following the date by which the vehicle was required to be listed.

(b) Subject to the provisions of G.S. 105-395.1, interest on unpaid
taxes on classified motor vehicles listed pursuant to G.S. 105-
330.3(a)(1) accrues at the rate of three-fourths of one percent (3/4%) per
month following the date the taxes were due until the taxes are
paid. Subject to the provisions of G.S. 105-395.1, interest on
delinquent taxes on classified motor vehicles listed pursuant to G.S.
105-330.3(a)(2) accrues as provided in G.S. 105-360(a) and discounts
shall be allowed as provided in G.S. 105-360(c).

(c) Unpaid taxes on classified motor vehicles may be collected by
levying on the motor vehicle taxed or on any other personal property
of the taxpayer pursuant to G.S. 105-366 and G.S. 105-367, or by
garnishment of the taxpayer’s property pursuant to G.S. 105-368.
Notwithstanding the provisions of G.S. 105-366(b), the enforcement
measures of levy, attachment, and garnishment may be used to collect
unpaid taxes on classified motor vehicles listed pursuant to G.S. 105-
330.3(a)(1) at any time after interest accrues. Notwithstanding the
provisions of G.S. 105-355, taxes on classified motor vehicles do not become a lien on real property owned by the taxpayer.

"§ 105-330.5. Listing and collecting procedures.
(a) For classified motor vehicles listed pursuant to G.S. 105-330.3(a)(1), upon receiving the registration lists from the Division of Motor Vehicles each month, the assessor shall prepare a tax notice for each vehicle; the tax notice shall contain all county, municipal, and special district taxes due on the motor vehicle. In computing the taxes, the assessor shall appraise the motor vehicle in accordance with G.S. 105-330.2 and shall use the tax rates of the various taxing units in effect on the first day of the month in which the current vehicle registration expired or the new registration was applied for. This procedure shall constitute the listing and assessment of each classified motor vehicle for taxation.

(b) For classified motor vehicles listed pursuant to G.S. 105-330.3(a)(2), the assessor shall appraise each vehicle in accordance with G.S. 105-330.2. The assessor shall prepare a tax notice for each vehicle before September 1 following the January 31 listing date: the tax notice shall include all county, municipal, and special district taxes due on the motor vehicle. In computing the taxes, the assessor shall use the tax rates of the various taxing units in effect for the fiscal year that begins on July 1 following the January 31 listing date.

(c) When the tax notice is prepared, the county tax collector shall mail a copy of the notice, with appropriate instructions for payment, to the motor vehicle owner. The county may retain the actual cost of collecting municipal and special district taxes collected pursuant to this section, not to exceed one and one-half percent (1 1/2%) of the amount of taxes collected. The county finance officer shall establish procedures to ensure that tax payments received pursuant to this section are properly accounted for and taxes due other taxing units are remitted to the units to which they are due no later than 30 days after the date of collection.

(d) The county shall include taxes on classified motor vehicles in the tax levy for the fiscal year in which the taxes become due and shall charge the taxes to the tax collector for that year.

"§ 105-330.6. Motor vehicle tax year; transfer of plates; surrender of plates.
(a) The tax year for a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) shall begin on the first day of the first month following the date on which the registration expires or the new registration is applied for and end on the last day of the twelfth month following the date on which the registration expires or the new registration is applied for. The tax year for a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(2) shall be the fiscal year that
opens in the calendar year in which the vehicle is required to be listed.

(b) If the owner of a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) transfers the registration plates from the listed vehicle to another classified motor vehicle pursuant to G.S. 20-64 during the listed vehicle's tax year, the vehicle to which the plates are transferred is not required to be listed or taxed until the current registration expires or is renewed.

(c) If the owner of a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) surrenders the registration plates from the listed vehicle to the Division of Motor Vehicles and at the date of surrender one or more full calendar months remains in the listed vehicle's tax year, the owner may apply for a release or refund of taxes on the vehicle for the full calendar months remaining after surrender. To apply for a release or refund, the owner must present to the county tax collector the certificate received from the Division of Motor Vehicles accepting surrender of the registration plates. The county tax collector shall then multiply the amount of the taxes for the tax year on the vehicle by a fraction, the denominator of which is 12 and the numerator of which is the number of full calendar months remaining in the vehicle's tax year after the date of surrender of the registration plates. The product of the multiplication is the amount of taxes to be released or refunded. If the taxes have not been paid at the date of application, the county tax collector shall make a release of the prorated taxes and credit the owner's tax receipt with the amount of the release. If the taxes have been paid at the date of application, the county tax collector shall direct an order for a refund of the prorated taxes to the county finance officer, and the finance officer shall issue a refund to the vehicle owner.

"§ 105-330.7. List of delinquents sent to Division of Motor Vehicles.

On the tenth day of each month the county tax collector shall prepare a list with the name and address of the owner and the vehicle identification number of every classified motor vehicle on which taxes remain unpaid on that date and on which taxes became due on the first day of the fourth month preceding that date. The tax collector shall mail that list to the Division of Motor Vehicles. The list shall be in such form and contain such information as the Division of Motor Vehicles may require.

"§ 105-330.8. Deadlines not extended.

Except as otherwise provided in this Article, the provisions of G.S. 105-395.1 and G.S. 103-5 do not apply to deadlines established in this Article."

Sec. 2. Article 22 of Chapter 105 of the General Statutes is amended by adding a new section to read:
"§ 105-329. Article inapplicable to classified motor vehicles.
The provisions of this article do not apply to the listing, appraisal, and assessment of classified motor vehicles, as defined in G.S. 105-330."

Sec. 3. G.S. 105-373 is amended by adding a new subsection (h) to read:

"(h) Relief from Collecting Taxes on Classified Motor Vehicles. The board of county commissioners may, in its discretion, relieve the tax collector of the charge of taxes on classified motor vehicles that are one year or more past due when it appears to the board that the taxes are uncollectible. This relief, when granted, shall include municipal and special district taxes charged to the collector."

Sec. 4. G.S. 20-50.2 is repealed.

Sec. 5. Article 3 of Chapter 20 of the General Statutes is amended by adding two new sections to read:

"§ 20-50.3. Division to furnish county assessors registration lists.
On the tenth day of each month the Division shall send to each county assessor a list of vehicles for which registration was renewed or a new registration was obtained in that county during the second month preceding that date, with the name and address of each vehicle owner.

"§ 20-50.4. Division to refuse to register vehicles on which taxes are delinquent.
Upon receiving the list of motor vehicle owners and motor vehicles sent by county tax collectors pursuant to G.S. 105-330.7, the Division shall refuse to register for the owner named in the list any vehicle identified in the list until the vehicle owner presents the Division with a paid tax receipt identifying the vehicle for which registration was refused. The Division shall not refuse to register a vehicle for a person, not named in the list, to whom the vehicle has been transferred in good faith. Where a motor vehicle owner named in the list has transferred the registration plates from the motor vehicle identified in the list to another motor vehicle pursuant to G.S. 20-64 during the first vehicle's tax year, the Division shall refuse registration of the second vehicle until the vehicle owner presents the Division with a paid tax receipt identifying the vehicle from which the plates were transferred."

Sec. 6. G.S. 20-66(d) reads as rewritten:

"(d) The Division may also provide for the issuance of license plates for motor vehicles with the dates of expiration thereof to vary from month to month so as to approximately equalize the number that expire during a registration period of one or two years. A person may purchase a license plate for a period of two
years, but the Division shall not solicit, encourage, or require the purchase of a license plate for a period of more than one year."

Sec. 7. G.S. 20-66 is amended by adding a new subsection to read:

"(i) When the Division receives an application under subsection (a) for the renewal of registration before the current registration expires, the Division shall grant the application if it is made for the purpose of consolidating the property taxes payable by the applicant on classified motor vehicles, as defined in G.S. 105-330. The registration fee for a motor vehicle whose registration cycle is changed under this subsection shall be reduced by a prorated amount. The prorated amount is one-twelfth of the registration fee in effect when the motor vehicle's registration was last renewed multiplied by the number of full months remaining in the motor vehicle's current registration cycle, rounded to the nearest multiple of twenty-five cents (25¢)."

Sec. 8. G.S. 105-312, as amended by Chapter 34 of the 1991 Session Laws, reads as rewritten:

"§ 105-312. Discovered property; appraisal; penalty.
(a) Repealed by Session Laws 1991, c. 34, s. 4.
(b) Duty to Discover and Assess Unlisted Property. -- It shall be the duty of the assessor to see that all property not properly listed during the regular listing period be listed, assessed and taxed as provided in this Subchapter. The assessor shall file reports of such discoveries with the board of commissioners in such manner as the board may require.
(c) Carrying Forward Real Property. -- At the close of the regular listing period each year, the assessor shall compare the tax lists submitted during the listing period just ended with the lists for the preceding year, and he shall carry forward to the lists of the current year all real property that was listed in the preceding year but that was not listed for the current year. When carried forward, the real property shall be listed in the name of the taxpayer who listed it in the preceding year unless, under the provisions of G.S. 105-302, it must be listed in the name of another taxpayer. Real property carried forward in this manner shall be deemed to be discovered property, and the procedures prescribed in subsection (d), below, shall be followed unless the property discovered is listed in the name of the taxpayer who listed it for the preceding year and the property is not subject to appraisal under either G.S. 105-286 or G.S. 105-287 in which case no notice of the listing and valuation need be sent to the taxpayer.
(d) Procedure for Listing, Appraising, and Assessing Discovered Property. -- Subject to the provisions of subsection (c), above, and the presumptions established by subsection (f), below, discovered property shall be listed by the assessor in the name of the person required by
G.S. 105-302 or G.S. 105-306. The discovery shall be deemed to be made on the date that the abstract is made or corrected pursuant to subsection (e) of this section. The assessor shall also make a tentative appraisal of the discovered property in accordance with the best information available to him.

When a discovery is made, the assessor shall mail a notice to the person in whose name the discovered property has been listed. The notice shall contain the following information:

1. The name and address of the person in whose name the property is listed;
2. A brief description of the property;
3. A tentative appraisal of the property;
4. A statement to the effect that the listing and appraisal will become final unless written exception thereto is filed with the assessor within 30 days from date of the notice.

Upon receipt of a timely exception to the notice of discovery, the assessor shall arrange a conference with the taxpayer to afford him the opportunity to present any evidence or argument he may have regarding the discovery. Within 15 days after the conference, the assessor shall give written notice to the taxpayer of his final decision. Written notice shall not be required, however, if the taxpayer signs an agreement accepting the listing and appraisal. In cases in which agreement is not reached, the taxpayer shall have 15 days from the date of the notice to request review of the decision of the assessor by the board of equalization and review or, if that board is not in session, by the board of commissioners. Unless the request for review by the county board is given at the conference, it shall be made in writing to the assessor. Upon receipt of a timely request for review, the provisions of G.S. 105-322 or G.S. 105-325, as appropriate, shall be followed.

(e) Record of Discovered Property. -- When property is discovered, the taxpayer's original abstract (if one was submitted) may be corrected or a new abstract may be prepared to reflect the discovery. If a new abstract is prepared, it may be filed with the abstracts that were submitted during the regular listing period, or it may be filed separately with abstracts designated 'Late Listings.' Regardless of how filed, the listing shall have the same force and effect as if it had been submitted during the regular listing period.

(f) Presumptions. -- When property is discovered and listed to a taxpayer in any year, it shall be presumed that it should have been listed by the same taxpayer for the preceding five years unless the taxpayer shall produce satisfactory evidence that the property was not in existence, that it was actually listed for taxation, or that it was not his duty to list the property during those years or some of them under
the provisions of G.S. 105-302 and G.S. 105-306. If it is shown that the property should have been listed by some other taxpayer during some or all of the preceding years, the property shall be listed in the name of the appropriate taxpayer for the proper years, but the discovery shall still be deemed to have been made as of the date that the assessor first listed it.

(g) Taxation of Discovered Property. -- When property is discovered, it shall be taxed for the year in which discovered and for any of the preceding five years during which it escaped taxation in accordance with the assessed value it should have been assigned in each of the years for which it is to be taxed and the rate of tax imposed in each such year. The penalties prescribed by subsections (h) and (h1) subsection (h) of this section shall be computed and imposed regardless of the name in which the discovered property is listed. If the discovery is based upon an understatement of value, quantity, or other measurement rather than an omission from the tax list, the tax shall be computed on the additional valuation fixed upon the property, and the penalties prescribed by subsections (h) and (h1) subsection (h) of this section shall be computed on the basis of the additional tax.

(h) Computation of Penalties. -- Having computed each year’s taxes separately as provided in subsection (g), above, there shall be added a penalty of ten percent (10%) of the amount of the tax for the earliest year in which the property was not listed, plus an additional ten percent (10%) of the same amount for each subsequent listing period that elapsed before the property was discovered. This penalty shall be computed separately for each year in which a failure to list occurred; and the year, the amount of the tax for that year, and the total of penalties for failure to list in that year including any penalty imposed under subsection (h1) of this section shall be shown separately on the tax records; but the taxes and penalties for all years in which there was a failure to list shall be then totalled on a single tax receipt.

(h1) If the discovered property is a motor vehicle and the county assessor determines from records of the Division of Motor Vehicles that the owner of the vehicle falsely certified that he listed the vehicle for property taxes in violation of G.S. 20-50.2(a)(1), the county assessor shall add a penalty of $100.00 for failure to list that vehicle in that county, which penalty shall be in addition to the penalties imposed by subsection (h). This penalty shall be imposed only for the year in which the discovery is made, regardless of the number of listing periods that elapsed before the motor vehicle was discovered, and regardless of whether the owner of the vehicle falsely certified that he paid taxes on the vehicle in previous years. The civil penalty in this subsection shall not be imposed if the owner of the vehicle has
been criminally punished under G.S. 20-50.2(c) with regard to the same failure to list.

(i) Collection. -- For purposes of tax collection and foreclosure, the total figure obtained and recorded as provided in subsections (h) and (h-1) subsection (b) of this section shall be deemed to be a tax for the fiscal year beginning on July 1 of the calendar year in which the property was discovered. The schedule of discounts for prepayment and interest for late payment applicable to taxes for the fiscal year referred to in the preceding sentence shall apply when the total figure on the single tax receipt is paid. Notwithstanding the time limitations contained in G.S. 105-381, any property owner who is required to pay taxes on discovered property as herein provided shall be entitled to a refund of any taxes erroneously paid on the same property to other taxing jurisdictions in North Carolina. Claim for refund shall be filed in the county where such tax was erroneously paid as provided by G.S. 105-381.

(j) Tax Receipts Charged to Collector. -- Tax receipts prepared as required by subsections (h), (h-1), (h) and (i) of this section for the taxes and penalties imposed upon discovered property shall be delivered to the tax collector, and he shall be charged with their collection. Such receipts shall have the same force and effect as if they had been delivered to the collector at the time of the delivery of the regular tax receipts for the current year, and the taxes charged in the receipts shall be a lien upon the property in accordance with the provisions of G.S. 105-355.

(k) Power to Compromise. -- After a tax receipt computed and prepared as required by subsections (g), (h), and (h-1) (g) and (h) of this section has been delivered and charged to the tax collector as prescribed in subsection (j), above, the board of county commissioners, upon the petition of the taxpayer, may compromise, settle, or adjust the county's claim for taxes arising therefrom. The board of commissioners may, by resolution, delegate the authority granted by this subsection to the board of equalization and review, including any board created by resolution pursuant to G.S. 105-322(a) and any special board established by local act.

(l) Except for the provision in subsection (h-1) which imposes an additional penalty for false certification of motor vehicle listing, the Municipal Corporations. The provisions of this section shall apply to all cities, towns, and other municipal corporations having the power to tax property. Such governmental units shall designate an appropriate municipal officer to exercise the powers and duties assigned by this section to the assessor, and the powers and duties assigned to the board of county commissioners shall be exercised by the governing body of the unit. When the assessor discovers property having a
taxable situs in a municipal corporation, he shall send a copy of the notice of discovery required by subsection (d) to the governing body of the municipality together with such other information as may be necessary to enable the municipality to proceed. The governing board of a municipality may, by resolution, delegate the power to compromise, settle, or adjust tax claims granted by this subsection and by subsection (k) of this section to the county board of equalization and review, including any board created by resolution pursuant to G.S. 105-322(a) and any special board established by local act."

Sec. 9. This act does not affect the rights or liabilities of the State, a taxpayer, or other person arising under a statute amended or repealed by this act before its amendment or repeal; nor does it affect the right to any refund or credit of a tax that would otherwise have been available under the amended or repealed statute before its amendment or repeal.

Sec. 10. This act becomes effective January 1, 1993. This act shall first apply to the taxation of classified motor vehicles for the fiscal year beginning July 1, 1993, and to that end it shall apply to classified motor vehicles registered in March 1993, and classified motor vehicles whose registration expires in March 1993.

In the General Assembly read three times and ratified this the 10th day of July, 1991.

CHAPTER 625

AN ACT TO ALLOW CURRITUCK COUNTY TO ESTABLISH A SPECIAL LEASH LAW DISTRICT. APPLY A LEASH LAW WITHIN THAT DISTRICT. AND LEVY A TAX IN THAT DISTRICT FOR ENFORCEMENT OF THE LEASH LAW.

The General Assembly of North Carolina enacts:

Section 1. The board of commissioners of a county may, after approval of the voters of the area of that proposed district under Section 3 of this act, create within that county one or more special districts under this act, except that no territory may be within more than one such special district. The special district shall be known as the "____ Leash Law District" or as the "____ Dog Restraint District", with the name of the county and/or geographical area and/or number of the district filled in by the ordinance. No such district shall contain less than 600 acres of surface area.

Sec. 2. (a) The board of commissioners of a county may adopt an ordinance to apply only in a special district created under this act, which requires that no owner or keeper of any dog shall permit such
dog to run at large. For the purpose of that ordinance, the following definitions apply:

(1) "Owner or keeper" means any person or persons, or firm, association or corporation, owning, keeping, or harboring a dog;

(2) "At large" is intended to mean off the premises of the owner or keeper and not under restraint;

(3) "Under restraint" means:
   a. Controlled by means of a chain, leash or other like device;
   b. On or within a vehicle being driven or parked; or
   c. Within a secure enclosure which prevents the dog from injuring persons; and

(4) "Premises" means land and buildings.

(b) The ordinance may be enforced as provided for county ordinances under Chapters 67 or 153A of the General Statutes, or under any other public or local act applicable in that county.

Sec. 2.1. Notwithstanding Sections 1 and 2 of this act, a county board of commissioners may, not earlier than adoption of the resolution calling an election as provided by this act, adopt an ordinance authorized by this act, applicable only in the territory of the proposed district, with funds for enforcement of such ordinance to be paid out of general county revenues, but if the voters do not approve creation of the district as provided by this act, then the ordinance shall cease to be effective (except for violations committed prior to its expiration) at the end of the fiscal year ending after the next general county election held after adoption of the ordinance.

Sec. 3. The board of county commissioners of a county may by resolution call an election to be conducted by the board of elections of that county in a special district established under Section 1 of this act for the purpose of submitting to the voters therein the single issue of establishing the district and levying and collecting annually a special ad valorem tax on all taxable real and personal property in the special district for the purpose of enforcing an ordinance authorized by Section 2 of this act. The tax levied and collected for the purpose herein specified shall not exceed five cents (5¢) on each one hundred dollar ($100.00) valuation of taxable property in the special district.

Sec. 4. The election shall be conducted in accordance with Chapter 163 of the General Statutes. The board of elections of a county shall determine and declare the results of said election and certify the same to the board of county commissioners of a county and the same shall thereupon be spread upon the minutes of the said board.
Sec. 5. The ballot shall contain the date of the election, the name of the proposed special district, and the following language:

"[ ] FOR creation of the ________ District and the levy of an ad valorem tax not to exceed five cents (5¢) on the one hundred dollar ($100.00) taxable valuation for the enforcement within that district of an ordinance requiring that no owner or keeper of any dog shall permit such dog to run at large.

[ ] AGAINST creation of the ________ District and the levy of an ad valorem tax not to exceed five cents (5¢) on the one hundred dollar ($100.00) taxable valuation for the enforcement within that district of an ordinance requiring that no owner or keeper of any dog shall permit such dog to run at large."

The ballot shall contain the facsimile signature of the chairman of the board of elections of that county.

Sec. 6. If a majority of the qualified voters voting at said election shall vote in favor of creating the district and the levying of a tax as aforesaid for the enforcement of the ordinance, as provided by this act, the board of county commissioners of that county shall upon receipt of the certified copy of the results of said election from the board of elections adopt a resolution creating the district and shall file a copy of the said resolution so adopted with the clerk of the superior court of the county. Upon creation and establishment of the district, the board of county commissioners of the county may levy and collect an ad valorem tax on all taxable property in said district in such amount as it may deem necessary to pay expenses necessitated under Section 8 of this act, not exceeding five cents (5¢) on each one hundred dollar ($100.00) taxable valuation of property in said district from year to year, and shall cause the same to be kept in a separate and special fund, to be used only for the enforcement within that district of the ordinance authorized by Section 2 of this act.

Sec. 7. The district shall constitute a political subdivision of the State of North Carolina, and shall be a body corporate and politic, exercising public power. The special district is a public authority under the Local Government Budget and Fiscal Control Act, but the audit required under G.S. 159-34 may be done as part of the audit of the county which established the special district, and the finance officer of that county shall be the ex officio finance officer of the special district. The board of commissioners of that county shall be the ex officio governing board of the special district.

Sec. 8. (a) The special district shall pay for the enforcement of the ordinance adopted under Section 2 of this act within that district.
The special district may contract with the county for the enforcement of that ordinance.

(b) The district may:

(1) Sell, convey, and dispose of any real or personal property owned by the special district, acquired from any source whatsoever, in accordance with Article 12 of Chapter 160A of the General Statutes.

(3) Employ such officers, agents, consultants, and other employees as it may desire, and determine their qualifications, duties and compensation.

(4) Expend the funds collected by the special tax provided by this act and any and all other funds coming into the hands of the special district thereof by gift, donation, contribution, or otherwise, for the enforcement of the ordinance adopted under Section 2 of this act.

(5) Do any and all other acts and things reasonably necessary and requisite to the purpose of the special district in accordance with the provisions of this act.

Sec. 9. This act applies to Currituck County only, and is supplemental to any private or public acts.

Sec. 10. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 10th day of July, 1991.

H.B. 450  CHAPTER 626

(c) The term ‘person’ as used herein means any individual, firm, partnership, corporation, association, union or other organization.

For the purposes of this Article, a mark shall be deemed to be 'used' in this State (i) on goods when it is placed in any manner on the goods or their containers or the displays associated therewith or on the tags or labels affixed thereto or on documents associated with the goods, and such goods are currently sold or otherwise distributed in the State, and (ii) on services when it is used or displayed in the sale or advertising of services and the services are currently being rendered in this State, or are being offered and are available to be rendered in this State."

Sec. 2. G.S. 80-2 reads as rewritten:

(4) Consists of or comprises the name, signature or portrait of any living individual, except with his written consent; or

(5) Consists of a mark which (i) when applied to the goods or services of the applicant, is merely descriptive of them or merely describes one or more of the characteristics, or is deceptively misdescriptive of them, or falsely describes the nature, function, capacity, or characteristics of them, or (ii)
when applied to the goods or services of the applicant, is primarily geographically descriptive or deceptively misdescriptive of them, or (iii) is primarily merely a surname; provided, however, that nothing in this subdivision (5) shall prevent the registration of a mark used in this State by the applicant which has become distinctive of the applicant's goods or services. The Secretary of State may accept as evidence that the mark has become distinctive, as applied to the applicant's goods or services, proof of continuous use thereof as a mark by the applicant in this State or elsewhere for the five years preceding the date of the filing of the application for registration: or

(6) Consists of or comprises a mark which so resembles a mark registered in this State or a mark or trade name previously used in this State by another and not abandoned, as to be likely, when applied to the goods or services of the applicant, to cause confusion or mistake or to deceive."

Sec. 3. G.S. 80-3 reads as rewritten:

"§ 80-3. Application for registration.

Subject to the limitations set forth in this Article, any person who uses a mark, or any person who controls the nature and quality of the goods or services in connection with which a mark is used by another, in this State may file in the office of the Secretary of State on a form to be furnished in a format to be prescribed by the Secretary of State, an application for registration of that mark setting forth, but not limited to, the following information:

If the application for registration relates to a mark used in connection with services, the applicant shall list a physical location at which the services are being rendered or offered in this State:

(2) The goods or services in connection with which the mark is used and the mode or manner in which the mark is used in connection with such goods or services and the class in which such goods or services fall:

(3) The date when the mark was first used anywhere and the date when it was first used in this State by the applicant, his
predecessor in business or by another under such control of applicant; and

AN ACT TO REWRITE THE LAWS ON THIRD PARTY ADMINISTRATORS.

The General Assembly of North Carolina enacts:

Section 1. Article 56 of Chapter 58 of the General Statutes is
amended by adding the following new sections:

The following definitions apply in this Article:

(1) Affiliate. Any person who, directly or indirectly, through
one or more intermediaries, controls, is controlled by, or is
under common control with a specified entity or person.

(3) Insurance. Any coverage offered or provided by an insurer.

(4) Insurer. A person who undertakes to provide life or health
insurance or benefits in this State that are subject to this
Chapter. The term ‘insurer’ does not include a bona fide
employee benefit plan established by an employer, an
employee organization, or both, for which the insurance
laws of this State are preempted pursuant to the Employee

(5) Third party administrator. A person who directly or
indirectly solicits or effects coverage of, underwrites, collects
charges or premiums from, or adjusts or settles claims on
residents of this State, or residents of another state from
offices in this State, in connection with life or health insurance or annuities, except any of the following:

a. An employer on behalf of its employees or the employees of one or more of its affiliates.

b. A union on behalf of its members.

c. An insurer that is licensed under Articles 1 through 67 of this Chapter or that is acting as an insurer with respect to a policy lawfully issued and delivered by it and pursuant to the laws of a state in which the insurer is licensed to write insurance.

d. An agent or broker who is licensed by the Commissioner to sell life or health insurance and whose activities are limited exclusively to the sale of insurance.

e. A creditor on behalf of its debtors with respect to insurance covering a debt between the creditor and its debtors.

f. A trust and its trustees, agents, and employees acting pursuant to the trust established in conformity with 29 U.S.C. § 186.

g. A trust exempt from taxation under section 501(a) of the Internal Revenue Code and its trustees and employees acting pursuant to the trust, or a custodian and the custodian's agents or employees acting pursuant to a custodian account that meets the requirements of section 401(f) of the Internal Revenue Code.

h. A financial institution subject to supervision or examination by federal or state banking authorities, or a mortgage lender, to the extent the financial institution or mortgage lender collects and remits premiums to licensed insurance agents or authorized insurers in connection with loan payments.

i. An attorney-at-law who adjusts or settles claims in the normal course of business as an attorney-at-law and who does not collect charges or premiums in connection with life or health insurance or annuities.

j. An adjuster licensed by the Commissioner whose activities are limited to adjustment of claims.

k. A person who acts solely as a TPA of one or more bona fide employee benefit plans established by an employer, an employee organization, or both, for which the insurance laws of this State are preempted pursuant to the Employee Income Security Act of 1974. The person shall comply with the requirements of G.S. 58-56-51(f).
1. A person licensed as a managing general agent in this State, whose activities are limited exclusively to the scope of activities conveyed under the license.

(6) TPA. A third party administrator.

(7) Underwriting. This term includes the acceptance of employer or individual applications for coverage of individuals in accordance with the written rules of the insurer, the planning and coordination of an insurance program, and the ability to procure bonds and excess insurance.

"§ 58-56-6. Written agreement necessary.

(a) No TPA may act as a TPA without a written agreement between the TPA and the insurer. The written agreement shall be retained as part of the official records of both the insurer and the TPA for the duration of the agreement and for five years thereafter. The agreement shall contain all provisions required by this Article, to the extent those requirements apply to the functions performed by the TPA.

(b) The agreement shall include a statement of duties that the TPA is expected to perform on behalf of the insurer and the kinds of insurance the TPA is to be authorized to administer. The agreement shall provide for underwriting or other standards pertaining to the business underwritten by the insurer.

(c) The insurer or TPA may, with written notice, terminate the agreement for cause as provided in the agreement. The insurer may suspend the underwriting authority of the TPA during the pendency of any dispute regarding the cause for termination of the agreement. The insurer must fulfill any lawful obligations with respect to policies affected by the agreement, regardless of any dispute between the insurer and the TPA.

"§ 58-56-11. Payment to TPA.

If an insurer uses the services of a TPA, the payment to the TPA of any premiums or charges for insurance by or on behalf of the insured party is considered payment to the insurer. The payment of return premiums or claim payments forwarded by the insurer to the TPA is not considered payment to the insured party or claimant until the payments are received by the insured party or claimant. This section does not limit any right of the insurer against the TPA resulting from the failure of the TPA to make payments to the insurer, insured parties, or claimants.

"§ 58-56-16. Records to be kept.

(a) Every TPA shall maintain and make available to the insurer complete books and records of all transactions performed on behalf of the insurer. The books and records shall be maintained in accordance
with prudent standards of insurance record keeping and must be maintained for a period of at least five years after the date of their creation.

(b) The Commissioner shall have access to books and records maintained by a TPA for the purposes of examination, audit, and inspection. The Commissioner shall keep confidential any trade secrets contained in those books and records, including the identity and addresses of policyholders and certificate holders, except that the Commissioner may use the information in any judicial or administrative proceeding instituted against the TPA.

(c) The insurer shall own the records generated by the TPA pertaining to the insurer, but the TPA shall retain the right to continuing access to books and records to permit the TPA to fulfill all of its contractual obligations to insured parties, claimants, and the insurer.

(d) In the event the insurer and the TPA cancel their agreement, notwithstanding the provisions of subsection (a) of this section, the TPA may, by written agreement with the insurer, transfer all records to a new TPA rather than retain them for five years. In this case, the new TPA shall acknowledge, in writing, that it is responsible for retaining the records of the prior TPA as required in subsection (a) of this section.

A TPA may use only the advertising pertaining to the business underwritten by an insurer that has been approved in writing by the insurer in advance of its use.

(a) If an insurer uses the services of a TPA, the insurer is responsible for determining the benefits, premium rates, underwriting criteria, and claims payment procedures applicable to the coverage and for securing reinsurance, if any. The rules pertaining to these matters must be provided, in writing, by the insurer to the TPA. The responsibilities of the TPA as to any of these matters shall be set forth in the agreement between the TPA and the insurer.

(b) It is the sole responsibility of the insurer to provide for competent administration of its programs.

(c) In cases where a TPA administers benefits for more than 100 certificate holders on behalf of an insurer, the insurer shall, at least semiannually, conduct a review of the operations of the TPA. At least one semiannual review shall be an on-site audit of the operations of the TPA.

(a) All insurance charges or premiums collected by a TPA on behalf of or for an insurer, and the return of premiums received from
that insurer, shall be held by the TPA in a fiduciary capacity. These funds shall be immediately remitted to the person entitled to them or shall be deposited promptly in a fiduciary account established and maintained by the TPA in a federally or State insured financial institution. The agreement between the TPA and the insurer shall require the TPA to periodically render an accounting to the insurer detailing all transactions performed by the TPA pertaining to the business underwritten by the insurer.

(b) If charges or premiums deposited in a fiduciary account have been collected on behalf of or for one or more insurers, the TPA shall keep records clearly recording the deposits in and withdrawals from the account on behalf of each insurer. The TPA shall keep copies of all the records and, upon request of an insurer, shall furnish the insurer with copies of the records pertaining to the deposits and withdrawals.

(c) The TPA shall not pay any claim by withdrawals from a fiduciary account in which premiums or charges are deposited. Withdrawals from this account shall be made only as provided in the agreement between the TPA and the insurer. The agreement shall address, but not be limited to, the following:

1. Remittance to an insurer entitled to remittance.
2. Deposit in an account maintained in the name of the insurer.
3. Transfer to and deposit in a claims-paying account, with claims to be paid as provided in subsection (d) of this section.
4. Payment to a group policyholder for remittance to the insurer entitled to the remittance.
5. Payment to the TPA of its commissions, fees, or charges.
6. Remittance of a return premium to the person entitled to the return premium.

(d) All claims paid by the TPA from funds collected on behalf of or for an insurer shall be paid only on drafts or checks of and as authorized by the insurer.

"§ 58-56-36. Compensation to the TPA.

A TPA shall not enter into any agreement or understanding with an insurer that makes the amount of the TPA's commissions, fees, or charges contingent upon savings effected in the adjustment, settlement, and payment of losses covered by the insurer's obligations. This section does not prohibit a TPA from receiving performance-based compensation for providing hospital or other auditing services and does not prevent the compensation of a TPA from being based on premiums or charges collected or the number of claims paid or processed.
"§ 58-56-41. Notice to covered individuals; disclosure of charges and fees. 
(a) When the services of a TPA are used, the TPA shall provide a written notice approved by the insurer to covered individuals advising them of the identity of, and relationship among, the TPA, the policyholder, and the insurer.
(b) When a TPA collects funds, the reason for collection of each item must be identified to the insured party and each item must be shown separately from any premium. Additional charges may not be made for services to the extent the services have been paid for by the insurer.
(c) The TPA shall disclose to the insurer all charges, fees and commissions received from all services in connection with the provision of administrative services for the insurer, including any fees or commissions paid by insurers providing reinsurance.
"§ 58-56-46. Delivery of materials to covered individuals.
Any policies, certificates, booklets, termination notices, and other written communications delivered by the insurer to the TPA for delivery to insured parties or covered individuals shall be delivered by the TPA promptly after receipt of instructions from the insurer to deliver them.
"§ 58-56-57. License required.
(a) No person shall act as, offer to act as, or hold himself or herself out as a TPA in this State without a valid TPA license issued by the Commissioner. Licenses shall be renewed annually.
(b) Each application for the issuance or renewal of a license shall be made upon a form prescribed by the Commissioner and shall be accompanied by a nonrefundable filing fee of one hundred dollars ($100.00) and evidence of maintenance of a fidelity bond, errors and omissions liability insurance, or other security, of a type and in an amount to be determined by rules of the Commissioner. Applications for issuance of licenses shall include or be accompanied by the following information and documents:
(1) All organizational documents of the TPA, including any articles of incorporation, articles of association, partnership agreement, trade name certificate, or trust agreement, any other applicable documents, and all amendments to these documents.
(2) The bylaws, rules, regulations, or similar documents regulating the internal affairs of the TPA.
(3) The names, addresses, official positions, and professional qualifications of the individuals who are responsible for the conduct of affairs of the TPA, including all (i) members of the board of directors, board of trustees, executive
committee, or other governing board or committee, (ii) the principal officers in the case of a corporation or the partners or members in the case of a partnership or association, (iii) all shareholders holding directly or indirectly ten percent (10%) or more of the voting securities of the TPA, and (iv) any other person who exercises control or influence over the affairs of the TPA.

(4) Annual financial statements or reports for the two most recent years that prove that the applicant is solvent and any other information the Commissioner may require in order to review the current financial condition of the applicant.

(5) A general description of the business operations, including information on staffing levels and activities proposed in this State and nationwide. The description must provide details setting forth the TPA's capability for providing a sufficient number of experienced and qualified personnel in the areas of claims processing, record keeping, and underwriting.

(6) If the applicant will be managing the solicitation of new or renewal business, evidence that it employs or has contracted with an agent licensed by this State for soliciting and taking applications. Any applicant that intends to directly solicit insurance contracts or to otherwise act as an insurance agent must provide proof of having a license as an insurance agent in this State.

(7) Any other pertinent information required by rules of the Commissioner.

The information required by subdivisions (1) through (7) of this subsection, including any trade secrets, shall be kept confidential; provided that the Commissioner may use that information in any judicial or administrative proceeding instituted against the TPA. Applications for renewals of licenses shall include or be accompanied by any changes in the information required by subdivisions (1) through (7) of this subsection.

(c) Each applicant shall make available for inspection by the Commissioner copies of all contracts with insurers or other persons using the services of the TPA.

(d) The Commissioner may refuse to issue a license if the Commissioner determines that the TPA, or any individual responsible for the conduct of affairs of the TPA as defined in subdivision (b)(3) of this section, is not competent, trustworthy, financially responsible in accordance with subsection (b) of this section, or of good personal and business reputation, or has had an insurance or a TPA license denied, suspended, or revoked for cause by any state.
(e) A TPA is not required to be licensed as a TPA in this State if all of the following conditions are met:
   (1) The TPA’s principal place of business is in another state.
   (2) The TPA is not soliciting business as a TPA in this State.
   (3) In the case of any group policy or plan of insurance serviced by the TPA, no more than either five percent (5%) or 100 certificate holders, whichever is fewer, reside in this State.

(f) A person is not required to be licensed as a TPA in this State if the person provides services exclusively to one or more bona fide employee benefit plans each of which is established by an employer, an employee organization, or both, and for which the insurance laws of this State are preempted pursuant to the Employee Retirement Income Security Act of 1974. Persons who are not required to be licensed shall register with the Commissioner annually, verifying their status as described in this subsection.

(g) A TPA shall notify the Commissioner of any material change in its ownership, control, or other fact or circumstance affecting its qualification for a license in this State, within 10 business days after the change.

(h) No bonding shall be required by the Commissioner of any TPA whose business is restricted solely to benefit plans that are either fully insured by an authorized insurer or that are bona fide employee benefit plans established by an employer, any employee organization, or both, for which the insurance laws of this State are preempted pursuant to the Employee Retirement Income Security Act of 1974.

"§ 58-56-56. Waiver of application for license.

Upon request from a TPA, the Commissioner may waive the application requirements of G.S. 58-56-51(b) if the TPA has a valid license as a TPA issued in a state that has standards for TPAs that are at least as stringent as those contained in this Article.

"§ 58-56-61. Reserved.

"§ 58-56-66. Grounds for suspension or revocation of license.

(a) The Commissioner shall, after notice and opportunity for hearing, suspend or revoke the license of a TPA if the Commissioner finds that either of the following apply to the TPA:

(1) The TPA is using methods or practices in the conduct of its business that render its further transaction of business in this State hazardous or injurious to insured persons or the public.

(2) The TPA has failed to pay any judgment rendered against it in this State within 60 days after the judgment has become final.
(b) The Commissioner may, after notice and opportunity for hearing, suspend or revoke the license of a TPA if the Commissioner finds that any of the following apply to the TPA:

1. The TPA has violated a rule or an order of the Commissioner or any provision of this Chapter.

3. The TPA has, without just cause, refused to pay proper claims or perform services arising under its contracts or has, without just cause, caused covered individuals to accept less than the amount due them or caused covered individuals to employ attorneys or bring suit against the TPA to secure full payment or settlement of the claims.
4. The TPA is an affiliate of or under the same general management, interlocking directorate, or ownership as another TPA or insurer that unlawfully transacts business in this State without having a license.
5. The TPA at any time fails to meet any qualification for which issuance of the license could have been refused had the failure then existed and been known to the Commissioner at the time of the application.
6. The TPA has been convicted of, or has entered a plea of guilty or nolo contendere to, a felony without regard to whether judgment was withheld.
7. The TPA is under suspension or revocation in another state.

(3) To modify or revoke any permit upon not less than 60 days' written notice to any person affected;
(4) To require all applications for permits and renewals to be in writing and to prescribe the form of such applications;
(5) To request such information from an applicant and to conduct such inquiry or investigation as it may deem necessary and to require the submission of plans and specifications prior to acting on any application for a permit;
(5a) To require that an applicant satisfy the Department that the applicant, or any parent, subsidiary, or other affiliate of the applicant or parent:

a. Is financially qualified to carry out the activity for which a permit is required under subsection (a); and
b. Has substantially complied with the air quality and emission control standards applicable to any activity in which the applicant has previously engaged, and has been in substantial compliance with federal and state laws, regulations, and rules for the protection of the environment.

As used in this subdivision, the words ‘affiliate,’ ‘parent,’ and ‘subsidiary’ have the same meaning as in 17 Code of Federal Regulations § 240.12b-2 (1 April 1990 Edition):

(6) To adopt rules, as it deems necessary, establishing the form of applications and permits and procedures for the granting or denial of permits and renewals pursuant to this section; and all permits, renewals and denials shall be in writing;

(7) To prohibit any stationary source within the State from emitting any air pollutant in amounts which will prevent attainment or maintenance by any other state of any national ambient air quality standard, or interference with measures required to be included in the applicable implementation plan for any other state to prevent deterioration of air quality or protect visibility.

(d) The Commission shall act on a permit application as quickly as possible. The Commission may conduct any inquiry or investigation it considers necessary before acting on an application and may require an applicant to submit plans, specifications, and other information the Commission considers necessary to evaluate the application. A permit application may not be deemed complete unless it is accompanied by a copy of the request for determination as provided in subsection (f) of this section that bears a date of receipt entered by the clerk of the local government and until the 15-day period for issuance of a determination has elapsed. If the Commission fails to act on an application for a permit deemed complete within 90 days after the applicant submits all information required by the Commission, the application is considered to be approved.

(e) A permit applicant or permittee who is dissatisfied with a decision of the commission may commence a contested case by filing a petition under G.S. 150B-23 within 30 days after the Commission notifies the applicant or permittee of its decision. If the permit applicant or permittee does not file a petition within the required time, the Commission’s decision on the application is final and is not subject to review.

(f) An applicant for a permit under this section for a new facility or for the expansion of a facility permitted under this section shall request each local government having jurisdiction over any part of the
land on which the facility and its appurtenances are to be located to issue a determination as to whether the local government has in effect a zoning or subdivision ordinance applicable to the facility and whether the proposed facility would be consistent with the ordinance. The request to the local government shall be accompanied by a copy of the draft permit application and shall be delivered to the clerk of the local government personally or by certified mail. The determination shall be verified or supported by affidavit signed by the official designated by the local government to make the determination and, if the local government states that the facility is inconsistent with a zoning or subdivision ordinance, shall include a copy of the ordinance and the specific reasons for the determination of inconsistency. A copy of any such determination shall be provided to the applicant when it is submitted to the Commission. The Commission shall not act upon an application for a permit under this section until it has received a determination from each local government requested to make a determination by the applicant. Unless the local government makes a subsequent determination of consistency with all ordinances cited in the determination or the proposed facility is determined by a court of competent jurisdiction to be consistent with the cited ordinances, the Commission shall attach as a condition of the permit a requirement that the applicant, prior to construction or operation of the facility under the permit, comply with all lawfully adopted local ordinances, including those cited in the determination, that apply to the facility at the time of construction or operation of the facility. If a local government fails to submit a determination to the Commission as provided by this subsection within 15 days after receipt of the request, the Commission may proceed to consider the permit application without regard to local zoning and subdivision ordinances. This subsection shall not be construed to limit any opportunity a local government may have to comment on a permit application under any other law or rule. This subsection shall not apply to any facility with respect to which local ordinances are subject to review under either G.S. 104E-6.2 or G.S. 130A-293.

(g) Any person who is required to hold a permit under this section shall submit to the Department a written description of his current and projected plans to reduce the emission of air contaminants under such permit by source reduction or recycling. The written description shall accompany the payment of the annual permit fee. The written description shall also accompany any application for a new permit, or for modification of an existing permit, under this section. The written description required by this subsection shall not be considered part of a permit application and shall not serve as the basis for the denial of a permit or permit modification.”
AN ACT TO REFORM THE SMALL EMPLOYER GROUP ACCIDENT AND HEALTH INSURANCE MARKETPLACE IN THE STATE OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. Article 50 of Chapter 58 of the General Statutes is amended by adding the following sections to read:

"§ 58-50-105. Purpose and intent.
The purpose and intent of this Act is to promote the availability of accident and health insurance coverage to small employers, to prevent abusive rating practices, to require disclosure of rating practices to purchasers, to establish rules for continuity of coverage for employers and covered individuals, and to improve the efficiency and fairness of the small group accident and health insurance marketplace.

As used in this Act:

(1) 'Actuarial certification' means a written statement by a member of the American Academy of Actuaries or other individual acceptable to the Commissioner that a small employer carrier is in compliance with the provisions of G.S. 58-50-130, based upon the person's examination, including a review of the appropriate records and of the actuarial assumptions and methods used by the small employer carrier in establishing premium rates for applicable health benefit plans.

For the purposes of this Act, companies that are affiliated companies or that are eligible to file a consolidated tax return shall be treated as one carrier except that any insurance company, hospital service plan, or medical service plan that is an affiliate of an HMO located in North Carolina or any HMO located in North Carolina that is an affiliate of an insurance company, a health service corporation, or a medical service corporation may treat the HMO as a separate carrier and each HMO that operates only one HMO in a service area of North Carolina may be considered a separate carrier.

(a) A distinct grouping may only be established by a small employer carrier on the basis that the applicable health benefit plans:

1) Are marketed and sold through individuals and organizations that are not participating in the marketing or sale of other distinct groupings of small employers for the small employer carrier;

2) Have been acquired from another small employer carrier as a distinct grouping of plans; or

3) Are provided through an association with membership of not less than 10 small employers that has been formed for purposes other than obtaining insurance.

(b) A small employer carrier may establish no more than two additional groupings under subdivision (a)(1), (2), or (3) of this section on the basis of underwriting criteria that are expected to produce substantial variation in the health care costs.

(c) The Commissioner may approve the establishment of additional distinct groupings upon application to the Commissioner and the Commissioner's determination that the action would enhance the efficiency and fairness of the small employer marketplace.

(a) A health benefit plan is subject to this Act if it provides health benefits for small employers and if either of the following conditions are met:

1) Any part of the premiums or benefits is paid by a small employer or any covered individual is reimbursed, whether through wage adjustments or otherwise, by a small
employer for any portion of the premium; or for which the small employer has permitted payroll deduction for the covered individual, whether or not the coverage is issued through a group or individual policy of insurance, and whether or not the small employer pays any part of the premium.

(2) The health benefit plan is treated by the employer or any of the covered individuals as part of a plan or program for the purpose of section 162 or section 106 of the Internal Revenue Code.

(b) The provisions of G.S. 58-51-95(f) do not apply to individual accident and health insurance policies or contracts to the extent subject to the provisions of this Act.

§ 58-50-120. Small Employer Carrier Committee.

(a) The Commissioner shall appoint the Small Employer Carrier Committee with fair representation of (i) risk-assuming carriers and reinsuring carriers; (ii) the insurance agent and small employer communities; and (iii) consumers who are served by plans covered by this Act. Two-thirds of the Committee shall be appointed from among representatives of small employer carriers.

(b) Subject to the Commissioner’s approval, the Committee shall recommend the form and level of coverages to be made available by small employer carriers in accordance with the provisions of G.S. 58-50-125(a). The Committee shall recommend benefit levels, cost-sharing factors, exclusions, and limitations for the basic and standard health care plans. One basic health care plan and one standard health care plan shall contain benefit and cost-sharing levels that are consistent with the basic method of operation and the benefit plans of HMOs, including any restrictions imposed by federal law. The Committee shall submit the plans to the Commissioner for approval within 180 days after the Committee’s appointment according to this section. The plans may include cost containment features such as: utilization review of health care services, including review of medical necessity of hospital and physician services; case management benefit alternatives; selective contracting with hospitals, physicians, and other health care providers; reasonable benefit differentials applicable to participating and nonparticipating providers; and other managed care provisions.

(c) To assure the broadest availability of health benefit plans to small employers, the Committee shall recommend for the Commissioner’s approval, market conduct and other requirements for carriers, agents, brokers, and third-party administrators, including requirements developed as a result of a request by the Commissioner, relating to the following:

1433
CHAPTER 630  Session Laws — 1991

(1) Registration by each carrier with the Department of its intention to be a small employer carrier under this Act.

(2) Publication by the Department, the Committee, or the Pool of a list of all small employer carriers, including a potential requirement applicable to agents, brokers, third-party administrators, and carriers that no health benefit plan may be sold to a small employer by a carrier not so identified as a small employer carrier.

(3) The availability of a broadly publicized toll-free telephone number for access by small employers to information concerning this Act.

(4) To the extent deemed to be necessary by the Committee to assure the fair distribution of high-risk individuals and groups among carriers, periodic reports by carriers, agents, brokers, and third-party administrators about health benefit plans issued; provided that reporting requirements shall be limited to information concerning case characteristics and numbers of health benefit plans in various categories marketed or issued to small employers.

(5) Registration by agents, brokers, and third-party administrators of their intention to be such for health benefit plans marketed to small employers under this Act.

(6) Methods concerning periodic demonstration by small employer carriers, agents, brokers, and third-party administrators that they are marketing and issuing health benefit plans to small employers in fulfillment of the purposes of this Act.

(7) Establishing standards for those conditions under which a carrier would not be required to write business received from a particular agent or broker.

(d) Within three years after September 1, 1991, the Committee shall conduct a study of the effectiveness of the provisions of this Act, recommend further improvements to achieve greater stability, accessibility, and affordability in the small employer marketplace, and submit it to the Commissioner.

§ 58-50-125. Health care plans; formation; approval; offerings.

(a) To improve the availability and affordability of health benefits coverage for small employers, the Committee shall recommend to the Commissioner two plans of coverage, one of which shall be a basic health care plan and the second of which shall be a standard health care plan. Each plan of coverage shall be in two forms, one of which shall be in the form of insurance and the second of which shall be consistent with the basic method of operation and benefit plans of HMOs, including federally qualified HMOs. On or before January 1,
1992, the Committee shall file a progress report with the Commissioner. The Committee shall submit the recommended plans to the Commissioner for approval within 180 days after the appointment of the Committee under G.S. 58-50-120. The Committee shall take into consideration the levels of health benefit plans provided in North Carolina, and appropriate medical and economic factors, and shall establish benefit levels, cost sharing, exclusions, and limitations. Notwithstanding subsection (c) of this section, in developing and approving the plans, the Committee and the Commissioner shall give due consideration to cost-effective and life-saving health care services and to cost-effective health care providers. The Committee shall file with the Commissioner its findings and recommendations, and reasons for the findings and recommendations, if it does not provide for coverage by any type of health care provider specified in G.S. 58-50-30. The recommended plans may include cost containment features such as, but not limited to: preferred provider provisions; utilization review of medical necessity of hospital and physician services; case management benefit alternatives; or other managed care provisions.

(b) After the Commissioner’s approval of the plans submitted by the Committee under subsection (a) of this section and in lieu of any contrary procedure established by this Chapter, any small employer carrier may certify to the Commissioner, in the form and manner prescribed by the Commissioner, that the basic and standard health care plans filed by the carrier are in substantial compliance with the provisions of the corresponding approved Committee plans. Upon receipt by the Commissioner of the certification, the carrier may use the certified plans unless their use is disapproved by the Commissioner.

(c) The plans developed under this section are not required to provide coverage that meets the requirements of other provisions of this Chapter that mandate either coverage or the offer of coverage by the type or level of health care services or health care provider.

(d) Within 180 days after the Commissioner’s approval under subsection (b) of this section, every small employer carrier shall, as a condition of transacting business in this State, offer small employers at least one basic and one standard health care plan. Every small employer that elects to be covered under such a plan and agrees to make the required premium payments and to satisfy the other provisions of the plan shall be issued such a plan by the small employer carrier. The premium payment requirements used in connection with basic and standard health care plans may address the potential credit risk of small employers that elect coverage in accordance with this subsection by means of payment security.
provisions that are reasonably related to the risk and are uniformly
applied.

(e) No small employer carrier is required to offer coverage or accept applications under subsection (d) of this section:

(1) From a group already covered under a health benefit plan except for coverage that is to begin after the group’s anniversary date, but this subsection shall not be construed to prohibit a group from seeking coverage or a small employer carrier from issuing coverage to a group before its anniversary date; or

(2) If the Commissioner determines that acceptance of an application or applications would result in the carrier being declared an impaired insurer; or

(3) To groups of fewer that five eligible employees where the small employer carrier does not use preexisting-conditions provisions in all health benefit plans it issues to any small employers.

If a small employer carrier who does not use preexisting conditions chooses to market to groups of less than five, then it shall immediately notify the Commissioner and the Board, and it shall do so consistently and equally to all such small employer groups.

(f) Every small employer carrier shall fairly market the basic and standard health care plan to all small employers in the geographic areas in which the carrier makes coverage available or provides benefits.

(g) No HMO operating as either a risk-assuming carrier or a reinsuring carrier is required to offer coverage or accept applications under subsection (d) of this section in the case of any of the following:

(1) To a group, where the group is not physically located in the HMO’s approved service areas;

(2) To an employee, where the employee does not reside within the HMO’s approved service areas;

(3) Within an area, where the HMO reasonably anticipates, and demonstrates to the Commissioner’s satisfaction, that it will not have the capacity within that area and its network of providers to deliver services adequately to the enrollees of those groups because of its obligations to existing group contract holders and enrollees.

An HMO that does not offer coverage pursuant to subdivision (3) of this subsection may not offer coverage in the applicable area to new employer groups with more than 25 eligible employees until the later of 90 days after that closure or the date on which the carrier notifies the Commissioner that it has regained capacity to deliver services to small employers.
The provisions of subsections (b), (d), and (g) and subdivision (e)(2) of this section apply to every health benefit plan delivered, issued for delivery, renewed, or continued in this State or covering persons residing in this State on or after the date the plan becomes operational, as determined by the Commissioner. For purposes of this subsection, the date a health benefit plan is continued is the anniversary date of the issuance of the health benefit plan.

(a) Health benefit plans covering small employers are subject to the following provisions:

(1) Except in the case of a late enrollee, any preexisting-conditions provision may not limit or exclude coverage for a period beyond 12 months following the insured’s effective date of coverage and may only relate to conditions manifesting themselves in a manner that would cause an ordinarily prudent person to seek medical advice, diagnosis, care, or treatment; or for which medical advice, diagnosis, care, or treatment was recommended or received during the 12 months immediately before the effective date of coverage or as to a pregnancy existing on the effective date of coverage.

(2) In determining whether a preexisting-conditions provision applies to an eligible employee or to a dependent, all health benefit plans shall credit the time the person was covered under a previous group health benefit plan if the previous coverage was continuous to a date not more than 30 days before the effective date of the new coverage, exclusive of any applicable waiting period under the plan.

(3) The health benefit plan is renewable with respect to all eligible employees or dependents at the option of the policyholder or contract holder except:

a. For nonpayment of the required premiums by the policyholder or contract holder;

b. For fraud or misrepresentation of the policyholder or contract holder or, with respect to coverage of individual enrollees, the enrollees, or their representatives;

c. For noncompliance with plan provisions that have been approved by the Commissioner;

d. When the number of enrollees covered under the plan is less than the number of insureds or percentage of enrollees required by participation requirements under the plan; or
e. When the policyholder or contract holder is no longer actively engaged in the business in which it was engaged on the effective date of the plan.

f. When the small employer carrier stops writing new business in the small employer market, if:
   1. It provides notice to the Department and either to the policyholder, contract holder, or employer, of its decision to stop writing new business in the small employer market; and
   2. It does not cancel health benefit plans subject to this Act for 180 days after the date of the notice required under paragraph 1; and for that business of the carrier that remains in force, the carrier shall continue to be governed by this Act with respect to business conducted under this Act.

A small employer carrier that stops writing new business in the small employer market in this State after January 1, 1992, shall be prohibited from writing new business in the small employer market in this State for a period of five years from the date of notice to the Commissioner. In the case of an HMO doing business in the small employer market in one service area of this State, the rules set forth in this subdivision shall apply to the HMO's operations in the service area, unless the provisions of G.S. 58-50-125(g) apply.

(4) Late enrollees may be excluded from coverage for the greater of 18 months or an 18-month preexisting-condition exclusion; however, if both a period of exclusion from coverage and a preexisting-condition exclusion are applicable to a late enrollee, the combined period shall not exceed 18 months.

(5) A carrier may continue to enforce reasonable employer participation and contribution requirements on small employers applying for coverage; however, participation and contribution requirements may vary among small employers only by the size of the small employer group.

(b) Premium rates for health benefit plans subject to this Act are subject to the following provisions:

(1) The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business by more than twenty-five percent (25%), adjusted pro rata for any rating period of less than one year.

(2) For a class of business, the premium rates charged during a rating period to small employers with similar case
characteristics for the same or similar coverage, or the rates that could be charged to those employers under the rating system for that class of business shall not vary from the index rate by more than thirty-five percent (35%) of the index rate, adjusted pro rata for any rating period of less than one year.

(3) The percentage increase in the premium rate charged to a small employer for a new rating period, adjusted pro rata for any rating period of less than one year, may not exceed the sum of the following:

a. The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. If a small employer carrier is not issuing any new policies, but is only renewing policies, the carrier shall use the percentage change in the base premium rate.

b. Any adjustment, not to exceed fifteen percent (15%) annually and adjusted pro rata for any rating period of less than one year, due to the claim experience, health status, or duration of coverage of the employees or dependents of the small employer as determined from the small employer carrier’s rate manual for the class of business.

c. Any adjustment because of a change in coverage or change in the case characteristics of the small employer as determined from the small employer carrier’s rate manual for the class of business.

(4) Any adjustment in rates charged by a small employer carrier electing to be a reinsuring carrier that is caused by reinsurance is subject to the rating limitations set forth in this section.

(5) Premium rates for health benefit plans shall comply with the requirements of this section notwithstanding any reinsurance premiums and assessments paid or payable by small employer carriers in accordance with G.S. 58-50-150.

(6) In any case where a small employer carrier uses industry as a case characteristic in establishing premium rates, the rate factor associated with any industry classification may not vary from the arithmetic average of the rate factors associated with all industry classifications by greater than fifteen percent (15%) of coverage.

(7) In the case of health benefit plans issued before January 1, 1992, a premium rate for a rating period, adjusted pro rata
for any rating period of less than one year, may exceed the
ranges set forth in subdivisions (b)(1) and (2) of this
section for a period of three years after January 1, 1992.
In that case, the percentage increase in the premium rate
charged to a small employer in such a class of business for
a new rating period may not exceed the sum of the
following:

a. The percentage change in the new business premium
rate measured from the first day of the prior rating
period to the first day of the new rating period. If a
small employer carrier is not issuing any new policies,
but is only renewing policies, the small employer
carrier shall use the percentage change in the base
premium rate.

b. Any adjustment because of a change in coverage or
change in the case characteristics of the small employer
as determined from the carrier’s rate manual for the
class of business.

(8) Small employer carriers shall apply rating factors including
case characteristics, consistently with respect to all small
employers in a class of business. Adjustments in rates for
claims experience, health status, and duration from issue
may not be applied individually. Any such adjustment
must be applied uniformly to the rate charged for all
participants of the small employer.

(c) A small employer carrier shall not involuntarily transfer a small
employer into or out of a class of business. A small employer carrier
shall not offer to transfer a small employer into or out of a class of
business unless the carrier offers to transfer all small employers in the
class of business without regard to case characteristics, claims
experience, health status, or duration of coverage since issue.

(d) In connection with the offering for sale of any health benefit
plan to a small employer, each small employer carrier shall make a
reasonable disclosure, as part of its solicitation and sales materials, of:

(1) The extent to which premium rates for a specified small
employer are established or adjusted in part based upon the
actual or expected variation in claims costs or actual or
expected variation in health condition of the eligible
employees and dependents of the small employer.

(2) Provisions concerning the small employer carrier’s right to
change premium rates and the factors other than claims
experience that affect changes in premium rates.

(3) Provisions relating to renewability of policies and contracts.

(4) Provisions affecting any preexisting conditions provision.
(e) Each small employer carrier shall maintain at its principal place of business a complete and detailed description of its rating practices and renewal underwriting practices, including information and documentation that demonstrate that its rating methods and practices are based upon commonly accepted actuarial assumptions and are in accordance with sound actuarial principles.

(f) Each small employer carrier shall file with the Commissioner annually on or before March 15 an actuarial certification certifying that it is in compliance with this Act and that its rating methods are actuarially sound. The small employer carrier shall retain a copy of the certification at its principal place of business.

(g) A small employer carrier shall make the information and documentation described in subsection (e) of this section available to the Commissioner upon request. Except in cases of violations of this Act, the information is proprietary and trade secret information and is not subject to disclosure by the Commissioner to persons outside of the Department except as agreed to by the small employer carrier or as ordered by a court of competent jurisdiction.

(h) The provisions of subdivisions (a)(1), (3), and (5) and subsections (b) through (g) of this section apply to health benefit plans delivered, issued for delivery, renewed, or continued in this State or covering persons residing in this State on or after January 1, 1992. The provisions of subdivisions (a)(2) and (4) of this section apply to health benefit plans delivered, issued for delivery, renewed, or continued in this State or covering persons residing in this State on or after the date the plan becomes operational, as designated by the Commissioner. For purposes of this subsection, the date a health benefit plan is continued is the anniversary date of the issuance of the health benefit plan.

(a) Every small employer carrier shall elect either to become a risk-assuming carrier and comply with the provisions of G.S. 58-50-140 or become a reinsuring carrier and comply with the provisions of G.S. 58-50-145. The election shall be binding for a five-year period except that the initial election shall be made within 60 days after January 1, 1992, and shall be made for two years. The Commissioner may, for good cause, permit a carrier to modify its election during the five-year period. All carriers under common ownership or control must make the same election in this State; provided, however, that the Commissioner may, for good cause, permit an affiliated carrier to make a separate election.

(b) A small employer carrier that elects to stop participating as a reinsuring carrier and to become a risk-assuming carrier shall not reinsure or continue to reinsure any small employer health benefit...
plans under G.S. 58-50-145 and G.S. 58-50-150 as soon as the carrier becomes a risk-assuming carrier; however, a reinsuring carrier electing to become a risk-assuming carrier shall pay a prorated assessment based upon business issued as a reinsuring carrier for any part of the year that the business was reinsured. A small employer carrier that elects to stop participating as a risk-assuming carrier and to become a reinsuring carrier may reinsure small employer health benefit plans under the provisions of G.S. 58-50-145 and G.S. 58-50-150.

(c) Any small employer carrier that stops writing, administering, or otherwise providing health benefit plans to employers in this State shall continue to be governed by this Act with respect to business conducted under this Act that was transacted before the effective date of termination and that remains in force.

"§ 58-50-140. Risk-assuming carriers.

(a) Any small employer carrier may elect to become a risk-assuming carrier upon application to and approval by the Commissioner. A small employer carrier shall not be approved as a risk-assuming carrier if the Commissioner finds that the carrier is not capable of assuming that status under the criteria set forth in subsection (b) of this section. The carrier shall provide public notice of its application to become a risk-assuming carrier. A small employer carrier’s application to be a risk-assuming carrier shall be approved unless disapproved by the Commissioner within 60 days after the carrier’s application. A small employer carrier that has had its application to be a risk-assuming carrier disapproved may request and shall be granted a public hearing within 60 days after the disapproval.

(b) In determining whether or not to approve an application by a small employer carrier to become a risk-assuming carrier, the Commissioner shall consider the carrier’s financial condition and the financial condition of its parent or guaranteeing corporation, if any; its history of assuming and managing risk; its ability to assume and manage the risk of enrolling small employers without the protection of the reinsurance provided in G.S. 58-50-150; and its commitment to market fairly to all small employers in its service area.

(a) Any small employer carrier may elect to operate under the provisions of this section and G.S. 58-50-150 as a reinsuring carrier.

(b) Each reinsuring carrier shall conduct business with its members and subscribers, and administer claims for coverage reinsured by the Pool, in the same manner as it would administer health claims that it writes without reinsurance.

(a) There is created a nonprofit entity to be known as the North Carolina Small Employer Health Reinsurance Pool. All carriers issuing or providing health benefit plans in this State on and after January 1, 1992, except any small employer carrier electing to be a risk-assuming carrier, are members of the Pool.

(b) Within 30 days after January 1, 1992, the Commissioner shall give notice to all carriers of the time and place for the initial organizational meeting, which shall take place within 90 days after the notice from the Commissioner. The members shall select the initial Board, subject to the Commissioner's approval. The Board shall consist of nine members. There shall be no more than two members of the Board representing any one carrier. In determining voting rights at the organizational meeting, each member shall be entitled to vote in person or by proxy. The voting rights to determine initial Board membership shall be weighted based upon net group health benefit plan premium derived from this State in the previous calendar year. Thereafter, voting rights shall be based on net group health benefit plan premium derived from small employer business. The Board shall at all times, to the extent possible, include at least one domestic insurance company licensed to transact accident and health insurance, one HMO, one nonprofit hospital or medical service plan. Six of the members of the Board shall be small employer carriers. In approving selection of the Board, the Commissioner shall assure that all members are fairly represented.

(c) If the initial Board is not elected at the organizational meeting, the Commissioner shall appoint the initial Board within 30 days of the organizational meeting.

(d) As used in this section, 'plan of operation' includes articles, bylaws, and operating rules of the Pool. Within 180 days after the appointment of the initial Board, the Board shall submit to the Commissioner a plan of operation and any amendments necessary or suitable to assume the fair, reasonable, and equitable administration of the Pool. The Commissioner shall approve the plan of operation if it assures the fair, reasonable, and equitable administration of the Pool and provides for the proportionate basis in accordance with the provisions of subsections (h) through (o) of this section. The plan of operation shall become effective upon approval in writing by the Commissioner consistent with the date on which the coverage under this section shall be made available. If the Board fails to submit a suitable plan of operation within 180 days after its appointment, or at any time thereafter fails to submit suitable amendments to the plan of operation, the Commissioner shall adopt and promulgate a plan of operation or amendment, as appropriate. The Commissioner shall amend any plan of operation he adopts, as necessary, after a plan of
operation is submitted by the Board and approved by the Commissioner.

(e) The plan of operation shall establish procedures for, among other things:

1. Handling and accounting of assets and moneys of the Pool, and for an annual financial reporting to the Commissioner.
2. Filling vacancies on the Board, subject to the Commissioner’s approval.
3. Selecting an administering carrier and setting forth the powers and duties of the administering carrier.
4. Reinsuring risks in accordance with the provisions of this Act.
5. Collecting assessments from members subject to assessment to provide for claims reinsured by the Pool and for administrative expenses incurred or estimated to be incurred during the period for which the assessment is made.
6. Any additional matters in the Board’s discretion.

(f) The Pool has the general powers and authority granted under the laws of this State to insurance companies licensed to transact accident and health insurance except the power to issue coverage directly to enrollees, and, in addition, the specific authority to do all of the following:

1. Enter into contracts that are necessary or proper to carry out the provisions and purposes of this Act, including the authority, with the Commissioner’s approval, to enter into contracts with similar pools of other states for the joint performance of common administrative functions, or with persons or other organizations for the performance of administrative functions.
2. Sue or be sued, including taking any legal actions necessary or proper for recovery of any assessments for, on behalf of, or against members.
3. Take any legal action necessary to avoid the payment of improper, incorrect, or fraudulent claims against the Pool or the coverage reinsured by the Pool.
4. Issue various reinsurance policies in accordance with the requirements of this section.
5. Establish rules, conditions, and procedures pertaining to the reinsurance of members’ risks by the Pool.
6. Establish appropriate rates, rate schedules, rate adjustments, rate classifications, and any other actuarial functions appropriate to the Pool’s operation.
Assess members in accordance with the provisions of subsections (h) through (o) of this section: and make advance interim assessments that are reasonable and necessary for organizational and interim operating expenses. Any interim assessments shall be credited as offsets against any regular assessments due following the close of the Pool’s fiscal year.

Appoint from among members appropriate legal, actuarial, and other committees that are necessary to provide technical assistance in the operation of the Pool, policy, and other contract design, and any other function within the Pool’s authority.

Borrow money to effect the purposes of the Pool. Any notes or other evidence of indebtedness of the Pool not in default are legal investments for members and may be carried as admitted assets.

Any member that elects to be a reinsuring carrier may cede, and the Pool shall reinsure the reinsuring carrier, subject to all of the following:

The Pool shall reinsure any basic and standard health care plan originally issued or delivered for original issue by a reinsuring carrier on or after January 1, 1992, under the requirements in G.S. 58-50-125(d). With respect to a basic or standard health care plan, the Pool shall reinsure the level of coverage provided and, with respect to other plans, the Pool shall reinsure the level of coverage provided in the basic or standard health care plan up to, but not exceeding, the level of coverage provided under either the basic or standard health care plans. Small group business of reinsuring carriers in force before January 1, 1992, may not be ceded to the Pool until January 1, 1995, and then only if and when the Board determines that sufficient funding sources are available.

