PREAMBLE

We, the people of the State of North Carolina, grateful to Almighty God, the Sovereign Ruler of Nations, for the preservation of the American Union and the existence of our civil, political and religious liberties, and acknowledging our dependence upon Him for the continuance of those blessings to us and our posterity, do, for the more certain security thereof and for the better government of this State, ordain and establish this Constitution.

ARTICLE I

DECLARATION OF RIGHTS

That the great, general, and essential principles of liberty and free government may be recognized and established, and that the relations of this State to the Union and government of the United States and those of the people of this State to the rest of the American people may be defined and affirmed, we do declare that:

Sec. 1. The equality and rights of persons. We hold it to be self-evident that all persons are created equal: that they are endowed by their Creator with certain inalienable rights: that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness.

Sec. 2. Sovereignty of the people. All political power is vested in and derived from the people: all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.

Sec. 3. Internal government of the State. The people of this State have the inherent, sole, and exclusive right of regulating the internal government and police thereof, and of altering or abolishing their Constitution and form of government whenever it may be necessary to their safety and happiness: but every such right shall be exercised in pursuance of law and consistently with the Constitution of the United States.

Sec. 4. Secession prohibited. This State shall ever remain a member of the American Union: the people thereof are part of the American Nation; there is no right on the part of this State to secede; and all attempts from whatever source or upon whatever pretext, to
dissolve this Union or to sever this Nation, shall be resisted with the whole power of the State.

Sec. 5. *Allegiance to the United States.* Every citizen of this State owes paramount allegiance to the Constitution and government of the United States, and no law or ordinance of the State in contravention or subversion thereof can have any binding force.

Sec. 6. *Separation of powers.* The legislative, executive, and supreme judicial powers of the State government shall be forever separate and distinct from each other.

Sec. 7. *Suspending laws.* All power of suspending laws or the execution of laws by any authority, without the consent of the representatives of the people, is injurious to their rights and shall not be exercised.

Sec. 8. *Representation and taxation.* The people of this State shall not be taxed or made subject to the payment of any impost or duty without the consent of themselves or their representatives in the General Assembly, freely given.

Sec. 9. *Frequent elections.* For redress of grievances and for amending and strengthening the laws, elections shall be often held.

Sec. 10. *Free elections.* All elections shall be free.

Sec. 11. *Property qualifications.* As political rights and privileges are not dependent upon or modified by property, no property qualification shall affect the right to vote or hold office.

Sec. 12. *Right of assembly and petition.* The people have a right to assemble together to consult for their common good, to instruct their representatives, and to apply to the General Assembly for redress of grievances; but secret political societies are dangerous to the liberties of a free people and shall not be tolerated.

Sec. 13. *Religious liberty.* All persons have a natural and inalienable right to worship Almighty God according to the dictates of their own consciences, and no human authority shall, in any case whatever, control or interfere with the rights of conscience.

Sec. 14. *Freedom of speech and press.* Freedom of speech and of the press are two of the great bulwarks of liberty and therefore shall
never be restrained, but every person shall be held responsible for their abuse.

Sec. 15. Education. The people have a right to the privilege of education, and it is the duty of the State to guard and maintain that right.

Sec. 16. Ex post facto laws. Retrospective laws, punishing acts committed before the existence of such laws and by them only declared criminal, are oppressive, unjust, and incompatible with liberty, and therefore no ex post facto law shall be enacted. No law taxing retrospectively sales, purchases, or other acts previously done shall be enacted.

Sec. 17. Slavery and involuntary servitude. Slavery is forever prohibited. Involuntary servitude, except as a punishment for crime whereof the parties have been adjudged guilty, is forever prohibited.

Sec. 18. Court shall be open. All courts shall be open; every person for an injury done him in his lands, goods, person, or reputation shall have remedy by due course of law; and right and justice shall be administered without favor, denial, or delay.

Sec. 19. Law of the land; equal protection of the laws. No person shall be taken, imprisoned, or dispossessed of his freehold, liberties, or privileges, or outlawed, or exiled, or in any manner deprived of his life, liberty, or property, but by the law of the land. No person shall be denied the equal protection of the laws; nor shall any person be subjected to discrimination by the State because of race, color, religion, or national origin.

Sec. 20. General warrants. General warrants, whereby any officer or other person may be commanded to search suspected places without evidence of the act committed, or to seize any person or persons not named, whose offense is not particularly described and supported by evidence, are dangerous to liberty and shall not be granted.

Sec. 21. Inquiry into restraints on liberty. Every person restrained of his liberty is entitled to a remedy to inquire into the lawfulness thereof, and to remove the restraint if unlawful, and that remedy shall not be denied or delayed. The privilege of the writ of habeas corpus shall not be suspended.

Sec. 22. Modes of prosecution. Except in misdemeanor cases initiated in the District Court Division, no person shall be put to
answer any criminal charge but by indictment, presentment, or impeachment. But any person, when represented by counsel, may, under such regulations as the General Assembly shall prescribe, waive indictment in noncapital cases.

Sec. 23. Rights of accused. In all criminal prosecutions, every person charged with crime has the right to be informed of the accusation and to confront the accusers and witnesses with other testimony, and to have counsel for defense, and not be compelled to give self-incriminating evidence, or to pay costs, jail fees, or necessary witness fees of the defense, unless found guilty.

Sec. 24. Right of jury trial in criminal cases. No person shall be convicted of any crime but by the unanimous verdict of a jury in open court. The General Assembly may, however, provide for other means of trial for misdemeanors, with the right of appeal for trial de novo.

Sec. 25. Right of jury trial in civil cases. In all controversies at law respecting property, the ancient mode of trial by jury is one of the best securities of the rights of the people, and shall remain sacred and inviolable.

Sec. 26. Jury service. No person shall be excluded from jury service on account of sex, race, color, religion, or national origin.

Sec. 27. Bail, fines, and punishments. Excessive bail shall not be required, nor excessive fines imposed, nor cruel or unusual punishments inflicted.

Sec. 28. Imprisonment for debt. There shall be no imprisonment for debt in this State, except in cases of fraud.

Sec. 29. Treason against the State. Treason against the State shall consist only of levying war against it or adhering to its enemies by giving them aid and comfort. No person shall be convicted of treason unless on the testimony of two witnesses to the same overt act, or on confession in open court. No conviction of treason or attaintder shall work corruption of blood or forfeiture.

Sec. 30. Militia and the right to bear arms. A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed; and, as standing armies in time of peace are dangerous to liberty, they shall not be maintained, and the military shall be kept under strict subordination to, and governed by, the civil power. Nothing herein shall justify the
practice of carrying concealed weapons, or prevent the General Assembly from enacting penal statutes against that practice.

Sec. 31. Quartering of soldiers. No soldier shall in time of peace be quartered in any house without the consent of the owner, nor in time of war but in a manner prescribed by law.

Sec. 32. Exclusive emoluments. No person or set of persons is entitled to exclusive or separate emoluments or privileges from the community but in consideration of public services.

Sec. 33. Hereditary emoluments and honors. No hereditary emoluments, privileges, or honors shall be granted or conferred in this State.

Sec. 34. Perpetuities and monopolies. Perpetuities and monopolies are contrary to the genius of a free state and shall not be allowed.

Sec. 35. Recurrence to fundamental principles. A frequent recurrence to fundamental principles is absolutely necessary to preserve the blessings of liberty.

Sec. 36. Other rights of the people. The enumeration of rights in this Article shall not be construed to impair or deny others retained by the people.

Sec. 2. Governor and Lieutenant Governor: election, term, and qualifications.

(1) Election and term. The Governor and Lieutenant Governor shall be elected by the qualified voters of the State in 1972 and every four years thereafter, at the same time and places as members of the
General Assembly are elected. Their term of office shall be four years and shall commence on the first day of January next after their election and continue until their successors are elected and qualified.

(2) Qualifications. No person shall be eligible for election to the office of Governor or Lieutenant Governor unless, at the time of his election, he shall have attained the age of 30 years and shall have been a citizen of the United States for five years and a resident of this State for two years immediately preceding his election. No person elected to the Office of Governor or Lieutenant Governor shall be eligible for election to more than two consecutive terms of the same office.

Sec. 3. Succession to office of Governor.

(1) Succession as Governor. The Lieutenant Governor-elect shall become Governor upon the failure of the Governor-elect to qualify. The Lieutenant Governor shall become Governor upon the death, resignation, or removal from office of the Governor. The further order of succession to the office of Governor shall be prescribed by law. A successor shall serve for the remainder of the term of the Governor whom he succeeds and until a new Governor is elected and qualified.

(2) Succession as Acting Governor. During the absence of the Governor from the State, or during the physical or mental incapacity of the Governor to perform the duties of his office, the Lieutenant Governor shall be Acting Governor. The further order of succession as Acting Governor shall be prescribed by law.

(3) Physical incapacity. The Governor may, by a written statement filed with the Attorney General, declare that he is physically incapable of performing the duties of his office, and may thereafter in the same manner declare that he is physically capable of performing the duties of his office.

(4) Mental incapacity. The mental incapacity of the Governor to perform the duties of his office shall be determined only by joint resolution adopted by a vote of two-thirds of all the members of each house of the General Assembly. Thereafter, the mental capacity of the Governor to perform the duties of his office shall be determined only by joint resolution adopted by a vote of a majority of all the members of each house of the General Assembly. In all cases, the General Assembly shall give the Governor such notice as it may deem proper and shall allow him an opportunity to be heard before a joint
session of the General Assembly before it takes final action. When the General Assembly is not in session, the Council of State, a majority of its members concurring, may convene it in extra session for the purpose of proceeding under this paragraph.

(5) Impeachment. Removal of the Governor from office for any other cause shall be by impeachment.

Sec. 4. Oath of office for Governor. The Governor, before entering upon the duties of his office, shall, before any Justice of the Supreme Court, take an oath or affirmation that he will support the Constitution and laws of the United States and of the State of North Carolina, and that he will faithfully perform the duties pertaining to the office of governor.

Sec. 5. Duties of Governor.

(1) Residence. The Governor shall reside at the seat of government of this State.

(2) Information to General Assembly. The Governor shall from time to time give the General Assembly information of the affairs of the State and recommend to their consideration such measures as he shall deem expedient.

(3) Budget. The Governor shall prepare and recommend to the General Assembly a comprehensive budget of the anticipated revenue and proposed expenditures of the State for the ensuing fiscal period. The budget as enacted by the General Assembly shall be administered by the Governor.

The total expenditures of the State for the fiscal period covered by the budget shall not exceed the total of receipts during that fiscal period and the surplus remaining in the State Treasury at the beginning of the period. To insure that the State does not incur a deficit for any fiscal period, the Governor shall continually survey the collection of the revenue and shall effect the necessary economies in State expenditures, after first making adequate provision for the prompt payment of the principal of and interest on bonds and notes of the State according to their terms, whenever he determines that receipts during the fiscal period, when added to any surplus remaining in the State Treasury at the beginning of the period, will not be sufficient to meet budgeted expenditures. This section shall not be construed to impair the power of the State to issue its bonds and notes within the limitations imposed in Article V of this Constitution, nor to
impair the obligation of bonds and notes of the State now outstanding or issued hereafter.

(4) **Execution of laws.** The Governor shall take care that the laws be faithfully executed.

(5) **Commander in Chief.** The Governor shall be Commander in Chief of the military forces of the State except when they shall be called into the service of the United States.

(6) **Clemency.** The Governor may grant reprieves, commutations, and pardons, after conviction, for all offenses (except in cases of impeachment), upon such conditions as he may think proper, subject to regulations prescribed by law relative to the manner of applying for pardons. The terms reprieves, commutations, and pardons shall not include paroles.

(7) **Extra sessions.** The Governor may, on extraordinary occasions, by and with the advice of the Council of State, convene the General Assembly in extra session by his proclamation, stating therein the purpose or purposes for which they are thus convened.

(8) **Appointments.** The Governor shall nominate and by and with the advice and consent of a majority of the Senators appoint all officers whose appointments are not otherwise provided for.

(9) **Information.** The Governor may at any time require information in writing from the head of any administrative department or agency upon any subject relating to the duties of his office.

(10) **Administrative reorganization.** The General Assembly shall prescribe the functions, powers, and duties of the administrative departments and agencies of the State and may alter them from time to time, but the Governor may make such changes in the allocation of offices and agencies and in the allocation of those functions, powers, and duties as he considers necessary for efficient administration. If those changes affect existing law, they shall be set forth in executive orders, which shall be submitted to the General Assembly not later than the sixtieth calendar day of its session, and shall become effective and shall have the force of law upon adjournment sine die of the session, unless specifically disapproved by resolution of either house of the General Assembly or specifically modified by joint resolution of both houses of the General Assembly.
Sec. 6. Duties of the Lieutenant Governor. The Lieutenant Governor shall be President of the Senate, but shall have no vote unless the Senate is equally divided. He shall perform such additional duties as the General Assembly or the Governor may assign to him. He shall receive the compensation and allowances prescribed by law.

Sec. 7. Other elective officers.

(1) Officers. A Secretary of State, an Auditor, a Treasurer, a Superintendent of Public Instruction, an Attorney General, a Commissioner of Agriculture, a Commissioner of Labor, and a Commissioner of Insurance shall be elected by the qualified voters of the State in 1972 and every four years thereafter, at the same time and places as members of the General Assembly are elected. Their term of office shall be four years and shall commence on the first day of January next after their election and continue until their successors are elected and qualified.

(2) Duties. Their respective duties shall be prescribed by law.

(3) Vacancies. If the office of any of these officers is vacated by death, resignation, or otherwise, it shall be the duty of the Governor to appoint another to serve until his successor is elected and qualified. Every such vacancy shall be filled by election at the first election for members of the General Assembly that occurs more than 60 days after the vacancy has taken place, and the person chosen shall hold the office for the remainder of the unexpired term fixed in this Section. When a vacancy occurs in the office of any of the officers named in this Section and the term expires on the first day of January succeeding the next election for members of the General Assembly, the Governor shall appoint to fill the vacancy for the unexpired term of the office.

(4) Interim officers. Upon the occurrence of a vacancy in the office of any one of these officers for any of the causes stated in the preceding paragraph, the Governor may appoint an interim officer to perform the duties of that office until a person is appointed or elected pursuant to this Section to fill the vacancy and is qualified.

(5) Acting officers. During the physical or mental incapacity of any one of these officers to perform the duties of his office, as determined pursuant to this Section, the duties of his office shall be performed by an acting officer who shall be appointed by the Governor.
(6) Determination of incapacity. The General Assembly shall by law prescribe with respect to those officers, other than the Governor, whose offices are created by this Article, procedures for determining the physical or mental incapacity of any officer to perform the duties of his office, and for determining whether an officer who has been temporarily incapacitated has sufficiently recovered his physical or mental capacity to perform the duties of his office. Removal of those officers from office for any other cause shall be by impeachment.

(7) Special Qualifications for Attorney General. Only persons duly authorized to practice law in the courts of this State shall be eligible for appointment or election as Attorney General.

Sec. 8. Council of State. The Council of State shall consist of the officers whose offices are established by this Article.

Sec. 9. Compensation and allowances. The officers whose offices are established by this Article shall at stated periods receive the compensation and allowances prescribed by law, which shall not be diminished during the time for which they have been chosen.

Sec. 10. Seal of State. There shall be a seal of the State, which shall be kept by the Governor and used by him as occasion may require, and shall be called "The Great Seal of the State of North Carolina". All grants or commissions shall be issued in the name and by the authority of the State of North Carolina, sealed with "The Great Seal of the State of North Carolina", and signed by the Governor.

Sec. 11. Administrative departments. Not later than July 1, 1975, all administrative departments, agencies, and offices of the State and their respective functions, powers, and duties shall be allocated by law among and within not more than 25 principal administrative departments so as to group them as far as practicable according to major purposes. Regulatory, quasi-judicial, and temporary agencies may, but need not, be allocated within a principal department.

ARTICLE IV

JUDICIAL

Section 1. Judicial power. The judicial power of the State shall, except as provided in Section 3 of this Article, be vested in a Court for the Trial of Impeachments and in a General Court of Justice. The General Assembly shall have no power to deprive the judicial
department of any power or jurisdiction that rightfully pertains to it as a coordinate department of the government, nor shall it establish or authorize any courts other than as permitted by this Article.

Sec. 2. General Court of Justice. The General Court of Justice shall constitute a unified judicial system for purposes of jurisdiction, operation, and administration, and shall consist of an Appellate Division, a Superior Court Division, and a District Court Division.

Sec. 3. Judicial powers of administrative agencies. The General Assembly may vest in administrative agencies established pursuant to law such judicial powers as may be reasonably necessary as an incident to the accomplishment of the purposes for which the agencies were created. Appeals from administrative agencies shall be to the General Court of Justice.

Sec. 4. Court for the Trial of Impeachments. The House of Representatives solely shall have the power of impeaching. The Court for the Trial of Impeachments shall be the Senate. When the Governor or Lieutenant Governor is impeached, the Chief Justice shall preside over the Court. A majority of members shall be necessary to a quorum, and no person shall be convicted without the concurrence of two-thirds of the Senators present. Judgment upon conviction shall not extend beyond removal from and disqualification to hold office in this State, but the party shall be liable to indictment and punishment according to law.

Sec. 5. Appellate division. The Appellate Division of the General Court of Justice shall consist of the Supreme Court and the Court of Appeals.

Sec. 6. Supreme Court.

(1) Membership. The Supreme Court shall consist of a Chief Justice and six Associate Justices, but the General Assembly may increase the number of Associate Justices to not more than eight. In the event the Chief Justice is unable, on account of absence or temporary incapacity, to perform any of the duties placed upon him, the senior Associate Justice available may discharge these duties.

(2) Sessions of the Supreme Court. The sessions of the Supreme Court shall be held in the City of Raleigh unless otherwise provided by the General Assembly.
Sec. 7. Court of Appeals. The structure, organization, and composition of the Court of Appeals shall be determined by the General Assembly. The Court shall have not less than five members, and may be authorized to sit in divisions, or other than en banc. Sessions of the Court shall be held at such times and places as the General Assembly may prescribe.

Sec. 8. Retirement of Justices and Judges. The General Assembly shall provide by general law for the retirement of Justices and Judges of the General Court of Justice, and may provide for the temporary recall of any retired Justice or Judge to serve on the court or courts of the division from which he was retired. The General Assembly shall also prescribe maximum age limits for service as a Justice or Judge.

Sec. 9. Superior Courts.

(1) Superior Court districts. The General Assembly shall, from time to time, divide the State into a convenient number of Superior Court judicial districts and shall provide for the election of one or more Superior Court Judges for each district. Each regular Superior Court Judge shall reside in the district for which he is elected. The General Assembly may provide by general law for the selection or appointment of special or emergency Superior Court Judges not selected for a particular judicial district.

(2) Open at all times; sessions for trial of cases. The Superior Courts shall be open at all times for the transaction of all business except the trial of issues of fact requiring a jury. Regular trial sessions of the Superior Court shall be held at times fixed pursuant to a calendar of courts promulgated by the Supreme Court. At least two sessions for the trial of jury cases shall be held annually in each county.

(3) Clerks. A Clerk of the Superior Court for each county shall be elected for a term of four years by the qualified voters thereof, at the same time and places as members of the General Assembly are elected. If the office of Clerk of the Superior Court becomes vacant otherwise than by the expiration of the term, or if the people fail to elect, the senior regular resident Judge of the Superior Court serving the county shall appoint to fill the vacancy until an election can be regularly held.

Sec. 10. District Courts. The General Assembly shall, from time to time, divide the State into a convenient number of local court districts and shall prescribe where the District Courts shall sit, but a District
Court must sit in at least one place in each county. District Judges shall be elected for each district for a term of four years, in a manner prescribed by law. When more than one District Judge is authorized and elected for a district, the Chief Justice of the Supreme Court shall designate one of the judges as Chief District Judge. Every District Judge shall reside in the district for which he is elected. For each county, the senior regular resident Judge of the Superior Court serving the county shall appoint for a term of two years, from nominations submitted by the Clerk of the Superior Court of the county, one or more Magistrates who shall be officers of the District Court. The number of District Judges and Magistrates shall, from time to time, be determined by the General Assembly. Vacancies in the office of District Judge shall be filled for the unexpired term in a manner prescribed by law. Vacancies in the office of Magistrate shall be filled for the unexpired term in the manner provided for original appointment to the office.

Sec. 11. Assignment of Judges. The Chief Justice of the Supreme Court, acting in accordance with rules of the Supreme Court, shall make assignments of Judges of the Superior Court and may transfer District Judges from one district to another for temporary or specialized duty. The principle of rotating Superior Court Judges among the various districts of a division is a salutary one and shall be observed. For this purpose the General Assembly may divide the State into a number of judicial divisions. Subject to the general supervision of the Chief Justice of the Supreme Court, assignment of District Judges within each local court district shall be made by the Chief District Judge.

Sec. 12. Jurisdiction of the General Court of Justice.

(1) Supreme Court. The Supreme Court shall have jurisdiction to review upon appeal any decision of the courts below, upon any matter of law or legal inference. The jurisdiction of the Supreme Court over "issues of fact" and "questions of fact" shall be the same exercised by it prior to the adoption of this Article, and the Court may issue any remedial writs necessary to give it general supervision and control over the proceedings of the other courts. The Supreme Court also has jurisdiction to review, when authorized by law, direct appeals from a final order or decision of the North Carolina Utilities Commission.

(2) Court of Appeals. The Court of Appeals shall have such appellate jurisdiction as the General Assembly may prescribe.
(3) *Superior Court.* Except as otherwise provided by the General Assembly, the Superior Court shall have original general jurisdiction throughout the State. The Clerks of the Superior Court shall have such jurisdiction and powers as the General Assembly shall prescribe by general law uniformly applicable in every county of the State.

(4) *District Courts; Magistrates.* The General Assembly shall, by general law uniformly applicable in every local court district of the State, prescribe the jurisdiction and powers of the District Courts and Magistrates.

(5) *Waiver.* The General Assembly may by general law provide that the jurisdictional limits may be waived in civil cases.

(6) *Appeals.* The General Assembly shall by general law provide a proper system of appeals. Appeals from Magistrates shall be heard de novo, with the right of trial by jury as defined in this Constitution and the laws of this State.

Sec. 13. *Forms of action; rules of procedure.*

(1) *Forms of action.* There shall be in this State but one form of action for the enforcement or protection of private rights or the redress of private wrongs, which shall be denominated a civil action, and in which there shall be a right to have issues of fact tried before a jury. Every action prosecuted by the people of the State as a party against a person charged with a public offense, for the punishment thereof, shall be termed a criminal action.

(2) *Rules of procedure.* The Supreme Court shall have exclusive authority to make rules of procedure and practice for the Appellate Division. The General Assembly may make rules of procedure and practice for the Superior Court and District Court Divisions, and the General Assembly may delegate this authority to the Supreme Court. No rule of procedure or practice shall abridge substantive rights or abrogate or limit the right of trial by jury. If the General Assembly should delegate to the Supreme Court the rule-making power, the General Assembly may, nevertheless, alter, amend, or repeal any rule of procedure or practice adopted by the Supreme Court for the Superior Court or District Court Divisions.

Sec. 14. *Waiver of jury trial.* In all issues of fact joined in any court, the parties in any civil case may waive the right to have the issues determined by a jury, in which case the finding of the judge upon the facts shall have the force and effect of a verdict by a jury.
Sec. 15. Administration. The General Assembly shall provide for an administrative office of the courts to carry out the provisions of this Article.

Sec. 16. Terms of office and election of Justices of the Supreme Court, Judges of the Court of Appeals, and Judges of the Superior Court. Justices of the Supreme Court, Judges of the Court of Appeals, and regular Judges of the Superior Court shall be elected by the qualified voters and shall hold office for terms of eight years and until their successors are elected and qualified. Justices of the Supreme Court and Judges of the Court of Appeals shall be elected by the qualified voters of the State. Regular Judges of the Superior Court may be elected by the qualified voters of the State or by the voters of their respective districts, as the General Assembly may prescribe.

Sec. 17. Removal of Judges, Magistrates and Clerks.

(1) Removal of Judges by the General Assembly. Removal from office by the General Assembly for any other cause shall be by impeachment.

(2) Additional method of removal of Judges. The General Assembly shall prescribe a procedure, in addition to impeachment and address set forth in this Section, for the removal of a Justice or Judge of the General Court of Justice for mental or physical incapacity interfering with the performance of his duties which is, or is likely to become, permanent, and for the censure and removal of a Justice or Judge of the General Court of Justice for wilful misconduct in office, wilful and persistent failure to perform his duties, habitual intemperance, conviction of a crime involving moral turpitude, or conduct prejudicial to the administration of justice that brings the judicial office into disrepute.

Sec. 8. **Health care facilities.** Notwithstanding any other provisions of this Constitution, the General Assembly may enact general laws to authorize the State, counties, cities or towns, and other State and local governmental entities to issue revenue bonds to finance or refinance for any such governmental entity or any nonprofit private corporation, regardless of any church or religious relationship, the cost of acquiring, constructing, and financing health care facility projects to be operated to serve and benefit the public; provided, no cost incurred earlier than two years prior to the effective date of this section shall be refinanced. Such bonds shall be payable from the revenues, gross or net, of any such projects and any other health care facilities of any such governmental entity or nonprofit private corporation pledged therefor; shall not be secured by a pledge of the full faith and credit, or deemed to create an indebtedness requiring voter approval of any governmental entity; and may be secured by an agreement which may provide for the conveyance of title of, with or without consideration, any such project or facilities to the governmental entity or nonprofit private corporation. The power of eminent domain shall not be used pursuant hereto for nonprofit private corporations.

Sec. 9. **Capital projects for industry.** Notwithstanding any other provision of this Constitution, the General Assembly may enact general laws to authorize counties to create authorities to issue revenue bonds to finance, but not to refinance, the cost of capital projects consisting of industrial, manufacturing and pollution control facilities for industry and pollution control facilities for public utilities, and to refund such bonds.

In no event shall such revenue bonds be secured by or payable from any public moneys whatsoever, but such revenue bonds shall be secured by and payable only from revenues or property derived from private parties. All such capital projects and all transactions therefor shall be subject to taxation to the extent such projects and transactions would be subject to taxation if no public body were involved therewith; provided, however, that the General Assembly may provide that the interest on such revenue bonds shall be exempt from income taxes within the State.

The power of eminent domain shall not be exercised to provide any property for any such capital project.
Sec. 10. Joint ownership of generation and transmission facilities. In addition to other powers conferred upon them by law, municipalities owning or operating facilities for the generation, transmission or distribution of electric power and energy and joint agencies formed by such municipalities for the purpose of owning or operating facilities for the generation and transmission of electric power and energy (each, respectively, "a unit of municipal government") may jointly or severally own, operate and maintain works, plants and facilities, within or without the State, for the generation and transmission of electric power and energy, or both, with any person, firm, association or corporation, public or private, engaged in the generation, transmission or distribution of electric power and energy for resale (each, respectively, "a co-owner") within this State or any state contiguous to this State, and may enter into and carry out agreements with respect to such jointly owned facilities. For the purpose of financing its share of the cost of any such jointly owned electric generation or transmission facilities, a unit of municipal government may issue its revenue bonds in the manner prescribed by the General Assembly, payable as to both principal and interest solely from and secured by a lien and charge on all or any part of the revenue derived, or to be derived, by such unit of municipal government from the ownership and operation of its electric facilities; provided, however, that no unit of municipal government shall be liable, either jointly or severally, for any acts, omissions or obligations of any co-owner, nor shall any money or property of any unit of municipal government be credited or otherwise applied to the account of any co-owner or be charged with any debt, lien or mortgage as a result of any debt or obligation of any co-owner.

Sec. 11. Capital projects for agriculture. Notwithstanding any other provision of the Constitution the General Assembly may enact general laws to authorize the creation of an agency to issue revenue bonds to finance the cost of capital projects consisting of agricultural facilities, and to refund such bonds.

In no event shall such revenue bonds be secured by or payable from any public moneys whatsoever, but such revenue bonds shall be secured by and payable only from revenue or property derived from private parties. All such capital projects and all transactions therefor shall be subject to taxation to the extent such projects and transactions would be subject to taxation if no public body were involved therewith; provided, however, that the General Assembly may provide that the interest on such revenue bonds shall be exempt from income taxes within the State.

Such bonds shall be payable from any revenues or assets of any such nonprofit private corporation pledged therefor, shall not be secured by a pledge of the full faith and credit of the State or such State entity or deemed to create an indebtedness requiring voter approval of the State or such entity, and, where the title to such facilities is vested in the State or any State entity, may be secured by an agreement which may provide for the conveyance of title to, with or without consideration, such facilities to the nonprofit private corporation. The power of eminent domain shall not be used pursuant hereto.

Removal from one precinct, ward, or other election district to another in this State shall not operate to deprive any person of the right to vote in the precinct, ward, or other election district from which that person has removed until 30 days after the removal.

(2) Residence period for presidential elections. The General Assembly may reduce the time of residence for persons voting in presidential elections. A person made eligible by reason of a reduction in time of residence shall possess the other qualifications set out in this Article, shall only be entitled to vote for President and Vice President of the United States or for electors for President and Vice President, and shall not thereby become eligible to hold office in this State.

(3) Disqualification of felon. No person adjudged guilty of a felony against this State or the United States, or adjudged guilty of a felony in another state that also would be a felony if it had been committed in this State, shall be permitted to vote unless that person shall be first restored to the rights of citizenship in the manner prescribed by law.
Sec. 3. *Registration.* Every person offering to vote shall be at the time legally registered as a voter as herein prescribed and in the manner provided by law. The General Assembly shall enact general laws governing the registration of voters.

and who has not been restored to the rights of citizenship in the manner prescribed by law.

Sec. 9. Dual office holding.

(1) Prohibitions. It is salutary that the responsibilities of self-government be widely shared among the citizens of the State and that the potential abuse of authority inherent in the holding of multiple offices by an individual be avoided. Therefore, no person who holds any office or place of trust or profit under the United States or any department thereof, or under any other state or government, shall be eligible to hold any office in this State that is filled by election by the people. Sec. 10. Continuation in office. In the absence of any contrary provision, all officers in this State, whether appointed or elected, shall hold their positions until other appointments are made or, if the offices are elective, until their successors are chosen and qualified.

ARTICLE VII

AN ACT TO PERMIT THE GARNISHMENT OF WAGES FOR CERTAIN DEBTS OWED TO PUBLIC HOSPITALS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 131E of the General Statutes is amended by adding a new Article 5A to read:

"Article 5A.
"§ 131E-48. Definitions.--As used in this Article, unless the context clearly requires otherwise:

(1) 'Disposable earnings' means that part of the compensation paid or payable for personal services, including wages, salary, commission, bonus, payments to a pension or retirement program, and other similar payments that remain after the deduction of any amounts required by law to be withheld.

(2) 'Family' means a parent or parents and minor children or spouses that reside together.

(3) 'Family income of the debtor' means family income as set out in the annual federal poverty guidelines issued by the United States Department of Health and Human Services in effect at the time of the hearing, less the amount of the costs of the family's reasonable ongoing medical needs.

(4) 'Garnishee' means an employer liable for compensation for personal services rendered or to be rendered by a person who is indebted to a public hospital for hospital services.

(5) 'Hospital services' means services rendered only by the public hospital. Hospital services shall include professional charges of any physician or medical student, but only if the physician or student is an employee of the public hospital.

(6) 'Public hospital' means any hospital facility operated on a nonprofit basis, any hospital that is owned or operated by the State, or any hospital as defined in G.S. 159-39(a).

"§ 131E-49. Procedure for garnishment.--(a) A public hospital may move the court in the county wherein the debtor resides for an order for garnishment of the disposable earnings of the debtor after 10 days
following the entry of a judgment for a sum certain for hospital services rendered if the following conditions have been met:

(1) The public hospital has made reasonable efforts to collect the bill from any third-party payors;

(2) The public hospital has waited for a period of at least 120 days following the mailing of the bill for hospital services rendered to the debtor's last known address; and

(3) The public hospital has sent a certified letter to the debtor's last known address which includes information that the debtor's disposable earnings may be subject to wage garnishment unless the debtor shows the hospital that his family income is at or below two hundred percent (200%) of the annual federal poverty guidelines. The letter shall include the definition of family, family income, the current federal poverty guidelines in effect at the time of the letter, and the procedures to contest the proposed garnishment.

(b) The court may enter an order of garnishment following notice requirements set forth in this Article and a hearing held pursuant to the motion for garnishment. Provided, however, that the court shall not enter an order of garnishment unless the court makes findings of fact that the current family income of the debtor, at the time of the hearing, exceeds two hundred percent (200%) of the guidelines. The notice of the motion for garnishment shall include information that the debtor's disposable earnings shall not be garnished if the debtor shows that his current family income is at or below two hundred percent (200%) of the annual federal poverty guidelines and the definition of family, family income, and the guidelines shall be attached to such notice. The notice shall also state the procedures and duties applicable under this Article, including the procedures the debtor should follow to contest the proposed garnishment. The court shall presume that the current family income of the debtor exceeds two hundred percent (200%) of the federal poverty guidelines if the debtor or his representative fails to appear at the hearing held on the motion for garnishment. If an order for garnishment is entered, a copy of the order shall be served on the debtor and the garnishee either personally or by certified or registered mail, return receipt requested.

(c) The court shall not enter an order of garnishment if the debtor is making regular payments to the public hospital that are equal to ten percent (10%) of the debtor's monthly disposable earnings. Further, the court shall not enter an order of garnishment if the debtor satisfactorily shows that he is making a good faith effort to obtain payment for hospital services from a third-party payor.

(d) The court shall not enter an order of garnishment which exceeds ten percent (10%) of the debtor's monthly disposable
earnings. The court shall not enter an order of garnishment which is in effect for a period in excess of 60 months from the date of the initial order of garnishment.

(e) The amount garnished shall be increased by an additional one dollar ($1.00) processing fee to be assessed and retained by the garnishee for each payment under the order.

(f) The garnishment order shall be subject to review for modification or dissolution upon the filing of a motion in the cause. The garnishment order shall be dissolved upon a showing by the debtor that his current family income equals or is less than two hundred percent (200%) of the annual federal poverty guidelines issued by the United States Department of Health and Human Services in effect at the time of the hearing on the motion.

(g) Upon receipt of an order of garnishment, the garnishee shall transmit the amount ordered by the court to be garnished to the clerk of court who shall disburse it to the public hospital. The garnishee shall not be required to change normal pay cycles, but shall make every effort to ensure that payments are received as soon as practicable. The garnishment order shall simplify the withholding process for garnishees to the extent possible.

"§ 131E-50. Penalties.--No employee may be discharged from employment or suffer any disciplinary action because he has been subject to garnishment of his wages if one of the garnishments was under this Article. An employee who believes that this provision has been violated may bring an action against the employer. In any such action, the court for cause shown shall restrain violations and order payment of damages, including backpay, reinstatement, and all other appropriate relief, including payment of the employee’s reasonable costs and attorney’s fees.

"§ 131E-51. Applicability.--Garnishment of disposable earnings under this Article 18 is in lieu of any other execution against the property of the debtor. Upon the satisfaction of the judgment or the expiration of the order of garnishment or 60 months from the date of the entry of the order of garnishment, whichever occurs first, the clerk shall mark the judgment paid and satisfied."

Sec. 2. Upon ratification of this act, Chapter 1005 of the 1973 Session Laws, Chapters 845 and 1093 of the 1979 Session Laws, and Chapter 1051 of the 1983 Session Laws are repealed.

Section 1. Occupancy tax. (a) Authorization and scope. The Alamance County Board of Commissioners may by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to gross receipts derived by the following entities from accommodations furnished by them:

(1) Nonprofit charitable organizations;
(2) religious organizations;
(3) educational organizations; and
(4) any business that offers to rent fewer than five units.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and
shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day’s omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Distribution and use of tax revenue. Alamance County shall remit on a monthly basis two-thirds of the net proceeds of the occupancy tax to the county Tourism Development Authority in Alamance County. The remaining one-third of the net proceeds shall be retained by Alamance County. “Net proceeds” means gross proceeds less three percent (3%) of the gross proceeds to cover the cost to the county of administering and collecting the tax.

The net proceeds retained by the county may be expended by the county only for acquiring, constructing, financing (including debt service), maintaining, and operating civic centers, arts centers,
libraries, parks, museums, and recreational facilities and for visitor-related programs and activities including, but not limited to, museums and other art or cultural programs, events, and festivals.

The Authority may expend any proceeds distributed to it only to further the development of travel, tourism, and conventions in the county through State, national, and international advertising and promotion.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by majority vote of the Alamance County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. Tourism Development Authority. (a) Appointment and membership. When the board of commissioners adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The Authority shall be composed of the following five members appointed by the board of commissioners after receiving recommendations by the Chamber of Commerce:

Members appointed to fill vacancies shall serve the remainder of the unexpired term for which they are appointed to fill. Members shall serve two-year terms. Two of the members shall initially be appointed for a one-year term and thereafter shall be appointed for two-year terms in order to provide for staggered appointments. Any staff employed under this part shall be hired and supervised by the Tourism Development Authority, which shall pay the salaries and expenses of this staff. All staff shall serve at the pleasure of the Authority.

CHAPTER 956

AN ACT TO AUTHORIZE THE TOWN OF SUNSET BEACH TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.
The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Sunset Beach Town Council may by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of no more than three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(3) and on the rental of all private residences and cottages, regardless whether the residence or cottage is rented for less than 15 days. This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the town. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The town shall design, print, and furnish to all appropriate businesses and persons in the town the necessary forms for filing returns and instructions to ensure the full collection of the tax.

(c) Administration. The town shall administer a tax levied under this section. A tax levied under this section is due and payable to the Sunset Beach tax collector in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the town. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A return filed with the tax collector under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

The tax collector may collect any unpaid taxes levied under this act through the use of attachment and garnishment proceedings as provided in G.S. 105-368 for collection of property taxes. The tax collector has the same enforcement powers concerning the tax imposed by this act as does the Secretary of Revenue in enforcing the State sales tax under G.S. 105-164.30.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a
penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The town council may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Distribution and use of tax revenue. The tax collector shall remit the proceeds of this tax to the town on a monthly basis. The funds received by the town pursuant to this act shall be allocated to a special fund and used only for tourism-related expenditures. As used in this act, the term "tourism-related expenditures" includes the following types of expenditures: criminal justice system, fire protection, public facilities and utilities, health facilities, solid waste and sewage treatment, and the control and repair of water front erosion. These funds may not be used for services normally provided by the town on behalf of its citizens unless these services promote tourism and enlarge its economic benefits by enhancing the ability of the town to attract and provide for tourists.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Sunset Beach Town Council. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. This act is effective upon ratification.

