AN ACT TO ESTABLISH THE HEALTH INSURANCE PROGRAM FOR CHILDREN AND TO AUTHORIZE A TAX CREDIT FOR CERTAIN PURCHASERS OF DEPENDENT HEALTH INSURANCE.

The General Assembly of North Carolina enacts:

Section 1. Article 2 of Chapter 108A of the General Statutes is amended by adding the following new Part to read:

Unless the context clearly requires otherwise, the term:

1. 'Comprehensive health coverage' means creditable health coverage as defined under Title XXI.

2. 'Family income' has the same meaning as used in determining eligibility for the Medical Assistance Program.

3. 'FPL' or 'federal poverty level' means the federal poverty guidelines established by the United States Department of Health and Human Services, as revised each April 1.

4. 'Medical Assistance Program' means the State Medical Assistance Program established under Part 6 of Article 2 of Chapter 108A of the General Statutes.

5. 'Program' means The Health Insurance Program for Children established in this Part.

6. 'State Plan' means the State Child Health Plan for the State Children's Health Insurance Program established under Title XXI.

8. 'Uninsured' means the applicant for Program benefits was not covered under any private or employer-sponsored comprehensive health insurance plan for the six-month period immediately preceding the date the Program becomes effective. Effective six
months from date the Program becomes effective, ‘uninsured’
means the applicant is and was not covered under any private or
employer-sponsored comprehensive health insurance plan for 60
days immediately preceding the date of application. The waiting
periods required under this subdivision shall be waived if the child
has lost Medicaid eligibility due to a change in family income or
has lost employer-sponsored comprehensive health care coverage
due to termination of employment, cessation by the employer of
employer-sponsored health coverage, or cessation of the
employer’s business.

"§ 108A-70.19. Short title; purpose; no entitlement.
This Part may be cited as ‘The Health Insurance Program for Children
Act of 1998.’ The purpose of this Part is to provide comprehensive health
insurance coverage to uninsured low-income children who are residents of
this State. Coverage shall be provided from federal funds received, State
funds appropriated, and other nonappropriated funds made available for this
purpose. Nothing in this Part shall be construed as obligating the General
Assembly to appropriate funds for the Program or as entitling any person to
coverage under the Program.

"§ 108A-70.20. Program established.
The Health Insurance Program for Children is established. The Program
shall be administered by the Department of Health and Human Services in
accordance with this Part and as required under Title XXI and related
federal rules and regulations. Administration of Program benefits and

The enrollment fee for Program coverage for enrollees whose family income is above one hundred fifty percent (150%) of the federal poverty level shall be fifty dollars ($50.00) per year per child with a maximum annual enrollment fee of one hundred dollars ($100.00) for two or more children. The enrollment fee shall be collected by the county department of social services and retained to cover the cost of determining eligibility for services under the Program. County departments of social services shall establish procedures for the collection of enrollment fees.

(d) Cost-Sharing. -- There shall be no deductibles, copayments, or other cost-sharing charges for families covered under the Program whose family income is at or below one hundred fifty percent (150%) of the federal poverty level. Families covered under the Program whose family income is

(e) Cost-Sharing Limitations. -- The total annual aggregate cost-sharing,
including fees, with respect to all children in a family receiving Program
benefits under this Part shall not exceed five percent (5%) of the family's
income for the year involved. To assist the Department in monitoring and
ensuring that the limitations of this subsection are not exceeded, the
Executive Administrator and Board of Trustees of the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan shall
provide data to the Department showing cost-sharing paid by Program enrolees.

(f) Coverage From Private Plans. -- The Department shall, from funds
available for the Program, pay the cost for dependent coverage provided
under a private insurance plan for persons eligible for coverage under the
Program if all of the following conditions are met:

(1) The person eligible for Program coverage requests to obtain
dependent coverage from a private insurer in lieu of coverage
under the Program and shows proof that coverage under the
private plan selected meets the requirements of this subsection;

(2) The dependent coverage under the private plan is actuarially
equivalent to the coverage provided under the Program and the
private plan does not engage in the exclusive enrollment of
children with favorable health care risks;

income for the year involved.

The Department may reimburse an enrollee for private coverage under
this subsection upon a showing of proof that the dependent coverage is in
effect for the period for which the enrollee is eligible for the Program.

(g) Purchase of Extended Coverage. -- An enrollee in the Program who
loses eligibility due to an increase in family income above two hundred
percent (200%) of the federal poverty level and up to and including two
hundred twenty-five percent (225%) of the federal poverty level may
purchase at full premium cost continued coverage under the Program for a period not to exceed one year beginning on the date the enrollee becomes ineligible under the income requirements for the Program. The same benefits, copayments, and other conditions of enrollment under the Program shall apply to extended coverage purchased under this subsection.

(h) No State Funds for Voluntary Participation. -- No State or federal funds shall be used to cover, subsidize, or otherwise offset the cost of coverage obtained under subsection (g) of this section.

(e) G.S. 135-39.6A is amended by adding the following subsection to read:

"(c) The Executive Administrator and Board of Trustees shall establish premium rates for benefits provided under Part 5 of this Article. The Department of Health and Human Services shall, from State and federal appropriations and from any other funds made available for the Health Insurance Program for Children established under Part 8 of Article 2 of Chapter 108A of the General Statutes, make payments to the North Carolina Teachers’ and State Employees’ Comprehensive Major Medical Plan as determined by the Plan for its administration, claims processing, and other services authorized to provide coverage for acute medical care for children eligible for benefits provided under Part 5 of this Article."

(f) G.S. 135-39.8 reads as rewritten:

The Executive Administrator and Board of Trustees may issue rules and regulations to implement Parts 2, 3, and 4 of Article 2 of this Article. Rules and regulations of the Board of Trustees shall remain in effect until amended or repealed by the Executive Administrator and Board of Trustees. The Executive Administrator and Board of Trustees shall provide a written description of the rules and regulations issued under this section to all employing units, all health benefit representatives, the oversight team provided for in G.S. 135-39.3, all relevant health care providers affected by a rule or regulation, and to any other parties requesting a written description and approved by the Executive Administrator and Board of Trustees to receive a description on a timely basis."

(g) The title of Chapter 135 of the General Statutes reads as rewritten:

"Retirement System for Teachers and State Employees; Social Security; Security; Health Insurance Program for Children."

(h) The title of Article 3 of Chapter 135 of the General Statutes reads as rewritten:

"Other Teacher, Employee Benefits; Benefits; Child Health Benefits."

Section 5. (a) Division II of Article 4 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"§ 105-151.27. Credit for child health insurance."
(a) Credit. -- Subject to the limitations provided in this section, a taxpayer is allowed a credit against the tax imposed by this Division if the taxpayer paid a health insurance premium during the taxable year that provided insurance coverage for the taxpayer's dependent children. The amount of the credit is the amount provided in the table below that corresponds to the taxpayer's adjusted gross income, as a percentage of the applicable federal poverty level (FPL), as defined in G.S. 108A-70.18, based on the taxpayer's family size.

<tbody>
<tr>
<td>0 - 225</td>
<td>$300</td>
</tr>
<tr>
<td>Over 225</td>
<td>$100</td>
</tr>
</tbody>
</table>

(b) Income Limitation. -- To be eligible for the credit allowed under this section, the taxpayer's adjusted gross income (AGI), as calculated under the Code, must be less than the amount listed in the table below:

<table>

<tr>

<th>AGI</th>
</tr>

<tr>

</tr>
</tbody>

(c) Credit Limitations. -- The credit allowed by this section may not exceed the amount of health insurance premium the taxpayer paid during the taxable year that provided insurance coverage for the taxpayer's dependent children. A nonresident or part-year resident who claims the credit allowed by this section shall reduce the amount of the credit by multiplying it by the fraction calculated under G.S. 105-134.5(b) or (c), as appropriate. In order to claim a credit under this section, a taxpayer must provide any information required by the Secretary to establish the taxpayer's eligibility for the credit and the amount of the credit.

(d) No Double Benefit. -- If the taxpayer claimed a deduction for health insurance costs of self-employed individuals under section 162(l) of the Code for the taxable year, the amount of credit otherwise allowed the taxpayer under this section is reduced by the applicable percentage provided in section 162(l) of the Code. If the taxpayer claimed a deduction for medical care expenses under section 213 of the Code for the taxable year, the taxpayer is not allowed a credit under this section. A taxpayer who claims the credit allowed by this section must provide any information required by the Secretary to demonstrate that the amount paid for premiums for which the credit is claimed was not excluded from the taxpayer's gross income for the taxable year.

(e) Credit Refundable. -- If the credit allowed by this section exceeds the amount of tax imposed by this Division for the taxable year reduced by the sum of all credits allowable, the Secretary shall refund the excess to the taxpayer. The refundable excess is governed by the provisions governing a refund of an overpayment by the taxpayer of the tax imposed in this Division. In computing the amount of tax against which multiple credits are allowed, nonrefundable credits are subtracted before refundable credits.

(f) Definitions. -- The following definitions apply in this section:

(1) Comprehensive health insurance plan. -- Any of the following plans, policies, or contracts that provide health benefits coverage...
for dependent children for inpatient and outpatient hospital services, physicians' surgical and medical services, and laboratory and X-ray services; accident and health insurance policy or certificate; hospital or medical service corporation contract; HMO subscriber contract; plan provided by a MEWA or plan provided by another benefit arrangement, to the extent permitted by ERISA, and the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan established under Part 3 of Article 3 of Chapter 135 of the General Statutes. 'Comprehensive health insurance plan' does not mean any plan implemented or administered through the Department of Health and Human Services.

(2) Dependent child. -- A child under the age of 19 for whom the taxpayer is allowed to deduct a personal exemption under section 151(c)(1)(B) of the Code for the taxable year.

(3) Family size. -- The number of individuals for whom the taxpayer is entitled to deduct a personal exemption under the Code for the taxable year.

(4) Health insurance premium. -- An amount paid by the taxpayer for insurance coverage of the taxpayer's dependent children under a private or employer-sponsored comprehensive health insurance plan and an amount paid to purchase extended coverage under the Health Insurance Program for Children pursuant to G.S. 108A-70.21. The term does not include, however, amounts deducted from or not included in the taxpayer’s gross income for the taxable year, as calculated in subsection (d) of this section."

(b) G.S. 105-160.3(b) is amended by adding a new subdivision to read: "(4) G.S. 105-151.27. Credit for child health insurance."

(c) The Department of Revenue shall withhold from collections under Division II of Article 4 of Chapter 105 of the General Statutes for the 1999-2000 fiscal year the amount necessary to reimburse it for its additional costs of printing, postage, programming, and administration directly attributable to this act. It is the intent of the General Assembly to appropriate funds to the Department of Revenue for the 1999-2001 fiscal biennium to cover the costs of auditing ten percent (10%) of the tax credits claimed under this section. These costs include salary, benefits, and work space for 10 auditors and two clerical support positions. It is also the intent of the General Assembly to appropriate funds to the Department of Revenue for the 1999-2000 fiscal year for the one-time programming costs required for the credit authorized by this section.

(d) This section is effective for taxable years beginning on or after January 1, 1999, and expires on the effective date of an act repealing the Health Insurance Program for Children established under this act.

(e) This section becomes effective only if the United States Secretary of Health and Human Services approves the State Plan to implement the Health Insurance Program for Children established under this act.

Section 6. G.S. 143-626(2) reads as rewritten:

"(2) Accept applications by carriers to qualify as Accountable Health Carriers, determine the eligibility of carriers to become
Accountable Health Carriers according to criteria described in G.S. 143-629, designate carriers as Accountable Health Carriers, and approve one additional qualified health care plan to be offered to small employers beyond the basic and standard health care plans, plans, and approve programs that provide options for the purchase of private insurance for dependent coverage that meets the requirements of the Health Insurance Program for Children established under Part 8 of Article 2 of Chapter 108A of the General Statutes and Title XXI of the Social Security Act. The Board shall report programs approved to the Joint Legislative Health Care Oversight Committee established under G.S. 120-70.110.

Section 7. In order to ensure that health insurance coverage provided to children from public funds is not duplicative of coverage provided to the same children pursuant to court orders for medical support or health insurance, the Department of Health and Human Services shall develop a plan for collecting and retrieving data to enable the Department to readily identify children covered by support orders and also covered under private health insurance, or eligible for coverage under the State Medicaid Program or the Health Insurance Program for Children established in this act. No later than October 1, 1998, the Department shall report on the development of this plan to the Joint Legislative Health Care Oversight Committee.

Section 8. Except for immunization, no State funds, federal funds, or funds from any other source may be used under the Health Insurance Program for Children established under this act to reimburse medical services performed in school-based health clinic settings. The Executive Administrator and Board of Trustees of the Teachers' and State Employees' Comprehensive Major Medical Plan shall conduct a survey of any claims paid by the Plan's self-insured indemnity program during each of the last three plan years. Any results of the survey shall be used by the Plan in conducting a study of the array of medical services delivered in school-based settings and whether or not such services should be eliminated, curtailed, or expanded. No later than March 31, 1999, the Plan shall make its findings and recommendations pursuant to this study known to the Committee on Employee Hospital and Medical Benefits, the Joint Legislative Health Care Oversight Committee, and the 1999 Session of the General Assembly.

Section 9. Not later than September 1, 1998, the Department of Health and Human Services shall select a name for the Health Insurance Program for Children established under this act. The Department shall establish procedures for public input into the selection of the name of the Program. Prior to final selection of the Program name by the Department, the Department shall report to the Joint Legislative Health Care Oversight Committee the results of the public input solicited by the Department and the name selected by the Department.

Section 10. (a) There is appropriated from the General Fund to the Department of Health and Human Services the sum of fifteen million six hundred seventeen thousand eight hundred twenty-two dollars ($15,617,822) for the 1998-99 fiscal year to be used for the Health Insurance Program for Children established under this act and under Title XXI of the Social
Security Act, as added by Pub. L. 105-33, 111 Stat. 552. The Office of State Budget and Management shall include in the proposed continuation budget the amount of State funds necessary for Program implementation for the budgeted fiscal year but not more than the amount necessary to draw down the maximum amount of federal funds available to the State for the budgeted fiscal year for the Health Insurance Program for Children under Title XXI of the Social Security Act, as added by Pub. L. 105-33, 111 Stat. 552.

(b) Of the funds appropriated under subsection (a) of this section, the Department of Health and Human Services may use up to two million dollars ($2,000,000) for the 1998-99 fiscal year to cover unmatched start-up costs for the Health Insurance Program for Children established under this act.

(c) No State funds appropriated under this act may be expended for any purpose other than as provided under this act for the implementation of the Health Insurance Program for Children established under this act and approved by the United States Secretary of Health and Human Services under Title XXI of the Social Security Act, as added by Pub. L. 105-33, 111 Stat. 552.

(d) Funds appropriated under this section and not expended or obligated in the 1998-99 fiscal year shall revert to the General Fund on June 30, 1999.

Section 11. Section 10 of this act becomes effective July 1, 1998. Health insurance coverage provided to children under the Health Insurance Program for Children established under this act shall become effective no earlier than October 1, 1998. The remainder of this act is effective when it becomes law. Since the Health Insurance Program for Children established in this act is dependent upon federal funds, it is the intent of the General Assembly that the Health Insurance Program for Children will continue and benefits will be paid for so long as federal funds are available and State funds are specifically appropriated for this purpose.

In the General Assembly read three times and ratified this the 30th day of April, 1998.

Became law upon approval of the Governor at 9:22 a.m. on the 7th day of May, 1998.

S.B. 993

SESSION LAW 1998-3

AN ACT TO ESTABLISH PROCEDURES FOR CONversions BY HOSPITAL, MEDICAL, AND DENTAL SERVICE CORPORATIONS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 58-65-130(3) reads as rewritten:

"(3) The charter of any corporation subject to the provisions of this Article and Article 66 of this Chapter may be amended to convert that corporation, so amending its charter, into either a mutual nonstock or stock accident and health insurance company or stock life insurance company subject to the provisions of Articles 1 through 64 of this Chapter provided the contractual rights of the subscribers of and certificate holders in the reserves and capital of such of the corporation are adequately protected under rules and regulations adopted by the Commissioner of Insurance. The proposed amendment shall be considered pursuant to G.S. 58-65-131, 58-65-132, and 58-65-133. Other provisions of this section and this Article relating to the procedure for amending the charter shall not apply."

Section 2. Article 65 of Chapter 58 of the General Statutes is amended by adding the following new sections to read:

"§ 58-65-131. Findings; definitions; conversion plan.

(a) Intent and Findings. -- It is the intent of the General Assembly by the enactment of this section, G.S. 58-65-132, and G.S. 58-65-133 to create a procedure for a medical, hospital, or dental service corporation to convert to a stock accident and health insurance company or stock life insurance company that is subject to the applicable provisions of Articles 1 through 64 of this Chapter. Except as provided herein, it is not the intent of the General Assembly to supplant, modify, or repeal other provisions of this Article and Article 66 of this Chapter or the provisions of Chapter 55A of the General Statutes (the Nonprofit Corporation Act) that govern other transactions and the procedures relating to such transactions that apply to corporations governed by the provisions of this Article and Article 66 of this Chapter.

The General Assembly recognizes the substantial and recent changes in market and health care conditions that are affecting these corporations and the benefit of equal regulatory treatment and competitive equality for health care insurers. The General Assembly finds that a procedure for conversion is in the best interest of policyholders because it will provide greater financial stability for these corporations and a greater opportunity for the corporations to remain financially independent. The General Assembly also
finds that if a medical, hospital, or dental service corporation converts to a stock accident and health insurance company or stock life insurance company, the conversion plan must provide a benefit to the people of North Carolina equal to one hundred percent (100%) of the fair market value of the corporation.

(b) Definitions. -- As used in this section, G.S. 58-65-132, and G.S. 58-65-133:

1. "Certificate holder" includes an enrollee, as defined in Article 67 of this Chapter, in a health maintenance plan provided by the corporation or a subsidiary or by the new corporation or a subsidiary.

3. "Conversion" means the conversion of a hospital, medical, or dental service corporation to a stock accident and health insurance company or stock life insurance company subject to the applicable provisions of Articles 1 through 64 of this Chapter.

4. "Corporation" means a hospital, medical, or dental service corporation governed by this Article that files or is required to file a plan of conversion with the Commissioner under subsection (d) of this section to convert from a hospital, medical, or dental service corporation to a stock accident and health insurance company or stock life insurance company.

5. "Foundation" means a newly formed tax-exempt charitable social welfare organization formed and operating under section 501(c)(4) of the Code and Chapter 55A of the General Statutes.

6. "New corporation" means a corporation originally governed by this Article that has had its plan of conversion approved by the Commissioner under G.S. 58-65-132 and that has converted to a stock accident and health insurance company or stock life insurance company.

(c) Compliance Required in Certain Events. -- A corporation governed by this Article shall comply with the provisions of this section, G.S. 58-65-132, and G.S. 58-65-133 before it may do any of the following:

1. Sell, lease, convey, exchange, transfer, or make other disposition, either directly or indirectly in a single transaction or related series of transactions, of ten percent (10%) of the corporation's assets, as determined by statutory accounting principles, to, or merge or consolidate or liquidate with or into, any business corporation or other business entity, except a business corporation or other business entity that is a wholly owned subsidiary of the corporation. The ten percent (10%) asset limitation in this subdivision does not apply to:

a. The purchase, acquisition by assignment or otherwise by the corporation of individual accident and health policies or contracts insuring North Carolina residents, or with respect to accident and health group master policies or contracts, only the percentage portion of those policies or contracts covering North Carolina resident certificate holders, and that are issued by a
company domiciled or licensed to do business in North Carolina, if the purchase is first approved by the Commissioner after notice to the Attorney General, no profit will inure to the benefit of any officer, director, or employee of the corporation or its subsidiaries, the purchase is transacted at arm's length and for fair value, and the purchase will further the corporation's ability to fulfill its purposes;

b. In the case of a purchase by the corporation of all the common stock of a company domiciled or licensed to do business in North Carolina, that portion of the value of the company which is determined by the Commissioner to be attributable to individual accident and health policies or contracts insuring North Carolina residents or, in the case of accident and health group master policies or contracts, the percentage portion of those policies or contracts covering North Carolina resident certificate holders, if the purchase is first approved by the Commissioner after notice to the Attorney General, no profit will inure to the benefit of any officer, director, or employee of the corporation or its subsidiaries, the purchase is transacted at arm's length and for fair value, and the purchase will further the corporation's ability to fulfill its purposes;

c. Granting encumbrances such as security interests or deeds of trust with respect to assets owned by the corporation or any wholly owned subsidiary to secure indebtedness for borrowed money, the proceeds of which are paid solely to the corporation or its wholly owned subsidiaries and remain subject to the provisions of this section; and

d. Sales or other transfers in the ordinary course of business for fair value of any interest in real property or stocks, bonds, or other securities within the investment portfolio owned by the corporation or any wholly owned subsidiary, the proceeds of which are paid solely to the corporation or any wholly owned subsidiary and remain subject to the provisions of this section.

(2) Directly or indirectly issue, sell, convey, exchange, transfer, or make other disposition to any party of any equity or ownership interest in the corporation or in any business entity that is owned by or is a subsidiary of the corporation, including stock, securities, or bonds, debentures, notes or any other debt or similar obligation that is convertible into any equity or ownership interest, stock or securities. This subdivision shall not be construed to prohibit the corporation or a wholly owned subsidiary, with the approval of the Commissioner after notice to the Attorney General, from investing in joint ventures or partnerships with unrelated third parties, if no profit will inure to the benefit of any officer, director, or employee of the corporation or its subsidiaries, the transaction is conducted at arm's length and for fair value, and the transaction furthers the corporation's ability to fulfill its purposes.

(3) Permit its aggregate annual revenues, determined in accordance with statutory accounting principles, from all for-profit activities or
operations, including but not limited to those of the corporation, any wholly owned subsidiaries, and any joint ventures or partnerships, to exceed forty percent (40%) of the aggregate annual revenues, excluding investment income, of the corporation and its subsidiaries and determined in accordance with statutory accounting principles; or

(4) Permit its aggregate assets for four consecutive quarters, determined in accordance with statutory accounting principles, employed in all for-profit activities or operations, including, but not limited to, those assets owned or controlled by any for-profit wholly owned subsidiaries, to exceed forty percent (40%) of the aggregate admitted assets of the corporation and its subsidiaries for four consecutive quarters, determined in accordance with statutory accounting principles.

In determining whether the corporation must comply with the provisions of this section, G.S. 58-65-132, and G.S. 58-65-133, the Commissioner may review and consolidate actions of the corporation, its subsidiaries, and other legal entities in which the corporation directly or indirectly owns an interest, and treat the consolidated actions as requiring a conversion. An appeal of the Commissioner's order that consolidated actions require a conversion shall lie directly to the North Carolina Court of Appeals, provided that any party may petition the North Carolina Supreme Court, pursuant to G.S. 7A-31(b), to certify the case for discretionary review by the Supreme Court prior to determination by the Court of Appeals. Appeals under this subsection must be filed within 30 days of the Commissioner's order and shall be considered in the most expeditious manner practical. The corporation must file a plan of conversion within 12 months of the later of the issuance of the Commissioner's order or a final decision on appeal.

(d) Charter Amendment for Conversion. -- A corporation may propose to amend its charter pursuant to this Article to convert the corporation to a stock accident and health insurance company or stock life insurance company subject to the applicable provisions of Articles 1 through 64 of this Chapter. The proposed amended charter and a plan for conversion as described in subsection (e) of this section shall be filed with the Commissioner for approval.

(e) Filing Conversion Plan; Costs of Review. -- A corporation shall file a plan for conversion with the Commissioner and submit a copy to the Attorney General at least 120 days before the proposed date of conversion. The corporation or the new corporation shall reimburse the Department of Insurance and the office of the Attorney General for the actual costs of reviewing, analyzing, and processing the plan. The Commissioner and the Attorney General may contract with experts, consultants, or other professional advisors to assist in reviewing the plan. These contracts are personal professional service contracts exempt from Articles 3 and 3C of Chapter 143 of the General Statutes. This rate analysis shall address the forecasted effect, if any, of the proposed conversion on the cost to policyholders or certificate holders of the new corporation and on the new corporation's underwriting profit, investment income, and loss and claim reserves, including the effect, if any, of adverse market or risk selection upon these reserves. Information provided under this subsection is confidential pursuant to G.S. 58-19-40.

For good cause the Commissioner may extend these deadlines once for a maximum of 30 days. The Commissioner shall provide copies of all written public comments to the Attorney General.

a. Consideration, determined by the Commissioner to be equal to one hundred percent (100%) of the fair market value of the corporation, will be conveyed or issued by the corporation to the Foundation at the time the new corporation files its articles of incorporation. b. At any time after the conversion, the new corporation may issue, in a public offering or a private placement, additional shares of common stock of the same class and having the same voting, dividend, and other rights as that transferred to the Foundation, subject to the applicable provisions of Chapter 55 of the General Statutes and any voting and registration agreements.

Except as provided in subdivision (a)(7) of this subsection, all property, assets, rights, liabilities, obligations, interests, and relations of whatever kind of the corporation shall continue and remain in the new corporation. (c) Final Decision and Order; Procedures. -- The Commissioner's final decision and order regarding the plan of conversion shall include findings of fact and conclusions of law. Findings of fact shall be based upon and supported by substantial evidence, including evidence submitted with the plan by the corporation and evidence obtained at hearings held by the Commissioner. An appeal from a final decision and order of the Commissioner under this section shall be conducted pursuant to G.S. 58-2-75. The Attorney General shall stagger the terms of the initial appointees so that six members serve two-year terms and five members serve four-year terms. The board shall fill a vacancy in an initial term. Their successors shall be chosen by the board of directors of the Foundation in accordance with the bylaws of the Foundation and shall serve four-year terms. No member may serve more than two consecutive full terms nor more than 10 consecutive years. The Foundation may increase or decrease the size of the board in accordance with its bylaws, provided that the board shall have no fewer than

No director, officer, or employee of the Foundation shall serve as a director, officer, or employee of the new corporation or any of its affiliates. No director, officer, or employee of the new corporation or any of its affiliates shall serve as a director, officer, or employee of the Foundation. This subsection shall no longer apply after (i) 10 years following the effective date of the conversion or (ii) the divestment by the Foundation of at least ninety-five percent (95%) of the stock of the new corporation received pursuant to G.S. 58-65-132(a)(7)a. and subsection (a) of this section, whichever occurs later.

SESSION LAW 1998-9

AN ACT TO MAKE AN EMERGENCY APPROPRIATION, ON THE REQUEST OF THE GOVERNOR, TO COVER THE COSTS OF THE YEAR 2000 CONVERSION IN ALL STATE DEPARTMENTS AND AGENCIES.

Whereas, many existing computer systems will not operate properly at the turn of the century; and

Whereas, this problem, which is known as the "Year 2000 Problem" is estimated to cost between three hundred and six hundred billion dollars on a national basis; and

Whereas, the cost for the federal government alone is estimated at four billion dollars; and
Whereas, in State government agencies, 755 out of 1347 existing applications will not operate properly with a year 2000 date; and
Whereas, major State computer systems such as the tax entry system, the Food Stamp Program system, the Work First and Medicaid systems, the salary administration system at a major State agency, and the student admissions system at a State university, will not operate properly with a year 2000 date; and
Whereas, State assets other than computers including elevators, security systems, traffic lights, and HVAC systems, will not operate properly at the turn of the century; and
Whereas, because of the scope of the problem in both the public and the private sector, there is a shortage of programmers able to solve the State Year 2000 problem; and
Whereas, the Executive Budget Act authorizes the General Assembly to make an emergency appropriation to the Program for the 1997-98 fiscal year upon the request of the Governor; and
Whereas, the Governor has made such a request in a letter to the President Pro Tempore of the Senate and the Speaker of the House of Representatives; and
Whereas, an emergency appropriation would allow for uninterrupted year 2000 conversion for State agencies; and
Whereas, an emergency appropriation would avoid price increases that may occur should vendor availability diminish due to delays in contracting; and
Whereas, an emergency appropriation would allow State agencies to meet the conversion deadlines in order to begin testing in the 1999 calendar year; and
Whereas, an emergency appropriation would provide for continued conversion activity by all vendors currently under contract and would enable State agencies to avoid time delays associated with new vendors; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. There is appropriated from the General Fund to the Department of Commerce, Year 2000 Reserve Fund, the sum of twenty million five hundred six thousand three hundred sixty-seven dollars ($20,506,367) for the 1997-98 fiscal year to cover the costs of the year 2000 conversion in General Fund agencies during the 1997-99 fiscal biennium.

"Section 1. Occupancy Davie County occupancy tax.

(a) Authorization and Scope. -- The Davie County Board of Commissioners may by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto, levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Collection. Administration. -- A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

Every operator of a business subject to the tax levied under this section shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this section may deduct from the amount remitted to the county a discount of three percent (3%) of the amount collected.

(c) Administration. The county shall administer a tax levied under this section. A tax levied under this section is due and payable to the county tax administrator in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.

A return filed with the county tax administrator under this section is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.

(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this section shall pay a penalty of ten
dollars ($10.00) for each day's omission. In case of failure or refusal to file the return or pay the tax for a period of 30 days after the time required for filing the return or for paying the tax, there shall be an additional tax, as a penalty, of five percent (5%) of the tax due in addition to any other penalty, with an additional tax of five percent (5%) for each additional month or fraction thereof until the tax is paid. The board of commissioners may, for good cause shown, compromise or forgive the additional tax penalties imposed by this subsection.

Any person who willfully attempts in any manner to evade a tax imposed under this section or who willfully fails to pay the tax or make and file a return shall, in addition to all other penalties provided by law, be guilty of a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars ($1,000), imprisonment not to exceed six months, or both.

(c) Distribution and use of tax revenue. -- Davie County shall, on a monthly basis, deposit in a special account thirty-three and one-third percent (33 1/3%) at least fifty percent (50%) of the net proceeds of the occupancy tax. Funds in the special account may be used only to promote travel and tourism in Davie County and to finance tourism related capital projects in the county. However, any tax proceeds in the special account that have not been appropriated after three years following the date they were deposited in the account shall be remitted to the general fund of Davie County and may be used for any lawful purpose.

Davie County shall, on a monthly basis, remit the remaining sixty-six and two-thirds percent (66 2/3%) of the net proceeds of the tax to its general funds and may use these funds for any lawful purpose. As used in this subsection, "net proceeds" means gross proceeds, including penalties and interest, less the cost to the county of administering and collecting the tax, as determined by the finance office. The following definitions apply in this subsection:

(1) Net proceeds. -- Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed seven percent (7%) of the amount collected.

(2) Promote travel and tourism. -- To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(f) Effective date of levy. A tax levied under this section shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(g) Repeal. A tax levied under this section may be repealed by a resolution adopted by the Davie County Board of Commissioners. Repeal of a tax levied under this section shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax levied under this section does not affect a liability for a tax that was attached before the effective date.

"(b) This section applies only to Avery, Brunswick, Davie, Madison, Nash, Person, Randolph, and Scotland Counties."

Section 3. This act becomes effective July 1, 1998.

In the General Assembly read three times and ratified this the 23rd day of June, 1998.

The General Assembly of North Carolina enacts:

Section 1. Chapter 105 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 5E.

(2) Local distribution company. -- A natural gas company to whom the North Carolina Utilities Commission has issued a franchise
under Chapter 62 of the General Statutes to serve an area of this State.

(4) Sales customer. -- An end-user who does not have direct access to an interstate gas pipeline and whose piped natural gas is delivered by the seller of the gas.

(b) Rate. -- The tax rate is set in the table below. The tax rate is based on monthly therm volumes of piped natural gas received by the end-user of the gas. If an end-user receives piped natural gas that is metered through two or more separate measuring devices, the tax is calculated separately on the volume metered through each device rather than on the total volume metered through all measuring devices, unless the devices are located on the same premises and are part of the same billing account. In that circumstance, the tax is calculated on the total volume metered through the two or more separate measuring devices.

"§ 105-187.42. Liability for the tax.

(1) For piped natural gas delivered by a local distribution company to a sales or transportation customer, the tax is payable by the local distribution company.

(b) Small Underpayments. -- A person is not subject to interest on or penalties for an underpayment of a monthly amount due if the person timely pays at least ninety-five percent (95%) of the amount due and includes the underpayment with the next return the person files.

"§ 105-187.44. Distribution of part of tax proceeds to cities.

(a) City Information. -- A monthly return filed under this Article must indicate the amount of tax attributable to the following: if a tax return does not state this information, the Secretary must determine how much of the tax proceeds are to be attributed to each city:

(1) Piped natural gas delivered during the month to sales or transportation customers in each city in the State.

(2) Piped natural gas received during the month in each city in the State by persons who have direct access to an interstate gas pipeline and who receive the gas for their own consumption.

(b) Distribution. -- Within 75 days after the end of each calendar quarter, the Secretary must distribute to the cities part of the tax proceeds collected under this Article during that quarter. The amount to be distributed to a city is one-half of the amount of tax attributable to that city for that quarter under subsection (a) of this section.

"§ 105-187.45. Information exchange and information returns.

(a) Utilities Information. -- The North Carolina Utilities Commission or the Public Staff of that Commission must give the Secretary a list of the entities that receive piped natural gas from an interstate pipeline and any other information available to the Commission that the Secretary asks for in administering the tax imposed by this Article.

(b) Information Return. -- The Secretary may require the operator of an interstate pipeline to report the amount of piped natural gas taken from the pipeline in this State, the persons that received the gas, and the volume received by each person.

"§ 105-187.46. Records and audits.

Section 2. G.S. 105-116 reads as rewritten:

"§ 105-116. Franchise or privilege tax on electric power, natural gas, water, and sewerage companies.

(a) Tax. -- An annual franchise or privilege tax is imposed on the following:

(3) A water company engaged in owning or operating a water system subject to regulation by the North Carolina Utilities Commission.

(4) A public sewerage company engaged in owning or operating a public sewerage system.

The tax on an electric power company is three and twenty-two hundredths percent (3.22%) of the company's taxable gross receipts from the business of furnishing electricity, electric lights, current, or power. The tax on a natural gas company is three and twenty-two hundredths percent (3.22%) of the company's taxable gross receipts from the business of furnishing piped natural gas. The tax on a regional natural gas district is three and twenty-two hundredths percent (3.22%) of the district's taxable gross receipts from the furnishing of piped natural gas. The tax on a water company is four percent (4%) of the company's taxable gross receipts from owning or operating a water system subject to regulation by the North Carolina Utilities Commission. The tax on a public sewerage company is six percent (6%) of the company's taxable gross receipts from owning or operating a public sewerage company. A company's taxable gross receipts are its gross receipts from business inside the State less the amount of gross receipts from sales reported under subdivision (b)(2). A company that engages in more than one business taxed under this section shall pay tax on each business. A company is allowed a credit against the tax imposed by this section for the company's investments in certain entities in accordance with Division V of Article 4 of this Chapter.

(b) Report and Payment. -- The tax imposed by this section is payable monthly or quarterly as specified in this subsection. A report is due quarterly. An electric power company, a natural gas company, or a regional natural gas district company shall pay tax monthly. A monthly tax payment is due by the last day of the month that follows the month in which the tax accrues, except the payment for tax that accrues in May. The payment for tax that accrues in May is due by June 25. A taxpayer is not subject to interest on or penalties for an underpayment of a monthly amount due if the taxpayer timely pays at least ninety-five percent (95%) of the amount due and includes the underpayment with the next report the company files. A water company or a public sewerage company shall pay tax quarterly when filing a report.

A quarterly report covers a calendar quarter and is due by the last day of the month that follows the quarter covered by the report. A taxpayer shall submit a report on a form provided by the Secretary. The report shall include the taxpayer's gross receipts from all property it owned or operated during the reporting period in connection with its business taxed under this section and shall contain the following information:

(1) The taxpayer's gross receipts for the reporting period from business inside and outside this State, stated separately.
(2) The taxpayer’s gross receipts from commodities or services described in subsection (a) that are sold to a vendee subject to the tax levied by this section or to a joint agency established under G.S. Section 159B, Chapter 159B of the General Statutes, or a city having an ownership share in a project established under that Chapter.

(3) The amount of and price paid by the taxpayer for commodities or services described in subsection (a) that are purchased from others engaged in business in this State and the name of each vendor.

(4) For an electric power company, a natural gas company, or a regional natural gas district company, the entity’s gross receipts from the sale within each city of the commodities and services described in subsection (a).

A taxpayer must report its gross receipts on an accrual basis. If a taxpayer’s report does not state the taxpayer’s taxable gross receipts derived within a city, the Secretary must determine a practical method of allocating part of the taxpayer’s taxable gross receipts to the city.

(c) Gas Special Charges. -- Gross receipts of a natural gas company do not include the following:

(1) Special charges collected within this State by the company pursuant to drilling and exploration surcharges approved by the North Carolina Utilities Commission, if the surcharges are segregated from the other receipts of the company and are devoted to drilling, exploration, and other means to acquire additional supplies of natural gas for the account of natural gas customers in North Carolina and the beneficial interest in the surcharge collections is preserved for the natural gas customers paying the surcharges under rules established by the Commission.

(2) Natural gas expansion surcharges imposed under G.S. 62-158.

(d) Distribution. -- Part of the taxes imposed by this section on electric power companies, natural gas companies, and regional natural gas districts is distributed to cities under G.S. 105-116.1.

If any municipality shall have collected any privilege, license or franchise tax between January 1, 1947 and April 1, 1949, in excess of the tax collected by it prior to January 1, 1947, then upon distribution of the taxes imposed by this section to municipalities, the amount distributable to any municipality shall be credited with such excess payment.

(f) Gas City Exemption. -- The tax imposed by this section does not apply to the following cities that operate their own piped natural gas systems: Bessemer City, Kings Mountain, Lexington, Shelby, Greenville, Monroe, Rocky Mount, and Wilson.

Section 3. G.S. 105-116.1 reads as rewritten:
§ 105-116.1. Distribution of gross receipts taxes to cities.

(a) Definitions. -- The following definitions apply in this section:

(2) Percentage distribution amount. -- Three and nine hundredths percent (3.09%) of the gross receipts derived by an electric power company, a natural gas company, a regional natural gas district company and a telephone company from sales within a city that are taxable under G.S. 105-116 or G.S. 105-120.

(b) Distribution. -- The Secretary must distribute to the cities part of the taxes collected under this Article on electric power companies, natural gas companies, regional natural gas districts, companies and telephone companies. Each city’s share for a calendar quarter is the percentage distribution amount for that city for that quarter minus one-fourth of the city’s hold-back amount and one-fourth of the city’s proportionate share of the annual cost to the Department of administering the distribution. The Secretary must make the distribution within 75 days after the end of each calendar quarter.

(c) Limited Hold-Harmless Adjustment. -- The hold-back amount for a city that, in the 1995-96 fiscal year, received from gross receipts taxes less than ninety-five percent (95%) of the amount it received in the 1990-91 fiscal year is the amount determined by the following calculation:

(1) Adjust the city’s 1995-96 distribution by adding the city’s freeze deduction to the amount distributed to the city for that year.

(2) Compare the adjusted 1995-96 amount with the city’s 1990-91 distribution.

(3) If the adjusted 1995-96 amount is less than or equal to the city’s 1990-91 distribution, the hold-back amount for the city is zero.

(4) If the adjusted 1995-96 amount is more than the city’s 1990-91 distribution, the hold-back amount for the city is the city’s freeze deduction minus the difference between the city’s 1990-91 distribution and the city’s 1995-96 distribution.

(d) Allocation of Hold-Harmless Adjustment. -- The hold-back amount for a city that, in the 1995-96 fiscal year, received from gross receipts taxes at least ninety-five percent (95%) of the amount it received in the 1990-91 fiscal year is the amount determined by the following calculation:

(1) Determine the amount by which the freeze deduction is reduced for all cities whose hold-back amount is determined under subsection (c) of this section. This amount is the total hold-harmless adjustment.

(2) Determine the amount of gross receipts taxes that would be distributed for the quarter to cities whose hold-back amount is determined under this subsection if these cities received their percentage distribution amount minus one-fourth of their freeze deduction.

(3) For each city included in the calculation in subdivision (2) of this subsection, determine that city’s percentage share of the amount determined under that subdivision.
(4) Add to the city's freeze deduction an amount equal to the city's percentage share under subdivision (3) of this subsection multiplied by the total hold-harmless adjustment."

Section 4. G.S. 105-164.3(25) reads as rewritten:

"(25) 'Utility' means an electric power company, a gas company, a regional natural gas district company or a telephone company that is subject to a privilege tax based on gross receipts under G.S. 105-116 or 105-120, a business entity that provides local, toll, or private telecommunications service as defined by G.S. 105-120(e), 105-120(e), or a municipality that sells electric power, other than a municipality whose only wholesale supplier of electric power is a federal agency and who is required by a contract with that federal agency to make payments in lieu of taxes."

The tax imposed in this section shall in no case be less than thirty-five dollars ($35.00) and shall be for the privilege of carrying on, doing business, and/or the continuance of articles of incorporation or domestication of each such corporation in this State. The cost of constructing facilities of any private or public utility built for the purpose of providing sewer service to residential and outlying areas shall be treated as deductible for the purposes of this section; the deductible liability allowed by this section shall apply only with respect to such pollution abatement plants or equipment constructed or installed on or after January 1, 1955.

In determining the total tax payable by any corporation under this section, there shall be allowed as a credit on such tax the amount of the credit authorized by Division V of Article 4 of this Chapter."

Section 9. G.S. 105-122 is amended by adding a new subsection to read:

Section 11. G.S. 105-259(b) is amended by adding a new subdivision to read:

"(c) Piped Gas Restriction. -- A city may not levy a privilege license tax on a person who is engaged in the business of supplying piped natural gas and is subject to tax under Article 5E of Chapter 105 of the General Statutes."

Section 13. Notwithstanding G.S. 105-164.4 and G.S. 105-164.6, sales and use tax levied under Article 5 of Chapter 105 of the General Statutes does not apply to piped natural gas sold by a person that is not subject to franchise tax under G.S. 105-116.

Section 14. (a) Notwithstanding G.S. 105-187.44(b), as enacted by this act, the amount distributed to a city under G.S. 105-187.44(b) for taxes collected for each of the quarters in the fiscal year 1999-2000 may not exceed its benchmark amount until each city receives an amount equal to its benchmark amount. Each quarter, the Secretary of Revenue shall determine a city’s benchmark amount and the amount it would receive under G.S. 105-187.44(b) if not for the redistribution required by this section. The Secretary shall identify those cities whose distribution amounts under G.S. 105-187.44(b) are less than their benchmark amounts and shall determine the total dollar amount of the shortfall. The Secretary shall reduce the amount to be distributed to those cities whose distribution amount under G.S. 105-187.44(b) exceeds their benchmark amount by the total dollar amount of the shortfall determined for that quarter in proportion to each city’s excess. However, in no event may a city’s distribution amount be reduced below its benchmark amount. The Secretary will redistribute these monies to the cities whose distribution amounts under G.S. 105-187.44(b) are less than their benchmark amounts in proportion to each city’s shortfall. In any quarter that a city does not have a prior year’s distribution for the corresponding quarter in fiscal year 1998-99, that city is excluded from the redistribution required under this section for that quarter. In that case, the city will receive the amount it is entitled to receive under G.S. 105-187.44(b), as enacted by this act.

For the purposes of this subsection, the term “benchmark amount” means the amount a city received under G.S. 105-116.1 attributable to piped natural gas for the corresponding quarter during the fiscal year 1998-99.

(b) The Department of Revenue must calculate the amount a city received for taxes collected for each of the first three quarters in fiscal year 1998-99 under G.S. 105-116.1 that was attributable to piped natural gas. The Department must also calculate the amount each city would have received under G.S. 105-187.44(b), as enacted by this act, for taxes collected for each of the first three quarters in fiscal year 1999-2000. The Department shall give this information to the Revenue Laws Study Committee. The Revenue Laws Study Committee shall study the impact of
this act on the distribution of part of the proceeds of the excise tax on piped natural gas to the cities and report its findings, and any recommendation, to the 2000 Session of the 1999 General Assembly.

Section 15. The Utilities Commission shall study the transportation rates charged by the local distribution companies to transport piped natural gas from the interstate pipeline to the consumer.

Section 16. The provisions of this act are severable. If any provision of this act is held invalid by a court of competent jurisdiction, the invalidity does not affect other provisions of the act that can be given effect without the invalid provision.

Section 17. Sections 1 through 12 of this act become effective July 1, 1999, and apply to piped natural gas delivered on or after that date. Section 13 of this act becomes effective July 1, 1998. The remainder of this act is effective when it becomes law.

In the General Assembly read three times and ratified this the 30th day of June, 1998.

Became law upon approval of the Governor at 7:03 p.m. on the 30th day of June, 1998.

S.B. 452 SESSION LAW 1998-46

AN ACT TO CLARIFY LOCAL GOVERNMENT AUTHORITY TO REGULATE THE LOCATION AND OPERATION OF SEXUALLY ORIENTED BUSINESSES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 160A of the General Statutes is amended by adding the following new section:

"§ 160A-181.1. Regulation of sexually oriented businesses.
(a) The General Assembly finds and determines that sexually oriented businesses can and do cause adverse secondary impacts on neighboring properties. Numerous studies that are relevant to North Carolina have found increases in crime rates and decreases in neighboring property values as a result of the location of sexually oriented businesses in inappropriate locations or from the operation of such businesses in an inappropriate manner. Reasonable local government regulation of sexually oriented businesses in order to prevent or ameliorate adverse secondary impacts is consistent with the federal constitutional protection afforded to nonobscene but sexually explicit speech.

(b) In addition to State laws on obscenity, indecent exposure, and adult establishments, local government regulation of the location and operation of
Sexually oriented businesses is necessary to prevent undue adverse secondary impacts that would otherwise result from these businesses.

(c) A city or county may regulate sexually oriented businesses through zoning regulations, licensing requirements, or other appropriate local ordinances. The city or county may require a fee for the initial license and any annual renewal. Such local regulations may include, but are not limited to:

1. Restrictions on location of sexually oriented businesses, such as limitation to specified zoning districts and minimum separation from sensitive land uses and other sexually oriented businesses;

2. Regulations on operation of sexually oriented businesses, such as limits on hours of operation, open booth requirements, limitations on exterior advertising and noise, age of patrons and employees, required separation of patrons and performers, clothing restrictions for masseuses, and clothing restrictions for servers of alcoholic beverages;

3. Clothing restrictions for entertainers; and

4. Registration and disclosure requirements for owners and employees with a criminal record other than minor traffic offenses, and restrictions on ownership by or employment of a person with a criminal record that includes offenses reasonably related to the legal operation of sexually oriented businesses.

(d) In order to preserve the status quo while appropriate studies are conducted and the scope of potential regulations is deliberated, cities and counties may enact moratoria of reasonable duration on either the opening of any new businesses authorized to be regulated under this section or the expansion of any such existing business. Businesses existing at the time of the effective date of regulations adopted under this section may be required to come into compliance with newly adopted regulations within an appropriate and reasonable period of time.

(e) Cities and counties may enter into cooperative agreements regarding coordinated regulation of sexually oriented businesses, including provision of adequate alternative sites for the location of constitutionally protected speech within an interrelated geographic area.

(f) For the purpose of this section, 'sexually oriented businesses' means any businesses or enterprises that have as one of their principal business purposes or as a significant portion of their business an emphasis on matter and conduct depicting, describing, or related to anatomical areas and sexual activities specified in G.S. 14-202.10. Local governments may adopt detailed definitions of these and similar businesses in order to precisely define the scope of any local regulations.

Section 2. G.S. 14-190.1 is amended by adding a new subsection to read:

"(i) Nothing in this section shall be deemed to preempt local government regulation of the location or operation of sexually oriented businesses to the extent consistent with the constitutional protection afforded free speech."

Section 3. G.S. 14-190.9 is amended by adding a new subsection to read:
"(c) Notwithstanding any other provision of law, a local government may regulate the location and operation of sexually oriented businesses. Such local regulation may restrict or prohibit nude, seminude, or topless dancing to the extent consistent with the constitutional protection afforded free speech."

Section 4. G.S. 14-202.10(1) reads as rewritten:

"(1) 'Adult bookstore' means a bookstore:

a. Which receives a majority of its gross income during any calendar month from the sale or rental of publications (including books, magazines, and other periodicals) other periodicals, videotapes, compact discs, other photographic, electronic, magnetic, digital, or other imaging medium) which are distinguished or characterized by their emphasis on matter depicting, describing, or relating to specified sexual activities or specified anatomical areas, as defined in this section; or

b. Having as a preponderance (either in terms of the weight and importance of the material or in terms of greater volume of materials) of its publications (including books, magazines, and other periodicals, other periodicals, videotapes, compact discs, other photographic, electronic, magnetic, digital, or other imaging medium) which are distinguished or characterized by their emphasis on matter depicting, describing, or relating to specified sexual activities or specified anatomical areas, as defined in this section."

Section 5. G.S. 14-202.11 reads as rewritten:

"§ 14-202.11. Restrictions as to adult establishments.

(a) No person shall permit any building, premises, structure, or other facility that contains any adult establishment to contain any other kind of adult establishment. No person shall permit any building, premises, structure, or other facility in which sexually oriented devices are sold, distributed, exhibited, or contained to contain any adult establishment.

(b) No person shall permit any viewing booth in an adult mini motion picture theatre to be occupied by more than one person at any time.

(c) Nothing in this section shall be deemed to preempt local government regulation of the location or operation of adult establishments or other sexually oriented businesses to the extent consistent with the constitutional protection afforded free speech."

Section 6. G.S. 18B-904 is amended by adding the following new subsection:

"(g) Nothing in this Chapter shall be deemed to preempt local governments from regulating the location or operation of adult establishments or other sexually oriented businesses to the extent consistent with the constitutional protection afforded free speech, or from requiring any additional fee for licensing as permitted under G.S. 160A-181.1(c)."

Section 7. G.S. 19-1 reads as rewritten:

"§ 19-1. What are nuisances under this Chapter.

(a) The erection, establishment, continuance, maintenance, use, ownership or leasing of any building or place for the purpose of
assignation, prostitution, gambling, illegal possession or sale of alcoholic beverages, illegal possession or sale of narcotic drugs as defined in the North Carolina Controlled Substances Act, or illegal possession or sale of obscene or lewd matter, as defined in this Chapter, shall constitute a nuisance.

(b) The erection, establishment, continuance, maintenance, use, ownership or leasing of any building or place wherein or whereon are carried on, conducted, or permitted repeated acts which create and constitute a breach of the peace shall constitute a nuisance.

(b1) The erection, establishment, continuance, maintenance, use, ownership or leasing of any building or place wherein or whereon are carried on, conducted, or permitted repeated activities or conditions which violate a local ordinance regulating sexually oriented businesses so as to contribute to adverse secondary impacts shall constitute a nuisance.

(c) The building, or place, or vehicle, place, vehicle, or the ground itself, in or upon which a nuisance as defined in subsections (a) or (b) above subsection (a), (b), or (b1) of this section is carried on, and the furniture, fixtures, and contents, are also declared a nuisance, and shall be enjoined and abated as hereinafter provided.

H.B. 1661 SESSION LAW 1998-50

AN ACT TO CLARIFY THE AUTHORITY OF THE CITY OF DURHAM TO PROVIDE STATIONARY CONTAINER SERVICE TO HOUSING UNITS THAT QUALIFY FOR ROLL OUT CART SERVICE WITHOUT CHARGING ADDITIONAL FEES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-314 reads as rewritten:

"§ 160A-314. Authority to fix and enforce rates.
(a) A city may establish and revise from time to time schedules of rents, rates, fees, charges, and penalties for the use of or the services furnished by any public enterprise. Schedules of rents, rates, fees, charges, and penalties may vary according to classes of service, and different schedules may be adopted for services provided outside the corporate limits of the city.

(a1) Before it establishes or revises a schedule of rates, fees, charges, or penalties for structural and natural stormwater and drainage systems under this section, the city council shall hold a public hearing on the matter. A notice of the hearing shall be given at least once in a newspaper having general circulation in the area, not less than seven days before the public hearing. The hearing may be held concurrently with the public hearing on the proposed budget ordinance.

The fees established under this subsection must be made applicable throughout the area of the city. Schedules of rates, fees, charges, and penalties for providing structural and natural stormwater and drainage system service may vary according to whether the property served is residential, commercial, or industrial property, the property’s use, the size of the property, the area of impervious surfaces on the property, the quantity and quality of the runoff from the property, the characteristics of the watershed into which stormwater from the property drains, and other factors that affect the stormwater drainage system. Rates, fees, and charges imposed under this subsection may not exceed the city’s cost of providing a stormwater and drainage system.

No stormwater utility fee may be levied under this subsection whenever two or more units of local government operate separate structural and natural stormwater and drainage system services in the same area within a county. However, two or more units of local government may allocate among themselves the functions, duties, powers, and responsibilities for jointly operating a single structural and natural stormwater and drainage system service in the same area within a county, provided that only one unit
may levy a fee for the service within the joint service area. For purposes of this subsection, a unit of local government shall include a regional authority providing structural and natural stormwater and drainage system services.

(a2) A fee for the use of a disposal facility provided by the city may vary based on the amount, characteristics, and form of recyclable materials present in solid waste brought to the facility for disposal. This section does not prohibit a city from providing aid to low-income persons to pay all or part of the cost of solid waste management services for those persons.

(a3) Where housing units qualify under city ordinances for roll out cart solid waste collection service and the housing units instead choose to be served by stationary containers in accordance with city ordinances, a city may provide stationary container collection service without charging fees for such service other than the fees applicable to roll out cart service.

(a4) Nothing in this section shall be construed to impair the authority of a city to charge customers who do not qualify for service under subsection (a3) of this section the fees established by city ordinances for stationary container collection service.

(b) A city shall have power to collect delinquent accounts by any remedy provided by law for collecting and enforcing private debts, and may specify by ordinance the order in which partial payments are to be applied among the various enterprise services covered by a bill for the services. A city may also discontinue service to any customer whose account remains delinquent for more than 10 days. When service is discontinued for delinquency, it shall be unlawful for any person other than a duly authorized agent or employee of the city to do any act that results in a resumption of services. If a delinquent customer is not the owner of the premises to which the services are delivered, the payment of the delinquent account may not be required before providing services at the request of a new and different tenant or occupant of the premises, but this restriction shall not apply when the premises are occupied by two or more tenants whose services are measured by the same meter.

(c) Except as provided in subsection (d) and G.S. 160A-314.1, rents, rates, fees, charges, and penalties for enterprisory services shall be legal obligations of the person contracting for them, and shall in no case be a lien upon the property or premises served, provided that no contract shall be necessary in the case of structural and natural stormwater and drainage systems.

(d) Rents, rates, fees, charges, and penalties for enterprisory services shall be legal obligations of the owner of the premises served when:

(1) The property or premises is leased or rented to more than one tenant and services rendered to more than one tenant are measured by the same meter.

(2) Charges made for use of a sewage system are billed separately from charges made for the use of a water distribution system.

(e) Nothing in this section shall repeal any portion of any city charter inconsistent herewith.”

Section 2. This act applies to the City of Durham only.

Section 3. This act is effective when it becomes law.
In the General Assembly read three times and ratified this the 21st day of July, 1998.
Became law on the date it was ratified.

(b1) Large Investment. -- A taxpayer who is otherwise eligible for a tax credit under this Article becomes eligible for the large investment enhancements provided for credits under this Article if the Secretary of Commerce certifies that the taxpayer will purchase or lease, and place in service in connection with the eligible business within a two-year period, at least one hundred fifty million dollars ($150,000,000) worth of one or more of the following: real property, machinery and equipment, or central administrative office property. If the taxpayer fails to make the level of investment certified within this two-year period, the taxpayer forfeits the large investment enhancements as provided in subsection (d) of this section.

(c) Worker Training. -- A taxpayer is eligible for the tax credit for worker training only if the worker occupies a job in which the taxpayer is eligible to claim an installment of the credit for creating jobs or which are full time positions at a location with respect to which the taxpayer is eligible to claim an installment of the credit for investing in machinery and equipment for the taxable year.

The credit for worker training is allowed only with respect to employees in positions not classified as exempt under the Fair Labor Standards Act, 29 U.S.C. § 213(a)(1) and for expenditures for training that would be eligible for expenditure or reimbursement under the Department of Community Colleges' New and Expanding Industry Program, as determined by
guidelines adopted by the State Board of Community Colleges. The credit is not allowed for expenditures that are paid or reimbursed by the New and Expanding Industry Program. To establish eligibility, the taxpayer must obtain as part of the application process under G.S. 105-129.6 the certification of the Department of Community Colleges that the taxpayer's planned worker training would satisfy the requirements of this paragraph. A taxpayer shall apply to the Department of Community Colleges for this certification. The application must be on a form provided by the Department of Community Colleges, must provide a detailed plan of the worker training to be provided, and must contain any information required by the Department of Community Colleges to determine whether the requirements of this paragraph will be satisfied. If the Department of Community Colleges determines that the planned worker training meets the requirements of this paragraph, the Department of Community Colleges shall issue a certificate describing the location with respect to which the credit is claimed and stating that the planned worker training meets the requirements of this paragraph. The State Board of Community Colleges may adopt rules in accordance with Chapter 150B of the General Statutes that are needed to carry out its responsibilities under this paragraph.

(d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the taxpayer was not eligible for the credit at the time the taxpayer applied for the credit. In addition, a taxpayer forfeits a large investment enhancement of a tax credit if the taxpayer fails to make the level of investment certified by the Secretary of Commerce under subsection (b1) of this section within the required two-year period. A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for creating jobs or the credit for investing in machinery and equipment, the taxpayer also forfeits any credit for worker training claimed for the jobs for which the credit for creating jobs was claimed or the jobs at the location with respect to which the credit for investing in machinery and equipment was claimed.

(e) Change in Ownership of Business. -- The sale, merger, acquisition, or bankruptcy of a business, or any other transaction by which an existing business reformulates itself as another business, does not create new eligibility in a succeeding business with respect to credits for which the predecessor was not eligible under this Article. A successor business may, however, take any installment of or carried-over portion of a credit that its predecessor could have taken if it had a tax liability. The acquisition of a business is a new investment that creates new eligibility in the acquiring taxpayer under this Article if any of the following conditions are met:

1. The business closed before it was acquired.
2. The business was required to file a notice of plant closing or mass layoff under the federal Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2102, before it was acquired.
(3) The business was acquired by its employees through an employee stock option transaction or another similar mechanism.

"§ 105-129.5. (Repealed effective January 1, 2002) Tax election; cap.

(a) Tax Election. -- The credits provided in this Article are allowed against the franchise tax levied in Article 3 of this Chapter and the income taxes levied in Article 4 of this Chapter. The credit for investing in central administrative office property provided in G.S. 105-129.12 is also allowed against the gross premiums tax levied in Article 8B of this Chapter. The taxpayer shall elect the tax against which a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the credit must be claimed against the same tax.

(b) Cap. -- The credits allowed under this Article may not exceed fifty percent (50%) of the tax against which they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of the credit will be claimed for the succeeding five years. Any unused portion of any other credit may be carried forward for the succeeding five years.

"§ 105-129.6. (Repealed effective January 1, 2002) Application; reports.

(a) Application. -- To claim the credits allowed by this Article, the taxpayer must provide with the tax return the certification of the Secretary of Commerce that the taxpayer meets all of the eligibility requirements of G.S. 105-129.4 with respect to each credit. A taxpayer shall apply to the Secretary of Commerce for certification of eligibility. The application must be on a form provided by the Secretary of Commerce and must contain any information necessary for the Secretary of Commerce to determine whether the taxpayer meets the eligibility requirements. If the Secretary of Commerce determines that the taxpayer meets all of the eligibility requirements of G.S. 105-129.4 with respect to a credit, the Secretary shall issue a certificate describing the location with respect to which the credit is claimed, outlining the eligibility requirements for the credit, and stating that the taxpayer meets the eligibility requirements. If the Secretary of Commerce determines that the taxpayer does not meet all of the eligibility requirements of G.S. 105-129.4 with respect to a credit, the Secretary must advise the taxpayer in writing of the eligibility requirements the taxpayer fails to meet. The Secretary of Commerce may adopt rules in accordance with Chapter 150B of the General Statutes that are needed to carry out the Secretary of Commerce's responsibilities under this section.

(a1) Fee. -- When filing an application for certification under this section, the taxpayer must pay the Department of Commerce a fee of seventy-five dollars ($75.00). Fees collected under this subsection are receipts of the Department of Commerce.

(b) Reports. -- The Department of Commerce shall report to the Department of Revenue and to the Fiscal Research Division of the General Assembly by May 1 of each year the following information for the 12-month period ending the preceding April 1:
(1) The number of applications for each credit allowed in this Article.

(2) The number and enterprise tier area of new jobs with respect to which credits were applied for.

(3) The cost of machinery and equipment with respect to which credits were applied for.

(4) The number of new jobs created within development zones, and the percentage of those jobs that were filled by residents of the zones.

"§ 105-129.7. (Repealed effective January 1, 2002) Substantiation.
To claim a credit allowed by this Article, the taxpayer must provide any information required by the Secretary of Revenue. Every taxpayer claiming a credit under this Article shall maintain and make available for inspection by the Secretary of Revenue any records the Secretary considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for the credit and the amount of the credit shall rest upon the taxpayer, and no credit shall be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection.

"§ 105-129.8. (Repealed effective January 1, 2002) Credit for creating jobs.
(a) Credit. -- A taxpayer that meets the eligibility requirements set out in G.S. 105-129.4, has five or more employees for at least 40 weeks during the taxable year, and hires an additional full-time employee during that year to fill a position located in this State is allowed a credit for creating a new full-time job. The amount of the credit for each new full-time job created is set out in the table below and is based on the enterprise tier of the area in which the position is located. In addition, if the position is located in a development zone, the amount of the credit is increased by four thousand dollars ($4,000) per job.

A position is located in an area if more than fifty percent (50%) of the employee's duties are performed in the area. The credit may not be taken in the taxable year in which the additional employee is hired. Instead, the credit shall be taken in equal installments over the four years following the taxable year in which the additional employee was hired and shall be conditioned on the continued employment by the taxpayer of the number of full-time employees the taxpayer had upon hiring the employee that caused the taxpayer to qualify for the credit.

If, in one of the four years in which the installment of a credit accrues, the number of the taxpayer's full-time employees falls below the number of full-time employees the taxpayer had in the year in which the taxpayer qualified for the credit, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the
portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

Jobs transferred from one area in the State to another area in the State shall not be considered new jobs for purposes of this section. If, in one of the four years in which the installment of a credit accrues, the position filled by the employee is moved to an area in a higher- or lower-numbered enterprise tier, or is moved from a development zone to an area that is not a development zone, the remaining installments of the credit shall be calculated as if the position had been created initially in the area to which it was moved.

(b) Repealed by Session Laws 1989, c. 111, s. 1.
(b1) (c) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3.
(d) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to create at least twenty new full-time jobs in a specific area within two years of the date the letter is signed qualifies for the credit in the amount allowed by this section based on the area's enterprise tier and development zone designation for that year even though the employees are not hired that year. The credit shall be available in the taxable year after at least twenty employees have been hired if the hirings are within the two-year commitment period. The conditions outlined in subsection (a) apply to a credit taken under this subsection except that if the area is redesignated to a higher-numbered enterprise tier or loses its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area's enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not hire the employees within the two-year period, the taxpayer does not qualify for the credit. However, if the taxpayer qualifies for a credit under subsection (a) in the year any new employees are hired, the taxpayer may take the credit under that subsection.
(e) (f) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3 for taxable years beginning on or after January 1, 1996.

"§ 105-129.9. (Repealed effective January 1, 2002) Credit for investing in machinery and equipment.

(a) Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible investment amount over the applicable threshold. Machinery and equipment is eligible if it is capitalized by the taxpayer for tax purposes under the Code and is not leased to another party. In addition, in the case of a large investment, machinery and equipment that is not capitalized by the taxpayer is eligible if the taxpayer leases it from another party. The credit may not be taken for the taxable year in which the equipment is placed in service but shall be taken in equal installments over the seven years following the taxable year in which the equipment is placed in service.

(b) Eligible Investment Amount. -- The eligible investment amount is the lesser of (i) the cost of the eligible machinery and equipment and (ii) the amount by which the cost of all of the taxpayer's eligible machinery and
equipment that is in service in this State on the last day of the taxable year exceeds the cost of all of the taxpayer’s eligible machinery and equipment that was in service in this State on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer had the most eligible machinery and equipment in service in this State.

(c) Threshold. -- The applicable threshold is the appropriate amount set out in the following table based on the enterprise tier of the area where the eligible machinery and equipment are placed in service during the taxable year. If the taxpayer places eligible machinery and equipment in service in more than one area during the taxable year, the threshold applies separately to the eligible machinery and equipment placed in service in each area. If the taxpayer places eligible machinery and equipment in service in an area over the course of a two-year period, the applicable threshold for the second taxable year is reduced by the eligible investment amount for the previous taxable year.

(d) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are disposed of, taken out of service, or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved.

(e) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to place specific eligible machinery and equipment in service in an area within two years after the date the letter is signed may, in the year the eligible machinery and equipment are placed in service in that area, calculate the credit for which the taxpayer qualifies based on the area’s enterprise tier and development zone designation for the year the letter was signed. All other conditions apply to the credit, but if the area has been redesignated to a higher-numbered enterprise tier or has lost its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area’s enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not place part or all of the specified eligible machinery and equipment in service within the two-year period, the taxpayer does not
qualify for the benefit of this subsection with respect to the machinery and equipment not placed in service within the two-year period. However, if the taxpayer qualifies for a credit in the year the eligible machinery and equipment are placed in service, the taxpayer may take the credit for that year as if no letter of commitment had been signed pursuant to this subsection.

"§ 105-129.10. (Repealed effective January 1, 2002) Credit for research and development.

(a) General Credit. -- A taxpayer that claims for the taxable year a federal income tax credit under section 44 41(a) of the Code for increasing research activities is allowed a credit equal to five percent (5%) of the State’s apportioned share of the taxpayer’s expenditures for increasing research activities. The State’s apportioned share of a taxpayer’s expenditures for increasing research activities is the excess of the taxpayer’s qualified research expenses for the taxable year over the base amount, as determined under section 41 of the Code, multiplied by a percentage equal to the ratio of the taxpayer’s qualified research expenses for this State for the taxable year to the taxpayer’s total qualified research expenses for the taxable year.

(b) Alternative Credit. -- A taxpayer that claims the alternative incremental credit under section 41(e)(4) of the Code for increasing research activities is allowed a credit equal to twenty-five percent (25%) of the State’s apportioned share of the federal credit claimed. The State’s apportioned share of the federal credit claimed is the amount of the alternative incremental credit the taxpayer claimed under section 41(e)(4) of the Code for the taxable year multiplied by a percentage equal to the ratio of the taxpayer’s qualified research expenses in this State for the taxable year to the taxpayer’s total qualified research expenses for the taxable year. For the purpose of this subsection, the amount of the alternative incremental credit claimed by a taxpayer is determined without regard to any reduction elected under section 280C(c) of the Code.

(c) Definitions. -- As used in this section, the terms ‘qualified research expenses’ and ‘base amount’ have the meaning provided in section 41 of the Code.

"§ 105-129.11. (Repealed effective January 1, 2002) Credit for worker training.

(a) Credit. -- A taxpayer that provides worker training for five or more of its eligible employees during the taxable year is allowed a credit equal to fifty percent (50%) of its eligible expenditures for the wages paid to the eligible employees during the training. Wages paid to an employee performing his or her job while being trained are not eligible for the credit. For positions located in an enterprise tier one area, the credit may not exceed one thousand dollars ($1,000) per employee trained during the taxable year. For other positions, the credit may not exceed five hundred dollars ($500.00) per employee trained during the taxable year. A position is located in an area if more than fifty percent (50%) of the employee’s duties are performed in the area.

(b) Eligibility. -- The eligibility of a taxpayer’s expenditures and employees is determined as provided in G.S. 105-129.4. An employee is
eligible if the employee is in a full-time position not classified as exempt under the Fair Labor Standards Act, 29 U.S.C. § 213(a)(1) and meets one or more of the following conditions:

(1) The employee occupies a job for which the taxpayer is eligible to claim an installment of the credit for creating jobs.

(2) The employee is being trained to operate machinery and equipment for which the taxpayer is eligible to claim an installment of the credit for investing in machinery and equipment.

§ 105-129.12. (Repealed effective January 1, 2002) Credit for investing in central administrative office property.

(a) Credit. -- If a taxpayer that has purchased or leased real property in this State begins to use the property as a central administrative office during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the eligible investment amount. The eligible investment amount is the lesser of (i) the cost of the property and (ii) the amount by which the cost of all of the property the taxpayer is using in this State as central administrative offices on the last day of the taxable year exceeds the cost of all of the property the taxpayer was using in this State as central administrative offices on the last day of the base year. The base year is that year of the three immediately preceding taxable years, in which the taxpayer was using the most property in this State as central administrative offices. In the case of property that is leased, the cost of the property is not determined as provided in G.S. 105-129.2 but is considered to be the taxpayer’s lease payments over a seven-year period, plus any expenditures made by the taxpayer to improve the property before it is used as the taxpayer’s central administrative office if the expenditures are not reimbursed or credited by the lessor. The maximum credit allowed a taxpayer under this section for property used as a central administrative office is five hundred thousand dollars ($500,000). The entire credit may not be taken for the taxable year in which the property is first used as a central administrative office but shall be taken in equal installments over the seven years following the taxable year in which the property is first used as a central administrative office. The basis in any real property for which a credit is allowed under this section shall be reduced by the amount of credit allowable.

(b) Mixed Use Property. -- If the taxpayer uses only part of the property as the taxpayer’s central administrative office, the amount of the credit allowed under this section is reduced by multiplying it by a fraction the numerator of which is the square footage of the property used as the taxpayer’s central administrative office and the denominator of which is the total square footage of the property.

(c) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the property with respect to which the credit was claimed is no longer used as a central administrative office, the credit expires and the taxpayer may not take any remaining installment of the credit. If, in one of the seven years in which the installment of a credit accrues, part of the property with respect to which the credit was claimed is no longer used as a central administrative office, the remaining installments of the credit shall be reduced by multiplying it by the fraction described in subsection (b) of this section. If, in one of the seven years in which the installment of a credit
accrues, the total number of employees the taxpayer employs at all of its central administrative offices in this State drops by 40 or more, the credit expires and the taxpayer may not take any remaining installment of the credit.

In each of these cases, the taxpayer may nonetheless take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5."

Section 2. G.S. 105-129.15(2) reads as rewritten:
"(2) Cost. -- Determined In the case of property owned by the taxpayer, cost is determined pursuant to regulations adopted under section 1012 of the Code, subject to the limitation on cost provided in section 179 of the Code. In the case of property the taxpayer leases from another, cost is value as determined pursuant to G.S. 105-130.4(j)(2)."

Section 3. G.S. 143B-437.04 reads as rewritten:
"§ 143B-437.04. Economic Community development block grants.
(a) The Department of Commerce shall adopt guidelines for the awarding of Community Development Block Grants for economic development that will ensure that no to ensure that:

(1) No local match is required for grants awarded for projects located in enterprise tier one areas as defined in G.S. 105-129.3 and, to 105-129.3.

(2) To the extent practicable, that priority consideration for grants is given to projects located in enterprise tier one areas as defined in G.S. 105-129.3, 105-129.3 or in development zones that have met the conditions of subsection (b) of this section.

(b) In order to qualify for the benefits of this section, after an area is designated a development zone under G.S. 105-129.3A, the governing body of the city in which the zone is located must adopt a strategy to improve the zone and establish a development zone committee to oversee the strategy. The strategy and the committee must conform with requirements established by the Secretary of Commerce."

PART II. INFRASTRUCTURE FUNDS

PART IV. RECYCLING INDUSTRY

Section 12. Chapter 105 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 3C.
"Tax Incentives for Recycling Facilities.

§ 105-129.25. Definitions.
The following definitions apply in this Article:

1. Reserved.
2. Reserved.
3. Large recycling facility. -- A recycling facility that qualifies under G.S. 105-129.26(b).
4. Machinery and equipment. -- Engines, machinery, tools, and implements used or designed to be used in the business for which the credit is claimed. The term does not include real property as defined in G.S. 105-273 or rolling stock as defined in G.S. 105-333.
5. Major recycling facility. -- A recycling facility that qualifies under G.S. 105-129.26(a).
6. Owner. -- A person who owns or leases a recycling facility.
7. Post-consumer waste material. -- Any product that was generated by a business or consumer, has served its intended end use, and has been separated from the solid waste stream for the purpose of recycling. The term includes material acquired by a recycling facility either directly or indirectly, such as through a broker or an agent.
9. Recycling facility. -- A manufacturing plant at least three-fourths of whose products are made of at least fifty percent (50%) post-consumer waste material measured by weight or volume. The term includes real and personal property located at or on land in the same county and reasonably near the plant site and used to perform business functions related to the plant or to transport materials and products to or from the plant. The term also includes utility infrastructure and transportation infrastructure to and from the plant.

§ 105-129.26. Qualification; forfeiture.
(a) Major Recycling Facility. -- A recycling facility qualifies for the tax benefits provided in this Article and in Article 5 of this Chapter for major recycling facilities if it meets all of the following conditions:

(1) The facility is located in an area that, at the time the owner began construction of the facility, was an enterprise tier one area pursuant to G.S. 105-129.3.

(2) The Secretary of Commerce has certified that the owner will, by the end of the fourth year after the year the owner begins construction of the recycling facility, invest at least three hundred million dollars ($300,000,000) in the facility and create at least 250 new, full-time jobs at the facility.

(3) The jobs at the recycling facility meet the wage standard in effect pursuant to G.S. 105-129.4(b) as of the date the owner begins construction of the facility.

(b) Large Recycling Facility. -- A recycling facility qualifies for the tax credit provided in G.S. 105-129.27 for large recycling facilities if it meets all of the following conditions:

(1) The facility is located in an area that, at the time the owner began construction of the facility, was an enterprise tier one area pursuant to G.S. 105-129.3.

(2) The Secretary of Commerce has certified that the owner will, by the end of the second year after the year the owner begins construction of the recycling facility, invest at least one hundred fifty million dollars ($150,000,000) in the facility and create at least 155 new, full-time jobs at the facility.

(3) The jobs at the recycling facility meet the wage standard in effect pursuant to G.S. 105-129.4(b) as of the date the owner begins construction of the facility.

(c) Forfeiture. -- If the owner of a large or major recycling facility fails to make the required minimum investment or create the required number of new jobs within the period certified by the Secretary of Commerce under this section, the recycling facility no longer qualifies for the applicable recycling facility tax benefits provided in this Article and in Article 5 of this Chapter and forfeits all tax benefits previously received under those Articles. Forfeiture does not occur, however, if the failure was due to events beyond the owner’s control. Upon forfeiture of tax benefits previously received, the owner is liable under Part 1 of Article 4 of this Chapter for a tax equal to the amount of all past taxes under Articles 3, 4, and 5 previously avoided as a result of the tax benefits received plus interest at the rate established in G.S. 105-241.1(i), computed from the date the taxes would have been due if the tax benefits had not been received. The tax and interest are due 30 days after the date of the forfeiture. An owner that fails to pay the tax and interest is subject to the penalties provided in G.S. 105-236.

(d) Substantiation. -- To claim a credit allowed by this Article, the owner must provide any information required by the Secretary of Revenue. Every owner claiming a credit under this Article shall maintain and make available for inspection by the Secretary of Revenue any records the Secretary considers necessary to determine and verify the amount of the credit to which the owner is entitled. The burden of proving eligibility for the credit
and the amount of the credit shall rest upon the owner, and no credit shall be allowed to an owner that fails to maintain adequate records or to make them available for inspection.

(e) Reports. -- The Department of Commerce shall report to the Fiscal Research Division of the General Assembly by May 1 of each year the following information for the 12-month period ending the preceding April 1:

1. The number and location of large and major recycling facilities qualified under this Article.
2. The number of new jobs created by each recycling facility.
3. The amount of investment in each recycling facility.
4. The amount of reinvestment credit refunded to each major recycling facility under G.S. 105-129.28.

§ 105-129.27. Credit for investing in large or major recycling facility.

(a) Credit. -- An owner that purchases or leases machinery and equipment for a major recycling facility in this State during the taxable year is allowed a credit equal to fifty percent (50%) of the amount payable by the owner during the taxable year to purchase or lease the machinery and equipment. An owner that purchases or leases machinery and equipment for a large recycling facility in this State during the taxable year is allowed a credit equal to twenty percent (20%) of the amount payable by the owner during the taxable year to purchase or lease the machinery and equipment.

(b) Taxes Credited. -- The credit provided in this section is allowed against the franchise tax levied in Article 3 of this Chapter and the income tax levied in Part 1 of Article 4 of this Chapter. Any other nonrefundable credits allowed the owner are subtracted before the credit allowed by this section.

(c) Carryforwards. -- The credit provided in this section may not exceed the amount of tax against which it is claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the owner. Any unused portion of the credit may be carried forward for the succeeding 25 years.

(d) Change in Ownership of Facility. -- The sale, merger, acquisition, or bankruptcy of a recycling facility, or any transaction by which the facility is reformulated as another business, does not create new eligibility in a succeeding owner with respect to a credit for which the predecessor was not eligible under this section. A successor business may, however, take any carried-over portion of a credit that its predecessor could have taken if it had a tax liability.

(e) Forfeiture. -- If any machinery or equipment for which a credit was allowed under this section is not placed in service within 30 months after the credit was allowed, the credit is forfeited. A taxpayer that forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236.
(f) No Double Credit. -- A recycling facility that is eligible for the credit allowed in this section is not allowed the credit for investing in machinery and equipment provided in G.S. 105-129.9.

"§ 105-129.28. Credit for reinvestment.

(a) Credit. -- A major recycling facility that is accessible by neither ocean barge nor ship and that transports materials to the facility or products away from the facility is allowed a credit against the tax imposed by Part 1 of Article 4 of this Chapter equal to its additional transportation and transloading expenses incurred with respect to the materials and products due to its inability to use ocean barges or ships. The additional expenses for which credit is allowed are expenses due to using river barges and expenses due to having to use another mode of transportation because the quantity that is transported by river barge is insufficient to meet the facility's needs. In order to claim the credit allowed by this section, the facility must provide the Secretary of Commerce audited documentation of the amount of its additional transportation and transloading expenses incurred during the taxable year.

