary of Revenue for the privilege of engaging in business and shall pay a tax for the license of one hundred dollars ($100.00) for each county in which he is engaged in business. A ‘flea market operator’ is a person who rents space, at a location other than a permanent retail store, to others for the purpose of selling goods at retail or offering goods for sale at retail.

(d) Exemptions. This section does not apply to the following:

1. Sales of farm and nursery products raised on premises owned or occupied by the seller of the products;
2. Sales of printed material, wood for fuel, ice, seafood, meat, poultry, livestock, eggs, dairy products, bread, cakes, or pies;
3. Sales of goods made by the seller of the goods; and
4. Sales by a person who maintains a fixed, permanent location from which he makes at least ninety percent (90%) of his sales, but who sells some goods in the county of his fixed location by peddling the goods.

(e) The board of county commissioners of any county in this State, upon proper application, may exempt from the annual license tax levied in this section disabled veterans of World War I, World War II, Korean Conflict, and Vietnam Era, who have been bona fide residents of this State for 12 or more months continuously, and widows with dependent children; and when so exempted, the board of county commissioners shall furnish such person or persons with a certificate of exemption, and such certificate shall entitle the holder thereof to peddle within the limits of the county without payment of any license tax to the State.

(f) Person Defined. As used in this section, ‘person’ has the same meaning as in G.S. 105-164.3(11).

(g) Local License. Counties and cities may levy a license tax on a business taxed under this section in an amount that does not exceed the State tax.”

Sec. 2. Chapters 632 and 923 of the 1955 Session Laws are repealed.

Sec. 3. This act shall become effective July 1, 1987.

In the General Assembly read three times and ratified this the 19th day of May, 1987.

CHAPTER 215

AN ACT TO MAKE CERTAIN CHANGES IN THE NORTH CAROLINA CHILDHOOD VACCINE-RELATED INJURY COMPENSATION PROGRAM.

The General Assembly of North Carolina enacts:

Section 1. G.S. 130A-423 is amended in the catchline by inserting the phrase "; relationship to federal law" immediately before the period, and by adding the following new subsections to read:

"(c) Nothing in this Article prohibits any individual from bringing a civil action against a vaccine manufacturer for damages for a vaccine-related injury or death if the action is not barred by federal law under subtitle 2 of Title XXI of the Public Health Service Act.

(d) If any action is brought against a vaccine manufacturer as permitted by subtitle 2 of Title XXI of the Public Health Service Act and subsection (c) of this section, the plaintiff in the action may recover damages only to the extent permitted by subdivisions (1) through (3) of subsection (a) of G.S. 130A-427. The aggregate amount awarded in any such action may not exceed the limitation established by subsection (b) of G.S. 130A-427. Regardless of whether such an action is brought against a vaccine manufacturer, a claimant who has filed an election pursuant to Section 2121 of the Public Health Service Act, as enacted into federal law by Public Law 99-660, permitting such a claimant to file a civil action for damages for a vaccine-related injury or death, or who is otherwise permitted by federal law to file an action against a vaccine manufacturer, may file a petition pursuant to G.S. 130A-425 to obtain services from the Department of Human Resources pursuant to subdivision (5) of
subsection (a) of G.S. 130A-427 and, if no action has been brought against a vaccine manufacturer, to obtain other relief available pursuant to G.S. 130A-427.

(e) In order to prevent recovery of duplicate damages, or the imposition of duplicate liability, in the event that an individual seeks an award pursuant to G.S. 130A-427 and also files suit against the manufacturer as permitted by subtitle 2 of Title XXI of the Public Health Service Act and subsection (c) of this section, the following provisions shall apply:

(1) If, at the time an award is made pursuant to G.S. 130A-427, an individual has already recovered damages from a manufacturer pursuant to a judgment or settlement, the award shall consist only of a commitment to provide services pursuant to subdivision (5) of subsection (a) of G.S. 130A-427.

(2) If, at any time after an award is made to a claimant pursuant to G.S. 130A-427, an individual recovers damages for the same vaccine-related injury from a manufacturer pursuant to a judgment or settlement, the individual who recovers the damages shall reimburse the State for all amounts previously recovered from the State in the prior proceeding. Before a defendant in any action for a vaccine-related injury pays any amount to a plaintiff to discharge a judgment or settlement, he shall request from the Secretary of Human Resources a statement itemizing any reimbursement owed by the plaintiff pursuant to this subdivision, and, if the reimbursement is owed by the plaintiff, the defendant shall pay the reimbursable amounts, as determined by the Secretary, directly to the Department of Human Resources. This payment shall discharge the plaintiff’s obligations to the State under this subdivision and any obligation the defendant may have to the plaintiff with respect to these amounts.

(3) If:

a. an award has been made to a claimant for an element of damages pursuant to G.S. 130A-427; and

b. an individual has recovered for the same element of damages pursuant to a judgment in, or settlement of, an action for the same vaccine-related injury brought against a manufacturer, and that amount has not been remitted to the State pursuant to subdivision (2) of this subsection; and
c. the State seeks to recover the amounts it paid in an action it brings against the manufacturer pursuant to G.S. 130A-430; any judgment obtained by the State under G.S. 130A-430 shall be reduced by the amount necessary to prevent the double recovery of any element of damages from the manufacturer. Nothing in this subdivision limits the State's right to obtain reimbursement from a claimant under subdivision (2) of this subsection with respect to any double payment that might be received by the claimant."

Sec. 2. G.S. 130A-423 is amended in the catchline by inserting "; subrogation" immediately before the period and by adding a new subsection at the end to read:

"(f) Subrogation claims pursued under the National Childhood Vaccine Injury Act of 1986 shall be filed with the appropriate court, not with the Industrial Commission."

Sec. 3. G.S. 130A-425(b) reads as rewritten:

"(b) In all claims filed pursuant to this Article, the claimant or the person in whose behalf the claim is made shall file with the Commission a verified petition in duplicate, setting forth the following information:

(1) The name and address of the claimant;
(2) The name and address of each respondent;
(3) The amount of compensation in money and services sought to be recovered;
(4) The time and place where the injury occurred;
(5) A brief statement of the facts and circumstances surrounding the injury and giving rise to the claim; and
(6) Supporting documentation and a statement of the claim that the claimant or the person in whose behalf the claim is made suffered a vaccine-related injury and has not previously collected an award or settlement of a civil action for damages for this injury. This supporting documentation shall include all available medical records pertaining to the alleged injury, including autopsy reports, if any, and if the injured person was under two years of age at the time of injury, all prenatal, obstetrical, and pediatric records of care preceding the injury, and an identification of any unavailable records known to the claimant or the person in whose behalf the claim is made.

Upon receipt of this verified petition in duplicate, the Commission shall enter the case upon its hearing docket and shall determine the matter in the county where the injury occurred unless the parties
agree or the Commission directs that the case may be heard in some other county. All parties shall be given reasonable notice of the date when and the place where the claim will be heard. Immediately upon receipt of the claim, the Commission shall serve a copy of the verified petition on each respondent by registered or certified mail. The Commission shall also send a copy of the verified petition to the Secretary of Human Resources, who shall be a party to all proceedings involving the claim, and to the Attorney General who shall represent the State's interest in all the proceedings involving the claim.

The Commission shall adopt rules necessary to govern the proceedings required by this Article. The Rules of Civil Procedure as contained in G.S. 1A-1 et seq. and the General Rules of Practice for the Superior and District Courts as authorized by G.S. 7A-34 apply to claims filed with the Industrial Commission under this Article. The Commission shall keep a record of all proceedings conducted under this Article, and has the right to subpoena any persons and records it considers necessary in making its determinations. The Commission may require all persons called as witnesses to testify under oath or affirmation, and any member of the Commission may administer oaths. If any persons refuse to comply with any subpoena issued pursuant to this Article or to testify with respect to any matter relevant to proceedings conducted under this Article, the Superior Court of Wake County, on application of the Commission, may issue an order requiring the person to comply with the subpoena and to testify. Any failure to obey any such order may be punished by the court as for contempt."

Sec. 4. G.S. 130A-430(b) reads as rewritten:

"(b) Manufacturer. If the Industrial Commission makes an award for a claimant who it determines has sustained a vaccine-related injury, the State may, within two years of the date the Commission renders its decision, bring an action against the manufacturer who made the vaccine on the ground that the vaccine was a defective product. Damages in an action brought under this section are limited to the amount of the award made by the Commission plus the estimated present value of all the services to be provided to the claimant by the Department of Human Resources under G.S. 130A-427, the reasonable costs of prosecuting the action, including, but not limited to, attorneys fees, fees charged by witnesses, and costs of exhibits. For purposes of this subsection, a defective product is a covered vaccine that was manufactured, transported, or stored in a negligent manner, or was distributed after its expiration date, or that otherwise violated the applicable requirements of any license.
approval, or permit, or any applicable standards or requirements issued under Section 351 of the Public Health Service Act, as amended, or the federal Food, Drug, and Cosmetic Act, as these standards or requirements were interpreted or applied by the federal agency charged with their enforcement. The negligence or other action in violation of applicable federal standards or requirements shall be demonstrated by the State, by a preponderance of the evidence, to be the proximate cause of the injury for which an award was rendered pursuant to G.S. 130A-427, in order to allow recovery by the State against the manufacturer pursuant to this subsection.

Sec. 5. G.S. 130A-431 reads as rewritten:

"§ 130A-431. Certain sales of vaccine diversions made misdemeanor or felony.--A health care provider who receives a vaccine from the State and who gives or sells the vaccine to another, other than in the course of administering the vaccine, is guilty of a general misdemeanor. The General Assembly of North Carolina enacts:

Section 1. G.S. 116-201(a) reads as rewritten:

"(a) The purpose of this Article is to authorize a system of financial assistance, consisting of grants, loans, work-study or other employment, and other aids, for qualified residents of the State to assist qualified students to enable them to obtain an education beyond the high school level by attending public or private educational institutions. students to be enrolled in such fiscal year.

The Authority, in determining the needs of students for grants, may among other factors, give consideration to the amount of other financial assistance that may be available to the students, such as nonrepayable awards under the Basic Educational Opportunity Grant Program, Pell Grant Program, the Health Professions Education Assistance Act or other student assistance programs created by federal law.

Section 1. Article 19 of Chapter 160A of the General Statutes is amended to add a new section to read:

"§ 160A-360.1. Joint Planning.--(a) A city and a county may agree that, within a mutually agreed upon geographical area (hereinafter, the 'joint planning area') all of the powers granted by this Article, including without limitation powers involving the exercise of legislative discretion, may be exercised by the city on behalf of the county, by the county on behalf of the city, or jointly by both the city and county. By way of illustration without limitation, a city and county may agree that, within a defined joint planning area, the city may adopt the text of a zoning or subdivision ordinance on behalf of the county and may administer and enforce such ordinance, but that all decisions establishing or amending the zoning classifications of properties shall be jointly determined by the two governing bodies.

(b) Any agreement authorized under subsection (a) shall be reduced to writing and shall be ratified by resolution of the governing body of each unit that is a party to the agreement. The agreement shall specify:

(1) The area or areas within which the power specified in the agreement are to be exercised.

(2) The powers that are to be exercised and the manner in which the powers are to be exercised by the parties (i.e., one unit on behalf of another or jointly).

(3) The duration of the agreement.
(4) The methods for amending the agreement (including the area within which the agreement will be effective) and terminating the agreement.

(c) If the city exercises any legislative or administrative powers or functions on behalf of a county under this section, then the agreement authorized under subsection (b) may provide for a means of representation of residents of the joint planning area in the same manner and to the same extent as representation of residents of an extraterritorial planning area is provided for under G.S. 160A-362.

(d) In exercising any power or function authorized under an agreement adopted pursuant to the section, a city or county governing board or administrative agency may exercise that power or function in accordance with such boards or agency’s regular procedures and voting requirements.

Sec. 2. Article 4A of Chapter 160A of the General Statutes is amended by adding a new Part 6 to read as follows:

"Part 6.

"§ 160A-58.20. Interlocal Agreements Limiting Annexation Authority.--(a) The following terms shall have the meaning indicated when used in this section.

(1) ‘Agreement.’ An agreement authorized under subsection (b) of this section.

(2) ‘Involuntary annexation.’ Annexation authorized or undertaken pursuant to Parts 2 or 3 of this Article.

(3) ‘Voluntary annexation.’ Annexation authorized or undertaken pursuant to G.S. 160A-31, or Part 4 of this Article.

(b) Two or more municipalities or one or more municipalities and one or more counties may enter into binding written agreements with each other to set forth areas or boundaries within which or beyond which one or more of the participating municipalities will refrain from engaging in annexation (voluntary, involuntary, or both). Such agreements shall be of reasonable duration, not to exceed 20 years.

(c) Before engaging in involuntary annexation, a municipality that is a party to an agreement shall send to the chief administrative official of every other party to such agreement a copy of the notice of intent to annex territory specified in G.S. 160A-38(a) or 160A-49(a) (as applicable). Before engaging in voluntary annexation, a municipality that is a party to an agreement shall send to each other party to the agreement a copy of the statutorily required notice of public hearing on such proposed voluntary annexation. A failure to send the notice required herein shall render any annexation undertaken in disregard
of this requirement null and void with respect to any property covered under an agreement.

(d) If, on or before the date of a public hearing on voluntary annexation, an annexing municipality that is a party to an agreement receives from another party to such agreement a written statement protesting the proposed annexation on the basis of an alleged violation of such agreement, then an annexation ordinance adopted by the annexing municipality may not make the annexation effective sooner than 30 days following the date of the adoption of such ordinance.

(e) Monetary damages shall not constitute a remedy for breach of any agreement. However, an alleged breach of such agreement may be redressed as provided in this subsection.

(1) Any party to an agreement entered into under this section who believes that another party has adopted an involuntary annexation ordinance in violation of the agreement may appeal the annexation in the manner set forth in G.S. 160A-38 or G.S. 160A-50 (as appropriate), except that the petitioning party to such an agreement need not demonstrate material injury or prejudice beyond the violation of the agreement. If the court concludes that the agreement has been violated, it shall, in addition to any other appropriate remedy, remand the ordinance to the municipal governing board for amendment of the annexation boundaries to exclude the area included in violation of the agreement.

(2) Any party to an agreement who believes that another party has adopted a voluntary annexation ordinance in violation of the agreement may, not later than 30 days after the adoption of any such ordinance, file a petition in the superior court of the county in which the municipality is located seeking review of the action of the governing board adopting such ordinance.

a. Such petition shall explicitly state what exceptions are taken to the action of the governing body and what relief the petitioner seeks. Within 5 days after the petition is filed with the court, the party seeking review shall serve copies of the petition by certified mail, return receipt requested, upon the annexing municipality.

b. Within 15 days after receipt of the copy of the petition for review, or within such additional time as the court may allow, the municipality shall transmit to the reviewing court a copy of the annexation petition as well
as a copy of the annexation ordinance and any other minutes or documents that constitute the record of the annexation procedure.

c. The court shall fix the date for review of annexation proceedings under this Part, which review shall preferably be within 30 days following the date of the petition to the end that review shall be expeditious and without unnecessary delays. The review shall be conducted by the court without a jury. The court may hear oral arguments and receive written briefs, and may take evidence intended to determine whether there has been a violation of an agreement authorized under this section.

d. If the court determines that there has been a violation of an annexation agreement, it shall declare the annexation null and void and may order any additional relief that appears appropriate.

e. If an area that has been voluntarily annexed is the subject of an appeal to the superior court or appellate division on the effective date of the ordinance, then the ordinance shall be deemed amended to make the effective date with respect to such area the date of the final judgment of the superior court or appellate division, whichever is appropriate.”

Sec. 3. This act shall apply only to Orange County and to municipalities located within that county.

Sec. 4. This act is effective upon ratification.

CHAPTER 289

AN ACT TO ESTABLISH AN AGING POLICY PLAN FOR
NORTH CAROLINA.

Whereas, the number of people in North Carolina who are 65
and older is rapidly increasing; and
Whereas, today, one citizen in eight is 65 or older; and
Whereas, by 2030, one citizen in five will be 65 or older; and
Whereas, increasing costs of medical care, the lack of adequate in-home and institutional care, insufficient pension income, forced early retirement, and lack of public awareness and understanding of the problems of aging have all compounded the problems of the older adult; and

Whereas, there is a great, and increasing, need for a statewide policy plan to determine how best to assess the present and future needs of older adults and how best to deliver present and future social, health, and community services to older adults; and

Whereas, although the General Assembly created the mechanism for this needed long range planning by establishing the Division of Aging in the Department of Human Resources and the Policy Act for Aging in Part 14 of Article 3 of Chapter 143B of the General Statutes, there is as yet no adequate long range, statewide, aging policy plan; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. The Secretary of Human Resources, with the advise of the Assistant Secretary for Aging and all other key officials of the Divisions within the Department of Human Resources that are involved with any of the areas of human services that affect older adults, shall prepare and present to the committees and commissions established by the General Assembly to study issues that affect older adults and to the Joint Legislative Commission on Governmental Operations by December 31, 1987, a statewide aging policy plan documenting the present needs of older adults, predicting their future needs, and recommending how best the State of North Carolina can meet these needs.

Sec. 2. Nothing in this act requires any additional appropriations.

Salisbury Street in Raleigh on which the permanent office of the North Carolina State Employees' Credit Union is located, the State shall permit the North Carolina State Employees' Credit Union to acquire by purchase, lease, or rental an equivalent site within the State Government Complex for the relocation of the North Carolina State Employees' Credit Union.

The Department of Administration and the Capital Planning Commission shall provide for such a site in the Master Plan for the State Government Complex. The site shall be selected so as not to prevent the utilization of or construction on other State property by the State but to provide the North Carolina State Employees' Credit Union, at no cost to the State, a place convenient to State employees to serve its customers.

If the North Carolina State Employees' Credit Union acquires a new site within the State Government Complex for a facility, it shall be on condition that (i) the facility be maintained in a manner that will be compatible with surrounding structures (ii) any major exterior expansion or renovation of the facility will be in keeping with the goals of the Master Plan for the State Government Complex; and (iii) the acquisition be at no cost to the State.

(e) Once a distressed rental housing project attains sustaining occupancy at a level satisfactory to the Agency, the Agency will thereafter require the owners of such distressed rental housing project to rent only to persons and families of low and moderate income and will require that any units that were leased without regard to income limitations pursuant to the provisions of this section will next be leased, when such units become vacant, only to persons and families whose incomes fall within the then current Agency income limitations."

CHAPTER 317

AN ACT TO AUTHORIZE DUPLIN COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Duplin County Board of Commissioners may by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.
(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of thirty 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Use of tax revenue. Duplin County may use the proceeds of a tax levied under this section only to promote travel and tourism in Duplin County.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Duplin County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was
attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

CHAPTER 321

AN ACT TO PROVIDE THAT A PRINCIPAL ON A BAIL BOND HAS SIXTY DAYS TO APPEAR BEFORE THE COURT TO SATISFY THE COURT AS TO HIS REASONS FOR NONCOMPLIANCE WITH THE BOND CONDITIONS.

The General Assembly of North Carolina enacts:

Section 1. G.S 15A-544(b), (c), and (d) read as rewritten:

"(b) If the principal does not comply with the conditions of the bail bond, the court having jurisdiction must enter an order declaring the bail to be forfeited. If forfeiture is ordered by the court, a copy of the order of forfeiture and notice that judgment will be entered upon the order after 30 60 days must be served on each obligor. Service is to be made by the sheriff by delivery of the order and notice to him or by delivery at his dwelling house or place of abode with some person of suitable age and discretion residing therein. If the sheriff is unable
to effect service because an obligor cannot be found or has no dwelling house or place of abode known to the sheriff, he must file a return to this effect; the clerk must then mail a copy of the order of forfeiture and notice to the obligor at his address of record and note on the original the date of mailing. Service is complete three days after the mailing.

(c) If the principal does not appear before the court having jurisdiction within 30 days of the date of service, or on the first day of the next session of court commencing more than 30 days after the date of service, and satisfy the court that his appearance on the date set was impossible or that his failure to appear was without his fault, the court must enter judgment for the State against the principal and his sureties for the amount of the bail and the costs of the proceedings. If the principal appears within the time allowed following the date of service and satisfies the court that his appearance on the date set was impossible or that his failure to appear was without his fault, the order of forfeiture must be set aside. If the principal appears but is unable to satisfy the court that his appearance on the date set was impossible or that his failure to appear was without his fault, but the court determines that justice does not require the forfeiture of the full amount of the bond, the court may enter judgment in an amount it considers appropriate.

(d) To facilitate the procedure under this section, the clerk in each county must present a forfeiture roll at the first session of superior court commencing more than 30 days after the entry of any order of forfeiture in either the district or superior court. The forfeiture roll must list the names of all principals as to which forfeiture has been ordered in the county in the past three years and as to which judgments of forfeiture against obligors have not been entered or, if entered, not yet satisfied by execution. In addition, the forfeiture roll must show the amount of the bond ordered forfeited in each case and the names of all sureties liable on each bond.

The General Assembly of North Carolina enacts:

Section 1. General Statute Chapter 58 is amended by adding a new Article to read:
"ARTICLE 42.
"Long-Term Care Insurance.

"§ 58-540. Short title.--This Article may be cited as the 'Long-Term Care Insurance Act'.

"§ 58-541. Purposes.--The purposes of this Article are to promote the public interest, to promote the availability of long-term care insurance policies, to protect applicants for long-term care insurance from unfair or deceptive sales or enrollment practices, to establish standards for long-term care insurance, to facilitate public understanding and comparison of long-term care insurance policies, and to facilitate flexibility and innovation in the development of long-term care insurance coverage.

"§ 58-542. Scope.--This Article applies to new and renewed long-term care insurance policies delivered or issued for delivery in this State on or after September 1, 1987. This Article is not intended to supersede the obligations of any person subject to its provisions to comply with other applicable laws and rules if such laws and rules do not conflict with this Article. The laws and rules established to govern the medicare supplement insurance policies shall not apply to long-term care insurance. A policy that is not advertised, marketed, or offered as long-term care insurance or nursing home insurance is not subject to this Article.

"§ 58-543. Definitions.--As used in this Article:

(1) 'Applicant' means:
   a. In the case of an individual long-term care insurance policy, the person who seeks to contract for benefits; and
   b. In the case of a group long-term care insurance policy, the proposed certificate holder.

(2) 'Certificate' means any certificate issued under a group long-term care insurance policy, which policy has been delivered or issued for delivery in this State.

(3) 'Group long-term care insurance' means a long-term care insurance policy that is delivered or issued for delivery in this State and issued to:

   b. Any professional, trade, or occupational association for its members or former or retired members, or all, if such association:
(i) Comprises individuals all of whom are or were actively engaged in the same profession, trade, or occupation; and

(ii) Has been maintained in good faith for purposes other than obtaining insurance; or

c. An association or to a trust or to the trustee or trustees of a fund established, created, or maintained for the benefit of members of one or more associations. Prior to advertising, marketing, or offering such policy within this State, the association or associations, or the insurer of the association or associations, shall file evidence with the Commissioner that the association or associations have at the outset a minimum of 100 persons and have been organized and maintained in good faith for purposes other than that of obtaining insurance; have been in active existence for at least one year; and have a constitution and bylaws which provide that (i) the association or associations hold regular meetings not less than annually to further purposes of the members, (ii) except for credit unions, the association or associations collect dues or solicit contributions from members, and (iii) the members have voting privileges and representation on the governing board and committees. Thirty days after such filing the association or associations will be deemed to have satisfied such organizational requirements, unless the Commissioner makes a finding that the association or associations do not satisfy those organizational requirements.

d. A group other than as described in subdivisions (3)a., (3)b., and (3)c. of this section, subject to a finding by the Commissioner that:

(i) The issuance of the group policy is not contrary to the best interest of the public;

(ii) The issuance of the group policy would result in economies of acquisition or administration; and

(iii) The benefits are reasonable in relation to the premiums charged.

(4) ‘Long-term care insurance’ means any policy or certificate advertised, marketed, offered, or designed to provide coverage for not less than 12 consecutive months for each covered person on an expense incurred, indemnity, prepaid, or other basis, for one or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance, or personal care services, provided in a setting other than an acute care unit of a hospital. ‘Long-term care insurance’ includes group and individual policies whether issued by
insurers, fraternal benefit societies, nonprofit health, hospital, and medical service corporations, prepaid health plans, health maintenance organizations, or any similar organization. 'Long-term care insurance' does not include any policy that is offered primarily to provide basic Medicare supplement coverage, basic hospital expense coverage, basic medical-surgical expense coverage, hospital confinement indemnity coverage, major medical expense coverage, disability income protection coverage, accident only coverage, specified disease or specified accident coverage, or limited benefit health coverage.

(5) 'Policy' means any policy, contract, certificate, subscriber agreement, rider, or endorsement delivered or issued for delivery in this State by an insurer, fraternal benefit society, nonprofit health, hospital or medical service corporation, prepaid health plan, health maintenance organization, or any similar organization.

§ 58-544. Limits of group long-term care insurance.---No group long-term care insurance coverage may be offered to a resident of this State under a group policy issued in another state to a group described in G.S. 58-543(3)(d), unless the Commissioner or the insurance regulator of the other state having statutory and regulatory long-term care insurance requirements substantially similar to those adopted in this State has made a determination that such requirements have been met.

§ 58-545. Disclosure and performance standards for long-term care insurance.---(a) The Commissioner may adopt rules that include standards for full and fair disclosure setting forth the manner, content, and required disclosures for the sale of long-term care insurance policies, terms of renewability, initial and subsequent conditions of eligibility, nonduplication of coverage provisions, coverage of dependents, pre-existing conditions, termination of insurance, probationary periods, limitations, exceptions, reductions, elimination periods, requirements for replacement, recurrent conditions, and definitions of terms.

(b) No long-term care insurance policy may:

(1) Be cancelled, nonrenewed, or otherwise terminated on the grounds of the age or the deterioration of the mental or physical health of the insured individual or certificate holder; or

(2) Contain a provision establishing a new waiting period in the event existing coverage is converted to or replaced by a new or other form within the same company, except with respect to an increase in benefits voluntarily selected by the insured individual or group policyholder.
(c) Pre-existing condition:

(1) No long-term care insurance policy or certificate shall use a definition of 'pre-existing condition' that is more restrictive than the following: pre-existing condition means the existence of symptoms that would cause an ordinarily prudent person to seek diagnosis, care or treatment, or a condition for which medical advice or treatment was recommended by, or received from a provider of health care services, within the following limitation periods:

   a. Six months preceding the effective date of coverage of an insured person who is 65 years of age or older on the effective date of coverage; or
   b. Twenty-four months preceding the effective date of coverage of an insured person who is under age 65 on the effective date of coverage.

(2) No long-term care insurance policy may exclude coverage for a loss or confinement that is the result of a pre-existing condition unless such loss or confinement begins with the following periods:

   a. Six months following the effective date of coverage of an insured person who is 65 years of age or older on the effective date of coverage; or
   b. Twenty-four months following the effective date of coverage of an insured person who is under 65 on the effective date of coverage.

(3) The Commissioner may extend the limitation periods set forth in subdivisions (c)(1) and (2) of this section as to specific age group categories in specific policy forms upon findings that the extension is in the best interest of the public.

(4) The definition of 'pre-existing condition' does not prohibit an insurer from using an application form designed to elicit the complete health history of an applicant, and, on the basis of the answers on that application, from underwriting in accordance with that insurer's established underwriting standards.

(d) No long-term care insurance policy that provides benefits only following institutionalization shall condition such benefits upon admission to a facility for the same or related conditions within a period of less than 30 days after discharge from the institution.

(e) The Commissioner may adopt rules establishing loss ratio standards for long-term care insurance policies, provided that a specific reference to long-term care insurance policies is contained in
the rules.

(f) An individual long-term care insurance policyholder has the right to return the policy within 10 days of its delivery and to have the premium refunded if, after examination of the policy, the policyholder is not satisfied for any reason. Individual long-term care insurance policies shall have a notice prominently printed on the first page of the policy or attached thereto stating in substance that unless the policyholder has received benefits under the policy, the policyholder has the right to return the policy within 10 days of its delivery and to have the premium refunded if, after examination of the policy, the policyholder is not satisfied for any reason.

(g) A person insured under a long-term care insurance policy issued pursuant to a direct response has the right to return the policy within 30 days of its delivery and to have the premium refunded if, after examination, the insured person is not satisfied for any reason. Long-term care insurance policies issued pursuant to a direct response solicitation shall have a notice prominently printed on the first page or attached thereto stating in substance that unless the insured person has received benefits under the policy, the insured person shall have the right to return the policy within 30 days of its delivery and to have the premium refunded if after examination the insured person is not satisfied for any reason.

(h) An outline of coverage shall be delivered to an applicant for an individual long-term care insurance policy at the time of application for an individual policy. In the case of direct response solicitations, the insurer shall deliver the outline of coverage upon the applicant's request; but regardless of request shall make such delivery no later than at the time of policy delivery. Such outline of coverage shall include:

1. A description of the principal benefits and coverage provided in the policy;
2. A statement of the principal exclusions, reductions, and limitations contained in the policy;
3. A statement of the renewal provisions, including any reservation in the policy of a right to change premiums; and
4. A statement that the outline of coverage is a summary of the policy issued or applied for, and that the policy should be consulted to determine governing contractual provisions.
(i) A certificate issued pursuant to a group long-term care insurance policy, which policy is delivered or issued for delivery in this State, shall include:

1. A description of the principal benefits and coverage provided in the policy;
2. A statement of the principal exclusions, reductions, and limitations contained in the policy; and
3. A statement that the group master policy determines governing contractual provisions.

(j) No policy or certificate may be advertised, marketed, or offered as long-term care or nursing home insurance unless it complies with the provisions of this Article.

§ 58-546. "§ 116-198.35. Issuance of bonds and bond anticipation notes.--The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bonds of the Board for the purpose of paying all or any part of the cost of acquiring, constructing, or providing any project or projects on the Centennial Campus. The bonds of each issue shall be dated, shall mature at such time or times not exceeding 40 years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the
bonds. The Board shall determine the form and manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any bonds issued under the provisions of this Article, all such bonds shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such bonds or any trust agreement securing the same. The bonds may be issued in coupon or registered form or both or as book-entry bonds, as the Board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. Unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the Board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.
Prior to the preparation of definitive bonds, the Board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, bonds may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

The Board may enter into or negotiate a note with an acceptable bank or trust company in lieu of issuing bonds for the financing of projects covered under this section. The terms and conditions of any note of this nature shall be in accordance with the terms and conditions surrounding issuance of bonds.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bond anticipation notes of the Board in anticipation of the issuance of bonds authorized pursuant to the provisions of this Article. The principal of and the interest on such notes shall be payable solely from the proceeds of bonds or renewal notes, or, in the event bond or renewal note proceeds are not available, any available revenues of the project or projects for which such bonds shall have been authorized.

The notes of each issue shall be dated, shall mature at such time or times not exceeding two years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the notes. The Board shall determine the form and the manner of execution of the notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the notes and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any notes or coupons shall cease to be such officer before the delivery of such notes, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any notes issued under the provisions of this Article, all such notes shall be deemed to be negotiable
instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such notes or any trust agreement securing the bonds in anticipation of which such notes are being issued. The notes may be issued in coupon or registered form or both or as book entry notes, as the Board may determine, and provision may be made for the registration of any coupon notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon notes of any notes registered as to both principal and interest. The Board may sell such notes in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the notes of each issue shall be used solely for the purpose for which the bonds in anticipation of which such notes are being issued shall have been authorized, and such note proceeds shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such notes or bonds or in the trust agreement securing such bonds.

The resolution providing for the issuance of notes, and any trust agreement securing the bonds in anticipation of which such notes are being authorized, may also contain such limitations upon the issuance of additional notes as the Board may deem proper, and such additional notes shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement. The Board may also provide for the replacement of any notes which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, notes may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

Unless the context shall otherwise indicate, the word ‘bonds’ wherever used in this Article, shall be deemed and construed to include the words ‘bond anticipation notes’.

"§ 116-198.36. Proceeds of bonds are deemed trust funds.--In the discretion of the Board and subject to the approval of the Director of the Budget, any revenue bonds issued under this Article may be secured by a trust agreement by and between the Board and a corporate trustee (or trustees) which may be any trust company or bank having the powers of a trust company within or without the
State. Such trust agreement or the resolution providing for the issuance of such bonds may pledge or assign the revenues to be received but shall not convey or mortgage any project or projects or any existing facilities or any part thereof. Such trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the holders of such bonds as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Board in relation to the acquisition, construction, or provision of any project or projects, the maintenance, repair, operation, and insurance of any project or projects and any existing facilities, student fees and admission fees and charges, and other fees, rents, and charges to be fixed and collected, and the custody, safeguarding, and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depositary of the proceeds of bonds or revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Board. Any such trust agreement or resolution may set forth the rights and remedies of the holders of the bonds and the rights, remedies, and immunities of the trustee or trustees, if any, and may restrict the individual right of action by such holders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Board may deem reasonable and proper for the security of such holders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of the project or projects for which such bonds are issued or as an expense of operation of such project or projects, as the case may be.

The proceeds of all bonds issued and all revenues and other moneys received pursuant to the authority of this Article shall be deemed to be trust funds, to be held and applied solely as provided in this Article. The Board may provide for the payment of the proceeds of the sale of the bonds and the revenues, or part thereof, to such officer, board, or depositary as it may designate for the custody thereof, and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. Any officer with whom, or any bank, trust company, or fiscal agent with which, such moneys shall be deposited shall act as trustee of such moneys and shall hold and apply the same for the purposes hereof, subject to such requirements as are provided in this Article and in the resolution or trust agreement authorizing or securing such bonds.

Notwithstanding the provisions of any other law, the Board may carry insurance on any project or projects and any existing facilities in such amounts and covering such risks as it may deem advisable.
Any holder of bonds issued under this Article or of any of the coupons appertaining thereto, and the trustee or trustees under any trust agreement, except to the extent the rights herein given may be restricted by such trust agreement or the resolution authorizing the issuance of such bonds, may, either at law or in equity, by suit, action, mandamus, or other proceedings, protect and enforce any and all rights under the laws of the State or granted hereunder or under such trust agreement or resolution, and may enforce and compel the performance of all duties required by this Article or by such trust agreement or resolution to be performed by the Board or by any officer thereof, including the fixing, charging, and collecting of fees, rents, and charges.

"§ 116-198.37. Fixing fees, rents, and charges; sinking fund.--For the purpose of aiding in the acquisition, construction, or provision of any project and the maintenance, repair, and operation of any project or any existing facilities, the Board is authorized to fix, revise from time to time, charge, and collect such fee or fees for such privileges and services and in such amount or amounts as the Board shall determine, and to fix, revise from time to time, charge, and collect other fees, rents, and charges for the use of and for the services furnished or to be furnished by any project or projects and any existing facilities, or any portion thereof, and to contract with any person, partnership, association, or corporation for the lease, use, occupancy, or operation of any project or projects and any existing facilities, or any part thereof, and to fix the terms, conditions, fees, rents, and charges for any such lease, use, occupancy, or operation. So long as bonds issued hereunder and payable therefrom are outstanding, such fees, rents, and charges shall be so fixed and adjusted, with relation to other revenues available therefor, as to provide funds pursuant to the requirements of the resolution or trust agreement authorizing or securing such bonds at least sufficient with such other revenues, if any, (i) to pay the cost of maintaining, repairing, and operating any project or projects and any existing facilities any part of the revenues of which are pledged to the payment of the bonds issued for such project or projects, (ii) to pay the principal of and the interest on such bonds as the same shall become due and payable, and (iii) to create and maintain reserves for such purposes. Any surplus funds remaining after application to the purposes mentioned in (i), (ii), and (iii), above, shall be held in trust and applied by the Board to the development of the Centennial Campus. Such fees, rents, and charges shall not be subject to
supervision or regulation by any other commission, board, bureau, or agency of the State. A sufficient amount of the revenues, except such part thereof as may be necessary to pay such cost of maintenance, repair, and operation and to provide such reserves therefor and for renewals, replacements, extensions, enlargements, and improvements as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement in a sinking fund which is hereby pledged to and charged with the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the fees, rents, and charges and other revenues or other moneys so pledged and thereafter received by the Board shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act; and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Board, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Board. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust agreement securing the same.

"§ 116-198.38. Refunding bonds.--The Board is hereby authorized, subject to the approval of the Director of the Budget, to issue from time to time revenue refunding bonds for the purpose of refunding any revenue bonds or revenue refunding bonds issued by the Board under this Article, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds. The Board is further authorized, subject to the approval of the Director of the Budget, to issue from time to time revenue refunding bonds for the combined purpose of (i) refunding any such revenue bonds or revenue refunding bonds issued by the Board under this Article, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and (ii) paying all or any part of the cost of acquiring or constructing any additional project or projects.

The issuance of such refunding bonds, the maturities and other details thereof, the rights and remedies of the holders thereof, and the rights, powers, privileges, duties, and obligations of the Board with

"§ 122C-221. Admissions.--(a) Except as otherwise provided in this Part, a minor may be admitted to a facility if the minor is mentally ill or a substance abuser and in need of treatment. Except as otherwise provided in this Part, the provisions of G.S. 122C-211 shall apply to admissions of minors under this Part. Except as provided in G.S. 90-21.5, in applying for admission to a facility, in consenting to medical treatment when consent is required, and in any other legal procedure under this Article, the legally responsible person shall act for the minor. If a minor reaches the age of 18 while in treatment under this Part, further treatment is authorized only on the written authorization of the client or under the provisions of Part 7 or Part 8 of Article 5 of this Chapter.

(b) The Commission shall adopt rules governing procedures for admission to 24-hour facilities not falling within the category of facilities where freedom of movement is restricted. These rules shall be designed to ensure that no minor is improperly admitted to or improperly remains in a 24-hour facility.
"§ 122C-222. Admissions to State facilities. -- Admission of a minor who is a resident of a county that is not in a single portal area shall be made to a State facility following screening and upon referral by an area authority, a physician, or an eligible psychologist. Further planning of treatment and discharge for the minor is the joint responsibility of the State facility and the person making the referral.

"§ 122C-223. Emergency admission to a 24-hour facility. -- (a) In an emergency situation, when the legally responsible person does not appear with the minor to apply for admission, a minor who is mentally ill or a substance abuser and in need of treatment may be admitted to a 24-hour facility upon his own written application. The application shall serve as the initiating document for the hearing required by G.S. 122C-224.

(b) Within 24 hours of admission, the facility shall notify the legally responsible person of the admission unless notification is impossible due to an inability to identify, to locate, or to contact him after all reasonable means to establish contact have been attempted.

(c) If the legally responsible person cannot be located within 72 hours of admission, the responsible professional shall initiate proceedings for juvenile protective services as described in Article 44 of Chapter 7A of the General Statutes in either the minor's county of residence or in the county in which the facility is located.

(d) Within 24 hours of an emergency admission to a State facility, the State facility shall notify the area authority and, as appropriate, the minor's physician or eligible psychologist. Further planning of treatment and discharge for the minor is the joint responsibility of the State facility and the appropriate person in the community.

"§ 122C-224. Judicial review of voluntary admission. -- (a) When a minor is admitted to a 24-hour facility where the minor will be subjected to the same restrictions on his freedom of movement present in the State facilities for the mentally ill, or to similar restrictions, a hearing shall be held by the district court in the county in which the 24-hour facility is located within 15 days of the day that the minor is admitted to the facility. A continuance of not more than five days may be granted.

(b) Before the admission, the facility shall provide the minor and his legally responsible person with written information describing the procedures for court review of the admission and informing them about the discharge procedures. They shall also be informed that, after a written request for discharge, the facility may hold the minor
for 72 hours during which time the facility may apply for a petition for involuntary commitment.

(c) Within 24 hours after admission, the facility shall notify the clerk of court in the county where the facility is located that the minor has been admitted and that a hearing for concurrence in the admission must be scheduled. At the time notice is given to schedule a hearing, the facility shall notify the clerk of the names and addresses of the legally responsible person and the responsible professional.

"§ 122C-224.1. Duties of clerk of court.--(a) Within 48 hours of receipt of notice that a minor has been admitted to a 24-hour facility wherein his freedom of movement will be restricted, the clerk of superior court, under direction of the district court judge, shall appoint an attorney for the minor. When a minor has been admitted to a State facility for the mentally ill, the attorney appointed shall be the attorney employed in accordance with G.S. 122C-270(a) through (c). All minors shall be conclusively presumed to be indigent, and it shall not be necessary for the court to receive from any minor an affidavit of indigency. The attorney shall be paid a reasonable fee fixed by the court in the same manner as fees for attorneys appointed in cases of indigency. The judge may require payment of the attorney's fee from a person other than the minor as provided in G.S. 7A-450.1 through G.S. 7A-450.4.

(b) Upon receipt of notice that a minor has been admitted to a 24-hour facility wherein his freedom of movement will be restricted, the clerk shall calendar a hearing to be held within 15 days of admission for the purpose of review of the minor's admission. Notice of the time and place of the hearing shall be given as provided in G.S. 1A-1, Rule 4(j) to the attorney in lieu of the minor, as soon as possible but not later than 72 hours before the scheduled hearing. Notice of the hearing shall be sent to the legally responsible person and the responsible professional as soon as possible but not later than 72 hours before the hearing by first-class mail postage prepaid to the individual's last known address.

(c) The clerk shall schedule all hearings and rehearings and send all notices as required by this Part.

"§ 122C-224.2. Duties of the attorney for the minor.--(a) The attorney shall meet with the minor within 10 days of his appointment but not later than 48 hours before the hearing. In addition, the attorney shall inform the minor of the scheduled hearing and shall give the minor a copy of the notice of the time and place of the hearing no later than 48 hours before the hearing.
(b) The attorney shall counsel the minor concerning the hearing procedure and the potential effects of the hearing proceeding on the minor. If the minor does not wish to appear, the attorney shall file a motion with the court before the scheduled hearing to waive the minor’s right to be present at the hearing procedure except during the minor’s own testimony. If the attorney determines that the minor does not wish to appear before the judge to provide his own testimony, the attorney shall file a separate motion with the court before the hearing to waive the minor’s right to testify.

(c) In all actions on behalf of the minor, the attorney shall represent the minor until formally relieved of the responsibility by the judge.

"§ 122C-224.3. Hearing for review of admission.--(a) Hearings shall be held at the 24-hour facility in which the minor is being treated, if it is located within the judge’s judicial district, unless the judge determines that the court calendar will be disrupted by such scheduling. In cases where the hearing cannot be held in the 24-hour facility, the judge may schedule the hearing in another location, including the judge’s chambers. The hearing may not be held in a regular courtroom, over objection of the minor’s attorney, if in the discretion of the judge a more suitable place is available.

(b) The minor shall have the right to be present at the hearing unless the judge rules favorably on the motion of the attorney to waive the minor’s appearance. However, the minor shall retain the right to appear before the judge to provide his own testimony and to respond to the judge’s questions unless the judge makes a separate finding that the minor does not wish to appear upon motion of the attorney.

(c) Certified copies of reports and findings of physicians, psychologists and other responsible professionals as well as previous and current medical records are admissible in evidence, but the minor’s right, through his attorney, to confront and cross-examine witnesses may not be denied.

(d) Hearings shall be closed to the public unless the attorney requests otherwise.

(e) A copy of all documents admitted into evidence and a transcript of the proceedings shall be furnished to the attorney, on request, by the clerk upon the direction of a district court judge. The copies shall be provided at State expense.

(f) For an admission to be authorized beyond the hearing, the minor must be (1) mentally ill or a substance abuser and (2) in need of further treatment at the 24-hour facility to which he has been admitted. Further treatment at the admitting facility should be undertaken only when lesser measures will be insufficient. It is not
necessary that the judge make a finding of dangerousness in order to support a concurrence in the admission.

(g) The court shall make one of the following dispositions:

(1) If the court finds by clear, cogent, and convincing evidence that the requirements of subsection (f) have been met, the court shall concur with the voluntary admission and set the length of the authorized admission of the minor for a period not to exceed 90 days; or

(2) If the court determines that there exist reasonable grounds to believe that the requirements of subsection (f) have been met but that additional diagnosis and evaluation is needed before the court can concur in the admission, the court may make a one time authorization of up to an additional 15 days of stay, during which time further diagnosis and evaluation shall be conducted; or

(3) If the court determines that the conditions for concurrence or continued diagnosis and evaluation have not been met, the judge shall order that the minor be released.

(h) The decision of the District Court in all hearings and rehearings is final. Appeal may be had to the Court of Appeals by the State or by any party on the record as in civil cases. The minor may be retained and treated in accordance with this Part, pending the outcome of the appeal, unless otherwise ordered by the District Court or the Court of Appeals.

"§ 122C-224.4. Rehearings.--(a) A minor admitted to a 24-hour facility upon order of the court for further diagnosis and evaluation shall have the right to a rehearing if the responsible professional determines that the minor is in need of further treatment beyond the time authorized by the court for diagnosis and evaluation.

(b) A minor admitted to a 24-hour facility upon the concurrence of the court shall have the right to a rehearing for further concurrence in continued treatment before the end of the period authorized by the court. The court shall review the continued admission in accordance with the hearing procedures in this Part. The court may order discharge of the minor if the minor no longer meets the criteria for admission. If the minor continues to meet the criteria for admission the court shall concur with the continued admission of the minor and set the length of the authorized admission for a period not to exceed 180 days. Subsequent rehearings shall be scheduled at the end of each subsequent authorized treatment period, but no longer than every 180 days.
(c) The responsible professional shall notify the clerk, no later than 15 days before the end of the authorized admission, that continued stay beyond the authorized admission is recommended for the minor. The clerk shall calendar the rehearing to be held before the end of the current authorized admission.

"§ 122C-224.5. Transportation.--When it is necessary for a minor to be transported to a location other than the treating facility for the purpose of a hearing, transportation shall be provided under the provisions of G.S. 122C-251. However, the 24-hour facility may obtain permission from the court to routinely provide transportation of minors to and from hearings.

"§ 122C-224.6. Treatment pending hearing and after authorization for or concurrence in admission.--(a) Pending the initial hearing and after authorization for further diagnosis and evaluation, or concurrence in admission, the responsible professional may administer to the minor reasonable and appropriate medication and treatment that is consistent with accepted medical standards and consistent with Article 3 of this Chapter.

(b) The responsible professional may release the minor conditionally for periods not in excess of 30 days on specified appropriate conditions. Violation of the conditions is grounds for return of the minor to the 24-hour facility. A law enforcement officer, on request of the responsible professional, shall take the minor into custody and return him to the facility in accordance with G.S. 122C-205.

"§ 122C-224.7. Discharge.--(a) The responsible professional shall unconditionally discharge a minor from treatment at any time that it is determined that the minor is no longer mentally ill or a substance abuser, or no longer in need of treatment at the facility.

(b) The legally responsible person may file a written request for discharge from the facility at any time. The facility may hold the minor in the facility for 72 hours after receipt of the request for discharge. If the responsible professional believes that the minor is mentally ill and dangerous to himself or others, he may file a petition for involuntary commitment under the provisions of Part 7 of this Article. If the responsible professional believes that the minor is a substance abuser and dangerous to himself or others, he may file a petition for involuntary commitment under the provisions of Part 8 of this Article. If an order authorizing the holding of the minor under involuntary commitment procedures is issued, further treatment and holding shall follow the provisions of Part 7 or Part 8 whichever is applicable. If an order authorizing the holding of the minor under
involuntary commitment procedures is not issued, the minor shall be discharged.

(c) If a client reaches age 18 while in treatment, and the client refuses to sign an authorization for continued treatment within 72 hours of reaching 18, he shall be discharged unless the responsible professional obtains an order to hold the client under the provisions of Part 7 or Part 8 of this Article pursuant to an involuntary commitment.

Sec. 2. This act shall become effective October 1, 1987.

AN ACT TO AUTHORIZE CARTERET COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Levy of Tax. (a) The Board of Commissioners of Carteret County may, by resolution, after not less than 10 days' public notice and after public hearing held pursuant thereto, levy a room occupancy and tourism development tax.

(b) Collection of the tax, and liability therefor, shall begin and continue only on and after the first day of a calendar month set by the board of county commissioners in the resolution levying the tax, which in no case may be earlier than the first day of the second succeeding calendar month after the date of adoption of the resolution.

Sec. 2. Occupancy Tax. (a) The county room occupancy and tourism development tax that may be levied under this act shall be three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by any hotel, motel, inn, tourist camp, condominium, cottage, campground, or other similar places within the county now subject to the three percent (3%) sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any local sales tax. This tax does not apply to gross receipts derived by the following entities from accommodations furnished by them:

(1) religious organizations;
(2) a business or person that offers to rent fewer than five units;
(3) educational organizations;
(4) any room or lodging rented to the same person for 90 or more continuous days;
(5) summer camp; and
(6) charitable, benevolent, and other nonprofit organizations.

Sec. 3. Administration of Tax. (a) The county shall administer a tax levied under this act. A tax levied under this act is due and payable to the county in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, and association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by Carteret County. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

(b) Any person, firm, corporation, or association who fails or refuses to file the return required by this act shall pay a penalty of ten dollars ($10.00) for each day’s omission.

(c) In addition, in case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due for each additional month or fraction thereof until the occupancy tax is paid.

(d) Any person who willfully attempts in any manner to evade the tax imposed by this act or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both.

Sec. 4. Collection of Tax. (a) Every operator of a business subject to the tax levied by this act shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for the furnishing of any taxable accommodations. The tax shall be stated and charged separately from the sales records and shall be paid by the purchaser to the operator of the business as trustee for and on account of Carteret County. The tax levied pursuant to this act shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all affected businesses in Carteret County the necessary forms for filing returns and instructions to ensure the collection of the tax.

(b) An operator of a business who collects the occupancy tax levied under this act may, if the tax is paid by the 15th of the month, deduct from the amount remitted by him to the county a discount of
three percent (3%) of the amount collected as reimbursement for the expense incurred in collecting the tax.

(c) A tax return filed with the county tax collector under this act is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law. A person who unlawfully discloses a tax return filed pursuant to this act is guilty of a misdemeanor and is punishable by a fine of not less than two hundred dollars ($200.00) nor more than one thousand dollars ($1,000), imprisonment, or both.

Sec. 5. Disposition of Taxes Collected. (a) Carteret County shall remit monthly the net proceeds of the occupancy tax to the Carteret County Tourism Development Authority. "Net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, not to exceed three percent (3%) of the gross proceeds of the tax.

(b) The County Tourism Development Authority may not use any of the occupancy tax revenue to construct offices or visitor centers. The County Tourism Development Authority shall use the occupancy tax revenue remitted to it only for the following purposes:

1. Direct advertising costs for visitor promotions, conventions, or tourism, including outdoor advertising, print media, broadcast media, and brochures;

2. Marketing and promotions expenses, including test market programs, consultant fees, entertainment, housing expenses, travel expenses, and registration fees;

3. Other expenses that aid and encourage visitor promotions, conventions, or tourism, including support for museums and historical attractions and construction or lease of beach access areas with off-street parking facilities; and

4. Operation and promotion of a civic center, convention center, or public auditorium.

(c) The County Tourism Development Authority may contract with appropriate organizations or agencies to assist it in carrying out the above purposes. The County Tourism Development Authority may use no more than ten percent (10%) of the occupancy tax revenue for administration.

Sec. 6. Appointment; Duties of Tourism Development Authority. (a) When the board of county commissioners adopts a resolution levying a room occupancy tax pursuant to this act, it shall also adopt a resolution creating a County Tourism Development Authority, which shall be a public authority under Local Government Budget and Fiscal Control Act and shall be composed of the following members, a majority of whom shall be collectors of the occupancy tax:

Sec. 7. Terms. The county commissioner appointed under Section 6(a)(1) of this act shall serve for one year. The other members shall serve one three-year term, except the initial appointments shall be for the following terms:

(1) The two individuals appointed by the Chamber of Commerce, one for a two-year term, one for a three-year term.

The tax shall also not apply to sleeping
rooms or lodgings furnished by charitable, educational, or religious institutions or non-profit organizations.

Sec. 2. Administration of Tax. (a) The Town of Beech Mountain shall administer a tax levied under this act. A tax levied under this act is due and payable to the Town in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, and association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the Town. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A return filed with the Town under this act is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(b) Any person, firm, corporation, or association who fails or refuses to file the return required by this act shall pay a penalty of ten dollars ($10.00) for each day's omission.

In case of failure or refusal to file the return or pay the tax for a period of 30 days or more after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the total tax due, for each additional month or fraction thereof until the occupancy tax is paid.

Any person who willfully attempts in any manner to evade the occupancy tax levied under this act or to make a return and who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punished by a fine not to exceed one thousand dollars ($1,000) or by imprisonment not to exceed six months, or both. The Town Council may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(c) All persons, firms, corporations, and associations who rent either their own dwelling or dwellings or rooms for other persons are required to submit to the Town a list of all rental properties. This list shall include the owner's name, current address, and location of rental property. The list shall be submitted semi-annually on or before November 30 and May 30. Failure to file said listing shall subject the person, firm, corporation or association to a civil penalty.

Sec. 3. Collection of Tax. (a) Every operator of a business and every individual renting his or her own property subject to the tax levied pursuant to this act shall, on and after the effective date of the levy of the tax, collect the three percent (3%) room occupancy tax.
CHAPTER 376   Session Laws — 1987

This tax shall be collected as part of the charge for the furnishing of any taxable accommodations. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the Town of Beech Mountain. It is the intent of this act that the room occupancy tax levied by the Town of Beech Mountain shall be added to the sales price and that the tax shall be passed on to the purchaser instead of being borne by the operator of the business. The Town shall design, print, and furnish to all appropriate businesses in the Town, the necessary forms for filing returns and instructions to ensure the full collection of the tax.

(b) Collection of the tax shall be the responsibility of the Beech Mountain Tax Administrator. In his/her discretion, the Tax Administrator may proceed against an operator whose occupancy tax is delinquent, employing all remedies for collection of tax as set out in G.S. 105-367, 105-368, 105-374, and 105-375. The Tax Administrator may audit occupancy tax reports as he/she deems necessary, utilizing information available to him/her in property tax matters.

Sec. 4. Discount for Payment of Taxes When Due. Every operator who pays the occupancy tax imposed by this Article shall be entitled to deduct from the amount of the tax for which he is liable and which he actually pays a discount of three percent (3%). Provided, however, the Tax Administrator may deny a taxpayer the benefits of this section for failure to pay the full tax when due as well as in cases of fraud, evasion, or failure to keep accurate and clear records as herein required. Provided, further, that in order to receive the discount the taxpayer must deduct the three percent (3%) at the time of making his monthly remittance of tax to the Town.

Sec. 5. Disposition of Taxes Collected. The Town of Beech Mountain shall retain from the gross proceeds of the tax collected an amount sufficient to pay its direct costs for administrative and collection expenses. "Net proceeds" shall mean gross proceeds less the direct costs for administrative and collection expenses not to exceed three percent (3%) of the amount collected. The net proceeds shall be distributed to the Town Council. The Town Council may expend the funds distributed to it pursuant to this section only to further the development of travel, tourism, conventions, and convention facilities in the Town.

Sec. 6. Repeal of Levy. Section 1. Occupancy tax. (a) Authorization and scope. The Halifax County Board of Commissioners may by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Collection. Every operator of a business subject to the tax levied under this act shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this act may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.

(c) Administration. The county shall administer a tax levied under this act. A tax levied under this act is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return
on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county finance officer under this act is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this act shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this act or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The Board of Commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Distribution and use of tax revenue. Halifax County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Halifax Tourism Development Authority. The Authority may spend funds remitted to it under this subsection only to promote travel and tourism in Halifax County, to sponsor tourist-oriented events and activities in Halifax County, and to finance tourist-related capital projects in Halifax County. As used in this subsection, "net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.

(f) Effective date of levy. A tax levied under this act shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this act may be repealed by a resolution adopted by the Halifax County Board of Commissioners. Repeal of a tax levied under this act does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.
Sec. 2. Tourism Development Authority. (a) Appointment and membership. When the Board of Commissioners adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority including the members' qualifications and terms of office, and for the filling of vacancies on the Authority. The Board of Commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

(b) Duties. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

(c) Reports. The Authority shall report quarterly and at the close of the fiscal year to the Board of County Commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the Board may require.

CHAPTER 379

AN ACT TO AUTHORIZE ROWAN COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Rowan County Board of Commissioners may by resolution, after not less than 10 days’ public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.
(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day’s omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Distribution and use of tax revenue. Rowan County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Salisbury Chamber of Commerce. The chamber of commerce may, through its Tourism and Convention Committee, spend funds remitted to it under this subsection only to promote travel, tourism, and conventions in Rowan County and to sponsor tourist-oriented events and activities in Rowan County. The chamber of commerce may not spend any of the funds for construction, improvement, or maintenance of real property or for any other capital project. The Tourism and Convention Committee of the Salisbury Chamber of Commerce shall report quarterly and at the close of the fiscal year to the board of commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.
As used in this subsection, "net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Rowan County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. This act is effective upon ratification.
In the General Assembly read three times and ratified this the 16th of June, 1987.

"Article 25.
"Endangered and Threatened Wildlife and Wildlife Species of Special Concern.

§ 113-331. Definitions.—All of the definitions contained in Article 12 of this Chapter 113 shall apply in this Article except to the extent that they may be herein modified for the purposes of this Article 25. As used in this Article, unless the context requires otherwise:

(1) ‘Conserve’ and ‘conservation’ mean the use and application of all methods, procedures and biological information for the purpose of bringing populations of native and once-native species of wildlife in balance with the optimum carrying capacity of their habitat, and maintaining such balance. These methods and procedures include all activities associated with scientific resource management such as research; census; law enforcement; habitat protection, acquisition, and enhancement; and restoration of species to unoccupied parts of historic range. With respect to endangered and threatened species, the terms mean the use of methods and procedures to bring the species to the point at which the measures provided are no longer necessary.

(2) ‘Endangered species’ means any native or once-native species of wild animal whose continued existence as a viable component of the State’s fauna is determined by the Wildlife Resources Commission to be in jeopardy or any species of wild animal determined to be an ‘endangered species’ pursuant to the Endangered Species Act.

(4) ‘Advisory Committee’ means the North Carolina Nongame Wildlife Advisory Committee which is the advisory body of knowledgeable and representative citizens established by resolution of the Wildlife Resources Commission and charged to consider matters relating to nongame wildlife conservation and to advise the Commission in such matters.

(5) ‘Protected animal’ means a species of wild animal designated by the Wildlife Resources Commission as endangered, threatened, or of special concern.

(6) ‘Protected animal list’ means any one of the lists of North Carolina animal species that are endangered, threatened, or of special concern.

(7) ‘Scientific council’ means the group of scientists identified and assembled by the Advisory Committee to review the scientific evidence and to evaluate the status of wildlife species that are candidates for inclusion on a protected animal list.
(8) 'Special concern species' means any species of wild animal native or once-native to North Carolina which is determined by the Wildlife Resources Commission to require monitoring but which may be taken under regulations adopted under the provisions of this Article.

(9) 'Threatened species' means any native or once-native species of wild animal which is likely to become an endangered species within the foreseeable future throughout all or a significant portion of its range, or one that is designated as a threatened species pursuant to the Endangered Species Act.

(10) 'Wild animal' means any native or once-native nongame amphibian, bird, crustacean, fish, mammal, mollusk or reptile not otherwise legally classified by statute or regulation such as game and fur bearing animals, except those inhabiting and depending upon coastal fishing waters, marine and estuarine resources, marine mammals found in coastal fishing waters, sea turtles found in coastal fishing waters, and those declared to be pests under the Structural Pest Control Act of North Carolina of 1955 or the North Carolina Pesticide Law of 1971. Nothing in this definition is intended to abrogate G.S. 113-132(a) or (c), confer jurisdiction upon the Wildlife Resources Commission as to any subject exclusively regulated by any other agency, or to authorize the Wildlife Resources Commission by its regulations to supersede any valid provision of law or regulation administered by any other agency.

"§ 113-332. Declaration of policy.--The General Assembly finds that the recreation and aesthetic needs of the people, the interests of science, the quality of the environment, and the best interests of the State require that endangered and threatened species of wild animals and wild animals of special concern be protected and conserved, that their numbers should be enhanced and that conservation techniques be developed for them; however, nothing in this Article shall be construed to limit the rights of a landholder in the management of his lands for agriculture, forestry, development or any other lawful purpose without his consent. The North Carolina Zoological Park is not subject to the provisions of this Article.

"§ 113-333. Powers and duties of the Commission.--In the administration of this Article, the Wildlife Resources Commission shall have the following powers and duties:

(1) To adopt and publish an endangered species list, a threatened species list, and a list of species of special concern, as provided for in G.S. 113-334, identifying each entry by its scientific and common name;
(2) To reconsider and revise the lists from time to time in response to public proposals or as the Commission deems necessary;
(3) To coordinate development and implementation of conservation programs for endangered and threatened species of wild animals and for species of special concern;
(4) To adopt regulations necessary to implement conservation programs for endangered, threatened, and special concern species and to limit, regulate, or prevent the taking, collection, or sale of protected animals;
(5) To conduct investigations to determine whether a wild animal should be on a protected animal list and to determine the requirements for survival of resident wild animal species.

"§ 113-334. Criteria and procedures for placing animals on protected animal lists.--(a) All native or resident wild animals which are on the federal lists of endangered or threatened species pursuant to the Endangered Species Act have the same status on the North Carolina protected animals lists.
(b) The Advisory Committee, after considering a report on the status of a candidate species from the Scientific Council, may by resolution propose to the Wildlife Resources Commission that a species of wild animal be added to or removed from a protected animal list.
(c) If the Commission, with the advice of the Advisory Committee, finds there is probably merit in the proposal, it shall examine relevant scientific and economic data and factual information necessary to determine:

(1) Whether any other state or federal agency or private entity is taking steps to protect the wild animal which is the subject of the proposal;
(2) Whether there is present or threatened destruction, modification, or curtailment of its habitat;
(3) If there is over-utilization for commercial, recreational, scientific, or educational purposes;
(4) Whether there is critical population depletion from disease, predation, or other mortality factors;
(5) Whether alternative regulatory mechanisms exist; and
(6) The existence of other man-made factors affecting continued viability of the animal in North Carolina.
(d) The Commission, with the advice of the Advisory Committee, shall tentatively determine whether any regulatory action is warranted with regard to the proposal and, if so, the specific regulatory action to be proposed by it. Notice of its proposed rulemaking shall be
published in the North Carolina Register and the subsequent proceedings shall conform with the Administrative Procedure Act.

"§ 113-335. North Carolina Nongame Wildlife Advisory Committee.--The North Carolina Nongame Wildlife Advisory Committee is created subject to constitution, organization, and function as determined appropriate and advisable by resolution of the Wildlife Resources Commission. The Advisory Committee is to be comprised of knowledgeable and representative citizens of North Carolina whose responsibility shall be to advise the Commission on matters related to conservation of nongame wildlife including creation of protected animal lists and development of conservation programs for endangered, threatened, and special concern species.

"§ 113-336. Powers and duties of the Advisory Committee.--The Advisory Committee shall have the following powers and duties:

(1) To gather and provide information and data and advise the Wildlife Resources Commission with respect to all aspects of the biology and ecology of endangered, threatened, and special concern species;

(2) To investigate and make recommendations to the Commission as to the status of endangered, threatened, and special concern species;

(3) To identify and assemble experts from the disciplines of ornithology, mammalogy, herpetology, ichthyology, taxonomy, ecology and other fields as necessary to serve as the Scientific Council and to charge the Scientific Council to review the scientific evidence, to evaluate the status of candidate species, and to report back their findings with recommendations;

(4) To develop and present to the Commission management and conservation practices for preserving endangered, threatened, and special concern species;

(5) To recommend critical habitat areas for protection or acquisition;

(6) To advise the Commission on matters submitted to it by the Commission which involve technical zoological questions or the development of pertinent regulations, and to make any recommendations as deemed by the Advisory Committee to be worthy of the Commission's attention.

"§ 113-337. Unlawful acts; penalties.--(a) It is unlawful:

(1) To take, possess, transport, sell, barter, trade, exchange, export, or offer for sale, barter, trade, exchange or export, or give away for any purpose including advertising or other
promotional purpose any animal on a protected wild animal list, except as authorized according to the regulations of the Commission, including those promulgated pursuant to G.S. 113-333(1);

(2) To perform any act specifically prohibited by the regulations of the Commission promulgated pursuant to its authority under G.S. 113-333.