The Pool shall reinsure eligible employees or their dependents or entire small employer groups according to the following:

a. With respect to eligible employees and their dependents who either (i) are employed by a small employer as of the date such employer’s coverage by the member begins and who enroll in a manner such that they are not considered to be late enrollees to the plan, or (ii) hired after the beginning of the employer’s coverage by the member and who are not late enrollees to the plan; The coverage may be reinsured within 60 days after the
beginning of the eligible employees' or dependents' coverage under the plan.

b. With respect to eligible employees and their dependents, when the entire employer group is eligible for reinsurance: A small employer carrier may reinsure the entire employer group within 60 days after the beginning of the group's coverage under the plan.

c. With respect to any person reinsured, no reinsurance may be provided for a reinsured employee or dependent until five thousand dollars ($5,000) in benefit payments have been made for services provided during a calendar year for that reinsured employee or dependent, which payments would have been reimbursed through the reinsurance in the absence of the five thousand dollar ($5,000) deductible. The Boards shall review periodically the amount of the deductible and adjust it for inflation. In addition, the member shall retain ten percent (10%) of the next fifty thousand dollars ($50,000) of benefit payments during a calendar year and the Pool shall reinsure the remainder; provided that the members' liability under this section shall not exceed ten thousand dollars ($10,000) in any one calendar year with respect to any one person reinsured. The amount of the member's maximum liability shall be periodically reviewed by the Board and adjusted for inflation, as determined by the Board.

d. Reinsurance may be terminated for each reinsured employee or dependent on any plan anniversary.

e. Premium rates charged for reinsurance by the program to an HMO that is approved by the Secretary of Health and Human Services as a federally qualified health maintenance organization under 42 U.S.C. § 300 et seq., shall be reduced to reflect the restrictions and requirements of 42 U.S.C. § 300 et seq.

f. Every carrier subject to G.S. 58-50-130 shall apply its case management and claims handling techniques, including but not limited to utilization review, individual case management, preferred provider provisions, other managed care provisions or methods of operation, consistently with both reinsured and nonreinsured business.

g. Except as otherwise provided in this section, premium rates charged by the Pool for coverage reinsured by the Pool for that classification or group with similar case
characteristics and coverage shall be established as follows:

1. One and one-half times the rate established by the Pool with respect to the eligible employees and their dependents of a small employer, all of whose coverage is reinsured with the Pool and who are reinsured in accordance with this section.

2. Five times the rate established by the Pool with respect to an eligible employee or dependent who is reinsured in accordance with this section.

(3) The Pool shall reinsure no more than the level of benefits provided in either the basic or standard health care plan established in accordance with G.S. 58-50-125.

(4) The Pool may issue different types and levels of reinsurance coverage, including stop-loss coverage; and the reinsurance premium shall be adjusted to reflect the type and level of reinsurance coverage issued.

(5) The reinsurance premium shall also be adjusted to reflect cost containment features of the plan of operation that have proven to be effective including, but not limited to: preferred provider provisions, utilization review of medical necessity of hospital and physician services, case management benefit alternatives, and other managed care provisions or methods of operation.

(h) Following the close of each fiscal year, the administering carrier shall determine the net premiums, the Pool expenses of administration, and the incurred losses for the year, taking into account investment income and other appropriate gains and losses. Health benefit plan premiums and benefits paid by a member that are less than an amount determined by the Board to justify the cost of collection shall not be considered for purposes of determining assessments. As used in this section, ‘net premiums’ means health benefit plan premiums for insured plans but does not mean premiums or revenue received by a carrier for Medicare and Medicaid contracts.

(i) Any net losses for the year shall be recouped by assessments of members as follows:

(1) The Board shall determine an equitable assessment formula to recoup assessments of members that takes into consideration both overall market share of small employer carriers that are members of the Pool and the share of new business of the small employer carriers assumed during the preceding calendar year. For the first three years of operation of the Pool, if an assessment is based on an adjustment made, the assessment shall not be less than fifty
percent (50%) nor more than one hundred fifty percent (150%) of the amount it would have been if the assessment were based on the proportional relationship of the small employer carrier's total premiums for small employer coverage written in the year to the total premiums of small employer coverage written by all small employer carriers in this State in the year. The Board shall also determine whether the assessment base used to determine assessments shall be made on a transitional basis or shall be permanent. In no event shall assessments exceed four percent (4%) of the total health benefit plan premium earned in this State from health benefit plans covering small employers of members during the calendar year coinciding or ending during the fiscal year of the Pool. The Board may change the assessment formula, including an assessment adjustment formula, if applicable, from time to time as appropriate.

(2) Health benefit plan premiums and benefits paid by a member that are less than an amount determined by the Board to justify the cost of collection shall not be considered for purposes of determining assessments. For the purposes of this section, health benefit plan premiums earned by MEWAs and other benefit arrangements, to the extent permitted by ERISA, shall be established by adding paid health losses and administrative expenses.

(j) If the assessment level is inadequate, the Board may adjust reinsurance thresholds, retention levels, or consider other forms of reinsurance. After the first three full years of operations the Board shall report to the Commissioner on its experience, the effect on reinsurance and small group rates of individual ceding, and recommendations on additional funding sources, if needed. If legislative or other broader funding alternatives are not found, the Board may enter into negotiations with representatives of health care providers to resolve any deficit through reductions in future years' payment levels for reinsured plans. Any such recommendations shall take into account the findings of the actuarial study provided for in this subsection. An actuarial study shall be undertaken within the first three years of the Pool's operation to evaluate and measure the relative risks being assumed by differing types of small employer carriers as a result of this Act. The study shall be developed by three actuaries appointed by the Commissioner, with one representing risk assuming carriers, one representing reinsuring carriers, and one from within the Department.
(k) Subject to the approval of the Commissioner, the Board may make an adjustment to the assessment formula for any reinsuring carrier that is an HMO approved as a federally qualified HMO by the Secretary of Health and Human Services under 42 U.S.C. § 300 for restrictions placed on them other than those for which an adjustment has already been made in subsection (b)(2) or (b)(5) of this section that are not imposed on other small group carriers.

(l) If assessments exceed actual losses and administrative expenses of the Pool, the excess shall be held at interest and used by the Board to offset future losses or to reduce Pool premiums. As used in this subsection, 'future losses' includes reserves for incurred but not reported claims.

(m) The Board shall determine annually each member's proportion of participation in the Pool based on financial statements and other reports that the Board considers to be necessary and requires that the member files with the Board. All carriers shall report, to the Board, claims payments made and administrative expenses incurred in this State on an annual basis and on a form prescribed by the Commissioner.

(n) The plan of operation shall provide for the imposition of an interest penalty for late payment of assessments.

(o) The Board may abate or defer, in whole or in part, the assessment of a member if, in the Board's opinion, payment of the assessment would endanger the member's ability to fulfill its contractual obligations. In the event an assessment against a member is abated or deferred in whole or in part, the amount by which the assessment is abated or deferred may be assessed against the other members in a manner consistent with the basis for assessments set forth in this section. The member receiving the abatement or deferment shall remain liable to the Pool for the deficiency.

(p) Neither the participation in the Pool as members, the establishment of rates, forms, or procedures, nor any other joint or collective action required by this Act shall be the basis of any legal action, criminal or civil liability, or penalty against the Pool or any of its members.

(q) Any person or member made a party to any action, suit, or proceeding because the person or member serves or served on the Board or on a committee or is or was an officer or employee of the Pool shall be held harmless and be indemnified by the Pool against all liability and costs, including the amounts of judgments, settlements, fines, or penalties, and expenses and reasonable attorneys' fees incurred in connection with the action, suit, or proceeding. However, the indemnification shall not be provided on any matter in which the person or member is finally adjudged in the action, suit, or
proceeding to have committed a breach of duty involving gross negligence, dishonesty, willful misfeasance, or reckless disregard of the responsibilities of service or office. Costs and expenses of the indemnification shall be prorated among and paid for by all members.

(r) The Pool is exempt from the taxes imposed by Article 8B of Chapter 105 of the General Statutes."

Sec. 2. If any provision of this act is held to be invalid by any court of competent jurisdiction, the court’s holding as to that provision shall not affect the validity or operation of other provisions of this act; and to that end the provisions of this act are severable.

Sec. 3. G.S. 58-50-120 and G.S. 58-50-125, contained in Section 1 of this act, become effective September 1, 1991. The remainder of this act becomes effective January 1, 1992.

In the General Assembly read three times and ratified this the 10th day of July, 1991.

AN ACT TO AUTHORIZE THE TOWN OF COLUMBUS TO LEVY A ROOM OCCUPANCY TAX.

The General Assembly of North Carolina enacts:

Section 1. Occupancy tax. (a) Authorization and scope. The Columbus Town Council may by resolution, after not less than 10 days’ public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, inn, tourist camp, or similar place within the town that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Collection. Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the town. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The town shall design, print, and furnish to all appropriate businesses and persons in the town the necessary forms.
for filing returns and instructions to ensure the full collection of the tax.

(c) Administration. The town shall administer a tax levied under this section. A tax levied under this section is due and payable to the town finance officer in monthly installments on or before the fifteenth day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the fifteenth day of each month, prepare and render a return on a form prescribed by the town. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the town finance officer under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten dollars ($10.00) for each day’s omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid. The Town Council may, for good cause shown, compromise or forgive the additional tax penalties imposed by this subsection.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both.

(e) Disposition of tax proceeds. The Town Council of Columbus shall use fifty percent (50%) of the proceeds of the occupancy tax to promote travel and tourism. The remaining proceeds may be used for any public purpose.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Columbus Town Council. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in
which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.

The amount of these assessments shall be determined by the board of drainage commissioners of the district. The General Assembly of North Carolina enacts:

Section 1. G.S. 50-20 is amended by adding the following new subsection to read:

"(ii) After an action for equitable distribution has been filed the Court may, for just cause, order the spouse in control of marital assets to transfer the use and possession of some or all of those assets to the other spouse provided that any and all assets so transferred shall be subject to a full accounting when the property is ultimately allocated in an equitable distribution judgment. Any property transfer made pursuant to this subsection shall be made without prejudice to the rights of either spouse to claim a contrary classification, value, or distribution in the final equitable distribution trial."

Sec. 1.1. G.S. 50-20(b)(1) reads as rewritten:

"(1) 'Marital property' means all real and personal property acquired by either spouse or both spouses during the course of the marriage and before the date of the separation of the parties, and presently owned, except property determined to be separate property in accordance with subdivision (2) of this section. Marital property includes all vested pension, retirement, and other deferred compensation rights, including military pensions eligible under the federal Uniformed Services Former Spouses' Protection Act. It is presumed that all property acquired after the date of marriage and before the date of separation is marital property except property which is separate property under subdivision (2) of this subsection. This presumption may be rebutted by the greater weight of the evidence."

A taxpayer who has received a credit under this Division for an investment in a qualified grantee business does not forfeit the credit if the business is unable to renew its registration solely for the reason that its receipt of the grant or funding referred to in G.S. 105-163.013(c)(3) occurred more than three years prior to the date on which the business would have been required to renew its registration.

A taxpayer who forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(1), computed from the date the taxes would have been due if the credit had not been allowed. 3. 'Health care power of attorney' means a written instrument, signed in the presence of two qualified witnesses, and
acknowledged before a notary public, pursuant to which an attorney-in-fact or agent is appointed to act for the principal in matters relating to the health care of the principal, and which substantially meets the requirements of this Article.

(4) 'Life-sustaining procedures' are those forms of care or treatment which only serve to artificially prolong the dying process and may include mechanical ventilation, dialysis, antibiotics, artificial nutrition and hydration, and other forms of treatment which sustain, restore or supplant vital bodily functions, but do not include care necessary to provide comfort or to alleviate pain.

(5) 'Principal' means the person making the health care power of attorney.

(6) 'Qualified witness' means a witness in whose presence the principal has executed the health care power of attorney, who believes the principal to be of sound mind, and who states that he (i) is not related within the third degree to the principal nor to the principal's spouse, (ii) does not know nor have a reasonable expectation that he would be entitled to any portion of the estate of the principal upon the principal's death under any existing will or codicil of the principal or under the Intestate Succession Act as it then provides, (iii) is not the attending physician of the principal, nor an employee of the attending physician, nor an employee of a health facility in which the principal is a patient, nor an employee of a nursing home or any group-care home in which the principal resides, and (iv) does not have a claim against any portion of the estate of the principal at the time of the principal's execution of the health care power of attorney.

"§ 32A-17. Who may make a health care power of attorney.
Any person having understanding and capacity to make and communicate health care decisions, who is 18 years of age or older, may make a health care power of attorney."

Any competent person who is not engaged in providing health care to the principal for remuneration, and who is 18 years of age or older, may act as a health care agent."

(a) A principal, pursuant to a health care power of attorney, may grant to the health care agent full power and authority to make health care decisions to the same extent that the principal could make those decisions for himself or herself if he or she had understanding and capacity to make and communicate health care decisions, including
without limitation, the power to authorize withholding or discontinuing life-sustaining procedures. A health care power of attorney may also contain or incorporate by reference any lawful guidelines or directions relating to the health care of the principal as the principal deems appropriate.

(b) A health care power of attorney may authorize the health care agent to exercise any and all rights the principal may have with respect to anatomical gifts, the authorization of any autopsy, and the disposition of remains.

(c) A health care power of attorney may contain, and the authority of the health care agent shall be subject to, the specific limitations or restrictions as the principal deems appropriate.

(d) The powers and authority granted to the health care agent pursuant to a health care power of attorney shall be limited to the matters addressed in it, and, except as necessary to exercise such powers and authority relating to health care, shall not confer any power or authority with respect to the property or financial affairs of the principal.

(e) This act shall not be construed to invalidate a power of attorney that authorizes an agent to make health care decisions for the principal, which was executed prior to the effective date of this act.

§ 32A-20. Effectiveness and duration; revocation.

(a) A health care power of attorney shall become effective when and if the physician or physicians designated by the principal determine in writing that the principal lacks sufficient understanding or capacity to make or communicate decisions relating to the health care of the principal, and shall continue in effect during the incapacity of the principal. The determination shall be made by the principal’s attending physician if the physician or physicians designated by the principal is unavailable or is otherwise unable or unwilling to make such determination. A health care power of attorney may include a provision that, if the principal does not designate a physician for reasons based on his religious or moral beliefs as specified in the health care power of attorney, a person designated by the principal in the health care power of attorney may certify in writing, acknowledged before a notary public, that the principal lacks sufficient understanding or capacity to make or communicate decisions relating to his health care. The person so designated must be a competent person 18 years of age or older, not engaged in providing health care to the principal for remuneration, and must be a person other than the health care agent.

(b) A health care power of attorney shall be revoked by the death of the principal and may be revoked by the principal at any time, so long as the principal is capable of making and communicating health
care decisions. The principal may exercise such right of revocation by executing and acknowledging an instrument of revocation, by executing and acknowledging a subsequent health care power of attorney, or in any other manner by which the principal is able to communicate his or her intent to revoke. Such revocation shall become effective only upon communication by the principal to each health care agent named in the revoked health care power of attorney and to the principal’s attending physician.

(c) The authority of a health care agent who is the spouse of the principal shall be revoked upon the entry by a court of a decree of divorce or separation between the principal and the health care agent; provided that if the health care power of attorney designates a successor health care agent, the successor shall serve as the health care agent, and the health care power of attorney shall not be revoked.

(a) A health care power of attorney may contain provisions relating to the appointment, resignation, removal and substitution of the health care agent.

(b) If all health care agents named in the instrument or substituted, die or for any reason fail or refuse to act, and all methods of substitution have been exhausted, the health care power of attorney shall cease to be effective.

(a) If, following the execution of a health care power of attorney, a court of competent jurisdiction appoints a guardian of the person of the principal, or a general guardian with powers over the person of the principal, the health care power of attorney shall cease to be effective upon the appointment and qualification of the guardian.

(b) A principal may nominate, by a health care power of attorney, the guardian of the person of the principal if a guardianship proceeding is thereafter commenced. The court shall make its appointment in accordance with the principal’s most recent nomination in an unrevoked health care power of attorney, except for good cause shown.

(c) The execution of a health care power of attorney shall not revoke, restrict or otherwise affect any nonhealth care powers granted by the principal to an attorney-in-fact pursuant to a general power of attorney; provided that the powers granted to the health care agent with respect to health care matters shall be superior to any similar powers granted by the principal to an attorney-in-fact under a general power of attorney.
(d) A health care power of attorney may be combined with or incorporated into a general power of attorney which is executed in accordance with the requirements of this Article.

"§ 32A-23. Article 2, Chapter 32A, not applicable."

The provisions of Article 2 of this Chapter shall not be applicable to a health care power of attorney executed pursuant to this Article.

"§ 32A-24. Reliance on health care power of attorney; defense."

(a) Any physician or other health care provider involved in the medical care of the principal may rely upon the authority of the health care agent contained in a signed and acknowledged health care power of attorney in the absence of actual knowledge of revocation of the health care power of attorney.

(b) All health care decisions made by a health care agent pursuant to a health care power of attorney during any period following a determination that the principal lacks understanding or capacity to make or communicate health care decisions shall have the same effect as if the principal were not incapacitated and were present and acting on his or her own behalf. Any health care provider relying in good faith on the authority of a health care agent shall be protected to the full extent of the power conferred upon the health care agent, and no person so relying on the authority of the health care agent shall be liable, by reason of his reliance, for actions taken pursuant to a decision of the health care agent.

(c) The withholding or withdrawal of life-sustaining procedures by or under the orders of a physician pursuant to the authorization of a health care agent shall not be considered suicide or the cause of death for any civil or criminal purpose nor shall it be considered unprofessional conduct or a lack of professional competence. Any person, institution or facility, including without limitation the health care agent and the attending physician, against whom criminal or civil liability is asserted because of conduct described in this section, may interpose this section as a defense.

"§ 32A-25. Statutory form health care power of attorney."

The use of the following form in the creation of a health care power of attorney is lawful and, when used, it shall meet the requirements of and be construed in accordance with the provisions of this Article:

‘(Notice: This document gives the person you designate your health care agent broad powers to make health care decisions for you, including the power to consent to your doctor not giving treatment or stopping treatment necessary to keep you alive. This power exists only as to those health care decisions for which you are unable to give informed consent.

This form does not impose a duty on your health care agent to exercise granted powers, but when a power is exercised, your health
Care agent will have to use due care to act in your best interests and in accordance with this document. Because the powers granted by this document are broad and sweeping, you should discuss your wishes concerning life-sustaining procedures with your health care agent.

Use of this form in the creation of a health care power of attorney is lawful and is authorized pursuant to North Carolina law. However, use of this form is an optional and nonexclusive method for creating a health care power of attorney and North Carolina law does not bar the use of any other or different form of power of attorney for health care that meets the statutory requirements.)

1. Designation of health care agent.

I, ................................, being of sound mind, hereby appoint

Name: ........................................................................
Home Address: ..............................................................

Home Telephone Number ........ Work Telephone Number ............

as my health care attorney-in-fact (herein referred to as my "health care agent") to act for me and in my name (in any way I could act in person) to make health care decisions for me as authorized in this document.

If the person named as my health care agent is not reasonably available or is unable or unwilling to act as my agent, then I appoint the following persons (each to act alone and successively, in the order named), to serve in that capacity: (Optional)

A. Name: .............................................................
Home Address: ......................................................
Home Telephone Number ...... Work Telephone Number ...........

B. Name: .............................................................
Home Address: ......................................................
Home Telephone Number ...... Work Telephone Number ...........

Each successor health care agent designated shall be vested with the same power and duties as if originally named as my health care agent.

2. Effectiveness of appointment.

(Notice: This health care power of attorney may be revoked by you at any time in any manner by which you are able to communicate your intent to revoke to your health care agent and your attending physician.)

Absent revocation, the authority granted in this document shall become effective when and if the physician or physicians designated below determine that I lack sufficient understanding or capacity to make or communicate decisions relating to my health care and will continue in effect during my incapacity, until my death. This determination shall be made by the following physician or physicians (You may include here a designation of your choice, including your attending physician, or any other physician. You may also name two
or more physicians, if desired, both of whom must make this determination before the authority granted to the health care agent becomes effective.):

Except as indicated in section 4 below, I hereby grant to my health care agent named above full power and authority to make health care decisions on my behalf, including, but not limited to, the following:

A. To request, review, and receive any information, verbal or written, regarding my physical or mental health, including, but not limited to, medical and hospital records, and to consent to the disclosure of this information;

B. To employ or discharge my health care providers;

C. To consent to and authorize my admission to and discharge from a hospital, nursing or convalescent home, or other institution;

D. To give consent for, to withdraw consent for, or to withhold consent for, X ray, anesthesia, medication, surgery, and all other diagnostic and treatment procedures ordered by or under the authorization of a licensed physician, dentist, or podiatrist. This authorization specifically includes the power to consent to measures for relief of pain.

E. To authorize the withholding or withdrawal of life-sustaining procedures when and if my physician determines that I am terminally ill, permanently in a coma, suffer severe dementia, or am in a persistent vegetative state. Life-sustaining procedures are those forms of medical care that only serve to artificially prolong the dying process and may include mechanical ventilation, dialysis, antibiotics, artificial nutrition and hydration, and other forms of medical treatment which sustain, restore or supplant vital bodily functions. Life-sustaining procedures do not include care necessary to provide comfort or alleviate pain.

I DESIRE THAT MY LIFE NOT BE PROLONGED BY LIFE-SUSTAINING PROCEDURES IF I AM TERMINALLY ILL, PERMANENTLY IN A COMA, SUFFER SEVERE DEMENTIA, OR AM IN A PERSISTENT VEGETATIVE STATE.

F. To exercise any right I may have to make a disposition of any part or all of my body for medical purposes, to donate my organs, to authorize an autopsy, and to direct the disposition of my remains.
G. To take any lawful actions that may be necessary to carry out these decisions, including the granting of releases of liability to medical providers.

4. Special provisions and limitations.
(Notice: The above grant of power is intended to be as broad as possible so that your health care agent will have authority to make any decisions you could make to obtain or terminate any type of health care. If you wish to limit the scope of your health care agent’s powers, you may do so in this section.)

In exercising the authority to make health care decisions on my behalf, the authority of my health care agent is subject to the following special provisions and limitations (Here you may include any specific limitations you deem appropriate such as: your own definition of when life-sustaining treatment should be withheld or discontinued, or instructions to refuse any specific types of treatment that are inconsistent with your religious beliefs, or unacceptable to you for any other reason.):

5. Guardianship provision.

If it becomes necessary for a court to appoint a guardian of my person, I nominate my health care agent acting under this document to be the guardian of my person, to serve without bond or security.

A. No person who relies in good faith upon the authority of or any representations by my health care agent shall be liable to me, my estate, my heirs, successors, assigns, or personal representatives, for actions or omissions by my health care agent.

B. The powers conferred on my health care agent by this document may be exercised by my health care agent alone, and my health care agent’s signature or act under the authority granted in this document may be accepted by persons as fully authorized by me and with the same force and effect as if I were personally present, competent, and acting on my own behalf. All acts performed in good faith by my health care agent pursuant to this power of attorney are done with my consent and shall have the same validity and effect as if I were present and exercised the powers myself, and shall inure to the benefit of and bind me, my estate, my heirs, successors, assigns, and personal representatives. The authority of my health care agent
pursuant to this power of attorney shall be superior to and binding upon my family, relatives, friends, and others.

7. Miscellaneous provisions.
   
   A. I revoke any prior health care power of attorney.
   
   B. My health care agent shall be entitled to sign, execute, deliver, and acknowledge any contract or other document that may be necessary, desirable, convenient, or proper in order to exercise and carry out any of the powers described in this document and to incur reasonable costs on my behalf incident to the exercise of these powers; provided, however, that except as shall be necessary in order to exercise the powers described in this document relating to my health care, my health care agent shall not have any authority over my property or financial affairs.
   
   C. My health care agent and my health care agent's estate, heirs, successors, and assigns are hereby released and forever discharged by me, my estate, my heirs, successors, and assigns and personal representatives from all liability and from all claims or demands of all kinds arising out of the acts or omissions of my health care agent pursuant to this document, except for willful misconduct or gross negligence.
   
   D. No act or omission of my health care agent, or of any other person, institution, or facility acting in good faith in reliance on the authority of my health care agent pursuant to this health care power of attorney shall be considered suicide, nor the cause of my death for any civil or criminal purposes, nor shall it be considered unprofessional conduct or as lack of professional competence. Any person, institution, or facility against whom criminal or civil liability is asserted because of conduct authorized by this health care power of attorney may interpose this document as a defense.

This the................day of.......................... 19......

A health care power of attorney meeting the requirements of this Article may be combined with or incorporated into a Declaration of A Desire For A Natural Death which meets the requirements of Article 23 of Chapter 90 of the General Statutes."

Sec. 2. G.S. 32A-2(9) reads as rewritten:

"(9) Personal Relationships and Affairs. -- To do all acts necessary for maintaining the customary standard of living of the principal, the spouse and children, and other dependents of the principal; to provide medical, dental and surgical care, hospitalization and custodial care for the principal, the spouse, and children, and other dependents of the principal; to continue whatever provision has been made by the principal, for the principal, the spouse, and children, and other dependents of the principal, with respect to automobiles, or other means of transportation; to continue whatever charge accounts have been operated by the principal, for the convenience of the principal, the spouse, and children, and other dependents of the principal, to open such new accounts as the attorney-in-fact shall think to be desirable for the accomplishment of any of the purposes enumerated in this section, and to pay the items charged on such accounts by any person authorized or permitted by the principal or the attorney-in-fact to make such charges; to continue the discharge of any services or duties assumed by the principal, to any parent, relative or friend of the principal; to continue payments incidental to the membership or affiliation of the principal in any church, club, society, order or other organization, or to continue contributions thereto.

In the event the attorney-in-fact named pursuant to G.S. 32A-1 makes a decision regarding the health care of the principal that is contradictory to a decision made by a health care agent appointed pursuant to Article 3 of this Chapter, the decision of the health care agent shall overrule the decision of the attorney-in-fact."

Sec. 3. G.S. 90-321 reads as rewritten:

(a) As used in this Article the term:

(1) ‘Declarant’ means a person who has signed a declaration in accordance with subsection (c);

(3) 'Physician' means any person licensed to practice medicine under Article 1 of Chapter 90 of the laws of the State of North Carolina;

(4) 'Persistent vegetative state' is a medical condition whereby in the judgment of the attending physician the patient suffers from a sustained complete loss of self-aware cognition and, without the use of extraordinary means or artificial nutrition or hydration, will succumb to death within a short period of time.

(b) If a person has declared, in accordance with subsection (c) below, a desire that his life not be prolonged by extraordinary means: means or by artificial nutrition or hydration, and the declaration has not been revoked in accordance with subsection (e); and

(1) It is determined by the attending physician that the declarant’s present condition is
   a. Terminal; and
   b. Incurable; and or
   c. Diagnosed as a persistent vegetative state; and

(2) There is confirmation of the declarant’s present condition as set out above in subdivision (b)(1) by a physician other than the attending physician;

then extraordinary means or artificial nutrition or hydration, as specified by the declarant, may be withheld or discontinued upon the direction and under the supervision of the attending physician.

(c) The attending physician may rely upon a signed, witnessed, dated and proved declaration:

(1) Which expresses a desire of the declarant that no extraordinary means or artificial nutrition or hydration not be used to prolong his life if his condition is determined to be terminal and incurable; incurable, or if the declarant is diagnosed as being in a persistent vegetative state; and

(2) Which states that the declarant is aware that the declaration authorizes a physician to withhold or discontinue the extraordinary means; means or artificial nutrition or hydration; and

(3) Which has been signed by the declarant in the presence of two witnesses who believe the declarant to be of sound mind and who state that they (i) are not related within the third
degree to the declarant or to the declarant’s spouse. (ii) do not know or have a reasonable expectation that they would be entitled to any portion of the estate of the declarant upon his death under any will of the declarant or codicil thereto then existing or under the Intestate Succession Act as it then provides. (iii) are not the attending physician, or an employee of the attending physician, or an employee of a health facility in which the declarant is a patient, or an employee of a nursing home or any group-care home in which the declarant resides, and (iv) do not have a claim against any portion of the estate of the declarant at the time of the declaration; and

(4) Which has been proved before a clerk or assistant clerk of superior court, or a notary public who certifies substantially as set out in subsection (d) below.

(d) The following form is specifically determined to meet the requirements above:

‘Declaration Of A Desire For A Natural Death’

I, ............... being of sound mind, desire that my life not be prolonged by extraordinary means if my condition is determined to be terminal and incurable. I am aware and understand that this writing authorizes a physician to withhold or discontinue extraordinary means.

I, ............... being of sound mind, desire that, as specified below, my life not be prolonged by extraordinary means or by artificial nutrition or hydration if my condition is determined to be terminal and incurable or if I am diagnosed as being in a persistent vegetative state. I am aware and understand that this writing authorizes a physician to withhold or discontinue extraordinary means or artificial nutrition or hydration, in accordance with my specifications set forth below:

CHAPTER 641

AN ACT TO MAKE CERTAIN CHANGES IN BALLOT INSTRUCTIONS AND BALLOT FORMAT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 163-140(a) reads as rewritten:

"(a) Kinds of General Election Ballots: Right to Combine. -- For purposes of general elections, there shall be seven kinds of official ballots entitled:

(1) Ballot for presidential electors
(2) Ballot for United States Senator
(3) Ballot for member of the United States House of Representatives
(4) State ballot
(5) County ballot
(6) Ballot for constitutional amendments and other propositions submitted to the people.

Use of official ballots shall be limited to the purposes indicated by their titles. The printing on all ballots shall be plain and legible but, unless large type is specified by this section, type larger than 10-point shall not be used in printing ballots. All general election ballots shall be prepared in such a way as to leave sufficient blank space beneath each name printed thereon in which a voter may conveniently write the name of any person for whom he may desire to vote.

Unless prohibited by this section, the board of elections, State or county, charged by law with printing ballots may, in its discretion, combine any two or more official ballots. Whenever two or more ballots are combined, the voting instructions for the State ballot set out in subsection (b)(4) of this section shall be used, except that if the two ballots being combined do not contain a multi-seat race, then the second sentence of instruction b. shall not appear on the ballot.
Contests in the general election for seats in the State House of Representatives and State Senate shall be on ballots that are separate from ballots containing non-legislative contests, except where the voting system used makes separation of ballots impractical. State House and State Senate contests shall be on the same ballot, unless one is a single-seat contest and the other a multi-seat contest.

If the State Board of Elections divides the State ballot into two or more ballots, all candidates for superior court shall appear on the same ballot except that the State Board of Elections may divide the election of superior court judges into two ballots either because of length of the ballot or to provide a separate ballot for multi-seat races but only superior court judges shall be on those ballots, and all candidates for the Appellate Division shall appear on the same ballot."

Sec. 2. G.S. 163-140(b)(4) reads as rewritten:

"(4) State Ballot: Beneath the title and general instructions set out in this subsection, the ballot for single-seat contests for State officers, and for all State officers where mechanical voting machines are used (including judges of the superior court) shall be divided into parallel columns separated by distinct black lines. The State Board of Elections shall assign a separate column to each political party having candidates for State offices and one to unaffiliated candidates, if any. At the head of each party column the party’s name shall be printed in large type, and at the head of the column for unaffiliated candidates shall be printed in large type the words ‘Unaffiliated Candidates.’ Below the party name in each column shall be printed a circle, one-half inch in diameter, around which shall be plainly printed the following instruction: ‘For a straight ticket, mark within this circle.’ With distinct black lines, the State Board of Elections shall divide the columns into horizontal sections and, in the customary order of office, assign a separate section to each office or group of offices to be filled. On a single line at the top of each section shall be printed a direction as to the number of candidates for whom a vote may be cast. If candidates are to be chosen for different terms to the same office, the term in each instance shall be printed as part of the title of the office.

The name or names of each political party’s candidate or candidates for each office listed on the ballot shall be printed in the appropriate office section of the proper party column, and the names of unaffiliated candidates shall be printed in the appropriate office section of the column
headed 'Unaffiliated Candidates.' At the left of each name shall be printed a voting square, and in each column all voting squares shall be arranged in a perpendicular line.

On the face of the ballot, above the party and unaffiliated column division, the following instructions shall be printed in heavy black type, and the words 'you must also' in instruction c. shall be underlined:

a. To vote for all candidates of one party (a straight ticket), make a cross (X) mark in the circle of the party for whose candidates you wish to vote.

b. You may vote a split ticket by marking a cross (X) mark in the party circle and then making a cross (X) mark in the square opposite the name of the candidate(s) of a different party. In any multi-seat race where a party circle is marked and you vote for candidates of another party, in order for your vote to count for any candidates for that office of the party for which you marked the party circle you must make a cross (X) mark opposite the name of those candidate(s).

c. You may also vote a split ticket by not marking a cross (X) mark in the party circle, but by making a cross (X) mark in the square opposite the name of each candidate for whom you wish to vote.

b. You may vote a split ticket by not marking a cross (X) mark in the party circle, but by making a cross (X) mark in the square opposite the name of each candidate for whom you wish to vote.

c. You make also vote a split ticket by marking a cross (X) mark in the party circle and then making a cross (X) mark in the square opposite the name of any candidate you choose of a different party. In any multi-seat race where a party circle is marked and you vote for candidates of another party, you must also make a cross (X) mark opposite the name of any candidate you choose of the party for which you marked the party circle to assure your vote will count.

d. If you tear or deface or wrongly mark this ballot, return it and get another.

On the bottom of the ballot shall be printed an identified facsimile of the signature of the Chairman of the State Board of Elections. If the State ballot contains no multi-seat race, then the second sentence of instruction b. shall not appear on the ballot."
Sec. 3. G.S. 163-140(b)(5) reads as rewritten:

"(5) County Ballot: Beneath the title and general instructions set out in this subsection, the ballot for single-seat contests for county officers (including district attorney for the prosecutorial district in which the county is situated, district judge for the district court district in which the county is situated, and members of the General Assembly in the senatorial and representative districts in which the county is situated), and for all county offices where mechanical voting machines are used, shall be divided into parallel columns separated by distinct black lines. The county board of elections shall assign a separate column to each political party having candidates for the offices on the ballot and one to unaffiliated candidates, if any. At the head of each party column the party's name shall be printed in large type and at the head of the column for unaffiliated candidates shall be printed in large type the words 'Unaffiliated Candidates.' Below the party name in each column shall be printed a circle, one-half inch in diameter, around which shall be plainly printed the following instruction: 'For a straight ticket, mark within this circle.' With distinct black lines, the county board of elections shall divide the columns into horizontal sections and, in the customary order of office, assign a separate section to each office or group of offices to be filled. On a single line at the top of each section shall be printed the title of the office, and directly below the title shall be printed a direction as to the number of candidates for whom a vote may be cast. If candidates are to be chosen for different terms to the same office, the term in each instance shall be printed as part of the title of the office.

The name or names of each political party's candidate or candidates for each office listed on the ballot shall be printed in the appropriate office section of the proper party column, and the names of unaffiliated candidates shall be printed in the appropriate office section of the column headed 'Unaffiliated Candidates.' At the left of each name shall be printed a voting square, and in each column all voting squares shall be arranged in a perpendicular line.

On the face of the ballot, above the party and unaffiliated column division, the following instructions shall be printed in heavy black type, and the words 'you must also' in instruction c. shall be underlined:
CHAPTER 641  Session Laws — 1991

‘a. To vote for all candidates of one party (a straight ticket), make a cross (X) mark in the circle of the party for whose candidates you wish to vote.

b. You may vote a split ticket by marking a cross (X) mark in the party circle and then making a cross (X) mark in the square opposite the name of the candidate(s) of a different party. In any multi-seat race where a party circle is marked and you vote for candidates of another party, in order for your vote to count for any candidates for that office of the party for which you marked the party circle you must make a cross (X) mark opposite the name of those candidate(s).

c. You may also vote a split ticket by not marking a cross (X) mark in the party circle, but by making a cross (X) mark in the square opposite the name of each candidate for whom you wish to vote.

d. You may vote a split ticket by not marking a cross (X) mark in the party circle, but by making a cross (X) mark in the square opposite the name of each candidate for whom you wish to vote.

c. You make also vote a split ticket by marking a cross (X) mark in the party circle and then making a cross (X) mark in the square opposite the name of any candidate you choose of a different party. On the bottom of the ballot shall be printed an identified facsimile of the signature of the chairman of the county board of elections. If the county ballot contains no multi-seat race, then the second sentence of instruction b. shall not appear on the ballot."

Sec. 4. G.S. 163-140(f) reads as rewritten:

"(f) Multi-seat Races. -- The General Assembly finds that since the federal court opinion voiding the law which provided that a straight-ticket ballot shall take precedence in counting over a ballot marked for individual candidates, confusion has occurred in the counting of ballots in multi-seat races. In order to minimize the confusion of instructions for marking ballots in multi-seat races, which must be
different than those in single-seat races, the General Assembly finds it necessary that these ballots be printed separately, except in the case of mechanical voting machines. On such machines, where it is physically impossible to vote both a straight-ticket and for an individual candidate, without pulling up the lever of an individual candidate, clearly showing the voter’s intention, it is unnecessary to have a separate ballot for multi-seat races, and having such a separate ballot would result in more columns and rows on the machine than the mechanical machine can handle.

Multi-seat races in partisan general elections, which except as provided in this section would have appeared on the State ballot or county ballot, and except for multi-seat races on mechanical voting machines, shall be placed on a separate multi-seat ballot or ballots, which shall not be combined with any ballot other than a multi-seat ballot. Beneath the title and general instructions set out in this subsection, the ballot(s) for multi-seat races shall be divided into parallel columns separated by distinct black lines. The State Board of Elections shall assign a separate column to each political party having candidates in multi-seat races and one to unaffiliated candidates, if any. At the head of each party column the party’s name shall be printed in large type, and at the head of the column for unaffiliated candidates shall be printed in large type the words ‘Unaffiliated Candidates.’ Below the party name in each column shall be printed a circle, one-half inch in diameter, and around which shall be plainly printed the following instruction: ‘For a straight ticket, mark within this circle.’ With distinct black lines, the State Board of Elections shall divide the columns into horizontal sections and, in the customary order of office, assign a separate section to each group of offices to be filled. On a single line at the top of each section shall be printed a direction as to the number of candidates for whom a vote may be cast. If candidates are to be chosen for different terms to the same office, the term in each instance shall be printed as part of the title of the office.

The name or names of each political party’s candidate or candidates for each office listed on the ballot shall be printed in the appropriate office section of the proper party column and the names of unaffiliated candidates shall be printed in the appropriate office section of the column headed ‘Unaffiliated Candidates.’ At the left of each name shall be printed a voting square, and in each column all voting squares shall be arranged in a perpendicular line.

On the face of the ballot, above the party and unaffiliated column division, the following instructions shall be printed in heavy red type to contrast with the type of the rest of the ballot:
a. To vote for all candidates of one party (a straight ticket), make a cross (X) mark in the circle of the party of your choice.

b. You may vote a split ticket in one of two ways:
   (1) By making a cross mark opposite the name of each candidate for whom you wish to vote and making no mark in the party circle, or
   (2) By marking the party circle and then making a cross mark opposite the name of each candidate you choose of the party whose circle you marked as well as each candidate you choose of any other party in the race(s) where you wish to vote a split ticket.

c. If you tear or deface or wrongly mark this ballot, return it and get another.'

Ballot instructions need not be printed in red type except on the separate ballot(s) for multi-seat races."

Sec. 5. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 11th day of July, 1991.

Sec. 3. This act becomes effective October 1. 1991. This act shall not affect pending litigation.

In the General Assembly read three times and ratified this the 12th day of July, 1991.

insurance indemnifying the insured for the difference between the
actual value of the insured property at the time any loss or damage
occurs, and the amount actually expended to repair, rebuild or replace
on the premises described in the policy, or some other location within
the State of North Carolina with new materials of like size, kind and
quality, such property as that has been damaged or destroyed by fire
or other perils insured against: Provided further, that the
Commissioner may approve forms that permit functional replacement
by the insurance company, at the insured’s option. Functional
replacement means to replace the property with property that performs
the same function when replacement with materials of like size, kind,

antique, or custom construction materials and methods. Forms and
rating plans may also provide for credits when functional replacement
cost coverage is provided. Policies issued in violation of this section
are binding upon the company issuing them, but the company is liable for the forfeitures by law prescribed for such violation."

Sec. 6. G.S. 58-28-5(a) reads as rewritten:

S.B. 688  CHAPTER 646

AN ACT TO PROHIBIT THE STACKING OF UNINSURED AND UNDERINSURED MOTORIST COVERAGE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-279.21(b)(3) reads as rewritten:

"(3) No policy of bodily injury liability insurance, covering liability arising out of the ownership, maintenance, or use of any motor vehicle, shall be delivered or issued for delivery in this State with respect to any motor vehicle registered or principally garaged in this State unless coverage is provided therein or supplemental thereto, in limits for bodily injury or death set forth in subsection (c) of G.S. 20-279.5, under provisions filed with and approved by the Commissioner of Insurance, for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured motor vehicles and hit-and-run motor vehicles because of bodily injury, sickness or disease, including death, resulting therefrom; provided, an insured is entitled to secure additional coverage up to the limits of bodily injury liability in the owner's policy of liability insurance that he carries for the protection of third persons, therefrom, in an amount not to be less than the financial responsibility amounts for bodily injury liability as set forth in G.S. 20-279.5 nor greater than one million dollars ($1,000,000), as selected by the policy owner. Such The provisions shall include coverage for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of injury to or destruction of the property of such insured, with a limit in the aggregate for all insureds in any one accident of up to the limits of property damage liability in the owner's policy of liability insurance, and subject, for each insured, to an exclusion of the first one hundred dollars ($100.00) of such damages. Such The provision shall further provide that a written statement by the liability insurer, whose name appears on the
certification of financial responsibility made by the owner of any vehicle involved in an accident with the insured, that such the other motor vehicle was not covered by insurance at the time of the accident with the insured shall operate as a prima facie presumption that the operator of such the other motor vehicle was uninsured at the time of the accident with the insured for the purposes of recovery under this provision of the insured’s liability insurance policy. The coverage required under this subdivision shall is not be applicable where any insured named in the policy shall reject rejects the coverage. An insured named in the policy may select different coverage limits as provided in this subdivision. Once the named insured exercises this option, the insurer is not required to offer the option in any renewal, reinstatement, substitute, amended, altered, modified, transfer, or replacement policy unless the named insured makes a written request to exercise a different option. The selection or rejection of uninsured motorist coverage by a named insured is valid and binding on all insureds and vehicles under the policy. If the named insured rejects the coverage required under this subdivision, the insurer shall not be required to offer the coverage in any renewal, reinstatement, substitute, amended, altered, modified, transfer or replacement policy unless the named insured makes a written request for the coverage. Rejection of this coverage for policies issued after October 1, 1986, shall be made in writing by the named insured on a form promulgated by the North Carolina Rate Bureau and approved by the Commissioner of Insurance.

Where coverage is provided on more than one vehicle insured on the same policy or where the owner or the named insured has more than one policy with coverage under this subdivision, there shall not be permitted any combination of coverage within a policy or where more than one policy may apply to determine the total amount of coverage available.

In addition to the above requirements relating to uninsured motorist insurance, every policy of bodily injury liability insurance covering liability arising out of the ownership, maintenance or use of any motor vehicle, which policy is delivered or issued for delivery in this State, shall be subject to the following provisions which need not be contained therein.
a. A provision that the insurer shall be bound by a final judgment taken by the insured against an uninsured motorist if the insurer has been served with copy of summons, complaint or other process in the action against the uninsured motorist by registered or certified mail, return receipt requested, or in any manner provided by law; provided however, that the determination of whether a motorist is uninsured may be decided only by an action against the insurer alone. The insurer, upon being served as herein provided, shall be a party to the action between the insured and the uninsured motorist though not named in the caption of the pleadings and may defend the suit in the name of the uninsured motorist or in its own name. The insurer, upon being served with copy of summons, complaint or other pleading, shall have the time allowed by statute in which to answer, demur or otherwise plead (whether such the pleading is verified or not) to the summons, complaint or other process served upon it. The consent of the insurer shall not be required for the initiation of suit by the insured against the uninsured motorist: Provided. however, no action shall be initiated by the insured until 60 days following the posting of notice to the insurer at the address shown on the policy or after personal delivery of such the notice to the insurer or its agent setting forth the belief of the insured that the prospective defendant or defendants are uninsured motorists. No default judgment shall be entered when the insurer has timely filed an answer or other pleading as required by law. The failure to post notice to the insurer 60 days in advance of the initiation of suit shall not be grounds for dismissal of the action, but shall automatically extend the time for the filing of an answer or other pleadings to 60 days after the time of service of the summons, complaint, or other process on the insurer.

b. Where the insured, under the uninsured motorist coverage, claims that he has sustained bodily injury as the result of collision between motor vehicles and asserts that the identity of the operator or owner of a vehicle (other than a vehicle in which the insured is a passenger) cannot be ascertained, the insured may institute an action directly against the insurer: Provided, in such that event, the insured, or someone in his
behalo, shall report the accident within 24 hours or as soon thereafter as may be practicable, to a police officer, peace officer, other judicial officer, or to the Commissioner of Motor Vehicles. The insured shall also within a reasonable time give notice to the insurer of his injury, the extent thereof, and shall set forth in such the notice the time, date and place of such the injury. Thereafter, on forms to be mailed by the insurer within 15 days following receipt of the notice of the accident to the insurer, the insured shall furnish to insurer such any further reasonable information concerning the accident and the injury as that the insurer shall request, requests. If such the forms are not so furnished within 15 days, the insured shall be is deemed to have complied with the requirements for furnishing information to the insurer. Suit may not be instituted against the insurer in less than 60 days from the posting of the first notice of such the injury or accident to the insurer at the address shown on the policy or after personal delivery of such the notice to the insurer or its agent. The failure to post notice to the insurer 60 days in advance of before the initiation of the suit shall not be grounds for dismissal of the action, but shall automatically extend the time for filing of an answer or other pleadings to 60 days after the time of service of the summons, complaint, or other process on the insurer.

Provided under this section the term 'uninsured motor vehicle' shall include, but not be limited to, an insured motor vehicle where the liability insurer thereof is unable to make payment with respect to the legal liability within the limits specified therein because of insolvency.

An insurer's insolvency protection shall be applicable only to accidents occurring during a policy period in which its insured's uninsured motorist coverage is in effect where the liability insurer of the tort-feasor becomes insolvent within three years after such an accident. Nothing herein shall be construed to prevent any insurer from affording insolvency protection under terms and conditions more favorable to the insured than is provided herein.

In the event of payment to any person under the coverage required by this section and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the
proceeds of any settlement for judgment resulting from the exercise of any limits of recovery of such that person against any person or organization legally responsible for the bodily injury for which such the payment is made, including the proceeds recoverable from the assets of the insolvent insurer.

For the purpose of this section, an 'uninsured motor vehicle' shall be a motor vehicle as to which there is no bodily injury liability insurance and property damage liability insurance in at least the amounts specified in subsection (c) of G.S. 20-279.5, or there is such that insurance but the insurance company writing the same insurance denies coverage thereunder, or has become bankrupt, or there is no bond or deposit of money or securities as provided in G.S. 20-279.24 or 20-279.25 in lieu of such the bodily injury and property damage liability insurance, or the owner of such the motor vehicle has not qualified as a self-insurer under the provisions of G.S. 20-279.33, or a vehicle that is not subject to the provisions of the Motor Vehicle Safety and Financial Responsibility Act; but the term 'uninsured motor vehicle' shall not include:

a. A motor vehicle owned by the named insured;
b. A motor vehicle which that is owned or operated by a self-insurer within the meaning of any motor vehicle financial responsibility law, motor carrier law or any similar law;
c. A motor vehicle which that is owned by the United States of America, Canada, a state, or any agency of any of the foregoing (excluding, however, political subdivisions thereof);
d. A land motor vehicle or trailer, if operated on rails or crawler-treads or while located for use as a residence or premises and not as a vehicle; or

e. A farm-type tractor or equipment designed for use principally off public roads, except while actually upon public roads.

For purposes of this section 'persons insured' means the named insured and, while resident of the same household, the spouse of any such named insured and relatives of either, while in a motor vehicle or otherwise, and any person who uses with the consent, expressed or implied, of the named insured, the motor vehicle to which the policy applies and a guest in such the motor vehicle to which the
policy applies or the personal representative of any of the above or any other person or persons in lawful possession of such the motor vehicle.

Sec. 2. G.S. 20-279.21(b)(4) reads as rewritten:

"(4) Shall, in addition to the coverages set forth in subdivisions (2) and (3) of this subsection, provide uninsured motorist coverage, to be used only with policies a policy that are is written at limits that exceed those prescribed by subdivision (2) of this section and that afford uninsured motorist coverage as provided by subdivision (3) of this subsection, in an amount equal to the policy limits for not to be less than the financial responsibility amounts for bodily injury liability as set forth in G.S. 20-279.5 nor greater than one million dollars ($1,000,000) as selected by the policy owner. automobile bodily injury liability as specified in the owner’s policy. An ‘uninsured motor vehicle,’ as described in subdivision (3) of this subsection, includes an ‘uninsured highway vehicle,’ which means a highway vehicle with respect to the ownership, maintenance, or use of which, the sum of the limits of liability under all bodily injury liability bonds and insurance policies applicable at the time of the accident is less than the applicable limits of liability uninsured motorist coverage for the vehicle involved in the accident and insured under the owner’s policy. For the purposes of this subdivision, the term ‘highway vehicle’ means a land motor vehicle or trailer other than (i) a farm-type tractor or other vehicle designed for use principally off public roads and while not upon public roads, (ii) a vehicle operated on rails or crawler-treads, or (iii) a vehicle while located for use as a residence or premises. The provisions of subdivision (3) of this subsection shall apply to the coverage required by this subdivision. Underinsured motorist coverage shall be is deemed to apply when, by reason of payment of judgment or settlement, all liability bonds or insurance policies providing coverage for bodily injury caused by the ownership, maintenance, or use of the underinsured highway vehicle have been exhausted. Exhaustion of such that liability coverage for the purpose of any single liability claim presented for underinsured motorist coverage shall be is deemed to occur when either (a) the limits of liability per claim have been paid upon such the claim. or (b) by reason of multiple claims, the aggregate per occurrence limit of liability has been paid.

1555
Underinsured motorist coverage shall be deemed to apply to the first dollar of an underinsured motorist coverage claim beyond amounts paid to the claimant pursuant to under the exhausted liability policy.

In any event, the limit of underinsured motorist coverage applicable to any claim is determined to be the difference between the amount paid to the claimant pursuant to under the exhausted liability policy or policies and the total limits of the owner's underinsured motorist coverages provided in the owner's policies of insurance; it being the intent of this paragraph to provide to the owner, in limit of underinsured motorist coverage applicable to the motor vehicle involved in the accident. Furthermore, if a claimant is an insured under the underinsured motorist coverage on separate or additional policies, the limit of underinsured motorist coverage applicable to the claimant is the difference between the amount paid to the claimant under the exhausted liability policy or policies and the total limits of the claimant's underinsured motorist coverages as determined by combining the highest limit available under each policy; Provided that this paragraph sentence shall apply only to insurance on nonfleet private passenger motor vehicle insurance vehicles as defined in G.S. 58-131.36(9) and (10). G.S. 58-40-15(9) and (10).

The underinsured motorist limits applicable to any one motor vehicle under a policy shall not be combined with or added to the limits applicable to any other motor vehicle under that policy.

An underinsured motorist insurer may at its option, upon a claim pursuant to underinsured motorist coverage, pay moneys without there having first been an exhaustion of the liability insurance policy covering the ownership, use, and maintenance of the underinsured highway vehicle. In the event of such payment, the underinsured motorist insurer shall be either: (a) entitled to receive by assignment from the claimant any right or (b) subrogated to the claimant's right regarding any claim the claimant has or had against the owner, operator, or maintainer of the underinsured highway vehicle, provided that the amount of the insurer's right by subrogation or assignment shall not exceed payments made to the claimant by the insurer. No insurer shall exercise any right of subrogation or any right to approve settlement with the original owner, operator, or maintainer of the underinsured highway vehicle under a
policy providing coverage against an underinsured motorist where the insurer has been provided with written notice in advance of before a settlement between its insured and the underinsured motorist and the insurer fails to advance a payment to the insured in an amount equal to the tentative settlement within 30 days following receipt of such that notice. Further, the insurer shall have the right, at its election, to pursue its claim by assignment or subrogation in the name of the claimant, and the insurer shall not be denominated as a party in its own name except upon its own election. Assignment or subrogation as provided in this subdivision shall not, absent contrary agreement, operate to defeat the claimant’s right to pursue recovery against the owner, operator, or maintainer of the underinsured highway vehicle for damages beyond those paid by the underinsured motorist insurer. The claimant and the underinsured motorist insurer may join their claims in a single suit without requiring that such the insurer be named as a party. Any claimant who intends to pursue recovery against the owner, operator, or maintainer of the underinsured highway vehicle for moneys beyond those paid by the underinsured motorist insurer shall prior to before doing so give notice to such the insurer and give such the insurer, at its expense, the opportunity to participate in the prosecution of such the claim. Upon the entry of judgment in a suit upon any such claim in which the underinsured motorist insurer and claimant are joined, payment upon such the judgment, unless otherwise agreed to, shall be applied pro rata to the claimant’s claim beyond payment by the insurer of the owner, operator or maintainer of the underinsured highway vehicle and the claim of the underinsured motorist insurer.

A party injured by the operation of an underinsured highway vehicle who institutes a suit for the recovery of moneys for such those injuries and in such an amount that, if recovered, would support a claim under underinsured motorist coverage shall give notice of the initiation of the suit to the underinsured motorist insurer as well as to the insurer providing primary liability coverage upon the underinsured highway vehicle. Upon receipt of such notice, the underinsured motorist insurer shall have the right to appear in defense of such the claim without being named as a party therein, and without being named as a party may participate in such the suit as fully as if it were a party.
The underinsured motorists insurer may elect, but may not be compelled, to appear in such an action in its own name and present therein a claim against other parties; provided that application is made to and approved by a presiding superior court judge. In any such suit, any insurer providing primary liability insurance on the underinsured highway vehicle may upon payment of all of its applicable limits of liability be released from further liability or obligation to participate in the defense of such proceeding. However, prior to before approving any such application, the court shall be persuaded that the owner, operator, or maintainer of the underinsured highway vehicle against whom a claim has been made has been apprised of the nature of the proceeding and given his right to select counsel of his own choice to appear in such the action on his separate behalf. In the event that an underinsured motorist insurer, following the approval of such the application, pays in settlement or partial or total satisfaction of judgment moneys to the claimant, such the insurer shall be subrogated to or entitled to an assignment of the claimant's rights against the owner, operator, or maintainer of the underinsured highway vehicle and. provided that adequate notice of right of independent representation was given to such the owner, operator, or maintainer, a finding of liability or the award of damages shall be res judicata between the underinsured motorist insurer and the owner, operator, or maintainer of underinsured highway vehicle.

The coverage required under this subdivision shall not be applicable where any insured named in the policy rejects the coverage. An insured named in the policy may select different coverage limits as provided in this subdivision. Once the named insured exercises this option, the insurer is not required to offer the option in any renewal, reinstatement, substitute, amended, altered, modified, transfer, or replacement policy unless the named insured makes a written request to exercise a different option. The selection or rejection of underinsured motorist coverage by a named insured is valid and binding on all insureds and vehicles under the policy.

If the named insured rejects the coverage required under this subdivision, the insurer shall not be required to offer the coverage in any renewal, reinstatement, substitute, amended, altered, modified, transfer or replacement policy unless the named insured makes a written request for the
coverage. Rejection of this coverage for policies issued after October 1, 1986, shall be made in writing by the named insured on a form promulgated by the North Carolina Rate Bureau and approved by the Commissioner of Insurance."

Sec. 3. Within 60 days after the ratification of this act the North Carolina Rate Bureau shall make appropriate rate and policy form filings with the Commissioner of Insurance to reflect the provisions of this act.

Sec. 4. Sections 1 and 2 of this act become effective 60 days after approval by the Commissioner of Insurance of all filings made by the Bureau under Section 3 of this act. The remainder of this act is effective upon ratification. This act shall not affect claims arising prior to: nor litigation pending on the effective date of Sections 1 and 2 of this act. This act shall apply only to new and renewal policies written on and after the effective date of Sections 1 and 2 of this act.

AN ACT TO AUTHORIZE THE CITY OF DUNN TO IMPOSE FACILITY FEES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 818 of the 1969 Session Laws, as amended by Chapter 104 of the 1971 Session Laws, being the revised and consolidated Charter of the City of Dunn, is amended by adding a new Article to read:

"ARTICLE XIV. FACILITIES FEES.

"Sec. 14.1. Definitions. The following definitions apply in this act:

(1) ‘Capital costs’ means costs spent for developing community service facilities. Capital costs are limited to capital outlay items listed in the ‘Uniform Local Government Accounting Systems’ procedural manual prepared by the North Carolina Local Government Commission.

(2) ‘Community service facilities’ means the following public facilities or improvements provided or established by the local government or in conjunction with other units of government: streets and sidewalks, water, sewer and drainage projects, parks, open spaces, and recreational facilities and any other capital costs needs of duly constituted departments of city government.

(3) ‘Developer’ means an individual, corporation, partnership, organization, association, firm, political subdivision, or other legal entity constructing or creating new construction.

(4) ‘Facility fee’ means the charge imposed upon new construction under this Article.

(5) ‘New construction’ means any new development, construction, or installation for which a building or zoning permit, certification, or any other type of governmental approval is required. New construction includes the installation of a mobile home, factory-built, or modular housing. New construction does not include: (i) renovation and repair of existing structures, accessory uses and their structures, or additions, unless the renovations, repairs or additions, will cause an increase in off-street parking requirements or a change in occupancy as occupancy is defined by the North Carolina State Building Code; (ii) fences, billboards, poles, pipelines, transmission lines, advertising signs or similar structures that do not generate a need for community facilities.
"Sec. 14.2. The City of Dunn may impose facility fees upon all new construction within the City’s corporate limits and within its extraterritorial jurisdiction for the purpose of placing an equitable share of the cost of providing new community service facilities upon developers and inhabitants of newly developed areas. This Article provides the City with the legal mechanism for imposing facility fees to recover capital costs associated with community service facilities necessitated by rapid and continued growth in the Dunn area. A facility fee ordinance adopted under this Article shall be designed to maintain the level of service presently available within the City.

"Sec. 14.3. (a) The amount of each facility fee imposed shall be uniform and based upon the capital costs to be incurred by the City as a result of the new construction. In establishing the facilities fees, the City shall establish zones within which the costs of providing community service facilities are estimated. Zones may have different facility fees, depending upon the community service facilities available and the extent to which capital costs have been paid in each zone. Facilities upon which fees are based must directly result in additional capital costs, and fees must be expended within the same zone as or otherwise benefit the new construction upon which the fee is imposed. A public hearing shall be held before the zones authorized in this subdivision are established.

(b) The amount of each facility fee shall be based upon documented needs, and specific classifications and rates that shall be uniformly applied. Classifications upon which fees are based must account for the costs and extent of additional burden placed upon community service facilities by different types and sizes of new construction.

(c) Before imposing a facility fee, the City shall prepare or have prepared a report containing:

(1) A description of the anticipated capital cost to the City of each additional or expanded community service facility necessitated by the new construction;

(2) A description of the characteristics of the new construction that necessitate the additional or expanded community service facility, such as, population, trip generation, stormwater runoff and flow characteristics; and

(3) A plan for providing the community service facilities necessitated by the new construction.

"Sec. 14.4. The City may enact regulations as it deems necessary to implement this Article. Before adopting or amending any ordinance authorized by this Article, the City shall hold a public hearing on the ordinance. Notice of any public hearing required under this Article shall be given in accordance with G.S. 160A-364.

1589
"Sec. 14.5. Funds for each community service facility for which a facility fee is collected shall be placed in a separate trust fund. Separate trust funds shall be established for separate zones. All funds shall be expended for the facility for which they were collected. Payment of facility fees does not entitle the payor to any greater right to use or ownership in the facility for which the fee is collected than is shared by the general public.

"Sec. 14.6. The authority provided in this Article is in addition to all other authority provided by law. Assessments and fees authorized by law are not affected by this Article.

"Sec. 14.7. A developer who wishes to challenge a facility fee shall pay the amount charged by the City, clearly identify that payment is made under protest, and give notice of appeal within 30 days after the date that payment under protest is made. The notice required by this section shall be delivered to the city manager by personal service or registered or certified mail, return receipt requested. The City Council shall hold a public hearing to review the appeal within 35 days after receiving the notice of appeal. The decision of the City Council on the appeal is subject to review by the Harnett County Superior Court in the nature of certiorari. A petition for review by the Superior Court shall be filed with the Clerk of Superior Court within 30 days after the date that the City Council delivers its decision in writing, either by personal service, or registered or certified mail, return receipt requested, to the appealing party."

CHAPTER 677

AN ACT TO MAKE CERTAIN TECHNICAL AMENDMENTS TO THE BANKING LAWS.
The General Assembly of North Carolina enacts:

Section 1. G.S. 53-20(h) reads as rewritten:

"(h) Bond of Commissioner of Banks: Surety: Condition: Minimum Penalty. -- Upon taking possession of any bank, the Commissioner of Banks, or the duly appointed agent, shall execute and file a bond payable to the State of North Carolina, with some surety company as surety thereon, with the clerk of the superior court of the county where the bank is located, conditioned upon the faithful performance of all duties imposed by reason of the liquidation of such bank by the said Commissioner of Banks, or the duly appointed agent, or any agent or assistant assisting in the liquidation of the said bank, the penal sum of said bond to be fixed by order of the Commissioner of Banks, which in no case shall be less than five thousand dollars ($5,000). Any person interested, by motion in the pending action, shall be heard by the resident or presiding judge as to the sufficiency of the bond; the judge hearing the motion may thereupon fix the bond; provided, that where such bank under this section is taken possession of by the Commissioner of Banks, he may, in his discretion with the approval of the State Banking Commission, appoint as his agent with the powers, duties and responsibilities of such agent under this section, the Federal Deposit Insurance Corporation or any corporation or agency established under and by virtue of the laws of the United States of America which is established for the purposes for which the said Federal Deposit Insurance Corporation was created under the Banking Act of 1933, enacted by Congress: and provided further that such appointment may be made when and only when the liabilities of such bank to its depositors are insured by said corporation or agency, either in whole or in part. In the event of such appointment such corporation or agency, with the approval of the Commissioner of Banks, may serve as such agent without giving the bond required under all other circumstances in this subsection. Also, in the event of such appointment, the Commissioner of Banks shall thereafter be forever relieved from any and all responsibility and liability in respect to the liquidation of such bank."

Sec. 2. G.S. 53-47 reads as rewritten:

"§ 53-47. Limitations on investment in stocks.

No bank shall make any investment in the capital stock of any other state or national bank: Provided, that nothing herein shall be construed to prevent banks doing business under this Chapter from subscribing to or purchasing, upon such terms as may be agreed upon, the capital stock of clearing corporations as defined in G.S. 25-8-102(3), the capital stock of banks organized under that act of Congress known as the "Edge Act", or the capital stock of central reserve banks whose capital stock exceeds one million dollars
($1,000,000), ($1,000,000), or capital stock of the Federal Home Loan Bank. To constitute a central reserve bank as contemplated by this Chapter, at least fifty percent (50%) of the capital stock of such bank shall be owned by other banks. The investment of any bank in the capital stock of such central reserve bank or bank organized under the act of Congress commonly known as the ‘Edge Act,’ shall at no time exceed ten percent (10%) of the paid-in capital and permanent surplus of the bank making same. No bank shall invest more than seventy-five percent (75%) of its unimpaired capital fund in the stocks of other corporations, firms, partnerships, or companies, unless such stock is purchased to protect the bank from loss. The foregoing limitation shall not apply to stock or ownership interests acquired in corporations, firms, partnerships or companies which hold banking premises or which are bank operating subsidiaries of such bank. The term ‘invest’ shall be deemed to include operating a business entity acquired by the bank, provided, however, that no bank shall make any such investment resulting in operations which are not closely related to banking without the prior written approval of the Commissioner of Banks. The Commissioner of Banks shall monitor the impact of investment activities of banks under this section on the safety and soundness of such banks. Any stocks owned or hereafter acquired in excess of the limitations herein imposed shall be disposed of at public or private sale within six months after the date of acquiring the same, and if not so disposed of they shall be charged to profit and loss account, and no longer carried on the books as an asset. The limit of time in which said stocks shall be disposed of or charged off the books of the bank may be extended by the Commissioner of Banks if in his judgment it is for the best interest of the bank that such extension be granted; provided that the limitations imposed in this section on the ownership of stock in or securities of corporations is suspended to the extent (and to that extent only) that any bank operating under the supervision of the Commissioner of Banks may subscribe for and purchase shares of stock in or debentures, bonds or other types of securities of any corporation organized under the laws of the United States of America for the purpose of insuring to depositors a part or all of their funds on deposit in banks where and to such extent as such stock or security ownership is required in order to obtain the benefits of such deposit insurance for its depositors."

Sec. 3. G.S. 53-59 is repealed.

Sec. 4. G.S. 53-87 reads as rewritten:

"§ 53-87. Directors may declare dividends.

The board of directors of any bank may declare a dividend of so much of its undivided profits as they may deem expedient, subject to the requirements hereinafter provided. When the surplus of any bank
having a capital stock of fifteen thousand dollars ($15,000) or more is less than fifty percent (50%) of its paid-in capital stock. Such bank shall not declare any dividend until it has transferred from undivided profits to surplus twenty-five percent (25%) of said undivided profits, or any lesser percentage that may be required to restore the surplus to an amount equal to fifty percent (50%) of the paid-in capital stock. When the surplus of any bank having a capital stock of less than fifteen thousand dollars ($15,000) is less than one hundred percent (100%) of its paid-in capital stock, such bank shall not declare any dividend until it has transferred from undivided profits to surplus fifty percent (50%) of said undivided profits, or any lesser percentage that may be required to restore the surplus to an amount equal to one hundred percent (100%) of the paid-in capital stock. In order to ascertain the undivided profits from which such dividend may be made, there shall be charged and deducted from the actual profits:

(1) All ordinary and extraordinary expenses, paid or incurred, in managing the affairs and transacting the business of the bank;

(2) Interest paid or then due on debts which it owes;

(3) All taxes due;

(4) All overdrafts over one thousand dollars ($1,000) which have been standing on the books of the bank for a period of 60 days or longer;

(5) All losses sustained by the bank. In computing the losses, there shall be included debts owing the bank which have become due and are not in process of collection, and on which interest for one year or more is due and unpaid, unless said debts are well secured; and debts reduced to final judgments which have been unsatisfied for more than one year and on which no interest has been paid for a period of one year, unless said judgments are well secured.

(6) All investments carried on its books, which are prohibited under the provisions of this Chapter, or rules and regulations made by the Commissioner of Banks, pursuant to the powers conferred under this Chapter.

Sec. 5. Article 7 of Chapter 53 is amended by adding a new section to read:

"§ 53-91.1. Assets to be written off.

Every bank doing business under this Chapter shall be required to write off any asset, or portion thereof, which, following the most recent report of examination issued by the Commissioner of Banks, is classified as uncollectible. Provided, however, such asset need not be written off if the same is secured by collateral acceptable to the Commissioner."

1695
Sec. 6. Article 8 of Chapter 53 of the General Statutes is amended by adding two new sections to read:

"§ 53-107.1. Administrative orders; penalties for violation.
(a) In addition to any other powers conferred by this Chapter, the Commissioner shall have the power to:

(1) Order any bank, trust company, or subsidiary thereof, or any director, officer, or employee to cease and desist violating any provision of this Chapter or any lawful regulation issued thereunder; and

(2) Order any bank, trust company, or subsidiary thereof, or any director, officer, or employee to cease and desist from a course of conduct that is unsafe or unsound and which is likely to cause insolvency or dissipation of assets or is likely to jeopardize or otherwise seriously prejudice the interests of a depositor.

(b) Consistent with Article 3A of Chapter 150B of the General Statutes, notice and opportunity for hearing shall be provided before any of the foregoing actions shall be undertaken by the Commissioner. Provided, however, in cases involving extraordinary circumstances requiring immediate action, the Commissioner may take such action, but shall promptly afford a subsequent hearing upon application to rescind the action taken.

(c) The Commissioner shall have the power to subpoena witnesses, compel their attendance, require the production of evidence, administer oaths, and examine any person under oath in connection with any subject related to a duty imposed or a power vested in the Commissioner.

(d) The Commissioner may impose a civil money penalty of not more than one thousand dollars ($1,000) for each violation by any bank, trust company, or subsidiary thereof, or any director, officer, or employee of an order issued under subdivision (1) of subsection (a) of this section. Provided further, the Commissioner may impose a civil money penalty of not more than five hundred dollars ($500.00) per day for each day that a bank, trust company, or subsidiary thereof, or any director, officer, or employee violates a cease and desist order issued under subdivision (2) of subsection (a) of this section. All civil money penalties collected under this section shall be deposited in the General Fund.

