H.B. 302 SESSION LAW 1999-293

AN ACT TO AMEND THE GENERAL STATUTES PERTAINING TO CHILD SUPPORT ENFORCEMENT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 110-132(a), as amended by Section 1 of S.L. 1998-17, reads as rewritten:

"(a) In lieu of or in conclusion of any legal proceeding instituted to establish paternity, the written acknowledgment of paternity executed by the putative father of the dependent child when accompanied by a written affirmation of paternity executed and sworn to by the mother of the dependent child shall constitute an admission of paternity and shall have the same legal effect as a judgment of paternity for the purpose of establishing a child support obligation, subject to the right of either signatory to rescind within the earlier of:

(1) 60 days of the date the document is executed, or
(2) The date of entry of an order establishing paternity or an order for the payment of child support."
In order to rescind, a challenger must request the district court to order the rescission and to include in the order specific findings of fact that the request for rescission was filed with the clerk of court within 60 days of the signing of the document. The court must also find that all parties, including the child support enforcement agency, if appropriate, have been served in accordance with Rule 4 of the North Carolina Rules of Civil Procedure. In the event the court orders rescission and the putative father is thereafter found not to be the father of the child, then the clerk of court shall send a copy of the order of rescission to the State Registrar of Vital Statistics. Upon receipt of an order of rescission, the State Registrar shall remove the putative father’s name from the birth certificate. In the event that the putative father defaults or fails to present or prosecute the issue of paternity, the trial court shall find the putative father to be the biological father as a matter of law.

After 60 days have elapsed, execution of the document may be challenged in court only upon the basis of fraud, duress, mistake, or excusable neglect. The burden of proof shall be on the challenging party, and the legal responsibilities, including child support obligations, of any signatory arising from the executed documents may not be suspended during the challenge except for good cause shown.

A written agreement to support the child by periodic payments, which may include provision for reimbursement for medical expenses incident to the pregnancy and the birth of the child, accrued maintenance and reasonable expense of prosecution of the paternity action, when acknowledged as provided herein, filed with, and approved by a judge of the district court at any time, shall have the same force and effect as an order of support entered by that court, and shall be enforceable and subject to modification in the same manner as is provided by law for orders of the court in such cases. The written affirmation shall contain the social security number of the person executing the affirmation, and the written acknowledgment shall contain the social security number of the person executing the acknowledgment. Voluntary agreements to support shall contain the social security number of each of the parties to the agreement. The written affirmations, acknowledgments and agreements to support shall be sworn to before a certifying officer or notary public or the equivalent or corresponding person of the state, territory, or foreign country where the affirmation, acknowledgment, or agreement is made, and shall be binding on the person executing the same whether the person is an adult or a minor. The child support enforcement agency shall ensure that the mother and putative father are given oral and written notice of the legal consequences and responsibilities arising from the signing of an acknowledgment of paternity, and of any alternatives to the execution of an acknowledgment or affirmation of paternity. The mother shall not be excused from making the affirmation on the grounds that it may tend to disgrace or incriminate her; nor shall she thereafter be prosecuted for any criminal act
involved in the conception of the child as to whose paternity she makes affirmation."

Section 2. G.S. 110-142.2(b), as amended by Section 1 of S.L. 1998-17, reads as rewritten:

"(b) Upon finding that the individual has willfully failed to comply with the child support order or with a subpoena issued pursuant to child support proceedings, and that the obligor is at least 90 days in arrears, or upon a finding that an individual subject to a subpoena issued pursuant to child support or paternity establishment proceedings has failed to comply with the subpoena, the court may enter an order instituting the sanctions as provided in subsection (a) of this section. If an individual is adjudicated to be in civil or criminal contempt for a third or subsequent time for failure to comply with a child support order, the court shall enter an order instituting any one or more of the sanctions, if applicable, as provided in subsection (a) of this section. The court may stay the effectiveness of the sanctions upon conditions requiring the obligor to make full payment of the delinquency over time. Any court-ordered payment plan under this subsection shall require the individual to extinguish the delinquency within a reasonable period of time. In determining the amount to be applied to the delinquency, the court shall consider the amount of the debt and the individual's financial ability to pay. The payment shall not exceed the limits under G.S. 110-136.6(b). The individual shall make an immediate initial payment representing at least five percent (5%) of the total delinquency or five hundred dollars ($500.00), whichever is less. Any such stay of an order under this subsection shall also be conditioned upon the obligor's maintenance of current child support. The court may stay the effectiveness of the sanctions against an individual subject to a subpoena issued pursuant to child support or paternity establishment proceedings upon a finding that the individual has complied with or is no longer subject to the subpoena. Upon entry of an order pursuant to this section that is not stayed, the individual shall surrender any licenses revoked by the court's order to the child support enforcement agency and the agency shall forward a report to the appropriate licensing authority within 30 days of the order."

Section 3. G.S. 50-13.4(c) reads as rewritten:

"(c) Payments ordered for the support of a minor child shall be in such amount as to meet the reasonable needs of the child for health, education, and maintenance, having due regard to the estates, earnings, conditions, accustomed standard of living of the child and the parties, the child care and homemaker contributions of each party, and other facts of the particular case. Payments ordered for the support of a minor child shall be on a monthly basis, due and payable on the first day of each month. The requirement that orders be established on a monthly basis does not affect the availability of garnishment of disposable earnings based on an obligor's pay period.

The court shall determine the amount of child support payments by applying the presumptive guidelines established pursuant to subsection
(c1). However, upon request of any party, the Court shall hear evidence, and from the evidence, find the facts relating to the reasonable needs of the child for support and the relative ability of each parent to provide support. If, after considering the evidence, the Court finds by the greater weight of the evidence that the application of the guidelines would not meet or would exceed the reasonable needs of the child considering the relative ability of each parent to provide support or would be otherwise unjust or inappropriate the Court may vary from the guidelines. If the court orders an amount other than the amount determined by application of the presumptive guidelines, the court shall make findings of fact as to the criteria that justify varying from the guidelines and the basis for the amount ordered.

Payments ordered for the support of a child shall terminate when the child reaches the age of 18 except:

(1) If the child is otherwise emancipated, payments shall terminate at that time;

(2) If the child is still in primary or secondary school when the child reaches age 18, support payments shall continue until the child graduates, otherwise ceases to attend school on a regular basis, fails to make satisfactory academic progress towards graduation, or reaches age 20, whichever comes first, unless the court in its discretion orders that payments cease at age 18 or prior to high school graduation.

In the case of graduation, or attaining age 20, payments shall terminate without order by the court, subject to the right of the party receiving support to show, upon motion and with notice to the opposing party, that the child has not graduated or attained the age of 20."

Section 4. G.S. 50-13.4(d) reads as rewritten:

"(d) In non-IV-D cases, payments for the support of a minor child shall be ordered to be paid to the person having custody of the child or any other proper person, agency, organization or institution, or to the court, State Child Support Collection and Disbursement Unit, for the benefit of the child. In IV-D cases, payments for the support of a minor child shall be ordered to be paid to the court or other proper State agency Child Support Collection and Disbursement Unit for the benefit of the child."

Section 5. G.S. 52C-5-501(a), as amended by Section 1 of S.L. 1998-17, reads as rewritten:

"(a) An income-withholding order issued in another state may be sent to the person or entity defined or identified as the obligor's employer under the income-withholding provisions of Chapter 50 or Chapter 110 of the General Statutes, as applicable, without first filing a petition or comparable pleading or registering the order with a tribunal of this State. In the event that an obligor is receiving unemployment compensation benefits from the North Carolina Employment Security Commission, in accordance with G.S. 96-17, an income-withholding order issued in another state may be sent to the
Employment Security Commission without first filing a petition or comparable pleading or registering the order with a tribunal of this State. Upon receipt of the order, the employer or the Employment Security Commission shall:

(1) Treat an income-withholding order issued in another state which appears regular on its face as if it had been issued by a tribunal of this State;
(2) Immediately provide a copy of the order to the obligor; and
(3) Distribute the funds as directed in the withholding order. The Employment Security Commission shall not withhold an amount to exceed twenty-five percent (25%) of the unemployment compensation benefits."

Section 6. G.S. 110-136.2(f) reads as rewritten:

"(f) In the absence of a voluntary assignment of unemployment compensation benefits, the Department of Health and Human Services shall implement income withholding as provided in this Article for IV-D cases. The amount withheld shall not exceed twenty-five percent (25%) of the unemployment compensation benefits. Notice of the requirement to withhold shall be served upon the Employment Security Commission and payment shall be made by the Employment Security Commission directly to the Department of Health and Human Services pursuant to G.S. 96-17, 96-17 or to another state under G.S. 52C-5-501. Except for the requirement to withhold from unemployment compensation benefits and the forwarding of withheld funds to the Department of Health and Human Services, Services or to another state under G.S. 52C-5-501, the Employment Security Commission is exempt from the provisions of G.S. 110-136.8."

Section 7. Article 9 of Chapter 110 of the General Statutes is amended by adding a new section to read:

"§ 110-139.3. High-volume, automated administrative enforcement in interstate cases (AEI).

Upon request of another state, the Department of Health and Human Services shall use automated data processing to search State databases and determine if information is available regarding a parent who owes a child support obligation and shall seize identified assets using the same techniques as used in intrastate cases. Any request by another state to enforce support orders shall certify the amount of each obligor's debt and that appropriate due process requirements have been met by the requesting state with respect to each obligor. The Department of Health and Human Services shall likewise transmit to other states requests for assistance in enforcing support orders through high-volume, automated administrative enforcement where appropriate."

Section 8. G.S. 108A-69, as amended by Section 1 of S.L. 1998-17, reads as rewritten:

S.B. 1005 SESSION LAW 1999-295

AN ACT TO ESTABLISH CERTAIN LIMITATIONS REGARDING POTENTIAL LIABILITY OF NORTH CAROLINA'S BUSINESSES ARISING FROM YEAR 2000 PROBLEMS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 66 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 35.
"Year 2000 Liability and Damages.

§ 66-280. Purpose.
The General Assembly finds that maintaining the health and stability of the various business enterprises located in the State is in the public
interest in order to ensure the uninterrupted delivery of goods and services to the State's citizenry. The General Assembly further finds that the Year 2000 problem is a one-time occurrence for which no one person is accountable and, therefore, the business enterprises of the State should not have their ability to continue to deliver goods and services impaired by having to contest lawsuits arising from Year 2000 problems over which such business enterprises and governmental units have no control. This Article is intended to place prudent limitations on the potential liability of the State's business enterprises, while preserving the appropriate right of recovery by persons suffering losses. This Article does not limit enforcement of laws, regulations, or permits by State or local government bodies or agencies.

§ 66-281. Definitions. As used in this Article:

(1) 'Contractual control' means the right to direct the manner in which a party performs those contractual obligations related to the claim for damages.

(2) 'Person' means any individual, corporation, partnership, association, company, business trust, joint venture, or other legal entity.

(3) 'Performed with due diligence' means acted with reasonable care in its operations to prevent the occurrence of a Year 2000 problem.

(4) 'Regulated entity' means any insured financial institution or public utility.

(5) 'Third party' means, with respect to a person against whom a claim for damages is made based upon a Year 2000 problem, any of the following:
   a. A person having no affiliate relationship with and not under the contractual control of the person against whom a claim for damages is made based upon a Year 2000 problem.
   b. A local, State, or federal governmental or quasi-governmental agency or entity.
   c. A regulated entity.

(6) 'Year 2000 problem' means any computing, physical, enterprise, or distribution system complication that has occurred or may occur as a result of the change of the year from 1999 to 2000 in any person's technology system, including computer hardware, programs, software, or systems; embedded chip calculations or embedded systems; firmware; microprocessors; or management systems, business processes, or computing applications that govern, utilize, drive, or depend on the Year 2000 processing capability of the person's technology systems. 'Year 2000 problem' includes the common computer programming practice of using a two-digit field to represent a year, resulting in erroneous date calculations; an ambiguous interpretation of the term or field '00'; the failure to
recognize 2000 as a leap year; algorithms that use '99' or '00' to activate another function; or the failure of any other applications, software, or hardware due to their date-sensitive nature.

(7) 'Year 2000 processing' means the processing, calculating, comparing, sequencing, displaying, storing, transmitting, or receiving of date or date-sensitive data from, into, or between the twentieth and twenty-first centuries, during the years 1999 and 2000, and leap year calculations.

"§ 66-282. Liability and damages limited.

(a) Subject to subsection (b) of this section, the following apply in any civil action in which the claim for damages is based upon a Year 2000 problem against a person who has performed with due diligence:

(1) No person shall be liable to any person who is (i) not in privity of contract with such person, (ii) not a person to whom an express warranty has been extended by such person, or (iii) in the case of a trust, not a beneficiary of a trust administered by such person.

(2) No person shall be liable for damages caused by a delay or interruption in performance, or in the delivery of goods or services, resulting from or in connection with (i) a Year 2000 problem to the extent such Year 2000 problem was caused by a third party or (ii) a third party's Year 2000 problem.

(3) No employee, officer, or director shall be liable to any person in his or her capacity as such.

(4) No person shall be liable for consequential or punitive damages.

(5) Total damages shall not exceed actual damages that are the direct result of a Year 2000 problem.

(b) This section does not apply to an express warranty against damages resulting from a Year 2000 problem and does not affect the right of recovery for damages in connection with wrongful death or injuries to person or tangible property.

(c) In determining whether a person performed with due diligence under subsection (a) of this section, it is prima facie evidence of due diligence for a regulated entity to comply with the relevant directives of its State or federal regulator.

Prior to the adoption of rules by the Supreme Court, rules and standards adopted pursuant to G.S. 7A-38.3 shall be applicable to this section to the extent such rules do not conflict with the provisions of this section.

(c) Waiver of Mediation. -- The parties to the dispute may waive the mediation required by this section by informing the mediator of their waiver in writing. No costs shall be assessed to any party if all parties waive mediation prior to the occurrence of an initial mediation meeting.

(c1) If a party to the dispute is entitled to an affirmative defense pursuant to G.S. 1-539.26, that party may refuse to participate in the mediation. If the party agrees to participate in the mediation as provided in this section, that party is not entitled to an affirmative defense pursuant to G.S. 1-539.26 upon the filing of the civil action. If the party refuses to participate in the mediation, the mediator shall immediately prepare a certification as provided in subsection (d) of this section stating that the party refused with good cause to participate in the mediation and has satisfied the requirements of this section.

(d) Certification That Mediation Concluded. -- Immediately upon a waiver of mediation as provided in subsection (c) of this section or upon the conclusion of mediation, the mediator shall prepare a certification stating the date on which the mediation was concluded and the general results of the mediation, including, as applicable, that the parties waived the mediation, that an agreement was reached, that mediation was attempted but an agreement was not reached, or that one or more parties, to be specified in the certification, failed or refused without good cause to attend one or more mediation meetings or otherwise participate in the mediation. The mediator shall file the original of the certification with the clerk and provide a copy to each party. Each party to the mediation has satisfied the requirements of this section upon the filing of the certification, except any party specified in the certification as having failed or refused to attend one or more mediation meetings or otherwise participate.

(e) Dismissal of Civil Action. -- In any civil action asserting a claim for damages allegedly resulting from a Year 2000 problem, the court
shall dismiss the action without prejudice for failure to comply with this section if the moving party asserts in his or her pleading the alleged failure to comply and establishes the alleged failure to comply, unless:

(1) The action has been certified as a class action;
(2) The nonmoving party establishes that the moving party was served with a copy of the request for mediation and thereafter declined to participate in a mediated settlement conference;
(3) The nonmoving party has satisfied the requirements of this section and such is indicated in a mediator’s certification issued under subsection (d) of this section;
(4) The court finds that a mediator improperly failed to issue a certification indicating that the nonmoving party satisfied the requirements of this section; or
(5) The nonmoving party demonstrates, to the satisfaction of the court, good cause for the failure to comply with this section.

(f) Time Periods Tolled. -- Time periods relating to the filing of a claim or the taking of other action with respect to a claim for damages resulting from a Year 2000 problem, including any applicable statutes of limitations, shall be tolled upon the filing of a request for mediation under this section, until 30 days after the date on which the mediation is concluded as set forth in the mediator’s certification, or if the mediator fails to set forth such date, until 30 days after the filing of the certification under subsection (d) of this section."

S.B. 1110 SESSION LAW 1999-305

AN ACT TO PROVIDE AN INCENTIVE FOR BUSINESSES TO FIND COMMERCIAL USES FOR TECHNOLOGY DEVELOPED BY RESEARCH UNIVERSITIES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-129.9 reads as rewritten:

"§ 105-129.9. Credit for investing in machinery and equipment.

(a) Credit. General Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible investment amount over the applicable threshold. Machinery and equipment is eligible if it is capitalized by the taxpayer for tax purposes under the Code and is not leased to another party. In addition, in the case of a large investment, machinery and equipment that is not capitalized by the taxpayer is eligible if the taxpayer leases it from another party. The credit may not be taken for the taxable year in which the equipment is placed in service but shall be taken in equal installments over the seven years following the taxable year in which the equipment is placed in service.

(a1) Technology Commercialization Credit. -- If a taxpayer is eligible for the credit allowed in this section with respect to eligible machinery and equipment and qualifies for one of the credits allowed in G.S. 105-129.9A with respect to the same machinery and equipment, the taxpayer may choose to take one of those credits instead of the credit allowed in this section. A taxpayer may take the credit allowed in this section or one of the credits allowed in G.S. 105-129.9A during a taxable year with respect to eligible machinery
and equipment, but may not take more than one of these credits with respect to the same machinery and equipment.

(b) Eligible Investment Amount. -- The eligible investment amount is the lesser of (i) the cost of the eligible machinery and equipment and (ii) the amount by which the cost of all of the taxpayer's eligible machinery and equipment that is in service in this State on the last day of the taxable year exceeds the cost of all of the taxpayer's eligible machinery and equipment that was in service in this State on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer had the most eligible machinery and equipment in service in this State. A taxpayer that claims a credit under this section must include with the application for certification required under G.S. 105-129.6(a) specific documentation supporting the taxpayer's calculation of the eligible investment amount under this subsection.

(c) Threshold. -- The applicable threshold is the appropriate amount set out in the following table based on the enterprise tier of the area where the eligible machinery and equipment are placed in service during the taxable year. If the taxpayer places eligible machinery and equipment in service in more than one area during the taxable year, the threshold applies separately to the eligible machinery and equipment placed in service in each area. If the taxpayer places eligible machinery and equipment in service in an area over the course of a two-year period, the applicable threshold for the second taxable year is reduced by the eligible investment amount for the previous taxable year.

(d) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are disposed of, taken out of service, or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining instalments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved.
(e) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to place specific eligible machinery and equipment in service in an area within two years after the date the letter is signed may, in the year the eligible machinery and equipment are placed in service in that area, calculate the credit for which the taxpayer qualifies based on the area’s enterprise tier and development zone designation for the year the letter was signed. All other conditions apply to the credit, but if the area has been redesignated to a higher-numbered enterprise tier or has lost its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area’s enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not place part or all of the specified eligible machinery and equipment in service within the two-year period, the taxpayer does not qualify for the benefit of this subsection with respect to the machinery and equipment not placed in service within the two-year period. However, if the taxpayer qualifies for a credit in the year the eligible machinery and equipment are placed in service, the taxpayer may take the credit for that year as if no letter of commitment had been signed pursuant to this subsection."

Section 2. Article 3A of Chapter 105 of the General Statutes is amended by adding a new section to read:

§ 105-129.9A. Technology commercialization credit.

(a) Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places it in service in this State during the taxable year, the taxpayer may qualify for a credit as provided in this section. If the taxpayer is also eligible for the credit allowed under G.S. 105-129.9 with respect to the eligible machinery and equipment, the taxpayer may choose instead of the credit allowed under G.S. 105-129.9 with respect to the machinery and equipment to take one of the credits under this section for which the taxpayer qualifies. The twenty percent (20%) credit is a credit equal to twenty percent (20%) of the excess of the eligible investment amount over the applicable threshold for the taxable year. The fifteen percent (15%) credit is a credit equal to fifteen percent (15%) of the excess of the eligible investment amount over the applicable threshold for the taxable year.

Except as provided in this section, the provisions of G.S. 105-129.9 apply to the credits allowed under this section. As used in this section, the term ‘research university’ means an institution of higher education classified as a Research I university or a Research II university in the most recent edition of ‘A Classification of Institutions of Higher Education,’ the official report of The Carnegie Foundation for the Advancement of Teaching.

A credit allowed under this section must be taken for the taxable year in which the machinery and equipment are placed in service. A taxpayer may take the twenty percent (20%) credit allowed under this section, the fifteen percent (15%) credit allowed under this section, or the credit allowed in G.S. 105-129.9 during a taxable year with respect to eligible machinery and equipment, but may not take more
than one of these credits with respect to the same machinery and equipment.

(b) Eligible Investment Amount. -- In calculating the eligible investment amount under this section, for the purpose of determining the taxpayer's machinery and equipment in service in this State during the taxable year and the three immediately preceding taxable years, the following exceptions apply:

1. Machinery and equipment that were transferred to another taxpayer during the three-year period are considered the taxpayer's machinery and equipment if they are still in service in this State during the taxable year, and the taxpayer to whom they were transferred is ineligible under G.S. 105-129.4(e) to claim a new credit for the investment under this Article.

2. Machinery and equipment that were taken out of service during the three-year period are considered the taxpayer's machinery and equipment in service if all of the following conditions are met:
   a. The machinery and equipment were taken out of service by the taxpayer or by the person to whom the taxpayer transferred them.
   b. The machinery and equipment were taken out of service at a location separate from any location with respect to which the taxpayer claims a credit under this section.
   c. The machinery and equipment were used in a business that was not and is not competitive with any business with respect to which the taxpayer claimed a credit under this section. For the purpose of this subdivision, two businesses are not competitive if both of the following conditions are met:
      1. Their products and services lack reasonable interchangeability of use by the customer, based on use but without regard to quality, price, condition, or availability.
      2. Their products and services lack reasonable interchangeability of production in that the businesses could not readily switch production capabilities from one product or service to the other.

(c) Documentation. -- If the taxpayer claims the exception provided in subdivision (b)(2) of this section, the Secretary of Commerce must obtain an opinion of the Attorney General that the taxpayer meets all of the conditions of subdivision (b)(2) before the Secretary certifies the application under G.S. 105-129.6(a).

(d) Twenty Percent Credit. -- A taxpayer qualifies for a twenty percent (20%) credit under this section if it meets all of the following conditions:

1. The eligible machinery and equipment are directly related to production based on technology developed by and licensed from a research university or are used to produce resources
essential to the taxpayer's production based on technology developed by and licensed from a research university.

(2) The eligible machinery and equipment are placed in service in a tier one, two, or three enterprise area.

(3) The eligible investment amount is at least ten million dollars ($10,000,000) for the taxable year.

(4) The Secretary of Commerce has certified that the taxpayer will invest at least one hundred fifty million dollars ($150,000,000) in eligible machinery and equipment in a tier one, two, or three enterprise area by the end of the fourth year after the year in which the taxpayer first places eligible machinery and equipment in service in the enterprise area.

(5) No more than nine years have passed since the first taxable year the taxpayer claimed a credit under this section with respect to the same location.

(e) Fifteen Percent Credit. -- A taxpayer qualifies for a fifteen percent (15%) credit under this section if it meets all of the following conditions:

(1) The eligible machinery and equipment are directly related to production based on technology developed by and licensed from a research university, or are used to produce resources essential to the taxpayer's production based on technology developed by and licensed from a research university.

(2) The eligible machinery and equipment are placed in service in a tier one, two, or three enterprise area.

(3) The eligible investment amount is at least ten million dollars ($10,000,000) for the taxable year.

(4) The Secretary of Commerce has certified that the taxpayer will invest at least one hundred million dollars ($100,000,000) in eligible machinery and equipment in a tier one, two, or three enterprise area by the end of the fourth year after the year in which the taxpayer first places eligible machinery and equipment in service in the enterprise area.

(5) No more than nine years have passed since the first taxable year the taxpayer claimed a credit under this section with respect to the same location."

Section 3. G.S. 105-129.4(d) reads as rewritten:

"(d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the taxpayer was not eligible for the credit at the time the taxpayer applied for the credit. In addition, a taxpayer forfeits a large investment enhancement of a tax credit if the taxpayer fails to make the level of investment certified by the Secretary of Commerce under subsection (b1) of this section within the required two-year period. A taxpayer forfeits the technology commercialization credit allowed under G.S. 105-129.9A if the taxpayer fails to make the level of investment required by subsection (e) of that section within the required period or if the taxpayer fails to meet the terms of its licensing agreement with a
research university. If a taxpayer claimed a twenty percent (20%) technology commercialization credit under G.S. 105-129.9A(d) and fails to make the level of investment required under that subsection within the required period, but does make the level of investment required under subsection (e) of that section within the required period, the taxpayer forfeits one-fourth of the twenty percent (20%) credit.

A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for creating jobs, the technology commercialization credit, or the credit for investing in machinery and equipment, the taxpayer also forfeits any credit for worker training claimed for the jobs for which the credit for creating jobs was claimed or the jobs at the location with respect to which the technology commercialization credit or the credit for investing in machinery and equipment was claimed."

Section 4. G.S. 105-129.5 reads as rewritten:
"§ 105-129.5. Tax election; cap.

(a) Tax Election. -- The credits provided in this Article are allowed against the franchise tax levied in Article 3 of this Chapter and the income taxes levied in Article 4 of this Chapter. The credit for investing in central administrative office property provided in G.S. 105-129.12 is also allowed against the gross premiums tax levied in Article 8B of this Chapter. The taxpayer may divide the technology commercialization credit allowed in G.S. 105-129.9A between the taxes against which it is allowed. The taxpayer shall elect the percentage of the credit that will be taken against each tax when filing the return on which the credit is first taken. This election is binding. The percentage of the credit elected to be taken against each tax may be carried forward only against the same tax.

The taxpayer must take any other credit allowed in this Article against only one of the taxes against which it is allowed. The taxpayer shall elect the tax against which a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the credit must be claimed against the same tax.

(b) Cap. -- The credits allowed under this Article may not exceed fifty percent (50%) of the tax against which they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of a credit with respect to a large investment or with respect to the technology commercialization
credit allowed in G.S. 105-129.9A may be carried forward for the succeeding 20 years. Any unused portion of any other credit may be carried forward for the succeeding five years."

services program that provides sentencing information to judges and other court officials. Grants shall be awarded by the Director to agencies whose comprehensive program plans promise best to meet the goals set forth herein. The Director shall consider the plan required by G.S. 7A-774 in making funding decisions. If a senior resident superior court judge has not formally endorsed the plan, the Director shall consider that fact in making grant decisions, but the Director may, if appropriate, award grants to a program in which the judge has not endorsed the plan as submitted.

(b) The Director may establish local community penalties sentencing services programs and appoint those staff as the Director deems necessary. These personnel may serve as full-time or part-time State employees or may be hired on a contractual basis when determined appropriate by the director. Contracts entered under the authority of this subsection shall be exempt from the competitive bidding procedures under Chapter 143 of the General Statutes. The Administrative Office of the Courts shall adopt rules necessary and appropriate for the administration of the program. Funds appropriated by the General Assembly for the establishment and maintenance of community penalties sentencing services programs under this Article shall be administered by the Administrative Office of the Courts.

"§ 7A-773. Responsibilities of a community penalties sentencing services program. A community penalties sentencing services program shall be responsible for:

1. Targeting offenders who are eligible to receive an intermediate punishment based on their class of offense and prior record level and who face an imminent and substantial threat of imprisonment.

Identifying offenders who:

a. Are charged with or have been offered a plea by the State for a felony offense for which the class of offense and prior record level authorize the court to impose an active punishment, but do not require that it do so;

b. Have a high risk of committing future crimes without appropriate sanctions and interventions; and

c. Would benefit from the preparation of an intensive and comprehensive sentencing plan of the type prepared by sentencing services programs.

2. Preparing detailed community penalty sentencing services plans requested pursuant to G.S. 7A-773.1 for presentation to the sentencing judge by the offender’s attorney or at the request of the sentencing judge, judge.

3. Contracting or arranging with public or private agencies for services described in the community penalty sentencing plan.

4. Monitoring the progress of offenders under community penalty plans.
§ 7A-773.1. Who may request plans; disposition of plans; contents of plans.

(a) A judge presiding over a case in which the offender meets the criteria set forth in G.S. 7A-773(1) may request, at any time prior to the imposition of sentence, that the sentencing services program provide a sentencing plan. The court may also request, at any time prior to the imposition of sentence, that the program provide a sentencing plan in misdemeanor cases in which the class of offense is Class A1 or Class 1 and the prior conviction level is Level III, if the court determines that the preparation of such a plan is in the interest of justice. In addition, in cases in which the offender meets the criteria set forth in G.S. 7A-773, the defendant or a prosecutor, at any time before the court has accepted a guilty plea or received a guilty verdict, may request that the program provide a plan. However, prior to an adjudication of guilt, a defendant may decline to participate in the preparation of a plan within a reasonable time after the request is made. In that case, no plan shall be prepared or presented to the court by the sentencing services program prior to an adjudication of guilt. A defendant’s decision not to participate shall be made in writing and filed with the court. The comprehensive sentencing services program plan prepared pursuant to G.S. 7A-774 shall define what constitutes a reasonable time within the meaning of this subsection.

(b) Any sentencing plan prepared by a sentencing services program shall be presented to the court, the defendant, and the State in an appropriate manner.

(c) Sentencing plans prepared by sentencing services programs may include recommendations for use of any treatment or correctional resources available, unless the sentencing court instructs otherwise. Sentencing plans that identify an offender’s needs for education, treatment, control, or other services shall, to the extent feasible, also identify resources to meet those needs. Plans may report that no intermediate punishment is appropriate under the circumstances of the case.

(d) To the extent allowed by law, the sentencing services program shall develop procedures to ensure that the program staff may work with offenders before a plea is entered. To that end, no information obtained in the course of preparing a sentencing plan may be used by the State for the purpose of establishing guilt.

§ 7A-774. Requirements for a comprehensive community penalties sentencing services program plan.

Agencies applying for grants shall prepare a comprehensive community penalties sentencing services program plan for the development, implementation, operation, and improvement of a community penalties sentencing services program for the judicial superior court district, as prescribed by the Director. The plan shall be updated annually and shall be submitted to the senior resident superior court judge for the superior court district for the judge's
advice and written endorsement. The plan shall then be forwarded to the Director for approval. The Such plan shall include:

1. Objectives Goals and objectives of the community penalties sentencing services program.

2. Goals for reduction of offenders committed to prison for each county within the district, and a system of monitoring the number of commitments to prison. Specification of the kinds or categories of offenders for whom the programs will provide sentencing information to the courts.

3. Procedures for identifying targeted offenders, and a plan for referral of targeted offenders to the community penalties program. Proposed procedures for the identification of appropriate offenders to comply with the plan and the criteria in G.S. 7A-773(1).

4. Procedures for preparing and presenting community penalty plans to the court.

4a. Strategies for ensuring that judges and court officials who are possible referral sources use the program's services in appropriate cases.

5. Procedures for obtaining services from existing public or private agencies, and a detailed budget for staff, contracted services, and all other costs.

6. Procedures for monitoring the progress of offenders on community penalty plans and for cooperating with the probation personnel who have supervisory responsibility for the offender.

7. Procedures for returning offenders who do not comply with their community penalty plan to court for action by the court.

8. Procedures for evaluating the program's effect on numbers of prison commitments.

§ 7A-775. Community penalties Sentencing services board.

(a) Each community penalties sentencing services program shall establish a community penalties sentencing services board to provide direction and assistance to the community penalties sentencing services program in the implementation and evaluation of the plan. Community penalties sentencing services boards may be organized as nonprofit corporations under Chapter 55A of the General Statutes. The community penalties sentencing services board shall consist of not less than 12 members, and shall include, insofar as possible, judges, district attorneys, attorneys, social workers, law-enforcement officers, probation officers, and other interested persons. The community penalties sentencing services board shall meet on a regular basis, and its duties include, but are not limited to, the following:

1. Preparation and submission of the sentencing services program plan to the senior resident superior court judge and the Director annually, as provided in G.S. 7A-772(a);

1a. Development of an annual budget for the program;
§ 7A-776. Limitation on use of funds.

Funds provided for use under the provisions of this Article shall not be used for the operating costs, construction, or any other costs associated with local jail confinement, confinement, or for any purpose other than the operation of a sentencing services program that complies with this Article.

The Director shall evaluate each community penalties sentencing services program on an annual basis to determine the degree to which the prison commitments have been reduced or have kept from increasing as a result of the community penalties program. The Director shall not renew or continue a program that has failed to affect commitments and that shows no promise of doing so in the future, after allowing for changes in the number of convictions. Program effectively meets the needs of the courts in its judicial district by providing them with sentencing information. In conducting the evaluation, the Director shall consider the goals and objectives established in the program’s plan, as well as the extent to which the program is able to ensure that the offenders served by the plan meet the criteria established in G.S. 7A-773(1)."

Section 2. G.S. 15A-1340.11(6) reads as rewritten:

"(6) Intermediate punishment. -- A sentence in a criminal case that places an offender on supervised probation and includes at least one of the following conditions:

a. Special probation as defined in G.S. 15A-1351(a).
b. Assignment to a residential program.
c. House arrest with electronic monitoring.
d. Intensive probation.
e. Assignment to a day-reporting center.

In addition, a sentence to regular supervised probation imposed pursuant to a community penalties plan as defined in G.S. 7A-771(2) is an intermediate punishment, regardless of whether any of the above conditions is imposed, if the plan is accepted by the court and the plan does not include active punishment."

Section 3. G.S. 15A-1340.14(f) reads as rewritten:

"(f) Proof of Prior Convictions. -- A prior conviction shall be proved by any of the following methods:

(1) Stipulation of the parties.
(2) An original or copy of the court record of the prior conviction.
(3) A copy of records maintained by the Division of Criminal Information, the Division of Motor Vehicles, or of the Administrative Office of the Courts.

(4) Any other method found by the court to be reliable.

The State bears the burden of proving, by a preponderance of the evidence, that a prior conviction exists and that the offender before the court is the same person as the offender named in the prior conviction. The original or a copy of the court records or a copy of the records maintained by the Division of Criminal Information, the Division of Motor Vehicles, or of the Administrative Office of the Courts, bearing the same name as that by which the offender is charged, is prima facie evidence that the offender named is the same person as the offender before the court, and that the facts set out in the record are true. For purposes of this subsection, "a copy" includes a paper writing containing a reproduction of a record maintained electronically on a computer or other data processing equipment, and a document produced by a facsimile machine. The prosecutor shall make all feasible efforts to obtain and present to the court the offender’s full record. Evidence presented by either party at trial may be utilized to prove prior convictions. Suppression of prior convictions is pursuant to G.S. 15A-980. If a motion is made pursuant to that section during the sentencing stage of the criminal action, the court may grant a continuance of the sentencing hearing. If asked by the defendant in compliance with G.S. 15A-903, the prosecutor shall furnish the defendant’s prior criminal record to the defendant within a reasonable time sufficient to allow the defendant to determine if the record available to the prosecutor is accurate. Upon request of a sentencing services program established pursuant to Article 61 of Chapter 7A of the General Statutes, the district attorney shall provide any information the district attorney has about the criminal record of a person for whom the program has been requested to provide a sentencing plan pursuant to G.S. 7A-773.1.”

**Section 4.** Section 2 of this act becomes effective January 1, 2000, and applies to offenses committed on or after that date. The remainder of this act becomes effective January 1, 2000, except that community penalties plans requested for offenders prior to that date shall be governed by the law in effect at the time the plan was requested.

AN ACT LIMITING LIABILITY FROM YEAR 2000 FAILURES BY PROVIDING CERTAIN PARTIES THE RIGHT TO ASSERT AN AFFIRMATIVE DEFENSE BASED ON A YEAR 2000 PROBLEM.

   a. Is used to capture, store, manipulate, or process data; or
   b. Controls, monitors, or assists in the operation of physical apparatus that is not primarily used as a computer but that relies on automation or digital technology to function, including, but not limited to, vehicles, vessels, buildings, structures, facilities, elevators, medical equipment, traffic signals, and factory machinery.

(2) 'Person' means any natural person, partnership, corporation, body politic, and any unincorporated association, organization, or society which may sue or be sued under a common name.

(3) 'Year 2000 problem' means any computing, physical, enterprise, or distribution system complication that has occurred or may occur as a result of the change of the year from 1999 to 2000 in any person's technology system, including computer hardware, programs, software, or systems; embedded chip calculations or embedded systems; firmware; microprocessors; or management systems, business processes, or computing applications that govern, utilize, drive, or depend on the Year 2000 processing capability of the person's technology systems. practice of using a two-digit field to represent a year, resulting in erroneous date calculations; an ambiguous interpretation of the term or field ‘00’; the failure to recognize 2000 as a leap year; algorithms that use ‘99’ or ‘00’ to activate another function; or the failure of any other applications, software, or hardware due to their date-sensitive nature.

"§ 1-539.26. Right to affirmative defense based on year 2000 problem."

(a) A person has an affirmative defense to any claim or action brought against the person if the person establishes that the person’s default, failure to pay, breach, omission, or other violation that is the basis of the claim against the person was caused by a year 2000 problem associated with an electronic computing device that is not owned, controlled, or operated by the person, and, if it were not for the year 2000 problem, the person would have been able to satisfy the obligations that are the basis of the claim.

(b) If a person establishes an affirmative defense as set forth in subsection (a) of this section, the court shall dismiss the claim without prejudice and the person or entity making the claim against the person shall not reassert the claim as to which the affirmative defense was asserted for a period of 60 days from the date on which the affirmative defense is granted by the court. Any statute of limitations applicable to the claim is tolled for 90 days upon the granting of the affirmative defense under this section.

(c) This section does not affect those transactions upon which a default has occurred before any disruption of financial or data transfer operations attributable to the year 2000 date change, and does not apply to claims for personal injury or wrongful death.

(d) The granting of the affirmative defense under this section does not impair, extinguish, discharge, satisfy, or otherwise affect the underlying obligation that is the basis of the claim against which the affirmative defense was asserted; except that the inability of a party to bring the claim based upon the obligation must be delayed as set forth in subsection (b) of this section.

(e) An individual who has established an affirmative defense as set forth in subsection (a) of this section may dispute directly with a credit reporting agency operating in this State any item of information in the individual’s consumer file relating to the subject of the affirmative defense. The credit reporting agency shall comply with the requirements of the federal ‘Fair Credit Reporting Act’ in responding to the dispute. If requested by the individual, the credit reporting agency shall include the individual’s statement of explanation regarding an item of information that the consumer reporting agency denies is inaccurate or a statement concerning the content of the individual’s consumer file. (e1) A person who agrees to participate in prelitigation mediation as provided in G.S. 66-283 may not assert an affirmative defense as set forth in subsection (a) of this section."

Section 2. G.S. 1-539.26(e1), as enacted in Section 1 of this act, is effective only if Senate Bill 1005 becomes law.

AN ACT TO PROVIDE THAT THE TIME FOR GIVING NOTICE OF APPEAL IN CASES OF TERMINATION OF PARENTAL RIGHTS AND EMANCIPATION AND IN HEARINGS TO TRANSFER A JUVENILE TO SUPERIOR COURT SHALL BE TEN DAYS AFTER ENTRY OF THE ORDER RATHER THAN TEN DAYS AFTER THE DATE OF THE HEARING.

The General Assembly of North Carolina enacts:

Section 1. G.S. 7B-1112, as enacted by S.L. 1998-202 and renumbered by the Codifier of Statutes as G.S. 7B-1113, reads as rewritten:

Entry of an order shall be treated in the same manner as entry of a judgment under G.S. 1A-1, Rule 58 of the North Carolina Rules of Civil Procedure. Pending disposition of an appeal, the court may enter a temporary order affecting the custody or placement of the juvenile as the court finds to be in the best interests of the juvenile or the best interests of the State. Upon the affirmation of the order of adjudication or disposition of the court in a juvenile case by the Court of Appeals, or by the Supreme Court in the event of an appeal, the court shall have authority to modify or alter its original order of adjudication or disposition as the court finds to be in the best interests of the juvenile to reflect any adjustment made by the juvenile or change in circumstances during the period of time the case on appeal was pending, provided that if the modifying order be entered ex parte, the court shall give notice to interested parties to show cause, if any
there be, within 10 days thereafter, as to why the modifying order should be vacated or altered.”

Section 2. G.S. 7B-2603, as enacted by S.L. 1998-202, reads as rewritten:

"§ 7B-2603. Right to appeal transfer decision.

(a) Notwithstanding G.S. 7B-2602, any order transferring jurisdiction of the district court in a juvenile matter to the superior court may be appealed to the superior court for a hearing on the record. Notice of the appeal must be given in open court or in writing within 10 days after the transfer hearing in the district court. Entry of the order of transfer in district court. Entry of an order shall be treated in the same manner as entry of a judgment under G.S. 1A-1, Rule 58 of the North Carolina Rules of Civil Procedure. Upon expiration of the 10 day period in which an appeal may be entered, if an appeal has been entered and not withdrawn, the clerk shall transfer the case to the superior court docket. The superior court shall, within a reasonable time, review the record of the transfer hearing for abuse of discretion by the juvenile court in the issue of transfer. The superior court shall not review the findings as to probable cause for the underlying offense.

(b) Once an order of transfer has been entered by the district court, the juvenile has the right to be considered for pretrial release as provided in G.S. 15A-533 and G.S. 15A-534. The release order shall specify the person or persons to whom the juvenile may be released. Pending release, the court shall order that the juvenile be detained in a detention facility while awaiting trial. The court may order the juvenile to be held in a holdover facility as defined by G.S. 7B-1501 at any time the presence of the juvenile is required in court for pretrial hearings or trial, if the court finds that it would be inconvenient to return the juvenile to the detention facility.

(c) If an appeal of the transfer order is taken, the superior court shall enter an order either (i) remanding the case to the juvenile court for adjudication or (ii) upholding the transfer order. If the superior court remands the case to juvenile court for adjudication and the juvenile has been granted pretrial release provided in G.S 15A-533 and G.S. 15A-534, the obligor shall be released from the juvenile’s bond upon the district court’s review of whether the juvenile shall be placed in secure or nonsecure custody as provided in G.S. 7B-1903.

(d) The superior court order shall be an interlocutory order, and the issue of transfer may be appealed to the Court of Appeals only after the juvenile has been convicted in superior court.”

"§ 7B-3508. Appeals.

AN ACT TO IMPROVE THE ABILITY OF THE DIVISION OF SOCIAL SERVICES, DEPARTMENT OF HEALTH AND HUMAN SERVICES, TO PROTECT CHILDREN AND YOUTH FROM VIOLENCE-PRONE CAREGIVERS.
The General Assembly of North Carolina enacts:

Section 1. G.S. 7B-101, as enacted by Section 6 of S.L. 1998-202 and as amended by Section 18 of S.L. 1998-229, is amended by adding a new subdivision to read:

"(7a) 'Criminal history' means a local, State, or federal criminal history of conviction or pending indictment of a crime, whether a misdemeanor or a felony, involving violence against a person."

Section 2. G.S. 7B-302, as enacted by Section 6 of S.L. 1998-202 and as amended by Section 19 of S.L. 1998-229, is amended by adding a new subsection to read:

"(d1) Whenever a juvenile is removed from the home of a parent, guardian, custodian, stepparent, or adult relative entrusted with the juvenile's care due to physical abuse, the director shall conduct a thorough review of the background of the alleged abuser or abusers. This review shall include a criminal history check and a review of any available mental health records. If the review reveals that the alleged abuser or abusers have a history of violent behavior against people, the director shall petition the court to order the alleged abuser or abusers to submit to a complete mental health evaluation by a licensed psychologist or psychiatrist."

Section 3. G.S. 7B-304, as enacted by Section 6 of S.L. 1998-202, reads as rewritten:

"§ 7B-304. Evaluation for court.

In all cases in which a petition is filed, the director of the department of social services shall prepare a report for the court containing the results of any mental health evaluation under G.S. 7B-503, a home placement plan, and a treatment plan deemed by the director to be appropriate to the needs of the juvenile. The report shall be available to the court immediately following the adjudicatory hearing."

Section 4. G.S. 7B-503, as enacted by Section 6 of S.L. 1998-202, reads as rewritten:

"§ 7B-503. Criteria for nonsecure custody.

(a) When a request is made for nonsecure custody, the court shall first consider release of the juvenile to the juvenile's parent, relative, guardian, custodian, or other responsible adult. An order for nonsecure custody shall be made only when there is a reasonable factual basis to believe the matters alleged in the petition are true, and

1. The juvenile has been abandoned; or
2. The juvenile has suffered physical injury or sexual abuse; or
3. The juvenile is exposed to a substantial risk of physical injury or sexual abuse because the parent, guardian, custodian, or caretaker has created the conditions likely to cause injury or abuse or has failed to provide, or is unable to provide, adequate supervision or protection; or
4. The juvenile is in need of medical treatment to cure, alleviate, or prevent suffering serious physical harm which may result in death, disfigurement, or substantial
impairment of bodily functions, and the juvenile's parent, guardian, custodian, or caretaker is unwilling or unable to provide or consent to the medical treatment; or

(5) The parent, guardian, custodian, or caretaker consents to the nonsecure custody order; or

(6) The juvenile is a runaway and consents to nonsecure custody.

A juvenile alleged to be abused, neglected, or dependent shall be placed in nonsecure custody only when there is a reasonable factual basis to believe that there are no other reasonable means available to protect the juvenile. In no case shall a juvenile alleged to be abused, neglected, or dependent be placed in secure custody.

(b) Whenever a petition is filed under G.S. 7B-302(d1), the court shall rule on the petition prior to returning the child to a home where the alleged abuser or abusers are or have been present. If the court finds that the alleged abuser or abusers have a history of violent behavior against people, the court shall order the alleged abuser or abusers to submit to a complete mental health evaluation by a licensed psychologist or psychiatrist. The court may order the alleged abuser or abusers to pay the cost of any mental health evaluation required under this section."

Section 5. G.S. 7B-506, as enacted by Section 6 of S.L. 1998-202 and as amended by Section 21 of S.L. 1998-229, is amended by adding a new subsection to read:

"(cl) In determining whether continued custody is warranted, the court shall consider the opinion of the mental health professional who performed an evaluation under G.S. 7B-503(b) before returning the juvenile to the custody of that individual."

Section 6. G.S. 7B-903, as enacted by Section 6 of S.L. 1998-202 and as amended by Section 23 of S.L. 1998-229, reads as rewritten:

"§ 7B-903. Dispositional alternatives for abused, neglected, or dependent juvenile.

(a) The following alternatives for disposition shall be available to any court exercising jurisdiction, and the court may combine any of the applicable alternatives when the court finds the disposition to be in the best interests of the juvenile:

(1) The court may dismiss the case or continue the case in order to allow the parent, guardian, custodian, caretaker or others to take appropriate action.

(2) In the case of any juvenile who needs more adequate care or supervision or who needs placement, the court may:

a. Require that the juvenile be supervised in the juvenile's own home by the department of social services in the juvenile's county, or by other personnel as may be available to the court, subject to conditions applicable to the parent, guardian, custodian, or caretaker as the court may specify; or
b. Place the juvenile in the custody of a parent, relative, private agency offering placement services, or some other suitable person; or
c. Place the juvenile in the custody of the department of social services in the county of the juvenile's residence, or in the case of a juvenile who has legal residence outside the State, in the physical custody of the department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile's home state. The director may, unless otherwise ordered by the court, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act on behalf of the juvenile, the director may, unless otherwise ordered by the court, arrange for, provide, or consent to any psychiatric, psychological, educational, or other remedial evaluations or treatment for the juvenile placed by a court or the court's designee in the custody or physical custody of a county department of social services under the authority of this or any other Chapter of the General Statutes. Prior to exercising this authority, the director shall make reasonable efforts to obtain consent from a parent or guardian of the affected juvenile. If the director cannot obtain such consent, the director shall promptly notify the parent or guardian that care or treatment has been provided and shall give the parent frequent status reports on the circumstances of the juvenile. Upon request of a parent or guardian of the affected juvenile, the results or records of the aforementioned evaluations, findings, or treatment shall be made available to such parent or guardian by the director unless prohibited by G.S. 122C-53(d). If a juvenile is removed from the home and placed in custody or placement responsibility of a county department of social services, the director shall not allow unsupervised visitation with, or return physical custody of the juvenile to, the parent, guardian, custodian, or caretaker without a hearing at which the court finds that the juvenile will receive proper care and supervision in a safe home.

In placing a juvenile in out-of-home care under this section, the court shall first consider whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order placement of the juvenile with the relative unless the court finds that the placement is
contrary to the best interests of the juvenile. Placement of a juvenile with a relative outside of this State must be in accordance with the Interstate Compact on the Placement of Children.

(3) In any case, the court may order that the juvenile be examined by a physician, psychiatrist, psychologist, or other qualified expert as may be needed for the court to determine the needs of the juvenile:

a. Upon completion of the examination, the court shall conduct a hearing to determine whether the juvenile is in need of medical, surgical, psychiatric, psychological, or other treatment and who should pay the cost of the treatment. The county manager, or such person who shall be designated by the chairman of the county commissioners, of the juvenile’s residence shall be notified of the hearing, and allowed to be heard. If the court finds the juvenile to be in need of medical, surgical, psychiatric, psychological, or other treatment, the court shall permit the parent or other responsible persons to arrange for treatment. If the parent declines or is unable to make necessary arrangements, the court may order the needed treatment, surgery, or care, and the court may order the parent to pay the cost of the care pursuant to G.S. 7B-904. If the court finds the parent is unable to pay the cost of treatment, the court shall order the county to arrange for treatment of the juvenile and to pay for the cost of the treatment. The county department of social services shall recommend the facility that will provide the juvenile with treatment.

b. If the court believes, or if there is evidence presented to the effect that the juvenile is mentally ill or is developmentally disabled, the court shall refer the juvenile to the area mental health, developmental disabilities, and substance abuse services director for appropriate action. A juvenile shall not be committed directly to a State hospital or mental retardation center; and orders purporting to commit a juvenile directly to a State hospital or mental retardation center except for an examination to determine capacity to proceed shall be void and of no effect. The area mental health, developmental disabilities, and substance abuse director shall be responsible for arranging an interdisciplinary evaluation of the juvenile and mobilizing resources to meet the juvenile’s needs. If institutionalization is determined to be the best service for the juvenile, admission shall be with the voluntary consent of the parent or guardian. If the parent, guardian, custodian, or caretaker refuses to consent to a mental hospital or retardation center admission after such institutionalization
is recommended by the area mental health, developmental disabilities, and substance abuse director, the signature and consent of the court may be substituted for that purpose. In all cases in which a regional mental hospital refuses admission to a juvenile referred for admission by a court and an area mental health, developmental disabilities, and substance abuse director or discharges a juvenile previously admitted on court referral prior to completion of treatment, the hospital shall submit to the court a written report setting out the reasons for denial of admission or discharge and setting out the juvenile's diagnosis, indications of mental illness, indications of need for treatment, and a statement as to the location of any facility known to have a treatment program for the juvenile in question.

(b) When the court has found that a juvenile has suffered physical abuse and that the individual responsible for the abuse has a history of violent behavior against people, the court shall consider the opinion of the mental health professional who performed an evaluation under G.S. 7B-503(b) before returning the juvenile to the custody of that individual."

Section 7. G.S. 7B-904, as enacted by Section 6 of S.L. 1998-202, reads as rewritten:

"§ 7B-904. Authority over parents of juvenile adjudicated as abused, neglected, or dependent.

(a) If the court orders medical, surgical, psychiatric, psychological, or other treatment pursuant to G.S. 7B-903, the court may order the parent or other responsible parties to pay the cost of the treatment or care ordered.

(b) At the dispositional hearing or a subsequent hearing in the case of a juvenile who has been adjudicated abused, neglected, or dependent, if the court finds that it is in the best interests of the juvenile for the parent, guardian, custodian, stepparent, adult member of the juvenile's household, or adult relative entrusted with the juvenile's care to be directly involved in the juvenile's treatment, the court may order the parent, guardian, custodian, stepparent, adult member of the juvenile's household, or adult relative entrusted with the juvenile's care to participate in medical, psychiatric, psychological, or other treatment of the juvenile. The cost of the treatment shall be paid pursuant to G.S. 7B-903.

(c) At the dispositional hearing or a subsequent hearing in the case of a juvenile who has been adjudicated abused, neglected, or dependent, the court may determine whether the best interests of the juvenile require that the parent, guardian, custodian, stepparent, adult member of the juvenile's household, or adult relative entrusted with the juvenile's care undergo psychiatric, psychological, or other treatment or counseling directed toward remediating or remedying behaviors or conditions that led to or contributed to the juvenile's adjudication or to the court's decision to
remove custody of the juvenile from the parent, parent, guardian, custodian, stepparent, adult member of the juvenile's household, or adult relative entrusted with the juvenile's care. If the court finds that the best interests of the juvenile require the parent, parent, guardian, custodian, stepparent, adult member of the juvenile's household, or adult relative entrusted with the juvenile's care undergo treatment, it may order the parent that individual to comply with a plan of treatment approved by the court or condition legal custody or physical placement of the juvenile with the parent, parent, guardian, custodian, stepparent, adult member of the juvenile's household, or adult relative entrusted with the juvenile's care upon the parent's that individual’s compliance with the plan of treatment. The court may order the parent, parent, guardian, custodian, stepparent, adult member of the juvenile's household, or adult relative entrusted with the juvenile's care to pay the cost of treatment ordered pursuant to this subsection. In cases in which the court has conditioned legal custody or physical placement of the juvenile with the parent, parent, guardian, custodian, stepparent, adult member of the juvenile's household, or adult relative entrusted with the juvenile’s care upon the parent’s compliance with a plan of treatment, the court may charge the cost of the treatment to the county of the juvenile’s residence if the court finds the parent, parent, guardian, custodian, stepparent, adult member of the juvenile's household, or adult relative entrusted with the juvenile's care is unable to pay the cost of the treatment. In all other cases, if the court finds the parent, parent, guardian, custodian, stepparent, adult member of the juvenile’s household, or adult relative entrusted with the juvenile’s care is unable to pay the cost of the treatment ordered pursuant to this subsection, the court may order the parent that individual to receive treatment currently available from the area mental health program that serves the parent’s catchment area.

(d) Whenever legal custody of a juvenile is vested in someone other than the juvenile’s parent, after due notice to the parent and after a hearing, the court may order that the parent pay a reasonable sum that will cover, in whole or in part, the support of the juvenile after the order is entered. If the court requires the payment of child support, the amount of the payments shall be determined as provided in G.S. 50-13.4(c). If the court places a juvenile in the custody of a county department of social services and if the court finds that the parent is unable to pay the cost of the support required by the juvenile, the cost shall be paid by the county department of social services in whose custody the juvenile is placed, provided the juvenile is not receiving care in an institution owned or operated by the State or federal government or any subdivision thereof.

(e) Failure of a parent who is personally served to participate in or comply with this section may result in a proceeding for civil contempt."

Section 8. G.S. 7B-1003, as enacted by Section 6 of S.L. 1998-202, reads as rewritten:

"§ 7B-1003. Disposition pending appeal."
Pending disposition of an appeal, the return of the juvenile to the custody of the parent or guardian of the juvenile, with or without conditions, should issue in every case unless the court orders otherwise. When the court has found that a juvenile has suffered physical abuse and that the individual responsible for the abuse has a history of violent behavior, the court shall consider the opinion of the mental health professional who performed the evaluation under G.S. 7B-503(b) before returning the juvenile to the custody of that individual. For compelling reasons which must be stated in writing, the court may enter a temporary order affecting the custody or placement of the juvenile as the court finds to be in the best interests of the juvenile or the State. The provisions of subsections (b), (c), and (d) of G.S. 7B-905 shall apply to any order entered under this section which provides for the placement or continued placement of a juvenile in foster care."

Section 2. Article 2 of Chapter 96 of the General Statutes is amended by adding a new section to read:
§ 96-6.1. Training and reemployment contribution.
(a) Contribution. -- A mandatory training and reemployment contribution is levied upon employers at a percentage rate of the amount of the employer's unemployment insurance contributions due under G.S. 96-9. The rate is the lesser of (i) twenty percent (20%) or (ii) a percentage of the unemployment insurance contributions that yields an amount that, when added to the amount of the employer's unemployment insurance contributions due for the taxable period, is no greater than five and seven-tenths percent (5.7%) of wages for employment for the taxable period. The purpose of the training and reemployment contribution is to provide funds for Department of Community College training programs, Employment Security Commission reemployment services, administration and collection of the new contribution, and other needs of the State. The training and reemployment contribution is due and payable at the time and in the same manner as the unemployment insurance contributions under G.S. 96-9. The training and reemployment contribution does not apply in a calendar year if, as of August 1 of the preceding year, the amount in the Unemployment Insurance Fund equals or is less than eight hundred million dollars ($800,000,000). The collection of the training and reemployment contribution, the assessment of interest and penalties on unpaid contributions under this section, the filing of judgments liens, and the enforcement of the liens for unpaid contributions under this section are governed by the provisions of G.S. 96-10 where applicable.

Training and reemployment contributions collected under this section shall be credited to the Employment Security Commission Training and Employment Account created in this section, and refunds of these contributions shall be paid from the same account. Any
interest or penalties collected on unpaid contributions under this section shall be credited to the Special Employment Security Administration Fund, and any interest or penalties refunded on contributions imposed by this section shall be paid from the same Fund.

(b) Training and Employment Account. -- There is created in the State treasury a special account separate and apart from all other public moneys or funds of this State, to be known as the Employment Security Commission Training and Employment Account. The State Treasurer is ex officio the treasurer and custodian of the Account and shall invest its funds in accordance with law. Any interest or other income derived from the Account shall be credited to the Account. Funds in the Account may be spent only pursuant to appropriation by the General Assembly and in accordance with the line item budget enacted by the General Assembly. The Account is subject to the provisions of the Executive Budget Act, except that no unexpended surplus of the Account shall revert to the General Fund. Funds appropriated from the Account that are unexpended and unencumbered at the end of the fiscal year for which they were appropriated shall revert to the credit of the Account in the State treasury in accordance with G.S. 143-18.

It is the intent of the General Assembly that eighty percent (80%) of the funds in the Account shall be appropriated annually to the Department of Community Colleges to be used for nonrecurring expenditures to provide worker training through improved continuing education, acquisition of modern training equipment, operation of specialized training centers, enhancement of small business center training, expansion of training for new and expanding industries, incentive grants for incumbent worker training, programs funded by the Worker Training Trust Fund, and other programs of the Department of Community Colleges. It is the intent of the General Assembly that twenty percent (20%) of the funds in the Account shall be appropriated annually to the Employment Security Commission for administration and collection of the training and reemployment contribution and for nonrecurring expenditures for reemployment services."

Section 3. G.S. 96-9(c)(4)b. reads as rewritten:

"b. Notwithstanding any other provisions of this section, if the successor employer was an employer subject to this Chapter prior to the date of acquisition of the business, the successor’s rate of contribution for the period from such date to the end of the then current contribution year shall be the same as the successor’s rate in effect on the date of such acquisition. If the successor was not an employer prior to the date of the acquisition of the business, the successor shall be assigned a standard rate of contribution set forth in G.S. 96-9(b)(1) for the remainder of the year in which he acquired the business of the
predecessor; however, if such the successor makes application for the transfer of the account within 60 days after notification by the Commission of his the right to do so and the account is transferred, or meets the requirements for mandatory transfer, he the successor shall be assigned for the remainder of such the year the rate applicable to the predecessor employer or employers on the date of acquisition of the business, provided if there was only one predecessor or if more than one and the predecessors had identical rates. In the event the rates of the predecessor were not identical, the rate of the successor shall be the highest rate applicable to any of the predecessor employers on the date of acquisition of the business.

Irrespective of any other provisions of this Chapter, when an account is transferred in its entirety by an employer to a successor, the transferring employer shall thereafter pay the standard rate of contributions of two and seven-tenths percent (2.7%) and shall continue to pay at such rate until he qualifies for a reduction, reacquires the account he transferred or acquires the experience rating account of another employer, or is subject to an increase in rate under the conditions prescribed in G.S. 96-9(b)(2) and (3). However, when an account is transferred in its entirety by an employer to a successor on or after January 1, 1987, the transferring employer shall thereafter pay the standard beginning rate of contributions of two and twenty-five hundredths percent (2.25%) provided in G.S. 96-9(b)(1) and shall continue to pay at such that rate until he the employer qualifies for a reduction, reacquires the account he transferred or transferred, acquires the experience rating account of another employer, or is subject to an increase in rate under the conditions prescribed in G.S. 96-9(b)(2) and (3)."

Section 4. G.S. 96-9(b)(1) reads as rewritten:
"(b) Rate of Contributions. --
(1) Beginning Rate. -- The standard beginning rate of contributions for an employer is a percentage of wages paid by the employer during a calendar year for employment occurring during that year. The rate is determined in accordance with the following table:

Section 5. G.S. 96-9(b)(3) is amended by adding a new subdivision to read:
The standard contribution rate set by subdivision (b)(1) of this section applies to an employer unless the employer's account has a credit balance. Beginning January 1, 1999, the contribution rate of an employer whose account has a credit balance is determined in accordance with the rate set in the following Experience Rating Formula table for the applicable rate schedule. The contribution rate of an employer whose contribution rate is determined by this Experience Rating Formula table shall be reduced by fifty percent (50%) for any year in which the balance in the Unemployment Insurance Fund equals or exceeds eight hundred million dollars ($800,000,000) on the computation date and the fund ratio determined on that date is less than five percent (5%) and shall be reduced by sixty percent (60%) for any year in which the balance in the Unemployment Insurance Fund equals or exceeds eight hundred million dollars ($800,000,000) on the computation date, and the fund ratio determined on that date is five percent (5%) or more.

H.B. 651 SESSION LAW 1999-323

AN ACT TO ALLOW BRUNSWICK COUNTY TO ASSESS A FIRE PROTECTION FEE.

The General Assembly of North Carolina enacts:

Section 1. Fee-supported fire districts.

Section 1.(a) Request for Fee-Supported District. -- A county may create a fee-supported fire district for insurance grading purposes if it receives one of the following:

(1) A written request to create the district signed by at least two-thirds of the members of the board of directors of a fire department that contracts with the county to provide fire protection within an area of the county.

(2) A petition requesting creation of a district signed by fifteen percent (15%) of the resident freeholders living in an area in the county. The petition must describe the area to be designated as the district.

Section 1.(b) Creation of Fee-Supported District. -- Upon receipt of a request as provided in subsection (a), the county may adopt a resolution establishing a fee-supported fire district and imposing annual fees for the provision of fire protection services within the district. The fee may be established or changed only after the county board of commissioners has received the recommendations of the committee for that district, established under subsection (b1) of this section. The district may not include any area that is within (i) a tax-supported fire district established under Article 3A of Chapter 69 of the General Statutes; (ii) a county service district established under Article 16 of Chapter 153A of the General Statutes for fire protection purposes; or (iii) another fee-supported fire district. The district may not include any area that is within the corporate limits of a municipality unless the governing body of the municipality agrees to the inclusion. However, it is not necessary to obtain the consent of a municipality if the municipality has not levied a tax, performed any official act, nor held any elections within a period of 10 years.
preceding the adoption of the resolution including the area within the district.

Section 1.(b1) Committee for District. -- Each district shall have a committee to allow local control over the fee-setting process. In each district that does not include any territory in a participating municipality, the committee shall consist of five members as follows: The Fire Chief, the member of the board of county commissioners in whose electoral district more than fifty percent (50%) of the land area of the district lies, a community member chosen by the Fire Department Board of Directors, a community member chosen by the board of county commissioners, and the Fire Marshal. In each district that does include any territory in a participating municipality, the committee shall consist of members as follows: The Fire Chief, the mayor of each participating municipality in the district, the member of the board of county commissioners in whose electoral district more than fifty percent (50%) of the land area of the district lies, a community member chosen by the Fire Department Board of Directors, a community member chosen by the board of county commissioners, and the Fire Marshal. In either type of district, the Fire Marshal shall chair the committee, but may vote only to break a tie. The committee shall conduct an inquiry into the amount of funds required by the district to meet its needs, and shall make findings on the issue. The committee will communicate these findings to the board of county commissioners and recommend a fee. The board of county commissioners will then set the fee. The same process shall be used for changes to the fee once established.

Section 1.(c) Fees. -- The fees imposed by the county may not exceed the cost of providing fire protection services within the district and may be imposed on owners of all real property that benefits from the availability of fire protection and on owners of all manufactured or mobile homes that benefit from the availability of fire protection. For the purpose of this section, the term ‘fire protection’ includes furnishing emergency medical, rescue, and ambulance services to protect persons in the district from injury or death. The county shall establish a schedule of fees for different classes of property and the fee for each class of property shall be proportional to the estimated cost of providing fire protection services to that class of property. The schedule of fees shall include the following classes of property and the fee on each class of property shall not exceed the following maximums:

(1) A single-family dwelling or manufactured or mobile home, and appurtenant structures, plus up to five acres of surrounding land. The fee on this class of property may not exceed fifty dollars ($50.00) per site per year.

(2) Unimproved land other than the five acres of land classified as part of a single-family dwelling or manufactured or mobile home. The county may establish a maximum fee for unimproved land of not more than five dollars ($5.00) per year.
(3) An animal production or horticultural operation. The fee on this class of property may not exceed ten dollars ($10.00) per site per year.

(4) A commercial facility other than an animal production or horticultural operation. The fee on this class of property may not exceed fifty dollars ($50.00) per site per year for commercial facilities with structures encompassing less than 5,000 square feet and one hundred dollars ($100.00) per site per year for commercial facilities with structures encompassing 5,000 square feet or more.

(5) A multiple-family dwelling. Each unit in a multiple-family dwelling shall be treated as a single-family dwelling under subdivision (1) of this subsection.

(6) Any other class of property selected by the county. The fee on these classes of property may not exceed fifty dollars ($50.00) per year.

Section 1.(d) Billing of Fees. -- The county may include a fee imposed under this section on the property tax bill for the real property, or the manufactured or mobile home, on which the fee is imposed.

Section 1.(e) Use of Fees. -- The county shall credit the fees collected within the district to a separate fund to be used only to furnish fire protection in the district. The board of commissioners shall administer the fund to provide fire protection by one or more of the following methods:

(1) Contracting with any municipality, any incorporated nonprofit volunteer or community fire department, or the Department of Environment and Natural Resources.

(2) Furnishing fire protection itself if it maintains an organized fire department.

(3) Establishing a fire department in the district.

Section 1.(f) Audit of Fire Department. -- If the county contracts with a fire department to provide fire protection services in a fee-supported fire district, the fire department shall prepare an annual budget based on anticipated revenues and shall submit the budget to the county for processing and approval through the county's regular budget procedure. Upon request of the county, the fire department shall make quarterly or semiannual reports to the county detailing its revenues, expenditures, and activities. The county may audit the fire department's financial records upon reasonable notice to the fire department.