AN ACT TO ALLOW SHAMPOOING BY UNLICENSED SHAMPOOERS IN DUPLIN COUNTY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 88-1 reads as rewritten:

"§ 88-1. Practice of cosmetology regulated; permits for operation of cosmetic art shops.—On and after June 30, 1933, no person or combination of persons shall, for pay or reward, either directly or indirectly, practice or attempt to practice cosmetic art as hereinafter defined in the State of North Carolina without a certificate of
registration, either as a registered apprentice or as a registered 'cosmetologist,' issued pursuant to the provisions of this Chapter by the State Board of Cosmetic Art Examiners hereinafter established and, except as provided in G.S. 88-7.1; the practice of cosmetic art shall not be performed outside of a licensed and regularly inspected beauty establishment.

The operator of a cosmetic art shop, beauty parlor or hairdressing establishment may employ unlicensed personnel to do shampooing only, where the shampooing is done under the supervision of a registered cosmetologist. As used in this paragraph, 'shampooing' includes only the application of shampoo to hair and the removal of the shampoo from the hair, and does not include any arranging, dressing, waving, marcelling or other treatment of hair. This paragraph does not apply to barbershops. This paragraph shall not apply to the following counties: Duplin, Guilford, Jones, Lenoir, Mecklenburg, Onslow, Richmond, Sampson.

On and after February 1, 1976, any person, firm or corporation, before establishing or opening a cosmetic art shop not heretofore licensed by the State Board of Cosmetic Art, shall make application to the Board, on forms to be furnished by the Board, for a permit to operate a cosmetic art shop. The shop of such applicant shall be inspected and approved by the State Board of Cosmetic Art by an agent designated for such purpose by the Board before such cosmetic art shop shall be opened for business. It shall be unlawful to open a new cosmetic art shop for the practice of cosmetology until such shop has been inspected, as heretofore required, and determined by the Board to be in compliance with the requirements set forth in this Chapter. Upon the determination by the Board that the applicant has complied with the requirements of this Chapter, the Board shall issue to such applicant a permit to operate a cosmetic art shop. A fee of twenty-five dollars ($25.00) shall be paid to the Board for the inspection of a cosmetic art shop. Such fee must accompany the application for a permit to operate a cosmetic art shop at the time such application is filed with the Board.

All cosmetic art shops in operation as of February 1, 1976, shall be required to make application to the Board of Cosmetic Art, on forms supplied by the Board, for a permit to operate. The fee required for such permit shall be three dollars ($3.00) per active booth in said shop.

Thereafter, all permits shall be renewed as of the first day of February of each and every year, and the fee for annual renewal of cosmetic art shop permits shall be as set forth in G.S. 88-21. No permit or certificate shall be transferable from one location to another or from one owner to another at the same location. Each cosmetic art
shop permit shall be conspicuously posted within such cosmetic art shop for which same is issued."

Sec. 2. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 24th day of June, 1988.

AN ACT SETTING FORTH THE METHOD OF ELECTING THE DUPLIN COUNTY BOARD OF COMMISSIONERS AND BOARD OF EDUCATION AS ORDERED BY THE UNITED STATES DISTRICT COURT IN FEBRUARY 1988.

Section 1. Levy of Tax. (a) The Board of Commissioners of Richmond County may by resolution levy a room occupancy and tourism development tax.

(b) Collection of the tax and liability therefor, shall begin and continue only on and after the first day of a calendar month set by the board of county commissioners in the resolution levying the tax, which in no case may be earlier than the first day of the succeeding calendar month after the date of adoption of the resolution.

Sec. 2. Occupancy Tax. The county room occupancy and tourism development tax that may be levied under this act shall be three percent (3%) of the gross receipts derived from the rental of any
room, lodging, or similar accommodation furnished by any hotel, motel, inn, tourist camp or other similar place within the county now subject to the three percent (3%) sales tax imposed by the State under G.S. 105-164(3). This tax is in addition to any local sales tax. This tax does not apply to gross receipts derived by the following entities from accommodations furnished by them:

1. Religious organizations;
2. Educational organizations;
3. Any business that offers to rent fewer than five units; and
4. Summer camps.

Sec. 3. Administration of Tax. (a) Any tax levied under this act is due and payable to the county in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

(b) Any person, firm, corporation, or association who fails or refuses to file the return required by this act shall pay a penalty of ten dollars ($10.00) for each day’s omission.

(c) In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to the penalty prescribed in subsection (b), with an additional tax of five percent (5%) for each additional month or fraction thereof until the occupancy tax is paid.

(d) Any person who willfully attempts in any manner to evade the occupancy tax imposed under this act or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punished by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both.

Sec. 4. Collection of Tax. This tax shall be collected as part of the charge for the furnishing of any taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of Richmond County. The room occupancy tax levied pursuant to this act shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The
county shall design, print, and furnish to all appropriate businesses in Richmond County the necessary forms for filing returns and instructions to ensure the full collection of the tax.

An operator of a business who collects the occupancy tax levied under this act may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.

Sec. 5. Disposition of Taxes Collected. (a) Richmond County shall remit the net proceeds of the occupancy tax to the county Tourism Development Authority in Richmond County. "Net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, which may not exceed three percent (3%) of the collected tax.

(b) The Tourism Development Authority may expend any funds distributed to it pursuant to subsection (a) only to further the development of travel, tourism, and conventions in the county through State, national, and international advertising and promotion. The Authority may not use more than twenty-five percent (25%) of the funds distributed to it pursuant to subsection (a) for administrative expenses of the Authority.

Sec. 6. Appointment, Duties of Tourism Development Authority. (a) When the board of county commissioners adopts a resolution levying a room occupancy tax pursuant to this act, it shall also adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act and shall be composed of the following five members:

H.B. 2332 CHAPTER 970

AN ACT TO AUTHORIZE PENDER COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Pender County Board of Commissioners may by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3) and is not subject to a tax imposed pursuant to Part IX of Chapter 908 of the 1983 Session Laws. This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.
(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day’s omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.
(e) Use of tax revenue. Pender County may use the proceeds of an occupancy tax levied under this section for any lawful purpose.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(\textit{g}) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Pender County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. This act is effective upon ratification.

AN ACT TO PROVIDE FOR A SPECIAL PRIMARY TO FILL A VACANCY ON THE VANCE COUNTY BOARD OF EDUCATION, AND TO PROVIDE THAT IN FILLING FURTHER VACANCIES, THE BOARD OF EDUCATION MUST CHOOSE THE CANDIDATE RECOMMENDED BY THE COUNTY PARTY EXECUTIVE COMMITTEE OF THE VACATING MEMBER.

Whereas, Chapter 262, Session Laws of 1967, provides that where a vacancy occurs on the Vance County Board of Education during the first two years of a term, an election is to be held to choose a successor for the remaining two years of the term, but that act fails to provide a method for making party nominations after the normal candidate filing deadline; and

Whereas, clarification is needed as to the procedure for the Board of Education filling the vacancy until that election is held; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. Section 7 of Chapter 262, Session Laws of 1967, is amended by adding the following immediately after the words "and at such next general election the remaining portion of the unexpired term shall be filled by election.": "Nominations shall be made in accordance with G.S. 163-115, except where the nomination is to be made by the county party executive committee under that section because it is the appropriate executive committee under G.S. 163-114, only the members of the county executive committee who live in the district of the vacating member may vote."
Sec. 2. (a) In accordance with Section 7 of Chapter 262, Session Laws of 1967, an election shall be held on the Tuesday after the first Monday in November 1988, to fill the remaining two years of an unexpired term on the Vance County Board of Education.

(b) Instead of using the nomination procedures provided in that section as amended by Section 1 of this act, a special primary shall be held to nominate candidates.

Sec. 3. (a) Notwithstanding G.S. 163-1, the partisan primary for the election scheduled by Section 2 of this act shall be held on the third Tuesday of August 1988.

(b) Notwithstanding G.S. 163-291(2) notices of candidacy for the 1988 election for the Vance County Board of Education scheduled by Section 2 of this act shall be filed with the Vance County Board of Elections not earlier than 12:00 noon on the second day (excluding Saturdays and Sundays) after this act is approved under Section 5 of the Voting Rights Act of 1965, and not later than 12:00 noon on the last Friday in July of 1988. Legal notice of the general election shall be given in accordance with law, but legal notice of the primary shall be given as soon as practicable after ratification of this act, but no later than 20 days prior to the primary. Absentee ballots for the primary and general election shall be available as soon as practicable.

(c) Notwithstanding G.S. 163-111(e), a second primary, if necessary, shall be held three weeks after the first primary.

Sec. 4. (a) This section is only effective if approval of Section 2(b) of this act by the United States Department of Justice under Section 5 of the Voting Rights Act of 1965 comes at a time to allow less than five days of candidate filing (Saturdays and Sundays excluded), or if the United States Department of Justice interposes objection to Section 3 of this act under Section 5 of the Voting Rights Act of 1965. If this section becomes effective, then Section 3 of this act is not effective.

(b) Notwithstanding G.S. 163-1, the partisan primary for the election scheduled by Section 2 of this act shall be held on the second Tuesday of September 1988.

(c) Notwithstanding G.S. 163-291(2), notices of candidacy for the 1988 election for the Vance County Board of Education scheduled by Section 2 of this act shall be filed with the Vance County Board of Elections not earlier than 12:00 noon on the second day (excluding Saturdays and Sundays) after this act is approved under Section 5 of the Voting Rights Act of 1965, and not later than 12:00 noon on the second Friday in August of 1988, except that the State Board of Elections may approve a different filing schedule if necessary to meet time constraints caused by the date of approval of this Section 2 of this act and this section by the United States Department of Justice under
Chapter 974  Session Laws – 1988

Section 5 of the Voting Rights Act of 1965. Legal notice of the general election shall be given in accordance with law, but legal notice of the primary shall be given as soon as practicable after ratification of this act, but no later than 20 days prior to the primary. Absentee ballots for the primary and general election shall be available as soon as practicable.

(d) Notwithstanding G.S. 163-111, the results of the 1988 primary election called by Section 2 of this act shall be determined as follows:

(1) When more than one person is seeking election to a single office, the candidate who receives the highest number of votes shall be declared the nominee.

(2) If two or more candidates receiving the highest number of votes each receive the same number of votes, the Vance County Board of Elections shall determine, by lot, from among those candidates receiving the same number of votes, the party nominee.

"§ 115C-37.1. Vacancies in offices of county boards elected on partisan basis in certain counties.--(a) All vacancies in the membership of county boards of education which are elected by public or local act on a partisan basis shall be filled by appointment of the person, board, or commission specified in the act, except that if the act specifies that appointment shall be made by a party executive committee, then the appointment shall be made instead by the remaining members of the board.

(b) If the vacating member was elected as the nominee of a political party, then the person, board, or commission required to fill the vacancy shall consult with the county executive committee of that party and appoint the person recommended by that party executive committee, if the party executive committee makes a recommendation within 30 days of the occurrence of the vacancy.

(c) Whenever only the qualified voters of less than the entire county were eligible to vote for the member whose seat is vacant (either because the county administrative unit was less than countywide or only residents of certain areas of the administrative unit could vote in the general election for a district seat), the appointing authority must accept the recommendation only if the county executive committee restricted voting to committee members who represent precincts all or part of which were within the territory of the vacating school board member.

(d) This section shall apply only in the following counties: Alamance, Alleghany, Avery, Beaufort, Brunswick, Buncombe, Burke, Cabarrus, Caldwell, Cherokee, Clay, Cleveland, Davidson,

CHAPTER 979

AN ACT TO AUTHORIZE HERTFORD COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Hertford County Board of Commissioners may by resolution, after not less than ten days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues.
Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of thirty (30) days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Distribution and use of tax revenue. Hertford County may use the proceeds of a tax levied under this section for any lawful purpose.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Hertford County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. This act is effective upon ratification.
In the General Assembly read three times and ratified this the 27th day of June, 1988.

CHAPTER 980

AN ACT TO PROVIDE THAT COUNTIES MAY BY RESOLUTION DEEM THE CREATION OF A SELF-FUNDED RISK PROGRAM AS THE PURCHASE OF INSURANCE FOR THE PURPOSE OF WAIVING THE DEFENSE OF GOVERNMENTAL IMMUNITY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 153A-435(a) reads as rewritten:

"(a) A county may contract to insure itself and any of its officers, agents, or employees against liability for wrongful death or negligent or intentional damage to person or property or against absolute liability for damage to person or property caused by an act or omission of the county or of any of its officers, agents, or employees when acting within the scope of their authority and the course of their employment. The board of commissioners shall determine what liabilities and what officers, agents, and employees shall be covered by any insurance purchased pursuant to this subsection.

Purchase of insurance pursuant to this subsection waives the county’s governmental immunity, to the extent of insurance coverage, for any act or omission occurring in the exercise of a governmental function. Participation in a local government risk pool pursuant to Article 39 of General Statute Chapter 58 shall be deemed to be the purchase of insurance for the purposes of this section. By entering into an insurance contract with the county, an insurer waives any defense based upon the governmental immunity of the county. In the event that a county elects to use a funded reserve in lieu of purchasing insurance against liability for wrongful death or negligence or intentional damage to personal property or against absolute liability for damage to person or property caused by an act or omission of the County or any of its officers, agents, or employees when action within the scope of their authority and the course of their employment, the Board of Commissioners may adopt a resolution which deems the creation of a funded reserve to be the same as the purchase of insurance for purposes of this provision. Adoption of this resolution waives the County’s governmental immunity to the extent specified in the Board’s resolution, but in no event greater than funds available in the funded reserve for the payment of claims."

Sec. 2. This act applies to Mecklenburg County and Catawba Counties only.

S.B. 1576  CHAPTER 996

AN ACT TO ALLOW THE TOWN OF ROLESVILLE TO IMPOSE IMPACT FEES.

The General Assembly of North Carolina enacts:

Section 1. Impact Fees Authorized. (a) The Town Board of Commissioners may provide by ordinance for a system of impact fees to be paid by developers to help defray the costs to the Town of constructing certain capital improvements, the need for which is created in substantial part by the new development that takes place within the town and its extraterritorial planning area.

(b) For purposes of this act, the term capital improvements includes capital improvements to public streets, bridges, sidewalks, greenways, water treatment facilities, wastewater treatment facilities, bikeways, on and off street surface water drainage ditches, pipes, culverts, other drainage facilities, public schools, and public recreation facilities.

(c) An ordinance adopted under this act may be made applicable to all development that occurs within the town and its extraterritorial planning area, as established by local act or pursuant to the procedures set forth in G.S. 160A-360.

(d) The Town may, with the approval of the Wake County Board of Commissioners, construct capital improvements outside the
Town limits but within the Town's extraterritorial planning area.

Sec. 2. Amount of Fees. In establishing the amount of any impact fee, the Town shall endeavor to approach the objective of having every development contribute to a capital improvements fund an amount of revenue that bears a reasonable relationship to that development's fair share of the costs of the capital improvements that are needed in part because of that development. In fulfilling this objective, the Town Board of Commissioners shall, among other steps and actions:

1. Estimate the total cost of improvements by category (e.g., streets, water, sewer, etc.) that will be needed to provide in a reasonable manner for the public health, safety and welfare of persons residing within the Town and its extraterritorial planning area during a reasonable planning period not to exceed 20 years. The Council may divide the Town and its extraterritorial area into two or more districts and estimate the costs of needed improvements within each district. These estimates shall be periodically reviewed and updated, and the planning period used may be changed from time to time.

2. Establish a percentage of the total costs of each category of improvement that, in keeping with the objective set forth above, should fairly be borne by those paying the impact fee.

3. Establish a formula that fairly and objectively apportions the total costs that are to be borne by those paying impact fees among various types of developments. By way of illustration without limitation:
   a. In the cause of street improvements, the impact fee may be related to the number of trips per day generated by different types of uses according to recognized estimates;
   b. In the case of drainage improvements, the impact fee may be related to the size of a development, the amount of impervious surface the development has, or other factors that bear upon the degree to which a development contributes to the need for drainage improvements made at public expense.

Sec. 3. Capital Improvements Reserve Funds; Expenditures.
(a) Impact fees received by the Town shall be deposited in a capital improvements reserve fund or funds established under Chapter 159 of the General Statutes, Article 3, Part 2. Such funds may be expended only on the type of capital improvements for which such impact fees were established, and then only in accordance with the provisions of subsection (b) of this section.
(b) In order to ensure that impact fees paid by a particular development are expended on capital improvements that benefit that development, the Town may establish for each category of capital improvement for which it collects an impact fee at least two geographical districts or zones, and impact fees generated by developments within those districts or zones must be spent on improvements that are located within or that benefit property located within those districts or zones.

Sec. 4. Credits for Improvements. An ordinance adopted under this act shall make provision for credits against required fees when a developer installs improvements of a type that generally would be paid for by the Town out of a capital reserve account funded by impact fees. The ordinance may spell out the circumstances under which a developer will be allowed to install such improvements and receive such credits.

Sec. 5. Appeals Procedure. An ordinance adopted under this Article may provide that any person aggrieved by a decision regarding an impact fee may appeal to the Rolesville Board of Adjustment. If the ordinance establishes an appeal procedure, it shall spell out the time within which the appeal must be taken to the Board of Adjustment, the possible grounds for an appeal and the board's authority in the matter, whether the fee must be paid prior to resolution of the appeal, and other procedural or substantive matters related to appeals. Any decision by the Board of Adjustment shall be subject to review by the superior court by proceedings in the nature of certiorari in the same manner as is provided in G.S. 160A-388(e).

Sec. 6. Payment of Impact Fees. An ordinance adopted under this act shall spell out when in the process of development approval and construction impact fees shall be paid and by whom. By way of illustration without limitation, the ordinance may provide that an applicant for a building permit shall submit the impact fee along with the permit application and that building permits shall not be issued until the impact fee has been paid.

Sec. 7. Refunds. If this act or any ordinance adopted thereunder is declared to be unconstitutional or otherwise invalid, then any impact fees collected shall be refunded thereunder to the person paying them together with interest at the same rate paid by the Secretary of Revenue on refunds for tax overpayments.

Sec. 8. Limitations on Actions. (a) Any action contesting the validity of an ordinance adopted under this act must be commenced not later than nine months after the effective date of such ordinance.

(b) Any action seeking to recover an impact fee must be commenced not later than nine months after the impact fee is paid.

Sec. 9. Supplemental Power. The powers conferred in this act
shall be supplementary to all other powers and procedures authorized by any other general or local law. Assessments, charges, fees, or rates authorized by any other general or local law are not affected by this act.

Sec. 10. This act applies to the Town of Rolesville only.

Sec. 11. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 28th day of June, 1988.

Sec. 6. G.S. 113A-66(a) reads as rewritten:

"(a) Any person injured by a violation of this Article or any ordinance, rule, regulation, or order duly adopted by the Secretary or a local government, or by the initiation or continuation of a land-disturbing activity for which an erosion control plan is required other than in accordance with the terms, conditions, and provisions of an approved plan, may bring a civil action against the person alleged to be in violation (including the State and any local government). CHAPTER 1009

AN ACT TO AUTHORIZE MUNICIPALITIES WITHIN GUILFORD COUNTY TO ENTER INTO AGREEMENTS CONCERNING ANNEXATIONS.

The General Assembly of North Carolina enacts:

Section 1. It is the purpose of this act to authorize municipalities within Guilford County to enter into agreements concerning annexation in order to enhance planning by such municipalities as well as residents and property owners in areas adjacent to such municipalities.

Sec. 2. The words defined in this section shall have the meanings indicated when used in this act:

(a) "Annexation" means any extension of a municipality's corporate limits as authorized by Article 4A of Chapter 160A of the General Statutes, the charter of the municipality, or any local act applicable to the municipality, as such statutory authority exists now or is hereafter amended.

(b) "Agreement" means any written agreement authorized by this act.

(c) "Municipality" means any city as defined by G.S. 160A-1.

Sec. 3. Two or more municipalities may enter into agreements with each other to designate one or more areas which are not subject to annexation by one or more of the participating municipalities. Prior to approval of any such agreement, there shall be opportunity for public input by affected property owners at a hearing after 30 days public notice. The agreements shall be of reasonable duration, but not to exceed 30 years, and shall be approved by resolution of the
governing board and executed by the mayor of each municipality and spread upon its minutes.

Sec. 4. (a) The agreement shall:

(1) State the duration of the agreement.

(2) Describe clearly the area or areas subject to the agreement. The boundaries of such area or areas may be established at such locations as the participating municipalities shall agree. Thereafter, any participating municipality may follow those boundaries in annexing any property, whether or not those boundaries follow roads or natural topographical features.

(3) Specify one or more participating municipalities which may not annex the area or areas described in the agreement.

(4) State the effective date of the agreement.

(5) Require each participating municipality which proposes any annexation to give written notice to the other participating municipality or municipalities of the annexation at least 30 days before the adoption of any annexation ordinance.

(6) Include any other necessary or proper matter.

(b) The written notice required by subdivision (a)(5) above shall describe the area to be annexed by a legible map, clearly and accurately showing the boundaries of the area to be annexed in relation to: the area or areas described pursuant to subdivision (9a)(2) of this section, roads, streams and any other prominent geographical features. Such notice shall not be effective for more than 180 days.

Sec. 5. From and after the effective date of the agreement, no participating municipality may consider in any manner the annexation of any area in violation of this act or the agreement. From and after the effective date of the agreement, no participating municipality may annex all or any portion of any area in violation of this act or the agreement.

Sec. 6. Nothing in this act shall be construed to authorize the annexation of any area which is not otherwise subject to annexation under applicable law, except G.S. 160A-58.1(b)(2) shall not apply.

Sec. 7. (a) Each provision of the agreement shall be binding upon the parties thereto. A participating municipality which believes that another participating municipality is violating this act or the agreement may file a petition in the Superior Court of Guilford County seeking review of the action of the municipality alleged to have violated this act or the agreement.

(b) Within five days after the petition is filed with the court, the petitioning municipality shall serve copies of the petition by certified mail, return receipt requested, upon the respondent municipality.

(c) Within 15 days after receipt of the copy of the petition for
review, or within such additional time as the court may allow, the respondent municipality shall transmit to the reviewing court:

(1) A transcript of the portions of the municipal journal or minute book in which the procedure for annexation has been set forth;

(2) A copy of any other document received or approved by the respondent municipality's governing board as part of the annexation.

(d) The court shall fix the date for review of the petition so that review shall be expeditious and without unnecessary delays. The review shall be conducted by the court without a jury. The court may hear oral arguments and receive written briefs, and may take evidence intended to show either:

(1) That the provisions of this act were not met; or

(2) That the provisions of the agreement were not met.

(e) Upon a finding that the respondent municipality has not violated this act or the agreement, the court may affirm the action of the respondent municipality without charge. Upon a finding that the respondent municipality has violated this act or the agreement, the court may:

(1) Remand to the respondent municipality's governing board any ordinance adopted pursuant to Parts 2 or 3, Article 4A of Chapter 160A of the General Statutes, as the same exists now or is hereafter amended, for amendment of the boundaries, or for such other action as is necessary, to conform to the provisions of this act and the agreement.

(2) Declare any annexation begun pursuant to any other applicable law to be null and void.

If the respondent municipality shall fail to take action in accordance with the court's instructions upon remand under subdivision (e)(1) of this section within three months from receipt of such instructions, the annexation proceeding shall be deemed null and void.

(f) Any participating municipality which is a party to the review proceedings may appeal from the final judgment of the superior court under rules of procedure applicable in other civil cases. The appealing party may apply to superior court for a stay in its final determination, or a stay of the annexation ordinance, whichever shall be appropriate, pending the outcome of the appeal to the appellate division; provided, that the superior court may, with the agreement of the parties, permit annexation to be effective with respect to any part of the area concerning which no appeal is being made and which can be incorporated into the respondent municipality without regard to any part of the area concerning which an appeal is being made.

(g) If part or all of the area annexed under the terms of a
challenged annexation ordinance is the subject of an appeal to the superior court or appellate division on the effective date of the ordinance, then the ordinance shall be deemed amended to make the effective date with respect to such area the date of the final judgment of the superior court or appellate division, whichever is appropriate, or the date the respondent municipality's governing board completes action to make the ordinance conform to the court's instructions in the event of remand.

(h) This act does not authorize any court to stay any annexation proceeding, except as specifically set forth in subsections (f) and (g) of this section.

Sec. 8. This act shall apply only to municipalities located wholly or partly in Guilford County.

Sec. 9. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 28th day of June, 1988.

CHAPTER 1010

AN ACT TO AUTHORIZE ACCEPTANCE OF IRREVOCABLE LETTERS OF CREDIT IN LIEU OF PERFORMANCE BONDS RELATING TO THE LETTING OF PERFORMANCE BONDS RELATING TO THE LETTING OF PUBLIC CONTRACTS BY THE CITY OF GREENSBORO AND GUILFORD COUNTY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 44A-26(a) reads as rewritten:

"§ 44A-26. Bonds required.--(a) When the total amount of construction contracts awarded for any one project exceeds thirty thousand dollars ($30,000) fifty thousand dollars ($50,000) a performance and payment bond as set forth in (1) and (2) is required by the contracting body from any contractor with a contract more than fifteen thousand dollars ($15,000). In the discretion of the contracting body, a performance and payment bond may be required on any construction contract as follows:

(1) A performance bond in the amount of one hundred percent (100%) of the construction contract amount, conditioned upon the faithful performance of the contract in accordance with the plans, specifications and conditions of the contract. Such bond shall be solely for the protection of the contracting body which awarded the contract.

(2) A payment bond in the amount of one hundred percent (100%) of the construction contract amount, conditioned upon the prompt payment for all labor or materials for
which a contractor or subcontractor is liable. The payment bond shall be solely for the protection of the persons furnishing materials or performing labor for which a contractor or subcontractor is liable."

Sec. 2. G.S. 143-129 reads as rewritten:

"§ 143-129. Procedure for letting of public contracts: purchases from federal government by State, counties, etc.--No construction or repair work requiring the estimated expenditure of public money in an amount equal to or more than fifty thousand dollars ($50,000) or purchase of apparatus, supplies, materials, or equipment requiring an estimated expenditure of public money in an amount equal to or more than ten thousand dollars ($10,000), except in cases of group purchases made by hospitals through a competitive bidding purchasing program or in cases of special emergency involving the health and safety of the people or their property, shall be performed, nor shall any contract be awarded therefor, by any board or governing body of the State, or of any institution of the State government, or of any county, city, town, or other subdivision of the State, unless the provisions of this section are complied with. For purposes of this Article, a competitive bidding group purchasing program is a formally organized program that offers purchasing services at discount prices to two or more hospital facilities. The limitation contained in this paragraph shall not apply to construction or repair work undertaken during the progress of a construction or repair project initially begun pursuant to this section. Further, the provisions of this section shall not apply to the purchase of gasoline, diesel fuel, alcohol fuel, motor oil or fuel oil. Such purchases shall be subject to G.S. 143-131.

Advertisement of the letting of such contracts shall be as follows:

Where the contract is to be let by a board or governing body of the State government, or of a State institution, as distinguished from a board or governing body of a subdivision of the State, proposals shall be invited by advertisement at least one week before the time specified for the opening of said proposals in a newspaper having general circulation in the State of North Carolina. Provided that the advertisements for bidders required by this section shall be published at such a time that at least seven full days shall lapse between the date of publication of notice and the date of the opening of bids.

Where the contract is to be let by a county, city, town or other subdivision of the State, proposals shall be invited by advertisement at least one week before the time specified for the opening of said proposals in a newspaper having general circulation in such county, city, town or other subdivision.

Such advertisement shall state the time and place where plans and specifications of proposed work or a complete description of the
apparatus, supplies, materials or equipment may be had, and the time and place for opening of the proposals, and shall reserve to said board or governing body the right to reject any or all such proposals.

Proposals shall not be rejected for the purpose of evading the provisions of this Article. No board or governing body of the State or subdivision thereof shall assume responsibility for construction or purchase contracts, or guarantee the payments of labor or materials therefor except under provisions of this Article.

All proposals shall be opened in public and shall be recorded on the minutes of the board or governing body and the award shall be made to the lowest responsible bidder or bidders, taking into consideration quality, performance and the time specified in the proposals for the performance of the contract. In the event the lowest responsible bids are in excess of the funds available for the project, the responsible board or governing body is authorized to enter into negotiations with the lowest responsible bidder above mentioned, making reasonable changes in the plans and specifications as may be necessary to bring the contract price within the funds available, and may award a contract to such bidder upon recommendation of the Department of Administration in the case of the State government or of a State institution or agency, or upon recommendation of the responsible commission, council or board in the case of a subdivision of the State, if such bidder will agree to perform the work at the negotiated price within the funds available therefor. If a contract cannot be let under the above conditions, the board or governing body is authorized to readvertise, as herein provided, after having made such changes in plans and specifications as may be necessary to bring the cost of the project within the funds available therefor. The procedure above specified may be repeated if necessary in order to secure an acceptable contract within the funds available therefor.

No proposal shall be considered or accepted by said board or governing body unless at the time of its filing the same shall be accompanied by a deposit with said board or governing body of cash, or a cashier's check, or a certified check on some bank or trust company insured by the Federal Deposit Insurance Corporation in an amount equal to not less than five percent (5%) of the proposal. In lieu of making the cash deposit as above provided, such bidder may file a bid bond executed by a corporate surety licensed under the laws of North Carolina to execute such bonds, conditioned that the surety will upon demand forthwith make payment to the obligee upon said bond if the bidder fails to execute the contract in accordance with the bid bond. This deposit shall be retained if the successful bidder fails to execute the contract within 10 days after the award or fails to give satisfactory surety as required herein.
Bids shall be sealed if the invitation to bid so specifies and, in any event, the opening of a bid or the disclosure or exhibition of the contents of any bid by anyone without the permission of the bidder prior to the time set for opening in the invitation to bid shall constitute a general misdemeanor.

All contracts to which this section applies shall be executed in writing, and the board or governing body shall require the person to whom the award of contract is made to furnish bond as required by Article 3 of Chapter 44A; or require a deposit of money, certified check or government securities or irrecoverable letter of credit for the full amount of said contract to secure the faithful performance of the terms of said contract and the payment of all sums due for labor and materials in a manner consistent with Article 3 of Chapter 44A; and no such contract shall be altered except by written agreement of the contractor, the sureties on his bond, and the board or governing body. Such surety bond, letter of credit, or deposit required herein shall be deposited with the board or governing body for which the work is to be performed. When a deposit, other than a surety bond, or irrecoverable letter of credit is made with the board or governing body, said board or governing body assumes all the liabilities, obligations and duties of a surety as provided in Article 3 of Chapter 44A to the extent of said deposit. In the case of contracts for the purchase of apparatus, supplies, materials, or equipment, the board or governing body may waive the requirement for a surety bond, letter of credit, or other deposit.

The owning agency or the Department of Administration, in contracts involving a State agency, and the owning agency or the governing board, in contracts involving a political subdivision of the State, may reject the bonds of any surety company against which there is pending any unsettled claim or complaint made by a State agency or the owning agency or governing board of any political subdivision of the State arising out of any contract under which State funds, in contracts with the State, or funds of political subdivisions of the State, in contracts with such political subdivision, were expended, provided such claim or complaint has been pending more than 180 days.

Nothing in this section shall operate so as to require any public agency to enter into a contract which will prevent the use of unemployment relief labor paid for in whole or in part by appropriations or funds furnished by the State or federal government.

Any board or governing body of the State or any institution of the State government or of any county, city, town, or other subdivision of the State may enter into any contract with (i) the United States of America or any agency thereof, or (ii) any other government unit or agency thereof within the United States. for the purchase, lease, or
other acquisition of any apparatus, supplies, materials, or equipment without regard to the foregoing provisions of this section or to the provisions of any other section of this Article.

The Secretary of Administration or the governing board of any county, city, town, or other subdivision of the State may designate any officer or employee of the State, county, city, town or subdivision to enter a bid or bids in its behalf at any sale of apparatus, supplies, materials, equipment or other property owned by (i) the United States of America or any agency thereof, or (ii) any other governmental unit or agency thereof within the United States, and may authorize such officer or employee to make any partial or down payment or payment in full that may be required by regulations of the government or agency disposing of such property."

Sec. 3. This act applies only to the City of Greensboro and to Guilford County.

Sec. 4. This act is effective upon ratification.

CHAPTER 1021

AN ACT TO ALLOW THE COUNTY OF CATAWBA TO IMPOSE FACILITY FEES.

The General Assembly of North Carolina enacts:

Section 1. Purpose. It is the purpose of this act to place an equitable share of the cost of providing new community service facilities upon all new inhabitants and upon those associated with the development process.

Sec. 2. Definitions. The following definitions apply in this act unless the context clearly requires otherwise:

(1) "Capital costs" means costs spent for developing community service facilities; such costs are limited to capital outlay items listed in the "Uniform Local Government Accounting Systems" procedural manual prepared by the North Carolina Local Government Commission.
(2) "Community service facilities" means the following public facilities or improvements provided or established by the local government or in conjunction with other units of government:
   a. Water, sewer, and drainage projects;
   b. Parks, open spaces, and recreational facilities;
   c. Sidewalks, thoroughfare rights-of-way;
   d. Emergency medical services facilities;
   e. Fire stations;
   f. Schools;
   g. Cultural facilities; and
   h. Solid waste collection, handling, and disposal facilities.

No other facility shall be considered as "Community service facilities" under the provisions of this act.

(3) "Developer" means an individual, corporation, partnership, organization, association, firm, political subdivision, or other legal entity constructing or creating new construction.

(4) "Facility fee" means the charge imposed upon new construction pursuant to the grant or authority herein contained.

(5) "New construction" means any new development, construction, or installation that requires any building or zoning permit, certification, or other action permitting real property improvements. The term includes the installation of a mobile home or factory built or modular housing. The term excludes the renovation and repair of existing structures and accessory uses and their structures, unless such renovations and repairs and accessory uses shall cause an increase in the off-street parking requirement or a change in occupancy as occupancy is defined by the North Carolina State Building Code. The term also excludes additions unless such addition causes an increase in the off-street parking requirement or a change in occupancy as occupancy is defined by the North Carolina State Building Code. Further, the term does not include fences, billboards, poles, pipelines, transmission lines, advertising signs or similar structures and improvements that do not generate the need for additional or expanded community facilities upon completion of the additions or improvements.

Sec. 3. Subject to the conditions hereinafter set forth, a county that adopts an ordinance under this act shall have the right, power and authority to impose and collect a regulatory fee as a facility fee on all new construction within its limits and jurisdiction, in accordance with G.S. 153A-122 as if the ordinance had been adopted under Article 6 of Chapter 153A of the General Statutes except that a fee under Section (2)f may be applied notwithstanding G.S. 153A-122.

Sec. 4. (a) No facility fee shall be imposed until the county has caused to be prepared a report containing:
(1) A description of the anticipated capital cost to the county of each additional or expanded community service facility generated by new construction;

(2) A description of the relevant characteristics of construction that give rise to additional or expanded community service facilities such as population, trip generation and storm water run-off and flow characteristics; and

(3) A plan for providing one or more of the community service facilities.

(b) Before adopting or amending a facility fee ordinance authorized by this act, the county board of commissioners shall hold a public hearing on it. A notice of the public hearing shall be given so as to conform with G.S. 160A-364. No facility fee ordinance shall be adopted or amended without first giving the planning board a reasonable opportunity to make comments or recommendations to the county board of commissioners.

(c) The amount of each facility fee imposed and collected shall be based upon reasonable and uniform considerations of capital costs to be incurred by the county as the result of new construction. In establishing the facilities fees to be imposed, the county board of commissioners may divide the county into two or more zones in order to determine the estimated costs of providing any or all of the facilities described herein; such division shall be done only after a public hearing and after the matter has been studied and reported on to the county board of commissioners by the planning board. The facilities fees may be different in different zones, depending upon whether each zone already has certain facilities available and whether or not the capital costs thereof have been paid or are yet to be paid. The facility must bear a direct relationship to additional or expended public capital costs of community service facilities to be rendered for the inhabitants of the area, occupants of the new construction, or those persons, firms or corporations responsible for developing any new development, whether commercial, industrial, residential or otherwise or any other developer.

(d) The amount of each facility fee shall be based upon qualified needs and specific classifications and rates, which shall be uniformly applied to all members. However, the classification shall be based upon the amount, the cost and the extent of the additional burden being placed upon the public facilities by particular types and sizes of development.

(e) Monies for each particular facility for which a facility fee is collected shall be placed in a separate trust fund. All such revenues shall be spent for the capital facilities for which they were collected and such benefits shall not be exclusive, that is, persons or developers
who pay a facility fee hereunder shall not thereby obtain any rights to use public facilities greater than any other member of the public in a similar classification and situation. Separate service areas and zones with separate trust funds may be established.

Sec. 5. The county is authorized to enact ordinances, resolutions, rules and regulations that are necessary or expedient to carry this act into execution and effect.

Sec. 6. The powers conferred in this act shall be supplementary to all other powers and procedures authorized by any other general or local law. Assessments, charges, fees or rates authorized by any other general or local law are not affected by this act.

Sec. 7. The following shall be the procedure for hearing appeals concerning the amount of a facilities fee or concerning the propriety or illegality of any zone division or classification or rate. Any person who feels aggrieved by any action by the county board of commissioners pursuant to this act must first pay the amount of the facilities fee so charged to him, with such amount clearly marked as paid under protest, and thereafter give notice of appeal within a period of 30 days after such payment. Such notice shall be delivered by personal service or registered or certified mail, return receipt requested, directed to the county manager. The county board of commissioners shall hold a public hearing to review said matter within a period of 35 days following receipt of said appeal; the decision by the county board of commissioners upon said appeal shall then be subject to review by the superior court by proceedings in the nature of certiorari; any petition for review by the superior court shall be filed with the Clerk of Superior Court of Catawba County within a period of 30 days following the date the decision of the county board of commissioners is delivered in writing to the appealing party, said delivery to be either by personal service or by registered mail or certified mail, return receipt requested.