"§ 53-107.2. Review by the Banking Commission; additional penalties.
(a) Administrative orders issued by the Commissioner of Banks and civil money penalties imposed for violation of such orders shall be subject to review by the Banking Commission which shall have power to amend, modify, or disapprove the same at any regular or special meeting.
(b) Notwithstanding any penalty imposed by the Commissioner of Banks, the Banking Commission may after notice of and opportunity for hearing, impose, enter judgment for, and enforce by appropriate process, a penalty of not more than ten thousand dollars ($10,000) against any bank, trust company, or subsidiary thereof, or against any of its directors, officers, or employees for violating any lawful orders of the Commission or Commissioner of Banks. All civil money penalties collected under this section shall be deposited in the General Fund.

Sec. 7. G.S. 53-110 reads as rewritten:
"§ 53-110. Banking Commission to prescribe books, records, etc.: retention, reproduction and disposition of records.
(a) Whenever in its judgment it may appear to be advisable, the State Banking Commission may issue such rules, instructions, and regulations prescribing the manner of keeping books, accounts, and records of banks as will tend to produce uniformity in the books, accounts, and records of banks of the same class.
(b) The following provisions shall be applicable to banks and trust companies operating under Chapter 53 of the General Statutes and amendments thereto, and to national banking associations insofar as this section does not contravene paramount federal law:
(1) Each bank shall retain permanently the minute books of meetings of its stockholders and directors, its capital stock ledger and capital stock certificate ledger or stubs, and all records which the Banking Commission shall in accordance with the terms of this section require to be retained permanently.
(2) All other bank records shall be retained for such periods as the Banking Commission shall in accordance with the terms of this section prescribe.
(3) The Banking Commission shall from time to time issue regulations classifying all records kept by banks and prescribing the period for which records of each class shall be retained. Such periods may be permanent or for a lesser term of years. Such regulations may from time to time be amended or repealed, but any amendment or repeal shall not affect any action taken prior to such amendment or repeal. Prior to issuing any such regulations the Commission shall consider:
   a. Actions at law and administrative proceedings in which the production of bank records might be necessary or desirable;
   b. State and federal statutes of limitation applicable to such actions or proceedings;"
c. The availability of information contained in bank records from other sources; and

d. Such other matters as the Banking Commission shall deem pertinent in order that its regulation will require banks to retain their records for as short a period as is commensurate with the interest of bank customers and stockholders and of the people of this State in having bank records available.

(4) Any bank may cause any or all records kept by it to be recorded, copied or reproduced by any photographic, photostatic or miniature photographic or reproduction process of any kind which is capable of conversion into written form within a reasonable time and which correctly, accurately, and permanently copies, reproduces or forms a medium for copying or reproducing the original record on a film or other durable material.

(5) Any such photographic, photostatic or miniature photographic copy or reproduction of any kind, including electronic or computer-generated data, which is capable of conversion into written form within a reasonable time, shall be deemed to be an original record for all purposes and shall be treated as an original record in all courts and administrative agencies for the purpose of its admissibility in evidence. A facsimile, exemplification or certified copy of any such photographic copy or reproduction shall, for all purposes, be deemed a facsimile, exemplification or certified copy of the original record.

(6) Any bank may dispose of any record which has been retained for the period prescribed by the Banking Commission or in accordance with the terms of this section for retention of records for its class."

Sec. 8. G.S. 53-84 reads as rewritten:

"§ 53-84. Depositories designated by directors.

By resolution of the board of directors, other banks organized under the laws of this State, or of another state, or of the National Banking Act of the United States under the laws of the United States, shall be designated as depositories or reserve banks in which a part of such bank’s reserve shall be deposited, subject to payment on demand. A copy of such resolution shall, upon its adoption, be forthwith certified to the Commissioner of Banks and the depository so designated shall be subject to the approval of the Commissioner of Banks. For causes which he may deem adequate, the Commissioner of Banks shall have authority at any time to withdraw such approval."
A bank may deposit funds in a bank of a foreign country, but such deposits shall not constitute any part of its reserve as defined in G.S. 53-51."

Sec. 9. This act becomes effective October 1, 1991.
In the General Assembly read three times and ratified this the 13th day of July, 1991.

(a) This act shall be known and cited as the North Carolina International Banking Act.

(b) This Article is intended to set forth the terms and conditions under which an international banking corporation may enter and do business in North Carolina.

A business location of a representative of an international banking corporation, other than a federal international bank institution, established to act in a liaison capacity with existing and potential customers of the international banking corporation and to generate new
loans and other activities for the international banking corporation that is operating outside the State.

(b) Legal and financial terms used in this Article refer to equivalent terms used by the country in which the international banking corporation is organized.

"§ 53-232.3. Authority to establish and operate federal international bank institutions, international bank branches, international bank agencies, and international representative offices.

(a) An international banking corporation with a home state other than North Carolina may establish and operate, directly or indirectly, a federal international bank institution in this State in accordance with applicable federal law.

(a) International banking corporations, other than federal international bank institutions, are subject to Articles 1 through 14 and Articles 17 and 18 of this Chapter, except where it appears, from the context or otherwise, that a provision is clearly applicable only to banks or trust companies organized under the laws of this State or the United States. An international banking corporation has no greater right under, or by virtue of, this Article than is granted to banks organized under the laws of this State.
CHAPTER 679

(b) Nothing in this Article is construed as granting any authority, directly or indirectly, for a domestic bank or domestic bank holding company, the operations of which are conducted principally outside this State, to operate a branch in this State or to acquire, directly or indirectly, any voting shares of, or interest in, or all or substantially all of the assets of a bank in this State.

Notwithstanding the definition of the term ‘foreign corporation’ in G.S. 55-1-40(10), Article 15 of Chapter 55, relating to foreign corporations, where it is not inconsistent with Chapter 53, shall apply to all international banking corporations doing business in this State.

2. Has furnished to the Commissioner any proof as to the nature and character of its business and as to its financial condition as the Commissioner may require;

3. Has filed with the Commissioner:
   a. A duly executed instrument in writing, by its terms of indefinite duration and irrevocable, appointing the Commissioner its true and lawful attorney upon whom all process in any action against it may be served with the same force and effect as if it were a domestic corporation and had been lawfully served with process within the State;
   b. A written certificate of designation, which may be changed from time to time thereafter by the filing of a new certificate of designation, specifying the name and address of the officer, agent, or other person to whom the Commissioner shall forward the process; and
   c. A certified copy of that information required to be supplied by foreign corporations to the Secretary of State by Article 15 of Chapter 55 of the General Statutes.

4. Has paid to the Commissioner the fee established by regulation to defray the cost of investigation and supervision;

5. Has received a license duly issued to it by the Commissioner.
(b) The Commissioner shall not issue a license to an international banking corporation unless it is chartered in a foreign country that permits banks chartered in the United States or any of its states to establish similar facilities in that country.

§ 53-232.7. Actions against international banking corporations.

(a) A resident of this State may maintain an action against an international banking corporation doing business in this State for any cause of action. For purposes of this subsection, the term 'resident of this State' includes any individual domiciled in this State, or any corporation, partnership, or trust formed under the laws of this State.

(b) An international banking corporation or a nonresident of this State may maintain an action against an international banking corporation doing business in this State in the following cases only:

(1) Where the action is brought to recover damages for the breach of a contract made or to be performed within this State or relating to property situated within this State at the time of the making of the contract;

(2) Where the subject matter of the litigation is situated within this State;

(3) Where the cause of action arose within this State, except where the object of the action is to affect the title of real property situated outside this State; or

(4) Where the action is based on a liability for acts done within this State by an international banking corporation or its international bank agency, international bank branch, or international representative office.

(c) The limitations contained in subsection (b) of this section do not apply to a corporation formed and existing under the laws of the United States and that maintains an office in this State.

(a) Every international banking corporation, before being licensed by the Commissioner to transact a banking business in this State as an international bank branch or as an international bank agency or before maintaining in this State any office to carry on a banking business or any part of a banking business, shall subscribe and acknowledge and submit to the Commissioner, at the Commissioner's office, a separate application, in duplicate, which shall state:

(1) The name of the international banking corporation;

(2) The location by street and post office address and county where its business is to be transacted in this State and the name of the person who is in charge of the business and affairs of the office;

(b) When the application is submitted to the Commissioner, the corporation shall also submit a duly authenticated copy of its Articles of Incorporation, or equivalent corporate document, and an authenticated copy of its bylaws, or an equivalent of the bylaws that is satisfactory to the Commissioner, and pay an investigation and supervision fee to be established by regulation. The international banking corporation shall also submit to the Commissioner a certificate issued by the banking or supervisory authority of the country in which the international banking corporation is organized and licensed stating that the international banking corporation is duly organized and licensed and lawfully existing in good standing, and is empowered to conduct a general banking business.

(c) The Commissioner may approve or disapprove the application, but the Commissioner shall not approve the application unless, in the Commissioner's opinion, the applicant meets every requirement of this Article and any other applicable provision of this Chapter and any regulations adopted under this Chapter. The Commissioner may specify any conditions as the Commissioner deems appropriate, considering the public interest, the need to maintain a sound and competitive banking system, and the preservation of an environment conducive to the conduct of an international banking business in this State.

(d) An international banking corporation may operate more than one international bank branch in this State, each at a different place of business, provided each branch office is separately licensed to transact a banking business or any part of a banking business under this Article. An international banking corporation may operate more than one international bank agency in this State, each at a different place of business, provided each agency office is separately licensed to transact a banking business or any part of a banking business under this Article.

(e) Notwithstanding subsection (d) of this section, no international banking corporation licensed to maintain one or more international bank branches in this State shall be licensed to maintain an
international bank agency in this State except upon termination of the operation of its international bank branches under G.S. 53-232.13(b), and no international banking corporation licensed to maintain one or more international bank agencies in this State shall be licensed to maintain an international bank branch in this State except upon the termination of the operation of its international bank agencies under G.S. 53-232.13(b).

"§ 53-232.9. Effect, renewal, and revocation of licenses; permissible activities.

(a) When the Commissioner has issued a license to an international banking corporation, it may engage in the business authorized by this Article at, and only at, the office specified in the license for a period not exceeding one year from the date of the license or until the license is surrendered or revoked. No license is transferable or assignable. Every license shall be, at all times, conspicuously displayed in the place of business specified in the license.

(b) The international banking corporation may renew the license annually upon application to the Commissioner upon forms to be supplied by the Commissioner for that purpose. The application for renewal shall be submitted to the Commissioner no later than 60 days before the expiration of the license. The license may be renewed by the Commissioner upon a determination, with or without examination, that the international banking corporation is in a safe and satisfactory condition, that it has complied with applicable requirements of law, and that the renewal of the license is proper and has been duly authorized by proper corporate action. Each application for renewal of an international banking corporation license shall be accompanied by an annual renewal fee to be determined by the Commissioner by regulation.

(c) The Commissioner may revoke the license, with or without examination, upon a determination that the international banking corporation does not meet the criteria established by subsection (b) of this section for renewal of licenses.

(d) If the Commissioner refuses to renew the license and, as a result, the license is revoked, all the rights and privileges of the international banking corporation to transact the business for which it was licensed shall immediately cease, and the license shall be surrendered to the Commissioner within 24 hours after written notice of the decision has been mailed by the Commissioner to the registered office of the international banking corporation set forth in its application, as amended, or has been personally delivered to any officer, director, employee, or agent of the international banking corporation who is physically present in this State.
(e) An international banking corporation licensed under this Article to carry on business in this State as an international bank branch may conduct a general banking business, including the right to receive deposits and exercise fiduciary powers, through its international bank branch in the same manner as banks existing under the laws of this State and under applicable federal law.

(f) An international banking corporation licensed under this Article to carry on business in this State as an international bank agency may conduct a general banking business through its international bank agency in the same manner as banks existing under the laws of this State, except that no international banking corporation shall, through its bank agency, exercise fiduciary powers or receive deposits, but may maintain for the account of others credit balances incidental to or arising out of the exercise of its lawful powers.

"§ 53-232.10. Securities, etc., to be held in this State.

(a) An international banking corporation licensed under this Article shall hold, at its office in this State, currency, bonds, notes, debentures, drafts, bills of exchange, or other evidence of indebtedness or other obligations payable in the United States or in United States funds or, with the prior approval of the Commissioner, in funds freely convertible into United States funds in an amount that is not less than one hundred eight percent (108%) of the aggregate amount of liabilities of the international banking corporation payable at or through its office in this State or as a result of the operations of the international bank branch or international bank agency, including acceptances, but excluding:

(1) Accrued expenses; and

(2) Amounts due and other liabilities to other offices, agencies, or branches of and wholly owned, except for a nominal number of directors' shares, subsidiaries of the international banking corporation.

(b) For the purpose of this Article, the Commissioner shall value marketable securities at principal amount or market value, whichever is lower, and may determine the value of any nonmarketable bond, note, debenture, draft, bill of exchange, or other evidence of indebtedness or of any other obligation held by or owed to the international banking corporation in this State. In determining the amount of assets for the purpose of computing the above ratio of assets, the Commissioner may exclude any particular assets, but may give credit, subject to any rules adopted by the Commissioner, to deposits and credit balances with unaffiliated banking institutions outside this State if the deposits or credit balances are payable in United States funds or in currencies freely convertible into United States funds. In no case shall credit given for the deposits and credit balances exceed the credit allowed by law for the same.
balances exceed in aggregate amounts any percentage, but not less than eight percent (8%), as the Commissioner may from time to time prescribe, of the aggregate amount of liabilities of the international banking corporations.

(c) If, by reason of the existence or the potential occurrence of unusual or extraordinary circumstances, the Commissioner considers it necessary or desirable for the maintenance of a sound financial condition, for the protection of creditors and the public interest, and to maintain public confidence in the business of the international bank agency of the international banking corporation, the Commissioner may reduce the credit to be given as provided in this section for deposits and credit balances with unaffiliated banking institutions outside this State and may require the assets to be held in this State under this Article with any bank or trust company existing under the laws of this State that the international banking corporation designates and the Commissioner approves.

(d) An international bank branch and international bank agency shall file any reports with the Commissioner as the Commissioner may require in order to determine compliance by the international bank branch or international bank agency with this section.

"§ 53-232.11. Financial certification; restrictions on investments, loans, and acceptances.

(a) Before opening an office in this State, and annually thereafter so long as a bank office is maintained in this State, an international banking corporation licensed under this Article shall certify to the Commissioner the amount of its paid-in capital, its surplus, and its undivided profits, each expressed in the currency of the country of its incorporation. The dollar equivalent of this amount, as determined by the Commissioner, is considered to be the amount of its capital, surplus, and undivided profits.

(b) Purchases and discounts of bills of exchange, bonds, debentures, and other obligations and extensions of credit and acceptances by an international bank agency within this State are subject to the same limitations as to amount in relation to capital, surplus, and undivided profits as are applicable to banks organized under the laws of this State. With the prior approval of the Commissioner, the capital notes and capital debentures of the international banking corporation may be treated as capital in computing the limitations.

"§ 53-232.12. Reports.

(a) An international banking corporation licensed under this Article shall, at the times and in the form prescribed by the Commissioner, make written reports in the English language to the Commissioner, under the oath of one of its officers, managers, or agents transacting
business in this State, showing the amount of its assets and liabilities and containing any other matters required by the Commissioner. If an international banking corporation fails to make a report, as directed by the Commissioner, or if a report contains a false statement knowingly made, this is grounds for revocation of the license of the international banking corporation.

(b) G.S. 53-105 shall not apply to international banking corporations.

(a) When an international banking corporation licensed to maintain an international bank branch or an international bank agency in this State is dissolved or its authority or existence is otherwise terminated or canceled in the jurisdiction of its incorporation, a certificate of the official responsible for records of banking corporations of the jurisdiction of incorporation of the international banking corporation attesting to the occurrence of this event or a certified copy of an order or decree of a court of the jurisdiction directing the dissolution of the international banking corporation or the termination of its existence or the cancellation of its authority shall be delivered to the Commissioner. The filing of the certificate, order, or decree has the same effect as the revocation of the international banking corporation's license as provided in G.S. 53-232.9(d).

(b) An international banking corporation that proposes to terminate the operation in this State of an international bank branch, an international bank agency, or an international representative office in this State shall comply with any procedures as the Commissioner may prescribe by rule to insure an orderly cessation of business in a manner that is not harmful to the public interest and shall surrender its license to the Commissioner or shall surrender its right to maintain an office in this State, as applicable.

(c) The Commissioner shall continue as agent of the international banking corporation upon whom process against it may be served in any action based upon any liability or obligation incurred by the international banking corporation within this State before the filing of the certificate, order, or decree; and the Commissioner shall promptly cause a copy of the process to be mailed by registered or certified mail, return receipt requested, to the international banking corporation at the post office address specified for this purpose on file with the Commissioner's office.

(a) An international banking corporation that does not transact a banking business or any part of a banking business in or through an office in this State, but maintains an office in this State for other
purposes is considered to have an international representative office in this State.

(b) An international representative office located in this State shall register with the Commissioner annually on forms prescribed by the Commissioner. The registration shall be filed before January 31 of each year, shall be accompanied by a registration fee prescribed by regulation, and shall list the name of the local representative, the street address of the office, and the nature of the business to be transacted in or through the office.

(c) The Commissioner may review the operations of an international representative office annually or at any greater frequency as is necessary to assure that the office does not transact a banking business.

(d) An international banking corporation desiring to convert its existing registered international representative office to a licensed international bank branch or licensed international bank agency shall submit to the Commissioner the application required by G.S. 53-232.8, and is required to meet the minimum criteria for licensing of an international bank branch or licensed international bank agency under this Article.

(e) An international representative office may act in a liaison capacity with existing and potential customers of an international banking corporation and in undertaking these activities may, through its employees or agents, without limitation, solicit loans, assemble credit information, make proprietary inspections and appraisals, complete loan applications and other preliminary paperwork in preparation for making a loan, but may not solicit or accept deposits. No international representative office shall conduct any banking business or part of a banking business in this State.

The Banking Commission may adopt rules necessary to implement this Article.

Upon a finding that any action of an international banking corporation or its international banking agency, international banking branch, or international representative office subject to this Article may be in violation of any North Carolina banking law, the Commissioner, after a reasonable notice to the international banking corporation, international bank agency, international bank branch, or international representative office and an opportunity for it to be heard, may order it to cease and desist from the action. If the international banking corporation, international bank agency, international bank branch, or international representative office fails to appeal the decision in accordance with G.S. 53-232.17 and continues
to engage in the action in violation of the Commissioner's order to cease and desist the action, it is subject to a penalty of one thousand dollars ($1,000), to be recovered with costs by the Commissioner in any court of competent jurisdiction in a civil action prosecuted by the Commissioner. This penalty is in addition to and not in lieu of any other law applicable to the failure of an international banking corporation, international bank agency, international bank branch, or international representative office to comply with an order of the Commissioner. All civil money penalties collected under this section shall be deposited in the General Fund.

"§ 53-232.17. Appeal of Commissioner's decision.

Notwithstanding any other law, an aggrieved party may, within 30 days after final decision of the Commissioner and by written notice to the Commissioner, appeal directly to the North Carolina Court of Appeals for judicial review on the record. In the event of an appeal, the Commissioner shall certify the record to the Clerk of the Court of Appeals within 30 days thereafter. The record shall include all memoranda, briefs, and any other documents, data, information, or evidence submitted by any party to the proceeding, except for material such as trade secrets normally not available through commercial publication of which the party has made a claim of confidentiality and requested exclusion from the record which the Commissioner deems confidential. All factual information contained in any report of examination or investigation submitted to or obtained by the Commissioner's staff is also made a part of the record unless deemed confidential by the Commissioner."

"§ 54C-19. Time allowed to commence business.
A newly chartered savings bank shall commence business within one year after the date upon which its corporate existence began. A savings bank that does not commence business within this time, shall forfeit its corporate existence, unless the Administrator, before the expiration of the one year period, approves an extension of the time within which the association may commence business, upon a written request stating the reasons for the request. Upon forfeiture, the certificate of incorporation shall expire, and any and all action taken in connection with the incorporation and chartering of the savings bank, with the exception of fees paid to the Division, shall become null and void. The Administrator shall determine if a savings bank has failed to commence business within one year, without extension as provided in this section, and shall notify the Secretary of State and the register of deeds in the county in which the savings bank is located that the certificate of incorporation has expired.

§ 54C-20. Licensing.
A newly chartered savings bank is entitled to a license to operate upon payment to the Division of the appropriate license fee as prescribed by the Administrator, when it shows to the satisfaction of the Administrator evidence of capable, efficient, and equitable management, that the organization of the savings bank has been conducted lawfully and is complete, and when it passes a final inspection by the Administrator or the Administrator’s representative preceding the opening of its doors for business.

§ 54C-21. Amendments to certificate of incorporation.
(a) An amendment to the certificate of incorporation of a State savings bank shall be made at any annual or special meeting of the savings bank, held in accordance with G.S. 54C-106 and G.S. 54C-107, by a majority of votes or shares cast by members or stockholders present in person or by proxy at the meeting. Any amendment shall be certified by the appropriate corporate official, submitted to the Administrator for approval or rejection, and if approved, then certified by the Administrator and recorded as provided in G.S. 54C-14 for certificates of incorporation.

(b) Notwithstanding subsection (a) of this section, a State savings bank may change its registered office or its registered agent, or both, in accordance with G.S. 55-5-02. The savings bank shall file a copy of the statement or certificate certified by the Secretary of State in the office of the Administrator.

§ 54C-22. List of stockholders to be maintained.
A stock savings bank organized and operated under this Chapter shall, at all times, keep a current list of the names of all its stockholders. Whenever called upon by the Administrator, a stock savings bank shall file in the office of the Administrator a correct list
of all its stockholders, the resident address of each, the number of shares of stock held by each, and the dates of issue.

§ 54C-23. Branch offices.

(a) A State savings bank may apply to the Administrator for permission to establish a branch office. The application shall be in the form prescribed by the Administrator and shall be accompanied by the proper branch application fee. The Administrator shall approve or deny branch applications within 120 days of filing.

(b) The Administrator shall approve a branch application when all of the following criteria are met:

1. The applicant has gross assets of at least ten million dollars ($10,000,000).
2. The applicant has evidenced financial responsibility.
3. The applicant has a net worth equal to or exceeding the amount required by the insurer of deposit accounts.
4. The applicant has an acceptable internal control system that includes certain basic internal control requirements essential to the protection of assets and the promotion of operational efficiency regardless of the size of the applicant.

(c) Upon receipt of a branch application, the Administrator shall examine or cause to be examined all the relevant facts connected with the establishment of the proposed branch office. If it appears to the satisfaction of the Administrator that the applicant has complied with all the requirements set forth in this section and the regulations for the establishment of a branch office and that the savings bank is otherwise lawfully entitled to establish the branch office, then the Administrator shall approve the branch application.

(d) Not more than 10 days following the filing of the branch application with the Administrator, the applicant shall cause a notice to be published in a newspaper of general circulation in the area to be served by the proposed branch office. The notice shall contain:

1. A statement that the branch application has been filed with the Administrator;
2. The proposed address of the branch office, including city or town and street; and
3. A statement that any interested or affected party may file a written statement with the Administrator, within 30 days of the date of the publication of the notice, protesting the establishment of the proposed branch office and requesting a hearing before the Administrator on the application.

(e) Any interested or affected party may file a written statement with the Administrator within 30 days of the date of initial publication of the branch application notice, protesting the establishment of the proposed branch office and requesting a hearing before the
Administrator on the application. If a hearing is held on the branch application, the Administrator shall receive information and hear testimony only from the applicant and from any interested or affected party that is relevant to the branch application and the operation of the proposed branch office. The Administrator shall issue the final decision on the branch application within 30 days following the hearing. The final decision shall be in accordance with Chapter 150B of the General Statutes.

(f) If a hearing is not held on the branch application, the Administrator shall issue the final decision within 120 days of the filing of the application. The final decision shall be in accordance with Chapter 150B of the General Statutes.

(g) A party to a branch application may appeal the final decision of the Administrator to the Commission at any time after the final decision, but not later than 30 days after a written copy of the final decision is served upon the party and the party's attorney of record by personal service or by certified mail. Failure to file an appeal within the time stated shall operate as a waiver of the right of the party to review by the Commission and by a court of competent jurisdiction in accordance with Chapter 150B of the General Statutes, relating to judicial review.

§ 54C-24. Request to change location of a branch or principal office.

The board of directors of a State savings bank may change the location of a branch office or the principal office of the savings bank with the prior written approval of the Administrator. The Administrator may request, and the savings bank shall provide, any information that the Administrator determines is necessary to evaluate the request.

§ 54C-25. Approval revoked; branch office.

The Commission may, for good cause and after a hearing, order the closing of a branch office. The order shall be made in writing to the savings bank and shall fix a reasonable time after which the savings bank shall close the branch office.

§ 54C-26. Branch offices closed.

The Board of a State savings bank may discontinue the operation of a branch office upon giving at least 30 days prior written notice to the Administrator, the notice to include the date upon which the branch office shall be closed.

§ 54C-27. Loan production office.

A State savings bank may open or close a loan production office with the prior written approval of the Administrator. The Administrator may request, and the savings bank shall provide, any information that the Administrator determines is necessary to evaluate the request.

"ARTICLE 3.

"Corporate Changes.

"§ 54C-30. Conversion to savings bank.

(a) An association or State or national bank, upon a majority vote of its board of directors, may apply to the Administrator for permission to convert to a State savings bank and for certification of appropriate amendments to its certificate of incorporation to effect the change. Upon receipt of an application to convert to a State savings bank, the Administrator shall examine all facts connected with the conversion. The depository institution applying for permission to convert shall pay all the expenses and cost of the examination.

(b) The converting depository institution shall submit a plan of conversion as a part of the application to the Administrator. The Administrator may approve it with or without amendment. If the Administrator approves the plan, then the plan shall be submitted to the members or stockholders as provided in subsection (c) of this section. If the Administrator refuses to approve the plan, the objections shall be stated in writing and the converting depository institution shall be given an opportunity to amend the plan to obviate the objections or to appeal the Administrator's decision to the Commission.

(c) After lawful notice to the members or stockholders of the converting depository institution and full and fair disclosure, the substance of the plan shall be approved by a majority of the total votes that members or stockholders of the institution are eligible and entitled to cast. The vote by the members or stockholders may be in person or by proxy. Following the vote of the members or stockholders, the results of the vote certified by an appropriate officer of the converting depository institution shall be filed with the Administrator. The Administrator shall then either approve or disapprove the requested conversion to a State savings bank. After approval of the conversion, the Administrator shall supervise and monitor the conversion process and shall ensure that the conversion is conducted lawfully and under the approved plan of conversion.

"§ 54C-31. Conversion from State to federal charter.

A State savings bank, stock or mutual, organized and operated under this Chapter, may convert to a federal charter in accordance with the laws and regulations of the United States and with the same force and effect as though originally incorporated under these laws. The procedure to effect this conversion is as follows:

(1) The savings bank shall submit a plan of conversion to the Administrator, who may approve the plan, with or without amendment, or refuse to approve the plan. If the
Administrator approves the plan, then the plan shall be submitted to the members or stockholders as provided in the subdivision (2) of this section. If the Administrator refuses to approve the plan, the objections shall be stated in writing and the converting savings bank shall be given an opportunity to amend the plan to obviate the objections or to appeal the Administrator’s decision to the Commission.

(2) A meeting of the members or stockholders shall be held upon not less than 15 days' notice to each member or stockholder. Notice of the meeting may be mailed to each member or stockholder, postage prepaid, to the last known address, or the board of directors may cause notice of the meeting to be published, once a week for two weeks preceding the meeting, in a newspaper of general circulation in the county where the savings bank has its principal office. It is regarded as sufficient notice of the purpose of the meeting if the notice contains substantially the following statement: "The purpose of this meeting is to consider the conversion of this State chartered savings bank to a federal charter, under the laws of the United States."

An appropriate officer of the savings bank shall make proof by affidavit at the meeting of due service of the notice or call for the meeting.

(3) At the meeting of the members or stockholders of the savings bank, the members or stockholders may, by affirmative vote of a majority of votes or shares present, in person or by proxy, resolve to convert the savings bank to a federal charter. A copy of the minutes of the meeting of the members or stockholders certified by an appropriate officer of the savings bank shall be filed in the office of the Administrator. The certified copy when so filed is prima facie evidence of the holding and the action of the meeting.

(4) Within a reasonable time after the receipt of a certified copy of the minutes, the Administrator shall either approve or disapprove the proceedings of the meeting for compliance with the procedure set forth in this section. If the Administrator approves the proceedings, the Administrator shall issue a certificate of approval of the conversion. The savings bank shall record the certificate in the office of the Secretary of State. If the Administrator disapproves the proceedings, the Administrator shall provide a written explanation of the disapproval and notify the savings bank of the disapproval. The savings bank may appeal a disapproval to the Commission.
(5) The savings bank shall file an application, in the manner prescribed or authorized by the laws and regulations of the United States, to consummate the conversion to a federal charter. A copy of the charter or authorization issued to the savings bank by the appropriate federal regulatory authority shall be filed with the Administrator. Upon filing with the Administrator, the savings bank shall cease to be a State savings bank and shall be a federal depository institution.

(6) Whenever any savings bank converts to a federal charter it shall cease to be a savings bank under the laws of this State, except that its corporate existence is deemed to be extended for the purpose of prosecuting or defending suits by or against it and of enabling it to close its business affairs as a State savings bank and to dispose of and convey its property. At the time when the conversion becomes effective all the property of the State savings bank including all its rights, title, and interest in and to all property of whatever kind, whether real, personal or mixed, and things in action, and every right, privilege, interest, and asset of any conceivable value or benefit then existing, belonging or pertaining to it, or which would inure to it, shall immediately by act of law and without any conveyance or transfer, and without any further act or deed, be vested in and become the property of the federal depository institution, which shall have, hold and enjoy the same in its own right as fully and to the same extent as the same was possessed, held, and enjoyed by the savings bank; and the federal depository institution as of the effective time of the conversion shall succeed to all the rights, obligations, and relations of the State savings bank.

"§ 54C-32. Simultaneous charter and ownership conversion.

(a) In the event of a State charter to federal charter conversion, when the form of ownership will also simultaneously be changed from stock to mutual, or from mutual to stock, the conversion shall proceed initially as if it involves only a charter conversion, under G.S. 54C-31. After the savings bank becomes a federal depository institution, then the federal regulatory authority shall govern the continuing conversion of the form of ownership of the newly converted depository institution.

(b) In the event of a federal charter to State charter conversion, when the form of ownership will also simultaneously be changed from stock to mutual or from mutual to stock, the conversion shall proceed initially as if it involves only a charter conversion under G.S. 54C-30.
After the federal depository institution becomes a State savings bank, G.S. 54C-33 or G.S. 54C-34 shall govern the continuing conversion of the form of ownership of the newly converted savings bank.

(c) This section shall not apply to any simultaneous charter and ownership conversion accomplished in conjunction with a merger under G.S. 54C-39.

"§ 54C-33. Conversion of mutual to stock savings bank.

(a) A mutual savings bank may convert from mutual to the stock form of ownership as provided in this section.

(b) A mutual savings bank may apply to the Administrator for permission to convert to a stock savings bank and for certification of appropriate amendments to the savings bank's certificate of incorporation. Upon receipt of an application to convert from mutual to stock form the Administrator shall examine all facts connected with the requested conversion. The savings bank applying for permission to convert shall pay all expenses and cost of the examination, monitoring, and supervision.

(c) The savings bank shall submit a plan of conversion as a part of the application to the Administrator. The Administrator may approve it with or without amendment, if it appears that:

1. After conversion the savings bank will be in sound financial condition and will be soundly managed;
2. The conversion will not impair the capital of the savings bank nor adversely affect the savings bank's operations;
3. The conversion will be fair and equitable to the members of the savings bank and no person whether member, employee, or otherwise, will receive any inequitable gain or advantage by reason of the conversion;
4. The savings bank services provided to the public by the savings bank will not be adversely affected by the conversion;
5. The substance of the plan has been approved by a vote of two-thirds of the board of directors of the savings bank;
6. All shares of stock issued in connection with the conversion are offered first to the members of the savings bank;
7. All stock shall be offered to members of the savings bank and others in prescribed amounts and otherwise under a formula and procedure that is fair and equitable and will be fairly disclosed to all interested persons; and
8. The plan provides a statement as to whether stockholders shall have preemptive rights to acquire additional or treasury shares of the savings bank.

If the Administrator approves the plan, then the plan shall be submitted to the members as provided in subsection (d) of this section.
If the Administrator refuses to approve the plan, the Administrator shall state the objections in writing and give the converting savings bank an opportunity to amend the plan to obviate the objections or to appeal the Administrator's decision to the Commission.

(d) After lawful notice to the members of the savings bank and full and fair disclosure, the substance of the plan shall be approved by a majority of the total votes that members of the savings bank are eligible and entitled to cast. The vote by the members may be in person or by proxy. Following the vote of the members, the results of the vote certified by an appropriate officer of the savings bank shall be filed with the Administrator. The Administrator shall then either approve or disapprove the requested conversion. After approval of the conversion, the Administrator shall supervise and monitor the conversion process and shall ensure that the conversion is conducted lawfully and under the savings bank's approved plan of conversion.

(e) Any rules that the Administrator may adopt to govern conversions shall equal or exceed the requirements for conversion, if any, imposed by the federal insurer of deposit accounts.

§ 54C-34. Conversion of stock savings bank to mutual savings bank.

A stock savings bank organized and operating under this Chapter may, subject to the approval of the Administrator, convert to a mutual savings bank under this section. Any rules that the Administrator may adopt governing the conversion of stock savings banks to mutual savings banks shall include requirements that:

(1) The conversion neither impair the capital of the converting savings bank nor adversely affect its operations;

(2) The conversion shall be fair and equitable to all stockholders of the converting savings bank;

(3) The public shall not be adversely affected by the conversion;

(4) Conversion of a savings bank shall be accomplished only under a plan approved by the Administrator. The plan shall have been approved by an affirmative vote of two-thirds of the members of the board of directors of the converting savings bank, after a full and fair disclosure to the stockholders, by an affirmative vote of a majority of the total votes that stockholders of the savings bank are eligible and entitled to cast; and

(5) The plan of conversion provides that:

a. Deposit accounts be issued in connection with the conversion to the stockholders of the converting savings bank;

b. A uniform date be fixed for the determination of the stockholders to whom, and the amount to each
stockholder of which, deposit accounts shall be made available; and

c. Deposit accounts so made available to stockholders be based upon a fair and equitable formula approved by the Administrator and fully and fairly disclosed to the stockholders of the converting savings bank.

§ 54C-35. Merger of like savings banks.

Any two or more mutual savings banks or any two or more stock savings banks organized and operating, may merge or consolidate into a single savings bank. The procedure to effect the merger is as follows:

(1) The directors, or a majority of them, of the savings banks that desire to merge may, at separate meetings, enter into a written agreement of merger signed by them and under the corporate seals of the respective savings banks specifying each savings bank to be merged and the savings bank that is to receive into itself the merging savings bank or banks, and prescribing the terms and conditions of the merger and the mode of carrying it into effect. The merger agreement may provide other provisions with respect to the merger as appear necessary or desirable, or as the Administrator may require.

(2) The merger agreement together with copies of the minutes of the meetings of the respective boards of directors verified by the secretaries of the respective savings banks shall be submitted to the Administrator, who shall cause a careful investigation and examination to be made of the affairs of the savings banks proposing to merge, including a determination of their respective assets and liabilities. Each savings bank that is investigated and examined shall pay the cost and expense for the examination. If, as a result of the investigation, the Administrator concludes that the members or stockholders of each of the savings banks proposing to merge will be benefited by the merger, the Administrator shall, in writing, approve the merger. If the Administrator deems that the proposed merger will not be in the interest of all members or stockholders of the savings banks so merging, the Administrator shall, in writing, disapprove the merger. If the Administrator approves the merger agreement, then it shall be submitted, within 45 days after notice to the savings banks of the approval, to the members or stockholders of each savings bank, as provided in subdivision (3) of this section. The savings bank may appeal the disapproval of the merger to the Commission.
(3) A meeting of the members or stockholders of each of the
savings banks shall be held separately upon written notice
of not less than 15 days to members or stockholders of
each savings bank. The notice shall specify the time,
place, and purpose for the calling of the meeting. Notice
shall be made by personal service or postage prepaid mail
to the last address of each member or stockholder
appearing upon the records of the savings bank and by
publication of notice at least once a week for two weeks
preceding the meeting in one or more newspapers of
general circulation in the county or counties where each
savings bank has its principal or a branch office, or in a
newspaper of general circulation in an adjoining county if
none is available in the county. An appropriate officer of
the savings bank shall make proof by affidavit at the
meeting of the due service of the notice or call for the
meeting.

(4) At separate meetings of the members or stockholders of the
respective savings banks, the members or stockholders may
adopt, by an affirmative vote of a majority of the votes or
shares present, in person or by proxy, a resolution to
merge into a single savings bank upon the terms of the
merger agreement as shall have been agreed upon by the
directors of the respective savings banks and as approved
by the Administrator. Upon the adoption of the resolution, a
copy of the minutes of the proceedings of the meetings of
the members or stockholders of the respective savings
banks, certified by an appropriate officer of the merging
savings banks, shall be filed in the office of the
Administrator. Within 15 days after the receipt of a
certified copy of the minutes of the meetings, the
Administrator shall either approve or disapprove the
proceedings for compliance with this section. If the
Administrator approves the proceedings, the Administrator
shall issue a certificate of approval of the merger. The
certificate shall be filed and recorded in the office of the
Secretary of State. When the certificate is so filed, the
merger agreement shall take effect according to its terms
and is binding upon all the members or stockholders of the
savings banks merging, and it is deemed to be the act of
merger of the constituent savings banks under the laws of
this State, and the certificate or certified copy thereof is
evidence of the agreement and act of merger of the savings
banks and the observance and performance of all acts and

1733
conditions necessary to have been observed and performed precedent to the merger. Within 60 days after its receipt from the Secretary of State, the certified copy of the certificate shall be filed with the register of deeds of the county or counties in which the respective savings banks so merged have recorded their original certificates of incorporation. Failure to so file shall subject the savings bank to only a penalty of one hundred dollars ($100.00) to be collected by the Secretary of State. If the Administrator disapproves the proceedings, the Administrator shall issue a written statement of the reasons for the disapproval and notify the savings banks to that effect. The savings banks may appeal the disapproval to the Commission.

(5) Upon the merger of any savings bank, as above provided, into another:

a. Its corporate existence is merged into that of the receiving savings bank; and all its right, title, interest in and to all property of whatsoever kind, whether real, personal or mixed, and things in action, and every right, privilege, interest or asset of any conceivable value or benefit then existing belonging or pertaining to it, or which would inure to it under an unmerged existence, shall immediately by act of law and without any conveyance or transfer, and without any further act or deed, be vested in and become the property of the receiving savings bank, which shall have, hold, and enjoy the same in its own right as fully and to the same extent as if the same were possessed, held, or enjoyed by the savings banks so merged; and the receiving savings bank shall absorb fully and completely the savings bank or banks so merged.

b. Its rights, liabilities, obligations, and relations to any person shall remain unchanged and the savings bank into which it has been merged shall, by the merger, succeed to all the relations, obligations, and liabilities as though it had itself assumed or incurred the same. No obligation or liability of a member, customer, or stockholder in a savings bank that is a party to the merger shall be affected by the merger, but obligations and liabilities shall continue as they existed before the merger, unless otherwise provided in the merger agreement.

c. A pending action or other judicial proceeding to which a savings bank that is so merged is a party, is not
deemed to have abated or to have discontinued by reason of the merger, but may be prosecuted to final judgment, order, or decree in the same manner as if the merger had not been made; or the receiving savings bank may be substituted as a party to the action or proceeding, and any judgment, order, or decree may be rendered for or against it that might have been rendered for or against the other savings bank if the merger had not occurred.

(6) Notwithstanding any other provision of this section, the Administrator may waive any or all of the foregoing requirements upon finding that waiver would be in the best interest of the members or stockholders of the merging savings banks.

"§ 54C-36. Merger of savings banks where ownership is converted."

(a) Any two or more State mutual savings banks may merge to form a single State stock savings bank in separate merger-conversion proceedings or in simultaneous merger-conversion proceedings.

(b) Any two or more State stock savings banks may merge to form a single State mutual savings bank in separate merger-conversion proceedings or in simultaneous merger-conversion proceedings.

"§ 54C-37. Merger of mutual and stock savings banks.

Any two or more savings banks, when one or more is mutually owned and one or more is stock owned, may merge to form either a mutual or stock savings bank in separate conversion-merger proceedings or in simultaneous conversion-merger proceedings.

"§ 54C-38. Simultaneous merger and conversion.

Any combination of associations and State savings banks may merge to form either an association or a State savings bank.

Any two or more depository institutions, when one or more is a State savings bank and one or more is a federal depository institution operating in North Carolina, may merge under either a State savings bank charter or a federal charter.

"§ 54C-40. Merger of savings banks with banks and associations.

(a) A State savings bank, upon a majority vote of its board of directors, may apply to the Administrator for permission to merge with any bank, as defined in G.S. 53-1, or any association, as defined in G.S. 54B-4.

(b) The State savings bank shall submit a plan of merger as a part of the application to the Administrator. The Administrator may recommend approval of the plan of merger with or without amendment.
If the Administrator approves the plan, then the plan shall be submitted to the stockholders or members as provided in subsection (c) of this section. If the Administrator refuses to approve the plan, the Administrator shall state the objections in writing and give the merging savings bank an opportunity to amend the plan to obviate the objections or to appeal the Administrator's decision to the Commission.

(c) After lawful notice to the stockholders or members of the savings bank and full and fair disclosure, the substance of the plan shall be approved by a majority of the total votes that stockholders or members of the savings bank are eligible and entitled to cast. The vote by the stockholders or members may be in person or by proxy. Following the vote of the stockholders or members, the results of the vote certified by an appropriate officer of the savings bank shall be filed with the Administrator. The Administrator shall then either approve or disapprove the requested merger.

§ 54C-41. Voluntary dissolution by directors.

A State savings bank may be voluntarily dissolved by a majority vote of the board of directors when substantially all of the assets have been sold for the purpose of terminating the business of the savings bank or as provided in G.S. 55-14-01 and when a certificate of dissolution is recorded in the manner required by this Chapter for the recording of certificates of incorporation.

§ 54C-42. Voluntary dissolution by stockholders or members.

At any annual or special meeting called for the purpose of dissolution, a savings bank may, by an affirmative vote, in person or by proxy, of at least two-thirds of the total number of shares or votes that all members or stockholders of the association are entitled to cast, resolve to dissolve and liquidate the savings bank and adopt a plan of voluntary dissolution. Upon adoption of the resolution and plan of voluntary dissolution, the members or stockholders shall proceed to elect not more than three liquidators who shall post bond as required by the Administrator. The liquidators shall have full power to execute the plan; and the procedure thereafter shall be as follows:

(1) A copy of the resolution, certified by an appropriate officer of the savings bank, together with the minutes of the meeting of members or stockholders, the plan of liquidation, and an itemized statement of the savings bank's assets and liabilities, sworn to by a majority of its board of directors, shall be filed with the Administrator. The minutes of the meeting of members or stockholders shall be certified by an appropriate officer of the association, and shall set forth the notice given, the time of mailing thereof, the vote on the resolution, the total number of shares or
votes that all members of the savings bank were entitled to
cast thereon, and the names of the liquidators elected.

(2) If the Administrator finds that the proceedings are in
accordance with this Chapter, and that the plan of
liquidation is not unfair to any person affected, the
Administrator shall attach a certificate of approval to the
plan and shall forward one copy to the liquidators and one
copy to the savings bank's federal deposit account
insurance corporation. Once the Administrator has
approved the resolution and the plan of liquidation, it shall
thereafter be unlawful for the savings bank to accept any
additional deposit accounts or additions to deposit accounts
or make any additional loans, but all its income and
receipts in excess of actual expenses of liquidation of the
savings bank shall be applied to the discharge of its
liabilities.

(3) The liquidating savings bank shall pay a reasonable
compensation, subject to the approval of the Administrator,
to the appointed liquidator.

(4) The plan becomes effective upon the recording of the
Administrator's certificate of approval in the manner
required by this Chapter for the recording of the certificate
of incorporation.

(5) The liquidation of the savings bank is subject to the
supervision and examination of the Administrator.

§ 54C-43. Reports of voluntary dissolution.
Upon completion of liquidation, the liquidator shall file with the
Administrator a final report and accounting of the liquidation. The
Administrator's approval of the report shall operate as a complete and
final discharge of the liquidator, the board of directors, and each
member or stockholder in connection with the liquidation of the
savings bank. Upon approval of the report, the Administrator shall
issue a certificate of dissolution of the savings bank and shall record
same in the manner required by this Chapter for the recording of
certificates of incorporation. The dissolution is effective upon the
recording of the certificates of incorporation.

§ 54C-44. Stock dividends.
No dividend on stock shall be paid unless the savings bank has the
prior written approval of the Administrator, except as provided in any
rules that the Administrator may adopt.

§ 54C-45. Supervisory mergers, consolidations, conversions, and
combination mergers and conversions.
Notwithstanding any other provision of this Chapter, in order to
protect the public, including members, depositors, and stockholders of
a State savings bank, the Administrator, upon making a finding that a State savings bank is unable to operate in a safe and sound manner, may authorize or require a short form merger, consolidation, conversation, or combination merger and conversion of the State savings bank, or any other transaction, as to which the finding is made.

"§ 54C-46. Interim savings banks.
(a) Article 2 of this Chapter shall not apply to applications for permission to organize an interim State savings bank so long as the application is approved by the Administrator.
(b) Preliminary approval of an application for permission to organize an interim State savings bank is conditional upon the Administrator’s approval of an application to merge the interim savings bank and an existing stock savings bank or on the Administrator’s approval of any other transaction.

A savings bank may cause any or all of its records to be recorded, copied, or reproduced by any photographic, photostatic, or miniature photographic process that correctly, accurately, permanently copies, reproduces, or forms a medium for copying or reproducing the original record on a film or other durable material.

A photographic, photostatic, or miniature photographic copy or reproduction is deemed to be an original record in all courts and administrative agencies for the purpose of its admissibility in evidence. A facsimile, exemplification or certified copy of any photographic copy or reproduction is deemed to be a facsimile, exemplification, or certified copy of the original record for all purposes.

This section, with reference to the retention and disposition of records, shall apply to any federal savings bank operating in North Carolina unless in conflict with regulations prescribed by its federal regulatory authority.

§ 54C-54. Examinations by Administrator: report.

(a) It is the Administrator's duty, if at any time the Administrator deems it prudent, to examine and investigate everything relating to the business of a State savings bank or a holding company thereof, and to appoint a suitable and competent person to make the investigation. The investigator shall file with the Administrator a full report of the findings in the case, including any violation of law or any unauthorized or unsafe practices of the savings bank disclosed by the examination.
CHAPTER 680
Session Laws — 1991

(b) The Administrator shall furnish a copy of the report to the savings bank examined and may, upon request, furnish a copy of, or excerpts from, the report to the insurer of accounts.

(c) No savings bank may willfully delay or willfully obstruct an examination in any fashion. A person failing to comply with this subsection is guilty of a misdemeanor.

(d) No person who possesses or controls any books, accounts, or papers of any State savings bank shall refuse to exhibit same to the Administrator or the Administrator’s agent on demand, or shall knowingly or willingly make any false statement in regard to the same. A person failing to comply with this subsection is guilty of a misdemeanor.

§ 54C-55. Supervision and examination fees authorized; use of funds collected under Chapter.

(a) Every State savings bank, including savings banks in process of voluntary liquidation, or a holding company thereof, shall pay into the office of the Administrator each July a supervisory fee. Examination fees shall be paid promptly upon an association’s receipt of the examination billing. The Administrator, subject to the advice and consent of the Commission, shall, on or before June 1 of each year:

(1) Determine and fix the scale of supervisory and examination fees to be assessed and collected during the next fiscal year; and

(2) Determine and fix the amount of the fee and set the fee collection schedule for the fees to be assessed to and collected from applicants to defray the cost of processing their charter, branch, merger, conversion, holding company acquisition, and name change applications.

(b) All funds and revenue collected by the Division under this section and all other sections of this Chapter that authorize the collection of fees and other funds shall be deposited with the State Treasurer and expended under the terms of the Executive Budget Act, solely to defray expenses incurred by the office of the Administrator in carrying out its supervisory and auditing functions. Civil penalties collected under this Chapter shall be credited to the General Fund and may be appropriated by the General Assembly for any public purpose.

(c) Notwithstanding subsections (a) and (b) of this section, whenever the Administrator under G.S. 54C-54 appoints a suitable and competent person, other than a person employed by the Administrator’s office, to make an examination and investigation of the business of a State savings bank, the savings bank shall pay all costs and expenses relative to the examination and investigation.

§ 54C-56. Prolonged audit, examination, or revaluation; payment of costs.
(a) If, in the opinion of the Administrator, an examination conducted under G.S. 54C-55 fails to disclose the complete financial condition of a savings bank, the Administrator may in order to ascertain its complete financial condition:

(1) Make an extended audit or examination of the savings bank or cause an audit or examination to be made by an independent auditor; and

(2) Make an extended revaluation of any of the assets or liabilities of the savings bank or cause an independent appraiser to make a revaluation.

(b) The Administrator shall collect from the savings bank a reasonable sum for actual or necessary expenses of an audit, examination, or revaluation.

"§ 54C-57. Administrator to have right of access to books and records of the savings bank; right to issue subpoenas, administer oaths, examine witnesses.

(a) The Administrator and the Administrator's agents:

(2) May subpoena witnesses and administer oaths or affirmations in the examination of any director, officer, agent, or employee of a savings bank, or a service corporation or holding company thereof or of any other person in relation to its affairs, transactions, and conditions:

(3) May require the production of records, books, papers, contracts, and other documents; and

(4) May order that improper entries be corrected on the books and records of a savings bank.

(b) The Administrator may issue subpoenas duces tecum.

(c) If a person fails to comply with a subpoena so issued or a party or witness refuses to testify on any matters, a court of competent jurisdiction, on the application of the Administrator, shall compel compliance by proceedings for contempt as in the case of disobedience of the requirements of a subpoena issued from the court or a refusal to testify in the court.

"§ 54C-58. Test appraisals of collateral for loans; expense paid.

(a) The Administrator may direct the making of test appraisals of real estate and other collateral securing loans made by savings banks doing business in this State, employ competent appraisers, or prescribe a list from which competent appraisers may be selected, for
the making of these appraisals by the Administrator, and any and all
other acts incident to the making of test appraisals.
(b) In lieu of causing an appraisal to be made, the Administrator
may accept an appraisal caused to be made by the insurer of accounts.
(c) The expense and cost of test appraisals made under this section
shall be defrayed by the savings bank subjected to the test appraisals,
and each savings bank doing business in this State shall pay all
reasonable costs and expenses of the test appraisals when it is directed.
§ 54C-59. Relationship of savings banks with the Savings Institution
Division.
(a) Except as provided by subsection (b) of this section, a savings
bank or any director, officer, employee, or representative thereof shall

Division or to their spouses, any loan or gratuity, directly or
indirectly.
(b) Neither the Administrator nor any employee of the Division

by reason of being a member of the savings bank;
(2) Be interested, directly or indirectly, in any savings bank
organized under the laws of this State; or
(3) Undertake any indebtedness as a borrower, directly or
indirectly, or act as endorser, surety, or guarantor, or sell
or otherwise dispose of any loan or investment to any
savings bank organized under the laws of this State.

Administrator or any employee of the Division may be a deposit
account holder and receive earnings on a deposit account.
(d) The Administrator or any employee of the Division shall
dispose of any prohibited right or interest in a savings bank, either
directly or indirectly, within 60 days after the date of the
Administrator's or employee's appointment or employment. If the
Administrator or any employee of the Division is indebted as
borrower, directly or indirectly, or is an endorser, surety, or
guarantor on a note, at the time of appointment or employment, the
Administrator or employee may continue in that capacity until the loan
is paid off.
(e) If the Administrator or any employee of the Division has a loan
or other note acquired by a State savings bank through the secondary
market, the Administrator or employee may continue with the debt
until the loan or note is paid off.

(a) The following records or information of the Commission, the Administrator, or the agent of either shall be confidential and shall not be disclosed:

1. Information obtained or compiled in preparation of or anticipation of, or during an examination, audit, or investigation of any association;
2. Information reflecting the specific collateral given by a named borrower, the specific amount of stock owned by a named stockholder, any stockholder list supplied to the Administrator under G.S. 54C-22, or specific deposit accounts held by a named member or customer;
3. Information obtained, prepared, or compiled during or as a result of an examination, audit, or investigation of any savings bank by an agency of the United States, if the records would be confidential under federal law or regulation;
4. Information and reports submitted by savings banks to federal regulatory agencies, if the records or information would be confidential under federal law or regulation;
5. Information and records regarding complaints from the public received by the Division that concern savings banks when the complaint would or could result in an investigation, except to the management of those savings banks; and
6. Any other letters, reports, memoranda, recordings, charts or other documents or records that would disclose any information of which disclosure is prohibited in this subsection.

(b) A court of competent jurisdiction may order the disclosure of specific information.

(c) The information contained in an application is deemed to be public information. Disclosure shall not extend to the financial statement of the incorporators nor to any further information deemed by the Administrator to be confidential.

(d) Nothing in this section shall prevent the exchange of information relating to savings banks and the business thereof with the representatives of the agencies of this State, other states, or of the United States, or with reserve or insuring agencies for savings banks. The private business and affairs of an individual or company shall not be disclosed by any person employed by the Division, any member of the Commission, or by any person with whom information is exchanged under the authority of this subsection.

(e) An official or employee of this State violating this section is liable to any person injured by disclosure of the confidential
information for all damages sustained thereby. Penalties provided are not exclusive of other penalties.

"§ 54C-61. Annual license fees.
A state savings bank shall pay an annual license fee set by the Administrator, subject to the advice and consent of the Commission. The license fee shall be used to defray the expenses incurred by the Division in supervising State savings banks. The Administrator may license each State savings bank upon receipt of the license fee and filing of an application in the form prescribed by the Administrator.

"§ 54C-62. Statement filed by savings bank; fees.
A State savings bank shall file in the office of the Administrator, on or before the first day of February in each year, in the form prescribed by the Administrator, a statement of the business standing and financial condition of the savings bank on the preceding thirty-first day of December, signed and sworn to by the secretary of the savings bank before a notary public. The statement shall be accompanied by a filing fee set by the Administrator, subject to the advice and consent of the Commission. The filing fees shall be used to defray the expenses incurred by the Division in supervising State savings banks.

"§ 54C-63. Statement examined, approved, and published.
It is the duty of the Administrator to receive and thoroughly examine each annual statement required by G.S. 54C-73, and if made in compliance with the requirements thereof, each State savings bank shall publish an abstract of the same in one of the newspapers of the State, to be selected by the managing officer making the statement, and at the expense of the savings bank.

"§ 54C-64. Prohibited practices.
A person who engages in any of the following acts or practices is guilty of a misdemeanor, and upon conviction thereof shall be fined or imprisoned, or both, in the discretion of the court:

"ARTICLE 5.
"Enforcement.

"§ 54C-76. Cease and desist orders.

(a) If a person or savings bank is engaging in, or has engaged in, any unsafe or unsound practice or unfair and discriminatory practice in conducting the savings bank's business, or of any other law, rule, order, or condition imposed in writing by the Administrator, the Administrator may issue a notice of charges to the person or association. A notice of charges shall specify the acts alleged to sustain a cease and desist order, and state the time and place at which a hearing shall be held. A hearing before the Commission on the charges shall be held no earlier than seven days, and no later than 15 days after issuance of the notice. The charged institution is entitled to a further extension of seven days upon filing a request with the Administrator. The Administrator may also issue a notice of charges if there are reasonable grounds to believe that a person or savings bank is about to engage in any unsafe or unsound business practice, or any violation of this Chapter, or any other law, rule, or order. If, by a preponderance of the evidence, it is shown that any person or savings bank is engaged in, or has been engaged in, or is about to engage in, any unsafe or unsound business practice, or unfair and discriminatory practice or any violation of this Chapter, or any other law, rule, or order, a cease and desist order shall be issued. The Commission may issue a temporary cease and desist order to be effective for 15 days and which may be extended once for a period of 15 days.

(b) If a person or State savings bank is engaging in, has engaged in, or is about to engage in any unsafe or unsound practice in conducting the savings bank's business, or any violation of this Chapter or of any other law, rule, order, or condition imposed in writing by the Administrator, and the Administrator has determined that immediate corrective action is required, the Administrator may issue a temporary cease and desist order. A temporary cease and desist order is effective immediately upon issuance for a period of 15 days, and may be extended once for a period of 15 days. The order shall state its duration on its face and the words, 'Temporary Cease and Desist Order.' A hearing before the Commission shall be held
within the time that the order remains effective, at which time a temporary order may be dissolved or made permanent.

"§ 54C-77. Civil penalties: State savings banks.

(a) Except as otherwise provided in this Article, a savings bank that is found to have violated this Article may be ordered to pay a civil penalty of up to twenty thousand dollars ($20,000). A savings bank that is found to have violated or failed to comply with any cease and desist order issued under the authority of this Article may be ordered to pay a civil penalty of up to twenty thousand dollars ($20,000) for each day that the violation or failure to comply continues.

(b) To enforce this section, the Administrator may assess the penalty, appear in a court of competent jurisdiction, and move the court to order payment of the penalty. Before the assessment of the penalty, the Administrator shall hold a hearing, which shall comply with Article 3A of Chapter 150B of the General Statutes.

(c) If the Administrator determines that, as a result of a violation of this Article or of a failure to comply with any cease and desist order issued under the authority of this Article, a situation exists requiring immediate corrective action, the Administrator may impose the civil penalty in this section on the savings bank without a prior hearing, and the penalty is effective as of the date of notice to the association. Imposition of the penalty may be directly appealed to the Wake County Superior Court.

(d) Nothing in this section shall prevent anyone damaged by a State savings bank from bringing a separate cause of action in a court of competent jurisdiction.

"§ 54C-78. Civil penalties: directors, officers, and employees.

(a) A person, whether a director, officer, or employee, who is found to have violated this Article, whether willfully or as a result of gross negligence, gross incompetency, or recklessness, may be ordered to pay a civil penalty of up to five thousand dollars ($5,000) per violation. A person who is found to have violated or failed to comply with any cease and desist order issued under the authority of this Article, may be ordered to pay a civil penalty of up to five thousand dollars ($5,000) per violation for each day that the violation of failure to comply continues.

(b) To enforce this section, the Administrator may assess the penalty, appear in a court of competent jurisdiction, and move the court to order payment of the penalty. Before the assessment of the penalty, the Administrator shall hold a hearing, which shall comply with Article 3A of Chapter 150B of the General Statutes.

(c) Whenever the Administrator determines that an emergency exists that requires immediate corrective action, the Administrator, either before or after instituting any other action or proceeding.
authorized by this Article, may request the Attorney General to institute a civil action in a court of competent jurisdiction, in the name of the State upon the relation of the Administrator seeking injunctive relief to restrain or enjoin the violation or threatened violation of this Article and for any other and further relief as the court may deem proper. Instituting an action for injunctive relief shall not relieve any party to the proceedings from any civil or criminal penalty prescribed for violation of this Article.

(d) Nothing in this section shall prevent anyone damaged by a director, officer, or employee of a State savings bank from bringing a separate cause of action in a court of competent jurisdiction.

"§ 54C-79. Criminal penalties."

(a) This section shall in no event extend to persons who are found to have acted only with gross negligence, simple negligence, recklessness, or incompetence.

(b) In addition to any of the other penalties or remedies provided by this Article, the following are deemed to be misdemeanors and are punishable as provided in Chapter 14 of the General Statutes:

(1) The willful or knowing violation of this Article by any employee of the Division.

(2) The willful or knowing violation of a cease and desist order that has become final in that no further administrative or judicial appeal is available.

(c) In addition to any of the other penalties or remedies provided by this Article, the willful omission, making, or concurrence in making or publishing a written report, exhibit, or entry in a financial statement on the books of the association, which contains a material statement known to be false is deemed to be a misdemeanor and is punishable as provided in Chapter 14 of the General Statutes. For purposes of this section, 'material' shall mean 'so substantial and important as to influence a reasonable and prudent businessman or investor.'

(d) The Administrator may enforce this section in a court of competent jurisdiction.

"§ 54C-80. Primary jurisdiction."

Whenever an agency of the United States government defers to the Administrator, or notifies the Administrator of pending action against a savings bank chartered by this State, or fails to exercise its authority over any State or federally chartered savings bank doing business in this State, the Administrator may exercise jurisdiction over the savings bank.

"§ 54C-81. Supervisory control."

(a) Whenever the Administrator determines that a savings bank is conducting its business in an unsafe or unsound manner or in any
fashion that threatens the financial integrity or sound operation of the savings bank, the Administrator may serve a notice of charges on the savings bank, requiring it to show cause why it should not be placed under supervisory control. The notice of charges shall specify the grounds for supervisory control, and set the time and place for a hearing. A hearing before the Commission shall be held within 15 days after issuance of the notice of charges, and shall comply with Article 3A of Chapter 150B of the General Statutes.

(b) If, after the hearing provided in subsection (a) of this section, the Commission determines that supervisory control of the savings bank is necessary to protect the savings bank's members, customers, stockholders, or creditors, or the general public, the Administrator shall issue an order taking supervisory control of the savings bank. An appeal may be filed in the Wake County Superior Court.

(c) If the order taking supervisory control becomes final, the Administrator may appoint an agent to supervise and monitor the operations of the savings bank during the period of supervisory control. During the period of supervisory control, the savings bank shall act in accordance with any instructions and directions as may be given by the Administrator, directly or through a supervisory agent, and shall not act or fail to act except when to do so would violate an outstanding cease and desist order.

(d) Within 180 days of the date the order taking supervisory control becomes final, the Administrator shall issue an order approving a plan for the termination of supervisory control. The plan may provide for:

1. The issuance by the savings bank of capital stock;
2. The appointment of one or more officers, one or more directors, or one or more officers and directors;
3. The reorganization, merger, or consolidation of the savings bank; and
4. The dissolution and liquidation of the savings bank.

The order approving the plan shall not take effect for 30 days during which time period an appeal may be filed in the Wake County Superior Court.

(e) The costs incident to this proceeding shall be paid by the savings bank, provided the costs are found to be reasonable.

(f) For the purposes of this section, an order is deemed final if:

1. No appeal is filed within the specific time allowed for the appeal, or
2. After all judicial appeals are exhausted.

§ 54C-82. Removal of directors, officers, and employees.

(a) If, in the Administrator's opinion, one or more directors, officers, or employees of a savings bank has participated in or
consented to any violation of this Chapter, or any other law, rule, or order, or any unsafe or unsound business practice in the operation of any savings bank; or any insider loan not specifically authorized by or under this Chapter; or any repeated violation of or failure to comply with any savings bank’s bylaws, the Administrator may serve a written notice of charges upon the director, officer, and employee in question, and the savings bank, stating the Administrator’s intent to remove the director, officer, or employee. The notice shall specify the conduct and place for the hearing before the Commission to be held. A hearing shall be held no earlier than 15 days and no later than 30 days after the notice of charges is served, and it shall comply with Article 3A of Chapter 150B of the General Statutes. If, after the hearing, the Commission determines that the charges asserted have been proven by a preponderance of the evidence, the Administrator may issue an order removing the director, officer, or employee in question. The order is effective upon issuance and may include the entire board of directors or all of the officers of the savings bank.

(b) If it is determined that a director, officer, or employee of a savings bank has knowingly participated in or consented to any violation of this Chapter, or any other law, rule, or order, or engaged in any unsafe or unsound business practice in the operation of any savings bank, or any repeated violation of or failure to comply with any savings bank’s bylaws, and that as a result, a situation exists requiring immediate corrective action, the Administrator may issue an order temporarily removing the person pending a hearing. The order shall state its duration on its face and the words, ‘Temporary Order of Removal,’ and is effective upon issuance, for a period of 15 days, and may be extended once for a period of 15 days. A hearing shall be held within 10 days of the expiration of a temporary order, or any extension thereof, at which time a temporary order may be dissolved or converted to a permanent order.

(c) Any removal under subsections (a) or (b) of this section is effective in all respects as if the removal had been made by the board of directors and the members or the stockholders of the savings bank in question.

(d) Without the prior written approval of the Administrator, no director, officer, or employee permanently removed under this section shall be eligible to be elected, reelected, or appointed to any position as a director, officer, or employee of that savings bank, nor shall that director, officer, or employee be eligible to be elected to or retain a position as a director, officer, or employee of any other State savings bank.

"§ 54C-83. Involuntary liquidation."
(a) The Administrator, with prior approval of the Commission, may take custody of the books, records, and assets of every kind and character of any savings bank organized and operated under this Chapter for any of the purposes enumerated in this section, if it reasonably appears from examinations or from reports made to the Administrator that:

1. The directors, officers, or liquidators have neglected, failed, or refused to take action that the Administrator may deem necessary for the protection of the savings bank or have impeded or obstructed an examination;

2. The net worth of the savings bank is impaired to the extent that the realizable value of its assets is insufficient to pay in full its creditors and holders of deposit accounts;

3. The business of the savings bank is being conducted in a fraudulent, illegal, or unsafe manner, or that the savings bank is in an unsafe or unsound condition to transact business; for purposes of this subdivision, any savings bank that, except as authorized in writing by the Administrator, fails to make full payment of any withdrawal when due is in an unsafe or unsound condition to transact business, notwithstanding the certificate of incorporation or the statutes or regulations with respect to payment of withdrawals in event a savings bank does not pay all withdrawals in full;

4. The officers, directors, or employees have assumed duties or performed acts in excess of those authorized by statute or regulation or charter, or without supplying the required bond;

5. The savings bank has experienced a substantial dissipation of assets or earnings due to any violation or violation of statute or regulation, or due to any unsafe or unsound practice or practices;

6. The savings bank is insolvent, or is in imminent danger of insolvency or has suspended its ordinary business transactions due to insufficient funds; or

7. The savings bank is unable to continue operations.

(b) Unless the Administrator finds that an emergency exists that may result in loss to members, deposit account holders, stockholders, or creditors, and that requires that the Administrator take custody immediately, the Administrator shall first give written notice to the directors and officers specifying the conditions criticized and allowing a reasonable time in which corrections may be made before a receiver shall be appointed as outlined in subsection (d) of this section.
(c) The purposes for which the Administrator may take custody of a savings bank include examination or further examination, conservation of its assets, restoration of impaired capital, and the making of any reasonable or equitable adjustment deemed necessary by the Administrator under any plan of reorganization.

(d) If the Administrator, after taking custody of a savings bank, finds that one or more of the reasons for having taken custody continue to exist through the period of custody, with little or no likelihood of amelioration of the situation, then the Administrator shall appoint as receiver or coreceiver any qualified person, firm, or corporation for the purpose of liquidation of the savings bank, which receiver shall furnish bond in form, amount, and with surety as the Administrator may require. The Administrator may appoint the association’s deposit account insurance corporation or its nominee as the receiver, and the insuring corporation shall be permitted to serve without posting bond.

(e) In the event the Administrator appoints a receiver for a savings bank, the Administrator shall mail a certified copy of the appointment order by certified mail to the address of the savings bank as it appears on the records of the Division, and to any previous receiver or other legal custodian of the savings bank, and to any court or other authority to which the previous receiver or other legal custodian is subject. Notice of the appointment may be published in a newspaper of general circulation in the county where the savings bank has its principal office.

(f) Whenever a receiver for a savings bank is appointed under subsection (d) of this section, the savings bank may within 30 days thereafter bring an action in the Superior Court of Wake County, for an order requiring the Administrator to remove the receiver.

(g) The duly appointed and qualified receiver shall take possession promptly of the savings bank for which the receiver has been so appointed, in accordance with the terms of the appointment, by service of a certified copy of the Administrator’s appointment order upon the savings bank at its principal office through the officer or employee who is present and appears to be in charge. Immediately upon taking possession of the savings bank, the receiver shall take possession and title to books, records, and assets of every description of the savings bank. The receiver, by operation of law and without any conveyance or other instrument, act or deed, shall succeed to all the rights, titles, powers, and privileges of the savings bank, its members or stockholders, holders of deposit accounts, its officers and directors or any of them; and to the titles to the books, records, and assets of every description of any previous receiver or other legal custodian of the savings bank. The members, stockholders, holders of deposit...
accounts, officers or directors, or any of them, shall not thereafter, except as expressly provided in this section have or exercise any rights, powers or privileges or act in connection with any assets or property of any nature of the savings bank in receivership. The Administrator, with the approval of the Commission, may at any time, direct the receiver to return the savings bank to its previous or a newly constituted management. The Administrator may provide for a meeting or meetings of the members or stockholders for any purpose, including the election of directors or an increase in the number of directors, or both, or the election of an entire new board of directors; and may provide for a meeting or meetings of the directors for any purpose including the filling of vacancies on the board, the removal of officers and the election of new officers, or for any of these purposes. Any meeting of members or stockholders, or of directors, shall be supervised or conducted by a representative of the Administrator.