Section 1.(g) Extension of Area of District. -- The county may by resolution annex to any fee-supported fire district any territory that it could include in a new district under subsection (c) of this section, upon finding that:

(1) The area to be annexed is contiguous to the district, with at least one-eighth of the area's aggregate external boundary coincident with the existing boundary of the district; and

(2) The area to be annexed requires the services of the district.
The county may also by resolution annex to any fee-supported fire district any territory it could include in a new district under subsection (c) of this section if seventy-five percent (75%) of the real property owners in the territory to be annexed have petitioned the board of commissioners for annexation to the service district.

The area of any fee-supported fire district may be increased by including within the boundaries of the district any adjoining territory lying within a municipality if the territory is not already included in another fire protection district, and both the municipal governing body and the county commissioners of the county in which the district is located agree by resolution to the inclusion. However, it is not necessary to obtain the consent of a municipality if the municipality has not levied a tax, performed any official act, nor held any elections within a period of 10 years preceding the adoption of the resolution including the area within the district.

Section 1.(h) Annexation of District. -- When any portion of a fee-supported fire district has been annexed by a municipality furnishing fire protection to its citizens, and the municipality has not agreed to allow territory within it to be in the district, then the portion of the district annexed is no longer part of a fee-supported district. For the purposes of this section and regardless of the actual effective date of annexation, the date of annexation shall be considered to be a date in the month of June.

Section 1.(i) Abolition of District. -- Upon finding that there is no longer a need for a given fee-supported fire district, the board of commissioners may repeal the resolution establishing the district and thus abolish the district.

Section 2. This act applies to Brunswick County only.

Section 3. This act is effective when it becomes law.

In the General Assembly read three times and ratified this the 19th day of July, 1999.

Became law on the date it was ratified.

S.B. 953 SESSION LAW 1999-328

AN ACT TO ENACT THE AMBIENT AIR QUALITY IMPROVEMENT ACT OF 1999.

The General Assembly of North Carolina enacts:

Whereas, the Constitution of North Carolina declares that the policy of this State is to conserve and protect State lands and waters for the benefit of all North Carolina citizens and to control and limit air pollution within the State; and

Whereas, the State has enacted comprehensive statutory and regulatory protections for reducing air pollution from stationary sources; and

Whereas, ozone air pollution adversely affects the health and welfare of the citizens of North Carolina through the impairment of lung function and exacerbation of asthma and other diseases of the lung; and

Whereas, visibility at some of the State's places of beauty, such as the Great Smoky Mountains National Park and the Blue Ridge Mountain range, has been impaired by ozone air pollution that is created by the reaction of nitrogen oxides (NOx) and other chemicals in sunlight; and

Whereas, the decentralized system of inspection stations effectively uses a public-private partnership to enforce motor vehicle pollution controls; and

Whereas, gains in motor vehicle pollution control technology have been offset by increased vehicle use, resulting in greater emissions of nitrogen oxides (NOx) and greater ozone air pollution; and

Whereas, the sulfur contained in gasoline impedes the effectiveness of catalytic converters, the devices that reduce the amount of pollution emitted from vehicle tailpipes, thereby degrading the emission control systems of vehicles; and
Whereas, new motor vehicle pollution control technology is more sensitive to the sulfur content of fuels and will require new emissions inspection methods; and

Whereas, reducing emissions of nitrogen oxides (NOx) from motor vehicles by twenty-five percent (25%) within the next 10 years will complement the State's stationary source control strategy; and

Whereas, reducing the growth of vehicle miles traveled in the State by twenty-five percent (25%) within the next 10 years will complement the State's controls of nitrogen oxide (NOx) emissions from stationary sources; and

Whereas, leaking underground storage tanks and tanker trucks release quantities of volatile organic compounds into the air, which mix with nitrogen oxides (NOx) to form ground level ozone; and

Whereas, clean burning fuels, alternative-fueled vehicles, and low emission vehicle usage should be encouraged statewide; and

Whereas, the State must lead the way in combating ground level ozone pollution from motor vehicles through its own purchases and policies; Now, therefore,

PART I. STATEWIDE GOALS

Section 1.1. It shall be the goal of the State to reduce emissions of nitrogen oxides (NOx) from all sources by at least twenty-five percent (25%) by 1 July 2009. It shall be the goal of the State to reduce the growth of vehicle miles traveled in the State by at least twenty-five percent (25%) of that growth that would otherwise occur by 1 July 2009. The Department of Environment and Natural Resources and the Department of Transportation shall evaluate progress toward achieving these goals in each fiscal year and shall report their findings and recommendations as to any measures that may be needed to achieve these goals to the Environmental Review Commission on or before 1 October of each year beginning 1 October 2000.

PART II. SULFUR CONTENT OF MOTOR FUELS

Section 2.1. Article 3 of Chapter 119 of the General Statutes is amended by adding a new section to read:

"§ 119-26.2. Sulfur content standards.
(a) No person shall manufacture, sell, or offer for sale gasoline that contains a concentration of sulfur greater than 30 parts per million except that a person may manufacture, sell, or offer for sale gasoline that contains a concentration of sulfur of not more than 80 parts per million if the average concentration of sulfur in the gasoline manufactured, sold, or offered for sale by that person is 30 parts per million or less. The average concentration of sulfur contained in gasoline shall be determined on the basis of a one-year period established by rule.
(b) The Gasoline and Oil Inspection Board shall adopt rules to implement this section."

Section 2.2. Section 2.1 of this act becomes effective as provided in this section. No later than 1 July 2000, the Governor shall determine whether the United States Environmental Protection Agency has adopted, pursuant to the Notice of Proposed Rulemaking published on 13 May 1999 in the Federal Register, Volume 64, Number 92, Page 26003 et seq., regulations applicable to gasoline manufactured, sold, and offered for sale in this State that limit the sulfur content of gasoline to a concentration equal to or less than the concentration set out in Section 2.1 of this act. If the Governor so determines, the Governor shall issue an Executive Order setting out the date on which Section 2.1 of this act becomes effective, which shall be the date on which the federal regulation becomes effective in this State. Otherwise, Section 2.1 of this act becomes effective 1 January 2004. If the United States Environmental Protection Agency promulgates a regulation that imposes a limit on the concentration of sulfur in gasoline other than that set out in G.S. 119-26.2, as enacted by Section 2.1 of this act, it is the intention of the General Assembly to review the limit established in G.S. 119-26.2. In that event, the Environmental Review Commission shall review the limit on the concentration of sulfur in gasoline and report its findings and recommendations, if any, to the General Assembly.

Section 2.3. G.S. 119-26.1 reads as rewritten:

(a) Rules adopted pursuant to G.S. 143-215.107(a)(9) to regulate the oxygen content of gasoline motor fuels or to require the use of reformulated gasoline shall be implemented by the Department of Agriculture and Consumer Services and the Gasoline and Oil Inspection Board. Such rules shall be implemented within any area specified by the Environmental Management Commission when the Commission certifies to the Commissioner of Agriculture that implementation:

(1) Will improve the ambient air quality within the specified county or counties;

(2) Is necessary to achieve attainment or preclude violations of the National Ambient Air Quality Standards; or

(3) Is otherwise necessary to meet federal requirements.

(b) The Department of Agriculture and Consumer Services and the Gasoline and Oil Inspection Board may adopt rules to implement this section. Rules shall be consistent with the implementation schedule and rules adopted by the Environmental Management Commission.

(c) The Commissioner of Agriculture may assess and collect civil penalties for violations of rules adopted under G.S. 143-215.107(a)(9) or this section in accordance with G.S. 143-215.114A. The Commissioner of Agriculture may institute a civil action for injunctive relief to restrain, abate, or prevent a violation or threatened violation of rules adopted under G.S. 143-215.107(a)(9) or this section in
accordance with G.S. 143-215.114C. The assessment of a civil penalty under this section and G.S. 143-215.114A or institution of a civil action under G.S. 143-215.114C and this section shall not relieve any person from any other penalty or remedy authorized under this Article.

(c1) The clear proceeds of civil penalties assessed pursuant to this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(d) The Commissioner of Agriculture may delegate his powers and duties under this subsection to the Director of the Standards Division of the Department of Agriculture and Consumer Services."

PART III. MOTOR VEHICLE EMISSIONS INSPECTION AND MAINTENANCE

Section 3.1. Article 21B of Chapter 143 of the General Statutes is amended by adding a new section to read:

"§ 143-215.107A. Motor vehicle emissions testing and maintenance program.

(a) General Provisions. --

(1) G.S. 143-215.107(a)(6) shall be implemented as provided in this section.

(2) Motor vehicle emissions inspections shall be performed by a person who holds an emissions inspection mechanic license issued as provided in G.S. 20-183.4A(c) at a station that holds an emissions inspection station license issued under G.S. 20-183.4A(a) or at a place of business that holds an emissions self-inspector license issued as provided in G.S. 20-183.4A(d). Motor vehicle emissions inspections may be performed by a decentralized network of test-and-repair stations as described in 40 Code of Federal Regulations § 51.353 (1 July 1998 Edition). The Commission may not require that motor vehicle emissions inspections be performed by a network of centralized or decentralized test-only stations.

(b) Type of Test Required. -- Motor vehicle emissions inspections shall be performed using the two-mode Acceleration Simulation Mode (ASM) test described in Federal Register, Volume 57, Number 215, (5 November 1992), Pages 52955 to 52996.

(c) Counties Covered. -- Motor vehicle emissions inspections shall be performed only in the following counties: Cabarrus, Durham, Forsyth, Gaston, Guilford, Mecklenburg, Orange, Union, and Wake.

(d) Additional Counties. -- The Commission may require that motor vehicle emissions inspections be performed in counties in addition to those set out in subsection (c) of this section. In determining whether to require that motor vehicle emissions inspections be performed in a county, the Commission may consider the population of, and distribution of population in, the county; the projected change in population of, and distribution of population in,
the county; the number of vehicles registered in the county; the
projected change in the number of vehicles registered in the county;
vehicle miles traveled in the county; the projected change in vehicle
miles traveled in the county; current and projected commuting patterns
in the county; and the current and projected impact of these factors on
attainment of air quality standards in the county and in areas outside
the county. The Commission may not require that motor vehicle
emissions testing be performed in any county with a population of less
than 40,000 based on the most recent population estimates prepared by
the State Planning Officer. The Commission may not require that
motor vehicle emissions testing be performed in any county in which
the number of vehicle miles traveled per day is less than 900,000,
based on the most recent estimates prepared by the Department of
Transportation. In order to disapprove a rule that requires that motor
vehicle emissions inspections be performed in one or more additional
counties, a bill introduced pursuant to G.S. 150B-21.3(b) must amend
subsection (c) of this section to add one or more other counties in
which the total population and vehicle miles traveled per day equal or
exceed the total population and vehicle miles traveled in the county or
counties listed in the rule that the bill would disapprove."

**Section 3.2.** The Environmental Management Commission shall
adopt rules to implement G.S. 143-215.107A(b), as enacted by
Section 3.1 of this act. These rules shall become effective on 1 July
2002. The Environmental Management Commission shall not require
that motor vehicle emissions inspections be performed in any county
pursuant to G.S. 143-215.107A(d), as enacted by Section 3.1 of this
act, prior to 1 July 2006. The Environmental Management
Commission shall not require motor vehicle emissions inspections for
diesel powered vehicles prior to 1 July 2001.

**Section 3.3.** Effective 1 July 2003, G.S. 143-215.7A(c), as
enacted by Section 3.1 of this act, reads as rewritten:

"(c) Motor vehicle emissions inspections shall be performed only
in the following counties: Cabarrus, Catawba, Cumberland, Davidson,
Durham, Forsyth, Gaston, Guilford, Iredell, Johnston, Mecklenburg,
Orange, Rowan, Union, and Wake."

**Section 3.4.** Effective 1 January 2004, G.S. 143-215.7A(c), as
enacted by Section 3.1 of this act and amended by Section 3.3 of this
act, reads as rewritten:

"(c) Motor vehicle emissions inspections shall be performed in the
following counties: Alamance, Cabarrus, Catawba, Chatham,
Cumberland, Davidson, Durham, Forsyth, Franklin, Gaston,
Guilford, Iredell, Johnston, Lee, Lincoln, Mecklenburg, Moore,
Orange, Randolph, Rowan, Stanly, Union, and Wake."

**Section 3.5.** Effective 1 July 2004, G.S. 143-215.7A(c), as
enacted by Section 3.1 of this act and amended by Sections 3.3 and
3.4 of this act, reads as rewritten:

"(c) Motor vehicle emissions inspections shall be performed in the
following counties: Alamance, Buncombe, Cabarrus, Catawba,
Chatham, Cleveland, Cumberland, Davidson, Durham, Forsyth,
Franklin, Gaston, Granville, Guilford, Harnett, Iredell, Johnston, Lee, Lincoln, Mecklenburg, Moore, Orange, Randolph, Rockingham, Rowan, Stanly, Union, and Wake."

Section 3.6. Effective 1 January 2005, G.S. 143-215.7A(c), as enacted by Section 3.1 of this act and amended by Sections 3.3 through 3.5 of this act, reads as rewritten:

"(c) Motor vehicle emissions inspections shall be performed in the following counties: Alamance, Buncombe, Cabarrus, Catawba, Chatham, Cleveland, Cumberland, Davidson, Durham, Edgecombe, Forsyth, Franklin, Gaston, Granville, Guilford, Harnett, Iredell, Johnston, Lee, Lenoir, Lincoln, Mecklenburg, Moore, Nash, Orange, Pitt, Randolph, Robeson, Rockingham, Rowan, Stanly, Union, and Wake. Wake, Wayne, and Wilson."

Section 3.7. Effective 1 July 2005, G.S. 143-215.7A(c), as enacted by Section 3.1 of this act and amended by Sections 3.3 through 3.6 of this act, reads as rewritten:

Section 3.9. Sections 3.3 through 3.8 of this act become effective only if G.S. 20-183.7 is amended to increase the fee for motor vehicle emissions inspections no later than 31 December 2000. G.S. 143-215.107A(b), as enacted by Section 3.1 of this act, and Section 3.2 of this act are repealed effective 1 January 2001 unless, prior to 1 January 2001, G.S. 20-183.7 has been amended to increase the fee for motor vehicle emissions inspection.

Section 3.10. The Department of Environment and Natural Resources, with the assistance of the Division of Motor Vehicles of the Department of Transportation and the affected parties, shall study issues related to costs associated with the motor vehicle emissions inspection and maintenance program. The Department shall determine what constitutes a reasonable fee for motor vehicle
emissions inspections under the current program and under the enhanced program to be implemented pursuant to G.S. 143-215.107A(b), as enacted by Section 3.1 of this act. In determining what constitutes a reasonable fee, the Department shall consider the cost of emissions inspection equipment, the useful life of the equipment, the average period of time during which a purchaser of this equipment is able to amortize this cost, telephone charges incurred in connection with the registration denial program, whether a fee should be charged to reinspect a vehicle that fails an emissions test after repairs to the vehicle have been made, and whether the State should purchase emissions inspection equipment purchased prior to 10 June 1999 for use in the current program but that will be rendered obsolete by the enhanced program. The Department shall report its findings and recommendations to the Environmental Review Commission on or before 1 February 2000. The Environmental Review Commission, with the assistance of the Fiscal Research Division of the Legislative Services Office, shall evaluate these recommendations. The Environmental Review Commission shall recommend legislation to amend G.S. 20-183.7 to increase the fee for motor vehicle emissions inspections to the 2000 Regular Session of the 1999 General Assembly.

Section 3.11. G.S. 20-183.2 reads as rewritten:

"§ 20-183.2. Description of vehicles subject to safety or emissions inspection; definitions.

(a) Safety. -- A motor vehicle is subject to a safety inspection in accordance with this Part if it meets all of the following requirements:

(3) It is not a trailer whose gross weight is less than 4,000 pounds or a house trailer.

(b) Emissions. -- A motor vehicle is subject to an emissions inspection in accordance with this Part if it meets all of the following requirements:

   c. It is offered for rent in an emissions county.
   d. It is a used vehicle offered for sale by a dealer in an emissions county.
e. It is operated on a federal installation located in an emissions county and it is not a tactical military vehicle. Vehicles operated on a federal installation include those that are owned or leased by employees of the installation and are used to commute to the installation and those owned or operated by the federal agency that conducts business at the installation.

f. It is otherwise required by 40 C.F.R. Part 51 to be subject to an emissions inspection.

(c) Definitions. -- The following definitions apply in this Part:

(1) Emissions county. -- A county in which the State either is required by federal law to conduct emissions testing or has agreed in its State Implementation Plan submitted to the federal Environmental Protection Agency to conduct emissions testing. The State listed in G.S. 143-215.107A(c) or designated by the Environmental Management Commission establishes the emissions counties pursuant to rules adopted under G.S. 143-215.107(a)(6) pursuant to G.S. 143-215.107A(d) and certified to the Commissioner of Motor Vehicles as a county in which the implementation of a motor vehicle emissions inspection program will improve ambient air quality.

(2) Federal installation. -- An installation that is owned by, leased to, or otherwise regularly used as the place of business of a federal agency."

Section 3.12. G.S. 143-215.107 reads as rewritten:

(a) Duty to Adopt Plans, Standards, etc. -- The Commission is hereby directed and empowered, as rapidly as possible within the limits of funds and facilities available to it, and subject to the procedural requirements of this Article and Article 21:

(1) To prepare and develop, after proper study, a comprehensive plan or plans for the prevention, abatement and control of air pollution in the State or in any designated area of the State.

(2) To determine by means of field sampling and other studies, including the examination of available data collected by any local, State or federal agency or any person, the degree of air contamination and air pollution in the State and the several areas of the State.

(3) To develop and adopt, after proper study, air quality standards applicable to the State as a whole or to any designated area of the State as the Commission deems proper in order to promote the policies and purposes of this Article and Article 21 most effectively.

(4) To collect information or to require reporting from classes of sources which, in the judgment of the Environmental Management Commission, may cause or contribute to air pollution. Any person operating or responsible for the
operation of air contaminant sources of any class for which the Commission requires reporting shall make reports containing such information as may be required by the Commission concerning location, size, and height of contaminant outlets, processes employed, fuels used, and the nature and time periods or duration of emissions, and such other information as is relevant to air pollution and available or reasonably capable of being assembled.

(5) To develop and adopt emission control standards as in the judgment of the Commission may be necessary to prohibit, abate, or control air pollution commensurate with established air quality standards. The standards may be applied uniformly to the State as a whole or to any area of the State designated by the Commission. This subdivision does not apply to that portion of the National Emission Standards for Hazardous Air Pollutants for asbestos that governs demolition and renovation as set out in 40 C.F.R. § 61.141, 61.145, 61.150, and 61.154 (1 July 1993 edition).

(6) To adopt, when necessary and practicable, a program for testing emissions from motor vehicles and to adopt motor vehicle emission standards in compliance with applicable federal regulations; adopt motor vehicle emissions standards; to adopt, when necessary and practicable, a motor vehicle emissions inspection and maintenance program to improve ambient air quality; to require that motor vehicle emissions be monitored while the vehicle is in operation by means of onboard diagnostic equipment (OBD) installed by the vehicle manufacturer; to require manufacturers of motor vehicles to furnish to the Equipment and Tool Institute and, upon request and at a reasonable charge, to any person who maintains or repairs a motor vehicle, all information necessary to fully make use of the onboard diagnostic equipment and the data compiled by that equipment; to certify to the Commissioner of Motor Vehicles that ambient air quality will be improved by the implementation of a motor vehicle emissions inspection and maintenance program in a county. The Commission shall implement this subdivision as provided in G.S. 143-215.107A.

(7) To develop and adopt standards and plans necessary to implement programs for the prevention of significant deterioration and for the attainment of air quality standards in nonattainment areas.

(8) To develop and adopt standards and plans necessary to implement programs to control acid deposition and to regulate the use of sulfur dioxide allowances and nitrogen oxides (NOx) emissions in accordance with Title IV and
implementing regulations adopted by the United States Environmental Protection Agency.

(9) To regulate the oxygen content of gasoline, motor fuels, as defined in G.S. 119-16, to require use of reformulated gasoline as the Commission determines necessary, to implement the requirements of Title II and implementing regulations adopted by the United States Environmental Protection Agency, and to develop standards and plans to implement this subdivision. Rules adopted under this subdivision may specify standards for a particular area of the State that differ from standards specified for other areas as may be necessary to improve ambient air quality within a particular area, achieve attainment or preclude violations of the National Ambient Air Quality Standards, or to meet other federal requirements. Rules may authorize the use of marketable oxygen credits for gasoline as provided in federal requirements.

(10) To develop and adopt standards and plans necessary to implement requirements of the federal Clean Air Act and implementing regulations adopted by the United States Environmental Protection Agency.

(11) To develop and adopt economically feasible standards and plans necessary to implement programs to control the emission of odors from animal operations, as defined in G.S. 143-215.10B.

(12) To develop and adopt a program of incentives to promote voluntary reductions of emissions of air contaminants, including, but not limited to, emissions banking and trading and credit for voluntary early reduction of emissions.

(13) To develop and adopt rules governing the certification of persons who inspect vehicle-mounted tanks used to transport motor fuel and to require that inspection of these tanks be performed only by certified personnel.

(14) To develop and adopt rules governing the sale and service of mobile source exhaust emissions analyzers and to require that vendors of these analyzers provide adequate surety to purchasers for the performance of the vendor's contractual or other obligations related to the sale and service of analyzers.

(b) Criteria for Standards. -- In developing air quality and emission control standards, motor vehicle emissions standards, motor vehicle emissions inspection and maintenance requirements, rules governing the content of motor fuels or requiring the use of reformulated gasoline, and other standards and plans to improve ambient air quality, the Commission shall recognize consider varying local conditions and requirements and may prescribe uniform standards and plans throughout the State or different standards and plans for different counties or areas as may be necessary and appropriate to
facilitate accomplishment of the stated improve ambient air quality in the State or within a particular county or area, achieve attainment or preclude violations of state or national ambient air quality standards, meet other federal requirements, or achieve the purposes of this Article and Article 21.

(c) Chapter 150B of the General Statutes governs the adoption and publication of rules under this Article."

Section 3.13. G.S. 20-183.8F reads as rewritten:
"§ 20-183.8F. Requirements for giving certain emissions license holders notice of violations and for taking summary action.

(a) Finding of Violation. -- When an auditor of the Division finds that an emissions a violation has occurred that could result in the suspension or revocation of an emissions inspection station license, an emissions a self-inspector license, or an emissions a mechanic license, the auditor must give the affected license holder written notice of the finding. The notice must be given within five business days after the violation occurred. The notice must state the period of suspension or revocation that could apply to the violation and any monetary penalty that could apply to the violation. The notice must also inform the license holder of the right to a hearing if the Division charges the license holder with the violation.

(b) Notice of Charges. -- When the Division decides to charge an emissions inspection station, an emissions a self-inspector, or an emissions a mechanic with a violation that could result in the suspension or revocation of the person's emissions license, an auditor of the Division must deliver a written statement of the charges to the affected license holder. The statement of charges must inform the license holder of this right, instruct the person on how to obtain a hearing, and inform the license holder of the effect of not requesting a hearing. The license holder has the right to a hearing before the license is suspended or revoked. G.S. 20-183.8E sets out the procedure for obtaining a hearing.

(c) Exception for Summary Action. -- The right granted by subsection (b) of this section to have a hearing before an emissions a license is suspended or revoked does not apply if the Division summarily suspends or revokes the license after a judge has reviewed and authorized the proposed action. A license issued to an emissions inspection station, an emissions a self-inspector, or an emissions a mechanic is a substantial property interest that cannot be summarily suspended or revoked without judicial review."

Section 13.14. G.S. 20-183.8G reads as rewritten:
"§ 20-183.8G. Administrative and judicial review.

(a) Right to Hearing. -- A person who applies for a license or registration under this Part or who has a license or registration issued under this Part has the right to a hearing when any of the following occurs:

(1) The Division denies the person's application for a license or registration.
(2) The Division delivers to the person a written statement of charges of an emissions a violation that could result in the suspension or revocation of the person’s emissions license.

(3) The Division summarily suspends or revokes the person’s license following review and authorization of the proposed adverse action by a judge.

(4) The Division assesses a civil penalty against the person.

(5) The Division issues a warning letter to the person.

(6) The Division cancels the person’s registration.

(b) Hearing After Statement of Charges. -- When an emissions a license holder receives a statement of charges of an emissions a violation that could result in the suspension or revocation of the person’s license, the person can obtain a hearing by making a request for a hearing. The person must make the request to the Division within 10 days after receiving the statement of the charges. A person who does not request a hearing within this time limit waives the right to a hearing.

The Division must hold a hearing requested under this subsection within three business days after receiving the request unless the person requesting the hearing asks for additional time to prepare for the hearing. A person may ask for no more than seven additional business days to prepare. If the additional time requested is within this limit, the Division must grant a person the additional time requested. The hearing must be held at the location designated by the Division. Suspension or revocation of the license is stayed until a decision is made following the hearing.

If a person does not request a hearing within the time allowed for making the request, the proposed suspension or revocation becomes effective the day after the time for making the request ends. If a person requests a hearing but does not attend the hearing, the proposed suspension or revocation becomes effective the day after the date set for the hearing.

(c) Hearing After Summary Action. -- When the Division summarily suspends a license issued under this Part after judicial review and authorization of the proposed action, the person whose license was suspended or revoked may obtain a hearing by filing with the Division a written request for a hearing. The request must be filed within 10 days after the person was notified of the summary action. The Division must hold a hearing requested under this subsection within 14 days after receiving the request.

(d) All Other Hearings. -- When this section gives a person the right to a hearing and subsection (b) or (c) of this section does not apply to the hearing, the person may obtain a hearing by filing with the Division a written request for a hearing. The request must be filed within 10 days after the person receives written notice of the action for which a hearing is requested. The Division must hold a hearing within 90 days after the Division receives the request.

(e) Review by Commissioner. -- The Commissioner may conduct a hearing required under this section or may designate a person to
conduct the hearing. When a person designated by the Commissioner holds a hearing and makes a decision, the person who requested the hearing has the right to request the Commissioner to review the decision. The procedure set by the Division governs the review by the Commissioner of a decision made by a person designated by the Commissioner.

(f) Decision. -- A decision made after a hearing on the imposition of a monetary penalty against a motorist for an emissions violation or on a Type I, II, or III emissions violation by an emissions license holder must uphold any monetary penalty, license suspension, license revocation, or warning required by G.S. 20-183.8A or G.S. 20-183.8B, respectively, if the decision contains a finding that the motorist or license holder committed the act for which the monetary penalty, license suspension, license revocation, or warning was imposed. A decision made after a hearing on any other action may uphold or modify the action.

(g) Judicial Review. -- Article 4 of Chapter 150B of the General Statutes governs judicial review of an administrative decision made under this section.”

It shall be the goal of the State that on and after 1 January 2004 at least seventy-five percent (75%) of the new or replacement light duty cars and trucks purchased by the State will be alternative-fueled vehicles or low emission vehicles. The Department of Administration, the Department of Transportation, and the Department of Environment and Natural Resources shall jointly develop a plan to achieve this goal and to fuel and maintain these vehicles. The Department of Administration shall report on progress in developing and implementing this plan and achieving this goal to the Environmental Review Commission on 1 September of each year beginning 1 September 2000. For purposes of this section, a light duty car or truck is one that is rated at 8,500 pounds or less Gross Vehicle Weight Rating (GVWR).

Section 4.3. The Department of Public Instruction, the Department of Transportation, and the Department of Environment and Natural Resources shall jointly develop a draft plan for the purchase of school buses under which, beginning 1 January 2004, at least fifty percent (50%) of the new and replacement public school
buses purchased for use in counties with a population of at least 100,000, based on the most recent population estimates prepared by the Office of State Planning, will be alternative-fueled or low emission vehicles. These departments shall invite interested parties to participate in the development of the draft plan. The draft plan will consider the infrastructure requirements that would be needed to fuel and maintain these buses and the costs and benefits of implementation of the plan, including the impact on ambient air quality. The Department of Public Instruction shall submit the draft plan to the Environmental Review Commission on or before 1 September 2000.

**Section 4.4.** The Department of Transportation and the Department of Environment and Natural Resources shall jointly develop a draft plan for the purchase of buses under which, beginning 1 January 2004, at least fifty percent (50%) of the new and replacement buses purchased to provide public transportation in counties in which motor vehicle emissions inspections are required to be performed under subsection (c) or (d) of G.S. 143-215.107A will be alternative-fueled or low emission vehicles. These departments shall invite interested parties to participate in the development of the draft plan. The draft plan will consider the infrastructure requirements that would be needed to fuel and maintain these buses and the costs and benefits of implementation of the plan, including the impact on ambient air quality. The Department of Transportation shall submit the draft plan to the Environmental Review Commission on or before 1 September 2000.

**Section 4.5.** The Department of Transportation, the Department of Commerce, and the Department of Environment and Natural Resources shall jointly develop recommendations for incentives to increase the use of alternative-fueled and low emission light duty cars and trucks in privately owned fleets. The Department of Environment and Natural Resources shall submit these recommendations to the Environmental Review Commission on or before 1 February 2000. The Department of Environment and Natural Resources shall report on progress in increasing the use of alternative-fueled and low emission light duty cars and trucks in privately owned fleets to the Environmental Review Commission on or before 1 October of each year beginning 1 October 2001.

**Section 4.6.** The Department of Administration, the Office of State Personnel, the Department of Transportation, and the Department of Environment and Natural Resources shall jointly develop and periodically update a plan to reduce vehicle miles traveled by State employees and vehicle emissions resulting from job-related travel, including commuting to and from work. The plan shall consider the use of carpooling, vanpooling, public transportation, incentives, and other appropriate strategies. The Office of State Personnel shall report on the development and implementation of the plan to the Joint Legislative Transportation Oversight Committee and the Environmental Review Commission on or before 1 October of each year beginning 1 October 2000.
Section 4.7. The Department of Transportation, the Department of Commerce, and the Department of Environment and Natural Resources shall jointly develop and periodically update a plan to reduce vehicle miles traveled by private sector employees and vehicle emissions resulting from job-related travel, including commuting to and from work. The plan shall consider the use of incentives for both private sector employees and employers, carpooling, vanpooling, public transportation, and other appropriate strategies. The Department of Transportation shall report on the development and implementation of the plan to the Joint Legislative Transportation Oversight Committee and the Environmental Review Commission on or before 1 October of each year beginning 1 October 2000.

Section 4.8. The Office of State Personnel shall implement a policy that promotes telework/telecommuting for State employees as recommended by the report of the State Auditor entitled "Establishing a Formal Telework/Telecommuting Program for State Employees" and dated October 1997. It shall be the goal of the State to reduce State employee vehicle miles traveled in commuting by twenty percent (20%) without reducing total work hours or productivity. The Office of State Personnel shall report on progress in implementing this section to the Environmental Review Commission on or before 1 October of each year beginning 1 October 2000.

Section 4.9. The Environmental Management Commission shall initiate rule making to regulate the emissions of nitrogen oxides (NOx) from complex sources pursuant to G.S. 143-215.109 no later than 1 October 1999. The Environmental Management Commission shall report on the progress of this rule making as a part of each quarterly report the Commission makes to the Environmental Review Commission pursuant to G.S. 143B-282(b).

The Department shall select two counties located in a part of the State that has a high concentration of swine farms to participate in this pilot program. In addition, Brunswick County shall be added to the program. Notwithstanding G.S. 143-215.10F, the Division of Soil and Water Conservation of the Department of Environment and Natural Resources shall conduct inspections of all animal operations that are subject to a permit under Part 1A of Article 21 of Chapter 143 of the General Statutes in these two counties at least once a year to determine whether any animal waste management system is causing a violation of water quality standards and whether the system is in compliance with its animal waste management plan or any other condition of the permit. The personnel of the Division of Soil and Water Conservation who are to conduct these inspections in each of these two counties shall be located in an office in the county in which that person will be conducting inspections. As part of this pilot program, the Department of Environment, Health, Environment and Natural Resources shall establish procedures whereby resources within the local Soil and Water Conservation Districts serving the two counties are used for the quick response of to complaints and reported problems
previously referred only to the Division of Water Quality. Quality of the Department of Environment and Natural Resources."

Section 3.2. The two counties that were selected for the pilot program pursuant to Section 15.4(a) of S.L. 1997-443, Columbus County and Jones County, shall remain in the pilot program. In addition, Brunswick County shall be added to the program.

These reports shall indicate whether the pilot program has increased the effectiveness of the annual inspections program or the response to complaints and reported problems, specifically whether the pilot program had resulted in identifying violations earlier, taking corrective actions earlier, increasing compliance with the animal waste management plans and permit conditions, improving the time to respond to discharges, complaints, and reported problems, improving communications between farmers and Department employees, and any other consequences deemed pertinent by the Department. The final report shall include a recommendation as to whether to continue or expand the pilot program under this act. The Environmental Review Commission may recommend to the 2001 General Assembly whether to continue or expand the pilot program under this act and may make any related legislative proposals.

2. "Lagoon" means a lagoon, as defined in G.S. 106-802, that is a component of an animal waste management system that serves an animal operation.

Section 4.2. The Department of Environment and Natural Resources shall develop an inventory of all inactive lagoons. The Department shall rank each inactive lagoon on the inventory based on the extent to which the lagoon constitutes a threat to public health, the environment, or the State's natural resources. The Department shall submit this inventory to the Environmental Review Commission on or before 1 March 2000.

The Secretary may assess a civil penalty of more than ten thousand dollars ($10,000) or, in the case of a continuing violation, more than ten thousand dollars ($10,000) per
day for so long as the violation continues, for a violation of subdivision (4) of subsection (a) of this section only if the Secretary determines that the violation is intentional.

(c) In determining the amount of the penalty the Secretary shall consider the factors set out in G.S. 143B-282.1(b). The procedures set out in G.S. 143B-282.1 shall apply to civil penalty assessments that are presented to the Commission for final agency decision.

(d) The Secretary shall notify any person assessed a civil penalty of the assessment and the specific reasons therefor by registered or certified mail, or by any means authorized by G.S. 1A-1, Rule 4. Contested case petitions shall be filed within 30 days of receipt of the notice of assessment.

(e) Consistent with G.S. 143B-282.1, a civil penalty of not more than ten thousand dollars ($10,000) per month may be assessed by the Commission against any local government that fails to adopt a local water supply watershed protection program as required by G.S. 143-214.5, or willfully fails to administer or enforce the provisions of its program in substantial compliance with the minimum statewide water supply watershed management requirements. No such penalty shall be imposed against a local government until the Commission has assumed the responsibility for administering and enforcing the local water supply watershed protection program. Civil penalties shall be imposed pursuant to a uniform schedule adopted by the Commission. The schedule of civil penalties shall be based on acreage and other relevant cost factors and shall be designed to recoup the costs of administration and enforcement.

(f) Requests for remission of civil penalties shall be filed with the Secretary. Remission requests shall not be considered unless made within 30 days of receipt of the notice of assessment. Remission requests must be accompanied by a waiver of the right to a contested case hearing pursuant to Chapter 150B and a stipulation of the facts on which the assessment was based. Consistent with the limitations in G.S. 143B-282.1(c) and (d), remission requests may be resolved by the Secretary and the violator. If the Secretary and the violator are unable to resolve the request, the Secretary shall deliver remission requests and his recommended action to the Committee on Civil Penalty Remissions of the Environmental Management Commission appointed pursuant to G.S. 143B-282.1(c).

(g) If any civil penalty has not been paid within 30 days after notice of assessment has been served on the violator, the Secretary shall request the Attorney General to institute a civil action in the Superior Court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment, unless the violator contests the assessment as provided in subsection (d) of this section, or requests remission of the assessment in whole or in part as provided in subsection (f) of this section. If any civil penalty has not been paid within 30 days after the final agency decision or court order has been served on the violator, the Secretary shall request the Attorney General to institute a civil action in the
Superior Court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment. Such civil actions must be filed within three years of the date the final agency decision or court order was served on the violator.

(h1) The clear proceeds of civil penalties assessed by the Secretary or the Commission pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(i) As used in this subsection, 'municipality' refers to any unit of local government which operates a wastewater treatment plant. As used in this subsection, 'unit of local government' has the same meaning as in G.S. 130A-290. The provisions of this subsection shall apply whenever a municipality that operates a wastewater treatment plant with an influent bypass diversion structure and with a permitted discharge of 10 million gallons per day or more into any of the surface waters of the State that have been classified as nutrient sensitive waters (NSW) under rules adopted by the Commission is subject to a court order which specifies (i) a schedule of activities with respect to the treatment of wastewater by the municipality; (ii) deadlines for the completion of scheduled activities; and (iii) stipulated penalties for failure to meet such deadlines. A municipality as specified herein that violates any provision of such order for which a penalty is stipulated shall pay the full amount of such penalty as provided in the order unless such penalty is modified, remitted, or reduced by the court.

(j) Local governments certified and approved to administer and enforce pretreatment programs by the Commission pursuant to G.S. 143-215.3(a)(14) may assess civil penalties for violations of their respective programs in accordance with the powers conferred upon the Commission and the Secretary in this section, except that actions for collection of unpaid civil penalties shall be referred to the attorney representing the assessing local government. The total of the civil penalty assessed by a local government and the civil penalty assessed by the Secretary for any violation may not exceed the maximum civil penalty for such violation under this section.

(k) A person who has been assessed a civil penalty by a local government as provided by subsection (j) of this section may request a review of the assessment by filing a request for review with the local government within 30 days of the date the notice of assessment is received. If a local ordinance provides for a local administrative hearing, the hearing shall afford minimum due process including an unbiased hearing official. The local government shall make a final decision on the request for review within 90 days of the date the request for review is filed. The final decision on a request for review shall be subject to review by the superior court pursuant to Article 27 of Chapter 1 of the General Statutes. If the local ordinance does not
provide for a local administrative hearing, a person who has been assessed a civil penalty by a local government as provided by subsection (j) of this section may contest the assessment by filing a civil action in superior court within 60 days of the date the notice of assessment is received."

(3) Hearing by the Department of Environment and Natural Resources or the Local Government Commission. — A public hearing may be held by the Department of Environment and Natural Resources or the Local Government Commission at any time on any application. Public hearings may also be held by the Department of Environment and Natural Resources in its discretion upon written request from any citizen or taxpayer who is a resident of the county or counties in which the project is to be located or a resident of the local government unit that proposes to borrow moneys under this act, if it appears that the public interest will be served by the hearing. The written request shall set forth each objection to the proposed
project or other reason for requesting a hearing on the application and shall contain the name and address of the persons submitting it. In deciding whether to grant a request for a hearing on an application, the Department of Environment and Natural Resources may consider the application, the written objections to the proposed project, and the facility needs and shall determine if the public interest will be served by a hearing. The determination by the Department of Environment and Natural Resources shall be conclusive, and all written requests for a hearing shall be retained as a permanent part of the records pertaining to the application.

(4) Petition for Vote. -- A petition, demanding that the question of whether to enter into a loan agreement with the State under this act be submitted to voters, may be filed with the clerk of the local government unit applying for the loan within 15 days after the public hearing required by this section, section and prior to the disbursement of loan funds under subsection (e) of this section. "§ 20-17.7. Commercial motor vehicle out-of-service fines authorized.
The Commissioner may adopt rules implementing fines for violation of out-of-service criteria as defined in 49 C.F.R. § 390.5. These fines may not exceed the schedule of fines adopted by the Commercial Motor Vehicle Safety Alliance that is in effect on the date of the violations."

Section 2. Chapter 20 of the General Statutes is amended by adding a new section to read:

"§ 20-138.2C. Possession of alcoholic beverages while operating a commercial motor vehicle.
A person commits the offense of operating a commercial motor vehicle while possessing alcoholic beverages if the person drives a commercial motor vehicle, as defined in G.S. 20-4.01(3d), upon any highway, any street, or any public vehicular area within the State while having an open or closed alcoholic beverage in the passenger area of the commercial motor vehicle. This section shall not apply to the driver of a commercial motor vehicle that is also an excursion passenger vehicle, a for-hire passenger vehicle, a common carrier of passengers, or a motor home, if the alcoholic beverage is in possession of a passenger or is in the passenger area of the vehicle."
Section 3. G.S. 20-141(j2) reads as rewritten:

"(j2) A person who drives a motor vehicle in a highway work zone at a speed greater than the speed limit set and posted under G.S. 20-141 is responsible for an infraction of "Speeding in a Highway Work Zone" and this section shall be required to pay a penalty of not less than one hundred dollars ($100.00), but not more than two hundred fifty dollars ($250.00). This penalty shall be imposed in addition to those penalties established in this Chapter. This subsection applies only if a sign posted at the beginning of the highway work zone states the penalty for speeding in the work zone. The Secretary shall ensure that work zones shall only be posted with penalty signs if the Secretary determines, after engineering review, that the posting is necessary to ensure the safety of the traveling public due to a hazardous condition.

A law enforcement officer issuing a citation for a violation of this section while in a highway work zone shall indicate the vehicle speed and speed limit posted in the work zone. Upon an individual's conviction of a violation of this section while in a highway work zone, the clerk of court shall report that the vehicle was in a work zone at the time of the violation, the vehicle speed, and the speed limit of the work zone to the Division of Motor Vehicles."

HOME LOANS, TO REVISE THE PERMISSIBLE FEES AND

The General Assembly of North Carolina enacts:

Section 1. G.S. 24-1.1A reads as rewritten:
"§ 24-1.1A. Contract rates on home loans secured by first mortgages or
first deeds of trust.

(a) Notwithstanding any other provision of this Chapter, Chapter,
but subject to the provisions of G.S. 24-1.1E, parties to a home loan
may contract in writing as follows:

(1) Where the principal amount is ten thousand dollars
($10,000) or more the parties may contract for the payment of
interest as agreed upon by the parties;

(2) Where the principal amount is less than ten thousand dollars
($10,000) the parties may contract for the payment of
interest as agreed upon by the parties, if the lender is either
(i) approved as a mortgagee by the Secretary of Housing and
Urban Development, the Federal Housing Administration, the
Veterans Administration, Department of Veterans
Affairs, a national mortgage association or any federal agency; or (ii) a local or foreign bank, savings and loan association or service corporation wholly owned by one or more savings and loan associations and permitted by law to make home loans, credit union or insurance company; or (iii) a State or federal agency;

(3) Where the principal amount is less than ten thousand dollars ($10,000) and the lender is not a lender described in the preceding subdivision (2) the parties may contract for the payment of interest not in excess of sixteen percent (16%) per annum.

(4) Notwithstanding any other provision of law, where the lender is an affiliate operating in the same office or subsidiary operating in the same office of a licensee under the North Carolina Consumer Finance Act, the lender may charge interest to be computed only on the following basis: monthly on the outstanding principal balance at a rate not to exceed the rate provided in this subdivision.

On the fifteenth day of each month, the Commissioner of Banks shall announce and publish the maximum rate of interest permitted by this subdivision. Such rate shall be the latest published noncompetitive rate for U.S. Treasury bills with a six-month maturity as of the fifteenth day of the month plus six percent (6%), rounded upward or downward, as the case may be, to the nearest one-half of one percent (1/2 of 1%) or fifteen percent (15%), whichever is greater. If there is no nearest one-half of one percent (1/2 of 1%), the Commissioner shall round downward to the lower one-half of one percent (1/2 of 1%). The rate so announced shall be the maximum rate permitted for the term of loans made under this section during the following calendar month when the parties to such loans have agreed that the rate of interest to be charged by the lender and paid by the borrower shall not vary or be adjusted during the term of the loan. The parties to a loan made under this section may agree to a rate of interest which shall vary or be adjusted during the term of the loan in which case the maximum rate of interest permitted on such loans during a month during the term of the loan shall be the rate announced by the Commissioner in the preceding calendar month.

An affiliate operating in the same office or subsidiary operating in the same office of a licensee under the North Carolina Consumer Finance Act may not make a home loan for a term in excess of six (6) months which provides for a balloon payment. For purposes of this subdivision, a balloon payment means any scheduled payment that is more than twice as large as the average of earlier scheduled payments. This subsection does not apply to equity lines of credit as defined in G.S. 45-81.
(b) No prepayment fees shall be contracted by the borrower and lender with respect to any home loan where the principal amount borrowed is one hundred thousand dollars ($100,000) or less; otherwise a lender and a borrower may agree on any terms as to the prepayment of a home loan. Except as provided in subdivision (1) of this subsection, a lender and a borrower may agree on any terms as to the prepayment of a home loan.

(1) No prepayment fees or penalties shall be contracted by the borrower and lender with respect to any home loan in which: (i) the principal amount borrowed is one hundred fifty thousand dollars ($150,000) or less, (ii) the borrower is a natural person, (iii) the debt is incurred by the borrower primarily for personal, family, or household purposes, and (iv) the loan is secured by a first mortgage or first deed of trust on real estate upon which there is located or there is to be located a structure or structures designed principally for occupancy of from one to four families which is or will be occupied by the borrower as the borrower's principal dwelling.

(2) The limitations on prepayment fees and penalties contained in subdivision (b)(1) of this section shall not apply to the extent state law limitations on prepayment fees and penalties are preempted by federal law or regulation.

(c) Except as limited by subsection (b) above, a lender may charge to the borrower the fees described in G.S. 24-10. Provided, if the loan is one described in subsection (a)(1) or subsection (a)(2) above, the parties may agree to the payment of discount points, commitment fees, finance charges, or other similar charges agreed upon by the parties notwithstanding the provisions of any state law limiting the amount of discount points, commitment fees, finance charges or other similar charges which may be charged, taken, received or reserved with respect to a home loan. Provided further, that no lender on loans under G.S. 24-1.1A(a)(3) may charge or receive any fees or discount points other than the interest permitted in G.S. 24-1.1A(a)(3). If the home loan is one described in subdivision (a)(1) or subdivision (a)(2) of this section, the lender may charge the borrower the following fees and charges in addition to interest and other fees and charges as permitted in this section and late payment charges as permitted in G.S. 24-10.1:

(1) At or before loan closing, the lender may charge such of the following fees and charges as may be agreed upon by the parties notwithstanding the provisions of any State law, other than G.S. 24-1.1E, limiting the amount of such fees or charges:
   a. Loan application, origination, and commitment fees;
   b. Discount points, but only to the extent the discount points are paid for the purpose of reducing, and in fact result in a bona fide reduction of the interest rate or time-price differential;
c. Assumption fees to the extent permitted by G.S. 24-10(d);

d. Appraisal fees to the extent permitted by G.S. 24-10(h);

e. To the extent permitted by G.S. 24-8(d), sums for the payment of bona fide loan-related goods, products, and services provided or to be provided by third parties and sums for the payment of taxes, filing fees, recording fees, and other charges, and fees paid or to be paid to public officials; and

f. Additional fees and charges, however denominated, payable to the lender which, in the aggregate, do not exceed the greater of (i) one quarter of one percent (1/4 of 1%) of the principal amount of the loan, or (ii) one hundred fifty dollars ($150.00).

(2) Except as provided in subsection (g) of this section with respect to the deferral of loan payments, upon modification, renewal, extension, or amendment of any of the terms of a home loan, the lender may charge such of the following fees and charges as may be agreed upon by the parties notwithstanding the provisions of any State law, other than G.S. 24-1.1E, limiting the amount of such fees or charges:

a. Discount points, but only to the extent the discount points are paid for the purpose of reducing, and in fact result in a bona fide reduction of, the interest rate or time-price differential;

b. Assumption fees to the extent permitted by G.S. 24-10(d);

c. Appraisal fees to the extent permitted by G.S. 24-10(h);

d. To the extent permitted by G.S. 24-8(d), sums for the payment of bona fide loan-related goods, products, and services provided or to be provided by third parties and sums for the payment of taxes, filing fees, recording fees, and other charges, and fees paid or to be paid to public officials; and

e. Additional fees and charges, however denominated, payable to the lender which, in the aggregate, do not exceed the greater of (i) one quarter of one percent (1/4 of 1%) of the balance outstanding at the time of the modification, renewal, extension, or amendment of terms, or (ii) one hundred fifty dollars ($150.00). The fees and charges permitted by this sub-subdivision may be charged only pursuant to a written agreement which states the amount of the fee or charge and is made at the time of the specific modification, renewal, extension, or amendment, or at the time the specific modification, renewal, extension, or amendment is requested.

(c1) No lender on home loans under subdivision (a)(3) of this section may charge or receive any interest, fees, charges, or discount points other than: (i) to the extent permitted by G.S. 24-8(d), sums
for the payment of bona fide loan-related goods, products, and services provided or to be provided by third parties and sums for the payment of taxes, filing fees, recording fees, and other charges and fees, paid or to be paid to public officials; (ii) interest as permitted in subdivision (a)(3) of this section; and (iii) late payment charges to the extent permitted by G.S. 24-10.1.

(c2) No lender on home loans under subdivision (a)(4) of this section may charge or receive any interest, fees, charges, or discount points other than: (i) the fees described in G.S. 24-10; (ii) to the extent permitted by G.S. 24-8(d), sums for the payment of bona fide loan-related goods, products, and services provided or to be provided by third parties and sums for the payment of taxes, filing fees, recording fees, and other charges and fees, paid or to be paid to public officials; (iii) interest as permitted in subdivision (a)(4) of this section; and (iv) late payment charges to the extent permitted by G.S. 24-10.1.

(d) The loan or investments regulated by G.S. 53-45 shall not be subject to the provisions of this section.

(e) The term "home loan" shall mean a loan loan, other than an open-end credit plan, where the principal amount is less than three hundred thousand dollars ($300,000) secured by a first mortgage or first deed of trust on real estate upon which there is located or there is to be located one or more single-family dwellings or dwelling units.

(f) Any home loan obligation existing before June 13, 1977, shall be construed with regard to the law existing at the time the home loan or commitment to lend was made and this act shall only apply to home loans or loan commitments made from and after June 13, 1977; provided, however, that variable rate home loan obligations executed prior to April 3, 1974, which by their terms provide that the interest rate shall be decreased and may be increased in accordance with a stated cost of money formula or other index shall be enforceable according to the terms and tenor of said written obligations.

(g) The parties to a home loan governed by G.S. 24-1.1A(a), (1) or (2) subdivision (a)(1) or (2) of this section may contract in writing to defer payments of interest, the payment of all or part of one or more unpaid installments and for payment of interest on deferred interest as agreed upon by the parties. The parties may agree in writing that said deferred interest may be added to the principal balance of the loan. This subsection shall not be construed to limit payment of interest upon interest in connection with other types of loans. Except as restricted by G.S. 24-1.1E, the lender may charge deferral fees as may be agreed upon by the parties to defer the payment of one or more unpaid installments. If the home loan is of a type described in subdivision (1) of this subsection, the deferral fees shall be subject to the limitations set forth in subdivision (2) of this subsection:

1. A home loan will be subject to the deferral fee limitations set forth in subdivision (2) of this subsection if:
   a. The borrower is a natural person;
b. The debt is incurred by the borrower primarily for personal, family, or household purposes; and
c. The loan is secured by a first mortgage or first deed of trust on real estate upon which there is located or there is to be located a structure or structures designed principally for occupancy of from one to four families which is or will be occupied by the borrower as the borrower’s principal dwelling.

(2) Deferral fees for home loans identified in subdivision (1) of this subsection shall be subject to the following limitations:

a. Deferral fees may be charged only pursuant to an agreement which states the amount of the fee and is made at the time of the specific deferral or at the time the specific deferral is requested; provided, that if the agreement relates to an installment which is then past due for 15 days or more, the agreement must be in writing and signed by at least one of the borrowers. For purposes of this subdivision an agreement will be considered a signed writing if the lender receives from at least one of the borrowers a facsimile or computer-generated message confirming or otherwise accepting the agreement.

b. Deferral fees may not exceed the greater of five percent (5%) of each installment deferred or fifty dollars ($50.00), multiplied by the number of complete months in the deferral period. A month shall be measured from the date an installment is due. The deferral period is that period during which no payment is required or made as measured from the date on which the deferred installment would otherwise have been due to the date the next installment is due under the terms of the note or the deferral agreement.

c. If a deferral fee has once been imposed with respect to a particular installment, no deferral fee may be imposed with respect to any future payment which would have been timely and sufficient but for the previous deferral.

d. If a deferral fee is charged pursuant to a deferral agreement, a late charge may be imposed with respect to the deferred payment only if the amount deferred is not paid when due under the terms of the deferral agreement and no new deferral agreement is entered into with respect to that installment.

e. No lender may charge a deferral fee for modifying or extending the maturity date of a loan or the date a balloon payment is due; provided, however, that any such modification or extension of the loan maturity date or the date a balloon payment is due shall, to the extent applicable, be considered a modification or extension
subject to the provisions of subdivision (c)(2) of this section.

(h) The parties to a home loan governed by G.S. 24-1.1A(a)(1) or (2) subdivision (a)(1) or (2) of this section may agree in writing to a mortgage or deed of trust which provides that periodic payments may be graduated during parts of or over the entire term of the loan. The parties to such a loan may also agree in writing to a mortgage or deed of trust which provides that periodic disbursements of part of the loan proceeds may be made by the lender over a period of time agreed upon by the parties, or over a period of time agreed upon by the parties ending with the death of the borrower(s). Such mortgages or deeds of trust may include provisions for adding deferred interest to principal or otherwise providing for charging of interest on deferred interest as agreed upon by the parties. This subsection shall not be construed to limit other types of mortgages or deeds of trust or methods or plans of disbursement or repayment of loans that may be agreed upon by the parties.

(i) Nothing in this section shall be construed to authorize or prohibit a lender, a borrower, or any other party to pay compensation to a mortgage broker or a mortgage banker for services provided by the mortgage broker or the mortgage banker in connection with a home loan."

Section 2. Chapter 24 of the General Statutes is amended by adding a new section to read:

(6) 'Thresholds' means:

a. Without regard to whether the loan transaction is or may be a 'residential mortgage transaction' (as the term 'residential mortgage transaction' is defined in section 226.2(a)(24) of Title 12 of the Code of Federal Regulations, as amended from time to time), the annual percentage rate of the loan at the time the loan is consummated is such that the loan is considered a 'mortgage' under section 152 of the Home Ownership and Equity Protection Act of 1994 (Pub. Law 103-25, [15 U.S.C. § 1602(aa)]), as the same may be amended from time to time, and regulations adopted pursuant thereto by the Federal Reserve Board, including section 226.32 of Title 12 of the Code of Federal Regulations, as the same may be amended from time to time;

b. The total points and fees payable by the borrower at or before the loan closing exceed (i) five percent (5%) of the total loan amount if the total loan amount is twenty thousand dollars ($20,000) or more, or (ii) the lesser of eight percent (8%) of the total loan amount or one thousand dollars ($1,000), if the total loan amount is less than twenty thousand dollars ($20,000); provided, the following discount points and prepayment fees and penalties shall be excluded from the calculation of the total points and fees payable by the borrower:

1. Up to and including two bona fide loan discount points payable by the borrower in connection with the loan transaction, but only if the interest rate from which the loan's interest rate will be discounted does not exceed by more than one percentage point (1%) the required net yield for a 90-day standard mandatory delivery commitment for a reasonably comparable loan from either the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, whichever is greater;

2. Up to and including one bona fide loan discount point payable by the borrower in connection with the loan transaction, but only if the interest rate from which the loan's interest rate will be discounted does not exceed by more than two percentage points (2%) the required net yield for a 90-day standard mandatory delivery commitment for a reasonably comparable loan from either the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, whichever is greater;
3. Prepayment fees and penalties which may be charged or collected under the terms of the loan documents which do not exceed one percent (1%) of the amount prepaid, provided the loan documents do not permit the lender to charge or collect any prepayment fees or penalties more than 30 months after the loan closing; or

c. The loan documents permit the lender to charge or collect prepayment fees or penalties more than 30 months after the loan closing or which exceed, in the aggregate, more than two percent (2%) of the amount prepaid.

(7) 'Total loan amount' means the same as the term ‘total loan amount’ as used in section 226.32 of Title 12 of the Code of Federal Regulations, and the same shall be calculated in accordance with the Federal Reserve Board’s Official Staff Commentary thereto.

(b) Limitations. -- A high-cost home loan shall be subject to the following limitations:

(1) No call provision. -- No high-cost home loan may contain a provision which permits the lender, in its sole discretion, to accelerate the indebtedness. This provision does not apply when repayment of the loan has been accelerated by default, pursuant to a due-on-sale provision, or pursuant to some other provision of the loan documents unrelated to the payment schedule.

(2) No balloon payment. -- No high-cost home loan may contain a scheduled payment that is more than twice as large as the average of earlier scheduled payments. This provision does not apply when the payment schedule is adjusted to the seasonal or irregular income of the borrower.

(3) No negative amortization. -- No high-cost home loan may contain a payment schedule with regular periodic payments that cause the principal balance to increase.

(4) No increased interest rate. -- No high-cost home loan may contain a provision which increases the interest rate after default. This provision does not apply to interest rate changes in a variable rate loan otherwise consistent with the provisions of the loan documents, provided the change in the interest rate is not triggered by the event of default or the acceleration of the indebtedness.

(5) No advance payments. -- No high-cost home loan may include terms under which more than two periodic payments required under the loan are consolidated and paid in advance from the loan proceeds provided to the borrower.

(6) No modification or deferral fees. -- A lender may not charge a borrower any fees to modify, renew, extend, or amend a high-cost home loan or to defer any payment due under the terms of a high-cost home loan.
(c) Prohibited Acts and Practices. -- The following acts and practices are prohibited in the making of a high-cost home loan:

(1) No lending without home-ownership counseling. -- A lender may not make a high-cost home loan without first receiving certification from a counselor approved by the North Carolina Housing Finance Agency that the borrower has received counseling on the advisability of the loan transaction and the appropriate loan for the borrower.

(2) No lending without due regard to repayment ability. -- As used in this subsection, the term 'obligor' refers to each borrower, co-borrower, cosigner, or guarantor obligated to repay a loan. A lender may not make a high-cost home loan unless the lender reasonably believes at the time the loan is consummated that one or more of the obligors, when considered individually or collectively, will be able to make the scheduled payments to repay the obligation based upon a consideration of their current and expected income, current obligations, employment status, and other financial resources (other than the borrower's equity in the dwelling which secures repayment of the loan). An obligor shall be presumed to be able to make the scheduled payments to repay the obligation if, at the time the loan is consummated, the obligor's total monthly debts, including amounts owed under the loan, do not exceed fifty percent (50%) of the obligor's monthly gross income as verified by the credit application, the obligor's financial statement, a credit report, financial information provided to the lender by or on behalf of the obligor, or any other reasonable means; provided, no presumption of inability to make the scheduled payments to repay the obligation shall arise solely from the fact that, at the time the loan is consummated, the obligor's total monthly debts (including amounts owed under the loan) exceed fifty percent (50%) of the obligor's monthly gross income.

(3) No financing of fees or charges. -- In making a high-cost home loan, a lender may not directly or indirectly finance:
   a. Any prepayment fees or penalties payable by the borrower in a refinancing transaction if the lender or an affiliate of the lender is the noteholder of the note being refinanced;
   b. Any points and fees; or
   c. Any other charges payable to third parties.

(4) No benefit from refinancing existing high-cost home loan with new high-cost home loan. -- A lender may not charge a borrower points and fees in connection with a high-cost home loan if the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan held by the same lender as noteholder.
(5) Restrictions on home-improvement contracts. -- A lender may not pay a contractor under a home-improvement contract from the proceeds of a high-cost home loan other than (i) by an instrument payable to the borrower or jointly to the borrower and the contractor, or (ii) at the election of the borrower, through a third-party escrow agent in accordance with terms established in a written agreement signed by the borrower, the lender, and the contractor prior to the disbursement.

(d) Unfair and Deceptive Acts or Practices. -- Except as provided in subsection (e) of this section, the making of a high-cost home loan which violates any provisions of subsection (b) or (c) of this section is hereby declared usurious in violation of the provisions of this Chapter and unlawful as an unfair or deceptive act or practice in or affecting commerce in violation of the provisions of G.S. 75-1.1. The provisions of this section shall apply to any person who in bad faith attempts to avoid the application of this section by (i) the structuring of a loan transaction as an open-end credit plan for the purpose and with the intent of evading the provisions of this section when the loan would have been a high-cost home loan if the loan had been structured as a closed-end loan, or (ii) dividing any loan transaction into separate parts for the purpose and with the intent of evading the provisions of this section, or (iii) any other such subterfuge. The Attorney General, the Commissioner of Banks, or any party to a high-cost home loan may enforce the provisions of this section. Any person seeking damages or penalties under the provisions of this section may recover damages under either this Chapter or Chapter 75, but not both.

(e) Corrections and Unintentional Violations. -- A lender in a high-cost home loan who, when acting in good faith, fails to comply with subsections (b) or (c) of this section, will not be deemed to have violated this section if the lender establishes that either:

(1) Within 30 days of the loan closing and prior to the institution of any action under this section, the borrower is notified of the compliance failure, appropriate restitution is made, and whatever adjustments are necessary are made to the loan to either, at the choice of the borrower, (i) make the high-cost home loan satisfy the requirements of subsections (b) and (c) of this section, or (ii) change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a high-cost home loan subject to the provisions of this section; or

(2) The compliance failure was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adapted to avoid such errors, and within 60 days after the discovery of the compliance failure and prior to the institution of any action under this section or the receipt of written notice of the compliance failure, the borrower is notified of the compliance failure, appropriate
restitution is made, and whatever adjustments are necessary
are made to the loan to either, at the choice of the borrower,
(1) make the high-cost home loan satisfy the requirements of
subsections (b) and (c) of this section, or (ii) change the
terms of the loan in a manner beneficial to the borrower so
that the loan will no longer be considered a high-cost home
loan subject to the provisions of this section. Examples of a
bona fide error include clerical, calculation, computer
malfunction and programming, and printing errors. An
error of legal judgment with respect to a person’s obligations
under this section is not a bona fide error.

(f) Severability. -- The provisions of this section shall be severable,
and if any phrase, clause, sentence, or provision is declared to be
invalid or is preempted by federal law or regulation, the validity of the
remainder of this section shall not be affected thereby. If any
provision of this section is declared to be inapplicable to any specific
category, type, or kind of points and fees, the provisions of this
section shall nonetheless continue to apply with respect to all other
points and fees.”

Section 3. Chapter 24 of the General Statutes is amended by
adding a new section to read:

“§ 24-2.5. Mortgage bankers and mortgage brokers.
A mortgage broker or a mortgage banker originating a loan in a
table-funded loan transaction in which the mortgage broker or
mortgage banker is identified as the original payee of the note shall be
considered a lender for purposes of this Chapter.”

Section 4. G.S. 24-8 reads as rewritten:

“§ 24-8. Loans not in excess of $300,000; what interest, fees and
charges permitted.

No lender shall charge or receive from any borrower or require in
connection with a loan any borrower, directly or indirectly, to pay,
deliver, transfer or convey or otherwise confer upon or for the benefit
of the lender or any other person, firm or corporation any sum of
money, thing of value or other consideration other than that which is
pledged as security or collateral to secure the repayment of the full
principal of the loan, together with fees and interest provided for in
this Chapter or Chapter 53 of the North Carolina General Statutes,
where the principal amount of a loan is not in excess of three hundred
thousand dollars ($300,000.00); provided, this section shall not
prevent a borrower from selling, transferring, or conveying property
other than security or collateral to any person, firm or corporation for
a fair consideration so long as such transaction is not made a
condition or requirement for any loan; provided that this shall not
prevent the lender from collecting from the borrower for remittance to
others, money in payment of taxes, assessments, cost of upkeep,
recording fees, surveys, attorneys’ fees, fire, title, life, accident and
health, unemployment, and mortgage insurance premiums and other
such fees and costs, nor from receiving the proceeds from any
insurance policies where a loss occurs under the terms of such
policies. This section shall not be applicable to any corporation licensed as a "Small Business Investment Company" under the provisions of the United States Code Annotated, Title 15, section 661, et seq., nor shall it be applicable to the sale or purchase of convertible debentures, nor to the sale or purchase of any debt security with accompanying warrants, nor to the sale or purchase of other securities through an organized securities exchange.

(a) If the principal amount of a loan is less than three hundred thousand dollars ($300,000), no lender shall charge or receive from any borrower or require in connection with any loan any borrower, directly or indirectly, to pay, deliver, transfer, or convey or otherwise confer upon or for the benefit of the lender or any other person, firm, or corporation any sum of money, thing of value, or other consideration other than that which is pledged as security or collateral to secure the repayment of the full principal of the loan, together with fees and interest provided for in this Chapter or Chapter 53 of the General Statutes.

(b) Notwithstanding any contrary provision of State law, if the principal amount of a loan is three hundred thousand dollars ($300,000) or more, any borrower may agree to pay, and any lender or other person may charge and collect from the borrower, interest, fees, and other charges as may be agreed upon between the parties, and the borrower and anyone claiming by or through the borrower is prohibited from asserting usury as a claim or defense.

(c) The provisions of this section shall not prevent a borrower from selling, transferring, or conveying property other than security or collateral to any person, firm, or corporation for a fair consideration so long as such transaction is not made a condition or requirement for any loan.

(d) Notwithstanding any contrary provision of State law, any lender may collect money from the borrower for the payment of (i) bona fide loan-related goods, products, and services provided or to be provided by third parties, and (ii) taxes, filing fees, recording fees, and other charges and fees paid or to be paid to public officials. No third party shall charge or receive (i) any unreasonable compensation for loan-related goods, products, and services, or (ii) any compensation for which no loan-related goods and products are provided or for which no or only nominal loan-related services are performed. Loan-related goods, products, and services include fees for tax payment services, fees for flood certification, fees for pest-infestation determinations, mortgage brokers' fees, appraisal fees, inspection fees, environmental assessment fees, fees for credit report services, assessments, costs of upkeep, surveys, attorneys' fees, notary fees, escrow charges, and insurance premiums (including, for example, fire, title, life, accident and health, disability, unemployment, flood, and mortgage insurance).

(e) Notwithstanding any contrary provision of State law, any lender may receive the proceeds from any insurance policies where loss occurs under the terms of such policies.
(f) This section shall not be applicable to any corporation licensed as a 'Small Business Investment Company' under the provisions of the United States Code Annotated, Title 15, section 66, et seq., nor shall it be applicable to the sale or purchase of convertible debentures, nor to the sale or purchase of any debt security with accompanying warrants, nor to the sale or purchase of other securities through an organized securities exchange."

Section 5. Chapter 24 of the General Statutes is amended by adding a new section to read:

"§ 24-10.2. Consumer protections in certain home loans.

(a) For purposes of this section, the term 'consumer home loan' shall mean a loan in which (i) the borrower is a natural person, (ii) the debt is incurred by the borrower primarily for personal, family, or household purposes, and (iii) the loan is secured by a mortgage or deed of trust upon real estate upon which there is located or there is to be located a structure or structures designed principally for occupancy of from one to four families which is or will be occupied by the borrower as the borrower's principal dwelling.

(b) Notwithstanding the provisions of G.S. 58-57-35(b), it shall be unlawful for any lender in a consumer home loan to finance, directly or indirectly, any credit life, disability, or unemployment insurance, or any other life or health insurance premiums; provided, that insurance premiums calculated and paid on a monthly basis shall not be considered financed by the lender.