(b) Each person convicted of violating the provisions of this Article shall in addition to any other penalty prescribed in the discretion of the court be fined not less than one hundred dollars ($100.00) upon the first conviction, and not less than five hundred dollars ($500.00) upon any subsequent conviction.

Sec. 2. This act shall become effective on July 1, 1987; provided, however, G.S. 113-337 shall not apply to acts committed prior to October 1, 1987.

CHAPTER 385

AN ACT TO PROVIDE REMEDIES FOR CONSUMERS OF NEW MOTOR VEHICLES THAT DO NOT CONFORM TO EXPRESS WARRANTIES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 20 of the General Statutes is amended by adding a new Article after Article 15 to read:
"ARTICLE 15A.

"New Motor Vehicles Warranties Act.

"§ 20-351. Purpose.--This Article shall provide State and private remedies against motor vehicle manufacturers for persons injured by new motor vehicles failing to conform to express warranties.

"§ 20-351.1. Definitions.--As used in this Article:

(1) ‘Consumer’ means the purchaser, other than for purposes of resale, or lessee from a commercial lender, lessor, or from a manufacturer or dealer, of a motor vehicle, and any other person entitled by the terms of an express warranty to enforce the obligations of that warranty.

(2) ‘Manufacturer’ means any person or corporation, resident or nonresident, who manufactures or assembles or imports or distributes new motor vehicles which are sold in the State of North Carolina.

(3) ‘Motor vehicle’ includes a motor vehicle as defined in G.S. 20-4.01 which is sold in this State, but does not include ‘house trailer’ as defined in G.S. 20-4.01 or any motor vehicle with a gross vehicle weight of 10,000 pounds or more.

"§ 20-351.2 Require repairs.--Express warranties for a new motor vehicle shall remain in effect at least one year or 12,000 miles. If a new motor vehicle does not conform to all applicable express warranties for a period of one year, or the term of the express warranties, whichever is greater, following the date of original delivery of the motor vehicle to the consumer, and the consumer reports the nonconformity to the manufacturer, its agent, or its authorized dealer during such period, the manufacturer shall make, or arrange to have made, repairs necessary to conform the vehicle to the express warranties, whether or not these repairs are made after the expiration of the applicable warranty period.

"§ 20-351.3. Replacement or Refund.--If the manufacturer is unable, after a reasonable number of attempts, to conform the motor vehicle to any express warranty by repairing or correcting, or arranging for the repair or correction of, any defect or condition or series of defects or conditions which substantially impair the value of the motor vehicle to the consumer, and which occurred no later than 24 months or 24,000 miles following original delivery of the vehicle, the manufacturer shall, at the option of the consumer, replace the vehicle with a comparable new motor vehicle or accept return of the vehicle from the consumer and refund to the consumer the following:

(1) the full contract price including, but not limited to, charges for undercoating, dealer preparation and transportation, and installed options, plus the non-refundable portions of extended warranties and
court of competent jurisdiction that construes the provisions of this section and the rest of this chapter.

20-351.5. Presumption.—(a) It is presumed that a reasonable number of attempts have been undertaken to conform a motor vehicle to the applicable express warranties if:

(1) the same nonconformity has been presented for repair to the manufacturer, its agent, or its authorized dealer four or more times but the same nonconformity continues to exist; or

(2) the vehicle was out of service to the consumer during or while awaiting repair of the nonconformity or a series of nonconformities for a cumulative total of 20 or more business days during any 12-month period of the warranty, provided that the consumer has notified the manufacturer directly in writing of the existence of the nonconformity or series of nonconformities and allowed the manufacturer a reasonable period, not to exceed 15 calendar days, in which to correct the nonconformity or series of nonconformities. The manufacturer must clearly and conspicuously disclose to the consumer in the warranty or owners manual that written notification of a nonconformity is required before a consumer may be eligible for a refund or replacement of the vehicle and the manufacturer shall include in the warranty or owners manual the name and address where the written notification may be sent.
CHAPTER 385  Session Laws — 1987

Provided, further, that notice to the manufacturer shall not be required if the manufacturer fails to make the disclosures provided herein.

(b) The consumer may prove that a defect or condition substantially impairs the value of the motor vehicle to the consumer in a manner other than that set forth in subsection (a) of this section.

(c) The term of an express warranty, the one-year period, and the 20-day period shall be extended by any period of time during which repair services are not available to the consumer because of war, strike, or natural disaster.

"§ 20-351.6. Civil action by the Attorney General.--Whenever, in his opinion, the interests of the public require it, it shall be the duty of the Attorney General upon his ascertaining that any of the provisions of this Article have been violated by the manufacturer to bring a civil action in the name of the State, or any officer or department thereof as provided by law, or in the name of the State on relation of the Attorney General.

"§ 20-351.7. Civil action by the consumer.--A consumer injured by reason of any violation of the provisions of this Article may bring a civil action against the manufacturer; provided, however, the consumer has given the manufacturer written notice of his intent to bring an action against the manufacturer at least 10 days prior to filing such suit. Nothing in this section shall prevent a manufacturer from requiring a consumer to utilize an informal settlement procedure prior to litigation if that procedure substantially complies in design and operation with the Magnuson-Moss Warranty Act, 15 USC § 2301 et seq., and regulations promulgated thereunder, and that requirement is written clearly and conspicuously, in the written warranty and any warranty instructions provided to the consumer.

"§ 20-351.8. Remedies.--In any action brought under this Article, the court may grant as relief:

(1) a permanent or temporary injunction or other equitable relief as the court deems just;

(2) monetary damages to the injured consumer in the amount fixed by the verdict. Such damages shall be trebled upon a finding that the manufacturer unreasonably refused to comply with G.S. 20-351.2 or G.S. 20-351.3. The jury may consider as damages all items listed for refund under G.S. 20-351.3;

(3) a reasonable attorney's fee for the attorney of the prevailing party, payable by the losing party, upon a finding by the court that:
a. the manufacturer unreasonably failed or refused to fully resolve the matter which constitutes the basis of such action; or
b. the party instituting the action knew, or should have known, the action was frivolous and malicious.

"§ 20-351.9. Dealership liability.--No authorized dealer shall be held liable by the manufacturer for any refunds or vehicle replacements in the absence of evidence indicating that dealership repairs have been carried out in a manner substantially inconsistent with the manufacturers' instructions. This act does not create any cause of action by a consumer against an authorized dealer.

"§ 20-351.10. Preservation of other remedies.--This Article does not limit the rights or remedies which are otherwise available to a consumer under any other law."

Sec. 2. This act shall become effective October 1, 1987.
In the General Assembly read three times and ratified this the 16th day of June, 1987.

AN ACT TO REGULATE GOING OUT OF BUSINESS AND DISTRESS SALES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 66-77 reads as rewritten:

"§ 66-77. License required; contents of applications; inventory required; fees; bond; extension of licenses; records; false statements.--(a) No person shall advertise or offer for sale a stock of goods, wares or merchandise under the description of closing-out sale, or a sale of goods, wares or merchandise damaged by fire, smoke, water or otherwise, or a distress sale unless he shall have obtained a license to conduct such sale from the clerk of the city or town in which he proposes to conduct such a sale or from the officer designated by the Board of County Commissioners if the sale is conducted in an unincorporated area. The applicant for such a license shall make to such clerk an application therefor, in writing and under oath at least seven days prior to the opening date of sale, showing all the facts relating to the reasons and character of such sale, including the opening and terminating dates of the proposed sale, the opening and terminating dates of any previous distress sale or closing-out sale held by the applicant within that county during the preceding 12 months, a complete inventory of the goods, wares or merchandise actually on hand in the place whereat such sale is to be conducted, and all details necessary to locate exactly and identify fully the goods, wares or merchandise to be sold. Provided, the seller in a distress sale need not file an inventory.
(b) If such clerk shall be satisfied from said application that the proposed sale is of the character which the applicant desires to advertise and conduct, the clerk shall issue a license, upon the payment of a fee of fifty dollars ($50.00) therefor, together with a bond, payable to the city or town or county in the penal sum of five hundred dollars ($500.00), conditioned upon compliance with this Article, to the applicant authorizing him to advertise and conduct a sale of the particular kind mentioned in the application; provided, however, that the license fee provided for herein shall be good for a period of 30 days from its date, and if the applicant shall not complete said sale within said 30-day period then the applicant shall make application to such clerk for a license for a new permit, which shall be good for an additional period of 30 days, and shall pay therefor the sum of fifty dollars ($50.00); and provided further, and a second extension period of 30 days may be similarly applied for and granted by the clerk upon payment of an additional fee of fifty dollars ($50.00) and upon the clerk being satisfied that the applicant is holding a bona fide sale of the kind contemplated by this Article and is acting in a bona fide manner; provided, however, that the clerk may not grant an extension period as provided in this subsection if (i) the applicant conducted a distress sale immediately preceding the current sale for which the extension is applied for and (ii) the period of the extension applied for, when added to the period of the preceding sale and the period of the current sale, will exceed 120 days. No additional bond shall be required in the event of one or more extensions as herein provided for. Any merchant who shall have been conducting a business in the same location where the sale is to be held for a period of not less than one year, prior to the date of holding such sale, or any merchant who shall have been conducting a business in one location for such period but who shall, by reason of the building being untenantable or by reason of the fact that said merchant shall have no existing lease or ownership of the building and shall be forced to hold such sale at another location, shall be exempted from the payment of the fees and the filing of the bond herein provided for.

(c) Every city or town or county to whom application is made shall endorse upon such application the date of its filing, and shall preserve the same as a record of his office, and shall make an abstract of the facts set forth in such application, and shall indicate whether the license was granted or refused.

(d) Any person making a false statement in the application provided for in this section shall, upon conviction, be deemed guilty of perjury."

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-1343(d) reads as rewritten:

"(d) Restitution as a Condition of Probation. -- As a condition of probation, a defendant may be required to make restitution or reparation to an aggrieved party or parties who shall be named by the
court for the damage or loss caused by the defendant arising out of the offense or offenses committed by the defendant. When restitution or reparation is a condition imposed, the court shall take into consideration the resources of the defendant, including all real and personal property owned by the defendant and the income derived from such property, his ability to earn, his obligation to support dependents, and such other matters as shall pertain to his ability to make restitution or reparation, but the court is not required to make findings of fact or conclusions of law on these matters when the sentence is imposed. The amount must be limited to that supported by the record, and the court may order partial restitution or reparation when it appears that the damage or loss caused by the offense or offenses is greater than that which the defendant is able to pay. An order providing for restitution or reparation shall in no way abridge the right of any aggrieved party to bring a civil action against the defendant for money damages arising out of the offense or offenses committed by the defendant, but any amount paid by the defendant under the terms of an order as provided herein shall be credited against any judgment rendered against the defendant in such civil action. As used herein, ‘restitution’ shall mean (i) compensation for damage or loss as could ordinarily be recovered by an aggrieved party in a civil action, and (ii) reimbursement to the State for the total amount of a judgment authorized by G.S. 7A-455(b). As used herein, ‘reparation’ shall include but not to be limited to the performing of community services, volunteer work, or doing such other acts or things as shall aid the defendant in his rehabilitation. As used herein, ‘aggrieved party’ shall include individuals, firms, corporations, associations or other organizations, and government agencies, whether federal, State or local. Provided, that no government agency shall benefit by way of restitution except for particular damage or loss to it over and above its normal operating costs and except that the State may receive restitution for the total amount of a judgment authorized by G.S. 7A-455(b). A government agency may benefit by way of reparation even though the agency was not a party to the crime provided that when reparation is ordered, community service work shall be rendered only after approval has been granted by the owner or person in charge of the property or premises where the work will be done. Provided further, that no third party shall benefit by way of restitution or reparation as a result of the liability of that third party to pay indemnity to an aggrieved party for the damage or loss caused by the defendant, but the liability of a third party to pay indemnity to an aggrieved party or any payment of indemnity actually made by a third party to an aggrieved party does not prohibit or limit in any way the
power of the court to require the defendant to make complete and full restitution or reparation to the aggrieved party for the total amount of the damage or loss caused by the defendant. Restitution or reparation measures are ancillary remedies to promote rehabilitation of criminal offenders and to provide for compensation to victims of crime, and shall not be construed to be a fine or other punishment as provided for in the Constitution and laws of this State."

represents himself to be.

On the day of a party primary, any voter of the precinct who is
registered as a member of the political party conducting the primary
may, at the time any registrant proposes to vote, challenge his right to
vote upon the ground that he does not affiliate with the party
conducting the primary or does not in good faith intend to support the
candidates nominated in that party’s primary, and it shall be the duty
of the registrar and judges of election to determine whether or not the
challenged registrant has a right to vote in that primary according to
the procedures prescribed in G.S. 163-88; provided that no challenge
may be made on the grounds specified in the paragraph against an
unaffiliated voter voting in the primary under G.S. 163-74(a1).

If a person is challenged under this subsection, and the challenge is
sustained under G.S. 163-85(c)(3), the voter may still transfer his
registration under G.S. 163-72.3, if eligible under that section, and
the registration shall not be cancelled under G.S. 163-90.2(a) if the
transfer is made. A person who has transferred his registration under
G.S. 163-72.3 may be challenged at the precinct to which the
registration is being transferred.”

Section 1. Chapter 7A of the General Statutes is amended by
adding a new section to read:

"§ 7A-544.1. Interference with investigation.--(a) If any person
obstructs or interferes with an investigation required by G.S. 7A-544,
the Director may file a petition naming said person as respondent and
requesting an order directing the respondent to cease such obstruction
or interference. The petition shall contain the name and date of birth and address of the juvenile who is the subject of the investigation, shall specifically describe the conduct alleged to constitute obstruction of or interference with the investigation, and shall be verified.

(b) For purposes of this section, obstruction of or interference with an investigation means refusing to disclose the whereabouts of the juvenile, refusing to allow the director to have personal access to the juvenile, refusing to allow the director to observe or interview the juvenile in private, refusing to allow the director to arrange for an evaluation of the juvenile by a physician or other expert, or other conduct that makes it impossible for the director to carry out his duty to investigate.

(c) Upon filing of the petition, the court shall schedule a hearing to be held not less than five days after service of the petition and summons on the respondent. Service of the petition and summons and notice of hearing shall be made as provided by the Rules of Civil Procedure on the respondent; the juvenile's parent, guardian, custodian, or caretaker; and any other person determined by the court to be a necessary party. If at the hearing on the petition the court finds by clear, cogent and convincing evidence that the respondent, without lawful excuse, has obstructed or interfered with an investigation required by G.S. 7A-544, the court may order the respondent to cease such obstruction or interference. The burden of proof shall be on the petitioner.

(d) If the director has reason to believe that the juvenile is in need of immediate protection or assistance, he shall so allege in the petition and may seek an *ex parte* order from the court. If the court, from the verified petition and any inquiry the court makes of the director, finds probable cause to believe both that the juvenile is at risk of immediate harm and that the respondent is obstructing or interfering with the director's ability to investigate to determine the juvenile's condition, the court may enter an *ex parte* order directing the respondent to cease such obstruction or interference. The order shall be limited to provisions necessary to enable the Director to conduct an investigation sufficient to determine whether the juvenile is in need of immediate protection or assistance. Within 10 days after the entry of an *ex parte* order under this subsection, a hearing shall be held to determine whether there is good cause for the continuation of the order or the entry of a different order. An order entered under this subsection shall be served on the respondent along with a copy of the petition, summons, and notice of hearing.
(e) The Director may be required at a hearing under this section to reveal the identity of any person who made a report of suspected abuse or neglect as required by G.S. 7A-543.

(f) An order entered pursuant to this section is enforceable by civil or criminal contempt as provided in Chapter 5A of the General Statutes."

The General Assembly of North Carolina enacts:

Section 1. Chapter 1 of the General Statutes is amended by adding a new section to read:

"§ 1-44.2. Presumptive ownership of abandoned railroad easements.—(a) Whenever a railroad abandons a railroad easement, all right, title and interest in the strip, piece or parcel of land constituting the abandoned easement shall be presumed to be vested in those persons, firms or corporations owning lots or parcels of land adjacent to the abandoned easement, with the presumptive ownership of each adjacent landowner extending to the centerline of the abandoned easement. In cases where the railroad easement adjoins a public road right-of-way, the adjacent property owner’s right, title and interest in the abandoned railroad easement shall extend to the nearest edge of the public road right-of-way.

The side boundaries of each parcel so presumptively vested in the adjacent property owner shall be determined by extending the side property lines of the adjacent parcels to the centerline of the abandoned easement, or as the case may be, the nearest edge of the public road right-of-way. In the event the side property lines of two adjacent property owners intersect before they meet the centerline or nearest edge of the public road right-of-way, as the case may be, such side property lines shall join and run together from the point of intersection to the centerline of the easement or nearest edge of the public road right-of-way, as the case may be, perpendicular to said centerline or edge."
(b) Persons claiming ownership contrary to the presumption established in this section shall have a period of one year from the date of enactment of this statute or the abandonment of such easement, whichever later occurs, in which to bring any action to establish their ownership. The presumption established by this section is rebuttable by showing that a party has good and valid title to the land.

H.B. 917  CHAPTER 460

AN ACT MAKING SUNDRY AMENDMENTS CONCERNING LOCAL GOVERNMENTS IN ORANGE AND CHATHAM COUNTIES.

The General Assembly of North Carolina enacts:

TITLE I. CHAPEL HILL OCCUPANCY TAX.

Section 1. Occupancy Tax. (a) Authorization and scope. The Chapel Hill Town Council may, by ordinance, levy a room occupancy tax of no more than three percent (3%) on the gross receipts derived from the rental of any room, lodging, or similar accommodation subject to sales tax under G.S. 105-164.4(3).

This tax does not apply to accommodations furnished by nonprofit charitable, educational, benevolent, or religious organizations when furnished in furtherance of their nonprofit purpose. This tax is in addition to any State or local sales tax.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately on the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the Town of Chapel Hill. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The Town shall design, print, and furnish to all appropriate businesses and persons in the Town the necessary forms for filing returns and instructions to ensure the full collection of the tax.

An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted by him to the Town a discount of one percent (1%) of the amount collected as
reimbursement for the expenses incurred in collecting the tax.

(c) Administration. The Town shall administer a tax levied under this section. A tax levied under this section is due and payable to the Town revenue collector in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the Town. The return shall state the total gross receipts derived in the preceding month from rentals and sales upon which the tax is levied.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day’s omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000) and imprisonment not to exceed 30 days.

(e) Use and Distribution of Tax Revenue. The Town Council of the Town of Chapel Hill shall decide on the allocation of the revenues collected from this tax annually during its budgeting process with particular consideration given to providing funding for visitor information services and support for cultural events, and not less than ten percent (10%) of the annual revenues shall be used for those purposes.

The Town may contract with nonprofit organizations to undertake or carry out the activities and programs for which the revenue may be expended. All contracts entered into with nonprofit organizations shall require an annual financial audit of any funds expended and a performance audit of contractual obligations.

(f) Repeal. A tax levied under this section may be repealed by ordinance adopted by the Chapel Hill Town Council. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal ordinance was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that attached before the effective date of the repeal, nor does it affect a right to a refund of a
tax that accrued before the effective date of the repeal.

Sec. 2. Any tax enacted pursuant to this title shall not apply to
the Durham County portion of the Town of Chapel Hill.

TITLE II. CHAPEL HILL SMOKE DETECTORS.

date of such ordinance."

TITLE III. CHATHAM IMPACT FEES.

Sec. 4. Impact Fees Authorized. (a) The Board of
Commissioners of a county may provide by ordinance for a system of
impact fees to be paid by developers to help defray the costs to the
county of constructing certain capital improvements, the need for
which is created in substantial part by the new development that takes
place within the county.

(b) For purposes of this title, the term "capital improvements"
includes capital improvements to schools, roads, public recreation
facilities, sidewalks, bikeways, rescue facilities, surface water drainage
systems, water or sewer systems, and fire stations.

development’s fair share of the costs of the capital improvements that
are needed in part because of that development. In fulfilling this
objective, the Board of Commissioners shall, among other steps and
actions:

(1) Estimate the total cost of improvements by category (e.g.,
schools, roads, public recreation facilities, etc.) that will be needed to

(2) Establish a percentage of the total costs of each category of improvement that, in keeping with the objective set forth above, should fairly be borne by those paying the impact fee.

(3) Establish a formula that fairly and objectively apportions the total costs that are to be borne by those paying impact fees among various types of developments. By way of illustration, but without limitation:

a. In the case of road improvements, the impact fee may be related to the number of trips per day generated by different types of uses according to recognized estimates;

b. In the case of improvements to schools the impact fee may be related to the size of the development, i.e., number of houses, and the anticipated number of students expected from said development according to recognized estimates, and the impact thereof on the need for additional school facilities in the county.

Sec. 6. Capital Improvements Reserve Funds; Expenditures. (a) Impact fees received by the county shall be deposited in a Capital Improvements Reserve Fund. Such funds may be expended only on the type of capital improvements for which such impact fees were established, and then only in accordance with the provisions of subsection (b) of this section.

(b) In order to ensure that impact fees paid by a particular development are expended on capital improvements that benefit that development, the county may establish for each category of capital improvement for which it collects an impact fee at least two geographical districts or zones, and impact fees generated by developments within those districts or zones must be spent on improvements that are located within or that benefit property located within those districts or zones.

Sec. 7. Credits for Improvements. An ordinance adopted under this act shall make provision for credits against required fees when a developer installs improvements of a type that generally would be paid for by the county out of a capital reserve account funded by impact fees. The ordinance may spell out the circumstances under which a developer will be allowed to install such improvements and receive such credits.

Sec. 8. Appeals Procedure. An ordinance adopted under this act may provide that any person aggrieved by a decision regarding an impact fee may appeal to the County Board of Adjustment. If the ordinance establishes an appeal procedure, it shall spell out the time
within which the appeal must be taken to the Board of Adjustment. the possible grounds for an appeal and the board's authority in the matter, whether the fee must be paid prior to resolution of the appeal, and other procedural or substantive matters related to appeals. Any decision by the Board of Adjustment shall be subject to review by the superior court within the county by proceedings in the nature of certiorari in the same manner as is provided in G.S. 153A-345(e).

Sec. 9. Payment of Impact Fees. An ordinance adopted under this act shall spell out when in the process of development approval and construction impact fees shall be paid and by whom. By way of illustration, and without limitation, the ordinance may provide that an applicant for a building permit shall submit the impact fee along with the permit application and that building permits shall not be issued until the impact fee has been paid.

Sec. 10. Refunds. If this title or any ordinance adopted hereunder is declared to be unconstitutional or otherwise invalid by any court of competent jurisdiction, then any impact fees collected thereunder shall be refunded to the person paying them together with interest at the same rate paid by the Secretary of Revenue on refunds for tax overpayments.

Sec. 11. Limitation on Actions. (a) Any action contesting the validity of an ordinance adopted pursuant to this title must be commenced not later than nine months after the effective date of such ordinance.

(b) Any action seeking to recover an impact fee must be commenced not later than nine months after the impact fee is paid.

Sec. 12. All laws and clauses of laws in conflict with this title are hereby repealed.

Sec. 12.1. This title applies to Chatham County only.

TITLE IV. PITTSBORO IMPACT FEES.

improvements made at public expense.

d) Capital Improvements Reserve Funds: Expenditures.

(1) Impact fees received by the County shall be deposited in a
capital improvements reserve fund or funds established
under Chapter 159 of the General Statutes, Article 3, Part
2. Such funds may be expended only on the type of capital
improvements for which such impact fees were established,
and then only in accordance with the provision of
subsection (2) of this section.

(2) In order to ensure that impact fees paid by a particular
development are expended on capital improvements that
benefit that development, the County may establish for each
category of capital improvement for which it collects an
impact fee at least two geographical districts or zones, and
impact fees generated by developments within those districts
or zones must be spent on improvements that are located
within or that benefit property located within those districts
or zones.

e) Credits for Improvements. An impact fee ordinance shall make
provision for credits against required fees when a developer installs
improvements of a type that generally would be paid for by the County
out of a capital reserve account funded by impact fees. The ordinance
may spell out the circumstances under which a developer will be
allowed to install such improvements and receive such credits.

f) Appeals Procedure. An ordinance authorizing impact fees as
provided herein may provide that any person aggrieved by a decision
regarding an impact fee may appeal to the Orange County Board of
Adjustment. If the ordinance establishes an appeals procedure, it
shall spell out the time within which the appeal must be taken to the
board of adjustment, the possible grounds for an appeal and the
board's authority in the matter, whether the fee must be paid prior to
resolution of the appeal, and other procedural or substantive matters
related to appeals. Any decision by the board of adjustment shall be
subject to review by the superior court by proceedings in the nature of
certiorari in the same manner as is provided in G.S. 153A-345.
(g) Payment of Impact Fees. An ordinance authorizing impact fees as herein provided shall spell out when in the process of development approval and construction impact fees shall be paid and by whom. By way of illustration without limitation, the ordinance may provide that an applicant for a building permit shall submit the impact fee along with the permit application and that building permits shall not be issued until the impact fee has been paid.

(h) Refunds. If this section or any ordinance adopted thereunder is declared to be unconstitutional or otherwise invalid, then any impact fees collected shall be refunded to the person paying them together with interest at the rate established under G.S. 105-241.1, being the same rate paid by the Secretary of Revenue on refunds for tax overpayments.

(i) Limitations on Actions.

1. Any action contesting the validity of an ordinance adopted as herein provided must be commenced not later than nine months after the effective date of such ordinance.

2. Any action seeking to recover an impact fee must be commenced not later than nine months after the impact fee is paid.

Sec. 17.1. Section 17 of this act shall apply only to Orange County, and applies only within the planning jurisdiction of Orange County.

Sec. 18. G.S. 153A-340 is amended by identifying the existing provisions as subsection (a) and by adding new subsections to read:

"(b) Impact Fees Authorized.

1. Orange County may provide by ordinance for a system of impact fees to be paid by developers to help defray the costs to the County of constructing certain capital improvements, the need for which is created in substantial part by the new development that takes place within the County.

2. For purposes of this subsection, the term capital improvements includes the acquisition of land for open space and greenways, capital improvements to public streets, schools, bridges, sidewalks, bikeways, on and off street surface water drainage ditches, pipes, culverts, other drainage facilities, water and sewer facilities and public recreation facilities.

3. An ordinance adopted under this subsection may be made applicable to all development that occurs within the County.

(c) Amount of Fees. In establishing the amount of any impact fee, the County shall endeavor to approach the objective of having every development contribute to a capital improvements fund an amount of
revenue that bears a reasonable relationship to that development’s fair share of the costs of the capital improvements that are needed in part because of that development. In fulfilling this objective, the County shall, among other steps and actions:

1. Estimate the total cost of improvements by category (e.g., streets, sidewalks, drainage ways, etc.) that will be needed to provide in a reasonable manner for the public health, safety and welfare of persons residing within the County during a reasonable planning period not to exceed 20 years. The Board of County Commissioners may divide the County into two or more districts and estimate the costs of needed improvements within each district. These estimates shall be periodically reviewed and updated and the planning period used may be changed from time to time.

2. Establish a percentage of the total costs of each category of improvement that, in keeping with the objective set forth above, should fairly be borne by those paying the impact fee.

3. Establish a formula that fairly and objectively apportions the total costs that are to be borne by those paying impact fees among various types of developments. By way of illustration without limitation:
   a. In the case of street improvements, the impact fee may be related to the number of trips per day generated by different types of uses according to recognized estimates;
   b. In the case of drainage improvements, the impact fee may be related to the size of a development, the amount of impervious surface the development has, or other factors that bear upon the degree to which a development contributes to the need for drainage improvements made at public expense.

(d) Capital Improvements Reserve Funds: Expenditures.

1. Impact fees received by the County shall be deposited in a capital improvements reserve fund or funds established under Chapter 159 of the General Statutes, Article 3, Part 2. Such funds may be expended only on the type of capital improvements for which such impact fees were established, and then only in accordance with the provision of subsection (2) of this section.

2. In order to ensure that impact fees paid by a particular development are expended on capital improvements that benefit that development, the County may establish for each category of capital improvement for which it collects an
impact fee at least two geographical districts or zones, and impact fees generated by developments within those districts or zones must be spent on improvements that are located within or that benefit property located within those districts or zones.

(e) Credits for Improvements. An impact fee ordinance shall make provision for credits against required fees when a developer installs improvements of a type that generally would be paid for by the County out of a capital reserve account funded by impact fees. The ordinance may spell out the circumstances under which a developer will be allowed to install such improvements and receive such credits.

(f) Appeals Procedure. An ordinance authorizing impact fees as provided herein may provide that any person aggrieved by a decision regarding an impact fee may appeal to the Orange County Board of Adjustment. If the ordinance establishes an appeals procedure, it shall spell out the time within which the appeal must be taken to the board of adjustment, the possible grounds for an appeal and the board’s authority in the matter, whether the fee must be paid prior to resolution of the appeal, and other procedural or substantive matters related to appeals. Any decision by the board of adjustment shall be subject to review by the superior court by proceedings in the nature of certiorari in the same manner as is provided in G.S. 153A-345.

(g) Payment of Impact Fees. An ordinance authorizing impact fees as herein provided shall spell out when in the process of development approval and construction impact fees shall be paid and by whom. By way of illustration without limitation, the ordinance may provide that an applicant for a building permit shall submit the impact fee along with the permit application and that building permits shall not be issued until the impact fee has been paid.

(h) Refunds. If this section or any ordinance adopted thereunder is declared to be unconstitutional or otherwise invalid, then any impact fees collected shall be refunded to the person paying them together with interest at the rate established under G.S. 105-241.1, being the same rate paid by the Secretary of Revenue on refunds for tax overpayments.

(i) Limitations on Actions.

(1) Any action contesting the validity of an ordinance adopted as herein provided must be commenced not later than nine months after the effective date of such ordinance.
(2) Any action seeking to recover an impact fee must be commenced not later than nine months after the impact fee is paid."

Sec. 18.1. Section 18 of this act shall apply only to Orange County, and applies only within the planning jurisdiction of Orange County.

CHAPTER 464

AN ACT TO EXPAND THE AUTHORITY OF CITIES AND HOUSING AUTHORITIES TO PROVIDE HOUSING FOR PERSONS OF LOW AND MODERATE INCOME.

Whereas, the Federal Government has in recent years significantly reduced its support of housing programs for persons of low and moderate income; and

Whereas, growing federal deficits suggest continued and renewed pressure for further reduction and even elimination of federal housing programs; and

Whereas, the reduction in federal support will unavoidably increase the need for local government action, with or without federal
support, in providing housing for persons of low and moderate income; Now, therefore.

The General Assembly of North Carolina enacts:

Section 1. The existing provisions of G.S. 157-2 are designated as subsection (a) of that section and a new subsection (b) is added to read:

"(b) It is hereby further declared that there is a serious shortage of decent, safe and sanitary housing in North Carolina that can be afforded by persons and families of moderate income; that it is in the best interest of the State to encourage programs to provide housing for such persons without imposing on them undue financial hardship; and that in undertaking such programs a housing authority is promoting the health, welfare and prosperity of all citizens of the State and is serving a public purpose for the benefit of the general public."

Sec. 2. G.S. 157-3(12) is rewritten to read:

"(12) 'Housing project' shall include all real and personal property, buildings and improvements, stores, offices, lands for farming and gardening, and community facilities acquired or constructed or to be acquired or constructed pursuant to a single plan or undertaking:

a. To demolish, clear, remove, alter or repair unsanitary or unsafe housing; and/or

b. To provide safe and sanitary dwelling accommodations for persons of low income, or moderate income, or low and moderate income; and/or

c. To provide safe and sanitary housing for persons of low income, through payment of rent subsidies from any source; and/or

d. To provide grants, loans, interest supplements and other programs of financial assistance (including rent subsidies in furtherance of a program of home ownership) to persons of low income, or moderate income, or low and moderate income, so that such persons may become owners of their own housing or rehabilitate their own housing; and/or

e. To provide grants, loans, interest supplements and other programs of financial assistance to public or private developers of housing for persons of low income, or moderate income, or low and moderate income.

'Housing project' also includes any project that provides housing for persons of other than low or moderate income, as long as at least twenty percent (20%) of the units in the project are set aside for the exclusive use of persons of low income.
The term ‘housing project’ may also be applied to the planning of the buildings and improvements, the acquisition of property, the demolition of existing structures, the construction, reconstruction, alteration and repair of the improvements and all other work in connection therewith."

Sec. 3. G.S. 157-3 is amended by adding two new subdivisions to read:

"(15a) ‘Persons of low income’ means persons in households the annual income of which, adjusted for family size, is not more than sixty percent (60%) of the local area median family income as defined by the most recent figures published by the U.S. Department of Housing and Urban Development.

(15b) ‘Persons of moderate income’ means persons deemed by the authority to require the assistance made available pursuant to this Chapter on account of insufficient personal or family income taking into consideration, without limitation, (i) the amount of the total income of such persons and families available for housing needs, (ii) the size of the person’s family, (iii) the cost and condition of housing facilities available, and (iv) the eligibility of such persons and families for federal housing assistance of any type predicated upon a moderate or low and moderate income basis."

Sec. 4. Chapter 157 of the General Statutes is amended by adding a new section to read:

"§ 157-9.2. Mixed income projects owned or operated by authorities.—If an authority is the owner or operator of a housing project that includes units for persons of other than low or moderate income, the operating expenses of that project (or of all such projects, together, owned or operated by the authority) shall be met entirely from rents from the project (or projects) together with any rent subsidies provided to low income tenants in the project (or projects). No rent subsidy may be provided to any tenant who is not a person of low income, and no rent subsidy may be paid from bond proceeds."

Sec. 4.1. Chapter 157 of the General Statutes is amended by adding a new section to read:

"§ 157-9.3. Multi-family rental housing projects.—(a) If an authority owns, operates, or provides financial assistance to a multi-family rental housing project, at least twenty percent (20%) of the units in the project shall be set aside for the exclusive use of persons of low income. An authority may group projects being developed concurrently in order to meet the requirement of this subsection.

(b) If an authority provides financial assistance to a multi-family rental housing project, the authority shall establish, as a condition of the assistance, requirements and procedures that insure that all units
initially set aside for the exclusive use of persons of low income continue to be so used for at least 15 years after the initial date on which at least fifty percent (50%) of the units in the project are occupied."

Sec. 5. G.S. 157-29 is rewritten to read:

"§ 157-29. Rentals and tenant selection.--(a) It is hereby declared to be the policy of this State that each housing authority shall manage and operate its housing projects in an efficient manner so as to enable it to fix the cost of dwelling accommodations for persons of low income at the lowest possible rates consistent with its providing decent, safe, and sanitary dwelling accommodations. No housing authority may construct or operate its housing projects so as to provide revenues for other activities of the city.

(b) In the operation or management of housing projects, or portions of projects, for persons of low income, an authority shall at all times observe the following duties with respect to rentals and tenant selection:

(1) It may rent or lease dwelling accommodations set aside for persons of low income only to persons who lack the amount of income which is necessary (as determined by the housing authority undertaking the project) to enable them, without financial assistance, to live in decent, safe, and sanitary dwellings, without overcrowding; and

(2) It may rent or lease dwelling accommodations to persons of low income only at rentals within the financial reach of such persons.

(c) An authority may not terminate or refuse to renew a rental agreement other than for a serious or repeated violation of a material term of the rental agreement such as (i) failure to make payments due under the rental agreement, if such payments were properly and promptly calculated according to applicable HUD regulation, without regard to fault on the part of the tenant, (ii) failure to fulfill the tenant obligations set forth in 24 C.F.R. Section 966.4(f) or other applicable provisions of federal law as they may be amended from time to time, or (iii) other good cause. Except in the case of failure to make payments due under a rental agreement, fault on the part of a tenant may be considered in determining whether good cause exists to terminate a rental agreement."

Sec. 6. G.S. 160A-209(c) is amended by adding a new subdivision (15a) to read:
"(15a) Housing. To undertake housing projects as defined in G.S. 157-3, and urban homesteading programs under G.S. 160A-457.2."

Sec. 7. G.S. 159-48(d) is amended by adding a new subdivision (7) at the end to read:

No rent subsidy may be paid from bond proceeds."

Sec. 8. Chapter 160A of the General Statutes, Article 19, Part 8 is amended by adding a new Section 160A-457.2, to read:

"§ 160A-457.2. Urban homesteading programs.--A city may establish a program of urban homesteading, in which residential property of little or no value is conveyed to persons who agree to rehabilitate the property and use it, for a minimum number of years, as their principal place of residence. Residential property is considered of little or no value if the cost of bringing the property into compliance with the city's housing code exceeds sixty percent (60%) of the property's appraised value on the county tax records. In undertaking such a program a city may:

(1) Acquire by purchase, gift or otherwise, but not eminent domain, residential property specifically for the purpose of reconveyance in the urban homesteading program or may transfer to the program residential property acquired for other purposes, including property purchased at a tax foreclosure sale.

(2) Under procedures and standards established by the city, convey residential property by private sale under G.S. 160A-267 and for nominal monetary consideration to persons who qualify as grantees.

(3) Convey property subject to conditions that:

(a) Require the grantee to use the property as his or her principal place of residence for a minimum number of years,

(b) Require the grantee to rehabilitate the property so that it meets or exceeds minimum code standards,

(c) Require the grantee to maintain insurance on the property,
(d) Set out any other specific conditions (including, but not limited to, design standards) or actions that the city may require, and
(e) Provide for the termination of the grantee's interest in the property and its reversion to the city upon the grantee's failure to meet any condition so established.
(4) Subordinate the city's interest in the property to any security interest granted by the grantee to a lender of funds to purchase or rehabilitate the property."

Sec. 9. Chapter 160A of the General Statutes, Article 12 is amended by adding a new section to read:
"§ 160A-278. Lease of land for housing.--A city may lease land upon such terms and conditions as it deems wise to any person, firm or corporation who will use the land to construct housing for the benefit of persons of low income, or moderate income, or low and moderate income. Such a housing project may also provide housing to persons of other than low or moderate income, as long as at least twenty percent (20%) of the units in the project are set aside for the exclusive use of persons of low income. Despite the provisions of G.S. 160A-272, a lease authorized pursuant to this section may be made by private negotiation and may extend for longer than 10 years. Property may be leased under this section only pursuant to a resolution of the council authorizing the execution of the lease adopted at a regular council meeting upon 10 days' public notice. Notice shall be given by publication describing the property to be leased, stating the value of the property, stating the proposed consideration for the lease, and stating the council's intention to authorize the lease."

AN ACT TO AUTHORIZE THE TOWN OF CALABASH TO LEVY SPECIAL ASSESSMENTS TO MEET A PORTION OF THE COSTS OF CONSTRUCTING WATER LINES AND DISTRIBUTION SYSTEM PRIOR TO CONSTRUCTION OR COMPLETION OF SUCH A SYSTEM, SUBJECT TO A REFERENDUM.

Whereas, the Town of Calabash is without water distribution facilities, all water needs within the Town presently being met by private wells, and the health and safety of the Town requires construction of a water distribution system; and

Whereas, preliminary plans for installing a water distribution system and facilities at a cost of one hundred sixty thousand dollars ($160,000) have been developed; and

Whereas, the Town of Calabash has currently within its general account a surplus of funds in the amount of forty thousand dollars ($40,000); and

Whereas, the Town Council of the Town of Calabash, on the 9th day of March, 1987, did resolve that part of the costs of constructing the water distribution facility be met from special assessments against the property to be served and improved prior to construction or completion of the project and in the future (monies may be held in abeyance, without interest, until improvements have been connected and properties served in the sole discretion of the Town Council as provided by law); and

Whereas, the Town Council of the Town of Calabash has adopted a preliminary resolution of special assessment and that a public hearing thereon was duly held as provided by G.S. 160A-223, G.S. 160A-224; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. The Town Council of the Town of Calabash may levy special assessments to meet a projected seventy-five percent (75%) of water distribution facility construction cost. The assessment rolls will become effective on a date set by the Town Council that is at least 30 days following a formal advertising for bids of the proposed work. The Town Council shall levy the special assessments in accord with a schedule that it develops and that is based upon front footage of property on a street or abutting the project, the area of the land served or subject to being served, the value added to the land served by the project, the type of property being served (commercial or residential) or a combination of these factors. The maximum special assessment that the Town Council may levy against any property may not exceed
the greater of the following:

(1) Four hundred dollars ($400.00) per 60 foot residential lot or fraction thereof.

(2) Three thousand dollars ($3,000) for heavy commercial property.

(3) One thousand dollars ($1,000) for light commercial property.

The Council may cause notice of the amount of assessment for each parcel of land assessed to be sent by mail to the owner thereof as shown on the tax records of the Town prior to confirmation of the assessment roll, any provision of G.S. 160A-224 to the contrary.

Sec. 2. The Town Council of the Town of Calabash may give owners of assessed property the option of paying the assessment either in cash or in installments, provided however, that the period over which such installments are paid does not exceed 90 days from the date the assessment roll is confirmed. Any portion of an assessment that is not paid within 30 days after publication of the notice that the assessment roll has been confirmed shall bear interest until paid at a rate to be fixed in the assessment resolution but not more than ten percent (10%) per annum. In the event payment is not made within 90 days, collection may be enforced in accordance with the law for foreclosure of property tax liens.

Sec. 3. In the event the execution of a contract or contracts covering the proposed work is not forthcoming within 120 days from the date the assessment roll is confirmed, all assessments for the purpose of meeting a portion of the costs of constructing water distribution facilities paid to the Town of Calabash shall be returned to each payee within 30 days with interest at not less than six percent (6%) per annum for the period each assessment is held by the Town; however, interest shall not be paid on any assessment funds for a period in excess of 90 days.

Sec. 4. All assessment funds received by the Town of Calabash may be deposited in a special interest bearing account and any interest earned and retained by the Town shall be used to offset expenses incurred with regards to the water distribution facilities.

Sec. 5. In levying the special assessments, the Town Council shall follow, insofar as practicable, the procedure set forth in Article X of Chapter 160A of the North Carolina General Statutes except as modified by this act.

Sec. 6. Sections 1 through 5 of this act shall become effective only if approved by the qualified voters of the Town of Calabash in a referendum. The referendum shall be conducted by the board of elections which conducts elections for that town. The date of the
referendum shall be November 3, 1987. The question on the ballot shall be:

"[ ] FOR authorizing the Town of Calabash to levy special assessments to meet a portion of the costs of constructing water lines and distribution systems prior to construction or completion of such a system.

[ ] AGAINST authorizing the Town of Calabash to levy special assessments to meet a portion of the costs of constructing water lines and distribution systems prior to construction or completion of such a system."

If a majority of the votes cast theron are in favor of the question, then Sections 1 through 5 of this act shall become effective. Otherwise, they shall not. The election shall be conducted in accordance with Chapter 163 of the General Statutes, except as otherwise provided by this act.

CHAPTER 472

AN ACT TO AUTHORIZE CALDWELL COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Caldwell County Board of Commissioners may by resolution, after not less than 10 days’ public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish
to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day’s omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Distribution and use of tax revenue. Caldwell County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Caldwell County Chamber of Commerce. The chamber of commerce may use up to fifteen percent (15%) of the funds remitted to it under this subsection for administrative expenses related to promoting tourism and industrial growth in the county. The chamber of commerce may spend the remainder of the funds only as follows: fifty percent (50%) to promote travel and tourism in Caldwell County and to sponsor tourist-oriented events and activities in Caldwell County; and fifty percent (50%) to promote industrial and economic
growth in Caldwell County. The chamber of commerce shall report quarterly and at the close of the fiscal year to the board of commissioners on its expenditures of the funds remitted to it under this subsection for the preceding quarter and for the year in such detail as the board may require. As used in this subsection, "net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Caldwell County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. Any tax enacted pursuant to this act shall not apply to the Caldwell County portion of the Town of Blowing Rock.

Sec. 3. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 25th day of June, 1987.

AN ACT TO ADOPT THE UNIFORM PREMARITAL AGREEMENT ACT.

The General Assembly of North Carolina enacts:

Section 1. The General Statutes are amended by adding the following new Chapter:

"Chapter 52B.

"Uniform Premarital Agreement Act.

"§ 52B-1. Short title.--This Chapter may be cited as the 'Uniform Premarital Agreement Act'.

"§ 52B-2. Definitions.--As used in this Chapter:
(1) 'Premarital agreement' means an agreement between prospective spouses made in contemplation of marriage and to be effective upon marriage.

(2) 'Property' means an interest, present or future, legal or equitable, vested or contingent, in real or personal property, including income and earnings.

"§ 52B-3. Formalities.--A premarital agreement must be in writing and signed by both parties. It is enforceable without consideration.

"§ 52B-4. Content.--(a) Parties to a premarital agreement may contract with respect to:

(1) the rights and obligations of each of the parties in any of the property of either or both of them whenever and wherever acquired or located;

(2) the right to buy, sell, use, transfer, exchange, abandon, lease, consume, expend, assign, create a security interest in, mortgage, encumber, dispose of, or otherwise manage and control property;

(3) the disposition of property upon separation, marital dissolution, death, or the occurrence or nonoccurrence of any other event;

(4) the modification or elimination of spousal support;

(5) the making of a will, trust, or other arrangement to carry out the provisions of the agreement;

(6) the ownership rights in and disposition of the death benefit from a life insurance policy;

(7) the choice of law governing the construction of the agreement; and

(8) any other matter, including their personal rights and obligations, not in violation of public policy or a statute imposing a criminal penalty.

(b) The right of a child to support may not be adversely affected by a premarital agreement.

"§ 52B-5. Effect of marriage.--A premarital agreement becomes effective upon marriage.

"§ 52B-6. Amendment, revocation.--After marriage, a premarital agreement may be amended or revoked only by a written agreement signed by the parties. The amended agreement or the revocation is enforceable without consideration.

"§ 52B-7. Enforcement.--(a) A premarital agreement is not enforceable if the party against whom enforcement is sought proves that:

(1) that party did not execute the agreement voluntarily; or
(2) the agreement was unconscionable when it was executed and, before execution of the agreement, that party:

(i) was not provided a fair and reasonable disclosure of the property or financial obligations of the other party;

(ii) did not voluntarily and expressly waive, in writing, any right to disclosure of the property or financial obligations of the other party beyond the disclosure provided; and

(iii) did not have, or reasonably could not have had, an adequate knowledge of the property or financial obligations of the other party.

(b) If a provision of a premarital agreement modifies or eliminates spousal support and that modification or elimination causes one party to the agreement to be eligible for support under a program of public assistance at the time of separation or marital dissolution, a court, notwithstanding the terms of the agreement, may require the other party to provide support to the extent necessary to avoid that eligibility. Before the court orders support under this subsection, the court must find that the party for whom support is ordered is a dependent spouse, as defined by G.S. 50-16.1, and that there are grounds for alimony under G.S. 50-16.2 or alimony pendente lite under G.S. 50-16.3.

(c) An issue of unconscionability of a premarital agreement shall be decided by the court as a matter of law.

"§ 52B-8. Enforcement: void marriage.--If a marriage is determined to be void, an agreement that would otherwise have been a premarital agreement is enforceable only to the extent necessary to avoid an inequitable result.

"§ 52B-9. Limitation of actions.--Any statute of limitations applicable to an action asserting a claim for relief under a premarital agreement is tolled during the marriage of the parties to the agreement. However, equitable defenses limiting the time for enforcement, including laches and estoppel, are available to either party.

"§ 52B-10. Application and construction.--The Uniform Premarital Agreement Act shall be applied and construed to effectuate its general purpose to make uniform among the states enacting it, the law on premarital agreements.

"§ 52B-11. Severability.--If any provision of this Chapter or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the Chapter which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable."
Sec. 2. The Revisor of Statutes shall cause the Comments to each section to be printed with the section in the General Statutes. The Comments appear in the Premarital Agreement Act published by the National Conference of Commissioners on Uniform State Laws and approved by the American Bar Association, February 13, 1984. The Revisor of Statutes also shall cause the following comment to be printed with G.S. 52B-4: 
"If the parties contract with respect to the ownership rights in and disposition of the death benefit from a life insurance policy and the provisions of the premarital contract conflict with the provisions of the life insurance policy, the provisions of the life insurance policy shall prevail with respect to payment by the insurance company but not with respect to the rights of the parties to the premarital agreement."

Sec. 3. This act shall become effective July 1, 1987, and shall apply to any premarital agreement executed on or after that date.

In the General Assembly read three times and ratified this the 25th day of June, 1987.

(b)(1) It shall be unlawful for a person to operate a vehicle in the State parks and forests road system at a speed in excess of twenty-five miles per hour (25 mph). When the Secretary of Natural Resources and Community Development determines that this speed is greater than reasonable and safe under the conditions found to exist in the State parks and forests road system, the Secretary may establish a lower reasonable and safe speed limit. No speed limit established by the Secretary pursuant to this provision shall be effective until posted in the part of the system sought to be affected.

(2) Any person convicted of violating this subsection by operating a vehicle on the State parks and forests road system in excess of twenty-five miles per hour (25 mph) and at least fifteen miles per hour (15 mph) over the legal limit while fleeing or attempting to elude arrest or apprehension by a law enforcement officer with authority to enforce the motor vehicle laws, shall be punished as provided in G.S. 20-141(j).

(3) For the purposes of enforcement and administration of Chapter 20, the speed limits stated and authorized to be adopted by this section are speed limits under Chapter 20.

(4) The Secretary may designate any part of the State parks and forests road system for one-way traffic and shall erect appropriate signs giving notice thereof. It shall be a violation of G.S. 20-165.1 for any person to willfully drive or operate any vehicle on any part of the State parks and forests road system so designated except in the direction indicated.

(5) The Secretary shall have power, equal to the power of local authorities under G.S. 20-158 and G.S. 20-158.1, to place vehicle control signs and signals and yield-right-of-way signs in the State parks and forests road system; the Secretary also shall have power to post such other signs and markers and mark the roads in accordance with Chapter 20 as the Secretary may determine appropriate for highway safety and traffic control. The failure of any vehicle driver to obey any vehicle control sign or signal, or any yield-right-of-way sign placed under the authority of this section in the State parks and forests road system shall be an infraction and shall be punished as provided in G.S. 20-176.

(c) The Secretary of Natural Resources and Community Development may, by rule, regulate parking and establish parking areas, and provide for the removal of illegally parked motor vehicles on the State parks and forests road system. Any rule of the Secretary shall be consistent with the provisions of G.S. 20-161, 20-161.1, and

(d) A violation of the rules issued by the Secretary of Natural Resources and Community Development under subsection (c) of this section is an infraction pursuant to G.S. 20-162.1, and shall be punished as therein provided. These rules may be enforced by the Commissioner of Motor Vehicles, the Highway Patrol, or other law enforcement officers of the State, counties, cities or other municipalities having authority under Chapter 20 to enforce laws or rules on travel or use or operation of vehicles or the use or protection of the highways of the State.

(e) The provisions of Chapter 20 are applicable at all times to the State parks and forests road system, including closing hours, regardless of the fact that during closing hours the State parks and forests road system is not open to the public as a matter of right.

Sec. 2. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 25th day of June, 1987.
AN ACT TO REWRITE THE CHARTER OF THE TOWN OF CARRBORO.

The General Assembly of North Carolina enacts:

Section 1. The Charter of the Town of Carrboro is rewritten to read:

"Article 1. Incorporation. Boundaries, General Powers
Section 1-1. Incorporation and Powers. The Town of Carrboro, heretofore incorporated by the General Assembly, shall continue to operate as a body politic and corporate under the name and style of the 'Town of Carrboro.' Under that name, the town and its officers and employees shall have all of the powers, duties, rights, privileges, and immunities conferred and imposed on cities by the general law of North Carolina and by this charter.

Section 1-2. Corporate Boundaries. The corporate boundaries of the Town of Carrboro shall be those established by Chapter 660 of the Session Laws of 1969 and Chapter 71 of the Session Laws of 1975 as amended by annexations conducted since the effective dates of those acts. An official map of the current town boundaries shall be kept on file in the office of the town clerk.

"Article 2. Organization and Administration
Section 2-1. Governing Body. (a) The governing body of the Town of Carrboro shall consist of a mayor and six aldermen, elected as provided in Section 2-2. The governing body shall be known as the Board of Aldermen.

(b) A majority of the actual membership of the governing body, excluding vacant seats, shall constitute a quorum. Therefore, assuming no vacant seats or one vacant seat, a quorum shall consist of four aldermen or three aldermen plus the mayor.

(c) The mayor shall preside at all meetings of the governing body and shall have the right and responsibility to vote on all issues to the same extent as any other member of the board of aldermen.

(d) An affirmative vote equal to a majority of the members of the governing body not excused from voting on the issue, (i.e., assuming no member is excused, four aldermen or three aldermen plus the mayor) shall be required to adopt an ordinance, take any action having the effect of an ordinance, or make, ratify, or authorize any contract on behalf of the town. In addition, no ordinance nor any action having the effect of any ordinance may be finally adopted on the date on which it is introduced except by an affirmative vote equal to or greater than two thirds of all the actual membership of the governing body (excluding vacant seats) unless the board has first held a public
hearing on the ordinance. Therefore, assuming no vacant seats, unless the governing body first holds a public hearing on an ordinance that ordinance may not be adopted on the date it is introduced except by an affirmative vote of five aldermen or four aldermen plus the mayor. For purposes of this subsection, an ordinance shall be deemed to have been introduced on the date the subject matter is first voted on by the board. This subsection does not modify G.S. 159-17. 

Section 2-2. Election of Mayor and Aldermen. (a) The mayor and the aldermen shall be elected by the voters of the entire town. The mayor shall be elected for a term of two years and the aldermen shall be elected for staggered terms of four years.

(b) The municipal elections in the Town of Carrboro shall be nonpartisan and decided by a simple plurality. No primary elections shall be held. The municipal elections shall be conducted pursuant to the applicable provisions of Chapter 163 of the North Carolina General Statutes, particularly Articles 23 and 24 thereof.

(c) In the municipal elections to be held in 1987, and every two years thereafter, the mayor shall be elected for a term of two years. In the 1987 election (and the municipal elections held every four years thereafter), three aldermen shall be elected to fill the seats of the aldermen whose terms expire in 1987 (and every four years thereafter). In the municipal elections to be held in 1989 (and every four years thereafter), three aldermen shall be elected to fill the seats of the aldermen whose terms expire in 1989 (and every four years thereafter).

(d) In the general municipal election the candidate receiving the highest number of votes for mayor shall be elected. The three candidates in such election receiving the highest number of votes for the office of alderman shall be elected for full four-year terms. If it is also necessary to elect one or more aldermen to fill the unexpired terms of one or more aldermen whose offices were vacated, the person receiving the fourth highest number of votes for aldermen (and, if necessary, the fifth and the sixth highest number of votes) shall be elected for the unexpired term or terms.

Section 2-3. Special and Emergency Meetings of Governing Body. (a) For purposes of this section, a ‘special meeting’ of the board of aldermen means any meeting not held at the board’s regular time and place, other than an emergency meeting or a recessed or adjourned session of a regular or special meeting. An ‘emergency meeting’ means a meeting generally called because of unexpected circumstances that require immediate attention such that it is not possible or practicable or prudent to provide the 48 hours advance notice required for special meetings.
(b) A special or emergency meeting may be called by resolution of the board. The mayor, mayor pro tempore, or any two aldermen may also call a special or emergency meeting by signing a written notice stating the time and place of the meeting. Such notice of a special meeting shall be delivered to the mayor and each alderman or left at his usual dwelling place at least 48 hours before the meeting. Such notice of an emergency meeting shall be delivered to the mayor and each alderman or left at his usual dwelling place as soon as reasonably possible after such meeting is called. The town clerk shall also attempt to notify each member of the governing body by telephone as soon as reasonably possible after an emergency meeting is called.

(c) At a special meeting, the board may consider any subject or take any action that could be considered or taken at a regular meeting, unless some provision of general law specifically requires that a matter be considered or action taken only at a regular meeting. At an emergency meeting, only business connected with the emergency may be considered.

Section 2-4. Manager, Clerk, Attorney Appointed by Board. The board of aldermen shall appoint a manager, clerk, and attorney, all of whom shall serve at the pleasure of the board.

Section 2-5. Council-Manager Form of Government. The Town of Carrboro shall operate under the council-manager form of government.

"Article 3. Finance, Taxation, Contract

Section 3-1. Privilege License Tax. The town may levy privilege license taxes on all trades, occupations, professions, businesses, and franchises carried on within the town unless such trade, occupation, profession, business, or franchise has been completely exempted from municipal privilege license taxes under State law.

Section 3-2. Referendum on Property Tax Levy. As provided in G.S. 160A-209(e), with an approving vote of the people the town may levy property taxes for any purpose for which the town is authorized by this charter or general law to appropriate money. In addition, in calling a referendum on the approval of a property tax levy, the board of aldermen shall not be subject to the limitation set forth in G.S. 160A-209(e) that such a referendum may not be held on the day of any federal, State, district, or county election already validly called at the time the tax referendum is called.

Section 3-3. Execution of Contracts. Properly authorized contracts, deeds, or other instruments shall generally be executed on behalf of the town by the town manager and attested by the town clerk. The
board of aldermen may by ordinance authorize other officials (such as an assistant town manager or deputy clerk) to execute or attest such documents in the absence of the clerk and may, by resolution, authorize other officials (such as the mayor or mayor pro tempore) to execute specific documents.

"Article 4. Town Property

Section 4-1. Sale and Disposition of Property. (a) Notwithstanding the provisions of Articles 12 and 22 of G.S. 160A or any other provision of law, the Town of Carrboro, may in selling property acquired within a redevelopment area or a community development area, reject the highest responsible bid and accept a lessor bid when the board of aldermen finds in a resolution authorizing the sale that:

(1) The proposed use or development of the land under the bid proposed for acceptance will result in an assessed valuation for ad valorem taxation greater than that of the use or uses proposed by the higher bidders; or

(2) The proposed use or development of the land under the bid proposed for acceptance will have a substantially greater beneficial effect upon neighboring property, the redevelopment or community development area, or the community as a whole than the use or uses proposed by the higher bidders, or will tend to induce greater investment in the development of other property in the area; or

(3) The proposed use or development of the land under the bid proposed for acceptance will facilitate the relocation of persons or firms displaced by redevelopment or community development projects to a substantially greater degree than the use or uses proposed by the higher bidders.

(b) Whenever in opening, extending or widening any street, avenue, alley or public place of the town a small parcel or tract of land is cut off or separated by such work from a larger tract of land owned by the town, the board of aldermen may authorize the town manager to execute and deliver in the name of the town a deed conveying the separated parcel or tract of land to an abutting or adjoining property owner or owners in exchange for rights-of-way for the street, avenue, alley or public place or in settlement of any alleged damages sustained by the abutting or adjoining property owner. All deeds and conveyances heretofore or hereafter so executed and delivered shall convey all title and interest the town has in such property notwithstanding no public sale after advertisement was, or is hereafter, made.

653
Section 4-2. Trespassing on Town Property. The town may, by ordinance, make it a misdemeanor for any person to refuse to vacate any land, building, or facility owned, leased, or otherwise occupied, used or under the possession of the town, when directed to do so by an order of the town manager, any police officer, or the town administrative official or employee in charge of such land.

"Article 5. Special Assessments

Section 5-1. Street Improvements Special Assessments. (a) Under the circumstances specified in subsection (b), the board of aldermen may levy special assessments for street and sidewalk improvements without regard for the petition requirements of G.S. 160A-217. However, except as modified expressly or by necessary implication by this section, all of the other provisions of Article 10 of Chapter 160A (including the preliminary resolution notice and hearing requirements) shall be applicable to assessments made without a petition.

(b) The board of aldermen may exercise the authority granted in subsection (a) with respect to the following types of streets located within the town:

1. Unpaved streets that connect two paved streets;
2. Unpaved extensions of streets that are partially paved; and
3. Unpaved streets where the board receives a petition for the improvements signed by at least a majority in number of the owners of property to be assessed who reside on that street, who must represent at least a majority of all the lineal feet of frontage on the street to be improved that is owned by persons who reside on that street.

(c) Whenever the authority granted in subsection (a) is used, the board of aldermen shall assess to abutting property owners the same percentage of the cost of the project that, by formally adopted town policy, would be assessed if the project were undertaken pursuant to the procedures set forth in G.S. 160A-217.

Section 5-2. Sidewalk Improvements Assessment in Business Areas.

(a) With respect to the streets specified in subsection (b), the board of aldermen may levy special assessments for sidewalk improvements without regard for the petition requirements of G.S. 160A-217. However, except as modified expressly or by necessary implication by this section, all of the other provisions of Article 10 of Chapter 160A (including the preliminary resolution notice and hearing requirements) shall be applicable to assessments made without a petition.

(b) The board of aldermen may exercise the authority granted in subsection (a) with respect to those portions of the following streets that are located within the town's business or industrial zoning
districts: Main Street, Weaver Street, Greensboro Street and Merritt Mill Road.

(c) Whenever the authority granted in subsection (a) is used, the board of aldermen shall assess to abutting property owners the same percentage of the cost of the project that, by formally adopted town policy, would be assessed if the project were undertaken pursuant to the procedures set forth in G.S. 160A-217.

Section 5-3. Assessments for Lateral Utility Connections When Streets Improved. Whenever the town undertakes a street improvement special assessment project, it may in the course of that project install lateral connections from utility lines lying underneath the street to adjacent undeveloped properties and may add the cost of such lateral connections to the assessment otherwise determined for the properties so improved.

"Article 6. Capital Facilities Fees
"Part 1. Impact Fees

Section 6-1. Impact Fees Authorized. (a) The board of aldermen may provide by ordinance for a system of impact fees to be paid by developers to help defray the costs to the town of constructing certain capital improvements, the need for which is created in substantial part by the new development that takes place within the town and its extraterritorial planning area.

(b) For purposes of this part, the term capital improvements includes capital improvements to public streets, bridges, sidewalks, and on and off street surface water drainage ditches, pipes, culverts, and other drainage facilities.

(c) An ordinance adopted under this part may be made applicable to all development that occurs within the town and its extraterritorial planning area, as established by local act or pursuant to the procedures set forth in G.S. 160A-360.

(d) The town may, with the approval of the Orange County Board of Commissioners, construct capital improvements outside the town limits but within the town's extraterritorial planning area and may cooperate with the State in the construction of capital improvements to State highway system streets within this area as well as within the town.

Section 6-2. Amount of Fees. (a) In establishing the amount of any impact fee, the town shall endeavor to approach the objective of having every development contribute to a capital improvements fund an amount of revenue that bears a reasonable relationship to that development's fair share of the costs of the capital improvements that are needed in part because of that development. In fulfilling this
objective the Board of Aldermen shall, among other steps and actions:

(1) Estimate the total cost of improvements by category (e.g., streets, sidewalks, drainage ways, etc.) that will be needed to provide in a reasonable manner for the public health, safety and welfare of persons residing within the town and its extraterritorial planning area during a reasonable planning period not to exceed 20 years and that, consistent with the objectives set forth herein, ought to be paid for at least in part by impact fees. The Board may divide the town and its extraterritorial area into two or more districts and estimate the costs of needed improvements within each district. These estimates shall be periodically reviewed and updated, and the planning period used may be changed from time to time.

(2) Establish a percentage of the total costs of each category of improvement that, in keeping with the objective set forth above, should fairly be borne by those paying the impact fee.

(3) Establish a formula that fairly and objectively apportions the total costs that are to be borne by those paying impact fees among various types of developments. By way of illustration without limitation:

a. In the case of street improvements, the impact fee may be related to the number of trips per day generated by different types of uses according to recognized estimates;

b. In the case of drainage improvements, the impact fee may be related to the size of a development, the amount of impervious surface the development has, or other factors that bear upon the degree to which a development contributes to the need for drainage improvements made at public expense.

Section 6-3. Capital Improvements Reserve Funds: Expenditures. (a) Impact fees received by the town shall be deposited in a capital improvement's reserve fund or funds established under Article 3, Part 2, Chapter 159 of the General Statutes. Such funds may be expended only on the type of capital improvements for which such impact fees were established, and then only in accordance with the provision of subsection (b) of this section.