(b) Cap. -- The credit allowed to a major recycling facility under this section for the taxable year may not exceed the applicable annual cap provided in the following table:

<table>

<tr>

<tbody>

(c) Reduction. -- For the first ten taxable years after the owner begins construction of the major recycling facility, the credit allowed by this section must be reduced by the amount of credit allowed in previous years that was used for a purpose other than an allowable purpose under subsection (d) of this section, as certified by the Secretary of Commerce.

(d) Use of Credited Amount. -- For the first ten taxable years after the owner begins construction of the major recycling facility, the owner must use the amount of credit allowed under this section to pay for (i) investment in rail or roads associated with the facility, (ii) investment in water system infrastructure designed to reduce the expense of transporting materials and products to and from the recycling facility, and (iii) investment in land and infrastructure for other industrial sites located in the same county as the recycling facility. If the owner determines that there are no reasonable economic opportunities in a given year to use the total amount of credit for the expenditures described above, the owner may use the excess for investment at or in connection with the recycling facility above the initial required investment of three hundred million dollars ($300,000,000).

Expenses incurred for the purposes allowed in this subsection during a taxable year in the ten-year period may be counted toward a credit allowed in a later taxable year in the ten-year period. If the owner is not able to use the full amount of the credit during a taxable year for any of the purposes...
allowed by this subsection, the excess may be used for these purposes in subsequent taxable years.

The owner must provide the Secretary of Commerce with annual audited documentation demonstrating that the amount of credit received under this section during the previous twelve-month period has not been used for a purpose inconsistent with this subsection. If the Secretary of Commerce determines that the owner has used any of the credit for a purpose that is inconsistent with the requirements of this subsection, the Secretary of Commerce shall certify the amount so used to the Secretary of Revenue and the credit allowed the owner under this section for the following taxable year shall be reduced by that amount in accordance with subsection (c) of this section.

After the end of the ten-year period, the amount of any credit allowed under this section that has not yet been used may be used for investment at or in connection with the recycling facility above the initial required investment of three hundred million dollars ($300,000,000).

(e) Credit Refundable. -- If the credit allowed by this section exceeds the amount of tax imposed by Part 1 of Article 4 of this Chapter for the taxable year reduced by the sum of all credits allowable, the Secretary shall refund the excess to the taxpayer. The refundable excess is governed by the provisions governing a refund of an overpayment by the taxpayer of the tax imposed in Part 1 of Article 4 of this Chapter. In computing the amount of tax against which multiple credits are allowed, nonrefundable credits are subtracted before refundable credits.

Section 13. G.S. 105-164.3 is amended by renumbering subdivision (8) as (7b) and adding a new subdivision to read:

"(8) Major recycling facility. -- Defined in G.S. 105-129.25."

Section 14. G.S. 105-164.4(a)(1d) is amended by adding a new subdivision to read:

"(1) Sales to a major recycling facility of the following tangible personal property for use in connection with the facility: cranes, structural steel crane support systems, foundations related to the cranes and support systems, port and dock facilities, rail equipment, and material handling equipment."

Section 15. G.S. 105-164.13 is amended by adding two new subdivisions to read:

"(10a) Sales to a major recycling facility of (i) lubricants and other additives for motor vehicles or machinery and equipment used at the facility and (ii) materials, supplies, parts, and accessories, other than machinery and equipment, that are not capitalized by the taxpayer and are used or consumed in the manufacturing and material handling processes at the facility.

(10b) Sales to a major recycling facility of electricity used at the facility."
that become a part of the real property of the recycling facility. Liability incurred indirectly by the owner for sales and use taxes on these items is considered tax paid by the owner. A request for a refund must be in writing and must include any information and documentation required by the Secretary. A request for a refund is due within six months after the end of the major recycling facility's fiscal year. Refunds applied for after the due date are barred."

Section 17. G.S. 105-164.14(f) reads as rewritten:

"(f) Information to Counties. -- Upon written request of a county, the Secretary shall, within 30 days after the request, provide the designated county official a list of each claimant that has, within the past 12 months, received a refund under subsection (b) or (c) (b), (c), or (g) of this section of at least one thousand dollars ($1,000) of tax paid to the county. The list shall include the name and address of each claimant and the amount of the refund it has received from that county. Upon written request of a county, a claimant that has received a refund under subsection (b) or (c) (b), (c), or (g) of this section shall provide the designated county official a copy of the request for the refund and any supporting documentation requested by the county to verify the request. For the purpose of this subsection, the designated county official is the chair of the board of county commissioners or a county official designated in a resolution adopted by the board. Information provided to a county under this subsection is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1. If a claimant determines that a refund it has received under subsection (b) or (c) (b), (c), or (g) of this section is incorrect, it shall file an amended request for the refund."

Section 18. G.S. 105-275(8) is amended by adding a new sub-subdivision to read:

"d. Real or personal property that is used or, if under construction, is to be used by a major recycling facility as defined in G.S. 105-129.25 predominantly for recycling or resource recovering of or from solid waste, if the Department of Environment and Natural Resources furnishes a certificate to the tax supervisor of the county in which the property is situated stating the Department of Environment and Natural Resources has found that the described property has been or will be constructed or installed for use by a major recycling facility, complies or will comply with the rules of the Department of Environment and Natural Resources, and has, or will have as a purpose recycling or resource recovering of or from solid waste."

Section 19. G.S. 105-129.28, as enacted by Section 12 of this act, is repealed effective for taxable years beginning on or after January 1, 2008. This section does not affect the rights or liabilities of the State, a taxpayer, or another person arising under G.S. 105-129.28 before the effective date of its repeal; nor does it affect the right to any refund or credit of a tax that accrued under G.S. 105-129.28 before the effective date of its repeal.

The sole purpose of this ten-year sunset provision is to allow a determination to be made whether any major recycling facility continues to
experience additional transportation and transloading expenses due to its inability to use ocean barges or ships to transport materials and products to and from the facility. It is the expectation and intent that the General Assembly will postpone the sunset of G.S. 105-129.28 if it is determined that, based on audited documentation submitted by a major recycling facility and verified by the Secretary of Commerce, that any major recycling facility continues to experience these additional transportation and transloading expenses as of 2008.

SESSION LAW 1998-59

AN ACT TO AMEND THE STATUTES GOVERNING THE CONSEQUENCES FOR PRINCIPALS IN SCHOOLS IDENTIFIED AS LOW-PERFORMING UNDER THE ABC’S PLAN, AND TO REQUIRE LOCAL SCHOOL ADMINISTRATIVE UNITS TO DEVELOP PLANS TO ADDRESS THE NEEDS OF LOW-PERFORMING SCHOOLS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 115C-105.37 reads as rewritten:

"§ 115C-105.37. Identification of low-performing schools.

(a) The State Board of Education shall design and implement a procedure to identify low-performing schools on an annual basis. Low-performing schools are those in which there is a failure to meet the minimum growth standards, as defined by the State Board, and a majority of students are performing below grade level.

(a1) By July 10 of each year, each local school administrative unit shall do a preliminary analysis of test results to determine which of its schools the State Board may identify as low-performing under this section. The superintendent then shall proceed under G.S. 115C-105.39. In addition, within 30 days of the initial identification of a school as low-performing by the local school administrative unit or the State Board, whichever occurs first, the superintendent shall submit to the local board a preliminary plan for addressing the needs of that school. Within 30 days of its receipt of this plan, the local board shall vote to approve, modify, or reject this plan. Before the board makes this vote, it shall make the plan available to the public, including the personnel assigned to that school and the parents and
guardians of the students who are assigned to the school, and shall allow for written comments. The board shall submit the plan to the State Board within five days of the board's vote. The State Board shall review the plan expeditiously and, if appropriate, may offer recommendations to modify the plan. The local board shall consider any recommendations made by the State Board.

(b) Each identified low-performing school school that the State Board identifies as low-performing shall provide written notification to the parents of students attending that school. The written notification shall include a statement that the State Board of Education has found that the school has 'failed to meet the minimum growth standards, as defined by the State Board, and a majority of students in the school are performing below grade level.' This notification also shall include a description of the information about the plan developed under subsection (a1) of this section and a description of any additional steps the school is taking to improve student performance."

Section 2. G.S. 115C-105.39(a) reads as rewritten:

"(a) Upon the identification of a school as low-performing under this Part, the State Board shall proceed under G.S. 115C-325(g)(1) for the dismissal of the principal assigned to that school. Within 30 days of the initial identification of a school as low-performing, whether by the local school administrative unit under G.S. 115C-105.37(a1) or by the State Board under G.S. 115C-105.37(a), the superintendent shall take one of the following actions concerning the school's principal: (i) recommend to the local board that the principal be retained in the same position, (ii) recommend to the local board that the principal be retained in the same position and a plan of remediation should be developed, (iii) recommend to the local board that the principal be transferred, or (iv) proceed under G.S. 115C-325 to dismiss or demote the principal. The principal may be retained in the same position without a plan for remediation only if the principal was in that position for no more than two years before the school is identified as low-performing. The principal shall not be transferred to another principal position unless (i) it is in a school classification in which the principal previously demonstrated at least 2 years of success, (ii) there is a plan to evaluate and provide remediation to the principal for at least one year following the transfer to assure the principal does not impede student performance at the school to which the principal is being transferred; and (iii) the parents of the students at the school to which the principal is being transferred are notified. The principal shall not be transferred to another low-performing school in the local school administrative unit. If the superintendent intends to recommend demotion or dismissal, the superintendent shall notify the local board. Within 15 days of (i) receiving notification that the superintendent intends to proceed under G.S. 115C-325, or (ii) its decision concerning the superintendent's recommendation, but no later than September 30, the local board shall submit to the State Board a written notice of the action taken and the basis for that action. If the State Board does not assign an assistance team to that school or if the State Board assigns an assistance team to that school and the superintendent proceeds under G.S. 115C-325 to dismiss or demote the principal, then the State

g. In all hearings under this subdivision, two consecutive evaluations that include written findings and recommendations regarding that person’s inadequate performance from the assistance team are substantial evidence of the inadequate performance of the principal.

SESSION LAW 1998-60  
AN ACT TO AUTHORIZE THE COUNTY OF DURHAM TO ALLOW FEES FOR STORMWATER MAINTENANCE, REPAIR, AND IMPROVEMENTS ON PRIVATE PROPERTY TO BE PAID OVER TIME AND BECOME A LIEN ON REAL PROPERTY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 153A-277 reads as rewritten:

"§ 153A-277. Authority to fix and enforce rates.

(a) A county may establish and revise from time to time schedules of rents, rates, fees, charges, and penalties for the use of or the services furnished by a public enterprise. Schedules of rents, rates, fees, charges, and penalties may vary for the same class of service in different areas of the county and may vary according to classes of service, and different schedules may be adopted for services provided outside of the county. A county may include a fee relating to subsurface discharge wastewater management systems and services on the property tax bill for the real property where the system for which the fee is imposed is located.

(a1) Before it establishes or revises a schedule of rates, fees, charges, or penalties for structural and natural stormwater and drainage systems under this section, the board of commissioners shall hold a public hearing on the matter. A notice of the hearing shall be given at least once in a newspaper having general circulation in the area, not less than seven days before the public hearing. The hearing may be held concurrently with the public hearing on the proposed budget ordinance.

The fees established under this subsection must be made applicable throughout the area of the county outside municipalities. Schedules of rates, fees, charges, and penalties for providing structural and natural stormwater and drainage system service may vary according to whether the property served is residential, commercial, or industrial property, the property's use, the size of the property, the area of impervious surfaces on the property, the quantity and quality of the runoff from the property, the characteristics of the watershed into which stormwater from the property drains, and other factors that affect the stormwater drainage system. Rates, fees, and charges imposed under this subsection may not exceed the county's cost of providing a stormwater and drainage system.

No stormwater utility fee may be levied under this subsection whenever two or more units of local government operate separate structural and natural stormwater and drainage system services in the same area within a county. However, two or more units of local government may allocate among themselves the functions, duties, powers, and responsibilities for jointly operating a single structural and natural stormwater and drainage system service in the same area within a county, provided that only one unit
may levy a fee for the service within the joint service area. For purposes of this subsection, a unit of local government shall include a regional authority providing structural and natural stormwater and drainage system services.

A county may by ordinance provide that funds collected from stormwater fees may be used to participate in the cost of repairs, improvements, and maintenance to the stormwater system on private property within the county. Upon written request by the property owner, a county may by ordinance allow the private share of the costs to be paid over a period of time fixed by the board of commissioners, not to exceed 10 years, with interest not to exceed nine percent (9%) per annum. The unpaid portion owed the county by the property owner shall become a lien on the real property and may be collected in accordance with the procedures provided in Article 26 of Chapter 105 of the General Statutes for collection of delinquent county real property taxes. Any such lien shall have the same priority as a lien for a special assessment as provided in G.S. 153A-200(c).

(b) A county may collect delinquent accounts by any remedy provided by law for collecting and enforcing private debts, and may specify by ordinance the order in which partial payments are to be applied among the various enterprise services covered by a bill for the services. A county may also discontinue service to a customer whose account remains delinquent for more than 10 days. If a delinquent customer is not the owner of the premises to which the services are delivered, the payment of the delinquent account may not be required before providing services at the request of a new and different tenant or occupant of the premises. If water or sewer services are discontinued for delinquency, it is unlawful for a person other than a duly authorized agent or employee of the county to reconnect the premises to the water or sewer system.

(c) Rents, rates, fees, charges, and penalties for enterprisory services are in no case a lien upon the property or premises served and, except as provided in subsection (d) of this section, are legal obligations of the person contracting for them, provided that no contract shall be necessary in the case of structural and natural stormwater and drainage systems.

(d) Rents, rates, fees, charges, and penalties for enterprisory services are legal obligations of the owner of the property or premises served when:

(1) The property or premises is leased or rented to more than one tenant and services rendered to more than one tenant are measured by the same meter; or

(2) Charges made for use of a sewerage system are billed separately from charges made for the use of a water distribution system."

AN ACT TO ALLOW THE CITY OF CHARLOTTE TO CONTINUE TO
LEY STORMWATER FEES IF REVENUE BONDS HAVE BEEN
ISSUED AND ARE OUTSTANDING.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-314 reads as rewritten:

"§ 160A-314. Authority to fix and enforce rates.

(a) A city may establish and revise from time to time schedules of rents,
rates, fees, charges, and penalties for the use of or the services furnished by
any public enterprise. Schedules of rents, rates, fees, charges, and penalties
may vary according to classes of service, and different schedules may be
adopted for services provided outside the corporate limits of the city.

(a1) Before it establishes or revises a schedule of rates, fees, charges, or
penalties for structural and natural stormwater and drainage systems under
this section, the city council shall hold a public hearing on the matter. A
notice of the hearing shall be given at least once in a newspaper having
general circulation in the area, not less than seven days before the public
hearing. The hearing may be held concurrently with the public hearing on
the proposed budget ordinance.

The fees established under this subsection must be made applicable
throughout the area of the city. Schedules of rates, fees, charges, and
penalties for providing structural and natural stormwater and drainage
system service may vary according to whether the property served is
residential, commercial, or industrial property, the property’s use, the size
of the property, the area of impervious surfaces on the property, the quantity
and quality of the runoff from the property, the characteristics of the
watershed into which stormwater from the property drains, and other factors
that affect the stormwater drainage system. Rates, fees, and charges imposed
under this subsection may not exceed the city’s cost of providing a
stormwater and drainage system.

No stormwater utility fee may be levied under this subsection whenever
two or more units of local government operate separate structural and
natural stormwater and drainage system services in the same area within a
county, except that a unit of local government that has issued
revenue bonds, including revenue bonds issued to refund prior revenue
bonds, for which stormwater utility fees have been pledged under Article 5
of Chapter 159 of the General Statutes may continue to levy a stormwater
utility fee under this subsection for the sole purpose of (i) paying principal,
interest, or redemption premiums in accordance with the terms of the
revenue bonds, (ii) funding any reserve requirements or similar obligations imposed by any documents, instruments, or agreements pursuant to which the revenue bonds are authorized or issued or securing the same or any related credit facility, liquidity facility, derivative agreement, or any other similar agreement, and (iii) paying any related cost, fees, and expenses until the revenue bonds have been retired. However, two or more units of local government may allocate among themselves the functions, duties, powers, and responsibilities for jointly operating a single structural and natural stormwater and drainage system service in the same area within a county, provided that only one unit may levy a fee for the service within the joint service area. For purposes of this subsection, a unit of local government shall include a regional authority providing structural and natural stormwater and drainage system services.

(a2) A fee for the use of a disposal facility provided by the city may vary based on the amount, characteristics, and form of recyclable materials present in solid waste brought to the facility for disposal. This section does not prohibit a city from providing aid to low-income persons to pay all or part of the cost of solid waste management services for those persons.

(b) A city shall have power to collect delinquent accounts by any remedy provided by law for collecting and enforcing private debts, and may specify by ordinance the order in which partial payments are to be applied among the various enterprise services covered by a bill for the services. A city may also discontinue service to any customer whose account remains delinquent for more than 10 days. When service is discontinued for delinquency, it shall be unlawful for any person other than a duly authorized agent or employee of the city to do any act that results in a resumption of services. If a delinquent customer is not the owner of the premises to which the services are delivered, the payment of the delinquent account may not be required before providing services at the request of a new and different tenant or occupant of the premises, but this restriction shall not apply when the premises are occupied by two or more tenants whose services are measured by the same meter.

(c) Except as provided in subsection (d) and G.S. 160A-314.1, rents, rates, fees, charges, and penalties for enterprisory services shall be legal obligations of the person contracting for them, and shall in no case be a lien upon the property or premises served, provided that no contract shall be necessary in the case of structural and natural stormwater and drainage systems.

If it shall be found from such physician's report that such person is not in good physical or mental condition as of the date he would be eligible to become a member of the Association, such person shall be denied membership in the Association. The determinations of whether or not such person shall be required to undergo a physical examination and whether or not he is in good physical or mental condition shall be made by the Trustees. In making such determinations, all persons similarly situated shall be treated alike. The cost of any medical examination required pursuant to the provisions of this subsection (c) shall be borne by the person seeking membership in the Association.

Sec. 3. The Association may provide and raise funds in any legal manner to be used as a pension fund for such person or persons as may be entitled thereto under the provisions of this act and to such extent as is hereinafter set out.

Sec. 4. The governing body of the Association shall consist of a Board of Trustees five in number, four from the membership of the Fire Department, and one to be appointed by the Insurance Commissioner of the State of North Carolina.

Sec. 5. The Trustees from the membership of the Fire Department shall be elected by the members of the Fire Department for four-year terms. Such terms shall be staggered, so that two of the Trustees shall be elected during the month of January of each year evenly divisible by two. Prior to each election, each fire company may, by majority vote of the active members of the company, nominate one candidate for election as Trustee. Only members of the Association, in good standing, who have divisible evenly by two. Trustees that are slated to leave the Board are automatically candidates for reelection unless they choose not to serve another term. In addition, the elected Association Trustees shall select from the members of the Fire Department four members in good standing, each of whom continuously served in the Fire Department for a period of at least four years shall be eligible for election as Trustees. The two nominees receiving the highest number of votes cast in such election shall be elected years. A general election shall then be held by the membership of the Fire Department to elect from the list of candidates two Trustees to serve a four-
year term. Each member of the Fire Department in good standing may cast two votes for the member's choice of nominees. The nominee receiving the highest number of votes in the election will be a member of the Winston-Salem Firemen's Relief Fund Board as well as the Association Board. In the event that a Trustee is unable to complete the Trustee's term, the nominee receiving the next highest number of votes in the last election held and who is not then serving as a Trustee shall complete the unexpired term of the Trustee who resigned from the Board. A tie shall be resolved by casting lots. In such election, each member of the Association in good standing may vote for two nominees. For purposes of this Section 5, the administrative offices of the Fire Department shall be deemed to be a fire company.

Sec. 6. Any Trustee may resign at any time by giving notice in writing to the other Trustees. Should any Trustee who is a member of the Fire Department cease to be a member of the Fire Department for any reason, he shall automatically cease to be a Trustee. With regard to any Trustee elected by the members of the Association who resigns or ceases to be a Trustee for any reason, his successor shall be elected as provided in Section 5 of this act; provided, that such election shall be held as soon as practicable following such resignation or cessation, each member of the Association in good standing may vote for only one nominee, the one nominee receiving the highest number of votes shall be elected, and the election shall be only for the remaining unexpired term of the predecessor Trustee. Should the Trustee who was appointed by the Insurance Commissioner of the State of North Carolina resign or cease to be a Trustee for any reason, his successor shall be appointed by the said Insurance Commissioner.

Sec. 7. The Board of Trustees is herein fully vested with the exclusive right and authority to pay out the funds of this Association, as provided for in this act. All matters and claims provided for under this act shall be passed upon by said Trustees and all decisions and actions of said Trustees shall be binding upon the Association and the members thereof. Every Trustee shall be entitled to one vote except the chairman of the Board of Trustees, who shall be entitled to vote only to break a tie. At every annual meeting of the Board of Trustees, the Trustees shall elect a chairman, vice-chairman, secretary and treasurer. The secretary and treasurer need not be Trustees, and the offices of secretary and treasurer may be combined into a single office, in the discretion of the Trustees. The annual meeting of the Board of Trustees shall be held as soon as is practicable following the end of each calendar year at such place and at such time as shall be determined by the Trustees.

Sec. 8. The secretary of the Association (or the secretary-treasurer if such offices shall be combined into a single office) shall be entitled to receive monthly compensation in an amount not to exceed one hundred dollars ($100.00) per month, as determined by the Trustees; the amount of the monthly normal retirement benefit payable for the month for which compensation is payable, determined pursuant to Section 19 of this act. The Trustees, as such, including the chairman and the vice-chairman, shall serve without compensation. The Trustees may authorize reimbursement by the Association to any officer or Trustee of the Association for all expenses
incurred by such person in connection with services rendered in behalf of the Association.

Sec. 9. The Trustees shall elect a custodian of all funds and property of the Association, provided that such custodian shall have first offered proof satisfactory to the Trustees, by bond or otherwise, that it is and will be financially responsible for all property coming into its hands in a fiduciary capacity. Said custodian shall not release any of the funds or property of the Association for reasons other than investment of such funds or property except upon the written authorization of the Trustees.

The Trustees shall also elect an investment manager who may or may not be the same person as the custodian. Any such investment manager shall be a bank, or an insurance company, or an entity registered under the Investment Advisor's Act of 1940. The investment manager shall be authorized to invest and reinvest the funds or property of the Association in the investment manager's own judgment and discretion. The investment manager shall report to the Trustees on a periodic basis, but not less frequently than each calendar quarter. The investment manager (including said custodian when acting as investment manager) shall not be liable to the Association for any act of failure to act by it, except for gross negligence or willful misconduct.

Sec. 10. A special meeting of the Board of Trustees may be called by the chairman or vice-chairman, or by any two Trustees, upon 24 hours' written notice delivered in person to the members of said Board or mailed to the last known address of each member of said Board. A majority of the Trustees in office shall constitute a quorum at any meeting and a majority vote of the Trustees at a meeting at which a quorum is present shall constitute action by the Trustees.

Sec. 11. The chairman of the Board of Trustees, when present, shall preside at all meetings. In the absence of the chairman, the vice-chairman shall act as chairman.

Sec. 12. The secretary shall keep in complete form such data as shall be necessary for actuarial valuation of the funds of the Association and for checking the disbursements for and on behalf of the Association. He shall keep minutes of all proceedings of the Board of Trustees and of the Association, and the same shall be kept in a place selected by the Trustees. The treasurer of the Association shall post yearly at each fire station and at the office of each police district fire administration, as soon as practicable following the end of each year, a financial statement of the Association.

Sec. 13. The treasurer of the Association shall deposit with the custodian all funds and property that may come into his hands for the Association. The said treasurer shall obtain a receipt from the custodian for all funds and property delivered to the custodian by the treasurer. Said custodian shall invest and reinvest such funds and property as directed by the investment manager appointed under Section 9. Notwithstanding any contrary provisions of Section 9 or of this section, the Trustees are specifically authorized and empowered to invest funds of the Association by depositing such funds with the Winston-Salem Firemen's Credit Union on condition that the Association shall receive interest at an annual rate agreed upon by the Association and such credit union.
Sec. 14. The custodian and the investment manager shall receive compensation for services rendered as may be agreed upon from time to time in writing by the Trustees and by the custodian (with respect to services rendered by the custodian) or the investment manager (with respect to services rendered by the investment manager). The Trustees shall have the authority to employ legal counsel when, in the opinion of the Trustees, legal counsel is necessary. In case of such employment, said counsel shall be paid such fees as may be fair and reasonable as agreed upon in writing by the Trustees and the counsel so employed.

Sec. 15. On or before August 31, 1987, the Board of Trustees of the Winston-Salem Firemen's Relief Fund shall transfer to the Board of Trustees of the Winston-Salem Firemen's Retirement Fund Association out of properties and funds belonging to the Winston-Salem Firemen's Relief Fund the sum of fifty-four thousand dollars ($54,000) in cash or assets. The assets so transferred pursuant to the immediately preceding sentence shall be transferred upon the basis of the fair market value thereof as of the date of transfer, and the particular assets to be transferred shall be determined by joint action of the Board of Trustees of the Winston-Salem Firemen's Relief Fund and the Board of Trustees of the Winston-Salem Firemen's Retirement Fund Association. All property of the Association is hereby relieved from any and all claims of the persons entitled to relief from the Winston-Salem Firemen's Relief Fund. The North Carolina Firemen's Association, its officers, members, boards and committees, are also hereby relieved of any claim of any kind whatsoever which may be based on past service, present service or future service in the Winston-Salem Fire Department. The Winston-Salem Firemen's Relief Fund and the officers, members, boards and committees of said Fund, are also hereby relieved of any claim of any kind whatsoever which may be based on past, present or future service in the Winston-Salem Fire Department, if any, so long as any claimant is entitled to benefits or pension under the provisions of this act.

Sec. 16. (a) Notwithstanding the provisions of subsection (b) immediately following, if a person who shall not be a member of the Association shall be transferred to the employment of the Fire Department from the employment of the City of Winston-Salem (hereinafter referred to as the City), the following provisions shall apply in determining whether he shall be a member of the Association following such transfer:

(1) If he shall have attained at least his 18th birthday and shall not have attained his 40th birthday on the date of such transfer, he shall automatically become a member on such date of transfer. In determining such transferred employee's number of years of continuous employment by the City, employment with the City prior to such transfer shall be taken into account only if such employee shall elect to contribute to the Association the amount sum of (i) plus (ii) plus (iii), where (i) is the amount of twelve dollars ($12.00) per month, measured from the date of his hire by the City until earlier of the date of such transfer, plus interest transfer and June 30, 1998; (ii) is the aggregate amount that the person would have contributed, determined in accordance with Section 17 of this act, measured from July 1, 1998, until the
date of the transfer, if the transfer occurs on or after July 1, 1998; and (iii) is interest accrued at the rate of eight percent (8%), applicable (8%) with respect to any payments made on and after July 1, 1989, per annum, computed compounded annually on the amount accrued as of the end of each fiscal year of the Association.

(2) If he shall have attained at least his 40th birthday on the date of transfer, but had not attained such birthday when last employed by the City, he may elect within 90 days following such transfer to become a member. If he elects to become a member, he shall contribute to the Association the amount he would have contributed if he had become a member on the day next preceding his 40th birthday. In addition, at the option of such employee, he may further elect to contribute such additional amount as he would have contributed prior to his 40th birthday if his employment with the City had been with the Fire Department. Any such contributions shall include interest at the rate of eight percent (8%), applicable to any payments made on and after July 1, 1989, per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

(3) If he shall have attained at least his 40th birthday when last employed by the City, he shall be ineligible to become a member following such transfer.

(4) The elections specified in subdivisions (1) and (2) hereof shall be made in writing to the Trustees within 90 days following such transfer, and shall be irrevocable when made (subject to termination of membership upon subsequent separation from employment with the Fire Department). Any contributions (and interest) payable pursuant to such election shall be paid in cash in a lump sum at the time such election shall be filed.

(b) Notwithstanding the provisions of subsection (a) of Section 2 hereof, as soon as practicable following April 3, 1979, (but in no event more than 60 days thereafter), the Trustees gave each person who was then employed by the City of Winston-Salem as a Public Safety Officer an election to be a member or not to be a member of the Association. Each such election was to be made in accordance with procedures established by the Trustees and was irrevocable when made (subject to termination of membership upon a subsequent separation from the employment of the City, and subject to the provisions of subsection (a) of this Section 16). If a Public Safety Officer failed to file a timely election, he was deemed to have elected not to be a member. If a Public Safety Officer who was a member on the date of the election elected to discontinue membership (or shall have been deemed to have so elected), within 30 days following such date there should have been refunded to him the full amount of his prior contributions to the Association, if any, without interest. If a Public Safety Officer who failed to make contributions prior to the election date elected to be a member, he shall have within 30 days following such election paid to the Association the full amount he would have contributed if he had made required contributions during the entire period that he was eligible to be a member.
Such contributions included interest at the rate of six percent (6%) per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

(c) Any member whose employment by the Fire Department as a Public Safety Officer shall be terminated on or after June 27, 1981, for any reason, including transfer to another department in the employment of the City, shall be terminated immediately as a member; provided, that any member who is transferred on or after July 1, 1981, to another department of the City in a fire-related job shall not become a terminated member if the following conditions are met: (i) within 15 days following the date of such transfer he shall file with the Trustees a written election to continue as a member; and (ii) such member shall be notified in writing by the secretary of the Association on or before the date of transfer of his right to make the election. If a terminated member shall reenter employment of the Fire Department, his eligibility to become a member shall be determined at that time in accordance with Section 2 hereof, except to the extent such individual may be entitled to elect to become a member upon a transfer of employment as provided in subsection (a) of this Section 16.

(d) In determining the number of years of continuous employment of a member, there shall be taken into account all years for which he shall make contributions in accordance with subsection (a) or (e) of this Section 16 or Section 19. For purposes of computing a member’s years of continuous employment with the City, any period of unused sick leave with the Fire Department accrued by the member on the date of his retirement shall be deemed to be a period of continuous employment with the Fire Department.

(e) If any member of the Association was employed by the Fire Department as a cadet, such member’s number of years of employment as a cadet may be added to the period of his continuous employment with the City if, by July 31, 1981, such member contributed to the Association an amount equal to twelve dollars ($12.00) per month for the time he was a cadet, plus interest at the rate of six percent (6%) per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

(f) If a member has been employed by the City continuously for a period of 10 years and has any military service, and is not otherwise treated under Section 26 as being in the employment of the City during the period of such military service, the period of such military service shall nevertheless be added to his period of continuous employment with the City upon such member's paying to the Association an amount equal to twelve dollars ($12.00) for each month of such military service plus interest at the rate of eight percent (8%), applicable to any payments made on and after July 1, 1989, per annum, compounded annually. Such military service shall be limited to the initial period of active duty in the armed forces of the United States up to the time the member was first eligible to be separated or released therefrom, and subsequent periods of such active duty as required by the armed forces of the United States up to the date of first eligibility for separation or release therefrom. The member must submit evidence satisfactory to the Trustees of the military service claimed. Such election must be made within one year after the member first becomes eligible to contribute for such military service. Credit for military service under this
subsection shall not be considered service creditable under another retirement system for purposes of G.S. 128-26(a).

(g) If an individual who is an active participant in the North Carolina Local Governmental Employees' Retirement System (the 'System') shall terminate service with the employer enabling the individual to participate in the System (the 'System Employer'), and shall immediately enter the employment of the Fire Department, he may elect to have his period of service under the System considered as continuous employment with the Fire Department for purposes of this act; provided, that such election shall be permitted only if the individual was under age 40 when he entered the employment of the System Employer. This election shall be made in writing to the Trustees within 90 days of the individual's commencement of employment with the Fire Department (or, with respect to an individual who becomes employed by the Fire Department prior to July 1, 1989, this election shall be made on or before September 30, 1989). The election, if made, shall be accompanied by a cash contribution to the Association of an amount equal to the sum of (i) plus (ii) plus (iii), where (i) is the amount of twelve dollars ($12.00) per month during the period of his service under the System, plus interest measured from the date of the person's hiring by the City until the earlier of the transfer and June 30, 1998; (ii) is the aggregate amount that the person would have contributed, determined in accordance with Section 17 of this act, measured from July 1, 1998, until the date of the transfer, if the transfer occurs on or after July 1, 1998; and (iii) is interest accrued at the rate of eight percent (8%) per annum, compounded annually on the amount accrued as of the end of each fiscal year of the Association. The election shall be irrevocable when made. If the election is not made in a timely fashion, the right to make the election is forfeited.

Sec. 17. The Treasurer of the City shall make a monthly deduction from the salary of each member of the Association (except for members in the employ of the Police Department) due him by the City in the amount directed in writing by the Trustees, not to exceed twelve dollars ($12.00) per month, and the due him by the City. The amount of each such deduction shall be determined as of the first day of each fiscal year of the City, and shall be equal to the quotient obtained by dividing (i) the product, rounded to the nearest dollar, of .007 multiplied by the annual starting salary of a firefighter employed by the Fire Department in effect at the beginning of that fiscal year; by (ii) the number of payroll periods in that fiscal year. The amount so deducted shall be turned over monthly as soon as practicable after the applicable payroll period by the said Treasurer to the custodian of the Association as hereinbefore provided, and the Association shall have the authority to accept donations from any and all sources whatsoever.

Sec. 18. If at any time there shall not be sufficient assets in the retirement fund of the Association to pay fully the persons entitled to benefits provided herein, such persons shall be paid such benefits on a pro rata basis to the extent the assets of such fund will allow, as shall be determined by the Trustees; provided, that the assets of such fund determined as of the close of any fiscal year of the Association shall in no event be less than one million five hundred thousand dollars ($1,500,000), one hundred thirty percent (130%) of the present value of current retirees determined as of the close of
that fiscal year. Effective on or after July 1, 1998, the Trustees shall obtain a written report from the Association’s actuary as of July 1 of each year evenly divisible by two, or more frequently if the Trustees deem advisable, setting forth the present value of the assets of the fund and the present value of current liabilities of current retirees.

Sec. 19. Whenever any member of the Association has been employed by the City continuously for a period of at least 30 years, such member may make written application to the Trustees for his normal retirement benefit, and whenever any member of the Association has been employed by the City continuously for a period of at least 25 years but not more than 30 years, such member may make written application to the Trustees for his early retirement benefit; provided, however, that such member must retire from the service of the City to receive such benefits. The normal and early retirement benefits of such member shall be a monthly pension for the remainder of his life, as provided hereinbelow. For this purpose and for the purpose of Section 20 hereof, a member shall be deemed to have been employed by the City continuously if such member shall have been employed continuously by any combination of the Fire Department or Police Department (but only such employment by the Police Department as is described in subsection 16(b) and (c) hereof), and the transfer of a member from the employ of one of such organizations to the employ of the other such organization shall not be deemed to be a termination of employment by the City. Provided, that if a member has at least 25 years of employment with the City, but such service is not continuous solely because of a leave of absence lasting not more than a year and not described in Section 26, such member shall be deemed to have continuous employment with the City during such leave of absence; and provided further, that if a member has less than 25 years of employment with the City but the sum of his years of employment with the City plus any leave of absence lasting not more than one year and not described in Section 26, equals or exceeds 25 years, the period of such leave shall be deemed to be continuous employment with the City if such member contributes to the Association twelve dollars ($12.00) for each month he was on such leave, plus interest at the rate of eight percent (8%), applicable to any payments made on and after July 1, 1989, per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

Effective beginning July 1, 1989, and ending June 30, 1990, the amount of the monthly pension for each member who is entitled to receive a normal retirement benefit (including members who retired prior to July 1, 1989) shall be two hundred dollars ($200.00). Effective beginning July 1, 1990, and ending June 30, 1998, the amount of the monthly pension for each member who is entitled to receive a normal retirement benefit, including members who retired prior to July 1, 1990, shall be two hundred fifteen dollars ($215.00). Effective on and after July 1, 1998, the amount of the monthly pension for each member who is entitled to receive a normal retirement benefit (including members who retired prior to that date) shall be two hundred five dollars ($205.00). The amount of the monthly pension for each member who is entitled to receive an early retirement benefit as of any date prior to July 1, 1998, shall be the product of (1) and (2), where
(1) is the applicable percentage listed in the following table based on his years of continuous employment at his early retirement date, and (2) is the amount of the payment that he would have received as a normal retirement benefit under this section as of that date:

Effective on and after July 1, 1998, the amount of the monthly pension for each member who began receiving an early retirement benefit prior to July 1, 1998, shall be further reduced by multiplying the monthly pension amount by 0.9535.

Effective on and after July 1, 1998, the amount of the monthly pension of each member who retires on or after that date and is entitled to receive an early retirement benefit shall be the product of (1) the applicable percentage listed in the following table based on the member’s years of continuous employment at the member’s early retirement date, and (2) the amount of the payment that the member would have received as a normal retirement benefit under this section as of that date:

Payment shall be subject to the provisions of Section 18 of this act. Section 16(d) governs the determinations of a member’s years of continuous employment.

Sec. 20. Whenever any member of the Association becomes totally and permanently unable, because of infirmity or disease affecting mind or body (whether or not induced by injury) to perform his duties for the City, which inability shall be determined by a medical examination by a physician or physicians of good standing and repute selected by the Trustees, he shall be deemed to be a disabled member. If a disabled member has been employed by the City for at least five full years prior to suffering disability, he shall be entitled to retire and receive a monthly benefit payable for the remainder of his life.

Effective beginning July 1, 1989, and ending June 30, 1989, the monthly benefit of a member who retires as a disabled member (including a member who retired as a disabled member prior to July 1, 1989) shall equal eight dollars ($8.00) times his years of service but in no event more than two hundred dollars ($200.00) per month. Effective on and after July 1, 1990, beginning July 1, 1990, and ending June 30, 1998, the monthly benefit of a
member (including a member who retires as a disabled member prior to this date) shall equal eight dollars and sixty cents ($8.60) times his years of service, but in no event more than two hundred fifteen dollars ($215.00) per month. Effective on and after July 1, 1998, the monthly benefit of a member who retires as a disabled member, including a member who retires as a disabled member prior to July 1, 1998, shall equal eight dollars and twenty cents ($8.20) times his years of service, but in no event more than two hundred five dollars ($205.00) per month. For this purpose only, years of service shall mean the number of his earned years of service in the employment of the City (as determined pursuant to Section 16(d) of this act). Payments shall be subject to the provisions of Section 18 of this act.

Notwithstanding the foregoing provisions of this Section 20, in the case of a disabled member whose disability shall arise out of injuries incurred in fire safety activities, such as fire fighting, fire training and fire inspection, such monthly benefit shall in no event be less than forty dollars ($40.00) per month, whether or not such disabled member was employed by the City for at least five years prior to suffering such disability. The determination of whether such disability arises out of injuries incurred in fire safety activities shall be made by the Trustees.

Sec. 21. Any disabled member of the Association who retires under Section 19 hereof and who had not been employed by the City for a period of at least 30 years prior to retirement, shall be subject to call by the Trustees for reexamination by a physician of good standing and repute selected by the Trustees and, if based upon such examination it is determined by the Trustees that such member is able to perform active duties for the City, such member may be reinstated and receive for his services the same compensation paid to other employees of the City of his rank or classification. If such member, upon being called by the Trustees, shall refuse to submit to an examination or shall refuse to be reinstated to active duty in the employ of the City after being found to be able to perform active duty, such benefits as he is then receiving under the provisions of this act shall immediately terminate and his membership in this Association shall automatically terminate. But in the event that such member is physically unable to resume active employment, or in the event he is able and willing to resume active employment but no job with the City is open for him at such time, his pension or compensation shall continue until there shall be an opening for such member and he is reemployed by the City. For the purpose of this Section 21, employment with the City shall mean only employment with the Fire Department or Police Department (but employment with the Police Department shall be included only with regard to any such member who was employed with the Police Department prior to his retirement under Section 20 hereof).

Sec. 22. When any member of the Association shall resign or be dismissed from employment by the City (which for this purpose shall include only employment with the Fire Department or Police Department), he shall receive a sum of money equal to all monies paid into the Association by him. Upon the death of any member of the Association while in the employment of the City, a sum of money equal to all monies paid into the Association by such deceased member shall be paid to the beneficiary or
beneficiaries designated in writing by such deceased member, or in default thereof, to his estate. If, after retirement, a member of the Association shall die before having received an amount equal to his contributions to the Association, there shall be paid to the beneficiary or beneficiaries designated by such member, or in default thereof to his estate, an amount equal to his contributions less the sum of retirement benefits paid to such member. The reimbursements provided in this Section 22 shall be in cash in a lump sum, unless otherwise determined by the Trustees with the consent in writing of the recipient thereof less interest, if any, previously contributed to the Association by the member pursuant to Section 16 or Section 19.

Sec. 23. No amount payable or held by the Association under this act for the benefit of any member or beneficiary thereof shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, nor shall any amount payable or held under this act for the benefit of any member or beneficiary thereof be in anywise liable for his debts, contracts, liabilities, engagements, or torts, nor be subject to any legal process to levy upon or attach, but the provisions of this Section 22 shall not be applicable as regards any dealings with or obligations to the Winston-Salem Firemen's Credit Union.

Sec. 24. Out of the amount paid to the Insurance Commissioner of the State of North Carolina upon the amount of all premiums on fire and lightning policies covering property situated in the corporate limits of the City, the Insurance Commissioner of the State of North Carolina shall pay annually to the Treasurer of the City ninety-five percent (95%), and the Treasurer of the City shall immediately pay over the same to the treasurer of the Association, or if the treasurer of the Association shall so direct, the Treasurer of the City shall pay such amount directly to the custodian.

Sec. 25. No member of this Association or Trustee shall be personally liable in any manner whatsoever to any person, association, firm or corporation by reason of his connection with, or act or acts on behalf of, said Association, unless such act or acts are fraudulently committed.

Sec. 26. If a member of the Association, or an employee of the Fire Department or Police Department who is not a member of the Association due to failure to meet the minimum age requirements of subsection 2(b) hereof, is granted a leave of absence from employment by the City on account of accidental injury or temporary illness, military service during time of active warfare, compulsory military service in time of peace, or other good cause, for the purpose of this act such employee shall be deemed to have remained in the employment of the City during the period of such leave of absence or any extension thereof if he shall return to active service with the City promptly following the end of the period of such leave of absence or extension thereof. During such leave of absence or extension thereof, the Treasurer of the City shall make no deductions from the salary, if any, of such member, and such member shall not otherwise be required to make any contributions to the Association during or with respect to such period.

Sec. 27. If any person entitled to benefits under this act shall be physically or mentally incapable of receiving or acknowledging receipt of such benefits, the Trustees, upon receipt of satisfactory evidence of such
incapacity and that another person or institution is maintaining such person entitled to benefits, and that no guardian or committee has been appointed for him, may cause any benefits otherwise payable to him to be made to such person or institution so maintaining him.

Sec. 28. The provisions of this act shall be administered on an equitable and nondiscriminatory basis, it being the intent hereof that where the Trustees are given discretionary powers, such powers shall be exercised in an equitable manner and so as to prevent discrimination between persons similarly situated. All assets of the Association shall be administered for the exclusive benefit of the members of the Association and their beneficiaries, and as a fund to provide for such members or beneficiaries the benefits provided in this act. It shall be impossible for any part of the principal or income of the retirement fund of the Association to be used for or diverted to purposes other than for the exclusive benefit of the members of the Association or their beneficiaries as provided in this act; except that the Trustees may use such assets to pay the reasonable expenses incurred in administering the said fund and any debts, liabilities or obligations of said fund. H.B. 1477 SESSION LAW 1998-131

AN ACT TO IMPLEMENT THE RECOMMENDATIONS OF THE LEGISLATIVE COMMISSION ON PUBLIC SCHOOLS TO MAKE CHANGES IN LAWS, POLICIES, AND ADMINISTRATION TO IMPROVE THE QUALITY OF EDUCATION AND SAFETY IN THE STATE RESIDENTIAL SCHOOLS, TO IMPLEMENT THE ABC'S PROGRAM IN THE RESIDENTIAL SCHOOLS, TO AUTHORIZE STUDIES OF ISSUES OF CONCERN TO BLIND AND DEAF STUDENTS, TO REQUIRE AN AUDIT OF THE DIVISION OF SERVICES FOR THE DEAF AND HARD OF HEARING, AND TO REQUIRE THE DEVELOPMENT OF A THREE-YEAR PLAN TO ADDRESS THE CAPITAL NEEDS OF THE GOVERNOR MOREHEAD SCHOOL AND THE THREE STATE SCHOOLS FOR THE DEAF.

The General Assembly of North Carolina enacts:

Section 1. The Secretary of Health and Human Services shall make changes in the structure and functions of the State residential schools with a view to improving student performance, increasing flexibility and control, and promoting economy and efficiency. The Secretary shall begin with the Governor Morehead School and the three schools for the deaf. The Secretary may, in his discretion, make changes in the structure and functions of the other residential schools. In carrying out the changes, the Secretary shall consider ways to reorder priorities and place greater emphasis on the basics - reading, communication skills, and mathematics - in the areas of staff development, the State testing program, program accreditation, the use of instructional funds, the instructional program, and
other components of the education program offered at the residential schools. The Secretary also shall consider the impact the changes will have on the mission of the State's residential schools and the mission of the Department of Health and Human Services as it pertains to the residential schools.

The Secretary shall make a preliminary report to the Legislative Commission on Public Schools and to the cochairs of the Appropriations Subcommittee on Health and Human Services of the Senate and the House of Representatives by November 1, 1998, and a final report by November 1, 1999, on the results of these changes. The reports shall include any proposed legislation necessary to implement the additional changes.

Section 2. Effective March 1, 1998, the Secretary of Health and Human Services also shall make changes in the administrative organization of the Department of Health and Human Services and of the Governor Morehead School and the three schools for the deaf with a view to (i) improving student academic performance in the residential schools, (ii) promoting economy and efficiency in government in the interest of producing cost savings that can be used to redirect funds to the residential schools for teaching, textbooks, school supplies, technology, equipment, and staff development, and (iii) increasing school-based decision making and parental involvement. The Secretary may, in his discretion, extend this section to additional residential programs. The Secretary shall make necessary changes in the mission of the residential schools and of the Department of Health and Human Services as it pertains to the residential schools. The Secretary shall develop a plan for reducing, eliminating, and/or reorganizing the Department of Health and Human Services and each residential school. A reorganization may include the assignment or reassignment of the Department's duties and functions among divisions and other units, division heads, officers, and employees.

The proposed reduction, elimination, and/or reorganization of the Department shall have a goal of resulting in a decrease of at least fifty percent (50%) in the number of employee positions currently assigned to the Division of Services for the Blind and the Division of Services for the Deaf and Hard of Hearing for the purpose of providing assistance to, management of, or education programs in the residential schools, and a redirection to the instructional programs in the residential schools by January 1, 1999, of at least fifty percent (50%) in the Department's budget that currently is maintained by the Department to administer the residential schools and their programs. The proposed reduction, elimination, and/or reorganization of the residential schools shall have a goal of resulting in a decrease of at least fifty percent (50%) in the number of employee positions currently filled by administrators or supervisors.

The Secretary shall report to the Legislative Commission on Public Schools and to the cochairs of the Appropriations Subcommittee on Health and Human Services of the Senate and the House of Representatives by December 15, 1998, on the reduction, elimination, and/or reorganization plan it develops.

Section 3. The Secretary of Health and Human Services shall consult with the State Board of Education in its implementation of this act as it
pertains to improving the educational programs at the residential schools. The Secretary also shall fully inform and consult with the chairs of the Appropriations Subcommittees on Education and Health and Human Services of the Senate and the House of Representatives on a regular basis as the Secretary carries out his duties under this act.

Section 4. If funds are appropriated to the Department of Health and Human Services in the Current Operations and Capital Improvements Appropriations Act of 1998 to implement this act, then of these funds the sum of three hundred thousand dollars ($300,000) for the 1998-99 fiscal year shall be used to contract for outside consultants and assistance to assist the Secretary in carrying out his duties under this act. The Office of State Budget and Management, the State Auditor, and other appropriate State agencies also shall provide consultation as requested by the Secretary as needed to develop the plans set out in this act.

Section 5. Article 3 of Chapter 143B of the General Statutes is amended by adding the following new Part to read:

"Part 3A. Education Programs in Residential Schools.

§ 143B-146.1. Mission of schools; definitions.
(a) It is the intent of the General Assembly that the mission of the residential school community is to challenge with high expectations each child to learn, to achieve, and to fulfill his or her potential.
(b) The following definitions apply in this Part:

(1) ABC's Program or Program. -- The School-Based Management and Accountability Program developed by the State Board.
(2) Department. -- The Department of Health and Human Services.
(3) Instructional personnel. -- Principals, assistant principals, teachers, instructional personnel, instructional support personnel, and teacher assistants employed in a residential school.
(4) Participating school. -- A residential school that is required to participate in the ABC's Program.
(5) Residential school personnel. -- The individuals included in G.S. 143B-146.16(a)(2).
(6) Schools. -- The residential schools under the control of the Secretary.
(7) Secretary. -- The Secretary of Health and Human Services.
(8) State Board. -- The State Board of Education.
(9) Superintendent. -- The individual designated by the Secretary to administer a residential school.

§ 143B-146.2. ABC's Program in residential schools.
(a) The Governor Morehead School and the three schools for the deaf shall participate in the ABC's Program. The Secretary, in consultation with the General Assembly and the State Board, may designate other residential schools that must participate in the ABC's Program. The primary goal of the ABC's Program is to improve student performance. The Program is based upon an accountability, recognition, assistance, and intervention process in order to hold each participating school, its superintendent, and the instructional personnel accountable for improved student performance in that school.
In order to support the participating schools in the implementation of this Program, the State Board, in consultation with the Secretary, shall adopt guidelines, including guidelines to:

1. Assist the Secretary and the participating schools in the development and implementation of the ABC's Program.
2. Recognize the participating schools that meet or exceed their goals.
3. Identify participating schools that are low-performing and assign assistance teams to those schools. The assistance teams should include individuals with expertise in residential schools, individuals with experience in the education of children with disabilities, and others the State Board, in consultation with the Secretary, considers appropriate.
4. Enable assistance teams to make appropriate recommendations.

The ABC's Program shall provide increased decision making and parental involvement at the school level with the goal of improving student performance.

Consistent with improving student performance, the Secretary shall provide maximum flexibility to participating schools in the use of funds to enable those schools to accomplish their goals.

"§ 143B-146.3. Annual performance goals.

The ABC's Program shall (i) focus on student performance in the basics of reading, mathematics, and communications skills in elementary and middle schools, (ii) focus on student performance in courses required for graduation and on other measures required by the State Board in the high schools, and (iii) hold participating schools accountable for the educational growth of their students. To those ends, the State Board shall design and implement an accountability system that sets annual performance standards for each participating school in order to measure the growth in performance of the students in each individual school.

"§ 143B-146.4. Performance recognition.

(a) The superintendent and instructional personnel assigned to participating schools that achieve or exceed a level of expected growth to be determined by the State Board are eligible for financial awards in amounts set by the State Board. Participating schools and personnel shall not be required to apply for these awards.
(b) The State Board shall establish a procedure to allocate the funds for these awards. Funds shall become available for expenditure July 1 of each fiscal year. Funds shall remain available until November 30 of the subsequent fiscal year for expenditure for:

1. Awards to the personnel; or
2. The purposes authorized in a plan that has been:
   a. Developed and voted on by the superintendent and instructional personnel in the same manner that a school improvement plan is approved under G.S. 143B-146.12;
   b. Approved by a majority of the personnel who vote on the plan; and
   c. Submitted to and approved by the Secretary.
The Secretary shall approve this plan unless the plan involves expenditures of funds that are not for a public purpose or that are otherwise unlawful.

§ 143B-146.5. Identification of low-performing schools.

(a) The State Board shall design and implement a procedure to identify low-performing schools on an annual basis. Low-performing schools are those participating schools in which there is a failure to meet the minimum growth standards, as defined by the State Board, and a majority of students are performing below grade level.

(1) By July 10 of each year, the Secretary shall do a preliminary analysis of test results to determine which participating schools the State Board may identify as low-performing under this section. The Secretary then shall proceed under G.S. 143B-146.7. In addition, within 30 days of the initial identification of a school as low-performing by the Secretary or the State Board, whichever occurs first, the Secretary shall develop a preliminary plan for addressing the needs of that school. Before the Secretary adopts this plan, the Secretary shall make the plan available to the residential school personnel and the parents and guardians of the students of the school, and shall allow for written comments. Within five days of adopting the plan, the Secretary shall submit the plan to the State Board. The State Board shall review the plan expeditiously and, if appropriate, may offer recommendations to modify the plan. The Secretary shall consider any recommendations made by the State Board.

(b) Each identified low-performing school shall provide written notification to the parents of students attending that school. The written notification shall include a statement that the State Board of Education has found that the school has ‘failed to meet the minimum growth standards, as defined by the State Board, and a majority of students in the school are performing below grade level.’ This notification also shall include a description of the steps the school is taking to improve student performance.

§ 143B-146.6. Assistance teams; review by State Board.

(a) The State Board may assign an assistance team to any school identified as low-performing under this Part or to any other school that the State Board determines would benefit from an assistance team. The State Board shall give priority to low-performing schools in which the educational performance of the students is declining. The Department shall, with the approval of the Secretary, provide staff as needed and requested by an assistance team.

(b) When assigned to an identified low-performing school, an assistance team shall:

1. Review and investigate all facets of school operations, including instructional and residential, and assist in developing recommendations for improving student performance at that school.

2. Evaluate at least semiannually the superintendent and instructional personnel assigned to the school and make findings and recommendations concerning their performance.

3. Collaborate with school staff, the Department, and the Secretary in the design, implementation, and monitoring of a plan that, if fully
implemented, can reasonably be expected to alleviate problems and improve student performance at that school.

(4) Make recommendations as the school develops and implements this plan.

(5) Review the school’s progress.

(6) Report, as appropriate, to the Secretary, the State Board, and the parents on the school’s progress. If an assistance team determines that an accepted school improvement plan developed under G.S. 143B-146.12 is impeding student performance at a school, the team may recommend to the Secretary that he vacate the relevant portions of that plan and direct the school to revise those portions.

(c) If a participating school fails to improve student performance after assistance is provided under this section, the assistance team may recommend that the assistance continue or that the Secretary take further action under G.S. 143B-146.7.

(d) The Secretary, in consultation with the State Board, shall annually review the progress made in identified low-performing schools.

§ 143B-146.7. Consequences for personnel at low-performing schools.

(a) Within 30 days of the initial identification of a school as low-performing, whether by the Secretary under G.S. 143B-146.5(a) or by the State Board under G.S. 143B-146.5(a), the Secretary shall take one of the following actions concerning the school’s superintendent: (i) decide whether the superintendent should be retained in the same position, (ii) decide whether the superintendent should be retained in the same position and a plan of remediation should be developed, (iii) decide whether the superintendent should be transferred, or (iv) proceed under the State Personnel Act to dismiss or demote the superintendent. The superintendent may be retained in the same position without a plan for remediation only if the superintendent was in that position for no more than two years before the school is identified as low-performing. The superintendent shall not be transferred to another position unless (i) it is in a superintendent position in which the superintendent previously demonstrated at least two years of success, (ii) there is a plan to evaluate and provide remediation to the superintendent for at least one year following the transfer to assure the superintendent does not impede student performance at the school to which the superintendent is being transferred; and (iii) the parents of the students at the school to which the superintendent is being transferred are notified. The superintendent shall not be transferred to another low-performing school. The Secretary may, at any time, proceed under the State Personnel Act for the dismissal of any superintendent who is assigned to a low-performing school to which an assistance team has been assigned. The Secretary shall proceed under the State Personnel Act for the dismissal of any superintendent when the Secretary receives from the assistance team assigned to that school two consecutive evaluations that include written findings and recommendations regarding the superintendent’s inadequate performance. The Secretary shall order the dismissal of the superintendent if the Secretary determines from available information, including the findings of the assistance team, that the low performance of the school is due to the superintendent’s inadequate performance. The Secretary may
order the dismissal of the superintendent if (i) the Secretary determines that the school has not made satisfactory improvement after the State Board assigned an assistance team to that school; and (ii) the assistance team makes the recommendation to dismiss the superintendent. The Secretary may order the dismissal of a superintendent before the assistance team assigned to the superintendent's school has evaluated that superintendent if the Secretary determines from other available information that the low performance of the school is due to the superintendent's inadequate performance. The burden of proof is on the superintendent to establish that the factors leading to the school's low performance were not due to the superintendent's inadequate performance. The burden of proof is on the Secretary to establish that the school failed to make satisfactory improvement after an assistance team was assigned to the school. Two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team are substantial evidence of the inadequate performance of the superintendent. Within 15 days of the Secretary's decision concerning the superintendent, but no later than September 30, the Secretary shall submit to the State Board a written notice of the action taken and the basis for that action.

(b) At any time after the State Board identifies a school as low-performing under this Part, the Secretary shall proceed under G.S. 115C-325(p1) for the dismissal of certificated instructional personnel assigned to that school.

(c) At any time after the State Board identifies a school as low-performing under this Part, the Secretary shall proceed under the State Personnel Act for the dismissal of instructional personnel who are not certificated when the Secretary receives two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team. These findings and recommendations shall be substantial evidence of the inadequate performance of the instructional personnel. The Secretary may proceed under the State Personnel Act for the dismissal of instructional personnel who are not certificated when: (i) the Secretary determines that the school has failed to make satisfactory improvement after the State Board assigned an assistance team to that school; and (ii) that the assistance team makes the recommendation to dismiss that person for a reason that constitutes just cause for dismissal under the State Personnel Act.

(d) The certificated instructional personnel working in a participating school at the time the school is identified by the State Board as low-performing are subject to G.S. 115C-105.38A.

(e) The Secretary may terminate the contract of a school administrator dismissed under this section. Nothing in this section shall prevent the Secretary from refusing to renew the contract of any person employed in a school identified as low-performing under this Part.

§ 143B-146.8. Evaluation of certificated personnel and superintendents; action plans; State Board notification.

(a) Annual Evaluations; Low-Performing Schools. -- The superintendent shall evaluate at least once each year all certificated personnel assigned to a participating school that has been identified as low-performing but has not
received an assistance team. The evaluation shall occur early enough during the school year to provide adequate time for the development and implementation of an action plan if one is recommended under subsection (b) of this section. If the employee is a teacher as defined under G.S. 115C-325(a)(6), either the principal or an assessment team assigned under G.S. 143B-146.9 shall conduct the evaluation. If the employee is a school administrator as defined under G.S. 115C-287.1(a)(3), the superintendent shall conduct the evaluation.

Notwithstanding this subsection or any other law, the principal shall observe at least three times annually, a teacher shall observe at least once annually, and the principal shall evaluate at least once annually, all teachers who have not attained career status. All other employees defined as teachers under G.S. 115C-325(a)(6) who are assigned to participating schools that are not designated as low-performing shall be evaluated annually unless the Secretary adopts rules that allow specified categories of teachers with career status to be evaluated more or less frequently. The Secretary also may adopt rules requiring the annual evaluation of noncertificated personnel. This section shall not be construed to limit the duties and authority of an assistance team assigned to a low-performing school.

The Secretary shall use the State Board's performance standards and criteria unless the Secretary develops an alternative evaluation that is properly validated and that includes standards and criteria similar to those adopted by the State Board. All other provisions of this section shall apply if an evaluation is used other than one adopted by the State Board.

(b) Action Plans. -- If a certificated employee receives an unsatisfactory or below standard rating on any function of the evaluation that is related to the employee's instructional duties, the individual or team that conducted the evaluation shall recommend to the superintendent that: (i) the employee receive an action plan designed to improve the employee's performance; or (ii) the superintendent recommend to the Secretary that the employee be dismissed or demoted. The superintendent shall determine whether to develop an action plan or to recommend a dismissal proceeding. The person who evaluated the employee or the employee's supervisor shall develop the action plan unless an assistance team or assessment team conducted the evaluation. If an assistance team or assessment team conducted the evaluation, that team shall develop the action plan in collaboration with the employee's supervisor. Action plans shall be designed to be completed within 90 instructional days or before the beginning of the next school year.

The State Board, in consultation with the Secretary, shall develop guidelines that include strategies to assist in evaluating certificated personnel and developing effective action plans within the time allotted under this section. The Secretary may adopt policies for the development and implementation of action plans or professional development plans for personnel who do not require action plans under this section.

(c) Reevaluation. -- Upon completion of an action plan under subsection (b) of this section, the superintendent or the assessment team shall evaluate the employee a second time. If on the second evaluation the employee receives an unsatisfactory or more than one below standard rating on any function that is related to the employee's instructional duties, the
superintendent shall recommend that the employee be dismissed or demoted under G.S. 115C-325. The results of the second evaluation shall constitute substantial evidence of the employee's inadequate performance.

(d) State Board Notification. -- If the Secretary dismisses an employee for any reason except a reduction in force under G.S. 115C-325(e)(1), the Secretary shall notify the State Board of the action, and the State Board annually shall provide to all local boards of education the names of those individuals. If a local board hires one of these individuals, that local board shall proceed under G.S. 115C-333(d).

(e) Civil Immunity. -- There shall be no liability for negligence on the part of the Secretary or the State Board, or their employees, arising from any action taken or omission by any of them in carrying out this section. (f) Evaluation of Superintendents. -- Each year the Secretary or the Secretary's designee shall evaluate the superintendents.

§ 143B-146.9. Assessment teams.

The State Board shall develop guidelines for the Secretary to use to create assessment teams. The Secretary shall assign an assessment team to every low-performing school that has not received an assistance team. The Secretary shall ensure that assessment team members are trained in the proper administration of the employee evaluation used in the participating schools. If service on an assessment team is an additional duty for an employee of a local school administrative unit or an employee of a residential school, the Secretary may pay the employee for that additional work.

Assessment teams shall:

(1) Conduct evaluations of certificated personnel in low-performing schools;
(2) Provide technical assistance and training to principals and superintendents who conduct evaluations of certificated personnel;
(3) Develop action plans for certificated personnel; and
(4) Assist principals and superintendents in the development and implementation of action plans.

§ 143B-146.10. Development of performance standards and criteria for certificated personnel.

The State Board, in consultation with the Secretary, shall revise and develop uniform performance standards and criteria to be used in evaluating certificated personnel, including school administrators. These standards and criteria shall include improving student achievement, employee skills, and employee knowledge. The standards and criteria for school administrators also shall include building-level gains in student learning and effectiveness in providing for school safety and enforcing student discipline. The Secretary shall develop guidelines for evaluating superintendents. The
guidelines shall include criteria for evaluating a superintendent's effectiveness in providing safe schools and enforcing student discipline.

"§ 143B-146.11. School calendar.

Each school shall adopt a school calendar that includes a minimum of 180 days and 1,000 hours of instruction covering at least nine calendar months. In the development of its school calendar, each school shall consult with parents, the residential school personnel, and the local school administrative unit in which that school is located.

"§ 143B-146.12. Development and approval of school improvement plans.

(a) In order to improve student performance, each participating school shall develop a school improvement plan that takes into consideration the annual performance goal for that school that is set by the State Board under G.S. 143B-146.3. The superintendent, instructional personnel, and residential life personnel assigned to that school, and a minimum of five parents of children enrolled in the school shall constitute a school improvement team to develop a school improvement plan to improve student performance.

(b) Parents shall be elected by parents of children enrolled in the school in an election conducted by the parent and teacher organization of the school or, if none exists, by the largest organization of parents formed for this purpose. To the extent possible, parents serving on school improvement teams shall reflect the composition of the students enrolled in that school. No more than two parents may be employees of the school. Parental involvement is a critical component of school success and positive student achievement; therefore, it is the intent of the General Assembly that parents, along with teachers, have a substantial role in developing school improvement plans. To this end, school improvement team meetings shall be held at a convenient time to assure substantial parent participation. Parents who are elected to serve on school improvement teams and who are not employees of the school shall receive travel and subsistence expenses in accordance with G.S. 138-5 and, if appropriate, may receive a stipend.

(c) The strategies for improving student performance shall include the following:

(1) A plan for the use of funds that may be made available to the school by the Secretary to meet the goals for that school under the ABC's Program and to implement the school improvement plan.

(2) A comprehensive plan to encourage parent involvement.

(3) A safe school plan designed to provide that the school is safe, secure, and orderly, that there is a climate of respect in the school, and that appropriate personal conduct is a priority for all students and all residential school personnel. This plan shall include components similar to those listed in G.S. 115C-105.47(b).

(d) Support among affected staff members is essential to successful implementation of a school improvement plan to address improved student performance at that school. The superintendent of the school shall present the proposed school improvement plan to all of the instructional personnel assigned to the school for their review and vote. The vote shall be by secret ballot. The superintendent shall submit the school improvement plan to the
Secretary only if the proposed school improvement plan has the approval of a majority of the instructional personnel who voted on the plan.

(e) The Secretary shall accept or reject the school improvement plan. The Secretary shall not make any substantive changes in any school improvement plan that the Secretary accepts. If the Secretary rejects a school improvement plan, the Secretary shall state with specificity the reasons for rejecting the plan; the school improvement team may then prepare another plan, present it to the instructional personnel assigned to the school for a vote, and submit it to the Secretary to accept or reject. Within 60 days after the initial submission of the school improvement plan to the Secretary, the Secretary shall accept the plan or shall designate a person to work with the school improvement team to resolve the disagreements. If there is no resolution within 30 days, then the Secretary may develop a school improvement plan for the school; however, the General Assembly urges the Secretary to utilize the school’s proposed school improvement plan to the maximum extent possible when developing this plan.

(f) A school improvement plan shall remain in effect for no more than three years; however, the school improvement team may amend the plan as often as is necessary or appropriate. If, at any time, any part of a school improvement plan becomes unlawful or the Secretary finds that a school improvement plan is impeding student performance at a school, the Secretary may vacate the relevant portion of the plan and may direct the school to revise that portion. The procedures set out in this section shall apply to amendments and revisions to school improvement plans.

(g) Any funds the Secretary makes available to a school to meet the goals for that school under the ABC’s Program and to implement the school improvement plan at that school shall be used in accordance with those goals and the school improvement plan.

(h) The Secretary, in consultation with the State Board, shall develop a list of recommended strategies that it determines to be effective which building-level committees may use to establish parent involvement programs designed to meet the specific needs of their schools.

(i) Once developed, the Secretary shall ensure the plan is available and accessible to parents and the school community.

§ 143B-146.13. School technology plan.

(a) No later than December 15, 1998, the Secretary shall develop a school technology plan for the residential schools that meets the requirements of the State school technology plan. In developing a school technology plan, the Secretary is encouraged to coordinate its planning with other agencies of State and local government, including local school administrative units.

The Information Resources Management Commission shall assist the Secretary in developing the parts of the plan related to its technological aspects, to the extent that resources are available to do so. The Department of Public Instruction shall assist the Secretary in developing the instructional and technological aspects of the plan.

The Secretary shall submit the plan that is developed to the Information Resources Management Commission for its evaluation of the parts of the plan related to its technological aspects and to the Department of Public
Instruction for its evaluation of the instructional aspects of the plan. The State Board of Education, after consideration of the evaluations of the Information Resources Management Commission and the Department of Public Instruction, shall approve all plans that comply with the requirements of the State school technology plan.

(b) After a plan is approved by the State Board of Education, all funds spent for technology in the residential schools shall be used to implement the school technology plan.

§ 143B-146.14. Dispute resolution; appeals to Secretary.

The Secretary shall establish a procedure for the resolution of disputes between the residential schools and the parents or guardians of students who attend the schools.

An appeal shall lie from the decision of all residential school personnel to the Secretary or the Secretary’s designee. In all of these appeals it is the duty of the Secretary to see that a proper notice is given to all parties concerned and that a record of the hearing is properly entered in the records.

§ 143B-146.15. Duty to report certain acts to law enforcement.

When the superintendent has personal knowledge or actual notice from residential school personnel or other reliable source that an act has occurred on school property involving assault resulting in serious personal injury, sexual assault, sexual offense, rape, kidnapping, indecent liberties with a minor, assault involving the use of a weapon, possession of a firearm in violation of the law, possession of a weapon in violation of the law, or possession of a controlled substance in violation of the law, the superintendent shall immediately report the act to the appropriate local law enforcement agency. Failure to report under this section is a Class 3 misdemeanor. For purposes of this section, ‘school property’ shall include any building, bus, campus, grounds, recreational area, or athletic field in the charge of the superintendent or while the student is under the supervision of school personnel. It is the intent of the General Assembly that the superintendent notify the Secretary or the Secretary’s designee of any report made to law enforcement under this section.

Section 4. Authorization of bonds and notes.

(a) Clean Water Bonds. Subject to a favorable vote of a majority of the qualified voters of the State who vote on the question of issuing Clean Water Bonds in the election called and held as provided in this act, the State Treasurer is hereby authorized, by and with the consent of the Council of State, to issue and sell, at one time or from time to time, general obligation bonds of the State to be designated "State of North Carolina Clean Water Bonds", with any additional designations as may be determined to indicate the issuance of bonds from time to time, or notes of the State as provided in this act, in an aggregate principal amount not exceeding eight hundred million dollars ($800,000,000) for the purpose of providing funds, with any other available funds, for the purposes authorized in this act.

(b) Natural Gas Bonds. Subject to a favorable vote of a majority of the qualified voters of the State who vote on the question of issuing Natural Gas Bonds in the election called and held as provided in this act, the State
Treasurer is hereby authorized, by and with the consent of the Council of State, to issue and sell, at one time or from time to time, general obligation bonds of the State to be designated "State of North Carolina Natural Gas Bonds", with any additional designations as may be determined to indicate the issuance of bonds from time to time, or notes of the State as provided in this act, in an aggregate principal amount not exceeding two hundred million dollars ($200,000,000) for the purpose of providing funds, with any other available funds, for the purposes authorized in this act.

Section 5.1. Use of Clean Water Bond and note proceeds.

(a) Special Emphases. The funds to be derived from the sale of the Clean Water Bonds authorized by this act are sufficient to meet no more than a fraction of the needs that now exist and will arise in the immediate future. For this reason, public necessity and the criteria indicated in the appropriate subsection for each allocation of Clean Water Bond proceeds shall be the primary consideration in granting and loaning funds. In addition to public necessity and the applicable criteria, special emphasis shall also be placed on the following:

1. The creation of efficient systems of water supply and distribution and wastewater collection and disposal. Such efficiencies may result from the merger or consolidation of smaller systems into regional water and sewer systems where warranted and deemed to be in the best interest of the communities and regions. Such efficiencies may also be obtained through projects proposing water reuse and conservation.

2. The willingness and ability of local government units to meet their responsibilities through sound fiscal policies, creative planning, and efficient operation and management.

3. The development of a capital improvement plan.

4. A reduction in the overall volume of effluent discharged to the State's waters by using alternative methods of wastewater treatment when feasible.

5. The use of bond proceeds in a manner consistent with the water supply watershed protection requirements of G.S. 143-214.5.

6. The use of bond proceeds to address current critical infrastructure needs.

Special emphasis is achieved by assigning a significant number of points for the items listed in this subsection in any point system developed for awarding clean water grants or loans from the Clean Water Bond proceeds.

The special emphases in this subsection do not apply to the allocation of Clean Water Bond proceeds for State matching funds or economic development under subsections (d) and (e) of this section.

(b) Prohibited Use of Clean Water Bonds Proceeds. Proceeds from the sale of the Clean Water Bonds shall not be used to construct new water or sewer lines to provide water or sewer connections in any area that has been designated as WS-I or the critical area of any area that has been designated as WS-II, WS-III, or WS-IV by the Environmental Management Commission pursuant to G.S. 143-214.5. The Secretary of Environment and Natural Resources may grant a waiver to allow construction of new water or sewer lines and to provide water or sewer connections if the
Secretary finds that granting the waiver is necessary to protect public health or water quality. A waiver granted by the Secretary under this subsection shall include a requirement that the water or sewer line shall be designed and sized to address only the public health or water quality concerns on which the waiver is based and shall not allow for additional connections beyond those necessary to protect public health and water quality. This subsection does not prohibit the repair or replacement of existing water or sewer lines.

In addition, the proceeds shall not be used for the repair, installation, or replacement of a low-pressure pipe wastewater system with another low-pressure pipe wastewater system.

The prohibitions on the use of Clean Water Bond proceeds in this subsection do not apply to the allocation of Clean Water Bond proceeds for State matching funds under subsection (d) of this section.

(c) High-Unit Cost Grants. The proceeds of three hundred thirty million dollars ($330,000,000) of Clean Water Bonds shall be used by the Department of Environment and Natural Resources to provide grants to local government units for the same purposes and in accordance with the provisions of the Clean Water Revolving Loan and Grant Act for funds in the High-Unit Cost Wastewater Account and the High-Unit Cost Water Supply Account. In addition to the provisions of the Clean Water Revolving Loan and Grant Act and the special emphases in subsection (a) of this section, significant consideration and weight in awarding a clean water grant to an eligible local government unit for expanding infrastructure to support significant additional development shall be given if the applicant, or the local government unit or units having jurisdiction over the service area of the applicant, has adopted a comprehensive land-use plan that meets the requirements of G.S. 159G-10. Any point scheme developed for awarding clean water grants or loans from the clean water bond proceeds for expanding infrastructure to support significant additional development shall assign a significant number of points for having a comprehensive land-use plan that is approved or adopted by the applicant or the local government unit or units having jurisdiction over the service area of the applicant. However, additional points awarded for having a comprehensive land-use plan shall be considered only in the evaluation of competing applications for expanding infrastructure to support additional development and shall not disadvantage other applicants for clean water grants to meet critical infrastructure needs.

The grants shall be made for the purpose of paying the cost of water supply systems, wastewater collection systems, and wastewater treatment works, water conservation projects, water reuse projects, and school water or wastewater projects. The proceeds shall be allocated as follows:

(1) High-Unit Cost Wastewater Account:
   a. Reserved for grants to local government units whose bond rating is less than 75 or who have no bond rating $85,000,000
   b. Reserved for grants to local government units whose bond
rating is 75 or greater

(2) High-Unit Cost Water Supply Account:
   a. Reserved for grants to local
government units whose bond
ingrating is less than 75 or who
have no bond rating
   b. Reserved for grants to local
government units whose bond
rating is 75 or greater

The proceeds shall be transferred to the Clean Water Revolving Loan
and Grant Fund to make grants to the appropriate local government unit
qualifying for a grant from the Clean Water Revolving Loan and Grant Fund
in accordance with the provisions of this act and the Clean Water Revolving
Loan and Grant Act.

A county may apply for a grant on behalf of a rural school located in
the county for a school water or wastewater project.

(d) State Matching Funds. The proceeds of thirty-five million dollars
($35,000,000) of Clean Water Bonds shall be used by the Department of
Environment and Natural Resources to provide State funds necessary for the
to match the federal wastewater or water supply assistance funds deposited in
the Water Pollution Control Revolving Fund or another fund that is used to
pay the cost of water supply systems, wastewater collection systems, or
wastewater treatment works and is eligible to receive federal matching funds,
unless the General Assembly has provided the required match through other
sources, in which event this allocation shall cease to exist to the extent of the
availability of the other sources. The Department of Environment and
Natural Resources shall certify to the State Treasurer the amount of funds
required for the State match for each of the fiscal years ending June 30,
and the extent to which the General Assembly has provided other funds for
this purpose. Upon certification each year of the amount of funds required
for the State match for that fiscal year, the State Treasurer may issue from
the thirty-five million dollars ($35,000,000) the amount certified up to
thirty-five million dollars ($35,000,000). Upon certification for the State
match required for the fiscal year ending June 30, 2004, the State Treasurer
may issue the remaining balance of the thirty-five million dollars
($35,000,000) of the Clean Water Bonds authorized by this subsection for
the purpose of funding the State match for that fiscal year and for any other
purposes authorized by this subsection or subsection (c) of this section. The
proceeds of the bonds necessary for the State match for each fiscal year shall
be deposited in the Water Pollution Control Revolving Fund or another
appropriate fund or account determined by the State Treasurer.

(e) Economic Development. The proceeds of twenty million dollars
($20,000,000) of Clean Water Bonds shall be used for the purpose of
making grants to local government units to pay the cost of clean water
projects in connection with the location of industry to, and expansion of
industry in, the State. These grants shall be awarded and administered by
the Department of Commerce. These funds shall be applied to pay the costs
of grants awarded in the same manner as funds in the Industrial Development Fund created in G.S. 143B-437.01(a), for use in accordance with G.S. 143B-437.01(a), subject to the further limitations on the provisions of G.S. 143B-437.01(a) set forth below, and shall be applied to pay the costs of grants awarded in the same manner as funds in the Utility Account of the Industrial Development Fund created in G.S. 143B-437.01(b1), for use in accordance with G.S. 143B-437.01(b1), subject to the further limitations on the provisions of G.S. 143B-437.01(b1) set forth below. In applying the provisions of G.S. 143B-437.01(a) or G.S. 143B-437.01(b1), as the case may be, the following exceptions shall apply:

1. The funds shall be used only for grants to local governments, not for loans.

2. Grants shall be awarded only to projects the Secretary of Commerce finds will have a favorable impact on the clean water objectives of the State.

3. The only purposes for which grants may be made are construction of or improvements to new or existing water or sewer distribution lines or equipment, construction of or improvements to new or existing wastewater treatment works, or improvements that will expand the capacity of existing wastewater treatment works or water supply systems.

4. The projects may be located only in counties that are economically distressed as defined in G.S. 143B-437.01 or have a population of less than 50,000.

5. Grants may be made only with respect to the following industries as defined in G.S. 105-129.2, notwithstanding any expiration of that statute: manufacturing and warehousing and wholesale trade.