(c) No lender may knowingly or intentionally engage in the unfair act or practice of 'flipping' a consumer home loan. 'Flipping' a consumer loan is the making of a consumer home loan to a borrower which refinances an existing consumer home loan when the new loan does not have reasonable, tangible net benefit to the borrower considering all of the circumstances, including the terms of both the new and refinanced loans, the cost of the new loan, and the borrower's circumstances. This provision shall apply regardless of whether the interest rate, points, fees, and charges paid or payable by the borrower in connection with the refinancing exceed those thresholds specified in G.S. 24-1.1E(a)(6).

(d) No lender shall recommend or encourage default on an existing loan or other debt prior to and in connection with the closing or planned closing of a consumer home loan that refinances all or any portion of such existing loan or debt.

(e) The making of a consumer home loan which violates the provisions of this section is hereby declared usurious in violation of the provisions of this Chapter and unlawful as an unfair or deceptive act or practice in or affecting commerce in violation of the provisions of G.S. 75-1.1. The Attorney General, the Commissioner of Banks, or any party to a consumer home loan may enforce the provisions of this section. Any person seeking damages or penalties under the provisions of this section may recover damages under either this Chapter or Chapter 75, but not both.
(f) In any suit instituted by a borrower who alleges that the defendant violated this section, the presiding judge may, in the judge's discretion, allow reasonable attorneys' fees to the attorney representing the prevailing party, such attorneys' fees to be taxed as a part of the court costs and payable by the losing party, upon a finding by the presiding judge that:

1. The party charged with the violation has willfully engaged in the act or practice, and there was unwarranted refusal by such party to fully resolve the matter which constitutes the basis of such suit; or

2. The party instituting the action knew, or should have known, that the action was frivolous and malicious.

(g) This section establishes specific consumer protections in consumer home loans in addition to other consumer protections that may be otherwise available by law."

Section 6. Of the funds appropriated to the Department of Justice for the 1999-2000 fiscal year, the sum of one hundred thousand dollars ($100,000) may be used to develop and implement a program of consumer counseling or awareness designed to inform the public about the methods by which predatory lenders impose unconscionable and noncompetitive fees and charges as part of complex home mortgage transactions, to protect the public from incurring such fees and charges, and otherwise to encourage the informed and responsible use of credit.

Section 7. The Legislative Research Commission shall study the implementation and enforcement of this act including:

1. Whether the provisions of this act have a measurable effect on the availability of credit in the State;

2. Whether the act is successfully reducing the predatory lending practices proscribed by the act; and

3. Whether there are specific circumstances in which consumers would benefit from permitting a lender to finance credit insurance premiums, which practice is prohibited by G.S. 24-10.2(b).

The Commission shall report their findings and recommendations on the issue of financing credit insurance premiums to the 2000 Regular Session of the 1999 General Assembly. The Commission may report their findings and recommendations to the 2001 General Assembly and shall make a final report to the 2002 Regular Session of the 2001 General Assembly.

Section 8. Section 2 of this act and G.S. 24-10.2(b), as enacted in Section 5 of this act, become effective July 1, 2000, and apply to loans made or entered into on or after that date. Section 6 of this act becomes effective July 1, 1999. Section 7 of this act is effective when this act becomes law. The remainder of this act becomes effective October 1, 1999, and applies to loans made or entered into, payments deferred, and loans modified, renewed, extended, or amended on or after that date.
In the General Assembly read three times and ratified this the 15th day of July, 1999.

Became law upon approval of the Governor at 10:35 a.m. on the 22nd day of July, 1999.

AN ACT TO AUTHORIZE THE APPOINTMENT BY THE SPEAKER OF THE HOUSE OF REPRESENTATIVES AND THE PRESIDENT PRO TEMPORE OF THE SENATE OF MEMBERS OF THE BOARD OF DIRECTORS OF THE CERTIFICATION ENTITY FOR THE PHASE II SETTLEMENT FUNDS, TO PROVIDE THE MEMBERS OF THE BOARD OF DIRECTORS LIMITED IMMUNITY FROM CIVIL LIABILITY, TO PROVIDE AN EXEMPTION FROM STATE INCOME TAX FOR INTEREST, INVESTMENT EARNINGS, AND GAINS OF certain trust funds, to provide a corporate income tax credit for manufacturers producing cigarettes for exportation to a foreign country, and to prohibit the sale of certain packages of cigarettes.

The General Assembly of North Carolina enacts:

Section 1.(a) The General Assembly finds that:

(1) Philip Morris, Inc., Brown and Williamson Tobacco Corporation, Lorillard Tobacco Company, and R.J. Reynolds Tobacco Company (hereinafter, the "tobacco companies") have proposed to create a National Tobacco Grower Settlement Trust under which the tobacco companies will pay, during a 12-year period, a base amount of approximately five billion one hundred fifty million dollars ($5,150,000,000) into a trust to provide payments to tobacco growers and allotment holders in 14 grower states, including North Carolina, for the purposes of ameliorating potential adverse economic consequences of likely changes in the tobacco market on grower states.

(2) The tobacco companies desire that the money paid into the trust be divided among tobacco producers and allotment holders in accordance with a plan designed and approved by a certification entity in each state.

(3) The tobacco companies desire that in larger grower states, including North Carolina, the certification entity be a nonprofit corporation governed by a board of directors consisting of the following public officials and persons appointed by public officials: the Governor, who shall serve as chair of the board of directors; the Commissioner of Agriculture, who shall serve as vice-chair; the Attorney General, who shall serve as secretary; a State Senator appointed by the President Pro Tempore of the Senate; a
State Representative appointed by the Speaker of the House of Representatives; two members of the North Carolina congressional delegation selected by the delegation; and four to seven citizens appointed by the Governor.

(4) It is in the public interest that these officials and citizens serve on the board of directors and determine the distribution of these private trust funds to tobacco producers and allotment holders in North Carolina.

Section 1. (b) The Governor, the Speaker of the House of Representatives, and the President Pro Tempore of the Senate are authorized to appoint members of the board of directors of the certification entity as provided in Section 1.(a)(3), and the public officials referred to in Section 1.(a)(3) are authorized to serve on that board.

Section 1. (c) No member of the certification entity for the National Tobacco Grower Trust Fund is subject to civil liability for any act or omission arising out of the performance of the member’s duties as a member or officer of the certification entity. This section does not apply to liability arising from willful or wanton misconduct, intentional wrongdoing, or the operation of a motor vehicle.

Section 2. G.S. 105-130.5(b) is amended by adding a new subdivision to read:

"(b) The following deductions from federal taxable income shall be made in determining State net income:

(18) Interest, investment earnings, and gains of a trust, the settlers of which are two or more manufacturers that signed a settlement agreement with this State to settle existing and potential claims of the State against the manufacturers for damages attributable to a product of the manufacturers, if the trust meets all of the following conditions:

a. The purpose of the trust is to address adverse economic consequences resulting from a decline in demand of the manufactured product potentially expected to occur because of market restrictions and other provisions in the settlement agreement.

b. A court of this State approves and retains jurisdiction over the trust.

c. Certain portions of the distributions from the trust are made in accordance with certifications that meet the criteria in the agreement creating the trust and are provided by a nonprofit entity, the governing board of which includes State officials."

Section 3. G.S. 105-134.6(b) is amended by adding a new subdivision to read:

"(b) Deductions. -- The following deductions from taxable income shall be made in calculating North Carolina taxable income, to the extent each item is included in taxable income:
Interest, investment earnings, and gains of a trust, the settlers of which are two or more manufacturers that signed a settlement agreement with this State to settle existing and potential claims of the State against the manufacturers for damages attributable to a product of the manufacturers, if the trust meets all of the following conditions:

a. The purpose of the trust is to address adverse economic consequences resulting from a decline in demand of the manufactured product potentially expected to occur because of market restrictions and other provisions in the settlement agreement.

b. A court of this State approves and retains jurisdiction over the trust.

c. Certain portions of the distributions from the trust are made in accordance with certifications that meet the criteria in the agreement creating the trust and are provided by a nonprofit entity, the governing board of which includes State officials."

Section 4. Part 1 of Article 4 of Chapter 105 of the General Statutes is amended by adding a new section to read as follows: 

§ 105-130.45. Credit for manufacturing cigarettes for exportation.

(b) Credit. -- A corporation engaged in the business of manufacturing cigarettes for exportation to a foreign country is allowed a credit against the taxes levied by this Part. The amount of credit allowed under this section is determined by comparing the exportation volume of the corporation in the year for which the credit is claimed with the corporation's base year exportation volume, rounded to the nearest whole percentage. The amount of credit allowed is as follows:

<table>
<thead>

(c) Cap. -- The credit allowed under this section may not exceed the lesser of six million dollars ($6,000,000) or fifty percent (50%) of the amount of tax imposed by this Part for the taxable year reduced by the sum of all other credits allowable, except tax payments made by or
on behalf of the taxpayer. This limitation applies to the cumulative amount of the credit allowed in any tax year, including carryforwards claimed by the taxpayer under this section for previous tax years. Any unused portion of a credit allowed in this section may be carried forward for the next succeeding five years.

(d) Documentation of Credit. -- A corporation that claims the credit under this section must include the following with its tax return:

(1) A statement of the base year exportation volume.
(2) A statement of the exportation volume on which the credit is based.
(3) A list of the corporation's export volumes shown on its monthly reports to the Bureau of Alcohol, Tobacco, and Firearms of the United States Treasury for the months in the tax year for which the credit is claimed."

(1) Cigarette. -- Defined in G.S. 105-113.4.
(2) Package. -- Defined in G.S. 105-113.4.

(b) Offenses. -- A person who sells or holds for sale (other than for export to a foreign country) a package of cigarettes that meets one or more of the following descriptions commits a Class AI misdemeanor and engages in an unfair trade practice prohibited by G.S. 75-1.1:

(1) The package differs in any respect with the requirements of the Federal Cigarette Labeling and Advertising Act, 15 U.S.C. § 1331, for the placement of labels, warnings, or any other information upon a package of cigarettes that is to be sold within the United States.
(2) The package is labeled 'For Export Only,' 'U.S. Tax Exempt,' 'For Use Outside U.S.,' or has similar wording indicating that the manufacturer did not intend that the product be sold in the United States.
(3) The package was altered by adding or deleting the wording, labels, or warnings described in subdivision (1) or (2) of this subsection.
(5) The package violates federal trademark or copyright laws.

(c) Contraband. -- A package of cigarettes described in subsection (b) of this section is contraband and may be seized by a law enforcement officer. The procedure for seizure and disposition of this contraband is the same as the procedure under G.S. 105-113.31 and G.S. 105-113.32 for non-tax-paid cigarettes."

Section 6. Part 1 of Article 2A of Chapter 105 of the General Statutes is amended by adding a new section to read:

"§ 105-113.4B. Reasons why the Secretary can cancel a license.

1221
(a) Reasons. -- The Secretary may cancel a license issued under this Article upon the written request of the license holder. The notice may be served personally or by registered mail directed to the last known address of the license holder. All provisions with respect to review and appeals of the Secretary's decisions as provided by G.S. 105-241.2, 105-241.3, and 105-241.4 apply to this section.

Any wholesale merchant or retailer who engages in business as a seller in this State without a license or after the license has been suspended or revoked, and each officer of any corporation that so engages in business shall be guilty of a Class 3 misdemeanor and only subject to a fine of up to five hundred dollars ($500.00) for each offense."

Section 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Section 10. Sections 2, 3, and 4 of this act are effective for taxable years beginning on or after January 1, 1999.    1. The licensee has substantially failed to comply with the provisions of Articles 1 and 3 of Chapter 131D of the General Statutes and the rules adopted pursuant to these Articles; and

   1. The licensee has substantially failed to comply with the provisions of Articles 1 and 3 of Chapter 131D of the General Statutes and the rules adopted pursuant to these Articles; and
   2. Although the licensee may be able to remedy the deficiencies within a reasonable time, it is not reasonably probable that the licensee will be able to remain in compliance with licensure rules for the foreseeable future; or

c. The Department finds that the licensee has failed to comply with the provisions of Articles 1 and 3 of Chapter 131D of the General Statutes and the rules adopted pursuant to these Articles, and the failure to comply endangered the health, safety, or welfare of the patients in the facility.

The Department may also issue a provisional license to a facility, pursuant to rules adopted by the Social Services Medical Care Commission, for substantial failure to comply with the provisions of this section or rules promulgated pursuant to this section. Any facility wishing to contest the issuance of a provisional license shall be entitled to an administrative hearing as provided in the Administrative Procedure Act, Chapter 150B of the General Statutes. S.B. 420      SESSION LAW 1999-335

AN ACT TO CLARIFY THE DEALERS AND MANUFACTURERS LICENSING LAW.

The General Assembly of North Carolina enacts:

1237
Section 1. G.S. 20-301 is amended by adding a new subsection that reads:
"(f) In the event that a dealer, who is permitted or required to file a notice, protest, or petition before the Commissioner within a certain period of time in order to adjudicate, enforce, or protect rights afforded the dealer under this Article, voluntarily elects to appeal a policy, determination, or decision of the manufacturer through an appeals board or internal grievance procedure of the manufacturer, or to participate in or refer the matter to mediation, arbitration, or other alternative dispute resolution procedure or process established or endorsed by the manufacturer, the applicable period of time for the dealer to file the notice, protest, or petition before the Commissioner under this Article shall not commence until the manufacturer's appeal board or internal grievance procedure, mediation, arbitration, or appeals process of the manufacturer has been completed and the dealer has received notice in writing of the final decision or result of the procedure or process. Nothing, however, contained in this subsection shall be deemed to require that any dealer exhaust any internal grievance or other alternative dispute process required or established by the manufacturer before seeking redress from the Commissioner as provided in this Article."

Section 2. G.S. 20-305 reads as rewritten:
"§ 20-305. Coercing dealer to accept commodities not ordered; threatening to cancel franchise; preventing transfer of ownership; granting additional franchises; terminating franchises without good cause; preventing family succession.

It shall be unlawful for any manufacturer, factory branch, distributor, or distributor branch, or any field representative, officer, agent, or any representative whatsoever of any of them:

(1) To require, coerce, or attempt to coerce any dealer to accept delivery of any motor vehicle or vehicles, parts or accessories therefor, or any other commodities, which shall not have been ordered by such dealer; that dealer, or to accept delivery of any motor vehicle or vehicles which have been equipped in a manner other than as specified by the dealer.

(2) To require, coerce, or attempt to coerce any dealer to enter into any agreement with such manufacturer, factory branch, distributor, or distributor branch, or representative thereof, or do any other act unfair to such dealer, by threatening to cancel any franchise existing between such manufacturer, factory branch, distributor, distributor branch, or representative thereof, and such dealer;

(3) Unfairly without due regard to the equities of the dealer, and without just provocation, to cancel the franchise of such dealer;

(4) Notwithstanding the terms of any franchise agreement, to prevent or refuse to approve the sale or transfer of the ownership of a dealership by the sale of the business, stock
transfer, or otherwise, or the transfer, sale or assignment of a dealer franchise, or a change in the executive management or principal operator of the dealership, or relocation of the dealership to another site within the dealership's relevant market area, if the Commissioner has determined, if requested in writing by the dealer within 30 days after receipt of an objection to the proposed transfer, sale, assignment, relocation, or change, and after a hearing on the matter, that the failure to permit or honor the transfer, sale, assignment, relocation, or change is unreasonable under the circumstances. No franchise may be transferred, sold, assigned, relocated, or the executive management or principal operators changed, unless the franchisor has been given at least 30 days' prior written notice as to the identity, financial ability, and qualifications of the proposed transferee, the identity and qualifications of the persons proposed to be involved in executive management or as principal operators, and the location and site plans of any proposed relocation. The franchisor shall send the dealership notice of objection, by registered or certified mail, return receipt requested, to the proposed transfer, sale, assignment, relocation, or change within 30 days after receipt of notice from the dealer, as provided in this section. Failure by the franchisor to send notice of objection within 30 days shall constitute waiver by the franchisor of any right to object to the proposed transfer, sale, assignment, relocation, or change. The manufacturer or distributor has the burden of proving that the proposed transfer, sale, assignment, relocation, or change is unreasonable under the circumstances. With respect to a proposed transfer of ownership, sale, or assignment, the sole issue for determination by the Commissioner and the sole issue upon which the Commissioner shall hear or consider evidence is whether, by reason of lack of good moral character, lack of general business experience, or lack of financial ability, the proposed transferee is unfit to own the dealership. For purposes of this subdivision, the refusal by the manufacturer to accept a proposed transferee who is of good moral character and who otherwise meets the written, reasonable, and uniformly applied business experience and financial requirements, if any, required by the manufacturer of owners of its franchised automobile dealerships is presumed to demonstrate the manufacturer's failure to prove that the proposed transferee is unfit to own the dealership. With respect to a proposed change in the executive management or principal operator of the dealership, the sole issue for determination by the Commissioner and the sole issue on which the Commissioner shall hear or consider evidence shall be
whether, by reason of lack of training, lack of prior experience, poor past performance, or poor character, the proposed candidate for a position within the executive management or as principal operator of the dealership is unfit for the position. For purposes of this subdivision, the refusal by the manufacturer to accept a proposed candidate for executive management or as principal operator who is of good moral character and who otherwise meets the written, reasonable, and uniformly applied standards or qualifications, if any, of the manufacturer relating to the business experience and prior performance of executive management required by the manufacturers of its dealers is presumed to demonstrate the manufacturer’s failure to prove the proposed candidate for executive management or as principal operator is unfit to serve the capacity. With respect to a proposed relocation or other proposed change, the issue for determination by the Commissioner is whether the proposed relocation or other change is unreasonable under the circumstances. For purposes of this subdivision, the refusal by the manufacturer to agree to a proposed relocation which meets the written, reasonable, and uniformly applied standards or criteria, if any, of the manufacturer relating to dealer relocations is presumed to demonstrate that the manufacturer’s failure to prove the proposed relocation is unreasonable under the circumstances. The manufacturer shall have the burden of proof before the Commissioner under this subdivision. It is unlawful for a manufacturer to, in any way, condition its approval of a proposed transfer, sale, assignment, change in the dealer’s executive management or principal operator on the existing or proposed dealer’s willingness to construct a new facility, renovate the existing facility, acquire or refrain from acquiring one or more line-makes of vehicles, separate or divest one or more line-makes of vehicle, or establish or maintain exclusive facilities, personnel, or display space. It is unlawful for a manufacturer to, in any way, condition its approval of a proposed relocation on the existing or proposed dealer’s willingness to acquire or refrain from acquiring one or more line-makes of vehicles, separate or divest one or more line-makes of vehicle, or establish or maintain exclusive facilities, personnel, or display space.

(5) To enter into a franchise establishing an additional new motor vehicle dealer or relocating an existing new motor vehicle dealer into a relevant market area where the same line make is then represented without first notifying in writing the Commissioner and each new motor vehicle dealer in that line make in the relevant market area of the intention to establish an additional dealer or to relocate an
existing dealer within or into that market area. Within 30 days of receiving such notice or within 30 days after the end of any appeal procedure provided by the manufacturer, any new motor vehicle dealer may file with the Commissioner a protest to the establishing or relocating of the new motor vehicle dealer. When a protest is filed, the Commissioner shall promptly inform the manufacturer that a timely protest has been filed, and that the manufacturer shall not establish or relocate the proposed new motor vehicle dealer until the Commissioner has held a hearing, nor thereafter, if the Commissioner hearing and has determined that there is good cause for not permitting the addition or relocation of such new motor vehicle dealer.

a. This section does not apply:

1. To the relocation of an existing new motor vehicle dealer within that dealer’s relevant market area, provided that the relocation not be at a site within 10 miles of a licensed new motor vehicle dealer for the same line make of motor vehicle; vehicle. If this sub-subdivision is applicable, only dealers trading in the same line-make of vehicle that are located within the 10-mile radius shall be entitled to notice from the manufacturer and have the protest rights afforded under this section; or

2. If the proposed additional new motor vehicle dealer is to be established at or within two miles of a location at which a former licensed new motor vehicle dealer for the same line make of new motor vehicle had ceased operating within the previous two years;

3. To the relocation of an existing new motor vehicle dealer within two miles of the existing site of the new motor vehicle dealership, dealership if the franchise has been operating on a regular basis from the existing site for a minimum of three years immediately preceding the relocation; or

4. To the relocation of an existing new motor vehicle dealer if the proposed site of the relocated new motor vehicle dealership is further away from all other new motor vehicle dealers of the same line make in that relevant market area.

b. In determining whether good cause has been established for not entering into or relocating an additional new motor vehicle dealer for the same line make, the Commissioner shall take into consideration the existing circumstances, including, but not limited to:

1. The permanency of the investment of both the existing and proposed additional new motor vehicle dealers;
2. Growth or decline in population, density of population, and new car registrations in the relevant market area;
3. Effect on the consuming public in the relevant market area;
4. Whether it is injurious or beneficial to the public welfare for an additional new motor vehicle dealer to be established;
5. Whether the new motor vehicle dealers of the same line make in that relevant market area are providing adequate competition and convenient customer care for the motor vehicles of the same line make in the market area which shall include the adequacy of motor vehicle sales and service facilities, equipment, supply of motor vehicle parts, and qualified service personnel;
6. Whether the establishment of an additional new motor vehicle dealer or relocation of an existing new motor vehicle dealer in the relevant market area would increase competition in a manner such as to be in the long-term public interest; and
7. The effect on the relocating dealer of a denial of its relocation into the relevant market area.

c. The Commissioner shall try to conduct the hearing and render his final determination if possible, within 180 days after a protest is filed.
d. Any parties to a hearing by the Commissioner concerning the establishment or relocating of a new motor vehicle dealer shall have a right of review of the decision in a court of competent jurisdiction pursuant to Chapter 150B of the General Statutes.
e. In a hearing involving a proposed additional dealership, the manufacturer or distributor has the burden of proof under this section. In a proceeding involving the relocation of an existing dealership, the dealer seeking to relocate has the burden of proof under this section.
f. If the Commissioner determines, following a hearing, that good cause does not exist for refusing to permit exists for permitting the proposed additional or relocated motor vehicle dealership, the dealer seeking the proposed additional or relocated motor vehicle dealership must, within two years, obtain a license from the Commissioner for the sale of vehicles at the relevant site, and actually commence operations at the site selling new motor vehicles of all line makes, as permitted by the Commissioner. Failure to obtain a permit and commence sales within two years shall constitute waiver by the dealer of the dealer's right to the additional or relocated dealership, requiring
renotification, a new hearing, and a new determination as provided in this section. If the Commissioner fails to determine that good cause exists for permitting the proposed additional or relocated motor vehicle dealership, the manufacturer seeking the proposed additional dealership or dealer seeking to relocate may not again provide notice of its intention or otherwise attempt to establish an additional dealership or relocate to any location within 10 miles of the site of the original proposed additional dealership or relocation site for a minimum of three years from the date of the Commissioner's determination.

g. (See editor's note for applicability) For purposes of this subdivision, the addition, creation, or operation of a "satellite" or other facility, not physically part of or contiguous to an existing licensed new motor vehicle dealer, whether or not owned or operated by a person or other entity holding a franchise as defined by G.S. 20-286(8a), at which warranty service work authorized or reimbursed by a manufacturer is performed or at which new motor vehicles are offered for sale to the public, shall be considered an additional new motor vehicle dealer requiring a showing of good cause, prior notification to existing new motor vehicle dealers of the same line make of vehicle within the relevant market area by the manufacturer and the opportunity for a hearing before the Commissioner as provided in this subdivision.

(6) Notwithstanding the terms, provisions or conditions of any franchise or notwithstanding the terms or provisions of any waiver, to terminate, cancel or fail to renew any franchise with a licensed new motor vehicle dealer unless the manufacturer has satisfied the notice requirements of subparagraph c. and the Commissioner has determined, if requested in writing by the dealer within the time period specified in G.S. 20-305(6)cIII, III or IV, as applicable, and after a hearing on the matter, that there is good cause for the termination, cancellation, or nonrenewal of the franchise and that the manufacturer has acted in good faith as defined in this act regarding the termination, cancellation or nonrenewal. When such a petition is made to the Commissioner by a dealer for determination as to the existence of good cause and good faith for the termination, cancellation or nonrenewal of a franchise, the Commissioner shall promptly inform the manufacturer that a timely petition has been filed, and the franchise in question shall continue in effect pending the Commissioner's decision. The Commissioner shall try to conduct the hearing and render a final determination within
180 days after a petition has been filed. If the termination, cancellation or nonrenewal is pursuant to G.S. 20-305(6)c1III then the Commissioner shall give the proceeding priority consideration and shall try to render his final determination no later than 90 days after the petition has been filed. Any parties to a hearing by the Commissioner under this section shall have a right of review of the decision in a court of competent jurisdiction pursuant to Chapter 150B of the General Statutes. Any determination of the Commissioner under this section finding that good cause exists for the nonrenewal, cancellation, or termination of any franchise shall automatically be stayed during any period that the affected dealer shall have the right to judicial review or appeal of the determination before the superior court or any other appellate court and during the pendency of any appeal; provided, however, that within 30 days of entry of the Commissioner’s order, the affected dealer provide such security as the reviewing court, in its discretion, may deem appropriate for payment of such costs and damages as may be incurred or sustained by the manufacturer by reason of and during the pendency of the stay. Although the right of the affected dealer to such stay is automatic, the procedure for providing such security and for the award of damages, if any, to the manufacturer upon dissolution of the stay shall be in accordance with G.S. 1A-1, Rule 65(d) and (e).

No such security provided by or on behalf of any affected dealer shall be forfeited or damages awarded against a dealer who obtains a stay under this subdivision in the event the ownership of the affected dealership is subsequently transferred, sold, or assigned to a third party in accordance with this subdivision or subdivision (4) of this section and the closing on such transfer, sale, or assignment occurs no later than 180 days after the date of entry of the Commissioner’s order. Furthermore, unless and until the termination, cancellation, or nonrenewal of a dealer’s franchise shall finally become effective, in light of any stay or any order of the Commissioner determining that good cause exists for the termination, cancellation, or nonrenewal of a dealer’s franchise as provided in this paragraph, a dealer who receives a notice of termination, cancellation, or nonrenewal from a manufacturer as provided in this subdivision shall continue to have the same rights to assign, sell, or transfer the franchise to a third party under the franchise and as permitted under G.S. 20-305(4) as if notice of the termination had not been given by the manufacturer. Any franchise under notice or threat of termination, cancellation, or nonrenewal by the manufacturer which is duly transferred in accordance with
G.S. 20-305(4) shall not be subject to termination by reason of failure of performance or breaches of the franchise on the part of the transferor.

a. Notwithstanding the terms, provisions or conditions of any franchise or the terms or provisions of any waiver, good cause shall exist for the purposes of a termination, cancellation or nonrenewal when:

1. There is a failure by the new motor vehicle dealer to comply with a provision of the franchise which provision is both reasonable and of material significance to the franchise relationship provided that the dealer has been notified in writing of the failure within 180 days after the manufacturer first acquired knowledge of such failure;

2. If the failure by the new motor vehicle dealer relates to the performance of the new motor vehicle dealer in sales or service, then good cause shall be defined as the failure of the new motor vehicle dealer to comply with reasonable performance criteria established by the manufacturer if the new motor vehicle dealer was apprised by the manufacturer in writing of the failure; and

   I. The notification stated that notice was provided of failure of performance pursuant to this section;

   II. The new motor vehicle dealer was afforded a reasonable opportunity, for a period of not less than 180 days, to comply with the criteria; and

   III. The new motor vehicle dealer failed to demonstrate substantial progress towards compliance with the manufacturer’s performance criteria during such period and the new motor vehicle dealer’s failure was not primarily due to economic or market factors within the dealer’s relevant market area which were beyond the dealer’s control.

b. The manufacturer shall have the burden of proof under this section.

c. Notification of Termination, Cancellation and Nonrenewal. --

1. Notwithstanding the terms, provisions or conditions of any franchise prior to the termination, cancellation or nonrenewal of any franchise, the manufacturer shall furnish notification of termination, cancellation or nonrenewal to the new motor vehicle dealer as follows:

   I. In the manner described in G.S. 20-305(6)c2 below; and
II. Not less than 90 days prior to the effective date of such termination, cancellation or nonrenewal; or

III. Not less than 15 days prior to the effective date of such termination, cancellation or nonrenewal with respect to any of the following:

A. Insolvency of the new motor vehicle dealer, or filing of any petition by or against the new motor vehicle dealer under any bankruptcy or receivership law;

B. Failure of the new motor vehicle dealer to conduct its customary sales and service operations during its customary business hours for seven consecutive business days, except for acts of God or circumstances beyond the direct control of the new motor vehicle dealer;

C. Revocation of any license which the new motor vehicle dealer is required to have to operate a dealership;

D. Conviction of a felony involving moral turpitude, under the laws of this State or any other state, or territory, or the District of Columbia.

IV. Not less than 180 days prior to the effective date of such termination or cancellation where the manufacturer or distributor is discontinuing the sale of the product line.

V. Unless the failure by the new motor vehicle dealer relates to the performance of the new motor vehicle dealer in sales or service, not more than one year after the manufacturer first acquired knowledge of the basic facts comprising the failure.

2. Notification under this section shall be in writing; shall be by certified mail or personally delivered to the new motor vehicle dealer; and shall contain:

I. A statement of intention to terminate, cancel or not to renew the franchise;

II. A detailed statement of all of the material reasons for the termination, cancellation or nonrenewal; and

III. The date on which the termination, cancellation or nonrenewal takes effect.

3. Notification provided in G.S. 20-305(6)c1II of 90 days prior to the effective date of such termination, cancellation or renewal may run concurrent with the 180 days designated in G.S. 20-305(6)a2II provided
the notification is clearly designated by a separate written document mailed by certified mail or personally delivered to the new motor vehicle dealer.

d. Payments. --

1. Upon the termination, nonrenewal or cancellation of any franchise by the manufacturer or distributor, pursuant to this section, the new motor vehicle dealer shall be allowed fair and reasonable compensation by the manufacturer for the:

I. New motor vehicle inventory that has been acquired from the manufacturer within 18 months, at a price not to exceed the original manufacturer's price to the dealer, and which has not been altered or damaged, and which has not been driven more than 200 miles, and for which no certificate of title has been issued;

II. Unused, undamaged and unsold supplies and parts purchased from the manufacturer, at a price not to exceed the original manufacturer's price to the dealer, provided such supplies and parts are currently offered for sale by the manufacturer or distributor in its current parts catalogs and are in salable condition;

III. Equipment, signs, and furnishings that have not been altered or damaged and that have been required by the manufacturer or distributor to be purchased by the new motor vehicle dealer from the manufacturer or distributor, or their approved sources; and

IV. Special tools that have not been altered or damaged and that have been required by the manufacturer or distributor to be purchased by the new motor vehicle dealer from the manufacturer or distributor, or their approved sources within five years immediately preceding the termination, nonrenewal or cancellation of the franchise.

2. Fair and reasonable compensation for the above shall be paid by the manufacturer within 90 days of the effective date of termination, cancellation or nonrenewal, provided the new motor vehicle dealer has clear title to the inventory and has conveyed title and possession of the same to the manufacturer. The manufacturer shall be obligated to pay or reimburse the dealer for any transportation charges associated with the manufacturer's repurchase
obligations under this sub-subparagraph. The manufacturer may not charge the dealer any handling, restocking, or other similar costs or fees associated with items repurchased by the manufacturer under this sub-subparagraph.

e. Dealership Facilities Assistance upon Termination, Cancellation or Nonrenewal. --

In the event of the termination, cancellation or nonrenewal by the manufacturer or distributor under this section, except termination, cancellation or nonrenewal for insolvency, license revocation, conviction of a crime involving moral turpitude, or fraud by a dealer-owner:

1. Subject to paragraph 3, if the new motor vehicle dealer is leasing the dealership facilities from a lessor other than the manufacturer, the manufacturer shall pay the new motor vehicle dealer a sum equivalent to the rent for the unexpired term of the lease or one three year’s rent, whichever is less, or such longer term as is provided in the franchise agreement between the dealer and manufacturer; except that, in the case of motorcycle dealerships, the manufacturer shall pay the new motor vehicle dealer the sum equivalent to the rent for the unexpired term of the lease or one year’s rent, whichever is less, or such longer term as provided in the franchise agreement between the dealer and manufacturer; or

2. Subject to paragraph 3, if the new motor vehicle dealer owns the dealership facilities, the manufacturer shall pay the new motor vehicle dealer a sum equivalent to the reasonable rental value of the dealership facilities for one year, three years, or for one year in the case of motorcycle dealerships.

3. Provided nothing in this paragraph e. shall relieve a lessee or owner, as the case may be, from the obligation to mitigate damages under the lease, nor prevent a manufacturer from occupying and using the dealership facilities while paying rent under subsections 1 and 2, nor prevent a manufacturer from obligations by negotiating a lease termination, a sublease or a new lease. Any amounts recovered by the lessee or owner resulting from mitigation of damages shall be deducted from the amount due from the manufacturer.

In order to be entitled to facilities assistance from the manufacturer, as provided in this paragraph e., the dealer, owner, or lessee, as the case may be, shall have the obligation to mitigate damages by
listing the demised premises for lease or sublease with a licensed real estate agent within 30 days after the effective date of the termination of the franchise and thereafter by reasonably cooperating with said real estate agent in the performance of the agent’s duties and responsibilities. In the event that the dealer, owner, or lessee is able to lease or sublease the demised premises, the dealer shall be obligated to pay the manufacturer the net revenue received from such mitigation up to the total amount of facilities assistance which the dealer has received from the manufacturer pursuant to sub-subdivisions 1. and 2. To the extent and for such uses and purposes as may be consistent with the terms of the lease, a manufacturer who pays facilities assistance to a dealer under this paragraph e. shall be entitled to occupy and use the dealership facilities during the years for which the manufacturer shall have paid rent under sub-subdivisions 1. and 2.

4. In the event the termination relates to fewer than all of the franchises operated by the dealer at a single location, the amount of facilities assistance which the manufacturer is required to pay the dealer under this sub-subdivision shall be based on the proportion of gross revenue received from the sale and lease of new vehicles by the dealer and from the dealer’s parts and service operations during the three years immediately preceding the effective date of the termination (or any shorter period that the dealer may have held these franchises) of the line-makes being terminated, in relation to the gross revenue received from the sale and lease of all line-makes of new vehicles by the dealer and from the total of the dealer’s and parts and service operations from this location during the same three-year period.

5. The compensation required for facilities assistance under this paragraph e. shall be paid by the manufacturer within 90 days of the effective date of termination, cancellation, or nonrenewal.

f. The provisions of paragraphs sub-subdivisions d. and e. above shall not be applicable when the termination, nonrenewal or cancellation of the franchise agreement is the result of the voluntary act of the dealer.

Notwithstanding the terms of any contract or agreement, any dealer’s termination or resignation shall not be deemed to be voluntary if that termination or resignation occurred under the manufacturer’s threat of
nonrenewal, cancellation, or termination of the franchise.

(7) Notwithstanding the terms of any contract or agreement, to prevent or refuse to honor the succession to a dealership, including the franchise, by a motor vehicle dealer's designated successor as provided for under this subsection.

a. Any owner of a new motor vehicle dealership may appoint by will, or any other written instrument, a designated successor to succeed in the respective ownership interest or interest as principal operator of the said owner in the new motor vehicle dealership, including the franchise, upon the death or incapacity of the owner. In order for succession to the position of principal operator to occur by operation of law in accordance with sub-subdivision c. below, the owner's choice of a successor must be approved by the dealer, in accordance with the dealer's bylaws, if applicable, either prior or subsequent to the death or incapacity of the existing principal operator.

b. Any objections by a manufacturer or distributor to an owner's appointment of a designated successor shall be asserted in accordance with the following procedure:

1. Within 30 days after receiving written notice of the identity of the owner's designated successor and general information as to the financial ability and qualifications of the designated successor, the franchisor shall send the owner and designated successor notice of objection, by registered or certified mail, return receipt requested, to the appointment of the designated successor. The notice of objection shall state in detail all facts which constitute the basis for the contention on the part of the manufacturer or distributor that good cause, as defined in this sub-subdivision below, exists for rejection of the designated successor. Failure by the franchisor to send notice of objection within 30 days and otherwise as provided in this sub-subdivision shall constitute waiver by the franchisor of any right to object to the appointment of the designated successor.

2. Any time within 30 days of receipt of the manufacturer's notice of objection the owner or the designated successor may file a request in writing with the Commissioner that the Commissioner hold an evidentiary hearing and determine whether good cause exists for rejection of the designated successor. When such a request is filed, the Commissioner shall promptly inform the affected...
3. The Commissioner shall endeavor to hold the evidentiary hearing required under this sub-subdivision and render a determination within 180 days after receipt of the written request from the owner or designated successor. In determining whether good cause exists for rejection of the owner's appointed designated successor, the manufacturer or distributor has the burden of proving that the designated successor is a person who is not of good moral character or does not meet the franchisor's existing written and reasonable standards and, considering the volume of sales and service of the new motor vehicle dealer, uniformly applied minimum business experience dealer standards in the market area.

4. Any parties to a hearing by the Commissioner concerning whether good cause exists for the rejection of the dealer's designated successor shall have a right of review of the decision in a court of competent jurisdiction pursuant to Chapter 150B of the General Statutes.

5. Nothing in this sub-subdivision shall preclude a manufacturer or distributor from, upon its receipt of written notice from a dealer, an owner of the identity of the dealer's owner's designated successor, requiring that the designated successor promptly provide personal and financial data that is reasonably necessary to determine the financial ability and qualifications of the designated successor; provided, however, that such a request for additional information shall not delay any of the time periods or constraints contained herein.

6. In the event death or incapacity of the owner or principal operator occurs prior to the time a manufacturer or distributor receives notice of the owner's appointment of a designated successor or before the Commissioner has rendered a determination as provided above, the existing franchise shall remain in effect and the designated successor shall be deemed to have succeeded to all of the owner's or principal operator's rights and obligations in the dealership and under the franchise until a determination is made by the Commissioner or the rights of the parties have otherwise become fixed in accordance with this sub-subdivision.

c. Except as otherwise provided in sub-subdivision d. of this subdivision, any designated successor of a deceased
or incapacitated owner or principal operator of a new motor vehicle dealership appointed by such owner in substantial compliance with this section shall, by operation of law, succeed at the time of such death or incapacity to all of the ownership rights and obligations of the owner or principal operator in the new motor vehicle dealership and under the existing franchise.

d. Within 60 days after the death or incapacity of the owner, owner or principal operator, a designated successor appointed in substantial compliance with this section shall give the affected manufacturer or distributor written notice of his or her succession to the ownership position of owner or principal operator of the new motor vehicle dealership; provided, however, that the failure of the designated successor to give the manufacturer or distributor written notice as provided above within 60 days of the owner's death or incapacity of the owner or principal operator shall not result in the waiver or termination of the designated successor's right to succeed to the ownership of the new motor vehicle dealership unless the manufacturer or distributor gives written notice of this provision to either the designated successor or the deceased or incapacitated owner’s executor, administrator, guardian or other fiduciary by certified or registered mail, return receipt requested, and said written notice grants not less than 30 days time within which the designated successor may give the notice required hereunder, provided the designated successor or the deceased or incapacitated owner’s executor, administrator, guardian or other fiduciary has given the manufacturer reasonable notice of death or incapacity. Within 30 days of receipt of the notice by the manufacturer or distributor from the designated successor provided in this paragraph, the manufacturer or distributor may request that the designated successor complete the application forms generally utilized by the manufacturer or distributor to review the designated successor's qualifications to establish a successor dealership. Within 30 days of receipt of the completed forms, the manufacturer or distributor shall send a letter by certified or registered mail, return receipt requested, advising the designated successor of facts and circumstances which have changed since the manufacturer’s or distributor’s original approval of the designated successor, and which have caused the manufacturer or distributor to object to the designated successor. Upon receipt of such notice, the designated successor may either designate an alternative successor.
or may file a request for evidentiary hearing in accordance with the procedures provided in subdivisions b. 2.-5. of this subdivision. In any such hearing, the manufacturer or distributor shall be limited to facts and circumstances which did not exist at the time the designated successor was originally approved or evidence which was originally requested to be produced by the designated successor at the time of the original request and was either not produced or the material which was produced was incorrect or fraudulent.

e. The designated successor shall agree to be bound by all terms and conditions of the franchise in effect between the manufacturer or distributor and the owner at the time of the owner’s or principal operator’s death or incapacity, if so requested in writing by the manufacturer or distributor subsequent to the owner’s or principal operator’s death or incapacity.

f. This section does not preclude an owner of a new motor vehicle dealership from designating any person as his or her successor by written instrument filed with the manufacturer or distributor, and, in the event there is an inconsistency between the successor named in such written instrument and the designated successor otherwise appointed by the owner consistent with the provisions of this section, and that written instrument has not been revoked by the owner of the new motor vehicle dealership in writing to the manufacturer or distributor, then the written instrument filed with the manufacturer or distributor shall govern as to the appointment of the successor.

(9) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to purchase nondiagnostic computer equipment or programs, to participate monetarily in an advertising campaign or contest, or to purchase unnecessary or unreasonable quantities of any promotional materials, training materials, training programs, showroom or other display decorations or materials, computer equipment or programs, or special tools at the expense of the new motor vehicle dealer, provided that nothing in this subsection shall preclude a manufacturer or distributor from including an unitemized uniform charge in the base price of the new motor vehicle charged to the dealer where such charge is attributable to
advertising costs incurred or to be incurred by the manufacturer or distributor in the ordinary courses of its business.

(10) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to change the capital structure of the new motor vehicle dealer or the means by or through which the new motor vehicle dealer finances the operation of the dealership provided that the new motor vehicle dealer at all times meets any reasonable capital standards determined by the manufacturer in accordance with uniformly applied criteria; and also provided that no change in the capital structure shall cause a change in the principal management or have the effect of a sale of the franchise without the consent of the manufacturer or distributor, provided that said consent shall not be unreasonably withheld.

(11) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to refrain from participation in the management of, investment in, or the acquisition of any other line of new motor vehicle or related products; Provided, however, that this subsection does not apply unless the new motor vehicle dealer maintains a reasonable line of credit for each make or line of new motor vehicle, and the new motor vehicle dealer remains in compliance with any reasonable capital standards and facilities requirements of the manufacturer. The reasonable facilities requirements shall not include any requirement that a new motor vehicle dealer establish or maintain exclusive facilities, personnel, or display space, when such requirements, or any of them, would be unreasonable in light of current economic conditions and would not otherwise be justified by reasonable business considerations. space.

(12) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to change location of the dealership, or to make any substantial alterations to the dealership premises or facilities, when to do so would be unreasonable, or without written assurance of a sufficient supply of new motor vehicles so as to justify such an expansion, in light of the current market and economic conditions.

(13) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to prospectively assent to a release, assignment, novation, waiver or estoppel which would relieve any person from liability to be imposed by this law or to require any controversy between a new motor vehicle dealer and a manufacturer, distributor, or representative, to be referred to any person other than the duly constituted courts of the State or the United States of
America, or to the Commissioner, if such referral would be binding upon the new motor vehicle dealer.

(14) To delay, refuse, or fail to deliver motor vehicles or motor vehicle parts or accessories in reasonable quantities relative to the new motor vehicle dealer's facilities and sales potential in the new motor vehicle dealer's relevant market area, and area as determined in accordance with reasonably applied economic principles, or within a reasonable time, after receipt of an order from a dealer having a franchise for the retail sale of any new motor vehicle sold or distributed by the manufacturer or distributor, any new vehicle, parts or accessories to new vehicles as are covered by such franchise, and such vehicles, parts or accessories as are publicly advertised as being available or actually being delivered. The delivery to another dealer of a motor vehicle of the same model and similarly equipped as the vehicle ordered by a motor vehicle dealer who has not received delivery thereof, but who has placed his written order for the vehicle prior to the order of the dealer receiving the vehicle, shall be evidence of a delayed delivery of, or refusal to deliver, a new motor vehicle to a motor vehicle dealer within a reasonable time, without cause. Except as may be required by any consent decree of the Commissioner or other order of the Commissioner or court of competent jurisdiction, each manufacturer shall allocate its products in a manner that provides each of its franchised dealers in this State an adequate supply of vehicles by series, product line, and model to achieve the manufacturer's minimum sales requirements, planning volume, or sales objectives and that is fair and equitable to all of its franchised dealers in this State. Additionally, each manufacturer shall make available to each of its franchised dealers in this State a minimum of one of each vehicle series, model, or product line that the manufacturer advertises nationally as being available for purchase. This subsection is not violated, however, if such failure is caused by acts or causes beyond the control of the manufacturer, distributor, factory branch, or factory representative.

(17) To increase prices of new motor vehicles which the new motor vehicle dealer had ordered and which the manufacturer or distributor has accepted for immediate delivery for private retail consumers prior to the new motor vehicle dealer’s receipt of the written official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each such order provided that the vehicle is in fact delivered to that customer. Price differences applicable to new model or series shall not be considered a price increase or price decrease. Price changes caused by either: (i) the addition to a new motor vehicle of required or optional equipment; or (ii) revaluation of the United States dollar, in the case of foreign-make vehicles or components; or (iii) an increase in transportation charges due to increased rates imposed by carriers; or (iv) new tariffs or duties imposed by the United States of America or any other governmental authority, shall not be subject to the provisions of this subsection.

(25) To require, coerce, or attempt to coerce a new motor vehicle dealer in this State to either establish or maintain exclusive facilities, personnel, or display space, when such requirements, or any of them, would be unreasonable in light of current economic conditions and would not otherwise be justified by reasonable business considerations.

(27) To knowingly make, either directly or through any agent or employee, any material statement which is false or misleading and or conceal any material facts which induces induce any new motor vehicle dealer to enter into any agreement or franchise or to take any action which is materially prejudicial to that new motor vehicle dealer or his business.

(28) To require, coerce, or attempt to coerce any new motor vehicle dealer to purchase or order any new motor vehicle as a precondition to purchasing, ordering, or receiving any other new motor vehicle or vehicles. Nothing herein shall prevent a manufacturer from requiring that a new motor vehicle dealer fairly represent and inventory the full line of new motor vehicles which are covered by the franchise agreement.

(29) To require, coerce, or attempt to coerce any new motor vehicle dealer to sell, transfer, or otherwise issue stock or other ownership interest in the dealership corporation to a general manager or any other person involved in the management of the dealership other than the dealer principal or dealer operator named in the franchise, unless the dealer principal or dealer operator is an absentee owner who is not involved in the operation of the dealership on a regular basis.

(30) To vary the price charged to any of its franchised new motor vehicle dealers located in this State for new motor vehicles based on the dealer’s purchase of new facilities, supplies, tools, equipment, or other merchandise from the manufacturer, the dealer’s relocation, remodeling, repair, or renovation of existing dealerships or construction of a new facility or upon the dealer’s participation in training programs sponsored, endorsed, or recommended by the manufacturer.

variance in the price of new motor vehicles offered to its franchised dealers located in the State.

Notwithstanding the foregoing, nothing in this subdivision shall be deemed to preclude a manufacturer from establishing sales contests or promotions which provide or award dealers or consumers rebates or incentives.

Nothing contained in this subdivision shall prohibit a manufacturer from providing assistance or encouragement to a franchised dealer to remodel, renovate, recondition, or relocate the dealer's existing facilities, provided that this assistance, encouragement, or rewards are not determined on a per vehicle basis.

In the event that at the time of the ratification of this act a manufacturer is currently operating a program or has in effect a policy which would violate this subdivision after the effective date of this act, it shall be lawful for that program or policy policy, or a program or policy similar thereto implemented after the effective date of this act, to continue in effect as to the manufacturer's franchised dealers located in this State until December 31, 1999. (31) Notwithstanding the terms of any contract, franchise, agreement, release, or waiver, to require that in any civil or administrative proceeding in which a new motor vehicle dealer asserts any claims, rights, or defenses arising under this Article or under the franchise, that the dealer or any nonprevailing party compensate the manufacturer or prevailing party for any court costs, attorneys' fees, or other expenses incurred in the litigation.

(32) To require that any of its franchised new motor vehicle dealers located in this State pay any extra fee, purchase unreasonable or unnecessary quantities of advertising displays or other materials, or remodel, renovate, or recondition the dealers' existing facilities in order to receive any particular model or series of vehicles manufactured or distributed by the manufacturer for which the dealers have a valid franchise. Notwithstanding the foregoing, nothing contained in this subdivision shall be deemed to prohibit or prevent a manufacturer from requiring that its franchised dealers located in this State purchase special tools or equipment, stock reasonable quantities of certain parts, or participate in training programs which are reasonably necessary for those dealers to sell or service any model or series of vehicles.
(33) To fail to reimburse a dealer located in this State in full for the actual cost of providing a loaner vehicle to any customer who is having a vehicle serviced at the dealership if the provision of such a loaner vehicle is required by the manufacturer.

(34) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to participate monetarily in any training program whose subject matter is not expressly limited to specific information necessary to sell or service the models of vehicles the dealer is authorized to sell or service under the dealer’s franchise with that manufacturer. Examples of training programs with respect to which a manufacturer is prohibited from requiring the dealer’s monetary participation include, but are not limited to, those which purport to teach morale-boosting employee motivation, teamwork, or general principles of customer relations. A manufacturer is further prohibited from requiring the personal attendance of an owner or dealer principal of any dealership located in this State at any meeting or training program at which it is reasonably possible for another member of the dealer’s management to attend and later relate the subject matter of the meeting or training program to the dealership’s owners or principal operator.

(35) Notwithstanding the terms of any franchise, agreement, waiver or novation, to limit the number of franchises of the same line make of vehicle that any franchised motor vehicle dealer, including its parent(s), subsidiaries, and affiliates, if any, may own or operate or attach any restrictions or conditions on the ownership or operation of multiple franchises of the same line make of motor vehicle without making the same limitations, conditions, and restrictions applicable to all of its other franchisees.

(37) Subdivisions (11) and (25) of this section shall not apply to any manufacturer, manufacturer branch, distributor, distributor branch, or any affiliate or subsidiary thereof of new motor vehicles which manufactures or distributes exclusively new motor vehicles with a gross weight rating of 8,500 pounds or more, provided that the following
conditions are met: (i) the manufacturer has, as of November 1, 1996, an agreement in effect with at least three of its franchised dealers within the State, and which agreement was, in fact, being enforced by the manufacturer, requiring the dealers to maintain separate and exclusive facilities for the vehicles it manufactures or distributes; and (ii) there existed at least seven dealerships (locations) of that manufacturer within the State as of January 1, 1999."

When an electronic funds transfer cannot be completed due to insufficient funds or the nonexistence of an account of the transferor, the Commission shall assess a penalty equal to ten percent (10%) of the amount of the transfer, subject to a minimum of one dollar ($1.00) and a maximum of one thousand dollars ($1,000). The Commission may waive this penalty for good cause shown. As used in this section, the term 'electronic funds transfer' means a

For failure of an employer to comply with this subdivision, there shall be added to the amount required to be shown as tax in the reports a penalty of twenty-five dollars ($25.00). For failure of an agent to comply with this subdivision, the Commission may deny the agent the right to report wages and file reports for the employer for whom the agent filed an improper report for a period of one year following the calendar quarter in which that agent filed the improper report. The Commission may reduce or waive a penalty for good cause shown."

"b. Notwithstanding any other provisions of this section, if the successor employer was an employer subject to this Chapter prior to the date of acquisition of the business, his the successor's rate of contribution for the period from such that date to the end of the then current contribution year shall be the same as his the successor's rate in effect on the date of such the acquisition. Irrespective of any other provisions of this Chapter, when an account is transferred in its entirety by an employer to a successor, the transferring employer shall thereafter pay the standard beginning rate of contributions of two and seven-tenths percent (2.7%) set forth in G.S. 96-9(b)(1) and shall continue to pay at such rate until he that rate until the transferring employer qualifies for a reduction, reacquires the account he transferred or acquires the experience rating account of another employer, or is subject to an increase in rate under the conditions prescribed in G.S. 96-9(b)(2) and (3). For all other purposes, a development zone has the same enterprise tier designation as the county in which it is located.

§ 105-129.4. Eligibility; forfeiture.

(a) Type of Business. -- A taxpayer is eligible for a credit allowed by G.S. 105-129.12 if the real property for which the credit is claimed is used for a central administrative office that creates at least 40 new jobs. A taxpayer is eligible for the other credits allowed by this Article if the taxpayer engages in one of the following types of businesses and the jobs with respect to which a credit is claimed are created in that business, the machinery and equipment with respect to which a credit is claimed are used in that business, and the research and development for which a credit is claimed are carried out as part of that business:

Jobs transferred from one area in the State to another area in the State are not considered new jobs for purposes of this subsection.

A taxpayer is eligible for the credit for investing in machinery and equipment, the credit for research and development, or the credit for investing in real property for a central administrative office if the jobs at the location with respect to which the credit is claimed meet the wage standard at the time the taxpayer applies for the credit. Jobs meet the wage standard if they pay an average weekly
wage that is at least equal to the applicable percentage times the applicable average weekly wage for the county in which the jobs will be located, as computed by the Secretary of Commerce from data compiled by the Employment Security Commission for the most recent period for which data are available. The applicable percentage for jobs located in an enterprise tier one area is one hundred percent (100%). The applicable percentage for all other jobs is one hundred ten percent (110%). The applicable average weekly wage is the lowest of the following: (i) the average wage for all insured private employers in the county, (ii) the average wage for all insured private employers in the State, and (iii) the average wage for all insured private employers in the county multiplied by the county income/wage adjustment factor. If the taxpayer fails to make the level of investment certified within this two-year period, the taxpayer forfeits the large investment enhancements as provided in subsection (d) of this section.

(b2) Health Insurance. -- A taxpayer is eligible for a credit for creating jobs or for worker training under this Article if the taxpayer provides health insurance for the positions for which the credit is claimed at the time the taxpayer applies for the credit. A taxpayer is eligible for the other credits under this Article if the taxpayer provides health insurance for all of the full-time positions at the location with respect to which the credit is claimed at the time the taxpayer applies for the credit. For the purposes of this subsection, a taxpayer provides health insurance if it pays at least fifty percent (50%) of the premiums for health care coverage that equals or exceeds the minimum provisions of the basic health care plan of coverage recommended by the Small Employer Carrier Committee pursuant to G.S. 58-50-125.

Each year that a taxpayer claims an installment or carryforward of a credit allowed under this Article, the taxpayer must provide with the tax return the taxpayer's certification that the taxpayer continues to provide health insurance for the jobs for which the credit was claimed or the full-time jobs at the location with respect to which the credit was claimed. If the taxpayer ceases to provide health insurance for
the jobs during a taxable year, the credit expires and the taxpayer may not take any remaining installment or carryforward of the credit.

(b3) Environmental Impact. -- A taxpayer is eligible for a credit allowed under this Article only if the taxpayer certifies that, at the time the taxpayer applies for the credit, the taxpayer has no pending administrative, civil, or criminal enforcement action based on alleged significant violations of any program implemented by an agency of the Department of Environment and Natural Resources, and has had no final determination of responsibility for any significant administrative, civil, or criminal violation of any program implemented by an agency of the Department of Environment and Natural Resources within the last five years. A significant violation is a violation or alleged violation that does not satisfy any of the conditions of G.S. 143-215.6B(d). The Secretary of Commerce will provide the Department of Environment and Natural Resources a list of all taxpayers making this certification. The Department of Environment and Natural Resources may conduct random audit checks to verify taxpayers' certifications. The Department of Environment and Natural Resources must notify the Department of Revenue of any taxpayer certifications it determines are not accurate.

(b4) Safety and Health Programs. -- A taxpayer is eligible for a credit allowed under this Article only if the taxpayer certifies that, as of the time the taxpayer applies for the credit, at the business location with respect to which the credit is claimed, the taxpayer has no outstanding citations under the Occupational Safety and Health Act and has had no serious violation as defined in G.S. 95-127 within the last three years. The Secretary of Commerce will provide the Department of Labor a list of all taxpayers making this certification. (d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the taxpayer was not eligible for the credit at the time the taxpayer applied for the credit. In addition, a taxpayer forfeits a large investment enhancement of a tax credit if the taxpayer fails to make the level of investment certified by the Secretary of Commerce under subsection (b1) of this section within the required two-year period. A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for creating jobs or the credit for investing in machinery and equipment, the taxpayer also forfeits any credit for worker training claimed for the jobs for which the credit for creating jobs was claimed.
or the jobs at the location with respect to which the credit for investing in machinery and equipment was claimed.

(c) Change in Ownership of Business. -- The sale, merger, acquisition, or bankruptcy of a business, or any transaction by which an existing business reformulates itself as another business, does not create new eligibility in a succeeding business with respect to credits for which the predecessor was not eligible under this Article. A successor business may, however, take any installment of or carried-over portion of a credit that its predecessor could have taken if it had a tax liability. The acquisition of a business is a new investment that creates new eligibility in the acquiring taxpayer under this Article if any of the following conditions are met:

1. The business closed before it was acquired.
2. The business was required to file a notice of plant closing or mass layoff under the federal Worker Adjustment and Retraining Notification Act. 29 U.S.C. § 2102, before it was acquired.

The credit for investing in central administrative office property provided in G.S. 105-129.12 is also allowed against Chapter, and the gross premiums tax levied in Article 8B of this Chapter. The taxpayer shall elect the tax against which a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the credit must be claimed against the same tax.

(b) Cap. -- The credits allowed under this Article may not exceed fifty percent (50%) of the tax against which they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of a credit with respect to a large investment may be carried forward for the succeeding 20 years. Any unused portion of any other credit may be carried forward for the succeeding five years.

§ 105-129.6. Application; reports.

(a) Application. -- To claim the credits allowed by this Article, the taxpayer must provide with the tax return the certification of the Secretary of Commerce that the taxpayer meets all of the eligibility requirements of G.S. 105-129.4 or G.S. 105-129.13, as applicable,
with respect to each credit. A taxpayer shall apply to the Secretary of Commerce for certification of eligibility. The application must be on a form provided by the Secretary of Commerce and must contain any information necessary for the Secretary of Commerce to determine whether the taxpayer meets the eligibility requirements. In addition, the application must state the number of full-time jobs to be created that are located within a development zone, the number of full-time jobs to be created that are expected to be filled by employees residing within the development zone, and the number of full-time jobs to be created that are expected to be filled by employees residing within a census tract or census block group that has more than twenty percent (20%) of its population below the poverty level according to the most recent federal decennial census.

If the Secretary of Commerce determines that the taxpayer meets all of the eligibility requirements of G.S. 105-129.4 or G.S. 105-129.13, as applicable, with respect to a credit, the Secretary shall issue a certificate describing the location with respect to which the credit is claimed, outlining the eligibility requirements for the credit, and stating that the taxpayer meets the eligibility requirements. If the Secretary of Commerce determines that the taxpayer does not meet all of the eligibility requirements of G.S. 105-129.4 or G.S. 105-129.13, as applicable, with respect to a credit, the Secretary must advise the taxpayer in writing of the eligibility requirements the taxpayer fails to meet. The Secretary of Commerce may adopt rules in accordance with Chapter 150B of the General Statutes that are needed to carry out the Secretary of Commerce’s responsibilities under this section.

(a1) Fee. -- When filing an application for certification under this section, the taxpayer must pay the Department of Commerce a fee of seventy-five dollars ($75.00). Fees collected under this subsection are receipts of the Department of Commerce. of five hundred dollars ($500.00) for each credit the taxpayer intends to claim with respect to a location that is in an enterprise tier three, four, or five area, subject to a maximum fee of one thousand five hundred dollars ($1,500) per taxpayer per taxable year. If the taxpayer applies for certification for a credit that relates to locations in more than one enterprise tier area, the fee is based on the highest-numbered enterprise tier area.

The Secretary of Commerce shall retain one-fourth of the proceeds of the fee imposed in this section for the costs of administering this section. The Secretary of Commerce shall credit the remaining proceeds of the fee imposed in this section to the Department of Revenue for the costs of administering and auditing the credits allowed in this Article. The proceeds of the fee are receipts of the Department to which they are credited.

(b) Reports. -- The Department of Commerce shall report to the Department of Revenue and to the Fiscal Research Division of the General Assembly by May 1 of each year the following information for the 12-month period ending the preceding April 1:

(2) The number and enterprise tier area of new jobs with respect to which credits were applied for.

(3) The cost of machinery and equipment with respect to which credits were applied for.

(4) The number of new jobs created within development zones, and the percentage of those jobs that were filled by residents of the zones.

§ 105-129.7. Substantiation.

(a) To claim a credit allowed by this Article, the taxpayer must provide any information required by the Secretary of Revenue. Every taxpayer claiming a credit under this Article shall maintain and make available for inspection by the Secretary of Revenue any records the Secretary considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for the credit and the amount of the credit shall rest upon the taxpayer, and no credit shall be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection.

(b) Each taxpayer must provide with the tax return qualifying information for each credit claimed under this Article for the first taxable year the credit is claimed and for every year in which a subsequent installment or a carryforward of that credit is claimed. The qualifying information must be in the form prescribed by the Secretary, must cover each taxable year beginning with the first taxable year the credit is claimed, and must be signed and affirmed by the individual who signs the taxpayer’s tax return. The information required by this subsection is information demonstrating that the taxpayer has met the conditions for qualifying for an initial credit and any installments and carryforwards, and includes the following:

administrative office property allowed in G.S. 105-129.12, and any other credits allowed under this Article.

"§ 105-129.8. Credit for creating jobs.

(a) Credit. -- A taxpayer that meets the eligibility requirements set out in G.S. 105-129.4, has five or more employees for at least 40 weeks during the taxable year, and hires an additional full-time employee during that year to fill a position located in this State is allowed a credit for creating a new full-time job. The amount of the credit for each new full-time job created is set out in the table below and is based on the enterprise tier of the area in which the position is located. A position is located in an area if more than fifty percent (50%) of the employee’s duties are performed in the area. The credit may not be taken in the taxable year in which the additional employee is hired. Instead, the credit shall be taken in equal installments over the four years following the taxable year in which the additional employee was hired and shall be conditioned on the continued employment by the taxpayer of the number of full-time employees the taxpayer had upon hiring the employee that caused the taxpayer to qualify for the credit.

If, in one of the four years in which the installment of a credit accrues, the number of the taxpayer’s full-time employees falls below the number of full-time employees the taxpayer had in the year in which the taxpayer qualified for the credit, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

Jobs transferred from one area in the State to another area in the State shall not be considered new jobs for purposes of this section. If, in one of the four years in which the installment of a credit accrues, the position filled by the employee is moved to an area in a higher- or lower-numbered enterprise tier, or is moved from a development zone to an area that is not a development zone, the remaining installments of the credit shall be calculated as if the position had been created initially in the area to which it was moved.

(b) Repealed by Session Laws 1989, c. 111, s. 1.

(b1), (c) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3.

(d) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to create at least twenty new full-time jobs in a specific area within two years of the
date the letter is signed qualifies for the credit in the amount allowed by this section based on the area’s enterprise tier and development zone designation for that year even though the employees are not hired that year. The credit shall be available in the taxable year after at least twenty employees have been hired if thehirings are within the two-year commitment period. The conditions outlined in subsection (a) apply to a credit taken under this subsection except that if the area is redesignated to a higher-numbered enterprise tier or loses its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area’s enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not hire the employees within the two-year period, the taxpayer does not qualify for the credit. However, if the taxpayer qualifies for a credit under subsection (a) in the year any new employees are hired, the taxpayer may take the credit under that subsection.

(e), (f) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3.

"§ 105-129.9. Credit for investing in machinery and equipment.

(a) Credit. -- If a taxpayer that has purchased or leased eligible machinery and equipment places them in service in this State during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible investment amount over the applicable threshold. Machinery and equipment is eligible if it is they are capitalized by the taxpayer for tax purposes under the Code and is not leased to another party. In addition, in the case of a large investment, machinery and equipment that is not capitalized by the taxpayer is eligible if the taxpayer leases them from another party. The credit may not be taken for the taxable year in which the equipment is placed in service but shall be taken in equal installments over the seven years following the taxable year in which the equipment is placed in service.

(b) Eligible Investment Amount. -- The eligible investment amount is the lesser of (i) the cost of the eligible machinery and equipment and (ii) the amount by which the cost of all of the taxpayer’s eligible machinery and equipment that is in service in this State on the last day of the taxable year exceeds the cost of all of the taxpayer’s eligible machinery and equipment that was in service in this State on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer had the most eligible machinery and equipment in service in this State.

(c) Threshold. -- The applicable threshold is the appropriate amount set out in the following table based on the enterprise tier of the area where the eligible machinery and equipment are placed in service during the taxable year. If the taxpayer places eligible machinery and equipment in service in more than one area during the taxable year, the threshold applies separately to the eligible machinery and equipment placed in service in each area. If the taxpayer places eligible machinery and equipment in service in an area over the
course of a two-year period, the applicable threshold for the second taxable year is reduced by the eligible investment amount for the previous taxable year.

(d) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are disposed of, taken out of service, or moved out of State, the credit expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

If, in one of the seven years in which the installment of a credit accrues, the machinery and equipment with respect to which the credit was claimed are moved to an area in a higher-numbered enterprise tier, or are moved from a development zone to an area that is not a development zone, the remaining installments of the credit are allowed only to the extent they would have been allowed if the machinery and equipment had been placed in service initially in the area to which they were moved.

(e) Planned Expansion. -- A taxpayer that signs a letter of commitment with the Department of Commerce to place specific eligible machinery and equipment in service in an area within two years after the date the letter is signed may, in the year the eligible machinery and equipment are placed in service in that area, calculate the credit for which the taxpayer qualifies based on the area’s enterprise tier and development zone designation for the year the letter was signed. All other conditions apply to the credit, but if the area has been redesignated to a higher-numbered enterprise tier or has lost its development zone designation after the year the letter of commitment was signed, the credit is allowed based on the area’s enterprise tier and development zone designation for the year the letter was signed. If the taxpayer does not place part or all of the specified eligible machinery and equipment in service within the two-year period, the taxpayer does not qualify for the benefit of this subsection with respect to the machinery and equipment not placed in service within the two-year period. However, if the taxpayer qualifies for a credit in the year the eligible machinery and equipment are placed in service, the taxpayer may take the credit for that year as if no letter of commitment had been signed pursuant to this subsection.

"§ 105-129.10. Credit for research and development.

(a) General Credit. -- A taxpayer that claims for the taxable year a federal income tax credit under section 41(a) of the Code for increasing research activities is allowed a credit equal to five percent
(5%) of the State's apportioned share of the taxpayer's expenditures for increasing research activities. The State's apportioned share of a taxpayer's expenditures for increasing research activities is the excess of the taxpayer's qualified research expenses for the taxable year over the base amount, as determined under section 41 of the Code, multiplied by a percentage equal to the ratio of the taxpayer's qualified research expenses in this State for the taxable year to the taxpayer's total qualified research expenses for the taxable year.