(b) In order to ensure that impact fees paid by a particular development are expended on capital improvements that benefit that development, the town shall establish for each category of capital improvement for which it collects an impact fee at least two
geographical districts or zones, and impact fees generated by developments within those districts or zones must be spent on improvements that are located within or that benefit property located within those districts or zones.

Section 6-4. Credits for Improvements. An ordinance adopted under this part shall make provision for credits against required fees when a developer installs improvements of a type that generally would be paid for by the town out of a capital reserve account funded by impact fees. The ordinance may spell out the circumstances under which a developer will be allowed to install such improvements and receive such credits.

Section 6-5. Appeals Procedure. An ordinance adopted under this part may provide that any person aggrieved by a decision regarding an impact fee may appeal to the Carrboro Board of Adjustment. If the ordinance establishes an appeals procedure, it shall spell out the time within which the appeal must be taken to the board of adjustment, the possible grounds for an appeal and the board’s authority in the matter, whether the fee must be paid prior to resolution of the appeal, and other procedural or substantive matters related to appeals. Any decision by the board of adjustment shall be subject to review by the superior court by proceedings in the nature of certiorari in the same manner as is provided in G.S. 160A-388(e).

Section 6-6. Payment of Impact Fees. An ordinance adopted under this Part shall spell out when in the process of development approval and construction impact fees shall be paid and by whom. By way of illustration without limitation, the ordinance may provide that an applicant for a building permit shall submit the impact fee along with the permit application and that building permits shall not be issued until the impact fee has been paid.

Section 6-7. Refunds. If this Part or any ordinance adopted hereunder is declared to be unconstitutional or otherwise invalid, then any impact fees collected shall be refunded to the person paying them together with interest at the rate established under G.S. 105-241.1, being the same rate paid by the Secretary of Revenue on refunds for tax overpayments.

Section 6-8. Limitations on Actions. (a) Any action contesting the validity of an ordinance adopted under this Part must be commenced not later than nine months after the effective date of such ordinance.

(b) Any action seeking to recover an impact fee must be commenced not later than nine months after the impact fee is paid, unless the ordinance establishing the impact fee provides for an appeal
to the board of adjustment as provided in Section 6-5, in which case any shorter appeal period set forth in such ordinance shall control.

"Part 2. Other Fees

Section 6-9. Off-Street Parking Fund. The board of aldermen may establish a fund into which payments from individual firms, persons, corporations, or property owners shall be deposited for the purpose of providing off-street parking facilities, and from which appropriations shall be made exclusively for the purpose of organizing, establishing, developing, or enlarging off-street parking facilities within the town. The board of aldermen may provide in its land use ordinance that all developers must either provide adequate off-street parking (on site or off site) to serve their developments, or pay a fee to the town's off-street parking facilities fund based on the number of required parking spaces not provided.

Section 6-10. Recreation Fees in Lieu of Facilities. The board of aldermen may establish a fund into which payments from developers or property owners may be deposited for the purpose of providing open space areas or recreational facilities and from which appropriations shall be made exclusively for the purpose of acquiring or improving open space areas or recreational facilities that are reasonably expected to benefit or serve the residents of the development generating such funds. The board of aldermen may provide in its land use ordinance that all developers or developers of certain types of projects shall either provide open space and recreational facilities according to standards set forth in the ordinance or pay a fee in accordance with a town-established schedule to the town's open space and recreational facilities fund. The town may also provide in the land use ordinance that, under specified circumstances, such fee shall be required in lieu of the reservation or dedication of open space or recreational facilities.

"Article 7. Eminent Domain

Section 7-1. Purposes for Which Power of Eminent Domain May Be Exercised. The power of eminent domain may be exercised by the town for any purpose authorized by general law or by this charter. Without limiting the foregoing, as applied to the town the phrase 'roads, streets, alleys, and sidewalks' contained in G.S. 40A-3(b)(1) shall be deemed to include bikeways, bikepaths, and other facilities designed for travel by the bicycle-riding public, whether or not combined with streets, sidewalks, paths, or other public ways used for transportation by vehicles or pedestrians.
"Article 8. Regulation of Streets, Sidewalks, Bikeways, Parking, Etc.

Section 8-1. Regulation of Vehicles Considered Abandoned. In addition to the authorization set forth in G.S. 160A-303(b), the town may, by ordinance, define an abandoned vehicle to include any motor vehicle parked under the circumstances listed below and may enforce such ordinance by towing under any ordinance adopted pursuant to the authorization contained in G.S. 160A-303:

(1) Any motor vehicle that is left on property owned, leased, or operated by the town contrary to an ordinance prohibiting parking thereon during specified times or in excess of specified durations.

(2) Any motor vehicle that has been left on private property in a properly designated fire lane in violation of an ordinance prohibiting parking in such specifically designated fire lanes.

Section 8-2. Bikeways. The board of aldermen may adopt ordinances regulating the use of bikeways (thoroughfares suitable for bicycles) within the town, whether such bikeways exist within the rights-of-way of public streets or along separate and independent corridors. Without limiting the foregoing, such ordinances may establish traffic regulations for bicycles travelling in designated bikeways different than those established for other types of vehicular traffic.

Section 8-3. Regulating Railroad Crossing. (a) Whenever the board of aldermen concludes, based upon a record of accidents or near accidents or the opinion of a professional traffic engineer or transportation planner deemed qualified by the board that a particular grade crossing located inside or within 500 yards of the corporate boundaries of the town is especially hazardous, the board may adopt an ordinance requiring the railroad company to install and maintain such warning signs, gates, lights or devices as the board deems reasonably necessary in the interest of public safety. The ordinance may provide that up to seventy-five percent (75%) of the cost of the acquisition and installation (or replacement) of such devices as well as one hundred percent (100%) of the maintenance cost shall be borne by the railroad, and the remaining cost shall be borne by the town.

(b) The intent of the section is to modify the provisions of G.S. 160A-298 as they would otherwise apply to the Town of Carrboro.

Section 8-4. Removal of Unauthorized Vehicles from Private Property. (a) Subject to subsection (b) of this section, any motor vehicle left on private property within the town of Carrboro for more than 24 hours
in an area described in subsection (b)(1) or for any period of time in an area described in subsections (b)(2) and (b)(3) without permission of the person or party having possession (actual or constructive) of such property may be removed by or at the direction of such party to a place of storage, and the registered owner of such motor vehicle shall become liable for removal and storage charges. No person shall be held to answer in any civil or criminal action to any owner, lien holder or other person legally entitled to the possession of any motor vehicle removed under this section except where the person or party against whom liability is asserted acted maliciously in directing the removal of the vehicle or negligently in towing or storing the vehicle.

(b) The provisions of subsection (a) shall apply only to the following areas:

(1) Private roads, including adjacent shoulders, sidewalks, and medians, so long as at every entrance to such private road or at every entrance to a subdivision or development containing private roads, there is prominently displayed a sign that contains the following message or any equally explicit message, printed in letters at least three inches high: ‘Private Road. No Parking In Or Along Road, Violators Towed At Their Expense.’ Such sign shall also display a telephone number to be called for information about a towed vehicle.

(2) Privately owned parking lots or areas, regardless of whether such lots or areas fall within the definition of ‘public vehicular areas’ contained in G.S. 20-4.01(32), so long as there is prominently displayed at every entrance to such lots or areas a sign that clearly informs, in letters at least three inches in height, any person driving a motor vehicle onto such lot or areas:

a. Either that (i) parking within such lot is restricted in a manner indicated in such entrance sign, or (ii) parking within such lot is restricted in a manner indicated in signs placed throughout the lot, (and such signs are placed in such a manner and location as reasonably to inform persons seeking to park in specific spaces what limitations apply to such spaces); and

b. That violators may be towed at their expense; and

c. What the telephone number is that should be called for information about a towed vehicle. (This information may be in letters or numbers less than three inches in height.)
(3) Any driveway or parking space that is manifestly designed to serve a single family or two-family private residence, as well as any other private property that is manifestly not designed or intended for the parking of motor vehicles.

(c) A property owner or possessor who removes a vehicle or has a vehicle removed pursuant to this section shall immediately thereafter contact the Town of Carrboro police department and inform such agency that the vehicle has been removed, who removed it, why it was removed, and where it can be reclaimed, and shall provide such agency with the registration plate number or other identification of such vehicle.

"Article 9. Regulation of Buildings and Development
"Part 1. General

Section 9-1. Extraterritorial Authority. (a) The town is authorized to exercise all of the powers granted in Article 19 of Chapter 160A of the General Statutes (Planning and Regulation of Development) as well as related powers conferred in this charter not only within the corporate limits of the town but also within the town's extraterritorial planning area, which consists of the area described in Chapters 122 and 636 of the Session Laws of 1963 as the same may be amended from time to time by any other local act or any ordinance adopted pursuant to G.S. 160A-360.

(b) The division line between the extraterritorial jurisdiction of the Town of Carrboro and the Town of Chapel Hill may by mutual written agreement of the towns be relocated from time to time.

Section 9-2. Unified Development Ordinance. The board of aldermen may combine into a single ordinance or unified land use code any of the ordinances that it is permitted to adopt pursuant to the authority granted in Article 19 of Chapter 160A of the General Statutes or any local act applicable to the Town of Carrboro that deals with the subject matters contained in Article 19 of Chapter 160A of the General Statutes. In a unified development ordinance the board may provide that subdivision preliminary plat approval be granted in the same manner as any other conditional use permit is issued, including the attachment of reasonable conditions to such approval.

Section 9-3. Zoning Board of Adjustment. The board of aldermen may create a board of adjustment in accordance with the provisions of Article 19 of Chapter 160A of the General Statutes. Such board shall be subject to all the provisions of general law except that the board of aldermen may authorize the board of adjustment to decide any matter before it either (i) upon a vote of a majority of the members present at a meeting and not excused from voting, so long as a quorum
consisting of at least six members is present. or (ii) upon a vote of a
four-fifths majority of the members present at a meeting and not
excused from voting, so long as a quorum consisting of at least six
members is present.

Section 9-4. Smoke Detectors. Notwithstanding any provision of the
North Carolina State Building Code or any general or local law to the
contrary, the board of aldermen may adopt an ordinance requiring that
the owners of all existing rental residential dwelling units whose units
are not required to have smoke detectors under the State Building
Code shall install battery operated smoke detectors in such units within
90 days after the effective date of such ordinance.

Section 9-5. Sprinkler Systems. Notwithstanding any provision of
the North Carolina State Building Code or any general or local law to
the contrary, the board of aldermen may adopt an ordinance requiring
that sprinkler systems be installed in all of the following types of
buildings constructed within the town or its extraterritorial planning
jurisdiction: (i) buildings in excess of 50 feet in height; (ii)
nonresidential buildings containing at least 5,000 square feet of floor
surface area; or (iii) buildings designed for assembly occupancy (as
defined in the North Carolina State Building Code) that accommodate
more than 25 people. This ordinance applies to existing buildings
only to the extent and under the circumstances that the provisions of
the North Carolina State Building Code apply to preexisting buildings.

Part 2. Neighborhood Preservation Districts

Section 9-11. Membership and Appointment of Commission. (a) The
town may create a special commission, to be known as the
neighborhood preservation district commission. The commission shall
consist of not less than three members, to be appointed by the board
of aldermen for such terms, not to exceed four years, as the board of
aldermen may by ordinance provide. All members shall be residents
of the town or the town's extraterritorial planning jurisdiction at the
time of appointment. Where possible, appointments shall be made in
such a manner as to maintain on the commission at all times at least
two members who have had special training or experience in a design
field, such as architecture, landscape design; landscape architecture,
horticulture, city planning, or a related field. Membership on the
commission is declared to be an office that may be held concurrently
with any other elective or appointive office pursuant to Article VI,
Section 9 of the North Carolina Constitution.

(b) In lieu of establishing a separate neighborhood preservation
district commission, the town may designate as its neighborhood
preservation district commission either (i) an historic district
commission, established pursuant to G.S. 160A-396, or (ii) the planning board, or (iii) the appearance commission.

Section 9-12. Neighborhood Preservation District Defined. A neighborhood preservation district is an area that possesses form, character, and visual qualities derived from arrangements or combinations of architecture or appurtenant features or places of historical or cultural significance that create an image of stability, local identity, and livable atmosphere.

Section 9-13. Powers and Duties of Commission. The board of aldermen may confer upon the neighborhood preservation district commission any or all of the following duties and powers:

1. To undertake an inventory of areas of cultural or historical significance within the jurisdiction of the town to identify for all public officials and public bodies those characteristics which define significant areas within the jurisdiction;

2. To recommend to the board of aldermen areas to be designated or removed from designation by ordinance as "Neighborhood Preservation Districts";

3. To conduct an educational program with respect to the special character of neighborhood preservation districts;

4. To prepare or review studies and plans for consideration by governing bodies in taking action that affects the preservation and enhancement of such districts;

5. To recommend to the board of aldermen such action as will enhance and preserve the special character of neighborhood preservation districts;

6. To cooperate with public and private officials, organizations, agencies, and groups which are concerned with and have an impact upon neighborhood preservation districts;

7. To submit annually to the board of aldermen a written report of its activities and to identify activities, including violations of ordinances and plans, that affect the district. All accounts and funds of the commission shall be administered in accordance with the requirements of the Local Government Budget and Fiscal Control Act;

8. To review all applications for (i) zoning, sign, special use and conditional use permits for development within the district, as well as (ii) all building permit applications for any work involving the construction, removal, or alteration of an 'exterior feature' (as the term is defined in G.S. 160A-397) of a building within a district under circumstances where no zoning, sign, conditional, or special use permit is required for such work. The board of
aldermen may provide that none of the foregoing permits may be issued until the neighborhood preservation commission has had an opportunity to comment upon the application and for its comments to be officially taken into consideration by the permit issuing authority.

(9) In the case of an application for any of the permits referenced in subsection (8) which authorize work involving the construction, reconstruction, alteration, removal, restoration, or demolition of any 'exterior feature' of any building within a district, the board of aldermen may authorize the commission to delay the issuance of the permit for a period not exceeding 180 days from the application date to provide an opportunity for the commission to negotiate with the applicant and any other parties in an effort to find a means of making the proposed work more consistent with the preservation of the district.

Section 9-14. Procedures. (a) As a guide for the identification and evaluation of neighborhood preservation districts, the commission may undertake an inventory of those areas within its jurisdiction that exhibit scenic, cultural, historical and natural qualities and which may qualify as neighborhood preservation districts as defined in Section 9-12. No ordinance designating a neighborhood preservation district shall be adopted by the board of aldermen until the following procedural steps have been taken:

(1) The commission investigates and prepares a report on the special historical or cultural qualities of the area to be designated.

(2) The commission and the board of aldermen hold a public hearing on the proposed ordinance(s) designating neighborhood preservation districts. Reasonable notice of the time and place thereof shall be given.

(c) Following adoption of the ordinance, the designation of the neighborhood preservation district shall be publicized through appropriate publications and public awareness programs.

(1) providing benefits as specified in G.S. 58-340.16; and
(2) operating for one or more social, intellectual, educational,
charitable, benevolent, moral, fraternal, patriotic or
religious purposes for the benefit of its members, which
may also be extended to others.
Such purposes may be carried out directly by the society, or indirectly
through subsidiary corporations or affiliated organizations.
(b) Every society shall have the power to adopt laws and rules for
the government of the society, the admission of its members, and the
management of its affairs. It shall have the power to change, alter,
add to or amend such laws and rules and shall have such other powers
as are necessary and incidental to carrying into effect the objects and
purposes of the society.

§ 58-340.6. Qualifications for Membership.--(a) A society shall specify in its laws or rules:

(1) eligibility standards for each and every class of membership, provided that if benefits are provided on the lives of children, the minimum age for adult membership shall be set at not less than age 15 and not greater than age 21;

The minutes of the proceedings of the supreme governing body and of the board of directors shall be in the English language.

(b) A society may provide in its laws for an official publication in which any notice, report, or statement required by law to be given to members, including notice of election, may be published. Such required reports, notices and statements shall be printed conspicuously in the publication. If the records of a society show that two or more members have the same mailing address, an official publication mailed to one member is deemed to be mailed to all members at the same address unless a member requests a separate copy.

(c) Not later than June 1 of each year, a synopsis of the society’s annual statement providing an explanation of the facts concerning the condition of the society thereby disclosed shall be printed and mailed to each benefit member of the society or, in lieu thereof, such synopsis may be published in the society’s official publication.

A person shall not be so indemnified or reimbursed (1) in relation to any matter in such action, suit or proceeding as to which he or she shall finally be adjudged to be or have been guilty of breach of a duty as a director, officer, employee or agent of the society or (2) in relation to any matter in such action, suit or proceeding, or threat thereof, which has been made the subject of a compromise settlement; unless in either such case the person acted in good faith for a purpose the person reasonably believed to be in or not opposed to the best interests of the society and, in a criminal action or proceeding, in addition, had no reasonable cause to believe that his or her conduct was unlawful. The determination whether the conduct of such person met the standard required in order to justify indemnification and reimbursement in relation to any matter described in subpoints (1) or (2) of the preceding sentence may only be made by the supreme governing body or board of directors by a majority vote of a quorum consisting of persons who were not parties to such action, suit or proceeding or by a court of competent jurisdiction. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, as to such person shall not in itself create a conclusive presumption that the person did not meet the standard of conduct required in order to justify indemnification and reimbursement. The foregoing right of indemnification and reimbursement shall not be exclusive of other rights to which such person may be entitled as a matter of law and shall inure to the benefit of his or her heirs, executors and administrators.
(c) A society shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the society, or who is or was serving at the request of the society as a director, officer, employee or agent of any other firm, corporation, or organization against any liability asserted against such person and incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the society would have the power to indemnify the person against such liability under this section.

"§ 58-340.9. Waiver.--The laws of the society may provide that no subordinate body, nor any of its subordinate officers or members shall have the power or authority to waive any of the provisions of the laws of the society. Such provision shall be binding on the society and every member and beneficiary of a member.

"§ 58-340.10. Organization.--A domestic society organized on or after the effective date of this Article shall be formed as follows:

(a) 10 or more citizens of the United States, a majority of whom are citizens of this State, who desire to form a fraternal benefit society, may make, sign and acknowledge before some officer competent to take acknowledgement of deeds, articles of incorporation, in which shall be stated:

1. the proposed corporate name of the society, which shall not so closely resemble the name of any society or insurance company as to be misleading or confusing;

2. the purposes for which it is being formed and the mode in which its corporate powers are to be exercised. Such purposes shall not include more liberal powers than are granted by this Article;

3. the names and residences of the incorporators and the names, residences and official titles of all the officers, trustees, directors, or other persons who are to have and exercise the general control of the management of the affairs and funds of the society for the first year or until the ensuing election at which all such officers shall be elected by the supreme governing body, which election shall be held not later than one year from the date of issuance of the permanent certificate of authority.

(b) Such articles of incorporation, duly certified copies of the society's bylaws and rules, copies of all proposed forms of certificates, applications therefor, and circulars to be issued by the society and a bond conditioned upon the return to applicants of the advanced payments if the organization is not completed within one year shall be
filed with the Commissioner of Insurance, who may require such further information as the Commissioner deems necessary. The bond with sureties approved by the Commissioner of Insurance shall be in such amount, not less than three hundred thousand dollars ($300,000) nor more than one million five hundred thousand dollars ($1,500,000), as required by the Commissioner of Insurance. All documents filed are to be in the English language. If the purposes of the society conform to the requirements of this chapter and all provisions of the law have been complied with, the Commissioner of Insurance shall so certify, retain and file the articles of incorporation and furnish the incorporators a preliminary certificate of authority authorizing the society to solicit members as hereinafter provided.

(c) No preliminary certificate of authority granted under the provisions of this section shall be valid after one year from its date or after such further period, not exceeding one year, as may be authorized by the Commissioner of Insurance upon cause shown, unless the 500 applicants hereinafter required have been secured and the organization has been completed as herein provided. The articles of incorporation and all other proceedings thereunder shall become null and void in one year from the date of the preliminary certificate of authority, or at the expiration of the extended period, unless the society shall have completed its organization and received a certificate of authority to do business as hereinafter provided.

(d) Upon receipt of a preliminary certificate of authority from the Commissioner of Insurance, the society may solicit members for the purpose of completing its organization, shall collect from each applicant the amount of not less than one regular monthly premium in accordance with its table of rates, and shall issue to each such applicant a receipt for the amount so collected. No society shall incur any liability other than for the return of such advance premium, nor issue any certificate, nor pay, allow, or offer or promise to pay or allow, any benefit to any person until:

1. actual bona fide applications for benefits have been secured on not less than 500 applicants, and any necessary evidence of insurability has been furnished to and approved by the society;
2. at least 10 subordinate lodges have been established into which the 500 applicants have been admitted;
3. there has been submitted to the Commissioner of Insurance, under oath of the president or secretary, or corresponding officer of the society, a list of such applicants, giving their names, addresses, date each was admitted, name and number of the subordinate lodge of which each applicant is a member, amount of benefits to be
granted and premiums therefor; and

(4) it shall have been shown to the Commissioner of Insurance, by sworn statement of the treasurer, or corresponding officer of such society, that at least 500 applicants have each paid in cash at least one regular monthly premium as herein provided, which premiums in the aggregate shall amount to at least one hundred and fifty thousand dollars ($150,000). Said advance premiums shall be held in trust during the period of organization and if the society has not qualified for a certificate of authority within one year, as herein provided, such premiums shall be returned to said applicants.

(c) The Commissioner of Insurance may make such examination and require such further information as the Commissioner deems advisable. Upon presentation of satisfactory evidence that the society has complied with all the provisions of law, the Commissioner shall issue to the society a certificate of authority to that effect and that the society is authorized to transact business pursuant to the provisions of this article. The certificate of authority shall be prima facie evidence of the existence of the society at the date of such certificate. The Commissioner of Insurance shall cause a record of such certificate of authority to be made. A certified copy of such record may be given in evidence with like effect as the original certificate of authority.

(f) Any incorporated society authorized to transact business in this State at the time this article becomes effective shall not be required to reincorporate.

"§ 58-340.11. Amendments to Laws.--(a) A domestic society may amend its laws in accordance with the provisions thereof by action of its supreme governing body at any regular or special meeting thereof or, if its laws so provide, by referendum. Such referendum may be held in accordance with the provisions of its laws by the vote of the voting members of the society, by the vote of delegates or representatives of voting members or by the vote of local lodges. A society may provide for voting by mail. No amendment submitted for adoption by referendum shall be adopted unless, within six months from the date of submission thereof, a majority of the members voting shall have signified their consent to such amendment by one of the methods herein specified.

(b) No amendment to the laws of any domestic society shall take effect unless approved by the Commissioner of Insurance who shall approve such amendment if the Commissioner finds that it has been
duly adopted and is not inconsistent with any requirement of the laws of this State or with the character, objects and purposes of the society. Unless the Commissioner of Insurance shall disapprove any such amendment within 60 days after the filing of same, such amendment shall be considered approved. The approval or disapproval of the Commissioner of Insurance shall be in writing and mailed to the secretary or corresponding officer of the society at its principal office. In case the Commissioner disapproves such amendment, the reasons therefor shall be stated in such written notice.

(c) Within 90 days from the approval thereof by the Commissioner of Insurance, all such amendments, or a synopsis thereof, shall be furnished to all members of the society either by mail or by publication in full in the official publication of the society. It may take credit for the reserves on such ceded risks to the extent reinsured, but no credit shall be allowed as an admitted asset or as a deduction from liability,

4. evidence that at least 60 days prior to the action of the supreme governing body of each society, the text of the contract has been furnished to all members of each society either by mail or by publication in full in the official publication of each society.

(b) If the Commissioner of Insurance finds that the contract is in conformity with the provisions of this section, that the financial statements are correct and that the consolidation or merger is just and equitable to the members of each society, the Commissioner shall approve the contract and issue a certificate to such effect. Upon such approval, the contract shall be in full force and effect unless any society which is a party to the contract is incorporated under the laws of any other state or territory. In such event the consolidation or merger shall not become effective unless and until it has been approved as provided by the laws of such state or territory and a certificate of such approval filed with the Commissioner of Insurance.

An itemized statement of all such expenses shall be filed with the Commissioner of Insurance, subject to approval, and when approved the same shall be binding on the parties thereto. Except as fully expressed in the contract of consolidation or merger, or itemized statement of expenses, as approved by the Commissioner of Insurance, or commissioners, as the case may be, no compensation shall be paid to any person or persons, and no officer or employee of the State shall receive any compensation, directly or indirectly, for in any manner

A society may provide benefits on the lives of children under the minimum age for adult membership upon application of an adult person.

"§ 58-340.17. Beneficiaries.--(a) The owner of a benefit contract shall have the right at all times to change the beneficiary or beneficiaries in accordance with the laws or rules of the society unless the owner waives this right by specifically requesting in writing that the beneficiary designation be irrevocable. A society may, through its laws or rules, limit the scope of beneficiary designations and shall provide that no revocable beneficiary shall have or obtain any vested interest in the proceeds of any certificate until the certificate has become due and payable in conformity with the provisions of the benefit contract.

"§ 58-340.19. The Benefit Contract.--(a) Every society authorized to do business in this State shall issue to each owner of a benefit contract a certificate specifying the amount of benefits provided thereby. The certificate, together with any riders or endorsements attached thereto, the laws of the society, the application for membership, the application for insurance and declaration of insurability, if any, signed by the applicant, and all amendments to each thereof, shall constitute the benefit contract, as of the date of issuance, between the society and the owner, and the certificate shall so state. A copy of the application for insurance and declaration of insurability, if any, shall be endorsed upon or attached to the certificate. All statements on the application shall be representations and not warranties. Any waiver of this provision shall be void.

(b) Any changes, additions or amendments to the laws of the society duly made or enacted subsequent to the issuance of the certificate, shall bind the owner and the beneficiaries, and shall govern and control the benefit contract in all respects the same as though such changes, additions or amendments had been made prior to and were in force at the time of the application for insurance, except that no change, addition or amendment shall destroy or diminish benefits which the society contracted to give the owner as of the date of issuance.

(e) Copies of any of the documents mentioned in this section, certified by the secretary or corresponding officer of the society, shall be received in evidence of the terms and conditions thereof.

(f) No certificate shall be delivered or issued for delivery in this State unless a copy of the form has been filed with and approved by the Commissioner of Insurance in the manner provided for like policies issued by life insurers in this State. Every life, accident, health, or disability insurance certificate and every annuity certificate issued on or after one year from the effective date of this Article shall meet the standard contract provision requirements not inconsistent with this Article for like policies issued by life insurers in this State, except that a society may provide for a grace period for payment of premiums of one full month in its certificates. The certificate shall also contain a provision stating the amount of premiums which are payable under the certificate and a provision reciting or setting forth the substance of any sections of the society’s laws or rules in force at the time of issuance of the certificate which, if violated, will result in the termination or reduction of benefits payable under the certificate. If the laws of the society provide for expulsion or suspension of a member, the certificate shall also contain a provision that any member so expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, shall have the privilege of maintaining the certificate in force by continuing payment of the required premium.
(g) Benefit contracts issued on the lives of persons below the society’s minimum age for adult membership may provide for transfer of control of ownership to the insured at an age specified in the certificate. A society may require approval of an application for membership in order to effect this transfer, and may provide in all other respects for the regulation, government and control of such certificates and all rights, obligations and liabilities incident thereto and connected therewith. (c) The Commissioner of Insurance may, in his or her discretion, accept other standards for valuation if the Commissioner finds that the reserves produced thereby will not be less in the aggregate than reserves computed in accordance with the minimum valuation standard herein prescribed. The Commissioner of Insurance may, in his or her discretion, vary the standards of mortality applicable to all benefit contracts on substandard lives or other extra hazardous lives by any society authorized to do business in this State.

(d) Any society, with the consent of the Commissioner of Insurance of the state of domicile of the society and under such conditions, if any, which the Commissioner may impose, may establish and maintain reserves on its certificates in excess of the reserves required thereunder, but the contractual rights of any benefit member shall not be affected thereby.

Article 31B
FRATERNAL ORDERS

"§ 58-340.51. General insurance law not applicable.--Nothing in the general insurance laws, except such as apply to fraternal orders shall be construed to extend to benevolent associations incorporated
under the laws of this State that only levy an assessment on the
members to create a fund to pay the family of a deceased member and
make no profit therefrom, and do not solicit business through agents.

"§ 58-340.52. Fraternal orders defined.--Every incorporated
association, order, or society doing business in this State on the lodge
system, with ritualistic form of work and representative form of
government, for the purpose of making provision for the payment of
benefits of three hundred dollars ($300.00) or less in case of death,
sickness, temporary or permanent physical disability, either as the
result of disease, accident, or old age, formed and organized for the
sole benefit of its members and their beneficiaries, and not for profit,
is hereby declared to be a 'fraternal order'. Societies and orders
which do not make insurance contracts or collect dues or assessments
therefor, but simply pay burial or other benefits out of the treasury of
their orders, and use their funds for the purpose of building homes or
asylums for the purpose of caring for and educating orphan children
and aged and infirm people in this State, shall not be considered as
'fraternal orders'; and such order or association paying death or
disability benefits may also create, maintain, apply, or disburse among
its membership a reserve or emergency fund as may be provided in its
constitution or bylaws; but no profit or gain may be added to the
payments made by a member.

"§ 58-340.53. Funds derived from assessments and dues.--The fund
from which the payment of benefits, as provided for in G.S. 58-
340.52, shall be made, and the fund from which the expenses of such
association, order or society shall be defrayed, shall be derived from
assessments or dues collected from its members. Such societies or
associations shall be governed by the laws of the State governing
fraternal orders or societies, and are exempt from the provisions of all
general insurance laws of this State, and no law hereafter passed shall
apply to such orders or societies unless fraternal orders or societies
are designated therein.

"§ 58-340.54. Appointment of member as receiver or collector;
appointee as agent for order or society; rights of members.--Assessments
and dues referred to in G.S. 58-340.52 and G.S. 58-340.53 may be
collected, receipted, and remitted by a member or officer of any local
or subordinate lodge of any fraternal order or society when so
appointed or designated by any grand, district, or subordinate lodge or
officer, deputy, or representative of the same, there being no regular
licensed agent or deputy of said grand lodge charged with said duties;
but any person so collecting said dues or assessments shall be the
agent or representative of such fraternal order or society, or any department thereof, and shall bind them by their acts in collecting and remitting said amounts so collected. Under no circumstances, regardless of any agreement, bylaws, contract, or notice, shall said officer or collector be the agent or representative of the individual member from whom any such collection is made; nor shall said member be responsible for the failure of such officer or collector to safely keep, handle, or remit said dues or assessments so collected, in accordance with the rules, regulations, or bylaws of said order or society; nor shall said member, regardless of any rules, regulations, or bylaws to the contrary, forfeit any rights under his certificate of membership in said fraternal order or society by reason of any default or misconduct of any said officer or member so acting.

"§ 58-340.55. Meetings of governing body; principal office.--Any such order or society incorporated and organized under the laws of this State may provide for the meeting of its supreme legislative or governing body in any other state, province, or territory wherein such order or society has subordinate lodges, and all business transacted at such meetings is as valid in all respects as if the meetings were held in this State; but the principal business office of such order or society shall always be kept in this State.

"§ 58-340.56. Conditions precedent to doing business.--Any such fraternal order, society, or association as defined by this Article, chartered and organized in this State or organized and doing business under the laws of any other state, district, province, or territory, having the qualifications required of domestic societies of like character, upon satisfying the Commissioner of Insurance that its business is proper and legitimate and so conducted, may be admitted to transact business in this State upon the same conditions as are prescribed by this Chapter for admitting and authorizing foreign insurance companies to do business in this State, except that such fraternal orders shall not be required to have the capital required of such insurance companies. Organizers or agents shall be licensed without requiring an examination; provided, organizers or agents who are engaged in or intend to engage in the sale of individual policies of life insurance shall take the examination required of life insurance agents. Those organizers or agents licensed for the sale of insurance pursuant to former G.S. 58-268 as of July 1, 1977, shall be exempt from examination.
"§ 58-340.57. Certain lodge systems exempt.--The following beneficial orders or societies shall be exempt from the requirements of this Article, and shall not be required to pay any license tax or fees nor make any report to the Commissioner of Insurance, unless the assessments collected for death benefits by the supreme lodge amount to at least three hundred dollars ($300.00) in one year: Beneficial fraternal orders, or societies incorporated under the laws of this State, which are conducted under the lodge system which have the supreme lodge or governing body located in this State, and which are so organized that the membership consists of members of subordinate lodges; that the subordinate lodges accept for membership only residents of the county in which such subordinate lodge is located; that each subordinate lodge issues certificates, makes assessments, and collects a fund to pay benefits to the widows and orphans of its own deceased members and their families. each lodge independently of the others, for itself and independently of the supreme lodge; that each lodge controls the fund for this purpose; that in addition to the benefits paid by each subordinate lodge to its own members, the supreme lodge provides for an additional benefit for such of the members of the subordinate lodges as are qualified, at the option of the subordinate lodge members; that such organization is not conducted for profit, has no capital stock, and has been in operation for 10 years in this State.

The Commissioner of Insurance may require the chief or presiding officer, or the secretary, to file annually an affidavit that such organization is entitled to this exemption.

"§ 58-340.58. Insurance on children.--Any fraternal order or society authorized pursuant to this Article to do business in this State and operating on the lodge plan may provide in its constitution and bylaws, in addition to other benefits provided for therein, for the payment of death or annuity benefits upon the lives of children between the ages of one and 16 years at next birthday, for whose support and maintenance a member of such order or society is responsible. The order or society may at its option organize and operate branches for such children and membership in local lodges, and initiation therein shall not be required of such children, nor shall they have any voice in the management of the order or society. The total benefits payable as above provided shall in no case exceed the following amounts at ages at next birthday at time of death, respectively, as follows: one year, twenty dollars ($20.00); two years, fifty dollars ($50.00); three years, seventy-five dollars ($75.00); four years, one hundred dollars ($100.00); five years, one hundred twenty-five dollars ($125.00); six years, one hundred fifty dollars ($150.00); seven years, two hundred dollars ($200.00); eight years, two hundred
fifty dollars ($250.00); nine years, three hundred dollars ($300.00); 10 years, four hundred dollars ($400.00); 11 years, five hundred dollars ($500.00); 12 years, six hundred dollars ($600.00); 13 years, seven hundred dollars ($700.00); 14 years, eight hundred dollars ($800.00); 15 years, nine hundred dollars ($900.00); 16 years, one thousand dollars ($1,000).

"§ 58-340.59. Medical examination; certificates and contributions.--No benefit certificate as to any child shall take effect until after medical examination or inspection by a licensed medical practitioner, in accordance with the laws of the order or society, nor shall any such benefit certificate be issued unless the order or society shall simultaneously put in force at least 500 such certificates, on each of which at least one assessment has been paid, nor where the number of lives represented by such certificate falls below 500. The death benefit contributions to be made upon such certificate shall be based upon the "Standard Mortality Table" or the "English Life Table Number Six," and a rate of interest not greater than four percent (4%) per annum, upon a higher standard or upon such mortality, morbidity, and interest standards permitted by the laws of this State for use by life insurance companies; but contributions may be waived or returns may be made from any surplus held in excess of reserve and other liabilities, as provided in the bylaws; and extra contributions shall be made if the reserves hereafter provided for become impaired.

"§ 58-340.60. Reserve fund; exchange of certificates.--Any order or society entering into such insurance agreements shall maintain on all such contracts the reserve required by the standard of mortality and interest adopted by the order or society for computing contributions as provided in G.S. 58-340.58, and the funds representing the benefit contributions and all accretions thereon shall be kept as separate and distinct funds, independent of the other funds of the order or society, and shall not be liable for nor used for the payment of the debts and obligations of the order or society other than the benefits herein authorized. An order or society may provide that when a child reaches the minimum age for initiation into membership in such order or society, any benefit certificate issued hereunder may be surrendered for cancellation and exchanged for any other form of certificate issued by the order or society: Provided, that such surrender will not reduce the number of lives insured below 500; and upon the issuance of such new certificate any reserve upon the original certificate herein provided for shall be transferred to the credit of the new certificate.
Neither the person who originally made application for benefits on account of such child, nor the beneficiary named in such original certificate, nor the person who paid the contributions, shall have any vested right in such new certificate, the free nomination of a beneficiary under the new certificate being left to the child so admitted to benefit membership.

"§ 58-340.61. Separation of funds.--An entirely separate financial statement of the business transactions and of assets and liabilities arising therefrom shall be made in its annual report to the Commissioner of Insurance by an order or society availing itself of the provisions hereof. The separation of assets, funds, and liabilities required hereby shall not be terminated, rescinded, or modified, nor shall the funds be diverted for any use other than as specified in the preceding section, as long as any certificates issued hereunder remain in force, and this requirement shall be recognized and enforced in any liquidation, reinsurance, merger, or other change in the condition or the status of the order or society.

"§ 58-340.62. Payments to expense or general fund.--Any order or society shall have the right to provide in its laws and the certificate issued hereunder for specified payments on account of the expense or general fund, which payments shall or shall not be mingled with the general fund of the order or society, as its constitution and bylaws may provide.

"§ 58-340.63. Continuation of certificates.--In the event of the termination of membership in the order or society by the person responsible for the support of any child on whose account a certificate may have been issued as provided herein, the certificate may be continued for the benefit of the estate of the child, provided the contributions are continued, or for the benefit of any other person responsible for the support and maintenance of such child who shall assume the payment of the required contributions.

"§ 58-340.64. Appointment of trustees to hold property.--The lodges of Masons, Odd Fellows, Knights of Pythias, camps of Woodmen of the World, councils of the Junior Order of United American Mechanics, orders of the Elks, Young Men’s Christian Associations, Young Women’s Christian Associations and other benevolent or fraternal orders and societies may appoint from time to time suitable persons trustees of their bodies or societies, in such manner as they deem proper, which trustees, and their successors, shall have power to receive, purchase, take, and hold property, real and personal, in trust for such society or body. The trustees shall have power, when
instructed so to do by resolution adopted by the order, society or body which they represent, to mortgage or sell and convey in fee simple any real or personal property owned by the order, society or body; and the conveyances so made by the trustees shall be effective to pass the property in fee simple to the purchaser or to the mortgagee or trustee for the purposes in such conveyance or mortgage expressed. If there shall be no trustee, then any real or personal property which could be held by such trustees shall vest in and be held by such charitable, benevolent, religious, or fraternal orders and societies, respectively, according to such intent.

"§ 58-340.65. Unauthorized wearing of badges, etc.—Any person who fraudulently and willfully wears the badge or button of any fraternal organization or society, either in the identical form or in such near resemblance thereto as to be a colorable imitation thereof, or who fraudulently and willfully uses the name of any such order, society or organization, the titles of its officers, or its insignia, ritual, or ceremonies, unless entitled to wear or use the same under the constitution and bylaws, rules and regulations of such fraternal organization, society, or order, shall be deemed guilty of a misdemeanor, and shall upon conviction, be punished by a fine of not more than five hundred dollars ($500.00) or imprisonment for not more than 30 days, in the discretion of the court."

S.B. 261   CHAPTER 484

AN ACT TO AUTHORIZE WILSON COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy Tax. (a) Authorization and scope. The Wilson County Board of Commissioners may by resolution, after not less than ten (10) days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious
organizations, by summer camps, or by businesses that offer to rent no more than five units.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall be subject to and pay a penalty of ten dollars ($10.00) for each day’s omission. In case of failure or refusal to file the return or pay the tax for a period of thirty (30) days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both.
(e) Distribution and use of tax revenue. Wilson County shall, on a monthly basis, remit the net proceeds of the occupancy tax to the Wilson County Tourism Development Authority. The Authority may spend funds remitted to it under this subsection only to further the development of travel, tourism, and conventions in Wilson County through advertising and promotion, to sponsor tourist-oriented events and activities in Wilson County, and to finance tourist-related capital projects in Wilson County. As used in this subsection, "net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, which may not exceed five percent (5%) of the gross proceeds.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Wilson County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. Tourism Development Authority. (a) Appointment and membership. When the board of commissioners adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating the Wilson County Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide that the Authority shall be composed of the following seven members:

- (1) A Wilson County Commissioner appointed by the board of commissioners;
- (2) A member of the Wilson City Council appointed by the city council;
- (3) Three owners or operators of motels, hotels, or other taxable accommodations in Wilson County that have at least 5 units, one of whom shall be appointed by the Wilson City Council, one by the Wilson County Board of Commissioners, and one by the Wilson County Chamber of Commerce; and
(4) Two individuals involved in the tourist business who have demonstrated an interest in tourist development and do not own or operate hotels, motels, or other taxable tourist accommodations, appointed as follows: one by the Wilson City Council and one by the Wilson County Board of Commissioners.

All members of the Authority shall serve without compensation. Vacancies shall be filled in the same manner as original appointments. Members appointed to fill vacancies shall serve for the remainder of the unexpired term. The Authority shall elect each year from its membership a chairman. No member may serve as chairman more than two one-year terms in succession. The Authority shall meet at the call of the chairman or of any three members and shall adopt rules of procedure to govern its meetings. The Finance Officer for Wilson County shall be the ex officio finance officer of the Authority.

(b) Terms of office. Members of the Authority shall serve three-year terms except that the initial appointees shall serve the following terms:

(1) Members appointed pursuant to subdivisions (a)(1) and (a)(2) of this section shall serve one-year terms.

(2) Of the members appointed pursuant to subdivision (a)(3) of this section, the appointee of the Wilson City Council shall serve a three-year term and the appointee of the board of commissioners shall serve a two-year term.

(3) Of the members appointed pursuant to subdivision (a)(4) of this section, the appointee of the Wilson City Council shall serve a one-year term, the appointee of the board of commissioners shall serve a three-year term, and the appointee of the Chamber of Commerce shall serve a two-year term.

(c) Powers and duties. The Authority may contract with any person, firm, or agency to assist it in carrying out the purposes for which the tax proceeds levied by this act may be expended. The board of county commissioners may from time to time determine an appropriate percentage of net proceeds that may be expended for administrative services.

(d) Reports. The Authority shall report quarterly and at the close of the fiscal year to the board of county commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

Sec. 3. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 26th day of June, 1987.

If the payment of a benefit to a Participant begins before he attains age 62, the maximum benefit shall be actuarially adjusted to that amount which, if paid in the same form and beginning at the same time as his benefit, would be the actuarial equivalent of the
maximum benefit payable in the normal form of retirement allowance beginning on the first day of the month coincident with or next following his attaining the age of 62. The reductions required by this paragraph shall in no event reduce the limitation in this subdivision a. below seventy-five thousand dollars ($75,000), if the benefit begins on or after the Participant’s attainment of age 55 or the actuarial equivalent of the seventy-five thousand dollars ($75,000) benefit limitation for age 55, if the benefit begins prior to such age.

For purposes of this subdivision (4), if benefits begin before age 62, the maximum annual benefit payable shall be adjusted by an interest rate assumption not less than the greater of five percent (5%) or the rate specified in the Retirement System. If payment of a Participant’s benefit begins after age 65, the maximum annual benefit payable shall be adjusted by an interest rate assumption not greater than the lesser of five percent (5%) or the rate specified in the Retirement System.

In the event a Participant is covered by one or more defined benefit plans maintained by the City, all such plans shall be aggregated in determining whether the maximum benefit limitations hereunder have been met. Further, the maximum retirement allowance as noted above may be decreased as determined necessary by the City to ensure that all plans will remain qualified under the Internal Revenue Code of 1986, as amended from time to time.

In addition to the other limitations set forth in the Retirement System and notwithstanding any other provisions of the Retirement System, the Accrued Benefit, including the right to any optional benefit provided in the Retirement System (and all other defined benefit plans required to be aggregated with the Retirement System under the provisions of Section 415 of the Internal Revenue Code of 1986, as amended from time to time), shall not increase to an amount in excess of the amount permitted under Section 415 of the Internal Revenue Code of 1986, as amended from time to time.

(5) Any benefit payable to a Participant pursuant to Section 4 of this act shall commence not later than the April 1 immediately following the calendar year in which the Participant attains age 70 1/2 or, if later, the April 1 immediately following the calendar year in which the Participant terminates service. Additionally, the distribution of any such benefit must satisfy the minimum distribution requirements set forth in this paragraph and must be consistent with Treasury Regulations, as of the required beginning date. The minimum distribution for a calendar year equals the Participant’s nonforfeitable Accrued Benefit at the beginning of the year divided by
the Participant’s life expectancy or, if applicable, the joint and last survivor expectancy of the participant and his Designated Beneficiary. The minimum distribution shall be computed by using the life expectancy multiples under Treasury Regulation 1.72-9. The minimum distribution for a calendar year subsequent to the first calendar year for which a minimum distribution is required may be computed by redetermining the applicable life expectancy. However, there shall be no redetermination of the joint life and last survivor expectancy of the Participant and a nonspouse Designated Beneficiary in a manner which takes into account any adjustment to a life expectancy other than the Participant’s life expectancy. A distribution to the Participant in the form of a life annuity, joint and survivor annuity, or an annuity over a fixed period will satisfy the minimum distribution requirements of this paragraph if the method of distribution provides non-increasing payments or otherwise satisfies Treasury Regulations. If the Participant dies after the payment of his benefit has commenced, the death benefit provided by this act shall be paid over a period which does not exceed the payment period which had commenced. If a Participant dies prior to the time the payment of his benefit commences, the death benefit provided by this act shall be paid over a period not exceeding: (i) five years after the date of the Participant’s death; or (ii) if the Beneficiary is a Designated Beneficiary, over the Designated Beneficiary’s life or life expectancy. No payment of benefit over a period described in (ii) shall be permitted, unless the payment of such benefit to the Designated Beneficiary will commence no later than one year after the date of the Participant’s death, or, if later, and the Designated Beneficiary is the Participant’s surviving spouse, the date the Participant would have attained age 70 1/2. The life expectancy multiples under Treasury Regulation 1.72-9 shall be used for purposes of applying this paragraph. The life expectancy of a Participant’s surviving spouse may be recalculated not more frequently than annually, but the life expectancy of a nonspouse Designated Beneficiary may not be recalculated after the commencement of payment of benefits to the Designated Beneficiary. Any amount paid to a Participant’s child, which becomes payable to the Participant’s surviving spouse upon the child’s attaining the age of majority, shall be treated as paid to the Participant’s surviving spouse for purposes of applying this paragraph.

If a Member is covered under a group insurance or prepayment plan participated in by the City, and should he be permitted to, and elect to, continue such coverage as a Retiree, he may authorize the Board of Trustees to have deducted from his monthly retirement benefits the payments required of him to continue coverage under such group insurance or prepayment plan.

Sec. 54. Errors. Should any change in the records result in any person receiving from the Retirement System more or less than he would have been entitled to receive had the records been correct, the Board of Trustees shall correct such error, and as far as practicable shall adjust the payment in such manner that the Actuarial Equivalent of the benefit to which the said person was correctly entitled shall be paid.

Sec. 55. Protection Against Fraud. Whoever with intent to deceive shall make any statements and/or reports required under this act which are untrue, or shall falsify or permit to be falsified any records of the Retirement System, or who shall otherwise violate, with intent to deceive, any of the provisions of this act, shall be prosecuted to the fullest extent of the law.

The Charlotte Firefighters' Retirement System shall have the right of setoff for any claim arising from embezzlement or by fraud of a Participant.

Sec. 56. Subrogation Provisions. In the event a Member becomes entitled to benefits pursuant to the provisions of this act as a result of an accident, injury or disease caused by the act of a third party, the Charlotte Firefighters' Retirement System shall be subrogated to all rights of recovery by said Member or said Member's Beneficiary(s) against such third party to the extent of the benefits the Retirement System pays or is obligated to pay.

Sec. 57. Laws Inconsistent Repealed. All laws and clauses of law pertaining to the Charlotte Firemen's Retirement System that are in conflict with the provisions of this act are hereby revoked.
Sec. 58. *Savings Provisions.* If any section or part of this act is for any reason held to be invalid or unconstitutional, such holding shall not be construed as affecting the validity of the remaining sections of this act or the act in its entirety: it being the legislative intent that this act shall stand notwithstanding the invalidity of any section or part of a section.

Sec. 59. This act shall apply to the City of Charlotte only."

Sec. 2. None of the provisions of this act shall create an additional liability for the Charlotte Firefighters' Retirement System unless sufficient assets are available to pay for the liability.

Sec. 3. This act shall become effective July 1, 1987.

In the General Assembly read three times and ratified this the 29th day of June, 1987.

CHAPTER 507

AN ACT TO AMEND THE LAW REGARDING RETIREMENT AS IT APPLIES TO THE WILSON ECONOMIC DEVELOPMENT COUNCIL.

The General Assembly of North Carolina enacts:

Section 1. Should the Wilson Economic Development Council become a participating employer in the Local Governmental Employees' Retirement System, the governing board of the Council may provide for its employees to receive prior service credits in the Retirement System equal to the period of prior service these employees have rendered to the Council as of the effective date of participation in the Retirement System. In lieu of the foregoing, the governing body of the Council may provide for its employees to receive prior service credit equal to the amount of service that the assets of the Council's retirement plan, plus additional contributions as the Council and/or its employees may elect to make, will purchase, as the cost to purchase is calculated by the Retirement System.

Sec. 2. All laws and clauses of laws in conflict herewith, to the extent of this conflict, shall be inapplicable to the Wilson Economic Development Council.

Sec. 3. This act shall apply to the Wilson Economic Development Council only.

Sec. 4. This act shall become effective July 1, 1987.

In the General Assembly read three times and ratified this the 29th day of June, 1987.
AN ACT TO ESTABLISH WINSTON-SALEM FIREMEN’S RETIREMENT FUND ASSOCIATION.

The General Assembly of North Carolina enacts:

"Section 1. That the name of the Association herein established shall be Winston-Salem Firemen’s Retirement Fund Association, hereinafter referred to as the Association. References to the Association as of a date prior to April 3, 1979, and following July 1, 1973, shall mean the Winston-Salem Fire-Public Safety Retirement Fund Association, which was the name of the Association during such period.

Sec. 2. Subject to the provisions of Section 16 hereof, the following persons shall automatically be members of the Association:

(a) As of July 1, 1987, any person who was a member of the Association following the close of business of the Association immediately preceding such date.

(b) As of July 1, 1987, and thereafter, any person not covered under (a) above who shall have been regularly and continuously employed full time by the Fire Department of the City of Winston-Salem (hereinafter referred to as the Fire Department), including any Fire Department mechanic or electrician, who shall have attained his 18th birthday and shall not have attained his 40th birthday. Any person not covered under (a) above who was hired by the Fire Department prior to July 1, 1987, and continues to be employed by the Fire Department on such date, and who had attained his 30th birthday when hired but had not then attained his 40th birthday, may elect within 90 days following July 1, 1987, to become a member by contributing to the Association the sum of twelve dollars ($12.00) per month from his date of hire by the Fire Department, plus interest at the rate of seven percent (7%) per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

(c) Notwithstanding the provisions of subsection (b) immediately preceding, as a condition to any person’s becoming a member of the Association pursuant to the provisions of subsection 2(b) or 16(a), the Trustees may require such person to undergo a physical examination by a physician or physicians of good standing or repute selected by the Trustees. If it shall be found from such physician’s report that such
person is not in good physical or mental condition as of the date he would be eligible to become a member of the Association, such person shall be denied membership in the Association. The determinations of whether or not such person shall be required to undergo a physical examination and whether or not he is in good physical or mental condition shall be made by the Trustees. In making such determinations, all persons similarly situated shall be treated alike. The cost of any medical examination required pursuant to the provisions of this subsection (c) shall be borne by the person seeking membership in the Association.

Sec. 3. The Association may provide and raise funds in any legal manner to be used as a pension fund for such person or persons as may be entitled thereto under the provisions of this act and to such extent as is hereinafter set out.

Sec. 4. The governing body of the Association shall consist of a Board of Trustees five in number, four from the membership of the Fire Department, and one to be appointed by the Insurance Commissioner of the State of North Carolina.

Sec. 5. The Trustees from the membership of the Fire Department shall be elected by the members of the Fire Department for four-year terms. Such terms shall be staggered, so that two of the Trustees shall be elected during the month of January of each year evenly divisible by two. Prior to each election, each fire company may, by majority vote of the active members of the company, nominate one candidate for election as Trustee. Only members of the Association, in good standing, who have continuously served in the Fire Department for a period of at least four years shall be eligible for election as Trustees. The two nominees receiving the highest number of votes cast in such election shall be elected. A tie shall be resolved by casting lots. In such election, each member of the Association in good standing may vote for two nominees. For purposes of this Section 5, the administrative offices of the Fire Department shall be deemed to be a fire company.

Sec. 6. Any Trustee may resign at any time by giving notice in writing to the other Trustees. Should any Trustee who is a member of the Fire Department cease to be a member of the Fire Department for any reason, he shall automatically cease to be a Trustee. With regard to any Trustee elected by the members of the Association who resigns or ceases to be a Trustee for any reason, his successor shall be elected as provided in Section 5 of this act; provided, that such election shall be held as soon as practicable following such resignation or cessation, each member of the Association in good standing may vote for only one nominee, the one nominee receiving the highest
number of votes shall be elected, and the election shall be only for the remaining unexpired term of the predecessor Trustee. Should the Trustee who was appointed by the Insurance Commissioner of the State of North Carolina resign or cease to be a Trustee for any reason, his successor shall be appointed by the said Insurance Commissioner.

Sec. 7. The Board of Trustees is herein fully vested with the exclusive right and authority to pay out the funds of this Association, as provided for in this act. All matters and claims provided for under this act shall be passed upon by said Trustees and all decisions and actions of said Trustees shall be binding upon the Association and the members thereof. Every Trustee shall be entitled to one vote except the chairman of the Board of Trustees, who shall be entitled to vote only to break a tie. At every annual meeting of the Board of Trustees, the Trustees shall elect a chairman, vice-chairman, secretary and treasurer. The secretary and treasurer need not be Trustees, and the offices of secretary and treasurer may be combined into a single office, in the discretion of the Trustees. The annual meeting of the Board of Trustees shall be held as soon as is practicable following the end of each calendar year at such place and at such time as shall be determined by the Trustees.

Sec. 8. The secretary of the Association (or the secretary-treasurer if such offices shall be combined into a single office) shall be entitled to receive compensation in an amount not to exceed one hundred dollars ($100.00) per month, as determined by the Trustees. The Trustees, as such, including the chairman and the vice-chairman, shall serve without compensation. The Trustees may authorize reimbursement by the Association to any officer or Trustee of the Association for all expenses incurred by such person in connection with services rendered in behalf of the Association.

Sec. 9. The Trustees shall elect a custodian of all funds and property of the Association, provided that such custodian shall have first offered proof satisfactory to the Trustees, by bond or otherwise, that it is and will be financially responsible for all property coming into its hands in a fiduciary capacity. Said custodian shall not release any of the funds or property of the Association for reasons other than investment of such funds or property except upon the written authorization of the Trustees.

The Trustees shall also elect an investment manager who may or may not be the same person as the custodian. Any such investment manager shall be a bank, or an insurance company, or an entity registered under the Investment Advisor’s Act of 1940. The investment manager shall be authorized to invest and reinvest the funds or property of the Association in the investment manager’s own
judgment and discretion. The investment manager shall report to the Trustees on a periodic basis, but not less frequently than each calendar quarter. The investment manager (including said custodian when acting as investment manager) shall not be liable to the Association for any act of failure to act by it, except for gross negligence or willful misconduct.

Sec. 10. A special meeting of the Board of Trustees may be called by the chairman or vice-chairman, or by any two Trustees, upon 24 hours' written notice delivered in person to the members of said Board or mailed to the last known address of each member of said Board. A majority of the Trustees in office shall constitute a quorum at any meeting and a majority vote of the Trustees at a meeting at which a quorum is present shall constitute action by the Trustees.

Sec. 11. The chairman of the Board of Trustees, when present, shall preside at all meetings. In the absence of the chairman, the vice-chairman shall act as chairman.

Sec. 12. The secretary shall keep in complete form such data as shall be necessary for actuarial valuation of the funds of the Association and for checking the disbursements for and on behalf of the Association. He shall keep minutes of all proceedings of the Board of Trustees and of the Association, and the same shall be kept in a place selected by the Trustees. The treasurer of the Association shall post yearly at each fire station and at the office of each police district, as soon as practicable following the end of each year, a financial statement of the Association.

Sec. 13. The treasurer of the Association shall deposit with the custodian all funds and property that may come into his hands for the Association. The said treasurer shall obtain a receipt from the custodian for all funds and property delivered to the custodian by the treasurer. Said custodian shall invest and reinvest such funds and property as directed by the investment manager appointed under Section 9. Notwithstanding any contrary provisions of Section 9 or of this section, the Trustees are specifically authorized and empowered to invest funds of the Association by depositing such funds with the Winston-Salem Firemen's Credit Union on condition that the Association shall receive interest at an annual rate agreed upon by the Association and such credit union.

Sec. 14. The custodian and the investment manager shall receive compensation for services rendered as may be agreed upon from time to time in writing by the Trustees and by the custodian (with respect to services rendered by the custodian) or the investment manager (with respect to services rendered by the investment manager). The
Trustees shall have the authority to employ legal counsel when, in the opinion of the Trustees, legal counsel is necessary. In case of such employment, said counsel shall be paid such fees as may be fair and reasonable as agreed upon in writing by the Trustees and the counsel so employed.

Sec. 15. On or before August 31, 1987, the Board of Trustees of the Winston-Salem Firemen’s Relief Fund shall transfer to the Board of Trustees of the Winston-Salem Firemen’s Retirement Fund Association out of properties and funds belonging to the Winston-Salem Firemen’s Relief Fund the sum of fifty-four thousand dollars ($54,000) in cash or assets. The assets so transferred pursuant to the immediately preceding sentence shall be transferred upon the basis of the fair market value thereof as of the date of transfer, and the particular assets to be transferred shall be determined by joint action of the Board of Trustees of the Winston-Salem Firemen’s Relief Fund and the Board of Trustees of the Winston-Salem Firemen’s Retirement Fund Association. All property of the Association is hereby relieved from any and all claims of the persons entitled to relief from the Winston-Salem Firemen’s Relief Fund. The North Carolina Firemen’s Association, its officers, members, boards and committees, are also hereby relieved of any claim of any kind whatsoever which may be based on past service, present service or future service in the Winston-Salem Fire Department. The Winston-Salem Firemen’s Relief Fund and the officers, members, boards and committees of said Fund, are also hereby relieved of any claim of any kind whatsoever which may be based on past, present or future service in the Winston-Salem Fire Department, if any, so long as any claimant is entitled to benefits or pension under the provisions of this act.

Sec. 16. (a) Notwithstanding the provisions of subsection (b) immediately following, if a person who shall not be a member of the Association shall be transferred to the employment of the Fire Department from the employment of the City of Winston-Salem (hereinafter referred to as the City), the following provisions shall apply in determining whether he shall be a member of the Association following such transfer:

(1) If he shall have attained at least his 18th birthday and shall not have attained his 40th birthday on the date of such transfer, he shall automatically become a member on such date of transfer. In determining such transferred employee’s number of years of continuous employment by the City, employment with the City prior to such transfer shall be taken into account only if such employee shall elect to contribute to the Association the amount of twelve dollars ($12.00) per month from the date of his hire by the
City until the date of such transfer, plus interest at the rate of seven percent (7%) per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

(2) If he shall have attained at least his 40th birthday on the date of transfer, but had not attained such birthday when last employed by the City, he may elect within 90 days following such transfer to become a member. If he elects to become a member, he shall contribute to the Association the amount he would have contributed if he had become a member on the day next preceding his 40th birthday. In addition, at the option of such employee, he may further elect to contribute such additional amount as he would have contributed prior to his 40th birthday if his employment with the City had been with the Fire Department. Any such contributions shall include interest at the rate of seven percent (7%) per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

(3) If he shall have attained at least his 40th birthday when last employed by the City, he shall be ineligible to become a member following such transfer.

(4) The elections specified in subdivisions (1) and (2) hereof shall be made in writing to the Trustees within 90 days following such transfer, and shall be irrevocable when made (subject to termination of membership upon subsequent separation from employment with the Fire Department). Any contributions (and interest) payable pursuant to such election shall be paid in cash in a lump sum at the time such election shall be filed.

(b) Notwithstanding the provisions of subsection (a) of Section 2 hereof, as soon as practicable following April 3, 1979, (but in no event more than 60 days thereafter), the Trustees gave each person who was then employed by the City of Winston-Salem as a Public Safety Officer an election to be a member or not to be a member of the Association. Each such election was to be made in accordance with procedures established by the Trustees and was irrevocable when made (subject to termination of membership upon a subsequent separation from the employment of the City, and subject to the provisions of subsection (a) of this Section 16). If a Public Safety Officer failed to file a timely election, he was deemed to have elected not to be a member. If a Public Safety Officer who was a member on the date of the election elected to discontinue membership (or shall have been deemed to have so elected), within 30 days following such
date there should have been refunded to him the full amount of his prior contributions to the Association, if any, without interest. If a Public Safety Officer who failed to make contributions prior to the election date elected to be a member, he shall have within 30 days following such election paid to the Association the full amount he would have contributed if he had made required contributions during the entire period that he was eligible to be a member. Such contributions included interest at the rate of six percent (6%) per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

(c) Any member whose employment by the Fire Department as a Public Safety Officer shall be terminated on or after June 27, 1981, for any reason, including transfer to another department in the employment of the City, shall be terminated immediately as a member; provided, that any member who is transferred on or after July 1, 1981, to another department of the City in a fire-related job shall not become a terminated member if the following conditions are met: (i) within 15 days following the date of such transfer he shall file with the Trustees a written election to continue as a member; and (ii) such member shall be notified in writing by the secretary of the Association on or before the date of transfer of his right to make the election. If a terminated member shall reenter employment of the Fire Department, his eligibility to become a member shall be determined at that time in accordance with Section 2 hereof, except to the extent such individual may be entitled to elect to become a member upon a transfer of employment as provided in subsection (a) of this Section 16.

(d) In determining the number of years of continuous employment of a member, there shall be taken into account all years for which he shall make contributions in accordance with subsection (a) or (e) of this Section 16 or Section 19.

(e) If any member of the Association was employed by the Fire Department as a cadet, such member’s number of years of employment as a cadet may be added to the period of his continuous employment with the City if, by July 31, 1981, such member contributed to the Association an amount equal to twelve dollars ($12.00) per month for the time he was a cadet, plus interest at the rate of six percent (6%) per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

(f) If a member has been employed by the City continuously for a period of 10 years and has any military service, and is not otherwise treated under Section 26 as being in the employment of the City during the period of such military service, the period of such military service shall nevertheless be added to his period of continuous...
employment with the City upon such member's paying to the Association an amount equal to twelve dollars ($12.00) for each month of such military service plus interest at the rate of seven percent (7%) per annum, compounded annually. Such military service shall be limited to the initial period of active duty in the armed forces of the United States up to the time the member was first eligible to be separated or released therefrom, and subsequent periods of such active duty as required by the armed forces of the United States up to the date of first eligibility for separation or release therefrom. The member must submit evidence satisfactory to the Trustees of the military service claimed. Such election must be made within one year after the member first becomes eligible to contribute for such military service. Credit for military service under this subsection shall not be considered service creditable under another retirement system for purposes of G.S. 128-26(a).

Sec. 17. The Treasurer of the City shall make a monthly deduction from the salary of each member of the Association (except for members in the employ of the Police Department) due him by the City in the amount directed in writing by the Trustees, not to exceed twelve dollars ($12.00) per month, and the amount so deducted shall be turned over monthly by the said Treasurer to the custodian of the Association as hereinbefore provided, and the Association shall have the authority to accept donations from any and all sources whatsoever.

Sec. 18. If at any time there shall not be sufficient assets in the retirement fund of the Association to pay fully the persons entitled to benefits provided herein, such persons shall be paid such benefits on a pro rata basis to the extent the assets of such fund will allow, as shall be determined by the Trustees; provided, that the assets of such fund determined as of the close of any fiscal year of the Association shall in no event be less than one million dollars ($1,000,000).