(h) A duly appointed and qualified receiver may:

1. Demand, sue for, collect, receive and take into possession all the goods and chattels, rights and credits, moneys and effects, lands and tenements, books, papers, choses in action, bills, notes and property of every description of the savings bank;

2. Foreclose mortgages, deeds of trust, and other liens executed to the savings bank to the extent the savings bank would have had this right;

3. Institute suits for the recovery of any estate, property, damages, or demands existing in favor of the savings bank, and shall, upon the receiver's own application, be substituted as party plaintiff in the place of the savings bank in any suit or proceeding pending at the time of the receiver's appointment;

4. Sell, convey, and assign all the property rights and interests owned by the savings bank;

5. Appoint agents;

6. Examine and investigate papers and persons, and pass on claims as provided in the regulations as prescribed by the Administrator;

7. Make and carry out agreements with the insuring corporation or with any other financial institution for the payment or assumption of the savings bank's liabilities, in whole or in part, and to sell, convey, transfer, pledge, or assign assets as security or otherwise and to make guarantees in connection therewith; and

8. Perform all other acts that might be done by the employees, officers, and directors.
These powers shall be continued in effect until liquidation and
dissolution or until return of the savings bank to its prior or newly
constituted management.

(i) A receiver may, at any time during the receivership and before
final liquidation, be removed and a replacement appointed by the
Administrator.

(j) The Administrator may determine that the liquidation
proceedings should be discontinued. The Administrator shall then
remove the receiver and restore all the rights, powers, and privileges
of its members and stockholders, customers, employees, officers, and
directors, or restore these rights, powers, and privileges to its
members, stockholders, and customers, and grant these rights,
powers, and privileges to a newly constituted management, all as of
the time of the restoration of the savings bank to its management
unless another time for the restoration is specified by the
Administrator. The return of a savings bank to its management or to
a newly constituted management from the possession of a receiver
shall, by operation of law and without any conveyance or other
instrument, act or deed, vest in the savings bank the title to all
property held by the receiver in the capacity as receiver for the savings
bank.

(k) A receiver may also be appointed under the authority of G.S.
1-502. No judge or court, however, shall appoint a receiver for any
State savings bank unless five days' advance notice of the motion,
petition, or application for appointment of a receiver has been given to
the savings bank and to the Administrator.

(l) Following the appointment of a receiver, the Administrator may
request the Attorney General to institute an action in the name of the
Administrator in the superior court against the savings bank for the
orderly liquidation and dissolution of the association, and for an
injunction to restrain the officers, directors, and employees from
continuing the operation of the savings bank.

(m) Claims against a State association in receivership shall have the
following order of priority for payment:

(1) Costs, expenses, and debts of the savings bank incurred on
or after the date of the appointment of the receiver,
including compensation for the receiver.

(2) Claims of holders of special purpose or thrift accounts.

(3) Claims of holders of deposit accounts.

(4) Claims of general creditors.

(5) Claims of stockholders of a stock savings bank.

(6) All remaining assets to members and stockholders in an
amount proportionate to their holdings as of the date of the
appointment of the receiver.
(n) All claims of each class described within subsection (m) of this section shall be paid in full so long as sufficient assets remain. Members of the class for which the receiver cannot make payment in full because assets will be depleted during payment to that class shall be paid an amount proportionate to their total claims.

(o) The Administrator may direct the payment of claims for which no provision is made in this section, and may direct the payment of claims within a class.

(p) When all assets of the savings bank have been fully liquidated, and all claims and expenses have been paid or settled, and the receiver has recommended a final distribution, the dissolution of the savings bank in receivership shall be accomplished in the following manner:

(4) Upon completion of the foregoing procedure, and upon the joint petition of the Administrator and receiver to the superior court, the court may find that the savings bank should be dissolved, and following publication of notice of dissolution as the court may direct, the court may enter a decree of final resolution and the savings bank shall therefore be dissolved.

(5) Upon final dissolution of the savings bank in receivership or at any time as the receiver shall be otherwise relieved of duties, the Administrator shall cause an audit to be conducted, during which the receiver shall be available to assist. § 54C-104. Conflicts of interest.

Each director, officer, and employee of a State savings bank has a fundamental duty to avoid placing himself in a position which creates, or which leads to or could lead to a conflict of interest or appearance of a conflict of interest having adverse effects on the interests of members, customers, or stockholders of the savings bank, soundness of the savings bank, and the purposes of this Chapter.

(1) On the security of deposit accounts, but no loan shall exceed the withdrawal value of the pledged deposit account.
(2) On the security of real property:

   c. With the title established by any evidence of title as is consistent with sound lending practices;
   d. With the security interest in such real estate evidenced by an appropriate written instrument and the loan evidenced by a note, bond, or similar written instrument. A loan on the security of the whole of the beneficial interest in a land trust satisfies the requirements of this sub-subdivision if the title to the land is held by a corporate trustee and if the real estate held in the land trust meets the other requirements of this subdivision.
(3) For the purpose of repair, improvement, rehabilitation, furnishing, or equipment of real estate.
(4) For the purpose of financing or refinancing an existing ownership interest, in certificates of stock, certificates of beneficial interest, or other evidence of an ownership interest in, and a proprietary lease from, a corporation, trust or partnership formed for the purpose of the cooperative ownership of real estate, secured by the assignment or transfer of the certificates or other evidence of ownership of the borrower.
(5) For the purchase of loans that, at the time of purchase, the savings bank could make in accordance with this Chapter.
(6) For the purchase of installment contracts for the sale of real estate, and title thereto that is subject to the contract, but in each instance only if the savings bank, at the time of purchase, could make a mortgage loan of the same amount and for the same length of time on the security of the real estate.

(8) For secured or unsecured financing for business, corporate, personal, family, or household purposes, or for secured or unsecured loans for agricultural or commercial purposes, subject to any rules as the Administrator may adopt.

(9) For the purpose of mobile home financing.

(10) For loans secured by no more than ninety percent (90%) of the cash surrender value of any life insurance policy.

(11) For loans on any collateral that would be a legal investment if made by the savings bank under this Chapter.

(b) Notwithstanding any provision of this Chapter to the contrary, a savings bank may make any loan that the savings bank could make if it were incorporated and operating as a federal association or as a State or national bank.

"§ 54C-122. Lending procedures.

(b) All actions on loan applications to the savings bank shall be reported to the board of directors at its next meeting.

(c) Subject to any rules as the Administrator deems appropriate, a savings bank may lend funds on any collateral deemed sufficient by the board of directors to properly secure loans. Loans made solely upon security of collateral consisting of stock or equity securities that are not listed on a national stock exchange or regularly quoted and offered for trade on an over-the-counter market are considered loans without security.

(d) A savings bank may lend funds without requiring security. No unsecured loan shall exceed the maximum amount authorized by rules of the Administrator.

(e) A savings bank may make insured or guaranteed loans in accordance with G.S. 53-45.

(f) A savings bank may invest any funds on hand in the purchase of loans of a type that the savings bank could make in accordance with this Chapter.

"§ 54C-124. Loans conditioned on certain transactions prohibited.
(a) No savings bank or service corporation thereof shall require, as a condition of making a loan, that the borrower contract with any specific person or organization for particular services.

(b) A savings bank or service corporation thereof shall notify borrowers before the loan commitment of their right to select the attorney or law firm rendering legal services in connection with the loan, and the person or organization rendering insurance services in connection with the loan. These persons or organizations shall be approved by the savings bank's board of directors, under any rules as the Administrator may prescribe.

(c) A savings bank or service corporation thereof may require borrowers to reimburse the savings bank for legal services rendered to it by its own attorney only when the fee is limited to legal services required by the making of the loan.

"§ 54C-125. Loan expenses and fees.

(a) Subject to Chapter 24 of the General Statutes, a savings bank may require borrowers to pay all reasonable expenses incurred by the savings bank in connection with making, closing, disbursing, extending, adjusting, or renewing loans. The charges may be collected by the savings bank from the borrower and paid to any persons, including any director, officer, or employee of the savings bank who may render services in connection with the loan, or the charges may be paid directly by the borrower.

(b) A savings bank may require a borrower to pay a reasonable charge for late payments made during the course of repayment of a loan. Subject to G.S. 24-10.1, the payments may be levied only upon the terms and conditions that are fixed by the savings bank's board of directors and agreed to by the borrower in the loan contract.

(c) Nothing in this Article shall be construed to modify Chapter 24 of the General Statutes, or other applicable law, or to allow fees, charges, or interest beyond that permitted by Chapter 24 of the General Statutes or other applicable law.

The Administrator may adopt rules no less stringent than the requirements of the appropriate federal regulatory authority to govern the making of loans to officers and directors, and their associates, and companies or other business entities controlled by them.

"§ 54C-128. Rulemaking power of Administrator.

Any rule that the Administrator may adopt in respect to loans permitted to be made by State savings banks as may be reasonably
necessary to assure that the loans are in keeping with sound lending practices and to promote the purposes of this Chapter shall not prohibit a savings bank from making any loan that is a permitted loan for federal savings banks under federal regulatory authority.

"§ 54C-129. Nonconforming loans and investments.

Unless otherwise provided, every loan or other investment made in violation of this Chapter is due and payable according to its terms and the obligation thereof is not impaired; provided, that the violation consists only of the lending of an excessive sum on authorized security or of investing in an unauthorized investment.

"§ 54C-130. Limitation on loans to one borrower.

(a) The total loans and extensions of credit, both direct and indirect, by a savings bank to any person, other than a municipal corporation for money borrowed, outstanding at one time and not fully secured, as determined in a manner consistent with subsection (b) of this section, by collateral having a market value at least equal to the amount of the loan or extension of credit shall not exceed fifteen percent (15%) of the net worth of the savings bank. The total liabilities of a firm shall include the liabilities of the members of the firm.

(b) The total loans and extensions of credit, both direct and indirect, by a savings bank to any person outstanding at one time and fully secured by readily marketable collateral having a market value, as determined by reliable and continuously available price quotations, at least equal to the amount of the funds outstanding shall not exceed ten percent (10%) of the net worth of the savings bank. This limitation shall be separate from and in addition to the limitation contained in subsection (a) of this section.

(c) For purposes of this section, the term ‘person’ is deemed to include an individual or a corporation, partnership, trust, association, joint venture, pool, syndicate, sole proprietorship, unincorporated organization, or any other form of entity not specifically listed in this subsection. Loans or extensions of credit to one person include loans made to other persons when the proceeds of the loans or extensions of credit are to be used for the direct benefit of the first person or when the persons are engaged in a common enterprise.

(d) The limitations of this section shall not apply to loans or obligations to the extent that they are secured or covered by guarantees or by commitments or agreements to take over or purchase the same, made by any federal reserve bank or by the United States or any instrumentality of the United States, including any corporation wholly owned directly or indirectly by the United States.

(e) The limitations of this section shall not apply to loans or obligations made for the following:
(1) For any purpose otherwise permitted by this Chapter, not to exceed five hundred thousand dollars ($500,000);

(2) To develop domestic residential housing units, not to exceed the lesser of thirty million dollars ($30,000,000) or thirty percent (30%) of the savings bank’s net worth if the purchase price of each single family dwelling unit which is financed under this provision does not exceed five hundred thousand dollars ($500,000) and the loans or obligations made under this provision do not, in the aggregate, exceed one hundred fifty percent (150%) of the savings bank’s net worth; or

(3) Loans to one borrower to finance the sale of real property acquired in satisfaction of debts previously contracted in good faith, not to exceed fifty percent (50%) of the savings bank’s net worth.

"§ 54C-131. Investment in banking premises.
A savings bank may invest in real property and equipment and in leasehold improvements to rented facilities necessary for the conduct of its business and in real property to be held for its future use. A savings bank may invest in office buildings and appurtenances for the purpose of the transaction of the savings bank’s business. This investment may not be made without the prior written approval of the Administrator if the total amount of these investments exceeds fifty percent (50%) of the savings bank’s net worth. Facilities, furniture, and fixtures leased for the purpose set forth in this section are not included in this limitation.

"§ 54C-132. United States obligations.
A savings bank may invest in any obligation issued and fully guaranteed in principal and interest by the United States government or any instrumentality of the United States.

"§ 54C-133. North Carolina obligations.
A savings bank may invest in any obligation issued and fully guaranteed in principal and interest by the State or any instrumentality of the State.

"§ 54C-134. Federal Home Loan Bank obligations.
A savings bank may invest in the stock of the Federal Home Loan Bank of which the association is a member, and in bonds or other evidences of indebtedness or obligation of any Federal Home Loan Bank.

"§ 54C-135. Deposits in depository institutions.
A savings bank may invest in certificates of deposit, time-insured deposits, savings accounts, demand deposits, or withdrawable accounts of any banks, associations, or savings banks as are approved by the board of directors of the savings bank.

A savings bank may invest in stock or other evidences of indebtedness or obligations of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, or any other federal government sponsored enterprise, or any successor thereto.

"§ 54C-137. Municipal and county obligations.

A savings bank may invest in bonds or other evidences of indebtedness that are direct general obligations of any county, city, town, village, school district, sanitation, or park district, or other political subdivision or municipal corporation of this State; or in bonds or other evidences of indebtedness that are payable from revenues or earnings specifically pledged therefor, which are issued by a county or a political subdivision or municipal corporation of a county in this State.

"§ 54C-138. Stock in education agency.

A savings bank may invest in stock or obligations of any corporation doing business in this State, or of any agency of this State or of the United States, where the principal business of the corporation or agency is to make loans for the financing of a college or university education, or education at an industrial education center, technical institute, or community college.

"§ 54C-139. Industrial development corporation stock.

A savings bank may invest in stock or other evidence of indebtedness or obligations of business or industrial development corporations chartered by this State or by the United States.

"§ 54C-140. Urban renewal investment corporation stock.

A savings bank may invest in stock or other evidence of indebtedness or obligations of an urban renewal investment corporation chartered under the laws of this State or of the United States.

"§ 54C-141. Limitations on investment in stocks and securities.

(a) No savings bank shall make an investment in the capital stock of any other State or federal depository institution that represents more than five percent (5%) of the capital stock of that depository institution.

(b) No savings bank shall invest in stock of other than investment grade. No savings bank shall invest in the aggregate more than fifty percent (50%) of its net worth in the stocks of other corporations, firms, partnerships, or companies, unless the stock is purchased to protect the savings bank from loss. Of this amount, no more than two and one-half percent (2 1/2%) of the savings bank’s net worth may be invested in the stocks or securities of any one issuer. This limitation shall not apply to stock or ownership interests in corporations, firms,
partnerships, or companies that are subsidiaries of the savings bank. The term "invest" is deemed to include operating a business entity acquired by the savings bank, provided, however, that no savings bank shall make any investment resulting in operations that are not closely related to the savings bank business without the prior written approval of the Administrator. Any stocks owned or hereafter acquired in excess of the limitations imposed in this section shall be disposed of at public or private sale within six months after the date of acquiring the same, and if not so disposed of they shall be charged to the profit and loss account, and no longer carried on the books as an asset. The limit of time in which the stocks are disposed of or charged off the books of the savings bank may be extended by the Administrator if the Administrator determines it is in the best interest of the savings bank that the extension be granted.

(c) This limitation shall not apply with respect to obligations of the government of the United States or its agencies, or to other obligations guaranteed by the United States, North Carolina, or any other state, or of a city, town, township, county, school district, or other political subdivision of this State.

"§ 54C-142. Suspension of investment and loan limitation.

The board of directors of any savings bank may, by resolution duly passed at a meeting of the board, request the Administrator to suspend temporarily the limitations on loans and investments as they may apply to any particular loan or investment in excess of the limitations of G.S. 54C-130 and G.S. 54C-141 that the savings bank desires to make. Upon receipt of a duly certified copy of the resolution, the Administrator may suspend the limitations on loans and investments insofar as they would apply to the loan or investment that the savings bank desires to make, as long as every loan or investment is amply secured and is for a period not longer than 36 months.

"§ 54C-143. Commercial lending.

Subject to any rules that the Administrator deems appropriate, a savings bank may lend and invest no more than fifteen percent (15%) of its total assets in commercial loans. A commercial loan is for business, commercial, corporate, and agricultural purposes.

"§ 54C-144. Service corporations.

(a) A savings bank or group of savings banks or associations may establish service corporations under Chapter 55 of the General Statutes, provided that the Administrator receives copies of the proposed articles of incorporation and bylaws for approval, before filing them with the Secretary of State. A savings bank may also invest in the capital stock, obligations, or other securities of existing service corporations.
(b) No savings bank may make any investment in service corporations if its aggregate investment would exceed ten percent (10%) of its total assets.

(c) A service corporation is subject to audit and examination by the Administrator, and the service corporation shall pay the cost of examination.

(d) The permitted activities of a service corporation shall be described in the rules adopted by the Administrator.

(e) The location of the principal and branch offices of a service corporation shall be approved by the Administrator.

§ 54C-146. Certain powers granted to State savings banks.
(a) In addition to the powers granted under this Chapter, but subject to any rules that the Administrator may prescribe, a savings bank incorporated or operated under this Chapter may:

(1) Establish off the premises of any principal office or branch a customer communications terminal, point of sale terminal, automated teller machine, automated or other direct or remote information processing device or machine, whether manned or unmanned, through or by means of which funds or information relating to any financial service or transaction rendered to the public is stored and transmitted, instantaneously or otherwise to or from a savings bank terminal or terminals controlled or used by or with other parties. The establishment and use of a device or machine is not deemed to constitute a branch office, and the capital requirements and standards for approval of a branch office as set forth in the statutes and regulations are not applicable to the establishment of any off-premises terminal, device or machine. Savings banks may, through mutual consent, share on-premises, unmanned, automated teller machines and cash dispensers.

(2) Issue credit cards, extend credit in connection therewith, and otherwise engage in or participate in credit card operations.

(3) Act as a trustee, executor, administrator, guardian, or in any other fiduciary capacity.

The Administrator, in the rules relating to the issuance and sale of mutual capital certificates, shall provide that the certificates:
   1. Are subordinate to all savings accounts, savings certificates, and debt obligations;
   2. Constitute a claim in liquidation on the general reserves, surplus and undivided profits of the savings bank remaining after the payment of all savings accounts, savings certificates, and debt obligations;
   3. Are entitled to the payment of dividends; and
   4. May have a fixed or variable dividend rate.

"ARTICLE 8.

"Operations.

"§ 54C-161. Generally accepted accounting principles.

A savings bank shall maintain its books and records in accordance with generally accepted accounting principles.

"§ 54C-162. Liquidity.

A savings bank shall maintain cash and readily marketable investments in an amount that may be established in the rules of the Administrator, but the requirement shall not be less than ten percent (10%) of the assets of the savings bank. Upon receipt of a duly certified copy of a resolution by the board of directors of any savings bank requesting a temporary suspension, the Administrator may suspend the liquidity requirement for a period not longer than six months.

"§ 54C-163. Net worth requirement.

A savings bank shall maintain net worth in an amount that may be established in the rules of the Administrator, but the requirement shall not be less than five percent (5%) of the assets of the savings bank. Upon receipt of a duly certified copy of a resolution by the board of directors of any savings bank requesting a temporary suspension, the
Administrator may suspend the net worth requirement for a period not longer than six months.

"§ 54C-164. Deposit accounts.

(a) A savings bank may raise capital through the solicitation of deposits from any person, natural or corporate, except as restricted or limited by law, or by any rules that the Administrator may prescribe.

(b) A savings bank may receive deposits of funds upon any terms as the contract of deposit shall provide subject to withdrawals or to be paid upon checks of the depositor.

"§ 54C-165. Joint accounts.

(a) Any two or more persons may open or hold a withdrawable account or accounts. The withdrawable account and any balance of the account is held by them as joint tenants, with or without right of survivorship, as the contract shall provide. The account may also be held under G.S. 41-2.1 and have incidents set forth in that section, but if the account is held under G.S. 41-2.1, the contract shall set forth that fact as well. Unless the persons establishing the account have agreed with the savings bank that withdrawals require more than one signature, payment by the savings bank to, or on the order of, any persons holding an account authorized by this section is a total discharge of the savings bank’s obligation as to the amount so paid. Funds in a joint account established with the right of survivorship shall belong to the surviving joint tenant or tenants upon the death of a joint tenant, and the funds are subject only to the personal representative’s right of collection as set forth in G.S. 28A-15-10(a)(3), or as provided in G.S. 41-2.1 if the account is established under that section. Payment by the savings bank of funds in the joint account to a surviving joint tenant or tenants shall terminate the personal representative’s authority under G.S. 28A-15-10(a)(3) to collect against the savings bank for the funds so paid, but the personal representative’s authority to collect the funds from the surviving joint tenant or tenants is not terminated. A pledge of the account by a holder shall, unless otherwise specifically agreed upon, be a valid pledge and transfer of the account, or of the amount so pledged, and shall not operate to sever or terminate the joint ownership of all or any part of the account. Persons establishing an account under this section shall sign a statement showing their election of the right of survivorship in the account, and containing language set forth in a conspicuous manner and substantially similar to the following:

‘SAVINGS BANK (or name of institution) JOINT ACCOUNT
WITH RIGHT OF SURVIVORSHIP
G.S. 54C-165’

We understand that by establishing a joint account under G.S. 54C-165 that:
1. The savings bank (or name of institution) may pay the money in the account to, or on the order of, any person named in the account unless we have agreed with the savings bank that withdrawals require more than one signature; and

2. Upon the death of one joint owner the money remaining in the account will belong to the surviving joint owners and will not pass by inheritance to the heirs of the deceased joint owner or be controlled by the deceased joint owner’s will.

We DO elect to create the right of survivorship in this account.

(a) This section is not deemed exclusive. Deposit accounts not conforming to this section are governed by other applicable law as appropriate.

(b) Nothing in this section is construed to repeal or modify any provision of G.S. 105-24 relating to the administration of the estate tax laws of this State or any other law relating to estate taxes. This section shall regulate, govern, and protect the savings bank in its relationships with the joint owners of deposit accounts.

(c) No addition to the account nor any withdrawal or payment shall affect the nature of the account as a joint account or affect the right of any tenant to terminate the account.

§ 54C-166. Trust accounts.

(a) If a person establishing a withdrawable account executes a written agreement with the savings bank containing a statement that it is executed under this subsection and providing for the account to be held in the name of the person as trustee for not more than one person designated as beneficiary, the account and any balance of the account is held as a trust account with the following incidents:

1. The trustee during the trustee’s lifetime may change the designated beneficiary by a written direction to the savings bank.

2. The trustee may withdraw funds by writing checks or otherwise, as set forth in the account contract, and receive payment in cash or check payable to the trustee’s personal order. The payment or withdrawal shall constitute a revocation of the trust agreement as to the amount withdrawn.

3. If the beneficiary is living and of legal age at the death of the trustee, the beneficiary is the holder of the account, and payment by the savings bank to the holder is a total
discharge of the savings bank’s obligation as to the amount paid.

(4) If the beneficiary predeceases the trustee, the account shall become an individual account of the trustee and shall have the legal incidents of an individual account.

(5) If the named beneficiary is not of legal age at the death of the trustee, the savings bank shall transfer the funds in the account to the general guardian or guardian of the estate, if any, of the minor beneficiary. If no guardian of the minor beneficiary has been appointed, the savings bank shall hold the funds in a similar interest-bearing account in the name of the minor until the minor reaches the age of majority or until a duly appointed guardian withdraws the funds.

(6) Funds in a trust account established under this subsection shall belong to the beneficiary upon the death of the trustee and the funds shall be subject only to the personal representative’s right of collection as set forth in G.S. 28A-15-10(a)(1). Payment by the savings bank of funds in the trust account to the beneficiary shall terminate the personal representative’s authority under G.S. 28A-15-10(a)(1) to collect against the savings bank for the funds so paid, but the personal representative’s authority to collect the funds from the beneficiary is not terminated.

The person establishing an account under this subsection shall sign a statement containing language set forth in a conspicuous manner and substantially similar to the following:

'SAVINGS BANK (or name of institution) TRUST ACCOUNT
G.S. 54C-166(a)

I understand that by establishing a trust account under G.S. 54C-166(a) that:

1. During my lifetime I may withdraw the money in the account; and
2. By written direction to the savings bank (or name of institution) I may change the beneficiary; and
3. Upon my death the money remaining in the account will belong to the beneficiary, and the money will not be inherited by my heirs or be controlled by my will.

(a1) This section is not deemed exclusive. Deposit accounts not conforming to this section are governed by other applicable law, as appropriate.

(b) Whenever the beneficiary of a trust account does not survive the trustee, then the account and any balance of the account that exists
is held by the trustee in the trustee's own right and for the trustee's own use and benefit.

(c) No addition to the accounts, nor any withdrawal, payment, or change of beneficiary shall affect the nature of the accounts as trust accounts, or affect the right of a trustee to terminate the account.

(d) Nothing in this section is construed to repeal or modify any provision of G.S. 105-24 relating to the administration of estate tax laws of this State or any other law relating to estate taxes.

"§ 54C-167. Personal agency accounts.

(a) A person may open a personal agency account by written contract containing a statement that it is executed under this section. A personal agency account may be a checking account, savings account, time deposit, or any other type of withdrawable account or certificate. The written contract shall name an agent who shall have authority to act on behalf of the depositor in regard to the account as set out in this subsection. The agent shall have the authority to:

1. Make, sign, or execute checks drawn on the account or otherwise make withdrawals from the account;
2. Endorse checks made payable to the principal for deposit only into the account; and
3. Deposit cash or negotiable instruments, including instruments endorsed by the principal, into the account.

A person establishing an account under this section shall sign a statement containing language substantially similar to the following in a conspicuous manner:

'SAVINGS BANK (or name of institution) PERSONAL AGENCY ACCOUNT

G.S. 54C-167

I understand that, by establishing a personal agency account under G.S. 54C-167, the agent named in the account may:

1. Sign checks drawn on the account; and
2. Make deposits into the account.

I also understand that upon my death the money remaining in the account will be controlled by my will or inherited by my heirs.

(b) An account created under this section grants no ownership right or interest in the agent. Upon the death of the principal there is no right of survivorship to the account and the authority set out in subsection (a) of this section terminates.

(c) The written contract referred to in subsection (a) of this section shall provide that the principal may elect to extend the authority of the agent to act on behalf of the principal in regard to the account notwithstanding the subsequent incapacity or mental incompetence of the principal. If the principal so elects to extend the authority of the
agent, then upon the subsequent incapacity or mental incompetence of the principal, the agent may continue to exercise the authority, without the requirement of bond or of accounting to any court, until the agent receives actual knowledge that the authority has been terminated by a duly qualified guardian of the estate of the incapacitated or incompetent principal, or by the duly appointed attorney-in-fact for the incapacitated or incompetent principal, acting under a durable power of attorney, as defined in G.S. 32A-8, which grants to the attorney-in-fact that authority in regard to the account which is granted to the agent by the written contract executed under this section, at which time the agent shall account to the guardian or attorney-in-fact for all actions of the agent in regard to the account during the incapacity or incompetence of the principal. If the principal does not so elect to extend the authority of the agent, then upon the subsequent incapacity or mental incompetence of the principal, the authority of the agent terminates.

(d) When an account under this section has been established, all or part of the account or any interest or dividend thereon may be paid by the savings bank on a check made, signed, or executed by the agent. In the absence of actual knowledge that the principal has died or that the agency created by the account has been terminated, the payment is a valid and sufficient discharge to the savings bank for payment so made.

"§ 54C-168. Collection of processing fee for returned checks."

Notwithstanding any other law, a savings bank may charge and collect a processing fee for checks on which payment has been refused by the payor depository institution. A savings bank may also collect a processing fee for checks drawn on that savings bank with respect to an account with insufficient funds.

"§ 54C-169. Right of setoff on deposit accounts."

(a) A savings bank shall have a right of setoff, without further agreement or pledge, upon all deposit accounts owned by any member or customer to whom or upon whose behalf the savings bank has made an unsecured advance of money by loan. Upon default in the repayment or satisfaction thereof, the savings bank may cancel on its books all or any part of the deposit accounts owned by the member or customer, and apply the value of the accounts in payment of the obligation.

(b) A savings bank that exercises the right of setoff provided in this section shall first give 30 days' notice to the member or customer that the right will be exercised. The accounts may be held or frozen, with no withdrawals permitted, during the 30-day notice period. The accounts may not be canceled and the value of the accounts may not be applied to pay the obligation until the 30-day period has expired.
without the member or customer having cured the default on the obligation. The amount of any member's or customer's interest in a joint account or other account held in the names of more than one person is subject to the right of setoff provided in this section.

(c) This section is not exclusive, but shall be in addition to contract, common law, and other rights of setoff. Any other rights are not governed in any fashion by this section.

"§ 54C-170. Minors as deposit account holders.

(a) A savings bank may issue a deposit account to a minor as the sole and absolute owner and receive payments, pay withdrawals, accept pledges and act, or as a joint owner, in any other manner with respect to the account on the order of the minor with like effect as if the minor were of full age and legal capacity. Any payment to a minor is a discharge of the savings bank to the extent thereof. The account shall be held for the exclusive right and benefit of the minor, and any joint owners, free from the control of all persons, except creditors.

(b) A savings bank may lease a safe deposit box to a minor and, with respect to the lease, may deal with the minor in all regards as if the minor were of full age and legal capacity. A minor entering a lease agreement with a savings bank under this subsection is bound by the terms of the agreement to the same extent as if the minor were of full age and legal capacity.

"§ 54C-171. Deposit accounts as deposit of securities.

Notwithstanding any restrictions or limitations contained in any law of this State, the deposit accounts of any State savings bank may be accepted by any agency, department, or official of this State in any case wherein the agency, department, or official acting in its official capacity requires that securities be deposited with the agency, department, or official.

"§ 54C-172. New account books.

A new account book or certificate or other evidence of ownership of a deposit account may be issued in the name of the holder of record at any time, when requested by the holder or the holder's legal representative, upon proof satisfactory to the savings bank that the original account book or certificate has been lost or destroyed. The new account book or certificate shall expressly state that it is issued in lieu of the one lost or destroyed and that the savings bank shall in no way be liable thereafter on account of the original book or certificate. The savings bank may, in its bylaws, require indemnification against any loss that might result from the issuance of the new account book or certified certificate.

"§ 54C-173. Transfer of deposit accounts.
The owner of a deposit account may transfer the owner's rights therein absolutely or conditionally to any other person eligible to hold the same, but the transfer may be made on the books of the savings bank only upon presentation of evidence of transfer satisfactory to the savings bank, and accompanied by the proper application for transfer by the transferor and transferee, who shall accept the account subject to the terms and conditions of the account contract, the bylaws of the savings bank, the certificate of incorporation of the savings bank, and all rules of the Administrator. Notwithstanding the effectiveness of a transfer between the parties, the savings bank may treat the holder of record of a deposit account as the owner of the deposit account for all purposes, including payment and voting, in the case of a mutual savings bank, until the savings bank records the transfer and assignment.

§ 54C-174. Authority of power of attorney.

A savings bank may continue to recognize the authority of an individual holding a power of attorney in writing to manage or to make withdrawals, either in whole or in part, from the deposit account of a customer or member until the savings bank receives written or actual notice of death or of adjudication of incompetency of the member or revocation of the authority of the individual holding the power of attorney. Payment by the savings bank to an individual holding a power of attorney before receipt of the notice is a total discharge of the savings bank’s obligation as to the amount so paid.

§ 54C-175. Holidays.

(a) Each State and federal savings bank, including every branch or office thereof, domiciled in North Carolina shall observe the following as legal holidays and shall not open for the transaction of business with the public on those days:

A savings bank, in its certificate of incorporation or in its bylaws, may authorize the board of directors to borrow money, and the board of directors may, by resolution adopted by a vote of at least two-thirds of the entire board duly recorded in the minutes, authorize the officers of the savings bank to borrow money for the savings bank on any terms and conditions as the board may deem proper.

"§ 54C-195. Holding companies.

(a) Notwithstanding any other law, a stock savings bank may, simultaneously with its incorporation or conversion to a stock savings bank, provide for its ownership by a holding company. In the case of a conversion, members of the converting savings bank shall have the right to purchase capital stock of the holding company in lieu of
capital stock of the converted savings bank in accordance with G.S. 54C-33(c)(6).

(b) Notwithstanding any other law, a stock savings bank may reorganize its ownership, to provide for ownership by a holding company, upon adoption of a plan of reorganization by a favorable vote of not less than two-thirds of the members of the board of directors of the savings bank and approval of the plan of reorganization by the holders of not less than a majority of the issued and outstanding shares of stock of the savings bank. The plan of reorganization shall provide that (i) the resulting ownership is vested in a North Carolina corporation, (ii) all stockholders of the stock savings bank have the right to exchange shares, (iii) the exchange of stock is not subject to State or federal income taxation, (iv) stockholders not wishing to exchange shares are entitled to dissenters' rights as provided under G.S. 55-113, and (v) the plan of reorganization is fair and equitable to all stockholders.

(c) Notwithstanding any other law, a mutual savings bank may reorganize its ownership to provide for ownership by a holding company upon adoption of a plan of reorganization by favorable vote of not less than two-thirds of the members of the board of directors of the savings bank and approval of the plan of reorganization by a majority of the voting members of the savings bank. The plan of reorganization shall provide that (i) the resulting ownership is vested in a North Carolina corporation, (ii) the resulting ownership of one or more subsidiary savings banks is evidenced by stock shares, (iii) the substantial portion of the assets and all of the insured deposits and part or all of the other liabilities are transferred to one or more subsidiary savings banks, (iv) the reorganization is not subject to State or federal income taxation, and (v) the plan of reorganization is fair and equitable to all members of the savings bank.

In the General Assembly read three times and ratified this the 13th day of July, 1991.

S.B. 342

CHAPTER 681

AN ACT TO AMEND AND IMPROVE THE INSURANCE LAWS ON THE MONITORING OF THE FINANCIAL CONDITION OF INSURANCE COMPANIES IN ACCORDANCE WITH THE FINANCIAL REGULATION STANDARDS AND INSURANCE DEPARTMENT ACCREDITATION PROGRAM OF THE NATIONAL ASSOCIATION OF INSURANCE COMMISSIONERS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 58-2-25 reads as rewritten:

"§ 58-2-25. Other deputies, actuaries, examiners and employees.

(a) The Commissioner shall appoint or employ such other deputies, actuaries, economists, financial analysts, financial examiners, licensed attorneys, rate and policy analysts, accountants, fire and rescue training instructors, market conduct analysts, insurance complaint analysts, investigators, engineers, building inspectors, risk managers, clerks and other employees as may be found that the Commissioner considers to be necessary for the proper execution of the work of the Department. at such the compensation as shall be that is fixed and provided by the Department of Administration. If the Commissioner finds it considers it to be necessary for the proper execution of the work of the Insurance Department to contract with persons, except to fill authorized employee positions, all of those contracts, except those provided for in Articles 36 and 37 of this Chapter, shall be made
pursuant to the provisions of Article 3C of Chapter 443, 143 of the General Statutes.

Whenever the Commissioner or any deputy or employee of the Department is requested or subpoenaed to testify as an expert witness in any civil or administrative action, the party making the request or filing the subpoena and on whose behalf the testimony is given shall, upon receiving a statement of the cost from the Commissioner, reimburse the Department for the actual time and expenses incurred by the Department in connection with the testimony.

(b) The minimum education requirements for financial analysts and examiners referred to in subsection (a) of this section are a bachelor's degree, with the appropriate courses in accounting as defined in 21 NCAC 8A.0309, and other courses that are required to qualify the applicant as a candidate for the uniform certified public accountant examination, based on the examination requirements in effect at the time of employment by the Department of the analyst or examiner."

Sec. 2. Article 2 of Chapter 58 of the General Statutes is amended by adding the following new sections: "§ 58-2-131. Examinations to be made; authority, scope, scheduling, and conduct of examinations.

(a) This section and G.S. 58-2-132 and G.S. 58-2-133 shall be known and may be cited as the Examination Law. The purpose of the Examination Law is to provide an effective and efficient system for examining the activities, operations, financial condition, and affairs of all persons transacting the business of insurance in this State and all persons otherwise subject to the Commissioner's jurisdiction; and to enable the Commissioner to use a flexible system of examinations that directs resources that are appropriate and necessary for the administration of the insurance statutes and rules of this State.

(b) As used in this section, G.S. 58-2-132 and G.S. 58-2-133, unless the context clearly indicates otherwise:

(1) 'Commissioner' includes an authorized representative or designee of the Commissioner.

(2) 'Examination' means an examination conducted under the Examination Law.

(3) 'Examiner' means any person authorized by the Commissioner to conduct an examination.

(4) 'Insurance regulator' means the official or agency of another jurisdiction that is responsible for the regulation of a foreign or alien insurer.

(5) 'Person' includes a trust or any affiliate of a person.

(c) Before licensing any person to write insurance in this State, the Commissioner shall be satisfied, by such examination and evidence as the Commissioner decides to make and require, that the person is
otherwise duly qualified under the laws of this State to transact
business in this State.

(d) The Commissioner may conduct an examination of any insurer
ever when the Commissioner deems it to be prudent for the protection
of policyholders but shall at a minimum conduct an examination of
every domestic insurer not less frequently than once every three years.
In scheduling and determining the nature, scope, and frequency of
examinations, the Commissioner shall consider such matters as the
results of financial statement analyses and ratios, changes in
management or ownership, actuarial opinions, reports of independent
certified public accountants, and other criteria as set forth in the
NAIC Examiners' Handbook.

(e) To complete an examination of any insurer, the Commissioner
may authorize an examination or investigation of any person, or the
business of any person, insofar as the examination or investigation is
necessary or material to the insurer under examination.

(f) Instead of examining any foreign or alien insurer licensed in
this State, the Commissioner may accept an examination report on that
insurer prepared by the insurer's insurance regulator until January 1,
1994. Thereafter, reports may only be accepted if (i) the insurance
regulator was at the time of the examination accredited under NAIC
Financial Regulation Standards and Accreditation Program, or (ii) the
examination is performed under the supervision of an NAIC-accredited
insurance regulator or with the participation of one or more examiners
who are employed by the regulator and who, after a review of the
examination work papers and report, state under oath that the
examination was performed in a manner consistent with the standards
and procedures required by the regulator.

(g) If it appears that the insurer is of good financial and business
standing and is solvent, and it is certified in writing and attested by the
seal, if any, of the insurer's insurance regulator that it has been
examined by the regulator in the manner prescribed by its laws, and
was by the examination found to be in sound condition, that there is
no reason to doubt its solvency, and that it is still permitted under the
laws of such jurisdiction to do business therein, then, in the
Commissioner's discretion, further examination may be dispensed
with, and the obtained information and the furnished certificate may
be accepted as sufficient evidence of the solvency of the insurer.

(h) Upon determining that an examination should be conducted,
the Commissioner shall issue a notice of examination appointing one
or more examiners to perform the examination and instructing them
about the scope of the examination. In conducting the examination,
an examiner shall observe the guidelines and procedures in the NAIC
Examiners' Handbook. The Commissioner may also use such other
guidelines or procedures as the Commissioner deems to be appropriate.

(i) Every person from whom information is sought and its officers, directors, and agents must provide to the Commissioner timely, convenient, and free access, at all reasonable hours at its offices, to all data relating to the property, assets, business, and affairs of the insurer being examined. The officers, directors, employees, and agents of the person must facilitate and aid in the examination. The refusal of any insurer, by its officers, directors, employees, or agents, to submit to examination or to comply with any reasonable written request of the Commissioner or to knowingly or willfully make any false statement in regard to the examination or written request, is grounds for revocation, suspension, refusal, or nonrenewal of any license or authority held by the insurer to engage in an insurance or other business subject to the Commissioner’s jurisdiction.

(j) The Commissioner may issue subpoenas, administer oaths, and examine under oath any person about any matter pertinent to the examination. Upon the failure or refusal of any person to obey a subpoena, the Commissioner may petition the Superior Court of Wake County, and upon proper showing the Court may enter any order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the Court order is punishable as contempt of court.

(k) When making an examination, the Commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners, the cost of which shall be borne by the insurer that is the subject of the examination.

(l) Pending, during, and after the examination of any insurer the Commissioner shall not make public the financial statement, findings, or examination report, or any report affecting the status or standing of the insurer examined, until the insurer has either accepted and approved the final examination report or has been given a reasonable opportunity to be heard on the report and to answer or rebut any statements or findings in the report. The hearing, if requested, shall be informal and private.

(m) Nothing in the Examination Law limits the Commissioner’s authority to terminate or suspend any examination in order to pursue other legal or regulatory action under the laws and rules of this State and to use any final or preliminary examination report, any examiner or insurer work papers or other documents, or any other information discovered or developed during any examination in the furtherance of any legal or regulatory action that the Commissioner may consider to be appropriate. Findings of fact and conclusions made pursuant to
any examination are *prima facie* evidence in any legal or regulator action.

(a) All examination reports shall comprise only facts appearing upon the books, records, or other documents of the insurer, its agents or other persons examined, or as ascertained from the testimony of its officers or agents or other persons examined concerning its affairs, and conclusions and recommendations that the examiners find reasonably warranted from the facts.

(b) No later than 60 days following completion of an examination, the examiners shall file with the Department a verified written examination report under oath. Upon receipt of the verified report, the Department shall send the report to the insurer examined, together with a notice that affords the insurer examined a reasonable opportunity of not more than 30 days to make a written submission or rebuttal with respect to any matters contained in the examination report. Within 30 days of the date of the examination report, the insurer shall file affidavits executed by each of its directors stating under oath that they have received and read a copy of the report.

(c) At the end of the 30 days provided for the receipt of written submissions or rebuttals, the Commissioner shall fully consider and review the report, together with any written submissions or rebuttals and any relevant parts of the examiners' work papers and enter an order:

1. Adopting the examination report as filed or with modifications or corrections. If the examination report reveals that the insurer is operating in violation of any law, rule, or prior order of the Commissioner, the Commissioner may order the insurer to take any action the Commissioner considers necessary and appropriate to cure the violation; or

2. Rejecting the examination report with directions to the examiners to reopen the examination to obtain additional data, documentation of the information, and refiling under subdivision (1) of this subsection; or

3. Calling for an investigatory hearing with no less than 20 days' notice to the insurer for purposes of obtaining additional documentation, data, and testimony.

(d) All orders entered under subdivision (c)(1) of this section shall be accompanied by findings and conclusions resulting from the Commissioner’s consideration and review of the examination report, relevant examiner work papers, and any written submissions or rebuttals. Any such order shall be considered a final administration decision and shall be served upon the insurer by certified mail. Any hearing conducted under subdivision (c)(3) of this section shall be
conducted as a nonadversarial confidential investigatory proceeding as necessary for the resolution of any inconsistencies, discrepancies, or disputed issues apparent on the face of the filed examination report or raised by or as a result of the Commissioner’s review of relevant work papers or by the written submission or rebuttal of the insurer. Within 20 days after the conclusion of any such hearing, the Commissioner shall enter an order under subdivision (c)(1) of this section. The Commissioner may not appoint a member of the Department’s examination staff as an authorized representative to conduct the hearing. The hearing shall proceed expeditiously with discovery by the insurer limited to the examiner’s work papers that tend to substantiate any assertions set forth in any written submission or rebuttal. The Commissioner may issue subpoenas for the attendance of any witnesses or the production of any documents the Commissioner considers to be relevant to the investigation, whether they are under the control of the Department, the insurer, or other persons. The documents produced shall be included in the record, and testimony taken by the Commissioner shall be under oath and preserved for the record. Nothing in this section requires the Department to disclose any information or records that would show the existence or content of any investigation or activity of any federal or state criminal justice agency. In the hearing, the Commissioner shall question the persons subpoenaed. Thereafter the insurer and the Department may present testimony relevant to the investigation. Cross-examination shall be conducted only by the Commissioner. The insurer and the Department may make closing statements and may be represented by counsel of their choice.

(c) Upon completion of the examination report under subdivision (c)(1) of this section, the Commissioner shall hold the content of the examination report as private and confidential information for the 30-day period provided for written submissions or rebuttals. If after 30 days after the examination report has been submitted to it, the insurer examined has neither notified the Commissioner of its acceptance and approval of the report nor requested to be heard on the report, the report shall then be filed as a public document and shall be open to public inspection, as long as no court of competent jurisdiction has stayed its publication. Nothing in the Examination Law prohibits the Commissioner from disclosing the content of the examination report, preliminary examination report or results, or any related matter, to an insurance regulator or to law enforcement officials of this or any other state or country or of the United States government at any time, as long as the person or agency receiving the report or related matters agrees in writing and is authorized by law to hold it confidential and in a manner consistent with this section. If the Commissioner
determines that further regulatory action is appropriate as a result of any examination, the Commissioner may initiate such proceedings or actions as provided by law.

(f) All working papers, recorded information, documents, and copies thereof produced by, obtained by, or disclosed to the Commissioner or any other person during an examination shall be given confidential treatment and is not subject to subpoena and may not be made public by the Commissioner or any other person, except to the extent provided in G.S. 58-2-131(l) or subsection (e) of this section. Access may also be granted to the NAIC. Such parties must agree in writing before receiving the information to give it the same confidential treatment as this section requires, unless the prior written consent of the insurer to which it pertains has been obtained. The provisions of this section do not prohibit the Commissioner from taking any action provided for, or from exercising any power conferred by, any provision of this Chapter to suspend or revoke the license of any insurer.

"§ 58-2-133. Conflict of interest; cost of examinations; immunity from liability.

(a) No person may be appointed as an examiner by the Commissioner if that person, either directly or indirectly, has a conflict of interest or is affiliated with the management of or owns a pecuniary interest in any person subject to examination. This section does not preclude an examiner from being:

(1) A policyholder or claimant under an insurance policy;

(2) A grantor of a mortgage or similar instrument on the examiner's residence to an insurer if done under customary terms and in the ordinary course of business;

(3) An investment owner in shares of regulated diversified investment companies; or

(4) A settler or beneficiary of a blind trust into which any otherwise nonpermissible holdings have been placed.

(b) Notwithstanding the requirements of G.S. 58-2-131, the Commissioner may retain from time to time, on an individual basis, qualified actuaries, certified public accountants, or other similar individuals who are independently practicing their professions, even though they may from time to time be similarly employed or retained by persons subject to examination under the Examination Law.

(c) Any insurer examined shall pay the proper charges incurred in the examination, including the expenses and compensation of the Commissioner. The charges and expenses shall be reasonable as determined by the Commissioner and in accordance with guidelines established by the NAIC set forth in the NAIC Examiners' Handbook. The refusal of any insurer to submit to examination, or the refusal or
failure of any insurer to pay the expenses of examination upon presentation by the Commissioner of a bill for those expenses, is grounds for the revocation, suspension, or refusal of a license. The Commissioner may make public any such revocation, suspension, or refusal of license and may give reasons for that action. (b) Credit for reinsurance shall be allowed a domestic ceding insurer as either an asset or a deduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of subdivisions (1), (2), (3), (4), or (5) of this subsection. If meeting the requirements of subdivisions (3) or (4) of this subsection, the reinsurer must also meet the requirements of subdivision (6) of this subsection.

In addition, the group shall maintain a joint trusteed surplus of which one hundred million dollars ($100,000,000) shall be held jointly for the benefit of United States ceding insurers of any member of the group as additional security for any such liabilities, and each member of the group shall make available to the Commissioner an annual certification of the member’s solvency by the member’s domiciliary regulator and its independent public accountant.

   b. To designate the Commissioner as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding begun by or on behalf of the ceding company.

This subdivision does not affect the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if such an obligation is created in the agreement.

(c) This section applies to all reinsurance cessions made on or after January 1, 1992, under reinsurance agreements that have an inception, anniversary, or renewal date on or after January 1, 1992.

(b) This section applies to reinsurance contracts entered into or renewed on or after the effective date of this section.

(c) This section does not invalidate any reinsurance contract that was entered into before the effective date of this section as between the parties to the contract."

Sec. 27. G.S. 58-7-75 is amended by adding a new subdivision to read:

"(11) The Commissioner may require an insurer to have and maintain a larger amount of capital or surplus than prescribed in this section, based upon the volume and kinds of insurance transacted by the insurer and on the principles of risk-based capital as determined by the NAIC or the Commissioner."

Sec. 28. Article 3 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"§ 58-3-165. Business transacted with producer-controlled property or casualty insurers.

(a) As used in this section:

(1) 'Accredited state' means a state in which the insurance department or regulatory agency has qualified as meeting the minimum financial regulatory standards promulgated and established from time to time by the NAIC.

(2) 'Captive insurer' means an insurance company that is owned by another organization and whose exclusive purpose is to insure risks of the parent organization and affiliated companies. In the case of groups and associations, 'captive insurer' means an insurance organization that is owned by the insureds, and whose exclusive purpose is to insure risks of member organizations or group members and their affiliates."
(3) ‘Control’ and its cognates mean the direct or indirect possession of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control is presumed to exist if any person directly or indirectly owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person.

(4) ‘Controlled insurer’ means an insurer that is controlled, directly or indirectly, by a producer.

(5) ‘Controlling producer’ means a producer who, directly or indirectly, controls an insurer.

(6) ‘Insurer’ means any person licensed to write property or casualty insurance in this State. ‘Insurer’ does not mean a risk retention group under Article 22 of this Chapter, residual market mechanism, joint underwriting authority, nor captive insurer.

(7) ‘Producer’ means an insurance broker or brokers or any other person, when, for any compensation, commission, or other thing of value, that person acts or aids in any manner in soliciting, negotiating, or procuring the making of any insurance contract on behalf of an insured other than that person. ‘Producer’ does not mean an exclusive agent or any independent agent acting on behalf of a controlled insurer, including any subagent or representative of the agent, who acts as such in the solicitation of, negotiation for, or procurement or making of an insurance contract, if the agent is not also acting in the capacity of an insurance broker in the transaction in question.

(b) The Commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support the determination, that control exists in fact, notwithstanding the absence of a presumption to that effect. The Commissioner may determine upon application that any person does not or will not upon the taking of some proposed action control another person. The Commissioner may prospectively revoke or modify that determination, after notice and opportunity to be heard, whenever in the Commissioner’s judgment revocation or modification is consistent with this section.

(c) This section applies to insurers that are either domiciled in this State or domiciled in a state that is not an accredited state having in
effect a substantially similar law. The provisions of Article 19 of this Chapter, to the extent they are not superseded by this section, apply to all parties within holding company systems subject to this section.

(d) The provisions of this section apply if, in any calendar year, the aggregate amount of gross written premiums on business placed with a controlled insurer by a controlling producer is equal to or greater than five percent (5%) of the admitted assets of the controlled insurer, as reported in the controlled insurer’s most recent annual statement or its quarterly statement filed as of September 30 of the prior year. The provisions of this section do not apply if:

1. The controlling producer places insurance only with the controlled insurer, or only with the controlled insurer and a member or members of the controlled insurer’s holding company system, or the controlled insurer’s parent, affiliate, or subsidiary and receives no compensation based upon the amount of premiums written in connection with that insurance; and the controlling producer accepts insurance placements only from nonaffiliated subproducers, and not directly from insureds; and

2. The controlled insurer, except for insurance business written through a residual market mechanism, accepts insurance business only from a controlling producer, a producer controlled by the controlled insurer, or a producer that is a subsidiary of the controlled insurer.

(e) A controlled insurer shall not accept business from a controlling producer and a controlling producer shall not place business with a controlled insurer unless there is a written contract between the producer and the insurer specifying the responsibilities of each party, and unless the contract has been approved by the board of directors of the insurer and contains all of the following minimum provisions:

1. The insurer may terminate the contract for cause, upon written notice to the producer. The insurer shall suspend the producer’s authority to write business during the pendency of any dispute regarding the cause for the termination.

2. The producer shall render accounts to the insurer detailing all material transactions, including information necessary to support all commissions, charges, and other fees received by, or owing to, the producer.

3. The producer shall remit all funds due under the contract terms to the insurer on at least a monthly basis. The due date shall be fixed so that premiums or installments of premiums collected shall be remitted no later than 90 days.
after the effective date of any policy placed with the insurer under this contract.

(4) The producer shall hold all funds collected for the insurer's account in a fiduciary capacity, in one or more appropriately identified bank accounts in banks that are members of the Federal Reserve System, in accordance with the provisions of this Chapter as applicable. Funds of a producer who is not required to be licensed in this State shall be maintained in compliance with the requirements of the producer's domiciliary jurisdiction.

(5) The producer shall maintain separately identifiable records of business written for the insurer.

(6) The producer shall not assign the contract in whole or in part.

(7) The insurer shall provide the producer with its underwriting standards, rules and procedures, the manuals setting forth the rates to be charged, and the conditions for the acceptance or rejection of risks. The producer shall adhere to the standards, rules, procedures, rates, and conditions. The standards, rules, procedures, rates, and conditions shall be the same as those applicable to comparable business placed with the insurer by a producer other than a controlling producer.

(8) The rates and terms of the producer's commissions, charges, or other fees and the purposes for the charges or fees. The rates of the commissions, charges, and other fees shall be no greater than those applicable to comparable business placed with the insurer by producers other than controlling producers. For the purposes of this subdivision and subdivision (7) of this subsection, 'comparable business' includes the same lines of insurance, same kinds of insurance, same kinds of risks, similar policy limits, and similar quality of business.

(9) If the contract provides that the producer, on insurance business placed with the insurer, is to be compensated contingent upon the insurer's profits on that business, then the compensation shall not be determined and paid until at least five years after the premiums on liability insurance are earned and at least one year after the premiums are earned on any other insurance. In no event shall the commissions be paid until the adequacy of the insurer's reserves on remaining claims has been independently verified under subsection (g) of this section.
A limit on the producer's writings in relation to the insurer's surplus and total writings. The insurer may establish a different limit for each line or subline of business. The insurer shall notify the producer when the applicable limit is approached and shall not accept business from the producer if the limit is reached. The producer shall not place business with the insurer if it has been notified by the insurer that the limit has been reached.

The producer may negotiate but shall not bind reinsurance on behalf of the insurer on business the producer places with the insurer; however, the producer may bind facultative reinsurance contracts under obligatory facultative agreements if the producer's contract with the insurer contains underwriting guidelines including, for both reinsurance assumed and ceded, a list of reinsurers with which the automatic agreements are in effect, the coverages and amounts or percentages that may be reinsured, and commission schedules.

Every controlled insurer shall have an audit committee, consisting of independent directors, of the insurer's board of directors. The audit committee shall meet annually with the insurer's management, the insurer's independent certified public accountants, and an independent casualty actuary or another independent loss reserve specialist acceptable to the Commissioner, to review the adequacy of the insurer's loss reserves.

In addition to any other required loss reserve certification, the controlled insurer shall, on or before April 1 of each year, file with the Commissioner an opinion of an independent casualty actuary or another independent loss reserve specialist acceptable to the Commissioner, reporting loss ratios for each kind of insurance written and attesting to the adequacy of loss reserves established for losses incurred and outstanding and for incurred but not reported losses as of the end of the prior calendar year on business placed by the producer.

The controlled insurer shall report annually to the Commissioner the amount of commissions paid to the controlling producer, the percentage that amount represents of the net premiums written, and comparable amounts and percentages paid to noncontrolling producers for placements of the same kinds of insurance.

The controlling producer, before the effective date of any policy, shall deliver written notice to the prospective insured disclosing the relationship between the producer and the controlled insurer. However, if the business is placed through a subproducer who is not a controlling producer, the controlling producer shall retain in the
controlling producer's records a signed commitment from the subproducer that the subproducer is aware of the relationship between the insurer and the producer and that the subproducer has or will notify the prospective insured.

(j) If the Commissioner believes that a controlling producer or any other person has not materially complied with this section or with any rule adopted or order issued under this section, after notice and opportunity to be heard, the Commissioner may order the controlling producer to stop placing business with the controlled insurer. If it is found that, because of the material noncompliance, the controlled insurer or any policyholder of the controlled insurer has suffered any loss or damage, the Commissioner may maintain a civil action or intervene in an action brought by or on behalf of the insurer or policyholder for recovery of compensatory damages for the benefit of the insurer or policyholder or other appropriate relief.

(k) If an order for liquidation or rehabilitation of the controlled insurer has been entered under Article 30 of this Chapter, and the receiver appointed under that order believes that the controlling producer or any other person has not materially complied with this section or any rule adopted or order issued under this section, the receiver may maintain a civil action for recovery of damages or other appropriate sanctions for the benefit of the insurer.

(l) In addition to any other remedies provided in this section, whenever the Commissioner believes that a person has not materially complied with this section, the Commissioner may institute a proceeding under G.S. 58-2-60 or under G.S. 58-2-70. In addition to the civil penalty or restitution proceedings provided for in G.S. 58-2-70, the Commissioner may issue a cease and desist order against the person.

(m) This section does not affect the Commissioner's right to impose any other penalties provided for in this Chapter nor the rights of policyholders, claimants, creditors, or other third parties.

(n) Controlled insurers and controlling producers who are not in compliance with subsection (e) of this section on October 1, 1991, have until December 1, 1991, to come into compliance and shall comply with subsection (i) of this section beginning with all policies written or renewed on or after December 1, 1991."

Sec. 29. Article 7 of Chapter 58 of the General Statutes is amended by adding the following new sections to read:
"§ 58-7-160. Investments unlawfully acquired.
Whenever it appears by examination as authorized by law that a domestic insurer has acquired any assets in violation of the law in force on the date of the acquisition, the Commissioner shall disallow the amount of the assets, if wholly ineligible, or the amount of the

1802
value thereof in excess of any limitation prescribed by this Chapter and shall deduct that amount as a nonadmitted asset of the insurer.

"§ 58-7-162. Allowable or admitted assets.

In any determination of the financial condition of an insurer, there shall be allowed as assets only those assets owned by an insurer and that consist of:

(1) Cash in the possession of the insurer, or in transit under its control, and including the true balance of any deposit in a solvent United States bank, savings and loan association, or trust company, and the balance of any such deposit in an insolvent United States bank, savings and loan association, or trust company, to the extent insured by a federal agency.

(2) Investments, securities, properties, and loans acquired or held in accordance with this Chapter, and in connection therewith the following items:
   a. Interest due or accrued on any bond or evidence of indebtedness that is not in default.
   b. Declared and unpaid dividends on stock and shares, unless that amount has otherwise been allowed as an asset.
   c. Interest due or accrued upon a collateral loan in an amount not to exceed one year's interest thereon.
   d. Interest due or accrued on deposits in solvent banks, savings and loan associations, and trust companies, and interest due or accrued on other assets, if the interest is, in the Commissioner's judgment, a collectible asset.
   e. Interest due or accrued on a current mortgage loan, in an amount not exceeding in any event the amount, if any, of the excess of the value of the property less delinquent taxes thereon over the unpaid principal; but in no event shall interest accrued for a period in excess of 90 days be allowed as an asset.
   f. Rent due or accrued on real property if the rent is not in arrears for more than three months, and rent more than three months in arrears if the payment of the rent is adequately secured by property held in the tenant's name and conveyed to the insurer as collateral and the underlying collateral is admissible under this Chapter.
   g. The unaccrued portion of taxes paid before the due date on real property.

(3) Premium notes, policy loans, and other policy assets and liens on policies and certificates of life insurance and annuity contracts and accrued interest thereon, in an
amount not exceeding the legal reserve and other policy liabilities carried on each individual policy.

(4) The net amount of uncollected and deferred premiums and annuity considerations in the case of a life insurer.

(5) Premiums in the course of collection, other than for life insurance, not more than 90 days past due, less commissions payable thereon, except for premiums payable directly or indirectly by the United States government or by any of its instrumentalities.

(6) All premiums not more than 90 days past due, excluding commissions payable thereon, due from any person that solely or in combination with the person’s affiliates owes the insurer an amount that exceeds five percent (5%) of the insurer’s total premiums in course of collection, but only if:

a. The premiums collected by the person or affiliates and not remitted to the insurer are held in a trust account with a bank or other depository approved by the Commissioner. The funds shall be held as trust funds and may not be commingled with any other funds of the person or affiliates. Disbursements from the trust account may be made only to the insurer, the insured, or, for the purpose of returning premiums, a person that is entitled to returned premiums on behalf of the insured. A written copy of the trust agreement shall be filed with and approved by the Commissioner before becoming effective. The Commissioner shall disapprove any trust agreement filed under this sub-subdivision that does not assure the safety of the premiums collected. The investment income derived from the trust may be allocated as the parties consider to be proper. The person or affiliates shall deposit premiums collected into the trust account within 15 business days after collection; or

b. The person or affiliates shall provide to the insurer, and the insurer shall maintain in its possession, an unexpired, clean, irrevocable letter of credit, payable to the insurer, issued for a term of no less than one year and in conformity with the requirements set forth in this sub-subdivision, the amount of which equals or exceeds the liability of the person or affiliates to the insurer, at all times during the period that the letter of credit is in effect, for premiums collected by the person or affiliates. The letter of credit shall be issued under
arrangements satisfactory to the Commissioner and the letter shall be issued by a banking institution that is a member of the Federal Reserve System and that has a financial standing satisfactory to the Commissioner; or

The person or affiliates shall provide to the insurer, and the insurer shall maintain in its possession, evidence that the person or affiliates have purchased and have currently in effect a financial guaranty bond, payable to the insurer, issued for a term of not less than one year and that is in conformity with the requirements set forth in this sub-subdivision, the amount of which equals or exceeds the liability of the person or affiliates to the insurer, at all times during which the financial guaranty bond is in effect, for the premiums collected by the person or persons. The financial guaranty bond shall be issued under an arrangement satisfactory to the Commissioner and the financial guaranty bond shall be issued by an insurer that is authorized to transact that business in this State, that has a financial standing satisfactory to the Commissioner, and that is neither controlled nor controlling in relation to either the insurer or the person or affiliates for whom the bond is purchased.

Premiums receivable under this subdivision will not be allowed as an admitted asset if a financial evaluation by the Commissioner indicates that the person or affiliates are unlikely to be able to pay the premiums as they become due. The financial evaluation shall be based on a review of the books and records of the controlling or controlled person.

(7) Installment premiums other than life insurance premiums to the extent of the unearned premium reserve carried on the policy to which the premiums apply.

(8) Notes and like written obligations not past due, taken for premiums other than life insurance premiums, on policies permitted to be issued on that basis, to the extent of the unearned premium reserves carried thereon.

(9) The full amount of reinsurance which is recoverable by a ceding insurer from a solvent reinsurer and is authorized under G.S. 58-7-21.

(10) Amounts receivable by an assuming insurer representing funds withheld by a solvent ceding insurer under a reinsurance treaty.
(11) Deposits or equities recoverable from underwriting associations, syndicates, and reinsurance funds, or from any suspended banking institution, to the extent considered by the Commissioner to be available for the payment of losses and claims and at values to be determined by the Commissioner.

(12) Electronic and mechanical machines, including operating and system software constituting a management information system, if the cost of the system is at least twenty-five thousand dollars ($25,000) but not more than two percent (2%) of total admitted assets; the cost shall be amortized in full over a period not to exceed seven calendar years.

(13) Other assets, not inconsistent with the provisions of this section, considered by the Commissioner to be available for the payment of losses and claims, at values to be determined by the Commissioner.

"§ 58-7-163. Assets not allowed.
In addition to assets impliedly excluded by the provisions of G.S. 58-7-162, the following expressly shall not be allowed as assets in any determination of the financial condition of an insurer:

(1) Goodwill, trade names, and other like intangible assets.
(2) Advances (other than policy loans) to officers, directors, and controlling stockholders, whether secured or not, and advances to employees, agents, and other persons on personal security only.
(3) Stock of the insurer or any material equity therein or loans secured thereby, or any material proportionate interest in the stock acquired or held through the ownership by the insurer of an interest in another firm, corporation, or business unit.
(4) Furniture, fixtures, other equipment, safes, vehicles, libraries, stationery, literature, and supplies, other than data processing and accounting systems authorized under G.S. 58-7-162(12), except in the case of title insurers the materials and plants which G.S. 58-7-182 expressly authorizes the insurer to invest in, and except, in the case of any insurer, any personal property that the insurer is permitted to hold under this Chapter, or that is acquired through foreclosure of chattel mortgages acquired under G.S. 58-7-180, or that is reasonably necessary for the maintenance and operation of real estate that the insurer uses for a home office, branch office, and similar purposes.
(5) The amount, if any, by which the aggregate book value of investments as carried in the ledger assets of the insurer exceeds the aggregate value of the investments as determined under this Chapter.

(6) Bonds, notes, or other evidences of indebtedness that are secured by mortgages or deeds of trust that are in default, to the extent of the cost of carrying value that is in excess of the value as determined pursuant to other provisions of this Chapter.

(7) Prepaid and deferred expenses.

(8) Certificates of contribution or other similar evidences of indebtedness.

"§ 58-7-165. Eligible investments."

(a) Insurers shall invest in or lend their funds on the security of, and shall hold as invested assets, only eligible investments as prescribed in this Chapter.

(b) Any particular investment held by an insurer on December 31, 1991, that was a legal investment when it was made, and that the insurer was legally entitled to possess immediately before January 1, 1992, is an eligible investment.

(c) Eligibility of an investment shall be determined as of the date of its making or acquisition, except as stated otherwise in this Chapter.

(d) Any investment limitation based upon the amount of the insurer's assets or particular funds shall relate to those assets or funds shown by the insurer's annual statement as of the December 31 preceding the date of acquisition of the investment by the insurer, or, if applicable, as shown by the most current quarterly financial statement filed by the insurer.

"§ 58-7-167. General qualifications."

(a) No security or investment, other than real or personal property acquired under G.S. 58-7-187, is eligible for acquisition unless it is interest-bearing or interest-accruing, is entitled to receive dividends if and when declared and paid, or is otherwise income-producing, is not then in default in any respect, and the insurer is entitled to receive for its exclusive account and benefit the interest or income accruing thereon.

(b) No security or investment shall be eligible for purchase at a price above its market value unless it is approved by the Commissioner and is valued in accordance with valuation procedures of the NAIC that have been adopted by the Commissioner.

(c) This Chapter does not prohibit the acquisition by an insurer of other or additional securities or property if received as a dividend, as a lawful distribution of assets, or under a lawful and bona fide agreement of bulk reinsurance, merger, or consolidation. Any
investment so acquired that is not otherwise eligible under this Chapter shall be disposed of under G.S. 58-7-188 if the investment is in property or securities.

An insurer shall not make any investment or loan, other than a policy loan or annuity contract loan of a life insurer, unless the investment or loan is authorized or approved by the insurer’s board of directors or by a committee authorized by the board and charged with the supervision or making of the investment or loan. The minutes of any such committee shall be recorded and regular reports of the committee shall be submitted to the board of directors.

"§ 58-7-170. Diversification.

(a) Every insurer must maintain an amount equal to its entire policyholder-related liabilities and the minimum capital and surplus required to be maintained by the insurer under this Chapter invested in coin or currency of the United States and in investments authorized under this Chapter, other than the investments authorized under G.S. 58-7-183 or G.S. 58-7-187, except G.S. 58-7-187(b)(1).

(b) Investments eligible under subsection (a), except investments acquired under G.S. 58-7-183, are subject to the following limitations:

(1) The cost of investments made by insurers in stock authorized by G.S. 58-7-173 shall not exceed twenty-five percent (25%) of the insurer’s admitted assets, provided that no more than twenty percent (20%) of the insurer’s admitted assets shall be invested in common stock; and the cost of an investment in stock of any one corporation shall not exceed three percent (3%) of the insurer’s admitted assets. Notwithstanding any other provision in this Chapter, the financial statement carrying value of all stock investments shall be used for the purpose of determining the asset value against which the percentage limitations are to be applied.

(2) Other limitations, if any, that are expressly provided for in any provision under which the investment is authorized.

(c) The cost of investments made by insurers in a mortgage loan authorized by G.S. 58-7-179 shall not exceed the lesser of five percent (5%) of the insurer’s admitted assets or ten percent (10%) of the insurer’s capital and surplus. An insurer shall not invest in additional mortgage loans without the Commissioner’s consent if the admitted value of all mortgage loans held by the insurer exceeds an aggregate of sixty percent (60%) of the admitted assets of the insurer, if (i) the admitted value of all mortgage pass-through securities permitted by G.S. 58-7-173(17) does not exceed twenty-five percent (25%) of the admitted assets of the insurer and (ii) the admitted value of other
mortgage loans permitted by G.S. 58-7-179 does not exceed forty percent (40%) of the admitted assets of the insurer.

An insurer that, as of October 1, 1991, has mortgage investments that exceed the aggregate limitation specified in this subsection shall submit to the Commissioner no later than January 31, 1992, a plan to bring the amount of mortgage investments into compliance with the limitations by January 1, 2001.