(b) Alternative Credit. -- A taxpayer that claims the alternative incremental credit under section 41(c)(4) of the Code for increasing research activities is allowed a credit equal to twenty-five percent (25%) of the State's apportioned share of the federal credit claimed. The State's apportioned share of the federal credit claimed is the amount of the alternative incremental credit the taxpayer claimed under section 41(c)(4) of the Code for the taxable year multiplied by a percentage equal to the ratio of the taxpayer's qualified research expenses in this State for the taxable year to the taxpayer's total qualified research expenses for the taxable year. For the purpose of this subsection, the amount of the alternative incremental credit claimed by a taxpayer is determined without regard to any reduction elected under section 280C(c) of the Code.

(c) Definitions. -- As used in this section, the terms "qualified research expenses" and "base amount" have the meaning provided in section 41 of the Code. Notwithstanding G.S. 105-228.90(b), as used in this section, the term "Code" means the Internal Revenue Code as enacted as of January 1, 1999.

"§ 105-129.11. Credit for worker training.

(a) Credit. -- A taxpayer that provides worker training for five or more of its eligible employees during the taxable year is allowed a credit equal to the wages paid to the eligible employees during the training. Wages paid to an employee performing his or her job while being trained are not eligible for the credit. For positions located in an enterprise tier one area, the credit may not exceed one thousand dollars ($1,000) per employee trained during the taxable year. For other positions, the credit may not exceed five hundred dollars ($500.00) per employee trained during the taxable year. A position is located in an area if more than fifty percent (50%) of the employee's duties are performed in the area.

(b) Eligibility. -- An employee is eligible if the employee is in a full-time position not classified as exempt under the Fair Labor Standards Act, 29 U.S.C. § 213(a)(1) and meets one or more of the following conditions:

(1) The employee occupies a job for which the taxpayer is eligible to claim an installment of the credit for creating jobs.

(2) The employee is being trained to operate machinery and equipment for which the taxpayer is eligible to claim an installment of the credit for investing in machinery and equipment.
"§ 105-129.12. Credit for investing in central administrative office property.

(a) Credit. -- If a taxpayer that has purchased or leased real property in this State begins to use the property as a central administrative office during the taxable year, the taxpayer is allowed a credit equal to seven percent (7%) of the eligible investment amount. The eligible investment amount is the lesser of (i) the cost of the property and (ii) the amount by which the cost of all of the property the taxpayer is using in this State as central administrative offices on the last day of the taxable year exceeds the cost of all of the property the taxpayer was using in this State as central administrative offices on the last day of the base year. The base year is that year, of the three immediately preceding taxable years, in which the taxpayer was using the most property in this State as central administrative offices. In the case of property that is leased, the cost of the property is not determined as provided in G.S. 105-129.2 but is considered to be the taxpayer’s lease payments over a seven-year period, plus any expenditures made by the taxpayer to improve the property before it is used as the taxpayer’s central administrative office if the expenditures are not reimbursed or credited by the lessor. The maximum credit allowed a taxpayer under this section for property used as a central administrative office is five hundred thousand dollars ($500,000). The entire credit may not be taken for the taxable year in which the property is first used as a central administrative office but shall be taken in equal installments over the seven years following the taxable year in which the property is first used as a central administrative office. The basis in any real property for which a credit is allowed under this section shall be reduced by the amount of credit allowable.

(b) Mixed Use Property. -- If the taxpayer uses only part of the property as the taxpayer’s central administrative office, the amount of the credit allowed under this section is reduced by multiplying it by a fraction the numerator of which is the square footage of the property used as the taxpayer’s central administrative office and the denominator of which is the total square footage of the property.

(c) Expiration. -- If, in one of the seven years in which the installment of a credit accrues, the property with respect to which the credit was claimed is no longer used as a central administrative office, the credit expires and the taxpayer may not take any remaining installment of the credit. If, in one of the seven years in which the installment of a credit accrues, part of the property with respect to which the credit was claimed is no longer used as a central administrative office, the remaining installments of the credit shall be reduced by multiplying it by the fraction described in subsection (b) of this section. If, in one of the seven years in which the installment of a credit accrues, the total number of employees the taxpayer employs at all of its central administrative offices in this State drops by 40 or more, the credit expires and the taxpayer may not take any remaining installment of the credit.
In each of these cases, the taxpayer may nonetheless take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.5.

"§ 105-129.13. Credit for development zone projects.

(a) Credit. -- A taxpayer who contributes cash or property to a development zone agency for an improvement project in a development zone is allowed a credit equal to twenty-five percent (25%) of the value of the contribution. A contribution is for an improvement project for the purposes of this section if the agency receiving the contribution contracts in writing to use the contribution for the project and agrees in the contract to repay to the taxpayer, with interest, any part of the contribution not used for the project. The credit may not be taken for the year in which the contribution is made but must be taken for the taxable year beginning during the calendar year in which the application for the credit becomes effective as provided in this section.

(b) Definitions. -- The following definitions apply in this section:

(1) Community development corporation. -- A nonprofit corporation that meets all of the following conditions:
   a. It is chartered pursuant to Chapter 55A of the General Statutes and is tax-exempt pursuant to section 501(c)(3) of the Code.
   b. Its primary mission is to develop and improve low-income communities and neighborhoods through economic and related development.
   c. Its activities and decisions are initiated, managed, and controlled by the constituents of those local communities.
   d. Its primary function is to act as deal maker and packager of projects and activities that will increase its constituency's opportunities to become owners, managers, and producers of small businesses, to obtain affordable housing, and to obtain jobs designed to produce positive cash flow and curb blight in the targeted community.

(3) Control. -- A person controls an entity if the person owns, directly or indirectly, more than ten percent (10%) of the voting securities of that entity. As used in this subdivision, the term "voting security" means a security that (i) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (ii) is convertible into, or entitles the holder to receive upon its exercise, a security that confers such a right to vote. A general partnership interest is a voting security.

(4) Development zone agency. -- Any of the following agencies that the Department of Commerce certifies will undertake an improvement project in a development zone:
a. A community-based development organization qualified under 24 C.F.R. § 570.204 to receive community development block grant funds under the Housing and Community Development Act of 1974, as amended, 42 U.S.C. § 5301, et seq., to carry out a neighborhood revitalization project, a community economic development project, or an energy conservation project.

b. A community action agency that has been officially designated as such pursuant to section 210 of the Economic Opportunity Act of 1964, Public Law 88-452, 78 Stat. 508 and which has not lost its designation as a result of a failure to comply with the provisions of that act.

c. A community development corporation.

(5) Improvement project. -- A project to construct or improve real property for community development purposes or to acquire real property and convert it for community development purposes. Construction or improvement includes services provided by a development zone agency directly related to the construction or improvement, and project development fees charged by a developer for the construction or improvement.

(c) Certification. -- Before certifying that a development zone agency will undertake an improvement project in a development zone, the Secretary must require the agency to provide sufficient documentation to establish the identity of the agency, the nature of the project, and that the project is for a community development purpose and is located in a development zone. The Secretary of Commerce shall not certify a development zone agency under this section if the agency, any of the agency's officers or directors, or any partner of the agency has ever used any part of a contribution made under this section for any purpose other than an improvement project.

(d) Limitations. -- A taxpayer who claims a credit under this subsection must identify in the application the development zone agencies to which the taxpayer made contributions and the amount contributed to each. No credit is allowed for a contribution if the taxpayer has one of the relationships defined in section 267(b) of the Code with the development zone agency or if the taxpayer controls, is controlled by, or is under common control with an affiliate of the
development zone agency. No credit is allowed to the extent the
taxpayer receives anything of value in exchange for the contribution.

(e) Application. -- To be eligible for the tax credit provided in this
section, in addition to the application required under G.S. 105-129.6,
the taxpayer must file an application for the credit with the Secretary
of Revenue on or before April 15 of the year following the calendar
year in which the contribution was made. The Secretary may grant
extensions of this deadline, as the Secretary finds appropriate, upon
the request of the taxpayer, except that the application may not be filed
after September 15 of the year following the calendar year in which
the contribution was made. An application is effective for the year in
which it is timely filed. The application must be on a form prescribed
by the Secretary and must include any supporting documentation that
the Secretary may require. If a contribution for which a credit is
applied for was of property rather than cash, the taxpayer must include
with the application a certified appraisal of the value of the property
contributed.

(f) Ceiling. -- The total amount of all tax credits allowed to
taxpayers under this section for contributions made in a calendar year
may not exceed four million dollars ($4,000,000). The Secretary of
Revenue must calculate the total amount of tax credits claimed from
the applications filed under this section. If the total amount of tax
credits claimed for contributions made in a calendar year exceeds four
million dollars ($4,000,000), the Secretary must allow a portion of the
credits claimed by allocating a total of four million dollars
($4,000,000) in tax credits in proportion to the size of the credit
claimed by each taxpayer. If a credit is reduced pursuant to this
subsection, the Secretary must notify the taxpayer of the amount of the
reduction of the credit on or before December 31 of the year the
application was filed. The Secretary's allocations based on
applications filed pursuant to this section are final and will not be
adjusted to account for credits applied for but not claimed.

(g) Forfeiture. -- A taxpayer forfeits a credit allowed under this
section to the extent the development zone agency uses the taxpayer's
contribution for any purpose other than an improvement project.
Each development zone agency certified by the Department of
Commerce must file with the Department of Commerce annual
financial statements audited in accordance with generally accepted
accounting principles and in accordance with Government Audit
Standards developed by the Comptroller General of the United States.
The annual statements are required each time the agency receives a
contribution eligible for the credit allowed under this section until the
entire contribution has been used for improvement projects. If the
Department of Commerce determines that a development zone agency
has used part or all of a contribution for any purpose other than an
improvement project, the Department must notify the Secretary of
Revenue of the forfeiture, the taxpayer who made the contribution,
and the amount forfeited.”

PART III. AFFORDABLE HOUSING TAX CREDIT

Section 10. The title of Article 3B of Chapter 105 of the General Statutes reads as rewritten:

"ARTICLE 3B. "Business Tax Credits."

Section 11. Article 3B of Chapter 105 of the General Statutes is amended by adding a new section to read:

§ 105-129.16A. Credit for low-income housing.

(a) Credit. -- A taxpayer that is allowed for the taxable year a federal income tax credit for low-income housing under section 42 of the Code with respect to a qualified North Carolina low-income building, is allowed a credit under this Article equal to a percentage of the total federal credit allowed with respect to that building. For the purposes of this section, the total federal credit allowed is the total allowed during the 10-year federal credit period plus the disallowed first-year credit allowed in the 11th year. For the purposes of this section, the total federal credit is calculated based on qualified basis as of the end of the first year of the credit period and is not recalculated to reflect subsequent increases in qualified basis. For buildings that meet condition (c)(1) of this section, the credit percentage is seventy-five percent (75%). For other buildings, the credit percentage is twenty-five percent (25%).

(b) Timing. -- The credit must be taken in equal installments over the five years beginning in the first taxable year in which the federal credit is claimed for that building. During the first taxable year in which the credit allowed under this section may be taken with respect to a building, the amount of the installment must be multiplied by the applicable fraction under section 42(f)(2)(A) of the Code. Any reduction in the amount of the first installment as a result of this multiplication is carried forward and may be taken in the first taxable year after the fifth installment is allowed under this section.

(c) Definitions. -- The definitions in section 42 of the Code apply in this section. In addition, as used in this section the term 'qualified North Carolina low-income building' means a qualified low-income building that was allocated a federal credit under section 42(h)(1) of the Code, was not allowed a federal credit under section 42(h)(4) of the Code, and meets any of the following conditions:

1. It is located in an area that, at the time the federal credit is allocated to the building, is a tier one or two enterprise area, as defined in G.S. 105-129.3.

2. It is located in an area that, at the time the federal credit is allocated to the building, is a tier three or four enterprise area, and forty percent (40%) of its residential units are both
rent-restricted and occupied by individuals whose income is fifty percent (50%) or less of area median gross income as defined in the Code.

(3) It is located in an area that, at the time the federal credit is allocated to the building, is a tier five enterprise area, and forty percent (40%) of its residential units are both rent-restricted and occupied by individuals whose income is thirty-five percent (35%) or less of area median gross income as defined in the Code.

(d) Expiration. -- If, in one of the five years in which an installment of the credit under this section accrues, the taxpayer is no longer eligible for the corresponding federal credit with respect to the same qualified North Carolina low-income building. then the credit under this section expires and the taxpayer may not take any remaining installment of the credit. The taxpayer may, however, take the portion of an installment that accrued in a previous year and was carried forward to the extent permitted under G.S. 105-129.17.

(e) Forfeiture. -- If the taxpayer is required under section 42(i) of the Code to recapture all or part of a federal credit under that section with respect to a qualified North Carolina low-income building, the taxpayer forfeits the corresponding part of the credit allowed under this section with respect to that qualified North Carolina low-income building. A taxpayer that forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is subject to the penalties provided in G.S. 105-236."

Section 12. Reserved.

Section 13. G.S. 105-129.17 reads as rewritten:

"§ 105-129.17. Tax election; cap.

(a) Tax Election. -- The credit credits allowed in this Article is are allowed against the franchise tax levied in Article 3 of this Chapter or the income taxes levied in Article 4 of this Chapter. The taxpayer must elect the tax against which the a credit will be claimed when filing the return on which the first installment of the credit is claimed. This election is binding. Any carryforwards of the a credit must be claimed against the same tax.

(b) Cap. -- The credit total credits allowed in this Article may not exceed fifty percent (50%) of the tax against which it is they are claimed for the taxable year, reduced by the sum of all other credits allowed against that tax, except tax payments made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year. Any unused portion of the credit credits may be carried forward for the succeeding five years."

Section 14. G.S. 105-129.18 reads as rewritten:
"§ 105-129.18. Substantiation.

To claim the credit credits allowed by this Article, the taxpayer must provide any information required by the Secretary of Revenue. Every taxpayer claiming a credit under this Article must maintain and make available for inspection by the Secretary of Revenue any records the Secretary considers necessary to determine and verify the amount of the credit to which the taxpayer is entitled. The burden of proving eligibility for the credit and the amount of the credit rests upon the taxpayer, and no credit may be allowed to a taxpayer that fails to maintain adequate records or to make them available for inspection."

The General Assembly of North Carolina enacts:

Section 1. G.S. 5A-21 reads as rewritten:

“§ 5A-21. Civil contempt; imprisonment to compel compliance.

(a) Failure to comply with an order of a court is a continuing civil contempt as long as:

(1) The order remains in force;
(2) The purpose of the order may still be served by compliance with the order; and
(2a) The noncompliance by the person to whom the order is directed is willful; and
(3) The person to whom the order is directed is able to comply with the order or is able to take reasonable measures that would enable him the person to comply with the order.

(b) A person who is found in civil contempt may be imprisoned as long as the civil contempt continues, subject to the limitations provided in subsections (b1) and (b2) of this section. Notwithstanding subsection (b2) of this section, if a person is found in civil contempt for failure to pay child support or failure to comply with a court order to perform an act that does not require the payment of a monetary judgment, the person may be imprisoned as long as the civil contempt continues without further hearing.

In that case, the person may not be imprisoned more than 90 days unless the person is arrested on probable cause.

(b2) The period of imprisonment for a person found in civil contempt shall not exceed 90 days for the same act of disobedience or refusal to comply with an order of the court. A person who has not purged himself or herself of the contempt within the period of imprisonment imposed by the court under this subsection may be recommitted for one or more successive periods of imprisonment, each not to exceed 90 days. However, the total period of imprisonment for the same act of disobedience or refusal to comply with the order of the court shall not exceed 12 months, including both the initial period of imprisonment imposed under this section and any additional period of imprisonment imposed under this subsection.
Before the court may recommit a person to any additional period of imprisonment under this subsection, the court shall conduct a hearing de novo. The court must enter a finding for or against the alleged contemnor on each of the elements of G.S. 5A-21(a), and must find that all of elements of G.S. 5A-21(a) continue to exist before the person can be recommitted. For purposes of this subsection, a person’s failure or refusal to purge himself or herself of contempt shall not be deemed a separate or additional act of disobedience, failure, or refusal to comply with an order of the court.

(c) A person who is found in civil contempt under this Article may, nevertheless, shall not, for the same conduct, be found in criminal contempt under Article 1 of this Chapter, Chapter, but the total period of imprisonment arising from the conduct may not exceed the greater of:

Section 2. G.S. 5A-23(e) reads as rewritten:
"(e) At the conclusion of the hearing, the judicial official must enter a finding for or against the alleged contemnor on each of the elements set out in G.S. 5A-21(a). Section 3. G.S. 5A-12(d) reads as rewritten:
"(d) A person held in criminal contempt under this Article may nevertheless, shall not, for the same conduct, be found in civil contempt under Article 2 of this Chapter, Civil Contempt. If a person is found in both civil contempt and criminal contempt for the same conduct, the total period of imprisonment is limited as provided in G.S. 5A-21(c)."

Section 4. G.S. 5A-23(a) reads as rewritten:
"(a) Proceedings for civil contempt are either by motion pursuant to G.S. 5A-23(a1), by the order of a judicial official directing the alleged contemnor to appear at a specified reasonable time and show cause why he should not be held in civil contempt, or by the notice of a judicial official that the alleged contemnor will be held in contempt unless he appears at a specified reasonable time and shows cause why he should not be held in contempt. The order or notice must be given at least five days in advance of the hearing unless good cause is shown. The order or notice may be issued on the motion and sworn statement or affidavit of one with an interest in enforcing the order, including a judge, and a finding by the judicial official of probable cause to believe there is civil contempt."

Section 5. G.S. 5A-23 is amended by adding a new subsection to read:
"(a1) Proceedings for civil contempt may be initiated by motion of an aggrieved party giving notice to the alleged contemnor to appear before the court for a hearing on whether the alleged contemnor
should be held in civil contempt. A copy of the motion and notice must be served on the alleged contemnor at least five days in advance of the hearing unless good cause is shown. The motion must include a sworn statement or affidavit by the aggrieved party setting forth the reasons why the alleged contemnor should be held in civil contempt. The burden of proof in a hearing pursuant to this subsection shall be on the aggrieved party."

Section 6. This act becomes effective December 1, 1999, and applies to all proceedings for civil contempt held on or after that date.

The General Assembly read three times and ratified this the 19th day of July, 1999.

"§ 59-73.2. Conversion of domestic partnership.

A domestic partnership may convert to a domestic limited liability company pursuant to Part 1 of Article 9A of Chapter 57C of the General Statutes, or to a domestic limited partnership pursuant to Part 10A of Article 5 of Chapter 59 of the General Statutes.

"§ 59-73.3. Merger.

A domestic partnership may merge with one or more other domestic partnerships or other business entities if:

(1) The merger is permitted by laws of the state or country governing the organization and internal affairs of each other merging business entity; and

(2) Each merging domestic partnership and each other merging business entity comply with the requirements of this Part and, to the extent applicable, the laws referred to in subdivision (1) of this section.

"§ 59-73.4. Plan of merger.

(a) Each merging domestic partnership and each other merging business entity shall approve a written plan of merger containing:

(1) For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;

(2) The name of the merging business entity that shall survive the merger;

(3) The terms and conditions of the merger; and

(4) The manner and basis for converting the interests in each merging business entity into interests, obligations, or securities of the surviving business entity or into cash or other property in whole or in part.

The plan of merger may contain other provisions relating to the merger.

(b) In the case of a merging domestic partnership, the plan of merger must be approved in the manner provided in a written partnership agreement that is binding on all the partners for approval of a merger with the type of business entity contemplated in the plan of merger or, if there is no provision, by the unanimous consent of its partners. In the case of each other merging business entity, the plan of merger must be approved in accordance with the laws of the state or country governing the organization and internal affairs of such merging business entity.
(c) After a plan of merger has been approved by the domestic partnership but before the articles of merger become effective, the plan of merger (i) may be amended as provided in the plan of merger, or (ii) may be abandoned (subject to any contractual rights) as provided in the plan of merger or a written partnership agreement that is binding on all the partners or, if not so provided, as determined by the unanimous consent of the partners.

"§ 59-73.5. Articles of merger.

(a) After a plan of merger has been approved by each merging domestic partnership and each other merging business entity as provided in G.S. 59-73.4, the surviving business entity shall deliver articles of merger to the Secretary of State for filing. The articles of merger shall set forth:

2. For each merging business entity, its name, type of business entity, and the state or country whose laws govern its organization and internal affairs;
3. The name and address of the surviving business entity;

If the plan of merger is amended or abandoned before the articles of merger become effective, the surviving business entity promptly shall deliver to the Secretary of State for filing an amendment to the articles of merger reflecting the amendment or abandonment of the plan of merger.

(b) A merger takes effect when the articles of merger become effective.

(c) Certificates of merger shall also be registered as provided in G.S. 47-18.1.

"§ 59-73.6. Effects of merger.

(a) When a merger takes effect:

1. Each other merging business entity merges into the surviving business entity, and the separate existence of each merging business entity except the surviving business entity ceases;
2. The title to all real estate and other property owned by each merging business entity is vested in the surviving business entity without reversion or impairment;
3. The surviving business entity has all liabilities of each merging business entity;
4. A proceeding pending by or against any merging business entity may be continued as if the merger did not occur, or the surviving business entity may be substituted in the proceeding for a merging business entity whose separate existence ceases in the merger;
The interests in each merging business entity that are to be converted into interests, obligations, or securities of the surviving business entity or into the right to receive cash or other property are thereupon so converted, and the former holders of the interests in each merging business entity are entitled only to the rights provided to them in the articles of merger or, in the case of former holders of shares in a domestic corporation (as defined in G.S. 55-1-40), any rights they may have under Article 13 of Chapter 55 of the General Statutes; and

If the surviving business entity is not a domestic corporation, the surviving business entity is deemed to agree that it will promptly pay to the dissenting shareholders of any merging domestic corporation the amount, if any, to which they are entitled under Article 13 of Chapter 55 of the General Statutes and otherwise to comply with the requirements of Article 13 as if it were a surviving domestic corporation in the merger.

The merger shall not affect the liability or absence of liability of any holder of an interest in a merging business entity for any acts, omissions, or obligations of any merging business entity made or incurred prior to the effectiveness of the merger. The cessation of separate existence of a merging business entity shall not constitute a dissolution or termination of the merging business entity.

If the surviving business entity is not a domestic limited liability company, a domestic corporation, a domestic nonprofit corporation, or a domestic limited partnership when the merger takes effect, the surviving business entity is deemed:

1. To agree that it may be served with process in this State in any proceeding for enforcement of (i) any obligation of any merging domestic limited liability company, domestic corporation, domestic nonprofit corporation, domestic limited partnership, or other partnership as defined in G.S. 59-36 that is formed under the laws of this State, (ii) the rights of dissenting shareholders of any merging domestic corporation under Article 13 of Chapter 55 of the General Statutes, and (iii) any obligation of the surviving business entity arising from the merger; and

2. If the surviving business entity does not have a registered agent in this State, to have appointed the Secretary of State as its registered agent for service of process in any such proceeding until such time as the surviving business entity appoints a registered agent in this State. Service on the Secretary of State of any such process shall be made by delivering to and leaving with the Secretary of State or with any clerk authorized by the Secretary of State to accept service of process, duplicate copies of such process. Upon receipt of service of process on behalf of a surviving business entity, the Secretary of State shall immediately mail
a copy of the process by registered or certified mail, return receipt requested, to the surviving business entity at its address shown in the articles of merger or, if an application for a certificate of withdrawal by reason of merger has been filed, at the address for service of process contained in that application.

"§ 59-73.7. Filing of documents.
(a) To be entitled to filing by the Secretary of State, a document submitted pursuant to this Part must meet all of the following requirements:

1. The document must contain the information required by this Part. It may contain other information as well.
2. The document must be typewritten or printed.
3. The document must be in the English language.
4. A document submitted by a partnership must be executed by a general partner of the partnership. A document submitted by a business entity other than a partnership must be executed by a person authorized to execute documents (i) pursuant to G.S. 55-1-20(f) if the business entity is a domestic or foreign corporation, (ii) pursuant to G.S. 55A-1-20(f) if the business entity is a domestic or foreign nonprofit corporation, (iii) pursuant to G.S. 57C-1-20(f) if the business entity is a domestic or foreign limited liability company, or (iv) pursuant to G.S. 59-204 if the business entity is a domestic or foreign limited partnership.

5. The person executing the document must sign it and state beneath or opposite the person’s signature, the person’s name and the capacity in which the person signs. Any signature on the document may be a facsimile. The document may, but need not, contain an acknowledgment, verification, or proof.

6. The document must be delivered to the Office of the Secretary of State for filing and must be accompanied by one exact or conformed copy and by the required filing fee.

(b) A partnership may correct a document filed by the Secretary of State pursuant to this Part if the document (i) contains a statement that is incorrect and was incorrect when the document was filed or (ii) was defectively executed, attested, sealed, verified, or acknowledged.

A document is corrected by:

1. Preparing articles of correction that (i) describe the document (including its filing date) or have attached to them a copy of the document, (ii) specify the incorrect statement and the reason it is incorrect or the manner in which the execution was defective, and (iii) correct the incorrect statement or defective execution; and

2. Delivering the articles of correction to the Secretary of State for filing, accompanied by one exact or conformed copy and the required filing fee.
Articles of correction are effective on the effective date of the document that is corrected except as to persons relying on the uncorrected document and adversely affected by the correction. As to those persons, articles of correction are effective when filed.

(c) The Secretary of State shall collect the following fees when the documents described in this subsection are submitted by a partnership to the Secretary of State for filing:

<table>

<tr>

</table>

The Secretary of State shall collect a fee of ten dollars ($10.00) each time process is served on the Secretary of State under this Part. The party to the proceeding causing service of process is entitled to recover this fee as costs if the party prevails in the proceeding.

The Secretary of State shall collect the following fees for copying, comparing, and certifying a copy of a document filed by a partnership pursuant to this Part:

1. One dollar ($1.00) a page for copying or comparing a copy to the original; and

2. Five dollars ($5.00) for the certificate.

(d) The Secretary of State shall guarantee the expedited filing of a document upon receipt of the document in proper form and the payment of the required filing fee. The Secretary of State may collect the following additional fees for the expedited filing of a document received in good form:

1. Two hundred dollars ($200.00) for the filing by the end of the same business day of a document received by 12:00 noon Eastern Standard Time; and

2. One hundred dollars ($100.00) for the filing of a document within 24 hours after receipt, excluding weekends and holidays.

The Secretary of State shall not collect the fees allowed in this subsection unless the person submitting the document for filing requests an expedited filing and is informed by the Secretary of State of the fees prior to the filing of the document.

(e) Upon request, the Secretary of State shall provide for the review of a document prior to its submission for filing to determine whether it satisfies the requirements of this Part. Submission of a document for review shall be accompanied by the proper fee and shall be in accordance with procedures adopted by rule by the Secretary of State. The advisory review shall be completed within 24 hours after submission, excluding weekends and holidays, unless the person submitting the document is otherwise notified in accordance with procedures adopted by rule by the Secretary of State fixing priority between submissions under this subsection and filings under subsection (d) of this section. Upon completion of the advisory review, the Secretary of State shall notify the person submitting the document of any deficiencies in the document that would prevent its filing.
(f) Except as provided in this subsection and in subsection (b) of this section, a document accepted for filing is effective:

(1) At the time of filing on the date it is filed, as evidenced by the Secretary of State's date and time endorsement on the original document; or

(2) At the time specified in the document as its effective time on the date it is filed.

A document may specify a delayed effective time and date, and if it does so the document becomes effective at the time and date specified. If a delayed effective date but no time is specified, the document is effective at 11:59:59 p.m. on that date. A delayed effective date for a document may not be later than the 90th day after the date it is filed.

The fact that a document has become effective under this subsection does not determine its validity or invalidity or the correctness or incorrectness of the information contained in the document.

(g) If a document delivered to the Office of the Secretary of State for filing satisfies the requirements of this Part, the Secretary of State shall file it. Documents filed with the Secretary of State pursuant to this Part may be maintained by the Secretary either in their original form or in photographic, microfilm, optical disk media, or other reproduced form. The Secretary may make reproductions of documents filed under this Part, or under any predecessor act, by photographic, microfilm, optical disk media, or other means of reproduction, and may destroy the originals of those documents reproduced.

The Secretary of State files a document by stamping or otherwise endorsing 'Filed', together with the Secretary of State's name and official title and the date and time of filing, on both the original and the document copy. After filing a document, the Secretary of State shall deliver the document copy to the partnership or its representative.

If the Secretary of State refuses to file a document, the Secretary of State shall return it to the partnership or its representative within five days after the document was received, together with a brief, written explanation of the reason for refusal. The Secretary of State may correct apparent errors and omissions on a document submitted for filing if authorized to make the corrections by the person submitting the document for filing. Prior to making the correction, the Secretary shall confirm the authorization to make the corrections according to procedures adopted by rule.

The Secretary of State's duty is to review and file documents that satisfy the requirements of this Part. The Secretary of State's filing or refusing to file a document does not:

(1) Affect the validity or invalidity of the document in whole or part;

(2) Relate to the correctness or incorrectness of information contained in the document; or
(3) Create a presumption that the document is valid or invalid or that information contained in the document is correct or incorrect.

(h) If the Secretary of State refuses to file a document delivered to the Secretary of State’s office for filing, the person tendering the document for filing may, within 30 days after the refusal, appeal the refusal to the Superior Court of Wake County. The appeal is commenced by filing a petition with the court and with the Secretary of State requesting the court to compel the Secretary of State to file the document. The petition shall have attached to it the document to be filed and the Secretary of State’s explanation for the refusal to file. The appeal to the Superior Court is not governed by Chapter 150B of the General Statutes, the Administrative Procedure Act, and the court shall determine, based upon what is appropriate under the circumstances, any further notice and opportunity to be heard.

Upon consideration of the petition and any response made by the Secretary of State, the court may, prior to entering final judgment, order the Secretary of State to file the document or take other action the court considers appropriate.

The court’s final decision may be appealed as in other civil proceedings.

(i) A certificate attached to a copy of a document filed by the Secretary of State, bearing the Secretary of State’s signature (which may be in facsimile) and the seal of office and certifying that the copy is a true copy of the document, is conclusive evidence that the original document is on file with the Secretary of State. A photographic, microfilm, optical disk media, or other reproduced copy of a document filed pursuant to this Part or any predecessor act, when certified by the Secretary, shall be considered an original for all purposes and is admissible in evidence in like manner as an original.

(j) A person commits an offense if the person signs a document the person knows is false in any material respect with intent that the document be delivered to the Secretary of State for filing. An offense under this subsection is a Class 1 misdemeanor.

(k) Whenever title to real property in this State held by a partnership is vested by operation of law in another entity upon merger, consolidation, or conversion of the partnership, a certificate reciting the merger, consolidation, or conversion shall be recorded in the office of the register of deeds of the county where the property is located, or if the property is located in more than one county, then in each county where any portion of the property is located.

The Secretary of State shall adopt uniform certificates to be furnished for registration in accordance with this subsection. In the case of a partnership formed under a law other than the laws of this State, a similar certificate by any competent authority of the jurisdiction of organization may be registered in accordance with this subsection.

The certificate required by this subsection shall be recorded by the register of deeds in the same manner as deeds, and for the same fees.
but no formalities as to acknowledgment, probate, or approval by any
other officer shall be required. The former name of the partnership
holding title to the real property before the merger, consolidation, or
conversion shall appear in the 'Grantor' index and the name of the
other entity holding title to the real property by virtue of the merger,
consolidation, or conversion shall appear in the 'Grantee' index."

PART VI. MUTUAL TO STOCK INSURANCE CONVERSION.
Section 6. Article 10 of Chapter 58 of the General Statutes is amended by adding a new section to read: "§ 58-10-10. Mutual conversion to stock insurer. (a) A domestic mutual insurer may convert to a domestic stock insurer under a plan that is approved in advance by the Commissioner. (b) The Commissioner shall not approve the plan unless: (1) It is fair and equitable to the insurer's policyholders. (2) It is adopted by the insurer's board of directors in accordance with the insurer's bylaws and approved by a vote of not less than two-thirds of the insurer's members voting on it in person, by proxy, or by mail at a meeting called for the purpose of voting on the plan, pursuant to reasonable notice and procedure as approved by the Commissioner. If the company is a life insurer, the right to vote may be limited, as its bylaws provide, to members whose policies are other than term or group policies and have been in effect for more than one year. (3) Each policyholder's equity in the insurer is determinable under a fair and reasonable formula approved by the Commissioner. The equity shall be based upon the insurer's entire statutory surplus after deducting certificates of contribution, guaranty capital certificates, and similar evidences of indebtedness included in an insurer's statutory surplus. (4) The policyholders entitled to vote on the plan and participate in the purchase of stock and distribution of assets include all policyholders on the date the plan was adopted by the insurer's board of directors. (5) The plan provides that each policyholder specified in subdivision (4) of this subsection receives a preemptive right to acquire a proportionate part of all of the proposed capital stock of the insurer or of all of the stock of a corporation affiliated with the insurer within a designated reasonable period as the part is determinable under the plan of conversion; and to apply toward the purchase of the stock the amount of the policyholder's equity in the insurer under subdivision (3) of this subsection. The plan must provide for an equitable distribution of fractional interests. (6) The plan provides for payment to each policyholder of the policyholder's entire equity in the insurer; with that payment to be applied toward the purchase of stock to which the policyholder is entitled preemptively or to be made in cash, or both. The cash payment may not exceed fifty percent (50%) of each policyholder's equity. The stock purchased, together with the cash payment, if any, shall constitute full payment and discharge of the policyholder's equity as an owner of the mutual insurer.
(7) Shares are to be offered to policyholders at a price not greater than that of shares to be subsequently offered to others.

(8) The Commissioner finds that the insurer’s management has not, through reduction of volume of new business written, through policy cancellations, or through any other means, sought to (i) reduce, limit, or affect the number or identity of the insurer’s members entitled to participate in the plan or (ii) secure for the individuals constituting management any unfair advantage through the plan.

(9) The plan, when completed, provides that the insurer’s capital and surplus are not less than the minimum required of a domestic stock insurer transacting the same kinds of insurance, are reasonable in relation to the insurer’s outstanding liabilities, and are adequate to meet its financial needs.

(c) With respect to an insurer with a guaranty capital, the conversion plan shall be approved by a vote of not less than two-thirds of the insurer’s guaranty capital shareholders and policyholders as provided for in subdivision (b)(2) of this section. The plan may provide for the issuance of stock in exchange for outstanding guaranty capital shares at their redemption value subject to the conditions in subsection (b) of this section.

(d) The Commissioner may schedule a public hearing on the proposed conversion plan.

(e) The Commissioner may retain, at the mutual insurer’s expense, any attorneys, actuaries, economists, accountants, or other experts not otherwise a part of the Commissioner’s staff as may be reasonably necessary to assist the Commissioner in reviewing the proposed conversion plan.

(f) The corporate existence of the mutual company continues in the stock company created under this section. All assets, rights, franchises, and interests of the former mutual insurer, in and to real or personal property, are deemed to be transferred to and vested in the stock insurer, without any other deed or transfer; and the stock insurer simultaneously assumes all of the obligations and liabilities of the former mutual insurer.

(g) No director, officer, or employee of the insurer shall receive:

(1) Any fee, commission, compensation, or other valuable consideration for aiding, promoting, or assisting in the conversion of the mutual insurer to a domestic stock insurer, other than compensation paid to any director, officer, or employee of the insurer in the ordinary course of business; or

(2) Any distribution of the assets, surplus, or capital of the insurer as part of a conversion.

(h) The Commissioner may adopt rules to carry out the provisions of this section.”

PART VII. HOMEOWNER ASSOCIATION REFUNDS.
Section 7. G.S. 55A-13-02(b) reads as rewritten:

"(b) Subject to the provisions of subsection (d) of this section, (i) a section:

(1) A corporation may make distributions to any entity that is exempt under section 501(c)(3) of the Internal Revenue Code of 1986 or any successor section, or that is organized exclusively for one or more of the purposes specified in section 501(c)(3) of the Internal Revenue Code of 1986 or any successor section and that upon dissolution shall distribute its assets to a charitable or religious corporation, the United States, a state or an entity that is exempt under section 501(c)(3) of the Internal Revenue Code of 1986 or any successor section, and (ii) any section.

(2) Any corporation other than a charitable or religious corporation may make distributions to any domestic or foreign corporation.

(3) Except as otherwise prohibited by statute, a corporation not operated for profit, the membership of which is limited to the owners or occupants of real property in a condominium, cooperative housing corporation, or other real property development, having as its primary purposes the management, operation, preservation, maintenance, and repair of common areas and improvements upon the real property owned by the members and the corporation or organization, may make distribution to its members of excess or surplus membership dues, fees, or assessments remaining after the payment of or provisions for common expenses and any prepayment of reserves; provided that these distributions are in proportion to the dues, fees, or assessments collected from the members."

An amount equal to the sum of all moneys estimated to have been taken in as gross income from such unlawful commercial activity shall be forfeited to the general funds of the city and county governments wherein such activity took place, to be shared equally, as a forfeiture of the fruits of an unlawful enterprise, and as partial restitution for damages done to the public welfare; provided, however, that no provision of this Article shall authorize the recovery of any moneys or gross income received from the sale of any book, magazine, or exhibition of any motion picture prior to the issuance of a preliminary injunction. Where the action is brought pursuant to this Article, special injury need not be proven, and the costs of abatement are a lien on both the real and personal property used in maintaining the nuisance. Costs of abatement include, but are not limited to, reasonable attorney’s fees and court costs.

Upon the filing of the action, the plaintiff may file a notice of lis pendens in the official records of the county where the property is located.

If it is judicially found after an adversary hearing pursuant to this Article that a tenant or occupant of a building or tenement, under a lawful title, uses such place for the purposes of lewdness, assignation, prostitution, gambling, sale or possession of illegal alcoholic beverages or substances proscribed under the North Carolina Controlled Substances Act, or repeated acts which create and constitute a breach of the peace, such use makes void the lease or other title under which he holds, at the option of the owner, and, without any act of the owner, causes the right of possession to revert and vest in such owner."

Section 10. G.S. 19-6.1 reads as rewritten:
"§ 19-6.1. Forfeiture of real property.
In all actions where a preliminary injunction, permanent injunction, or an order of abatement is issued pursuant to this Article in which the nuisance consists of or includes at least two prior occurrences within five years of the illegal possession or sale of narcotic drugs as defined in G.S. 90-87(17), manufacture, possession with intent to sell, or sale of controlled substances as defined by the North Carolina Controlled Substances Act, or two prior occurrences of the possession of any controlled substance included within Schedule I or II of that Act, the real property on which the nuisance exists or is maintained is subject to forfeiture in accordance with this section.
If all of the owners of the property are defendants in the action, the plaintiff, other than a plaintiff who is a private citizen, may request
forfeiture of the real property as part of the relief sought. If forfeiture is requested, and if jurisdiction over all defendant owners is established, upon judgment against the defendant or defendants, the court shall order forfeiture as follows:

(1) If the court finds by clear and convincing evidence that all the owners either (i) have participated in maintaining the nuisance on the property, or (ii) prior to the action had written notice from the plaintiff prior to the action plaintiff, or any governmental agent or entity authorized to bring an action pursuant to this Chapter, that the nuisance existed or was maintained on the property and have not made good faith efforts to stop the nuisance from occurring or recurring, the court shall order that the property be forfeited;

(2) If the court finds that one or more of the owners did not participate in maintaining the nuisance on the property or did not have written notice from the plaintiff prior to the action that the nuisance existed or was maintained on the property, the court shall not order forfeiture of the property immediately upon judgment. However, if after judgment and an order directing the defendants to abate the nuisance, the nuisance either continues, begins again, or otherwise recurs within five years of the order and the defendants have not made good faith efforts to abate the nuisance, the plaintiff may petition the court for forfeiture. Upon such petition, the defendant owner or owners shall be given notice and an opportunity to appear and be heard at a hearing to determine the continuation or recurrence of the nuisance. If, in this hearing (i) the plaintiff establishes by clear and convincing evidence that the nuisance, with the owner's or owners' knowledge, has either continued, begun again, or otherwise recurred, and (ii) the defendants fail to establish that they have made and are continuing to make good faith efforts to abate the nuisance, the court shall order that the property be forfeited.

For the purposes of this section, factors which may evidence good faith by the defendant to abate the nuisance include but are not limited to (i) cooperation with law enforcement authorities to abate the nuisance; (ii) lease restrictions prohibiting the illegal possession or sale of narcotic drugs and an action to evict a tenant for any violations of the lease provision; (iii) a criminal record check of prospective tenants; and (iv) reference checks of prior residency of prospective tenants.

Upon an order of forfeiture, title to the property shall vest in the school board of the county in which the property is located. If at the time of forfeiture the property is subject to a lien or security interest of a person not participating in the maintenance of the nuisance, the school board shall either (i) pay an amount to that person satisfying the lien or security interest; or (ii) sell the property and satisfy the
lien or security interest from the proceeds of the sale and additional monies, if necessary. If the property is not subject to any lien or security interest at the time of forfeiture, the school board may hold, maintain, lease, sell, or otherwise dispose of the property as it sees fit.

Upon the filing of the action, the plaintiff may file a notice of lis pendens in the official records of the county where the property is located. If the plaintiff files a notice of lis pendens, any person purchasing or obtaining an interest in the property thereafter shall be considered to have notice of the alleged nuisance, and shall forfeit his interest in the property upon a judgment of forfeiture in favor of the plaintiff.

If in the same action in which real property is forfeited the court finds that a tenant or occupant of the property participated in or maintained the nuisance, the lease or other title under which the tenant or occupant holds is void, and the right of possession vests in the new owner. Upon forfeiture, the rights of innocent tenants occupying separate units of the property who were not involved in the nuisance at the time the action was filed shall be in accordance with any relevant lease provisions in effect at the time or, in the absence of relevant lease provisions, in accordance with the law applying to other tenants or occupants of property that is sold, foreclosed upon, or otherwise obtained by new owners."

Section 11. This act becomes effective October 1, 1999.

In the General Assembly read three times and ratified this the 19th day of July, 1999.

Became law upon approval of the Governor at 9:00 p.m. on the 4th day of August, 1999.

S.B. 966 SESSION LAW 1999-372

AN ACT RELATING TO THE AUTHORITY TO ENTER INTO CONTRACTS FOR CONDUCTING MUNICIPAL AND COUNTY BUILDING INSPECTIONS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 153A-353 reads as rewritten:

"§ 153A-353. Joint inspection department; other arrangements.

A county may enter into and carry out contracts with one or more other counties or cities under which the parties agree to create and support a joint inspection department for enforcing those State and local laws and local ordinances and regulations specified in the agreement. The governing bodies of the contracting units may make any necessary appropriations for this purpose.

In lieu of a joint inspection department, a county may designate an inspector from another county or from a city to serve as a member of the county inspection department, with the approval of the governing body of the other county or city, or may city. A county may also contract with an individual who is not a city or county employee but
who holds one of the applicable certificates as provided in G.S. 153A-351.1 or G.S. 160A-411.1, G.S. 160A-411.1 or with the employer of an individual who holds one of the applicable certificates as provided in G.S. 153A-351.1 or G.S. 160A-411.1. Contracts with an individual or with the employer of an individual who is not an employee of another county or a city may be entered into only for specifically designated projects. The inspector, if designated from another county or city under this section, while exercising the duties of the position, is a county employee. The county shall have the same potential liability, if any, for inspections conducted by an individual who is not an employee of the county as it does for an individual who is an employee of the county. The company or individual with whom the county contracts shall have errors and omissions and other insurance coverage acceptable to the county."

Section 2. G.S. 153A-355 reads as rewritten:

Unless he or she is the owner of the building, no member of an inspection department or other individual contracting with a county to conduct inspections shall be financially interested or employed by a business that is financially interested in furnishing labor, material, or appliances for the construction, alteration, or maintenance of any building within the county's territorial jurisdiction or any part or system thereof, or in making plans or specifications therefor. No member of any inspection department or other individual or an employee of a company contracting with a county to conduct inspections may engage in any work that is inconsistent with his or her duties or with the interest of the county, county, as determined by the county. The county must find a conflict of interest if any of the following is the case:

(1) If the individual, company, or employee of a company contracting to perform inspections for the county has worked for the owner, developer, contractor, or project manager of the project to be inspected within the last two years.

(2) If the individual, company, or employee of a company contracting to perform inspections for the county is closely related to the owner, developer, contractor, or project manager of the project to be inspected.

(3) If the individual, company, or employee of a company contracting to perform inspections for the county has a financial or business interest in the project to be inspected."

Section 3. G.S. 160A-413 reads as rewritten:
"§ 160A-413. Joint inspection department; other arrangements.

A city council may enter into and carry out contracts with another city, county, or combination thereof under which the parties agree to create and support a joint inspection department for the enforcement of State and local laws specified in the agreement. The governing boards of the contracting parties are authorized to make any necessary appropriations for this purpose.
In lieu of a joint inspection department, a city council may designate an inspector from any other city or county to serve as a member of its inspection department with the approval of the governing body of the other city or county, or may county. A city may also contract with an individual who is not a city or county employee but who holds one of the applicable certificates as provided in G.S. 160A-411.1 or G.S. 153A-351.1, G.S. 153A-351.1 or with the employer of an individual who holds one of the applicable certificates as provided in G.S. 160A-411.1 or G.S. 153A-351.1. Contracts with an individual or with the employer of an individual who is not an employee of another city or a county may be entered into only for specifically designated projects. The inspector, if designated from another city or county under this section, shall, while exercising the duties of the position, be considered a municipal employee. The city shall have the same potential liability, if any, for inspections conducted by an individual who is not an employee of the city as it does for an individual who is an employee of the city. The company or individual with whom the city contracts shall have errors and omissions and other insurance coverage acceptable to the city.

The city council of any city may request the board of county commissioners of the county in which the city is located to direct one or more county building inspectors to exercise their powers within part or all of the city's jurisdiction, and they shall thereupon be empowered to do so until the city council officially withdraws its request in the manner provided in G.S. 160A-360(g).

Section 4. G.S. 160A-415 reads as rewritten:

"§ 160A-415. Conflicts of interest.

No member of an inspection department or other individual contracting with a city to conduct inspections shall be financially interested or employed by a business that is financially interested in the furnishing of labor, material, or appliances for the construction, alteration, or maintenance of any building within the city's jurisdiction or any part or system thereof, or in the making of plans or specifications therefor, unless he is the owner of the building. No member of an inspection department or other individual or an employee of a company contracting with a city to conduct inspections shall engage in any work that is inconsistent with his or her duties or with the interest of the city, as determined by the city. The city must find a conflict of interest if any of the following is the case:

(1) If the individual, company, or employee of a company contracting to perform inspections for the city has worked for the owner, developer, contractor, or project manager of the project to be inspected within the last two years.

(2) If the individual, company, or employee of a company contracting to perform inspections for the city is closely related to the owner, developer, contractor, or project manager of the project to be inspected.
(3) If the individual, company, or employee of a company contracting to perform inspections for the city has a financial or business interest in the project to be inspected.

The provisions of this section do not apply to a firefighter whose primary duties are fire suppression and rescue, but who engages in some fire inspection activities as a secondary responsibility of the firefighter's employment as a firefighter, except no firefighter may inspect any work actually done, or materials or appliances supplied, by the firefighter or the firefighter's business within the preceding six years."

Section 5. G.S. 143-151.8 reads as rewritten:

"§ 143-151.8. Definitions.

(5) "Qualified Code-enforcement official" means a person qualified under this Article to engage in the practice of Code enforcement.

(b) For purposes of this Article, the population of a city or county shall be determined according to the most current federal census, unless otherwise specified."

Section 6. This act is effective when it becomes law.
The General Assembly of North Carolina enacts:

Section 1. G.S. 115C-84.2(a) reads as rewritten:

"(a) School Calendar. -- Each local board of education shall adopt a school calendar consisting of 220 days all of which shall fall within the fiscal year. A school calendar shall include the following:

(1) A minimum of 180 days and 1,000 hours of instruction covering at least nine calendar months. The local board shall designate when the 180 instructional days shall occur. The number of instructional hours in an instructional day may vary according to local board policy and does not have to be uniform among the schools in the administrative unit. Local boards may approve school improvement plans that include days with varying amounts of instructional time. If school is closed early due to inclement weather, the day and the scheduled amount of instructional hours may count towards the required minimum to the extent allowed by State Board policy. The school calendar shall include a plan for making up days and instructional hours missed when schools are not opened due to inclement weather.

(2) A minimum of 10 annual vacation leave days.

(3) The same or an equivalent number of legal holidays occurring within the school calendar as those designated by the State Personnel Commission for State employees.

(4) Ten Eight days, as designated by the local board, for use as teacher workdays, additional instructional days, or other lawful purposes. A local board may delegate to the individual schools some or all of the Ten Eight days to schedule under subdivision (5) of this subsection. A local board may schedule different purposes for different personnel on any given day and is not required to schedule the same dates for all personnel.

(5) The remaining days shall be scheduled by each individual school by the school’s principal in consultation with the school improvement team. Days may be scheduled for any of the purposes allowed under subdivision (4) of this subsection. Before scheduling these days, the principal shall..."
work with the school improvement team to determine the
days to be scheduled and the purposes for which they should
be scheduled. Days may be scheduled and planned for
different purposes for different personnel and there is no
requirement to schedule the same dates for all personnel.
However, if during the last two years the local school
administrative unit has made up an average of at least eight
days for school closing because of inclement weather, the
local board may designate up to two of these days as
additional make-up days to be scheduled after the last day of
student attendance.

Local boards and individual schools are encouraged to use the
calendar flexibility in order to meet the annual performance standards
set by the State Board. Local boards of education shall consult with
parents and the employed public school personnel in the development
of the school calendar.

Local boards and individual schools shall give teachers at least 14
calendar days’ notice before requiring a teacher to work instead of
taking vacation leave on days scheduled in accordance with subdivision
(4) or (5) of this subsection. A teacher may elect to waive this notice
requirement for one or more such days."

Section 2. G.S. 115C-288 is amended by adding the following
new subsection to read:

"(l) To Establish School Improvement Teams. -- Each school year,
the principal shall ensure that a school improvement team is
established under G.S. 115C-105.27 for the purpose of developing,
reviewing, and revising a school improvement plan."

Section 3. G.S. 115C-47 is amended by adding the following
new subdivision to read:

"(38) To Establish School Improvement Teams. -- Local boards
shall adopt a policy to ensure that each principal has
established a school improvement team under G.S. 115C-
105.27 and in accordance with G.S. 115C-288(l). Local
boards shall direct the superintendent or the
superintendent’s designee to provide appropriate guidance
to principals to ensure that these teams are established and
that the principals work together with these teams to
develop, review, and amend school improvement plans for
their schools."

Section 4. The Joint Legislative Education Oversight
Committee shall study issues related to the development of a school
calendar including whether there is sufficient flexibility under the
current law to deal with school closings due to inclement weather and
emergency situations involving individual schools. The Joint
Legislative Education Oversight Committee may report its findings and
any recommendations to the 2000 Regular Session of the 1999
General Assembly, or to the 2001 General Assembly.

Section 5. This act becomes effective July 1, 1999, and applies
to all school years beginning with the 2000-2001 school year.
In the General Assembly read three times and ratified this the 19th day of July, 1999.
Became law upon approval of the Governor at 9:15 p.m. on the 4th day of August, 1999.

Notwithstanding the provisions of this section, the peer counselor privilege shall not be grounds for excluding evidence regarding the abuse or neglect of a child, or an illness of or injuries to a child, or the cause thereof, or for excluding evidence regarding the abuse, neglect, or exploitation of a disabled adult, or an illness of or injuries to a disabled adult, or the cause thereof, in any judicial proceeding related to a report pursuant to the Child Abuse Reporting Law, Article 3 of Chapter 7B, or to the Protection of the Abused, Neglected, or Exploited Disabled Adult Act, Article 6 of Chapter 108A of the General Statutes."

H.B. 279 SESSION LAW 1999-377

AN ACT TO AUTHORIZE TOWNSHIP HOSPITALS STILL OPERATING UNDER PRE-1983 LAW TO LEVY ADDITIONAL TAXES AFTER A REFERENDUM, AND TO MODERNIZE PROVISIONS OF LAW APPLICABLE TO THEM.

The General Assembly of North Carolina enacts:

Section 1. G.S. 131-4, as it applies to hospitals continuing to operate under Article 2, Chapter 131 of the North Carolina General Statutes pursuant to Section 3, Chapter 775 of the 1983 Session Laws, is amended by adding a new subdivision to read:

"(4) Extension of Tax Levy. Prior to or following the expiration of the tax levy specified in subdivision (3) of this section, a new petition may be presented to the governing body of any county in which a township is located, signed by 200 resident freeholders of such township asking that an annual tax continue to be levied for the maintenance, operation, and improvement of the public hospital, after the expiration of the tax levy specified in subdivision (3). The procedure for submitting the petition and holding an election on the issue of continuing the tax levy shall be the same as the procedure for the petition and election for establishment of the initial tax levy, provided that the requirement that 150 of the 200 petitioners not be residents of the city, town, or village where the hospital is to be located shall not apply. The tax to be levied under such new election shall not
exceed one twenty-fifth of one cent (1/25 of 1 cent) on the dollar ($1.00) for a period of time not exceeding 30 years and shall be for the issue of county or township bonds to provide funds for the maintenance and improvement of the public hospital."

Section 2. G.S. 131-5 reads as rewritten:

The ballots to be used at any election at which the hospital question is submitted shall be printed with a statement substantially as follows:

The maximum civil penalty for a violation of a stop-work order violation is five thousand dollars ($5,000). H.B. 1471          SESSION LAW 1999-380

AN ACT TO ADJUST THE MATURITY DATE OF THE 1996 HIGHWAY BONDS TO REFLECT A CHANGE IN THE ESTIMATED COMPLETION DATE OF HIGHWAY TRUST FUND PROJECTS.

The General Assembly of North Carolina enacts:

Section 1. The General Assembly finds that:

(1) The State Highway Bond Act of 1996 provided, subject to a vote of the qualified voters of the State, for the issuance of nine hundred fifty million dollars ($950,000,000) general obligation bonds of the State for certain highway purposes.

(2) These bonds were approved by the voters.

(3) The State Highway Bond Act of 1996 stated that the bonds could be used to expedite the completion of certain highway projects that would otherwise be funded from the Highway Trust Fund only when sufficient revenues were generated.

(4) The State Highway Bond Act of 1996 also stated the intent of the General Assembly that the debt service on the bonds be paid for with the revenues that would otherwise be
deposited to the Highway Trust Fund to fund highway construction.

(5) The State Highway Bond Act of 1996 recognized that these revenues would be available only until the Highway Trust Fund sunset upon completion of the highway construction it funds, estimated to occur at the end of 2013, and thus required that the bonds must mature not later than that date.

(6) Since 1996, it has been determined that the Highway Trust Fund construction projects will not be completed by 2013 but instead could take until at least 2020.

(7) Accordingly, the 2013 deadline set for the maturity of the highway bonds is no longer appropriate, and should be extended to the current estimated date for completion of Highway Trust Fund projects, which is 2020.

Section 2. Section 2(b) of Chapter 590 of the 1995 Session Laws (1996) reads as rewritten:

"(b) Findings and determinations. -- The General Assembly finds that:

(1) Pursuant to Chapter 692 of the 1989 Session Laws, the General Assembly created the Highway Trust Fund, provided for revenues to be deposited to the Highway Trust Fund, and designated how the revenues may be expended.

(2) As contemplated by Chapter 692, highway construction to be funded from the Highway Trust Fund is funded on a "pay-as-you-go" basis, with highway construction proceeding based upon the amount of funds to be available to pay the costs of the construction on a current basis, and this highway construction is expected to be completed and funded by December 31, 2013, 2020.

(3) Providing funds from the proceeds of bonds as authorized in this act will expedite the completion of construction of urban loops, Intrastate System highways, and necessary improvements to the State secondary road highway system that otherwise would be constructed only when sufficient revenues were generated to fund this construction.

(4) The State could issue the bonds authorized by this act, expediting this construction, and could provide sufficient funds to pay debt service on the bonds from the moneys otherwise to be deposited to the Highway Trust Fund to fund highway construction.

(5) Sufficient moneys are expected to be deposited to the Highway Trust Fund to pay anticipated debt service on the bonds authorized by this act.

(6) Although the bonds authorized by this act will constitute general obligation bonds, secured by the faith and credit and taxing power of the State, and although the funds deposited to the Highway Trust Fund are not specifically pledged to pay debt service on the bonds, it is the intent of the General Assembly that the debt service on the bonds authorized by
this act will be provided from amounts deposited to the Highway Trust Fund, and certain amendments to Chapter 692 of the 1989 Session Laws are necessary to facilitate this funding of payments."

Section 3. Section 10(a) of Chapter 590 of the 1995 Session Laws (1996) reads as rewritten:

"(a) Terms and conditions. Bonds or notes may bear such date or dates, may be serial or term bonds or notes, or any combination thereof, may mature in such amounts and at such time or times, not later than December 1, 2013, 2020, may be payable at such place or places, either within or without the United States of America, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts, may bear interest at such rate or rates, which may vary from time to time, and may be made redeemable before maturity, at the option of the State or otherwise as may be provided by the State, at such price or prices, including a price less than the face amount of the bonds or notes, and under such terms and conditions, all as may be determined by the State Treasurer, by and with the consent of the Council of State."

Section 4. This act is effective when it becomes law.

In the General Assembly read three times and ratified this the 19th day of July, 1999.

Became law upon approval of the Governor at 9:49 p.m. on the 4th day of August, 1999.

Owners to whom a credit is allocated are allowed the credit as if they had qualified for the credit directly. A pass-through entity and its owners must include with their tax returns for every taxable year in which an allocated credit is claimed a statement of the allocation made by the pass-through entity and the allocation that would have been required under G.S. 105-131.8 or G.S. 105-269.15.

The amount of the credit is equal to thirty percent (30%) of the rehabilitation expenses. To qualify for the credit, the taxpayer’s rehabilitation expenses must exceed twenty-five thousand dollars ($25,000) within a 24-month period. (b) Credit Limitations. -- The entire credit may not be taken for the taxable year in which the property is placed in service but must be taken in five equal installments beginning with the taxable year in which the property is placed in service. Any unused portion of the credit may be carried forward for the succeeding five years. (f) Liability From Forfeiture. -- A taxpayer or an owner of a pass-through entity that forfeits a credit under this section is liable for all past taxes avoided as a result of the credit plus interest at the rate established under G.S. 105-241.1(i), computed from the date the taxes would have been due if the credit had not been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited. A taxpayer or owner of a pass-through entity that fails to pay the taxes and interest by the due date is subject to the penalties provided in G.S. 105-236."

### Section 2.(a)

The Chief Justice may choose up to two of the eight divisions established pursuant to G.S. 7A-41, as amended in Section 1 of this act, or portions of those divisions, without dividing district court districts, in which to establish pilot programs for the organization and management of the trial courts. A majority of the senior resident superior court judges and chief district court judges of a division or portion of a division selected for a pilot must consent in order for their area to be designated as a pilot program.

### Section 2.(b)

In conducting the pilot program or programs, the Chief Justice is requested to:

1. After consultation with the senior resident superior court judges and chief district court judges of the districts comprising each pilot region, designate one judge to serve as the coordinating judge for that pilot program;
2. Assign staff to assist each coordinating judge;
3. Establish and, in consultation with the affected judges, district attorneys, and clerks of court, appoint the members of an advisory judicial council for each pilot program;
4. Authorize the coordinating judge, with the consent of the clerks of superior court, the district attorneys, the senior resident superior court judges, and the chief district court judges, and after an opportunity for comment by members of the public and the practicing attorneys within the pilot area, to:
   a. Establish a schedule for all sessions of trial court;
   b. Assign judges to sessions of court;
   c. Develop and implement a procedure for the calendaring of cases, both criminal and civil, with assistance from the trial court administrator;
   d. Assign particular categories of cases to individual judges;
   e. Notwithstanding any other provision of law, determine the circumstances under which judges may hear motions.
and other pretrial proceedings outside the county in
which the case arose but within the same judicial district;
f. Establish local rules for the management of the pilot
program, subject to the approval of the Chief Justice;
and
g. Transfer funds within budget categories to the extent
allowed by the General Assembly and the Director of the
Budget.

Section 2.(c) The Chief Justice and the Administrative Office
of the Courts shall report to the General Assembly by March 1, 2002,
on the operation of this pilot program and its implications for
improving the efficiency and consistency of the State court system and
providing better flexibility for addressing future changes in caseload.

Section 3. The one hundred fifty thousand dollars ($150,000)
provided by S.L. 1999-237 for implementation of House Bill 1225
shall instead be used to implement the provisions of this act (the
companion bill), and to provide equipment and consulting and other
services necessary to operate the pilot programs authorized in this act.
The Administrative Office of the Courts shall consult with the judge or
judges designated as coordinating judges for each pilot before
establishing any positions or expending any funds for equipment and
support services. Each coordinating judge shall be the hiring
authority for purposes of administering the positions created from
funds appropriated to the reserve fund. The Administrative Office of
the Courts shall include an accounting of the use of these funds in the
report required by subsection (c) of Section 2 of this act.

Section 4. This act becomes effective January 1, 2000.

20th day of July, 1999.

S.B. 1099 SESSION LAW 1999-397

AN ACT TO AMEND THE LAWS GOVERNING ALTERNATIVE
SCHOOLS AND ALTERNATIVE LEARNING PROGRAMS SO
AS TO IMPROVE THE QUALITY OF EDUCATIONAL
SERVICES PROVIDED TO STUDENTS WHO ARE AT RISK OF
ACADEMIC FAILURE AND TO INCREASE THE
EDUCATIONAL EXPECTATIONS FOR THESE STUDENTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 115C-105.27 reads as rewritten:
"§ 115C-105.27. Development and approval of school improvement
plans.
In order to improve student performance, each school shall develop
a school improvement plan that takes into consideration the annual
performance goal for that school that is set by the State Board under
G.S. 115C-105.35. The principal of each school, representatives of
the assistant principals, instructional personnel, instructional support personnel, and teacher assistants assigned to the school building, and parents of children enrolled in the school shall constitute a school improvement team to develop a school improvement plan to improve student performance. Unless the local board of education has adopted an election policy, parents shall be elected by parents of children enrolled in the school in an election conducted by the parent and teacher organization of the school or, if none exists, by the largest organization of parents formed for this purpose. Parents serving on school improvement teams shall reflect the racial and socioeconomic composition of the students enrolled in that school and shall not be members of the building-level staff. Parental involvement is a critical component of school success and positive student achievement; therefore, it is the intent of the General Assembly that parents, along with teachers, have a substantial role in developing school improvement plans. To this end, school improvement team meetings shall be held at a convenient time to assure substantial parent participation. The strategies for improving student performance shall include a plan for the use of staff development funds that may be made available to the school by the local board of education to implement the school improvement plan and shall include a plan to address school safety and discipline concerns in accordance with the safe school plan developed under Article 8C of this Chapter. The strategies may include a decision to use State funds in accordance with G.S. 115C-105.25. The strategies for improving student performance shall include a plan that specifies the effective instructional practices and methods to be used to improve the academic performance of students identified as at risk of academic failure or at risk of dropping out of school. The strategies may also include requests for waivers of State laws, rules, or policies for that school. A request for a waiver shall meet the requirements of G.S. 115C-105.26.

Support among affected staff members is essential to successful implementation of a school improvement plan to address improved student performance at that school. The principal of the school shall present the proposed school improvement plan to all of the principals, assistant principals, instructional personnel, instructional support personnel, and teacher assistants assigned to the school building for their review and vote. The vote shall be by secret ballot. The principal shall submit the school improvement plan to the local board of education only if the proposed school improvement plan has the approval of a majority of the staff who voted on the plan.

The local board of education shall accept or reject the school improvement plan. The local board shall not make any substantive changes in any school improvement plan that it accepts. If the local board rejects a school improvement plan, the local board shall state with specificity its reasons for rejecting the plan; the school improvement team may then prepare another plan, present it to the principals, assistant principals, instructional personnel, instructional support personnel, and teacher assistants assigned to the school.
building for a vote, and submit it to the local board to accept or reject. If no school improvement plan is accepted for a school within 60 days after its initial submission to the local board, the school or the local board may ask to use the process to resolve disagreements recommended in the guidelines developed by the State Board under G.S. 115C-105.20(b)(5). If this request is made, both the school and local board shall participate in the process to resolve disagreements. If there is no request to use that process, then the local board may develop a school improvement plan for the school. The General Assembly urges the local board to utilize the school’s proposed school improvement plan to the maximum extent possible when developing such a plan.

A school improvement plan shall remain in effect for no more than three years; however, the school improvement team may amend the plan as often as is necessary or appropriate. If, at any time, any part of a school improvement plan becomes unlawful or the local board finds that a school improvement plan is impeding student performance at a school, the local board may vacate the relevant portion of the plan and may direct the school to revise that portion. The procedures set out in this subsection shall apply to amendments and revisions to school improvement plans."

Section 2. Article 8C of Chapter 115C of the General Statutes reads as rewritten:

"ARTICLE 8C.
Local Plans for Alternative Schools/Alternative Learning Programs and Maintaining Safe and Orderly Schools.
"§ 115C-105.45. Legislative findings.
The General Assembly finds that all schools should be safe, secure, and orderly. If students are to aim for academic excellence, it is imperative that there is a climate of respect in every school and that every school is free of disruption, drugs, violence, and weapons. All schools must have plans, policies, and procedures for dealing with disorderly and disruptive behavior. All schools and school units must have effective measures for assisting students who are at risk of academic failure or of engaging in disruptive and disorderly behavior.
"§ 115C-105.46. State Board of Education responsibilities.
In order to implement this Article, the State Board of Education:

1) Shall adopt guidelines for developing local plans under G.S. 115C-105.47; G.S. 115C-105.47.

2) Shall provide, in cooperation with the Board of Governors of The University of North Carolina, ongoing technical assistance to the local school administrative units in the development, implementation, and evaluation of their local plans under G.S. 115C-105.57; G.S. 115C-105.57.

3) May require a local board of education to withhold the salary of any administrator or other employee of a local school administrative unit who delays or refuses to prepare
and implement local safe school plans in accordance with G.S. 115C-105.47; and G.S. 115C-105.47.

(4) May revoke the certificate of the superintendent, pursuant to G.S. 115C-274(c), for failure to fulfill the superintendent's duties under a local safe school plan.

(5) Shall adopt policies that define who is an at-risk student.

§ 115C-105.47. Local safe school plans.

(a) Each local board of education shall develop a local school administrative unit safe school plan designed to provide that every school in the local school administrative unit is safe, secure, and orderly, that there is a climate of respect in every school, and that appropriate personal conduct is a priority for all students and all public school personnel. The board shall include parents, the school community, representatives of the community, and others in the development or review of this plan. The plan may be developed by or in conjunction with other committees.

(b) Each plan shall include each of the following components:

(1) Clear statements of the standard of behavior expected of students at different grade levels and of school personnel and clear statements of the consequences that will result from one or more violations of those standards. There shall be a statement of consequences for students under the age of 13 who physically assault and seriously injure a teacher or other individual on school property or at a school-sponsored or school-related activity. The consequences may include placement in an alternative setting.