Sec. 8. This act applies to the County of Catawba only.

Sec. 9. This act is effective upon ratification and shall apply only to projects initiated after the effective date of this act.

In the General Assembly read three times and ratified this the 29th day of June, 1988.

-----REPLACING OF REGISTRARS AND JUDGES.

Sec. 12. This section is effective upon ratification, except that if any person was appointed a registrar or judge of election during calendar year 1988 by the chairman of the county board of elections
because a vacancy occurred, the term of office of the person appointed shall expire September 1, 1988, unless the successor was a person nominated by the chairman of the county political party of the vacating officer. G.S. 163-41(a) reads as rewritten:

"(a) Appointment of Registrar and Judges. -- At the meeting required by G.S. 163-31 to be held on the Tuesday following the third Monday in August of the year in which they are appointed, the county board of elections shall appoint one person to act as registrar and two other persons to act as judges of election for each precinct in the county. Their terms of office shall continue for two years from the specified date of appointment and until their successors are appointed and qualified. It shall be their duty to conduct the primaries and elections within their respective precincts. Persons appointed to these offices must be registered voters and residents of the precinct for which appointed, of good repute, and able to read and write. Not more than one judge in each precinct shall belong to the same political party as the registrar.

The term 'precinct official' shall mean registrars and judges appointed pursuant to this section, and all assistants appointed pursuant to G.S. 163-42, unless the context of a statute clearly indicates a more restrictive meaning.

No person shall be eligible to serve as a precinct official, as that term is defined above, who holds any elective office under the government of the United States, or of the State of North Carolina or any political subdivision thereof.

No person shall be eligible to serve as a precinct official who is a candidate for nomination or election.

No person shall be eligible to serve as a precinct official who holds any office in a state, congressional district, county, or precinct political party or political organization, or who is a manager or treasurer for any candidate or political party, provided however that the position of delegate to a political party convention shall not be considered an office for the purpose of this subsection.

The chairman of each political party in the county where possible shall recommend two registered voters in each precinct who are otherwise qualified, are residents of the precinct, have good moral character, and are able to read and write, for appointment as registrar in the precinct, and he shall also recommend where possible the same number of similarly qualified voters for appointment as judges of election in that precinct. If such recommendations are received by the county board of elections no later than the fifth day preceding the date on which appointments are to be made, it must make precinct appointments from the names of those recommended. Provided that if only one name is submitted by the fifth day preceding the date on
which appointments are to be made, by a party for judge of election by the chairman of one of the two political parties in the county having the greatest numbers of registered voters in the State, the county board of elections must appoint that person.

If, at any time other than on the day of a primary or election, a registrar or judge of election shall be removed from office, or shall die or resign, or if for any other cause there be a vacancy in a precinct election office, the chairman of the county board of elections shall appoint another in his place, promptly notifying him of his appointment. If at all possible, the chairman of the county board of elections shall consult with the county chairman of the political party of the vacating official, and if the chairman of the county political party nominates a qualified voter of that precinct to fill the vacancy, the chairman of the county board of elections shall appoint that person. In filling such a vacancy, the chairman shall appoint a person who belongs to the same political party as that to which the vacating member belonged when appointed. If the chairman of the county board of elections did not appoint a person upon recommendation of the chairman of the party to fill such a vacancy, then the term of office of the person appointed to fill the vacancy shall expire upon the conclusion of the next canvass held by the county board of elections under this Chapter, and any successor must be a person nominated by the chairman of the party of the vacating officer.

If any person appointed registrar shall fail to be present at the voting place at the hour of opening the polls on primary or election day, or if a vacancy in that office shall occur on primary or election day for any reason whatever, the precinct judges of election shall appoint another to act as registrar until such time as the chairman of the county board of elections shall appoint to fill the vacancy. If such appointment by the chairman of the county board of elections is not a person nominated by the county chairman of the political party of the vacating officer, then the term of office of the person appointed to fill the vacancy shall expire upon the conclusion of the next canvass held by the county board of elections under this Chapter. If a judge of election shall fail to be present at the voting place at the hour of opening the polls on primary or election day, or if a vacancy in that office shall occur on primary or election day for any reason whatever, the registrar shall appoint another to act as judge until such time as the chairman of the county board of elections shall appoint to fill the vacancy. Persons appointed to fill vacancies shall, whenever possible, be chosen from the same political party as the person whose vacancy is being filled, and all such appointees shall be sworn before acting.

As soon as practicable, following their training as prescribed in G.S. 163-80(d), each registrar and judge of elections shall take and
subscribe the following oath of office to be administered by an officer authorized to administer oaths and file it with the county board of elections:

'I, ........, do solemnly swear (or affirm) that I will support the Constitution of the United States; that I will be faithful and bear true allegiance to the State of North Carolina, and to the constitutional powers and authorities which are or may be established for the government thereof; that I will endeavor to support, maintain and defend the Constitution of said State not inconsistent with the Constitution of the United States; that I will administer the duties of my office as registrar of (judge of elections in) .... precinct,...... County, without fear or favor; that I will not in any manner request or seek to persuade or induce any voter to vote for or against any particular candidate or proposition; and that I will not keep or make any memorandum of anything occurring within a voting booth, unless I am called upon to testify in a judicial proceeding for a violation of the election laws of this State; so help me, God.'

Notwithstanding the previous paragraph, a person appointed registrar by the judges of election under this section, or appointed judge of election by the registrar under this section may take the oath of office immediately upon appointment.

Before the opening of the polls on the morning of the primary or election, the registrar shall administer the oath set out in the preceding paragraph to each assistant, and any judge of elections not previously sworn, substituting for the words 'registrar of' the words 'assistant in' or 'judge of elections in' whichever is appropriate."

-----COUNTING OF VOTES IN MULTI-SEAT RACE WHERE VOTER MARKS STRAIGHT-TICKET, THEN MARKS LESS THAN A FULL SLATE OF THAT PARTY'S NOMINEES.

Section 13. Effective with respect to elections held on or after September 1, 1988, G.S. 163-170.1 reads as rewritten:

"§ 163-170.1. Counting of ballots in multi-seat races where voter votes straight-party ticket and for individual candidates of that party but not for individual candidates of another party.--Notwithstanding any other provision of this act, in the case of a multi-seat race, if a voter votes a straight-party ticket, and also votes for individual candidates of that party but not for individual candidates of another party, the ballot shall be counted for that office only for the individual candidates so marked for all the candidates for that multi-seat race of the party whose straight ticket has been marked. The State Board of Elections shall by regulation directive amend the instructions provided by this act, if necessary, to effectuate this section."

(1) The Member has applied for and been granted accident and sickness benefits on account of such disability; and

(2) After a medical examination of the Member, by or under the direction of the Medical Board, the Medical Board certifies to the board in writing that the member is totally and permanently disabled or incapacitated for duty in the employ of the Charlotte Fire Department by reason of an injury, accident or disease that did not arise out of and in the course of his actual performance of duty in his employment with the Charlotte Fire Department.

(b) The Board of Trustees shall retire the Member within 90 days of its receipt of a medical report from the medical board that meets the requirements of subdivision (a)(2) of this section and when the medical board and the Board agree on such application.

The Member shall upon such denial be given the opportunity to respond to the Board’s decision. The member shall have the right to appeal such denial to the Civil Service Board who shall render a
decision on whether the Member should or should not be retired.

(e) The determination by the Board of trustees that a Member is not entitled to disability retirement benefits under this section and the Civil Service Board has not determined that he should be retired, shall not prohibit such Member from filing another ‘Application for Disability Retirement Not in the Line of Duty’ at a later date, provided the application is based on additional or different facts bearing on the question of his disability.

(f) The Board of Trustees shall have the authority and may require any disability Retiree who has not attained age 70 years to undergo a medical reexamination at any time not to exceed one reexamination per year by or under the direction of the Medical board to determine if the medical condition for which the disability Retiree was retired still exists. Refusal by the disability Retiree to submit to such medical reexamination or refusal to return to work as a result of a finding by the Board of Trustees based on a medical reexamination shall cause all retirement benefits to cease forthwith and such person shall be entitled to apply for reimbursement of the balance, if any, of his contributions to the Retirement System in the same manner and in all respects as in Section 10 of this act.

(g) Effective July 1, 1986, upon retirement pursuant to the provisions of this section, a Member shall receive a monthly benefit equal to thirty-six percent (36%) of his Final Average Salary, plus one and eight-tenths percent (1.8%) of his final average salary multiplied by the Membership Service Credit in excess of 10 years, not to exceed one hundred percent (100%) of his Final Average Salary, but not less than five hundred dollars ($500.00) per month. Benefits payable under this section shall be effective on the date of approval by the Board of Trustees.
(h) Upon the reinstatement of a disability retiree to active duty following a medical reexamination pursuant to the provisions of this section any subsequent benefit paid by the System shall be based on the length of service after reinstatement with the Charlotte Fire Department.

(1) Where a reinstated member serves less than one year after his reinstatement before retirement, his accrued benefit upon retirement shall be as follows:

In addition, the pool shall notify both the Commissioner and the Secretary within five business days of the date such cancellation or termination becomes effective, unless notice of cancellation or termination is rescinded.

(f) The formation and operation of an insurance pool under this section shall be subject to approval by the Commissioner who shall, after notice and hearing, establish reasonable requirements and rules for the approval and monitoring of such pools, including prior approval of pool administrators and provisions for periodic examinations of financial condition. The Commissioner may disapprove an application for the formation of an insurance pool, and may suspend or withdraw such approval whenever he finds that such applicant or pool:

(1) Has refused to submit its books, papers, accounts, or affairs to the reasonable inspection of the Commissioner or his representative;

(2) Has refused, or its officers, agents, or administrators have refused, to furnish satisfactory evidence of its financial and business standing or solvency;

(3) Is insolvent, or is in such condition that its further transaction of business in this State is hazardous to its members and creditors in this State and to the public;

All financial statements required by this section shall be prepared in accordance with generally accepted statutory accounting principles.

(h) If, as a result of the annual audit or an examination by the Commissioner, it appears that the assets of a pool are insufficient to enable the pool to discharge its legal liabilities and other obligations, the Commissioner shall notify the administrator and the board of trustees of the pool of the deficiency and his list of recommendations to abate the deficiency, including a recommendation not to add any new members until the deficiency is abated. If the pool fails to comply with the recommendations within 30 days after the date of the notice, the Commissioner may apply to the Superior Court of Wake County for an order requiring the pool to abate the deficiency and authorizing the Commissioner to appoint one or more special deputy commissioners, counsel, clerks, or assistants to oversee the implementation of the Court’s order. The Commissioner has all of the powers granted to him under Article 17A of General Statute Chapter 58 relating to rehabilitation and liquidation of insurers; and the provisions of that Article apply to this section to the extent they are not in conflict with this section. (i) Each pool contract shall provide that the members of the pool shall be assessed on a pro rata basis as calculated by the amount of each member’s average annual contribution in order to satisfy the amount of any deficiency where a pool is determined to be insolvent,
financially impaired, or is otherwise found to be unable to discharge its legal liabilities and other obligations.

(j) In the event that the Commissioner finds that a pool is insolvent, financially impaired, or otherwise, unable to discharge its legal liabilities or obligations, of it the Commissioner at any time has reason to believe that any owner or operator is unable to demonstrate financial responsibility as required by G.S. 143-215.94H and rules adopted by the Commission as a result of the financial condition of the pool or for any other reason, the Commissioner shall so notify the Secretary.

(k) The provisions of Article 17B of Chapter 58 do not apply to any risks retained by any pool.

"§ 143-215.94J. Limitation of liability of the State of North Carolina.--(a) No claim filed against either the Commercial Fund or the Noncommercial Fund shall be paid except from assets of the respective fund as provided for in this Part or as may otherwise be authorized by law.

(c) The Secretary may budget anticipated receipts as needed to implement this Part.

(d) Should the Secretary find that the Noncommercial Fund balance is insufficient to satisfy all claims and other obligations of the Noncommercial Fund incurred pursuant to this Part, the Secretary may transfer funds which would otherwise revert to the General Fund to the Noncommercial Fund in order to meet such claims and obligations.

(e) If at any time either fund balance is insufficient to pay all valid claims against it, such claims shall be paid in full in the order in which they were finally determined.

"§ 143-215.94M. Annual reports.--(a) The Secretary shall present an annual report to the General Assembly which shall include at least the following:

In the event that funds remain in either fund after the expiration of this act and after all claims and other obligations of both funds have been paid, such remaining funds shall revert to the General Fund.

If required to serve subsequently, the juror shall be considered on such occasion the same as if he were a member of the panel regularly summoned for jury service at that time.

Sec. 68. G.S. 15A-1344(c) reads as rewritten:

"(c) Procedure on Altering or Revoking Probation; Returning Probationer to District Where Sentenced. -- When a judge reduces, terminates, extends, modifies, or revokes probation outside the county where the judgment was entered, the clerk must send a copy of the order and any other records to the court where probation was originally imposed. A court on its own motion may return the probationer to the district court district as defined in G.S. 7A-133 or superior court district or set of districts as defined in G.S. 7A-41.1, as the case may be, where probation was imposed or where the probationer resides for reduction, termination, continuation,
extension, modification, or revocation of probation. In cases where the probation is revoked in a county other than the county of original conviction the clerk in that county must issue a commitment order and must file the order revoking probation and the commitment order, which will constitute sufficient permanent record of the proceeding in that court, and must send a certified copy of the order revoking probation, the commitment order, and all other records pertaining thereto to the county of original conviction to be filed with the original records. The clerk in the county other than the county of original conviction must issue the formal commitment to the North Carolina Department of Correction."

Sec. 69. G.S. 15A-1345 reads as rewritten:

"§ 15A-1345. Arrest and hearing on probation violation.--(a) Arrest for Violation of Probation. -- A probationer is subject to arrest for violation of conditions of probation by a law-enforcement officer or probation officer upon either an order for arrest issued by the court or upon the written request of a probation officer, accompanied by a written statement signed by the probation officer that the probationer has violated specified conditions of his probation. However, a probation revocation hearing under subsection (e) may be held without first arresting the probationer.

(b) Bail Following Arrest for Probation Violation. -- If at any time during the period of probation the probationer is arrested for a violation of any of the conditions of probation, he must be taken without unnecessary delay before a judicial official to have conditions of release pending a revocation hearing set in the same manner as provided in G.S. 15A-534.

(c) When Preliminary Hearing on Probation Violation Required. -- Unless the hearing required by subsection (e) is first held or the probationer waives the hearing, a preliminary hearing on probation violation must be held within seven working days of an arrest of a probationer to determine whether there is probable cause to believe that he violated a condition of probation. Otherwise, the probationer must be released seven working days after his arrest to continue on probation pending a hearing.

(d) Procedure for Preliminary Hearing on Probation Violation. --The preliminary hearing on probation violation must be conducted by a judge who is sitting in the county where the probationer was arrested or where the alleged violation occurred. If no judge is sitting in the county where the hearing would otherwise be held, the hearing may be held anywhere in the judicial district court district as defined in G.S. 7A-133 or superior court district or set of districts as defined in G.S. 7A-41.1, as the case may be. The State must give the probationer notice of the hearing and its purpose, including a
statement of the violations alleged. At the hearing the probationer may appear and speak in his own behalf, may present relevant information, and may, on request, personally question adverse informants unless the court finds good cause for not allowing confrontation. Formal rules of evidence do not apply at the hearing. If probable cause is found or if the probable cause hearing is waived, the probationer may be held for a revocation hearing, subject to release under the provisions of subsection (b). If the hearing is held and probable cause is not found, the probationer must be released to continue on probation.

(e) Revocation Hearing. -- Before revoking or extending probation, the court must, unless the probationer waives the hearing, hold a hearing to determine whether to revoke or extend probation and must make findings to support the decision and a summary record of the proceedings. The State must give the probationer notice of the hearing and its purpose, including a statement of the violations alleged. The notice, unless waived by the probationer, must be given at least 24 hours before the hearing. At the hearing, evidence against the probationer must be disclosed to him, and the probationer may appear and speak in his own behalf, may present relevant information, and may confront and cross-examine adverse witnesses unless the court finds good cause for not allowing confrontation. The probationer is entitled to be represented by counsel at the hearing and, if indigent, to have counsel appointed. Formal rules of evidence do not apply at the hearing, but the record or recollection of evidence or testimony introduced at the preliminary hearing on probation violation are inadmissible as evidence at the revocation hearing. When the violation alleged is the nonpayment of fine or costs, the issues and procedures at the hearing include those specified in G.S. 15A-1364 for response to nonpayment of fine."

Sec. 70. G.S. 15A-1383 reads as rewritten:

Plans for implementation of Article; punishment for failure to comply; modification of plan.--(a) On January 1, 1982, the or on the first day of the month following the date on which any superior court district becomes effective under G.S. 7A-41, each senior resident superior court judge of each judicial district shall file a plan with the Director of the State Bureau of Investigation for the implementation of the provisions of this Article. The plan shall be entered as an order of the court on that date. or municipality which includes or is included in his district or set of
districts as defined in G.S. 7A-41.1(a), with the Department of
Correction, and with other persons as he may deem appropriate. Upon
the request of the senior resident superior court judge, the State
Bureau of Investigation shall provide such technical assistance in the
preparation of the plan as the judge desires.

(b) A person who is charged by the plan with a duty to make
reports who fails to make such reports as required by the plan is
punishable for civil contempt under Article 2 of Chapter 5A of the
General Statutes.

(c) When the senior resident superior court judge modifies, alters
or amends a plan under this Article, the order making such
modification, alteration or amendment shall be filed with the Director
of the State Bureau of Investigation within 10 days of its entry.

(d) Plans prepared under this Article are not 'rules' within the
meaning of Chapter 150B of the General Statutes or within the
meaning of Article 6C of Chapter 120 of the General Statutes."

Sec. 71. G.S. 15A-1413 reads as rewritten:

"§ 15A-1413. Trial judges empowered to act.--(a) A motion for
appropriate relief made pursuant to G.S. 15A-1415 may be heard and
determined in the trial division by any judge who is empowered to act
in criminal matters in the judicial district and trial division district
court district as defined in G.S. 7A-133 or superior court district or
set of districts as defined in G.S. 7A-41.1, as the case may be, in
which the judgment was entered.

(b) The judge who presided at the trial is empowered to act upon a
motion for appropriate relief made pursuant to G.S. 15A-1414. He
may act even though he is in another district or even though his
commission has expired.

(c) When a motion for appropriate relief may be made before a
judge who did not hear the case, he may, if it is practicable to do so,
refer all or a part of the matter for decision to the judge who heard
the case."

Sec. 72. G.S. 15A-1431 reads as rewritten:

"§ 15A-1431. Appeals by defendants from magistrate and district
court judge; trial de novo.--(a) A defendant convicted before a
magistrate may appeal for trial de novo before a district court judge
without a jury.

(b) A defendant convicted in the district court before the judge may
appeal to the superior court for trial de novo with a jury as provided
by law. Upon the docketing in the superior court of an appeal from a
judgment imposed pursuant to a plea arrangement between the State
and the defendant, the jurisdiction of the superior court over any
misdemeanor dismissed, reduced, or modified pursuant to that plea
arrangement shall be the same as was had by the district court prior to the plea arrangement.

(c) Within 10 days of entry of judgment, notice of appeal may be given orally in open court or in writing to the clerk. Within 10 days of entry of judgment, the defendant may withdraw his appeal and comply with the judgment. Upon expiration of the 10-day period, if an appeal has been entered and not withdrawn, the clerk must transfer the case to the appropriate court.

(d) A defendant convicted by a magistrate or district court judge is not barred from appeal because of compliance with the judgment, but notice of appeal after compliance must be given by the defendant in person to the magistrate or judge who heard the case or, if he is not available, notice must be given:

(1) Before a magistrate in the county, in the case of appeals from the magistrate; or

(2) During an open session of district court in the judicial district as defined in G.S. 7A-133, in the case of appeals from district court.

The magistrate or district court judge must review the case and fix conditions of pretrial release as appropriate. If a defendant has paid a fine or costs and then appeals, the amount paid must be remitted to the defendant, but the judge, clerk or magistrate to whom notice of appeal is given may order the remission delayed pending the determination of the appeal.

(e) Any order of pretrial release remains in effect pending appeal by the defendant unless the judge modifies the order.

(f) Appeal pursuant to this section stays the execution of portions of the judgment relating to fine and costs. Appeal stays portions of the judgment relating to confinement when the defendant has complied with conditions of pretrial release. If the defendant cannot comply with conditions of pretrial release, the judge may order confinement in a local confinement facility pending the trial de novo in superior court.

(g) The defendant may withdraw his appeal at any time prior to calendaring of the case for trial de novo. The case is then automatically remanded to the court from which the appeal was taken, for execution of the judgment."

Sec. 73. G.S. 19-13 reads as rewritten:

"§ 19-13. Commencement of civil proceeding.--(a) Whenever the district attorney for any judicial district has reasonable cause to believe that any person is engaged in selling, distributing or disseminating in any manner harmful material to minors or may become engaged in selling, distributing or disseminating in any manner harmful material to minors, the district attorney for the judicial district in which such material is so offered for
sale shall institute an action in the district court for that district for adjudication of the question of whether such material is harmful to minors.

(b) The provisions of the Rules of Civil Procedure and all existing and future amendments of said Rules shall apply to all proceedings herein, except as otherwise provided in this Article."

Sec. 74. G.S. 19-18 reads as rewritten:

"§ 19-18. Judgment; limitation to district.--(a) In the event that the court or jury, as the case may be, fails to find the material attached as an exhibit to the complaint to be harmful to minors, the court shall enter judgment accordingly and shall dismiss the complaint.

(b) In the event that the court or jury, as the case may be, finds the material attached as an exhibit to the complaint to be harmful to minors, the court shall enter judgment to such effect and may, in such judgment or in subsequent orders of enforcement thereof, enter a permanent injunction against any respondent prohibiting him from selling, commercially distributing, or giving away such material to minors or from permitting minors to inspect such material.

(c) No interlocutory order, judgment, or subsequent order of enforcement thereof, entered pursuant to the provisions of this Article, shall be of any force and effect outside the judicial district court district in which entered; and no such order or judgment shall be res judicata in any proceeding in any other judicial district court district."

Sec. 75. G.S. 20-16(d) reads as rewritten:

"(d) Upon suspending the license of any person as hereinbefore in this section authorized, the Division shall immediately notify the licensee in writing and upon his request shall afford him an opportunity for a hearing, unless a preliminary hearing was held before his license was suspended, as early as practical within not to exceed 30 days after receipt of such request. The hearing shall be conducted in the judicial district court district as defined in G.S. 7A-133 wherein the licensee resides. Hearings shall be rotated among all the counties within the judicial district if the judicial district contains more than one county unless the Division and the licensee agree that such hearing may be held in some other judicial district, and such notice shall contain the provisions of this section printed thereon. Upon such hearing the duly authorized agents of the Division may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the licensee. Upon such hearing the Division shall either rescind its order of suspension, or good cause appearing therefor, may extend the suspension of such license. Provided further upon such hearing, preliminary or otherwise, involving subsections (a)(1) through (a)(10a) of this
section, the Division may for good cause appearing in its discretion substitute a period of probation not to exceed one year for the suspension or for any unexpired period of suspension. Probation shall mean any written agreement between the suspended driver and a duly authorized representative of the Division and such period of probation shall not exceed one year, and any violation of the probation agreement during the probation period shall result in a suspension for the unexpired remainder of the suspension period. The authorized agents of the Division shall have the same powers in connection with a preliminary hearing prior to suspension as this subsection provided in connection with hearings held after suspension.”

Sec. 76. G.S. 20-16.2(e) reads as rewritten:

"(e) Right to Hearing in Superior Court. -- If the revocation is sustained after the hearing, the person whose license has been revoked has the right to file a petition in the superior court for a hearing de novo upon the issues listed in subsection (d), in the same manner and under the same conditions as provided in G.S. 20-25 except that the de novo hearing is conducted in the judicial district superior court district or set of districts as defined in G.S. 7A-41.1 where the charge was made.”

Sec. 77. G.S. 20-16.2(e1) reads as rewritten:

"(e1) Limited Driving Privilege after Six Months in Certain Instances. -- A person whose driver’s license has been revoked under this section may apply for and a judge authorized to do so by this subsection may issue a limited driving privilege if:

(1) At the time of the refusal he held either a valid driver’s license or a license that had been expired for less than one year;

(2) At the time of the refusal, he had not within the preceding seven years been convicted of an offense involving impaired driving;

(3) At the time of the refusal, he had not in the preceding seven years willfully refused to submit to a chemical analysis under this section;

(4) The implied-consent offense charged did not involve death or critical injury to another person;

(5) The underlying charge for which the defendant was requested to submit to a chemical analysis has been finally disposed of:

a. Other than by conviction; or

b. By a conviction of impaired driving under G.S. 20-138.1, at a punishment level authorizing issuance of a limited driving privilege under G.S. 20-179.3(b), and he has complied with at least one of the mandatory
conditions of probation listed for the punishment level under which he was sentenced;

(6) Subsequent to the refusal he has had no unresolved pending charges for or additional convictions of an offense involving impaired driving; and

(7) His license has been revoked for at least six months for the refusal.

Except as modified in this subsection, the provisions of G.S. 20-179.3 relating to the procedure for application and conduct of the hearing and the restrictions required or authorized to be included in the limited driving privilege apply to applications under this subsection. If the case was finally disposed of in the district court, the hearing must be conducted in the district court district as defined in G.S. 7A-133 in which the refusal occurred by a district court judge. If the case was finally disposed of in the superior court, the hearing must be conducted in the superior court district or set of districts as defined in G.S. 7A-41.1 in which the refusal occurred by a superior court judge. A limited driving privilege issued under this section authorizes a person to drive if his license is revoked solely under this section or solely under this section and G.S. 20-17(2). If the person’s license is revoked for any other reason, the limited driving privilege is invalid.”

Sec. 78. G.S. 20-179.3(d) reads as rewritten:

"(d) Application for and Scheduling of Subsequent Hearing. -- The application for a limited driving privilege made at any time after the day of sentencing must be filed with the clerk in duplicate, and no hearing scheduled may be held until a reasonable time after the clerk files a copy of the application with the district attorney’s office. The hearing must be scheduled before:

If the applicant was convicted of an offense in another jurisdiction, the hearing must be scheduled before the chief district court judge of the district district court district as defined in G.S. 7A-133 in which he resides. G.S. 20-16.2(e1) governs the judge before whom a hearing is scheduled if the revocation was under G.S. 20-16.2(d). The hearing may be scheduled in any county within the judicial district district court district as defined in G.S. 7A-133 or superior court district or set of districts as defined in G.S. 7A-41.1, as the case may be.

A limited driving privilege does not authorize a person to drive while his license is revoked pursuant to the provisions of this section.

(b) Right of Notification and Hearing.  -- Upon receipt of a properly executed notice of failure from the school, the Division must expeditiously notify the person that his license is revoked for 12 months, effective on the tenth calendar day after the mailing of the revocation order unless, before the effective date of the order, the person requests in writing a hearing before the Division. If the person properly requests a hearing, he retains his license, unless it is revoked under some other provision of law, until the hearing is held, the person withdraws the request, or he fails to appear at a scheduled hearing. The hearing officer may subpoena any witnesses or documents he deems necessary. The person may request the hearing officer to subpoena the appropriate school personnel to appear in person at the hearing if he makes the request in writing at least three days before the hearing. The person may subpoena any other witness he deems necessary, and the provisions of G.S. 1A-1, Rule 45, apply to the issuance and service of all subpoenas issued under the authority of this section.

(c) Hearing Procedures: Issues.  -- The hearing officer is authorized to administer oaths to witnesses appearing at the hearing. The hearing must be conducted in the county where the school is located, and must be limited to consideration of whether:

(1) The person was validly assigned to the school by a court;

(2) The person failed to complete the course of instruction successfully; and

352
(3) The failure was willful.
If the Division finds that the conditions specified in this subsection are met, it must order the revocation sustained. If the Division finds that any of the conditions is not met, it must rescind the revocation. If the revocation is sustained, the person must surrender his license immediately upon notification by the Division. The person may file a petition in superior court for a *de novo* review of the issues listed in this section, in the same manner and under the same conditions as provided in G.S. 20-25, except that the hearing must be held in the judicial district superior court district or set of districts as defined in G.S. 7A-41.1 in which the school is located.

(d) When Failure Not Willful. -- A failure to complete the course of instruction successfully is not willful if it is based solely on a failure:

(1) To pay the prescribed fee and the person was unable to pay after making reasonable efforts to secure funds to pay it; or

(2) To attend classes and the person was unable to attend because of reasons over which he had no control other than alcoholism or drug abuse."

*Sec. 80.* G.S. 20-16.5(g) reads as rewritten:

"(g) Hearing before Magistrate or Judge if Person Contests Validity of Revocation. -- A person whose license is revoked under this section may request in writing a hearing to contest the validity of the revocation. The request may be made at the time of the person's initial appearance, or within 10 days of the effective date of the revocation to the clerk or a magistrate designated by the clerk, and may specifically request that the hearing be conducted by a district court judge. The Administrative Office of the Courts must develop a hearing request form for any person requesting a hearing. Unless a district court judge is requested, the hearing must be conducted within the county by a magistrate assigned by the chief district judge to conduct such hearings. If the person requests that a district court judge hold the hearing, the hearing must be conducted within the judicial district court district as defined in G.S. 7A-133 by a district court judge assigned to conduct such hearings. The revocation remains in effect pending the hearing, but the hearing must be held within three working days following the request if the hearing is before a magistrate or within five working days if the hearing is before a district court judge. The request for the hearing must specify the grounds upon which the validity of the revocation is challenged and the hearing must be limited to the grounds specified in the request. A witness may submit his evidence by affidavit unless he is subpoenaed to appear. Any person who appears and testifies is subject to questioning by the judicial official conducting the hearing, and the
judicial official may adjourn the hearing to seek additional evidence if he is not satisfied with the accuracy or completeness of evidence. The person contesting the validity of the revocation may, but is not required to, testify in his own behalf. Unless contested by the person requesting the hearing, the judicial official may accept as true any matter stated in the revocation report. If any relevant condition under subsection (b) is contested, the judicial official must find by the greater weight of the evidence that the condition was met in order to sustain the revocation. At the conclusion of the hearing the judicial official must enter an order sustaining or rescinding the revocation. The judicial official's findings are without prejudice to the person contesting the revocation and to any other potential party as to any other proceedings, civil or criminal, that may involve facts bearing upon the conditions in subsection (b) considered by the judicial official. The decision of the judicial official is final and may not be appealed in the General Court of Justice. If the hearing is not held and completed within three working days of the written request for a hearing before a magistrate or within five working days of the written request for a hearing before a district court judge, the judicial official must enter an order rescinding the revocation, unless the person contesting the revocation contributed to the delay in completing the hearing. If the person requesting the hearing fails to appear at the hearing or any rescheduling thereof after having been properly notified, he forfeits his right to a hearing."

Sec. 86. G.S. 50-30 reads as rewritten:
"§ 50-30. Findings; policy; and purpose.—(a) Findings. -- The General Assembly makes the following findings:

(1) There is a strong public interest in providing fair, efficient, and swift judicial processes for establishing and enforcing child support obligations. Children are entitled to support from their parents, and court assistance is often required for the establishment and enforcement of parental support obligations. Children who do not receive support from their parents often become financially dependent on the State.

(2) The State shall have laws that meet the federal requirements on expedited processes for obtaining and enforcing child support orders for purposes of federal reimbursement under Title IV-D of the Social Security Act, 42 U.S.C. § 66(a)(2). The Secretary of the Department of Health and Human Services may waive the expedited process requirement with respect to one or more judicial districts district court district as defined in G.S. 7A-133 on the basis of the effectiveness and timeliness of support order issuance and enforcement within the district.

(3) The State has a strong financial interest in complying with the expedited process requirement, and other requirements, of Title IV-D of the Social Security Act, but the State would
incurs substantial expense in creating statewide an expedited child support process as defined by federal law.

(4) The State's judicial system is largely capable of processing child support cases in a timely and efficient manner and has a strong commitment to an expeditious system.

(5) The substantial expense the State would incur in creating a new system for obtaining and enforcing child support orders would be reduced and better spent by improving the present system.

(b) Purpose and Policy. -- It is the policy of this State to ensure, to the maximum extent possible, that child support obligations are established and enforced fairly, efficiently, and swiftly through the judicial system by means that make the best use of the State's resources. It is the purpose of this Article to facilitate this policy. The Administrative Office of the Courts and judicial officials in each judicial district district court district as defined in G.S. 7A-133 shall make a diligent effort to ensure that child support cases, from the time of filing to the time of disposition, are handled fairly, efficiently, and swiftly. The Administrative Office of the Courts and the Department of Human Resources shall work together to improve procedures for the handling of child support cases in which the State or county has an interest, including all cases that qualify in any respect for federal reimbursement under Title IV-D of the Social Security Act."

Sec. 87. G.S. 50-33 reads as rewritten:

"§ 50-33. Waiver of expedited process requirement.--(a) DHR to Seek Waiver. -- The Department of Human Resources, with the assistance of the Administrative Office of the Courts, shall vigorously pursue application to the Secretary of the Department of Health and Human Services for waivers of the federal expedited process requirement.

(b) Districts That Do Not Qualify. -- In any judicial district district court district as defined in G.S. 7A-133 that does not qualify for a waiver of the federal expedited process requirement, an expedited process shall be established as provided in G.S. 50-34."

Sec. 88. G.S. 50-34 reads as rewritten:

"§ 50-34. Establishment of an expedited process.--(a) Districts Required to Have Expedited Process. -- In any judicial district district court district as defined in G.S. 7A-133 that is required by G.S. 50-33(b) to establish an expedited child support process, the Director of the Administrative Office of the Courts shall notify the chief district court judge and the clerk or clerks of superior court in the district in writing of the requirement. The Director of the Administrative Office of the Courts, the chief district court judge, and the clerk or clerks of
superior court in the district shall implement an expedited child support process as provided in this section.

(b) Procedure for Establishing Expedited Process. -- When a judicial district court district as defined in G.S. 7A-133 is required to implement an expedited process, the Director of the Administrative Office of the Courts, the chief district judge, and the clerk of superior court in an affected county shall determine by agreement whether the child support hearing officer or officers for that county shall be one or more clerks or one or more magistrates. If such agreement has not been reached within 15 days after the notice required by subsection (a) when implementation is required, the Director of the Administrative Office of the Courts shall make the decision. If it is decided that the hearing officer or officers for a county shall be magistrates, the chief district judge, the clerk of superior court, and the Director of the Administrative Office of the Courts shall ensure his or their qualification for the position. If it is decided that the hearing officer or officers for a county shall be the clerk or assistant clerks, the clerk of superior court in the county shall designate the person or persons to serve as hearing officer, and the chief district judge, the clerk of superior court, and the Director of the Administrative Office of the Courts shall ensure his or their qualification for the position.

(c) Public To Be Informed. -- When an expedited process is to be implemented in a county or judicial district court district as defined in G.S. 7A-133, the chief district court judge, the clerk or clerks of superior court in affected counties in the district, and the Administrative Office of the Courts shall take steps to ensure that attorneys, the general public, and parties to pending child support cases in the county or district are informed of the change in procedures and helped to understand and use the new system effectively. (1985 (Reg. Sess., 1986), c. 993, s. 1.)"

All claims for the establishment or enforcement of a child support obligation, whether the claim is made in a separate action or as part of a divorce or any other action, shall be scheduled for hearing before the child support hearing officer. The initiating party shall send a notice of the date, time, and place of the hearing to all other parties. Service of process shall be made and notices given as provided by G.S. 1A-1, Rules of Civil Procedure.

361
(b) Place of Hearing. -- The hearing before the child support hearing officer need not take place in a courtroom, but shall be conducted in an appropriate judicial setting.

(c) Hearing Procedures. -- The hearing of a case before a child support officer is without a jury. The rules of evidence applicable in the trial of civil actions generally are observed; however, the hearing officer may require the parties to produce and may consider financial affidavits, State and federal tax returns, and other financial or employment records. Except as otherwise provided in this Article, the hearing officer shall determine the parties' child support rights and obligations and enter an appropriate order based on the evidence and the child support laws of the State. All parties shall be provided with a copy of the order.

(d) Record of Proceeding. -- The record of a proceeding before a child support hearing officer shall consist of the pleadings filed in the child support case, documentation of proper service or notice or waiver, and a copy of the hearing officer's order. No verbatim recording or transcript shall be required or provided at State expense.

(e) Transfer to District Court Judge. -- Upon his own motion or upon motion of any party, the hearing officer shall transfer a case for hearing before a district court judge when the case involves:

(1) A contested paternity action;
(2) A custody dispute;
(3) Contested visitation rights;
(4) The ownership, possession, or transfer of an interest in property to satisfy a child support obligation; or
(5) Other complex issues.

Upon ordering such a transfer, except in cases of contested paternity, the hearing officer shall also enter a temporary order that provides for the payment of a money amount or otherwise addresses the child's need for support pending the resolution of the case by the district court judge. The chief district court judge shall establish a procedure for such transferred cases to be given priority for hearing before a district court judge."

The Governor
may assign counsel who shall prosecute such inquiry before the Commissioner of Banks, or a deputy or commissioner appointed by the Commissioner of Banks for the purpose; and the Commissioner of Banks is hereby empowered to conduct such investigation either in person or through such commissioner or deputy appointed by him. Attendance of witnesses and production of papers may be required by subpoena under the hand of the Commissioner or his deputy, and on failure of any witness to appear as subpoenaed or his or her failure to produce any books or papers, as called for by such Commissioner or deputy on subpoena or other order due notice shall be served, at the instance of such Commissioner or deputy, of not less than three days to appear before a judge of the superior court residing in or holding courts within the district wherein such witness is subpoenaed or notified to appear or produce such records or papers, on a day certain and a place named, when such judge shall hear the matter and is authorized to punish such witness as for contempt as he may find on such hearing.