(d) Without the Commissioner's prior written approval, the cost of investments in bonds, debentures, notes, commercial paper, or other debt obligations issued, assumed, or guaranteed by any solvent United States institution, and that are classified as medium to lower quality obligations, other than obligations of subsidiaries or affiliated corporations as that term is defined in G.S. 58-7-177, shall be limited to:

1. No more than twenty percent (20%) of an insurer's admitted assets;
2. No more than ten percent (10%) of an insurer's admitted assets in obligations that have been given a rating of 4, 5, or 6 by the Securities Valuation Office of the NAIC;
3. No more than three percent (3%) of an insurer's admitted assets in obligations that have been given a rating of 5 or 6 by the Securities Valuation Office of the NAIC;
4. No more than one percent (1%) of an insurer's admitted assets in obligations that have been given a rating of 6 by the Securities Valuation Office of the NAIC;
5. No more than ten percent (10%) of an insurer's admitted assets, if the investments are in issuers from any one industry; and
6. No more than two percent (2%) of an insurer's admitted assets or ten percent (10%) of an insurer’s capital and surplus, whichever is greater, if the investment is in any one issuer.

(e) As used in subsections (d), (f), (g), and (h) of this section, 'medium to lower quality obligations' means obligations that have been given a rating of 3, 4, 5, or 6 by the Securities Valuation Office of the NAIC. As used in subsection (d) of this section, 'industry' means a distinct and recognized area of economic activity that consists of the production, manufacture, or distribution of common goods, products, commodities, or services.

(f) Each insurer shall possess and maintain adequate documentation to establish that its investments in medium to lower quality obligations do not exceed the limitations under subsection (d).

(g) The provisions of subsections (d), (e), and (f) of this section apply to any investment made after December 31, 1991. If an
insurer’s investments in medium to lower quality obligations equal or exceed the maximum amounts permitted by subsection (d) as of December 31, 1991, the insurer shall not acquire any additional medium to lower quality obligations without the Commissioner’s prior written approval. An insurer that is not in compliance with subsection (d) of this section as of December 31, 1991, may hold until maturity or until December 31, 1995, whichever is sooner, only those medium to lower quality obligations it owns on that date, if the obligations were obtained in compliance with the law in effect when the investments were made. If the insurer sells, transfers, or otherwise disposes of the securities before maturity, the insurer may not acquire any medium to lower quality obligations as substitutions or replacements without the Commissioner’s prior approval.

(h) An insurer that is not in compliance with subsection (d) of this section on December 31, 1991, shall file with its annual statement a separate schedule of the medium to lower quality obligations it owns on December 31, 1991. Until it is in compliance with subsection (d) of this section, the insurer shall file with each succeeding annual and quarterly statement a separate schedule of the medium to lower quality obligations it owns as of the reporting date of the filed statement.

(i) Failure to obtain the Commissioner’s prior written approval shall result in any investments in excess of those permitted by subsection (d) of this section not being allowed as an asset of the insurer.

(j) The Commissioner may limit the extent of an insurer’s deposits with any financial institution that does not meet its regulatory capital requirement if the Commissioner determines that the financial solvency of the insurer is threatened by a deposit in excess of insured limits.

§ 58-7-172. Cash and deposits.
An insurer may have funds in coin or currency of the United States on hand or on deposit in any solvent national or state bank, savings and loan association, or trust company.

§ 58-7-173. Permitted insurer investments.

and for payment of the principal and interest of which the
county, district, city, or school district has lawful authority
to levy taxes or make assessments.

Bonds, notes, certificates of indebtedness, warranties, or
other evidences of indebtedness that are payable from
revenues or earnings specifically pledged therefor of any
public toll bridge, structure, or improvement owned by any
state, incorporated city, or legally constituted public
corporation or commission, all within the United States or
Canada, for the payment of the principal and interest of
which a lawful sinking fund has been established and is
being maintained and if no default by the issuer in payment
of principal or interest has occurred on any of its bonds,
notes, warrants, or other securities within five years prior
to the date of investment therein.

Bonds, notes, certificates of indebtedness, warrants, or
other evidences of indebtedness that are valid obligations
issued, assumed, or guaranteed by the United States, any
state, any county, city, district, political subdivision, civil
division, or public instrumentality of any such government
or unit thereof, or in any province of Canada; if by statute
or other legal requirements the obligations are payable as to
both principal and interest from revenues or earnings from

   g. Any other similar agency of the U.S. Government that is of similar financial quality.

(9) Bonds, debentures, or other securities of public housing authorities, issued under the Housing Act, of 1949, the Municipal Housing Commission Act, or the Rural Housing Commission Act, or issued by any public housing authority or agency in the United States, if the bonds, debentures, or other securities are secured by a pledge of annual contributions to be paid by the United States or any United States agency; and the cost of investments made under this subdivision shall not exceed the lesser of three percent (3%) of the insurer’s admitted assets or ten percent (10%) of the insurer’s capital and surplus.

(10) Obligations issued, assumed, or guaranteed by the International Bank for Reconstruction and Development, the Inter-American Development Bank, the Asian Development Bank, or the African Development Bank; and the cost of investments made under this subdivision shall not exceed the lesser of three percent (3%) of the insurer admitted assets or ten percent (10%) of the insurer’s capital and surplus.
(11) Bonds, notes, or other interest-bearing or interest-accruing obligations of any solvent institution organized under the laws of the United States, of any state, Canada or any Canadian province; provided such instruments are rated and approved by the Securities Valuation Office of the NAIC.

(12) Secured obligations of duly constituted churches and of church-holding companies; and the cost of investments made under this subdivision shall not exceed the lesser of one percent (1%) of the insurer’s admitted assets or five percent (5%) of the insurer’s capital and surplus.

(13) Equipment trust obligations or certificates adequately secured and evidencing an interest in transportation equipment, wholly or in part within the United States, and the right to receive determined portions of rental, purchase, or other fixed obligatory payments for the use or purchase of that transportation equipment; and the cost of investments made under this subdivision shall not exceed twenty percent (20%) of the insurer’s admitted assets.

(14) Share or savings accounts of savings and loan associations or building and loan associations; and the cost of investments made under this subdivision shall not exceed the lesser of three percent (3%) of the insurer’s admitted assets or five percent (5%) of the insurer’s capital and surplus.

(15) Loans with a maturity not in excess of 12 years from the date thereof that are secured by the pledge of securities eligible for investment under this Chapter or by the pledge or assignment of life insurance policies issued by other insurers authorized to transact insurance in this State. On the date made, no such loan shall exceed in amount seventy-five percent (75%) of the market value of the collateral pledged, except that loans upon the pledge of U.S. Government bonds and loans upon the pledge or assignment of life insurance policies shall not exceed ninety-five percent (95%) of the market value of the bonds or the cash surrender value of the policies pledged. The market value of the collateral pledge shall at all times during the continuance of the loans meet or exceed the minimum percentages herein. Loans made under this section shall not be renewable beyond a period of 12 years from the date of the loan.

(16) Stocks, common or preferred, of any corporation created or existing under the laws of the United States, any U.S.
territory, Canada or any Canadian province, or of any state. An insurer may invest in stocks, common or preferred, of any corporation created or existing under the laws of any foreign country other than Canada if the stocks are listed and traded on a national securities exchange in the United States or if the investment in stocks of any corporation created or existing under the laws of any foreign country are first approved by the Commissioner. Nothing in this section applies to qualifying investments made by an insurer in a foreign country under authority of G.S. 58-7-178.

(17) Mortgage pass-through securities and derivatives thereof, including, without limitation, collateral mortgage obligations backed by a pool of mortgages of the kind, class, and investment quality as those eligible for investment under G.S. 58-7-179, but not including investments permitted under G.S. 58-7-173(2), (8), or (11).

§ 58-7-175. Policy loans.
A life insurer may lend to its policyholder, upon pledge of the policy as collateral security, any sum not exceeding the cash loan value of the policy; or may lend against pledge or assignment of any of its supplementary contracts or other contracts or obligations, as long as the loan is adequately secured by the pledge or assignment. Loans so made are eligible investments of the insurer.

§ 58-7-177. Investments in subsidiaries and affiliated corporations.
(a) Any insurer, either by itself or in cooperation with one or more persons, may organize or acquire one or more subsidiaries, subject to the limitations of this Chapter. The subsidiaries may conduct any kind of business, and their authority to do so shall not be limited because they are subsidiaries of an insurer, except where in conflict with Article 19 of this Chapter.
(b) In addition to investments in common stock, preferred stock, debt obligations, and other securities permitted under this Chapter, an insurer may also invest and maintain investments in common stock, preferred stock, debt obligations, and other securities of one or more subsidiaries or affiliated corporations under the provisions and limitations outlined in G.S. 58-19-10.
(c) For purposes of this section:
(1) 'Subsidiary' has the same meaning as in G.S. 58-19-5(7).
(2) 'Affiliated' has the same meaning as in G.S. 58-19-5(1).
(d) Debt obligations, other than mortgage loans, made under the authority of this section must meet amortization requirements in accordance with the latest edition of the NAIC publication entitled
Valuation of Securities: provided that the amortization methodology is acceptable to the Commissioner.

(e) For purposes of this section, an insurer’s investment in a subsidiary or affiliated corporation shall be considered to include all sums lent to the subsidiary or affiliated corporation.

§ 58-7-178. Foreign or territorial investments.

An insurer authorized to transact insurance in a foreign country or any U.S. territory may have funds invested in securities that may be required for that authority and for the transaction of that business. Canadian securities eligible for investment under other provisions of this Chapter are not subject to this section. Unless disapproved by the Commissioner:

1. An insurer may invest in Eurodollar certificates of deposit issued by foreign branches of United States commercial banks.

2. In addition to Canadian securities eligible for investment and to investments in countries in which an insurer transacts insurance, an insurer may invest in bonds, notes, or stocks of any foreign country or alien corporation if the security meets the general requirements of G.S. 58-7-167 and does not exceed, in total, five percent (5%) of admitted assets.

§ 58-7-179. Mortgage loans.

(a) An insurer may invest any of its funds in bonds, notes, or other evidences of indebtedness that are secured by first mortgages or deeds of trust upon improved real property located in the United States, any U.S. territory, or Canada, or that are secured by first mortgages or deeds of trust upon leasehold estates having an unexpired term of not less than 30 years, inclusive of the terms that may be provided by enforceable options of renewal, as long as the loan matures at least 20 years before the expiration of such lease, in improved real property located in the United States, any U.S. territory, or Canada. In all cases the security for the loan must be a first lien upon the real property, and there must not be any condition or right of reentry or forfeiture not insured against under which, in the case of real property other than leaseholds, the lien can be cut off or subordinated or otherwise disturbed, or under which, in the case of leaseholds, the insurer cannot continue the lease in force for the duration of the loan. Nothing herein prohibits any investment because of the existence of any prior lien for ground rents, taxes, assessments, or other similar charges not yet delinquent. This section does not prohibit investment in mortgages or similar obligations when made under G.S. 58-7-180.
(b) 'Improved real property' means all farmlands used for tillage, crops, or pasture; timberlands; and all real property on which permanent improvements, and improvements under construction or in process of construction, suitable for residential, institutional, commercial, or industrial use are situated.

(c) No such mortgage loan or loans made or acquired by an insurer on any one property shall, at the time of investment by the insurer, exceed the larger of the following amounts, as applicable:

1. Ninety-five percent (95%) of the value of the real property or leasehold securing the real property in the case of a mortgage on a dwelling primarily intended for occupancy by not more than four families if they insure down to seventy-five percent (75%) with a licensed mortgage insurance company, or seventy-five percent (75%) of the value in the case of other real estate mortgages;

2. The amount of any insurance or guaranty of the loan by the United States or by an agency or instrumentality thereof;

3. The percentage-of-value limit on the amount of the loan applicable under subdivision (1) of this subsection, plus the amount by which the excess of the loan over the percentage-of-value limit is insured or guaranteed by the United States or by any agency or instrumentality thereof.

(d) In the case of a purchase money mortgage given to secure the purchase price of real estate sold by the insurer, the amount lent or invested shall not exceed the unpaid part of the purchase price and shall be valued in accordance with G.S. 58-7-195.

(e) Nothing in this section prohibits an insurer from renewing or extending a loan for the original or a lesser amount where a shrinkage in value of the real estate securing the loan would cause its value to be less than the amount otherwise required in relation to the amount of the loan.

"§ 58-7-180. Chattel mortgages.

(a) In connection with a mortgage loan on the security of real estate designed and used primarily for residential purposes only, where the mortgage loan was acquired under G.S. 58-7-179, an insurer may lend or invest an amount not exceeding twenty percent (20%) of the amount lent on or invested in such real estate mortgage on the security of a chattel mortgage to be amortized by regular periodic payments with a term of not more than five years, and representing a first and prior lien, except for taxes not then delinquent, on personal property constituting durable equipment owned by the mortgagor and kept and used in the mortgaged premises.
(b) For the purposes of this section, the term ‘durable equipment’ includes only mechanical refrigerators, air-conditioning equipment, mechanical laundering machines, heating and cooking stoves and ranges, and, in addition, in the case of apartment houses and hotels, room furniture and furnishings.

(c) Before the acquisition of a chattel mortgage under this section, items of property to be included therein shall be separately appraised by a qualified appraiser and the fair market value determined. No such chattel mortgage loan shall exceed in amount the same ratio of loan to the value of the property as is applicable to the companion loan on the real property.

(d) This section does not prohibit an insurer from taking liens on personal property as additional security for any investment otherwise eligible under this Chapter.

"§ 58-7-182. Special investments by title insurers.

In addition to other investments eligible under this Chapter, a title insurer may invest and have invested an amount not exceeding the greater of three hundred thousand dollars ($300,000) or fifty percent (50%) of that part of its policyholders’ surplus that exceeds the minimum surplus required by G.S. 58-7-75 in its abstract plant and equipment, in loans secured by mortgages on abstract plants and equipment, and, with the Commissioner’s consent, in stocks of abstract companies.

"§ 58-7-183. Special consent investments.

(a) After satisfying the requirements of this Chapter, any funds of an insurer in excess of its reserves and policyholders’ surplus required to be maintained may be invested:

(1) Without limitation in any investments otherwise authorized by this Chapter; or

(2) In such other investments not specifically authorized by this Chapter as long as any single interest investment does not exceed two percent (2%) of admitted assets and the aggregate of the investments does not exceed the lesser of five percent (5%) of the insurer’s total admitted assets or twenty percent (20%) of the amount by which the insurer’s policyholders’ surplus exceeds the minimum required to be maintained.

The limitations in subdivision (2) of this subsection may be exceeded if approved in writing by the Commissioner.

(b) In no case shall the investments authorized under this section being held by an insurer be greater than the amount by which the insurer’s policyholders’ surplus exceeds the minimum reserves and policyholders’ surplus required to be maintained.
Notwithstanding the provisions of this section, an insurer may not invest in investments prohibited by this Chapter.

§ 58-7-185. Prohibited investments and investment underwriting.

(a) In addition to investments excluded under other provisions of this Chapter, except with prior approval by the Commissioner, an insurer shall not directly or indirectly invest in or lend its funds upon the security of:

1. Issued shares of its own capital stock, except in connection with a plan for purchase of the shares by the insurer’s officers, employees, or agents. No such stock shall, however, constitute an asset of the insurer in any determination of its financial condition.

2. Except with the Commissioner’s consent, securities issued by any corporation or enterprise, the controlling interest of which is or will after acquisition by the insurer be held directly or indirectly by the insurer or any combination of the insurer and the insurer’s directors, officers, parent corporation, subsidiaries, or controlling stockholders. Investments in subsidiaries under G.S. 58-7-177 are not subject to this provision.

3. Any note or other evidence of indebtedness of any director, officer, or controlling stockholder of the insurer, except as to policy loans authorized under G.S. 58-7-175 and loans authorized under G.S. 58-7-200(e).

(b) No insurer shall underwrite or participate in the underwriting of an offering of securities or property by any other person.

§ 58-7-187. Real estate, in general.

(a) An insurer shall not directly or indirectly acquire or hold real estate except as authorized in this section.

(b) An insurer may acquire and hold:

1. Land and buildings thereon used or acquired for use as its principal home office and branch offices, or used in conjunction with such offices, for the convenient transaction of its own business.

2. Real property acquired in satisfaction in whole or in part of loans, mortgages, liens, judgments, decrees, or debts previously owing to the insurer, in the course of its business.

3. Real property acquired in part payment of the consideration on the sale of other real property owned by it, if the transaction effects a net reduction in the insurer’s investment in real estate.
(4) Real property acquired by gift or devise or through merger, consolidation, or bulk reinsurance of another insurer under this Chapter.

(5) Additional real property and equipment incident to real property, if necessary or convenient for the enhancement of the marketability or sale value of real property previously acquired or held by it under subdivisions (2) through (4) of this subsection.

(c) An insurer may acquire and hold real property for investment, subject to the following conditions:

(1) The amount shall not exceed in the aggregate the lesser of five percent (5%) of the insurer’s admitted assets or fifteen percent (15%) of the insurer’s capital and surplus.

(2) The amount in any one property shall not exceed one percent (1%) of the insurer’s admitted assets.

(3) The amount in unimproved land shall not exceed one-half of one percent (0.5%) of the insurer’s admitted assets.

(4) There shall be no time limit for the disposal of investment real estate.

(d) The amount in real property acquired and held by an insurer shall not exceed fifteen percent (15%) of the insurer’s admitted assets; but the Commissioner may permit an insurer to invest in real property in such increased amount as the Commissioner considers to be proper.

"§ 58-7-188. Time limit for disposal of ineligible property and securities; effect of failure to dispose.

(a) Any property or securities lawfully acquired by an insurer that it could not otherwise have invested in or lent its funds upon at the time of the acquisition shall be disposed of within three years from the date of acquisition, unless within that period the security has attained to the standard of eligibility; except that any security or property acquired under any agreement of bulk reinsurance, merger, or consolidation may be retained for a longer period if so provided in the plan for the reinsurance, merger, or consolidation as approved by the Commissioner under this Chapter. Upon application by the insurer and proof that forced sale of any such property or security would materially injure the insurer’s interests, the Commissioner may extend the disposal period for an additional reasonable time.

(b) Any property or securities lawfully acquired and held by an insurer after expiration of the period for their disposal or any extension of the period granted by the Commissioner shall not be allowed as an asset of the insurer.

"§ 58-7-190. Valuation of bonds and other evidences of indebtedness."
CHAPTER 681  Session Laws — 1991

(a) All bonds or fully secured indebtedness having a stated term and a rate of interest that are held by an insurer, if fully secured and not in default as to principal or interest, shall be valued as follows: (i) if purchased at par, at par value; (ii) if purchased above or below par, on the basis of the purchase price adjusted so as to bring the value to par at maturity and so as to yield in the meantime the effective rate of interest at which the purchase was made or, in lieu of that method, according to an accepted method of valuation approved by the Commissioner; except that the purchase price shall in no case be taken at a higher figure than the actual market value at the time of purchase.

(b) The Commissioner may, after notice and opportunity for hearing, determine the method of calculating any values under this section.

§ 58-7-192. Valuation of other securities and investments.

(a) All securities, investments, and evidences of debt, other than those for which valuation methodologies are specifically set forth in this Chapter, that are held by an insurer shall be valued at their market values, at their appraised values, or at prices determined by the insurer as representing their fair market values, subject to the Commissioner's approval.

(b) Preferred or guaranteed stocks or shares while paying full dividends may be carried at a fixed value in lieu of market value, in the Commissioner's discretion and in accordance with a method of valuation that the Commissioner approves.

(c) Stock of a subsidiary corporation of an insurer shall not be valued at an amount in excess of its net value as based upon those assets only of the subsidiary that would be eligible under this Chapter and G.S. 58-19-10 for investment of the funds of the insurer direct.

(d) No valuations under this section shall be greater than any applicable valuation or method contained in the latest edition of the NAIC publication entitled 'Valuations of Securities', unless the Commissioner determines that another valuation method is appropriate when it results in a more conservative valuation.

§ 58-7-193. Valuation of property.

(a) Real property acquired pursuant to a mortgage loan or contract for sale shall be valued at the net realizable value, but in no event shall the property be valued at an amount greater than the unpaid principal of the defaulted loan or contract at the date of the acquisition and the cost of improvements thereafter made by the insurer and any amounts thereafter paid by the insurer on assessments levied for improvements in connection with the property.

(b) Other real property held by an insurer shall not be valued at an amount in excess of fair market value as determined by recent
appraisal and as approved by the Commissioner. If valuation is based on an appraisal more than three years old, the Commissioner may call for and require a new appraisal in order to determine fair value.

(c) Personal property acquired pursuant to chattel mortgages made in accordance with G.S. 58-7-180 shall not be valued at an amount greater than the unpaid balance of principal on the defaulted loan at the date of acquisition, or the fair market value of the property, whichever amount is less.

(d) If the Commissioner and an insurer do not agree on the value of real or personal property of an insurer, in carrying out the Commissioner’s responsibilities under this section, the Commissioner may retain the services of a qualified real or personal property appraiser. The insurer shall reimburse the Commissioner for the costs of the services of any appraiser incurred with respect to the Commissioner’s responsibilities under this section.

§ 58-7-195. Valuation of purchase money mortgages.

Purchase money mortgages on real property referred to in G.S. 58-7-193(a) shall be valued in an amount not exceeding the greater of seventy-five percent (75%) of the acquisition cost to the insurer, or seventy-five percent (75%) of the fair market value, of the real property covered thereby.

§ 58-7-197. Replacing certain assets; reporting certain liabilities.

(a) The Commissioner, upon determining that an insurer’s asset has not been valued according to this Chapter or that it does not qualify as an asset, shall require the insurer to properly revalue an improperly valued asset or replace a nonadmitted asset with an asset suitable to the Commissioner within 90 days after the determination.

(b) The Commissioner, upon determining that an insurer has failed to report certain liabilities that should have been reported, shall require that the insurer report those liabilities to the Commissioner within 90 days after notice to the insurer.

(c) When the Commissioner determines that an admitted asset held by any insurer is of doubtful value or is without ascertainable value on a public exchange, unless the insurer establishes a value by placing the asset upon the market and obtaining a bona fide offer for the asset, the Commissioner may have the asset appraised, and the appraisal shall be the true value of the asset. No asset may be carried in an insurer's financial statement under G.S. 58-2-165 at an appraised value established by the insurer unless the Commissioner’s prior written approval is obtained.

(d) When any admitted asset defaults as to principal or in the payment of interest or dividends after it has been purchased by an insurer, the asset shall subsequently be carried at its market value or.
after notice and opportunity for hearing, at a value determined by the Commissioner.

(e) Whenever it appears to the Commissioner that an insurer has acquired any asset in violation of this Chapter, the Commissioner shall disallow, in whole or in part, the amount of the asset that is prohibited by this Chapter. In any determination of the financial position of the insurer, that amount shall be deducted as a nonadmitted asset of the insurer.

"§ 58-7-198. **Assets of foreign or alien insurers.**

The Commissioner may refuse a new or renewal license to any foreign or alien insurer upon finding that its assets do not comply in substance with the investment requirements and limitations imposed by this Chapter upon like domestic insurers whenever authorized to do the same kinds of insurance business.

"§ 58-7-200. **Investment transactions.**

(a) The transactions specified in subsections (b) through (e) of this section are expressly allowed or prohibited as provided in this section and to the extent they are not in conflict with other provisions of this Chapter.

(b) Notwithstanding any expressed or implied prohibitions, an insurer may effect or maintain bona fide hedging transactions pertaining to securities otherwise eligible for investment under this section, including, but not limited to (i) financial futures contracts, warrants, options, calls and other rights to purchase; and (ii) puts and other rights to require another person to purchase the securities. The contracts, options, calls, puts and rights shall be traded on a securities exchange or board of trade regulated under the laws of the United States. For the purposes of this subsection, 'bona fide hedging transaction' means a purchase or sale of such a contract, warrant, option, call, put or right, entered into for the purpose of offsetting changes in the market value of a security held by the company.

(c) No insurer shall make any direct or indirect loan to any of its directors, officers, or controlling stockholders; nor shall the insurer make any loan to any other person in which the officer, director, or stockholder is substantially interested; nor shall any such director, officer, or stockholder directly or indirectly accept any such loan.

(d) No director, officer, or controlling stockholder of any insurer shall receive any money or valuable thing, either directly or indirectly or through any substantial interest in any other person, for negotiating, procuring, recommending, or aiding in any purchase or sale of property or loan from the insurer; or be monetarily interested either as principal, corporation, agent, or beneficiary, in any such purchase, sale, or loan; and no financial obligation of any such director, officer, or stockholder shall be guaranteed by the insurer.
'Substantial interest in any other person' means an interest equivalent to ownership or control by a director, officer, or controlling stockholder or the aggregate ownership or control by all directors, officers, and controlling stockholders of the same insurer of those percentages or more of the stock of the person, as defined under 'control' in G.S. 58-19-5(2).

(e) Nothing in this section prohibits:

(1) A director or officer of any insurer from receiving the usual salary, compensation, or emoluments for services rendered in the ordinary course of that person's duties as a director or officer, if the salary, compensation, or emolument is authorized by vote of the board of directors of the insurer;

(2) Any insurer in connection with the relocation of the place of employment of an officer, including any relocation in connection with the initial employment of the officer, from (i) making, or the officer from accepting therefrom, a mortgage loan to the officer on real property owned by the officer that is to serve as the officer's residence or (ii) acquiring, or the officer from selling thereto, at not more than its fair market value, the officer's prior residence;

(3) The payment to a director or officer of any such insurer who is a licensed attorney-at-law of fees in connection with loans made by the insurer if and when the fees are paid by the borrower and do not constitute a charge against the insurer; or

(4) An insurer from making a loan upon a policy held therein by the borrower not in excess of the policy's net value.'

Sec. 30. G.S. 58-7-85, 58-7-90, and 58-7-100 are repealed.

Sec. 30.1. G.S. 58-13-5 reads as rewritten:

Sec. 30.2. G.S. 58-13-10 reads as rewritten:

Nor does this section apply to any transaction that is subject to the provisions of G.S. 58-7-150."

Sec. 33. G.S. 58-19-25(a) reads as rewritten:

As used in this
section. ‘Commissioner’ includes an authorized representative or designee of the Commissioner.

(b) This section applies to all domestic insurers and any other insurer doing business in this State whose state of domicile has asked the Commissioner to apply the provisions of this section to that insurer.

(c) An insurer may be subject to administrative supervision by the Commissioner if upon examination or at any other time it appears to the Commissioner that the insurer: has exceeded its powers; has failed to comply with applicable provisions of this Chapter; is conducting its business in a manner that is hazardous to the public or to its insureds; or consents to administrative supervision.

(d) If the Commissioner determines that the conditions set forth in subsection (c) of this section exist, the Commissioner shall: notify the insurer of that determination; furnish to the insurer a written list of the requirements to abate those conditions; and notify the insurer that it is under the supervision of the Commissioner and that the Commissioner is applying and effectuating the provisions of this section.

(e) If placed under administrative supervision, the insurer shall have 60 days, or a different period of time determined by the Commissioner, to comply with the requirements of the Commissioner under this section. If the Commissioner determines after notice and hearing that the conditions giving rise to the supervision still exist at the end of the supervision period specified in this subsection, the Commissioner may extend the period; or if the Commissioner determines that none of the conditions giving rise to the supervision exist, the Commissioner shall release the insurer from supervision.

(h) During the period of supervision the insurer may contest an action taken or proposed to be taken by the Commissioner, specifying why the action being complained of would not result in improving the insurer’s condition.

(i) This section does not limit powers granted to the Commissioner by any other provision of law. This section does not preclude the Commissioner from initiating judicial proceedings to place an insurer in a delinquency proceeding under this Article, regardless of whether the Commissioner has previously initiated administrative supervision proceedings under this section or under G.S. 58-30-60 against the insurer. The determination as to actions under this section is in the Commissioner’s discretion.

(j) Notwithstanding any other provision of law, the Commissioner may meet with a supervisor appointed under this section and with the attorney or other representative of the supervisor, without the presence of any other person, at the time of any proceeding or during the pendency of any proceeding held under the authority of this section, to carry out the Commissioner’s duties under this section or for the supervisor to carry out the supervisor’s duties under this section.

specific findings of fact to support the determination, that control exists in fact, notwithstanding the absence of a presumption to that effect. The Commissioner may determine upon application that any person does not or will not upon the taking of some proposed action control another person. The Commissioner may prospectively revoke or modify that determination, after the notice and opportunity to be heard, whenever, in the Commissioner’s judgment, revocation, or modification is consistent with this Article.

(c) No person shall act as an MGA with respect to risks located in this State for an insurer unless that person is a licensed agent in this State. No person shall act as an MGA representing an insurer with respect to risks located outside of this State unless that person is licensed as an agent in this State; and the license may be a nonresident license. The Commissioner may require a bond in an amount acceptable to the Commissioner for the protection of the insurer. The Commissioner may require the MGA to maintain an errors and omissions policy.

(d) No person acting as an MGA shall place business with an insurer unless there is in force a written contract between the MGA and the insurer that sets forth the responsibilities of each party and, where both parties share responsibility for a particular function, specifies the division of such responsibilities, and that contains the following minimum provisions:

1. The insurer may terminate the contract for cause upon written notice to the MGA. The insurer may suspend the underwriting authority of the MGA during the pendency of any dispute regarding the cause for termination.

2. The MGA will render accounts to the insurer detailing all transactions and remit all funds due under the contract to the insurer on not less than a monthly basis.

3. All funds collected for the account of an insurer will be held by the MGA in a fiduciary capacity in a bank that is a member of the Federal Reserve System. This account shall be used for all payments on behalf of the insurer. The MGA may retain no more than three months estimated claims payments and allocated loss adjustment expenses.

4. Separate records of business written by the MGA will be maintained. The insurer shall have access to and right to copy all accounts related to its business in a form usable by the insurer, and the Commissioner shall have access to all books, bank accounts, and records of the MGA in a form usable to the Commissioner. The records shall be retained according to the provisions of 11 NCAC 11C.0105.
The contract may not be assigned in whole or part by the MGA.

Appropriate underwriting guidelines, including: the maximum annual premium volume; the basis of the rates to be charged; the types of risks that may be written; maximum limits of liability; applicable exclusions; territorial limitations; policy cancellation provisions; and the maximum policy period. The insurer shall have the right to cancel or nonrenew any policy of insurance subject to applicable laws and rules.

If the contract permits the MGA to settle claims on behalf of the insurer:

a. All claims must be reported to the MGA in a timely manner.

b. A copy of the claim file will be sent to the insurer at its request or as soon as it becomes known that the claim has the potential to exceed an amount determined by the insurer and approved by the Commissioner; involves a coverage dispute; may exceed the MGA's claims settlement authority; is open for more than six months; or is closed by payment of an amount set by the insurer and approved by the Commissioner.

c. All claim files will be the joint property of the insurer and MGA. However, upon an order of liquidation of the insurer the files shall become the sole property of the insurer or its estate; the MGA shall have reasonable access to and the right to copy the files on a timely basis.

d. Any settlement authority granted to the MGA may be terminated for cause upon the insurer's written notice to the MGA or upon the termination of the contract. The insurer may suspend the settlement authority during the pendency of any dispute regarding the cause for termination.

Where electronic claims files are in existence, the contract must address the timely transmission of the data.

If the contract provides for a sharing of interim profits by the MGA, and the MGA has the authority to determine the amount of the interim profits by establishing loss reserves, controlling claim payments, or by any other manner, interim profits will not be paid to the MGA until one year after they are earned for property insurance business and five years after they are earned on casualty business and
not until the profits have been verified under subsection (m) of this section.

(10) The MGA shall not:

a. Bind reinsurance or retrocessions on behalf of the insurer, except that the MGA may bind facultative reinsurance contracts pursuant to obligatory facultative agreements if the contract with the insurer contains reinsurance underwriting guidelines including, for both reinsurance assumed and ceded, a list of reinsurers with which such automatic agreements are in effect, the coverages and amounts or percentages that may be reinsured, and commission schedules;

b. Commit the insurer to participate in insurance or reinsurance syndicates;

c. Appoint any producer without assuring that the producer is lawfully licensed to transact the type of insurance for which the producer is appointed;

d. Without prior approval of the insurer, pay or commit the insurer to pay a claim over a specified amount, net of reinsurance, which shall not exceed one percent (1%) of the insurer’s policyholder’s surplus as of December 31 of the last completed calendar year;

e. Collect any payment from a reinsurer or commit the insurer to any claim settlement with a reinsurer, without the insurer’s prior approval. If prior approval is given, a report must be promptly forwarded to the insurer;

f. Permit its subproducer to serve on the insurer’s board of directors;

g. Jointly employ an individual who is employed with the insurer; or

h. Appoint a sub-MGA.

(e) An insurer shall have on file by June 1 of each year an audited financial report of each MGA with which it is doing business. The report shall include the opinion of an independent certified public accountant, report the financial position of the MGA as of the most recent year-end and the results of its operations and cash flows, and include appropriate notes to financial statements. The insurer shall provide a copy of the report to the Commissioner within 15 days of receipt by the insurer.

(f) If an MGA establishes loss reserves, the insurer shall provide with its annual statement, in addition to any other required statement of actuarial opinion, the statement of a qualified actuary attesting to the adequacy of loss reserves established on business produced by the
MGA. The statement shall comply in all respects with the NAIC Annual Statement Instructions regarding the Statement of Actuarial Opinion.

(g) The insurer shall periodically, at least semiannually, conduct an on-site review of the underwriting and claims processing operations of the MGA. The insurer shall prepare and maintain a written report on the review and make it available to the Commissioner upon the Commissioner's request.

(h) Binding authority for all reinsurance contracts, except those contracts expressly permitted under sub-subdivision (d)(10)a. of this section, or participation in insurance or reinsurance syndicates, shall rest with an officer of the insurer, who shall not be affiliated with the MGA.

(i) Within 15 days after entering into or termination of a contract with an MGA, the insurer shall provide written notification of the appointment or termination to the Commissioner. Notices of appointment of an MGA shall include a copy of the contract, a statement of duties that the MGA is expected to perform on behalf of the insurer, the kinds of insurance for which the MGA is to be authorized to act, whether any affiliation exists between the insurer and the MGA and the basis for the affiliation, and any other information the Commissioner may request. The Commissioner may prescribe the form to be used for notification of the information required by this item.

(j) The Commissioner shall disapprove any such contract that:

1. Does not contain the required contract provisions specified in subsection (d) of this section;
2. Subjects the insurer to excessive charges for expenses or commission;
3. Vests in the MGA any control over the management of the affairs of the insurer to the exclusion of the board of directors of the insurer;
4. Is entered into with any person if the person or its officers and directors are of known bad character or have been affiliated directly or indirectly through ownership, control, management, reinsurance transactions, or other insurance or business relationships with any person known to have been involved in the improper manipulation of assets, accounts, or reinsurance; or
5. Is determined by the Commissioner to contain provisions that are not fair and reasonable to the insurer.

Failure of the Commissioner to disapprove any such contract within 30 days after the contract has been filed with the Commissioner constitutes the Commissioner's approval of the contract. An insurer...
may continue to accept business from such person until the Commissioner disapproves the contract. Any disapproval shall be in writing. The Commissioner may, after a hearing held under G.S. 58-2-50, withdraw approval of any contract the Commissioner has previously approved upon finding that the basis of the original approval no longer exists or that the contract has, in actual operation, shown itself to be subject to disapproval on any of the grounds in this subsection.

(k) An insurer shall review its books and records each quarter to determine if any agent has become an MGA. If the insurer determines that an agent has become an MGA, the insurer shall promptly notify the agent of that determination and the insurer and agent must fully comply with the provisions of this Article within 15 days.

(l) An insurer shall not appoint to its board of directors an officer, director, employee, subagent, or controlling shareholder of its MGAs. This subsection does not apply to relationships governed by Article 19 of this Chapter or, if applicable, G.S. 58-7-157.

(m) The acts of an MGA are considered to be the acts of the insurer on whose behalf it is acting. An MGA may be examined by the Commissioner under G.S. 58-2-131, 58-2-132, or 58-2-133 as if it were an insurer.

(n) If the Commissioner finds after a hearing conducted in accordance with G.S. 58-2-50 that any person has violated any provision of this Article, the Commissioner may order:

(1) For each separate violation, a civil penalty of one thousand dollars ($1,000) to be credited to the General Fund;

(2) Revocation or suspension of the agent's license; or

(3) The MGA to reimburse the insurer or the rehabilitator or liquidator of the insurer for any losses incurred by the insurer caused by a violation of this Article committed by the MGA.

(o) Nothing in this section affects the Commissioner's right to impose any other penalties provided for in this Chapter. Nothing in this Article limits or restricts the rights of policyholders, claimants, and creditors."

Sec. 52. G.S. 58-34-5(c) reads as rewritten:

"(c) The standards for approval shall be as set forth under G.S. 58-34-1. G.S. 58-34-2(d)(5)."

Sec. 53. G.S. 58-34-10(b) reads as rewritten:

"(b) There shall be exempted from the filing requirement of this section contracts by groups of affiliated insurers on a pooled funds basis or service company management basis, where costs to the individual member insurers are charged on an actually incurred or
closely estimated basis. However, these contracts must be reduced to written form.

G.S. 58-34-5, 58-34-10, and 58-34-15 do not apply to any power of attorney or other authority authorized by G.S. 58-138.

Sec. 54. G.S. 58-34-15(a) reads as rewritten:

"(a) The Commissioner must disapprove any such management contract or service agreement filed under G.S. 58-34-10 if, at any time, he or she finds:

(1) That the service or management charges are based upon criteria unrelated either to the managed insurer’s profits or to the reasonable customary and usual charges for such services or are based on factors unrelated to the value of such services to the insurer; or

(2) That management personnel or other employees of the insurer are to be performing management functions and receiving any remuneration therefor through the management or service contract in addition to the compensation by way of salary received directly from the insurer for their services; or

(3) That the contract would transfer substantial control of the insurer or any of the powers vested in the board of directors, by statute, articles of incorporation, or bylaws, or substantially all of the basic functions of the insurance company management: or

(4) That the contract contains provisions that would be clearly detrimental to the best interest of policyholders, stockholders, or members of the insurer: or

(5) That the officers and directors of the management firm are of known bad character or have been affiliated, directly or indirectly, through ownership, control, management, reinsurance transactions, or other insurance or business relations with any person or persons known to have been involved in the improper manipulation of assets, accounts, or reinsurance."

Sec. 55. The title of Article 62 of Chapter 58 of the General Statutes reads as rewritten:

"Life and Accident and Health Insurance Guaranty Association."

Sec. 56. Article 62 of Chapter 58 of the General Statutes is amended by adding the following new sections:

(b) To provide this protection, an association of insurers is created to pay benefits and to continue coverages as limited herein, and members of the Association are subject to assessment to provide funds to carry out the purpose of this Article.

This Article shall be liberally construed to effect the purpose under G.S. 58-62-6, which shall constitute an aid and guide to interpretation.

a. Averaged over the period of four years before the date on which the Association becomes obligated with respect to the policy, exceeds a rate of interest determined by subtracting two percentage points from Moody's Corporate Bond Yield Average averaged for that same four-year period or for a lesser period if the
policy was issued less than four years before the Association became obligated; and

b. On and after the date on which the Association becomes obligated with respect to the policy, exceeds the rate of interest determined by subtracting three percentage points from Moody's Corporate Bond Yield Average as most recently available:

1851
(e) In no event is the Association liable to expend more than three hundred thousand dollars ($300,000) in the aggregate with respect to any one individual under this section.

(a) There is created a nonprofit legal entity to be known as the North Carolina Life and Health Insurance Guaranty Association. All member insurers shall be and remain members of the Association as a condition of their authority to transact insurance in this State. The Association shall perform its functions under the Plan established and approved under G.S. 58-62-46 and shall exercise its powers through the Board established under G.S. 58-62-31. For purposes of administration and assessment, the Association shall maintain two accounts:

(1) The life insurance and annuity account, which includes the following subaccounts:
   a. Life insurance account;
   b. Annuity account.

(2) The health insurance account.

(b) The Association is under the immediate supervision of the Commissioner and is subject to the applicable provisions of this Chapter. Meetings or records of the Association may be opened to the public upon majority vote of the Board.

(a) The Board shall consist of not less than five nor more than nine member insurers serving terms as established in the Plan. The members of the Board shall be selected by member insurers, subject to the Commissioner’s approval. Vacancies on the Board shall be filled for the remaining period of the term by a majority vote of the remaining Board members, subject to the Commissioner’s approval. To select the initial Board, and initially organize the Association, the Board’s predecessor shall notify all member insurers of the time and place of the organizational meeting. In determining voting rights at the organizational meeting, each member insurer is entitled to one vote in person or by proxy. If the Board is not selected within 60 days after notice of the organizational meeting, the Commissioner may appoint the initial members.

(b) In approving selections or in appointing members to the Board, the Commissioner shall consider, among other things, whether all member insurers are fairly represented.

(c) Members of the Board may be reimbursed from the assets of the Association for expenses they incur as members of the Board, but they shall not otherwise be compensated by the Association for their services.

(a) If a member insurer is an impaired domestic insurer, the Association may, subject to any conditions imposed by the Association and approved by the Commissioner that do not impair the contractual obligations of the impaired insurer and that are, except in cases of court-ordered conservation or rehabilitation, also approved by the impaired insurer:

1. Guarantee, assume, or reinsure, or cause to be guaranteed, assumed, or reinsured, any or all of the policies of the impaired insurer:
   
2. Provide such monies, pledges, notes, guarantees, or other means as are proper to carry out subdivision (1) of this subsection and assure payment of the contractual obligations of the impaired insurer pending action under subdivision (1) of this subsection; or

3. Lend money to the impaired insurer.

(b) If a member insurer is an impaired insurer, whether domestic, foreign, or alien, and the insurer is not paying claims in a timely manner, then subject to the preconditions specified in subsection (c) of this section, the Association shall, in its discretion, either:

1. Take any of the actions specified in subsection (a) of this section, subject to the conditions therein; or

2. Provide substitute benefits in lieu of the contractual obligations of the impaired insurer solely for health claims, periodic annuity benefit payments, death benefits, supplemental benefits, and cash withdrawals for policyowners who petition therefor under claims of emergency or hardship in accordance with standards proposed by the Association and approved by the Commissioner.

(c) The Association is subject to the requirements of subsection (b) of this section only if:

1. The laws of the impaired insurer's state of domicile provide that until all payments of or on account of the impaired insurer's contractual obligations by all guaranty associations, along with all expenses thereof and interest on all the payments and expenses, have been repaid to the guaranty associations or a plan of repayment by the impaired insurer has been approved by the guaranty associations, the delinquency proceeding shall not be dismissed; neither the impaired insurer nor its assets may be returned to the control of its shareholders or private management; and the impaired insurer may not solicit or accept new business or have any suspended or revoked license restored; and
CHAPTER 681  Session Laws — 1991

(2) The impaired insurer is a domestic insurer that has been placed under an order of rehabilitation by a court of competent jurisdiction in this State; or the impaired insurer is a foreign or alien insurer that has been prohibited from soliciting or accepting new business in this State, its license has been suspended or revoked in this State, and a petition for rehabilitation or liquidation has been filed in a court of competent jurisdiction in its state of domicile by that state’s insurance regulator.

(d) If a member insurer is an insolvent insurer, the Association shall, in its discretion, either:

(1) Guarantee, assume or reinsure, or cause to be guaranteed, assumed or reinsured, the policies of the insolvent insurer; or

(2) Assure payment of the contractual obligations of the insolvent insurer; and

(3) Provide such monies, pledges, guarantees, or other means as are reasonably necessary to discharge those duties; or

(4) With respect only to life and health insurance policies, provide benefits and coverages in accordance with subsection (e) of this section.

(e) When proceeding under subdivision (b)(2) or (d)(4), the Association shall, with respect to only life and health insurance policies:

(1) Assure payment of benefits for premiums identical to the premiums and benefits (except for terms of conversion and renewability) that would have been payable under the policies of the insolvent insurer, for claims incurred:
   a. With respect to group policies, not later than the earlier of the next renewal date under the policies or 45 days, but in no event less than 30 days after the date on which the Association becomes obligated with respect to the policies;
   b. With respect to individual policies, not later than the earlier of the next renewal date (if any) under the policies or one year, but in no event less than 30 days from the date on which the Association becomes obligated with respect to the policies;

(2) Make diligent efforts to provide all known insureds or group policyholders with respect to group policies 30 days’ notice of the termination of the benefits provided; and

(3) With respect to individual policies, make available to each known insured, or owner if other than the insured, and with respect to an individual formerly insured under a
group policy who is not eligible for replacement group coverage, make available substitute coverage on an individual basis in accordance with the provisions of subsection (f) of this section, if the insured had a right under law or the terminated policy to convert coverage to individual coverage or to continue an individual policy in force until a specified age or for a specified time, during which the insurer had no right unilaterally to make changes in any provision of the policy or had a right only to make changes in premium by class.

(f) In providing the substitute coverage required under subdivision (e)(3) of this section, the Association may offer either to reissue the terminated coverage or to issue an alternative policy. An alternative or reissued policy shall be offered without requiring evidence of insurability, and shall not provide for any waiting period or exclusion that would not have applied under the terminated policy. The Association may reinsure any alternative or reissued policy.

(g) Alternative life or health insurance policies adopted by the Association are subject to the Commissioner’s approval. The Association may adopt alternative policies of various types for future issuance without regard to any particular delinquency. Alternative policies shall contain at least the minimum statutory provisions required in this State and provide benefits that are not unreasonable in relation to the premium charged. The Association shall set the premium in accordance with a table of rates, which it shall adopt. The premium shall reflect the amount of insurance to be provided and the age and class of risk of each insured, but it shall not reflect any changes in the health of the insured after the original policy was last underwritten. Any alternative policy issued by the Association shall provide coverage of a type similar to that of the policy issued by the delinquent insurer, as determined by the Association.

(h) If the Association elects to reissue terminated coverage at a premium rate different from that charged under the terminated life or health insurance policy, the premium shall be set by the Association in accordance with the amount of insurance provided and the age and class of risk, subject to the approval of the Commissioner or by a court of competent jurisdiction.

(i) The Association’s obligations with respect to coverage under any life or health insurance policy of the delinquent insurer or under any reissued or alternative policy cease on the date the coverage or policy is replaced by another similar policy by the policyholder, the insured, or the Association.

(j) When proceeding under subdivision (b)(2) of this section or under subsection (c) of this section with respect to any policy carrying
guaranteed minimum interest rates, the Association shall assure the
payment or crediting of a rate of interest consistent with G.S. 58-62-
21(c)(3).

(k) Nonpayment of premiums within 31 days after the date
required under the terms of any guaranteed, assumed, alternative, or
reissued policy or substitute coverage terminates the Association’s
obligations under the policy or coverage under this Article with
respect to the policy or coverage, except with respect to any claims
incurred or any net cash surrender value that may be due under this
Article.

(l) Premiums due for coverage after an entry of an order of
liquidation of an insolvent insurer belong to and are payable at the
direction of the Association; and the Association is liable for unearned
premiums owed to policyowners arising after the entry of the order.

(m) The protection provided by this Article does not apply where
any similar guaranty protection is provided to residents of this State by
the laws of the domiciliary state or jurisdiction of a delinquent foreign
or alien insurer.

(n) In carrying out its duties under subsections (b) through (d) of
this section, the Association may, subject to approval by the court:

(1) Impose permanent policy liens in connection with any
guarantee, assumption, or reinsurance agreement, if the
Association finds that the amounts that can be assessed
under this Article are less than the amounts needed to
assure full and prompt performance of the Association’s
duties under this Article, or that the economic or financial
conditions as they affect member insurers are sufficiently
adverse to render the imposition of the permanent policy
liens to be in the public interest;

(2) Impose temporary moratoria or liens on payments of cash
values and policy loans, or any other right to withdraw
funds held in conjunction with policies, in addition to any
contractual provisions for deferral of cash or policy loan
value.

(o) If the Association fails to act within a reasonable period of time
as provided in subdivision (b)(2) of this section and subsections (d)
and (e) of this section, the Commissioner has the powers and duties of
the Association under this Article with respect to delinquent insurers.

(p) The Association may render assistance and advice to the
Commissioner, upon the Commissioner’s request concerning
rehabilitation, payment of claims, continuance of coverage, or the
performance of other contractual obligations of any delinquent insurer.

(q) The Association has standing to appear before any court in this
State with jurisdiction over a delinquent insurer for which the
Association is or may become obligated under this Article. This standing extends to all matters germane to the powers and duties of the Association, including, but not limited to, proposals for reinsuring, modifying, or guaranteeing the policies of the delinquent insurer and the determination of the policies and contractual obligations. The Association also has the right to appear or intervene before a court in another state with jurisdiction over a delinquent insurer for which the Association is or may become obligated or with jurisdiction over a third party against whom the Association may have rights through subrogation of the insurer’s policyholders.

(r) Any person receiving benefits under this Article is considered to have been assigned the rights under, and any causes of action relating to, the covered policy to the Association to the extent of the benefits received because of this Article, whether the benefits are payments of or on account of contractual obligations, continuation of coverage, or provision of substitute or alternative coverages. The Association may require an assignment to it of such rights and cause of action by any payee, policyowner, beneficiary, insured or annuitant as a condition precedent to the receipt of any right or benefits conferred by this Article upon the person. The subrogation rights of the Association under this subsection have the same priority against the delinquent insurer’s assets as that possessed by the person entitled to receive benefits under this Article. In addition to other provisions of this subsection, the Association has all common-law rights of subrogation and any other equitable or legal remedy that would have been available to the delinquent insurer or holder of a policy with respect to the policy.

(s) The Association may:

1. Enter into contracts that are necessary or proper to carry out the provisions and purposes of this Article;
2. Sue or be sued, including taking any legal actions necessary or proper to recover any unpaid assessments under G.S. 58-62-41 and to settle claims or potential claims against it;
3. Borrow money to effect the purposes of this Article; any notes or other evidence of indebtedness of the Association not in default shall be legal investments for domestic insurers and may be carried as admitted assets;
4. Employ or retain persons that are necessary to handle the financial transactions of the Association, and to perform other functions that become necessary or proper under this Article;
5. Take legal action that may be necessary to avoid payment of improper claims.
(6) Exercise, for the purposes of this Article and to the extent approved by the Commissioner, the powers of a domestic life or health insurer, but in no case may the Association issue insurance policies or annuity contracts other than those issued to perform its obligations under this Article.

(t) The Association may join an organization of one or more other state associations of similar purposes, in order to further the purposes of this Article and administer the powers and duties of the Association.

(a) To provide the funds necessary to carry out the powers and duties of the Association, the Board shall assess the member insurers, separately for each account, at such time and for such amounts as the Board finds necessary. Assessments are due not less than 30 days after prior written notice to the member insurers and shall accrue interest at eight percent (8%) per annum on and after the due date.

(b) There shall be two classes of assessments, as follows:

(1) Class A assessments shall be made for the purpose of meeting administrative and legal costs and other expenses and examinations conducted under the authority of G.S. 58-62-56(e). Class A assessments may be made whether or not they are related to a particular delinquent insurer.

(2) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the Association under G.S. 58-62-36 with regard to a delinquent insurer.

(c) The amount of any Class A assessment shall be determined by the Board and may or may not be prorated. If prorated, the Board may provide that it be credited against future Class B assessments. If not prorated, the assessment shall not exceed one hundred fifty dollars ($150.00) per member insurer in any one calendar year. The amount of any Class B assessment shall be allocated for assessment purposes among the accounts pursuant to an allocation formula, which may be based on the premiums or reserves of the delinquent insurer or any other standard considered by the Board in its sole discretion to be fair and reasonable under the circumstances.

(d) Class B assessments against member insurers for each account and subaccount shall be in the proportion that the premiums received on business in this State by each assessed member insurer or policies covered by each account for the three most recent calendar years for which information is available preceding the year in which the insurer became delinquent, as the case may be, bears to the premiums received on business in this State for those calendar years by all assessed member insurers.

(e) Assessments for funds to meet the requirements of the Association with respect to a delinquent insurer shall not be made
until necessary to implement the purposes of this Article. Classification of assessments under subsection (b) of this section and computation of assessments under this subsection shall be made with a reasonable degree of accuracy.

(f) The Association may abate or defer, in whole or in part, the assessment of a member insurer if, in the Board’s opinion, payment of the assessment would endanger the member insurer’s ability to fulfill its contractual obligations. If an assessment against a member insurer is abated, or deferred in whole or in part, the amount by which the assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section, recognizing that exact determinations may not always be possible.

(g) The total of all assessments upon a member insurer for the life and annuity account and for each subaccount thereunder shall not in any one calendar year exceed two percent (2%) and for the health account shall not in any one calendar year exceed two percent (2%) of the insurer’s average premiums received in this State on the policies and contracts covered by the account during the three calendar years preceding the year in which an insurer became a delinquent insurer. If the maximum assessment, together with the other assets of the Association in any account, does not provide in any one year in either account an amount sufficient to carry out the Association’s responsibilities, the necessary additional funds shall be assessed as soon thereafter as permitted by this Article.

(h) The Board may provide in the Plan a method of allocating funds among claims, whether relating to one or more delinquent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

(i) If a one percent (1%) assessment for any subaccount of the life and annuity account in any one year does not provide an amount sufficient to carry out the Association’s responsibilities, then under subsection (d) of this section, the Board shall access all subaccounts of the life and annuity account for the necessary additional amount, subject to the maximum stated in subsection (g) of this section.

(j) The Board may, by an equitable method as established in the Plan, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the Board finds is necessary to carry out during the coming year the obligations of the Association with regard to that account, including assets accruing from assignment, subrogation, net realized gains, and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the Association and for future losses.
(k) It is proper for any member insurer, in determining its premium rates and policyowner dividends as to any kind of insurance within the scope of this Article, to consider the amount reasonably necessary to meet its assessment obligations under this Article.

(l) The Association shall issue to each insurer paying an assessment under this Article, other than a Class A assessment, a certificate of contribution, in a form prescribed by the Commissioner, for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in the form and for the amount, if any, and period of time as the Commissioner approves.

(a) The Association shall submit to the Commissioner a Plan and any amendments necessary or suitable to assure the fair, reasonable, and equitable administration of the Association. The Plan and any amendments shall become effective upon the Commissioner's written approval or unless the Commissioner has not disapproved it within 30 days.

(b) If the Association fails to submit a suitable Plan within 120 days after the effective date of this Article or if at any time thereafter the Association fails to submit suitable amendments to the Plan, the Commissioner shall, after notice and hearing, adopt rules that are necessary or advisable to carry out the provisions of this Article. The rules shall continue in force until modified by the Commissioner or superseded by a Plan submitted by the Association and approved by the Commissioner.

(c) All member insurers shall comply with the Plan.

(d) The Plan shall, in addition to other requirements specified in this Article, establish:

1. Procedures for handling the assets of the Association;
2. The amount and method of reimbursing members of the Board under G.S. 58-62-31;
3. Regular places and times for meetings, including telephone conference calls, of the Board;
4. Procedures for records to be kept of all financial transactions of the Association, its agents, and the Board;
5. The procedures whereby selections for the Board will be made and submitted to the Commissioner;
6. Any additional procedures for assessments under G.S. 58-62-41;
7. Additional provisions necessary or proper for the execution of the powers and duties of the Association.
(e) The Plan may provide that any or all powers and duties of the Association, except those under G.S. 58-62-36(r) and G.S. 58-62-41, may be delegated to a corporation, association, or other organization that performs or will perform functions similar to those of the Association, or its equivalent, in two or more states. Such a corporation, association, or organization shall be reimbursed for any payments made on behalf of the Association and shall be paid for its performance of any function of the Association. A delegation under this subsection is effective only with the approval of both the Board and the Commissioner, and may be made only to a corporation, association, or organization that extends protection not substantially less favorable and effective than that provided by this Article.

(a) In addition to other duties and powers specified in this Article, the Commissioner shall:

(1) Upon request of the Board, provide the Association with a statement of the premiums in this State and any other appropriate states for each member insurer;

(2) When an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time; notice to the impaired insurer shall constitute notice to its shareholders, if any; the failure of the insurer to comply promptly with the demand does not excuse the Association from the performance of its powers and duties under this Article; and

(3) In any liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator as provided in Article 30 of this Chapter.

(b) The Commissioner may suspend or revoke, after notice and hearing, the license to transact insurance in this State of any member insurer that fails to pay an assessment when due or fails to comply with the Plan. As an alternative the Commissioner may levy a forfeiture on any member insurer that fails to pay an assessment when due. The forfeiture shall not exceed five percent (5%) of the unpaid assessment per month, but no forfeiture shall be less than one hundred dollars ($100.00) per month.

(c) Any action of the Board or the Association may be appealed to the Commissioner by any member insurer if the appeal is taken within 60 days of the final action being appealed. If a member company is appealing an assessment, the amount assessed shall be paid to the Association and available to meet Association obligations during the pendency of an appeal. If the appeal on the assessment is upheld, the amount paid in error or excess shall be returned to the member
company. No later than 20 days before each hearing, the appellant shall file with the Commissioner or the Commissioner’s designated hearing officer and shall serve on the appellee a written statement of the appellant’s case and any evidence the appellant intends to offer at the hearing. No later than five days before the hearing, the appellee shall file with the Commissioner or the Commissioner’s designated hearing officer and shall serve on the appellant a written statement of the appellee’s case and any evidence the appellee intends to offer at the hearing. Each hearing shall be recorded and transcribed. The cost of the recording and transcribing shall be borne equally by the appellant and appellee; however, upon any final adjudication the prevailing party shall be reimbursed for that party’s share of the costs by the other party. Each party shall, on a date determined by the Commissioner or the Commissioner’s designated hearing officer, but not sooner than 15 days after delivery of the completed transcript to the party, submit to the Commissioner or the Commissioner’s designated hearing officer and serve on the other party, a proposed order. The Commissioner or the Commissioner’s designated hearing officer shall then issue an order. Any final action or order of the Commissioner or the Commissioner’s designated hearing officer is subject to judicial review under G.S. 58-2-75.

(d) The liquidator, rehabilitator, or conservator of any impaired insurer may notify all interested persons of the effect of this Article.

(a) To aid in the detection and prevention of insurer delinquencies, it is the Commissioner’s duty to:

1. Notify insurance regulators when revoking or suspending the license of a member insurer, or making any formal order that the insurer restrict its premium writing, obtain additional contributions to surplus, withdraw from this State, reinsure all or any part of its business, or increase capital, surplus, or any other account for the security of policyholders or creditors. That notice shall be sent electronically through the NAIC headquarters and mailed to all insurance regulators within 30 days following the action taken or the date on which the action occurs.

2. Report to the Board when the Commissioner has taken any of the actions in subdivision (1) of this subsection or has received a report from another insurance regulator indicating that any such action has been taken in another state. The report to the Board shall contain all significant details of the action taken or the report received from another insurance regulator.
Session Laws — 1991  
CHAPTER 681

(3) Report to the Board when the Commissioner has reasonable cause to believe from any examination, whether completed or in process, of any member insurer that the insurer may be delinquent.

(4) Furnish the Board with the NAIC Insurance Regulatory Information System financial test ratios and a listing of companies that are not included in the ratios developed by the NAIC; and the Board may use that data in carrying out its duties and responsibilities under this section. The data shall be kept confidential by the Board until it is made public by the Commissioner or another lawful authority.

(b) The Commissioner may seek the advice and recommendations of the Board concerning any matter affecting the Commissioner's duties and responsibilities regarding the financial condition of member insurers and other entities seeking admission to transact insurance business in this State.

(c) The Board may, upon majority vote, make reports and recommendations to the Commissioner upon any matter germane to the solvency, liquidation, rehabilitation, or conservation of any member insurer or germane to the solvency of any company seeking to do an insurance business in this State. The reports and recommendations are not public records.

(d) The Board shall, upon majority vote, notify the Commissioner of any information indicating that any member insurer may be delinquent.

(e) The Board may, upon majority vote, request that the Commissioner order an examination of any member insurer that the Board in good faith believes may be delinquent. Within 30 days of the receipt of the request, the Commissioner shall begin the examination. The examination may be conducted as an NAIC examination or may be conducted by persons the Commissioner designates. The cost of the examination shall be paid by the Association; and the examination report shall be treated as are other examination reports. In no event shall the examination report be released to the Board before its release to the public; but this does not preclude the Commissioner from complying with subsection (a) of this section. The Commissioner shall notify the Board when the examination is completed. The request for an examination shall be kept on file by the Commissioner, but shall not be open to public inspection before the release of the examination report to the public.

(f) The Board may, upon majority vote, make recommendations to the Commissioner for the detection and prevention of insurer delinquencies.

1863
(g) The Board shall, at the conclusion of any insurer insolvency in which the Association was obligated to pay covered claims, prepare a report to the Commissioner containing any information that it has in its possession bearing on the history and causes of the insolvency. The Board shall cooperate with the boards of directors of guaranty associations in other states in preparing a report on the history and causes of insolvency of a particular insurer, and the Board may adopt by reference any report prepared by such other associations.

(a) Nothing in this Article reduces the liability for unpaid assessments of the insureds of a delinquent insurer operating under an insurance plan with assessment liability.

(b) Records shall be kept of all negotiations and meetings in which the Association or its representatives are involved and in which the activities of the Association in carrying out its powers and duties under G.S. 58-62-36 are discussed. Records of those negotiations or meetings shall be made public only upon the termination of a liquidation, rehabilitation, or conservation proceeding involving the delinquent insurer, upon the termination of the delinquency of the insurer, or upon the order of a court of competent jurisdiction. Nothing in this subsection limits the duty of the Association to render a report of its activities under G.S. 58-62-66.

(c) For the purpose of carrying out its obligations under this Article, the Association is a creditor of the delinquent insurer to the extent of assets attributable to covered policies reduced by any amounts to which the Association is entitled as subrogee under G.S. 58-62-36(r). Assets of the delinquent insurer attributable to covered policies shall be used to continue all covered policies and pay all contractual obligations of the delinquent insurer as required by this Article. Assets attributable to covered policies, as used in this subsection, are that proportion of the assets that the reserves that should have been established for the policies bear to the reserves that should have been established for all policies of insurance written by the delinquent insurer.

(d) Before the termination of any liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the Association, the shareholders, and policyowners of the insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of the insolvent insurer. In making such a determination, consideration shall be given to the welfare of the policyholders of the continuing or successor insurer.

(e) No distribution to stockholders, if any, of a delinquent insurer shall be made until and unless the Association has fully recovered the
total amount of its valid claims with interest thereon for funds expended in carrying out its powers and duties under G.S. 58-62-36 with respect to the insurer.

(f) If an order for liquidation or rehabilitation of an insurer domiciled in this State has been entered, the receiver appointed under the order has a right to recover on behalf of the insurer, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the insurer on its capital stock, made at any time during the five years preceding the petition for liquidation or rehabilitation subject to the limitations of subsections (g) through (i) of this section.

(g) No such distribution is recoverable if the insurer shows that when paid the distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the insurer's ability to fulfill its contractual obligations.

(h) Any person who was an affiliate that controlled the insurer when the distributions were paid is liable up to the amount of distributions it received. Any person who was an affiliate that controlled the insurer when the distributions were declared is liable up to the amount of distributions it would have received if they had been paid immediately. If two or more persons are liable with respect to the same distributions, they are jointly and severally liable.

(i) The maximum amount recoverable under this subsection is the amount needed in excess of all other available assets of the insolvent insurer to pay the insolvent insurer's contractual obligations.

(j) If any person liable under subsection (h) of this section is insolvent, all of its affiliates that controlled it when the distribution was paid are jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

The Association is subject to examination and regulation by the Commissioner. The Board shall submit to the Commissioner each year, not later than 120 days after the Association's fiscal year, a financial report in a form approved by the Commissioner and a report of its activities during the preceding fiscal year.

There is no liability by, and no cause of action of any nature arises against, any member insurer or its agents or employees, the Association or its agents or employees, members of the Board, the Commissioner or the Commissioner's representatives, or insurance regulators or their representatives, for any act or omission by them in the performance of their powers and duties under this Article. This immunity extends to the participation in any organization of one or
more other state associations of similar purposes and to any such organization and its agents or employees.

All proceedings in which the insolvent insurer is a party in any court in this State shall be stayed 60 days from the date an order of liquidation, rehabilitation, or conservation is final to permit proper legal action by the Association on any matters germane to its powers or duties. As to a judgment under any decision, order, verdict or finding based on default, the Association may apply to have the judgment set aside by the same court that made the judgment and may defend against such suit on the merits.

§ 58-62-86. Prohibited advertisement of Article in insurance sales; notice to policyholders.

(a) No person shall make, publish, disseminate, circulate, or place before the public, or cause directly or indirectly to be made, published, disseminated, circulated, or placed before the public, in any newspaper, magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio station or television station, or in any other way, any oral or written advertisement, announcement, or statement that uses the existence of the Association or this Article for the purpose of sale or solicitation of or inducement to purchase any kind of insurance covered by this Article. However, this subsection does not apply to the Association or any other person who does not sell or solicit insurance.

(b) Within 180 days after the effective date of this Article, the Association shall prepare a summary document that describes the general purposes and current limitations of this Article and that complies with subsection (c) of this section. This document shall be submitted to the Commissioner for the Commissioner's approval. Sixty days after receiving approval, no insurer may deliver a policy described in G.S. 58-62-21(b) to any person unless the document is delivered to that person before or at the time of delivery of the policy, unless subsection (d) of this section applies. The document shall also be available upon request by a policyholder. The distribution, delivery, contents, or interpretation of this document does not mean that either the policy or the policyholder would be covered in the event of the delinquency of a member insurer. The document shall be revised by the Association as amendments to this Article require. Failure to receive this document does not give any person greater rights than those stated in this Article.

(c) The document prepared under subsection (b) of this section shall contain a clear and conspicuous disclaimer on its face. The Commissioner shall prescribe the form and content of the disclaimer. The disclaimer shall:
(1) State the name and addresses of the Association and Department;
(2) Prominently warn the policyholder that the Association may not cover the policy or, if coverage is available, it will be subject to substantial limitations and exclusions and conditioned on continued residence in this State;
(3) State that the insurer and its agents are prohibited by law from using the existence of the Association for the purpose of sale or solicitation of or inducement to purchase any kind of insurance;
(4) Emphasize that the applicant or policyholder should not rely on coverage under the Association when selecting an insurer; and
(5) Provide other information as directed by the Commissioner.

(d) No insurer or agent may deliver a policy described in G.S. 58-62-21(b) and excluded under G.S. 58-62-21(c) from coverage under this Article unless the insurer or agent, before or at the time of delivery, gives the policyholder a separate written notice that clearly and conspicuously discloses that the policy is not covered by the Association. The Commissioner shall prescribe the form and content of the notice."

Sec. 58. The Commissioner and the Commissioner's staff shall maintain close relations with the insurance regulators of other states and shall actively participate in the activities and affairs of the National Association of Insurance Commissioners, the National Conference of Insurance Legislators, and other organizations or successor organizations insofar as it will, in the Commissioner's judgment, enhance the purposes of the regulation of insurance. The actual and necessary travel and related expenses incurred by the Commissioner and members of the Commissioner's staff in attending meetings of such organizations, their committees, subcommittees, hearings, and other official activities, as well as the general expenses of participation in such organizations shall be a charge on available funds and the appropriation of the Department.

Sec. 59. Sections 56 and 57 of this act do not apply to any insurer that is in a delinquency proceeding, as defined in G.S. 58-30-10(5), in this State or any other state on the effective date of Sections 56 and 57 of this act.

Sec. 60. Sections 9 and 49 through 54 of this act become effective September 1, 1991. Sections 28 and 40 of this act become

effective October 1, 1991. Sections 29 and 30 of this act become effective January 1, 1992. The remainder of this act is effective upon ratification.

S.B. 384  
CHAPTER 682

AN ACT TO CHANGE THE PROCEDURE FOR ISSUING NONRESIDENT NONCOMPLIANCE REPORTS AND TO MAKE CHANGES REGARDING SUSPENSION AND REVOCATION OF DRIVERS LICENSES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 20-4.19(c) reads as rewritten:

''(c) Upon the failure of the nonresident to comply with the citation, the law-enforcement officer clerk of court shall obtain a warrant for his arrest and shall report the noncompliance to the Division. The report of noncompliance shall clearly identify the nonresident; describe the violation, specifying the section of the statute, code, or ordinance violated; indicate the location and date of offense; and identify the vehicle involved; involved, bear the signature of the law-enforcement officer; and contain a copy of the personal recognizance signed by the nonresident.''

Sec. 2. G.S. 20-14 reads as rewritten:

A licensee may obtain a duplicate license, upon payment of a fee of five dollars ($5.00), if he furnishes to the Division satisfactory proof that:

(1) He has lost or destroyed his license; or
(2) It is necessary to change the name or address on the license; or
(3) He has reached the age wherein he is entitled to a license with a different color photographic background; or
(4) He has become eligible for reinstatement of his North Carolina driving privilege following a period of suspension or revocation and the last license issued has not yet expired.''