Sec. 19. Whenever any member of the Association has been employed by the City continuously for a period off at least 30 years, such member may make written application to the trustees for his normal retirement benefit, and whenever any member of the Association has been employed by the City continuously for a period of at least 25 years but not more than 30 years, such member may make written application to the Trustees for his early retirement benefit; provided, however, that such member must retire from the service of the City to receive such benefits. The normal and early retirement benefits of such member shall be a monthly pension for the remainder of his life, as provided hereinbelow. For this purpose and for the purpose of Section 20 hereof, a member shall be deemed to have been employed by the City continuously if such member shall
have been employed continuously by any combination of the Fire Department or Police Department (but only such employment by the Police Department as is described in subsection 16(b) and (c) hereof), and the transfer of a member from the employ of one of such organizations to the employ of the other such organization shall not be deemed to be a termination of employment by the City. Provided, that if a member has at least 25 years of employment with the City, but such service is not continuous solely because of a leave of absence lasting not more than a year and not described in Section 26, such member shall be deemed to have continuous employment with the City during such leave of absence; and provided further, that if a member has less than 25 years of employment with the City but the sum of his years of employment with the City plus any leave of absence lasting not more than one year and not described in Section 26, equals or exceeds 25 years, the period of such leave shall be deemed to be continuous employment with the City if such member contributes to the Association twelve dollars ($12.00) for each month he was on such leave, plus interest at the rate of seven percent (7%) per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

The amount of the monthly pension for each member who is entitled to receive a normal retirement benefit and who retires on or after July 1, 1985, shall be one hundred eighty-five dollars ($185.00). The amount of the monthly pension for each member who is entitled to receive an early retirement benefit and who retires on and after July 1, 1985, shall be the product of (1) and (2), where (1) is the applicable percentage listed in the following table based on his years of continuous employment at his early retirement date, and (2) is one hundred eighty-five dollars ($185.00):

Payment shall be subject to the provisions of Section 18 of this act.

Sec. 20. Whenever any member of the Association becomes totally and permanently unable, because of infirmity or disease affecting mind or body (whether or not induced by injury) to perform his duties for the City, which inability shall be determined by a medical examination by a physician or physicians of good standing and repute
selected by the Trustees, he shall be deemed to be a disabled member. If a disabled member has been employed by the City for at least five full years prior to suffering disability, he shall be entitled to retire and receive a monthly benefit payable for the remainder of his life.

In the case of a member who retires as a disabled member on or after July 1, 1985, his monthly benefit shall equal seven dollars forty cents ($7.40) times his years of service, but not to exceed one hundred eighty-five dollars ($185.00). For this purpose only, years of service shall mean the number of full years of his service in the employment of the City. Payments shall be subject to the provisions of Section 18 of this act.

Notwithstanding the foregoing provisions of this Section 20, in the case of a disabled member whose disability shall arise out of injuries incurred in fire safety activities, such as fire fighting, fire training and fire inspection, such monthly benefit shall in no event be less than forty dollars ($40.00) per month, whether or not such disabled member was employed by the City for at least five years prior to suffering such disability. The determination of whether such disability arises out of injuries incurred in fire safety activities shall be made by the Trustees.

Sec. 21. Any disabled member of the Association who retires under Section 19 hereof and who had not been employed by the City for a period of at least 30 years prior to retirement, shall be subject to call by the Trustees for reexamination by a physician of good standing and repute selected by the Trustees and, if based upon such examination it is determined by the Trustees that such member is able to perform active duties for the City, such member may be reinstated and receive for his services the same compensation paid to other employees of the City of his rank or classification. If such member, upon being called by the Trustees, shall refuse to submit to an examination or shall refuse to be reinstated to active duty in the employ of the City after being found to be able to perform active duty, such benefits as he is then receiving under the provisions of this act shall immediately terminate and his membership in this Association shall automatically terminate. But in the event that such member is physically unable to resume active employment, or in the event he is able and willing to resume active employment but no job with the City is open for him at such time, his pension or compensation shall continue until there shall be an opening for such member and he is reemployed by the City. For the purpose of this Section 21, employment with the City shall mean only employment with the Fire Department or Police Department (but employment with the Police Department shall be included only with regard to any such member who was employed with the Police Department prior to his retirement.
under Section 20 hereof).

Sec. 22. When any member of the Association shall resign or be dismissed from employment by the City (which for this purpose shall include only employment with the Fire Department or Police Department), he shall receive a sum of money equal to all monies paid into the Association by him. Upon the death of any member of the Association while in the employment of the City, a sum of money equal to all monies paid into the Association by such deceased member shall be paid to the beneficiary or beneficiaries designated in writing by such deceased member, or in default thereof, to his estate. If, after retirement, a member of the Association shall die before having received an amount equal to his contributions to the Association, there shall be paid to the beneficiary or beneficiaries designated by such member, or in default thereof to his estate, an amount equal to his contributions less the sum of retirement benefits paid to such member. (e) In a district having more than one regular resident judge where the district consists of all of a county or all of several counties, the judge who has the most continuous service on the superior court is the senior regular resident superior court judge. If two judges are of equal seniority, the oldest judge is the senior regular resident judge. In a single-judge district, where the district consists of all of a county or all of several counties, the single judge is the senior regular resident judge.

In any county where there is more than one judicial district, but the districts include only territory from that county, then from all of the districts in that county, the judge who has the most continuous service on the superior court is the senior regular resident superior court judge for all of those districts and for the county. If two judges are of equal seniority, the oldest judge is the senior regular resident judge for all of those districts and for the county.

In any county where there is more than one judicial district, and the districts include part from that county, and part from another county, then from all of the districts in both those counties, the judge who has the most continuous service on the superior court is the senior regular resident superior court judge for all of those districts and for both counties. If two judges are of equal seniority, the oldest judge is the senior regular resident judge for all of those districts and for both counties.

Senior regular resident judges and regular resident judges possess equal judicial jurisdiction, power, authority and status, but all duties placed by the Constitution or statutes on the resident judge of a
judicial district, including the appointment to and removal from office, which are not related to a case, controversy or judicial proceeding and which do not involve the exercise of judicial power, shall be discharged by the senior regular resident judge. A senior regular resident superior court judge in a multi-judge district, by notice in writing to the Administrative Officer of the Courts, may decline to exercise the authority vested in him by this section, in which event such authority shall be exercised by the regular resident judge next senior in point of service or age, respectively.

In the event the senior regular resident judge of a multi-judge district is unable, due to mental or physical incapacity, to exercise the authority vested in him by the statute, and the Chief Justice, in his discretion, has determined that such incapacity exists, the Chief Justice shall appoint an acting senior regular resident judge from the other regular resident judges of the district, to exercise, temporarily, the authority of the senior regular resident judge; provided that in any county where there is more than one judicial district, the appointment may be made of any of the other regular resident judges of any district in that county. Such appointee shall serve at the pleasure of the Chief Justice and until his temporary appointment is vacated by appropriate order."

Sec. 2. Effective January 1, 1989, Article 7 of Chapter 7A of the General Statutes is amended by adding a new section to read:

"§ 7A-47.2. Jurisdiction of superior court judges.—Notwithstanding any other provision of law, in addition to any other jurisdiction granted by law, a superior court judge of a district has jurisdiction in the entire county or counties in which the district is located, and a superior court judge holding court in a district has jurisdiction in the entire county or counties in which the district is located."

Sec. 3. Effective January 1, 1989, Article 7 of Chapter 7A of the General Statutes is amended by adding a new section to read:

section, as shown in subsection (a1) of this section. In the general election of November 1970, a district attorney shall be elected for a four-year term for each prosecutorial district. The district attorney shall be a resident of the district for which elected, and shall take office on January 1 following the election. A vacancy in the office of district attorney shall be filled as provided in Article IV, Sec. 19 of the Constitution."

TITLE III. Elimination of Special Superior Court Judges.

Sec. 6. Effective upon ratification, G.S. 7A-45 reads as rewritten:

"§ 7A-45. Special judges; appointment; removal; vacancies; authority.
-(a) The Governor may appoint eight special superior court judges except as provided by this subsection. A special judge takes the same oath of office and is subject to the same requirements and disabilities as is or may be prescribed by law for regular judges of the superior court, save the requirement of residence in a particular district. Initial appointments made under this section shall be to terms of office beginning July 1, 1967, and expiring June 30, 1971. As the terms expire, the Governor may appoint successors for terms of four years each, except that terms beginning July 1, 1987, shall expire December 31, 1988; provided that if any judge serving as a special superior court judge on December 31, 1988, is to become first eligible for service retirement under G.S. 135-57 between December 31, 1988, and July 1, 1989, the term of that judge shall expire on that eligibility date, and except that if any special superior court judge who is holding office on June 30, 1987, has five years of membership service under G.S. 135-53(12) on that date, or will have three years of such service
CHAPTER 509  Session Laws — 1987

on or before December 1, 1987 if continued in office, the term of office of that judge is extended through December 31, 1988. All incumbents shall continue in office until their successors are appointed and qualify.

(b) A special judge is subject to removal from office for the same causes and in the same manner as a regular judge of the superior court, and a vacancy occurring in the office of special judge is filled by the Governor by appointment for the unexpired term.

(c) A special judge, in any court in which he is duly appointed to hold, has the same power and authority in all matters whatsoever that a regular judge holding the same court would have. A special judge, duly assigned to hold the court of a particular county, has during the session of court in that county, in open court and in chambers, the same power and authority of a regular judge in all matters whatsoever arising in that judicial district that could properly be heard or determined by a regular judge holding the same session of court.

(d) A special judge is authorized to settle cases on appeal and to make all proper orders in regard thereto after the time for which he was commissioned has expired."

Sec. 7. Effective January 1, 1989, G.S. 7A-45 is repealed, except that as to any judge continuing to serve under the proviso of G.S. 7A-45(a) added by this act, G.S. 7A-45 is repealed on the eligibility date for retirement set forth in the proviso.

Sec. 8. Notwithstanding G.S. 7A-44.1, the provisions of Section 1 of this act, which have the effect of adding new positions of senior regular superior court judge, do not authorize any additional positions as judicial secretaries. Additional secretaries shall only be provided to the extent funds are appropriated.

H.B. 1052 CHAPTER 511

AN ACT TO AMEND THE CERTIFICATE OF NEED LAW.

The General Assembly of North Carolina enacts:

Section 1. Article 9 of Chapter 131E of the General Statutes reads as rewritten:

"ARTICLE 9.
"Certificate of Need.

"§ 131E-175. Findings of fact.--The General Assembly of North Carolina makes the following findings:

(1) That, because of the manner in which health care is financed, the forces of free market competition are largely absent and that government regulation is therefore necessary to control the cost, utilization, and distribution of health services That the financing of
health care, particularly the reimbursement of health services rendered by health service facilities, limits the effect of free market competition and government regulation is therefore necessary to control costs, utilization, and distribution of new health service facilities and the bed complements of these health service facilities.

(2) That the continuously increasing cost of health care services offered through health service facilities threatens the health and welfare of the citizens of this State in that citizens need assurance of economical and readily available health care.

(3) That the current system of planning for health care facilities and equipment has led to the proliferation of new inpatient acute care facilities and medical equipment beyond the need of many localities in this State and an inadequate supply of health personnel and of resources for long term, intermediate, and ambulatory care in many localities. That, if left to the market place to allocate health service facilities and health care services, geographical maldistribution of these facilities and services would occur and, further, less than equal access to all population groups, especially those that have traditionally been medically underserved, would result.

(4) That this trend of the proliferation of unnecessary health care service facilities and equipment results in costly duplication and underuse of facilities, with the availability of excess capacity leading to unnecessary use of expensive resources and overutilization of acute care hospital health care services by physicians.

(5) That a certificate of need law is required by Title XV of the Public Health Service Act as a condition for receipt of federal funds. If these funds were withdrawn the State of North Carolina would lose in excess of fifty-five million dollars ($55,000,000).

(6) That excess capacity of health service facilities places an enormous economic burden on the public who pay for the construction and operation of these facilities as patients, health insurance subscribers, health plan contributors, and taxpayers.

(7) That the general welfare and protection of lives, health, and property of the people of this State require that new institutional health services to be offered within this State be subject to review and evaluation as to type, level, need, cost of service, accessibility to services, quality of care, feasibility, and other criteria as determined by provisions of this Article or by the North Carolina Department of Human Resources pursuant to provisions of this Article prior to such services being offered or developed in order that only appropriate and
needed institutional health services are made available in the area to be served.

"§ 131E-176. Definitions.—As used in this Article, unless the context clearly requires otherwise, the following terms have the meanings specified:

(1) ‘Ambulatory surgical facility’ means a facility designed for the provision of an ambulatory surgical program. An ambulatory surgical facility serves patients who require local, regional or general anesthesia and a period of post-operative observation. An ambulatory surgical facility may only admit patients for a period of less than 24 hours and must provide at least one designated operating room and at least one designated recovery room, have available the necessary equipment and trained personnel to handle emergencies, provide adequate quality assurance and assessment by an evaluation and review committee, and maintain adequate medical records for each patient. An ambulatory surgical facility may be operated as a part of a physician or dentist’s office, provided the facility is licensed under G.S. Chapter 131E, Article 6, Part D, but the performance of incidental, limited ambulatory surgical procedures which do not constitute an ambulatory surgical program as defined in subdivision (1a) and which are performed in a physician’s or dentist’s office does not make that office an ambulatory surgical facility.

(1a) ‘Ambulatory surgical program’ means a formal program for providing on a same-day basis those surgical procedures which require local, regional or general anesthesia and a period of post-operative observation to patients whose admission for more than 24 hours is determined, prior to surgery, to be medically unnecessary.

(2) ‘Bed capacity’ means space used exclusively for inpatient care, including space designed or remodeled for licensed inpatient beds even though temporarily not used for such purposes. The number of beds to be counted in any patient room shall be the maximum number for which adequate square footage is provided as established by regulations rules of the Department except that single beds in single rooms are counted even if the room contains inadequate square footage. The term ‘bed capacity’ also refers to the number of dialysis stations in kidney disease treatment centers, including freestanding dialysis units.

(2a) ‘Capital expenditure’ means an expenditure which under generally accepted accounting principles is not properly chargeable as an expense of operation and maintenance.

(3) ‘Certificate of need’ means a written order of the Department setting forth the affirmative findings that a proposed project sufficiently satisfies the plans, standards, and criteria prescribed for such projects
by this Article and by rules and regulations of the Department as provided in G.S. 131E-183(a) and which affords the person so designated as the legal proponent of the proposed project the opportunity to proceed with the development of such project.

(4) ‘Certified cost estimate’ means an estimate of the total cost of a project certified by the proponent of the project within 60 days prior to or subsequent to the date of submission of the proposed new institutional health service to the Department and which is based on:

a. Preliminary plans and specifications;
b. Estimates of the cost of equipment certified by the manufacturer or vendor; and
c. Estimates of the cost of management and administration of the project.

(5) ‘Change in bed capacity’ means (i) any increase in the total number of beds, or (ii) any relocation of beds from one physical facility or site to another, or (iii) a decrease in the total number of beds when that decrease involves a capital expenditure exceeding the expenditure minimum as defined in subdivision (16)b of this section, or (iv) a redistribution of beds among different categories when that redistribution involves a capital expenditure exceeding the expenditure minimum as defined in subdivision (16)b of this section. For purposes of this subdivision "beds" means beds in hospitals, rehabilitation facilities, psychiatric facilities, chemical dependency treatment facilities, intermediate care facilities, skilled nursing facilities and intermediate care facilities for the mentally retarded, (i) any relocation of health service facility beds, or dialysis stations from one licensed facility or campus to another, or (ii) any redistribution of health service facility bed capacity among the categories of health service facility bed as defined in G.S. 131E-176 (9c), or (iii) any increase in the number of health service facility beds, or dialysis stations in kidney disease treatment centers, including freestanding dialysis units.

(5a) ‘Chemical dependency treatment facility’ means a public or private facility, or unit in a facility, which is engaged in providing 24-hour a day treatment for chemical dependency or substance abuse. This treatment may include detoxification, administration of a therapeutic regimen for the treatment of chemically dependent or substance abusing persons and related services. The facility or unit may be:

a. A unit within a general hospital or an attached or freestanding unit of a general hospital licensed under Article 5, Chapter 131E, of the General Statutes,
b. A unit within a psychiatric hospital or an attached or freestanding unit of a psychiatric hospital licensed under Article 1A of General Statutes Chapter 122 or Article 2 of General Statutes Chapter 122C,

c. A freestanding facility specializing in treatment of persons who are substance abusers or chemically dependent licensed under Article 1A of General Statutes Chapter 122 or Article 2 of General Statutes Chapter 122C; and may be identified as "chemical dependency, substance abuse, alcoholism, or drug abuse treatment units," "residential chemical dependency, substance abuse, alcoholism or drug abuse facilities," "social setting detoxification facilities" and "medical detoxification facilities," or by other names if the purpose is to provide treatment of chemically dependent or substance abusing persons, but shall not include halfway houses or recovery farms.

(5b) 'Chemical dependency treatment beds' means beds that are licensed for detoxification or for the inpatient treatment of chemical dependency. Residential treatment beds for the treatment of chemical dependency or substance abuse are chemical dependency treatment beds but those residential treatment beds that were developed and operated without a certificate of need shall not be counted in the inventory of chemical dependency treatment beds in the State Health Plans prepared by the Department pursuant to G.S. 131E-177(4) after July 1, 1987. The State Health Plans prepared after July 1, 1987, shall also contain no limitation on the proportion of the overall inventory of chemical dependency treatment beds located in any of the types of chemical dependency treatment facilities identified in subdivision (5a).

(6) 'Department' means the North Carolina Department of Human Resources.

(7) To 'develop' when used in connection with health services, means to undertake those activities which will result in the offering of institutional health service not provided in the previous 12-month reporting period or the incurring of a financial obligation in relation to the offering of such a service.

(8) ‘Final decision’ means an approval, an approval with conditions, or denial of an application for a certificate of need.

(9) 'Health care facilities' means hospitals; psychiatric facilities; skilled nursing facilities; kidney disease treatment centers, including freestanding hemodialysis units; intermediate care facilities, including

(13) 'Hospital' means a public or private institution which is primarily engaged in providing to inpatients, by or under supervision of physicians, diagnostic services and therapeutic services for medical diagnosis, treatment, and care of injured, disabled, or sick persons, or rehabilitation services for the rehabilitation of injured, disabled, or sick persons. In determining whether medical equipment costs more than six hundred thousand dollars ($600,000), the costs of studies, surveys, designs, plans, working drawings, specifications and other activities essential to acquiring the equipment shall be included. If the equipment is acquired for less than fair market value, the cost shall be deemed to be the fair market value.

(16) 'New institutional health services' means:

a. The construction, development, or other establishment of a new health care service facility:

b. The obligation by or on behalf of a health care facility or a local health department established under Article 2 of Chapter 130A of the General Statutes of any capital expenditure, other than one to acquire an existing health
care facility, which exceeds the expenditure minimum. Further, increases in approved capital expenditures, if they exceed the expenditure minimum, are also new institutional health services. The expenditure minimum is one million dollars ($1,000,000) for the 12-month period beginning October 1, 1985. For each 12-month period thereafter the expenditure minimum shall be the figure in effect for the preceding 12-month period, adjusted to reflect the change in the preceding 12-month period in the Department of Commerce Composite Construction Cost Index. The obligation by any person of any capital expenditure on behalf of or for a health service facility as defined in subsection(9b) of this section exceeding two million dollars ($2,000,000), other than one to acquire an existing health service facility or to replace such a facility destroyed or irreparably damaged by accident or natural disaster. The cost of any studies, surveys, designs, plans, working drawings, specifications, and other activities, including staff effort and consulting and other services, essential to the acquisition, improvement, expansion, or replacement of any plant or equipment with respect to which an expenditure is made shall be included in determining if the expenditure exceeds the expenditure minimum two million dollars ($2,000,000);
c. The obligation of a capital expenditure by or on behalf of a health care facility when it is associated with a change in bed capacity and within the limits set forth in G.S. 131E-176(5). Any change in bed capacity as defined in G.S.131E-176(5);
d. The obligation of any capital expenditure by or on behalf of a health care facility which is associated with the addition of a health service which was not offered by or on behalf of the facility within the previous 12 months or with the termination of a health service which was offered in or through the facility The offering of dialysis services or home health services by or on behalf of a health service facility if those services were not offered within the previous 12 months by or on behalf of the facility;
e. A change in a project which was subject to review under paragraphs a, b, c, or d of this subdivision and for which a certificate of need had been issued, if the change is proposed within one year after the project was completed.
For the purposes of this paragraph, a change in a project is a change in bed capacity, the addition of a health service, or the termination of a health service, regardless of whether a capital expenditure is associated with the change. A change in a project that was subject to certificate of need review and for which a certificate of need was issued, if the change is proposed during the development of the project or within one year after the project was completed. For purposes of this subdivision, a change in a project is a change of more than fifteen percent (15%) of the approved capital expenditure amount or the addition of a health service that is to be located in the facility, or portion thereof, that was constructed or developed in the project;
f. The offering of a health service by or on behalf of a health care service facility if the service was not offered by or on behalf of the health care service facility in the previous 12 months and if the annual operating costs of the service equal or exceed the expenditure minimum one million dollars ($1,000,000), or the expansion of an existing health service when an annual operating cost of one million dollars ($1,000,000) is directly associated with the offering of the expanded portion of the service; 
   The expenditure minimum for annual operating costs is two hundred fifty thousand dollars ($250,000) for the 12-month period beginning October 1, 1979. For each 12-month period thereafter the expenditure minimum shall be the figure in effect for the preceding 12-month period, adjusted to reflect the change in the preceding 12-month period in the Department of Commerce Composite Construction Cost Index;

accident, or equipment failure, or the Department, within 30 days after receipt of the notice, finds that the major medical equipment is among the types enumerated in g. above;
i. The use, excluding use on a temporary basis in the case of a natural disaster, a major accident, or equipment failure, of major medical equipment which was acquired without a certificate of need, to treat inpatients of a hospital;
j. The obligation of a capital expenditure by any person to acquire an existing health care facility, if a notice of intent is not filed with the Department in accordance with rules promulgated by the Department, or the Department, within 30 days after receipt of the notice of intent, finds that there will be a change in bed capacity, the addition of a health service not offered by or on behalf of the facility within the previous 12 months, or the termination of a health service which was offered by or on behalf of the facility;

(b) A recipient of a certificate of need, or any person who may subsequently acquire, in any manner whatsoever permitted by law, the service for which that certificate of need was issued, is required to materially comply with the representations made in its application for that certificate of need. The Department may by rule require any recipient of a certificate of need, or its successor, whose service is in operation to submit to the Department evidence that the recipient, or its successor, is in material compliance with the representations made in its application for the certificate of need which granted the recipient the right to operate that service. The Secretary is authorized to adopt, amend, and repeal rules to administer this subsection. (5) The Department shall maintain all written comments submitted to it during the written comment stage and any written submissions received at the public hearing as part of the Department’s file respecting each application or group of applications under review by it. The application, written comments, and public hearing comments, together with all documents that the Department used in arriving at its decision, from whatever source, and any documents that reflect or set out the Department’s final analysis of the application or applications under review, shall constitute the Department’s record for the application or applications under review.

(b) The Department shall issue as provided in this Article a certificate of need with or without conditions or reject the application within the review period.
(c) The Department shall promulgate rules establishing criteria for determining when it would not be practicable to complete a review within 90 days from receipt of a completed the beginning date of the review period for the application. If the Department finds that these criteria are met for a particular project, it may extend the review period for a period not to exceed 60 days and provide notice of such extension to all affected persons applicants.

"§ 131E-186. (a) Within the prescribed time limits in G.S. 131E-185, the Department shall issue a decision to "approve," "approve with conditions," or "deny," an application for a new institutional health service.

(b) Within five days after it makes a decision on an application, the Department shall provide written notice of all the findings and conclusions upon which it based its decision, including the criteria used by the Department in making its decision, to both the applicant and to the appropriate health systems agency.

"§ 131E-187. (b) The Department shall issue a certificate of need within five days after a request for a contested case hearing has been withdrawn or the final agency decision has been made following a contested case hearing, and all applicable conditions of approval that can be satisfied before issuance of the certificate of need have been met.
§ 131E-188. Administrative and judicial review.--(a) After a decision of the Department to issue, deny or withdraw a certificate of need or exemption, any affected person, as defined in subsection (c) of this section, shall be entitled to a contested case hearing under Article 3 of Chapter 150A - 150B of the General Statutes, if the Department receives a request therefor within 30 days after its decision. A petition for a contested case shall be filed within 30 days after the Department makes its decision. When a petition is filed, the Department shall send notification of the petition to the proponent of each application that was reviewed with the application for a certificate of need that is the subject of the petition.

A contested case shall be conducted in accordance with the following timetable:

1. An administrative law judge or a hearing officer, as appropriate, shall be assigned within 15 days after a petition is filed.
2. The parties shall complete discovery within 90 days after the assignment of the administrative law judge or hearing officer.
3. The hearing at which sworn testimony is taken and evidence is presented shall be held within 45 days after the end of the discovery period.

The Department may extend the deadline in subdivision (5) for up to 30 days by giving all parties written notice of the extension.

(a1) As a condition precedent to proceeding with a contested case hearing on the approval of an applicant for a certificate of need, the petitioner shall deposit a bond with the clerk of superior court where the new institutional health service that is the subject of the petition is proposed to be located. The bond shall be secured by cash or its equivalent in an amount equal to five percent (5%) of the cost of the proposed new institutional health service that is the subject of the petition, but may not be less than five thousand dollars ($5,000) and may not exceed fifty thousand dollars ($50,000). A petitioner who received approval for a certificate of need and is contesting only a condition in the certificate is not required to file a bond under this
subsection.

The applicant who received approval for the new institutional health service that is the subject of the petition may bring an action against a bond filed under this subsection in the superior court of the county where the bond was filed. Upon finding that the petition for a contested case was frivolous or filed to delay the applicant, the court may award the applicant part or all of the bond filed under this subsection.

(b) Any affected person who was a party in a contested case hearing shall be entitled to judicial review of all or any portion of any final decision of the Department in the following manner. The appeal shall be to the Court of Appeals as provided in G.S. 7A-29(a). The procedure for the appeal shall be as provided by the rules of appellate procedure. (b1) Before filing an appeal of a decision by the Department granting a certificate of need, the affected person shall deposit a bond with the Clerk of the Court of Appeals. A holder of a certificate of need who is appealing only a condition in the certificate is not required to file a bond under this subsection.

If the Court of Appeals finds that the appeal was frivolous or filed to delay the applicant, the court shall remand the case to the superior court of the county where a bond was filed for the contested case hearing on the certificate of need. The superior court may award the holder of the certificate of need part or all of the bond. The court shall award the holder of the certificate of need reasonable attorney fees and costs incurred in the appeal to the Court of Appeals.

(c) The term ‘affected persons’ includes: the applicant; the health systems agency for the health service area in which the proposed project is to be located; health systems agencies serving contiguous health service areas or located within the same standard metropolitan statistical area; any person residing within the geographic area served or to be served by the applicant; any person who regularly uses health care service facilities within that geographic area; health care service
facilities and health maintenance organizations (HMOs) located in the health service area in which the project is proposed to be located, which provide services similar to the services of the facility under review; health care service facilities and HMOs which, prior to receipt by the agency of the proposal being reviewed, have formally indicated an intention to provide similar services in the future; third party payers who reimburse health care service facilities for services in the health service area in which the project is proposed to be located; and any agency which establishes rates for health care service facilities or HMOs located in the health service area in which the project is proposed to be located.

"§ 131E-189. Withdrawal of a certificate of need.--(a) The Department shall specify in each certificate of need the time the holder has to make the service or equipment available or to complete the project and the timetable to be followed. The timetable shall be the one proposed by the holder of the certificate of need unless at the time the certificate of need is issued the Department determines by a preponderance of the evidence that the timetable proposed by the holder is unreasonable and that a different timetable should be followed by the holder the Department specifies a different timetable in its decision letter. The holder of the certificate shall submit such periodic reports on his progress in meeting the timetable as may be required by the Department. If no progress report is provided or, after reviewing the progress, the Department determines that the holder of the certificate is not meeting the timetable and the holder cannot demonstrate that it is making good faith efforts to meet the timetable, the Department may, after considering any recommendation made by the appropriate health systems agency, withdraw the certificate. If the Department determines that the holder of the certificate is making a good faith effort to meet the timetable, the Department may, at the request of the holder, extend the timetable for a specified period.

(b) The Department may withdraw any certificate of need which was issued subject to a condition or conditions, if the holder of the certificate fails to satisfy such condition or conditions develop and operate the service consistent with the representations made in the application or with any condition or conditions the Department placed on the certificate of need.

(c) The Department may immediately withdraw any certificate of need if the holder of the certificate, before completion of the project or operation of the facility, transfers ownership or control of the facility. Any transfer after that time will be subject to the requirement that the
service be provided consistent with the representations made in the application and any applicable conditions the Department placed on the certificate of need. Transfers resulting from personal illness or other good cause, as determined by the Department, shall not result in withdrawal if the Department receives prior written notice of the transfer and finds good cause. Transfers resulting from death shall not result in withdrawal.

"§ 131E-190. Enforcement and sanctions.—(a) Only those new institutional health services which are found by the Department to be needed as provided in this Article and granted certificates of need shall be offered or developed within the State.

(b) No formal commitments made for financing, construction, or acquisition regarding the offering or development of a new institutional health service shall be made by any person unless a certificate of need for such service or activities has been granted.

(c) Nothing in this Article shall be construed as terminating the P.L. 92-603, Section 1122, capital expenditure program or the contract between the State of North Carolina and the United States under that program. The sanctions available under that program and contract, with regard to the determination of whether the amounts attributable to an applicable project or capital expenditure project should be included or excluded in determining payments to the proponent under Titles V, XVIII, and XIX of the Social Security Act, shall remain available to the State.

(d) If any health care facility proceeds to offer or develop a new institutional health service without having first obtained a certificate of need for such services, the penalty for such violation of this Article and rules and regulations hereunder is may include the withholding of federal and State funds under Titles V, XVIII, and XIX of the Social Security Act for reimbursement of capital and operating expenses related to the provision of the new institutional health service.

(e) The Medical Care Commission may revoke or suspend the license of any person who if any health care facility proceeds to offer or develop a new institutional health service without having first obtained a certificate of need for such services, the license for such facility may be revoked or suspended by the Medical Care Commission, or the Commission for Health Services, as appropriate.

(f) The Department may assess a civil penalty—civil penalty of not more than twenty thousand dollars ($20,000) may be assessed by the Department against any person who knowingly offers or develops any new institutional health service within the meaning of this Article without a certificate of need issued under this Article and the rules
and regulations pertaining thereto, or in violation of the terms of such a certificate, each time the service is provided in violation of this provision. In determining the amount of the penalty the Department shall consider the degree and extent of harm caused by the violation and the cost of rectifying the damage. A person who is assessed a penalty shall be notified of the penalty by registered or certified mail. The notice shall state the reasons for the penalty. If a person fails to pay a penalty, the Department shall refer the matter to the Attorney General for collection. The Department may assess the penalties provided for in this subsection. Any person assessed shall be notified of the assessment by registered or certified mail, and the notice shall specify the reasons for the assessment. If the person assessed fails to pay the amount of the assessment to the Department within 30 days after receipt of notice, or such longer period, not to exceed 180 days, as the Department may specify, the Department may institute a civil action in the superior court of the county in which the violation occurred or, in the discretion of the Department, in the superior court of the county in which the person assessed has his principal place of business, to recover the amount of the assessment. In any such civil action, the scope of the court’s review of the Department’s action (which shall include a review of the amount of the assessment), shall be as provided in Chapter 150A of the General Statutes. For the purpose of this subsection, the word ‘person’ shall not include an individual in his capacity as an officer, director, or employee of a person as otherwise defined in this Article.

(g) No agency of the State or any of its political subdivisions may appropriate or grant funds or financially assist in any way a person, applicant, or facility which is or whose project is in violation of this Article.

(h) If any health care facility person proceeds to offer or develop a new institutional health service without having first obtained a certificate of need for such services, the Secretary of Human Resources or any person aggrieved, as defined by G.S. 150A-2(6) 150B-2(6), may bring a civil action for injunctive relief, temporary or permanent, against the person offering, developing or operating any new institutional health service. The action may be brought in the superior court of any county in which the health service facility is located or in the superior court of Wake County.

(i) If the Department determines that the recipient of a certificate of need, or its successor, is operating a service which materially differs from the representations made in its application for that certificate of need, the Department may bring an action in Wake County Superior
CHAPTER 511   Session Laws — 1987

The Department may also bring an action in Wake County Superior Court or the superior court of any county in which the certificate of need is to be utilized to enforce the provisions of this subsection and G.S. 131E-181(b) and the regulations rules adopted in accordance with this subsection and G.S. 131E-181(b).

"§ 131E-191. Venue. (a) Any action brought by a "person aggrieved" as defined by G.S. 150B-2(6), to enforce the provisions of this Article against any health care facility as defined in G.S. 131E-176(9), or its agents or employees, may be brought in the superior court of any county in which the cause of action arose or in the county in which the health care facility is located, or in Wake County.

Such action must be filed not later than 30 days after a written copy of the final decision by the Department is given by personal service or registered or certified mail to the person seeking judicial review.

"§ 131E-192 to 131E-199. Reserved for future codification purposes."

A person or entity who surrenders his or its license shall not thereafter be eligible for or submit any application for licensure as a real estate broker or salesman during the
period of license surrender."

Sec. 3. G.S. 93A-16 is amended by adding a new subsection to read:

"(d) The Commission shall have the authority to adopt reasonable rules and procedures not inconsistent with the provisions of this Article, to provide for the orderly, fair and efficient administration and payment of monies held in the Real Estate Recovery Fund."

"§ 93A-17. Grounds for payment; notice and application to Commission.--(a) An aggrieved person who has suffered a direct monetary loss by reason of the conversion of trust funds by a real estate broker or salesman licensed under this Chapter shall be eligible to recover, subject to the limitations of this Article, the amount of trust funds converted and which is otherwise unrecoverable provided that:

(1) The act or acts of conversion which form the basis of the claim for recovery occurred on or after September 1, 1979;

(2) The aggrieved person has sued the real estate broker or salesman in a court of competent jurisdiction and has filed with the Commission written notice of such lawsuit within 60 days after its commencement unless the claim against the Real Estate Recovery Fund is for an amount less than one thousand five hundred dollars ($1,500), excluding attorneys fees, in which case the notice may be filed within 60 days after the termination of all judicial proceedings including appeals;
(3) The aggrieved person has obtained final judgment in a court of competent jurisdiction against the real estate broker or salesman on grounds of conversion of trust funds arising out of a transaction which occurred when such broker or salesman was licensed and acting in a capacity for which a license is required: and

(4) Execution of the judgment has been attempted and has been returned unsatisfied in whole or in part.

Upon the termination of all judicial proceedings including appeals, and for a period of one year thereafter, a person eligible for recovery may file a verified application with the Commission for payment out of the Real Estate Recovery Fund of the amount remaining unpaid upon the judgment which represents the actual and direct loss sustained by reason of conversion of trust funds. A copy of the judgment and return of execution shall be attached to the application and filed with the Commission. The applicant shall serve upon the judgment debtor a copy of the application and shall file with the Commission an affidavit or certificate of such service.

Within 30 days after service of the application, counsel for the Commission and the judgment debtor may file responses thereto setting forth answers and defenses. Responses shall be filed with the Commission and copies shall be served upon every party by the filing party. If at any time it appears there are no triable issues of fact and the application for payment from the fund is without merit, the Commission shall dismiss the application. A motion to dismiss may be supported by affidavit of any person or persons having knowledge of the facts and may be made on the basis that the application or the judgment referred to therein do not form a basis for meritorious recovery within the purview of G.S. 93A-17, that the applicant has not complied with the provisions of this Article, or that the liability of the fund with regard to the particular licensee or transaction has been exhausted; provided, however, notice of such motion shall be given at least 10 days prior to the time fixed for hearing."

(a) by renumbering existing subdivision (6) as subdivision (7);
(b) by adding a new subdivision (6) to read:
"(6) ‘Member self-insurer’ or ‘member’ means a self-insurer
which is authorized by the Commissioner to self-insure pursuant to
G.S. 97-93, 97-94 and 97-96.”;
(c) by renumbering existing subdivision (7) as subdivision (8);
and
(d) by deleting the phrase ‘or member self-insurer’ from new
subdivision (8).

Sec. 2. G.S. 97-131 is amended as follows:
(a) G.S. 97-131(a) is amended by deleting the last sentence of
the subsection;
(b) G.S. 97-131(b) is amended by inserting the phrase "by the
Board" following "both," in the second sentence of the subsection;
(c) G.S. 97-131(b)(2) is rewritten to read:
"(2) A self-insurer shall be deemed to be a member of the
Association for purposes of its own insolvency if it is a member when
the compensable injury occurs.”

Sec. 3. G.S. 97-132 is amended by rewriting the second
sentence to read:
"The members of the Board shall be selected by the member self-
insurers, subject to the approval of the Commissioner, and shall serve
for terms which shall not exceed three years.”

Sec. 4. G.S. 97-133(a)(1) is rewritten to read:
"(1) Obtain from each member self-insurer and file with the
Commissioner individual reports specifying the aggregate benefits each
member paid during the previous calendar year, and the annual
standard premium that would have been paid by the individual
member self-insurer during the previous calendar year, pursuant to
manual rates established by the North Carolina Rate Bureau and using
the experience rating procedure approved by the Commissioner for
that member self-insurer or the annual premium collected by each
group member self-insurer during the prior calendar year. These
reports shall be due on or before July 15 following the close of that
calendar year, except that this deadline may be extended by the Commissioner for up to three additional months for good cause shown."

Sec. 5. G.S. 97-133(a)(2)d. is rewritten to read:
"d. If application of the contribution rates referenced in sub-subdivisions a. and b. of this subdivision would produce an amount in excess of the one million dollar ($1,000,000) limits of the fund, an equitable proration may be made; provided that every self-insurer that becomes a member of the Association shall pay an initial assessment, in an amount established by the Board, regardless of the size of the fund at the time the member joins the Association."

Sec. 6. G.S. 97-133(a)(3) is rewritten to read:
"(3) Administer a fund, to be known as the North Carolina Self-Insurance Guaranty Fund, which shall receive the assessments required in subdivision (2) of this subsection. Assessments may be subsequently made only to maintain the Fund at a level of one million dollars ($1,000,000). In its discretion, the Board may determine that the assets of the Fund should be segregated, or that a separate accounting shall be made, in order to identify that portion of the Fund which represents assessments paid by individual self-insurers and that portion of the Fund which represents assessments paid by group self-insurers. If the Board determines to segregate the Fund in this manner, the Association shall thereafter pay covered claims against individual member self-insurers from that portion of the Fund which represents assessments against individual self-insurers and shall thereafter pay covered claims against group member self-insurers from that portion of the Fund which represents assessments against group self-insurers. The cost of administration incurred by the Association shall be borne by the Fund and the Association is authorized to secure reinsurance and bonds and to otherwise invest the assets of the Fund to effectuate the purpose of the Association, subject to the approval of the Commissioner. All earnings from investment of Fund assets shall be placed in or credited to the Fund.

The Association may purchase primary excess insurance from an insurer licensed by the Commissioner for the appropriate lines of authority to defray its exposure to loss occasioned by the default of one or more of its members. The terms of any excess insurance so purchased shall be limited to providing coverage of liabilities which exceed the Fund's assets after the payment by member self-insurers of the maximum post-insolvency assessment provided in G.S. 197-
133(c)(1) herein and the Association shall fund any such purchase by
levying a special assessment on its members for this purpose or by
application of any unencumbered earnings of the Fund or any other
available funds. The Association may obtain from each member any
information the Association may reasonably require in order to
facilitate the securing of this primary excess insurance. The
Association shall establish reasonable safeguards designed to insure
that information so received is used only for this purpose and is not
otherwise disclosed;”.

amount not to exceed two percent (2%) each year of the annual
standard premium that would have been paid by that member self-

AN ACT REGARDING UNINSURED MOTORIST COVERAGE CLAIMS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-279.21(b)(3)a. reads as rewritten:
"a. A provision that the insurer shall be bound by a final judgment taken by the insured against an uninsured motorist if the insurer has been served with copy of summons, complaint or other process in the action against the uninsured motorist by registered or certified mail, return receipt requested, or in any manner provided by law; provided however, that the determination of whether a motorist is uninsured may be decided only by an action against the insurer alone. The insurer, upon being served as herein provided, shall be a party to the action between the insured and the uninsured motorist though not named in the caption of the pleadings and may defend the suit in the name of the uninsured motorist or in its own name. The insurer, upon being served with copy of summons, complaint or other pleading, shall have the time allowed by statute in which to answer, demur or otherwise plead (whether such pleading is verified or not) to the summons, complaint or other process served upon it. The consent of the insurer shall not be required for the initiation of suit by the insured against the uninsured motorist: Provided, however, no action shall be initiated by the insured until 60 days following the posting of notice to the insurer at the address shown on the policy or after
personal delivery of such notice to the insurer or its agent setting forth the belief of the insured that the prospective defendant or defendants are uninsured motorists. No default judgment shall be entered when the insurer has timely filed an answer or other pleading as required by law. The failure to post notice to the insurer 60 days in advance of the initiation of suit shall not be grounds for dismissal of the action, but shall automatically extend the time for the filing of an answer or other pleadings to 60 days after the time of service of the summons, complaint, or other process on the insurer.

Sec. 2. This act shall become effective October 1, 1987.

The plan shall be consistent with the General Statutes, shall contain provisions covering those items listed in G.S. 115C-67 and shall contain any other provision deemed necessary or appropriate by the local boards of education for the merger of school units in two or more counties. Any plan approved by a majority of the school administrative units and tax levying bodies, must prescribe the status of each of the school units in those counties.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Lee County Board of Commissioners may by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations and to any rental unit rented to the same person for seven or more consecutive days.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.
A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day’s omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Use of tax revenue. Lee County shall place the proceeds of a tax levied under this section in a capital reserve fund in accordance with Part 2 of Article 3 of Chapter 159 of the General Statutes. The proceeds shall be held in the capital reserve fund until a sufficient amount has accumulated to construct a Community Resource Center for Lee County. The proceeds shall then be used to construct the Community Resource Center. After the Center is completed, Lee County shall spend the proceeds of the tax for maintenance of the Community Resource Center. Any excess over the amount needed for maintenance of the Center may be used by Lee County for any lawful purpose.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Lee County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the

Failure to request a trial by jury shall constitute a waiver of the right. The clerk may nevertheless require trial by jury in accordance with G.S. 1A-1, Rule 39(b), Rules of Civil Procedure, by entering an order for trial by jury on his own motion. The jury shall be composed of 12 persons chosen from the county’s jury list in accordance with the provisions of Chapter 9 of the General Statutes.

The evaluation shall be kept under such conditions as directed by the clerk and its contents revealed only as directed by the clerk. The evaluation shall not be a public record and shall not be released except by order of the clerk.

(c) If a multidisciplinary evaluation does not contain medical, psychological, or social work evaluations ordered by the clerk, the designated agency nevertheless shall file the evaluation with the clerk and send copies as required by subsection (b). In a transmittal letter, the agency shall explain why the evaluation does not contain such medical, psychological, or social work evaluations.

(d) The clerk may order that the respondent attend a multidisciplinary evaluation for the purpose of being evaluated.

(e) The multidisciplinary evaluation may be considered at the hearing for adjudication of incompetence, the hearing for appointment of a guardian under Subchapter II of this Chapter, or both.

"§ 35A-1112. Hearing on petition; adjudication order.—(a) The hearing on the petition shall be at the date, time, and place set forth in the final notice of hearing and shall be open to the public unless the respondent or his counsel or guardian ad litem requests otherwise, in which event the clerk shall exclude all persons other than those directly involved in or testifying at the hearing.

(b) The petitioner and the respondent are entitled to present testimony and documentary evidence, to subpoena witnesses and the production of documents, and to examine and cross-examine witnesses.

(c) The clerk shall dismiss the proceeding if the finder of fact, whether the clerk or a jury, does not find the respondent to be incompetent.

(d) If the finder of fact, whether the clerk or the jury, finds by clear, cogent, and convincing evidence that the respondent is incompetent, the clerk shall enter an order adjudicating the respondent incompetent. The clerk may include in the order findings on the
nature and extent of the ward’s incompetence.

(e) Following an adjudication of incompetence, the clerk shall either appoint a guardian pursuant to Subchapter II of this Chapter or, for good cause shown, transfer the proceeding for the appointment of a guardian to any county identified in G.S. 35A-1103. The transferring clerk shall enter a written order authorizing the transfer. The clerk in the transferring county shall transfer all original papers and documents, including the multidisciplinary evaluation, if any, to the transferee county and close his file with a copy of the adjudication order and transfer order.

(f) If the adjudication occurs in any county other than the county of the respondent’s residence, a certified copy of the adjudication order shall be sent to the clerk in the county of the ward’s legal residence, to be filed and indexed as in a special proceeding of that county.

(g) Except as provided in G.S. 35A-1114(f), a proceeding filed under this Article may be voluntarily dismissed as provided in G.S. 1A-1, Rule 41, Rules of Civil Procedure.

§ 35A-1113. Hearing when incompetence determined in another state.--When the petition alleges that the respondent is incompetent on the basis of an adjudication that occurred in another state, the clerk in his discretion may:

(1) adjudicate incompetence on the basis of the prior adjudication, if the clerk first finds by clear, cogent, and convincing evidence that:
   a. the respondent is represented by an attorney or guardian ad litem; and
   b. a certified copy of an order adjudicating the respondent incompetent has been filed in the proceeding; and
   c. the prior adjudication was made by a court of competent jurisdiction on grounds comparable to a ground for adjudication of incompetence under this Article; and
   d. the respondent, subsequent to the adjudication of incompetence in another state, assumed residence in North Carolina and needs a guardian in this State; or

(2) decline to adjudicate incompetence on the basis of the other state’s adjudication, and proceed with an adjudicatory hearing as in any other case pursuant to this Article.

§ 35A-1114. Appointment of interim guardian.--(a) At the time of or subsequent to the filing of a petition under this Article, the petitioner may also file a verified motion with the clerk seeking the appointment of an interim guardian.
(b) The motion shall set forth facts tending to show that:

1. there is reasonable cause to believe that the respondent is incompetent, and
2. the respondent is in a condition that constitutes or reasonably appears to constitute an imminent danger to his physical well-being and that requires immediate intervention, and
3. the respondent needs an interim guardian to be appointed immediately to intervene on his behalf prior to the adjudication hearing.

(c) Upon filing of the motion for appointment of an interim guardian, the clerk shall immediately set a date, time, and place for a hearing on the motion. The motion and a notice setting the date, time, and place for the hearing shall be served promptly on the respondent and on his counsel or guardian ad litem. The hearing shall be held as soon as possible but no later than 15 days after the motion has been served on the respondent.

(d) If at the hearing the clerk finds that there is reasonable cause to believe that the respondent is incompetent, that the respondent is in a condition that constitutes or reasonably appears to constitute an imminent danger to his physical well-being, and that there is immediate need for a guardian to provide consent or take other steps to protect the respondent, the clerk shall immediately enter an order appointing an interim guardian.

(e) The clerk’s order appointing an interim guardian shall include specific findings of fact to support the clerk’s conclusions, and shall set forth the interim guardian’s powers and duties. Such powers and duties shall extend only so far and so long as necessary to meet the respondent’s condition, but shall in no event continue for more than 45 days or until a general guardian or guardian of the person is appointed, whichever occurs first; provided, the clerk may for good cause shown extend the period of interim guardianship for an additional 45 days. The interim guardian shall be a guardian of the person and not of the estate of the ward. The interim guardian shall not be required to post a bond.

(f) When a motion for appointment of an interim guardian has been made, the petitioner may voluntarily dismiss the petition for adjudication of incompetence only prior to the hearing on the motion for appointment of an interim guardian.

§ 35A-1115. Appeal from clerk’s order.—Appeal from an order adjudicating incompetence shall be to the superior court for hearing de novo and thence to the Court of Appeals. An appeal does not stay the
appointment of a guardian unless so ordered by the superior court or the Court of Appeals. The Court of Appeals may request the Attorney General to represent the petitioner on any appeal by the respondent to the Appellate Division of the General Court of Justice, but the Department of Justice shall not be required to pay any of the costs of the appeal.

"§ 35A-1116. Costs and fees.--(a) Except as otherwise provided herein, costs shall be assessed as in special proceedings. Costs may be taxed against either party in the discretion of the court unless:

(1) the clerk finds that the petitioner did not have reasonable grounds to bring the proceeding, in which case costs shall be taxed to the petitioner, or

(2) the respondent is indigent, in which case the costs shall be waived by the clerk if not taxed against the petitioner as provided above or otherwise paid as provided in subsection (b) or (c).

(b) The cost of a multidisciplinary evaluation ordered pursuant to G.S. 35A-1111 shall be assessed as follows:

(1) if the respondent is adjudicated incompetent and is not indigent, the cost shall be assessed against the respondent;

(2) if the respondent is adjudicated incompetent and is indigent, the cost shall be borne by the Department of Human Resources;

(3) if the respondent is not adjudicated incompetent, the cost may be taxed against either party, apportioned among the parties, or borne by the Department of Human Resources, in the discretion of the court.

(c) Witness fees and the fees of court-appointed counsel or guardian ad litem shall be paid by:

(1) the respondent, if the respondent is adjudicated incompetent and is not indigent;

(2) the petitioner, if the respondent is not adjudicated incompetent and the clerk finds that there were not reasonable grounds to bring the proceeding;

(3) the Administrative Office of the Courts in all other cases.

"Article 2.

"Appointment of Guardian.

"§ 35A-120. Appointment of guardian.--If the respondent is adjudicated incompetent, a guardian or guardians shall be appointed in the manner provided for in Subchapter II of this Chapter.
"Article 3.
"Restoration to Competency.
§ 35A-1130. Proceedings before clerk.—(a) The guardian, ward, or any other interested person may petition for restoration of the ward to competency by filing a motion in the cause of the incompetency proceeding with the clerk who is exercising jurisdiction therein. The motion shall be verified and shall set forth facts tending to show that the ward is competent.

(b) Upon receipt of the motion, the clerk shall set a date, time, and place for a hearing, which shall be not less than 10 days or more than 30 days from service of the motion and notice of hearing on the ward and the guardian, or on the one of them who is not the petitioner, unless the clerk for good cause directs otherwise. The petitioner shall cause notice and a copy of the motion to be served on the guardian and ward (but not on one who is the petitioner) and any other parties to the incompetency proceeding. Service shall be in accordance with provisions of G.S 1A-1, Rule 4, Rules of Civil Procedure.

(c) At the hearing on the motion, the ward shall be entitled to be represented by counsel or guardian ad litem, and the clerk shall appoint a guardian ad litem if the ward is indigent and not represented by counsel. Upon motion of any party or the clerk's own motion, the clerk may order a multidisciplinary evaluation. The ward has a right, upon request by him, his counsel, or his guardian ad litem to trial by jury. Failure to request a trial by jury shall constitute a waiver of the right. The clerk may nevertheless require trial by jury in accordance with G.S. 1A-1, Rule 39(b), Rules of Civil Procedure, by entering an order for trial by jury on his own motion. Provided, if there is a jury in a proceeding for restoration to competency, it shall be a jury of six persons selected in accordance with the provisions of Chapter 9 of the General Statutes.

(d) If the clerk or jury finds by a preponderance of the evidence that the ward is competent, the clerk shall enter an order adjudicating that the ward is restored to competency. Upon such adjudication, the ward is authorized to manage his affairs, make contracts, control and sell his property, both real and personal, and exercise all rights as if he had never been adjudicated incompetent.

(e) The filing and approval of final accounts from the guardian and the discharge of the guardian shall be as provided in Subchapter II of this Chapter.

(f) If the clerk or jury fails to find that the ward should be restored to competency, the clerk shall enter an order denying the petition. The ward may appeal from the clerk's order to the superior court for trial de novo.
"SUBCHAPTER II. GUARDIAN AND WARD.
"Article 4.
"Purpose and Scope; Jurisdiction; Venue.
"§ 35A-1201. Purpose.--(a) The General Assembly of North Carolina recognizes that:

(1) Some minors and incompetent persons, regardless of where they are living, require the assistance of a guardian in order to help them exercise their rights, including the management of their property and personal affairs.

(2) Incompetent persons who are not able to act effectively on their own behalf have a right to a qualified, responsible guardian.

(3) The essential purpose of guardianship for an incompetent person is to replace the individual’s authority to make decisions with the authority of a guardian when the individual does not have adequate capacity to make such decisions.

(4) Limiting the rights of an incompetent person by appointing a guardian for him should not be undertaken unless it is clear that a guardian will give the individual a fuller capacity for exercising his rights.

(5) Guardianship should seek to preserve for the incompetent person the opportunity to exercise those rights that are within his comprehension and judgment, allowing for the possibility of error to the same degree as is allowed to persons who are not incompetent. To the maximum extent of his capabilities, an incompetent person should be permitted to participate as fully as possible in all decisions that will affect him.

(6) Minors, because they are legally incompetent to transact business or give consent for most purposes, need responsible, accountable adults to handle property or benefits to which they are entitled. Parents are the natural guardians of the person of their minor children, but unemancipated minors, when they do not have natural guardians, need some other responsible, accountable adult to be responsible for their personal welfare and for personal decision-making on their behalf.

(b) The purposes of this Subchapter are:

(1) to establish standards and procedures for the appointment of guardians of the person, guardians of the estate, and general guardians for incompetent
persons and for minors who need guardians;
(2) to specify the powers and duties of such guardians;
(3) to provide for the protection of the person and conservation of the estate of the ward through periodic accountings and reports; and
(4) to provide for the termination of guardianships.

§ 35A-1202. Definitions.—When used in this Subchapter, unless a contrary intent is indicated or the context requires otherwise:

(1) The term ‘accounting’ refers to the financial or status reports filed with the clerk, designated agency, respondent, or other person or party with whom such reports are required to be filed.

(2) The term ‘clerk’ means the clerk of superior court.

(3) The term ‘designated agency’ means the State or local human resources agency designated by the clerk in his order to prepare, cause to be prepared, or assemble a multidisciplinary evaluation and to perform other functions as the clerk may order. A designated agency includes, without limitation, State, local, regional or area mental health, mental retardation, vocational rehabilitation, public health, social service, and developmental disabilities agencies, and diagnostic evaluation centers.

(4) The term ‘disinterested public agent’ means:
   a. the director or assistant directors of a local human resources agency, or
   b. an adult officer, agent, or employee of a State human resources agency.

The fact that a disinterested public agent is employed by a State or local human resources agency that provides financial assistance, services, or treatment to a ward does not disqualify that person from being appointed as guardian.

(5) The term ‘estate’ means any interest in real property, choses in action, intangible personal property, and tangible personal property, and includes any interest in joint accounts or jointly held property.

(6) The term ‘financial report’ means the report filed by the guardian concerning all financial transactions, including receipts and expenditures of the ward’s money, sale of the ward’s property, or other transactions involving the ward’s property.

(7) The term ‘general guardian’ means a guardian of both the estate and the person.

(8) The term ‘guardian ad litem’ means a guardian appointed pursuant to G.S. 1A-1, Rule 17, Rules of Civil Procedure.
(9) The term 'guardian of the estate' means a guardian appointed solely for the purpose of managing the property, estate, and business affairs of a ward.

(10) The term 'guardian of the person' means a guardian appointed solely for the purpose of performing duties relating to the care, custody, and control of a ward.

(11) The term 'incompetent person' means a person who has been adjudicated to be an 'incompetent adult' or 'incompetent child' as defined in G.S. 35A-1101(7) or (8).

(12) The term 'minor' means a person who is under the age of 18, is not married, and has not been legally emancipated.

(13) The term 'multidisciplinary evaluation' means an evaluation that contains current medical, psychological, and social work evaluations as directed by the clerk and that may contain current evaluations by professionals in other disciplines, including without limitation education, vocational rehabilitation, occupational therapy, vocational therapy, psychiatry, speech-and-hearing, and communications disorders. The evaluation is current if made not more than one year from the date on which it is presented to or considered by the court. The evaluation shall set forth the nature and extent of the disability and recommend a guardianship plan and program.

(14) The term 'status report' means the report required by G.S. 35A-1242 to be filed by the general guardian or guardian of the person. A status report shall include a report of a recent medical and dental examination of the ward by one or more physicians or dentists, a report on the guardian's performance of his duties as set forth in this Chapter and in the clerk's order appointing the guardian, and a report on the ward's condition, needs, and development. The clerk may direct that the report contain other or different information. The report may also contain, without limitation, reports of mental health or mental retardation professionals, psychologists, social workers, persons in loco parentis, a member of a multidisciplinary evaluation team, a designated agency, a disinterested public agent or agency, a guardian ad litem, a guardian of the estate, an interim guardian, a successor guardian, an officer, official, employee or agent of the Department of Human Resources, or any other interested persons including, if applicable to the ward's situation, group home parents or supervisors, employers, members of the staff of a treatment facility, or foster parents.

(15) The term 'ward' means a person who has been adjudicated incompetent or an adult or minor for whom a guardian has been appointed by a court of competent jurisdiction.
"§ 35A-1203. Jurisdiction; authority of clerk.--(a) Clerks of superior court in their respective counties have original jurisdiction for the appointment of guardians of the person, guardians of the estate, or general guardians for incompetent persons and of related proceedings brought or filed under this Subchapter. Clerks of superior court in their respective counties have original jurisdiction for the appointment of guardians of the estate for minors, for the appointment of guardians of the person or general guardians for minors who have no natural guardian, and of related proceedings brought or filed under this Subchapter.

(b) The clerk shall retain jurisdiction following appointment of a guardian in order to assure compliance with the clerk’s orders and those of the superior court. The clerk shall have authority to remove a guardian for cause and shall appoint a successor guardian, following the criteria set forth in G.S. 35A-1213 or G.S. 35A-1224, after removal, death, or resignation of a guardian.

(c) The clerk shall have authority to determine disputes between guardians and to adjust the amount of the guardian’s bond.

(d) Any party or any other interested person may petition the clerk to exercise the authority conferred on the clerk by this section.

(e) Where a guardian or trustee has been appointed for a ward under Chapter 33 or Chapter 35 of the General Statutes, the clerk, upon his own motion or the motion of that guardian or trustee or any other interested person, may designate that guardian or trustee or appoint another qualified person as guardian of the person, guardian of the estate, or general guardian of the ward under this Chapter; provided, the authority of a guardian or trustee properly appointed under Chapter 33 or Chapter 35 of the General Statutes to continue serving in that capacity is not dependent on such motion and designation.

"§ 35A-1204. Venue.--(a) Venue for the appointment of a guardian for an incompetent person is in the county in which the person was adjudicated to be incompetent unless the clerk in that county has transferred the matter to a different county, in which case venue is in the county to which the matter has been transferred.

(b) Venue for the appointment of a guardian for a minor is in the county in which the minor resides or is domiciled.

(c) Venue for the appointment of an ancillary guardian for a nonresident of the State of North Carolina who is a minor or who has been adjudicated incompetent in another state, and who has a guardian of the estate or general guardian in the state of his residence, is in any county in which is located real estate in which the nonresident ward
has an ownership or other interest, or if the nonresident ward has no such interest in real estate, any county in which the nonresident owns or has an interest in personal property.

"§ 35A-1205. Transfer to different county.--At any time before or after appointing a guardian for a minor or incompetent person the clerk may, on a motion filed in the cause or on the court's own motion, for good cause order that the matter be transferred to a different county. The transferring clerk shall enter a written order directing the transfer under such conditions as the clerk specifies. The clerk in the transferring county shall transfer all original papers, documents, and orders from the guardianship and the incompetency proceeding, if any, to the clerk of the transferee county, along with the order directing the transfer. The clerk in the transferee county shall docket and file the papers in the estates division as a basis for jurisdiction in all subsequent proceedings. The clerk in the transferring county shall close his file with a copy of the transfer order and any order adjudicating incompetence or appointing a guardian.

"§ 35A-1206. Letters of appointment.--Whenever a guardian has been duly appointed and qualified under this Subchapter, the clerk shall issue to the guardian letters of appointment signed by the clerk and sealed with the clerk's seal of office. In all cases, the clerk shall specify in the order and letters of appointment whether the guardian is a guardian of the estate, a guardian of the person, or a general guardian.

"§ 35A-1207. Motions in the cause.--(a) Any interested person may file a motion in the cause with the clerk in the county where a guardianship is docketed to request modification of the order appointing a guardian or guardians or consideration of any matter pertaining to the guardianship.

(b) The clerk shall treat all such requests, however labeled, as motions in the cause.

(c) A movant under this section shall obtain from the clerk a time, date, and place for a hearing on the motion, and shall serve the motion and notice of hearing on all other parties and such other persons as the clerk directs as provided by G.S. 1A-1, Rule 5 of the Rules of Civil Procedure, unless the clerk orders otherwise.

(d) If the clerk finds reasonable cause to believe that an emergency exists that threatens the physical well-being of the ward or constitutes a risk of substantial injury to the ward's estate, the clerk may enter an appropriate ex parte order to address the emergency pending disposition of the matter at the hearing.
"Article 5.

"Appointment of Guardian for Incompetent Person.

"§ 35A-1210. Application before clerk.--Any individual, corporation, or disinterested public agent may file an application for the appointment of a guardian for an incompetent person by filing the same with the clerk. The application may be joined with or filed subsequent to a petition for the adjudication of incompetence under Subchapter I of this Chapter. The application shall set forth, to the extent known and to the extent such information is not already a matter of record in the case:

(1) The name, age, address, and county of residence of the ward or respondent;

(2) The name, address, and county of residence of the applicant, his relationship if any to the respondent or ward, and his interest in the proceeding;

(3) The name, address, and county of residence of the respondent's next of kin and other persons known to have an interest in the proceeding;

(4) A general statement of the ward's or respondent's assets and liabilities with an estimate of the value of any property, including any income and receivables to which he is entitled; and

(5) Whether the applicant seeks the appointment of a guardian of the person, a guardian of the estate, or a general guardian, and whom the applicant recommends or seeks to have appointed as such guardian or guardians.

"§ 35A-1211. Service of application, motions, and notices.--(a) Application for appointment of a guardian and related motions and notices shall be served on the parties and on such other persons as the clerk shall direct.

(b) When the application for appointment of a guardian is joined with a petition for adjudication of incompetence, the application shall be served with and in the same manner as the petition for adjudication of incompetence. In all other cases, the applicant shall serve the application as provided by G.S. 1A-1, Rule 4 of the Rules of Civil Procedure unless the clerk directs otherwise. The sheriff shall make such service without demanding his fees in advance.

"§ 35A-1212. Hearing before clerk on appointment of guardian.--(a) The clerk shall make such inquiry and receive such evidence as the clerk deems necessary to determine:

(1) the nature and extent of the needed guardianship;

(2) the assets, liabilities, and needs of the ward; and

(3) who, in the clerk's discretion, can most suitably serve as the guardian or guardians.
(b) If a current multidisciplinary evaluation is not available and the clerk determines that one is necessary, the clerk, on his own motion or the motion of any party, may order that such an evaluation be performed pursuant to G.S. 35A-1111. The provisions of that section shall apply to such an order for a multidisciplinary evaluation following an adjudication of incompetence.

(c) The clerk may require a report prepared by a designated agency to evaluate the suitability of a prospective guardian, to include a recommendation as to an appropriate party or parties to serve as guardian, or both, based on the nature and extent of the needed guardianship and the ward’s assets, liabilities, and needs.

(d) If a designated agency has not been named pursuant to G.S. 35A-1111, the clerk may, at any time he finds that the best interest of the ward would be served thereby, name a designated agency.

"§ 35A-1213. Qualifications of guardians.—(a) The clerk may appoint as guardian an adult individual, a corporation, or a disinterested public agent. The applicant may submit to the clerk the name or names of potential guardians, and the clerk may consider the recommendations of the next of kin or other persons.

(b) An individual appointed as general guardian or guardian of the estate must be a resident of the State of North Carolina. A nonresident of the State of North Carolina, to be appointed as guardian of the person of a North Carolina resident, must indicate in writing his willingness to submit to the jurisdiction of the North Carolina courts in matters relating to the guardianship and must appoint a resident agent to accept service of process for the guardian in all actions or proceedings with respect to the guardianship. Such appointment must be approved by and filed with the clerk, and any agent so appointed must notify the clerk of any change in the agent’s address or legal residence. The clerk may require a nonresident guardian to post a bond or other security for the faithful performance of the guardian’s duties.