6. The provisions of G.S. 143B-437.01(a) or G.S. 143B-437.01(b1), as the case may be, that limit the expenditure of funds to costs of utility lines or facilities located on the site of the new or proposed industrial building or that are directly related to the operation of the specific industrial activity at the building, shall not apply if the utility lines or facilities being provided will further the clean water objectives of the State.

The General Assembly finds that the purpose of providing water and sewer distribution lines and wastewater treatment works in counties eligible for grants under this subsection is to provide clean water in North Carolina in several different ways. First, these projects will reduce industrial reliance on wells, septic tanks, and other similar facilities. Second, when a distribution line is extended to an industrial facility in an area not otherwise served by water and sewer infrastructure, residents, other businesses, and local governments can connect into the distribution line, bringing clean water, wastewater treatment, or both to the unserved area. Also, the installation and expansion of water supply and wastewater treatment facilities to provide water supply and wastewater treatment in connection with new or expanding industry will result in additional water supply and treatment facilities available to the residents, other businesses, and local governments in the area where the installation or expansion occurs.
The proceeds of the Clean Water Bonds, issued for the purpose described in this subsection, shall be held in the Clean Water Bonds Fund until needed for expenditure by the grantee for the payment of the cost for the purpose for which the grant is made. The Department of Commerce shall maintain records that document the timing and purpose for which each expenditure of proceeds of a grant is made.

(f) Supplemental and Capacity Grants. The proceeds of sixty million dollars ($60,000,000) of Clean Water Bonds shall be used to provide supplemental and capacity grants to eligible local government units to match federal, State, and other grant or loan program funds to plan or improve needed water and sewer projects. Such grants shall be awarded and administered by the Rural Economic Development Center. Those proceeds shall be allocated as follows:

1. Supplemental Grants $48,000,000
2. Capacity Grants $12,000,000

The Rural Economic Development Center shall certify to the State Treasurer the amount of funds required, not to exceed eight million dollars ($8,000,000) for supplemental grants and not to exceed two million dollars ($2,000,000) for capacity grants, for each of the fiscal years ending June 30, 2000, June 30, 2001, June 30, 2002, June 30, 2003, June 30, 2004, and June 30, 2005. Upon certification each year of the amount of funds required for that fiscal year, the State Treasurer may issue the amount certified up to ten million dollars ($10,000,000). Upon certification for the fiscal year ending June 30, 2005, the State Treasurer may issue the remaining balance of the sixty million dollars ($60,000,000) of the Clean Water Bonds authorized by this subsection for any other purposes authorized by this subsection.

Grants made from the proceeds of this sixty million dollars ($60,000,000) for supplemental grants shall be based on the following criteria:

1. The applicant shall be a rural county, a local government unit located in a rural county, or a county that is applying for a grant on behalf of a rural school located in that county as provided in subdivision (5) of this subsection.

2. A water supply system, wastewater collection system, or wastewater treatment work shall receive funding priority if the system is located within an economically distressed county as defined in G.S. 143B-437.01.

3. A water supply system, wastewater collection system, or wastewater treatment works that is proposed in a rural county that is not also an economically distressed county, as defined in G.S. 143B-437.01, must meet at least one of the following criteria: (i) be located in that part of the county where the poverty rate is at least one hundred fifty percent (150%) of the State poverty rate, (ii) be located in that part of the county where the unemployment rate is at least double the State unemployment rate for the most recent reporting period available, or (iii) be located in that part of the county that experiences an actual or imminent loss of jobs in a number that equals or exceeds five percent (5%) of the total
number of jobs in that part of the county. Any grant awarded under this subdivision (3) shall be matched by the applicant on a dollar-for-dollar basis in the amount of the grant awarded.

(4) The grant funds shall supplement other funding and shall not represent the total costs of the wastewater collection systems, wastewater treatment works, water conservation projects, water reuse projects, or water supply systems financed.

(5) A county may apply for a grant on behalf of a rural school located in the county for a school water or wastewater project. The Rural Economic Development Center shall award grants to units of local government for the purposes authorized by this subsection in accordance with the criteria set forth in this subsection. The proceeds of the Clean Water Bonds issued for the purpose described in this subsection shall be held in the Clean Water Bonds Fund until needed for expenditure by the grantee for the payment of costs for the purposes for which the grant is made. The Rural Economic Development Center shall maintain records that document the timing and purpose for which each expenditure of proceeds of a grant is made and shall furnish such records to the Secretary of Commerce at the time a request for a payment to or on behalf of a grantee is to be made.

At the end of each fiscal year, the Secretary of Commerce shall review the grants awarded by the Rural Economic Development Center with proceeds from the Clean Water Bonds to verify that the grants awarded comply with the requirements of this act. The Secretary of Commerce shall provide his or her findings regarding compliance in writing to the State Treasurer. At the time the Rural Economic Development Center provides information to the Secretary of Commerce as to the grants awarded during the preceding fiscal year, the Rural Economic Development Center shall also provide the Secretary of Commerce with a copy of all records of the Rural Economic Development Center from the preceding fiscal year (to the extent not previously provided to the Secretary) that document the timing and purposes of the expenditures by the grantee units of local government of the proceeds of the grants funded from proceeds of the Clean Water Bonds.

(g) Unsewered Community Grants. The proceeds of fifty-five million dollars ($55,000,000) of Clean Water Bonds shall be used to provide grants to eligible local government units to assist with wastewater treatment works and wastewater collection systems. Such grants shall be awarded and administered by the Rural Economic Development Center.

The proceeds of this fifty-five million dollars ($55,000,000) of Clean Water Bonds shall be awarded on the following criteria:

1. The applicant shall be a local government unit.
2. The applicant’s population shall not exceed 5,000 persons using the most recent annual population estimates certified by the State Planning Officer.
3. The applicant shall be an unsewered community.
4. The applicant’s median household income shall not exceed ninety percent (90%) of the national median household income using the most recently updated income figures made available from the Bureau of the Census.
(5) The applicant has agreed by official resolution to adopt and place into effect on or before completion of the project a schedule of fees and charges for the proper operation, maintenance, and administration of the project. The schedule of fees and charges shall reflect at least the average annual water and wastewater cost per household calculated at one and one-half percent (1 1/2%) of the median household income of the applicant.

(6) The applicant must submit as part of the application packet a preliminary engineering report, including an analysis of possible wastewater service alternatives, and an environmental assessment.

An applicant who satisfies the criteria under this subsection (g) may be eligible for up to ninety percent (90%) of the total project cost.

The Rural Economic Development Center shall award grants to units of local government for the purposes authorized by this subsection in accordance with the criteria set forth in this subsection. The proceeds of the Clean Water Bonds issued for the purpose described in this subsection shall be held in the Clean Water Bonds Fund until needed for expenditure by the grantee for the payment of costs for the purposes for which the grant is made. The Rural Economic Development Center shall maintain records that document the timing and purpose for which each expenditure of proceeds of a grant is made and shall furnish such records to the Secretary of Commerce at the time a request for payment to or on behalf of a grantee is to be made.

At the end of each fiscal year the Secretary of Commerce shall review the grants awarded by the Rural Economic Development Center with proceeds from the Clean Water Bonds to verify that the grants awarded comply with the requirements of this act. The Secretary of Commerce shall provide his or her findings regarding compliance in writing to the State Treasurer.

At the time that the Rural Economic Development Center provides information to the Secretary of Commerce as to the grants awarded during the preceding fiscal year, the Rural Economic Development Center shall also provide the Secretary of Commerce with a copy of all records of the Rural Economic Development Center from the preceding fiscal year (to the extent not previously provided to the Secretary) that document the timing and purposes of the expenditures by the grantee units of local government of the proceeds of the grants funded from the proceeds of the Clean Water Bonds.

(h) Loans to Local Governments. The proceeds of three hundred million dollars ($300,000,000) of Clean Water Bonds shall be used for the purpose of making loans to local government units to pay the cost of water supply systems, water conservation projects, water reuse projects, wastewater collection systems, and wastewater treatment works. The proceeds shall be allocated as follows:

(1) Wastewater collection systems and wastewater treatment works:
   a. Reserved for loans to local government units whose bond rating is less than 75 or who have no bond rating $10,000,000
   b. Reserved for loans to local
government units whose bond rating is 75 or more $140,000,000.

(2) Water supply and distribution systems and water conservation projects:
   a. Reserved for loans to local government units whose bond rating is less than 75 or who have no bond rating $10,000,000
   b. Reserved for loans to local government units whose bond rating is 75 or more $140,000,000.

The proceeds shall be used to make loans directly to local government units qualifying for a loan from the Clean Water Revolving Loan and Grant Fund or loaned in such other manner as shall effectuate the purposes of this act. To qualify for a loan for the purpose of paying the cost of water supply systems, a local government unit must have a water supply facility plan approved by the Department of Environment and Natural Resources. A water supply facility plan submitted by a local government unit to the Department under G.S. 143-355(1) will be sufficient to meet this requirement. To qualify for a loan for the purpose of paying the cost of wastewater collection systems or wastewater treatment works, a local government unit must have a wastewater facility plan approved by the Department of Environment and Natural Resources. A wastewater facility plan must project future wastewater treatment needs, must present a long-range plan to meet those needs, and must include plans for system operations and maintenance of the facilities being built with the bond proceeds. In addition to the requirements listed above and the special emphases in subsection (a) of this section, significant consideration and weight in awarding a clean water grant to an eligible local government unit for expanding infrastructure to support significant additional development shall be given if the applicant, or the local government unit or units having jurisdiction over the service area of the applicant, has adopted a comprehensive land-use plan that meets the requirements of G.S. 159G-10. Any point scheme developed for awarding clean water grants or loans from the clean water bond proceeds for expanding infrastructure to support significant additional development shall assign a significant number of points for having a comprehensive land-use plan that is approved or adopted by the applicant or the local government unit or units having jurisdiction over the service area of the applicant. However, additional points awarded for having a comprehensive land-use plan shall be considered only in the evaluation of competing applications for expanding infrastructure to support significant additional development and shall not disadvantage other applicants for clean water loans to meet critical infrastructure needs.

A county may apply for a loan on behalf of a rural school located in the county for a school water or wastewater project.

The Department of Environment and Natural Resources shall set the priorities and determine the eligibility of local government units for these loans in accordance with Section 10 of this act. The form of the loans and the details thereof including, without limitation, the maturity, interest rate,
and amortization schedule shall be determined, from time to time, by the State Treasurer. In making these determinations, the State Treasurer shall consider the purpose of the loans, the ability of local government units to repay the loans, and the security for the loans. The interest rates on these loans shall reflect the self-supporting nature of the loan program and shall be sufficient to cover substantially all payments of debt service on the three hundred million dollars ($300,000,000) of Clean Water Bonds and the issuance costs and administrative expenses associated with the issuance of these bonds and the making of these loans, subject to any applicable requirements of the federal tax law.

Repayments of the loans shall be credited to the General Fund and may be used to pay, directly or indirectly, debt service on the bonds and notes issued. Repayments may be initially placed into such fund or account as may be determined by the State Treasurer for the purpose of determining compliance with applicable requirements of the federal tax law and shall be expended and disbursed therefrom under the direction and supervision of the Director of the Budget.

(i) Redistribution of the Allocation. The General Assembly may at this session or at any subsequent session increase or decrease the allocations of the proceeds of the Clean Water Bonds set forth in subsections (c), (d), (e), (f), (g), and (h) of this section, so long as the aggregate amount of the allocations does not exceed eight hundred million dollars ($800,000,000).

(j) Contracts With Private Entities. To the extent otherwise authorized by law, and to the extent the use otherwise accomplishes the clean water objectives of the State, this act does not prohibit a local government unit from using the proceeds of Clean Water Bonds for projects that accomplish the clean water objectives of this State through contracts or other arrangements with private entities.

Section 5.2. Use of Natural Gas Bonds and note proceeds. The proceeds of Natural Gas Bonds and notes shall be used for the purpose of providing grants, loans, or other financing to natural gas local distribution companies, persons seeking natural gas distribution franchises, State or local government agencies, or other entities for the costs of constructing natural gas facilities, including pipelines, compressors, interests in real property, and related equipment for the delivery of natural gas in order to facilitate the expansion of natural gas facilities to unserved areas of the State in accordance with the findings of the General Assembly as described in Section 16 of this act.

Section 6. Allocation of proceeds.

(a) Clean Water Bonds. The proceeds of Clean Water Bonds and notes, including premium thereon, if any, except the proceeds of bonds the issuance of which has been anticipated by bond anticipation notes or the proceeds of refunding bonds or notes, shall be placed by the State Treasurer in a special fund to be designated "Clean Water Bonds Fund", which may include such appropriate special accounts therein as may be determined by the State Treasurer and shall be disbursed as provided in this act. Moneys in the Clean Water Bonds Fund shall be allocated and expended as provided in this act.
Any additional moneys which may be received by means of a grant or grants from the United States of America or any agency or department thereof or from any other source for deposit to the Clean Water Bonds Fund may be placed in the Clean Water Bonds Fund or in a separate account or fund and shall be disbursed, to the extent permitted by the terms of the grant or grants, without regard to any limitations imposed by this act.

Moneys in the Clean Water Bonds Fund or any separate clean water fund or account established under this act may be invested from time to time by the State Treasurer in the same manner permitted for investment of moneys belonging to the State or held in the State treasury, except with respect to grant money to the extent otherwise directed by the terms of the grant. The proceeds of bonds and notes shall be expended and disbursed under the direction and supervision of the Director of the Budget. The funds provided by this act shall be disbursed for the purposes provided in this act upon warrants drawn on the State Treasurer by the State Controller, which warrants shall not be drawn until requisition has been approved by the Director of the Budget and which requisition shall be approved only after full compliance with the Executive Budget Act, Article 1 of Chapter 143 of the General Statutes.

(b) Natural Gas Bonds. The proceeds of Natural Gas Bonds and notes, including premium thereon, if any, except the proceeds of bonds the issuance of which has been anticipated by bond anticipation notes or the proceeds of refunding bonds or notes, shall be placed by the State Treasurer in a special fund to be designated "Natural Gas Bonds Fund", which may include such appropriate special accounts therein as may be determined by the State Treasurer, and shall be disbursed as provided in this act. Moneys in the Natural Gas Bonds Fund shall be allocated and expended as provided in this act. The proceeds may be used in accordance with G.S. 62-159 or may be distributed in accordance with the provisions of legislation enacted by the General Assembly in 1998 or later providing for the allocation of the bond proceeds for the purposes provided in this act.

Any additional moneys which may be received by means of a grant or grants from the United States of America or any agency or department thereof or from any other source to aid in financing the cost of any natural gas grants authorized by this act may be placed by the State Treasurer in the Natural Gas Bonds Fund or in a separate account or fund and shall be
disbursed, to the extent permitted by the terms of the grant or grants, without regard to any limitations imposed by this act.

Moneys in the Natural Gas Bonds Fund or any separate natural gas fund or account established under this act may be invested from time to time by the State Treasurer in the same manner permitted for investment of moneys belonging to the State or held in the State treasury, except with respect to grant money to the extent otherwise directed by the terms of the grant. Investment earnings, except investment earnings with respect to grant money to the extent otherwise directed or restricted by the terms of the grant, may be (i) credited to the Natural Gas Bonds Fund or any separate natural gas fund or account established under this act; (ii) used to pay debt service on the Natural Gas Bonds authorized by this act; (iii) used to satisfy compliance with applicable requirements of the federal tax law; or (iv) transferred to the General Fund of the State.

The proceeds of Natural Gas Bonds and notes may be used with any other moneys made available by the General Assembly for providing grants, loans, or other financing in accordance with this act, including the proceeds of any other State bond issues, whether heretofore made available or which may be made available at the session of the General Assembly at which this act is ratified or any subsequent sessions. The proceeds of Natural Gas Bonds and notes shall be expended and disbursed under the direction and supervision of the Director of the Budget. The funds provided by this act for construction of natural gas facilities shall be disbursed for the purposes provided in this act upon warrants drawn on the State Treasurer by the State Controller, which warrants shall not be drawn until requisition has been approved by the Director of the Budget and which requisition shall be approved only after full compliance with the Executive Budget Act, Article 1 of Chapter 143 of the General Statutes.

The North Carolina Utilities Commission shall provide quarterly reports to the Joint Legislative Commission on Governmental Operations, the Chairs of the Senate and House of Representatives Appropriations Committees, and the Fiscal Research Division on the expenditure of moneys from the Natural Gas Bonds Fund.

Section 7. Election. The questions of the issuance of the bonds authorized by this act shall be submitted to the qualified voters of the State at an election to be held on the first Tuesday after the first Monday of November 1998. Any other primary, election, or referendum validly called or scheduled by law at the time the election on the bond question provided for in this section is held may be held as called or scheduled. Notice of the election shall be given in the manner and at the times required by G.S. 163-33(8). The election and the registration of voters therefor shall be held under and in accordance with the general laws of the State. Absentee ballots shall be authorized in the election.

The State Board of Elections shall reimburse the counties of the State for all necessary expenses incurred in holding the election that are in
addition to those that would have otherwise been incurred, the same to be paid out of the Contingency and Emergency Fund or other funds available to the State Board of Elections.

Ballots, voting systems authorized by Article 14 of Chapter 163 of the General Statutes, or both may be used in accordance with rules prescribed by the State Board of Elections. The bond questions to be used in the ballots or voting systems shall be in substantially the following form:

"[ ] FOR [ ] AGAINST
the issuance of eight hundred million dollars ($800,000,000) State of North Carolina Clean Water Bonds constituting general obligation bonds of the State secured by a pledge of the faith and credit and taxing power of the State for the purpose of providing funds, with any other available funds, to make loans and grants to local government units to pay all or a portion of the cost of clean water projects."

"[ ] FOR [ ] AGAINST
the issuance of two hundred million dollars ($200,000,000) State of North Carolina Natural Gas Bonds constituting general obligation bonds of the State secured by a pledge of the faith and credit and taxing power of the State for the purpose of providing funds, with any other available funds, to provide grants, loans, or other financing to public or private entities for construction of natural gas facilities in order to facilitate the expansion of natural gas facilities to unserved portions of the State."

If a majority of those voting on a bond question in the election vote in favor of the issuance of the bonds described in the question, those bonds may be issued as provided in this act. (a) Terms and Conditions. Bonds or notes may bear such date or dates, may be serial or term bonds or notes, or any combination thereof, may mature in such amounts and at such time or times, not exceeding 40 years from their date or dates, may be payable at such place or places, either within or without the United States of America, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts, may bear interest at such rate or rates, which may vary from time to time, and may be made redeemable before maturity, at the option of the State or otherwise as may be provided by the State, at such price or prices, including a price less than the face amount of the bonds or notes, and under such terms and conditions, all as may be determined by the State Treasurer, by and with the consent of the Council of State.

374
by the State Treasurer or shall bear his or her facsimile signature, and shall bear the Great Seal of the State or a facsimile thereof shall be impressed or imprinted thereon. If bonds or notes bear the facsimile signatures of the Governor and the State Treasurer, the bonds or notes shall also bear a manual signature which may be that of a bond registrar, trustee, paying agent, or designated assistant of the State Treasurer. Should any officer whose signature or facsimile signature appears on bonds or notes cease to be such officer before the delivery of the bonds or notes, the signature or facsimile signature shall nevertheless have the same validity for all purposes as if the officer had remained in office until delivery, and bonds or notes may bear the facsimile signatures of persons who at the actual time of the execution of the bonds or notes shall be the proper officers to sign any bond or note although at the date of the bond or note such persons may not have been such officers. The form and denomination of bonds or notes, including the provisions with respect to registration of the bonds or notes and any system for their registration, shall be as the State Treasurer may determine in conformity with this act; provided, however, that nothing in this act shall prohibit the State Treasurer from proceeding, with respect to the issuance and form of the bonds or notes, under the provisions of Chapter 159E of the General Statutes, the Registered Public Obligations Act, as well as under this act.

(c) Manner of Sale; Expenses. Subject to determination by the Council of State as to the manner in which bonds or notes shall be offered for sale, whether at public or private sale, whether within or without the United States of America, and whether by publishing notices in certain newspapers and financial journals, mailing notices, inviting bids by correspondence, negotiating contracts of purchase or otherwise, the State Treasurer is authorized to sell bonds or notes at one time or from time to time at such rate or rates of interest, which may vary from time to time, and at such price or prices, including a price less than the face amount of the bonds or the notes, as the State Treasurer may determine. All expenses incurred in preparation, sale, and issuance of bonds or notes shall be paid by the State Treasurer from the proceeds of bonds or notes or other available moneys.

(d) Notes; Repayment.

(1) By and with the consent of the Council of State, the State Treasurer is hereby authorized to borrow money and to execute and issue notes of the State for the same, but only in the following circumstances and under the following conditions:

a. For anticipating the sale of bonds to the issuance of which the Council of State shall have given consent, if the State Treasurer shall deem it advisable to postpone the issuance of the bonds;

b. For the payment of interest on or any installment of principal of any bonds then outstanding, if there shall not be sufficient funds in the State treasury with which to pay the interest or installment of principal as they respectively become due;

c. For the renewal of any loan evidenced by notes herein authorized;
d. For the purposes authorized in this act; and
e. For refunding bonds or notes as herein authorized.

(2) Funds derived from the sale of bonds or notes may be used in the payment of any bond anticipation notes issued under this act. Funds provided by the General Assembly for the payment of interest on or principal of bonds shall be used in paying the interest on or principal of any notes and any renewals thereof, the proceeds of which shall have been used in paying interest on or principal of the bonds.

(e) Refunding Bonds and Notes. By and with the consent of the Council of State, the State Treasurer is authorized to issue and sell refunding bonds and notes pursuant to the provisions of the State Refunding Bond Act for the purpose of refunding bonds or notes issued pursuant to this act. The refunding bonds and notes may be combined with any other issues of State bonds and notes similarly secured.

(f) Tax Exemption. Bonds and notes shall be exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, excluding inheritance and gift taxes, income taxes on the gain from the transfer of bonds and notes, and franchise taxes. The interest on bonds and notes shall not be subject to taxation as to income.

(g) Investment Eligibility. Bonds and notes are hereby made securities in which all public officers, agencies, and public bodies of the State and its political subdivisions, all insurance companies, trust companies, investment companies, banks, savings banks, savings and loan associations, credit unions, pension or retirement funds, other financial institutions engaged in business in the State, executors, administrators, trustees, and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Bonds and notes are hereby made securities which may properly and legally be deposited with and received by any officer or agency of the State or political subdivision of the State for any purpose for which the deposit of bonds, notes, or obligations of the State or any political subdivision is now or may hereafter be authorized by law.

(h) Faith and Credit. The faith and credit and taxing power of the State are hereby pledged for the payment of the principal of and the interest on bonds and notes. In addition to the State’s right to amend any provision of this act to the extent it does not impair any contractual right of a bond owner, the State expressly reserves the right to amend any provision of this act with respect to the making and repayment of loans, the disposition of any repayments of loans, and any intercept provisions relating to the failure of a local government unit to repay a loan, the bonds not being secured in any respect by loans, any repayments thereof, or any intercept provisions with respect thereto.

Section 9. Variable interest rates. In fixing the details of bonds and notes, the State Treasurer may provide that any of the bonds or notes may:

(1) Be made payable from time to time on demand or tender for purchase by the owner thereof provided a credit facility supports the bonds or notes, unless the State Treasurer specifically determines that a credit facility is not required upon a finding and
determination by the State Treasurer that the absence of a credit facility will not materially or adversely affect the financial position of the State and the marketing of the bonds or notes at a reasonable interest cost to the State;

(2) Be additionally supported by a credit facility;
(3) Be made subject to redemption or a mandatory tender for purchase prior to maturity;
(4) Bear interest at a rate or rates that may vary for such period or periods of time, all as may be provided in the proceedings providing for the issuance of the bonds or notes, including, without limitation, such variations as may be permitted pursuant to a par formula; and
(5) Be made the subject of a remarketing agreement whereby an attempt is made to remarket bonds or notes to new purchasers prior to their presentment for payment to the provider of the credit facility or to the State.

If the aggregate principal amount repayable by the State under a credit facility is in excess of the aggregate principal amount of bonds or notes secured by the credit facility, whether as a result of the inclusion in the credit facility of a provision for the payment of interest for a limited period of time or the payment of a redemption premium or for any other reason, then the amount of authorized but unissued bonds or notes during the term of such credit facility shall not be less than the amount of such excess, unless the payment of such excess is otherwise provided for by agreement of the State executed by the State Treasurer.

Section 10. Special provisions governing clean water loans.

(a) Scope. The provisions of this section shall apply to loans being made from the proceeds of bonds authorized by this act for clean water projects, other than from funds deposited in the Clean Water Revolving Loan and Grant Fund.

(b) Clean Water Bonds Loan Account. There is established in the Department of State Treasurer a special account to be known as the Clean Water Bonds Loan Account, which may include any special or segregated accounts the State Treasurer considers appropriate. There shall be deposited in the Clean Water Bonds Loan Account proceeds of the Clean Water Bonds and notes to be used to make loans, other than loans to be made through the Clean Water Revolving Loan and Grant Fund, to local government units for clean water projects as provided in this act.

Except as otherwise permitted by Section 6 of this act with respect to the use of investment earnings, all moneys accruing to the credit of the Clean Water Bonds Loan Account other than funds set aside for administrative expenses, including expenses related to determining compliance with applicable requirements of the federal tax law and costs of issuance, shall be used to make loans for the purposes provided in this act. The State Treasurer shall be responsible for making and administering all loans pursuant to the provisions of this section.

(c) Application for Loans; Hearings.
(1) Eligibility/Initial Hearing:
a. Prior to filing an application for a loan, a local government unit shall hold a public hearing. A notice of the public hearing shall be published once at least 10 days before the date fixed for the hearing.

b. All applications for loans shall be filed with the Department of Environment and Natural Resources. The form of the application shall be prescribed by the Department and shall require any information necessary to determine the eligibility for a loan under the provisions of this section. All applications approved by the Department of Environment and Natural Resources shall be filed with the Local Government Commission. Each applicant shall furnish to the Department of Environment and Natural Resources and the Local Government Commission information in addition or supplemental to the information contained in its application, upon request.

c. A local government unit shall not be eligible for a loan unless it demonstrates to the satisfaction of the Department of Environment and Natural Resources and the Local Government Commission that:

1. The applicant is a local government unit;
2. The applicant has the financial capacity to pay the principal of and interest on its proposed loan as evidenced by the approval of the Local Government Commission;
3. The applicant has substantially complied or will substantially comply with all applicable laws, rules, regulations, and ordinances, whether federal, State, or local; and
4. The applicant has agreed by official resolution to adopt and place into effect a schedule of fees and charges or the application of other sources of revenue which will provide adequate funds for proper operation, maintenance, and administration of the project and repayment of all principal and interest on the loan.

(2) Assessment. The Department of Environment and Natural Resources may require any applicant to file with its application an assessment of the impact the project for which the funds are sought will have upon meeting the facility needs of the area within which the project is to be located.

(3) Hearing by the Department of Environment and Natural Resources or the Local Government Commission. A public hearing may be held by the Department of Environment and Natural Resources or the Local Government Commission at any time on any application. Public hearings may also be held by the Department of Environment and Natural Resources in its discretion upon written request from any citizen or taxpayer who is a resident of the county or counties in which the project is to be located or a resident of the local government unit that proposes to borrow moneys under this act, if it appears that the public interest will be
served by the hearing. The written request shall set forth each objection to the proposed project or other reason for requesting a hearing on the application and shall contain the name and address of the persons submitting it. In deciding whether to grant a request for a hearing on an application, the Department of Environment and Natural Resources may consider the application, the written objections to the proposed project, and the facility needs and shall determine if the public interest will be served by a hearing. The determination by the Department of Environment and Natural Resources shall be conclusive, and all written requests for a hearing shall be retained as a permanent part of the records pertaining to the application.

(4) Petition for Vote. A petition, demanding that the question of whether to enter into a loan agreement with the State under this act be submitted to voters, may be filed with the clerk of the local government unit applying for the loan within 15 days after the public hearing required by this section. The petition’s sufficiency shall be determined and a referendum, if any, shall be conducted according to the standards, procedures, and limitations set out in G.S. 159-60 through G.S. 159-62.

(d) Priorities.

(1) Determination. Determination of priorities to be assigned each eligible project shall be made semiannually by the Department of Environment and Natural Resources during each fiscal year. Every eligible project shall be considered by the Department of Environment and Natural Resources with every other project eligible during this same priority period.

(2) Priority Factors. All applications for loans under this act shall be assigned a priority by the Department of Environment and Natural Resources. The Department of Environment and Natural Resources shall establish other priority factors criteria by rule.

(3) Assignment of Priority. A written statement relative to each priority assigned shall be prepared by the Department of Environment and Natural Resources and shall be attached to the application. The priority assigned shall be conclusive.

(4) Failure to Qualify. If an application does not qualify for a loan as of the prior period in which the application was eligible for consideration by reason of the priority assigned, the application shall be considered during the next succeeding priority period upon request of the applicant. If the application again fails to qualify for a loan during the second priority period by reason of the priority assigned, the application shall receive no further consideration. An applicant may file a new application at any time and may amend any pending application to include additional data or information.

(5) Withdrawal of Commitment. Failure of an applicant within one year after the date of acceptance of the loan to arrange for necessary financing of the proposed project or award of the contract of the construction of the proposed project shall constitute
sufficient cause for withdrawal of the commitment. Prior to withdrawal of a commitment, the Department of Environment and Natural Resources shall give due consideration to any extenuating circumstances presented by the applicant as reasons for failure to arrange necessary financing or to award a contract, and the commitment may be extended for an additional period of time if, in the judgment of the Department of Environment and Natural Resources, the extension is justified.

(c) Disbursement. To be eligible to receive the loans provided for in this section, a local government unit must arrange to borrow the amounts necessary pursuant to rules adopted by the Local Government Commission. No funds shall be disbursed until the Department of Environment and Natural Resources gives a certificate of eligibility to the effect that the applicant meets all eligibility criteria and that all procedural requirements of this act have been met. The maximum principal amount of a loan shall be one hundred percent (100%) of the cost of any eligible project.

(f) Intercept. The governing body of a local government unit shall by resolution authorize to be included in its loan agreement a provision authorizing the State Treasurer, upon failure of the local government unit to make a scheduled repayment of the loan, to withhold from the local government unit any State funds that would otherwise be distributed to the local government unit in an amount sufficient to pay all sums then due and payable to the State as a repayment of the loan. In such event, notwithstanding any other provision of law, the State Treasurer is authorized to withhold and apply such funds to the repayment of the loan, except that such funds shall not be withheld if (i) before the execution of the loan agreement, such funds have been legally pledged to secure special obligation bonds or other obligations of the local government unit, or (ii) after the execution of the loan agreement, such funds are legally pledged to secure special obligation bonds or other obligations of the local government unit as authorized in this subsection. After the execution of a loan agreement, all or any portion of the State funds specified in the loan agreement to be so withheld may be pledged to secure special obligation bonds or other obligations of the local government unit only with the prior written consent of the State Treasurer.

The State Treasurer shall notify the Secretary of Revenue and the State Controller of the amount to be withheld from the local government unit, and the Secretary of Revenue and the State Controller shall transfer to the State Treasurer the amount so requested to be applied by the State Treasurer to the repayment of the loan.

(g) Inspection. Inspection of a project for which a loan has been made under this act may be performed by qualified personnel of the Department of Environment and Natural Resources or may be performed by qualified engineers registered in this State approved by the Department of Environment and Natural Resources. No person shall be approved to perform inspections who is an officer employed by the local government unit to which the loan was made or who is an owner, officer, employer, or agent of a contractor or subcontractor engaged in the construction of the project for which the loan was made. For the purpose of payment of inspection
fees, inspection services shall be included in the term "cost" as used in this act.

(h) Rules. The State Treasurer, the Local Government Commission, and the Department of Environment and Natural Resources may adopt, modify, and repeal rules necessary for the administration of their respective duties under this act. Uniform rules may be jointly adopted where feasible and desirable, and no rule, jointly adopted, may be modified or revoked except upon concurrence of all agencies involved.

(i) Federal Grants and Loans. In order to carry out the purposes of this act to secure the greatest possible benefits to the citizens of this State of the funds appropriated, the State Treasurer, the Local Government Commission, and the Department of Environment and Natural Resources shall adopt rules and criteria, not inconsistent with provisions of this act, as are necessary and appropriate to conform to regulations for federal grants and loans for any of the purposes set forth in this act.

(j) Report by Department of Environment and Natural Resources. The Department of Environment and Natural Resources shall prepare and file each year on or before July 31 with the Joint Legislative Commission on Governmental Operations and the Fiscal Research Division a report for the preceding fiscal year concerning the allocation and making of loans authorized by this act. The report shall set forth for the preceding fiscal year:

(k) Local Government Commission.

1. Local government units may execute debt instruments payable to the State in order to obtain loans provided for in this act. Local government units shall pledge or agree to apply as security for such obligations:
   a. Any available source of revenues of the local government unit, including revenues from benefitted facilities or systems, provided that (i) the local government unit has not otherwise pledged the revenues as security for, or contractually agreed to apply the revenues to, the payment of any other obligations of the local government unit, (ii) the use of the revenues is not
otherwise restricted by law, or (iii) the revenues are not
derived from the exercise of the local government unit’s taxing
power; or
b. Their faith and credit; or
c. Any combination of a. or b. above.
The faith and credit of a local government unit shall not be
pledged or be deemed to have been pledged unless the
requirements of Article 4 of Chapter 159 of the General Statutes
have been met. The State Treasurer, with the assistance of the
Local Government Commission, shall develop and adopt
appropriate debt instruments for use under this act.

(2) Nothing contained in this act shall prohibit any local government
unit from applying any funds of the local government unit not
otherwise restricted as to use by law to the payment of any debt
instrument payable to the State incurred pursuant to the provisions
of this act.

(3) The Local Government Commission shall review and approve
proposed loans to local government units under this act under the
provisions of Articles 4 and 5 of Chapter 159 of the General
Statutes. The Local Government Commission in considering the
ability of a local government unit to repay a loan may regard as a
source of revenue for repayment of a loan revenue sources that
may not be available other than on an annual discretionary basis
and that may not be subject to a pledge or agreement to apply.
Loans under this act shall be outstanding debts for the purposes of
Article 10 of Chapter 159 of the General Statutes.

(4) The State Treasurer shall annually certify to the General Assembly
the financial condition of the loan program and identify existing
deinquences.

Section 16. The General Assembly finds that:
(1) The General Assembly has previously found that it is the policy of this State to facilitate the extension of natural gas facilities to unserved areas of the State; and
(2) The extension of natural gas facilities to unserved areas of the State is necessary for the health of the people and of the environment; and
(3) The extension of natural gas facilities to unserved areas of the State will aid and encourage the location of manufacturing enterprises and industrial facilities in those areas of the State, will encourage new construction, homes, and other businesses in those areas of the State, will increase the population, taxable property, agricultural industries, and business prospects in the State; and
(4) The 1989 General Assembly in Chapter 338 of the 1989 Session Laws directed the North Carolina Utilities Commission to require the franchised natural gas local distribution companies to file reports with the Commission detailing their plans for providing natural gas service in areas of the State where natural gas service is not available, and directed the Commission and the Public Staff to provide independent analyses and summaries of those reports together with status reports of natural gas service in the State to the Joint Legislative Utility Review Committee; and
(5) The reports of the utilities, the Commission, and the Public Staff indicate that the construction of facilities and the extension of natural gas service in some areas of the State may not be economically feasible with traditional funding methods; and
(6) The 1991 General Assembly enacted G.S. 62-158 and G.S. 62-2(9) authorizing special funding methods, including the use of supplier refunds and customer surcharges, to facilitate the expansion of natural gas service; and
(7) While the 1991 legislation has been successful in providing some natural gas service to previously unserved areas of the State, that legislation has not been sufficient to facilitate the extension of service that is necessary and in the public interest, and there are still counties with no gas service or virtually no gas service; and
(8) It is therefore necessary to authorize additional funding methods, including appropriations from the General Assembly and the proceeds of general obligation bonds, to further facilitate the expansion of natural gas service.

Section 17. Chapter 62 of the General Statutes is amended by adding a new section to read:
"§ 62-159. Additional funding for natural gas expansion."
(a) In order to facilitate the construction of facilities in and the extension of natural gas service to unserved areas, the Commission may provide funding through appropriations from the General Assembly or the proceeds of general obligation bonds as provided in this section to either (i) an existing natural gas local distribution company or (ii) a person or a gas district awarded a new franchise for the construction of natural gas facilities that it otherwise would not be economically feasible for the company, person, or gas district to construct.

(b) The use of funds provided under this section shall be pursuant to an order of the Commission after a public hearing. The Commission shall ensure that all projects for which funds are provided under this section are consistent with the intent of this section and G.S. 62-2(9). In determining whether to approve the use of funds for a particular project pursuant to this section, the Commission shall consider the scope of a proposed project, including the number of unserved counties and the number of anticipated customers that would be served, the total cost of the project, the extent to which the project is considered feasible, and other relevant factors affecting the public interest. In determining economic feasibility, the Commission shall employ the net present value method of analysis on a project specific basis. Only those projects with a negative net present value shall be determined to be economically infeasible for the company, person, or gas district to construct. In no event shall the Commission provide funding under this section of an amount greater than the negative net present value of any proposed project as determined by the Commission. If at any time a project is determined by the Commission to have become economically feasible, the Commission shall require the recipient of funding to remit to the Commission appropriate funds related to the project, and the Commission may order those funds to be returned with interest in a reasonable amount to be determined by the Commission. Funds returned, together with interest, shall be deposited with the State Treasurer to be used for other expansion projects pursuant to the provisions of this section. Utility plant acquired with expansion funds shall be included in the local distribution company’s rate base at zero cost except to the extent such funds have been remitted by the company pursuant to order of the Commission. In the event a gas district wishes to sell or otherwise dispose of facilities financed with funds received under this section, it must first notify the Commission which shall determine the method of repayment or accounting for those funds.

(c) To the extent that one or more of the counties included in a proposed project to be funded pursuant to this section are counties affected by the loss of exclusive franchise rights provided for in G.S. 62-36A(b), the Commission may conclude that the public interest requires that the person obtaining the franchise or funding pursuant to this section be given an exclusive franchise and that the existing franchise be canceled. Any new exclusive franchise granted under this subsection shall be subject to the provisions of G.S. 62-36A(b). This subsection does not apply to gas districts formed under Article 28 of Chapter 160A of the General Statutes.

(d) The Commission, after hearing, shall adopt rules to implement this section as soon as practicable. The Commission and Public Staff shall
report to the Joint Legislative Utility Review Committee on the use of funding provided under this section in conjunction with the reports required under G.S. 62-36A."

Section 18. G.S. 62-2 reads as rewritten:

(a) Upon investigation, it has been determined that the rates, services and operations of public utilities as defined herein, are affected with the public interest and that the availability of an adequate and reliable supply of electric power and natural gas to the people, economy and government of North Carolina is a matter of public policy. It is hereby declared to be the policy of the State of North Carolina:

(1) To provide fair regulation of public utilities in the interest of the public;
(2) To promote the inherent advantage of regulated public utilities;
(3) To promote adequate, reliable and economical utility service to all of the citizens and residents of the State;
(3a) To assure that resources necessary to meet future growth through the provision of adequate, reliable utility service include use of the entire spectrum of demand-side options, including but not limited to conservation, load management and efficiency programs, as additional sources of energy supply and/or energy demand reductions. To that end, to require energy planning and fixing of rates in a manner to result in the least cost mix of generation and demand-reduction measures which is achievable, including consideration of appropriate rewards to utilities for efficiency and conservation which decrease utility bills;
(4) To provide just and reasonable rates and charges for public utility services without unjust discrimination, undue preferences or advantages, or unfair or destructive competitive practices and consistent with long-term management and conservation of energy resources by avoiding wasteful, uneconomic and inefficient uses of energy;
(4a) To assure that facilities necessary to meet future growth can be financed by the utilities operating in this State on terms which are reasonable and fair to both the customers and existing investors of such utilities; and to that end to authorize fixing of rates in such a manner as to result in lower costs of new facilities and lower rates over the operating lives of such new facilities by making provisions in the rate-making process for the investment of public utilities in plants under construction;
(5) To encourage and promote harmony between public utilities, their users and the environment;
(6) To foster the continued service of public utilities on a well-planned and coordinated basis that is consistent with the level of energy needed for the protection of public health and safety and for the promotion of the general welfare as expressed in the State energy policy;
(7) To seek to adjust the rate of growth of regulated energy supply facilities serving the State to the policy requirements of statewide development;

(8) To cooperate with other states and with the federal government in promoting and coordinating interstate and intrastate public utility service and reliability of public utility energy supply; and

(9) To facilitate the construction of facilities in and the extension of natural gas service to unserved areas in order to promote the public welfare throughout the State and to that end to authorize the creation of an expansion fund funds for each natural gas local distribution company companies or gas districts to be administered under the supervision of the North Carolina Utilities Commission.

(b) To these ends, therefore, authority shall be vested in the North Carolina Utilities Commission to regulate public utilities generally, their rates, services and operations, and their expansion in relation to long-term energy conservation and management policies and statewide development requirements, and in the manner and in accordance with the policies set forth in this Chapter. Nothing in this Chapter shall be construed to imply any extension of Utilities Commission regulatory jurisdiction over any industry or enterprise that is not subject to the regulatory jurisdiction of said Commission.

Because of technological changes in the equipment and facilities now available and needed to provide telephone and telecommunications services, changes in regulatory policies by the federal government, and changes resulting from the court-ordered divestiture of the American Telephone and Telegraph Company, competitive offerings of certain types of telephone and telecommunications services may be in the public interest. Consequently, authority shall be vested in the North Carolina Utilities Commission to allow competitive offerings of local exchange, exchange access, and long distance services by public utilities defined in G.S. 62-3(23)a.6. and certified in accordance with the provisions of G.S. 62-110, and the Commission is further authorized after notice to affected parties and hearing to deregulate or to exempt from regulation under any or all provisions of this Chapter: (i) a service provided by any public utility as defined in G.S. 62-3(23)a.6. upon a finding that such service is competitive and that such deregulation or exemption from regulation is in the public interest; or (ii) a public utility as defined in G.S. 62-3(23)a.6., or a portion of the business of such public utility, upon a finding that the service or business of such public utility is competitive and that such deregulation or exemption from regulation is in the public interest.

The policy and authority stated in this section shall be applicable to common carriers of passengers by motor vehicle and their regulation by the North Carolina Utilities Commission only to the extent that they are consistent with the provisions of the Bus Regulatory Reform Act of 1985.

The North Carolina Utilities Commission may develop regulatory policies to govern the provision of telecommunications services to the public which promote efficiency, technological innovation, economic growth, and permit telecommunications utilities a reasonable opportunity to compete in an
emerging competitive environment, giving due regard to consumers, stockholders, and maintenance of reasonably affordable local exchange service and long distance service."

AN ACT TO IMPLEMENT THE RECOMMENDATION OF THE JOINT LEGISLATIVE EDUCATION OVERSIGHT COMMITTEE TO ALLOW LOCAL SCHOOL ADMINISTRATIVE UNITS TO USE SINGLE-PRIME BIDDING, MULTI-PRIME BIDDING, OR BOTH, FOR CONSTRUCTION PROJECTS OVER FIVE HUNDRED THOUSAND DOLLARS.

The local school administrative unit shall award the contract to the lowest responsible bidder under the single-prime system or to the lowest responsible bidder under the separate-prime system, taking into consideration quality, performance, and time specified in the bids for performance of the contract. In determining the system under which the contract will be awarded to the lowest responsible bidder, the local school administrative unit may consider cost of construction oversight, time for completion, and other factors it deems appropriate. The local school administrative unit shall not open any bid solicited under subsection (d) of this section unless the unit receives at least three competitive bids from reputable and qualified contractors regularly engaged in their respective lines of endeavor and unless the unit receives a bid from at least one general contractor under the separate-prime system. The bids received as separate-prime bids shall be submitted three hours prior to the deadline for the submission of single-prime bids. The amount of a bid submitted by a subcontractor to the general contractor under the single-prime system shall not exceed the amount bid, if any, for the same work by that subcontractor to the local school administrative unit under the separate-prime system. (1) The proposed municipality is entirely on an island that the nearby city is not on;

(2) Fire protection.
(3) Garbage and refuse collection or disposal.
(4) Water distribution.
(5) Sewer collection or disposal.
(6) Street maintenance, construction, or right-of-way acquisition.

A municipality exercising authority under this Part shall make plans for the extension of services to the area proposed to be annexed and shall, prior to the public hearing provided for in G.S. 160A-37, prepare a report setting forth such plans to provide services to such area. The report shall include:

(1) A map or maps of the municipality and adjacent territory to show the following information:
   a. The present and proposed boundaries of the municipality.
   b. The proposed extensions of water mains and sewer outfalls to serve the annexed area, if such utilities are operated by the municipality. The water and sewer map must bear the seal of a registered professional engineer or a licensed surveyor.

(2) A statement showing that the area to be annexed meets the requirements of G.S. 160A-36."

   a. Provide for extending police protection, fire protection, solid waste collection and street maintenance services to the area to be annexed on the date of annexation on substantially the same basis and in the same manner as such services are provided within the rest of the municipality prior to annexation. A contract with a rural fire department to provide fire protection shall be an acceptable method of providing fire protection. If a water distribution system is not available in the area to be annexed, the plans must call for reasonably effective fire protection services until such time as waterlines are made available in such area under existing municipal policies for the extension of waterlines. A contract with a private firm to provide solid waste collection services shall be an acceptable method of providing solid waste collection services.
   b. Provide for extension of water mains and sewer lines into the area to be annexed so that property owners in the area to be annexed will be able to secure public water and sewer services according to the policies in effect in such municipality for extending water and sewer lines to individual lots or subdivisions. If the municipality must, at its own expense, extend water and/or sewer mains into the area to be annexed before property owners in the area can, according to municipal policies, make such connection to such lines, then the plans must call for contracts to be let and construction to begin on such lines within one year following the effective date of annexation. In areas where the installation of sewer is not economically feasible due to the unique topography of the area, the municipality may agree to provide septic system maintenance and repair service until such time as sewer service is provided to properties similarly situated.
   c. Set forth the method under which the municipality plans to finance extension of services into the area to be annexed.

(4) A statement of the impact of the annexation on any rural fire department providing service in the area to be annexed and a statement of the impact of the annexation on fire protection and fire insurance rates in the area to be annexed, if the area where service is provided is in an insurance district designated under G.S. 153A-233, a rural fire protection district under Article 3A of Chapter 69 of the General Statutes, or a fire service district under Article 16 of Chapter 153A of the General Statutes. The rural fire department shall make available to the city not later than 30 days following a written request from the city all information in its possession or control, including but not limited to operational, financial and budgetary information, necessary for preparation of a statement of impact. The rural fire department forfeits its rights
under G.S. 160A-37.1 and G.S. 160A-37.2 if it fails to make a good faith response within 45 days following receipt of the written request for information from the city, provided that the city's written request so states by specific reference to this section.

(5) A statement showing how the proposed annexation will affect the city's finances and services, including city revenue change estimates. This statement shall be delivered to the clerk of the board of county commissioners at least 30 days before the date of the public informational meeting on any annexation under this Part."

If the Local Government Commission finds that services were not extended by the end of the 60-day period, it shall enter an order directing the city not to levy any further ad valorem taxes on the property until the fiscal year commencing after extension of the municipal services."

Section 10.  G.S. 160A-38 reads as rewritten:
(a) Within **30 days 60 days** following the passage of an annexation ordinance under authority of this Part, any person owning property in the annexed territory who shall believe that he will suffer material injury by reason of the failure of the municipal governing board to comply with the procedure set forth in this Part or to meet the requirements set forth in G.S. 160A-36 as they apply to his property may file a petition in the superior court of the county in which the municipality is located seeking review of the action of the governing board.

(b) Such petition shall explicitly state what exceptions are taken to the action of the governing board and what relief the petitioner seeks. Within **five days 10 days** after the petition is filed with the court, the person seeking review shall serve copies of the petition by registered mail, return receipt requested, upon the municipality.

(c) Within **15 days** after receipt of the copy of the petition for review, or within such additional time as the court may allow, the municipality shall transmit to the reviewing court:

1. A transcript of the portions of the municipal journal or minute book in which the procedure for annexation has been set forth and
2. A copy of the report setting forth the plans for extending services to the annexed area as required in G.S. 160A-35.

(d) If two or more petitions for review are submitted to the court, the court may consolidate all such petitions for review at a single hearing, and the municipality shall be required to submit only one set of minutes and one report as required in subsection (c).

(e) At any time before or during the review proceeding, any petitioner or petitioners may apply to the reviewing court for an order staying the operation of the annexation ordinance pending the outcome of the review. The court may grant or deny the stay in its discretion upon such terms as it deems proper, and it may permit annexation of any part of the area described in the ordinance concerning which no question for review has been raised.

(f) The court shall fix the date for review of annexation proceedings under this Chapter, which review date shall preferably be within **30 days** following the last day for receiving petitions to the end that review shall be expeditious and without unnecessary delays. The review shall be conducted by the court without a jury. The court may hear oral arguments and receive written briefs, and may take evidence intended to show either:

1. That the statutory procedure was not followed or
2. That the provisions of G.S. 160A-35 were not met, or
3. That the provisions of G.S. 160A-36 have not been met.

(g) The court may affirm the action of the governing board without change, or it may:

1. Remand the ordinance to the municipal governing board for further proceedings if procedural irregularities are found to have materially prejudiced the substantive rights of any of the petitioners.
2. Remand the ordinance to the municipal governing board for amendment of the boundaries to conform to the provisions of G.S. 160A-36 if it finds that the provisions of G.S. 160A-36 have not

(4) Declare the ordinance null and void, if the court finds that the ordinance cannot be corrected by remand as provided in subdivisions (1), (2), or (3) of this subsection.

If any municipality shall fail to take action in accordance with the court's instructions upon remand within three months from receipt of such instructions, the annexation proceeding shall be deemed null and void.

(h) Any party to the review proceedings, including the municipality, may appeal to the Court of Appeals from the final judgment of the superior court under rules of procedure applicable in other civil cases. The superior court may, with the agreement of the municipality, permit annexation to be effective with respect to any part of the area concerning which no appeal is being made and which can be incorporated into the city without regard to any part of the area concerning which an appeal is being made.

(i) If part or all of the area annexed under the terms of an annexation ordinance is the subject of an appeal to the superior court, Court of Appeals or Supreme Court on the effective date of the ordinance, then the ordinance shall be deemed amended to make the effective date with respect to such area the last day of the next full calendar month following the date of the final judgment of the superior court, Court of Appeals or Supreme Court, whichever is appropriate, or the date the municipal governing board completes action to make the ordinance conform to the court's instructions in the event of remand. For the purposes of this subsection, a denial of a petition for a rehearing or for discretionary review shall be treated as a final judgment.

(j) The provisions of subsection (i) of this section shall apply to any judicial review authorized in whole or in part by G.S. 160A-37.1(i) or G.S. 160A-37.3(g).

(k) In any proceeding related to an annexation ordinance appeal under this section, a city shall not state a claim for lost property tax revenue caused by the appeal. Nothing in this Article shall be construed to mean that as a result of an appeal a municipality may assert a claim for property tax revenue lost during the pendency of the appeal.

(l) Any settlement agreed to by all parties in an appeal under this section may be presented to the superior court in the county in which the municipality is located. If the superior court, in its discretion, approves the settlement, it shall be binding on all parties without the need for approval by the General Assembly.

"§ 160A-42. Land estimates.
In determining degree of land subdivision for purposes of meeting the requirements of G.S. 160A-36, the municipality shall use methods calculated to provide reasonably accurate results. In determining whether the
standards set forth in G.S. 160A-36 have been met on appeal to the superior court under G.S. 160A-38, the reviewing court shall accept the estimates of the municipality as provided in this section unless the actual total area or degree of subdivision falls below the standards in G.S. 160A-36:

(1) As to total area if the estimate is based on an actual survey, or on county tax maps or records, or on aerial photographs, or on some other reasonably reliable map used for official purposes by a governmental agency unless the petitioners on appeal demonstrate that such estimates are in error in the amount of five percent (5%) or more.

(2) As to degree of land subdivision, if the estimates are based on an actual survey, or on county tax maps or records, or on aerial photographs, or on some other reasonably reliable source, unless the petitioners on appeal show that such estimates are in error in the amount of five percent (5%) or more."

Section 12. G.S. 160A-47 reads as rewritten:

"§ 160A-47. Prerequisites to annexation; ability to serve; report and plans.

A municipality exercising authority under this Part shall make plans for the extension of services to the area proposed to be annexed and shall, prior to the public hearing provided for in G.S. 160A-49, prepare a report setting forth such plans to provide services to such area. The report shall include:

(1) A map or maps of the municipality and adjacent territory to show the following information:
   a. The present and proposed boundaries of the municipality.
   b. The present major trunk water mains and sewer interceptors and outfalls, and the proposed extensions of such mains and outfalls as required in subdivision (3) of this section. The water and sewer map must bear the seal of a registered professional engineer.
   c. The general land use pattern in the area to be annexed.

(2) A statement showing that the area to be annexed meets the requirements of G.S. 160A-48.

(3) A statement setting forth the plans of the municipality for extending to the area to be annexed each major municipal service performed within the municipality at the time of annexation. Specifically, such plans shall:
   a. Provide for extending police protection, fire protection, solid waste collection and street maintenance services to the area to be annexed on the date of annexation on substantially the same basis and in the same manner as such services are provided within the rest of the municipality prior to annexation. A contract with a rural fire department to provide fire protection shall be an acceptable method of providing fire protection. If a water distribution system is not available in the area to be annexed, the plans must call for reasonably effective fire protection services until such time as waterlines are made available in such area under existing municipal policies for the extension of waterlines. A contract with a private firm to
provide solid waste collection services shall be an acceptable method of providing solid waste collection services.

b. Provide for extension of major trunk water mains and sewer outfall lines into the area to be annexed so that when such lines are constructed, property owners in the area to be annexed will be able to secure public water and sewer service, according to the policies in effect in such municipality for extending water and sewer lines to individual lots or subdivisions. If requested by the owner of an occupied dwelling unit or an operating commercial or industrial property in writing on a form provided by the municipality, which form acknowledges that such extension or extensions will be made according to the current financial policies of the municipality for making such extensions, and if such form is received by the city clerk not less than 30 days before adoption of the annexation ordinance, no later than five days after the public hearing, provide for extension of water and sewer lines to the property or to a point on a public street or road right-of-way adjacent to the property according to the financial policies in effect in such municipality for extending water and sewer lines. If any such requests are timely made, the municipality shall at the time of adoption of the annexation ordinance amend its report and plan for services to reflect and accommodate such requests, if an amendment is necessary. In areas where the municipality is required to extend sewer service according to its policies, but the installation of sewer is not economically feasible due to the unique topography of the area, the municipality shall provide septic system maintenance and repair service until such time as sewer service is provided to properties similarly situated.

c. If extension of major trunk water mains, sewer outfall lines, sewer lines and water lines is necessary, set forth a proposed timetable for construction of such mains, outfalls and lines as soon as possible following the effective date of annexation. In any event, the plans shall call for construction to be completed within two years of the effective date of annexation.

d. Set forth the method under which the municipality plans to finance extension of services into the area to be annexed.

(4) A statement of the impact of the annexation on any rural fire department providing service in the area to be annexed and a statement of the impact of the annexation on fire protection and fire insurance rates in the area to be annexed, if the area where service is provided is in an insurance district designated under G.S. 153A-233, a rural fire protection district under Article 3A of Chapter 69 of the General Statutes, or a fire service district under Article 16 of Chapter 153A of the General Statutes. The rural fire department shall make available to the city not later than 30 days following a written request from the city all information in its possession or control, including but not limited to operational,
financial and budgetary information, necessary for preparation of a statement of impact. The rural fire department forfeits its rights under G.S. 160A-49.1 and G.S. 160A-49.2 if it fails to make a good faith response within 45 days following receipt of the written request for information from the city, provided that the city’s written request so states by specific reference to this section.

(5) A statement showing how the proposed annexation will affect the city’s finances and services, including city revenue change estimates. This statement shall be delivered to the clerk of the board of county commissioners at least 30 days before the date of the public informational meeting on any annexation under this Part."

Section 13. G.S. 160A-47.1 reads as rewritten:
"§ 160A-47.1. Limitation on change in financial participation prior to annexation.

No For purposes of the extension of water and sewer services required under G.S. 160A-47, no ordinance or policy substantially diminishing the financial participation of a municipality in the construction of water or sewer facilities required under this Article may apply to an area being annexed unless the ordinance or policy became effective at least 180 days prior to the date of adoption by the municipality of the resolution giving notice of intent to consider annexing the area under G.S. 160A-49(a)."

Section 14. G.S. 160A-48 reads as rewritten:

(b) The total area to be annexed must meet the following standards:

(1) It must be adjacent or contiguous to the municipality’s boundaries at the time the annexation proceeding is begun, except if the entire territory of a county water and sewer district created under G.S. 162A-86(b1) is being annexed, the annexation shall also include any noncontiguous pieces of the district as long as the part of the district with the greatest land area is adjacent or contiguous to the municipality’s boundaries at the time the annexation proceeding is begun.

(2) At least one eighth of the aggregate external boundaries of the area must coincide with the municipal boundary.

(3) No part of the area shall be included within the boundary of another incorporated municipality.

(2) Has a total resident population equal to at least one person for each acre of land included within its boundaries, and is subdivided into lots and tracts such that at least sixty percent (60%) of the total acreage consists of lots and tracts five three acres or less in size and such that at least sixty-five percent (65%) of the total number of lots and tracts are one acre or less in size; or

by the municipality without extending services and/or water and/or sewer lines through such sparsely developed area; or

(2) Is adjacent, on at least sixty percent (60%) of its external boundary, to any combination of the municipal boundary and the boundary of an area or areas developed for urban purposes as defined in subsection (c).

The purpose of this subsection is to permit municipal governing boards to extend corporate limits to include all nearby areas developed for urban purposes and where necessary to include areas which at the time of annexation are not yet developed for urban purposes but which constitute necessary land connections between the municipality and areas developed for urban purposes or between two or more areas developed for urban purposes. For purposes of this subsection, ‘necessary land connection’ means an area that does not exceed twenty-five percent (25%) of the total area to be annexed.

(e) In fixing new municipal boundaries, a municipal governing board shall, wherever practical, use natural topographic features such as ridge lines and streams and creeks as boundaries, and may use streets as boundaries. shall use recorded property lines and streets as boundaries. Some or all of the boundaries of a county water and sewer district may also be used when the entire district not already within the corporate limits of a municipality is being annexed.

(1) If the municipality has not provided the services set forth in its plan submitted under the provisions of G.S. 160A-47(3)a on substantially the same basis and in the same manner as such services were provided within the rest of the municipality prior to the effective date of annexation, and

(2) If at the time the writ is sought such services set forth in the plan submitted under the provisions of G.S. 160A-47(3)a are still being provided on substantially the same basis and in the same manner as on the date of annexation of the municipality.

If, not earlier than 24 months from the effective date of the annexation, and not later than 27 months from the effective date of the annexation, any person owning property in the annexed area can show that the plans submitted under the provisions of G.S. 160A-47(3)c require the construction of major trunk water mains and sewer outfall lines and if construction has not been completed within two years of the effective date of the annexation, relief may also be granted by the superior court by an order to the municipality to complete such lines and outfalls within a certain time. Similar relief may be granted by the superior court to any owner of property who made a timely request for a water or sewer line, or both, pursuant to G.S. 160A-47(3)b and such lines have not been completed within two years from the effective date of annexation in accordance with applicable city policies and through no fault of the owner, if such owner petitions for such relief not earlier than 24 months following the effective date of annexation and not later than 27 months following the effective date of annexation.
If a writ is issued, costs in the action, including a reasonable attorney’s fee for such aggrieved person, shall be charged to the municipality.

(i) No resolution of intent may be adopted under subsection (a) of this section unless the city council (or planning agency created or designated under either G.S. 160A-361 or the charter) has, by resolution adopted at least one year prior to adoption of the resolution of intent, identified the area as being under consideration for annexation; and included a statement in the resolution notifying persons subject to the annexation of their rights under subsections (f1) and (f2) of this section; provided, adoption of such resolution of consideration shall not confer prior jurisdiction over the area as to any other city. The area described under the resolution of intent may comprise a smaller area than that identified by the resolution of consideration. The resolution of consideration may have a metes and bounds description or a map and shall remain effective for two years after adoption, and shall be filed with the city clerk. A new resolution of consideration adopted before expiration of the two-year period for a previously adopted resolution covering the same area shall relate back to the date of the previous resolution.

(j) Subsection (i) of this section shall not apply to the annexation of any area if the resolution of intent describing the area and the ordinance annexing the area both provide that the effective date of the annexation shall be at least one year from the date of passage of the annexation ordinance.

(k) If a valid request for extension of a water or sewer line has been made under G.S. 160A-47(3)b, and the extension is not complete at the end of two years after the effective date of the annexation ordinance, the owner of the property may petition the Local Government Commission for abatement of taxes to be paid to the city which have not been levied as of the expiration date of the two-year period, if such petition is filed not more than 60 days after the expiration of the two-year period. If the Local Government Commission finds that the extension to the property was not complete by the end of the two-year period, it shall enter an order directing the city not to levy any further ad valorem taxes on the property until the fiscal year commencing after completion of the extension. In addition, if the Local Government Commission found that the extension to the property was not completed by the end of the two-year period, and if it finds that for any fiscal year during the period beginning with the first day of the fiscal year in which the annexation ordinance became effective and ending the last day of the fiscal year in which the two-year period expired, the city made an appropriation for construction, operation or maintenance of a water or sewer system (other than payments the city made as a customer of the system) from the fund or funds for which ad valorem taxes are levied, then the Local Government Commission shall order the city to release or refund an amount of the petitioner’s property taxes for that year in question in proportion to the percentage of appropriations in the fund made for water and sewer services. By way of illustration, if a net amount of one hundred thousand dollars ($100,000) was appropriated for water or sewer construction, operation or maintenance from a fund which had total expenditures of ten million dollars ($10,000,000) and the petitioner’s tax levy was one thousand
dollars ($1,000), the amount of release or refund shall be ten dollars ($10.00).

(l) If a city fails to deliver police protection, fire protection, solid waste or street maintenance services as provided for in G.S. 160A-47(3)a. within 60 days after the effective date of the annexation, the owner of the property may petition the Local Government Commission for abatement of taxes to be paid to the city for taxes that have been levied as of the end of the 60-day period. If the petition is filed not more than 90 days after the expiration of the 60-day period. If the Local Government Commission finds that services were not extended by the end of the 60-day period, it shall enter an order directing the city not to levy any further ad valorem taxes on the property until the fiscal year commencing after extension of the municipal services."

Section 16. G.S. 160A-49.2 reads as rewritten:

"§ 160A-49.2. Assumption of debt.

(a) If the city has annexed any area which is served by a rural fire department and which is in an insurance district defined under G.S. 153A-233, a rural fire protection district under Article 3A of Chapter 69 of the General Statutes or a fire service district under Article 16 of Chapter 153A of the General Statutes, then upon the effective date of annexation if the city has not contracted with the rural fire department for fire protection, or when the rural fire department ceases to provide fire protection under contract, then the city shall pay annually a proportionate share of any payments due on any debt (including principal and interest) relating to facilities or equipment of the rural fire department, if the debt was existing at the time of adoption of the resolution of intent, with the payments in the same proportion that the assessed valuation of the area of the district annexed bears to the assessed valuation of the entire district on the date the annexation ordinance becomes effective. Effective or another date for valuation mutually agreed upon by the city and the fire department.

(b) The city and rural fire department shall jointly present a payment schedule to the Local Government Commission for approval and no payment may be made until such schedule is approved."

Section 17. G.S. 160A-49.3(h) reads as rewritten:

"(h) A firm which has given notice under subsection (a) of this section that it desires to contract, and any firm that the city believes is eligible to give such notice, shall make available to the city not later than five 10 business days following a written request of the city, sent by certified mail return receipt requested, all information in its possession or control, including but not limited to operational, financial and budgetary information, necessary for the city to determine if the firm qualifies for the benefits of this section and to determine the nature and scope of the potential contract and/or economic loss. The firm forfeits its rights under this section if it fails to make a good faith response within 10 business days following receipt of the written request for information from the city, provided that the city's written request so states by specific reference to this section."

Section 18. G.S. 160A-50 reads as rewritten:

(a) Within 30 days 60 days following the passage of an annexation ordinance under authority of this Part, any person owning property in the
annexed territory who shall believe that he will suffer material injury by
reason of the failure of the municipal governing board to comply with the
procedure set forth in this Part or to meet the requirements set forth in G.S.
160A-48 as they apply to his property may file a petition in the superior
court of the county in which the municipality is located seeking review of
the action of the governing board.

(b) Such petition shall explicitly state what exceptions are taken to the
action of the governing board and what relief the petitioner seeks. Within
five days 10 days after the petition is filed with the court, the person seeking
review shall serve copies of the petition by registered mail, return receipt
requested, upon the municipality.

(c) Within 15 days after receipt of the copy of the petition for review, or
within such additional time as the court may allow, the municipality shall
transmit to the reviewing court

(1) A transcript of the portions of the municipal journal or minute
book in which the procedure for annexation has been set forth and
(2) A copy of the report setting forth the plans for extending services
to the annexed area as required in G.S. 160A-47.

(d) If two or more petitions for review are submitted to the court, the
court may consolidate all such petitions for review at a single hearing, and
the municipality shall be required to submit only one set of minutes and one
report as required in subsection (c).

(e) At any time before or during the review proceeding, any petitioner or
petitioners may apply to the reviewing court for an order staying the
operation of the annexation ordinance pending the outcome of the review.
The court may grant or deny the stay in its discretion upon such terms as it
deems proper, and it may permit annexation of any part of the area
described in the ordinance concerning which no question for review has
been raised.

(f) The court shall fix the date for review of annexation proceedings
under this Part, which review date shall preferably be within 30 days
following the last day for receiving petitions to the end that review shall be
expeditious and without unnecessary delays. The review shall be conducted
by the court without a jury. The court may hear oral arguments and receive
written briefs, and may take evidence intended to show either

(1) That the statutory procedure was not followed, or
(2) That the provisions of G.S. 160A-47 were not met, or
(3) That the provisions of G.S. 160A-48 have not been met.

(g) The court may affirm the action of the governing board without
change, or it may

(1) Remand the ordinance to the municipal governing board for
further proceedings if procedural irregularities are found to have
materially prejudiced the substantive rights of any of the
petitioners.
(2) Remand the ordinance to the municipal governing board for
amendment of the boundaries to conform to the provisions of G.S.
160A-48 if it finds that the provisions of G.S. 160A-48 have not
been met; provided, that the court cannot remand the ordinance to
the municipal governing board with directions to add area to the
municipality which was not included in the notice of public hearing and not provided for in plans for service.

(3) Remand the report to the municipal governing board for amendment of the plans for providing services to the end that the provisions of G.S. 160A-47 are satisfied.

(4) Declare the ordinance null and void, if the court finds that the ordinance cannot be corrected by remand as provided in subdivisions (1), (2), or (3) of this subsection.

If any municipality shall fail to take action in accordance with the court's instructions upon remand within three months from receipt of such instructions, the annexation proceeding shall be deemed null and void.

(h) Any party to the review proceedings, including the municipality, may appeal to the Court of Appeals from the final judgment of the superior court under rules of procedure applicable in other civil cases. The superior court may, with the agreement of the municipality, permit annexation to be effective with respect to any part of the area concerning which no appeal is being made and which can be incorporated into the city without regard to any part of the area concerning which an appeal is being made.

(i) If part or all of the area annexed under the terms of an annexation ordinance is the subject of an appeal to the superior court, Court of Appeals or Supreme Court on the effective date of the ordinance, then the ordinance shall be deemed amended to make the effective date with respect to such area the last day of the next full calendar month following the date of the final judgment of the superior court or appellate division, whichever is appropriate, or the date the municipal governing board completes action to make the ordinance conform to the court's instructions in the event of remand. For the purposes of this subsection, a denial of a petition for rehearing or for discretionary review shall be treated as a final judgement.

(j) If a petition for review is filed under subsection (a) of this section or an appeal is filed under G.S. 160A-49.1(g) or G.S. 160A-49.3(g), and a stay is granted, then the time periods of two years, 24 months or 27 months provided in G.S. 160A-47(3)c, 160A-49(h), or 160A-49(j) are each extended by the lesser of the length of the stay or one year for that annexation.

(k) The provisions of subsection (i) of this section shall apply to any judicial review authorized in whole or in part by G.S. 160A-49.1(i) or G.S. 160A-49.3(g).

(l) In any proceeding related to an annexation ordinance appeal under this section, a city shall not state a claim for lost property tax revenue caused by the appeal. Nothing in this Article shall be construed to mean that as a result of an appeal a municipality may assert a claim for property tax revenue lost during the pendency of the appeal.

(m) Any settlement reached by all parties in an appeal under this section may be presented to the superior court in the county in which the municipality is located. If the superior court, in its discretion, approves the settlement, it shall be binding on all parties without the need for approval by the General Assembly."

Section 19. G.S. 160A-54 reads as rewritten:

"§ 160A-54. Population and land estimates."
In determining population and degree of land subdivision for purposes of meeting the requirements of G.S. 160A-48, the municipality shall use methods calculated to provide reasonably accurate results. In determining whether the standards set forth in G.S. 160A-48 have been met on appeal to the superior court under G.S. 160A-50, the reviewing court shall accept the estimates of the municipality unless the actual population, total area, or degree of land subdivision falls below the standards in G.S. 160A-48:

(1) As to population, if the estimate is based on the number of dwelling units in the area multiplied by the average family size in such area, or in the township or townships of which such area is a part, as determined by the last preceding federal decennial census; or if it is based on a new enumeration carried out under reasonable rules and regulations by the annexing municipality; provided, that the court shall not accept such estimates if the petitioners demonstrate that such estimates are in error in the amount of ten percent (10%) or more.

(2) As to total area if the estimate is based on an actual survey, or on county tax maps or records, or on aerial photographs, or on some other reasonably reliable map used for official purposes by a governmental agency, unless the petitioners on appeal demonstrate that such estimates are in error in the amount of five percent (5%) or more.

(3) As to degree of land subdivision, if the estimates are based on an actual survey, or on county tax maps or records, or on aerial photographs, or on some other reasonably reliable source, unless the petitioners on appeal show that such estimates are in error in the amount of five percent (5%) or more."

Section 20. This act becomes effective November 1, 1998, and applies to annexations for which the resolution of intent is adopted on or after that date. Sections 2 and 3 shall not apply to any incorporation proposal originally presented to the Joint Legislative Commission on Municipal Incorporations prior to the effective date.

"Section 5.2. Administration of budget. The Town may adopt a budget ordinance for fiscal year 1998-1999 without following the timetable in the Local Government Budget and Fiscal Control Act, but shall follow the sequence of actions in the spirit of the act insofar as is practical.

Section 9.5A. Section 3.4 of Ratified Senate Bill 1514, 1997 Regular Session, is amended by deleting "Revival of the Charter", and substituting "Incorporation".
Section 9.6. The General Assembly finds that the short period of time between the enactment of this act and the date of the 1998 general election when the two referenda under this act are to be held require modification of the general law election procedures to accommodate this.

Therefore, for the elections called under Sections 7 and 9.3 of this act:

(1) In applying G.S. 163-33(8), "10 days" is substituted for "20 days", and "10-day" is substituted for "20-day".

(2) In applying G.S. 163-288.2 on account of G.S. 163-288.1A, "one-week period" is substituted for "two-week period" all places, "At least two days", is substituted for "At least one week" all places, and "one Saturday" is substituted for "two Saturdays".

(3) Notwithstanding G.S. 163-302(a), absentee voting shall not be allowed.

Section 10. This act is effective when it becomes law.

In the General Assembly read three times and ratified this the 23rd day of September, 1998.

(b) Notwithstanding subsection (a) of this section, the owners of any of such parcels may make written request to the Clerk of the Town of Spruce Pine that their parcel remain in the corporate limits. Said request must be made no later than 15 February 1999. Upon receipt of such request or requests the Town of Spruce Pine may by ordinance provide for all or part of those parcels (and any streets, roads and rights-of-way used by those parcels for access) to be and remain within the corporate limits of the Town of Spruce Pine. Upon the adoption of said ordinance those parcels included within the Ordinance together with the streets, roads and rights-of-way included therein shall be included within the corporate limits of the Town of Spruce Pine. Any such Ordinance shall be adopted on or before June 30, 1999.
(c) Except as provided by Section 2 of this act, this section becomes effective February 11, 1921, except that the areas covered by ordinance adopted under subsection (b) of this section shall be considered to have been in the corporate limits only from and after June 30, 1999.

Section 2. (a) Notwithstanding Section 1 of this act, the Town Council of the Town of Spruce Pine may submit to an election of the registered voters living within the corporate limits of the Town of Spruce Pine, including those registered voters within the entire area described in Chapter 27, Private Laws of 1921, the question of whether or not the corporate limits of that town shall remain as set out in Chapter 27, Private Laws of 1921.

The election shall be held in accordance with general law, except if the election is conducted at the same time as the 1998 general election, for the election called under this section:

1. In applying G.S. 163-33(8), "10 days" is substituted for "20 days", and "10-day" is substituted for "20-day".

2. If absentee ballots are otherwise allowed by law, the Town Council may provide that absentee ballots shall not be used.

(b) The question on the ballot shall be:

"[ ] YES [ ] NO
Shall the corporate limits of the Town of Spruce Pine as established by Chapter 27, 1921 Private Laws of North Carolina, be changed by deleting from the corporate limits all those parcels of real property which had not been billed for ad valorem taxes in 1997 which were billed in 1998, as a result of a new survey discovering that these parcels were in the area annexed by Chapter 27, Private Laws of 1921?"

(c) Should the Town Council of the Town of Spruce Pine fail to call for such special election by the February 15, 1999, deadline provided by subsection (a) of this section, or should the election be held and the majority of votes be cast "YES" on the question, then Section 1 of this act becomes effective in accordance with its terms.

(d) Should the election be held and the majority of votes are not cast "YES", then Section 1 of this act is repealed and is of no effect, and the corporate limits of the Town of Spruce Pine shall remain as described in Chapter 27, Private Laws of 1921, except as changed by other acts of the General Assembly or in accordance with law.

The number of teachers supervised includes teachers and assistant principals paid from State funds only; it does not include teachers or assistant principals paid from non-State funds or the principal or teacher assistants.

The beginning classification for principals in alternative schools shall be the Principal III level. Principals in alternative schools who supervise 33 or more teachers shall be classified according to the number of teachers supervised.

(d) A principal shall be placed on the step on the salary schedule that reflects total number of years of experience as a certificated employee of the public schools and an additional step for every three years of experience as a principal.

(e) For the 1998-99 fiscal year, a principal or assistant principal shall be placed on the appropriate step plus one percent (1%) if:

(1) The employee's school met or exceeded the projected levels of improvement in student performance for the 1997-98 fiscal year, in accordance with the ABCs of Public Education Program; or

(2) The local board of education found in 1997-98 that the employee's school met objectively measurable goals set by the local board of education for maintaining a safe and orderly school.

The principal or assistant principal shall be placed on the appropriate step plus two percent (2%) if the conditions set out in both subdivisions (1) and (2) are satisfied.

(f) For the 1998-99 fiscal year, a principal or assistant principal shall receive a lump-sum payment of:

(1) One percent (1%) of his or her State-paid salary if the employee's school meets or exceeds the projected levels of improvement in student performance for the 1998-99 fiscal year, in accordance with the ABCs of Public Education Program; or

(2) One percent (1%) of his or her State-paid salary if the local board of education finds that the employee's school has met the goals of the local plan for maintaining a safe and orderly school.

The principal or assistant principal shall receive a lump-sum payment of two percent (2%) if the conditions set out in both subdivisions (1) and (2) are satisfied.

The lump sum shall be paid as determined by guidelines adopted by the State Board. Placement on the salary schedule in the following year shall be based upon these increases.

(i) Longevity pay for principals and assistant principals shall be as provided for State employees.

(j)(1) If a principal is reassigned to a higher job classification because the principal is transferred to a school within a local school administrative unit with a larger number of State-allotted teachers, the principal shall be placed on the salary schedule as if the principal had served the principal's entire career as a principal at the higher job classification.

(2) If a principal is reassigned to a lower job classification because the principal is transferred to a school within a local school administrative unit with a smaller number of State-allotted teachers, the principal shall be placed on the salary schedule as if the principal had served the principal's entire career as a principal at the lower job classification.

This subdivision applies to all transfers on or after the effective date of this section, except transfers in school systems that have been created, or will be created, by merging two or more school systems. Transfers in these merged systems are exempt from the provisions of this subdivision for one calendar year following the date of the merger.

(k) Participants in an approved full-time masters in school administration program shall receive up to a 10-month stipend at the beginning salary of an assistant principal during the internship period of the masters program. (b) The service charge may be adjusted by the Board beginning July 1, 2000 and every two years thereafter. If necessary to ensure full recovery of costs for both CMRS providers and PSAPs over a reasonable period of time, the Board may, at the time it adjusts the service charge, also adjust the allocation percentages set forth in G.S. 62B-5(a) and G.S. 62B-5(b).

(c) The service charge shall not exceed eighty cents (80¢) per month.

(d) The Board may adopt other rules and procedures as may be necessary to effect the provisions of this act but may not regulate any other aspect of the provision of wireless Enhanced 911 service, such as technical standards.

(b) A CMRS provider has no obligation to take any legal action to enforce the collection of the service charges for which any subscriber is billed. However, a collection action may be initiated by the Board and reasonable costs and attorneys’ fees associated with that collection action may be awarded.

(c) Each CMRS provider shall be entitled to deduct a one percent (1%) administrative fee from the total service charges collected.

(d) All service charges collected by the CMRS providers, less the administrative fee described in subsection (c) of this section, are to be remitted to the Wireless Fund, not later than 30 days after the end of the calendar month in which such service charges are collected.