Sec. 3. G.S. 20-16(d) reads as rewritten:

1868
was held before his license was suspended, as early as practical within not to exceed 30 days after receipt of such request. The hearing shall be conducted in the district court district as defined in G.S. 7A-133 wherein the licensee resides. Hearings shall be rotated among all the counties within that district if the district contains more than one county unless the Division and the licensee agree that such hearing may be held in some other district, and such notice shall contain the provisions of this section printed thereon. Upon such hearing the duly authorized agents of the Division may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the licensee. Upon such hearing the Division shall either rescind its order of suspension, or good cause appearing therefor, may extend the suspension of such license. Provided further upon such hearing, preliminary or otherwise, involving subsections (a)(1) through (a)(10a) of this section, the Division may for good cause appearing in its discretion substitute a period of probation not to exceed one year for the suspension or for any unexpired period of suspension. Probation shall mean any written agreement between the suspended driver and a duly authorized representative of the Division and such period of probation shall not exceed one year, and any violation of the probation agreement during the probation period shall result in a suspension for the unexpired remainder of the suspension period. The authorized agents of the Division shall have the same powers in connection with a preliminary hearing prior to suspension as this subsection provided in connection with hearings held after suspension. These agents shall also have the authority to take possession of a surrendered license on behalf of the Division if the suspension is upheld and the licensee requests that the suspension begin immediately."

Sec. 4. G.S. 20-24.1(c) reads as rewritten:

"(c) If the person satisfies the conditions of subsection(b) that are applicable to his case before the effective date of the revocation order, the revocation order must be rescinded and any entries on his driving record relating to it shall be deleted and the person does not have to pay a restoration fee. For all other revocation orders issued pursuant to this section, the person must pay the restoration fee required by G.S. 20-7(i1) and satisfy any other applicable requirements of this Article before he may be relicensed."

Sec. 5. G.S. 20-24.2(b) reads as rewritten:

"(b) The reporting requirement of this section and the revocation mandated by G.S. 20-24.1 do not apply to offenses in which an order of forfeiture of a cash bond is entered and reported to the Division pursuant to G.S. 20-24. If an order is sent to the Division by the

   (1) Be at least 18 years of age.
   (2) Reside or work in this State.

The register of deeds shall deliver the commission to the notary following completion of the requirements of this section and shall notify the Secretary of State of the delivery.

If the appointee does not appear before the register of deeds within 90 days, the appointee must reapply for commissioning and the register of deeds must return the commission to the Secretary of State. If the appointee reapplies within one year of the granting of the commission, the Secretary of State may waive the requirements of subdivisions G.S. 10A-4(b)(3) and (4).

A grand jury so convened retains all powers, duties, and responsibilities of a grand jury under this Article. The contents of the petition and the affidavit shall not be disclosed. Upon receiving a petition under this subsection, the Chief Justice shall appoint a panel to determine whether the grand jury should be convened as an investigative grand jury.

A grand jury authorized by this subsection may be convened from an existing grand jury or grand juries authorized by subsection (b) of this section or may be convened as an additional grand jury to an existing grand jury or grand juries. Notwithstanding subsection (b) of this section, grand jurors impaneled pursuant to this subsection shall serve for a period of 12 months, and, if an additional grand jury is convened, 18 persons shall be selected to constitute that grand jury. At any time for cause shown, the presiding superior court judge may excuse a juror temporarily or permanently, and in the latter event the court may impanel another person in place of the juror excused.

Sec. 2. G.S. 15A-623(h) reads as rewritten:

"(h) If a grand jury is convened pursuant to G.S. 15A-622(h), notwithstanding subsection (d) of this section, a prosecutor shall be present to examine witnesses, and a court reporter shall be present and record the examination of witnesses. The record shall be transcribed. If the prosecutor determines that it is necessary to compel testimony from the witness, he may grant use immunity to the witness. The grant of use immunity shall be given to the witness in writing by the prosecutor and shall be signed by the prosecutor. The written grant of use immunity shall also be read into the record by the prosecutor and shall include an explanation of use immunity as provided in G.S. 15A-1051. A witness shall have the right to leave the grand jury room to consult with his counsel at reasonable intervals and for a reasonable period of time upon the request of the witness. Notwithstanding subsection (e) of this section, the record of the examination of witnesses shall be made available to the examining prosecutor, and he may disclose contents of the record to other investigative or law-enforcement officers, the witness or his attorney to the extent that the disclosure is appropriate to the proper performance of his official duties. The record of the examination of a witness may be used in a trial to corroborate or impeach that witness to the extent that it is relevant and otherwise admissible. Further disclosure of grand jury proceedings convened pursuant to this act may be made
upon written order of a superior court judge if the judge determines disclosure is essential:

(1) To prosecute a witness who appeared before the grand jury for contempt or perjury; or

(2) To protect a defendant's constitutional rights or statutory rights to discovery pursuant to G.S. 15A-903.

Upon the convening of the investigative grand jury pursuant to approval by the three-judge panel, the district attorney shall subpoena the witnesses. The subpoena shall be served by the investigative grand jury officer, who shall be appointed by the court. The name of the person subpoenaed and the issuance and service of the subpoena shall not be disclosed, except that a witness so subpoenaed may divulge that information. A The presiding superior court judge shall hear any matter concerning the investigative grand jury in camera to the extent necessary to prevent disclosure of its existence. The court reporter for the investigative grand jury shall be present and record and transcribe the in camera proceeding. The transcription of any in camera proceeding and a copy of all subpoenas and other process shall be returned to the Chief Justice or to such member of the three-judge panel as the Chief Justice may designate, to be filed with the Clerk of the North Carolina Supreme Court. The subpoena shall otherwise be subject to the provisions of G.S. 15A-801 and Article 43 of Chapter 15A. When an investigative grand jury has completed its investigation of the crimes alleged in the petition, the investigative functions of the grand jury shall be dissolved and such investigation shall cease. The District Attorney shall file a notice of dissolution of the investigative functions of the grand jury with the Clerk of the North Carolina Supreme Court."

"Sec. 6. This act shall become effective October 1, 1986 and shall expire October 1, 1991, but the said expiration date shall not affect the term or authority of a grand jury constituted at that time. October 1, 1986."

CHAPTER 687

AN ACT TO ESTABLISH SAFEGUARDS FOR CONTROLLED SUBSTANCE EXAMINATIONS.
The General Assembly of North Carolina enacts:

Section 1. Chapter 95 of the General Statutes is amended by adding the following new Article to read:

"ARTICLE 20. Controlled Substance Examination Regulation.

§ 95-230. Purpose.

The General Assembly finds that individuals should be protected from unreliable and inadequate examinations and screening for controlled substances. The purpose of this Article is to establish procedural and other requirements for the administration of controlled substance examinations.

§ 95-231. Definitions.

As used in this Article, unless the context clearly requires otherwise:

(1) 'Controlled substance' is as defined in G.S. 90-87(5) or a metabolite thereof.

(2) 'Examiner' means a person, firm, or corporation, doing business in the State, including State, county, and municipal employers, and who performs or has performed by another person a controlled substance examination.

(3) 'Examinee' means an individual who is an employee of the examiner or an applicant for employment with the examiner and who is requested or required by an examiner to submit to a controlled substance examination.

§ 95-232. Procedural requirements for the administration of controlled substance examinations.

(a) An examiner who requests or requires an examinee to submit to a controlled substance examination shall comply with the procedural requirements set forth in this section.

(b) Collection of samples: the collection of samples for examination or screening shall be performed under reasonable and sanitary conditions. Individual dignity shall be preserved to the extent practicable. Samples shall be collected in a manner reasonably calculated to prevent substitution of samples and interference with the collection, examination, or screening of samples.

(c) Approved labs: the examiner shall use only laboratories that have demonstrated satisfactory performance in the proficiency testing programs of the National Institute on Drug Abuse, or the College of American Pathology. An approved lab shall confirm any sample that produces a positive result by a second examination of the sample utilizing gas chromatography with mass spectrometry or an equivalent scientifically accepted method.

(d) Retention of samples: a portion of every sample that produces a confirmed positive examination result shall be preserved by the
laboratory that conducts the confirmatory examination for a period of at least 90 days from the time the results of the confirmed positive examination are mailed or otherwise delivered to the examinee’s employer.

(e) Chain of custody: the examiner or his agent shall establish procedures regarding chain of custody for sample collection and examination to ensure proper record keeping, handling, labeling, and identification of examination samples.

"§ 95-233. No duty to examine.

Nothing in this Article shall be construed to place a duty on examiners to conduct controlled substance examinations.

"§ 95-234. Violation of controlled substance examination regulations; civil penalty.

(a) Any examiner who violates the provisions of this Article shall be subject to a civil penalty of up to two hundred fifty dollars ($250.00) per examinee with the maximum not to exceed one thousand dollars ($1,000) per investigation by the Commissioner of Labor or his authorized representative. In determining whether or not a violation of this Article has occurred, the Commissioner shall determine whether the examiner responsible for the violation was the one who performed the examination or the one for whom the examination was performed. In determining the amount of the penalty, the Commissioner shall consider:

(1) The appropriateness of the penalty for the size of the business of the employer charged; and

(2) The gravity of the violation.

The determination by the Commissioner shall be final, unless within 15 days after receipt of notice thereof by certified mail, the person charged with the violation takes exception to the determination, in which event final determination of the penalty shall be made in an administrative proceeding pursuant to Article 3 of Chapter 150B and in a judicial proceeding pursuant to Article 4 of Chapter 150B.

(b) The amount of the penalty when finally determined may be recovered in a civil action brought by the Commissioner in the General Court of Justice.

(c) Sums collected under this section by the Commissioner shall be paid into the General Fund.

(d) Assessment of penalties under this section shall be subject to a two-year statute of limitations commencing at the time of the occurrence of the violation."

Sec. 2. This act becomes effective October 1, 1991.

In the General Assembly read three times and ratified this the 13th day of July, 1991.

A plan of payroll deductions pursuant to this subsection for employees of the State and other association members shall become void if the employees’ association engages in collective bargaining with the State, any political subdivision of the State, or any local school administrative unit. This subsection does not apply to county or municipal governments or any local governmental unit, except for local boards of education.

Subject to rules adopted by the State Controller, if a constituent institution of The University of North Carolina approves a payroll deduction plan under this subsection, an employee of the constituent institution may authorize, in writing, the periodic deduction from the employee’s salary or wages paid for employment by the constituent institution of a designated lump sum to be contributed to a qualified charitable organization that exists to support athletic or charitable programs of the constituent institution and that has first been approved by the President of The University of North Carolina as existing to support athletic or charitable programs. If a payroll deduction plan under this subsection results in additional costs to a constituent institution, these costs shall be paid by the qualified charitable organizations receiving contributions under the plan.

All transfers and assignments made of any claim upon the State of North Carolina or any of its departments, bureaus or commissions or upon any State institution or of any part or share thereof or interest therein, whether absolute or conditional and whatever may be the consideration therefor and all powers of attorney, orders or other authorities for receiving payment of any such claim or any part or share thereof shall be absolutely null and void unless such claim has been duly audited and allowed and the amount due thereon fixed and a warrant for the payment thereof has been issued; and no warrant shall be issued to any assignee of any claim or any part or share thereof or interest therein: Provided that this section shall not apply to assignments made in favor of hospitals, building and loan associations, prepaid legal services, uniform rental firms to allow employees of the Department of Transportation to rent uniforms that include day-glo orange shirts or vests as required by federal and State law, and medical, hospital, disability and life insurance companies: Provided further, that any employee of the State or of any of its institutions, departments, bureaus, agencies or commissions, who is a member of any credit union organized pursuant to Chapter 54 of the North Carolina General Statutes having a membership at least one half of whom are employed by the State or its institutions, departments, bureaus, agencies or commissions, may authorize, in writing, the periodic deduction from his salary of wages as such employee of a designated lump sum, which shall be paid to such credit unions when said salaries or wages are payable, for deposit to such accounts, purchase of such shares or payment of such obligations as the employee and the credit union may agree: Provided further, that any employee of the State or of any of its institutions, departments, bureaus, agencies or commissions, or any of its community colleges,

This plan of payroll deductions for State employees and other association members shall become null and void at such time as the employee association engages in collective bargaining. Except as otherwise provided, nothing in this last proviso shall apply to local boards of education, county or municipal governments or any local governmental units. Provided further, that subject to the rules and regulations adopted by the State Controller, any employee of the State or of any of its institutions, departments, bureaus, agencies or commissions may authorize in writing the withholding from his salary or wages an amount to satisfy his pledge to the State Employees Combined Campaign. Provided further, that subject to any rules and regulations adopted by the State Controller, any employee of a local board of education or community college may authorize in writing the withholding from his salary or wages a periodic deduction of a designated sum to be paid to any organization which qualifies for recognition of exemption by the Internal Revenue Service as a charitable organization as defined in Section 501(c)(3) of the Internal Revenue Code which has first been approved by his local board of education or community college board. Provided further, that subject to any rules and regulations adopted by the State Controller, any employee of a constituent institution of The University of North Carolina that processes its own payroll may authorize in writing the withholding from his salary or wages a periodic deduction of a designated sum to be paid to any organization that qualifies for recognition of exemption by the Internal Revenue Service as a charitable organization as defined in Section 501(c)(3) of the Internal Revenue Code and that exists to support athletic or charitable programs at the constituent institution where the employee is employed; Provided further that such organization must be approved by the President of The University of North Carolina as existing to support such athletic or charitable programs; Provided further that such withholding is allowed only at those eligible constituent institutions that have authorized withholding plans under this proviso. If a withholding plan results in additional costs to a campus, these costs shall be paid by those charitable organizations receiving contributions under the withholding plan.

(b) Subsection (a) of this section shall not apply to assignments made to meet child support obligations pursuant to G.S. 110-136.1."

Sec. 22. G.S. 143-341(8)i. reads as rewritten:

"i. To establish and operate a central motor pool and such subsidiary related facilities as the Secretary may deem necessary, and to that end:

1. To establish and operate central facilities for the maintenance, repair, and storage of state-owned passenger motor vehicles for the use of State agencies: to utilize any available State facilities for that purpose: and to establish such subsidiary facilities as the Secretary may deem necessary.

2. To acquire passenger motor vehicles by transfer from other State agencies and by purchase. All motor vehicles transferred to or purchased by the Department shall become part of a central motor pool.

3. To require on a schedule determined by the Department all State agencies to transfer ownership, custody or control of any or all passenger motor vehicles within the ownership, custody or control of that agency to the Department, except those motor vehicles under the ownership, custody or control of the Highway Patrol or the State Bureau of Investigation which are used primarily for law-enforcement purposes, and except those motor vehicles under the ownership, custody or control of the Department of Crime Control and Public Safety for Butner Public Safety which are used primarily for law-enforcement, fire, or emergency purposes.

4. To maintain, store, repair, dispose of, and replace state-owned motor vehicles under the control of the Department. The Department shall ensure that state-owned vehicles are not normally replaced until they have been driven for 90,000 miles or more.

5. Upon proper requisition, proper showing of need for use on State business only, and proper showing of proof that all persons who will be driving the motor vehicle have valid drivers’ licenses. to
assign suitable transportation, either on a temporary or permanent basis, to any State employee or agency. An agency assigned a motor vehicle may not allow a person to operate that motor vehicle unless that person displays to the agency and allows the agency to copy that person's valid driver's license. Notwithstanding G.S. 20-30(6), persons or agencies requesting assignment of motor vehicles may photostat or otherwise reproduce drivers' licenses for purposes of complying with this subpart.

As used in this subpart, 'suitable transportation' means the standard vehicle in the State motor fleet, unless special towing provisions are required by the employee or agency. The Department may not assign any employee or agency a motor vehicle that is not suitable. The Department shall not approve requests for vehicle assignment or reassignment when the purpose of that assignment or reassignment is to provide any employee with a newer or lower mileage vehicle because of his or her rank, management authority, or length of service or because of any non-job-related reason. The Department shall not assign 'special use' vehicles, such as four-wheel drive vehicles or law enforcement vehicles, to any agency or individual except upon written justification, verified by historical data, and accepted by the Secretary.

6. To allocate and charge against each State agency to which transportation is furnished, on a basis of mileage or of rental, its proportionate part of the cost of maintenance and operation of the motor pool.

The amount allocated and charged by the Department of Administration to State agencies to which transportation is furnished shall be at least as follows:

I. Pursuit vehicles and full size 4-wheel four-wheel drive vehicles -- $ .24/mile.
II. Vans and compact 4-wheel four-wheel drive vehicles -- $ .22/mile.
III. All other vehicles -- $ .20/mile.

7. To adopt, with the approval of the Governor, reasonable rules for the efficient and economical
operation, maintenance, repair, and replacement, as limited in paragraph 4. of this subdivision, of all state-owned motor vehicles under the control of the Department, and to enforce those rules; and to adopt, with the approval of the Governor, reasonable rules regulating the use of private motor vehicles upon State business by the officers and employees of State agencies, and to enforce those rules. The Department, with the approval of the Governor, may delegate to the respective heads of the agencies to which motor vehicles are permanently assigned by the Department the duty of enforcing the rules adopted by the Department pursuant to this paragraph. Any person who violates a rule adopted by the Department and approved by the Governor is guilty of a misdemeanor, and upon conviction is punishable in the discretion of the court.

7a. To adopt with the approval of the Governor and to enforce rules and to coordinate State policy regarding (i) the permanent assignment of state-owned passenger motor vehicles and (ii) the use of and reimbursement for those vehicles for commuting, the limited commuting permitted by this subdivision. For the purpose of this subdivision 7a, 'state-owned passenger motor vehicle' includes any state-owned passenger motor vehicle, whether or not owned, maintained or controlled by the Department of Administration, and regardless of the source of the funds used to purchase it. Notwithstanding the provisions of G.S. 20-190 or any other provisions of law, all state-owned passenger motor vehicles are subject to the provisions of this subdivision 7a; no permanent assignment shall be made and no one shall be exempt from payment of reimbursement for commuting or from the other provisions of this subdivision 7a except as provided by this subdivision 7a. Commuting, as defined and regulated by this subdivision, is limited to those specific cases in which the Secretary has received and accepted written justification, verified by historical data. The Department shall not assign
any state-owned motor vehicle that may be used for commuting other than those authorized by the procedure prescribed in this subdivision.

A State-owned passenger motor vehicle shall not be permanently assigned to an individual who is likely to drive it on official business at a rate of less than 12,600 miles per year (3,150 miles per quarter) unless (i) the individual's duties are routinely related to public safety or (ii) the individual's duties are likely to expose him routinely to life-threatening situations. A State-owned passenger motor vehicle shall also not be permanently assigned to an agency that is likely to drive it on official business at a rate of less than 12,600 miles per year (3,150 miles per quarter) unless the agency can justify to the Division of Motor Fleet Management the need for permanent assignment because of the unique use of the vehicle. The Department of Administration shall verify, on a quarterly basis, that each motor vehicle has been driven at the minimum allowable rate. If it has not and if the department by whom the individual to which the car is assigned is employed or the agency to which the car is assigned cannot justify the lower mileage for the quarter in view of the minimum annual rate, the permanent assignment shall be revoked immediately.

Every individual who uses a State-owned passenger motor vehicle, pickup truck, or van to drive between his official work station and his home, shall reimburse the State for these trips at a rate computed by the Department. This rate shall approximate the benefit derived from the use of the vehicle as prescribed by federal law. Reimbursement shall be for 20 days per month regardless of how many days the individual uses the vehicle to commute during the month. Reimbursement shall be made by payroll deduction. Funds derived from reimbursement on vehicles owned by the Motor Fleet Management Division shall be deposited to the credit of the Division; funds derived from reimbursements on vehicles initially purchased with appropriations
from the Highway Fund and not owned by the Division shall be deposited in a Special Depository Account in the Department of Transportation, which shall revert to the Highway Fund; funds derived from reimbursement on all other vehicles shall be deposited in a Special Depository Account in the Department of Administration which shall revert to the General Fund. Commuting, for purposes of this paragraph, does not include those individuals whose office is in their home, as determined by the Department of Administration, Division of Motor Fleet Management. Also, this paragraph does not apply to the following vehicles: (i) clearly marked police and fire vehicles. (ii) delivery trucks with seating only for the driver. (iii) flatbed trucks. (iv) cargo carriers with over a 14,000 pound capacity. (v) school and passenger buses with over 20 person capacities. (vi) ambulances. (vii) hearses. (viii) bucket trucks. (ix) cranes and derricks. (x) forklifts. (xi) cement mixers. (xii) dump trucks. (xiii) garbage trucks. (xiv) specialized utility repair trucks (except vans and pickup trucks). (xv) tractors. (xvi) unmarked law-enforcement vehicles that are used in undercover work and are operated by full-time, fully sworn law-enforcement officers whose primary duties include carrying a firearm, executing search warrants, and making arrests. and (xvii) any other vehicle exempted under Section 274(d) of the Internal Revenue Code of 1954, and Federal Internal Revenue Services regulations based thereon. The Department of Administration, Division of Motor Fleet Management, shall report quarterly to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division of the Legislative Services Office on individuals who use State-owned passenger motor vehicles, pickup trucks, or vans between their official work stations and their homes, who are not required to reimburse the State for these trips.

The Department of Administration shall revoke the assignment or require the Department owning the vehicle to revoke the assignment of a
State-owned passenger motor vehicle, pick-up truck or van to any individual who:

I. Uses the vehicle for other than official business except in accordance with the commuting rules:

II. Fails to supply required reports to the Department of Administration, or supplies incomplete reports, or supplies reports in a form unacceptable to the Department of Administration and does not cure the deficiency within 30 days of receiving a request to do so:

III. Knowingly and willfully supplies false information to the Department of Administration on applications for permanent assignments, commuting reimbursement forms, or other required reports or forms:

IV. Does not personally sign all reports on forms submitted for vehicles permanently assigned to him and does not cure the deficiency within 30 days of receiving a request to do so:

V. Abuses the vehicle: or

VI. Violates other rules or policy promulgated by the Department of Administration not in conflict with this act.

A new requisition shall not be honored until the Secretary of the Department of Administration is assured that the violation for which a vehicle was previously revoked will not recur.

The Department of Administration, with the approval of the Governor, may delegate, or conditionally delegate, to the respective heads of agencies which own passenger motor vehicles or to which passenger motor vehicles are permanently assigned by the Department, the duty of enforcing all or part of the rules adopted by the Department of Administration pursuant to this subdivision 7a. The Department of Administration, with the approval of the Governor, may revoke this delegation of authority.

Prior to adopting rules under this paragraph, the Secretary of Administration may consult with the Advisory Budget Commission.
8. To adopt and administer rules for the control of all state-owned passenger motor vehicles and to require State agencies to keep all records and make all reports regarding motor vehicle use as the Secretary deems necessary.

9. To acquire motor vehicle liability insurance on all State-owned motor vehicles under the control of the Department.

10. To contract with the appropriate State prison authorities for the furnishing, upon such conditions as may be agreed upon from time to time between such State prison authorities and the Secretary, of prison labor for use in connection with the operation of a central motor pool and related activities.

11. To report annually to the General Assembly on any rules adopted, amended or repealed under paragraphs 3, 7, or 7a of this subdivision."

"§ 105-213. Appropriation to counties and municipalities; use of appropriation.

(a) There is annually appropriated from the General Fund to counties and municipalities the amount of revenue collected under this Article during the preceding fiscal year, plus an amount equal to forty percent (40%) of the tax collected on accounts receivable during the preceding fiscal year and less an amount equal to the costs during the preceding fiscal year of:

(1) Refunds made during the fiscal year of taxes levied under this Article.

(2) The Department of Revenue to collect and administer the taxes levied under this Article.

(4) The Property Tax Commission.

(5) The Institute of Government in operating a training program in property tax appraisal and assessment.

(6) The personnel and operations provided by the Department of State Treasurer for the Local Government Commission.

The appropriation shall be distributed by August 30 of each year. The appropriation shall be included in the Current Operations Appropriations Act.

To distribute the appropriation, the Secretary of Revenue shall keep a separate record by counties of the taxes collected under this Article and shall certify to the State Controller and to the State Treasurer the amount to be distributed to each county and municipality in the State. The State Controller shall then issue a warrant on the State Treasurer to each county and municipality in the amount certified.

The Secretary shall allocate the amount appropriated under this Article to the counties according to the county in which the taxes were collected. The Secretary shall then increase the amount allocable to each county by a sum equal to forty percent (40%) of the amount of tax on accounts receivable allocated to the county on the basis of collections. The amounts so allocated to each county shall in turn be divided between the county and the municipalities in the county in proportion to the total amount of ad valorem taxes levied by each
during the fiscal year preceding the distribution. In dividing these amounts between each county and its municipalities, the Secretary shall treat taxes levied by a merged school administrative unit described in G.S. 115C-513 in a part of the unit located in a county as taxes levied by the county in which that part is located. For the purpose of computing the distribution of the intangibles tax to any county and the municipalities located in the county for any year with respect to which the property valuation of a public service company is the subject of an appeal pursuant to the provisions of the Machinery Act, or to applicable provisions of federal law, and the Department of Revenue is restrained by operation of law or by a court of competent jurisdiction from certifying such valuation to the county and municipalities therein, the Department shall use the last property valuation of such public service company which has been so certified in order to determine the ad valorem tax levies applicable to such public service company in the county and the municipalities therein.

The chairman of each board of county commissioners and the mayor of each municipality shall report to the Secretary of Revenue information requested by the Secretary to enable the Secretary to distribute the amount appropriated by this section. If a county or municipality fails to make a requested report within the time allowed, the Secretary may disregard the county or municipality in distributing the amount appropriated by this section. The amount distributed to each county and municipality shall be used by the county or municipality in proportion to property tax levies made by it for the various funds and activities of the county or municipality, unless the county or municipality has pledged the amount to be distributed to it under this section in payment of a loan agreement with the North Carolina Solid Waste Management Capital Projects Financing Agency. A county or municipality that has pledged amounts distributed under this section in payment of a loan agreement with the Agency may apply the amount the loan agreement requires.

(b) For purposes of this section, the term ‘municipality’ includes any urban service district defined by the governing board of a consolidated city-county, and the amounts due thereby shall be distributed to the government of the consolidated city-county.”

future fiscal periods; therefore, the Department of Justice and the
Department of Crime Control and Public Safety are prohibited from
using these assets for such purposes without the prior approval of the
General Assembly.

---GENERAL REDUCTIONS AND SAVINGS/RULES

Sec. 95. Session Laws – 1991  CHAPTER 689

FAMILY SUPPORT ACT

Sec. 96. (a) Section 229 of Chapter 1014 of the 1985 Session Laws is amended by adding a new subsection to read:

"(d) If any provision of this section is held invalid by a court of competent jurisdiction, the invalidity shall not affect the remaining provisions of this section that can be given effect."

(b) The General Assembly finds that it is in the best interest of the State and of all its citizens to encourage recipients of Aid to Families with Dependent Children to obtain jobs and become self-sufficient. It further finds that, by continuing medical assistance and providing limited wage assistance to those recipients who are working, the State will make it possible to help many recipients to be able to keep their jobs, support their families, and become self-sufficient.

(c) The Social Services Commission shall adopt rules to change the way it budgets Aid to Families with Dependent Children payments that will result in more recipients being able to find work and keep working. These rules shall include subtracting countable income from the State standard of need, and paying a percentage of the difference. The percentage that shall be applied to determine the amount of assistance shall be the same percentage set in the Current Operations Appropriations Act that determines the Aid to Families of Dependent Children payment level from the standard of need.

RETROSPECTIVE ACCOUNTING ADJUSTMENT

Sec. 97. The Department of Human Resources shall use funds appropriated to it by this Title to provide a State supplementary payment to Aid to Families of Dependent Children households adversely affected by the retrospective accounting procedure as allowed under section 403(a) of the Social Security Act as amended by section 157(a) of the Tax Equity and Fiscal Responsibility Act of 1982. The amount of the State supplement shall not exceed the maximum payment standard for the Aid to Families with Dependent Children Program.

(3) In any year that State and federal funds are not sufficient to pay each agency’s allowable foster care maintenance costs, each participating agency’s rate shall be reduced by the same percentage, so that each agency receives the same percentage of its allowable costs.

---WILLIE M.

Sec. 107. (a) Legislative Findings. The General Assembly finds:

(1) That there is a need in North Carolina to provide appropriate treatment and education programs to children under the age of 18 who suffer from emotional, mental, or neurological handicaps accompanied by violent or assailtive behavior:
(2) That children meeting these criteria have been identified as a class in the case of Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al.; and
(3) That these children have a need for a variety of services, in addition to those normally provided, that may include but are not limited to residential treatment services, educational services, and independent living arrangements.

(b) Funds appropriated by the General Assembly to the Department of Human Resources for serving members of the Willie M. Class shall be expended only for programs serving members of the Willie M. Class identified in Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al., including evaluations of potential class members. The Department shall reallocate these funds among services to Willie M. Class members during the year as it deems advisable in order to use the funds efficiently in providing appropriate services to Willie M. Class children.

(c) Funds for Department of Public Education. Funds appropriated to the Department of Public Education in this act for members of the Willie M. Class, are to establish a supplemental reserve fund to serve only members of the class identified in Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al. These funds shall be allocated by the State Board of Education to the local education agencies to serve those class members who were not included in the regular average daily membership and the census of children with special needs, and to provide the additional program costs which exceed the per pupil allocation from the State Public School Fund and other State and federal funds for children with special needs.

(d) The Department of Human Resources shall continue to implement its prospective unit cost reimbursement system and shall ensure that unit cost rates reflect reasonable costs by conducting cost center service type rate comparisons and cost center line item budget reviews as may be necessary, and based upon these reviews and comparisons, the Department shall reduce and/or cap rates to programs which are significantly higher than those rates paid to other programs for the same service.

Any exception to this requirement shall be approved by the Director of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services. and shall be reported in the Department’s annual joint report to the Governor and the General Assembly and in any periodic report the Department may make to the Joint Legislative Commission on Governmental Operations.

(d1) The Department of Human Resources shall implement a process to review those cases for whom treatment has been
recommended whose annual cost is anticipated to be in excess of one hundred fifty percent (150%) of the average annual per client expenditure of the previous fiscal year and shall take actions to reduce these treatment costs where appropriate.

(e) Reporting Requirements. The Department of Human Resources and the Department of Public Education shall submit, by May 1 of each fiscal year, a joint report to the Governor and the General Assembly on the progress achieved in serving members of the Willie M. Class. The report shall include the following unduplicated data for each county: (i) the number of children nominated for the Willie M. Class; (ii) the number of children actually identified as members of the Class in each county; (iii) the number of children served as members of the Class in each county; (iv) the number of children who remain unserved or for whom additional services are needed in order to be determined to be appropriately served; (v) the types and locations of treatment and education services provided to Class members; (vi) the cost of services, by type, to members of the Class and the maximum and minimum rates paid to providers for each service; (vii) the number of cases whose treatment costs were in excess of one hundred fifty percent (150%) of the average annual per client expenditure; (viii) information on the impact of treatment and education services on members of the Class; (ix) an explanation of, and justification for, any waiver of departmental rules that affect the Willie M. program; and (x) the total State funds expended, by program, on Willie M. Class members, other than those funds specifically appropriated for the Willie M. programs and services.

(ef) From existing funds available to it, the Department of Human Resources shall begin a process to document and assess individual class members’ progress through the continuum of services. Standardized measures of functioning shall be administered periodically:

1. In the 1991-92 fiscal year, to a representative sample of class members;

2. In the 1992-93 fiscal year and thereafter, to each member of the class, and the information generated from these measures shall be used to assess client progress and program effectiveness.

(f) The Departments of Human Resources and Public Education shall provide periodic reports of expenditures and program effectiveness on behalf of the Willie M. Class to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division. As part of these reports, the Departments shall explain measures they have taken to control and reduce program expenditures.
(g) In fulfilling the responsibilities vested in it by the Constitution of North Carolina, the General Assembly finds:

(1) That the General Assembly has evaluated the known needs of the State and has endeavored to satisfy those needs in comparison to their social and economic priorities: and

(2) That the funds appropriated will enable the development and implementation of placement and services for the class members in Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al. within a reasonable period of time considered within the context of the needs of the class members, the other needs of the State and the resources available to the State.

(h) The General Assembly supports the efforts of the responsible officials and agencies of the State to meet the requirements of the court order in Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al. To ensure that Willie M. Class members are appropriately served, no State funds shall be expended on placement and services for Willie M. Class members except:

(1) Funds specifically appropriated by the General Assembly for the placement and services of Willie M. Class members; and

(2) Funds for placement and services for which Willie M. Class members are otherwise eligible.

This limitation shall not preclude the use of unexpended Willie M. funds from prior fiscal years to cover current or future needs of the Willie M. program subject to approval by the Director of the Budget. These Willie M. expenditures shall not be subject to the requirements of G.S. 143-18.

(i) Notwithstanding any other provision of law, if the Department of Human Resources determines that a local program is not providing appropriate services to members of the class identified in Willie M., et al. v. Martin, et al., formerly Willie M., et al. v. Hunt, et al., the Department may ensure the provision of these services through contracts with public or private agencies or by direct operation by the Department of such programs.

(j) The Department of Human Resources and the Department of Public Instruction shall submit a plan to the General Assembly by April 1, 1992, outlining specific steps that are to be taken, within a specified time period, and within existing resources, to meet its obligation of providing appropriate services to class members. As part of this plan, the Department shall propose when and how the Willie M. program shall become fully self-regulating and self-monitoring.
Sec. 108. The Office of State Auditor shall conduct a follow-up study of its 1990 performance audit of the Willie M. program to determine, along with other issues the Auditor considers appropriate, the following:

1. To what extent the range of reimbursement rates paid to area programs for similar types of services has been reduced;
2. To what extent the process implemented by the Department of Human Resources to review high-cost Willie M. clients has been effective in reducing the number of these clients and the costs of providing these clients services; and
3. To what extent a client evaluation process has been implemented by the Department of Human Resources and with what results.

The Auditor may also conduct an analysis of costs associated with providing services to a sample of clients including high-cost clients, to determine the justification of the costs incurred. The Auditor shall submit the findings of this follow-up study of the Willie M. program to the General Assembly by February 15, 1993.

Sec. 109. (a) Funds appropriated to the Department of Human Resources in this Title for the 1991-92 fiscal year and the 1992-93 fiscal year for members of the Thomas S. Class as identified in Thomas S., et al. v. Flaherty, shall be placed in a reserve in the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, and shall be expended only for programs serving Thomas S. Class members or for services for those clients who are likely to become class members. To ensure that Thomas S. Class members are appropriately served, no State funds shall be expended on placement and services for Thomas S. Class members except:

1. Funds specifically appropriated by the General Assembly for the placement and services of Thomas S. Class members;
2. Funds for placement and services for which Thomas S. Class members are otherwise eligible.

(b) The Department of Human Resources shall provide periodic reports of funds expended and services performed on behalf of members of the Thomas S. Class and on behalf of those clients who are likely to become class members to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division of the Legislative Services Office.
(c) Notwithstanding any other provision of law, if the Department of Human Resources determines that a local program is not providing minimally adequate services to members of the class identified in Thomas S., et al. v. Flaherty, the Department may ensure the provision of these services through contracts with public or private agencies or by direct operation by the Department of such programs.

(1) One-third of budgeted funds shall be distributed according to the county’s population in relation to the total population of the State:

(2) One-third of the budgeted funds shall be distributed according to the number of children under 6 years of age in a county who are living in families whose income is below the State poverty level in relation to the total number of children under 6 in the State in families whose income is below the poverty level; and

The Department shall adopt rules in accordance with Chapter 150B of the General Statutes for administering the Employment and Training Grant Program, which rules shall include procedures for review and approval of grant applications by local agencies and for monitoring use of grant funds by recipient agencies. A State-administered program of performance standards shall be used to measure grant program outcomes.

(b) Use of grant funds: Local agencies may use funds received under this section only for the purpose of upgrading the foundation of basic skills of the adult population and the existing work force in North Carolina. Services that may be provided include participant programs currently available under the federal Job Training Partnership Act that are appropriate for adults; on-the-job training; work experience; adult basic education; skills training, upgrading, and retraining; counseling and screening for job placement; service corps; and related support services. Local agencies may use grant funds to provide services only to individuals who are 18 years of age or older and who either (i) meet the current Federal Job Training Partnership Act definition of 'economically disadvantaged', or (ii) meet the current definition for eligibility under Title III of the Federal Job Training Partnership Act.

(c) Allocation of grants: The Department may reserve and allocate up to five percent (5%) of funds available to the Employment and Training Grant Program for State and local administrative costs to implement the program. The Division of Employment and Training shall allocate employment and training grants to local agencies operating on behalf of the Private Industry Council serving Job Training Partnership Act service delivery areas based on the following formula:

(1) One half of the funds shall be allocated on the basis of the relative excess number of unemployed individuals residing in each county as compared to the total excess number of unemployed individuals in all counties in the State.

'Excess number of unemployed' is defined as the number of unemployed individuals in excess of four and one-half
percent (4.5%) of the civilian labor force in each county or the number of unemployed individuals in excess of four and one-half percent (4.5%) of the civilian labor force in each census tract within the county. The following methodology is used to determine the excess number of unemployed:

a. For counties classified as having excess unemployment, the excess number of unemployed is determined by subtracting four and one-half percent (4.5%) of the civilian labor force from the number of unemployed individuals within the county. The difference equals the number of excess unemployed.

b. In situations where the entire county is not classified as having excess unemployment, the excess number of unemployed is determined by census tract unemployment within the county. Census tract data is used to determine which subcounty areas qualify as areas of excess unemployment. In those subcounty areas classified as having excess unemployment (census tracts with four and one-half percent (4.5%) or higher unemployment rates), four and one-half percent (4.5%) of the census tract labor force is subtracted from the number of unemployed individuals within the area of excess unemployment. The subcounty figures of excess number of unemployed within the county are then added together to determine the total excess number of unemployed within the county.

(2) One half of the funds shall be allocated on the basis of the relative number of economically disadvantaged individuals within each county compared to the total number of economically disadvantaged individuals in the State. To determine the number of economically disadvantaged individuals within each county, data from the State Data Center in the Office of State Budget and Management, or from the federal decennial census, whichever is most recent, shall be used.

(d) Reports, Coordination: The Department of Economic and Community Development shall report quarterly to the Governor and to the Speaker of the House of Representatives and the President Pro Tempore of the Senate on the North Carolina Employment and Training Grant Program. The Department shall also provide a copy of these quarterly reports to the State Job Training Coordinating Council. The Council shall advise the Department on the merger of the funds provided to implement this section with other employment
and training funds to develop comprehensive work-force preparedness initiatives for the State.

(e) Funds appropriated to the Department of Economic and Community Development for the Employment and Training Grant Program that are not expended at the end of the fiscal year shall not revert but shall remain available to the Department for the purposes established in this section.”

evidenced by its attributable risk score developed by the Division of Statistics and Information Services; and
e. Other appropriate criteria.
The Division shall make its recommendations for funding to the Commission for Health Services. The Commission shall make the final determination of which projects are to be funded. The Commission shall consider the recommendations of the Division but shall not be bound by them. The Commission shall notify the projects that are to be funded by June 1 of each year.

(5) Schedule of Funding. If the Commission, upon consultation with the Division, finds that a project it has chosen for first-year funding continues to meet the operating standards of subdivisions (2) and (3) of this subsection, funding for that project shall continue, to the extent of available money, for an additional four years. The level of funding provided by the Division to approved projects shall be set according to the following schedule:
a. First year, eighty percent (80%) of the project’s annual budget not to exceed the maximum award established by the Commission for Health Services,
b. Second year, ninety percent (90%) of the State appropriations or federal block grant funds awarded in the first year,
c. Third year, seventy-five percent (75%) of the State appropriations or federal block grant funds awarded in the first year,
d. Fourth year, sixty-five percent (65%) of the State appropriations or federal block grant funds awarded in the first year, and
e. Fifth year, fifty percent (50%) of the State appropriations or federal block grant funds awarded in the first year.
The portion of a project’s budget that must come from sources other than State or federal block grant funds may be provided as in-kind contributions as well as cash.

(6) Five-Year Limit on Funding. No project shall receive State funding if it has previously received State funding for five full years. Any project that has received State funding before July 1, 1990 will be eligible for consideration for an additional five years’ State support, according to the schedule. The Commission may fund any such project that meets the minimum standards if it determines, after considering the experience and impact of the project and
measuring its application against those of other applicants, that it should be funded.

(7) Maximum Level of Funding. The Commission for Health Services shall by rule determine the maximum annual amount that may be made to any one project.

(8) As adolescent pregnancy prevention project grant funds decrease, a project shall maintain its original budget level, less the amount expended for start-up costs. The Department shall develop guidelines for determining start-up costs, which guidelines shall be uniform for all projects. Local match percentage may come from any in-kind source or newly generated funds, public or private, available to the project.

PART 30.—SALARIES AND BENEFITS

Requested by: Representatives Nesbitt, Diamont, Senators Basnight, Plyler

-----SALARIES/GOVERNMENT EMPLOYEES

Sec. 185. The salaries of those individuals whose annual salaries for the 1989-90 and 1990-91 fiscal years were set in Sections 23, 24, 25, 26, 27, 28, 30(a), 31, 32, and 39 of Chapter 752 of the 1989 Session Laws, are set for the 1991-92 and 1992-93 fiscal years at the level set in those sections for the 1990-91 fiscal year.

-----TEACHER, STATE EMPLOYEE, AND OTHER EDUCATION PERSONNEL COMPENSATION

Sec. 186. The General Assembly recognizes the importance of implementing the third year of the teacher salary schedule; therefore, it is the intent of the General Assembly to complete implementation of a teacher salary schedule in the 1992-93 fiscal year and to place teachers on it according to years of experience if funds are available to do so. It is the intent of the General Assembly also to ensure that State employees, teachers, and other education personnel are treated equitably with respect to salary increases; therefore, to the extent that funds are available to do so, it is the intent of the General Assembly to grant salary increases to State employees, teachers, and other public school and University personnel in the 1992-93 fiscal year that are over and above salary levels funded for the 1991-92 fiscal year.

Requested by: Representatives Nesbitt, Diamont, Senators Basnight, Plyler

-----STATE EMPLOYEE COST OF LIVING PRIORITY

Sec. 187. (a) It is the intent of the General Assembly that Cost of Living general pay increases be given priority over performance pay as the Governor and the General Assembly determine the appropriate
allocation of State employee salary increases relating to Cost of Living general pay adjustments and performance pay. To effect this intent, no performance pay shall be granted except in accordance with subsections (b), (c), (d), and (e) of this section, which ensure that Cost of Living general pay increases of at least two percent (2%) are allocated before any performance pay is allocated. It is also the intent of the General Assembly to acknowledge the need to adjust the determination of Cost of Living general pay increases so that all State employees, regardless of salary, are treated equitably. To effect that intent, the General Assembly may make any adjustment to the Cost of Living general salary increases allocated to State employees that it considers necessary to render the allocations truly equitable for all employees.

Nothing in this section affects the right of the General Assembly to allocate flat percentage Cost of Living general pay increases.

(b) G.S. 126-7(a) reads as rewritten:

"(a) It is the policy of the State to compensate its employees at a level sufficient to encourage excellence of performance and to maintain the labor market competitiveness necessary to recruit and retain a competent work force. To this end, salary increases to State employees shall may be based, in part, on each individual employee's job performance and, in part, on general increases given to all State employees."

(c) G.S. 126-7 is amended by adding a new subsection to read:

"(a1) General salary increases for State employees shall precede any consideration of a performance pay allocation. Performance pay shall be allocated only when the total allocation for increases equals or exceeds two percent (2%)."

(d) G.S. 126-7(b) reads as rewritten:

"(b) To guide the Governor and the General Assembly in making appropriations to further the compensation policy of the State, the State Personnel Commission shall conduct annual compensation surveys. The Commission shall determine the percent of funds appropriated for salary increases to be reserved for a general increase for all State employees and the percent to be reserved for performance-based increases for eligible employees. The Commission shall present its recommendation on the percentages and the results of the compensation survey to the Appropriations Committees of the House and Senate no later than two weeks after the convening of the legislature in odd years and May 1st of even years. The amount reserved for performance increases shall not be less than twenty-five percent (25%) nor more than seventy-five percent (75%) of the total allocation."

(e) G.S. 126-7(c), until the first subdivision, reads as rewritten:
"(c) Performance increases, if awarded, shall be based on performance appraisals of all employees conducted by each department, agency, and institution. The State Personnel Commission, under the authority of G.S.126-4(8), shall adopt policy and regulations for performance appraisal. The policy and regulations shall include the following:"

Requested by: Representatives Nesbitt, Diamont, Senators Basnight, Plyler

----GOVERNMENT SALES TAX REFUND

Sec. 190.1. (a) G.S. 105-164.3 is amended by adding a new subdivision to read:

"(16b) 'State agency' means a unit of the executive, legislative, or judicial branch of State government, such as a department, a commission, a board, a council, or The University of North Carolina. The term does not include a local board of education."

(b) G.S. 105-164.14 reads as rewritten:

(a) Interstate Carriers. Any person engaged in transporting persons or property in interstate commerce for compensation who is subject to regulation by, and to the jurisdiction of, the Interstate Commerce Commission or the United States Department of Transportation and who is required by either such federal agency to keep records according to its standard classification of accounting or, in the case of
a small certificated air carrier, is required by the U.S. Department of
Transportation to make reports of financial and operating statistics, 
may secure a refund from the Secretary of Revenue with respect to 
sales or use tax paid by such person on purchases or acquisitions of 
lubricants, repair parts and accessories in this State for motor 
vehicles, railroad cars, locomotives, and airplanes operated by such 
person, upon the conditions described below. The Secretary of 
Revenue shall prescribe the periods of time, whether monthly, 
quarterly, semiannually or otherwise, with respect to which refunds 
may be claimed, and shall prescribe the time within which, following 
such periods, an application for refund may be made. An applicant for 
refund shall furnish such information as the Secretary may require, 
including detailed information as to lubricants, repair parts and 
accessories wherever purchased, whether within or without the State, 
acquired during the period with respect to which a refund is sought, 
and the purchase price thereof, detailed information as to sales and 
use tax paid in this State thereon, and detailed information as to the 
number of miles such motor vehicles, railroad cars, locomotives, and 
airplanes were operated both within this State, and without this State, 
during such period, together with satisfactory proof thereof. The 
Secretary shall thereupon compute the tax which would be due with 
respect to all lubricants, repair parts and accessories acquired during 
the refund period as though all such purchases were made in this 
State, but only on such proportion of the total purchase prices thereof 
as the total number of miles of operation of such applicants' motor 
vehicles, railroad cars, locomotives, and airplanes within this State 
bears to the total number of miles of operation of such applicants' 
motor vehicles, railroad cars, locomotives and airplanes within and 
without this State, and such amount of sales and use tax as the 
applicant has paid in this State during said refund period in excess of 
the amounts so computed shall be refunded to the applicant.

(b) Nonprofit Corporations. The Secretary of Revenue shall make 
refunds semiannually to hospitals not operated for profit (including 
hospitals and medical accommodations operated by an authority 
created under the Hospital Authorities Law, Article 2 of Chapter 
131E), educational institutions not operated for profit, churches, 
 orphanages and other charitable or religious institutions and 
organizations not operated for profit of sales and use taxes paid under 
this Article, except under G.S. 105-164.4(4a) and G.S. 105- 
164.4(4c), by such institutions and organizations on direct purchases 
of tangible personal property for use in carrying on the work of such 
institutions or organizations. Sales and use tax liability indirectly 
incurred by such institutions and organizations on building materials, 
supplies, fixtures and equipment which shall become a part of or
annexed to any building or structure being erected, altered or repaired for such institutions and organizations for carrying on their nonprofit activities shall be construed as sales or use tax liability incurred on direct purchases by such institutions and organizations, and such institutions and organizations may obtain refunds of such taxes indirectly paid. The Secretary of Revenue shall also make refunds semiannually to all other hospitals (not specifically excluded herein) of sales and use tax paid by them on medicines and drugs purchased for use in carrying out the work of such hospitals. This subsection does not apply to organizations, corporations, and institutions that are owned and controlled by the United States, the State, or a unit of local government, except hospital facilities created under Article 2 of Chapter 131E of the General Statutes and nonprofit hospitals owned and controlled by a unit of local government that elect to receive semiannual refunds under this subsection instead of annual refunds under subsection (c). In order to receive the refunds herein provided for, such institutions and organizations shall file a written request for refund covering the first six months of the calendar year on or before the fifteenth day of October next following the close of said period, and shall file a written request for refund covering the second six months of the calendar year on or before the fifteenth day of April next following the close of that period. Such requests for refund shall be substantiated by such proof as the Secretary of Revenue may require, and no refund shall be made on applications not filed within the time allowed by this section and in such manner as the Secretary may require. Notwithstanding the foregoing provisions of this subsection, the constituent institutions of The University of North Carolina may obtain in the manner prescribed by this Article the refund of sales and use tax paid by them on or after January 1, 1992, for tangible personal property acquired by them through the expenditure of contract and grant funds.

(c) Certain Governmental Entities. Upon receipt of timely applications for refund, the Secretary of Revenue shall make refunds annually to all governmental entities, as hereinafter defined, of sales and use tax paid under this Article, except under G.S. 105-164.4(4a) and G.S. 105-164.4(4c), by said governmental entities on direct purchases of tangible personal property. Sales and use tax liability indirectly incurred by such governmental entities on building materials, supplies, fixtures and equipment which shall become a part of or annexed to any building or structure being erected, altered or repaired which is owned or leased by such governmental entities shall be construed as sales or use tax liability incurred on direct purchases by such governmental entities, and such entities may obtain refunds of such taxes indirectly paid. The refund provisions contained in this
subsection shall not apply to any governmental entities not specifically named herein. In order to receive the refund herein provided for, governmental entities shall file a written request for said refund within six months of the close of the fiscal year of the governmental entities seeking said refund, and such request for refund shall be substantiated by such records, receipts and information as the Secretary may require. No refunds shall be made on applications not filed within the time allowed by this section and in such manner as the Secretary may otherwise require. The term ‘governmental entities,’ for the purposes of this subsection, shall mean all counties, incorporated cities and towns, water and sewer authorities created and existing under the provisions of Chapter 162A of the General Statutes, lake authorities created by a board of county commissioners pursuant to an act of the General Assembly, sanitary districts, regional councils of governments created pursuant to G.S. 160A-470, area mental health, mental retardation, and substance abuse authorities (other than single-county area authorities) established pursuant to Article 4 of Chapter 122C of the General Statutes, district health departments, regional planning and economic development commissions created pursuant to G.S. 158-14, regional sports authorities created pursuant to G.S. 160A-479, regional economic development commissions created pursuant to G.S. 158-8, regional planning commissions created pursuant to G.S. 153A-391, metropolitan sewerage districts and metropolitan water districts in this State, the North Carolina Low-Level Radioactive Waste Management Authority created pursuant to Chapter 104G of the General Statutes, the North Carolina Hazardous Waste Management Commission created pursuant to Chapter 130B of the General Statutes, and the Rockingham County Airport Authority. Notwithstanding the foregoing provisions of this subsection, the constituent institutions of The University of North Carolina may obtain in the manner prescribed by this subsection a refund of sales and use tax paid by them on or after January 1, 1992, for tangible personal property acquired by them through the expenditure of contract and grant funds.

(d) Penalties for Late Applications. Refunds made pursuant to applications filed after the dates specified in subsections (b) and (c) above shall be subject to the following penalties for late filing: applications filed within 30 days after said dates, twenty-five percent (25%); applications filed after 30 days but within six months after said dates, fifty percent (50%). However, refunds which are applied for after six months following said dates shall be barred.

(e) State Agencies. The State is allowed quarterly refunds of local sales and use taxes paid by a State agency on direct purchases of tangible personal property and local sales and use taxes paid indirectly by the State agency on building materials, supplies, fixtures, and

2057

6. The amount of sales and use taxes paid.

If the property was purchased in this State, the person shall attach a copy of the sales receipt to the statement. A State agency to whom a statement is submitted shall verify the accuracy of the statement.

Within 15 days after the end of each calendar quarter, every State agency shall file with the Secretary a written application for a refund of taxes to which this subsection applies paid by the agency during the quarter. The application shall contain all information required by the Secretary. The Secretary shall credit the local sales and use tax refunds directly to the General Fund."

(c) This section is effective upon ratification. G.S. 105-164.14(e), as enacted by this section, applies to property purchased on or after April 1, 1991. Notwithstanding the provisions of G.S. 105-164.14(e), as enacted by this section, every State agency to which that provision applies shall, within 15 days after the date this act is ratified, file the application for a refund of taxes paid during the quarter that ends July 1, 1991.

The Board shall develop a State accreditation program that meets or exceeds the standards and requirements of the Basic Education Program. The Board shall require each local school administrative unit to comply with the State accreditation program to the extent that funds have been made available to the local school administrative unit for implementation of the Basic Education Program.

The Board shall use the State accreditation program to monitor the implementation of the Basic Education Program.

c1. To issue an annual 'report card' for the State and for each local school administrative unit, assessing each unit's efforts to improve student performance and taking into account progress over the previous years' level of performance and the State's performance in comparison with other states. This assessment shall take into account demographic, economic, and other factors that have been shown to affect student performance.

c2. To develop management accountability indicators to measure the efficiency and appropriate use of staff in each school and at the administrative office. Staff development for school administrators shall be a high priority of the Department of Public Instruction.

d. To formulate rules and regulations for the enforcement of the compulsory attendance law.

e. To manage and operate a system of insurance for public school property, as provided in Article 38 of this Chapter.
In making substantial policy changes in administration, curriculum, or programs the Board should conduct hearings throughout the regions of the State, whenever feasible, in order that the public may be heard regarding these matters."

(c) G.S. 115C-238.6(a) reads as rewritten:

"(a) Prior to June 30 each year, the State Superintendent shall review local school improvement plans submitted by the local school administrative units in accordance with policies and performance indicators adopted by the State Board of Education. (e) Funds appropriated to the Department of Public Education for the 1991-93 fiscal biennium to be used in completing the funding of teachers for expanded programs under the Basic Education Program
shall be used by local school administrative units (i) to implement fully the standard course of study in every school in the State in accordance with the Basic Education Program so that every student in the State shall have equal access to the curriculum provided for therein, and (ii) to restore local teaching positions that may have been deleted as a result of budget cuts contained in this act.

The State Board of Education shall not waive, in accordance with G.S. 115C-238.6(a), the requirement that all local schools use these funds for teachers for expanded programs to implement fully the standard course of study in every school in the State.

(f) It is the intent of the General Assembly that base budget reductions made in this act in clerical positions for local school administrative units be taken to the extent possible in central office positions and not in school-based positions.

----OUTCOME-BASED EDUCATION

Sec. 199. (a) Article 16 of Chapter 115C of the General Statutes is amended by adding a new Part to read:

"Part 5. Outcome-Based Education Program.

§ 115C-238.12. Purpose of program.
An outcome-based education program is a program in which expectations for student achievement are clearly stated in terms of knowledge, skills, and attitudes. Students develop skills and attitudes to maximize the acquisition of knowledge. The program recognizes that achievement occurs as a result of individual and developmental progress towards goals, and reflects that students learn at different rates using varying learning styles. Outcome-based education measures achievement periodically throughout the learning process and is the criteria for high school graduation. Measurement of student achievement is implemented by teachers to complement varied learning growth and styles. The results of those measurements are used to determine when a student understands and has mastered the material and is ready to move forward in the learning process.

§ 115C-238.13. Implementation of the project by the State Board of Education.

(a) The State Board of Education shall develop and implement an outcome-based education program. The State Board of Education shall select four sites to participate in the program for five fiscal years beginning with the 1992-93 fiscal year. The first year of the project shall be a year for the sites to plan their projects. The remaining four
years shall be to implement the projects and to demonstrate their effectiveness.

(b) The State Board of Education shall adopt expectations for student achievement, necessary for students to function successfully in the next century. These expectations shall be consistent with national education goals recommended by the National Governors' Association in 1990. The State Board of Education, after consultation with the Board of Governors of The University of North Carolina, the State Board of Community Colleges, representatives of independent colleges, representatives of the business community, representatives of the Department of Public Instruction, representatives of local school administrative units, principals, teachers, and parents, shall adopt proficiencies that are required for graduation from high school. These expectations and proficiencies shall be adopted no later than June 15, 1992, and shall be used by the sites to develop their local outcome-based education projects.

The proficiencies that are required for graduation from high school may include:

(1) Writing -- High school graduates will be able to organize complex, demanding, and extended subject matter clearly and effectively. They will produce structured writings in which relationships between successive paragraphs are signaled by connective words and phrases. They will punctuate their writing so that meaning and structure are clear.

(2) Reading -- High school graduates will be able to make independent and discriminating selections from a range of reference materials; retrieve information from those materials using techniques such as skimming; and evaluate and synthesize information from different parts of a text or different texts.

(3) Mathematics -- High school graduates will be able to present a set of complex data in a simplified form using a variety of diagrams and graphs.

(c) The State Board of Education, the Board of Governors of The University of North Carolina, and the State Board of Community Colleges shall work jointly to develop a mechanism by which the institutions of higher education accept certification of proficiencies on high school transcripts in lieu of Carnegie units.

"§ 115C-238.14. Selection of sites.

(a) No later than October 10, 1991, the State Board of Education shall develop a competitive process for the selection of project sites.

(b) No later than November 30, 1991, the Department of Public Instruction shall initiate the competitive process for the selection of
project sites and shall conduct regional briefings for local school administrative units interested in submitting proposals. The regional briefings shall provide detailed information about outcome-based education models so local school administrative units can decide whether to compete for selection as a project site.

(c) No later than February 29, 1992, local school administrative units shall submit their proposals to the Department of Public Instruction. The proposal may cover all or part of the schools in a local school administrative unit.

The proposal shall include information regarding the local school administrative unit's plan for, ability to, and commitment to complying with the following requirements for local programs:

(1) The program shall ensure that all students have access to a common core of knowledge and that all students are treated equitably.

(2) Student advancement shall be based on the mastery of the proficiencies adopted by the State Board of Education pursuant to G.S. 115C-238.13(b).

(3) Students shall be allowed to progress at different rates; however, expectations for progress shall be based on the goal that all students master the proficiencies required for high school graduation. Computer assisted, personal education plans shall be available for every student.

(4) Parents and guardians shall be involved in a student's selection of high school completion options.

(5) Teachers and principals shall have a major role in development of local projects.

(6) A majority of the teachers and principals who will participate in the pilot project shall approve the proposal for selection as a pilot site and the plans for the local program before they are submitted to the Department of Public Instruction.

(7) Programs shall provide each student a school-based adult advocate to foster self-esteem, protect learning options, ensure that student needs are being met, and ensure that students are being treated equitably.

(8) Projects shall be shared with the public. Annual reports describing program goals, activities, and accomplishments shall be made available to the public. The reports shall contain specific information regarding the contributions of teachers, administrators, and the local board of education to the program, and to student progress under the program.

(d) The Department of Public Instruction shall review the proposals and shall transmit its recommendations regarding the sites to the State Board of Education no later than April 30, 1992. The Department of
Public Instruction shall involve an advisory committee comprised of business leaders, legislators, school board members, public school administrators, and other educators in the review process.

(e) The State Board of Education shall select the project sites no later than June 15, 1992. The State Board shall base its decision on the local school administrative units' plans for, ability to, and commitment to complying with the requirements for local programs set out in subsection (c) of this section.

§ 115C-238.15. Development of local programs by the project sites.

(a) From June 15, 1992, through March 15, 1993, the project sites shall develop their local programs. No later than March 15, 1993, the sites shall submit their plans to the Department of Public Instruction for review. No later than May 30, 1993, the Department shall review the plans and work with the sites to assure that the plans carry out the provisions of this Part.

(b) The Department of Public Instruction shall provide technical assistance to the sites in developing their local programs.

(c) In developing its local plan, each local school administrative unit shall select the outcome-based education model to be followed. Each local school administrative unit shall determine the instructional programs and strategies used to develop student proficiencies at its site. Under the plan, teachers shall determine when the proficiencies of a group of students are assessed; provided, however, State-administered tests shall be used to test proficiencies at a site no more than four times a year. Student advancement shall be determined by school-based personnel assigned to oversee the instructional program of a group of students.

(d) In developing and administering local projects, local boards of education need broad decision-making authority so that teachers and administrators at the sites can experiment with the instructional activities that meet the instructional needs in that particular setting. Each local school administrative unit shall set forth in its plan, with specificity, those aspects of the plan that would be enhanced by flexibility with regard to statutes and regulations. The State Board of Education may grant each local school administrative unit such flexibility with regard to statutes and regulations as it finds necessary and appropriate to implement a local program (i) so long as the projects and activities are carried out within total funds available for that purpose, and (ii) so long as the State Board of Education does not find as a fact that the flexibility is being abused.

The State Board of Education shall report such flexibility with regard to statutes and regulations contained in any projects or proposed changes to projects to the Joint Legislative Commission on Governmental Operations.
(e) Local projects may include model accountability programs that meet the needs of the project sites. To the extent that the State Board of Education finds that these accountability programs provide sufficient data for oversight, they may be used instead of other State-mandated programs.

(f) Local projects shall include plans to train and retrain teachers, administrators, and school board members to implement the projects.

§ 115C-238.16. Approval and implementation of plans.

(a) Between March 15, 1993, and June 1, 1993, the State Board of Education shall receive plans for projects from the project sites and the comments of the Department of Public Instruction regarding the projects.

(b) No later than June 15, 1993, the State Board of Education shall approve the plans for the projects, approve the plans with modifications, or reject the plans.

(c) The project sites shall begin implementation immediately of projects approved, or approved with modifications, by the State Board.

§ 115C-238.17. Annual assessment and reapproval of plans.

(a) Between March 15 and May 15 of each subsequent year of the project, the projects shall submit to the Department of Public Instruction any data requested by the Department of Public Instruction or the State Board of Education and any proposed changes in the projects. No later than May 30 each year, the Department shall review the data and the proposed changes in the plans for the projects and shall work with the project sites to assure that the plans carry out the provisions of this Part.

(b) Between March 15 and June 1 of each subsequent year, the State Board of Education shall receive the data requested and the proposed changes in plans for projects from the project sites and shall receive the comments of the Department of Public Instruction regarding the data and the proposed changes in the projects. The State Board shall also consider the results of audits and evaluations performed pursuant to G.S. 115C-238.18.

(c) No later than June 15 of each subsequent year, the State Board of Education shall reapprove the plans and any changes for the projects, reapprove the plans and any changes with modifications, or reject the plans.

(d) The project sites shall begin implementation immediately of projects reapproved, or reapproved with modifications, by the State Board.

§ 115C-238.18. Evaluation of program.

(a) State-Level Program Evaluation Procedures. -- A program audit shall be conducted by the Office of the State Auditor following the first and second years of the program. The audit shall certify that the State
Board of Education and State Department of Public Instruction have implemented procedures as specified by the General Assembly. The audit shall focus on the autonomy and flexibility given to local school administrative units in the development of outcome-based education models and plans so as to determine if the appropriate amount of autonomy and flexibility was sought and granted and if the autonomy and flexibility were used properly.

(b) Local-Level Program Evaluation Procedures. --

(1) The program audit conducted by the Office of the State Auditor following the second year of the program shall include a local-level procedures component. The audit shall certify that local plans contain elements as specified by the General Assembly. The audit shall also certify that teachers and building level administrators were involved in the development of plans.

(2) The Department of Public Instruction shall conduct a process evaluation of each pilot site following the second through sixth years of the program. The evaluation shall determine how well plans have been implemented. The evaluation shall focus on staff development, organizational and instructional activities, and the involvement and acceptance of the project by all concerned groups including the board of education, administrators, teachers, parents, students, and the business community.

(c) Student-Level Outcomes Evaluation. --

(1) Local pilot sites shall develop and implement accountability models designed to measure student outcomes. The plans shall include the use of tests available through the State's testing program. Accountability models shall be part of the site plans submitted to the State Board for approval.

(2) The State Department of Public Instruction shall audit the implementation of accountability models. Audits shall be conducted following the third, fourth, fifth, and sixth years of the program.

(3) The State Department of Public Instruction shall conduct a summative evaluation following the sixth year of the program. Student outcomes shall be the focus of the summative evaluation.

(d) Reports to the General Assembly. -- The State Board of Education shall submit a summative evaluation report on the projects to the General Assembly no later than March 15, 1998.

"§ 115C-238.19. Solicitation of private funds for additional sites.

The State Board of Education shall design and implement a program for soliciting private funds to support the outcome-based education
pilot sites. As funds become available, the State Board may request that the General Assembly authorize additional sites to participate in the program."

(b) Of the funds appropriated to the Department of Public Education, the sum of $100,000 for the 1991-92 fiscal year shall be used for advance planning for the outcome-based education program at four sites pursuant to subsection (a) of this section and the sum of $3,000,000 for the 1992-93 fiscal year shall be used to implement the program at the four pilot sites. These funds shall be allocated on the basis of $500.00 for each State-funded certificated employee participating in the program. These funds shall be used (i) for staff development activities, including planning activities, for teachers, administrators, and school board members, (ii) to pay substitute teachers while teachers are engaged in staff development activities, and (iii) to pay 10-month employees for participating in staff development activities, including planning activities during the summer.

It is the intent of the General Assembly to appropriate an additional $3,000,000 each year for the 1993-94 through 1996-97 fiscal years to complete the implementation of the outcome-based education program at the four sites.

(c) Of the funds appropriated for aid to local school administrative units for the 1991-92 fiscal year, the State Board of Education may allocate $2,019,940 to the Department of Public Instruction to implement and administer end-of-course tests, to continue the Preliminary Scholastic Aptitude Testing (PSAT) Program, and to continue the National Assessment of Educational Program (NAEP) testing.

CHAPTER 689  Session Laws — 1991

each county school administrative unit with an average daily membership of less than 3,000 students and (ii) to each county school administrative unit with an average daily membership of from 3,000 to 4,000 students if the county in which the local school administrative unit is located has a county adjusted property tax base per student that is below the State adjusted property tax base per student. The allocation formula shall:

(1) Round all fractions of positions to the next whole position;
(2) Provide four additional regular classroom teachers;
(3) Provide additional program enhancement teachers adequate to offer the standard course of study;
(4) Change the duty-free period allocation to one teacher assistant per 400 average daily membership;
(5) Provide a base for the consolidated funds allotment of at least $150,000, excluding textbooks; and
(6) Allot vocational education funds for grade 6 as well as for grades 7-12.

If funds appropriated for each fiscal year for small school system supplemental funding are not adequate to fund fully the program, the State Board of Education shall reduce the amount allocated to each county school administrative unit on a pro rata basis. This formula is solely a basis for distribution of supplemental funding for certain county school administrative units and is not intended to reflect any measure of the adequacy of the educational program or funding for public schools. The formula is also not intended to reflect any commitment by the General Assembly to appropriate any additional supplemental funds for such county administrative units.

(b) A county in which a local school administrative unit receives funds under this section shall use the funds to supplement and not supplant existing State and local funding for public schools.

The Local Government Commission shall analyze the budgets and the expenditures of school administrative units that receive funds under this section in light of their budgets and expenditures for the previous year and shall determine whether those funds were used to supplement and not supplant State and local funding for public schools. The Local Government Commission shall report the results of its study to the State Board of Education, the Joint Legislative Oversight Committee, and the Appropriations Committees of the Senate and the House of Representatives, prior to May 1, 1993.

(c) As used in this section:
(1) "Average daily membership" means the final average daily membership in the most recent year for which county current expense appropriations and adjusted property tax valuations are available.
(2) "County adjusted property tax base per student" means the total assessed property valuation for each county, adjusted using a weighted average of the three most recent annual sales assessment ratio studies, divided by the total number of students in average daily membership who reside within the county.

(3) "Sales assessment ratio studies" means sales assessment ratio studies performed by the Department of Revenue under G.S. 105-289(h).

(4) "State adjusted property tax base per student" means the sum of all county adjusted property tax bases divided by the total number of students in average daily membership who reside within the State.

-----SUPPLEMENTAL FUNDING

Sec. 201.2. (a) The General Assembly finds that it is appropriate to provide supplemental funds in low-wealth counties to allow those counties to enhance the instructional program and student achievement; therefore, of the funds appropriated to the Department of Public Education, the sum of $6,000,000 for the 1991-92 fiscal year and the sum of $6,000,000 for the 1992-93 fiscal year shall be used for supplemental funds for schools. The State Board of Education shall allocate these funds to the counties in which the adjusted property tax base per student for that county is less than the State average adjusted property tax base per student. The amount each such county receives shall be its pro rata share of the funds appropriated for supplemental funding in this act, computed as follows:

(1) Divide the county adjusted property tax base per student by the State adjusted property tax base per student:
(2) Multiply the resulting amount by the State average current expense appropriations per student;
(3) Subtract the resulting amount per student from the State average county current expense appropriations per student; and
(4) Multiply the resulting amount by the average daily membership of students in the county.

The funds a county receives shall be allocated to each local school administrative unit, located in whole or in part in the county, based on the average daily membership of the county's students in the school units.