(c) A corporation may be appointed as guardian only if it is authorized by its charter to serve as a guardian or in similar fiduciary capacities.

(d) A disinterested public agent who is appointed by the clerk to serve as guardian is authorized and required to do so; provided, if at the time of the appointment or any time subsequent thereto the disinterested public agent believes that his role or the role of his agency in relation to the ward is such that his service as guardian would constitute a conflict of interest, or if he knows of any other reason that his service as guardian may not be in the ward’s best interest, he shall bring such matter to the attention of the clerk and seek the appointment of a different guardian. A disinterested public
agent who is appointed as guardian shall serve in that capacity by virtue of his office or employment, which shall be identified in the clerk’s order and in the letters of appointment. When the disinterested public agent’s office or employment terminates, his successor in office or employment, or his immediate supervisor if there is no successor, shall succeed him as guardian without further proceedings unless the clerk orders otherwise.

(e) Notwithstanding any other provision of this section, an employee of a treatment facility, as defined in G.S. 35A-1101(16), may not serve as guardian for a ward who is an inpatient in or resident of the facility in which the employee works; provided, this subsection shall not apply to or affect the validity of any appointment of a guardian that occurred before the effective date of this Chapter.

"§ 35A-1214. Priorities for appointment.--The clerk shall consider appointing a guardian according to the following order of priority: an individual; a corporation; or a disinterested public agent. No public agent shall be appointed guardian until diligent efforts have been made to find an appropriate individual or corporation to serve as guardian, but in every instance the clerk shall base the appointment of a guardian or guardians on the best interest of the ward.

"§ 35A-1215. Clerk’s order; issuance of letters of appointment.--(a) When appointing a guardian, the clerk shall enter an order setting forth:

(1) The nature of the guardianship or guardianships to be created and the name of the person or entity appointed to fill each guardianship; and

(2) The powers and duties of the guardian or guardians, which shall include, unless the clerk orders otherwise, (i) with respect to a guardian of the person and general guardian, the powers and duties provided under G.S. 35A, Article 8, and (ii) with respect to a guardian of the estate and general guardian, the powers and duties provided under G.S. 35A, Article 9 and Subchapter III; and

(3) The identity of the designated agency if there is one.

(b) The clerk may order that the ward retain certain legal rights and privileges to which he was entitled before he was adjudged incompetent; provided, any such order shall include findings as to the nature and extent of the ward’s incompetence as it relates to the ward’s need for a guardian or guardians.
(c) The clerk shall issue the guardian or guardians letters of appointment as provided in G.S. 35A-1206.

"§ 35A-1216. Rule-making power of Secretary of Human Resources.--The Secretary of the Department of Human Resources shall issue rules and regulations for the implementation of the guardianship responsibilities of disinterested public agents. The rules and regulations shall provide, among other things, that disinterested public agents shall undertake or have received training concerning the powers and responsibilities of guardians.

"Article 6.

"Appointment of Guardian for a Minor.

"§ 35A-1220. Absence of natural guardian.--When a minor either has no natural guardian or has been abandoned, and the minor requires services from the county department of social services, the social services director in the county in which the minor resides or is domiciled shall be the guardian of the person of the minor until the appointment of a general guardian or guardian of the person for the minor under this Subchapter or the entry of an order by a court of competent jurisdiction awarding custody of the minor or appointing a general guardian or guardian of the person for the minor.

"§ 35A-1221. Petition before clerk.--Any person or corporation, including any State or local human resources agency through its authorized representative, may make application for the appointment of a guardian of the estate for any minor or for the appointment of a guardian of the person or general guardian for any minor who has no natural guardian by filing an application with the clerk. The application shall set forth, to the extent known:

(1) The minor's name, date of birth, address, and county of residence;

(2) The names and addresses of the minor's parents, if living, and of other persons known to have an interest in the application for appointment of a guardian: the name and date of death of the minor's deceased parent or parents;

(3) The applicant's name, address, county of residence, relationship if any to the minor, and interest in the proceeding;

(4) If a guardian has been appointed for the minor or custody of the minor has been awarded, a statement of the facts relating thereto and a copy of any guardianship or custody order, if available;

(5) A general statement of the minor's assets and liabilities with an estimate of the value of any property, including any income and receivables to which he is entitled:
(6) A statement of the reason or reasons that the appointment of a guardian is sought; whether the applicant seeks the appointment of a guardian of the person, a guardian of the estate, or a general guardian; and whom the applicant recommends or seeks to have appointed as such guardian or guardians; and

(7) Any other information that will assist the clerk in determining the need for a guardian or in appointing a guardian.

"§ 35A-1222. Service of application and notices.--A copy of the application and written notice of the time, date, and place set for a hearing shall be served on any parent, guardian, or legal custodian of the minor who is not an applicant, and on any other person the clerk may direct, including the minor. When service is made by the sheriff, the sheriff shall make such service without demanding his fees in advance. Parties may waive their right to notice of the hearing and the clerk may proceed to consider the application upon determining that all necessary parties are before the court and agree to have the application considered.

"§ 35A-1223. Hearing before clerk on appointment of guardian.--The clerk shall receive evidence necessary to determine whether a guardian of the person, a guardian of the estate, or a general guardian is required. If the court determines that a guardian or guardians are required, the court shall receive evidence necessary to determine the minor's assets, liabilities, and needs, and who the guardian or guardians shall be. The hearing may be informal and the clerk may consider whatever testimony, written reports, affidavits, documents, or other evidence the clerk finds necessary to determine the minor's best interest.

"§ 35A-1224. Criteria for appointment of guardians.--(a) The clerk may appoint a guardian of the estate for any minor. The clerk may appoint a guardian of the person or a general guardian only for a minor who has no natural guardian.

(b) The clerk may appoint as guardian of the person or general guardian only an adult individual who is a resident of the State of North Carolina.

(c) The clerk may appoint as guardian of the estate an adult individual who is a resident of the State of North Carolina or a corporation that is authorized by its charter to serve as a guardian or in similar fiduciary capacities.

(d) If the minor's parent or parents have made a testamentary recommendation pursuant to G.S. 35A-1225 for the appointment of a guardian, the clerk shall give substantial weight to such recommendation; provided, such recommendation may not affect the rights of a surviving parent who has not willfully abandoned the minor, and the clerk shall in every instance base the appointment of a
guardian or guardians on the minor’s best interest.

(e) Notwithstanding any other provision of this section, an employee of a treatment facility, as defined in G.S. 35A-1101(16), may not serve as guardian for a ward who is an inpatient in or resident of the facility in which the employee works; provided, this subsection shall not apply to or affect the validity of any appointment of a guardian that occurred before the effective date of this Chapter.

"§ 35A-1225. Testamentary recommendation; guardian for incompetent minor.--(a) Parents are presumed to know the best interest of their children. Any parent may by last will and testament recommend a guardian for any of his or her minor children, whether born at the parent’s death or en ventre sa mere, for such time as the child remains under 18 years of age, unmarried, and unemancipated, or for any less time. Such will may be made without regard to whether the testator is an adult or a minor. If both parents make such recommendations, the will with the latest date shall, in the absence of other relevant factors, prevail. In the absence of a surviving parent, such recommendation shall be a strong guide for the clerk in appointing a guardian, but the clerk is not bound by the recommendation if the clerk finds that a different appointment is in the minor’s best interest. If the will specifically so directs, a guardian appointed pursuant to such recommendation may be permitted to qualify and serve without giving bond, unless the clerk finds as a fact that the interest of the minor would be best served by requiring the guardian to give bond.

(b) Any person authorized by law to recommend a guardian for a minor by his last will and testament or other writing may direct that the guardian appointed for his incompetent child shall petition the clerk during the six months before the child reaches majority for an adjudication of incompetence and appointment of a guardian under the provisions of this Chapter. If so directed, the guardian shall timely file such a petition unless the minor is no longer incompetent. Notwithstanding the absence of such provision in a will or other writing, the guardian of an incompetent child, or any other person, may file such petition during the six months before the minor reaches majority or thereafter.

"§ 35A-1226. Clerk’s order; issuance of letters of appointment.--After considering the evidence, the clerk shall enter an appropriate order. If the clerk determines that a guardian or guardians should be appointed, the order may set forth:
(1) Findings as to the minor’s circumstances, assets, and liabilities as they relate to his need for a guardian or guardians; and

(2) Whether there shall be one or more guardians, his or their identity, and if more than one, who shall be guardian of the person and who shall be guardian of the estate. The clerk shall issue the guardian or guardians letters of appointment as provided in G.S. 35A-1206.

"§ 35A-1227. Funds owed to minors.--(a) Certain insurance proceeds or other funds to which a minor is entitled may be paid to and administered by the public guardian or the clerk as provided in G.S. 7A-111.

(b) A devise or legacy of personal property to a minor may be distributed to the minor’s parent or guardian with the approval of the clerk as provided in G.S. 28A-22-7.

(c) A personal representative or collector who holds property due a minor without a guardian may deliver the property to the clerk as provided in G.S. 28A-23-2.

(d) Inter vivos or testamentary gifts to minors may be made and administered according to the North Carolina Uniform Gifts to Minors Act, Chapter 33 of the General Statutes.

"§ 35A-1228. Guardians of children of servicemen; allotments and allowances.--In all cases where a person serving in the armed forces of the United States has made an allotment or allowance to a resident of this State who is his child or other minor dependent as provided by the Wartime Allowances to Service Men’s Dependents Act or any other act of Congress, the clerk in the county of the minor’s residence may act as temporary guardian, or appoint some suitable person to act as temporary guardian, of the person’s minor dependent for purposes of receiving and disbursing allotments and allowance funds for the benefit of the minor dependent, when:

(1) The other parent of the child or other minor dependent, or other person designated in the allowance or allotment to receive and disburse such moneys for the benefit of the minor dependent, dies or becomes mentally incompetent; and

(2) The person serving in the armed forces of the United States is reported as missing in action or as a prisoner of war and is unable to designate another person to receive and disburse the allotment or allowance to the minor dependent.

"Article 7.

"Guardian’s Bond.

"§ 35A-1230. Bond required before receiving property.--Except as otherwise provided by G.S. 35A-1225(a), no general guardian or guardian of the estate shall be permitted to receive the ward’s property
until he has given sufficient surety, approved by the clerk, to account for and apply the same under the direction of the court. The clerk shall not require a guardian of the person to post a bond, except as provided in G.S. 35A-1213(b) for nonresident guardians.

"§ 35A-1231. Terms and conditions of bond; increase on sale of realty.--(a) Before issuing letters of appointment to a general guardian or guardian of the estate the clerk shall require the guardian to give a bond payable to the State. The clerk shall determine the value of all the ward’s personal property and the rents and profits of the ward’s real estate by examining, under oath, the applicant for guardianship or any other person or persons. The penalty in the bond shall be set as follows:

1. Where the bond is executed by personal sureties, the penalty must be at least double the value so determined by the clerk;

2. Where the bond is executed by a duly authorized surety company, the penalty may be fixed at not less than one and one-fourth times the value so determined by the clerk;

3. Provided, however, the clerk may accept bond in estates where the value determined by the clerk exceeds the sum of one hundred thousand dollars ($100,000), in a sum equal to one hundred and ten percent (110%) of the determined value.

The bond must be secured with two or more sufficient sureties, jointly and severally bound, and must be acknowledged before and approved by the clerk. The bond must be conditioned on the guardian’s faithfully executing the trust reposed in him as such and obeying all lawful orders of the clerk or judge relating to the guardianship of the estate committed to him. The bond must be recorded in the office of the clerk appointing the guardian, except, if the guardianship is transferred to a different county, it must be recorded in the office of the clerk in the county where the guardianship is docketed.

(b) If, on application of the guardian, the clerk or judge orders a sale of the ward’s property for any of the causes prescribed by law, before the sale is confirmed, the guardian shall be required to file a bond as now required in double the amount of the real property sold, except where the bond is executed by a duly authorized surety company, in which case the penalty of the bond need not exceed one and one-fourth times the amount of the real property sold.
"§ 35A-1232. Exclusion of deposited money in computing amount of bond.--(a) When it appears that the ward's estate includes money that has been or will be deposited in a bank in this State or invested in an account in an insured savings and loan association upon condition that the money or securities will not be withdrawn except on authorization of the court, the court may, in its discretion, order that the money be so deposited or invested and exclude such deposited money from the computation of the amount of the bond or reduce the amount of the bond in respect of such money to such an amount as it may deem reasonable.

(b) The applicant for letters of guardianship may deliver to any such bank or association any such money in his possession or may allow such bank or association to retain any such money already deposited or invested with it; in either event, the applicant shall secure and file with the court a written receipt including the agreement of the bank or association, duly acknowledged by an authorized officer of the bank or association, that the money shall not be allowed to be withdrawn except on authorization of the court. In so receiving and retaining such money, the bank or association shall be protected to the same extent as though it had received the same from a person to whom letters of guardianship had been issued.

(c) The term 'account in an insured savings and loan association' as used in this section means any account in a savings and loan association that is insured by the Federal Deposit Insurance Corporation, by the Federal Savings and Loan Insurance Corporation, or by a mutual deposit guaranty association authorized by Article 7A of Chapter 54 of the North Carolina General Statutes.

(d) The term 'money' as used in this section means the principal of the ward's estate and does not include the income earned by the principal which may be withdrawn without any authorization of the court.

"§ 35A-1233. Clerk's authority to reduce penalty of bond.--When a guardian has disbursed either income or income and principal of the estate according to law, for the purchase of real estate or the support and maintenance of the ward or the ward and his dependents or any lawful cause, and when the personal assets and income of the estate from all sources in the hands of the guardian have been diminished, the penalty of the guardian's bond may be reduced in the discretion of the clerk to an amount not less than the amount that would be required if the guardian were first qualifying to administer the personal assets and income.

"§ 35A-1234. Action on bond.--Any person injured by a breach of the condition of the guardian's bond may prosecute a suit thereon, as in other actions.
"§ 35A-1235. One bond sufficient when several wards have estate in common.--When the same person is appointed guardian for two or more minors or incompetent persons possessed of one estate in common, the clerk may take one bond only in such case, upon which each of the wards or their heirs or personal representatives may have a separate action.

"§ 35A-1236. Renewal of bond.--Every guardian who is required to post a bond and who does so other than through a duly authorized surety company shall renew his bond before the clerk every three years during the continuance of the guardianship. The clerk shall issue a citation against every such guardian failing to renew his bond, requiring the guardian to renew the bond within 20 days after service of the citation. On return of the citation duly served and failure of the guardian to comply, the clerk shall remove the guardian and appoint a successor. This section shall not apply to a guardian whose bond is executed by a duly authorized surety company.

"§ 35A-1237. Relief of endangered sureties.--Any surety of a guardian, who is in danger of sustaining loss by his suretyship, may file a complaint before the clerk where the guardianship is docketed, setting forth the circumstances of his case and demanding relief. The guardian shall be required to answer the complaint within 20 days after service of the summons. If, upon the hearing, the clerk deems the surety entitled to relief, the clerk may order the guardian to give a new bond or to indemnify the surety against apprehended loss, or may remove the guardian from his trust. If the guardian fails to give a new bond or security to indemnify within a reasonable time when required to do so, the clerk must enter a peremptory order for his removal, and his authority as guardian shall cease.

"§ 35A-1238. Clerk’s liability.--(a) If any clerk commits the estate of a ward to the guardianship of any person without taking good and sufficient bond for the same as required by law, the clerk shall be liable on his official bond, at the suit of the aggrieved party, for all loss and damages sustained for want of sufficient bond being taken; but if the sureties were good at the time of their being accepted, the clerk shall not be liable.

(b) If any clerk willfully or negligently does, or omits to do, any other act prohibited, or other duty imposed on him by law, by which act or omission the estate of any ward suffers damage, the clerk shall be liable on his official bond, at the suit of the aggrieved party, for all loss and damages sustained from such act or omission.
"§ 35A-1239. Human Resources bond.--The Secretary of the Department of Human Resources shall require, or purchase, in such amounts as he deems adequate and proper, individual or blanket bonds for all disinterested public agents appointed to be guardians, whether they serve as guardians of the estate, guardians of the person, or general guardians, or one blanket bond covering all such agents, such bond or bonds to be conditioned upon faithful performance of their duties as guardians and made payable to the State. The premiums shall be paid by the State.

"Article 8.

"Powers and Duties of Guardian of the Person.

"§ 35A-1240. Applicability of Article.--This Article applies only to guardians of the person, including general guardians exercising authority as guardian of the person.

"§ 35A-1241. Powers and duties of guardian of the person.--(a) To the extent that it is not inconsistent with the terms of any order of the clerk or any other court of competent jurisdiction, a guardian of the person has the following powers and duties:

(1) The guardian of the person is entitled to custody of the person of his ward and shall make provision for his ward's care, comfort, and maintenance, and shall, as appropriate to the ward's needs, arrange for his training, education, employment, rehabilitation or habilitation. The guardian of the person shall take reasonable care of the ward's clothing, furniture, vehicles, and other personal effects that are with the ward.

(2) The guardian of the person may establish the ward's place of abode within or without this State. In arranging for a place of abode, the guardian of the person shall give preference to places within this State over places not in this State if in-State and out-of-State places are substantially equivalent. He also shall give preference to places that are not treatment facilities. If the only available and appropriate places of domicile are treatment facilities, he shall give preference to community-based treatment facilities, such as group homes or nursing homes, over treatment facilities that are not community-based.

(3) The guardian of the person may give any consent or approval that may be necessary to enable the ward to receive medical, legal, psychological, or other professional care, counsel, treatment, or service. He may not, however, consent to the sterilization of a
mentally ill or mentally retarded ward. Such sterilization may be performed only after compliance with Chapter 35, Article 7. The guardian of the person may give any other consent or approval on the ward’s behalf that may be required or in the ward’s best interest. He may petition the clerk for the clerk’s concurrence in the consent or approval.

(b) A guardian of the person is entitled to be reimbursed out of the ward’s estate for reasonable and proper expenditures incurred in the performance of his duties as guardian of the ward’s person.

(c) A guardian of the person, if he has acted within the limits imposed on him by this Article or the order of appointment or both, shall not be liable for damages to the ward or the ward’s estate, merely by reason of the guardian’s:

(1) authorizing or giving any consent or approval necessary to enable the ward to receive legal, psychological, or other professional care, counsel, treatment, or service, in a situation where the damages result from the negligence or other acts of a third person; or

(2) authorizing medical treatment or surgery for his ward, if the guardian acted in good faith and was not negligent.

"§ 35A-1242. Status reports for incompetent wards.--(a) Any corporation or disinterested public agent that is guardian of the person for an incompetent person, within six months after being appointed, shall file an initial status report with the designated agency, if there is one, or with the clerk. Such guardian shall file a second status report with the designated agency or the clerk one year after being appointed, and subsequent reports annually thereafter. The clerk may order any other guardian of the person to file status reports. If a guardian required by this section to file a status report is employed by the designated agency, the guardian shall file any required status report with both the designated agency and the clerk.

(b) Each status report shall be filed under the guardian’s oath or affirmation that the report is complete and accurate so far as he is informed and can determine.

(c) A clerk or designated agency that receives a status report shall not make the status report available to anyone other than the guardian, the ward, the court, or State or local human resource agencies providing services to the ward.

"§ 35A-1243. Duties of designated agency.--(a) Within 30 days after it receives a status report, the designated agency shall certify to the clerk that it has reviewed the report and shall mail a copy of its
certification to the guardian.

(b) At the same time, the designated agency may:
   
   (1) Send its written comments on the report to the clerk, the guardian, or any other person who may have an interest in the ward’s welfare;
   
   (2) Notify the guardian that it is able to help the guardian in the performance of his duties;
   
   (3) Petition the clerk for an order requiring the guardian to perform the duties imposed on him by the clerk or this Article if it appears that the guardian is not performing those duties;
   
   (4) Petition the clerk for an order modifying the terms of the guardianship or the guardianship program or plan if it appears that such should be modified;
   
   (5) Petition the clerk for an order removing the guardian from his duties and appointing a successor guardian if it appears that the guardian should be removed for cause;
   
   (6) Petition the clerk for an adjudication of restoration to competency; or
   
   (7) Petition the clerk for any other appropriate orders.

(c) If the designated agency files such a petition, it shall cause the petition to be signed and acknowledged by the officer, official, employee, or agent who has personal knowledge of the facts set forth in the petition, and it shall set forth all facts known to it that tend to support the relief sought by the petition.

(d) The clerk shall take appropriate action upon the petition in accordance with other provisions or requirements of this Chapter.

"§ 35A-1244. Procedure to compel status reports.--If a guardian of the person fails to file a status report as required, or renders an unsatisfactory report, the clerk shall, on his own motion or the request of an interested party, promptly order the guardian to render a full and satisfactory report within 20 days after service of the order. If, after due service of the order, the guardian does not file such report, or obtain further time in which to file it, on or before the return day of the order, the clerk may remove him from office or may issue an order or notice to show cause for civil or criminal contempt as provided in Chapter 5A of the General Statutes. In such proceedings, the defaulting guardian may be held personally liable for the costs of the proceeding, including the costs of service of all notices or motions incidental thereto, or the amount of the costs of the proceeding may be deducted from any commissions due to the guardian of the person. Where a corporation or disinterested public agent is guardian of the
person, the president or director or person or persons having charge of the guardianship for the corporation or agency, or the person to whom the duty of making status reports has been assigned by the corporation or agency, may be proceeded against as herein provided as if he or they were the guardian personally, provided, the corporation or agency itself may also be fined and/or removed as guardian for such failure or omission.

"Article 9.

"Powers and Duties of Guardian of the Estate.

"§ 35A-1250. Applicability of Article.--(a) This Article applies only to guardians of the estate, including general guardians exercising authority as guardian of the estate. A guardian of the estate or general guardian shall have all the powers and duties under this Article unless those are inconsistent with the clerk's order appointing a guardian, in which case the clerk's order shall prevail.

(b) Nothing contained in this Article shall be construed as authorizing any departure from the express terms or limitations set forth in any court order creating or limiting the guardian's powers and duties.

"§ 35A-1251. Guardian's powers in administering incompetent ward's estate.--In the case of an incompetent ward, a general guardian or guardian of the estate has the power to perform in a reasonable and prudent manner every act that a reasonable and prudent person would perform incident to the collection, preservation, management, and use of the ward's estate to accomplish the desired result of administering the ward's estate legally and in the ward's best interest, including but not limited to the following specific powers:

(1) To take possession, for the ward's use, of all the ward's estate, as defined in G.S. 35A-1202(5).

(2) To receive assets due the ward from any source.

(3) To maintain any appropriate action or proceeding to recover possession of any of the ward's property, to determine the title thereto, or to recover damages for any injury done to any of the ward's property; also, to compromise, adjust, arbitrate, sue on or defend, abandon, or otherwise deal with and settle any other claims in favor of or against the ward.

(4) To complete performance of contracts entered into by the ward that continue as obligations of the ward or his estate, or to refuse to complete such contracts, as the guardian determines to be in the ward's best interests, taking into account any cause of action that
might be maintained against the ward for failure to complete such contract.

(5) To abandon or relinquish all rights in any property when, in the guardian's opinion, acting reasonably and in good faith, it is valueless, or is so encumbered or is otherwise in such condition that it is of no benefit or value to the ward or his estate.

(6) To vote shares of stock or other securities in person or by general or limited proxy, and to pay sums chargeable or accruing against or on account of securities owned by the ward.

(7) To insure the ward's assets against damage or loss, at the expense of the ward's estate.

(8) To pay the ward's debts and obligations that were incurred prior to the date of adjudication of incompetence or appointment of a guardian when the debt or obligation was incurred for necessary living expenses or taxes; or when the debt or obligation involves a specific lien on real or personal property, if the ward has an equity in the property on which there is a specific lien; or when the guardian is convinced that payment of the debt or obligation is in the best interest of the ward or his estate.

(9) To renew the ward's obligations for the payment of money. The guardian's execution of any obligation for the payment of money pursuant to this subsection shall not be held or construed to be binding on the guardian personally.

(10) To pay taxes, assessments, and other expenses incident to the collection, care, administration, and protection of the ward's estate.

(11) To sell or exercise stock subscription or conversion rights; consent, directly or through a committee or other agent, to the reorganization, consolidation, merger, dissolution, or liquidation of a corporation or other business enterprise.

(12) To expend estate income on the ward's behalf and to petition the court for prior approval of expenditures from estate principal.

(13) To pay from the ward's estate necessary expenses of administering the ward's estate.

(14) To employ persons, including attorneys, auditors, investment advisors, appraisers, or agents to advise or assist him in the performance of his duties as guardian.

(15) To continue any business or venture or farming operation in which the ward was engaged, where such continuation is reasonably necessary or desirable to preserve the value, including goodwill, of the ward's interest in such business.

(16) To acquire and retain every kind of property and every kind of investment, including specifically, but without in any way limiting the generality of the foregoing, bonds, debentures, and other corporate or
governmental obligations; stocks, preferred or common; real estate mortgages; shares in building and loan associations or savings and loan associations; annual premium or single premium life, endowment, or annuity contracts; and securities of any management type investment company or investment trust registered under the Federal Investment Company Act of 1940, as from time to time amended.

(17) To lease the ward’s lands for a term of not more than three years.

(18) To foreclose, as an incident to the collection of any bond, note or other obligation, any mortgage, deed of trust, or other lien securing such bond, note or other obligation, and to bid in the property at such foreclosure sale, or to acquire the property by deed from the mortgagor or obligor without foreclosure; and to retain the property so bid in or taken over without foreclosure.

(19) To borrow money for such periods of time and upon such terms and conditions as to rates, maturities, renewals, and security as the guardian shall deem advisable, including the power of a corporate guardian to borrow from its own banking department, for the purpose of paying debts, taxes, and other claims against the ward, and to mortgage, pledge, or otherwise encumber such portion of the ward’s estate as may be required to secure such loan or loans; provided, in respect to the borrowing of money on the security of the ward’s real property, Subchapter III of this Chapter is controlling.

(20) To execute and deliver all instruments that will accomplish or facilitate the exercise of the powers vested in the guardian.

"§ 35A-1252. Guardian’s powers in administering minor ward’s estate.--In the case of a minor ward, a general guardian or guardian of the estate has the power to perform in a reasonable and prudent manner every act that a reasonable and prudent person would perform incident to the collection, preservation, management, and use of the ward’s estate to accomplish the desired result of administering the ward’s estate legally and in the ward’s best interest, including but not limited to the following specific powers:

(1) To take possession, for the ward’s use, of all the ward’s estate, as defined in G.S. 35A-1202(5).

(2) To receive assets due the ward from any source.

(3) To maintain any appropriate action or proceeding to obtain support to which the ward is legally entitled, to recover possession of any of the ward’s property, to determine the title thereto, or to recover damages for any injury done to any of the ward’s property; also, to compromise, adjust, arbitrate, sue on or defend, abandon, or
otherwise deal with and settle any other claims in favor of or against the ward.

(4) To abandon or relinquish all rights in any property when, in the guardian’s opinion, acting reasonably and in good faith, it is valueless, or is so encumbered or is otherwise in such condition that it is of no benefit or value to the ward or his estate.

(5) To vote shares of stock or other securities in person or by general or limited proxy, and to pay sums chargeable or accruing against or on account of securities owned by the ward.

(6) To insure the ward’s assets against damage or loss, at the expense of the ward’s estate.

(7) To pay taxes, assessments, and other expenses incident to the collection, care, administration, and protection of the ward’s estate.

(8) To sell or exercise stock subscription or conversion rights; consent, directly or through a committee or other agent, to the reorganization, consolidation, merger, dissolution, or liquidation of a corporation or other business enterprise.

(9) To expend estate income on the ward’s behalf and to petition the court for prior approval of expenditures from estate principal; provided, neither the existence of the estate nor the guardian’s authority to make expenditures therefrom shall be construed as affecting the legal duty that a parent or other person may have to support and provide for the ward.

(10) To pay from the ward’s estate necessary expenses of administering the ward’s estate.

(11) To employ persons, including attorneys, auditors, investment advisors, appraisers, or agents to advise or assist him in the performance of his duties as guardian.

(12) To continue any business or venture or farming operation in which the ward was engaged, where such continuation is reasonably necessary or desirable to preserve the value, including goodwill, of the ward’s interest in such business.

(13) To acquire and retain every kind of property and every kind of investment, including specifically, but without in any way limiting the generality of the foregoing bonds, debentures, and other corporate or governmental obligations; stocks, preferred or common; real estate mortgages; shares in building and loan associations or savings and loan associations; annual premium or single premium life, endowment, or annuity contracts; and securities of any management type investment company or investment trust registered under the Federal Investment Company Act of 1940, as from time to time amended.
(14) To lease the ward’s lands for a term of not more than three years.

(15) To foreclose, as an incident to the collection of any bond, note or other obligation, any mortgage, deed of trust, or other lien securing such bond, note or other obligation, and to bid in the property at such foreclosure sale, or to acquire the property by deed from the mortgagor or obligor without foreclosure; and to retain the property so bid in or taken over without foreclosure.

(16) To borrow money for such periods of time and upon such terms and conditions as to rates, maturities, renewals, and security as the guardian shall deem advisable, including the power of a corporate guardian to borrow from its own banking department, for the purpose of paying debts, taxes, and other claims against the ward, and to mortgage, pledge, or otherwise encumber such portion of the ward’s estate as may be required to secure such loan or loans; provided, in respect to the borrowing of money on the security of the ward’s real property, Subchapter III of this Chapter is controlling.

(17) To execute and deliver all instruments that will accomplish or facilitate the exercise of the powers vested in the guardian.

§ 35A-1253. Specific duties of guardian of estate.—In addition to any other duties imposed by law or by order of the clerk, a general guardian or guardian of the estate shall have the following specific duties:

(1) To take possession, for the ward’s use, of all his estate.

(2) To diligently endeavor to collect, by all lawful means, all bonds, notes, obligations, or moneys due his ward.

(3) To pay income taxes, property taxes, or other taxes or assessments owed by the ward, out of the ward’s estate, as required by law. If any guardian allows his ward’s lands to be sold for nonpayment of taxes or assessments, he shall be liable to his ward for the full value thereof.

(4) To observe the standard of judgment and care under the circumstances then prevailing that an ordinarily prudent person of discretion and intelligence, who is a fiduciary of the property of others, would observe as such fiduciary in acquiring, investing, reinvesting, exchanging, retaining, selling, and managing the ward’s property. If the guardian has special skills or is named as guardian on the basis of representations of special skills or expertise, to use those skills.

(5) To obey all lawful orders of the court pertaining to the guardianship and to comply with the accounting requirements of this Subchapter.

"Article 10.
"Returns and Accounting.

"§ 35A-1260. Applicability.--This Article applies only to general guardians and guardians of the estate.

"§ 35A-1261. Return within three months.--Every guardian, within three months after his appointment, shall exhibit to the clerk an account, upon oath, of the estate of his ward; but the clerk may extend such time not exceeding six months, for good cause shown.

"§ 35A-1262. Procedure to compel return.--In cases of default to exhibit the return required by G.S. 35A-1261, the clerk must issue an order requiring the guardian to file such return forthwith, or to show cause why an attachment should not issue against him. If after due service of the order, the guardian does not, on the return day of the order, file such return, or obtain further time to file the same, the clerk shall issue an attachment against him, and commit him to the common jail of the county until he files such return.

"§ 35A-1263. Additional assets to be returned.--Whenever further property of any kind, not included in any previous return, comes to the hands or knowledge of any guardian, he must cause the same to be returned within three months after the possession or discovery thereof; and the making of such return of new assets, from time to time, may be enforced in the same manner as prescribed in G.S. 35A-1262.

"§ 35A-1264. Annual accounts.--Every guardian shall, within 30 days after the expiration of one year from the date of his qualification or appointment, and annually, so long as any of the estate remains in his control, file in the office of the clerk an inventory and account, under oath, of the amount of property received by him, or invested by him, and the manner and nature of such investment, and his receipts and disbursements for the past year in the form of debit and credit. The guardian shall produce vouchers for all payments or verified proof for all payments in lieu of vouchers. The clerk may examine on oath such accounting party, or any other person, concerning the receipts, disbursements or any other matter relating to the estate; and having carefully revised and audited such account, if he approve the same, he must endorse his approval thereon, which shall be deemed prima facie evidence of correctness.

"§ 35A-1265. Procedure to compel accounting.--(a) If any guardian omits to account, as directed in G.S. 35A-1264, or renders an
insufficient and unsatisfactory account, the clerk shall forthwith order such guardian to render a full and satisfactory account, as required by law, within 20 days after service of the order. Upon return of the order, duly served, if the guardian fails to appear or refuses to exhibit such account, the clerk may issue an attachment against him for contempt and commit him until he exhibits such account, and may likewise remove him from office. In all proceedings hereunder the defaulting guardian will be liable personally for the costs of the said proceedings, including the costs of service of all notices or writs incidental to, or thereby acquiring, or the amount of the costs of such proceeding may be deducted from any commissions which may be found due said guardian on settlement of the estate.

(b) Where a corporation is guardian, the president, cashier, trust officer or the person or persons having charge of the particular estate for the corporation, or the person to whom the duty of making reports of said estate has been assigned by the officers or directors of the corporation, may be proceeded against and committed to jail as herein provided as if he or they were the guardian or guardians personally: Provided, it is found as a fact that the failure or omission to file such account or to obey the order of the court in reference thereto is willful on the part of the officer charged therewith: Provided further, the corporation itself may be fined and/or removed as such guardian for such failure or omission.

"§ 35A-1266. Final account.--A guardian may be required to file a final account at any time after 60 days from the ward's coming of full age or the cessation of the guardianship; but such account may be filed voluntarily at any time, and, whether the accounting be voluntary or compulsory, it shall be audited and recorded by the clerk.

"§ 35A-1267. Expenses and disbursements credited to guardian.--Every guardian may charge in his annual account all reasonable disbursements and expenses; and if it appear that he has really and bona fide disbursed more in one year than the profits of the ward's estate, for his education and maintenance, the guardian shall be allowed and paid for the same out of the profits of the estate in any other year; but such disbursements must, in all cases, be suitable to the degree and circumstances of the estate of the ward.

"§ 35A-1268. Guardian to exhibit investments and bank statements.--At the time the accounts required by this Article and other provisions of law are filed, the clerk shall require the guardian to exhibit to the court all investments and bank statements showing cash balance, and
the clerk shall certify on the original account that an examination was made of all investments and the cash balance, and that the same are correctly stated in the account: Provided, such examination may be made by the clerk in the county in which such guardian resides or the county in which such securities are located and, when the guardian is a duly authorized bank or trust company, such examination may be made by the clerk in the county in which such bank or trust company has its principal office or in which such securities are located; the certificate of the clerk of such county shall be accepted by the clerk of any county in which such guardian is required to file an account; provided that banks organized under the laws of North Carolina or the acts of Congress, engaged in doing a trust and fiduciary business in this State, when acting as guardian or in other fiduciary capacity, shall be exempt from the requirements of this section, when a certificate executed by a trust examiner employed by a governmental unit, by a bank’s internal auditors who are responsible only to the bank’s board of directors or by an independent certified public accountant who is responsible only to the bank’s board of directors is exhibited to the clerk and when said certificate shows that the securities have been examined within one year and that the securities were held at the time of the examination by the fiduciary or by a clearing corporation for the fiduciary and that the person making such certification has no reason to believe said securities are not still so held. Nothing herein contained shall be construed to abridge the inherent right of the clerk to require the production of securities, should he desire to do so.

"§ 35A-1269. Commissions.—The superior court shall allow commissions to the guardian for his time and trouble in the management of the ward’s estate, in the same manner and under the same rules and restrictions as allowances are made to executors, administrators and collectors under the provisions of G.S. 28A-23-3.

"Article 11.

"Public Guardians.

"§ 35A-1270. Appointment; term; oath.—There may be in every county a public guardian, to be appointed by the clerk for a term of eight years. The public guardian shall take and subscribe an oath or affirmation faithfully and honestly to discharge the duties imposed upon him; the oath or affirmation so taken and subscribed shall be filed in the office of the clerk.

"§ 35A-1271. Bond of public guardian; increasing bond.—The public guardian shall enter into bond with three or more sureties, approved by the clerk in the penal sum of six thousand dollars ($6,000).
payable to the State of North Carolina, conditioned faithfully to perform the duties of his office and obey all lawful orders of the superior or other courts touching said guardianship of all wards, money or estate that may come into his hands. Whenever the aggregate value of the real and personal estate belonging to his several wards exceeds one-half the bond herein required the clerk shall require him to enlarge his bond in amount so as to cover at least double the aggregate amount under his control as guardian.

"§ 35A-1272. Powers, duties, liabilities, compensation.--The powers and duties of said public guardian shall be the same as other guardians, and he shall be subject to the same liabilities as other guardians under the existing laws, and shall receive the same compensation as other guardians.

"§ 35A-1273. When letters issue to public guardian.--The public guardian shall apply for and obtain letters of guardianship in the following cases:

(1) When a period of six months has elapsed from the discovery of any property belonging to any minor or incompetent person without guardian.

(2) When any person entitled to letters of guardianship shall request in writing the clerk to issue letters to the public guardian; but it is lawful and the duty of the clerk to revoke said letters of guardianship at any time after issuing the same upon application in writing by any person entitled to qualify as guardian, setting forth a sufficient cause for such revocation.

"Article 12.

"Nonresident Ward Having Property in State.

"§ 35A-1280. Appointment of ancillary guardian.--(a) A clerk may appoint an ancillary guardian whenever it appears by petition or application and due proof to the satisfaction of the clerk that:

(1) There is in the county of the clerk's jurisdiction real or personal property in which a nonresident of the State of North Carolina has an ownership or other interest; and

(2) The nonresident is incompetent or is a minor and a guardian of the estate or general guardian, or a comparable fiduciary, has been appointed and is still serving for the nonresident in the state of his or her residence; and

(3) That the nonresident ward has no guardian in the State of North Carolina.
(b) Except as otherwise ordered by the clerk or provided herein, an ancillary guardian shall have all the powers, duties, and responsibilities with respect to the nonresident ward’s estate in the State of North Carolina as guardians otherwise appointed have. An ancillary guardian shall annually make an accounting to the court in this State and remit to the guardian in the state of the ward’s residence any net rents of the real estate or any proceeds of sale.

(c) A certified or exemplified copy of letters of appointment or other official record of a court of record appointing a guardian for a nonresident in the state of his residence shall be conclusive proof of the fact of the ward’s minority or incompetence and of the appointment of the guardian in the state of the ward’s residence; provided, that the letters of appointment or other record shall show that the guardianship is still in effect in the state of the ward’s residence and that the ward’s incompetence or minority still exists.

(d) Upon the appointment of an ancillary guardian under this Article, the clerk shall notify the appropriate court in the county of the ward’s residence and the guardian in the state of the ward’s residence.

"§ 35A-1281. Removal of ward’s personalty from State.—(a) For purposes of this section, the term ‘personal estate’ means:

(1) personal property;

(2) personal property substituted for realty by decree of court;

(3) any money arising from the sale of real estate, whether the same be in the hands of any guardian residing in this State; or in the hands of any executor, administrator, or other person holding for the ward; or, if not being adversely held and claimed, not in the lawful possession or control of any person.

(b) Where any ward residing in another state or territory, or in the District of Columbia, or Canada, or other foreign country, is entitled to any personal estate in this State, the ward’s guardian or trustee duly appointed at the place where such ward resides, or, in the event no guardian or trustee has been appointed, the court or officer of the court authorized by the laws of such place to receive moneys belonging to any ward when no guardian or trustee has been appointed, may apply to have such estate removed to the residence of the ward by petition filed before the clerk in the county in which the property or some portion thereof is situated. Such petition shall be proceeded with as in other cases of special proceedings.

(c) The petitioner must show to the court a copy of his appointment as a guardian or trustee and bond duly authenticated, and must prove to the court that the bond is sufficient, in the ability of the sureties as
well as in amount, to secure all the estate of the ward wherever situated: Provided, that in all cases where a banking institution, resident and doing business in a foreign state, is a guardian or trustee of any person and is not required to execute a bond to qualify as guardian or trustee under the laws of the state in which such guardian or trustee qualified and was appointed, and no sureties are or were required by the state in which said banking institution qualified as guardian or trustee, and this fact affirmatively appears to the court, then the personal estate of the ward may be removed from this State without the finding of a court with reference to any sureties, and the court in which the petition for the removal of the property of the ward is filed may order the transfer and removal of the property of the ward and the payment and delivery of the same to the nonresident guardian or trustee without regard to whether a nonresident guardian or trustee has filed a bond with sureties; and the finding of the court that the said guardian or trustee is a banking institution and has duly qualified and been appointed guardian or trustee under the laws of the state where the ward is resident shall be sufficient. Any person may be made a party defendant to the proceeding who may be made a party defendant in civil actions under the provisions of Chapter 1A of the General Statutes.

"Article 13.

"Termination of Guardianship; Estates Without Guardians.

"§ 35A-1290. Removal by clerk.--(a) The clerk has the power and authority on information or complaint made to remove any guardian appointed under the provisions of this Subchapter, to appoint successor guardians, and to make rules or enter orders for the better management of estates and the better care and maintenance of wards and their dependents.

(b) It is the clerk's duty to remove a guardian or to take other action sufficient to protect the ward's interests in the following cases:

1. The guardian wastes the ward's money or estate or converts it to his own use.
2. The guardian in any manner mismanages the ward's estate.
3. The guardian neglects to care for or maintain the ward or his dependents in a suitable manner.
4. The guardian or his sureties are likely to become insolvent or to become nonresidents of the State.
5. The original appointment was made on the basis of a false representation or a mistake.
(6) The guardian has violated a fiduciary duty through default or misconduct.

(7) The guardian has a private interest, whether direct or indirect, that might tend to hinder or be adverse to carrying out his duties as guardian.

(c) It is the clerk’s duty to remove a guardian in the following cases:

(1) The guardian has been adjudged incompetent by a court of competent jurisdiction and has not been restored to competence.

(2) The guardian has been convicted of a felony under the laws of the United States or of any state or territory of the United States or of the District of Columbia and his citizenship has not been restored.

(3) The guardian was originally unqualified for appointment and continues to be unqualified, or the guardian would no longer qualify for appointment as guardian due to a change in residence, a change in the charter of a corporate guardian, or any other reason.

(4) The guardian is the ward’s spouse and has lost his rights as provided by Chapter 31A of the General Statutes.

(5) The guardian fails to post, renew, or increase a bond as required by law or by order of the court.

(6) The guardian refuses or fails without justification to obey any citation, notice, or process served on him in regard to the guardianship.

(7) The guardian fails to file required accountings with the clerk.

(8) The clerk finds the guardian unsuitable to continue serving as guardian for any reason.

"§ 35A-1291. Interlocutory orders on revocation.--In all cases where the letters of a guardian are revoked, the clerk may, pending the resolution of any controversy in respect to such removal, make such interlocutory orders and decrees as the clerk finds necessary for the protection of the ward or the ward’s estate or the other party seeking relief by such revocation.

"§ 35A-1292. Resignation.--(a) Any guardian who wishes to resign may apply in writing to the clerk, setting forth the circumstances of the case. If a general guardian or guardian of the estate, at the time of making the application, also exhibits his final account for settlement, and if the clerk is satisfied that the guardian has fully accounted, the clerk may accept the resignation of the guardian and discharge him and appoint a successor guardian, but the guardian so discharged and his sureties are still liable in relation to all matters
connected with the guardianship before the discharge.

(b) A general guardian who wishes to resign as guardian of the estate of the ward but continue as guardian of the person of the ward may apply for the partial resignation by petition as provided in subsection (a) of this section. If the general guardian also exhibits his final account as guardian of the estate for settlement, and if the clerk is satisfied that the general guardian has fully accounted as guardian of the estate, the clerk may accept the resignation of the general guardian as guardian of the estate, discharge him as guardian of the estate, and issue to him letters of appointment as guardian of the person, but the general guardian so discharged as guardian of the estate and his sureties are still liable in relation to all matters connected with the guardianship of the estate before the discharge.

"§ 35A-1293. Appointment of successor guardian.--Upon the removal, death, or resignation of a guardian, the clerk shall appoint a successor guardian following the same criteria that would apply to the initial appointment of a guardian.

"§ 35A-1294. Estates without guardians.--(a) Whenever a general guardian or guardian of the estate is removed, resigns, or stops serving without making a full and proper accounting, the successor guardian, or the clerk if there is no successor guardian, shall initiate a proceeding to compel an accounting. The surety or sureties on the previous guardian’s bond shall be served with notice of the proceeding.

(b) If no successor guardian has been appointed, the clerk may act as receiver or appoint some discreet person as a receiver to take possession of the ward’s estate, to collect all moneys due the ward, and to secure, lend, invest, or apply the same for the benefit and advantage of the ward, under the direction of the clerk until a successor guardian is appointed. The accounts of the receiver shall be returned, audited, and settled as the clerk may direct. The receiver shall be allowed such amounts for his time, trouble, and responsibility as seem to the clerk reasonable and proper. Such receivership may continue until a suitable guardian can be appointed.

(c) When another guardian is appointed, he may apply by motion, on notice, to the clerk for an order directing the receiver to pay over all the money, estate, and effects of the ward. If no such guardian is appointed, the ward shall have the same remedy against the receiver on becoming age 18 or otherwise emancipated if the ward is a minor or on being restored to competence if the ward is an incompetent
person. In the event of the ward’s death, his executor, administrator, or collector, and the heir or personal representative of the ward shall have the same remedy against the receiver.

"SUBCHAPTER III. MANAGEMENT OF WARD’S ESTATE.

"Article 14.

"Sale, Mortgage, Exchange or Rental of Ward’s Estate.

"§ 35A-1301. Special proceedings to sell, mortgage, or rent.--(a) Whenever used herein, the word ‘guardian’ shall be construed to include general guardian, guardian of the estate, ancillary guardian, next friend, guardian ad litem, or commissioner of the court acting pursuant to this Article, but not a guardian who is guardian of the person only; and the word ‘mortgage’ shall be construed to include deeds of trust.

(b) A guardian may apply to the clerk, by verified petition setting forth the facts, for the sale, mortgage, exchange, or rental of any part of his ward’s estate, real or personal, and such proceeding shall be conducted as in other cases of special proceedings. The clerk, in his discretion, may direct that the next of kin or presumptive heirs of the ward be made parties to such proceeding. The clerk may order a sale, mortgage, exchange, or rental to be made by the guardian in such way and on such terms as may be most advantageous to the interest of the ward, upon finding by satisfactory proof that:

1. the ward’s interest would be materially promoted by such sale, mortgage, exchange, or rental, or

2. the ward’s personal estate has been exhausted or is insufficient for his support and the ward is likely to become chargeable on the county, or

3. a sale, mortgage, exchange, or rental of any part of the ward’s real or personal estate is necessary for his maintenance or for the discharge of debts unavoidably incurred for his maintenance, or

4. any part of the ward’s real estate is required for public purposes, or

5. there is a valid debt or demand against the estate of the ward; provided, when an order is entered under this subdivision, (i) it shall authorize the sale of only so much of the personal or real estate as may be sufficient to discharge such debt or demand, and (ii) the proceeds of sale shall be considered as assets in the hands of the guardian for the benefit of creditors, in like manner as assets in the hands of a personal representative, and the same proceedings may be had against the guardian with respect to such assets as might be taken against an
executor, administrator or collector in similar cases. The order shall specify particularly the property thus to be disposed of, with the terms of renting or sale or exchange or mortgage, and shall be entered at length on the records of the court. The guardian may not mortgage the property of his ward for a term of years in excess of the term fixed by the court in its order.

(c) In the case of a ward who is a minor, no sale, mortgage, exchange, or rental shall be made until approved by the superior court judge, nor shall the same be valid, nor any conveyance of the title made, unless confirmed and directed by the judge, and the proceeds of the sale, mortgage, exchange, or rental shall be exclusively applied and secured to such purposes and on such trusts as the judge shall specify.

(d) All petitions filed under this section wherein an order is sought for the sale, mortgage, exchange, or rental of the ward's real estate or both real and personal property shall be filed in the county in which all or any part of the real estate is situated. If the order sought is for the sale, mortgage, exchange, or rental of the ward's personal estate, the petition shall be filed in the county in which any or all of such personal estate is situated.

(e) The procedure for a sale pursuant to this section shall be as provided by Article 29A of Chapter 1 of the General Statutes.

(f) Nothing herein contained shall be construed to divest the court of the power to order private sales as heretofore ordered in proper cases.

(g) On and after June 1, 1973, no sales of property belonging to minors or incompetent persons prior to that date by next friend, guardian ad litem, or commissioner of the court regular in all other respects shall be declared invalid nor shall any claim or defense be asserted on the grounds that said sale was not made by a duly appointed guardian as provided herein or on the grounds that said minor or incompetent person was not represented by a duly appointed guardian.

"§ 35A-1302. Procedure when real estate lies in county in which guardian does not reside.--In all cases where a guardian is appointed under the authority of Chapter 35A and such guardian applies to the court for an order to sell, mortgage, or exchange all or part of his ward's real estate, and such real estate is situated in a county other than the county in which the guardian is appointed and qualified, the guardian shall first apply to the clerk of the county in which he was appointed and qualified for an order showing that the sale, mortgage, or exchange of his ward's real estate is necessary or that the ward's interest would be materially promoted thereby. The clerk to whom
such application is made shall hear and pass upon the same and enter
his findings and order as to whether said sale, mortgage, or exchange
is necessary or would materially promote the ward's interest, and said
order and findings shall be certified to the clerk of the county in
which the ward's land, or some part of it, is located and before whom
any petition or application is filed for the sale, mortgage, or exchange
of said land. Such findings and orders so certified shall be considered
by the court along with all other evidence and circumstances in
passing upon the petition in which an order is sought for the sale,
mortgage, or exchange of said land. In the case of a ward who is a
minor, before such findings and orders shall become effective the
same shall be approved by the superior court judge holding the courts
of the district or by the resident judge.

"§ 35A-1303. Fund from sale has character of estate sold and subject
to same trusts.--Whenever, in consequence of any sale under G.S.
35A-1301, the real or personal property of the ward is saved from
demands to which in the first instance it may be liable, the final
decree shall declare and set apart a portion of the personal or real
estate thus saved, of value equal to the real and personal estate sold,
as property exchanged for that sold; and in all sales by guardians
whereby real is substituted by personal, or personal by real property,
the beneficial interest in the property acquired shall be enjoyed,
alienated, devised or bequeathed, and shall descend and be distributed,
as by law the property sold might and would have been had it not been
sold, until it be reconverted from the character thus impressed upon it
by some act of the owner and restored to its character proper.

"§ 35A-1304. Sale of perishable goods on order of clerk.--Every
guardian shall sell, by order of the clerk, all such goods and chattels
of his ward as may be liable to perish or be the worse for keeping.
The procedure for the sale shall be as provided by Article 29A of
Chapter 1 of the General Statutes.

"§ 35A-1305. When timber may be sold.--In case the land cannot be
rented for enough to pay the taxes and other dues thereof, and there is
not money sufficient for that purpose, the guardian, with the consent
of the clerk, may annually dispose of or use so much of the
lightwood, and box or rent so many pine trees, or sell so much of the
timber on the same, as may raise enough to pay the taxes and other
duties thereon, and no more. In addition, the guardian, with the
consent of the clerk, may annually dispose of, use, or sell so much of
the timber as is necessary to maintain good forestry practices.
§ 35A-1306. Abandoned incompetent spouse.--(a) A guardian of a married person found incompetent who has been abandoned, whether the guardian was appointed before or after the abandonment, may initiate a special proceeding before the clerk having jurisdiction over the ward requesting the issuance of an order authorizing the sale of the ward's separate real property without the joinder of the abandoning spouse.

(b) The ward's spouse shall be served with notice of the special proceeding in accordance with G.S. 1A-1, Rule 4.

(c) If the clerk finds:

1. That the spouse of the ward has willfully and without just cause abandoned the ward for a period of more than one year; and
2. That the spouse of the ward has knowledge of the guardianship, or that the guardian has made a reasonable attempt to notify the spouse of the guardianship; and
3. That an order authorizing the sale of the separate real property of the ward is in the best interest of the ward;

the clerk may issue such an order thereby barring the abandoning spouse from all right, title and interest in any of the ward's separate real property sold pursuant to such an order.

§ 35A-1307. Spouse of incompetent husband or wife entitled to special proceeding for sale of property.--Every married person whose husband or wife is adjudged incompetent and is confined in a mental hospital or other institution in this State, and who was living with the incompetent spouse at the time of commitment shall, if he or she be in needy circumstances, have the right to bring a special proceeding before the clerk to sell the property of the incompetent spouse, or so much thereof as is deemed expedient, and have the proceeds applied for support. Provided, that said proceeding shall be approved by the judge of the superior court holding the courts of the judicial district where the said property is situated. When the deed of the commissioner appointed by the court, conveying the lands belonging to the incompetent spouse is executed, probated, and registered, it conveys a good and indefeasible title to the purchaser."

CHAPTER 561

AN ACT TO AUTHORIZE LENOIR COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy Tax. (a) Authorization and scope. The Lenoir County Board of Commissioners may by resolution, after not less than ten days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations, by summer camps, or by businesses that offer to rent no more than five units.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish
to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall be subject to and pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both.

(e) Distribution and use of tax revenue. Lenoir County shall, on a monthly basis, remit the net proceeds of the occupancy tax to the Lenoir County Tourism Development Authority. The Authority may spend funds remitted to it under this subsection only to further the development of travel, tourism, and conventions in Lenoir County through advertising and promotion, to sponsor tourist-oriented events and activities in Lenoir County, and to finance tourist-related capital projects in Lenoir County. As used in this subsection, "net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, which may not exceed five percent (5%) of the gross proceeds.
(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Lenoir County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. Tourism Development Authority. (a) Appointment and membership. When the board of commissioners adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating the Lenoir County Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide that the Authority shall be composed of the following seven members:

(1) A Lenoir County Commissioner appointed by the board of commissioners;

All members of the Authority shall serve without compensation. Vacancies shall be filled in the same manner as original appointments. Members appointed to fill vacancies shall serve for the remainder of the unexpired term. The Authority shall elect each year from its membership a chairman. No member may serve as chairman more than two one-year terms in succession. The Authority shall meet at the call of the chairman or of any three members and shall adopt rules
of procedure to govern its meetings. The Finance Officer for Lenoir County shall be the ex officio finance officer of the Authority.

(b) Terms of office. Members of the Authority shall serve three-year terms except that the initial appointees shall serve the following terms:

1. Members appointed pursuant to subdivisions (a)(1) and (a)(2) of this section shall serve one-year terms.

(c) Powers and duties. The Authority may contract with any person, firm, or agency to assist it in carrying out the purposes for which the tax proceeds levied by this act may be expended. The board of county commissioners may from time to time determine an appropriate percentage of net proceeds that may be expended for administrative services.

(d) Reports. The Authority shall report quarterly and at the close of the fiscal year to the board of county commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

Sec. 3. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 6th day of July, 1987.

The nomination may be made in a will, a trust, a deed, an instrument exercising a power of appointment, or in a writing designating a beneficiary of contractual rights which is registered with or delivered to the payor, issuer, or other obligor of the contractual rights.
(b) A custodian nominated under this section must be a person to whom a transfer of property of that kind may be made under G.S. 33A-9(a).

(c) The nomination of a custodian under this section does not create custodial property until the nominating instrument becomes irrevocable or a transfer to the nominated custodian is completed under G.S. 33A-9. Unless the nomination of a custodian has been revoked, upon the occurrence of the future event the custodianship becomes effective and the custodian shall enforce a transfer of the custodial property pursuant to G.S. 33A-9.

"§ 33A-4. Transfer by gift or exercise of power of appointment.--A person may make a transfer by irrevocable gift to, or the irrevocable exercise of a power of appointment in favor of, a custodian for the benefit of a minor pursuant to G.S. 33A-9.

(b) If the testator or settlor has nominated a custodian under G.S. 33A-3 to receive the custodial property, the transfer must be made to that person.

(c) If the testator or settlor has not nominated a custodian under G.S. 33A-3, or all persons so nominated as custodian die before the transfer or are unable, decline, or are ineligible to serve the personal representative or the trustee, as the case may be, shall designate the custodian from among those eligible to serve as custodian for property of that kind under G.S. 33A-9(a).

"§ 33A-6. Other transfer by fiduciary.--(a) Subject to subsection (c), a personal representative or trustee may make an irrevocable transfer to the transferor or to another adult or trust company as custodian for the benefit of a minor pursuant to G.S. 33A-9, in the absence of a will or under a will or trust that does not contain an authorization to do so.

(b) Subject to subsection (c), a guardian may make an irrevocable transfer to the transferor or to another adult or trust company as custodian for the benefit of the minor pursuant to Section 33A-9.

(c) A transfer under subsection (a) or (b) may be made only if (i) the personal representative, trustee, or guardian considers the transfer to be in the best interest of the minor, and (ii) the transfer is not prohibited by or inconsistent with provisions of the applicable will, trust agreement, or other governing instrument. If the value of the property transferred under subsections (a) or (b) will total more than ten thousand dollars ($10,000), whether in one or more transfers, that transfer must be authorized by the court. If a transfer under
subsections (a) or (b) is to the transferor then the transfer must be authorized by the court.

"§ 33A-7. Transfer by obligor.--(a) Subject to subsections (b) and (c), a person not subject to Section 33A-5 or 33A-6 who holds property of or owes a liquidated debt to a minor not having a guardian may make an irrevocable transfer to a custodian for the benefit of the minor pursuant to Section 33A-9.

(b) If a person having the right to do so under Section 33A-3 has nominated a custodian under that section to receive the custodial property, the transfer must be made to that person.

(c) If no custodian has been nominated under Section 33A-3, or all persons so nominated as custodian die before the transfer or are unable, decline, or are ineligible to serve, a transfer under this section may be made to an adult member of the minor’s family or to a trust company if the aggregate value of the property does not exceed ten thousand dollars ($10,000) in value.

"§ 33A-8. Receipt for custodial property.--A written acknowledgement by a custodian of delivery authorized by this Chapter constitutes a sufficient receipt and discharge for custodial property transferred to the custodian.

"§ 33A-9. Manner of creating custodial property and effecting transfer; designation of initial custodian; control.--(a) Custodial property is created and a transfer is made whenever:

Dated: ____________

___________ (Signature)

___________ (name of custodian) acknowledges receipt of the property described above as custodian for the minor named above under the North Carolina Uniform Transfers to Minors Act.

Dated: ____________

___________ (Signature of Custodian)

(c) A transferor shall place the custodian in control of the custodial property as soon as practicable.

"§ 33A-10. Single Custodianship.--A transfer may be made only for one minor, and only one person may be the Custodian. All custodial property held under this Chapter by the same custodian for the benefit of the same minor constitutes a single custodianship.

"§ 33A-11. Validity and effect of transfer.--(a) The validity of a transfer made in a manner prescribed in this Chapter is not affected by:

(1) failure of the transferor to comply with G.S. 33A-9(c) concerning control;

(2) designation of an ineligible custodian, except designation of the transferor in the case of property for which the transferor is ineligible to serve as custodian under G.S. 33A-9(a);

(3) death or incapacity of a person nominated under G.S. 33A-3 or designated under G.S. 33A-9 as custodian or the disclaimer of the office by that person; or

(4) the use of an abbreviation in referring to this Chapter or the equivalent act of another state.
(b) A transfer made pursuant to G.S. 33A-9 is irrevocable, and the custodial property is indefeasibly vested in the minor, but the custodian has all the rights, powers, duties, and authority provided in this Chapter, and neither the minor nor the minor’s legal representative has any right, power, duty, or authority with respect to the custodial property except as provided in this Chapter.

(c) By making a transfer, the transferor incorporates in the disposition all the provisions of this Chapter and grants to the custodian, and to any third person dealing with a person designated as custodian, the respective powers, rights, and immunities provided in this Chapter.

"§ 33A-12. Care of custodial property.--(a) A custodian shall:

(1) take control of custodial property;
(2) register or record title to custodial property if appropriate; and
(3) collect, hold, manage, invest, and reinvest custodial property.

(b) In dealing with custodial property, a custodian shall observe the standard of care that would be observed by a prudent person dealing with property of another and is not limited by any other statute restricting investments by fiduciaries. If a custodian has a special skill or expertise or is named custodian on the basis of representations of a special skill or expertise, the custodian shall use that skill or expertise. However, a custodian, in the custodian’s discretion and without liability to the minor or the minor’s estate, may retain any custodial property received from a transferor.

(c) A custodian may invest in or pay premiums on life insurance or endowment policies on (i) the life of the minor only if the minor or the minor’s estate or the custodian in the capacity of custodian is the sole beneficiary, or (ii) the life of another person in whom the minor has an insurable interest only to the extent that the minor, the minor’s estate, or the custodian in the capacity of custodian, is the irrevocable beneficiary.

(d) A custodian at all times shall keep custodial property separate and distinct from all other property in a manner sufficient to identify it clearly as custodial property of the minor. Custodial property may be held with other owners if owned as tenants in common, provided that the property interest of the owners is fixed. Custodial property subject to recordation is so identified if it is recorded, and custodial property subject to registration is so identified if it is either registered, or held in an account designated, in the name of the custodian, followed in substance by the words: ‘as a custodian for _____ (name of minor)
under the North Carolina Uniform Transfers to Minors Act.'

(c) A custodian shall keep records of all transactions with respect to custodial property, including information necessary for the preparation of the minor's tax returns, and shall make them available for inspection at reasonable intervals by a parent or legal representative of the minor, or by the minor if the minor has attained the age of 14 years.

" § 33A-13. Powers of custodian.--(a) A custodian, acting in a custodial capacity, has all the rights, powers, and authority over custodial property that unmarried adult owners have over their own property, but a custodian may exercise those rights, powers, and authority in the capacity of a custodian only.

(b) This section does not relieve a custodian from liability for breach of G.S. 33A-12.

" § 33A-14. Use of custodial property.--(a) A custodian may deliver or pay to the minor or expend for the minor's benefit so much of the custodial property as the custodian considers advisable for the use and benefit of the minor, without court order and without regard to (i) the duty or ability of the custodian personally or of any other person to support the minor, or (ii) any other income or property of the minor which may be applicable or available for that purpose.

(b) On petition of an interested person or the minor if the minor has attained the age of 14 years, the court may order the custodian to deliver or pay to the minor or expend for the minor's benefit so much of the custodial property as the court considers advisable for the use and benefit of the minor.

(c) A delivery, payment, or expenditure under this section is in addition to, not in substitution for, and does not affect any obligation of a person to support the minor.

" § 33A-15. Custodian's expenses, compensation, and bond.--(a) A custodian is entitled to pay from and to be reimbursed from custodial property for reasonable expenses incurred in the performance of the custodian's duties.

(b) Except for one who is a transferor under G.S. 33A-4, a custodian has a noncumulative election during each calendar year to charge reasonable compensation for services performed during that year.

(c) Except as provided in G.S. 33A-18(f), a custodian need not give a bond.

" § 33A-16. Exemption of third person from liability.--A third person in good faith and without court order may act on the instructions of or
otherwise deal with any person purporting to make a transfer or purporting to act in the capacity of a custodian and, in the absence of knowledge, is not responsible for determining:

(1) The validity of the purported custodian’s designation;
(2) the propriety of, or the authority under this Chapter for, any act of the purported custodian;
(3) the validity or propriety under this Chapter of any instrument or instructions executed or given either by the person purporting to make a transfer or by the purported custodian; or
(4) the propriety of the application of any property of the minor delivered to the purported custodian.

"§ 33A-17. Liability to Third Persons.--(a) A claim based on (i) a contract entered into by a custodian acting in a custodial capacity, (ii) an obligation arising from the ownership or control of custodial property, or (iii) a tort committed during the custodianship, may be asserted against the custodial property by proceeding against the custodian in the custodial capacity, whether or not the custodian or the minor is personally liable therefor.

(b) A custodian may be held personally liable:

(1) on a contract properly entered into in the custodial capacity if the custodian fails to reveal that capacity and to identify the custodianship in the contract; or

(2) for an obligation arising from control of custodial property or for a tort committed during the custodianship if the custodian is personally at fault.