Sec. 92. G.S. 62-98 reads as rewritten:

"§ 62-98. Peremptory mandamus to enforce order, when no appeal.--(a) If no appeal is taken from an order or decision of the Commission within the time prescribed by law and the person to which the order or decision is directed fails to put the same in operation, as therein required, the Commission may apply to the judge regularly assigned to the superior court district which includes Wake County, or to the resident judge of said district at chambers, or to the judge holding the superior court in any judicial district in which the business is conducted a superior court judge who has jurisdiction pursuant to G.S. 7A-47.1 or G.S. 7A-48 in Wake County or in the district or set of districts as defined in G.S. 7A-41.1 in which the business is conducted, upon 10 days' notice, for a peremptory mandamus upon said person for the putting in force of said order or decision; and if said judge shall find that the order of said Commission was valid and within the scope of its powers, he shall issue such peremptory mandamus.

(b) An appeal shall lie to the Court of Appeals in behalf of the Commission, or the defendant, from the refusal or the granting of such peremptory mandamus. The remedy prescribed in this section for enforcement of orders of the Commission is in addition to other remedies prescribed by law."

Sec. 93. G.S. 62-118 reads as rewritten:

"§ 62-118. Abandonment and reduction of service.--(a) Upon finding that public convenience and necessity are no longer served, or that there is no reasonable probability of a public utility realizing sufficient revenue from a service to meet its expenses, the Commission shall have power, after petition and notice, to authorize by order any public utility to abandon or reduce such service. Upon request from any party having an interest in said utility service, the Commission shall hold a public hearing on such petition, and may on its own motion hold a public hearing on such petition. Provided, however, that abandonment or reduction of service of motor carriers shall not be subject to this section, but shall be authorized only under the provisions of G.S. 62-262(h) and G.S. 62-262.2.

(b) If any person or corporation furnishing water or sewer utility service under this Chapter shall abandon such service without the prior consent of the Commission, and the Commission subsequently finds that such abandonment of service causes an emergency to exist,
the Commission may, unless the owner or operator of the affected system consents, apply in accordance with G.S. 1A-1, Rule 65, to the resident superior court judge of any judicial district where such person or corporation operates, or to any superior court judge holding court in such judicial district a superior court judge who has jurisdiction pursuant to G.S. 7A-47.1 or 7A-48 in the district or set of districts as defined in G.S. 7A-41.1 in which the person or corporation so operates, for an order restricting the lands, facilities and rights-of-way used in furnishing said water or sewer utility service to continued use in furnishing said service during the period of the emergency. An emergency is defined herein as the imminent danger of losing adequate water or sewer utility service or the actual loss thereof. The court shall have jurisdiction to restrict the lands, facilities, and rights-of-way to continued use in furnishing said water or sewer utility service by appropriate order restraining their being placed to other use, or restraining their being prevented from continued use in furnishing said water or sewer utility service, by any person, corporation, or their representatives. The court may, in its discretion, appoint an emergency operator to assure the continued operation of such water or sewer utility service. The court shall have jurisdiction to require that reasonable compensation be paid to the owner, operator or other party entitled thereto for the use of any lands, facilities, and rights-of-way which are so restricted to continued use for furnishing water or sewer utility service during the period of the emergency, and it may require the emergency operator of said lands, facilities, and rights-of-way to post bond in an amount required by the court. In no event shall such compensation, for each month awarded, exceed the net average monthly income of the utility for the 12-month period immediately preceding the order restricting use.

(c) Whenever the Commission, upon complaint or investigation upon its own motion, finds that the facilities being used to furnish water or sewer utility service are inadequate to such an extent that an emergency (as defined in G.S. 62-118(b) above) exists, and further finds that there is no reasonable probability of the owner or operator of such utility obtaining the capital necessary to improve or replace the facilities from sources other than the customers, the Commission shall have the power, after notice and hearing, to authorize by order that such service be abandoned or reduced to those customers who are unwilling or unable to advance their fair share of the capital necessary for such improvements. The amount of capital to be advanced by each customer shall be subject to approval by the Commission, and shall be advanced under such conditions as will enable each customer to retain a proprietary interest in the system to the extent of the capital so advanced. The remedy prescribed in this subsection is in addition to
other remedies prescribed by law."

Within 24 hours of the time of seizure, the seizure shall be reported by the officer to the district attorney of the judicial district prosecutorial district as defined in G.S. 7A-60 in which the seizure is effected who shall immediately report such seizure to the Attorney General. The hearing may not be held in a regular courtroom, over objection of the minor's attorney, if in the discretion of the judge a more suitable place is available.

Further treatment at the admitting facility should be undertaken only when lesser measures will be insufficient. It is not necessary that the judge make a finding of dangerousness in order to support a concurrence in the admission.
(g) The court shall make one of the following dispositions:

(1) If the court finds by clear, cogent, and convincing evidence that the requirements of subsection (f) have been met, the court shall concur with the voluntary admission and set the length of the authorized admission of the minor for a period not to exceed 90 days; or

(2) If the court determines that there exist reasonable grounds to believe that the requirements of subsection (f) have been met but that additional diagnosis and evaluation is needed before the court can concur in the admission, the court may make a one time authorization of up to an additional 15 days of stay, during which time further diagnosis and evaluation shall be conducted; or

(3) If the court determines that the conditions for concurrence or continued diagnosis and evaluation have not been met, the judge shall order that the minor be released.

(e) Hearings may be held at the area facility in which the respondent is being treated, if it is located within the judge’s judicial district, district court district as defined in G.S. 7A-133, or in the judge’s chambers. (c) If the respondent’s custody order indicates that he was charged with a violent crime, including a crime involving an assault with a deadly weapon, and that he was found not guilty by reason of insanity

No mileage or compensation for travel time is paid to a counsel appointed pursuant to this subsection. Counsel may also be so assigned when, in the opinion of the Administrative Officer of the Courts, the volume of cases warrants.

Upon completion of an appeal, or upon transfer of the respondent to a State facility for the mentally ill, if there is no appeal, assigned counsel is discharged. If the respondent is committed to a non-State 24-hour facility, assigned counsel remains responsible for his representation until discharged by order of district court, until the respondent is unconditionally discharged from the facility, or until the respondent voluntarily admits himself to the facility.

"§ 153A-18. Uncertain or disputed boundary.--(a) If two or more counties are uncertain as to the exact location of the boundary between them, they may cause the boundary to be surveyed, marked, and mapped. Upon ratification of the survey by the board of commissioners of each county, a map showing the surveyed boundary shall be recorded in the office of the register of deeds of each county in the manner provided by law for the recordation of maps or plats and in the Secretary of State's office. The map shall contain a reference to the date of each resolution of ratification and to the page in the minutes of each board of commissioners where the resolution may be found. Upon recordation, the map is conclusive as to the location of the boundary.

If the court is satisfied that the commissioners have made no error of law, it shall ratify the report, after which the map shall be recorded in the office of the register of deeds of each county in the manner provided by law for the recordation of maps or plats and in the Secretary of State's office. Upon recordation, the map is conclusive as to the location of the boundary.

CHAPTER 1041

AN ACT TO MODIFY THE FORMULA FOR REIMBURSING LOCAL GOVERNMENTS FOR REVENUE LOST DUE TO THE REPEAL OF PROPERTY TAXES ON INVENTORIES AND TO MAKE TECHNICAL CHANGES.

The General Assembly of North Carolina enacts:

Section 1. Effective January 1, 1989, G.S. 105-275.1, as enacted by Chapter 622 of the 1987 Session Laws and rewritten by Chapter 813 of the 1987 Session Laws, reads as rewritten:

"§ 105-275.1. Reimbursement for exclusion of manufacturers' inventories, inventories and poultry and livestock.--(a) Initial Distribution. On or before January 15, 1989, the governing body of each county and each city shall furnish to the Secretary a list of (i) all the inventories owned by manufacturers that were required to be listed and assessed as of January 1, 1987, and were listed on or before September 1, 1987, in the county or city under this Subchapter; (ii) all livestock and poultry and feed used in the production of livestock and poultry that was required to be listed and assessed as of January 1, 1987, and was listed on or before September 1, 1987, in the county or city under this Subchapter; and (iii) all the crops and other agricultural or horticultural products held for sale, whether in process or ready for sale, owned by taxpayers regularly engaged in the growth, breeding, raising, or other production of new products for sale, that were not included under subdivision (ii) above and that were required to be listed and assessed as of January 1, 1987, and were listed on or before September 1, 1987, in the county or city under this Subchapter. The list shall contain the value of the inventories and other items as well as the property tax rates in effect in the county or city for the eight years from 1980 through 1987. The list shall also contain the property tax rates in effect for those years in each special district for which the county or city collected taxes in 1987 but whose tax rates were not included in the rates listed for the county or city, and the value of the inventories owned by
manufacturers and other items described in subdivisions (ii) and (iii) above that were required to be listed and assessed as of January 1, 1987, and were listed on or before September 1, 1987, in that district. The list shall be accompanied by an affidavit attesting to the accuracy of the list and shall be on a form prescribed by the Secretary.

On or before March 20, 1989, the Secretary shall pay to each county and city that submitted a list under this subsection an amount equal to the county or city average rate, as provided below, multiplied by the value of the inventories owned by manufacturers that were required to be listed and assessed as of January 1, 1987, and were listed on or before September 1, 1987, in the county or city, plus or minus the percentage of this product that equals the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce.

On or before March 20, 1989, the Secretary shall also pay to each county and city that submitted a list under this subsection an amount equal to the average rate, as provided below, for each special district for which the county or city collected taxes in 1987, but whose tax rates were not included in the county or city’s rates, multiplied by the value of the inventories owned by manufacturers that were required to be listed and assessed as of January 1, 1987, and were listed on or before September 1, 1987, in the district, plus or minus the percentage of this product that equals the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce.

The Secretary shall calculate an average rate for each county and city, and for each special district whose tax rates were not included in the tax rates of a county or city, as the arithmetic mean of the property tax rates in effect in the county, city, or district for the eight years from 1980 through 1987. If a county, city, or district did not have tax rates in effect for the entire eight-year period, the average rate shall be the arithmetic mean of the property rates in effect for the years during the eight-year period that it did have rates in effect.

Of the funds received by each county and city pursuant to this subsection, the portion that was received because the county or city was collecting taxes for a special district (either because the district’s tax rate was included in the city or county’s rate or because the Secretary paid the county or city the product of the district’s average
rate and the value of the inventories in the district) shall be distributed among the districts in the county or city in accordance with regulations issued by the Local Government Commission. This distribution shall be made as soon as practicable after the city or county receives funds under this subsection. The county or city shall distribute to each special district in the county or city an amount equal to the average rate for the district multiplied by the value of the inventories owned by manufacturers that were required to be listed and assessed as of January 1, 1987, and were listed on or before September 1, 1987, in the district, plus or minus the percentage of this product that equals the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce. The Local Government Commission may adopt rules for the resolution of disputes and correction of errors in the distribution among special districts provided in this paragraph. The Local Government Commission shall report to the 1990 General Assembly any errors it discovers in the information furnished by local governments to the Secretary as required in this subsection.

(b) Subsequent Distributions. As soon as practicable after January 1, 1990, the Secretary shall pay to each county and city the amount it received under subsection (a) in 1989 plus an amount equal to the county or city average rate multiplied by the value of the items described in subdivisions (ii) and (iii) of subsection (a) that were required to be listed and assessed as of January 1, 1987, and were listed on or before September 1, 1987, in the county or city, plus or minus the percentage of this product that equals the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce. As soon as practicable after January 1, 1990, the Secretary shall also pay to each county and city an amount equal to the average rate for each special district for which the county or city collected taxes in 1987, but whose tax rates were not included in the county or city's rates, multiplied by the value of the items described in subdivisions (ii) and (iii) of subsection (a) that were required to be listed and assessed as of January 1, 1987, and were listed on or before September 1, 1987, in the district, plus or minus the percentage of this product that equals the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce. Thereafter, except as provided in
subsection (f), as soon as practicable after January 1 of each year, the Secretary shall distribute to each county and city the amount it received under this section the preceding year.

Of the funds received by each county and city pursuant to this subsection in 1990, the portion that was received because the county or city was collecting taxes for a special district (either because the district’s tax rate was included in the city or county’s rate or because the Secretary paid the county or city the product of the district’s average rate and the value of the inventories and other items in the district) shall be distributed among the districts in the county or city as soon as practicable after the city or county receives the funds. The county or city shall distribute to each special district in the county or city the amount it distributed to the district in 1989 plus an amount equal to the average rate for the district multiplied by the value of the items, other than inventory, described in subdivisions (ii) and (iii) of subsection (a) that were required to be listed and assessed as of January 1, 1987, and were listed on or before September 1, 1987, in the district, plus or minus the percentage of this product that equals the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce.

As soon as practicable after receiving funds under this subsection, every county and city shall distribute among the special districts for which the county or city collects tax an amount equal to the amount it distributed among such districts the previous year. The Local Government Commission may adopt rules for the resolution of disputes and correction of errors in the distribution among special districts provided in this subsection. In addition, the Local Government Commission may adopt rules for the reallocation of funds when a special district is dissolved, merged, or consolidated, or when a special district ceases to levy tax, either temporarily or permanently.

(c) Use. Funds received by a county, city, or special district under this section may be used for any lawful purpose.

(d) ‘City’ Defined. As used in this section, the term ‘city’ has the same meaning as in G.S. 153A-1(1).

(e) Source of Funds. To pay for the distribution required by this section and the cost to the Department of Revenue of making the distribution, the Secretary of Revenue shall charge the collections received by the Department under Division I of Article 4 of Chapter 105 with an amount equal to the amount distributed and the cost of making the distribution.
(f) Correction of Errors. If the Secretary discovers that the amount or value of any inventories or other items listed by a county or city pursuant to subsection (a) of this section was overstated or understated, the Secretary shall adjust the amount to be distributed under subsection (b) as follows. For the distribution to be made in the year following discovery of the overstatement or understatement, the Secretary shall distribute to the county or city the amount it would have received under subsection (b) in 1990 if it had not overstated or understated the amount or value of any inventories or other items, plus the total amount it failed to receive in 1989 and subsequent years due to understatement of the amount or value of the inventories or other items, or minus the total amount it received in 1989 and subsequent years due to overstatement of the amount or value of the inventories or other items. Thereafter, each year the Secretary shall distribute to the county or city the amount it would have received under subsection (b) in 1990 if it had not overstated or understated the amount or value of any inventories or other items.

Sec. 1.1. G.S. 105-275 is amended by adding at the end a new subdivision to read:

"(37) Poultry and livestock and feed used in the production of poultry and livestock."

Sec. 1.2. G.S. 105-320(a)(15) is repealed.

Sec. 1.3. G.S. 105-320(b) reads as rewritten:

"(b) Instead of being shown on the tax receipt, the information required in subdivisions (15) and subdivision (16) of subsection (a) may be shown on a separate sheet furnished to the affected taxpayers."

Sec. 2. Effective January 1, 1989, G.S. 105-277A, as rewritten by Chapters 622 and 813 of the 1987 Session Laws, reads as rewritten:

"§ 105-277A. Reimbursement for exclusion of retailers' and wholesalers' inventories.--(a) Submission of Claims. On or before January 15, 1989, the governing body of each county and city shall furnish to the Secretary a list of all the inventories owned by retailers and wholesalers that were required to be listed and assessed as of January 1, 1987, and were listed on or before September 1, 1987, in the county or city under this Subchapter. The list shall contain the value of the inventories as well as the property tax rates in effect in the county or city for the eight years from 1980 through 1987. The list shall also contain the property tax rates in effect for those years in each special district for which the county or city collected taxes in 1987 but whose tax rates were not included in the rates listed for the county or city, and the value of the inventories owned by retailers and wholesalers that were required to be listed and assessed as of January 1, 1987, and were listed on or before September 1, 1987, in that
January tax rates summed to each after which unit's the from 1980 rates during city, and district.

CHAPTER 1041

The list shall be accompanied by an affidavit attesting to the accuracy of the list and shall be on a form prescribed by the Secretary.

The Secretary shall calculate an average rate for each county and city, and for each special district whose tax rates were not included in the tax rates of a county or city, as the arithmetic mean of the property tax rates in effect in the county, city, or district for the eight years from 1980 through 1987. If a county, city, or district did not have tax rates in effect for the entire eight-year period, the average rate shall be the arithmetic mean of the property rates in effect for the years during the eight-year period that it did have rates in effect.

(b) First Per Capita Distribution. As soon as practicable after January 1 of 1989, the Secretary shall distribute to each taxing unit the unit's per capita share of the sum of fifteen million seven hundred forty-five thousand dollars ($15,745,000). Thereafter, as soon as practicable after January 1 of each year the Secretary shall distribute to each taxing unit the unit's per capita share of an amount equal to the sum distributed to all taxing units the previous year under this subsection plus or minus the product of the sum distributed the previous year and the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce.

To make the per capita distributions required by this subsection, the Secretary shall first allocate the sum to be distributed among the counties on a per capita basis. The Secretary shall then compute a per capita distributable amount for each county by dividing the amount allocated to a county by the total population of the county, plus the population of any incorporated towns and cities located in the county. Each taxing unit in a county, including the county itself, shall receive the product of the population of the taxing unit and the per capita distributable amount for that county.

A city or county that receives funds under this subsection and that collects taxes for another taxing unit shall distribute part of the taxes received by it to the taxing unit for which it collects tax. The distribution shall be made on the basis of the proportionate amount of ad valorem taxes levied, for the most recent fiscal year beginning July 1, by the city or county and by all the taxing units for which the city or county collects tax. This distribution shall be made as soon as practicable after a city or county receives funds from the State under this section.

(c) Claims-based Second Per Capita Distribution. On or before March 20, 1989, the Secretary shall allocate to each county an amount equal to the greater of the following:

404
(1) The county's per capita share of the sum of thirty-nine million dollars ($39,000,000); or ($39,000,000).

(2) The total of the county average rate multiplied by eighty percent (80%) of the value of the inventories reported to the Secretary under subsection (a) of this section by the county, plus the city average rate for each city in the county multiplied by eighty percent (80%) of the value of the inventories reported to the Secretary under subsection (a) of this section by the city, plus the average rate for each special district for which the county or a city in the county collected taxes in 1987, but whose tax rates were not included in the county or city's rates, multiplied by eighty percent (80%) of the value of the inventories reported to the Secretary under subsection (a) of this section in behalf of the district, plus or minus the percentage of this sum that equals the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce, minus three and four-tenths percent (3.4%) of the total distribution received by the county and the cities located in the county under G.S. 105-472, 105-486, 105-493, 105-501, and Chapter 1096 of the 1967 Session Laws between January 1, 1988, and December 31, 1988.

Each year thereafter, as soon as practicable after January 1, the Secretary of Revenue shall allocate to each county the amount it received the previous year under this subsection.

Amounts allocated to a county under this subsection shall in turn be divided and distributed between the county and the cities located in the county in proportion to the total amount of ad valorem taxes levied by each during the fiscal year preceding the distribution. For the purposes of this section, the amount of the ad valorem taxes levied by a county or city shall include any ad valorem taxes collected by the county or city in behalf of a special district. For the purpose of computing the distribution for any year with respect to which the property valuation of a public service company is the subject of an appeal and the Department of Revenue is restrained by law from certifying the valuation to the appropriate counties and cities, the Department shall use the latest property valuation of that public service company that has been certified.

The governing body of each county and city shall report to the Secretary of Revenue such information as he may request in order to make the distribution under this subsection. If a county or city fails to make a requested report within the time prescribed, the Secretary
may disregard that county or city and the other taxing units in the county or city in making the distribution.

Of the funds received by each county and city pursuant to this subsection, the portion that was received because the county or city was collecting taxes for a special district shall be distributed among the districts in the county or city in accordance with regulations issued by the Local Government Commission. This distribution shall be as soon as practicable after the city or county receives funds under this subsection.

(c1) Claims-based Distribution. On or before March 20, 1989, the Secretary shall distribute to each county and city an amount equal to the amount by which the county or city's inventory loss, as defined in subsection (d) of this section, exceeds the amount of the reimbursement received by the county or city under subsection (c) of this subsection.

Except as provided in subsection (g) of this section, each year thereafter, as soon as practicable after January 1, the Secretary shall distribute to each county and city the amount it received the previous year under this subsection.

(c2) Supplemental Distribution. On or before March 20, 1989, the Secretary shall determine, with respect to each county and city, whether the sum of (i) the amount the county or city received under subsection (c), plus (ii) the amount the county or city received under subsection (c1), plus (iii) three and four-tenths percent (3.4%) of the total distribution received by the county or city under G.S. 105-472, 105-486, 105-493, 105-501, and Chapter 1096 of the 1967 Session Laws between January 1, 1988, and December 31, 1988, is less than ninety percent (90%) of the amount of taxes the county or city actually levied on inventories owned by retailers and wholesalers for the 1987-88 tax year. If that sum is less than ninety percent (90%) of the amount of taxes the county or city actually levied on those inventories for the 1987-88 tax year, the Secretary shall distribute to that county or city a supplemental amount equal to the amount by which ninety percent (90%) of the taxes it actually levied on inventories owned by retailers and wholesalers for the 1987-88 tax year exceeds the total of subdivisions (i), (ii), and (iii).

Except as provided in subsection (g) of this section, each year thereafter, as soon as practicable after January 1, the Secretary shall distribute to each county and city the amount it received the previous year under this subsection.

(c3) Distribution to Special Districts. Of the funds received by each county and city pursuant to subsections (c), (c1), and (c2) of this section, the portion that was received because the county or city was collecting taxes for a special district shall be distributed among the
districts in the county or city in proportion to the amount of each special district's inventory levy, as defined in subsection (d) of this section, as soon as practicable after the city or county receives funds under this subsection. The Local Government Commission may adopt rules for the resolution of disputes and correction of errors in the distribution among special districts provided in this paragraph. In addition, the Local Government Commission may adopt rules for the reallocation of funds when a special district is dissolved, merged, or consolidated, or when a special district ceases to levy tax, either temporarily or permanently. The Local Government Commission shall report to the 1990 General Assembly any errors it discovers in the information furnished by local governments to the Secretary as required in subsection (a) of this section.

(d) Definitions. As used in this section, the term

1. 'City' has the same meaning as in G.S. 153A-1(1);
2. 'City's inventory loss' means the city's average rate multiplied by eighty percent (80%) of the value of the inventories reported to the Secretary under subsection (a) of this section by the city, plus the average rate for each special district for which the city collected taxes in 1987, but whose tax rates were not included in the city's rates, multiplied by eighty percent (80%) of the value of the inventories reported to the Secretary under subsection (a) of this section in behalf of the district, plus or minus the percentage of this amount that equals the lesser of five percent (5%) or the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce, minus three and four-tenths percent (3.4%) of the total distribution received by the city under G.S. 105-472, 105-486, 105-493, 105-501, and Chapter 1096 of the 1967 Session Laws between January 1, 1988, and December 31, 1988;
3. 'County's inventory loss' means the county's average rate multiplied by eighty percent (80%) of the value of the inventories reported to the Secretary under subsection (a) of this section by the county, plus the average rate for each special district for which the county collected taxes in 1987, but whose tax rates were not included in the county's rates, multiplied by eighty percent (80%) of the value of the inventories reported to the Secretary under subsection (a) of this section in behalf of the district, plus or minus the percentage of this amount that equals the lesser of five
percent (5%) or the percentage by which State personal income has increased or decreased during the most recent 12-month period for which State personal income data has been compiled by the Bureau of Economic Analysis of the United States Department of Commerce, minus three and four-tenths percent (3.4%) of the total distribution received by the county under G.S. 105-472, 105-486, 105-493, 105-501, and Chapter 1096 of the 1967 Session Laws between January 1, 1988, and December 31, 1988;

(4) 'Special district's inventory levy' means the special district's average rate multiplied by eighty percent (80%) of the value of the inventories reported to the Secretary under subsection (a) of this section in behalf of the district;

(5) 'Taxing unit' means a unit that levied a property tax or for which another unit collected a property tax for the fiscal year beginning July 1 of the year preceding the date a distribution is made under this section. As used in this section, the term 'city' has the same meaning as in G.S. 153A-1(1).

(e) Population Estimates. In making the per capita calculations under this section, the Secretary shall use the most recent annual population estimates certified by the State Budget Officer.

(f) Source of Funds. The Secretary of Revenue shall pay for the distribution required by this section and the cost of making the distribution as follows:

(1) For the distribution made in 1989, the Secretary shall draw an amount equal to the amount distributed and the cost of making the distribution first from the Inventory Tax Reimbursement Fund created in Section 15.1 of the School Facilities Finance Act of 1987, until it is exhausted, and then the remainder of that amount from collections received by the Department under Division I of Article 4 of this Chapter.

(2) For distributions made in subsequent years, the Secretary shall charge the collections received by the Department under Division I of Article 4 Article 5 of this Chapter with an amount equal to the amount distributed and the cost of making the distribution.

(g) Correction of Errors. If the Secretary discovers that the amount or value of any inventories listed by a county or city pursuant to subsection (a) of this section was overstated or understated, the Secretary shall adjust the amount to be distributed under subsections (c1) and (c2) as follows. For the distribution to be made in the year following discovery of the overstatement or understatement, the Secretary shall distribute to the county or city the amount it would
have received under subsections (c1) and (c2) in 1989 if it had not overstated or understated the amount or value of any inventories, plus the total amount it failed to receive in 1989 and subsequent years due to understatement of the amount or value of the inventories, or minus the total amount it received in 1989 and subsequent years due to overstatement of the amount or value of the inventories. Thereafter, each year the Secretary shall distribute to the county or city the amount it would have received under subsections (c1) and (c2) in 1989 if it had not overstated or understated the amount or value of any inventories.

Sec. 3. Sections 1.1, 1.2, and 1.3 of this act are effective for taxable years beginning on or after January 1, 1989. The remainder of this act is effective upon ratification.

The General Assembly of North Carolina enacts:

Section 1. G.S. 106-284.40(b)(6) reads as rewritten:

"(6) Manufacturers of commercial feeds may appear before the Board, and after finding there exists a contract feeder relationship between a manufacturer of commercial feeds and an independent contractor, the Board may issue annual numbered permits exempting that manufacturer of commercial feed from paying the inspection fee assessed by the provisions of this law for that feed delivered to the contract feeder. The manufacturer of ingredients who sells such ingredients to manufacturers of commercial feeds under this subdivision shall have in his possession the exemption number of the permit referred to in G.S. 106-284.34(b) and/or the permit issued by the Board under this subdivision before the supplier may be relieved of the responsibility for payment of the inspection fee. The holder of a valid contract feeder exemption permit shall be exempt from paying the inspection fee on all ingredients purchased for its own use.
provided that at least one-half of the ingredients purchased in the previous calendar year were used in feed delivered to contract feeders.

The holder of said permit may voluntarily return said permit to the Commissioner for cancellation at which time said holder may not apply for or receive another exemption permit under this subdivision for a period of 12 months. The exemption permits under this subdivision shall be renewable automatically every year by the Board without additional findings of fact unless it is brought to the Board’s attention by the Commissioner or his duly designated officer or employee that there no longer exists the relationship of a contract feeder between the manufacturer of commercial feeds and an independent contractor. In the event the Commissioner or his duly designated officer or employee notifies the Board when the permit is to be automatically renewed or anytime the permit is in effect, that there no longer exists a contract feeder relationship for the permit holder, the Board shall determine the veracity of the notification and revoke said permit if the facts are found to be true by the Board.

Commercial feeds exempt from inspection fees under this subdivision shall not be subject to sampling and analysis other than as may be necessary to determine compliance with good manufacturing practice regulations pertaining to medicated animal feed and medicated feed premixes established under G.S. 106-284.38(4) of this law."

"(b) The Secretary of Revenue shall make refunds semiannually to hospitals not operated for profit (including hospitals and medical accommodations operated by an authority created under the Hospital Authorities Law, Article 12 of Chapter 131), Article 2 of Chapter 131E), educational institutions not operated for profit, churches, orphanages and other charitable or religious institutions and organizations not operated for profit of sales and use taxes paid under this Article, except under G.S. 105-164.4(4a), by such institutions and organizations on direct purchases of tangible personal property for use in carrying on the work of such institutions or organizations. Sales and use tax liability indirectly incurred by such institutions and organizations on building materials, supplies, fixtures and equipment which shall become a part of or annexed to any building or structure being erected, altered or repaired for such institutions and organizations for carrying on their nonprofit activities shall be construed as sales or use tax liability incurred on direct purchases by such institutions and organizations, and such institutions and organizations may obtain refunds of such taxes indirectly paid. The Secretary of Revenue shall also make refunds semiannually to all other hospitals (not specifically excluded herein) of sales and use tax paid by them on medicines and drugs purchased for use in carrying out the work of such hospitals. For the purposes of this section it is immaterial whether the retailer or purchaser actually pays for any charges made for transportation, whether the charges were actually paid by one for the other, or whether a credit or allowance is made or given for such charges. Nothing in this section shall operate to exclude from the use tax any freight, delivery or other like transportation charges. The amount actually received by the employee or his beneficiary which consists of corporate shares or other securities shall be taken into account in determining the amount distributed at their fair market value, except that the net unrealized appreciation in the corporation shares or other securities of the employer corporation shall not be included in determining such amount distributed for purposes of this subsection.

The amount paid or distributed out of an individual retirement account described in section 408(a) of the Code, or individual retirement annuity described in section 408(b) of the Code, shall be

CHAPTER 1046

AN ACT TO ALLOW A PROCEDURE FOR THE IMPROVEMENT OF ROADS IN CERTAIN COUNTIES AND FOR THE ASSESSMENT OF NONPARTICIPATING PROPERTY OWNERS.

The General Assembly of North Carolina enacts:

Section 1. Article 9, of Chapter 153A of the General Statutes is amended by adding a new section to read:

"§ 153A-207. Assessment for the improvement of roads.--(a) If the property owners abutting a road desire to bring the road up to the standards of the Secondary Roads Council so that it may become a part of the State maintained system, or if the road is a part of the State maintained system and the abutting landowners desire improvement to be made thereon under the direction of the Department of Transportation, the following procedures shall be followed by the developer in order for the said developer to be reimbursed for the cost associated with the work in excess of the developer's pro rata share of the local cost of the improvements.

(b) As used in this section developer means one or more individuals, firms, partnerships, or corporations or a collection of two or more of the above acting as the entity through which collection activity as set forth herein is conducted. The developer as herein defined shall be such an entity as to be able to contract, sue and be sued, convey good title to real and personal property, and act as the payee for documents of commercial paper as contemplated in the provisions of the Uniform Commercial Code, Chapter 25, of the General Statutes.

(c) No project may be commenced under this section unless it has
been approved by the Department of Transportation.

(d) Upon petition of the developer to the County, signed and concurred with by owners who represent: (i) At least sixty-five percent (65%) of the road frontage of the project and (ii) sixty-five percent (65%) of the owners of real property abutting the proposed project, the Board of County Commissioners shall conduct a public hearing concerning the developer’s proposal. Notice of the hearing shall be given by advertisement in a newspaper of general circulation in the County at least one week prior to the hearing. Following the hearing, the County may certify the project as eligible for local share reimbursement. At the time the petition is submitted, the developer shall certify that the project is approved by the Department of Transportation and provide official documentation to that effect including the scope of the work to be performed and shall provide precise cost analyses as to the amount of the local share of the cost of improvements, and shall certify good faith compliance with all requirements and procedures set forth herein. All signatures attached to the petition must be verified by the County Tax Assessor as representing property owners owning real property abutting the road project. The petition must include a map clearly showing the road project and abutting real property. The project may not be expanded or limited following the public hearing without the approval of the County.

(e) At such time as the project is approved by the Board of County Commissioners, the developers shall have a period of 90 days, or any such period as the Department of Transportation may mandate, in which to remit to the County the local share of the cost of improvement in full as indicated by the Department of Transportation. An affidavit shall accompany the payment and shall certify all sums received from owners of real property abutting the project and the amount of such sums so received. The affidavit shall also contain the name and address of the agent so designated by the developer for receipt of payments under this section.

(f) The County shall then forward the local share cost to the Department of Transportation which shall undertake the project according to the timetable established by the Department of Transportation.

(g) The Tax Assessor shall prepare a scroll of all owners of real property abutting the road project. Pro rata assessments shall then be made as against the footage of real property abutting the road project and an amount equal to ten percent (10%) of the local share shall be added to the total assessment to cover the administrative expenses of the County. If it appears from the affidavit required in subsection (e) of this section that any owner has paid a sum equal to his pro rata
assessment amount, that owner shall not be assessed.

(h) Said assessments shall be mailed by the Tax Assessor, certified mail, return receipt requested, to each owner as reflected on the assessment scroll. Assessments shall be due and payable 60 days following receipt of said assessment by the owner. If the said assessment is not paid within 60 days, said amount shall bear interest at the rate of eight percent (8%) per annum until paid. The County may foreclose assessment liens under any procedure provided by law for the foreclosure of property tax liens except that foreclosure may be begun at any time after 30 days after the due date. The lien of assessment is inferior to all prior and subsequent liens for State, local, and federal taxes and superior to all other liens.

(i) On the six-month anniversary date of the assessment, payment shall be made to the developer of such sums as may then be collected pursuant to the assessment less the ten percent (10%) administrative fee. Said payment shall be made every six months if funds have been received until the excess of the developer’s pro rata share of the cost of the improvement is paid in full. The Finance Director of the County shall be responsible for payments to the developer.

(j) In addition to the requirements of this section, each developer must execute a release, satisfactory to the County, releasing the County, its employees, agents, officials, and assignees from any liability in law or in equity regarding any and all phases and requirements of this section."

Sec. 2. This act applies to Brunswick and Avery Counties only.

Sec. 3. This act is effective upon ratification.

Sec. 2. To pay for the distribution required by this section and the cost to the Department of Revenue of making the distribution, the Secretary of Revenue shall charge the collections received by the Department under Division I of Article 4 of Chapter 105 of the General Statutes with an amount equal to the amount distributed and the cost of making the distribution.

Sec. 6. Variable interest rates. In fixing the details of bonds or notes, the State Treasurer may provide that any of the bonds or notes (i) may be made payable from time to time on demand or tender for purchase by the owner thereof provided a Credit Facility (as defined in this section) supports such bonds or notes, unless the State Treasurer specifically determines that a Credit Facility is not required upon a finding and determination by the State Treasurer that the absence of a Credit Facility will not materially and adversely affect the financial position of the State and the marketing of the bonds or notes at a reasonable interest cost to the State; (ii) may be additionally supported by a Credit Facility; (iii) may be made subject to redemption prior to maturity with such variations as may be permitted in connection with a Par Formula (as defined in this section); (iv) may bear interest at a rate or rates that may vary for such period or periods of time, all as may be provided in the proceedings providing for the issuance of such bonds or notes, including, without limitation, such variations as may be permitted pursuant to a Par Formula; and (v) may be made the subject of a remarketing agreement whereby an attempt is made to remarket the bonds or notes to new purchasers prior to their presentment for payment to the provider of the Credit Facility or to the State. (b) a provision providing for such adjustment based upon a percentage or percentages of a prime rate or base rate, which percentage or percentages may vary or be applied for different periods.

of time, or

(c) such other provision as the State Treasurer may determine to be consistent with this act and will not materially and adversely affect the financial position of the State and the marketing of the bonds or notes at a reasonable interest cost to the State.

If the aggregate principal amount repayable by the State under a related Credit Facility is in excess of the aggregate principal amount of bonds or notes secured by such related Credit Facility, whether as a result of the inclusion in the Credit Facility of a provision for the payment of interest for a limited period of time or the payment of a redemption premium or for any other reason, then the amount of authorized but unissued bonds or notes during the term of such Credit Facility shall not be less than the amount of such excess, unless the payment of such excess is otherwise provided for by agreement of the State executed by the State Treasurer.

Sec. 7. Capital improvement bond fund of 1988. The proceeds of sale of the bonds and the notes herein authorized, including premium thereon, if any, except the proceeds of bonds or notes the issuance of which has been anticipated by notes and the proceeds of which are to be used to retire such notes, shall be placed by the State Treasurer in a special fund known as the "Capital Improvement Bond Fund of 1988" and shall be disbursed as herein provided.

(c) Insofar as the provisions of this act are inconsistent with the provisions of any general laws, or parts thereof, the provisions of this act shall be controlling.

(d) If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Some options that may be considered include nursing residencies in rural hospitals,
clinical settings in nursing homes, and incentive pay or bonuses for work in rural areas.

(16) The need for an Office of Nursing and Allied Health as a central point for dissemination of information on these professions to students, professionals, employers, and others.

Salary-Related Issues

(17) The applicability of cafeteria benefits options to the nursing shortage.

(18) The impact of Medicaid reimbursement rates and rate setting methodology on the ability of employers to meet salary requirements of the nursing staff.

H.B. 1124  CHAPTER 1063

AN ACT TO LIMIT CAMPAIGN EXPENDITURES AND TO STRENGTHEN PUBLIC FINANCING OF POLITICAL CAMPAIGNS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 163 of the General Statutes is amended by adding a new Article to read:

"Article 22C.

"Appropriations from the North Carolina Candidates Financing Fund.

"§ 163-278.46. Establishment of Candidates Fund: administrative expenses; financing in case of insufficiency.--There is established in the State Treasury a North Carolina Candidates Financing Fund (Candidates Fund) to be administered by the State Board of Elections (State Board) in which shall be placed money contributed by taxpayers as provided in G.S. 105-163.16(f). If the money in the Candidates Fund is insufficient to fully fund qualifying candidates, available money shall be distributed proportionally.

"§ 163-278.47. Application; eligibility.--(a) Application. Each candidate for Council of State who seeks grants from the Candidates Fund shall file an application for the grants with the State Board on forms provided by the State Board. The candidate may file an application after being certified as a party's nominee for the office, but not after June 15.

(b) Notice of Other Applicants. By June 30, the State Board shall
notify each candidate in a contest of all the applications made by candidates in the same contest.

(c) Eligibility. To be eligible to receive grants from the Candidates Fund, a candidate shall have opposition on the ballot in the general election and shall:

(1) Agree to abide by the expenditure limits provided in G.S. 163-278.48,

(2) Raise qualifying matching contributions equal to five percent (5%) of the expenditure limit. ‘Qualifying matching contributions’ are those from political committees or individuals. They are limited to contributions raised after the candidate’s certification as nominee, or raised before his certification but left unspent after certification.