This formula is solely a basis for distribution of supplemental funding for low-wealth counties and is not intended to reflect any measure of the adequacy of the educational program or funding for public schools. The formula is also not intended to reflect any commitment by the General Assembly to appropriate any additional supplemental funds for low-wealth counties.

(b) Funds received pursuant to this section shall be used only to provide instructional positions, instructional support positions, teacher assistant positions, clerical positions, and instructional supplies and equipment.

(c) Nonsupplant Requirement. -- A county in which a local school administrative unit receives funds under this section shall use the funds to supplement and not supplant existing State and local funding for public schools.

The Local Government Commission shall analyze the budgets and the expenditures of school administrative units that receive funds under this section in light of their budgets and expenditures for the previous year and shall determine whether those funds were used to supplement and not supplant State and local funding for public schools. The Local Government Commission shall report the results of its study to the State Board of Education, to the Joint Legislative Education Oversight Committee, and to the Appropriations Committees of the Senate and the House of Representatives, prior to May 1, 1992, and May 1, 1993.

(d) Definitions. -- As used in this act:
(1) "Average daily membership" means the final average daily membership in the most recent year for which county current expense appropriations and adjusted property tax valuations are available.
(2) "County adjusted property tax base per student" means the total assessed property valuation for each county, adjusted using a weighted average of the three most recent annual sales assessment ratio studies, divided by the total number of

2082
students in average daily membership who reside within the county, and further adjusted using the ratio of the county’s per capita income to the State average per capita income.

(3) "Effective county tax rate" means the actual county tax rate multiplied by a weighted average of the three most recent annual sales assessment ratio studies.

(4) "Per capita income" means the per capita income according to the most recent report of the United States Department of Commerce, Bureau of Economic Analysis.

(5) "Sales assessment ratio studies" means sales assessment ratio studies performed by the Department of Revenue under G.S. 105-289(h).

(6) "State adjusted property tax base per student" means the sum of all county adjusted property tax bases divided by the total number of students who reside within the State.

(7) "State average current expense appropriations per student" means the most recent State total of county current expense appropriations to public schools, as reported by counties in the annual county financial information report to the State Treasurer, divided by the total State average daily membership for that year.

(8) "Weighted average of the three most recent annual sales assessment ratio studies” means the weighted average of the three most recent annual sales assessment ratio studies in the most recent years for which county current expense appropriations and adjusted property tax valuations are available. If real property in a county has been revalued one year prior to the most recent sales assessment ratio study, a weighted average of the two most recent sales assessment ratios shall be used. If property has been revalued the year of the most recent sales assessment ratio study, the sales assessment ratio for the year of revaluation shall be used.

(e) Minimum Effort Required. -- Counties that receive funding under this section shall maintain an effective county tax rate that is at least one hundred percent (100%) of the State average effective tax in the most recent year for which data are available. Any county that fails to maintain an effective county tax rate that is at least one hundred percent (100%) of the State average effective tax in the most recent year for which data are available shall refund to the State the entire amount of its allocation under this section.

(f) Counties that receive funds under this section shall report to the State Board of Education before March 1 each year on how they are using the funds for the fiscal year. The State Board of Education
shall report to the Joint Legislative Education Oversight Committee prior to May 1, 1992, and May 1, 1993, on how the funds are being used.

-----UNC FISCAL ACCOUNTABILITY/FLEXIBILITY

Sec. 206.2. (a) Chapter 116 of the General Statutes is amended by adding new sections to read:

"§ 116-44.6. Special responsibility constituent institutions.

The Board of Governors of The University of North Carolina, acting on recommendation made by the President of The University of North Carolina after consultation by him with the State Auditor, may designate one or more constituent institutions of The University as special responsibility constituent institutions. That designation shall be based on an express finding by the Board of Governors that each institution to be so designated has the management staff and internal financial controls that will enable it to administer competently and responsibly all additional management authority and discretion to be delegated to it. The Board of Governors, on recommendation of the President, shall adopt rules prescribing management staffing standards and internal financial controls and safeguards, including the lack of any significant exceptions or audit findings in the annual financial audit by the State Auditor’s Office, that must be met by a constituent institution before it may be designated a special responsibility constituent institution and must be maintained in order for it to retain that designation. These rules shall not be designed to prohibit participation by a constituent institution because of its size.

"§ 116-44.7. Appropriations to special responsibility constituent institutions.

All General Fund appropriations made by the General Assembly for continuing operations of a special responsibility constituent institution of The University of North Carolina shall be made in the form of a single sum to each budget code of the institution for each year of the fiscal period for which the appropriations are being made. Notwithstanding G.S. 143-23(a1), each special responsibility constituent institution may expend the General Fund monies so appropriated to it in the manner deemed by the Chancellor to be calculated to maintain and advance the programs and services of the institutions, consistent with the directives and policies of the Board of Governors. The preparation, presentation, and review of General Fund budget requests of special responsibility constituent institutions shall be conducted in the same manner as are requests of other constituent institutions. The quarterly allotment procedure established pursuant to G.S.143-17 shall apply to the General Fund appropriations made for the current operations of each special responsibility constituent institution. All General Fund monies so appropriated to each special responsibility constituent institution shall be recorded.
appropriations to other constituent institutions.

§ 116-44.8. Reversions.

Of the General Fund current operations appropriations credit balance remaining in each budget code of a special responsibility constituent institution at the close of a fiscal year, any amount greater than the percentage of the General Fund appropriations historically reverted to the State treasury over the preceding five fiscal years, multiplied by the General Fund appropriations for that budget code, may be carried forward by the institution to the next fiscal year and may be used for one-time expenditures that will not impose additional financial obligations on the State. However, the amount carried forward under this section shall not exceed two and one-half percent (2 1/2%) of the General Fund appropriation. The historic reversion percentage shall be determined by the Director of the Budget, after making adjustments for allotment reductions made to meet revenue shortfalls and to force credit balances during the preceding five fiscal years under the authority set forth in G.S. 143-25. Any special responsibility constituent institution that does not revert a percentage of the General Fund appropriations for the budget code equal to the five-year historic reversion rate established in this section shall cease to be a special responsibility constituent institution unless the Board of Governors finds that the low reversion rate is due to adverse and unforeseen conditions. In this instance, the Board may allow the institution to remain a special responsibility constituent institution for one year to come into conformity with this section. The Board may make this exception only one time for any special responsibility constituent institution, and shall report these exceptions to the Joint Legislative Commission on Governmental Operations.

§ 116-44.9. Position management.

The Chancellor of a special responsibility constituent institution, when he finds that to do so would help to maintain and advance the programs and services of the institution, may establish and abolish positions, acting in accordance with:

(1) State Personnel policies and procedures if these positions are subject to the State Personnel Act and if the institution is operating under the terms of a Performance Agreement or a Decentralization Agreement authorized under Chapter 126 of the General Statutes; or

(2) Policies and procedures of the Board of Governors if these positions are exempt from the State Personnel Act.

The results achieved by establishing and abolishing positions pursuant to the conditions set forth in subdivision (1) of this section shall be subject to postauditing by the Office of State Personnel.
Implementation of personnel actions shall be subject to the availability of funds within the institution's current budget to fund the full annualized costs of these actions.

"§ 116-44.10. Impact on education.

The Board of Governors shall require each special responsibility constituent institution to include in its institutional effectiveness plan those assessment measures that are determined by the Board to be measures that will assure some standard measure of student learning and development in general undergraduate education at the special responsibility constituent institutions. The intent of this requirement is to measure the impact of G.S. 116-44.6 through G.S. 116-44.11, establishing and administering special responsibility constituent institutions, and their implementation on undergraduate student learning and development."

(b) G.S. 143-53.1 reads as rewritten:

"§ 143-53.1. Setting of benchmarks; increase by Secretary.

On and after July 1, 1990, the expenditure benchmark prescribed by G.S. 143-52 with respect to competitive bid procedures and the bid value benchmark authorized by G.S. 143-53(2) with respect to rule making by the Secretary of Administration for competitive bidding shall be ten thousand dollars ($10,000): provided, the Secretary of Administration may, in his discretion, increase the benchmarks effective as of the beginning of any fiscal biennium of the State commencing after June 30, 1992, in an amount whose increase, expressed as a percentage, does not exceed the rise in the Consumer Price Index during the fiscal biennium next preceding the effective date of the benchmark increase. For a special responsibility constituent institution of The University of North Carolina, the benchmark prescribed in this section shall be twenty-five thousand dollars ($25,000) on and after July 1, 1991."

(c) Report of Results. The Board of Governors shall report quarterly on its decisions and directives implementing this section to the Joint Education Oversight Committee. The Board shall report to the 1993 General Assembly by March 31, 1994, on the fiscal savings, management initiatives, increased efficiency and effectiveness, and other outcomes made possible by the flexibility provided by this section to the special responsibility constituent institutions. The report shall include documentation of any reallocation of resources, the use of nonreverted appropriations, and any additional costs incurred. The Board shall require annual reports from the special responsibility constituent institutions, and shall recommend any changes needed in this section to the 1991 General Assembly, Regular Session 1992, or to the 1993 General Assembly.
(d) G.S. 116-37 is amended by inserting a new subsection to read:

"(e1) Finances -- Patient/Hospital Benefit. -- The Executive Director of the University of North Carolina Hospitals at Chapel Hill or the Director’s designee, may expend operating budget funds, including State funds, of the University of North Carolina Hospitals at Chapel Hill for the direct benefit of a patient, when, in the judgment of the Executive Director or the Director’s designee, the expenditure of these funds would result in a financial benefit to the University of North Carolina Hospitals at Chapel Hill. Any such expenditures are declared to result in the provision of medical services and create charges of the University of North Carolina Hospitals at Chapel Hill for which the hospitals may bill and pursue recovery in the same way as allowed by law for recovery of other hospitals’ charges for services that are unpaid.

These expenditures shall be limited to no more than seven thousand five hundred dollars ($7,500) per patient per admission and shall be restricted (i) to situations in which a patient is financially unable to afford ambulance or other transportation for discharge; (ii) to afford placement in an after-care facility pending approval of third party entitlement benefits; (iii) to assure availability of a bed in an after-care facility after discharge from the hospitals; (iv) to secure equipment or other medically appropriate services after discharge; (v) or to pay health insurance premiums. The Executive Director or the Director’s designee shall reevaluate at least once a month the cost-effectiveness of any continuing payment on behalf of a patient.

To the extent that the University of North Carolina Hospitals at Chapel Hill advance anticipated government entitlement benefits for a patient’s benefit, for which the patient later receives a lump sum ‘backpay’ award from an agency of the State, whether for the current admission or subsequent admission, the State agency shall withhold from this backpay an amount equal to the sum advanced on the patient’s behalf by the University of North Carolina Hospitals at Chapel Hill, if, prior to the disbursement of the backpay, the applicable State program has received notice from the University of North Carolina Hospitals at Chapel Hill of the advancement."

(e) The Executive Director of the University of North Carolina Hospitals at Chapel Hill shall report annually to the Joint Legislative Commission on Governmental Operations and to the Fiscal Research Division on the fiscal results of subsection (d) of this section.

(f) This section is effective upon ratification. This section expires June 30, 1994.

Sec. 220. (a) Of the funds appropriated from the General Fund to the Department of Human Resources, in this Title, $300,000 for the 1991-92 fiscal year and $300,000 for the 1992-93 fiscal year shall be transferred to the Department of Transportation. Public Transportation Division, to purchase transportation services for pregnant women and children on Medicaid. All funds distributed by the Department, under this section, to counties are intended to purchase additional transportation services and not to supplant funds now being used by local governments for that purpose. These funds are not to be used towards the purchase of transportation vehicles or equipment, and may not be used to cover State administrative costs. Only those counties maintaining Medicaid transportation services to pregnant women and children at a level that is not reduced from the level of services in place during the 1989-90 fiscal year shall be eligible for additional transportation assistance funds.

(b) The Public Transportation Division of the Department of Transportation shall distribute these funds to the counties according to the following formula:

1. Fifty percent (50%) divided equally among all eligible counties;
2. Forty-five percent (45%) on the basis of the number of pregnant women and children receiving Medicaid in the county as a percentage of the total number of pregnant women and children receiving Medicaid statewide; and
3. Five percent (5%) based upon a population density factor that recognizes the higher transportation costs in sparsely populated counties.

The Department of Transportation shall develop appropriate procedures for the distribution and use of these funds and shall adopt rules to implement these procedures.

(c) Funds distributed by the Department of Transportation under this section shall be used by counties in a manner consistent with implemented transportation development plans which have been approved by the Department of Transportation and the board of county commissioners. To receive funds apportioned for a given fiscal year, a county shall have an approved transportation plan. Funds that are not obligated in a given fiscal year due to the lack of an approved transportation plan shall be distributed to the eligible counties based on the distribution formula in subsection (b) of this section.
(d) The Department of Transportation shall report to the Joint Legislative Commission on Governmental Operations by March 15, 1992, on the amount of money that has been received and spent by each county pursuant to this section and the new transportation services provided in each county to pregnant women and children receiving Medicaid pursuant to this section.

However, such prohibition shall not be construed to prohibit the publication of whether or not such bottled soft drinks contain thirty-five percent (35%) or more of natural fruit or vegetable juice or thirty-five percent (35%) or more of natural liquid milk, nor shall it be construed to prohibit the inspection by the
Attorney General or other legal representative of the State of the formula of any taxpayer who shall bring action to set aside or review the tax base thereon or against whom an action or proceeding has been instituted to recover any tax imposed by this Article. The Secretary may disclose whether an item meets the exemption criteria and the Attorney General or other legal representative of the State may examine the formula for an item if the grant or denial of an exemption for the item is challenged.

(b) The distributor or dealer who first distributes, sells, uses, consumes or handles bottled soft drinks, syrups, powders, base products and other items subject to the soft drink excise tax is subject to the tax unless taxpaid stamps or crowns have previously been affixed. The distributor, wholesale dealer or retail dealer, or any person who is the original consignee of any bottled soft drink, soft drink syrup, powder, base product or other item subject to the soft drink excise tax manufactured or produced outside this State, or who brings such into this State, shall pay the excise tax.

(c) Taxpaid stamps shall be affixed to each individual container of soft drink syrups, powders, and base products by wholesale dealers or distributors within 48 hours after such syrups, powders, or base products are received or made by them and by retail dealers within 24 hours after such syrups, powders or base products are received by them, and in any event the containers must be stamped before such products are used in the preparation of soft drinks.

(d) The payment of the excise tax provided for in this Article shall be evidenced by the affixing of taxpaid stamps or crowns to the original containers and the stamps and crowns provided for in this
Article shall not be transferable to any person other than their original purchaser.

(c) Notwithstanding any other provision of this Article, the excise tax levied upon powders, as herein defined, may be made and evidenced in accordance with rules and regulations of the Secretary.

(a) Primary Liability. -- The distributor, wholesale dealer, or retail dealer who first distributes, sells, consumes, or otherwise handles bottled soft drinks or base products in this State is liable for the tax imposed by this Article. A distributor, wholesale dealer, or retail dealer who brings into this State a bottled soft drink or base product made outside the State is the first person to handle the bottled soft drink or base product in this State. A distributor, wholesale dealer, or retail dealer who is the original consignee of a bottled soft drink or base product that is made outside the State and is shipped into the State is the first person to handle the bottled soft drink or base product in this State.

(b) Secondary Liability. -- A retail dealer who acquires non-tax-paid bottled soft drinks or non-tax-paid base products from a distributor or a wholesale dealer is liable for any tax due on the bottled soft drinks or base products. A retail dealer who is liable for tax under this subsection may not deduct a discount from the amount of tax due when reporting the tax.

(c) Monthly Report. -- Except for tax on a designated sale under subsection (d), the taxes levied by this Article are payable when a report is required to be filed. A report is due on a monthly basis. A monthly report covers sales and other activities occurring in a calendar month and is due within 15 days after the end of the month covered by the report. A report shall be filed on a form provided by the Secretary and shall contain the information required by the Secretary.

(d) Designation of Exempt Sale. -- A distributor or a wholesale dealer who sells a bottled soft drink or a base product to a person who has notified the distributor or wholesale dealer in writing that the person intends to resell the item in a transaction that is exempt from tax under G.S. 105-113.46(7) or (8) may, when filing a monthly report under subsection (c), designate the quantity of bottled soft drinks or base products sold to the person for resale. A distributor or wholesale dealer shall report a designated sale on a form provided by the Secretary.

A distributor or a wholesale dealer is not required to pay tax on a designated sale when filing a monthly report. The distributor or wholesale dealer shall pay the tax due on all other sales in accordance with this section. A distributor, a wholesale dealer, or a customer of a distributor or wholesale dealer may not delay payment of the tax due on a bottled soft drink or base product by failing to pay tax on a sale
that is not a designated sale or by overstating the quantity of bottled
soft drinks or base products that will be resold in a transaction exempt
under G.S. 105-113.46(7) or (8).

A person who does not sell a bottled soft drink or base product in a
transaction exempt under G.S. 105-113.46(7) or (8) after a distributor
or a wholesale dealer has failed to pay the tax due on the sale of the
item to the person in reliance on the person’s written notification of
intent is liable for the tax and any penalties and interest due on the
designated sale. If the Secretary determines that a bottled soft drink
or a base product reported as a designated sale is not sold as reported,
the Secretary shall assess the person who notified the distributor or
wholesale dealer of an intention to resell the item in an exempt
transaction for the tax due on the sale and any applicable penalties and
interest. A distributor or a wholesale dealer who does not pay tax on
a bottled soft drink or base product in reliance on a person’s written
notification of intent to resell the item in an exempt transaction is not
liable for any tax assessed on the item.

(e) Refund. -- A distributor, a wholesale dealer, or a retail dealer
who pays tax on a bottled soft drink or a base product that is exempt
from the tax may obtain a refund for the amount of tax paid by filing
an application for refund with the Secretary on a form provided by the
Secretary. An application for a refund must be submitted within the
time allowed by G.S. 105-266 or G.S. 105-266.1.”

Sec. 282. G.S. 105-113.52 reads as rewritten:
"§ 105-113.52. Taxpaid stamps: rules and regulations; cancellation;
discount. Tax reduction and discount.
(a) The Secretary shall make arrangements with some manufacturer
to manufacture the taxpaid stamps provided for in this Article. The
Secretary shall prescribe the form, design, denominations and such
other matters as may be necessary with respect to said stamps. The
Secretary may sell such stamps directly to taxpayers and may also
make arrangements for release of taxpaid stamps to taxpayers by the
manufacturer. Said manufacturer shall furnish such bond as the
Secretary may deem advisable, in such penalty and upon such
conditions as in the opinion of the Secretary will adequately protect the
State in the collection of the excise tax imposed by this Article. Such
bond shall be executed by the manufacturer as principal and by an
indemnity company licensed to do business under the insurance laws
of this State, as surety. The costs of manufacture, transportation and
distribution of said stamps shall be computed in accordance with
administrative rules or regulations of the Secretary and payment
thereof pursuant to such rules and regulations of the Secretary may be
required in addition to the amount of taxes which said stamps evidence
regardless of whether said stamps are released or distributed by the

2154
Secretary or by the manufacturer pursuant to authorization from the Secretary.

(b) Upon the sale of taxpaid stamps, the Secretary shall allow a discount of five percent (5%) of the entire amount of any sale of fifty dollars ($50.00) or more of said stamps. On sales of stamps of less than fifty dollars ($50.00), no discount shall be allowed. Such discount shall apply only to the tax and not the manufacturer's price or transportation or distribution costs.

(c) When stamps are attached to bottled soft drinks, or to containers of soft-drink powders or base products, no cancellation or obliteration of them shall be required, but stamps affixed to containers of syrup to be used at soda fountains shall be canceled by the person affixing them by writing or stamping with ink or indelible pencil across the stamps his initials or name and the date on which the stamps were affixed. When the container to which the stamp has been affixed has been emptied, the stamp must be obliterated by making at least three incisions crisscross through the stamp with a knife or other sharp instrument.

(d) Any person who makes use of any stamp to denote the payment of the tax imposed by this Article without canceling or obliterating such stamps if required to do so by this section shall be guilty of a misdemeanor and, upon conviction, shall be fined not more than one hundred dollars ($100.00) or be imprisoned for not more than 30 days for each offense.

(a) Tax Reduction. -- The tax on the first 15,000 gross of bottled soft drinks sold at wholesale on or after October 1 of each year by a distributor or wholesale dealer who is liable for the tax is seventy-two cents (72¢) a gross rather than the amount stated in G.S. 105-113.45. When reporting tax due on bottled soft drinks to which this reduced rate applies, a distributor or wholesale dealer shall pay the reduced amount.

(b) Discount. -- A distributor, a wholesale dealer, or a retail dealer who is liable for the excise taxes on bottled soft drinks or base products and who files a timely report under G.S. 105-113.51 may deduct from the amount due with the report a discount of four percent (4%). This discount covers losses due to spoilage and breakage, expenses incurred in preparing the records and reports required by this Article, and the expense of furnishing a bond. The discount does not apply to taxes paid at the rate set in subsection (a)."

Sec. 283. G.S. 105-113.53 reads as rewritten:

"§ 105-113.53. Stamps not required when crowns used. Bonds.

If a distributor of bottled soft drinks either within or without the State shall use taxpaid crowns as hereinafter provided, such distributor shall be relieved of the duty of affixing taxpaid stamps to each
individual bottle. Whenever the Secretary deems it to be advantageous for the effective and efficient enforcement of this Article, he may require that such crowns be used in lieu of stamps. The Secretary may require a distributor, a wholesale dealer, or a retail dealer to furnish a bond in an amount that adequately protects the State from loss if the distributor or dealer fails to pay taxes due under this Article. A bond shall be conditioned on compliance with this Article, shall be payable to the State, and shall be in the form required by the Secretary. The Secretary shall proportion a bond amount to the anticipated tax liability of the distributor, wholesale dealer, or retail dealer. The Secretary shall periodically review the sufficiency of bonds required of distributors, wholesale dealers, and retail dealers and shall increase the amount of a required bond when the amount of the bond furnished no longer covers the anticipated tax liability of the distributor or dealer. The Secretary shall decrease the amount of a required bond when the Secretary determines that a smaller bond amount will adequately protect the State from loss."

Sec. 284. G.S. 105-113.57 reads as rewritten:
"§ 105-113.57. Records required of ingredients received.
Every person engaged in the business of making, mixing or compounding bottled soft drinks, soft drink syrups and powders, base products and other items taxed under this Article shall keep a distinct, legible and permanent record of all extracts, flavoring, sugar, syrup or other ingredients except water received by him that may be useful in making, mixing or compounding soft drinks, and he making bottled soft drinks or base products shall keep a record of the ingredients purchased to make the bottled soft drinks or base products and shall retain invoices on all such the purchases for a period of not less than three years from the date thereof. Such records shall show the quantity of such commodities received, the date of receipt thereof at least three years. The records shall show the quantity of ingredients purchased, the date received, and the name of the person from whom they were secured or received and shall be open at all times for inspection by the Secretary or his duly authorized representative, received. The records shall be open at all times for inspection by the Secretary or a representative of the Secretary."

Sec. 285. G.S. 105-113.58 reads as rewritten:
"§ 105-113.58. Records of sale sales, inventories, and purchases to be kept.
Every distributor, wholesale dealer dealer, and retail dealer shall keep an accurate account of all daily sales, sales slips, bills, invoices, delivery slips, statements, bills of lading, freight bills, credit memoranda and similar documents for a period of not less than three years from the date shown thereon. All such records of the
distributor's or dealer's purchases, inventories, and sales of bottled soft drinks and base products. These records shall be kept for three years and shall be open at all times for inspection by the Secretary or his duly authorized representative, representative of the Secretary."

Sec. 286. G.S. 105-113.43, 105-113.48, 105-113.49, 105-113.54 through 105-113.56C, 105-113.59 through 105-113.62, 105-113.66, and 105-113.67 are repealed.

Sec. 287. The Secretary of Revenue shall redeem any unused or mutilated but identifiable tax stamps or crowns purchased pursuant to Article 2B of Chapter 105 of the General Statutes that a taxpayer presents for redemption and shall refund the face value of the stamps or crowns, less the discount allowed at the time of the purchase of the stamps or crowns by the taxpayer.

Sec. 288. The Secretary of Revenue shall review the registrations of bottled soft drinks and juice concentrates made under G.S. 105-113.47 before the effective date of this Part. The Secretary shall notify those registrants who no longer appear to meet the exemption criteria that, for the bottled soft drink or juice concentrate to continue to be exempt from the excise tax imposed by Article 2B of Chapter 105 of the General Statutes, a new registration application must be submitted. The excise tax imposed by Article 2B of Chapter 105 of the General Statutes applies to a previously registered bottled soft drink or juice concentrate unless the Secretary determines from the new application that the bottled soft drink or juice concentrate continues to meet the exemption criteria.

PART 51.-----INSURANCE TAX CHANGES AND REGULATORY CHARGE

Sec. 289. Article 6 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"§ 58-6-25. Insurance regulatory charge.

(a) Charge Levied. There is levied on each insurance company an annual charge to defray the cost to the Department of regulating the insurance industry and other industries and the general administrative expenses of the State incident thereto. As used in this section, the term 'insurance company' means a company that pays the gross premiums tax levied in G.S. 105-228.5 and G.S. 105-228.8, except that the term does not include a hospital, medical, or dental service corporation regulated under Articles 65 and 66 of this Chapter. The term 'insurance company' does not include a company regulated under Article 67 of this Chapter. The charge levied in this section is in addition to all other fees and taxes. The charge shall be at a percentage rate of the company's premium tax liability for the taxable
year. In determining an insurance company's premium tax liability for a taxable year, additional taxes imposed by G.S. 105-228.8 shall be disregarded.

(b) Rates. The rate of the charge for the 1991 taxable year shall be six and five-tenths percent (6.5%). For subsequent taxable years, the rate shall be the percentage rate established by the General Assembly. When the Department prepares its budget request for each upcoming fiscal year, the Department shall propose a percentage rate of the charge levied in this section. The Governor shall submit that proposed rate to the General Assembly each fiscal year. The General Assembly shall set by law the percentage rate of the charge levied in this section. The percentage rate may not exceed the rate necessary to generate funds sufficient to defray the estimated cost of the operations of the Department for each upcoming fiscal year, including a reasonable margin for a reserve fund. The amount of the reserve may not exceed one-third of the estimated cost of operating the Department for each upcoming fiscal year. In calculating the amount of the reserve, the General Assembly shall consider all relevant factors that may affect the cost of operating the Department or a possible unanticipated increase or decrease in North Carolina premiums or other charge revenue.

(c) Returns; When Payable. The charge levied on each insurance company is payable at the time the insurance company remits its premium tax. If the insurance company is required to remit installment payments of premiums tax under G.S. 105-228.5 for a taxable year, it shall also remit installment payments of the charge levied in this section for that taxable year at the same time and on the same basis as the premium tax installment payments. Each installment payment shall be equal to at least thirty-three and one-third percent (33.3%) of the insurance company's regulatory charge liability incurred in the immediately preceding taxable year.

Every insurance company shall, on or before the date the charge levied in this section is due, file a return on a form prescribed by the Commissioner. The report shall state the company's total North Carolina premiums for the taxable year and shall be accompanied by any supporting documentation that the Commissioner may by rule require.

(d) Use of Proceeds. The Department of Insurance Fund is created in the State treasury. The proceeds of the charge levied in this section and all fees collected under Articles 69 through 71 of this Chapter and under Articles 9 and 9C of Chapter 143 of the General Statutes shall be credited to the Fund. The Fund shall be placed in an interest-bearing account and any interest or other income derived from the Fund shall be credited to the Fund. Moneys in the Fund may be
spent only pursuant to appropriation by the General Assembly. The Fund is subject to the provisions of the Executive Budget Act, except that no unexpended surplus of the Fund shall revert to the General Fund. All money credited to the Fund shall be used only to pay the expenses of the Commissioner and the Department that are incurred in regulating the insurance industry and other industries in this State and the general administrative expenses of the State incident thereto."

**Sec. 290.** Notwithstanding the provisions of G.S. 58-6-25, as enacted by this act, each insurance company subject to the charge levied under G.S. 58-6-25 who must pay an installment payment of the premium tax levied under G.S. 105-228.5 and G.S. 105-228.8 for the 1991 taxable year shall pay an installment payment of the charge levied in G.S. 58-6-25 for the 1991 taxable year on or before October 15, 1991. This installment payment shall be equal to three and twenty-five hundredths percent (3.25%) of the company's premium tax liability for the immediately preceding taxable year. The balance of the charge imposed for the 1991 taxable year shall be remitted by March 15, 1992.

**Sec. 291.** G.S. 105-228.8(e) reads as rewritten:

"(e) This section shall not apply to special purpose obligations or assessments based on premiums imposed in connection with particular kinds of insurance, to the special purpose regulatory charge imposed under G.S. 58-6-25, or to dedicated special purpose taxes based on premiums. For purposes of this section, seventy-five percent (75%) of the one and thirty-three hundredths percent (1.33%) tax on amounts collected on contracts of insurance applicable to fire and lightning coverage shall not be a special purpose obligation or assessment or a dedicated special purpose tax within the meaning of this subsection."

**Sec. 292.** G.S. 58-69-40 reads as rewritten:

In the event an application for license filed hereunder is not approved, the Commissioner shall retain ten dollars ($10.00) of the fee paid to him in connection with said application, the application and return the balance to the applicant. All fees collected by the Commissioner hereunder shall be available to the Department of Insurance for paying the expense incurred in connection with the administration of this Article, under this Article shall be credited to the Department of Insurance Fund created under G.S. 58-6-25."

**Sec. 293.** G.S. 58-70-45 reads as rewritten:

"§ 58-70-45. Disposition of permit fees.

All permit fees collected hereunder under this Article shall be credited to the account of the Commissioner for the specific purpose of providing the personnel, equipment and supplies necessary to enforce
this Article, but the State Budget Officer shall have the right to budget the revenues received in accordance with the requirements of the Commissioner for the purposes herein required, and at the end of the fiscal year, if any sum whatever shall remain to the credit of the Commissioner, derived from the sources herein referred to, the same shall revert to the general treasury of the State to be appropriated as other funds. Department of Insurance Fund created under G.S. 58-6-25."

Sec. 294. G.S. 58-71-180 reads as rewritten:
"§ 58-71-180. Disposition of fees.
Fees collected by the Commissioner pursuant to this Article shall be paid into the general fund of the State, credited to the Department of Insurance Fund created under G.S. 58-6-25."

Sec. 295. Article 9C of Chapter 143 of the General Statutes is amended by adding a new section to read:
"§ 143-151.21. Disposition of fees.
Fees collected by the Commissioner under this Article shall be credited to the Department of Insurance Fund created under G.S. 58-6-25."

Sec. 296. The Commissioner of Insurance shall, from time to time as the balance of the Fund in G.S. 58-6-25 attains levels sufficient to carry out the purposes in G.S. 58-6-25, transfer money from the Department of Insurance Fund to the General Fund to repay the money appropriated to the Department of Insurance from the General Fund for the 1991-92 fiscal year, plus accrued interest at a rate determined by the State Treasurer from the date the money is withdrawn from the General Fund.

Sec. 297. G.S. 105-228.5 reads as rewritten:
"§ 105-228.5. Taxes measured by gross premiums.
Every insurance company and every Articles 65 and 66 of Chapter 58 corporation shall pay to the Commissioner of Insurance, at the time and rates provided in this section, a tax measured by gross premiums from business done in this State during the preceding calendar year, or, for Articles 65 and 66 of Chapter 58 corporations, a tax measured by gross collections from membership dues, exclusive of receipts from cost plus plans, received by such corporations during the preceding calendar year.

additional insurance, and without any other deduction except for return of premiums. deposits, fees or assessments for adjustment of policy rates or for cancellation or surrender of policies.

In determining the amount of gross premiums from business in this State all gross premiums received in this State, or credited to policies written or procured in this State, or derived from business written in this State shall be deemed to be for contracts covering persons, property or risks resident or located in this State except for such premiums as are properly reported and properly allocated as being received from business done in some other nation, territory, state or states, and except for premiums from policies written in federal areas for persons in military service who pay premiums by assignment of service pay.

The tax rate to be applied to gross premiums collected on contracts applicable to liabilities under the Workers' Compensation Act shall be two and five-tenths percent (2.5%). The tax rate to be applied to gross premiums collected on annuities and all other insurance contracts issued by insurers shall be one and seventy-five hundredths percent (1.75%), one and eight hundred seventy-five thousandths percent (1.875%) for taxable years beginning on or after January 1, 1991, and before January 1, 1992, and one and nine-tenths percent (1.9%) for taxable years beginning on or after January 1, 1992. For the convenience of the retailer in collecting the tax due at the rate of three percent (3%) and to facilitate the administration of this Article, every retailer engaged in or continuing within this State in a business for which a license, privilege or excise tax is required by this Article shall add to the sale price and collect from the purchaser on all taxable retail sales an amount equal to the following:

(1) No amount on sales of less than 10c.
(2) 1c on sales of 10c and over but not in excess of 35c.
(3) 2c on sales of 36c and over but not in excess of 70c.
(4) 3c on sales of 71c and over but not in excess of $1.16.
(5) Sales over $1.16 -- straight 3% with major fractions governing.

Use of the above bracket does not relieve the retailer from the duty and liability to remit to the Secretary an amount equal to three percent (3%) of the gross receipts derived from all taxable retail sales subject to the three percent (3%) rate during the taxable period.

Whenever a sales or use tax is due at a rate of less than three percent (3%), the tax shall be computed by multiplying the sales or purchase price by the applicable rate and by rounding the result off to the nearest whole cent. The use of this method in computing the sales or use tax shall not relieve a taxpayer from the duty and liability of remitting to the Secretary an amount equal to the applicable rates times gross receipts subject to taxation at the lesser rates. Under this Article, the Secretary shall prescribe tables that compute the tax due on sales by rounding off the amount of tax due to the nearest whole cent. The Secretary shall issue a separate table for each rate of tax that may apply to a sale, including the general rate established in G.S. 105-164.4, preferential rates, and combined State and local rates. Use of the tables prescribed by the Secretary does not relieve a retailer of liability for the applicable rate of tax due on the gross receipts or net taxable sales of the retailer."

-----LONG-TERM FISCAL NOTES

Sec. 340. Article 7A of Chapter 120 of the General Statutes is amended by adding a new section to read:
"§ 120-36.7. Long-term fiscal notes.

(a) Budget Outlook: Proposed Legislation. -- Every fiscal analysis of the State budget outlook shall encompass the upcoming five-year period. Every fiscal analysis of the impact of proposed legislation on the State budget shall estimate the impact for the first five fiscal years the legislation would be in effect.

(b) Proposed State Buildings. -- Upon the request of a member of the General Assembly, the Fiscal Research Division shall prepare a fiscal analysis of proposed legislation to appropriate funds for a State building. The analysis shall estimate the projected maintenance and operating costs of the building for the first 20 fiscal years after it is completed.

(c) Proposed New Programs. -- Upon the request of a member of the General Assembly, the Fiscal Research Division shall prepare a fiscal analysis of proposed legislation to create a new State program. The analysis shall identify and estimate all personnel costs of the proposed new program for the first five fiscal years it will operate.

(d) Proposed Increases in Incarceration. -- Every bill and resolution introduced in the General Assembly proposing any change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for violating existing laws, by criminalizing behavior, or by any other means, shall have attached to it at the time of its consideration by the General Assembly a fiscal note prepared by the Fiscal Research Division. The fiscal note shall be prepared in consultation with the Sentencing Policy and Advisory Commission and shall identify and estimate, for the first five fiscal years the proposed change would be in effect, all costs of the proposed net increase in incarceration, including capital outlay costs if the legislation would require increased cell space. If, after careful investigation, the Fiscal Research Division determines that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the fiscal note with regard to the merits of the measure for which the note is prepared. However, technical and mechanical defects may be noted.
The sponsor of each bill or resolution to which this subsection applies shall present a copy of the bill or resolution with the request for a fiscal note to the Fiscal Research Division. Upon receipt of the request and the copy of the bill or resolution, the Fiscal Research Division shall prepare the fiscal note as promptly as possible. The Fiscal Research Division shall prepare the fiscal note and transmit it to the sponsor within two weeks after the request is made, unless the sponsor agrees to an extension of time.

This fiscal note shall be attached to the original of each proposed bill or resolution that is reported favorably by any committee of the General Assembly, but shall be separate from the bill or resolution and shall be clearly designated as a fiscal note. A fiscal note attached to a bill or resolution pursuant to this subsection is not a part of the bill or resolution and is not an expression of legislative intent proposed by the bill or resolution.

If a committee of the General Assembly reports favorably a proposed bill or resolution with an amendment that proposes a change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for violating existing laws, by criminalizing behavior, or by any other means, the chair of the committee shall obtain from the Fiscal Research Division and attach to the amended bill or resolution a fiscal note as provided in this section.

The percentage rates shall be computed by the Office of State Budget and Management. The population growth shall be computed by averaging the rate of residential population growth in each of the preceding 10 fiscal years as stated in the annual estimates of residential population in North Carolina made by the United States Census Bureau. The Current Operations Appropriations Act shall state the amount of General Fund appropriations availability upon which the General Fund budget is based. The statement of availability shall list separately the beginning General Fund credit balance, General Fund revenues, and any other components of the availability amount.

The General Fund operating budget appropriations, including appropriations for local tax reimbursements and local tax sharing, for the second year in a Current Operations Appropriations Act that contains a biennial budget shall not be more than two percent (2%) greater than the General Fund operating budget appropriations for the first year of the biennial budget.

The General Assembly shall appropriate up to one-fourth of any anticipated credit balance remaining in the General Fund at the end of each fiscal year to the Savings Reserve Account as provided in G.S. 143-15.3. The General Assembly may appropriate that part of the anticipated credit balance not appropriated to the Savings Reserve Account only for capital improvements or other one-time expenditures.

(a) There is established a Savings Reserve Account as a special revenue fund in the State treasury. The General Assembly shall appropriate to the Savings Reserve Account one-fourth of any anticipated credit balance remaining in the General Fund at the end of each fiscal year until the account contains funds equal to five percent (5%) of the amount appropriated the preceding year for the General Fund operating budget, including local government tax reimbursements and local government tax-sharing funds. If the
balance in the Savings Reserve Account falls below this level during a fiscal year, the General Assembly shall appropriate to the Savings Reserve Account for the following fiscal years up to one-fourth of any anticipated credit balance remaining in the General Fund at the end of each fiscal year until the account again equals five percent (5%) of the amount appropriated the preceding year for the General Fund operating budget, including local government tax reimbursements and local government tax-sharing funds.

(b) Increase in Size Limitation. To the extent that any percent increase in appropriations for a fiscal year for (i) Medicaid, (ii) operation of prisons, or (iii) the costs of providing health insurance for teachers and State employees, exceeds the percent increase in State personal income growth for the same period, the limitation on the size of the General Fund operating budget provided in subsection (a) of this section for that fiscal year shall be increased by the dollar amount represented by the excess percentage. For all subsequent fiscal years, the percent limitation contained in subsection (a) shall then be increased to reflect that dollar adjustment.

(c) Fiscal Reports. The Office of State Budget and Management and the Fiscal Research Division of the General Assembly shall each submit a tentative estimate of total State personal income for the upcoming fiscal year to the General Assembly no later than February 1 of each year. The Office and the Fiscal Research Division shall each submit a final projection of total State personal income for the upcoming fiscal year to the General Assembly no later than May 1 of each year. The General Assembly shall use the lower of the two final projections to calculate the limitation on the size of the General Fund operating budget provided in this section."

These funds shall not revert at the end of the 1991-92 fiscal year but shall remain available for expenditure in the 1992-93 fiscal year for the performance audits required by this section. Sec. 7. G.S. 131E-185 reads as rewritten:

"§ 131E-185. Review process.

(5) The Department shall maintain all written comments submitted to it during the written comment stage and any written submissions received at the public hearing as part of the Department's file respecting each application or group of applications under review by it. The application, written comments, and public hearing comments, together with all documents that the Department used in arriving at its decision, from whatever source, and any documents that reflect or set out the Department's final analysis of the
application or applications under review, shall constitute the Department’s record for the application or applications under review.

(b) The Department shall issue as provided in this Article a certificate of need with or without conditions or reject the application within the review period.

(c) The Department shall promulgate rules establishing criteria for determining when it would not be practicable to complete a review within 90 days from the beginning date of the review period for the application. (d) Examination of Materials. -- A wholesale distributor shall visually examine each outside shipping container upon receipt for identity and to prevent the acceptance of contaminated prescription drugs or prescription drugs that are otherwise unfit for distribution. (e) Returned, Damaged, and Outdated Prescription Drugs. -- A wholesale distributor shall quarantine and physically separate prescription drugs that are outdated, damaged, deteriorated, misbranded, or adulterated from other prescription drugs until their destruction or their return to their supplier. In determining whether the conditions under which a prescription drug has been returned cast doubt on the drug’s safety, identity, strength, quality, or purity, the wholesale distributor shall consider, among other things, the
conditions under which the drug has been held, stored, or shipped before or during its return and the condition of the drug and its container, carton, or labeling as a result of storage or shipping.

(b) Notice and Hearing. -- If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against him and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings. CHAPTER 701

AN ACT TO AMEND THE CERTIFICATE OF NEED LAW TO IMPROVE THE ABILITY TO PLAN FOR CHEMICAL DEPENDENCY TREATMENT BEDS AND TO MAKE CLEAR THAT THE STATE MEDICAL FACILITIES PLAN LIMITS THE NUMBER OF BEDS OR FACILITIES THAT MAY BE APPROVED.
The General Assembly of North Carolina enacts:

Section 1. G.S. 131E-176(5b) reads as rewritten:

"(5b) ‘Chemical dependency treatment beds’ means beds that are licensed for detoxification or for the inpatient treatment of chemical dependency. Residential treatment beds for the treatment of chemical dependency or substance abuse are chemical dependency treatment beds but those residential treatment beds that were developed and operated without a certificate of need shall not be counted in the inventory of chemical dependency treatment beds in the State Health Plans prepared by the Department pursuant to G.S. 131E-177(4) after July 1, 1987. The State Health Plans prepared after July 1, 1987, shall also contain no limitation on the proportion of the overall inventory of chemical dependency treatment beds located in any of the types of chemical dependency treatment facilities identified in subdivision (5a)."

Sec. 2. G.S. 131E-183(a) reads as rewritten:

"§ 131E-183. Review criteria.

(a) The Department shall review all applications utilizing the criteria outlined in this subsection and shall determine whether an application is either consistent with or not in conflict with these criteria and whether before a certificate of need for the proposed project shall be issued.

(1) The proposed project shall be consistent with applicable policies and projections in the State Medical Facilities Plan and the State Health Plan, including a determinative limitation on the number of health service facility beds, dialysis stations, ambulatory surgical facilities, or home health agencies that may be allocated.

(2) Repealed by Session Laws 1987, c. 511, s. 1.

(3) The applicant shall identify the population to be served by the proposed project, and shall demonstrate the need that this population has for the services proposed, and the extent to which all residents of the area and, in particular, low income persons, racial and ethnic minorities, women, handicapped persons, the elderly, and other underserved groups are likely to have access to the services proposed.

(3a) In the case of a reduction or elimination of a service, including the relocation of a facility or a service, the applicant shall demonstrate that the needs of the population presently served will be met adequately by the
proposed relocation or by alternative arrangements, and the effect of the reduction, elimination or relocation of the service on the ability of low income persons, racial and ethnic minorities, women, handicapped persons, and other underserved groups and the elderly to obtain needed health care.

(4) Where alternative methods of meeting the needs for the proposed project exist, the applicant shall demonstrate that the least costly or most effective alternative has been proposed.

(5) Financial and operational projections for the project shall demonstrate the availability of funds for capital and operating needs as well as the immediate and long-term financial feasibility of the proposal, based upon reasonable projections of the costs of and charges for providing health services by the person proposing the service.

(6) The applicant shall demonstrate that the proposed project will not result in unnecessary duplication of existing or approved health service capabilities or facilities.

(7) The applicant shall show evidence of the availability of resources, including health manpower and management personnel, for the provision of the services proposed to be provided. Further, the applicant shall show that the use of these resources for provision of these services will not preclude alternative uses of these resources to fulfill other more important needs identified by the applicable State Health Plan.

(8) The applicant shall demonstrate that the provider of the proposed services will make available, or otherwise make arrangements for, the provision of the necessary ancillary and support services. The applicant shall also demonstrate that the proposed service will be coordinated with the existing health care system.

(9) An applicant proposing to provide a substantial portion of the project's services to individuals not residing in the health service area in which the project is located, or in adjacent health service areas, shall document the special needs and circumstances that warrant service to these individuals.

(10) When applicable, the applicant shall show that the special needs of health maintenance organizations will be fulfilled by the project. Specifically, the applicant shall show that the project accommodates:
a. The needs of enrolled members and reasonably anticipated new members of the HMO for the health service to be provided by the organization; and

b. The availability of new health services from non-HMO providers or other HMOs in a reasonable and cost-effective manner which is consistent with the basic method of operation of the HMO. In assessing the availability of these health services from these providers, the applicant shall consider only whether the services from these providers:

1. Would be available under a contract of at least five years' duration;

2. Would be available and conveniently accessible through physicians and other health professionals associated with the HMO;

3. Would cost no more than if the services were provided by the HMO; and

4. Would be available in a manner which is administratively feasible to the HMO.

(11) Repealed by Session Laws 1987, c. 511, s. 1.

(12) Applications involving construction shall demonstrate that the cost, design, and means of construction proposed represent the most reasonable alternative, and that the construction project will not unduly increase the costs of providing health services by the person proposing the construction project or the costs and charges to the public of providing health services by other persons, and that applicable energy saving features have been incorporated into the construction plans.

(13) The applicant shall demonstrate the contribution of the proposed service in meeting the health-related needs of the elderly and of members of medically underserved groups, such as medically indigent or low income persons, Medicaid and Medicare recipients, racial and ethnic minorities, women, and handicapped persons, which have traditionally experienced difficulties in obtaining equal access to the proposed services, particularly those needs identified in the State Health Plan as deserving of priority. For the purpose of determining the extent to which the proposed service will be accessible, the applicant shall show:

a. The extent to which medically underserved populations currently use the applicant's existing services in comparison to the percentage of the population in the
applicant’s service area which is medically underserved:

b. Its past performance in meeting its obligation, if any, under any applicable regulations requiring provision of uncompensated care, community service, or access by minorities and handicapped persons to programs receiving federal assistance, including the existence of any civil rights access complaints against the applicant:

c. That the elderly and the medically underserved groups identified in this subdivision will be served by the applicant’s proposed services and the extent to which each of these groups is expected to utilize the proposed services; and

d. That the applicant offers a range of means by which a person will have access to its services. Examples of a range of means are outpatient services, admission by house staff, and admission by personal physicians.

(14) The applicant shall demonstrate that the proposed health services accommodate the clinical needs of health professional training programs in the area, as applicable.

(15) to (18) Repealed by Session Laws 1987, c. 511, s. 1.

(18a) The applicant shall demonstrate the expected effects of the proposed services on competition in the proposed service area, including how any enhanced competition will have a positive impact upon the cost effectiveness, quality, and access to the services proposed; and in the case of applications for services where competition between providers will not have a favorable impact on cost effectiveness, quality, and access to the services proposed, the applicant shall demonstrate that its application is for a service on which competition will not have a favorable impact.

(19) Repealed by Session Laws 1987, c. 511, s. 1.

(20) An applicant already involved in the provision of health services shall provide evidence that quality care has been provided in the past.

(21) Repealed by Session Laws 1987, c. 511, s. 1."

Sec. 3. G.S. 131E-188(a) reads as rewritten:

"(a) After a decision of the Department to issue, deny or withdraw a certificate of need or exemption or to issue a certificate of need pursuant to a settlement agreement with an applicant to the extent permitted by law, any affected person, as defined in subsection (c) of this section, shall be entitled to a contested case hearing under Article 3 of Chapter 150B of the General Statutes. A petition for a contested
case shall be filed within 30 days after the Department makes its decision. When a petition is filed, the Department shall send notification of the petition to the proponent of each application that was reviewed with the application for a certificate of need that is the subject of the petition. Any affected person shall be entitled to intervene in a contested case.

A contested case shall be conducted in accordance with the following timetable:

1. An administrative law judge or a hearing officer, as appropriate, shall be assigned within 15 days after a petition is filed.
2. The parties shall complete discovery within 90 days after the assignment of the administrative law judge or hearing officer.
3. The hearing at which sworn testimony is taken and evidence is presented shall be held within 45 days after the end of the discovery period.
4. The administrative law judge or hearing officer shall make his recommended decision within 75 days after the hearing.
5. The Department shall make its final decision within 30 days of receiving the recommended decision.

The administrative law judge or hearing officer assigned to a case may extend the deadlines in subdivisions (2) through (4) so long as the administrative law judge or hearing officer makes his recommended decision in the case within 270 days after the petition is filed. The Department may extend the deadline in subdivision (5) for up to 30 days by giving all parties written notice of the extension.

Sec. 4. This act becomes effective October 1, 1991, and applies to applications submitted on and after that date.

In the General Assembly read three times and ratified this the 16th day of July, 1991.

"§ 15A-1340.4. Presumptive punishment for felony other than Class A or Class B felony: prior felony convictions; consideration of aggravating and mitigating factors; written findings.

(a) If the sentencing judge imposes a prison term on a person convicted of a felony other than a Class A or Class B felony, he may
suspend the sentence and place the convicted felon on probation as provided by Article 82 of this Chapter. If the convicted felon is under 21 years of age at the time of conviction and the sentencing judge elects to impose an active prison term, the judge must either sentence the felon as a committed youthful offender in accordance with Article 3B of Chapter 148 of the General Statutes and subject to the limit on the prison term provided by G.S. 148-49.14, or make a ‘no benefit’ finding as provided by G.S. 148-49.14 and impose a regular prison term. If the judge imposes a prison term, whether or not the term is suspended, and whether or not he sentences the convicted felon as a committed youthful offender, he must impose the presumptive term provided in this section unless, after consideration of aggravating or mitigating factors, or both, he decides to impose a longer or shorter term, or unless he imposes a prison term pursuant to any plea arrangement as to sentence under Article 58 of this Chapter, or unless when two or more convictions are consolidated for judgment he imposes a prison term (i) that does not exceed the total of the presumptive terms for each felony so consolidated (ii) that does not exceed the maximum term for the most serious felony so consolidated, and (iii) that is not shorter than the presumptive term for the most serious felony so consolidated. In imposing a prison term, the judge, under the procedures provided in G.S. 15A-1334(b), may consider any aggravating and mitigating factors that he finds are proved by the preponderance of the evidence, and that are reasonably related to the purposes of sentencing, whether or not such aggravating or mitigating factors are set forth herein, but unless he imposes the term pursuant to a plea arrangement as to sentence under Article 58 of this Chapter, or unless when two or more convictions are consolidated for judgment he imposes a prison term (i) that does not exceed the total of the presumptive terms for each felony so consolidated, (ii) that does not exceed the maximum term for the most serious felony so consolidated, and (iii) that is not shorter than the presumptive term for the most serious felony so consolidated, he must consider each of the following aggravating and mitigating factors:

CHAPTER 702 Session Laws — 1991

Sec. 10. G.S. 97-53 reads as rewritten:

The following diseases and conditions only shall be deemed to be occupational diseases within the meaning of this Article:

1. Anthrax.
2. Arsenic poisoning.
4. Zinc poisoning.
5. Manganese poisoning.
6. Lead poisoning. Provided the employee shall have been exposed to the hazard of lead poisoning for at least 30 days in the preceding 12 months' period; and, provided further, only the employer in whose employment such employee was last injuriously exposed shall be liable.
7. Mercury poisoning.
8. Phosphorus poisoning.
9. Poisoning by carbon bisulphide, menthanol, naphtha or volatile halogenated hydrocarbons.
10. Chrome ulceration.
11. Compressed-air illness.
12. Poisoning by benzol, or by nitro and amido derivatives of benzol (dinitrolbenzol, anilin, and others).
13. Any disease, other than hearing loss covered in another subdivision of this section, which is proven to be due to causes and conditions which are characteristic of and peculiar to a particular trade, occupation or employment, but excluding all ordinary diseases of life to which the general public is equally exposed outside of the employment.
14. Epitheliomatous cancer or ulceration of the skin or of the corneal surface of the eye due to tar, pitch, bitumen, mineral oil, or paraffin, or any compound, product, or residue of any of these substances.
15. Radium poisoning or disability or death due to radioactive properties of substances or to roentgen rays, X rays or exposure to any other source of radiation; provided, however, that the disease under this subdivision shall be deemed to have occurred on the date that disability or death shall occur by reason of such disease.
16. Blisters due to use of tools or appliances in the employment.
17. Bursitis due to intermittent pressure in the employment.
18. Miner's nystagmus.
19. Bone felon due to constant or intermittent pressure in employment.
20. Synovitis, caused by trauma in employment.

(23) Poisoning by sulphuric, hydrochloric or hydrofluoric acid.
(24) Asbestosis.
(25) Silicosis.
(26) Psittacosis.
(27) Undulant fever.
(28) Loss of hearing caused by harmful noise in the employment. The following rules shall be applicable in determining eligibility for compensation and the period during which compensation shall be payable:

a. The term ‘harmful noise’ means sound in employment capable of producing occupational loss of hearing as hereinafter defined. Sound of an intensity of less than 90 decibels. A scale, shall be deemed incapable of producing occupational loss of hearing as defined in this section.

b. ‘Occupational loss of hearing’ shall mean a permanent sensorineural loss of hearing in both ears caused by prolonged exposure to harmful noise in employment. Except in instances of preexisting loss of hearing due to disease, trauma, or congenital deafness in one ear, no compensation shall be payable under this subdivision unless prolonged exposure to harmful noise in employment has caused loss of hearing in both ears as hereinafter provided.

c. No compensation benefits shall be payable for temporary total or temporary partial disability under this subdivision and there shall be no award for tinnitus or a psychogenic hearing loss.

d. An employer shall become liable for the entire occupational hearing loss to which his employment has contributed, but if previous deafness is established by a hearing test or other competent evidence, whether or not the employee was exposed to harmful noise within six months preceding such test, the employer shall not be liable for previous loss so established, nor shall he be liable for any loss for which compensation has previously been paid or awarded and the employer shall be liable only for the difference between the percent of occupational hearing loss determined as of the date of disability as herein defined and the percentage of loss established by the preemployment and audiometric
examination excluding, in any event, hearing losses arising from nonoccupational causes.

d. In the evaluation of occupational hearing loss, only the hearing levels at the frequencies of 500, 1,000, 2,000, and 3,000 cycles per second shall be considered. Hearing losses for frequencies below 500 and above 3,000 cycles per second are not to be considered as constituting compensable hearing disability.

e. The employer liable for the compensation in this section shall be the employer in whose employment the employee was last exposed to harmful noise in North Carolina during a period of 90 working days or parts thereof, and an exposure during a period of less than 90 working days or parts thereof shall be held not to be an injurious exposure: provided, however, that in the event an insurance carrier has been on the risk for a period of time during which an employee has been injuriously exposed to harmful noise, and if after insurance carrier goes off the risk said employee has been further exposed to harmful noise, although not exposed for 90 working days or parts thereof so as to constitute an injurious exposure, such carrier shall, nevertheless, be liable.

f. The percentage of hearing loss shall be calculated as the average, in decibels, of the thresholds of hearing for the frequencies of 500, 1,000, 2,000, and 3,000 cycles per second. Pure tone air conduction audiometric instruments, properly calibrated according to accepted national standards such as American Standards Association, Inc. (ASA), International Standards Organization (ISO), or American National Standards Institute, Inc. (ANSI), shall be used for measuring hearing loss. If more than one audiogram is taken, the audiogram having the lowest threshold will be used to calculate occupational hearing loss. If the losses of hearing average 15 decibels (26 db if ANSI or ISO) or less in the three four frequencies, such losses of hearing shall not constitute any compensable hearing disability. If the losses of hearing average 82 decibels (93 db if ANSI or ISO) or more in the three four frequencies, then the same shall constitute and be total or one hundred percent (100%) compensable hearing loss. In measuring hearing impairment, the lowest measured losses in each of the three four frequencies
shall be added together and divided by three four to determine the average decibel loss. For each decibel of loss exceeding 15 decibels (26 db if ANSI or ISO) an allowance of one and one-half percent (1 1/2%) shall be made up to the maximum of one hundred percent (100%) which is reached at 82 decibels (93 db if ANSI or ISO). In determining the binaural percentage of loss, the percentage of impairment in the better ear shall be multiplied by five. The resulting figure shall be added to the percentage of impairment in the poorer ear, and the sum of the two divided by six. The final percentage shall represent the binaural hearing impairment.

h. There shall be payable for total occupational loss of hearing in both ears 150 weeks of compensation, and for partial occupational loss of hearing in both ears such proportion of these periods of payment as such partial loss bears to total loss.

i. No claim for compensation for occupational hearing loss shall be filed until after six months have elapsed since exposure to harmful noise with the last employer. The last day of such exposure shall be the date of disability. The regular use of employer-provided protective devices capable of preventing loss of hearing from the particular harmful noise where the employee works shall constitute removal from exposure to such particular harmful noise.

j. No consideration shall be given to the question of whether or not the ability of an employee to understand speech is improved by the use of a hearing aid. The North Carolina Industrial Commission may order the employer to provide the employee with an original hearing aid if it will materially improve the employee's ability to hear.

k. No compensation benefits shall be payable for the loss of hearing caused by harmful noise after October 1, 1971, if employee fails to regularly utilize employer-provided protection device or devices, capable of preventing loss of hearing from the particular harmful noise where the employee works.

Occupational diseases caused by chemicals shall be deemed to be due to exposure of an employee to the chemicals herein mentioned only when as a part of the employment such employee is exposed to such chemicals in such form and quantity, and used with such
frequency as to cause the occupational disease mentioned in connection with such chemicals."

Sec. 11. G.S. 97-40.1(a) reads as rewritten:

"(a) There is hereby created a fund to be known as the 'Second Injury Fund,' to be held and disbursed by the Industrial Commission as hereinafter provided.

For the purpose of providing money for said fund the Industrial Commission may assess against the employer or its insurance carrier the payment of not to exceed fifty dollars ($50.00) one hundred dollars ($100.00) for the loss, or loss of use, of each minor member in every case of a permanent partial disability where there is such loss, and shall assess not to exceed two hundred dollars ($200.00) five hundred dollars ($500.00) for fifty percent (50%) or more loss or loss of use of each major member, defined as back, foot, leg, hand, arm, eye, or hearing.

In addition to the assessments hereinafore provided for, the Commission shall also deposit in said fund all moneys received by it for the Second Injury Fund under the provisions of G.S. 97-40."

AN ACT TO AMEND THE "CLEAN RISK" DEFINITION IN THE NORTH CAROLINA MOTOR VEHICLE REINSURANCE FACILITY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 58-37-35(l) reads as rewritten:

"(l) The classifications, rules, rates, rating plans and policy forms used on motor vehicle insurance policies reinsured by the Facility may be made by the Facility or by any licensed or statutory rating organization or bureau on its behalf and shall be filed with the Commissioner. The Board of Governors shall establish a separate subclassification within the Facility for 'clean risks' as herein defined. For the purpose of this Article, a ‘clean risk’ shall be any owner of a motor vehicle classified as a private passenger non-fleet motor vehicle
CHAPTER 709    Session Laws — 1991

as defined under Article 40 of this Chapter if the owner and the
principal operator and each licensed operator in the owner's
household have two years' driving experience and if neither the owner
nor any member of his household nor the principal operator had had
any chargeable accident or any conviction for a moving traffic
violation pursuant to the subclassification plan established by the
provisions of G.S. 58-36-65, during the three-year period immediately
preceding the date of application for motor vehicle insurance or the
date of preparation for a renewal motor vehicle insurance policy. For
the purpose of this Article, a 'clean risk' shall be any owner of a
nonfleet private passenger motor vehicle as defined in G.S. 58-40-10,
if the owner, principal operator, and each licensed operator in the
owner's household have two years' driving experience as licensed
drivers and if none of the persons has been assigned any Safe Driver
Incentive Plan points under Article 36 of this Chapter during the
three-year period immediately preceding either (i) the date of
application for a motor vehicle insurance policy or (ii) the date of
preparation of a renewal of a motor vehicle insurance policy. Such
filings may incorporate by reference any other material on file with
the Commissioner. Rates shall be neither excessive, inadequate nor
unfairly discriminatory. If the Commissioner finds, after a hearing,
that a rate is either excessive, inadequate or unfairly discriminatory,
he shall issue an order specifying in what respect it is deficient and
stating when, within a reasonable period thereafter, such rate shall be
deemed no longer effective. Said order is subject to judicial review as
set out in Article 2 of this Chapter. Pending judicial review of said
order, the filed classification plan and the filed rates may be used,
charged and collected in the same manner as set out in G.S. 58-40-45
of this Chapter. Said order shall not affect any contract or policy made
or issued prior to the expiration of the period set forth in the order.
All rates shall be on an actuarially sound basis and shall be
calculated, insofar as is possible, to produce neither a profit nor a
loss. However, the rates made by or on behalf of the Facility with
respect to 'clean risks', as defined above, shall not exceed the rates
charged 'clean risks' who are not reinsured in the Facility. The
difference between the actual rate charged and the actuarially sound
and self-supporting rates for 'clean risks' reinsured in the Facility may
be recouped in similar manner as assessments pursuant to G.S.
58-37-40(f) or allocated pursuant to G.S. 58-37-75. Rates shall not
include any factor for underwriting profit on Facility business, but
shall provide an allowance for contingencies. There shall be a strong
presumption that the rates and premiums for the business of the
Facility are neither unreasonable nor excessive."

(3) ‘Transfer’ means the withdrawal, diversion, or pumping of surface water from one river basin and discharge of all or any part of the water in a river basin different from the origin.

§ 143-215.22B. Registration of water withdrawals and transfers required.

(a) Any person who withdraws 1,000,000 gallons per day or more of water from the surface waters of the State or who transfers 1,000,000 gallons per day or more of water from one river basin to another shall register the withdrawal or transfer with the Commission. A person registering a water withdrawal or transfer shall provide the Commission with the following information:

(1) The maximum daily amount of the water withdrawal or transfer expressed in millions of gallons per day.

(2) The location of the points of withdrawal and discharge and the capacity of each facility used to make the withdrawal or transfer.

(b) Any person initiating a new surface water withdrawal or transfer of 1,000,000 gallons per day or more shall register the withdrawal or transfer with the Commission not later than six months after the initiation of the withdrawal or transfer. The information required under subsection (a) of this section shall be submitted with respect to the new withdrawal or transfer.”

Sec. 2. G.S. 143-215.3(1b) reads as rewritten:

”(1b) The fee to be charged pursuant to G.S. 143-215.3(a)(1a) for processing of an application for a permit under G.S. 143-215.1 of Article 21 and G.S. 143-215.108 and G.S. 143-215.109 of Article 21B of this Chapter may not exceed four hundred dollars ($400.00). The fee to be charged pursuant to G.S. 143-215.3(a)(1a) for processing an application for a registration under Article 38 or Part 2A of this Chapter may not exceed fifty dollars ($50.00) for any single application, except that a penalty of as much as twenty percent (20%) of the fee may be assessed for late registration. The fee for administering and compliance monitoring under G.S. 143-215.1 of Article 21 and G.S. 143-215.108 and G.S. 143-215.109 of Article 21B shall be charged on an annual basis for each year of the permit term and may not exceed one thousand five hundred dollars ($1,500) per year. Fees for processing all permits under Article 21A and all other Sections of Articles 21 and 21B shall not exceed one hundred dollars ($100.00) for any single permit. Notwithstanding any other provision of this subdivision, the total payment for fees required for all
permits under this subsection for any single facility shall not exceed seven thousand five hundred dollars ($7,500) per year, which amount shall include all application fees and fees for administration and compliance monitoring. A single facility is defined to be any contiguous area under one ownership and in which permitted activities occur. For all permits issued under these Articles where a fee schedule is not specified in the statutes, the Commission, or other commission specified by statute shall adopt a fee schedule in a rule following the procedures established by the Administrative Procedure Act. Such fee schedules shall be established to reflect the size of the emission or discharge, the potential impact on the environment, the staff costs involved, relative costs of the issuance of new permits and the reissuance of existing permits, and shall include adequate safeguards to prevent unusual fee assessments which would result in serious economic burden on an individual applicant. A system shall be considered to allow consolidated annual payments for persons with multiple permits. In its rulemaking to establish fee schedules, the Commission is also directed to consider a method of rewarding facilities which achieve full compliance with administrative and self-monitoring reporting requirements, and to consider, in those cases where the cost of renewal or amendment of a permit is less than for the original permit, a lower fee for such renewal or amendment."

Sec. 3. All withdrawals and transfers of surface waters that are existing or planned on the date this act becomes effective shall be registered as required by G.S. 143-215.22B by 1 January 1992.

Sec. 4. The Department of Environment, Health, and Natural Resources shall submit a report to the General Assembly by 1 April 1992 summarizing the registration information on existing and proposed water withdrawals and transfers registered under the provisions of this act.

Sec. 5. G.S. 143-215.22A(b), as enacted by Chapter 567 of the 1991 Session Laws, reads as rewritten:

"(b) In an action brought by the State in the superior court of any county bordering such reservoir or river, any such withdrawal, and all steps taken to facilitate that withdrawal, shall be enjoined upon a showing that said public policy has been violated. If the withdrawal occurs, the withdrawing party shall be liable to the State for damages in an amount equal to the maximum value of the water withdrawn, as if that water were put to its most valuable theoretical use. In calculating such damages, the court shall take into account the continuing nature of the withdrawal, and the potential that the maximum value of water may increase in the future as a result of scarcity or other factors. This section shall not be construed to create an independent cause of action by the State or by any person. This
section shall not apply to any project or facility for which a withdrawal of water began prior to the date this section is effective."

Sec. 6. G.S. 143-215.22A(c), as enacted by Chapter 567 of the 1991 Session Laws, is repealed.

Sec. 7. Sections 1 through 4 of this act are effective upon ratification. Sections 5 through 7 of this act are effective retroactively as of 4 July 1991.

AN ACT TO AMEND THE UNEMPLOYMENT INSURANCE LAW PERTAINING TO HEARINGS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 96-15(c) reads as rewritten:

"(c) Appeals. -- Unless an appeal from the adjudicator is withdrawn, an appeals referee shall set a hearing in which the parties are given reasonable opportunity to be heard. The conduct of hearings shall be governed by suitable regulations established by the Commission. Such regulations need not conform to common law or statutory rules of evidence or technical or formal rules of procedure but shall provide for the conduct of hearings in such manner as to ascertain the substantial rights of the parties. The hearings may be
conducted by conference telephone call or other similar means provided that if any party files with the Commission prior written objection to the telephone procedure, that party will be afforded an opportunity for an in-person hearing at such place in the State as the Commission by regulation shall provide. The appeals referee may affirm or modify the conclusion of the adjudicator or issue a new decision in which findings of fact and conclusions of law will be set out or dismiss an appeal when the appellant fails to appear at the appeals hearing to prosecute the appeal after having been duly notified of the appeals hearing. The evidence taken at the hearings before the appeals referee shall be recorded and the decision of the appeals referee shall be deemed to be the final decision of the Commission unless within 10 days after the date of notification or mailing of the decision, whichever is earlier a written appeal is filed pursuant to such regulations as the Commission may adopt. No person may be appointed as an Appeals Referee unless he or she possesses the minimum qualifications necessary to be a staff attorney eligible for designation by the Commission as a hearing officer under G.S. 96-4(m). No appeals referee may engage in the private practice of law as defined in G.S. 84-2.1 while serving in office as appeals referee; violation of this prohibition shall be grounds for removal. Whenever an appeal is taken from a decision of the appeals referee, the appealing party shall submit a clear written statement containing the grounds for the appeal within the time allowed by law for taking the appeal, and if such timely statement is not submitted, an appeals referee may dismiss the appeal."

Sec. 2. G.S. 96-15 is amended by adding a new subsection to read:

"(d1) No continuance shall be granted except upon application to the Commissioner, the appeals referee, or other authority assigned to make the decision in the matter to be continued. A continuance may be granted only for good cause shown and upon such terms and conditions as justice may require. Good cause for granting a continuance shall include, but not be limited to, those instances when a party to the proceeding, a witness, or counsel of record has an obligation of service to the State, such as service as a member of the North Carolina General Assembly, or an obligation to participate in a proceeding in a court of greater jurisdiction."