(c) A minor is not personally liable for an obligation arising from ownership of custodial property or for a tort committed during the custodianship unless the minor is personally at fault.

"§ 33A-18. Renunciation, resignation, death, or removal of custodian; designation of successor custodian.--(a) A person nominated under G.S. 33A-3 or designated under G.S. 33A-9 as custodian may decline to serve by delivering a written disclaimer to the person who made the nomination or to the transferor or the transferor’s legal representative. If the event giving rise to a transfer has not occurred and no substitute custodian able, willing, and eligible to serve was nominated under G.S. 33A-3, the person who made the nomination may nominate a substitute custodian under G.S. 33A-3; otherwise the transferor or the transferor’s legal representative shall designate a substitute custodian at the time of the transfer, in either case from among the persons eligible to serve as custodian for that kind of property under G.S. 33A-9(a).
(b) A custodian at any time may designate a trust company or an adult other than the transferor under G.S. 33A-4 as successor custodian by executing and dating an instrument of designation before a subscribing witness other than the successor. If the instrument of designation does not contain or is not accompanied by the resignation of the custodian, the designation of the successor does not take effect until the custodian resigns, dies, becomes incapacitated, or is removed.

(c) A custodian may resign at any time by delivering written notice to the minor if the minor has attained the age of 14 years and to the successor custodian and by delivering the custodial property to the successor custodian.

(d) If a custodian is ineligible, dies, or becomes incapacitated without having effectively designated a successor and the minor has attained the age of 14 years, the minor may designate as successor custodian, in the manner prescribed in subsection (b), an adult member of the minor's family, a guardian of the minor, or a trust company. If the minor has not attained the age of 14 years or fails to act within 60 days after the ineligibility, death, or incapacity, the guardian of the minor becomes successor custodian. If the minor has no guardian or the guardian declines to act, the transferor, the legal representative of the transferor or of the custodian, an adult member of the minor's family, or any other interested person may petition the court to designate a successor custodian.

(e) A custodian who declines to serve under subsection (a) or resigns under subsection (c), or the legal representative of a deceased or incapacitated custodian, as soon as practicable, shall put the custodial property and records in the possession and control of the successor custodian. The successor custodian by action may enforce the obligation to deliver custodial property and records and becomes responsible for each item as received.

(f) A transferor, the legal representative of a transferor, an adult member of the minor's family, a guardian of the person of the minor, the guardian of the minor, or the minor if the minor has attained the age of 14 years may petition the court to remove the custodian for cause and to designate a successor custodian other than a transferor under G.S. 33A-4 or to require the custodian to give appropriate bond.

"§ 33A-19. Accounting by and determination of liability of custodian.-(a) A minor who has attained the age of 14 years, the minor's guardian of the person or legal representative, an adult member of the minor's family, a transferor, or a transferor's legal representative may petition the court (i) for an accounting by the custodian or the custodian's legal representative; or (ii) for a determination of
responsibility, as between the custodial property and the custodian personally, for claims against the custodial property unless the responsibility has been adjudicated in an action under G.S. 33A-17 to which the minor or the minor’s legal representative was a party.

(b) A successor custodian may petition the court for an accounting by the predecessor custodian.

(c) The court, in a proceeding under this Chapter or the presiding judge in any other proceeding, may require or permit the custodian or the custodian’s legal representative to account.

(d) If a custodian is removed under G.S. 33A-18(f), the court shall require an accounting and order delivery of the custodial property and records to the successor custodian and the execution of all instruments required for transfer of the custodial property.

"§ 33A-20. Termination of custodianship.—The custodian shall transfer in an appropriate manner the custodial property to the minor or to the minor’s estate upon the earlier of:

1. the minor’s attainment of 21 years of age with respect to custodial property transferred under G.S. 33A-4 or G.S. 33A-5, except that any transferor may have custodial property transferred to the minor at any time after the age of 18 and before the age of 21 by a designation in the following words or their equivalent: ‘The custodian shall transfer this property to ______ (name of minor) when he reaches the age of __ (age after 18 and before 21).’

2. the minor’s attainment of age 18 with respect to custodial property transferred under G.S. 33A-6 or G.S. 33A-7; or

3. the minor’s death.

"§ 33A-21. Applicability.—This Chapter applies to a transfer within the scope of G.S. 33A-2 made after its effective date if:

1. the transfer purports to have been made under the Uniform Gifts to Minors Act of North Carolina; or

2. the instrument by which the transfer purports to have been made uses in substance the designation ‘as custodian under the Uniform Gifts to Minors Act’ or ‘as custodian under the Uniform Transfers to Minors Act’ of any other state, and the application of this Chapter is necessary to validate the transfer.

"§ 33A-22. Effect on existing custodianships.—(a) Any transfer of custodial property as now defined in this Chapter made before the effective date of this Chapter is validated notwithstanding that there was no specific authority in the Uniform Gifts to Minors Act of North Carolina for the coverage of custodial property of that kind or for a
transfer from that source at the time the transfer was made.

(b) This Chapter applies to all transfers made before the effective date of this Chapter in a manner and form prescribed in the Uniform Gifts to Minors Act of North Carolina, except insofar as the application impairs constitutionally vested rights or extends the duration of custodianships in existence on the effective date of this Chapter.

(c) G.S. 33A-1 and G.S. 33A-20 with respect to the age of a minor for whom custodial property is held under this Chapter shall not apply to custodial property held in a custodianship that terminated because of the minor's attainment of the age of majority and before the effective date of this Chapter.

"§ 33A-23. Uniformity of application and construction.--This Chapter shall be applied and construed to effect its general purpose to make uniform the law with respect to the subject of this Chapter among states enacting it.

"§ 33A-24. Short title.--This Chapter may be cited as the 'North Carolina Uniform Transfers to Minors Act.'"

Sec. 3. This act shall become effective October 1, 1987.

In the General Assembly read three times and ratified this the 6th day of July, 1987.

AN ACT TO REGULATE DARK-SHADED WINDOWS IN MOTOR
VEHICLES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-127(d) reads as rewritten:

"(d) On or after January 1, 1988, it shall be unlawful to operate
a noncommercial passenger motor vehicle registered or which is
required to be registered in this State under this Chapter, including
passenger cars, pickup trucks and passenger vans, upon any highway
or public vehicular area with a windshield or any other window which
does not meet the light transmittance requirements of federal motor
vehicle safety standard No. 205. Provided, vehicles with a windshield
or any other window installed prior to August 1, 1985 which does not
meet the light transmittance requirements of federal motor vehicle
standard No. 205 or vehicles transporting deceased human remains
will be exempt from the provisions of this subsection with a
windshield or a front side window to the immediate right or left of the
operator, or a rear window used for visibility, which has been
darkened, smoked, or tinted after factory delivery. Provided,
however, a single application of tinted film which has been registered
with and approved by the Commissioner of Motor Vehicles shall be
lawful if the manufacturer’s label is implanted between the film and
glass in the lower left section of each darkened window and is legible
from outside the vehicle. The label shall indicate the film registration
number, the name and address of the manufacturer and a certification
of compliance with North Carolina law. No film or darkening
material may be applied on the windshield except to replace the
sunshield in the uppermost area as installed by the manufacturer of
the vehicle, in which case the label shall be implanted between the
film and glass in the upper left section of the windshield and be
legible from outside the vehicle. A rear window shall be required for
visibility on every vehicle unless the vehicle is equipped with an
outside mirror of a type approved by the Commissioner which
eliminates the requirement for an inside rearview mirror under the
provisions of G.S. 20-126(a) and (b)."

1005
Sec. 2. G.S. 20-127(e) reads as rewritten:
"(e) No motor vehicle inspection certificate shall be issued on or after October 1, 1987 January 1, 1988, for a motor vehicle subject to subsection (d) with a windshield or any other window which does not meet the light transmittance requirements of federal motor vehicle safety standard No. 205. Any motor vehicle otherwise subject to subsection (d) will be exempt from the provisions of this subsection provided the vehicle owner provides the motor vehicle inspector a document, attesting that any windshield or any other window not in compliance with subsection (d) was installed prior to August 1, 1985, on which the windshield or front window to the immediate right and left of the operator or the rear window if required for visibility, has been darkened by the installation of tinted film or by other means, except as permitted under subsection (d) of this section."

Sec. 3. G.S. 20-127 is amended by adding a new subsection to read:
"(f) Before shipping or making any tinted film available for installation on a motor vehicle in this State, the manufacturer shall apply to the Commissioner for approval and registration of its tinted film and for a label to be used in the identification and certification of compliance with light transmittance and reflectance standards. The Commissioner shall approve no tinted film to be used in the front windows or a rear window if required for visibility unless the manufacturer demonstrates that it has at least thirty-five percent (35%) light transmittance if it is to be used on front, side, or rear windows and a luminous reflectance of not more than twenty percent (20%). A fee shall be paid by the manufacturer with each application for film approval and registration in the approximate amount of the cost to the Division in the review of the applications."

Sec. 4. G.S. 20-127 is amended by adding a new subsection to read:
"(g) With any delivery of tinted film for installation in vehicles, where approved film is required, the manufacturer shall provide the required labels with written instructions and materials for permanent installation. The use of any label that is not registered, or the misuse of any registered label to mislead motor vehicle safety inspectors, law enforcement officers, or other officials shall constitute a misdemeanor."

CHAPTER 568

AN ACT TO PROVIDE A STATE INCOME TAX CREDIT TO
EMPLOYERS WHO CREATE JOBS IN SEVERELY
DISTRESSED COUNTIES OF THE STATE.

The General Assembly of North Carolina enacts:

Section 1. Division 1 of Article 4 of Chapter 105 of the
General Statutes is amended by adding a new section to read:

"§ 105-130.40. Credit for creating jobs in severely distressed
county.--(a) Credit. A corporation that (i) for at least 40 weeks
during the year has at least nine employees, (ii) is located, for part or
all of its taxable year, in a severely distressed county, and (iii) is
eligible as provided in subsection (b), may qualify for a credit against
the tax imposed by this Division by creating new full-time jobs with
the corporation in the severely distressed county during that year. A
corporation that hires an additional full-time employee during that year
to fill a position located in a severely distressed county is allowed a
credit of two thousand eight hundred dollars ($2,800) for the
additional employee. A position is located in a county if (i) at least
fifty percent (50%) of the employee’s duties are performed in the
county, or (ii) the employee is a resident of the county. The credit
may not be taken in the income year in which the additional employee
is hired. Instead, the credit shall be taken in equal installments over
the four years following the income year in which the additional employee
was hired and shall be conditioned on the continued employment by the corporation of the number of full-time employees
the corporation had upon hiring the employee that caused the
corporation to qualify for the credit. If, in one of the four years in
which the installment of a credit accrues, the number of the
corporation’s full-time employees falls below the number of full-time
employees the company had in the year in which the corporation
qualified for the credit or the position filled by the employee is moved
to another county, the credit expires and the corporation may not take
any remaining installment of the credit. The corporation may,
however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under subsection (e) of this section.

The North Carolina Employment Security Commission shall determine the number of new full-time jobs eligible for the credit allowed by this section by comparing the average number of full-time employees reported by the corporation on the quarterly wage reports submitted to the Commission during the year with the number reported the previous year, and shall provide that information to the Secretary of Revenue annually for each employer eligible under subsection (b) of this section.

For the purposes of this section, a full-time job is a position that requires at least 1,600 hours of work per year and is intended to be held by one employee during the entire year. A full-time employee is an employee who holds a full-time job.

(b) Eligibility. A corporation is eligible for the credit allowed by this section only if it engages in manufacturing, agribusiness, processing, warehousing, wholesaling, retailing, research and development, or a service-related industry, as determined by the Employment Security Commission.

(c) County Designation. A severely distressed county is a county designated as such by the Secretary of the Department of Commerce. Each year, on or before December 31, the Secretary of the Department of Commerce shall designate which counties are considered severely distressed, and shall provide that information to the Secretary of Revenue. A county is considered severely distressed if its distress factor is one of the twenty highest in the State and it has an unemployment rate of seven percent (7%) or more. The Secretary shall assign to each county in the State a distress factor which is the sum of (1) the county's rank in a ranking of counties by rate of unemployment from lowest to highest and (2) the county's rank in a ranking of counties by per capita income from highest to lowest. In measuring rates of unemployment and per capita income, the Secretary shall use data from the North Carolina Employment Security Commission and the United States Department of Commerce for the most recent thirty-six month period for which data is available. A designation as a severely distressed county is effective only for the calendar year following the designation.

(d) Planned Expansion. A corporation that, during the year in which a county is designated as a severely distressed county, signs a letter of commitment with the Department of Commerce to create at least twenty new full-time jobs in that distressed county within two years of the date the letter is signed qualifies for the credit allowed by this section even though the employees are not hired that year. The credit shall be available in the income year after at least twenty
employees have been hired if such hire is within the two-year commitment period. The conditions outlined in subsection (a) apply to a credit taken under this subsection except that if the county is no longer designated a severely distressed county after the year the letter of commitment was signed, the credit is still available. If the corporation does not hire the employees within the two-year period, the corporation does not qualify for the credit. However, if the corporation qualifies for a credit under subsection (a) in the year any new employees are hired, it may take the credit under that subsection.

(e) Limitations. The sale, merger, acquisition, or bankruptcy of a business, or any other transaction by which an existing business reformulates itself as another business, does not create new eligibility in a succeeding business with respect to jobs for which the predecessor was not eligible under this section. A successor corporation may, however, take any installment of or carried-over portion of a credit that its predecessor could have taken if it had taxable income. Jobs transferred from one county in the State to another county in the State shall not be considered new jobs for purposes of this section. A credit taken under this section may not exceed fifty percent (50%) of the tax imposed by this Division for the taxable year, reduced by the sum of all other credits allowed under this Division, except tax payments made by or on behalf of the corporation. Any unused portion of the credit may be carried forward for the succeeding five years."

Sec. 2. Division II of Article 4 of Chapter 105 is amended by adding a new section to read:

"§ 105-151.17. Credit for creating jobs in severely distressed county.--(a) Credit. A person who (i) for at least 40 weeks during the year has at least nine employees, (ii) whose business is located, for part or all of his taxable year, in a severely distressed county, and (iii) who is eligible as provided in subsection (b) may qualify for a credit against the tax imposed by this Division by creating new full-time jobs with the business in the severely distressed county during that year. A person who hires an additional full-time employee during that year to fill a position located in a severely distressed county is allowed a credit of two thousand eight hundred dollars ($2,800) for the additional employee. A position is located in a county if (i) at least fifty percent (50%) of the employee's duties are performed in the county, or (ii) the employee is a resident of the county. The credit may not be taken in the income year in which the additional employee is hired. Instead, the credit shall be taken in equal installments over the four
years following the income year in which the additional employee was hired and shall be conditioned on the continued employment by the taxpayer of the number of full-time employees the taxpayer had upon hiring the employee that caused the taxpayer to qualify for the credit. If, in one of the four years in which the installment of a credit accrues, the number of the taxpayer's full-time employees falls below the number of full-time employees the taxpayer had in the year in which the taxpayer qualified for the credit or the position filled by the employee is moved to another county, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under subsection (e) of this section.

The North Carolina Employment Security Commission shall determine the number of new full-time jobs eligible for the credit allowed by this section by comparing the average number of full-time employees reported by the taxpayer on the quarterly wage reports submitted to the Commission during the year with the number reported the previous year, and shall provide that information to the Secretary of Revenue annually for each employer eligible under subsection (b) of this section.

For the purposes of this section, a full-time job is a position that requires at least 1,600 hours of work per year and is intended to be held by one employee during the entire year. A full-time employee is an employee who holds a full-time job.

(b) Eligibility. A taxpayer is eligible for the credit allowed by this subsection only if he owns a business that engages in manufacturing, agribusiness, processing, warehousing, wholesaling, retailing, research and development, or a service-related industry, as determined by the Employment Security Commission.

(c) County Designation. A severely distressed county is a county designated as such by the Secretary of the Department of Commerce. Each year, on or before December 31, the Secretary of the Department of Commerce shall designate which counties are considered severely distressed, and shall provide that information to the Secretary of Revenue. A county is considered severely distressed if its distress factor is one of the twenty highest in the State and it has an unemployment rate of seven percent (7%) or more. The Secretary shall assign to each county in the State a distress factor which is the sum of (1) the county's rank in a ranking of counties by rate of unemployment from lowest to highest and (2) the county's rank in a ranking of counties by per capita income from highest to lowest. In measuring rates of unemployment and per capita income, the Secretary shall use data from the North Carolina Employment Security Commission.
Commission and the United States Department of Commerce for the most recent thirty-six month period for which data is available. A designation as a severely distressed county is effective only for the calendar year following the designation.

(d) Planned Expansion. A person who, during the year in which a county is designated as a severely distressed county, signs a letter of commitment with the Department of Commerce to create at least twenty new full-time jobs in that distressed county within two years of the date the letter is signed qualifies for the credit allowed by this section even though the employees are not hired that year. The credit shall be available in the income year after at least twenty employees have been hired if such hirings are within the two-year commitment period. The conditions outlined in subsection (a) apply to a credit taken under this subsection, except that if the county is no longer designated a severely distressed county after the year the letter of commitment was signed, the credit is still available. If the taxpayer does not hire the employees within the two-year period, he does not qualify for the credit. However, if the taxpayer qualifies for a credit under subsection (a) in the year any new employees are hired, he may take the credit under that subsection.

(e) Limitations. The sale, merger, acquisition, or bankruptcy of a business, or any other transaction by which an existing business reformulates itself as another business, does not create new eligibility in a succeeding business with respect to jobs for which the predecessor was not eligible under this section. A taxpayer may, however, take any installment of or carried-over portion of a credit that his predecessor could have taken if he had taxable income. Jobs transferred from one county in the State to another county in the State shall not be considered new jobs for purposes of this section. A credit taken under this section may not exceed fifty percent (50%) of the tax imposed by this Division for the taxable year, reduced by the sum of all other credits allowed under this Division, except tax payments made by or on behalf of the taxpayer. Any unused portion of the credit may be carried forward for the succeeding five years.”

Sec. 3. This act shall become effective for taxable years beginning on or after January 1, 1988, and shall expire for taxable years beginning on or after January 1, 1993. Notwithstanding the expiration of the credit, an installment of a credit and any unused portion of a credit for which the taxpayer qualified before the act expired shall remain available to the taxpayer, to be taken in accordance with the provisions that applied to the repealed credit.

"§ 130A-310.1. Identification, inventory, and monitoring of inactive hazardous substance or waste disposal sites.--(a) Within six months of the effective date of this section the Department shall develop and implement a program for locating, cataloguing, and monitoring all inactive hazardous substance or waste disposal sites in North Carolina. The Secretary shall compile and maintain an inventory of all such sites based on information submitted by owners, operators, and responsible parties, and on data obtained directly by the Secretary. The inventory shall include any evidence of contamination to the air, surface water, groundwater, surface or subsurface soils, or waste streams. The inventory shall indicate the extent of any actual damage or potential danger to public health or to the environment resulting from such contamination.
(b) Within six months of the date this section becomes effective, the Commission shall develop and make available a format and checklist for submission of data relevant to inactive hazardous substance or waste disposal sites. Within 90 days thereafter, each owner, operator, or responsible party shall submit to the Secretary all such site data as is known or readily available to him. The owner, operator, or responsible party shall certify under oath that, to the best of his knowledge and belief, such data is complete and accurate.
(c) Whenever the Secretary determines that there is a release, or substantial threat of a release, into the environment of a hazardous substance from an inactive hazardous substance or waste disposal site, the Secretary may, in addition to any other powers he may have, order any responsible party to conduct such monitoring, testing, analysis, and reporting as the Secretary deems reasonable and necessary to ascertain the nature and extent of any hazard posed by the site. Written notice of any order issued pursuant to this section shall be given to all persons subject to the order as set out in G.S. 130A-310.3(c). The Secretary, prior to the entry of any such order, shall solicit the cooperation of the responsible party.
(d) If a person fails to submit data as required in subsection (b) of this section or violates the requirements or schedules in an order issued pursuant to subsection (c) of this section, the Secretary may
institute an action for injunctive relief, irrespective of all other remedies at law, in the superior court of the county where the violation occurred or where a defendant resides.

(e) Whenever a person ordered to take any action pursuant to this section is unable or fails to do so, or if the Secretary, after making a reasonable attempt, is unable to locate any responsible party, the Secretary may take such action. The cost of any action by the Secretary pursuant to this section may be paid from the Carolina Clean Drinking Water Fund, subject to a later action for reimbursement pursuant to G.S. 130A-310.7. The provisions of subdivisions (a)(1) to (a)(3) of G.S.130A-310.6 shall apply to any action taken by the Secretary pursuant to this section.

"§ 130A-310.2. Inactive Hazardous Waste Sites Priority List.--No later than six months after the date on which this section becomes effective, the Commission shall develop a system for the prioritization of inactive hazardous substance or waste disposal sites based on the extent to which such sites endanger the public health and the environment. The Secretary shall apply the prioritization system to the inventory of sites to create and maintain an Inactive Hazardous Waste Site Priority List, which shall rank all inactive hazardous substance or waste disposal sites in decreasing order of danger. This list shall identify the location of each site and the type and amount of hazardous substances or waste known or believed to be located on the site. The first such list shall be published within two years after the date that this section becomes effective, with subsequent lists to be published at intervals of not more than two years thereafter. The Secretary shall notify owners, operators, and responsible parties of sites listed on the Inactive Hazardous Waste Sites Priority List of their ranking on the list. The Inactive Hazardous Sites Priority List shall be used by the Department in determining budget requests and in allocating any State appropriation which may be made for remedial action, but shall not be used so as to impede any other action by the Department, or any remedial or other action for which funds are available.

"§ 130A-310.3. Remedial action programs for inactive hazardous substance or waste disposal sites.--(a) The Secretary may issue a written declaration, based upon findings of fact, that an inactive hazardous substance or waste disposal site endangers the public health or the environment. After issuing such a declaration, and at any time during which the declaration is in effect, the Secretary shall be responsible for:
monitoring the inactive hazardous substance or waste disposal site;

(2) developing a plan for public notice and for community and local government participation in any inactive hazardous substance or waste disposal site remedial action program to be undertaken;

(3) approving an inactive hazardous substance or waste disposal site remedial action program for the site;

(4) coordinating the inactive hazardous substance or waste disposal site remedial action program for the site; and

(5) ensuring that the hazardous substance or waste disposal site remedial action program is completed.

(b) Where possible, the Secretary shall work cooperatively with any owner, operator, responsible party, or any appropriate agency of the State or federal government to develop and implement the inactive hazardous substance or waste disposal site remedial action program. The Secretary shall not take action under this section to the extent that the Secretary of Natural Resources and Community Development, or the Environmental Management Commission, or the Commissioner of Agriculture, or the Pesticide Board has assumed jurisdiction pursuant to Articles 21 or 21A of Chapter 143 of the General Statutes.

(c) Whenever the Secretary has issued such a declaration, and at any time during which the declaration is in effect, the Secretary may, in addition to any other powers he may have, order any responsible party:

(1) to develop an inactive hazardous substance or waste disposal site remedial action program for the site subject to approval by the Department, and

(2) to implement the program within reasonable time limits specified in the order.

Written notice of such an order shall be provided to all persons subject to the order personally or by certified mail. If given by certified mail, notice shall be deemed to have been given on the date appearing in the return of the receipt. If giving of notice cannot be accomplished either personally or by certified mail, notice shall be given as provided in G.S. 1A-1, Rule 4(j).

(d) In any inactive hazardous substance or waste disposal site remedial action program implemented hereunder, the Secretary shall ascertain the most nearly applicable cleanup standard as would be applied under CERCLA/SARA, and shall seek federal approval of any such program to insure concurrent compliance with federal standards. State standards may exceed and be more comprehensive than such federal standards. The Secretary shall consult with the Secretary of Natural Resources and Community Development to assure concurrent
compliance with applicable standards set by the Environmental Management Commission.

"§ 130A-310.4. Public participation in the development of the remedial action plan.--(a) Within 10 days after the Secretary issues a declaration pursuant to G.S. 130A-310.3, he shall notify in writing the local board of health and the local health director having jurisdiction in the county or counties in which an inactive hazardous substance or waste disposal site is located that the site may endanger the public health or environment and that a remedial action plan is being developed. The Secretary shall involve the local health director in the development of the remedial action plan.

(b) Before approving any remedial action plan, the Secretary shall make copies of the proposed plan available for inspection as follows:

(1) A copy of the plan shall be provided to the local health director.

(2) A copy of the proposed plan shall be filed with the register of deeds in the county or counties in which the site is located.

(3) A copy of the plan shall be provided to each public library located in the county or counties in which the site is located.

(4) The Secretary may place copies of the plan in other locations so as to assure the availability thereof to the public.

In addition, copies of the plan shall be available for inspection and copying at cost by the public during regular business hours in the offices of the agency within the Department with responsibility for the administration of the remedial action program.

(c) Before approving any remedial action plan, the Secretary shall give notice of the proposed plan as follows:

(1) A notice and summary of the proposed plan shall be published weekly for a period of three consecutive weeks in a newspaper having general circulation in the county or counties where the site is located.

(2) Notice that a proposed remedial action plan has been developed shall be given by first class mail to persons who have requested such notice. Such notice shall state the locations where a copy of the remedial action plan is available for inspection. The Department shall maintain a mailing list of persons who request notice pursuant to this section.
(d) The Secretary may conduct a public meeting to explain the proposed plan and alternatives to the public.
(e) At least 45 days from the latest date on which notice is provided pursuant to subsection (c) of this section shall be allowed for the receipt of written comment on the proposed remedial action plan prior to its approval. If a public hearing is held pursuant to subsection (f) of this section, at least 20 days will be allowed for receipt of written comment following the hearing prior to the approval of the remedial action plan.
(f) If the Secretary determines that significant public interest exists, he shall conduct a public hearing on the proposed plan and alternatives. The Department shall give notice of the hearing at least 30 days prior to the date thereof by:

1. Publication as provided in subdivision (c)(1) of this section, with first publication to occur not less than 30 days prior to the scheduled date of the hearing; and
2. First class mail to persons who have requested notice as provided in subdivision (c)(2) of this section.

(g) The Commission on Health Services shall adopt rules prescribing the form and content of the notices required by this section. The proposed remedial action plan shall include a summary of all alternatives considered in the development of the plan. A record shall be maintained of all comment received by the Department regarding the remedial action plan.

"§ 130A-310.5. Authority of the Secretary with respect to sites which pose an imminent hazard.--(a) An imminent hazard exists whenever the Secretary determines, that there exists a condition caused by an inactive hazardous substance or waste disposal site, including a release or a substantial threat of a release into the environment of a hazardous substance from the site, which is causing serious harm to the public health or environment, or which is likely to cause such harm before a remedial action plan can be developed. Whenever the Secretary determines that an imminent hazard exists he may, in addition to any other powers he may have, without notice or hearing, order any known responsible party to take immediately any action necessary to eliminate or correct the condition, or the Secretary, in his discretion, may take such action without issuing an order. Written notice of any order issued pursuant to this section shall be provided to all persons subject to the order as set out in G.S. 130A-310.3(c). Unless the time required to do so would increase the harm to the public health or the environment, the Secretary shall solicit the cooperation of responsible parties prior to the entry of any such order. The provisions of subdivisions (1) to (3) of G.S. 130A-310.6(a) shall apply to any action taken by the Secretary pursuant to this section, and any

1023
such action shall be considered part of a remedial action program, the cost of which may be recovered from any responsible party.

(b) If a person violates the requirements or schedules in an order issued pursuant to this section, the Secretary may institute an action for injunctive relief, irrespective of all other remedies at law, in the superior court of the county where the violation occurred or where a defendant resides.

(c) The cost of any action by the Secretary pursuant this section may be paid from the Carolina Clean Drinking Water Fund, or the Emergency Hazardous Waste Site Remedial Fund established pursuant to G.S. 130A-306, subject to a later action for reimbursement pursuant to G.S. 130A-310.7.

"§ 130A-310.6. State action upon default of responsible parties or when no responsible party can be located.--(a) Whenever a person ordered to develop and implement an inactive hazardous substance or waste disposal site remedial action program is unable or fails to do so within the time specified in the order, the Secretary may develop and implement or cause to be developed and implemented such a program. The cost of developing and implementing a remedial action program pursuant to this section may be paid from the Carolina Clean Drinking Water Fund, subject to a later action for reimbursement pursuant to G.S. 130A-310.7.

(1) The Department is authorized and empowered to use any staff, equipment or materials under its control or provided by other cooperating federal, State or local agencies and to contract with any agent or contractor it deems appropriate to develop and implement the remedial action program. State agencies shall provide to the maximum extent feasible such staff, equipment, and materials as may be available for developing and implementing a remedial action program.

(2) Upon completion of any inactive hazardous substance or waste disposal remedial action program, any State or local agency that has provided personnel, equipment, or material shall deliver to the Department a record of expenses incurred by the agency. The amount of the incurred expenses shall be disbursed by the Secretary to each such agency. The Secretary shall keep a record of all expenses incurred for the services of State personnel and for the use of the State’s equipment and material.

(3) As soon as feasible or after completion of any inactive hazardous substance or waste disposal site remedial action program, the Secretary shall prepare a statement of all
expenses and costs of the program expended by the State and issue an order demanding payment from responsible parties. Written notice of such an order shall be provided to all persons subject to the order personally or by certified mail. If given by certified mail, notice shall be deemed to have been given on the date appearing on the return of the receipt. If giving of notice cannot be accomplished either personally or by certified mail, notice shall then be given as provided in G.S. 1A-1, Rule 4(j).

(b) If the Secretary, after declaring that an inactive hazardous substance or waste disposal site may endanger the public health or the environment, is unable, after making a reasonable attempt, to locate any responsible party, the Department may develop and implement a remedial action program for the site as provided in subsection (a)(1) and (2) of this section. If responsible parties are subsequently located, the Secretary may issue an order demanding payment from such persons in the manner set forth in subdivision (a)(3) of this section for the necessary expenses incurred by the Department for developing and implementing the remedial action program. If the persons subject to such an order refuse to pay the sum expended, or fail to pay such sum within the time specified in the order, the Secretary shall bring an action in the manner set forth in G.S. 130A-310.7.

§ 130A-310.7. Action for reimbursement: liability of responsible parties.--(a) Notwithstanding any other provision or rule of law, and subject only to the defenses set forth in this subsection, any person who:

(1) discharges or deposits; or
(2) contracts or arranges for any discharge or deposit; or
(3) accepts for discharge or deposit any hazardous substance; the result of which discharge or deposit is the existence of an inactive hazardous substance or waste disposal site, shall be considered a responsible party; except that the following shall not be considered a responsible party: an innocent landowner who is a bona fide purchaser of the inactive hazardous substance or waste disposal site without knowledge or without a reasonable basis for knowing that hazardous substance or waste disposal had occurred or, a person whose interest or ownership in the inactive hazardous substance or waste disposal site is based on or derived from a security interest in the property. A responsible party shall be directly liable to the State for any or all of the reasonably necessary expenses of developing and implementing a remedial action program for such site. The Secretary shall bring an action for reimbursement of the Carolina Clean Drinking Water Fund in the name of the State in the superior
court of the county in which the site is located to recover such sum and the cost of bringing the action. The State must show that a danger to the public health or the environment existed and that the State complied with the provisions of this Part.

(b) There shall be no liability under this section for a person who can establish by a preponderance of the evidence that the danger to the public health or the environment caused by the site was caused solely by:

(1) an act of God; or
(2) an act of war; or
(3) an intentional act or omission of a third party (but this defense shall not be available if the act or omission is that of an employee or agent of the defendant, or if the act or omission occurs in connection with a contractual relationship with the defendant); or
(4) any combination of the above causes.

"§ 130A-310.8. Recordation of inactive hazardous substance or waste disposal sites.—(a) After determination by the Department of the existence and location of an inactive hazardous substance or waste disposal site, the owner of the real property on which the site is located, within 180 days after official notice to him to do so, shall submit to the Department a survey plat of areas designated by the Department which has been prepared and certified by a professional land surveyor, and entitled ‘NOTICE OF INACTIVE HAZARDOUS SUBSTANCE OR WASTE DISPOSAL SITE’. The Notice shall include a legal description of the site that would be sufficient as a description in an instrument of conveyance, shall meet the requirements of G.S. 47-30 for maps and plats, and shall identify:

(1) the location and dimensions of the disposal areas with respect to permanently surveyed benchmarks; and
(2) the type, location, and quantity of hazardous substances disposed of on the site, to the best of the owner’s knowledge.

Where an Inactive Hazardous Substance or Waste Disposal Site is located on more than one parcel or tract of land, a composite map or plat showing all such sites may be recorded.

(b) After the Department approves and certifies the Notice, the owner of the site shall file the certified copy of the Notice in the register of deeds’ office in the county or counties in which the land is located.
(c) The register of deeds shall record the certified copy of the Notice and index it in the grantor index under the names of the owners of the lands.

(d) In the event that the owner of the site fails to submit and file the Notice required by this section within the time specified, the Secretary may prepare and file such Notice. The costs thereof may be recovered by the Secretary from any responsible party. In the event that an owner of a site who is not a responsible party submits and files the Notice required by this section, he may recover the reasonable costs thereof from any responsible party.

(e) When an inactive hazardous substance or waste disposal site is sold, leased, conveyed, or transferred, the deed or other instrument of transfer shall contain in the description section, in no smaller type than that used in the body of the deed or instrument, a statement that the property has been used as a hazardous substance or waste disposal site and a reference by book and page to the recordation of the Notice.

(f) A Notice of Inactive Hazardous Substance or Waste Disposal Site shall be cancelled by the Secretary after the hazards have been eliminated. The Secretary shall send to the register of deeds of the county where the Notice is recorded a statement that the hazards have been eliminated and request that the Notice be cancelled of record. The Secretary’s statement shall contain the names of the landowners as shown in the Notice and reference the plat book and page where the Notice is recorded. The register of deeds shall record the Secretary’s statement in the deed books and index it on the grantor index in the name of the landowner as shown in the Notice and on the grantee index in the name ‘Secretary of the North Carolina Department of Human Resources’. The register of deeds shall make a marginal entry on the Notice showing the date of cancellation and the book and page where the Secretary’s statement is recorded, and the register shall sign the entry. If a marginal entry is impracticable because of the method used to record maps and plats, the register of deeds shall not be required to make a marginal entry.

(g) This section shall apply with respect to any facility, structure, or area where disposal of any hazardous substance or waste has occurred which is undergoing voluntary remedial action pursuant to this Part.

"§ 130A-310.9. Maximum financial responsibility.--(a) No one owner, operator, or other responsible party who voluntarily participates in the implementation of a remedial action program under G.S. 130A-310.3 or G.S. 130A-310.5 may be required to pay in excess of three million dollars ($3,000,000) for the cost of implementing such remedial action program at a single inactive
hazardous substance or waste disposal site. The limitation of liability contained in this section applies only to the cost of implementation of the program and does not apply to the cost of the development of the remedial action plan.

"§ 130A-310.10. Annual reports.--(a) The Secretary shall present an annual report to the General Assembly which shall include at least the following:

1. the Inactive Hazardous Waste Sites Priority List;
2. a list of remedial action plans requiring State funding through the Carolina Clean Drinking Water Fund;

4. a prioritized list of sites that are eligible for remedial action under CERCLA/SARA together with recommended remedial action plans and a comprehensive budget to implement such plans. The budget for implementing a remedial action plan under CERCLA/SARA shall include a statement as to any appropriation that may be necessary to pay the State's share of such plan;
5. a list of sites and remedial action plans undergoing voluntary cleanup with Departmental approval;
6. a list of sites and remedial action plans that may require State funding, a comprehensive budget if implementation of these possible remedial action plans is required, and the adequacy of the Carolina Clean Drinking Water Fund to fund the possible costs of said plans;
7. a list of sites which pose an imminent hazard; and
8. a comprehensive budget to develop and implement remedial action plans for sites that pose imminent hazards and that may require State funding, and the adequacy of the Carolina Clean Drinking Water Fund.

(b) The annual reports required by this section shall be made by the Secretary beginning with the next legislative session following the effective date of this section.

"§ 130A-310.11. Carolina Clean Drinking Water Fund created.--There is established under the control and direction of the Department the Carolina Clean Drinking Water Fund. H.B. 992  CHAPTER 585

AN ACT TO AMEND CHAPTER 159, THE SAME BEING THE LOCAL GOVERNMENT FINANCE ACT, TO AUTHORIZE GENERAL OBLIGATION BONDS AND NOTES TO BE MADE PAYABLE ON DEMAND OR TENDER AND TO BEAR VARIABLE INTEREST RATES, TO PERMIT A DESIGNEE OF THE GOVERNING BOARD OF THE ISSUING UNIT TO APPROVE THE SALE PRICE OF BONDS, TO MAKE CERTAIN AMENDMENTS IN THE PROCEDURE FOR THE SALE OF BONDS, AND TO PERMIT THE SALE OF BONDS AT LESS THAN THE FACE AMOUNT THEREOF.

The General Assembly of North Carolina enacts:

Section 1. Article 4 of Chapter 159 of the General Statutes being the Local Government Bond Act, is amended by adding a new section to read:

"§ 159-79. Variable rate demand bonds and notes.--(a) Notwithstanding any provisions of this Chapter to the contrary, including particularly, but without limitation, the provisions of G.S. 159-65, G.S. 159-123 to G.S. 159-127, inclusive, G.S. 159-130, G.S. 159-138, G.S. 159-162, G.S. 159-164 and G.S. 159-172, a unit of local government, in fixing the details of general obligation bonds to be issued pursuant to this Article or general obligation notes to be issued pursuant to Article 9 of this Chapter, may provide that such bonds or notes

(1) may be made payable from time to time on demand or tender for purchase by the owner provided a Credit Facility supports such bonds or notes, unless the Commission specifically determines that a Credit Facility is not required upon a finding and determination by the Commission that the proposed bonds or notes will satisfy the conditions set forth in G.S. 159-52;

(2) may be additionally supported by a Credit Facility;

(3) may be made subject to redemption prior to maturity, with or without premium, on such notice, at such time or times, at such price or prices and with such other redemption provisions as may be stated in the resolution fixing the details of such bonds or notes or with such variations as may be permitted in connection with a Par Formula provided in such resolution;
(4) may bear interest at a rate or rates that may vary as permitted pursuant to a Par Formula and for such period or periods of time, all as may be provided in such resolution; and

(5) may be made the subject of a remarketing agreement whereby an attempt is made to remarket the bonds to new purchases prior to their presentment for payment to the provider of the Credit Facility or to the issuing unit.

(b) No Credit Facility, repayment agreement, Par Formula or remarketing agreement shall become effective without the approval of the Commission.

(c) As used in this section, the following terms shall have the following meanings:

(1) ‘Credit Facility’ means an agreement entered into by an issuing unit with a bank, savings and loan association or other banking institution, an insurance company, reinsurance company, surety company or other insurance institution, a corporation, investment banking firm or other investment institution, or any financial institution providing for prompt payment of all or any part of the principal (whether at maturity, presentment or tender for purchase, redemption or acceleration), redemption premium, if any, and interest on any bonds or notes payable on demand or tender by the owner issued in accordance with this section, in consideration of the issuing unit agreeing to repay the provider of such Credit Facility in accordance with the terms and provisions of a repayment agreement. A bank may include a foreign bank or branch or agency thereof of the obligations of which bear the highest rating of at least one nationally-recognized rating service and do not bear a rating below the highest rating of any nationally-recognized rating service which rates such particular obligations.

(2) ‘Par Formula’ shall mean any provision or formula adopted by the issuing unit to provide for the adjustment, from time to time, of the interest rate or rates borne by any such bonds or notes so that the purchase price of such bonds or notes in the open market would be as close to par as possible.

(d) If the aggregate principal amount repayable by the issuing unit under a repayment agreement is in excess of the aggregate principal amount of bonds or notes secured by the related Credit Facility, whether as a result of the inclusion in the Credit Facility of a provision for the payment of interest for a limited period of time or the
payment of a redemption premium or for any other reason, then the amount of unissued bonds or notes during the term of such repayment agreement shall not be less than the amount of such excess, unless the payment of such excess is otherwise provided for by agreement of the issuing unit subject to the approval of the Commission. In determining whether or not to grant such approval, the Commission shall consider, in addition to such other factors it may deem relevant, the ability of the issuing unit to pay such excess from other sources without incurring additional indebtedness secured by a pledge of the faith and credit of the issuing unit or levying additional taxes and the adequacy of such other sources to accomplish such purpose.

(e) Any bonds or notes issued pursuant to this section may be sold by the Commission at public or private sale according to such procedures as the Commission may prescribe and at such prices as the Commission determines to be in the best interest of the issuing unit, subject to the approval of the governing board of the issuing unit or one or more persons designated by resolution of the governing board of the issuing unit to approve such prices."

Sec. 2. The first sentence of G.S. 159-65(6) of The Local Government Bond Act is rewritten to read:

"Any bond may be made payable on demand or tender for purchase as provided in G.S. 159-79, and any bond may be made subject to redemption prior to maturity, with or without premium, on such notice and at such time or times and with such redemption provisions as may be stated therein."

Sec. 3. G.S. 159-123(c) of The Local Government Finance Act is rewritten to read:

"(c) When the issuing unit wishes to have a private sale of bonds, the governing board of the issuing unit shall adopt and file with the Commission a resolution requesting that the bonds be sold at private sale without advertisement to any purchaser or purchasers thereof, at such prices as the Commission determines to be in the best interest of the issuing unit, subject to the approval of the governing board of the issuing unit or one or more persons designated by resolution of the governing board of the issuing unit to approve such prices. Upon receipt of a resolution requesting a private sale of bonds, the Commission may offer them to any purchaser or purchasers without advertisement, and may sell them at any price the Commission deems in the best interest of the issuing unit, subject to the approval of the governing board of the issuing unit or the person or persons designated by resolution of the governing board of the issuing unit to approve such prices. For purposes of this subsection, any resolution of the governing board of the issuing unit which designates a person
or persons to approve any price or prices shall also establish a minimum purchase price and a maximum interest rate or maximum interest cost and such other provisions relating to approval as it may determine. Notwithstanding any provisions of this Chapter 159 to the contrary, the bonds may be sold at private sale at not less than ninety-eight percent (98%) of the face value of the bonds plus one hundred percent (100%) of accrued interest.

Sec. 4. The first paragraph of G.S. 159-124 of The Local Government Finance Act is rewritten to read:

"The date of sale shall be fixed by the secretary in consultation with the issuing unit. Prior to the sale date, the secretary shall take such steps as are most likely, in his opinion, to give notice of the sale to all potential bidders within or without this State or the United States of America, taking into consideration the size and nature of the issue."

Sec. 5. G.S. 159-124(3) of The Local Government Finance Act is amended by adding before the period the words: ", which place or places may be within or without this State or the United States of America".

Sec. 6. The first sentence of G.S. 159-125(a) of The Local Government Finance Act is rewritten to read:

"Except for revenue bonds, no bid for less than ninety-eight percent (98%) of the face value of the bonds plus one hundred percent (100%) of accrued interest may be entertained."

Sec. 7. The foregoing sections of this act shall be deemed to provide an additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing.

Sec. 8. Nothing in this act shall be construed to impair the obligation of any bond, note or coupon issued under The Local Government Finance Act and outstanding on the effective date of this act.

Sec. 9. If any provision of this act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Sec. 10. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 9th day of July, 1987.

AN ACT CONFIRMING THE RIGHT OF THE STATE, THE UNIVERSITY OF NORTH CAROLINA AND LOCAL GOVERNMENTAL UNITS AND ANY AGENCY OR INSTRUMENTALITY THEREOF TO ISSUE BONDS OR OTHER OBLIGATIONS THE INTEREST ON WHICH IS OR MAY BE SUBJECT TO FEDERAL INCOME TAXATION.

The General Assembly of North Carolina enacts:

Section 1. It is hereby found, determined and declared that:

(1) from time to time bills have been introduced in the United States Congress providing that the interest on all or certain state and municipal bonds or debt obligations, whether issued by or on behalf of states or local governmental units, be subject to federal income taxation; and

(2) the Tax Reform Act of 1986 requires, in certain circumstances, the inclusion in the gross income of the recipient thereof of interest on bonds or obligations issued by or on behalf of certain state or local governmental units for purposes of federal
income tax which heretofore would have been exempt from federal income taxation.

H.B. 996 CHAPTER 588

AN ACT ESTABLISHING THE NORTH CAROLINA FEDERAL TAX REFORM ALLOCATION COMMITTEE IN RESPONSE TO AND IN THE MANAGEMENT OF FEDERAL RESTRICTIONS ON PRIVATE ACTIVITY BONDS AND LOW-INCOME HOUSING TAX CREDITS.

The General Assembly of North Carolina enacts:

Section 1. Legislative Findings. The General Assembly finds and determines that the Tax Reform Act of 1984 established a federal volume limitation upon the aggregate amount of "private activity bonds" that may be issued by each state; that, pursuant to Section 103(n) of the Internal Revenue Code of 1954, as amended, a previous Governor of North Carolina issued Executive Order 113 proclaiming a formula for allocating the federal volume limitation for North Carolina; that on October 22, 1986, the Tax Reform Act of 1986, hereinafter referred to as the "Tax Reform Act", was enacted; that the Tax Reform Act (i) establishes a new unified limitation for private
activity bonds on a state by state basis, (ii) establishes a new definition of the types of private activity bonds to be included under those new limitations, (iii) establishes a new low-income housing credit to induce the construction of and the improvement of housing for low-income people, and (iv) limits the aggregate use of this low-income housing credit on a state by state basis; that the Tax Reform Act provides for federal formulas for the allocation of these "state by state" resources, and also provides for states which cannot use the federal formula for allocation to set allocation procedures and formulas which are more appropriate for the individual states; that the Tax Reform Act gives authority for the legislature of each state to formulate and execute plans for allocation; and that Section 146 of the Internal Revenue Code of 1986, as amended, and Section 42 of the Internal Revenue Code of 1986, as amended, will require continued inquiry and study in the ways in which North Carolina can best and most fairly manage and utilize resources provided therein.

Sec. 2. North Carolina Federal Tax Reform Allocation Committee. The North Carolina Federal Tax Reform Allocation Committee, hereinafter referred to as the "Committee", is hereby established. The Committee is a continuation of the Interim Private Activity Bond Allocation Committee established under Executive Order 28 and amended under Executive Order 31 and the North Carolina Federal Tax Reform Allocation Committee established under Executive Order 37. The Secretary of the Department of Commerce, the Executive Assistant to the Governor for Budget Management, and the Treasurer of the State of North Carolina shall constitute the membership of this Committee. The Secretary of the Department of Commerce shall serve as Chairman of the Committee.

Sec. 3. Duties. The Committee may perform the following duties:

(1) Manage the allocation of tax exempt private activity bonds and low-income housing credits and receive advice from bond issuers, elected officials, and the General Assembly.

(2) Continue to monitor bond markets, economic development financing trends, housing markets, and tax incentives available to induce events and programs favorable to North Carolina, its cities and counties, and individual citizens.

(3) Continue to study the ways in which North Carolina can best and most fairly manage and utilize the allocation of private activity bonds and low-income housing credits.
(4) Report to the Governor, Lieutenant Governor, and the Speaker of the House of Representatives as requested and on not less than an annual basis.

Sec. 4. Allocation. To provide for the orderly and prompt issuance of private activity bonds there are hereby proclaimed formulas for allocating the unified volume limitation and the state housing credit ceiling. The unified volume limitation for all issues in North Carolina shall be considered as a single resource to be allocated under this act. The Committee shall issue allocations of the unified volume limitation and shall issue allocations of the State Housing Credit Ceiling. The Committee shall set forth procedures for making such allocations and in the making of such allocations shall take into consideration the best interest of the State of North Carolina with regard to the economic development and general prosperity of the people of North Carolina.

AN ACT TO PROVIDE FOR CONFIDENTIALITY OF MEDICAL DATABASE INFORMATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 131E-210(b) reads as rewritten:

"(b) The General Assembly finds that as a result of rising medical care costs and the concern expressed by medical care providers, medical consumers, third-party payers, and health care planners involved with planning for the provision of medical care, there is an urgent need to understand patterns and trends in the use and cost of these services. It is the intent and purpose of this Article to establish an information base to be used to improve the appropriate and efficient usage of medical care services, while at the same time maintaining an acceptable quality of health care services in this State. This is to be accomplished by compiling a uniform set of data and disseminating aggregate data, including but not limited to price and utilization data. It is the intent of the General Assembly to require that the information necessary for a review and comparison of cost, utilization patterns, and quality of medical services be supplied to the Medical Database Commission by all medical care providers and third-party payers both public and private. It is the intent of the General Assembly that any duplication in the collection of medical care data shall be eliminated as recommended by the Medical Database Commission. The information is to be compiled by a statewide clearinghouse and made available in an aggregate form to interested persons, including medical care providers, payors, medical care consumers, and health care planners to improve the decision-making processes regarding access, identified needs, patterns of medical care, price and use of appropriate medical care services. The Commission shall take steps to assure that patient confidentiality shall be protected. However, the limited use of the social security numbers of patients as provided in G.S. 131E-212(b) (5) and (6) and G.S. 131E-213 is vital to insuring the degree of accuracy of the information base contemplated by this Article and to achieve the purposes of the General Assembly in enacting this Article:"

Sec. 2. The first paragraph of G.S. 131E-212 is designated as subsection (a).
Sec. 3. G.S. 131E-212(b) reads as rewritten:

"(b) The Commission may adopt rules after holding required public hearings and complying with the other procedural requirements of Chapter 150A of the General Statutes, governing the acquisition, compilation, and dissemination of all data collected pursuant to this Article. The rules shall provide, at a minimum that:

1. The Commissioner of Insurance shall require all third-party payers, including licensed insurers, medical and hospital service corporations, health maintenance organizations, and self-funded employee health plans to provide to the Commission the claims data, as required by this Article. The data shall be provided in the most useful form possible to the data processor, which may include copies of the UB-82 to report hospital inpatient claims information, datatape, or other electronic media.

2. This data shall include the following: patient's age, sex, zip code, third-party coverage, principal and other diagnoses, date of admission, procedure and discharge date, principal and other procedures, total charges and components of those charges, attending physician identification number, and hospital identification number. In accordance with the findings of the General Assembly set forth in G.S. 131E-210(b), data provided to the Commission may include the patient's social security number but the handling and disclosure of such number shall be in accordance with G.S. 131E-212(b)(5) and (6) and G.S. 131E-213.

3. The Commission shall ensure that adequate measures have been taken to provide system security for all data and information acquired under this Article.

4. The data shall be collected in the most efficient and cost-effective manner and the providers of the data shall be reimbursed for the reasonable cost incurred in providing for the actual data to the Commission as determined by the Commission.

5. The Commission shall develop procedures to assure the confidentiality of patient records. Patient names, addresses, and other personal identifiers patient identifying information shall be omitted from the database. For purposes of this section, the social security numbers of patients shall not be considered to be patient identifying information, although the further dissemination of such numbers shall be governed by the provisions of G.S. 131E-212(b)(6) and G.S. 131E-213.
(6) A data provider may obtain data it has submitted as well as other aggregate data, but it may not access data submitted by another provider and which is limited only to that provider. In no event may a data provider obtain data regarding the social security number of a patient except in instances when that data was originally submitted by the requesting provider. Prior to the release or dissemination of any data, in any form, the Commission shall permit providers an opportunity to verify the accuracy of any information pertaining to the provider.

(7) The Commission shall charge users for the cost of data preparation for information that is beyond the routine data disseminated by the Commission.

(8) Time limits shall be set for the submission and review of data by data providers and penalties shall be established for failure to submit and review the data within the established time."

Sec. 4. G.S. 131E-213 reads as rewritten:

Further, patient identifying information submitted to the Commission which would directly or indirectly identify any patient may not be disclosed by the Commission either voluntarily or in response to any legal process whether federal or State unless authorized by an appropriate court of competent jurisdiction granted after application showing good cause therefor. In assessing good cause the court shall weigh the public interest and the need for disclosure against the injury to the patient, to the physician-patient relationship, and to the treatment services. Upon the granting of such order, the court, in determining the extent to which any disclosure of all or any part of any record is necessary, shall impose appropriate safeguards against unauthorized disclosure."

The Department or its authorized representative shall conduct an on-site inspection of the facility to insure that the violation has been corrected.

2. Where a facility has failed to correct a Type B Violation within the time specified for correction by the Department.
the Department shall assess the facility a civil penalty in the amount of up to two hundred dollars ($200.00) for each day that the deficiency continues beyond the date specified for correction without just reason for such failure. The Department or its authorized representative shall conduct an on-site inspection of the facility to insure that the violation has been corrected.

(3) The Department shall impose a civil penalty which is treble the amount assessed under subdivision (1) or (2) of subsection (a) when a facility under the same management, ownership, or control:
   a. has received a citation and paid a fine, or
   b. has received a citation for which the Department in its discretion granted to it under subdivision (2) of subsection (a) but did not impose a penalty, for violating the same specific provision of a statute or regulation for which it has received a citation during the previous 12 months or within the time period of the previous licensure inspection, whichever time period is longer.

(c) Factors to be considered in determining amount of initial penalty. In determining the amount of the initial penalty to be imposed under this section, the Department shall consider the following factors:
   (1) The gravity of the violation, including the probability that death or serious physical harm to a resident will result or has resulted; the severity of the actual or potential harm, and the extent to which the provisions of the applicable statutes or regulations were violated;
   (2) The reasonable diligence exercised by the licensee and efforts to correct violations;
   (3) The number and type of previous violations committed by the licensee;
   (4) The amount of assessment necessary to insure immediate and continued compliance; and
   (5) The number of patients put at risk by the violation.

(d) The Department shall impose a civil penalty on any facility which refuses to allow an authorized representative of the Department to inspect the premises and records of the facility.

(e) Any facility wishing to contest a penalty shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. One issue at the
administrative hearing shall be the reasonableness of the amount of any civil penalty assessed by the Department. If a civil penalty is found to be unreasonable, the hearing officer may recommend that the penalty be modified accordingly.

(f) The Secretary may bring a civil action in the superior court of the county wherein the violation occurred to recover the amount of the administrative penalty whenever a facility:

(1) Which has not requested an administrative hearing fails to pay the penalty within 60 days after being notified of the penalty; or

(2) Which has requested an administrative hearing fails to pay the penalty within 60 days after receipt of a written copy of the decision as provided in G.S. 150B-36."

Sec. 3. Article 3 of Chapter 131D of the General Statutes is amended by adding a new section at the end to read:

"§ 131D-130. Penalties; remedies.--(a) Violations classified. The Department of Human Resources shall impose an administrative penalty in accordance with provisions of this Article on any facility which is found to be in violation of requirements of G.S. 131D-21 or applicable State and federal laws and regulations. (1) ‘Type A Violation’ means a violation by a facility of the regulations, standards, and requirements set forth in G.S. 131D-21 or applicable State or federal laws and regulations governing the licensure or certification of a facility which creates substantial risk that death or serious physical harm to a resident will occur or where such harm has occurred. Type A Violations shall be abated or eliminated immediately. The Department shall impose a civil penalty in an amount not less than two hundred fifty dollars ($250.00) nor more than five thousand dollars ($5000) for each Type A Violation.

The Department may impose a civil penalty in an amount up to two hundred fifty dollars ($250.00) for each Type B Violation. A citation for a Type B Violation which relates to the physical plant, systems, or equipment of the facility and which causes no harm to a resident of the facility shall
provide 10 days to correct the violation. If such a Type B Violation, that is not a repeat violation as specified in (b)(3) of this section, is corrected within the 10 days, no civil penalty shall be imposed.

(b) Penalties for failure to correct violations within time specified.

(1) Where a facility has failed to correct a Type A Violation, the Department shall assess the facility a civil penalty in the amount of up to five hundred dollars ($500.00) for each day that the deficiency continues. The Department or its authorized representative shall conduct an on-site inspection of the facility to insure that the violation has been corrected.

(2) Where a facility has failed to correct a Type B Violation within the time specified for correction by the Department, the Department shall assess the facility a civil penalty in the amount of up to two hundred dollars ($200.00) for each day that the deficiency continues beyond the date specified for correction without just reason for such failure. The Department or its authorized representative shall conduct an on-site inspection of the facility to insure that the violation has been corrected.

   a. has received a citation and paid a fine, or
   b. has received a citation for which the Department in the discretion granted to it under subdivision (2) of subsection (a) did not impose a penalty, for violating the same specific provision of a statute or regulation for which it received a citation during the previous six months or within the time period of the previous licensure inspection, whichever time period is longer.

(c) Factors to be considered in determining amount of initial penalty. In determining the amount of the initial penalty to be imposed under this section, the Department shall consider the following factors:

(1) The gravity of the violation, including the probability that death or serious physical harm to a resident will result or has resulted; the severity of the actual or potential harm, and the extent to which the provisions of the applicable
statutes or regulations were violated;
(2) The reasonable diligence exercised by the licensee and
efforts to correct violations;
(3) The number and type of previous violations committed by
the licensee;
(4) The amount of assessment necessary to insure immediate
and continued compliance; and
(5) The number of patients put at risk by the violation.

(d) The Department shall impose a civil penalty on any facility
which refuses to allow an authorized representative of the Department
to inspect the premises and records of the facility.
(e) Any facility wishing to contest a penalty shall be entitled to an
administrative hearing as provided in the Administrative Procedure
Act, Chapter 150B of the General Statutes. One issue at the
administrative hearing shall be the reasonableness of the amount of
any civil penalty assessed by the Department. If a civil penalty is
found to be unreasonable, the hearing officer may recommend that the
penalty be modified accordingly.
(f) Notwithstanding the notice requirements of G.S. 131D-26(b),
any penalty imposed by the Department of Human Resources under
this section shall commence on the day the violation began.
(g) The Secretary may bring a civil action in the superior court of
the county wherein the violation occurred to recover the amount of the
administrative penalty whenever a facility:
(1) Which has not requested an administrative hearing fails to
pay the penalty within 60 days after being notified of the
penalty, or
(2) Which has requested an administrative hearing fails to pay
the penalty within 60 days after receipt of a written copy of
the decision as provided in G.S. 150B-36.
(h) The Secretary shall establish a penalty review committee within
the Department."

The General Assembly of North Carolina enacts:

Section 1. Chapter 20 of the General Statutes is amended by adding a new Part to Article 3 to read:

"Part 3A.

"Salvage Titles.

"§ 20-71.2. Declaration of purpose.--The titling of salvage motor vehicles constitutes a problem in North Carolina because members of the public are sometimes misled into believing a motor vehicle has not been damaged by collision, fire, flood, accident, or other cause or that the vehicle has not been altered, rebuilt, or modified to such an extent that it impairs or changes the original components of the motor vehicle. It is therefore in the public interest that the Commissioner of Motor Vehicles issue rules to give public notice of the titling of such vehicles and to carry out the provisions of this Part of the motor vehicle laws of North Carolina.

"§ 20-71.3. Titles and registration cards to be branded.--Motor Vehicle certificates of title and registration cards issued pursuant to G.S. 20-57 shall be branded. As used herein "branded" means that the title and registration card shall contain a designation that discloses if the vehicle is classified as (a) Flood Vehicle, (b) Non-U.S.A. Vehicle, (c) Reconstructed Vehicle, (d) Salvage Motor Vehicle, or (e) Salvage Rebuilt Vehicle or other classification authorized by law. Any motor vehicle which has been branded in another state shall be branded with the nearest applicable brand specified in this section, except that no junk vehicle or vehicle that has been branded junk in another state shall be titled or registered. The Commissioner shall prepare necessary forms and may adopt regulations required to carry out the provisions of this Part 3A. The title shall reflect the branding until surrendered to or cancelled by the Commissioner.
"§ 20-71.4. Failure to disclose damage to a vehicle shall be a misdemeanor.--It shall be unlawful and constitute a misdemeanor for any person to fail to disclose to the transferee prior to transfer that the title and registration of the motor vehicle must be designated as branded or to make an application for or to obtain an unbranded title or registration to a motor vehicle when he knows, or reasonably should know, that a branded title or registration is required."

Sec. 2. G.S. 20-4.01(33) reads as rewritten:

"(33) Reconstructed Vehicles.--Vehicles of a type required to be registered hereunder materially altered from their original construction by the removal, addition, or substitution of essential parts.

(a) Flood Vehicle. A motor vehicle that has been submerged or partially submerged in water to the extent that damage to the body, engine, transmission, or differential has occurred.

(b) Non-U.S.A. Vehicle. A motor vehicle manufactured outside of the United States and not intended by the manufacturer for sale in the United States.

(c) Reconstructed Vehicle. A motor vehicle of a type required to be registered hereunder that has been materially altered from original construction due to removal, addition or substitution of new or used essential parts; and includes glider kits and custom assembled vehicles.

(d) Salvage Motor Vehicle. Any motor vehicle damaged by collision or other occurrence to the extent that the cost of repairs to the vehicle and rendering the vehicle safe for use on the public streets and highways would exceed seventy-five percent (75%) of its fair retail market value, or a motor vehicle that has been declared a total loss by an insurer. Fair market retail values shall be as found in the NADA Pricing Guide Book or other publications approved by the Commissioner.

(e) Salvage Rebuilt Vehicle. A salvage vehicle that has been rebuilt for title and registration.

(f) Junk Vehicle. A motor vehicle which is incapable of operation or use upon the highways and has no resale value except as a source of parts or scrap, and shall not be titled or registered."

Sec. 3. This act shall become effective January 1, 1988.

This exemption shall extend also to any tractor, implement of husbandry, and trailer or semitrailer while on any trip within a radius of 10 miles from the point of loading, provided that the vehicle does not exceed a speed of 35 miles per hour. This section shall not be construed as granting any exemption to farm tractors, implements of husbandry, and trailers or semitrailers which are operated on a for-hire basis, whether money or some other thing of value is paid or given for the use of such tractors, implements of husbandry, and trailers or semitrailers."

In the year of retirement or in the year of death after retirement, payment shall be prorated by the month. Credit for a whole month shall be given for service for at least 15 days of the last month of service. (g) If, for any reason, the fund is insufficient to pay in full any pension benefits, or other charges, then all benefits shall be reduced pro rata, for as long as the deficiency in amount exists. No claim shall accrue with respect to any amount by which a benefit payment has been reduced.

Sec. 4. Intention. It is the intention of Section 3 of this act to authorize the disbursement as supplemental retirement benefits only from the income derived in any calendar year from funds received pursuant to the provisions of Section 2, subsection (c). It is the intention of Section 2 of this act to require that the funds paid into the Supplemental Retirement Fund pursuant to subsections (a) and (c) shall be held in trust, and that no funds paid to the Supplemental Retirement Fund pursuant to subsections (a) and (c) thereof or as a gift, grant, bequest, or donation to such Fund may ever be disbursed except as and when required by Section 2(b).

The Board of Trustees shall pay from the Local Relief Fund the premiums of the bond of the Treasurer.

Sec. 8. None of the provisions of this act shall create a liability for the Tarboro Firemen's Supplemental Retirement Fund unless sufficient current assets are available in the Fund to pay fully for the liability.

AN ACT TO AUTHORIZE GASTON COUNTY TO LEVY A ROOM OCCUPANCY TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Gaston County Board of Commissioners may by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of no more than three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations or to accommodations furnished by any hotel, motel, inn, or similar place that offers to rent fewer than twenty-seven rooms or units.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall,
on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The Board of Commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Use of tax revenue. Gaston County may use the proceeds of an occupancy tax levied under this section for any lawful purpose.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Gaston County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 15th day of July, 1987.
AN ACT TO PERMIT ALL CITIES TO PARTICIPATE IN DOWNTOWN DEVELOPMENT PROJECTS.

Whereas, the federal government, through its Urban Development Action Grant program, has encouraged cities to actively participate in downtown development projects with the private sector; and

Whereas, nationally, public-private cooperation on such projects has become recognized as an extremely valuable technique in revitalizing cities; and

Whereas, a number of cities have received authority under local acts to actively participate with the private sector in downtown development projects; and

Whereas, the experiences of those cities demonstrate the value of such cooperation and the need for the authority to be extended to all cities; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. Chapter 160A of the General Statutes is amended by adding a new section to read:

"§ 160A-458.3. Downtown development projects.—(a) In this section, 'downtown development project' means a capital project in the city's central business district, as that district is defined by the city council, comprising one or more buildings and including both public and private facilities. By way of illustration but not limitation, such a project might include a single building comprising a publicly owned parking structure and publicly owned convention center and a privately owned hotel or office building.