(a) Sixty percent (60%) of the funds in the Wireless Fund established in G.S. 62B-2(c) shall be used to reimburse CMRS providers, in response to sworn invoices submitted to the Board, for the actual costs incurred by the CMRS providers in complying with the wireless 911 requirements established by the FCC Order and any rules and regulations which are or may be adopted by the FCC pursuant to the FCC Order, including costs and expenses incurred for designing, upgrading, purchasing, leasing, programming, installing, testing, or maintaining all necessary data, hardware, and software required in order to provide such service as well as
the recurring and nonrecurring costs of operating such service. All costs and expenses must be commercially reasonable.

(b) Forty percent (40%) of the funds in the Wireless Fund established in G.S. 62B-2(c) shall be used to make monthly distributions to eligible PSAPs (the '40% Fund'). Money from the 40% Fund shall be used only to pay for the lease, purchase, or maintenance of emergency telephone equipment for the wireless Enhanced 911 system, including necessary computer hardware, software and database provisioning, and nonrecurring costs of establishing a wireless Enhanced 911 system. The 40% Fund shall be distributed as follows:

(1) Fifty percent (50%) of it shall be divided equally among the total number of PSAPs in North Carolina. However, monthly distribution shall be made only to those PSAPs that have complied with the provisions of this Chapter. Distribution to each eligible PSAP will begin the month following its compliance with the provisions of this Chapter. All monies remaining in this portion of the 40% Fund on January 31 of each year will then be evenly distributed to each of the eligible PSAPs.

(2) The other fifty percent (50%) shall be divided pro rata among the eligible PSAPs based on the population served by the PSAP. However, monthly distribution shall be made only to those PSAPs that have complied with the provisions of this Chapter. Distribution to each eligible PSAP will begin the month following its compliance with the provisions of this Chapter. The population data to be used shall be the latest certified county and official municipal estimates of population published by the Office of State Planning. All monies remaining in this portion of the 40% Fund on January 31 of each year will then be distributed to each of the eligible PSAPs based on the population served by the PSAP.

(c) Sworn invoices shall be presented by CMRS providers in connection with any request for reimbursement under this section. In no event shall any invoice for reimbursement be approved for the payment of costs that are not related to compliance with the wireless Enhanced 911 service requirements established by the FCC Order and any rules and regulations which are or may be adopted by the FCC pursuant to the FCC Order.

(d) In no event shall any invoice for reimbursement be approved for payment of costs of any CMRS provider exceeding one hundred twenty-five percent (125%) of the service charges remitted by such CMRS provider unless prior approval for such expenditures is received from the Board. If the total amount of invoices submitted to the Board and approved for payment exceeds the amount in the Wireless Fund in any month, CMRS providers that have invoices approved for payment shall receive a pro rata share of the Wireless Fund, based on the relative amount of their approved invoices available that month, and the balance of the payments will be carried over to the following month or months and shall include interest at the rate set out in G.S. 24-1 until all of the approved payments are made.
(e) In January of each year every participating PSAP will submit to the Board a copy of its governing agency's approved budget detailing the PSAP's revenues and expenditures associated with the operation of its wireless Enhanced 911 system. PSAPs must comply with all requests by the Board for financial information related to the operation of the wireless Enhanced 911 system.

(f) On February 15, 2000, and every two years thereafter the Board shall report to the Joint Legislative Commission on Governmental Operations and the Revenue Laws Study Committee. The report shall contain complete information regarding receipts and expenditures of all funds received by the Board during the period covered by the report as well as the status of wireless Enhanced 911 systems in North Carolina at the time of the report. The first report shall cover the period from the formation of the Board to December 31, 1999. Each succeeding report shall cover the two-year period of time from the ending date of the previous report.

"§ 62B-6. Administrative fee.

The Board shall be entitled to deduct a one percent (1%) administrative fee from the total service charges remitted by the CMRS providers for its expenses.

"§ 62B-7. Provision of services.

In accordance with the FCC Order, no CMRS provider shall be required to provide wireless Enhanced 911 service until such time as (i) the provider receives a request for such service from the administrator of a PSAP that is capable of receiving and utilizing the data elements associated with the service; (ii) funds are available pursuant to G.S. 62B-4; and (iii) the local exchange carrier is able to support the wireless Enhanced 911 system.

The State Auditor may perform audits pursuant to Article 5A of Chapter 147 of the General Statutes to ensure that funds in the Wireless Fund are being managed in accordance with the provisions of this Chapter and shall perform an audit at least every two years. The State Auditor shall provide the audit to the Board when it meets to consider adjusting the service charge pursuant to G.S. 62B-3. The cost of audits shall be reimbursed to the State Auditor by the Board.

Each CMRS provider shall provide its 10,000 number groups to the PSAPs upon request. This information shall remain the property of the disclosing CMRS provider and shall be used only in providing emergency response services to 911 calls. CMRS connection information obtained by PSAP personnel for public safety purposes is not public information under Chapter 132 of the General Statutes. No person shall disclose or use, for any purpose other than for the wireless 911 calling system, information contained in the database of the telephone network portion of a wireless 911 calling system established pursuant to this Chapter.

All proprietary information submitted to the Board or the State Auditor shall be retained in confidence. Proprietary information submitted pursuant to this Chapter shall not be subject to disclosure under Chapter 132 of the General Statutes, or otherwise released to any person other than to the
submitting CMRS provider, the Board, and the independent, third-party auditor retained pursuant to G.S. 62B-6, without the express permission of the submitting CMRS provider. Further, proprietary information shall constitute trade secrets as defined by the North Carolina Trade Secrets Protection Act, Article 24 of Chapter 66 of the General Statutes. General information collected by the Board or the State Auditor shall be released or published only in aggregate amounts that do not identify or allow identification of numbers of subscribers or revenues attributable to an individual CMRS provider.

A CMRS provider, local exchange company, service supplier, or their employees, directors, officers, or agents, except in cases of wanton or willful misconduct, shall not be liable for any damages in a civil action resulting from death or injury to any person or from damage to property incurred by any person in connection with developing, adopting, implementing, maintaining, or operating any wireless 911 system or wireless Enhanced 911 system. This section shall not apply to actions arising out of the operation or ownership of a motor vehicle.

If the value of the CMRS charge or service obtained in a manner prohibited by this section exceeds one hundred dollars ($100.00), the person is guilty of a Class 1 misdemeanor."

Section 2. G.S. 62A-10 reads as rewritten:

(b) Subject to the requirements and limitations of this section, an owner, operator, or landowner may elect to have the Commercial Fund or the Noncommercial Fund, as appropriate, pay or reimburse the cost of obtaining the additional information needed by the Commission and the Department to assess the risk to human health and the environment posed by a discharge or release from a petroleum underground storage tank under rules adopted by the Commission pursuant to G.S. 143-215.94V without paying the costs for which the owner, operator, or landowner would otherwise be responsible under subsections (b) or (b1) of G.S. 143-215.94B or G.S. 143-215.94E(c1).

(c) The Department shall pay on behalf of, or reimburse a cost paid by, an owner, operator, or landowner only if:

(1) The owner, operator, or landowner meets all the requirements of Part 2A of Article 21A of the General Statutes that establish eligibility for payment or reimbursement of costs other than the requirement that the owner, operator, or landowner pay the costs for which the owner, operator, or landowner is otherwise responsible under subsections (b) or (b1) of G.S. 143-215.94B or G.S. 143-215.94E(c1).
(2) The discharge or release was reported as required by G.S. 143-215.85 prior to 2 January 1998.

(5) The Department approves the additional work and the cost of the additional work before the owner, operator, or landowner proceeds with the additional work.
(d) The Department shall pay or reimburse claims under this section in the order in which the claims are received. The total of all costs paid or reimbursed under this section in any calendar month shall not exceed twenty percent (20%) of the total of all monies paid to the Commercial Fund from all sources during the previous calendar month.
(e) Costs paid or reimbursed from the Commercial Fund or the Noncommercial Fund under this section shall not be credited toward costs for which the owner, operator, or landowner is responsible under subsections (b) or (b1) of G.S. 143-215.94B or G.S. 143-215.94E(c1).

Section 2. Department may pay the cost of connecting third parties to public water system from the Commercial Fund under certain circumstances. -- G.S. 143-215.94B is amended by adding a new subsection to read:

"(b3) For purposes of subsections (b) and (b1) of this section, the cleanup of environmental damage includes connection of a third party to a public water system if the Department determines that connection of the third party to a public water system is a cost-effective measure, when compared to other available measures, to reduce risk to human health or the environment. A payment or reimbursement under this subsection is subject to the requirements and limitations of this section. This subsection shall not be construed to limit any right or remedy available to a third party under any other provision of law. This subsection shall not be construed to require a third party to connect to a public water system. Except as provided by this subsection, connection to a public water system does not constitute cleanup under Part 2 of this Article, G.S. 143-215.94E, G.S. 143-215.94V, any other applicable statute, or at common law."

A payment or reimbursement under this subsection is subject to the requirements and limitations of this section. This subsection shall not be
construed to limit any right or remedy available to a third party under any other provision of law. This subsection shall not be construed to require a third party to connect to a public water system. Except as provided by this subsection, connection to a public water system does not constitute cleanup under Part 2 of this Article, G.S. 143-215.94E, G.S. 143-215.94V, any other applicable statute, or at common law."

Section 4. Landowners eligible for reimbursement of cleanup cost from Noncommercial Fund under certain circumstances. -- Section 9 of Chapter 648 of the 1995 Session Laws (1996 Regular Session) reads as rewritten:

The Commission shall specify by rule those tasks for which preapproval is required. The Department shall deny any request for payment or reimbursement of the cost of any task for which preapproval is required if the owner, operator, or landowner failed to obtain preapproval of the task. The Department shall pay or reimburse the cost of a task for which preapproval is not required only if the cost is eligible to be paid under G.S. 143-215.94B(b), 143-215.94B(b1), or 143-215.94D(b1) and if the Department determines that the cost is reasonable and necessary. The Commission shall adopt rules governing reimbursement of necessary and reasonable costs. In all cases, the Department shall require an owner, operator, or landowner to submit documentation sufficient to establish that a cost is eligible to be paid or reimbursed under this Part before the Department pays or reimburses the cost."

(c) G.S. 143-215.94V reads as rewritten:

§ 143-215.94V. Standards for petroleum underground storage tank cleanup.

(a) Legislative findings and intent.

(1) The General Assembly finds that:

a. The goals of the underground storage tank program are to protect human health and the environment. Maintaining the solvency of the Commercial Fund and the Noncommercial Fund is essential to these goals.

b. The sites at which discharges or releases from underground storage tanks occur vary greatly in terms of complexity, soil types, hydrogeology, other physical and chemical characteristics, current and potential future uses of groundwater, and the degree of risk that each site may pose to human health and the environment.

c. Risk-based corrective action is a process that recognizes this diversity and utilizes an approach where assessment and remediation activities are specifically tailored to the conditions and risks of a specific site.

d. Risk-based corrective action gives the State flexibility in requiring different levels of cleanup based on scientific analysis of different site characteristics, and allowing no action or no further action at sites that pose little risk to human health or the environment.

e. A risk-based approach to the cleanup of environmental damage can adequately protect human health and the environment while preventing excessive or unproductive cleanup efforts, thereby assuring that limited resources are directed toward those sites that pose the greatest risk to human health and the environment.

(2) The General Assembly intends:

a. To direct the Commission to adopt rules that will provide for risk-based assessment and cleanup of discharges and releases from petroleum underground storage tanks. These rules are intended to combine groundwater standards that protect current and potential future uses of groundwater with risk-based
analysis to determine the appropriate cleanup levels and actions.

b. That these rules apply to all discharges or releases that are reported on or after the date the rules become effective in order to ascertain whether cleanup is necessary, and if so, the appropriate level of cleanup.

c. That these rules may be applied to any discharge or release that has been reported at the time the rules become effective at the discretion of the Commission.

d. That these rules and decisions of the Commission and the Department in implementing these rules facilitate the completion of more cleanups in a shorter period of time.

e. That neither the Commercial Fund nor the Noncommercial Fund be used to clean up sites where the Commission has determined that a discharge or release poses a degree of risk to human health or the environment that is no greater than the acceptable level of risk established by the Commission.

f. That until rules implementing a risk-based approach to assessment and cleanup are adopted, the Commission implement the foregoing principles to the maximum extent possible under existing rules.

(b) The Commission shall adopt rules to establish a risk-based approach for the assessment, prioritization, and cleanup of discharges and releases from petroleum underground storage tanks. The rules shall address, at a minimum, the circumstances where site-specific information should be considered, criteria for determining acceptable cleanup levels, and the acceptable level or range of levels of risk to human health and the environment.

(c) The Commission may require an owner or operator or a landowner eligible for payment or reimbursement under G.S. 143-215.94E(b1) subsections (b), (b1), (c), and (cl) of G.S. 143-215.94E to provide information necessary to determine the degree of risk to human health and the environment that is posed by a discharge or release from a petroleum underground storage tank.

d. If the Commission concludes that a discharge or release poses a degree of risk to human health or the environment that is no greater than the acceptable level of risk established by the Commission, the Commission shall notify the owner, operator, or landowner who makes the determination provides the information required by subsection (c) of this section that no cleanup, further cleanup, or further action will be required unless the Commission later determines that the discharge or release poses an unacceptable level of risk or a potentially unacceptable level of risk to human health or the environment.

(e) If the Commission concludes under subsection (d) of this section that no cleanup, no further cleanup, or no further action will be required, the Department shall not pay or reimburse any costs otherwise payable or reimbursable under this Article from either the Commercial or Noncommercial Fund, other than reasonable and necessary to conduct the risk assessment required by this section, unless:
(1) Cleanup is ordered or damages are awarded in a finally adjudicated judgment in an action against the owner or landowner.

(2) Cleanup is required or damages are agreed to in a consent judgment approved by the Department prior to its entry by the court.

(3) Cleanup is required or damages are agreed to in a settlement agreement approved by the Department prior to its execution by the parties.

(4) The payment or reimbursement is for costs that were incurred prior to or as a result of notification of a determination by the Commission that no cleanup, no further cleanup, or no action is required.

(5) The payment or reimbursement is for costs that were incurred as a result of a later determination by the Commission that the discharge or release poses a threat or potential threat to human health or the environment as provided in subsection (d) of this section.

(f) This section shall not be construed to limit the authority of the Commission to require investigation, initial response, and abatement of a discharge or release pending a determination by the Commission under subsection (d) of this section as to whether cleanup, further cleanup, or further action will be required.

(g) Subsections (c) through (e) of this section apply only to assessments and cleanups in progress or begun on or after the date on which the rules adopted by the Commission pursuant to subsection (b) of this section become effective. 2 January 1998."

Section 12. Temporary rules authorized. -- Notwithstanding G.S. 150B-21.1(a)(2) and 26 NCAC 2C.0102(11), the Environmental Management Commission may adopt temporary rules to implement this act until 1 October 1999.

Section 13. Headings for convenience only. -- The headings to the sections of this act are intended as a convenience to the reader and are for reference only. The headings do not expand, limit, or define the text of this act.

Section 14. Effective dates. -- Sections 1, 2, and 3 and subsection (c) of Section 11 of this act are effective retroactively to 2 January 1998 except that subdivision (5) of subsection (c) of Section 1 of this act is effective when this act becomes law. Section 1 of this act expires 1 October 1999. Section 4 of this act is effective retroactively to 1 October 1997. Section 5 and subsection (b) of Section 11 of this act become effective 1 January 1999. Section 6 of this act becomes effective 22 December 1998. Section 7 of this act is effective retroactively to 30 June 1988. Sections 8, 9, 10, 12, 13, 14 and subsection (a) of Section 11 of this act are effective when this act becomes law.

AN ACT TO AMEND THE LAWS REGARDING THE WITHDRAWAL AND TRANSFER OF SURFACE WATERS AND THE STATE WATER SUPPLY PLAN.

The General Assembly of North Carolina enacts:
Section 1. G.S. 143-211 reads as rewritten:
"§ 143-211. Declaration of public policy."
(a) It is hereby declared to be the public policy of this State to provide for the conservation of its water and air resources. Furthermore, it is the intent of the General Assembly, within the context of this Article and Articles 21A and 21B of this Chapter, to achieve and to maintain for the citizens of the State a total environment of superior quality. Recognizing that the water and air resources of the State belong to the people, the General Assembly affirms the State’s ultimate responsibility for the preservation and development of these resources in the best interest of all its citizens and declares the prudent utilization of these resources to be essential to the general welfare.

(b) It is the public policy of the State to maintain, protect, and enhance water quality within North Carolina. Further, it is the public policy of the State that the cumulative impact of transfers from a source river basin shall not result in a violation of the antidegradation policy set out in 40 Code of Federal Regulations § 131.12 (1 July 1997 Edition) and the statewide antidegradation policy adopted pursuant thereto.

(c) It is the purpose of this Article to create an agency which shall administer a program of water and air pollution control and water resource management. It is the intent of the General Assembly, through the duties and powers defined herein, to confer such authority upon the Department of Environment and Natural Resources as shall be necessary to administer a complete program of water and air conservation, pollution abatement and control and to achieve a coordinated effort of pollution abatement and control with other jurisdictions. Standards of water and air purity shall be designed to protect human health, to prevent injury to plant and animal life, to prevent damage to public and private property, to insure the continued enjoyment of the natural attractions of the State, to encourage the expansion of employment opportunities, to provide a permanent foundation for healthy industrial development and to secure for the people of North Carolina, now and in the future, the beneficial uses of these great natural resources. It is the intent of the General Assembly that the powers and duties of the Environmental Management Commission and the Department of Environment and Natural Resources be construed so as to enable the Department and the Commission to qualify to administer federally mandated programs of environmental management and to qualify to accept and administer funds from the federal government for such programs."

Section 2. G.S. 143-215.8B(a) reads as rewritten:

(c) A unit of local government that has completed a local water supply plan that meets the requirements of G.S. 143-355(l) and that has periodically revised and updated its plan as required by the Department has satisfied the requirements of this section and is not required to separately register a water withdrawal or transfer or to update a registration under this section.

(d) Any person who is required to register a water withdrawal or transfer under this section shall update the registration by providing the Commission with a current version of the information required by subsection (a) of this section at five-year intervals following the initial registration. Section 4. G.S. 143-215.22I reads as rewritten:

"§ 143-215.22I. Regulation of surface water transfers.

(a) No person, without first securing a certificate from the Commission, may:

(1) Initiate a transfer of 2,000,000 gallons of water or more per day from one river basin to another.

(2) Increase the amount of an existing transfer of water from one river basin to another by twenty-five percent (25%) or more above the average daily amount transferred during the year ending July 1, 1993, if the total transfer including the increase is 2,000,000 gallons or more per day.

(3) Increase an existing transfer of water from one river basin to another above the amount approved by the Commission in a certificate issued under G.S. 162A-7 prior to July 1, 1993.

(b) Notwithstanding the provisions of subsection (a) of this section, a certificate shall not be required to transfer water from one river basin to another up to the full capacity of a facility to transfer water from one basin to another if the facility was existing or under construction on July 1, 1993.

(c) An applicant for a certificate shall petition the Commission for the certificate. The petition shall be in writing and shall include the following:

(1) A description of the facilities to be used to transfer the water, including the location and capacity of water intakes, pumps, pipelines, and other facilities.

(2) A description of the proposed uses of the water to be transferred.

(3) The water conservation measures to be used by the applicant to assure efficient use of the water and avoidance of waste.

(4) Any other information deemed necessary by the Commission for review of the proposed water transfer.

(d) Upon receipt of the petition, the Commission shall hold a public hearing on the proposed transfer after giving at least 30 days’ written notice of the hearing as follows:

(1) By publishing notice in the North Carolina Register.

(2) By publishing notice in a newspaper of general circulation in the area of the river basin downstream from the point of withdrawal.

(3) By giving notice by first-class mail to each of the following:

a. A person who has registered under this Part a water withdrawal or transfer from the same river basin where the water for the proposed transfer would be withdrawn.

b. A person who secured a certificate under this Part for a water transfer from the same river basin where the water for the proposed transfer would be withdrawn.

c. A person holding a National Pollutant Discharge Elimination System (NPDES) wastewater discharge permit exceeding 100,000 gallons per day for a discharge located downstream from the proposed withdrawal point of the proposed transfer.
d. The board of county commissioners of each county that is located entirely or partially within the river basin that is the source of the proposed transfer.

e. The governing body of any public water supply system that withdraws water downstream from the withdrawal point of the proposed transfer.

(e) The notice of the public hearing shall include a nontechnical description of the applicant’s request and a conspicuous statement in bold type as to the effects of the water transfer on the source and receiving river basins. The notice shall further indicate the procedure to be followed by anyone wishing to submit comments on the proposed water transfer.

(f) In determining whether a certificate may be issued for the transfer, the Commission shall specifically consider each of the following items and state in writing its findings of fact with regard to each item:

1. The necessity, reasonableness, and beneficial effects of the amount of surface water proposed to be transferred and its proposed uses.

2. The present and reasonably foreseeable future detrimental effects on the source river basin, including present and future effects on public, industrial, and agricultural water supply needs, wastewater assimilation, water quality, fish and wildlife habitat, hydroelectric power generation, navigation, and recreation. Local water supply plans that affect the source major river basin shall be used to evaluate the projected future municipal water needs in the source major river basin.

2a) The cumulative effect on the source major river basin of any water transfer or consumptive water use that, at the time the Commission considers the application for a certificate is occurring, is authorized under this section, or is projected in any local water supply plan that has been submitted to the Department in accordance with G.S. 143-355(l).

3. The detrimental effects on the receiving river basin, including effects on water quality, wastewater assimilation, fish and wildlife habitat, navigation, recreation, and flooding.

4. Reasonable alternatives to the proposed transfer, including their probable costs and environmental impacts.

5. If applicable to the proposed project, the applicant’s present and proposed use of impoundment storage capacity to store water during high-flow periods for use during low-flow periods and the applicant’s right of withdrawal under G.S. 143-215.44 through G.S. 143-215.50.

6. If the water to be withdrawn or transferred is stored in a multipurpose reservoir constructed by the United States Army Corps of Engineers, the purposes and water storage allocations established for the reservoir at the time the reservoir was authorized by the Congress of the United States.

7. Any other facts and circumstances that are reasonably necessary to carry out the purposes of this Part.
(f1) An environmental assessment as defined by G.S. 113A-9(1) shall be prepared for any petition for a certificate under this section. The determination of whether an environmental impact statement shall also be required shall be made in accordance with the provisions of Article 1 of Chapter 113A of the General Statutes. The applicant who petitions the Commission for a certificate under this section shall pay the cost of special studies necessary to comply with Article 1 of Chapter 113A of the General Statutes.

(g) A certificate shall be granted for a water transfer if the applicant establishes and the Commission concludes by a preponderance of the evidence based upon the findings of fact made under subsection (f) of this section that: (i) the benefits of the proposed transfer outweigh the detriments of the proposed transfer, and (ii) the detriments have been or will be mitigated to a reasonable degree. The conditions necessary to ensure that the detriments are and continue to be mitigated to a reasonable degree shall be attached to the certificate in accordance with subsection (h) of this section.

(h) The Commission may grant the certificate in whole or in part, or deny the certificate. The Commission may also grant a certificate with any conditions attached that the Commission believes are necessary to achieve the purposes of this Part. The conditions may include mitigation measures proposed to minimize any detrimental effects of the proposed transfer and measures to protect the availability of water in the source river basin during a drought or other emergency. The certificate shall include a drought management plan that specifies how the transfer shall be managed to protect the source river basin during drought conditions. The certificate shall indicate the maximum amount of water that may be transferred. No person shall transfer an amount of water that exceeds the amount in the certificate.

(i) In cases where an applicant requests approval to increase a transfer that existed on July 1, 1993, the Commission shall have authority to approve or disapprove only the amount of the increase. If the Commission approves the increase, however, the certificate shall be issued for the amount of the existing transfer plus the requested increase. Certificates for transfers approved by the Commission under G.S. 162A-7 shall remain in effect as approved by the Commission and shall have the same effect as a certificate issued under this Part.

(j) In the case of water supply problems caused by drought, a pollution incident, temporary failure of a water plant, or any other temporary condition in which the public health requires a transfer of water, the Secretary of the Department of Environment and Natural Resources may grant approval for a temporary transfer. Prior to approving a temporary transfer, the Secretary of the Department of Environment and Natural Resources shall consult with those parties listed in G.S. 143-215.221(d)(3) that are likely to be affected by the proposed transfer. However, the Secretary of the Department of Environment and Natural Resources shall not be required to satisfy the public notice requirements of this section or make written findings of fact and conclusions in approving a temporary transfer under this subsection. If the Secretary of the Department of Environment and Natural Resources approves a temporary transfer under this subsection,
the Secretary shall specify conditions to protect other water users. A temporary transfer shall not exceed six months in duration, but the approval may be renewed for a period of six months by the Secretary of the Department of Environment and Natural Resources based on demonstrated need as set forth in this subsection.

(k) The substantive restrictions and conditions upon surface water transfers authorized in this section may be imposed pursuant to any federal law that permits the State to certify, restrict, or condition any new or continuing transfers or related activities licensed, relicensed, or otherwise authorized by the federal government.

(l) When any transfer for which a certificate was issued under this section equals eighty percent (80%) of the maximum amount authorized in the certificate, the applicant shall submit to the Department a detailed plan that specifies how the applicant intends to address future foreseeable water needs. If the applicant is required to have a local water supply plan, then this plan shall be an amendment to the local water supply plan required by G.S. 143-355(l). When the transfer equals ninety percent (90%) of the maximum amount authorized in the certificate, the applicant shall begin implementation of the plan submitted to the Department.

(m) It is the public policy of the State to maintain, protect, and enhance water quality within North Carolina. Further, it is the public policy of the State that the cumulative impact of transfers from a source river basin shall not result in a violation of the antidegradation policy set out in 40 Code of Federal Regulations § 131.12 (1 July 1997 Edition) and the statewide antidegradation policy adopted pursuant thereto.

Section 5. G.S. 143-355(l) reads as rewritten:

"(l) Each unit of local government that provides public water services or that plans to provide public water service shall, either individually or together with other units of local government, prepare a local water supply plan and submit it to the Department. The Department shall provide technical assistance with the preparation of plans to units of local government upon request and to the extent that the Department has resources available to provide assistance. At a minimum, local units of government shall include in local water supply plans all information that is readily available to them. However this subsection shall be construed to require the preparation of local water supply plans only to the extent that technical assistance is made available to units of local government from the Department. Plans shall include present and projected population, industrial development, and water use within the service area, present and future water supplies, an estimate of the technical assistance that may be needed at the local level to address projected water needs, and any other related information as the Department may require in the preparation of a State water supply plan. Local plans shall be revised to reflect changes in relevant data and projections at least once each five years unless the Department requests more frequent revisions. The revised plan shall include the current and anticipated reliance by the local government unit on surface water transfers as defined by G.S. 143-215.22G. Local plans and revised plans shall be submitted to the Department once they have been approved by the unit(s) of local government."

An environmental assessment shall be prepared for any transfer for which a petition is filed in accordance with G.S. 143-215.22I. The determination of whether an environmental impact statement is needed with regard to the proposed transfer shall be made in accordance with the provisions of this Article."

Section 7. By 1 January 1999, each unit of local government that provides public water service or that plans to provide public water service shall, either individually or together with other units of local government, prepare a local water supply plan and submit it to the Department in compliance with G.S. 143-355(l). By 1 January 2000, the Department of Environment and Natural Resources shall develop a State water supply plan in compliance with G.S. 143-355(m). The Department shall identify in the plan any area in the State that appears to face existing or future water shortages, conflicts among water users, or depletion of water resources and shall review the plan at least every five years thereafter to determine whether any other areas are facing these problems within a 10-year period from the date of review.

Section 8. Section 3 of this act becomes effective 1 March 2000. Any person who is required to register a water withdrawal or transfer as a result of the amendments to G.S. 143-215.22H made by Section 3 of this act shall provide the information required by G.S. 143-215.22H(a) on the basis of water withdrawn or transferred during the 1999 calendar year. All other sections of this act become effective 1 October 1998 and apply to any application for a certificate submitted pursuant to G.S. 143-215.22I, as amended by Section 4 of this act, on or after that date.

In the General Assembly read three times and ratified this the 23rd day of September, 1998.

A code of ethics adopted pursuant to this subsection shall:

(1) Include a prohibition against a member taking action as a Board member when a conflict of interest, or the appearance of a conflict of interest, exists. The ethics policy adopted pursuant to this subsection shall specify that a conflict of interest exists when the use of the Board member's position, or any official action taken by the Board member, would result in financial benefit, direct or indirect, to the Board member, a member of the Board member's immediate family, or an individual with whom, or business with which, the Board member is associated. The ethics policy adopted pursuant to this subsection shall specify that an appearance of a conflict of interest exists when a reasonable person would conclude from the circumstances that the Board member's ability to protect the public interest, or perform public duties, would be compromised by personal interest, even in the absence of an actual conflict of interest. The performance of usual and customary duties associated with the public position or the advancement of public policy goals or constituent services, without compensation, shall not constitute the use of the Board member's position for
financial benefit. H.B. 1490      SESSION LAW 1998-179

AN ACT TO EXTEND THE TIME FOR THE RESOLUTION OF CLAIMS TO LAND UNDER NAVIGABLE WATERS, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 113-206 reads as rewritten:

"§ 113-206. Chart of grants, leases and fishery rights; overlapping leases and rights; contest or condemnation of claims; damages for taking of property.

(a) The Secretary must commence to prepare as expeditiously as possible charts of the waters of North Carolina containing the locations of all oyster and clam leaseholds made by the Department under the provisions of this Article and of all existing leaseholds as they are renewed under the provisions of this Article, the locations of all claims of grant of title to portions of the bed under navigable waters registered with him, and the locations of all areas in navigable waters to which a right of private fishery is claimed and registered with him. Charting or registering any claim by the Secretary in no way implies recognition by the State of the validity of the claim.

(a1) If a claim is based on an oyster or other shellfish grantor a perpetual franchise for shellfish cultivation, the Secretary may, to resolve the
claim, grant a shellfish lease to the claimant for part or all of the area claimed. If a claim of exclusive shellfishing rights was registered based upon a conveyance by the Literary Fund, the North Carolina Literary Board or the State Board of Education, and the claimant shows that the area had been cultivated by the claimant or his predecessor in title for the seven-year period prior to registration of the claim, the Secretary may, to resolve the claim, grant a shellfish lease to the claimant for all or part of the area claimed, not to exceed ten acres. A shellfish lease granted under this subsection is subject to the restrictions imposed on shellfish leases in G.S. 113-202, except the prohibition against leasing an area that contains a natural shellfish bed in G.S. 113-202(a)(2). This restriction is waived because, due to the cultivation efforts of the claimant, the area is likely to contain a natural shellfish bed.

(b) In the event of any overlapping of areas leased by the Department, the Secretary shall recommend modification of the areas leased as he deems equitable to all parties. Appeal from the recommendation of the Secretary lies for either party in the same manner as for a lease applicant as to which there is a recommendation of denial or modification of lease. If there is no appeal, or upon settlement of the issue upon appeal, the modified leases must be approved by the Marine Fisheries Commission and reissued by the Secretary in the same manner as initial or renewal leases. Leaseholders must furnish the Secretary surveys of the modified leasehold areas, meeting the requisite criteria for surveys established by the Secretary.

(c) In the event of any overlapping of areas leased by the Department and of areas in which title or conflicting private right of fishery is claimed and registered under the provisions of this Article, the Secretary must give preference to the leaseholder engaged in the production of oysters or clams in commercial quantities who received the lease with no notice of the existence of any claimed grant or right of fishery. To this end, the Secretary shall cause a modification of the claim registered with him and its accompanying survey to exclude the leasehold area. Such modification effected by the Secretary has the effect of voiding the grant of title or right of fishing to the extent indicated.

(d) In the interest of conservation of the marine and estuarine resources of North Carolina, the Department may institute an action in the superior court to contest the claim of title or claimed right of fishery in any navigable waters of North Carolina registered with the Secretary. In such proceeding, the burden of showing title or right of fishery, by the preponderance of the evidence, shall be upon the claiming title or right holder. In the event the claiming title or right holder prevails, the trier of fact shall fix the monetary worth of the claim. The Department may elect to condemn the claim upon payment of the established owners or right holders their pro rata shares of the amount so fixed. The Department may make such payments from such funds as may be available to it. An appeal lies to the appellate division by either party both as to the validity of the claim and as to the fairness of the amount fixed. The Department in such actions may be represented by the Attorney General. In determining the availability of funds to the Department to underwrite the costs of litigation or make condemnation payments, the use which the Department proposes to make of the area in question may be
considered; such payments are to be deemed necessary expenses in the course of operations attending such use or of developing or attempting to develop the area in the proposed manner.

(e) A person who claims that the application of G.S. 113-205 or this section has deprived him of his private property rights in land under navigable waters or his right of fishery in navigable waters without just compensation may file a complaint in the superior court of the county in which the property is located to contest the application of G.S. 113-205 or this section. If the plaintiff prevails, the trier of fact shall fix the monetary worth of the claim, and the Department may condemn the claim upon payment of this amount to him if the Secretary considers condemnation appropriate and necessary to conserve the marine and estuarine resources of the State. The Department may pay for a condemned claim from available funds. An action under this subsection is considered a condemnation action and is therefore subject to G.S. 7A-248.

The limitation period for an action brought under this subsection is three years. This period is tolled during the disability of the plaintiff. No action, however, may be instituted under this subsection after December 31, 2006.

(f) In evaluating claims registered pursuant to G.S. 113-205, the Secretary shall favor public ownership of submerged lands and public trust rights. The Secretary's action does not alter or affect in any way the rights of a claimant or the State.

To facilitate resolution of claims registered pursuant to G.S. 113-205, the Secretary, in cooperation with the Secretary of Administration and the Attorney General, shall establish a plan to resolve these claims by December 31, 1998. 31 December 2003. The Secretary shall notify the Secretary of Administration and the Attorney General of the resolution of each claim. In addition, on or before October 1 of each year, the Secretary shall submit a report to the Joint Legislative Commission on Governmental Operations stating the following:

(1) The number of claims registered pursuant to G.S. 113-205 that were resolved during the preceding year;
(2) The cost of resolving these claims;
(3) The number of unresolved claims; and
(4) Payments made to acquire claims by condemnation."

Section 2.  G.S. 105-151.12(e) reads as rewritten:

"(e) In the case of marshland for which a claim has been filed pursuant to G.S. 113-205, the offer of donation must be made before December 31, 1998. 31 December 2003 to qualify for the credit allowed by this section."

Section 3.  This act is effective when it becomes law.

In the General Assembly read three times and ratified this the 29th day of September, 1998.

Became law upon approval of the Governor at 3:14 p.m. on the 8th day of October, 1998.

The Commission shall issue rules to implement the service authorized by this subsection, considering the competitive nature of the offerings and, notwithstanding any other provision of law, the Commission shall determine the extent to which such services shall be regulated and, to the extent necessary to protect the public interest, regulate the terms, conditions, and rates charged for such services and the terms and conditions for interconnection to the local exchange network. The Commission shall require any person offering telephone service under this subsection by means of a Private Branch Exchange ('PBX') or key system to secure adequate local exchange trunks from the local exchange telephone company any certificated local provider or any other provider authorized by the Commission so as to assure a quality of service equal to the quality of service generally found acceptable by the Commission. The services of the certificated local exchange telephone company, a certificated local provider or any other provider authorized by the Commission, when provided to said colleges, universities, and affiliated medical centers shall be rated in the same way as those provided for shared service offered to patrons of hospitals, nursing homes, rest homes, licensed retirement centers, members of clubs or students living in quarters furnished by educational institutions as provided for in subsection (d) of this section. The institutions regulated pursuant to this subsection shall not be prohibited from electing optional services from the certificated local exchange telephone company, certificated local provider or any other provider authorized by the Commission which include measured or message rate services. There shall be no 'networking' of any services authorized under this subsection whereby two or more different institutions where such services are provided are interconnected. The certificated local exchange telephone company shall be the only provider of any certificated local provider or any other provider authorized by the Commission may provide access lines or trunks connecting such authorized services to the telephone network. The Commission shall require such institutions to secure adequate local exchange trunks from the certificated local exchange telephone company, certificated local provider or any other provider authorized by the Commission to assure a quality of service equal to the quality of service generally found acceptable by the Commission. Unless otherwise ordered by the Commission for good cause shown by the certificated local exchange telephone company, certificated local provider or any other provider authorized by the Commission, the right and obligation of the local exchange company, that provider to provide local service directly to any person located within its certificated service area shall continue to apply to premises where shared or resold telephone service is available under this subsection, provided however, the Commission shall be authorized to establish the terms and conditions under which such service should be

If at the sentencing hearing or at a subsequent forfeiture hearing, the judge determines that the requirements of subsections (a) through (c) of this section exist and the defendant was not the only vehicle owner at the time of the offense, motor vehicle is subject to forfeiture pursuant to this section and proper notice of the hearing has been given, the judge shall order the motor vehicle forfeited unless another motor vehicle owner establishes, by the greater weight of the evidence, that such motor vehicle owner is an innocent party owner as defined by subdivision (a1)(2) of this section, in which case the trial judge shall order the motor vehicle released to the innocent party vehicle owner pursuant to the provisions of subsection (e) of this section. The clerk shall send a copy of the order of release to the county board of education attorney. At any pretrial hearing conducted pursuant to this subsection, the court is not required to determine the issue of forfeiture, only the issue of whether the petitioner is an innocent owner. Accordingly, the State shall not be required to prove the underlying offense of impaired driving or the existence of a prior drivers license revocation. If the court determines that the petitioner is an innocent owner, the court shall release the motor vehicle to the petitioner subject to the same conditions as if the petitioner were an innocent owner under G.S. 20-28.2(e). An order issued under this subsection finding that the petitioner failed to establish that the petitioner is an innocent owner may be reconsidered by the court as part of the forfeiture hearing conducted pursuant to G.S. 20-28.2(d).

(e2) **Pretrial Release of Motor Vehicle to Defendant Owner.** -- A defendant motor vehicle owner may file a petition with the clerk of court seeking a pretrial determination that the defendant’s license was not revoked pursuant to an impaired driving license revocation as defined in G.S. 20-28.2(a). The clerk shall schedule a hearing before a judge of the division in which the underlying criminal charge is pending for a hearing to be held within 10 business days or as soon thereafter as may be feasible. Notice of the hearing shall be given to the defendant, the district attorney, and the attorney for the county board of education. The clerk shall forward a copy of the petition to the district attorney for the district attorney’s review. If, based on available information, the district attorney determines that the defendant’s motor vehicle is not subject to forfeiture, the district attorney may note the State’s consent to the release of the motor vehicle on the petition and return the petition to the clerk of court who shall enter an order releasing the motor vehicle to the defendant upon payment of all towing and storage charges incurred as a result of the seizure and impoundment of the motor vehicle, subject to the satisfactory proof of the identity of the defendant as a motor vehicle owner and the existence of financial responsibility to the extent required by Article 13 of this Chapter, and no hearing shall be held. The clerk shall send a copy of the order of release to the attorney for the county board of education. At any pretrial hearing
conducted pursuant to this subsection, the court is not required to determine the issue of the underlying offense of impaired driving only the existence of a prior drivers license revocation as an impaired driving license revocation. Accordingly, the State shall not be required to prove the underlying offense of impaired driving. An order issued under this subsection finding that the defendant failed to establish that the defendant’s license was not revoked pursuant to an impaired driving license revocation as defined in G.S. 20-28.2(a) may be reconsidered by the court as part of the forfeiture hearing conducted pursuant to G.S. 20-28.2(d).

(e3) Pretrial Release of Motor Vehicle to Lienholder. -- A lienholder may file a petition with the clerk of court requesting the court to order pretrial release of a seized motor vehicle. The lienholder shall serve a copy of the petition on all interested parties which shall include the registered owner, the titled owner, the district attorney, and the county board of education attorney. Upon 10 days’ prior notice of the date, time, and location of the hearing sent by the lienholder to all interested parties, a judge, after a hearing, shall order a seized motor vehicle released to the lienholder conditioned upon payment of all towing and storage costs incurred as a result of the seizure and impoundment of the motor vehicle if the judge determines, by the greater weight of the evidence, that:

1. Default on the obligation secured by the motor vehicle has occurred;
2. As a consequence of default, the lienholder is entitled to possession of the motor vehicle;
3. The lienholder agrees to sell the motor vehicle in accordance with the terms of its agreement and pursuant to the provisions of Part 5 of Article 9 of Chapter 25 of the General Statutes. Upon sale of the motor vehicle, the lienholder will pay to the clerk of court of the county in which the driver was charged all proceeds from the sale, less the amount of the lien in favor of the lienholder, and any towing and storage costs paid by the lienholder;
4. The lienholder agrees not to sell, give, or otherwise transfer possession of the seized motor vehicle while the motor vehicle is subject to forfeiture, or the forfeited motor vehicle after the forfeiture hearing, to the defendant or the motor vehicle owner; and
5. The seized motor vehicle while the motor vehicle is subject to forfeiture, or the forfeited motor vehicle after the forfeiture hearing, had not previously been released to the lienholder as a result of a prior seizure involving the same defendant or motor vehicle owner.

The clerk of superior court may order a seized vehicle released to the lienholder conditioned upon payment of all towing and storage costs incurred as a result of the seizure and impoundment of the motor vehicle at any time when all interested parties have, in writing, waived any rights that they may have to notice and a hearing, and the lienholder has agreed to the provision of subdivision (4) above. A lienholder who refuses to sell, give, or transfer possession of a seized motor vehicle while the motor vehicle is subject to forfeiture, or a forfeited motor vehicle after the forfeiture hearing, to:
(1) The defendant;
(2) The motor vehicle owner who owned the motor vehicle immediately prior to seizure pending the forfeiture hearing, or to forfeiture after the forfeiture hearing; or
(3) Any person acting on the behalf of the defendant or the motor vehicle owner, shall not be liable for damages arising out of such refusal. However, any subsequent violation of the conditions of release by the lienholder shall be punishable by civil or criminal contempt.

(f) Duty of Trial Judge. -- The trial judge at the sentencing hearing on the operator’s charge of violating G.S. 20-138.1 or G.S. 20-138.5 shall determine if the vehicle is subject to forfeiture pursuant to the provisions of G.S. 20-28.2.

(g) Possessor Lien. -- The entity that tows and stores the vehicle, other than the county school board, shall be entitled to a possessor lien as defined in G.S. 28.2(a1)(5).

(h) Insurance Proceeds. -- In the event a motor vehicle is damaged incident to the conduct of the defendant which gave rise to the defendant’s arrest and seizure of the motor vehicle pursuant to this section, the county board of education, or its authorized designee, is authorized to negotiate the county board of education’s interest with the insurance company and to compromise and accept settlement of any claim for damages. Property insurance proceeds accruing to the defendant, or other owner of the seized motor vehicle, shall be paid by the responsible insurance company directly to the clerk of superior court in the county where the motor vehicle driver was charged. If the motor vehicle is declared a total loss by the insurance company responsible for the motor vehicle, the clerk of superior court, upon application of the county board of education, shall enter an order that the motor vehicle be released to the insurance company upon payment into the court of all insurance proceeds for damage to the motor vehicle after payment of towing and storage costs and all valid liens. The clerk of superior court shall provide the Division with a certified copy of the order entered pursuant to this subsection, and the Division shall transfer title to the insurance company or to such other person or entity as may be designated by the insurance company. Insurance proceeds paid to the clerk of court pursuant to this subsection shall be subject to forfeiture pursuant to G.S. 20-28.5 and shall be disbursed pursuant to further orders of the court. An affected motor vehicle owner or lienholder who objects to any agreed upon settlement under this subsection may file an independent claim with the insurance company for any additional monies believed owed. Notwithstanding any other provisions in this Chapter, nothing in this section or G.S. 20-28.2 shall require an insurance company to make payments in excess of those required pursuant to its policy of insurance on the seized motor vehicle.

(i) Expedited Sale of Seized Motor Vehicles in Certain Cases. -- In order to avoid additional liability for towing and storage costs pending resolution of the criminal proceedings of the defendant, the county board of education may, after expiration of 90 days from the date of seizure, sell any motor vehicle having a fair market value of one thousand five hundred dollars
(1,500) or less. The county board of education may also sell a motor vehicle, regardless of the fair market value, any time the towing and storage costs exceed eighty-five percent (85%) of the fair market value of the vehicle, or with the consent of all the motor vehicle owners. Any sale conducted pursuant to this subsection shall take place upon not less than 10 days’ prior notice to the motor vehicle owners and lienholders, and the proceeds of the sale, after the payment of outstanding towing and storage costs, shall be deposited with the clerk of superior court. If an order of forfeiture is entered by the court, the court shall order the proceeds held by the clerk to be disbursed as provided in G.S. 20-28.5(b). If the court determines that the motor vehicle is not subject to forfeiture, the court shall order the proceeds held by the clerk to be disbursed first to pay the sale, towing, and storage costs, second to pay outstanding liens on the motor vehicle, and the balance to be paid to the motor vehicle owners.

(j) Retrieval of Certain Personal Property. -- At reasonable times, the entity charged with storing the motor vehicle may permit owners of personal property not affixed to the motor vehicle to retrieve those items from the motor vehicle, provided satisfactory proof of ownership of the motor vehicle or the items of personal property is presented to the storing entity.

(k) County Board of Education Right to Appear and Participate in Proceedings. -- The attorney for the county board of education shall be given notice of all proceedings regarding offenses involving impaired driving related to a motor vehicle subject to forfeiture. The attorney for the county board of education shall also have the right to appear and to be heard on all issues relating to the seizure, possession, release, forfeiture, sale, and other matters related to the seized vehicle under this section. With the prior consent of the county board of education, the district attorney may delegate to the attorney for the county board of education any or all of the duties of the district attorney under this section. Clerks of superior court, law enforcement agencies, and all other agencies with information relevant to the seizure, impoundment, release, or forfeiture of motor vehicles are authorized and directed to provide county boards of education with access to that information and to do so by electronic means when existing technology makes this type of transmission possible.

(l) Payment of Fees Upon Conviction. -- If the driver of a motor vehicle seized pursuant to this section is convicted of an offense involving impaired driving, the defendant shall be ordered to pay as restitution to the county board of education, the motor vehicle owner, or the lienholder the cost paid or owing for the towing, storage, and sale of the motor vehicle to the extent the costs were not covered by the proceeds from the forfeiture and sale of the motor vehicle. In addition, a civil judgment for the costs under this section in favor of the party to whom the restitution is owed shall be docketed by the clerk of superior court. If the defendant is sentenced to an active term of imprisonment, the civil judgment shall become effective and be docketed when the defendant’s conviction becomes final. If the defendant is placed on probation, the civil judgment in the amount found by a judge during the probation revocation or termination hearing to be due shall become effective and be docketed by the clerk when the defendant’s probation is revoked or terminated.
(m) Trial Priority. -- District court trials of impaired driving offenses involving forfeitures of motor vehicles pursuant to G.S. 20-28.2 shall be scheduled on the arresting officer’s next court date or within 30 days of the offense, whichever comes first. Once scheduled, the case shall not be continued unless all of the following conditions are met:

1. A written motion for continuance is filed with notice given to the opposing party prior to the motion being heard.
2. The judge makes a finding of a 'compelling reason' for the continuance.
3. The motion and finding are attached to the court case record.

Upon a determination of guilt, the issue of vehicle forfeiture shall be heard by the judge immediately, or as soon thereafter as feasible, and the judge shall issue the appropriate orders pursuant to G.S. 20-28.2(d). Should a defendant appeal the conviction to superior court, any party may file a motion for review to consider whether the motor vehicle may be released pursuant to G.S. 20-28.2(e) or (f) or G.S. 20-28.3(e), (e1), or (e3)."

Section 4. G.S. 20-28.4 reads as rewritten:

(a) Release to Innocent Vehicle Owner.-- A vehicle owner who was not the operator of the vehicle at the time of the offense may petition the court for return of the vehicle pursuant to the provisions of G.S. 20-28.2(e).
(b) Acknowledgment Required. -- The vehicle owner seeking release under this section or pretrial release under G.S. 20-28.3 shall sign an acknowledgment as described in G.S. 20-28.2(a1)(1).
(c) Release to Lienholder. -- A district court judge may order a forfeited vehicle released to a lienholder if the judge determines, by the greater weight of the evidence, that the lienholder satisfies the criteria as set out in G.S. 20-28.2(f).
(d) Release Upon Conclusion of Trial. -- If the driver of a motor vehicle seized pursuant to G.S. 20-28.3:

1. Is subsequently not convicted of either G.S. 20-138.1 or G.S. 20-138.5 an offense involving impaired driving due to dismissal or a finding of not guilty; or

The judge at the sentencing hearing fails to find the grossly aggravating factor described in G.S. 20-179(c)(2), a forfeiture hearing conducted pursuant to G.S. 20-28.2(d) fails to find that the driver’s license was revoked as a result of a prior impaired driving license revocation as defined in G.S. 20-28.2; and
3. The vehicle has not previously been released to a lienholder pursuant to G.S. 20-28.3(e3),

the seized motor vehicle or insurance proceeds held by the clerk of court pursuant to G.S. 20-28.2(c1) or G.S. 20-28.3(h) shall be returned released to the motor vehicle owner conditioned upon payment of towing and storage costs. Notwithstanding G.S. 44A-2(d), if the owner of the seized motor vehicle does not obtain release of the vehicle within 30 days from the date of the court’s order, the possessor of the seized motor vehicle has a mechanics’ lien on the seized motor vehicle for the full amount of the
towing and storage charges incurred since the motor vehicle was seized and may dispose of the seized motor vehicle pursuant to Article 1 of Chapter 44A of the General Statutes.

If the court finds that probable cause did not exist to seize the motor vehicle, the court shall order the vehicle released.

A determination which results in the return or release of the seized vehicle under this section authorizes the driver, vehicle owner, or lienholder to recover towing or storage fees paid in order to obtain pretrial release of the motor vehicle. Towing or storage fees recovered pursuant to this subsection shall be paid by the county school board from forfeitures paid into the county school fund."

(1) If the property upon which the lien is claimed is a motor vehicle that is required to be registered, the lienor following the expiration of the relevant time period provided by subsection (a) shall give notice to the Division of Motor Vehicles that a lien is asserted and sale is proposed and shall remit to the Division a fee of ten dollars ($10.00). The Division of Motor Vehicles shall issue notice by registered or certified mail, return receipt requested, within 15 days of receipt of notice from the lienor, to the person having legal title to the property, if reasonably ascertainable, to the person with whom the lienor dealt if different, and to each secured party and other person claiming an interest in the property who is actually known to the Division or who can be reasonably ascertained. The notice shall state that a lien has been asserted against specific property and shall identify the lienor, the date that the lien arose, the general nature of the services performed and materials used or sold for which the lien is asserted, the amount of the lien, and that the lienor intends to sell the property in satisfaction of the lien. The notice shall inform the recipient that the recipient has the right to a judicial hearing at which time a determination will be made as to the validity of the lien prior to a sale taking place. The notice shall further state that the recipient has a period of 10 days from the date of receipt in which to notify the Division by registered or certified mail, return receipt requested, that a hearing is desired and that if the recipient wishes to contest the sale of his property pursuant to such lien, the recipient should notify the Division that a hearing is desired and the Division shall notify lienor, desired. The notice shall state the required information in simplified terms and shall contain a form whereby the recipient may notify the Division that a hearing is desired by the return of such form to the Division. The Division shall notify the lienor whether such notice is timely received by the Division. In lieu of the notice by the lienor to the Division and the notices issued by the Division described above, the lienor may issue notice on a form approved by the Division pursuant to the notice requirements above. If notice is issued by the lienor, the recipient shall return the form requesting a hearing to the lienor, and not the Division, within 10 days from the date the recipient receives the notice if a judicial hearing is requested. Failure of the recipient to notify the Division or lienor, as specified in the notice, within 10 days of the receipt of such notice that a hearing is desired shall be deemed a
waiver of the right to a hearing prior to the sale of the property against which the lien is asserted, the Division shall notify the lienor, and the lienor may proceed to enforce the lien by public or private sale as provided in this section and the Division shall transfer title to the property pursuant to such sale. If the Division or lienor, as specified in the notice, is notified within the 10-day period provided above that a hearing is desired prior to sale, the lien may be enforced by sale as provided in this section and the Division will transfer title only pursuant to the order of a court of competent jurisdiction.

If the Division notifies the lienor that the registered or certified mail notice has been returned as undeliverable, or if the Division cannot ascertain the name of the person having legal title to the vehicle cannot reasonably be ascertained and the fair market value of the vehicle is less than eight hundred dollars ($800.00), the lienor may institute a special proceeding in the county where the vehicle is being held, for authorization to sell that vehicle. (4) The award may be based upon initial proposals without further discussion or negotiation or, in the discretion of the evaluators,
discussions or negotiations may be conducted either with all offerors or with those offerors determined to be within the competitive range, and one or more revised proposals or a best and final offer may be requested of all remaining offerors. The details and deficiencies of an offeror’s proposal may not be disclosed to other offerors during any period of negotiation or discussion.

Nothing in this subsection subjects a procurement by competitive proposal under this subsection to G.S. 143-49, 143-52, or 143-53.

Notwithstanding the provisions of Article 2A of Chapter 150B of the General

the Department to adopt a temporary or permanent rule to implement this
section. The Commission and the Department shall implement the
provisions of this section by evaluating each application for a permit for an

H.B. 1357    SESSION LAW 1998-189

AN ACT TO PROVIDE FOR "BEST VALUE" INFORMATION TECHNOLOGY PROCUREMENTS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 143 of the General Statutes is amended by adding a new section to read:

§ 143-135.9. ‘Best Value’ information technology procurements.

(a) For purposes of this section:

(1) ‘Information technology’ includes electronic data processing and telecommunications goods and services, microelectronics, software, information processing, office systems, any services related to the foregoing, and consulting or other services for design and/or redesign of business processes.

(2) ‘Best Value’ procurement means the selection of a contractor based on a determination of which proposal offers the best trade-off between price and performance, where quality is considered an integral performance factor. The award decision is made based on multiple factors, including: total cost of ownership, meaning the cost of acquiring, operating, maintaining, and supporting a product or service over its projected lifetime; the evaluated technical merit of the vendor’s proposal; the vendor’s past performance; and the evaluated probability of performing the requirements stated in the solicitation on time, with high quality, and in a manner that accomplishes the stated business objectives and maintains industry standards compliance.

(3) ‘Solution-Based Solicitation’ means a solicitation in which the requirements are stated in terms of how the product or service being purchased should accomplish the business objectives, rather than in terms of the technical design of the product or service.

(4) ‘Government-Vendor Partnership’ means a mutually beneficial contractual relationship between State government and a contractor, wherein the two share risk and reward, and value is added to the procurement of complex technology.

(b) The intent of ‘Best Value’ Information Technology procurement is to enable contractors to offer and the agency to select the most appropriate solution to meet the business objectives defined in the solicitation and to keep all parties focused on the desired outcome of a procurement. Business process reengineering, system design, and technology implementation may be combined into a single solicitation.

(c) The acquisition of information technology by the State of North Carolina shall be conducted using the ‘Best Value’ procurement method. For acquisitions which the procuring agency and the Division of Purchase and Contracts deem to be highly complex or determine that the optimal solution to the business problem at hand is not known, the use of Solution-
Based Solicitation and Government-Vendor Partnership is authorized and encouraged."

Section 2. The Division of Purchase and Contracts shall develop and implement no later than December 31, 1998, policies and procedures to ensure the use of "Best Value" Procurement and, as applicable, Solution-Based Procurement and Government-Vendor Partnership in the procurement of information technology by State agencies.

Section 3. The Division of Purchase and Contracts and the Department of Commerce, Information Technology Services, shall jointly develop and implement no later than December 31, 1998, policies, procedures, and/or programs to ensure that agency and Division of Purchase and Contracts personnel involved in the development of solicitations, development of specifications, evaluation of proposals, selection of vendors, administration of contracts, and management of information technology projects receive high-quality training in the principles of "Best Value" Procurement, Solution-Based Procurement, Government-Vendor Partnership, contract administration, and project management.

Section 4. The Division of Purchase and Contract and the Department of Commerce, Information Technology Services, shall report to the Technology Committee of the House of Representatives and the comparable committee in the Senate on the results of the implementation of G.S. 143-135.9 at its first meeting during the 1999 Session of the General Assembly.

Section 5. Section 1 of this act becomes effective December 1, 1998. The remaining sections of this act are effective when this act becomes law.

The General Assembly of North Carolina enacts:

Section 1. G.S. 135-4 is amended by adding a new subsection to read:

"(bb) Credit at Full Cost for Probationary Local Government Employment. -- Notwithstanding any other provision of this Chapter, a member may purchase creditable service, prior to retirement, for employment with any local employer as defined in G.S. 128-21(11) when considered to be in a probationary or employer-imposed waiting period status, between the date of employment and the date of membership service with the Local Governmental Employees' Retirement System, provided that the former employer of such a member has revoked this probationary employment or waiting period policy."
The member shall purchase this service by making a lump-sum amount payable to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the liabilities of the retirement system, and the calculation of the amount payable shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on an unreduced retirement allowance, as determined by the Board of Trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the Board of Trustees. Notwithstanding the provisions of this subsection that provide for the purchase of service credits, the term 'full liability' includes assumed annual postretirement allowance increases, as determined by the Board of Trustees, from the earliest age at which a member could retire on an unreduced service allowance."

The General Assembly of North Carolina enacts:

Section 1. The General Assembly finds that:

(1) In June 1997, a tentative settlement was reached in litigation between United States cigarette manufacturers and the attorneys general of 40 states.

(2) Dozens of bills were introduced in Congress dealing with this settlement, and several of those bills would have provided financial assistance to tobacco farmers and others who depend on tobacco for their livelihoods.

(4) Congress is unlikely to enact legislation on this subject during 1998.

(5) Tobacco litigation and federal legislation providing for settlement of the litigation have the potential to affect the interests of tobacco farmers and others who depend on tobacco for their livelihoods.

Section 2. Article 1 of Chapter 143 of the General Statutes is amended by adding a new section to read:

"§ 143-16.4. Settlement Reserve Fund."
(a) The 'Settlement Reserve Fund' is established as a restricted reserve in the General Fund. Funds shall be expended from the Settlement Reserve Fund only by specific appropriation by the General Assembly.

(b) Unless prohibited by federal law, federal funds provided to the State by block grant or otherwise as part of federal legislation implementing a settlement between United States tobacco companies and the states shall be credited to the Settlement Reserve Fund. Unless otherwise encumbered or distributed under a settlement agreement or final order or judgment of the court, funds paid to the State or a State agency pursuant to a tobacco litigation settlement agreement, or a final order or judgment of a court in litigation between tobacco companies and the states, shall be credited to the Settlement Reserve Fund."

Section 3. It is the intent of the General Assembly to enact appropriate tax relief for financial assistance payments that may later be enacted by Congress for tobacco farmers and for others who depend on tobacco for their livelihoods. Section 2. (a) The General Assembly recognizes as a matter of public policy the fundamental right of an individual to control the decisions relating to his or her medical care, and that this right may be exercised on behalf of the individual by an agent chosen by the individual.

(b) The purpose of this Article is to establish an additional, nonexclusive method for an individual to exercise his or her right to give, withhold, or withdraw consent to medical treatment, including mental health treatment, when the individual lacks sufficient understanding or capacity to make or communicate health care decisions.

(c) This Article is intended and shall be construed to be consistent with the provisions of Article 23 of Chapter 90 of the General Statutes provided that in the event of a conflict between the provisions of this Article and Article 23 of Chapter 90, the provisions of Article 23 of Chapter 90 control. If no declaration has been executed by the principal as provided in G.S. 90-321 that expressly covers the principal’s present condition and if the health care agent has been given the specific authority in a health care power of attorney to authorize the withholding or discontinuing of life-sustaining procedures when the principal is in the present condition, these procedures may be withheld or discontinued as provided in the health care power of attorney upon the direction and under the supervision of the attending physician. In this case, G.S. 90-322 does not apply.

(d) This Article is intended and shall be construed to be consistent with the provisions of Part 3 of Article 16 of Chapter 130A of the General Statutes. In the event of a conflict between the provisions of this Article and Part 3 of Article 16 of Chapter 130A, the provisions of Part 3 of Article 16 of Chapter 130A control.

"§ 32A-17. Who may make a health care power of attorney.

Any person having understanding and capacity to make and communicate health care decisions, who is 18 years of age or older, may make a health care power of attorney.

Any competent person who is not engaged in providing health care to the principal for remuneration, and who is 18 years of age or older, may act as a health care agent.

(a) A principal, pursuant to a health care power of attorney, may grant to the health care agent full power and authority to make health care decisions to the same extent that the principal could make those decisions for himself or herself if he or she had understanding and capacity to make and communicate health care decisions, including without limitation, the power to authorize withholding or discontinuing life-sustaining procedures, procedures and the power to authorize the giving or withholding of mental
health treatment. A health care power of attorney may also contain or incorporate by reference any lawful guidelines or directions relating to the health care of the principal as the principal deems appropriate.

(b) A health care power of attorney may incorporate or be combined with an advance instruction for mental health treatment prepared pursuant to Part 2 of Article 3 of Chapter 122C of the General Statutes. A health care agent's decisions about mental health treatment shall be consistent with any statements the principal has expressed in an advance instruction for mental health treatment if one so exists, and if none exists, shall be consistent with what the agent believes in good faith to be the manner in which the principal would act if the principal did not lack sufficient understanding or capacity to make or communicate health care decisions. (c) (d) A health care power of attorney may contain, and the authority of the health care agent shall be subject to, the specific limitations or restrictions as the principal deems appropriate.

(d) (e) The powers and authority granted to the health care agent pursuant to a health care power of attorney shall be limited to the matters addressed in it, and, except as necessary to exercise such powers and authority relating to health care, shall not confer any power or authority with respect to the property or financial affairs of the principal.

(e) (f) This Article shall not be construed to invalidate a power of attorney that authorizes an agent to make health care decisions for the principal, which was executed prior to October 1, 1991.

(g) A health care power of attorney does not limit any authority in Article 5 of Chapter 122C of the General Statutes either to take a person into custody or to admit, retain, or treat a person in a facility.

§ 32A-20. Effectiveness and duration; revocation.

(a) A health care power of attorney shall become effective when and if the physician or physicians or, in the case of mental health treatment, physician or eligible psychologist as defined in G.S. 122C-3(13d), designated by the principal determine in writing that the principal lacks sufficient understanding or capacity to make or communicate decisions relating to the health care of the principal, and shall continue in effect during the incapacity of the principal. The determination shall be made by the principal's attending physician or eligible psychologist if the physician or physicians or eligible psychologist designated by the principal is unavailable or is otherwise unable or unwilling to make this determination or if the principal failed to designate a physician or physicians or eligible psychologist to make this determination. A health care power of attorney may include a provision that, if the principal does not designate a physician for reasons based on his religious or moral beliefs as specified in the health care power of attorney, a person designated by the principal in the health care power of
attorney may certify in writing, acknowledged before a notary public, that the principal lacks sufficient understanding or capacity to make or communicate decisions relating to his health care. The person so designated must be a competent person 18 years of age or older, not engaged in providing health care to the principal for remuneration, and must be a person other than the health care agent.

(b) A health care power of attorney is revoked by the death of the principal. A health care power of attorney may be revoked by the principal at any time, so long as the principal is capable of making and communicating health care decisions. The principal may exercise this right of revocation by executing and acknowledging an instrument of revocation, by executing and acknowledging a subsequent health care power of attorney, or in any other manner by which the principal is able to communicate an intent to revoke. This revocation becomes effective only upon communication by the principal to each health care agent named in the revoked health care power of attorney and to the principal's attending physician, physician or eligible psychologist.

(c) The authority of a health care agent who is the spouse of the principal shall be revoked upon the entry by a court of a decree of divorce or separation between the principal and the health care agent; provided that if the health care power of attorney designates a successor health care agent, the successor shall serve as the health care agent, and the health care power of attorney shall not be revoked.

(a) A health care power of attorney may contain provisions relating to the appointment, resignation, removal and substitution of the health care agent.

(b) If all health care agents named in the instrument or substituted, die or for any reason fail or refuse to act, and all methods of substitution have been exhausted, the health care power of attorney shall cease to be effective.

(a) If, following the execution of a health care power of attorney, a court of competent jurisdiction appoints a guardian of the person of the principal, or a general guardian with powers over the person of the principal, the health care power of attorney shall cease to be effective upon the appointment and qualification of the guardian. The guardian shall act consistently with G.S. 35A-1201(a)(5).

(b) A principal may nominate, by a health care power of attorney, the guardian of the person of the principal if a guardianship proceeding is thereafter commenced. The court shall make its appointment in accordance with the principal's most recent nomination in an unrevoked health care power of attorney, except for good cause shown.

(c) The execution of a health care power of attorney shall not revoke, restrict or otherwise affect any nonhealth care powers granted by the principal to an attorney-in-fact pursuant to a general power of attorney; provided that the powers granted to the health care agent with respect to health care matters shall be superior to any similar powers granted by the principal to an attorney-in-fact under a general power of attorney.
(d) A health care power of attorney may be combined with or incorporated into a general power of attorney which is executed in accordance with the requirements of this Article.

"§ 32A-23. Article 2, Chapter 32A, not applicable.

The provisions of Article 2 of this Chapter shall not be applicable to a health care power of attorney executed pursuant to this Article.

(a) Any physician or other health care provider involved in the medical care of the principal may rely upon the authority of the health care agent contained in a signed and acknowledged health care power of attorney in the absence of actual knowledge of revocation of the health care power of attorney.

(b) All health care decisions made by a health care agent pursuant to a health care power of attorney during any period following a determination that the principal lacks understanding or capacity to make or communicate health care decisions shall have the same effect as if the principal were not incapacitated and were present and acting on his or her own behalf. Any health care provider relying in good faith on the authority of a health care agent shall be protected to the full extent of the power conferred upon the health care agent, and no person so relying on the authority of the health care agent shall be liable, by reason of his reliance, for actions taken pursuant to a decision of the health care agent.

(c) The withholding or withdrawal of life-sustaining procedures by or under the orders of a physician pursuant to the authorization of a health care agent shall not be considered suicide or the cause of death for any civil or criminal purpose nor shall it be considered unprofessional conduct or a lack of professional competence. Any person, institution or facility, including without limitation the health care agent and the attending physician, against whom criminal or civil liability is asserted because of conduct described in this section, may interpose this section as a defense.

The use of the following form in the creation of a health care power of attorney is lawful and, when used, it shall meet the requirements of and be construed in accordance with the provisions of this Article:

```
HEALTH CARE POWER OF ATTORNEY

(Notice: This document gives the person you designate your health care agent broad powers to make health care decisions, including mental health treatment decisions, for you, you. Except to the extent that you express specific limitations or restrictions on the authority of your health care agent, this power includes including the power to consent to your doctor not giving treatment or stopping treatment necessary to keep you alive, admit you to a facility, and administer certain treatments and medications. This power exists only as to those health care decisions for which you are unable to give informed consent.

This form does not impose a duty on your health care agent to exercise granted powers, but when a power is exercised, your health care agent will have to use due care to act in your best interests and in accordance with this document. For mental health treatment decisions, your health care agent will
```
act according to how the health care agent believes you would act if you were making the decision. Because the powers granted by this document are broad and sweeping, you should discuss your wishes concerning life-sustaining procedures, mental health treatment, and other health care decisions with your health care agent.

Use of this form in the creation of a health care power of attorney is lawful and is authorized pursuant to North Carolina law. However, use of this form is an optional and nonexclusive method for creating a health care power of attorney and North Carolina law does not bar the use of any other or different form of power of attorney for health care that meets the statutory requirements.

1. Designation of health care agent.

I, ................................., being of sound mind, hereby appoint
Name: ...........................................................................
Home Address: ..............................................................
Home Telephone Number ........... Work Telephone Number ............
as my health care attorney-in-fact (herein referred to as my "health care agent") to act for me and in my name (in any way I could act in person) to make health care decisions for me as authorized in this document.

If the person named as my health care agent is not reasonably available or is unable or unwilling to act as my agent, then I appoint the following persons (each to act alone and successively, in the order named), to serve in that capacity: (Optional)

A. Name: .................................................................
   Home Address: ......................................................
   Home Telephone Number ........... Work Telephone Number ............

B. Name: .................................................................
   Home Address: ......................................................
   Home Telephone Number ........... Work Telephone Number ............

Each successor health care agent designated shall be vested with the same power and duties as if originally named as my health care agent.

2. Effectiveness of appointment.

(Notice: This health care power of attorney may be revoked by you at any time in any manner by which you are able to communicate your intent to revoke to your health care agent and your attending physician.)

Absent revocation, the authority granted in this document shall become effective when and if the physician or physicians designated below determine that I lack sufficient understanding or capacity to make or communicate decisions relating to my health care and will continue in effect during my incapacity, until my death. This determination shall be made by the following physician or physicians. For decisions related to mental health treatment, this determination shall be made by the following physician, eligible psychologist. (You may include here a designation of your choice, including your attending physician, physician or eligible psychologist, or any other physician, physician or eligible psychologist. You may also name two or more physicians, physicians or eligible
psychologists, if desired, both of whom must make this determination before the authority granted to the health care agent becomes effective.):

Except as indicated in section 4 below, I hereby grant to my health care agent named above full power and authority to make health care decisions, including mental health treatment decisions, on my behalf, including, but not limited to, the following:

A. To request, review, and receive any information, verbal or written, regarding my physical or mental health, including, but not limited to, medical and hospital records, and to consent to the disclosure of this information.

B. To employ or discharge my health care providers.

C. To consent to and authorize my admission to and discharge from a hospital, nursing or convalescent home, or other institution.

D. To consent to and authorize my admission to and retention in a facility for the care or treatment of mental illness.

E. To consent to and authorize the administration of medications for mental health treatment and electroconvulsive treatment (ECT) commonly referred to as “shock treatment”.

F. To give consent for, to withdraw consent for, or to withhold consent for, X ray, anesthesia, medication, surgery, and all other diagnostic and treatment procedures ordered by or under the authorization of a licensed physician, dentist, or podiatrist. This authorization specifically includes the power to consent to measures for relief of pain.

G. To authorize the withholding or withdrawal of life-sustaining procedures when and if my physician determines that I am terminally ill, permanently in a coma, suffer severe dementia, or am in a persistent vegetative state. Life-sustaining procedures are those forms of medical care that only serve to artificially prolong the dying process and may include mechanical ventilation, dialysis, antibiotics, artificial nutrition and hydration, and other forms of medical treatment which sustain, restore or supplant vital bodily functions. Life-sustaining procedures do not include care necessary to provide comfort or alleviate pain.

I DESIRE THAT MY LIFE NOT BE PROLONGED BY LIFE-SUSTAINING PROCEDURES IF I AM TERMINALLY ILL, PERMANENTLY IN A COMA, SUFFER SEVERE DEMENTIA, OR AM IN A PERSISTENT VEGETATIVE STATE.

H. To exercise any right I may have to make a disposition of any part or all of my body for medical purposes, to donate my organs, to authorize an autopsy, and to direct the disposition of my remains.
G. I. To take any lawful actions that may be necessary to carry out these decisions, including the granting of releases of liability to medical providers.

4. Special provisions and limitations.
(Notice: The above grant of power is intended to be as broad as possible so that your health care agent will have authority to make any decisions you could make to obtain or terminate any type of health care. If you wish to limit the scope of your health care agent's powers, you may do so in this section.)

A. In exercising the authority to make health care decisions on my behalf, the authority of my health care agent is subject to the following special provisions and limitations (Here you may include any specific limitations you deem appropriate such as: your own definition of when life-sustaining treatment should be withheld or discontinued, or instructions to refuse any specific types of treatment that are inconsistent with your religious beliefs, or unacceptable to you for any other reason):

B. In exercising the authority to make mental health decisions on my behalf, the authority of my health care agent is subject to the following special provisions and limitations. (Here you may include any specific limitations you deem appropriate such as: limiting the grant of authority to make only mental health treatment decisions, your own instructions regarding the administration or withholding of psychotropic medications and electroconvulsive treatment (ECT), instructions regarding your admission to and retention in a health care facility for mental health treatment, or instructions to refuse any specific types of treatment that are unacceptable to you):

C. (Notice: This health care power of attorney may incorporate or be combined with an advance instruction for mental health treatment, executed in accordance with Part 2 of Article 3 of Chapter 122C of the General Statutes, which you may use to state your instructions regarding mental health treatment in the event you lack sufficient understanding or capacity to make or communicate mental health treatment decisions. Because your health care agent’s decisions about decisions must be consistent with any statements you have expressed in an advance instruction, you should indicate here whether you have executed an advance instruction for mental health treatment.):
5. Guardianship provision.
If it becomes necessary for a court to appoint a guardian of my person, I nominate my health care agent acting under this document to be the guardian of my person, to serve without bond or security. The guardian shall act consistently with G.S. 35A-1201(a)(5).

A. No person who relies in good faith upon the authority of or any representations by my health care agent shall be liable to me, my estate, my heirs, successors, assigns, or personal representatives, for actions or omissions by my health care agent.
B. The powers conferred on my health care agent by this document may be exercised by my health care agent alone, and my health care agent’s signature or act under the authority granted in this document may be accepted by persons as fully authorized by me and with the same force and effect as if I were personally present, competent, and acting on my own behalf. All acts performed in good faith by my health care agent pursuant to this power of attorney are done with my consent and shall have the same validity and effect as if I were present and exercised the powers myself, and shall inure to the benefit of and bind me, my estate, my heirs, successors, assigns, and personal representatives. The authority of my health care agent pursuant to this power of attorney shall be superior to and binding upon my family, relatives, friends, and others.

7. Miscellaneous provisions.
A. I revoke any prior health care power of attorney.
B. My health care agent shall be entitled to sign, execute, deliver, and acknowledge any contract or other document that may be necessary, desirable, convenient, or proper in order to exercise and carry out any of the powers described in this document and to incur reasonable costs on my behalf incident to the exercise of these powers; provided, however, that except as shall be necessary in order to exercise the powers described in this document relating to my health care, my health care agent shall not have any authority over my property or financial affairs.
C. My health care agent and my health care agent’s estate, heirs, successors, and assigns are hereby released and forever discharged by me, my estate, my heirs, successors, and assigns and personal representatives from all liability and from all claims or demands of all kinds arising out of the acts or omissions of my health care agent pursuant to this document, except for willful misconduct or gross negligence.
D. No act or omission of my health care agent, or of any other person, institution, or facility acting in good faith in reliance on the authority of my health care agent pursuant to this health care power of attorney shall be considered suicide, nor the cause of my death for any civil or criminal purposes, nor shall it be considered
unprofessional conduct or as lack of professional competence.
Any person, institution, or facility against whom criminal or civil
liability is asserted because of conduct authorized by this health
care power of attorney may interpose this document as a defense.

8. Signature of principal.
By signing here, I indicate that I am mentally alert and competent, fully
informed as to the contents of this document, and understand the full import
of this grant of powers to my health care agent.

(f) If, following the execution of an advance instruction for mental health treatment, a court of competent jurisdiction appoints a guardian of the person of the principal, or a general guardian with powers over the person of the principal, the advance instruction for mental health treatment shall remain in effect and shall be superior to the powers and duties of the guardian of the person with respect to mental health treatment covered under the advance instruction. guardian shall follow the advance instruction consistent with G.S. 35A-1201(a)(5).

   1. Compliance, in the opinion of the attending physician or other mental health treatment provider, is not consistent with generally accepted community practice standards of treatment to benefit the principal;
   2. Compliance is not consistent with the availability of treatments requested;
   3. Compliance is not consistent with applicable law;
   4. The principal is committed to a 24-hour facility pursuant to Article 5 of Chapter 122C of the General Statutes, and treatment is authorized in compliance with G.S. 122C-57 and rules adopted pursuant to it; or
   5. Compliance, in the opinion of the attending physician or other mental health treatment provider, is not consistent with appropriate treatment in case of an emergency endangering life or health.
In the event that one part of the advance instruction is unable to be followed because of one or more of the above, all other parts of the advance instruction shall nonetheless be followed.

(h) If the attending physician or other mental health treatment provider is unwilling at any time to comply with any part or parts of an advance instruction for one or more of the reasons set out in subdivisions (1) through (5) of subsection (g), the attending physician or other mental health care treatment provider shall promptly notify the principal and, if applicable, the health care agent and shall document the reason for not complying with the advance instruction and shall document the notification in the principal's medical record.

(i) An advance instruction does not limit any authority provided in Article 5 of G.S. 122C either to take a person into custody, or to admit, retain, or treat a person in a facility.

(j) An advance instruction for mental health treatment continues in effect for a period of two years, unless revoked. An advance instruction may be revoked in whole or in part at any time by the principal if the principal is capable. A revocation is effective when a capable principal communicates the revocation to the attending physician or other provider.

(k) An advance instruction may be revoked at any time by the principal so long as the principal is not incapable. The principal may exercise this right of revocation in any manner by which the principal is able to communicate an intent to revoke and by notifying the revocation to the treating physician or other mental health treatment provider. The attending physician or other mental health treatment provider shall note the revocation as part of the principal's medical record. The authority of a named attorney-in-fact and any alternative attorney-in-fact named in the advance instruction continues in effect as long as the advance instruction appointing the attorney-in-fact is in effect or until the attorney-in-fact has withdrawn.

(l) An attorney-in-fact who administers or does not administer mental health treatment according to and in good faith reliance upon the validity of an advance instruction is not subject to criminal prosecution, civil liability, or professional disciplinary action resulting from a subsequent finding of an advance instruction's invalidity.

§ 122C-75. Scope of authority of attorney-in-fact; powers and duties; limitation on liability.

(a) An advance instruction may designate a competent adult to act as attorney-in-fact to make decisions about mental health treatment. An alternative attorney-in-fact may also be designated to act as attorney-in-fact if the original designee is unable or unwilling to act at any time. An attorney-in-fact who has accepted the appointment in writing may make decisions about mental health treatment on behalf of the principal only when the principal is incapable. The decisions shall be consistent with any desires the principal has expressed in the advance instruction.