(3) Agree to submit to a postelection audit of the campaign account by the State Board.

"§ 163-278.48. Expenditure limits.--(a) Limitation Formulas. Any candidate for Council of State who requests grants from the Candidates Fund shall limit total expenditures after certification as party nominee as follows:

(1) Governor: One dollar ($1.00) times the number of votes cast for Governor in the last general election in which more than one candidate appeared on the ballot for Governor.

(2) Council of State office other than Governor: Fifty cents (50¢) times the number of votes cast for Governor in the last general election in which more than one candidate appeared on the ballot for Governor.

"§ 163-278.49. Qualified campaign expenditures.--A candidate may use the money received from the Candidates Fund under this Article only to further that candidate’s election to office through expenditures allowable under North Carolina law.

"§ 163-278.50. Distribution of funds.--(a) Certification and Notice. The State Board shall review each request for grants from the Candidates Fund and certify by July 15 before the general election whether the candidate is eligible to receive them. The State Board shall notify the candidate of the certification decision in that candidate’s case within seven days after the decision is made.

(b) Formula for Distribution. A candidate certified to receive money from the Candidates Fund shall be entitled to distribution of funds on a one-to-one basis for all qualifying matching contributions as defined in G.S. 163-278.47. No candidate, however, shall receive money from the Candidates Fund in excess of half the amount of that candidate’s expenditure limit under G.S. 163-278.48.

(c) Reporting. Certification and distribution of funds shall be based on contributions to the candidate reported pursuant to G.S. 163-
278.9 and pursuant to this section. In addition to the reports required in G.S. 163-278.9, a candidate who seeks to receive contributions from the Candidates Fund shall file a report of contributions and expenditures at each of the following times before the general election:

(1) The second Wednesday in August, and
(2) The second Wednesday in September.

Those two reports shall be filed on forms prescribed by the State Board. The State Board may prescribe separate forms on which candidates who seek grants from the Candidates Fund shall file the other reports required by G.S. 163-278.9.

(d) Timetable for Distribution. Funds shall be distributed to candidates by September 1 before the general election, based on the August reports required in subsection (c) of this section. Further distribution shall be made within seven days after the filing of each succeeding pre-election contribution report required by this section or by G.S. 163-278.9.

"§ 163-278.51. Withdrawal of application.--(a) Regular Deadline for Withdrawal. A candidate, by written notice to the State Board before July 10, may withdraw application to receive money from the Candidates Fund.

(b) Extended Deadline for Withdrawal. Notwithstanding the provisions of subsection (a) of this section, if withdrawal by any other candidate or candidates leaves a person as the only candidate in a contest applying for money from the Candidates Fund, that candidate may withdraw by written notice to the State Board before August 22.

(c) Consequences of Withdrawal. A candidate shall receive no money from the Candidates Fund after that candidate’s notice of withdrawal. The candidate will not be subject to the limitations or penalties of this Article if the candidate makes a timely withdrawal.

(d) Vacancies and Replacement Nominees. If a party nominee who has been certified to receive money from the Candidates Fund dies, resigns, or for any reason becomes ineligible or disqualified before the general election but after the applicable deadline in subsection (a) or (b) of this section, that candidate’s application for the Candidates Fund is automatically withdrawn without penalty, but the candidate shall return all money received from the Candidates Fund that is unspent at the time that candidate leaves the race. If the nominee is replaced, the new candidate may either:

(1) Forego participation in the Candidates Fund; in that case, the new candidate will:
   a. Not be eligible for any of the money the former candidate received or became entitled to before leaving the race, and
   b. Not be subject to the expenditure limit, or
(2) Assume the position of the former candidate with respect to
the Candidates Fund: in that case, the new candidate will:
  a. Be eligible for the unspent money the former candidate
returned to the Candidates Fund, and for any money to
which the former candidate had become entitled through
qualifying matching contributions but had not received
before leaving the race, and
  b. Be eligible for any money from the Fund the new
candidate may earn through qualifying matching
contributions, and
  c. Be subject to the remainder of the former candidate’s
expenditure limit, and
  d. Be subject to all other requirements for participation in
the Candidates Fund that the candidate’s late entry into
the race do not make inappropriate.

If the new candidate elects to forego the Candidates Fund, any other
candidate in the race may withdraw his application within seven days
after the new candidate has notified the State Board of a decision to
forego the Candidates Fund, if the candidate seeking to withdraw is
left as the only publicly funded candidate in the race. A candidate
who withdraws from participation in the Candidates Fund under the
circumstances set out in this paragraph must return all money received
from the Candidates Fund at the time of withdrawal.

"§ 163-278.52. Penalties; fines.--In addition to any other penalties
which may be applicable under this Chapter, any candidate who
receives contributions from the Candidates Fund and who exceeds the
applicable expenditure limit or falsely reports qualifying matching
contributions and thereby receives contributions from the Candidates
Fund to which the candidate was not entitled shall be fined an amount
equal to the amount at issue plus ten percent (10%).

"§ 163-278.53. Criminal punishment.--Any individual, person,
candidate, political committee, or treasurer who willfully and
intentionally violates any of the provisions of this Article, shall be
guilty of a Class J felony.

"§ 163-278.54. Sixty-day post-election report to State Board; audit.--
(a) Maintenance of Records. The treasurer of each candidate shall
keep a complete record of receipts from the Candidates Fund and of
all subsequent expenditures and disbursements, substantiated by any
records, receipts, and information that the State Director of Elections
shall require.

(b) Sixty-day Report. By 60 days after each general election, the
treasurer of each candidate receiving funds from the Candidates Fund
in that general election campaign shall file with the State Board an
itemized statement reporting all receipts of Candidates Fund monies
CHAPTER 1063    Session Laws — 1988

and of all subsequent expenditures and disbursements and attach to the report the treasurer's verification that all funds were spent in accordance with the provisions of this Article.

(c) Audit. The State Board shall conduct an audit of the 60-day post-election report. If the Secretary of the State Board finds that any funds were not disbursed or expended in accordance with this Article, the Secretary shall order the candidate to reimburse the Candidates Fund the amount improperly expended or disbursed.

"§ 163-278.55. Return of unspent money within 90 days of election.--Any money a candidate receives from the Candidates Fund that is unspent within 90 days after the general election shall be returned to the Candidates Fund. One-half of any amount in the candidate's campaign account required by G.S. 163-278.8 shall be deemed to be money received from the Candidates Fund: provided that if, pursuant to G.S. 163-278.46, the candidate received grants from the Candidates Fund on less than a one-to-one ratio, the same proportion of the candidate's campaign account shall be deemed to be money received from the Candidates Fund.

"§ 163-278.56. Duties of the State Board.--The State Board shall establish rules for the administration and enforcement of this Article.

"§ 163-278.57. Definitions.--The terms 'candidate,' 'expend,' 'individual,' 'person,' and 'treasurer' as used in this Article shall be as defined in G.S. 163-278.6."

Sec. 2. G.S. 105-163.16 is amended by adding at the end a new subsection to read:

"(f) Any taxpayer who shall be entitled to a refund of taxes withheld or estimated taxes paid as provided by this section may elect to contribute all or any part of such refund to the North Carolina Candidates Financing Fund for the use of political campaigns as provided in Article 22C of Chapter 163 of the General Statutes. The Secretary shall provide appropriate language and space on the individual income tax form in which to make such election and shall note the same in his instructions as a contribution qualifying as a deduction under G.S. 105-147(16). Any such election shall become irrevocable upon filing the taxpayer's income tax return for the taxable year. The Secretary shall, on a quarterly basis, transmit the remainder of such contributions to the State Treasurer for deposit in the North Carolina Candidates Financing Fund. Any interest earned on funds so deposited shall be credited to that Fund."

Sec. 3. Article 22B of Chapter 163 of the General Statutes is amended by deleting the phrase "North Carolina Election Campaign Fund" wherever it appears and substituting "North Carolina Political Parties Financing Fund" for the first reference and "Political Parties Fund" for the second and subsequent references.
Sec. 4. The Secretary of Revenue, the State Treasurer, and the Executive Secretary-Director of the State Board of Elections shall monitor and evaluate the response of the taxpayers and the growth of the Candidates Fund and each shall report to the General Assembly by May 15, 1991. The 1991 General Assembly is urged to review those reports and to determine if enough money has accumulated in the Candidates Fund to warrant distribution according to Section 1 of this act. If the 1991 General Assembly determines that an insufficient amount of money has accumulated to warrant proceeding with Section 1 of this act, the money that has accumulated in the Candidates Fund shall be transferred to the General Fund.

Sec. 5. Section 1 of this act shall become effective January 1, 1992. The remainder of this act is effective for taxable years beginning on or after January 1, 1988.

In the General Assembly read three times and ratified this the 7th day of July, 1988.

H.B. 1240  CHAPTER 1065

AN ACT TO MAKE CERTAIN CHANGES IN THE LAW REGARDING FRAUDULENT DISPOSAL OF PROPERTY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 14-114 reads as rewritten:
"§ 14-114. Fraudulent disposal of personal property on which there is a security interest.--(a) If any person, after executing a security agreement on personal property for a lawful purpose, shall make any disposition of any property embraced in such security agreement, with intent to hinder, delay or defeat the rights of the secured party, every person so offending and every person with a knowledge of the security interest buying any property embraced in which security agreement, and every person assisting, aiding or abetting the unlawful disposition of such property, with intent to hinder, delay or defeat the rights of any secured party in such security agreement, shall be guilty of a misdemeanor punishable by a fine not to exceed five hundred dollars ($500.00), imprisonment for not more than six months, or both. In all indictments for violations of the provisions of this section it shall not be necessary to allege or prove the person to whom any sale or disposition of the property was made, but proof of the possession of the property embraced in such security agreement by the grantor thereof, after the execution of said security agreement, and while it is
in force, the further proof of the fact that the sheriff or other officer charged with the execution of process cannot after due diligence find such property under process directed to him for its seizure, for the satisfaction of such security agreement, or that the secured party demanded the possession thereof of the grantor for the purpose of sale to foreclose said security agreement, after the right to such foreclosure had accrued, and that the grantor failed to produce, deliver or surrender the same to the secured party for that purpose, shall be prima facie proof of the fact of the disposition or sale of such property, by the grantor, with the intent to hinder, delay or defeat the rights of the secured party."

"A person's refusal to turn over secured property to a secured party who is attempting to repossess the property without a judgment or order for possession shall not, by itself, be a violation of this section.

(b) Intent to commit the crime as set forth in subsection (a) may be presumed from proof of possession of the property embraced in such security agreement by the grantor thereof after execution of the security agreement, and while it is in force, the further proof of the fact that the sheriff or other officer charged with the execution of process cannot after due diligence find such property under process directed to him for its seizure, for the satisfaction of such security agreement. However, this presumption may be rebutted by evidence that the property has, through no fault of the defendant, been stolen, lost, damaged beyond repair, or otherwise disposed of by the defendant without intent to defeat the rights of the secured party. When there is conflicting evidence on intent the State shall have the burden of proof.

Sec. 2. G.S. 14-115 reads as rewritten:

"§ 14-115. Secretion of property to hinder enforcement of lien or security interest.---Any person removing, exchanging or secreting any personal property on which a lien or security interest exists, after a judgment or order for possession for that property has been issued, with intent to prevent or hinder the enforcement of the lien or security interest, shall be guilty of a misdemeanor punishable by a fine not to exceed five hundred dollars ($500.00), imprisonment for not more than six months, or both."

Sec. 3. G.S. 14-168.4 is added to the General Statutes to read as follows:

"§ 14-168.4. Failing to return rented property on which there is purchase option.---(a) It shall be a misdemeanor, punishable by a fine not to exceed five hundred dollars ($500.00), imprisonment for not more than six months, or both, for any person to fail to return rented property with intent to defeat the rights of the owner, which is rented
pursuant to a written rental agreement in which there is an option to purchase the property, after the date of termination provided in the agreement has occurred or, if the termination date is the occurrence of a specified event, then that such event has in fact occurred.

(b) Intent to commit the crime set forth in subsection (a) may be presumed from the following evidence:

1. Evidence that the defendant has disposed of the property, or has encumbered the property by allowing a security interest to be placed on the property or by delivering the property to a pawnbroker; or

2. Evidence that the defendant has refused to deliver the property to the sheriff or other officer charged with the execution of process directed to him for its seizure, after a judgment for possession of the property or a claim and delivery order for the property has been issued; or

3. Evidence that the defendant has moved the rented property out of state and has failed to notify the owner of the new location of the property.

However, this presumption may be rebutted by evidence from the defendant that he has no intent to defeat the rights of the owner of the property.

(c) Violations of this Article for failure to return rented property which is rented pursuant to a written rental agreement in which there is an option to purchase shall be prosecuted only under this section.

Sec. 4. This act shall become effective October 1, 1988.

In the General Assembly read three times and ratified this the 7th day of July, 1988.

H.B. 2316  

CHAPTER 1067

AN ACT TO AUTHORIZE VANCE COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Vance-County Board of Commissioners may by resolution, after not less than 10 days’ public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable
to the county tax administrator in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county tax administrator under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both. The board of commissioners may, for good cause shown, compromise or forgive the penalties imposed by this subsection.

(e) Distribution and use of tax revenue. Vance County shall set aside in a special account fifty percent (50%) of the net proceeds of the occupancy tax and may spend these funds only to promote travel and tourism in Vance County, to sponsor tourist-oriented events and activities in Vance County, and to finance tourist-related capital projects in Vance County. Vance County shall remit the remaining net proceeds of the tax to its general fund; Vance County may use these funds for any lawful purpose. As used in this subsection, "net proceeds" means gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a
resolution adopted by the Vance County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

Sec. 2. This act is effective upon ratification.

"§ 163-132.2. Establishment of precinct boundaries for 1990 Census.-
-(a) The Legislative Services Office as soon as it receives the U.S. Census Bureau's official census block maps to be used in the 1990 U.S. Census shall send the relevant copies of those maps to county boards of elections. After receiving copies of those maps, the county boards of election shall:

1) Alter, where necessary, precinct boundaries to be coterminous with township boundaries, municipal boundaries, census block boundaries, or a combination of those boundaries provided that if, as a result of the alteration, the polling place is no longer in the precinct, it may continue to be the polling place as long as the lot or tract on which the polling place is situated adjoins the precinct;

1a) Alter, where necessary, precinct boundaries so that each precinct is composed solely of contiguous territory, except where the operation of G.S. 163-132.5A has caused a precinct to be divided into two or more non-contiguous areas.

2) Mark all precinct boundaries on the maps sent by the Legislative Services Office, showing the precinct boundaries in effect as of the time of marking, but with any changes effective at a later time as provided by subsection (d) of this section; and

3) File, within 45 days of the date the maps are sent by the Legislative Services Office or at an earlier time deemed necessary by the Executive Secretary-Director of the State Board of Elections with the State Board and the Legislative Services Office the maps identifying the precinct boundaries and a written description of those boundaries deemed sufficient by the State Board to identify the precincts.

Additionally, the Legislative Services Office shall submit to the Executive Secretary-Director of the State Board of Elections its opinion as to whether each precinct is composed solely of contiguous territory.

(d) The changes in precinct boundaries under subsections (b) and (c) of this section shall be made effective not later than January 1, 1992.

(e) After the Executive Secretary-Director of the State Board approves or alters the precincts filed by the county boards and before January 2, 1990, no county board of elections may establish, alter, discontinue, or create any precinct except for changes resulting from G.S. 163-132.5A or by division of one precinct into two or more precincts.

When the State files with the Census Bureau precinct maps, those boundaries shall be those effective at the date of submission, but with any change with a postponed effective date made under subsection (d) of this section or made under G.S. 163-132.5A. In any case where the precinct includes non-contiguous portions because of the operation of G.S. 163-132.5A, the Executive Secretary-Director of the State Board of
Elections shall designate those areas for census data purposes as separate precincts. Provided, where a precinct boundary has been or is to be altered because of the operation of G.S. 163-132.5A, the boundary on the map shall be shown as in effect on January 1, 1988, the reporting date of the underlying municipal boundary on the map, but the fact that the boundary has been or is to be moved because of an intervening annexation shall be reported to the Executive Secretary-Director of the State Board of Elections and Legislative Services Office.

The Executive Secretary-Director may require a county board of elections to file a written description of the boundaries of any precinct or part thereof. No newly created or altered precinct boundary occurring after January 1, 1990, is effective until approved by the Executive Secretary-Director of the State Board as being coterminous with the boundaries of townships, municipalities, census blocks established by the then latest U.S. Census, or a combination of those boundaries.

"§ 163-132.4. Rules. "§ 163-132.5. Cooperation of State and local agencies.--The State Budget Office, the Department of Transportation and county and municipal planning departments shall cooperate and assist the Legislative Services Office, the Executive Secretary-Director of the State Board of Elections and the county boards of elections in the implementation of this Article.

"§ 163-132.5A. and any part of the boundary of the area being annexed which is actually contiguous to the city is also a precinct boundary for elections administered by the county board of elections then the annexed area is automatically moved into the 'city precinct', provided that if the annexed area is adjacent to more than one city precinct, the board of elections shall place the area in any one or more of the adjacent city precincts. The county board of elections may delay the effective date of any change under this subsection to a date not later than January 1, 1992.

(b) This section does not apply when the entire area of contiguity between the city and the area being annexed is a township boundary, a county boundary, or a visible feature used or expected to be used as a census block boundary in the 1990 census.

"§ 163-132.5B. Exemption from Administrative Procedure Act.--The State Board of Elections is exempt from the provisions of Articles 2, 3, 3A and 4 of Chapter 150B of the General Statutes while acting under the authority of this Article. The State Board shall approve, disapprove or modify the Executive Secretary's decision within 30 days of receipt of notice of appeal. Failure of the State Board to act within 30 days of receipt of notice of appeal shall constitute a final decision approving that of the Executive Secretary. (b) Every personal representative and collector within 90 days after the granting of letters shall send by first class mail to the last known address a copy of the notice required by subsection (a) of this section to all persons, firms, and corporations having unsatisfied claims against the decedent who are actually known or can be reasonably ascertained by the personal representative or collector within the 90

CHAPTER 1078

AN ACT TO PROVIDE THAT THE SAME TYPE OF JOINT ACCOUNTS AND TRUSTS ACCOUNTS ARE AVAILABLE TO CUSTOMERS OF ALL FINANCIAL INSTITUTIONS AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. Article 12 of Chapter 53 is amended by adding three new sections thereto as follows:

"§ 53-146.1. Joint accounts.--(a) Any two or more persons may establish a deposit account or accounts by written contract. The deposit account and any balance thereof shall be held for them as joint tenants, with or without right of survivorship, as the contract shall provide, or may be held pursuant to G.S. 41-2.1 and have the incidents set forth in that section, provided, however, if the account is held pursuant to G.S. 41-2.1 the contract shall set forth that fact. Unless the persons establishing the account have directed that withdrawals require more than one signature, payment by the bank to, or on the order of, any persons designated in the contract authorized by this section shall be a total discharge of the bank’s obligation as to the amount so paid. A pledge of such account by any owner or

497
owners, unless otherwise specifically agreed upon, shall be a valid pledge and transfer of such account, or of the amount so pledged, and shall not operate to sever or terminate the joint ownership of all or any part of the account. Persons establishing an account under this section shall sign a statement showing their decision in regard to the right of survivorship in the account, and containing the following language in a conspicuous manner:

'BANK (or name of institution) JOINT ACCOUNT
G.S. 53-146.1

We understand that by establishing a joint account under the provisions of North Carolina General Statute 53-146.1 that:
1. The bank (or name of institution) may pay the money in the account to, or on the order of, any person named in the account unless we have directed that withdrawals require more than one signature; and
2. If we elect to create the right of survivorship in the account, that upon the death of one joint owner the money remaining in the account will belong to the surviving joint owners and will not be inherited by the heirs of the deceased joint owner or be controlled by the deceased joint owner's will.

We ________ (write in 'do' or 'do not') elect to create the right of survivorship in this account.

This section shall not be deemed exclusive. Deposit accounts not conforming to this section shall be governed by other common law provisions of the General Statutes or the common law as appropriate.

(b) Nothing herein contained shall be construed to repeal or modify any of the provisions of G.S. 105-24, relating to the administration of the estate tax laws of this State, or provisions of laws relating to estate taxes; the provisions herein shall regulate, govern and protect the bank in its relationship with such joint owners of deposit accounts as herein provided.

(c) No addition to such deposit account, nor any withdrawal, payment or revocation shall affect the nature of the account as a joint account.

§ 53-146.2. Trust accounts.--(a) If any person establishing a deposit account shall execute a written agreement with the bank containing a statement that it is executed pursuant to the provisions of this subsection and providing for the account to be held in the name of such person as trustee for not more than one person designated as beneficiary, the account and any balance thereof shall be held as a trust account, and:

(1) The trustee during the trustee's lifetime may change the
designated beneficiary by a written direction to the bank; and

(2) The trustee may withdraw or receive payment in cash or check payable to the trustee's personal order, and such payment or withdrawal shall constitute a revocation of the agreement as to the amount withdrawn; and

(3) Upon the death of the trustee, the person designated as beneficiary, if such person is living at the death of the trustee, shall be the owner of the account, and payment by the bank to such owner shall be a total discharge of the bank's obligation as to the amount paid.

The person establishing an account under this subsection shall sign a statement containing the following language in a conspicuous manner:

'BANK (or name of institution) TRUST ACCOUNT

I understand that by establishing a trust account under the provisions of North Carolina General Statute 53-146.2 that:

1. During my lifetime I may withdraw the money in the account; and

2. By written direction to the bank (or name of institution) I may change the beneficiary; and

3. Upon my death the money remaining in the account will belong to the beneficiary and the money will not be inherited by my heirs or be controlled by will.

(b) Whenever the beneficiary of a trust account does not survive the trustee, then the account and any balance thereof which exists shall be owned by the trustee in the trustee's own right and for the trustee's own use and benefit.

(c) No addition to such accounts, nor any withdrawal, payment, revocation or change of beneficiary shall affect the nature of such accounts as trust accounts.

(d) Nothing herein contained shall be construed to repeal or modify any of the provisions of G.S. 105-24, relating to the administration of the estate tax laws of this State, or provisions of laws relating to estate taxes.

"§ 53-146.3. Personal agency accounts.--(a) Any person may establish a personal agency account by written contract containing a statement that it is executed pursuant to the provisions of this section. The written contract shall name an agent who shall have authority to act on behalf of the depositor in regard to the account in the actions set out in this subsection. The agent shall have the authority to:

1. Make, sign or execute checks drawn on the account;

2. Endorse checks made payable to the principal for deposit only into the account; and
(3) Deposit cash or negotiable instruments, including instruments endorsed by the principal, into the account. A person establishing an account under this section shall sign a statement containing the following language in a conspicuous manner:

'BANK (or name of institution) PERSONAL AGENCY ACCOUNT
G.S. 53-146.3

I understand that by establishing a personal agency account under the provisions of North Carolina General Statute 53-146.3 that the agent named in the account may:

1. Sign checks drawn on the account; and
2. Make deposits into the account.

I also understand that upon my death the money remaining in the account will be controlled by my will or inherited by my heirs.

(b) An account created under the provisions of this section grants no ownership right or interest in the agent. Upon the death of the principal there is no right of survivorship to the account and the authority set out in subsection (a) terminates.

(c) The written contract referred to in subsection (a) shall provide that the principal may elect to extend the authority of the agent set out in subsection (a) to act on behalf of the principal in regard to the account notwithstanding the subsequent incapacity or mental incompetence of the principal. If the principal so elects to extend such authority of the agent, then upon the subsequent incapacity or mental incompetence of the principal, the agent may continue to exercise such authority, without the requirement of bond or of accounting to any court, until such time as the agent shall receive actual knowledge that such authority has been terminated by a duly qualified guardian of the estate of the incapacitated or incompetent principal or by the duly appointed attorney-in-fact for the incapacitated or incompetent principal, acting pursuant to a durable power of attorney (as defined in G.S. 32A-8) which grants to the attorney-in-fact that authority in regard to the account which is granted to the agent by the written contract executed pursuant to the provisions of this section, at which time the agent shall account to such guardian or attorney-in-fact for all actions of the agent in regard to the account during the incapacity or incompetence of the principal. If the principal does not so elect to extend the authority of the agent, then upon the subsequent incapacity or mental incompetence of the principal, the authority of the agent set out in subsection (a) terminates.

(d) When an account under this section has been established all or part of the account or any interest or dividend thereon may be paid on a check made, signed or executed by the agent. In the absence of
actual knowledge that the principal has died or that the agency created by the account has been terminated, such payment shall be a valid and sufficient discharge to the bank for payment so made."

Sec. 2. G.S. 54-109.57 is hereby rewritten to read as follows: "§ 54-109.57. Trusts accounts.--(a) Shares may be issued to and deposits received from any person holding or opening an account who shall execute a written agreement with the credit union containing a statement that it is executed pursuant to the provisions of this subsection and providing for the account to be held in the name of such person as trustee for not more than one person designated as beneficiary, the account and any balance thereof shall be held as a trust account. and:

(1) The trustee during the trustee’s lifetime may change the designated beneficiary by a written direction to the credit union; and

(2) The trustee may withdraw or receive payment in cash or check payable to the trustee’s personal order, and such payment or withdrawal shall constitute a revocation of the agreement as to the amount withdrawn; and

(3) Upon the death of the trustee, the person designated as beneficiary, if such person is living at the death of the trustee, shall be the holder of the account, and payment by the credit union to the holder shall be a total discharge of the credit union’s obligation as to the amount paid.

The person establishing an account under this subsection shall sign a statement containing the following language in a conspicuous manner:

‘CREDIT UNION (or name of institution) TRUST ACCOUNT

G.S. 54-109.57

I understand that by establishing a trust account under the provisions of North Carolina General Statute 54-109.57 that:

1. During my lifetime I may withdraw the money in the account; and

2. By written direction to the credit union (or name of institution) I may change the beneficiary; and

3. Upon my death the money remaining in the account will belong to the beneficiary, and the money will not be inherited by my heirs or be controlled by my will.

(b) Whenever the beneficiary of a trust account does not survive the trustee, then the account and any balance thereof which exists shall be held by the trustee in the trustee’s own right and for the trustee’s own use and benefit.

(c) No addition to such accounts, nor any withdrawal, payment, revocation or change of beneficiary shall affect the nature of such
accounts as trust accounts.
(d) Nothing herein contained shall be construed to repeal or modify any of the provisions of G.S. 105-24, relating to the administration of the estate tax laws of this State, or provisions of law relating to estate taxes."

"§ 54-109.58. Joint accounts.--(a) Shares may be issued to and deposits received from any two or more persons opening or holding an account or accounts, but no joint tenant, unless a member in his own right, shall be permitted to vote, obtain loans, or hold office or be required to pay an entrance or membership fee. The account and any balance thereof shall be held by them as joint tenants, with or without right of survivorship, as the contract shall provide, or may be held pursuant to G.S. 41-2.1 and have the incidents set forth in that section, provided, however, if the account is held pursuant to G.S. 41-2.1 the contract shall set forth that fact. Unless the persons establishing the account have directed that withdrawals require more than one signature, payment by the credit union to, or on the order of, any persons holding an account authorized by this section shall be a total discharge of the credit union's obligations as to the amount so paid. A pledge of such account by any holder or holders shall, unless otherwise specifically agreed upon, be a valid pledge and transfer of such account, or of the amount so pledged, and shall not operate to sever or terminate the joint ownership of all or any part of the account. Persons establishing an account under this section shall sign a statement showing their decision in regard to the right of survivorship in the account, and containing the following language in a conspicuous manner:

'CREDIT UNION (or name of institution) JOINT ACCOUNT
G.S. 54-109.58

We understand that by establishing a joint account under the provisions of North Carolina General Statute 54-109.58 that:

1. The credit union (or name of institution) may pay the money in the account to, or on the order of, any person named in the account unless we have directed that withdrawals require more than one signature; and

2. If we elect to create the right of survivorship in the account, that upon the death of one joint owner the money remaining in the account will belong to the surviving joint owners and will not be inherited by the heirs of the deceased joint owner or be controlled by the deceased joint owner's will.

We [write in "do" or "do not"] elect to create the right of survivorship in this account.
This section shall not be deemed exclusive. Deposit accounts, not conforming to this section shall be governed by other applicable provisions of the General Statutes or the common law as appropriate.

(b) Nothing herein contained shall be construed to repeal or modify any of the provisions of G.S. 105-24, relating to the administration of the estate tax laws of this State, or provisions of laws relating to estate taxes; the provisions herein shall regulate, govern and protect the credit union in its relationship with such joint owners of accounts as herein provided.

(c) No addition to such account, nor any withdrawal, payment or revocation shall affect the nature of the account as a joint account."

Sec. 4. Article 14F of Chapter 54 of the General Statutes is hereby amended by adding a new section thereto read as follows:

"§ 54-109.63. Personal agency accounts.--(a) A person may open a personal agency account by written contract containing a statement that it is executed pursuant to the provisions of this section. The written contract shall name an agent who shall have authority to act on behalf of the depositor in regard to the account as set out in this subsection. The agent shall have the authority to:

(1) Make, sign or execute checks drawn on the account;
(2) Endorse checks made payable to the principal for deposit only into the account; and
(3) Deposit cash or negotiable instruments, including instruments endorsed by the principal, into the account.

A person establishing an account under this section shall sign a statement containing the following language in a conspicuous manner:

'CREDIT UNION (or name of institution)
PERSONAL AGENCY ACCOUNT
G.S. 54-109.63

I understand that by establishing a personal agency account under the provisions of North Carolina General Statute 54-109.63 that the agent named in the account may:

1. Sign checks drawn on the account; and
2. Make deposits into the account.

I also understand that upon my death the money remaining in the account will be controlled by my will or inherited by my heirs."

(b) An account created under the provisions of this section grants no ownership right or interest in the agent. Upon the death of the principal there is no right of survivorship to the account and the authority set out in subsection (a) terminates.
(c) The written contract referred to in subsection (a) shall provide that the principal may elect to extend the authority of the agent set out in subsection (a) to act on behalf of the principal in regard to the account notwithstanding the subsequent incapacity or mental incompetence of the principal. If the principal so elects to extend such authority of the agent, then upon the subsequent incapacity or mental incompetence of the principal, the agent may continue to exercise such authority, without the requirement of bond or of accounting to any court, until such time as the agent shall receive actual knowledge that such authority has been terminated by a duly qualified guardian of the estate of the incapacitated or incompetent principal or by the duly appointed attorney-in-fact for the incapacitated or incompetent principal, acting pursuant to a durable power of attorney (as defined in G.S. 32A-8) which grants to the attorney-in-fact that authority in regard to the account which is granted to the agent by the written contract executed pursuant to the provisions of this section, at which time the agent shall account to such guardian or attorney-in-fact for all actions of the agent in regard to the account during the incapacity or incompetence of the principal. If the principal does not so elect to extend the authority of the agent, then upon the subsequent incapacity or mental incompetence of the principal, the authority or the agent set out in subsection (a) terminates.

(d) When an account under this section has been established all or part of the account or any interest or dividend thereon may be paid by the credit union on a check made, signed or executed by the agent. In the absence of actual knowledge that the principal has died or that the agency created by the account has been terminated, such payment shall be a valid and sufficient discharge to the credit union for payment so made.

(e) An account established under the provisions of this section does not grant to the agent the authority to vote, obtain loans, or hold office and the agent shall not be required to pay an entrance or membership fee.

Sec. 5. G.S. 54B-129(a) and (b) are rewritten to read as follows:

"(a) Any two or more persons may open or hold a withdrawable account or accounts. The withdrawable account and any balance thereof shall be held by them as joint tenants, with or without right of survivorship, as the contract shall provide, or may be held pursuant to G.S. 41-2.1 and have incidents set forth in that section, provided, however, if the account is held pursuant to G.S. 41-2.1 the contract shall set forth that fact. Unless the persons establishing the account have directed that withdrawals require more than one signature,
payment by the association to, or on the order of, any persons holding an account authorized by this section shall be a total discharge of the association's obligation as to the amount so paid. A pledge of such account by any holder or holders shall, unless otherwise specifically agreed upon, be a valid pledge and transfer of such account, or of the amount so pledged, and shall not operate to sever or terminate the joint ownership of all or any part of the account. Persons establishing an account under this section shall sign a statement showing their decision in regard to the right of survivorship in the account, and containing the following language in a conspicuous manner:

This section shall not be deemed exclusive. Deposit accounts not conforming to this section shall be governed by other applicable provisions of the General Statutes or the common law as appropriate.

(b) Nothing herein contained shall be construed to repeal or modify any of the provisions of G.S. 105-24, relating to the administration of the estate tax laws of this State, or provisions of law relating to estate taxes; the provisions herein shall regulate, govern and protect the association in its relationships with such joint owners of deposit accounts as herein provided."

Sec. 6. G.S. 54B-130 is rewritten to read as follows:

"(a) If any person holding or opening a withdrawable account shall execute a written agreement with the association containing a statement that it is executed pursuant to the provisions of this subsection and providing for the account to be held in the name of such person as trustee for not more than one person designated as beneficiary, the account and any balance thereof shall be held as a trust account and:
(1) The trustee during the trustee's lifetime may change the designated beneficiary by a written direction to the association; and
(2) The trustee may withdraw or receive payment in cash or check payable to the trustee's personal order, and such payment or withdrawal shall constitute a revocation of the agreement as to the amount withdrawn; and
(3) Upon the death of the trustee, the person designated as beneficiary, if such person is living at the death of the trustee, shall be the holder of the account, and payment by the association to the holder shall be a total discharge of the association's obligation as to the amount paid.

1. The child has not been identified or has been incorrectly identified as a child with special needs;
2. The child's individualized education plan is not appropriate to meet his needs;
3. The child's individualized education plan is not being implemented; or
4. The child is otherwise being denied a free, appropriate education.

In addition, a local educational agency may obtain review as provided by this section if a parent, guardian, or surrogate parent refuses to consent to the evaluation of the child for the purpose of determining whether the child is a child with special needs or for the purpose of developing a free appropriate educational program for the child.

1. To provide a child with an appropriate education;
2. To place a child in a private school that is approved to provide special education and that can provide the child an appropriate education; or
3. To reimburse parents for reasonable private school placement costs in accordance with the provisions of G.S. 115C-115 in the event it determines that the local educational agency did not offer or provide the child with an appropriate education and the private school in which the parent, guardian, or surrogate parent placed the child was an approved school and did provide the child an appropriate education.

(k) Judicial Review. - Any party aggrieved by the State Board's decision may seek judicial review in the State courts as provided in Chapter 150B, Article 4 of the General Statutes, or in federal court as provided in 20 U.S.C. § 1415.

Sec. 3. G.S. 105-493 reads as rewritten:
"§ 105-493. Distribution of taxes.--The Secretary shall, on a quarterly basis, allocate the net proceeds of any one-half percent (1/2%) sales and use taxes levied under this Article in accordance with G.S. 105-486. For purposes of the allocation under G.S. 105-486, a county that levies one-half percent (1/2%) sales and use taxes under this Article is considered a taxing county under that section. To make the allocation required by G.S. 105-486 and this section, the Secretary shall add the net proceeds of local sales and use taxes levied under Article 40 of this Chapter and under this Article, and shall then allocate this amount to the taxing counties on a per capita basis as provided in G.S. 105-486. The amount allocated to a county that levies one-half percent (1/2%) sales and use taxes under this Article shall be adjusted by multiplying it by the appropriate adjustment factor set out in the table as provided in G.S. 105-486(b) and then divided among the county and its municipalities on either a per capita or an ad valorem tax basis, as designated by the board of county commissioners in a resolution adopted pursuant to G.S. 105-472. If any taxes levied under this Article by a county have not been collected in that county for a full quarter because of the levy or repeal of the taxes, the Secretary shall distribute a pro rata share to that county for that quarter based on the number of months the taxes were collected in that county during the quarter."

Sec. 4. G.S. 105-501 reads as rewritten:
"§ 105-501. Distribution of additional taxes.--The Secretary shall, on a quarterly basis, allocate the net proceeds of the additional one-half percent (1/2%) sales and use taxes levied under this Article to the taxing counties on a per capita basis according to the most recent annual population estimates certified to the Secretary by the State Budget Officer. The Secretary shall then adjust the amount allocated to each county by multiplying the amount by the appropriate adjustment factor set out in the table as provided in G.S. 105-486(b)."
The amount allocated to each taxing county shall then be divided among the county and the municipalities located in the county in accordance with the method by which the one percent (1%) sales and use taxes levied in that county pursuant to Article 39 of this Chapter or Chapter 1096 of the 1967 Session Laws are distributed.

If any taxes levied under this Article by a county have not been collected in that county for a full quarter because of the levy or repeal of the taxes, the Secretary shall distribute a pro rata share to that county for that quarter based on the number of months the taxes were collected in that county during the quarter."

Sec. 5. G.S. 87-58(d) reads as rewritten:

"(d) In order to protect the public health, comfort and safety, the Board shall prescribe the standard of **efficiency experience** to be required of an applicant for license and shall give an examination designed to ascertain the technical and practical knowledge of the applicant concerning the analysis of plans and specifications, estimating cost, fundamentals of installation and design as same pertain to refrigeration; and as a result of such examination, the Board shall issue a certificate of license in refrigeration to applicants who pass the required examination and a license shall be obtained in accordance with the provisions of this Article, before any person, firm or corporation shall engage in, or offer to engage in the business of refrigeration contracting as herein defined. Each application for examination shall be accompanied by a check, post-office money order or cash in the amount of the annual license fee required by this Article. Regular examinations shall be given in the months of April and October of each year and additional examinations may be given at such other times as the Board may deem wise and necessary. Any person may demand in writing a special examination and upon payment by the applicant of the cost of holding such examination and the deposit of the amount of the annual license fee, the Board in its discretion will fix a time and place for such examination. A person who fails to pass any examination shall not be reexamined until the next regular examination."