Sec. 3. G.S. 96-4(i)(5) reads as rewritten:

the Commission or any of its agents, representatives, or employees, which letters, reports, or other communication shall have been written, sent, delivered, or made in connection with the requirements of the administration of this Chapter, shall be absolutely privileged communication in any civil or criminal proceedings except proceedings pursuant to or involving the administration of this Chapter and except proceedings involving child support and only for the purpose of establishing the payment and amount of unemployment compensation benefits. Nothing in this subdivision shall be construed to prohibit the Commission, upon written request and on a reimbursable basis only, from disclosing information to any party to the proceeding from the records of an adjudication or proceeding before an appeals referee, deputy commissioner, or other hearing officer by whatever name called, compiled for the purpose of resolving issues raised pursuant to the Employment Security Law.”

"§ 114-15. Investigations of lynchings, election frauds, etc.: services subject to call of Governor; witness fees and mileage for Director and assistants.

(a) The Bureau shall, through its Director and upon request of the Governor, investigate and prepare evidence in the event of any lynching or mob violence in the State: shall investigate all cases arising from frauds in connection with elections when requested to do so by the Board of Elections, and when so directed by the Governor. Such investigation, however, shall in nowise interfere with the power of the Attorney General to make such investigation as he is authorized to make under the laws of the State. The Bureau is authorized further, at the request of the Governor, to investigate cases of frauds arising under the Social Security Laws of the State, of violations of the gaming laws, and lottery laws, and matters of similar kind when called upon by the Governor so to do. In all such cases it shall be the duty of the Department to keep such records as may be necessary and to prepare evidence in the cases investigated, for the use of enforcement officers and for the trial of causes. The services of the Director of the Bureau, and of his assistants, may be required by the Governor in
connection with the investigation of any crime committed anywhere in the State when called upon by the enforcement officers of the State, and when, in the judgment of the Governor, such services may be rendered with advantage to the enforcement of the criminal law. The background investigation of the proposed nominee shall be limited to an investigation of the person's criminal record, educational background, employment record, records concerning the listing and payment of taxes, and credit record, and to a requirement that the person provide the information contained in the statements of Executive Order Number 1, filed on January 31, 1985, as contained on pages 1405 through 1419 of the 1985 Session Laws (First Session, 1985). The Governor must give the person being investigated written notice that he intends to request a background investigation at least 10 days prior to the date that he requests the State Bureau of Investigation to conduct the background investigation. The written notice shall be sent by regular mail, and there is created a rebuttable presumption that the person received the notice if the governor has a copy of the notice.

(b) The State Bureau of Investigation is further authorized, upon request of the Governor or the Attorney General, to investigate the commission or attempted commission of the crimes defined in the following statutes:

(1) All sections of Article 4A of Chapter 14 of the General Statutes;

(16) G.S. 143-215.114B.

(c) All records and evidence collected and compiled by the Director of the Bureau and his assistants shall not be considered public records within the meaning of G.S. 132-1, and following, of the General Statutes of North Carolina and may be made available to the public only upon an order of a court of competent jurisdiction. Provided that all records and evidence collected and compiled by the Director of the Bureau and his assistants shall, upon request, be made available to the district attorney of any district if the same concerns persons or investigations in his district.

(d) In all cases where the cost is assessed against the defendant and paid by him, there shall be assessed in the bill of cost, mileage and witness fees to the Director and any of his assistants who are witnesses in cases arising in courts of this State. Sec. 3. G.S. 143-215.6A reads as rewritten:
"§ 143-215.6A. Enforcement procedures: civil penalties.
(a) A civil penalty of not more than ten thousand dollars ($10,000) may be assessed by the Secretary against any person who:

(b) If any action or failure to act for which a penalty may be assessed under this section is continuous, the Secretary may assess a penalty not to exceed ten thousand dollars ($10,000) per day for so long as the violation continues, unless otherwise stipulated.

(c) In determining the amount of the penalty the Secretary shall consider the factors set out in G.S. 143B-282.1(b). The procedures set out in G.S. 143B-282.1 shall apply to civil penalty assessments that are presented to the Commission for final agency decision.

A municipality as specified herein that violates any provision of such order for which a penalty is stipulated shall pay the full amount of such penalty as provided in the order unless such penalty is modified, remitted, or reduced by the court.

(j) Local governments certified and approved to administer and enforce pretreatment programs by the Commission pursuant to G.S. 143-215.3(a)(14) may assess civil penalties for violations of their respective programs in accordance with the powers conferred upon the Commission and the Secretary in this section, except that actions for collection of unpaid civil penalties shall be referred to the attorney representing the assessing local government. by the Secretary for any violation may not exceed the maximum civil penalty for such violation under this section.

at least two years prior to that date, will be exempt from the provisions
of this subsection upon filing with the Division of Motor Vehicles an
affidavit attesting to said two years' experience. Nothing contained in

the regulations are complied with. Provided, however, that persons 60
years of age and over, when being examined as herein provided, shall
not be required to parallel park a motor vehicle as part of any such
examination.

shall sign a written certificate to that effect. Such certificate shall be
furnished by the Division and may be incorporated into the license

person on such certificate shall be grounds for suspension of that
person's license for a period of 90 days.

For the purpose of this subsection, the term "nonfleet private
passenger motor vehicle" has the definition ascribed to it in Article 40
of General Statute Chapter 58.

The Commissioner may require that certificates required by this
subsection be on a form approved by the Commissioner.

Nothing in this subsection precludes any person from showing
proof of financial responsibility in any other manner authorized by
Articles 9A and 13 of this Chapter.

(d) The Division shall cause each person who has heretofore been
issued a driver's license to be examined or reexamined, as the
case may be, to determine whether or not such person is physically
and mentally capable of safely operating motor vehicles over the
highways of the State. Those persons found, as a result of such

If any applicant shall suffer from any physical defect or disease which affects his or her operation of a motor vehicle, the Division may require to be filed with it a certificate of such applicant's condition signed by some medical authority of the applicant's community designated by the Division. This certificate shall in all cases be treated as confidential. Any other person, except a nonresident as defined in this Article, who holds a valid driver's license issued under this section and who is temporarily residing outside North Carolina, may also renew by making application to the Division by mail. For purposes of this section "temporarily" shall mean not less than 30 days continuous absence from North Carolina. In either case, the Division may waive the examination and color photograph ordinarily required for the renewal of a driver's license, and may impose in lieu thereof such conditions as it may deem appropriate to each particular application: provided that such license shall expire 30 days after the
licensee returns to North Carolina, and such license shall be designated as temporary.

Provided further, that no person who applies for the renewal of his driver's license shall be required to take a written examination or road test as a part of any such examination unless such person has been convicted of a traffic violation or had prayer for judgment continued with respect to any traffic violation within a four-year period immediately preceding the date of such person's renewal application or unless such person suffers from a mental or physical condition which impairs his ability to operate a motor vehicle.

Provided further, that no person who applies for the renewal of his driver's license and who must take the written examination pursuant to this section shall be issued a renewed license unless such person has furnished the proof that he is financially responsible. (2) A binder for or policy of nonfleer private passenger motor vehicle liability insurance under which the applicant is insured, provided that the binder or policy states the effective date and expiration date of the nonfleer private passenger motor vehicle liability policy.

The provisions of the preceding paragraph do not apply to applicants who do not own currently registered motor vehicles and who do not operate nonfleer private passenger motor vehicles that are owned by other persons and that are not insured under commercial motor vehicle liability insurance policies. In such cases, the applicant shall sign a written certificate to that effect. Such certificate shall be furnished by the Division and may be incorporated into the license application form. Any material misrepresentation made by such person on such certificate shall be grounds for suspension of that person's license for a period of 90 days.
For the purpose of this subsection, the term "nonfleet private passenger motor vehicle" has the definition ascribed to it in Article 40 of General Statute Chapter 58.

The Commissioner may require that certificates required by this subsection be on a form approved by the Commissioner.

Sec. 19. G.S. 20-138.2 reads as rewritten:

”§ 20-138.2. Impaired driving in commercial vehicle.

(a) Offense. -- A person commits the offense of impaired driving in
a commercial motor vehicle if he drives a commercial motor vehicle
upon any highway, any street, or any public vehicular area within the
State:

(1) While appreciably under the influence of an impairing
   substance; or

(2) After having consumed sufficient alcohol that he has, at any
   relevant time after the driving, an alcohol concentration of
   0.04 or more.

(b) Defense Precluded. -- The fact that a person charged with
violating this section is or has been legally entitled to use alcohol or a
drug is not a defense to a charge under this section.

(c) Pleading. -- To charge a violation of this section, the pleading
is sufficient if it states the time and place of the alleged offense in the
usual form and charges the defendant drove a commercial motor
vehicle on a highway, street, or public vehicular area while subject to
an impairing substance.
(d) Implied Consent Offense. -- An offense under this section is an implied consent offense subject to the provisions of G.S. 20-16.2.

(e) Punishment; Effect When Impaired Driving Offense Also Charged. -- The offense in this section is a misdemeanor punishable by a fine of not less than one hundred dollars ($100.00), up to two years imprisonment, or both. This offense is not a lesser included offense of impaired driving under G.S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving under G.S. 20-138.1 arising out of the same transaction, the aggregate punishment imposed by the Court may not exceed the maximum punishment applicable to the offense involving impaired driving under G.S. 20-138.1.

(f) Limited Driving Privilege. -- A person convicted of the offense of impaired driving under this section is not eligible for a limited driving privilege to operate a commercial motor vehicle. If a person is convicted under this section and under G.S. 20-138.1, he may be considered for a limited driving privilege for a noncommercial motor vehicle if he meets the requirements of G.S. 20-179.3(b). Such a privilege shall be for the purposes specified in G.S. 20-179.3(a) and issued according to the procedure in G.S. 20-179.3(d) and subsections (f) through (k).

If a person is convicted under this section and he had a blood alcohol concentration below 0.10, he is nonetheless eligible to apply for a Class C noncommercial license.

(g) Chemical Analysis Provisions. -- The provisions of G.S. 20-139.1 shall apply to the offense of impaired driving in a commercial motor vehicle."

Sec. 20. G.S. 20-179(q) and G.S. 20-279.1(2) are repealed.

Sec. 21. G.S. 20-179(m) reads as rewritten:

"(m) Assessment and Treatment Required in Certain Cases. -- If a defendant being sentenced under this section is placed on probation, he shall be required as a condition of that probation to obtain a substance abuse assessment.

The judge shall require the defendant to obtain the assessment from an area mental health agency, its designated agent, or a private facility licensed by the State for the treatment of alcoholism and substance abuse. Unless a different time limit is specified in the court's judgment, the defendant shall schedule the assessment within 30 days from the date of the judgment. Any agency performing assessments shall give written notification of its intention to do so to the area mental health authority in the catchment area in which it is located and to the Department of Human Resources. The Secretary of the Department of Human Resources may adopt rules to implement the provisions of this subsection, and these rules may include provisions
to allow defendant to obtain assessments and treatment from agencies not located in North Carolina. The assessing agency shall give the client a standardized test capable of providing uniform research data, including, but not limited to, demographic information, defendant history, assessment results and recommended interventions, approved by the Department of Human Resources to determine chemical dependency. A clinical interview concerning the general status of the defendant with respect to chemical dependency shall be conducted by the assessing agency before making any recommendation for further treatment. A recommendation made by the assessing agency shall be signed by a 'Certified Alcoholism, Drug Abuse or Substance Abuse Counselor', as defined by the Department of Human Resources.

If the assessing agency recommends that the defendant participate in a treatment program, the judge may require the defendant to do so, and he shall require the defendant to execute a Release of Information authorizing the treatment agency to report his progress to the court or the Department of Correction. The judge may order the defendant to participate in an appropriate treatment program at the time he is ordered to obtain an assessment, or he may order him to reappear in court when the assessment is completed to determine if a condition of probation requiring participation in treatment should be imposed. An order of the court shall not require the defendant to participate in any treatment program for more than 90 days unless a longer treatment program is recommended by the assessing agency and his alcohol concentration was .15 or greater as indicated by a chemical analysis taken when he was charged or this was a second or subsequent offense within five years. At the time of sentencing the judge shall require the defendant to pay one hundred twenty-five dollars ($125.00). The payment of the fee of one hundred twenty-five dollars ($125.00) shall be (i) fifty dollars ($50.00) to the assessing agency and (ii) seventy-five dollars ($75.00) to either a treatment facility or to an alcohol and drug education traffic school depending upon the recommendation made by the assessing agency. G.S. 20-179.1(b) shall not apply to defendants sentenced under this section. Fees received by the Area Mental Health, Mental Retardation, and Substance Abuse Authorities under this section shall be administered pursuant to G.S. 20-179.2(e), provided, however that the provisions of G.S. 20-179.2(c) shall not apply to monies received under this section. The operators of the local alcohol and drug education traffic school may change the length of time required to complete the school in accordance with administrative costs, provided, however that the length and the curriculum of the school shall be approved by the Commission for Mental Health, Mental Retardation and Substance Abuse Services and in no event shall the school be less than five hours in length. If the
defendant is treated by an area mental health facility. G.S. 122C-146 applies after receipt of the seventy-five dollar ($75.00) fee. If an area mental health facility or its contractor is providing treatment or education services to a defendant pursuant to this subsection, the area facility or its contractor may require that the defendant pay the fees prescribed by law for the services before it certifies that the defendant has completed the recommended treatment or educational program. Any determinations with regard to the defendant's ability to pay the assessment fee shall be made by the judge.

In those cases in which no substance abuse handicap is identified, that finding shall be filed with the court and the defendant shall be required to attend an alcohol and drug education traffic school. When treatment is required, the treatment agency's progress reports shall be filed with the court or the Department of Correction at intervals of no greater than six months until the termination of probation or the treatment agency determines and reports that no further treatment is appropriate. If the defendant is required to participate in a treatment program and he completes the recommended treatment, he does not have to attend the alcohol and drug education traffic school. Upon the completion of the court-ordered assessment and court-ordered treatment or school, the assessing or treatment agency or school shall give the Division of Motor Vehicles the original of the certificate of completion, shall provide the defendant with a copy of that certificate, and shall retain a copy of the certificate on file for a period of five years. The Division of Motor Vehicles shall not reissue the driver's license of a defendant ordered to obtain assessment, participate in a treatment program or school unless it has received the original certificate of completion from the assessing or treatment agency or school or a certificate of completion sent by the agency subsequent to a court order as hereinafter provided; provided, however that a defendant may be issued a limited driving privilege pursuant to G.S. 20-179.3. Unless the judge has waived the fee, no certificate shall be issued unless the agency or school has received the fifty dollar ($50.00) fee and the seventy-five dollar ($75.00) fee as appropriate. A defendant may within 90 days after an agency decision to decline to certify, by filing a motion in the criminal case, request that a judge presiding in the court in which he was convicted review the decision of an assessment or treatment agency to decline to certify that the defendant has completed the assessment or treatment. The agency whose decision is being reviewed shall be notified at least 10 days prior to any hearing to review its decision. If the judge determines that the defendant has obtained an assessment, has completed the treatment, or has made an effort to do so that is reasonable under the circumstances, as the case may be, the judge shall order that the
agency send a certificate of completion to the Division of Motor Vehicles.

The Department of Human Resources may approve programs offered in another state if they are substantially similar to programs approved in this State, and if that state recognizes North Carolina programs for similar purposes. The defendant shall be responsible for the fees at the approved program.

Sec. 22. G.S. 20-218 reads as rewritten:

PART III. POLL OBSERVERS GET VOTING LISTS.

Sec. 3. G.S. 163-45 reads as rewritten:

Not more than two observers from the same political party shall be permitted in the voting enclosure at any time. This right shall not extend to the chairman of a political party during a primary unless that party is participating in the primary. In any election in which an unaffiliated candidate is named on the ballot, he or his campaign manager shall have the right to appoint two observers for each voting place consistent with the provisions specified herein. Persons appointed as observers must be registered voters of the precinct for which appointed and must have good moral character. Observers shall take no oath of office.

Individuals authorized to appoint observers must submit in writing to the registrar of each precinct a signed list of the observers appointed for that precinct. Individuals authorized to appoint observers must, prior to 10:00 A.M. on the fifth day prior to any primary or general election, submit in writing to the chairman of the
county board of elections two signed copies of a list of observers appointed by them, designating the precinct for which each observer is appointed. He shall retain the other copy. The chairman, or the registrar and judges for each affected precinct, may for good cause reject any appointee and require that another be appointed. The names of any persons appointed in place of those persons rejected shall be furnished in writing to the registrar of each affected precinct no later than the time for opening the voting place on the day of any primary or general election, either by the chairman of the county board of elections or the person making the substitute appointment.

An observer shall do no electioneering at the voting place, and he shall in no manner impede the voting process or interfere or communicate with or observe any voter in casting his ballot, but, subject to these restrictions, the registrar and judges of elections shall permit him to make such observation and take such notes as he may desire.

Whether or not the observer attends to the polls for the requisite time provided by this section, each observer shall be entitled to obtain at times specified by the State Board of Elections, but not less than three times during election day with the spacing not less than one hour apart, a list of the persons who have voted in the precinct so far in that election day. Counties that use an 'authorization to vote document' instead of poll books may comply with the requirement in the previous sentence by permitting each observer to inspect election records so that the observer may create a list of persons who have voted in the precinct so far that election day; each observer shall be entitled to make the inspection at times specified by the State Board of Elections, but not less than three times during election day with the spacing not less than one hour apart."

PART IV. SEALING OF BALLOTS.

Sec. 4. G.S. 163-171 reads as rewritten:

When the precinct count is completed after a primary or election, all ballots shall be put back in the ballot boxes from which they were taken, and the registrar and judges shall promptly lock and place a seal around the top of each ballot box, so that no ballot may be taken from or put in it. The registrar and judges shall then sign the seal on each ballot box. In the alternative, the county board of elections may permit the precinct officials to put the counted ballots back in one ballot box or more to facilitate safekeeping provided the board
prescribes an appropriate procedure to keep the different kinds of ballots separated in bundles or bags within the box.

Ballot boxes in which ballots have been placed and which have been locked and sealed as required by the preceding paragraph shall remain in the safe custody of the registrar, subject to the orders of the chairman of the county board of elections as to their disposition; provided that ballot boxes with paper ballots shall be delivered in person to the office of the county board of elections: provided further that in the case of paper ballots which have been counted either mechanically or electronically either the counting machines with the paper ballots sealed inside shall be delivered in person to the office of the county board of elections, or the paper ballots shall be placed in ballot boxes, sealed, and those boxes shall be delivered in person to the office of the county board of elections. The ballots and ballot boxes shall be delivered at a time specified by the county board of elections. No ballot box shall be opened except upon the written order of the county board of elections or upon a proper order of court.

Ballots cast in a primary or general election shall be preserved for at least two months after the primary or general election in which voted.

On each precinct return form there shall be printed a statement to be signed by the registrar and judges certifying that, after the precinct count was completed. each ballot box was properly locked, sealed, and the seals signed, as prescribed in this section, before the precinct officials left the voting place on the night of the primary or election.

Willful failure to securely lock. seal, and sign the seal on each ballot box on the night of any primary or election, and willful failure to sign the certificate on the duplicate return forms certifying that this was done, shall constitute a misdemeanor.

In the event that a recount is requested as provided by law or there is other filing of an appeal of the election results, the county board of elections shall seal and secure the ballots, ballot boxes, and voting machines within a uniform period of time set by the State Board of Elections, to the extent that such actions have not already been taken as required by law. The aforementioned items shall then be stored in locations that are securely locked by members of the county board of elections. In counties that utilize voting machines or voting systems the county board of elections shall be required to store in one location that record on which the official vote cast is recorded."

Notwithstanding any other provision of this subdivision, a full-time magistrate, who was serving as a magistrate on December 31, 1978, and who was receiving an annual salary in excess of that which would ordinarily be allowed under the provisions of this subdivision, shall not have the salary, which he was receiving reduced during any subsequent term as a full-time magistrate. That magistrate's salary shall be fixed at the salary level from the table above which is nearest and higher than the latest annual salary he was receiving on December 31, 1978, and, thereafter, shall advance in accordance with the schedule in the table above.

(2) A part-time magistrate, so designated by the Administrative Officer of the Courts, is included, in accordance with G.S. 7A-170, under the provisions of G.S. 135-1(10) and 135-40.2(a) and shall receive an annual salary based on the
following formula: The average number of hours a week that a part-time magistrate is assigned work during his term shall be multiplied by the annual salary payable to a full-time magistrate who has the same number of years of service prior to the beginning of that term as does the part-time magistrate and the product of that multiplication shall be divided by the number 40. The quotient shall be the annual salary payable to that part-time magistrate.

A ‘part-time magistrate’ is a magistrate who is assigned to work an average of less than 40 hours of work a week during his term. No magistrate may be assigned an average of less than 10 hours of work a week during his term.

Notwithstanding any other provision of this subdivision, upon reappointment as a magistrate and being assigned to work the same or greater number of hours as he worked as a magistrate for a term of office ending on December 31, 1978, a person who received an annual salary in excess of that to which he would be entitled under the formula contained in this subdivision shall receive an annual salary equal to that received during the prior term. That magistrate’s salary shall increase in accordance with the salary formula contained in this subdivision.

(3) Notwithstanding any other provision of this section, a magistrate with a two-year Associate in Applied Science degree in criminal justice or paralegal training from a North Carolina community college or the equivalent degree from a private educational institution in North Carolina, shall receive the annual salary provided in the table above for a magistrate with three years of service in addition to those which the magistrate has served; a magistrate with a four-year degree from an accredited senior institution of higher education shall receive the annual salary provided in the table above for a magistrate with five years of service in addition to those which the magistrate has served; a magistrate who holds a law degree from an accredited law school shall receive the annual salary provided in the table above for a magistrate with seven years of service in addition to those which the magistrate has served; and a magistrate who is licensed to practice law in North Carolina shall receive the annual salary provided in the table above for a magistrate with nine years of service in addition to those which the magistrate has served.

Magistrates with a two or four-year degree or a law degree described herein who became magistrates before July
1. 1979 are entitled to an increase of three, five and seven years, respectively, in their seniority, for pay purposes only. Full-time magistrates licensed to practice law in North Carolina who became magistrates before July 1, 1979 are entitled to the pay of a magistrate with 9 or more years of service, and part-time magistrates holding a law degree or a license to practice law as described above who became magistrates before July 1, 1979 are entitled to a proportionate adjustment in their pay. Pay increases authorized by this paragraph of this subdivision are not retroactive.

(4) Notwithstanding any other provision of this section, a magistrate with 10 years' experience within the last 12 years as a sheriff or deputy sheriff, administrative officer for a district attorney, city or county police officer, campus police officer, wildlife officer, or highway patrolman in the State of North Carolina, or with 10 years' experience within the last 12 years as clerk of superior court or an assistant or deputy clerk of court in the State of North Carolina shall receive the annual salary provided in the table in subdivision (1) for a magistrate with five years of service in addition to those the magistrate has served. A magistrate who qualifies for the increased salary under both subdivisions (3) and (4) of this subsection shall receive either the salary determined under subdivision (3) or that determined under subdivision (4), whichever is higher, but no more.

(5) The Administrative Officer of the Courts shall provide magistrates with longevity pay at the same rates as are provided by the State to its employees subject to the State Personnel Act."

S.B. 141 CHAPTER 743

AN ACT TO PROVIDE FOR FAMILY PRESERVATION SERVICES, TO ESTABLISH THE ADVISORY COMMITTEE ON FAMILY-CENTERED SERVICES, AND TO APPROPRIATE FUNDS FOR THE ADVISORY COMMITTEE ON FAMILY-CENTERED SERVICES.

Whereas the General Assembly finds that State efforts to strengthen families and keep them together while promoting the protection and well-being of children are important for North Carolina; and

Whereas, the General Assembly establishes that "family preservation" programs are those that provide home-based crisis intervention services as an alternative to out-of-home placement of children; and

Whereas, the General Assembly recognizes that family preservation programs operating in the State's mental health, social services, and juvenile justice systems are providing short-term,
intensive, home-based services that are showing dramatic results in keeping children together with their families and in preventing unnecessary out-of-home placements; and

Whereas, the General Assembly finds that family preservation programs currently offered should be expanded, strengthened, and made more efficient through inter-agency coordination of these programs; Now, therefore.

The General Assembly of North Carolina enacts:

Section 1. Article 3 of Chapter 143B of the General Statutes is amended by adding a new Part to read:

"Part 5A. Family Preservation Act."

§ 143B-150.5. Family Preservation Services Program established;
purpose.

(a) There is established the Family Preservation Services Program of the Department of Human Resources. The Program shall be phased in over a four-year period, commencing with fiscal year 1991-92. By the end of the four-year phase-in period, and to the extent that funds are made available, locally-based family preservation services shall be available to all 100 counties. The Secretary of the Department of Human Resources shall be responsible for the development and implementation of the Family Preservation Services Program as established in this act. In developing the Program the Secretary shall consider the advice and recommendations of the Advisory Committee on Family-Centered Services.

(b) The purpose of the Family Preservation Services Program is, where feasible and in the best interests of the child and the family, to keep the family unit intact by providing intensive family-centered services that help create, within the family, positive, long-term changes in the home environment.

(c) Family preservation services shall be financed in part through grants to local agencies for the development and implementation of locally-based family preservation services. Grants to local agencies shall be made in accordance with the provisions of G.S. 143B-150.6.

(d) The Secretary of the Department of Human Resources shall ensure the cooperation of the Division of Social Services, the Division of Youth Services, the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, and the Division of Medical Assistance, in carrying out the provisions of this act.

"§ 143B-150.6. Program services: eligibility: grants for local projects; fund transfers.

(a) Services: Services to be provided under the Family Preservation Services Program shall include but are not limited to: family assessment, intensive family and individual counseling, client
advocacy, case management, development and enhancement of parenting skills, and referral for other services as appropriate.

(b) Eligibility: Families eligible for services under the Family Preservation Services Program are those with children ages 0-17 years who are at risk of imminent separation through placement in public welfare, mental health, or juvenile justice systems.

(c) Service Delivery: Services delivered to eligible families under the Family Preservation Services Program shall be provided in accordance with the following requirements:

1. Each eligible family shall receive intensive family preservation services, beginning with identification of an imminent risk of out-of-home placement, for an average of four weeks but not more than six weeks;

2. At least one-half of a caseworker’s time spent providing family preservation services to each eligible family shall be provided in the family’s home and community;

3. Family preservation caseworkers shall be available to each eligible family by telephone and on call for visits 24 hours a day, seven days a week.

4. Each family preservation caseworker shall provide services to a maximum of four families at any given time.

(d) Grants for local projects: The Secretary of the Department of Human Resources shall award grants to local agencies for the development and implementation of locally-based family preservation services projects. In awarding the grants, the Secretary shall consider the recommendations of the Advisory Committee on Family-Centered Services. The number of grants awarded and the level of funding of each grant for each fiscal year shall be contingent upon and determined by funds appropriated for that purpose by the General Assembly and shall be in accordance with the phase-in period of the Family Preservation Services Program. During the phase-in period, and to the extent funds are appropriated, grants shall be awarded by the Secretary on a competitive basis to local agencies who submit proposals for such funding, which proposals meet grant award criteria established by the Advisory Committee on Family-Centered Services.

(e) Inter-agency fund transfers: The Department may allow the Division of Social Services, the Division of Youth Services, and the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, to use funds available to each Division to support family preservation services provided by the Division under the Program; provided that such use does not violate federal regulations pertaining to, or otherwise jeopardize the availability of federal funds.

"§ 143B-150.7. Advisory Committee on Family-Centered Services; establishment, membership, compensation."
CHAPTER 743  Session Laws — 1991

(a) There is established the Advisory Committee on Family-Centered Services within the Department of Human Resources.

(b) The Committee shall have 24 members appointed for staggered four-year terms and until their successors are appointed and qualify. The Governor shall have the power to remove any member of the Committee from office in accordance with the provisions of G.S. 143B-13. Members may succeed themselves for one term and may be appointed again after being off the Committee for one term. The Authority may acquire by eminent domain property that is owned by a political subdivision and is used as an airport established under Chapter 63 of the General Statutes only after obtaining the approval of the governing body of each political subdivision that established the airport. The Authority may not begin an eminent domain proceeding before it obtains the Council of State’s approval for the acquisition of the property to be condemned.

(c) Exchange. The Authority may exchange any property it acquires for other property usable in carrying out the powers conferred on the Authority and also, upon the payment of just compensation, may remove a building, a terminal, or another structure from land needed for its purposes and reconstruct the structure on another location. The Authority may not use the power of eminent domain to acquire property for exchange.

(d) Site selection. In selecting a site for a cargo airport complex, the Authority shall consider comprehensive plans and land-use regulations adopted by local governments and the capability of local governments to provide services as specified in subdivisions (1) through (3) of this subsection. provided under this Chapter for their payment. A bond anticipation note may be made payable from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, from any available Authority revenues or other funds provided for this purpose. Bonds and notes may also be paid from the proceeds of any credit facility.

All bonds, notes, or refunding bonds or notes of the Authority are subject to this section and G.S. 63A-10. All bonds, notes, or refunding bonds or notes to finance or refinance a special user project are also subject to G.S. 63A-11.

(b) In fixing the details of bonds or notes, the Authority may provide that the bonds or notes may:

1. Be payable from time to time on demand or tender for purchase by the owner of the bond or note if a credit facility supports the bond or note, unless the Local Government Commission specifically determines that a credit facility is not required because the absence of a credit facility will not materially and adversely affect the financial position of the Authority and the marketing of the bonds or notes at a reasonable interest cost to the Authority.

2. Be additionally supported by a credit facility.

3. Be made subject to redemption or a mandatory tender for purchase prior to maturity.

4. Be capital appreciation bonds.

5. Bear interest at a rate or rates that may vary, including variations permitted pursuant to a par formula.

(c) Notes and bonds shall mature at the times determined by the Authority, not to exceed 40 years from the date of issue. The Authority shall determine the form and manner of execution of a bond or note, including any interest coupons to be attached to the bond or note. The Authority shall fix the denominations and places of payment of principal and interest of the bond or note. The principal and interest on a bond or note may be paid at any bank or trust company, whether located inside or outside the United States of America.

(d) The validity of a bond, note, or coupon that has the signature or facsimile signature of a person who was an officer when the bond, note, or coupon was signed or the facsimile signature attached but who is not that officer when the bond, note, or coupon is delivered is not affected by the change in officers. A bond, note, or coupon may bear the signature or facsimile signature of a person who will be the proper officer to sign the bond, note, or coupon when it is executed but who is not the officer on the date of the bond, note, or coupon.

(e) The Authority may provide for any of the following:

1. Authentication of a bond or note by a trustee or other authenticating agent.

7. A system for registration in accordance with Chapter 159E of the General Statutes.
8. Replacement of a bond or note that has been mutilated, lost, or destroyed.

(f) The Authority may not issue a bond or note under this Chapter, other than an obligation permitted under G.S. 63A-4(a)(22), unless its issuance is approved by the Local Government Commission, and it is sold by the Local Government Commission. To obtain approval of a bond or note, the Authority shall file an application for approval with the Local Government Commission. The application shall contain the information required by the Local Government Commission.

In determining whether to approve a proposed bond or note issue of the Authority, the Local Government Commission shall consider the following:
(1) For bonds or notes to finance airport projects, the criteria for its approval of revenue bonds under G.S. 159-86.

(2) For bonds or notes to finance special user projects, the criteria used for its approval of industrial bonds under G.S. 159C-8.

(3) The effect of the proposed financing upon any proposed or scheduled sale of obligations by the State, another State agency, or a unit of local government.

The Local Government Commission shall approve the proposed bond or note issue if it determines that the proposed financing for the issue meets the criteria and will effect the purposes of this Chapter.

When the Local Government Commission approves a bond or note issue of the Authority, the Authority may submit a written request to the Local Government Commission to sell the approved bonds or notes. Upon receiving a written request, the Local Government Commission shall consult with the Authority on the manner in which the bonds or notes will be sold and the price or prices at which the bonds or notes will be sold. With the approval of the Authority, the Local Government Commission shall sell the bonds or notes either at public or private sale in the manner and at the prices determined to be in the best interest of the Authority and to effect the purposes of this Chapter.

Bonds or notes may be issued under this Chapter without obtaining, except as otherwise expressly provided in this Chapter, the consent of any department, division, commission, board, body, bureau, or other agency of the State or without any other proceedings or conditions except as specifically authorized by this Chapter or by the provisions of the resolution authorizing the issuance of, or any trust agreement securing, the bonds or notes.

(g) Each bond or note that is represented by an instrument shall contain a statement signed by the Secretary of the Local Government Commission, or an assistant designated by the Secretary, certifying that the issuance of the bond or note has been approved under this Chapter. The signature may be a manual signature or a facsimile signature, as determined by the Local Government Commission. Each bond or note that is not represented by an instrument shall be evidenced by a writing relating to the obligation that identifies the obligation or the issue of which it is a part, contains the signed statement certifying approval of the Local Government Commission that is required on an instrument, and is filed with the Local Government Commission. A certification of approval by the Local Government Commission is conclusive evidence that a bond or note complies with this Chapter.
(h) The proceeds of a bond or note shall be used solely for the purposes for which the bond or note was issued and shall be disbursed in accordance with the resolution authorizing the issuance of the bond or note and with any trust agreement securing the bond or note.

(i) Prior to the preparation of definitive bonds, the Authority may issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when the bonds have been executed and are available for delivery.

(j) The Authority may secure a bond or note issued under this Chapter by a trust agreement between the Authority and a corporate trustee. The corporate trustee may be any trust company or bank having the powers of a trust company inside or outside the State. The Authority may secure a bond or note issued under this Chapter by a deed of trust. The trustee of the deed of trust may be an individual who is a resident of the State. A bank or trust company that is incorporated in this State and is a depository of the proceeds of obligations, revenues, or other money of an Authority may furnish indemnifying bonds or pledge securities required by the Authority.

The pledge of any assets, income, or revenues of the Authority to the payment of the principal of or the interest on any obligations of the Authority is binding from the time the pledge is made, and any assets, income, or revenues of the Authority are immediately subject to the lien of the pledge without any physical delivery or other act. The lien created by a pledge is binding against all persons who have claims of any kind against the Authority, regardless of whether they have notice of the lien.

(k) A resolution authorizing the issuance of a bond or note and a trust agreement securing a bond or note may provide that any moneys held under the resolution or trust agreement may be temporarily invested pending disbursement. Any officer with whom, or any bank or trust company with which, the moneys are deposited is considered a trustee of the moneys and must hold and apply the moneys for their stated purpose in accordance with this Chapter and the resolution or trust agreement. The Authority may invest any moneys, other than the proceeds of bonds issued to finance special user projects, as allowed in G.S. 147-69.1 for investments of the State Treasurer or in this subsection. The proceeds of bonds issued to finance special user projects may be invested as provided in the security document for the bonds.

In connection with or incidental to the acquisition or carrying of any investment relating to bonds, program of investment relating to bonds, or carrying of bonds, the Authority may, with the approval of the Local Government Commission, enter into a contract to place the investment or obligation of the Authority, as represented by the bonds,
investment, or program of investment and the contract or contracts, in whole or in part, on an interest rate, currency, cash-flow, or other basis, including the following:

(4) Contracts to hedge payment, currency, rate, spread, or similar exposure, including interest rate floors or caps, options, puts, and calls.

The Authority may enter a contract of this type in connection with, or incidental to, entering into or maintaining any agreement that secures bonds. A contract shall contain the payment, security, term, default, remedy, and other terms and conditions the Board considers appropriate. The Authority may enter a contract of this type with any person after giving due consideration, where applicable, of the person’s credit-worthiness as determined by a rating by a nationally recognized rating agency or any other criteria the Board considers appropriate. In connection with, or incidental to, the issuance or carrying of bonds, or the entering of any contract described in this subsection, the Authority may enter into credit enhancement or liquidity agreements, with payment, interest rate, termination date, currency, security, default, remedy, and other terms and conditions as the Authority determines. Proceeds of bonds and any moneys set aside and pledged to secure payment of bonds or any of the contracts entered into under this subsection may be pledged to and used to service any of the contracts entered into under this section.

(l) Bonds and notes and their transfer, including any profit made on the their sale, are exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, excluding inheritance and gift taxes. The interest on bonds and notes is not subject to taxation as income, and the bonds and notes are not subject to taxation when constituting a part of the surplus of any bank, trust company, or other corporation.

(m) Bonds or notes issued under this Chapter shall not constitute a debt secured by a pledge of the faith and credit of the State or a political subdivision of the State and shall be payable solely from the revenues, income, or assets of the Authority that are pledged for their payment. The face of each bond or note issued shall contain a statement that the Authority is obligated to pay the bond or note or the
interest on the bond or note only from the revenues, income, or assets pledged in payment of the bond or note and that neither the faith and credit nor the taxing power of the State or any political subdivision of the State is pledged in payment of the principal of or the interest on the bond or note.

(n) The State pledges to the holder of a bond or note issued under this Chapter that, as long as the bond or note is outstanding and unpaid, the State will not limit or alter the power the Authority had when the bond or note was issued in a way that impairs the ability of the Authority to produce revenues sufficient with other available funds to do all of the following:

1. Maintain and operate the project for which the bond or note was issued.
2. Pay the principal of, interest on, and redemption premium, if any, of the bond or note.
3. Fulfill the terms of an agreement with the holder.

The State further pledges to the holder of a bond or note issued under this Chapter that the State will not impair the rights and remedies of the holder concerning the bond or note.

(o) Obligations issued under this Chapter are made securities in which all public officers and public bodies of the State and its political subdivisions, and all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees, and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. The obligations are made securities that may properly and legally be deposited with and received by any State or municipal officer or any agency or political subdivision of the State for any purpose for which the deposit of bonds, notes, or obligations of the State is now or may be authorized by law.

§ 63A-10. Refunding bonds or notes.

Refunding bonds or notes shall be issued in accordance with the same procedures and requirements as bonds or notes. Refunding bonds or notes may be sold or exchanged for outstanding bonds and notes issued under this Chapter.

Refunding bonds or notes may have different interest rates and maturities than the bonds or notes being refunded. The proceeds of refunding bonds or notes may be applied to any of the following:
The payment, purchase, and retirement of the bonds or notes being refunded by direct application to the payment, purchase, and retirement.

The payment, purchase, and retirement of the bonds or notes being refunded by the deposit in trust of the proceeds.

The payment of any expenses incurred in connection with the refunding.

For any other uses not inconsistent with the refunding.

Proceeds. -- The proceedings providing for the issuance of refunding bonds or notes may limit the investments in which the proceeds of a particular refunding issue may be invested. Unless prohibited by the proceedings, the proceeds of refunding bonds or notes that are deposited in trust for the payment, purchase, and retirement of outstanding bonds or notes may be invested in any of the following:

Direct obligations of the United States of America.

Obligations whose principal and interest are guaranteed by the United States of America.

An agreement may pledge and assign to the trustee or the holders of its obligations the assets, revenues, and income provided for the security of the bonds or notes, including proceeds from the sale of any special user project or part thereof, insurance proceeds, condemnation awards, and third-party agreements, and may convey or mortgage the project and other property and collateral to secure a bond issue.

(d) Notwithstanding any other provision of law, the Authority may agree that all contracts relating to the acquisition, construction, installation, and equipping of the special user project shall be solicited, negotiated, awarded, and executed by the private parties for
which the Authority is financing the special user project or any agents of the private parties subject only to approval by the Authority as the Authority may require. 104(e) and G.S. 25-9-302(6) repealed.

§ 63A-12. Public hearing requirements.

To the extent federal tax law requires public hearings to be held with respect to the issuance of bonds to finance projects, the hearings may be called for by the executive director and held before one or more members of the Board of the Authority. The hearings may be held at any place within the State pursuant to public notice given in accordance with current federal tax regulations. To the extent federal tax law requires approval following the hearing of the issuance of bonds to finance a project, the approval shall be sought from the Governor following a report to the Governor of the results of the public hearing accompanied by information relating to the purposes for the proposed bond issue.

Every financing agreement shall contain provisions ensuring all of the following:

1. That the amounts payable under the financing agreement are sufficient to pay, when due, the principal of, redemption premium, if any, and interest on the bonds issued to pay the costs of the special user project.

2. That the operator pays all costs incurred by the Authority in connection with the financing and administration of the special user project, except costs paid out of the proceeds of bonds or otherwise, including, but without limitation, insurance costs, the cost of administering the financing agreement and the security document, and the fees and expenses of the fiscal agent or trustee, paying agents, attorneys, consultants, and others.

3. That the operator pays all the costs and expenses of operation, maintenance, and upkeep of the special user project.
That the operator's obligation to provide for the payment of the bonds in full is not subject to cancellation, termination, or abatement until the payment of the bonds or provision for their payment is made.

The financing agreement, if in the nature of a lease agreement, shall either provide that the obligor shall have an option to purchase, or require that the obligor purchase, the special user project upon the expiration or termination of the financing agreement subject to the condition that payment in full of the principal of, and the interest and any redemption premium on, the bonds, or provision therefor, shall have been made.

The financing agreement may provide the Authority with rights and remedies in the event of a default by the obligor including, without limitation, any one or more of the following:

1. Acceleration of all amounts payable under the financing agreement.
2. Reentry and repossession of the special user project.
3. Termination of the financing agreement.
4. Leasing or sale of foreclosure of the special user project to others.
5. Taking whatever actions at law or in equity may appear necessary or desirable to collect the amounts payable under, and to enforce covenants made in, the financing agreement.

The Authority's interest in a special user project under a financing agreement may be that of owner, lessor, lessee, conditional or installment vendor, mortgagor, mortgagee, secured party, or otherwise, but the Authority need not have any ownership or possessory interest in the special user project.

The Authority may assign all or any of its rights and remedies under the financing agreement to the trustee or the bondholders under a security document.

The financing agreement may contain additional provisions as in the determination of the Board are necessary or convenient to effectuate the purposes of this Chapter. When, as provided in G.S. 63A-9 and G.S. 63A-11, the Local Government Commission approves the issuance of bonds by the Authority, the Commission shall also approve all financing agreements and security documents.

Bonds issued under the provisions of this Chapter may be secured by a security document which may be a trust instrument between the Authority and a bank or trust company or individual within the State, or a bank or a trust company outside the State, as trustee. The security document may pledge and assign the revenues provided for
the security of the bonds, including proceeds from the sale of any project, or part thereof, insurance proceeds and condemnation awards, and may convey or mortgage the project and other property to secure a bond issue.

The revenues and other funds derived from the project, except for any part as may be necessary to provide reserves therefor, if any, may be set aside at regular intervals as may be provided in the security document in a sinking fund which may be pledged to, and charged with, the payment of the principal of and the interest on the bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as provided. The pledge shall be valid and binding from the time when the pledge is made. The revenues pledged and received by the Authority shall immediately be subject to the lien of the pledge without any physical delivery or further act, and the lien of any pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether the parties have notice. The use and disposition of money to the credit of the sinking fund shall be subject to the provisions of the security document. The security document may contain provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including, without limitation, any one or more of the following:

(1) Acceleration of all amounts payable under the security document.

(2) Appointment of a receiver to manage the project and any other property mortgaged or assigned as security for the bonds.

(3) Foreclosure and sale of the project and any other property mortgaged or assigned as security for the bonds.

(4) Rights to bring and maintain such other actions at law or in equity as may appear necessary or desirable to collect the amounts payable under, or to enforce the covenants made in, the security document.

It shall be lawful for any bank or trust company incorporated under the laws of this State which may act as depository of the proceeds of bonds, revenues, or other funds provided under this Chapter to furnish indemnifying bonds or to pledge securities as may be required by the Authority. All expenses incurred in carrying out the provisions of the security document may be treated as a part of the cost of the project in connection with which bonds are issued or as an expense of administration of the project.

The Authority may subordinate the bonds or its rights under the security document or otherwise to any prior, contemporaneous, or
future securities or obligations or lien, mortgage, or other security interest.

(a) Any county in which all or part of a cargo airport complex site is located may enter into an agreement with the Authority providing for payments to be made by the county to the Authority. A county may not enter into an agreement to make payments to the Authority until after the Authority designates the cargo airport complex site. The county's obligations under the agreement shall not constitute a pledge of its faith and credit.

Any owner of bonds or notes issued under the provisions of this Chapter or any coupons appertaining thereto, and the trustee under any trust agreement securing or resolution authorizing the issuance of such bonds or notes, except to the extent the rights given may be restricted by the trust agreement or resolution, may either at law or in equity, by suit, action, mandamus, or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under the trust agreement or resolution, or under any other contract executed by the Authority pursuant to this Chapter; and may enforce and compel the performance of all duties required by this Chapter or by the trust agreement or resolution by the Authority or by any officer of the Authority.

All bonds and notes and interest coupons, if any, issued under this Chapter are made investment securities within the meaning of and for all the purposes of Article 8 of the Uniform Commercial Code, as enacted in Chapter 25 of the General Statutes.

(a) The Authority has exclusive zoning jurisdiction within a cargo airport complex site. The Authority has zoning jurisdiction within four miles of the boundaries of a cargo airport complex site. The Authority has zoning jurisdiction sufficient to restrict the height of any structure to be erected, and the height to which any tree may grow, within six miles of the boundaries of a cargo airport complex site.
(b) No State agency and, in accordance with G.S. 63-31, no political subdivision may adopt, without obtaining the approval of the Authority, either of the following if it conflicts with a zoning provision or land use restriction adopted by the Authority:
(1) An airport zoning provision or other land use regulation that affects real property within four miles of any cargo airport complex site.

(1) Contracts for capital construction or repair projects.
(2) Contracts for goods.

(b) The goals for the Authority are as follows:

(1) Ten percent (10%) participation by minority business enterprises.
(2) Five percent (5%) participation by women's business enterprises.

In determining participation in contract awards, a contract shall be counted as participation by a minority business enterprise without regard to the gender of the owner, but only if the business does not qualify as a disabled business enterprise. A contract shall be counted as participation by a women's business enterprise only if the business does not also qualify as a disabled business enterprise. A contract shall be counted as participation by a disabled business enterprise without regard to the race or gender of the owner. The goals in this section, instead of any goals in Article 8 of Chapter 143 of the General Statutes, apply to the Authority. With respect to projects for which the Authority would not receive federal funds if it adhered to the goals in this section because the goals are contrary to or are inconsistent with 14 C.F.R. Part 152, Subpart E, Nondiscrimination in Airport Aid Program, the federal law and regulations supersede this section to the extent it is contrary to or inconsistent with the federal law and regulations.

H.B. 366     CHAPTER 753

AN ACT TO INCREASE THE AMOUNT OF SICK LEAVE 
CREDITABLE TOWARD RETIREMENT FOR LOCAL 
GOVERNMENT EMPLOYEES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 128-26(e) reads as rewritten:

"(e) Creditable service at retirement on which the retirement 
allowance of a member shall be based shall consist of the membership 
service rendered by him since he last became a member, and also if 
he has a prior service certificate which is in full force and effect, the 
amount of the service certified on his prior service certificate: and if 
he has sick leave standing to his credit upon retirement on or after 
July 1, 1971, one month of credit for each 20 days or portion thereof 
not to exceed one month 12 days of credit for each two years year of 
prior and membership service or fraction thereof, but sick leave shall 
not be counted in computing creditable service for the purpose of 
determining eligibility for disability retirement or for a vested deferred 
allowance.

On and after July 1, 1971, a member whose account was closed on 
account of absence from service under the provisions of G.S. 128-
24(1a) and who subsequently returns to service for a period of five 
years, may thereafter repay the amount withdrawn plus regular 
interest thereon from the date of withdrawal through the year of 
repayment and thereby increase his creditable service by the amount of 
creditable service lost when this account was closed.

On and after July 1, 1973, a member whose account in the 
Teachers' and State Employees' Retirement System was closed on 
account of absence from service under the provisions of G.S. 135-3(3) 
and who subsequently became or becomes a member of this System 
with credit for five years of service, may thereafter repay in a lump 
sum the amount withdrawn from the Teachers' and State Employees' 
Retirement System plus regular interest thereon from the date of 
withdrawal through the year of repayment and thereby increase his
Creditable service in this System by the amount of creditable service lost when his account was closed.

Notwithstanding any other provision of this Chapter, any member who entered service or was restored to service prior to July 1, 1982, and was excluded from membership service solely on account of having attained the age of 62 years, in accordance with former G.S. 128-24(3a), may purchase membership service credits for such excluded service by making a lump-sum payment equal to the contributions that would have been deducted pursuant to G.S. 128-30(b) had he been a member of the Retirement System, increased by interest calculated at a rate of seven percent (7%) per annum. Creditable service for unused sick leave shall be allowed only for sick leave accrued monthly during employment under a duly adopted sick leave policy and for which the member may be able to take credits and be paid for sick leave without restriction.

On and after January 1, 1986, the creditable service of a member who was a member of the Law Enforcement Officers' Retirement System at the time of the transfer of law enforcement officers employed by participating employers from that System to this Retirement System and whose accumulated contributions are transferred from that System to this Retirement System, includes service that was creditable in the Law Enforcement Officers' Retirement System; and membership service with that System is membership service with this Retirement System; provided, notwithstanding any provisions of this Article to the contrary, any inchoate or accrued rights of such a member to purchase creditable service for military service, withdrawn service and prior service under the rules and regulations of the Law Enforcement Officers' Retirement System may not be diminished and may be purchased as creditable service with this Retirement System under the same conditions that would have otherwise applied."

Sec. 2. It is the intent of the 1991 General Assembly to give every consideration to post-retirement increases or cost-of-living adjustments for retirees and other surviving beneficiaries of the Teachers' and State Employees' Retirement System, the Local Governmental Employees' Retirement System, the Consolidated Judicial Retirement System, and the Legislative Retirement System during the 1992 Regular Session of the 1991 General Assembly. Sec. 3. This act becomes effective July 1, 1991, and applies to retirements on or after that date.
In the General Assembly read three times and ratified this the 16th day of July, 1991.

It is one of the purposes of this act to provide support, by the issuance of bonds to make grants, together with support to be provided by the federal government as herein mentioned, in order to facilitate the payment of certain capital costs required in providing new and improving existing facilities to be used by entities providing services under the "Headstart" program, a program delivering comprehensive health, educational, nutritional, social and other services to economically disadvantaged children, primarily children who have not reached the age of compulsory school attendance. The proceeds of bonds and notes issued to make Headstart grants shall be used for the purpose of providing a grant by the State, together with other available funds, to local private nonprofit corporations and public agencies administering Headstart programs for the payment of the cost of acquiring, constructing, reconstructing, renovating, equipping and improving classroom facilities for the existing Headstart programs, including, without limitation, the acquisition of land. The contribution to be made by the State shall be made only to nonprofit corporations and public agencies receiving monies from the federal government under the federal Headstart program. The contribution by the State shall be made pursuant to agreements between the State by the Department of Human Resources and the nonprofit corporations or pursuant to rules and regulations of the Department of Human Resources having application to public agencies. The agreements and the rules and regulations shall contain provisions necessary to assure that the proceeds of the bonds and notes are applied for the accomplishment of public purposes only, within the meaning of Article V, Section 2(7) of the North Carolina Constitution, including, without limitation, provisions to assure that facilities provided or improved shall be used in connection with the Headstart program and further shall contain provisions to assure compliance with G.S. 143-6.1. In entering into agreements with nonprofit corporations or promulgating rules and regulations having application to public agencies, the Department of Human Resources shall incorporate requirements including the following:

General Statutes of North Carolina concerning public bidding for construction and acquisition of equipment.

(3) State funds shall be provided at the sole discretion of the Secretary of the Department of Human Resources following a review of applications. The applications are to document the need for additional classroom space or equipment to meet Headstart needs. The documentation shall state why funds are needed; shall identify companion sources of funding: contain the endorsement of the county in which the proposed project is or will be located: identify the specific activities to be achieved including a schedule of events: and contain a description of the anticipated impact in the community.

(4) Each of the 44 existing Headstart programs in the State shall receive no more than $36,364 from the proceeds of bonds and notes issued for Headstart purposes.

The General Assembly may change from time to time any of the foregoing requirements. The proceeds of bonds and notes issued for Headstart purposes, including premium thereon, if any, except the proceeds of bonds the issuance of which has been anticipated by bond anticipation notes or the proceeds of refunding bonds or notes, shall be placed by the State Treasurer in a special account to be designated "Headstart Bonds Account" to be established in the State Capital Facilities Legislative Bond Fund of 1991. Moneys in the Headstart Bonds Account shall be used for the purposes set forth in this act.

Projected allocations set forth above may be increased to reflect the availability of other funds, including, without limitation, contingency funds, income earned on the investment of bond and note proceeds, and the proceeds of any grants.

The Director of the Budget may, when the Director determines it is in the best interest of the State to do so, and if the cost of a particular project is less than the projected allocation, use the excess funds to increase the size of that project or to increase the size of any other project itemized in this section, except for the Headstart grant program, or to increase the amount allocated to a particular institution within the aggregate amount of funds available under this section including the proceeds of any investment earnings. Prior to taking any action under this subdivision, the Director of the Budget may consult with the Advisory Budget Commission.

The Office of State Budget and Management shall provide quarterly reports to the Chairs of the Appropriations Committee and the Base Budget Committee in the Senate, the Chair of the Appropriations Committee in the House of Representatives, the Joint Legislative Commission on Governmental Operations, and the Fiscal

RESOLUTION 29

A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF THOMAS MEREDITH, ON THE OCCASION OF THE CENTENNIAL OF THE GRANTING OF THE CHARTER TO BAPTIST FEMALE UNIVERSITY (MEREDITH COLLEGE) BY THE NORTH CAROLINA GENERAL ASSEMBLY.

Whereas, Thomas Meredith was valedictorian of the graduating class of the University of Pennsylvania in 1816; and

Whereas, Thomas Meredith came to Edenton in 1817 as a missionary to North Carolina; and

Whereas, Thomas Meredith founded and began regular publication of the Biblical Recorder in 1835 in New Bern and moved it to Raleigh in 1838; and

Whereas, Thomas Meredith served on a committee appointed by the North Carolina Baptist State Convention at its 1835 session held at Union Camp Ground in Rowan County to study the establishment of a female seminary; and

Whereas, Thomas Meredith continued to serve on that committee which in 1836 acknowledged "the great importance of female education" and urged "upon the Baptist public generally to avail themselves, as far as their circumstances will allow, of the facilities now in existence for cultivating the minds of their daughters in order to raise up a generation of women who shall employ all that influence and control which are conceded to them in every civilized and Christian country, on the side of liberal sentiment and to sway the minds of men in behalf of virtue and religion;" and

Whereas, Thomas Meredith authored a resolution adopted by the Baptist State Convention on November 6, 1838, which argued in part, "that there are but few female schools of much standing in our State --... that our people are therefore compelled either to keep their daughters at home uneducated, or send them to other states, at an enormous expense and much inconvenience--constitute, in the view of your committee, sufficient evidence that a seminary adapted to the wants of our people, and located in central part of the State, is an object much to be desired;" and

Whereas, Thomas Meredith continued to argue for the cause of the establishment of a female seminary in the conventions which followed and in the pages of the Biblical Recorder, which he edited for 20 years; and

Whereas, Thomas Meredith argued that cause until his death in 1850; and

2628
Whereas, Thomas Meredith's dream was realized when the 1891 North Carolina State Legislature issued a charter on February 27 for Baptist Female University; and

Whereas, Baptist Female University was opened in 1899, its name changed to Baptist University for Women in 1904, and changed once more in 1910 to Meredith College in honor of Thomas Meredith; and

Whereas, Meredith College for 100 years has held steadily to the ideals of academic integrity and religious influence cherished by its founders, trustees, faculty, staff, alumnae, and students; and

Whereas, Meredith College honors its proud heritage and expands its vision as it enters a second century of providing scholarly and spiritual education for women:

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The General Assembly honors the life and memory of Thomas Meredith, whose actions, example, ideals, and deeds led to the founding of Meredith College and joins in commemorating the centennial celebration of the issuance of its charter.

Sec. 2. The Secretary of State shall transmit a certified copy of this resolution to the President of Meredith College.

Sec. 3. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 16th day of July, 1991.

A conference committee may meet in the interim upon approval by the Speaker of the House of Representatives or the President Pro Tempore of the Senate.

EXECUTIVE ORDER NUMBER 130
SUPPLEMENTING EXECUTIVE ORDER NUMBER 114

Reference is made to Executive Order Number 114 dated May 8, 1990.

It has been determined from the continuing survey of the collection of revenues for the 1990-91 fiscal year made by the Office of State Budget and Management that unless economies are effected in State expenditures in addition to those heretofore effected, the State will incur a deficit in the administration of its General Fund budget.

THEREFORE, pursuant to authority granted to the Governor by Article III, Sec. 5(3) of the Constitution and to fulfill the duties required of the Governor thereunder:

1. It is found as a fact that based on General Fund revenue collections through December 31, 1990, and projections for the collection of these revenues through June 30, 1991, actual receipts of General Fund revenues for the 1990-91 fiscal year will not meet those anticipated and budgeted by the 1989 General Assembly.

2. From this fact it is determined and concluded that unless additional economies in State expenditures are made, the State's General Fund expenditures will exceed General Fund receipts for the biennium.

3. To insure that a deficit is not incurred in the administration of the General Fund budget for the 1989-91 biennium, the following additional
economies in State expenditures are found to be necessary and are hereby
ORDERED:

Section 1. Effective January 9, 1991, and until further notice, except
those for which prior commitments have been made, vacant positions in those
agencies of State Government funded by General Fund appropriations may not
be filled, without prior written approval of the Office of State Budget and
Management.

Section 2. This Order shall become effective at 10:00 a.m., January 9,
1991, and shall remain in effect until rescinded by further Executive Order.

North Carolina is proud of its sons and daughters who have served with the Nation's Armed Forces during the Persian Gulf Conflict. We have prayed for their safety and welcome their return. But that is not enough. We now must do all we can to help make their return to their everyday lives as easy as possible.

Many of those who served in our armed forces during the Persian Gulf Conflict were State employee National Guardsmen and reservists who interrupted their employment with the State and took military leave without pay to perform their military duties. Over the next few months they will be coming home to their families and friends and to resume their State employment. As an employer, the State can ease their transitions from their military to their civilian lives by granting to them a special readjustment leave, with pay, in which to reorder their affairs before returning to work.

THEREFORE, in grateful recognition of all that they have done for us by their service in the Armed Forces of the United States during the Persian Gulf Conflict and pursuant to authority granted
to me as Governor by Article III, Sec. 1 of the Constitution and
North Carolina General Statutes §§143A-4 and 143B-4, it is ORDERED:

Section 1. Upon resuming their employment with the State all
State employees on military leave without pay from their regular
State employment on account of extended active duty with the Armed
Forces of the United States during the Persian Gulf Conflict, shall
be given 80 hours (10 days) special readjustment leave to be used
by such employees prior to returning to work.

Section 2. For the purposes of this Executive Order:

(a) "Persian Gulf Conflict" shall refer to that time
beginning August 2, 1990, and ending when this Executive Order
is revoked.

(b) "State employees" shall refer to all persons employed
by the State or agencies of the State who are paid in whole
or in part with State funds, including employees of local education
agencies and community colleges.

Section 3. This special readjustment leave shall be in addition
to the regular leave earned by such State employees. Any such leave
that is not used within twelve months after the recipient has returned
to work or prior to his separation from State employment, shall be
lost.

Section 4. This special readjustment leave shall be administered
by the Office of State Personnel.

Section 5. The following Council of State members are hereby
given special recognition for the concurrence and encouragement they
have given to me in promulgating this executive order:
James C. Gardner  Lieutenant Governor
Harlan E. Boyles  State Treasurer
John C. Brooks  Commissioner of Labor
Rufus L. Edmisten  Secretary of State
Bobby R. Ethridge  Superintendent of Public Instruction
James A. Graham  Commissioner of Agriculture
James E. Long  Commissioner of Insurance
Edward Renfrow  State Auditor
Lacy H. Thornburg  Attorney General

Special recognition is also given to the State Personnel Commission and Office of State Personnel for their endorsement of the same.

Section 6. This executive order shall be effective immediately and shall continue in effect until revoked by me or my successor.

Shortfalls and possible shortfalls in the State's revenue collections for fiscal year 1990-91, require that the State conserve its cash resources whenever the same can be done without impairing either the services rendered by the State or the compensation paid to the State's employees who render the services.

Appropriated but unpaid contributions to the Teachers' and State Employees' Retirement System are authorized contributions by the State to the System but are not "funds" of the Teachers' and State Employees' Retirement System, as that word is used in Article V, Sec. 6(2) of the Constitution. Like other appropriations, appropriations to the Teachers' and State Employees' Retirement System are subject to the directive given the Governor by Article III, Sec. 5(3) of the Constitution, to avoid deficits by effecting economies in State expenditures.

Actuarial studies based on assumptions that I find acceptable show that the amounts of the State's past contributions to the Teachers'
and State Employees' Retirement System have been such that the State's contributions to the System for the months of January through June, 1991, can be foregone without impairing either the current or future retirement, disability or death benefits to which retirees are entitled under present law.

THEREFORE, to the end that the State's cash resources may be sufficient to meet the State's needs for cash for the balance of FY 1990-91 and pursuant to authority granted to me by Article III, Secs. 1 and 5(3) of the Constitution, N.C.G.S. §§143A-4 and §§143B-4 and the Executive Budget Act, it is ORDERED:

Section 1. The State's agencies shall not make contributions to the Teachers' and State Employees' Retirement System for the months of January through June 1991.

Section 2. The Office of State Budget and Management shall escrow in a special account within the Treasury, cash in an amount equal to 2.3% and 0.16% of the compensation paid by the State to members of the Teachers' and State Employees' Retirement System for the months of January through June, 1991. If and at such time prior to June 30, 1991, it is found necessary to use some or all of the cash so escrowed to keep the State from incurring a deficit as defined in Article III, Sec. 5(3) of the Constitution, so much of the escrowed cash as shall be needed therefor shall be transferred to the General Fund. All cash remaining in the Escrow Fund on June 30, 1991, if any, shall be paid to the Trustees of the Teachers' and State Employees' Retirement System before the close of that business day as the State's contribution to the Fund for the period January 1 through June 30, 1991.
Section 3. This Executive Order shall be effective immediately and remain in effect until rescinded or the beginning of the business day July 1, 1991, whichever is earlier.

Rufus L. Edmisten
Secretary of State
The Northampton County Board of Commissioners has asked that I appoint a special commission to investigate shortages and the causes for the shortages in the Northampton County Schools' finances. Documents were submitted in support of the request which evidence that shortages totaling $484,185 were suffered during the 1988-89 and 1989-90 school years and that there have been various violations of the North Carolina School Finance Act. The request was made by the Northampton County Board because it felt that the financial condition of the schools had deteriorated to the point that neither the Northampton Board of Education nor the Northampton County Board could cope with it.

North Carolina General Statute §143-158 authorizes the Governor to appoint special commissions to investigate State departments or institutions and submit their findings to him.

Article IX, Sec. 5 of the Constitution vests the State Board of Education with the authority and responsibility for supervising and administering the State's free public school system and the educational funds provided by the State for its support. Northampton
County Schools is a part of the free public school system and it and the funds provided for its support are subject to the supervision and administration of the State Board of Education.

The State Auditor has the authority and resources to do much of the work that will be required for the State Board of Education to make the investigation requested by the Northampton County Board. The State Board of Education has made known to me that it would be helpful to the State Board to have the benefit of the assistance of the State Auditor in carrying out the investigation.

THEREFORE, as requested by the Northampton County Board of Commissioners and pursuant to Article III, Sec. 1 and Article IX, Sec. 5 of the Constitution and North Carolina General Statutes §143-158, §143A-25 and §147-64.6(c)(3), it is ORDERED:

Section 1: The State Board of Education is hereby designated a Special Commission to investigate alleged shortages in the Northampton County School's finances and the causes for such shortages and report to me (i) the results of its findings and (ii) its recommendations for remedying whatever shortcomings found.

Section 2: The State Auditor is hereby requested to assist the State Board of Education in its investigation by conducting a Special Investigation and Compliance Audit of the Northampton County Schools for such periods as are found to be indicated for the State Board of Education to discharge its responsibilities hereunder and to do all such other things as appear to the State Auditor to be appropriate to that end and to report the results of the same to the State Board of Education.
Section 3: The Attorney General, the Department of Justice, the State Treasurer, the Local Government Commission and all other agencies of the State called upon to do by the State Board of Education and/or the State Auditor, shall furnish assistance to the State Board and/or the State Auditor in conducting this investigation.

Section 4: This Executive Order shall be effective immediately and shall remain in effect until terminated by me or my successor.

Done in Raleigh, North Carolina, this 22nd day of April, 1991.

EXECUTIVE ORDER NUMBER 142
CHILD PROTECTIVE SERVICES

WHEREAS, the future of North Carolina depends on its children; and

WHEREAS, the number of abuse and neglect cases have skyrocketed in recent years, in too many instances cutting short the lives of our youngest citizens; and

WHEREAS, county departments of social services received 36,000 reports of child abuse and neglect in state fiscal year 1989 involving more than 52,000 children; and

WHEREAS, reports of abuse and neglect are increasing dramatically at a time when both the state and counties are facing serious revenue shortfalls, leaving them unable to provide the funds necessary for the number of social services workers needed to investigate abuse/neglect reports and provide treatment for children and their families; and

WHEREAS, it is the duty of the Department of Human Resources' Division of Social Services to assist counties in providing the services necessary to protect children from abusive home situations;

NOW, THEREFORE, by the authority vested in me as Governor by the Constitution and laws of North Carolina, IT IS ORDERED:

Section 1. The Secretary of Human Resources is responsible for ensuring that the Division of Social Services strengthen its supervision of county administered Child Protective Services (CPS) programs through such mechanisms and methods as: the procedures for division review of child fatalities, the establishment of Community Child Protection Teams, more effective
monitoring of CPS screening decisions, improvements to the Central Registry for Child Abuse and Neglect, increased training and community awareness, enhancement of the Child Medical Evaluation Program and proposed legislative actions.

Section 2. The Secretary of Human Resources is hereby directed to request the Social Services Commission to enact emergency rules, in accordance with Chapter 150B of the North Carolina General Statutes, requiring each County Department of Social Services to establish a Community Child Protection Team to review defined cases of child abuse or neglect, including child fatalities. It is my recommendation that the membership of each team include, but not be limited to, the following individuals: the director of Social Services and a member of their staff, local law enforcement, the District Attorney's office, the medical profession, community action agency, school personnel, county social services board member and, at their option, three to five members appointed by the county board of commissioners. The county board of commissioners may by action within 30 days designate the chairman of the review team. Otherwise, the director of Social Services will chair the team.

In cases of abuse/neglect, the focus of the team shall be to ensure appropriate community involvement in the protection of the children and to assist the county department of social services in evaluating allegations of maltreatment and in planning and providing services to prevent further abuse/neglect. In the review of child fatalities resulting from maltreatment, the focus of the review team will be to identify gaps and deficiencies in the local child protection system and help put into place needed remedies, and to assist the county department of social services in the protection of surviving siblings.

The teams shall conduct their reviews in compliance with all laws and regulations governing confidentiality of abuse/neglect records.

Section 3. It shall be the responsibility of the Department of Human Resources Division of Social Services, in accordance with the laws and through the adoption of emergency rules by the Social Services Commission, to:

1. Develop procedures to guide the operation of community child protection teams and to define the cases which will be subject to review by the county teams.

2. Standardize among counties the interpretation of "caretaker" so all counties investigate allegations of abuse and neglect involving non-traditional family members, such as boyfriends.

3. Require each county department of social services to have a two level review prior to making a decision not to investigate a report of alleged abuse or neglect.
Such review would, at a minimum, involve the worker receiving the call and that person's supervisor and could include review by the county director.

4. Monitor closely county cases in which the decision was made not to investigate a report.

5. Require each county department to establish a process by which the reporting person may request and obtain a review of the decision not to investigate, and will require that such persons be informed of the process for obtaining such a review.

6. Require that all county Child Protective Services staff attend basic training courses developed by the Division of Social Services after consultation with the Office of State Personnel.

7. Make improvements to the Central Registry for Child Abuse and Neglect by amending 10 N.C.A.C. 41I.0102. These improvements will allow county departments of social services to identify whether children who are the subject of abuse/neglect investigations have been previously reported as abused or neglected, or whether the child is a member of a family in which a child fatality due to maltreatment has occurred in any county in the state. These improvements shall allow law enforcement and medical professionals to have all pertinent information from the State Central Registry which legally may be disclosed. Further, these improvements shall allow the Department of Human Resources and the division to provide access, as allowed by law, to the Central Registry by law enforcement and the Chief Medical Examiner's office in the event of a child fatality to determine whether abuse or neglect should be evaluated as a cause of death.

8. Provide quarterly reports to the public on child fatalities that occur due to maltreatment.

Section 4. Funds from the Community Services Block Grant administered by local Community Action Agencies shall be allocated for Community Awareness Conferences across the state. The Conferences will seek to increase citizen and agency participation in appropriate reporting of child abuse/neglect and fatalities, and in family preservation and child protection activities.

Section 5. The terms and conditions of this Executive Order which may conflict with the terms and conditions of previous Executive Orders on this subject shall control.

Section 6. This Order shall become effective immediately.