(b) If the city council finds that it is likely to have a significant effect on the revitalization of the central business district, the city may acquire, construct, own, and operate or participate in the acquisition, construction, ownership, and operation of a downtown development project or of specific facilities within such a project. The city may enter into binding contracts with one or more private developers with respect to acquiring, constructing, owning, or operating such a project. Such a contract may, among other provisions, specify the following:

(1) the property interests of both the city and the developer or developers in the project, provided that the property interests of the city shall be limited to facilities for a public purpose;
(2) the responsibilities of the city and the developer or developers for construction of the project;

(3) the responsibilities of the city and the developer or developers with respect to financing the project.

Such a contract may be entered into before the acquisition of any real property necessary to the project.

(c) A downtown development project may be constructed on property acquired by the developer or developers, on property directly acquired by the city, or on property acquired by the city while exercising the powers, duties, and responsibilities of a redevelopment commission pursuant to G.S. 160A-505 or G.S. 160A-456.

(d) In connection with a downtown development project, the city may convey interests in property owned by it, including air rights over public facilities, as follows:

(1) If the property was acquired while the city was exercising the powers, duties, and responsibilities of a redevelopment commission, the city may convey property interests pursuant to the ‘Urban Redevelopment Law’ or any local modification thereof.

(2) If the property was acquired by the city directly, the city may convey property interests pursuant to G.S. 160A-457, and Article 12 of Chapter 160A of the General Statutes does not apply to such dispositions.

(3) In lieu of conveying the fee interest in air rights, the city may convey a leasehold interest for a period not to exceed 99 years, using the procedures of subparagraphs (1) or (2) of this subsection, as applicable.

(e) The contract between the city and the developer or developers may provide that the developer or developers shall be responsible for construction of the entire downtown development project. If so, the contract shall include such provisions as the city council deems sufficient to assure that the public facility or facilities included in the project meet the needs of the city and are constructed at a reasonable price. A project constructed pursuant to this paragraph is not subject to Article 8 of Chapter 143 of the General Statutes, provided that city funds constitute no more than fifty percent (50%) of the total costs of the downtown development project. Federal funds available for loan to private developers in connection with a downtown development project shall not be considered city funds for purposes of this subsection.

(f) Operation. The city may contract for the operation of any public facility or facilities included in a downtown redevelopment project by a person, partnership, firm or corporation, public or private. Such a contract shall include provisions sufficient to assure that any such facility or facilities are operated for the benefit of the
citizens of the city.

(g) Grant funds. To assist in the financing of its share of a downtown development project, the city may apply for, accept and expend grant funds from the federal or State governments."

Sec. 2. This act shall not apply to the municipalities located in Buncombe County.

Sec. 3. This act is effective upon ratification but shall not affect pending litigation.

In the General Assembly read three times and ratified this the 15th day of July, 1987.

Sec. 4. G.S. 105-163.02 is amended by deleting subdivisions (1) through (7) and subdivisions (9) and (10) of that section.

Sec. 5. G.S. 105-277(i) is repealed.

Sec. 6. Effective January 1, 1989, G.S. 105-277A is rewritten to read:

"§ 105-277A. Reimbursement for exclusion of retailers’ and wholesalers’ inventories.--(a) The Secretary of Revenue shall reimburse taxing units for the property tax exclusion provided for retailers’ and wholesalers’ inventories as provided in this section. On or before January 15, 1989, the governing body of each county and city shall furnish to the Secretary a list of all the inventories owned by retailers and wholesalers that were taxed in 1987 by the county or city under this Subchapter. The list shall contain the value of the inventories taxed as well as the property tax rates in effect in the county or city
for the eight years from 1980 through 1987. The list shall also contain the property tax rates in effect for those years in each special district or unit of government for which the county or city collected taxes in 1987 but whose tax rates were not included in the rates listed for the county or city, and the value of the inventories taxed in that district or unit. The list shall be accompanied by an affidavit attesting to the accuracy of the list and shall be on a form prescribed by the Secretary.

The Secretary shall calculate an average rate for each county and city, and for each special district or unit of government whose tax rates were not included in the tax rates of a county or city, as the arithmetic mean of the property tax rates in effect in the county, city, district, or unit for eight years from 1980 through 1987.

Within 60 days after receiving a certified list as required by this subsection, the Secretary shall pay to each county its per capita share of the sum of thirteen million two hundred thirty thousand dollars ($13,230,000) plus an amount equal to the greater of the following:

(1) The county’s per capita share of the sum of thirty-nine million dollars ($39,000,000); or

(2) The total of the county average rate multiplied by eighty percent (80%) of the value of the inventories owned by retailers and wholesalers that were taxed in 1987 by the county, plus the city average rate for each city in the county multiplied by eighty percent (80%) of the value of the inventories that were taxed in 1987 by the city plus the average rate for each special district or unit of government for which the county or a city in the county collected taxes in 1987, but whose tax rates were not included in the county or city’s rates, multiplied by eighty percent (80%) of the value of the inventories owned by retailers and wholesalers that were taxed in 1987 in the district or unit, minus two and one-half percent (2.5%) of the total distribution received by the county under G.S. 105-472, 105-486, 105-493, 105-501, and Chapter 1096 of the 1967 Session Laws between September 1, 1987, and June 30, 1988, plus or minus the percentage of this sum that equals the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce.

Each year thereafter, as soon as practicable after January 1, the Secretary of Revenue shall distribute to each county the amount it received the previous year.
In making the per capita calculations under this subsection, the Secretary shall use the most recent annual population estimates certified by the State Budget Officer.

Amounts allocated to a county under this section shall in turn be divided and distributed between the county and the taxing units located in the county in proportion to the total amount of ad valorem taxes levied by each during the fiscal year preceding the distribution. For the purpose of computing the distribution for any year with respect to which the property valuation of a public service company is the subject of an appeal and the Department of Revenue is restrained by law from certifying the valuation to the appropriate counties and cities, the Department shall use the latest property valuation of that public service company that has been certified.

The governing body of each county and city shall report to the Secretary of Revenue such information as he may request in order to make the distribution under this section. If a county or city fails to make a requested report within the time prescribed, the Secretary may disregard that county or city and the other taxing units in the county or city in making the distribution.

(b) As used in this section, the term ‘taxing unit’ means a unit that levied a property tax or for which another unit collected a property tax for the fiscal year beginning July 1 of the year preceding the date a distribution is made under this section.

(c) The Secretary of Revenue shall pay for the distribution required by this section and the cost of making the distribution as follows:

(1) For the distribution made in 1989, the Secretary shall draw an amount equal to the amount distributed and the cost of making the distribution first from the Inventory Tax Reimbursement Fund created in Section 15.1 of the School Facilities Finance Act of 1987, until it is exhausted, and then the remainder of that amount from collections received by the Department under Division I of Article 4 of this Chapter.

(2) For distributions made in subsequent years, the Secretary shall charge the collections received by the Department under Division I of Article 4 of this Chapter with an amount equal to the amount distributed and the cost of making the distribution."

Sec. 7. Effective January 1, 1989, Article 12 of Chapter 105 of the General Statutes is amended by inserting a new section to read:

"§ 105-275.1. Reimbursement for exclusion of manufacturers’ inventories.--(a) Initial Distribution. On or before January 15, 1989, the governing body of each county and each city shall furnish to the
Secretary a list of all the inventories owned by manufacturers that were taxed in 1987 by the county or city under this Subchapter. The list shall contain the value of the inventories taxed as well as the property tax rates in effect in the county or city for the eight years from 1980 through 1987. The list shall also contain the property tax rates in effect for those years in each special district or unit of government for which the county or city collected taxes in 1987 but whose tax rates were not included in the rates listed for the county or city, and the value of the inventories taxed in that district or unit. The list shall be accompanied by an affidavit attesting to the accuracy of the list and shall be on a form prescribed by the Secretary.

Within 60 days after receiving a certified list as required by this subsection, the Secretary shall pay to each county and city an amount equal to the county or city average rate, as provided below, multiplied by the value of the inventories owned by manufacturers that were taxed in 1987 by the county or city, plus or minus the percentage of this product that equals the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce.

Within 60 days after receiving a certified list as required by this subsection, the Secretary shall also pay to each county and city an amount equal to the average rate, as provided below, for each special district or unit of government for which the county or city collected taxes in 1987, but whose tax rates were not included in the county or city’s rates, multiplied by the value of the inventories owned by manufacturers that were taxed in 1987 in the district or unit.

The Secretary shall calculate an average rate for each county and city, and for each special district or unit of government whose tax rates were not included in the tax rates of a county or city, as the arithmetic mean of the property tax rates in effect in the county, city, district, or unit for the eight years from 1980 through 1987.

Of the funds received by each county and city pursuant to this subsection, the portion that was received because the county or city was collecting taxes for another special district or unit of government (either because the district or unit’s tax rate was included in the city or county’s rate or because the Secretary paid the county or city the product of the district or unit’s average rate and the value of the inventories in the district or unit) shall be distributed among the districts and units in the county or city in accordance with regulations issued by the Local Government Commission. This distribution shall
be made as soon as practicable after the city or county receives funds under this subsection.

(b) Subsequent Distributions. Thereafter, as soon as practicable after January 1 of each year, the Secretary shall distribute to each county and city the amount it received under this section the preceding year. As soon as practicable after receiving funds under this subsection, every county and city shall distribute among the special districts and units of government for which the county or city collects tax an amount equal to the amount it distributed among such districts and units the previous year. This distribution shall be in accordance with regulations issued by the Local Government Commission.

(c) Use. Funds received by a county, city, special district, or other unit of government under this section may be used for any lawful purpose.

(d) 'City' Defined. As used in this section, the term 'city' has the same meaning as in G.S. 153A-1(1).

(e) Source of Funds. To pay for the distribution required by this section and the cost to the Department of Revenue of making the distribution, the Secretary of Revenue shall charge the collections received by the Department under Division I of Article 4 of Chapter 105 with an amount equal to the amount distributed and the cost of making the distribution."

Sec. 8. G.S. 105-130.3 reads as rewritten:

"§ 105-130.3. Corporations.--Every corporation doing business in this State shall pay annually an income tax equivalent to six percent (6%)—seven percent (7%) of its net income or the portion thereof allocated and apportioned to this State.

The net income or net loss of such corporation shall be the same as 'taxable income' as defined in the Code subject to the adjustments provided in G.S. 105-130.5.

If the entire business of the corporation is done within this State or if the corporation is not taxable in another state within the meaning of subsection (b) of G.S. 105-130.4, the tax shall be measured by the entire net income of the corporation for the income year.

If the business of the corporation is taxable both within and without this State, its entire net income or net loss shall be allocated and apportioned in accordance with the provisions of G.S. 105-130.4."

Sec. 9. G.S. 105-163.6(c1) reads as rewritten:

"(c1) Notwithstanding any of the other provisions of this section, every employer required to deduct and withhold under the provisions of G.S. 105-163.2 an average of three thousand dollars ($3,000)—five
hundred dollars ($500.00) or more per month during the preceding calendar year (or during so much of such year as he paid wages) and every employer who begins paying wages during a calendar year and whose liability to deduct and withhold under G.S. 105-163.2 can reasonably be expected to average three thousand dollars ($3,000) five hundred dollars ($500.00) or more per month in that calendar year, shall make returns and pay over to the Secretary each month the amounts required to be withheld under G.S. 105-163.2. Returns and payments to the Secretary by such employers shall be made on or before the fifteenth day of the month following the month for which such amounts were required to be withheld from the wages of employees; except that the returns and payments for the month of December shall be made on or before the 31st day of the following month.

When an employer has become subject to the requirements of this subsection, he shall continue to make returns and payments to the Secretary on that basis. However, an employer required under the provisions of this subsection to file monthly returns who, in a later calendar year, is required to deduct and withhold under G.S. 105-163.2 an average of less than three thousand dollars ($3,000) five hundred dollars ($500.00) per month may make application to the Secretary for authority to use the quarterly basis for filing and making payments. Such authority, when granted, shall be in writing, shall commence on a date set by the Secretary, and shall continue until the Secretary, in the exercise of his discretion, shall revoke it in writing, effective on a date set by him."

Sec. 10. G.S. 105-164.21 is repealed.

Sec. 11. G.S. 105-502(a) reads as rewritten:

"§ 105-502. Use of additional tax revenue by counties.--(a) Except as provided by subsection (b) of this section, revenue received by a county under this Article shall be subject to the following restrictions:

(1) Sixty percent (60%) of the revenues received by the county during the first two fiscal years in which the tax is in effect;

(2) Fifty percent (50%) of the revenues received by the county during the next two fiscal years;

(3) Forty percent (40%) of the revenues received by the county during the next four fiscal years;

(4) Thirty percent (30%) of the revenues received by the county during the next two fiscal years; and

(5) Twenty percent (20%) of the revenues received by the county during the next fiscal year."
Sixty percent (60%) of the revenue received by a county under this Article during the first 11 fiscal years in which the tax is in effect may be used by the county only for public school capital outlay purposes or to retire any indebtedness incurred by the county for these purposes during the period beginning five years prior to the date the taxes took effect."

Sec. 12. Chapter 115C of the General Statutes is amended by adding a new Article to Subchapter IX to read:
"Article 38A.
"Public School Building Capital Fund.
"§ 115C-546.1. Creation of Fund; administration.--(a) There is created the Public School Building Capital Fund. The Fund shall be used to assist county governments in meeting their public school building capital needs.
(b) Beginning September 1, 1987, and each month thereafter through June 30, 1988, the Secretary of Revenue shall deposit with the State Treasurer in the Public School Building Capital Fund one-seventh (1/7) of the corporate income tax net collections received during the previous month by the Department of Revenue under Division I of Article 4 of Chapter 105 of the General Statutes. Beginning July 1, 1988, the Secretary of Revenue shall, on a quarterly basis, deposit with the State Treasurer in the Public School Building Capital Fund an amount equal to two million five hundred thousand dollars ($2,500,000) less than one-fourteenth (1/14) of the corporate income tax net collections received during the previous quarter by the Department of Revenue under Division I of Article 4 of Chapter 105 of the General Statutes. All funds deposited in the Public School Building Capital Fund shall be invested as provided in G.S. 147-69.2 and G.S. 147-69.3.
(c) The Fund shall be administered by the Office of State Budget and Management.
"§ 115C-546.2. Allocations from the Fund; uses; expenditures; reversion to General Fund; matching requirements.--(a) Monies in the Fund shall be allocated to the counties on a per average daily membership basis according to the average daily membership for the budget year as determined and certified by the State Board of Education. Interest earned on funds allocated to each county shall be allocated to that county.
(b) Monies in the Fund shall be used for the construction, reconstruction, enlargement, improvement, repair, or renovation of public school buildings and for the purchase of land for public school buildings. As used in this section, ‘public school buildings’ only includes facilities for individual schools that are used for instructional
and related purposes and does not include centralized administration, maintenance, or other facilities.

In the event a county finds that it does not need all or part of the funds allocated to it for the construction, reconstruction, enlargement, improvement, repair, or renovation of public school buildings or for the purchase of land for public school buildings, the unneeded funds allocated to that county may be used to retire any indebtedness incurred by the county for public school facilities.

(c) Monies in the Fund shall be matched on the basis of one dollar of local funds for every three dollars of State funds. Revenue received from local sales and use taxes that is restricted for public school capital outlay purposes pursuant to G.S. 105-502, 105-494, or 105-487 may be used to meet the local matching requirement.

The Secretary shall, prior to February 1, 1988, deposit with the State Treasurer in the Critical School Facility Needs Fund, an amount equal to that estimate. These funds shall be drawn from individual income tax net collections received by the Department of Revenue under Division II of Article 4 of Chapter 105 of the General Statutes.

The Secretary of Revenue shall, on or before February 1, 1988, deposit with the State Treasurer in the Critical School Facility Needs Fund the sum of forty million dollars ($40,000,000). (c) The Fund shall be administered by the State Board of Education. Monies in the Fund shall be used only for the purposes specified in this Article.

§ 115C-489.2. Grants from the fund.--(a) The board of education and the boards of county commissioners of the county in which the local school administrative unit is located in whole or in part shall apply jointly for a grant from the Fund to meet a particular critical need in the local school administrative unit. Grants may be made only for projects that meet the statewide school facility minimum standards adopted by the State Board of Education pursuant to G.S. 115C-489.3.

The application shall contain information on how the critical need for which funds are requested would be met and how much State money is required for the project. The application shall also include an analysis of the school facility needs of the county and a long-range plan for meeting those needs.

At the request of a board of county commissioners or a local board of education, the State Board of Education shall provide technical assistance in facility planning to a local school administrative unit and a county preparing an application for a grant from the Fund.

(b) The Commission on School Facility Needs shall make grants from the Fund to the counties which it determines, according to the following criteria, have the greatest critical school facility needs in relation to resources available to pay for school facility needs:

(1) The critical school facility needs in the county, as determined by the Commission on School Facility Needs pursuant to G.S. 115C-489.4. (Until the Commission issues a final report on critical school facility needs in the counties, the Commission shall use the preliminary report.)

(2) Ability to pay as measured by:
   a. the per pupil adjusted property tax base in the county. The per pupil adjusted property tax base in the county is the property tax base in the county adjusted using the sales tax assessment ratio study performed by the Department of Revenue, and
   b. the per capita income of the county.

(b) Prior to June 1, 1988, the State Board of Education shall adopt statewide school facility minimum standards to define what constitutes adequate facilities, furniture, equipment, apparatus, and spaces. The State Board of Education shall provide a process for justifying deviations from the adopted standards. The State Board of Education shall report quarterly to the Joint Legislative Commission on Governmental Operations, until the standards are adopted, as to the Board’s progress in developing standards. These standards shall be used by the Commission on School Facility Needs to make its final report on critical school facility needs in each county.

"§ 115C-489.4. Commission on School Facility Needs.--(a) There is created the Commission on School Facility Needs. The Commission shall be located administratively in the Department of Public Education but shall exercise all its prescribed statutory powers independently of the State Board of Education and the Department of Public Instruction.

The Commission shall use the interim statewide school facility minimum standards adopted by the State Board of Education pursuant to G.S. 115C-489.3(a) in determining the amount of critical needs in each county.
CHAPTER 622  Session Laws — 1987

(2) Prior to March 1, 1989, the Commission on School Facility Needs shall make a final report to the State Board of Education and the General Assembly on the total amount of school facility needs in each county. This report shall include a determination of which needs are critical. The Commission shall use the statewide school facility minimum standards adopted by the State Board of Education pursuant to G.S. 115C-489.3(b) in determining the amount of needs and critical needs in each county.

(c) The State Board of Education shall allocate the sum of two hundred thousand dollars ($200,000) from the Critical School Facility Needs Fund to the Commission on School Facility Needs for the work of the Commission."

The amounts withheld shall be deposited in the Inventory Tax Reimbursement Fund to be distributed in accordance with G.S. 105-277A.

Sec. 16. This act does not affect the rights or liabilities of the State, a taxpayer, or other person arising under a statute amended or repealed by this act before its amendment or repeal; nor does it affect the right to any refund or credit of a tax that would otherwise have been available under the amended or repealed statute before its amendment or repeal.

CHAPTER 629

AN ACT TO PROVIDE FOR A SINGLE LICENSE SYSTEM FOR INSURANCE AGENTS, BROKERS, AND ADJUSTERS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 58 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 45.

"Licensing of Agents, Brokers, Limited Representatives, and Adjusters.

"§ 58-610. Scope.--This Article governs the qualifications and procedures for the licensing of agents, brokers, limited representatives, adjusters, and motor vehicle damage appraisers. This Article applies to any and all kinds of insurance and insurers under Chapters 57, 57B, and this Chapter of the General Statutes. Except as provided in G.S. 58-634, this Article does not apply to the licensing of surplus lines licensees under Article 36 of this Chapter. For purposes of this Article, all references to insurance include annuities, unless the context otherwise requires.

"§ 58-611. Definitions.--As used in this Article, the following definitions apply:

(a) ‘Agent’ means a person licensed to solicit applications for, or to negotiate a policy of, insurance. A person not duly licensed who solicits or negotiates a policy of insurance on behalf of an insurer is an agent within the intent of this Article, and thereby becomes liable for all the duties, requirements, liabilities and penalties to which an agent of such company is subject, and such company by compensating such person through any of its officers, agents or employees for soliciting policies of insurance shall thereby accept and acknowledge such person as its agent in such transaction.

(b) ‘Adjuster’ means any individual who, for salary, fee, commission, or other compensation of any nature, as an independent contractor, as an employee of an independent contractor, as an employee of an insurer, or as an adjuster for any insured, investigates or reports to his principal relative to claims arising under insurance
contracts other than life or annuity. An attorney at law who adjusts insurance losses from time to time incidental to the practice of his profession or an adjuster of marine losses is not deemed to be an adjuster for purposes of this Article. An individual may not simultaneously hold an agent’s and an adjuster’s license in this State.

(c) ‘Broker’ means a person who, being a licensed agent, procures insurance for a party other than himself through a duly authorized agent of an insurer that is licensed to do business in this State but for which the broker is not authorized to act as agent. A person not duly licensed who procures insurance for a party other than himself is a broker within the intent of this Article, and thereby becomes liable for all the duties, requirements, liabilities and penalties to which such licensed brokers are subject.

(d) ‘Limited representative’ means a person who is authorized by the Commissioner to solicit or negotiate contracts for the particular kinds of insurance identified in G.S. 58-614(d) and which kinds of insurance are restricted in the scope of coverage afforded.

(e) ‘Motor vehicle damage appraiser’ means an individual who, for salary, fee, commission, or other compensation of any nature, as an independent contractor or as an employee of an independent contractor, regularly investigates or advises relative to the nature and amount of damage to motor vehicles located in this State or the amount of money deemed necessary to effect repairs thereto and who is not:

1. An adjuster licensed to adjust insurance claims in this State;
2. An agent for an insurance company who is not required by law to be licensed as an adjuster;
3. An attorney at law who is not required by law to be licensed as an adjuster; or
4. An individual who, incident to his regular employment in the business of repairing defective or damaged motor vehicles, investigates and advises relative to the nature and amount of motor vehicle damage or the amount of money deemed necessary to effect repairs thereto.

§ 58-612. Restricted license for overseas military agents.--Notwithstanding any other provision of this Article, an individual may be licensed by the Commissioner as a foreign military sales agent to represent a life insurance company domiciled in this State, provided the agent represents the insurance company only in a foreign country or territory and either on a United States military installation or with United States military personnel. The Commissioner may, upon request of the insurance company on application forms furnished by
the Commissioner and upon payment of the fee specified in G.S. 58-634, issue to the applicant a restricted license which will be valid only for the representation of the insurance company in a foreign country or territory and either on a United States military installation or with United States military personnel. The insurance company shall certify to the Commissioner that the applicant has the necessary training to hold himself out as a life insurance agent, and that the insurance company is willing to be bound by the acts of the applicant within the scope of his employment. A restricted license issued under this section shall be renewed annually as provided in G.S. 58-614(m).

"§ 58-613. Representation.--(a) Every agent or limited representative who solicits or negotiates an application for insurance of any kind, in any controversy between the insured or his beneficiary and the insurer, is regarded as representing the insurer and not the insured or his beneficiary. This provision does not affect the apparent authority of an agent.

(b) Every broker who solicits an application for insurance of any kind, in any controversy between the insured or his beneficiary and the insurer issuing any policy upon such application, is regarded as representing the insured or his beneficiary and not the insurer; except any insurer that directly or through its agents delivers in this State to any insurance broker a policy of insurance pursuant to the application or request of such broker, acting for an insured other than himself, is deemed to have authorized such broker to receive on its behalf payment of any premium that is due on such policy of insurance at the time of its issuance or delivery.

"§ 58-614. General license requirements.--(a) No person shall act as or hold himself out to be an agent, broker, limited representative, adjuster, or motor vehicle damage appraiser unless duly licensed.

(b) No agent, broker, or limited representative shall make application for, procure, negotiate for or place for others, any policies for any kinds of insurance as to which he is not then qualified and duly licensed.

(c) An agent or broker may be licensed for the following kinds of insurance:

(1) Life, Accident and Health Insurance
(2) Accident and Health Insurance
(3) Fire and Casualty Insurance
(4) Hospital Service
(5) Title Insurance
(6) Dental Service
(7) Automobile Physical Damage
Any person who holds a valid license on February 1, 1988, which grants authority to act as an agent for the kinds of insurance described in this subsection shall be issued the equivalent agents' license for such kinds of insurance.

(d) A fire and casualty insurance license shall not authorize an agent or broker to sell accident and health insurance. An agent or broker must hold a life, accident and health insurance license or an accident and health insurance license to sell accident and health insurance.

(e) A limited representative may receive qualification for one or more licenses without examination for the following kinds of insurance:
   (1) Variable Contracts
   (2) Ocean Marine
   (3) Credit Life, Accident and Health
   (4) Credit
   (5) Travel Accident and Baggage
   (6) Motor Club

(f) No licensed agent, broker or limited representative shall solicit anywhere in the boundaries of this State, or receive or transmit an application or premium of insurance, for a company not authorized to do business in the State, except as provided in Article 36 of this Chapter.

(g) No agent shall place a policy of insurance with any insurer unless he has a current appointment as agent for the insurer, in accordance with G.S. 58-617:

(h) A partnership or corporation that negotiates or solicits insurance may be licensed as an agent, broker, or limited representative provided that it maintains a place of business in this State. Every member of the partnership and every officer, director, stockholder, and employee of the corporation personally engaged in this State in soliciting or negotiating policies of insurance shall be registered with the Commissioner and each such member, officer, director, stockholder or employee shall also qualify as an individual licensee. The partnership or corporate licensee shall within 30 days notify the Commissioner of any addition to or deletion from the list of registered individuals.

(i) The Commissioner shall not grant, renew, or continue any license if he finds that the license is being or will be used by the licensee or applicant for the purpose of writing controlled business. Controlled business means:
   (1) Insurance written on the interests of the licensee or of his immediate family or of his employer: or
(2) Insurance covering himself; members of his immediate family; a corporation or partnership of which he or a member of his immediate family is an officer, director, substantial stockholder, partner, or employee; or the officers, directors, substantial stockholders, partners or employees of such a corporation or partnership; provided, however, that nothing in this subsection applies to insurance written in connection with credit transactions.

(3) Such a license shall be deemed to have been, or intended to be, used for the purpose of writing controlled business, if the Commissioner finds that during any 12-month period the aggregate commissions earned from such controlled business have exceeded fifty percent (50%) of the aggregate commissions earned on all business written by such applicant or licensee during the same period.

(j) No insurer, agent, broker, or limited representative shall pay, directly or indirectly, any commission, brokerage or other valuable consideration to any person for services as an agent, broker, or limited representative within this State, unless such person at the time such services were performed held a valid license for that kind of insurance and appropriate company appointments as required by this Article for such services.

(k) Only agents who are duly licensed with appropriate company appointments, licensed brokers, or licensed limited representatives may accept, directly or indirectly, any commission, brokerage, or other valuable consideration: Provided, however, any individual duly appointed and licensed under this Article may pay his commissions or assign his commissions, or direct that his commissions be paid, to a partnership of which he is a member, employee, or agent, or to a corporation of which he is an officer, employee, or agent; provided further that this section does not prevent payment or receipt of renewal or other deferred commissions to or by any person entitled thereto under this section.

(l) The license shall state the name and Social Security or other identifying number of the licensee, date of issue, kind or kinds of insurance covered by the license, and such other information as the Commissioner deems to be proper.

(m) A license issued to an agent authorizes him to act until his license is otherwise suspended or revoked. Upon the suspension or revocation of a license, the licensee or any person having possession of such license shall return it to the Commissioner. An agent’s license automatically terminates after a period of one year during which no appointment of such agent was in effect.
A license of a broker, limited representative, adjuster, or motor vehicle damage appraiser shall be renewed on April 1st of each year and renewal fees shall be paid. The Commissioner is not required to print licenses for the purpose of renewing licenses. The Commissioner is authorized to establish for such licenses ‘staggered’ license renewal dates that will apportion renewals throughout each calendar year. If such a system of staggered licensing is adopted, the Commissioner is authorized to extend the licensure period for some licensees. License renewal fees prescribed by G.S. 58-634 shall be prorated to the extent they are commensurate with such extensions.

No license as an agent, broker, or limited representative is required of the following:

1. Any regular salaried officer or employee of an insurance company, of a licensed agent, of a broker, or of a limited representative, if such officer’s or employee’s duties and responsibilities do not include the negotiation or solicitation of insurance.

2. Persons who secure and furnish information on behalf of an employer, where no commission is paid for such service, for the purpose of group or wholesale life insurance, annuities, or group, blanket or franchise health insurance; or for enrolling individuals under such plans or issuing certificates thereunder; or otherwise assisting in administering such plans.

3. Employers or their officers or employees, or the trustees of any employee trust plan, to the extent that such employers, officers, employees, or trustees are engaged in the administration or operation of any program of employee benefits for their own employees or the employees of their subsidiaries or affiliates involving the use of insurance issued by a licensed insurance company; provided that such employers, officers, employees, or trustees are not in any manner compensated, directly or indirectly, by the insurance company issuing such insurance.

4. Agency office employees acting within the confines of the agent’s office, under the direction and supervision of the duly licensed agent and within the scope of such agent’s license, in the acceptance of requests for insurance and payment of premiums and the performance of clerical, stenographic, and similar office duties.
(5) Licensed insurers authorized to write the kinds of insurance described in G.S. 58-72(1) through G.S. 58-72(3) that do business without the involvement of a licensed agent.

"§ 58-615. License requirements.--The Commissioner shall not issue or continue any license of an agent, broker, limited representative, adjuster, or motor vehicle damage appraiser except as follows:

(a) Application. Application shall be made to the Commissioner by the applicant on a form prescribed by the Commissioner.

(b) Age. Every individual applicant for license under this Article must be 18 years or more of age.

(c) Character. An applicant for any license under this Article must be deemed by the Commissioner to be competent, trustworthy and financially responsible, and must have not willfully violated the insurance laws of this or any other state.

(d) Education and Training.

(1) Each applicant must have had special education, training, or experience of sufficient duration and extent reasonably to satisfy the Commissioner that the applicant possesses the competence necessary to fulfill the responsibilities of an agent, broker, limited representative, adjuster, or motor vehicle damage appraiser.

(2) All individual applicants for licensing as life, accident and health agents or as fire and casualty agents shall furnish evidence satisfactory to the Commissioner of successful completion of at least 40 hours of instruction, which shall in all cases include the general principles of insurance and any other topics that the Commissioner establishes by regulation; and which shall, in the case of life, accident and health insurance applicants, include the principles of life insurance and, in the case of fire and casualty insurance applicants, shall include instruction in fire and casualty insurance. Any applicant who submits satisfactory evidence of having successfully completed an agent training course that has been approved by the Commissioner and that is offered by or under the auspices of a fire and casualty or life insurance company admitted to do business in this State or a professional insurance association shall be deemed to have satisfied the educational requirements of this subdivision. The requirement in this subdivision for completion of 40 hours of instruction applies only to applicants for life, accident and health or fire and casualty
insurance licenses.

(e) Examination.

(1) After completion and filing of the application with the Commissioner, except as provided in G.S. 58-616, the Commissioner shall require each applicant for license as an agent, adjuster, or motor vehicle damage appraiser to take a written examination as to his competence to be licensed. The applicant must take and pass the examination according to requirements prescribed by the Commissioner.

(2) The Commissioner may require any licensed agent, adjuster, or motor vehicle damage appraiser to take and successfully pass an examination in writing, testing his competence and qualifications as a condition to the continuance or renewal of his license, if the licensee has been found guilty of any violation of any provision of this Chapter or Chapters 57 or 57B of the General Statutes. If an individual fails to pass such an examination, the Commissioner shall revoke all licenses issued in his name and no license shall be issued until such individual has passed an examination as provided in this Article.

(3) Each examination shall be as the Commissioner prescribes and shall be of sufficient scope to test the applicant’s knowledge of:
   a. The terms and provisions of the policies or contracts of insurance he proposes to effect; or
   b. The types of claims or losses he proposes to adjust; and
   c. The duties and responsibilities of such a license; and
   d. The current laws of this State applicable to such a license.

(4) The answers of the applicant to any such examination shall be written by the applicant under the Commissioner’s supervision. The Commissioner shall give examinations at such times and places within this State as he deems necessary reasonably to serve the convenience of both the Commissioner and applicants: Provided that the Commissioner is authorized to contract directly with persons for the processing of examination application forms and for the administration and grading of the examinations required by this section; the Commissioner is authorized to charge a reasonable fee not to exceed thirty-five dollars ($35.00), in addition to the
registration fee charged under G.S. 58-634, to offset the cost of the examination contract authorized by this subsection; and such contracts shall not be subject to Article 3 of Chapter 143 of the General Statutes.

(5) The Commissioner shall collect in advance the examination and registration fees provided in G.S. 58-634 and in subsection (4) of this section. The Commissioner shall make or cause to be made available to all applicants, for a reasonable fee to offset the costs of production, materials that he deems necessary for the applicants' proper preparation for such exams. The Commissioner is empowered to contract directly with publishers and other suppliers for the production of such preparatory materials, and contracts so let by the Commissioner shall not be subject to Article 3 of Chapter 143 of the General Statutes.

(f) Brokers.

(1) Bond. Prior to issuance of a license as a broker, the applicant shall file with the Commissioner and thereafter, for as long as the license remains in effect, shall keep in force a bond in favor of the State of North Carolina for the use of aggrieved parties in the sum of not less than fifteen thousand dollars ($15,000), executed by an authorized corporate surety approved by the Commissioner. The aggregate liability of the surety for any and all claims on any such bond shall in no event exceed the sum thereof. The bond shall be conditioned on the accounting by the broker (i) to any person requesting the broker to obtain insurance for moneys or premiums collected in connection therewith, (ii) to any licensed insurer or agent who provides coverage for such person with respect to any such moneys or premiums, and (iii) to any association of insurers under any plan or plans for the placement of insurance under the laws of North Carolina which afforded coverage for such person with respect to any such moneys or premiums. No such bond shall be terminated unless at least 30 days' prior written notice thereof is given by the surety to the licensee and the Commissioner. Upon termination of the license for which the bond was in effect, the Commissioner shall notify the surety within 10 business days.

(2) Other Requirements. An applicant must hold a valid agent's license at the time of application for the broker's
license and throughout the duration of the broker’s license. A broker’s license shall be issued to cover only those kinds of insurance authorized by his agent’s license. Suspension or revocation of the agent’s license shall cause immediate revocation of the broker’s license.

(g) Denial of License. If the Commissioner finds that the applicant has not fully met the requirements for licensing, he shall refuse to issue the license and notify in writing the applicant and the appointing insurer, if any, of such denial, stating the grounds therefor.

(h) Resident-Nonresident Licenses. The Commissioner shall issue a resident or nonresident license to an agent, broker, limited representative, adjuster, or motor vehicle damage appraiser as follows:

1. Resident.

An individual may qualify for a license as a resident if he resides in this State. Any license issued pursuant to an application claiming residency in this State shall be void if the licensee, while holding a resident license in this State, also holds or makes application for a resident license in, or thereafter claims to be a resident of, any other state, or ceases to be a resident of this State; provided, however, if the applicant is a resident of a county in another state, the border of which county is contiguous with the state line of this State, the applicant may qualify as a resident for licensing purposes in this State.

2. Nonresident.

a. An individual may qualify for a license under this Article as a nonresident if he holds a like license in another state or territory of the United States. An individual may qualify for a license as a nonresident motor vehicle damage appraiser or a nonresident adjuster if the applicant’s state of residency does not offer such licenses and such applicant meets all other requirements for licensure of a resident. A license issued to a nonresident of this State shall grant the same rights and privileges afforded a resident licensee, except as provided in subsection (i) of this section.

b. A nonresident of this State may be licensed without taking an otherwise required written examination if the Commissioner of the state of the applicant’s residence certifies, by facsimile signature and seal, that the applicant has passed a similar written examination or has been a continuous holder, prior to the time such written examination was required, of a license like the license being applied for in this State.
c. Notwithstanding other provisions of this Article, no new bond shall be required for a nonresident broker if the Commissioner is satisfied that an existing bond covers his insurance business in this State.

d. Process Against Nonresident Licensees.
1. Each licensed nonresident agent, broker, adjuster, limited representative, or motor vehicle damage appraiser shall by the act of acquiring such license be deemed to appoint the Commissioner as his attorney to receive service of legal process issued against the agent, broker, adjuster, limited representative, or motor vehicle damage appraiser in this State upon causes of action arising within this State.
2. The appointment shall be irrevocable for as long as there could be any cause of action against the nonresident arising out of his insurance transactions in this State.
3. Duplicate copies of such legal process against such nonresident licensee shall be served upon the Commissioner either by a person competent to serve a summons, or through registered mail. At the time of such service the plaintiff shall pay to the Commissioner a fee of five dollars ($5.00), taxable as costs in the action to defray the expense of such service.
4. Upon receiving such service, the Commissioner or his duly appointed deputy shall within three business days send one of the copies of the process, by registered or certified mail, to the defendant nonresident licensee at his last address of record as filed with the Commissioner.
5. The Commissioner shall keep a record of the day and hour of service upon him of all such legal process. No proceedings shall be had against the defendant nonresident licensee, and such defendant shall not be required to appear, plead or answer until the expiration of 40 days after the date of service upon the Commissioner.

e. If the Commissioner revokes or suspends any nonresident's license through a formal proceeding under this Article, he shall promptly notify the appropriate Commissioner of the licensee's residence of such action and of the particulars thereof.
(i) Retaliatory Provision. Whenever, by the laws or regulations of any other state or jurisdiction, any limitation of rights and privileges, conditions precedent, or any other requirements are imposed upon residents of this State who are nonresident applicants or licensees of such other state or jurisdiction in addition to, or in excess of, those imposed on nonresidents under this Article, the same such requirements shall be imposed upon such residents of such other state or jurisdiction.

(j) Reciprocity Provision. To the extent that other states that provide for the licensing and regulation of and payment of commissions to agents, limited representatives, or brokers, waive restrictions on the basis of reciprocity with respect to North Carolina licensees holding nonresident licenses in such states, all such restrictions on licensees from such states holding North Carolina nonresident licenses shall be waived.

"§ 58-616. Exemption from examination.--The following are exempt from the requirement for a written examination:

(1) Any applicant for a license covering the same kind or kinds of insurance for which the applicant was licensed under a like license in this State, other than a temporary license, within the 24 months next preceding the date of application, unless such previous license was revoked, suspended, or not continued by the Commissioner.

(2) An applicant who has been licensed under a like license in another state within 24 months prior to his application for a license in this State, and who files with the Commissioner the certificate of the public official having supervision of insurance in such other state as to the applicant’s license and good standing in such state.

(3) An applicant who has attained the designation of Chartered Life Underwriter (CLU), Chartered Financial Consultant (ChFC), Life Underwriter Training Council Fellow (LUTCF) or Fellow of Life Management Institute (FLMI), shall be exempt from the examination for licenses in G.S. 58-614(c)(1) and (2).

(6) Applicants for license as agents for companies or associations specified in G.S. 58-124.28.

"§ 58-617. Appointment of agents.—(a) No individual who holds a valid insurance agent’s license issued by the Commissioner shall, either directly or for an insurance agency, solicit, negotiate, or
otherwise act as an agent for an insurer by which the individual has not been appointed.

(b) Any insurer authorized to transact business in this State may appoint as its agent any individual who holds a valid agent’s license issued by the Commissioner. Upon the appointment, the individual shall be authorized to act as an agent for the appointing insurer for all kinds of insurance for which the insurer is authorized in this State and for which the appointed agent is licensed in this State, unless specifically limited.

(c) Within 30 days the insurer shall file in a form prescribed by the Commissioner the names, addresses, and other information required by the Commissioner for its newly-appointed agents.

(d) Every insurer shall remit in a manner prescribed by the Commissioner the appointment fee specified in G.S. 58-634 for each appointed agent.

(e) An appointment shall continue in effect as long as the appointed agent is properly licensed and the appointing insurer is authorized to transact business in this State. unless the appointment is cancelled. A copy shall be provided to the agent by the insurer.

(f) Prior to April 1 of each year, every insurer shall remit in a manner prescribed by the Commissioner the renewal appointment fee specified in G.S. 58-634.

(g) Any agent license in effect on February 1, 1988, shall be deemed to be an appointment for the unexpired term of that license.

(h) No insurer shall accept an insurance application from an individual who is not currently appointed by the insurer.

"§ 58-618. Denial, suspension, revocation, or nonrenewal of licenses and appointments.--(a) The Commissioner may suspend, revoke, or refuse to issue or renew any license issued under this Article if, after notice to the licensee or applicant and hearing in accordance with the provisions of Article 3A of Chapter 150B, he finds as to the licensee any one or more of the following conditions:

(1) Any untrue material statement in the license application;

(2) Any cause for which issuance of the license could have been refused had it then existed and been known to the Commissioner at the time of issuance;

(3) Violation of, or noncompliance with, any insurance laws, or of any lawful rule, or order of the Commissioner or of a

(12) The person has forged another's name to an application for insurance; or
(13) The person has cheated on an examination for an insurance license.

(b) Notwithstanding the notice and hearing requirements of subsection (a) of this section, if the Commissioner finds that the public health, safety, or welfare requires emergency action and incorporates this finding in his order, summary suspension of a license may be ordered effective on the date specified in the order or on service of the certified copy of the order at the last known address of the licensee, whichever is later, and effective during the proceedings to suspend, revoke, or refuse renewal provided for in subsection (a) of this section. The proceedings shall be promptly commenced and determined.

(c) In the event that the action by the Commissioner is to deny or not renew an application for a license, he shall notify the applicant or licensee and advise, in writing, the applicant or licensee of the reasons for the denial or nonrenewal of the license. Within 30 days of receipt of notification the applicant or licensee may make written demand upon the Commissioner for a hearing to determine the reasonableness of the Commissioner's action. Such hearing shall be scheduled within 30 days from the date of receipt of the written demand by the applicant and shall be held pursuant to the provisions of Article 3A of Chapter
150B.

(d) For the purposes of investigation under this section, the Commissioner shall have all the power conferred upon him by G.S. 58-44.4.

(e) The license of a partnership or corporation may be suspended, revoked, not continued, or refused if the Commissioner finds, after hearing, that an individual licensee’s violation was known or should have been known by one or more of the partners, officers, or managers acting on behalf of the partnership or corporation and such violation was not reported to the Commissioner nor corrective action taken in relation thereto.

(f) Upon the filing for protection under the United States Bankruptcy Code by any person licensed under this Article, or by any insurance agency in which such licensed person holds a position of employment, management or ownership, such person shall notify the Commissioner of the filing for protection within three business days after the filing. Upon the appointment of a receiver by a court of this State for any person licensed under this Article, or for any insurance agency in which such licensed person holds a position of employment, management or ownership, such person shall notify the Commissioner of the appointment within three business days thereafter. The willful failure to notify the Commissioner within three business days after the filing for protection or the appointment of a receiver shall, after hearing, cause the license of any person failing to make such notification to be suspended for a period of not less than 60 days nor more than three years, in the discretion of the Commissioner.

(g) If the Commissioner refuses to grant a license, or suspends, or revokes a license, any appointment of such applicant or licensee shall likewise be revoked. No individual whose license is revoked shall be issued another license without first complying with all requirements of this Article.

(h) The provisions of G.S. 58-9.7 apply to any person subject to licensure under this Article.

(i) No person shall be issued a license or appointment to enter the employment of any agency or person, which agency or person is at that time found by the Commissioner to be in violation of any of the insurance laws of this State, or which has been in any manner disqualified under the laws of this State to engage in the insurance business.

"§ 58-619. Surrender, loss or destruction of license.--(a) The Commissioner shall notify all appointing insurers, where applicable, and the licensee regarding any suspension, revocation, or nonrenewal

(c) Any licensee who ceases to maintain his residency in this State as defined in G.S. 58-615 shall deliver his insurance license or licenses to the Commissioner by personal delivery or by mail within 30 days after terminating said residency.

(d) The Commissioner may issue a duplicate license for any lost, stolen, or destroyed license issued pursuant to this Article upon a written request from the licensee and payment of appropriate fees.

"§ 58-620. Cancellation reports.—(a) If a licensee's appointment or license is cancelled by the insurer or other employer, such insurer or employer shall give written notice of the cancellation and the effective date thereof to the Commissioner within 30 days, and to the licensee where reasonably possible. The Commissioner may require the insurer to demonstrate that the insurer has made a reasonable effort to give such notice to the licensee. Nothing in this subsection affects any cancellation provisions in any contract between a licensee and an insurer or other employer.

(b) All such notices of cancellation shall be filed within 30 days in such form prescribed by the Commissioner stating the date of such cancellation.

(c) In the event the cancellation is for any of the causes listed under G.S. 58-618, the insurer shall so notify the Commissioner. The contents of such notification shall be deemed to be privileged in any civil action between the reporting insurer and the terminated licensee.

"§ 58-621. Countersignature and related laws.—Subject to the retaliatory provisions of G.S. 58-615(i), there shall be no requirement that a licensed resident agent or broker must countersign, solicit, transact, take, accept, deliver, record, or process in any manner an application, policy, contract, or any other form of insurance on behalf of a nonresident agent or broker or an authorized insurer; or share in the payment of commissions, if any, related to such business.

"§ 58-622. Temporary licensing.—(a) The Commissioner may issue a temporary license as an agent, broker, or limited representative for a period without requiring an examination if the Commissioner deems that such temporary license is necessary for the servicing of insurance business in the following cases:
(1) To the surviving spouse or next of kin, or to the administrator or executor or employee thereof, of such deceased licensee or to the spouse, next of kin, employee, or legal guardian of such licensee who becomes disabled;

(3) To the designee of a licensee entering active service in the armed forces of the United States of America; or

(4) To an applicant for licensing who is appointed as an agent of a life insurer that writes debit or industrial life or health insurance.

(b) To be eligible for any such temporary license, an individual must be qualified as for a permanent license except as to experience, training or the taking of the examination.

(c) No temporary license shall be effective for more than 90 days in any 12-month period and shall automatically terminate upon such temporary licensee's failing the examination required in G.S. 58-615.

(d) An individual requesting a temporary license on account of death or disability of an agent or broker shall be licensed to represent only those insurers that had appointed such agent at the time of death or commencement of disability.

(e) The fee paid to the Commissioner for issuance of a temporary license shall be credited toward the fee required for a permanent license that is issued to replace the temporary license.

"§ 58-623. Special provisions for adjusters and motor vehicle damage appraisers.--(a) It shall be unlawful and cause for revocation of license for a licensed adjuster to engage in the practice of law.

(b) On behalf and on request of an insurer by which he is appointed or for which he is licensed, any agent or limited representative may from time to time act as an adjuster and investigate and report upon claims without being required to be licensed as an adjuster, provided: In no event may any agent or limited representative adjust any losses in any amount where his remuneration for the sale of insurance is in any way dependent upon the adjustment of such losses.

(c) Upon the filing of the application for the license as adjuster and the advance payment of the examination fee and upon the filing with the Commissioner of a certificate signed by the employer of the applicant certifying that the applicant is an individual of good character and is employed by the signer of the certificate and will operate as a
student or learner under the instruction and general supervision of a licensed adjuster, and that the employer will be responsible for the adjustment acts of the learner during the learning period, the Commissioner may issue to the applicant a learner’s permit authorizing the applicant to act as an adjuster for a learning period of 90 days without a requirement of any other or additional license; provided that not more than one learner permit shall ever be issued to one individual.

(d) No license shall be required of an adjuster licensed as such in another state for the adjustment in this State of a single loss, or of losses arising out of a catastrophe common to all such losses; provided that such adjuster notifies the Commissioner in writing prior to the adjusting of such loss or losses.

(e) The Commissioner may permit an experienced adjuster, who regularly adjusts in another state and who is licensed in such other state (if such state requires a license), to act as an adjuster in this State without a North Carolina license, for emergency insurance adjustment work, for a period of not exceeding 30 days, done for an employer who is an adjuster licensed by this State or who is a regular employer of one or more adjusters licensed by this State; provided that the employer shall furnish to the Commissioner a notice in writing immediately upon the beginning of any such emergency insurance adjustment work.

(f) The Commissioner may permit an experienced motor vehicle damage appraiser who is regularly appraising in another state and who is licensed in such other state (if such state requires a license) to act as a motor vehicle damage appraiser in this State without a North Carolina license for emergency motor vehicle damage appraisal work for a period not exceeding 30 days done for an employer who notifies the Commissioner, in writing, at the beginning of the period of emergency appraisal work and who is:

1. An insurance adjuster licensed by this State;
2. A motor vehicle damage appraiser licensed by this State;
3. A regular employer of one or more insurance adjusters licensed by this State; or
4. A regular employer of one or more motor vehicle damage appraisers licensed by this State.

§ 58-624. ‘Twisting’ with respect to insurance policies defined; penalties.--Any licensee who shall engage in ‘twisting’, as defined in this section, shall be subject to the provisions of G.S. 58-618 and G.S. 58-9.7. As used in this section ‘twisting’ means the willful, material misrepresentation of an insurance contract, whereby an insured is deceived and induced to cancel or terminate insurance in force to such insured’s detriment.
"§ 58-625. Discrimination forbidden.--No agent or representative of any company doing the business of insurance as defined in G.S. 58-72 shall make any discrimination in favor of any person.

"§ 58-626. Rebates and charges in excess of premium prohibited.--(a) No agent, broker or limited representative shall knowingly charge, demand or receive a premium for any policy of insurance except in accordance with the applicable filing approved by the Commissioner of Insurance. No agent, broker or limited representative shall pay, allow, or give, or offer to pay, allow, or give, directly or indirectly, as an inducement to insurance, or after insurance has been effected, any rebate, discount, abatement, credit, or reduction of the premium named in a policy of insurance, or any special favor or advantage in the dividends or other benefits to accrue thereon, or any valuable consideration or inducement whatever, not specified in the policy of insurance. No insured named in a policy of insurance, nor any employee of such insured, shall knowingly receive or accept, directly or indirectly, any such rebate, discount, abatement or reduction of premium, or any special favor or advantage or valuable consideration or inducement. Nothing herein contained shall be construed as prohibiting the payment of commissions or other compensation to duly licensed agents, brokers and limited representatives, nor as prohibiting any participating insurer from distributing to its policyholders dividends, savings or the unused or unabsorbed portion of premiums and premium deposits. As used in this section the word 'insurance' includes suretyship and the word 'policy' includes bond.

(b) No agent, broker, or limited representative shall knowingly charge to or demand or receive from an applicant for insurance any money or other consideration in return for the processing of applications or other forms or for the rendering of services associated with the issuance or renewal of a contract of insurance, which money or other consideration is in addition to the filed and approved premium for such contract, unless the applicant consents in writing before any services are rendered.

"§ 58-627. Rebate of premiums on credit life and credit accident and health insurance: retention of funds by agent.--It shall be unlawful for any insurance carrier, or officer, agent or representative of an insurance company writing credit life and credit accident and health insurance, as defined in G.S. 58-195.2 and G.S. 58-254.8, or combination credit life, accident and health, hospitalization and disability insurance in connection with loans, to permit any agent or representative of such company to retain any portion of funds received
for the payment of losses incurred, or to be incurred, under such policies of insurance issued by such company, or to pay, allow, permit, give or offer to pay, allow, permit or give, directly, or indirectly, as an inducement to insurance, or after insurance has been effected, any rebate, discount, abatement, credit or reduction of the premium, to any loan agency, insurance agency or broker, or to any creditor of the debtor on whose account the insurance was issued, or to any person, firm or corporation which received a commission or fee in connection with the issuance of such insurance: Provided, that this section shall not prohibit the payment of commissions to a licensed insurance agent or agency or limited representative on the sale of a policy of credit life and credit accident and health insurance, or combination credit life, accident and health, hospitalization and disability insurance in connection with loans.

It shall be unlawful for any agent, agency, broker, limited representative, or insured named in any such policy, or for any loan agency or broker, or any agent, officer or employee of any loan agency or broker to receive or accept, directly or indirectly, any such rebate, discount, abatement, credit or reduction of the premium as set out in this section.

"§ 58-628. Agents personally liable: representing unlicensed company prohibited; penalty.--Any person representing an insurer is personally liable on all contracts of insurance unlawfully made by or through him, directly or indirectly, for any company not authorized to do business in the State. A person or citizen of the State who fills up or signs any open policy, certificate, blank or coupon of, or furnished by, an unlicensed company, agent, broker or limited representative, the effect of which is to bind any insurance in an unlicensed company on property in this State, is the representative of such company, and personally liable for all licenses and taxes due on account of such transaction. If any person shall unlawfully solicit, negotiate for, collect or transmit a premium for a contract of insurance or act in any way in the negotiation or transaction of any unlawful insurance with an insurance company not licensed to do an insurance business in North Carolina, he shall be guilty of a misdemeanor and upon conviction shall pay a fine of not less than one thousand dollars ($1,000) nor more than two thousand dollars ($2,000) or be imprisoned for not less than one nor more than two years, or both, at the discretion of the court.

"§ 58-629. Payment of premium to agent valid; obtaining by fraud a crime.--Any agent, broker or limited representative who acts for a person other than himself negotiating a contract of insurance is, for the purpose of receiving the premium therefor, the company's agent,
whatever conditions or stipulations may be contained in the policy or contract. Such agent, broker or limited representative knowingly procuring by fraudulent representations payment, or the obligation for the payment, of a premium of insurance, shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than one thousand dollars ($1,000) nor more than five thousand dollars ($5,000) or by imprisonment for not more than one year, or both, in the discretion of the court.

"§ 58-630. False statements in applications for insurance.--If any agent, examining physician, applicant, or other person shall knowingly or willfully make any false or fraudulent statement or representation in or with reference to any application for insurance, or shall make any such statement for the purpose of obtaining any fee, commission, money or benefit from any company engaged in the business of insurance in this State, he shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not less than one thousand dollars ($1,000) nor more than five thousand dollars ($5,000) or by imprisonment for not less than 30 days nor more than one year, or both, in the discretion of the court. This section shall also apply to contracts and certificates issued under General Statutes Chapters 57 and 57B.

"§ 58-631. Agents signing certain blank policies.--Any agent or limited representative who signs any blank contract or policy of insurance is guilty of a misdemeanor and, upon conviction, shall be punished by a fine of not less than one thousand dollars ($1,000) nor more than five thousand dollars ($5,000); provided, however, that transportation ticket policies of accident insurance and baggage insurance policies may be countersigned in blank for issuance only through coin-operated machines, subject to regulations prescribed by the Commissioner.

"§ 58-632. Adjuster acting for unauthorized company.--If any person shall act as adjuster on a contract made otherwise than as authorized by the laws of this State, or by any insurance company or other person not regularly licensed to do business in this State, or shall adjust or aid in the adjustment, either directly or indirectly, of a claim arising under a contract of insurance not authorized by the laws of the State, he shall be deemed guilty of a misdemeanor and shall, upon conviction, be fined not less than one thousand dollars ($1,000) nor more than five thousand dollars ($5,000), or imprisoned not less than six months nor more than two years, or both, in the discretion of the court.
"§ 58-633. Agent, adjuster, etc., acting without a license or violating insurance law.—If any person shall assume to act either as principal, agent, broker, limited representative, adjuster or motor vehicle damage appraiser without license as is required by law or pretending to be a principal, agent, broker, adjuster or licensed motor vehicle damage appraiser, shall solicit, examine or inspect any risk, or shall examine into, adjust, or aid in adjusting any loss, investigate or advise relative to the nature and amount of damages to motor vehicles or the amount necessary to effect repairs thereto, or shall receive, collect, or transmit any premium of insurance, or shall do any other act in the soliciting, making or executing any contract of insurance of any kind otherwise than the law permits, or as principal or agent shall violate any provision of law contained in this Chapter, the punishment for which is not elsewhere provided for, he shall be deemed guilty of a misdemeanor, and on conviction shall pay a fine or not less than one thousand dollars ($1,000) nor more than five thousand dollars ($5,000), or be imprisoned for not less than one nor more than two years, or both, at the discretion of the court.

license.

(c) Any person not registered who is required by law or administrative rule to secure a license shall, upon application for registration, pay to the Commissioner a fee of ten dollars ($10.00). Sec. 2. G.S. 104E-5(9a) is rewritten to read:

L. 99-240, 99 Stat. 1842, 42 U.S.C. 2021b et seq. and other waste, including waste containing naturally occurring and accelerator produced radioactive material, which is not regulated by the United States Nuclear Regulatory Commission or other agency of the federal government and which is determined to be low-level radioactive waste by the North Carolina Radiation Protection Commission."

Sec. 3. G.S.104E-5(9b) is rewritten to read:

"(9b) 'Low-level radioactive waste facility' means a facility for the storage, collection, processing, treatment, recycling, recovery, or disposal of low-level radioactive waste."

Sec. 4. G.S. 104E-5(9c) is rewritten to read:

"(9c) 'Low-level radioactive waste disposal facility' means any low-level radioactive waste facility or any portion of such facility, including land, buildings, and equipment, which is used or intended to be used for the disposal of low-level radioactive waste on or in land in accordance with rules promulgated under this Chapter."

Sec. 5. G.S. 104E-6.1 is amended by substituting the word "disposal" for the word "landfill" in the title and in the first sentence of subsection (a).

Sec. 9. G.S. 104E-19(b) is amended by substituting the word "disposal" for the word "landfill" in the first sentence.
Sec. 10. G.S. 104E-20 is amended by rewriting the catch line to read:
"Prohibited uses and facilities."; and is further amended by designating the existing paragraph as subsection (a) and adding a new subsection (b) to read:
"(b) Shallow land burial is prohibited."

Sec. 11. Chapter 104E of the General Statutes is amended by adding a new section to read:
"§ 104E-25. Performance objectives, technical requirements and design criteria applicable to low-level radioactive waste disposal facilities; engineered barriers.--(a) As used in this section, the term 'Part 61' means Title 10, Code of Federal Regulations Part 61 in effect on 1 January 1987. Unless a different meaning is required by definitions generally applicable to this Chapter or by the context, terms defined or used in Part 61 shall have the same meaning in this section as in Part 61.

(b) The Commission shall adopt rules for low-level radioactive waste disposal facilities which incorporate and are consistent with the performance objectives and technical requirements set out in Subparts C and D of Part 61. In the event that Part 61 is amended, the Commission shall amend its rules at least to the extent necessary to maintain the State's status as an agreement state. The Commission may adopt rules which exceed the requirements of applicable federal statutes and regulations.

(c) Low-level radioactive waste disposal facilities shall incorporate engineered barriers for all waste classifications. The Commission shall specify minimum design criteria for engineered barriers. Different engineered barrier design criteria may be specified for different waste classifications. In the event that a single disposal unit is used for the disposal of wastes having more than one waste classification, the engineered barrier employed shall be that specified for the highest waste classification in the disposal unit.

(d) Engineered barriers shall be designed and constructed to complement and, where appropriate, improve the ability of the disposal facility to meet the performance objectives of this section. The site for a low-level radioactive waste disposal facility shall meet all hydrogeological and other criteria and standards applicable to disposal site suitability as though engineered barriers were not required. Engineered barriers shall not substitute for a suitable site or compensate for any deficiency in a site.
(e) Engineered barriers shall be designed and constructed of materials having physical and chemical properties so as to provide reasonable assurance that the barriers will maintain their functional integrity under all reasonably foreseeable conditions for at least the institutional control period. To the maximum extent possible, engineered barriers shall be chemically nonreactive with waste, waste containers and surrounding soil. Engineered barriers shall not detract from the ability of the disposal facility to meet the performance objectives adopted by the Commission under this Chapter. The Commission shall determine the appropriate design life of engineered barriers, which may exceed the institutional control period; however no reliance may be placed on engineered barriers beyond the end of the institutional control period.

(f) Disposal units and the incorporated engineered barriers shall be designed and constructed to meet the following objectives:

(1) Prevention of the migration of water into the disposal unit.
(2) Prevention of the migration of waste or waste contaminated water out of the disposal unit.
(3) Detection of water and other fluids in the disposal unit.
(4) Temporary collection and retention of water and other liquids for a time sufficient to allow for their detection and removal or other remedial measures without contamination of groundwater or surrounding soil.
(5) Facilitation of remedial measures without disturbing other disposal units.
(6) Facilitation of recovery of waste, other than Class A waste, in the packing or container in which the waste was placed for disposal.
(7) Reasonable assurance that waste will be isolated for at least the institutional control period.
(8) Prevention of contact between waste and the surrounding earth, except for earth that may be used as fill within the disposal unit.

(g) The term ‘container’ means any portable device into which waste is placed for storage, transportation, treatment, disposal, or other handling and includes the first enclosure which encompasses the waste. All waste shall be packed in containers for disposal. The Commission shall adopt standards for the design and construction of containers for disposal which are consistent with applicable federal standards. Standards for containers may vary for different types and classifications of waste. The standards for disposal containers may supplement or duplicate any of the requirements for engineered barriers set out in this section; however the requirements for engineered barriers are separate and cumulative, and engineered
barriers and containers may not substitute for or replace one another.

(h) Waste shall be converted into a form for disposal which is as chemically stable, nonreactive, and physically stable as can be reasonably achieved, as determined by the Commission, taking into consideration costs and available technology. All liquid waste shall be solidified prior to disposal.

(i) In adopting rules specifying performance objectives, technical requirements, and design criteria and standards for a low-level radioactive waste disposal facility, the Commission shall consider the possibility of unforeseen differences between expected and actual performance of the facility. The Commission shall consider best available technology and costs.

(j) The Commission shall require that the bottom of a low-level radioactive waste disposal facility shall be at least seven feet above the seasonal high water table. The Commission shall require additional separation wherever necessary to adequately protect the public health and the environment."

Relocated amusement devices shall be inspected upon reassembly at each new location within this State; provided that the Commissioner may provide for less frequent inspections when he determines that the device is of such a type and its use is of such a nature that inspection less often than upon each reassembly would not expose the public to an unsafe condition likely to result in serious personal injury or property damage;".

(a) Any tax levied under this act is due and payable to the county in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by Johnston County. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

(b) Any person, firm, corporation, or association failing or refusing to file the return required by this act shall pay a penalty of ten dollars ($10.00) for each day's omission.

(c) In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due, in addition to the penalty prescribed in subsection (b), with an additional tax of five percent (5%) for each additional month or fraction thereof until the occupancy tax is paid.
(d) Any person who willfully attempts in any manner to evade the tax imposed by this act or to make a return or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both.

This tax shall be collected as part of the charge for the furnishing of any taxable accommodations. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of Johnston County. The tax levied pursuant to this act shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all affected businesses in Johnston County the necessary forms for filing returns and instructions to ensure the collection of the tax.

AN ACT AUTHORIZING THE STATE AND LOCAL GOVERNMENTAL UNITS AND ALL AGENCIES AND INSTRUMENTALITIES OF EITHER TO ISSUE CAPITAL APPRECIATION REVENUE, SPECIAL OBLIGATION AND GENERAL OBLIGATION BONDS, THE PROCEEDS OF WHICH MAY BE USED BY THE PURCHASER FOR HIGHER EDUCATION AND OTHER NEEDS.

The General Assembly of North Carolina enacts:

Section 1. It is hereby found, determined, and declared that:
1. From time to time it may be advantageous for the State and The University of North Carolina, and any agency and instrumentality of either thereof (the "State") and any county, city, town, special district, authority or other political subdivision and any agency and local instrumentality of any thereof ("local governmental unit") to issue revenue, special obligation and general obligation bonds at a substantial discount ("capital appreciation bonds" as hereinafter defined) and on which all or a portion of the interest thereon is deferred and paid at the maturity or redemption thereof;
2. Capital appreciation bonds are sometimes known as zero coupon bonds, compound interest bonds, municipal multiplier bonds, capital accumulator bonds and, as such, are sometimes attractive to purchasers thereof in that the value of capital appreciation bonds will increase over the years, based upon an internal compounding of interest, in whole or in part, without requiring an owner thereof to reinvest any such interest so compounded;
3. The purchase of capital appreciation bonds may assist parents in paying the cost of higher education for children which will occur at a time substantially in the future; and
4. It is desirable to facilitate the issuance and purchase of capital appreciation bonds in circumstances where it is in the best interests of the State and local governmental units and the inhabitants thereof.