(2) A clear statement of the responsibility of the superintendent for coordinating the adoption and the implementation of the plan, evaluating principals' performance regarding school safety, monitoring and evaluating the implementation of safety plans at the school level, and coordinating with local law enforcement and court officials appropriate aspects of implementation of the plan. The statement of responsibility shall provide appropriate disciplinary consequences that may occur if the superintendent fails to carry out these responsibilities. These consequences may include a reprimand in the superintendent's personnel file or withholding of the superintendent's salary, or both.

(3) A clear statement of the responsibility of the school principal for restoring, if necessary, and maintaining a safe, secure, and orderly school environment and of the consequences that may occur if the principal fails to meet that responsibility. The principal's duties shall include exhibiting appropriate leadership for school personnel and students, providing for alternative placements for students who are seriously disruptive, reporting all criminal acts under G.S. 115C-288(g), and providing appropriate
disciplinary consequences for disruptive students. The consequences to the principal that may occur shall include a reprimand in the principal's personnel file and disciplinary proceedings under G.S. 115C-325.

(4) Clear statements of the roles of other administrators, teachers, and other school personnel in restoring, if necessary, and maintaining a safe, secure, and orderly school environment.

(5) Procedures for identifying and serving the needs of students who are at risk of academic failure or of engaging in disruptive or disorderly behavior.

(6) Mechanisms for assessing the needs of disruptive and disorderly students, students and students who are at risk of academic failure, and providing them with services to assist them in achieving academically and in modifying their behavior, and removing them from the classroom when necessary.

(7) Measurable objectives for improving school safety and order.

(8) Measures of the effectiveness of efforts to assist students at risk of academic failure or of engaging in disorderly or disruptive behavior. The measures shall include an analysis of the effectiveness of procedures adopted under G.S. 115C-105.48 for students referred to alternative schools and alternative learning programs.

(9) Professional development clearly matched to the goals and objectives of the plan.

(10) A plan to work effectively with local law enforcement officials and court officials to ensure that schools are safe and laws are enforced.

(11) A plan to provide access to information to the school community, parents, and representatives of the local community on the ongoing implementation of the local plan, monitoring of the local plan, and the integration of educational and other services for students into the total school program.

(12) The name and role description of the person responsible for implementation of the plan.

(13) Direction to school improvement teams within the local school administrative unit to consider the special conditions at their schools and to incorporate into their school improvement plans the appropriate components of the local plan for:

a. maintaining safe and orderly schools; and

b. addressing the needs of students who are at risk of academic failure or who are disruptive or both.

(13a) A clear statement of the services that will be provided to students who are assigned to an alternative school or an alternative learning program.
(14) A clear and detailed statement of the planned use of federal, State, and local funds allocated for at-risk students, students and alternative schools, or both, schools and alternative learning programs.

(15) Any other information the local board considers necessary or appropriate to implement this Article.

A local board may develop its plan under this section by conducting a comprehensive review of its existing policies, plans, statements, and procedures to determine whether they: (i) are effective; (ii) have been updated to address recent changes in the law; (iii) meet the current needs of each school in the local school administrative unit; and (iv) address the components required to be included in the local plan. The board then may consolidate and supplement any previously developed policies, plans, statements, and procedures that the board determines are effective and updated, meet the current needs of each school, and meet the requirements of this subsection.

Once developed, the board shall submit the local plan to the State Board of Education and shall ensure the plan is available and accessible to parents and the school community. The board shall provide annually to the State Board information that demonstrates how the At-Risk Student Services/Alternative Schools Funding allotment has been used to (i) prevent academic failure or and (ii) promote school safety.

(c) A local board may amend the plan as often as it considers necessary or appropriate.

"§ 115C-105.48. Placement of students in alternative schools/alternative learning programs.

(a) Prior to referring a student to an alternative school or an alternative learning program, the referring school shall:

(1) Document the procedures that were used to identify the student as being at risk of academic failure or as being disruptive or disorderly.

(2) Provide the reasons for referring the student to an alternative school or an alternative learning program.

(3) Provide to the alternative school or alternative learning program all relevant student records, including anecdotal information.

(b) When a student is placed in an alternative school or an alternative learning program, the appropriate staff of the alternative school or alternative learning program shall meet to review the records forwarded by the referring school and to determine what support services and intervention strategies are recommended for the student. The parents shall be encouraged to provide input regarding the students' needs."

Section 3. G.S. 115C-12(24), as amended by Section 8.25(d) of S.L. 1999-237, reads as rewritten:

"§ 115C-12. Powers and duties of the Board generally.

The general supervision and administration of the free public school system shall be vested in the State Board of Education. The State
Board of Education shall establish policy for the system of free public schools, subject to laws enacted by the General Assembly. The powers and duties of the State Board of Education are defined as follows:

... Duty to Develop Policies and Guidelines for Alternative Learning Programs, Provide Technical Assistance on Implementation of Programs, and Evaluate Programs. -- The State Board of Education shall adopt guidelines for assigning students to alternative learning programs. These guidelines shall include (i) a description of the programs and services that are recommended to be provided in alternative learning programs and (ii) a process for ensuring that an assignment is appropriate for the student and that the student's parents are involved in the decision. The State Board also shall adopt policies that define what constitutes an alternative school and an alternative learning program.

The State Board of Education shall also adopt guidelines to require that local school administrative units shall use (i) the teachers allocated for students assigned to alternative learning programs pursuant to the regular teacher allotment and (ii) the teachers allocated for students assigned to alternative learning programs only to serve the needs of these students.

The State Board of Education shall provide technical support to local school administrative units to assist them in developing and implementing plans for alternative learning programs.

The State Board shall evaluate the effectiveness of alternative learning programs and, in its discretion, of any other programs funded from the Alternative Schools/At-Risk Student allotment. Local school administrative units shall report to the State Board of Education on how funds in the Alternative Schools/At-Risk Student allotment are spent and shall otherwise cooperate with the State Board of Education in evaluating the alternative learning programs. As part of its evaluation of the effectiveness of these programs, the State Board shall, through the application of the accountability system developed under G.S. 115C-105.35, measure the educational performance and growth of students placed in alternative schools and alternative programs. If appropriate, the Board may modify this system to adapt to the specific characteristics of these schools."

Section 4. G.S. 115C-47(32a) is amended by adding the following at the end:

"Local boards shall assess on a regular basis whether the unit's alternative schools and alternative learning programs incorporate best practices for improving student academic performance and reducing
disruptive behavior, are staffed with professional public school employees who are well trained and provided with appropriate staff development, are organized to provide coordinated services, and provide students with high quality and rigorous academic instruction."

Section 5. (a) During the 1999-2000 school year, school improvement teams shall review and revise their school improvement plans to incorporate the provisions of Section 1 of this act.

Section 5. (b) Local boards of education shall review and revise their existing safe school plans to incorporate the provisions of Section 2 of this act. Local boards shall submit their revised plans to the State Board of Education by July 1, 2000. The State Board shall review the plans and may make recommendations regarding their implementation. Local boards of education are encouraged to consider these recommendations prior to implementing their revised safe school plans.

Section 6. G.S. 115C-105.48, as created in Section 2 of this act, becomes effective January 1, 2000. The remainder of this act is effective when it becomes law.

In the General Assembly read three times and ratified this the 20th day of July, 1999.

Became law upon approval of the Governor at 9:14 p.m. on the 5th day of August, 1999.

SESSION LAW 1999-402

AN ACT TO AUTHORIZE THE ESTABLISHMENT OF A TELECOMMUNICATIONS RELAY SERVICE TO ASSIST DEAF AND HEARING IMPAIRED PERSONS, INCLUDING THOSE WHO ALSO HAVE VISION IMPAIRMENT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 62-157 reads as rewritten:

(a) Finding. -- The General Assembly finds and declares that it is in the public interest to provide access to public telecommunications services for hearing impaired or speech impaired persons, including those who also have vision impairment, and that a statewide dual party telephone relay system telecommunications relay service for telephone service should be established.
(a1) Definitions. -- For purposes of this section:
(1) "Exchange access facility" means the access from a particular telephone subscriber's premises to the telephone system of a local exchange telephone company, and includes local exchange company-provided access lines, private branch exchange trunks, and centrex network access
registers, all as defined by tariffs of telephone companies as approved by the Commission.

(2) "Local service provider" means a local exchange company, competing local provider, or telephone membership corporation.

(b) Authority to Require Surcharge. -- The Commission shall require local exchange companies and telephone membership corporations to impose a monthly surcharge on all residential and business local exchange access facilities to fund a statewide dual-party telephone relay service by which hearing impaired or speech impaired persons, including those who also have vision impairment, may communicate with others by telephone. For the purpose of this section, exchange access facility means the access from a particular telephone subscriber's premises to the telephone system of a local exchange telephone company. Exchange access facilities include local exchange company provided access lines, private branch exchange trunks, and centrex network access registers, all as defined by tariffs of telephone companies as approved by the Commission. This surcharge, however, may not be imposed on participants in the Subscriber Line Charge Waiver Program or the Link-up Carolina Program established by the Commission. This surcharge, and long distance revenues collected under subsection (f) of this section, are not includable in gross receipts subject to the franchise tax levied under G.S. 105-120 or the sales tax levied under G.S. 105-164.4.

(c) Initiating Petition. Specification of Surcharge. -- Not later than February 1, 1990, the Department of Health and Human Services shall initiate a dual-party relay system telecommunications relay service by filing a petition with the Commission requesting the system service and detailing initial projected required funding. The Commission shall, after giving notice and an opportunity to be heard to other interested parties, set the initial monthly surcharge based upon the amount of funding necessary to implement and operate the system service, including a reasonable margin for a reserve. The surcharge shall be identified on customer bills as a special surcharge for provision of a dual-party relay system telecommunications relay service for hearing impaired and speech impaired persons. The Commission may, upon petition of any interested party, and after giving notice and an opportunity to be heard to other interested parties, revise the surcharge from time to time if the funding requirements change. In no event shall the surcharge exceed twenty-five cents (25c) per month for each exchange access facility.

(d) Funds to Be Deposited in Special Account. -- The local exchange companies and telephone membership corporations shall collect the surcharge from their customers and deposit the moneys collected with the State Treasurer, who shall maintain the funds in an interest-bearing, nonreverting account. After consulting with the State Treasurer, the Commission shall direct how and when the local exchange companies and telephone membership corporations
service providers shall deposit these moneys. The funds deposited in this account may not be used to lease or purchase telecommunications devices for hearing impaired or speech impaired persons, except those devices used by the operator of the relay system established under this section. Revenues from this fund shall be available only to the Department of Health and Human Services to administer the statewide dual party telephone relay system, telecommunications relay service program, including its establishment, operation, and promotion. The Commission may allow the Department of Health and Human Services to use up to four cents (4¢) per access line per month of the surcharge for the purpose of providing telecommunications devices for hearing impaired or speech impaired persons, including those who also have vision impairment, through a distribution program. The Commission shall prepare such guidelines for the distribution program as it deems appropriate and in the public interest. Both the Commission and the Public Staff may audit all aspects of the telecommunications relay service program, including the distribution programs, as it does with any public utility subject to the provisions of this Chapter. Equipment paid for with surcharge revenues, as allowed by the Commission, may be distributed only by the Department of Health and Human Services.

(e) Administration of Service. -- The Department of Health and Human Services shall administer the statewide dual party telephone relay system, telecommunications relay service program, including its establishment, operation, and promotion. The Department may contract out the provision of this service for four-year periods to one or more service providers, using the provisions of G.S. 143-129.

(f) Charge to Users. -- The users of the relay system telecommunications relay service shall be charged their approved long distance and local rates for telephone services (including the surcharge required by this section), but no additional charges may be imposed for the use of the relay system service. The local exchange companies and telephone membership corporations service providers shall collect revenues from the users of the relay system service for long distance services provided through the relay system service. These revenues shall be deposited in the special fund established in subsection (d) of this section in a manner determined by the Commission after consulting with the State Treasurer. Local exchange companies and telephone membership corporations service providers shall be compensated for collection, inquiry, and other administrative services provided by said companies, subject to the approval of the Commission.

(g) Reporting Requirement. -- The Commission shall, after consulting with the Department of Health and Human Services, develop a format and filing schedule for a comprehensive financial and operational report on the dual party relay system telecommunications relay service program. The Department of Health and Human Services shall thereafter prepare and file these reports as required by the Commission with the Commission and Joint Legislative Utility Review
Committee, the Public Staff. The Department shall also be required to report to the Revenue Laws Study Committee.

(h) Power to Regulate. -- The Commission shall have the same power to regulate the operation of the dual party relay system telecommunications relay service program as it has to regulate any public utility subject to the provisions of this Chapter."

H.B. 1135  SESSION LAW 1999-406

AN ACT TO IMPLEMENT THE RECOMMENDATIONS OF THE GOVERNOR'S DWI TASK FORCE.

The General Assembly of North Carolina enacts:

PART I. LOWER TOLERANCE FOR REPEAT OFFENDERS

Section 1. G.S. 20-16.2 reads as rewritten:
§ 20-16.2. **Implied consent to chemical analysis; mandatory revocation of license in event of refusal; right of driver to request analysis.**

(a) **Basis for Charging Officer to Require Chemical Analysis; Notification of Rights.** -- Any person who drives a vehicle on a highway or public vehicular area thereby gives consent to a chemical analysis if charged with an implied-consent offense. The charging officer shall designate the type of chemical analysis to be administered, and it may be administered when the officer has reasonable grounds to believe that the person charged has committed the implied-consent offense.

Except as provided in this subsection or subsection (b), before any type of chemical analysis is administered the person charged shall be taken before a chemical analyst authorized to administer a test of a person's breath, who shall inform the person orally and also give the person a notice in writing that:

1. The person has a right to refuse to be tested.
2. Refusal to take any required test or tests will result in an immediate revocation of the person’s driving privilege for at least 30 days and an additional 12-month revocation by the Division of Motor Vehicles.
3. The test results, or the fact of the person’s refusal, will be admissible in evidence at trial on the offense charged.
4. The person’s driving privilege will be revoked immediately for at least 30 days if:
   a. The test reveals an alcohol concentration of 0.08 or more;
   b. The person was driving a commercial motor vehicle and the test reveals an alcohol concentration of 0.04 or more;
   c. The person is under 21 years of age and the test reveals any alcohol concentration.
5. The person may choose a qualified person to administer a chemical test or tests in addition to any test administered at the direction of the charging officer.
6. The person has the right to call an attorney and select a witness to view for him or her the testing procedures, but the testing may not be delayed for these purposes longer than 30 minutes from the time when the person is notified of his or her rights.

If the charging officer or an arresting officer is authorized to administer a chemical analysis of a person’s breath, the charging officer or the arresting officer may give the person charged the oral and written notice of rights required by this subsection. This authority applies regardless of the type of chemical analysis designated.

(a1) **Meaning of Terms.** -- Under this section, an "implied-consent offense" is an offense involving impaired driving or an alcohol-related offense made subject to the procedures of this section. A person is "charged" with an offense if the person is arrested for it or if criminal process for the offense has been issued. A "charging officer" is a law-
enforcement officer who arrests the person charged, lodges the charge, or assists the officer who arrested the person or lodged the charge by assuming custody of the person to make the request required by subsection (c) and, if necessary, to present the person to a judicial official for an initial appearance.

(b) Unconscious Person May Be Tested. -- If a charging officer has reasonable grounds to believe that a person has committed an implied-consent offense, and the person is unconscious or otherwise in a condition that makes the person incapable of refusal, the charging officer may direct the taking of a blood sample by a person qualified under G.S. 20-139.1 or may direct the administration of any other chemical analysis that may be effectively performed. In this instance the notification of rights set out in subsection (a) and the request required by subsection (c) are not necessary.

(c) Request to Submit to Chemical Analysis; Procedure upon Refusal. Analysis. -- The charging officer, in the presence of the chemical analyst who has notified the person of his or her rights under subsection (a), must request the person charged to submit to the type of chemical analysis designated. If the person charged willfully refuses to submit to that chemical analysis, none may be given under the provisions of this section, but the refusal does not preclude testing under other applicable procedures of law. If the person refuses to submit to the chemical analysis, the charging officer and the chemical analyst must without unnecessary delay go before an official authorized to administer oaths and execute an affidavit stating that the person charged, after being advised of his or her rights under subsection (a), willfully refused to submit to a chemical analysis at the request of the charging officer. The charging officer must immediately mail the affidavit to the Division. If the person’s refusal to submit to a chemical analysis occurs in a case involving death or critical injury to another person, the charging officer must include that fact in the affidavit mailed to the Division. If the charging officer is also the chemical analyst who has notified the person of his or her rights under subsection (a), the charging officer may perform alone the duties of this subsection.

(c1) Procedure for Reporting Results and Refusal to Division. -- Whenever a person refuses to submit to a chemical analysis or a person’s drivers license has an alcohol concentration restriction and the results of the chemical analysis establish a violation of the restriction, the charging officer and the chemical analyst must without unnecessary delay go before an official authorized to administer oaths and execute an affidavit(s) stating that:

1. The person was charged with an implied-consent offense or had an alcohol concentration restriction on the drivers license;
2. The charging officer had reasonable grounds to believe that the person had committed an implied-consent offense or violated the alcohol concentration restriction on the drivers license;
Whether the implied-consent offense charged involved death or critical injury to another person, if the person willfully refused to submit to chemical analysis;

The person was notified of the rights in subsection (a); and

The results of any tests given or that the person willfully refused to submit to a chemical analysis upon the request of the charging officer.

The charging officer must immediately mail the affidavit(s) to the Division. If the charging officer is also the chemical analyst who has notified the person of the rights under subsection (a), the charging officer may perform alone the duties of this subsection.

(d) Consequences of Refusal; Right to Hearing before Division; Issues.

Issues. -- Upon receipt of a properly executed affidavit required by subsection (e), (c1), the Division must expeditiously notify the person charged that the person's license to drive is revoked for 12 months, effective on the tenth calendar day after the mailing of the revocation order unless, before the effective date of the order, the person requests in writing a hearing before the Division. Except for the time referred to in G.S. 20-16.5, if the person shows to the satisfaction of the Division that his or her license was surrendered to the court, and remained in the court's possession, then the Division shall credit the amount of time for which the license was in the possession of the court against the 12-month revocation period required by this subsection. If the person properly requests a hearing, the person retains his or her license, unless it is revoked under some other provision of law, until the hearing is held, the person withdraws the request, or the person fails to appear at a scheduled hearing. The hearing officer may subpoena any witnesses or documents that the hearing officer deems necessary. The person may request the hearing officer to subpoena the charging officer, the chemical analyst, or both to appear at the hearing if the person makes the request in writing at least three days before the hearing. The person may subpoena any other witness whom the person deems necessary, and the provisions of G.S. 1A-1, Rule 45, apply to the issuance and service of all subpoenas issued under the authority of this section. The hearing officer is authorized to administer oaths to witnesses appearing at the hearing. The hearing must be conducted in the county where the charge was brought, and must be limited to consideration of whether:

(1) The person was charged with an implied-consent offense; offense or the driver had an alcohol concentration restriction on the drivers license pursuant to G.S. 20-19;

(2) The charging officer had reasonable grounds to believe that the person had committed an implied-consent offense; offense or violated the alcohol concentration restriction on the drivers license;

(3) The implied-consent offense charged involved death or critical injury to another person, if this allegation is in the affidavit;
(4) The person was notified of his or her the person’s rights as required by subsection (a); and

(5) The person willfully refused to submit to a chemical analysis upon the request of the charging officer.

If the Division finds that the conditions specified in this subsection are met, it must order the revocation sustained. If the Division finds that any of the conditions (1), (2), (4), or (5) is not met, it must rescind the revocation. If it finds that condition (3) is alleged in the affidavit but is not met, it must order the revocation sustained if that is the only condition that is not met; in this instance subsection (d1) does not apply to that revocation. If the revocation is sustained, the person must surrender his or her license immediately upon notification by the Division.

(d1) Consequences of Refusal in Case Involving Death or Critical Injury. -- If the refusal occurred in a case involving death or critical injury to another person, no limited driving privilege may be issued. The 12-month revocation begins only after all other periods of revocation have terminated unless the person’s license is revoked under G.S. 20-28, 20-28.1, 20-19(d), or 20-19(e). If the revocation is based on those sections, the revocation under this subsection begins at the time and in the manner specified in subsection (d) for revocations under this section. However, the person’s eligibility for a hearing to determine if the revocation under those sections should be rescinded is postponed for one year from the date on which the person would otherwise have been eligible for such a hearing. If the person’s driver’s license is again revoked while the 12-month revocation under this subsection is in effect, that revocation, whether imposed by a court or by the Division, may only take effect after the period of revocation under this subsection has terminated.

(e) Right to Hearing in Superior Court. -- If the revocation for a willful refusal is sustained after the hearing, the person whose license has been revoked has the right to file a petition in the superior court for a hearing de novo upon the issues listed in subsection (d), in the same manner and under the same conditions as provided in G.S. 20-25 except that the de novo hearing is conducted in the superior court district or set of districts as defined in G.S. 7A-41.1 where the charge was made.

(e1) Limited Driving Privilege after Six Months in Certain Instances. -- A person whose driver’s license has been revoked under this section may apply for and a judge authorized to do so by this subsection may issue a limited driving privilege if:

(1) At the time of the refusal the person held either a valid driver’s license or a license that had been expired for less than one year;

(2) At the time of the refusal, the person had not within the preceding seven years been convicted of an offense involving impaired driving;
(3) At the time of the refusal, the person had not in the preceding seven years willfully refused to submit to a chemical analysis under this section;

(4) The implied-consent offense charged did not involve death or critical injury to another person;

(5) The underlying charge for which the defendant was requested to submit to a chemical analysis has been finally disposed of:
   a. Other than by conviction; or
   b. By a conviction of impaired driving under G.S. 20-138.1, at a punishment level authorizing issuance of a limited driving privilege under G.S. 20-179.3(b), and the defendant has complied with at least one of the mandatory conditions of probation listed for the punishment level under which the defendant was sentenced;

(6) Subsequent to the refusal the person has had no unresolved pending charges for or additional convictions of an offense involving impaired driving;

(7) The person’s license has been revoked for at least six months for the refusal; and

(8) The person has obtained a substance abuse assessment from a mental health facility and successfully completed any recommended training or treatment program.

Except as modified in this subsection, the provisions of G.S. 20-179.3 relating to the procedure for application and conduct of the hearing and the restrictions required or authorized to be included in the limited driving privilege apply to applications under this subsection. If the case was finally disposed of in the district court, the hearing shall be conducted in the district court district as defined in G.S. 7A-133 in which the refusal occurred by a district court judge. If the case was finally disposed of in the superior court, the hearing shall be conducted in the superior court district or set of districts as defined in G.S. 7A-41.1 in which the refusal occurred by a superior court judge. A limited driving privilege issued under this section authorizes a person to drive if the person’s license is revoked solely under this section or solely under this section and G.S. 20-17(2). If the person’s license is revoked for any other reason, the limited driving privilege is invalid.

(f) Notice to Other States as to Nonresidents. -- When it has been finally determined under the procedures of this section that a nonresident’s privilege to drive a motor vehicle in this State has been revoked, the Division must give information in writing of the action taken to the motor vehicle administrator of the state of the person’s residence and of any state in which the person has a license.

(g) Repealed by Session Laws 1973, c. 914.

(h) Repealed by Session Laws 1979, c. 423, s. 2.

(i) Right to Chemical Analysis before Arrest or Charge. -- A person stopped or questioned by a law-enforcement officer who is
investigating whether the person may have committed an implied-consent offense may request the administration of a chemical analysis before any arrest or other charge is made for the offense. Upon this request, the officer shall afford the person the opportunity to have a chemical analysis of his or her breath, if available, in accordance with the procedures required by G.S. 20-139.1(b). The request constitutes the person's consent to be transported by the law-enforcement officer to the place where the chemical analysis is to be administered. Before the chemical analysis is made, the person shall confirm the request in writing and shall be notified:

1. That the test results will be admissible in evidence and may be used against the person in any implied-consent offense that may arise;
2. That the person's license will be revoked for at least 30 days if:
   a. The test reveals an alcohol concentration of 0.08 or more; or
   b. The person was driving a commercial motor vehicle and the test results reveal an alcohol concentration of 0.04 or more.
3. That if the person fails to comply fully with the test procedures, the officer may charge the person with any offense for which the officer has probable cause, and if the person is charged with an implied-consent offense, the person's refusal to submit to the testing required as a result of that charge would result in revocation of the person's driver's license. The results of the chemical analysis are admissible in evidence in any proceeding in which they are relevant.

Section 2. G.S. 20-19 reads as rewritten:

"§ 20-19. Period of suspension or revocation. Revocation; conditions of restoration."

(a) When a license is suspended under subdivision (8) or (9) of G.S. 20-16(a), the period of suspension shall be in the discretion of the Division and for such time as it deems best for public safety but shall not exceed six months.

(b) When a license is suspended under subdivision (10) of G.S. 20-16(a), the period of suspension shall be in the discretion of the Division and for such time as it deems best for public safety but shall not exceed a period of 12 months.

(c) When a license is suspended under any other provision of this Article which does not specifically provide a period of suspension, the period of suspension shall be not more than one year.

(c1) When a license is revoked under subdivision (2) of G.S. 20-17, and the period of revocation is not determined by subsection (d) or (e) of this section, the period of revocation is one year.

(c2) When a license is suspended under G.S. 20-17(a)(14), the period of revocation for a first conviction shall be for 10 days. For a
second or subsequent conviction as defined in G.S. 20-138.2B(d), the period of revocation shall be one year.

(c3) Restriction; Revocations. -- When the Division restores a person’s drivers license which was revoked pursuant to G.S. 20-13.2(a), G.S. 20-23 when the offense involved impaired driving, G.S. 20-23.2, subdivision (2) of G.S. 20-17(a), subdivision (1) or (9) of G.S. 20-17(a) when the offense involved impaired driving, or this subsection, in addition to any other restriction or condition, it shall place the applicable restriction on the person’s drivers license as follows:

(1) For the first restoration of a drivers license for a person convicted of driving while impaired, G.S. 20-138.1, or a drivers license revoked pursuant to G.S. 20-23 or G.S. 20-23.2 when the offense for which the person’s license was revoked prohibits substantially similar conduct which if committed in this State would result in a conviction of driving while impaired under G.S. 20-138.1, that the person not operate a vehicle with an alcohol concentration of 0.04 or more at any relevant time after the driving;

(2) For the second or subsequent restoration of a drivers license for a person convicted of driving while impaired, G.S. 20-138.1, or a drivers license revoked pursuant to G.S. 20-23 or G.S. 20-23.2 when the offense for which the person’s license was revoked prohibits substantially similar conduct which if committed in this State would result in a conviction of driving while impaired under G.S. 20-138.1, that the person not operate a vehicle with an alcohol concentration greater than 0.00 at any relevant time after the driving;

(3) For any restoration of a drivers license for a person convicted of driving while impaired in a commercial motor vehicle, G.S. 20-138.2, driving while less than 21 years old after consuming alcohol or drugs, G.S. 20-138.3, felony death by vehicle, G.S. 20-141.4(a1), manslaughter or negligent homicide resulting from the operation of a motor vehicle when the offense involved impaired driving, or a revocation under this subsection, that the person not operate a vehicle with an alcohol concentration of 0.00 or more at any relevant time after the driving;

(4) For any restoration of a drivers license revoked pursuant to G.S. 20-23 or G.S. 20-23.2 when the offense for which the person’s license was revoked prohibits substantially similar conduct which if committed in this State would result in a conviction of driving while impaired in a commercial motor vehicle, G.S. 20-138.2, driving while less than 21 years old after consuming alcohol or drugs, G.S. 20-138.3, felony death by vehicle, G.S. 20-141.4(a1), or manslaughter or negligent homicide resulting from the operation of a motor vehicle when the offense involved impaired driving, that the
person not operate a vehicle with an alcohol concentration of 0.00 or more at any relevant time after the driving.

In addition, the person seeking restoration of a license must agree to submit to a chemical analysis in accordance with G.S. 20-16.2 at the request of a law enforcement officer who has reasonable grounds to believe the person is operating a motor vehicle on a highway in violation of the restriction specified in this subsection. The person must also agree that, when requested by a law enforcement officer, the person will agree to be transported by the law enforcement officer to the place where chemical analysis is to be administered.

The restrictions placed on a license under this subsection shall be in effect (i) seven years from the date of restoration if the person’s license was permanently revoked, (ii) until the person’s twenty-first birthday if the revocation was for a conviction under G.S. 20-138.3, and (iii) three years in all other cases.

On the basis of information reported pursuant to G.S. 20-16.2, the Division shall revoke the drivers license of any person who violates a condition of reinstatement imposed under this subsection. An alcohol concentration report from an ignition interlock system shall not be used as the basis for revocation under this subsection. A violation of a restriction imposed under this subsection or the willful refusal to submit to a chemical analysis shall result in a one-year revocation. If the period of revocation was imposed pursuant to subsection (d) or (e), any remaining period of the original revocation, prior to its reduction, shall be reinstated and the one-year revocation begins after all other periods of revocation have terminated.

(c4) Applicable Procedures. -- When a person has violated a condition of restoration by refusing a chemical analysis, the notice and hearing procedures of G.S. 20-16.2 apply. When a person has submitted to a chemical analysis and the results show a violation of the alcohol concentration restriction, the notification and hearing procedures of this section apply.

(c5) Right to Hearing Before Division; Issues. -- Upon receipt of a properly executed affidavit required by G.S. 20-16.2(c1), the Division must expeditiously notify the person charged that the person’s license to drive is revoked for the period of time specified in this section, effective on the tenth calendar day after the mailing of the revocation order unless, before the effective date of the order, the person requests in writing a hearing before the Division. Except for the time referred to in G.S. 20-16.5, if the person shows to the satisfaction of the Division that the person’s license was surrendered to the court and remained in the court’s possession, then the Division shall credit the amount of time for which the license was in the possession of the court against the revocation period required by this section. If the person properly requests a hearing, the person retains the person’s license, unless it is revoked under some other provision of law, until the hearing is held, the person withdraws the request, or the person fails to appear at a scheduled hearing. The hearing officer may subpoena any witnesses or documents that the hearing officer
deems necessary. The person may request the hearing officer to subpoena the charging officer, the chemical analyst, or both to appear at the hearing if the person makes the request in writing at least three days before the hearing. The person may subpoena any other witness whom the person deems necessary, and the provisions of G.S. 1A-1, Rule 45, apply to the issuance and service of all subpoenas issued under the authority of this section. The hearing officer is authorized to administer oaths to witnesses appearing at the hearing. The hearing must be conducted in the county where the charge was brought, and must be limited to consideration of whether:

1. The charging officer had reasonable grounds to believe that the person had violated the alcohol concentration restriction;
2. The person was notified of the person’s rights as required by G.S. 20-16.2(a);
3. The driver’s license of the person had an alcohol concentration restriction; and
4. The person submitted to a chemical analysis upon the request of the charging officer, and the analysis revealed an alcohol concentration in excess of the restriction on the person’s driver’s license.

If the Division finds that the conditions specified in this subsection are met, it must order the revocation sustained. If the Division finds that any of the conditions (1), (2), (3), or (4) is not met, it must rescind the revocation. If the revocation is sustained, the person must surrender the person’s license immediately upon notification by the Division.

(c6) Appeal to Court. -- There is no right to appeal the decision of the Division. However, if the person properly requested a hearing before the Division under subsection (c5) and the Division held such a hearing, the person may within 30 days of the date the Division’s decision is mailed to the person, petition the superior court of the county in which the hearing took place for discretionary review on the record of the revocation. The superior court may stay the imposition of the revocation only if the court finds that the person is likely to succeed on the merits of the case and will suffer irreparable harm if such a stay is not granted. The stay shall not exceed 30 days. The reviewing court shall review the record only and shall be limited to determining if the Division hearing officer followed proper procedures and if the hearing officer made sufficient findings of fact to support the revocation. There shall be no further appeal.

(d) When a person’s license is revoked under subdivision (2) of G.S. 20-17 and the person has another offense involving impaired driving for which he has been convicted, which offense occurred within three years immediately preceding the date of the offense for which his license is being revoked, the period of revocation is four years, and this period may be reduced only as provided in this section. The Division may conditionally restore the person’s license after it has been revoked for at least two years under this subsection if he provides the Division with satisfactory proof that:
(1) He has not in the period of revocation been convicted in North Carolina or any other state or federal jurisdiction of a motor vehicle offense, an alcoholic beverage control law offense, a drug law offense, or any other criminal offense involving the possession or consumption of alcohol or drugs; and

(2) He is not currently an excessive user of alcohol or drugs.

If the Division restores the person’s license, it may place reasonable conditions or restrictions on the person for the duration of the original revocation period.

(e) When a person’s license is revoked under subdivision (2) of G.S. 20-17 and the person has two or more previous offenses involving impaired driving for which he has been convicted, and the most recent offense occurred within the five years immediately preceding the date of the offense for which his license is being revoked, the revocation is permanent. The Division may, however, conditionally restore the person’s license after it has been revoked for at least three years under this subsection if he provides the Division with satisfactory proof that:

(1) In the three years immediately preceding the person’s application for a restored license, he has not been convicted in North Carolina or in any other state or federal court of a motor vehicle offense, an alcohol beverage control law offense, a drug law offense, or any criminal offense involving the consumption of alcohol or drugs; and

(2) He is not currently an excessive user of alcohol or drugs.

If the Division restores the person’s license, it may place reasonable conditions or restrictions on the person for any period up to three years from the date of restoration.

(f) When a license is revoked under any other provision of this Article which does not specifically provide a period of revocation, the period of revocation shall be one year.

(g) When a license is suspended under subdivision (11) of G.S. 20-16(a), the period of suspension shall be for a period of time not in excess of the period of nonoperation imposed by the court as a condition of the suspended sentence; further, in such case, it shall not be necessary to comply with the Motor Vehicle Safety and Financial Responsibility Act in order to have such license returned at the expiration of the suspension period.

(g1) When a license is revoked under subdivision (12) of G.S. 20-17, the period of revocation is six months for conviction of a second offense and one year for conviction of a third or subsequent offense.

(h) Repealed by Session Laws 1983, c. 435, s. 17.

(i) When a person’s license is revoked under subdivision (1) or (9) of G.S. 20-17 and the offense is one involving impaired driving, the revocation is permanent. The Division may, however, conditionally restore the person’s license after it has been revoked for at least three years in accordance with the procedure in subsection (e) of this section.
(j) The Division is authorized to issue amended revocation orders issued under subsections (d) and (e), if necessary because convictions do not respectively occur in the same order as offenses for which the license may be revoked under those subsections.

(k) Before the Division restores a driver’s license that has been suspended or revoked under any provision of this Article, other than G.S. 20-24.1, the person seeking to have his driver’s license restored shall submit to the Division proof that he has notified his insurance agent or company of his seeking the restoration and that he is financially responsible. Proof of financial responsibility shall be in one of the following forms:

(1) A written certificate or electronically-transmitted facsimile thereof from any insurance carrier duly authorized to do business in this State certifying that there is in effect a nonfleet private passenger motor vehicle liability policy for the benefit of the person required to furnish proof of financial responsibility. The certificate or facsimile shall state the effective date and expiration date of the nonfleet private passenger motor vehicle liability policy and shall state the date that the certificate or facsimile is issued. The certificate or facsimile shall remain effective proof of financial responsibility for a period of 30 consecutive days following the date the certificate or facsimile is issued but shall not in and of itself constitute a binder or policy of insurance or

(2) A binder for or policy of nonfleet private passenger motor vehicle liability insurance under which the applicant is insured, provided that the binder or policy states the effective date and expiration date of the nonfleet private passenger motor vehicle liability policy.

The preceding provisions of this subsection do not apply to applicants who do not own currently registered motor vehicles and who do not operate nonfleet private passenger motor vehicles that are owned by other persons and that are not insured under commercial motor vehicle liability insurance policies. In such cases, the applicant shall sign a written certificate to that effect. Such certificate shall be furnished by the Division and may be incorporated into the restoration application form. Any material misrepresentation made by such person on such certificate shall be grounds for suspension of that person’s license for a period of 90 days.

For the purposes of this subsection, the term "nonfleet private passenger motor vehicle" has the definition ascribed to it in Article 40 of General Statute Chapter 58.

The Commissioner may require that certificates required by this subsection be on a form approved by the Commissioner. The financial responsibility required by this subsection shall be kept in effect for not less than three years after the date that the license is restored. Failure to maintain financial responsibility as required by this subsection shall be grounds for suspending the restored driver’s license for a period of
PART II. IGNITION INTERLOCK

Section 3. Article 2 of Chapter 20 of the General Statutes is amended by adding a new section to read:

"§ 20-17.7. Restoration of a license after certain driving while impaired convictions; ignition interlock.

(a) Scope. -- This section applies to a person whose license was revoked as a result of a conviction of driving while impaired, G.S. 20-138.1, and:

(1) The person had an alcohol concentration of 0.16 or more; or

(2) The person has been convicted of another offense involving impaired driving, which offense occurred within seven years immediately preceding the date of the offense for which the person's license has been revoked.

(b) Ignition Interlock Required. -- When the Division restores the license of a person who is subject to this section, in addition to any other restriction or condition, it shall require the person to agree to and shall indicate on the person's driver's license the following restrictions for the period designated in subsection (c):

(1) A restriction that the person may operate only a vehicle that is equipped with a functioning ignition interlock system of a type approved by the Commissioner. The Commissioner shall not unreasonably withhold approval of an ignition interlock system and shall consult with the Division of Purchase and Contract in the Department of Administration to ensure that potential vendors are not discriminated against.

(2) A requirement that the person personally activate the ignition interlock system before driving the motor vehicle.

(3) A requirement that the person not drive with an alcohol concentration of 0.04 or greater.

(c) Length of Requirement. -- The requirements of subsection (b) shall remain in effect for:

(1) One year from the date of restoration if the original revocation period was one year;

(2) Three years from the date of restoration if the original revocation period was four years; or

(3) Seven years from the date of restoration if the original revocation was a permanent revocation.

(d) Effect of Limited Driving Privileges. -- If the person was eligible for and received a limited driving privilege under G.S. 20-179.3, with the ignition interlock requirement contained in G.S. 20-179.3(g5), the period of time for which that limited driving privilege was held shall be applied towards the requirements of subsection (c)."
(e) Notice of Requirement. -- When a court reports to the Division a conviction of a person who is subject to this section, the Division must send the person written notice of the requirements of this section and of the consequences of failing to comply with these requirements. The notification must include a statement that the person may contact the Division for information on obtaining and having installed an ignition interlock system of a type approved by the Commissioner.

(f) Effect of Violation of Restriction. -- A person subject to this section who violates any of the restrictions of this section commits the offense of driving while license revoked under G.S. 20-28(a) and is subject to punishment and license revocation as provided in that section. If a law enforcement officer has reasonable grounds to believe that a person subject to this section has consumed alcohol while driving or has driven while he has remaining in his body any alcohol previously consumed, the suspected offense of driving while license is revoked is an alcohol-related offense subject to the implied-consent provisions of G.S. 20-16.2. If a person subject to this section is charged with driving while license revoked by violating a condition of subsection (b) of this section, and a judicial official determines that there is probable cause for the charge, the person's license is suspended pending the resolution of the case, and the judicial official must require the person to surrender the license. The judicial official must also notify the person that he is not entitled to drive until his case is resolved. An alcohol concentration report from the ignition interlock system shall not be admissible as evidence of driving while license revoked, nor shall it be admissible in an administrative revocation proceeding as provided in subsection (g) of this section; provided that the person did not operate a vehicle until the ignition interlock system indicated an alcohol concentration of less than 0.04.

(g) Effect of Violation of Restriction When Driving While License Revoked not Charged. -- A person subject to this section who violates any of the restrictions of this section, but is not charged or convicted of driving while license revoked pursuant to G.S. 20-28(a), shall have the person's license revoked by the Division for a period of one year.

(h) Beginning of Revocation Period. -- If the original period of revocation was imposed pursuant to G.S. 20-19(d) or (e), any remaining period of the original revocation, prior to its reduction, shall be reinstated and the revocation required by subsection (f) or (g) of this section begins after all other periods of revocation have terminated.

(i) Notification of Revocation. -- If the person's license has not already been surrendered to the court, the Division must expeditiously notify the person that the person's license to drive is revoked pursuant to subsection (f) or (g) of this section effective on the tenth calendar day after the mailing of the revocation order.

(j) Right to Hearing Before Division; Issues. -- If the person's license is revoked pursuant to subsection (g) of this section, before the effective date of the order issued under subsection (i) of this section, the person may request in writing a hearing before the Division.
Except for the time referred to in G.S. 20-16.5, if the person shows to the satisfaction of the Division that the person’s license was surrendered to the court and remained in the court’s possession, then the Division shall credit the amount of time for which the license was in the possession of the court against the revocation period required by subsection (g) of this section. If the person properly requests a hearing, the person retains the person’s license, unless it is revoked under some other provision of law, until the hearing is held, the person withdraws the request, or the person fails to appear at a scheduled hearing. The hearing officer may subpoena any witnesses or documents that the hearing officer deems necessary. The person may request the hearing officer to subpoena the charging officer, the chemical analyst, or both to appear at the hearing if the person makes the request in writing at least three days before the hearing. The person may subpoena any other witness whom the person deems necessary, and the provisions of G.S. 1A-1, Rule 45, apply to the issuance and service of all subpoenas issued under the authority of this section. The hearing officer is authorized to administer oaths to witnesses appearing at the hearing. The hearing must be conducted in the county where the charge was brought, and must be limited to consideration of whether:

1. The driver’s license of the person had an ignition interlock requirement; and
2. The person:
   a. Was driving a vehicle that was not equipped with a functioning ignition interlock system; or
   b. Did not personally activate the ignition interlock system before driving the vehicle; or
   c. Drove the vehicle with an alcohol concentration of 0.04 or greater.

If the Division finds that the conditions specified in this subsection are met, it must order the revocation sustained. If the Division finds that the condition of subdivision (1) is not met, or that none of the conditions of subdivision (2) are met, it must rescind the revocation. If the revocation is sustained, the person must surrender the person’s license immediately upon notification by the Division. If the revocation is sustained, the person may appeal the decision of the Division pursuant to G.S. 20-25.

(k) Restoration After Violation. -- When the Division restores the license of a person whose license was revoked pursuant to subsection (f) or (g) of this section and the revocation occurred prior to completion of time period required by subsection (c) of this section, in addition to any other restriction or condition, it shall require the person to comply with the conditions of subsection (b) of this section until the person has complied with those conditions for the cumulative period of time as set forth in subsection (c) of this section. The period of time for which the person successfully complied with subsection (b) of this section prior to revocation pursuant to subsection
Section 4. G.S. 20-179.3 is amended by adding a new subsection to read:

"(g5) Ignition Interlock Required. -- If a person's driver's license is revoked for a conviction of G.S. 20-138.1, and the person had an alcohol concentration of 0.16 or more, a judge shall include all of the following in a limited driving privilege order:

1. A restriction that the applicant may operate only a designated motor vehicle.
2. A requirement that the designated motor vehicle be equipped with a functioning ignition interlock system of a type approved by the Commissioner. The Commissioner shall not unreasonably withhold approval of an ignition interlock system and shall consult with the Division of Purchase and Contract in the Department of Administration to ensure that potential vendors are not discriminated against.
3. A requirement that the applicant personally activate the ignition interlock system before driving the motor vehicle."

Section 5. G.S. 20-179.3(g4) reads as rewritten:

"(g4) The restrictions set forth in subsection (g3) and (g5) of this section do not apply to a motor vehicle that meets all of the following requirements:

1. Is owned by the applicant's employer.
2. Is operated by the applicant solely for work-related purposes.
3. Its owner has filed with the court a written document authorizing the applicant to drive the vehicle, for work-related purposes, under the authority of a limited driving privilege."

PART III. LIMITED DRIVING PRIVILEGE ALCOSENSOR ADMISSIBILITY

Section 6. G.S. 20-179.3(j) reads as rewritten:

"(j) Effect of Violation of Restriction. -- A holder of a limited driving privilege who violates any of its restrictions commits the offense of driving while his license is revoked under G.S. 20-28(a) and is subject to punishment and license revocation as provided in that section. If a law-enforcement officer has reasonable grounds to believe that the holder of a limited driving privilege has consumed alcohol while driving or has driven while he has remaining in his body any alcohol previously consumed, the suspected offense of driving while license is revoked is an alcohol-related offense subject to the implied-consent provisions of G.S. 20-16.2. If a holder of a limited driving privilege is charged with driving while license revoked by violating a restriction contained in his limited driving privilege, and a judicial official determines that there is probable cause for the charge, the limited driving privilege is suspended pending the resolution of the case, and the judicial official must require the holder to surrender the
limited driving privilege. The judicial official must also notify the holder that he is not entitled to drive until his case is resolved.

Notwithstanding any other provision of law, an alcohol screening test may be administered to a driver suspected of violating this section, and the results of an alcohol screening test or the driver’s refusal to submit may be used by a law enforcement officer, a court, or an administrative agency in determining if alcohol was present in the driver’s body. No alcohol screening tests are valid under this section unless the device used is one approved by the Commission for Health Services, and the screening test is conducted in accordance with the applicable regulations of the Commission as to the manner of its use."

PART IV. INCREASE PUNISHMENT FOR 19- OR 20-YEAR OLD PURCHASE OR POSSESSION OF ALCOHOLIC BEVERAGES

Section 7. G.S. 18B-302(i) reads as rewritten:

"(i) Purchase or Possession by 19 or 20-Year Old. — A violation of subdivision (b)(1) of this section by a person who is 19 or 20 years old is an infraction and is punishable by a fine of not more than twenty-five dollars ($25.00). An infraction is an unlawful act that is not a crime. The procedure for charging and trying an infraction is the same as for a misdemeanor, but conviction of an infraction has no consequence other than payment of a fine. (i) Right to Chemical Analysis before Arrest or Charge. -- A person stopped or questioned by a law-enforcement officer who is investigating whether the person may have committed an implied-consent offense may request the administration of a chemical analysis before any arrest or other charge is made for the offense. Upon this request, the officer shall afford the person the opportunity to have a chemical analysis of his or her breath, if available, in accordance with the procedures required by G.S. 20-139.1(b). The request constitutes the person's consent to be transported by the law-enforcement officer to the place where the chemical analysis is to be administered. the person has one or more pending offenses for which his license had been or is revoked under this section, the revocation shall remain in effect until a final judgment, including all appeals, has been entered for the current offense and for all pending offenses. In no event, may the period of revocation under this subsection be less than 30 days. If within five working days of the effective date of the order, the person does not surrender his license or demonstrate that he is not currently licensed, the clerk shall immediately issue a pick-up order. The pick-up order shall be issued to a member of a local law-enforcement agency if the charging officer was employed by the agency at the time of the charge and the person resides in or is present in the agency’s territorial jurisdiction. Impaired driving in a commercial motor vehicle under G.S. 20-138.2, except that convictions of impaired driving under G.S. 20-138.1 and G.S. 20-138.2 arising out of the same transaction shall be considered a single conviction of an offense involving impaired driving for any purpose under this Chapter.
   g. Habitual impaired driving under G.S. 20-138.5.
A conviction under former G.S. 20-140(c) is not an offense involving impaired driving."

Section 15. G.S. 20-138.2A reads as rewritten:
"§ 20-138.2A. Operating a commercial vehicle after consuming alcohol.
(a) Offense. -- A person commits the offense of operating a commercial motor vehicle after consuming alcohol if the person drives a commercial motor vehicle, as defined in G.S. 20-4.01(3d)a. and b., upon any highway, any street, or any public vehicular area within the State after having consumed sufficient alcohol that the person has, at
any relevant time after the driving, an alcohol concentration greater than 0.00 and less than 0.04, while consuming alcohol or while alcohol remains in the person’s body.

(b) Implied-Consent Offense. -- An offense under this section is an implied-consent offense subject to the provisions of G.S. 20-16.2. The provisions of G.S. 20-139.1 shall apply to an offense committed under this section.

(b1) Odor Insufficient. -- The odor of an alcoholic beverage on the breath of the driver is insufficient evidence by itself to prove beyond a reasonable doubt that alcohol was remaining in the driver’s body in violation of this section unless the driver was offered an alcohol screening test or chemical analysis and refused to provide all required samples of breath or blood for analysis.

(b2) Alcohol Screening Test. -- Notwithstanding any other provision of law, an alcohol screening test may be administered to a driver suspected of violation of subsection (a) of this section, and the results of an alcohol screening test or the driver’s refusal to submit may be used by a law enforcement officer, a court, or an administrative agency in determining if alcohol was present in the driver’s body. No alcohol screening tests are valid under this section unless the device used is one approved by the Commission on Health Services, and the screening test is conducted in accordance with the applicable regulations of the Commission as to its manner and use.

(c) Punishment. -- Except as otherwise provided in this subsection, a violation of the offense described in subsection (a) of this section is a Class 3 misdemeanor and, notwithstanding G.S. 15A-1340.23, is punishable by a penalty of one hundred dollars ($100.00). A second or subsequent violation of this section is a misdemeanor punishable under G.S. 20-179. This offense is a lesser included offense of impaired driving of a commercial vehicle under G.S. 20-138.2.

(d) Second or Subsequent Conviction Defined. -- A conviction for violating this offense is a second or subsequent conviction if at the time of the current offense the person has a previous conviction under this section, and the previous conviction occurred in the seven years immediately preceding the date of the current offense. H.B. 1289 SESSION LAW 1999-413

AN ACT TO SET THE PUBLIC UTILITY REGULATORY FEES, TO SET THE INSURANCE REGULATORY CHARGE, TO IMPOSE THE INSURANCE REGULATORY CHARGE ON SERVICE CORPORATIONS AND ON HEALTH MAINTENANCE ORGANIZATIONS IN THE YEAR 2000, TO ALLOW THE DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES TO IMPOSE FEES THAT REFLECT THE ACTUAL COST OF RENDERING THE SERVICE, AND TO LIMIT THE FEE THAT AN APPLICANT MUST PAY FOR A WATER QUALITY CERTIFICATION THAT IS REQUIRED FOR A PERMIT UNDER THE COASTAL AREA MANAGEMENT ACT OF 1974.

The General Assembly of North Carolina enacts:

Section 1. The percentage rate to be used in calculating the public utility regulatory fee under G.S. 62-302(b)(2) is nine-hundredths percent (0.09%) of each public utility's North Carolina jurisdictional revenues earned during each quarter that begins on or after July 1, 1999.

Section 2. The annual fee imposed on The North Carolina Electric Membership Corporation under G.S. 62-302(b1), as enacted by House Bill 476, 1999 General Assembly, S.L. 1999-180, for the 1999-2000 fiscal year is two hundred thousand dollars ($200,000).

Section 3. The percentage rate to be used in calculating the insurance regulatory charge under G.S. 58-6-25 is seven percent (7%) for the 1999 calendar year.

Section 4. G.S. 58-6-25 reads as rewritten:
§ 58-6-25. Insurance regulatory charge.

(a) Charge Levied. -- There is levied on each insurance company an annual charge for the purposes stated in subsection (d) of this section. As used in this section, the term "insurance company" means a company that pays the gross premiums tax levied in G.S. 105-228.5 and G.S. 105-228.8, except a service corporation subject to Article 65 of this Chapter. A health maintenance organization subject to Article 67 of this Chapter is not subject to those taxes and is therefore not subject to the charge levied in this section. The charge levied in this section is in addition to all other fees and taxes. The percentage rate of the charge is established pursuant to subsection (b) of this section. For each insurance company that is not an Article 65 corporation nor a health maintenance organization, the rate is applied to charge shall be at a percentage rate of the company's premium tax liability for the taxable year. For Article 65 corporations and health maintenance organizations, the rate is applied to a presumed premium tax liability for the taxable year calculated as if the corporation or organization were an insurer providing health insurance. In determining an insurance company's premium tax liability for a taxable year, the following shall be disregarded:

(1) Additional taxes imposed by G.S. 105-228.8.
(2) The additional local fire and lightning tax imposed by G.S. 105-228.5(d)(4).
(3) Any tax credits for guaranty or solvency fund assessments under G.S. 105-228.5A or G.S. 97-133(a).
(4) Any tax credits allowed under Chapter 105 of the General Statutes other than tax payments made by or on behalf of the taxpayer.

(b) Rates. -- The rate of the charge for the 1991 taxable year shall be six and five-tenths percent (6.5%). For subsequent taxable years, the rate each taxable year shall be the percentage rate established by the General Assembly. When the Department prepares its budget request for each upcoming fiscal year, the Department shall propose a percentage rate of the charge levied in this section. The Governor shall submit that proposed rate to the General Assembly each fiscal year. The General Assembly shall set by law the percentage rate of the charge levied in this section. The percentage rate may not exceed the rate necessary to generate funds sufficient to defray the estimated cost of the operations of the Department for each upcoming fiscal year, including a reasonable margin for a reserve fund. The amount of the reserve may not exceed one-third of the estimated cost of operating the Department for each upcoming fiscal year. In calculating the amount of the reserve, the General Assembly shall consider all relevant factors that may affect the cost of operating the Department or a possible unanticipated increase or decrease in North Carolina premiums or other charge revenue.

(c) Returns; When Payable. -- The charge levied on each health maintenance organization is payable March 15 following the end of each calendar year. The charge levied on each insurance company
other than a health maintenance organization is payable at the time the insurance company remits its premium tax. If the insurance company is required to remit installment payments of premiums tax under G.S. 105-228.5 for a taxable year, it shall also remit installment payments of the charge levied in this section for that taxable year at the same time and on the same basis as the premium tax installment payments. Each installment payment shall be equal to at least thirty-three and one-third percent (33.3%) of the insurance company’s regulatory charge liability incurred in the immediately preceding taxable year.

Every insurance company shall, on or before the date the charge levied in this section is due, file a return on a form prescribed by the Secretary of Revenue. The return shall state the company’s total North Carolina premiums or presumed premiums for the taxable year and shall be accompanied by any supporting documentation that the Secretary of Revenue may by rule require.

(d) Use of Proceeds. -- The Insurance Regulatory Fund is created in the State treasury, under the control of the Office of State Budget and Management. The proceeds of the charge levied in this section and all fees collected under Articles 69 through 71 of this Chapter and under Articles 9 and 9C of Chapter 143 of the General Statutes shall be credited to the Fund. The Fund shall be placed in an interest-bearing account and any interest or other income derived from the Fund shall be credited to the Fund. Moneys in the Fund may be spent only pursuant to appropriation by the General Assembly and in accordance with the line item budget enacted by the General Assembly. The Fund is subject to the provisions of the Executive Budget Act, except that no unexpended surplus of the Fund shall revert to the General Fund. All money credited to the Fund shall be used to reimburse the General Fund for the following:

(1) Money appropriated to the Department of Insurance to pay its expenses incurred in regulating the insurance industry and other industries in this State.

(2) Money appropriated to State agencies to pay the expenses incurred in regulating the insurance industry, in certifying statewide data processors under Article 11A of Chapter 131E of the General Statutes, and in purchasing reports of patient data from statewide data processors certified under that Article.

(3) Money appropriated to the Department of Revenue to pay the expenses incurred in collecting and administering the taxes on insurance companies levied in Article 8B of Chapter 105 of the General Statutes.

(e) Definitions. -- The following definitions apply in this section:

(1) Article 65 corporation. -- Defined in G.S. 105-228.3.

(2) Insurance company. -- A company that pays the gross premiums tax levied in G.S. 105-228.5 and G.S. 105-228.8 or a health maintenance organization.

(3) Insurer. -- Defined in G.S. 105-228.3."

Section 5. G.S. 106-6.1 reads as rewritten:
"§ 106-6.1. Fees not to exceed actual cost. Fees. Fees or charges established by any board or commission within the Department of Agriculture and Consumer Services for services rendered or for duties performed shall not exceed the actual cost to the Department of rendering such service or performing such duty. As used herein, "cost" shall mean expenses incurred for mileage, subsistence, postage, computer time, salaries, materials, supplies, or other similar expenses which are incurred as a direct result of rendering the service or performing the duty. As used herein, "cost" shall not include fixed overhead expenses such as buildings, equipment, machinery, or other similar expenses which are indirectly related to a particular service or duty. A board or commission within the Department of Agriculture and Consumer Services may establish fees or charges for the services it provides. The Board of Agriculture, subject to the provisions of Chapter 146 of the General Statutes, may establish a rate schedule for the use of facilities operated by the Department of Agriculture and Consumer Services."

Section 6. G.S. 143-215.3D(e) is amended by adding a new subdivision to read:

"(7) Limit Water Quality Certification Fee Required for CAMA Permit. -- An applicant for a permit under Article 7 of Chapter 113A of the General Statutes for which a water quality certification is required shall pay a fee established by the Secretary. The Secretary shall not establish a fee that exceeds the greater of the fee for a permit under Article 7 of Chapter 113A of the General Statutes or the fee for a water quality certification under subdivision (3) or (4) of this subsection."

Section 7. Section 4 of this act becomes effective 1 January 2000, and applies to the insurance regulatory charge levied for the 2000 calendar year. Section 6 of this act becomes effective 1 August 1999. The remainder of this act is effective when it becomes law. SESSION LAW 1999-414

AN ACT TO PROVIDE FOR WITHOLDING OF NORTH CAROLINA INCOME TAXES FROM TAXABLE PENSIONS, ANNUITIES, AND DEFERRED COMPENSATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-163.1 is amended by adding two new subdivisions to read:

"(11a) Pension payer. -- A payor or a plan administrator with respect to a pension payment under section 3405 of the Code."
(11b) Pension payment. -- A periodic payment or a nonperiodic distribution that is not an eligible rollover distribution, as defined in section 3405 of the Code.

Section 2. G.S. 105-163.1(14) reads as rewritten:

"(14) Withholding agent. -- An employer, a pension payer, or a payer."

Section 3. Article 4A of Chapter 105 of the General Statutes is amended by adding a new section to read:

"§ 105-163.2A. Pension payer's must withhold taxes.

(a) Definitions. -- The definitions provided in section 3405 of the Code apply in this section.

(b) Withholding Required. -- A pension payer required to withhold federal taxes under section 3405 of the Code on a pension payment to a resident of this State must deduct and withhold from the payment the State income taxes payable on the payment. Liability for withholding and paying taxes under this section of a pension payment falls on the person who would be liable under section 3405 of the Code for withholding federal taxes on the payment.

Except as otherwise provided in this section, the provisions of this Article apply to a pension payer's pension payment to a resident of this State as if it were an employer's payment of wages to an employee. If a pension payer has more than one arrangement under which it may make pension payments to a resident of this State, each arrangement must be treated separately under this section.

(c) Amount. -- In the case of a periodic payment, the pension payer must withhold the amount that would be required to be withheld under this Article if the payment were a payment of wages by an employer to an employee for the appropriate payroll period. If the recipient of periodic payments fails to file an exemption certificate under G.S. 105-163.5, the pension payer must compute the amount to be withheld as if the recipient were a married individual claiming three withholding exemptions.

In the case of a nonperiodic distribution, the pension payer must withhold taxes equal to four percent (4%) of the nonperiodic distribution.

(d) Election of No Withholding. -- The recipient may elect not to have taxes withheld under this section. The election must be in the form required by the Secretary. In the case of periodic payments, the election remains in effect until revoked by the recipient. In the case of a nonperiodic distribution, the election applies on a distribution-by-distribution basis unless it meets conditions prescribed by the Secretary for it to apply to subsequent nonperiodic distributions by the pension payer.

A pension payer must notify each recipient of the right to elect not to have taxes withheld under this section. The notice must comply with the requirements of section 3405 of the Code and any additional requirements prescribed by the Secretary.

A recipient's election not to have taxes withheld under this section is void if the recipient fails to furnish the recipient's tax identification.
number to the pension payer, or the Secretary has notified the pension payer that the tax identification number furnished by the recipient is incorrect.

(e) Exemptions. -- This section does not apply to the following pension payments:

(1) A pension payment that is wages under this Article.
(2) Any portion of a pension payment that meets both of the following conditions:
   a. It is not a distribution or payment from an individual retirement plan as defined in section 7701 of the Code.
   b. The pension payer reasonably believes it is not taxable to the recipient under Article 4 of this Chapter.
(3) A distribution described in section 404(k)(2) of the Code, relating to dividends on corporate securities.
(4) A pension payment that consists only of securities of the recipient's employer corporation plus cash not in excess of two hundred dollars ($200.00) in lieu of securities of the employer corporation."

S.B. 974 SESSION LAW 1999-420

AN ACT REGULATING THE RENTAL OF RESIDENTIAL PROPERTY FOR VACATION, LEISURE, OR RECREATIONAL PURPOSES, AND CLARIFYING THE RIGHTS AND
The General Assembly of North Carolina enacts:

Section 1. The General Statutes are amended by adding a new Chapter to read:

§ 42A-1. Title. This Chapter shall be known as the North Carolina Vacation Rental Act.

§ 42A-2. Purpose and scope of act. The General Assembly finds that the growth of the tourism industry in North Carolina has led to a greatly expanded market of privately owned residences that are rented to tourists for vacation, leisure, and recreational purposes. Rental transactions conducted by the owners of these residences or licensed real estate brokers acting on their behalf present unique situations not normally found in the rental of primary residences for long terms, and therefore make it necessary for the General Assembly to enact laws regulating the competing interests of landlords, real estate brokers, and tenants.

§ 42A-3. Application; exemptions. (a) The provisions of this Chapter shall apply to any person, partnership, corporation, limited liability company, association, or other business entity who acts as a landlord or real estate broker engaged in the rental or management of residential property for vacation rental as defined in this Chapter. (b) The provisions of this Chapter shall not apply to:

1. Lodging provided by hotels, motels, tourist camps, and other places subject to regulation under Chapter 72 of the General Statutes.
2. Rentals to persons temporarily renting a dwelling unit when traveling away from their primary residence for business or employment purposes.
3. Rentals to persons having no other place of primary residence.
4. Rentals for which no more than nominal consideration is given.

§ 42A-4. Definitions. The following definitions apply in this Chapter:

1. Real estate broker. -- A real estate broker as defined in G.S. 93A-2(a).
2. Residential property. -- An apartment, condominium, single-family home, townhouse, cottage, or other property that is devoted to residential use or occupancy by one or more persons for a definite or indefinite period.
(3) Vacation rental. -- The rental of residential property for
vacation, leisure, or recreation purposes for fewer than 90
days by a person who has a place of permanent residence to
which he or she intends to return.

(4) Vacation rental agreement. -- A written agreement between
a landlord or his or her real estate broker and a tenant in
which the tenant agrees to rent residential property
belonging to the landlord for a vacation rental.

"ARTICLE 2.

"Vacation Rental Agreements.

"§ 42A-10. Written agreement required.
(a) A landlord or real estate broker and tenant shall execute a
vacation rental agreement for all vacation rentals subject to the
provisions of this Chapter. No vacation rental agreement shall be
valid and enforceable unless the tenant has accepted the agreement as
evidenced by one of the following:

(1) The tenant's signature on the agreement.
(2) The tenant's payment of any monies to the landlord or real
estate broker after the tenant's receipt of the agreement.
(3) The tenant's taking possession of the property after the
tenant's receipt of the agreement.

(b) Any real estate broker who executes a vacation rental agreement
that does not conform to the provisions of this Chapter or fails to
execute a vacation rental agreement shall be guilty of an unfair trade
practice in violation of G.S. 75-1.1, and shall be prohibited from
commencing an expedited eviction proceeding as provided in Article 4
of this Chapter.

(a) A vacation rental agreement executed under this Chapter shall
contain the following notice on its face which shall be set forth in a
clear and conspicuous manner that distinguishes it from other
provisions of the agreement: 'THIS IS A VACATION RENTAL
AGREEMENT UNDER THE NORTH CAROLINA VACATION
RENTAL ACT. THE RIGHTS AND OBLIGATIONS OF THE
PARTIES TO THIS AGREEMENT ARE DEFINED BY LAW AND
INCLUDE UNIQUE PROVISIONS PERMITTING THE
DISBURSEMENT OF RENT PRIOR TO TENANCY AND
EXPEDITED EVICTION OF TENANTS. YOUR SIGNATURE ON
THIS AGREEMENT, OR PAYMENT OF MONEY OR TAKING
POSSESSION OF THE PROPERTY AFTER RECEIPT OF THE
AGREEMENT, IS EVIDENCE OF YOUR ACCEPTANCE OF THE
AGREEMENT AND YOUR INTENT TO USE THIS PROPERTY
FOR A VACATION RENTAL.'

(b) The vacation rental agreement shall contain provisions separate
from the requirements of subsection (a) of this section which shall
describe the following as permitted or required by this Chapter:

(1) The manner in which funds shall be received, deposited,
and disbursed in advance of the tenant's occupancy of the
property.
(2) Any processing fees permitted under G.S. 42A-17(c).
(3) The rights and obligations of the landlord and tenant under G.S. 42A-17(b).
(4) The applicability of expedited eviction procedures.
(5) The rights and obligations of the landlord or real estate broker and the tenant upon the transfer of the property.
(6) The rights and obligations of the landlord or real estate broker and the tenant under G.S. 42A-36.
(7) Any other obligations of the landlord and tenant.

"ARTICLE 3.

"Handling and Accounting of Funds.

§ 42A-15. Trust account uses.
A landlord or real estate broker may require a tenant to pay all or part of any required rent, security deposit, or other fees permitted by law in advance of the commencement of a tenancy under this Chapter if these payments are expressly authorized in the vacation rental agreement. If the tenant is required to make any advance payments, other than a security deposit, whether the payment is denominated as rent or otherwise, the landlord or real estate broker shall deposit these payments in a trust account in an insured bank or savings and loan association in North Carolina no later than three banking days after the receipt of the these payments. These payments deposited in a trust account shall not earn interest unless the landlord and tenant agree in the vacation rental agreement that the payments may be deposited in an interest-bearing account. The landlord and tenant shall also provide in the agreement to whom the accrued interest shall be disbursed.

§ 42A-16. Advance payments uses.
(a) A landlord or real estate broker shall not disburse prior to the occupancy of the property by the tenant an amount greater than fifty percent (50%) of the total rent except as permitted pursuant to this subsection. A landlord or real estate broker may disburse prior to the occupancy of the property by the tenant any fees owed to third parties to pay for goods, services, or benefits procured by the landlord or real estate broker for the benefit of the tenant, including administrative fees permitted by G.S. 42A-17(c), if the disbursement is expressly authorized in the vacation rental agreement. The funds remaining after any disbursement permitted under this subsection shall remain in the trust account and may not be disbursed until the occurrence of one of the following:
(1) The commencement of the tenancy, at which time the remaining funds may be disbursed in accordance with the terms of the agreement.
(2) The tenant commits a material breach, at which time the landlord may retain an amount sufficient to defray the actual damages suffered by the landlord as a result of the breach.
(3) The landlord or real estate broker refunds the money to the tenant.
The funds in the trust account are transferred in accordance with G.S. 42A-19(b) upon the termination of the landlord’s interest in the property.

(b) Funds collected for sales or occupancy taxes and tenant security deposits shall not be disbursed from the trust account prior to termination of the tenancy or material breach of the agreement by the tenant, except as a refund to the tenant.