Sec. 6. G.S. 105-90(b)(1) reads as rewritten:

"(b) Every person, firm, or corporation who or which engages in the business of securing employment for a person or persons and charging therefor a fee, commission, or other compensation shall apply for and obtain from the Secretary of Revenue a State license for the privilege of engaging in such business in this State, and shall pay for such license the following annual tax for each location in which such business is carried on:

Provided, however, after first sale of the vehicle, a single application of tinted film which has been registered with and approved by the Commissioner of Motor Vehicles shall be lawful if the manufacturer's label is implanted between the film and glass in the lower left section of each darkened window and is legible from outside the vehicle. The label shall indicate the film registration number, the name and address of the manufacturer and a certification of compliance with North Carolina law. No film or darkening material may be applied on the windshield except to replace the sunshield in the uppermost area as installed by the manufacturer of the vehicle, in which case the label shall be implanted between the film and glass in the upper left section of the windshield and be legible from outside the vehicle. A rear window shall be required for visibility on every vehicle unless the vehicle is equipped with an outside mirror of a type approved by the Commissioner which eliminates the requirement for an inside rearview mirror under the provisions of G.S. 20-126(a) and (b)."

Sec. 8. G.S. 20-127(f) reads as rewritten:
"(f) Before shipping or making any tinted film available for
installation on a motor vehicle in this State, the manufacturer shall apply to the Commissioner for approval and registration of its tinted film and for a label to be used in the identification and certification of compliance with light transmittance and reflectance standards. The Commissioner shall approve no tinted film to be used in the front windows or a rear window if required for visibility unless the manufacturer demonstrates that it has at least thirty-five percent (35%) fifty percent (50%) light transmittance if it is to be used on front, side, or rear windows and a luminous reflectance of not more than twenty percent (20%). A fee shall be paid by the manufacturer with each application for film approval and registration in the approximate amount of the cost to the Division in the review of the applications."

"(h) Subsections (d) through (g) of this section shall apply only to darkened, smoked or tinted film installed on motor vehicle windows after factory delivery and after the effective date of this act and shall not apply to vehicles registered in another state and in compliance with the standards required in that state at time."

Sec. 9. This act does not affect the rights or liabilities of the State, a taxpayer, or other person arising under a statute amended or repealed by this act before its amendment or repeal; nor does it affect the right to any refund or credit of a tax that would otherwise have been available under the amended or repealed statute before its amendment or repeal.

----STATE/LOCAL SPECIAL REVENUE FUNDS

Sec. 56. House Bill 2430. 1987 Session, if enacted, will enhance the ability of the Department of Revenue to collect State and local sales taxes due on sales by non-resident vendors to residents of this State. If House Bill 2430 is enacted, the Secretary of Revenue shall to the extent practicable identify the out-of-State retailers that, as a result of the legislation, will be required to collect State and local sales and use taxes on sales to residents of this State because they purposefully or systematically exploit the market provided by this State, as provided in proposed G.S. 105-164.8(b)(5), and would not otherwise be required to collect the taxes based on one of the conditions in proposed G.S. 105-164.8(b)(1) through (3). Because at this time it is impossible to estimate the amount of additional revenue that may be generated by enactment of House Bill 2430, sound budgetary practices dictate that the State and local sales taxes collected and remitted by these identified retailers should not be distributed or expended before the 1989-90 fiscal year. Therefore, notwithstanding any other provision of law, the Secretary of Revenue shall deposit the
State sales and use taxes collected and remitted by these identified retailers in a special fund to the credit of the State Treasurer, to be called the State Special Revenue Fund. It is the intent of the General Assembly that these State tax proceeds shall remain in the Special Fund until the General Assembly provides that they shall be deposited in the General Fund. In addition, notwithstanding any other provision of law, the Secretary of Revenue shall deposit the local sales and use taxes collected and remitted by these identified retailers in another special fund to the credit of the State Treasurer, to be called the Local Special Revenue Fund. It is the intent of the General Assembly that these local tax proceeds shall remain in the Special Fund until the General Assembly provides that they shall be distributed to local governments in accordance with Articles 39, 40, 41, and 42 of Chapter 105 of the General Statutes and in accordance with Chapter 1096 of the 1967 Session Laws.

---SALES-ASSESSMENT RATIO STUDIES/CLARIFICATION OF FUNDING

Sec. 57. Section 84(d) of Chapter 830 of the 1987 Session Laws reads as rewritten:

"(d) The enactment of the School Facilities Finance Act of 1987 has created the need for a statistical adjustment of the assessed value of taxable real property in each county in light of the staggered real property revaluation cycle. This adjustment is necessary for the allocation of the proceeds of the Critical School Facility Needs Fund. This need is in addition to the adjustments required by the 1985 legislation that equalized the property tax burden of public service companies.

For the purpose of determining net collections under G.S. 105-213 for the fiscal year ending June 30, 1987, the sum of seventy-two thousand three hundred forty-five dollars ($72,345) shall be deducted, in addition to the amounts specified by the second paragraph of G.S. 105-213(a), to fund the cost to the Department of Revenue for the 1987-88 fiscal year of making the sales-assessment ratio studies required by G.S. 105-284 and G.S. 105-289. For the purpose of determining net collections under G.S. 105-213 for the fiscal year ending June 30, 1989, the sum of eighty-nine thousand eight hundred fourteen dollars ($89,814) shall be deducted, in addition to the amounts specified by the second paragraph of G.S. 105-213(a), to fund the cost to the Department of Revenue for the 1988-89 fiscal year of making the sales-assessment ratio studies required by G.S. 105-284 and G.S. 105-289. Such deduction deductions shall be expended as follows:

(b) The State Board of Community Colleges shall establish policies and procedures for the transferring of funds within each community college's budget that will assure the General Assembly proper accountability for the use of such funds. It is the intent of the General Assembly that all community colleges achieve the goal of paying an average salary to curriculum instructors equal to or greater than the unit value established in the community college formula for curriculum instructors and that any transfers among line items in the budget allocation formula be minimized.

The State Board of Community Colleges shall make quarterly reports of all transfers approved in accordance with the State Board of Community Colleges' policies and procedures for transferring funds within each college's budget to the Joint Legislative Commission on Governmental Operations, the Chairmen of the House and Senate Base and Expansion Budget Committees, and to the Fiscal Research Division.

Requested by: Senator Ward, Representative Watkins

------COMMUNITY COLLEGES PRESIDENTIAL SALARY STUDY

Community Colleges. However, no salary revision for the elimination of inequities among Community College Presidents’ salaries may be made until the State Board of Community Colleges has received the recommendations of the consultant study on Community College Presidential Salaries and reported to the Joint Commission on Governmental Operations, the Chairmen of the House and Senate Base and Expansion Budget Committees and the Fiscal Research Division on any proposed modifications.

-----ALLOCATION OF COMMUNITY COLLEGE FUNDS

Sec. 61. (a) Sections 211 and 215 of Chapter 738 of the 1987 Session Laws are repealed.

(b) Funds appropriated to the Department of Community Colleges for the 1988-89 fiscal year for purposes of State aid shall be allocated in accordance with procedures established by the State Board of Community Colleges for distribution to local community colleges and for departmental support. These procedures shall be in accordance with the formula changes recommended to the General Assembly by the State Board of Community Colleges at its March 10, 1988, board meeting. Notwithstanding G.S. 150B-13, the State Board of Community Colleges may, until six months from the effective date of this act, adopt temporary rules for college formula allocations without prior notice or hearing or upon any abbreviated notice or hearing the State Board of Community Colleges finds practicable. The State Board of Community Colleges shall begin normal rule-making procedures on permanent rules in accordance with Article 2 of Chapter 150B at the same time it adopts a temporary rule as authorized under this section. Temporary rules adopted under this section shall be published by the Director of the Office of Administrative Hearings in the North Carolina Register and shall be effective for a period of not longer than 180 days.

The Department of Community Colleges shall establish measurements of progress for the literacy program and provide technical assistance to institutions for implementation of these measurements. Each institution shall develop and submit a plan to the Department of Community Colleges for approval to show how it will increase and retain a significant percentage of its targeted population in the literacy program. Each plan shall address recruitment, assessment, retention, and evaluation of student progress. An assessment and retention specialist may be funded from direct instructional funds to assure implementation of this plan.

The State Board of Community Colleges is authorized to reallocate literacy education funds among institutions when an institution determines that it will not be able to utilize its full allocation.

Literacy education programs shall be provided in proper, on-campus and off-campus educational settings, as defined by the State Board of Community Colleges, in order to ensure accessibility to those in need of these programs.

The State Board of Community Colleges shall report by May 1, 1988, to the 1987 Session of the General Assembly, 1988 Regular Session, June 1, 1989, to the 1989 General Assembly, on the progress made by each institution of the Community College system toward achieving significant enrollment increases and retention of students throughout the literacy education programs. PART XIV-----DEPARTMENT OF PUBLIC EDUCATION

Requested by: Representative Barnes

----STUDENT ASSESSMENT/GRADES 1 AND 2

Sec. 77. (a) G.S. 115C-174.11(a) reads as rewritten:

"(a) Annual Testing Program. In order to assess the effectiveness of the educational process, and to ensure that each pupil receives the maximum educational benefit from the educational process, the State Board of Education shall implement an annual statewide testing program in basic subjects. It is the purpose of this testing program to help local school systems and teachers identify and correct student needs in basic skills rather than to provide a tool for comparison of individual students or to evaluate teacher performance. The annual testing program shall be conducted each school year for the third, sixth and eighth grades. Students in these grade levels who are enrolled in special education programs or who have been officially designated as eligible for participation in such programs may be excluded from the testing program if special testing procedures are required for testing such students. The State Board of Education shall select annually the type or types of tests to be used in the testing program.

The State Board of Education shall also adopt and provide to the local school administrative units developmentally appropriate individualized assessment instruments consistent with the Basic Education Program for the first and second grades, rather than standardized tests. Local school administrative units may use these assessment instruments provided to them by the State Board for first and second grade students, and shall not use standardized tests. The State Board of Education shall report to the Joint Legislative Commission on Governmental Operations prior to May 1, 1988, and to the Senate and House Appropriations Committees on Education prior to March 1, 1989, on the assessment instruments it develops."

(b) Funds in the amount of one hundred fifty-two thousand dollars ($152,000) appropriated to the Department of Public Education for the 1988-89 fiscal year are transferred from Fund 1500 (Research
and Educational Media) to Fund 1600 (Instructional Services). These funds shall be used for developmentally appropriate individualized assessment instruments for the first and second grade instead of for standardized testing for the first and second grade.

Funds appropriated for this purpose for the 1988-89 fiscal year shall be used by local boards of education in the summer of 1989 to provide remedial summer schools for students in grades one through twelve.

Local boards of education may also use funds appropriated for the 1987-88 fiscal year and for the 1988-89 fiscal year for remedial summer school programs to provide a summer course to students to help them prepare for the Scholastic Aptitude Test.

----CLASS SIZE

Sec. 89. (a) G.S. 115C-301 is rewritten to read:

"§ 115C-301. Allocation of teachers; class size.-(a) Request for Funds. The State Board of Education, based upon the reports of local boards of education and such other information as the State Board may require from local boards, shall determine for each local school administrative unit the number of teachers and other instructional personnel to be included in the State budget request.

(b) Allocation of Positions. The State Board of Education is authorized to adopt rules to allot instructional personnel and teachers, within funds appropriated.

(c) Maximum Class Size. The average class size for each grade span in a local school administrative unit shall at no time exceed the funded allotment ratio of teachers to students. At the end of the
second school month and for the remainder of the school year, the size of an individual class shall not exceed the allotment ratio by more than three students. At no time may the General Assembly appropriate funds for higher unit-wide class averages than those for which State funds were provided during the 1984-85 school year.

(d) Maximum Teaching Load. Students shall be assigned to classes so that from the 15th day of the school year through the end of the school year the number of students for whom teachers in grades 7 through 12 are assigned teaching responsibilities during the course of the day is no more than 150 students, except as provided in subsection (g) of this section.

(e) Alternative Maximum Class Sizes. The State Board of Education, in its discretion, may set higher maximum class sizes and daily teaching loads for classes in music, physical education, and other similar subjects, so long as the effectiveness of the instructional programs in those areas is not thereby impaired.

(f) Second Month Reports. At the end of the second month of each school year, each local board of education, through the superintendent, shall file a report for each school within the school unit with the State Board of Education. The report shall be filed in a format prescribed by the Controller of the State Board of Education and shall include the organization for each school, the duties of each teacher, the size of each class, the teaching load of each teacher, and such other information as the State Board or Controller may require. As of February 1 each year, local boards of education, through the superintendent, shall report all exceptions to individual class size and daily teaching load maximums that occur at that time.

(g) Waivers and Allotment Adjustments. Local boards of education shall report exceptions to the State Board of Education as provided in G.S. 115C-47(10), and shall request allotment adjustments or waivers from the standards set out above. Within 45 days of receipt of reports, the State Board of Education, within funds available, may allot additional positions or grant waivers for the excess class size or daily load:

(1) If the exception resulted from (i) exceptional circumstances, emergencies, or acts of God, (ii) large changes in student population, (iii) organizational problems caused by remote geographic location, or (iv) classes organized for a solitary curricular area, and

(2) If the local board cannot organizationally correct the exception.

All allotment adjustments and waivers submitted under this provision shall be reported to the Director of the Budget and to the
General Assembly by May 15 of each year.

"(10) To Assure Appropriate Class Size. It shall be the responsibility of local boards of education to assure that the class size and teaching load requirements set forth in G.S. 115C-301 are met. Any teacher who believes that the requirements of G.S. 115C-301 have not been met shall make a report to the principal and superintendent, and the superintendent shall immediately determine whether the requirements have in fact not been met. If the superintendent determines the requirements have not been met, he shall make a report to the next local board of education meeting. The local board of education shall take action to meet the requirements of the statute. If the local board cannot organizationally correct the exception and if any of the conditions set out in G.S. 115C-301(g)(1) exist, it shall immediately apply to the State Board of Education for additional personnel or a waiver of the class size requirements, as provided in G.S. 115C-301(g).

Upon notification from the State Board of Education that the reported exception does not qualify for an allotment adjustment or a waiver under provisions of G.S. 115C-301, the local board, within 30 days, shall take action necessary to correct the exception.

At the end of the second month of each school year, the local board of education, through the superintendent, shall file a report with the State Board of Education, in a format prescribed by the Controller of the State Board of Education, describing the organization of each school, the duties of each teacher, the size of each class, and the teaching load of each teacher. As of February 1 each year, local boards of education, through the superintendent, shall report all exceptions to individual class size and daily teaching load maximums that exist at that time.

In addition to assuring that the requirements of G.S. 115C-301 are met, each local board of education shall also have the duty to provide an adequate number of classrooms to meet the requirements of that statute."

(c) G.S. 115C-276(k) is rewritten to read:

---INDIGENT PERSONS' ATTORNEY FEE FUND

Sec. 113. (a)(1) Effective July 1, 1988, the Administrative Office of the Courts shall place the sum of three million dollars ($3,000,000) from the Indigent Persons' Attorney Fee Fund in a reserve for capital cases and for transcripts, professional examinations, and expert witness fees. The Administrative Office of the Courts shall allot these funds as needed for these purposes and for unanticipated demands on the fund.

(2) Effective July 1, 1988, the Administrative Office of the Courts shall allot the sum of nine million seven hundred seventy-four thousand six hundred thirty-six dollars ($9,774,636) from the Indigent Persons' Attorney Fee Fund for adult, juvenile, and guardian ad litem cases for the 1988-89 fiscal year to each judicial district where the superior and district court districts are coterminous, and otherwise by county, according to the case-load of indigent persons who were not represented by the public defender in the districts or counties during 1987-88.

The Administrative Office of the Courts shall notify all the senior resident superior court judges, all chief district court judges, and the clerk of superior court for each county of the amount available for the district or county immediately after the allotment is made and shall notify them how much remains for the district or county at the end of each month of the fiscal year.

The senior resident superior court judge and the chief district court judge of each district or county shall ask all judges holding court within the district or county: (i) to take into consideration the amount allotted at the beginning of the fiscal year and the amount remaining in the allotment when they award counsel fees to attorneys of indigent persons, and (ii) to make an effort to award fees equally and justly for legal services provided. The clerk of superior court for each county shall assure that all judges holding court within the county receive this request from the senior resident superior court judge and the chief district court judge.
The General Assembly requests that the Administrative Office of the Courts develop a fee schedule for attorneys of indigent persons for compensating counsel on a per case basis and that the Administrative Office of the Courts report that schedule to the 1989 General Assembly before March 1, 1989.

(3) If the funds allotted pursuant to subdivision (2) of this subsection are depleted in a district or county prior to the end of the 1988-89 fiscal year, the Administrative Office of the Courts shall allot the funds from the Reserve for Indigent Persons' Attorney Fee Funds in the same manner as provided in subdivision (2) and such funds shall be subject to the limitations and directions set out in subdivision (2).

(b) G.S. 7A-458 reads as rewritten:
"§ 7A-458. Counsel fees.--In districts which do not have a public defender, the court shall fix the fee to which an attorney who represents an indigent person is entitled. In doing so, the court shall allow a fee based on the factors normally considered in fixing attorneys' fees, such as the nature of the case, and the time, effort and responsibility involved, and the fees usually charged in similar cases. Fees shall be fixed by the district court judge who hears the case for actions or proceedings finally determined in the district court and by the superior court judge who hears the case for actions or proceedings originating in, heard on appeal in, or appealed from the superior court. Even if the trial, appeal, hearing or other proceeding is never held, preparation therefor is nevertheless compensable."

(c) G.S. 7A-456 reads as rewritten:
"§ 7A-456. False statements; penalty.--(a) A false material statement made by a person under oath or affirmation in regard to the question of his indigency constitutes perjury, and upon conviction thereof, the defendant may be punished as provided in G.S. 14-209.

(b) A judicial official making the determination of indigency shall notify the person of the provisions of subsection (a) of this section and shall explain to him the meaning of and the consequences of committing the crime of perjury.

(c) After a determination is made that a person is an indigent, the clerk of superior court for the county in which the determination was made shall make reasonable efforts to determine that, except for property he listed when the determination was made, the person owns no real property in that county."

S.B. 669

AN ACT TO CLARIFY THE STATE TORT CLAIMS ACT AND RELATED STATUTES, TO IMPROVE THE ADMINISTRATION OF THE ACT.

The General Assembly of North Carolina enacts:

Section I. G.S. 143-291 reads as rewritten:

"§ 143-291. Industrial Commission constituted a court to hear and determine claims: damages.--(a) The North Carolina Industrial Commission is hereby constituted a court for the purpose of hearing and passing upon tort claims against the State Board of Education, the Board of Transportation, and all other departments, institutions and agencies of the State. The Industrial Commission shall determine whether or not each individual claim arose as a result of the negligence of any officer, employee, involuntary servant or agent of the State while acting within the scope of his office, employment, service, agency or authority, under circumstances where the State of North Carolina, if a private person, would be liable to the claimant in accordance with the laws of North Carolina. If the Commission finds that there was such negligence on the part of an officer, employee, involuntary servant or agent of the State while acting within the scope of his office, employment, service, agency or authority, which was the proximate cause of the injury and that there was no contributory negligence on the part of the claimant or the person in whose behalf the claim is asserted, the Commission shall determine the amount of damages which the claimant is entitled to be paid, including medical and other expenses, and by appropriate order direct the payment of such damages by the department, institution or agency concerned, but in no event shall the amount of damages awarded exceed the sum of one hundred thousand dollars ($100,000) cumulatively to all claimants on account of injury and damage to any one person. The fact that a
claim may be brought under more than one Article under this Chapter shall not increase the foregoing maximum liability of the State.

(b) If a State agency, otherwise authorized to purchase insurance, purchases a policy of commercial liability insurance providing coverage in an amount at least equal to the limits of the State Tort Claims Act, such insurance coverage shall be in lieu of the State's obligation for payment under this Article."

Sec. 2. Chapter 143 is amended by adding a new section to read:

"§ 143-291.2. Costs and fees.--(a) The Industrial Commission may by order tax the costs against the losing party in the same amount and the same manner as costs are taxed in the General Court of Justice. When a State department, institution, or agency appeals to the full commission the decision rendered by a hearing commissioner, the State department, institution, or agency shall furnish a copy of the transcript of the hearing to the appellee without cost. The State department, institution, or agency concerned may pay the costs taxed against it. When costs are not paid by a party from whom they are due, the Industrial Commission shall issue an execution for the costs and attach a bill of costs to each execution. The Sheriff shall levy upon the execution as provided in Chapter 6 of the General Statutes in civil actions.

(b) The Industrial Commission shall charge a filing fee for each affidavit initiating a claim filed under this Article in an amount equal to the filing fee charged for civil actions in the Superior Court Division of the General Court of Justice. No filing fee shall be required of indigent persons, provided each claim by an indigent complies with all statutory and administrative requirements applicable to the filing of civil actions by indigents in the Superior Court Division of the General Court of Justice."

Sec. 3. Chapter 143 is amended by adding a new section to read:

"§ 143-291.3. Counterclaims by State.--The filing of a claim under this Article shall constitute consent by the plaintiff(s) to the jurisdiction of the Industrial Commission to hear and determine any counterclaim of one hundred thousand dollars ($100,000) or less which may be filed on behalf of a State department, institution, or agency or a county or city board of education. A final award of the Industrial Commission awarding damages on a counterclaim shall be filed with the Clerk of the Superior Court of the county wherein the case was heard. These awards shall be docketed and shall be enforceable in the same manner as judgments of the General Court of Justice. Notwithstanding the provisions of Rule 12 of the Rules of Civil Procedure, nothing in this section shall require the filing of such a counterclaim."
Sec. 4. G.S. 143-293 reads as rewritten:

"§ 143-293. Appeals to Court of Appeals.--Either the claimant or the State may, within 30 days after receipt of the decision and order of the full Commission, to be sent by registered or certified mail, but not thereafter, appeal from the decision of the Commission to the Court of Appeals. Such appeal shall be for errors of law only under the same terms and conditions as govern appeals in ordinary civil actions, and the findings of fact of the Commission shall be conclusive if there is any competent evidence to support them. The appellant shall cause to be prepared a statement of the case as required by the rules of the Court of Appeals. A copy of this statement shall be served on the respondent within 45 days from the entry of the appeal taken; within 20 days after such service, the respondent shall return the copy with his approval or specified amendments endorsed or attached; if the case be approved by the respondent, it shall be filed with the Clerk of the Court of Appeals as a part of the record; if not returned with objections within the time prescribed, it shall be deemed approved. The chairman of the Industrial Commission shall have the power, in the exercise of his discretion, to enlarge the time in which to serve statement of case on appeal and exceptions thereto or counterstatement of case.

If the case on appeal is returned by the respondent with objections as prescribed, or if a countercase is served on appellant, the appellant shall immediately request the chairman of the Industrial Commission to fix a time and place for settling the case before him. If the appellant delays longer than 15 days after the respondent serves his countercase or exceptions to request the chairman to settle the case on appeal, and delays for such period to mail the case and countercase or exceptions to the chairman, then the exceptions filed by the respondent shall be allowed; or the countercase served by him shall constitute the case on appeal; but the time may be extended by agreement of counsel.

The chairman shall forthwith notify the attorneys of the parties to appear before him for that purpose at a certain time and place, which time shall not be more than 20 days from the receipt of the request. At the time and place stated, the chairman of the Industrial Commission or his designee shall settle and sign the case and deliver a copy to the attorneys of each party. The appellant shall within five days thereafter file it with the Clerk of the Court of Appeals, and if he fails to do so the respondent may file his copy.

No appeal bond or supersedeas bond shall be required of State departments or agencies."
Sec. 5. G.S. 143-298 reads as rewritten:

"§ 143-298. Duty of Attorney General; expenses.--It shall be the duty of the Attorney General to represent all departments, institutions, and agencies of the State in connection with claims asserted against them and to attend all hearings in connection therewith where the amount of the claim, in the opinion of the Attorney General, is of sufficient import to require and justify such appearance. In the event the amount appropriated to the Attorney General's office for travel and subsistence is insufficient to take care of the additional expense incident to attending these hearings, the Governor and Council of State are authorized to pay such additional travel expenses from the Contingency and Emergency Fund.

Subpoenas for any purpose authorized by G.S. 1A-1, Rule 45 may be issued by an Attorney of Record for either party in all proceedings under the State Tort Claims Act and served by the means specified in the North Carolina Rules of Civil Procedure or served by registered or certified mail, and service shall be proved by filing of the return receipt."

Sec. 6. Chapter 143 of the General Statutes is amended by adding a new section to read:

"§ 143-299.2. Limitation on payments by the State.--The maximum amount which the State may pay cumulatively to all claimants on account of injury and damage to any one person, whether the claim or claims are brought under this Article or Article 31A or Article 31B, shall be one hundred thousand dollars ($100,000), less any commercial liability insurance purchased by the State and applicable to the claim or claims under G.S. 143-291(b), 143-300.6(c), or 143-300.16(c). The fact that a claim or claims may be brought under more than one Article under this Chapter shall not increase the above maximum liability of the State."

Sec. 7. G.S. 143-300 reads as rewritten:

"§ 143-300. Rules and regulations of Industrial Commission; destruction of records.--The Industrial Commission is hereby authorized and empowered to adopt such rules and regulations as may, in the discretion of the Commission, be necessary to carry out the purpose and intent of this Article. The North Carolina Rules of Civil Procedure and Rules of Evidence, insofar as they are not in conflict with the provisions of this Article, shall be followed in proceedings under this Article. When any case or claim under this Article has been closed by proper order or award, all records concerning such case or claim may, after five years, in the discretion of the Industrial Commission with and by the authorization of the Department of
Cultural Resources, be destroyed by burning or otherwise; provided, that no record pertaining to a case or claim of a minor shall be destroyed until the expiration of three years after such minor attains the age of 18 years."

Sec. 8. This act shall become effective January 1, 1989, and shall apply to claims arising on or after that date.

In the General Assembly read three times and ratified this the 8th day of July, 1988.

Payment shall be made in a single lump sum in an amount equal to the full actuarial cost of providing credit for the service, together with interest and an administrative fee, as determined by the Board of Trustees on the advice of the Retirement System's actuary. Notwithstanding the provisions of G.S. 135-4(b), the Board of Trustees shall fix and determine by appropriate rules and regulations how much service in any year, as based on compensation, is equivalent to one year of service in proportion to 'earnable compensation', but in no case shall more than one year of service be creditable for all service in one year. Service rendered for the regular school year in any district shall be equivalent to one year's service.

(2) Under all requirements and conditions set forth in the preceding subdivision of this subsection (p1), except for the requirement that the completion of 10 years five years of
membership service be subsequent to service rendered as a part-time teacher or employee of the State, any member with 10 or more years five or more years of membership service standing to his credit may purchase additional membership service for service rendered as a part-time teacher or employee of the State if (i) the member terminates or has terminated employment in any capacity as a teacher or employee of the State, (ii) the purchase of the additional membership service causes the member to become eligible to commence an early or service retirement allowance, and (iii) the member immediately elects to commence retirement and become a beneficiary."

Sec. 2. G.S. 135-4(s) reads as rewritten:
"(s) Credit at Full Cost for Temporary State Employment. -- In addition to the provisions of subsection (p) above, any member may purchase creditable service for State employment when classified as a temporary teacher or employee subject to the conditions that the:

The provisions of this subsection shall also apply to the purchase of creditable service for State employment when classified as a permanent hourly employee in accordance with G.S. 126-5(c4)."

The payment by the member shall be equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the Retirement System’s liabilities, taking into account the additional retirement allowance arising on account of the additional service credits commencing at the earliest age at which the member could retire with an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the actuary plus an administrative expense fee to be determined by the Board of Trustees."

The member shall purchase this service by making a lump sum amount payable to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the system’s liabilities, and shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees.

Members may also purchase creditable service for periods of employment with public community service entities within the State funded entirely with federal funds, other than the federal government, that are not covered by the provisions of G.S. 128-21(11) or G.S. 135-1(11), under the same terms and conditions that are applicable to the purchase of creditable service for periods of federal employment in accordance with this subsection. ‘Public community service entities’ as used in this subsection shall mean community action, human relations, manpower development, and community development programs as defined in Articles 19 and 21 of Chapter 160A and Article 18 of Chapter 153A of the General Statutes and any other

Members may also purchase creditable service for periods of employment with public community service entities within the State funded entirely with federal funds, other than the federal government, than are not covered by the provisions of G.S. 128-21(11) or G.S. 135-1(11), under the same terms and conditions that are applicable to the purchase of creditable service for periods of federal employment in accordance with this subsection. ‘Public community service entities’ as used in this subsection shall mean community action, human relations, manpower development, and community development programs as defined in Articles 19 and 21 of Chapter 160A and Article 18 of Chapter 153A of the General Statutes and any similar programs that the Board of Trustees may adopt."

Sec. 6. G.S. 128-26 is amended by adding the following subsections to the end to read:
"(p) Part-Time Service Credit.--
(1) Notwithstanding any other provision of this Chapter, upon completion of five years of membership service, any member may purchase service previously rendered as a part-time employee of a participating employer as defined in G.S. 128-21(11), except for temporary or part-time service rendered while a full-time student in pursuit of a degree or diploma in a degree-granting program. Payment shall be made in a single lump sum in an amount equal to the full actuarial cost of providing credit for the service, together with interest and an administrative fee, as determined by the Board of
Trustees on the advice of the Retirement System's actuary. Notwithstanding the provisions of G.S. 128-26(b), the Board of Trustees shall fix and determine by appropriate rules and regulations how much service in any year, as based on compensation, is equivalent to one year of service in proportion to 'earnable compensation', but in no case shall more than one year of service be creditable for all service in one year.

(2) Under all requirements and conditions set forth in the preceding subdivision of this subsection, except for the requirement that the completion of five years of membership service be subsequent to service rendered as a part-time employee, any member with five or more years of membership service standing to his credit may purchase additional membership service for service rendered as a part-time employee of an employer as defined in G.S. 128-21(11) if (i) the member terminates or has terminated employment in any capacity as an employee, (ii) the purchase of the additional membership service causes the member to become eligible to commence an early or service retirement allowance, and (iii) the member immediately elects to commence retirement and become a beneficiary.

(q) Credit at Full Cost for Probationary Employment.—Notwithstanding any other provision of this Chapter, a member may purchase creditable service, prior to retirement, for employment with an employer as defined in this Article when considered to be in a probationary or employer imposed waiting period status and thereby not regularly employed, between date of employment and date of membership service with the retirement system, provided that the employer or former employer of such a member has revoked this probationary employment or waiting period policy.

Provided, the member shall purchase this service by making a lump sum amount payable to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the liabilities of the retirement system, and the calculation of the amount payable shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. In no instance shall the amount payable be less than the contributions a member would have made during the
employment plus four percent (4%) interest compounded annually.

Nothing contained in this subsection shall prevent an employer from paying all or part of the cost; and, to the extent paid by an employer, payments shall be credited to the Pension Accumulation Fund; and to the extent paid by a member, payments shall be credited to the Annuity Savings Fund; provided, however, an employer may not discriminate against any member or group of members in his employ in paying all or any part of this cost.

(r) Credit at Full Cost for Temporary Local Government Employment.--Notwithstanding any other provisions of this Chapter, any member may purchase creditable service for local government employment when classified as a temporary employee subject to the conditions that:

(s) Credit at Full Cost for Employment Not Otherwise Creditable.--Notwithstanding any other provisions of this Chapter, any member may purchase creditable service for any employment as an employee, as defined in G.S. 128-21(10), of a local government employer not creditable in any other retirement system or plan, upon completion of five years of membership service by making a lump sum payment into the Annuity Savings Fund. The payment by the member shall be equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the retirement system's liabilities, and the calculation of the amount
payable shall take into account the additional retirement allowance arising on account of the additional service credits commencing at the earliest age at which the member could retire with an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the actuary plus an administrative fee to be determined by the Board of Trustees."

"§ 105-131.7. Returns; shareholder agreements; mandatory withholding.--(a) An S Corporation incorporated or doing business in the State shall file with the Department an annual return, on a form prescribed by the Secretary, on or before the due date prescribed for the filing of C Corporation returns in G.S. 105-130.17. If the corporation fails to timely file an agreement required by this subsection on behalf of any of its nonresident shareholders, then the corporation shall at the time specified in subsection (d) of this section pay to the Department on behalf of each nonresident shareholder who fails to execute such an agreement an amount equal to seven percent (7%) of the shareholder's pro rata share of the S Corporation's net income apportioned and allocated to this State pursuant to G.S. 105-130.4 and adjusted pursuant to G.S. 105-131.2.

1. At the time the annual return is required to be filed for the first taxable period for which the S Corporation becomes subject to the provisions of this Division; and
2. At the time the annual return is required to be filed for any taxable period in which the corporation has a nonresident shareholder on whose behalf such an agreement has not been previously filed.

(e) Amounts paid to the Department on account of the corporation's shareholders under subsections (b) and (c) shall constitute payments on their behalf of the income tax imposed on them under Division II of this Article for the taxable period.

"§ 105-131.8. Tax credits.--(a) Each shareholder of an S Corporation shall be allowed as a credit against the tax imposed by Division II of this Article in an amount equal to the shareholder's pro rata share of the tax credits described in G.S. 105-130.22 through G.S. 105-130.39 for which the S Corporation is eligible."

Sec. 2. G.S. 105-130.13 is repealed.

"(7) Dividends from stock issued by any corporation to the extent herein provided, provided, except that no deduction shall be allowed for dividends issued with respect to a taxable period during which the corporation is an S Corporation subject to the provisions of Division I-S of this Article. As soon as may be practicable after the close of each calendar year, the Secretary of Revenue shall determine from each corporate income tax return filed with him during such year, and due from the filing corporation during such year, the proportion of the

732
entire net income or loss of the corporation allocable to this State under the provisions of G.S. 105-130.4, except as provided herein; if a corporation has a net taxable income in North Carolina and a net loss from all sources wherever located, or, if a corporation has a net loss in North Carolina and a net income from all sources wherever located, the Secretary shall require the use of the allocation fraction determined under the provisions of G.S. 105-130.4. A taxpayer who is a stockholder in any such corporation shall be allowed to deduct from his gross income the same proportion of the dividends received by him from such corporation during his income year ending at or after the end of such calendar year. Provided that notwithstanding any other provision of this subdivision, a taxpayer who is a stockholder in a holding company as defined in G.S. 105-130.7(5) shall determine the deductible portion of dividend received from such holding company as provided therein. No deduction shall be allowed for any part of any dividend received by such taxpayer from any corporation which filed no income tax return with the Secretary of Revenue during such calendar year. Dividends received by a taxpayer from stock in any insurance company of this State taxed under the provisions of G.S. 105-228.5 shall be deductible from the gross income of such taxpayer, and a proportionate part of any dividends received from stock in any foreign insurance corporation shall be deductible, such part to be determined on the basis of the ratio of premiums reported for taxation in this State to total premiums collected both in and out of the State. Dividends received on shares of capital stock owned in a stock-owned savings and loan association taxed under Article 8D of this Chapter shall be deductible. A taxpayer shall be allowed to deduct such proportionate part of dividends received by him from a regulated investment company and real estate investment trust as defined in G.S. 105-130.12 as represents and corresponds to income received by such regulated investment company and real estate investment trust which would not be taxed by this State if received directly by the North Carolina resident. In no case shall the total amount of dividends that are deducted from a taxpayer's gross income as a result of the application of the provisions of this subdivision be in excess of fifteen thousand dollars ($15,000) for the taxable year, except that for taxable years beginning on or before June 30, 1990, this limitation shall not apply to dividends received from a corporation for which with respect to a taxable period during which a valid election to be taxed under Subchapter S of Chapter 1 of the Code is was in effect."
Sec. 5. G.S. 105-130.3 reads as rewritten:

"§ 105-130.3. Corporations.--Every corporation doing business in this State shall pay annually an income tax equivalent to seven percent (7%) of its net income or the portion thereof allocated and apportioned to this State, except that an S Corporation subject to the provisions of Division I-S of this Article shall not be subject to the tax levied by this section.

The net income or net loss of such corporation shall be the same as 'taxable income' as defined in the Code subject to the adjustments provided in G.S. 105-130.5.

If the entire business of the corporation is done within this State or if the corporation is not taxable in another state within the meaning of subsection (b) of G.S. 105-130.4, the tax shall be measured by the entire net income of the corporation for the income year.

If the business of the corporation is taxable both within and without this State, its entire net income or net loss shall be allocated and apportioned in accordance with the provisions of G.S. 105-130.4."

Sec. 6. This act is effective for taxable years beginning on or after July 1, 1990.

"§ 7A-516. Purpose.--This Article Subchapter shall be interpreted and construed so as to implement the following purposes and policies:

(1) To divert juvenile offenders from the juvenile system through the intake services authorized herein so that juveniles may remain in their own homes and may be treated through community-based services when this approach is consistent with the protection of the public safety;

(2) To provide procedures for the hearing of juvenile cases that assure fairness and equity and that protect the constitutional rights of juveniles and parents; and
(3) To develop a disposition in each juvenile case that reflects consideration of the facts, the needs and limitations of the child, the strengths and weaknesses of the family, and the protection of the public safety, safety;

(4) To provide for services for the protection of juveniles by means that respect both the right to family autonomy and juveniles' needs for safety, continuity, and permanence; and

(5) To provide standards for the removal, when necessary, of juveniles from their homes and for the return of juveniles to their homes consistent with preventing the unnecessary or inappropriate separation of juveniles from their parents."

Sec. 2. G.S. 7A-564 reads as rewritten:
"§ 7A-564. Issuance of summons.—(a) Immediately after a petition has been filed alleging that a juvenile is abused, neglected, dependent, undisciplined, or delinquent, the clerk of superior court shall issue a summons to the juvenile, to the parent, and to the guardian, custodian, or caretaker requiring them to appear for a hearing at the time and place stated in the summons. A copy of the petition shall be attached to each summons.

(b) A summons shall be on a printed form supplied by the Administrative Office of the Courts and shall include:

(1) Notice of the nature of the proceeding;

(2) Notice of any right to counsel and information about how to seek the appointment of counsel prior to a hearing; and

(3) Notice that, if the court determines at the hearing that the allegations of the petition are true, the court will conduct a dispositional hearing to consider the needs of the juvenile and enter an order designed to meet those needs and the objectives of the State, and that the dispositional order may remove the juvenile from the custody of the parent, guardian, or custodian.