(b) None of the following may serve as attorney-in-fact:

(1) The attending physician or mental health service provider or an employee of the physician or provider, if the physician, provider, or employee is unrelated to the principal by blood, marriage, or adoption.
(2) An owner, operator, or employee of a health care facility in which the principal is a patient or resident, if the owner, operator, or employee is unrelated to the principal by blood, marriage, or adoption.

(c) The attorney-in-fact shall not have authority to make mental health treatment decisions unless the principal is incapable.

(d) The attorney-in-fact is not, as a result of acting in that capacity, personally liable for the cost of treatment provided to the principal.

(e) Except to the extent the right is limited by the advance instruction or any federal law, an attorney-in-fact has the same right as the principal to receive information regarding the proposed mental health treatment and to receive, review, and consent to disclosure of medical records relating to that treatment. This right of access does not waive any evidentiary privilege.

(f) In exercising authority under the advance instruction, the attorney-in-fact shall act consistently with the desires of the principal as expressed in the advance instruction. If the principal's desires are not expressed in the advance instruction and are not otherwise known by the attorney-in-fact, the attorney-in-fact shall act in what the attorney-in-fact in good faith believes to be the manner in which the principal would act if the principal was not incapable.

(g) The appointment of an attorney-in-fact shall not revoke, restrict, or otherwise affect any nonmental health treatment powers granted by the principal to a health care agent pursuant to a health care power of attorney or attorney-in-fact pursuant to a general power of attorney, provided that the mental health treatment powers granted to the attorney-in-fact shall be superior to any similar powers granted by the principal to a health care agent pursuant to a health care power of attorney or an attorney-in-fact pursuant to a general power of attorney.

(h) An attorney-in-fact is not subject to criminal prosecution, civil liability, or professional disciplinary action for any action taken in good faith pursuant to an advance instruction for mental health treatment.

(i) An attorney-in-fact may withdraw by giving notice to the principal. If a principal is incapable, the attorney-in-fact may withdraw by giving notice to the attending physician or provider. The attending physician or provider shall note the withdrawal as part of the principal's medical record.

(j) A person who has withdrawn under the provision of subsection (i) of this section may rescind the withdrawal by executing an acceptance after the date of the withdrawal. The acceptance shall be in the same or similar form as provided for in G.S. 122C-77 for accepting an appointment. A person who rescinds a withdrawal shall give notice to the principal if the principal is capable or to the principal's health care provider if the principal is incapable.

§ 122C-75. Reliance on advance instruction for mental health treatment.

(a) An attending physician or eligible psychologist who in good faith determines that the principal is or is not incapable for the purpose of deciding whether to proceed or not to proceed according to an advance instruction, is not subject to criminal prosecution, civil liability, or professional disciplinary action for making and acting upon that determination.
(b) In the absence of actual knowledge of the revocation of an advance instruction, no attending physician or other mental health treatment provider shall be subject to criminal prosecution or civil liability or be deemed to have engaged in unprofessional conduct as a result of the provision of treatment to a principal in accordance with this Part unless the absence of actual knowledge resulted from the negligence of the attending physician or mental health treatment provider.

(c) An attending physician or mental health treatment provider who administers or does not administer mental health treatment according to and in good faith reliance upon the validity of an advance instruction is not subject to criminal prosecution, civil liability, or professional disciplinary action resulting from a subsequent finding of an advance instruction's invalidity.

(d) No attending physician or mental health treatment provider who administers or does not administer treatment under authorization obtained pursuant to this Part shall incur liability arising out of a claim to the extent that the claim is based on lack of informed consent or authorization for this action.

(e) This section shall not be construed as affecting or limiting any liability that arises out of a negligent act or omission in connection with the medical diagnosis, care, or treatment of a principal under an advance instruction or that arises out of any deviation from reasonable medical standards.

"§ 122C-76. Penalty.

It is a Class 2 misdemeanor for a person, without authorization of the principal, willfully to alter, forge, conceal, or destroy an instrument, the reinstatement or revocation of an instrument, or any other evidence or document reflecting the principal’s desires and interests, with the intent or effect of affecting a mental health treatment decision.

"§ 122C-77. Statutory form for advance instruction for mental health treatment.

The use of the following or similar form in the creation of an advance instruction for mental health treatment is lawful, and when used, it shall be construed in accordance with the provisions of this Article.

(a) This Part shall not be construed to invalidate an advance instruction for mental health treatment that was executed prior to January 1, 1999, and was otherwise valid.

(b) The use of the following or similar form after the effective date of this Part in the creation of an advance instruction for mental health treatment is lawful, and, when used, it shall specifically meet the requirements and be construed in accordance with the provisions of this Part.

NOTICE TO PERSON MAKING AN INSTRUCTION FOR MENTAL HEALTH TREATMENT

This is an important legal document. It creates an instruction for mental health treatment. Before signing this document you should know these important facts:

This document allows you to make decisions in advance about certain types of mental health treatment. The instructions you include in this declaration will be followed if a physician or eligible psychologist determines that you are incapable of making and communicating treatment decisions. Otherwise you will be considered capable to give or withhold consent for the treatments. Your instructions may be overridden if you are being held in accordance with civil commitment law. Under the Health Care Power of
Attorney you may also appoint a person as your health care agent to make treatment decisions for you if you become incapable. You have the right to revoke this document at any time you have not been determined to be incapable. YOU MAY NOT REVOKE THIS ADVANCE INSTRUCTION WHEN YOU ARE FOUND INCAPABLE BY A PHYSICIAN OR OTHER AUTHORIZED MENTAL HEALTH TREATMENT PROVIDER. A revocation is effective when it is communicated to your attending physician or other provider. The physician or other provider shall note the revocation in your medical record. To be valid, this advance instruction must be signed by two qualified witnesses, personally known to you, who are present when you sign or acknowledge your signature. It must also be acknowledged before a notary public.

NOTICE TO PHYSICIAN OR OTHER MENTAL HEALTH TREATMENT PROVIDER

Under North Carolina law, a person may use this advance instruction to provide consent for future mental health treatment if the person later becomes incapable of making those decisions. Under the Health Care Power of Attorney the person may also appoint a health care agent to make mental health treatment decisions for the person when incapable. A person is ‘incapable’ when in the opinion of a physician or eligible psychologist the person currently lacks sufficient understanding or capacity to make and communicate mental health treatment decisions. This document becomes effective upon its proper execution and remains valid unless revoked. Upon being presented with this advance instruction, the physician or other provider must make it a part of the person’s medical record. The attending physician or other mental health treatment provider must act in accordance with the statements expressed in the advance instruction when the person is determined to be incapable, unless compliance is not consistent with G.S. 122C-74(g). The physician or other mental health treatment provider shall promptly notify the principal and, if applicable, the health care agent, and document noncompliance with any part of an advance instruction in the principal’s medical record. The physician or other mental health treatment provider may rely upon the authority of a signed, witnessed, dated, and notarized advance instruction, as provided in G.S. 122C-75.

Section 3. G.S. 122C-3(20) reads as rewritten:

"(20) ‘Legally responsible person’ means: (i) when applied to an adult, who has been adjudicated incompetent, a guardian; or guardian; (ii) when applied to a minor, a parent, guardian, a person standing in loco parentis, or a legal custodian other than a parent who has been granted specific authority by law or in a custody order to consent for medical care, including psychiatric treatment; treatment; or (iii) when applied to an adult who is incapable as defined in G.S. 122C-72(c) and who has not been adjudicated incompetent, a health care agent named pursuant to a valid health care power of attorney as prescribed in Article 3 of Chapter 32 of the General Statutes."
Section 4. G.S. 122C-55 is amended by adding a new subsection to read:

"(e2) A responsible professional may disclose an advance instruction for mental health treatment or confidential information from an advance instruction to a physician, psychologist, or other qualified professional when the responsible professional determines that disclosure is necessary to give effect to or provide treatment in accordance with the advance instruction."

Section 5. G.S. 122C-57(d), (e), and (f) are amended as follows:

"(d) Each voluntarily admitted client, the client’s legally responsible person, or a health care agent named pursuant to a valid health care power of attorney, or an attorney in fact named pursuant to a valid advance instruction for mental health treatment has the right to consent to or refuse any treatment offered by the facility. Consent may be withdrawn at any time by the person who gave the consent. If treatment is refused, the qualified professional shall determine whether treatment in some other modality is possible. If all appropriate treatment modalities are refused, the voluntarily admitted client may be discharged. In an emergency, a voluntarily admitted client may be administered treatment or medication, other than those specified in subsection (f) of this section, despite the refusal of the client, the client’s legally responsible person, person, a health care agent named pursuant to a valid health care power of attorney, or the client’s refusal expressed in a valid advance instruction for mental health treatment, or an attorney in fact named pursuant to a valid advance instruction for mental health treatment.

(d1) Except as provided in G.S. 90-21.4, discharge of a voluntarily admitted minor from treatment shall include notice to and consultation with the minor’s legally responsible person and in no event shall a minor be discharged from treatment upon the minor’s request alone.

(e) In the case of an involuntarily committed client, treatment measures other than those requiring express written consent as specified in subsection (f) of this section may be given despite the refusal of the client, the client’s legally responsible person, a health care agent named pursuant to a valid health care power of attorney, or the client’s refusal expressed in a valid advanced instruction for mental health treatment in the event of an emergency or when consideration of side effects related to the specific treatment measure is given and in the professional judgment, as documented in the client’s record, of the treating physician and a second physician, who is either the director of clinical services of the facility, or that person’s designee, either:

(1) The client, without the benefit of the specific treatment measure, is incapable of participating in any available treatment plan which will give the client a realistic opportunity of improving his condition;

(2) There is, without the benefit of the specific treatment measure, a significant possibility that the client will harm himself or others before improvement of the client’s condition is realized.

(f) Treatment involving electroshock therapy, the use of experimental drugs or procedures, or surgery other than emergency surgery may not be given without the express and informed written consent of the client or the
client's legally responsible person, a health care agent named pursuant to a valid health care power of attorney, or the client's consent expressed in a valid advanced instruction or mental health treatment, or an attorney in fact named pursuant to a valid advance instruction for mental health treatment."

Section 6. G.S. 122C-211(a) is amended and new (f) is added as follows:

"(a) Except as provided in subsections (b) through (e) (f) of this section, any individual in need of treatment for mental illness or substance abuse may seek voluntary admission at any facility by presenting himself for evaluation to the facility.

(f) An individual in need of treatment for mental illness may be admitted to a facility pursuant to an advance instruction for mental health treatment or pursuant to the authority of a health care agent named in a valid health care power of attorney, provided that the individual is incapable, as defined in G.S. 122C-72(c), at the time of the need for admission. An individual admitted to a facility pursuant to an advance instruction may not be retained for more than 10 days, except as provided for in subsection (b) of this section. When a health care power of attorney authorizes a health care agent to seek the admission of an incapable individual, the health care agent shall act for the individual in applying for admission to a facility and in consenting to medical treatment at the facility when consent is required, provided that the individual is incapable."

Section 7. This act becomes effective October 1, 1998.

In the General Assembly read three times and ratified this the 14th day of October, 1998.

Became law upon approval of the Governor at 2:15 p.m. on the 24th day of October, 1998.

The amendment may be made by affirmative vote or written agreement signed by lot owners of lots to which at least sixty-seven percent (67%) percent of the votes in the association are allocated or any smaller majority the declaration specifies. To the extent the procedures and requirements for amendment in the declaration conflict with the provisions of this subsection, this subsection shall control with respect to any amendment to provide that this Chapter applies to that planned community.

Upon acquisition, unless the decree otherwise provides, the lot's allocated interests are automatically reallocated to the remaining lots in proportion to the respective allocated interests of those lots before the taking, exclusive of the lot taken.

(b) Except as provided in subsection (a) of this section, if part of a lot is acquired by eminent domain, the award shall compensate the lot owner for the reduction in value of the lot. Upon acquisition, unless the decree otherwise provides, (i) that lot's allocated interests are reduced in proportion to the reduction in the size of the lot, or on any other basis specified in the declaration, and (ii) the portion of the allocated interests divested from the partially acquired lot are automatically reallocated to that lot and the remaining lots in proportion to the respective allocated interests of those lots before the taking, with the partially acquired lot participating in the reallocation on the basis of its reduced allocated interests.

(c) If there is any reallocation under subsection (a) or (b) of this section, the association shall promptly prepare, execute, and record an amendment to the declaration reflecting the reallocations. Any remnant of a lot remaining after part of a lot is taken under this subsection is thereafter a common element.

(d) If part of the common elements is acquired by eminent domain, the portion of the award attributable to the common elements taken shall be paid to the association. Unless the declaration provides otherwise, any portion of the award attributable to the acquisition of a limited common element shall be apportioned among the owners of the lots to which that limited common element was allocated at the time of acquisition based on their allocated interest in the common elements before the taking.

(e) The court decree shall be recorded in every county in which any portion of the planned community is located.

§ 47E-1-108. Supplemental general principles of law applicable.

The principles of law and equity as well as other North Carolina statutes (including the provisions of the North Carolina Nonprofit Corporation Act) supplement the provisions of this Chapter, except to the extent inconsistent with this Chapter. When these principles or statutes are inconsistent or conflict with this Chapter, the provisions of this Chapter will control.

"ARTICLE 2.

"Creation, Alteration, and Termination of Planned Communities.

§ 47E-2-101. Creation of the planned community.

A declaration creating a planned community shall be executed in the same manner as a deed, shall be recorded in every county in which any portion of the planned community is located, and shall be indexed in the Grantee index in the name of the planned community and the association and in the Grantor index in the name of each person executing the declaration.

§ 47E-2-102: Reserved.

§ 47E-2-103. Construction and validity of declaration and bylaws.
(a) All provisions of the declaration and bylaws are severable.

(b) The rule against perpetuities may not be applied to defeat any provision of the declaration, bylaws, rules, or regulations adopted pursuant to G.S. 47E-3-102(a)(1).

(c) In the event of a conflict between the provisions of the declaration and the bylaws, the declaration prevails except to the extent the declaration is inconsistent with this Chapter.

(d) Title to a lot and common elements is not rendered unmarketable or otherwise affected by reason of an insubstantial failure of the declaration to comply with this Chapter. Whether a substantial failure to comply with this Chapter impairs marketability shall be determined by the law of this State relating to marketability.

"§ 47E-2-104 through 47E-2-116: Reserved.
"§ 47E-2-117. Amendment of declaration.

(a) Except in cases of amendments that may be executed by a declarant under the terms of the declaration or by certain lot owners under G.S. 47E-2-118(b), the declaration may be amended only by affirmative vote or written agreement signed by lot owners of lots to which at least sixty-seven percent (67%) of the votes in the association are allocated, or any larger majority the declaration specifies or by the declarant if necessary for the exercise of any development right. The declaration may specify a smaller number only if all of the lots are restricted exclusively to nonresidential use.

(b) No action to challenge the validity of an amendment adopted pursuant to this section may be brought more than one year after the amendment is recorded.

(c) Every amendment to the declaration shall be recorded in every county in which any portion of the planned community is located and is effective only upon recordation. An amendment shall be indexed in the Grantee index in the name of the planned community and the association and in the Grantor index in the name of each person executing the amendment.

(d) Reserved.

(c) Amendments to the declaration required by this Chapter to be recorded by the association shall be prepared, executed, recorded, and certified in accordance with G.S. 47-41.

"§ 47E-2-118. Termination of planned community.

(a) Except in the case of taking of all the lots by eminent domain (G.S. 47E-1-107), a planned community may be terminated only by agreement of lot owners of lots to which at least eighty percent (80%) of the votes in the association are allocated, or any larger percentage the declaration specifies. The declaration may specify a smaller percentage only if all of the lots in the planned community are restricted exclusively to nonresidential uses.

(b) An agreement to terminate shall be evidenced by the execution of a termination agreement, or ratifications thereof, in the same manner as a deed, by the requisite number of lot owners. The termination agreement shall specify a date after which the agreement will be void unless it is recorded before that date. A termination agreement and all ratifications thereof shall be recorded in every county in which a portion of the planned community is situated and is effective only upon recordation.
(c) A termination agreement may provide for sale of the common elements, but may not require that the lots be sold following termination, unless the declaration as originally recorded provided otherwise or unless all the lot owners consent to the sale. If, pursuant to the agreement, any real estate in the planned community is to be sold following termination, the termination agreement shall set forth the minimum terms of the sale.

(d) The association, on behalf of the lot owners, may contract for the sale of real estate in the planned community, but the contract is not binding until approved pursuant to subsections (a) and (b) of this section. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers it had before termination. Proceeds of the sale shall be distributed to lot owners and lienholders as their interests may appear, as provided in the termination agreement.

(e) If the real estate constituting the planned community is not to be sold following termination, title to the common elements vests in the lot owners upon termination as tenants in common in proportion to their respective interests as provided in the termination agreement.

(f) Following termination of the planned community, the proceeds of any sale of real estate, together with the assets of the association, are held by the association as trustee for lot owners and holders of liens on the lots as their interests may appear. All other creditors of the association are to be treated as if they had perfected liens on the common elements immediately before termination.

(g) If the termination agreement does not provide for the distribution of sales proceeds pursuant to subsection (d) of this section or the vesting of title pursuant to subsection (e) of this section, sales proceeds shall be distributed and title shall vest in accordance with each lot owner’s allocated share of common expense liability.

(h) Except as provided in subsection (i) of this section, foreclosure or enforcement of a lien or encumbrance against the common elements does not of itself terminate the planned community, and foreclosure or enforcement of a lien or encumbrance against a portion of the common elements other than withdrawable real estate does not withdraw that portion from the planned community. Foreclosure or enforcement of a lien or encumbrance against withdrawable real estate does not of itself withdraw that real estate from the planned community, but the person taking title thereto has the right to require from the association, upon request, an amendment excluding the real estate from the planned community.

(i) If a lien or encumbrance against a portion of the real estate comprising the planned community has priority over the declaration and the lien or encumbrance has not been partially released, the parties foreclosing the lien or encumbrance may, upon foreclosure, record an instrument excluding the real estate subject to that lien or encumbrance from the planned community.

"§ 47E-2-119: Reserved.

"§ 47E-2-120. Master associations.

If the declaration for a planned community provides that any of the powers described in G.S. 47E-3-102 are to be exercised by or may be delegated to a profit or nonprofit corporation which exercises those or other
powers on behalf of one or more other planned communities or for the benefit of the lot owners of one or more other planned communities, all provisions of this act applicable to lot owners’ associations apply to any such corporation.

"§ 47E-2-121. Merger or consolidation of planned communities.

(a) Any two or more planned communities, by agreement of the lot owners as provided in subsection (b) of this section, may be merged or consolidated into a single planned community. In the event of a merger or consolidation, unless the agreement otherwise provides, the resultant planned community is, for all purposes, the legal successor of all of the preexisting planned communities, and the operations and activities of all associations of the preexisting planned communities shall be merged or consolidated into a single association which shall hold all powers, rights, obligations, assets, and liabilities of all preexisting associations.

(b) An agreement of two or more planned communities to merge or consolidate pursuant to subsection (a) of this section shall be evidenced by an agreement prepared, executed, recorded, and certified by the president of the association of each of the preexisting planned communities following approval by owners of lots to which are allocated the percentage of votes in each planned community required to terminate that planned community. Any such agreement shall be recorded in every county in which a portion of the planned community is located and is not effective until recorded.

(c) Every merger or consolidation agreement shall provide for the reallocation of the allocated interests in the new association among the lots of the resultant planned community either (i) by stating the reallocations or the formulas upon which they are based or (ii) by stating the percentage of overall common expense liabilities and votes in the new association which are allocated to all of the lots comprising each of the preexisting planned communities, and providing that the portion of the percentages allocated to each lot formerly comprising a part of the preexisting planned community shall be equal to the percentages of common expense liabilities and votes in the association allocated to that lot by the declaration of the preexisting planned community.

"ARTICLE 3.

"Management of Planned Community.

"§ 47E-3-101. Organization of owners’ association.

A lot owners’ association shall be incorporated no later than the date the first lot in the planned community is conveyed. The membership of the association at all times shall consist exclusively of all the lot owners or, following termination of the planned community, of all persons entitled to distributions of proceeds under G.S. 47E-2-118. Every association created after the effective date of this Chapter shall be organized as a nonprofit corporation.

"§ 47E-3-102. Powers of owners’ association.

Subject to the provisions of the articles of incorporation or the declaration and the declarant’s rights therein, the association may:

(1) Adopt and amend bylaws and rules and regulations:
(2) Adopt and amend budgets for revenues, expenditures, and reserves and collect assessments for common expenses from lot owners;
(3) Hire and discharge managing agents and other employees, agents, and independent contractors;
(4) Institute, defend, or intervene in litigation or administrative proceedings on matters affecting the planned community;
(5) Make contracts and incur liabilities;
(6) Regulate the use, maintenance, repair, replacement, and modification of common elements;
(7) Cause additional improvements to be made as a part of the common elements;
(8) Acquire, hold, encumber, and convey in its own name any right, title, or interest to real or personal property, provided that common elements may be conveyed or subjected to a security interest only pursuant to G.S. 47E-3-112;
(9) Grant easements, leases, licenses, and concessions through or over the common elements;
(10) Impose and receive any payments, fees, or charges for the use, rental, or operation of the common elements other than the limited common elements and for services provided to lot owners;
(11) Impose reasonable charges for late payment of assessments and, after notice and an opportunity to be heard, suspend privileges or services provided by the association (except rights of access to lots) during any period that assessments or other amounts due and owing to the association remain unpaid for a period of 30 days or longer;
(12) After notice and an opportunity to be heard, impose reasonable fines or suspend privileges or services provided by the association (except rights of access to lots) for reasonable periods for violations of the declaration, bylaws, and rules and regulations of the association;
(13) Impose reasonable charges in connection with the preparation and recordation of documents, including, without limitation, amendments to the declaration or statements of unpaid assessments;
(14) Provide for the indemnification of and maintain liability insurance for its officers, executive board, directors, employees, and agents;
(15) Assign its right to future income, including the right to receive common expense assessments;
(16) Exercise all other powers that may be exercised in this State by legal entities of the same type as the association; and
(17) Exercise any other powers necessary and proper for the governance and operation of the association.

"§ 47E-3-103. Executive board members and officers.

(a) Except as provided in the declaration, in the bylaws, in subsection (b) of this section, or in other provisions of this Chapter, the executive board may act in all instances on behalf of the association. In the performance of their duties, officers and members of the executive board shall discharge
their duties in good faith. Officers shall act according to the standards for officers of a nonprofit corporation set forth in G.S. 55A-8-42, and members shall act according to the standards for directors of a nonprofit corporation set forth in G.S. 55A-8-30.

(b) The executive board may not act unilaterally on behalf of the association to amend the declaration (G.S. 47E-2-117), to terminate the planned community (G.S. 47E-2-118), or to elect members of the executive board or determine the qualifications, powers and duties, or terms of office of executive board members (G.S. 47E-3-103(f)), but the executive board may unilaterally fill vacancies in its membership for the unexpired portion of any term. Notwithstanding any provision of the declaration or bylaws to the contrary, the lot owners, by a majority vote of all persons present and entitled to vote at any meeting of the lot owners at which a quorum is present, may remove any member of the executive board with or without cause, other than a member appointed by the declarant.

(c) Within 30 days after adoption of any proposed budget for the planned community, the executive board shall provide to all the lot owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. The executive board shall set a date for a meeting of the lot owners to consider ratification of the budget, such meeting to be held not less than 10 nor more than 60 days after mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless at that meeting a majority of all the lot owners in the association or any larger vote specified in the declaration rejects the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the lot owners shall be continued until such time as the lot owners ratify a subsequent budget proposed by the executive board.

(d) The declaration may provide for a period of declarant control of the association, during which period a declarant, or persons designated by the declarant, may appoint and remove the officers and members of the executive board.

(e) Not later than the termination of any period of declarant control, the lot owners shall elect an executive board of at least three members, at least a majority of whom shall be lot owners. The executive board shall elect the officers. The executive board members and officers shall take office upon election.

"§ 47E-3-104. Transfer of special declarant rights.

Except for transfer of declarant rights pursuant to foreclosure, no special declarant right (G.S. 47E-1-103(28)) may be transferred except by an instrument evidencing the transfer recorded in every county in which any portion of the planned community is located. The instrument is not effective unless executed by the transferee.

"§ 47E-3-105. Termination of contracts and leases of declarant.

If entered into before the executive board elected by the lot owners pursuant to G.S. 47E-3-103(e) takes office, any contract or lease affecting or related to the planned community that is not bona fide or was unconscionable to the lot owners at the time entered into under the circumstances then prevailing, may be terminated without penalty by the
association at any time after the executive board elected by the lot owners pursuant to G.S. 47E-3-103(e) takes office upon not less than 90 days' notice to the other party.

"§ 47E-3-106. Bylaws.

(a) The bylaws of the association shall provide for:

1. The number of members of the executive board and the titles of the officers of the association;
2. Election by the executive board of officers of the association;
3. The qualifications, powers and duties, terms of office, and manner of electing and removing executive board members and officers and filling vacancies;
4. Which, if any, of its powers the executive board or officers may delegate to other persons or to a managing agent;
5. Which of its officers may prepare, execute, certify, and record amendments to the declaration on behalf of the association; and
6. The method of amending the bylaws.

(b) The bylaws may provide for any other matters the association deems necessary and appropriate.

"§ 47E-3-107. Upkeep of planned community; responsibility and assessments for damages.

(a) Except as otherwise provided in the declaration, G.S. 47E-3-113(h) or subsection (b) of this section, the association is responsible for causing the common elements to be maintained, repaired, and replaced when necessary and to assess the lot owners as necessary to recover the costs of such maintenance, repair, or replacement except that the costs of maintenance, repair, or replacement of a limited common element shall be assessed as provided in G.S. 47E-3-115(c)(1). Except as otherwise provided in the declaration, each lot owner is responsible for the maintenance and repair of his lot and any improvements thereon. Each lot owner shall afford to the association and when necessary to another lot owner access through the lot owner's lot reasonably necessary for any such maintenance, repair, or replacement activity.

(b) If a lot owner is legally responsible for damage inflicted on any common element, the association may direct such lot owner to repair such damage, or the association may itself cause the repairs to be made and recover damages from the responsible lot owner.

(c) If damage is inflicted on any lot by an agent of the association in the scope of the agent's activities as such agent, the association is liable to repair such damage or to reimburse the lot owner for the cost of repairing such damages. The association shall also be liable for any losses to the lot owner.

(d) When the claim under subsection (b) or (c) of this section is less than or equal to the jurisdictional amount established for small claims by G.S. 7A-210, any aggrieved party may request that a hearing be held before an adjudicatory panel appointed by the executive board to determine if a lot owner is responsible for damages to any common element or the association is responsible for damages to any lot. If the executive board fails to appoint an adjudicatory panel to hear such matters, hearings under this section shall be held before the executive board. Such panel shall accord to the party
charged with causing damages notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. This panel may assess liability for each damage incident against each lot owner charged or against the association not in excess of the jurisdictional amount established for small claims by G.S. 7A-210. When the claim under subsection (b) or (c) of this section exceeds the jurisdictional amount established for small claims by G.S. 7A-210, liability of any lot owner charged or the association shall be determined as otherwise provided by law. Liabilities of lot owners determined by adjudicatory hearing or as otherwise provided by law shall be assessments secured by lien under G.S. 47E-3-116. Liabilities of the association determined by adjudicatory hearing or as otherwise provided by law may be offset by the lot owner against sums owing to the association and if so offset, shall reduce the amount of any lien of the association against the lot at issue.

(c) The association shall not be liable for maintenance, repair, and all other expenses in connection with any real estate which has not been incorporated into the planned community.

"§ 47E-3-107A. Procedures for fines and suspension of planned community privileges or services.

Unless a specific procedure for the imposition of fines or suspension of planned community privileges or services is provided for in the declaration, a hearing shall be held before an adjudicatory panel appointed by the executive board to determine if any lot owner should be fined or if planned community privileges or services should be suspended pursuant to the powers granted to the association in G.S. 47E-3-102(11) and (12). If the executive board fails to appoint an adjudicatory panel to hear such matters, hearings under this section shall be held before the executive board. The lot owner charged shall be given notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. If it is decided that a fine should be imposed, a fine not to exceed one hundred fifty dollars ($150.00) may be imposed for the violation and without further hearing, for each day after the decision that the violation occurs. Such fines shall be assessments secured by liens under G.S. 47E-3-116. If it is decided that a suspension of planned community privileges or services should be imposed, the suspension may be continued without further hearing until the violation or delinquency is cured.

"§ 47E-3-108. Meetings.

A meeting of the association shall be held at least once each year. Special meetings of the association may be called by the president, a majority of the executive board, or by lot owners having ten percent (10%), or any lower percentage specified in the bylaws, of the votes in the association. Not less than 10 nor more than 60 days in advance of any meeting, the secretary or other officer specified in the bylaws shall cause notice to be hand-delivered or sent prepaid by United States mail to the mailing address of each lot or to any other mailing address designated in writing by the lot owner. The notice of any meeting shall state the time and place of the meeting and the items on the agenda, including the general nature of any proposed amendment to the declaration or bylaws, any budget changes, and any proposal to remove a director or officer.
§ 47E-3-109. Quorums.

(a) Unless the bylaws provide otherwise, a quorum is present throughout any meeting of the association if persons entitled to cast ten percent (10%) of the votes which may be cast for election of the executive board are present in person or by proxy at the beginning of the meeting.

(b) Unless the bylaws specify a larger percentage, a quorum is deemed present throughout any meeting of the executive board if persons entitled to cast fifty percent (50%) of the votes on that board are present at the beginning of the meeting.

(c) In the event business cannot be conducted at any meeting because a quorum is not present, that meeting may be adjourned to a later date by the affirmative vote of a majority of those present in person or by proxy. Notwithstanding any provision to the contrary in the declaration or the bylaws, the quorum requirement at the next meeting shall be one-half of the quorum requirement applicable to the meeting adjourned for lack of a quorum. This provision shall continue to reduce the quorum by fifty percent (50%) from that required at the previous meeting, as previously reduced, until such time as a quorum is present and business can be conducted.

§ 47E-3-110. Voting: proxies.

(a) If only one of the multiple owners of a lot is present at a meeting of the association, the owner who is present is entitled to cast all the votes allocated to that lot. If more than one of the multiple owners are present, the votes allocated to that lot may be cast only in accordance with the agreement of a majority in interest of the multiple owners, unless the declaration or bylaws expressly provide otherwise. Majority agreement is conclusively presumed if any one of the multiple owners casts the votes allocated to that lot without protest being made promptly to the person presiding over the meeting by any of the other owners of the lot.

(b) Votes allocated to a lot may be cast pursuant to a proxy duly executed by a lot owner. If a lot is owned by more than one person, each owner of the lot may vote or register protest to the casting of votes by the other owners of the lot through a duly executed proxy. A lot owner may not revoke a proxy given pursuant to this section except by actual notice of revocation to the person presiding over a meeting of the association. A proxy is void if it is not dated. A proxy terminates 11 months after its date, unless it specifies a shorter term.

(c) If the declaration requires that votes on specified matters affecting the planned community be cast by lessees rather than lot owners of leased lots, (i) the provisions of subsections (a) and (b) of this section apply to lessees as if they were lot owners; (ii) lot owners who have leased their lots to other persons may not cast votes on those specified matters; and (iii) lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were lot owners. Lot owners shall also be given notice, in the manner provided in G.S. 47E-3-108, of all meetings at which lessees may be entitled to vote.

(d) No votes allocated to a lot owned by the association may be cast.

(e) The declaration may provide that on specified issues only a defined subgroup of lot owners may vote provided:
(1) The issue being voted is of special interest solely to the members of the subgroup; and

(2) All except de minimis cost that will be incurred based on the vote taken will be assessed solely against those lot owners entitled to vote.

(f) For purposes of subdivision(e)(1) above, an issue to be voted on is not a special interest solely to a subgroup if it substantially affects the overall appearance of the planned community or substantially affects living conditions of lot owners not included in the voting subgroup.

"47E-3-111. Tort and contract liability.

(a) Neither the association nor any lot owner except the declarant is liable for that declarant's torts in connection with any part of the planned community which that declarant has the responsibility to maintain.

(b) An action alleging a wrong done by the association shall be brought against the association and not against a lot owner.

(c) Any statute of limitation affecting the association's right of action under this section is tolled until the period of declarant control terminates. A lot owner is not precluded from bringing an action contemplated by this section because the person is a lot owner or a member of the association.

"§ 47E-3-112. Conveyance or encumbrance of common elements.

(a) Portions of the common elements may be conveyed or subjected to a security interest by the association if persons entitled to cast at least eighty percent (80%) of the votes in the association, or any larger percentage the declaration specifies, agree in writing to that action; provided that all the owners of lots to which any limited common element is allocated shall agree in order to convey that limited common element or subject it to a security interest. The declaration may specify a smaller percentage only if all the lots are restricted exclusively to nonresidential uses. Distribution of proceeds of the sale of a limited common element shall be as provided by agreement between the lot owners to which it is allocated and the association. Proceeds of the sale or financing of a common element (other than a limited common element) shall be an asset of the association.

(b) The association, on behalf of the lot owners, may contract to convey common elements or subject them to a security interest, but the contract is not enforceable against the association until approved pursuant to subsection (a) of this section. Thereafter, the association has all powers necessary and appropriate to effect the conveyance or encumbrance, free and clear of any interest of any lot owner or the association in or to the common element conveyed or encumbered, including the power to execute deeds or other instruments.

(c) Any purported conveyance, encumbrance, or other voluntary transfer of common elements, unless made pursuant to this section is void.

(d) No conveyance or encumbrance of common elements pursuant to this section may deprive any lot of its rights of access and support.

"§ 47E-3-113. Insurance.

(a) Commencing not later than the time of the first conveyance of a lot to a person other than a declarant, the association shall maintain, to the extent reasonably available:

687
(1) Property insurance on the common elements insuring against all risks of direct physical loss commonly insured against including fire and extended coverage perils. The total amount of insurance after application of any deductibles shall be not less than eighty percent (80%) of the replacement cost of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property policies; and

(2) Liability insurance in reasonable amounts, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.

(b) If the insurance described in subsection (a) of this section is not reasonably available, the association promptly shall cause notice of that fact to be hand-delivered or sent prepaid by United States mail to all lot owners. The declaration may require the association to carry any other insurance, and the association in any event may carry any other insurance it deems appropriate to protect the association or the lot owners.

(c) Insurance policies carried pursuant to subsection (a) of this section shall provide that:

(1) Each lot owner is an insured person under the policy to the extent of the lot owner’s insurable interest;

(2) The insurer waives its right to subrogation under the policy against any lot owner or member of the lot owner’s household;

(3) No act or omission by any lot owner, unless acting within the scope of the owner’s authority on behalf of the association, will preclude recovery under the policy; and

(4) If, at the time of a loss under the policy, there is other insurance in the name of a lot owner covering the same risk covered by the policy, the association’s policy provides primary insurance.

(d) Any loss covered by the property policy under subdivision (a)(1) of this section shall be adjusted with the association, but the insurance proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any mortgagee or beneficiary under a deed of trust. The insurance trustee or the association shall hold any insurance proceeds in trust for lot owners and lienholders as their interests may appear. Subject to the provisions of subsection (h) of this section, the proceeds shall be disbursed first for the repair or restoration of the damaged property, and lot owners and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored, or the planned community is terminated.

(e) An insurance policy issued to the association does not prevent a lot owner from obtaining insurance for the lot owner’s own benefit.

(f) An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any lot owner, mortgagee, or beneficiary under a deed of trust. The insurer issuing the policy may not cancel or refuse to renew it until 30 days after notice of the proposed cancellation or nonrenewal has
been mailed to the association, each lot owner, and each mortgagee or beneficiary under a deed of trust to whom certificates or memoranda of insurance have been issued at their respective last known addresses.

(g) Any portion of the planned community for which insurance is required under subdivision (a)(1) of this section which is damaged or destroyed shall be repaired or replaced promptly by the association unless (i) the planned community is terminated, (ii) repair or replacement would be illegal under any State or local health or safety statute or ordinance, or (iii) the lot owners decide not to rebuild by an eighty percent (80%) vote, including one hundred percent (100%) approval of owners assigned to the limited common elements not to be rebuilt. The cost of repair or replacement in excess of insurance proceeds and reserves is a common expense. If any portion of the planned community is not repaired or replaced, (i) the insurance proceeds attributable to the damaged common elements shall be used to restore the damaged area to a condition compatible with the remainder of the planned community, (ii) the insurance proceeds attributable to limited common elements which are not rebuilt shall be distributed to the owners of the lots to which those limited common elements were allocated, or to lienholders, as their interests may appear, and (iii) the remainder of the proceeds shall be distributed to all the lot owners or lienholders, as their interests may appear, in proportion to the common expense liabilities of all the lots. Notwithstanding the provisions of this subsection, G.S. 47E-2-118 (termination of the planned community) governs the distribution of insurance proceeds if the planned community is terminated.

(b) The provisions of this section may be varied or waived in the case of a planned community all of whose lots are restricted to nonresidential use.

"§ 47E-3-114. Surplus funds.

Unless otherwise provided in the declaration, any surplus funds of the association remaining after payment of or provision for common expenses, the funding of a reasonable operating expense surplus, and any prepayment of reserves shall be paid to the lot owners in proportion to their common expense liabilities or credited to them to reduce their future common expense assessments.

"§ 47E-3-115. Assessments for common expenses.

(a) Except as otherwise provided in the declaration, until the association makes a common expense assessment, the declarant shall pay all common expenses. After any assessment has been made by the association, assessments thereafter shall be made at least annually.

(b) Except for assessments under subsections (c), (d), and (e) of this section, all common expenses shall be assessed against all the lots in accordance with the allocations set forth in the declaration. Any past-due common expense assessment or installment thereof bears interest at the rate established by the association not exceeding eighteen percent (18%) per year. For planned communities created prior to January 1, 1999, interest may be charged on any past-due common expense assessment or installment only if the declaration provides for interest charges, and where the declaration does not otherwise specify the interest rate, the rate may not exceed eighteen percent (18%) per year.
(c) To the extent required by the declaration:

(1) Any common expense associated with the maintenance, repair, or replacement of a limited common element shall be assessed against the lots to which that limited common element is assigned, equally, or in any other proportion that the declaration provides;

(2) Any common expense or portion thereof benefiting fewer than all of the lots shall be assessed exclusively against the lots benefitted; and

(3) The costs of insurance shall be assessed in proportion to risk and the costs of utilities shall be assessed in proportion to usage.

(d) Assessments to pay a judgment against the association may be made only against the lots in the planned community at the time the judgment was entered, in proportion to their common expense liabilities.

(e) If any common expense is caused by the negligence or misconduct of any lot owner or occupant, the association may assess that expense exclusively against that lot owner or occupant's lot.

(f) If common expense liabilities are reallocated, common expense assessments and any installment thereof not yet due shall be recalculated in accordance with the reallocated common expense liabilities.

"§ 47E-3-116. Lien for assessments.

(a) Any assessment levied against a lot remaining unpaid for a period of 30 days or longer shall constitute a lien on that lot when a claim of lien is filed of record in the office of the clerk of superior court of the county in which the lot is located in the manner provided herein. The association may foreclose the claim of lien in like manner as a mortgage on real estate under power of sale under Article 2A of Chapter 45 of the General Statutes. Unless the declaration otherwise provides, fees, charges, late charges, fines, interest, and other charges imposed pursuant to G.S. 47E-3-102, 47E-3-107, 47E-3-107A, and 47E-3-115 are enforceable as assessments under this section.

(b) The lien under this section is prior to all liens and encumbrances on a lot except (i) liens and encumbrances (specifically including, but not limited to, a mortgage or deed of trust on the lot) recorded before the docketing of the claim of lien in the office of the clerk of superior court, and (ii) liens for real estate taxes and other governmental assessments and charges against the lot. This subsection does not affect the priority of mechanics' or materialmen's liens.

(c) A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within three years after the docketing of the claim of lien in the office of the clerk of superior court.

(d) This section does not prohibit other actions to recover the sums for which subsection (a) of this section creates a lien or prohibit an association taking a deed in lieu of foreclosure.

(e) A judgment, decree, or order in any action brought under this section shall include costs and reasonable attorneys' fees for the prevailing party.

(f) Where the holder of a first mortgage or first deed of trust of record, or other purchaser of a lot obtains title to the lot as a result of foreclosure of a first mortgage or first deed of trust, such purchaser and its heirs, successors, and assigns, shall not be liable for the assessments against such
lot which became due prior to the acquisition of title to such lot by such purchaser. Such unpaid assessments shall be deemed to be common expenses collectible from all the lot owners including such purchaser, its heirs, successors, and assigns.

(g) A claim of lien shall set forth the name and address of the association, the name of the record owner of the lot at the time the claim of lien is filed, a description of the lot, and the amount of the lien claimed.

§ 47E-3-117. Reserved.

§ 47E-3-118. Association records.

(a) The association shall keep financial records sufficiently detailed to enable the association to comply with this Chapter. All financial and other records shall be made reasonably available for examination by any lot owner and the lot owner’s authorized agents.

(b) The association, upon written request, shall furnish to a lot owner or the lot owner’s authorized agents a statement setting forth the amount of unpaid assessments and other charges against a lot. The statement shall be furnished within 10 business days after receipt of the request and is binding on the association, the executive board, and every lot owner.

§ 47E-3-119. Association as trustee.

With respect to a third person dealing with the association in the association’s capacity as a trustee under G.S. 47E-2-118 following termination or G.S. 47E-3-113 for insurance proceeds, the existence of trust powers and their proper exercise by the association may be assumed without inquiry. A third person is not bound to inquire whether the association has power to act as trustee or is properly exercising trust powers, and a third person, without actual knowledge that the association is exceeding or improperly exercising its powers, is fully protected in dealing with the association as if it possessed and properly exercised the powers it purports to exercise. A third person is not bound to assure the proper application of trust assets paid or delivered to the association in its capacity as trustee.

§ 47E-3-120. Declaration limits on attorneys’ fees.

Except as provided in G.S. 47E-3-116, in an action to enforce provisions of the articles of incorporation, the declaration, bylaws, or duly adopted rules or regulations, the court may award reasonable attorneys’ fees to the prevailing party if recovery of attorneys’ fees is allowed in the declaration.

Section 2. The Revisor of Statutes shall cause to be printed with this act all relevant portions of the official comments to the North Carolina Planned Community Act and all explanatory comments of the drafters of this act, as the Revisor deems appropriate.

AN ACT CONCERNING SATELLITE ANNEXATIONS BY THE CITY OF RALEIGH, PROVIDING THAT THE CITY OF RALEIGH MAY BY RESOLUTION DEEM THE CREATION OF A SELF-FUNDED RISK PROGRAM AS THE PURCHASE OF INSURANCE FOR THE PURPOSE OF WAIVING GOVERNMENTAL IMMUNITY, AND TO ANNEX AN AREA TO THE VILLAGE OF PINEHURST.

The General Assembly of North Carolina enacts:

Section 1. Section 1(a) of S.L. 1997-432 reads as rewritten:

"(a) G.S. 160A-58.1(b) is amended by adding a new subdivision to read:

(2a) If any territory proposed for annexation under this Part is an area that another city has agreed not to annex under an agreement with the annexing city under Part 6 of this Article, then the proximity to that other city shall not be considered in applying subdivision (2) of this subsection. This subdivision applies only where the annexing city is the Town of Wake Forest, Wake Forest or the City of Raleigh."

Section 2. (a) G.S. 160A-485(a) reads as rewritten:

"(a) Any city is authorized to waive its immunity from civil liability in tort by the act of purchasing liability insurance. Participation in a local government risk pool pursuant to Article 23 of General Statute Chapter 58 shall be deemed to be the purchase of insurance for the purposes of this section. Immunity shall be waived only to the extent that the city is indemnified by the insurance contract from tort liability. No formal action other than the purchase of liability insurance shall be required to waive tort immunity, and no city shall be deemed to have waived its tort immunity by any action other than the purchase of liability insurance. If a city uses a funded reserve instead of purchasing insurance against liability for wrongful death, negligence or intentional damage to personal property, or absolute liability for damage to person or property caused by an act or omission of the city or any of its officers, agents, or employees acting within the scope of their authority and the course of their employment, the city council may adopt a resolution that deems the creation of a funded reserve to be the same as the purchase of insurance under this section. Adoption of such a resolution waives the city’s governmental immunity only to the extent specified in the council’s resolution, but in no event greater than funds available in the funded reserve for the payment of claims."

(b) This section applies to the City of Raleigh only.

education and related services appropriate to all children with special needs. In this regard, all local school administrative units and all other State and local governmental agencies providing special education and related services shall explore available local resources and determine whether the services are currently being offered by an existing public or private agency.

When a specified special education or related service is being offered by a local public or private resource, any unit or agency described above shall negotiate for the purchase of that service or shall present full consideration of alternatives and its recommendations to the Board. In this regard, a new or additional program for special education or related services shall be developed with the approval of the Board only when that service is not being provided by existing public or private resources or the service cannot be purchased from existing providers. Further, the Board shall support and encourage joint and collaborative special education planning and programming at local levels to include local administrative units and the programs and agencies of the Departments of Health and Human Services and Correction, Correction and the Office of Juvenile Justice.

The jurisdiction of the Board with respect to the design and content of special education programs or related services for children with special needs extends to and over the Department of Health and Human Services, the Office of Juvenile Justice, and the Department of Correction.

All provisions of this Article that are specifically applicable to local school administrative units also are applicable to the Department of Health and Human Services, the Office of Juvenile Justice, and the Department of Correction and their divisions and agencies; all duties, responsibilities, rights and privileges specifically imposed on or granted to local school administrative units by this Article also are imposed on or granted to the Department of Health and Human Services, the Office of Juvenile Justice, and the Department of Correction and their divisions and agencies. However, with respect to children with special needs who are residents or patients of any state-operated or state-supported residential treatment facility, including without limitation, a school for the deaf, school for the blind, mental hospital or center, mental retardation center, or in a facility operated by the Office of Juvenile Justice, the Department of Correction or any of its divisions and agencies, the Board shall have the power to contract with the Department of Health and Human Services, the Office of Juvenile Justice, and the Department of Correction for the provision of special education and related services and the power to review, revise and approve said Departments' any plans for special education and related services to those residents.

The Departments of Health and Human Services and Correction and the Office of Juvenile Justice shall submit to the Board their plans for the education of children with special needs in their care, custody, or control. The Board shall have general supervision and shall set standards, by rule or regulation, for the programs of special education to be administered by it, by local educational agencies, and by the Departments of Health and Human Services and Correction, Correction and the Office of Juvenile Justice. The Board may grant specific exemptions for programs administered by the Department of Health and Human Services, the Office of Juvenile
Justice, or the Department of Correction when compliance by them with the Board's standards would, in the Board's judgment, impose undue hardship on such this Department or Office and when other procedural due process requirements, substantially equivalent to those of G.S. 115C-116, are assured in programs of special education and related services furnished to children with special needs served by such Department, this Department or Office. Further, the Board shall recognize that inpatient and residential special education programs within the Departments of Health and Human Services and Correction and the Office of Juvenile Justice may require more program resources than those necessary for optimal operation of such these programs in local school administrative units.

Every State and local department, division, unit or agency covered by this section is hereinafter referred to as a 'local educational agency' unless the text of this Article otherwise provides.

(b) The Board shall make and keep current a plan for the implementation of the policy set forth in G.S. 115C-106(b). The plan shall include:

1. A census of the children with special needs in the State, as required by subsection (j) of this section;

6. Programs and procedures for the development and implementation of a comprehensive system of personnel development; and

All such submissions shall set forth in detail the progress made in the implementation of the plan.

Representatives from the Departments of Health and Human Services and Correction and the Office of Juvenile Justice shall be involved in the development of the standards outlined under this subsection.

(e) On or before October 15, each local educational agency shall report annually to the Board the extent to which it is then providing special education for children with special needs. The annual report also shall detail the means by which the local educational agency proposes to secure full compliance with the policy of this Article, including the following:

1. A statement of the extent to which the required education and services will be provided directly by the agency;

3. The means by which the agency will contract to provide, at levels meeting standards in force pursuant to G.S. 115C-110(b)(5) and (d)(2), all special education and related services not provided directly by it or by the State.

(f) After submitting the report required by subsection (e), the local educational agency also shall submit such supplemental and additional reports as the Board may require to keep the local educational agency's plan current.

(h) The annual report shall be a two-year plan for providing appropriate special education and related services to children with special needs. The agency shall submit the plan to the Board for its review, approval, modification, or disapproval. Unless thereafter modified with approval of the Board, the plan shall be adhered to by the local educational agency. The procedure for approving, disapproving, establishing, and enforcing the plan shall be the same as that set forth for the annual plan. The long-range plan shall include such provisions as may be appropriate for the following, without limitation:

The provision of free appropriate special education within the facilities of the Department of Health and Human Services...
the Office of Juvenile Justice shall not prevent that Department and Office from charging for other services or treatment.

(j) The Board shall require an annual census of children with special needs, subdivided for 'identified' and 'suspected' children with special needs, to be taken in each school year. Suspected children are those in the formal process of being identified, evaluated or diagnosed as children with special needs. The census shall be conducted annually and shall be completed not later than October 15, and shall be submitted to the Governor and General Assembly and be made available to the public no later than January 15 annually.

In taking the census, the Board shall require the cooperation, participation, and assistance of all local educational agencies and all other State and local governmental departments and agencies providing or required to provide special education services to children with special needs, and those departments and agencies shall cooperate and participate with and assist the Board in conducting the census.

The census shall include the number of children identified and suspected with special needs, their age, the nature of their disability, their county or city of residence, their local school administrative unit residence, whether they are being provided special educational or related services and if so by what department or agency, whether they are not being provided special education or related services, the identity of each department or agency having children with special needs in its care, custody, management, jurisdiction, control, or programs, the number of children with special needs being served by each department or agency, and such other information or data as the Board shall require. If it appears that a child should receive a program of free appropriate public education in a program
operated by or under the supervision of the Department of Health and Human Services, Services or the Office of Juvenile Justice, the local educational agency shall confer with the appropriate Department of Health and Human Services or Office of Juvenile Justice staff for their participation and determination of the appropriateness of placement in said program and development of the child's individualized education program. The individualized education program may then be challenged under the due process provisions of G.S. 115C-116. Every child with special needs shall be entitled to attend such nonresidential schools or programs and receive from them free appropriate public education."

(i) G.S. 115C-113(f) reads as rewritten:

The term 'individualized educational program' means a written statement for each such child developed in any meeting by a representative of the local educational agency who shall be qualified to provide, or supervise the provision of, specially designed instruction to meet the unique needs of such children, the teacher, the parents or guardian of such child, and, whenever appropriate, such child, which statement shall be based on rules developed by the Board. Each local educational agency shall establish, or revise, whichever is appropriate, the individualized educational program of each child with special needs each school year and will then review and, if appropriate revise, its provisions periodically, but not less than annually. In the facilities and programs of the Department of Health and Human Services, Services and the Office of Juvenile Justice, the individualized educational program shall be planned in collaboration with those other individuals responsible for the design of the total treatment or habilitation plan or both; the resulting educational, treatment, and habilitation plans shall be coordinated, integrated, and internally consistent."

The board shall adopt rules and regulations to assure that:

1. There be no cost to the parents or guardian for the placement of a child in a private school, out-of-state school or a school in another local education agency if the child was so placed by the Board or by the appropriate local educational agency as the means of carrying out the requirement of this Article or any other applicable law requiring the provision of special education and related services to children within the State.

2. No child shall be placed by the Board or by the local educational agency in a private or out-of-state school unless the Board has determined that the school meets standards that apply to State and local educational agencies and that the child so placed will have all the rights he would have if served by a State or local educational agency.

3. If the placement of the child in a private school, out-of-state school or a school in another local educational agency determined by the Superintendent of Public Instruction to be the most cost-effective way to provide an appropriate education to that child and the child is not currently being educated by the Department of Health and Human Services, the Office of Juvenile Justice, or the Department of Correction, the State will bear a portion of the cost of the placement of the child. The local school administrative unit shall pay an amount equal to what it receives per pupil from the State Public School Fund and from other State and federal funds for children with special needs for that child. The State shall pay the full cost of any remainder up to a maximum of fifty percent (50%) of the total cost.

PART III. RECODIFICATION OF THE JUVENILE CODE

Section 6. The General Statutes are amended by adding a new Chapter to read:

"Chapter 7B.
"Juvenile Code.

"SUBCHAPTER I. ABUSE, NEGLECT, DEPENDENCY.
"ARTICLE 1.
"Purposes; Definitions.

"§ 7B-100. Purpose.
This Subchapter shall be interpreted and construed so as to implement the following purposes and policies:

(1) To provide procedures for the hearing of juvenile cases that assure fairness and equity and that protect the constitutional rights of juveniles and parents;

(2) To develop a disposition in each juvenile case that reflects consideration of the facts, the needs and limitations of the juvenile, and the strengths and weaknesses of the family;

(3) To provide for services for the protection of juveniles by means that respect both the right to family autonomy and the juveniles' needs for safety, continuity, and permanence; and

(4) To provide standards for the removal, when necessary, of juveniles from their homes and for the return of juveniles to their homes consistent with preventing the unnecessary or inappropriate separation of juveniles from their parents.

As used in this Subchapter, unless the context clearly requires otherwise, the following words have the listed meanings:
1997 S.L. 1998-202

(1) Abused juveniles. -- Any juvenile less than 18 years of age whose parent, guardian, custodian, or caretaker:
   a. Inflicts or allows to be inflicted upon the juvenile a serious physical injury by other than accidental means;
   b. Creates or allows to be created a substantial risk of serious physical injury to the juvenile by other than accidental means;
   c. Uses or allows to be used upon the juvenile cruel or grossly inappropriate procedures or cruel or grossly inappropriate devices to modify behavior;
   d.    f. Encourages, directs, or approves of delinquent acts involving moral turpitude committed by the juvenile.

(2) Caretaker. -- Any person other than a parent, guardian, or custodian who has responsibility for the health and welfare of a juvenile in a residential setting. A person responsible for a juvenile's health and welfare means a stepparent, foster parent, an adult member of the juvenile's household, an adult relative entrusted with the juvenile's care, or any person such as a house parent or cottage parent who has primary responsibility for supervising a juvenile's health and welfare in a residential child care facility or residential educational facility. 'Caretaker' also means any person who has the responsibility for the care of a juvenile in a child care facility as defined in Article 7 of Chapter 110 of the General Statutes and includes any person who has the approval of the care provider to assume responsibility for the
juveniles under the care of the care provider. Nothing in this subdivision shall be construed to impose a legal duty of support under Chapter 50 or Chapter 110 of the General Statutes. The duty imposed upon a caretaker as defined in this subdivision shall be for the purpose of this Subchapter only.

(3) Clerk. -- Any clerk of superior court, acting clerk, or assistant or deputy clerk.

In determining whether a juvenile is a neglected juvenile, it is relevant whether that juvenile lives in a home where another juvenile has been subjected to abuse or neglect by an adult who regularly lives in the home.

(14) Petitioner. -- The individual who initiates court action, whether by the filing of a petition or of a motion for review alleging the matter for adjudication.

(15) Prosecutor. -- The district attorney or assistant district attorney assigned by the district attorney to juvenile proceedings.

"ARTICLE 2.
"Jurisdiction.

§ 7B-200. Jurisdiction.

(a) The court has exclusive, original jurisdiction over any case involving a juvenile who is alleged to be abused, neglected, or dependent. This jurisdiction does not extend to cases involving adult defendants alleged to be guilty of abuse or neglect.

The court also has exclusive original jurisdiction of the following proceedings:

(1) Proceedings under the Interstate Compact on the Placement of Children set forth in Article 38 of this Chapter;

(2) Proceedings involving judicial consent for emergency surgical or medical treatment for a juvenile when the juvenile’s parent, guardian, custodian, or other person who has assumed the status and obligation of a parent without being awarded legal custody of the juvenile by a court refuses to consent for treatment to be rendered;

(3) Proceedings to determine whether a juvenile should be emancipated;

(4) Proceedings to terminate parental rights;

(5) Proceedings to review the placement of a juvenile in foster care pursuant to an agreement between the juvenile’s parents or guardian and a county department of social services;

(6) Proceedings in which a person is alleged to have obstructed or interfered with an investigation required by G.S. 7B-302; and

(7) Proceedings involving consent for an abortion on an unemancipated minor pursuant to Article 1A, Part 2 of Chapter 90 of the General Statutes.

(b) The court shall have jurisdiction over the parent or guardian of a juvenile who has been adjudicated abused, neglected, or dependent, as provided by G.S. 7B-904, provided the parent or guardian has been properly served with summons pursuant to G.S. 7B-406.

§ 7B-201. Retention of jurisdiction.

When the court obtains jurisdiction over a juvenile, jurisdiction shall continue until terminated by order of the court or until the juvenile reaches the age of 18 years or is otherwise emancipated, whichever occurs first.

"ARTICLE 3.
"Screening of Abuse and Neglect Complaints.

§ 7B-300. Protective services.

The director of the department of social services in each county of the State shall establish protective services for juveniles alleged to be abused, neglected, or dependent.

Protective services shall include the investigation and screening of complaints, casework, or other counseling services to parents, guardians, or other caretakers as provided by the director to help the parents, guardians, or other caretakers and the court to prevent abuse or neglect, to improve the quality of child care, to be more adequate parents, guardians, or caretakers, and to preserve and stabilize family life.

The provisions of this Article shall also apply to child care facilities as defined in G.S. 110-86.

§ 7B-301. Duty to report abuse, neglect, dependency, or death due to maltreatment.

Any person or institution who has cause to suspect that any juvenile is abused, neglected, or dependent, as defined by G.S. 7B-101, or has died as the result of maltreatment, shall report the case of that juvenile to the director of the department of social services in the county where the juvenile resides or is found. The report may be made orally, by telephone, or in writing. The report shall include information as is known to the person making it including the name and address of the juvenile; the name and address of the juvenile’s parent, guardian, or caretaker; the age of the juvenile; the names and ages of other juveniles in the home; the present whereabouts of the juvenile if not at the home address; the nature and extent of any injury or condition resulting from abuse, neglect, or dependency; and any other information which the person making the report believes might be helpful in establishing the need for protective services or court intervention. If the report is made orally or by telephone, the person making the report shall give the person’s name, address, and telephone number. Refusal of the person making the report to give a name shall not preclude the department’s investigation of the alleged abuse, neglect, dependency, or death as a result of maltreatment.

Upon receipt of any report of sexual abuse of the juvenile in a child care facility, the director shall notify the State Bureau of Investigation within 24 hours or on the next workday. If sexual abuse in a child care facility is not alleged in the initial report, but during the course of the investigation there is reason to suspect that sexual abuse has occurred, the director shall immediately notify the State Bureau of Investigation. Upon notification that sexual abuse may have occurred in a child care facility, the State Bureau of Investigation may form a task force to investigate the report.

§ 7B-302. Investigation by director; access to confidential information; notification of person making the report.

When a report of abuse, neglect, or dependency is received, the director of the department of social services shall make a prompt and thorough investigation in order to ascertain the facts of the case, the extent of the abuse or neglect, and the risk of harm to the juvenile, in order to determine whether protective services should be provided or the complaint filed as a petition. When the report alleges abuse, the director shall immediately, but
no later than 24 hours after receipt of the report, initiate the investigation. When the report alleges neglect or dependency, the director shall initiate the investigation within 72 hours following receipt of the report. The investigation and evaluation shall include a visit to the place where the juvenile resides. All information received by the department of social services, including the identity of the reporter, shall be held in strictest confidence by the department.

When a report of suspected abuse, neglect, or dependency of a juvenile is received, the director of the department of social services shall immediately ascertain if other juveniles remain in the home, and, if so, initiate an investigation in order to determine whether they require protective services or whether immediate removal of the juveniles from the home is necessary for their protection.

If the investigation indicates that abuse, neglect, or dependency has occurred, the director shall decide whether immediate removal of the juvenile or any other juveniles in the home is necessary for their protection. If immediate removal does not seem necessary, the director shall immediately provide or arrange for protective services. If the parent, guardian, or other caretaker refuses to accept the protective services provided or arranged by the director, the director shall sign a complaint seeking to invoke the jurisdiction of the court for the protection of the juvenile or juveniles.

If immediate removal seems necessary for the protection of the juvenile or other juveniles in the home, the director shall sign a complaint which alleges the applicable facts to invoke the jurisdiction of the court. Where the investigation shows that it is warranted, a protective services worker may assume temporary custody of the juvenile for the juvenile’s protection pursuant to Article 5 of this Chapter.

In performing any duties related to the investigation of the complaint or the provision or arrangement for protective services, the director may consult with any public or private agencies or individuals, including the available State or local law enforcement officers who shall assist in the investigation and evaluation of the seriousness of any report of abuse, neglect, or dependency when requested by the director. The director or the director’s representative may make a written demand for any information or reports, whether or not confidential, that may in the director’s opinion be relevant to the investigation of or the provision for protective services. Upon the director’s or the director’s representative’s request and unless protected by the attorney-client privilege, any public or private agency or individual shall provide access to and copies of this confidential information and these records to the extent permitted by federal law and regulations. If a custodian of criminal investigative information or records believes that release of the information will jeopardize the right of the State to prosecute a defendant or the right of a defendant to receive a fair trial or will undermine an ongoing or future investigation, it may seek an order from a court of competent jurisdiction to prevent disclosure of the information. In such an action, the custodian of the records shall have the burden of showing by a preponderance of the evidence that disclosure of the information in question will jeopardize the right of the State to prosecute a defendant or the right of
a defendant to receive a fair trial or will undermine an ongoing or future investigation. Actions brought pursuant to this paragraph shall be set down for immediate hearing, and subsequent proceedings in the actions shall be accorded priority by the trial and appellate courts.

Within five working days after receipt of the report of abuse, neglect, or dependency, the director shall give written notice to the person making the report, unless requested by that person not to give notice, as to whether the report was accepted for investigation and whether the report was referred to the appropriate State or local law enforcement agency.

Within five working days after completion of the protective services investigation, the director shall give subsequent written notice to the person making the report, unless requested by that person not to give notice, as to whether there is a finding of abuse, neglect, or dependency, whether the county department of social services is taking action to protect the juvenile, and what action it is taking, including whether or not a petition was filed. The person making the report shall be informed of procedures necessary to request a review by the prosecutor of the director's decision not to file a petition. A request for review by the prosecutor shall be made within five working days of receipt of the second notification. The second notification shall include notice that, if the person making the report is not satisfied with the director's decision, the person may request review of the decision by the prosecutor within five working days of receipt. The person making the report may waive the person's right to this notification, and no notification is required if the person making the report does not identify himself to the director.

"§ 7B-303. Interference with investigation.

(a) If any person obstructs or interferes with an investigation required by G.S. 7B-302, the director may file a petition naming said person as respondent and requesting an order directing the respondent to cease such obstruction or interference. The petition shall contain the name and date of birth and address of the juvenile who is the subject of the investigation, shall specifically describe the conduct alleged to constitute obstruction of or interference with the investigation, and shall be verified.

(b) For purposes of this section, obstruction of or interference with an investigation means refusing to disclose the whereabouts of the juvenile, refusing to allow the director to have personal access to the juvenile, refusing to allow the director to observe or interview the juvenile in private, refusing to allow the director access to confidential information and records upon request pursuant to G.S. 7B-302, refusing to allow the director to arrange for an evaluation of the juvenile by a physician or other expert, or other conduct that makes it impossible for the director to carry out the duty to investigate.

(c) Upon filing of the petition, the court shall schedule a hearing to be held not less than five days after service of the petition and summons on the respondent. Service of the petition and summons and notice of hearing shall be made as provided by the Rules of Civil Procedure on the respondent; the juvenile's parent, guardian, custodian, or caretaker; and any other person determined by the court to be a necessary party. If at the hearing on the petition the court finds by clear, cogent, and convincing evidence that the
respondent, without lawful excuse, has obstructed or interfered with an investigation required by G.S. 7B-302, the court may order the respondent to cease such obstruction or interference. The burden of proof shall be on the petitioner.

(d) If the director has reason to believe that the juvenile is in need of immediate protection or assistance, the director shall so allege in the petition and may seek an ex parte order from the court. If the court, from the verified petition and any inquiry the court makes of the director, finds probable cause to believe both that the juvenile is at risk of immediate harm and that the respondent is obstructing or interfering with the director's ability to investigate to determine the juvenile's condition, the court may enter an ex parte order directing the respondent to cease such obstruction or interference. The order shall be limited to provisions necessary to enable the director to conduct an investigation sufficient to determine whether the juvenile is in need of immediate protection or assistance. Within 10 days after the entry of an ex parte order under this subsection, a hearing shall be held to determine whether there is good cause for the continuation of the order or the entry of a different order. An order entered under this subsection shall be served on the respondent along with a copy of the petition, summons, and notice of hearing.

(e) The director may be required at a hearing under this section to reveal the identity of any person who made a report of suspected abuse, neglect, or dependency as required by G.S. 7B-301.

(f) An order entered pursuant to this section is enforceable by civil or criminal contempt as provided in Chapter 5A of the General Statutes.

§ 7B-304. Evaluation for court.

In all cases in which a petition is filed, the director of the department of social services shall prepare a report for the court containing a home placement plan and a treatment plan deemed by the director to be appropriate to the needs of the juvenile. The report shall be available to the court immediately following the adjudicatory hearing.

§ 7B-305. Request for review by prosecutor.

The person making the report shall have five working days, from receipt of the decision of the director of the department of social services not to petition the court, to notify the prosecutor that the person is requesting a review. The prosecutor shall notify the person making the report and the director of the time and place for the review, and the director shall immediately transmit to the prosecutor a copy of the investigation report.

§ 7B-306. Review by prosecutor.

The prosecutor shall review the director's determination that a petition should not be filed within 20 days after the person making the report is notified. The review shall include conferences with the person making the report, the protective services worker, the juvenile, if practicable, and other persons known to have pertinent information about the juvenile or the juvenile's family. At the conclusion of the conferences, the prosecutor may affirm the decision made by the director, may request the appropriate local law enforcement agency to investigate the allegations, or may direct the director to file a petition.
§ 7B-307. Duty of director to report evidence of abuse, neglect; investigation by local law enforcement; notification of Department of Health and Human Services and State Bureau of Investigation.

(a) If the director finds evidence that a juvenile may have been abused as defined by G.S. 7B-101, the director shall make an immediate oral and subsequent written report of the findings to the district attorney or the district attorney's designee and the appropriate local law enforcement agency within 48 hours after receipt of the report. The local law enforcement agency shall immediately, but no later than 48 hours after receipt of the information, initiate and coordinate a criminal investigation with the protective services investigation being conducted by the county department of social services. Upon completion of the investigation, the district attorney shall determine whether criminal prosecution is appropriate and may request the director or the director's designee to appear before a magistrate.

If the director receives information that a juvenile may have been physically harmed in violation of any criminal statute by any person other than the juvenile's parent, guardian, custodian, or caretaker, the director shall make an immediate oral and subsequent written report of that information to the district attorney or the district attorney's designee and to the appropriate local law enforcement agency within 48 hours after receipt of the information. The local law enforcement agency shall immediately, but no later than 48 hours after receipt of the information, initiate a criminal investigation. Upon completion of the investigation, the district attorney shall determine whether criminal prosecution is appropriate.

If the report received pursuant to G.S. 7B-301 involves abuse or neglect of a juvenile in child care, the director shall notify the Department of Health and Human Services within 24 hours or on the next working day of receipt of the report.

(b) If the director finds evidence that a juvenile has been abused or neglected as defined by G.S. 7B-101 in a child care facility, the director shall immediately notify the Department of Health and Human Services and, in the case of sexual abuse, the State Bureau of Investigation, in such a way as does not violate the law guaranteeing the confidentiality of the records of the department of social services.

(c) Upon completion of the investigation, the director shall give the Department written notification of the results of the investigation required by G.S. 7B-302. Upon completion of an investigation of sexual abuse in a child care facility, the director shall also make written notification of the results of the investigation to the State Bureau of Investigation.

The director of the department of social services shall submit a report of alleged abuse, neglect, or dependency cases or child fatalities that are the result of alleged maltreatment to the central registry under the policies adopted by the Social Services Commission.

§ 7B-308. Authority of medical professionals in abuse cases.

(a) Any physician or administrator of a hospital, clinic, or other medical facility to which a suspected abused juvenile is brought for medical diagnosis or treatment shall have the right, when authorized by the chief district court judge of the district or the judge's designee, to retain physical custody of the juvenile in the facility when the physician who examines the juvenile
certifies in writing that the juvenile who is suspected of being abused should remain for medical treatment or that, according to the juvenile’s medical evaluation, it is unsafe for the juvenile to return to the juvenile’s parent, guardian, custodian, or caretaker. This written certification must be signed by the certifying physician and must include the time and date that the judicial authority to retain custody is given. Copies of the written certification must be appended to the juvenile’s medical and judicial records and another copy must be given to the juvenile’s parent, guardian, custodian, or caretaker. The right to retain custody in the facility shall exist for up to 12 hours from the time and date contained in the written certification.

(b) Immediately upon receipt of judicial authority to retain custody, the physician, the administrator, or that person’s designee shall so notify the director of social services for the county in which the facility is located. The director shall treat this notification as a report of suspected abuse and shall immediately begin an investigation of the case.

(1) If the investigation reveals (i) that it is the opinion of the certifying physician that the juvenile is in need of medical treatment to cure or alleviate physical distress or to prevent the juvenile from suffering serious physical injury, and (ii) that it is the opinion of the physician that the juvenile should for these reasons remain in the custody of the facility for 12 hours, but (iii) that the juvenile’s parent, guardian, custodian, or caretaker cannot be reached or, upon request, will not consent to the treatment within the facility, the director shall within the initial 12-hour period file a juvenile petition alleging abuse and setting forth supporting allegations and shall seek a nonsecure custody order. A petition filed and a nonsecure custody order obtained in accordance with this subdivision shall come on for hearing under the regular provisions of this Subchapter unless the director and the certifying physician together voluntarily dismiss the petition.

(2) In all cases except those described in subdivision (1) above, the director shall conduct the investigation and may initiate juvenile proceedings and take all other steps authorized by the regular provisions of this Subchapter. If the director decides not to file a petition, the physician, the administrator, or that person’s designee may ask the prosecutor to review this decision according to the provisions of G.S. 7B-305 and G.S. 7B-306.

(c) If, upon hearing, the court determines that the juvenile is found in a county other than the county of legal residence, in accord with G.S. 153A-257, the juvenile may be transferred, in accord with G.S. 7B-903(2), to the custody of the department of social services in the county of residence.

(d) If the court, upon inquiry, determines that the medical treatment rendered was necessary and appropriate, the cost of that treatment may be charged to the parents, guardian, custodian, or caretaker, or, if the parents are unable to pay, to the county of residence in accordance with G.S. 7B-903 and G.S. 7B-904.

(e) Except as otherwise provided, a petition begun under this section shall proceed in like manner with petitions begun under G.S. 7B-302.
(f) The procedures in this section are in addition to, and not in
derogation of, the abuse and neglect reporting provisions of G.S. 7B-301
and the temporary custody provisions of G.S. 7B-500. Nothing in this
section shall preclude a physician or administrator and a director of social
services from following the procedures of G.S. 7B-301 and G.S. 7B-500
whenever these procedures are more appropriate to the juvenile's
circumstances.

"§ 7B-309. Immunity of persons reporting and cooperating in an investigation.

Anyone who makes a report pursuant to this Article, cooperates with the
county department of social services in a protective services inquiry or
investigation, testifies in any judicial proceeding resulting from a protective
services report or investigation, or otherwise participates in the program
authorized by this Article, is immune from any civil or criminal liability that
might otherwise be incurred or imposed for that action provided that the
person was acting in good faith. In any proceeding involving liability, good
faith is presumed.

"§ 7B-310. Privileges not grounds for failing to report or for excluding
evidence.

No privilege shall be grounds for any person or institution failing to
report that a juvenile may have been abused, neglected, or dependent, even
if the knowledge or suspicion is acquired in an official professional capacity,
except when the knowledge or suspicion is gained by an attorney from that
attorney's client during representation only in the abuse, neglect, or
dependency case. No privilege, except the attorney-client privilege, shall be
grounds for excluding evidence of abuse, neglect, or dependency in any
judicial proceeding (civil, criminal, or juvenile) in which a juvenile's abuse,
neglect, or dependency is in issue nor in any judicial proceeding resulting
from a report submitted under this Article, both as this privilege relates to
the competency of the witness and to the exclusion of confidential
communications.

"§ 7B-311. Central registry.

The Department of Health and Human Services shall maintain a central
registry of abuse, neglect, and dependency cases and child fatalities that are
the result of alleged maltreatment that are reported under this Article in
order to compile data for appropriate study of the extent of abuse and neglect
within the State and to identify repeated abuses of the same juvenile or of
other juveniles in the same family. This data shall be furnished by county
directors of social services to the Department of Health and Human Services
and shall be confidential, subject to policies adopted by the Social Services
Commission providing for its use for study and research and for other
appropriate disclosure. Data shall not be used at any hearing or court
proceeding unless based upon a final judgment of a court of law.

"ARTICLE 4.

"Venue; Petitions.

"§ 7B-400. Venue; pleading.

A proceeding in which a juvenile is alleged to be abused, neglected, or
dependent may be commenced in the district in which the juvenile resides or
is present. When a proceeding is commenced in a district other than that of
the juvenile's residence, the court, on its own motion or upon motion of any
party, may transfer the proceeding to the court in the district where the
juvenile resides. A transfer under this section may be made at any time.

"§ 7B-401. Pleading and process.
The pleading in an abuse, neglect, or dependency action is the petition.
The process in an abuse, neglect, or dependency action is the summons.

"§ 7B-402. Petition.
The petition shall contain the name, date of birth, address of the juvenile,
the name and last known address of the juvenile’s parent, guardian, or
custodian and shall allege the facts which invoke jurisdiction over the
juvenile. The petition may contain information on more than one juvenile
when the juveniles are from the same home and are before the court for the
same reason.

Sufficient copies of the petition shall be prepared so that copies will be
available for each parent if living separate and apart, the guardian,
custodian, or caretaker, the guardian ad litem, the social worker, and any
person determined by the court to be a necessary party.

"§ 7B-403. Receipt of reports; filing of petition.
(a) All reports concerning a juvenile alleged to be abused, neglected, or
dependent shall be referred to the director of the department of social
services for screening. Thereafter, if it is determined by the director that a
report should be filed as a petition, the petition shall be drawn by the
director, verified before an official authorized to administer oaths, and filed
by the clerk, recording the date of filing.

(b) A decision of the director of social services not to file a report as a
petition shall be reviewed by the prosecutor if review is requested pursuant
to G.S. 7B-305.

"§ 7B-404. Immediate need for petition when clerk’s office is closed.
(a) When the office of the clerk is closed, a magistrate may be authorized
by the chief district court judge to draw, verify, and issue petitions as
follows:

(1) When the director of the department of social services requests a
petition alleging a juvenile to be abused, neglected, or dependent,
or

(2) When the director of the department of social services requests a
petition alleging the obstruction of or interference with an
investigation required by G.S. 7B-302.

(b) The authority of the magistrate under this section is limited to
emergency situations when a petition is required in order to obtain a
nonsecure custody order or an order under G.S. 7B-303. Any petition
issued under this section shall be delivered to the clerk’s office for
processing as soon as that office is open for business.

"§ 7B-405. Commencement of action.
An action is commenced by the filing of a petition in the clerk’s office
when that office is open or by the issuance of a juvenile petition by a
magistrate when the clerk’s office is closed, which issuance shall constitute
filing.

"§ 7B-406. Issuance of summons.
(a) Immediately after a petition has been filed alleging that a juvenile is
abused, neglected, or dependent, the clerk shall issue a summons to the
parent, guardian, custodian, or caretaker requiring them to appear for a hearing at the time and place stated in the summons. A copy of the petition shall be attached to each summons.

(b) A summons shall be on a printed form supplied by the Administrative Office of the Courts and shall include:

1. Notice of the nature of the proceeding;
2. Notice of any right to counsel and information about how to seek the appointment of counsel prior to a hearing;
3. Notice that, if the court determines at the hearing that the allegations of the petition are true, the court will conduct a dispositional hearing to consider the needs of the juvenile and enter an order designed to meet those needs and the objectives of the State; and
4. Notice that the dispositional order or a subsequent order:
   a. May remove the juvenile from the custody of the parent, guardian, or custodian.
   b. May require that the juvenile receive medical, psychiatric, psychological, or other treatment and that the parent participate in the treatment.
   c. May require the parent to undergo psychiatric, psychological, or other treatment or counseling for the purpose of remedying the behaviors or conditions that are alleged in the petition or that contributed to the removal of the juvenile from the custody of that person.
   d. May order the parent to pay for treatment that is ordered for the juvenile or the parent.

(c) The summons shall advise the parent that upon service, jurisdiction over that person is obtained and that failure to comply with any order of the court pursuant to G.S. 7B-904 may cause the court to issue a show cause order for contempt.

(d) A summons shall be directed to the person summoned to appear and shall be delivered to any person authorized to serve process.

§ 7B-407. Service of summons.

The summons shall be personally served upon the parent, guardian, custodian, or caretaker, not less than five days prior to the date of the scheduled hearing. The time for service may be waived in the discretion of the court.

If the parent, guardian, custodian, or caretaker entitled to receive a summons cannot be found by a diligent effort, the court may authorize service of the summons and petition by mail or by publication. The cost of the service by publication shall be advanced by the petitioner and may be charged as court costs as the court may direct.

If the parent, guardian, custodian, or caretaker is personally served as herein provided and fails without reasonable cause to appear and to bring the juvenile before the court, the parent, guardian, custodian, or caretaker may be proceeded against as for contempt of court.

"ARTICLE 5.

"Temporary Custody; Nonsecure Custody; Custody Hearings.

§ 7B-500. Taking a juvenile into temporary custody.

754
Temporary custody means the taking of physical custody and providing personal care and supervision until a court order for nonsecure custody can be obtained. A juvenile may be taken into temporary custody without a court order by a law enforcement officer or a department of social services worker if there are reasonable grounds to believe that the juvenile is abused, neglected, or dependent and that the juvenile would be injured or could not be taken into custody if it were first necessary to obtain a court order. If a department of social services worker takes a juvenile into temporary custody under this section, the worker may arrange for the placement, care, supervision, and transportation of the juvenile.