(c) The tenant’s execution of a vacation rental agreement in which he or she agrees to the advance disbursement of payments shall not constitute a waiver or loss of any of the tenant’s rights to reimbursement of such payments if the tenant is lawfully entitled to reimbursement.

§ 42A-17. Accounting; reimbursement.

(a) A vacation rental agreement shall identify the name and address of the bank or savings and loan association in which the tenant’s security deposit and other advance payments are held in a trust account, and the landlord and real estate broker shall provide the tenant with an accounting of such deposit and payments if the tenant makes a reasonable request for an accounting prior to the tenant’s occupancy of the property.

(b) Except as otherwise provided in this subsection, if, at the time the tenant is to begin occupancy of the property, the landlord or real estate broker cannot provide the property in a fit and habitable condition or substitute a reasonably comparable property in such condition, the landlord and real estate broker shall refund to the tenant all payments made by the tenant.

(c) A vacation rental agreement may include administrative fees, the amounts of which shall be provided in the agreement, reasonably calculated to cover the costs of processing the tenant’s reservation, transfer, or cancellation of a vacation rental.

(a) Except as may otherwise be provided in this Chapter, all funds collected from a tenant and not identified in the vacation rental agreement as occupancy or sales taxes, fees, or rent payments shall be considered a tenant security deposit and shall be subject to the provisions of the Residential Tenant Security Deposit Act, as codified in Article 6 of Chapter 42 of the General Statutes. Funds collected as a tenant security deposit in connection with a vacation rental shall be deposited into a trust account as required by G.S. 42-50. The landlord or real estate broker shall not have the option of obtaining a bond in lieu of maintaining security deposit funds in a trust account. In addition to the permitted uses of tenant security deposit monies as provided in G.S. 42-51, a landlord or real estate broker may, after the termination of a tenancy under this Chapter, deduct from any tenant security deposit the amount of any long distance or per call telephone charges and cable television charges that are the obligation of the tenant under the vacation rental agreement and are left unpaid by the tenant at the conclusion of the tenancy. The landlord or real estate broker shall apply, account for, or refund tenant security deposit...
monies as provided in G.S. 42-51 within 45 days following the conclusion of the tenancy.

(b) A vacation rental agreement shall not contain language compelling or permitting the automatic forfeiture of all or part of a tenant security deposit in case of breach of contract by the tenant, and no such forfeiture shall be allowed. The vacation rental agreement shall provide that a tenant security deposit may be applied to actual damages caused by the tenant as permitted under Article 6 of Chapter 42 of the General Statutes.

"§ 42A-19. Transfer of property subject to a vacation rental agreement.

(a) The grantee of residential property voluntarily transferred by a landlord who has entered into a vacation rental agreement for the use of the property shall take his or her title subject to the vacation rental agreement if the vacation rental is to end not later than 180 days after the grantee’s interest in the property is recorded in the office of the register of deeds. If the vacation rental is to end more than 180 days after the recording of the grantee’s interest, the tenant shall have no right to enforce the terms of the agreement unless the grantee has agreed in writing to honor such terms, but the tenant shall be entitled to a refund of any payments made by him or her. Prior to entering into any contract of sale, the landlord shall disclose to the grantee the time periods that the property is subject to a vacation rental agreement. Not later than 10 days after entering into the contract of sale the landlord shall disclose to the grantee each tenant’s name and address and shall provide the grantee with a copy of each vacation rental agreement. Not later than 10 days after transfer of the property, the grantee or the grantee’s agent shall:

(1) Notify each tenant in writing of the property transfer, the grantee’s name and address, and the date the grantee’s interest was recorded.

(2) Advise each tenant whether he or she has the right to occupy the property subject to the terms of the vacation rental agreement and the provisions of this section.

(3) Advise each tenant of whether he or she has the right to receive a refund of any payments made by him or her.

(b) Except as otherwise provided in this subsection, upon termination of the landlord’s interest in the residential property subject to a vacation rental agreement, whether by sale, assignment, death, appointment of receiver or otherwise, the landlord or the landlord’s agent, or the real estate broker, shall, within 30 days, transfer all advance rent paid by the tenant, and the portion of any fees remaining after any lawful deductions made under G.S. 42A-16, to the landlord’s successor in interest and thereafter notify the tenant by mail of such transfer and of the transferee’s name and address. For vacation rentals that end more than 180 days after the recording of the interest of the landlord’s successor in interest, unless the landlord’s successor in interest has agreed in writing to honor the vacation rental agreement, the landlord or the landlord’s agent, or the real estate broker, shall, within 30 days, transfer all advance rent paid by the
tenant, and the portion of any fees remaining after any lawful deductions made under G.S. 42A-16, to the tenant. Compliance with this subsection shall relieve the landlord or real estate broker of further liability with respect to any payment of rent or fees. Funds held as a security deposit shall be disbursed in accordance with G.S. 42A-18.

(c) If, prior to the tenant’s occupancy of the property, the landlord’s interest in the property is involuntarily transferred to another, the landlord shall refund to the tenant within 60 days after the transfer any payments made by the tenant.

(d) The failure of a landlord to comply with the provisions of this section shall constitute an unfair trade practice in violation of G.S. 75-1.1. A landlord who complies with the requirements of this section shall have no further obligations to the tenant.

"ARTICLE 4.
"Expedited Eviction Proceedings.
(a) Any tenant who leases residential property subject to a vacation rental agreement under this Chapter for 30 days or less may be evicted and removed from the property in an expedited eviction proceeding brought by the landlord, or real estate broker as agent for the landlord, as provided in this Article if the tenant does one of the following:

(1) Holds over possession after his or her tenancy has expired.

(2) Has committed a material breach of the terms of the vacation rental agreement that, according to the terms of the agreement, results in the termination of his or her tenancy.

(3) Fails to pay rent as required by the agreement.

(4) Has obtained possession of the property by fraud or misrepresentation.

(b) Only the right to possession shall be relevant in an expedited eviction proceeding. All other issues related to the rental of the residential property shall be presented in a separate civil action.

(a) Before commencing an expedited eviction proceeding, the landlord or real estate broker shall give the tenant at least four hours’ notice, either orally or in writing, to quit the premises. If reasonable efforts to personally give oral or written notice have failed, written notice may be given by posting the notice on the front door of the property.

(b) An expedited eviction proceeding shall commence with the filing of a complaint and issuance of summons in the county where the property is located. If the office of the clerk of superior court is closed, the complaint shall be filed with, and the summons issued by, a magistrate. The service of the summons and complaint for expedited eviction shall be made by a sworn law enforcement officer on the tenant personally or by posting a copy of the summons and complaint on the front door of the property. The officer, upon service, shall promptly file a return therefor. A hearing on the expedited eviction
shall be held before a magistrate in the county where the property is located not sooner than 12 hours after service upon the tenant and no later than 48 hours after such service. To the extent that the provisions of this Article are in conflict with the Rules of Civil Procedure, Chapter 1A of the General Statutes, with respect to the commencement of an action or service of process, this Article controls.

(c) The complaint for expedited eviction shall allege and the landlord or real estate broker shall prove the following at the hearing:

1. The vacation rental is for a term of 30 days or less.
2. The tenant entered into and accepted a vacation rental agreement that conforms to the provisions of this Chapter.
3. The tenant committed one or more of the acts listed in G.S. 42A-23(a) as grounds for eviction.
4. The landlord or real estate broker has given notice to the tenant to vacate as a result of the breach as provided in subsection (a) of this section.

The rules of evidence shall not apply in an expedited eviction proceeding, and the court shall allow any reasonably reliable and material statements, documents, or other exhibits to be admitted as evidence. The provisions of G.S. 7A-218, 7A-219, and 7A-220, except any provisions regarding amount in controversy, shall apply to an expedited eviction proceeding held before the magistrate. These provisions shall not be construed to broaden the scope of an expedited eviction proceeding to issues other than the right to possession.

(d) If the court finds for the landlord or real estate broker, the court shall immediately enter a written order granting the landlord or real estate broker possession and stating the time when the tenant shall vacate the property. In no case shall this time be less than 2 hours or more than 8 hours after service of the order on the tenant. The court’s order shall be served on the tenant at the hearing. If the tenant does not appear at the hearing or leaves before the order is served, the order shall be served by delivering the order to the tenant or by posting the order on the front door of the property by any sworn law enforcement officer. The officer, upon service, shall file a return therefor.

If the court finds for the landlord or real estate broker, the court shall determine the amount of the appeal bond that the tenant shall be required to post should the tenant seek to appeal the court order. The amount of the bond shall be an estimate of the rent that will become due while the tenant is prosecuting the appeal and reasonable damages that the landlord may suffer, including damage to property and damages arising from the inability of the landlord or real estate broker to honor other vacation rental agreements due to the tenant’s possession of the property.

A tenant or landlord may appeal a court order issued pursuant to G.S. 42A-24(d) to district court for a trial de novo. A tenant may petition the district court to stay the eviction order and shall post a
cash or secured bond with the court in the amount determined by the court pursuant to G.S. 42A-24(d).

"§ 42A-26. Violation of court order.

If a tenant fails to remove personal property from a residential property subject to a vacation rental after the court has entered an order of eviction, the landlord or real estate broker shall have the same rights as provided in G.S. 42-36.2(b) as if the sheriff had not removed the tenant’s property. The failure of a tenant or the guest of a tenant to vacate a residential property in accordance with a court order issued pursuant to G.S. 42A-24(d) shall constitute a criminal trespass under G.S. 14-159.13.

A landlord or real estate broker shall undertake to evict a tenant pursuant to an expedited eviction proceeding only when he or she has a good faith belief that grounds for eviction exists under the provisions of this Chapter. Otherwise, the landlord or real estate broker shall be guilty of an unfair trade practice under G.S. 75-1.1 and a Class I misdemeanor.

"ARTICLE 5.
"Landlord and Tenant Duties.

"§ 42A-31. Landlord to provide fit premises.

A landlord of a residential property used for a vacation rental shall:

1. Comply with all current applicable building and housing codes.

2. Make all repairs and do whatever is reasonably necessary to put and keep the property in a fit and habitable condition.

3. Keep all common areas of the property in safe condition.

The landlord shall annually place new batteries in a battery-operated smoke detector, and the tenant shall replace the batteries as needed during the tenancy. Failure of the tenant to replace the batteries as needed shall not be considered negligence on the part of the tenant or landlord.

These duties shall not be waived; however, the landlord and tenant may make additional covenants not inconsistent herewith in the vacation rental agreement.

"§ 42A-32. Tenant to maintain dwelling unit.

The tenant of a residential property used for a vacation rental shall:

1. Keep that part of the property which he or she occupies and uses as clean and safe as the conditions of the property permit and cause no unsafe or unsanitary conditions in the
common areas and remainder of the property that he or she uses.

(2) Dispose of ashes, rubbish, garbage, and other waste in a clean and safe manner.
(3) Keep all plumbing fixtures in the property or used by the tenant as clean as their condition permits.
(4) Not deliberately or negligently destroy, deface, damage, or remove any part of the property or render inoperable the smoke detector provided by the landlord or knowingly permit any person to do so.
(5) Comply with all obligations imposed upon the tenant by current applicable building and housing codes.
(6) Be responsible for all damage, defacement, or removal of any property inside the property that is in his or her exclusive control unless the damage, defacement, or removal was due to ordinary wear and tear, acts of the landlord or his or her agent, defective products supplied or repairs authorized by the landlord, acts of third parties not invitees of the tenant, or natural forces.

(7) Notify the landlord of the need for replacement of or repairs to a smoke detector. The landlord shall annually place new batteries in a battery-operated smoke detector, and the tenant shall replace the batteries as needed during the tenancy. Failure of the tenant to replace the batteries as needed shall not be considered negligence on the part of the tenant or the landlord.

These duties shall not be waived; however, the landlord and tenant may make additional covenants not inconsistent herewith in the vacation rental agreement.

Upon compliance, the tenant shall be entitled to a refund from the landlord of the prorated rent for each night that the tenant is unable to occupy the property because of the mandatory evacuation order. The tenant shall not be entitled to a refund if: (i) prior to the tenant taking possession of the property, the tenant refused insurance offered by the landlord or real estate broker that would have compensated him or her for losses or damages resulting from loss of use of the property due to a mandatory evacuation order; or (ii) the tenant purchased insurance offered by the landlord or real estate broker. "§ 7B-3800. Adoption of Compact.

The Interstate Compact on the Placement of Children is hereby enacted into law and entered into with all other jurisdictions legally joining therein in a form substantially as contained in this Article. It is the intent of the General Assembly that Article 4 Article 37 of this Chapter shall govern interstate placements of children between North Carolina and any other jurisdictions not a party to this Compact. It is the intent of the General Assembly that Chapter 48 of the General Statutes shall govern the adoption of children within the boundaries of North Carolina.

Article I. Purpose and Policy.

It is the purpose and policy of the party states to cooperate with each other in the interstate placement of children to the end that:

(a) Each child requiring placement shall receive the maximum opportunity to be placed in a suitable environment and with persons or institutions having appropriate qualifications and facilities to provide a necessary and desirable degree and type of care.

(b) The appropriate authorities in a state where a child is to be placed may have full opportunity to ascertain the circumstances of the proposed placement, thereby promoting full compliance with applicable requirements for the protection of the child.

(c) The proper authorities of the state from which the placement is made may obtain the most complete information on the basis of which to evaluate a projected placement before it is made.

(d) Appropriate jurisdictional arrangements for the care of children will be promoted.

Article II. Definitions.

(b) Prior to sending, bringing, or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring, or place the child in the receiving state. The notice shall contain:

Article IV. Penalty for Illegal Placement.

The sending, bringing, or causing to be sent or brought into any receiving state of a child in violation of the terms of this Compact shall constitute a violation of the laws respecting the placement of children of both the state in which the sending agency is located or from which it sends or brings the child and of the receiving state. Such violation may be punished or subjected to penalty in either jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any such violation shall constitute full and sufficient grounds for the suspension or revocation of any license,
permit, or other legal authorization held by the sending agency which empowers or allows it to place, or care for children.

Article V. Retention of Jurisdiction.

(a) The sending agency shall retain jurisdiction over the child sufficient to determine all matters in relation to the custody, supervision, care, treatment, and disposition of the child which it would have had if the child had remained in the sending agency’s state, until the child is adopted, reaches majority, becomes self-supporting or is discharged with the concurrence of the appropriate authority in the receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child or its transfer to another location and custody pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

(b) When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of one or more services in respect of such case by the latter as agent for the sending agency.

(c) Nothing in this Compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in paragraph (a) hereof.

Article VI. Institutional Care of Delinquent Children.

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this Compact, but no such placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to the child’s being sent to such other party jurisdiction for institutional care and the court finds that:

(1) Equivalent facilities for the child are not available in the sending agency’s jurisdiction; and

(2) Institutional care in the other jurisdiction is in the best interests of the child and will not produce undue hardship.

Article VII. Compact Administrator.

The executive head of each jurisdiction party to this Compact shall designate an officer who shall be general coordinator of activities under this Compact in the officer’s jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this Compact.

Article X. Construction and Severability.

The provisions of this Compact shall be liberally construed to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. The Superior Court of Wake County shall not issue a stay of certification unless the petitioner shows the court that he intends to appeal the decision of the State Board of Elections and that he is likely to prevail and that the results of the election would be changed in his favor. Mere irregularities in the election which would not change the results of the election shall not be sufficient for the court to issue a stay of certification.

Mere irregularities in the election which would not change the results of the election shall not be sufficient for the court to issue a stay of certification.

The chair of the county or municipal board of elections shall not issue a certification of nomination or election or the results of a referendum until 10 days after service of a final decision in an election contest or until an election contest is dismissed. No certification shall issue while an election contest is pending before the county, municipal, or State board of elections on appeal or otherwise."

If that candidate receives enough votes for nomination, such votes

If the ballots have been printed at the time the State Board of Elections receives notice of the candidate’s death, death or other disqualification, the Board shall determine whether there will be sufficient time to reprint them before the election if the filing period is reopened for three days. If the Board determines that there will be sufficient time to reprint the ballots, it shall reopen the filing period for three days to allow other candidates to file for election, and such election shall be conducted on the plurality basis.

(c) Death of Vacancy Caused by Nominated Candidate; Ballots Not Reprinted. -- If the ballots have been printed at the time the State Board of Elections receives notice of a candidate’s death, other disqualification, or resignation, and if the Board determines that there is not enough time to reprint the ballots before the election if the filing period is reopened for three days, then regardless of the number of candidates remaining for the office or group of offices, the ballots shall not be reprinted and the name of the deceased vacated candidate shall remain on the ballots. If a deceased vacated candidate should poll the highest number of votes in the election for a single office or enough votes to be elected to one of a group of offices, the State Board of Elections shall declare the office vacant and it shall be filled in the manner provided by law."

S.B. 212  SESSION LAW 1999-425

AN ACT TO AMEND CERTAIN STATUTES REGARDING THE NORTH CAROLINA BOARD OF MORTUARY SCIENCE AND
MUTUAL BURIAL ASSOCIATIONS, AND MINIMUM BURIAL DEPTHS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 143B-472.2 reads as rewritten:

"§ 143B-472.2. Duties of Board; meetings.

It shall be the duty of the North Carolina Board of Mortuary Science to supervise, pursuant to this Article, all burial associations authorized by this Article to operate in North Carolina, to determine that such associations are operated in conformity with this Article and the rules adopted pursuant to this Article; to assist the Board of Mortuary Science with prosecution of violations of this Article or rules adopted pursuant thereto; and to protect the interest of members of mutual burial associations.

The North Carolina Board of Mortuary Science, after a public hearing, may promulgate reasonable rules and regulations for the enforcement of this Article and in order to carry out the intent thereof. The Board is authorized and directed to adopt specific rules to provide for the orderly transfer of a member’s benefits in cash or merchandise and services from the funeral director sponsoring the member’s association to the funeral establishment which furnishes a funeral service, or merchandise, or both, for the burial of the member, provided that any funeral establishment to which the member’s benefits are transferred in accordance with such rules shall, if located in North Carolina, be a funeral establishment registered and permitted under the provisions of G.S. 90-210.25 or shall, if located in any other state, territory or foreign country, be a funeral establishment recognized by and operating in conformity with the laws of such other state, territory or foreign country. One or more burial associations operating in North Carolina may merge into another burial association operating in North Carolina and two or more burial associations operating in North Carolina may consolidate into a new burial association provided that any such plan of merger or plan of consolidation shall be adopted and carried out in accordance with rules adopted by the Board pursuant to this Article.

All rules herefore adopted by the North Carolina Mutual Burial Association Commission or the North Carolina Board of Mortuary Science in accordance with prior law and which have not been amended, rescinded, revoked or otherwise changed, or which have not been nullified or made inoperative or unenforceable because of any statute enacted after the adoption of any such rule, shall remain in full force and effect until amended, rescinded, revoked or otherwise changed by action of the North Carolina Board of Mortuary Science as set out above, or until nullified or made inoperative or unenforceable because of statutory enactment or court decision.

Members of the Board shall receive, when attending such regular or special meetings such per diem, expense allowance and travel allowance as are allowed other commissions and boards of the State. The legal adviser to the Board shall be entitled to actual expenses
when attending regular or special meetings of the Board held other than in Raleigh. All expenses of the Board shall be paid from funds coming to the Board pursuant to this Article or appropriated for this purpose."

Section 2. Article 10 of G.S. 143B-472.3 reads as rewritten:

"Article 10. It is understood and stipulated that the benefits provided for shall be payable only to a funeral establishment which provides a funeral service for a deceased member and which, if located in North Carolina, is a funeral establishment registered under the provisions of G.S. 90-210.17 90-210.25 or which, if located in any other state, territory or foreign country, is a funeral establishment recognized by and operating in conformity with the laws of such other state, territory or foreign country. Upon the death of any member, it shall be the duty of the person or persons making the funeral arrangements for such deceased member to notify the secretary of the member’s burial association of the death of such member. The person or persons making the funeral arrangements for such deceased member shall have 30 days from the date of the death of such member in which to make demand upon the burial association for the funeral benefits to which such member is entitled.

The benefits provided for are to be paid by the burial association to the funeral director providing such funeral and burial service either in cash or in merchandise and service as elected by the person or persons making the funeral arrangements for such deceased member. If the burial association shall fail, on demand, to provide the benefits to which the deceased member was entitled to the funeral establishment which provided the funeral service for the deceased member, then the benefits shall be paid in cash to the representative of the deceased member qualified under law to receive such benefits."

Section 3. Part 13 of Article 10 of Chapter 143B is amended by adding the following new section:

"§ 143B-472.29. Acquisition, merger, dissolution, and liquidation of mutual burial associations.

(a) Any insurance company which desires to purchase the assets of or to merge with a burial association as provided in G.S. 143B-472.28 shall submit to the Board of Mortuary Science and to the secretary of the association a written proposal containing the terms and conditions of the proposed purchase or merger. A proposal may be conditioned upon an increase in the assessments of an association in the manner set out in subsection (g) of this section. In such a case, the issues of purchase or merger and an increase in assessments may be considered at the same meeting of the association.

(b) Upon receipt of a written proposal:

(1) The Board shall issue an order directing the association to hold a meeting of the membership within 30 days following receipt of the order for the purpose of voting on the proposal.
(2) Within 10 days of receiving the order from the Board, the
association shall give at least 10 days' written notice of the
meeting to each of its members. The notice shall:
   a. State the date, time, and place of the meeting.
   b. State the purpose of the meeting.
   c. Contain or have attached the proposal submitted by the
      insurance company.
   d. Contain a statement limiting the time that each member
      will be permitted to speak to the proposal, if the
      association deems it advisable.

(c) A representative of the insurance company shall be permitted to
attend the meeting held by the association for the purposes of
explaining the proposal and answering any questions from the
members. The officers of the association may present their views
concerning the proposal. Any member of the association who wishes
to speak to the proposal shall be permitted to do so subject to any time
limitation stated in the notice of the meeting.

(d) The secretary of the association shall record the name of every
member who is present at the meeting and shall determine whether
there is a quorum. The presence of 15 members or ten percent
(10%) of the membership, whichever is greater, shall constitute a
quorum. Acceptance or rejection of the proposal shall be by majority
vote of the members present and voting. Any member who is at least
18 years of age shall be permitted to vote. A parent or guardian of
any member who is under 18 years of age may vote on behalf of his
or her child or ward, but only one vote may be cast on behalf of that
member.

(e) The secretary of the association shall certify the result of the
vote and the presence of a quorum to the Board within five days
following the meeting and shall include with the certification a copy of
the notice of the meeting that was sent to the members of the
association.

(f) The Board shall immediately review the certification, the notice,
and any other records that may be necessary to determine the
adequacy of notice, the presence of a quorum, and the validity of the
vote. Upon determining that the meeting and vote were regular and
held following proper notice and that a majority of a quorum of the
members voted in favor of the proposal, the Board shall issue an order
approving the purchase or merger and directing that the purchase or
merger proceed in accordance with the proposal.

(g) Any burial association whose current assessments are not, or
are unlikely to be within the next three years, adequate to reach or
maintain a reserve of at least twenty-one dollars ($21.00) per member
or are inadequate to meet the requirements of a proposal from an
insurance company to acquire the assets of or to merge with the
association may increase its assessments by an amount necessary to
reach and maintain the reserve or to meet the proposal. The increase
shall be approved by a vote of the members of the association at a
regular meeting of the association or at a special meeting called for the purpose of increasing assessments.

(1) Any officer or director of the association may call a special meeting for the purpose of increasing assessments, and the secretary shall call a special meeting for such purpose upon the request of at least ten percent (10%) of the members or upon receipt of a proposal from an insurance company that is conditioned upon an increase in assessments.

(2) Written notice setting out the date, time, place, and the purpose of the meeting shall be hand delivered or sent by first-class mail, postage prepaid, to the last known address of each member of the association at least 10 days in advance of the meeting.

(3) No vote may be had on the question of an increase in assessments unless a quorum of the members of the association is present at the meeting. A quorum shall be conclusively presumed if 15 members or ten percent (10%) of the membership of the association, whichever is greater, is present at the meeting.

(4) The proposal to increase the assessments shall be approved by an affirmative vote of a majority of the members present and voting.

(5) The secretary of the association within five days following the meeting shall certify the result of the vote and the presence of a quorum to the Board in the manner and for the purposes set out in subsections (e) and (f) of this section.

(h) Upon a written request from an association that has held a valid meeting and voted for voluntary dissolution in accordance with G.S. 143B-472.3, the Board shall issue an order of liquidation for that association.

(i) Upon receipt of a request for voluntary dissolution under subsection (h), the Board shall issue an order of liquidation. The Board's order may direct that the agreements for members' benefits be transferred to a financially sound mutual burial association, as well as all records, property, and unexpended balances of funds of the association to be liquidated, if the financially sound mutual burial association agrees in writing to accept the transfer. The Board's order shall direct the burial association to complete the liquidation and to file a final report with the Board no later than December 31 of the year of the liquidation. Upon receipt of the order of liquidation, the burial association shall:

(1) Cease accepting new members.

(2) Collect all debts owed to the association and pay all debts owed by the association from monies on hand, including the reserve.

(3) Distribute pro rata any remaining monies on hand and in the reserve among those who were members of the association and whose transfer could not be accomplished on the date
that the liquidation order was issued by the Board. Each member's distributive share shall be determined by dividing the amount of the member's benefit by the aggregate benefits of all members of the association and then multiplying the total amount of money available for distribution by the percentage so derived. Assessments owed by the members to the association at the time of distribution shall be taken into account and shall be offset against the members' distributive shares.

(4) Issue a certificate to members in an amount that equals the difference between the distributive share issued in subdivision (3) of this subsection and the full amount of the member's association benefit. Any certificate issued shall supersede and supplant any other certificate already issued by the association. The certificate shall be on a form prescribed by the Board and shall be prepared and distributed by the association at its expense.

(5) File a final report with the Board on or before December 31 in the year in which the order of liquidation was issued. This report shall show all receipts and disbursements, including the amount distributed to each member, since the last annual report of the association was filed with the Board.

(i) A certificate issued under subsection (i) of this section may be used as a credit toward the cost of funeral services, facilities, and merchandise at any funeral establishment that agrees on forms prescribed by the Board to accept such certificates. A funeral establishment that agrees to accept certificates shall do so until the agreement with the Board expires. The Board shall maintain and distribute to the public a list of funeral establishments that will accept certificates.

(k) Upon receipt of the final report of dissolution by the association, which is required by subsection (i) of this section, the Board shall immediately review the final report and shall notify the association whether the report is complete and has been accepted. Upon acceptance of the final report by the Board, all licenses issued to soliciting agents of the association pursuant to G.S. 143B-472.6 are automatically cancelled."

Section 4. G.S. 90-210.25A reads as rewritten:

"§ 90-210.25A. Minimum burial depth.

When final disposition of a human body entails interment, the top of the uppermost part of the burial vault or other encasement shall be a minimum of 18 inches below the ground surface. This section does not apply to burials where no part of the burial vault or other encasement containing the body is touching the ground:

(1) Burials where no part of the burial vault or other encasement containing the body is touching the ground.

(2) Burials where the land is located in a family owned cemetery that was established by deed recorded prior to January 1,
1989, and the individual to be buried is to be buried in a surface burial vault in a manner similar to that of the individual's deceased spouse who was buried prior to January 1, 1981."

Section 5. The Legislative Research Commission is authorized to study issues relating to the insolvency of mutual burial associations in North Carolina. The Commission shall make a final report of its findings and recommendations, including any legislative proposals, to the 2001 General Assembly. The Commission may make an interim report to the 1999 General Assembly, 2000 Regular Session.

The county board shall designate a full set of precinct officials, in the manner set forth in Article 5 of this Chapter, for each voting place designated for the precinct."

Section 4.(b) This section becomes effective January 2, 2000, and expires January 2, 2002. provided, however, that this section shall not be construed to permit any board of elections to demand and use any tax exempt church property for such purposes without the express consent of the individual church involved, for the purpose of conducting registration and voting for any primary or election, and it may require that the requisitioned premises, or a part thereof, be vacated for these purposes.

If a county board of elections requires that a tax-supported building be used as a voting place, that county board of elections may require that those in control of that building provide parking that is adequate for voters at the precinct, as determined by the county board of elections.

The county board of elections shall inspect each precinct voting place to ascertain how it should be arranged for voting purposes, and shall direct the chief judge and judges of any precinct to define the voting place by roping off the area or otherwise enclosing it or by marking its boundaries. Section 6.(a) G.S. 163-304 reads as rewritten:
"§ 163-304. State Board of Elections to have jurisdiction over municipal elections and election officials, and to advise; emergency and ongoing administration by county board.

(a) Authority and Duty of State Board. -- The State Board of Elections shall have the same authority over municipal elections and election officials as it has over county and State elections and election officials. The State Board of Elections shall advise and assist cities, towns, incorporated villages and special districts, municipal boards of elections, their members and legal officers on the conduct and administration of their elections and registration procedure.

The city council shall provide written notification to the State Board of Elections of the appointment of each member of its municipal board of elections within five days after the appointment. The municipal board of elections and the city council shall provide such other information about the municipal board of elections as the State Board may require. Members of the municipal board of elections and municipal elections officials shall participate in training provided by the State Board pursuant to G.S. 163-82.24. The State Board shall provide the same training, materials, and assistance to municipal boards of elections that it provides to county boards of elections.

The county and municipal boards of elections shall be governed by the same rules for settling controversies with respect to counting
ballots or certification of the returns of the vote in any municipal or special district election as are in effect for settling such controversies in county and State elections.

(b) Emergency Administration if Municipal Board Is Not Appointed. -- If a city council in a city that has elected pursuant to G.S. 163-285 to conduct its own elections has not appointed a municipal board of elections and reported the appointments to the Executive Secretary-Director by March 1 in the year in which the city election is to occur, the Executive Secretary-Director shall notify the city council that, unless a municipal board of elections is appointed and the Executive Secretary-Director notified of its appointment by April 1 of that year, the county board of elections shall be ordered to conduct that city’s elections that year on an emergency basis. If the city council does not so appoint and so notify by April 1, the Executive Secretary-Director shall order the county board of elections to conduct the city’s elections that year on an emergency basis.

(c) Emergency Administration Due to Serious Violations. -- If a city council or municipal board of elections has committed violations of the applicable portions of this Chapter prior to a city election and those violations are of such magnitude as to give rise to reasonable doubt as to the ability of the municipal board of elections to conduct that election with competence and fairness, the Executive Secretary-Director of the State Board, with the approval of at least four members of the State Board, may order the county board of elections to conduct the remainder of that election on an emergency basis. Before an order is made under this subsection, the city council and municipal board of elections shall be given an opportunity to be heard by the State Board.

(d) Ongoing County Administration. -- The State Board of Elections may designate the county board of elections as the ongoing agency to conduct a city’s elections if all the following conditions are met:

1. In more than one election conducted by that city either (i) the city’s elections have been administered on an emergency basis pursuant to subsection (b) or (c) of this section or (ii) a new election has been ordered because of irregularities in the city’s administration of the election.

2. The State Board finds that the interest of the residents of the city in fair and competent administration of elections requires that the city not conduct its own elections.

3. The city council and municipal board of elections are given an opportunity to be heard before the State Board.

4. The State Board by a vote of at least four of its members designates the county board of elections as the ongoing agency to conduct that city’s elections.

The city council may not elect to conduct its own elections under G.S. 163-285 until every member of the city council has been elected in an election conducted by the county board of elections after the State Board’s designation.

(e) Reimbursement. -- If the county board of elections administers a city’s elections pursuant to subsection (b), (c), or (d) of this section,
the city shall reimburse the county board of elections in the manner set forth in G.S. 163-285."

Section 6.(b) This section becomes effective January 1, 2000, except that every city council shall provide to the State Board of Elections by August 1, 1999, a list of the members and supervisor of the municipal board of elections in its municipality. That list shall indicate who is the chair and shall provide addresses and telephone numbers for the members and supervisors.

-- INCREASING MINIMUM COMPENSATION FOR COUNTY ELECTIONS DIRECTORS.

Section 7.(a) G.S. 163-35(c) reads as rewritten:

"(c) Compensation of Directors of Elections. -- Compensation paid to directors of elections in all counties maintaining full-time registration (five days per week) shall be in the form of a salary in an amount recommended by the county board of elections and approved by the Board of County Commissioners and shall be commensurate with the salary paid to directors in counties similarly situated and similar in population and number of registered voters.

Beginning July 1, 1991, in any county operating under modified registration PLAN A, B, C, or D, the The Board of County Commissioners in each county, whether or not the county maintains full-time or modified full-time registration, shall compensate the director of elections at a minimum rate of eight twelve dollars ($8.00) ($12.00) per hour for hours worked in attendance to his or her duties as prescribed by law, including rules and regulations adopted by the State Board of Elections. In addition, the county shall pay to the director an hourly wage of at least eight twelve dollars ($8.00) ($12.00) per hour for all hours worked in excess of those prescribed in rules and regulations adopted by the State Board of Elections, when such additional hours have been approved by the county board of elections and such approval has been recorded in the official minutes of the county board of elections.

In addition to the compensation provided for herein, the director of elections to the county board of elections shall be granted the same vacation leave, sick leave, and petty leave as granted to all other county employees. It shall also be the responsibility of the Board of County Commissioners to appropriate sufficient funds to compensate a replacement for the director of elections when authorized leave is taken."

Section 7.(b) This section becomes effective July 1, 2000.

-- LOWERING THE THRESHOLD FOR A FULL-TIME COUNTY ELECTIONS OFFICE.

Section 8.(a) G.S. 163-36 reads as rewritten:

"§ 163-36. Modified full-time offices.

The State Board of Elections shall promulgate rules permitting counties that have fewer than 14,001 6,501 registered voters to operate a modified full-time elections office to the extent that the operation of a full-time office is not necessary. Nothing in this section shall preclude
any county from keeping an elections office open at hours consistent with the hours observed by other county offices."

Section 8.(b) This section becomes effective July 1, 2000.

-- PROVIDING FOR GIFTS TO POLITICAL PARTY HEADQUARTERS BUILDING FUNDS.

Section 9.(a) Article 22A of Chapter 163 of the General Statutes is amended by adding a new section to read:

§ 163-278.19B. Political party headquarters building funds.

Notwithstanding the provisions of G.S. 163-278.19, a person prohibited by that section from making a contribution may donate to political parties and political parties may accept from such a person money and other things of value donated to a political party headquarters building fund. Donations to the political party headquarters building fund shall be subject to all the following rules:

(1) The donations solicited and accepted are designated to the political party headquarters building fund.

(2) Potential donors to that fund are advised that all donations will be exclusively for the political party headquarters building fund.

(3) The political party establishes a separate segregated bank account into which shall be deposited only donations for the political party headquarters building fund from persons prohibited by G.S. 163-278.19 from making contributions.

(4) The donations deposited in the separate segregated bank account for the political party headquarters building fund will be spent only to purchase a headquarters building, to construct a headquarters building, to renovate a headquarters building, to pay a mortgage on a headquarters building, or to repay donors if a headquarters building is not purchased, constructed, or renovated. Donations deposited into that account shall not be used for headquarters rent, utilities, or equipment other than fixtures.

(5) The political party executive committee shall report donations to and spending by a political party headquarters building fund on every report required to be made by G.S. 163-278.9. If a committee is excused from making general campaign finance reports under G.S. 163-278.10A, that committee shall nonetheless report donations in any amount to and spending in any amount by the political party headquarters building fund at the times required for reports in G.S. 163-278.9.

If all the criteria set forth in subdivisions (1) through (5) of this section are complied with, then donations to and spending by a political party headquarters building fund do not constitute contributions or expenditures as defined in G.S. 163-278.6. If those criteria are complied with, then donations may be made to a political party headquarters building fund."

Section 9.(b) This section is effective when this act becomes law.
-- CHANGING THE STATUTE CONCERNING A CANDIDATE’S SIGNATURE ON A FINANCE REPORT TO REFLECT TRADITIONAL PRACTICE.

S.B. 292

SESSION LAW 1999-428

AN ACT TO PROVIDE THAT CRIMINAL CASES IN SUPERIOR COURT SHALL BE CALENDARED PURSUANT TO ADMINISTRATIVE SETTINGS.

The General Assembly of North Carolina enacts:

Section 1. Article 7 of Chapter 7A of the General Statutes is amended by adding a new section to read:

"§ 7A-49.4. Superior court criminal case docketing.
(a) Criminal Docketing. -- Criminal cases in superior court shall be calendared by the district attorney at administrative settings according to a criminal case docketing plan developed by the district attorney for each superior court district in consultation with the superior court judges residing in that district and after opportunity for comment by members of the local bar. Each criminal case docketing plan shall, at a minimum, comply with the provisions of this section, but may contain additional provisions not inconsistent with this section.
(b) Administrative Settings. -- An administrative setting shall be calendared for each felony within 60 days of indictment or service of notice of indictment if required by law, or at the next regularly

1722
scheduled session of superior court if later than 60 days from indictment or service if required. At an administrative setting:

1. The court shall determine the status of the defendant's representation by counsel;

2. After hearing from the parties, the court shall set deadlines for the delivery of discovery, arraignment if necessary, and filing of motions;

3. If the district attorney has made a determination regarding a plea arrangement, the district attorney shall inform the defendant as to whether a plea arrangement will be offered and the terms of any proposed plea arrangement, and the court may conduct a plea conference if supported by the interest of justice;

4. The court may hear pending pretrial motions, set such motions for hearing on a date certain, or defer ruling on motions until the trial of the case; and

5. The court may schedule more than one administrative setting if requested by the parties or if it is found to be necessary to promote the fair administration of justice in a timely manner.

Whenever practical, administrative settings shall be held by a superior court judge residing within the district, but may otherwise be held by any superior court judge.

If the parties have not otherwise agreed upon a trial date, then upon the conclusion of the final administrative setting, the district attorney shall announce a proposed trial date. The court shall set that date as the tentative trial date unless, after providing the parties an opportunity to be heard, the court determines that the interests of justice require the setting of a different date. In that event, the district attorney shall set another tentative trial date during the final administrative setting. The trial shall occur no sooner than 30 days after the final administrative setting, except by agreement of the State and the defendant.

Nothing in this section precludes the disposition of a criminal case by plea, deferred prosecution, or dismissal prior to an administrative setting.

(c) Definite Trial Date. -- When a case has not otherwise been scheduled for trial within 120 days of indictment or of service of notice of indictment if required by law, then upon motion by the defendant at any time thereafter, the senior resident superior court judge, or a superior court judge designated by the senior resident superior court judge, may hold a hearing for the purpose of establishing a trial date for the defendant.

(d) Venue for Administrative Settings. -- Venue for administrative settings may be in any county within the district when necessary to comply with the terms of the criminal case docketing plan. The presence of the defendant is only required for administrative settings held in the county where the case originated.
(e) Setting and Publishing of Trial Calendar. -- No less than 10 working days before cases are calendared for trial, the district attorney shall publish the trial calendar. The trial calendar shall schedule the cases in the order in which the district attorney anticipates they will be called for trial and should not contain cases that the district attorney does not reasonably expect to be called for trial. In counties in which multiple sessions of court are being held, the district attorney may publish a trial calendar for each session of court.

(f) Order of Trial. -- The district attorney, after calling the calendar and determining cases for pleas and other disposition, shall announce to the court the order in which the district attorney intends to call for trial the cases remaining on the calendar. Deviations from the announced order require approval by the presiding judge if the defendant whose case is called for trial objects; but the defendant may not object if all the cases scheduled to be heard before the defendant’s case have been disposed of or delayed with the approval of the presiding judge or by consent of the State and the defendant. A case may be continued from the trial calendar only by consent of the State and the defendant or upon order of the presiding judge or resident superior court judge for good cause shown. The district attorney, after consultation with the parties, shall schedule a new trial date for cases not reached during that session of court.

(g) Nothing in this section shall be construed to deprive any victim of the rights granted under Article I, Section 37 of the North Carolina Constitution and Article 46 of Chapter 15A of the General Statutes.

(h) Nothing in this section shall be construed to affect the authority of the court in the call of cases calendared for trial."

Section 2. G.S. 7A-49.3 is repealed.

Section 3. G.S. 7A-61 reads as rewritten:

"§ 7A-61. Duties of district attorney.

The district attorney shall prepare the trial dockets, prosecute in a timely manner in the name of the State all criminal actions and infractions requiring prosecution in the superior and district courts of his prosecutorial district, advise the officers of justice in his district, and perform such duties related to appeals to the Appellate Division from his district as the Attorney General may require. Effective January 1, 1971, the district attorney shall also represent the State in juvenile cases in which the juvenile is represented by an attorney. Each district attorney shall devote his full time to the duties of his office and shall not engage in the private practice of law."

Each report shall be submitted to the Joint Legislative Commission on Governmental Operations. The report shall specifically state whether that agency’s telephone system and letterhead is in compliance with the provisions of this act and, if not, shall state any reasons for that noncompliance. The report shall also provide information on the volume of calls received by that agency and the number of attendants or operators available to take those calls.

Section 4. This act is effective when it becomes law. Section 2 of this act applies to all letterhead purchased or produced on or after September 1, 1999.

This policy shall apply to the General Court of Justice as defined in Article IV of the North Carolina Constitution, the public school administrative units, and the community colleges with respect to the receipt, deposit, and disbursement of moneys required by law to be deposited with the State Treasurer and with respect to moneys made available to them for expenditure by warrants drawn on the State Treasurer. A payment of an account receivable that is made by credit card electronic payment and is not honored by the issuer of the credit card or the financial institution offering electronic funds transfer does not relieve the debtor of the obligation to pay the account receivable."

This penalty does not apply if the tax collector finds that, when the check was presented for payment, the drawer of the check had sufficient funds in an account at a financial institution in this State to pay the check and, by inadvertance, the drawer of the check failed to draw the check on the account that had sufficient funds. Section 3. G.S. 105-551 reads as rewritten:

"§ 105-551. Tax on gross receipts authorized.

(a) Tax. -- The board of trustees of an Authority may levy a privilege tax on a retailer who is engaged in the business of leasing or renting U-drive-it passenger vehicles or motorcycles based on the gross receipts derived by the retailer from the short-term lease or rental of these vehicles. The tax rate must be a percentage and may not exceed five percent (5%). A tax levied under this section applies to short-term leases or rentals made by a retailer whose place of business or inventory is located within the territorial jurisdiction of the Authority. This tax is in addition to all other taxes.

(b) Restrictions. -- The board of trustees of an Authority may not levy a tax under this section or increase the tax rate of a tax levied under this section until all of the following requirements have been met:

(1) The board of trustees has held a public hearing on the tax or the increase in the tax rate after giving at least 10 days' notice of the hearing.

(2) If the Authority has a special tax board, the special tax board has adopted a resolution approving the levy of the tax or the increase in the tax rate.

(3) The board of commissioners of each county included in the territorial jurisdiction of the Authority has adopted a resolution approving the levy of the tax or the increase in the tax rate.
(c) Special Tax District. -- If a regional transportation authority created under Article 27 of Chapter 160A of the General Statutes has not levied the tax under this section or has levied the tax at a rate of less than five percent (5%), it may create a special district that consists of the entire area of one or more counties within its territorial jurisdiction and may levy on behalf of the special district the tax authorized in this section. The rate of tax levied within the special district may not, when combined with the rate levied within the entire territorial jurisdiction of the authority, exceed five percent (5%). The regional transportation authority may not levy or increase a tax within the special district unless the board of commissioners of each county in the special district has adopted a resolution approving the levy or increase.

A special district created pursuant to this subsection is a body corporate and politic and has the power to carry out the purposes of this subsection. The board of trustees of the regional transportation authority created under Article 27 of Chapter 160A of the General Statutes shall serve, ex officio, as the governing body of a special district it creates pursuant to this subsection. The purpose of the tax levied under this Article is to raise revenue for capital and operating expenses of an Authority in providing public transportation systems. The rate of tax levied under this Article must be a full dollar amount, but may not exceed five dollars ($5.00) a year.

(b) Restrictions. -- The board of trustees of an Authority may not levy a tax under this Article or increase the tax rate until all of the following requirements have been met:

2. If the Authority has a special tax board, the special tax board has adopted a resolution approving the levy of the tax or the increase in the tax rate.

3. Except where the levy or increase in tax is necessary for debt service on bonds or notes that each of the boards of county commissioners had previously approved under G.S. 159-51, the board of commissioners of each county included in the territorial jurisdiction of the Authority has adopted a resolution approving the levy of the tax or the increase in the tax rate.
(c) Resolutions. -- The board of trustees and the board of county commissioners, upon adoption of a resolution pursuant to this section, shall cause a certified copy of the resolution to be delivered immediately to the Authority and to the Division of Motor Vehicles.

(d) Special Tax District. -- If a regional transportation authority created under Article 27 of Chapter 160A of the General Statutes has not levied the tax under this section or has levied the tax at a rate of less than five dollars ($5.00) it may create a special district that consists of the entire area of one or more counties within its territorial jurisdiction and may levy on behalf of the special district the tax authorized in this section. The rate of tax levied within the special district may not, when combined with the rate levied within the entire territorial jurisdiction of the authority, exceed five dollars ($5.00). The regional transportation authority may not levy or increase a tax within the special district unless the board of commissioners of each county in the special district has adopted a resolution approving the levy or increase.

A special district created pursuant to this subsection is a body corporate and politic and has the power to carry out the purposes of this subsection. The board of trustees of the regional transportation authority created under Article 27 of Chapter 160A of the General Statutes shall serve, ex officio, as the governing body of a special district it creates pursuant to this subsection. The proceeds of a tax levied under this subsection may be used only for the benefit of the special district and only for the purposes provided in G.S. 105-564. Except as provided in this subsection, a tax levied under this subsection is governed by the provisions of this Article."

SESSION LAW 1999-447

AN ACT TO IMPROVE BOATING SAFETY BY AMENDING THE STATE LAW REGULATING PERSONAL WATERCRAFT OPERATION TO CONFORM WITH THE RECOMMENDATIONS OF THE NATIONAL ASSOCIATION OF STATE BOATING LAW ADMINISTRATORS AND TO OTHERWISE IMPROVE PERSONAL WATERCRAFT SAFETY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 75A-13.3 reads as rewritten:

"§ 75A-13.3. Personal watercraft.

(a) No person shall operate a personal watercraft on the waters of this State at any time between the hours from one hour after sunset to one hour before sunrise. For purposes of this section, "personal watercraft" means a small vessel which uses an outboard or propeller-driven motor, or an inboard motor powering a water jet pump, as its primary source of motive power and which is designed to be operated by a person sitting, standing, or kneeling on, or being towed behind the vessel, rather than in the conventional manner of sitting or standing inside the vehicle vessel.

(b) Except as otherwise provided in this subsection, no person under 16 years of age shall operate a personal watercraft on the waters of this State, nor shall and it is unlawful for the owner of a personal watercraft or a person who has temporary or permanent responsibility for a person under the age of 16 to knowingly allow a person under the age of 16 that person to operate a personal watercraft. A person of at least 13 12 years of age but under 16 years of age may operate a personal watercraft on the waters of this State if:

1. The person is accompanied by a person of at least 16 18 years of age who physically occupies the watercraft; or

2. The person (i) possesses a boating safety certificate or a photographic identification card certifying that the person has completed a boating safety course approved by the United States Coast Guard Auxiliary, on his or her person while operating the watercraft, identification showing proof of age and a boater safety certification card issued by the Wildlife Resources Commission or proof of other satisfactory completion of a boating safety education course approved by the National Association of State Boating Law Administrators (NASBLA); and (ii) produces that identification and certification card upon the request of an officer of the Wildlife Resources Commission or local law enforcement agency.

(c) No livery shall lease, hire, or rent a personal watercraft to or for operation by a person under 16 years of age, except as provided in subsection (b) of this section.
(c) It shall be unlawful for any person, firm, or corporation to engage in the business of renting personal watercraft to the public for operation by the rentee unless such person, firm, or corporation has secured insurance for his own liability and that of his rentee, in such an amount as is hereinafter provided, from an insurance company duly authorized to sell liability insurance in this State. Each such personal watercraft rented must be covered by a policy of liability insurance insuring the owner and rentee and their agents and employees while in the performance of their duties against loss from any liability imposed by law for damages including damages for care and loss of services because of bodily injury to or death of any person and injury to or destruction of property caused by accident arising out of the operation of such personal watercraft, subject to the following minimum limits: three hundred thousand dollars ($300,000) per occurrence.

(d) No person shall operate a personal watercraft on the waters of this State, nor shall the owner of a personal watercraft knowingly allow another person to operate that personal watercraft on the waters of this State, unless:

(1) Each person riding on or being towed behind such vessel is wearing a type I, type II, type III, or type V personal flotation device approved by the United States Coast Guard. Inflatable personal flotation devices do not satisfy this requirement; and

(2) In the case of a personal watercraft equipped by the manufacturer with a lanyard-type engine cut-off switch, the lanyard is securely attached to the person, clothing, or flotation device of the operator at all times while the personal watercraft is being operated in such a manner to turn off the engine if the operator dismounts while the watercraft is in operation.

(d) No person shall operate a personal watercraft towing another person on water skis or other devices unless:

(1) The personal watercraft has on board, in addition to the operator, an observer who shall monitor the progress of the person or persons being towed, or the personal watercraft is equipped with a rearview mirror; and

(2) The total number of persons operating, observing, and being towed does not exceed the number of passengers identified by the manufacturer as the maximum safe load for the vessel.

(e) A personal watercraft must at all times be operated in a reasonable and prudent manner. Maneuvers that endanger life, limb, or property, including: property shall constitute reckless operation of a vessel as provided in G.S. 75A-10, and include:

(1) Unreasonably or unnecessarily weaving through congested vessel traffic;
Jumping the wake of another vessel unreasonably or unnecessarily close of within 100 feet of such other vessel or when visibility around such other vessel is obstructed; and

Intentionally approaching another vessel in order to swerve at the last possible moment to avoid collision;

Operating at greater than no-wake speed within 100 feet of an anchored or moored vessel, the shoreline, a dock, pier, swim float, marked swimming area, swimmers, surfers, persons engaged in angling, or any manually operated propelled vessel; and

Operating contrary to the "rules of the road" or following too closely to another vessel, including another personal watercraft. For purposes of this subdivision, "following too closely" means proceeding in the same direction and operating at a speed in excess of 10 miles per hour when approaching within 100 feet to the rear or 50 feet to the side of another vessel that is underway unless that vessel is operating in a narrow channel, in which case a personal watercraft may operate at the speed and flow of other vessel traffic.

shall constitute reckless operation of a vessel as provided in G.S. 75A-10.

(f) The provisions of this section do not apply to a performer engaged in a professional exhibition, a person or persons engaged in an activity authorized under G.S. 75A-14, or a person attempting to rescue another person who is in danger of losing life or limb.

The provisions of G.S. 75A-13.2 shall not apply to the region covered by this section.

(h) Nothing in this section prohibits units of local government, marine commissions, or local wake authorities from regulating personal watercraft pursuant to the provisions of G.S. 160A-176.2 or any other law authorizing such regulation, provided that the regulations are more restrictive than the provisions of this section or regulate aspects of personal watercraft operation that are not covered by this section. Whenever a unit of local government, marine commission, or local wake authority regulates personal watercraft pursuant to this subsection, it shall conspicuously post signs that are reasonably calculated to provide notice to personal watercraft users of the stricter regulations."

Section 2. G.S. 75A-18 is amended by adding a new subsection to read:

"(c1) Any boat livery that fails to carry liability insurance in violation of G.S. 75A-13.3(c1) shall be guilty of a Class 2
misdemeanor and shall only be subject to a fine not to exceed one thousand dollars ($1,000)."

Section 3. G.S. 75A-13.2 is repealed.
Section 4. This act becomes effective December 1, 1999, and applies to acts committed on or after that date.

In the General Assembly read three times and ratified this the 20th day of July, 1999.

Became law upon approval of the Governor at 10:17 p.m. on the 10th day of August, 1999.

S.B. 1049 SESSION LAW 1999-448

AN ACT TO AMEND AND CODIFY THE LAW THAT PROVIDES FOR COMPENSATORY MITIGATION AS AN ALTERNATIVE TO THE MAINTENANCE OF RIPARIAN BUFFERS AND THAT AUTHORIZES THE ENVIRONMENTAL MANAGEMENT COMMISSION TO DELEGATE RESPONSIBILITY FOR THE IMPLEMENTATION AND ENFORCEMENT OF THE STATE’S RIPARIAN BUFFER PROTECTION REQUIREMENTS TO LOCAL GOVERNMENTS, AS RECOMMENDED BY THE NEUSE RIVER BUFFER RULES STAKEHOLDER ADVISORY COMMITTEE AND REQUESTED BY THE ENVIRONMENTAL MANAGEMENT COMMISSION.

Whereas, in 1996 the General Assembly established a goal to reduce the average annual load of nitrogen delivered from point and nonpoint sources to the Neuse River Estuary by a minimum of thirty percent (30%) of the average load for the period 1991 through 1995 by the year 2001 and directed the Environmental Management Commission to develop and adopt a plan to achieve this goal; and

Whereas, in 1997 the General Assembly directed the Environmental Management Commission to develop and implement a basinwide water quality plan for each of the State’s 17 major river basins; and

Whereas, in 1997, in response to these legislative mandates, the Environmental Management Commission adopted a Neuse River Nutrient Sensitive Waters Management Strategy as temporary and permanent rules and adopted revisions to these rules in 1998; and

Whereas, in 1998 the General Assembly enacted legislation to disapprove 15A NCAC 2B.0233 (Neuse River Nutrient Sensitive Waters Management Strategy: Protection and Maintenance of Riparian Areas with Existing Forest Vegetation) as a permanent rule while continuing this rule in effect as a temporary rule with certain modifications until the Environmental Management Commission adopted a revised temporary and permanent rule; and

Whereas, the 1998 legislation established a Stakeholder Advisory Committee to assist the Environmental Management Commission with the development of (i) a revised temporary rule, (ii) rules and recommended legislation to provide for compensatory mitigation as an
alternative to the maintenance of riparian buffers, and (iii) rules and recommended legislation to authorize the Environmental Management Commission to delegate responsibility for the implementation and enforcement of the State’s riparian buffer protection requirements to local governments; and

Whereas, the Stakeholder Advisory Committee, after many hours of work, submitted a report and recommendations to the Environmental Management Commission; and

Whereas, that report included recommended legislation pertaining to compensatory mitigation and delegation to local governments; and

Whereas, at its meeting on 8 April 1999, the Environmental Management Commission accepted these recommendations and forwarded them to the Environmental Review Commission; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. Part 1 of Article 21 of Chapter 143 of the General Statutes is amended by adding two new sections to read:

§ 143-214.20. Riparian Buffer Protection Program; Alternatives to maintaining riparian buffers; compensatory mitigation fees.

(a) The Commission shall establish a program to provide alternatives for persons who would otherwise be required to maintain riparian buffers and who can demonstrate that they have attempted to avoid and minimize the loss of the riparian buffer and that there is no practical alternative to the loss of the buffer. This program is intended to allow these persons to perform compensatory mitigation in lieu of complying with laws and rules that require that riparian buffers be protected and maintained. Alternatives shall include, but are not limited to:

(1) Payment of a compensatory mitigation fee into the Riparian Buffer Restoration Fund.

(2) Donation of real property or of an interest in real property to the Department, another State agency, a unit of local government, or a private nonprofit conservation organization if both the donee organization and the donated real property or interest in real property are approved by the Department. The Department may approve a donee organization only if the donee agrees to maintain the real property or interest in real property as a riparian buffer. The Department may approve a donation of real property or an interest in real property only if the real property or interest in real property either:

a. Is a riparian buffer that will provide protection of water quality that is equivalent to or greater than that provided by the riparian buffer that is lost in the same river basin as the riparian buffer that is lost; or

b. Will be used to restore, create, enhance, or maintain a riparian buffer that will provide protection of water quality that is equivalent to or greater than that provided
by the riparian buffer that is lost in the same river basin as the riparian buffer that is lost.

(3) Restoration or enhancement of an existing riparian buffer that is not otherwise required to be protected, or creation of a new riparian buffer, that will provide protection of water quality that is equivalent to or greater than that provided by the riparian buffer that is lost in the same river basin as the riparian buffer that is lost and that is approved by the Department.

(4) Construction of an alternative measure that reduces nutrient loading as well or better than the riparian buffer that is lost in the same river basin as the riparian buffer that is lost and that is approved by the Department.

(b) Compensatory mitigation is available for loss of a riparian buffer along an intermittent stream, a perennial stream, or a perennial waterbody.

(c) The Commission shall establish a standard schedule of compensatory mitigation fees. The compensatory mitigation fee schedule shall be based on the area of the riparian buffer that is permitted to be lost and the cost to provide equivalent or greater protection of water quality in the same river basin as that provided by the riparian buffer this is lost by:

(1) Restoration or enhancement of existing riparian buffers.
(2) Acquisition of land for and creation of new riparian buffers.
(3) Maintenance and monitoring of restored, enhanced, or created riparian buffers over time.
(4) Construction of alternative measures that reduce nutrient loading.

(d) The Commission may adopt rules to implement this section.

(a) The Commission may delegate responsibility for the implementation and enforcement of the State's riparian buffer protection requirements to units of local government that have the power to regulate land use. A delegation under this section shall not affect the jurisdiction of the Commission over State agencies and units of local government. Any unit of local government that has the power to regulate land use may request that responsibility for the implementation and enforcement of the State's riparian buffer protection requirements be delegated to the unit of local government. To this end, units of local government may adopt ordinances and regulations necessary to establish and enforce the State's riparian buffer protection requirements.

(b) Within 90 days after the Commission receives a complete application requesting delegation of responsibility for the implementation and enforcement of the State's riparian buffer protection requirement, the Commission shall review the application and notify the unit of local government that submitted the application whether the application has been approved, approved with
modifications, or disapproved. The Commission shall not approve a
delegation unless the Commission finds that local implementation and
enforcement of the State’s riparian buffer protection requirements will
equal implementation and enforcement by the State.

(c) If the Commission determines that a unit of local government is
failing to implement or enforce the State’s riparian buffer protection
requirements, the Commission shall notify the unit of local
government in writing and shall specify the deficiencies in
implementation and enforcement. If the local government has not
corrected the deficiencies within 90 days after the unit of local
government receives the notification, the Commission shall rescind
delegation and shall implement and enforce the State’s riparian buffer
protection program. If the unit of local government indicates that it is
willing and able to resume implementation and enforcement of the
State’s riparian buffer protection requirements, the unit of local
government may reapply for delegation under this section.

(d) The Department shall provide technical assistance to units of
local government in the development, implementation, and
enforcement of the State’s riparian buffer protection requirements.

(e) The Department shall provide a stream identification training
program to train individuals to determine the existence of surface
water for purposes of rules adopted by the Commission for the
protection and maintenance of riparian buffers. The Department may
charge a fee to cover the full cost of the training program. No fee
shall be charged to an employee of the State who attends the training
program in connection with the employee’s official duties.

(f) The Commission may adopt rules to implement this section."

Section 2. G.S. 143-214.21 reads as rewritten:
"§ 143-214.21. Riparian Buffer Protection Program: Riparian Buffer
Restoration Fund.

The Riparian Buffer Restoration Fund is established as a
nonreverting fund within the Department. The Fund shall be treated
as a special trust fund and shall be credited with interest by the State
Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3. The
Riparian Buffer Restoration Fund shall provide a repository for
monetary contributions to promote projects for the restoration,
enhancement, or creation of riparian buffers or to construct approved
alternative measures that reduce nutrient loading as well or better than
the riparian buffer that is lost and for compensatory mitigation fees
paid to the Department. The Fund shall be administered by the
Division of Water Quality within the Department. Monies (Moneys)
Moneys shall be expended from the Fund only for those purposes
directly related to the restoration, acquisition, creation, enhancement,
and maintenance of riparian buffers or to construct approved
alternative measures that reduce nutrient loading as well or better than
the riparian buffer that is lost to offset the benefits to water quality,
including the removal of nutrients, lost through the loss of buffers.
Compensatory mitigation fees paid into the Fund in connection with
the loss of riparian buffers in a river basin and the interest earned on those fees may be used only for projects in that river basin.

Section 3. The catch line to G.S. 143-214.22 reads as rewritten:
"§ 143-214.22. Riparian Buffer Protection Program: Department may accept donations of real property."

Section 4. This act is effective when it becomes law.
In the General Assembly read three times and ratified this the 20th day of July, 1999.
Became law upon approval of the Governor at 10:22 p.m. on the 10th day of August, 1999.

enacted by that act, reads as rewritten:
§ 1-543.12. Structured settlement payment rights.
No direct or indirect transfer of structured settlement payment rights
shall be effective, and no structured settlement obligor or annuity
issuer shall be required to make any payment directly or indirectly to
any transferee of structured settlement payment rights unless the
transfer has been authorized in advance in a final order of a court of
competent jurisdiction or a responsible administrative authority based
on express findings by such court or responsible administrative
authority that:

(1) The transfer complies with the requirements of this Article
law;
(2) Not less than 10 days prior to the date on which the payee
first incurred any obligation with respect to the transfer, the
transferee has provided to the payee a disclosure statement in
bold type, no smaller than 14 point setting forth:

   payments to be transferred;
   b. The aggregate amount of such payments;
   c. The discounted present value of such payments;

   such payments;
   e. An itemized listing of all brokers' commissions, service
   charges, application fees, processing fees, closing costs,

   other commissions, fees, costs, expenses, and charges
   payable by the payee or deductible from the gross
   amount otherwise payable to the payee;
   f. The net amount payable to the payee after deduction of
   all commissions, fees, costs, expenses, and charges
   described in sub-subdivision e. of this subdivision;
   g. The quotient (expressed as a percentage) obtained by
   dividing the net payment amount by the discounted
   present value of the payments;
   h. The discount rate used by the transferee to determine the
   net amount payable to the payee for the structured
   settlement payments to be transferred; and
   i. The amount of any penalty and the aggregate amount of
   any liquidated damages (inclusive of penalties) payable
   by the payee in the event of any breach of the transfer
   agreement by the payee;
(3) The transfer is in the best interest of the payee;
(4) The payee has received independent professional advice regarding the legal, tax, and financial implications of the transfer;

(5) The transferee has given written notice of the transferee's name, address, and taxpayer identification number to the annuity issuer and the structured settlement obligor and has filed a copy of such notice with the court or responsible administrative authority;

(6) The discount rate used in determining the net amount payable to the payee, as provided in subdivision (2) of this section, does not exceed an annual percentage rate of prime plus five percentage points calculated as if the net amount payable to the payee, as provided in sub-subdivision (2)f. of this section, was the principal of a consumer loan made by the transferee to the payee, and if the structured settlement payments to be transferred to the transferee were the payee's payments of principal plus interest on such loan. For purposes of this subdivision, the prime rate shall be as reported by the Federal Reserve Statistical Release H.15 on the first Monday of the month in which the transfer agreement is signed by both the payee and the transferee, except when the transfer agreement is signed prior to the first Monday of that month then the prime rate shall be as reported by the Federal Reserve Statistical Release H.15 on the first Monday of the preceding month;

(8) The transfer of structured settlement payment rights is fair and reasonable; and

(9) Notwithstanding a provision of the structured settlement agreement prohibiting an assignment by the payee, the court may order a transfer of periodic payment rights provided that the court finds that the provisions of this Article are satisfied.

If the court or responsible administrative authority authorizes the transfer pursuant to this section, the court or responsible administrative authority shall order the structured settlement obligor to execute an acknowledgment of assignment letter on behalf of the transferee for the amount of the structured settlement payment rights to be transferred; provided, however, structured settlement payment rights arising from a claim pursuant to Chapter 97 shall not be authorized."

S.B. 333 SESSION LAW 1999-457

AN ACT RELATING TO THE MEMBERSHIP OF STATUTORILY CREATED DECISION-MAKING OR REGULATORY BOARDS, COMMISSIONS, COUNCILS, AND COMMITTEES; PROVIDING INTENT; PROVIDING POLICY WITH RESPECT TO THE APPOINTMENT OF MEMBERS TO SUCH BODIES TO ENCOURAGE PROPORTIONATE REPRESENTATION OF WOMEN; REQUIRING ANNUAL REPORTS; AND REQUIRING RETENTION OF CERTAIN INFORMATION REGARDING APPLICANTS.

The General Assembly of North Carolina enacts:

Section 1.(a) It is the intent of the General Assembly to recognize the importance of balance in the appointment of both genders to membership on statutorily created decision-making and regulatory boards, commissions, councils, and committees, and to promote that balance through the provisions of this section. Furthermore, the General Assembly recognizes that statutorily created decision-making and regulatory boards, commissions, councils, and committees play a vital role in shaping public policy for North Carolina, and the selection of well-qualified candidates is the paramount obligation of the appointing authority.

Section 1.(b) In appointing members to any statutorily created decision-making or regulatory board, commission, council, or committee of the State, the appointing authority should select, from among the most qualified persons, those persons whose appointment would promote membership on the board, commission, council, or committee that accurately reflects the proportion of each gender represents in the population of the State as a whole or, in the case of a local board, commission, council, or committee, in the population of the area represented by the board, commission, council, or committee, as determined pursuant to the most recent federal
decennial census, unless the law regulating such appointment requires otherwise. If there are multiple appointing authorities for the board, commission, council, or committee, they may consult with each other to accomplish the purposes of this section.

Section 1.(c) Except as provided at the end of this section, each appointing authority described in subsection (b) shall submit a report to the Secretary of State annually by December 1 which discloses the number of appointments made during the preceding year from each gender and the number of appointments of each gender made, expressed both in numerical terms and as a percentage of the total membership of the board, commission, council, or committee. A copy of the report shall be submitted to the Governor, the Speaker of the House of Representatives, and the President Pro Tempore of the Senate. In addition, each appointing authority shall designate a person responsible for retaining all applications for appointment, who shall ensure that information describing each applicant's gender and qualifications is available for public inspection during reasonable hours. Nothing in this section requires disclosure of an applicant's identity or of any other information made confidential by law. In those cases where a county or a city is the appointing authority, all the reports referred to above shall be filed with the clerk to the board of county commissioners or the city clerk whichever is applicable. Such reports shall be reported annually by December 1 to the governing boards of the respective county or city and to the Secretary of State.

Section 1.(d) This act applies to appointments and reappointments made after the effective date of this act. Nothing in this act shall be construed to require an appointing authority to make an appointment or remove an appointee on the basis of gender.

Section 1.(e) The purpose of this act is to encourage gender equity but is not to direct, mandate, or require such.

Section 2. This act is effective when it becomes law.

In the General Assembly read three times and ratified this the 20th day of July, 1999.

Became law upon approval of the Governor at 4:10 p.m. on the 13th day of August, 1999.

1905
§ 116B-51. Short title.
This Article may be cited as the 'North Carolina Unclaimed Property Act.'

§ 116B-52. Definitions.

In this Chapter:

(1) 'Apparent owner' means a person whose name appears on the records of a holder as the person entitled to property held, issued, or owing by the holder.

(2) 'Business association' means a corporation, joint stock company, investment company, partnership, unincorporated association, joint venture, limited liability company, business trust, trust company, land bank, safe deposit company, safekeeping depository, financial organization, insurance company, mutual fund, utility, or other business entity consisting of one or more persons, whether or not for profit.