Sec. 2. The State and local governmental units are hereby authorized to issue capital appreciation bonds pursuant to the provisions of The State and Local Government Revenue Bond Act and to the extent that the provisions of said act are inconsistent with the issuance of such bonds. such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.

Sec. 3. Local governmental units are hereby authorized to issue capital appreciation bonds pursuant to the provisions of The Local Government Bond Act and to the extent that the provisions of said act
are inconsistent with the issuance of such bonds, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.

Sec. 4. The State is hereby authorized to issue capital appreciation bonds pursuant to the provisions of applicable law and to the extent that the provisions of such law are inconsistent with the issuance of such bonds, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.

Sec. 5. The State and local governmental units are hereby authorized to issue capital appreciation bonds pursuant to the provisions of any law hereafter enacted, including laws enacted at the same session of the General Assembly at which this act is enacted, and to the extent that the provisions of such laws are inconsistent with the issuance of such bonds and provided such provisions are not expressly contrary, such inconsistent provisions are hereby amended to the extent of such inconsistency so as to permit the issuance of such bonds.

Sec. 6. For purposes of this act, the term "capital appreciation bonds" means any bond or bonds sold, at public or private sale, at a price substantially less, as conclusively determined by the issuer thereof, than the principal amount thereof and compounded interest thereon payable at maturity, but only if such bond or bonds are designated as capital appreciation bonds within the meaning of this act by the proceedings of the issuer thereof providing for the issuance of such bonds. For purposes of calculating the aggregate principal amount of bonds within the meaning of any constitutional or statutory limitation on the incurrence of debt, the aggregate principal amount of any capital appreciation bonds shall be the aggregate of the initial offering prices at which such bonds are offered for sale to the public, including private or negotiated sales, or sold to the initial purchaser thereof in a private placement, in either case without reduction to reflect underwriters' discount or placement agents' or other intermediaries' fees.

The proceedings providing for the issuance of any such bonds may provide for the issuance of terms bonds or serial bonds, or both, the establishment of sinking funds for or the redemption of term bonds, the issuance of capital appreciation bonds at the same time and as part of the same issue of any other type of bonds, the method of calculating the principal amount of any such capital appreciation bonds outstanding for the purpose of determining, within the meaning of such proceedings and otherwise, application of debt service provisions, funds into which debt service payments are to be deposited, application of redemption provisions, bondowners' voting rights and consents, pro
rata application of available funds and such other matters as may be deemed appropriate by the issuer.

Sec. 7. In connection with the issuance of a series of bonds containing capital appreciation bonds issued by local governmental units pursuant to The Local Government Bond Act, the Local Government Commission is hereby authorized to require that annual debt service on such series of bonds be as nearly level or equal as possible taking into consideration prevailing financial techniques, including, without limitation, the postponement of principal maturities in early years of the issue and the use of capitalized interest. The Local Government Commission is hereby further authorized to limit the amount of a series of bonds that may be issued as capital appreciation bonds and to make the issuance of any such capital appreciation bonds subject to a finding by the Commission or the issuer that the issuance of such bonds will not increase the aggregate amount of debt service payable on such series of bonds of which such capital appreciation bonds constitute a part.

Sec. 8. If, and to the extent that, the State or any local governmental unit is empowered to issue capital appreciation bonds under existing law, the provisions of this act shall be deemed to provide an additional and alternative method for the issuance of such bonds and shall be regarded as supplemental and additional to such power conferred under existing law, and shall not be regarded as in derogation of any power now existing.

Sec. 9. If the provisions of this act are inconsistent with the provisions of any existing law, the provisions of this act shall be controlling.

Sec. 10. If any provision of this act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

H.B. 871 CHAPTER 668

AN ACT TO ALLOW THE TOWNS OF KNIGHTDALE AND ZEBULON TO IMPOSE WATER AND WASTEWATER CAPACITY CHARGES.

Whereas, rapid growth through the influx of new residents and new construction impose on the Towns of Knightdale and Zebulon increased capital costs necessary to insure that adequate capacities of treated water and wastewater for the customers of the towns’ systems are protected and made available to the users of the towns’ facilities; and

Whereas, it is the purpose of this act to better enable the Towns of Knightdale and Zebulon to accommodate orderly growth and development within its corporate limits and extraterritorial jurisdiction by providing them with new methods of regulating development to meet increased demands for the protection, upgrading and future expansion of their water treatment facilities and wastewater treatment facilities; and

Whereas, it is the further purpose of this act to place an equitable share of the costs of protecting, upgrading, expanding and adding to the present water and wastewater treatment facilities on all new and expanded users of such facilities; and

Whereas, it is the intent of the General Assembly that the costs of protecting, upgrading, expanding and adding to the present water and wastewater treatment facilities be borne in part by those requiring new
or increased capacities from such facilities, rather than placing the
brunt of those costs on existing users of the facilities; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. Definitions. The following definitions apply to this
act, unless the context clearly requires otherwise:

(1) "Capital costs" means costs spent for protecting, upgrading,

wastewater treatment facilities intended to serve the customers of the
towns' water and/or wastewater treatment system.

(2) "Developer" means an individual, corporation, partnership,
organization, association, firm, political subdivision, or other legal
entity constructing or creating new construction.

(3) "New construction" means any new development,
construction, or installation that results in the use of the towns' water
treatment facilities or wastewater treatment facilities and includes
current users of that system that require additional capacity from said
water or wastewater treatment facilities.

(4) "Capacity charge" means the charge imposed upon new
construction as defined herein pursuant to the grant of regulatory
authority contained herein.

Sec. 2. Subject to the conditions hereinafter set forth, a town
may adopt an ordinance or ordinances imposing and collecting a
regulatory fee defined herein as a "capacity charge" on all new
construction.

Sec. 3. The amount of each "capacity charge" imposed and
collected shall be based upon reasonable and uniform consideration of
capital costs ultimately to be incurred by the town as a result of the
new construction. The "capacity charge" must bear a direct
relationship to the additional or expanded capital costs incurred or
ultimately to be incurred for the protecting, upgrading, expanding or
developing of new water or wastewater treatment facilities to serve the
town.

Sec. 4. The amount of each "capacity charge" shall be based
on qualified needs and specific classifications and rates, which shall be
uniformly applied to all members of a class; however, the town may
vary the charges according to classes of service and may adopt
different schedules of charges to be imposed upon new construction
within the town limits versus new construction outside of the town
limits.

1236
Sec. 5. Before adopting or amending any "capacity charge" ordinance authorized by this act, the town governing board shall hold a public hearing on it. A notice of the public hearing shall be given so as to conform with G.S. 160A-364, as it may be amended from time to time. No "capacity charge" ordinance shall be adopted or amended without first giving the planning board a reasonable opportunity to make comments and recommendations to the town governing board.

Sec. 6. Monies collected as "capacity charges" shall be placed in a separate trust fund. All such revenues shall be spent for the capital facilities for which they were collected.

Sec. 7. A cause of action as to the validity of any "capacity charge" adopted under this act shall be brought within 90 days after its assessment.

Sec. 8. The town is authorized to enact ordinances, resolutions, rules and regulations that are necessary or expedient to carry this act into execution and effect.

Sec. 9. The powers conferred in this act shall be supplementary to all other powers and procedures authorized by any other general or local law. Assessments, charges, fees, or rates authorized by any other general or local law are not affected by this act.

Payment to administrator.--Whenever an insurer utilizes the services of an administrator under the terms of a service contract, the payment to the administrator of any premiums or charges for insurance by or on behalf of a participant shall be deemed to have been received by the insurer, and the payment of return premiums or claims by the insurer to the administrator shall not be deemed to be payment to a participant until such payments are received by the participant. Nothing in this Article limits any right against the administrator resulting from its failure to make payments to the insurer or participants.

"§ 58-529. Maintenance of information.--Every administrator shall maintain at its principal administrative office for the duration of the service contract and for five years thereafter adequate books and records of all transactions between the administrator, insurers or self-funders, and participants. Such books and records shall be maintained in accordance with prudent standards of insurance record keeping. The Commissioner shall have access to such books and records for the purpose of examination, audit, and inspection. Any trade secrets contained in such books and records, including but not limited to the identity and addresses of participants, shall be confidential; except the Commissioner may use such information in any proceeding instituted against the administrator. The insurer or self-funder shall retain the right to continuing access to such books and records sufficient to permit the insurer or self-funder to fulfill all
of its contractual obligations to participants, subject to any restrictions in the service contract between the insurer or self-funder and administrator on the proprietary rights of the parties in such books and records.

"§ 58-530. Approval of advertising.--An administrator may use only such advertising pertaining to the business underwritten by an insurer as has been approved by such insurer in advance of its use.

"§ 58-531. Underwriting provision.--The service contract shall make provision with respect to the underwriting standards or other standards pertaining to the business underwritten by such insurer.

"§ 58-532. Collection of premiums and charges.--All insurance charges or premiums collected by an administrator on behalf of or for an insurer or self-funder, and return premiums received from such insurer or self-funder, shall be held by the administrator in a fiduciary capacity. Such funds shall be immediately remitted to the person or persons entitled thereto or shall be deposited promptly in a fiduciary bank account established and maintained by the administrator. If charges or premiums so deposited have been collected on behalf of or for more than one insurer or self-funder, the administrator shall establish separate account; or shall cause the bank in which such fiduciary account is maintained to keep records clearly recording the deposits to and withdrawals from such account made on behalf of each insurer or self-funder. The administrator shall promptly obtain and keep copies of all such records and, upon the request of an insurer or self-funder, shall furnish such insurer or self-funder with copies of such records pertaining to deposits and withdrawals made on behalf of such insurer or self-funder. The administrator shall not pay any claim by making withdrawals from such fiduciary account. Withdrawals from such account shall be made, as provided in the written agreement between the administrator and the insurer or self-funder, for:

1. remittance to an insurer or self-funder entitled thereto;
2. deposits to another account maintained in the name of such insurer or self-funder;
3. transfer to and deposit in a claims paying account, with claims to be paid as provided in G.S. 58-533;
4. payment to a group policyholder for remittance to the insurer entitled thereto;
5. payment to the administrator of its commission, fees, or charges; or
6. remittance of return premiums to any person entitled thereto.
"§ 58-533. Payment of claims.--All claims paid by the administrator from funds collected on behalf of an insurer or self-funder shall be paid only on drafts of and as authorized by such insurer or self-funder.

"§ 58-534. Claim adjustment or settlement.--With respect to any policies where an administrator adjusts or settles claims, the compensation to the administrator with regard to such policies shall in no way be contingent on claim experience. This section does not prevent the compensation of an administrator from being based on premiums, capitation, or number of claims paid or processed.

"§ 58-535. Notification required.--Whenever the services of an administrator are utilized, the administrator shall provide a written notice approved by the insurer or self-funder to participants that advises them of the identities of and relationships among the administrator, the participant, and the insurer or self-funder. Whenever an administrator collects funds, it must identify and state separately in writing to the person paying to the administrator any charge or premium for insurance coverage the amount of any such charge or premium specified by the insurer for such insurance coverage.

"§ 58-536. Certificate of registration required.--(a) No person shall act as or hold himself out to be an administrator in this State, other than an adjuster licensed in this State for the kinds of insurance specified in G.S. 58-72(1) through G.S. 58-72(3), unless he holds a certificate of registration as an administrator issued by the Commissioner. Such certificate shall be for a term of one year and shall be renewable. Failure to hold such certificate shall subject the administrator to the provisions of G.S. 58-9.7. The certificate shall be issued by the Commissioner to an administrator unless the Commissioner, after due notice and hearing, determines that the administrator is not competent, trustworthy, financially responsible, or of good personal and business reputation; has violated any insurance statute or administrative rule; or has had a previous application for an insurance license denied for cause within the preceding five years.

(b) Each application for the issuance or renewal of a certificate shall be accompanied by a filing fee of twenty dollars ($20.00) and evidence of maintenance of a fidelity bond of not less than one hundred thousand dollars ($100,000).

"§ 58-537. Committee on Third Party Administrators.--The Commissioner is authorized to appoint a Committee on Third Party Administrators in conformance with the provisions of G.S. 58-7.4."
Sec. 2. This act shall become effective September 1, 1987. In the General Assembly read three times and ratified this the 24th day of July, 1987.

S.B. 524 CHAPTER 677

AN ACT TO PROVIDE ADJUSTMENTS TO COSTS IN ELECTRIC UTILITY RATEMAKING AND TO STUDY THE QUESTION OF CONTINUING THE AUTHORITY FOR TRUE-UPS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 62-133.2 reads as rewritten:

"§ 62-133.2. Fuel charge adjustments for electric utilities.--(a) The Commission may allow electric utilities to charge a uniform increment or decrement as a rider to their rates for changes in the cost of fuel and the fuel component of purchased power used in providing their North Carolina customers with electricity from the cost of fuel and the fuel component of purchased power established in their previous general rate case.

(b) For each electric utility engaged in the generation and production of electric power by fossil or nuclear fuels, the Commission shall hold a hearing within 12 months of the last general rate case order and determine whether an increment or decrement rider is required to reflect actual changes in the cost of fuel and the fuel cost component of purchased power over or under base rates established in the last preceding general rate case. Additional hearings shall be held on an annual basis but only one hearing for each such electric utility may be held within 12 months of the last general rate case.

(c) Each electric utility shall submit to the Commission for the hearing verified annualized information and data in such form and detail as the Commission may require, for an historic 12-month test period, relating to:

(1) Purchased cost of fuel used in each generating facility owned in whole or in part by the utility.
(2) Fuel procurement practices and fuel inventories for each facility.
(3) Burned cost of fuel used in each generating facility.
(4) Plant capacity factor for each generating facility.
(5) Plant availability factor for each generating plant.
(6) Generation mix by types of fuel used.
(7) Sources and fuel cost component of purchased power used.
(8) Recipients of and revenues received for power sales and times of power sales.

(9) Test period kilowatt hour sales for the utility's total system and on the total system separated for North Carolina jurisdictional sales.

(d) The Commission shall provide for notice of a public hearing with reasonable and adequate time for investigation and for all intervenors to prepare for hearing. At the hearing the Commission shall receive evidence from the utility, the public staff, and any intervenor desiring to submit evidence, and from the public generally. In reaching its decision, the Commission shall consider all evidence required under subsection (c) of this section as well as any and all other competent evidence that may assist the Commission in reaching its decision including changes in the price of fuel consumed and changes in the price of the fuel in the fuel component of purchased power occurring within a reasonable time (as determined by the Commission) after the test period is closed. The Commission may also consider, but is not bound by, the fuel costs incurred by the utility and the actual recovery under the rate in effect during the test period as well as any and all other competent evidence that may assist the Commission in reaching its decision including changes in the price of fuel consumed and changes in price of the fuel in the fuel component of purchased power occurring within a reasonable time (as determined by the Commission) after the test period is closed. The Commission shall incorporate in its fuel cost determination under this subsection the experienced over-recovery or under-recovery of reasonable fuel expenses prudently incurred during the test period, based upon the prudent standards set pursuant to subsection (d1) of this section, in fixing an increment or decrement rider. The Commission shall use deferral accounting, and consecutive test periods, in complying with this subsection, and the over-recovery or under-recovery portion of the increment or decrement shall be reflected in rates for 12 months, notwithstanding any changes in the base fuel cost in a general rate case. The burden of proof as to the correctness and reasonableness of the charge shall be on the utility. The burden of proof as to the correctness and reasonableness of the charge and as to whether the fuel charges were reasonably and prudently incurred shall be on the utility. The Commission shall allow only that portion, if any, of a requested fuel adjustment that is based on adjusted and reasonable fuel expenses prudently incurred under efficient management and economic operations. In evaluating whether fuel expenses were reasonable and prudently incurred, the Commission shall apply the rule adopted pursuant to subsection (d1). To the extent that the Commission determines that an increment or decrement to the rates of the utility
due to changes in the cost of fuel and the fuel cost component of purchased power over or under base fuel costs established in the preceding general rate case is just and reasonable, the Commission shall order that the increment or decrement become effective for all sales of electricity and remain in effect until changed in a subsequent general rate case or annual proceeding under this section.

(d1) Within one year after ratification of this act, for the purposes of setting fuel rates, the Commission shall adopt a rule that establishes prudent standards and procedures with which it can appropriately measure management efficiency in minimizing fuel costs.

(e) If the Commission has not issued an order pursuant to this section within 120 days of a utility's submission of annual data under subsection (c) of this section, the utility may place the requested fuel adjustment into effect. If the change in rate is finally determined to be excessive, the utility shall make refund of any excess plus interest to its customers in a manner ordered by the Commission.

(f) Nothing in this section shall relieve the Commission from its duty to consider the reasonableness of fuel expenses in a general rate case and to set rates reflecting reasonable fuel expenses pursuant to G.S. 62-133."

Sec. 2. The enactment of this act shall be construed as clarifying rather than changing the meaning of G.S. 62-133.2 as it was previously worded and as construed by the Utilities Commission in Commission Rule R8-55 so that electric utilities will recover only their reasonable fuel expenses prudently incurred, including the fuel cost component of purchased power, with no over-recovery or under-recovery, in a manner that will serve the public interest.

Sec. 3. Until the Commission has formally adopted a rule as prescribed by subsection (d1) of G.S. 62-133.2 all fuel charge adjustment proceedings shall be heard and decided pursuant to the applicable provisions of subsections (a), (b), (c), (d), (e) and (f) of G.S. 62-133.2 and Commission Rule R8-55.

Sec. 4. The Joint Legislative Utility Review Committee shall study the matter of recovery or "true-up" of fuel costs, the matter of fuel charge adjustments, and the question of how efficient, cost effective management of electric utilities can be assured, and shall report its findings and recommendations to the General Assembly prior to the convening of the 1989 Session of the General Assembly. This study shall include, although it is not limited to, the following:
1. Whether a "true-up" procedure should be a part of the rate structure.
2. Whether fuel charge adjustments should be continued.
3. If either fuel charge adjustments or "true-ups" are continued, whether the present practice of requiring an annual proceeding should be maintained or some other procedure adopted.
4. Whether the Utilities Commission should be required to adopt other rules that establish prudent standards against which it may appropriately measure management efficiency in general, not just in the area of minimizing fuel costs, and whether such rules should place the burden of proving management efficiency on the utility in any proceeding involving charges to customers.
5. Whether the Utilities Commission should be required to devise a system by which the management and operation of the electric utilities operating in the State can be compared, and whether such comparisons should be required to be published on a regular basis.

Sec. 5. G.S. 62-133.2 is repealed in its entirety effective July 1, 1989.
Sec. 6. This act is effective upon ratification.
In the General Assembly read three times and ratified this the 24th day of July, 1987.

(3) "Commissioner" means a member of the governing board of the Lake Wylie Marine Commission.

(4) "Three counties" means Mecklenburg and Gaston Counties, North Carolina, and York County, South Carolina.

(5) "Joint resolution" means a resolution or ordinance substantially identical in content adopted separately by the governing boards in each of the three counties.

(8) "Wildlife Commission" means, except as restricted by a joint resolution, the North Carolina Wildlife Resources Commission and the South Carolina Wildlife and Marine Resources Department.

Sec. 2. The three counties may by joint resolution create the Lake Wylie Marine Commission. Upon its creation the Commission has the powers, duties and responsibilities conferred upon it by joint resolution, subject to the provisions of each applicable state. The provisions of any joint resolution may be modified, amended, or rescinded by a subsequent joint resolution. A county may unilaterally withdraw from participation as provided by any joint resolution or the provisions of this act, once the commission has been created, and any county may unilaterally withdraw from the commission at the end of any budget period upon ninety days prior written notice. Upon the effectuation of the withdrawal, the Commission is dissolved, and all property of the Commission must be distributed to or divided among the three counties and any other public agency or agencies serving the Lake Wylie area in a manner considered equitable by the Commission by resolution adopted by it prior to dissolution.

Sec. 3. Upon its creation, the commission shall have a governing board of seven. Upon creation of the Commission, the Board of Commissioners of Gaston County shall appoint three commissioners, and the boards of the other two counties shall appoint two each. These initial appointees shall serve until September thirtieth following their appointment. Thereafter, appointments shall be made for terms beginning each October first by the respective boards of the three counties as follows:

Sec. 4. The joint resolution of the three counties shall state the terms relating to compensation to commissioners, if any, compensation of consultants and staff members employed by the Commission, and reimbursement of expenses incurred by commissioners, consultants, and employees. In order to conduct business, a quorum must be present. The chairman may adopt those committees as may be authorized by such rules and regulations. The commission shall meet regularly at such times and places as may be specified in its rules and regulations or in any joint resolution. However, meetings of the commission must be held in all three counties on a rotating basis so that an equal number of meetings is held in each county. Special meetings may be called as specified in the rules and regulations. As to meetings held within South Carolina, the provisions of that state's Open Meetings Law, §30-4-60 through §30-4-110, Code of Laws of South Carolina 1976 shall apply. As to meetings held within North Carolina, the provisions of that State's Open Meetings Law, Article 33C of Chapter 143 of the North Carolina General Statutes shall
apply.

Sec. 6. (a) Within the limits of funds available to it and subject to the provisions of this act and of any joint resolution, the Commission may:

1) Hire and fix the compensation of permanent and temporary employees and staff as it may deem necessary in carrying out its duties;

2) Contract with consultants for such services as it may require;

3) Contract with the States of North Carolina, South Carolina, or the federal government, or any agency or department, or subdivision of them, for property or services as may be provided to or by these agencies and carry out the provisions of these contracts;

4) Contract with persons, firms, and corporations generally as to all matters over which it has a proper concern, and carry out the provisions of contracts;

5) Lease, rent, purchase, or otherwise obtain suitable quarters and office space for its employees and staff, and lease, rent, purchase, or otherwise obtain furniture, fixtures, vessels, vehicles, firearms, uniforms, and other supplies and equipment necessary or desirable for carrying out the duties imposed in or under the authority of this act.

6) Lease, rent, purchase, construct, otherwise obtain, maintain, operate, repair, and replace, either on its own or in cooperation with other public or private agencies or individuals, any of the following: boat docks, navigation aids, waterway markers, public information signs and notices, and other items of real and personal property designed to enhance public safety in Lake Wylie and its shoreline area, or protection of property in the shoreline area subject however to the provisions of Title 50 of the 1976 Code of Laws of South Carolina or regulations promulgated under that title as to property within South Carolina, and Chapter 113 of the General Statutes of North Carolina and rules promulgated under that Chapter as to property within North Carolina.

(b) The Commission may accept, receive, and disburse in furtherance of its functions any funds, grants, services, or property made available by the federal government or its agencies or subdivisions, by the States of North Carolina or South Carolina or their agencies or subdivisions, or by private and civic sources.
(c) The governing boards of the three counties may appropriate funds to the Commission out of surplus funds or funds derived from nontax sources. They may appropriate funds out of tax revenues and may also levy annually taxes for the payments of such appropriation as a special purpose, in addition to any allowed by the Constitution, or in North Carolina as provided by G.S. 153A-149.

(d) The Commission shall be subject to those audit requirements as may be specified in any joint resolution.

(e) In carrying out its duties and either in addition to or in lieu of exercising various provisions of the above authorization, the Commission may, with the agreement of the governing board of the county concerned, utilize personnel and property of or assign responsibilities to any officer or employee of any of the three counties. Such contribution in kind, if substantial, may with the agreement of the other two counties be deemed to substitute in whole or in part for the financial contribution required of such county in support of the Commission.

(f) Unless otherwise specified by joint resolution, each of the three counties shall annually contribute an equal financial contribution to the Commission in an amount appropriate to support the activities of the Commission in carrying out its duties.

Sec. 7. (a) A copy of the joint resolution creating the Commission and of any joint resolution amending or repealing the joint resolution creating the Commission shall be filed with the Executive Director of the North Carolina Wildlife Resources Commission and the Executive Director of the South Carolina Department of Wildlife and Marine Resources. When the Executive Director receives resolutions that are in substance identical from all three counties concerned, the executive Director shall within 10 days so certify and distribute a certified single resolution text to the following:

(1) The Secretary of State of North Carolina and the Secretary of State of South Carolina;
(2) The clerk to the governing board of each of the three counties;
(3) The clerk of superior court of Mecklenburg and Gaston Counties and the clerk of court of York County. Upon request, the Executive Director also shall send a certified single copy of any and all applicable joint resolutions to the chairman of the Commission;
(4) A newspaper of general circulation in the three counties.

Director under the seal of the Commission as to the text or amended text of any joint resolution and of the date or dates of submission to the Secretaries of State shall be admissible in evidence in any court. Certifications by any clerk of superior court or county clerk of court of the text of any certified resolution filed with him by the Executive Director is admissible in evidence and the Executive Director’s submission of the resolution for filing to the clerk shall constitute prima facie evidence that such resolution was on the date of submission also submitted for filing with the Secretary of State. Except for the certificate of a clerk as to receipt and date of submission, no evidence may be admitted in court concerning the submission of the certified text of any resolution by the Executive Director to any person other than the Secretary of State.

Sec. 8. (a) Except as limited in subsection (b) of this section, by restrictions in any joint resolution, and by other supervening provisions of law, the Commission may make regulations applicable to Lake Wylie and its shoreline area concerning all matters relating to or affecting the use of Lake Wylie. These regulations may not conflict with or supersede provisions of general or special acts or of regulations of state agencies promulgated under the authority of general law. No regulations adopted under this section may be adopted by the Commission except after public hearing, with publication of notice of the hearing being given in a newspaper of general circulation in the three counties at least 10 days before the hearing. In lieu of or in addition to passing regulations supplementary to state law and regulations concerning the operation of vessels on Lake Wylie, the Commission may, after public notice, request that the North Carolina Wildlife Resources Commission and South Carolina Department of Wildlife and Marine Resources pass local regulations on this subject in accordance with the procedure established by appropriate state law.

(b) Violation of any regulation of the Commission commanding or prohibiting an act shall be a misdemeanor punishable by a fine not to exceed two hundred dollars ($200.00) or 30 days imprisonment.

(c) The regulations promulgated under this section take effect upon passage or upon such dates as may be stipulated in the regulations except that no regulation may be enforced unless adequate notice of the regulation has been posted in or on Lake Wylie or its shoreline area. Adequate notice as to a regulation affecting only a particular location may be by a sign, uniform waterway marker, posted notice, or other effective method of communicating the essential provisions of the regulation in the immediate vicinity of the location in question. Where a regulation applies generally as to Lake Wylie or
its shoreline area, or both, there must be a posting of notices, signs, or markers communicating the essential provisions in at least three different places throughout the area and it must be printed in a newspaper of general circulation in the three counties.

(d) A copy of each regulation promulgated under this section must be filed by the Commission with the following persons:

1. The Secretaries of State of North and South Carolina;
2. The clerk of superior court of Mecklenburg and Gaston County and the clerk of court of York County;
3. The Executive Directors of the Wildlife Resources Commission of North Carolina and South Carolina Wildlife and Marine Resources Department.

(e) Any official designated in subsection (d) above may issue certified copies of regulations filed with him under the seal of his office. Such certified copies may be received in evidence in any proceeding.

(f) Publication and filing of regulations promulgated under this section as required above is for informational purposes and shall not be a prerequisite to their validity if they in fact have been duly promulgated, the public has been notified as to the substance of regulations, a copy of the text of all regulations is in fact available to any person who may be affected, and no party to any proceeding has been prejudiced by any defect that may exist with respect to publication and filing. Rules and regulations promulgated by the Commission under the provisions of other sections of this act relating to internal governance of the Commission need not be filed or published. Where posting of any sign, notice, or marker or the making of other communication is essential to the validity of a regulation duly promulgated, it shall be presumed in any proceeding that prior notice was given and maintained and the burden lies upon the party asserting to the contrary to prove lack of adequate notice of any regulation.

Sec. 9. (a) Where a joint resolution so provides, all law enforcement officers, or those officers as may be designated in the joint resolution, with territorial jurisdiction as to any part of Lake Wylie or its shoreline area shall, within the limitations of their subject matter jurisdiction, have the authority of peace officers in enforcing the laws over all of Lake Wylie and its shoreline area.

(b) Where a joint resolution provides it, the Commission may hire special officers to patrol and enforce the laws on Lake Wylie and its shoreline area. These special officers have and exercise all the powers of peace officers generally within the area in question and shall take the oaths and be subject to all provisions of law relating to

1269
law enforcement officers.

(c) Every criminal violation must be tried in the county where it occurred. However, a certificate of training by the South Carolina Criminal Justice Academy or a similar certificate issued by the North Carolina Criminal Justice Education and Training Standards Commission or the North Carolina Sheriffs' Education and Training Standards Commission will suffice for certification in both states for the purposes of this act.

(d) Where a law enforcement officer with jurisdiction over any part of Lake Wylie or its shoreline area is performing duties relating to the enforcement of the laws on Lake Wylie or in its shoreline area, he has such extraterritorial jurisdiction as may be necessary to perform his duties. These duties include investigation of crimes an officer reasonably believes have been, or are about to be, committed within the area in question. This included traversing by reasonable routes from one portion of such area to another although across territory not within the boundaries of Lake Wylie and its shoreline area; conducting prisoners in custody to such court or detention facilities as may be authorized by law, although this may involve going outside the area in question; execution of process connected with any criminal offense alleged to have been committed within the boundaries in question, except that such process may not be executed by virtue of this provision beyond the boundaries of the three counties. This also includes continuing pursuit of and arresting any violator or suspected violator as to which grounds for arrest arose within the area in question.

(e) Where law enforcement officers are given additional territorial jurisdiction under the provisions of this section, this shall be deemed an extension of the duties of the office held and no officer shall take any additional oath or title of office.

Sec. 10. This act shall become effective on the later of:

(1) March 1, 1988; and
(2) upon enactment by the State of South Carolina and upon approval by the Congress of the United States.

Either North Carolina or South Carolina may withdraw from this Compact by enacting a statute repealing the same, but no such withdrawal shall become effective until the Governor of the withdrawing state shall have sent formal notice in writing to the Governor of each other party state informing said Governors of the action of the legislature in repealing the Compact and declaring an intention to withdraw. Such withdrawal shall be effective on a date set by the withdrawing state, but not less than 90 days after enactment of the withdrawal statute. In case of such withdrawal, the property of the Commission shall be divided in an equitable manner by the
Commission as if dissolution had occurred under Section 2 of this act.

CHAPTER 705

AN ACT TO ALLOW THE CITY OF HICKORY TO IMPOSE FACILITY FEES.

The General Assembly of North Carolina enacts:

Section 1. Purpose. It is the purpose of this act to place an equitable share of the cost of providing new community service facilities upon all new inhabitants and upon those associated with the development process.

Sec. 2. Definitions. The following definitions apply in this act unless the context clearly requires otherwise:

(1) "Capital costs" means costs spent for developing community service facilities; such costs are limited to capital outlay items listed in the "Uniform Local Government Accounting Systems" procedural manual prepared by the North Carolina Local Government Commission.

(2) "Community service facilities" means the following public facilities or improvements provided or established by the local government or in conjunction with other units of government: streets and sidewalks, water/sewer and drainage projects, and parks, open spaces, and recreational facilities. No other facility shall be considered as "Community service facilities" under the provisions of this act.

(3) "Developer" means an individual, corporation, partnership, organization, association, firm, political subdivision, or other legal entity constructing or creating new construction.

(4) "Facility fee" means the charge imposed upon new construction pursuant to the grant or authority herein contained.

(5) "New construction" means any new development, construction, or installation that requires any building or zoning permit, certification, or other action permitting real property improvements. The term includes the installation of a mobile home or factory built or modular housing. The term excludes the renovation and repair of existing structures and accessory uses and their
structures, unless such renovations and repairs and accessory uses shall cause an increase in the off-street parking requirement or a change in occupancy as occupancy is defined by the North Carolina State Building Code. The term also excludes additions unless such addition causes an increase in the off-street parking requirement or a change in occupancy as occupancy is defined by the North Carolina State Building Code. Further, the term does not include fences, billboards, poles, pipelines, transmission lines, advertising signs or similar structures and improvements that do not generate the need for additional or expanded community facilities upon completion of the additions or improvements.

Sec. 3. Subject to the conditions hereinafter set forth, a city that adopts an ordinance under Section 6 of this act shall have the right, power and authority to impose and collect a regulatory fee as a facility fee on all new construction within its city limits and extraterritorial jurisdiction.

Sec. 4. (a) No facility fee shall be imposed until the city has caused to be prepared a report containing:

(1) A description of the anticipated capital cost to the city of each additional or expanded community service facility generated by new construction;

(2) A description of the relevant characteristics of construction that give rise to additional or expanded community service facilities such as population, trip generation and storm water run-off and flow characteristics; and

(3) A plan for providing one or more of the community service facilities.

(b) Before adopting or amending a facility fee ordinance authorized by this act, the city council shall hold a public hearing on it. A notice of the public hearing shall be given so as to conform with G.S. 160A-364. No facility fee ordinance shall be adopted or amended without first giving the planning commission a reasonable opportunity to make comments or recommendations to the city council.

(c) The amount of each facility fee imposed and collected shall be based upon reasonable and uniform considerations of capital costs to be incurred by the city as the result of new construction. In establishing the facilities fees to be imposed, the city council may divide the city and its extraterritorial area into two or more zones in order to determine the estimated costs of providing any or all of the facilities described herein; such division shall be done only after a public hearing and after the matter has been studied and reported on to the city council by the regional planning commission. The facilities
fees may be different in different zones, depending upon whether each zone already has certain facilities available and whether or not the capital costs thereof have been paid or are yet to be paid. The facility must bear a direct relationship to additional or expended public capital costs of community service facilities to be rendered for the inhabitants of the area occupants of the new construction, or those persons, firms or corporations responsible for developing any new development, whether commercial, industrial, residential or otherwise or any other developer.

(d) The amount of each facility fee shall be based upon qualified needs and specific classifications and rates, which shall be uniformly applied to all members. However, the classification shall be based upon the amount, the cost and the extent of the additional burden being placed upon the public facilities by particular types and sizes of development.

(e) Monies for each particular facility for which a facility fee is collected shall be placed in a separate trust fund. All such revenues shall be spent for the capital facilities for which they were collected and such benefits shall not be exclusive, that is, persons or developers who pay a facility fee hereunder shall not thereby obtain any rights to use public facilities greater than any other member of the public in a similar classification and situation. Separate service areas and zones with separate trust funds may be established.

Sec. 5. The city is authorized to enact ordinances, resolutions, rules and regulations that are necessary or expedient to carry this act into execution and effect.

Sec. 6. The powers conferred in this act shall be supplementary to all other powers and procedures authorized by any other general or local law. Assessments, charges, fees or rates authorized by any other general or local law are not affected by this act.

Sec. 7. The following shall be the procedure for hearing appeals concerning the amount of a facilities fee or concerning the propriety or illegality of any zone division or classification or rate. Any person who feels aggrieved by any action by the city council pursuant to this act must first pay the amount of the facilities fee so charged to him, with such amount clearly marked as paid under protest, and thereafter give notice of appeal within a period of 30 days after such payment. Such notice shall be delivered by personal service or registered or certified mail, return receipt requested, directed to the city manager. The city council shall hold a public hearing to review said matter within a period of 35 days following receipt of said appeal; the decision by the city council upon said
appeal shall then be subject to review by the Superior Court by proceedings in the nature of *certiorari*; any petition for review by the Superior Court shall be filed with the Clerk of Superior Court of Catawba County within a period of 30 days following the date the decision of the city council is delivered in writing to the appealing party, said delivery to be either by personal service or by registered mail or certified mail, return receipt requested.

AN ACT TO PROVIDE FOR THE REMOVAL FROM A COUNTY FIRE SERVICE DISTRICT OF ANY AREA ANNEXED BY A MUNICIPALITY, AND PROVIDING FOR PRORATION OF TAXATION, IN A MANNER SIMILAR TO THAT PROVIDED FOR FIRE PROTECTION DISTRICTS ORGANIZED UNDER CHAPTER 69 OF THE GENERAL STATUTES, AND TO ALLOW ANNEXATION TO A RURAL FIRE PROTECTION DISTRICT OF AREAS WITHIN THE CORPORATE LIMITS OF A MUNICIPALITY.

The General Assembly of North Carolina enacts:

Section 1. Article 16 of Chapter 153A of the General Statutes is amended by adding a new section to read:

"§ 153A-304.1. Reduction in district after annexation.--(a) When the whole or any portion of a county service district organized for fire protection purposes under G.S. 153A-301(2) has been annexed by a municipality furnishing fire protection to its citizens, and the municipality had not agreed to allow territory within it to be within the county service district under G.S. 153A-302(a), then such county service district or the portion thereof so annexed shall immediately thereupon cease to be a county service district or a portion of a county service district; and such district or portion thereof so annexed shall no longer be subject to G.S. 153A-307 authorizing the board of county commissioners to levy and collect a tax in such district for the purpose of furnishing fire protection therein.

(b) Nothing in this section prevents the board of county commissioners from levying and collecting taxes for fire protection in the remaining portion of a county service district not annexed by a municipality.

(c) When all or part of a county service district is annexed, and the effective date of the annexation is a date other than a date in the month of June, the amount of the county service district tax levied on property in the district for the fiscal year in which municipal taxes are prorated under G.S. 160A-58.10 shall be multiplied by the following fraction: the denominator shall be 12 and the numerator shall be the number of full calendar months remaining in the fiscal year following the day on which the annexation becomes effective. For each owner, the product of the multiplication is the prorated fire protection payment. The finance officer of the city shall obtain from the tax supervisor or tax collector of the county where the annexed territory was located a list of the owners of property on which fire protection
district taxes were levied in the territory being annexed, and the city shall, no later than 90 days after the effective date of the annexation, pay the amount of the prorated fire protection district payment to the owners of that property. Such payments shall come from any funds not otherwise restricted by law.

(d) Whenever a city is required to make fire protection district tax payments by subsection (c) of this section, and the city has paid or has contracted to pay to a rural fire department funds under G.S. 160A-37.1 or G.S. 160A-49.1, the county shall pay to the city from funds of the county service district an amount equal to the amount paid by the city (or to be paid by the city) to a rural fire department under G.S. 160A-37.1 or G.S. 160A-49.1 on account of annexation of territory in the county service district for the number of months in that fiscal year used in calculating the numerator under subsection (c) of this section: provided that the required payments by the county to the city shall not exceed the total of fire protection district payments made to taxpayers in the district on account of that annexation."

Sec. 2. G.S. 69-25.11 is amended by adding a new subdivision to read:

"(5) The area of any fire protection district may be increased by including within the boundaries of the district any adjoining territory lying within the corporate limits of the city if the territory is not already included within a fire protection district, provided both the city governing body and the county commissioners of the county or counties in which the fire protection district is located all agree by resolution to such inclusion."

CHAPTER 713

AN ACT TO BRING NORTH CAROLINA INTO COMPLIANCE WITH A COURT DECISION CONCERNING STRAIGHT-TICKET VOTING, AND TO PROVIDE A SEPARATE BALLOT FOR MULTI-SEAT RACES. EXCEPT WHERE MECHANICAL VOTING MACHINES ARE USED.

The General Assembly of North Carolina enacts:

Section 1. G.S. 163-140 is amended by adding a new subsection to read:

"(f) Multi-seat races. The General Assembly finds that since the federal court opinion voiding the law which provided that a straight-ticket ballot shall take precedence in counting over a ballot marked for individual candidates, confusion has occurred in the counting of ballots in multi-seat races. In order to minimize the confusion of instructions for marking ballots in multi-seat races, which must be different than those in single-seat races, the General Assembly finds it necessary that these ballots be printed separately, except in the case of mechanical voting machines. On such machines, where it is physically impossible to vote both a straight-ticket and for an individual candidate, without pulling up the lever of an individual candidate, clearly showing the voter's intention, it is unnecessary to
have a separate ballot for multi-seat races, and having such a separate ballot would result in more columns and rows on the machine than the mechanical machine can handle.

Multi-seat races in partisan general elections, which except as provided in this section would have appeared on the State ballot or county ballot, and except for multi-seat races on mechanical voting machines, shall be placed on a separate multi-seat ballot or ballots, which shall not be combined with any ballot other than a multi-seat ballot. Beneath the title and general instructions set out in this subsection, the ballot(s) for multi-seat races shall be divided into parallel columns separated by distinct black lines. The State Board of Elections shall assign a separate column to each political party having candidates in multi-seat races and one to unaffiliated candidates, if any. At the head of each party column the party’s name shall be printed in large type, and at the head of the column for unaffiliated candidates shall be printed in large type the words ‘Unaffiliated Candidates.’ Below the party name in each column shall be printed a circle, one-half inch in diameter, and around which shall be plainly printed the following instruction: ‘For a straight ticket, mark within this circle.’ With distinct black lines, the State Board of Elections shall divide the columns into horizontal sections and, in the customary order of office, assign a separate section to each group of offices to be filled. On a single line at the top of each section shall be printed a direction as to the number of candidates for whom a vote may be cast. If candidates are to be chosen for different terms to the same office, the term in each instance shall be printed as part of the title of the office.

The name or names of each political party’s candidate or candidates for each office listed on the ballot shall be printed in the appropriate office section of the proper party column and the names of unaffiliated candidates shall be printed in the appropriate office section of the column headed ‘Unaffiliated Candidates.’ At the left of each name shall be printed a voting square, and in each column all voting squares shall be arranged in a perpendicular line.

On the face of the ballot, above the party and unaffiliated column division, the following instructions shall be printed in heavy red type to contrast with the type of the rest of the ballot:

a. To vote for all candidates of one party (a straight ticket), make a cross (X) mark in the circle of the party of your choice.

b. You may vote a split ticket in one of two ways:
(1) by making a cross mark opposite the name of each candidate for whom you wish to vote and making no mark in the party circle, or
(2) by marking the party circle and then making a cross mark opposite the name of each candidate you choose in the race(s) where you wish to vote a split ticket.

If you tear or deface or wrongly mark this ballot, return it and get another.'

Ballot instructions need not be printed in red type except on the separate ballot(s) for multi-seat races."

Sec. 1.1. G.S. 163-151(5) reads as rewritten:

"(5) Split Ticket. In an election but not in a primary, if the voter desires to vote for candidates of more than one political party (a split ticket), he shall do so in either of the following ways:

a. Omit marking in the party circle of any party and mark in the voting square opposite the name of each candidate of any party printed on the ballot for whom the voter wishes to vote.

b. If the voter should mark the party circle of one party, and also mark the voting square opposite the name of candidates of any other party, the ballot shall be counted as a straight ticket for all candidates of the party whose circle was marked and the individually marked candidates of any other party shall not be counted. Mark the party circle of one party and also mark the voting square opposite the name of any candidate or candidates of any other party. The ballot shall be counted as a straight ticket for all candidates of the party whose circle was marked except for a candidate for an office for which the voter has marked the candidate of any other party, in which case the vote marked for any candidate or candidates of any other party shall be counted instead for that office."

Sec. 2. G.S. 163-151(6)d. reads as rewritten:

"d. If the voter has marked the party circle of one party, he should not may, except as prohibited by G.S. 163-123(f), write in the name of a person under the name of a candidate in any other party. In such case, the write-in shall not be counted, but and otherwise the ballot shall be counted for all candidates of the party whose circle was marked except for the office for which there is a write-in."

Sec. 3. G.S. 163-170(5)d.2. reads as rewritten:

"2. If the voter has marked the party circle at the top of the column of a political party, and has made a write-in under the name of a candidate printed in a column of a different political party, except as
prohibited by G.S. 163-123(f), the write-in shall not be counted, and otherwise the ballot shall be counted as a vote for all candidates of the party in whose circle he has marked except for the office for which there is a write-in."

Sec. 4. G.S. 163-170(6)a. reads as rewritten:
"a. If the voter has marked the party circle of one party and also marked the voting square of individual candidates of another party, the ballot shall be counted as a straight ballot and counted as a vote for every candidate for the party whose circle has been marked ticket for all candidates of the party whose circle was marked except for a candidate for an office for which the voter has marked the candidate of any other party, in which case the vote marked for any candidate or candidates of any other party shall be counted instead for that office."

Sec. 5. G.S. 163-151 is amended by adding the following new subdivision:
"(7) Multi-seat races. If the voter should mark the party circle of one party and also mark the voting square opposite the name of candidates of any other party in a multi-seat race, only those candidates of any party beside whose name the voting square is marked shall receive a vote."

Sec. 6. G.S. 163-170(5)d. is amended by adding the following new subparagraph:
"3. In a multi-seat race, if the voter has marked the party circle at the top of the column of a political party and has made a write-in under the name of a candidate printed in a column of a different political party, only the write-in and those other candidates of any party beside whose name the voting square is marked shall receive a vote. This subparagraph does not apply if the write-in cannot be counted because of G.S. 163-123(f)."

Sec. 7. G.S. 163-170(6) is amended by adding the following new subparagraph:
"c. In a multi-seat race, if the voter has marked the party circle at the top of the column of a political party and has marked the voting square of a candidate of any other party, only those candidates of any party beside whose names the voting squares are marked shall receive a vote."

Sec. 8. G.S. 163-140(b)(2) reads as rewritten:
"(2) Ballot for United States Senator: Beneath the title and general instructions set out in this subsection, the ballot for United States Senator shall be divided into parallel columns separated by distinct black lines. The State Board of Elections shall assign a separate column to each political party having a candidate for the office and
one to unaffiliated candidates, if any. At the head of each party column the party's name shall be printed in large type, and at the head of the column for unaffiliated candidates shall be printed in large type the words 'Unaffiliated Candidates.' The name of each political party's candidate for United States Senator shall be printed in the appropriate party column, and the names of unaffiliated candidates for the office shall be printed in the column headed 'Unaffiliated Candidates.' At the left of each name shall be printed a voting square, and in each column all voting squares shall be arranged in a perpendicular line. On the face of the ballot, above the party and unaffiliated column division, the following instructions shall be printed in heavy black type:

'a. Vote for only one candidate.'
b. If you tear or deface or wrongly mark this ballot, return it and get another.'

On the bottom of the ballot shall be printed an identified facsimile of the signature of the Chairman of the State Board of Elections.

When the ballot for United States Senator is combined with a ballot for another office, below the party name in each column shall be printed a circle, one-half inch in diameter, around which shall be plainly printed the following instruction: 'For a straight ticket, mark within this circle.' The following instructions, in lieu of those specified in the preceding paragraph, shall be printed in heavy black type on the face of the combined ballot to the top above the party and unaffiliated column division:

'a. To vote for all candidates of one party (a straight ticket), make a cross (X) mark in the circle of the party for whose candidates you wish to vote.

b. To vote for candidates of more than one party (a split ticket), do not mark in any party circle, but make a cross (X) mark in the square opposite the name of each candidate for whom you wish to vote. You may vote a split ticket by marking a cross (X) mark in the party circle and then making a cross (X) mark in the square opposite the name of the candidate(s) of a different party for whom you wish to vote.

c. You may also vote a split ticket by not marking a cross (X) mark in the party circle, but by making a cross (X) mark in the square opposite the name of each candidate for whom you wish to vote.

d. If you tear or deface or wrongly mark this ballot, return it and get another.'

1309
Sec. 9. G.S. 163-140(b)(3) reads as rewritten:

"(3) Ballot for Member of the United States House of Representatives: Beneath the title and general instructions set out in this subsection, the congressional district ballot for member of the United States House of Representatives shall be divided into parallel columns separated by distinct black lines. The State Board of Elections shall assign a separate column to each political party having a candidate for the office and one to unaffiliated candidates, if any. At the head of each party column the party's name shall be printed in large type, and at the head of the column for unaffiliated candidates shall be printed in large type the words 'Unaffiliated Candidates.' The name of each political party's candidate for member of the United States House of Representatives from the congressional district shall be printed in the appropriate party column, and the names of unaffiliated candidates for the office shall be printed in the column headed 'Unaffiliated Candidates.' At the left of each name shall be printed a voting square, and in each column all voting squares shall be arranged in a perpendicular line. On the face of the ballot, above the party and unaffiliated column division, the following instructions shall be printed in heavy black type:

'a. Vote for only one candidate.

'b. If you tear or deface or wrongly mark this ballot, return it and get another.'

On the bottom of the ballot shall be printed an identified facsimile of the signature of the Chairman of the State Board of Elections.

When the ballot for member of the United States House of Representatives is combined with a ballot for another office, below the party name in each column shall be printed a circle, one-half inch in diameter, around which shall be plainly printed the following instruction: 'For a straight ticket, mark within this circle.' The following instructions, in lieu of those specified in the preceding paragraph, shall be printed in heavy black type on the face of the combined ballot at the top above the party and unaffiliated column division:

'a. To vote for all candidates of one party (a straight ticket), make a cross (X) mark in the circle of the party for whose candidates you wish to vote.

'b. to vote.

Sec. 10. G.S. 163-140(b)(4) reads as rewritten:

"(4) State Ballot: Beneath the title and general instructions set out in this subsection, the ballot for single-seat contests for State officers, and for all State officers where mechanical voting machines are used (including judges of the superior court) shall be divided into parallel columns separated by distinct black lines. Sec. 11. G.S. 163-140(b)(5) as amended by Chapter 491, Session Laws of 1987 reads as rewritten:

“(5) County Ballot: Beneath the title and general instructions set out in this subsection, the ballot for single-seat contests for county officers (including district attorney for the prosecutorial district in which the county is situated, district judge for the district court district in which the county is situated, and members of the General Assembly in the senatorial and representative districts in which the county is situated), and for all county offices where mechanical voting machines are used, shall be divided into parallel columns separated by distinct black lines. The county board of elections shall assign a separate column to each
political party having candidates for the offices on the ballot and one to unaffiliated candidates, if any. At the head of each party column the party's name shall be printed in large type and at the head of the column for unaffiliated candidates shall be printed in large type the words 'Unaffiliated Candidates.' Below the party name in each column shall be printed a circle, one-half inch in diameter, around which shall be plainly printed the following instruction: 'For a straight ticket, mark within this circle.' With distinct black lines, the county board of elections shall divide the columns into horizontal sections and, in the customary order of office, assign a separate section to each office or group of offices to be filled. On a single line at the top of each section shall be printed the title of the office, and directly below the title shall be printed a direction as to the number of candidates for whom a vote may be cast. If candidates are to be chosen for different terms to the same office, the term in each instance shall be printed as part of the title of the office.

The name or names of each political party's candidate or candidates for each office listed on the ballot shall be printed in the appropriate office section of the proper party column, and the names of unaffiliated candidates shall be printed in the appropriate office section of the column headed 'Unaffiliated Candidates.' At the left of each name shall be printed a voting square, and in each column all voting squares shall be arranged in a perpendicular line.

On the face of the ballot, above the party and unaffiliated column division, the following instructions shall be printed in heavy black type:

'a. To vote for all candidates of one party (a straight ticket), make a cross (X) mark in the circle of the party for whose candidates you wish to vote.

'b. To vote for candidates of more than one party (a split ticket), do not mark in any party circle, but make a cross (X) mark in the square opposite the name of each candidate for whom you wish to vote.

'c. If you should insert a cross (X) mark in one of the party circles at the top of the ballot and also mark in the voting square opposite the name of any candidate of any party, your ballot will be counted as a straight ticket vote for all of the candidates of the party whose circle you marked.

'b. You may vote a split ticket by marking a cross (X) mark in the party circle and then making a cross (X) mark in the square opposite the name of the candidate(s) of a different party for whom you wish to vote. In any multi-seat race
where a party circle is marked and you vote for candidates of another party, in order for your vote to count for any candidates for that office of the party for which you marked the party circle you must make a cross (X) mark opposite the name of those candidate(s).

c. You may also vote a split ticket by not marking a cross (X) mark in the party circle, but by making a cross (X) mark in the square opposite the name of each candidate for whom you wish to vote.

d. If you tear or deface or wrongly mark this ballot, return it and get another.

On the bottom of the ballot shall be printed an identified facsimile of the signature of the chairman of the county board of elections. If the county ballot contains no multi-seat race, then the second sentence of instruction b. shall not appear on the ballot."

Sec. 12. G.S. 163-140(a) reads as rewritten:

"(a) Kinds of General Election Ballots: Right to Combine. -- For purposes of general elections, there shall be seven kinds of official ballots entitled:

1. Ballot for presidential electors
2. Ballot for United States Senator
3. Ballot for member of the United States House of Representatives
4. State ballot
5. County ballot
6. Ballot for constitutional amendments and other propositions submitted to the people.

Use of official ballots shall be limited to the purposes indicated by their titles. The printing on all ballots shall be plain and legible but, unless large type is specified by this section, type larger than 10-point shall not be used in printing ballots. All general election ballots shall be prepared in such a way as to leave sufficient blank space beneath each name printed thereon in which a voter may conveniently write the name of any person for whom he may desire to vote.

Unless prohibited by this section, the board of elections, State or county, charged by law with printing ballots may, in its discretion, combine any two or more official ballots. Whenever two or more ballots are combined, the voting instructions for the State ballot set out in subsection (b)(4) of this section shall be used, except that if the two ballots being combined do not contain a multi-seat race, then the second sentence of instruction b. shall not appear on the ballot."
Sec. 12.1. Notwithstanding any other provision of this act, in
the case of a multi-seat race, if a voter votes a straight-party ticket,
and also votes for individual candidates of that party but not for
individual candidates of another party, the ballot shall be counted for
all the candidates for that multi-seat race of the party whose straight-
ticket has been marked. The State Board of Elections shall by
regulation amend the instructions provided by this act to effectuate this
section.

Sec. 12.2. The provisions of this act are severable, and if any
 provision of this act is held invalid by a court of competent
 jurisdiction, or is unenforceable under Section 5 of the Voting Rights
Act of 1965, the invalidity or unenforceability shall not affect other
provisions of this act which can be given effect without the invalid or
unenforceable provision.

Sec. 13. Chapter 1099, Session Laws of 1983 is repealed.

Sec. 14. This act shall become effective with respect to elections

Establishing and naming townships.--(a) A county may by resolution establish and abolish townships, change their boundaries, and prescribe their names, except that no such resolution may become effective during the period beginning January 1, 1988, and ending January 2, 1990, and any resolution providing that the boundaries of a township shall change automatically with changes in the boundaries of a city shall not be effective during that period. The current boundaries of each township within a county shall at all times be drawn on a map, or set out in a written description, or shown by a combination of these techniques. TITLE II. REDUCTION OF ANNEXATIONS DURING MAP PREP

Sec. 2. (a) In the case of any annexation ordinance adopted during the period beginning January 1, 1987, and ending on the date of ratification of this act, if the effective date of the annexation under the ordinance is during 1988, the governing board of the municipality may, notwithstanding G.S. 160A-37(j) or G.S. 160A-49(j), amend the ordinance to provide for an effective date of December 31, 1987. The board must give notice by publication of its intent to consider adoption of such ordinance, such notice to be published at least 10 days before the meeting at which the ordinance is adopted. Copies of the adopted ordinance shall be recorded in accordance with the provisions of G.S. 160A-39 or G.S. 160A-51, as applicable.

(b) This section applies only to territory located in counties with a population of 55,000 or over, according to the 1980 decennial federal census.

Sec. 3. (a) No annexation ordinance adopted under Article 4A of Chapter 160A of the General Statutes may become effective during the period beginning November 1, 1989, and ending January 1, 1990. If because of the operation of G.S. 160A-37.1(h), G.S. 160A-37.3(g), G.S. 160A-38, G.S. 160A-49.1(h), G.S. 160A-49.3(g), G.S. 160A-50, the order of any court, or the operation of Section 5 of the Voting Rights Act of 1965, an annexation ordinance is to become effective during the period beginning November 1, 1989, and ending January 1, 1990, it shall instead become effective on a date during the period beginning January 2, 1990, and ending December 31, 1990.
set by ordinance of the governing board of the city.

(b) If the final date upon which an annexation ordinance adopted under Article 4A of Chapter 160A of the General Statutes, may be made effective occurs during the period beginning November 1, 1989, and ending January 1, 1990, the effective date of the annexation may be set in the annexation ordinance as any date during the period beginning January 2, 1990, and ending December 31, 1990, in addition to any date permitted by law before November 1, 1989.

(c) This section applies only to territory located in counties with a population of 55,000 or over, according to the 1980 decennial federal census.

TITLE III. COMPLIANCE WITH 1990 REDISTRICTING DATA PROGRAM

Sec. 4. Article 12A of Chapter 163 of the General Statutes is amended by adding new sections to read:

"§ 163-132.5A. Precinct boundaries.--(a) Whenever an annexation ordinance adopted under Parts 1, 2, or 3 of Article 4A of Chapter 160A of the General Statutes, or a local act of the General Assembly annexing property to a municipality, becomes effective during the period beginning January 1, 1988, and ending December 31, 1989, and any part of the boundary of the area being annexed which is actually contiguous to the city is also a precinct boundary for elections administered by the county board of elections then the annexed area is automatically moved into the 'city precinct', provided that if the annexed area is adjacent to more than one city precinct, the board of elections shall place the area in any one or more of the adjacent city precincts. The county board of elections may delay the effective date of any change under this subsection to a date not later than January 1, 1992.

(b) This section does not apply when the entire area of contiguity between the city and the area being annexed is a township boundary, a county boundary, or a visible feature used or expected to be used as a census block boundary in the 1990 census.

"§ 163-132.5B. Exemption from Administrative Procedure Act.--The State Board of Elections is exempt from the provisions of Articles 2, 3, 3A and 4 of Chapter 150B of the General Statutes while acting under the authority of this Article. Appeals from a final decision of the State Board of Elections under this Article shall be taken directly to the Superior Court of Wake County.

"§ 163-132.5C. Local acts.--(a) Notwithstanding the provisions of any local act, a county board of elections need not have the approval of any other county board or commission to make precinct boundary changes required by this Article.
(b) Notwithstanding G.S. 163-128, precinct boundaries established or changed under this Article need not follow township lines."

Sec. 5. G.S. 163-132.2 reads as rewritten:

"§ 163-132.2. Establishment of precinct boundaries for 1990 Census.--(a) The Legislative Services Office as soon as it receives the U.S. Census Bureau's official census block maps to be used in the 1990 U.S. Census shall send the relevant copies of those maps to county boards of elections. After receiving copies of those maps, the county boards of election shall:

(1) Alter, where necessary, precinct boundaries to be coterminous with township boundaries, municipal boundaries, census block boundaries, or a combination of those boundaries provided that if, as a result of the alteration, the polling place is no longer in the precinct, it may continue to be the polling place as long as the lot or tract on which the polling place is situated adjoins the precinct;

(1a) Alter, where necessary, precinct boundaries so that each precinct is composed solely of contiguous territory, except where the operation of G.S. 163-132.5A has caused a precinct to be divided into two or more non-contiguous areas.

(2) Mark all precinct boundaries on the maps sent by the Legislative Services Office, showing the precinct boundaries in effect as of the time of marking, but with any changes effective at a later time as provided by subsection (d) of this section or by G.S. 163-132.5A; and

(3) File, within 60 45 days of the date the maps are sent by the Legislative Services Office or at an earlier time deemed necessary by the State Board of Elections with the State Board and the Legislative Services Office the maps identifying the precinct boundaries and a written description of those boundaries deemed sufficient by the State Board to identify the precincts.

(b) The State Board of Elections and the Legislative Services Office shall examine the returned maps and their written descriptions. After its examination of the maps and their written descriptions, the Legislative Services Office shall submit to the State Board of Elections its opinion as to whether all precinct boundaries are coterminous with current township boundaries, current municipal boundaries, census block boundaries, or a combination of those boundaries, with notations as to where those boundaries do not comply with these standards. If the State Board determines that all precinct boundaries are coterminous with current township boundaries, current municipal
boundaries, census block boundaries, or a combination of those boundaries, the State Board shall approve the maps and written descriptions as filed and these precincts shall be the official precincts. Additionally, the Legislative Services Office shall submit to the State Board of Elections its opinion as to whether each precinct is composed solely of contiguous territory.

(c) If the State Board does not find that the filed precinct boundaries are coterminous with the current township boundaries, current municipal boundaries, census block boundaries, or a combination of those boundaries, the State Board shall not approve those precinct boundaries but shall alter the precinct boundaries to be coterminous with the census block boundaries, municipal boundaries or township boundaries nearest to those existing precinct boundaries and these altered precincts with their written descriptions prepared by the State Board shall then be the official precincts. If the State Board finds that a precinct does not consist solely of contiguous territory, it shall alter the precinct boundary so that it consists solely of contiguous territory, except where the non-contiguity is caused by the operation of G.S. 160A-132.5A.

(d) The changes in precinct boundaries under subsections (b) and (c) of this section shall be made effective not later than January 1, 1992.

(e) After the State Board approves or alters the precincts filed by the county boards and before January 2, 1990, no county board of elections may establish, alter, discontinue, or create any precinct except for changes resulting from amending township or municipal boundaries G.S. 163-132.5A or by division of one precinct into two or more precincts. These changes shall be reported by the county board of elections to the State Board by filing the relevant amended Census maps and written descriptions of the precincts with the State Board and shall not be effective until approved by the State Board. The State Board shall certify these precinct changes to the U.S. Census Bureau.

(f) The State Board of Elections shall request that the U.S. Census Bureau provide summaries of census data by precinct, and shall participate in the 1990 Census Redistricting Data Program. When the State files with the Census Bureau precinct maps, those boundaries shall be those effective at the date of submission, but with any change with a postponed effective date made under subsection (d) of this section or made under G.S. 163-132.5A. In any case where the precinct includes non-contiguous portions because of the operation of G.S. 163-132.5A, the State Board of Elections shall designate those
areas for census data purposes as separate precincts.

Sec. 6. G.S. 160A-29 reads as rewritten:

"§ 160A-29. Map of annexed area, copy of ordinance and election results recorded in the office of register of deeds.--Whenever the limits of any municipal corporation are enlarged, in accordance with the provisions of this Article, it shall be the duty of the mayor of the city or town to cause an accurate map of such annexed territory, together with a copy of the ordinance duly certified, and the official results of the election, if conducted, to be recorded in the office of the register of deeds of the county or counties in which such territory is situated and in the office of the Secretary of State, and in the case of annexed territory located in a county with a population of 55,000 or over according to the 1980 decennial federal census, where the annexation ordinance becomes effective during the period beginning January 1, 1988, and ending January 2, 1990, to cause a copy of such map and ordinance to be filed with the county board of elections of the county where the territory is located."

Sec. 7. G.S. 160A-39 reads as rewritten:

"§ 160A-39. Annexation recorded.--Whenever the limits of a municipality are enlarged in accordance with the provisions of this Part, it shall be the duty of the mayor of the municipality to cause an accurate map of such annexed territory, together with a copy of the ordinance duly certified, to be recorded in the office of the register of deeds of the county or counties in which such territory is situated and in the office of the Secretary of State, and in the case of annexed territory located in a county with a population of 55,000 or over according to the 1980 decennial federal census, where the annexation ordinance becomes effective during the period beginning January 1, 1988, and ending January 2, 1990, to cause a copy of such map and ordinance to be filed with the county board of elections of the county where the territory is located."

Sec. 8. G.S. 160A-51 reads as rewritten:

"§ 160A-51. Annexation recorded.--Whenever the limits of a municipality are enlarged in accordance with the provisions of this Part, it shall be the duty of the mayor of the municipality to cause an accurate map of such annexed territory, together with a copy of the ordinance duly certified, to be recorded in the office of the register of deeds of the county or counties in which such territory is situated and in the office of the Secretary of State, and in the case of annexed territory located in a county with a population of 55,000 or over

AN ACT TO PROVIDE THAT LEGAL TITLE TO AN ARTIFACT HELD BY THE DEPARTMENT OF CULTURAL RESOURCES DIVISION OF ARCHIVES AND HISTORY PASSES TO THE DIVISION OF ARCHIVES AND HISTORY IF THE OWNER OF THE ARTIFACT CANNOT BE LOCATED OR IF OWNERSHIP OF THE ARTIFACT IS UNKNOWN, AND TO CLARIFY THE DUTIES OF THE STATE BUILDING COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 121-7 is amended as follows:

(1) by designating the text of the first paragraph as subsection (a);

(2) by designating the text of the second paragraph as subsection (b); and

(2) The artifact has been a part of the inventory of the Division of Archives and History for more than five years; and