"§ 7B-501. Duties of person taking juvenile into temporary custody.

(a) A person who takes a juvenile into custody without a court order under G.S. 7B-500 shall proceed as follows:

(1) Notify the juvenile's parent, guardian, custodian, or caretaker that the juvenile has been taken into temporary custody and advise the parent, guardian, custodian, or caretaker of the right to be present with the juvenile until a determination is made as to the need for nonsecure custody. Failure to notify the parent that the juvenile is in custody shall not be grounds for release of the juvenile.

(2) Release the juvenile to the juvenile's parent, guardian, custodian, or caretaker if the person having the juvenile in temporary custody decides that continued custody is unnecessary.

(3) The person having temporary custody shall communicate with the director of the department of social services who shall consider prehearing diversion. If the decision is made to file a petition, the director shall contact the judge or person delegated authority pursuant to G.S. 7B-502 for a determination of the need for continued custody.

(b) A juvenile taken into temporary custody under this Article shall not be held for more than 12 hours, or for more than 24 hours if any of the 12 hours falls on a Saturday, Sunday, or legal holiday, unless:

(1) A petition or motion for review has been filed by the director of the department of social services, and

(2) An order for nonsecure custody has been entered by the court.

"§ 7B-502. Authority to issue custody orders; delegation.

In the case of any juvenile alleged to be within the jurisdiction of the court, the court may order that the juvenile be placed in nonsecure custody pursuant to criteria set out in G.S. 7B-503 when custody of the juvenile is necessary.

Any district court judge shall have the authority to issue nonsecure custody orders pursuant to G.S. 7B-503. The chief district court judge may delegate the court's authority to persons other than district court judges by administrative order which shall be filed in the office of the clerk of superior court. The administrative order shall specify which persons shall be contacted for approval of a nonsecure custody order pursuant to G.S. 7B-503.

"§ 7B-503. Criteria for nonsecure custody.
When a request is made for nonsecure custody, the court shall first consider release of the juvenile to the juvenile's parent, relative, guardian, custodian, or other responsible adult. An order for nonsecure custody shall be made only when there is a reasonable factual basis to believe the matters alleged in the petition are true, and

(1) The juvenile has been abandoned; or
(2) The juvenile has suffered physical injury or sexual abuse; or
(3) The juvenile is exposed to a substantial risk of physical injury or sexual abuse because the parent, guardian, custodian, or caretaker has created the conditions likely to cause injury or abuse or has failed to provide, or is unable to provide, adequate supervision or protection; or
(4) The juvenile is in need of medical treatment to cure, alleviate, or prevent suffering serious physical harm which may result in death, disfigurement, or substantial impairment of bodily functions, and the juvenile's parent, guardian, custodian, or caretaker is unwilling or unable to provide or consent to the medical treatment; or
(5) The parent, guardian, custodian, or caretaker consents to the nonsecure custody order; or
(6) The juvenile is a runaway and consents to nonsecure custody.

A juvenile alleged to be abused, neglected, or dependent shall be placed in nonsecure custody only when there is a reasonable factual basis to believe that there are no other reasonable means available to protect the juvenile. In no case shall a juvenile alleged to be abused, neglected, or dependent be placed in secure custody.

§ 7B-504. Order for nonsecure custody.

The custody order shall be in writing and shall direct a law enforcement officer or other authorized person to assume custody of the juvenile and to make due return on the order. A copy of the order shall be given to the juvenile's parent, guardian, custodian, or caretaker by the official executing the order.

An officer receiving an order for custody which is complete and regular on its face may execute it in accordance with its terms. The officer is not required to inquire into the regularity or continued validity of the order and shall not incur criminal or civil liability for its due service.

§ 7B-505. Place of nonsecure custody.

A juvenile meeting the criteria set out in G.S. 7B-503 may be placed in nonsecure custody with the department of social services or a person designated in the order for temporary residential placement in:

(1) A licensed foster home or a home otherwise authorized by law to provide such care; or
(2) A facility operated by the department of social services; or
(3) Any other home or facility approved by the court and designated in the order.

In placing a juvenile in nonsecure custody under this section, the court shall first consider whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and
supervision in a safe home, then the court shall order placement of the juvenile with the relative. Prior to placement of a juvenile with a relative outside of this State, the placement must be in accordance with the Interstate Compact on the Placement of Children, Article 38 of this Chapter.

"§ 7B-506. Hearing to determine need for continued nonsecure custody.

(a) No juvenile shall be held under a nonsecure custody order for more than seven calendar days without a hearing on the merits or a hearing to determine the need for continued custody. A hearing on nonsecure custody conducted under this subsection may be continued for up to 10 business days with the consent of the juvenile’s parent, guardian, or custodian and, if appointed, the juvenile’s guardian ad litem. In addition, the court may require the consent of additional parties or may schedule the hearing on custody despite a party’s consent to a continuance. In every case in which an order has been entered by an official exercising authority delegated pursuant to G.S. 7B-502, a hearing to determine the need for continued custody shall be conducted on the day of the next regularly scheduled session of district court in the city or county where the order was entered if such session precedes the expiration of the applicable time period set forth in this subsection: Provided, that if such session does not precede the expiration of the time period, the hearing may be conducted at another regularly scheduled session of district court in the district where the order was entered.

(b) At a hearing to determine the need for continued custody, the court shall receive testimony and shall allow the guardian ad litem, or juvenile, and the juvenile’s parent, guardian, or custodian an opportunity to introduce evidence, to be heard in the person’s own behalf, and to examine witnesses. The State shall bear the burden at every stage of the proceedings to provide clear and convincing evidence that the juvenile’s placement in custody is necessary. The court shall not be bound by the usual rules of evidence at such hearings.

(c) The court shall be bound by criteria set forth in G.S. 7B-503 in determining whether continued custody is warranted.

(d) If the court determines that the juvenile meets the criteria in G.S. 7B-503 and should continue in custody, the court shall issue an order to that effect. The order shall be in writing with appropriate findings of fact. The findings of fact shall include the evidence relied upon in reaching the decision and the purposes which continued custody is to achieve.

(e) If the court orders at the hearing required in subsection (a) of this section that the juvenile remain in custody, a subsequent hearing on continued custody shall be held within seven business days of that hearing, excluding Saturdays, Sundays, and legal holidays, and pending a hearing on the merits, hearings thereafter shall be held at intervals of no more than 30 calendar days.

(f) Hearings conducted under subsection (e) of this section may be waived only with the consent of the juvenile’s parent, guardian, or custodian, and, if appointed, the juvenile’s guardian ad litem. The court may require the consent of additional parties or schedule a hearing despite a party’s consent to waiver.
(g) Any order authorizing the continued nonsecure custody of a juvenile shall include findings as to whether reasonable efforts have been made to prevent or eliminate the need for placement of the juvenile in custody and may provide for services or other efforts aimed at returning the juvenile promptly to a safe home. A finding that reasonable efforts have not been made shall not preclude the entry of an order authorizing continued custody when the court finds that continued custody is necessary for the protection of the juvenile. Where efforts to prevent the need for the juvenile’s placement were precluded by an immediate threat of harm to the juvenile, the court may find that the placement of the juvenile in the absence of such efforts was reasonable. If the court finds through written findings of fact that efforts to eliminate the need for placement of the juvenile in custody clearly would be futile or would be inconsistent with the juvenile’s safety and need for a safe, permanent home within a reasonable period of time, then the court shall specify in its order that reunification efforts are not required or order that reunification efforts cease.

(h) At each hearing to determine the need for continued nonsecure custody, the court shall:

1. Inquire as to the identity and location of any missing parent. The court shall include findings as to the efforts undertaken to locate the missing parent and to serve that parent. The order may provide for specific efforts aimed at determining the identity and location of any missing parent;

2. Inquire as to whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order temporary placement of the juvenile with the relative. Placement of a juvenile with a relative outside of this State must be in accordance with the Interstate Compact on the Placement of Children set forth in Article 38 of this Chapter; and

3. Inquire as to whether there are other juveniles remaining in the home from which the juvenile was removed and, if there are, inquire as to the specific findings of the investigation conducted under G.S. 7B-302 and any actions taken or services provided by the director for the protection of the other juveniles.

"§ 7B-507. Telephonic communication authorized.
All communications, notices, orders, authorizations, and requests authorized or required by G.S. 7B-501, 7B-503, and 7B-504 may be made by telephone when other means of communication are impractical. All written orders pursuant to telephonic communication shall bear the name and the title of the person communicating by telephone, the signature and the title of the official entering the order, and the hour and the date of the authorization.

"ARTICLE 6.
"Basic Rights.

"§ 7B-600. Appointment of guardian.
In any case when no parent appears in a hearing with the juvenile or when the court finds it would be in the best interests of the juvenile, the
court may appoint a guardian of the person for the juvenile. The guardian shall operate under the supervision of the court with or without bond and shall file only such reports as the court shall require. The guardian shall have the care, custody, and control of the juvenile or may arrange a suitable placement for the juvenile and may represent the juvenile in legal actions before any court. The guardian may consent to certain actions on the part of the juvenile in place of the parent including (i) marriage, (ii) enlisting in the armed forces, and (iii) enrollment in school. The guardian may also consent to any necessary remedial, psychological, medical, or surgical treatment for the juvenile. The authority of the guardian shall continue until the guardianship is terminated by court order, until the juvenile is emancipated pursuant to Article 35 of Subchapter IV of this Chapter, or until the juvenile reaches the age of majority.

§ 7B-601. Appointment and duties of guardian ad litem.

(a) When in a petition a juvenile is alleged to be abused or neglected, the court shall appoint a guardian ad litem to represent the juvenile. When a juvenile is alleged to be dependent, the court may appoint a guardian ad litem to represent the juvenile. The guardian ad litem and attorney advocate have standing to represent the juvenile in all actions under this Subchapter where they have been appointed. The appointment shall be made pursuant to the program established by Article 12 of this Chapter unless representation is otherwise provided pursuant to G.S. 7B-1202 or G.S. 7B-1203. The appointment shall terminate at the end of two years. The court may reappoint the guardian ad litem pursuant to a showing of good cause upon motion of any party, including the guardian ad litem, or of the court. In every case where a nonattorney is appointed as a guardian ad litem, an attorney shall be appointed in the case in order to assure protection of the juvenile's legal rights through the dispositional phase of the proceedings, and after disposition when necessary to further the best interests of the juvenile. The duties of the guardian ad litem program shall be to make an investigation to determine the facts, the needs of the juvenile, and the available resources within the family and community to meet those needs; to facilitate, when appropriate, the settlement of disputed issues; to offer evidence and examine witnesses at adjudication; to explore options with the court at the dispositional hearing; and to protect and promote the best interests of the juvenile until formally relieved of the responsibility by the court.

(b) The court may order the department of social services or the guardian ad litem to conduct follow-up investigations to ensure that the orders of the court are being properly executed and to report to the court when the needs of the juvenile are not being met. The court may also authorize the guardian ad litem to accompany the juvenile to court in any criminal action wherein the juvenile may be called on to testify in a matter relating to abuse.

(c) The court may grant the guardian ad litem the authority to demand any information or reports, whether or not confidential, that may in the guardian ad litem's opinion be relevant to the case. Neither the physician-patient privilege nor the husband-wife privilege may be invoked to prevent the guardian ad litem and the court from obtaining such information. The confidentiality of the information or reports shall be respected by the
guardian ad litem, and no disclosure of any information or reports shall be made to anyone except by order of the court or unless otherwise provided by law.

"§ 7B-602. Parent’s right to counsel.
In cases where the juvenile petition alleges that a juvenile is abused, neglected, or dependent, the parent has the right to counsel and to appointed counsel in cases of indigency unless that person waives the right. In no case may the court appoint a county attorney, prosecutor, or public defender.

"§ 7B-603. Payment of court-appointed attorney or guardian ad litem.
An attorney or guardian ad litem appointed pursuant to G.S. 7B-601 or G.S. 7B-602 pursuant to any other provision of the Juvenile Code shall be paid a reasonable fee fixed by the court in the same manner as fees for attorneys appointed in cases of indigency or by direct engagement for specialized guardian ad litem services through the Administrative Office of the Courts. The court may require payment of the attorney or guardian ad litem fee from a person other than the juvenile as provided in G.S. 7A-450.1, 7A-450.2, and 7A-450.3. In no event shall the parent or guardian be required to pay the fees for a court-appointed attorney or guardian ad litem in an abuse, neglect, or dependency proceeding unless the juvenile has been adjudicated to be abused, neglected, or dependent, or, in a proceeding to terminate parental rights, unless the parent’s rights have been terminated. A person who does not comply with the court’s order of payment may be punished for contempt as provided in G.S. 5A-21.

"ARTICLE 7.
"Discovery.

"§ 7B-700. Regulation of discovery; protective orders.
(a) Upon written motion of a party and a finding of good cause, the court may at any time order that discovery be denied, restricted, or deferred.
(b) The court may permit a party seeking relief under subsection (a) of this section to submit supporting affidavits or statements to the court for in camera inspection. If, thereafter, the court enters an order granting relief under subsection (a) of this section, the material submitted in camera must be available to the Court of Appeals in the event of an appeal.

"ARTICLE 8.
"Hearing Procedures.

"§ 7B-800. Amendment of petition.
The court may permit a petition to be amended when the amendment does not change the nature of the conditions upon which the petition is based.

"§ 7B-801. Adjudicatory hearing.
The adjudicatory hearing shall be held in the district at such time and place as the chief district court judge shall designate. The court may exclude the public from the hearing unless the juvenile moves that the hearing be open, which motion shall be granted.

"§ 7B-802. Conduct of hearing.
The adjudicatory hearing shall be a judicial process designed to adjudicate the existence or nonexistence of any of the conditions alleged in a petition. In the adjudicatory hearing, the court shall protect the rights of the juvenile and the juvenile’s parent to assure due process of law.

"§ 7B-803. Continuances.
The court may, for good cause, continue the hearing for as long as is reasonably required to receive additional evidence, reports, or assessments that the court has requested, or other information needed in the best interests of the juvenile and to allow for a reasonable time for the parties to conduct expeditious discovery. Otherwise, continuances shall be granted only in extraordinary circumstances when necessary for the proper administration of justice or in the best interests of the juvenile.

Where the juvenile is alleged to be abused, neglected, or dependent, the rules of evidence in civil cases shall apply.

§ 7B-805. Quantum of proof in adjudicatory hearing.
The allegations in a petition alleging abuse, neglect, or dependency shall be proved by clear and convincing evidence.

§ 7B-806. Record of proceedings.
All adjudicatory and dispositional hearings shall be recorded by stenographic notes or by electronic or mechanical means. Records shall be reduced to a written transcript only when timely notice of appeal has been given. The court may order that other hearings be recorded.

§ 7B-807. Adjudication.
If the court finds that the allegations in the petition have been proven by clear and convincing evidence, the court shall so state. If the court finds that the allegations have not been proven, the court shall dismiss the petition with prejudice, and if the juvenile is in nonsecure custody, the juvenile shall be released to the parent, guardian, custodian, or caretaker.

§ 7B-808. Predisposition investigation and report.
The court shall proceed to the dispositional hearing upon receipt of sufficient social, medical, psychiatric, psychological, and educational information. No predisposition report shall be submitted to or considered by the court prior to the completion of the adjudicatory hearing. The court shall permit the guardian ad litem or juvenile to inspect any predisposition report to be considered by the court in making the disposition unless the court determines that disclosure would seriously harm the juvenile’s treatment or would violate a promise of confidentiality. Opportunity to offer evidence in rebuttal shall be afforded the guardian ad litem or juvenile, and the juvenile’s parent, guardian, or custodian at the dispositional hearing. The court may order counsel not to disclose parts of the report to the guardian ad litem or juvenile, or the juvenile’s parent, guardian, or custodian if the court finds that disclosure would seriously harm the treatment of the juvenile or would violate a promise of confidentiality given to a source of information.

"ARTICLE 9.

"Dispositions.

§ 7B-900. Purpose.
The purpose of dispositions in juvenile actions is to design an appropriate plan to meet the needs of the juvenile and to achieve the objectives of the State in exercising jurisdiction. If possible, the initial approach should involve working with the juvenile and the juvenile’s family in their own home so that the appropriate community resources may be involved in care, supervision, and treatment according to the needs of the juvenile. Thus, the
court should arrange for appropriate community-level services to be provided to the juvenile and the juvenile's family in order to strengthen the home situation.

"§ 7B-901. Dispositional hearing.

The dispositional hearing may be informal and the court may consider written reports or other evidence concerning the needs of the juvenile. The juvenile and the juvenile's parent, guardian, or custodian shall have an opportunity to present evidence, and they may advise the court concerning the disposition they believe to be in the best interests of the juvenile. The court may exclude the public from the hearing unless the juvenile moves that the hearing be open, which motion shall be granted.

"§ 7B-902. Consent judgment in abuse, neglect, or dependency proceeding.

Nothing in this Article precludes the court from entering a consent order or judgment on a petition for abuse, neglect, or dependency when all parties are present, the juvenile is represented by counsel, and all other parties are either represented by counsel or have waived counsel, and sufficient findings of fact are made by the court.

"§ 7B-903. Dispositional alternatives for abused, neglected, or dependent juvenile.

The following alternatives for disposition shall be available to any court exercising jurisdiction, and the court may combine any of the applicable alternatives when the court finds the disposition to be in the best interests of the juvenile:

(1) The court may dismiss the case or continue the case in order to allow the parent or others to take appropriate action.

(2) In the case of any juvenile who needs more adequate care or supervision or who needs placement, the court may:

a. Require that the juvenile be supervised in the juvenile's own home by the department of social services in the juvenile's county, or by other personnel as may be available to the court, subject to conditions applicable to the parent or juvenile as the court may specify; or

b. Place the juvenile in the custody of a parent, relative, private agency offering placement services, or some other suitable person; or

c. Place the juvenile in the custody of the department of social services in the county of the juvenile's residence, or in the case of a juvenile who has legal residence outside the State, in the physical custody of the department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile's home state. The director may, unless otherwise ordered by the court, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act on behalf of the juvenile, the director may, unless otherwise ordered by the court, arrange for, provide, or consent to any psychiatric, psychological, educational, or other remedial evaluations or treatment for the juvenile placed
by a court or the court's designee in the custody or physical custody of a county department of social services under the authority of this or any other Chapter of the General Statutes. Prior to exercising this authority, the director shall make reasonable efforts to obtain consent from a parent or guardian of the affected juvenile. If the director cannot obtain such consent, the director shall promptly notify the parent or guardian that care or treatment has been provided and shall give the parent frequent status reports on the circumstances of the juvenile. Upon request of a parent or guardian of the affected juvenile, the results or records of the aforementioned evaluations, findings, or treatment shall be made available to such parent or guardian by the director unless prohibited by G.S. 122C-53(d).

(3) In any case, the court may order that the juvenile be examined by a physician, psychiatrist, psychologist, or other qualified expert as may be needed for the court to determine the needs of the juvenile:

a. Upon completion of the examination, the court shall conduct a hearing to determine whether the juvenile is in need of medical, surgical, psychiatric, psychological, or other treatment and who should pay the cost of the treatment. The county manager, or such person who shall be designated by the chairman of the county commissioners, of the juvenile's residence shall be notified of the hearing and allowed to be heard. If the court finds the juvenile to be in need of medical, surgical, psychiatric, psychological, or other treatment, the court shall permit the parent or other responsible persons to arrange for treatment. If the parent declines or is unable to make necessary arrangements, the court may order the needed treatment, surgery, or care, and the court may order the parent to pay the cost of the care pursuant to G.S. 7B-904. If the court finds the parent is unable to pay the cost of treatment, the court shall order the county to arrange for treatment of the juvenile and to pay for the cost of the treatment. The county department of social services shall recommend the facility that will provide the juvenile with treatment.

b. If the court believes, or if there is evidence presented to the effect that the juvenile is mentally ill or is developmentally disabled, the court shall refer the juvenile to the area mental health, developmental disabilities, and substance abuse services director for appropriate action. A juvenile shall not be committed directly to a State hospital or mental retardation center; and orders purporting to commit a juvenile directly to a State hospital or mental retardation center except for an examination to determine capacity to proceed shall be void and of no effect. The area mental health, developmental disabilities, and substance abuse director shall be responsible
for arranging an interdisciplinary evaluation of the juvenile and mobilizing resources to meet the juvenile's needs. If institutionalization is determined to be the best service for the juvenile, admission shall be with the voluntary consent of the parent or guardian. If the parent, guardian, or custodian refuses to consent to a mental hospital or retardation center admission after such institutionalization is recommended by the area mental health, developmental disabilities, and substance abuse director, the signature and consent of the court may be substituted for that purpose. In all cases in which a regional mental hospital refuses admission to a juvenile referred for admission by a court and an area mental health, developmental disabilities, and substance abuse director or discharges a juvenile previously admitted on court referral prior to completion of treatment, the hospital shall submit to the court a written report setting out the reasons for denial of admission or discharge and setting out the juvenile's diagnosis, indications of mental illness, indications of need for treatment, and a statement as to the location of any facility known to have a treatment program for the juvenile in question.

"§ 7B-904. Authority over parents of juvenile adjudicated as abused, neglected, or dependent.

(a) If the court orders medical, surgical, psychiatric, psychological, or other treatment pursuant to G.S. 7B-903, the court may order the parent or other responsible parties to pay the cost of the treatment or care ordered.

(b) At the dispositional hearing or a subsequent hearing in the case of a juvenile who has been adjudicated abused, neglected, or dependent, if the court finds that it is in the best interests of the juvenile for the parent to be directly involved in the juvenile's treatment, the court may order the parent to participate in medical, psychiatric, psychological, or other treatment of the juvenile. The cost of the treatment shall be paid pursuant to G.S. 7B-903.

(c) At the dispositional hearing or a subsequent hearing in the case of a juvenile who has been adjudicated abused, neglected, or dependent, the court may determine whether the best interests of the juvenile require that the parent undergo psychiatric, psychological, or other treatment or counseling directed toward remediating or remedying behaviors or conditions that led to or contributed to the juvenile's adjudication or to the court's decision to remove custody of the juvenile from the parent. If the court finds that the best interests of the juvenile require the parent undergo treatment, it may order the parent to comply with a plan of treatment approved by the court or condition legal custody or physical placement of the juvenile with the parent upon the parent's compliance with the plan of treatment. The court may order the parent to pay the cost of treatment ordered pursuant to this subsection. In cases in which the court has conditioned legal custody or physical placement of the juvenile with the parent upon the parent's compliance with a plan of treatment, the court may charge the cost of the treatment to the county of the juvenile's residence if the court finds the parent is unable to pay the cost of the treatment. In all
other cases, if the court finds the parent is unable to pay the cost of the treatment ordered pursuant to this subsection, the court may order the parent to receive treatment currently available from the area mental health program that serves the parent's catchment area.

(d) Whenever legal custody of a juvenile is vested in someone other than the juvenile's parent, after due notice to the parent and after a hearing, the court may order that the parent pay a reasonable sum that will cover, in whole or in part, the support of the juvenile after the order is entered. If the court requires the payment of child support, the amount of the payments shall be determined as provided in G.S. 50-13.4(c). If the court places a juvenile in the custody of a county department of social services and if the court finds that the parent is unable to pay the cost of the support required by the juvenile, the cost shall be paid by the county department of social services in whose custody the juvenile is placed, provided the juvenile is not receiving care in an institution owned or operated by the State or federal government or any subdivision thereof.

(e) Failure of a parent who is personally served to participate in or comply with this section may result in a proceeding for civil contempt. § 7B-905. Dispositional order.

(a) The dispositional order shall be in writing and shall contain appropriate findings of fact and conclusions of law. The court shall state with particularity, both orally and in the written order of disposition, the precise terms of the disposition including the kind, duration, and the person who is responsible for carrying out the disposition and the person or agency in whom custody is vested.

(b) A dispositional order under which a juvenile is removed from the custody of a parent or other person who has assumed the status and obligation of a parent without being awarded legal custody of the juvenile by a court shall direct that the review hearing required by G.S. 7B-906 be held within six months of the date of the juvenile's placement in custody and, if practicable, shall set the date and time for the review hearing.

(c) Any order directing placement of a juvenile in foster care shall also contain:

(1) A finding that the juvenile's continuation in or return to the juvenile's home would be contrary to the juvenile's best interests; and

(2) Findings as to whether reasonable efforts have been made to prevent or eliminate the need for placement of the juvenile in foster care. A finding that reasonable efforts were not made shall not preclude entry of a dispositional order authorizing placement in foster care when the court finds that such placement is needed for protection of the juvenile. When efforts to prevent the need for the juvenile's placement are precluded by an immediate threat of harm to the juvenile, the court may find that placement of the juvenile in the absence of such efforts is reasonable.

The order may provide for services or other efforts aimed at returning the juvenile promptly to a safe home. If the court finds through written findings of fact that efforts to eliminate the need for placement of the juvenile in custody clearly would be futile or would be inconsistent with the juvenile's
safety and need for a safe, permanent home within a reasonable period of
time, the court shall specify in its order that reunification efforts are not
required or order that reunification efforts cease.

(d) An order that places a juvenile in the custody of a county department
of social services for placement shall specify that the juvenile’s placement
and care are the responsibility of the county department of social services
and that the county department is to provide or arrange for the foster care or
other placement of the juvenile.

"§ 7B-906. Review of custody order.
(a) In any case where custody is removed from a parent or other person
who has assumed the status and obligation of a parent without being awarded
legal custody of the juvenile by a court, the court shall conduct a review
within six months of the date the order was entered, shall conduct a second
review within six months after the first review, and shall conduct subsequent
reviews at least every year thereafter. The Director of Social Services shall
make timely requests to the clerk to calendar the case at a session of court
scheduled for the hearing of juvenile matters within six months of the date
the order was entered. The director shall make timely requests for
 calendaring subsequent reviews. The clerk shall give 15 days’ notice of the
review to the parent or other person who has assumed the status and
obligation of a parent without being awarded legal custody of the juvenile by
a court, the juvenile, if 12 years of age or more, the guardian, foster parent,
custodian, or agency with custody, the guardian ad litem, and any other
person the court may specify, indicating the court’s impending review.

(b) Notwithstanding other provisions of this Article, the court may waive
the holding of review hearings required by subsection (a) of this section,
may require written reports to the court by the agency or person holding
custody in lieu of review hearings, or order that review hearings be held
less often than every 12 months, if the court finds by clear, cogent, and
convincing evidence that:

(1) The juvenile has resided with a relative or has been in the
custody of another suitable person for a period of at least one
year;
(2) The placement is stable and continuation of the placement is in
the juvenile’s best interests;
(3) Neither the juvenile’s best interests nor the rights of any party
require that review hearings be held every 12 months;
(4) All parties are aware that the matter may be brought before the
court for review at any time by the filing of a motion for review
or on the court’s own motion; and
(5) The court order has designated the relative or other suitable
person as the juvenile’s permanent caretaker or guardian of the
person.

The court may not waive or refuse to conduct a review hearing if a party
files a motion seeking the review.

(c) At every review hearing, the court shall consider information from
the department of social services, the juvenile, the parent or other person
who has assumed the status and obligation of a parent without being awarded
legal custody of the juvenile by a court, the custodian, the foster parent, the

766
guardian ad litem, and any public or private agency which will aid it in its review.

In each case the court shall consider the following criteria and make written findings regarding those that are relevant:

(1) Services which have been offered to reunite the family, or whether efforts to reunite the family clearly would be futile or inconsistent with the juvenile’s safety and need for a safe, permanent home within a reasonable period of time.

(2) Where the juvenile’s return home is unlikely, the efforts which have been made to evaluate or plan for other methods of care.

(3) Goals of the foster care placement and the appropriateness of the foster care plan.

(4) A new foster care plan, if continuation of care is sought, that addresses the role the current foster parent will play in the planning for the juvenile.

(5) Reports on the placements the juvenile has had and any services offered to the juvenile and the parent.

(6) When and if termination of parental rights should be considered.

(7) Any other criteria the court deems necessary.

(d) The court, after making findings of fact, may appoint a guardian of the person for the juvenile pursuant to G.S. 7B-600 or may make any disposition authorized by G.S. 7B-903, including the authority to place the juvenile in the custody of either parent or any relative found by the court to be suitable and found by the court to be in the best interests of the juvenile. If the juvenile is placed in or remains in the custody of the department of social services, the court may authorize the department to arrange and supervise a visitation plan. Except for such visitation, the juvenile shall not be returned to the parent or other person who has assumed the status and obligation of a parent without being awarded legal custody of the juvenile by a court without a hearing at which the court finds sufficient facts to show that the juvenile will receive proper care and supervision. The court may enter an order continuing the placement under review or providing for a different placement as is deemed to be in the best interests of the juvenile. If at any time custody is restored to a parent, the court shall be relieved of the duty to conduct periodic judicial reviews of the placement.

(e) At a hearing designated by the court, but at least within 12 months after the juvenile’s placement, a review hearing shall be held under this section and designated as a permanency-planning hearing. The purpose of the hearing shall be to develop a plan to achieve a safe, permanent home for the juvenile within a reasonable period of time. Notice of the hearing shall inform the parties of the purpose of the hearing. At the conclusion of the hearing, if the juvenile is not returned home, the court shall make specific findings as to the best plan of care to achieve a safe, permanent home for the juvenile within a reasonable period of time and shall enter an order consistent with those findings.

(f) The provisions of subsections (b), (c), and (d) of G.S. 7B-905 shall apply to any order entered under this section which continues the foster care placement of a juvenile.

"§ 7B-907. Posttermination of parental rights' placement court review."
S.L. 1998-202  [SESSION LAWS]

(a) The purpose of each placement review is to ensure that every reasonable effort is being made to provide for a permanent placement plan for the juvenile who has been placed in the custody of a county director or licensed child-placing agency, which is consistent with the juvenile’s best interests. At each review hearing the court may consider information from the department of social services, the licensed child-placing agency, the guardian ad litem, the juvenile, the foster parent, and any other person or agency the court determines is likely to aid in the review.

(b) The court shall conduct a placement review not later than six months from the date of the termination hearing when parental rights have been terminated by a petition brought by any person or agency designated in G.S. 7B-1102(2) through (5) and a county director or licensed child-placing agency has custody of the juvenile. The court shall conduct reviews every six months until the juvenile is placed for adoption and the adoption petition is filed by the adoptive parents:

(1) No more than 30 days and no less than 15 days prior to each review, the clerk shall give notice of the review to the juvenile if the juvenile is at least 12 years of age, the legal custodian of the juvenile, the foster parent, the guardian ad litem, if any, and any other person the court may specify. Only the juvenile, if the juvenile is at least 12 years of age, the legal custodian of the juvenile, the foster parent, and the guardian ad litem shall attend the review hearings, except as otherwise directed by the court.

(2) If a guardian ad litem for the juvenile has not been appointed previously by the court in the termination proceeding, the court, at the initial six-month review hearing, may appoint a guardian ad litem to represent the juvenile. The court may continue the case for such time as is necessary for the guardian ad litem to become familiar with the facts of the case.

(c) The court shall consider at least the following in its review:

(1) The adequacy of the plan developed by the county department of social services or a licensed child-placing agency for a permanent placement relative to the juvenile’s best interests and the efforts of the department or agency to implement such plan;

(2) Whether the juvenile has been listed for adoptive placement with the North Carolina Adoption Resource Exchange, the North Carolina Photo Adoption Listing Service (PALS), or any other specialized adoption agency; and

(3) The efforts previously made by the department or agency to find a permanent home for the juvenile.

(d) The court, after making findings of fact, shall affirm the county department’s or child-placing agency’s plans or require specific additional steps which are necessary to accomplish a permanent placement which is in the best interests of the juvenile.

(e) If the juvenile has been placed for adoption prior to the date scheduled for the review, written notice of said placement shall be given to the clerk to be placed in the court file, and the review hearing shall be cancelled with notice of said cancellation given by the clerk to all persons previously notified.
(f) The process of selection of specific adoptive parents shall be the responsibility of and within the discretion of the county department of social services or licensed child-placing agency. The guardian ad litem may request information from and consult with the county department or child-placing agency concerning the selection process. If the guardian ad litem requests information about the selection process, the county shall provide the information within five days. Any issue of abuse of discretion by the county department or child-placing agency in the selection process must be raised by the guardian ad litem within 10 days following the date the agency notifies the court and the guardian ad litem in writing of the filing of the adoption petition.

"§ 7B-908. Review of agency's plan for placement.

(a) The director of social services or the director of the licensed private child-placing agency shall promptly notify the clerk to calendar the case for review of the department's or agency's plan for the juvenile at a session of court scheduled for the hearing of juvenile matters in any case where:

(1) One parent has surrendered a juvenile for adoption under the provisions of Part 7 of Article 3 of Chapter 48 of the General Statutes and the termination of parental rights proceedings have not been instituted against the nonsurrendering parent within six months of the surrender by the other parent, or

(2) Both parents have surrendered a juvenile for adoption under the provisions of Part 7 of Article 3 of Chapter 48 of the General Statutes and that juvenile has not been placed for adoption within six months from the date of the more recent parental surrender.

(b) In any case where an adoption is dismissed or withdrawn and the juvenile returns to foster care with a department of social services or a licensed private child-placing agency, then the department of social services or licensed child-placing agency shall notify the clerk, within 30 days from the date the juvenile returns to care, to calendar the case for review of the agency's plan for the juvenile at a session of court scheduled for the hearing of juvenile matters.

(c) Notification of the court required under subsection (a) or (b) of this section shall be by a petition for review. The petition shall set forth the circumstances necessitating the review under subsection (a) or (b) of this section. The review shall be conducted within 30 days following the filing of the petition for review unless the court shall otherwise direct. The court shall conduct reviews every six months until the juvenile is placed for adoption and the adoption petition is filed by the adoptive parents. The initial review and all subsequent reviews shall be conducted pursuant to G.S. 7B-907.

"§ 7B-909. Review of voluntary foster care placements.

(a) The court shall review the placement of any juvenile in foster care made pursuant to a voluntary agreement between the juvenile's parents or guardian and a county department of social services and shall make findings from evidence presented at a review hearing with regard to:

(1) The voluntariness of the placement;
(2) The appropriateness of the placement;
(3) Whether the placement is in the best interests of the juvenile; and
The services that have been or should be provided to the parents, guardian, foster parents, and juvenile, as the case may be, either (i) to improve the placement or (ii) to eliminate the need for the placement.

(b) The court may approve the continued placement of the juvenile in foster care on a voluntary agreement basis, disapprove the continuation of the voluntary placement, or direct the department of social services to petition the court for legal custody if the placement is to continue.

(c) An initial review hearing shall be held not more than 180 days after the juvenile’s placement and shall be calendared by the clerk for hearing within such period upon timely request by the director of social services. Additional review hearings shall be held at such times as the court shall deem appropriate and shall direct, either upon its own motion or upon written request of the parents, guardian, foster parents, or director of social services. A juvenile placed under a voluntary agreement between the juvenile’s parent or guardian and the county department of social services shall not remain in placement more than 12 months without the filing of a petition alleging abuse, neglect, or dependency.

(d) The clerk shall give at least 15 days’ advance written notice of the initial and subsequent review hearings to the parents or guardian of the juvenile, to the juvenile if 12 or more years of age, to the director of social services, and to any other persons whom the court may specify.

"ARTICLE 10.

"Modification and Enforcement of Dispositional Orders; Appeals.

"§ 7B-1000. Authority to modify or vacate.

(a) Upon motion in the cause or petition, and after notice, the court may conduct a review hearing to determine whether the order of the court is in the best interests of the juvenile, and the court may modify or vacate the order in light of changes in circumstances or the needs of the juvenile.

(b) In any case where the court finds the juvenile to be abused, neglected, or dependent, the jurisdiction of the court to modify any order or disposition made in the case shall continue during the minority of the juvenile, until terminated by order of the court, or until the juvenile is otherwise emancipated.

"§ 7B-1001. Right to appeal.

Upon motion of a proper party as defined in G.S. 7B-1002, review of any final order of the court in a juvenile matter under this Article shall be before the Court of Appeals. Notice of appeal shall be given in open court at the time of the hearing or in writing within 10 days after entry of the order. However, if no disposition is made within 60 days after entry of the order, written notice of appeal may be given within 70 days after such entry. A final order shall include:

(1) Any order finding absence of jurisdiction;
(2) Any order which in effect determines the action and prevents a judgment from which appeal might be taken;
(3) Any order of disposition after an adjudication that a juvenile is abused, neglected, or dependent; or
(4) Any order modifying custodial rights.

"§ 7B-1002. Proper parties for appeal.
An appeal may be taken by the guardian ad litem or juvenile, the juvenile's parent, guardian, or custodian, the State or county agency.

§ 7B-1003. Disposition pending appeal.
Pending disposition of an appeal, the return of the juvenile to the custody of the parent or guardian of the juvenile, with or without conditions, should issue in every case unless the court orders otherwise. For compelling reasons which must be stated in writing, the court may enter a temporary order affecting the custody or placement of the juvenile as the court finds to be in the best interests of the juvenile or the State. The provisions of subsections (b), (c), and (d) of G.S. 7B-905 shall apply to any order entered under this section which provides for the placement or continued placement of a juvenile in foster care.

§ 7B-1004. Disposition after appeal.
Upon the affirmation of the order of adjudication or disposition of the court by the Court of Appeals or by the Supreme Court in the event of an appeal, the court shall have authority to modify or alter the original order of adjudication or disposition as the court finds to be in the best interests of the juvenile to reflect any adjustment made by the juvenile or change in circumstances during the period of time the appeal was pending. If the modifying order is entered ex parte, the court shall give notice to interested parties to show cause within 10 days thereafter as to why the modifying order should be vacated or altered.

ARTICLE 11.
Termination of Parental Rights.

§ 7B-1100. Legislative intent; construction of Article.
The General Assembly hereby declares as a matter of legislative policy with respect to termination of parental rights:

1. The general purpose of this Article is to provide judicial procedures for terminating the legal relationship between a juvenile and the juvenile's biological or legal parents when the parents have demonstrated that they will not provide the degree of care which promotes the healthy and orderly physical and emotional well-being of the juvenile.

2. It is the further purpose of this Article to recognize the necessity for any juvenile to have a permanent plan of care at the earliest possible age, while at the same time recognizing the need to protect all juveniles from the unnecessary severance of a relationship with biological or legal parents.

3. Action which is in the best interests of the juvenile should be taken in all cases where the interests of the juvenile and those of the juvenile's parents or other persons are in conflict.

4. This Article shall not be used to circumvent the provisions of Chapter 50A of the General Statutes, the Uniform Child Custody Jurisdiction Act.

§ 7B-1101. Jurisdiction.
The court shall have exclusive original jurisdiction to hear and determine any petition relating to termination of parental rights to any juvenile who resides in, is found in, or is in the legal or actual custody of a county department of social services or licensed child-placing agency in the district.
at the time of filing of the petition. The court shall have jurisdiction to terminate the parental rights of any parent irrespective of the age of the parent. The parent has the right to counsel and to appointed counsel in cases of indigency unless the parent waives the right. The fees of appointed counsel shall be borne by the Administrative Office of the Courts. In addition to the right to appointed counsel set forth above, a guardian ad litem shall be appointed in accordance with the provisions of G.S. 1A-1, Rule 17, to represent a parent in the following cases:

(1) Where it is alleged that a parent's rights should be terminated pursuant to G.S. 7B-1110(6); or

(2) Where the parent is under the age of 18 years.

The fees of the guardian ad litem shall be borne by the Administrative Office of the Courts when the court finds that the respondent is indigent. In other cases the fees of the court-appointed guardian ad litem shall be a proper charge against the respondent if the respondent does not secure private legal counsel. Provided, that before exercising jurisdiction under this Article, the court shall find that it would have jurisdiction to make a child-custody determination under the provisions of G.S. 50A-3. Provided, further, that the clerk of superior court shall have jurisdiction for adoptions under the provisions of G.S. 48-2-100 and Chapter 48 of the General Statutes generally.

"§ 7B-1102. Who may petition.

A petition to terminate the parental rights of either or both parents to his, her, or their minor juvenile may only be filed by:

(1) Either parent seeking termination of the right of the other parent; or

(2) Any person who has been judicially appointed as the guardian of the person of the juvenile; or

(3) Any county department of social services, consolidated county human services agency, or licensed child-placing agency to whom custody of the juvenile has been given by a court of competent jurisdiction; or

(4) Any county department of social services, consolidated county human services agency, or licensed child-placing agency to which the juvenile has been surrendered for adoption by one of the parents or by the guardian of the person of the juvenile, pursuant to G.S. 48-3-701; or

(5) Any person with whom the juvenile has resided for a continuous period of two years or more next preceding the filing of the petition; or

(6) Any guardian ad litem appointed to represent the minor juvenile pursuant to G.S. 7B-601 who has not been relieved of this responsibility and who has served in this capacity for at least one continuous year; or

(7) Any person who has filed a petition for adoption pursuant to Chapter 48 of the General Statutes.

"§ 7B-1103. Petition.

The petition shall be verified by the petitioner and shall be entitled 'In Re (last name of juvenile)', a minor juvenile; and shall set forth such of the
following facts as are known; and with respect to the facts which are unknown the petitioner shall so state:

(1) The name of the juvenile as it appears on the juvenile’s birth certificate, the date and place of birth, and the county where the juvenile is presently residing.

(2) The name and address of the petitioner and facts sufficient to identify the petitioner as one entitled to petition under G.S. 7B-1102.

(3) The name and address of the parents of the juvenile. If the name or address of one or both parents is unknown to the petitioner, the petitioner shall set forth with particularity the petitioner’s efforts to ascertain the identity or whereabouts of the parent or parents. The information may be contained in an affidavit attached to the petition and incorporated therein by reference.

(4) The name and address of any person appointed as guardian of the person of the juvenile pursuant to the provisions of Chapter 35A of the General Statutes, or of G.S. 7B-600.

(5) The name and address of any person or agency to whom custody of the juvenile has been given by a court of this or any other state; and a copy of the custody order shall be attached to the petition.

(6) Facts that are sufficient to warrant a determination that one or more of the grounds for terminating parental rights exist.

(7) That the petition has not been filed to circumvent the provisions of Chapter 50A of the General Statutes, the Uniform Child Custody Jurisdiction Act.

"§ 7B-1104. Preliminary hearing; unknown parent.

(a) If either the name or identity of any parent whose parental rights the petitioner seeks to terminate is not known to the petitioner, the court shall, within 10 days from the date of filing of the petition, or during the next term of court in the county where the petition is filed if there is no court in the county in that 10-day period, conduct a preliminary hearing to ascertain the name or identity of such parent.

(b) The court may, in its discretion, inquire of any known parent of the juvenile concerning the identity of the unknown parent and may appoint a guardian ad litem for the unknown parent to conduct a diligent search for the parent. Should the court ascertain the name or identity of the parent, it shall enter a finding to that effect; and the parent shall be summoned to appear in accordance with G.S. 7B-1105.

(c) Notice of the preliminary hearing need be given only to the petitioner who shall appear at the hearing, but the court may cause summons to be issued to any person directing the person to appear and testify.

(d) If the court is unable to ascertain the name or identity of the unknown parent, the court shall order publication of notice of the termination proceeding and shall specifically order the place or places of publication and the contents of the notice which the court concludes is most likely to identify the juvenile to such unknown parent. The notice shall be published in a newspaper qualified for legal advertising in accordance with G.S. 1-597 and
G.S. 1-598 and published in the counties directed by the court, once a week for three successive weeks. Provided, further, the notice shall:

1. Designate the court in which the petition is pending;
2. Be directed to 'the father (mother) (father and mother) of a male (female) juvenile born on or about ......................in

(date)

.................County, ...........................................

(city)

................., respondent’;

(State)

3. Designate the docket number and title of the case (the court may direct the actual name of the title be eliminated and the words 'In Re Doe' substituted therefor);
4. State that a petition seeking to terminate the parental rights of the respondent has been filed;
5. Direct the respondent to answer the petition within 30 days after a date stated in the notice, exclusive of such date, which date so stated shall be the date of first publication of notice and be substantially in the form as set forth in G.S. 1A-1, Rule 4(j1); and
6. State that the respondent’s parental rights to the juvenile will be terminated upon failure to answer the petition within the time prescribed.

Upon completion of the service, an affidavit of the publisher shall be filed with the court.

(e) The court shall issue the order required by subsections (b) and (d) of this section within 30 days from the date of the preliminary hearing unless the court shall determine that additional time for investigation is required.

(f) Upon the failure of the parent served by publication pursuant to subsection (d) of this section to answer the petition within the time prescribed, the court shall issue an order terminating all parental rights of the unknown parent.

§ 7B-1105. Issuance of summons.

(a) Except as provided in G.S. 7B-1104, upon the filing of the petition, the court shall cause a summons to be issued. The summons shall be directed to the following persons or agency, not otherwise a party petitioner, who shall be named as respondents:

1. The parents of the juvenile;
2. Any person who has been judicially appointed as guardian of the person of the juvenile;
3. The custodian of the juvenile appointed by a court of competent jurisdiction;
4. Any county department of social services or licensed child-placing agency to whom a juvenile has been released by one parent pursuant to Part 7 of Article 3 of Chapter 48 of the General Statutes; and
5. The juvenile, if the juvenile is 12 years of age or older at the time the petition is filed.
Provided, no summons need be directed to or served upon any parent who has previously surrendered the juvenile to a county department of social services or licensed child-placing agency nor to any parent who has consented to the adoption of the juvenile by the petitioner. The summons shall notify the respondents to file a written answer within 30 days after service of the summons and petition. Service of the summons shall be completed as provided under the procedures established by G.S. 1A-1, Rule 4(j); but the parent of the juvenile shall not be deemed to be under disability even though the parent is a minor.

(b) The summons shall be issued for the purpose of terminating parental rights pursuant to the provisions of subsection (a) of this section and shall include:

(1) The name of the minor juvenile;

(2) Notice that a written answer to the petition must be filed with the clerk who signed the petition within 30 days after service of the summons and a copy of the petition, or the parent's rights may be terminated;

(3) Notice that if they are indigent, the parents are entitled to appointed counsel. The parents may contact the clerk immediately to request counsel;

(4) Notice that this is a new case. Any attorney appointed previously will not represent the parents in this proceeding unless ordered by the court;

(5) Notice that the date, time, and place of the hearing will be mailed by the clerk upon filing of the answer or 30 days from the date of service if no answer is filed; and

(6) Notice of the purpose of the hearing and notice that the parents may attend the termination hearing.

"§ 7B-1106. Failure of respondents to answer.

Upon the failure of the respondents to file written answer to the petition with the court within 30 days after service of the summons and petition, or within the time period established for a defendant's reply by G.S. 1A-1, Rule 4(j)) if service is by publication, the court shall issue an order terminating all parental and custodial rights of the respondent or respondents with respect to the juvenile; provided the court shall order a hearing on the petition and may examine the petitioner or others on the facts alleged in the petition.

"§ 7B-1107. Answer of respondents.

(a) Any respondent may file a written answer to the petition. The answer shall admit or deny the allegations of the petition and shall set forth the name and address of the answering respondent or the respondent's attorney.

(b) If an answer denies any material allegation of the petition, the court shall appoint a guardian ad litem for the juvenile to represent the best interests of the juvenile, unless the petition was filed by the guardian ad litem pursuant to G.S. 7B-1102. A licensed attorney shall be appointed to assist those guardians ad litem who are not attorneys licensed to practice in North Carolina. The appointment, duties, and payment of the guardian ad litem shall be the same as in G.S. 7B-601 and G.S. 7B-603. The court shall conduct a special hearing after notice of not less than 10 days nor more than
30 days to the petitioner, the answering respondent, and the guardian ad litem for the juvenile to determine the issues raised by the petition and answer. Notice of the hearing shall be deemed to have been given upon the depositing thereof in the United States mail, first-class postage prepaid, and addressed to the petitioner, respondent, and guardian ad litem or their counsel of record, at the addresses appearing in the petition and responsive pleading.

(c) In proceedings under this Article, the appointment of a guardian ad litem shall not be required except, as provided above, in cases in which an answer is filed denying material allegations, or as required under G.S. 7B-1101; but the court may, in its discretion, appoint a guardian ad litem for a juvenile, either before or after determining the existence of grounds for termination of parental rights, in order to assist the court in determining the best interests of the juvenile.

(d) If a guardian ad litem has previously been appointed for the juvenile under G.S. 7B-601, and the appointment of a guardian ad litem could also be made under this section, the guardian ad litem appointed under G.S. 7B-601, and any attorney appointed to assist that guardian, shall also represent the juvenile in all proceedings under this Article and shall have the duties and payment of a guardian ad litem appointed under this section, unless the court determines that the best interests of the juvenile require otherwise.

"§ 7B-1108. Adjudicatory hearing on termination.

(a) The hearing on the termination of parental rights shall be conducted by the court sitting without a jury. Reporting of the hearing shall be as provided by G.S. 7A-198 for reporting civil trials.

(b) The court shall inquire whether the juvenile’s parents are present at the hearing and, if so, whether they are represented by counsel. If the parents are not represented by counsel, the court shall inquire whether the parents desire counsel but are indigent. In the event that the parents desire counsel but are indigent as defined in G.S. 7A-450(a) and are unable to obtain counsel to represent them, the court shall appoint counsel to represent them. The court shall grant the parents such an extension of time as is reasonable to permit their appointed counsel to prepare their defense to the termination petition. In the event that the parents do not desire counsel and are present at the hearing, the court shall examine each parent and make findings of fact sufficient to show that the waivers were knowing and voluntary. This examination shall be reported as provided in G.S. 7A-198.

(c) The court may, upon finding that reasonable cause exists, order the juvenile to be examined by a psychiatrist, a licensed clinical psychologist, a physician, a public or private agency, or any other expert in order that the juvenile’s psychological or physical condition or needs may be ascertained or, in the case of a parent whose ability to care for the juvenile is at issue, the court may order a similar examination of any parent of the juvenile.

(d) The court may for good cause shown continue the hearing for such time as is required for receiving additional evidence, any reports or assessments which the court has requested, or any other information needed in the best interests of the juvenile.
(e) The court shall take evidence, find the facts, and shall adjudicate the existence or nonexistence of any of the circumstances set forth in G.S. 7B-1110 which authorize the termination of parental rights of the respondent.

(f) The burden in such proceedings shall be upon the petitioner and all findings of fact shall be based on clear, cogent, and convincing evidence. No husband-wife or physician-patient privilege shall be grounds for excluding any evidence regarding the existence or nonexistence of any circumstance authorizing the termination of parental rights.

"§ 7B-1109. Disposition.

(a) Should the court determine that any one or more of the conditions authorizing a termination of the parental rights of a parent exist, the court shall issue an order terminating the parental rights of such parent with respect to the juvenile unless the court shall further determine that the best interests of the juvenile require that the parental rights of the parent not be terminated.

(b) Should the court conclude that, irrespective of the existence of one or more circumstances authorizing termination of parental rights, the best interests of the juvenile require that rights should not be terminated, the court shall dismiss the petition, but only after setting forth the facts and conclusions upon which the dismissal is based.

(c) Should the court determine that circumstances authorizing termination of parental rights do not exist, the court shall dismiss the petition, making appropriate findings of fact and conclusions.

(d) Counsel for the petitioner shall serve a copy of the termination of parental rights order upon the guardian ad litem for the juvenile, if any, and upon the juvenile if the juvenile is 12 years of age or older.

(e) The court may tax the cost of the proceeding to any party.

"§ 7B-1110. Grounds for terminating parental rights.

(a) The court may terminate the parental rights upon a finding of one or more of the following:

1) The parent has abused or neglected the juvenile. The juvenile shall be deemed to be abused or neglected if the court finds the juvenile to be an abused juvenile within the meaning of G.S. 7B-101 or a neglected juvenile within the meaning of G.S. 7B-101.

2) The parent has willfully left the juvenile in foster care for more than 12 months without showing to the satisfaction of the court that reasonable progress under the circumstances has been made within 12 months in correcting those conditions which led to the removal of the juvenile. Provided, however, that no parental rights shall be terminated for the sole reason that the parents are unable to care for the juvenile on account of their poverty.

3) The juvenile has been placed in the custody of a county department of social services, a licensed child-placing agency, a child-caring institution, or a foster home, and the parent, for a continuous period of six months next preceding the filing of the petition, has willfully failed for such period to pay a reasonable portion of the cost of care for the juvenile although physically and financially able to do so.
(4) One parent has been awarded custody of the juvenile by judicial decree or has custody by agreement of the parents, and the other parent whose parental rights are sought to be terminated has for a period of one year or more next preceding the filing of the petition willfully failed without justification to pay for the care, support, and education of the juvenile, as required by said decree or custody agreement.

(5) The father of a juvenile born out of wedlock has not, prior to the filing of a petition to terminate parental rights:
   a. Established paternity judicially or by affidavit which has been filed in a central registry maintained by the Department of Health and Human Services; provided, the court shall inquire of the Department of Health and Human Services as to whether such an affidavit has been so filed and shall incorporate into the case record the Department's certified reply; or
   b. Legitimated the juvenile pursuant to provisions of G.S. 49-10 or filed a petition for this specific purpose; or
   c. Legitimated the juvenile by marriage to the mother of the juvenile; or
   d. Provided substantial financial support or consistent care with respect to the juvenile and mother.

(6) That the parent is incapable of providing for the proper care and supervision of the juvenile, such that the juvenile is a dependent juvenile within the meaning of G.S. 7B-101, and that there is a reasonable probability that such incapability will continue for the foreseeable future. Incapability under this subdivision may be the result of substance abuse, mental retardation, mental illness, organic brain syndrome, or any other similar cause or condition.

(7) The parent has willfully abandoned the juvenile for at least six consecutive months immediately preceding the filing of the petition. For the purpose of this subdivision, a juvenile may be willfully abandoned by the juvenile's natural father if the mother of the juvenile had been willfully abandoned by and was living separate and apart from the father at the time of the juvenile's birth, although the father may not have known of such birth; but in any event the juvenile must be over the age of three months at the time of the filing of the petition.

(b) The burden in such proceedings shall be upon the petitioner to prove the facts justifying such termination by clear and convincing evidence.

"§ 7B-1111. Effects of termination order.
An order terminating the parental rights completely and permanently terminates all rights and obligations of the parent to the juvenile and of the juvenile to the parent arising from the parental relationship, except that the juvenile's right of inheritance from the juvenile's parent shall not terminate until a final order of adoption is issued. The parent is not thereafter entitled to notice of proceedings to adopt the juvenile and may not object thereto or otherwise participate therein:
If the juvenile had been placed in the custody of or released for adoption by one parent to a county department of social services or licensed child-placing agency and is in the custody of the agency at the time of the filing of the petition, including a petition filed pursuant to G.S. 7B-1102(6), that agency shall, upon entry of the order terminating parental rights, acquire all of the rights for placement of the juvenile as the agency would have acquired had the parent whose rights are terminated released the juvenile to that agency pursuant to the provisions of Part 7 of Article 3 of Chapter 48 of the General Statutes, including the right to consent to the adoption of the juvenile.

Except as provided in subdivision (1) above, upon entering an order terminating the parental rights of one or both parents, the court may place the juvenile in the custody of the petitioner, or some other suitable person, or in the custody of the department of social services or licensed child-placing agency, as may appear to be in the best interests of the juvenile.

§ 7B-1112. Appeals; modification of order after affirmation.

Any juvenile, parent, guardian, custodian, or agency who is a party to a proceeding under this Article may appeal from an adjudication or any order of disposition to the Court of Appeals, provided that notice of appeal is given in open court at the time of the hearing or in writing within 10 days after the hearing. Pending disposition of an appeal, the court may enter a temporary order affecting the custody or placement of the juvenile as the court finds to be in the best interests of the juvenile or the best interests of the State. Upon the affirmation of the order of adjudication or disposition of the court in a juvenile case by the Court of Appeals, or by the Supreme Court in the event of an appeal, the court shall have authority to modify or alter its original order of adjudication or disposition as the court finds to be in the best interests of the juvenile to reflect any adjustment made by the juvenile or change in circumstances during the period of time the case on appeal was pending, provided that if the modifying order be entered ex parte, the court shall give notice to interested parties to show cause, if any there be, within 10 days thereafter, as to why the modifying order should be vacated or altered.

"ARTICLE 12.

"§ 7B-1200. Office of Guardian ad Litem Services established.

There is established within the Administrative Office of the Courts an Office of Guardian ad Litem Services to provide services in accordance with G.S. 7B-601 to abused, neglected, or dependent juveniles involved in judicial proceedings and to assure that all participants in these proceedings are adequately trained to carry out their responsibilities. Each local program shall consist of volunteer guardians ad litem, at least one program attorney, a program coordinator who is a paid State employee, and any clerical staff as the Administrative Office of the Courts in consultation with the local program deems necessary. The Administrative Office of the Courts shall adopt rules and regulations necessary and appropriate for the administration of the program.
"§ 7B-1201. Implementation and administration.
(a) Local Programs. -- The Administrative Office of the Courts shall, in cooperation with each chief district court judge and other personnel in the district, implement and administer the program mandated by this Article. Where a local program has not yet been established in accordance with this Article, the district court district shall operate a guardian ad litem program approved by the Administrative Office of the Courts.
(b) Advisory Committee Established. -- The Director of the Administrative Office of the Courts shall appoint a Guardian ad Litem Advisory Committee consisting of at least five members to advise the Office of Guardian ad Litem Services in matters related to this program. The members of the Advisory Committee shall receive the same per diem and reimbursement for travel expenses as members of State boards and commissions generally.
"§ 7B-1202. Conflict of interest or impracticality of implementation.
If a conflict of interest prohibits a local program from providing representation to an abused, neglected, or dependent juvenile, the court may appoint any member of the district bar to represent the juvenile. If the Administrative Office of the Courts determines that within a particular district court district the implementation of a local program is impractical, or that an alternative plan meets the conditions of G.S. 7B-1203, the Administrative Office of the Courts shall waive the establishment of the program within the district.
"§ 7B-1203. Alternative plans.
A district court district shall be granted a waiver from the implementation of a local program if the Administrative Office of the Courts determines that the following conditions are met:
(1) An alternative plan has been developed to provide adequate guardian ad litem services for every juvenile consistent with the duties stated in G.S. 7B-601; and
(2) The proposed alternative plan will require no greater proportion of State funds than the district court district’s abuse and neglect caseload represents to the State’s abuse and neglect caseload. Computation of abuse and neglect caseloads shall include such factors as the juvenile population, number of substantiated abuse and neglect reports, number of abuse and neglect petitions, number of abused and neglected juveniles in care to be reviewed pursuant to G.S. 7B-906, nature of the district’s district court caseload, and number of petitions to terminate parental rights.

When an alternative plan is approved pursuant to this section, the Administrative Office of the Courts shall retain authority to monitor implementation of the said plan in order to assure compliance with the requirements of this Article and G.S. 7B-601. In any district court district where the Administrative Office of the Courts determines that implementation of an alternative plan is not in compliance with the requirements of this section, the Administrative Office of the Courts may implement and administer a program authorized by this Article.
"§ 7B-1204. Civil liability of volunteers.
Any volunteer participating in a judicial proceeding pursuant to the program authorized by this Article shall not be civilly liable for acts or
implementing this section, and shall establish a State-wide program.

"ARTICLE 13. Prevention of Abuse and Neglect."

§ 7B-1300. Purpose.

It is the expressed intent of this Article to make the prevention of abuse and neglect, as defined in G.S. 7B-101, a priority of this State and to establish the Children’s Trust Fund as a means to that end.

§ 7B-1301. Program on Prevention of Abuse and Neglect.

(a) The State Board of Education, through the Department of Public Instruction, shall implement the Program on Prevention of Abuse and Neglect. The Department of Public Instruction, subject to the approval of the State Board of Education, shall provide the staff and support services for implementing this program.

(b) In order to carry out the purposes of this Article:

(1) The Department of Public Instruction shall review applications and make recommendations to the State Board of Education concerning the awarding of contracts under this Article.

(2) The State Board of Education shall contract with public or private nonprofit organizations, agencies, schools, or with qualified individuals to operate community-based educational and service programs designed to prevent the occurrence of abuse and neglect. Every contract entered into by the State Board of Education shall contain provisions that at least twenty-five percent (25%) of the total funding required for a program be provided by the administering organization in the form of in-kind or other services and that a mechanism for evaluation of services provided under the contract be included in the services to be performed. In addition, every proposal to the Department of Public Instruction for funding under this Article shall include assurances that the proposal has been forwarded to the local department of social services for comment so that the Department of Public Instruction may consider coordination and duplication of effort on the local level as criteria in making recommendations to the State Board of Education.

(3) The State Board of Education, with the assistance of the Department of Public Instruction, shall develop appropriate guidelines and criteria for awarding contracts under this Article. These criteria shall include, but are not limited to: documentation of need within the proposed geographical impact area; diversity of geographical areas of programs funded under this Article; demonstrated effectiveness of the proposed strategy or program for preventing abuse and neglect; reasonableness of implementation plan for achieving stated objectives; utilization of community resources including volunteers; provision for an evaluation component that will provide outcome data; plan for dissemination of the program for implementation in other communities; and potential for future funding from private sources.
(4) The State Board of Education, with the assistance of the Department of Public Instruction, shall develop guidelines for regular monitoring of contracts awarded under this Article in order to maximize the investments in prevention programs by the Children’s Trust Fund and to establish appropriate accountability measures for administration of contracts.

(5) The State Board of Education shall develop a State plan for the prevention of abuse and neglect for submission to the Governor, the President of the Senate, and the Speaker of the House of Representatives.

(c) To assist in implementing this Article, the State Board of Education may accept contributions, grants, or gifts in cash or otherwise from persons, associations, or corporations. All monies received by the State Board of Education from contributions, grants, or gifts and not through appropriation by the General Assembly shall be deposited in the Children’s Trust Fund. Disbursements of the funds shall be on the authorization of the State Board of Education or that Board’s duly authorized representative. In order to maintain an effective expenditure and revenue control, the funds are subject in all respects to State law and regulations, but no appropriation is required to permit expenditure of the funds.

(d) Programs contracted for under this Article are intended to prevent abuse and neglect of juveniles. Abuse and neglect prevention programs are defined to be those programs and services which impact on juveniles and families before any substantiated incident of abuse or neglect has occurred. These programs may include, but are not limited to:

(1) Community-based educational programs on prenatal care, perinatal bonding, child development, basic child care, care of children with special needs, and coping with family stress; and

(2) Community-based programs relating to crisis care, aid to parents, and support groups for parents and their children experiencing stress within the family unit.

(e) No more than twenty percent (20%) of each year’s total awards may be utilized for funding State-level programs to coordinate community-based programs.

"§ 7B-1302. Children’s Trust Fund.

There is established a fund to be known as the ‘Children’s Trust Fund,’ in the Department of State Treasurer, which shall be funded pursuant to G.S. 161-11.1, and which shall be used by the State Board of Education to fund abuse and neglect prevention programs so authorized by this Article.

"ARTICLE 14.

"§ 7B-1400. Declaration of public policy.

The General Assembly finds that it is the public policy of this State to prevent the abuse, neglect, and death of juveniles. The General Assembly further finds that the prevention of the abuse, neglect, and death of juveniles is a community responsibility; that professionals from disparate disciplines have responsibilities for children or juveniles and have expertise that can promote their safety and well-being; and that multidisciplinary reviews of the abuse, neglect, and death of juveniles can lead to a greater understanding of
the causes and methods of preventing these deaths. It is, therefore, the
intent of the General Assembly, through this Article, to establish a statewide
multidisciplinary, multiagency child fatality prevention system consisting of
the State Team established in G.S. 7B-1404 and the Local Teams established
in G.S. 7B-1406. The purpose of the system is to assess the records of
selected cases in which children are being served by child protective services
and the records of all deaths of children in North Carolina from birth to age
18 in order to (i) develop a communitywide approach to the problem of child
abuse and neglect, (ii) understand the causes of childhood deaths, (iii)
identify any gaps or deficiencies that may exist in the delivery of services to
children and their families by public agencies that are designed to prevent
future child abuse, neglect, or death, and (iv) make and implement
recommendations for changes to laws, rules, and policies that will support
the safe and healthy development of our children and prevent future child
abuse, neglect, and death.

"§ 7B-1401. Definitions.
The following definitions apply in this Article:

Fatality Prevention Team.

"ARTICLE 17.

795
"Screening of Delinquency and Undisciplined Complaints.

§ 7B-1700. Intake services.
The chief court counselor, under the direction of the Office, shall establish intake services in each judicial district of the State for all delinquency and undisciplined cases.

The purpose of intake services shall be to determine from available evidence whether there are reasonable grounds to believe the facts alleged are true, to determine whether the facts alleged constitute a delinquent or undisciplined offense within the jurisdiction of the court, to determine whether the facts alleged are sufficiently serious to warrant court action, and to obtain assistance from community resources when court referral is not necessary. The intake counselor shall not engage in field investigations to substantiate complaints or to produce supplementary evidence but may refer complainants to law enforcement agencies for those purposes.

§ 7B-1701. Preliminary inquiry.
When a complaint is received, the intake counselor shall make a preliminary determination as to whether the juvenile is within the jurisdiction of the court as a delinquent or undisciplined juvenile. If the intake counselor finds that the facts contained in the complaint do not state a case within the jurisdiction of the court, that legal sufficiency has not been established, or that the matters alleged are frivolous, the intake counselor, without further inquiry, shall refuse authorization to file the complaint as a petition.

When requested by the intake counselor, the prosecutor shall assist in determining the sufficiency of evidence as it affects the quantum of proof and the elements of offenses.

The intake counselor, without further inquiry, shall authorize the complaint to be filed as a petition if the intake counselor finds reasonable grounds to believe that the juvenile has committed one of the following nondismissible offenses:

(1) Murder;
(2) First-degree rape or second degree rape;
(3) First-degree sexual offense or second degree sexual offense;
(4) Arson;
(5) Any violation of Article 5, Chapter 90 of the General Statutes that would constitute a felony if committed by an adult;
(6) First degree burglary;
(7) Crime against nature; or
(8) Any felony which involves the willful infliction of serious bodily injury upon another or which was committed by use of a deadly weapon.

§ 7B-1702. Evaluation.

Upon a finding of legal sufficiency, except in cases involving nondismissible offenses set out in G.S. 7B-1701, the intake counselor shall determine whether a complaint should be filed as a petition, the juvenile diverted pursuant to G.S. 7B-1706, or the case resolved without further action. In making the decision, the counselor shall consider criteria provided by the Office. The intake process shall include the following steps if practicable:
(1) Interviews with the complainant and the victim if someone other than the complainant;
(2) Interviews with the juvenile and the juvenile’s parent, guardian, or custodian;
(3) Interviews with persons known to have relevant information about the juvenile or the juvenile’s family.

Interviews required by this section shall be conducted in person unless it is necessary to conduct them by telephone.

§ 7B-1703. Evaluation decision.
(a) The intake counselor shall complete evaluation of a complaint within 15 days of receipt of the complaint, with an extension for a maximum of 15 additional days at the discretion of the chief court counselor. The intake counselor shall decide within this time period whether a complaint shall be filed as a juvenile petition.

(b) Except as provided in G.S. 7B-1706, if the intake counselor determines that a complaint should be filed as a petition, the counselor shall file the petition as soon as practicable, but in any event within 15 days after the complaint is received, with an extension for a maximum of 15 additional days at the discretion of the chief court counselor. The intake counselor shall assist the complainant when necessary with the preparation and filing of the petition, shall include on it the date and the words ‘Approved for Filing’, shall sign it, and shall transmit it to the clerk of superior court.

(c) If the intake counselor determines that a petition should not be filed, the intake counselor shall notify the complainant immediately in writing with reasons for the decision and shall include notice of the complainant’s right to have the decision reviewed by the prosecutor. The intake counselor shall sign the complaint after indicating on it:

(1) The date of the determination;
(2) The words ‘Not Approved for Filing’; and
(3) Whether the matter is ‘Closed’ or ‘Diverted and Retained’.

Except as provided in G.S. 7B-1706, any complaint not approved for filing as a juvenile petition shall be destroyed by the intake counselor after holding the complaint for a temporary period to allow review as provided in G.S. 7B-1705.

§ 7B-1704. Request for review by prosecutor.

The complainant has five calendar days, from receipt of the intake counselor’s decision not to approve the filing of a petition, to request review by the prosecutor. The intake counselor shall notify the prosecutor immediately of such request and shall transmit to the prosecutor a copy of the complaint. The prosecutor shall notify the complainant and the intake counselor of the time and place for the review.

§ 7B-1705. Review of determination that petition should not be filed.

No later than 20 days after the complainant is notified, the prosecutor shall review the intake counselor’s determination that a juvenile petition should not be filed. Review shall include conferences with the complainant and the intake counselor. At the conclusion of the review, the prosecutor shall: (i) affirm the decision of the intake counselor or direct the filing of a petition and (ii) notify the complainant of the prosecutor’s action.

§ 7B-1706. Diversion plans and referral.
(a) Unless the offense is one in which a petition is required by G.S. 7B-1701, upon a finding of legal sufficiency the intake counselor may divert the juvenile pursuant to a diversion plan, which may include referring the juvenile to any of the following resources:

1. An appropriate public or private resource;
2. Restitution;
3. Community service;
4. Victim-offender mediation;
5. Regimented physical training;
6. Counseling;
7. A teen court program, as set forth in subsection (c) of this section.

As part of a diversion plan, the intake counselor may enter into a diversion contract with the juvenile and the juvenile’s parent, guardian, or custodian.

(b) Unless the offense is one in which a petition is required by G.S. 7B-1701, upon a finding of legal sufficiency the intake counselor may enter into a diversion contract with the juvenile and the parent, guardian, or custodian; provided, a diversion contract requires the consent of the juvenile and the juvenile’s parent, guardian, or custodian. A diversion contract shall:

1. State conditions by which the juvenile agrees to abide and any actions the juvenile agrees to take;
2. State conditions by which the parent, guardian, or custodian agrees to abide and any actions the parent, guardian, or custodian agrees to take;
3. Describe the role of the court counselor in relation to the juvenile and the parent, guardian, or custodian;
4. Specify the length of the contract, which shall not exceed six months;
5. Indicate that all parties understand and agree that:
   a. The juvenile’s violation of the contract may result in the filing of the complaint as a petition; and
   b. The juvenile’s successful completion of the contract shall preclude the filing of a petition.

After a diversion contract is signed by the parties, the intake counselor shall provide copies of the contract to the juvenile and the juvenile’s parent, guardian, or custodian. The intake counselor shall notify any agency or other resource from which the juvenile or the juvenile’s parent, guardian, or custodian will be seeking services or treatment pursuant to the terms of the contract. At any time during the term of the contract if the court counselor determines that the juvenile has failed to comply substantially with the terms of the contract, the court counselor may file the complaint as a petition. Unless the court counselor has filed the complaint as a petition, the intake counselor shall close the juvenile’s file in regard to the diverted matter within six months after the date of the contract.

(c) If a teen court program has been established in the district, the intake counselor, upon a finding of legal sufficiency, may refer to a teen court program, any case in which a juvenile has allegedly committed an offense that would be an infraction or misdemeanor if committed by an adult.
However, the intake counselor shall not refer a case to a teen court program
(i) if the juvenile has been referred to a teen court program previously, or
(ii) if the juvenile is alleged to have committed any of the following offenses:

2. A Class A1 misdemeanor;
3. An assault in which a weapon is used; or
4. A controlled substance offense under Article 5 of Chapter 90 of the General Statutes, other than simple possession of a Schedule VI drug or alcohol.

(d) The intake counselor shall maintain diversion plans and contracts entered into pursuant to this section to allow intake counselors to determine when a juvenile has had a complaint diverted previously. Diversion plans and contracts are not public records under Chapter 132 of the General Statutes, shall not be included in the clerk’s record pursuant to G.S. 7B-3000, and shall be withheld from public inspection or examination. Diversion plans and contracts shall be destroyed when the juvenile reaches the age of 18 years or when the juvenile is no longer under the jurisdiction of the court, whichever is longer.

(e) No later than 60 days after the intake counselor diverts a juvenile, the intake counselor shall determine whether the juvenile and the juvenile’s parent, guardian, or custodian have complied with the terms of the diversion plan or contract. In making this determination, the intake counselor shall contact any referral resources to determine whether the juvenile and the juvenile’s parent, guardian, or custodian complied with any recommendations for treatment or services made by the resource. If the juvenile and the juvenile’s parent, guardian, or custodian have not complied, the intake counselor shall reconsider the decision to divert and may authorize the filing of the complaint as a petition within 10 days after making the determination. If the intake counselor does not file a petition, the intake counselor may continue to monitor the case for up to six months from the date of the diversion plan or contract. At any point during that time period if the juvenile and the juvenile’s parent, guardian, or custodian fail to comply, the intake counselor shall reconsider the decision to divert and may authorize the filing of the complaint as a petition. After six months, the intake counselor shall close the diversion plan or contract file.

"ARTICLE 18.
"Venue; Petition; Summons.

"§ 7B-1800. Venue.
A proceeding in which a juvenile is alleged to be delinquent or undisciplined shall be commenced and adjudicated in the district in which the offense is alleged to have occurred. When a proceeding is commenced in a district other than that of the juvenile’s residence, the court shall proceed to adjudication in that district. After adjudication, the following procedures shall be available to the court:

1. The court may transfer the proceeding to the court in the district where the juvenile resides for disposition.
(2) Where the proceeding is not transferred under subdivision (1) of this section, the court shall immediately notify the chief district court judge in the district in which the juvenile resides. If the chief district court judge requests a transfer within five days after receipt of notification, the court shall transfer the proceeding.

(3) Where the proceeding is not transferred under subdivision (1) or (2) of this section, the court, upon motion of the juvenile, shall transfer the proceeding to the court in the district where the juvenile resides for disposition. The court shall advise the juvenile of the juvenile’s right to transfer under this section.

"§ 7B-1801. Pleading and process.

The pleading in a juvenile action is the petition. The process in a juvenile action is the summons.

"§ 7B-1802. Petition.

The petition shall contain the name, date of birth, and address of the juvenile and the name and last known address of the juvenile’s parent, guardian, or custodian. The petition shall allege the facts that invoke jurisdiction over the juvenile. The petition shall not contain information on more than one juvenile.

A petition in which delinquency is alleged shall contain a plain and concise statement, without allegations of an evidentiary nature, asserting facts supporting every element of a criminal offense and the juvenile’s commission thereof with sufficient precision clearly to apprise the juvenile of the conduct which is the subject of the allegation.

Sufficient copies of the petition shall be prepared so that copies will be available for the juvenile, for each parent if living separate and apart, for the guardian or custodian if any, for the court counselor, for the prosecutor, and for any person determined by the court to be a necessary party.

"§ 7B-1803. Receipt of complaints; filing of petition.

(a) All complaints concerning a juvenile alleged to be delinquent or undisciplined shall be referred to the intake counselor for screening and evaluation. Thereafter, if the intake counselor determines that a petition should be filed, the petition shall be drawn by the intake counselor or the clerk, signed by the complainant, and verified before an official authorized to administer oaths. If the circumstances indicate a need for immediate attachment of jurisdiction and if the intake counselor is out of the county or otherwise unavailable to receive a complaint and to draw a petition when it is needed, the clerk shall assist the complainant in communicating the complaint to the intake counselor by telephone and, with the approval of the intake counselor, shall draw a petition and file it when signed and verified.

A copy of the complaint and petition shall be transmitted to the intake counselor. Procedures for receiving delinquency and undisciplined complaints and drawing petitions thereon, consistent with this Article and Article 17 of this Chapter, shall be established by administrative order of the chief judge in each judicial district.

(b) If review is requested pursuant to G.S. 7B-1704, the prosecutor shall review a complaint and any decision of the intake counselor not to authorize that the complaint be filed as a petition. If the prosecutor, after review, authorizes a complaint to be filed as a petition, the prosecutor shall prepare
the complaint to be filed by the clerk as a petition, recording the day of filing.

§ 7B-1804. Commencement of action.
(a) An action is commenced by the filing of a petition in the clerk’s office when that office is open, or by a magistrate’s acceptance of a petition for filing pursuant to subsection (b) of this section when the clerk’s office is closed.
(b) When the office of the clerk is closed and an intake counselor requests a petition alleging a juvenile to be delinquent or undisciplined, a magistrate may draw and verify the petition and accept it for filing, which acceptance shall constitute filing. The magistrate’s authority under this subsection is limited to emergency situations when a petition is required in order to obtain a secure or nonsecure custody order. Any petition accepted for filing under this subsection shall be delivered to the clerk’s office for processing as soon as that office is open for business.

§ 7B-1805. Issuance of summons.
(a) Immediately after a petition has been filed alleging that a juvenile is undisciplined or delinquent, the clerk shall issue a summons to the juvenile and to the parent, guardian, or custodian requiring them to appear for a hearing at the time and place stated in the summons. A copy of the petition shall be attached to each summons.
(b) A summons shall be on a printed form supplied by the Administrative Office of the Courts and shall include:

(1) Notice of the nature of the proceeding and the purpose of the hearing scheduled on the summons.
(2) Notice of any right to counsel and information about how to seek the appointment of counsel prior to a hearing.
(3) Notice that, if the court determines at the adjudicatory hearing that the allegations of the petition are true, the court will conduct a dispositional hearing and will have jurisdiction to enter orders affecting substantial rights of the juvenile and of the parent, guardian, or custodian, including orders that:
a. Affect the juvenile’s custody;
b. Impose conditions on the juvenile;
c. Require that the juvenile receive medical, psychiatric, psychological, or other treatment and that the parent participate in the treatment;
d. Require the parent to undergo psychiatric, psychological, or other treatment or counseling;
e. Order the parent to pay for treatment that is ordered for the juvenile or the parent; and
f. Order the parent to pay support for the juvenile for any period the juvenile does not reside with the parent or to pay attorneys’ fees or other fees or expenses as ordered by the court.
(4) Notice that the parent, guardian, or custodian shall be required to attend scheduled hearings and that failure without reasonable cause to attend may result in proceedings for contempt of court.
(5) Notice that the parent, guardian, or custodian shall be responsible for bringing the juvenile before the court at any

hearing the juvenile is required to attend and that failure without reasonable cause to bring the juvenile before the court may result

in proceedings for contempt of court.