(3) 'Domicile' means the state of incorporation of a corporation and the state of the principal place of business of a holder other than a corporation.

(4) 'Financial organization' means a savings and loan association, building and loan association, savings bank, industrial bank, bank, banking organization, or credit union.

(5) 'Holder' means a person obligated to hold for the account of or deliver or pay to the owner property that is subject to this Chapter.

(6) 'Insurance company' means an association, corporation, or fraternal or mutual benefit organization, whether or not for profit, engaged in the business of providing life endowments, annuities, or insurance, including accident, burial, casualty, credit life, contract performance, dental, disability, fidelity, fire, health, hospitalization, illness, life, malpractice, marine, mortgage, surety, wage protection, and workers' compensation insurance.

(7) 'Mineral' means gas, oil, coal, other gaseous, liquid, and solid hydrocarbons, oil shale, cement material, sand and gravel, road material, building stone, chemical raw material, gemstone, fissionable and nonfissionable ores, colloidal and other clay, steam and other geothermal resource, or any other substance defined as a mineral by the law of this State.

(8) 'Mineral proceeds' means amounts payable for the extraction, production, or sale of minerals, or, upon the abandonment of those payments, all payments that become payable thereafter. The term includes amounts payable:

a. For the acquisition and retention of a mineral lease, including bonuses, royalties, compensatory royalties, shut-in royalties, minimum royalties, and delay rentals;
b. For the extraction, production, or sale of minerals, including net revenue interests, royalties, overriding royalties, extraction payments, and production payments; and

c. Under an agreement or option, including a joint operating agreement, unit agreement, pooling agreement, and farm-out agreement.

(9) ‘Owner’ means a person who has a legal or equitable interest in property subject to this Chapter or the person’s legal representative. The term includes a depositor in the case of a deposit, a beneficiary in the case of a trust other than a deposit in trust, and a creditor, claimant, or payee in the case of other property.

(10) ‘Person’ means an individual, business association, financial organization, estate, trust, government, governmental subdivision, agency, or instrumentality, or any other legal or commercial entity.

(11) ‘Property’ means tangible personal property physically located within this State or a fixed and certain interest in intangible property that is held, issued, or owed in the course of a holder’s business, or by a government, governmental subdivision, agency, or instrumentality, and all income or increments therefrom. The term includes property that is referred to as or evidenced by:

a. Money, a check, draft, deposit, interest, or dividend;

b. Credit balance, customer’s overpayment, gift certificate, security deposit, refund, credit memorandum, unpaid wage, unused ticket, mineral proceeds, or unidentified remittance;

(12) ‘Record’ means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

(a) Property is unclaimed if the apparent owner has not communicated in writing or by other means reflected in a contemporaneous record prepared by or on behalf of the holder, with the holder concerning the property or the account in which the property is held, and has not otherwise indicated an interest in the property. A communication with an owner by a person (other than the holder or its representative) who has not, in writing, identified the property to the owner is not an indication of interest in the property by the owner.

(b) An indication of an interest in property includes:

(1) The presentment of a check or other instrument of payment of a dividend or other distribution made with respect to an account or underlying stock or other interest in a business association or, in the case of a distribution made by electronic or similar means, evidence that the distribution has been received;

(4) The making of a deposit to or withdrawal from an account in a financial organization;

(5) Owner activity in another account with the holder of a deposit described in subdivisions (c)(2) and (c)(6) of this section; and

(6) The payment of a premium with respect to a property interest in an insurance policy; but the application of an automatic premium loan provision or other nonforfeiture provision contained in an insurance policy does not prevent a policy from maturing or terminating if the insured has died or the insured or the beneficiary of the policy has
otherwise become entitled to the proceeds before the
depletion of the cash surrender value of a policy by the
application of those provisions.

(c) Property is presumed abandoned if it is unclaimed by the
apparent owner during the time set forth below for the particular
property:

(1) Traveler’s check, 15 years after issuance;

(2) Time deposit, including a deposit that is automatically
    renewable, 10 years after the later of initial maturity or the
date of the last indication by the owner of interest in the
property;

(3) Money order, cashier’s check, teller’s check, and certified
    check, seven years after issuance;

(4) Stock or other equity interest in a business association,
    including a security entitlement under Article 8 of the
    Uniform Commercial Code, Chapter 25 of the General
    Statutes, five years after the earlier of:
        a. The date of a cash dividend or other cash distribution
           unclaimed by the apparent owner, or
        b. The date of the second mailing of a stock certificate or
           other evidence of ownership, a statement of account, or
           other notification or communication which second
           mailing was returned as undeliverable or the date the
           holder discontinued mailings, notifications, or
           communications to the apparent owner;

(5) Debt of a business association, other than a bearer bond or
    an original issue discount bond, five years after the date of
    an interest payment unclaimed by the apparent owner;

(6) Demand or savings deposit, five years after the date of the
    last indication by the owner of interest in the property;

(7) Money or credits owed to a customer as a result of a retail
    business transaction, three years after the obligation
    accrued;

(8) Any gift certificate or electronic gift card bearing an
    expiration date and remaining unredeemed or dormant for
    more than three years after the gift certificate or electronic
    gift card was sold is deemed abandoned. The amount
    abandoned is deemed to be sixty percent (60%) of the
    unredeemed portion of the face value of the gift certificate
    or the electronic gift card;

(9) Amount owed by an insurer on a life or endowment
    insurance policy or an annuity that has matured or
    terminated, three years after the obligation to pay arose or,
    in the case of a policy or annuity payable upon proof of
death, three years after the insured has attained, or would
have attained if living, the limiting age under the mortality
table on which the reserve is based;
Property distributable by a business association in a course of dissolution, one year after the property becomes distributable;

Property received by a court as proceeds of a class action, and not distributed pursuant to the judgment, one year after the distribution date;

Property held by a court, government, governmental subdivision, agency, or instrumentality, one year after the property becomes distributable;

Wages or other compensation for personal services, two years after the compensation becomes payable;

Deposit or refund owed to a subscriber by a utility, one year after the deposit or refund becomes payable;

Property in an individual retirement account, defined benefit plan, or other account or plan that is qualified for tax deferral under the income tax laws of the United States, three years after the earliest of the date of the distribution or attempted distribution of the property, the date of the required distribution as stated in the plan or trust agreement governing the plan, or the date, if determinable by the holder, specified in the income tax laws of the United States by which distribution of the property must begin in order to avoid a tax penalty; and

All other property, five years after the owner's right to demand the property or after the obligation to pay or distribute the property arises, whichever first occurs.

(d) At the time that an interest in property is presumed abandoned under subsection (c) of this section, any other property right accrued or accruing to the owner as a result of the interest, and not previously presumed abandoned, is also presumed abandoned.

(e) Property is payable or distributable for purposes of this Chapter notwithstanding the owner's failure to make demand or present an instrument or document otherwise required to obtain payment or distribution, except as otherwise provided by the Uniform Commercial Code.

§ 116B-54. Exclusion for forfeited reservation deposits, certain gift certificates or electronic gift cards, prepaid calling cards, certain manufactured home buyer deposits, and certain credit balances.

(a) A forfeited reservation deposit is not abandoned property. For the purposes of this section, the term 'reservation deposit' means an amount of money paid to a business association to guarantee that the business association holds a specific service, such as a room accommodation at a hotel, seating at a restaurant, or an appointment with a doctor, for a specified date and place. The term 'reservation deposit' does not include an application fee, a utility deposit, or a deposit made toward the purchase of real property.

(b) A gift certificate or electronic gift card is not abandoned property when the gift certificate or electronic gift card:
(1) Conspicuously states that the gift certificate or electronic gift card does not expire;

(2) Bears no expiration date; or

(3) States that a date of expiration printed on the gift certificate or electronic gift card is not applicable in North Carolina.

(c) A prepaid calling card issued by a public utility as defined in G.S. 62-3(23)a.6. is not abandoned property.

(d) A buyer deposit that a dealer is authorized to retain under either G.S. 143-143.21A or G.S. 143-143.21B is not abandoned property and is not subject to this Article.

(e) Credit balances as shown on the records of a business association to or for the benefit of another business association, shall not constitute abandoned property. For purposes of this section, the term ‘credit balances’ means items such as overpayments or underpayments on the sale of goods or services.

"§ 116B-55. Contents of safe deposit box or other safekeeping depository.

Contents of a safe deposit box or other safekeeping depository held by a financial organization is presumed abandoned if the apparent owner has not claimed the property within the period established by G.S. 53-43.7 and shall be delivered to the Treasurer as provided by that section. If the contents include property described in G.S. 116B-53, the Treasurer shall hold the property for the remainder of the applicable period set forth in that section before the property is deemed to be received for purpose of sale under G.S. 116B-65.

"§ 116B-56. Rules for taking custody.

(a) Except as otherwise provided in this Chapter or by other statute of this State, property that is presumed abandoned, whether located in this or another state, is subject to the custody of this State if:

(1) The last known address of the apparent owner, as shown on the records of the holder, is in this State;

(2) The records of the holder do not reflect the identity of the person entitled to the property, and it is established that the last known address of the person entitled to the property is in this State;

(3) The records of the holder do not reflect the last known address of the apparent owner and it is established that:
   a. The last known address of the person entitled to the property is in this State; or
   b. The holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State and has not previously paid or delivered the property to the state of the last known address of the apparent owner or other person entitled to the property;

(4) The last known address of the apparent owner, as shown on the records of the holder, is in a state that does not provide for the escheat or custodial taking of the property, and the holder is domiciled in this State or is a government or
governmental subdivision, agency, or instrumentality of this State;

(5) The last known address of the apparent owner, as shown on the records of the holder, is in a foreign country, and the holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State; or

(6) The property is a traveler’s check or money order purchased in this State or the issuer of the traveler’s check or money order has its principal place of business in this State and the issuer’s records show that the instrument was purchased in a state that does not provide for the escheat or custodial taking of the property or do not show the state in which the instrument was purchased.

(b) In the case of an amount payable under the terms of an annuity or insurance policy, the last known address of the person entitled to the property is presumed to be the same as the last known address of the insured or the principal, as shown on the records of the insurance company, if:

(1) A person other than the insured or the principal is entitled to the property; and

(2) Either:
   a. No address of the person is known to the insurance company; or
   b. The records of the insurance company do not reflect the identity of the person.

"§ 116B-57. Dormancy charge; other lawful charges.

(a) A holder may deduct from property presumed abandoned a reasonable charge imposed by reason of the owner’s failure to claim the property within a specified time only if there is a valid and enforceable written contract between the holder and the owner under which the holder may impose the charge and the holder regularly imposes the charge, which is not regularly reversed or otherwise canceled.

(b) This Chapter does not prevent a holder from deducting from property presumed abandoned other lawful charges specifically authorized by statute or by a valid and enforceable contract.

"§ 116B-58. Burden of proof as to property evidenced by record of check or draft.

A record of the issuance of a check, draft, or similar instrument is prima facie evidence of an obligation. In claiming property from a holder who is also the issuer, the Treasurer’s burden of proof as to the existence and amount of the property and its abandonment is satisfied by showing issuance of the instrument and passage of the requisite period of abandonment. Defenses of payment, satisfaction, discharge, and want of consideration are affirmative defenses that must be established by the holder. In asserting these affirmative defenses, a holder who is also the issuer may satisfy the holder’s burden of proof
by showing a written acknowledgement by the payee of a check, draft, or similar instrument that no obligation is owed the payee.

§ 116B-59. Notice by holders to apparent owners.

(a) A holder of property presumed abandoned shall make a good faith effort to locate an apparent owner.

(b) The holder shall send written notice, by first-class mail, to the apparent owner, not more than 120 days or less than 60 days before filing the report required by G.S. 116B-60, to the last known address of the apparent owner as reflected in the holder’s records, if the value of the property is fifty dollars ($50.00) or more.

(c) The notice must contain:

(1) A statement that, according to the records of the holder, property is being held to which the addressee appears entitled and the amount or description of the property;

(2) The name and address of the person holding the property and any necessary information regarding changes of name and address of the holder;

(3) A statement that, if satisfactory proof of claim is not presented by the owner to the holder by the following October 1 or, if the holder is an insurance company, by the following April 1, the property will be placed in the custody of the Treasurer, to whom all further claims shall be directed.

§ 116B-60. Report of abandoned property; certification by holders with tax return.

(a) A holder of property presumed abandoned shall make a report to the Treasurer concerning the property.

(b) The report must be verified and must contain:

(1) A description of the property;

(2) Except with respect to a traveler’s check or money order, the name, if known, and last known address, if any, and the social security number or taxpayer identification number, if readily ascertainable, of the apparent owner of property of the value of fifty dollars ($50.00) or more;

(3) An aggregated amount of items valued under fifty dollars ($50.00) each;

(4) In the case of an amount of fifty dollars ($50.00) or more held or owing under an annuity or a life or endowment insurance policy, the full name and last known address of the annuitant or insured and of the beneficiary;

(5) The date, if any, on which the property became payable, demandable, or returnable, and the date of the last transaction or communication with the apparent owner with respect to the property; and

(6) Other information that the Treasurer by rule prescribes as necessary for the administration of this Chapter.

(c) If a holder of property presumed abandoned is a successor to another person who previously held the property for the apparent owner or the holder has changed its name while holding the property,
the holder shall file with the report its former names, if any, and the known names and addresses of all previous holders of the property.

(d) The report must be filed before November 1 of each year and cover the 12 months next preceding July 1 of that year, but a report with respect to a life insurance company must be filed before May 1 of each year for the calendar year next preceding.

(e) Before the date for filing the report, the holder of property presumed abandoned may request the Treasurer to extend the time for filing the report. A request for an extension for filing a report shall be accompanied by an extension processing fee of ten dollars ($10.00). The Treasurer may grant the extension for good cause. The holder, upon receipt of the extension, may make an interim payment on the amount the holder estimates will ultimately be due, which terminates the accrual of additional interest on the amount paid.

(f) The holder of property presumed abandoned shall file with the report an affidavit stating that the holder has complied with G.S. 116B-59.

(g) Every business association holding property presumed abandoned under this Chapter shall certify the holding in the income tax return required by Chapter 105 of the General Statutes. The certification shall be a part of the tax return with which it is filed. If the business association is not required to file an income tax return under Chapter 105, the certification shall be made in the form and manner required by the Secretary of Revenue. The information appearing on the certification is not privileged or confidential, and this information shall be furnished by the Secretary of Revenue to the Escheat Fund on October 1 of each year, or if this date shall fall on a weekend or holiday, on the next regular business day.

§ 116B-61. Payment or delivery of abandoned property.

(a) Upon filing the report required by G.S. 116B-60, the holder of property presumed abandoned shall pay, deliver, or cause to be paid or delivered to the Treasurer the property described in the report, but if the property is an automatically renewable deposit, and a penalty or forfeiture in the payment of interest would result, the time for compliance is extended to the next filing and delivery date at which a penalty or forfeiture would no longer result.

(b) If the property reported to the Treasurer is a security or security entitlement under Article 8 of Chapter 25 of the General Statutes, the Treasurer is an appropriate person to make an indorsement, instruction, or entitlement order on behalf of the apparent owner to invoke the duty of the issuer or its transfer agent or the securities intermediary to transfer or dispose of the security or the security entitlement in accordance with Article 8 of Chapter 25 of the General Statutes.

(c) If the holder of property reported to the Treasurer is the issuer of a certificated security, the Treasurer has the right to obtain a replacement certificate pursuant to G.S. 25-8-405, but an indemnity bond is not required.
(d) An issuer, the holder, and any transfer agent or other person acting pursuant to the instructions of and on behalf of the issuer or holder in accordance with this section is not liable to the apparent owner and must be indemnified against claims of any person in accordance with G.S. 116B-63.

"§ 116B-62. Preparation of list of owners by Treasurer.
(a) There shall be delivered to the clerk of superior court of each county prior to June 30 of each year a list prepared by the Treasurer of escheated and abandoned property reported to the Treasurer. The list shall contain:

(1) The names, if known, in alphabetical order of surname, and last known addresses, if any, of apparent owners of escheated and abandoned property;
(2) The names and addresses of the holders of the abandoned property; and
(3) A statement that claim and proof of legal entitlement to escheated or abandoned property shall be presented by the owner to the Treasurer, which statement shall set forth where further information may be obtained.

(b) At the time the lists are distributed to the clerks of superior court, the Treasurer shall cause to be published once each week for two consecutive weeks, in at least two newspapers having general circulation in this State, a notice stating the nature of the lists and that the lists are available for inspection at the offices of the respective clerks of superior court, together with any other information the Treasurer deems appropriate to appear in the notice.

(c) The Treasurer is not required to include in any list any item of a value, as determined by the Treasurer, in the Treasurer’s discretion, of less than fifty dollars ($50.00), unless the Treasurer deems inclusion of items of lesser amounts to be in the public interest.

(d) The clerks of superior court shall retain the lists on permanent file in their offices and shall make them available for public inspection.

(e) The lists prepared by the Treasurer shall include only escheated and abandoned property reported for the current reporting date and are not required to be cumulative lists of escheated and abandoned property previously reported.

(f) Notwithstanding the provisions of Chapter 132 of the General Statutes, the supporting data and lists of apparent owners of escheated and abandoned property may be confidential until six months after the notice to clerks of superior court required by subsection (b) of this section has been distributed. This subsection shall not apply to owners of reported property making inquiries about their property to the Escheat Fund.

"§ 116B-63. Custody by State; recovery by holder; defense of holder.
(a) In this section, payment or delivery is made in ‘good faith’ if:

(1) Payment or delivery was made in a reasonable attempt to comply with this Chapter:
(2) The holder was not then in breach of a fiduciary obligation with respect to the property and had a reasonable basis for believing, based on the facts then known, that the property was presumed abandoned; and

(3) There is no showing that the records under which the payment or delivery was made did not meet reasonable commercial standards of practice.

(b) Upon payment or delivery of property to the Treasurer, the State assumes custody and responsibility for the safekeeping of the property. A holder who pays or delivers property to the Treasurer in good faith is relieved of all liability arising thereafter with respect to the property.

(c) A holder who has paid money to the Treasurer pursuant to this Chapter may subsequently make payment to a person reasonably appearing to the holder to be entitled to payment. Upon a filing by the holder of proof of payment and proof that the payee was entitled to the payment, the Treasurer shall promptly reimburse the holder for the payment without imposing a fee or other charge. If reimbursement is sought for a payment made on a negotiable instrument, including a traveler’s check or money order, the holder must be reimbursed upon filing proof that the instrument was duly presented and that payment was made to a person who reasonably appeared to be entitled to payment. The holder must be reimbursed for payment made even if the payment was made to a person whose claim was barred under G.S. 116B-71(a).

(d) A holder who has delivered property other than money to the Treasurer pursuant to this Chapter may reclaim the property if it is still in the possession of the Treasurer, without paying any fee or other charge, upon filing proof that the apparent owner has claimed the property from the holder.

(e) The Treasurer may accept a holder’s affidavit as sufficient proof of the holder’s right to recover money and property under this section.

(f) If a holder pays or delivers property to the Treasurer in good faith and thereafter another person claims the property from the holder or another state claims the money or property under its laws relating to escheat or abandoned or unclaimed property, the Treasurer, upon written notice of the claim, shall defend the holder against the claim and indemnify the holder against any liability on the claim resulting from payment or delivery of the property to the Treasurer.

§ 116B-64. Income or gain accruing after payment or delivery.

If property other than money is delivered to the Treasurer under this Chapter, the owner is entitled to receive from the Treasurer any income or gain realized or accruing on the property at or before liquidation or conversion of the property into money. If the property is interest-bearing or pays dividends, the interest or dividends shall be paid until the date on which the amount of the deposits, accounts, or funds, or the shares must be remitted or delivered to the Treasurer under G.S. 116B-61. Otherwise, when property is delivered or paid to the Treasurer, the Treasurer shall hold the property without liability for income or gain.
§ 116B-65. Public sale of abandoned property.

(a) Except as otherwise provided in this section, the Treasurer, within three years after the receipt of abandoned property, shall sell it to the highest bidder at public sale at a location in the State which in the judgment of the Treasurer affords the most favorable market for the property. The Treasurer may decline the highest bid and reoffer the property for sale if the Treasurer considers the bid to be insufficient. The Treasurer need not offer the property for sale if the Treasurer considers that the probable cost of sale will exceed the proceeds of the sale. A sale held under this section must be preceded by a single publication of notice, at least three weeks before sale, in a newspaper of general circulation in the county in which the property is to be sold. The Treasurer is not required to sell money unless it is a collector's species having value greater than the face value of the money as cash.

(b) Securities listed on an established stock exchange must be sold at prices prevailing on the exchange at the time of sale. Other securities may be sold over the counter at prices prevailing at the time of sale or by any reasonable method selected by the Treasurer. If securities are sold by the Treasurer before the expiration of three years after their delivery to the Treasurer, a person making a claim under this Chapter before the end of the three-year period is entitled to the proceeds of the sale of the securities or the market value of the securities at the time the claim is made, whichever is greater, less any deduction for expenses of sale. A person making a claim under this Chapter after the expiration of the three-year period is entitled to receive the securities delivered to the Treasurer by the holder, if they still remain in the custody of the Treasurer, or the net proceeds received from sale, and is not entitled to receive any appreciation in the value of the property occurring after delivery to the Treasurer, except in a case of intentional misconduct by the Treasurer.

(c) A purchaser of property at a sale conducted by the Treasurer pursuant to this Chapter takes the property free of all claims of the owner or previous holder and of all persons claiming through or under them. The Treasurer shall execute all documents necessary to complete the transfer of ownership.

§ 116B-66. Claim of another state to recover property.

(a) After property has been paid or delivered to the Treasurer under this Article, another state may recover the property if:

(1) The property was paid or delivered to the custody of this State because the records of the holder did not reflect a last known location of the apparent owner within the borders of the other state, and the other state establishes that the apparent owner or other person entitled to the property was last known to be located within the borders of that state and under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;

(2) The property was paid or delivered to the custody of this State because the laws of the other state did not provide for
the escheat or custodial taking of the property, and under the laws of that state subsequently enacted, the property has escheated or become subject to a claim of abandonment by that state;

(3) The records of the holder were erroneous in that they did not accurately identify the owner of the property and the last known location of the owner within the borders of another state, and under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;

(4) The property was subjected to custody by this State under G.S. 116B-56(6), and under the laws of the state of domicile of the holder, the property has escheated or become subject to a claim of abandonment by that state; or

(5) The property is a sum payable on a traveler's check, money order, or similar instrument that was purchased in the other state and delivered into the custody of this State under G.S. 116B-56(7), and under the laws of the other state, the property has escheated or become subject to a claim of abandonment by that state.

(b) A claim of another state to recover escheated or abandoned property must be presented in a form prescribed by the Treasurer, who shall decide the claim within 90 days after it is presented. The Treasurer shall allow the claim upon determining that the other state is entitled to the abandoned property under subsection (a) of this section.

(c) The Treasurer shall require another state, before recovering property under this section, to agree to indemnify this State and its officers and employees against any liability on a claim to the property.

§ 116B-67. Claim for property paid or delivered to the Treasurer.

(a) A person, excluding another state, claiming property paid or delivered to the Treasurer may file a claim on a form prescribed by the Treasurer and verified by the claimant.

(b) At the discretion of the Treasurer, the claim shall be made to the holder or to the holder’s successor. If the holder is satisfied that the claim is valid and that the claimant is the owner of the property, the holder shall so certify to the Treasurer by written statement attested by the holder under oath, or in the case of a corporation, by two principal officers, or one principal officer and an authorized employee of the corporation. The determination of the holder that the claimant is the owner shall, in the absence of fraud, be binding upon the Treasurer and upon receipt of the certificate of the holder to this effect, the Treasurer shall forthwith authorize and make payment of the claim or return of the property, or if the property has been sold, the amount received from the sale, to the owner, or to the holder in the event the owner has assigned the claim to the holder and the certificate of the holder is accompanied by an assignment. In the event the holder rejects the claim, the claimant may appeal to the Treasurer.
If the holder, or the holder's successor, is not available, the owner may file a claim with the Treasurer on a form prescribed by the Treasurer. In addition to any other information, the claim shall state the facts surrounding the unavailability of the holder and the lack of a successor.

(c) Within 90 days after a claim is filed, the Treasurer shall allow or deny the claim and give written notice of the decision to the claimant. If the claim is denied, the Treasurer shall inform the claimant of the reasons for the denial and specify what additional evidence is required before the claim will be allowed. The claimant may then file a new claim with the Treasurer or maintain an action under G.S. 116B-68.

(d) Within 30 days after a claim is allowed, the property or the net proceeds of a sale of the property must be delivered or paid by the Treasurer to the claimant.

(e) The claimant or claimants and the holder, if the holder either certifies that the claimant is the owner under subsection (b) of this section or recovers money and property from the Treasurer under G.S. 116B-63, shall agree to indemnify, save harmless, and defend the State, the Treasurer, and the Escheat Fund from any claim arising out of or in connection with refund of the property claimed. In like manner, the claimant shall also agree to indemnify, save harmless, and defend the holder, if the holder certifies the claim under subsection (b) of this section or pays or delivers property to the claimant under G.S. 116B-63.

"§ 116B-68. Action to establish claim.

A person aggrieved by a decision of the Treasurer or whose claim has not been acted upon within 90 days after its filing may maintain an original action to establish the claim in the Superior Court of Wake County, naming the Treasurer as a defendant.

"§ 116B-69. Election to take payment or delivery.

(a) The Treasurer may decline to receive property reported under this Chapter which the Treasurer considers to have a value less than the expenses of notice and sale.

(b) A holder, with the written consent of the Treasurer and upon conditions and terms prescribed by the Treasurer, may report and deliver property before the property is presumed abandoned. Property so delivered must be held by the Treasurer and is not presumed abandoned until it otherwise would be presumed abandoned under this Article.

"§ 116B-70. Destruction or disposition of property having no substantial commercial value: immunity from liability: property of historical significance.

(a) If the Treasurer determines after investigation that property delivered under this Chapter has no substantial commercial value, the Treasurer may destroy or otherwise dispose of the property at any time. An action or proceeding may not be maintained against the State or any officer, employee, or agent of the State, both past and present, in the person's individual and official capacity, or against the
holder for or on account of an act of the Treasurer under this subsection, except for intentional misconduct.

(b) Notwithstanding the provisions of G.S. 116B-65, the Treasurer may retain any tangible property delivered to the Treasurer, if the property has recognized historic significance. The historic significance shall be certified by the Treasurer, with the advice of the Secretary of Cultural Resources; and a statement of the appraised value of the property shall be filed with the certification. Historic property retained under this subsection may be stored and displayed at any suitable location.

(a) The expiration, before or after the effective date of this Article, of a period of limitation on the owner's right to receive or recover property, whether specified by contract, statute, or court order, does not preclude the property from being presumed abandoned or affect a duty of a holder to file a report or to pay or deliver or transfer property to the Treasurer as required by this Article.

(b) An action or proceeding may not be maintained by the Treasurer to enforce this Article in regard to the reporting, delivery, or payment of property more than five years after the holder filed a report with the Treasurer in which the holder specifically identified property, should have but failed to identify property, or gave express notice to the Treasurer of a dispute regarding property. In the absence of such a report or other express notice, the period of limitation is tolled. The period of limitation is also tolled by the filing of a report that is fraudulent.

"§ 116B-72. Requests for reports and examination of records.

(a) The Treasurer may require a person who has not filed a report, or a person who the Treasurer believes has filed an inaccurate, incomplete, or false report, to file a verified report in a form specified by the Treasurer. The report must state whether the person is holding property reportable under this Chapter, describe property not previously reported or as to which the Treasurer has made inquiry, and specifically identify and state the value of property that may be in issue.

(b) The Treasurer, at reasonable times and upon reasonable notice, may examine the records of any person to determine whether the person has complied with this Chapter. The Treasurer may conduct the examination even if the person believes it is not in possession of any property that must be reported, paid, or delivered under this Chapter. The Treasurer may contract with any other person to conduct the examination on behalf of the Treasurer.

(c) The Treasurer at reasonable times may examine the records of an agent, including a dividend disbursing agent or transfer agent, of a business association that is the holder of property presumed abandoned if the Treasurer has given the notice required by subsection (b) of this section to both the association and the agent at least 90 days before the examination.
(d) Documents and working papers obtained or compiled by the
Treasurer, or the Treasurer's agents, employees, or designated
representatives, in the course of conducting an examination are
confidential, but the documents and papers may be:

(1) Used by the Treasurer in the course of an action to collect
unclaimed property or otherwise enforce this Chapter;

(2) Used in joint examinations conducted with or pursuant to an
agreement with another state, the federal government, or any
other governmental subdivision, agency, or instrumentality;

(3) Produced pursuant to subpoena or court order; or

(4) Disclosed to the abandoned property office of another state
for that state's use in circumstances equivalent to those
described in this subsection, if the other state is bound to
keep the documents and papers confidential.

(e) If an examination results in the disclosure of property
reportable under this Chapter, the Treasurer may assess, against a
holder who made a fraudulent report, the cost of the examination at
the rate of two hundred dollars ($200.00) a day for each examiner, or
a greater amount that is reasonable and was incurred, but the
assessment may not exceed the value of the property found to be
reportable. The cost of an examination made pursuant to subsection
(c) of this section may be assessed only against the business
association.

(f) If a holder does not maintain the records required by G.S.
116B-73 and the records of the holder available for the periods subject
to this Chapter are insufficient to permit the preparation of a report,
the Treasurer may require the holder to report and pay to the
Treasurer the amount the Treasurer reasonably estimates, on the basis
of any available records of the holder or by any other reasonable
method of estimation, should have been, but was not reported.

§ 116B-73. Retention of records.
(a) Except as otherwise provided in subsection (b) of this section, a
holder required to file a report under G.S. 116B-60 shall maintain the
records containing the information required to be included in the
report for 10 years after the holder files the report, unless a shorter
period is provided by rule of the Treasurer.

(b) A business association that sells, issues, or provides to others
for sale or issue in this State, traveler's checks, money orders, or
similar instruments other than third-party bank checks, on which the
business association is directly liable, shall maintain a record of the
instruments while they remain outstanding, indicating the state and
date of issue, for three years after the holder files the report.

§ 116B-74. Discretionary precompliance review.
A holder may request the Treasurer to conduct a precompliance
review of the holder's compliance program to educate the holder's
employees on the unclaimed property laws and filing procedures and
to recommend ways to facilitate the holder's compliance with the law.
Subject to the availability of staff, the Treasurer may conduct a
precompliance review upon request. The Treasurer may charge the
holder a precompliance review fee of up to five hundred dollars ($500.00) per day for conducting this review.

"§ 116B-75. Enforcement.
(a) The Treasurer may maintain an action in this or another state to enforce this Chapter.
(b) The Treasurer may order a person required to report, pay, or deliver property under this Chapter, or an officer or employee of the person, or a person having possession, custody, care, or control of records relevant to the matter under inquiry, or any other person having knowledge of the property or records, to appear before the Treasurer, at a time and place named in the order, and to produce the records and to give such testimony under oath or affirmation relevant to the inquiry. For purposes of this subsection, the Treasurer may administer oaths or affirmations. If a person refuses to obey an order of the Treasurer, the Treasurer may apply to the Superior Court of Wake County for an order requiring the person to obey the order of the Treasurer. Failure to comply with the court order is punishable for contempt.

"§ 116B-76. Interstate agreements and cooperation; joint and reciprocal actions with other states.
(a) The Treasurer may enter into an agreement with another state to exchange information relating to abandoned property or its possible existence. The agreement may permit the other state, or another person acting on behalf of a state, to examine records as authorized in G.S. 116B-72. The Treasurer by rule may require the reporting of information needed to enable compliance with an agreement made under this section and prescribe the form.
(b) The Treasurer may join with another state to seek enforcement of this Chapter against any person who is or may be holding property reportable under this Chapter.
(c) At the request of another state, the Attorney General of this State may maintain an action on behalf of the other state to enforce, in this State, the unclaimed property laws of the other state against a holder of property subject to escheat or a claim of abandonment by the other state, if the other state has agreed to pay expenses incurred by the Attorney General in maintaining the action.
(d) The Treasurer may request that the attorney general of another state or another attorney commence an action in the other state on behalf of the Treasurer. With the approval of the Attorney General of this State, the Treasurer may retain any other attorney to commence an action in this State on behalf of the Treasurer. This State shall pay all expenses, including attorneys' fees, in maintaining an action under this subsection. With the Treasurer's approval, the expenses and attorneys' fees may be paid from money received under this Chapter. The Treasurer may agree to pay expenses and attorneys' fees based in whole or in part on a percentage of the value of any property recovered in the action. Any expenses or attorneys' fees paid under this subsection may not be deducted from the amount that is subject to the claim by the owner under this Chapter.
(c) The Treasurer is authorized to make such expenditures from the funds of the Escheat Fund as may be necessary to effectuate the provisions of this section.

"§ 116B-77. Interest and penalties; waiver.

(a) A holder who fails to report, pay, or deliver property within the time prescribed by this Chapter shall pay to the Treasurer interest at the rate established pursuant to this subsection on the property or value of the property from the date the property should have been reported, paid, or delivered. On or before June 1 and December 1 of each year, the Treasurer shall establish the interest rate to be in effect during the six-month period beginning on the next succeeding July 1 and January 1, respectively, after giving due consideration to current market conditions. If no new rate is established, the rate in effect during the preceding six-month period shall continue in effect. The rate established by the Treasurer may not be less than five percent (5%) per year and may not exceed sixteen percent (16%) per year.

(b) A holder who willfully fails to report, pay, or deliver property within the time prescribed by this Chapter, or willfully fails to perform other duties imposed by this Chapter, shall pay to the Treasurer, in addition to interest as provided in subsection (a) of this section, a civil penalty of one thousand dollars ($1,000) for each day the report, payment, or delivery is withheld, or the duty is not performed, up to a maximum of twenty-five thousand dollars ($25,000), plus twenty-five percent (25%) of the value of any property that should have been but was not reported.

(c) A holder who makes a fraudulent report shall pay to the Treasurer, in addition to interest as provided in subsection (a) of this section, a civil penalty of one thousand dollars ($1,000) for each day from the date a report under this Chapter was due, up to a maximum of twenty-five thousand dollars ($25,000), plus twenty-five percent (25%) of the value of any property that should have been but was not reported.

(d) The Treasurer for good cause may waive, in whole or in part, interest under subsection (a) of this section and penalties under subsection (b) of this section.

"§ 116B-78. Agreement to locate property.

(a) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property that is presumed abandoned, is void and unenforceable if it was entered into during the period commencing on the date the property was presumed abandoned and extending to a time that is 24 months after the date the property is paid or delivered to the Treasurer. This subsection does not apply to an owner’s agreement with an attorney to file a claim as to identified property or contest the Treasurer’s denial of a claim.

(b) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property, is enforceable only if the agreement is in writing, clearly sets forth the nature of the property and the services to be rendered, is signed by
the owner, and states the value of the property before and after the fee or other compensation has been deducted.

(c) If an agreement covered by this section applies to mineral proceeds and the agreement contains a provision to pay compensation that includes a portion of the underlying minerals or any mineral proceeds not then presumed abandoned, the provision is void and unenforceable.

(d) An agreement covered by this section that provides for compensation that is unconscionable is unenforceable except by the owner. An owner who has made an agreement to pay compensation that is unconscionable, or the Treasurer on behalf of the owner, may maintain an action to reduce the compensation to a conscionable amount. The court may award reasonable attorneys’ fees to an owner who prevails in the action.

(e) This section does not preclude an owner from asserting that an agreement covered by this section is invalid on grounds other than as provided in subsection (d) of this section.

(f) Any person who enters into an agreement covered by this section with an owner shall register annually with the Treasurer. The information to be required under this subsection shall include the person’s name, address, telephone number, state of incorporation or residence, as applicable, and the person’s federal identification number. A registration fee of one hundred dollars ($100.00) shall be paid to the Treasurer at the time of the filing of the registration information. Fees received under this subsection shall be credited to the General Fund.

(a) An initial report filed under this Article for property that was not required to be reported before the effective date of this Article but which is subject to this Article must include all items of property that would have been presumed abandoned during the 10-year period next preceding the effective date of this Article as if this Article had been in effect during that period.

(b) This Article does not relieve a holder of a duty that arose before the effective date of this Article to report, pay, or deliver property. Except as otherwise provided in G.S 116B-71(b) and G.S. 116B-77(d), a holder who did not comply with the law in effect before the effective date of this Article is subject to the applicable provisions for enforcement and penalties which then existed, which are continued in effect for the purpose of this section.

"§ 116B-80. Rules.

The Treasurer may adopt rules necessary to carry out this Chapter."

Section 7. G.S. 44A-4(b)(1) reads as rewritten:

"(b) Notice and Hearings. --

(1) If the property upon which the lien is claimed is a motor vehicle that is required to be registered, the lienor following the expiration of the relevant time period provided by subsection (a) shall give notice to the Division of Motor
Vehicles that a lien is asserted and sale is proposed and shall remit to the Division a fee of ten dollars ($10.00). The Division of Motor Vehicles shall issue notice by registered or certified mail, return receipt requested, to the person having legal title to the property, if reasonably ascertainable, to the person with whom the lienor dealt if different, and to each secured party and other person claiming an interest in the property who is actually known to the Division or who can be reasonably ascertained. The notice shall state that a lien has been asserted against specific property and shall identify the lienor, the date that the lien arose, the general nature of the services performed and materials used or sold for which the lien is asserted, the amount of the lien, and that the lienor intends to sell the property in satisfaction of the lien. The notice shall inform the recipient that the recipient has the right to a judicial hearing at which time a determination will be made as to the validity of the lien prior to a sale taking place. The notice shall further state that the recipient has a period of 10 days from the date of receipt in which to notify the Division by registered or certified mail, return receipt requested, that a hearing is desired and that if the recipient wishes to contest the sale of his property pursuant to such lien, the recipient should notify the Division that a hearing is desired. The notice shall state the required information in simplified terms and shall contain a form whereby the recipient may notify the Division that a hearing is desired by the return of such form to the Division. The Division shall notify the lienor whether such notice is timely received by the Division. In lieu of the notice by the lienor to the Division and the notices issued by the Division described above, the lienor may issue notice on a form approved by the Division pursuant to the notice requirements above. If notice is issued by the lienor, the recipient shall return the form requesting a hearing to the lienor, and not the Division, within 10 days from the date the recipient receives the notice if a judicial hearing is requested. Failure of the recipient to notify the Division or lienor, as specified in the notice, within 10 days of the receipt of such notice that a hearing is desired shall be deemed a waiver of the right to a hearing prior to the sale of the property against which the lien is asserted, and the lienor may proceed to enforce the lien by public or private sale as provided in this section and the Division shall transfer title to the property pursuant to such sale. If the Division or lienor, as specified in the notice, is notified within the 10-day period provided above that a hearing is desired prior to sale, the lien may be enforced by sale as provided in this section and the Division will transfer title.
only pursuant to the order of a court of competent jurisdiction.

If the registered or certified mail notice has been returned as undeliverable, or if the name of the person having legal title to the vehicle cannot reasonably be ascertained and the fair market value of the vehicle is less than eight hundred dollars ($800.00), the lienor may institute a special proceeding in the county where the vehicle is being held, for authorization to sell that vehicle. Market value shall be determined by the schedule of values adopted by the Commissioner under G.S. 105-187.3.

In such a proceeding a lienor may include more than one vehicle, but the proceeds of the sale of each shall be subject only to valid claims against that vehicle, and any excess proceeds of the sale shall escheat to the State and be paid immediately to the treasurer Treasurer for disposition pursuant to Chapter 116B of the General Statutes. A vehicle owner or possessor claiming an interest in such proceeds shall have a right of action under G.S. 116B-38.

The application to the clerk in such a special proceeding shall contain the notice of sale information set out in subsection (f) hereof. If the application is in proper form the clerk shall enter an order authorizing the sale on a date not less than 14 days therefrom, and the lienor shall cause the application and order to be sent immediately by first-class mail pursuant to G.S. 1A-1, Rule 5, to each person to whom notice was mailed pursuant to this subsection. Following the authorized sale the lienor shall file with the clerk a report in the form of an affidavit, stating that the lienor has complied with the public or private sale provisions of G.S. 44A-4, the name, address, and bid of the high bidder or person buying at a private sale, and a statement of the disposition of the sale proceeds. The clerk then shall enter an order directing the Division to transfer title accordingly.

If prior to the sale the owner or legal possessor contests the sale or lien in a writing filed with the clerk, the proceeding shall be handled in accordance with G.S. 1-399."

Section 8. G.S. 29-12 reads as rewritten:

"§ 29-12. Escheats.

If there is no person entitled to take under G.S. 29-14 or 29-15, G.S. 29-15, or if in case of an illegitimate intestate, there is no one entitled to take under G.S. 29-21 or 29-22 G.S. 29-22 the net estate shall escheat as provided in G.S. 116A-2, G.S. 116B-2."

Section 9. G.S. 53-43.7(b) reads as rewritten:

"(b) Any property, including documents or writings of a private nature, which has little or no apparent value, need not be sold but may be destroyed by the Treasurer or by the lessor, if retained by the
lessor pursuant to a determination by the Treasurer under G.S. 116B-31(c), lessor if the Treasurer declines to receive the property under G.S. 116B-69(a)."

**Section 10.** G.S. 53-43.7(d) reads as rewritten:

"(d) The lessor shall submit to the Treasurer a verified inventory of all of the contents of the safe-deposit box upon delivery of the contents of the box or such part thereof as shall be required by the Treasurer under G.S. 116B-31(c), G.S. 116B-55; but the lessor may deduct from any cash of the lessee in the safe-deposit box an amount equal to accumulated charges for rental and shall submit to the Treasurer a verified statement of such charges and deduction. If there is no cash, or insufficient cash to pay accumulated charges, in the safe-deposit box, the lessor may submit to the Treasurer a verified statement of accumulated charges or balance of accumulated charges due, and the Treasurer shall remit to the lessor the charges or balance due, up to the value of the property in the safe-deposit box delivered to him, the Treasurer, less any costs or expenses of sale; but if the charges or balance due exceeds the value of such property, the Treasurer shall remit only the value of the property, less costs or expenses of sale. Any accumulated charges for safe-deposit box rental paid by the Treasurer to the lessor shall be deducted from the value of the property of the lessee delivered to the Treasurer."

**Section 11.** G.S. 53B-4 reads as rewritten:

"§ 53B-4. Access to financial records.

Notwithstanding any other provision of law, no government authority may have access to a customer’s financial record held by a financial institution unless the financial record is described with reasonable specificity and access is sought pursuant to:

1. Customer authorization that meets the requirements of the Right to Financial Privacy Act § 1104, 12 U.S.C. § 3404, provided, however, a customer authorization received by a State agency or a county department of social services for the purpose of determining eligibility for the programs of public assistance under Chapter 108A of the General Statutes, or for purposes of a government inquiry concerning these same programs of public assistance, cannot be revoked and shall remain valid for 12 months unless a shorter period is specified in the authorization, or a customer authorization that is given by a licensed attorney with respect to an account in which the attorney holds funds as a fiduciary;

2. Authorization under G.S. 105-251, 105-251.1, or 105-258;

3. Search warrant as provided in Article 11 of Chapter 15A of the General Statutes;

4. Statutory authority of a supervisory agency to examine or have access to financial records in the exercise of its supervisory, regulatory, or monetary functions with respect to a financial institution;
(5) The authority granted under G.S. 116B-39; G.S. 116B-72 and G.S. 116B-75;

(6) Examination and review by the State Auditor or his authorized representative under G.S. 147-64.6(c)(9) or 147-64.7(a); G.S. 147-64.7(a);

EXTRA SESSION 1999

H.B. 2    SESSION LAW 1999-463 ES

AN ACT TO ENACT THE HURRICANE FLOYD RECOVERY ACT OF 1999, MAKING FINDINGS AS TO DAMAGE CAUSED BY HURRICANE FLOYD CONCERNING ESTABLISHMENT OF THE HURRICANE FLOYD RESERVE FUND, MAKING APPROPRIATIONS TO THE HURRICANE FLOYD RESERVE FUND, AUTHORIZING TEMPORARY RULES FOR IMPLEMENTATION OF THIS ACT, AUTHORIZING ESTABLISHMENT OF NEW PROGRAMS, EXPANSION OF EXISTING PROGRAMS, AND MODIFICATION OF EXISTING PROGRAMS TO IMPLEMENT THIS ACT, AUTHORIZING TRANSFER OF FUNDS TO FEDERAL AGENCIES AND LOCAL GOVERNMENTS, AUTHORIZING TIME-LIMITED POSITIONS TO IMPLEMENT THIS ACT, AUTHORIZING ADVISORY COUNCILS TO ADVISE STATE AGENCIES ON RECOVERY EFFORTS, PROVIDING FOR TAX EXEMPTION OF BENEFITS, CONCERNING A STUDY OF DISASTER COUNTIES TIER RANKINGS, CREATING A DISASTER RESPONSE AND RECOVERY COMMISSION, PROVIDING REPORTING REQUIREMENTS, PROVIDING FLEXIBILITY IN THE SCHOOL CALENDAR TO ACCOMMODATE EXTRAORDINARY CIRCUMSTANCES, AND EQUALIZING
THE UNEMPLOYMENT INSURANCE WAITING PERIOD FOR ALL UNEMPLOYED FLOOD VICTIMS.

The General Assembly of North Carolina enacts:

PART I. TITLE OF ACT

Section 1. This act shall be known as "The Hurricane Floyd Recovery Act of 1999."

PART II. LEGISLATIVE FINDINGS

DAMAGE CAUSED BY HURRICANE FLOYD

Section 2.(a) The General Assembly finds that Hurricane Floyd was the worst natural disaster in the State's history. Extensive and prolonged flooding caused by the storm has been devastating to infrastructure and to the civil, social, economic, and environmental well-being of Eastern North Carolina. The entire economic base of Eastern North Carolina was undermined, including the ability of individuals to earn an income to support themselves and their families. A loss of this magnitude affects all of North Carolina. Extraordinary assistance to the affected areas is required if this region and, indeed, the entire State is to recover from the short- and long-term effects of the devastation.

Section 2.(b) The General Assembly finds that as a result of Hurricane Floyd:

(1) The President of the United States declared 66 of the State's 100 counties to be a disaster area. Twenty-seven counties and 73 municipalities were severely impacted by the disaster.

(2) Fifty-one people lost their lives.

(3) People lost their loved ones, their homes, their communities, their houses of worship, their life savings, their jobs, their family mementos, their pets, and their ways of life.

(4) Entire towns were flooded to the rooftops as the water levels of rivers and streams throughout Eastern North Carolina crested at flood-stage heights far beyond those ever seen before in this State.

(5) Over 56,000 homes were damaged. Of these, over 7,000 homes were completely destroyed and another 17,000 are uninhabitable. This damage represents an extraordinary economic loss since less than thirteen percent (13%) of homes in the affected counties were covered by flood insurance. Many homeowners and inhabitants did not have flood insurance because they did not know there was a danger of flooding. (Most homes covered by flood insurance were financed mobile homes for which the loan included flood insurance.)
With the destruction of homes, the economic engine that propels communities was lost. On average, seventy-five percent (75%) of an American family's wealth is embodied in the home. That home equity is what the family relies on to finance businesses, job training for breadwinners, the children's education, and other enhancements to the family's overall well-being.

Additional State assistance to homeowners is therefore essential to assure that there is safe and adequate housing for the citizens of the affected region and to assure the economic viability of affected communities.

(5a) Affected areas of the State lost rental properties that provided needed housing for those who cannot afford to purchase their own homes. Because of the depressed economy in areas most damaged, sufficient rental housing at affordable prices may not be built to replace the property damaged or destroyed, leaving persons who were forced from their homes unable to obtain adequate rental housing.

(6) Over 12,000 businesses reported physical damage or disaster-related economic losses. Those businesses without the equity to either absorb their losses or qualify for Small Business Administration loans will not reopen and jobs will be permanently lost.

(7) Millions of farm animals were lost, including 2,100,000 poultry, 1,180 cattle, 250 horses, and over 28,000 hogs.

(8) The ability of North Carolina farmers to operate successfully in the coming year was severely compromised. Most farmers were heavily in debt before Hurricane Floyd caused nearly one billion dollars ($1,000,000,000) of damage to agriculture in the State. Most farmers cannot take on the additional debt necessary to repair farm structures, purchase new equipment, rehabilitate damaged fields, and replace lost livestock. Many farmers may be facing bankruptcy without assistance. Many farmers may be unable to continue farming without assistance. It is therefore necessary to provide State assistance to farmers to preserve the agricultural sector of the economy in Eastern North Carolina and the economic stability of the region.

(9) Commercial fishing losses are estimated at nineteen million dollars ($19,000,000) and the 8,000 commercial fishers in the State are in danger of losing not only their livelihood, but a way of life their families have known for generations. Without State assistance to commercial fishers, this sector of the economy and the cultural heritage it represents may disappear from North Carolina. It is therefore necessary to provide State assistance to preserve this sector of the economy and this cultural heritage in Eastern North Carolina.
(10) Tourists, industrial location consultants, and business decision makers were left with the impression that all of Eastern North Carolina was and will continue to be totally devastated. Tourists are therefore hesitant to consider visiting Eastern North Carolina, and industries are hesitant to consider locating or expanding in Eastern North Carolina. Without State programs to change the public perception of North Carolina, these negative and inaccurate impressions will threaten the long-term economic stability of the region and of the entire State.

(11) Floodwater was tainted with raw sewage, pesticides, agricultural waste products, petroleum products, and dead farm animals, leaving untold environmental impacts and public health challenges. Flooding heavily damaged State, county, and local infrastructure. Water and sewer treatment plants were shut down and severely damaged due to the flooding, the road system in Eastern North Carolina was shut down and severely damaged due to the flooding, and numerous dams failed or are still in danger of failing. Threats to the public health and safety and severe and continued environmental degradation will continue without additional State programs and assistance to rectify the damage. Over 7,000 public and private wells have been tested for contamination and many must be retested before the water is safe to drink. The rivers, sounds, and offshore waters with low oxygen must be monitored to ensure that our fish and shellfish are safe to eat. Therefore, it is necessary to provide additional programs and resources to respond to the environmental havoc inflicted upon the citizens and communities of Eastern North Carolina by Hurricane Floyd.

(12) Caskets floated out of the saturated ground.

(13) There was erosion in the tax base in counties with persistently high poverty rates. These same counties must now bear the expense of replacing and repairing damaged infrastructure and meeting the additional educational and social services needs of their residents.

Section 2.(c) The General Assembly further finds that the devastation caused by Hurricane Floyd was of unprecedented proportions. Devastation of this magnitude was not planned for and could not have been planned for. Public and private decision making was predicated on the 100-year floodplain; actual flooding was throughout, and even outside of, the 500-year floodplain. No policies, no decision making, and no planning could adequately mitigate damage from or prepare an adequate response to such an extraordinary event. However, learning from this tragic event, the General Assembly finds that long-term planning for future natural disasters is appropriate.
Section 2.(d) The General Assembly further finds that the devastation caused by Hurricane Floyd in Eastern North Carolina continues to affect all aspects of the economy, the environment, public health and safety, infrastructure, public and private institutions, and the general welfare of the region and, indirectly, of the entire State. Immediate short-term responses and long-term responses are necessary to preserve a way of life in Eastern North Carolina, to preserve the economic condition of the entire State, and to preserve the reputation North Carolina has, nationally and internationally, as a great place to live and a great place to do business.

CRITICAL NEEDS NOT MET BY EXISTING STATE AND FEDERAL PROGRAMS AND FUNDS

Section 2.1.(a) The General Assembly finds that State and federal disaster relief initiatives are not intended to make individuals whole after a loss; they are intended to assist the affected area in recovering from the devastation caused by Hurricane Floyd. A massive recovery program that includes assistance to individuals is essential to the recovery of the affected area due to the severity of the damage, the magnitude of the geographical area it covered, and the duration of the emergency conditions in the area. The cumulative effect of devastating losses of lives, homes, schools, life savings, personal effects, jobs, businesses, and other social and civic institutions, and of concerns, both real and imagined, about public health issues and the environment, has substantially impaired the region’s ability to recover.

Traditional support systems for victims of losses such as families, friends, religious organizations, relief organizations, other private entities, and existing public programs are simply inadequate given the magnitude of the problem. Their property was also damaged by the disaster and their resources were further depleted by the overwhelming and unrelenting need for emergency assistance after the storm.

Without significant additional State assistance to the area devastated by Hurricane Floyd, further deterioration of the economy, the environment, public health and safety, and quality of life in the region is likely to occur. Without additional State assistance:

1. Tens of thousands of people in uninsured, damaged homes will either not qualify for federal housing assistance or not have the resources to take advantage of federal housing assistance.

2. Local governments already overwhelmed with storm-related expenses may not have the resources to repair damaged infrastructure and provide the new infrastructure necessary for families relocating out of the flood zone.

3. Thousands of jobs will be permanently lost because an estimated 1,500 small businesses and 25 mid-sized businesses cannot qualify for Small Business Administration loans.
(4) Farmers, most of whom were deeply in debt before being devastated by Hurricane Floyd, will recoup less than forty-three percent (43%) of their crop losses. Unless farmers receive assistance, the number of forced sales and bankruptcies will rise across all of Eastern North Carolina. Many farmers will never farm again.

(5) Commercial fishers will recoup none of their losses.

(6) Resources for drinking water protection, water quality monitoring to ensure the safety of fish and shellfish, solid waste cleanup, hazardous waste cleanup, remediation of high-risk underground storage tanks, and repair of high-hazard dams will be drastically limited.

(7) The tourism industry will continue to suffer throughout the State due to negative publicity about the storm.

Section 2.1.(b) It is the intent of the General Assembly that the benefits of the projects and programs authorized by this act are for the common good and collective recovery of the people of this State following a devastating natural disaster directly affecting a large portion of the State and indirectly affecting the entire State. The entire State faces a major loss if Eastern North Carolina is not offered the assistance provided by this act. The purpose of this act is to provide an ultimate net public benefit to the State through a successful Hurricane Floyd recovery initiative in Eastern North Carolina.

COUNCIL OF STATE FINDINGS

Section 2.2. On December 9, 1999, the Council of State made the following findings in whereas clauses to a resolution:

(1) Eastern North Carolina has a history of communities supported by an economic base of agriculture, small business, tourism, and professional services.

(2) This economy provides the means for people of the region to earn the money needed for housing, transportation, and other basic necessities of life.

(3) The vitality of Eastern North Carolina communities is dependent upon the prosperity of these economies in order to sustain the tax bases for the political subdivisions which provide services to the citizens of the region.

(4) On September 16, 1999, Hurricane Floyd struck Eastern North Carolina with severe rains, resulting in flooding of a catastrophic nature, displacing thousands of residents of Eastern North Carolina, and paralyzing these communities and their economies.

(5) On September 15, 1999, a State of Emergency was declared under G.S. 166A for 26 counties in Eastern North Carolina, with a subsequent declaration of a state of emergency from the President of the United States, allowing North Carolina to receive federal disaster assistance in excess of one billion dollars ($1,000,000,000).
Subsequent federal actions have allowed North Carolina to receive additional federal disaster assistance, again in excess of one billion dollars ($1,000,000,000).

There remain urgent unmet needs in the affected communities to help the population of Eastern North Carolina, to revitalize the economic base within the communities within this region, and to assist the communities in stabilizing the services needed by the residents.

In order for economic stability to be recaptured in these North Carolina communities, such aid must take the form of grants and loans to the individuals and small businesses, which are the essence of these communities and, without such assistance, the region might not recover as a vital section of the State.

We find that the contingency and emergency funds are insufficient to meet the needs of the State to address housing, economic, public health, environment, and local government needs caused by the disaster in Eastern North Carolina communities.

COUNTIES COVERED BY THIS ACT

Section 2.3. Sections 2 through 4.2 of this act apply in the North Carolina counties that were declared a major disaster as a result of Hurricane Floyd by the President of the United States under the Stafford Act (P.L. 93-288).

PART III. THE HURRICANE FLOYD RESERVE FUND

ESTABLISHMENT OF THE HURRICANE FLOYD RESERVE FUND

Section 3. The Governor has established in the Office of State Budget and Management the Hurricane Floyd Reserve Fund. The purpose of this fund is to provide necessary and appropriate relief and assistance from the effects of Hurricane Floyd, consistent with the provisions of this act, in the following areas:

1. Required match for federal funds for disaster relief.

2. Housing assistance. The General Assembly finds that affected areas may not have adequate rental property to provide housing to those who have been forced from their rental homes. It is the intent of the General Assembly that housing assistance include providing renters with assistance to purchase affordable housing. The General Assembly therefore encourages the Governor to use funds approved by the Council of State for transfer to the Hurricane Floyd Reserve Fund on December 9, 1999, or appropriated to the Fund in this act, to implement a program that provides assistance to renters in affected areas to purchase affordable
housing by providing State resources, including grants and low-interest loans, for that purpose.

(3) Economic recovery assistance, including, but not limited to, assistance to the agriculture and fishing sectors of the economy.

(4) Public health, public safety, social services, and environmental recovery issues.

(5) Support to local governments.

These funds shall remain available to implement the provisions of this act until the General Assembly directs the reversion of the unexpended funds. Regardless of the source of the funds, they shall revert to the Savings Reserve Account at that time.

**APPROPRIATIONS TO THE HURRICANE FLOYD RESERVE FUND**

**Section 3.1.(a)** The appropriations and allocations made in this section are for maximum amounts necessary to implement this act. Savings shall be effected where the total amounts appropriated are not required to implement the act.

**Section 3.1.(b)** There is appropriated from the General Fund the sum of forty million dollars ($40,000,000) for the 1999-2000 fiscal year to the Office of State Budget and Management, Hurricane Floyd Reserve Fund, only to support crisis housing assistance to homeowners, renters, and new homeowners, and for any other matters pertaining to relocation.

**Section 3.1.(c)** Of the funds the General Assembly appropriated for the 1999-2000 fiscal year and previous fiscal years: (i) for the operation and maintenance of State departments, institutions, and agencies, and for other purposes, (ii) for repairs, renovations, and other capital projects, and (iii) other nonrecurring appropriations, the Governor, with the concurrence of the Council of State, may reallocate funds during a state of disaster to the Hurricane Floyd Reserve Fund, as provided in G.S. 166A-6(c)(5). In authorizing the reallocation of appropriated funds under this section, it
is the intent of the General Assembly that, to the extent possible, funds be reallocated in a manner that minimizes reductions in vital services that would otherwise have been provided with these funds. To this end, the General Assembly urges the Governor, the heads of administrative departments of the State, and the Council of State to work to exhaust all other reasonable options prior to utilizing funds for disaster recovery efforts that have otherwise been appropriated to provide direct help to individuals in need of health or long-term care services.

Section 3.1.(d) There is appropriated from the Savings Reserve Account to the Office of State Budget and Management, Hurricane Floyd Reserve Fund, the sum of two hundred eighty-one million four hundred sixty-five thousand, eight hundred twenty-four dollars ($281,465,824) for the 1999-2000 fiscal year only to support crisis housing assistance to homeowners, renters, and new homeowners, and for any other matters pertaining to relocation. These funds shall remain available to implement the provisions of this act until the General Assembly directs the reversion of the unexpended funds; however, these funds shall remain in the Savings Reserve Account and shall be transferred to the Hurricane Floyd Reserve Fund and expended only after the Director of the Budget certifies that funds from other sources are not adequate to implement the provisions of this act.

Section 3.1.(e) Funds appropriated or reallocated pursuant to this section shall be used only to provide necessary and appropriate relief and assistance from the effects of Hurricane Floyd consistent with the provisions of this act.

Section 3.1.(f) The allocation of funds in the Report of the House Appropriations Committee on Hurricane Floyd Recovery, dated December 15, 1999, are intended as guidance for the Governor. However, notwithstanding Section 4.1 of this act but in accordance with Chapter 166A of the General Statutes, if the Governor determines that allocations should be made to programs other than those set forth in the Committee Report, the Governor shall report to the Joint Legislative Commission on Governmental Operations before implementing any changes in the allocations.

Section 3.1.(g) If up to ten million dollars ($10,000,000) of funds allocated (other than Direct Housing Assistance) are not needed, the General Assembly directs that it is a top priority to reallocate those funds to provide affordable rental housing assistance.

Section 3.1.(g1) The Director of the Budget shall transfer to the Hurricane Floyd Reserve Fund from the reserve in the budget of the General Assembly the sum of six million six hundred seventy-eight thousand dollars ($6,678,000). These funds shall come from funds that would have been used for chamber and Legislative Office Building renovations.

The following item shall be construed as an item in the report cited in subsection (f) of this section:

K. Human Resources Services
30. Human Resources Services  FY 1999-2000  $6,678,000 NR
Provides funds to serve needs not met by existing state or anticipated federal funds for critical human services needs for Hurricane Floyd victims, and to mitigate the impact of potential budget reductions within the Department of Health and Human Services on direct services to clients statewide including, but not limited to, mental health, substance abuse services, and developmental disabilities programs.

To account for the changes made by this subsection, the total amount of the Hurricane Floyd Reserve as found in the committee report cited in subsection (f) of this section is increased by adding the $6,678,000 to the bottom line of the Reserve.

Section 3.1.(h) There is appropriated from the Savings Reserve Account to the Office of State Budget and Management, Hurricane Floyd Reserve Fund, the sum of four million five hundred thousand dollars ($4,500,000) for the 1999-2000 fiscal year to be held in reserve to be used for solid waste cleanup.

The following item shall be construed as an item in the report cited in subsection (f) of this section:

I. Public Health and Environment
24. Solid Waste Cleanup  FY 1999-2000  $4,500,000 NR
Provides funds for management of solid waste generated by natural disasters and to begin the assessment and remediation of high-risk junkyards and other high-risk solid waste sites in the 100-year floodplains of areas affected by Hurricane Floyd.

Section 3.1.(i) The Governor shall, to the extent practicable, ensure that assistance to victims provided from the Hurricane Floyd Reserve Fund is prioritized towards those areas and individuals least able to afford the losses as a result of Hurricane Floyd.

PART IV. IMPLEMENTATION OF ACT

TEMPORARY RULES AUTHORIZED; AUTHORIZATION APPLIES TO THE NORTH CAROLINA ENVIRONMENTAL POLICY ACT OF 1971

Section 4. The General Assembly finds that the magnitude of the devastation caused by Hurricane Floyd and the urgency of the need for immediate State recovery assistance require expeditious actions by State agencies. Delay could: (i) cause serious and unforeseen threats to the public health, safety, or welfare; (ii) result in the loss of federal revenues for the recovery effort; or (iii) increase the likelihood of fraud and abuse in recovery programs. Therefore, every agency, as defined in G.S. 150B-2, may adopt temporary rules necessary to implement the provisions of this act. Except as provided in this section, temporary rules to implement the provisions of this act shall be adopted as provided in G.S. 150B-21.1. Notwithstanding the provisions of G.S. 150B-21.1(a)(2) and 26 NCAC 2C.0102(11), the authority to adopt temporary rules to implement the provisions of this act shall continue in effect until all rules necessary to implement the
provisions of this act have become effective as either temporary rules or permanent rules. Notwithstanding the provisions of G.S. 150B-21.1(d), a temporary rule adopted to implement the provisions of this act shall specify the date on which the rule will expire and shall continue in effect until that date. Any agency that adopts a temporary rule to implement the provisions of this act shall report the text of the rule and the agency's written statement of its findings of the need for the rule to the Joint Legislative Administrative Procedure Oversight Committee within 30 days of the adoption of the temporary rule. This section applies to the adoption of temporary rules by the Department of Administration under G.S. 113A-11(a) and to the adoption of temporary rules that establish minimum criteria by any State agency, as defined in G.S. 113A-9, under G.S. 113A-11(b).

**AUTHORIZATION TO ESTABLISH NEW PROGRAMS, EXPAND EXISTING PROGRAMS, AND MODIFY EXISTING PROGRAMS TO IMPLEMENT THIS ACT**

**Section 4.1.** The Governor may: (i) establish new programs, expand existing programs, and modify existing programs to provide necessary and appropriate relief and assistance from the effects of Hurricane Floyd and (ii) expend funds from the Hurricane Floyd Reserve Fund to implement these programs. These expenditures and programs shall be used only for:

1. Required matching funds for federal funds for disaster relief.
2. Crisis housing assistance, which may include, but shall not be limited to, direct housing assistance to homeowners and renters, grants to local government for water, sewer, and other infrastructure needs for housing in new areas, predevelopment activities, housing counselors, and housing recovery efforts.
3. Economic recovery assistance, including, but not limited to, assistance to the agriculture and fishing sectors of the economy, which may include, but shall not be limited to, small business disaster assistance to small and mid-sized businesses, grants to farmers, and grants and loans to commercial fishers.
4. Public health, public safety, social services, and environmental recovery issues which may include, but shall not be limited to, drinking water protection, water quality monitoring, solid waste and hazardous waste cleanup, assessment and remediation of high-risk underground storage tank sites, dam safety, and emergency and maintenance dredging.
5. Support to local governments, by grants to local governments to offset revenue losses resulting from storm damage from natural disasters covered by federal disaster declarations as to any storm between September 1, 1999, and the date of enactment of this act. The amount of the grants shall be based on loss of taxable property in the jurisdiction.
S.L. 1999-463 ES

(1) Use funds from the Hurricane Floyd Reserve Fund to match federal funds in accordance with Section 4.1(1) of this act.
(2) Provide grants to local governments in accordance with Section 4.1(5) of this act.
(3) Transfer funds to local governments pursuant to cooperative agreements under which they administer programs or provide services on behalf of the State.
(4) Transfer funds to federal agencies pursuant to cooperative agreements under which they administer agriculture programs or provide services on behalf of the State.

AUTHORIZATION TO ESTABLISH TIME-LIMITED POSITIONS TO IMPLEMENT THIS ACT

Section 4.3. The Governor may establish part-time and full-time personnel positions to implement this act. All such positions shall be time-limited and shall be exempt from the State Personnel Act.

AUTHORIZATION TO ESTABLISH ADVISORY COUNCILS TO ADVISE STATE AGENCIES ON RECOVERY EFFORTS

Section 4.4. The Governor shall establish advisory councils to advise relevant State agencies on Hurricane Floyd recovery efforts and to ensure input from representatives of affected communities and groups.

TAX EXEMPTION

Section 4.5. Each agency disbursing funds or property under Section 4.1 of this act from the Hurricane Floyd Reserve Fund for hurricane relief or assistance, other than payments for goods or services provided by the recipient, shall include with the disbursement a written statement of the State and federal income tax treatment of the funds or property disbursed.

Section 4.6.(a) G.S. 105-134.6(b) is amended by adding the following new subdivision to read:

"(16) The amount paid to the taxpayer during the taxable year from the Hurricane Floyd Reserve Fund in the Office of State Budget and Management for hurricane relief or assistance, but not including payments for goods or services provided by the taxpayer."