(c) The summons shall advise the parent that upon service, jurisdiction over him is obtained and that failure of the parent to comply with any order of the court pursuant to G.S. 7A-650 may cause the court to issue a show cause order for contempt.

(d) A summons shall be directed to the person summoned to appear and shall be delivered to any law enforcement officer having authority and territorial jurisdiction to execute the process person authorized to serve process."

Sec. 3. G.S. 7A-574(a) reads as rewritten:
"§ 7A-574. Criteria for secure or nonsecure custody.—(a) When a request is made for nonsecure custody, the judge shall first consider release of the juvenile to his parent, relative, guardian, custodian or other responsible adult. An order for nonsecure custody shall be made
only when there is a reasonable factual basis to believe the matters alleged in the petition are true, and

(1) The juvenile has been abandoned; or
(2) The juvenile has suffered physical injury or sexual abuse; or
(3) The juvenile is exposed to a substantial risk of physical injury or sexual abuse because the parent, guardian, or custodian has created the conditions likely to cause injury or abuse or has failed to provide, or is unable to provide, adequate supervision or protection; or
(4) The juvenile is in need of medical treatment to cure, alleviate, or prevent suffering serious physical harm which may result in death, disfigurement, or substantial impairment of bodily functions, and his parent, guardian, or custodian is unwilling or unable to provide or consent to the medical treatment; or
(5) The parent, guardian or custodian consents to the nonsecure custody order;
(6) The juvenile is a runaway and consents to nonsecure custody; or
(7) The juvenile meets one or more of the criteria for secure custody but the court finds it in the best interest of the juvenile that the juvenile be placed in a nonsecure placement.

A juvenile alleged to be abused, neglected, or dependent shall be placed in nonsecure custody only when there is a reasonable factual basis to believe that there is no other reasonable means available to protect the juvenile. In no case shall a juvenile alleged to be abused, neglected, or dependent be placed in secure custody.

Sec. 4. G.S. 7A-577 is amended by adding a new subsection to read:

"(h) Any order authorizing the continued nonsecure custody of a juvenile who is alleged to be abused, neglected, or dependent shall include findings as to whether reasonable efforts have been made to prevent or eliminate the need for placement of the juvenile in custody and may provide for services or other efforts aimed at returning the juvenile home promptly. A finding that reasonable efforts have not been made to prevent or eliminate the need for placement shall not preclude the entry of an order authorizing continued nonsecure custody when the court finds that continued nonsecure custody is necessary for the protection of the juvenile. Where efforts to prevent the need for the juvenile's placement were precluded by an immediate threat of harm to the juvenile, the court may find that the placement of the juvenile in the absence of such efforts was reasonable."
Sec. 5. G.S. 7A-586 reads as rewritten:
"§ 7A-586. Appointment and duties of guardian ad litem.—When in a
petition a juvenile is alleged to be abused or neglected, the judge shall
appoint a guardian ad litem to represent the juvenile. When a juvenile
is alleged to be dependent, the judge may appoint a guardian ad litem
to represent the juvenile. The appointment shall be made pursuant to
the program established by Article 39 of this Chapter unless
representation is otherwise provided pursuant to G.S. 7A-491 or G.S.
7A-492. In every case where a nonattorney is appointed as a guardian
ad litem, an attorney shall be appointed in the case in order to assure
protection of the child's legal rights within the proceeding. The duties
of the guardian ad litem shall be to make an investigation to determine
the facts, the needs of the juvenile, and the available resources within
the family and community to meet those needs; to facilitate, when
appropriate, the settlement of disputed issues; to explore options with
the judge at the dispositional hearing; and to protect and promote the
best interest of the juvenile until formally relieved of the responsibility
by the judge. When the appointed guardian ad litem is not an attorney
licensed to practice in the State of North Carolina, he may employ an
attorney when the employment is authorized by the court and pursuant
to Chapter 7A or request the appointment of an attorney to appear on
behalf of the juvenile in the court proceeding and to assist the
guardian ad litem by performing necessary and appropriate legal
services on the juvenile's behalf, to present relevant facts to the judge
at the adjudicatory hearing and to appeal, when advisable, from an
adjudication or order of disposition to the Court of Appeals.

The judge may order the Department of Social Services or the
guardian ad litem to conduct follow-up investigations to insure that the
orders of the court are being properly executed and to report to the
court when the needs of the juvenile are not being met. The judge
may also authorize the guardian ad litem to accompany the juvenile to
court in any criminal action wherein he may be called on to testify in
a matter relating to abuse.

The judge may grant the guardian ad litem the authority to demand
any information or reports whether or not confidential, that may in the
guardian ad litem's opinion be relevant to the case. Neither the
physician-patient privilege nor the husband-wife privilege may be
invoked to prevent the guardian ad litem and the court from obtaining
such information. The confidentiality of the information or reports
shall be respected by the guardian ad litem and no disclosure of any
information or reports shall be made to anyone except by order of the
judge."

Sec. 6. G.S. 7A-588 reads as rewritten:
"§ 7A-588. Payment of court appointed attorney or guardian ad

litem.—An attorney or guardian *ad litem* appointed pursuant to G.S. 7A-584, 7A-586 or 7A-587 of this Article or pursuant to any other provision of the Juvenile Code shall be paid a reasonable fee fixed by the court in the same manner as fees for attorneys appointed in cases of indigency or by direct engagement for specialized guardian *ad litem* services through the Administrative Office of the Courts. The judge may require payment of the attorney or guardian *ad litem* fee from a person other than the juvenile as provided in G.S. 7A-450.1, 7A-450.2 and 7A-450.3. In no event shall the parent or guardian be required to pay the fees for an appointed attorney or guardian *ad litem* in an abuse, or neglect, or dependency proceeding unless abuse or neglect has been found to have occurred the juvenile has been adjudicated to be abused, neglected, or dependent. A person who does not comply with the court's order of payment may be punished for contempt as provided in G.S. 5A-21."

Sec. 7.  G.S. 7A-489 reads as rewritten:

"§ 7A-489. Office of Guardian *ad litem* Services established.—There is established within the Administrative Office of the Courts an Office of Guardian *ad litem* Services to provide services in accordance with G.S. 7A-586 to abused, and neglected, or dependent juveniles involved in judicial proceedings, and to assure that all participants in these proceedings are adequately trained to carry out their responsibilities. Beginning on July 15, 1983, and ending July 1, 1987, the Administrative Office of the Courts shall establish in phases a statewide guardian *ad litem* program comprised of local district programs to be established in all judicial districts of the State. Each local district program shall consist of volunteer guardians *ad litem*, at least one program attorney, a program coordinator who is a paid State employee, and such clerical staff as the Administrative Office of the Courts in consultation with the local district program deems necessary. The Administrative Office of the Courts shall promulgate rules and regulations necessary and appropriate for the administration of the program."

Sec. 8.  G.S. 7A-491 reads as rewritten:

"§ 7A-491. Conflict of interest or impracticality of implementation.—If a conflict of interest prohibits a local district program from providing representation to an abused, or neglected, or dependent juvenile, the court may appoint any member of the district bar to represent said juvenile. If the Administrative Office of the Courts determines that within a particular judicial district the implementation of a local district program is impractical, or that an alternative plan meets the conditions of G.S. 7A-492, the Administrative Office of the Courts shall waive the establishment of the program within the district."

Sec. 9.  G.S. 7A-632 reads as rewritten:
"§ 7A-632. Continuances.--The judge may, for good cause, continue at any time any case to allow the hearing for as long as is reasonably required to receive additional factual evidence, social information reports, or assessments that the court has requested, or other information needed in the best interest of the juvenile or in the interest of justice and to allow for a reasonable time for the parties to conduct expeditious discovery. Otherwise, continuances shall be granted only in extraordinary circumstances when necessary for the proper administration of justice or in the best interest of the juvenile."

Sec. 10. G.S. 7A-651 reads as rewritten:

"§ 7A-651. Dispositional order.--(a) The dispositional order shall be in writing and shall contain appropriate findings of fact and conclusions of law. The judge shall state with particularity, both orally and in the written order of disposition, the precise terms of the disposition including the kind, duration and the person who is responsible for carrying out the disposition and the person or agency in whom custody is vested.

(b) A dispositional order under which a juvenile is removed from the custody of a parent or person standing in loco parentis shall direct that the review hearing required by G.S. 7A-657 be held within six months of the date of the juvenile's placement in custody and, if practicable, shall set the date and time for the review hearing.

(c) Any order directing placement of a juvenile in foster care shall also contain:

(1) A finding that the juvenile's continuation in or return to his own home would be contrary to the juvenile's best interest; and

(2) Findings as to whether reasonable efforts have been made to prevent or eliminate the need for placement of the juvenile in foster care. A finding that reasonable efforts were not made to prevent or eliminate the need for placement shall not preclude entry of a dispositional order authorizing placement in foster care when the court finds that such placement is needed for protection of the juvenile. When efforts to prevent the need for the juvenile's placement are precluded by an immediate threat of harm to the juvenile, the court may find that placement of the juvenile in the absence of such efforts is reasonable.

The order may provide for services or other efforts aimed at returning the juvenile home.

(d) An order that places a juvenile in the custody of a county department of social services for placement shall specify that the juvenile's placement and care are the responsibility of the county department of social services and that the county department is to
provide or arrange for the foster care or other placement of the juvenile."

Sec. 11. G.S. 7A-657 is amended by adding a new subsection to read:

"(e) The provisions of subsections (b), (c), and (d) of G.S. 7A-651 shall apply to any order entered under this section which continues the foster care placement of a juvenile."

Sec. 12. G.S. 7A-668 reads as rewritten:

"§ 7A-668. Disposition pending appeal.--Pending disposition of an appeal, the release of the juvenile, with or without conditions, should issue in every case unless the judge orders otherwise. For compelling reasons which must be stated in writing, the judge may enter a temporary order affecting the custody or placement of the juvenile as he finds to be in the best interest of the juvenile or the State. The provisions of subsections (b), (c), and (d) of G.S. 7A-651 shall apply to any order entered under this section which provides for the placement or continued placement of a juvenile in foster care."

Sec. 13. Of funds appropriated to the Administrative Office of the Courts for fiscal year 1988-89, the sum of one thousand five hundred fifty-three dollars ($1,553.00) may be used to implement the start-up costs of Sections 5, 6, 7, and 8 of this act. Funding to pay the attorneys representing dependent juveniles under Sections 5, 6, 7, and 8 of this act shall come from the Indigent Persons Attorney Fee Fund.

Sec. 14. Sections 5, 6, 7, 8, and 13 of this act shall become effective June 1, 1989. The remainder of this act is effective upon ratification and shall apply to all petitions filed on or after the date of ratification of this act and to all review hearings held on or after the date of ratification of this act.

In the General Assembly read three times and ratified this the 8th day of July, 1988.

S.B. 1559

CHAPTER 1095

AN ACT TO PROVIDE FOR THE URGENT NEEDS OF OLDER ADULTS, TO BEGIN BUILDING AN IN-HOME AND COMMUNITY-BASED SYSTEM OF SERVICES FOR OLDER ADULTS, AND TO APPROPRIATE THE NECESSARY FUNDS.

Whereas, by the year 2000, there will be nearly one million North Carolinians 65 years of age and older; and

Whereas, the group of older adults needing the most assistance, those of 85 years of age and older, is increasing at a rate twice as fast as the group 65 years of age and older; and

Whereas, the State of North Carolina spends about five times more on institutional care for the elderly than on community-based care, even though four of every five frail elderly persons live at home, dependent upon family members, church groups, and other informal caregivers; and

Whereas, more than 130 older adults, caregivers, providers, and advocates testified at four public hearings held by the North Carolina Study Commission on Aging across the State in February and March 1988, and stressed the urgency of the need for more in-home services,
for adequate transportation services, and for more support for family members and other caregivers; and

Whereas, North Carolina currently does not have a well coordinated full-service system of in-home and community-based services for the elderly, whether subsidized or fee-supported, nor has the State developed a management system for a full-fledged service system for older adults; and

Whereas, the legislation addressed in this proposal, developed as a package, is designed to lead to a more coordinated and more visionary system of in-home and community-based care for older adults, while also meeting urgent needs, as explained fully in the Report of the North Carolina Study Commission on Aging to the 1987 General Assembly, 1988 Session; Now, therefore,

The General Assembly of North Carolina enacts:

PART I. -----EMERGENCY NEEDS

-----TRANSPORTATION.

Section 1. (a) Article 2B of Chapter 136 is amended by adding a new section to read:

"§ 136-44.27. North Carolina Elderly and Handicapped Transportation Assistance Program.--(a) There is established the Elderly and Handicapped Transportation Assistance Program that shall provide State financed elderly and handicapped transportation services for counties within the State. The Department of Transportation is designated as the agency of the State responsible for administering State funds appropriated to purchase elderly and handicapped transportation services for counties within the State. The Department shall develop appropriate procedures regarding the distribution and use of these funds and shall adopt rules to implement these procedures. No funds appropriated pursuant to this act may be used to cover State administration costs.

(b) For the purposes of this section, an elderly person is defined as one who has reached the age of 60 or more years, and a handicapped person is defined as one who has a physical or mental impairment that substantially limits one or more major life activities, an individual who has a record of such impairment, or an individual who is regarded as having such an impairment. Certification of eligibility shall be the responsibility of the county.

(c) All funds distributed by the Department under this section are intended to purchase additional transportation services, not to replace funds now being used by local governments for that purpose. These funds are not to be used towards the purchase of transportation vehicles or equipment. To this end, only those counties maintaining
elderly and handicapped transportation services at a level consistent with those in place on January 1, 1987, shall be eligible for additional transportation assistance funds.

(d) The Public Transportation Division of the Department of Transportation shall distribute these funds to the counties according to the following formula: fifty percent (50%) divided equally among all counties; twenty-two and one-half percent (22 1/2%) based upon the number of elderly residents per county as a percentage of the State's elderly population; twenty-two and one-half percent (22 1/2%) based upon the number of handicapped residents per county as a percentage of the State's handicapped population; and, the remaining five percent (5%) based upon a population density factor that recognizes the higher transportation costs in sparsely populated counties.

(e) Funds distributed by the Department under this section shall be used by counties in a manner consistent with transportation development plans which have been approved by the Department and the Board of County Commissioners. To receive funds apportioned for a given fiscal year, a county shall have an approved transportation development plan. Funds that are not obligated in a given fiscal year due to the lack of such a plan will be distributed to the eligible counties based upon the distribution formula prescribed by subsection (d) of this section."

(b) This section shall become effective only upon the transfer pursuant to G.S. 105-164.44A to the Department of Transportation of the sum of two million dollars ($2,000,000) for fiscal year 1988-89, to provide funds for the North Carolina Elderly and Handicapped Transportation Assistance Program established by this section.

-----IN-HOME AGING SERVICES

Sec. 2. Of the funds appropriated from the General Fund to the Division of Aging, Department of Human Resources in Chapter 886 of the 1987 Session Laws, for the 1988-89 fiscal year the sum of seven hundred twenty thousand dollars ($720,000) shall be used to provide funds for much needed, additional in-home aide services that enable the frail elderly to remain in their homes and avoid institutionalization.

The Division shall administer the in-home aide services and activities funded by this section. The Division of Aging shall choose in-home service providers on the basis of a competitive bid process and shall include the following criteria: documented capacity to provide care, adequacy of quality assurance, training, supervision, abuse prevention, complaint mechanisms, and costs. All funds allocated by the Division pursuant to this section shall be allocated by October 1, 1988.
---SENIOR CENTERS/CAPITAL IMPROVEMENTS

Sec. 3. The sum of three hundred sixty thousand dollars ($360,000) for the 1988-89 fiscal year shall be used by the Department of Human Resources, Division of Aging for capital improvements to the existing senior centers. The Division of Aging shall expend the funds received under this section to rehabilitate existing senior centers. The funds received shall be allocated by June 30, 1989.

PART II-----COMMUNITY-BASED SERVICES/INITIATIVES FOR THE FUTURE

---CAREGIVER SUPPORT

Sec. 4. (a) Of the funds appropriated from the General Fund to the Division of Aging, Department of Human Resources in Chapter 886 of the 1987 Session Laws, the sum of one million eight thousand dollars ($1,008,000) for the 1988-89 fiscal year shall be used for services that support family caregivers of elderly persons with functional disabilities, whether physical or mental, who want to stay in their homes rather than be institutionalized but who need assistance with the activities of daily living in order to be able to remain at home. The services that may be purchased from funds received under this section include:

1. Respite care services, under the rules adopted by the Department of Human Resources on behalf of the Division of Aging;
2. Respite care and adult day care services, under the rules adopted pursuant to Title III-B of the Older Americans Act;
3. Stipends for senior companions, modeled after the federal Senior Companion program;
4. Other related services that meet needs not now adequately addressed by the services described in subdivisions (1) through (3) of this subsection.

(b) The Division of Aging shall expend funds for these services according to the population of persons 70 years or more in each region. The Division of Aging shall use a minimum of ninety-five percent (95%) of the funds it receives under this section for the services described in subdivisions (1) through (4) of subsection (a) of this section and may only use a maximum of five percent (5%) for technical assistance as described in subsection (c) of this section. Funds allocated by the Division pursuant to this section shall be allocated by October 1, 1988.

(c) The Division of Aging may contract for technical assistance. The technical assistance shall include training assistance, coordination of various service delivery and funding sources, and ideas for innovative ways to build a lasting system of services for family
caregivers.

---SENIOR CENTER OUTREACH

Sec. 5. The sum of four hundred three thousand eight hundred dollars ($403,800) for the 1988-89 fiscal year shall be used by the Department of Human Resources, Division of Aging, to allow existing senior centers to attempt a statewide outreach of services. All of these funds shall be allocated by October 1, 1988. No senior center may receive more than ten thousand dollars ($10,000) pursuant to this section.

All funds received under this section shall test "satellite" services provided by existing senior centers to unserved or underserved areas or to provide start-up funds for new senior centers. If the Division of Aging decides to use funds received under this section for starting up a new senior center, the County Commissioners shall first:

1. Formally endorse the need for such a center;
2. Formally agree on the sponsoring agency for the center; and
3. Make a formal commitment to use local funds to support the ongoing operation of the center.

---PROGRAM DEVELOPMENT

Sec. 6. The sum of three hundred eighty-four thousand dollars ($384,000) for the 1988-89 fiscal year, shall be used by the Department of Human Resources, Division of Aging, to develop local strategic planning capacity. This planning shall include determining what services for older adults are lacking in each region, stimulating new services to fill these gaps, and improving administrative coordination. All allocations shall be distributed by October 1, 1988.

---SENIOR GAMES

Sec. 6.1. The sum of sixty thousand dollars ($60,000) for the 1988-89 fiscal year, shall be used by the Department of Human Resources, Division of Aging, for a grant-in-aid to the North Carolina Senior Games, Inc., for the North Carolina Senior Games Program.

Sec. 8. The sum of six hundred thousand dollars ($600,000) for the 1988-89 fiscal year shall be used by the Department of Human Resources, Division of Aging to establish seven pilot programs to test how different kinds of information and referral systems can lead to a
full case-management system for services to the elderly. The pilots shall be established so as to address urban and rural issues, region-specific issues, and various head agency considerations. The funds for these programs shall be allocated to the following seven counties: Craven, Buncombe, Cumberland, Robeson, Surry, Guilford, and Mecklenburg. Each county shall contract with an entity located within that county to establish and operate the pilot program authorized by this section.

The sum of eight hundred fifty-two thousand dollars ($852,000) for the 1988-89 fiscal year for capital improvements to the Black Mountain Center shall be used by the Department of Human Resources to renovate the Center to provide for an Alzheimer's facility. This amount shall supplement previous appropriations totaling one million nine hundred seventy-eight thousand dollars ($1,978,000) making a total of two million eight hundred thirty thousand dollars ($2,830,000) available to renovate this facility.

-----DIVISION OF AGING EVALUATION/REPORT

The review and evaluation of Section 5, SENIOR CENTER OUTREACH, shall include specific recommendations as to whether a senior center should be built in every county and as to whether State standards should be established for senior centers. The review and evaluation of Section 6, PROGRAM DEVELOPMENT, shall include a determination whether the General Assembly should mandate that each county designate a focal point or lead agency for services for older adults.

The Division shall present a written report, including its review, evaluation, and specific implementation recommendations, by March 1, 1989, to the President of the Senate, the Speaker of the House of Representatives, the Fiscal Research Division of the Legislative

The sum of fifty thousand dollars ($50,000) for the 1988-89 fiscal year for the North Carolina Study Commission on Aging shall be used by the Legislative Services Commission to contract with one or more policy analysts, who shall have experience with evaluating community-based, long-term care projects for older adults in other states and at the federal level. The independent analysts shall evaluate how well the initiatives funded in this act will lead to a more coordinated and more visionary system of community-based and related services for older adults.

The evaluation shall begin on September 1, 1988, and shall report the results of the evaluation, including any recommendations, to the North Carolina Study Commission on Aging.

Sec. 12. The headings to the parts and sections of this act are a convenience to the reader and are for reference only. The headings do not expand, limit, or define the text of this act.

(b) A retailer who makes a mail order sale is engaged in business in this State and is subject to the tax levied under this Article if one of the following conditions is met:

(1) The retailer is a corporation engaged in business under the laws of this State or a person domiciled in, a resident of, or a citizen of, this State;

(2) The retailer maintains retail establishments or offices in this State, whether the mail order sales thus subject to taxation by this State result from or are related in any other way to the activities of such establishments or offices;

(3) The retailer has representatives in this State who solicit business or transact business on behalf of the retailer, whether the mail order sales thus subject to taxation by this State result from or are related in any other way to such solicitation or transaction of business;

(4) The property was delivered in this State in fulfillment of a sales contract that was entered into in this State.
accordance with applicable conflict of laws rules, when a person in this State accepted an offer by ordering the property:

(6) Through compact or reciprocity with another jurisdiction of the United States, that jurisdiction uses its taxing power and its jurisdiction over the retailer in support of this State’s taxing power; or

(7) The retailer consents, expressly or by implication, to the imposition of the tax imposed by this Article. For purposes of this subdivision, evidence that a retailer engaged in the activity described in subdivision (5) shall be prima facie evidence that the retailer consents to the imposition of the tax imposed by this Article."

Sec. 5. The General Assembly finds that legislation is pending in Congress that would authorize the states to require out-of-state retailers who make mail order sales to residents of the state to collect state and local sales and use taxes. This legislation would only apply, however, if the combined state and local tax rate is imposed at the same rate in all geographic areas of the state. It is the intent of the General Assembly to take advantage of this federal legislation. Therefore, if this federal legislation in enacted, effective on the date this federal legislation is enacted, notwithstanding the provisions of G.S. 105-473, 105-483, 105-490, and 105-498, and Chapter 1096 of the 1967 Session Laws, no county may repeal any local sales and use tax enacted pursuant to Article 39, 40, 41, or 42 of Chapter 105 of the General Statutes or Chapter 1096 of the 1967 Session Laws that is in effect on the effective date of the federal legislation.

Sec. 6. It is the intent of the General Assembly that the Department of Revenue shall collect all of the sales and use taxes due to the State and local governments. Notwithstanding the provisions of G.S. 105-268.1, the Secretary of Revenue may, without seeking prior approval of the Governor and the Council of State, enter into agreements with any other state to coordinate and promote collection of sales and use taxes by retailers making mail order sales, as defined in this act.
Sec. 7. The Department of Revenue shall study the practical, legal, and fiscal consequences of this act's extension of liability for collection of State and local sales and use taxes, and shall report the results of its study and any recommendations for legislative changes to the Revenue Laws Study Committee of the Legislative Research Commission on or before December 1, 1988. In addition, the Department of Revenue shall promptly report any additional information and recommendations it develops after that date to the President of the Senate, the Speaker of the House of Representatives, the Chairman of the House Finance Committee, and the Chairman of the Senate Finance Committee.

Sec. 8. This act shall become effective January 1, 1989, and applies to sales made on or after that date.

In the General Assembly read three times and ratified this the 11th day of July, 1988.

ly to effect any sale or purchase of any security for
the account of such client, without disclosing to such client
in writing before the completion of such transaction the
capacity in which he is acting and obtaining the consent of
the client to such transaction. The prohibitions of this
subdivision shall not apply to any transaction with a
customer of a dealer if such dealer is not acting as an
investment adviser in relation to such transaction.

(b) In the solicitation of advisory clients. it is unlawful for any
person to make any untrue statement of a material fact, or omit to
state a material fact necessary in order to make the statements made,
in light of the circumstances under which they are made, not
misleading.

(c) Except as may be permitted by rule or order of the
Administrator, it is unlawful for any investment adviser to enter into,
extend, or renew any investment advisory contract unless it provides in
writing:

(1) That the investment adviser shall not be compensated on the
basis of a share of capital gains upon or capital appreciation
of the funds or any portion of the funds of the client (unless
otherwise provided by subsection (d) or (f) below);

(2) That no assignment of the contract may be made by the
investment adviser without the consent of the other party to
the contract; and

(3) That the investment adviser, if a partnership, shall notify the
other party to the contract of any change in the membership
of the partnership within a reasonable time after the change.

(d) Subdivision (c)(1) does not apply to any person who is exempt
from registration under the Investment Advisers Act of 1940 by
operation of Section 203(b)(3) of said act or by operation of any rule
or regulation promulgated by the United States Securities and
Exchange Commission under or related to said Section 203(b)(3)
provided that any reference in this subsection (d) to any statute, rule

time and in the light of the circumstances under which it is made,

"§78C-10. Unlawful representations concerning registration or
exemption.--(a) Neither (i) the fact that an application for registration
under Article 3 of this Chapter has been filed nor (ii) the fact that a
person is effectively registered constitutes a finding by the
Administrator that any document filed under this Chapter is true, complete, and not misleading. Neither any such fact nor the fact that an exemption or exception is available means that the Administrator has passed in any way upon the merits or qualifications of, or recommended, or given approval to any person.

(b) It is unlawful to make, or cause to be made, to any prospective customer, or client, any representation inconsistent with subsection (a) of this section.

§ 78C-11 to 78C-15.—Reserved for future codification.

"Article 3.

3. He has no place of business in this State and during any period of 12 consecutive months does not direct business communications into this State in any manner to more than 10 clients, other than those specified in subdivision (2), whether or not he or any of the persons to whom the communications are directed is then present in this State; or
4. He is an investment adviser representative employed by or associated with an investment adviser exempt from registration under subdivisions (2) or (3), above.

(b) It is unlawful for any investment adviser required to be registered to employ or associate an investment adviser representative unless the investment adviser representative is registered under this Chapter. The registration of an investment adviser representative is not effective during any period when he is not employed by or associated with an investment adviser registered under this Chapter. When an investment adviser representative begins or terminates employment or association with an investment adviser, the investment adviser shall promptly notify the Administrator. No investment
adviser representative may be registered with more than one investment adviser unless each of the investment advisers which employs or associates the investment adviser representative is under common ownership or control.

(c) Every registration expires December 31st of each year unless renewed.

"§ 78C-17. Registration procedures.---(a) An investment adviser, or investment adviser representative may obtain an initial or renewal registration by filing with the Administrator or his designee an application together with a consent to service of process pursuant to G.S. 78C-46(b). The application shall contain whatever information the Administrator by rule requires concerning such matters as:

1. The applicant's form and place of organization;
2. The applicant's proposed method of doing business;
3. The qualifications and business history of the applicant; in the case of an investment adviser, the qualifications and business history of any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the investment adviser;
4. Any injunction or administrative order or conviction of a misdemeanor involving a security or any aspect of the securities business and any conviction of a felony;
5. The applicant's financial condition and history; and
6. Any information to be furnished or disseminated to any client or prospective client.

If no denial order is in effect and no proceeding is pending under G.S. 78C-19, registration becomes effective at noon of the 30th day after an application is filed. The Administrator may by rule or order specify an earlier effective date, and he may by order defer the effective date until noon of the 30th day after the filing of any amendment. Registration of an investment adviser automatically constitutes registration of any investment adviser representative who is a partner, executive officer, or director, or a person occupying a similar status or performing similar functions.

(b) Every applicant for initial or renewal registration shall pay a filing fee of two hundred dollars ($200.00) in the case of an investment adviser, and forty-five dollars ($45.00) in the case of an investment adviser representative. When an application is denied or withdrawn, the Administrator shall retain the fee.

(c) A registered investment adviser may file an application for registration of a successor, whether or not the successor is then in existence, for the unexpired portion of the year. There shall be no filing fee.
(d) The Administrator may by rule establish minimum net capital requirements not to exceed one hundred thousand dollars ($100,000) for registered investment advisers, which may include different requirements for those investment advisers who maintain custody of clients' funds or securities or who have discretionary authority over same and those investment advisers who do not.

(e) The Administrator may by rule require registered investment advisers who have custody of or discretionary authority over client funds or securities to post surety bonds in amounts up to one hundred thousand dollars ($100,000), and may determine their conditions. Any appropriate deposit of cash or securities shall be accepted in lieu of any bond so required. No bond may be required of any investment adviser whose minimum net capital, which may be defined by rule, exceeds one hundred thousand dollars ($100,000). Every bond shall provide for suit thereon by any person who has a cause of action under G.S. 78C-38 and, if the Administrator by rule or order requires, by any person who has a cause of action not arising under this Chapter. Every bond shall provide that no suit may be maintained to enforce any liability on the bond unless brought within the time limitations of G.S. 78C-38(d).

"§ 78C-18. Post-Registration provisions.--(a) Every registered investment adviser shall make and keep such accounts, correspondence, memoranda, papers, books and records as the Administrator by rule prescribes. All records so required shall be preserved for three years unless the Administrator by rule prescribes otherwise for particular types of records.

(b) With respect to investment advisers, the Administrator may require that certain information be furnished or disseminated as necessary or appropriate in the public interest or for the protection of investors and advisory clients. To the extent determined by the Administrator in his discretion, information furnished to clients or prospective clients of an investment adviser pursuant to the Investment Advisers Act of 1940 and the rules thereunder may be used in whole or partial satisfaction of this requirement.

(c) Every registered investment adviser shall file such financial reports as the Administrator by rule prescribes.

(d) If the information contained in any document filed with the Administrator is or becomes inaccurate or incomplete in any material respect, the registrant shall promptly file a correcting amendment unless notification of the correction has been given under G.S. 78C-16(b).

(e) All the records referred to in subsection (a) of this section are subject at any time or from time to time to such reasonable periodic, special, or other examinations by representatives of the Administrator.
within or without this State, as the Administrator deems necessary or appropriate in the public interest or for the protection of investors. For the purpose of avoiding unnecessary duplication of examinations, the Administrator, insofar as he deems it practicable in administering this subsection, may cooperate with the securities administrators of other states, the Securities and Exchange Commission, and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.

"§ 78C-19. Denial, revocation, suspension, bar, censure, cancellation, and withdrawal of registration.--(a) The Administrator may by order deny, suspend or revoke any registration, or bar or censure any registrant or any officer, director, partner or person occupying a similar status or performing similar functions for a registrant, from employment with a registered investment adviser, or restrict or limit a registrant as to any function or activity of the business for which registration is required in this State if he finds:

(1) That the order is in the public interest and;

(2) That the applicant or registrant or, in the case of an investment adviser, any partner, officer or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the investment adviser;

a. Has filed an application for registration which as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in light of the circumstances under which it was made, false or misleading with respect to any material fact;

b. Has willfully violated or willfully failed to comply with any provision of this Chapter or Chapter 78A or any rule or order under this Chapter or Chapter 78A;

c. Has been convicted, within the past 10 years, of any misdemeanor involving a security or the financial services business, or any aspect of the securities business, or the financial services business, or any felony;

d. Is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities or financial services business;

e. Is the subject of an order of the Administrator denying, suspending, barring, revoking, restricting or limiting registration as a dealer, salesman, investment adviser or
investment adviser representative;
f. Is the subject of an adjudication or determination within the past five years by a securities, commodities or other financial services regulatory agency or an administrator of such laws of another state or a court of competent jurisdiction that the person has violated the Securities Act of 1933, the Securities Exchange Act of 1934, the Investment Advisers Act of 1940, the Investment Company Act of 1940 or the Commodity Exchange Act, or the securities or commodities law of any other state or any other financial services regulatory laws as the Administrator may designate by rule;
g. Has engaged in dishonest or unethical practices in the securities or financial services business;
h. Is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the Administrator may not enter an order against an investment adviser under this clause without a finding of insolvency as to the investment adviser;
i. Is not qualified on the basis of such factors as training, experience, and knowledge of the securities business, except as otherwise provided in subsection (b) of this section;
j. Has failed reasonably to supervise his salesmen or employees if he is a dealer or his investment adviser representatives or employees if he is an investment adviser to assure their compliance with this Chapter; or
k. Has failed to pay the proper filing fee; but the Administrator may enter only a denial order under this clause, and he shall vacate any such order when the deficiency has been corrected.

The Administrator may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within the next 120 days.

(b) The following provisions govern the application of G.S. 78C-19(a)(2)i.:

(1) The Administrator may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than (i) the investment adviser himself if he is an individual or (ii) an investment adviser
(2) The Administrator may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both.

(3) The Administrator shall consider that an investment adviser representative who will work under the supervision of a registered investment adviser need not have the same qualifications as an investment adviser.

(4) The Administrator shall consider that an investment adviser or investment adviser representative is not necessarily qualified solely on the basis of experience as a dealer or salesman.

(5) The Administrator may by rule provide for an examination, including an examination developed or approved by an organization of securities administrators, which examination may be written or oral or both, to be taken by any class of or all applicants. The Administrator may by rule or order waive the examination requirement as to a person or class of persons if the Administrator determines that the examination is not necessary for the protection of advisory clients.

(c) The Administrator may by order summarily postpone or suspend registration pending final determination of any proceeding under this section. Upon the entry of the order, the Administrator shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an investment adviser representative, that it has been entered and of the reasons therefor and that within 15 days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the Administrator, the order will remain in effect until it is modified or vacated by the Administrator. If a hearing is requested or ordered, the Administrator, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.

(d) If the Administrator finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as an investment adviser or investment adviser representative, or is subject to an adjudication of mental incompetence or to the control of a committee, conservator, or guardian, or cannot be located after reasonable search, the Administrator may by order cancel the registration or application.

(e) Withdrawal from registration as an investment adviser or investment adviser representative becomes effective 90 days after receipt of an application to withdraw or within such shorter period of time as the Administrator may determine, unless a revocation or
suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within 90 days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the Administrator by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the Administrator may nevertheless institute a revocation or suspension proceeding under G.S. 78C-19(a)(2)b. within one year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective.

(f) No order may be entered under any part of this section except the first sentence of subsection (c) of this section without (i) appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an investment adviser representative) (ii) opportunity for hearing, and (iii) written findings of fact and conclusions of law.

"§ 78C-20. Alternative methods of registration.--(a) The Administrator may by rule or order provide an alternative method of registration by which any investment adviser or investment adviser representative may satisfy the requirements of this Article by furnishing the information otherwise required to be filed pursuant to this Article. The Administrator may provide for, among other things, alternative filing periods for investment advisers and investment adviser representatives, elimination of the issuance of a paper license and alternative methods for the payment and collection of initial or renewal filing fees, which shall be known as 'alternative filing fees'. The alternative filing fees shall be the same as provided in G.S. 78C-17(b).

(b) The Administrator may not adopt an alternative method of registration unless its purpose is to facilitate a central registration depository whereby investment advisers and investment adviser representatives can centrally or simultaneously register and pay fees for all states in which they plan to transact business that require registration. The Administrator may enter into an agreement with or otherwise facilitate an alternative method of registration with any national securities association registered with the Securities and Exchange Commission pursuant to Section 15A of the Securities Exchange Act of 1934, any national securities exchange registered under the Securities Exchange Act of 1934, or any national association of state securities administrators or similar association to effectuate the provisions of this section.

(c) Nothing in this section shall be construed to prevent the exercise of the authority of the Administrator as provided in G.S. 78C-...
19.

"§ 78C-21 to 78C-25.--Reserved for future codification.

"Article 4.

"Administration and Review.

"§ 78C-26. Administration of Chapter.--(a) This Chapter shall be administered by the Secretary of State. The Secretary of State as Administrator may delegate all or part of the authority under this Chapter to the Deputy Securities Administrator including, but not limited to, the authority to conduct hearings, and make, execute and issue final agency orders and decisions. The Secretary of State may appoint such clerks and other assistants as may from time to time be needed.

(b) It is unlawful for the Administrator or any of his officers or employees to use for personal benefit any information which is filed with or obtained by the Administrator and which is not made public. No provision of this Chapter authorizes the Administrator or any of his officers or employees to disclose any such information except among themselves or when necessary or appropriate in a proceeding or investigation under this Chapter. No provision of this Chapter either creates or derogates from any privilege which exists at common law or otherwise when documentary or other evidence is sought under a subpoena directed to the Administrator or any of his officers or employees.

(c) All fees provided for under this Chapter shall be collected by the Administrator and shall be paid over to the State Treasurer to go into the General Fund.

"§ 78C-27. Investigations and subpoenas.--(a) The Administrator in his discretion:

(1) May make such public or private investigations within or outside of this State as he deems necessary to determine whether any person has violated or is about to violate any provision of this Chapter or any rule or order hereunder, or to aid in the enforcement of this Chapter or in the prescribing of rules and forms hereunder;

(2) May require or permit any person to file a statement in writing, under oath or otherwise as the Administrator determines, as to all the facts and circumstances concerning the matter to be investigated; and

(3) May publish information concerning any violation of this Chapter or any rule or order hereunder.

(b) For the purpose of any investigation or proceeding under this Chapter, the Administrator or any officer designated by him may administer oaths and affirmations, subpoena witnesses, compel their
attendance, take evidence and require the production of any books, papers, correspondence, memoranda, agreements, or other documents or records which the Administrator deems relevant or material to the inquiry.

(c) In case of contumacy by, or refusal to obey a subpoena issued to any person, any court of competent jurisdiction, upon application by the Administrator, may issue to the person an order requiring him to appear before the Administrator, or the officer designated by him, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question. Failure to obey the order of the court may be punished by the court as a contempt of court.

(d) The Administrator may act under subsection (b) of this section or apply under subsection (c) of this section to enforce subpoenas in this State at the request of a securities agency or administrator of any state if the alleged activities constituting a violation for which the information is sought would be a violation of this Chapter or any rule hereunder if the alleged activities had occurred in this State.