(c) The summons shall advise the parent, guardian, or custodian that

upon service, jurisdiction over the parent, guardian, or custodian is obtained and that failure of the parent, guardian, or custodian to appear or bring the juvenile before the court without reasonable cause or to comply with any order of the court pursuant to Article 27 of this Chapter may cause the court to issue a show cause order for contempt. The summons shall contain the following language in bold type:

‘TO THE PARENT(S), GUARDIAN(S), OR CUSTODIAN(S): YOUR

FAILURE TO APPEAR IN COURT FOR A SCHEDULED HEARING OR

TO COMPLY WITH AN ORDER OF THE COURT MAY RESULT IN A

FINDING OF CRIMINAL CONTEMPT. A PERSON HELD IN

CRIMINAL CONTEMPT MAY BE SUBJECT TO IMPRISONMENT OF

UP TO 30 DAYS, A FINE NOT TO EXCEED FIVE HUNDRED

DOLLARS ($500.00) OR BOTH.’

(d) A summons shall be directed to the person summoned to appear and shall be delivered to any person authorized to serve process.

"§ 7B-1806. Service of summons.

The summons and petition shall be personally served upon the parent, the guardian, or custodian and the juvenile not less than five days prior to the date of the scheduled hearing. The time for service may be waived in the discretion of the court.

If the parent, guardian, or custodian entitled to receive a summons cannot be found by a diligent effort, the court may authorize service of the summons and petition by mail or by publication. The cost of the service by publication shall be advanced by the petitioner and may be charged as court costs as the court may direct.

The court may issue a show cause order for contempt against a parent, guardian, or custodian who is personally served and fails without reasonable cause to appear and to bring the juvenile before the court.

The provisions of G.S. 15A-301(a), (c), (d), and (e) relating to criminal process apply to juvenile process; provided the period of time for return of an unserved summons is 30 days.

"§ 7B-1807. Notice to parent and juvenile of scheduled hearings.

The clerk shall give to all parties, including both parents of the juvenile, the juvenile’s guardian or custodian, and any other person who has assumed the status and obligation of a parent without being awarded legal custody of the juvenile by a court, five days’ written notice of the date and time of all scheduled hearings unless the party is notified in open court or the court orders otherwise.

"§ 7B-1808. First appearance for felony cases.

(a) A juvenile who is alleged in the petition to have committed an offense that would be a felony if committed by an adult shall be summoned to appear before the court for a first appearance within 10 days of the filing of the petition. If the juvenile is in secure or nonsecure custody, the first
appearance shall take place at the initial hearing required by G.S. 7B-1906. Unless the juvenile is in secure or nonsecure custody, the court may continue the first appearance to a time certain for good cause.

(b) At the first appearance, the court shall:

1. Inform the juvenile of the allegations set forth in the petition;
2. Determine whether the juvenile has retained counsel or has been assigned counsel and, if the juvenile is not represented by counsel, appoint counsel for the juvenile;
3. If applicable, inform the juvenile of the date of the probable cause hearing, which shall be within 15 days of the first appearance; and
4. Inform the parent, guardian, or custodian that the parent, guardian, or custodian is required to attend all hearings scheduled in the matter and may be held in contempt of court for failure to attend any scheduled hearing.

"ARTICLE 19.
"Temporary Custody; Secure and Nonsecure Custody; Custody Hearings.

"§ 7B-1900. Taking a juvenile into temporary custody.
Temporary custody means the taking of physical custody and providing personal care and supervision until a court order for secure or nonsecure custody can be obtained. A juvenile may be taken into temporary custody without a court order under the following circumstances:

1. By a law enforcement officer if grounds exist for the arrest of an adult in identical circumstances under G.S. 15A-401(b).
2. By a law enforcement officer or a court counselor if there are reasonable grounds to believe that the juvenile is an undisciplined juvenile.
3. By a law enforcement officer, by a court counselor, by a member of the Black Mountain Center, Alcohol Rehabilitation Center, and Juvenile Evaluation Center Joint Security Force established pursuant to G.S. 122C-421, or by personnel of the Office if there are reasonable grounds to believe the juvenile is an absconder from any residential facility operated by the Office or from an approved detention facility.

"§ 7B-1901. Duties of person taking juvenile into temporary custody.
(a) A person who takes a juvenile into custody without a court order under G.S. 7B-1900(1) or (2) shall proceed as follows:

1. Notify the juvenile’s parent, guardian, or custodian that the juvenile has been taken into temporary custody and advise the parent, guardian, or custodian of the right to be present with the juvenile until a determination is made as to the need for secure or nonsecure custody. Failure to notify the parent, guardian, or custodian that the juvenile is in custody shall not be grounds for release of the juvenile.
2. Release the juvenile to the juvenile’s parent, guardian, or custodian if the person having the juvenile in temporary custody decides that continued custody is unnecessary. In the case of a juvenile unlawfully absent from school, if continued custody is
unnecessary, the person having temporary custody may deliver
the juvenile to the juvenile’s school or, if the local city or county
government and the local school board adopt a policy, to a place
in the local school administrative unit.

(3) If the juvenile is not released, request that a petition be drawn
pursuant to G.S. 7B-1803 or G.S. 7B-1804. Once the petition
has been drawn and verified, the person shall communicate with
the intake counselor. If the intake counselor approves the filing
of the petition, the intake counselor shall contact the judge or the
person delegated authority pursuant to G.S. 7B-1902 if other than
the intake counselor, for a determination of the need for
continued custody.

(b) A juvenile taken into temporary custody under this Article shall not be
held for more than 12 hours, or for more than 24 hours if any of the 12
hours falls on a Saturday, Sunday, or legal holiday, unless a petition or
motion for review has been filed and an order for secure or nonsecure
custody has been entered.

(c) A person who takes a juvenile into custody under G.S. 7B-1900(3),
after receiving an order for secure custody, shall transport the juvenile to the
nearest approved facility providing secure custody. The person then shall
contact the administrator of the facility from which the juvenile absconded,
who shall be responsible for returning the juvenile to that facility.

7B-1902. Authority to issue custody orders; delegation.

§ 7B-1902. Authority to issue custody orders; delegation.

In the case of any juvenile alleged to be within the jurisdiction of the
court, when the court finds it necessary to place the juvenile in custody, the
court may order that the juvenile be placed in secure or nonsecure custody
pursuant to criteria set out in G.S. 7B-1903.

Any district court judge may issue secure and nonsecure custody orders
pursuant to G.S. 7B-1903. The chief district court judge may delegate the
court’s authority to the chief court counselor or the chief court counselor’s
counseling staff by administrative order filed in the office of the clerk of
superior court. The administrative order shall specify which persons may be
contacted for approval of a secure or nonsecure custody order. The chief
district court judge shall not delegate the court’s authority to detain or house
juveniles in holdover facilities pursuant to G.S. 7B-1905 or G.S. 7B-2512.

7B-1903. Criteria for secure or nonsecure custody.

§ 7B-1903. Criteria for secure or nonsecure custody.

(a) When a request is made for nonsecure custody, the court shall first
consider release of the juvenile to the juvenile’s parent, guardian, custodian,
or other responsible adult. An order for nonsecure custody shall be made
only when there is a reasonable factual basis to believe the matters alleged in
the petition are true, and that:

(1) The juvenile is a runaway and consents to nonsecure custody; or

(2) The juvenile meets one or more of the criteria for secure
custody, but the court finds it in the best interests of the juvenile
that the juvenile be placed in a nonsecure placement.

(b) When a request is made for secure custody, the court may order
secure custody only where the court finds there is a reasonable factual basis
to believe that the juvenile committed the offense as alleged in the petition,
and that one of the following circumstances exists:
(1) The juvenile is charged with a felony and has demonstrated that the juvenile is a danger to property or persons.

(2) The juvenile is charged with a misdemeanor at least one element of which is assault on a person and has demonstrated that the juvenile is a danger to persons.

(3) The juvenile has willfully failed to appear on a pending delinquency charge or on charges of violation of probation or post-release supervision, providing the juvenile was properly notified.

(4) A delinquency charge is pending against the juvenile, and there is reasonable cause to believe the juvenile will not appear in court.

(5) The juvenile is an absconder from (i) any residential facility operated by the Office or any detention facility in this State or (ii) any comparable facility in another state.

(6) There is reasonable cause to believe the juvenile should be detained for the juvenile’s own protection because the juvenile has recently suffered or attempted self-inflicted physical injury. In such case, the juvenile must have been refused admission by one appropriate hospital, and the period of secure custody is limited to 24 hours to determine the need for inpatient hospitalization. If the juvenile is placed in secure custody, the juvenile shall receive continuous supervision and a physician shall be notified immediately.

(7) The juvenile is alleged to be undisciplined by virtue of the juvenile’s being a runaway and is inappropriate for nonsecure custody placement or refuses nonsecure custody, and the court finds that the juvenile needs secure custody for up to 24 hours, excluding Saturdays, Sundays, and State holidays, or where circumstances require, for a period not to exceed 72 hours to evaluate the juvenile’s need for medical or psychiatric treatment or to facilitate reunion with the juvenile’s parents, guardian, or custodian.

(8) The juvenile is alleged to be undisciplined and has willfully failed to appear in court after proper notice; the juvenile shall be brought to court as soon as possible and in no event should be held more than 24 hours, excluding Saturdays, Sundays, and State holidays or where circumstances require for a period not to exceed 72 hours.

(c) When a juvenile has been adjudicated delinquent, the court may order secure custody pending the dispositional hearing or pending placement of the juvenile pursuant to G.S. 7B-2506.

(d) The court may order secure custody for a juvenile who is alleged to have violated the conditions of the juvenile’s probation or post-release supervision, but only if the juvenile is alleged to have committed acts that damage property or injure persons.

(e) If the criteria for secure custody as set out in subsection (b), (c), or (d) of this section are met, the court may enter an order directing an officer or other authorized person to assume custody of the juvenile and to take the juvenile to the place designated in the order.
"§ 7B-1904. Order for secure or nonsecure custody.

The custodial order shall be in writing and shall direct a law enforcement officer or other authorized person to assume custody of the juvenile and to make due return on the order. The officer executing the order shall give a copy of the order to the juvenile’s parent, guardian, or custodian. If the order is for secure custody, copies of the petition and custody order shall accompany the juvenile to the detention facility or holdover facility of the jail. A message of the Division of Criminal Information, State Bureau of Investigation, stating that a juvenile petition and secure custody order relating to a specified juvenile are on file in a particular county shall be authority to detain the juvenile in secure custody until a copy of the juvenile petition and secure custody order can be forwarded to the juvenile detention facility. The copies of the juvenile petition and secure custody order shall be transmitted to the detention facility no later than 72 hours after the initial detention of the juvenile.

An officer receiving an order for custody which is complete and regular on its face may execute it in accordance with its terms and need not inquire into its regularity or continued validity, nor does the officer incur criminal or civil liability for its execution.

"§ 7B-1905. Place of secure or nonsecure custody.

(a) A juvenile meeting the criteria set out in G.S. 7B-1903(a), may be placed in nonsecure custody with a department of social services or a person designated in the order for temporary residential placement in:

(1) A licensed foster home or a home otherwise authorized by law to provide such care;

(2) A facility operated by a department of social services; or

(3) Any other home or facility approved by the court and designated in the order.

In placing a juvenile in nonsecure custody, the court shall first consider whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile. If the court finds that the relative is willing and able to provide proper care and supervision, the court shall order placement of the juvenile with the relative. Placement of a juvenile outside of this State shall be in accordance with the Interstate Compact on the Placement of Children set forth in Article 38 of this Chapter.

(b) Pursuant to G.S. 7B-1903(b), (c), or (d), a juvenile may be temporarily detained in an approved detention facility which shall be separate from any jail, lockup, prison, or other adult penal institution, except as provided in subsection (c) of this section. It shall be unlawful for a county or any unit of government to operate a juvenile detention facility unless the facility meets the standards and rules adopted by the Department of Health and Human Services.

(c) A juvenile who has allegedly committed an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult may be detained in secure custody in a holdover facility up to 72 hours, if the court, based on information provided by the court counselor, determines that no acceptable alternative placement is available and the protection of the public requires the juvenile be housed in a holdover facility.

"§ 7B-1906. Secure or nonsecure custody hearings.
(a) No juvenile shall be held under a secure custody order for more than five calendar days or under a nonsecure custody order for more than seven calendar days without a hearing on the merits or an initial hearing to determine the need for continued custody. A hearing conducted under this subsection may not be continued or waived. In every case in which an order has been entered by an official exercising authority delegated pursuant to G.S. 7B-1902, a hearing to determine the need for continued custody shall be conducted on the day of the next regularly scheduled session of district court in the city or county where the order was entered if the session precedes the expiration of the applicable time period set forth in this subsection. If the session does not precede the expiration of the time period, the hearing may be conducted at another regularly scheduled session of district court in the district where the order was entered.

(b) As long as the juvenile remains in secure or nonsecure custody, further hearings to determine the need for continued secure custody shall be held at intervals of no more than 10 calendar days. A subsequent hearing on continued nonsecure custody shall be held within seven business days, excluding Saturdays, Sundays, and legal holidays, of the initial hearing required in subsection (a) of this section and hearings thereafter shall be held at intervals of no more than 30 calendar days. In the case of a juvenile alleged to be delinquent, further hearings may be waived only with the consent of the juvenile, through counsel for the juvenile.

(c) The court shall determine whether a juvenile who is alleged to be delinquent has retained counsel or has been assigned counsel; and, if the juvenile is not represented by counsel, appoint counsel for the juvenile.

(d) At a hearing to determine the need for continued custody, the court shall receive testimony and shall allow the juvenile and the juvenile’s parent, guardian, or custodian an opportunity to introduce evidence, to be heard in their own behalf, and to examine witnesses. The State shall bear the burden at every stage of the proceedings to provide clear and convincing evidence that restraints on the juvenile’s liberty are necessary and that no less intrusive alternative will suffice. The court shall not be bound by the usual rules of evidence at the hearings.

(e) The court shall be bound by criteria set forth in G.S. 7B-1903 in determining whether continued custody is warranted.

(f) The court may impose appropriate restrictions on the liberty of a juvenile who is released from secure custody, including:

1. Release on the written promise of the juvenile’s parent, guardian, or custodian to produce the juvenile in court for subsequent proceedings;

2. Release into the care of a responsible person or organization;

3. Release conditioned on restrictions on activities, associations, residence, or travel if reasonably related to securing the juvenile’s presence in court; or

4. Any other conditions reasonably related to securing the juvenile’s presence in court.

(g) If the court determines that the juvenile meets the criteria in G.S. 7B-1903 and should continue in custody, the court shall issue an order to that effect. The order shall be in writing with appropriate findings of fact.
The findings of fact shall include the evidence relied upon in reaching the decision and the purposes which continued custody is to achieve.

(h) The hearing to determine the need to continue custody may be conducted by audio and video transmission which allows the court and the juvenile to see and hear each other. If the juvenile has counsel, the juvenile may communicate fully and confidentially with the juvenile's attorney during the proceeding. Prior to the use of audio and video transmission, the procedures and type of equipment for audio and video transmission shall be submitted to the Administrative Office of the Courts by the chief district court judge and approved by the Administrative Office of the Courts.

"§ 7B-1907. Telephonic communication authorized.
All communications, notices, orders, authorizations, and requests authorized or required by G.S. 7B-1901, 7B-1903, and 7B-1904 may be made by telephone when other means of communication are impractical. All written orders pursuant to telephonic communication shall bear the name and the title of the person communicating by telephone, the signature and the title of the official entering the order, and the hour and the date of the authorization.

"ARTICLE 20.
"Basic Rights.

"§ 7B-2000. Juvenile's right to counsel; presumption of indigence.
(a) A juvenile alleged to be within the jurisdiction of the court has the right to be represented by counsel in all proceedings. The court shall appoint counsel for the juvenile, unless counsel is retained for the juvenile, in any proceeding in which the juvenile is alleged to be (i) delinquent or (ii) in contempt of court when alleged or adjudicated to be undisciplined.

(b) All juveniles shall be conclusively presumed to be indigent, and it shall not be necessary for the court to receive from any juvenile an affidavit of indigency.

In any case when no parent, guardian, or custodian appears in a hearing with the juvenile or when the court finds it would be in the best interests of the juvenile, the court may appoint a guardian of the person for the juvenile. The guardian shall operate under the supervision of the court with or without bond and shall file only such reports as the court shall require. Unless the court orders otherwise, the guardian:

(1) Shall have the care, custody, and control of the juvenile or may arrange a suitable placement for the juvenile.
(2) May represent the juvenile in legal actions before any court.
(3) May consent to certain actions on the part of the juvenile in place of the parent or custodian, including (i) marriage, (ii) enlisting in the armed forces, and (iii) enrollment in school.
(4) May consent to any necessary remedial, psychological, medical, or surgical treatment for the juvenile.

The authority of the guardian shall continue until the guardianship is terminated by court order, until the juvenile is emancipated pursuant to Subchapter IV of this Chapter, or until the juvenile reaches the age of majority.

An attorney appointed pursuant to G.S. 7B-2000 or pursuant to any other provision of this Subchapter shall be paid a reasonable fee fixed by the court in the same manner as fees for attorneys appointed in cases of indigency through the Administrative Office of the Courts. The court may require payment of the attorneys' fees from a person other than the juvenile as provided in G.S. 7A-450.1, 7A-450.2, and 7A-450.3. A person who does not comply with the court's order of payment may be found in civil contempt as provided in G.S. 5A-21.

"ARTICLE 21.

"Law Enforcement Procedures in Delinquency Proceedings.

§ 7B-2100. Role of the law enforcement officer.

A law enforcement officer who takes a juvenile into temporary custody should select the most appropriate course of action to the situation, the needs of the juvenile, and the protection of the public safety. The officer may:

(1) Release the juvenile, with or without first counseling the juvenile;

(2) Release the juvenile to the juvenile's parent, guardian, or custodian;

(3) Refer the juvenile to community resources;

(4) Seek a petition; or

(5) Seek a petition and request a custody order.

§ 7B-2101. Interrogation procedures.

(a) Any juvenile in custody must be advised prior to questioning:

(1) That the juvenile has a right to remain silent;

(2) That any statement the juvenile does make can be and may be used against the juvenile;

(3) That the juvenile has a right to have a parent, guardian, or custodian present during questioning; and

(4) That the juvenile has a right to consult with an attorney and that one will be appointed for the juvenile if the juvenile is not represented and wants representation.

(b) When the juvenile is less than 14 years of age, no in-custody admission or confession resulting from interrogation may be admitted into evidence unless the confession or admission was made in the presence of the juvenile's parent, guardian, custodian, or attorney. If an attorney is not present, the parent, guardian, or custodian as well as the juvenile must be advised of the juvenile's rights as set out in subsection (a) of this section; however, a parent, guardian, or custodian may not waive any right on behalf of the juvenile.

(c) If the juvenile indicates in any manner and at any stage of questioning pursuant to this section that the juvenile does not wish to be questioned further, the officer shall cease questioning.

(d) Before admitting into evidence any statement resulting from custodial interrogation, the court shall find that the juvenile knowingly, willingly, and understandably waived the juvenile's rights.

§ 7B-2102. Fingerprinting and photographing juveniles.

(a) A law enforcement officer or agency shall fingerprint and photograph a juvenile who was 10 years of age or older at the time the juvenile allegedly committed a nondiscretionary offense as set forth in G.S. 7B-1701, when a
complaint has been prepared for filing as a petition and the juvenile is in physical custody of law enforcement or the Office.

(b) If a law enforcement officer or agency does not take the fingerprints or a photograph of the juvenile pursuant to subsection (a) of this section or the fingerprints or photograph have been destroyed pursuant to subsection (e) of this section, a law enforcement officer or agency shall fingerprint and photograph a juvenile who has been adjudicated delinquent if the juvenile was 10 years of age or older at the time the juvenile committed an offense that would be a felony if committed by an adult.

(c) A law enforcement officer or agency who fingerprints or photographs a juvenile pursuant to this section shall do so in a proper format for transfer to the State Bureau of Investigation and the Federal Bureau of Investigation. After the juvenile, who was 10 years of age or older at the time of the offense, is adjudicated delinquent of an offense that would be a felony if committed by an adult, fingerprints obtained pursuant to this section shall be transferred to the State Bureau of Investigation and placed in the Automated Fingerprint Identification System (AFIS) to be used for all investigative and comparison purposes. Photographs obtained pursuant to this section shall be placed in a format approved by the State Bureau of Investigation and may be used for all investigative or comparison purposes.

(d) Fingerprint and photographs taken pursuant to this section are not public records under Chapter 132 of the General Statutes, shall not be included in the clerk's record pursuant to G.S. 7B-3000, shall be withheld from public inspection or examination, and shall not be eligible for expunction pursuant to G.S. 7B-3200. Fingerprints and photographs taken pursuant to this section shall be maintained separately from any juvenile record, other than the electronic file maintained by the State Bureau of Investigation.

(e) If a juvenile is fingerprinted and photographed pursuant to subsection (a) of this section, the custodian of records shall destroy all fingerprints and photographs at the earlier of the following:

1. The intake counselor or prosecutor does not file a petition against the juvenile within one year of fingerprinting and photographing the juvenile pursuant to subsection (a) of this section;
2. The court does not find probable cause pursuant to G.S. 7B-2202; or
3. The juvenile is not adjudicated delinquent of any offense that would be a felony or a misdemeanor if committed by an adult.

The chief court counselor shall notify the local custodian of records, and the local custodian of records shall notify any other record-holding agencies, when a decision is made not to file a petition, the court does not find probable cause, or the court does not adjudicate the juvenile delinquent.

§ 7B-2103. Authority to issue nontestimonial identification order where juvenile alleged to be delinquent.

Except as provided in G.S. 7B-2102, nontestimonial identification procedures shall not be conducted on any juvenile without a court order issued pursuant to this Article unless the juvenile has been charged as an adult or transferred to superior court for trial as an adult in which case procedures applicable to adults, as set out in Articles 14 and 23 of Chapter
15A of the General Statutes, shall apply. A nontestimonial identification order authorized by this Article may be issued by any judge of the district court or of the superior court upon request of a prosecutor. As used in this Article, 'nontestimonial identification' means identification by fingerprints, palm prints, footprints, measurements, blood specimens, urine specimens, saliva samples, hair samples, or other reasonable physical examination, handwriting exemplars, voice samples, photographs, and lineups or similar identification procedures requiring the presence of a juvenile.

"§ 7B-2104. Time of application for nontestimonial identification order.

A request for a nontestimonial identification order may be made prior to taking a juvenile into custody or after custody and prior to the adjudicatory hearing.

"§ 7B-2105. Grounds for nontestimonial identification order.

(a) Except as provided in subsection (b) of this section, a nontestimonial identification order may issue only on affidavit or affidavits sworn to before the court and establishing the following grounds for the order:

(1) That there is probable cause to believe that an offense has been committed that would be a felony if committed by an adult;
(2) That there are reasonable grounds to suspect that the juvenile named or described in the affidavit committed the offense; and
(3) That the results of specific nontestimonial identification procedures will be of material aid in determining whether the juvenile named in the affidavit committed the offense.

(b) A nontestimonial identification order to obtain a blood specimen from a juvenile may issue only on affidavit or affidavits sworn to before the court and establishing the following grounds for the order:

(1) That there is probable cause to believe that an offense has been committed that would be a felony if committed by an adult;
(2) That there is probable cause to believe that the juvenile named or described in the affidavit committed the offense; and
(3) That there is probable cause to believe that obtaining a blood specimen from the juvenile will be of material aid in determining whether the juvenile named in the affidavit committed the offense.

"§ 7B-2106. Issuance of order.

Upon a showing that the grounds specified in G.S. 7B-2105 exist, the judge may issue an order following the same procedure as in the case of adults under G.S. 15A-274, 15A-275, 15A-276, 15A-277, 15A-278, 15A-279, 15A-280, and 15A-282.

"§ 7B-2107. Nontestimonial identification order at request of juvenile.

A juvenile in custody for or charged with an offense which if committed by an adult would be a felony offense may request that nontestimonial identification procedures be conducted. If it appears that the results of specific nontestimonial identification procedures will be of material aid to the juvenile's defense, the judge to whom the request was directed must order the State to conduct the identification procedures.

"§ 7B-2108. Destruction of records resulting from nontestimonial identification procedures.

The results of any nontestimonial identification procedures shall be retained or disposed of as follows:
(1) If a petition is not filed against a juvenile who has been the subject of nontestimonial identification procedures, all records of the evidence shall be destroyed.

(2) If the juvenile is not adjudicated delinquent or convicted in superior court following transfer, all records resulting from a nontestimonial order shall be destroyed. Further, in the case of a juvenile who is under 13 years of age and who is adjudicated delinquent for an offense that would be less than a felony if committed by an adult, all records shall be destroyed.

(3) If a juvenile 13 years of age or older is adjudicated delinquent for an offense that would be a felony if committed by an adult, all records resulting from a nontestimonial order may be retained in the court file. Special precautions shall be taken to ensure that these records will be maintained in a manner and under sufficient safeguards to limit their use to inspection by law enforcement officers for comparison purposes in the investigation of a crime.

(4) If the juvenile is transferred to and convicted in superior court, all records resulting from nontestimonial identification procedures shall be processed as in the case of an adult.

(5) Any evidence seized pursuant to a nontestimonial order shall be retained by law enforcement officers until further order is entered by the court.

(6) Destruction of nontestimonial identification records pursuant to this section shall be performed by the law enforcement agency having possession of the records. Following destruction, the law enforcement agency shall make written certification to the court of the destruction.

"§ 7B-2109. Penalty for willful violation.

Any person who willfully violates provisions of this Article which prohibit conducting nontestimonial identification procedures without an order issued by the court shall be guilty of a Class 1 misdemeanor.

"ARTICLE 22.

"Probable Cause Hearing and Transfer Hearing.

"§ 7B-2200. Transfer of jurisdiction of juvenile to superior court.

After notice, hearing, and a finding of probable cause the court may, upon motion of the prosecutor or the juvenile’s attorney or upon its own motion, transfer jurisdiction over a juvenile to superior court if the juvenile was 13 years of age or older at the time the juvenile allegedly committed an offense that would be a felony if committed by an adult. If the alleged felony constitutes a Class A felony and the court finds probable cause, the court shall transfer the case to the superior court for trial as in the case of adults.

"§ 7B-2201. Fingerprinting juvenile transferred to superior court.

When jurisdiction over a juvenile is transferred to the superior court, the juvenile shall be fingerprinted and the juvenile’s fingerprints shall be sent to the State Bureau of Investigation.

"§ 7B-2202. Probable cause hearing.

(a) The court shall conduct a hearing to determine probable cause in all felony cases in which a juvenile was 13 years of age or older when the offense was allegedly committed. The hearing shall be conducted within 15
days of the date of the juvenile's first appearance. The court may continue
the hearing for good cause.

(b) At the probable cause hearing:
   (1) A prosecutor shall represent the State;
   (2) The juvenile shall be represented by counsel;
   (3) The juvenile may testify, call, and examine witnesses, and
       present evidence; and
   (4) Each witness shall testify under oath or affirmation and be subject
       to cross-examination.

(c) The State shall by nonhearsay evidence, or by evidence that satisfies
an exception to the hearsay rule, show that there is probable cause to believe
that the offense charged has been committed and that there is probable cause
to believe that the juvenile committed it, except:

   (1) A report or copy of a report made by a physicist, chemist,
       firearms identification expert, fingerprint technician, or an expert
       or technician in some other scientific, professional, or medical
       field, concerning the results of an examination, comparison, or
       test performed in connection with the case in issue, when stated
       in a report by that person, is admissible in evidence;

   (2) If there is no serious contest, reliable hearsay is admissible to
       prove value, ownership of property, possession of property in a
       person other than the juvenile, lack of consent of the owner,
       possessor, or custodian of property to the breaking or entering of
       premises, chain of custody, and authenticity of signatures.

(d) Counsel for the juvenile may waive in writing the right to the hearing
and stipulate to a finding of probable cause.

(e) If probable cause is found and transfer to superior court is not
required by G.S. 7B-2200, upon motion of the prosecutor or the juvenile's
attorney or upon its own motion, the court shall either proceed to a transfer
hearing or set a date for that hearing. If the juvenile has not received notice
of the intention to seek transfer at least five days prior to the probable cause
hearing, the court, at the request of the juvenile, shall continue the transfer
hearing.

(f) If the court does not find probable cause for a felony offense, the
    court shall:

   (1) Dismiss the proceeding, or
   (2) If the court finds probable cause to believe that the juvenile
       committed a lesser included offense that would constitute a
       misdemeanor if committed by an adult, either proceed to an
       adjudicatory hearing or set a date for that hearing.

§ 7B-2203. Transfer hearing.

(a) At the transfer hearing, the prosecutor and the juvenile may be heard
and may offer evidence, and the juvenile's attorney may examine any court
or probation records, or other records the court may consider in
determining whether to transfer the case.

(b) In the transfer hearing, the court shall determine whether the
    protection of the public and the needs of the juvenile will be served by
    transfer of the case to superior court and shall consider the following
    factors:
(1) The age of the juvenile;
(2) The maturity of the juvenile;
(3) The intellectual functioning of the juvenile;
(4) The prior record of the juvenile;
(5) Prior attempts to rehabilitate the juvenile;
(6) Facilities or programs available to the court prior to the expiration of the court's jurisdiction under this Subchapter and the likelihood that the juvenile would benefit from treatment or rehabilitative efforts;
(7) Whether the alleged offense was committed in an aggressive, violent, premeditated, or willful manner; and
(8) The seriousness of the offense and whether the protection of the public requires that the juvenile be prosecuted as an adult.

(c) Any order of transfer shall specify the reasons for transfer. When the case is transferred to superior court, the superior court has jurisdiction over that felony, any offense based on the same act or transaction or on a series of acts or transactions connected together or constituting parts of a single scheme or plan of that felony, and any greater or lesser included offense of that felony.

(d) If the court does not transfer the case to superior court, the court shall either proceed to an adjudicatory hearing or set a date for that hearing.

"§ 7B-2204. Right to pretrial release; detention.

Once the order of transfer has been entered, the juvenile has the right to pretrial release as provided in G.S. 15A-533 and G.S 15A-534. The release order shall specify the person or persons to whom the juvenile may be released. Pending release, the court shall order that the juvenile be detained in a detention facility while awaiting trial. The court may order the juvenile to be held in a holdover facility at any time the presence of the juvenile is required in court for pretrial hearings or trial, if the court finds that it would be inconvenient to return the juvenile to the detention facility.

Should the juvenile be found guilty, or enter a plea of guilty or no contest to a criminal offense in superior court and receive an active sentence, then immediate transfer to the Department of Correction shall be ordered. Until such time as the juvenile is transferred to the Department of Correction, the juvenile may be detained in a holdover facility. The juvenile may not be detained in a detention facility pending transfer to the Department of Correction.

The juvenile may be kept by the Department of Correction as a safekeeper until the juvenile is placed in an appropriate correctional program.

"ARTICLE 23.
"Discovery.

(a) Statement of the Juvenile. -- Upon motion of a juvenile alleged to be delinquent, the court shall order the petitioner:

(1) To permit the juvenile to inspect and copy any relevant written or recorded statements within the possession, custody, or control of the petitioner made by the juvenile or any other party charged in the same action; and

(b) Names of Witnesses. -- Upon motion of the juvenile, the court shall order the petitioner to furnish the names of persons to be called as witnesses. A copy of the record of witnesses under the age of 16 shall be provided by the petitioner to the juvenile upon the juvenile’s motion if accessible to the petitioner.

(c) Documents and Tangible Objects. -- Upon motion of the juvenile, the court shall order the petitioner to permit the juvenile to inspect and copy books, papers, documents, photographs, motion pictures, mechanical or electronic recordings, tangible objects, or portions thereof:

(d) Reports of Examinations and Tests. -- Upon motion of a juvenile, the court shall order the petitioner to permit the juvenile to inspect and copy results of physical or mental examinations or of tests, measurements, or experiments made in connection with the case, within the possession, custody, or control of the petitioner. In addition upon motion of a juvenile, the court shall order the petitioner to permit the juvenile to inspect, examine, and test, subject to appropriate safeguards, any physical evidence or a sample of it or tests or experiments made in connection with the evidence in the case if it is available to the petitioner, the prosecutor, or any law enforcement officer conducting an investigation of the matter alleged, and if the petitioner intends to offer the evidence at trial.

(e) Except as provided in subsections (a) through (d) of this section, this Article does not require the production of reports, memoranda, or other internal documents made by the petitioner, law enforcement officers, or other persons acting on behalf of the petitioner in connection with the investigation or prosecution of the case or of statements made by witnesses or the petitioner to anyone acting on behalf of the petitioner.

(f) Nothing in this section prohibits a petitioner from making voluntary disclosures in the interest of justice.

7B-2301. Disclosure of evidence by juvenile.

(a) Names of Witnesses. -- Upon motion of the petitioner, the court shall order the juvenile to furnish to the petitioner the names of persons to be called as witnesses.

(b) Documents and Tangible Objects. -- If the court grants any relief sought by the juvenile under G.S. 7B-2300, upon motion of the petitioner, the court shall order the juvenile to permit the petitioner to inspect and copy books, papers, documents, photographs, motion pictures, mechanical or electronic recordings, tangible objects, or portions thereof which are within the possession, custody, or control of the juvenile and which the juvenile intends to introduce in evidence.
(c) Reports of Examinations and Tests. -- If the court grants any relief sought by the juvenile under G.S. 7B-2300, upon motion of the petitioner, the court shall order the juvenile to permit the petitioner to inspect and copy results of physical or mental examinations or of tests, measurements, or experiments made in connection with the case within the possession and control of the juvenile which the juvenile intends to introduce in evidence or which were prepared by a witness whom the juvenile intends to call if the results relate to the witness's testimony. In addition, upon motion of a petitioner, the court shall order the juvenile to permit the petitioner to inspect, examine, and test, subject to appropriate safeguards, any physical evidence or a sample of it if the juvenile intends to offer the evidence or tests or experiments made in connection with the evidence in the case.

"7B-2302. Regulation of discovery; protective orders.
(a) Upon written motion of a party and a finding of good cause, the court may at any time order that discovery or inspection be denied, restricted, or deferred.

(b) The court may permit a party seeking relief under subsection (a) of this section to submit supporting affidavits or statements to the court for in camera inspection. If thereafter the court enters an order granting relief under subsection (a) of this section, the material submitted in camera must be available to the Court of Appeals in the event of an appeal.

"7B-2303. Continuing duty to disclose.
If a party, subject to compliance with an order issued pursuant to this Article, discovers additional evidence prior to or during the hearing or decides to use additional evidence, and if the evidence is or may be subject to discovery or inspection under this Article, the party shall promptly notify the other party of the existence of the additional evidence or of the name of each additional witness.

"ARTICLE 24.
"Hearing Procedures.

"7B-2400. Amendment of petition.
The court may permit a petition to be amended when the amendment does not change the nature of the offense alleged. If a motion to amend is allowed, the juvenile shall be given a reasonable opportunity to prepare a defense to the amended allegations.

"7B-2401. Determination of incapacity to proceed; evidence; temporary commitment; temporary orders.
The provisions of G.S. 15A-1001, 15A-1002, and 15A-1003 apply to all cases in which a juvenile is alleged to be delinquent. No juvenile committed under this section may be placed in a situation where the juvenile will come in contact with adults committed for any purpose.

"7B-2402. Open hearings.
All hearings authorized or required pursuant to this Subchapter shall be open to the public unless the court closes the hearing or part of the hearing for good cause, upon motion of a party or its own motion. If the court closes the hearing or part of the hearing to the public, the court may allow any victim, member of a victim's family, law enforcement officer, witness or any other person directly involved in the hearing to be present at the hearing.
In determining good cause to close a hearing or part of a hearing, the court shall consider the circumstances of the case, including, but not limited to, the following factors:

1. The nature of the allegations against the juvenile;
2. The age and maturity of the juvenile;
3. The benefit to the juvenile of confidentiality;
4. The benefit to the public of an open hearing; and
5. The extent to which the confidentiality of the juvenile’s file will be compromised by an open hearing.

No hearing or part of a hearing shall be closed by the court if the juvenile requests that it remain open.

"7B-2403. Adjudicatory hearing.

The adjudicatory hearing shall be held within a reasonable time in the district at the time and place the chief district court judge designates.

"7B-2404. Participation of the prosecutor.

A prosecutor shall represent the State in contested delinquency hearings including first appearance, detention, probable cause, transfer, adjudicatory, dispositional, probation revocation, post-release supervision, and extended jurisdiction hearings.

"7B-2405. Conduct of the adjudicatory hearing.

The adjudicatory hearing shall be a judicial process designed to determine whether the juvenile is undisciplined or delinquent. In the adjudicatory hearing, the court shall protect the following rights of the juvenile and the juvenile’s parent, guardian, or custodian to assure due process of law:

1. The right to written notice of the facts alleged in the petition;
2. The right to counsel;
3. The right to confront and cross-examine witnesses;
4. The privilege against self-incrimination;
5. The right of discovery; and
6. All rights afforded adult offenders except the right to bail, the right of self-representation, and the right of trial by jury.

"7B-2406. Continuances.

The court for good cause may continue the hearing for as long as is reasonably required to receive additional evidence, reports, or assessments that the court has requested, or other information needed in the best interests of the juvenile and to allow for a reasonable time for the parties to conduct expeditious discovery. Otherwise, continuances shall be granted only in extraordinary circumstances when necessary for the proper administration of justice or in the best interests of the juvenile.

"7B-2407. When admissions by juvenile may be accepted.

(a) The court may accept an admission from a juvenile only after first addressing the juvenile personally and:

1. Informing the juvenile that the juvenile has a right to remain silent and that any statement the juvenile makes may be used against the juvenile;
2. Determining that the juvenile understands the nature of the charge;
3. Informing the juvenile that the juvenile has a right to deny the allegations;
(4) Informing the juvenile that by the juvenile's admissions the juvenile waives the juvenile's right to be confronted by the witnesses against the juvenile;

(5) Determining that the juvenile is satisfied with the juvenile's representation; and

(6) Informing the juvenile of the most restrictive disposition on the charge.

(b) By inquiring of the prosecutor, the juvenile's attorney, and the juvenile personally, the court shall determine whether there were any prior discussions involving admissions, whether the parties have entered into any arrangement with respect to the admissions and the terms thereof, and whether any improper pressure was exerted. The court may accept an admission from a juvenile only after determining that the admission is a product of informed choice.

(c) The court may accept an admission only after determining that there is a factual basis for the admission. This determination may be based upon any of the following information: a statement of the facts by the prosecutor; a written statement of the juvenile; sworn testimony which may include reliable hearsay; or a statement of facts by the juvenile's attorney.

If the juvenile denies the allegations of the petition, the court shall proceed in accordance with the rules of evidence applicable to criminal cases. In addition, no statement made by a juvenile to the intake counselor during the preliminary inquiry and evaluation process shall be admissible prior to the dispositional hearing.

"7B-2409. Quantum of proof in adjudicatory hearing.

The allegations of a petition alleging the juvenile is delinquent shall be proved beyond a reasonable doubt. The allegations in a petition alleging undisciplined behavior shall be proved by clear and convincing evidence.

"7B-2410. Record of proceedings.

All adjudicatory and dispositional hearings and hearings on probable cause and transfer to superior court shall be recorded by stenographic notes or by electronic or mechanical means. Records shall be reduced to a written transcript only when timely notice of appeal has been given. The court may order that other hearings be recorded.

"7B-2411. Adjudication.

If the court finds that the allegations in the petition have been proved as provided in G.S. 7B-2409, the court shall so state. If the court finds that the allegations have not been proved, the court shall dismiss the petition with prejudice and the juvenile shall be released from secure or nonsecure custody if the juvenile is in custody.

"7B-2412. Legal effect of adjudication of delinquency.

An adjudication that a juvenile is delinquent or commitment of a juvenile to the Office for placement in a training school shall neither be considered conviction of any criminal offense nor cause the juvenile to forfeit any citizenship rights.

"7B-2413. Predisposition investigation and report.

The court shall proceed to the dispositional hearing upon receipt of the predisposition report. A risk and needs assessment, containing information
regarding the juvenile's social, medical, psychiatric, psychological, and educational history, as well as any factors indicating the probability of the juvenile committing further delinquent acts, shall be conducted for the juvenile and shall be attached to the predisposition report. In cases where no predisposition report is available and the court makes a written finding that a report is not needed, the court may proceed with the dispositional hearing. No predisposition report shall be submitted to or considered by the court prior to the completion of the adjudicatory hearing. The court shall permit the juvenile to inspect any predisposition report, including any attached risk and needs assessment, to be considered by the court in making the disposition unless the court determines that disclosure would seriously harm the juvenile's treatment or rehabilitation or would violate a promise of confidentiality. Opportunity to offer evidence in rebuttal shall be afforded the juvenile and the juvenile's parent, guardian, or custodian at the dispositional hearing. The court may order counsel not to disclose parts of the report to the juvenile or the juvenile's parent, guardian, or custodian if the court finds that disclosure would seriously harm the treatment or rehabilitation of the juvenile or would violate a promise of confidentiality given to a source of information.

"7B-2414. When jeopardy attaches.

Jeopardy attaches in an adjudicatory hearing when the court begins to hear evidence.

"ARTICLE 25.

"Dispositions.

7B-2500. Purpose.

The purpose of dispositions in juvenile actions is to design an appropriate plan to meet the needs of the juvenile and to achieve the objectives of the State in exercising jurisdiction, including the protection of the public. The court should develop a disposition in each case that:

(1) Promotes public safety;
(2) Emphasizes accountability and responsibility of both the parent, guardian, or custodian and the juvenile for the juvenile's conduct; and
(3) Provides the appropriate consequences, treatment, training, and rehabilitation to assist the juvenile toward becoming a nonoffending, responsible, and productive member of the community.

7B-2501. Dispositional hearing.

(a) The dispositional hearing may be informal, and the court may consider written reports or other evidence concerning the needs of the juvenile.

(b) The juvenile and the juvenile's parent, guardian, or custodian shall have an opportunity to present evidence, and they may advise the court concerning the disposition they believe to be in the best interests of the juvenile.

(c) In choosing among statutorily permissible dispositions, the court shall select the most appropriate disposition both in terms of kind and duration for the delinquent juvenile. Within the guidelines set forth in G.S. 7B-2508,
the court shall select a disposition that is designed to protect the public and to meet the needs and best interests of the juvenile, based upon:

(1) The seriousness of the offense;
(2) The need to hold the juvenile accountable;
(3) The importance of protecting the public safety;
(4) The degree of culpability indicated by the circumstances of the particular case; and
(5) The rehabilitative and treatment needs of the juvenile indicated by a risk and needs assessment.

d) The court may dismiss the case, or continue the case for no more than six months in order to allow the family an opportunity to meet the needs of the juvenile through more adequate home supervision, through placement in a private or specialized school or agency, through placement with a relative, or through some other plan approved by the court.

" 7B-2502. Evaluation and treatment of undisciplined and delinquent juveniles.

(a) In any case, the court may order that the juvenile be examined by a physician, psychiatrist, psychologist, or other qualified expert as may be needed for the court to determine the needs of the juvenile. In the case of a juvenile adjudicated delinquent for committing an offense that involves the possession, use, sale, or delivery of alcohol or a controlled substance, the court shall require the juvenile to be tested for the use of controlled substances or alcohol within 30 days of the adjudication. In the case of any juvenile adjudicated delinquent, the court may, if it deems it necessary, require the juvenile to be tested for the use of controlled substances or alcohol. The results of these initial tests conducted pursuant to this subsection shall be used for evaluation and treatment purposes only.

(b) Upon completion of the examination, the court shall conduct a hearing to determine whether the juvenile is in need of medical, surgical, psychiatric, psychological, or other evaluation or treatment and who should pay the cost of the evaluation or treatment. The county manager, or any other person who is designated by the chair of the board of county commissioners, of the county of the juvenile’s residence shall be notified of the hearing, and allowed to be heard. If the court finds the juvenile to be in need of medical, surgical, psychiatric, psychological, or other evaluation or treatment, the court shall permit the parent, guardian, custodian, or other responsible persons to arrange for evaluation or treatment. If the parent, guardian, or custodian declines or is unable to make necessary arrangements, the court may order the needed evaluation or treatment, surgery, or care, and the court may order the parent to pay the cost of the care pursuant to Article 27 of this Chapter. If the court finds the parent is unable to pay the cost of evaluation or treatment, the court shall order the county to arrange for evaluation or treatment of the juvenile and to pay for the cost of the evaluation or treatment. The county department of social services shall recommend the facility that will provide the juvenile with evaluation or treatment.

(c) If the court believes, or if there is evidence presented to the effect that the juvenile is mentally ill or is developmentally disabled, the court shall refer the juvenile to the area mental health, developmental disabilities, and substance abuse services director for appropriate action. A juvenile shall not
be committed directly to a State hospital or mental retardation center; and orders purporting to commit a juvenile directly to a State hospital or mental retardation center except for an examination to determine capacity to proceed shall be void and of no effect. The area mental health, developmental disabilities, and substance abuse director shall be responsible for arranging an interdisciplinary evaluation of the juvenile and mobilizing resources to meet the juvenile’s needs. If institutionalization is determined to be the best service for the juvenile, admission shall be with the voluntary consent of the parent, guardian, or custodian. If the parent, guardian, or custodian refuses to consent to a mental hospital or retardation center admission after such institutionalization is recommended by the area mental health, developmental disabilities, and substance abuse director, the signature and consent of the court may be substituted for that purpose. In all cases in which a regional mental hospital refuses admission to a juvenile referred for admission by the court and an area mental health, developmental disabilities, and substance abuse director or discharges a juvenile previously admitted on court referral prior to completion of the juvenile’s treatment, the hospital shall submit to the court a written report setting out the reasons for denial of admission or discharge and setting out the juvenile’s diagnosis, indications of mental illness, indications of need for treatment, and a statement as to the location of any facility known to have a treatment program for the juvenile in question.

"7B-2503. Dispositional alternatives for undisciplined juveniles.

The following alternatives for disposition shall be available to the court exercising jurisdiction over a juvenile who has been adjudicated undisciplined. The court may combine any of the applicable alternatives when the court finds it to be in the best interests of the juvenile:

(1) In the case of any juvenile who needs more adequate care or supervision or who needs placement, the judge may:

a. Require that the juvenile be supervised in the juvenile’s own home by a department of social services in the juvenile’s county of residence, a court counselor, or other personnel as may be available to the court, subject to conditions applicable to the parent, guardian, or custodian or the juvenile as the judge may specify; or

b. Place the juvenile in the custody of a parent, guardian, custodian, relative, private agency offering placement services, or some other suitable person; or

c. Place the juvenile in the custody of a department of social services in the county of the juvenile’s residence, or in the case of a juvenile who has legal residence outside the State, in the physical custody of a department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile’s home state. The director may, unless otherwise ordered by the judge, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act on behalf of the juvenile or juveniles, the director may,
unless otherwise ordered by the judge, arrange for, provide
or consent to any psychiatric, psychological, educational, or
other remedial evaluations or treatment for the juvenile placed
by a judge or the judge's designee in the custody or physical
custody of a county department of social services under the
authority of this or any other Chapter of the General Statutes.
Prior to exercising this authority, the director shall make
reasonable efforts to obtain consent from a parent, guardian,
or custodian of the affected juvenile. If the director cannot
obtain consent, the director shall promptly notify the parent,
guardian, or custodian that care or treatment has been
provided and shall give the parent, guardian, or custodian
frequent status reports on the circumstances of the juvenile.
Upon request of a parent, guardian, or custodian of the
affected juvenile, the results or records of the aforementioned
evaluations, findings, or treatment shall be made available to
the parent, guardian, or custodian by the director unless
prohibited by G.S. 122C-53(d).

(2) Place the juvenile under the protective supervision of a court
counselor for a period of up to three months, with an extension
of an additional three months in the discretion of the court.

(3) Excuse the juvenile from compliance with the compulsory school
attendance law when the court finds that suitable alternative plans
can be arranged by the family through other community
resources for one of the following:
   a. An education related to the needs or abilities of the juvenile
      including vocational education or special education;
   b. A suitable plan of supervision or placement; or
   c. Some other plan that the court finds to be in the best interests
      of the juvenile.

"7B-2504. Conditions of protective supervision for undisciplined juveniles.
The court may place a juvenile on protective supervision pursuant to G.S.
7B-2503 so that the court counselor may (i) assist the juvenile in securing
social, medical, and educational services and (ii) visit and work with the
family as a unit to ensure the juvenile is provided proper supervision and
care. The court may impose any combination of the following conditions of
protective supervision that are related to the needs of the juvenile, including:

(1) That the juvenile shall remain on good behavior and not violate
   any laws;
(2) That the juvenile attend school regularly;
(3) That the juvenile maintain passing grades in up to four courses
during each grading period and meet with the court counselor
and a representative of the school to make a plan for how to
maintain those passing grades;
(4) That the juvenile not associate with specified persons or be in
   specified places;
(5) That the juvenile abide by a prescribed curfew;
(6) That the juvenile report to a court counselor as often as required
   by a court counselor;
(7) That the juvenile be employed regularly if not attending school; and
(8) That the juvenile satisfy any other conditions determined appropriate by the court.

"7B-2505. Contempt of court for undisciplined juveniles.

Upon motion of the court counsel or on the court's own motion, the court may issue an order directing a juvenile who has been adjudicated undisciplined to appear and show cause why the juvenile should not be held in contempt for willfully failing to comply with an order of the court. The first time the juvenile is held in contempt, the court may order the juvenile confined in an approved detention facility for a period not to exceed 24 hours. The second time the juvenile is held in contempt, the court may order the juvenile confined in an approved detention facility for a period not to exceed three days. The third time and all subsequent times the juvenile is held in contempt, the court may order the juvenile confined in an approved detention facility for a period not to exceed five days. The timing of any confinement under this section shall be determined by the court in its discretion. In no event shall a juvenile held in contempt pursuant to this section be confined for more than 14 days in one 12-month period.

"7B-2506. Dispositional alternatives for delinquent juveniles.

The court exercising jurisdiction over a juvenile who has been adjudicated delinquent may use the following alternatives in accordance with the dispositional structure set forth in G.S. 7B-2508:

(1) In the case of any juvenile who needs more adequate care or supervision or who needs placement, the judge may:

a. Require that a juvenile be supervised in the juvenile's own home by the department of social services in the juvenile's county, a court counselor, or other personnel as may be available to the court, subject to conditions applicable to the parent, guardian, or custodian or the juvenile as the judge may specify; or

b. Place the juvenile in the custody of a parent, guardian, custodian, relative, private agency offering placement services, or some other suitable person; or

c. Place the juvenile in the custody of the department of social services in the county of his residence, or in the case of a juvenile who has legal residence outside the State, in the physical custody of a department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile's home state. The director may, unless otherwise ordered by the judge, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act on behalf of the juvenile or juveniles, the director may, unless otherwise ordered by the judge, arrange for, provide, or consent to any psychiatric, psychological, educational, or other remedial evaluations or treatment for the juvenile placed by a judge or his designee in the custody or physical custody
of a county department of social services under the authority of this or any other Chapter of the General Statutes. Prior to exercising this authority, the director shall make reasonable efforts to obtain consent from a parent, guardian, or custodian of the affected juvenile. If the director cannot obtain consent, the director shall promptly notify the parent, guardian, or custodian that care or treatment has been provided and shall give the parent, guardian, or custodian frequent status reports on the circumstances of the juvenile. Upon request of a parent, guardian, or custodian of the affected juvenile, the results or records of the aforementioned evaluations, findings, or treatment shall be made available to the parent, guardian, or custodian by the director unless prohibited by G.S. 122C-53(d).

(2) **Excuse the juvenile from compliance with the compulsory school attendance law when the court finds that suitable alternative plans can be arranged by the family through other community resources for one of the following:**

a. An education related to the needs or abilities of the juvenile including vocational education or special education;

b. A suitable plan of supervision or placement; or

c. Some other plan that the court finds to be in the best interests of the juvenile.

(3) **Order the juvenile to cooperate with a community-based program, an intensive substance abuse treatment program, or a residential or nonresidential treatment program. Participation in the programs shall not exceed 12 months.**

(4) **Require restitution, full or partial, up to five hundred dollars ($500.00), payable within a 12-month period to any person who has suffered loss or damage as a result of the offense committed by the juvenile. The court may determine the amount, terms, and conditions of the restitution. If the juvenile participated with another person or persons, all participants should be jointly and severally responsible for the payment of restitution; however, the court shall not require the juvenile to make restitution if the juvenile satisfies the court that the juvenile does not have, and could not reasonably acquire, the means to make restitution.**

(5) **Impose a fine related to the seriousness of the juvenile’s offense. If the juvenile has the ability to pay the fine, it shall not exceed the maximum fine for the offense if committed by an adult.**

(6) **Order the juvenile to perform up to 100 hours supervised community service consistent with the juvenile’s age, skill, and ability, specifying the nature of the work and the number of hours required. The work shall be related to the seriousness of the juvenile’s offense and in no event may the obligation to work exceed 12 months.**

(7) **Order the juvenile to participate in the victim-offender reconciliation program.**
Place the juvenile on probation under the supervision of a court counselor, as specified in G.S. 7B-2509.

Order that the juvenile shall not be licensed to operate a motor vehicle in the State of North Carolina for as long as the court retains jurisdiction over the juvenile or for any shorter period of time. The clerk of court shall notify the Division of Motor Vehicles of that order.

Impose a curfew upon the juvenile.

Order that the juvenile not associate with specified persons or be in specified places.

Impose confinement on an intermittent basis in an approved detention facility. Confinement shall be limited to not more than five 24-hour periods, the timing of which is determined by the court in its discretion.

Place the juvenile on intensive probation under the supervision of a court counselor.

Order the juvenile to cooperate with a supervised day program requiring the juvenile to be present at a specified place for all or part of every day or of certain days. Order the juvenile to participate in a regimented training program.

Order the juvenile to submit to house arrest.

Suspend imposition of a more severe, statutorily permissible disposition with the provision that the juvenile meet certain conditions agreed to by the juvenile and specified in the dispositional order. The conditions shall not exceed the allowable dispositions for the level under which disposition is being imposed.

Order that the juvenile be confined in an approved juvenile detention facility for a term of up to 14 24-hour periods, which confinement shall not be imposed consecutively with intermittent confinement pursuant to subdivision (12) of this section at the same dispositional hearing. The timing of this confinement shall be determined by the court in its discretion.

Order the residential placement of a juvenile in a multipurpose group home operated by a State agency.

Require restitution of more than five hundred dollars ($500.00), full or partial, payable within a 12-month period to any person who has suffered loss or damage as a result of an offense committed by the juvenile. The court may determine the amount.
terms, and conditions of restitution. If the juvenile participated with another person or persons, all participants should be jointly and severally responsible for the payment of the restitution; however, the court shall not require the juvenile to make restitution if the juvenile satisfies the court that the juvenile does not have, and could not reasonably acquire, the means to make restitution.

(23) Order the juvenile to perform supervised community service of not less than 100 hours and not more than 200 hours, consistent with the juvenile’s age, skill, and ability, specifying the nature of work and the number of hours required. The work shall be related to the seriousness of the juvenile’s offense.

(24) Commit the juvenile to the Office for placement in a training school in accordance with G.S. 7B-2512 for a period of not less than six months.

"7B-2507. Delinquency history levels.
(a) Generally. -- The delinquency history level for a delinquent juvenile is determined by calculating the sum of the points assigned to each of the juvenile’s prior adjudications and to the juvenile’s probation status, if any, that the court finds to have been proved in accordance with this section.

(b) Points. -- Points are assigned as follows:
(1) For each prior adjudication of a Class A through E felony offense, 4 points.
(2) For each prior adjudication of a Class F through I felony offense or Class A1 misdemeanor offense, 2 points.
(3) For each prior adjudication of a Class 1, 2, or 3 misdemeanor offense, 1 point.
(4) If the juvenile was on probation at the time of offense, 2 points.

(c) Delinquency History Levels. -- The delinquency history levels are:
(1) Low -- No more than 1 point.
(2) Medium -- At least 2, but not more than 3 points.
(3) High -- At least 4 points.

In determining the delinquency history level, the classification of a prior offense is the classification assigned to that offense at the time the juvenile committed the offense for which disposition is being ordered.

(d) Multiple Prior Adjudications Obtained in One Court Session. -- For purposes of determining the delinquency history level, if a juvenile is adjudicated delinquent for more than one offense in a single session of district court, only the adjudication for the offense with the highest point total is used.

(e) Classification of Prior Adjudications From Other Jurisdictions. -- Except as otherwise provided in this subsection, an adjudication occurring in a jurisdiction other than North Carolina is classified as a Class I felony if the jurisdiction in which the offense occurred classifies the offense as a felony, or is classified as a Class 3 misdemeanor if the jurisdiction in which the offense occurred classifies the offense as a misdemeanor. If the juvenile proves by the preponderance of the evidence that an offense classified as a felony in the other jurisdiction is substantially similar to an offense that is a misdemeanor in North Carolina, the conviction is treated as that class of
misdemeanor for assigning delinquency history level points. If the State proves by the preponderance of the evidence that an offense classified as either a misdemeanor or a felony in the other jurisdiction is substantially similar to an offense in North Carolina that is classified as a Class I felony or higher, the conviction is treated as that class of felony for assigning delinquency history level points. If the State proves by the preponderance of the evidence that an offense classified as a misdemeanor in the other jurisdiction is substantially similar to an offense classified as a Class A1 misdemeanor in North Carolina, the adjudication is treated as a Class A1 misdemeanor for assigning delinquency history level points.

(f) Proof of Prior Adjudications. -- A prior adjudication shall be proved by any of the following methods:

(1) Stipulation of the parties.
(2) An original or copy of the court record of the prior adjudication.
(3) A copy of records maintained by the Division of Criminal Information or by the Office.
(4) Any other method found by the court to be reliable.

The State bears the burden of proving, by a preponderance of the evidence, that a prior adjudication exists and that the juvenile before the court is the same person as the juvenile named in the prior adjudication. The original or a copy of the court records or a copy of the records maintained by the Division of Criminal Information or of the Office, bearing the same name as that by which the juvenile is charged, is prima facie evidence that the juvenile named is the same person as the juvenile before the court, and that the facts set out in the record are true. For purposes of this subsection, 'a copy' includes a paper writing containing a reproduction of a record maintained electronically on a computer or other data processing equipment, and a document produced by a facsimile machine. The prosecutor shall make all feasible efforts to obtain and present to the court the juvenile’s full record. Evidence presented by either party at trial may be utilized to prove prior adjudications. If asked by the juvenile, the prosecutor shall furnish the juvenile’s prior adjudications to the juvenile within a reasonable time sufficient to allow the juvenile to determine if the record available to the prosecutor is accurate.

"7B-2508. Dispositional limits for each class of offense and delinquency history level.

(a) Offense Classification. -- The offense classifications are as follows:

(1) Violent -- Adjudication of a Class A through E felony offense;
(2) Serious -- Adjudication of a Class F through I felony offense or a Class A1 misdemeanor;
(3) Minor -- Adjudication of a Class 1, 2, or 3 misdemeanor.

(b) Delinquency History Levels. -- A delinquency history level shall be determined for each delinquent juvenile as provided in G.S. 7B-2507.

(c) Level 1 -- Community Disposition. -- A court exercising jurisdiction over a juvenile who has been adjudicated delinquent and for whom the dispositional chart in subsection (f) of this section prescribes a Level 1 disposition may provide for evaluation and treatment under G.S. 7B-2502 and for any of the dispositional alternatives contained in subdivisions (1) through (13) of G.S. 7B-2506. In determining which dispositional
alternative is appropriate, the court shall consider the needs of the juvenile as indicated by the risk and needs assessment contained in the predisposition report, the appropriate community resources available to meet those needs, and the protection of the public.

(d) Level 2 -- Intermediate Disposition. -- A court exercising jurisdiction over a juvenile who has been adjudicated delinquent and for whom the dispositional chart in subsection (f) of this section prescribes a Level 2 disposition may provide for evaluation and treatment under G.S. 7B-2502 and for any of the dispositional alternatives contained in subdivisions (1) through (23) of G.S. 7B-2506, but shall provide for at least one of the intermediate dispositions authorized in subdivisions (13) through (23) of G.S. 7B-2506. However, notwithstanding any other provision of this section, a court may impose a Level 3 disposition if the juvenile has previously received a Level 3 disposition in a prior juvenile action. In determining which dispositional alternative is appropriate, the court shall consider the needs of the juvenile as indicated by the risk and needs assessment contained in the predisposition report, the appropriate community resources available to meet those needs, and the protection of the public.

(e) Level 3 -- Commitment. -- A court exercising jurisdiction over a juvenile who has been adjudicated delinquent and for whom the dispositional chart in subsection (f) of this section prescribes a Level 3 disposition shall commit the juvenile to the Office for placement in a training school in accordance with G.S. 7B-2506(24). However, a court may impose a Level 2 disposition rather than a Level 3 disposition if the court submits written findings on the record that substantiate extraordinary needs on the part of the offending juvenile.

(f) Dispositions for Each Class of Offense and Delinquency History Level; Disposition Chart Described. -- The authorized disposition for each class of offense and delinquency history level is as specified in the chart below. Delinquency history levels are indicated horizontally on the top of the chart. Classes of offense are indicated vertically on the left side of the chart. Each cell on the chart indicates which of the dispositional levels described in subsections (c) through (e) of this section are prescribed for that combination of offense classification and delinquency history level:

(g) Notwithstanding subsection (f) of this section, a juvenile who has been adjudicated for a minor offense may be committed to a Level 3 disposition if the juvenile has been adjudicated of four or more prior offenses. For purposes of determining the number of prior offenses under
this subsection, each successive offense is one that was committed after adjudication of the preceding offense.

(h) If a juvenile is adjudicated of more than one offense during a session of juvenile court, the court shall consolidate the offenses for disposition and impose a single disposition for the consolidated offenses. The disposition shall be specified for the class of offense and delinquency history level of the most serious offense.

"7B-2509. Conditions of probation; violation of probation.

(a) In any case where a juvenile is placed on probation pursuant to G.S. 7B-2506(8), the court counselor shall have the authority to visit the juvenile where the juvenile resides. The court may impose conditions of probation that are related to the needs of the juvenile and that are reasonably necessary to ensure that the juvenile will lead a law-abiding life, including:

(1) That the juvenile shall remain on good behavior.
(2) That the juvenile shall not violate any laws.
(3) That the juvenile shall not violate any reasonable and lawful rules of a parent, guardian, or custodian.
(4) That the juvenile attend school regularly.
(5) That the juvenile maintain passing grades in up to four courses during each grading period and meet with the court counselor and a representative of the school to make a plan for how to maintain those passing grades.
(6) That the juvenile not associate with specified persons or be in specified places.
(7) That the juvenile:
   a. Refrain from use or possession of any controlled substance included in any schedule of Article 5 of Chapter 90 of the General Statutes, the Controlled Substances Act;
   b. Refrain from use or possession of any alcoholic beverage regulated under Chapter 18B of the General Statutes; and
   c. Submit to random drug testing.
(8) That the juvenile abide by a prescribed curfew.
(9) That the juvenile submit to a warrantless search at reasonable times.
(10) That the juvenile possess no firearm, explosive device, or other deadly weapon.
(11) That the juvenile report to a court counselor as often as required by the court counselor.
(12) That the juvenile make specified financial restitution or pay a fine in accordance with G.S. 7B-2506(4), (5), and (22).
(13) That the juvenile be employed regularly if not attending school.
(14) That the juvenile satisfy any other conditions determined appropriate by the court.

(b) In addition to the regular conditions of probation specified in subsection (a) of this section, the court may, at a dispositional hearing or any subsequent hearing, order the juvenile to comply, if directed to comply by the chief court counselor, with one or more of the following conditions:

(1) Perform up to 20 hours of community service;
(2) Submit to substance abuse monitoring and treatment;
(3) Participate in a life skills or an educational skills program administered by the Office;
(4) Cooperate with electronic monitoring; and
(5) Cooperate with intensive supervision.

However, the court shall not give the chief court counselor discretion to impose the conditions of either subsection (4) or (5) of this section unless the juvenile is subject to Level 2 dispositions pursuant to G.S. 7B-2508 or subsection (d) of this section.

(c) An order of probation shall remain in force for a period not to exceed one year from the date entered. Prior to expiration of an order of probation, the court may extend it for an additional period of one year after a hearing, if the court finds that the extension is necessary to protect the community or to safeguard the welfare of the juvenile.

(d) On motion of the court counselor or the juvenile, or on the court’s own motion, the court may review the progress of any juvenile on probation at any time during the period of probation or at the end of probation. The conditions or duration of probation may be modified only as provided in this Subchapter and only after notice and a hearing.

(e) If the court, after notice and a hearing, finds by the greater weight of the evidence that the juvenile has violated the conditions of probation set by the court, the court may continue the original conditions of probation, modify the conditions of probation, or, except as provided in subsection (f) of this section, order a new disposition at the next higher level on the disposition chart in G.S. 7B-2508. In the court’s discretion, part of the new disposition may include an order of confinement in a secure juvenile detention facility for up to twice the term authorized by G.S. 7B-2508.

(f) A court shall not order a Level 3 disposition for violation of the conditions of probation by a juvenile adjudicated delinquent for an offense classified as minor under G.S. 7B-2508.

"7B-2510. Termination of probation.

At the end of or at any time during probation, the court may terminate probation by written order upon finding that there is no further need for supervision. The finding and order terminating probation may be entered in chambers in the absence of the juvenile and may be based on a report from the court counselor or, at the election of the court, the order may be entered with the juvenile present after notice and a hearing.

"7B-2511. Dispositional order.

The dispositional order shall be in writing and shall contain appropriate findings of fact and conclusions of law. The court shall state with particularity, both orally and in the written order of disposition, the precise terms of the disposition including the kind, duration, and the person who is responsible for carrying out the disposition and the person or agency in whom custody is vested.

"7B-2512. Commitment of delinquent juvenile to Office.

(a) Pursuant to G.S. 7B-2506 and G.S. 7B-2508, the court may commit a delinquent juvenile who is at least 10 years of age to the Office for placement in a training school. Commitment shall be for an indefinite term of at least six months. In no event shall the term exceed:
The twenty-first birthday of the juvenile if the juvenile has been committed to the Office for an offense that would be first-degree murder pursuant to G.S. 14-17, first-degree rape pursuant to G.S. 14-27.2, or first-degree sexual offense pursuant to G.S. 14-27.4 if committed by an adult;

The nineteenth birthday of the juvenile if the juvenile has been committed to the Office for an offense that would be a Class B1, B2, C, D, or E felony if committed by an adult, other than an offense set forth in subdivision (1) of this subsection; or

The eighteenth birthday of the juvenile if the juvenile has been committed to the Office for an offense other than an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult.

No juvenile shall be committed to a training school beyond the minimum six-month commitment for a period of time in excess of the maximum term of imprisonment for which an adult in prior record level VI for felonies or in prior conviction level III for misdemeanors could be sentenced for the same offense, except when the Office pursuant to G.S. 7B-2514 determines that the juvenile's commitment needs to be continued for an additional period of time to continue care or treatment under the plan of care or treatment developed under subsection (f) of this section. At the time of commitment to a training school, the court shall determine the maximum period of time the juvenile may remain committed before a determination must be made by the Office pursuant to G.S. 7B-2514 and shall notify the juvenile of that determination.

(b) The court may commit a juvenile to a definite term of not less than six months and not more than two years if the court finds that the juvenile is 14 years of age or older, has been previously adjudicated delinquent for two or more felony offenses, and has been previously committed to a training school.

(c) The chief court counselor shall have the responsibility for transporting the juvenile to the training school designated by the Office. The juvenile shall be accompanied to the training school by a person of the same sex.

(d) The chief court counselor shall ensure that the records requested by the Office accompany the juvenile upon transportation for admittance to a training school or, if not obtainable at the time of admission, are sent to the training school within 15 days of the admission. If records requested by the Office for admission do not exist, to the best knowledge of the chief court counselor, the chief court counselor shall so stipulate in writing to the training school. If such records do exist, but the chief court counselor is unable to obtain copies of them, a district court may order that the records from public agencies be made available to the training school. Records that are confidential by law shall remain confidential and the Office shall be bound by the specific laws governing the confidentiality of these records. All records shall be used in a manner consistent with the best interests of the juvenile.

(e) A commitment order accompanied by information requested by the Office shall be forwarded to the Office. The Office shall place the juvenile
in the training school that would best provide for the juvenile's needs and shall notify the committing court. The Office may assign a juvenile committed for delinquency to any institution or other program of the Office or licensed by the Office, which program is appropriate to the needs of the juvenile.

(f) When the court commits a juvenile to the Office for placement in a training school, the Office shall prepare a plan for care or treatment within 30 days after assuming custody of the juvenile.

(g) Commitment of a juvenile to the Office for placement in a training school does not terminate the court's continuing jurisdiction over the juvenile and the juvenile's parent, guardian, or custodian. Commitment of a juvenile to the Office for placement in a training school transfers only physical custody of the juvenile. Legal custody remains with the parent, guardian, custodian, agency, or institution in whom it was vested.

(h) Pending placement of a juvenile with the Office, the court may house a juvenile who has been adjudicated guilty of a delinquent act that would be a Class A, B1, B2, C, D, or E felony if committed by an adult in a holdover facility up to 72 hours if the court, based on the information provided by the court counselor, determines that no acceptable alternative placement is available and the protection of the public requires that the juvenile be housed in a holdover facility.

(i) A juvenile who is committed to the Office for placement in a training school shall be tested for the use of controlled substances or alcohol. The results of this initial test shall be incorporated into the plan of care as provided in subsection (f) of this section and used for evaluation and treatment purposes only.

(j) When a juvenile is committed to the Office for placement in a training school for an offense that would have been a Class A or B1 felony if committed by an adult, the chief court counselor shall notify the victim and members of the victim's immediate family that the victim, or the victim's immediate family members may request in writing to be notified in advance of the juvenile's scheduled release date in accordance with G.S. 7B-2513(d).

"7B-2513. Post-release supervision planning; release.

(a) The Office shall be responsible for evaluation of the progress of each juvenile at least once every six months as long as the juvenile remains in the care of the Office. Any determination that the juvenile should remain in the care of the Office for an additional period of time shall be based on the Office's determination that the juvenile requires additional treatment or rehabilitation pursuant to G.S. 7B-2514. If the Office determines that a juvenile is ready for release, the Office shall initiate a post-release supervision planning process. The post-release supervision planning process shall be defined by rules and regulations of the Office, but shall include the following:

1) Written notification shall be given to the court that ordered commitment.

2) A post-release supervision planning conference shall be held involving as many as possible of the following: the juvenile, the juvenile's parent, guardian, or custodian, court counselors who have supervised the juvenile on probation or will supervise the
juvenile on post-release supervision, and staff of the facility that found the juvenile ready for release. The planning conference shall include personal contact and evaluation rather than telephonic notification.

(3) The planning conference participants shall consider, based on the individual needs of the juvenile and pursuant to rules adopted by the Office, placement of the juvenile in any program under the auspices of the Office, including the juvenile court services programs that, in the judgment of the Office, would be appropriate transitional placement, pending release under G.S. 7B-2512.

(b) The Office shall develop the plan in writing and base the terms on the needs of the juvenile and the protection of the public. Every plan shall require the juvenile to complete at least 90 days, but not more than one year, of post-release supervision.

(c) The Office shall release a juvenile under a plan of post-release supervision at least 90 days prior to:

(1) Completion of the juvenile’s definite term of commitment; or
(2) The juvenile’s twenty-first birthday if the juvenile has been committed to the Office for an offense that would be first-degree murder pursuant to G.S. 14-17, first-degree rape pursuant to G.S. 14-27.2, or first-degree sexual offense pursuant to G.S. 14-27.4 if committed by an adult.
(3) The juvenile’s nineteenth birthday if the juvenile has been committed to the Office for an offense that would be a Class B1, B2, C, D, or E felony if committed by an adult, other than an offense set forth in G.S. 7B-1602(a).
(4) The juvenile’s eighteenth birthday if the juvenile has been committed to the Office for an offense other than an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult.

(d) Notwithstanding Articles 30 and 31 of Subchapter III of this Chapter, at least 45 days before releasing to post-release supervision a juvenile who was committed for a Class A or B1 felony, the Office shall notify, by first-class mail at the last known address:

(1) The juvenile;
(2) The juvenile’s parent, guardian, or custodian;
(3) The district attorney of the district where the juvenile was adjudicated;
(4) The head of the enforcement agency that took the juvenile into custody; and
(5) The victim and any of the victim’s immediate family members who have requested in writing to be notified.

The notification shall include only the juvenile’s name, offense, date of commitment, and date proposed for release. A copy of the notice shall be sent to the appropriate clerk of superior court for placement in the juvenile’s court file.
(e) The Office may release a juvenile under an indefinite commitment to post-release supervision only after the juvenile has been committed to the Office for placement in a training school for a period of at least six months.

(f) A juvenile committed to the Office for placement in a training school for a definite term shall receive credit toward that term for the time the juvenile spends on post-release supervision.

(g) A juvenile on post-release supervision shall be supervised by a court counselor. Post-release supervision shall be terminated by order of the court.

(a) If the Office does not intend to release the juvenile prior to the juvenile’s eighteenth birthday, or if the Office determines that the juvenile’s commitment should be continued beyond the maximum commitment period as set forth in G.S. 7B-2512(a), the Office shall notify the juvenile and the juvenile’s parent, guardian, or custodian in writing at least 30 days in advance of the juvenile’s eighteenth birthday or the end of the maximum commitment period, of the additional specific commitment period proposed by the Office, the basis for extending the commitment period, and the plan for future care or treatment.

(b) The Office shall modify the plan of care or treatment developed pursuant to G.S. 7B-2512(f) to specify (i) the specific goals and outcomes that require additional time for care or treatment of the juvenile; (ii) the specific course of treatment or care that will be implemented to achieve the established goals and outcomes; and (iii) the efforts that will be taken to assist the juvenile’s family in creating an environment that will increase the likelihood that the efforts to treat and rehabilitate the juvenile will be successful upon release. If appropriate, the Office may place the juvenile in a setting other than a training school.

(c) The juvenile and the juvenile’s parent, guardian, or custodian may request a review by the court of the Office’s decision to extend the juvenile’s commitment beyond the juvenile’s eighteenth birthday or maximum commitment period, in which case the court shall conduct a review hearing. The court may modify the Office’s decision and the juvenile’s maximum commitment period. If the juvenile or the juvenile’s parent, guardian, or custodian does not request a review of the Office’s decision, the Office’s decision shall become the juvenile’s new maximum commitment period.

7B-2515. Revocation of post-release supervision.

On motion of the court counselor providing post-release supervision or motion of the juvenile, or on the court’s own motion, and after notice, the court may hold a hearing to review the progress of any juvenile on post-release supervision at any time during the period of post-release supervision. With respect to any hearing involving allegations that the juvenile has violated the terms of post-release supervision, the juvenile:

(1) Shall have reasonable notice in writing of the nature and content of the allegations in the motion, including notice that the purpose of the hearing is to determine whether the juvenile has violated the terms of post-release supervision to the extent that post-release supervision should be revoked;

(2) Shall be represented by an attorney at the hearing;
(3) Shall have the right to confront and cross-examine witnesses; and
(4) May admit, deny, or explain the violation alleged and may present proof, including affidavits or other evidence, in support of the juvenile's contentions. A record of the proceeding shall be made and preserved in the juvenile's record.

If the court determines by the greater weight of the evidence that the juvenile has violated the terms of post-release supervision, the court may revoke the post-release supervision or make any other disposition authorized by this Subchapter.

If the court revokes post-release supervision, the juvenile shall be returned to the Office for placement in a training school for an indefinite term of at least 90 days, provided, however, that no juvenile shall remain committed to the Office for placement in a training school past:

(1) The juvenile's twenty-first birthday if the juvenile has been committed to the Office for an offense that would be first-degree murder pursuant to G.S. 14-17, first-degree rape pursuant to G.S. 14-27.2, or first-degree sexual offense pursuant to G.S. 14-27.4 if committed by an adult.

(2) The juvenile's nineteenth birthday if the juvenile has been committed to the Office for an offense that would be a Class B1, B2, C, D, or E felony if committed by an adult, other than an offense set forth in G.S. 7B-1602(a).

(3) The juvenile's eighteenth birthday if the juvenile has been committed to the Office for an offense other than an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult.

"7B-2516. Transfer authority of Governor.

The Governor may order transfer of any person less than 18 years of age from any jail or penal facility of the State to one of the residential facilities operated by the Office in appropriate circumstances, provided the Governor shall consult with the Office concerning the feasibility of the transfer in terms of available space, staff, and suitability of program.

When an inmate, committed to the Department of Correction, is transferred by the Governor to a residential program operated by the Office, the Office may release the juvenile based on the needs of the juvenile and the best interests of the State. Transfer shall not divest the probation or parole officer of the officer's responsibility to supervise the inmate on release.

"ARTICLE 26.

"Modification and Enforcement of Dispositional Orders; Appeals.

"7B-2600. Authority to modify or vacate.

(a) Upon motion in the cause or petition, and after notice, the court may conduct a review hearing to determine whether the order of the court is in the best interests of the juvenile, and the court may modify or vacate the order in light of changes in circumstances or the needs of the juvenile.

(b) In a case of delinquency, the court may reduce the nature or the duration of the disposition on the basis that it was imposed in an illegal manner or is unduly severe with reference to the seriousness of the offense,
the culpability of the juvenile, or the dispositions given to juveniles convicted of similar offenses.