Section 4.6.(b) G.S. 105-130.5(b) is amended by adding the following new subdivision to read:

"(19) To the extent included in federal taxable income, the amount paid to the taxpayer during the taxable year from the Hurricane Floyd Reserve Fund in the Office of State Budget and Management for hurricane relief or
assistance, but not including payments for goods or services provided by the taxpayer."

Section 4.6.(c) This section is effective for taxable years beginning on or after January 1, 1999.

DISASTER COUNTIES TIER RANKINGS

Section 4.7.(a) The Revenue Laws Study Committee shall study the potential consequences of lowering the enterprise area tier designations under G.S. 105-129.3 of counties that sustained severe or moderate damage from a hurricane or a hurricane-related disaster in 1999, according to the Federal Emergency Management Agency. The Committee shall consider the estimated fiscal impact of such a proposal, its effect on the competitiveness of other counties, whether the current law formula for tier designation is responsive to hurricane-related changes in individual counties, and other relevant issues.

Section 4.7.(b) The Committee shall report its findings and recommendations on this issue to the 2000 Regular Session of the 1999 General Assembly.

INvolvement of Historically Underutilized Businesses

Section 4.8. On April 20, 1999, the Governor issued Executive Order No. 150, entitled "Support for Historically Underutilized Businesses". It is the intent of the General Assembly that, during this time of rebuilding and Hurricane Floyd relief efforts, each State agency should strive to increase the total amount of goods and services acquired by it from historically underutilized business vendors, whether directly as principal contractors or indirectly as subcontractors or otherwise.

Legislative Review of Federal Funding and Remaining Unmet Needs

Section 4.9. It is the intent of the General Assembly to review in 2000 and 2001 the funds appropriated by Congress and to consider actions needed to address any remaining unmet needs, especially in the area of rental housing production.

Limitation on Use of State Funds

Section 4.10.(a) No State funds used to implement this act, including any funds in the Hurricane Floyd Reserve Fund, may be expended for the construction of any new residence within the 100-year floodplain unless the construction is in an area regulated by a unit of local government pursuant to a floodplain management ordinance, and the construction complies with the ordinance. As used in this section, "100-year floodplain" means any area subject to inundation by a 100-year flood, as indicated on the most recent Flood Insurance Rate Map prepared by the Federal Emergency Management Agency under the National Flood Insurance Program.
Section 4.10.(b) The Environmental Review Commission shall study the costs and benefits of updating the Flood Insurance Rate Map for any area of the State for which the map is more than five years old and of updating all maps on an ongoing basis so that the maps of all areas of the State are no more than five years old. The Environmental Review Commission shall report its findings and recommendations to the 2000 Regular Session of the 1999 General Assembly.

Section 4.10.(c) Homeowners in the 100-year floodplain who receive homeowner’s housing assistance pursuant to this act shall have in effect federal flood insurance, if available, as a precondition to receipt of State homeowner’s housing assistance for losses resulting from future flooding. As used in this section “100-year floodplain” means that area defined in Section 4.10(a) in this act.

PART V. CREATION OF DISASTER RESPONSE AND RECOVERY COMMISSION

Section 5.(a) Commission Established. -- There is established the Legislative Commission to Address Hurricane Floyd Disaster Relief ("Commission").

Section 5.(c) Duties of Commission. -- The Commission shall study:

(1) The adequacy of the State’s short-term and long-term response to natural disasters under current law and necessary modifications in the State’s response to future natural disasters. In the course of this study, the Commission may consider:
   a. The circumstances under which an extraordinary State response to extraordinarily severe and widespread devastation is appropriate and the components of such an extraordinary State response.
   b. The need for dedicated sources of funding for disaster recovery.
   c. The need to modify State policies and amend State laws to mitigate damages in future disasters and to remove administrative obstacles to the recovery effort.
(2) Short- and long-term recovery efforts for Eastern North Carolina in response to Hurricane Floyd and strategies for supplementing, improving, and enhancing those recovery efforts.

(3) The causes of the flooding and the extent to which each cause contributed to catastrophic flood damage. In particular, the Commission shall evaluate the effectiveness of dams, dikes, and other flood control structures and determine the extent to which releases of water from dams, dikes, other flood control structures, and locks may have affected the degree of flooding.

Section 5.(d) Consultation. -- The Commission may consult with appropriate State departments, agencies, and board representatives on issues related to its duties.

Section 5.(e) Organization. -- Members of the Commission and its subcommittees shall receive per diem, subsistence, and travel allowances in accordance with G.S. 120-3.1, 138-5, or 138-6, as appropriate.

The President Pro Tempore of the Senate and the Speaker of the House of Representatives shall each designate one member to serve as cochair of the Commission. The cochairs shall call the initial meeting of the Commission on or before February 1, 2000. The Commission shall subsequently meet upon such notice and in such manner as its members determine. A majority of the members of the Commission shall constitute a quorum.

The Commission may contract for consultants or hire employees in accordance with G.S. 120-32.02. The Legislative Services Commission of the General Assembly, through the Legislative Services Officer, shall assign professional staff to assist the Commission in its work. Upon the direction of the Legislative Services Commission, the Legislative Assistants Directors of the Senate and of the House of Representatives shall assign clerical staff to the Commission. The expenses for clerical employees shall be borne by the Commission.

The Commission may appoint subcommittees of its members and other knowledgeable persons or experts to assist it.

Section 5.(f) Citizen Participation. -- The Commission shall establish a process of citizen participation that assures the citizens of North Carolina of the opportunity to be informed of and contribute to the work of the Commission. It shall hold meetings throughout the State.

Section 5.(g) Cooperation by Government Agencies. -- The Commission may call upon any department, agency, institution, or officer of the State or any political subdivision thereof for facilities, data, or other assistance.

Section 5.(h) Funding. -- The Commission may apply for, receive, and accept grants of non-State funds or other contributions as appropriate to assist in the performance of its duties.

Section 5.(i) Report. -- The Commission shall submit interim reports to the 2000 Regular Session of the 1999 General Assembly
and the 2001 General Assembly and shall submit a final report of its findings and recommendations on May 1, 2002, to the General Assembly, the Governor, and the citizens of the State. The Commission shall terminate upon filing its final report.

PART VI. REPORTING REQUIREMENTS

Section 6. The Governor shall report to the Joint Legislative Commission on Governmental Operations on the implementation of this act on a monthly basis during the third quarter of the 1999-2000 fiscal year and on a quarterly basis thereafter. The Governor shall report more frequently at the request of the Commission.

The Governor shall report by May 1, 2000, the estimated number of citizens who have experienced a reduction in or elimination of health or long-term care services as a result of funds being reallocated in accordance with Section 3.1 of this act. The Governor shall submit the report to: the Joint Legislative Health Care Oversight Commission, the North Carolina Study Commission on Aging, the Legislative Study Commission on Mental Health, Developmental Disabilities, and Substance Abuse Services, and the chairs of the Senate Appropriations Committee on Health and Human Services and the House Appropriations Subcommittee on Health and Human Services.

PART VII. EQUALIZATION OF UNEMPLOYMENT INSURANCE WAITING PERIOD FOR ALL UNEMPLOYED FLOOD VICTIMS

Section 7. G.S. 96-13(c) reads as rewritten:
"(c) From January 29, 1975, through February 15, 1977, no week of unemployment for waiting-period credit shall be required of any claimant. Beginning February 16, 1977, an unemployed individual shall be eligible to receive benefits with respect to any week only if the Commission finds that he has been totally, partially, or part-totally unemployed for a waiting period of one week with respect to each benefit year. No week shall be counted as a week of unemployment for waiting-period credit under this provision unless the claimant except for the provisions of this subdivision was otherwise eligible for benefits. As to claims filed on or after September 5, 1999, the waiting period for a benefit year shall not be required of any claimant if all of the following conditions are met:

1. The benefits are to be paid for unemployment due directly to a major natural disaster.

2. The President of the United States has declared the disaster pursuant to the Disaster Relief Act of 1970, 42 U.S.C.A. 4401, et seq.

3. The benefits are to be paid to claimants who would have been eligible for disaster unemployment assistance if they had not been eligible to receive unemployment insurance benefits with respect to that unemployment."
(4) The claimant files for a waiver of the waiting period week within 30 days after the date of notification or mailing of the notice of the right to have the waiting period week waived. The Employment Security Commission, for good cause shown, may at any time in its discretion, with or without motion or notice, order the period enlarged if the request for an enlargement of time is made before the expiration of the period originally prescribed or as extended by a previous order. After expiration of the specified period, the Employment Security Commission may permit the act to be done where the failure to act was a result of excusable neglect.

The benefits paid as a result of the waiver of the waiting period week shall not be charged to the account or accounts of the base period employer or employers in accordance with G.S. 96-9(c)(2)d. The Employment Security Commission shall implement regulations prescribing the procedure for the waiver of the waiting period week in accordance with G.S. 96-4(b)."

PART VIIA. FLEXIBILITY IN THE SCHOOL CALENDAR TO ACCOMMODATE EXTRAORDINARY CIRCUMSTANCES

Section 7A.(a) G.S. 115C-84.2(a)(1) reads as rewritten:
"(a) School Calendar. -- Each local board of education shall adopt a school calendar consisting of 220 days all of which shall fall within the fiscal year. A school calendar shall include the following:

(1) A minimum of either 180 days and or 1,000 hours of instruction covering at least nine calendar months. The local board shall designate when the 180 instructional days shall occur. The number of instructional hours in an instructional day may vary according to local board policy and does not have to be uniform among the schools in the administrative unit. Local boards may approve school improvement plans that include days with varying amounts of instructional time. If school is closed early due to inclement weather, the day and the scheduled amount of instructional hours may count towards the required minimum to the extent allowed by State Board policy. The school calendar shall include a plan for making up days and instructional hours missed when schools are not opened due to inclement weather."

Section 7A.(b) This section applies only to local school administrative units located in whole or in part in the 66 counties that were declared by the President of the United States to be a disaster area for Hurricane Floyd.

Section 7A.(c) This section becomes effective August 15, 1999, and expires August 15, 2000.

Section 7A.(d) This section may be codified by the Revisor of Statutes as G.S. 115C-84.2(a)(1a).
PART VIII. LIMITATIONS AND EFFECTIVE DATE

Section 8. Funds loaned to small and mid-sized businesses, described in item F. 14 of the Report of the House Appropriations Committees on Hurricane Floyd Recovery cited in Section 3.1(f) of this act, shall be used only for eligible purposes under the Small Business Administration disaster assistance loan program. Payments for economic losses shall be limited to documented business expenses necessary for the continued operation of the business.

Section 9. This act is effective when it becomes law, except that Sections 3.1(c), 4, 4.1, 4.2, and 7 become effective September 1, 1999, and except that Section 4.6 of this act is effective for taxable years beginning on or after January 1, 1999.

In the General Assembly read three times and ratified this the 16th day of December, 1999.

Became law upon approval of the Governor at 4:00 p.m. on the 16th day of December, 1999.

**79 Need-Based Financial Aid**

This creates the largest community college need-based financial aid program in North Carolina’s history. A significant portion of the additional curriculum tuition receipts will be set aside for need-based financial aid for community college students. This anticipates offsetting any tuition increase for those students who are not eligible for the Federal Hope and Lifetime Learning tax credits. These funds shall not revert.

84 Fayetteville Tech Botanical Lab Funds
A nonrecurring grant-in-aid to Fayetteville Tech to develop a regional botanical laboratory in partnership with the Cape Fear Botanical Garden.

85 Regional Emergency Services Training Facility
Provides a grant-in-aid for Central Carolina Community College to create a regional emergency services training facility.

Provides start-up funds for the creation of a new multi-county community college serving Anson and Union counties ($300,000). Also gives funds to Stanly Community College for its' loss in FTEs ($300,000). These funds may be carried forward and may be spent over the 1999-2001 biennium.

87 Scotland County Satellite Funds
Grant-in-aid to Richmond Community College for its Scotland county satellite.

88 A-B Tech Small Business Center Funds
Additional non-recurring funds for Asheville-Buncombe Technical Community College to use in its Small Business Center.

Enhancement of Faculty Salaries

89 Additional Faculty Salary Increase Funds
Gives the community college system an additional 2% for faculty salary increases. This is in addition to the 3% across-the-board increase provided to all employees.

90 Instructional and Administrative Support
By providing additional support positions, funds that community colleges have been transferring from the formula salary line can be significantly reduced. The State Board of Community Colleges shall ensure that at least one additional financial aid counselor is distributed to each college to actively promote financial assistance opportunities for students and to help maximize the benefits and understanding of the Federal tax credits in order for North Carolinians to fully utilize the Federal money that is available.
91 Increase "Other Cost" Funds
By increasing the amount allocated under the funding formula for non-salary "other cost" items, colleges will free up existing salary line formula money to either enhance faculty salaries or reduce the dependence on part-time faculty. This is the first increase in "other cost" items since 1985 and more accurately reflects the colleges' actual expenditures.

Reductions

92 Community Services Block Grant
Ask Community Colleges to spend down institutional fund balances and offer hobby and leisure courses on a self-supporting basis for one year. This block grant would be eliminated for one year only. This does not affect the policy regarding senior citizens free tuition.

93 Shift Focused Industrial Training Prog. To WTTF
Currently the Worker Training Trust Fund provides approximately half of the money for the Community Colleges Focused Industrial Training Program. This would shift an additional $300,000 of the program funding from the General Fund to the Worker Training Trust Fund for one year only.

94 Refund of Kodak NEIT Funds
A non-recurring reduction can be made to offset the refund the New and Expanding Industry Training Program received from Kodak.

95 Human Resources Development Program
Reduce the HRD program by $100,000. This program has been underspending its appropriation.

96 Special Allotment for Nursing Programs
Eliminates the extra money that is allocated over and above the funding formula for nursing programs.

97 Unemployment Compensation
Reduce the amount for unemployment compensation based on more recent estimates.

98 Eliminate Interest-Only Scholarship Reserve
With the current low interest rates this reserve is not generating sufficient financial aid resources. The direct, recurring appropriation in this budget is a more effective method of providing community college need-based financial aid.
99 Vacant Position Reductions

39 Reduce Funding to Replace SBI Vehicles
The Governor's Continuation Budget recommends $1,879,600 in 1999-2000 and $917,000 in 2000-01 to replace SBI cars and trucks. Funding is reduced by $103,900 in 1999-2000 and increased by $123,918 in 2000-01. This will result in the SBI deferring replacement of approximately 7 vehicles from 1999 to 2000. Increased maintenance costs, increased purchase costs and decreased resale costs are reflected in these figures.

39 | $(103,900) | $123,918 |

40 Eliminate Funding for Legal Services Bonuses
The Continuation Budget includes funds for annual bonuses for Legal Services attorneys based on outstanding job performance. The funding for this item is eliminated.

40 | ($93,453) | ($93,453) |

41 Eliminate Information Systems Manager Position
Eliminate position for Information Systems Manager in the Legal Services Division. Information technology is being reorganized Department-wide and this position is no longer needed. Position is eliminated effective August 1, 1999.

43 Increase Realized Receipts for DCI Fees
The amounts received in fees for criminal record checks and for access to the DCI system have increased with the volume of activity. The increase in receipts allows a reduction in the General Fund appropriation to the Department.

43 | ($100,000) | ($100,000) |

44 Reduction in Lease Expenses for DCI
The Division of Criminal Information will complete lease/purchase payments for their mainframe system in June 2000, allowing a $1.2 Million reduction in the appropriation to the Department.

44 | ($1,200,000) |
## 45 Expansion Funding Division of Criminal Information

Funds are provided to the Division of Criminal Information as follows: $131,088 in recurring funding for a disaster recovery plan; $300,000 in 1999-2000 and $91,600 recurring for upgrade of the system for new applications, with priority given to collecting and maintaining traffic enforcement statistics. If alternative funds are secured for this project, the $300,000 may be used for other forms of upgrade. This leaves $1,408 Million recurring from 2000-2001 on to be used to continue upgrading the system and implementing transition from the current mainframe system.

<td>Due to increases in the training school population in 1998 and 1999, the Governor and OJJ recommended that 72 positions that had been funded as temporary positions be made permanent. Updated projections by the Sentencing Commission indicate that the training school population will decline to levels at or below current capacity (843 beds) for 1999-2001 due to the impact of the Juvenile Justice Act, which will shift misdemeanants (currently 46% of training school population) to the community under intermediate sanctions. The continuation budget included $1,998,584 for the 72 positions for each year of the biennium. The Subcommittee recommends that $923,584 be retained to establish 50 part time positions (25 FTE's) for transportation of juveniles (44 now funded from lapsed salaries) and that $75,000 be used to fund an evaluation of training school and detention center staffing.</td>

### 68 Pilot Juvenile Program

This funding allows OJJ to contract with a private-for-profit or non-profit firm to provide up to 100 secure and non-secure beds as part of a multi-functional juvenile facility. The beds, in the discretion of OJJ, can be a mix of detention and residential treatment such as substance abuse and sex offender treatment. The funding for FY 2000-01 assumes a January 1, 2001 operation date for the 100 beds.

Legislative Changes

70 Close GPAC Prison Facilities

The Governor recommended closing nine GPAC units. It is recommended that three of the nine units remain open -- Alamance, Cleveland, and Gates. Alamance is operating a work release pilot program that needs more time for assessment. Cleveland is a medium custody unit; its cost per day is comparable to the state average for medium custody units. The cost per day for Gates is lower than the average cost per day for minimum custody. Gates also provides a work crew for the community and operates a water and sewer system for the DOC, DOT, and two local schools.

Six of the nine GPAC prison units originally recommended by the Governor are recommended for closing. These facilities either operate at costs well above the statewide average and/or are minimum custody institutions. Fewer minimum custody beds are needed due to the impact of Structured Sentencing. The closing dates and custody levels are:

- Goldsboro 8/1/99 (minimum)
- Blanch 9/1/99 (medium/close)
- Stokes 10/1/99 (minimum)
- Stanly 7/1/99 (minimum)
- Yadkin 9/1/99 (minimum)
- Iredell 10/1/99 (medium)

71 Close Nash Prison Unit

It is recommended to close Nash 9/1/99 since minimum custody beds are not needed in this area of the state. This is the old Nash field unit which now operates, with 15 employees, as a satellite to the new Nash Unit.

72 Convert Currituck Unit to Minimum Custody

Conversion of this prison from medium to minimum custody will reduce cost and allow for creation of minimum custody community work crews to serve the area.
Conference Report on the Continuation, Capital, and Expansion Budget

73 Eliminate Double Ceiling
In 1995, the General Assembly authorized double celling of inmates at Marion, Pasquotank and Central Prisons and funded the staffing necessary for additional security and programs. With increased availability of prison beds, it is possible to return to single cell close custody in these units and reduce the staffing accordingly.

74 Eliminate Expanded Operating Capacity Positions
With the opening of new prison beds, the need for minimum security prison beds has diminished. This budget reduction would reduce beds and population at 16 minimum security units, allowing for reduction of staff.

75 Reduce Perimeter Security Positions
Perimeter Patrol was reduced at medium custody prisons in 1998 from two patrols on the night shift to one. This recommendation would reduce staffing from two to one on the evening shift. There would continue to be two perimeter patrols on the day shift. Each of the prisons affected has an electronic intrusion fencing system.

76 Eliminate Adult Schools at Eastern and Harnett
These two teacher positions are the last remaining adult basic education teachers in the male prisons. DOC’s focus is now on youthful offenders; Community Colleges will provide these services for adult males at Harnett and Eastern.

77 Abolish Education Positions
Eliminates four physical education teachers, three vocational teachers, and one Assistant Education Director at Western. The P.E. teachers are the last remaining P.E. teachers in DOC; their duties will be carried out by recreation staff and classroom teachers. The vocational programs at Piedmont will be carried out by Community Colleges, as are all other vocational programs in the prison system. DOC believes the Assistant Education Director duties can be handled by the Director.

78 Education Director Position at Eastern
This item eliminates funding for the Education Director position which will be vacant July 1, 1999. The DOC adult education program at Eastern has been reduced over time and replaced by community college programs. The DOC adult program at Eastern no longer requires an on-site Education Director.

85 Additional Reductions in Parole Commission
The Post-Release Supervision and Parole Commission budget is reduced by 5% to reflect decreasing workload. The positions eliminated are an Office Assistant V and an Office Assistant IV. This item also reduces operating expenses by $60,944.

86 Eliminate Vacant Positions
The Governor recommended elimination of 9 positions that had been vacant for one year or longer. One position was in the Division of Community Corrections and the rest were in the Division of Prisons.

87 Reduce Inmate Costs at Closed Facilities
These funds are the inmate budget component (food, clothing, medical) for prisons recommended for closing. Also includes adjustment for moving up closing dates of Stanly and Yadkin Correctional Centers.

88 Close Stanly and Yadkin Units Early
It is recommended that the DOC close Stanly July 1, 1999 instead of the original proposed date of October 1, 1999 so that employees at Stanly can be used to staff the new Albemarle prison. The budget reduction is the additional amount generated between July 1, 1999 and October 1, 1999. It is also recommended that the Yadkin Unit close early -- September 1, 1999 rather than the original proposed date of November 1, 1999. This will avoid expenditures for major repairs or replacement of the water and sewer system.

89 Reduce Automobile Replacement Funds
The Subcommittee reduced the budget for automobile replacement by identifying vehicles that would not meet the replacement mileage cap (100,000 miles) until FY 2000-01.

90 Reduce Medical Contractual Personnel Funds
The DOC continuation budget for medical contractual personnel for 1999-2000 and 2000-01 is $8,500,000, roughly the same amount expended in 1997-98 and estimated in 98-99. However, the General Assembly funded new medical positions at NCCIW that were originally funded from the contractual budget. It is recommended that the contractual services funds be reduced by the amount that was replaced by a portion of the new positions.

91 Eliminate Funding for New Trainers
The Governor's Continuation Budget recommends 10 new Correctional Training Instructors for the Division of Community Correction. This item eliminates funding for these positions.

These funds will allow a total of 10% raises for all 514 of the PPO II positions that have been created by reallocation. With these reallocations, caseload averages by 2000-01 will be: 28:2 for intensive, 65:1 for Intermediate and 106:1 for Community. 98 Reduce DART Cherry Aftercare Funds
The Continuation Budget includes $319,715 in contractual service funds which are used for aftercare for offenders completing the 28 and 90 day programs at DART-Cherry who are not eligible for existing community programs. Funds for this project are reduced to $269,715 for 1999-2000.

99 Inmate Road Squad Receipts
Increase receipts from Highway Fund for operating inmate road squads from $6.5 million to $7 million to reflect actual cost and to implement directive in 1998-99 Budget Bill to adjust the continuation budget to reflect actual cost of operating road squads. This transfer allows a reduction of $500,000 in the General Fund.

100 Alien Assistance Receipts
North Carolina receives federal funds to partially fund the cost of housing illegal aliens who are inmates in the prison system. Receipts are anticipated to increase, allowing for a reduction in the General Fund.

101 Inmate Co-Pay Receipts — Reduce General Fund
The General Assembly authorized inmate co-pay for visits to prison infirmaries in 1997. Inmates pay $3.00 for routine visits to infirmary and $5.00 for emergencies if they have funds available in their accounts. This reduction budgets the receipts and reduces the General Fund.

102 Inmate Canteen Fund
This reduction is a one-time reduction in the estimated cash balance of the Inmate Welfare Fund. This reduction does not affect planned inmate projects or expenses to operate the Fund and inmate services.

103 Eliminate Vacant Medical Positions
The General Assembly authorized 50 new medical positions and 50 reallocations for a total of 100 new medical positions at Central and Women’s Prison. This recommendation is to reduce 12 vacant positions at Central. These positions -- 8 lead nurses, 3 Nurse Supervisors and 1 staff nurse -- were established in June 1998 and have not been filled despite continuous reposting. 58 of 50 positions at Central will remain, including 25 nurses.

104 Reduce Office Furniture Budget
Reduce funds in the Division of Community Correction’s operating budget for office furniture.
105 Modular Prison Unit
In 1998-99 the General Assembly appropriated $350,000 to purchase a modular prison unit for the Henderson Correctional Center. Bids for the unit exceeded $350,000. It is recommended that an additional $60,000 be appropriated to complete this project.

106 Continue Boot Camp Aftercare Program
Provide funds to continue the IMPACT aftercare program in Forsyth, Mecklenburg, New Hanover, Nash/Edgecombe and Buncombe Counties.

107 Women at Risk Program
Funding is increased from $125,000 to $200,000 to reflect growth in the program in Buncombe County and expansion to Burke, Caldwell and Catawba Counties.

108 Harriet's House
Funds to provide additional support in 1999-2000 to the programs at Harriet’s House, a transitional home for female ex-offenders and their children. Harriet’s House receives $200,000 in the Continuation Budget.

109 Continue Victims Assistance Pilot and DOC Program
Continues pilot program to provide assistance to victims through the Division of Community Correction. The program, in Craven and Wake Counties, includes 1 Victims Assistant in each location and a clerical position in Craven. Also provides one-time funds to reprogram OPUS system for tracking victims information statewide for the DOC.

110 Equipment/Furniture Funds for Parole Commission
One-time funding to replace outdated equipment and furniture for the Post Release Supervision and Parole Commission.

111 Inmate Road Squads at Avery/Mitchell
The continuation budget includes funds for 6 new road squads at Avery/Mitchell to serve those two counties and surrounding counties where prison units have closed. This item funds expansion of two more road squads effective October 1, 1999 for a total of 8.

112 Funds for Inmate Education Programs
Funding to allow the DOC to contract with small community colleges to provide education and training for inmates. The DOC will consult with the Community College System to identify small colleges that otherwise could not afford to provide services.

Counties participating in the Criminal Justice Partnership Program can apply for discretionary grants, decided by the Secretary of DOC based on recommendations of the CJPP Board. These grants are funded from unspent CJPP funds from prior years and were very limited in 1998-99. This item increases the amount available for discretionary grants in 1999-2000.

</tr>
</tbody>
</table>

The Governor recommended closing nine GPAC units. It is recommended that three of the nine units remain open -- Alamance, Cleveland, and Gates. Alamance is operating a work release pilot program that needs more time for assessment. Cleveland is a medium custody unit; its cost per day is comparable to the state average for medium custody units. The cost per day for Gates is lower than the average cost per day for minimum custody. Gates also provides a work crew for the community and operates a water and sewer system for the DOC, DOT, and two local schools.

Six of the nine GPAC prison units originally recommended by the Governor are recommended for closing. These facilities either operate at costs well above the statewide average and/or are minimum custody institutions. Fewer minimum custody beds are needed due to the impact of Structured Sentencing. The closing dates and custody levels are:

- Goldsboro 8/1/99 (minimum)
- Blanch 9/1/99 (medium/close)
- Stokes 10/1/99 (minimum)
- Stanly 7/1/99 (minimum)
- Yadkin (9/1/99) (minimum)
- Iredell (10/1/99) (medium)

It is recommended to close Nash 9/1/99 since minimum custody beds are not needed in this area of the state. This is the old Nash field unit which now operates, with 15 employees, as a satellite to the new Nash Unit.

#### 72 Convert Currituck Unit to Minimum Custody

Conversion of this prison from medium to minimum custody will reduce cost and allow for creation of minimum custody community work crews to serve the area.
73 Eliminate Double Ceiling
In 1995, the General Assembly authorized double celling of inmates at Marion, Pasquotank and Central Prisons and funded the staffing necessary for additional security and programs. With increased availability of prison beds, it is possible to return to single cell close custody in these units and reduce the staffing accordingly.

74 Eliminate Expanded Operating Capacity Positions
With the opening of new prison beds, the need for minimum security prison beds has diminished. This budget reduction would reduce beds and population at 16 minimum security units, allowing for reduction of staff.

75 Reduce Perimeter Security Positions
Perimeter Patrol was reduced at medium custody prisons in 1998 from two patrols on the night shift to one. This recommendation would reduce staffing from two to one on the evening shift. There would continue to be two perimeter patrols on the day shift. Each of the prisons affected has an electronic intrusion fencing system.

76 Eliminate Adult Schools at Eastern and Harnett
These two teacher positions are the last remaining adult basic education teachers in the male prisons. DOC’s focus is now on youthful offenders; Community Colleges will provide these services for adult males at Harnett and Eastern.

77 Abolish Education Positions
Eliminates four physical education teachers, three vocational teachers, and one Assistant Education Director at Western. The P.E. teachers are the last remaining P.E. teachers in DOC; their duties will be carried out by recreation staff and classroom teachers. The vocational programs at Piedmont will be carried out by Community Colleges, as are all other vocational programs in the prison system. DOC believes the Assistant Education Director duties can be handled by the Director.

78 Education Director Position at Eastern
This item eliminates funding for the Education Director position which will be vacant July 1, 1999. The DOC adult education program at Eastern has been reduced over time and replaced by community college programs. The DOC adult program at Eastern no longer requires an on-site Education Director.
79 Abolish Parole / Post Release Hearing Officers
Eliminate five parole revocation hearing officer positions due to the continued decrease in workload resulting from Structured Sentencing. The Department intends to use contractual employees to hold hearings around the state. Travel expenses are reduced to reflect this change.

80 Reduce Leased Space Funds
Reduce funds for leased space by consolidating offices and implementing a pilot Home as Duty Station program within the Division of Community Corrections.

81 Consolidate Female IMPACT with Male IMPACT Program
The female IMPACT Program has had difficulty maintaining a high utilization rate since its inception. The annual capacity of the program will be reduced from 260 to 120 and its operation will be consolidated with the program for males at Morganton, allowing a reduction in positions and funding.

82 Additional Reduction in IMPACT Female
The IMPACT program for females in Hoffman is being consolidated with the program for men in Morganton, eliminating 25 positions. This left 12 positions budgeted for the female program in Hoffman. With this item, eight of those positions are eliminated due to the consolidation. This leaves 4 positions at Hoffman to continue food service operation for the program for men; a Food Service Manager I, two Correctional Food Service Supervisor I positions and a Maintenance Mechanic IV.

83 Reduce Parole Commissioners from 5 to 3
Due to the declining number of paroles since the passage of Structured Sentencing, the number of Post Release Supervision and Parole Commissioners is reduced from 5 to 3. The terms of all current Commissioners will expire July 31, 1999 and 3 appointments will be made effective August 1, 1999.

84 Abolish Two Positions in Parole Commission
Two positions from the Post Release Supervision and Parole Commission, a Victims Services Coordinator and a Public Information Officer, have been transferred to the Office of Citizen Services but were continued in the Parole Commission budget in 1998-99. This item eliminates funding for these positions because alternative funding will be provided by the Office of Citizen Services.
85 Additional Reductions in Parole Commission
The Post-Release Supervision and Parole Commission budget is reduced by 5% to reflect decreasing workload. The positions eliminated are an Office Assistant V and an Office Assistant IV. This item also reduces operating expenses by $60,944.

86 Eliminate Vacant Positions
The Governor recommended elimination of 9 positions that had been vacant for one year or longer. One position was in the Division of Community Corrections and the rest were in the Division of Prisons.

87 Reduce Inmate Costs at Closed Facilities
These funds are the inmate budget component (food, clothing, medical) for prisons recommended for closing. Also includes adjustment for moving up closing dates of Stanly and Yadkin Correctional Centers.

88 Close Stanly and Yadkin Units Early
It is recommended that the DOC close Stanly July 1, 1999 instead of the original proposed date of October 1, 1999 so that employees at Stanly can be used to staff the new Albemarle prison. The budget reduction is the additional amount generated between July 1, 1999 and October 1, 1999. It is also recommended that the Yadkin Unit close early—September 1, 1999 rather than the original proposed date of November 1, 1999. This will avoid expenditures for major repairs or replacement of the water and sewer system.

89 Reduce Automobile Replacement Funds
The Subcommittee reduced the budget for automobile replacement by identifying vehicles that would not meet the replacement mileage cap (100,000 miles) until FY 2000-01.

90 Reduce Medical Contractual Personnel Funds
The DOC continuation budget for medical contractual personnel for 1999-2000 and 2000-01 is $8,500,000, roughly the same amount expended in 1997-98 and estimated in 98-99. However, the General Assembly funded new medical positions at NCCIW that were originally funded from the contractual budget. It is recommended that the contractual services funds be reduced by the amount that was replaced by a portion of the new positions.

91 Eliminate Funding for New Trainers
The Governor's Continuation Budget recommends 10 new Correctional Training Instructors for the Division of Community Correction. This item eliminates funding for these positions.
92 Eliminate Funds for New Administrative Assistants

The Governor's Continuation Budget recommends 13 new Administrative Assistants in the Division of Community Corrections for the Managers in the largest Judicial Districts. This item eliminates these positions.

93 Reduce Funds for New Probation/Parole Officers

The Governor's Continuation Budget recommends $5.6 Million for 110 new Intermediate Officers (PPO II). Instead of establishing new positions, $735,727 will be provided in 1999-2000 and $935,112 in 1999-2000 to the Department of Correction to speed-up reallocation of 161 positions from PPO I (Community) to PPO II (Intermediate). These funds will allow a total of 10% raises for all 514 of the PPO II positions that have been created by reallocation. With these reallocations, caseload averages by 2000-01 will be: 28:2 for Intensive, 65:1 for Intermediate and 106:1 for Community. Reallocations will be phased in between September 1999 and January 2000.

The Air Quality Division, the Energy Division and the Department of Transportation shall support OSP in this effort with research, technical and contractual support to validate cost/benefit analysis, processes, procedures, and future implementation.

Section 3. Policy

The State of North Carolina Pilot Teleworking Program establishes interim guidelines for teleworking projects that are part of the pilot programs established under the auspices of the Office of State Personnel. This policy is not intended to have any effect on any existing telecommuting or teleworking activities in state agencies and will be reviewed at the conclusion of the pilots. The pilot projects, which are established under this interim policy, are designed so that a sound determination can be made as to the potential benefits of teleworking within North Carolina State government.
Section 4. **Covered Employees**

This policy applies to approved pilot projects only. Its provisions apply to employees who telework as part of such a pilot project and to the supervisors and managers who assign and review work for those employees.

b. **Duties.** The State Teleworking Advisory Committee shall assist the Office of State Personnel with the development of the State Teleworking Pilot Program, review its progress and make recommendations to the State Personnel Director with respect to continuation of teleworking in North Carolina State government.

Section 6. **Duties of the Office of State Personnel**

The Office of State Personnel will administer the State of North Carolina Pilot Teleworking Program. In carrying out this duty, OSP shall:

a. Provide coordination for the pilot programs;

b. Provide staff to the State Teleworking Advisory Committee;

c. Administer or contract the orientation program for agency coordinators;

d. Administer or contract program to train agency coordinators;

e. Review and approve any reports on the teleworking pilot programs; and,

f. Compile, analyze, and report pilot results.

Section 7. **Duties of Each Agency**

Each agency shall:

a. Establish agency policies and procedures in conformance with the guidelines and procedures established by OSP and define teleworking jobs. Each agency participating in a pilot must
identify jobs that are proposed for inclusion in the pilot and be responsible for providing documentation, evaluation, and analysis to support the selection of these jobs.

b. Establish expected results. Each agency shall establish measurable performance standards which are results-oriented and which describe quantity and quality of work.

c. Select a Teleworking Coordinator. Each participating agency shall select an Agency Teleworking Coordinator to be responsible for overall program organization and analysis.

Although teleworking is not an employee entitlement or right, termination of employees from the program must be done in writing and with appropriate notice except in emergency situations. Termination of a Teleworking Agreement by management is not a grievable issue under personnel policies. An employee who terminates an agreement cannot be subjected to disciplinary action.

WHEREAS, source reduction, reuse, and recycling constitute a key component of environmental sustainability identified at achieving the State’s solid waste reduction goal of 40% by the year 2001; and
WHEREAS, the State constitutes a large consumer of goods and services, which, in the course of their manufacture, use, and disposition impact the quality of the environment; and

WHEREAS, the procurement of environmentally sound goods and services by the State can serve to protect health and safety, reduce energy consumption, conserve natural resources, prevent pollution, and promote markets for recyclable materials.

NOW, THEREFORE, by the authority vested in me as Governor by the Constitution and laws of North Carolina, IT IS ORDERED:

Section 1. Purpose

This Executive Order shall promote all state agencies to maximize their efforts to develop and implement environmentally sustainable policies and practices. Specifically, agencies shall strive to:

a. consider and minimize the environmental impacts associated with agency land use and acquisition, construction, facility management, and employee transportation;

b. reduce and recycle material recoverable from solid waste originating at their facilities and from the construction and renovation of new facilities;

c. procure goods and services that have a lesser or reduced effect on human health and the environment, including products made wholly or in part from recycled materials; and,

d. encourage and promote conservation of energy through reducing wasteful, inefficient or uneconomical uses of energy resources.

Section 2. Responsibilities of State Agencies

a. Each state agency shall be responsible for implementing programs to make its operations environmentally sustainable, including, but not limited to, programs to reduce and recycle solid wastes and procure environmentally preferable goods and services. Such programs shall be consistent with and as comprehensive as described in this Order.

b. Each agency shall designate an Environmental Sustainability Officer to direct sustainability activities. Agencies shall also designate one or more individuals to coordinate and oversee its waste reduction, recycling, and environmental procurement programs, and to serve as a liaison with the Division of Pollution Prevention and
Environmental Assistance of the North Carolina Department of Environment and Natural Resources.

c. The Division of Pollution Prevention and Environmental Assistance and the Division of Energy of the North Carolina Department of Commerce shall provide technical assistance, education, and training to state agencies on these matters, and shall serve as a central point of information and coordination for all state agency environmental sustainability efforts.

d. The Divisions of Facility Management, State Construction, State Property, and Motor Fleet Management of the North Carolina Department of Administration shall facilitate state agency environmental sustainability efforts as part of their regular functions, which include but are not limited to: overseeing contracts for waste hauling, housekeeping services, landscaping, and facility maintenance; site leasing; capital construction projects; and fleet transportation.

e. As provided in this Order, the Division of Purchase and Contract of the Department of Administration shall aggressively explore opportunities for procuring goods and services that have a lesser or reduced effect on human health and the environment and shall actively promote the purchase of environmentally preferable products by state agencies and others eligible to purchase items from state contracts.

Section 3. Environmentally Sustainable Operations and Practices

State agency environmental sustainability efforts shall focus primarily on the operations of state-owned facilities and leased spaces. Agencies shall assess the impacts of facility daily operations, management, and capital improvement projects as they pertain to health and safety, environmental quality, land use, and resource conservation.

a. Capital improvements

All state agencies shall seek opportunities to reduce environmental impacts associated with capital improvements throughout project planning, site and building design, and construction. Agencies shall, to the extent feasible and practicable, implement project initiatives or modifications that result in energy efficiency, water conservation, pollution prevention, solid waste reduction, and land preservation during the construction and operation of agency facilities.
b. **Facilities management**

State agencies shall seek to integrate into the daily operations and management of state-owned and leased facilities, practices that enhance health and safety, reduce consumption of energy and fuels, conserve water, minimize emissions, and reduce solid and hazardous wastes. Agencies shall give consideration to these practices, to the extent feasible and practicable, as criteria for entering into lease agreements or contracts for maintenance and landscaping services.

c. **State Vehicle Use and Employee Transportation**

(1) To reduce air pollution, particularly ground-level ozone, resulting from state fleet vehicle usage, it shall be the goal of the State that on and after January 1, 2004, at least seventy-five percent (75%) of the new or replacement light duty cars and trucks purchased by state agencies will be alternative-fueled vehicles or low emission vehicles. The Departments of Administration, Transportation, and Environment and Natural Resources, shall jointly develop a plan to achieve this goal and to fuel and maintain these vehicles.

(2) To the extent feasible, and within guidelines established jointly by the Office of State Personnel, and the Departments Administration, Transportation, and Environment and Natural Resources, state agencies shall implement measures to reduce the number of vehicle miles driven by state employees in personal and state fleet vehicles resulting from job-related travel including commuting to and from work. These measures may include carpooling, vanpooling, public transportation incentives, flex-time scheduling to avoid travel during peak traffic, telecommuting, teleconferencing, and other appropriate strategies.

Section 4. **Source Reduction and Recycling of Solid Wastes**

a. **Source reduction**

To encourage reduction of waste at its source, all state agencies shall review their operations to determine where solid waste can be reduced at its sources of generation. Specific measures state agencies shall employ to reduce waste at the source include but are not limited to those identified in this Section.

(1) **Reduction of office paper waste**

(a) Printing and photocopying
State agencies shall avoid unnecessary printing or photocopying of printed materials, and shall require two-sided copying on all documents when feasible and practicable. To the extent feasible, all new and re-manufactured photocopy machines and laser printers purchased shall have duplexing capabilities.

(b) **Use of electronic communication**

State agencies shall, to the extent feasible, use electronic media such as voice mail, e-mail, and the Internet to circulate or distribute routine announcements, memoranda, documents, reports, forms, manuals, and publications.

(2) **Product necessity, durability, packaging, and recyclability**

State agencies shall discourage the use of disposable products where reusable products are available and economically viable for use. Furthermore, state agencies shall assess their waste generation with regard to purchasing decisions and make every attempt to purchase items only when needed and in amounts that are not excessive. When purchases are necessary, state agencies shall, to the extent feasible and practicable, acquire items that are more durable, have minimal packaging, or are readily recyclable when discarded.

b. **Collection programs for recyclable materials**

(1) As set forth in North Carolina General Statute § 130A-309.14, all state agencies shall ensure that employees have access to containers for recycling (at a minimum) aluminum cans, high-grade office paper, and corrugated cardboard. All state employees are required to separate identified recyclable materials generated in the course of agency operations and place them in the appropriate recycling containers. The provisions of this section shall not apply in those situations where the agency head makes a written determination that their implementation is not feasible.

(2) State agencies facilities that routinely host the general public, such as highway rest areas, state parks and recreation areas, employment security offices, state historic sites, etc., shall implement programs for the collection of recyclable materials discarded by the public at all such locations (e.g., aluminum, glass, and plastic beverage containers) when feasible and practicable. State agencies shall work closely with the appropriate local government agencies when developing and implementing these recycling programs.
Agencies that operate or contract for the operation of food service establishments, such as snack bars, cafeterias, dining halls, etc., are encouraged to implement programs to recover and recycle leftover food when practicable and feasible.

c. **Education of agency employees**

It shall be the duty of each state agency to educate and encourage employee participation in agency waste reduction and recycling programs. The Division of Pollution Prevention and Environmental Assistance shall assist agencies in developing and implementing educational programs. Each agency shall establish a network of assistant coordinators to assist the lead coordinator with carrying out this responsibility. The assistant coordinators shall disseminate information about recycling and waste reduction policies and procedures; monitor participation; and report any problems, suggestions, or other feedback to the agency's designated lead coordinator.

**Section 5. Purchase and Use of Environmentally Preferable Products**

As a component of their environmental sustainability efforts and to help develop markets for recyclable materials, state agencies shall procure and use environmentally preferable goods and services, including products made wholly or in part from recycled materials, whenever feasible and practicable. Environmentally preferable products have a lesser or reduced effect on human health and the environment in their manufacture, use, and disposal when compared with other products that serve the same purpose. Agencies shall give consideration to environmentally preferable products that are more energy efficient, less toxic, less polluting, and which generate less waste overall.

a. **Purchases of environmentally preferable and recycled-content products**

(1) In cooperation with the Division of Pollution Prevention and Environmental Assistance, the Division of Purchase and Contract shall make every effort to identify environmentally preferable goods and services and products made from recycled materials that meet appropriate standards for use by state agencies. When environmentally preferable and recycled-content products are offered that are comparable in quality, availability, and price to products not having recycled content or similar environmental attributes, term contracts shall carry only the environmentally preferable products.
(2) To enable agencies to readily identify the availability of these products, term contracts shall be written in a format that prominently identifies environmentally preferable and recycled-content products, and these products shall be listed in conjunction with any comparable products not having recycled content or similar environmental attributes. The Division of Purchase and Contract shall prepare an electronic listing of all environmentally preferable and recycled-content products available on state contracts and make it available to all state agency purchasers.

(3) State agencies that have delegated purchasing authority shall develop product specifications to encourage vendors to offer environmentally preferable and recycled-content products. Specifications shall be written to ensure that they do not contain restrictive language or other barriers to purchasing environmentally preferable or recycled-content products, unless such specifications are necessary to protect public health, safety, or welfare.

(4) All electronic office equipment, including but not limited to, computers, monitors, printers, scanners, photocopy machines, facsimile machines, and other such equipment purchased by state agencies shall be Energy Star® compliant.

(5) State agencies shall give priority consideration to the purchase of re-manufactured and used equipment, including, but not limited to, such equipment as photocopiers and other office equipment.

(6) State agencies shall give priority consideration to the purchase of fleet vehicles that use less-polluting fuels and that have the highest available miles-per-gallon rating.

b. Purchases of recycled paper

(1) State agencies are directed to purchase and use recycled paper for all letterhead stationery, reports, memoranda, and other documents when feasible and practicable. All new and re-manufactured photocopy machines and laser printers purchased shall have the ability to use xerographic paper having at least 50% recycled content, 30% of which should be post-consumer content.

(2) State agencies shall attempt to meet the goal that, as of Fiscal Year 2003-04, 100% of the total dollar value of expenditures for paper and paper products be for products of paper and paper products with recycled content. In addition, state
agencies shall attempt, to the extent feasible and practicable, to purchase recycled paper and paper products with the highest percentage of post consumer content.

c. Guidelines and criteria

The Division of Purchase and Contract in cooperation with the Division of Pollution Prevention and Environmental Assistance shall develop criteria for determining the environmental preferability of goods and services and establish minimum content standards for recycled-content products purchased by state agencies.

Section 6. Reporting

a. State agency annual reports on solid waste reduction and procurement of recycled products

By the first of October annually, each state agency shall report to the Division of Pollution Prevention and Environmental Assistance for the previous fiscal year the following information, at a minimum: activities or programs implemented to reduce the amount of solid waste generated by the agency; quantities and types of materials collected for recycling by the agency; and the dollar amounts and types of recycled products purchased.

b. Annual progress report to the Governor

The Division of Pollution Prevention and Environmental Assistance, in conjunction with the Department of Administration, shall provide guidance to agencies in preparing their annual reports. The Division of Pollution Prevention and Environmental Assistance shall compile the agency reports and provide to the Governor an annual progress report on state agency efforts to reduce waste at the source, collect recyclable materials, and procure recycled products.

c. Tracking recycled products procurement

The Division of Purchase and Contract shall review its sales report procedures and determine any changes needed to facilitate tracking of environmentally preferable and recycled products purchased by state agencies and others from term contracts.

NORTH CAROLINA STATEWIDE EMERGENCY MANAGEMENT
MUTUAL AID AND ASSISTANCE AGREEMENT
Revision – October, 1997

THIS AGREEMENT IS ENTERED INTO BETWEEN THE NORTH CAROLINA
DEPARTMENT OF CRIME CONTROL AND PUBLIC SAFETY, AND ITS DIVISION OF
EMERGENCY MANAGEMENT OF THE STATE OF NORTH CAROLINA AND BY EACH
OF THE ENTITIES THAT EXECUTES AND ADOPTS THE UNDERSTANDINGS,
COMMITMENTS, TERMS, AND CONDITIONS CONTAINED HEREIN:

WHEREAS, the State of North Carolina is geographically vulnerable to a variety of natural
disasters;

WHEREAS, Chapter 166A of the North Carolina General Statutes, entitled the North Carolina
Emergency Management Act, recognizes this vulnerability and provides that its intended
purposes are to:

(1) Reduce vulnerability of people and property of this State to damage, injury, and
loss of life and property;

(2) Prepare for prompt and efficient rescue, care, and treatment of threatened or
affected persons;

(3) Provide for the rapid and orderly rehabilitation of persons and restoration of
property; and

(4) Provide for cooperation and coordination of activities relating to emergency and
disaster mitigation, preparedness, response, and recovery;

WHEREAS, in addition to the State, the Federal Emergency Management Agency (FEMA) has
recognized the importance of the concept of coordination between the State and local
governments;

WHEREAS, under Chapter 166A and other chapters of the North Carolina General Statutes,
entities entering into mutual aid and assistance agreements may include provisions for the
furnishing and exchanging of supplies, equipment, facilities, personnel and services; and

WHEREAS, the entities which have chosen to become signatories to this Agreement wish to
provide mutual aid and assistance amongst one another at the appropriate times; THEREFORE,
pursuant to G.S. 166A-10(b), these entities agree to enter into this Agreement for reciprocal
emergency management aid and assistance, with this Agreement embodying the understandings,
commitments, terms, and conditions for said aid and assistance, as follows:
Section I. DEFINITIONS

"Agreement" means this document, the North Carolina Statewide Emergency Management Mutual Aid and Assistance Agreement.

"Aid and assistance" includes personnel, equipment, facilities, services, supplies, and other resources.

"Authorized Representative" means a party's employee who has been authorized, in writing by that party, to request, to offer, or to otherwise provide assistance under the terms of this Agreement. The list of Authorized Representatives for each party executing this Agreement shall be attached to the executed copy of this Agreement. (In the event of a change in personnel, unless otherwise notified the presumption will be that the successor to that position will be the authorized representative.)

"Disaster" means an occurrence or imminent threat of widespread or severe damage, injury, or loss of life or property, resulting from any natural or man-made accidental, military, or paramilitary cause.

"Local Agency" means a county agency charged with coordination of all emergency management activities for its geographical limits pursuant to G.S. 166A-7.

"Party" means a governmental entity which has adopted and executed this Agreement.

"Provider" means the party which has received a request to furnish aid and assistance from another party in need (the "Recipient").

"Recipient" means the party setting forth a request for aid and assistance to another party (the "Provider").

Section II. INITIAL RECOGNITION OF PRINCIPLE BY ALL PARTIES; AGREEMENT PROVIDES NO RIGHT OF ACTION FOR THIRD PARTIES

As this is a reciprocal contract, it is recognized that any party to this Agreement may be requested by another party to be a Provider. It is mutually understood that each party's foremost responsibility is to its own citizens. The provisions of this Agreement shall not be construed to impose an unconditional obligation on any party to this Agreement to provide aid and assistance pursuant to a request from another party. Accordingly, when aid and assistance have been requested, a party may in good faith withhold the resources necessary to provide reasonable and adequate protection for its own community, by deeming itself unavailable to respond and so informing the party setting forth the request.

Given the finite resources of any jurisdiction and the potential for each party to be unavailable for aid and assistance at a given point in time, the parties mutually encourage each other to enlist other entities in mutual aid and assistance efforts and to enter into such agreements accordingly. Concomitantly, the parties fully recognize that there is a highly meritorious reason
for entering into this Agreement, and accordingly shall attempt to render assistance in accordance with the terms of this Agreement to the fullest extent possible.

Pursuant to G.S. 166A-14 and as elaborated upon in Section X of this Agreement, all functions and activities performed under this Agreement are hereby declared to be governmental functions. Functions and activities performed under this Agreement are carried out for the benefit of the general public and not for the benefit of any specific individual or individuals. Accordingly, this Agreement shall not be construed as or deemed to be an agreement for the benefit of any third parties or persons and no third parties or persons shall have any right of action under this Agreement for any cause whatsoever. All immunities provided by law shall be fully applicable as elaborated upon in Section X of this Agreement.

Section III. PROCEDURES FOR REQUESTING ASSISTANCE

Mutual aid and assistance shall not be requested unless the resources available within the stricken area are deemed inadequate by Recipient. When Recipient becomes affected by a disaster and deems its resources inadequate, it may request mutual aid and assistance by communicating the request to Provider, indicating the request is made pursuant to this mutual aid agreement. The request shall be followed as soon as practicable by a written confirmation of that request, including the transmission of a proclamation of local state of emergency under G.S. 166A-8 and Article 36 A of Chapter 14 of the NC General Statutes, and a completed form describing its projected needs in light of the disaster. All requests for mutual aid and assistance shall be transmitted by the party's Authorized Representative or to the Coordinator of the Local Agency as set forth below.

A. METHOD OF REQUEST FOR MUTUAL AID AND ASSISTANCE: Recipient shall set forth requests by means of one of the two options described as follows:

(i) REQUESTS ROUTED THROUGH THE RECIPIENT'S LOCAL AGENCY: Recipient may directly contact the Local Agency, in which case it shall provide the Local Agency with the information in paragraph B of this Section (Section III). The Local Agency shall then contact other parties on behalf of Recipient to coordinate the provision of mutual aid and assistance. Recipient shall be responsible for the costs and expenses incurred by any Provider in providing aid and assistance pursuant to Section VII of this Agreement.

(ii) REQUESTS MADE DIRECTLY TO PROVIDER: Recipient may directly contact Provider's authorized representative, setting forth the information in paragraph B of this Section (Section III). All communications shall be conducted directly between Recipient and Provider. Recipient shall be responsible for the costs and expenses incurred by any Provider in providing aid and assistance pursuant to the provisions of this Agreement as noted in Section VII of this Agreement. Provider and recipient shall be responsible for keeping Local Agencies advised of the status of response activities, in a timely manner.
RECORD OF REQUESTS TO BE PROVIDED: A record of the request for assistance shall be provided by the Recipient to the Director of the Division of Emergency Management in the NC Department of Crime Control and Public Safety, in a timely manner.

B. REQUIRED INFORMATION: Each request for assistance shall be accompanied by the following information, in writing or by any other available means, to the extent known:

1. Stricken Area and Status: A general description summarizing the condition of the community (i.e., whether the disaster is imminent, in progress, or has already occurred) and of the damage sustained to date;

2. Services: Identification of the service function(s) for which assistance is needed and the particular type of assistance needed;

3. Infrastructure Systems: Identification of the type(s) of public infrastructure system for which assistance is needed (water and sewer, storm water systems, streets) and the type of work assistance needed;

4. Aid and Assistance: The amount and type of personnel, equipment, materials, and supplies needed and a reasonable estimate of the length of time they will be needed;

Provider's Traveling Employee Needs—Unless otherwise specified by Recipient, it is mutually understood that Recipient will provide for the basic needs of Provider’s traveling employees. Recipient shall pay for all reasonable out-of-pocket costs and expenses of Provider’s personnel, including without limitation transportation expenses for travel to and from the stricken area. Further, Recipient shall house and feed Provider’s personnel at its (Recipient’s) sole cost and expense. If Recipient cannot provide such food and/or housing at the disaster area, Recipient shall specify in its request for assistance that self-contained personnel are needed.

5. Facilities: The need for sites, structures, or buildings outside Recipient's geographical limits to serve as relief centers or staging areas for incoming emergency goods and services; and

6. Meeting Time and Place: An estimated time and a specific place for a representative of Recipient to meet the personnel and resources of any Provider.

C. STATE AND FEDERAL ASSISTANCE: Recipient shall be responsible for coordinating requests for state or federal assistance with its (Recipient’s) Local Agency.
When contacted by the Recipient/Local Agency, Provider’s authorized representative shall assess Provider’s own local situation in order to determine available personnel, equipment, and other resources. If Provider’s authorized representative determines that Provider has available resources, Provider’s authorized representative shall so notify the Recipient/Local Agency (whichever communicated the request). Provider shall complete a written acknowledgment, whether on the request form received from Recipient or on another form, regarding the assistance to be rendered (or a rejection of the request) and shall transmit it by the most efficient practical means to the Recipient/Local Agency for a final response. Provider’s acknowledgment shall contain the following information:

1. In response to the items contained in the request, a description of the personnel, equipment, and other resources available;

2. The projected length of time such personnel, equipment, and other resources will be available to serve Recipient, particularly if the period is projected to be shorter than one week (as provided in the “Length of Time for Aid and Assistance” section [Section VI] of this Agreement.)

3. The estimated time when the assistance provided will arrive at the location designated by the Authorized Representative of the Requesting Party; and

4. The name of the person(s) to be designated as Provider’s supervisory personnel (pursuant to the “Supervision and Control” section [Section V] of this Agreement.)

Where a request has been submitted to the Local Agency, the Local Agency shall notify Recipient’s authorized representative and forward the information from Provider. The Recipient/Local Agency shall respond to Provider’s written acknowledgment by executing and returning a copy of the form to Provider by the most efficient practical means, maintaining a copy for its file.

Section V. SUPERVISION AND CONTROL

Provider shall designate supervisory personnel amongst its employees sent to render aid and assistance to Recipient. As soon as practicable, Recipient shall assign work tasks to Provider’s supervisory personnel, and unless specifically instructed otherwise, Recipient shall have the responsibility for coordinating communications between Provider’s supervisory personnel and Recipient. Recipient shall provide necessary credentials to Provider’s personnel authorizing them to operate on behalf of Recipient.

Based upon such assignments set forth by Recipient, Provider’s supervisory personnel shall:
(1) have the authority to assign work and establish work schedules for Provider’s personnel. Further, direct supervision and control of Provider’s personnel, equipment, and other resources shall remain with Provider’s supervisory personnel. Provider should be prepared to furnish communications equipment sufficient to maintain communications among its respective operating units, and if this is not possible, Provider shall notify Recipient accordingly;

(2) maintain daily personnel time records, material records, and a log of equipment hours;

(3) shall report work progress to Recipient at mutually agreed upon intervals.

Section VI. LENGTH OF TIME FOR AID AND ASSISTANCE; RENEWABILITY; RECALL

Unless otherwise provided, the duration of Provider's assistance shall be for an initial period of seven days, starting from the time of arrival. Thereafter, assistance may be extended in daily or weekly increments as the situation warrants, for a period agreed upon by the authorized representatives of Provider and Recipient.

As noted in Section II of this Agreement, Provider's personnel, equipment, and other resources shall remain subject to recall by Provider to provide for its own citizens if circumstances so warrant. Provider shall make a good faith effort to provide at least twenty-four (24) hours advance notification to Recipient of its (Provider’s) intent to terminate mission, unless such notice is not practicable, in which case as much notice as is reasonable under the circumstances shall be provided.

Section VII. REIMBURSEMENTS

Except as otherwise provided below, it is understood that Recipient shall pay to Provider all documented costs and expenses incurred by Provider as a result of extending aid and assistance to Recipient. The terms and conditions governing reimbursement for any assistance provided under this Agreement shall be in accordance with the following provisions, unless otherwise agreed in writing by Recipient and Provider. Recipient shall be ultimately responsible for reimbursement of all eligible expenses. Provider shall submit reimbursement documentation to Recipient on the forms shown in Appendix B.

A. Personnel— During the period of assistance, Provider shall continue to pay its employees according to its then prevailing ordinances, rules, and regulations. Provider shall reimburse Provider for all direct and indirect payroll costs and expenses including travel expenses incurred during the period of assistance, including, but not limited to, employee retirement benefits as provided by Generally Accepted Accounting Principles (GAAP). However, as stated in Section IX of this Agreement, Recipient shall not be responsible for reimbursing any amounts paid or due as benefits to Provider’s personnel under the terms of the North Carolina Workers' Compensation Act (Chapter 97 of the North Carolina General Statutes).
B. Equipment-- Provider shall be reimbursed by Recipient for the use of its equipment during the period of assistance according to either a pre-established local or state hourly rate or according to the actual replacement, operation, and maintenance expenses incurred. For those instances in which costs are reimbursed by the Federal Emergency Management Agency (FEMA), the FEMA-eligible direct costs shall be determined in accordance with 44 C.F.R. 206.228. Provider shall pay for all repairs to its equipment as determined necessary by its on-site supervisor(s) to maintain such equipment in safe and operational condition. At the request of Provider, fuels, miscellaneous supplies, and minor repairs may be provided by Recipient, if practical. The total equipment charges to Recipient shall be reduced by the total value of the fuels, supplies, and repairs furnished by Recipient and by the amount of any insurance proceeds received by Provider.

C. Materials And Supplies-- Provider shall be reimbursed for all materials and supplies furnished by it and used or damaged during the period of assistance, except for the costs of equipment, fuel and maintenance materials, labor, and supplies, which shall be included in the equipment rate established in subsection B of this section (Section VII), unless such damage is caused by gross negligence, willful and wanton misconduct, intentional misuse, or recklessness of Provider's personnel. Provider's personnel shall use reasonable care under the circumstances in the operation and control of all materials and supplies used by them during the period of assistance. The measure of reimbursement shall be determined in accordance with 44 C.F.R. 206.228. In the alternative, the parties may agree that Recipient will replace, with like kind and quality as determined by Provider, the materials and supplies used or damaged. If such an agreement is made, it shall be reduced to writing and transmitted to the North Carolina Division of Emergency Management.

D. Record Keeping-- Recipient and NC Division of Emergency Management personnel shall provide information, directions, and assistance for record keeping to Provider's personnel. Provider shall maintain records and submit invoices for reimbursement by Recipient or the NC Division of Emergency Management using the format used or required by FEMA publications, including 44 C.F.R. part 13 and applicable Office of Management and Budget (OMB) Circulars.

E. Payment; Other Miscellaneous Matters as to Reimbursements-- The reimbursable costs and expenses with an itemized notice shall be forwarded as soon as practicable after the costs and expenses are incurred, but not later than sixty (60) days following the period of assistance, unless the deadline for identifying damage is extended in accordance with 44 C.F.R. part 206. Recipient shall pay the bill or advise of any disputed items, not later than sixty (60) days following the billing date. These time frames may be modified in writing by mutual agreement. This shall not preclude Provider or Recipient from assuming or donating, in whole or in part, the costs and expenses associated with any loss, damage, or use of personnel, equipment, and resources provided to Recipient.

Section VIII. RIGHTS AND PRIVILEGES OF PROVIDER'S EMPLOYEES

Pursuant to G.S. 166A-14, whenever Provider's employees are rendering aid and assistance pursuant to this Agreement, such employees shall retain the same powers, duties, immunities, and privileges they would ordinarily possess if performing their duties within the geographical limits of Provider.
Section IX. PROVIDER'S EMPLOYEES COVERED AT ALL TIMES BY PROVIDER'S WORKERS' COMPENSATION POLICY

Recipient shall not be responsible for reimbursing any amounts paid or due as benefits to Provider's employees under the terms of the North Carolina Workers' Compensation Act, Chapter 97 of the General Statutes, due to personal injury or death occurring during the period of time such employees are engaged in the rendering of aid and assistance under this Agreement. It is mutually understood that Recipient and Provider shall be responsible for payment of such workers' compensation benefits only to their own respective employees. Further, it is mutually understood that Provider will be entirely responsible for the payment of workers' compensation benefits to its own respective employees pursuant to G.S. 97-51.

Section X. IMMUNITY

Pursuant to G.S. 166A-14, all activities performed under this Agreement are hereby declared to be governmental functions. Neither the parties to this Agreement, nor, except in cases of willful misconduct, gross negligence, or bad faith, their personnel complying with or reasonably attempting to comply with this Agreement or any ordinance, order, rule, or regulation enacted or promulgated pursuant to the provisions of this Agreement shall be liable for the death of or injury to persons, or for damage to property as a result of any such activity.

Section XI. PARTIES MUTUALLY AGREE TO HOLD EACH OTHER HARMLESS FROM LIABILITY

Each party (as indemnitor) agrees to protect, defend, indemnify, and hold the other party (as indemnitee), and its officers, employees and agents, free and harmless from and against any and all losses, penalties, damages, assessments, costs, charges, professional fees, and other expenses or liabilities of every kind and arising out of or relating to any and all claims, liens, demands, obligations, actions, proceedings, or causes of action of every kind in connection with or arising out of indemnitor’s negligent acts, errors and/or omissions. Indemnitor further agrees to investigate, handle, respond to, provide defense for, and defend any such claims, etc. at indemnitor’s sole expense and agrees to bear all other costs and expenses related thereto. To the extent that immunity does not apply, each party shall bear the risk of its own actions, as it does with its day-to-day operations, and determine for itself what kinds of insurance, and in what amounts, it should carry. Each party understands and agrees that any insurance protection obtained shall in no way limit the responsibility to indemnify, keep, and save harmless the other parties to this Agreement.

Notwithstanding the foregoing, to the extent that each party does not purchase insurance, it shall not be deemed to have waived its governmental immunity by law.

SECTION XII. ROLE OF THE DIVISION OF EMERGENCY MANAGEMENT

Under this Agreement, the responsibilities of the NC Division of Emergency Management are: (1) to serve as the central depository for executed agreements, to maintain a current listing of entities with their authorized representatives and contact information, and to
provide this listing to each of the entities on an annual basis; (2) to coordinate the provision of mutual aid and assistance to a requesting party, pursuant to the provisions of this Agreement; (3) to keep a record of all requests for assistance and acknowledgments; (4) to report on the status of ongoing emergency or disaster-related mutual aid and assistance as appropriate; and (5) if the parties so designate, to serve as the eligible entity for requesting reimbursement of eligible costs from FEMA and provide information, directions, and assistance for record keeping pursuant thereto.

Section XIII. AMENDMENTS

Manner-- This Agreement may be modified at any time upon the mutual written consent of the Recipient and Provider.

Addition of Other Entities-- Additional entities may become parties to this Agreement upon: (1) acceptance and execution of this Agreement; and (2) sending said executed copy of the Agreement to the NC Division of Emergency Management.

Section XIV. INITIAL DURATION OF AGREEMENT; RENEWAL; TERMINATION

This Agreement shall be binding for not less than one (1) year from its effective date, unless terminated upon at least sixty (60) days advance written notice by a party as set forth below. Thereafter, this Agreement shall continue to be binding upon the parties in subsequent years, unless canceled by written notification served personally or by registered mail upon the Director of NC Division of Emergency Management, which shall provide copies to all other parties. The withdrawal shall not be effective until sixty (60) days after notice thereof has been sent by the Director of the NC Division of Emergency Management to all other parties. A party’s withdrawal from this Agreement shall not affect a party’s reimbursement obligations or any other liability or obligation under the terms of this Agreement incurred hereunder. Once the withdrawal is effective, the withdrawing entity shall no longer be a party to this Agreement, but this Agreement shall continue to exist among the remaining parties.

Section XV. HEADINGS

The headings of various sections and subsections of this Agreement have been inserted for convenient reference only and shall not be construed as modifying, amending, or affecting in any way the express terms and provisions of this Agreement.

Section XVI. SEVERABILITY: EFFECT ON OTHER AGREEMENTS

Should any clause, sentence, provision, paragraph, or other part of this Agreement be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder of this Agreement. Each of the parties declares that it would have entered into this Agreement irrespective of the fact that any one or more of this Agreement’s clauses, sentences, provisions, paragraphs, or other parts have been so declared invalid. Accordingly, it is the intention of the parties that the remaining portions of this Agreement shall remain in full force and effect without regard to the clause(s), sentence(s), provision(s), paragraph(s), or other part(s) invalidated.
In the event that parties to this Agreement have entered into other mutual aid and assistance contracts, for example pursuant to Chapter 160A of the North Carolina General Statutes, those parties agree that to the extent a request for mutual assistance is made pursuant to this agreement, those other mutual aid and assistance contracts are superseded by this Agreement.

Section XVII. EFFECTIVE DATE

This Agreement shall take effect upon its approval by the entity seeking to become a signatory to this Agreement and upon proper execution hereof.

IN WITNESS WHEREOF, each of the parties have caused this North Carolina Statewide Emergency Management Mutual Aid and Assistance Agreement to be duly executed in its name and behalf by its chief executive officer, who has signed accordingly with seals affixed and attested with concurrence of a majority of its governing board, as of the date set forth in this Agreement.