§ 78C-28. Injunctions; cease and desist orders.--(a) Whenever it appears to the Administrator that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of this Chapter or any rule or order hereunder, he may in his discretion bring an action in any court of competent jurisdiction to enjoin the acts or practices and to enforce compliance with this Chapter or any rule or order hereunder. Upon a proper showing a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. The court may not require the Administrator to post a bond.

(b) (1) If the Administrator determines after giving notice of an opportunity for a hearing, that any person has engaged in, or is about to engage in, any act or practice constituting a violation of any provision of this Chapter or any rule or order hereunder, he may order such person to cease and desist from such unlawful act or practice and take such affirmative action as in the judgment of the Administrator will carry out the purposes of this Chapter.

(2) If the Administrator makes written findings of fact that the public interest will be irreparably harmed by delay in issuing an order under G.S. 78C-28(b)(1), the Administrator may issue a temporary cease and desist order. Upon the entry of
a temporary cease and desist order, the Administrator shall promptly notify in writing the person subject to the order that such order has been entered, the reasons therefor, and that within 20 days after the receipt of a written request from such person the matter shall be set down for hearing to determine whether or not the order shall become permanent and final. If no hearing is requested and none is ordered by the Administrator, the order shall remain in effect until it is modified or vacated by the Administrator. If a hearing is requested or ordered, the Administrator, after giving notice of an opportunity for a hearing to the person subject to the order, shall by written findings of fact and conclusion of law, vacate, modify, or make permanent the order.

(3) No order under subsection (b) of this section, except an order issued pursuant to G.S. 78C-28(b)(2), may be entered without prior notice or an opportunity for hearing. The Administrator may vacate or modify an order under subsection (b) of this section upon his finding that the conditions which required such an order have changed and that it is in the public interest to so vacate or modify.

(4) A final order issued pursuant to the provisions of subsection (b) of this section shall be subject to review as provided in G.S. 78C-29.

"§ 78C-29. Judicial review of orders.--(a) Any person aggrieved by a final order of the Administrator may obtain a review of the order in the Superior Court of Wake County by filing in court, within 30 days after a written copy of the decision is served upon the person by personal service or by registered or certified mail, a written petition praying that the order be modified or set aside in whole or in part. A copy of the petition shall be forthwith served upon the Administrator, and thereupon the Administrator shall certify and file in court a copy of the filing and evidence upon which the order was entered. When these have been filed, the court has exclusive jurisdiction to affirm, modify, enforce, or set aside the order, in whole or in part. The findings of the Administrator as to the facts, if supported by competent, material and substantial evidence, are conclusive. If either party applies to the court for leave to adduce additional material evidence, and shows to the satisfaction of the court that there were reasonable grounds for failure to adduce the evidence in the hearings before the Administrator, the court may order the additional evidence to be taken before the Administrator and to be adduced upon the hearing in such manner and upon such conditions as the court considers proper. The Administrator may modify his findings and
order by reason of the additional evidence and shall file in court the additional evidence together with any modified or new findings or order. The judgment of the court is final, subject to review by the Court of Appeals.

(b) The commencement of proceedings under subsection (a) of this section does not, unless specifically ordered by the court, operate as a stay of the Administrator’s order.

§ 78C-30. Rules, forms, orders, and hearings.--(a) The Administrator may from time to time make, amend, and rescind such rules, forms, and orders as are necessary to carry out the provisions of this Chapter, including rules and forms governing registration, applications, and reports, and defining any terms, whether or not used in this Chapter, insofar as the definitions are not inconsistent with the provisions of this Chapter. For the purpose of rules and forms the Administrator may classify persons, and matters within his jurisdiction, and prescribe different requirements for different classes.

(b) No rule, form, or order may be made, amended, or rescinded unless the Administrator finds that the action is necessary or appropriate in the public interest or for the protection of investors and clients and consistent with the purposes fairly intended by the policy and provisions of this Chapter. In prescribing rules and forms the Administrator may cooperate with the securities administrators of the other states and the Securities and Exchange Commission with a view to effectuating the policy of this statute to achieve maximum uniformity in the form and content of registrations, applications, and reports wherever practicable.

(c) The Administrator may by rule or order prescribe (i) the form and content of financial statements required under this Chapter, (ii) the circumstances under which consolidated financial statements shall be filed, and (iii) whether any required financial statements shall be certified by independent or certified public accountants. All financial statements shall be prepared in accordance with generally accepted accounting practices.

(d) The Administrator may by rule or order require the filing of any prospectus, pamphlet, circular, form letter, advertisement, or other sales literature or advertising communication addressed or intended for distribution to prospective investors, including clients or prospective clients of an investment adviser.

(e) All rules and forms of the Administrator shall be published.

(f) No provision of this Chapter imposing any liability applies to any act done or omitted in good faith in conformity with any rule, form, or order of the Administrator, notwithstanding that the rule, form, or order may later be amended or rescinded or be determined
CHAPTER 1098  Session Laws — 1988

by judicial or other authority to be invalid for any reason.

(g) Every hearing in an administrative proceeding shall be public unless the Administrator in his discretion grants a request joined in by all the respondents that the hearing be conducted privately.

"§ 78C-31. Administrative files and opinions.--(a) A document is filed when it is received by the Administrator.

(b) The Administrator shall keep a register of all applications for registration which are or have been effective under this Chapter and all denial, suspension, or revocation orders or similar orders which have been entered under this Chapter. The register shall be open for public inspection.

(c) The information contained in or filed with any registration, application, or report may be made available to the public under such rules as the Administrator prescribes.

(d) Upon request and at such reasonable charges as he prescribes, the Administrator shall furnish to any person photostatic or other copies (certified under his seal of office if requested) of any entry in the register or any document which is a matter of public record. In any proceeding or prosecution under this Chapter, any copy so certified is prima facie evidence of the contents of the entry or document certified.

(e) The Administrator in his discretion may honor requests from interested persons for interpretative opinions upon the payment of a fee of one hundred fifty dollars ($150.00).

§ 78C-32 to 78C-37.--Reserved for future codification purposes.

"Article 5.

"Civil Liabilities and Criminal Penalties.

"§ 78C-38. Civil liabilities.--(a) Any person who:

(1) Engages in the business of advising others, for compensation, either directly or through publications or writings, as to the value of securities or as to the advisability of investing in, purchasing, or selling securities, or who, for compensation and as a part of a regular business, issues or promulgates analyses or reports concerning securities, in violation of G.S. 78C-8(b). G.S. 78C-16(a) or (b) (an action pursuant to a violation of G.S. 78C-16(b) may not be maintained except by those persons who directly received advice from the unregistered investment adviser representative), G.S. 78C-10(b), or of any rule or order under G.S. 78C-30(d) which requires the affirmative approval of sales literature before it is used, or

(2) Receives, directly or indirectly, any consideration from another person for advice as to the value of securities or their purchase or sale, whether through the issuance of
analyses, reports or otherwise and employs any device, scheme, or artifice to defraud such other person or engages in any act, practice or course of business which operates or would operate as a fraud or deceit on such other person, in violation of G.S. 78C-8(a)(1) or (2), is liable to any person who is given such advice in such violation, who may sue either at law or in equity to recover (i) the consideration paid for such advice together with interest thereon at the legal rate as provided in G.S. 24-1 from the date of payment of the consideration, plus (ii) the actual damages to such person proximately caused by such violation, plus (iii) costs of the action and reasonable attorneys’ fees. An action based on violation of G.S. 78C-8(b) may not prevail where the person accused of the violation sustains the burden of proof that he did not know, and in the exercise of reasonable care could not have known of the existence of the facts by reason of which the liability is alleged to exist.

(b) Every person who directly or indirectly controls a person liable under subsection (a) of this section, including every partner, officer, or director of such a person, every person occupying a similar status or performing similar functions, every employee or associate of such a person who materially aids in the conduct giving rise to the liability, and every dealer or salesman who materially aids in such conduct is liable jointly and severally with and to the same extent as such person, unless able to sustain the burden of proof that he did not know, and did not act in reckless disregard of the existence of the facts by reason of which the liability is alleged to exist. There is contribution as in cases of contract among the several persons so liable and as provided among tort-feasors pursuant to Chapter 1B of the General Statutes.

(c) Every cause of action under this statute survives the death of any person who might have been a plaintiff or defendant.

(d) No person may sue under this section more than three years after the rendering of investment advice in violation of this Chapter, except that in the case of a violation of G.S. 78C-8(a)(1) or (2) a person may sue under this section within two years after such person discovers or should have discovered, the facts constituting the violation.

(e) No person who has made or engaged in the performance of any contract in violation of any provision of this Chapter or any rule or order hereunder, or who has acquired any purported right under any such contract with knowledge of the facts by reason of which its making or performance was in violation, may base any suit on the contract.

(f) Any condition, stipulation, or provision binding any person
receiving any investment advice to waive compliance with any
provision of this Chapter or any rule or order hereunder is void.

(g) The rights and remedies provided by this Chapter are in
addition to any other rights or remedies that may exist at law or in
equity, but this Chapter does not create any cause of action not
specified in this section or G.S. 78C-17(e).

"§ 78C-39. Criminal penalties.--(a) Any person who willfully
violates any provision of this Chapter except G.S. 78C-9 or who
willfully violates G.S. 78C-9 knowing the statement made to be false
or misleading in any material respect, shall upon conviction be
punished as a Class I felon.

(b) The Administrator may refer such evidence as is available
concerning violations of this Chapter or of any rule or order
hereunder to the Attorney General or the proper district attorney, who
may, with or without such a reference, institute the appropriate
criminal proceedings under this Chapter.

(c) Nothing in this Chapter limits the power of the State to punish
any person for any conduct which constitutes a crime by statute or at
common law.

"§ 78C-40. Burden of proof.--In a civil or administrative proceeding
brought under this Chapter, the burden of proving an exemption or an
exception from a definition is upon the person claiming it. In a
criminal proceeding brought under this Chapter, the State has no
initial burden of producing evidence to show that the defendant's
actions do not fall within the exemption or exceptions; however, once
the defendant introduces evidence to show that his conduct is within
the exemption or exception, the burden of persuading the trier of fact
that the exemption or exception does not apply falls upon the State.

§ 78C-41 to 78C-45.--Reserved for future codification purposes.

"Article 6.

"Miscellaneous Provisions.

"§ 78C-46. Scope of the Chapter; service of process.--(a) G.S. 78C-
8, 78C-16(a) and (b), 78C-10, and 78C-38 apply when any act
instrumental in effecting prohibited conduct is done in this State,
whether or not either party is then present in this State.

(b) Every applicant for registration under this Chapter shall file with
the Administrator, in such form as he by rule prescribes, an
irrevocable consent appointing the Administrator or his successor in
office to be his attorney to receive service of any lawful process in any
noncriminal suit, action or proceeding against him or his successor,
executor or administrator which arises under this Chapter or any rule
or order hereunder after the consent has been filed, with the same
force and validity as if served personally on the person filing the
consent. A person who has filed such a consent in connection with a
previous registration need not file another. Service may be made by leaving a copy of the process in the office of the Administrator, but it is not effective unless (i) the plaintiff, who may be the Administrator in a suit, action, or proceeding instituted by him, forthwith sends notice of the service and a copy of the process by registered or certified mail to the defendant or respondent at his last address on file with the Administrator, and (ii) the plaintiff’s affidavit of compliance with the subsection is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

(c) When any person, including any nonresident of this State, engages in conduct prohibited or made actionable by this Chapter or any rule or order hereunder, and he has not filed a consent to service of process under subsection (b) of this section and personal jurisdiction over him cannot otherwise be obtained in this State, that conduct shall be considered equivalent to his appointment of the Administrator or his successor in office to be his attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against him or his successor, executor or administrator which grows out of that conduct and which is brought under this Chapter or any rule or order hereunder with the same force and validity as if served on him personally. Service may be made by leaving a copy of the process in the office of the Administrator, and it is not effective unless (i) the plaintiff, who may be the Administrator in a suit, action, or proceeding instituted by him, forthwith sends notice of the service and a copy of the process by registered or certified mail to the defendant or respondent at his last known address or takes other steps which are reasonably calculated to give actual notice, and (ii) the plaintiff’s affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

(d) When process is served under this section, the court, or the Administrator in a proceeding before him, shall order such continuance as may be necessary to afford the defendant or respondent reasonable opportunity to defend.

"§ 78C-47. Statutory policy.--This Chapter shall be so construed as to effectuate its general purpose to make uniform the law of those states which enact it and to coordinate the interpretation and administration of this Chapter with the related federal regulation. Nothing in this Chapter shall be construed to limit or preclude the applicability of any provision of Chapters 78A or 150B of the General Statutes.

"§ 78C-48. Severability of provisions.--If any provision of this
Chapter or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Chapter which can be given effect without the invalid provision or application, and to this end the provisions of this Chapter are severable.

a. Willfully refuses to submit to the chemical analysis; or
b. Has an alcohol concentration of 0.10 or more within a relevant time after the driving; or

pay a fee of twenty-five dollars ($25.00) as costs for the action before his license may be returned under subsection (h); provided, however, if the revocation is pursuant to G.S. 20-16.5(b)(4)c. or G.S. 20-16.5(b)(2)b., the fee shall be fifty dollars ($50.00). The costs collected under this section go to the State."

Sec. 12. Article 2 of Chapter 20 of the General Statutes is amended by adding a new section to read:

"§ 20-17.4. Mandatory Revocation of a Class A or Class B License.—The Division shall forthwith revoke the Class A or Class B license of any driver upon receiving a record of a final conviction of such driver for impaired driving in a commercial vehicle under G.S. 20-138.2. Under this section only, a final conviction of any driver for violating G.S. 20-138.1 shall not be grounds for revoking the license of such driver."

Sec. 13. G.S. 20-19 is amended by adding a new subsection to read:

"(c2) When a license is revoked under G.S. 20-17.4, the period of suspension shall be for one year for the first conviction of G.S. 20-138.2. 10 years for the second conviction of G.S. 20-138.2, and for life for a third or subsequent conviction of G.S. 20-138.2. This period of suspension applies only to a Class A or Class B license and not to a Class C license."

Sec. 14. G.S. 20-26 is amended by adding a new subsection to read:

"(b1) The registered or declared weight set forth on the vehicle registration card or a certified copy of the Division record sent by the Police Information Network or otherwise is admissible in any judicial or administrative proceeding and shall be prima facie evidence of the registered or declared weight."

Sec. 15. Chapter 20 of the General Statutes is amended by adding a new section to read:

"§ 20-138.2. Impaired driving in commercial vehicle.—(a) Offense.—A person commits the offense of impaired driving in a commercial motor vehicle if he drives a commercial motor vehicle upon any highway, any street, or any public vehicular area within the State:

(1) While appreciably under the influence of an impairing substance; or

(2) After having consumed sufficient alcohol that he has, at any relevant time after the driving, an alcohol concentration of 0.04 or more.

(b) Defense Precluded.—The fact that a person charged with violating this section is or has been legally entitled to use alcohol or a drug is not a defense to a charge under this section."
(c) Pleading.--To charge a violation of this section, the pleading is sufficient if it states the time and place of the alleged offense in the usual form and charges the defendant drove a commercial motor vehicle on a highway, street, or public vehicular area while subject to an impairing substance.

(d) Implied Consent Offense.--An offense under this section is an implied consent offense subject to the provisions of G.S. 20-138.1.

(e) Punishment; Effect When Impaired Driving Offense Also Charged.--The offense in this section is a misdemeanor punishable by a fine of not less than one hundred dollars ($100.00), up to two years imprisonment, or both. This offense is not a lesser included offense of impaired driving under G.S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving under G.S. 20-138.1 arising out of the same transaction, the aggregate punishment imposed by the Court may not exceed the maximum punishment applicable to the offense involving impaired driving under G.S. 20-138.1.

(f) Limited Driving Privilege.--A person convicted of the offense of impaired driving under this section is eligible for a limited driving privilege if:

(1) At the time of the offense he held either a valid driver’s license or a license that had been expired for less than one year;

(2) At the time of the offense he had not within the preceding seven years been convicted of an offense involving impaired driving;

(3) Subsequent to the offense he has not been convicted of, or had an unresolved charge lodged against him for, an offense involving impaired driving.

(4) The court finds slight impairment of the defendant’s faculties, and an alcohol concentration that did not exceed .10 at any relevant time after the driving.

The limited driving privilege under this section shall be issued for the purposes specified in G.S. 20-179.3(a) and according to the procedure in G.S. 20-179.3(d) and G.S. 20-179.3(f)-(k).

(g) The provisions of G.S. 20-138.1 shall apply to the offense of impaired driving in a commercial motor vehicle."

Sec. 16. G.S. 20-138.4 reads as rewritten:

"§ 20-138.4. Requirement that prosecutor explain reduction or dismissal of charge involving impaired driving.--In any case in which a person is charged with an offense involving impaired driving, any prosecutor must enter detailed facts in the record of any case involving impaired driving explaining the reasons for his action if he:
(1) Enters a voluntary dismissal; or
(2) Accepts a plea of guilty or no contest to a lesser included offense; or
(3) Substitutes another charge, by statement of charges or otherwise, if the substitute charge carries a lesser mandatory minimum punishment or is not an offense involving impaired driving; or
(4) Otherwise takes a discretionary action that effectively dismisses or reduces the original charge in the case involving impaired driving.

General explanations such as 'interests of justice' or 'insufficient evidence' are not sufficiently detailed to meet the requirements of this section.

Sec. 17. This act shall become effective June 1, 1989. This act shall expire June 30, 1989. Provided, any person with a Class C license issued before the effective date of this act may continue to operate any vehicle for which he was authorized prior to the effective date of this act and until his license expires. Provided, further, any driver covered by the preceding sentence shall be subject to the provisions of this act and upon conviction of a violation of G.S. 20-138.2 while possessing a Class C license shall, if otherwise entitled, have a new Class C license issued which shall not authorize the operation of a commercial motor vehicle. Nothing in this section shall be construed to exempt a vehicle from the definition of commercial motor vehicle merely because the driver was authorized to operate it while possessing a Class C license issued prior to June 1, 1989.

As Governor of North Carolina, it has been made to appear to me upon satisfactory information furnished to me as follows:

2. The Governor has established, in accordance with requirements outlined in the Job Training Partnership Act, criteria for coordinating programs funded under JTPA with programs and services provided by State and local education and training agencies;

3. The Council's Interagency Coordinating Committee, hereafter referred to as "the Committee", comprised of representatives from State agencies involved in employment and training, has been studying ways to eliminate barriers to effective coordination of all programs related to job training;
4. The Committee has identified varying planning cycles and programs for involved agencies occurring throughout the calendar year and these disparate planning period constitute a major barrier to effective coordination;

5. The Committee and the Council have recommended that the period of January through March of each calendar year be designated as a uniform planning period for all employment and training activities in the State.

NOW, THEREFORE, under and by the authority vested in me as Governor of the State of North Carolina, I do hereby order and direct as follows:

Section 1. The period of January through March of each calendar year is hereby designated as the uniform planning period for all employment and training activities in the State.

Section 2. All State and local agencies, including service delivery areas involved in employment and training activities, including those designated in the Coordination Criteria, shall accomplish their planning, both independently and in concert with each other, during this period, except where such is prohibited by statute or regulation.

Section 3. I commend the agencies for their efforts to provide coordinated employment and training related services in

EXECUTIVE ORDER NUMBER 55
MARTIN LUTHER KING, JR. HOLIDAY COMMISSION

The third Monday of January of each year has been set aside by both the State and Federal governments as a legal holiday to honor the birthday of Martin Luther King, Jr.;

Such holiday should serve as a time for all North Carolinians to reflect on the principles of racial equality and non-violent social change espoused by Martin Luther King, Jr.;

ATTEST:

Thad Eure, Secretary of State
The safety and proper development of our State's young people is at greater risk now than ever before in history. The growth of the crime rate in increasingly younger populations is a trend that is of major concern nationally as well as here in North Carolina.

The State of North Carolina must consider appropriate measures designed to reverse the crime rate among its youth. With the attention and energy that athletics generates and the appeal that athletics has among our youth, the establishment of an advisory board can be a viable crime prevention tool.

Therefore, by the authority vested in me as Governor by the Constitution and laws of North Carolina, IT IS ORDERED:

Section 1.  ESTABLISHMENT

There is hereby established the Governor's Advisory Board on Athletes Against Crime, hereinafter referred to as the "Board." The Board shall be comprised of a chairman and at least fifteen members appointed by the Governor to serve at the pleasure of the
Governor. The members appointed by the Governor shall include but not be limited to representatives of the following areas:

The Department of Crime Control and Public Safety;

The North Carolina Fellowship of Christian Athletes;

Athletic directors, coaches, and student athletes at junior high, high school, and collegiate levels;

The North Carolina High School Athletic Association and other amateur sports organizations;

Professional athletes;

Law enforcement;

Private citizens or volunteers who have an interest in athletics and/or youth-oriented crime prevention programs in the State.

Section 2. MEETINGS

The Board shall meet regularly at the call of the Chairman and shall hold special meetings at the call of the Chairman, the Governor, or the Secretary of Crime Control and Public Safety.

Section 3. DUTIES

The Board shall have the following duties:

(A) Provide a forum for discussing issues concerning youth involvement in crime and effective approaches to preventing crime among young people;

(B) Coordinate athletic directors, coaches, and student athletes at the junior high, high school, and collegiate levels to implement the crime prevention objectives of the Athletes Against Crime program;

(C) Review existing and proposed youth-oriented crime prevention programs at the local, state, and national levels which involve athletes;
(D) Advise the Governor and Secretary of Crime Control and Public Safety on measures and activities to support youth crime prevention programs and promote the Athletes Against Crime program;

(E) Encourage private sector involvement in fund raising efforts to support and promote the Athletes Against Crime program;

(F) Coordinate with appropriate state and local agencies such as the Governor's Council on Substance Abuse Among Children and Youth to develop a comprehensive approach to preventing crime, delinquency, and substance abuse among young people;

(G) Other duties as assigned by the Governor.

Section 4. ADMINISTRATION

(A) The Department of Crime Control and Public Safety shall provide administrative support and staff as may be required.

(B) Members of the Board shall serve without compensation but may receive reimbursement from the Department of Crime Control and Public Safety, contingent on the availability of funds, for travel and subsistence expenses in accordance with state guidelines and procedures.

(C) The heads of state departments and agencies are hereby directed to the extent permitted by law, to provide the Board information as may be requested by the Board in carrying out the purpose of this order.
Section 5. EFFECTIVE DATE AND EXPIRATION DATE

This Executive Order shall become effective immediately, and unless rescinded earlier by act of the Governor, will expire in accordance with North Carolina law two years from date it is signed. It is subject to reissuance at expiration.

Done in Raleigh this 30th day of September, 1987.

ATTEST

Thad Eure, Secretary of State
North Carolina's coastal sounds and waterways represent unique and invaluable natural resources for all the people of North Carolina.

The use and preservation of these resources is especially important to those recreational boaters, sports fishermen and vacationers who utilize our coastal areas.

In order to protect these natural resources, provide for the orderly growth of marine related activity, and promote environmentally sound economic development along our coast, it is essential that North Carolina develop and implement a Coastal Initiatives Plan. This plan should work to enhance the quality of our coastal environment by clustering marine related development in carefully selected locations while other more ecologically sensitive areas are given increased environmental protection.
Therefore, by authority vested in me as Governor by the Constitution and laws of North Carolina, IT IS ORDERED:

Section 1  ESTABLISHMENT

There is hereby established the Governor's Blue Ribbon Commission on Coastal Initiatives.

Section 2  MEMBERSHIP

The Commission shall be composed of not less than 10 members appointed by the Governor. The membership shall include the Secretaries of:

a. Department of Natural Resources and Community Development
b. Department of Commerce
c. Department of Administration
d. Department of Transportation
e. Department of Human Resources

In addition to those representatives set forth above, the Commission shall include representatives from interested environmental groups, local governments and marine activity related businesses.

The Governor shall designate the chairman of the Commission and all members shall serve at the pleasure of the Governor. All vacancies shall be filled by the Governor.

Section 3  MEETINGS

The Commission shall meet at such times and at such locations as directed by the Chairman.
Section 4    DUTIES

(i) It shall be the responsibility of the Commission to develop and implement a long-term, environmentally sound plan to provide additional protection for environmentally sensitive areas in the 20 coastal counties and to encourage and facilitate clustered development in selected local communities seeking to improve shoreline and marine activity related development.

Recommendations and areas of program implementation in the plan shall include, but not be limited to:

- protective measures for marine and coastal resources
- navigation aids, including a waterways system plan
- incentives to support local community shoreline or marine activity related economic development

(ii) The Commission shall have the authority to direct the work of the Administrative Working Group established in Section 5 of this order.

Section 5 ESTABLISHMENT OF ADMINISTRATIVE WORKING GROUP

There is created as an adjunct to the Commission an Administrative Working Group (AWG) which shall be composed of representatives from the various State departments and agencies involved in planning and implementing the Coastal Initiatives Plan.

All members of the Administrative Working Group shall be designated by the Governor.

The Governor shall designate the chairman of the Administrative Working Group. The AWG shall meet at the call of either its Chairman or the Chairman of the Commission.
Section 6  DUTIES OF AWG

The Administrative Working Group shall, at the direction of the Commission, prepare the plans called for in Section 4 of this order for approval by the Commission. After such approval, the Administrative Working Group shall work to implement the plan as directed by the Commission. The Administrative Working Group will work to coordinate efforts among all involved State departments to ensure the successful completion of the Commission's plan.

Section 7  COMMUNITY TEAMS

In carrying out its duties the Administrative Working Group shall have authority to designate interdepartmental community teams composed of State and other governmental agency representatives. These teams shall work at the community level to assist the AWG in the development and implementation of the Commission's plan.

These teams shall report to and work at the direction of the Administrative Working Group.

Section 8  ADMINISTRATIVE SUPPORT AND EXPENSES

The Department of Natural Resources and Community Development shall provide necessary staffing and administrative support for the Commission and the Administrative Working Group. Other State departments and agencies shall assist the Commission and Administrative Working Group in this undertaking by rendering such technical advice and assistance to them as is from time to time requested and by cooperating fully in the implementation of the approved Coastal Initiatives Plan.
Members of the Commission shall be entitled to such per diem expenses and reimbursement for travel expenses as authorized under N.C.G.S. 138-5. Members who are State employees shall be reimbursed as authorized by N.C.G.S. 138-6.

Thad Eure, Secretary of State
Each year in North Carolina, approximately 1.75 million citizens visit examining stations operated by the Driver License Section of the Division of Motor Vehicles, North Carolina Department of Transportation, to obtain original, renewal and duplicate driver licenses, photo identification cards and learners' permits. The Driver License Section has more direct contact with the citizenry of North Carolina than does any other branch of State Government. Where, when and how the Driver License Section provides its services is vitally important to the State and to the public.

Since the establishment of the North Carolina Driver License System in 1935, no comprehensive study has been made by the State to evaluate the effectiveness of its delivery of services to the public, to analyze the need for enhancing the quality of the
existing system, or to review administrative procedures and statutory requirements. In view of the elapsed time and the rapid increase in the number of licensed drivers who must be served by the Driver License Section, such comprehensive study is hereby deemed necessary and in the public interest.

Therefore, by the authority vested in me as Governor by the Constitution and laws of North Carolina, IT IS ORDERED:

Section 1. ESTABLISHMENT

The Governor's Task Force on the North Carolina Driver License System is hereby established. The Task Force shall consist of at least twenty and not more than thirty members appointed by the Governor to serve at the pleasure of the Governor. All vacancies shall be filled by the Governor. The Governor shall designate one of its members as Chairman and one as Vice-Chairman. The Secretary of Transportation or his designee and the Commissioner of Motor Vehicles or his designee shall serve as ex-officio members.

Section 2. FUNCTIONS

(1) The Task Force shall meet regularly at the call of the Chairman. The Task Force is authorized to conduct public hearings for the purpose of receiving the comments and suggestions of citizens throughout the State.

(2) The duties of the Task Force shall be to conduct a comprehensive study of the North Carolina driver license system, and shall formulate recommendations for enhancing the operations and improving the delivery of services to the public by the Driver License Section of the Division of Motor Vehicles.
Section 3. ADMINISTRATION

(a) The Special Assistant to the Commissioner of Motor Vehicles shall provide principal staff support to the Task Force. The Secretary of Transportation and the Commissioner of Motor Vehicles may designate such other personnel from their respective staffs as they deem appropriate and necessary to furnish guidance and assistance to the Task Force.

(b) The Task Force is authorized, subject to the availability of funds to retain consulting service(s) or employ such professional(s) if it determines that such service(s) or professional(s) would offer a cost-efficient method of gathering information. Funds for the retention and payment of such services(s) or professional(s) shall be made available from funds authorized by the Division of Motor Vehicles.

(c) Members of the Task Force may be reimbursed for necessary travel and subsistence expenses as authorized by N.C.G.S. 138-5. Funds for reimbursement of such expenses shall be made available from funds authorized by the Division of Motor Vehicles.

(d) Funds for the support of the Task Force study, in addition to expenses authorized in Section 3, subsections (b) and (c) above, shall be made available from funds authorized by the Division of Motor Vehicles.

Section 4. REPORTS

The Task Force shall present its final report and recommendations to the Governor not later than September 1, 1988.
Section 5. IMPLEMENTATION AND DURATION

(1) This order shall be effective immediately.

(2) The Commission shall dissolve at the pleasure of the Governor, but no later than December 30, 1988.

It has also come to my attention that before undertaking to learn whether and to what extent hurtful asbestos is present in the more than ten thousand buildings owned by the State, it is desirable for a study to be made of the costs and related benefits to be had from such an assay being made.

The Commission shall prepare a written report of its study and submit the same to the Governor along with its recommendations.

3. The Commission shall begin its work immediately and make its report to the Governor not later than April 30, 1988.

Thad Eure, Secretary of State
The State of North Carolina has made great strides in supplying quality health care to its citizens. Our physical capacity and technological capability to provide the needed care is being met but our supply of a trained labor force is dangerously low.

The shortfall is particularly critical in nursing. North Carolina simply does not have enough trained nurses to meet the growing demands on our health care system. The shortage promises to become increasingly worse and could have a very serious impact on the state's ability to maintain a high level of health services to its people.

In view of this problem and its growing severity, it is important that the state establish a task force to study this issue and prepare a report which shall examine the causes of the shortage, clearly set forth its implications, and recommend
possible solutions that can be implemented by both the public and private sectors.

THEREFORE, by the authority vested in me as Governor by the Constitution and laws of North Carolina, IT IS ORDERED:

Section 1. ESTABLISHMENT

The Governor's Task Force on the Shortage of Nurses in North Carolina is hereby established. The Task Force shall consist of not more than 20 members appointed by the Governor to serve at the pleasure of the Governor. All vacancies shall be filled by the Governor. The Governor shall designate one of its members as chairman. The Secretary of the Department of Human Resources or his designee shall serve as an ex-officio member.

Section 2. MEMBERSHIP

The membership of the task force shall include but not be limited to representatives from the following groups:

1. North Carolina Nurses Association
2. North Carolina Hospital Association
3. North Carolina Community College System
4. The University of North Carolina System
5. North Carolina Medical Society
6. The North Carolina Health Care Facilities Association
7. One member from the North Carolina Senate
8. One member from the North Carolina House
9. North Carolina Licensed Practical Nurses Association
10. North Carolina Association for Home Care
Section 3. FUNCTIONS

1. The Task Force shall meet regularly at the call of the Chairman. The Task Force is authorized to conduct public hearings for the purpose of receiving the comments and suggestions of citizens throughout the state.

2. The duties of the Task Force shall be to conduct a comprehensive study of the availability of adequate skilled nursing care in North Carolina and to prepare a report outlining its findings and making recommendations on how the public and private sectors can best work to alleviate the nursing shortage now and in the future. This report shall be submitted to the Governor no later than September 1, 1988.

Section 4. ADMINISTRATION

1. Administrative support and staff for this task force shall be provided by the Department of Human Resources.

2. Members of the task force may be reimbursed for necessary travel and subsistence expenses as authorized by NCGS 138-5. Funds for reimbursement of such expenses shall be made available from funds authorized by the Department of Human Resources.

North Carolina's proposal to be the site of the Superconducting Super Collider (SSC) presents an enormous opportunity for the state to solidify its position as a world center of high technology research and development. If North Carolina is chosen as the site of the SSC, the benefits to the state and its people will be substantial. At the same time, any project of this magnitude will have effects on individuals and the surrounding communities. It is the obligation of the state to ensure that the effects of the SSC project—on the people in the area, on the counties and municipalities, and on the environment—are beneficial.

The SSC is a unique public project in many respects. It is the largest scientific instrument in the world and is designed for pure research. If North Carolina is chosen as the SSC site, the state will acquire the land needed for the SSC, then release the land to the federal government. This plan necessarily will
involve the local governments in the SSC area. Because of the complexity of the project and the levels of government involved, an ongoing mechanism is needed to ensure that those who implement the SSC project are sensitive to the many governmental and individual rights and prerogatives involved.

Therefore, by the authority vested in me as Governor by the Constitution and laws of North Carolina, IT IS ORDERED:

Section 1. ESTABLISHMENT

The North Carolina Commission on the Superconducting Super Collider is hereby established. The Commission shall consist of not more than fifteen members appointed by the Governor to serve at the pleasure of the Governor. All vacancies shall be filled by the Governor. The SSC Project Director shall serve as the Chairperson. The SSC Project Director shall vote only when necessary to break a tie.

Section 2. MEMBERSHIP

The membership of the Commission shall include but not be limited to representatives from the following groups:

1. The Durham County Manager.
2. The Granville County Manager.
3. The Person County Manager.
4. Two Durham County Commissioners.
5. Two Granville County Commissioners.
6. Two Person County Commissioners.
7. The SSC Project Director.
Section 3. FUNCTIONS

The North Carolina Commission on the Superconducting Super Collider shall have the following duties:

1. To serve as a coordinating mechanism between the three counties involved and the state in matters relating to the SSC project.

2. To recommend locations to the state and federal governments for the SSC Project which will displace the fewest property owners.

3. To recommend to the state the location of roads and utilities necessary for the project.

4. To present the interests of the property owners potentially affected by the SSC Project to ensure that each receives fair compensation for SSC property acquisitions.

5. To study the effects of SSC-related development on local government entities and recommend amounts of state financial aid to lessen the impact of the SSC and insure that local governments are able to meet the needs of their communities.

6. To monitor environmental impacts of the SSC and to recommend measures as necessary to prevent adverse effects on the environment.

7. To promote and stimulate cooperative planning among the local governments affected to accommodate SSC-related growth for the benefit of all citizens.
8. To meet as necessary, at the call of the Chairperson or of the Governor.

Section 4. ADMINISTRATION

1. Financial support for the Commission may be provided out of funds available to the North Carolina Board of Science and Technology in response to the requests of the Chairperson. All expenditures must be approved beforehand by the Chairperson.

2. Subject to the availability of funds, members of the Commission may be reimbursed for travel and subsistence expenses as authorized by NCGS Section 138-5.

3. The SSC Project shall provide the staff and administrative support for the Commission.

Section 5. REPORTS

1. The Commission shall present interim reports and recommendations to the Governor at least annually.

2. The Commission shall present a Final Report and Recommendations to the Governor before its dissolution.

Section 6. IMPLEMENTATION AND DURATION

1. This order shall be effective immediately.

2. This Commission shall dissolve at the pleasure of the Governor.

Thad Eure, Secretary of State
North Carolina and the nation were built on and along railroads. In particular, our urban Piedmont has been shaped in large part by the General Assembly's investment in the North Carolina Railroad over 130 years ago. Many of those Piedmont cities are now leading North Carolina's dramatic population and economic growth.

With that growth comes an ever-increasing need for intercity, regional, and urban transportation. Some of our intercity traffic today moves via Amtrak along existing railroad routes through North Carolina. In the future, even greater reliance may need to be placed on rail passenger opportunities.

Today, Amtrak is considering changing its intercity routes serving North Carolina. At the same time, the private freight railroads continue to react to economic forces by abandoning
service and routes. These decisions, made outside North Carolina, not only affect today's transportation patterns, but could well limit our transportation choices for the future. Passenger trains move on some of these routes today, and may well need to move on others in the future. Possibly, other forms of passenger transportation could also use those corridors.

As the North Carolina Railroad and the Atlantic and North Carolina Railroad prepare to renegotiate their right-of-way leases between Charlotte, Greensboro, Raleigh and Morehead City, consideration should be given to preservation of future options for inter-urban transit by a carrier able to offer affordable, reliable rail passenger service.

This corridor, as well as other rail corridors in and across the state, may well hold opportunities for North Carolina's future mobility. Every effort should be given to exploration of short-term as well as longer-term opportunities for rail passenger service along these corridors in North Carolina.

Therefore, by the authority vested in me as Governor by the Constitution and laws of North Carolina, IT IS ORDERED:

Section 1. ESTABLISHMENT

The Governor's Task Force on Rail Passenger Service is hereby established. The Task Force shall consist of at least ten and not more than fifteen members appointed by the Governor to serve at the pleasure of the Governor. All vacancies shall be filled by the Governor. The Governor shall designate one of its members as Chairman and one as Vice-Chairman. The Secretary of Transportation or his designee shall serve as an ex-officio member.
and shall not be included in the fifteen members to be appointed by the Governor.

Section 2. FUNCTIONS

(1) The Task Force shall meet regularly at the call of the Chairman or the Governor. The Task Force is authorized to conduct public hearings for the purpose of receiving the comments and suggestions of citizens throughout the State.

(2) The duties of the Task Force shall be to conduct a study of the present, near term, and future needs for rail transit service connecting major cities of North Carolina, with emphasis on the potential for providing affordable service.

Section 3. ADMINISTRATION

(a) The Director of Public Transportation of the Department of Transportation shall provide staff support to the Task Force. The Secretary of Transportation may designate such other personnel from his staff as he deems appropriate and necessary to furnish guidance and assistance to the Task Force.

(b) The Department of Transportation is authorized, subject to the availability of funds, to retain consulting service(s) or employ other professional(s) if it determines that such service(s) or professional(s) would offer a cost-efficient method of gathering and analyzing information.