(c) In any case where the court finds the juvenile to be delinquent or undisciplined, the jurisdiction of the court to modify any order or disposition made in the case shall continue (i) during the minority of the juvenile, (ii) until the juvenile reaches the age of 19 years if the juvenile has been adjudicated delinquent and committed to the Office for an offense that would be a Class B1, B2, C, D, or E felony if committed by an adult, other than an offense set forth in G.S. 7B-1602(a), (iii) until the juvenile reaches the age of 21 years if the juvenile has been adjudicated delinquent and committed for an offense that would be first-degree murder pursuant to G.S. 14-17, first-degree rape pursuant to G.S. 14-27.2, or first-degree sexual offense pursuant to G.S. 14-27.4 if committed by an adult, or (iv) until terminated by order of the court.

"7B-2601. Request for modification for lack of suitable services.

If the Office finds that any juvenile committed to the Office's care is not suitable for its program, the Office may make a motion in the cause so that the court may make an alternative disposition that is consistent with G.S. 7B-2508.

"7B-2602. Right to appeal.

Upon motion of a proper party as defined in G.S. 7B-2604, review of any final order of the court in a juvenile matter under this Article shall be before the Court of Appeals. Notice of appeal shall be given in open court at the time of the hearing or in writing within 10 days after entry of the order. However, if no disposition is made within 60 days after entry of the order, written notice of appeal may be given within 70 days after such entry. A final order shall include:

(1) Any order finding absence of jurisdiction;
(2) Any order which in effect determines the action and prevents a judgment from which appeal might be taken;
(3) Any order of disposition after an adjudication that a juvenile is delinquent or undisciplined; or
(4) Any order modifying custodial rights.

"7B-2603. Right to appeal transfer decision.

(a) Notwithstanding G.S. 7B-2602, any order transferring jurisdiction of the district court in a juvenile matter to the superior court may be appealed to the superior court for a hearing on the record. Notice of the appeal must be given in open court or in writing within 10 days after the transfer hearing in the district court. A juvenile who fails to appeal the transfer order to the superior court waives the right to raise the issue of transfer before the Court of Appeals until final disposition of the matter in superior court. The clerk of superior court shall provide the district attorney with a copy of any written notice of appeal filed by the attorney for the juvenile. Upon expiration of the 10 day period in which an appeal may be entered, if an appeal has been entered and not withdrawn, the clerk shall transfer the case to the superior court docket. The superior court shall, within a reasonable time, review the record of the transfer hearing for abuse of discretion by the juvenile court in the issue of transfer. The superior court shall not review the findings as to probable cause for the underlying offense.
(b) Once an order of transfer has been entered by the district court, the juvenile has the right to be considered for pretrial release as provided in G.S. 15A-533 and G.S. 15A-534. The release order shall specify the person or persons to whom the juvenile may be released. Pending release, the court shall order that the juvenile be detained in a detention facility while awaiting trial. The court may order the juvenile to be held in a holdover facility as defined by G.S. 7B-1501 at any time the presence of the juvenile is required in court for pretrial hearings or trial, if the court finds that it would be inconvenient to return the juvenile to the detention facility.

(c) If an appeal of the transfer order is taken, the superior court shall enter an order either (i) remanding the case to the juvenile court for adjudication or (ii) upholding the transfer order. If the superior court remands the case to juvenile court for adjudication and the juvenile has been granted pretrial release provided in G.S 15A-533 and G.S. 15A-534, the obligor shall be released from the juvenile’s bond upon the district court’s review of whether the juvenile shall be placed in secure or nonsecure custody as provided in G.S. 7B-1903.

(d) The superior court order shall be an interlocutory order, and the issue of transfer may be appealed to the Court of Appeals only after the juvenile has been convicted in superior court.

"§ 7B-2604. Proper parties for appeal."

An appeal may be taken by the juvenile, the juvenile’s parent, guardian, or custodian, or the State. The State’s appeal is limited to the following orders in delinquency or undisciplined cases:

1. An order finding a State statute to be unconstitutional; and
2. Any order which terminates the prosecution of a petition by upholding the defense of double jeopardy, by holding that a cause of action is not stated under a statute, or by granting a motion to suppress.

"§ 7B-2605. Disposition pending appeal."

Pending disposition of an appeal, the release of the juvenile, with or without conditions, should issue in every case unless the court orders otherwise. For compelling reasons which must be stated in writing, the court may enter a temporary order affecting the custody or placement of the juvenile as the court finds to be in the best interests of the juvenile or the State.

"§ 7B-2606. Disposition after appeal."

Upon the affirmation of the order of adjudication or disposition of the court by the Court of Appeals or by the Supreme Court in the event of an appeal, the court shall have authority to modify or alter the original order of adjudication or disposition as the court finds to be in the best interests of the juvenile to reflect any adjustment made by the juvenile or change in circumstances during the period of time the appeal was pending. If the modifying order is entered ex parte, the court shall give notice to interested parties to show cause within 10 days thereafter as to why the modifying order should be vacated or altered.

"ARTICLE 27."

"Authority Over Parents of Juveniles"

"Adjudicated Delinquent or Undisciplined."

837
"§ 7B-2700. Appearance in court.

The parent, guardian, or custodian of a juvenile under the jurisdiction of the juvenile court shall attend the hearings of which the parent, guardian, or custodian receives notice. The court may excuse the appearance of either or both parents or the guardian or custodian at a particular hearing or all hearings. Unless so excused, the willful failure of a parent, guardian, or custodian to attend a hearing of which the parent, guardian, or custodian has notice shall be grounds for contempt.

"§ 7B-2701. Parental responsibility classes.

The court may order the parent, guardian, or custodian of a juvenile who has been adjudicated undisciplined or delinquent to attend parental responsibility classes if those classes are available in the judicial district in which the parent, guardian, or custodian resides.

"§ 7B-2702. Medical, surgical, psychiatric, or psychological evaluation or treatment of juvenile or parent.

(a) If the court orders medical, surgical, psychiatric, psychological, or other evaluation or treatment pursuant to G.S. 7B-2502, the court may order the parent or other responsible parties to pay the cost of the treatment or care ordered.

(b) At the dispositional hearing or a subsequent hearing, if the court finds that it is in the best interests of the juvenile for the parent to be directly involved in the juvenile's evaluation or treatment, the court may order that person to participate in medical, psychiatric, psychological, or other evaluation or treatment of the juvenile. The cost of the evaluation or treatment shall be paid pursuant to G.S. 7B-2502.

(c) At the dispositional hearing or a subsequent hearing, the court may determine whether the best interests of the juvenile require that the parent undergo psychiatric, psychological, or other evaluation or treatment or counseling directed toward remedying behaviors or conditions that led to or contributed to the juvenile's adjudication or to the court's decision to remove custody of the juvenile from the parent. If the court finds that the best interests of the juvenile require the parent undergo evaluation or treatment, it may order that person to comply with a plan of evaluation or treatment approved by the court or condition legal custody or physical placement of the juvenile with the parent upon that person's compliance with the plan of evaluation or treatment.

(d) In cases in which the court has ordered the parent of the juvenile to comply with or undergo evaluation or treatment, the court may order the parent to pay the cost of evaluation or treatment ordered pursuant to this subsection. In cases in which the court has conditioned legal custody or physical placement of the juvenile with the parent upon the parent's compliance with a plan of evaluation or treatment, the court may charge the cost of the evaluation or treatment to the county of the juvenile's residence if the court finds the parent is unable to pay the cost of the evaluation or treatment. In all other cases, if the court finds the parent is unable to pay the cost of the evaluation or treatment ordered pursuant to this subsection, the court may order the parent to receive evaluation or treatment currently available from the area mental health program that serves the parent's catchment area.
§ 7B-2703. Compliance with orders of court.

(a) The court may order the parent, guardian, or custodian, to the extent that person is able to do so, to provide transportation for a juvenile to keep an appointment with a court counselor or to comply with other orders of the court.

(b) The court may order a parent, guardian, or custodian to cooperate with and assist the juvenile in complying with the terms and conditions of probation or other orders of the court.

§ 7B-2704. Payment of support or other expenses; assignment of insurance coverage.

At the dispositional hearing or a subsequent hearing, if the court finds that the parent is able to do so, the court may order the parent to:

1. Pay a reasonable sum that will cover in whole or in part the support of the juvenile. If the court requires the payment of child support, the amount of the payments shall be determined as provided in G.S. 50-13.4;

2. Pay a fee for probation supervision or residential facility costs;

3. Assign private insurance coverage to cover medical costs while the juvenile is in secure detention, training school, or other out-of-home placement; and

4. Pay court-appointed attorneys’ fees.

All money paid by a parent pursuant to this section shall be paid into the office of the clerk of superior court.

If the court places a juvenile in the custody of a county department of social services and if the court finds that the parent is unable to pay the cost of the support required by the juvenile, the cost shall be paid by the county department of social services in whose custody the juvenile is placed, provided the juvenile is not receiving care in an institution owned or operated by the State or federal government or any subdivision thereof.

§ 7B-2705. Employment discrimination unlawful.

No employer may discharge, demote, or deny a promotion or other benefit of employment to any employee because the employee complies with the provisions of this Article. The Commissioner of Labor shall enforce the provisions of this section according to Article 21 of Chapter 95 of the General Statutes, including the rules and regulations issued pursuant to that Article.

§ 7B-2706. Contempt for failure to comply.

Upon motion of the court counselor or prosecutor or upon the court’s own motion, the court may issue an order directing the parent, guardian, or custodian to appear and show cause why the parent, guardian, or custodian should not be found or held in civil or criminal contempt for willfully failing to comply with an order of the court. Chapter 5A of the General Statutes shall govern contempt proceedings initiated pursuant to this Article.

ARTICLE 28.

"Interstate Compact on Juveniles.

The Governor is hereby authorized and directed to execute a Compact on behalf of this State with any other state or states legally joining therein in the form substantially as follows: The contracting states solemnly agree.
"§ 7B-2801. Findings and purposes.

Juveniles who are not under proper supervision and control, or who have absconded, escaped, or run away, are likely to endanger their own health, morals, and welfare, and the health, morals, and welfare of others. The cooperation of the states party to this Compact is therefore necessary to provide for the welfare and protection of juveniles and of the public with respect to:

1. Cooperative supervision of delinquent juveniles on probation or parole;
2. The return, from one state to another, of delinquent juveniles who have escaped or absconded;
3. The return, from one state to another, of nondelinquent juveniles who have run away from home; and
4. Additional measures for the protection of juveniles and of the public, which any two or more of the party states may find desirable to undertake cooperatively.

In carrying out the provisions of this Compact, the party states shall be guided by the noncriminal, reformative, and protective policies which guide their laws concerning delinquent, neglected, or dependent juveniles generally. It shall be the policy of the states party to this Compact to cooperate and observe their respective responsibilities for the prompt return and acceptance of juveniles and delinquent juveniles who become subject to the provisions of this Compact. The provisions of this Compact shall be reasonably and liberally construed to accomplish the foregoing purposes.

"§ 7B-2802. Existing rights and remedies.

All remedies and procedures provided by this Compact are in addition to and not in substitution for other rights, remedies, and procedures and are not in derogation of parental rights and responsibilities.

"§ 7B-2803. Definitions.

For the purposes of this Compact, ‘delinquent juvenile’ means any juvenile who has been adjudged delinquent and who, at the time the provisions of this Compact are invoked, is still subject to the jurisdiction of the court that has made adjudication or to the jurisdiction or supervision of an agency or institution pursuant to an order of the court; ‘probation or parole’ means any kind of post-release supervision of juveniles authorized under the laws of the states party hereto; ‘court’ means any court having jurisdiction over delinquent, neglected, or dependent juveniles; ‘state’ means any state, territory, or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico; and ‘residence’ or any variant thereof means a place at which a home or regular place of abode is maintained.

"§ 7B-2804. Return of runaways.

(a) The parent, guardian, person, or agency entitled to legal custody of a juvenile who has not been adjudged delinquent but who has run away without the consent of the parent, guardian, person, or agency may petition the appropriate court in the demanding state for the issuance of a requisition for the juvenile’s return. The petition shall state the name and age of the juvenile, the name of the petitioner, and the basis of entitlement to the juvenile’s custody, the circumstances of the running away, the juvenile’s
location if known at the time application is made, and any other facts that may tend to show that the juvenile who has run away is endangering the juvenile's own welfare or the welfare of others and is not an emancipated minor. The petition shall be verified by affidavit, shall be executed in duplicate, and shall be accompanied by two certified copies of the document or documents on which the petitioner's entitlement to the juvenile's custody is based, such as birth certificates, letters of guardianship, or custody decrees. Any further affidavits and other documents as may be deemed proper may be submitted with the petition. The judge of the court to which this application is made may hold a hearing thereon to determine whether for the purposes of this Compact the petitioner is entitled to the legal custody of the juvenile, whether or not it appears that the juvenile has in fact run away without consent, whether or not the juvenile is an emancipated minor, and whether or not it is in the best interests of the juvenile to compel the juvenile's return to the state. If the judge determines, either with or without a hearing, that the juvenile should be returned, the judge shall present to the appropriate court or to the executive authority of the state where the juvenile is alleged to be located a written requisition for the return of the juvenile. The requisition shall set forth the name and age of the juvenile, the determination of the court that the juvenile has run away without the consent of a parent, guardian, person, or agency entitled to legal custody, and that it is in the best interests and for the protection of the juvenile that the juvenile be returned. In the event that a proceeding for the adjudication of the juvenile as a delinquent, neglected, or dependent juvenile is pending in the court at the time when the juvenile runs away, the court may issue a requisition for the return of the juvenile upon its own motion, regardless of the consent of the parent, guardian, person, or agency entitled to legal custody, reciting therein the nature and circumstances of the pending proceeding. The requisition shall in every case be executed in duplicate and shall be signed by the judge. One copy of the requisition shall be filed with the Compact Administrator of the demanding state, there to remain on file subject to the provisions of law governing records of the court. Upon the receipt of a requisition demanding the return of a juvenile who has run away, the court or the executive authority to whom the requisition is addressed shall issue an order to any peace officer or other appropriate person directing that person to take into custody and detain the juvenile. The detention order must substantially recite the facts necessary to the validity of its issuance hereunder. No juvenile detained upon the order shall be delivered over to the officer whom the court has appointed to receive the juvenile unless the juvenile first is taken before a judge of a court in the state, who shall inform the juvenile of the demand made for the juvenile's return, and who may appoint counsel or guardian ad litem for the juvenile. If the court finds that the requisition is in order, the court shall deliver the juvenile over to the officer appointed to receive the juvenile by the court demanding the juvenile. The court, however, may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

Upon reasonable information that a person is a juvenile who has run away from another state party to this Compact without the consent of a parent, guardian, person, or agency entitled to legal custody, the juvenile may be
taken into custody without a requisition and brought before a judge of the appropriate court who may appoint counsel or guardian ad litem for the juvenile and who shall determine after a hearing whether sufficient cause exists to hold the person, subject to the order of the court, for the juvenile’s own protection and welfare, for such a time not exceeding 90 days as will enable the return of the juvenile to another state party to this Compact pursuant to a requisition for return from a court of that state. If, at the time when a state seeks the return of a juvenile who has run away, there is pending in the state wherein the juvenile is found, any criminal charge, or any proceeding to have the juvenile adjudicated a delinquent juvenile for an act committed in the state, or if the juvenile is suspected of having committed within the state a criminal offense or an act of juvenile delinquency, the juvenile shall not be returned without the consent of the state until discharged from prosecution or other form of proceeding, imprisonment, detention, or supervision for the offense or juvenile delinquency. The duly accredited officers of any state party to this Compact, upon the establishment of their authority and the identity of the juvenile being returned, shall be permitted to transport the juvenile through any and all states party to this Compact, without interference. Upon return of the juvenile to the state from which the juvenile ran away, the juvenile shall be subject to such further proceedings as may be appropriate under the laws of that state.

(b) The state to which the juvenile is returned under this Article shall be responsible for payment of the transportation costs of return.

(c) The term ‘juvenile’ as used in this Article means any person who is a minor under the law of the state of residence of the parent, guardian, person, or agency entitled to the legal custody of the minor.

§ 7B-2805. Return of escapees and absconders.

(a) The appropriate person or authority from whose probation or parole supervision a delinquent juvenile has absconded or from whose institutional custody a delinquent juvenile has escaped shall present to the appropriate court or to the executive authority of the state where the delinquent juvenile is alleged to be located a written requisition for the return of the delinquent juvenile. The requisition shall state the name and age of the delinquent juvenile, the particulars of the juvenile’s adjudication as a delinquent juvenile, the circumstances of the breach of the terms of probation or parole or of the juvenile’s escape from an institution or agency vested with legal custody or supervision, and the location of the delinquent juvenile, if known, at the time the requisition is made. The requisition shall be verified by affidavit, shall be executed in duplicate, and shall be accompanied by two certified copies of the judgment, formal adjudication, or order of commitment which subjects the delinquent juvenile to probation or parole or to the legal custody of the institution or agency concerned. Any further affidavits and documents as may be deemed proper may be submitted with the requisition. One copy of the requisition shall be filed with the Compact Administrator of the demanding state, there to remain on file subject to the provisions of the law governing records of the appropriate court. Upon the receipt of a requisition demanding the return of a delinquent juvenile who has absconded or escaped, the court or the executive authority to whom the
requisition is addressed shall issue an order to any peace officer or other appropriate person directing the person to take into custody and detain such delinquent juvenile. The detention order must substantially recite the facts necessary to the validity of its issuance hereunder. No delinquent juvenile detained upon the order shall be delivered over to the officer whom the appropriate person or authority demanding the juvenile has appointed to receive the juvenile, unless the juvenile is first taken forthwith before a judge of an appropriate court in the state, who shall inform the juvenile of the demand made for the return, and who may appoint counsel or guardian ad litem for the juvenile. If the judge of the court finds that the requisition is in order, the judge shall deliver the delinquent juvenile over to the officer whom the appropriate person or authority demanding the juvenile appointed to receive the juvenile. The judge, however, may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

Upon reasonable information that a person is a delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with legal custody or supervision in any state party to this Compact, the person may be taken into custody in any other state party to this Compact without a requisition. But in that event, the juvenile shall be taken forthwith before a judge of the appropriate court, who may appoint counsel or guardian ad litem for the person and who shall determine after a hearing, whether sufficient cause exists to hold the person subject to the order of the court for a length of time, not exceeding 90 days, as will enable detention of the juvenile under a detention order issued on a requisition pursuant to this Article. If, at the time when a state seeks the return of a delinquent who has either absconded while on probation or parole or escaped from an institution or agency vested with legal custody or supervision, there is pending in the state wherein the juvenile is detained any criminal charge or any proceeding to have the juvenile adjudicated a delinquent juvenile for an act committed in the state, or if the juvenile is suspected of having committed a criminal offense or an act of juvenile delinquency within the state, the juvenile shall not be returned without the consent of the state until discharged from prosecution or other form of proceeding, imprisonment, detention, or supervision for the offense or juvenile delinquency. The duly accredited officers of any state party to this Compact, upon the establishment of their authority and the identity of the delinquent juvenile being returned, shall be permitted to transport the delinquent juvenile through any and all states party to this Compact, without interference. Upon return to the state from which the juvenile escaped or absconded, the delinquent juvenile shall be subject to any further proceedings appropriate under the laws of that state.

(b) The state to which a delinquent juvenile is returned under this Article shall be responsible for the payment of transportation costs of the return.

"§ 7B-2806. Voluntary return procedure.

Any delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with legal custody or supervision in any state party to this Compact, and any juvenile who has run away from any state party to this Compact, who is taken into custody without a requisition in another state party to this Compact under the provisions of
G.S. 7B-2804(a) or G.S. 7B-2805(a), may consent to the immediate return of the juvenile to the state from which the juvenile absconded, escaped, or ran away. Consent shall be given by the juvenile or delinquent juvenile and the juvenile's counsel or guardian ad litem, if any, by executing or subscribing a writing in the presence of a judge of the appropriate court, which states that the juvenile or delinquent juvenile and the juvenile's counsel or guardian ad litem, if any, consent to return of the juvenile to the demanding state. Before consent is executed or subscribed, however, the judge, in the presence of counsel or guardian ad litem, if any, shall inform the juvenile or delinquent juvenile of the juvenile's rights under this Compact. When the consent has been duly executed, it shall be forwarded to and filed with the Compact Administrator of the state in which the court is located, and the judge shall direct the officer having the juvenile or delinquent juvenile in custody to deliver the juvenile to the duly accredited officer or officers of the state demanding return of the juvenile and shall cause to be delivered to the officer or officers a copy of the consent. The court may, however, upon the request of the state to which the juvenile or delinquent juvenile is being returned, order the juvenile to return unaccompanied to the state and shall provide the juvenile with a copy of the court order; in that event a copy of the consent shall be forwarded to the Compact Administrator of the state to which the juvenile or delinquent juvenile is ordered to return.

"§ 7B-2807. Cooperative supervision of probationers and parolees.

(a) That the duly constituted judicial and administrative authorities of a state party to this Compact (herein called 'sending state') may permit any delinquent juvenile within such state, placed on probation or parole, to reside in any other state party to this Compact (herein called 'receiving state') while on probation or parole, and the receiving state shall accept the delinquent juvenile, if the parent, guardian, or person entitled to the legal custody of the delinquent juvenile is residing or undertakes to reside within the receiving state. Before granting permission, opportunity shall be given to the receiving state to make investigations as it deems necessary. The authorities of the sending state shall send to the authorities of the receiving state copies of pertinent court orders, social case studies, and all other available information which may be of value to and assist the receiving state in supervising a probationer or parolee under this Compact. A receiving state, in its discretion, may agree to accept supervision of a probationer or parolee in cases where the parent, guardian, or person entitled to the legal custody of the delinquent juvenile is not a resident of the receiving state, and if so accepted, the sending state may transfer the supervision accordingly.

(b) That each receiving state will assume the duties of visitation and of supervision over any delinquent juvenile and in the exercise of those duties will be governed by the same standards of visitation and supervision that prevail for its own delinquent juveniles released on probation or parole.

(c) That, after consultation between the appropriate authorities of the sending state and of the receiving state as to the desirability and necessity of returning the delinquent juvenile, the duly accredited officers of a sending state may enter a receiving state and there apprehend and retake any delinquent juvenile on probation or parole. For that purpose, no formalities
will be required other than establishing the authority of the officer and the identity of the delinquent juvenile to be retaken and returned. The decision of the sending state to retake a delinquent juvenile on probation or parole shall be conclusive upon and not reviewable within the receiving state, but if, at the time the sending state seeks to retake a delinquent juvenile on probation or parole, there is pending against the juvenile within the receiving state any criminal charge or any proceeding to have the juvenile adjudicated a delinquent juvenile for any act committed in the state or if the juvenile is suspected of having committed within the state a criminal offense or an act of juvenile delinquency, the juvenile shall not be returned without the consent of the receiving state until discharged from prosecution or other form of proceeding, imprisonment, detention, or supervision for the offense or juvenile delinquency. The duly accredited officers of the sending state shall be permitted to transport delinquent juveniles being so returned through any and all states party to this Compact without interference.

(d) The sending state shall be responsible under this Article for paying the costs of transporting any delinquent juvenile to the receiving state or of returning any delinquent juvenile to the sending state.

"§ 7B-2808. Responsibility for costs.
(a) The provisions of G.S. 7B-2804(b), 7B-2805(b), and 7B-2807(d) shall not be construed to alter or affect any internal relationship among the departments, agencies, and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs or responsibilities therefor.

(b) Nothing in this Compact shall be construed to prevent any party state or subdivision thereof from asserting any right against any person, agency, or other entity in regard to costs for which such party state or subdivision thereof may be responsible pursuant to G.S. 7B-2804(b), 7B-2805(b), and 7B-2807(d).

"§ 7B-2809. Detention practices.
To every extent possible, it shall be the policy of states party to this Compact that no juvenile or delinquent juvenile shall be placed or detained in any prison, jail, or lockup, nor be detained or transported in association with criminal, vicious, or dissolute persons.

"§ 7B-2810. Supplementary agreements.
The duly constituted administrative authorities of a state party to this Compact may enter into supplementary agreements with any other state or states party hereto for the cooperative care, treatment, and rehabilitation of delinquent juveniles whenever they find that the agreements will improve the facilities or programs available for care, treatment, and rehabilitation. Care, treatment, and rehabilitation may be provided in an institution located within any state entering into a supplementary agreement. Supplementary agreements shall:

(1) Provide the rates to be paid for the care, treatment, and custody of delinquent juveniles taking into consideration the character of facilities, services, and subsistence furnished;

(2) Provide that the delinquent juvenile shall be given a court hearing prior to the juvenile being sent to another state for care, treatment, and custody;
(3) Provide that the state receiving a delinquent juvenile in one of its institutions shall act solely as agent for the state sending the delinquent juvenile;

(4) Provide that the sending state shall at all times retain jurisdiction over delinquent juveniles sent to an institution in another state;

(5) Provide for reasonable inspection of the institutions by the sending state;

(6) Provide that the consent of the parent, guardian, person, or agency entitled to the legal custody of the delinquent juvenile shall be secured prior to the juvenile being sent to another state; and

(7) Make provisions for any other matters and details as shall be necessary to protect the rights and equities of delinquent juveniles and of the cooperating states.

"§ 7B-2811. Acceptance of federal and other aid.

Any state party to this Compact may accept any and all donations, gifts, and grants of money, equipment, and services from the federal or any local government, or any agency thereof and from any person, firm, or corporation, for any of the purposes and functions of this Compact, and may receive and utilize, the same subject to the terms, conditions, and regulations governing such donations, gifts, and grants.

"§ 7B-2812. Compact administrators.

The governor of each state party to this Compact shall designate an officer who, acting jointly with like officers of other party states, shall promulgate rules and regulations to carry out more efficiently the terms and provisions of this Compact.

"§ 7B-2813. Execution of Compact.

This Compact shall become operative immediately upon its execution by any state as between it and any other state or states so executing. When executed it shall have the full force and effect of law within the state, the form of execution to be in accordance with the laws of the executing state.

"§ 7B-2814. Renunciation.

This Compact shall continue in force and remain binding upon each executing state until renounced by it. Renunciation of this Compact shall be by the same authority which executed it, by sending six months' notice in writing of its intention to withdraw from the Compact to the other states party hereto. The duties and obligations of a renouncing state under G.S. 7B-2807 hereof shall continue as to parolees and probationers residing therein at the time of withdrawal until retaken or finally discharged. Supplementary agreements entered into under G.S. 7B-2810 hereof shall be subject to renunciation as provided by supplementary agreements and shall not be subject to the six months' renunciation notice of the present section.

"§ 7B-2815. Severability.

The provisions of this Compact shall be severable and, if any phrase, clause, sentence, or provision of this Compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person, or circumstances is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person, or circumstances
shall not be affected thereby. If this Compact shall be held contrary to the constitution of any state participating therein, the Compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

"§ 7B-2816. Authority of Governor to designate Compact Administrator.

Pursuant to said Compact, the Governor is hereby authorized and empowered to designate an officer who shall be the Compact Administrator and who, acting jointly with like officers of other party states, shall adopt rules and regulations to carry out more effectively the terms of the Compact. The Compact Administrator shall serve subject to the pleasure of the Governor. The Compact Administrator is hereby authorized, empowered, and directed to cooperate with all departments, agencies, and officers of and in the government of this State and its subdivisions in facilitating the proper administration of the Compact or of any supplementary agreement or agreements entered into by this State hereunder.

"§ 7B-2817. Authority of Compact Administrator to enter into supplementary agreements.

The Compact Administrator is hereby authorized and empowered to enter into supplementary agreements with appropriate officials of other states pursuant to the Compact. In the event that the supplementary agreement shall require or contemplate the use of any institution or facility of this State or require or contemplate the provision of any service by this State, the supplementary agreement shall have no force or effect until approved by the head of the department or agency under whose jurisdiction said institution or facility is operated or whose department or agency will be charged with the rendering of the service.

"§ 7B-2818. Discharging financial obligations imposed by Compact or agreement.

The Compact Administrator, subject to the approval of the Director of the Budget, may make or arrange for any payments necessary to discharge any financial obligations imposed upon this State by the Compact or by any supplementary agreement entered into thereunder.

"§ 7B-2819. Enforcement of Compact.

The courts, departments, agencies, and officers of this State and subdivisions shall enforce this Compact and shall do all things appropriate to the effectuation of its purposes and intent which may be within their respective jurisdictions.

"§ 7B-2820. Additional procedure for returning runaways not precluded.

In addition to any procedure provided in G.S. 7B-2804 and G.S. 7B-2806 of the Compact for the return of any runaway juvenile, the particular states, the juvenile or the juvenile's parents, the courts, or other legal custodian involved may agree upon and adopt any other plan or procedure legally authorized under the laws of this State and the other respective party states for the return of any runaway juvenile.

"§ 7B-2821. Proceedings for return of runaways under G.S. 7B-2804 of Compact; 'juvenile' construed.

The judge of any court in North Carolina to which an application is made for the return of a runaway under the provisions of G.S. 7B-2804 of the
Interstate Compact on Juveniles shall hold a hearing thereon to determine whether for the purposes of the Compact the petitioner is entitled to the legal custody of the juvenile, whether or not it appears that the juvenile has in fact run away without consent, whether or not the juvenile is an emancipated minor, and whether or not it is in the best interests of the juvenile to compel the return of the juvenile to the state. The judge of any court in North Carolina, finding that a requisition for the return of a juvenile under the provisions of G.S. 7B-2804 of the Compact is in order, shall upon request fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding. The period of time for holding a juvenile in custody under the provisions of G.S. 7B-2804 of the Compact for the protection and welfare of the juvenile, subject to the order of a court of this State, to enable the juvenile’s return to another state party to the Compact pursuant to a requisition for return from a court of that state, shall not exceed 30 days. In applying the provisions of G.S. 7B-2804 of the Compact to secure the return of a runaway from North Carolina, the courts of this State shall construe the word ‘juvenile’ as used in this Article to mean any person who has not reached the person’s eighteenth birthday.

§ 7B-2822. Interstate parole and probation hearing procedures for juveniles.

Where supervision of a parolee or probationer is being administered pursuant to the Interstate Compact on Juveniles, the appropriate judicial or administrative authorities in this State shall notify the Compact Administrator of the sending state whenever, in their view, consideration should be given to retaking or reincarceration for a parole or a probation violation. Prior to giving of notification, a hearing shall be held in accordance with this Article within a reasonable time, unless the hearing is waived by the parolee or probationer. The appropriate officer or officers of this State shall, as soon as practicable, following termination of any hearing, report to the sending state, furnish a copy of the hearing record, and make recommendations regarding the disposition to be made of the parolee or probationer by the sending state. Pending any proceeding pursuant to this section, the appropriate officers of this State may take custody of and detain the parolee or probationer involved for a period not to exceed 10 days prior to the hearing and, if it appears to the hearing officer or officers that retaking or reincarceration is likely to follow, for a reasonable period after the hearing or waiver as may be necessary to arrange for retaking or the reincarceration.

§ 7B-2823. Hearing officers.

Any hearing pursuant to this Article may be before the Administrator of the Interstate Compact on Juveniles, a deputy of the Administrator, or any other person authorized pursuant to the juvenile laws of this State to hear cases of alleged juvenile parole or probation violations, except that no hearing officer shall be the person making the allegation of violation.

§ 7B-2824. Due process at parole or probation violation hearing.

With respect to any hearing pursuant to this Article, the parolee or probationer:

(1) Shall have reasonable notice in writing of the nature and content of the allegations to be made, including notice that the purpose of the hearing is to determine whether there is probable cause to
believe that the parolee or probationer has committed a violation
that may lead to a revocation of parole or probation;

(2) Shall be permitted to advise with any persons whose assistance
the parolee or probationer reasonably desires, prior to the
hearing;

(3) Shall have the right to confront and examine any persons who
have made allegations against the parolee or probationer, unless
the hearing officer determines that confrontation would present a
substantial present or subsequent danger of harm to the person or
persons; and

(4) May admit, deny, or explain the violation alleged and may
present proof, including affidavits and other evidence, in support
of the parolee's or probationer's contentions.

A record of the proceedings shall be made and preserved.

"§ 7B-2825. Effect of parole or probation violation hearing outside State.
In any case of alleged parole or probation violation by a person being
supervised in another state pursuant to the Interstate Compact on Juveniles,
any appropriate judicial or administrative officer or agency in another state is
authorized to hold a hearing on the alleged violation. Upon receipt of the
record of a parole or probation violation hearing held in another state
pursuant to a statute substantially similar to this Article, such record shall
have the same standing and effect as though the proceeding of which it is a
record was had before the appropriate officer or officers in this State, and
any recommendations contained in or accompanying the record shall be fully
considered by the appropriate officer or officers of this State in making
disposition of the matter.

"§ 7B-2826. Amendment to Interstate Compact on Juveniles concerning
interstate rendition of juveniles alleged to be delinquent.
(a) This amendment shall provide additional remedies and shall be
binding only as among and between those party states which specifically
execute the same.

(b) All provisions and procedures of G.S. 7B-2805 and G.S. 7B-2806 of
the Interstate Compact on Juveniles shall be construed to apply to any
juvenile charged with being a delinquent by reason of a violation of any
criminal law. Any juvenile, charged with being a delinquent by reason of
violating any criminal law, shall be returned to the requesting state upon a
requisition to the state where the juvenile may be found. A petition in the
case shall be filed in a court of competent jurisdiction in the requesting state
where the violation of criminal law is alleged to have been committed. The
petition may be filed regardless of whether the juvenile has left the state
before or after the filing of the petition. The requisition described in G.S.
7B-2805 of the Compact shall be forwarded by the judge of the court in
which the petition has been filed.

"§ 7B-2827. Out-of-State Confinement Amendment.
(a) The Out-of-State Confinement Amendment to the Interstate Compact
on Juveniles is hereby enacted into law and entered into by this State with
all other states legally joining therein in the form substantially as follows:

(1) Whenever the fully constituted judicial or administrative
authorities in a sending state shall determine that confinement of
a probationer or reconfinement of a parolee is necessary or desirable, the officials may direct that the confinement or reconfinement be in an appropriate institution for delinquent juveniles within the territory of the receiving state, the receiving state to act in that regard solely as agent for the sending state.

(2) Escapees and absconders who would otherwise be returned pursuant to G.S. 7B-2805 of the Compact may be confined or reconfined in the receiving state pursuant to this amendment. In any case in which the information and allegations are required to be made and furnished in a requisition pursuant to G.S. 7B-2805, the sending state shall request confinement or reconfinement in the receiving state. Whenever applicable, detention orders, as provided in G.S. 7B-2805, may be employed pursuant to this paragraph preliminary to disposition of the escapee or absconder.

(3) The confinement or reconfinement of a parolee, probationer, escapee, or absconder pursuant to this amendment shall require the concurrence of the appropriate judicial or administrative authorities of the receiving state.

(4) As used in this amendment: (i) 'sending state' means a sending state as that term is used in G.S. 7B-2807 of the Compact or the state from which a delinquent juvenile has escaped or absconded within the meaning of G.S. 7B-2805 of the Compact; (ii) 'receiving state' means any state, other than the sending state, in which a parolee, probationer, escapee, or absconder may be found, provided that the state is a party to this amendment.

(5) Every state which adopts this amendment shall designate at least one of its institutions for delinquent juveniles as a 'Compact Institution' and shall confine persons therein as provided in subdivision (1) of this subsection unless the sending and receiving state in question shall make specific contractual arrangements to the contrary. All states party to this amendment shall have access to 'Compact Institutions' at all reasonable hours for the purpose of inspecting the facilities thereof and for the purpose of visiting such of the State's delinquents as may be confined in the institution.

(6) Persons confined in 'Compact Institutions' pursuant to the terms of this Compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed from the 'Compact Institution' for transfer to an appropriate institution within the sending state, for return to probation or parole, for discharge, or for any purpose permitted by the laws of the sending state.

(7) All persons who may be confined in a 'Compact Institution' pursuant to the provisions of this amendment shall be treated in a reasonable and humane manner. The fact of confinement or reconfinement in a receiving state shall not deprive any person so confined or reconfined of any rights which the person would have had if confined or reconfined in an appropriate institution of the
sending state. No agreement to submit to confinement or reconfinement pursuant to the terms of this amendment may be construed as a waiver of any rights which the delinquent would have had if the person had been confined or reconfined in any appropriate institution of the sending state, except that the hearing or hearings, if any, to which a parolee, probationer, escapee, or absconder may be entitled (prior to confinement or reconfinement) by the laws of the sending state may be had before the appropriate judicial or administrative officers of the receiving state. In this event, said judicial and administrative officers shall act as agents of the sending state after consultation with appropriate officers of the sending state.

(8) Any receiving state incurring costs or other expenses under this amendment shall be reimbursed in the amount of the costs or other expenses by the sending state unless the states concerned shall specifically otherwise agree. Any two or more states party to this amendment may enter into supplementary agreements determining a different allocation of costs as among themselves.

(9) This amendment shall take initial effect when entered into by any two or more states party to the Compact and shall be effective as to those states which have specifically enacted this amendment. Rules and regulations necessary to effectuate the terms of this amendment may be adopted by the appropriate officers of those states which have enacted this amendment.

(b) In addition to any institution in which the authorities of this State may otherwise confine or order the confinement of a delinquent juvenile, the authorities may, pursuant to the Out-of-State Confinement Amendment to the Interstate Compact on Juveniles, confine or order the confinement of a delinquent juvenile in a Compact Institution within another party state.

"§ 7B-2901. Confidentiality of records.
(a) The clerk shall maintain a complete record of all juvenile cases filed in the clerk’s office alleging abuse, neglect, or dependency. The records shall be withheld from public inspection and, except as provided in this subsection, may be examined only by order of the court. The record shall include the summons, petition, custody order, court order, written motions, the electronic or mechanical recording of the hearing, and other papers filed in the proceeding. The recording of the hearing shall be reduced to a written transcript only when notice of appeal has been timely given. 851
(b) The Director of the Department of Social Services shall maintain a record of the cases of juveniles under protective custody by the Department or under placement by the court, which shall include family background information; reports of social, medical, psychiatric, or psychological information concerning a juvenile or the juvenile’s family; interviews with the juvenile’s family; or other information which the court finds should be protected from public inspection in the best interests of the juvenile. The records maintained pursuant to this subsection may be examined only by order of the court except that the guardian ad litem, or juvenile, shall have the right to examine them.

(c) In the case of a child victim, the court may order the sharing of information among such public agencies as the court deems necessary to reduce the trauma to the victim.

(d) The court’s entire record of a proceeding involving consent for an abortion on an unemancipated minor under Article 1A, Part 2 of Chapter 90 of the General Statutes is not a matter of public record, shall be maintained separately from any juvenile record, shall be withheld from public inspection, and may be examined only by order of the court, by the unemancipated minor, or by the unemancipated minor’s attorney or guardian ad litem.

§ 7B-2902. Disclosure in child fatality or near fatality cases.

(a) The following definitions apply in this section:

(1) Child fatality. -- The death of a child from suspected abuse, neglect, or maltreatment.

(2) Findings and information. -- A written summary, as allowed by subsections (c) through (f) of this section, of actions taken or services rendered by a public agency following receipt of information that a child might be in need of protection.    c. Confirmation of the receipt of all reports, accepted or not accepted by the county department of social services, for investigation of suspected child abuse, neglect, or maltreatment, including confirmation that investigations were conducted, the results of the investigations, a description of the conduct of the most recent investigation and the services rendered, and a statement of basis for the department’s decision.

(3) Near fatality. -- A case in which a physician determines that a child is in serious or critical condition as the result of sickness or injury caused by suspected abuse, neglect, or maltreatment.

(4) Public agency. -- Any agency of State government or its subdivisions as defined in G.S. 132-1(a).
(b) Notwithstanding any other provision of law and subject to the provisions of subsections (c) through (f) of this section, a public agency shall disclose to the public, upon request, the findings and information related to a child fatality or near fatality if:

(1) A person is criminally charged with having caused the child fatality or near fatality; or

(2) The district attorney has certified that a person would be charged with having caused the child fatality or near fatality but for that person’s prior death.

(c) Nothing herein shall be deemed to authorize access to the confidential records in the custody of a public agency, or the disclosure to the public of the substance or content of any psychiatric, psychological, or therapeutic evaluations or like materials or information pertaining to the child or the child’s family unless directly related to the cause of the child fatality or near fatality, or the disclosure of information that would reveal the identities of persons who provided information related to the suspected abuse, neglect, or maltreatment of the child.

(d) Within five working days from the receipt of a request for findings and information related to a child fatality or near fatality, a public agency shall consult with the appropriate district attorney and provide the findings and information unless the agency has a reasonable belief that release of the information:

(1) Is not authorized by subsections (a) and (b) of this section;

(2) Is likely to cause mental or physical harm or danger to a minor child residing in the deceased or injured child’s household;

(3) Is likely to jeopardize the State’s ability to prosecute the defendant;

(4) Is likely to jeopardize the defendant’s right to a fair trial;

(5) Is likely to undermine an ongoing or future criminal investigation; or

(6) Is not authorized by federal law and regulations.

(e) Any person whose request is denied may apply to the appropriate superior court for an order compelling disclosure of the findings and information of the public agency. The application shall set forth, with reasonable particularity, factors supporting the application. The superior court shall have jurisdiction to issue such orders. Actions brought pursuant to this section shall be set down for immediate hearing, and subsequent proceedings in such actions shall be accorded priority by the appellate courts. After the court has reviewed the specific findings and information, in camera, the court shall issue an order compelling disclosure unless the court finds that one or more of the circumstances in subsection (d) of this section exist.

(f) Access to criminal investigative reports and criminal intelligence information of public law enforcement agencies and confidential information in the possession of the State Child Fatality Prevention Team, the local teams, and the Child Fatality Task Force, shall be governed by G.S. 132-1.4 and G.S. 7B-1413 respectively. Nothing herein shall be deemed to require the disclosure or release of any information in the possession of a district attorney.
(g) Any public agency or its employees acting in good faith in disclosing or declining to disclose information pursuant to this section shall be immune from any criminal or civil liability that might otherwise be incurred or imposed for such action.

(h) Nothing herein shall be deemed to narrow or limit the definition of 'public records' as set forth in G.S. 132-1(a).

(f) The juvenile's record of an adjudication of delinquency for an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult may be used in a subsequent criminal proceeding against the juvenile either under G.S. 8C-1, Rule 404(b), or to prove an aggravating factor at
sentencing under G.S. 15A-1340.4(a), 15A-1340.16(d), or 15A-2000(e). The record may be so used only by order of the court in the subsequent criminal proceeding, upon motion of the prosecutor, after an in camera hearing to determine whether the record in question is admissible.

provisions of this section. Agencies so designated shall share with one another, upon request, information that is in their possession that is relevant to any case in which a petition is filed alleging that a juvenile is abused, neglected, dependent, undisciplined, or delinquent and shall continue to do so until the juvenile is no longer subject to the jurisdiction of juvenile court. Agencies that may be designated as ‘agencies authorized to share information’ include local mental health facilities, local health departments, local departments of social services, local law enforcement agencies, local school administrative units, the district’s district attorney’s office, the Office of Juvenile Justice, and the Office of Guardian ad Litem Services of the Administrative Office of the Courts. Nothing herein shall be deemed to require the disclosure or release of any information in the possession of a district attorney.

(b) Disclosure of information concerning any juvenile under investigation or alleged to be within the jurisdiction of the court that would reveal the identity of that juvenile is prohibited except that publication of pictures of runaways is permitted with the permission of the parents.

(a) Any person who has attained the age of 18 years may file a petition in the court where the person was adjudicated undisciplined for expunction of all records of that adjudication.

(b) Any person who has attained the age of 18 years may file a petition in the court where the person was adjudicated delinquent for expunction of all records of that adjudication provided:

(2) At least 18 months have elapsed since the person was released from juvenile court jurisdiction, and the person has not subsequently been adjudicated delinquent or convicted as an adult of any felony or misdemeanor other than a traffic violation under the laws of the United States or the laws of this State or any other state.

Records relating to an adjudication for an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult shall not be expunged.

(c) The petition shall contain, but not be limited to, the following:

(1) An affidavit by the petitioner that the petitioner has been of good behavior since the adjudication and, in the case of a petition based on a delinquency adjudication, that the petitioner has not subsequently been adjudicated delinquent or convicted as an adult of any felony or misdemeanor other than a traffic violation under the laws of the United States, or the laws of this State or any other state;

(2) Verified affidavits of two persons, who are not related to the petitioner or to each other by blood or marriage, that they know the character and reputation of the petitioner in the community in
which the petitioner lives and that the petitioner’s character and reputation are good; and

(3) A statement that the petition is a motion in the cause in the case wherein the petitioner was adjudicated delinquent or undisciplined.

The petition shall be served upon the district attorney in the district wherein adjudication occurred. The district attorney shall have 10 days thereafter in which to file any objection thereto and shall be duly notified as to the date of the hearing on the petition.

(d) If the court, after hearing, finds that the petitioner satisfies the conditions set out in subsections (a) or (b) of this section, the court shall order and direct the clerk and all law enforcement agencies to expunge their records of the adjudication including all references to arrests, complaints, referrals, petitions, and orders.

(e) The clerk shall forward a certified copy of the order to the sheriff, chief of police, or other law enforcement agency.

(f) Records of a juvenile adjudicated delinquent or undisciplined being maintained by the chief court counselor, an intake counselor, or a court counselor shall be retained or disposed of as provided by the Office, except that no records shall be destroyed before the juvenile reaches the age of 18 or 18 months have elapsed since the person was released from juvenile court jurisdiction, whichever occurs last.

(g) Records of a juvenile adjudicated delinquent or undisciplined being maintained by personnel at a residential facility operated by the Office, shall be retained or disposed of as provided by the Office, except that no records shall be destroyed before the juvenile reaches the age of 18 or 18 months have elapsed since the person was released from juvenile court jurisdiction, whichever occurs last.

(h) Any person who was alleged to be delinquent as a juvenile and has attained the age of 16 years, or was alleged to be undisciplined as a juvenile and has attained the age of 18 years, may file a petition in the court in which the person was alleged to be delinquent or undisciplined, for expungement of all juvenile records of the juvenile having been alleged to be delinquent or undisciplined if the court dismissed the juvenile petition without an adjudication that the juvenile was delinquent or undisciplined.

The petition shall be served on the chief court counselor in the district where the juvenile petition was filed. The chief court counselor shall have 10 days thereafter in which to file a written objection in the court. If no objection is filed, the court may grant the petition without a hearing. If the court finds at the hearing that the petitioner satisfies the conditions specified herein, the court shall order the clerk and the appropriate law enforcement agencies to expunge their records of the allegations of delinquent or undisciplined acts including all references to arrests, complaints, referrals, juvenile petitions, and orders. The clerk shall forward a certified copy of the order of expungement to the sheriff, chief of police, or other appropriate law enforcement agency, and to the chief court counselor.
and these specified officials shall immediately destroy all records relating to the allegations that the juvenile was delinquent or undisciplined.

(i) The clerk of superior court in each county in North Carolina shall, as soon as practicable after each term of court in the clerk’s county, file with the Administrative Office of the Courts, the names of those persons granted an expunction under the provisions of this section, and the Administrative Office of the Courts shall maintain a confidential file containing the names of persons granted an expunction. The information contained in such file shall be disclosed only to judges of the General Court of Justice of North Carolina for the purpose of ascertaining whether any person charged with an offense has been previously granted an expunction.

"§ 7B-3201. Effect of expunction.

(a) Whenever a juvenile’s record is expunged, with respect to the matter in which the record was expunged, the juvenile who is the subject of the record and the juvenile’s parent may not be held thereafter under any provision of any laws to be guilty of perjury or otherwise giving a false statement by reason of the person’s failure to recite or acknowledge such record or response to any inquiry made of the person for any purpose.

(b) Notwithstanding subsection (a) of this section, in any delinquency case if the juvenile is the defendant and chooses to testify or if the juvenile is not the defendant and is called as a witness, the juvenile may be ordered to testify with respect to whether the juvenile was adjudicated delinquent.

"§ 7B-3202. Notice of expunction.

Upon expunction of a juvenile’s record, the clerk shall send a written notice to the juvenile at the juvenile’s last known address informing the juvenile that the record has been expunged and with respect to the matter involved, the juvenile may not be held thereafter under any provision of any laws to be guilty of perjury or otherwise giving a false statement by reason of the juvenile’s failure to recite or acknowledge such record or response to any inquiry made of the juvenile for any purpose except that upon testifying in a delinquency proceeding, the juvenile may be required by a court to disclose that the juvenile was adjudicated delinquent.

"SUBCHAPTER IV. PARENTAL AUTHORITY; EMANCIPATION.

"ARTICLE 34.

"Parental Authority Over Juveniles.
§ 7B-3400. Juvenile under 18 subject to parents' control.

Notwithstanding any other provision of law, any juvenile under 18 years of age, except as provided in G.S. 7B-3402 and G.S. 7B-3403, shall be subject to the supervision and control of the juvenile’s parents.

§ 7B-3401. Definitions.

The definitions of G.S. 7B-101 and G.S. 7B-1501 apply to this Subchapter.

§ 7B-3402. Exceptions.

This Article shall not apply to any juvenile under the age of 18 who is married or who is serving in the armed forces of the United States, or who has been emancipated.

§ 7B-3403. No criminal liability created.

This Article shall not be interpreted to place any criminal liability on a parent, guardian, or custodian for any act of the juvenile 16 years of age or older.

§ 7B-3404. Enforcement.

The provisions of this Article may be enforced by the parent, guardian, custodian, or person who has assumed the status and obligation of a parent without being awarded legal custody of the juvenile by a court to the juvenile by filing a civil action in the district court of the county where the juvenile can be found or the county of the plaintiff’s residence. Upon the institution of such action by a verified complaint, alleging that the defendant juvenile has left home or has left the place where the juvenile has been residing and refuses to return and comply with the direction and control of the plaintiff, the court may issue an order directing the juvenile personally to appear before the court at a specified time to be heard in answer to the allegations of the plaintiff and to comply with further orders of the court. Such orders shall be served by the sheriff upon the juvenile and upon any other person named as a party defendant in such action. At the time of the issuance of the order directing the juvenile to appear, the court may in the same order, or by separate order, order the sheriff to enter any house, building, structure, or conveyance for the purpose of searching for the juvenile and serving the order and for the purpose of taking custody of the person of the juvenile in order to bring the juvenile before the court. Any order issued at said hearing shall be treated as a mandatory injunction and shall remain in full force and effect until the juvenile reaches the age of 18, or until further orders of the court. Within 30 days after the hearing on the original order, the juvenile, or anyone acting in the juvenile’s behalf, may file a verified answer to the complaint. Upon the filing of an answer by or on behalf of the juvenile, any district court judge holding court in the county or district court district as defined in G.S. 7A-133 where the action was instituted shall have jurisdiction to hear the matter, without a jury, and to make findings of fact, conclusions of law, and render judgment thereon. Appeals from the district court to the Court of Appeals shall be allowed as in civil actions generally. The district court issuing the original order or the district court hearing the matter after answer has been filed shall also have authority to order that any person named defendant in the order or judgment shall not harbor, keep, or allow the defendant juvenile to remain on the person’s premises or in the
person’s home. Failure of any defendant to comply with the terms of said 
order or judgment shall be punishable as for contempt.

"ARTICLE 35.

"§ 7B-3500. Who may petition.

Any juvenile who is 16 years of age or older and who has resided in the 
same county in North Carolina or on federal territory within the boundaries 
of North Carolina for six months next preceding the filing of the petition 
may petition the court in that county for a judicial decree of emancipation.

"§ 7B-3501. Petition.

The petition shall be signed and verified by the petitioner and shall

"§ 7B-3502. Summons.

A copy of the filed petition along with a summons shall be served upon 
the petitioner’s parent, guardian, or custodian who shall be named as 
respondents. The summons shall include the time and place of the hearing 
and shall notify the respondents to file written answer within 30 days after 
service of the summons and petition. In the event that personal service 
cannot be obtained, service shall be in accordance with G.S. 1A-1, Rule 
4(1).

"§ 7B-3503. Hearing.

The court, sitting without a jury, shall permit all parties to present 
evidence and to cross-examine witnesses. The petitioner has the burden of 
showing by a preponderance of the evidence that emancipation is in the 
petitioner’s best interests. Upon finding that reasonable cause exists, the 
court may order the juvenile to be examined by a psychiatrist, a licensed 
clinical psychologist, a physician, or any other expert to evaluate the 
juvenile’s mental or physical condition. The court may continue the hearing 
and order investigation by a court counselor or by the county department of 
social services to substantiate allegations of the petitioner or respondents.

No husband-wife or physician-patient privilege shall be grounds for 
excluding any evidence in the hearing.

"§ 7B-3504. Considerations for emancipation.

In determining the best interests of the petitioner and the need for 
emancipation, the court shall review the following considerations:

(1) The parental need for the earnings of the petitioner;
(2) The petitioner’s ability to function as an adult;
(3) The petitioner’s need to contract as an adult or to marry;
(4) The employment status of the petitioner and the stability of the petitioner’s living arrangements;
(5) The extent of family discord which may threaten reconciliation of the petitioner with the petitioner’s family;
(6) The petitioner’s rejection of parental supervision or support; and
(7) The quality of parental supervision or support.

"§ 7B-3505. Final decree of emancipation.

After reviewing the considerations for emancipation, the court may enter a decree of emancipation if the court determines:

(1) That all parties are properly before the court or were duly served and failed to appear and that time for filing an answer has expired;
(2) That the petitioner has shown a proper and lawful plan for adequately providing for the petitioner’s needs and living expenses;
(3) That the petitioner is knowingly seeking emancipation and fully understands the ramifications of the act; and
(4) That emancipation is in the best interests of the petitioner.

The decree shall set out the court’s findings.

If the court determines that the criteria in subdivisions (1) through (4) are not met, the court shall order the proceeding dismissed.

"§ 7B-3506. Costs of court.

The court may tax the costs of the proceeding to any party or may, for good cause, order the costs remitted.

The clerk may collect costs for furnishing to the petitioner a certificate of emancipation which shall recite the name of the petitioner and the fact of the petitioner’s emancipation by court decree and shall have the seal of the clerk affixed thereon.

"§ 7B-3507. Legal effect of final decree.

As of entry of the final decree of emancipation:

(1) The petitioner has the same right to make contracts and conveyances, to sue and to be sued, and to transact business as if the petitioner were an adult.

(2) The parent, guardian, or custodian is relieved of all legal duties and obligations owed to the petitioner and is divested of all rights with respect to the petitioner.

(3) The decree is irrevocable.

Notwithstanding any other provision of this section, a decree of emancipation shall not alter the application of G.S. 14-326.1 or the petitioner’s right to inherit property by intestate succession.

"§ 7B-3508. Appeals.

Any petitioner, parent, guardian, or custodian who is a party to a proceeding under this Article may appeal from any order of disposition to the Court of Appeals provided that notice of appeal is given in open court at the time of the hearing or in writing within 10 days after the hearing. Pending disposition of an appeal, the court may enter a temporary order affecting the custody or placement of the petitioner as the court finds to be in the best interests of the petitioner or the State.

"§ 7B-3509. Application of common law.
A married juvenile is emancipated by this Article. All other common-law provisions for emancipation are superseded by this Article.

"ARTICLE 36.

"Judicial Consent for Emergency Surgical or Medical Treatment.

§ 7B-3600. Judicial authorization of emergency treatment; procedure.

A juvenile in need of emergency treatment under Article 1A of Chapter 90 of the General Statutes, whose physician is barred from rendering necessary treatment by reason of parental refusal to consent to treatment, may receive treatment with court authorization under the following procedure:

(1) The physician shall sign a written statement setting out:
   a. The treatment to be rendered and the emergency need for treatment;
   b. The refusal of the parent, guardian, custodian, or person who has assumed the status and obligation of a parent without being awarded legal custody of the juvenile by a court to consent to the treatment; and
   c. The impossibility of contacting a second physician for a concurring opinion on the need for treatment in time to prevent immediate harm to the juvenile.

(2) Upon examining the physician’s written statement prescribed in subdivision (1) of this section and finding:
   a. That the statement is in accordance with this Article, and
   b. That the proposed treatment is necessary to prevent immediate harm to the juvenile.

The court may issue a written authorization for the proposed treatment to be rendered.

(3) In acute emergencies in which time may not permit implementation of the written procedure set out in subdivisions (1) and (2) of this section, the court may authorize treatment in person or by telephone upon receiving the oral statement of a physician satisfying the requirements of subdivision (1) of this section and upon finding that the proposed treatment is necessary to prevent immediate harm to the juvenile.

(4) The court’s authorization for treatment overriding parental refusal to consent should not be given without attempting to offer the parent an opportunity to state the reasons for refusal; however, failure of the court to hear the parent’s objections shall not invalidate judicial authorization under this Article.

(5) The court’s authorization for treatment under subdivisions (1) and (2) of this section shall be issued in duplicate. One copy shall be given to the treating physician and the other copy shall be attached to the physician’s written statement and filed as a juvenile proceeding in the office of the clerk of court.

(6) The court’s authorization for treatment under subdivision (3) of this section shall be reduced to writing as soon as possible, supported by the physician’s written statement as prescribed in subdivision (1) of this section and shall be filed as prescribed in subdivision (5) of this section.
The court's authorization for treatment under this Article shall have the same effect as parental consent for treatment.

Following the court's authorization for treatment and after giving notice to the juvenile's parent, guardian, or custodian the court shall conduct a hearing in order to provide for payment for the treatment rendered. The court may order the parent or other responsible parties to pay the cost of treatment. If the court finds the parent is unable to pay the cost of treatment, the cost shall be a charge upon the county when so ordered.

This Article shall operate as a remedy in addition to the provisions in G.S. 7B-903, 7B-2503, and 7B-2506.

(b) Prior to sending, bringing, or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring, or place the child in the receiving state. brings the child and of the receiving state. Such violation may be punished
or subjected to penalty in either jurisdiction in accordance with its laws. In

concurrence of the appropriate authority in the receiving state. Such
jurisdiction shall also include the power to effect or cause the return of the
child or its transfer to another location and custody pursuant to law. The

agreement with an authorized public or private agency in the receiving state
providing for the performance of one or more services in respect of such
case by the latter as agent for the sending agency.

(c) Nothing in this Compact shall be construed to prevent a private
charitable agency authorized to place children in the receiving state from
performing services or acting as agent in that state for a private charitable
agency of the sending state; nor to prevent the agency in the receiving state
from discharging financial responsibility for the support and maintenance of
a child who has been placed on behalf of the sending agency without
relieving the responsibility set forth in paragraph (a) hereof.

Article VI. Institutional Care of Delinquent Children.
A child adjudicated delinquent may be placed in an institution in another
party jurisdiction pursuant to this Compact, but no such placement shall be
made unless the child is given a court hearing on notice to the parent or
guardian with opportunity to be heard, prior to the child’s being sent to such
other party jurisdiction for institutional care and the court finds that:
(1) Equivalent facilities for the child are not available in the sending agency's jurisdiction; and

(2) Institutional care in the other jurisdiction is in the best interests of the child and will not produce undue hardship.

Article X. Construction and Severability.

The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. PART XI. DIRECTIVES, STUDIES, REPORTS AND TRAINING

Section 16. The Department of Justice shall revise the Division of Criminal Information's juvenile arrest form that is used by State and local law enforcement agencies to provide more realistic reporting options and case disposition information. The Department of Justice shall rename the "Juvenile Arrest" form the "Juvenile Contact Report", with instructions to law enforcement "Use to Record the Handling of Juveniles Who Commit Criminal Offenses" and shall amend the report based on the form included with Recommendation 51 of the March 10, 1998, final report of the Governor's Commission on Juvenile Crime and Justice.

Section 17. (a) The Department of Justice shall develop guidelines for minority sensitivity training for all law enforcement personnel throughout the State. The Department shall ensure that all persons who work with minority juveniles in the juvenile justice system are taught how to communicate effectively with minority juveniles and how to recognize and address the needs of those juveniles. The Department shall also advise all law enforcement and professionals who work within the juvenile justice system of ways to improve the treatment of minority juveniles so that all juveniles receive equal treatment. Except where local law enforcement has existing minority sensitivity training that meets the Department guidelines,
the Department shall conduct the minority sensitivity training annually. Prior to the training each year, the Department shall assess whether minorities are receiving fair and equal treatment in the juvenile justice system with regard to the administration of predisposition procedures, of diversion methods, of dispositional alternatives, and of treatment and post-release supervision plans.

(b) The Office of Juvenile Justice shall ensure that all juvenile court counselors and other Division personnel receive the minority sensitivity training specified in subsection (a) of this section. The Chief Justice of the North Carolina Supreme Court shall consider ensuring that all judges who hear cases under the jurisdiction of the juvenile court receive minority sensitivity training.

(c) All guidelines and training required by this section shall be in effect no later than May 1, 1999.

Section 18. (a) The Office of Juvenile Justice shall provide training for juvenile court counselors and all other Office personnel on the provisions of Chapter 7B of the General Statutes as enacted by this act and may contract with qualified educational institutions to provide such training.

(b) The Administrative Office of the Courts shall provide training for court personnel, including judges and district attorneys, on the provisions of Chapter 7B of the General Statutes as enacted by this act and may contract with qualified educational institutions to provide such training.

(c) The Department of Justice shall provide training for law enforcement personnel throughout the State on the provisions of Chapter 7B of the General Statutes as enacted by this act.

(d) Training of all existing personnel, pursuant to this section, shall be completed no later than July 1, 1999.

Section 19. The Legislative Research Commission may review the changes proposed to the juvenile justice system contained in House Bill 1561 and Senate Bill 1513 of the 1997 General Assembly. The study may include other issues relevant to the disposition of abuse, neglect, and dependency cases. The Legislative Research Commission shall report its findings, recommendations, and any legislative proposals to the 1999 General Assembly.

Section 20. (a) The State Board of Education shall study the feasibility and advisability of delaying the start of the school day in order to provide students with constructive projects and tasks during late afternoon hours of the school week. If the Board recommends that the school day be delayed, the Board shall consider whether the local school administrative units should provide supervision of students whose working parents do not have early morning child care available.

(b) The State Board of Education shall report its findings, recommendations, and any legislative proposals to the Joint Legislative Education Oversight Committee on or before May 1, 1999.

Section 21. (a) The Criminal Justice Information Network Governing Board created pursuant to Section 23.3 of Chapter 18 of the Session Laws of the 1996 Second Extra Session shall develop a juvenile justice information plan for creation of the juvenile justice information system. The plan shall ensure that the information system will enable the State to evaluate the
efficiency and effectiveness of the overall juvenile justice system as well as to monitor and evaluate the progress of individual clients and shall specify the:
(1) Scope and purpose of the system;
(2) Management information that will be collected and tracked;
(3) General design of the system;
(4) Estimates of the short- and long-range cost of the system and the potential sources and amounts of federal funding; and
(5) Estimated time required to develop the system.

The plan shall include priorities for system development, implementation, and options, including cost estimates for phasing in components of the system. In developing the plan, the Criminal Justice Information Network Governing Board shall consult with the Information Resources Management Commission on the design and estimated cost of the system. The Board shall also consult with the Sentencing and Policy Advisory Commission and with all agencies likely to be part of or need access to the juvenile justice information system.

(b) Pursuant to the juvenile justice information plan, the Criminal Justice Information Network Governing Board shall develop a comprehensive juvenile justice information system. The Board shall develop a system to collect data and information about every juvenile who is alleged to be delinquent from the time a complaint is filed against the juvenile, including:
(1) Fingerprint and photographs taken of the juvenile;
(2) Diversion agreements or plans entered into by the juvenile;
(3) Community services provided to the juvenile and any participation of the juvenile in community-based programs;
(4) Court orders or dispositions of the juvenile; and
(5) Plans for care or treatment or for post-release supervision prepared by the Office of Juvenile Justice.

The system shall allow for information and data on juveniles to be kept in a form to be shared among appropriate agencies to develop treatment and intervention plans based on specific data and to allow reliable assessment and evaluation of the effectiveness of rehabilitative and preventive services provided to delinquent juveniles.

(c) The Criminal Justice Information Network Governing Board shall also study the most appropriate methods and procedures for obtaining, retaining, and releasing fingerprints and photographs of juveniles alleged to be delinquent, including:
(1) How to identify fingerprints and photographs of juveniles, including the use of social security numbers;
(2) How long fingerprints and photographs of juveniles should be maintained in the criminal justice information system;
(3) The extent to which juvenile fingerprints and photographs are kept confidential;
(4) The circumstances or conditions under which juvenile fingerprints and photographs should be disseminated;
(5) Whether juvenile fingerprints and photographs should be kept separate from adult records and files; and
(6) When the juvenile fingerprints and photographs should be destroyed.

(d) The Criminal Justice Information Network Governing Board shall consider the issue of expunction of juvenile records, including the appropriate length of time juvenile records should be available to law enforcement, prosecutors, and service providers and under what limitations and conditions records should be expunged.

(e) The Criminal Justice Information Network Governing Board shall report to the Chairs of the Senate and House Appropriations Committees and to the Fiscal Research Division of the General Assembly on the proposed system and any findings, recommendations, and legislative proposals from its study on or before May 1, 1999.

Section 22. (a) The Office of Juvenile Justice shall develop a cost-effective plan to establish statewide community-based dispositional alternatives for juveniles who are adjudicated delinquent. The plan shall include a funding strategy to encourage communities to provide local resources, services, and treatment options to meet the physical, emotional, and mental needs of juveniles and their families. In developing the plan, the Office shall consider the following community-based alternatives:

(1) Home-based family counseling with family support groups that can provide required intervention services;

(2) After-school activity programs for middle school juveniles targeted at potential at-risk juveniles during the time when most juvenile crimes occur;

(3) Inpatient and outpatient substance abuse and sex offender treatment programs;

(4) Intensive supervision of high-risk juveniles; and

(5) Group homes with psychological treatment and programs for juveniles who do not pose a threat to the public but who need long-term intervention services.

In addition, in developing the plan, the Office shall recommend which judicial districts with high crime rates should have nonresidential day reporting centers to provide intensive supervision.

(b) The Office shall report to the Chairs of the Senate and House Appropriations Subcommittees on Justice and Public Safety and to the Fiscal Research Division of the General Assembly on the proposed plan, the cost of the plan, and on any legislative proposals required to implement the plan on or before April 1, 2000.

Section 23. (a) The Office of Juvenile Justice shall establish a phased-in 10-county pilot On Track program as an additional probation option for certain juvenile delinquents who are subject to Level 2 disposition. Juveniles enrolled in this program will be placed under the supervision of a special On Track court counselor as case manager for the juvenile. Every juvenile enrolled in the On Track program will be subjected to a risk and needs assessment, a responsibility contract, a restitution requirement, parental accountability, counseling attendance, and graduation upon completion of the program. The responsibility contract shall be signed by the juvenile, the juvenile’s parents, guardian or custodian, and the On Track court counselor. The contract shall include the agreement of the
parties to restitution requirements, school attendance and appropriate school conduct, extracurricular school activity participation, obedience to parental supervision, counseling requirements, and requirements for abstinence from substance abuse. The program shall provide for intense intervention by the On Track court counselor. Each juvenile enrolled shall be assigned a trained mentor by the On Track court counselor.

(b) This section shall not become effective until funds are appropriated to implement this section.

Section 24. (a) The Office of Juvenile Justice shall establish three pilot Guard Response Alternative Sentencing Programs in three separate District Court Divisions as an additional probation option for certain first-time juvenile delinquents who are subject to Level 2 disposition through contract services.

(b) This section shall not become effective until funds are appropriated to implement this section.

Section 25. (a) The Administrative Office of the Courts shall establish pilot programs for the holding of family court within district court districts to be chosen by the Administrative Office of the Courts. Each pilot program shall be conducted following the guidelines for the establishment of family courts contained in the report of the Commission for the Future of Justice and the Courts in North Carolina and shall be assigned to hear all matters involving intrafamily rights, relationships, and obligations, and all juvenile justice matters, including:

(1) Child abuse, neglect, and dependency;
(2) Delinquent and undisciplined juvenile matters;
(3) Emancipation of minors and termination of parental rights;
(4) Divorce;
(5) Annulment;
(6) Equitable distribution;
(7) Alimony and postseparation support;
(8) Child custody;
(9) Child support;
(10) Paternity;
(11) Adoption;
(12) Domestic violence civil restraining orders;
(13) Abortion consent waivers;
(14) Adult protective services; and
(15) Guardianship, involuntary commitment, and voluntary admissions to mental health facilities.

(b) The Administrative Office of the Courts shall report to the Chairs of the Senate and House Appropriations Subcommittees on Justice and Public Safety and to the Fiscal Research Division of the General Assembly by March 1, 2000, on the success of the pilot programs in bringing consistency, efficiency, and fairness to the resolution of family matters and on the impact of the programs on caseloads in the district court division.

(c) If no funds are appropriated in the 1998-99 fiscal year to implement this section, this section shall not become effective.

Section 26. (a) The General Assembly finds that there are multiple risk factors that put youth at risk of becoming delinquent, such as
aggression, school failure, child abuse and neglect, substance abuse, extreme economic deprivation, friends who engage in problem behavior, inconsistent and ineffective discipline, poor parental supervision, and family conflict. There are currently a number of screening programs available through a number of State and local entities that, if better coordinated, can provide adequate identification of delinquency risk factors so that delinquency prevention programs and services can be effective.

The General Assembly further finds that there are currently a number of State and local entities that provide delinquency prevention programs to at-risk youth and their families, including early intervention programs and programs improving cognitive and social competence and self-control skills, improving parenting skills, and providing positive role models. Many of these programs are already available and need only to be made more accessible and to be better coordinated with other existing programs and services.

(b) The Office of Juvenile Justice shall ensure that existing programs made available through a number of entities, both at the State and at the local level, that provide screenings that can provide adequate identification of delinquency risk factors, continue to be used in a consistent, coordinated, and cost-effective way so as to enable delinquency prevention programs and services to be utilized in a consistent, coordinated, and cost-effective way.

(c) In implementing this section, the Office shall cooperate with all affected State and local public and private entities, including local education agencies, local health departments, developmental evaluation centers, local departments of social services, the Division of Women and Children’s Health, the Division of Social Services, and the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services of the Department of Health and Human Services, law enforcement agencies, and nonprofit agencies.

(d) The Office shall report to the General Assembly by April 1, 2000, on its implementation of this section. This report shall include an evaluation of the screenings and prevention programs, an identification of any bars in the law or in any agency’s policy that preclude effective cooperation, together with any legislative and rule recommendations that are needed, recommendations as to any new screening or prevention programs and services that are needed, and a detailed cost analysis of these recommendations.

Section 27. (a) The Office of Juvenile Justice, in cooperation with the Department of Public Instruction, shall study more effective and efficient ways to:

(1) Coordinate case management of delinquency and undisciplined cases;

(2) Provide services to juveniles who are in need of treatment, counseling, or rehabilitation and to the families of those juveniles, including court-ordered parenting responsibility classes; and

(3) Provide the maximum protection to the public and to local school administrative units, in particular, through the sharing of information between agencies that work with juveniles who are
delinquent or undisciplined and increased accountability of those juveniles and their parents.

(b) On or before April 1, 2000, the Office of Juvenile Justice and the Department of Public Instruction shall report its findings and recommendations, including any legislative proposals, to the General Assembly.

Section 28. The Office of Juvenile Justice shall use available funds to develop a risk and needs assessment instrument to be used to determine the treatment needs of delinquent juveniles and the risk that a delinquent juvenile will commit additional delinquent acts. The Office shall consider including the following factors in the instrument:

1. Information regarding the juvenile’s living situation;
2. Information regarding drug or alcohol use by the juvenile or a member of the juvenile’s household or immediate family;
3. Information regarding the juvenile’s school attendance; and
4. Information regarding the juvenile’s family, including any criminal history.

The Office shall present the recommended risk and needs assessment instrument to the Joint Legislative Commission on Governmental Operations by May 1, 1999.

Section 29. The Office of Juvenile Justice shall use funds within its budget to evaluate the effectiveness of the reform measures implemented pursuant to the provisions of this act. The Office shall report the results of the evaluation and any recommended legislative amendments to Chapter 7B of the General Statutes to the Joint Legislative Commission on Governmental Operations by October 1, 2000.

Section 30. The Office of Juvenile Justice in consultation with the North Carolina Sentencing and Policy Advisory Commission shall study blended sentencing and direct filing in certain juvenile cases. The study shall include, among other issues, consideration of whether North Carolina should adopt a criminal-inclusive model of blended sentencing whereby (i) a presiding superior court judge may simultaneously impose a juvenile disposition and an adult criminal disposition upon a juvenile transferred to superior court, and (ii) execution of the adult criminal disposition is suspended during imposition of the juvenile disposition and pending a violation or reoffense by the juvenile. The study shall examine various models of blended sentencing, and may include a comprehensive survey of other states that have adopted variations of blended sentencing. The study shall also examine whether a prosecutor should have the authority to directly charge a juvenile as an adult in the case of 15-year-olds who have committed Class A-E felonies. The Office shall report the results of the study, including any legislative recommendations, to the General Assembly no later than March 15, 2000.

Section 31. The Office of Juvenile Justice, in cooperation with the Department of Health and Human Services, shall study the funding process for juvenile delinquency and substance abuse prevention programs provided for in this act. The study shall consider whether the process should be designed in such a way that funds are allocated to a program for a specific juvenile being served by the program, and whether the allocated funding
should then follow that juvenile. The Office shall also consider whether a county should continue to fund services for a juvenile who has been receiving delinquency prevention services and is subsequently adjudicated delinquent and committed to training school, and whether, if still appropriate to reduce the recidivism risk, the county should send the program dollars to the training school. The Office shall report its findings and recommendations, by May 1, 1999, to the Fiscal Research Division of the General Assembly and to the Chairs of the House and Senate Appropriations Committees and to the Chairs of the Appropriations Subcommittees on Human Resources.

Section 32. The State Board of Education, through the Department of Public Instruction, shall study and report to the General Assembly on ways for the State to provide an alternative educational program for any student suspended or expelled from school. This study shall include (i) a review of current safe school plans and alternative educational programs, (ii) an analysis of current data on suspensions and expulsions, (iii) an assessment of federal, state, local, and private resources currently available to provide an educational program for students suspended or expelled from school, (iv) research of other educational programs offered by other State agencies, (v) a review of current law related to suspension and expulsion from school and the right to a public education, (vi) recommendations for a plan and timetable for implementing alternative educational programs for every student suspended or expelled from school, and (vii) a review of policies and procedures for transporting aggressive or assaultive students with other students, including disabled students, and development of a plan to insure the protection of all students, particularly disabled students from physical harm by aggressive or assaultive students. The State Board of Education shall report the results of this study, including any legislative recommendations, to the Joint Legislative Education Oversight Committee by May 1, 1999.

Section 33. The Office of Juvenile Justice shall use funds within its budget to study the overrepresentation of racial minorities in the juvenile justice system. The Office shall compare the dispositions for minority juveniles adjudicated delinquent or undisciplined with the dispositions for nonminority juveniles. The Office shall also compare the services made available to minority and nonminority juveniles and their families. To the extent that inequities are found, the Office shall make recommendations, including any legislative proposals, as to how those disparities should be addressed. The Office may hire an outside consultant to assist it with its work.

The Office shall report annually, no later than May 1, to the Governor, Chief Justice, and the General Assembly on any findings, recommendations, or legislative proposals. The Office shall make its final report to the Governor, Chief Justice, and the General Assembly no later than May 1, 2002.

Section 34. The Office of Juvenile Justice shall use funds within its budget to study the use of detention facilities and make recommendations as to how those detention facilities could be utilized more efficiently. The study shall include a statistical analysis of the number of juveniles housed in
detention facilities, the reasons for their detention, the length of their stays, and the numbers and frequency that juveniles are detained in adult jails. The Office shall report its findings and recommendations by May 1, 1999, and again by January 15, 2001, to the Fiscal Research Division of the General Assembly and the Chairs of the House and Senate Appropriations Committees.

PART XII. FACILITIES CONSTRUCTION

Section 35. (a) The Office of State Construction of the Department of Administration may contract for and supervise all aspects of administration, technical assistance, design, construction, or demolition of any juvenile facilities authorized for the 1998-99 fiscal year, including renovation of existing adult facilities to juvenile facilities.

The facilities authorized for the 1998-99 fiscal year shall be constructed in accordance with the provisions of general law applicable to the construction of State facilities. If the Secretary of Administration, after consultation with the Office of Juvenile Justice, finds that the delivery of juvenile facilities must be expedited for good cause, the Office of State Construction of the Department of Administration shall be exempt from the following statutes and rules implementing those statutes, to the extent necessary to expedite delivery: G.S. 143-135.26, 143-128, 143-129, 143-131, 143-132, 143-134, 113A-1 through 113A-10, 113A-50 through 113A-66, 133-1.1(g), and 143-408.1 through 143-408.7.

Prior to exercising the exemptions allowable under this section, the Secretary of Administration shall give reasonable notice in writing of the Department's intent to exercise the exemptions to the Speaker of the House, the President Pro Tempore of the Senate, the Chairs of the House and Senate Appropriations Committees, the Joint Legislative Commission on Governmental Operations, and the Fiscal Research Division. The written notice shall contain at least the following information: (i) the specific statutory requirement or requirements from which the Department intends to exempt itself; (ii) the reason the exemption is necessary to expedite delivery of juvenile facilities; (iii) the way in which the Department anticipates the exemption will expedite the delivery of facilities; and (iv) a brief summary of the proposed contract for the project which is to be exempted.

The Office of State Construction of the Department of Administration shall have a verifiable ten percent (10%) goal for participation by minority and women-owned businesses. All contracts for the design, construction, or demolition of juvenile facilities shall include a penalty for failure to complete the work by a specified date.

The Office of State Construction of the Department of Administration shall consult the Department of Health and Human Services on these projects to the extent that such involvement relates to the Department's program needs and to its responsibility for the care of the population of the facility.

(b) The Office of State Construction of the Department of Administration shall provide a report by May 1, 1999, to the Chairs of the Senate and House Appropriations Committees, the Joint Legislative Commission on Governmental Operations, and the Fiscal Research Division as to any changes in projects and allocations authorized for the 1998-99
fiscal year. The report shall include information on which contractors have been selected, what contracts have been entered into, the projected and actual occupancy dates of facilities contracted for, the number of beds to be constructed on each project, the location of each project, and the projected and actual cost of each project.
